

Petroleum pipe line construction throughout the world has amounted to about 20,000 miles for each of the past three years, and fully as big a program lies ahead for 1952.

In France adults exchange gifts on New Year's Day.

The man who is down on everything is usually up on nothing.

TVD'monstration Shown To Rotary

Coaxial cable and microwave radio relay, the two "Communications trains" which are bringing network television to Texas, were demonstrated to members of Lockney Rotary Club last Friday by Don Hanson of Southwestern Bell Telephone Company.

Hanson demonstrated a miniature coaxial cable which "piped" an image several feet to a television receiver. He showed a cross-section of the large cable, which contained eight pencil-sized copper tubes. Each pair of tubes can handle 600 telephone calls or two television programs, he said. Coaxial cable is used to provide a TX link between Dallas and Houston, according to Hanson.

Radio relay was demonstrated by transmitting a picture between two small microwave towers. Hanson said this system is being used to bring TV network program to Fort Worth and San Antonio from Dallas, where they are picked up from the transcontinental coaxial cable. The large towers are about 30 miles apart and relay TV signals along a line-of-sight path. These systems can handle a thousand telephone calls and two television programs at the same time, the speaker said.

Explaining the telephone company's connection with television, Hanson said: "We're like the railroads down in the Valley. They don't grow the fruit or sell it. They just haul it. We don't produce TV programs or put them on the air. We just transmit them between stations in different cities."

The Bell System has furnished inter-city program channels to the radio industry on a similar basis for 30 years, Hanson pointed out.

Hanson explained basic principles of television. Scenes are broken down into thousands of tiny squares of light and dark which are converted into electrical energy for transmission and broadcast. Twenty-five complete pictures are wiped on and off a TV receiver screen every second. Motion on the screen is due to an optical illusion called "persistence of vision," he explained.

A television program requires a radio bandwidth of 4,000,000 cycles, the speaker said. At this frequency, special amplifying equipment is needed along network routes to keep signals from dying out or becoming distorted. Coaxial cables require "repeater stations" about every eight miles to boost TV signals.

1,200 4-H Winners to Receive Coveted Trips

A panel of 4-Hers discusses Club Congress theme "Serving as Loyal Citizens Through 4-H." More than \$750,000 in college scholarships, savings bonds, trips, leader training and other rewards is being contributed through the National 4-H Committee to promote the activities of 4-H—the world's largest volunteer youth organization.

CLIMAX of a year of earnest 4-H Club work for some 1,200 enthusiastic 4-H boys and girls will be the 31st National 4-H Club Congress scheduled to convene in Chicago, November 30—December 4. These outstanding young people, selected from more than 2,000,000 4-H Club members in the 48 states, Alaska, Hawaii, and Puerto Rico, are winners in 4-H projects conducted through the Extension Service.

For this select group of 4-Hers, the trip to the Congress is a coveted honor earned only through diligent effort. As Congress delegates, they receive various 4-H awards arranged through the National Committee on Boys and Girls Club Work, a citizens' group which lends support to the 4-H program.

More than 40 business firms, foundations, and public-spirited individuals sponsor national and sectional 4-H award projects as their contribution to this sound, successful youth program. The donor organizations provide to the National Committee grants totaling more than \$750,000 to be used for 4-H medals, trips, college scholarships, watches, savings bonds, leader training, and other aids.

Among prominent citizens who provide award funds to be administered by the National Committee are Mrs. Charles R. Walgreen, Thomas F. Wilson, Edward Foss Wilson, Wm. Wrigley, Jr., and Gene Aury. Other sponsors are: Westinghouse Educational Foundation, Ford Motor Co., Standard Brands, Kerr Glass, Sears Roebuck

Foundation, Spool Cotton Co., Lederle Laboratories, Ida Cason Callaway Foundation, Carnation Co., Simplicity Patterns, Conrad Hilton Hotel, Hercules Powder, General Motors, International Harvester, Kelvinator, American Forest Products, Allis-Chalmers, Montgomery Ward, Kellogg Co., Dearborn Motors, United States Rubber, Goodyear, Firestone, Standard Oil Companies of Indiana, Kentucky and Ohio, American Oil, General Petroleum, Pan-Am Southern, Stanolind Oil and Gas, Utah Oil Refining Co., Pure Oil Co., the Santa Fe and Illinois Central railroads, Tost Co., Proctor Electric, and Spinnery Yarn Co.

"The awards presented at the 4-H Club Congress are bestowed for self-earned advancement," C. L. Noble, director of the National Committee points out. "The 4-H Club members they are priceless symbols of achievement and public recognition. That is why so many of our agricultural and industrial leaders are interested in providing incentives that will help to build aggressive, sturdy citizens."

Donors also sponsor educational tours, meal events, and entertainment, which make the National 4-H Congress a memorable experience. However, major purposes of the meeting are not overshadowed by festivity. Fortnightly group discussions, addresses by prominent speakers, exchange of ideas with youths from other countries, and other stimulating features will stress the theme of the year: "Serving as Loyal Citizens Through 4-H."

Hanson demonstrated amplification of a program circuit by playing a record player with and without vacuum tube amplifiers in the circuit.

Distortion, or arrival of one part of the signal ahead of another, is overcome by "equalizers," Hanson said. He illustrated this by changing tiny-sounding music into full quality tones by inserting coils and condensers into a sample electrical line.

The video and music parts of a TV program often travel between cities by different means and are synchronized by equipment at the receiving end, he said.

Mrs. Leslie Ferguson, Superintendent.

Adult, December 14th, Mr. R. C. Mitchell, Superintendent.

J. R. Naylor, Pastor.

It's new, Coconut crunch served for tea or as an afternoon snack for the kids. Blend 1/2 cup softened butter with 1/2 cup brown sugar and 1/2 teaspoon of salt. Add 1/2 cup chopped shredded coconut. Mix well. To flavor, add a few drops of vanilla. Spread on 12 graham crackers. Arrange on cookie sheet, and place in the gas broiler directly under the flame. Broil until golden brown.

Roger Bacon invented the magnifying glass.

Tigers are native to Asia.

Baptist Notes

The officers and teachers last Thursday night adopted the following "Pastor's Guest Program" to begin the first Sunday in November: The pastor will have as his special guest one of our departments each Sunday morning. A section in the center section will be reserved for them. The department will set as its goal 100% of its membership present for Sunday School and Worship service. The pastor will give special recognition to the department, recognizing the teachers, their classes and other items of interest about the department. We will start November 2nd with the Nursery Department. Due to the nature of this department we will not reserve any seats for them, however we will give special recognition to all the babies in the service.

Each Department will begin now to plan for their day.

Nursery, November 2nd, Mrs. Dale Lacey, Superintendent.

Beginner, November 9th, Mrs. F. U. Payne, Superintendent.

Primary, November 16th, Mrs. J. B. Allen, Superintendent.

Junior, November 23rd, Mr. LaRue Glenn, Superintendent.

Intermediate, November 30th, Mrs. Harmon Handley, Superintendent.

Young People, December 7th.

it is 100% or full parity.

Troy McNeill Is Outstanding Club Boy Of Texas

College Station. — From the
standpoint of achievement, Troy
McNeill of Floyd County, is the
outstanding 4-H club boy in Tex-
as for 1952. The announcement
was made today by the state 4-H
club office and it further states
that Troy will receive two mini-
ature statues which symbolize
achievement, and his record will
be submitted for competition on
a sectional and national basis.

The 4-H Achievement Program
is sponsored by the President of
the United States and the Ford
Motor Company. Medals are pro-
vided for county winners, 16
trips to National Club congress,
Chicago, for sectional winners
and \$300 college scholarships for
12 national winners by the Ford
Motor Company.

Troy is the 17 year old son of
Mr. and Mrs. Bill McNeill, Route

5, Floydada. He is a senior in
the Floydada High School and
is completing his eighth year of
4-H club work. His demonstra-
tions have included beef cattle,
swine, poultry, field crops and
gardening.

On the basis of statewide
competition, his most outstand-
ing awards have been a trip to
National 4-H Club Congress and
the Talent Club Tour to Logan,
Utah, in 1950 and a scholarship
and trip to the American Youth
Foundation Camp, Shelby, Mich-
igan, in 1951. He is now president
of the district two boys 4-H or-
ganization and has held every
elective office in his local club.

Troy has come a long ways
since he joined a 4-H club for
the first time in 1944. His big
disappointments came early. The
first year hail destroyed his
wheat and grain sorghum and
severely damaged a promising
cotton crop. But that wasn't all,
the next year his best beef calf
died. From these experiences, he
came back strong and each year
has expanded the size and scope
of his activities and demonstra-

During the present year his
demonstrations include two beef
calves, 130 chickens, 25 acres of
cotton 90 acres of grain, 10 hogs,
a three acre garden, 17 head of
Hereford breeding cattle and
leather craft.

He has entered more than 100
exhibits in local, district and
state shows and has won many
prizes including grand champion-
ships on a beef calf and hog at
the county show. His skills and
ability have increased along with
the size of his club program and
his 4-H demonstrations have
brought to the home farm and
community many new methods
for doing farm and home jobs.

Troy says, "I believe any-
thing worth doing is worth do-
ing right. 4-H club work and
activities have been my chief
interest as long as I can remem-
ber and I am a better citizen
from having been a member."

Floyd County Agent R. H. Gib-
son has supervised Troy's 4-H
program for the past several
years and O. M. Watson Jr. has
given assistance as adult leader
of County 4-H Club.

Auto Theft To Be Discussed At FBI Meetings In Area

Mr. J. K. Mumford, Special
Agent in Charge of the FBI's
Dallas Division, which covers
over half of Texas, announced
today that FBI law enforcement
conferences on automobile theft
problems will be held during
November in conveniently locat-
ed cities throughout the north-
ern part of the state, so that all
law enforcement officers may at-
tend one or more of them with-
out unnecessary travel expense.
The conferences scheduled will
be held at Tyler on November
6, at Paris on November 7, at

Fort Worth on November 10, at
Wichita Falls on November 20,
at Amarillo on November 21, at
Lubbock on November 24 and
at Abilene on November 25.

Mr. Mumford said that con-
ferences of this type have been
scheduled by the FBI on a reg-
ional basis throughout the Uni-
ted States in view of the fact
that automobile theft has be-
come the nation's biggest crime
against property. Cars stolen in
1951 had an estimated value of
over \$190,000,000.00. In addition,
crime reports in more than 400
cities reflect that thefts of arti-
cles from automobiles and of
automobile accessories comprise
approximately 41 per cent of all
larcenies committed.

March was named for Mars,
the Roman god of war.

LETTERS TO THE EDITOR

Dear Mr. Hays: Just a few lines to let you know that I am still receiving the Beacon regularly.

Mr. Hays, I am serving aboard the USS Valley Forge C. V. H. 5. I guess we will be going over to Korea about the latter part of November. We will operate off the coast of Korea about 30 days. Then we will go to Yokosuka, Japan and stay there about 12 days and then we start all over again.

Well, I guess I will close for now.

Sincerely yours, Howard H. Thornhill, S. H. USS Valley Forge C. V. H. 5.

P. S. The Valley Forge is known better by the name Happy Valley. It is a carrier.

BAKE SALE SATURDAY

A pie and cake sale will be held at Parker Furniture store here Saturday starting at one o'clock. Proceeds from the sale will go to the Lions Club. All pies and cakes will be home-made.

Mr. and Mrs. Clyde Baxter and Linda spent the week end in Abilene visiting with their son, Bobby. They also attended the McMurray and ACC football game.

Mr. and Mrs. Fred Beall, Mrs. Lee Viall and son, Kenney of Amarillo spent Saturday and Sunday here with their parents, Mr. and Mrs. Walter Beall.

Tip Jeffcoat, student at Midwestern University in Wichita Falls, spent the week end visiting with his parents, Mr. and Mrs. George Jeffcoat.

Providence News

By Mrs. Wilfred Stoerner

It was Mark Twain who said "Always do right. This will gratify some people; and astonish the rest."

Dinner guests at the Norman Smith home Sunday were Mr. and Mrs. Edwin Barker and family and Mr. and Mrs. Van Garrett and family of Whitfield community.

Guests Sunday evening in the home of Mr. and Mrs. Norman Smith were Mr. and Mrs. H. B. Rials and family of Ralls, and Mr. and Mrs. Henry Scarbrough and family of Petersburg. The evening was spent playing canasta.

Mrs. Wilfred Stoerner and Mrs. Howard Phillips served dinner at the home of Mrs. E. R. Collins Thursday. The Legion Auxiliary ladies furnished the food. Mrs. Jack Yates whose father passed away is an Auxiliary member.

Supper guests at the Robert Payne home Sunday night was Mr. and Mrs. Jack Payne and Mrs. Bell of Plainview.

Sunday dinner guests at the home of Mr. and Mrs. L. B. Brandes were Mr. and Mrs. Helmut Quebe and family. Mr. and Mrs. E. M. Quebe and son, Johnnie and Mrs. Ben Quebe.

Mr. and Mrs. Hubert Stoerner and sons visited Mr. and Mrs. Buro Ganza and family of the Bula community Sunday.

Mrs. Wilfred Stoerner attended the funeral of Mr. E. R. Collins of Edmonson community Thursday.

Visiting this week in the home of Mr. and Mrs. Virgil Brasher were Mr. and Mrs. E. K. Brasher and family of Waco and Mr. and Mrs. Hubert Viertel of Cranfield Gap, Texas.

Mr. and Mrs. Fred Quebe of McGregor, Texas visited in the home of Mrs. Ben Quebe last week.

Mr. and Mrs. B. H. Quebe and daughter attended the Dallas Fair last week.

Dinner guests Sunday in the home of Mr. and Mrs. Marvin Scheele were: Mr. and Mrs. Clarence Scheele and family of McGregor, Mr. and Mrs. Jack Faver and daughter of Plainview, Mr. and Mrs. Vernon Collins of Pampa and Mr. and Mrs. Albert

Scheele and family.

Mrs. Walter Boedeker held a flower making party Tuesday. The flower carnations are for the Luther League Christmas Float to be in the parade. Many hundreds of flowers have been made. Delicious refreshments of cake, cookies, sandwiches and coffee were served to Mmes. Ben Brandes, Leo Boedeker, Bill Schmidt and Walter Boedeker.

Mrs. J. A. Zimmerman Entertains Plainview American Legion Auxiliary

Tuesday night the home of Mrs. J. A. Zimmerman was gayly decorated in the old fashioned Hallowe'en spirit for the annual Hallowe'en costume party of the American Legion Auxiliary.

Upon entering the house you were led to a gypsy fortune teller. Many secrets were revealed by the fortune teller.

Many games in keepings-with Hallowe'en spirit was played. Prizes were given for those winning. Mrs. Leo Boedeker dressed as Loula Bell was first prize. Flash photos were taken of the masked Auxiliary ladies. A wheel spinning what you were to do had such tasks as rolling a potato across the floor with your nose, riding the broom across the room. Mrs. Harry McCain was

caught by camera lady, Mrs. Wilfred Stoerner, when she rode her broom stick across the room.

Refreshments of candy, pumpkin pie and hot coffee were served to Miss Helen Newman and Mmes. Bessie Marr, Bill Dunn, Allen Hannah, Wilfred Stoerner, Leo Boedeker, Sam Newman, J. A. Womack, Stewart McKallip, W. R. Stockton, James E. Grigsby, Ben Brandes, J. A. Zimmerman, Harry McCain.

Those responsible for the delightful party were Mmes. W. R. Stockton, Leo Boedeker and J. A. Zimmerman.

Next business meeting will be Nov. 6th at the Legion home at 8 p. m.

Mr. and Mrs. Arch Crager spent last week end in Dallas attending the state fair. They also visited with their son in Lubbock for a few days last week.

Mrs. James Burchfield and children from Amarillo are visiting with her parents, Mr. and Mrs. C. L. Calloway, this week.

Don't you suppose the weaker sex is often the stronger sex because of the weakness of the stronger sex for the weaker sex?

When your "cowboy" calls to beg for just a few more minutes of play with the gang... Isn't it a perfect example of how even those "little" telephone calls so often reassure and bring peace of mind? And when you remember that the average cost of each local call, including tax, is less than 3¢... Can you think of a better bargain?

Every "hello" is a good buy

FOR FASTER LONG DISTANCE SERVICE... CALL BY NUMBER

WHY BE REMINDED OF 1932? WE ARE INTERESTED IN WHERE WE ARE IN 1952?

Read This From Wes Izzard's Column In The Amarillo Daily News!

A RETIRED COTTON FARMER from Wise County has handed me a copy of an editorial from a Texas cotton-county newspaper.

"Run this," he said. "I'm getting tired of a lot of city people and politicians who never grow a bale of cotton talking about 5-cent cotton and 2-bit wheat as a political issue."

The editorial was written by T. Glenn Doss, who runs the Whitewright (Grayson County) Sun. It follows:

Speaker Sam Rayburn is quoted by daily newspapers as saying the "present economic status of Texas is a result of the Democratic administration."

Sun editor has been voting the Democratic ticket for a good many years, but Sun editor is a stickler for the truth, whether it be in politics or something else. So, let's have the facts.

In the 1930 November election, the Republicans, in power for 10 years, lost control of Congress, although retaining Herbert Hoover as President. The Democrats organized the House in March, 1931, and elected John Nance Garner of Texas as speaker, in which capacity he served until he became Vice-President in 1933.

So you see, it wasn't a Republican administration in 1931 and 1932, even with a Republican serving as President.

Mr. Rayburn has had much to say over the last 20 years about 5-cent cotton under the Hoover administration. Let's see what the record says.

In 1930, the last year this country had a Republican House and Senate and President, cotton sold in Whitewright the first week in September at 19 1/2 cents per pound, and cottonseed at \$27 per ton, according to the record as published in The Sun.

In September, 1931, six months after the Republicans lost control of Congress, cotton sold at Whitewright at 6.2 cents a pound and cottonseed at \$10 per ton.

In September, 1932, still under the Democratic-controlled Congress, cotton sold in Whitewright at 7 cents per pound and cottonseed at \$10.50 per ton.

In 1933 the Democrats also took over the Presidency.

On Sept. 7, 1939, six years after Roosevelt became President and gave the nation the New Deal, Whitewright had ginned 2,085 bales of cotton, and buyers were paying 8 1/2 cents per pound for cotton and \$16 per ton for seed. The Sun of that date quoted other farm products prices in Whitewright as follows: Corn, 50 cents per bushel, and oats, 35 cents per bushel.

In 1952 we are in an inflated condition and a false appearance of prosperity due to our spending. In spite of big incomes, high cost of living and federal taxes make it impossible to buy a farm home at present prices and pay for it - a condition that did not obtain in the 1930's.

Sam Rayburn and other New Dealers blow about our prosperity and ignore and refuse to mention high taxes and inflation and that the present administration is running the country in the red at a tremendous rate each year without making any effort whatever to economize.

There are many other reasons why we want a change in the administration, not to mention Trumanism and the Tidelands. Gov. Stevenson's juggling of figures about the Tidelands doesn't do away with the facts that they have belonged to Texas for 100 years and now the Federal government is trying to confiscate them as they will everything else we own unless we kick the rascals out.

Don't be fooled by the cry about the depression. The administration is looking for suckers. We've been suckers long enough. Let's change on November 4th.

So eight years after the Republicans lost control of Congress and six years after a Democrat became President, cotton and cottonseed prices in Whitewright were less than they were the last year under a full Republican administration, 1930.

All of which leads up to the fact that in spite of all the New Deal could do after six years, it took World War II to restore prosperity, and it took the Korean War and preparations for World War III to maintain it.

If Mr. Rayburn or anybody else tells you otherwise, he is only trying to fool you. If this war and preparations for war go on indefinitely, this false prosperity will also go on indefinitely.

And that is the real present economic status of Texas and the rest of the nation: A false prosperity paid for with the blood and sacrifices of our fighting men and a mortgage on the earnings of this and future generations.

Longhorns Win Second District Game Friday 34-0

Statistics

Lockney H. Center	
First downs	12 14
Yards rushing	120 124
Lost rushing	20 28
Passes attempted	13 6
Yards passing	197 33
Interceptions	5 0
Yards penalties	65 15
Fumbles recovered	1 0

The Longhorns got off to a slow start but finally made their passes click and ended up the game last Friday night against Hale Center on the long end of a 34-0 score. The locals blocking was poor all night and they ended the game with less yardage rushing than they made against Floydada last week. However they threw a record number of passes, 26 and completed half of them for a net of 197 yards passing to win the game.

The first quarter all belonged to Hale Center and the Owls one time stood on the Lockney half yard line with four downs to make the touchdown but the Longhorns decided it was time to play ball and the Owls' four tries ended with a net of minus one yard.

The first score for the Longhorns came in the third play of the second quarter when Bill Paschal, quarterback, threw a beautiful pass to Teddy Carthel, right end, who took it on the run and went over standing up. The play covered 67 yards. The locals scored two more touchdowns in the second quarter and two in the third to account for their total score. They had another touchdown called back in the fourth with a good number of reserves playing.

The Longhorns inability to gain on the ground worried the local fans and many were wondering what they would do against Abernathy, their next district opponent. The Hale Center boys were good size but inexperienced. However, in the first quarter it appeared that they were determined to win a game and they played the Longhorns off their feet. After this period the Owls were never able to gain much except against the reserves. The Longhorns first quarter goal line stand really showed the metal of the two teams and there was no longer any doubt as to who would win the game.

A play-by-play account of the game follows:
The Longhorns received, returned to their own 28. They made 2, lost 3, had a pass incomplete and the kick was returned to the Hale Center 48 yard line. The Longhorns were penalized 5, the Owls made 2, and then drove for a first on the Lockney 42. A pass was incomplete and the Owls made 8. They drove down to the Longhorn 28 for another first down. Lockney was penalized 5, and the Owls then made a first down on the Longhorn 13. The Owls made 5 and 3 and a 5 yard penalty against the Longhorns gave them a first down and a half yard to go for the score. Here the Longhorns decided to start playing ball. A fumble on the first play made nothing, a second rushing play made nothing, an attempt to sweep the end lost a yard and a fourth down pass was incomplete, the Longhorns taking the ball on the 1 1/2 yard line. The Longhorns made 4 and 4 and then a first on the 14. They made 6 and 2, lost 7 and kicked to their own 46. The Owls made 7, nothing and 1 and then a first on the Lockney 28. A pass was incomplete, the Owls made 1, another pass was incomplete, they lost 3 on a running play and the Longhorns took the ball on downs on their own 30 as the quarter ended.

The Longhorns lost 1, made 4 and the Quarterback Bill Paschal threw a perfect pass to end Teddy Carthel who took it on the run behind all opposition and went over standing up. Bill Sherman kicked the point and the score was 7-0.

The Owls returned the kick off to their own 26, lost 1, made 1, had a pass incomplete and kicked out of bounds on the Lockney 39. The Longhorns lost 1, had two passes incomplete and kicked out on the Hale Center 33. A pass made 7 for the Owls, another pass lost 1, they made nothing and kicked to the Longhorn 28. The Longhorns lost 2, and then C. B. Smart drove for 8. The locals then made a first on their own 45. They made 2 and 5 and Paschal on a keeper play made it a first down on the Hale Center 40. A pass was incomplete and another pass into the flat zone to Sherman lost two when he slipped and fell after catching the ball. A pass was incomplete and Paschal kicked to the Hale Center 16. The Owls made 2, and then Smart came in and intercepted a pass which he carried over for a touchdown. The play was nullified by a 15 yard penalty against the Longhorns which gave the Owls a first down on their own 33. The Owls lost 12, and the Longhorns then intercepted an Owl pass and returned it to the Hale Center 14 yard line. A pass from Paschal to Sherman was good for a first down on the two yard line. The Longhorns made 1 and then Baker carried over for the score. Sherman again kicked the point to make the score 14-0.

The Owls received and returned to their own 27. Teddy Carthel again intercepted a pass returning to the Hale Center 33. A pass in the flat to Smart was

good for a first down on the Owl 6 and then Paschal passed to Aubrey Cox for the score. Sherman kicked the point and the score was 21-0.

Longhorn Band Marches
The Longhorn Band marching smartly across the field during the half time period, first formed an Owl in front of the Hale Center stand and then a Longhorn in front of the Longhorn stand. They performed very nicely under the direction of Drum Major James Carthel. Band Director Shelly Lantrip is in an Amarillo hospital and was unable to be present for the game.

The Owls received the kick off at the start of the third period returning the ball to their own 33. They made 1 and then a pass to Carr, the tail end, was good for a first down on the Owl 46. Another pass lost 4 yards and then Orland Gilbert and Bill Sherman teamed up to intercept the next pass and return it to the Owl 33. Two passes were incomplete and then a pass to Smart in the flat zone was good for a first down on the Hale Center 13. A pass in the same place to Sherman was good for the score as Sherman followed his interference closely to go over untouched. Sherman also kicked the point and the score was 28-0.

The Owls received the kick-off and allowed it to roll dead on their own 4 yard line. They kicked out to their own 32 and the Longhorns started a drive. They made 2, Baker drove for 7 and then a first down on the 16 yard line. Baker drove over for the score from this point. Sherman missed the try (or point) the only one he didn't make, and the score was 34-0.

The Owls brought the kick off back to their own 34, the Longhorns were penalized 15 to give them a first down on their own 49, and a pass to Carr was good for 8. The Owls then drove for a first down on the Lockney 39. A pass was incomplete, the Owls made 9, another pass was incomplete and they lost 4 on a fourth down play with the Longhorns taking the ball on the Lockney 25. Paschal made 9 and Smart drove for a first on the Lockney 48. The Longhorns lost 4 and a pass from Sherman to Carthel was good for a first down on the Hale Center 35. Another pass lost 2, two passes were incomplete, and a fourth down try at the line made nothing. Hale Center took the ball on their own 28.

The Owls made 5 and 4 and then a first down on the 39. A

pass was good to the 50, they made 5, lost 8 and a fumble was recovered for the Longhorns by Guard Joe Taylor. Starting from their own 45 the Longhorns were penalized 5, a pass lost 7 and two more passes were incomplete with the kick going to the Hale Center 33. The Owls, pushing mostly against the Longhorn reserves now, made 6 and 3 and a first on the Owl 49. They made nothing and then a first on the Longhorn 40. The Owls were penalized 15, a pass was incomplete, they made 1, another pass was incomplete and

a fumble on the kick gave the Longhorns the ball on the Hale Center 39. Jimmy Williams, reserve quarterback, passed to Smart for a first down on the Owl 19, and another pass to Foster was good for 8 yards. A pass was incomplete and another pass to Sherman carried for a first down on the 7. A pass to Smart for the score was nullified by a penalty of 5 yards against the Longhorns. The locals had three passes incomplete and then Smart drove to the 2 yard line where Hale Center took the ball on downs. The Owls made 1, the

Longhorns were penalized 5 and then the Owls made a first on the 14. The Longhorns were penalized 5 and then Jimmy Scott came in to intercept a pass and return it to the Hale Center 30 as the game ended.

The Shift's To
SHAMROCK

SHAMROCK TRIPLE ACTION HEAVY DUTY MOTOR OIL

Yes, Shamrock's getting the play — and for a good reason: LUBRICATING ABILITY is what you want and what you buy when you change oil. Shamrock heavy duty oil has proved its ability. Anti-oxidant and anti-corrosive additives toughen the oil film — high detergent elements take out dirt particles which prevent oil from clinging to the cylinder walls. Result — faster, more complete lubrication, less wear. This fall change early and change to Shamrock.

Chlorophyll Co. Breaks Ground For New Plant

Lamar, Colorado. — Construction of the world's largest plant for the continuous extraction of Chlorophyll has begun here as ground was broken for the million dollar plant of National Chlorophyll and Chemical Company, an affiliate of National Alfalfa Dehydrating & Milling Co. Speaking at ground breaking ceremonies, J. C. Hearn, President of National Chlorophyll, said, "Completion of the new plant will give impetus to developing the vast potential of Chlorophyll for medical uses in addition to its already known qualities." He predicted that the new plant will have an annual capacity in excess of 100,000 pounds. In 1951 the entire industry in the United States produced approximately 60,000 pounds of Chlorophyll, and the 1952 production is estimated at about 95,000 pounds. Mr. Hearn, who is also President of National Alfalfa Dehydrating and Milling Company, the parent company of National Chlorophyll, stated that Chlorophyll has even wider uses in pharmaceutical and therapeutic fields than it has in the widely publicized field of odor control.

Orders for new machinery which embody the most advanced methods for the extraction of Chlorophyll were placed some time ago, and National Chlorophyll has been assured that this machinery will be completed in time to insure full operation by April of next year.

National Alfalfa, with headquarters in Lamar, operate alfalfa dehydrating plants in thirteen states west of the Mississippi River and in three states east.

Alfalfa, a major cash crop on the Panhandle Plains, when dehydrated, is the raw material for the manufacture of chlorophyll.

National Alfalfa Dehydrating & Milling Co. came into Texas in 1941, establishing the first plant at Plainview with L. L. Leatherman as manager, operating one dehydrating drum and a small suncured alfalfa mill.

Since 1941 National Alfalfa has expanded and now operates fourteen dehydrating drums in the Texas-New Mexico district. L. L. Leatherman is district

THE STATE OF TEXAS
TO: JOHN LESTER PRICE
GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 8th day of December, A. D. 1952, at or before 10 o'clock A. M., before the Honorable 110th Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's petition was filed on the 21st day of May, 1952. The file number of said suit being No. 4041. The names of the parties in said suit are: EVALYN PAULINE PRICE as Plaintiff, and JOHN LESTER PRICE as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce, alleging that Evalyn Pauline Price has been and now is an actual bona fide inhabitant of the State of Texas for more than twelve months preceding the filing of Plaintiff's Petition and has resided in Floyd County for more than six months prior thereto; that Plaintiff and Defendant, John Lester Price, intermarried on August 3, 1946 at Crowell, Texas, and Plaintiff asks for divorce upon

the specific grounds of cruelty on the part of Defendant rendering their further living together as husband and wife insupportable, and Plaintiff also prays for restoration of her former surname of Koiner.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 21st day of October A. D., 1952.

Given under my hand and seal of said Court, at office in Floydada, Texas, this 21st day of October A. D., 1952.

Mary L. McPherson, Clerk, District Court Floyd County, Texas. (SEAL).

Night blindness is caused by a deficiency of vitamin A.

COTTON QUIZ

WHY ARE GREEN-BACKS MISNAMED "PAPER" MONEY?

BECAUSE WHAT WE KNOW AS "PAPER" MONEY IS ACTUALLY 75% COTTON FIBERS!

Daniels Are On Vacation Trip

Rev. and Mrs. N. S. Daniel left Tuesday for Goldwaite for a visit with relatives. They will also visit in San Antonio and Dallas and expect to be gone a week or ten days.

At the Methodist Church Sunday morning, laymen will have charge with Lavon Johnson and Art Barker Jr. leading the services. C. L. Record is arranging the Sunday night services.

Rev. Daniel is taking the short vacation to rest up from his work in building the new church here. He has been very busy for several months and doctors advised him to take a rest.

Nothing is given away so liberally as advice.

EDITORIAL

And Jesus said unto them, I am the bread of life: He that cometh to Me shall never hunger and he that believeth on Me shall never thirst.—John 6:35.

Just this word about the Presidential race and then we will change the subject: Some are of the opinion that nothing but prosperity lies with the Democratic party and nothing but poverty for our area lies with the Republican party.

We hope this week to have details for a story concerning the yield on Jack Taylor's castor beans. Many farmers of the area are interested in this field of castor beans because some of them, at least, expect to plant castor beans next year if they prove profitable to Jack. If we are unable to get the details this week we will have them next week.

Last week we had the privilege of going by plane from Plainview to Lubbock to hear Gen. Eisenhower speak. We rode down and back with Rhea Mitchell in his Beachcraft 4-place plane and, in spite of the windy day, it was a very pleasant journey.

Do you remember market prices in 1939 and '40, eight years ago?

after the Democratic administration had taken charge. Here are some: Wheat 68c per bushel, Corn 62 cents per bushel, Hogs, \$5.35 per hundred, Cotton \$9.42 per hundred. We still don't remember much prosperity in the country in the late thirties even with all the government agencies organized to give away the taxpayers money. Our present prosperity, if any, is war-created and, speaking for ourselves, if we had to take the choice, which we don't, we had rather drive a model T Ford and live on corn bread and beans than have the youth of our country fighting and dying on foreign soil. We don't need prosperity had enough to keep a war going to feed it.

A good indication of the condition of this area in 1939 is shown by a story in this issue concerning the percentage of growth in bank deposits of various banks of the country. Lockney leads the list in the percentage of growth with a whopping increase of 2,144 percent, according to tabulations in the Lubbock Morning Avalanche. However, in 1939 the local bank had deposits of only \$152,000. A recent statement showed deposits of \$3,259,000. With only \$152,000 on deposit here in 1939 we can't believe there was much prosperity.

We should be proud that the local bank is leading the entire South Plains in percentage of deposit increase. Turn to this story and see for yourself how we compare with other towns on the Plains. Of course, a part of this increase is due to the increase in population of the area and the development of the Lockney community and the Northwestern part of Floyd County.

We hope this week to have details for a story concerning the yield on Jack Taylor's castor beans. Many farmers of the area are interested in this field of castor beans because some of them, at least, expect to plant castor beans next year if they prove profitable to Jack. If we are unable to get the details this week we will have them next week.

Last week we had the privilege of going by plane from Plainview to Lubbock to hear Gen. Eisenhower speak. We rode down and back with Rhea Mitchell in his Beachcraft 4-place plane and, in spite of the windy day, it was a very pleasant journey. Rhea is a former Braniff Airways pilot and, in fact, piloted the first passenger plane into Lubbock. With a tail wind it took us 12 minutes to reach Lubbock. And with all factors considered, it was probably much safer than riding in an automobile. But what we wanted to get around to saying was: Why not a flying farmer group for Lockney? It is certainly a pleasant, fast way to travel.

With Our EXCHANGES

ROSES FOR SHIVERS! A great big fat bunch of roses this week to Governor Allan Shivers for his announcement last week that he would cast his vote in the November election for Dwight Eisenhower for President.

Governor Shivers has taken a courageous stand, flying in the face of tradition to cast a Republican vote in what has been known as a Democratic stronghold.

Shivers is to be complimented for having the foresight to vote for a principle rather than a party. Joining Governor Robert Kennon of Louisiana, Shivers showed remarkable integrity in feeling that regardless of what the organized forces will do, he still would and must vote for a principle above party affiliation.

Every day more and more thinking men and women are realizing that the immoral and unprincipled regime of the Democratic administration in Washington is shameful and must be cleared out by clearing out the leaders of the administration.

It is unfortunate that a man with the wonderful record of public administration that Adlai Stevenson has must lose any hope of ever exercising that ability in the highest office in the land because of the strange bedfellows his nomination has gotten him.

Thinking men and women every day are more and more convinced that this year of decision must be used to bring about a moral reorganization, and bring the government of this great nation back to the principles upon which it was founded.

A good reminder Yes, a good reminder right now is a word about the vaccination needs of your flock. It's not too late to vaccinate for Newcastle disease Get a supply of Dr Salsbury's Intranasal Newcastle Disease Vaccine and start vaccinating right away --- before the disease strikes! when you need poultry medicines ask for DR. SALSBURY'S Lockney Drug Co.

file workers, and countless others, would be the real victims of the strike. It couldn't hurt the NLR or its members, so obviously the work stoppage would be solely directed against the law and what it stands for.

Lewis has had one costly experience in defying the law, when Justice Alan T. Goldsborough found him guilty of contempt and plastered a \$10,000 fine on him personally and three and a half million dollars against his union.

Lewis certainly hasn't forgotten this defeat. But he has, by the only line of reasoning left open, received plenty of inspiration for his defiance of the law from the White House in its outrageous handling of the steel strike last summer.

This was an overt act, by the man whose job is to enforce the law, to defeat the intent of the Taft-Hartley Act and to deliberately defy the will of Congress and the American people.—Amarillo Daily News.

RECOGNIZE LABEL! Personally speaking, this column could have a field day by reproducing the columns we wrote during the campaign of 1948. We predicted the danger of risking another Truman administration with foreign policy.

Lewis spoke as rumblings of another strike were stirring in his big Mine Workers' Union. But this strike would be in protest of delay by the National Labor Relations Board in ratifying the agreement Lewis recently bludgeoned from the mine operators.

Although the strike would not be directly against the operators, they, along with the public, dependent industries, rank add

Long Ago In Lockney Items of interest from the file of The Lockney Beacon. May 29, 1914

Jim Griffith informed a Beacon representative that he purchased 150 head of hogs last Saturday. He says that if any one thinks the hog supply is exhausted in Floyd County they are mistaken.

Monday the west bound Santa Fe did not reach Lockney until about four o'clock in the afternoon, due from a washout three and a half miles south of town.

The picture cannot be over-drawn as regards the general favorable outlook in the Plains country at present. There is better prospects for crops and a general revival of business than in a number of years.

December 31, 1920 Last Sunday at the home of the bride's parents in Floydada, Mr. Arthur Barker and Miss Beatrice Henry were happily united in marriage. They left immediately for Fort Worth on their bridal tour.

The best football game of the season was played on the local grounds last Saturday, Christmas afternoon. The Lockney High School team defeating Kress by a score of 6 to 0.

Mr. and Mrs. R. F. Fry celebrated their 45th wedding anniversary Sunday last, when they had as their guests, their children, Mrs. Leder, R. E., W. L. Tate and Miss Vera.

Born to Mr. and Mrs. O. J. Hug-gins, December 10th, a boy.

Mr. C. J. Taylor, Lubbock, arrived here and has been very busy getting everything ready to open a first class store and meat market building formerly of the Helpy-Selfy Laundry fixtures are now being dated and the store service type

Mrs. Terry, formerly of Lubbock, has leased the home for Mrs. Maye. She will continue to do business in the same place as the year of the Craigs Home.

APPLE FOR THE PROF

The spirit of femininity is portrayed in this versatile cavalier jacket and skirt ensemble of hot-ter-soft cotton corduroy by Stephanie Koret. Style highlights point to the narrow skirt, the rounded hips and push-up sleeves on the jacket.

hurt. He was in his brothers car and Mr. and Mrs. Parks were intending to leave for California in the next hour, but are still here awaiting the car's being repaired. These young folks are from Georgia and are on their honeymoon.

Mrs. J. P. Taylor's brother, Truman Merrell from Quitaque left on Monday, Oct. 20 to report for induction. He goes to Childress to report for duty.

Carol Reeves, who teaches this winter at the Buckners Orphan Home in Dallas spent the past week end with her parents, Mr. and Mrs. Sim Reeves in Plainsview.

Mr. and Mrs. J. S. Brannen and boys from Silverton, Mr. and Mrs. Don Shurbet from Floydada and Mr. and Mrs. Grigsby Milton and girls all spent the day at the R. E. Young home on Sunday, October 19. The occasion was the birthday of the youngest child of the Youngs, Peggy, who was six years old. She had a beautiful cake and received lovely gifts from her family.

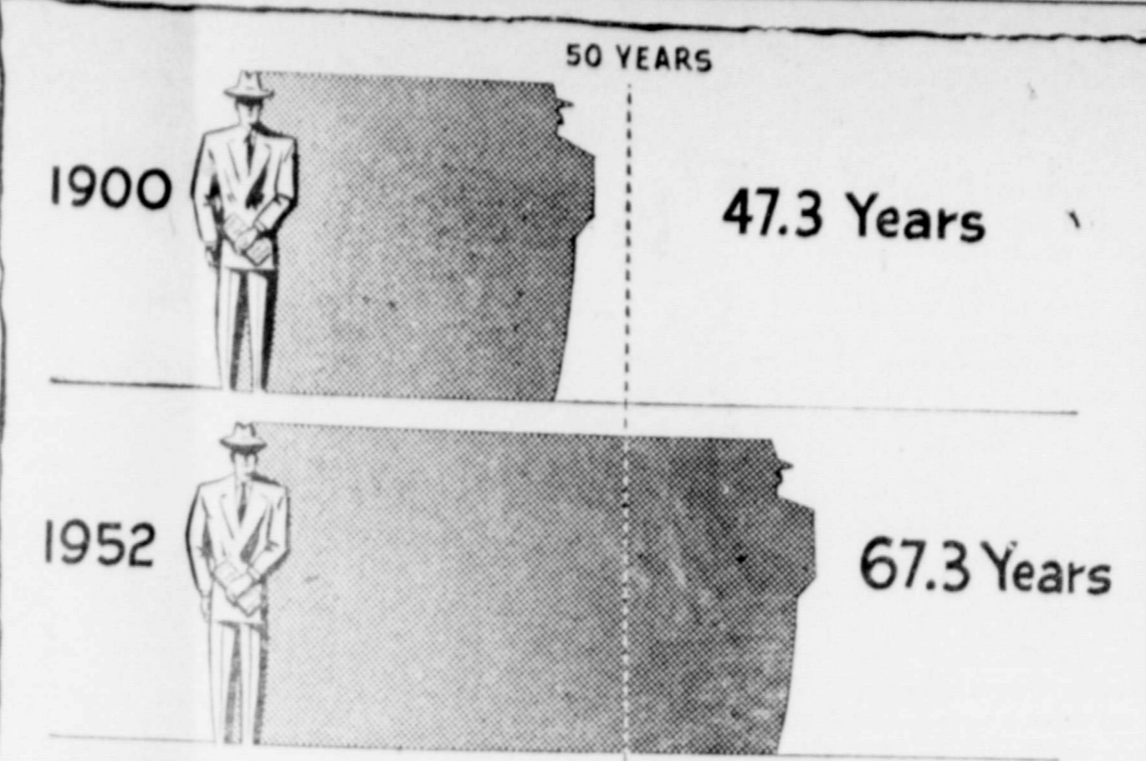

Menard Field arrived home from a hunting trip to Colorado Saturday night. He reported that Mr. and Mrs. Wm. Staniforth, Jr. and Billy, had gone on to Benkleman, Nebraska to visit with Mrs. Staniforth's brother, Adron Field and family. They planned to be home by Wednesday of this week.

Mr. and Mrs. Wayne Childress and Mrs. Ruth Childress spent a pleasant evening on Saturday night visiting with Mr. and Mrs. Billy Bean and family.

Among those who attended the Texas Tech. Baylor game on Saturday night were Mr. and Mrs. Al Brian, Rev. and Mrs. J. H. Allen, Maxine Adams and Bill Harden.

Mr. and Mrs. Z. C. Cummings have announced the approaching marriage of their daughter, Jean who lives in Denver, Colo. to Mr. Robert Rose of Denver, who is a mathematics instructor at Lowry Field. The wedding will take place in Denver on November 1. Jean will be home for a visit on October 28 for a three day stay with her parents.

Mr. and Mrs. H. S. Marble had as their guest on Sunday of this week Mr. and Mrs. T. C. Hollums of the Sand Hill community and Mr. and Mrs. Raymond Teeple of Lone Star. They all had dinner and supper together at the Marbles.

MEDICINE'S CONTRIBUTIONS to mankind are reflected in the number of years added to man's life span as shown in the chart above. According to Dr. T. C. Terrell, President of Texas Medical Association, this is due largely to medicine's use of weapons largely unknown fifty years ago and the conquering of the dreaded killers, tuberculosis, pneumonia and influenza.

West Texas Gas Elects Directors

At the regular meeting of the Board of Directors of West Texas Gas Company held in Amarillo on October 10, Thurman S. Whitis of Lubbock and H. R. Budke of Amarillo were elected directors of the company. Other members of the Board are R. F. Hiney and C. I. Wall of Lubbock and Thos. F. Cartwright of Amarillo.

Mr. Whitis was employed by the company in 1929. He served in several responsible positions including Supt. of Gas Measurement Department. In 1946 he transferred to Amarillo Oil Company, an affiliate, and served that company as Engineer. He came back to West Texas Gas Company, Lubbock, in 1949 as General Supt. of Pipe Lines, and in 1951 was named Vice President in charge of transmission lines, compressor stations and gas measurement.

H. R. Budke is President of Amarillo Gas Company and is also a Vice President of Amarillo Oil Company.

As directors, Messrs. Whitis and Budke succeeded A. R. Jones and Ralph Mullin of Kansas City, resigned. West Texas Gas Company is owned by Southwestern Development Company, a public utility holding company which owns, in addition to the companies mentioned above, Clayton Gas Company, Dalhart Gas Company, Amarillo Gas Company and Red River Gas Company.

They thought he was so kind to send his wife away for a rest, until he said: "Goodness knows I needed it!"

Wayne Childress from New Braunfels spent the week in South Plains. They spent the evening for their pleasant time here together and visiting with them. Down of Lubbock, Texas Tech week end here with parents, Mr. and Mrs. Wood and child. Evening was spent at the Club in South Plains. They were enjoying a pot of fun if you are missing every night at the Club. Another school day with fellowship with those who attend night were Mrs. John Smith, West, Owen E. Thames, Harry Julian, Albert Thornton, Grigsby Reeves who re- Winnie Hart, school children from Floydada

Mr. and Mrs. Fred Cox from Edmonton, Alberta, Canada, arrived on Monday morning for a visit with her parents, Mr. and Mrs. P. M. Smitherman and Ernest and John Smitherman and families. Mr. and Mrs. Cox are going from here to visit in Fort Worth with their daughter and family. Early Joiner left Friday evening for his ranch at Rye, Colo. with a load of cattle from his farm here. Mr. G. W. Brumley

and bring sandwiches and a pie and something for the bazaar. Children wear your costumes and there will be prizes for the best ones. Mr. and Mrs. George Robertson spent Sunday and Monday at the farm here and will return later in the week to be here through cotton pulling time. Mr. Robertson has been doing some re-decorating and building at his daughter's home in Hereford the past two weeks. Everyone remember the Halloween Festival at the school house on Halloween night. Each mother is to furnish her booth

ATTEND CONVENTION Dr. and Mrs. J. S. Hill attended a meeting of Naturopathic physicians at the Adolphus Hotel in Dallas last week end. Home gardeners, by rejuvenating tomato, pepper, okra and egg plants in the spring garden, can have fresh vegetables before frost.

VA Relaxes Credit Controls For Vets

Veterans Administration announced that its regulations relaxing credit on housing built or purchased with VA Guaranteed or Direct Loans were effective October 2, 1952.

New terms applying to all Government-supported housing credit were recently prescribed by the Housing and Home Finance Administrator under the provisions of the Defense Production Act Amendments of 1952.

On houses costing \$8,000.00 or less, no Down Payment is required under VA-S new Regulations, but closing costs must be paid in cash.

The new terms represent a modification of those announced by the HHFA on Sept. 15. Under the new terms, no Down Payment other than Closing Costs is required on houses costing no more than \$8,000.00.

The change was approved by

the House and Home Finance Administrator to put Veterans in a more favorable position in a \$7,000.00 to \$8,000.00 price range.

VA also announced that in certain substantial hardship cases, it may waive the Down Payment on houses costing over \$8,000.00.

VA stressed that it could grant the waiver only if the lending institution is willing to make the loan under the more liberal terms.

In older homes many people are converting dining rooms or back porches into laundry and general utility centers, including play space for youngsters and storage room for their toys and other belongings.

A CLEAN CITY IS A SAFE CITY!

Young Jimmy Waldzak, after giving it all he had for a mile down the track, gets pulled aboard by Ike. Scene is Bay City, Michigan, and General Eisenhower is introducing Jimmy to the crowd. Hand on head, Jimmy is collecting his wits, or more probably, his wind.

OUR DEMOCRACY by Met

A CELEBRATION THE ANCIENT ROMANS CALLED THE 'FEAST OF DEMETER', THE HEBREWS THE 'FEAST OF THE TABERNACLES', THE SCOTS THEIR 'KERN FESTIVAL', THE ENGLISH THEIR 'HARVEST HOME' AND AMERICANS THE 'HARVEST FESTIVAL'.

AND IN THE AUTUMN OF LIFE, THRIFTY PEOPLE WHO HAVE SOWN SECURITY THROUGH SAVINGS AND LIFE INSURANCE, HAVE THEIR OWN 'HARVEST FESTIVAL' TO CELEBRATE - A PROVISION FOR THEIR TOMORROWS.

Earl Page of Temple, Okla., spent the first part of the week here on business. Earl farmed in this community until about two years ago.

A Texas oil man divorced his wife because she kissed him only when she asked for money. Gosh isn't that often enough?

A good habit to cultivate now is to like the things you get, if you can't get the things you like.

Today's modern gas incinerators range in capacity from one to four bushels, the Gas Appliance Manufacturers Association points out. Table-top models, finished in porcelain, blend easily with other household appliances. The units are easy to install in kitchens, utility rooms, basements or garages, and require only a simple gas line and a flue connection.

Watch your expiration date.

Malcolm Howard Visits Here

S. I. C. Malcolm Howard arrived in Lockney on October 3 to spend a 30 day leave visiting with friends and relatives. He has been in Japan for the past six months.

He is the son of Mr. and Mrs. Jay Howard of Lockney. His wife is the former Nelda Schaffner.

He will return to Long Beach, California on November 1.

GO TO CHURCH SUNDAY.

ATTENDING CONVENTION

Those from the First Baptist Church of Lockney who are attending the Baptist General Convention of Texas at Fort Worth this week are Rev. and Mrs. J. R. Naylor, Mr. and Mrs. Homer Bartram, Mrs. Harmon Handley, Mrs. Georgia Hanst, Mr. and Mrs. Hilburn Casey, Mrs. W. S. Rexrode, Mr. and Mrs. Sid Thomas. The group is expected to return home Thursday.

A truly sensible girl is not as sensible as she looks, because a sensible girl has more sense than to look sensible.

CARD OF THANKS

We are deeply grateful to our friends and relatives for their many kind expressions of sympathy shown to us in recent bereavement.

Mrs. J. R. Naylor, Mrs. J. E. Dillard, C. B. Winters

Floydada Soldier Arrives In Europe

Stuttgart, Germany. — Army Pvt. Farrell D. Stephens, son of Mr. and Mrs. F. F. Stephens, Route 1, Floydada, Texas, recently arrived in Europe and has been stationed at Stuttgart, Germany.

He will serve as a telephone repairman in the signal section of the Stuttgart Military Post, one of the major commands of the U. S. Army, Europe (USAREUR).

Stephens formerly attended Floydada High School.

A mousse is a light, frothy dessert.

NAVY "ESCAPE SLIDE"

After a crash landing, Navy litter patients can be slid to safety down a strip of heavy duck canvas. Now carried aboard all VE-3 evacuation aircraft, one end of a 26 x 3 1/2 foot canvas strip is hooked to floor rings near the cargo door. Two or more crewmen hold the other end tautly away from the airplane while other crewmen gently slide the litter patients down from the nine-foot height. (U. S. Navy photo)

Baxter & Smith Issued Certificate By Purina

St. Louis, Mo.—Baxter & Smith has been issued a Certificate of Mixing Accuracy by the Ralston Purina Company, following an analysis of samples taken from custom-mixed feeds prepared specially for customers of the mill.

The proper mixing of ingredients, using grain grown locally by farmers in this area, has long been recognized as an important factor in the efficient and economical feeding of livestock and poultry.

Before Purina approved the mill as an authorized mixing station using Purina formulas and ingredients, laboratory tests were made to determine the accuracy and uniformity of the mixing services rendered.

The samples which passed the most recent laboratory tests, and qualified the mill for the Certificate, did not vary more than one-half of one per cent in protein content.

A certificate is issued for each formula manufactured and approved.

Bargain Rates On Daily Papers Are Now Available

The Beacon is now authorized to accept subscriptions to a number of daily newspapers at the annual fall bargain rate.

The Fort Worth Star Telegram bargain rates just announced are \$13.95 per year for the daily and Sunday or \$12.60 per year daily only. This is a considerable saving from the regular rate of the Star Telegram which is \$18.00 per year for daily and Sunday.

The rates on the Amarillo Daily News are \$13.00 for the daily and Sunday and \$10.00 per year for the daily only.

The Lubbock Morning Avalanche rates are \$12.95 per year for daily and Sunday and the daily is \$11.00 per year.

The Beacon can also accept subscriptions for the Abilene Reporter and the Wichita Falls Record News but we do not as yet have the bargain rates on these two papers.

You can always save money by renewing your daily at The Beacon office.

Buddy Sanders Is Named Club Official

Plainview. — Buddy Sanders, sophomore from Lockney, has been elected treasurer of the Thespian Club, an organization of art, music and drama, and is manager of the Wayland Pioneers basketball team.

Buddy, a graduate of Floydada High School, plans to teach. He is majoring in education and minoring in English. Last year he was an engineer for the campus radio station KHBL.

He is the son of Mr. and Mrs. A. P. Sanders, Lockney.

A CLEAN CITY IS A SAFE CITY!

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Mrs. Lela S. Wier
2605 Arbor Hills Drive
P. O. Box 3122
Jackson 7, Mississippi

MEDITATION

SPRINKLING

When we are buried with him by baptism into death, just as Christ was raised up from the dead by the Father, even so we also should walk in newness of life. For if we have been PLANTED together with him in his death, we shall be also in the likeness of his resurrection." Romans, 6:4-5.

When we are buried with him in baptism, wherein also we are raised through the faith of the operation of God, who saved us from the dead." Colossians 2:12.

SPRINKLING THE LIKENESS OF A BURIAL?

It is plain, that baptism is a burial and we know that it is not a burial. In the baptism of the eunuch they both went down into the water, both were buried and he baptized him." Acts 8:38. It sounds like one of the sprinkling ceremonies that are in the world today?

WHAT ABOUT INFANTS?

When we think about sprinkling one of the reasons that arises is the "baptizing" (?) of infants. We know that sprinkling was not practiced by the church until 1311, and they were the ones to introduce it into the religious world. Before this time for several years it had been acceptable (by the apostle) in extreme cases where a person could not be baptized because of health or other reasons. But in 1311 it was introduced in place of immersion altogether. Many of the baptist today teach that infant "baptism" came from circumcision. If, then, it came in the room of circumcision why contend for it in principal and give it up? Notice: Those who teach that infant baptism is the place of circumcision are not consistent in their teaching.

They would baptize none but males.

They would baptize precisely on the 8th day.

They would not confine the administration of baptism to the clerical order, for men and women circumcised.

They would recognize the same baptism for their own children. They would recognize the same baptism for the same import, i. e., circumcision was a sign of separation of the Jews from the human family.

They would profess that they have been baptized because they were sprinkled when infants. (Let us suppose that they were baptized because they were sprinkled when infants.)

Should baptism a command? A. Yes Mk. 16:16, Acts 22:16, Mt. 7:24-27.

What does religious obedience consist of? A. A person active or passive in obeying a command. Active.

Can an infant active or passive, conscious or unconscious, receive "baptism." A. Passive and unconscious, can a being that is passive and unconscious in such a situation, be said to be obeying a command in the Bible? A. No.

Can those persons who have been "baptized" in infancy, on the foregoing principles, to have obeyed the command "be baptized."

Former Floydada Man Is Promoted

Floydada. — Col. Daniel W. Jenkins, assistant chief of staff of operations, 12th Air Force, has been appointed temporary brigadier general by executive order of President Harry S. Truman. It was announced recently at Landsburg, Germany.

The son of Mr. and Mrs. John R. Jenkins of Floydada, he arrived in Germany in July of 1951, directly from the National War College in Washington, D. C., where he was both student and staff member for three years.

In 1928 he entered the Army Air Corps at March Field, Calif., as a flying cadet and received his regular commission in February, 1930.

Prior to Pearl Harbor, Jenkins commanded the reactivated 78th Fighter Squadron based at Wheeler Field in Hawaii. During World War II, he served with the Flying Training Command in Florida and with the Eighth Air Force in England.

Returning to the United States in 1945, he was assigned to Columbia Army Air Base, Columbia, S. C., as base commander. It was here he met his wife, the former Miss Effie Murphy of that city.

Between 1946 and 1948 Jenkins assumed duties with the War

Department general staff (and subsequently Air Force) at the Pentagon in plans and operations under Gen. Lauris Norstad.

Mrs. Jenkins and four-year-old Petty Lynn reside with the general in Penzig, Germany at the present time.

Popcorn Poll Gives Eisenhower Lead

Here are the latest results in the presidential popcorn poll being conducted at the Seale Drive-In Theatre, Lockney:

Eisenhower 58%, Stevenson 42%.

The Presidential popcorn poll is a week-by-week box-top survey of the popcorn-eating preferences of the popcorn-eating American public.

Latest national tabulations on the popcorn poll are based on approximately 4,300,000 "boxes" reporting out of an estimated 18,000,000. The results, compiled at Popcorn Village and audited by a firm of Credited Public Accountants, are as follows:

Eisenhower 51.7%, Stevenson 48.3%. This represents a gain of 11% for Eisenhower since last report.

The United States has 76 per cent of the world's 53 million passenger cars, and 51 per cent of the world's 17 million trucks and buses.

Washing is one of the household tasks that's never done. Even at the very moment that you have finished a wash, there's another load coming up as the children come in from a day of play.

With an automatic electric washer you can smile when you see "another load coming up," for once the clothes are in the washer, there's nothing left for you to do but flip a switch.

"Another load coming up" for you? Be ready for it with an automatic electric washer.

Johnsons Observe 50th Anniversary

Mr. and Mrs. J. B. Johnson of Lockney celebrated their Golden Wedding anniversary Sunday, October 19 with a dinner in the dining room at the First Methodist Church. Many relatives and friends joined them in the celebration. A bountiful lunch was served and an old-fashioned singing was enjoyed afterward. Mrs. Bob Davis entertained with selections on the piano.

Mr. and Mrs. Johnson were married October 19, 1902 at Graham, Texas. The ceremony was performed in the Methodist parsonage by Rev. L. W. Carlton. Before her marriage Mrs. Johnson was Miss Ella Price. They moved to Lockney in 1917 to the residence where they still make their home. Mr. Johnson engaged in farming until his retirement.

The couple have three children. They are Mrs. M. P. Bales and Arnold Johnson, both of Albuquerque, N. M., and Mrs. W. E. Helms of Quitaque.

Attending the celebration from out-of-town were: Mr. and Mrs. W. E. Helms, Johnnie and Joedd of Quitaque; Mr. and Mrs. M. P. Bales, Jackie and Don and Mr. and Mrs. Arnold Johnson, all of Albuquerque; Mr. and Mrs. Sam Johnson, Guyman, Okla.; Tom and Marvin Johnson, Liberal, Kansas; Silas Johnson, Morrovo, Ind.; Mr. and Mrs. Jim Pemberton, Mrs. Franice Waybright, Mrs. Elsie Johnson, Liberal, Kansas; Mrs. R. M. Ritchey, Plainview; Mr. and Mrs. George Bain, William and Ray of Plainview; Mr. and Mrs. Jess Thomas, Mr. and Mrs. Buell Ritchey, Mr. and Mrs. Bob Womack, all of Lubbock; Mrs. Cecil Merriman and Joe Merriman, Amarillo; Mrs. Etta Crisler, Pampa; Mrs. Haughtie Bales, Memphis; Mr. and Mrs. Carl Surgenberger, Floydada; Mr. and Mrs. Lloyd Bradley and Glen of Lubbock.

Registering from Lockney were Mrs. Lura Stinebaugh, Mrs. Wanda Baker, Mr. and Mrs. Jake Griffith, Mr. and Mrs. Bob Davis and Carroll, Mrs. Pearl Hall, Mrs. Lula Ford, Mrs. W. H. Fields, Mrs. A. J. Mabry, Mrs. E. E. L. Stutts, Rev. and Mrs. N. S. Daniel, Mr. and Mrs. Leslie

Pauline Mullins In Brownfield Hospital

Miss Pauline Mullins of Brownfield, daughter of Mr. and Mrs. W. B. Mullins of Sterley, underwent major surgery in the Treadway-Daniel Hospital in Brownfield on Monday of this week. It was reported Wednesday that she was improving slowly.

Miss Mullins has been employed by the Southwestern Bell Telephone Company in Brownfield for the past year. Prior to that time she was employed at the Lockney General Hospital.

Irons Came Home Wednesday Eve

Supt. W. C. Irons was scheduled to arrive home Wednesday afternoon after 10 days in the Rogers Hospital at Decatur where he was treated for pneumonia. Mr. Irons was on a business trip to Gilmer, Texas and was returning home when he became ill and stopped at Decatur. Physicians put him to bed immediately and Mrs. Irons was informed the past week that he was suffering with pneumonia.

Mrs. Irons and son, Jerry, spent the past week end with him at Decatur but he was unable at that time to travel. Wednesday morning "Whitey" Bacus and Revis Harris went by plane to Decatur and "Whitey" was to drive Mr. Irons home Wednesday afternoon in the Irons car.

Mr. Irons slow recovery was due in part to his allergy to penicillin, Mrs. Irons reported.

HAS OPERATION

E. E. Savage underwent an operation for appendicitis Tuesday afternoon at the McCarthy Hospital in Plainview. He was reported to be doing fine Wednesday.

Floyd, Mrs. Bob Wilson, Mrs. Lucy Thomas, Mrs. C. H. Rose, Mrs. C. L. Record, Mrs. Dick Ashby.

Mr. and Mrs. Johnson received many lovely gifts, a number of them from friends who were not able to attend.

Lawrence of London creates a raincoat in Sea Island Element cloth to battle the elements. The deep set-in armholes, the swatter swag shoulder line and the belt are Italian-inspired touches, according to the National Cotton Council. The coat is made water-repellent by Zelan.

New Pharmacist At Lockney Drug

W. L. Smith of Childress has accepted a position as pharmacist with the Lockney Drug Company and is already on the job. Mr. Smith formerly owned a drug store at Childress.

Mr. and Mrs. Smith have three children. The family will move here as soon as housing is available.

The regular Fourth Sunday Singing will be held at the City Auditorium in Lockney Sunday afternoon starting at 2:30. It was announced this week by Joe Reeves, president. All singers and any others interested are invited to attend and enjoy the singing.

A CLEAN CITY IS A SAFE CITY!

Shorthorns Play At Hale Center

The Lockney Shorthorn team will play football tonight (Thursday) at Hale Center, according to Coach Neil Henderson, Jr. A number of fans are expected to be along and cheer for the local grade school team.

The Shorthorns will play on their home field next Tuesday night when the Crosbyton team comes here for a game. On November 4 the Shorthorns travel to Floydada and on November 11 the Floydada grade school team plays here.

The Shorthorns whammed Crosbyton 41-7 in a game at Crosbyton Tuesday of last week. The first half was slow with the Shorthorns scoring only one time when Fat Williams ran 80 yards. The local boys came back strong in the second half with Dean Moore scampering 5 and 35 yards for the second and third scores. Coy Stephenson plowed over center for 10 yards for the fourth and John Thornhill took a hand-off from Quarterback Gene Handley on an end-around play to score from the 35 yard line.

Fat Williams took a punt and returned it 75 yards behind some fine blocking for the sixth and final Shorthorn score.

Crosbyton's only score came late in the fourth quarter on a 35 yard pass play.

The Longhorn B squad lost a heart-breaker the same night to the Crosbyton B squad, the score being 13 to 7. The Longhorns led up to the final minute of play.

Methodist Pastors Moved Recently

Several Methodist pastors were in the Panhandle were moved recently resulting from the retirement of Rev. E. A. Reed, pastor of the Colorado City Methodist Church.

The changes as announced by Bishop William C. Martin of Dallas were:

Rev. Herschel L. Thurston of Canyon has been assigned to the church at Colorado City to succeed Reverend Reed.

The Canyon pastorate will be assumed by Rev. L. L. Hill, of the Fairmont Church at Abilene, and Rev. C. C. Hardaway, As-

bury Church at Midland, goes to the Fairmont Church at Abilene.

Rev. Charles E. Lutrick, of Vega, has been assigned to the church at Baird, and Rev. J. Weldon Mutler, Follett, goes to the Vega pastorate.

Rev. J. W. Rosenburg, Bunavista, takes the pastorate of the Asbury Church at Midland and Rev. P. E. Yarbrough, of Rotan, has been appointed to the church at Bunavista.

The post at Follett is to be assumed by Rev. D. Orval Strong, associate pastor of the First Methodist Church in Big Spring.

Rev. M. G. Brotherton, of Matar, who has been assigned to Rotan, will be succeeded by Rev. W. V. O'Kelly, pastor at Baird.

Workers Over 65 Must Pay S.S. Tax

"Am I required to pay the social security tax on my earnings after I am 65 years of age?" That question is frequently asked at the social security office.

"There is no age limit on the payment of taxes, and workers who continue to work on a job covered by social security after they reach age 65 must continue to pay the social security tax, regardless of their age," says John G. Hutton, manager of the Lubbock office of the Social Security Administration.

Many employees, and employers alike, are confused on this point. Some seem to believe that because the minimum age for entitlement to the retirement insurance is age 65, the taxes need not be paid after a worker reaches that age.

"This is not true," Mr. Hutton emphasized. "Employers, their employees, and the self-employed pay the tax on their social security income even after an application for the benefits has been filed. This is required, and it is equally applicable to all persons—even to those who are receiving the insurance payments after age 75 whether they are retired or not."

Mrs. Juanita Short, Field Representative of the Lubbock office will be at the Post Office in Lockney at 2:30 p. m. on Tuesday, October 28, to assist in all matters concerning social secur-

M. Hearn On Leave For Point IV In Bolivia

College Station. — Maurine Hearn, state home demonstration leader for the Agricultural Extension Service of Texas A. and M. College since 1944, left Sept. 24 for one year's service under the Point IV Program in South America. Her headquarters will be at La Paz, Bolivia.

Miss Hearn will assist in training personnel in organization and developing the extension program which has been operating in Bolivia for the past three years. The home economics programs for rural homes in the area was initiated only recently. Bolivia has nine departments which are equivalent to states in North America, and is divided geographically into three regions: the plateau, eastern mountain slope and valley, and the lowlands in the Amazon-Chaco

area. Each region has its own climate and vegetation as character of the population. The population of Bolivia is concentrated in the plateau region. The city and seat of government, has a population of 320,000 and an elevation of 12,000 feet. An important distribution center, the surrounding area is largely agricultural.

South Plains Halloween

A Halloween Festival will be held at the South Plains house on Friday, October 31. It was announced that everyone is invited to the whole family. Entertainment is assured of a good time.
