THE LOCKNEY BEACON

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 49

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, JUNE 8, 1951

NUMBER 40

Trinity Church To Observe 40th Anniversary Sun.

The Trinity Lutheran Church at Providence will observe a double event Sunday. The morning service at 11 a. m. will mark the 40th anniversary of the founding of the congregation and in an afternoon service at 3 p. m. a service of ordination for the first son of the congregation to enter the Christian ministry will be held. He is Lee Roy Brandes, son of Mr. and Mrs. Ben Brandes of Providence.

Mr. Brandes will be ordained into the ministry of the American Lutheran Church at the Providence Church Sunday afternoon at 3 o'clock. He is the son of Mr. and Mrs. Ben Brandes of Providence.

The Trinity Lutheran Church was organized on June 11, 1911 in the old Providence school under the leadership of Rev. F. A. Bracher, with 20 charter members. Only three charter members are still associated with the church. They are Mr. and Mrs. Karl Sammann and Mrs. Henry Sammann. Three or four other charter members are still living but have moved to other congregations.

At the morning service commemorating the 40th anniversary the guest speaker will be the pastor who assisted in the founding of the church, Rev. Bracher, now of Fredericksburg. He will preach on Matt. 17:1-8, using as his subject, "Trinity Church, A Mount of Transfiguration for 40 Years."

The 3 p. m. service will be the first ordination service ever conducted in Trinity Lutheran Church. Prior to receiving the Bachelor of Divinity degree from the Evangelical Lutheran Seminary of Capital University, Columbus, Ohio, on June 3, Mr. Brandes was graduated from Plainview High School and attended Texas Lutheran College, Seguin; Texas University, Austin; Capital University, Columbus, Ohio, and Ohio State University also of Columbus.

Mr. Brandes during his seminary training, spent a year of internship with the youth department of the American Lutheran Church.

Mr. Brandes is married to the former Miss Laura Sammann, the daughter of Mrs. Henry Sammann of Plainview. The Brandes have a daughter, Marla Joy.

On June 24, Pastor Brandes will be installed as the pastor of Trinity Lutheran Church of Wichita Falls.

Rev. E. Herber, pastor of St. John's Lutheran Church of Thruway, Texas, formerly of Providence, will deliver the sermon at the afternoon service, and the rite of ordination will be performed by Rev. C. N. Roth, president of the Texas District of the American Lutheran Church.

The Providence church will serve dinner on the church grounds at 12:30 to all those who are present for the anniversary service. Everyone is cordially invited to attend either or both of these services, according to the pastor, Rev. H. L. Anderson.

CHESTER MITCHELL GETS THE GOAT

Chester Mitchell, a farmer south of Lockney, was the lucky member of the Lockney Lions Club to get the club's goat this week. The goat keeper is drawn from the names of members absent at the club each Monday night.

SON-IN-LAW DIES

Arthur Swartz of St. Louis, Mo., son-in-law of Mrs. E. M. Whorton of Lockney, passed away Wednesday of last week. Mrs. Whorton left Thursday for Dallas where funeral services and interment were held Monday. Mrs. Whorton has another daughter, Mrs. Zeb Baker, who lives in Dallas.

TO RIDGECREST

Miss Wanda Rhine, daughter of Mr. and Mrs. L. G. Rhine of the Providence community, left Sunday with a group of students from Texas Technological College for the annual Baptist Student Union retreat at Ridgecrest, North Carolina. The group will be gone two weeks.

LABORN GETS

L. A. Laborn of the Providence community was awarded a R. S. degree in electrical engineering at the graduation ceremonies at the University of Colorado on June 9. The ceremony will be held in Folger Hall at 10 a. m.

Showers Fall Here Wednesday P. M.

Showers fell in this area Wednesday afternoon of this week ranging from only a small amount in Lockney up to nearly a quarter inch north and west of town. Some hail also fell north and west of town but apparently did no damage as far as The Beacon could find out.

A heavy shower amounting to a quarter inch fell in this area last Thursday afternoon but did no damage to the freshly planted cotton.

High temperature for the past week was 98 degrees and the low 48, according to Joe Holt, local weather observer.

Wheat Outlook Is Improving

Two months ago the wheat outlook for Floyd County was not very bright. Some were predicting that the county would make "less than last year" which was an all time low yield for Floyd County. But the outlook now is much better due to recent rains and favorable weather.

County Agent Bob Gibson said this week that he believed 50,000 acres in the county might make from 20 to 30 bushels per acre while another 50,000 acres would make from 8 to 12 bushels. He estimated the overall crop for the county at more than a million and a half bushels this year.

Another thing in the farmers favor is that the wheat is filling out good and will probably be high quality, Mr. Gibson said. Some wheat is already turning and harvest will probably get under way here a little earlier than anticipated.

Soil Conservation News

The board of supervisors of the Floyd County Soil Conservation District decided to postpone the annual field day until fall, with a tentative date set September 13. Members of the board are of the opinion that a more profitable day can be arranged since the original date was rained out. Particular arrangements will be handled by the same committees that were appointed in the spring.

Floyd District Won Fort Worth Press Award

The Floyd County District won fourth place in Region one in the Fort Worth Press awards program and was represented at the awards dinner at Hale Center on May 29th by Bert Bobbitt, chairman, W. F. Ferguson and G. L. Fawver, Henry Barber, Ralph R. Cogdell and L. V. Glenn also attended the Hale County field tour and the awards program.

Applications for assistance and agreements with the district were approved for J. G. Tucker on the Fortenberry farm North-east of Cedar Hill and Grigsby Milton on his farm east of South Plains. An agreement was also approved for Wm. D. Laceywell on his farm in the Irick community.

Mr. and Mrs. D. O. Aldredge and family moved this week to Amarillo.

DONICE CASEY WON PRIZE IN PARADE

Donice Casey, son of Mr. and Mrs. Hilburn Casey, won first prize in the child's division of the horseback riders in the parade at the Old Settlers reunion in Floydada recently. Donice is a sixth grade student in Lockney school.

ATTEND BALL COLLEGE

Clyde C. Sloan of Lockney is attending the summer session of Ball State Teachers College at Muncie, Indiana, where he will receive his MA degree after five weeks. He is majoring in English and minor in history. His father, Billy, who graduated this year from Lockney High school, is with him and is also attending the college.

Get your office supplies at The Beacon Office.

Estimate 140,000 Acres Of Cotton In Floyd County

If you remember how much cotton was grown in Floyd County in the year 1949 and how long it took the gins of the county to turn off that crop—and will just about double that amount you will know how much cotton is planted in Floyd County this year, according to estimates The Beacon has secured from reliable sources.

County Agent Bob Gibson and local ginner R. E. Patterson have both estimated the Floyd County acreage at about 140,000 acres. This is, of course, by far the largest acreage ever planted to cotton in Floyd County.

In the bumper crop year of 1949 the acreage ran around 80,000 acres, Mr. Gibson said, and the county produced that year 71,500 bales approximately. Local gin yards were stacked with cotton wagons for two or three months.

Mr. Gibson said that a tremendous amount of land had been planted to cotton this year, and that the great increase in dry land cotton wasn't all the increase the county had. Cotton planted on land under irrigation had also taken a tremendous jump.

No Loss On Second Planting

Most all Floyd County farmers had to plant their cotton twice but neither Patterson nor Gibson believed that the county lost any cotton acreage due to the second planting. Where one man planted a few less acres, another man who hadn't planted any cotton at all jumped in and planted some to make up the loss.

Another thing in the farmers favor is that the late planting and the lack of appreciable amounts of rain since is letting the cotton come up without very many weeds.

Of course the 80,000 acres in 1949 represents the finished crop while the 140,000 acres estimated now is just the planted crop and many things can happen to a cotton crop. Some may be lost to hail and insects, some dry land may not have enough moisture to make and other things can happen. But barring a real disaster, the county acreage will still be a record.

Baptist Workers To Meet At Lone Star

The Floyd County Baptist Workers Conference will meet Tuesday of next week, June 12 with the Lone Star Baptist Church. The meeting will begin at 10 a. m. with a song service led by Joe Reeves of Lockney.

Rev. Vernon Shaw will preach the sermon at 11:45. Lunch will be served at the noon hour by the host church and the meeting will close at 2:15.

RETURNS TO CAMP

Pvt. Thomas Colvin left Monday for Fort Lewis, Washington, after spending a short furlough here with his mother, Mrs. J. C. Colvin Sr. and family. He was accompanied back to camp by Sgt. George Shabisek, Pfc. John Trammell, Pfc. Gorman Smith and Pvt. Richard Oheim.

PHOTO BY JAY ED PARSONS

REAL NEIGHBORS — Pictured here are 10 tractors and many more neighbors of the Berry Hooten family who went to the farm Wednesday of last week and planted the cotton crop in about two hours time. Mr. Hooten passed away suddenly Thursday, May 24. The men planted about 90 acres of cotton. Although the owner is not the driver in every case, the tractors in the picture belonged to the following: left to right, Deibur Rose, J. R. Belt, Vernon Daniel, John Lee Carbel, Robert Keillon, Vernon Daniel, Mr. Adams, Wilborn Tannahill, Vernon Daniel, and Oscar Golden.

Cub Scouts Will Meet Thursday Night

All Cub Scouts and all boys who are interested in becoming Cub Scouts are to meet at the local Scout Hut, near the City Auditorium, Thursday night at 8 o'clock. It was announced this week by Joe Handley, Cubmaster. Also parents of the boys are urged to attend.

Advancement medals will be awarded at the meeting and all the boys are urged to attend.

Telephone Cut-Over Date Is Now July 12

The Southwest Bell Telephone Company's cut-over date to start using the new dial system is July 12, A. O. Thomas, district manager said here last Friday. Mr. Thomas and J. C. Oakley, of Plainview, manager for this area, spent the day in Lockney checking on the new system here.

The change over to the new dial system will be made at 12 noon on July 12, contrary to previous plans to change over at midnight. The purpose of the 12 noon time is in order that any trouble which shows up might be cleared up by the workmen immediately.

Already nearly 200 of the new dial telephones have been installed on rural lines out of the Lockney exchange. When the installation is completed on rural lines, the dial telephones will be installed in the city preparatory to the change.

The new telephone building on West Second Street has been completed and the work of installing the exceedingly complicated equipment for the dial system has been underway for some time. Officials believe they have allowed plenty of time for the completion of the installation of equipment in setting the July 12 date for the change to the dial system.

Mr. Thomas said that all telephone numbers would be changed and that all numbers would have four digits. These numbers have already been assigned since a new directory is being printed and it was necessary to assign the numbers so that they would appear in the new directory. However, he said that the company could not yet release the numbers to the public. The new directory will be delivered shortly before July 12 with a notation to the subscriber not to use the directory until after the change-over date.

There were 727 telephones out of the local exchange on April 31st, slightly more than half of them being rural.

Shortly after the cut-over the public will be invited to an open house at the telephone building to see the dial equipment.

30 Attend PTA Course Here

Thirty local parents attended the Parent-teacher procedure course taught at the Lockney Methodist Church Tuesday evening and all day Wednesday by Mrs. H. F. Godeke of Lubbock. Those attending were high in their praise of the course and Mrs. Godeke's teaching. The course dealt with parliamentary law and procedure in PTA meetings.

A covered dish luncheon was served at noon Wednesday to those attending. The course was sponsored by the two local PTA groups cooperating.

GOING TO CALIFORNIA

Rev. and Mrs. Ross Harmonson left Tuesday for McKinleyville, California, where they will make their home. Rev. Harmonson has been pastor of the Lone Star Baptist Church for the past year and the couple have made many friends in that community and in Lockney. At McKinleyville, Rev. Harmonson expects to organize a Baptist Church. He also expects to enter the Golden Gate Seminary at Berkeley, Calif., this fall.

Deal Is On In Prevention Of Hail Program

Gordon Clouser, manager of Skyblock Scholarship House, Norman, Okla., told M. W. Wiley late Wednesday that the "deal is on" in the hail prevention program he has worked up for Western Floyd County, Hale county and eastern Lamb county. Mr. Clouser said that one of the fast pursuit planes would be in Plainview today (Thursday) and would be ready to go in a day or two.

The program is being delayed a few days because of the damage to one of the planes secured by the organization when it had to make a forced landing near Effingham, Ill., Monday. However, this plane will be repaired and brought on to Plainview within the next few days to join the other in the fight on hail damage to crops. The pilot of the plane, M. F. McKnight of Hale Center, will be flown to Plainview in an ambulance plane by Claude Hutcherson, it was reported here. He suffered a fractured vertebrae when he ran out of gas and made an emergency landing in a field. The plane nosed over and pinned him in but he was pulled out by a farmer and rushed to a hospital. His injuries were not serious.

Mr. Wiley reported that 16,277 acres had been signed up for the program in Floyd County. The charge is 40 cents per acre and the organization proposes to seed threatening clouds and prevent hail to fall on crops in the area served. The planes are army pursuit planes and are very fast, it was reported.

Mr. Wiley reported that 16,277 acres had been signed up for the program in Floyd County. The charge is 40 cents per acre and the organization proposes to seed threatening clouds and prevent hail to fall on crops in the area served. The planes are army pursuit planes and are very fast, it was reported.

To Organize Sheriff's Posse Monday night

All men who have horses and are interested are invited to attend a meeting at the court room in Floydada Monday night when a Sheriff's Posse will be organized, it was reported here this week. The meeting will start at 8 p. m.

Wayland Coach Is Impressed With Local Player

A letter to The Beacon from Hank Garland, coach of the girls basketball team at Wayland College, Plainview, says that he is very impressed with the ability of Velma Seale, 1951 graduate of Lockney High School. Velma has been accepted as a member of the Wayland team this fall.

Coach Garland says, "She has been very impressive in workouts and I believe that her boy-like jump shot will be something new in the sport."

Wayland College's girls' team won national recognition the past season by winning second place in the national tournament for women's basketball. Of the ten all-Americans selected from the country, three were from Wayland. Coach Garland says, "It will be fast company, but I believe Lockney will be proud of the way Velma keeps up."

EDITORIAL

Brethren, be not children in understand, howbeit in malice be ye children, but in understanding be men.—I Corinthians 14:20.

News reports say that GI's returning from the Korean battle-front want milk and more milk. They seem to have an almost unquenchable thirst for milk. Now the government is making arrangements to supply the soldiers with fresh milk through a new pasteurization process regardless of where they may be serving. It's nice to know that the government believes milk is as nourishing as beer, which they have been furnishing for several months.

The OPS has, among other things, succeeded in confusing just about everyone with whom it has any dealings. Local merchants receive no direct information, in most cases, of what and when they would do this or

that. They must depend upon stories carried in the newspapers. But even these stories are sometimes confusing. Like, for instance, who comes under the GPR ceiling and who may use it and who may not use it. Also there is a different deadline date for posting ceiling prices in almost every line of business. It's no wonder that many people die of heart failure and stomach ulcers.

The Marshall Plan is working, according to observers who have been keeping tab on it. Industrial production in the countries aided by the plan averaged 40 percent higher than in 1938, before World War II started. The boys are now beginning to wonder if this increased production in Europe might cause a surplus of goods in the world market and hurt the marketing of U. S. manufactured goods in years to come.

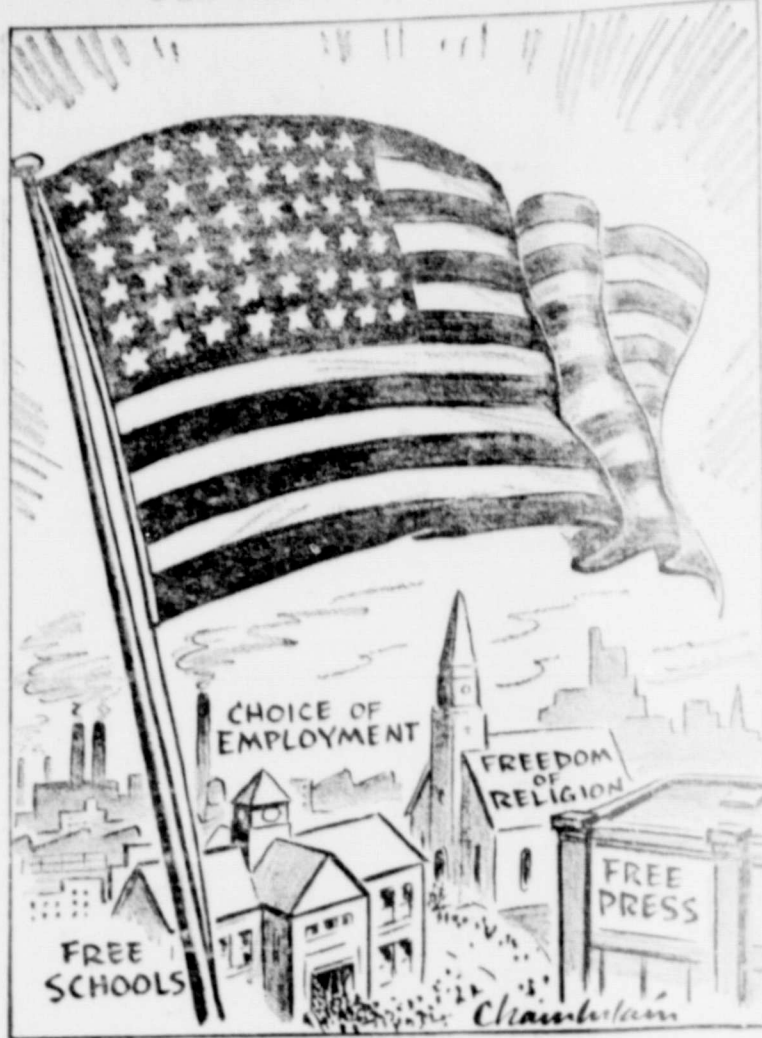

Old Man Weather plays some funny tricks in West Texas. Having lived in almost every part of Texas except the far northeast and the extreme southwest, we have never experienced the changes in weather that come to the High Plains. Last week it was so hot that any kind of breeze was a relief and some of us had difficulty sleeping at night. Then suddenly it became so cool that a man needed a coat when going outside. We wonder if all this change is not a little hard on humans as well as young cotton.

The closing of school has apparently caused no slacking in the epidemic of mumps, measles and other children's (?) diseases that are making this area. Now it seems that chicken pox is also cropping out. Regardless of what we may think, the doctors say that a child should not be exposed intentionally to any disease and that the disease should be taken seriously. Never have we seen so many adults taking the mumps. Maybe the kind going around this year is "adult mumps." At any rate about as many adults as children have had them. Our advice is if you're going to have them, have them as a child.

William Henry Harrison was the oldest U. S. president to take office. He was 68.

Theodore Roosevelt was the youngest president of the United States. He was 43.

RETAIL TRADE PROMOTION

Ted Stafford, speaking before the Tullia Kiwanis club last week on the subject of "Retail Trade Promotion," mentioned nine factors in retail-customer relations. These were transportation, parking facilities, store hours, store modernization, improved merchandise selection, retail training, returned goods, special events and advertising. These factors are food for thought for every business enterprise in Tullia, especially those that feel that they are unable to hold Tullia and Swisher country trade.

When we urge Swisher county residents to trade in Tullia, we are not unmindful that Kress and Happy merchants are in business. They want and are entitled to the trade of their communities. But there are times when these merchants are unable to supply the demands of their customers. Then it is that we invite them to keep their trade in the county instead of taking it elsewhere. As a town, Tullia might measure itself according to the above mentioned nine factors. How are our transportation facilities? People don't like to get off the pavement when they go somewhere to trade. Are our farm-to-market roads making it easier to trade in Swisher county or easier to get to Amarillo or Plainview? If we as Tullia merchants want to attract county trade, we must see to it that we

IT MAY COME TRUE

It is far too early to throw any hats into the air and give vent to cheering, but the fact that interest has been reawakened in the old, old hope of the Frisco railroad's extending its line into Lubbock is exciting to contemplate. Whether the Frisco will decide to extend its Quanah, Acme & Pacific tracks about 50 miles into Lubbock from Floydada, and then whether the extension would be permitted by the Interstate Commerce commission, no one yet knows. But indications are that the Frisco definitely is interested in the project. The odds are now that if the railroad has its way, the Floydada-to-Lubbock extension may be undertaken within the relatively near future.

Getting the Q&P to come over to Lubbock from Floydada has been a dream of many South Plains citizens over the past quarter century.—Lubbock Avalanche.

Taxes on Texas farm and ranch real estate increased in 1950 for the fourth straight year. The average increase for the state was four percent.

Fresh strawberries can be successfully frozen whole, sliced, crushed, puréed, or made into sparkling juice.

ing have only to observe the habits of going concerns, whether they be on the local or national level. City merchants who spend thousands of dollars each month on advertising aren't concerned with supporting the advertising media which they use. They don't spend five cents unselfishly. As competitive as business is today, merchants must exhaust every available means to attract trade.

Other factors, mentioned by Stafford, are no less important than the ones on which we have commented. As the Texas Panhandle becomes more urban each year, the smaller towns, such as Tullia, are going to have to fight harder and harder to avoid becoming ghost towns. Admittedly, Amarillo and Plainview can offer an appeal in some ways with which we cannot compete. To offset these odds against us, we must utilize to the limit those means which are available to us.—Tullia Herald.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

September 23, 1909
The Floyd County Fair is set for October 9 at Floydada. Nearly \$300 in prizes are offered in displays of horses, cattle, hogs, chickens, agricultural products and babies under 12 months of age.

A Farmers' Institute with 46 members has been organized by "Uncle Dick" Bonner who spoke here recently. William McGehee is president, W. K. Early, vice-president, R. E. Erwin, secretary.

A canning factory for Lockney has been proposed as a project that would be a great benefit both to farmers and business men.

Emmitt Stubblefield has bought an interest in the Kelley Cafe and an addition is being built on the building.

M. H. Ragle has moved the middle part of the old hotel building to the east side of Main Street where Harmon will continue to operate the bakery.

A. C. Goen gives notice that it is a violation of the law to run an auto at night without lights.

Lockney public school is overflowing with students. One room taught by Miss Annie Hughes has 60 pupils. Plans are now to secure another teacher.

The Lockney College and Bible School now has an enrollment of more than 100 students.

Prof. John Graham and wife

have arrived here to work in the college.

Dr. Hyde has moved from Eldorado to practice here.

August 15, 1911
The Lockney school starts Saturday morning with a big tent.

At a mass meeting plans were made in Floyd county with hogs. The situation has sunk to a mark.

Sen. W. H. Bisher at the Soldiers and Sailors' Home at the Pleasant school house on August 15.

Frank Mudgett has the Dagley blacksmith will do all kinds of repairing and machine work.

A civil service examination will be held soon for a new rural route from Akins.

Land is changing hands in the Lockney vicinity. A 40-acre tract with land now bringing the high price.

Huntin' AND Fishin'

By Harve Pennington

Most fish are inquisitive, and bass are no exception. They won't always strike the lure that arouses their curiosity...

We can only guess why such things happen. We can't know what goes on in a fish's mind. This, however, is important—to know the exact location of the fish...

When the fishing is poor, it is better to spend the whole day in one spot—you know there are fish to be caught—than to wander all over creation trying to find a better place...

The time to look for new fishing spots is when the fish are in a taking mood, not when heroic measures are needed to wake them up...

Renew Now—The Beacon Is Going Up!

The Lockney Beacon subscription price is going up! After six years of trying to hold prices down, we are now forced to raise our subscription price...

The Beacon has been selling at a lower price than most any other weekly paper on the plains because we want everyone in our territory to read The Beacon.

scription is out or nearly out, now is the time to renew. Or if you are not getting The Beacon and have been planning to subscribe do it today.

We will not accept any subscription more than two years in advance. It is not the policy of The Beacon to accept subscriptions far in advance.

Now is the time to either renew or subscribe. Don't neglect or delay. Come in today or send in your subscription to The Beacon.

CARD OF THANKS. We wish to express our sincere appreciation to the many friends for your sympathy and floral tributes during our recent bereavement.

Brownie Troop Meets Friday

Brownie Troop No. 2 met in Louise Bollman's playhouse for their regular meeting on Friday, June 1, from 9 until 10 a. m. Each girl made a "sit-upon." Games were played and Mrs. Bollman served coolaid to the group. Brownies present were Ann Brown, Ruth Ann Rivers, Bonnie Allen, June Caldwell, Linda Barnett, Margaret Schacht and Louise Bollman. Committee members present were Mrs. Caldwell, Mrs. Allen and Mrs. Boll-

C. J. McClure Is Honored At Dinner

Mr. and Mrs. C. J. McClure were hosts at a birthday dinner Sunday honoring C. J. McClure. Attending the event were Mr. and Mrs. L. V. McClure of Lone Star, Mr. and Mrs. Chill McClure of Floydada, Mr. and Mrs. R. L. Tomme and family, Norman Paschal and Miss Louise Parish.

Norris-Lyon Vows Exchanged In Home Rites

In a quiet but impressive home ceremony performed Saturday morning, June 2 at nine o'clock Miss Virginia Norris, daughter of Mr. and Mrs. Alex Norris became the bride of Elvin Lyon, son of Mr. and Mrs. Raymond Lyon of Olton, Texas.

Minister Charles Goodnight of the Main Street Church of Christ read the double ring service as the couple stood before an archway flanked with baskets of white gladioli and pink roses.

The bride was attired in a pink linen suit with white linen accessories and an orchid corsage. She was given in marriage by her father.

Maid of honor was Miss Peggy Savage of Washington, D. C., daughter of Mr. and Mrs. Oliver Savage, Lockney. She wore a white crepe dress, white accessories and a corsage of pink rose buds. Mrs. Vervie Trusty of Olton, sister of the bridegroom, was bridesmaid. She was dressed in a blue crepe dress with white accessories and a corsage of pink rose buds.

Dwaine Lyon, of rampa, brother of the bridegroom served as best man.

Mrs. Norris, mother of the bride was dressed in aqua with beige accessories. Her corsage was of yellow rose buds. Mrs. Lyon, mother of the bridegroom wore pink with white accessories and a corsage of yellow rose buds.

Following the ceremony a reception was held. The serving table was covered with a Quaker lace cloth accented with a three tiered wedding cake at one end and a crystal punch bowl at the other. White orange blossoms, baby breath and pink columbine on greenery framed the punch bowl. The three-tiered cake was topped with a miniature bride and groom backed with a heart shaped lace frame hung with white wedding bells.

Miss Nickie Frazier of Pampa served cake after the bride, assisted by the bridegroom cut the first piece. Mrs. Vervie Trusty poured.

For a wedding trip to Arizona, Colorado and New Mexico the bride chose a navy shantung suit, navy and white accessories and an orchid corsage. The couple will be at home in Lockney after June 15th.

Mrs. Lyon, a graduate of Lockney High School attended Abilene Christian College and received her bachelor of science degree from McMurry College, Abilene where she majored in music. She has been employed as teacher in Lockney High School the past several years.

Mr. Lyon, assistant football coach of Lockney High School is a graduate of Olton High School and West Texas State College, Canyon. He received his master degree from Sam Houston in Huntsville, Texas.

Only attendants at the wedding were the bride's parents, the bridegroom's parents, Mr. and Mrs. Vervie Trusty and son of Olton; Miss Savage, Miss Frazier and Dwaine Lyon.

Officers Installed By Eastern Star

The Order of the Eastern Star met Thursday night for an impressive installation ceremony.

The following officers were installed: Worthy Matron, Ruth Cox; Worthy Patron, Marvin Cox; Associate Matron, Lorene King; Associate Patron, Herman Huffman; Secretary, Ruby Sams; Treasurer, Leota Huggins; Conductress, Myrtle Messimer; Associate Conductress, Helen Huffman; Chaplin, Attie Ford; Marshall, Ethyl Mitchell; Organist, Bernice Miller; Ada, Sally Shaw; Ruth, Thelma O'Brien; Esther, Louise Cooper; Martha, Katherine Rucker; Electa, Anna Dell Quebe; Warder, Sallie Griffith; Sentinel, J. D. Huggins.

Installing Officer was Bessie Russell, Installing Marshall was Bette Counts, Installing Chaplain, Ann Phenix.

A Past Matron Pin was presented to the outgoing Worthy Matron, Katherine Rucker by Anna Dell Quebe.

Formal gowns were worn by the installing officers and officers elect. Arrangements of spring flowers were placed at vantage points about the hall. Hosts were Raymond and Katherine Rucker, retiring Worthy Patron and Worthy Matron; Marvin and Ruth Cox—new officers.

Dorothy Marr spent three days last week in Floydada visiting her sister, Mrs. Dave Willis.

Double Ring Rites Unites Miss Harper And Mr. Hoggins

A double-ring ceremony read Friday night in the home of the bride's parents united in marriage Miss Joy Carolyn Harper, daughter of Mr. and Mrs. J. B. Harper, Plainview and Mr. James Lowell Hoggins of New Orleans, La., son of Mr. and Mrs. J. T. Hoggins, 206 W. 3rd.

The Rev. Martin Boyd, district superintendent of the Methodist Church, officiated. The large mirror over the open fireplace was roped with fern, and baskets of white and pink gladioli stood on each side. Tall candelabra holding white tapers were used to complete the decorations and furnish a beautiful setting for a candlelight ceremony.

Miss Frances Laas played pre-nuptial selection at the piano and Miss Carol Shilcutt sang "No Other Love" and "Thine Alone."

Given in marriage by her father, the bride was gowned in ballerina-length white satin and net. The white net yoke was applied with white satin design and joined to a tight-fitting basque. From the waist billowed a voluminous skirt, and the long sleeves terminated in points over the back of the hands.

Her shoulder-length veil of illusion fell from a tiara of seed pearls, and she carried a colonial bouquet of pink delight roses centered with a gardenia and showered with bouvardian.

The maid of honor was Miss Billie K. Freeman of Lubbock, who wore a ballerina-length dress of green net and carried a bouquet of Taisman roses.

Misses Nancy Stuart of Dallas and Elizabeth McCain of Plain-

view lighted the candles. They also wore ballerina-length dresses of yellow and green net, with flowers in their hair.

A. J. Hoggins of Lubbock served his brother as best man. Immediately following the ceremony, a reception was held in the home of the bride's parents. The couple was assisted in receiving by their parents and members of the wedding party.

The serving table was decorated with white satin, maiden hair fern and sweetheart roses. The punch bowl was placed at one end of the table and at the other, the three-tiered white wedding cake was centered on a mirror.

For going away, the bride wore a navy suit with white accessories. Her corsage was of white gardenias.

The bride was graduated this spring from Texas Tech with a B.S. degree. The groom attended Texas Tech, and is now employed as a radar technician with the CAA in New Orleans, where they will make their home after a two weeks wedding trip through Mississippi.

Mrs. Hoggins attended Lockney schools previous to moving to Plainview about five years ago. She is the granddaughter of Mr. and Mrs. Leslie Floyd and Mr. and Mrs. Jim Harper as well as great granddaughter of Mrs. J. B. Harper Sr., all of Lockney.

CARD OF THANKS

We are deeply grateful to our friends and acquaintances for the many kindnesses and the words of sympathy extended to us at the death of our loved one. May God bless each of you for your thoughtfulness to us.

Mrs. Berry Hooten

SOCIETY

LaVentana Club Has Closing Program

Mrs. A. H. Sulter and Mrs. Raymond Teeple were co-hostesses to the La Ventana Study Club in the home of Mrs. Teeple at the closing meeting of the club on May 29.

Mrs. W. T. Rankin presided over the meeting at the request of President Mrs. W. H. Johnston. The year's work was reviewed and a complete financial report was given. All projects sponsored by the club during the term of the out-going president were completed. It was reported.

As the last act of her official year as president, Mrs. Johnston reviewed the book "Who Walk Alone" by Perry Burgess. Installation of new officers was under the direction of Mrs. Ernest Tibbetts. This formal service brought to each member as well as the candidates a clear perspective of the duties owed to the club, the community and the nation. Officers installed were Mrs. C. D. Merrick, president; Mrs. A. H. Sulter, first vice-president; Mrs. W. T. Rankin, second vice-president; Mrs. C. H. Huffman, secretary-treasurer; Mrs. Albert King, Parliamentary; Mrs. Ben McGhee, federation counsellor; Mrs. Clyde Baxter, reporter.

For the closing meeting, the hostesses had prepared a table laid with a beautiful embroidered banquet cloth, centered with spring flowers. Arrangements of roses held strategic places throughout the room. Rose decorated cookies, mints, and iced punch were served.

Honored guests were Mrs. Ernest Tibbetts, Mrs. Paul Bryan and Miss Pauline Bryan, all of Plainview.

The LaVentana Study Club originated in April of 1937 and Mrs. Tibbetts came to help complete the organization on April 27 of that year. Fourteen members were present and they chose the second and fourth Tuesdays from September to May inclusive as meeting dates.

The club was admitted to the Federation in October of 1937 with 17 members. The club is entirely rural and has at present 23 members, all active, seven of the present members being char-

ter members of the club. For more than three years, the club members have subscribed 100% to "Texas Club Women."

Thala Foster Weds At Alpine

Miss Thala Foster, daughter of Dr. and Mrs. Dee R. Foster of Alpine, Texas, formerly of Lockney; became the bride of William Duncan Stalls of Manhattan, Kansas, on Friday, June 1. The bridegroom is the son of Mr. and Mrs. L. L. Stalls of White Deer. The candlelight double ring ceremony was read at 7 o'clock in the First Methodist Church of Alpine.

For her wedding the bride chose a gown of white imported Chantilly type lace over satin made with a yoke of sheer illusion outlined with applique of lace in flower design. The full ballerina length skirt was shirred at the waist and made of lace applied to net. The bottom ended in points. Her fingertip veil of silk illusion fell from a bandeau of Chantilly lace. She carried a white lace fan with a white orchid in the center. She was given in marriage by her father.

Attending her sister as matron of honor was Mrs. Neil Schacht of Lubbock. Mrs. C. E. Wendt, of Floydada, sister of the bride was bridesmaid. They wore ballerina length dresses of orchid-organza over taffeta.

James L. Stalls of White Deer, brother of the bridegroom, was best man. Ushers were Neil Schacht of Lubbock, Spencer Kent and Tom Kent.

A reception in the church parlor followed.

The couple is at home in Manhattan, Kansas where he is attending Kansas State college. He will receive his master of science degree in August from the college, where he is also a member of the teaching staff. The bride is a graduate of Texas Tech and has taught in the Marfa schools for the past year. The bridegroom also is a Texas Tech graduate.

Mr. and Mrs. Frank Messimer and children visited her parents, Mr. and Mrs. W. L. McMinn at Silverton Sunday.

Mr. and Mrs. Scott McGhee of Clovis, N. M., were guests of Mrs. McGhee's parents, Mr. and Mrs. T. T. Threet Wednesday of last week.

Providence News

By Mrs. Wilfred Stoerner

Be slow in choosing a friend, slower in changing.

Mr. and Mrs. Ben Quebe had as dinner guests Sunday Mr. and Mrs. Hubert Stoerner of Plainview.

Mr. and Mrs. R. A. Gilbreath and family of Hobbs, N. M., were week end guests of Mr. and Mrs. Joe Zimmermann. Bobbie Gilbreath and Dickie Gilbreath will spend the summer months with their aunt, Mrs. Zimmermann.

Mr. and Mrs. Walter Boedeker visited in the home of Mr. and Mrs. Joe Zimmermann Sunday. Mr. and Mrs. Jack Faver and daughter, Mr. and Mrs. Marvin Scheele, Miss Marie Scheele attended the wedding of Mr. Scheele niece, daughter of Mr. Alton Scheele of McGregor, Texas at McGregor Sunday.

Mr. and Mrs. L. B. Brandes and daughter, Debra attended the wedding of Miss Barbara Ann Nance, sister of Mrs. Brandes Sunday.

Mr. and Mrs. Wilfred Stoerner visited Mr. and Mrs. Hubert Stoerner Tuesday night.

Mr. and Mrs. Klyce Ooley and family visited Mr. and Mrs. L. B. Brandes Sunday night.

Guests in the home of Mr. and Mrs. Charlie Boedeker Sunday night were Mr. and Mrs. B. F. Sammann Jr., Mr. and Mrs. Richard Matthews and family, Mr. and Mrs. Ewald Quebe.

Rev. and Mrs. H. L. Anderson and son, Mr. and Mrs. Albert

Scheele motored to Tulla to seek information concerning place for Bible Camp as the Floydada Camp will not be used by us. They also attended the Lubbock Choral union choir practice at Lamesa.

Luther League Ladies Entertain Men

Ladies of the Luther League of Trinity Lutheran Church had a picnic lunch at Plainview Park Monday. Afterward they enjoyed an evening of skating at Plainview Roller Rink. Those enjoying the picnic and skating were: Misses Wanda Lindeman, Ruth Boedeker, Carolyn Sammann, Valera Sammann, Marie Scheele, Mrs. Marvin Scheele, Miss Roselee Matthews, Mr. Merlitt Whitfield, Mr. Ervie Boedeker, Mr. Donald Kelm, Mr. Arnold Dietrich, Mr. Billy Hill, Mr. and Mrs. Sutterfield, Mr. and Mrs. Jack Faver, Mr. and Mrs. Virgil Brasher, Mr. and Mrs. Jimmie Wardlow, Mr. and Mrs. Albert Lindeman and daughter, Rev. and Mrs. H. L. Anderson and son, Mr. and Mrs. L. B. Brandes and daughter, Mrs. Albert Scheele and children.

Candle Light Circle Meets

The Candle Light Circle of Trinity Lutheran Church met Sunday, June 3 in the educational unit of the church. Mrs. Leo Boedeker was hostess and program chairman. Meeting opened with theme song of circle "Come into My Heart."

Mrs. Richard Matthews, president, had scripture reading and prayer. A playlet titled "Combining Business with Pleasure," included the following members: Mrs. R. C. Matthews, Mrs. Ted Boedeker, Mrs. Ben Quebe, Mrs. Albert Kelm, Mrs. Wilfred Stoerner. The playlet illustrated how through our summer travels we can learn much of our church and its work. The mission congregations are largely supported by the purchase of Life Membership pins and memorials.

Mrs. Richard Matthews, president, opened business meeting. Treasurer reported Mothers Day offering for India Womens Missionary Work was \$33.00. Mrs. Ted Boedeker, Life Membership Chairman, reported Mrs. Ben Quebe was presented with a Life Membership pin by her children on mothers day.

Mrs. Ben Quebe, Christian Service Chairman, reported. A motion was made and second we help Luther League purchase a nice Bible as a graduation gift to Lee Roy Brandes.

Mrs. Matthews read a letter from Mrs. E. W. Steinbring, president of Texas District of Womens Missionary Federation, informing us our Texas W. M. F. will be held June 27-28 at St. Martins Lutheran Church. Theme of convention will be "Advancing With Him." Meeting closed with Lords Prayer.

Delicious refreshments were served to the following: Mr. and Mrs. Ben Quebe, Mr. and Mrs. Leo Boedeker, Mr. and Mrs. Ted Boedeker, Mr. and Mrs. Albert Kelm, Mrs. K. Sammann, Mr. and Mrs. Otto Schrieber, Mr. and Mrs. R. C. Matthews, Mr. and

Krupp Granted Clemency

Mrs. Richard Matthews, president, opened business meeting. Treasurer reported Mothers Day offering for India Womens Missionary Work was \$33.00. Mrs. Ted Boedeker, Life Membership Chairman, reported Mrs. Ben Quebe was presented with a Life Membership pin by her children on mothers day.

Mrs. Ben Quebe, Christian Service Chairman, reported. A motion was made and second we help Luther League purchase a nice Bible as a graduation gift to Lee Roy Brandes.

Mrs. Matthews read a letter from Mrs. E. W. Steinbring, president of Texas District of Womens Missionary Federation, informing us our Texas W. M. F. will be held June 27-28 at St. Martins Lutheran Church. Theme of convention will be "Advancing With Him." Meeting closed with Lords Prayer.

Delicious refreshments were served to the following: Mr. and Mrs. Ben Quebe, Mr. and Mrs. Leo Boedeker, Mr. and Mrs. Ted Boedeker, Mr. and Mrs. Albert Kelm, Mrs. K. Sammann, Mr. and Mrs. Otto Schrieber, Mr. and Mrs. R. C. Matthews, Mr. and

Mrs. Hubert Stoerner, Mr. and Mrs. Adolph Shaffner, Mrs. Wilfred Stoerner, Mrs. William Murphy, Miss Ruth Boedeker, Miss Roselee Matthews.

FirePower
ACCEPT NO SUBSTITUTES...

...because there aren't any!

Chrysler's new FirePower engine has rocked the automobile business right down to its roots.

Quietly, behind all the laboratory talk of "engines of tomorrow" . . . Chrysler has built a revolutionary engine for you to drive today!

It can give you 180 horsepower, to surpass any other engine in any other car. It develops its power in its own new kind of way!

But you don't have to "baby" it . . . or give it fancy quality gasoline to get that 180 horsepower performance!

FirePower takes any regular grade gasoline you care to buy . . . and adds its own new "mechanical octanes" to the power-giving octanes of the gasoline itself.

The result is something new and startling in responsiveness . . . and in safety, too. You get quicker and smoother control of when and how you move than you have ever felt before.

It's the engine of tomorrow . . . on the road for you today . . . and your Chrysler dealer invites you now to try it, in the all-around most astonishing new car you ever drove!

180 HORSEPOWER

Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

Chrysler FirePower Finest engine ever put in an automobile

Vacation Code Given Parents

Austin. — A vacation formula to carry on into the fall months of the joys from summer play was offered Texas parents this week.

The designer was Mrs. R. O. Pearson of Abilene, director of state women's activities for the National Foundation for Infantile Paralysis.

In a bulletin to NFIP Chapters, Mrs. Pearson admonished parents to convert between-school relaxation into "a vehicle for future strength" by supervising youngsters' activities during the hot weather.

She cautioned that childish enthusiasm oftentimes prompts excessive play and extreme fatigue, thereby inviting polio to strike.

"Many families find themselves compromised after school

lets out for the summer," said Mrs. Pearson. "They have become accustomed to depending on the schools as the major factor in supervision.

"By now accepting their full responsibility and by realizing their obligations extended beyond feeding, clothing and housing their children, parents may help extend the gaiety of summer into the fall. Above all they will have helped prevent the vacation period from proving detrimental.

"This is simple logic because polio is more prevalent during the summer months. The record Texas incidence during the last three summers should stimulate interest in these safeguards."

Horace Jones of Amarillo visited his parents, Mr. and Mrs. E. P. Jones Sunday after accompanying Mrs. Jones to Houston where she will attend a Florist School.

TO AMARILLO
Miss Mary Jones, recent Lockney High graduate, daughter of Mr. and Mrs. E. P. Jones has accepted a position as bookkeeper with a jewelry store in Amarillo. She began her work this week.

TO BAYLOR
Mr. and Mrs. Sid Thomas accompanied their son, Sid B. Jr., to Waco Sunday where he will enroll in Baylor University for the summer term. Baylor is also the Alma Mater of his parents and sister, Mrs. Mark Fairman, now of Kermit.

Mr. and Mrs. John Chandler and family visited in Ruidoso, New Mexico several days this week with Mrs. Chandler's parents and other relatives.

Once upon a time man looked forward to tomorrow, instead of fearing it.

South Plains

by Mrs. Murray Julian

We have experienced every kind of weather change the last few days, everything but snow, and it has gotten cold enough for that. Dust storms, hot winds, heat, then cold and foggy and misty conditions. The farmers are grateful that the hard rains that fell in different localities didn't come to our section of the country. Most of the cotton is up by now, and other grains are going into the ground.

Mrs. J. A. Guest, Mr. and Mrs. Grady Dickson, daughters Jo Anne and Jane, from Brownfield and Mr. and Mrs. L. R. Guest and daughter of Hermleigh were Sunday visitors in church, and were guests for dinner and the afternoon at the home of Rev. R. C. Guest and Mrs. Guest.

Mrs. Horace Marble is ill with a foot infection at her home. The infection was caused by an insect bite, and the doctor urged her to be very careful to not use her foot any more than necessary. June Marble is also ill. We hope they both are well soon.

Mrs. Ruth Burnett and daughter, Sharon, are visiting at present at the home of Mrs. Sula Julian in Lockney. They are here from San Antonio.

Mr. and Mrs. Lester Hudson, and Mr. and Mrs. Alfred Allston all from Amarillo, came down last Sunday to spend the day with Mr. and Mrs. I. H. Parks and sons, Jay Frank and Eddie.

Mrs. George Weast went to Amarillo last Tuesday and spent the day with her daughter, Mrs. E. T. Evans and family. She brought her grandchildren, Sharon and Gary Lee back with her on Wednesday to spend the rest of the week with her and Mr. Weast. On Saturday evening, Mr. and Mrs. E. T. Evans and Mr. and Mrs. Robt. Smith and children came and spent Saturday night and Sunday with the Weasts. The Evans took their children home with them for they wanted them to attend the two weeks Vacation Bible school being held in Amarillo this coming week.

Mr. and Mrs. Frank Vanek, Patsy, Maxine and Allen were Sunday night visitors at the home of Mr. and Mrs. Gene Edmonds.

Darlene Fortenberry from Cedar Hill community came Tuesday and spent the week with Mr. and Mrs. Fred Fortenberry until Saturday afternoon when she returned to her home. Mrs. Fortenberry has been ill, and Darlene helped in the home so very much while Mrs. Fortenberry was unable to be up.

The Crochet Club of South Plains met at the home of P. M. Smitherman on Wednesday, May 30, with Mrs. P. M. Smitherman a gracious hostess to the small gathering. The afternoon was spent pleasantly in sewing, and a lovely refreshment plate was served to the following guests: Mmes. Will Sims, Lee Pearson, Truman Bradshaw, and Early Pritchett. The last week's meeting was held at the home of Mrs. E. P. Pritchett, an error was made in this column last week, and we are glad to rectify it.

Mr. and Mrs. H. S. Calahan Sr. and Mr. and Mrs. Jack Calahan and son, Jackie Don, were at Sunday School and church on Sunday at South Plains, and from there they all went to the home of their son, Junior Calahan and family to spend the afternoon and to enjoy Sunday dinner with Mr. and Mrs. H. S. Calahan Jr. and two small daughters. Mr. and Mrs. Shelby Calahan, Beth, Johnny and Jerry were also guests at the Calahan home.

The W. M. S. met Monday, June 4 at 3 p. m. for an hour of Bible study. The group met at the church, and studied the 14th and 15th Chapters of Acts during this period. Mrs. A. T. Engbreton was a guest of the W. M. S. at their meeting. She is visiting the Murray Julian family. Mrs. R. C. Guest had charge of the meeting.

Mr. and Mrs. Will Sims and Mr. and Mrs. John Smitherman went to Crosbyton Sunday, June 3 to attend the funeral services for Mrs. Lenton Lanham's father, "Uncle Bob" Huckabee. The services were held at five o'clock at the Church of Christ in Crosbyton. We offer sympathy to Mrs. Lanham and her family in their hour of sorrow.

Mr. and Mrs. Gene Edmonds, Sue, Diana and Benny went to Amarillo on Saturday and spent Saturday and Sunday with Mrs. Edmond's sister, Mrs. Floyd Golden and family.

Mr. and Mrs. Revis Harris went to Shannon, Texas, on Sunday to get small Linda Gail, who has been visiting Clara Copeland for the past week at her home in Shannon. They returned Sunday night.

Mrs. Rex Smitherman has been ill the past week with a bad cold. We hope she is better at this time.

Mr. and Mrs. Jerry Pearsey spent Thursday and Friday with Mrs. Pearsey's parents, Mr. and Mrs. Leo Brown and family.

Mystery Calls

HUNTINGTON PARK, CALIF. — Twenty "soft voiced" callers have telephoned Mrs. Ernestine McRoberts, 29, (shown with babies) saying that her husband, M. Sgt. James D. McRoberts, 25, is a prisoner of the Korean Reds. He has been missing in action since December 8. These people assure Mrs. McRoberts that her husband is being treated "royally" and she should sign petitions to end the "aggression" in Korea. Children are James D. Jr., 3 months, and Kathleen Anne, 15 months.

Mrs. Ida Mae Willis left for California last Thursday. Mr. Menard Field accompanied Mrs. Willis part of the way on her trip. On Friday Mrs. Willis met Harvey Pearsey and they were married and they are now settled in their new home at Norwalk, Calif. All of us send heartfelt congratulations to Mr. and Mrs. Pearsey and wish them much happiness in their home together.

Mr. and Mrs. Garland Tucker from the Cedar Hill community came to the home of Mr. and

Mrs. Fred Fortenberry on Sunday and enjoyed Sunday dinner and an afternoon of visiting together. Mr. and Mrs. George Weast were guests at the home of Mr. and Mrs. Robert Powell of Aiken on Sunday. The Powells were former residents of South Plains. In the afternoon Mrs. Powell served ice cream and cake to the guests, in honor of her son's birthday, which they all helped celebrate.

Bill Staniforth Jr. went to Amarillo on Sunday where he participated in the golf tournament which was being played there.

Mr. and Mrs. Eulan Bradshaw and small son returned to South Plains last Thursday with their house trailer and furnishings which they had used while they were at Tucson, Arizona the last few months at the aircraft plant. They will be at the home of Mr. Bradshaw's parents, Mr. and Mrs. Truman Bradshaw.

Mrs. W. T. Simpson and her daughter-in-law, Mrs. J. C. Simpson and her daughter, Judy, were all day Friday guests at the home of Mrs. George Weast. Mrs. W. T. Simpson used to be a close neighbor to Mrs. Weast, and has since moved to Perrance, Calif. She is now visiting her son and family in Plainview. The Daily Vacation Bible school is now in progress at South Plains Church with 29 pupils enrolled. Those who are teaching or are helping in some way are Mmes. Grigsby Milton Jr., Dock Jones, Bryant Higginbotham, Gilbert Bean, Dick Guest, Arby Mulder, Sterling Cummings, L. T. Woods, John Wilson, Rev. Guest and Mrs. Guest.

Poison Is Effective

Station. — The Cook agricultural agent's office has been trying unsuccessfully to get out of the rat poison since January. The rats keep demanding the rat bait, which County B. T. Hawks started distributing last November. There has been no stopping place. Hawks says there has been less of this rat poison than other with which he has dealt. Cooke County farmers purchased 4,700 pounds of rat poison and are still buying it. A dairyman of the county, in Cooke County, reports that he has killed many rats on a stick—after they are nearly dead from eating it. Although some of the rats turn to their burrows to hide, he says he has found dead ones out in the

open. After using warfarin for a few days, some farmers thought they were not getting results, but later, reported they were. They could tell from the scent in the barns. And they found that no more holes were being eaten in their feed sacks.

While moving hay stored on his farm, Adam Wolf of Gainesville found a surprisingly large number of dead rats. He also picked up from 10 to 20 dead rats outside the barn on several different occasions. Hawks estimates that thousands of dollars have been saved by Cooke County farmers as a result of the rat program.

CARD OF THANKS

Words cannot express our gratitude and appreciation to each and all of you who were so kind and thoughtful in sending the beautiful flowers and food during our recent bereavement. May God bless each of you.

The Joe Rogers Family.

The expanded soil testing service of the A. & M. College can handle and analyze up to 100 soil samples per day. The charge for the analysis is small but the recommendations from the laboratory may save farmers, ranchers or gardeners and others much expensive fertilizer. Low yields are not always caused by low soil fertility.

Maybe two CAN live as cheaply as one—but not as quietly.

July 25 Cut-Off Date for Veterans To Start Training

1. When is the cut-off date? The G. I. Bill states that a Veteran's Course of Education or training "shall be initiated not later than four years after either the date of his Discharge or the termination of the present War, whichever is the later." Termination of the War, for GI Bill purposes, was fixed as July 25, 1947, by Public Law 239, 80th Congress.

Therefore: (1) Veterans Discharged ON OR BEFORE July 25, 1947 (and this includes most World War II Veterans) must begin GI Bill Training by July 15, 1951.

(2) Veterans discharged after July 25, 1947, must start WITHIN FOUR YEARS AFTER THE DATE OF THEIR DISCHARGE. (3) Veterans who enlisted or reenlisted under the Voluntary Recruitment Act (between October 6, 1945 and October 5, 1946) may count the entire period of their enlistment or reenlistment as War Service for GI Bill purposes. They must start training within four years from the end of their enlistment or reenlistment period.

2. Is there a cut off date for public law 16 trainees?

There is no cut-off date for starting courses under Public Law 16, the Vocational Rehabilitation Act for Disabled Veterans. Disabled Veterans may begin Public Law 16 training at any time after discharge, but in time to complete it by the wind-up of the Program. The wind-up for World War II Veterans is July 25, 1956.

For Veterans disabled after fighting started in Korea, the termination is Nine Years from the end of the Current Emergency, a date not yet established.

A Veterans who has started his course in time, and who has continued in it, will be considered to be in training even though he has temporarily interrupted the course for the Summer vacation or for other reasons beyond his control. Example: A Veteran enrolled in the Fall of 1950 for a 2-year GI Bill Business Course. His first school year ends in June, 1951, at which time Summer vacation begins. The July 25 Cut-off date comes during

GOOD HEALTH

Answer to Question No. 1:

1. Neglect is the greatest enemy of health in old age. People usually fail to go to a doctor until an emergency arises. In old age that is often too late. Studies of the average diets of elderly people show that in general the group is badly nourished. Lack of teeth, and real or imagined digestive disturbances, cause many elderly men and women to resort to diets high in sugar, starch and fats. They should eat foods rich in proteins and vitamins.

Answer to Question No. 2:

2. If the temperature is above freezing and the wind is not too cold, a baby should be outdoors two or three hours a day. The middle of the day is the best

time in colder weather. Your doctor will advise what is best for your baby.

Answer to Question No. 3:

3. He does it to listen for "the muffled sound of a drum covered with a thick woolen cloth," which indicates a healthy chest. This discovery was made by Dr. Leopold Auenbrugger of Vienna in the middle of the 18th century. It was the beginning of scientific diagnosis of diseases of the chest. Today, aided by X-ray and other modern techniques, diagnoses can be confirmed and many more cures effected. But the thumping method is still useful in looking for trouble.

(Copyright 1951 by Health Information Foundation)

World War II Veterans with disabilities incurred in or aggravated by service between September 16, 1940, and July 25, 1947, have until July 25, 1956, to complete Public Law 16 Training.

Veterans disabled while on active duty ON OR AFTER JULY 27, 1950 have Nine Years from the end of the Current Emergency in which to finish training under Public Law 16. (In other words, this clause covers Dis-

abled Veterans of the KOREAN CAMPAIGN.)

To be eligible for the Training, Veterans in the KOREAN CAMPAIGN must have disabilities resulting from conditions under which Veterans Administration pays compensation at full War-time rates.

Cerebral Palsy Center At Amarillo Open

The Amarillo Cerebral Palsy Treatment Center will hold open house on Sunday afternoon observing its second anniversary. The Center is located at 2108 Taylor in Amarillo.

In two years 165 children have been referred to the Amarillo Center by Panhandle doctors. These have come from 46 towns in Texas, Oklahoma and New Mexico and including Lockney.

The Center is staffed by an occupational therapist and a speech therapist, operating under a medical staff of eight doctors and dentists. Treatment is available free of charge to any child with cerebral palsy, upon recommendation of a doctor.

The open house will be from 3 to 5 p. m. Sunday and people of this area are invited to attend.

McLee Brewer, local instructor in the Veterans Vocational Agricultural school went to Huntsville this week where he enrolled at Sam Houston State Teachers College for his thesis. He will receive his MS degree at the close of the summer session.

Glen Rhine of Canyon spent the week end with his parents, Mr. and Mrs. L. G. Rhine of Providence.

Bobbie Livingston returned home from Gallup, N. M., this week.

Grow Fish By The Acre Recommend

College Station—Farmers can grow fish by the acre of water just as they grow beef by the acre on grassland. This is the opinion of R. E. Callender, extension specialist in wildlife conservation of Texas A. & M. College.

According to Callender, from 300 to 500 pounds of fish to the acre have been produced annually in well-managed fish ponds and he adds, many of the more than 100,000 farm and ranch ponds in Texas, which are maintained primarily for stock water, are suitable for growing fish.

Callender points out that an acre of water has a "carrying capacity," just as an acre of grazing land does. The amount of food produced in the water will depend upon the fertility of the land over which the water flows. Fertile land means a fertile pond of water.

Here are Callender's recommendations for fertilizing fish ponds.

As first choice, he suggests using a mixture of 400 pounds of cottonseed or soybean meal and 200 pounds of 20 percent superphosphate to the surface acre of water for one year. Broadcast half of this amount over the pond early in the spring and apply the rest in 100-pound applications at four or six week intervals.

Callender's second choice is 500 to 600 pounds of any high grade fertilizer such as 4-12-4 or 5-10-5. Apply half of this early in the spring and follow with 100-pound applications at three or four week intervals until the amount for the year is broadcast in the pond.

Horse and cow manure also may be used as fishpond fertilizer. Apply 500 pounds to the acre at monthly applications, using two to three tons a season.

Weather-damaged alfalfa hay also makes a good fishpond fertilizer when applied at the rate of 500 pounds to the acre at monthly intervals.

Callender warns that the fertilization program should be completed before extremely hot

weather arrives. A heavy application of fertilizer late in the season may cause the fish to suffocate.

Mrs. Roy Smith and children, Roy Jr. and Gaylene are here visiting her mother, Mrs. S. A. Thornton and Mr. Thornton.

Mrs. Ella Marr returned last Friday from Childress where she had visited relatives for several days.

Mr. and Mrs. J. J. Nelson and daughters, Barbara and Treasure of Corpus Christi visited Mrs. Nelson's parents, Mr. and Mrs. Leslie Floyd of Lockney, and attended the wedding of Carolyn Harper at Plainview the past week end.

Mr. and Mrs. Edwin Johnson and sons are moving this week to Amarillo where he will be engaged in construction work.

Mrs. Ruth Barnett of San Antonio came Tuesday to visit her mother, Mrs. Sula Julian who is seriously ill.

Mr. and Mrs. Ray Ford, Kenneth and Betty Jo of Fort Worth are visiting this week in the home of R. E. Marr and Clarence McCoy. Mrs. Ford is a sister of Mrs. Marr and Mrs. McCoy.

Week end guests in the J. P. Truett home were Mr. and Mrs. Pierce Truett of Idalou and Mr. and Mrs. J. K. Fulkerson of Lubbock.
