Visitors are welcome to come and worship with us regularly.

Mr. and Mrs. Bill Hodel left Sunday, January 14 for Mineral Wells, where they plan on staying for several weeks.

Self-Employed Is Covered By New Social Security Law

Self-employed persons come under the Social Security Act beginning January 1, 1951; however, in most cases the first report will be made at the regular tax paying time in March 1952, according to John G. Hutton, manager of the Lubbock office of the Social Security Administration.

Among the self-employed persons are operators of stores, filling stations, theaters, taxi cabs, advertising agencies, logging contractors, brokers, and certain others who classify themselves as independent contractors. The law specifically exempts farm operators, physicians, lawyers, dentists, architects, funeral directors, engineers, accountants, and a few other professions.

An individual must have self-employment income of \$400.00 or more in a year to become subject to the law. Only the first \$3600 income in a year is subject to the tax. The rate is 2 1/2% from January 1, 1951 through December 1953.

Partners in a business are considered self-employed. A professional person may have self-employment income from sole ownership or a partnership outside his profession. Both wages and self-employment income may be credited up to \$3,600 per year. Benefits are computed from the average wage or average net self-employment income, or a combination of the two.

A person just coming into the

system who had no previous wage credits will not be penalized because he was not in covered employment prior to 1951. The law provides for a new start as a basis for figuring benefits. No one will be fully insured under the new start until he has obtained at least 6 quarters of coverage, which means he cannot become entitled under the new provisions before the middle of 1952. For the benefit of those in Lockney who desire information on the Social Security amendments or wish to file claim for benefits, a representative of the Lubbock Social Security office will be in Lockney at the Post Office at 2:30 p. m. on Tuesday, January 23.

Wayland Issues News Magazine

Plainview. — Wayland College racked up another first today by issuing what is believed to be the first college student publication in the form of a weekly news magazine.

With a cover printed in red and black, it continues the name WAYLAND WORLD, which previously had been a traditional tabloid sized newspaper. For the third successive academic year, the paper is being printed by Wayland World Press, using the photo-offset process.

Featured on the cover is Jo Denton of Lubbock, chosen as campus beauty for the academic year. The booklet is a small, 16-page publication.

Next week, and every two weeks following, it is planned to add additional pages and mail the publication to 2,500 ex-students, trustees, pastors of the area, editors, donors to Wayland and others. It will thus be combined with a newsheet called FLASH which previously has been issued separately.

Editor of the Wayland World is Laura Brooks and business manager is Bill Pemberton, both of Plainview. Other leading staff members are as follows: Gracye Fields of Hobbs, N. M., assistant editor; Al Cornebise of Brownfield, Baptist Student Union reporter; Doris Jean Roe of Water Valley, feature editor; Faye Cupp

of Plainview, correspondence; and Doyle Eunice, N. M., sponsor. Arch McMillan is advisor.

Symptoms of Disturbed Stomach DUE TO EXCESSIVE QUICK RELIEF

GOOD HEALTH

1. IS CHILDBIRTH DANGEROUS?
 2. IS HEART TROUBLE INCREASING?
 3. WHAT IS A ROENTGENOLOGIST?

© 1950 HEALTH INFORMATION FOUNDATION

Answer to Question No. 1:
 1. The odds are 1,000 to 1 that a mother will survive childbirth and 1,000 to 31 that her baby will be born alive. In 1936, deaths during childbirth were almost six times as frequent as they are today and infant mortality was almost double. One important reason for the improvement is that only 40 per cent of babies were born in hospitals in 1936, whereas 85 per cent are born in them today.

Answer to Question No. 2:
 2. Today there is much less heart trouble than there used to be in youth and early middle

Three Major Kinds Of Heart Trouble

Austin. — What do you know about your heart? Do you know that the three major kinds of heart disease are: Rheumatic heart disease, high blood pressure, and coronary heart disease?

One of childhood's most dangerous foes is rheumatic fever, declares Dr. Geo. W. Cox, State Health Officer. A child is most likely to develop rheumatic fever when he is less than 10 years of age. However, the disease is not confined to children. "In World War II, about 40,000 men in the American forces developed attacks of rheumatic fever." This disease may damage the heart valves and muscle. Any child who has rheumatic fever should have the best of medical care, plenty of rest, a special diet, and be free from anxiety or worry. Just because a person has rheumatic fever, is no sign he will have rheumatic heart trouble. But it's important to keep in close check with the family physician.

Coronary heart disease strikes those from middle age groups and up, more than other forms of heart trouble. And, it strikes men more often than women. Moderation in daily living is very important, for if a person worries too much, works too hard, exercises too frequently and hard, and eats too much his heart is overworked. Yes, one of the best checks against overburdening the heart . . . is moderation in all things . . . and plenty of rest.

High blood pressure is another important cause of death. Naturally, the heart has to work harder to pump the blood, when blood pressure is high. An over-worked heart needs the care of a physician.

Sometimes symptoms of heart trouble aren't so noticeable; that is why a regular physical examination is so important.

Heart disease caused by syphilis, congenital heart disease, and heart trouble resulting from an overactive thyroid gland, are a few other forms of heart disease.

Stop and think about it for a moment. Do you give your heart enough rest?

Mr. and Mrs. J. B. Seale Jr. of Amarillo, spent last weekend here visiting with Mr. and Mrs. Brad Seale and Velma.

Following a good management and feeding program will help maintain high egg production during the winter months.

The two worst cotton seedling killers are angular leaf spot and soreskin. Chemical treatment of the planting seed will help control both diseases and will also improve the stand.

Now is the height of the season for pruning, watering and fertilizing many of the shrubs and trees used in landscaping the farmstead.

Sterley News
 by Mrs. M. A. Boone

Mrs. W. D. Wilkins and son of Lubbock visited Monday with her sister, Mrs. A. H. Suiter.

Louwana Rivers and Floy Glover spent Sunday night in Plainview visiting Bonita Glover.

A. C. and Clifton Houston of Hart visited Sunday with Mr. and Mrs. B. F. Allen.

Ruth Ann Rivers is out of school this week with the mumps.

Mr. and Mrs. Ray Dunham and Mr. and Mrs. Clyde Shearer and daughter of Plainview spent Sunday in the L. A. Claborn home.

Mr. and Mrs. James Mullins spent Wednesday night with his parents, Mr. and Mrs. W. B. Mullins. They were enroute to Corpus Christi where he will be employed.

Mr. and Mrs. Lester Rivers visited in Plainview Sunday.

Rev. and Mrs. Pickens of Aiken were guests Sunday in the B. A. Howell home.

Mr. and Mrs. Finis Weatherly of Kress visited friends in Sterley Monday.

Mr. and Mrs. A. H. Suiter are visiting in Lubbock this week.

Mrs. J. F. Stringer of Childress is spending this week in Sterley.

Sterley people are very happy because we are to have a new gin. Some material is already on the ground and work is expected to begin soon.

R. L. Powell spent last week in Sherman with his mother who is quite ill.

Storage batteries left on motors which aren't used often tend to lose their charge and if they are not recharged regularly during the winter months, they may freeze and crack when the temperature drops to near zero.

Mr. and Mrs. Paul Turpen of Lubbock spent last weekend in the home of Mr. and Mrs. L. G. Rhine and Audrene.

Guests in the Jimmie Stevenson home over the weekend were Mrs. Stevenson's brother and his wife, Mr. and Mrs. W. H. Ferguson and son, Ronnie Mac of Claude, Texas.

Year Book Planned At H. D. Meeting

The Lockney Home Demonstration Club met Thursday, January 11, in the home of Mrs. I. A. Applewhite for its regular meeting.

The yearbook was filled out and committees for the year elected. Mrs. L. M. Honea was elected Landscape Leader and Demonstrator and Mrs. Frank Messimer was elected Clothing Leader with Mrs. Joe Parrish as assistant.

Club sisters were revealed and lovely gifts exchanged.

Refreshments were served to Mrs. J. H. Cooper, L. W. McCuiston, J. E. Tierce, Frank Messimer, Henry Bolman, F. L. Brown, L. M. Honea, E. L. Stapp, M. S. Johnson, Derrell Wood, Miss Josephine Smith, Mrs. Berry, and Mrs. Applewhite.

The next meeting will be January 25 in the home of Mrs. Jake Jones.

MRS. GRIFFITH CELEBRATES 65th BIRTHDAY

Mrs. Mattie Griffith celebrated her 65th birthday last Saturday, January 13 with a birthday dinner.

Children present were: Mr. and Mrs. Robert Williams and family of Amarillo, Mr. and Mrs. N. J. Jones and family of Lubbock, and Mr. and Mrs. Bob Miller and son of Lockney.

CARD OF THANKS

We wish to express our sincere thanks for the many kind deeds shown us by our dear friends and neighbors during the recent illness of our loved one. May God's richest blessings be with each of you in our prayer.

The Rigby Family.

Mrs. McPherson Complimented With Bridal Tea Shower

A bridal tea shower honoring Mrs. Robert McPherson, the former Betty Dickerson, was given Thursday afternoon, January 11 in the home of Mrs. Fulton Gregg.

Guests were greeted at the door by the honoree, her mother, Mrs. Elbert Dickerson and the groom's mother, Mrs. H. H. McPherson. Upon arrival each guest was presented a small group of silver wedding bells to be worn during the afternoon.

Mrs. Clarence Strickland and Mrs. Bailey Henderson served punch and cake squares from the lace covered table. A large bouquet of yellow chrysanthemums placed on a reflector centered the serving table.

Miss Polly Chitty secured names of the guests for the Bride's Book.

On display throughout the afternoon were the lovely miscellaneous gifts from the guests and the hostesses to the honoree. Approximately 125 guests registered and sent gifts.

Hostesses for the tea were: Mrs. Fulton Gregg, Clarence Strickland, Dee Garvin, Bailey Henderson, E. O. Barrett, Ira Graves, Wylie Nance, Bee Phillips, Joel Nance, J. B. Mercer, Mark Martin, Edwin Crass, Raymond Teepie and Misses Polly Chitty and Norma Jo Teepie.

Going Away Party In Marshall Home

Mr. and Mrs. D. M. Marshall, of Aiken, were hosts Friday evening, January 12, at a going away party for the M. M. Hastings. Mr. and Mrs. Hastings are moving west of Plainview.

Games of "42" and "84" were played by the adults, and the children played Polly Anna and Checkers.

Apple Cider and cookies were served to: Reverend and Mrs. Pickens, Messrs. and Mrs. Dutch Langfelt, R. L. Powell, C. H. Andrews, G. W. Long, J. C. Thomas Sr., Larue Glenn and family, Leo Duval and family, Jack Jackson and family, Marvin Marshall and family, Mrs. C. J. Roach, Mr. Charlie Hastings and the honoree Mr. and Mrs. M. M. Hastings.

Trim Maternity

You can still look your best while waiting for that blessed event in this trim rayon-crepe two-piece print. Available in green, brown, or navy, with tie, it's featured in the January issue of Good Housekeeping magazine. A Jess Sharaf maternity classic, the dress retails for about \$11.

Mrs. L. T. Cox Gives Bible Study

The Aiken W. M. S. met Wednesday afternoon at 2:30 at the First Baptist Church.

Mrs. O. J. Welch, vice president, presided during the business session. The meeting was opened with a prayer by Mrs. Clyde Ooley. The minutes were read and committee reports were given by Mrs. R. C. Rogers.

The Bible study from Exodus 29 through Deuteronomy 6 was taught by Mrs. L. T. Cox. Closing prayer was led by Mrs. J. M. Tye.

Visitors present were Mrs. Price Webb and Henry Glenn. New members were Mrs. Odie Dorman and Witt Simpkins. Regular members were Mrs. L. L. Scott, O. J. Welch, Bert Elam, L. T. Cox, R. C. Rogers, Dub Buckner, Clyde Ooley, J. M. Tye, and Henry Moore.

The next meeting will be January 24 in the home of Mrs. Clyde Ooley.

Twenty French sailors are being trained in amphibious warfare by U. S. Navy men at the Naval Amphibious Base, Little Creek, Va.

Busy Mothers Class Has Luncheon Wed.

The Busy Mother's Class of the Methodist Church of Lockney met Wednesday for their regular social.

A quilt was quilted for Mrs. T. T. Threet and a covered dish luncheon was served at noon.

Mrs. Hugh Counts gave the Devotional, reading the 22 Chapter of Revelations and she also read a lovely poem. Mrs. Stutts closed the Devotional with a prayer.

Ladies present were: Mrs. T. T. Threet, Les Floyd, Lura Steinbough, J. H. Weathers, E. R. Harris, C. H. Samples, Hugh Counts, R. E. L. Stutts and Lois Bybee.

HONORED WITH BIRTHDAY DINNER

Mrs. C. H. Andrews was honored with a surprise dinner on her Birthday, Sunday, January 7 in her home.

The dinner was prepared by Mrs. Cecil Andrews while Mr. and Mrs. Andrews were attending church.

Those enjoying the lovely dinner were: Mr. and Mrs. Collis Roland, Mr. J. R. Teague, Milton Teague of Floydada, Mr. and Mrs. Cecil Andrews, and Mr. and Mrs. C. H. Andrews.

W. S. C. S. CONTINUES STUDY COURSE

The Women's Society of Christian Service met Monday, January 15 at the Methodist Church of Lockney.

Mrs. N. E. Greer gave the devotional and the Study Course of the Bible was continued by Mrs. Newton Daniel.

There were twenty ladies present.

Attend Evangelistic Rally At Lubbock

A number of members of the Lockney Baptist Church attended the evangelistic rally at the Lubbock First Baptist Church Monday and Monday night.

Speakers included Dr. J. Ralph Grant, pastor of the Lubbock Church, Dr. J. Howard Williams, state secretary of the Baptist General Convention of Texas, Dr. W. R. White, president of Baylor University at Waco.

Dr. Williams told how the evangelistic crusade had sprung into being spontaneously and how that Texas Baptists were seeking to win 250,000 people to Christ this year.

Those attending from Lockney included Rev. E. J. Cobb, Bert Bobbitt, Mr. and Mrs. W. S. Rex-rode, Mr. and Mrs. Sid Thomas, Mr. and Mrs. Harmon Handley, Mr. and Mrs. Leslie Ferguson, Mr. and Mrs. Edgar Hays, Mrs. C. D. McCandless, Mrs. Bert Ver-non, Mrs. Tom Wilson, Mrs. I. A. Applewhite.

Whitfield Resigns As Science Teacher

Marion Whitfield has resigned his position as teacher of science in the Lockney High School to take a similar position at Plain-view. No one has been secured to take his place up to Wednes-day afternoon, school officials said.

The school board has not yet filled the vacancy created by the resignation of O. B. Will-banks, grade school principal. It was reported that this vacancy would probably be filled very soon, however.

Watch your expiration date.

District Scouters Meet At Floydada

Thirty-five scouters of Haynes district met at the Commercial hotel Thursday, January 11th. Earl Tinnin, district chairman, of Ralls presided at the dinner meeting.

Paul Marion, cub master, of Spur gave the invocation after which the Commercial Hotel Coffee Shop served the dinner.

James F. Potts, district scout commissioner, introduced the men present and told where they were from. Tinnin introduced J. M. Willson, Sr., council vice-president, who presented W. B. Henry, council board member, the Scouter's award in recognition of his services to boyhood of Haynes District in the capacity of cub scout commissioner.

John Thomas, district finance chairman, of Ralls gave a report on the financial situation of this district. Jimmy Willson, council finance chairman of Floydada reported on the recent meeting of the South Plains Council which was held January the 8th in Lubbock.

Marvin Standefer, of Floydada, Chairman of the district Advancement committee, presented ideas which might be used by scouts, cubs and explorer units of the district in connection with Boy Scout Week in February. He reported that on the night of February 8th at 8:15 p. m., all Scouts will repeat the Scout Oath and Law in rededication of themselves to the Scouting Program. This, he explained, is to be held nation-wide on this date and at this hour.

James Potts gave a brief outline of the Council's summer plans for Cubs, Scouts and Explorers. They are as follows:

"Operation Brazos" will be a week encampment on the Brazos River from June 3rd to the 9th for all explorers. The annual "Cub and Dad Camp" will be held at Camp Post, Post, Texas on the week-ends of June 2nd and 3rd; 9th and 10th; 16th and 17th; and the 23rd and 24th. Summer Scout Camp at Camp Post will be the weeks from June 3rd through June 23rd.

The council has reserved places for seventy explorers and seven leaders for summer camping and hiking at the Philmont Scout Ranch in New Mexico for the dates of June 11th to 23rd; July 15th to 28th and July 18th to the 28th. Potts urged that those leaders who had explorers who would like to make one of these trips to Philmont to make reservations early and to help the boys in all ways to prepare themselves for a grand experience of rugged scouting.

Potts also reported that there would be trips and events, at Philmont for the leaders of this council. The first one is to be a trip to the famous Scout Ranch from May 19th to 23rd. He stated that reservations should be made early for this trip as the number of those who would be accepted was limited to 20 leaders.

Chairman Tinnin reminded units throughout the district that time for registration was coming near and that these applications should be in the council office very soon.

The Cub Leaders under Marvin Standefer and the Scout Leaders under James Potts, held a short round table after the district meeting. These round table courses are held on the second Thursday of each month, but due to the activities of Boy Scout Week in February it was decided to have the next meeting

on the 15th of February, at Ralls. The next district meeting will be held March 8th in Crosbyton. Men attending the meeting and towns represented are as follows: Silverton: Ralph Glover, Roy Morris, K. N. Tiffin; Floydada: J. A. Hutchin, Marvin Standefer, Jim Potts, Jim Willson, John Reue, Guy Ray, Elwin Garrett, George Mize, Orval Newberry, Jack Henry, Jim Willson, Sr., Guy Ginn, A. H. Rainer; Robertson: W. O. Rucker, D. J. Reeves; Spur: Paul Marion, Ramon Higginbotham, Dean Duffie, Forest Erwin.

Lockney: Mort Crapster; Crosbyton: Alvin Oagle, Kelter Garrison, Jimmy Flemmons, Terry Edwards, Loyd Hamilton; Lorenzo: R. W. Cambell, L. M. Laird, W. O. Cherry, C. C. Lacey, O. H. Kemp; Ralls: John Thomas, Earl Tinnin.

Start Floydada To Childres Bus Service Monday

A new bus schedule between Floydada and Childres to serve eight South Plains towns was announced Saturday by the Texas, New Mexico and Oklahoma Coaches, Inc. The service will be effective January 15.

The Plainview-Floydada bus will make connections with the new Floydada-Childres run, A. L. Dedmon, terminal agent for the company at Plainview, said. Leaving Plainview at 12:50 p. m., the bus arrives at Floydada at 1:45 p. m.

The new service will leave Floydada at 2:10 p. m. and arrive at Childres at 5:10 p. m. Stops are scheduled at South Plains, Silverton, Quitaque, Turkey, Parnell and Estelline. Returning, the schedule calls for departure from Childres at

7 a. m. and arrival at Floydada at 10:10 a. m. Connections are made with a bus leaving Floydada at 10:25 a. m. for Plainview, arriving here at 11:10.

The fare from Floydada to Childres is \$2.20 with fares to intermediate points in ratio. The Plainview to Floydada fare is 55 cents.

The first run is scheduled from Floydada to Childres Monday afternoon with the Childres to Floydada run starting Tuesday morning. Thereafter one service each way is scheduled daily.

The company will use buses of 25-passenger capacity on the new line, Dedmon said. He added that the service was designed to meet off-expressed needs of travelers in that section and if patronage justified additional buses would be placed in operation.

new

PLYMOUTH

new jewel for styling
new standard for value

Thank You!

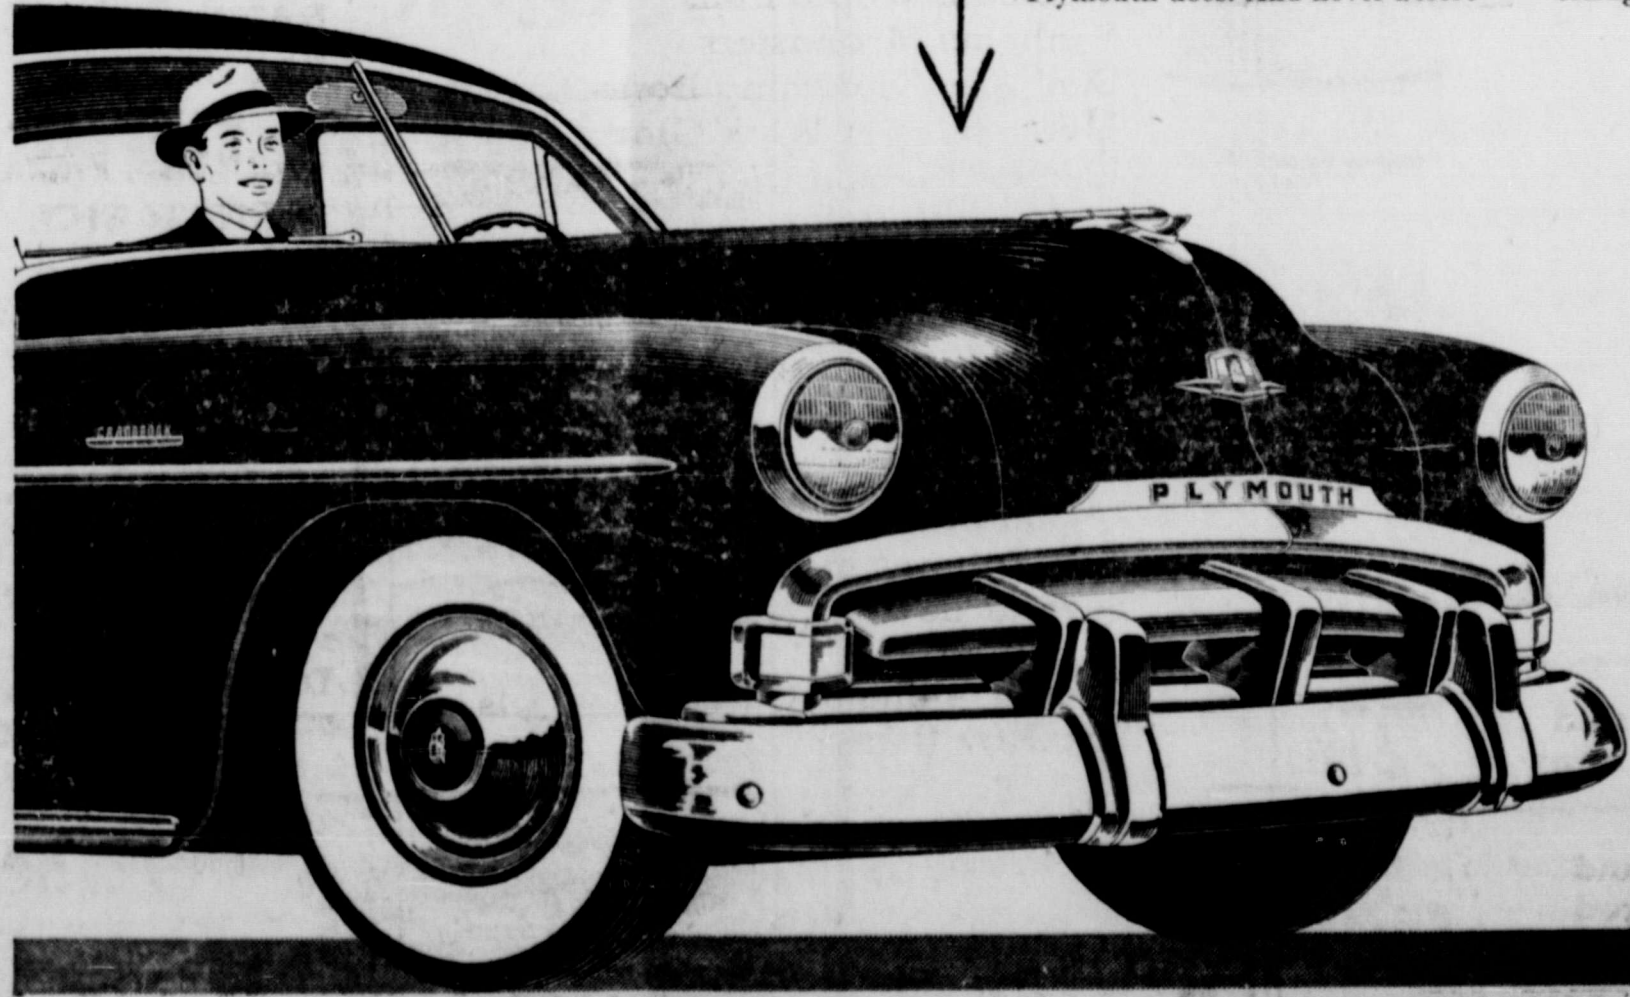

We appreciate very much the fine reception you gave the new Plymouth in our showing last Saturday. We know that you will like it even better after you have had a chance to ride in it.

Its new styling will make you whistle—its sensational new ride will make you cheer! Come in now and see the sparkling New Plymouth with the new "Safety-Flow Ride."

Never before—in any car at any price—have you sailed over rough roads as smoothly as this New Plymouth does. And never before—

in the lowest-priced field—have you found the quality features, refinements and all-around value that you will find in this great new car:

Come in today and see for yourself. We'll gladly make arrangements for a demonstration drive in this most brilliantly-styled, smoothest-riding Plymouth ever built!

MEMBER OF THE TEXAS PRESS ASSOCIATION

EDITORIAL

There is that maketh himself rich, yet hath nothing; there is that maketh himself poor, yet hath great riches.—Proverbs 13:7.

This week the annual March of Dimes drive starts in Floyd County as elsewhere. It is a cause that should stir the heart of any person. It is a cause that seeks help for boys and girls and even men and women who are stricken by the dread disease of infantile paralysis. It shouldn't and mustn't be a "march of dimes" in Floyd County. It must be, if we are to do our part, a "march of dollars."

Dimes won't get the job done any more. In Texas alone last year more than 3,000 were stricken. Texans' contributions didn't even take care of their own. The state was forced to secure money from the national chapter to provide the needed medical care. Let everyone of us do our part. In the past we haven't done our part for one reason—and that was that men and women refused or didn't take the time to get out and contact their neighbors and ask for donations for this great cause. If you are asked to help this year, for the sake of those who have been victims, get out and do the work assigned you. Let's don't let them down again.

tributions didn't even take care of their own. The state was forced to secure money from the national chapter to provide the needed medical care. Let everyone of us do our part. In the past we haven't done our part for one reason—and that was that men and women refused or didn't take the time to get out and contact their neighbors and ask for donations for this great cause. If you are asked to help this year, for the sake of those who have been victims, get out and do the work assigned you. Let's don't let them down again.

Last Friday afternoon a group of local business people met at the Plains Theatre for the purpose of reorganizing the local business men's club and taking care of some other civic matters. An effort was made to contact every business person in town and urge them to come to the meeting. Some didn't come of course for various reasons—some good and some bad. But a good representative group was present and the meeting accomplished a lot in the opinion of this writer. But there is one thing we would call to the attention of all business people. Paying money into the treasury of the organization and electing officers are fine things—but that isn't all that is necessary to have a live wire and successful club. One more thing is necessary and that is club members who are willing to give some time to the organization. We must all give more than money. We must give a part—even a small part will do—of our time. With new officers and new financing already worked up, let's all work with and co-operate with the officers of the club. The only thing that can keep it from being worthwhile to the town is lack of co-operation. Let's don't let that happen.

It is noted in passing that those who have been working on such things started in to make the cows contented. This having been accomplished the effort now is being directed toward making the owners of the cows content-ed.

With Our EXCHANGES

CUT IT OUT—OR ELSE . . .

Sheriff Roy E. Hillin gave his warning to liquor law violators in Crosby county this week—stop bootlegging or go to jail.

"I want to warn every bootlegger, white and colored alike, that I am going to use every legal means to jail every one of them unless violations stop," Hillin declared.

"The people of Crosby county elected me Sheriff, mainly on the basis of cleaning up the liquor traffic in this county, which is a \$100,000 a year business. I am personally acquainted with every man and woman, white and black, selling whiskey in this county. I can promise that unless bootlegging and gambling stops immediately, they will be in for serious trouble."

Hillin said that bootlegging in Crosby county is not confined to Negroes. "Respected business men in Ralls, Lorenzo, and Crosbyton are engaged in the liquor traffic. They will be rounded up just like the Negro bootleggers," Hillin said.

In pledging himself to enforce liquor laws, Hillin called upon the decent, law-abiding citizens

of the county to cooperate in wiping out what he called "one of the biggest businesses in the county."

"If the good people of Crosby county will give me their support; if they will give evidence cheerfully, serve on juries, and cooperate in ferreting out these bootleggers and gamblers, my job will be easier, and your homes will be safer," the Sheriff promised.—Ralls Banner.

COTTON CROP NEXT YEAR . . .

The muddled cotton control situation has now been more or

less clarified by the complete removal of controls. A few short months ago Congressman George Mahon was protesting a probable cut of 350,000 acres in the South Plains. Now on one side of its mouth the government is advocating unlimited plantings, while in the other side, it prates of maintaining a balanced farm program and proper use of the land. This is in line with the entire government agriculture program. One agency says leave the stubble on the ground, it prevents erosion. Another agency says plow stubble under to control damaging insects. A long time ago, we decided that the best way to farm was to be a natural born farmer and use your own judgment. Of course, it is hard for a man to turn down government support money. We honestly believe in planning, but we believe that the man next to and familiar with his own soil is more capable of planning a proper program than an arm-chair farmer in Washington. As a matter of fact, we have been longtime fans of the law of supply and demand.—Post Dispatch.

TECHSANS VOLUNTEER

Lubbock.—Latest figures from local recruiting offices indicate that 337 Texas Tech students have volunteered for military service. The Air Force leads enlistments with 215, while the Navy total is 100. There have been 22 volunteers for the Marine Corps.

Texas DHIA records for 1949 show that a dairy cow that produced 224 pounds of butterfat or less required 71 cents worth of feed to produce a pound of butterfat while a cow that produced 475 pounds or more butterfat, produced it at a cost of only 39 cents per pound.

Last year more than 200 entries involving over 20,000 chickens were made in the Texas Chicken-of-Tomorrow Program.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

February 8, 1909

C. E. Turner has bought the City Shaving Parlor from Walter Wilson and intends to continue to give the same good service as was given by the former management.

J. C. Shook, while gone down on a visit in Wise County and elsewhere, took a cold this winter that developed into a light case of pneumonia. He is now nearly well.

Built in Texas . . . and helping build Texas

Ford is the only Automobile
Manufacturer Building Cars
and Trucks in Texas

ALL THE FORDS made are not built in Detroit. There are plenty of them built right here in Texas—last year over 128 million dollars worth of cars, trucks, parts and products were made at Ford's Dallas Assembly Plant. What's more, 1,722 Texans put them together or followed through with their consignment to dealers in the Dallas, Houston, Oklahoma City and New Orleans Sales Districts.

The folks who work in Ford's Dallas Assembly Plant and District Sales Offices earn over \$7,000,000 every year. They spend it mostly in Texas. Texas benefits from Ford in other ways, too. For example: during 1950 Ford bought over \$1,000,000's worth

of material and supplies from Texas merchants and manufacturers and paid over \$7,500,000 for incoming and outgoing transportation. Then, too, there is a total of over \$148,000 paid by Ford in local and State taxes.

Yes, Texas is building a lot of cars and trucks for Ford . . . and in the process Ford is helping to build Texas, too!

WHEN YOU BUY FOR THE FUTURE — BUY FORD

Well-organized fire prevention and protection programs in Naval districts reduced the number of fires in Naval shore establishments by two-thirds of the 1949 figure this year (1950).

Careless Navy smokers, armed with matches and cigarettes, put themselves at the top of the offenders list in 1950 by causing an estimated 267 fires on Naval shore installations.

Lone Star News

By Mrs. Harold Griffith
 Mr. and Mrs. W. H. Workman visited in the home of Mr. and Mrs. Herman King and Ben Richard last Thursday.
 Mr. and Mrs. T. V. McClure and family spent Saturday night and Sunday in Lockney in the home of his parents, Mr. and Mrs. C. J. McClure.
 Dallas Kindred of Floydada spent Saturday night and Sunday with Weldon and Winifred Graves.

Mr. and Mrs. B. W. Cox and Dwight have moved to their new home in Stamford. Garland will stay here until the mid-term of school is over. He is staying with Deanie Henderson. We are sorry to lose the Cox family but wish them happiness in their new home. We welcome the McClure family who moved into the Cox home. They had two sons who started to school Monday morning at Lone Star.

Mr. and Mrs. David Williams and daughter of Lubbock spent the weekend in the A. O. Foster home Sunday. Visitors were Mr. and Mrs. Horace Seago and family of Aiken.

Mr. and Mrs. W. T. Rankin and Mary Ann visited with Mr. and Mrs. Forrest Smith in Lockney Sunday afternoon.

The honor roll for the school the last six weeks was as follows:

1st grade—Nita Jo Readhimer, Jackie Lou Frizzell, Sharon Watkins.

2nd grade — Lavann Word, Jane Carol Phillips, Mickey Mosley.

4th grade—Duane Griffith.
 5th grade—Larry Jarrett, Sandra Lawson.

6th grade—David Frizzell.

Mrs. James Wigginton and new daughter returned home Sunday after several days spent in the Wigginton home of Cedar Hill.

Deanie Henderson and Gailand Cox carried a load of things to Stamford Saturday for the B. W. Cox's.

Mr. and Mrs. Herman King and Ben Richard were dinner guests in the home of Mr. and Mrs. Arch Crager of Lockney Sunday.

Mr. and Mrs. Lovell Jarrett and Larry visited in the Lee Davenport home of Silverton Sunday.

Mr. and Mrs. Bailey Henderson and LaJuan were dinner guests in Silverton Sunday of Mr. and Mrs. Walter Brannon.

Mrs. Jack Frizzell was in the hospital at Lockney from Friday until Sunday for minor surgery.

Mr. and Mrs. Harold Griffith and sons were dinner guests in the V. D. Harris home Sunday.

Steve Rodgers of Plainview is spending a few days this week with his grandparents, Mr. and Mrs. Bailey Henderson and family.

Mr. and Mrs. Howard Mosley and sons were visitors Sunday in the Elmer Mosley home of Plainview.

The Lone Star Home Demonstration club met with Mrs. E. O. Barrett Tuesday afternoon.

Mr. and Mrs. Doc Jones and children with Mr. and Mrs. Edd Davis and children visited in the W. D. Nance home Sunday afternoon.

Mrs. Weddeman of Flomot is visiting in the home of her daughter, Mr. and Mrs. M. A. Martin and in the Bob Merrell home.

Mr. and Mrs. W. H. Workman were visitors in the home of Mr.

*A prayer for
 our Soldiers*

BY MAJOR GENERAL ROY H. PARKER
 Chief of Chaplains, United States Army

Almighty God, the Creator and Preserver of all mankind, we commend to Thy special care and keeping those serving in our Army. Though they be in the midst of dangers, do Thou send Thy guardian angels for their protection. Walk beside them as they go through the valley of the shadow of death.

Knowing that all good things come from Thee, grant them courage and loyalty, through a firm faith in freedom's cause, in the present conflict. When sacrifices are called for, let them be made in the knowledge that Thou art the rewarder of Thy servants. Enable them to live valiantly and serve nobly, in the full realization that no man liveth unto himself. Grant them clear minds, strong bodies, resolute wills, and pure hearts free from hatred and bitterness, renewing them each and every day with strength, like strong men of old, who against enthroned wrong stood with confidence and courage.

Awaken in them a lively faith that will keep them close to Thee. Enable them to rest their cause upon Thy Word that though the foe be strong, yet knowing the cause as they battle for the right, they can never fail. Fill their hearts with the assurance that with Thee nothing is impossible and that all things work together for good to them that love Thee.

If it be Thy will that injuries be sustained, let them experience the touch of Thy healing hand and do Thou bless the means and the ministries employed for the restoration of their health.

In these difficult times, when the forces of evil are running rampant and many hopes seem about to be crushed, fill their hearts with an abiding sense of Thy reality and the certainty of Thy continual presence. Enable them to look to Thee when loneliness and longing overtake them; fulfill their yearnings by granting them Thine own companionship and fellowship. Enable them to realize the full meaning of Thy promise, "Lo, I am with you always."

Thou who are the Protector and Helper as well as the Giver of victory, grant unto them every good gift of body and soul and unite us with them in faith and love unceasing. Amen.

Results Of Self-Feeding Experiment Told By Experts

College Station. — Although livestock men differ in opinion as to the value of self-feeding a mixture of salt and cottonseed meal to cattle—particularly to breeding animals — the practice is growing in popularity.

The practice is aimed at reducing the amount of labor normally required for feeding supplements to range cattle. Mixing a high percent of salt with protein supplement or grain limits

the amount of feed consumed when the mixture is fed free-choice. The value of this method of feeding depends on whether or not cattle suffer ill effects from a high intake of salt over a long period of time.

An experiment was conducted at the Texas Agricultural Experiment Station, College Station, during the winter of 1949-50 to compare the results of hand-feeding two pounds of cottonseed meal daily with self-feeding a mixture of salt and cottonseed meal.

Thirty-five Angus, Hereford and Shorthorn cows were used in the test. They were divided into two groups as nearly alike as possible with respect to age, breed, weight and expected date of calving. The groups were run during the winter on two 200-acre Brazos county upland pastures. An abundance of dry winter forage was available, and the groups were alternated every two weeks to reduce the effect of the different pastures.

One group of 18 cows was hand-fed two pounds of cottonseed meal per head daily in feed bunks. The other group of 17 cows was given free excess to a mixture ranging from 15 to 35 percent salt and 85 to 65 percent cottonseed meal. Water was obtained from a stream about a quarter of a mile from the feeding location.

In order to limit the daily consumption of cottonseed meal to about two pounds, the beef cattle specialists increased the salt content of the mixture as the cows consumed more feed. As feed consumption dropped off later in the spring, the salt content was reduced.

The self-fed group consumed an average of 2.19 pounds of cottonseed meal and .95 pounds of salt per day over the 107-day test period. The hand-fed group received two pounds of cottonseed meal per day over the period.

Since the dry winter forage was low in nutritive content and somewhat unpalatable, the cows did not consume enough to maintain their weight. The average loss in weight per cow was about the same for both groups, 155 pounds.

Thirteen calves were dropped in the self-fed group and 12 in

the hand-fed group. The calves from the salt-fed group averaged 162 pounds at 79 days of age, while those from the hand-fed group averaged 164 pounds at 85 days of age.

Five cows of the salt-fed group scoured periodically. One cow started scouring January 16, was too weak to weigh January 27, and died February 6. No scouring was observed in cows of the hand-fed group.

The specialists concluded from this experiment that self-feeding mixtures of salt and cottonseed meal may cause scouring and death losses of breeding cows when the salt intake is one to one and one-half pounds per day and the pasture and water conditions are similar to those existing in this trial.

However, they think that this system of feeding supplements, might possibly be practiced under ideal conditions of feed and water supply.

MEMBER OF TEXAS PRESS ASSOCIATION

EDITORIAL

There is that maketh himself rich, yet hath nothing; there is that maketh himself poor, yet hath great riches.—Proverbs 13:7.

—oOo—
This week the annual March of Dimes drive starts in Floyd County as elsewhere. It is a cause that should stir the heart of any person. It is a cause that seeks help for boys and girls and even men and women who are stricken by the dread disease of infantile paralysis. It shouldn't and mustn't be a "march of dimes" in Floyd County. It must be, if we are to do our part, a "march of dollars." Dimes won't get the job done any more. In Texas alone last year more than 8,000 were stricken. Texans' con-

tributions didn't even take care of their own. The state was forced to secure money from the national chapter to provide the needed medical care. Let everyone of us do our part. In the past we haven't done our part for one reason—and that was that men and women refused or didn't take the time to get out and contact their neighbors and ask for donations for this great cause. If you are asked to help this year, for the sake of those who have been victims, get out and do the work assigned you. Let's don't let them down again.

—oOo—
Last Friday afternoon a group of local business people met at the Plains Theatre for the purpose of reorganizing the local business men's club and taking care of some other civic matters. An effort was made to contact every business person in town and urge them to come to the meeting. Some didn't come of course for various reasons—some good and some bad. But a good representative group was present and the meeting accomplished a lot in the opinion of this writer. But there is one thing we would call to the attention of all business people. Paying money into the treasury of the organization and electing officers are fine things—but isn't all that is necessary to have a live wire and successful club. One more thing is necessary and that is club members who are willing to give some time to the organization. We must all give more than money. We must give a part—even a small part will do—of our time. With new officers and new financing already worked up, let's all work with and co-operate with the officers of the club. The only thing that can keep it from being worthwhile to the town is lack of co-operation. Let's don't let that happen.

—oOo—
It is noted in passing that those who have been working on such things started in to make the cows contented. This having been accomplished the effort now is being directed toward making the owners of the cows contented.

Lend A Hand!

With Our EXCHANGES

CUT IT OUT—OR ELSE . . .

Sheriff Roy E. Hillin gave his warning to liquor law violators in Crosby county this week—stop bootlegging or go to jail.

"I want to warn every bootlegger, white and colored alike, that I am going to use every legal means to jail every one of them unless violations stop," Hillin declared.

"The people of Crosby county elected me Sheriff, mainly on the basis of cleaning up the liquor traffic in this county, which is a \$100,000 a year business. I am personally acquainted with every man and woman, white and black, selling Whiskey in this county. I can promise that unless bootlegging and gambling stops immediately, they will be in for serious trouble."

Hillin said that bootlegging in Crosby county is not confined to Negroes. "Respected business men in Ralls, Lorenzo, and Crosbyton are engaged in the liquor traffic. They will be rounded up just like the Negro bootleggers," Hillin said.

In pledging himself to enforce liquor laws, Hillin called upon the decent, law-abiding citizens

of the county to cooperate in wiping out what he called "one of the biggest businesses in the county."

"If the good people of Crosby county will give me their support; if they will give evidence cheerfully, serve on juries, and cooperate in ferreting out these bootleggers and gamblers, my job will be easier, and your homes will be safer," the Sheriff promised.—Ralls Banner.

COTTON CROP NEXT YEAR . . .

The muddled cotton control situation has now been more or

less clarified by the complete removal of controls. A few short months ago Congressman George Mahon was protesting a probable cut of 350,000 acres in the South Plains. Now on one side of its mouth the government is advocating unlimited plantings, while in the other side, it prates of maintaining a balanced farm program and proper use of the land. This is in line with the entire government agriculture program. One agency says leave the stubble on the ground, it prevents erosion. Another agency says plow stubble under to control damaging insects. A long time ago, we decided that the best way to farm was to be a natural born farmer and use your own judgment. Of course, it is hard for a man to turn down government support money. We honestly believe in planning, but we believe that the man next to and familiar with his own soil is more capable of planning a proper program than an arm-chair farmer in Washington. As a matter of fact, we have been longtime fans of the law of supply and demand.—Post Dispatch.

TECHSANS VOLUNTEER

Lubbock.—Latest figures from local recruiting offices indicate that 337 Texas Tech students have volunteered for military service. The Air Force leads enlistments with 215, while the Navy total is 100. There have been 22 volunteers for the Marine Corps.

Texas DHIA records for 1949 show that a dairy cow that produced 224 pounds of butterfat or less required 71 cents worth of feed to produce a pound of butterfat while a cow that produced 475 pounds or more butterfat, produced it at a cost of only 39 cents per pound.

Last year more than 200 entries involving over 20,000 chickens were made in the Texas Chicken-of-Tomorrow Program.

Built in Texas . . . and helping build Texas

Ford is the only Automobile
Manufacturer Building Cars
and Trucks in Texas

ALL THE FORDS made are not built in Detroit. There are plenty of them built right here in Texas—last year over 128 million dollars worth of cars, trucks, parts and products were made at Ford's Dallas Assembly Plant. What's more, 1,722 Texans put them together or followed through with their consignment to dealers in the Dallas, Houston, Oklahoma City and New Orleans Sales Districts.

The folks who work in Ford's Dallas Assembly Plant and District Sales Offices earn over \$7,000,000 every year. They spend it mostly in Texas. Texas benefits from Ford in other ways, too. For example: during 1950 Ford bought over \$1,000,000's worth

of material and supplies from Texas merchants and manufacturers and paid over \$7,500,000 for incoming and outgoing transportation. Then, too, there is a total of over \$148,000 paid by Ford in local and State taxes.

Yes, Texas is building a lot of cars and trucks for Ford . . . and in the process Ford is helping to build Texas, too!

WHEN YOU BUY FOR THE FUTURE — BUY FORD

There's a Ford in Your Future!

Results Of Self-Feeding Experiment Told By Experts

College Station. — Although livestock men differ in opinion as to the value of self-feeding a mixture of salt and cottonseed meal to cattle—particularly to breeding animals—the practice is growing in popularity.

The practice is aimed at reducing the amount of labor normally required for feeding supplements to range cattle. Mixing a high percent of salt with protein supplement or grain limits

the amount of feed consumed when the mixture is fed free-choice. The value of this method of feeding depends on whether or not cattle suffer ill effects from a high intake of salt over a long period of time.

An experiment was conducted at the Texas Agricultural Experiment Station, College Station, during the winter of 1949-50 to compare the results of hand-feeding two pounds of cottonseed meal daily with self-feeding a mixture of salt and cottonseed meal.

Thirty-five Angus, Hereford and Shorthorn cows were used in the test. They were divided into two groups as nearly alike as possible with respect to age, breed, weight and expected date of calving. The groups were run during the winter on two 200-acre Brazos county upland pastures. An abundance of dry winter forage was available, and the groups were alternated every two weeks to reduce the effect of the different pastures.

One group of 18 cows was hand-fed two pounds of cottonseed meal per head daily in feed bunks. The other group of 17 cows was given free access to a mixture ranging from 15 to 35 percent salt and 85 to 65 percent cottonseed meal. Water was obtained from a stream about a quarter of a mile from the feeding location.

In order to limit the daily consumption of cottonseed meal to about two pounds, the beef cattle specialists increased the salt content of the mixture as the cows consumed more feed. As feed consumption dropped off later in the spring, the salt content was reduced.

The self-fed group consumed an average of 2.19 pounds of cottonseed meal and .95 pounds of salt per day over the 107-day test period. The hand-fed group received two pounds of cottonseed meal per day over the period.

Since the dry winter forage was low in nutritive content and somewhat unpalatable, the cows did not consume enough to maintain their weight. The average loss in weight per cow was about the same for both groups, 155 pounds.

Thirteen calves were dropped in the self-fed group and 12 in

the hand-fed group. The calves from the salt-fed group averaged 162 pounds at 79 days of age, while those from the hand-fed group averaged 164 pounds at 85 days of age.

Five cows of the salt-fed group scoured periodically. One cow started scouring January 16, was too weak to weigh January 27, and died February 6. No scouring was observed in cows of the hand-fed group.

The specialists concluded from this experiment that self-feeding mixtures of salt and cottonseed meal may cause scouring and death losses of breeding cows when the salt intake is one to one and one-half pounds per day and the pasture and water conditions are similar to those existing in this trial.

However, they think that this system of feeding supplements, might possibly be practiced under ideal conditions of feed and water supply.

Jack Henry Given Scouter's Award

Jack Henry, of Floydada was awarded the Scouter's Award Thursday night at the regular meeting of the Haynes District. J. M. Willson, Sr., vice-president of the South Plains Council, Boy Scouts of America, made the presentation to Henry and stated that he was the first scouter in the Haynes District to receive this award in recognition of his services to the boys of this district in his capacity of cub scout commissioner during a three year period.

Henry started serving boyhood as assistant scout master in Floydada in 1935 and held this position until the organization of a cub pack four years later. At the beginning of cubbing in Floydada Henry has been chairman of the pack committee. He served this district as cub scout commissioner from 1947 through 1950. During his term as commissioner, cub packs in Spur, Lorenzo, Petersburg, Lockney, Crosbyton and Turkey were organized.

To qualify for this award a person must serve at least three

years of satisfactory service as a leader of boys. He must complete the Basic Cub Scout leaders training course and pass his training on to Den Mothers and Den Chiefs, meeting regularly with the mothers and Den Chiefs and use the training course in training them. During the three year period fifteen or more leaders round tables or other district, council or regional events providing training and guidance for Cub Scout leaders must be attended as required. Throughout this period he must prove that he is a qualified instructor and have a working knowledge of the Cub Scout Program, and be able to put into satisfactory practice.

He has been a member of the South Plains Council board for three years, and has served on various district and council committees. At the present, Henry is chairman of the pack committee of pack No. 37, board member of the council and a member of the Health and Safety district committee.

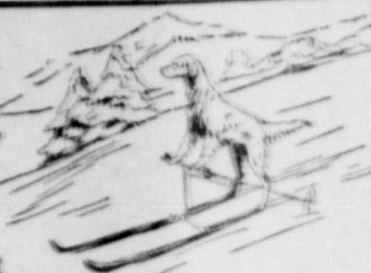

Mr. and Mrs. Horace Weeks from Amarillo spent last weekend in the home of Mr. and Mrs. J. H. Weathers.

Mr. and Mrs. J. H. Weathers and Mr. and Mrs. C. H. Samples were guests in the home of Mr. and Mrs. H. L. Weathers in Plainview last Sunday and Sunday night.

Earning Limit Is Raised For Those Receiving Pensions

It is not necessary to be wholly or permanently "retired" to get retirement payments under the Old-Age and Survivors Insurance system, according to John G. Hutton, manager of the Lubbock Social Security office. The numbers of people coming into his office confused on this point prompted him to make the explanation.

"Actually," Hutton pointed out "the new Social Security law makes it possible for insured people 65 and over to collect retirement benefits while still earning up to \$50.00 per month on covered jobs. The old limit of \$14.99 was changed on last September 1. The \$50 limit does not apply to people age 75 or over."

"The law is simply that a person between 65 and 75 years of age cannot collect benefits for any month in which he earns more than \$50 from work covered by Social Security. No amount of

earnings or income from other sources will affect his right to benefits. Insured people age 75 or over can collect even though working full time on jobs covered by Social Security, or for that matter, any job."

"Another point we'd like to get across," Hutton continued, "is that anyone now age 65 or over very likely is insured if he has worked as much as a year and a half, at any time back to January 1937, on Social Security-covered jobs."

Hutton invites residents of this area who are eligible for benefits under the new law to get in touch with his office, located at 1311 Texas Avenue in Lubbock, Texas.

Methodist Notes

Can't people disappoint you some time? Even some members of the Methodist Church can disappoint the pastor.

When I came to Lockney as pastor, the first few weeks I picked out a number of people in our church that I thought would really be worth something to the church. Some of them have been, while others have been very disappointing. Some have proven by their life and work that they are not very interested whether the church accomplishes its mission in the world or not. Now if people disappoint their pastor, because they could be worth so much and are worth so little, what about God? I wonder if he is not disappointed also. I believe he is.

On the other hand there are folks that make the heart of the pastor glad. They thrill him because they are always doing things for the church, and for the building of the Kingdom of God. Since I have been pastor, I have seen some of our members grow in Grace, and because of their life I can say I know that the work of the church is worth while, and that the church is the saving influence and the hope of the world.

Thoughts For The Week

God is counting on me today to reveal His justice and mercy. "The future is not in the hands of Fate, but in ours."

Man is for immediate results; God for eternal results.

"Righteousness exalteth a nation."

N. S. Daniel, Pastor.

Keep A Record Of What You Own

College Station.—Fires, tornadoes, explosions—even thefts—can happen to anyone. In case of an emergency, many people find themselves not knowing what to claim as a loss when the insurance adjuster calls. Gladys Darden, specialist in home management for the Texas A. & M. College Extension Service, recommends that the family keep an inventory of all durable goods. An itemized list of goods the family owns, she says, provides specific information regarding the loss if the family carries insurance and has occasion to collect on the policy.

Major expenditures should be recorded in the file. Generally such things as furnishings, rugs,

silver, china, bedding, towels, and durable recreational possessions are listed, but any thing that is of importance to the family could be included. Miss Darden says that one list should be kept for use at home. The other

could be kept in a safe, or a box in the bank. She says similar records should be kept of long-time financial records, life insurance deeds or other papers of value to the family.

Farm Labor Clinic At Lubbock Soon

Lubbock. — A "Farm Labor Clinic," designed to benefit both farmers and farm laborers, is being planned by the Texas Employment Commission here as one of the major solutions to the farm labor shortage which threatens to affect this area in the very near future.

This announcement was made recently by B. T. O'Connell, superintendent of the TEC offices in Lubbock, and V. L. O'Farrell, in charge of agricultural labor.

The first meeting of farmers and hired hands is slated to be held Tuesday, January 23, at the Lubbock Chamber of Commerce building, 902 Texas Avenue. The "Farm Labor Clinic" will be a come-and-go affair, with farmers and laborers registering all during the day.

O'Connell stated that the meetings of farmers and laborers

will greatly facilitate hiring hands. He explained that a great deal of time will be saved by this method of labor placing, with the farmers and laborers able to "get down to brass tacks" right away instead of making numerous trips to communicate.

"Many times," said O'Farrell, "a farmer might have to drive to Lubbock from 50 miles away to place a request for labor at the TEC office. And then when he leaves maybe just the man he's looking for shows up at the office. Under those conditions it is hard to get the two together. For one of them must make another trip to talk business."

Under the system of the "Farm Labor Clinic" it will be possible to get farmers and prospective laborers together and solve both their problems in a few hours. O'Farrell expressed the hope that the clinic would attract wide interest in the Lubbock area and stated that following this first meeting the clinic would probably be held one day a week at the TEC offices.

Scrap Lumber For Sale At Reese

Scrap lumber and kindling is available at Reese Air Force Base (Lubbock), Texas at \$1.00 per load. The maximum load is equivalent to the capacity of a 1 and 1/2 ton truck and there is a limit of 300 loads to one buyer.

Prospective purchasers are invited to inspect this scrap lumber at the salvage yard at Reese prior to purchase, if they so desire. There is some lumber in this lot suitable for small buildings such as dog houses, children's play houses, sheds or other small structures, although none of it is over four feet in length.

The salvage yard is open Monday through Friday from 8:15 a. m. until 5:00 p. m., but buyers are urged to come not later than 4:00 o'clock in the evening to allow for loading before closing time.

Harris' Plainview Pact Not Renewed

Plainview.—W. C. O. Harris is out as head football coach of Plainview High School. The school board Tuesday failed to renew his contract which expires July 1. Instead he was elected high school history teacher but said he was undecided on whether he would accept it.

Interest Shown In Crop Insurance Offered By Gov't.

Reports from the PMA office indicate that increased interest has been shown in the all-risk Federal Crop Insurance program that for the first time is being offered in Floyd County.

The insurance is an attempt on the part of the Federal Government to protect the cotton farmer against production risks that he can not control. It does not cover losses resulting from avoidable causes such as neglect and poor farming practices. The protection begins at the time the cotton is planted and continues until harvest.

The program in effect operates as a county mutual so that farmers can build their own crop insurance business. It is expected that over a period of years premiums will cover the losses paid under the county program. Actual county experience over the years will determine the cost of protection. January 31, 1951 is the final date for writing this insurance.

WILL PLAY HERE—Pictured here is Jim Kellar of California, one of the Whiskered Wizards basketball team which will play a local team in the Lockney High school gymnasium on January 27th starting at 7:45 p. m. The event is being sponsored by the Athletic department of the high school.

The whiskered basketball players are famous for their showmanship as well as their basketball playing ability. They are all former college stars. They have a hidden ball trick that is sensational.

Young Men Told—

(Continued from page 1) we will cease worrying and take each day as it comes. Let us give more time to reading our Bibles and less to television or even the radio. Perhaps, God is using the Russians to again bring us to our knees and to make our young people—who have had things pretty easy—"stop, look and listen" At any rate, I am an optimist and believe that whatever happens, those who do their best from day to day have nothing to fear.

ATTEND FUNERAL SERVICES THIS WEEK

J. J. Harris, Mr. and Mrs. Jesse Harris, Mr. and Mrs. D. M. Marshall of Aiken were called to Waxahachie, Texas, first of this week to attend funeral services for Mrs. A. S. Price, a sister to Mrs. Marshall and the late Mrs. J. J. Harris. Mrs. Price was found dead in bed early Monday morning at her home. The Marshalls left Monday afternoon while the Harris' left Tuesday morning for Waxahachie.

Bilbrey Views New Chrysler At Dallas

John Bilbrey, local Chrysler-Plymouth dealer, returned Tuesday afternoon from Dallas where he attended on Monday the first showing of the new 1951 Chrysler automobile. Mr. Bilbrey was very enthusiastic about the new car which will be shown here on February 10th.

Among the many new features of the 1951 Chrysler will be a 180-horsepower V-8 engine, power steering, greatly improved shock absorbers, air-cooled brakes and a new torque converter. The company has never before offered so many outstanding advances in a single year in terms of performance, riding comfort, safety and handling ease, it was said.

The new FirePower engine incorporates many unique design features and is the most powerful passenger car engine now manufactured in the industry. It will be used immediately in all Chrysler New Yorker and Imperial models. Also available on these models will be the new power steering, using a hydraulic mechanism to do practically all the work. The new device permits steering with one-tenth the effort previously required. With the power steering attachment the pressure of one finger and the guidance of the thumb is all that is needed to rotate the wheel.

1951 Farm Wheat Allotment Cancelled

Press releases and other communications from the Department of Agriculture indicate that the 1951 wheat acreage on wheat was cancelled. This results from the maximum production needed to meet national defence needs.

Ray S. McEntire, Administrative Officer of Floyd County PMA, said, "This is interpreted to mean that compliance with 1951 farm wheat allotments will not be one of the conditions of eligibility for price support on 1951 production. Therefore, farmers who have overplanted announced 1951 wheat allotments with winter wheat acreage will be entitled to the same price support protection as those complying with such allotments."

Out of 100,000 men called last week by the Hooperating service, to the question, "Who are you listening to?" 97,514 replied, "My Wife."

S—RAY TREATMENT

Into the doctor's office sprang a happy, healthy looking young man. "Doc" he said, "I want to thank you. I've benefitted immensely from your treatment." "But I don't understand," the doctor exclaimed. "You've never been a patient of mine." "That's true," the young man agreed. "However, my father—and I'm his heir."

Stop, look at grade accidents—if the train hoot for your life you're too. Watch your expiration date.

MAIER FOOD STORE

PHONE 12 — — FREE DELIVERY

The Southwestern Champion Square Dance Contest, which drew packed houses a year ago, again will be presented each afternoon.

Millions of dollars' worth of the finest beef and dairy cattle, sheep and swine will be shown. The poultry, turkeys and rabbits will be housed in the new poultry building. Quarters for carload-and-pen division of bulls have been doubled and other improvements have been made, such as glassing in the archways connecting the livestock building. The Stock Show is not subject to the weather as it is all indoors—17 building, 32 acres under roof.

The boys' livestock show, Midway, commercial exhibits, numerous bands and "days" honoring cities and civic organizations will make the 1951 show the most educational and the most entertaining yet. And indications point to a new high in attendance.

Speaking of panhandlers, a dignified hobo knocked at a neighbors door recently.—"Madam, I am hungry," he said to the lady of the house. "Will you help me out?"

"All right," she told him. "But first—do you see that pile of wood over there?"

Just before he beat a hasty exit, the tramp was heard to declare, "Uh-Uh, lady, you saw me see it, but you won't see me saw it."

Rites Wednesday

Services for the late Taylor, almost 70, were held at the funeral home of the Masons, S. Daniel, located at the corner of 5th and Main streets, Wednesday afternoon at 2 p. m. The funeral was held at 2 p. m. on Wednesday, January 21. Taylor was an active member of the Cedar Rapids Chapter of the I. O. O. F. and was a member of that community in Lawrence, Mo. He was married to Mrs. W. Brown of the community. On October 3, 1902, Taylor preceded his wife to the county in February, 1902, when he was married to Mrs. W. Brown of the community. On October 3, 1902, Taylor preceded his wife to the county in February, 1902, when he was married to Mrs. W. Brown of the community. On October 3, 1902, Taylor preceded his wife to the county in February, 1902, when he was married to Mrs. W. Brown of the community.
