# THE LOCKNEY BEACON

• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 49 LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, MAY 4, 1951 NUMBER 35

## Paving Offered Residents At \$1.45 Per Foot

Local residents may get one side of the street paved for \$1.45 per lineal foot, D. E. Cox, mayor said this week after a conference with Bryan & Hoffman, contractors on the Pleasant Valley-Sand Hill farm-to-market road.

May 14 has been set as the deadline for getting local paving contracts worked up and anyone in the city who wants to work up a block of paving are urged to do so by that time.

The \$1.45 per side will buy an 8-inch calich base, rolled to 6 inches with two coats of asphalt, Mr. Cox said.

There is also some talk of paving the alleys behind the stores in the 100 block of South Main street, Mr. Cox said. He figured that this would cost in the neighborhood of \$2000 and that property owners would have to bear the cost. If the alley paving is done, the full cooperation of all property owners will be necessary, he said. He pointed out that paving the alleys would allow delivery trucks to park there as well as parking cars belonging to store keepers and employees in the alley.

Any paving project that is contemplated must be worked up in a hurry, he reminded local citizens.

## 7 Girl Scout Troops Formed

Hopes of members of the Lockney Business & Professional Women's Club to form a girl scout troop here has succeeded beyond their fondest dreams, it appeared this week. Ninety-five girls have turned in parents' consent to join and four Girl Scout troops and three Brownie troops have been formed.

Troop numbers and their leaders have been announced as follows: Troop No. 4, Mrs. Chester Mitchell, leader, Mrs. Milton Ashton, assistant leader; Troop No. 5, Mrs. Raymond Rucker, leader, Mrs. Oscar Golden, assistant leader; Troop No. 6, Mrs. Joe Foster, leader, Mrs. Bailey Henderson, assistant leader; Troop No. 7, Mrs. Hugh Counts, leader, Mrs. E. E. Spradlin and Mrs. F. E. Thompson, assistant leaders.

For the three Brownie troops, the leaders are: Troop No. 1, Mrs. Charlie Boedeker, leader, Mrs. George Webster, assistant leader; Troop No. 2, Mrs. C. J. Taylor, leader, Mrs. F. O. Schacht, assistant leader; Troop No. 3, Mrs. Warren Embree, leader, Mrs. F. L. Dorman, assistant leader.

There are from 10 to 15 girls in each troop, it was said, and all troops will have from three to five mothers or other interested adults to register as troop committee, as well as leaders and assistant leaders. Troops are grouped according to age and school grade. Each troop leader will notify the girls in her troop of the time of the meeting of that particular troop. All troops are beginning their meetings this week and also are beginning their work on the requirements for their investiture service which will probably be held within the next few weeks. The troops are meeting at the grade school or in the homes of the leaders.

A meeting was held of mothers and others interested in the work at the home of Mrs. M. W. Wiley on Thursday afternoon, of last week, at which most leaders and others who plan to help in the meeting were present. Each troop should have some civic club or other organization sponsoring it, it was pointed out and the B&PW officials are asking that if any organization would like to sponsor a troop they should contact a member of the B&PW.

Training Course Set  
A training course for all workers in Girl Scouts is to be held Friday night, May 11 at 8 p. m. (Continued on back page)

## Local Band Gets 4-5 Rating Friday

The Lockney High School Band, under the direction of Eugene Trimble, scored a 4 rating in concert playing and a 5 rating in sight reading in contests at the Region 1 Interscholastic League instrumental music competition at Canyon Friday.

The band did not enter the march contests. Considering the fact that this is Mr. Trimble's first year with the band and that he has had to build it up from just a few members, local band supporters were very pleased with the rating. The band competed in Class A.

## Longhorns Will Play Abernathy In Baseball Tilt

Lockney High school's baseball team and the Abernathy school team will play for the championship of the north half of district 3-A in a "quick-death" game at Floydada Monday afternoon at 2:30. The winner of this game will meet the champion of the south half for the district title.

The local boys won the right to meet Abernathy by defeating the Floydada school team 3 to 2 in a game at Floydada last Saturday. With Pat Frizzell going all the way on the mound for the locals and Rip Griffith behind the plate, the locals held the Floydada team in check as far as hits went although getting only a few themselves.

Pitching for Floydada were Carroll Fulton and P. Harper. Adrian Helms was behind the bat.

The local boys won the right to meet Abernathy by defeating the Floydada school team 3 to 2 in a game at Floydada last Saturday. With Pat Frizzell going all the way on the mound for the locals and Rip Griffith behind the plate, the locals held the Floydada team in check as far as hits went although getting only a few themselves.

## "Elmer And The Lovebug" Tonite

"Elmer and the Lovebug" will romp over the stage at the City Auditorium tonight when the Lockney High school Band present their annual play. The curtain will go up at 8 p. m.

The play is a one-act comedy that promises to keep the audience highly amused. Featured players will be Wanda Kellison and June Wiley as twin sisters, and Eddie Joe Foster as a brother, Elmer.

Other characters are Sandra Myers as a younger sister of the twins; James Carthel as a college student; Gayle Sherman as a colored girl; Bill Sloan, about the same age as the college student; Mavis Tate, a friend of younger sister; and Horton Kennedy as a friend to the brother.

Admission of 25c and 50c will be charged and the proceeds will go to help pay for the new instruments for the band.

## Dehydrated Hay Price Is \$15

The National Alfalfa Dehydrating & Milling Co. plant here and at Plainview will pay \$15 per ton for dehydrated hay to start the season off, it was announced this week by J. D. Wood, manager.

The local mill started dehydrating Wednesday morning and was operating on hay from Mr. Wood's farm near Cereal. When the plant gets into full operation it will employ around 20 men, Mr. Wood said.

Alfalfa acreage in this area has been cut by about one-third from last year's acreage, Mr. Wood said. There are now a round 2500 acres in the Lockney vicinity.

The Lockney and Plainview plants have seven dehydrators in operation now and are capable of handling 175 acres per day, Mr. Wood said.

Mrs. Ella Marr returned Tuesday from Vernon where she had spent several days visiting friends.

## Sees Brother First Time In 32 Years

H. B. Sparkman of Lockney saw one of his brothers last week for the first time in 32 years. The brother, Ted Sparkman of Redwood City, Calif., visited here and with another brother, C. M. Sparkman at Wichita Falls. The local man also visited in Wichita Falls with his two brothers.

## ATTEND BROTHERHOOD MEETING

Those attending the Brotherhood meeting at Quitaque Monday night from the Alken Baptist Church were Rev. O. J. Welch, Witt Simpkins, R. C. Rogers and Tommie Duval.

## Drillstem Test Fails To Show Oil Or Gas

No show of oil or gas was developed on a Pennsylvania sand and shale drillstem test at Houston Oil Co. No. 1 John Lackey wildcat near Cedar Hill 12 miles east of Lockney. The test was run at a depth of 7632 feet to 7660 feet after a drilling break was encountered. The zone in which the test was made drilled at five minutes per foot. It was reported.

Recovery on the test was 100 feet of drilling fluid with no show of oil, gas or water.

The venture was drilling deeper Wednesday and had reached a depth of 7800 feet in an unidentified shale and sand formation. It has not yet found any solid lime in the Pennsylvania and it has not logged any show of possible production, reports say.

As far as was known here the test would go on to 9,800 feet unless production or granite was struck before that depth was reached.

## Rudd Parsons Dies Saturday

Rudd Parsons, 53 years of age, died Saturday afternoon at the Lockney General Hospital shortly after he had gone there for treatment. His death was due to a heart ailment, relatives said.

Mr. Parsons suffered a heart attack some two years ago and had not been well since. However, his condition was thought to be better recently and he had been working most of the time at his radiator shop here.

Friday afternoon he became ill and went to the hospital for treatment. He soon felt better, it was reported and returned home Saturday morning he went to work as usual but became ill after lunch and was driven to the hospital by his brother, J. Ed. He was given immediate treatment but death came within 30 minutes after his arrival there.

Funeral services were held at the Carter Funeral Home in Lockney Monday afternoon at 3:30 o'clock conducted by Rev. N. S. Daniel. Interment was in the Lockney Cemetery with Carter Funeral Home in charge of arrangements. Pall bearers were Fay Pinner, T. V. Copeland, Lee Ayres, Bill Hodel, Walter Talley, Buck Sams.

Mr. Parsons was born August 29, 1898 at Era, Cook County, Texas. The family moved to Lockney in 1915 and he has made his home here since that time. He has been employed at several different jobs, working as an auto mechanic and more recently connected with the Henry Hodel Oil Co. In recent years he has operated his own radiator shop here.

Survivors include his mother, Mrs. Lena Parsons of Lockney, two brothers, J. Ed Parsons, also of Lockney, and Cortez Parsons of Brawley, Calif. His father preceded him in death in 1918.

Out-of-town relatives here for the services included his uncle and aunt, Mr. and Mrs. W. E. Ragsdale of Artesia, N. M.

## Lone Star School Plans Program

The Lone Star school will present programs on both Thursday and Friday nights of this week preparatory to the closing of school on May 18.

On Thursday night the primary grades will present a program full of laughs and thrills. The fun will start at 8:15 and all the people of the community are invited.

On Friday night a three-act play, "Wild Ginger" will be presented by the fifth, sixth and eighth grades. The curtain will go up at 8:15 p. m.

## Grade School PTA To Install Officers

C. N. Townsend Grade School Parent-Teacher Association will meet next Tuesday night, May 8 at 8 p. m. at the Methodist Church. It was announced this week. This is the final meeting of the school year and recently elected officers will be installed.

Theme of the Tuesday night meeting will be "Let's Review." Speaker will be Mrs. Henry Schacht. All grade school parents are urged to be present for the meeting.

## Hospital News

Dismissed:  
Mrs. F. L. Brown  
Mrs. Melvin Griffith  
Mrs. C. O. Jeffcoat  
Mrs. Dan McGhee  
Jack Carroll  
John Stevenson  
Mrs. Ovis Lowe and son  
Mrs. Berry Hooten.

Mrs. Artie Cone of Bowie is here visiting her brothers, V. D., E. R. and C. F. Harris of Plainview.

## Grain Sorghum Support Price Raised To \$2.17

An increase in the support price for grain sorghums was announced Tuesday by the department of Agriculture with the farmer now assured of getting at least \$2.17 per hundred weight for his grain.

The increase followed a meeting which Rep. George Mahon, Rep. Walter Rogers and Rep. Cliff Hope (R-Kansas) arranged last week with Guy Geissler, new head of Commodity Credit Corporation.

The support price will now be 75 percent of parity instead of 65 percent, it was said. Even with full storage deducted the farmer will still net around \$2.00 per hundred weight or more on the grain, local elevator men estimated.

## Block Winners Announced In Clean-Up Drive

Block winners for the most improvement shown in the recent clean-up campaign were announced this week by the secret committee appointed by chairman Joe Holt. The winners were:

In southwest Lockney, the 100 block on South Main Street.

In southeast Lockney, the 300 block on College street.

In north Lockney, the 200 block on North Main, west side of the street.

The committee emphasized that these awards were made on the "most improvement" shown. Several other blocks were in the running, it was said, and Mr. Holt expressed the opinion that the clean-up campaign was the most successful that the city had had.

The award markers for the winning blocks will be ready soon and will be erected, he said.

He also especially mentioned the city employees for their hard work in helping with the clean-up campaign. Mr. Holt was unable to estimate the number of truck loads of trash hauled off and he said that these men were especially co-operative.

## Rain And Hail Damage Crops

Rain and hail that fell in a "cloudburst" here late Friday afternoon of last week helped the moisture situation to some extent but did considerable damage to wheat in some areas and washed land.

Although 1.66 inches fell in Lockney the rain and hail too was heavier in the area just east and slightly north of town. The moisture there ranged up to 5 inches residents of the area said.

Wheat damage was also heavy in that area with Mrs. J. C. Wilson suffering badly damaged wheat on her place five miles east of Lockney. Others who had damaged wheat in this area were Frank Brown, Austin Meriwether, the Colvin boys and probably others.

Saturday afternoon a repetition of the same in smaller quantities brought 26 of an inch of moisture and more hail. In this hail the damage seemed to be heavier south of town although very little wheat is in that area. Bill Glover reported some livestock bruised and beaten and Harmon Handley had some alfalfa that was damaged. Others in this area suffered damage also.

Moisture for the week end totaled 2.06 in Lockney according to the government gauge kept by Joe Holt at the local hospital. Of this 12 fell Thursday, 1.66 Friday, .26 Saturday and .02 fell Monday night.

The cloud traveled in a south-west to northeast direction and left some areas still needing rain. The Lone Star area received very little moisture and the Floydada area is still needing rain. The South Plains area has had plenty of moisture.

Very few had planted cotton but those that have will have to plant over, it appeared, Leo Cooper, 4 miles north of Lockney, had just completed planting 240 acres of cotton and some others had planted a few acres.

The heavy rains on Friday night fell here within an hour's time and flooded streets. Water was running over the curb in many places and lister furrows were standing level full. Some fields were solid sheets of water.

## Test Germination Of Seed, Wiley Says

M. W. Wiley, president of the First National Bank, Wednesday asked The Beacon to urge farmers to test the germination of their cotton seed before planting. Realizing that farmers will be putting lots of seed in the ground as soon as it dries up, Mr. Wiley said that testing the germination may save a lot of time and money.

## C OF C AND DEVELOPMENT ASS'N TO BE ORGANIZED MONDAY NITE

Culmination of a year's work will be the organizational meeting for the proposed chamber of commerce and development association for this community which has been set for Monday night of next week, May 7 at the grade school cafeteria. The meeting will start at 8 o'clock.

Although the full membership goal has not been reached the directors of the Lockney Business Men's Club, which is sponsoring the drive for memberships, feel that sufficient memberships have been sold to warrant organization and they plan to suggest that the membership drive continue after the organization is set up.

The directors are urging and inviting not only those who have purchased memberships to attend the Monday night meeting but also everyone else in the area who is interested in the proposed organization. Probably 400 invitations will be mailed out.

Plans now call for the setting up of the organization, the election of officers and the appointment of necessary committees.

Sandwiches and drinks will be served to all those attending.

## Quitaque Bridge To Be Opened To Traffic Thursday

The newly constructed bridge over the Quitaque creek in the extreme northeastern corner of Floyd County will be opened for traffic at 5 o'clock this (Thursday) afternoon in a formal ribbon cutting ceremony.

After the ribbons are snipped the Quitaque Lions Club will serve barbecue. Quitaque business houses will close early so that employees may attend the ceremony.

County Judge Frank L. Moore of Floyd County and County Judge J. W. Lyons Jr. of Briscoe will take part in the ceremony. Also present will be members of the Floyd and Briscoe commissioners courts and the district highway engineer from Lubbock.

The bridge over Los Lingos creek was opened to traffic last Friday without ceremony. It is also a new bridge but the fact that the temporary crossing had been washed out by rains that day caused officials to decide to open the bridge to the public immediately.

Bridges over both streams were washed away last June when heavy rains flooded the area. The State Highway Department bore the cost of construction on the newly reinforced concrete bridges just completed.

## New Draft List Released Mon.

The list of registrants carried in last week's Beacon who were ordered to report for induction on May 10 has been rescinded, Selective Service Board No. 45 has notified The Beacon. A new list including several Floyd County boys has been released.

The following boys have been ordered to report May 10 for induction:

Robert Lee Campbell, Box 595, Matador, Texas.  
Charles Vernon Dippery, Box 416, Lockney, Texas.  
Billy Houston Hart, Rt. 3, Floydada, Texas.  
Howard Marion Hotchkiss, Box 151, Silverton, Texas.  
James Willie Jackson, Rt. 1, Plainview, Texas.  
Glenn Elton Jolly, Olton Rt., Plainview, Texas.  
Billy Charles Love, Rt. 2, Tulia, Texas.  
William Clarence Messimer, Box 541, Lockney, Texas.  
Howard Gordon Patton, Star Rt., Kress, Texas.  
Delbert Elwood Porter, Box 94, Petersburg, Texas.  
Vernon O. Ramsower, Rt. 1, Plainview, Texas.  
Duane Titus, Flomot, Texas.  
Lucious Thompson, Box 640, Matador, Texas.

GO TO CHURCH SUNDAY.

Mr. and Mrs. Udell Cunningham, Mrs. E. T. Thurman and Lynn Loyie visited with relatives at Marietta, Okla., last week end.

Mr. and Mrs. Olin Harris and Billy of Loving, New Mexico, visited with his father, J. J. Harris and brother, Jesse Harris and family the past week end.

The Statue of Liberty was presented to the American people by the French government on the hundredth anniversary of American Independence.

The Chinese language and its dialects are used by nearly 500 million people. The English language by a little more than 270 million.

### 1,500 Attend Floyd REA Meet

More than 1,500 members of the Floyd County Rural Electric cooperative attended an annual meeting at Floydada Saturday to elect officers for the ensuing year.

W. A. Carrick, Snodgrass of Floydada, route 1, was named president of the group, Oliver Harmel of Plainview, vice-president, and Herman R. King of Lone Star, secretary-treasurer. All three were re-elected directors of the co-operative.

Other directors elected by the members of the organization included H. L. Morris of Crosbyton, P. J. Wilkes of Floydada, C. W. Burton of Floydada, and John Key West of South Plains.

The 1,500 persons attending the gathering came from all seven of the counties served by the co-op—Floyd, Hale, Crosby, Swisher, Briscoe, Motley and Dickens. One of the highlights of the day was the awarding of prizes to 20 of the 138 women entering a dressmaking contest.

Mrs. Joel Culp of Plainview, route 1, was the first place winner in the contest for her black lace and pique dress. Her prize was a \$340 Pfaff sewing machine presented by Ross Smith of Lubbock. Second prize of \$20 in trade by a Floydada dressmaker went to Mrs. George Stiles of Floydada, route 5, and third and fourth prizes of dress material went to Mrs. S. A. Thornton and Mrs. Glenn White, both of Lockney.

The dressmaking contest was judged entirely on workmanship, according to Mrs. Nancy Morekel, electrification advisor for the co-op. Judges were Lila Kincher and Imogene McMurray of the Texas Tech home economics faculty and Tech students Lillian Franklin and Clara Harp. Receiving electric blankets as the oldest man and woman members of the co-op present for the annual gathering were T. E. Cowart, 81, of Lockney, and Mrs. C. Gallihar, 80, of McAdoo.

Registering for the day-long affair got underway about 9 a. m. There was a continuous picture show being shown in the REA building here by E. D. Holt of Lubbock. Dresses entered in the dressmaking contest and all types of electrical appliances were on display and

an electric feed mill was in operation behind the building.

Following a luncheon at 11:30 a. m., the business session got underway at the American Legion hall. Donald Smith, Floydada school youth, provided piano music and Crosby county Boy Scouts did an Indian dance. Quartet singing and awarding of prizes preceded the actual business discussions. Outgoing President J. C. Ginn turned the program over to Master of Ceremonies Arthur Kries after the invocation by Mrs. Mather Carr.

Among the visitors present for the affair was Mrs. Hortense North, electrification advisor from Spur.

Directors of the co-op announced after an afternoon meeting that a new manager for the co-op will be named within the near future. Melvin Henry is acting manager now.

#### LETTERS TO EDITOR

Camp Hagen, Japan April 15, 1951

Dear Mr. Hays: Just a note to let you know of a change in address.

My address is now: Pfc. Dewell Brewer Hg. Hg. Co. 160th Inf. Regt. APO 6 S.F. M. San Francisco, California.

We arrived in Japan the 12th of April. Camp Hagen is about two hundred miles north of Yokohama, close to the city of Hachinabe. We are about a mile from the Pacific ocean.

Winter is just about over. There was about a two inch snow when we arrived. The country is beautiful and the people seem friendly.

Thanks for sending the Beacon.

Your friend, Dewell Brewer.

According to the French Academy, the actual number of languages spoken and written in the world is estimated at 2,796.

### Sterley News

by Mrs. M. A. Boone

The Sterley Home Demonstration Club entertained the Lone Star Club Thursday in the home of Mrs. Leslie Ferguson.

The house was decorated with spring flowers.

Mmes. Leslie Ferguson and A. H. Sulter welcomed the guests upon their arrival. Mrs. Ruth Reeves presided at the register. The guests were given corsages of yellow and purple iris as they entered. The serving table was covered with a crocheted table cover centered with a basket of purple iris. Yellow candles held by crystal candle holders and a crystal punch bowl completed the arrangement. Mrs. Melvin Ross presided at the punch bowl serving punch, sandwiches, potato chips and mints. Mmes. J. W. Foster and Ruth Johnston led the get acquainted games. A skill, The High Priced Hat, was given by Mmes. A. H. Sulter, M. A. Boone, Wesley Hay, B. J. Howard and E. F. Rivers. Mrs. Ella Casey gave a monologue titled My Operation.

The following registered as guests: Mmes. Hubert Frizzell, Ben McGhee, D. J. Phillips, M. W. Hartman, M. O. Feugh, A. O. Foster, C. L. King, Raymond Teeple, M. A. Martin, Weidon Graves, Ira Graves, J. L. Lovson, Jack Nix, Wiley Nance, G. B. Johnston Sr., J. W. Hastings, and E. J. Foster. Members of the Sterley Club present were Mmes. A. H. Sulter, M. A. Boone, Freida Schaffner, Lillie Colston, S. L. Jenkins, C. E. Reeves, W. B. Mullins, E. A. Howell, R. H. Post, Jewel Rexrode, Leslie Ferguson, Edna Wood, Ruth Reeves, Melvin Ross, J. W. Foster, Ella Casey, Wesley Hay, B. J. Howard, E. H. Tinsley, E. F. Rivers, Ruth Johnston.

A ship sails northwest in going from the Pacific to the Atlantic through the Panama Canal.

"I got the story on

# 50,000 Miles-No Wear

and changed to New Conoco Super Motor Oil"

says Arnold B. Bangerter, Jr. Owner, Radio Cab Company Salt Lake City, Utah

"Since I changed my 14 cabs over to Conoco Super, I've cut oil consumption almost 50 per cent. With at least 85,000 miles on each, there's no sign of needing new engines yet!"

NEW CAR DEALER

"It's a pleasure to have satisfied customers, thanks to Conoco Super," says Walt Winters, Chrysler-Plymouth Dealer, Westside, Iowa. "My customers depend on my judgment about the oil to use in their cars, and Conoco Super is the one I recommend."

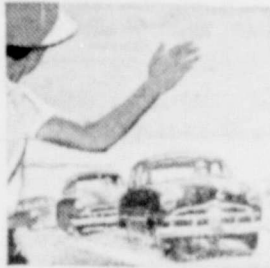

TRAVELING SALESMAN

"When I purchased my new Pontiac, I put in Conoco Super," says Melvin L. Beyer, Traveling Salesman, Pampa, Texas. "I average about 4,000 miles a month and Conoco Super has given me the best of service—even helped to increase the miles per gallon of gasoline."

### "50,000 Miles-No Wear!" Proved Here:

After a 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that Conoco Super can keep your new car new.

*Outdoor Girl*

You can pay more but you can't make a better buy in a convertible! You get the quiet, get-going power of a V-8 engine... the type of engine now powering the top models of America's top cars. It's fuel-saving power, too, with Ford's Automatic Mileage Maker squeezing the last ounce of power out of every drop of gas. And you get a ride that's the equal in comfort of far costlier cars, with Ford's Automatic Ride Control self-adjusting the ride to the road.

**They're built for the years ahead**

*Glamour Girl*

If you want to enjoy the wide-open road and still have a steel-topped car, there's nothing more beautiful than Ford's new Victoria! It offers beautiful solid colors or 4 smart patterns (with color harmonized interiors) for driving at its finest, it offers the newest, most advanced of designs.

When you buy for the future—buy

# FORD

*All-around Girl*

One moment, Ford's "Country Squire" is a beautiful eight-passenger station wagon... the next, it's a rugged hauler of half-ton loads. No other low-priced station wagon offers you so much one-level floor space or your choice of V-8 or Six engines. And only Ford, in its field, offers you your pick of three great transmissions: Conventional, Overdrive\* and Fordomatic.\*

You can pay more but you can't buy better.

\*Optional at extra cost. Fordomatic available with V-8 only. Repairs, accessories and tires subject to change without notice.

Mrs. Murray Julian
Largest and best news of the week was the fine rain...

Herman Thornton and Kay went to Hollis, Okla. and had a wonderful trip. They spent the week end visiting Mrs. Jerry Halleman and girls...

Mr. and Mrs. Sim Reeves had part of their children home for the week end and they had a houseful of guests. Carol, who was home from the Seminary at Fort Worth, brought friends who gave much happiness to those around them...

Mayel Botler and Barry, from Silverton, and Mrs. Rex Smitherman from here. Mrs. Bill Beedy, Mrs. L. T. Wood and Mrs. Johnny Wilson went to Plainview last Thursday afternoon to try bowling...

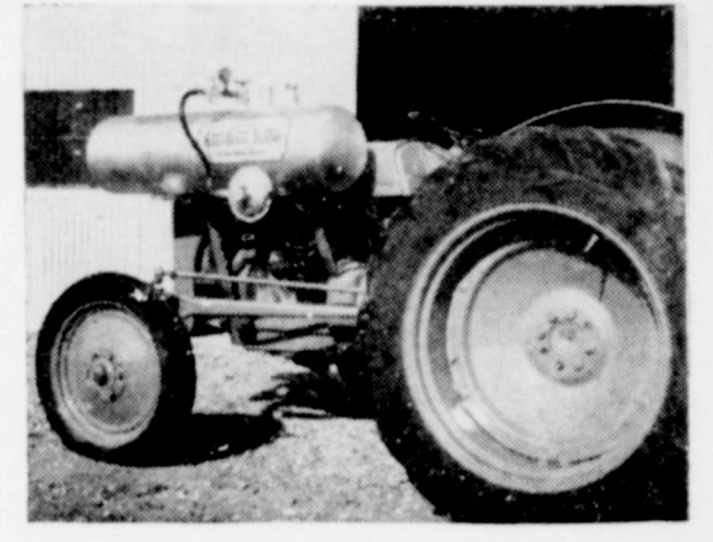

was answered with "An Experience in Business I Have Had." The business of the day was discussed and Mrs. George West as the clothing leader present gave a very interesting demonstration in making round button noles, and also showed how to put in a zipper correctly...

start as soon as the schools are over for the year. The grade school here will close May 18. In the Bible school all the children will be welcomed, and they will benefit by the week of hand-craft work, Bible stories, Bible study and many other interesting things.

day afternoon at 3 p. m. for its regular study of Royal Service. Everyone interested are urged to be present. You will get a blessing from the meetings. Mrs. Leola McManaman, from Dallas, spent the week visiting at the home of her brother, Gilbert Bean and family.

MR. FARMER--

To this date we and our more than 125 Dealers have equipped MORE THAN 3,000 TRACTORS WITH THE FLASH-O-TRAC SYSTEM TRADE MARK PAT. APPLIED FOR MORE THAN

Did they make a mistake? NO—They bought with a money-back guarantee... They are buying more... and saving a lot of money... and they don't have any trouble... Their gasoline tank and carburetor WERE NOT removed... Their tractor WAS NOT CUT UP... Their tractor starts easy... fills easy and quick... they are happy... you ask them.

Please, in your own way, investigate, phone, write or come to see us. We will gladly come to your farm and install a Flash-O-Trac System on your tractor on a—

## Mrs. Guy Sams Hostess To Club

Mrs. Guy Sams was hostess at a meeting of the El Progreso Study Club Wednesday afternoon at the home of Mrs. Ed Whitfill.

Roll call was answered with a favorite joke. Mr. Joe Holt, Lockney General Hospital technician, gave a very interesting discussion of Blood Transfusion and the National Emergency.

Refreshments were served to the following members: Mmes. Clyde Applewhite, Hershel Cartmel, E. J. Cobb, Leslie Ferguson, Edgar Hays, Henry Hodel, L. M. Honea, T. B. Mitchell, Frank Perkins, Henry Schacht, Ed Whitfill, J. C. Kemp and the hostess, Mrs. Guy Sams.

## Mrs. Olson Allison Pollyanna Hostess

Mrs. Olson Allison was hostess to the Pollyanna Club which met Tuesday afternoon, May 1. Friendship quilt blocks made by each member were completed and presented to the hostess.

During a business meeting Mrs. Derrell Wood was elected reporter.

Members present were Mmes. Charlie Smith, Albert Waldroupe, Pont Darnell, Leon Wofford, Lloyd Wofford, Joe Parrish, Charles Goodnight, Barney Manning and Derrell Wood.

The next meeting will be May 15 with Mrs. Charlie Cross, hostess. Members are asked to bring colored material for a quilt block.

## Jr. Senior Banquet Climaxes '50-51 Term

Blessingames dining room at Plainview was the scene of the Junior-Senior banquet Monday evening, April 30, at 7:30 o'clock.

Decorations and the program carried out the theme of spring gardens. Colorful water sprinklers held flowers placed at vantage points along the tables. Favors were plastic sprinklers with rakes and shovels and wheel barrows with rakes and shovels.

The following program was enjoyed:

Invocation—Goree Applewhite  
Welcome—Barry Thompson  
Response—Stanley Conner  
Senior Class History—Velma Seale

Noxious Weeds—Mrs. G. C. Applewhite  
Senior Class Will—Betty Clark  
Daisies Wont Tell—Billy Terrell

Presentation of Favorites—Junior Class  
Reap as You Sow—Mrs. F. E. Swanner.

Class Prophecy—Gayle Sherman.  
Class Song

Senior Class favorites chosen by the Juniors and presented gifts were announced as follows: Most popular girl and boy, Nelda Schaffner and Pat Frizzell. Most likely to succeed, Barbara Mullins and Stanley Conner. Most representative, Sid Thomas and Velma Seale.

## Floydada Club To Entertain Lockney H. D. Club May 10

The Friendship Home Demonstration Club of Floydada will entertain the Lockney Home Demonstration Club on Thursday, May 10 at 2:30 p. m. at the home of Mrs. W. J. Buchanan in Floydada, local club members were informed this week. This is one of a series of inter-club meetings.

The local club met April 26 in the home of Mrs. J. H. Cooper for regular meeting. Mrs. Frank Messimer, clothing demonstrator, gave a demonstration on putting zippers in garments properly and also illustrated new methods for making bound button holes.

Since this was club sister day, each member revealed her sister by presenting her with a gift which she had made.

Refreshments of ice cream and cake were served to Mmes. L. M. Honea, M. S. Johnson, E. M. Whorton, Henry Bollman, L. W. McQuiston, Frank Messimer, Miss Josephine Smith and the hostess, Mrs. J. H. Cooper.

Mr. and Mrs. G. L. Sims and Wendell visited their daughter, Mrs. Bill Reeves and Mr. Reeves in Abilene the past week end.

## Farewell Party At Aiken Honors Mr. And Mrs. Thomas

A party honoring Mr. and Mrs. J. C. Thomas Sr. was given Monday evening, April 30 in the country home of Mr. and Mrs. D. M. Marshall of the Aiken community. Co-hostesses with Mrs. Marshall were Mrs. Buck Kellison, Mrs. A. P. Langfeldt, Mrs. R. L. Powell, Mrs. Emmett Thornton, Mrs. R. E. Kellison, Mrs. F. R. Pickens and Mrs. J. S. Marshall.

The Thomases have sold their farm and are moving to Plainview.

Mr. and Mrs. Thomas were crowned King Cecil and Queen Ruth, and presented with a corsage and boutonniere.

The linen covered table was centered with an arrangement of yellow roses. Mrs. Thornton and Mrs. J. S. Marshall presided at the crystal punch service, while Mrs. Langfeldt and Mrs. Powell assisted. Assorted candy squares and cookies were served.

A profusion of spring flowers were used as decorations throughout the house.

After an hour of visiting and playing forty two the honorees were presented with two lovely gifts. Then Bro Pickens related interesting stories of his early ministry.

Those helping to make the party an enjoyable affair were:

Messers and Mesdames Tommy Weathers, C. D. Kelly, Oscar Lucas, A. P. Shugart, Baylor Byars, J. R. Belt, D. M. Marshall, Emmett Thornton, Marvin Glen Marshall, Pete Adams, Martin Bradley, Jack Jackson, E. C. Gorden, Henry Owens, Plainview, J. G. Perkins, Plainview, R. L. Ellison, LaRue Glen, R. E. Kellison, R. L. Powell, Buck Kellison, Charles Hammit, A. P. Langfeldt, T. H. Weeks, David Stowe, Kress, Derrel Cole, Plainview, Leo Duvall, H. J. Moore, C. H. Andrews, Cecil Andrews, Oscar Golden, W. D. Colson, O. D. Wofford, Herman Stowe, Abilene, J. S. Marshall, L. D. Marshall, F. R. Pickens, Leslie Carlton, Emmett Tierce, H. P. Clement and family, Plainview, Horace Seago, J. C. Thomas Jr., Thurman Thomas, E. A. Henry, Rule, Barney Wilkes, Mrs. O. L. Allen, Plainview, Mrs. Minnie McCain, Plainview, Mrs. Leland Alton, Plainview, Mrs. Bernice Rowden, Plainview, Misses Kay Page, Shirley Clark, Gail Kellison, Cora Jean Thomas.

Mr. and Mrs. Bernard Harris of Lockney and Mr. and Mrs. Raymond Nelson and family of Plainview spent the week end in Brownwood, Fort Worth and attended a homecoming and singing at Crafton, Texas, Sunday.

GO TO CHURCH SUNDAY.

## Engagement Announced

Mr. and Mrs. Alex Norris announce the engagement and approaching marriage of their daughter, Virginia to Mr. Elvin Lyons, son of Mr. and Mrs. R. L. Lyons of Olton, Texas. The wedding has been set for June. Both Miss Norris and Mr. Lyons are teachers in the Lockney schools.

## Special Meeting Called For Community Choir

Sunday afternoon, May 6 at 3:30 o'clock has been set for a special called meeting of Community Choir members and all who are interested in the organization. A special invitation is given to all singers of the community. The meeting will be held at the City Auditorium.

Mrs. W. A. Taylor of near Cone visited in Lockney Monday.

C. Rogers and James Riley and Mr. and Mrs. Tommy Duvall and Charlotte.

Local Ladies Attend District THDA Meet

Several local ladies, as well as representatives from a number of Home Demonstration Clubs in the county, attended the district meeting of the Texas Home Demonstration Association at Tullia last Saturday.

A total of 288 ladies registered for the meeting. Main speaker was J. B. Lynn, known as "Uncle Jay" of radio fame. Those attending from Lockney were Mrs. J. H. Cooper, Mrs. L. M. Honea, Mrs. E. M. Whorton, Mrs. L. W. McCuiston, Mrs. I. A. Applewhite, Mrs. M. S. Johnson.

Mrs. Charlie Smith and Junior visited with Mrs. Smith's parents, Mr. and Mrs. J. A. Brooks and family at Littlefield.

Mrs. David Stowe of Kress, formerly of Lockney, was taken to the Plainview Hospital Tuesday for treatment.

Piano Students Are Rated At Plainview

James Reistrup, pianist, composer and teacher, was in Plainview Friday and Saturday auditioning piano students, among them a number from Lockney.

Mrs. R. W. Davidson, chairman of the Plainview chapter of the National Guild of Piano Teachers, Mrs. Bruce Hardeman and Mrs. J. D. Blackburn were teachers who had pupils in the audition.

Mr. Reistrup is giving auditions in 300 cities this spring. All sessions are private in order to give each pupil the opportunity to do his best. Accuracy, tone, quality, rhythm, phrasing are some of the points considered by the judge.

Among the students doing 10 units of work and winning national honors were Gail Kellison and Eldora Boone; State winners who did from 7 to 9 units of work included Elaine Cooper and Debra Ferguson; district honors for four to six units of work were won by Barbara Carthel.

Birthday Dinner Honors Couple

A birthday dinner honoring Lloyd Wofford and Olson Allison was held Friday evening in the Lloyd Wofford home.

Present were Mr. and Mrs. Leon Wofford and Jerry Lynn, Mr. and Mrs. Charles Whitfill and daughter, Mr. and Mrs. Olson Allison and family, Mr. and Mrs. Luther Wofford, Mr. and Mrs. W. I. Hightower and Madolyn, Patsy Martin, Mr. and Mrs. Lloyd Wofford, Sue and Nelson.

Mrs. Jack Cole Is Shower Honoree

Mrs. Jack Cole was named honoree at a pink and blue shower held Thursday of last week at the home of Mrs. W. F. Carthel. Calling hours were 2:30 to 5:00 o'clock.

Hostesses for the occasion were Mrs. Blaine Holt, Shirley Faye Holt, Mrs. Robert Huckabee, Neida Schaffner, Fredda Bybee, Mrs. Hershel Harston, Mrs. Carl Turner, Mrs. Bobby Harston, Mrs. Bobby Carthel and Mrs. W. F. Carthel.

Visitors in the V. D. Harris home the past week end included Mr. and Mrs. Jesse Wofford and children of Hereford, Mr. and Mrs. Raymond Nelson and children of Plainview, Mr. and Mrs. B. E. Harris of Lockney, Mr. and Mrs. Calvin Pyle of Lubbock, Mr. and Mrs. Harold Griffith of Lone Star, Mr. and Mrs. Clint Turner of Floydada.

### EDITORIAL

Owe no man anything, but to love one another: for he that loveth another hath fulfilled the law.—Romans 13:8.

Since the days of the Romans, scales have been used in weighing merchandise to be exchanged, in order that both the buyer and the seller would be assured fair treatment. Because scales are honest and impartial, they have come to be the symbol of justice.

When a man is on trial his fate depends on the scale of justice in the form of a jury of 12 persons. It has been said that the choice of the number, twel-

ve, is unquestionably based upon scriptural precedent. Just as there were 12 prophets to foretell the truth and 12 apostles to teach the truth.

As American citizens, we all have the right to trial by jury. We have the assurance that we will not be deprived of life or liberty without just cause. Even though we know that the fate of every person who is accused of a crime—large or small as it may be—is dependant upon a jury, it is often difficult to find 12 men who are willing to serve as jurors.

A recent survey shows that two out of three persons summoned for jury duty offer excuses to be released. Some of these excuses, of course, are justified but more often they are not. It shows a lack of interest in the democratic system of justice and in the right of one's fellow man.

May has been set aside as "Jury Service Month," and the event is being sponsored by the State Bar of Texas and the Texas Press Association. The far-reaching objective of the campaign is that a reawakening among the people of the state to the urgent need for intelligent and willing jurors will help discourage all excuses in the future.

The OPS is out to control prices and thereby is causing a lot of people a lot of trouble. If you think filling out an income tax return is a complicated piece of business you ought to see, the forms that local business houses are having to fill out and post. Of course, the OPS goes on the theory that there can be no enforcement of the law without the filling out of forms, an attitude that most government bureaus take.

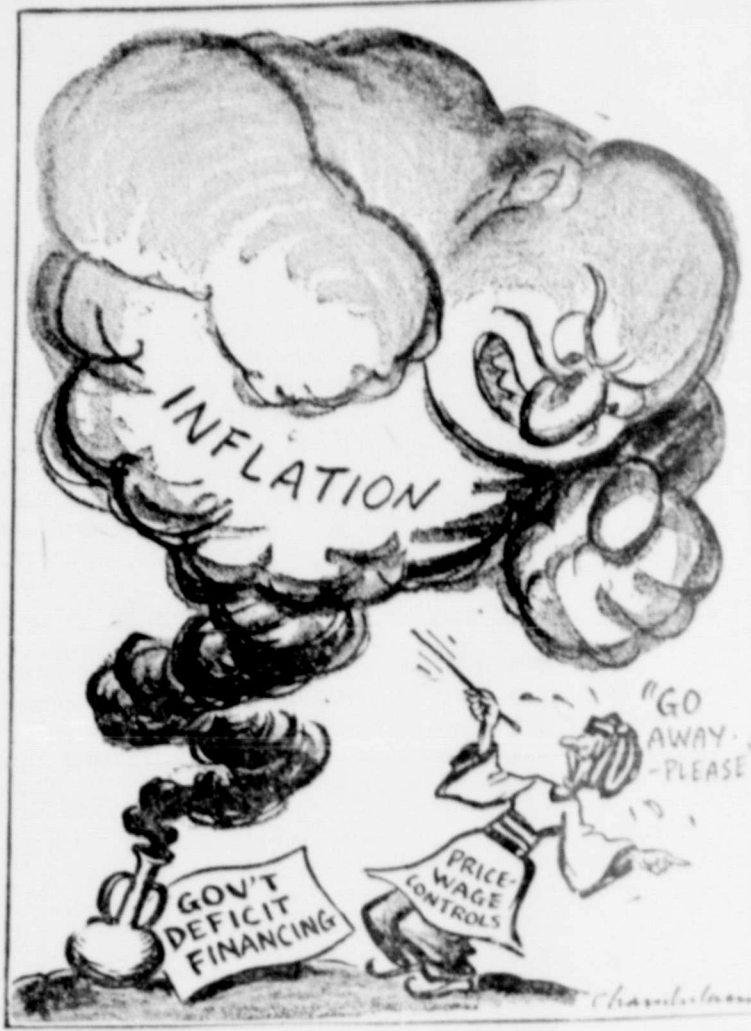

The inside dope is that the OPS plans even more stringent controls but plans to enter a gradual decontrol period at the end of two years with 1953 set as the date for lifting controls. If that happens it will be something new under the sun. We've never seen a government bureau yet that dissolved itself.

The surest and simplest recipe for success is a definite goal, a tireless energy and an invincible determination. Whole books have been written on this subject, but boiled down to their elements their story can be told in these few words.

Profanity is the least convincing form of emphasis.

The search for truth in this world is an endless quest.

### With Our EXCHANGES

#### EARS STOPPED UP WITH PORK

Memories are short, and facts and figures are easily forgotten. The chances are that most Americans have only a hazy idea of just how the cost of their government has risen in the past 10 years. So some figures compiled by the National Small Business Association should come as a high-voltage shock.

In 1940, it cost a little more than \$75,000,000 to run the Department of Commerce—in 1950 the bill was \$863,000,000.

In 1940, the Department of the Interior lived on a budget of about \$1,385,000. Last year's bill was close to \$568,500,000.

In 1940, the State Department worried along on less than \$21,000,000. In 1950 it managed to get rid of more than \$361,000,000.

In 1940, the taxpayers supported the Department of Labor to the tune of some \$18,500,000. Last year the assessment was \$257,000,000.

In 1940, it must be remembered, the late President Roosevelt had been in office for two terms, and the government had been greatly expanded. Yet now the cost of running the major departments make the 1940 budget look like peanuts!

The Evening Outlook, of Santa Monica, California, hit the nail on the head when, after listing these figures, it said: "If the American people have any political intelligence or any sense of their own self-interest, they will demand an end to the colossal extravagance of the Federal government that is threatening to bankrupt this country. . . . The demand must grow in volume and insistence until it will finally be heard by those legislators and bureaucrats who hitherto have had their ears stopped up with pork." —Braxfield News.

#### ANOTHER CROP OF TWO PERCENTERS . . .

Killer William E. Cook will be eligible for parole from his Alcatraz prison in 20 years.

The cold-blooded killer, sentenced to 300 years for the kidnap murder of five members of the Carl Mosser family at Atwood, Ill., a few months ago, will be accorded the usual "breaks" passed out to criminals under a system of jurisprudence riddled with idiotic loopholes.

Cook's prospective parole makes us wonder how many years a criminal must be sentenced in order to serve the time a jury had in mind when returning the verdict, or the time the judge had in mind when pronouncing the sentence. Cook, in order to serve the punishment demanded by society, would have had to receive a total sentence of 4,500 years!

It appears that extensive revision of statutes and legal procedure is long over-due in this country. But when it comes one thing may be certain: If the revision is done by the bright boys of the legal profession, the new set will be as shot through with loopholes as the present conglomeration of technical absurdities.

Meanwhile, there's another group of two percenters that need attention. These are the criminals who serve only two per cent of their sentences. —Balls Banner

#### THE MARSHALL PLAN

The Marshall Plan, the government agency that doles out money and merchandise gratis to foreign countries, may be renamed the Eisenhower Plan. Backers of the Plan deal want to cash in on the popularity of the General to gain public support for their give-aways.

When you are unable to buy something made of copper, remember this: between now and August, the United States, through the Marshall Plan, will give Great Britain \$3,588,000 worth of scarce copper, and your tax dollars will help pay for it! In addition, Britain will get \$2,500,000 worth of petroleum via the Marshall Plan. The oil will come from Arabian fields and will be purchased with your tax money.

Britain probably will continue its trade with Communist China, while the Red Chinks are slaying American boys in Korea.

The Marshall Plan gave Greece a half million dollars worth of coffee, and to Norway and French North Africa goes \$1,400,000 worth of tinplate. Tin is being denied many American packers. —Abernathy Review.

### Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

August 5, 1909  
The new Lincoln head pennies are now being minted and are in circulation. They are in honor of the 100th anniversary of the birth of the late President.

Luther Cooper made his first round on Rural Route 1 out of Lockney on Monday, August 2.

The newly organized Center School district will vote Saturday on a proposal to levy an additional tax of 30c for school purposes. This will make the tax total 5x on the \$100 valuation.

Claud Burnside and Miss Oren Allen of Silverton were married Wednesday at Canyon. They will make their home at Carlsbad, N. M.

The Lockney Commercial Club met Tuesday and raised additional money to pay for all the right-of-way in this vicinity to be used by the Santa Fe railway.

District court convened Monday with District Judge L. S. Kinder on the bench. The grand jury was composed of E. P. Thompson, foreman, L. B. Meany, E. S. Jennings, W. L. Allen, J. S. Pool, Wm. McGehee, L. T. Wilson, C. F. Merrick, Sr., R. W. Hawkins, J. C. Fortenberry, F. Peiphey and S. A. Greer.

A. N. Burgan and wife are parents of their eighth child, a girl born July 29th.

E. L. Ayres left for St. Louis by train Saturday to do his fall buying.

**NEW ARRIVAL**  
 Mr. and Mrs. Wayne Weathers of Sweetwater, Tennessee announce the arrival of a baby son named Gary Lee on April 19. Mr. Weathers is the son of Mr. and Mrs. J. C. Weathers of Lockney and is employed with an engineering construction company. Maternal grandparents reside in Colorado.

**CARD OF THANKS**  
 We wish to offer our sincere gratitude to the many, many friends for their kind deeds and helpfulness to the Parsons family in our bereavement. May God bestow his richest blessings upon each of you.

Mrs. Lena Parsons  
 J. Ed Parsons  
 Mr. and Mrs. W. E. Ragsdale.

Those attending a Sunday school meeting at Floydada Baptist Church Sunday afternoon were Rev. and Mrs. E. J. Cobb, Mrs. Glenn Cooper, Mr. and Mrs. Harmon Handley, Mr. and Mrs. E. R. Hays, Mrs. Clay Muncy, Mrs. B. B. Vernon and Mrs. C. D. McCandless.

Taste is the least developed of the five senses among the lower animals.

**Lone Star News**  
 By Mrs. Donald Johnson

The community singing was held in the home of Mr. and Mrs. W. D. Nance Thursday night. A large crowd attended. Mr. and Mrs. Donald Johnson and children visited over the week end with Mr. and Mrs. Bill Shugart and Mr. and Mrs. James McKnight, all of Vernon. Mrs. Ola Johnson of Hale Center went with them.

Those on the sick list this week with the mumps are: Jackie Lou Frizzell, Mrs. Clyde Farish, Mike Nance and Deanie Henderson. We wish them a speedy recovery.

Several men from this community went fishing at Buffalo Lake this week end. They were: Jack Frizzell, Reed Lawson, Clyde Farish, Howard Mosley, Lowell Jarrett and Loyd Readhimer. The Lone Star boys baseball team won third place at Sand Hill Friday in a tournament.

Mr. and Mrs. A. O. Frizzell visited with Mr. and Mrs. Ed Whorton of the Muncy community Sunday.

Mrs. Howard Mosley and sons visited with Mr. and Mrs. Mosley of Plainview over the week end.

Mrs. J. E. Stover was in Lubbock Saturday on business. Mr. and Mrs. C. P. Lane of Petersburg visited in the homes of Mr. and Mrs. Jim Stover and Mr. and Mrs. J. E. Stover Sunday.

Mrs. Walter Griffith, Mr. and Mrs. Elton Griffith and children of Lubbock visited in the home of Mr. and Mrs. Harold Griffith this week end.

Mr. and Mrs. Kenneth Griffith visited in the home of Mr. and Mrs. Harold Griffith Sunday.

Several men from the Lone Star Church went to a Brotherhood meeting at Quitaque Monday night. Those attending from here were: W. T. Rankin and Jimmy, Jimmy Nance, Shorty Hartman and David Hubert Frizzell, Lovvorn, Rev. Ross Harmonson, C. L. King, Jim Edd Stover, Loyd Readhimer, A. O. Foster.

Mr. and Mrs. Harold Griffith visited Tuesday night in the home of Mr. and Mrs. V. D. Harris.

Mrs. Harold Griffith entertained Friday night with a birthday dinner for Harold Griffith, Howard Mosley, and Howard Watkins. Those attending were: Mr. and Mrs. Clyde Farish, Mr. and Mrs. Loyd Readhimer, Mr. and Mrs. Howard Watkins, Mr. and Mrs. Jack Frizzell, Mr. and Mrs. Lowell Jarrett, Mr. and Mrs. Reed Lawson, Mr. and Mrs. Harold Griffith.

Mr. and Mrs. D. J. Phillips and children visited in the home of Mr. and Mrs. W. H. Workman home Sunday.

Mr. and Mrs. Shorty Hartman and sons visited in Wellington Sunday. They were visiting Mr. Hartman's folks.

Mrs. Conrad Henderson won 9th place at the REA meeting at Floydada Saturday. There were over 100 dresses entered.

Mr. and Mrs. Jim Bobbitt were dinner guests in the home of Mr. and Mrs. Conrad Henderson Sunday night.

Mr. and Mrs. Conrad Henderson and sons were in Friona Thursday visiting Mr. and Mrs. Keith Blackburn.

Johnnie B. Griffin also has the mumps.

**Huntin' AND Fishin'**  
 By **Harve Pennington**

For some time we have been discussing the wet and dry fly for taking fish. As for rods, unless it is possible to obtain a wet and dry fly rod, it will not be wise to get a rod suitable only for wet fly work. While you can make out quite well with a dry fly rod in wet fly fishing to try and use a true wet-fly rod for the dry fly is all wrong.

It is almost certain that even if you become enthusiastic over wet-fly fishing there will be times when you'll want to fish dry. So it is wise to buy a dry fly rod that is a bit limber—one that has enough weight and backbone to cast the dry fly properly, yet isn't so stiff that it causes missed strikes when you fish with a wet fly. Any well-informed tackle salesman

should be able to fit you out with such a rod, whether you start fly-fishing with either the wet or the dry fly, remember that anything worth learning at all is worth learning well.

According to an old story, years ago a man, while working his camp dishes on a river bank, dropped a spoon into the water. As it sank with a wobbling motion, the camper saw a fish come from the depths and savagely strike it. If this really happened, the incident was responsible for an artificial lure which has given countless hours of pleasure to the thousands and thousands of fishermen in the country. It is probable that the first fishing spoon was made by cutting off the handle of a teaspoon, punching a hole in each end, then attaching a hook to one end and a line to the other. From this crude beginning came many shapes, actions, and styles. Some followed the original spoon idea, while others were constructed so that they spun on a rigid shank or between swivel.

Probably the first spinning types were made like propellers. These types are still in use — a few as individual lures, and many others as accessories to other lures.

Mrs. Bob Miller and children, Bobby and Debra Kay and Mrs. S. G. Miller returned Wednesday from Oklahoma City where they visited Mrs. Marie McLain.

Visitors in the W. E. Burleson home Sunday were Mr. and Mrs. Wilbur Barton and Duke Barton of Flomot.

Rotary Hoe Cuts Labor Costs

College Station. — Many Texas cotton growers are cutting their production costs by using rotary hoe attachments on their tractors.

Chester Huddleston of Crosbyton says, "By using rotary hoes on 300 acres of cotton in 1949, I saved 75 percent of my chopping bill."

W. R. Kimbrough, county agricultural agent, reports that there were 1000 rotary hoes owned by 700 farmers in Crosby county.

In 97 Texas counties, there were 10,001 rotary hoe-equipped tractors in 1950, says F. C. Elliott, Texas A. & M. College extension cotton specialist.

Elliott emphasizes that the rotary hoe equipped tractor must be operated at high speeds—at least four and one-half miles an hour. Five or six miles an hour is better. He cautions against setting the rotary hoe too deep. While the depth of setting will depend on soil and plant conditions, the spoke points should not be run more than two inches deep.

Use of the rotary hoe allows earlier planting in areas where a crop of weeds is usually killed before planting. Elliott points out that the rotary hoe can also be used to cultivate peanuts and corn.

He suggests that farmers who are not familiar with this piece of equipment ask their local farm machinery dealers for a demonstration.

ATTENDS CONFERENCE Miss Wanda Rhine, daughter of Mr. and Mrs. L. G. Rhine and student at Texas Technological College, Lubbock, attended a Baptist Student Union conference at A. & M. College the past week end.

Jesse Harris and family and J. J. Harris visited with relatives, Mrs. Richard Taylor and family at Lubbock Saturday.

Visitors in the Frank McClure home Sunday were Miss Lois Collins of Canyon and Mr. and Mrs. Bryant Lee of Lubbock.

"Living Endowment" \$116,600 At Wayland

Plainview. — Friends of Wayland College here have subscribed \$116,600 in "Living Endowment" since the college's new financial drive began, according to a statement released here today by C. G. Sewell, assistant to the president of Wayland.

"Living Endowment" is accepted by accrediting agencies as the equivalent of capital endowment, Mr. Sewell said. Under this plan, an individual receives a certificate for \$1,000, for example, but does not pay the principal—he just pays the equivalent of the interest on this sum, which would be \$40 a year or four percent of \$1,000.

Most of the amount already subscribed has been pledged by Wayland College students and faculty members. A total of \$35,700 was subscribed by 87 students; 21 faculty members subscribed \$18,200; and 32 other friends of Wayland subscribed \$62,700.

Printed certificates now in use are in the following denominations: \$500, \$500, \$1,000, and \$500. New certificates in larger amounts are now being prepared up to \$100,000.

This plan, designed to bring added income to colleges for current expenses and stabilize finances, already has proved a success at such institutes as Princeton University, Wake Forest College in North Carolina, and the Southern Baptist Theological Seminary in Louisville, Ky., Mr. Sewell said.

WILKE FARRISH HERE

Pfc. Wilke Parrish is here this week visiting his parents, Mr. and Mrs. Joe Parrish. Wilke has been stationed at Chanute Field, Mo., but will report at the end of his furlough to Camp Stoneman, Calif. He is in the Air Corps.

First prize high score men was won by Ervie Boedecker, and girls, Miss Neida Shattner. Low score went to Arnold Dietrich.

Next meeting will be in charge of Donald Kelm and Arnold Dietrich.

LETTER TO THE EDITOR

Dear Editor: May I express the appreciation of us all to you for the fine coverage and printing for the past P. T. A. Conference. For myself and husband may I say "thank you" for the help you and your wife gave me when I was 'lost' at 6:15 Wednesday evening.

Your town was certainly wonderful to all of us. Lockney truly must be the town with no 'key.' Sincerely, Alice Stockdale, Morton, Texas.

Twenty-five percent of the land owners in Texas hold less than two percent of the land; on the other hand, 20 percent of the owners hold 80 percent of the land. These are findings from a recent study, "Ownership of Farm Land in the Southwest."

Furriers don't sell women's coats C. O. D. Now they peddle 'em R. F. C.

The importance of prayer was emphasized by Texas 4-H Club members in their observance of National 4-H Sunday, April 29.

## Tea And Style Show To Observe Nat'l HD Week

The Home Demonstration women of Floyd County will observe National Home Demonstration Week with a tea and style show on Saturday afternoon, May 5, in the High School auditorium in Floydada. This year is also the 25th anniversary of the Texas Home Demonstration Association. This anniversary

will be featured in the program and table decorations, and women who were club members 25 years ago or more will be honored.

Mrs. Ruth Daniel, Chairman of the Floyd County Home Demonstration Council and Mrs. S. J. Latta, County Chairman for the Texas Home Demonstration Association, are in charge of the afternoon's entertainment. Various committees are working on arrangements. The tea will begin at 2:30 and the style show will start at 3:15, according to an announcement by the two chairmen. The public is invited to this meeting.

## Floyd Women Attend District THDA Meet

Twenty-six Home Demonstration Club women from Floyd County attended the district meeting of the Texas Home Demonstration Association at Tulla Saturday. The meeting was held in the High School Auditorium. Mrs. B. H. Rucker of Ropesville, vice-president for District 2 T. H. D. A., presided at the meeting. A total of 288 were present.

Mrs. Sam Green of the Friendship Club was pianist for the day, and Mrs. Everett Miller of Harmony was song leader. Mrs. C. A. Caffee of Dougherty was elected secretary of the Association. She and Mrs. S. J. Latta of Sunnyside were on the Resolutions Committee, and these courtesy Resolutions were read by Mrs. Latta to the Association. Mrs. Latta, Mrs. Coffee and Mrs. Jno. Smitherman of South Plains were delegates to the Convention from the Home Demonstration Clubs in Floyd County.

A recommendation to the convention was submitted by the Floyd County delegates. This was a distinctive license plate for Texas automobiles be designed and adopted. This recommendation was adopted by the convention and it will be voted on at the state convention.

The business of the day included reports and discussions. Mrs. B. M. Rucker reported that the T. H. D. A. fund for the district was \$559.10, with Hale County sending in the largest contribution, and Floyd County a close second with \$86.85 contributed. It was voted to spend the district's 4-H fund of one hundred dollars by hiring a trained nurse for the district 4-H Camp at Lubbock, and buying a record player to be used at district and county camps. It was also voted to charter a bus from the district to the Silver anniversary meeting of the Texas Home Demonstration Association at Texas A. & M. College August 28, 29 and 30.

Board members of the T. H. D. A. who were present were Mrs. B. M. Harris of Plainview, vice-president at large for the state; Mrs. W. E. Melton of Pampa vice-president for District 1; Mrs. Shirley Fryer, Knott, vice-president for District 6.

Mr. J. B. Lynn from station KGNC, Amarillo, was guest speaker for the meeting.

### DR. FOSTER MOVES

Dr. D. R. Foster, former head of the local hospital, and his family have moved from Hale Center to Alpine where he will go into private practice. The family moved Tuesday of this week.

## Girl Scouts—

(Continued from page 1)

in the basement of the Methodist Church and also all day Saturday, May 12. Two scout workers from Dumas, Mrs. J. N. Weaver and Miss Frances Brown, both of whom have been professional workers with Girl Scouts, will be here to conduct the courses. All local Scout workers are urged to attend the training course.

## Field Tour Set For May 17th

May 17 has been set as the date for the 1951 Soil conservation field tour, according to Bert Bobbitt, chairman of the Floyd County Soil Conservation District. Bobbitt stated Wednesday that complete arrangements had not yet been made but that one of the most extensive tours in a number of years is expected. Approximately 300 persons are expected to be present for the free barbecue dinner at Lockview Farm northwest of Lockney.

The Floydada Lions Club will have charge of the program at the luncheon meeting. Gayle Mayo, president of the Lions Club has announced that the speaker will likely be from the agriculture division of Texas Tech at Lubbock.

The Floydada Chamber of Commerce will furnish the barbecue and assist personnel of Lockview in serving.

Another highlight of the noon program will be the presentation of a plaque by the local Lions club to the outstanding Floyd County farmer of 1950 in the field of soil conservation.

Teams from the 4-H clubs and FFA chapters of the County will prepare window displays in Floydada and Lockney business houses carrying out the theme of conservation farming. The displays will be judged May 12 and should be in place on the afternoon of the 11th. Cash awards will be made to the winners by the Floydada Jr. Chamber of Commerce. Prizes will be first \$9, second \$6 and five prizes of \$3 each, according to W. H. Tanner, president of the Jaycees.

The routing committee is composed of Bob Gibson, chairman, Ralph R. Cogdell, Henry Barber, T. J. Hutchins and F. L. Montandon. This group will select the farms to be visited on the tour.

Chairman Bobbitt has invited all persons who are interested in soil conservation practices to participate.

Mr. and Mrs. Charles Baxter returned Friday from a visit to Dallas and Fort Worth.

## New Type Heart Operation Performed On Floydada Woman

Dallas — New heart surgery is giving hope to thousands of people.

The operation relieves a condition called mitralstenosis, a narrowing of the heart valve.

Persons suffering from this condition must sharply curtail activity.

The success of the surgery was pointed up with the case of Mrs. A. V. Stewart of Floydada, who underwent the new operation in Baylor hospital here on Friday, April 20 and was released from the hospital today.

Mrs. Stewart, 38, had the heart condition for six years and had been an invalid during that time. Several doctors who treated Mrs. Stewart during that time said the trouble apparently resulted from rheumatic fever which she had as a child.

Born in Plainview, Mrs. Stewart has lived in Floyd county since 1916. She has been married for 14 years. Her parents, Mr. and Mrs. D. W. Effe, also live in Floydada.

Mrs. Stewart and her husband are the owners of a cleaning shop in Floydada.

Mrs. Stewart will remain in Dallas throughout the week for daily checkups according to her father.

In the operation the surgeon opens the clogged valve between two chambers of the heart by inserting his fingers inside the heart and cleaning away the obstruction.

The operation has been likened to that to correct the condition of "blue babies", but it goes a step farther than the rearrangement of blood vessels outside the heart. This operation is within the heart.

Dallas surgeon who operated upon Mrs. Stewart said the heart valve is usually the result of rheumatic fever, but also can be caused by other conditions.

He pictured the valve as two flaps of membranous tissue which turn downward into the ventricle chamber. In a normal valve the flaps alternately fall freely apart and close tightly, as the heart beats.

In mitralstenosis, the flaps tend to stick together so that the valve not only becomes narrow but its function is impaired; it neither closes tightly nor opens freely.

It becomes thickened and scarred, and produces a strain on the heart.

Mitralstenosis usually creates a loud heart murmur and, also causes the patient to cough up blood chormically. The new surgery usually corrects both these faults.

## Scholastics Total 809 In Final Count

Final count of scholastics in the Lockney Rural High School district totaled 809. It was announced this week by Supt. Sidney Reeves. This is a net gain of 28 over the last school term and is an all time high for this district.
