Gas Extended Rights Addition

Gas Company has extended an extension of installing 2100 feet into western Heights addition Lockney, across Highway southwest part of according to Dillon local manager. The and replaced the and repaired the alley on each side of South Main.

Mrs. Charlie Smith spent Saturday in visiting relatives.

Floyd To Get Another Oil Test

Suntex Oil Company of Oklahoma City will drill a 7,600-foot Pennsylvania project, two miles east of the Arick pool, in southwestern Floyd County, according to daily press reports this week. It is the No. 1 D. Cordova, 330 feet from south and east lines of section 25, block K, T1 survey. Drillsite is on a 129-acre farm out from Honolulu Oil Corporation.

Band To Present Men's Quartet

The Lockney High School Band will present the Four Sharps and a Natural, a quartet composed of Plainview businessmen, at the City Auditorium on Thursday night of next week, November 9. The program will consist of an hour and a half of all types songs, including religious hymns, spirituals, secular songs, deep South, westerns, gay nineties, Stephen Foster medleys and others. The quartet includes Riley Armstrong, singing the lead, Homer Garrison, first tenor, Ernie Brock, second tenor, Emmett White, bass. The men are very good, according to reports reaching here, and it is expected that a large crowd of out-of-towners as well as local people will be here to enjoy the program. They are donating their time without cost to the band and all proceeds will go to the band without any deductions.

Admission will be 50c to all, according to Mrs. Joe Foster, who is in charge of the program.

Will Celebrate 50th Anniversary Sun. Afternoon

Mr. and Mrs. T. T. Threot of Lockney will celebrate their Golden Wedding anniversary with open house at their home in northeast Lockney Sunday afternoon from 2-5. The couple were married at Archer City, Texas, on Nov. 3, 1901. They have lived in Lockney since 1919.

They have five children as follows: Roy Threot and Donald Threot of Amarillo, Virgil Threot of Roswell, N. M., Mrs. Scott McGehee of Clovis, N. M., and Homer Threot of Denver. Most of their children and grandchildren and a large number of friends are expected to be present to help them observe this anniversary.

HAS OPERATION

H. C. Griffiths of Lockney underwent a major operation at the Lubbock Memorial Hospital Wednesday morning. No report as to his condition was available late Wednesday here.

FOUR SHARPS—Pictured here are the Four Sharps from Plainview, a quartet of talented and very versatile men who will present an hour and a half program

R. E. L. MUNCY PASSES AT 82

Rev. R. E. Muncy, pioneer preacher and community builder of Floyd County, passed away at his home in Floydada early Friday morning at the age of 82 years and two days.

Since suffering a stroke in 1942, Rev. Muncy had never been well but had been rather seriously ill for about six months. Relatives attributed his death principally to old age. He was active in attending church services and in Sunday School work up to just recently, however.

Funeral services were conducted at the First Baptist Church in Floydada Sunday afternoon at 2:30. Officiating were Rev. C. A. Joiner of South Plains, another pioneer preacher of the area, Rev. R. Earl Allen, pastor of the Floydada church, Rev. E. J. Cobb, pastor of the Lockney Baptist church, and Rev. Joe Wilson of Fairview Baptist Church. All paid tribute to Rev. Muncy's service to the churches and the people of this area. A large crowd, mostly elderly people, was present to pay last respects to the minister.

Burial was in the Lockney Cemetery beside the grave of his first wife who passed away several years ago. Harmon Funeral Home were in charge of arrangements. Pallbearers were Shirley Race, Judge Alton E. Chapman, Leo Frizzell, Jim Wilson, J. D. McBrien, Clarence Goens, J. F. Biggs and Bennie Teaf.

Rev. Robert E. Lee Muncy was born in Lee County, Virginia, on October 24, 1869. He was married to Miss Hattie C. Southern in Tennessee in 1892. She passed away in 1944. Rev. Muncy's father died in Virginia and he, his family and his mother moved to Texas in 1890, settling in Wise County. They moved on to Floyd County in 1895, first living near Fairview and two years later moved to the present Muncy community. The family moved to Silverton and lived for two years about the turn of the century but then moved back to their home at Muncy.

The pioneer preacher spent almost his entire lifetime preaching at small churches and mission points in this area. He held many pastorates, among them being Floydada, Silverton, Sunset, Lone Star, Whitfield, Center Plains, Runningwater, Lakeview, Campbell, Fairview, Muncy, Mayshaw, Baker, Trick and Hillcrest. Also he preached for extended times at mission points at Lakeview, Matador, Whiteflat, Afton, Bobbitt, Meteor (now Aiken), Sterley, Rockcreek, Haylake (Briscoe County), Pansy, Mount Blanco, Starkey, Roseland, Emma, Estacado.

He was a supply pastor for the Lockney Baptist Church at one time and aided the church in its early struggle to survive.

Miss Newman was well known to people of the Lone Star community as "Aunt Jane."

(Continued on back page)

Meldin Schaffner Is Wounded In Korea

Pvt. Meldin E. Schaffner, son of Mr. and Mrs. A. D. Schaffner of Lockney, was wounded in Korea about two weeks ago, according to a letter received by his parents Tuesday of this week. He is now convalescing in a hospital in Japan. He has 8 pieces of shrapnel in his left leg, he informed his parents in the letter. He said that he dived under a truck just before the shell struck and that saved his life.

Young Schaffner has been in Korea since June of this year and was attached to a heavy artillery unit. He has never lived here but was farming at Tahoka when he was called into service. He reported to his parents that he was getting along fine except that his wounds were still being treated and would require further treatment.

Rains Put Halt To Cotton Harvest

Rains this week have stopped the harvesting of cotton in this area. Gins were catching up with the overflow Wednesday and it appeared that it would be at least Friday before harvest could be resumed even if weather cleared.

Total moisture here the past week has measured 84 of an inch, according to Joe Holt, local weather observer. This includes 27 of an inch on last Saturday, 01 on Sunday and .56 on Wednesday of this week.

Low for the week in the temperature department was Wednesday morning with 35 above. Mr. Holt said. Predictions Wednesday were that temperatures would be no lower than that Thursday morning and higher temperatures and fair weather were forecast for Thursday afternoon.

High and low temperatures for the past week were reported as follows by Mr. Holt with the reading for the 24 hours previous to 9 a. m. on the day shown:

- Oct. 25 — 70-44.
- Oct. 26 — 70-44.
- Oct. 27 — 60-40.
- Oct. 28 — 62-38.
- Oct. 29 — 64-41.
- Oct. 30 — 76-50.
- Oct. 31 — 68-35.

Miss Anna Newman Dies At Austin

Miss Anna Newman died October 22 at her home, Route A, Austin, Texas, according to information furnished The Beacon this week. She was a resident of the Lone Star community for a number of years but was living with her brother, W. M. Newman, at the time of her death. Another brother, David Newman, also of Austin, also survives.

Miss Newman was well known to people of the Lone Star community as "Aunt Jane."

Defendant On Stand In Trial At Floydada

Jack (Pat) Farmer, on trial for murder in the 110th District Court at Floydada this week, took the stand in his own defense Wednesday afternoon, probably the last witness the defense would question. Reports here were to the effect that testimony would probably be completed Wednesday, the arguments heard Thursday morning and the case would go to the jury Thursday afternoon.

Defense testimony indicated that the defendant's case would be based on temporary insanity. Farmer's lawyers filed application for suspended sentence Tuesday in case a verdict of guilty is returned by the jury.

The case was open before Judge Alton B. Chapman Monday morning and the selection of the jury completed at 10:50 Monday night in an extended night session. Examination of 74 of the 108 special veniremen was necessary to fill the jury. The jury included the following men: C. N. Walding, T. C. Hollums, Malvin Jarboe, W. M. Hambricht, Ernest Lee Thomas, Fred Reeves, Greer Christian, L. L. Scott, J. L. Pierson, Connie O'Brien, Lindsey Lackey and Earl Crawford.

Questioning of prospective jurors found the state qualifying the men upon the death penalty while the defense indicated by its questioning that Farmer's plea would be temporary insanity.

The prosecution began testimony Tuesday morning and questioned a number of witnesses. Among them were people with whom Mrs. Farmer had worked and who testified that the shooting victim was very nervous and frightened whenever her husband appeared.

Defense witnesses included the defendant's daughter who testified that her father had done "peculiar" things previous to the shooting.

Farmer is charged with murder in the shooting of his wife at a Lubbock cafe on last March 5 as she worked as a waitress at the cafe.

The defendant is represented by Kenneth Bain Jr., of Floydada, Lawrence Melcher and Clifford Brown of Lubbock. District Attorney D. Travis of Lubbock is being assisted in the case by District Attorney John B. Stapleton of Floydada and Bill D. Tucker, assistant of Lubbock.

Providence School To Have A Party

There will be a Halloween Party at the Providence School on Thursday night beginning at 7:00 p. m. There will be plenty of food and fun for everyone. Proceeds will be used to help furnish the lunch room for the school.

District Title at Stake In Game At Abernathy

Cpl. Bob Smith In China Prison

Cpl. Abner R. (Bob) Smith is a prisoner of war in a prison camp at Peking, China, according to a letter received by his mother, Mrs. Alice Britt of Fayetteville, Ark. Mrs. Britt received the letter last Friday and immediately called relatives here.

Cpl. Smith lived in Lockney most of his life, attended school here and is well known by most local people. His sister, Mrs. Vestal Eiland and two brothers, Lewis and Ross Earl also live here. Another brother lives in Fayetteville, his father lives in Tecumseh, Oklahoma, and another sister in California.

Cpl. Smith was reported missing in action on November 30, 1950. He was fighting with the 2nd Division of the 38th Field Artillery, having been transferred to the 2nd from the 1st Division after considerable service there. He was in the drive to the Yula River and had written his sister here last from Pongsoong, Korea on November 17.

The letter last Friday was the first word that relatives had as to whether he was living or dead. He wrote that he was as well as could be expected and as soon as the war was over in Korea they would all get to come home. He asked for all the people of the United States to pray and stop the Korean War. He asked about his brothers, sisters and friends, and said to tell them "hello."

He has been in Korea since July 23, 1950, and was serving with the service battery of the 38th Field Artillery Battalion.

To Help Develop Thomas' Machine

A. C. Sinclair, chief engineer of the Longreach Machinery Works of Houston, a subsidiary of Anderson & Clayton Co., was in Lockney Monday to inspect the machine recently built here by Sid Thomas to pick up loose cotton off the ground. The company has promised to help Mr. Thomas develop the machine.

Mr. Sinclair in discussing the machine said, "The idea is very good although it will take some developing to work the bugs out."

Mr. Thomas went to Houston last week where he discussed the matter with J. M. Johnson, vice-president of Anderson & Clayton Co. Mr. Johnson offered the services of his company to Mr. Thomas in developing the machine and, of course, it was accepted.

The machine is a 2-row affair with drums over each row to which are attached regular gin saws, hinged at one end. The drums revolve, allowing the saws to fall and drag on the ground as they turn. The saws pick up the cotton and at the top of the revolution brushes brush the cotton from the saws into an auger pit where it is delivered back into the trailer. Mr. Thomas has been working on the machine for several years.

Mass Meeting At Lubbock To Close Methodist Revivals

A mass meeting for Methodist Church members all over this area will be held at Jones Stadium in Lubbock Sunday afternoon at 3 o'clock. The meeting will be the closing service for all the Methodist Revivals which are being held this week in West Texas.

Rev. N. S. Daniel, local pastor, said that the church here had been having good services this week. He reported 23 conversions to Wednesday, and said that members of the church were doing considerable visiting

The championship of football district 3-A will be determined Friday night of this week when The Lockney Longhorns travel to Abernathy to play the Abernathy Antelopes. The game will be called there at 8 p. m. It will be the last conference game for the Longhorns and although Abernathy has one more conference game, that with Hale Center, it will not likely affect the district outcome.

The Longhorns have been worked hard this week. Coach Curtis Kelly said Wednesday and the boys "are ready." There are no injuries on the squad this week outside of reserve back Bobby Dorman. "The boys realize that they are going to have a tough night and they are anxious and ready to go," Kelly said Wednesday. "They say they are going to Abernathy to win and I believe they are."

The Antelopes are undefeated up to this time, their closest game being with Floydada, whom they defeated 26-12 two weeks ago. They have both a passing and running attack and are capable of using either to advantage. Big Harold Cunningham, the Antelope quarterback is capable of passing or running either and another Antelope back, V. Barron, is also a dangerous runner. These two boys give the Antelopes a very potent attack.

Although the Antelopes have not played as tough a schedule this year as the Longhorns, they have won eight straight games, scoring 238 points to their opponents 66. The Longhorns have won six games, lost two and have scored 225 points to their opponents 95.

Comparative records of the two teams are:
Lockney 13, Littlefield 25.
Lockney 6, Olton 0.
Lockney 33, Paducah 26.
Dimmitt 20, Lockney 19.
Lockney 52, Kress 12.
Lockney 6, Floydada 0.
Lockney 54, Hale Center 6.
Lockney 45, Crosbyton 6.

Abernathy
Abernathy 20, Morton 6.
Abernathy 21, Slaton 7.
Abernathy 21, Hermleigh 0.
Abernathy 24, Tahoka 14.
Abernathy 35, Seagraves 0.
Abernathy 45, Crosbyton 0.
Abernathy 26, Floydada 12.
Abernathy 43, Kress 7.

The Longhorn line-up will probably be the same as it has been in the past several games, Coach Kelly said Wednesday.

Estimates 25% Of Cotton Crop In

Probably about 25% of the 1951 cotton crop in northwest Floyd County has been ginned, according to estimates of local ginners. Total ginnings at the four Lockney gins, and the gins at Sterley, Lone Star and Aiken total 14,137 bales Wednesday.

The rains put a sudden halt to the cotton harvesting Tuesday at noon and more rain Wednesday indicated that it would be Friday probably before harvest could be resumed even if the weather cleared.

Harvest labor continues to come in here and O. C. Bailey, local representative of the Texas Employment Commission is placing some labor almost every day he reports.

Providence News

By Mrs. Wilfred Stoerner

Your friend is the man who knows all about you and still likes you.

Mr. and Mrs. Lester Baker visited Mr. and Mrs. R. L. Baker of Plainview Saturday night.

Mr. and Mrs. Lester Baker, Mr. and Mrs. Edwin Barker attended the funeral of their grandmother, Mrs. Alice Hanna of Turkey Friday.

Mr. and Mrs. Marvin Scheele visited their daughter, Mr. and Mrs. Vernon Collins of Borger Sunday.

Mr. and Mrs. Albert Scheele and family were in Amarillo Sunday for divine service at the Beautiful Savior American Lutheran Church. Albert Scheele spoke in behalf of the Mission Advance. They went to Grover to visit Mr. and Mrs. Skit Riley.

Mr. and Mrs. Hubert Stoerner visited her parents, Mr. and Mrs. Adolph Shultz of Littlefield Sunday.

Mr. and Mrs. B. H. Quebe, Mr. and Mrs. Helmut Quebe attended the Tech homecoming and the football game at Lubbock. Mr. and Mrs. Bruce Riglar also attended the football game.

Mr. and Mrs. Calahan of Lockney, Mr. and Mrs. E. A. McLeod were dinner guests of Mr. and Mrs. Helmut Quebe Sunday.

Miss Myra Sue Quebe is spending the week with her grand parents, Mr. and Mrs. E. A. McLeod of Sterley.

Mr. and Mrs. Wilfred Stoerner visited Mr. and Mrs. V. D. Ross Jr. of Hale Center Saturday night. The P. T. A. of Providence is sponsoring a Hallowe'en Party Thursday night at the school. Parents and friends are invited.

Mr. and Mrs. L. B. Brandes and daughter, Debra visited friends in Pampa Sunday, having dinner with Mr. and Mrs. John Mitchell and attending divine service at Lutheran Church there. They visited Mrs. May Skaggs in the afternoon.

Mrs. Melvin Kelm Honored Mrs. Melvin Kelm, formerly Wanda Chester, was honored with a bridal shower Friday in the lovely home of Mrs. Willie Schmidt, Plainview.

Mrs. Schmidt greeted the

guests. In the receiving line were the brides mother, Mrs. D. N. Chester wearing a white carnation corsage, the bride, radiant in attractive rust suit with black accessories, wearing a white corsage and the groom's mother, Mrs. Albert Kelm.

The gift room was decorated attractively in fall flowers. Presiding at the register, an attractive bride's book was Miss Helen Newman assisted in gift room by Mrs. Walter Boedecker.

The serving table was covered with a beautiful miniature with bride and groom surrounded by sprays of brown and gold mums. White napkins with brown lettered Wanda—Melvin with heart shaped cupid. Mrs. Weldon Foster presided at the serving table serving special hot punch, cookies and salted nuts completed the refreshments. Assisting in serving were Miss Ruth Boedecker, Mrs. Sam Newman, Mrs. Leo Boedecker.

Those attending the beautiful fall bridal shower were: Meses, E. Lotta, H. L. Anderson, Albert Scheele, Jack Fayer, Ben Brandes, Wilfred Stoerner, L. B. Brandes, Paul Halter, Al Marr, W. S. Hoffman, Clarence Boedecker, Keith Rankin, Henry Sammann, Ted Boedecker, A. M. Dietrich, J. D. Wardlow, Ernest Sammann, R. L. Brown, W. M. Clark, and Miss Jo Ann Clark.

Sending gifts were: Meses, T. H. Boedecker, A. G. Bonkie, Jimmie Hodel, Bob McDonald, B. F. Sammann Sr., B. F. Sammann Jr., R. C. Matthews, Virgil Brasher, Otto Kelm, L. V. Britin, Hubert Stoerner, Charlie Boedecker, E. M. Quebe, B. H. Quebe, A. B. Lindemann, Misses Rosette Matthews, Marie Scheele, Clara Sammann and Donald Kelm.

Providence H. D. Club Meets

The Providence Home Demonstration Club met Tuesday in

the home of the president, Mrs. Sam Jones.

The meeting opened with the singing of the club song followed by prayer by Mrs. Wilfred Stoerner.

The meeting was called to order by president Mrs. H. L. Anderson, secretary called roll call. Each club member answering with what she remembered most about her home. Everyone enjoyed turning back the clock to their childhood and its happy memories.

Mrs. T. E. Cowart gave an interesting council report.

Mrs. L. B. Brandes gave an interesting article on "Growing Old Gracefully," followed by the topic hints on "Growing as we Grow Older." A poem "One and Sixty," was given by Mrs. Helmut Quebe. A playlet "The conditions of health on rural areas of Texas" by Mrs. H. L. Anderson and Mrs. Wilfred Stoerner was enjoyed.

Mrs. Clarence Brandes gave an interesting display on making Christmas gifts. Several articles were shown, also each club member brought something she had made. Articles included were center pieces, towels, aprons, cup towels, pot holders. Three pieces of hand made articles were chosen to be displayed at Floydada.

Business included election of officers which were as follows: president, Mrs. Ewald Quebe; vice-president, Mrs. Sam Jones; secretary-treasurer, Mrs. Wilfred Stoerner; council representative, Mrs. T. E. Cowart.

Delicious hot spiced punch and cake were served to the following members: Meses, Sam Jones, hostess; H. L. Anderson, Ben Brandes, Ben Quebe, Ted Boedecker, Helmut Quebe, Clarence Brandes, Wergton, Wilfred Stoerner, L. B. Brandes, T. E. Cowart.

The next meeting will be held in the home of Mrs. Clarence Brandes. Members, lets all be present.

MRS. JONES INJURED

Mrs. Judson W. Jones fell last week at her home and suffered some bad bruises but had no bones broken. She is doing fine now, her husband reported Monday. Mr. Jones came in to send The Beacon to a son, Ralph, at Hurley, N. M.

Mr. and Mrs. Bill Wesley Jr. and baby son, Phillip, spent last week here visiting her parents. Mr. and Mrs. Ben McGhee and other relatives.

Miss Pauline Mullins has been visiting friends and relatives the past week in Brownfield, Texas.

Jack Griffith returned from a deer hunt at Co. Butte, Colo., bringing back point buck. Jake spent about week in Colorado.

Rev. and Mrs. John W. Stotts of Tyler, Texas are visiting her mother, Mrs. E. Stotts, this week.

The Plainview Hospital and Clinic Foundation wishes to announce the Association of ROBERT HOLT, M. D. Practice Limited to Diseases and Eye Surgery. Glasses Fitted.

90% For! 10% Against

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

Yes, it certainly seems to be finally about time that the leaders of the three unions stop the delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

END THIS QUIBBLING

On June 15, 1950, an Emergency Board appointed by the President under the terms of the Railway Labor Act—an Act largely fathered by the unions themselves—made its recommendations on certain wage and working conditions ("rules" in railroad language) which had been in dispute between employees and the railroads.

More Than 90% of Employees Accept
Since then, terms equal to or better than the Board recommendations have been accepted by about 1,200,000 railroad employees—more than 90% of the total of all workers. They are represented by 20 of the 23 standard railroad unions.

Less Than 10% Refuse
But three unions—with about 130,000 men, or less than 10% of the total—have refused to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors. These are three of the so-called "operating" unions. Already the highest paid men in the industry, their leaders demand still further advantages over other workers.

In all, there are about 270,000 operating employees. But not all of them, by any means, are represented by BLE, BLF&E, or ORC. As a matter of fact, less than half—132,000 to be exact—are in these three unions. More than half—about 140,000—are in other unions, principally the Brotherhood of Railroad Trainmen. What makes the whole situation so hard to understand is that these 140,000 operating employees are working under wages and rules which the leaders of the other 130,000 say they cannot agree to.

What Do the Railroads Offer?
They offer these three unions the same settlement which was contained in a Memorandum of Agreement signed at the White House on December 21, 1950, by four brotherhoods and the railroads. Later these brotherhoods sought to repudiate this agreement. But on May 25, 1951, the Brotherhood of Railroad Trainmen signed a complete agreement carrying out the

principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

What About Wages?
Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of \$34 an hour (\$2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 19½ cents an hour (\$1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

What About "Cost of Living" Increases?
The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employees covered by signed agreements.

What About the 40-Hour Week?
The White House Agreement calls for the establishment of the 40-hour week in principle, for employees in yard service. The employees can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

What Else Do the Union Leaders Demand?
The continued quibbling of the leaders of the three unions has to do principally with

rules changes, which have already agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal seems to be that having to do with so-called "interdivisional service"—which take in two or more sections.

The union leaders would bar the efficiency in the industry, and in service to the public, by maintaining a situation where they can arbitrarily a railroad from establishing such a divisional run. The carriers propose if a railroad wishes to set up an divisional run, the railroad and the should try to agree on such run conditions which should surround establishment, and if the railroad unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still Rules Can Be Arbitrated
The railroads have not only offered three unions the same rules agreed the BRT and covered by the White Agreement, but have even agreed to mit such rules to arbitration.

The Industry Pattern Is Fixed
With the pattern so firmly established the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E and ORC stop their quibbling and action to make the railroad labor 100% complete. Certainly today's economic and international situation is a united front. And certainly no person has been advanced why these unions should be preferred over the railroad employees.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

Longhorns Erase Crosbyton 45-6

Longhorns erased the Crosbyton Chiefs here last Friday 45-6 to win their third game of the season. Coach Kelly used his first string of the first half and then the game over to the red and B squad during the period. The first stringers lost lustily for the most part but the reserves made up for lack of ability in their own half.

Longhorns scored the first time they had the ball, starting from the 50 yard line and with C. B. Smart dash yards for the score.

Chiefs set some sort of record here by attempting 28 passes during the game. They had 10 of them for a total of 45 yards and the Longhorns intercepted four. The local lads had seven passes with no completions or interceptions.

Downs were 19 for the Chiefs and 8 for the Longhorns. Longhorns gained a total of 144 yards from rushing plays and 14 for a net of 441. Chiefs couldn't do much on the ground, losing 33 for a net of 10 yards on the ground.

The Longhorn reserve Bill Sherman, Lewis Foster, Ray Pinner and Bill Pinner were the big ball carriers and showed up well against Crosbyton county lads. The red and B Squad lines also did good. Sherman again had a long run of making the longest of the night, traveling 84 yards for one score.

Play started with the Chiefs choosing to defend their goal and the Chiefs returned the ball on their own 32. The Chiefs made 6 and kicked out on the Crosbyton 37. The Longhorns were penalized offside, made 7, 3, 2 and

then a first on the Crosbyton 38. They made 4 and then Smart broke through to score from his 34 yard line. Sherman kicked the point and the score was 7-0.

The Chiefs fumbled the kick-off and it was recovered by an alert Longhorn on the Crosbyton 44. The locals made 5, then a first on the Crosbyton 26, lost 4 yards in two plays, tried a pass and made 3 with Crosbyton taking the ball on their own 29. On an attempted end run, Sherman, defensive half for the Longhorns, came in fast to drop the ball carrier for no gain. The Chiefs made nothing in a try at the line and the Longhorns were penalized five, they made 1 and a short kick was caught by Carthel and returned to the Crosbyton 44. The Longhorns made 6 and then Ray Ferguson broke loose to go all the way for the score. The try for point was fumbled and the score was 13-0.

The Chiefs returned the kick to their own 31, made 2, lost 11, made 6 and the kick was brought back to the Crosbyton 44. A pass was incomplete and Smart went for a first on the 34. Sherman made a first on the 17, the Longhorns lost 4, made 7 and 3 and then a first on the 4 yard line. It took four downs to push across against the heavy Crosbyton line with the locals making 0, 2, 1 1/2 and then the score. A penalty nullified the first point and it was missed from the 8.

The Chiefs brought the kick-off back to their 29, lost 2, and the Longhorns were penalized 15 giving the Chiefs a first down on their own 43. A pass was good for a first on the Lockney 25, the Chiefs were penalized 5, lost 5, made 0 and Carthel intercepted a pass and returned it to the Lockney 46. The Longhorns tried two passes, made 0 and the kick rolled dead on the Crosbyton 9. The Chiefs made 2, a pass was incomplete and then Norton Baker came in fast to intercept a pass and return it to the Chiefs' one-foot line. Ferguson drove

over for the score. Another penalty nullified the try for point and the Longhorns couldn't make it from the 18 yard line. Score 25-0.

The Chiefs made a good return of the kick-off, bringing the ball back to their own 40. They failed on one pass but another was good for a first down on the Longhorn 49. Another pass was good for 6, two more failed to connect and the ball was kicked out on the 15. The Longhorns made 6 and 3 and then Ferguson tore down the field behind some good down field blocking 76 yards to score. Try for point failed and the score was 31-0. Crosbyton returned the kick to the 34, completed one pass for 3 yards and another for a first on their own 45 as the half time whistle sounded.

Band Comic A Hit
Hit of the night was the band comic Larry Hammitt, who came on the field struggling into his coat, fell behind in his march, got lost, lost his baritone horn and recovered a tuba in its stead, marched the wrong direction and finally in desperation the drum major, Gayle Sherman, had him tied to the band member in front of him to keep him in place. The stunt made quite a hit with the crowd.

The Longhorns received the kick-off to start the second half of play, returning it to their own 43. The team was made up of reserves for the most part. With Sherman carrying, the locals made a first on the Crosbyton 44, lost 3, made 6 and 3 and then a first on the Crosbyton 24. They made 3 and then Sherman broke loose to run 21 yards for the score. He also kicked the point and the score was 38-0.

The Chiefs returned to the 27 on the kick-off, the Longhorns were penalized 5, a pass was good for 9 another good for a first down on the Lockney 49, and another good for a first on the Lockney 37. A pass was incomplete, the Chiefs made 3. Lockney was penalized 5, they made 0 and a pass was incomplete with the Longhorns taking the ball on their own 29. They made 8, 1 and a first on the 39, made 0, was penalized 5, made nothing, a pass was incomplete and then the big Crosbyton tackle broke through and blocked a kick. The headlinesman blew his horn just as the play developed and most of the boys thought the ball was dead, all except one alert Crosbyton boy who ran and picked up the ball and carried it over the goal line while the remainder watched calmly. The penalty was against the Longhorns and of course, the Chiefs chose the play, the score counting. Try for point was not good and the score was 38-6.

The Longhorns received and returned to their own 39. They made 6, lost 2, made 4 and kicked to the Crosbyton 22. The Chiefs made 8, lost 2, and completed a pass good for a first down on the 41. A Crosbyton pass was intercepted and returned to the Crosbyton 45 but a fumble gave the Chiefs the ball on their own 35 on the next play. Two passes were incomplete and then a running play carried to a first on the Lockney 43. A pass was incomplete, the Chiefs made 6, and then a first on the Lockney 32. They made 2, a pass was incomplete, they lost

9, were penalized 5, and the kick went over the goal.

The Longhorns took the ball on their own 20, made 8 and then a first on the 30, made 1, were penalized 15, and then little Bill Sherman came right through the middle of the line and straight down the field for 84 yards and a score. He also kicked the point and the score was 45-6.

The Chiefs returned to their own 31 with the kick-off, Lockney was penalized 5, and then Lewis Foster stepped in to intercept a pass and bring it back to the Crosbyton 33. The Longhorns were penalized 5, a fumble was good for a 3 yard gain, a pass was incomplete, and another fumble gave Crosbyton the ball on their own 44. The Longhorns were penalized 15, giving Crosbyton a first down on the Lockney 41. A pass was incomplete and the Longhorns were penalized 15 again for a Crosbyton first down on the Lockney 27. Two passes were incomplete, a third gained 8, a line play made 1 1/2 yards and the Longhorns took the ball on their own 16. Foster made a first on the 31, Crosbyton was penalized giving the Longhorns a first on the Lockney 46, a pass was incomplete, Allen Ray Pinner made 6 and Bill Paschal carried to a first down on the Crosbyton 40 as the game ended.

Old Tech Yearbooks Offered For Sale

Lubbock. — The 1951 staff of the Texas Tech yearbook, "La Ventana," is sponsoring a sale of special interest to antique dealers and ex-students.

Benny Bruckner, yearbook

business manager, has announced that from 25 to 100 copies of "La Ventana" since 1928 will be sold this year. Ample out-dated annuals are available for each year except 1935-36, he said.

Ex-students who could not afford the \$5 yearbook while they

were at Texas Tech may find the sale of value, Bruckner said. All issues will go at \$5 a copy, and orders may be placed through the mail, he added.

GO TO CHURCH SUNDAY

DR. J. S. HILL
Naturopathic Physician
Office First House north of American Legion Hall — Lockney.

COME IN - Let us show you how low trucking costs can be!

5,500 reports! NOT the result of manufacturer's testing—but owner-reported figures from on-the-job operations!

It's another Ford first! A complete record of cost-to-run reports, ranging over the whole field of trucking! It's the book of final results from the nationwide Ford Truck Economy Run! See it before you buy ANY truck—see how low trucking costs can be, for loads like yours, in your kind of work!

This book is made up from daily on-the-job running cost reports by ordinary truck operators, doing everyday truck work. There were no "special" models in the Ford Truck Economy Run. Every one of the 5,591 trucks were stock model jobs, equipped with the standard Power Pilot.

What Should It Cost per mile to run a truck? The only way to find out is to check the running cost experience of other men in your kind of work! Now you can do that—for the first time—with this important new Ford service. Only your Ford Dealer has it!

Availability of equipment, accessories and trim as illustrated is dependent upon material supply conditions.

"Only 2 1/4¢ a mile!"

Contractor C. W. Miller (address on request) ran his Ford F-1 Pickup 8,189 miles in the Ford Truck Economy Run. "We spent \$181.41 for gas, oil and maintenance. A running cost of only 2 1/4¢ a mile!"

C. W. Miller

Covers every important truck-using business! Whatever you haul—appliances, bread, gravel, or almost any loads—you'll find on-the-job running cost evidence in this book. Come in and see it!

The Power Pilot is standard equipment on this Ford F-8 BIG JOB and on all today's Ford Trucks. Gives you most power from least gas! The book shows that 1 out of 2 Ford F-8 BIG JOBS in the 22,000 G.V.W. range ran for less than 4 1/4¢ a mile!

FORD TRUCKING COSTS LESS

Because Ford Trucks last longer! Using latest registration data on 2,218,000 trucks, the insurance experts prove Ford Trucks last longest!

Miss Chester Is Bride Of Melvin Kelm

Miss Wanda Chester, daughter of Mr. and Mrs. Dock Chester of Fieldton, was married October 9 to Cpl. Melvin Kelm, son of Mr. and Mrs. Albert Kelm of Plainview. Vows were repeated in the Trinity Lutheran Church at Providence, Rev. H. L. Anderson read the single ring ceremony.

The bride was given in marriage by her father and wore a brown suit with beige accessories.

Miss Ruth Boedeker of Lockney attended the bride as maid of honor. She wore a white and black checked suit with black accessories and a corsage of white daisies.

Best man was Werner Boedeker, Plainview.

Cpl. Kelm has been stationed at Ft. Lewis, Washington and soon is to leave for overseas duty in Germany.

Mrs. Kelm attended Plainview high school and more recently Olton high school.

Young People Have Halloween Party

The Young People's Department of the First Baptist Church enjoyed a Halloween party Monday night, Oct. 29, at 7:30 in the Educational unit of the church. The room was decorated with twisted crepe paper at the windows, halloween pumpkins, cats, owls, and witches. Games of bobbing for apples, fishing for doughnuts, and a paper bag race were played. Brother E. J. Cobb told the group a ghost story that was enjoyed by all. Refreshments of chocolate covered doughnuts and orange pops were served to approximately twenty-five young people.

Home Nursing Courses Completed

Final classes in Red Cross Home Nursing were taught in Floydada and Lockney last Thursday and Friday. Mrs. Roy Wilkes of Pleasant Valley was instructor for the classes and has announced that the following people will receive certificates: Mrs. C. L. King, Lone Star; Ross Cooper, Lockney; Wesley Hay, Sterley; E. M. Quebe, Providence; Weldon Smith and W. C. Wisdom, L. K. Sherman, Raymond Wisdom, Pleasant Valley; Claude Hammitt, Lockney; Carl Daniels, South Plains; Roy Hale, Harmony; Earl Edwards Sr., and O. G. Shearer, Lakeview; Thurmon Perry, Fairview; F. O. Conner, Friendship; Woodrow Wilson, Center; C. L. Catlin, Homebuilders; J. W. Day, Jr., Starkey; and C. W. Denison, Sunnyside.

Each class had visitors or observers. They, as well as the regular students, were enthusiastic over Mrs. Wilkes' teaching.

The class in Home Nursing is part of the activities planned by the Civil Defense Committee of the Floyd County Home Demonstration Council. Mrs. John Hoffman of Harmony is chairman of this committee which will also sponsor a First Aid Course during November.

Mrs. Roy Wilkes will also teach the First Aid Course, according to Mrs. Hoffman. Classes will be held in the Home Demonstration Council Room in Floydada. The classes will be open to non-club members as well as members of Home Demonstration Clubs. The first class has tentatively been set for Monday, November 5. Classes will be held on Monday, Wednesday and Fridays of that week and the next week.

Aiken Friendship Circle Has Meeting

The Aiken Friendship Circle met Tuesday afternoon in the home of Mrs. Leo Duvall with Mrs. Tommie Weathers as co-hostess. The house was called to order at 2:30 by the president, Mrs. Dutch Langfelt. During the business meeting it was voted to meet at 2 o'clock instead of 2:30. Mrs. Lester Carlton directed games that were in keeping with Halloween. Mrs. Tommie Weathers won the first prize that consisted of a huge basket filled with pink and blue articles.

The next meeting is to be in the home of Mrs. Price Webb Tuesday afternoon, Nov. 20, at 2 o'clock.

Delicious refreshments were served to Mmes. Cecil Andrews, Raymond Barr, Dutch Langfelt, D. M. Marshall, R. L. Powell, C. J. Roach, Robert Schoppa, Henry Moore, Robert Kellison, Dorothy Bradley, Oscar Golden, Buck Kellison, and Mrs. Duvall, the hostess. One visitor was present. She was Mrs. Earl Duvall.

Mrs. F. R. Picken's loss is regretted very much. She and her husband, pastor of the Methodist Church, have moved to Plains, Texas, where Brother Picken is to be the pastor.

Watch your expiration date.

Gifts To Be On Display At Floydada

The Lockney Home Demonstration Club met in the home of Mrs. Frank Messimer Thursday evening, October 25 at 2:30. A business meeting was held and new officers elected for the coming term. The officers elected were as follows: president, Mrs. Thomas Marr; vice-president, Mrs. I. A. Applegate; secretary, Mrs. L. W. McCuiston; treasurer, Mrs. L. M. Honea; and reporter, Mrs. E. L. Stapp.

Christmas gifts were shown and four of them selected to be on exhibit in Floydada in the near future. The women whose gifts were selected to be on exhibit were Mrs. I. A. Applegate, Mrs. E. L. Stapp, and Mrs. L. W. McCuiston. The Home Demonstration Club women of Lockney are to decorate a window in Power's Pharmacy. Eleven women were present for the meeting. They enjoyed having Mrs. J. L. Herbold visit them. The next meeting will be with Mrs. I. A. Applegate Tuesday, Nov. 6.

ATTEND the big mass meeting at Jones Stadium, Lubbock, closing service of Methodist Revival, Sunday afternoon at 3 p. m. 9:15.

PTA TO SEW
The Grade School P. T. A. is sponsoring an afternoon of sewing for the hospital Thursday afternoon at the home of Mrs. J. D. Copeland. Everyone is invited to come and bring thimble and scissors.

Aiken W. M. S. Met October 24

The Womens Missionary Society of the First Baptist Church of Aiken met in a regular meeting Wednesday afternoon, Oct. 24, at the church.

The group came to order with the singing of W. M. U. songs, "Jesus Calls Us" and "Come Women Wide Proclaim." Reports were heard from the committee chairmen. It was voted to have a quilting party the next meeting, November 14, at the church to quilt a quilt for the home to Roundrock, Texas, and serve a covered dish luncheon.

Mrs. Neil Snyder conducted the Bible Study. Those answering questions were: Mrs. Treasa Moore, Mrs. Lena Mae Ooley, Mrs. Jessie Tye, Mrs. Ila Mae Dorman and Mrs. Helen Buckner.

W.M.U. Has Business And Social Meeting

The Womens Missionary Society of the First Baptist Church met in the home of Mrs. Sid Thomas Monday, Oct. 29, at 3 o'clock for their business and social meeting. Mrs. Guy Sams gave the devotional and the new year books were distributed. Mrs. Edgar Hays sang "Breath on Me" and Mrs. T. S. Fox led the group in a game. Refreshments were served to Mmes. Guy Sams, H. L. Handley, Hilburn Casey, W. C. Kland, E. J. Cobb, W. S. Rexrode, L. G. Rhine, Edgar Hays, T. B. Mitchell, Bill Hodel, Chester Mitchell and the hostess, Mrs. Sid Thomas.

Mr. and Mrs. Ozzle Young of Bolivar, Missouri spent the week end visiting in the home of their niece, Mrs. Woodson Terrell and family.

Miss Katherine Bryson of Denver, Colorado spent the week end in the home of Mr. and Mrs. R. C. Bennett.

MR. FARMER!

How Do You Propose To Meet The Problem Of Ginning Your Cotton Crop?

A. Some, if not quite a few people, seem convinced that the wise thing to do is haul the cotton off to some distant point to have it ginned.

1. That will be expensive, regardless of what anyone promises to the contrary.
2. The ginner who handles it, if crowded at all, is not likely to be interested in first class service for somebody he never expects to see again.
3. To start hauling it away is not very encouraging to your home town ginner to take his time and render good service on that part of ginned here.

B. Some have argued that storing the cotton on the ground in the open is dangerous.

1. It might be burned up, but the insurance rate on quantities not too large is most reasonable, very inexpensive.
2. It might blow away. That condition can be met very cheaply too. A couple of pieces of chicken wire across the top of a big mound of cotton would easily keep it in place if anchored with stakes weights.

C. No one argues that cotton will damage in a pile in the open weather if properly rounded up and anchored down.

1. In fact, to keep cotton stored for some time when in proper condition tends to cause the oil from the seed to give the sample a much better character—improves the bloom and smoothness of the sample.
2. This ginner would, if he saw that you wanted to give him a chance to handle your cotton, hold the speed of ginning within bounds and give you the very best ginning service possible. Let's talk it over.
3. We are particularly anxious to convince you on this last point. We have already bought an extra set of saw cylinders, and the set in our big gin have been exchanged at 2100 bales and sent to the factory for re-conditioning and will come back as good as new. Every damaged saw will be removed.

D. We respectfully ask your consideration of the above suggestions. This cotton crop can be ginned by the gins in Floyd County in 10 weeks of good weather and at a rate that will hurt nobody. And it is our honest opinion that if you place your confidence in us to do it, it will be money to yourselves, your ginner, and the whole community.

Methodist Notes

Our revival started off in a fine way. Brother Lovelady is bringing some splendid messages. There has been several conversions and a number uniting with the church.

Fifty-two young people from Lockney attended our youth rally at Petersburg. It was a great meeting.

Remember the mass meeting at Jones Stadium Sunday afternoon at 3 o'clock. We want 200 from our church to attend. Our choir will wear their robes and be part of the 500 voice choir that will sing. Three bands will take part. Lubbock, Plainview and Levelland bands. We hope to have 10,000 people at this mass meeting. Bishop Charles C. Seelman will be the principal speaker. If you miss this you will have missed something that you can talk about the rest of your life.

There will be no Sunday night service at any of the Methodist Churches. The revival closes with this mass meeting.

Everyone work and pray. We want a large crowd at church school. The spirit of the Lord is with us. Come and let us worship together.

Newton Daniel, pastor.

ONE-A-DAY HOME HINTS... Children who balk at breakfast can be tempted by cinnamon toast. Make a thick past of soft butter, sugar and cinnamon, spread on bread, and pop under the gas flame of the broiler until it bubbles. Good for after school snacks, too.

Lockney Lodge No. 867 A. F. & A. M. Regular meeting third Tuesday night at 7:30. H. E. FRIZZELL, W. M. E. A. CARTER, Secretary.

Amendments Are Discussed Further

(Editor's Note: This is the second of a series of articles written to explain five proposed amendments to the constitution of Texas. Voters will decide in an election on November 13 whether they shall become parts of the Constitution. These articles are provided by the West Texas Chamber of Commerce as a public service.)

CHANGING STATE PUBLIC ASSISTANCE LAW—House Joint Resolution (HJR) No. 6.

This amendment would rewrite the Constitution's provisions governing old age assistance, aid to the needy blind and aid to needy dependent children.

The changes it would make are fundamental. They are:

1. Remove all requirements that those receiving assistance be citizens of Texas.

2. Remove all requirements as to length of residence in Texas for one to be eligible for such assistance.

3. Permit the legislature to provide \$7 million more per year for public assistance, raising the limit from \$35 million to \$42 million.

This amendment would make two other important changes: first by increasing from \$20 to \$30 per month the amount of State funds that could be paid to those receiving public assistance and second, by lowering the minimum age of blind people who could receive assistance from 21 to 16 years.

AUTHORIZING A RETIREMENT AND DISABILITY SYSTEM FOR APPOINTIVE OFFICERS AND EMPLOYEES OF COUNTIES—House Joint Resolution (HJR) No. 22.

This amendment is similar to the one turned down in 1949 by vote of 20,545 to 92,280 except that it would prohibit any legislative appropriation to pay any benefits. It does not prohibit appropriation of tax funds to pay administrative expenses of the proposed system. It does not prohibit a loan of State funds to the system.

State laws now provide several methods by which counties, or citizens thereof, may set up systems to provide such disability and retirement benefits.

In September 1951 a law became effective that has the following provisions: Any Commissioner Court may place the

county's officers and employees under the Federal Social Security System on the same terms and with the same contributions as are required of employers and employees in private business. Benefits to officers and employees so covered would include death and survivor provisions but not any disability benefits.

County employees covered by any other retirement system cannot be covered at the same time by the Social Security System.

Both the present system that may be administered by counties, and the Social Security System require contributions to the fund by both employees and counties.

Both the present system that may be administered by counties, and the Social Security System require contributions to the fund by both employees and counties.

The System proposed in this amendment does not itself call for any specific method of financing. Under it there could be established, but only in a county-wide election, a system supported entirely by county funds

with no contribution by appointive officers or employees. Any county could adopt the proposed system alone, but its basis could be changed by the legislature at will.

"In our hands reposes the responsibility for the future economic health of our two great nations."—C. A. Putnam, chairman of NAM board, addressing Canadian industrialists.

ATTEND the big mass meeting at Jones Stadium, Lubbock, closing service of Methodist Revival, Sunday afternoon at 3 p. m. 9-1tc.

EDITORIAL

The way of a fool is right in his own eyes, but he thatarkeneth unto counsel is wise. — Proverbs 12:15.

The passing of Rev. R. E. L. Muncy, pioneer preacher, community builder and citizen of this area, renews again the thought that the builders of West Texas are rapidly leaving the scene of their earthy triumphs. Brother Muncy was a strong character, who stood for right, preached the gospel with probably little if any regard for remuneration in earthly goods, and helped to make West Texas a hospitable, livable land. There is no way to add up the influence for good that he has wielded. There probably isn't a Baptist Church in this area that he hasn't helped in one way or another. His unselfish service and devotion to duty is an example that all might well emulate.

There ought to be some way that West Texas people could recognize, honor or remember the pioneers who settled this country around the turn of the century. Some how, they should be honored and revered for the hardships they endured, the simple honesty and character they exemplified, and the great service they have done the great empire of West Texas. In our own community you can easily count the few that are left. It isn't too late to do something to honor and recognize them in the manner they deserve.

Business is booming in Lockney, or had you noticed? The heavy influx of harvest hands has strained the resources of local business houses to care for them and their local customers as well. But the local business man hasn't forgotten his regular customers and still wants to serve them just as well as he can under the circumstances. When harvest is gone and conditions return to normal we all want to settle down and try to give the same good service the customer has a right to expect and enjoy. Meanwhile local people can favor themselves as well as the local merchants by doing their shopping at hours when harvest labor is in the field.

Friday night is THE night for the Lockney Longhorns. The game with Abernathy will probably determine the championship of District 3-A. The Longhorns are a fine bunch of boys who have done a good job of representing their school during this football season. They have played hard every game and whenever they lost it wasn't because they didn't try. Coach Curtis Kelly and his staff have also worked hard and long and they too deserve credit for a good season. We know that a large crowd of Lockney fans will accompany the boys to Abernathy and cheer for them on every play. Let's all boost the Longhorns Friday night—and come what may—win, lose, or draw—let's be good sports about it.

Floyd County, or at least the Lockney area, needs a farmers association to take care of such problems as the securing of Mexican Nationals, etc. What about getting one organized about the first of next year?

Use a wax crayon to write name, address and telephone number inside raincoats and rubber boots to help school children identify their belongings.

There was a hushed murmur, then complete silence from the great crowd as the words of the prayer came from the microphone. Then came the first words of The Lord's Prayer, and football fans glanced up sheepishly at their neighbors as they began to recite the sacred words. But they were not by themselves for their neighbors knew the prayer, too. Soon 40,000 voices were reciting in unison. As far as we could see, not one pair of lips remained still. Prayer is to be a regular thing at the Cotton Bowl at all future football games, it was announced.

Another incident is also worth telling, we think. This was at the Horace Heidt show in Lubbock last week. It was a good program, and a varied one. Every type of talent was displayed and the crowd was enthusiastic. Then Ralph Sigwald, the huge 370-pound former janitor who never had a music lesson in his life, took the stage. Applause for his first number rivaled that given any other person appearing on the stage. Then he returned to sing "The Lord's Prayer." Its acceptance was instantaneous and complete. No other number on the entire program received the ovation given Mr. Sigwald. And we understand

Miss Flo Gregory entertained the Lockney Social Club Friday evening at the home of Mr. and Mrs. E. D. Lewis, seven miles west of town. Cards, music and games were the pastimes of the evening.

Wednesday of this week the Plains people found snow on the ground and an extremely cold wave sweeping over this section. One of the best winter seasons we have had in years is now promised.

The Amarillo Daily Tribune will start publication in February. The Tribune is backed by Amarillo capital and will have a plant second to none in a city the size of Amarillo. They will carry a full Texas leased wire news service in addition to local correspondence throughout the Panhandle.

ness man hasn't forgotten his regular customers and still wants to serve them just as well as he can under the circumstances. When harvest is gone and conditions return to normal we all want to settle down and try to give the same good service the customer has a right to expect and enjoy. Meanwhile local people can favor themselves as well as the local merchants by doing their shopping at hours when harvest labor is in the field.

The heavy cotton yield in this area has not only resulted in a great number of harvest hands here, and booming business for local stores but has probably attracted some characters who are out to make a dishonest dollar any way possible. This type of people usually flock to an area where business is above average and where they may expect to pull a confidence deal, cash a check hurriedly or cheat some honest working man out of his wages. Local farmers as well as local stores ought to be on the look-out for such people. Local officers are already watching for them.

PRAYER AT GAMES?

Is the American public becoming more religious? Following a period of decided cynicism toward religion, it seems to us the pendulum is swinging at last. At the present time 60 percent of the American people belong to some church, the greatest percentage in our national history.

Recently we sat in the great Cotton Bowl in Dallas amid a high spirited crowd like those usually seen at big football games. The clocks indicated that starting time was only a few minutes away. The announcer over the public address system had completed his pregame build-up. Then over the P. A. came the rather startling announcement to a crowd at a football game: "You will stand while Rev. . . . leads us in prayer."

There was a hushed murmur, then complete silence from the great crowd as the words of the prayer came from the microphone. Then came the first words of The Lord's Prayer, and football fans glanced up sheepishly at their neighbors as they began to recite the sacred words. But they were not by themselves for their neighbors knew the prayer, too. Soon 40,000 voices were reciting in unison. As far as we could see, not one pair of lips remained still. Prayer is to be a regular thing at the Cotton Bowl at all future football games, it was announced.

his reception has been the same all over these United States. Yes, we think the pendulum is swinging back toward religion — Trends in Crosbyton Review.

WAR'S END

President Truman last Friday signed a congressional resolution ending the state of war with Germany. The resolution means that Germans no longer are enemy aliens in the eyes of this country. For all practical purposes, of course, the war ended in 1945, but the formalities, it seems, went on and on. After all, it is only a formality that keeps our leaders from calling the action in Korea a war. But it is becoming harder and harder for them to refer to it as anything short of a war — especially when they take a look at the cold figures of 80,000 American casualties. —Lockney County Herald.

WHAT A CHOICE!

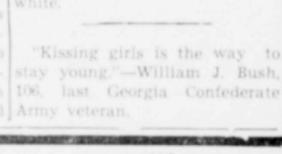

Come November, 1952 voters in this reputed democratic nation can march to the polls or stay away. That is the only choice they will have in the matter of selecting a president. From here, it looks like President Truman and Robert A. Taft. This is the same choice a man has in deciding whether to get his head knocked off or chopped off. The people don't want either of these two, but of course this is a democratic country where a man can vote for whomever he pleases. It is also, it says in the civics book, a place where any man can run for president if he wants. In the battle shaping up between Truman and Joe McCarthy's sleeping mate, Taft, we'll cast a vote for Ossie Fields. He's obviously the best man of the three. —The Rails Banner.

ONE-A-DAY HOME HINTS

An automatic gas incinerator occupies only a small space, about 20 by 20 by 32 inches, but it takes the big job of daily garbage disposal off your hands, according to the Gas Appliance Manufacturers Association. Gay models in red or green are available, as well as the traditional white.

South Plains

by Mrs. Murray Julian

Rev. and Mrs. John Allen returned to their home in South Plains Saturday morning, after having attended the Baptist State Convention at Houston, during the past week. Rev. Allen reported on the convention from the pulpit Sunday morning, how they had enjoyed great speakers, and especially the evangelist, Billy Graham, who spoke to a crowd of 18,000.

Intermittent showers Saturday and Sunday were beneficial to the wheat acreage, but the farmers who are anxious to get their grain cut and cotton out of the fields, are not so happy. We should be grateful for all the moisture that comes our way, for it is very seldom that we do not need moisture.

Mr. and Mrs. J. B. Mercer from Lone Star were visitors in Sunday School and Church on Sunday. They were the guests of Mr. and Mrs. Dock Jones and they spent the day with the Jones. Mrs. Mercer is Mrs. Jones' sister. Mr. and Mrs. I. H. Parks, Eddie and Jay Frank, went to Amarillo after Sunday School and church Sunday to spend the day with Mrs. Parks' mother, Mrs. J. G. Shearer. They returned home on Sunday evening.

The 4-H Club of South Plains met at the school house October 15 and officers were elected for the coming year. President, Kendis Julian; vice-president, Larry Smitherman; secretary, Winfred West and reporter, Eugene Beedy. The first, second and third grades were visitors at this meeting, and members present were Winfred West, Eugene Beedy, Kendis Julian, Larry Smitherman, Alton Higginbotham, Frankie Jones, Price Pritchett, Jerry Cheshire, Ronnie Thornton, Edward Hartman, Roy Hartman and J. Ronald Taylor.

J. B. Thames entertained his Intermediate Sunday School class with a weiner roast on October 23, Tuesday evening, at the school house. Mrs. Thames helped her husband entertain the boys and girls in games, and assisted him in the delicious sup-

per which was served outdoors in the crisp, beautiful evening. Those who attended and enjoyed the party were, Winnie Hartman, Keith Marble, Virginia Taylor, Johnny and Winfred West, Zach Cummings, Terry Julian, Bonnie and Ronnie Upton, Victor Bond, and Johnny Wilson.

This past week end Mrs. Ralph Childress went up to Happy and spent the week end visiting her mother, Mrs. E. A. Franklin, and she also spent some time with other relatives and friends in and about Happy.

Mr. and Mrs. Harry Hartman went to Floydada Sunday afternoon to visit with Mrs. Hartman's mother, Mrs. J. B. Jarnagin, who is out at the Glen Jarnagin home staying with their children while they are absent. Mrs. Hartman had not seen her mother in some time, as she resides in Lubbock, and this is such a busy time that she had not been able to go to Lubbock.

Mrs. J. B. Thames' sister, Mrs. Leslie Morrow, her husband and children spent the week end with Mr. and Mrs. Thames and children. The Morrrows live in Lubbock.

Mr. and Mrs. Rufus Young and children, and Mr. and Mrs. Ted Pitts and son, who visited the Youngs over the week end, were Sunday dinner guests at the Grigsby Milton home.

W. M. Staniforth's mother, Mrs. W. M. Staniforth, from Gainesville, arrived Wednesday to be guests at the Staniforth home for some time. Mr. and Mrs. W. M. Staniforth Sr. have been caring for the children of Mr. and Mrs. W. M. Staniforth Jr. while the latter have been away in Colorado for the past ten days on a deer hunt. They also spent several days at the Broadmoor Hotel in Colorado Springs while they were gone. The Jr. Staniforths arrived home Sunday evening.

The South Plains PTA met on Friday afternoon, October 26, to put the final touches on their plans for a Halloween party given on October 31 at the school house. It was announced that school will be closed for the next two weeks, while the busy cotton pulling season is here. Unless there is a heavy rain, school will not open at South Plains until November 12.

Mr. and Mrs. Murray Julian made a business trip to Lubbock Tuesday. Mr. Julian spent several hours at the sales ring in order to see how cows and calves were selling. They are down quite a bit from a few weeks back.

Rev. L. O. Riekey from Lubbock, was a guest speaker at the Methodist Church in Sterley on Sunday morning. Their pulpit has not been filled at this church since Rev. Pickens left a few weeks back. They will have a new minister in another week. Rev. Riekey was a guest at Sunday dinner at the home of Mr. and Mrs. Andrew Sanders.

Mrs. W. F. Joiner from Tye, Texas, which is near Abilene, arrived at Lockney on Tuesday evening and spent a few days visiting at the home of Mrs. Sula Julian in Lockney, and on Wednesday she and Mrs. Julian spent the day visiting Rev. C. A. Joiner. Mrs. Joiner's brother-in-law, Dinner was prepared by Mrs. Early Joiner, Mrs. Murray Julian and Mrs. Joiner, for their families, and they all enjoyed dinner together at Rev. Joiner's on Thursday. Mr. and Mrs. Early Joiner, Mrs. Sula Julian, Mr. and Mrs. Murray Julian, Rev. C. A. Joiner and Mrs. W. F. Joiner were all together for the afternoon.

The South Plains Home Demonstration Club met Wednesday, October 24, at the school house

with hostesses, Mmes. Rex Smitherman, Hansel Sanders, and Ernest Huckabee. The meeting was called to order by Mrs. L. T. Wood, vice-president, and a business meeting ensued. Mrs. Bill Beedy tendered her resignation, which was accepted, and Mrs. H. L. Marble was duly elected to the presidency for the coming year of 1952. Mrs. Bryant Higginbotham was elected as council representative, and members were urged to attend a tea given in honor of the district agent, Mrs. Aubry Russell, on October 27, from 2 to 5 at the home of Mrs. J. T. Poole, in Dougherty. Mrs. L. T. Wood had charge of the game for the day, and Mrs. Grigsby Milton was in charge of the program. She gave out Christmas suggestions, and patterns for different gifts. Each member was supposed to answer roll call with a Christmas gift which they had made. Delicious refreshments of sandwiches, hot chocolate and coffee with cookies decorated in pumpkins were served to the members present, who were, Mmes. L. T. Wood, H. R. Hartman, M. M. Julian, Bill Beedy, H. L. Marble, G. Milton, J. B. Smitherman, John Wilson, Walter Wood, I. H. Parks, Eulan Bradshaw, J. B. Thames, A. L. Stewart, George West, Bryant Higginbotham, and the hostesses, Mrs. Rex Smitherman, Mrs. Ernest Huckabee, and Mrs. Hansel Sanders. The next meeting will be held at the school house with Mrs. John Wilson as hostess as Mrs. Lenton Lanham has moved in the interim. This will be November 14.

On Sunday Mr. and Mrs. Elbin Hutsin and boys from Tulla and Mr. and Mrs. Clifton McCain, from Silvertown, came to spend the day and have Sunday dinner with Mrs. Fred Fortenberry and family. Mr. McCain is a brother and Mrs. Hutsin is a sister of

Mrs. Fortenberry. Community Club will meet on Friday night at the South Plains school house. Every family is asked to bring a package of cookies to help out with the refreshments, and there will be entertainment for the children, and someone to see after them, as well as entertainment and fun for the adults. Everyone come and enjoy an evening with your neighbors.

Mr. and Mrs. A. L. Wright and son, Jerry, from Pampa came down Friday to visit their daughter, Mrs. Jimmy Davis and family, over the week end. They returned home Sunday night.

Rev. C. A. Joiner preached the funeral of R. E. L. Muncy at the First Baptist Church in Floydada on Sunday afternoon.

Miss Janelle Hays was a guest at the home of Mr. and Mrs. Sim Reeves and family on Sunday. She resides at Plainview, and was a welcome visitor at the South Plains Church.

Don Scott-Thornton and his sister, Patricia Thornton celebrated joint birthdays Wednesday, October 24, at their home in South Plains with a party given by their parents, Mr. and Mrs. Owen Thornton. The children came home with them after the close of school, and games were enjoyed by all, and after opening the gay packages, the small children gathered in one room, and the older ones in the other, and they were served delicious refreshments of birthday cake, one for Patricia, and one for Don Scott, with fudge sundaes, and a fruit drink. The theme of the party was Halloween since that day was near at hand. Those who helped Patricia and Don Scott celebrate were: Eugene Beedy, Bud and Alton Higginbotham, Larry Smitherman, Winfred West, Roy and Edward Hartman, Kendis

and Bruce Julian, Donita Milton, Eddie and Jay Frank Parks, Price and Jimmie Pritchett, Maxine Vanek, Eulalia Sanders, Sherlene Teepie, Sue Edmonds, Gary and Sue Wilson, Frank Jones, Jerry, David and Cathy Cheshire, J. Ronald Taylor, Ronnie Thornton and those celebrating, Patricia and Don Scott Thornton.

A Message of Importance
★ ★ ★ *To Every Automobile Driver* ★ ★ ★
In The State of Texas
HERE'S WHAT YOU SHOULD KNOW ABOUT THE
NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1 Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2 What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3 You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.

HERE ON LEAVE

Lt. and Mrs. Henry Nell Schacht are here visiting his parents. Mr. and Mrs. Henry Schacht, Lt. Schacht has been stationed at Mineral Wells but will report to Camp Stoneman, Calif., on November 22 and from there expects to be shipped to Japan. He is with the aviation engineers. Mrs. Schacht will return to school at Texas Technological College, Lubbock.

HOME ON FURLOUGH

Pfc. Tom Colvin is here visiting his mother and sister and brothers on a 21-day furlough. He has been stationed at Fort Lewis, Washington for the past year as a cook. He has been transferred to a medical unit and at the end of his furlough will report back to Camp Kilmer, N. J., from which place he expects to be shipped to the European theatre.

High School Honor Roll

"B" Squad Has Two Games Next Week

The Lockney Longhorn "B" squad of footballers have two games scheduled for next week, according to Robert Fouts, coach. The locals will play the Plainview High "B" squad at Plainview on Tuesday night and the Hale Center "B" squad at Hale Center on Thursday night.

Last Thursday night the "B" boys went to Halls where they played the Halls "B" team, with the score Halls 33, Lockney 19. Starters in this game were Billy McAda, LE; Johnny B. Griffin, LT; Roy Johnson, LG; Marion Cross, C; John Dorman, RG; Denney Quisenberry, RT; Aubrey Cox, RE; Jimmy Williams, QB; Allen Pinner, RH; Lewis Foster, LH; Bill Paschal, FB.
 Other boys who played defensive positions were Roger Conner, half back, Wayne McClure, Clifton Williams and Loy Davis, in the line. Paschal made two of the scores for the locals while Foster made one.

Week before last the "B" squad defeated the Floydada "B" 18-7 after losing an early season game to the same squad 20-7. They have also defeated the Plainview Junior High team 19-6 and tied the Crosbyton "B" 13-13.

Ask Folks To Pass On Pension News

A letter this week from S. H. Wright of Floydada, secretary of the Pensioners Club, states that the Old Peoples Club of Lockney and Floydada are having a copy of the State Pension News sent to every poll Tax Payer in Floyd County. The club members were unable to secure a list of the men and women over 60 years of age for the reason that the Federal law will not allow public officials to release the names and addresses of those who are drawing old age assistance. Because of this he requests those who receive the Pension News to pass the paper on, after they have read it, to men and women over 60 so that all may read its content. This will be greatly appreciated, Mr. Wright said.

R. E. L. Muncy—

(Continued from page 1)
 although it was organized before he came to the county. He worked with the Home Mission Board of the Southern Baptist Convention for many years.

He was also a 32nd degree Mason.
 His mother lived with the family at Muncy until she passed away in 1917, on the same day of the year, October 26.

Rev. Muncy was married to Mrs. Eugenia Pinkney on December 28, 1948 and the couple had made their home at Floydada since.

Survivors include his wife, five sons, Arch and Robert of the Muncy community, Ed of Floydada, Clay of Lockney, and Leroy who is in the Merchant Marine. Eight grandchildren and two great grandchildren also survive.

Van Scoder Comes Back To School

L. R. Van Scoder, who resigned his position with the local school last week to accept a position at the Amarillo Air Base has reconsidered and returned to his duties here Wednesday of this week.

The local school resumed its regular 9 to 4 schedule Wednesday after rain fell much of Tuesday night. The school has been on an 8:45 to 2:15 schedule to allow students to aid in the gathering cotton recently. If the weather clears and conditions justify the school might return to the short schedule later on, Supt. Sidney Reeves said this week.

ATTEND the big mass meeting at Jones Stadium, Lubbock, closing service of Methodist Revival, Sunday afternoon at 3 p. m. 9-11.

NOW — SEE IT IN ACTION!

Jayhawk Hydraulic Cotton Loader

We now have one of the Jayhawk Cotton Loaders and we want you to see it in operation. Fits all popular makes of tractors with hydraulic system with a special hook-up. Takes only three minutes to attach or detach.

We are having some of these made up especially to handle cotton. They will lift cotton 15 feet high and have a push-off delivery. Teeth can be either steel or wood.

We believe this is the best loader made to handle cotton. It handles cotton fast and efficiently and you won't go wrong with one of these.

Recent purchasers of this Loader include:

JACK TAYLOR	AUSTIN MERIWETHER
BURWIN TILSON	WILBURN KURFEES
HUGH MARBLE	JOHNNY TERRELL
JOHN CARTHEL	FRANK BROWN
ELAM BROS.	TOM RANKIN
FLOYD JACKSON	

W. E. Terrell has one of these at his home two miles south of Lockney for demonstration purposes. See it.
