NEW NAVY SECRETARY

Selection of R. B. Anderson of Vernon as Secretary of the Navy by President-elect Eisenhower is no doubt a good thing for the United States, but not so good for Texas, R. B. We hope his tour as Secretary of the Navy will turn out to be merely a leave from Texas and his well-discharged duties as a citizen thereof.—Plainview Herald.

As we enroll the people in Sunday School and teach them, we are able to win them to Christ. Even though our Sunday Schools have grown more than the next four major Denominations combined we have not begun to reach our possibilities. Many are moving into our area at this time. They will be neighbors to some of you. Go meet them, invite them to our church and then come tell the pastor where they live.
