Longhorns Play First District Game With Kress

The Lockney Longhorns will play their first district game Friday night of this week when they travel to Kress to play the Kress Kangaroos. The Longhorns will be favored to win the tilt but it is not expected to be a push-over for the locals.

Kress has lost to Happy 27-0 and to Silverton 21-0 and tied Boys Ranch 7-7. However this will be their first district game also and they are expected to be at their best against the Longhorns.

The Longhorns will probably be in the best condition they have been in since the season started. Bobby Baxter, veteran right tackle for the Longhorns, may get back into the line up this week for the first time since the locals scrimmaged Happy in early September.

Coach Kelly will probably start his regular offensive first string with the possible exception of Baxter.

A large group of Lockney fans will probably go to Kress to see the first district game and cheer the Longhorns on to victory.

City Court To Be Set Up Here

The City Council has passed an order creating a city court for the City of Lockney. It was revealed this week. C. C. Hackney has been named city judge and his office will be in the same building with City Secretary Faye Messer. Mr. Hackney will be on salary and all fines collected will go into the city treasury.

The court will go into action around the middle of October, officials said. Supplies are being gathered and preparations being made now.

Setting up the city court is the first step in a new move to enforce traffic laws more strictly within the city, officials said. Plans call for stopping the practice of double parking on Main Street. This practice has created a dangerous condition on Main Street especially on Saturday night, it was explained, and motorists will first be warned and then fined if the practice continues.

Other infractions of city ordinances including some speeding on South Main Street and around the high school building and the practice of parallel parking on the left side of the street on streets where parallel parking is required. Enforcement officers are instructed to check motorists closely along these lines and enforce the law, it was said.

Plains To Show Preview Saturday

The Plains Theatre of Lockney will show a late preview Saturday night starting at 10:45 according to announcement this week by Brad Seale, manager. The picture will be "House of Frankenstein" starring Boris Karloff and Lon Chaney plus a 2-reel comedy starring Laurel and Hardy.

The picture will be shown at the preview only with a different program for the early show Saturday and still another picture for the Sunday-Monday program.

Mrs. A. J. Mabry Comes Home

Mrs. A. J. Mabry, who underwent a serious operation at a Lubbock hospital last week, was brought home Tuesday and is feeling fine, friends report. Her son, Paul Muse of San Diego, Calif. is here visiting her.

Stamps Ozark Quartet Here Monday Night

The Stamps Ozark Quartet from Radio Station KWFT, Wichita Falls, will appear in person at the City Auditorium in Lockney next Monday night, October 8 in a concert of gospel and secular songs.

Sponsoring the appearance of the quartet here will be the Lockney Boy Scout troops. Admission of 50 cents and 25 cents will be charged.

The Ozark Quartet is widely acclaimed for their beautiful renditions of gospel songs over the Wichita Falls station and the public is assured of good clean entertainment when they attend this concert.

Cotton Hands Needed Badly

Cotton farmers in this part of the county are needing harvest hands badly, local ginners report, and hands are not coming in very fast at present. Quite a number of farmers are out looking for hands and the cotton is opening fast due to the hot, dry weather of the past few days.

A total of 646 bales have been ginned at the three Lockney gins to date and the pace is increasing each day.

Harvest hands are reported to be thick at Lubbock and in that area. Ginners say that if hands are available they will be running full time within another week.

Mrs. Lena Jay Dies At Sherman Sunday

Mrs. Lena Jay, an early day resident of Lockney, died at her home in Sherman Sunday morning at 8 o'clock, friends here have been advised. She was the wife of Lewis Jay and the family lived here during the early twenties.

Funeral services were held at Sherman Monday afternoon and Mr. and Mrs. Claude Wofford attended those services.

A. V. Ridgeway Dies At Mobeetie

A. V. Ridgeway, a resident of Lockney and the Providence community for a number of years, died of a heart attack at his home in Mobeetie Friday of last week.

Funeral services were held at the Mobeetie Methodist Church Sunday afternoon conducted by Rev. A. D. Moore, pastor, assisted by Rev. O. C. Evans of Morse. Burial was in the Wheeler cemetery with his nephews as pallbearers.

Mr. Ridgeway was 68 years of age. He was born in Ashflat, Arkansas and moved to Mobeetie in 1922. In 1936 he moved to the Providence community where he farmed until four years ago when he sold his farm and bought the McColium place in Lockney where he moved. He lived here about two years before moving to Mobeetie.

Survivors include his wife, Mrs. Vada Ridgeway, Mobeetie; his mother, Mrs. Lou Cosby, Rotan; a sister, two brothers, two half-brothers and two half-sisters.

Gene Collis Wins Second In Wheat King Contest

Gene Collis of Lockney won second place in the "Wheat King" contest held at the Tri-State Fair at Amarillo last week. Gene is a 1951 graduate of Lockney High School and has always been active in the agricultural program of the school.

Gene will be awarded a \$25 cash prize and an expense paid trip to Enid, Okla., to visit a terminal elevator. F. L. Montandon, local agriculture instructor in the high school, will also receive an expense paid trip to the terminal.

County Votes In Water District

Amid confusion and conflicting reports Floyd County people went to the polls last Saturday and voted to go into the proposed High Plains Water Conservation District. Both Floydada and Lockney gave the proposal a majority vote but voted against the tax and the status of the two towns in respect to the district is not clear.

The rural vote stood 53 for confirmation of the district and 67 against in the Lockney ballot box and at Floydada the rural vote was 84 for and 23 against, the totaling giving the confirmation a majority of 137 for and 90 against in the county rural vote. This means, according to the best information The Beacon can obtain, that the portion of Floyd County originally designated in the district will stay in. The rural vote for the levy of the maintenance tax was 79 for and 34 against at Floydada. The Lockney vote was unavailable to The Beacon but was believed to be very near the confirmation vote.

In the Lockney city vote the tally showed 22 votes for the district and 14 against. However Presiding Judge W. B. Sandefer said that the city had voted against the levy of the tax although he did not have the exact vote available.

At Floydada the city vote was 31 for and 23 against the confirmation of the district while for the levy of the tax was 26 for and 32 against. Thus the two Floyd County towns are in the same position of having voted for the district and against the tax.

Press reports say that ten counties will be included in the district, they being Lubbock, Lamb, Deaf Smith, Potter, Hockley, Lynn, Floyd, Castro, Farmer, and Bailey. Hale County, one of the first proponents of the district voted against the district after a move was organized there to defeat it. Other counties voting against it were Swisher, Garza, Dickens, Crosby, Cochran, Biscobe, Oldham, Randall and Terry.

Petersburg and Abernathy, both in Hale County, voted into the district in spite of the fact that their county turned it down.

Tom Bostic received a majority of votes for director of Precinct No. 5 which includes both Hale and Floyd counties, but since his county is not in the district it is probable that he is not qualified to serve and he will be replaced.

The directors of the district are scheduled to meet Friday of this week at which time perhaps confusion regarding the district may be cleared up.

Sid Thomas Builds Cotton Picker-Upper

Sid Thomas, local farmer and inventor, is now working on a machine that could easily prove to be a boon to farmers of this area in harvesting of cotton. The machine is designed to pick cotton up off the ground. Cotton strippers are usually inclined to waste some cotton, leaving it scattered on the ground. This machine, if it works as it looks like it should, will salvage that cotton.

The machine is being built at the Henderson & Tommie blacksmith shop here. Metal drums are set upon a frame work and regular burr extractor saws are hinged at one end on the drums. As the drums roll the saws fall to the ground, are dragged along to pick up the cotton, then as the drum completes its revolution the saw falls back against the drum. At the top of the revolution, brushes revolve to brush the cotton off the saws into an auger pit where it is carried into the trailer. Other round brushes are mounted in front of the drums to brush the cotton away from the stalk row and into the middle where the saws may pick it up.

The machine is a 2-row capacity. Mr. Thomas has a patent pending on it, he said this week.

Special Election Called By Council

A special election has been ordered by the City Council for the purpose of electing a mayor. The election is set for October 16th.

The mayor's office became vacant recently when D. E. Cox resigned and moved to Happy.

Names of candidates for the office may be filed with the City Secretary, Mrs. Faye Messer. Voting will be at the city office. Election officials are Mrs. Henry Hodel, judge, Mrs. E. L. Woodburn and E. C. Durham, clerks.

Second Vote On Consolidation Is Set For Saturday

The second vote on the matter of consolidation of the Lone Star school district and the Lockney school district will be held Saturday of this week. The consolidation movement lost in a tie vote on Sept. 1st and petitions were circulated again soon afterward asking for a second vote on the matter.

Election officials appointed by Judge Frank L. Moore are G. B. Johnston, presiding judge; Mrs. Floyd Jackson and Mrs. W. H. Wingo, clerks at Lone Star and Frank Dodson, presiding judge, T. B. Mitchell and Mrs. Frank Dodson, clerks at Lockney.

Voting will be at the Lone Star school and at the Lockney High school with the polls opening at 8 a. m. and closing at 7 p. m.

Nursing Classes To Be Taught

Two classes in Red Cross Home Nursing will be taught in the county this month beginning Monday, October 8. The classes will be taught by Mrs. Roy Wilkes who attended a Red Cross Home Nursing Course at Lubbock and has her certificate to teach. Mrs. Wilkes was sponsored by the Home Demonstration Clubs of Floyd County and by the local Red Cross chapter.

Classes will be taught at Floydada and Lockney. The first class will be in Floydada Monday, October 8, in the County Court House and will begin at 2:00 p. m. Lockney will have its first class Wednesday at the City Auditorium and will also start at 2:00 p. m. Classes will be held each Monday and Thursday in Floydada and each Wednesday and Friday in Lockney.

According to the Red Cross regulations there may only ten students in each class who will participate in the demonstrations, but others may audit the course. So far, students have been selected from Home Demonstration Clubs on the basis of enrollment. Those auditing the course, or spectators, are expected to attend all classes just as the students will. By studying the text book and practicing at home the spectators will receive as much information as the regularly scheduled students. Spectators will be taken care of as long as seating space permits, according to Mrs. John Hoffman, Civil Defense Chairman. The only cost of the course will be 60 cents for a text book.

Home Demonstration Clubs have been scheduled to meet at the place nearest them. The following schedule has been worked out:

Floydada (meeting Mondays and Thursdays): Dougherty, Friendship, Homebuilders, Center, Lakeview, Starkey, Sunny, side, Fairview.

Lockney (meeting Wednesdays and Fridays): Lockney, Providence, Lone Star, South Plains, Sand Hill, Harmony, Sterley, Pleasant Valley.

J. R. Thompson and family of Hobbs, New Mexico spent the week end in the home of his mother, Mrs. W. E. Eiland.

Rev. Moisenbocker To Preach At Aiken

Rev. Joe Moisenbocker, pastor of the First Baptist Church of Idalou, who recently returned from the Holy Land, will be the pulpit guest of the First Baptist Church of Aiken, Sunday, Oct. 7. In the morning service he will tell of his trip to the Holy Land and in the evening service he will show films of his trip to the Holy Land. The evening service will begin at 8 p. m. The public is invited to attend.

Grover C. Fairey Buried At Odessa

Funeral services for Grover C. Fairey were conducted at the First Methodist Church in Odessa Wednesday, Sept. 26 at 4:30 and interment was made in the Odessa cemetery. Mr. Fairey passed away on Tuesday at a Lubbock hospital.

Mr. Fairey a former resident of Lockney, had been in ill health for several years and was receiving treatment at the Lubbock Hospital for leukemia at the time of his death, relatives here said. His wife and all his children were at his bedside when he passed away.

Mr. Fairey came to the plains in 1906 and that year was married to Miss Lou Casey of Lockney. The couple made their home here until 1920. Mr. Fairey was a contractor and laid many of the sidewalks in Lockney that still are in use. Leaving here the family moved to Amarillo and in 1940 moved to Odessa where he lived until his death. He was the contractor on a beautiful new Methodist Church just completed at Odessa.

Survivors include his wife, five children, 10 grandchildren, nine brothers and sisters. His children are Aubrey and Pat of Artesia, N. M., Audene of Austin, Mrs. Glenna Lou Kauffman of Wichita Falls and Mrs. Clemma Ruth Alexander of Odessa.

Relatives attending the funeral services from this area included Mrs. W. J. Casey, Mr. and Mrs. Perry E. Casey, Mr. and Mrs. Hilburn Casey and Donice, Mrs. W. L. Thomas Sr., Mr. and Mrs. C. H. Rose, Mr. and Mrs. Delburn Rose and boys, Mr. and Mrs. Charles L. Record, Miss Lovilla Cox, Mrs. Alvin Nichols, all of Lockney; Mr. and Mrs. Ernest Lee Thomas of Floydada, Mr. and Mrs. A. S. Grubbs of Kress and Mrs. Linnie Hammett of Amarillo.

TWO CHILDREN HIT BY POLIO

For the first time in two years, Lockney is having a polio scare. Two students of Lockney elementary school are in the polio ward of the Plainview Hospital, their illness diagnosed as polio, and city and school officials are busy about the matter of cleaning up any possible breeding places for flies and mosquitoes.

In the polio ward are Charlotte Ann Brown, 6 year old daughter of Mr. and Mrs. Herbert R. Brown of Lockney, and James Carroll McClure, 9 year old son of Mr. and Mrs. T. V. McClure of Lone Star. Neither are in a serious condition and relatives report that they apparently have passed the most dangerous stage.

Charlotte Ann was admitted last Thursday morning and James Carroll admitted Thursday afternoon. Physicians first diagnosed Charlotte's illness as meningitis but later decided she had polio. She has some weakness in her left arm but the weakness has not grown worse in the past few days and relatives are hopeful that she will start improving.

James has suffered no paralysis at all so far, it was reported and relatives are expecting that he will be allowed to come home soon.

Floydada Girl Stricken

A Floydada girl, Ginger Tinnin, is also in the polio ward having been admitted Sept. 15. She is suffering considerable paralysis, it was reported here, and relatives are anxious about her condition. She is 14 years of age and was a pep squad leader in Floydada High School. Her parents are Mr. and Mrs. John R. Tinnin of near Daugherty.

City Sprayed

Meanwhile city, school and health officials were busy about the matter of sanitation, seeking to clean up every possible breeding place for flies and taking other precautions against spread of the disease.

The City Council hired the fogging machine from Plainview last Friday night and thoroughly fogged the entire city with insecticide. Joe Holt, chairman of the city health committee, is urging that all residents keep wet garbage covered and that all burnable trash be burned.

At the schools, officials are following the suggestions of City Health Officer Dr. K. O. Crum in eliminating every possible means of infection of the disease. The entire school buildings are being sprayed twice each day with insecticide and the rest rooms cleaned thoroughly and kept clean, officials said.

School officials are also trying to eliminate the eating of candy and soft drinks between meals as another means of combating the contraction of the disease.

Carl L. Wood of Eden, Texas, Government Warehouse Inspector, spent Wednesday and Wednesday night in the home of his sister, Mrs. I. A. Applewhite.

Methodist Notes

Our Church is taking a friendly religious census, for every community has many unchurched people in its territory. Only 54% of the adults in this country have any church connections. There are 25,000,000 children and young people growing up in America with no religious instructions whatever. Surely, we as Christians, had better wake up and be about the Master's business or what is going to happen in the great land of ours?

Our church is growing, the attendance and interest is fine. If you are not in church you are missing something.

Four cottage prayer services will be held this week: Mrs. F. L. Brown's home Wednesday morning at 9 o'clock; Thursday morning, Mrs. Delbert Bybee's at 9 o'clock; Friday morning at Mrs. Delbert Alldredges at 9 o'clock, and Thursday night, Mrs. C. H. Rose at 8 o'clock. The women are urged to attend these prayer groups and pray for our revival.

Friday morning I leave with three preachers from Plainview to go to Somerville for the revival beginning there, as it will all over that part of the state.

On October 27, Rev. Lovelady of Marlin will come here as our visiting preacher and our revival will begin. I am asking each of you to pray for me as I work at Somerville, that God may use me to win souls for Him. Mrs. Daniel will preach Sunday morning and again Sunday night. Come and be in the services. Help her by your presence and your prayers.

We had 266 at Church School. Come on and help us make it greater.

Thoughts For The Week
"God calls me to no task without giving me strength to do it."
"Does my life bear witness to the power of the gospel?"
"He preaches the word well who first lives it."
N. S. Daniel, Pastor.

Methodist Home Children in Sunday Radio Series

The Methodist Home Choir of Waco, Texas, will be a feature of the radio series, "These Are Your Children" heard each Sunday morning at 8:15. The program will continue through December 16, over 15 radio stations in Texas and New Mexico, featuring stories of life at the Methodist Home for Children, according to Hubert Johnson, Superintendent of the Home.

The many interesting and inspiring subjects to be brought into the home via radio on Sunday mornings will include religious training and counsel a child receives; how he is taught to work and to assume responsibility; his general education and study helps; vocational training plan and how he is sheltered, clothed and fed.

The Methodist Home is owned by Methodist Churches in Texas and New Mexico and houses more

than 400 children. The Home is non-sectarian. Stations which will carry the program include: WFAA, Dallas; WOAI, San Antonio; KPRC, Houston; KRIS, Corpus Christi; KEGV, Waco; KGNC, Amarillo; KROD, El Paso; KGGM, Albuquerque; KFYO, Lubbock; KFDM, Beaumont; KFRO, Longview; KVAL, Brownsville; KERR, Korb; KTVC, Austin; KST, Big Spring.

NEW ARRIVAL

Mr. and Mrs. Dave Willis of Floydada are entertaining a young lady at their home. She was born Sept. 12 in a Floydada hospital. She weighed 8 lbs. and was named Donna Gayle. Mrs. Willis is the former Frances Marr. Grandparents are Mr. and Mrs. Clifford Willis, Floydada, and Mr. and Mrs. R. E. Marr of Lockney.

Lloyd Gregory, sports writer and newsman, has been appointed Texas State Chairman of the 1952 March of Dimes.

LETTERS TO THE EDITOR

Camp McNair, Japan
Sept. 13, 1951.

Dear Mr. Hays:
Just a line or two to let you know I am still alive and kicking.

I am at Camp McNair, it is right at the base of Mt. Fujiyama and about 4 hours train ride from Tokyo.

The country is mountainous and very beautiful around here. Very few roads and a lot of people.

There are thousands of Japanese from all over Japan come to climb Mt. Fujiyama every year to worship the Shinto Shrine.

A lot of the G. I.'s from this Regt. have climbed it just to be climbing, it is 12,395 ft. high.

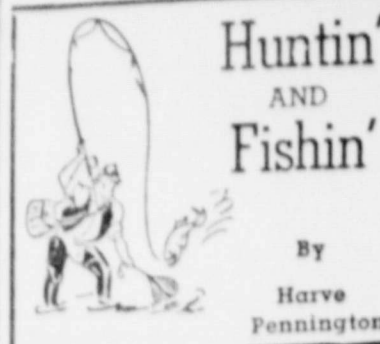

I am sending a picture of some of the Texas boys that is in Commo. Plat in Hq. and Hq. Co. We have a big Texas flag that we fly in front of the orderly room every day. There are about 30 Texans in the company.

I will close for now. I really enjoy reading The Beacon.
Your friend,
Dowell Brewer.

Huntin' AND Fishin'

By Harve Pennington

The dove season closes the 10th of October. There are still a good many doves around if you get in the right place. Some of the boys got the idea that 15 was the bag limit but 10 is the bag limit, so be sure you are safe. The duck season opens here November 9th and stays open 50 days and closes on Dec. 28, which will give us some holiday shooting. The bag limit on duck is 5 per day and not over 10 in possession.

The quail season opens Dec. 1st and closes Jan. 16 both days inclusive. The bag limit here in the Panhandle is 10 per day and 20 in possession, but in south and east Texas the bag limit is 12 per day.

And don't forget if you haven't renewed your hunting and fishing license, they all expired August 31, and speaking of fishing, now is the best time of the year to fish. The water is cooling some and there are not so many mosquitos and other insects to bother, and another thing most people have had their vacation and you can just about have the lake or stream to yourself, and get the best cabins if you wish at about your own price.

As the water cools the fish of

all kinds are more active and will give you a better fight than they would back in July and August, when it was so hot, and in the fall of the year they need to put on fat for the winter. Then is the time to use that large lure that they wouldn't take last summer. They will still take the small one but they had as soon have a larger one.

Dimmitt Edges Longhorns 20-19

Lockney fans it was just a case when the best team won the ball game last night at Dimmitt. The Longhorns won the game 20-19 in the Castro boys' favor but the Longhorns had a clear majority in the statistics.

The Longhorns scored in the first quarter of the game and led in the second quarter with C. B. Smart doing the scoring. The Bobcats came late in the second quarter to leave the halftime score 13-6 in the Longhorns favor.

Dimmitt received and returned to their own 19. They made 0 and 4 and then threw a pass which Smart intercepted and brought back to the Dimmitt 25. The Longhorns made 9 1/2 and then a first on the Dimmitt 10, made 1, a fumble lost 2, mixed signals lost 4 and then on an attempted pass the Longhorn ball handler was thrown back on the Dimmitt 29, where Dimmitt took possession of the ball. The Bobcats made 3 and 1 and fumbled with a Longhorn covering the ball on the Dimmitt 36. The Longhorns made a first on the 25 but a fumble gave Dimmitt back the ball on

more improvement on their downfield blocking and out-rushed the opposing linemen most of the night.

Here's a summary of the game:

The Longhorns won the toss and chose to defend the south goal with the wind to their backs. The Bobcats chose to receive and brought the kickoff back to their own 28. They made 2 and 7 and nothing and made the mistake of trying to make the needed one yard on fourth down. Instead they made only a half yard and the ball went over to the Longhorns on the Dimmitt 37. With Baker, Ferguson and Smart alternating in carrying the ball, the Longhorns made 6 and then a first on the Dimmitt 21, another 6 and a first on the Dimmitt 9 1/2, made 2 and then Smart carried over for the touchdown. Try for point failed and the score was 6-0.

Dimmitt received and returned to their own 19. They made 0 and 4 and then threw a pass which Smart intercepted and brought back to the Dimmitt 25. The Longhorns made 9 1/2 and then a first on the Dimmitt 10, made 1, a fumble lost 2, mixed signals lost 4 and then on an attempted pass the Longhorn ball handler was thrown back on the Dimmitt 29, where Dimmitt took possession of the ball. The Bobcats made 3 and 1 and fumbled with a Longhorn covering the ball on the Dimmitt 36. The Longhorns made a first on the 25 but a fumble gave Dimmitt back the ball on

the Dimmitt 19. The Longhorns were penalized 5, the Bobcats made 2 and 0 and then a first on the Dimmitt 39. They made 1, the Longhorns were penalized 5 and then a fumble gave the Longhorns the ball on the Dimmitt 43. The Longhorns made 1, another 1, a pass was incomplete and Smart kicked to the Bobcat 10. The Bobcats made 1 and then quick-kicked to the Longhorn 19. The Longhorns made a first on the 32, made 6 and then a fumble gave the Bobcats the ball on the Longhorn 45. A pass was incomplete and then Bill Sherman stepped in to intercept a pass and bring the ball back to the Lockney 35. The Longhorns made 0, 6 and a first on the Dimmitt 47. They made 5 and then a first on the Dimmitt 36, and 8 and a first on the Dimmitt 25. They made 0, 6 and 2 and then a first on the Dimmitt 14. They made 2 and then a fumble gave the Bobcats the ball on their own 12.

A quick-kick sent the ball to the Lockney 30. The Longhorns made 0, 7, were penalized 5, made 3 and then kicked to Dimmitt 41. A pass was good for the Bobcats to the Lockney 49, another pass was good for 2, the Longhorns were penalized 5, three more passes were incomplete in succession and the Longhorns took the ball on their own 40. They made 5 and then Smart cut through tackle and with the help of downfield blocking ran 53 for the score. He also plunged the point to make the score 13-0.

Dimmitt received and returned to the Lockney 26 yard line before the defenders were able to down the ball carrier. A pass was incomplete and another pass was hit by a Longhorn defender and bounced into the Dimmitt receivers hands, he being down on the 3 yard line. The Bobcats scored on the next play but failed to make the point and the score was 13-6. The Longhorns received but made nothing in three plays as the halftime whistle blew.

The Longhorns received the

kick at the starting of the third quarter, returning to their own 21. They made 4, were penalized 15, made 4 and 6 and then a low kick struck one of the Longhorn linemen and bounded into the air where a Longhorn picked it up and carried several yards. However since he did not get a first down from the point where the series of plays originated Dimmitt was given the ball on the Lockney 25. On the first play from scrimmage, a long pass was completed to the Bobcat end for a score. The point was likewise made on a pass and the score was 13-13.

The Longhorns returned the kick to their own 37, failed to gain sufficient yardage and kicked to the Dimmitt 35. The Bobcats tried two passes without success, the Longhorns were penalized to their own 42 for roughing the passer, another pass was incomplete and the Bobcats lost 8 when the passer was tackled before he could get the ball off. They then kicked to the Lockney 24. The Longhorns made 3, a pass from Meriwether to Bartram was good for a first on the 38, they made 5, 3 and a first on their own 48, made 3, 3 and 2 and then on fourth down Ray Ferguson cut through the line, ran over two or three Bobcats, stumbled but managed to keep his feet and ran 45 yards for the score. Try for point failed and the score was 19-13.

The Bobcats received and returned to their own 41. A pass was intercepted by Teddy Carthel and returned to the Lockney 34. The Bobcats were penalized 5, the Longhorns made 0 and 3 and a pass was incomplete. They kicked to the Dimmitt 25. The Bobcats lost 3, a pass was incomplete and they kicked to the Lockney 21. Bill Sherman weaved his way to a first down on the 34, the Longhorns made a first on their own 44 in three plays, a first on the Dimmitt 45, failed to gain on the next series and kicked over the goal giving the ball to Dimmitt on their own 20. The Bobcats made 1, tried a pass which failed and kicked to their own 29. The Longhorns made 1 and 2 and had a pass intercepted with the Bobcats returning it to his own 33. The Bobcats made a

first on their own 45, failed to gain on the next series and kicked to the Lockney 18. The Longhorns in turn quick-kicked to the Dimmitt 19. The Bobcats made 3 rushing and then a first on their own 47. It was at this point that the Bobcats pulled the reverse out of the bag, and ran 53 yards for the score. The point was kicked and the Bobcats lead 20-19.

The kick-off was tumbled and the Bobcats recovered on the Lockney 41. They made 2, the Longhorns were penalized 5, lost 1, made 1 1/2 and a first on the Lockney 31. The Bobcats made nothing in two tries at rushing, made 5 and then four with the Longhorns taking the ball on downs on their own 22. They made 2, Dimmitt was penalized 5, and another Longhorn fumble gave Dimmitt the ball on the Lockney 31. They made 0, 1, were penalized 5 and then 3 and 2 as the game ended.

'50,000 Miles No Wear'

with New Conoco Super Motor Oil!"

says D. C. Lemmons
 Construction Contractor
 Brownwood, Texas

"I am continually running from one of our jobs to another, in all kinds of weather, over all kinds of roads," says D. C. Lemmons. "In my car, and in our trucks and cement mixer, I must have a motor oil that can stand up under dust, dirt and cement powder. That's why I was so interested in your story of 50,000 Miles—No Wear."

"Since changing to Conoco Super Motor Oil, I've driven my personal car more than 50,000 miles. That's why I know—50,000 Miles—No Wear has sure been true for me. Since I can't afford to take chances on ordinary oil, it's Conoco Super one hundred percent for me!"

Change Now—For Summertime Performance All Winter! Protect your engine from winter's rasping wear. Change to new Conoco Super Motor Oil, with OIL-PLATING. Get quick starts, fast pickup, better performance all winter.

Proof of 50,000 Miles—No Wear! After a punishing 50,000 mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence; in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Factory finishing marks were still visible on piston rings! Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

Mrs. Peugh Gives Demonstration On Decorative Paper

The Demonstration on Making Decorative Paper was given by Mrs. M. O. Peugh of Lone Star at the Council Room in Floydada last Tuesday and Wednesday. Mrs. Peugh attended the Craft Design Workshop at Texas Technological College in Lubbock during the summer under the sponsorship of the Floyd County Home Demonstration Council.

Club members who attended this meeting will show the decorative paper they made at their October meeting on Christmas gifts.

Attending were Meses. Chloma Williams and Everett Miller, Harmony; Orvus Shearer and B. F. Neff of Lakeview; W. E. Grimes, Friendship; Ed Catlin, D. D. Shipley, R. C. Clem of Homebuilders; D. W. Burke, Sunnyside; Henry Bollman, F. L. Brown and L. W. McCuiston and A. O. Foster, Lone Star.

FFA Father And Son Banquet Well Attended

One hundred people attended the FFA father and son banquet which was held Tuesday night, Oct. 2, at the Grade School Luncheon. The decoration of the room consisted of the penants designating the officers stations.

A delicious meal was prepared by Mrs. Carl McAdams, Mrs. E. E. Spradlin, Mrs. Della Willmon, and Mrs. Rigby. The meal was served by the officers of the Future Homemakers Chapter — Mary Jo Bonner, Gayle Sherman, Harleen Workman, Elizabeth Handley, June Wiley, Pat Pylant and Rosemary McDonald.

Entertainment was furnished by James Carthel and Barbara Hays. Bobby Baxter gave a speech on his trip to the state convention. John Strother of Childress, who was the first active president of the Future Farmers of Texas gave an address on the history of the state association. Eldon Fortenberry recited the FFA creed. Mr. Fay Pinner and Mr. R. E. Patterson were presented with the Honorary Chapter Farmer Degree, and were made honorary members of the Lockney chapter because of their assistance in promoting Future Farmer work in the community.

The next meeting will be Oct. 11 in the home of Mrs. Henry Bollman. The program will be on "Family Life".

Lockney H. D. Club Meets Thursday

The Lockney Home Demonstration Club met Thursday, Sept. 27, in the home of Mrs. M. S. Johnson for a regular meeting.

Mrs. J. H. Cooper, president, presided during the business meeting. Mrs. J. E. Tierce gave the Council Report. A pantomime skit, "To Glove or not to Glove," was presented. It portrayed five correct and incorrect uses of the gloves. Mrs. I. A. Applegate, Mrs. Ross Cooper, Mrs. L. W. McCuiston and Mrs. J. H. Cooper acted the parts and Miss Lelia Petty was the commentator.

A program on accessories was given by Miss Petty. Each person's costume was tallied to determine correct accessories. Wardrobe tally sheets were given to each one to calculate the entire wardrobe.

Mrs. Ross Cooper was elected to take the "Home Nursing Course" which is to begin soon.

Refreshments were served to Meses. I. A. Applegate, F. L. Brown, Henry Bollman, J. H. Cooper, L. M. Honea, L. W. McCuiston, E. L. Stapp, Joe Parrish, J. E. Tierce, E. M. Whorton, Ross Cooper, Thomas Marr, Miss Lelia Petty and Mrs. Johnson.

The next meeting will be Oct. 11 in the home of Mrs. Henry Bollman. The program will be on "Family Life".

Barker Urges Support Of USO

"We supported the USO to win a war, and now we must support it to help keep peace in the world," Barry Barker, chairman of the USO Fund Campaign, said today.

Mr. Barker said that this county has accepted a goal of \$1100 as its share of the \$700,000 Texas quota for the USO in 1951.

The funds will be used to operate an increasing number of USO service centers in the United States and overseas, and to finance USO camp shows in Veteran and Military Hospitals, and for the men and women in service overseas.

"I don't have to remind you that this thing comes home to each of us, for our own country is well represented in the Armed Forces, and nearly half of those in uniform are still in their teens," Mr. Barker said. "They need all the services which USO is so well equipped to give — the friendly, personal home-away-from-home service which distinguished USO during the war."

Mr. Barker pointed out that the USO has been reactivated at the request of the Military, and that it will receive the full cooperation of the government in carrying out its program of aid to the boys and girls in the service.

Overseas Xmas Mail Should Be Mailed Oct. 15-Nov. 15

Postal officials have designated the period October 15 to November 15 for mailing of Christmas packages and parcels to members of the Armed Forces overseas.

Officials say that parcels to Japan, Korea and other islands in that vicinity should be mailed not later than November 1 due to the long distance they must travel.

Parcels may not exceed 50 pounds in weight and are also subject to the usual parcel post regulations. The packages should be in strong boxes, securely packed and tied with a strong cord.

Christmas cards should be mailed first class not later than November 15 but if sent airmail may be mailed by December 1.

Floyd County Soil Conservation News

Cecil Baxter, who operates the Morrison Liston section east of Floydada, is leaving fifty acres of volunteer wheat to be turned under for a green manure crop. Mr. Baxter wants to build up the organic matter in the soil to keep it from blowing.

Homer Steen, who has a small stock farm on the south edge of Floydada, has bench levelled another five acres and seeded it to vetch for grazing. He had previously established benches on eight acres and has been well pleased with the system of irrigating a pasture.

E. P. Jones, who has recently moved to his quarter section of land northeast of Lockney, is planning to bench level about ten acres in the near future. He will establish a grass pasture on half of it and seed alfalfa on the other for a hog pasture.

Noman Hamilton has recently seeded 10 acres of his farm south west of Floydada to an improved pasture mixture of Kentucky 31, orchard grass, rye and sweet clover. The pasture is being established on part of the area that had previously been benched.

W. T. Ashburn, who farms the east half of the Pleasant Valley school section, has a crop of peas which have very heavy vines and foliage. Most people plant peas too thin and do not get much benefit when they are turned under.

Sixteen members of the veterans agriculture class went on a field tour recently. The class is under the direction of N. S. Abbott, V. A. coordinator. The purpose of the tour was to acquaint them with the Soil Conservation Service method of soil surveying and the why of conservation. Carl J. Muench, local engineer and Phillip H. True, soil scientist of the Plainview SCS office, assisted Mr. Abbott with the tour.

Ben Quebe, a district cooperator farming in the Providence community, expects to seed a few acres of improved pasture to run a couple of milk cows and their calves.

Earlie Joiner, who operates his farm northeast of Floydada, is planting seven acres of alfalfa and expects to seed several acres to improved pasture.

Recent checks on ditch losses of water revealed the loss of half the water when ditch carried water one and one-fourth miles. Running ditches through permeable soil results in heavy losses.

Wade Deavenport is doing some additional bench levelling on his farm above South Plains which will be planted to improved pasture grasses. He was one of the first district cooperators to establish benches and has been well pleased with that first job. He is doing this work in cooperation with Production and Marketing Administration and under supervision of local Soil Conservation Service technicians. Mr. Deavenport is also planning to install some underground pipe which will enable him to do away with an elevated ditch. This system will conserve water that he has been losing from seepage and evaporation.

W. C. Price has just seeded thirty acres of alfalfa and clover in some volunteer wheat on his farm northeast of Lockney. He plans to pasture this plot as

well as build up the soil with these legumes.

The Floyd County Soil Conservation District now has two legume seeders that are available to farmers at a reasonable rental through the Floydada and Lockney FFA chapters. Any one interested in using these seeders should contact F. L. Montandon at the Lockney High School or Henry Barber, agriculture teacher in Floydada. These machines are built especially for legume seed and the district board of supervisors felt that they will be beneficial to farmers in planting pure seeding of legumes. The seeders are designed to be used in matured crops of feed and cotton without damage to the crop. This feature will be particularly beneficial when seeding a cover crop in rank cotton or grain sorghum that has begun to ripen.

American farmers and ranchers have been able to produce great quantities of food and fiber by hard work and individual thrift. Thrift has provided the capital to help agriculture expand. Prepare for future expansion now. Invest part of your income in the safest investment in the world. Buy U. S. Defense Bonds.

Two From Lockney At McMurry College
Abilene. — Over 500 students, including two students from Lockney, have enrolled at McMurry College for the fall term, according to Jerome Vannoy, registrar. Lockney students are Sam Daniel and Janice Thompson.

Registration will continue through Sept. 28 for both undergraduate and graduate students, though classes go underway, Sept. 14.

This is the first regular session that graduate courses leading to the professional degree, Master of Education, have been offered at McMurry.

Tech Museum Wants "Old Clothes"
Lubbock. — Texas Technological College's museum isn't in competition with the Red Cross or Salvation Army but it is making a drive for very old clothes.

Dr. W. C. Holden, museum director, said the institution wanted to build up a "stock" of men, women, and children's clothes, representative of styles in the late 1800s and early 1900s. The museum plans to exhibit scenes of these periods, and the costumes will be used to dress mannikins to appear in the scenes.

EDITORIAL

For every house is builded by some man, but he that build all things is God.—Hebrews 3:4

This is National Newspaper Week. It is the one week in the year when newspapers, both daily and weekly, are especially recognized and sometimes even honored by their readers. Newspapers have a great heritage in the traditional freedom of the press and they are very jealous of that freedom even though some of them abuse it at times.

Since newspapers are operated by humans they are subject to mistakes and error but most always you will find the newspaper standing for what it believes to be right and to the best interest of the town, county, state or country. The newspaper traditionally stands for law enforcement, for a progressive spirit in the town or county, for honesty and integrity in public office, for the rights of minorities, for freedom of speech, worship, and all the other things for which we are assured freedom in the Bill of Rights.

Most newspapers feel that they are the sentinel or watch dog of the rights of the people. They

feel that it is their duty to warn of danger when those rights are threatened. They believe that the people of these United States are entitled to know the truth and the whole truth about any matter that endangers their rights, whether inside or outside the land. That is why newspapers are jealous of their freedom—freedom to publish the truth about any matter.

We offer our congratulations to the Parent-Teacher Associations of the Lockney Schools for their program of work this school year and their apparent determination to go all out in efforts to promote the welfare of the students of the local schools. The two organizations, the C. N. Townsend School P.T.A. and the High School P.T.A. both have scheduled many projects that will be worthwhile and deserving of support of the entire community. These organizations do not exist for the purpose of backing political movements or directing the policies of the school administration but solely for the promotion of projects that will benefit the pupils of the schools and will advance their welfare. That is their interest and desire and it is certainly a worthwhile one.

Another thing we have noticed about P.T.A. here and that is it is not just a Mothers-Teachers organization. There is room for fathers to work in the P.T.A. and some of them, though not very many, are doing it. We suggest that the organizations would find their tasks easier and would accomplish more if more of us who are fathers would pitch in and do our part in promoting the welfare of the pupil.

The Townsend P.T.A. meets the second Tuesday night of each month at the City Auditorium. The High School P.T.A. meets the fourth Monday night of each month at the same place. It would be a matter of courtesy if all civic, religious and fraternal organizations would schedule their meetings on nights other than these in order that every one would have the opportunity of attending P.T.A.

The defense rearmament program is gradually getting into high gear and as it does Washington officials say that shortages in some civilian goods will appear. These will be items using copper, aluminum and steel principally.

EXECUTIVE DEPARTMENT
AUSTIN, TEXAS
September 27, 1951

Mr. Brad M. Smith, President
Texas Press Association
441 Driskill Hotel
Austin, Texas

Dear Mr. Smith:

With a full realization and appreciation that a free press is a bulwark of the American way of life, I consider it most appropriate that National Newspaper Week is to be observed October 1-8, inclusive. During the present unsettled world conditions it is entirely befitting that this nation and the State of Texas pay tribute to an organization that must play a vital role in the days which lie ahead.

To chronicle the many contributions of the press to our Democratic nation and to the development of a world civilization is impossible. From the smallest hamlet to the largest metropolitan center newspapers constantly have been, and will continue to be, in the foreground championing civic, governmental, educational, cultural and religious improvements. In the field of international events, the diligent efforts of a vigilant press have made the people of our nation the best informed in the world.

A free press means a free people. The history of the world has taught us that nations which censor and hamper a free press do not survive. I am convinced this will continue to be true in the future and that the iron curtain of communitistic countries will represent but another chapter in the fate of tyrannical governments which saw fit to interfere with a basic freedom—a freedom of the press. Truly "Your Newspaper Lights the Way of Freedom."

To a free press of Texas, to the members of the Texas Press Association and to our great newspaper industry I offer my sincere congratulations. It is my earnest wish that National Newspaper Week be observed by all Texans with just tribute being paid to a worthy organization and industry.

Sincerely yours,
Allan Shivers

ADULT DRIVERS

The hot-rod gang has got something. One of them suggested to me the other day that if stalwart adults of the town would get some kind of example in matters of observing traffic regulations, teenagers would be prone to fall in line. As we talked the wife of a prominent auto dealer glided across Main Street at Tilford Ave, at 30 miles per hour, looking not to left or right as she ignored the standard stop sign. A windshield farmer, noted for his criticism of young speeders, made a u-turn on Main Street approximately 50 feet from the street intersection. Another adult, parked in the center of

Main, did not back out and continued on his way in the direction he was parked. He saved one second's flying time by pulling forward into the opposite lane of traffic and headed the other direction, oblivious to the squeal of protesting tires as other drivers exerted an effort to keep from ramming him. "See what I was talking about?" Yeah, I saw what he meant. It isn't that adults don't know any better—they just don't give a— Ralls Banner.

YOUTH AND LAW

The Attorney General's office has just issued a ruling which should be noted by teen-agers and traffic officials. The ruling, issued for Tarrant County of

ficers, says that a teen-age driver is subject to the jurisdiction of corporation courts and can be sent to jail if unable to pay a fine imposed for reckless or flagrantly careless driving.

This information should be given quite a bit of thought by youngsters who continue to flout laws made for their own and the safety of others. It isn't that corporation judges or traffic police want to impose fines or jail sentences on young people, or adults, for that matter. They want teen-agers and all others to observe the laws.

Now that they have authority to enforce obedience, the young speedsters should slow down, and give due consideration to the safety and rights of others — Amarillo News.

Electric Cooking Is

...as MODERN women KNOW!

Wherever accuracy is required in business, industry, the home, electricity is used. Yes, whether it is synchronizing a nationwide radio hookup, dispatching trains or baking a cake, when you want accuracy and precision, you call on electricity.

When you push the buttons or turn the switches on your electric range, you know that exactly the amount of heat you desire will be on the setting used. You know the heat will be accurate because you know the heat has been measured — measured in the correct amount.

You know, too, that your electric range oven control holds the temperature at the cookbook figure in your recipe, assuring you of cookbook results every time.

Yes, electric cooking is accurate — as modern women know.

SOCIETY

Aiken Friendship Circle Meets

The Aiken Friendship Circle met in the home of Mrs. R. L. Powell Tuesday, Sept. 18, at 2:30 p. m.

The house was called to order by Mrs. Dutch Langfeldt and the meeting was opened by a prayer by Mrs. Buck Kellison.

During the business meeting Mrs. Larue Glenn's resignation as vice president was offered and Mrs. Annett Thornton was elected to fill her place. Mrs. Cecil Andrews gave a very interesting talk on "Ways and Customs of Germany." A picnic for the members and their families was planned for Wednesday evening, Sept. 26th, at the Plainview Park.

After the business meeting the ladies were served. Delicious refreshments served by Mrs. Powell were enjoyed by twelve old members and two new members. The old members present were Mrs. C. H. Andrews, Cecil Andrews, Leo Duvall, Jack Jackson, Dutch Langfeldt, Clyde Lucas, D. M. Marshall, C. J. Roach, O. D. Wofford, Tommy Weathers, Buck Kellison, and Emmett Thornton. The new members were Mrs. Peggy Foster and Mrs. Price Webb.

The next meeting will be Tuesday, October 16, with Mrs. Leo Duvall.

Today's submarine is a missile launcher, a radar vessel, an undersea tanker and transport and an anti-submarine vessel as well as a commerce destroyer.

W.S.C.S. Has Luncheon And Program Mon.

The W. S. C. S. met Monday with a one o'clock luncheon in the basement of the Methodist Church. The fall study of "Latin America" was begun with Mrs. N. S. Daniel teaching the group. The menu of the luncheon was planned to feature food that was prominent in seven Latin American countries. A table was used to represent each country. The center table represented the U. S. A. with a beautiful picture of Christ, a cross, an open Bible and a spray of snap dragons. The Rev. N. S. Daniel, guest of the group, delivered the invocation.

After the luncheon an interesting program was presented with Mrs. Joe Foster bringing an interesting discussion on "The Artie People." Mrs. F. O. Schacht sang a solo, "In Christ there is No East or West." Mrs. D. O. Alldredge told a story of Uruguay. "The Church in my School" and Mrs. N. S. Daniel gave the first chapter of the study.

It was agreed by the thirty-three women present that this study is to be a very interesting one and each one looking forward to the second chapter on next Monday.

The group welcomes to the W. S. C. S. the following women who make up a "shut-in" circle: Mrs. J. V. Gross, V. D. Harris, Gilbert Huis, Lena Parsons, V. S. Braswell, T. A. Neaves, P. F. Ford, J. M. Jeffcoat and Fred Lam. It is the aim to add other women of the community to this circle where it is impossible for them to attend the meetings. "It is our prayer that our church may be a blessing to them as well as they to the church," members said.

Aiken W. M. S. Has Mary Davis Program

An interesting program was enjoyed when the W. M. S. of the First Baptist Church of Aiken met Wednesday afternoon at the church.

Mrs. J. M. Tye, president, called the meeting to order. The group sang "Throw Out The Life Line" led by Mrs. R. C. Rogers. Mrs. Odie Dorman brought the devotional from the tenth chapter of Romans, verses one through seventeen. Mrs. Klyce Ooley, program chairman, presented the program "Mary Hill Davis." Mrs. L. L. Scott gave "The Life of Mary Hill Davis" and Mrs. J. M. Tye gave the closing prayer.

During the social hour each member drew names for a new "Sunshine Friend."

Those present were Mesdames: L. L. Scott, J. M. Tye, R. C. Rogers, Dub Buckner, Klyce Ooley, Lois Williams, and Odie Dorman.

The next meeting will be at the church on Wednesday, September 26th, at 2:30. A cordial invitation for each member to be present. Mrs. Bill Snider will bring Bible study from "A Year's Missionary Tour of The Bible," twenty seventh and twenty eighth week.

Lone Star Home Demonstration Club Meets Tuesday

The Lone Star Home Demonstration Club met Tuesday, Sept. 18, in the home of Mrs. M. O. Peugh in an all day meeting. The lesson given by Mrs. Raymond Teepie was on lamp shade construction. Different types of shades were studied and Mrs. Albert King showed several types of frames.

The ladies completing their shades at the scheduled time were Mrs. C. D. Merrick and Mrs. C. L. King.

The next lesson is to be on package wrapping demonstrated by Mrs. Peugh. Each member is requested to bring a gift they have made and patterns for some also. This is to be a pattern exchange.

The next meeting is to be with Mrs. D. J. Phillips at 2 p. m. on Tuesday, October 2.

The Home Demonstration Club of Lone Star honored their families Thursday, September 20, at 7:30 p. m. with a weiner roast in the home of Mr. and Mrs. C. L. King. Melvin Peugh and David Hartman entertained the guests with several selections played on their accordions.

Aiken W. M. S. Has Bible Study

The W. M. S. of the Aiken Baptist Church met at the church Wednesday afternoon, September 26th.

Mrs. J. M. Tye presided and the session opened with the group singing "Yield Not To Temptation," led by Mrs. Klyce Ooley. Mrs. Bert Elam gave the opening prayer. The minutes were read and approved and reports were heard from each committee chairman.

Mrs. Henry Moore gave the Bible quiz from the book "A Year's Missionary Tour of The Bible" for the twenty-seventh and twenty-eighth week. Mrs. Lois Williams, closed the meeting with prayer.

Refreshments were served to Mesdames Bert Elam, J. M. Tye, R. C. Rogers, Dub Buckner, Klyce Ooley, Lois Williams, Odie Dorman, Henry Moore, A. P. Shugart, Charlie Elam and one visitor, Mrs. Sutton.

The next meeting will be at the church Oct. 10th at one thirty o'clock. Each member is urged to come and help quilt a "Friendship Quilt."

GO TO CHURCH SUNDAY.

Mrs. B. H. Quebe Entertains

The lovely home of Mr. and Mrs. B. H. Quebe was the scene Wednesday afternoon from 3-5 honoring Mrs. Jake Jones of Borger. Delicious refreshments of cookies, raspberry punch, and nuts were served to the following: Mrs. Ben Quebe, Mrs. E. M. Quebe, Mrs. Helmuth Quebe, Mrs. Jake Jones, Mrs. Clarence Brandes, Mrs. Walter Boedeker, Mrs. Skay Foster, Mrs. L. B. Brandes, Mrs. J. W. Loyd, Mrs. Maxine Jones, and hostess, Mrs. B. H. Quebe. A delightful time was spent visiting.

W. L. WHITT LEAVES

W. L. Whitt will leave Friday for Amarillo where he will spend a few days with relatives and from there will go to York, Pennsylvania, to spend a portion of the winter with his daughter, Mrs. Vaden Gladfelder. During the winter he will also visit his sons at Birmingham, Alabama and Atlanta, Ga. Mr. Whitt is now 86 years of age but still gets around good and spent the summer here tearing down a barn on his place. He expects to come back to Lockney in the spring.

TO SUMMERVILLE

Rev. N. S. Daniel, local Methodist pastor, will leave Friday for Summerville in South Texas where he will preach in an 8-day revival meeting in the Texas-wide Methodist revival movement. The local church plans a revival here the latter part of this month.

At the next meeting, which will be at the home of Mrs. Buck Kellison, they plan to finish the top, and may get to start the quilting of it. The club bought gifts for Mrs. W. L. Thomas and June Caldwell, who have been ill. The money used for this was taken from the "Good Neighbor Fund" that was built from the recent sale of the Irick school building. Refreshments were served to: Mmes. Cloyce Chambers, Andy Jolly, Glen Kinard, Melvin Potts, Wallace Allen, Carl Blair, Warren Graham, Eugene Pigg, V. H. Kellison and Miss Anna Schacht.

Mr. and Mrs. Curtis McMurtrey from Albuquerque, N. M., are visiting this week with Mr. and Mrs. Carl Blair. Mr. McMurtrey is a brother of Mrs. Blair. They went shopping with Carl and his wife to Lubbock Monday.

Mr. and Mrs. Harold Dollar went to see the football game between Hale Center and Crosbyton Friday night, primarily to see James Dollar play. The team was defeated, however, Crosbyton won with a 20-12 victory.

Fred Duvall went to Tipton, Okla. on business last week.

Mr. and Mrs. V. H. Kellison are gone to Oklahoma City where they are visiting Mrs. Kellison's mother, Mrs. McHam, and her sister, Mrs. Jim Barefoot.

Mr. and Mrs. Ralph Gee of Floydada ate dinner with Mr. and Mrs. Oliver Holmes Monday. Mr. and Mrs. Oliver Holmes attended the singing convention at the City Auditorium, Sunday afternoon and enjoyed it very much.

Mr. and Mrs. Glen Kinard have been ill with the flu this week. Glen came home from the game at Dimmitt and had a chill that night and was confined to his bed until Monday. They are both well now, however.

Mr. and Mrs. John William Langford from Girard, Texas, were visitors in the home of Mr. and Mrs. J. A. Langford Thursday. John is a cousin of Mr. Langford.

Mr. and Mrs. J. M. Ratliff attended the circus at Lubbock last Tuesday night. They reported that they enjoyed it very much.

L. K. Sherman had an operation on one of his knees three weeks ago at Haskell. He and Mrs. Sherman went to Haskell for a checkup on the knee, Monday. It is doing fine. Mr. Sher-

man's aunt, Mrs. Lola Ferguson returned home with them, and plans to visit for about two weeks.

Mrs. Cloyce Chambers went to Hollis, Oklahoma Saturday afternoon and spent Sunday there, visiting with relatives and friends.

Mr. and Mrs. C. O. Graham, parents of Warren Graham, have been visiting them and other relatives here this week. They live in Los Angeles, Calif.

Mrs. Ray Hillman's father and mother, Mr. and Mrs. A. J. Stevens of Hale Center, visited with them Monday night and Tuesday of this week.

Home Demonstration Club Meets

The South Plains Home Demonstration Club met last Wednesday, Sept. 26, in the home of Mrs. L. T. Wood, with Mrs. Walter Wood as co-hostess. Nearly everyone came dressed in their church attire, as had been requested, and the club began with Mrs. Ruth Smitherman presiding over the meeting, and roll call was answered with "What I

OUR DEMOCRACY

by Mat

LETTING OFF STEAM

ONE OF THE FACTORS OF STABILITY IN OUR DEMOCRACY IS THE FREEDOM TO "LET OFF STEAM"—THE OPPORTUNITY EACH OF US HAS TO LESSEN THE PRESSURES OF LIVING, IN OUR INDIVIDUAL FASHIONS.

FREEDOM TO SPEAK OUR MINDS IS A BASIC ELEMENT IN THIS, BUT FREEDOM TO CHOOSE OUR AVOCATIONS, AS WELL AS OUR VOCATIONS, IS PART OF IT. WE AMERICANS, THROUGH OUR INITIATIVE, INDUSTRY AND THRIFT, HAVE STEADILY BROADENED OUR OPPORTUNITIES FOR PLAY... IN RECOGNITION OF THE INDIVIDUAL'S NEED TO "LET OFF STEAM", WE HAVE MADE TIME OFF FROM THE JOB—AN ANNUAL VACATION—A GENERAL PRACTICE IN OUR DEMOCRACY.

Would Like to Have in the Year Book next Year," Mrs. J. R. Smitherman gave council report, and told about the fair being held the first week in October, in Lubbock, and about Mrs. Drysdale's report on the County Library. Each club was asked to give two dollars to that fund, and the club voted to give that amount. Mrs. J. R. Smitherman was elected to take the place of Mrs. Lenton Lanham, who was delegate to the council, and who has moved a few weeks back to Canyon where Teddy and Peggy are going to college. A short on when and where to wear gloves was given by Mmes. Ruth Smitherman, John West, H. L. Marble, John Smitherman, and Mrs. George Weast. Miss Lelia Petty was present at the meeting and gave a demonstration on "Accessories." Each person was given a card to count her points, and see whether or not she was over or under accessorized. The hostesses served a delicious refreshment plate to the following members: Mmes. Carl Daniels, Rex Smitherman, Dock Jones, Grigsby Milton, Horace Marble, Murray Julian, John Smitherman, I. H. Parks, George Weast, Ernest Smitherman, John West, Harry Hartman, Albert Stewart, Eulan Bradshaw, J. B. Thames, Walter Wood and L. T. Wood. Two guests were present, Mrs. Owen Thornton and Mrs. John H. Allen, and the demonstrator, Miss Petty, from Floydada. The next meeting will be held at the school house Oct. 10, is the tentative plan of hostess, Mrs. I. H. Parks.

The South Plains Community Club will have a family party on Thursday night, Oct. 4, and everyone is invited to come. Bring a covered dish and enjoy the evening with your neighbors.

There will be a meeting on Friday afternoon to plan the carnival for the Hallowe'en festival at the school house. The PTA selected a committee to plan the party.

Mr. and Mrs. Grigsby Milton and girls were dinner guests at the home of Mr. and Mrs. Roy Childress Sunday.

Rev. and Mrs. Clay Guest and Mr. and Mrs. Albert Stewart visited in the John Smitherman home Friday night.

Bob Kral of Sweetwater was a guest of Raymond Reeves at the Sim Reeves home over the week end. Raymond Reeves went to Borger Sunday to bring Mrs. Reeves' mother, Mrs. Austin, for a visit to the Reeves.

Miss Louise Childress came

home from Portales, N. M. to spend the long week end with her parents, Mr. and Mrs. Roy Childress.

Wedding Shower

On Thursday, September 27, Mrs. Bradford Beedy, formerly Miss Dolores Smith, of Stratford, was honored with a miscellaneous wedding shower at the lovely new home of Mrs. L. N. Johnson, east of South Plains. The Beedy's wedding took place on Sept. 9, at Stratford.

The home of Mrs. Johnson was gaily bedecked with fall flowers of lovely hues, and the decoration scheme was dainty orchid and pink.

Guests were greeted by Mrs. L. N. Johnson, and were presented to the bride, Mrs. Ernest Smitherman presided over the bride's registry book.

Mrs. Bradford Beedy was given a lovely Gold dahlia corsage, and the bridegroom's mother, Mrs. Bill Beedy, was presented a pink corsage.

The table was laid with a beautiful pink damask cloth, and

the punch was served in crystal cups, and the bowl itself was set amid orchid blossoms of ageratum. Angel food squares decorated in pretty pastel shades were served with the punch, and favors were pink and orchid mints decorated with "B" and "D".

The bride's family was unable to be present, but the bridegrooms mother, Mrs. Bill Beedy, was in attendance, and many of Bradford's relatives came. Mrs. W. B. Wilson, Mrs. Walton Wilson, Mrs. Albert Mize, Mrs. E. E. Colville, Mrs. George Beedy and Mrs. Bill Tye were present. Hostesses for the shower were Mmes. L. N. Johnson, Ernest Smitherman, Grigsby Milton, John West, Carl Daniels, Bryant Higginbotham, John Wilson, Murray Julian, Gilbert Bean, J. B. Smitherman, Walter Wood, L. T. Wood, George Weast, Albert Stewart, J. P. Taylor and Rex Smitherman.

Mr. and Mrs. John Kizer of Floydada, and Mr. and Mrs. Billy Stanforth Jr., were hosts and hostesses at a delightful party at the Stanforth home on Thursday night, Sept. 27. The party had been planned for outdoors, and tables had been prepared, but the inclement weather sent the hosts indoors, and the big garage was decorated gaily in fall flowers, and several lovely arrangements decorated the room. Red Castor beans in a green wheel barrow, and multi-hued zinnias in a green basket made a blaze of color where the guests enjoyed a delicious supper of barbecued chicken and other good things. The dessert consisted of home made cakes and hot coffee. After the dessert course the guests played games of canasta, and other games. About fifty guests attended the barbecue and party.

Fair Offers Free Tickets To Kids

Lubbock. — Free admission tickets on the 34th annual Panhandle South Plains Fair, to be held in Lubbock Oct. 1-6, are being made available to every school student on the South Plains.

Free tickets are being passed out either by booster trips, now in progress, or by a special representative of the fair association.

On school days at the fair all rides will be only half price for school children under 12 years of age.

Thursday is free to school children at Lockney.

Children who do not receive their free admission tickets by booster trips or special representative are instructed to write to the Fair Association, P. O. Box 561, and tickets will be mailed.
