

Collections
Probably
To Harvest

Tax Assessor Collected Hamilton said Wednesday that tax collections were year so far—slower than last year, probably due to weather for harvesting busy times.

Estimated that \$31,806.75 had been collected in current state and county taxes to date and that 209 poll taxes had been collected, mostly by non-resident elderly people.

Next year is election year and every office "from the constable" the tax assessor is expecting a large increase in poll taxes to be collected with heavy tax collector in the year and 1952.

State and county tax assessor per \$100 valuations Mr. Hamilton said, the state rate being 42 cents and the county rate \$1.42.

Taxes are divided as follows: state fund, 8c; special bridge fund, 22c; general fund, 15c; special road fund, 15c; road bond tax, 12c; house bond tax, 12c.

Estimates for the county for 1952 are \$11,250,000, slightly less than last year.

Mayor Elected

W. E. Cox was elected mayor of Lockney in a surprise election Tuesday. Cox polled 76 votes to D. Copeland, 5 for George J. R. Gray and 2 for J. R. Gray. Cox's name was the only one on the ballot, the other votes being blank.

Cox was in a special election called recently by the voters because of the resignation of D. E. Cox.

Mayor is not new to Lockney. He has been a city councilman for many years and is familiar with city affairs. He is also manager for the Lockney Chevrolet company, local Chevrolet

Communist 'B.L.' At Saturday

Based on a true story that the Plains Theatre is presenting Saturday, it is "I Was Born For the F. B. I." which uncovers the plots and plans that the American way of

work, portrayed by the Communist, poses as a Communist to secure information for them from his own family

and him. Many experiences happen to the F. B. I. is able to

the Red plotters and the Communist against them in an attempt to convict them at the same time clearing

the picture that every American should see, the plot because it will reveal the public to the Communist in this country.

That everyone here has a chance to see it the show continuously Saturday afternoon

Saturday night, announcement by J. manager. Shows will start at 4:30, 6:30 and

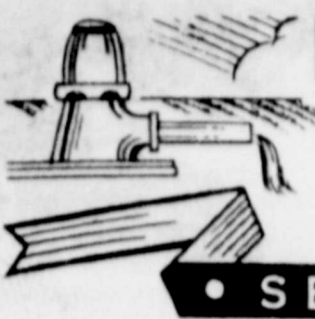

and a chapter of the Communist to complete the day at the

starting at 10:45 and will feature Bud Low Costello.

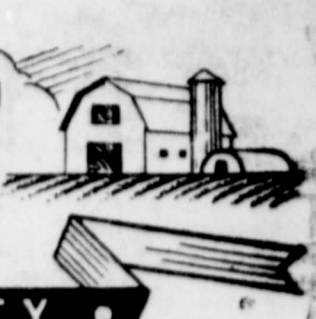

Bryant Buys Tractor Company

Farmer of South Lockney has purchased the tractor company of B. Carmack in the South Tractor Co. at Lockney. The name of the company has been changed to Bryant Tractor Co. The firm will remain as a tractor company.

There were 21 news items reported west of the city, eight of these

Legion Hall Is Leased By School

In order to provide facilities and make room for a record enrollment of Mexican children, the Lockney School District has leased the local American Legion Hall for an indefinite period and will use it to house the run-over of students in the local grade school, Supt. Sidney Reeves said Wednesday.

Latin-American children who do not speak English will be sent to classes in the Legion Hall where teachers will teach them English and other subjects, it was said. Supt. Reeves estimated that nearly 100 students would be in classes in the Legion Hall. Classes there were scheduled to start Thursday of this week.

Two new teachers will be hired by the local board to take care of this group.

Carpenters were building tables and seats for the group and books have been ordered to make up the short supply for these students.

A record enrollment of 912 are now in the Lockney schools. The enrollment by classes was announced by Mr. Reeves as follows:

First grade, 119; second grade, 106; third grade, 100; fourth grade, 75; fifth grade, 76; sixth grade, 81; seventh grade, 63; eighth grade, 73; freshman, 77; sophomore, 50; junior 60; senior, 32.

USO Drive Here Next Week End

Barry Barker, local USO drive chairman, and Mrs. Estelle Powers of the Lockney Business & Professional Women's Club, will make a local drive for USO funds on Friday of next week, October 26, it was announced this week. The present campaign is on in the county to raise some \$1100 for United Service Organizations, in entertaining and caring for service men and their families.

Reports this week showed the following percentages of goals reached for the communities in North Floyd County: Cedar 30%, Lockney 25%, Lone Star 10%, Sterley 10%, Aiken 5%, Irick 5%, Providence 5%.

The drive should be concluded by Nov. 1, Mr. Barker said.

Midget Car Contest Now Open To Scouts

The Midget Car Contest, sponsored by the Explorer Scout Post 59, is now open to all boys from the age of 14 and up who are now Explorers or who think they would like to become members and qualify for Exploring. Any boy who is interested is invited to the meeting Oct. 18, Thursday night, at 7:30 p. m. at the scout hut.

Contest opens now and closes the third week in December. Cars will be judged on appearance, design and performance. There will be impartial judging. The first prize will be \$50; second, \$30; and third place winner will receive \$20.

Bicycle Hits Car, Boy Injured Slightly

John Perry Truett, son of Mr. and Mrs. J. P. Truett of Lockney, was bruised up but not hurt seriously Monday afternoon when he ran into the side of a car on his bicycle at the corner of South Main and Bryant streets. He was thrown to one side of the car and the wheels did not pass over his body, relatives said.

John Perry was rushed to the Lockney General Hospital but his injuries were found to be only bruises and he was able to return home Monday afternoon. He went to school as usual Tuesday. The bicycle was damaged slightly. The car was driven by a Mexican.

E. C. Cox and Mr. and Mrs. Bob Reeves returned to their homes at San Bernardino, Calif., this week after visiting here with numerous relatives the past week.

REV. BYRON L. LOVELADY, pastor of the First Methodist Church of Marlin, Texas, will be the guest preacher during the Methodist Revival, Oct. 23 until Nov. 4. Services will be each night at 7:30.

Report Need Of 1400 Hands Here

Although transient harvest hands continue to come in slowly, there is still a demand for nearly 1400 locally, according to O. C. Bailey, local representative of the Texas Employment Service. Farmers of this area have filed requests for that many hands with him, Mr. Bailey said Wednesday.

Local gins, by running night and day are still able to keep up with the cotton but probably soon will start falling behind, it was reported. Gins at Lockney, Aiken, Sterley and Lone Star have ginned a total of almost exactly 6,000 bales up to Tuesday night.

National Labor Vernon Daniel

Vernon Daniel relieved the labor situation at his farm somewhat the past week when he went to Eagle Pass and brought back 33 Mexican Nationals to harvest his cotton. Mr. Daniel said that he first filed a permit with the TEC and after it was approved he went with transportation to the border and picked up the crew.

Harvest was stopped late Tuesday by a shower and the light rain continued to fall at intervals Wednesday. However, moisture wasn't sufficient in the opinion of most people to damage the grade of cotton and with clear weather predicted for Thursday it was expected that harvest would be resumed.

R. C. Mitchell Shows Champion Hogs

The grand champion Chester White boar at the recent Panhandle-South Plains Fair at Lubbock was shown by R. C. Mitchell of the Pleasant Valley community. Mitchell showed nine head of sows and boars in the men's breeding show against four other Chester White breeders from over the area. He won four first place ribbons and the grand champion banner.

Mitchell last week sold three Chester White hogs to the Mexican government in Tampico, Mexico. The hogs were shipped to Laredo where Mexican officials picked them up.

Mitchell is the state representative of the National Chester White Breeds and visited the State Fair at Dallas last week in that capacity.

R. Conner Attends National FFA Meet

Roger Conner, a junior in Lockney High and second year agriculture student, spent last week in Kansas City where he attended the National Future Farmers of America Convention. Roger went to the convention with the Yuma, Arizona, chapter of FFA where his brother-in-law, M. E. Fort is instructor. The group came by here and Roger accompanied them on the trip.

More than 5,000 attended the meeting and it proved to be a very worthwhile trip. Roger is the son of Mr. and Mrs. J. R. Conner of Cedar.

Charlie Merrick Passes Monday

Charlie Merrick, farmer and cattleman of the Lone Star Community since the turn of the century, passed away at the Plainview Hospital Monday evening at 8 o'clock. He suffered what physicians believed to be a stroke about 1:30 Sunday morning and his condition became gradually worse resulting in his death Monday.

Funeral services were held at the Main Street Church of Christ in Lockney Wednesday morning at 10 o'clock, conducted by Ministers Charles Goodnight and Clyde Sloan. Interment was in the Lockney Cemetery with Carter Funeral Home of Lockney in charge of arrangements.

Mr. Merrick was active in his farm work and with his stock until his last illness struck him. He came in late Saturday night from shutting off an irrigation well and complained of feeling very tired but had not been ill recently and his short illness and death was a shock to his many friends of this area.

Mr. Merrick was born at Greenville, Texas, on January 12, 1886. He with his parents and other members of the family came to Floyd County in 1891 and bought the place four miles west of Lone Star which he and Mrs. Merrick are still farming. His parents were Mr. and Mrs. C. F. Merrick and were pioneers of this county.

On October 12, 1912 he was married to Miss Ruby McGhee at her parents home, five miles north of Lockney. The couple would have celebrated their thirty-ninth wedding anniversary Friday of this week had he lived.

He was a member of the Main Street Church of Christ in Lockney.

Mr. Merrick was a friendly, likeable man and always ready to help anyone who needed help. He was a fine neighbor and had numerous friends, not only in the Lone Star community, but in Lockney and this entire area.

Survivors are his wife, Mrs. Ruby Merrick, and one sister, Mrs. M. E. Moran, also of the Lone Star community.

Home Nursing Class Being Taught Here

Two Red Cross Home Nursing classes were started in Floyd County the past week. The class in Lockney is being held in the City Auditorium on Wednesdays and Fridays, beginning at 2:00 p. m. Mrs. Roy Wilkes of Pleasant Valley is the teacher.

Attending the Lockney class are Mmes. Ross Cooper, W. C. Singer, J. E. Newton, B. B. Wilkes and H. W. Schacht of Lockney; L. K. Sherman, Raymond Wisdom, W. C. Wisdom, Weldon Smith and Claude Hammitt of Pleasant Valley; Wesley Hay, Sterley; Lynn Miller, Sand Hill; E. M. Quebe and T. E. Cowart, Providence; Carl Daniel, South Plains; Raymond Teeple and C. L. King, Lone Star.

The Home Nursing course is part of the Civil Defense work being sponsored by the Floyd County Home Demonstration Council.

Start Work On Paving Alleys

Work was begun this week on paving the alleys on both sides of the 100 block of South Main. Carroll Construction Company of Lubbock is doing the work. The paving firm will also pave some of the areas behind the business buildings in the alleys but not all of them. The paving from the buildings to the alley was made a voluntary matter and some of the building owners refused to pave.

The paving will be a 6-inch caliche base with a cold-rolled black top. The firm is getting \$2.90 per running foot for an 18-foot wide alley and charging owners \$1.50 per square yard for paving behind the buildings.

TEXAS FLAG IN JAPAN — Texas soldiers in Japan fly the Texas Flag in front of their tent. This group includes one former Lockney boy, Dowell Brewer, kneeling at the left. Brewer formerly worked for Maier Food Store and the Southwestern Bell Telephone Co. here. Others in the picture are, standing, left to right, Sidney Langham, Blue Ridge; Wallace Morris, Georgetown; Albert Rankin, Corpus Christi; Delphine Mach, El Campo, and kneeling at the right, Frank Bukowski, San Antonio.

Cpl. James Leach Home From War

Cpl. James R. Leach, veteran of 12 months of fighting on the Korean war front, is home visiting his parents, Mr. and Mrs. J. W. Leach of Lockney. Cpl. Leach arrived home Saturday morning. He will spend a 30 day furlough here and then will go to Fort Sill for reassignment to stateside duty.

Cpl. Leach served in Korea as a member of the 1st Cavalry Division, 7th Regiment, an outfit that saw months of action on the front. He was overseas 16 months and spent 12 months of that time in action. He was wounded in September of 1950 and spent three months in a hospital in Japan, after which he was sent back to duty on the fighting front.

Cpl. Leach formerly lived with his parents in the Cedar Hill community. He attended Lockney High School before enlisting in the armed forces.

Sgt. Williams Home

Sergeant Robert L. Williams is another Korean veteran who has been home recently. He spent 30 days here on furlough and returned to Fort Sill on Sept. 17 for reassignment. He was sent from Fort Sill to Fort Bragg, North Carolina, on Sept. 29 where he will serve as an instructor to recruits.

Robert spent 11 months in Korea, most of that time on the fighting front. He was wounded one time and had his feet frozen on another occasion. He was in the campaign almost to the Yula River in Korea and in the retreat when the Chinese Reds entered the war. He has been awarded a number of medals.

His parents are Mr. and Mrs. Jess Williams of Lockney.

Longhorns And Abernathy Take Lead In District

The Lockney Longhorns and the Abernathy Antelopes are leading the field in District 3-A with chances almost certain they will meet on November 2 for the district title.

The Longhorns have won one district game, defeating Kress two weeks ago 52-12 and the Antelopes have also won one district game defeating the Crosbyton Chiefs 45-0 last Friday night.

Crosbyton has defeated Hale Center and last week end Hale Center defeated Kress 18-14, leaving the Kress Kangaroos in the cellar.

Other Game Results

Results of other games of interest to local fans were as follows: Olton 18, Canyon 14. Tahoka 20, Post 6. Spur 39, Slaton 0. Dimmitt 31, Tulla 13. Denver City 41, O'Donnell 0.

Longhorns Play Hale Center Here Friday Night

In the second district game for the Lockney Longhorns this season, they play host Friday night to the Hale Center Owls on Mitchell-Zimmermann Field here.

The Owls have had hard luck in their football games thus far this year, until last week end when they came out of the cellar and defeated the Kress Kangaroos 18 to 14. The Owls are small and inexperienced but have lots of fight and are expected to put up a good battle. They have lost one district game to Crosbyton.

The Longhorns are in good shape after a rough game with the Floydada Whirlwinds last week. All boys are working out in their regular places with the exception of Bobby Dorman, who suffered a broken collar bone in practice last week.

The game will be called at 8 p. m., the usual time. Officials were unknown by school officials here but will be members of the South Plains Officials Association from Lubbock it was said.

Other games scheduled this week are: Floydada at Abernathy. Post at Tulla. Kress and Crosbyton have open dates.

Warm Temperatures Mark Past Week

Unusually warm temperatures for this time of year has prevailed the past week but the pleasant weather was terminated Wednesday morning with a moderate drop and showers. The low Wednesday morning was 43 degrees according to information from Joe Holt, local weather observer.

Maximum and minimum temperatures for the past week were reported by Mr. Holt as follows:

- Oct. 9—86-46
- Oct. 10—84-51
- Oct. 11—82-46
- Oct. 12—84-50
- Oct. 13—85-48
- Oct. 14—82-43
- Oct. 15—83-55
- Oct. 16—81-43

Highest wind the past week has been 18 miles an hour, Mr. Holt said.

The First National Bank of Lockney and the local City Council recently jointly purchased wind instruments to complete the equipment Mr. Holt would need to properly record weather in this area. The instruments are all set up at the Lockney General Hospital where Mr. Holt is medical technician.

Lawyers To Attend School Again

Austin. — The wheels of justice will grind to a temporary halt. The courtrooms will be empty and the corridors of the courthouse silent.

That is the picture painted for vast areas of the state by Cecil E. Burney, President of the State Bar of Texas.

a type of post-graduate "clinic" to bring members of the legal profession up to date on current developments in various fields of practice.

Stirring memories of the old time circuit riding judges, a panel of legal experts will circle a greater part of the state in making a series of one day stands at Lubbock, Midland, Waco, Tyler, Houston and Harlingen.

For best results, winter legumes should be planted within the next few weeks.

OUR DEMOCRACY — by Mat

AT VALLEY FORGE THE CONTINENTAL ARMY LACKED FOOD, SHOES, CLOTHING, ADEQUATE SHELTER AND AMMUNITION — EVERYTHING BUT COURAGE.

TO A GREATER OR LESSER EXTENT, AT THE START OF EVERY WAR, THE COURAGE OF OUR FIGHTING FORCES HAS HAD TO MAKE UP FOR SHORTAGES OF SUPPLIES — BECAUSE WE ARE A PEACE-LOVING NATION AND HENCE HAVE NEVER PUT OUR NATION ON A WAR-FOOTING IN TIMES OF PEACE.

TODAY, IT IS OUR JOB ON THE HOME FRONT TO SEE THAT OUR MEN, WHO HAVE NEVER LACKED COURAGE AND FORTITUDE, SHALL NOT LACK FOR THE MATERIALS AND THE MACHINES TO POWER THEIR VALOR.

Soil Conservation District News

After October 12 there will be no clerk at the Floydada work unit office. Discontinuance of clerical assistance was necessitated by reduction in funds available to the Soil Conservation Service this fiscal year.

There will be no set office hours during the week because of the necessity for personnel to be in the field most of the time.

An underground concrete pipe system has recently been installed on the Chester Mitchell farm south of Lockney. The system will assist in irrigating the bench levelled area.

Flow back some of your profits in an investment that protects you against the hazards of weather, crop failure, and unforeseen emergencies.

ONE-A-DAY HOME HINTS

To bring new life to a tired hat veil, stretch it flat on ironing board, cover with waxed paper, and press with warm iron.

During 1950, county chapters in Texas of the National Foundation for Infantile Paralysis spent \$1,410,564.13 caring for polio victims.

New! Better! It's Guaranteed!

Fill your crankcase with new Phillips 66 Heavy Duty Premium Oil. Try it for ten days—or up to 1,000 miles. If it doesn't satisfy completely, your Phillips 66 Dealer will arrange for a refund on any available oil you want at our expense.

The reason we dare make this guarantee is simple. We are sure this new and improved Phillips 66 Heavy Duty Premium Motor Oil will please you.

WEAR PREVENTION? Yes! It keeps corrosion and friction from harming your engine.

BEARING PROTECTION? Yes! Acids are neutralized—protecting bearing surfaces from pitting.

CLEANING ABILITY? Yes! And a clean engine means more power—less gasoline consumption.

LOW OIL CONSUMPTION? Yes! It resists decomposition—so fewer make-up quarts are needed over thousands of miles of operation.

It's because of important features like these that Phillips 66 Heavy Duty Premium Motor Oil

surpasses manufacturers' recommendations for all makes of cars, trucks as well as passenger.

gining interests in the Valley. W. W. Trapp comes from McAllen to take charge as manager and Mr. Davis will continue with the firm also. The name Davis will be retained in the title of the new business, Davis Gin Company.

ONE-A-DAY HOME HINTS

When using cleaning agents, know the purpose of each, for they can do more harm than good. These fall into three groups: namely, bleaches, absorbents and solvents.

Tailoring Skill Saves Money

College Station. — Skills learned at a tailoring school have earned money for home demonstration club women in Hardeman County.

Mrs. Hazel Harrison, Home Demonstration Agent, taught a class of leaders who in turn trained other homemakers to tailor garments for themselves and families. The leaders report a saving of nearly six hundred dollars on clothing for themselves since this training. The garments included better cottons, woolens, rayons, and silks. Four leaders report nearly four hundred dollars saved by sewing for their daughters.

"Everything I learned helped me, but most of all learning the importance of grain line, placing the pattern on the material, cutting and marking, and using the tracing wheel and carbon," was a comment from Mrs. Orval Brandon of the Marshall Community.

Mrs. Price Hargessheimer of the Burgs Community admitted she had made woolen suits instead of tailoring them before the school.

"The padding stitch, fitting shoulder pads, stay stitching, lining darts, belt and hem of skirts has helped me." She has tailored 3 wool suits, 7 dress and several other garments to earn nearly a hundred dollars for her work.

Mrs. Walter Barbee of the Goodlett Community says learning to interface the skirt belt has aided in getting better fit for your clothes, and helped her to get a professional look to them.

Father-Son Farm Agreements Beneficial

College Station. — With the rising cost of farm operation and the large amount of money needed to buy livestock, land and equipment, it has become difficult for many young farmers to get started in the business, points out C. H. Bates, Extension Farm Management Specialist of Texas A. and M. College.

Father and son (or father and son-in-law) farming agreements offer the opportunity for many young men to get into the business, says Bates. Older farmers who want to "slow down" and plan for partial retirement are also benefited by such arrangements.

A new bulletin resulting from the work of the Southern Farm Management Extension Committee discusses the operation of a farm by an owner and his son under an agreement that is beneficial to both. The income from the business is divided in proportion to their contribution of land, equipment, livestock and labor.

Southern Farm Management Extension Publication No. 1, entitled "Father-Son Farm Agreements," discusses conditions for successful leases, types and principal features of father-son farm agreements, important problems, legal considerations, transfer of property to heirs and essential points to consider in preparing

SOPHISTICATED SENIOR!

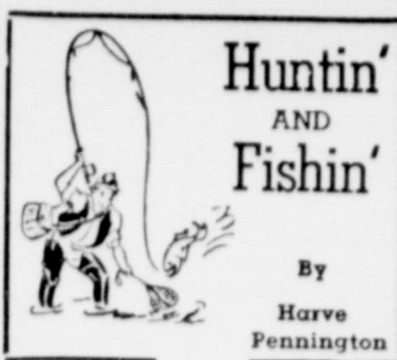

This sophisticated college senior rates at the head of her class on her fashion score. In packing her back-to-school wardrobe, she included this crisp fall cotton in eye-catching plaid. The versatile costume by Claire Tiffany of St. Louis includes a well-tailored classic dress with pleated skirt and a detachable fringe-trimmed cape that dresses up the cotton ensemble.

ONE-A-DAY HOME HINTS

If you move from one house to another, whether in the same town or another, it is customary to tip the moving man. One dollar for the foreman, fifty cents for the helpers is a reasonable figure.

Changing color with the seasons, deer have a reddish or rufous shade in summer and a gray-er, rougher looking coat in winter.

a father-son agreement. This bulletin, says Bates, may be obtained from your local county agricultural agent.

Huntin' AND Fishin'
By **Harve Pennington**

Texas got a break on the water-fowl hunting dates and there seems to be a good quantity of ducks and geese. So if the weather will co-operate Texas hunters may have one of the best fall shoots in recent years. The season on water-fowl opens November 9th and closes December 28. But dates, birds and all will go for naught, as all veteran sportsmen know, unless the weather is right. The hope now, with the season set for 50 consecutive days, is that the cold must be severe enough in the Northern states to send the ducks southward in time to provide shooting for the Panhandle and other parts of North Texas.

The theory is that North Texas gets the better hunting during the early part of the season and the southern part benefits during the latter part. However this does not always work. In fact it seldom does. And the Game and Fish Commission tried to get a zoning system to benefit both North and South. The split season plan was tried and proved unsatisfactory. Thus great hopes are held for the liberal 50-day season for 1951.

Bag limits for ducks are 5 per day and 10 in possession. For geese, 5 in the aggregate per day and 5 in possession. The geese bag shall not contain more than two Canada geese or its subspecies or two white-fronted geese, or one of each. The water-fowl hunting hours will be from half an hour before sunup to an hour before sunset, except on the opening day, November 9, when the shoot will start at 12 o'clock noon.

"I've driven 50,000 Miles, so I know!"

'50,000 Miles No Wear'

with New Conoco Super Motor Oil!"

says C. B. Simonds
Aircraft Communicator
Fort Worth, Texas

"Regardless of weather, throughout the year I have to make trips to the airfield, day or night," reports C. B. Simonds, aircraft communicator. "My car has to be ready to go when I need it. So when I heard the story of 50,000 Miles—No Wear, I changed over to new Conoco Super Motor Oil immediately."

"I've driven considerably more than 50,000 miles since I changed to Conoco Super. So I know—50,000 Miles—No Wear has certainly been true for my car. It still runs like new, and my gasoline mileage is as good, too! Conoco Super's the oil for me!"

Change Now—For Summertime Performance All Winter! Protect your engine from winter's rasping wear. Change to new Conoco Super Motor Oil, with OIL-PLATING. Get quick starts, fast pickup, better performance all winter.

Proof of 50,000 Miles—No Wear! After a punishing 50,000 mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Factory finishing marks were still visible on piston rings! Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

Sims Family In First Reunion

Sixteen cousins met for the first family reunion at the Thompson Park in Amarillo Sunday, Oct. 7. The cousins are the children of four Sims brothers that are deceased. With these sixteen cousins came a host of children and grandchildren from California, Colorado, New Mexico, Oklahoma, and all parts of Texas. There was more than one hundred in attendance. They decided to meet again in the McKinsey State Park in Lubbock the second Sunday in September, 1952.

The cousins were Mr. and Mrs. Will Sims, Mr. and Mrs. E. J. Thomas and Mr. and Mrs. Guy Sams all of Lockney. Mr. and Mrs. Charlie Flack, and Anna Sims of Plainview. They are the children of Mr. and Mrs. J. W. Sims, a pioneer family of Floyd County.

Mr. and Mrs. Matt Sims, Mr. and Mrs. E. O. Sims, Mr. and Mrs. John Sims, all of Mobeetie, Texas; Mr. and Mrs. Obed Sims of Amarillo; Mr. and Mrs. J. M. Sims of Dallas; Mr. and Mrs. J. F. Ledbetter of Arch, New Mexico and Mrs. Jessie Wall of Medicine Mound, Texas. These are the children of Mr. and Mrs. J. H. Sims, pioneers of Wheeler County.

Mr. and Mrs. Elbert Bristor of Meadow, Texas and Mr. and Mrs. Emmett Schwartz also of Meadow. There are the children of Mr. and Mrs. J. H. Sims, formerly of Rannels County. Their mother is living at Meadow but was unable to attend.

Mr. and Mrs. C. Frank Sims, San Antonio and Mr. and Mrs. V. F. Wallace, Fort Stockton, Texas. These are the children of Mr. and Mrs. J. D. Sims, formerly of Kileen, Texas. Their mother is living at Goldwaite, Texas but was unable to attend.

The children of the Floyd County families that attended were Mr. and Mrs. J. A. Darden, Mary Jane and Alsie of Manitou Springs, Colorado. Mrs. Darden is the daughter of Mrs. E. J. Thomas; Dale Sims, Mrs. Revis Harris, Lynda and Billie, Mr. and Mrs. C. L. Record and Donna Lyn; all of these are the children of Mr. and Mrs. Will Sims of Lockney.

W. M. U. Meets Monday Evening

The W. M. U. met Monday afternoon in the First Baptist church for Bible Study with Mrs. T. S. Fox teaching the Bible lesson. Mrs. Edgar Hays sang "Have I Grieved Thy Holy Spirit?" Present were Mmes. Guy Sams, E. J. Cobb, I. A. Applewhite, Buck Kellison, T. B. Mitchell, Harmon Handley, Edgar Hays, S. H. Callahan, Luther Rhine, Bill Hodel, Wayne McClain, and Sid Thomas.

Plans were made to visit next Monday, meeting at the church. The next business and social meeting will be held the fifth Monday, Oct. 29, at the home of Mrs. Sid Thomas.

Jimmie Baccus Has Birthday Party

Jimmie Baccus celebrated his second birthday with a party at his home on Wednesday afternoon. Favours of balloons and toy trains were enjoyed by Charlotte McClelland, Larry Cook, Joe Neil Greer, Bobbie Moore, Gary Crapster, Linda Holt, Jimmie Dale Kropp, Joel and Rickey Starkey, Gene Syper, Billy Bollman, and Bruce Baccus.

Priscilla Class Has Social

The Priscilla Sunday School Class of the Baptist Church entertained their husbands with a covered dish supper of baked chicken with all the trimmings at the home of Mr. and Mrs. J. C. Thomas, Jr. last Thursday night.

After dinner the group was kept highly amused by the games Mrs. Carroll Boyd had planned.

Mrs. E. J. Cobb was in charge of the installation of the following class officers for the coming year: President, Mrs. La Rue Glenn; first vice-president, Mrs. Wallace Allen; second vice-president, Mrs. Carroll Boyd, third vice-president, Mrs. Thomas Marr; and Secretary, Mrs. J. T. Spears.

Those attending were Messers and Mmes. La Rue Glenn, Sid Thomas, Udell Cunningham, E. J. Cobb, Thurman Thomas, Wilburn Tannahill, Ross Cooper, Thomas Marr, Carroll Boyd, Tom Moore, Wayne McClain, Wallace Allen, Rhea Mitchell and J. C. Thomas, Jr.

Local People Guests At Dinner Party

Mr. and Mrs. Joe Foster and Mrs. Charlie Boedeker were guests of honor Sunday afternoon at a dinner party given at the Lubbock Country Club by Mr. and Mrs. R. O. Bennett of 1901 31st Street, Lubbock. After the dinner the group enjoyed an evening of canasta in the Bennett home. Those present were Mr. and Mrs. Joe Foster, Mr. and Mrs. Ray Dickey, Mr. and Mrs. Edwin Boedeker, Mr. and Mrs. Joe Niesner, Mr. and Mrs. Charlie Boedeker and the host and hostesses, Mr. and Mrs. R. O. Bennett.

DO AS THE ROMAN!

For gals who like to look fresh and trim despite sultry heat, here's some sage advice — "Do as the Roman does!" Glamorous! Busy Roman, popular rayon dress, actress, dons a crisp cotton skirt and white tuckled halter. In her cool cotton outfit, complete to cotton-aring gloves, Miss Roman seems blissfully unaware of summer heat.

Busy Mother's Class Has Social

The Busy Mother's Class of the Methodist Church met Wednesday, Oct. 3, for an all day meeting. They quilted a quilt to be sold for the benefit of their class. At noon a covered dish lunch was served and enjoyed by the ladies. The singing and devotional, held in the afternoon, was led by Mrs. Pearl Hall and Mrs. Stinebaugh. The next meeting date will be November 7. Those enjoying the social were Mmes. E. R. Harris, W. H. Fields, Pearl Hall, L. G. Morris, J. H. Weathers, Les Floyd, Henry Easley, Lura Stinebaugh, Lois Bybee, T. T. Threet, W. L. Thomas and Hugh Counts.

Study Club Meets With Mrs. Mitchell

The El Progreso Study Club met last Wednesday afternoon, Oct. 10, in the home of Mrs. T. B. Mitchell. Mrs. E. J. Cobb discussed rheumatic fever and Mrs. Frank Perkins discussed miracle medicine. Refreshments were served to Mmes. Clyde Applewhite, I. A. Applewhite, G. M. Brunner, Hershel Carthel, E. J. Cobb, Dee Copeland, Leslie Ferguson, Edgar Hays, Henry Hodel, L. M. Honea, Chester Mitchell, Frank Perkins, Guy Sams, C. J. Taylor, Sid Thomas and the hostess, Mrs. T. B. Mitchell.

Next meeting will be October 20 in the Methodist Church at 3 p. m. Mrs. Grace Weiborn, a member of the Tech faculty, will review Alan Paton's novel, "Cry the Beloved Country."

Billie Doyle Hartley Accident Victim In Korea Oct. 4

Mr. and Mrs. D. G. Hatley received word from the War Department that their son, Billy Doyle was killed on October 4. The telegram stated further information would be forwarded.

Billy joined the Marine corps in January of this year and received his boot training at Camp Pendleton, California and then was sent to Camp Deimar. Billy was home on a furlough in August, before leaving for Korea. He shipped out for Korea on September 15. His mother's last letter from him was dated September 20, stating he was enroute to Korea.

Billy was born on February 2, 1932 in Floydada and attended the Floydada schools. At the time of his enlistment with the Marines, he was employed by the Apache Oil company, with the seismograph crew in Floydada.

Billy is survived by his parents, four brothers, Charles and Spencer of Floydada, Burl of Des Moines, Iowa, and Dwain Hatley of Los Angeles, California. His grandparents are Mr. and Mrs. J. A. Hatley of Dougherty and Mrs. J. T. Spence of Fort Worth.

Mr. and Mrs. Floyd Douglas, Shirley, Joan and Hugh of Kismet, Kansas spent the week-end with the Fritz Schacht family. Mrs. Douglas and Mrs. Schacht are sisters. Mrs. L. G. Morris, who has been here for some time receiving medical treatment, returned home with the Douglas' to spend a week.

OFFICE SUPPLIES at The Beacon Office.

Lockney Home Demo Club Met Thursday

The Lockney Home Demonstration Club met Thursday, Oct. 11, in the home of Mrs. Henry Bollman for their regular meeting. Roll call was answered by giving "a happy memory of home."

The program was on "Family Life." Mrs. L. M. Honea gave an article on health and Mrs. L. W. McCuiston on "Growing Old Graciously."

Mrs. Bollman gave a demonstration on making attractive gift wrapping paper from scrap paper. Some very pretty designs were shown by Mrs. F. L. Brown and Mrs. L. W. McCuiston in this paper.

Refreshments were served to Mmes. F. L. Brown, J. H. Cooper, J. E. Tierce, L. M. Honea, E. L. Stapp, L. W. McCuiston, Thomas Marr and Mrs. Bollman.

The next meeting will be Oct. 25 in the home of Mrs. J. H. Cooper. The program will be "Hand Made Christmas Gifts." Everyone is urged to bring at least one gift they made or someone made for them and furnish a pattern if possible. This will be the day to elect officers also.

High School PTA To Meet Monday

The Lockney High School Parent-Teacher Association will meet Monday night at the City Auditorium, it was announced this week by Mrs. Joe Parrish, president. The meeting will be called to order at 7:30 p. m.

Featured speaker for the meeting will be Mrs. J. D. Copeland, who will speak on the subject "Who Bends The Twig?" Barbara Carthel will sing a solo accompanied at the piano by Louise Parrish. Gerald Chambers will lead a group song.

A business meeting will precede the program for the evening. All parents are invited and urged to attend.

Sgt. John H. Hare Going Overseas

Westover Air Force Base, 9 October.—John H. Hare, Jr., Sergeant, assigned to the 60th Fighter-Interceptor Squadron at Westover AFB, has received his orders to report in the near future to the Far East Air Forces. He is the son of Mr. and Mrs. John H. Hare, of Lockney.

Sergeant Hare performs duties as a senior aircraft mechanic on the speedy F-86 jet Sabre planes which are doing such great service in Korea. The well wishes of the airmen and officers here go with him on his new assignment because he has gained their respect and praise by the able and efficient manner with which he went about his duties as a member of the 60th.

The airman enlisted in the Air Force at San Antonio, Texas, on January 13, 1947. He completed

his basic training at Lackland AFB. He completed a course at Force school in April of 1948. Sergeant Hare is married and has been making his home with his wife, Marie, their one year old son, Leslie Hare in Chiloppe, near Westover Air Force Base. The Sergeant will receive a furlough before his departure to the states.

Sunday dinner guests V. D. Harris home were Mrs. B. E. Harris, Lockney, and Mrs. J. B. Wolford, Plainview, and Mr. Raymond Nelson, and a sister of Mrs. Harris.

Visitors in the V. D. home last week were Mrs. D. F. Largent, San Antonio, Oklahoma, Mrs. L. a sister of Mrs. Harris.

by Mrs. Murray Julian

With such wonderful fall weather, there is great activity in the cotton fields and in the grain areas. The only ones wishing for rain are the wheat farmers.

Rev. and Mrs. John Allen plan to leave next Sunday evening for Houston, where they will spend the following week attending the Baptist State Convention.

A. B. Rutledge will preach the annual sermon at the Coliseum in Houston, Rev. and Mrs. Allen will drive to Fort Worth the first night and stay with Mrs. Allen's parents, and go on to Houston the following day.

D. M. Fitzgerald from Clarendon arrived at his daughter's, Mrs. Arby Mulder and family on Tuesday afternoon, and spent that night and Wednesday visiting with his grand children and children.

Mr. and Mrs. Billy Stanforth Jr. will leave this Wednesday for Cochiaras Camp, Colorado, where the men will hunt deer up in the vicinity of the Spanish Peaks and around La Veta.

Murray Julian went to Hollis, Okla., Wednesday afternoon to see about cotton hands for his harvest.

Sunday School and Church was well attended Sunday, even though there is a great deal of sickness in the community and everyone is so busy.

Bruce Julian celebrated his seventh birthday with a party on Tuesday, October 9. He brought most of his little friends home with him from school on the bus, and they all played games and had fun until about sundown.

Mr. and Mrs. Malcom Daniels, from Floydada, Mr. and Mrs. Ernest Smitherman and Mr. and Mrs. S. A. Thornton were callers in the home of Mr. and Mrs. George West Sunday evening.

Mr. and Mrs. H. L. Marble and children spent all day Sunday at the home of Mr. and Mrs. Bruce Whitlock, near Lockney.

Mrs. L. T. Wood came back home from Tucumcari, N. M., last week, and reports that her sister is not out of danger yet, as her operation was not performed until this week.

The W. M. S. will meet Wednesday afternoon at 2:30 at the church for an hour of Royal Society, under the leadership of Mrs. Sim Reeves, our new president.

Party Honoring Mrs. Rex Smitherman - A lovely pink and blue shower honoring Mrs. Rex Smitherman was given on Thursday afternoon, Oct. 11, at the home of Mrs. Bruce Whitlock.

Among those who went to the Floydada Co-Operative Elevator Annual barbecue on Thursday evening, were Mr. and Mrs. Will Sims and Mr. and Mrs. John K. West and children.

Last Sunday guests at dinner and for the afternoon at the home of Mr. and Mrs. George West were Mr. and Mrs. Emmet Brookshire and Mr. and Mrs. Howard Stubblefield and children, all from Silverton.

Mr. and Mrs. J. B. Thames and small sons went home from church on Sunday with Mr. and Mrs. Grigsby Milton and girls. They all enjoyed dinner together and spent the afternoon visiting.

Mr. and Mrs. R. N. Nutt and small daughter from Corpus Christi, Texas are here for several weeks on business. They are visiting Mrs. Nutt's sister, Mrs. John Smitherman and family at present.

Mr. and Mrs. George West had a small family reunion at their home Saturday night, and had at supper their children and families. Mr. and Mrs. E. T. Evans and children from Amarillo and Mr. and Mrs. Robert Smith and children from Sterley were present at supper, and the Evans spent the night with the Wests. On Sunday, met at the Robert Smith home in Sterley for Sunday dinner. Mr. and Mrs. Marvin Montague from Silverton were also dinner guests at the Smiths.

Mrs. Milton and Linnie from Lockney, came out to Grigsby Miltons on Wednesday, and they and Mrs. Grigsby Milton attended the shower on Thursday afternoon at Mrs. Bruce Whitlocks for Joy Smitherman. Afterwards Mrs. Grigsby Milton took Linnie and her mother back to Lockney.

The grade school team of South Plains went over to East Mound to play their first game of the year last Friday. The East Mound plays a return game at South Plains this coming Friday. Come out and get a thrill watching these youngsters play.

The South Plains Home Demonstration Club met Wednesday, Oct. 10, at the school house with Mrs. I. H. Parks and Mrs. H. L. Marble as hostesses. Mrs. Marble took the place of Mrs. Guest, who has moved in the last year.

The president called the meeting to order at 2:30 and after the business meeting, officers for the coming year were elected as follows: Mrs. Bill Beedy, president; Mrs. John Wilson, vice-president; Mrs. John K. West, secretary-treasurer; Mrs. J. B. Smitherman, council-delegate and Mrs. M. M. Julian, reporter.

An interesting program was given by different members. Mrs. Bill Beedy gave "Health for Children," Mrs. J. K. West gave a story on "Family Life" and Mrs. Dock Jones presented an article on "Growing old Gracefully," which produced mirth among the members there.

The hostesses served mince pie, cocoa and coffee to the following members, Mmes. Ernest Smitherman, J. K. West, Fred Fortenberry, Grigsby Milton, Bill Beedy, J. B. Thames, John Wilson, Dock Jones and Rex Smitherman. The next meeting is scheduled to meet at the home of Mrs. Rex Smitherman, with Mrs. Ernest Huckabee and Mrs. Hansel Sanders as associate hostesses.

Everybody try to come, for you are to prepare Christmas gifts, and learn new ways of wrapping gifts, etc., under the supervision of Mrs. Lily May Milton.

Mr. and Mrs. Malcom Daniels, from Floydada, Mr. and Mrs. Ernest Smitherman and Mr. and Mrs. S. A. Thornton were callers in the home of Mr. and Mrs. George West Sunday evening.

Mr. and Mrs. H. L. Marble and children spent all day Sunday at the home of Mr. and Mrs. Bruce Whitlock, near Lockney.

The occasion was a family gathering of the Marbles, and a sister from Houston was present, and another sister from Amarillo. The Marbles were all missed at church and B. T. U. Sunday.

Mrs. L. T. Wood came back home from Tucumcari, N. M., last week, and reports that her sister is not out of danger yet, as her operation was not performed until this week. We all hope she has good news from there.

The W. M. S. will meet Wednesday afternoon at 2:30 at the church for an hour of Royal Society, under the leadership of Mrs. Sim Reeves, our new president.

Party Honoring Mrs. Rex Smitherman - A lovely pink and blue shower honoring Mrs. Rex Smitherman was given on Thursday afternoon, Oct. 11, at the home of Mrs. Bruce Whitlock.

On Sunday, met at the Robert Smith home in Sterley for Sunday dinner. Mr. and Mrs. Marvin Montague from Silverton were also dinner guests at the Smiths.

flowers around the pink punch were blue and pink, as were the icing on the frosted cakes. A poem, by Edgar A. Guest, "Whether Boy or Girl" was read by Mrs. Julian, and the same poem was given many years before at the home of Mrs. J. B. Smitherman. Mrs. Rex Smitherman received many beautiful gifts, and was happy to have so many of her relatives present.

Hostesses for the affair were Mmes L. N. Johnson, J. K. West, Geo. West, H. L. Marble, Zack Cummings, H. S. Calahan, Jr., A. L. Stewart, Kendall Cummings, Bill Beedy, Bryant Higginbotham, R. E. Young, L. T. Wood, Will Sims, M. M. Julian, Walter Wood, G. Bean, Carl Daniels, and Ruby Whitlock Present were Mmes. Fred Fortenberry, George Beedy, Hansel Sanders, John Wilson, Frank Brown, Elmo Reeves, Grigsby Milton Sr., A. L. Jackson, Foster Amburn, J. B. Smitherman, E. P. Smitherman, Grigsby Milton Jr., P. M. Smitherman, Revis Harris, Jack Harris, and Linnie Milton. Those sending gifts were Mmes. Nolan Arney, Carl Jarrett, Harry Hartman, Shelby Calahan, I. H. Parks, Raymond Upton, Sim Reeves, W. M. Jackson, Eulan Bradshaw, Arthur Brown, H. S. Calahan Sr.,

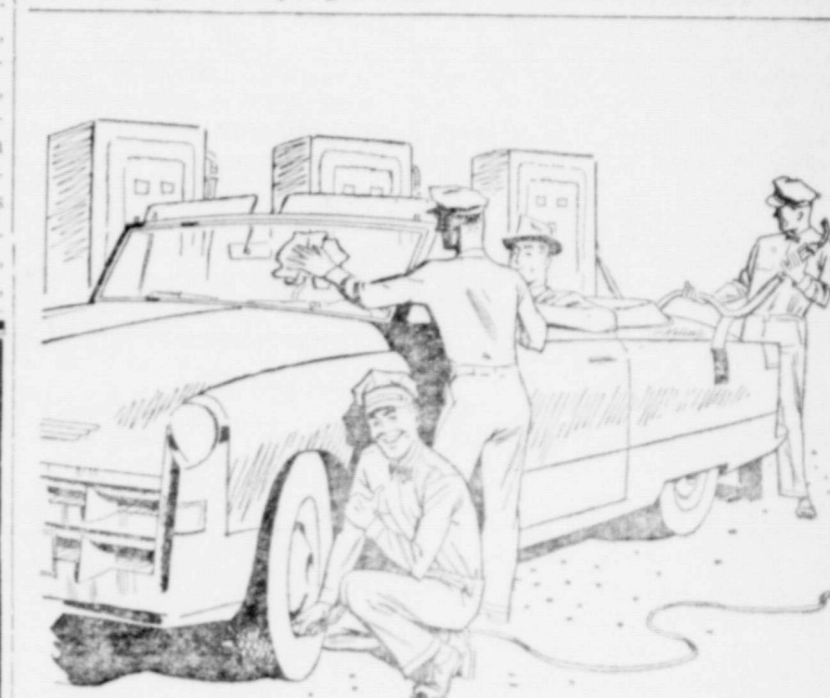

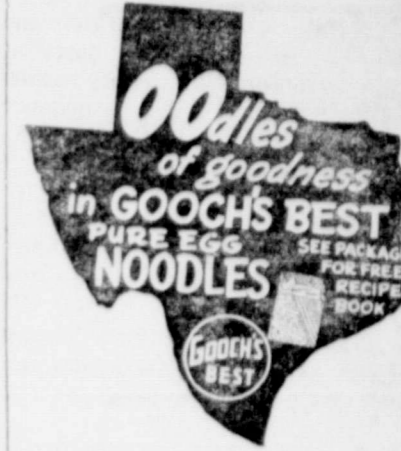

Lenton Lanham, J. B. Thomas, John Allen, Letha Mulder, Dock Jones, A. C. Jackson, Foster Amburn, Billy Stanforth Sr., and Billy Stanforth Jr. Rev. and Mrs. John Allen and Dr. and Mrs. E. E. Joiner visited in the Murray Julian home Sunday afternoon.

Mr. and Mrs. Otho Sanders and children spent Sunday with Mrs. Sanders parents, Mr. and Mrs. C. E. Bartlett of Dougherty. A brother, R. V. Bartlett and wife from Fort Worth was present, too, and they all had a day of visiting.

Mr. and Mrs. Hail and son from Plainview and Mr. and Mrs. Murray Julian called on Mr. and Mrs. Jimmy Davis and children Monday evening of this week.

Mr. and Mrs. Claud Case from San Diego, Calif., have been visiting old friends the past few days and spent Friday night with

Mrs. Rene Yeary. Mr. and Mrs. Chas. Merrick of Lone Star visited Thursday night in the home of Mr. and Mrs. Otho Sanders, and how shocked everyone was to hear of his untimely passing on Monday.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The Beacon will be corrected gladly upon being brought to the attention of the editor.

EDITORIAL

We then that are strong ought to bear the infirmities of the weak, and not to please ourselves.—Romans 15:1.

"Floydada and Lockney had better call off their football games until such time as they can play without bitter feelings and prejudice." This thought has been expressed over and over again to The Beacon man by local people, and we believe it to be a good one. The kind of football game and the demonstrations we all saw last Friday night will do more to ruin the game than anything else. There was no satisfaction in the game either to the winner or the loser. It was a display of poor sportsmanship and bad manners and if all games were of the same calibre most of us would stay at home.

The fault is not all on one side either. We feel that blame can be laid at the door of both groups. The stoning of the Lockney Band and the threatening of officials were certainly things that should not have happened, but we have seen Lockney fans at Floydada do things almost as bad. As we said in this column last week, too many adults take the game too seriously.

Let Uncle Jay Tell You About The
FLASHOTRAC SYSTEM

Baker FLASHOTRAC CO
PLAINVIEW, TEXAS

No doubt but that the officiating was poor. But it was poor for both sides. We find it hard to believe that the officials favored Lockney when they penalized the local team 95 yards to 30 yards for the Floydada boys. Too they all lived at Lubbock and both schools paid them for officiating. We fail to see why they should want to favor the local team.

Under the present system of securing officials, neither school is usually given a choice. They take whoever is sent. Some times we get good officials and sometimes we get poor ones, but whoever we get we accept their rulings and abide by them and make the best of it. That is the only way that it can be done.

This week, October 14 to 20, is designated as Oil Progress Week in which recognition is given to the contribution made by the oil industry to the progress of the nation. In that respect let us call your attention to the contribution made by one group of business men in Lockney to the welfare and progress of this community. That is the service station group. We take these men as matter-of-fact, supposed to do their job, and probably never stop to appreciate what they have done and are doing for the community.

In the first place a service station dealer is very often the first local man the out-of-town visitor meets. The kind of welcome that out-of-towner gets helps a lot to shape his impression of the town and the service station man extends that welcome. His courtesy, his service, his cheerfulness are important assets to the town.

Out-of-town visitors look to service station attendants for information on local stores, amusements and services and his recommendations send a steady stream of customers to local business houses. For all people the service station operators and attendants play a vital role in our way of life. Next to food, clothing and shelter, the service stations provide a service that is more important than anything else to our daily living.

This week special tribute is being paid to the service stations and we salute the operators of stations in Lockney and this community for their contribution to our daily living.

THE AMERICAN WAY

Power - Drunken Driver

With Our EXCHANGES

LET'S LOOK FORWARD
It is still quite a while until the New Year. But our lawmakers in Washington could profitably begin thinking right now about their 1952 resolutions.

We have a suggestion for an item that ought to head the list. It's this: Resolve in 1952 to devote primary attention to the affairs of the moment, leaving to secondary consideration the search into causes and motives behind past events.

The current session of congress has been largely a course in the history of U. S. foreign and domestic affairs in the last decade. Even though our Capitol Hill historians disagree violently over the facts, it's been pretty interesting. But it hasn't helped much in getting us through the maze of current problems. — Wichita Falls Record News.

ARMY ADVERTISING

United States Army is having trouble getting money for advertising out of the 59 billion dollar defense bill. And we hope it has even more trouble. Present plan is to spend about three million in magazines and about five million on a radio band show. The peculiar part of the whole situation is that they do not have money to advertise in weekly newspapers, but they can spend \$17,000 on a comic book which, according to Senator Capehart, was scrapped. This comic book cost \$17,445 just to print.

Bill Stern's 15 minute show on radio cost \$254,000 and the Frankie Laine show \$434,000. Manager of the show received \$1,000 a week. There is another show on radio called "The Big Inning" which is an Army and Air Force program at a cost of \$50,000 for radio time alone. Another program is the "Game of the Week" at a cost of \$81,000. In the New York area they are

sponsoring on television a Roller Derby program at a cost of \$90,000.

With expenditures running into \$3,000,000 for advertising, and since radio and magazines have had this over a period of years, it is time the newspapers were given an opportunity to see what they can do with the campaign.

As we've ached before in this column, as much as we are after advertising, we'd just as soon the government stopped all paid advertising. But if we are to contribute tax dollars to be used for advertising, we'd sure like to get a few of those dollars back since we are in the advertising business. And, as we also pointed out previously, it sort of goes against one's grain to hear these high-powered, high cost Army-sponsored radio programs read their ads in the metropolitan dailies, then be asked by the Army to run the same stuff in our little weekly as a "public service."

Nearly recruiting offices have the gall to send us their releases to run for nothing and then ask us to give them a free subscription to our paper so they can see if we are using their material! Don't misunderstand, the recruiting officers aren't to blame. Their personnel are swell fellows. They are only carrying out instructions from someone higher up. — Tulsa Herald.

MEN OF DISTINCTION

After several children in a Colorado town had been run down by drinking drivers, a huge sign was erected. "Parents, keep your children off the streets. The 'Man of Distinction' may be driving."

Still another portrait which will hardly be purchased by the sponsors of the big whiskey ads: The young Oregon man, Korea veteran, charged with the accidental shooting of a girl at a party. The girl died. "I can't remember how it happened," he told the coroner's jury. "I guess I had too many drinks." — Tulsa Herald.

March 28, 1913

One of the saddest and most unexpected deaths in Floyd County in recent years occurred at Floydada Sunday afternoon when County Treasurer C. W. Thagard passed away. His immediate death was caused from heart failure, which he had suffered with for a number of years. Funeral services were held at the Methodist Church Sunday at 1:30 conducted by Rev. Shearer.

Beginning on May 1, 1913, the Lockney Light and Power Co. will go to a meter rate. On that date every person that is using electric lights is requested to deposit \$7.50, the price of the meter. The minimum rate for meter service will be \$1.50 per month.

Morgan Jones, noted railroad builder, proposes to build a railroad running from Matador through Roaring Springs, Afton, Girard and to meet another one of his railroads at Hamlin.

The work on the Thompson and State Bank Buildings will be resumed in a few weeks. The work was discontinued because of a shortage of facing brick. The brick is expected to arrive any day now and work will start again.

December 24, 1919

A post of the American Legion has been formed by the ex-service men of Floyd County at Floydada. The name adopted for the organization is "The McDermitt Post of the American Legion." It was named for Cpl. Calep McDermitt, son of F. J. McDermitt, who was killed in the Argonne Forrest advance early in October.

Mr. J. R. Mahaffey of the Curlew community, raiser of pure bred Poland China hogs, recently sold to Tom McGehee of the Lone Star community two sows for \$200 each.

Oscar Shurbett, sold a span of mules that brought him \$750. This is the highest price ever paid for a span of mules in Lockney.

ney. Both were more than 20 years old and weighed collectively 2,750 pounds.

The Hotel Wayland view was thrown open to public patronage Saturday its owner, Dr. J. E. Wayne, manager. The hotel is being conducted on the European plan.

May 8, 1920
The home of Mr. and Mrs. Clyde Applewhite was the of a most delightful party Friday evening when the club honored their ladies Misses Grace Wise, Misses man, Thelma Steen, and Be party.

Rev. J. E. Stephens left Tuesday morning for where they will attend the 1951 Conference of the Methodist Church. This is the largest body of the church meets only once in four years.

Now!
CONVERT YOUR OLD LAMP
Into a beautiful, modern 3 light lamp

Now!... the glow of mellow light in your home at night. More light downward to see by, more light upward for indirect room lighting. Little loss of light from dust collecting... bulb and reflector are one... like the sealed beam headlight on your car. A quick swipe of your dust cloth and efficiency restored. AND, less blackening than with ordinary home-type bulbs. Below is illustrated how to convert your lamp so that you can use this new bulb.

Use of this new bulb (either single or three-way light) takes harsh glaring out of your present portable lamps. It gives you soft diffusion... the "Hollywood touch"... you've always wanted for restful comfort of your eyes.

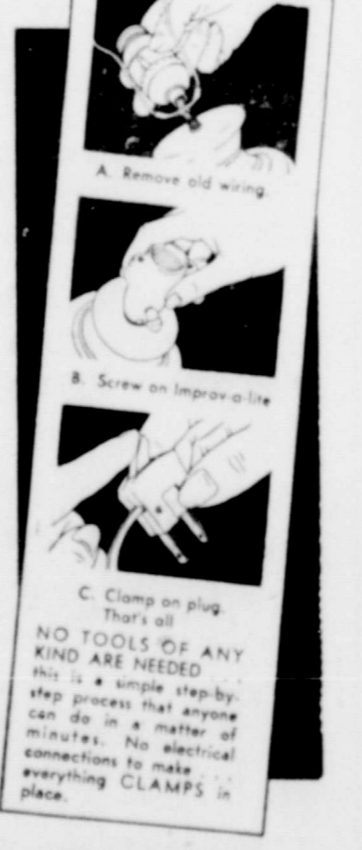

For those type of lamps that have no harp support for shades, there is a broad harp that has a screw-on base. It simply screws on the outside of the bulb socket which, of course, must be the type that is threaded. Your electric dealer can help you.

WHAT YOU NEED TO CONVERT YOUR LAMP

In most cases the harps (shade support) on most portable lamps are not wide enough to permit the use of this amazing new bulb... so you must obtain from your electric dealer the simple materials illustrated.

With the three-way bulb you have a choice of lighting level simply by flicking the switch. Plenty of good light for proper reading... general conversation... or, a "light on while you're out of the house".

Simple Conversion Materials are for Sale at your Electric Dealers

All of the many lovely baby gifts were presented to Mrs. Anderson in a baby carriage. Those signing the guest register which was a baby book including the baby's entire life to be recorded were Mmes. Ben Quebe, Ben Brandes, J. M. Tye, Klyce Ooley, Sam Jones, Henry Sammann, Albert Sammann, Marvin Scheele, Clarence Brandes, Ernest Sammann, T. Cowart, Jack Faver, Hubert Stoerner, Albert Kelm, Leo Boedeker, Walter Boedeker, Willa Mathis, Willie Schmidt and Karl Sammann. The hostesses for the shower were Mmes. Ewald Quebe, Mrs. Wilfred Stoerner presided at the serving table. It was decorated with a lace table cloth, pale pink crystal punch bowl and mints and cake squares, decorated in pink and blue, was served. The flower arrangement of pink and white Chista daisies held in miniature baby scales, made the setting complete. Mrs. Walter Sammann assisted Mrs. Stoerner at the table. Mrs. Charlie Boedeker and Mrs. Albert Scheele also assisted in the serving. Mrs. L. B. Brandes led the group in clever games. One of the games was telling the babies fortune and another one was each guest putting a puzzle together. The result of the puzzle was lovely baby picture.

Kelm-Chester Exchange Vows The Trinity Lutheran Church of Providence was the scene Tuesday Morning Oct. 9th of the marriage of Wanda Chester, daughter of Mr. and Mrs. Doc Chester of Filton, Texas, to Corporal Melvin Kelm, son of Mr. and Mrs. Albert Kelm of Plainview.

Rev. H. L. Anderson read the single ring ceremony. Given in marriage by her father, the bride was attired in a brown suit with pink accessories and a corsage of pink haises.

Miss Ruth Boedeker, friend of the bride, was matron-of-honor. She wore a white and black checked suit with black accessories and a white dasie corsage.

Mr. Werner Boedeker of Plainview, friend of the groom, served as best man. The groom was dressed in full military uniform. Corporal Kelm has been stationed at Ft. Lewis, Washington. He is due to leave for over sea duty Oct. 26. He is to be stationed in Germany.

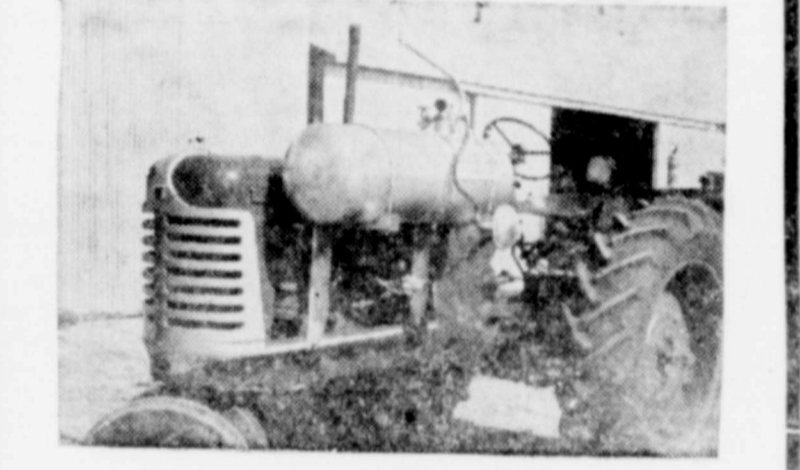

The bride has been attending Olton High School. The long dreamed of lunchroom in the Providence school is now about to become a reality. We now have sufficient funds to begin the project and work will begin this week. Part of the equipment has already been purchased.

Mr. and Mrs. W. E. Johnson entertained the following with Mexican supper Saturday night: Mr. and Mrs. M. C. Scheele and Marie, Mr. and Mrs. Harold McLaughlin and girls, and Mr. and Mrs. J. W. Mathis and Linda, and Mr. and Mrs. Vernon Collins of Borger.

Rheumatic Heart Disease Is Threat

Austin.—Rheumatic heart disease is now the first cause of death among children aged ten to fourteen, and is second only to tuberculosis at ages 15 to 25. Despite the importance of this disease its cause and spread. No vaccine such as those that prevent typhoid fever, diphtheria, smallpox and whooping cough has yet been developed, for its prevention and control. We do know, however, some of the danger signals and with the physician's accurate diagnosis some of the damaging results of the disease may be prevented.

Dr. Geo. W. Cox, State Health Officer, points out that in general the danger signals of rheumatic fever are pain and swelling in the joints of the knees, ankles, elbows or wrists. The pain is usually felt in one of these centers and spreads to the others. Often times a child will get irritable and cross without any visible signs of a good reason for this attitude; he may cry easily or develop habits of nervousness. A physician should be consulted at once in such a situation, for these symptoms may be the beginning of rheumatic fever.

Exposure to frequent chilling, damp or overcrowded living quarters, a poor diet, an attack of scarlet fever, a bad cold or other infection caused by certain streptococcus germs are likely to be predisposing factors in the appearance of rheumatic fever.

According to Dr. Cox the best safeguards against this disease are to have each child and adult examined at least once a year by a physician, to have the right kind of foods for an adequate diet and to have plenty of rest, when the disease is suspected of being present, a doctor should be consulted at once.

Louise Applewhite Elected To Council

Miss Felicia Louise Applewhite of Lockney, a freshman student at Baylor University, Waco, has recently been elected to the council of King House, dormitory annex.

The daughter of Mr. and Mrs. G. C. Applewhite of Lockney, Felicia will serve as secretary-treasurer of the group for the coming year. She attended Lockney High school before entering Baylor.

Bear cubs are surprisingly small at birth, being about eight inches long, and weighing from nine to twelve ounces.

Shivers Salutes Oil Industry

Official recognition came to the Texas oil industry today in the form of a proclamation issued by Governor Allan Shivers designating Oct. 14-20 "Oil Progress Week" in the Lone Star state. In this picture, Shivers signs the proclamation as Roy M. Stephens, Texas chairman of the Oil Industry Information Committee, looks on.

22 Services Are Dropped By OPS

Twenty-two different types of services, which have little effect on the cost of living or which cannot practically be controlled, have been removed from price control, the Lubbock district Office of Price Stabilization announced this week.

Among services exempted are those of real estate brokers, agents and appraisers, labor relations and public relations counsellors and advertising agencies, according to the district price executive, Ted Gehring.

Gehring estimated several hundred such firms are in operation in the Lubbock district which includes Floyd County, along with 68 other Far West Texas counties.

The new regulation, however, points out specifically that watch and clock repair services remain under price control.

Barbers and beauticians, which already had been exempted by Congressional action, are included in the new regulation listing the exemptions. Among other exemptions are claims adjusters; dues and assessments of clubs and associations organized and operated exclusively for social, recreational and other non-profit purposes; justices of the peace; service of mortgage brokers or mortgagees in connection with negotiation, placement and securing of mortgages; newspaper carrier hand delivery services; notaries public; commissions paid to distributors of petroleum products on consignment; process servers; services supplied directly by federal, state, territorial or municipal governments or their agents; ticker services; and tree surgery services.

The exemption concerning municipal services does not apply to sales or services supplied in a private capacity by sub-

contractors, lessees, licensees or concessionaires.

District price executives also reminded sellers of toys, games, Christmas decorations, lace and yarns they must file supplementary pricing charts by September 29 if they otherwise are operating under Ceiling Price Regulation 7 or if these are new categories to their business. This supplementary chart must be filed with the Lubbock District Office of Price Stabilization, 1202 Texas Avenue, Lubbock, Texas.

Dry Ice Protects Food When Power Fails On Freezer

College Station.—Many a homemaker has gone through frantic moments when suddenly the home freezer failed to operate or when the power remained off for a long time.

Foods and nutrition specialists with the A. and M. College Extension Service suggests that dry ice be placed inside the freezer until the service man arrives or the power is turned on again. One or more 50-pound cakes of ice will hold the temperature to about 15 degrees for 48 hours. If dry ice cannot be obtained, do not open the freezer.

Saw or chip the dry ice into pieces and divide them among the compartments, placing the dry ice on a board or heavy cardboard set directly on the packages. Wrap quilts, blankets or other coverings around the freezer to retard a warm-up, but do not cover the air circulation openings around the compressor unit.

If the packages of food have to be refrozen, the specialists advise doing it as quickly as possible. Take the food to a commercial cold storage or locker plant and get it down to zero degrees Fahrenheit. When it is returned to the home freezer, see that the packages contact the sides or coils, with air circulation to expedite the freezing.

Rest For Dairy Cows Will Improve Production Ability

College Station.—The dairy cow is a highly complicated piece of machinery and unless she gets a good rest between lactation periods she may not produce a strong healthy calf nor her full quota of milk.

During her rest period, the dairy cow has three important jobs to do, says R. E. Burleson, Extension Dairy Husbandman of Texas A. and M. College. She must recover from a heavy milk producing period, build a calf and store up reserves for the next lactation period. How well she does these jobs depends upon the length of the rest period and how well she is fed and cared for during the dry period. She needs from six to eight weeks rest, good care and a good ration.

A good cow, during heavy peak production, will deplete her body reserves of minerals and nutrients, says Burleson. Unless she is given sufficient rest and proper care and the right feeds, lower production during the next milking period will result.

The problem of feeding the dry cow is practically solved if she has access to a good pasture. If a good pasture is not available, hay and silage should be fed liberally, says Burleson. The amount of grain to feed will depend upon the condition of the cow, but generally the same grain mixture can be fed to the dry cows as is fed to the milking herd.

Burleson says, every dollar that is put into a good, dry cow ration is a wise investment. Here's the reason: a dairy cow that is well fed and cared for during the dry period will very often produce 25 per cent more milk during her next lactation period. And it's milk in the market that counts in the dairy business.

Traffic Warnings Count Against You

Austin.—Remember that last Highway Patrolman who stopped you for a traffic violation and warned you but didn't write you a ticket because you "talked him out of it?" Well, don't be so sure that you got off scot free!

W. J. Elliott, Chief of the Texas Highway Patrol, announced today in Austin that every time one of his men stops a motorist and lets him off with a warning the officer makes out a warning

ticket which contains driver's name and address, vehicle type and registration date, location and nature of violation. The motorist gets a copy of this so Elliott says, but a copy forwarded to the Department of Public Safety where it is part of his permanent record.

And, here's the bad news: many of those warnings like to many other accidents will bring you up on the carpet to see his driving privileges revoked.

The procedure was in effect on September 1, according to Elliott, the avoid having your name up with you in the having accidents, tickets, or getting warnings. "Safe, sane and sound" that comes through the way to avoid the "news," says the Chief.

Baker Hardware Co.

Lockney

LONGHORNS 6, WHIRLWINDS 0

Statistics	Floydada	Lockney
Points	16	7
Yards	294	93
Passing	8	46
Interceptions	5	10
Penalties	2 for 25	3 for 24
Receiv. yards	2	1
Receiv. TD's	95	30
Receiv. TD's	2	3

whom were from Lubbock. The statistics indicated the Longhorns had a much better edge than the score, even in penalties. The Longhorns were penalized 95 yards to 30 for the Whirlwinds but, of course, the Whirlwind fans were unhappy about the nullified scores.

Since Floydada plays in District 3-AA and Lockney in 3-A the game will have no bearing on district standings. This is the first year in history that the teams have not been in the same district.

A summary of the game follows:

The Whirlwinds won the toss and chose to defend the south goal because of the wind advantage. The Longhorns received the kick-off returning it to their own 41. With Ferguson, Baker and Smart alternating in carrying the ball, the Longhorns made 5 and then a first on the Floydada 46, made 2 and 3, lost 3 and kicked out on the Floydada 27. Dennis Wilkes, Floydada back, took off around his own left end and ran to the Floydada 48 for a first down. The 'Winds made 3 and then fumbled with a Longhorn covering the ball on the Lockney 47 1/2 yard line.

The Longhorns started moving, making 2 and 3 and then a first down on the Floydada 26, they made 4 and 3 and then a fumble gave the Whirlwinds the ball on the Floydada 19. An attempted end sweep lost 4, a pass was incomplete and the 'Winds kicked to the Lockney 32.

The Longhorns started another drive, making a first on their own 46 in two plays and a first on the Floydada 37 in three plays. It took four plays to make a first on the Floydada 26, they made 2 and 3 and then a 15 yard penalty against the Longhorns set them back. They completed a pass good for five and a running play made 2 with Floydada taking the ball over on their own 25. They made 4, the Whirlwinds were penalized 5, the Whirlwinds made a first on their own 35.

They made 1 and then Ray Ferguson, playing defensive end, broke through to throw the ball carrier for a 7 yard loss. On the next play Thompson intercepted a jump pass giving the Longhorns the ball on the Floydada 32.

The Longhorns made 0, 1, lost 2 and made 3 and the 'Winds took the ball on their own 30. They made a first down on the Floydada 40, Norton Baker went through fast to drop the ball carrier for a 9 yard loss, a screen pass was completed for no gain and then a jump pass to Stovall was good he eluding three or four tacklers to cross the goal line. However, a clipping penalty against a Floydada player brought the ball back to their own 49 yard line. The Longhorns were penalized 15 on the next play, giving the Whirlwinds a first down on the Lockney 37. The Whirlwinds were penalized 5 and then in turn the Longhorns were penalized five. A pass was incomplete and the punt rolled dead on the Lockney 12. The Longhorns made 3 and a first on their own 21, made another first on the 33 in three plays. They made 4, lost 1 and kicked to the Floydada 3 but a Longhorn made the mistake of touching the ball inside the 10 and it was put in play on the Floydada 20.

The Whirlwinds made a first on their own 31 in three plays, made 1 and then a jump pass was good with the ball carrier going all the way. However the score was again nullified when the head linesman called an off-side penalty against the 'Winds. They made 1 and 3 and then kicked out on the 50.

The Longhorns made 4, a pass was incomplete, made another 4 and then Ray Ferguson dropped back to pass, couldn't find a receiver and ran to the Floydada 23 for a first down. A pass was incomplete and another pass was intercepted with the Whirlwinds taking the ball on their own 26 as the half ended.

Bands Perform

The Floydada Band marched smartly out on the field at the beginning of the half-time period, first forming a heart, a fire-cracker which exploded and then they formed a double L for the Lockney Longhorns.

The Longhorn Band, under the direction of Gene Trimble, put on one of their most interesting demonstrations this year. The playing lights were turned off and the band formed at the south end of the field each with a small flashlight in his hat. The majorettes and drum major had batons with lights on each end, and they marched down the field first in a V for victory formation. Coming back they formed an F for Floydada and then an LHS, with the lights showing up the formation nicely in the moonlight.

At the start of the last half, the Longhorns chose to receive, returning the kick to their own 40. They made a first on the Floydada 48 in two plays, made a first on the 35 in two more, made 2, 5 lost 1 and made 2 with the Whirlwinds taking the ball on their own 28. The 'Winds made 0 and 3 and then kicked to the Lockney 48. The Longhorns made 2, 1, and nothing and kicked with the safety man picking up the ball behind the goal line and returning it to his own 9. The Whirlwinds made 1/2

"The only agreement I could ever make with the Socialists was that we could never agree."

yard, and then 9, lost 2 and kicked out to the Floydada 31. The Longhorns made 1, 1, 6 and then a first on the Floydada 18. They were penalized 5 and then Ray Ferguson dropped back and passed to Teddy Carthel, left end, for the score. The hold man fumbled the kicking try and the score remained 6-0.

The Whirlwinds received and returned to their own 45. They made 0, a pass was good for 2, a pass was incomplete and then Barry Thompson, big Longhorn center rushed through to block the kick, giving the Longhorns the ball on the Floydada 46. They made 0 and then C. B. Smart raced around his own left end for the score behind some fine blocking. This score was also nullified by a 15 yard penalty on the Longhorns. The Longhorns fumbled on the next play, giving the ball to the Whirlwinds on the Lockney 41. The Longhorns were penalized 5 and on the next play they threw the Whirlwind ball carrier for a five

yard loss. The 'Winds' passer threw a long pass with the intended receiver and defensive back Bill Sherman for the Longhorns both getting their hands on the ball. Both held the ball until Sherman managed to take it away from the other man but the pass was ruled completed and the Whirlwinds took the ball for a first down on the Lockney 19. They lost 2 and a fumble gave the Longhorns the ball on the Lockney 26. They made 6, were penalized 15, made 12 and then a first on their own 44. With Ray Ferguson driving hard into the line the Longhorns continued to go, making a first down on the Floydada 46. They made 4 and then a fumble gave the Whirlwinds the ball back on the Floydada 41. On the first play, the 'Winds passer completed one out in the flat. He was tackled by two Lockney players but managed to hand the ball off to another Whirlwind who ran all the way. However the officials ruled that the first receiver was stopped when tackled by the Longhorns and the ball was brought back. A pass was incomplete, the Longhorns were penalized five, they made 3 and then a fumble was recovered by a Longhorn but the play was nullified by a 5 yard penalty against the Longhorns, giving the Whirlwinds a first down on the Longhorn 46. The 'Winds were penalized 5, they made 13 and then a first on the Lockney 35. They made 8, a pass was incomplete, and then lost 17 in an attempt to pass. The kick was over the goal and the ball brought back to the Lockney 20. The Longhorns lost 1, made 4 and a first on their own 34. They made 5, nothing and 3 and a

first on their own 45. They made nothing in two tries, made 7 1/2 and 2 and Floydada took the ball on their own 46. A pass was incomplete and Smart stepped in to intercept the next pass and return it to his own 41. The Longhorns were penalized 5 as the game ended.

This year, through September 22nd, the National Foundation for Infantile Paralysis shipped 52 iron lungs to Texas hospitals.

Boy Scout Fund Drive Begins Here

A breakfast at the Baker Hotel Coffee Shop Monday morning saw the beginning of the annual drive for funds for the Boy Scout movement in this area.

F. L. Brown is chairman of the drive here and has plans set up for a solicitation drive in the area. The money raised in this drive is part of the Scout district budget and goes to pay for field Scout representatives as well as maintenance of the office at Lubbock and other expenses incurred by carrying on of the Boy Scout movement.

Get your office supplies at The Beacon Office.

You May "Retire" And Still Work Under S. S. Rules

It is not necessary to be wholly or permanently "retired" to get retirement payments under the Old-Age and Survivors Insurance system, according to John G. Hutton, Manager of the Lubbock Social Security office. The numbers of people coming into his office confused on this point prompted him to make the explanation.

"Actually," Hutton pointed out, "the new social security law makes it possible for insured people 65 and over to collect retirement benefits while still earning up to \$50.00 per month on covered jobs. The old limit of \$14.99 was changed on last September 1. The \$50 limit does not apply to people age 75 or over."

"The law is simply that a person between 65 and 75 years of age cannot collect benefits for any month in which he earns more than \$50 from work covered by Social Security. No amount of earnings or income from other sources will affect his right to benefits. Insured people age 75 or over can collect even though working full time on jobs covered by Social Security, or for that matter, any job!"

"Another point we'd like to get across," Hutton continued, "is that anyone now age 65 or over very likely is insured if he has worked as much as a year and a half, at any time back to January 1937, on Social Security-covered jobs."

Mr. Hutton invites residents of this area who are eligible for benefits under the new law to get in touch with his office, located at 1311 Texas Avenue, Lubbock, Texas.

Mr. Hutton will be in Lockney at the Post Office on Tuesday, Oct. 23rd at 2:30 p. m. to assist persons in Social Security matters.

Jack Cole Here On Leave

Pvt. Jack Cole, his wife and baby arrived here last week end to visit his mother, Mrs. Della Willmon. Jack has a 21-day leave. He has been in school at Fort Sam Houston, San Antonio, but will report back to Camp Stoneman, Calif., from which place he expects to be shipped to Korea. Jack is a medical tech-

Washday for the Army means a big job for the men who operate a field laundry for U. S. troops. The cotton uniforms pile into a small mountain waiting their turn in the mobile washing machine. Portable washers like these make it possible to supply clean, fresh cotton clothing to U. S. fighting men.

LETTERS TO THE EDITOR

10 October, 1951

Yon Chon North Korea

Dear Editor: Just a few words of appreciation to the receiving of your paper. I am very grateful to you for your trouble.

It helps not only myself, but many others from towns near to know what is happening at our homes and communities.

It especially helps us keep up with the football games.

Sincerely yours,
Henry M. McPherson.

Roy D. Glover Is Made Sergeant

Corporal Roy D. Glover, son of Mr. and Mrs. A. K. Glover, Box 321, Sterley, Texas, was recently promoted to the grade of Sergeant at Lakenheath Air Force Base, Suffolk, England, where he has been assigned since last March as a fabric and dope mechanic (aircraft).

Entering the Air Force in September of 1950, Glover attended the Aircraft Fabric and Dope Mechanic School at Chanute AF Base, Illinois, before his assignment to the United Kingdom and Lakenheath AF Base.

A graduate of the Lockney High School, Glover attended Texas Tech before entering the military service. He was formerly employed by the Fort Worth and Denver City Railway Company as a telegraph operator.

OFFICE SUPPLIES at The Beacon Office.

Bridgewater Talks Of Rotary Objects

The four objects of Rotary were stressed in a talk by P. F. Bridgewater, governor of the 183rd district of Rotary International, last Friday noon before the Lockney Rotary Club.

Mr. Bridgewater urged upon all Rotarians that they take time to consider and carry out the idea of "Service Above Self," the Rotary motto, and that they do their part in community service, club service, vocational service and international service.

Mr. Bridgewater complimented the Lockney Club upon their work and expressed his pleasure in meeting with the officers and members of the club.

He was introduced by Jess Cox, president of the local club. A large attendance of local members and visitors from other clubs heard the governor speak.

No Controls On 1952 Cotton Crop Planned

Washington — Secretary of Agriculture Brannan announced Monday that next year's cotton crop, as was the case this year, will be grown free of government planting allotments and marketing quotas.

Despite this year's big crop, the cotton supply continues below the levels at which, under farm law, the secretary would be required to impose production controls to prevent a price-depressing surplus.

Brannan estimated the total supply at 20,852,000 bales for the current marketing year.

Wileys Attend Houston Meeting

Mr. M. W. Wiley, president of the First National Bank of Lockney and Mrs. Wiley were in Houston October 12 and 13 as part of a group of Texas and Louisiana bankers attending the fifth annual Bankers' Clinic held by First National Bank in Houston.

While at the clinic the bankers heard addresses by nationally prominent personalities, including Dr. Arthur M. Smith, Chief Agriculturist, Mathieson Chemical Corporation, Baltimore, Maryland; Val Jean McCoy, Shell Oil Company; Allan B. Kline, President, American Farm Bureau Federation, Chicago, Illinois and F. M. Law, Chairman of the Board of Directors of the First National.

A luncheon with the Houston Farm and Ranch Club and a party, dinner and floor show at the River Oaks country club were among the social activities on Friday. Saturday the visitors were First National's guests at a barbecue and the football game in Houston Stadium between Rice Institute and Navy.

B&PW Rummage And Bake Sale St.

The Lockney Business & Professional Women's Club will hold a rummage and bake sale Saturday at the Wanda Baker building two doors south of The Beacon office.

The sale will begin at 3 p. m. and the club will offer good used clothing for sale and also cakes and pies provided by the members of the club. People of the community are invited to stop by and purchase a cake or pie for the week end.

School Turns Out At 2:15 Each Day

The Lockney schools have speeded up the daily schedule and pupils are being released at 2:15 each day now in order that they may aid in the cotton harvest. Supt. Sidney Reeves said Monday.

The short schedule will continue for two or three weeks and possibly longer unless bad weather sets in, in which case the regular schedule will be resumed, Mr. Reeves said.

WEST TEXAS GAS MOVES OFFICE

The West Texas Gas Co. has moved their local collecting station from the City Office to the Pinner Insurance Office here, it was announced this week. Fay Pinner has been named local collector for the utility company.

GO TO CHURCH SUNDAY.

Cooper Expresses Thanks For Cooperation

Earl Cooper, city officer, this week expressed his thanks to the people of the city and this area for their co-operation in observing the "no double parking" edict laid down last week by the City Council. He said that very few people had violated the ordinance and that almost every

one had been very helpful co-operative.

In every county in Texas is a volunteer chapter of the March of Dimes organization which helps with polio victims.
