MITCHELLS ARE NOMINATED MASTER FARM FAMILY OF FLOYD

The Chester Mitchell family of the Pleasant Valley community has been nominated as the Master Farm Family of Floyd County. This is a project of The Progressive Farmer, a farm magazine, to recognize outstanding families. Visitors in the home of Mr. and Mrs. Mitchell last week were Miss Sallie Hill of Birmingham, Ala., women's editor of the magazine, and C. G. Scruggs, associate editor of the magazine, from Dallas.

The Master Farm Family movement was inaugurated in 1923 and three years later The Progressive Farmer and the Extension Service made the first awards in the South. The program was dropped during the depression but awards were made in Texas in 1937, 1938 and 1941 and then not renewed again until this year. Floyd County was recognized in this program in 1926 when Mr. and Mrs. R. B. Gary of the Harmony community were selected the Master Farm Family for this district.

Mr. Eugene Butler, editor of the Progressive Farmer, says, "It isn't enough for a man to be a good farmer or for his wife to be a good homemaker or for both of them to be good citizens and good leaders. Master Farm Family awards are based on high standards in all these fields." With these principles in mind, the Chester Mitchell family was nominated by the various agricultural agencies and other friends in Floyd County.

Miss Hill and Mr. Scruggs interviewed Mr. and Mrs. Mitchell for their magazine. Miss Hill said the Mitchells were among the 19 families visited in Texas out of 49 or 50 nominations. Miss Leila Petty and Bill Rodgers, Floyd County Extension Agents, were also present at the interview.

The Mitchells have three children, Shirley, Warren and Neal. Mrs. Mitchell is a member and former secretary of the Pleasant Valley Home Demonstration club. Both Shirley and Warren are members of the 4-H club and are scouts. The family attends the Baptist Church in Lockney and are outstanding workers in their congregation.

Mr. Mitchell is a Shriner, Community Committeeman for P. M. A., member of Floyd County Farm Bureau, honorary member of Lockney F. F. A. Chapter, adult leader for 4-H Club work, cooperater of Floyd County Soil Conservation District, was selected conservation Farmer in Floyd County in 1952, and an active civic leader in his community. He is a former agricultural agent, having served in that capacity for seven years in Oklahoma. Through a balanced farm program Mr. Mitchell has maintained yields consistently above the county average.

90 Register At Meteor Reunion

Ninety adults registered at the 10th annual Meteor Reunion held at Aiken last Sunday and it was the best reunion in several years, those attending reported.

During the business session Mrs. Clyde Farish of Lone Star was selected president for 1954 and Miss Thelma Thompson of Plainview was named secretary. The meeting was held at the Aiken Methodist Church and many old settlers of the Aiken community, formerly Meteor, were present.

The morning was spent in visitation and a bountiful basket lunch was spread at the noon hour under the trees in front of the church.

Afternoon the short business session was opened with prayer and the song, "What A Friend We Have In Jesus." Following election of officers Mr. Claude V. Hall of Commerce, Texas, gave a very interesting talk on the early history of Meteor. Mr. Hall taught the first school at Meteor in 1892. He had eight pupils and three of them were present for the reunion.

Rev. Rainey, of Lubbock, husband of a former Meteor girl, gave the benediction.

New 150,000 Bu. Elevator Will Be Built Here

Construction will begin immediately on a new 150,000 bushel grain elevator for Patterson Grain Co. of Lockney. The concrete elevator will be built just east of the present elevator of the company in South Lockney. Chalmers & Barton of Hutchinson, Kansas are contractors on the construction job. Cost will run well over \$100,000.

The new elevator is being constructed with the view of better serving farmers of this area on their grain sorghum crops. R. E. Patterson said this week. With cotton quotas coming on, it is expected that the grain sorghum crop will be heavy in this area. "We hope to have the new elevator ready to handle some of this year's crop but of course, we can't tell about that yet," Mr. Patterson said.

The firm has two elevators here and one at Sterley. The storage capacity of the local elevators is around 180,000 bushels.

T. F. Anderson Dies Thursday

T. F. Anderson, a native son of Floyd County, passed away at his home here last Thursday. Mr. Anderson had been in ill health since 1942 but had been seriously ill for the past year and a half.

Funeral services were held at the First Baptist Church Friday afternoon at 3 o'clock. Rev. R. E. Wiley conducted the services. Interment was in the Plainview cemetery and Carter Funeral Home of Lockney was in charge of arrangements.

Mr. Anderson was the son of Mr. and Mrs. John K. Anderson, pioneers of the county. He was born in this county on October 7, 1894 and had resided in the county except for several years spent in Arizona.

He was married to Miss Jessie Wallace in 1916 and the couple moved to Arizona where they lived for several years. Three children were born to the couple.

In 1938 he was married to Mrs. Marie Zimmerman of Plainview and they have lived in and near Lockney since their marriage.

Mr. Anderson spent most of his life as a farmer and he was well known in this community. Survivors include his wife, four children, Edward Carlyle Anderson, Mrs. Leola Pearl Newberry and Mrs. Nadine Hughes, all of Phoenix, Ariz.; Patsy Mae Anderson of Lockney; one step-daughter, Mrs. Chester E. Maxey of Lorenzo. A step-son, Milton Dee Zimmerman, was wounded in Germany on November 27, 1944 and died December 6. He was buried in Berlin. Other survivors include three sisters, Mrs. Pat Hill of Lockney, Mrs. Grover Freeman of Littlefield and Mrs. Gladys Hansen of Saskatchewan, Canada.

Palbearers were W. H. Britton, Bill Hodel, Henry Ford, V. L. Webster, W. D. Colston and Clyde Hill.

Out-Of-Town People
Those from out-of-town who attended the services included Mr. and Mrs. C. A. Workman and family of Olton, Mr. and Mrs. L. B. Workman of Tulla; Mr. and Mrs. S. C. Silcott of Olton, Mr. and Mrs. J. A. Zimmerman of Providence, Mr. and Mrs. George M. Jones of Amistad, N. M., Mr. and Mrs. Wayne Jenkins of Littlefield, Mr. and Mrs. Grover Freeman of Littlefield, Mrs. C. A. Workman Sr. of Canyon, Mr. and Mrs. Jim Bell and Floore of Canyon, Oran Bell of Canyon, Mr. and Mrs. Chester E. Maxey and family of Lorenzo.

TO HARDIN-SIMMONS
Teddy Carthel, son of Mr. and Mrs. Hershel Carthel, plans to leave Sunday to begin football training at Hardin-Simmons University at Abilene.

Main Street Church Starts Meeting Sun.

A one-week series of meetings will begin at the Main Street Church of Christ here Sunday. Earl Craig, an evangelist from Canyon, Texas, will do the preaching.

m. and 8 p. m. each day and the public is invited to attend, according to the minister, George DeVoll.

A list of subjects to be discussed by Mr. Craig will be found elsewhere in this issue of The Beacon.

Teachers Resign; Others Elected

Supt. W. C. Irons, despite difficulty in telephone communications, is making last minute additions to complete the faculty of the Lockney school system before school begins on Sept. 7.

Two recent resignations are Mrs. Marjorie Wood, second grade teacher who will move to Littlefield, and Mrs. Evelyn Terry, 6th grade teacher, who has accepted a position with the Corpus Christi school system.

Recent additions to the faculty are:

Mrs. Mollie Harris of Winsboro, Texas, who has a MS degree and will teach the fourth grade. Weldon Snodgrass, who has a BS degree from North Texas State, and will teach science in high school.

L. D. Hawkins, Baylor University, who will teach mathematics in the upper elementary grades.

Mrs. Willie Dean Hawkins, who has a major in public school music, will teach that subject. Both Mr. and Mrs. Hawkins taught last year in Fisk, Mo. Their home is Winsboro, Texas.

Mrs. Aileen Stewart, who has a BS degree from Texas Tech, will teach 8th grade English. She is from Post.

Carroll Bradford, who has a BBA from East Texas State who will teach math in junior high. He is from Sulphur Springs.

The school still has three vacancies, Supt. Irons said Wednesday, one each in the second, third and sixth grades. He expects to have these filled by school opening day.

Wipprecht Warns Of Worm Damage

Read Wipprecht, entomologist from College Station, who is operating an insect checking service for farmers of this area, warned Wednesday that an outbreak of boll worms and lygus bugs has appeared north of Lockney.

"In checking fields north of Lockney the past two days I have found quite a few fields which have not previously been poisoned with little, medium and large bollworms and also lygus. The ordinary recommendation of one pound of DDT for bollworms will control the lygus bugs now in cotton."

"Alfalfa fields are full of lygus," he said; "and cotton near these fields should be closely watched. When you find 7 to 10 lygus bugs, adult or nymph, per 100 terminals or 100 squares and bolls, control is justified."

Wipprecht said that there are excellent prospects of a very good crop in this locality if watched and protected from insects. He also warned that fields, when sprayed should be covered thoroughly so that all insects are reached by the poison.

Lone Star Revival Starts Sunday

A revival meeting will start at the Baptist Church in Lone Star next Sunday, August 30 and continue through Sept. 6, according to an announcement made by Rev. F. P. Graham, pastor.

Rev. Red Allen of Amarillo will do the preaching and Cleo Vaughn of Amarillo will lead the singing. Services will be held each evening at 8:00 o'clock and each morning at 10 o'clock. Everyone is extended a cordial invitation to attend, Rev. Graham said.

Mr. and Mrs. Morris Robertson of Lakeview visited his sister, Mrs. Lura Stinebaugh Wednesday.

Truelove Issues Call For Football Practice

All Lockney High School boys who want to play football this year should report to Coaches Johnny Truelove, Elvin Lyon and Dempsey Alexander next Tuesday morning at 9:30 for the first practice session. Coach Truelove said Wednesday.

The boys should come to the school house Monday afternoon between 3 and 5 o'clock to get their equipment, Truelove said. "We would really like for the boys to get their equipment Monday but will issue it early Tuesday morning if they are unable to come in Monday," he said.

The Longhorns will have two practice sessions each day next week, starting Tuesday, one at 9:30 a. m. and the other probably about 5 p. m. Two practice scrimmages have been scheduled with the Kress team, one on Friday and the other Saturday, and Truelove hopes to arrange another one for Thursday, he said.

"All the boys who want to play must come out the first week because we have a game on Friday of the first week of school and we must get ready for it," Truelove said. "We are expecting about 45 boys out for practice. After the first few days of practice we will cut our A squad to 26 boys and set up a B squad which will play its own schedule this year. The B squad will be mostly freshmen and sophomore boys, they will have their own dressing room and will play a full schedule of games. The B squad is important to building future teams and we hope to have a good bunch of boys on this team."

Truelove will have a rebuilding job on his hands this year but was well pleased with the showing the 1953 Longhorns made in their Spring practice session. He has six lettermen of which four were regulars on last year's team. Offensive starters from last year's team are Jimmy Williams, quarterback and Denny Quisenberry, tackle. Defensive starters are Allan Ray Pinner, halfback; Roy Johnson, guard, and Quisenberry was also a defensive man. Lettermen are Marjon Cross, center and Billy McAda, end.

The Longhorns play their first game on Friday, September 11 at Paducah. The complete schedule is as follows:

Sept. 11—Paducah here.
Sept. 18—Dimmitt there.
Sept. 25—Floydada here.
Oct. 2—Ralls there.
Oct. 9—McLean here.
Oct. 16—Idalou here.
Oct. 23—Muleshoe there.
Oct. 30—Olton there.
Nov. 6—Open.
Nov. 13—Littlefield here.
Nov. 20—Tulla here.

Lockney is in 2-AA this year along with Muleshoe, Olton, Littlefield and Tulla. Recent predictions by daily newspaper scribes have placed Olton at the top followed by Tulla and Littlefield. It will be the first year for Lockney to play the AA loop.

Farm Bureau To Hold Meetings In Communities

The Floyd County Farm Bureau will hold a series of community meetings starting this week. The meetings will be held at Floydada, Lockney, Harmony, Lakeview, Dougherty, South Plains. The Beacon was unable to find the exact time and place of the meetings but the Farm Bureau office said that letters would be sent out as to the time and place.

Purpose of the meetings is to bring information on various phases of the Farm Bureau work. Some special stress will be given to resolutions concerning the state and national farm programs. There will also be some discussion on noxious weed control and many other problems of farm and ranch people, it was said.

Mr. and Mrs. Morris Robertson of Lakeview visited his sister, Mrs. Lura Stinebaugh Wednesday.

Singers From Six County Meet Here

Singers from six counties will meet at the City Auditorium in Lockney Saturday and Sunday, according to announcement by B. R. Bassel of Plainview, president of the Six-County Singing Convention.

The Saturday night session will begin at 8 o'clock and on Sunday morning the session will begin at 10 o'clock. Singers from Floyd, Hale, Motley, Briscoe, Dickens and Crosby counties will be present and a large crowd is expected.

Mrs. Joe Holt Is Now Postmistress

Postal inspectors were here Tuesday checking out H. B. Machen as local postmaster and checking in Mrs. Joe Holt as acting postmistress.

Mr. Machen submitted his resignation as postmaster some weeks ago to be effective August 25. His family has already moved to a farm near Bentonville, Ark. and Mr. Machen will follow them in a day or two he said this week. "I appreciate very much the co-operation given me during the five years I have served Lockney as postmaster," he said Tuesday. "It has been a pleasant five years." The Machens will raise livestock and operate a dairy farm on their Arkansas place.

The Machens' home here has been sold to W. F. Merrell of Channing and Mr. Merrell's mother-in-law, Mrs. R. L. Lackey will live in the house. Mr. Machen holds the rank of major in the Army reserve and is due for promotion to Lieutenant Colonel in October.

Mrs. Holt was appointed acting postmistress following Machen's resignation. Examinations for the permanent position of postmaster will be held at some later date.

Rev. Shaw Ends Happy Pastorate

Last Sunday, August 23, was the last Sunday Rev. A. L. Shaw served the First Baptist Church at Happy as pastor. He presented his resignation to the church on August 16.

Rev. and Mrs. Shaw had lived at Happy and he had served the church there for six years and four months. Recently Mrs. Shaw was elected a teacher in the Plainview school system and they plan to move soon to Plainview to make their home. Rev. Shaw's plans were not disclosed.

Celebrates 86th Birthday Wed.

Mrs. Alice Baker, proprietor of Baker Dry Goods here, which she has operated since 1894, celebrated her 86th birthday Wednesday. A special table was prepared at the Hotel Coffee Shop and she with several members of the family and a few friends enjoyed the meal together.

Mrs. Baker was born on August 26, 1867 at Edom in Van Zandt County. She and her husband were actually the founders of the city of Lockney since they built a store building here and moved into it before anything else was built in Lockney. That was in 1894. Mrs. Baker has been active manager of the store since that time, this marking her 59th year in business in Lockney.

True to her business nature she didn't let the birthday celebration interfere with business too long. As soon as the dinner was over she rushed back to the store to take care of things.

Present for the informal dinner were Mr. and Mrs. Ed Gross and daughter, Elizabeth of Port Lavaca, Mrs. Mary Phillips and daughter, Sarah, also of Port Lavaca, John Stalcup, Mrs. Lena Fae Sweatt, Mrs. Wanda Baker, Billy Norton Baker, Mrs. Rex Jackson, Edgar Hays, and the honoree, Mrs. Baker.

Sgt. Bob Smith Freed In POW Exchange Mon.

Sgt. Abner R. (Bob) Smith, brother to Mrs. Vestal Eiland and Lewis B. Smith of Lockney and son of Mrs. Alice Britt of Fayetteville, Ark., was freed Monday in the prisoner of war exchange in Korea, according to a telegram received by Mrs. Eiland early Tuesday morning.

The telegram, from Wm. E. Berger, adjutant general, said: "The Secretary of the Army requested me to inform you that your brother, Sgt. Abner R. Smith was returned to military control in Korea and will be returned to the United States by surface transportation at an early date. You will be advised of arrival date."

Sgt. Smith was captured in November of 1950 and relatives here have had several communications from him.

Lewis B. and Vestal are planning to meet Sgt. Smith at whatever point he lands unless he makes arrangements to fly home, they said this week. They expect that it will be two to three weeks before he arrives in the states.

Copeland Resigns As Hospital Mgr.

J. D. Copeland, who has served the Lockney General Hospital as manager since its organization 6 1/2 years ago, has offered his resignation to the board of directors of that institution effective Sept. 1, he said Wednesday. Mr. Copeland will continue to operate his farm near here until January 1 and will make more definite plans then, he said.

Mrs. Wanda Baker has been employed by the board as manager and is already working with the hospital books.

Hubert Frizzell, chairman of the board said this week, "We deeply appreciate the service rendered to the hospital by Mr. Copeland. He has spent many long hours working in the hospital interest and served that institution faithfully and we appreciate it very much."

Longhorn Band Begins Practice

The Longhorn Band has been practicing each morning this week at the band hall from 7:30 to 9 o'clock. Half the time is spent in marching and the other half in playing the instruments. All members are urged to attend these practices. This includes members of grade school who already play instruments. Band Director Elmer Stimson said Wednesday.

Practice will start the last of this week on band formations for the football shows and every person who plans to take part in these shows are urged to be on hand each morning.

"The band is doing exceptionally well," Mr. Stimson said, "and the organization will be one we can truly be proud of when everyone is in his place."

Mrs. W. M. Stovall from Stockton, California is here spending two weeks visiting in the homes of her brother, Robt. Smith, and sister, Mrs. Sam Jack.

VISIT DANIELS

Mr. and Mrs. Clark Harris and family spent Saturday and Sunday visiting Rev. and Mrs. N. S. Daniel and Phillip at Andrews, Texas. They report that Hugh Daniel is now in New York attending an all denominational school to promote better religious camps for youths. He was selected from a large field of young religious workers for this special training. Mrs. Hugh Daniel is leading the singing for a revival meeting being held at the Methodist Church in Andrews.

Rockefeller Center's R. C. A. building in New York is 79 stories high.

Fathers Are Not Deferable After August 25th

Austin. — Any young married man registered with a draft board had better be on the alert about reporting children in his family or expected birth of a child.

On August 25th and thereafter, fathers are not deferrable because of their children. Draft boards have this new regulation following an executive order of President Eisenhower.

Those who now have children, and those who are expecting birth of a child, are deferrable; likewise, those who become fathers or expectant fathers before midnight, August 24th.

But these men who are fathers and expectant fathers before August 25th must act at once to advise their draft boards in writing. If they fail to perform this important duty required by draft regulation, they will be liable for the draft simply because they failed to advise their boards of the facts.

In the case of expectant fathers, certificate from a licensed physician must be secured, stating that the child has been conceived, probable date of delivery, and evidence upon which positive diagnosis of pregnancy is based.

Brigadier General Paul L. Wakefield, state draft director, urges all married men who come under the provisions of this new regulation to act at once if they wish to retain their deferred status.

FEEDS THE EDITOR

The Editor found a sack of peaches and grapes on his front porch one day last week and investigation revealed that Mrs. A. B. Kenady was the good Samaritan who helped to feed the editor. They were delicious. This is just another one of a long series of nice things Mrs. Kenady has done for the editor and family.

Mrs. Hogan Will Receive Masters Degree At Tech

Mrs. Mary Nell Mangum Hogan of Lubbock, daughter of Mr. and Mrs. W. E. Mangum of Lockney, is a candidate for a master of education degree with a major in primary education and elementary supervision and a minor in sociology at Texas Technological College. The graduation exercises are to be held Wednesday evening, August 26 at 7:15 on the administration court of Texas Technological College, Lubbock.

Mrs. Hogan completed her work for the master's degree in supervision under the direction of Miss Katherine Evans, assistant professor of education at Texas Technological College and completed work toward a doctor's degree in a supervision workshop under the direction of Miss Mercedes Erro, director of curricular services for San Luis Obispo County, California.

Mrs. Hogan is a teacher in the Lubbock Public Schools and holds membership in the Alpha Sigma Chapter of the Delta Kappa Gamma Society as well as in the National Education Ass'n Texas State Teachers Ass'n and Lubbock Classroom Teachers Ass'n. She was a member of the 1955 Lockney High School graduating class and is a former teacher in the Floyd County schools.

ATTEND CAMP

Joan Harris, Harlene Workman and Sandra Myers are spending this week attending the "Know Your Job" Methodist Youth Camp at Ceta Glen canyon. They will return home Friday.

MRS. THAYER BETTER

Word has been received here that Mrs. Ralph Thayer is some improved following treatment at a Dallas hospital where she spent the past week. She will remain in Dallas another week. She is accompanied by her husband and her sister, Mrs. Ernest Lee Thomas.

Rev. F. P. Graham of the Lone Star Baptist Church did the preaching for a revival meeting held at Mt. Blanco last week.

Mrs. Conway Will Be Wayland Counselor

Plainview. — Mrs. O. M. Conway, who has been financial secretary of the First Baptist Church, Plainview, since 1946, will become counselor of Matador Hall at Wayland College with the opening of the fall semester, according to Dr. A. Hope Owen, president.

Prior to coming to Plainview, Mrs. Conway was for nearly 10 years Floyd County treasurer, having moved to Floydada from a farm near Lakeview when her oldest child was ready for high school. This was after the death of her husband.

As a child, Mrs. Conway, the former Blanche Price, lived in Sherman but her high school work was done in Terrell. She also attended old Wesley College at Terrell.

Mrs. Conway's only daughter, Miss Florrie Conway, preceded her mother to Plainview and has been secretary to Dr. L. B. Reavls and Dr. A. Hope Owen, both former pastors of First Baptist Church, Miss Conway has resigned to enter the Graduate School of Library Science at the University of Texas and will serve as graduate counselor for freshmen girls in Scottish Rite Dormitory. She is a former student of Wayland College and a graduate of Baylor University.

LETTERS TO THE EDITOR

18 August 1953

Butzbach, Germany.

Dear Mr. Hays:

I am sorry I haven't written before and thanked you for the paper but just never did get around to it. I have enjoyed reading it although I don't know everyone there in good old Lockney now. It has been around 30 months since I have been home.

I have been here in Germany for 27 months and 12 days today but received my orders to come home. I sure will be glad to get home and see my wife and son. I have a son almost 2 years old I have never seen. But I am hoping it won't be too long now.

Well, Mr. Hays, you don't need to send the paper any more over here to me. But I sure would like to keep the paper coming so please send it to Box 701, Plainview, Texas and if it is about out I will drop in and pay it up.

Your truly,
Cpl. Vern R. Newton.

RIGHT NOW, if you are driving one of these new Chryslers, you already know that never in your entire life have you invested your dollars more wisely!

You possess, and live with, a car of such prestige and quality that no other... regardless of price... can compare with it in basic goodness. You drive a car, right now, which thousands of motorists... who are planning to step up to the Chrysler level... have their eyes on and want. For its "years-ahead" engineering. For its delightful, easy obedience to its driver's

directions. For its graceful and gracious beauty in motion and at rest.

You drive the one car that has given American motorists most of the really new driving advantages — first, Full-time Power Steering, Power Brakes, Hemispherical combustion power that extracts more power from each drop of gasoline. Shock absorbers so new in concept that they do twice the job that ordinary types do.

You drive the car that gives you additional fea-

tures, still unavailable or available only at extra cost on most other cars... like Safety-Rim wheels... Independent parking brake... turn signals... Fluid-Matic transmission... undercoating... electric windshield wipers... air cleaner and oil filter.

You drive a car that... or do you? Perhaps you are just in the "thinking stage" about a new car. If so, we invite you to stop in and discover, by driving this great car yourself, that nowhere else will each dollar you spend be so well spent!

McClures and Sanders have not received any of the recent rains, but north of South Plains two inches and more were received. Again Sunday R. E. Young reported good rains up that way. The Bradshaw farms last week got over an inch of moisture, other spots about half an inch. Charles Hartman left Monday for the fall semester of college work at Howard Payne College at Brownwood. He will be working in football a few weeks before fall classes begin. Mrs. Harvey Pearsey and son, Rex, of Norwalk, Calif., arrived here last Thursday and she is visiting friends and relatives in Floydada at present. Rex has been visiting old friends in South Plains. They are looking forward to the homecoming of her son, Jerry, who is expected home from Korea soon. Carol Reeves came home from Denver, Colo. Friday and spent the week with her parents, Mr. and Mrs. Sim Reeves. She has been vacationing in Los Angeles, Calif. and in the coastal cities during the past month. Two girl friends from Fort Worth accompanied Carol on her interesting trip. Mr. and Mrs. Jim Mulder, from Sadler, Texas, visited his nephew, Mr. and Mrs. Arby Mulder Friday and Saturday. They were enroute to Albuquerque, N. M., where the O'Dell Mulders will join them for a tour of the western states and back through Canada. Mr. and Mrs. J. F. Taylor and family had as their guests at dinner on Sunday, Mr. and Mrs. Robert Merrell and family from Lone Star. Mrs. Mable Laughlin, from Bonham, Texas, was a guest Thursday and Friday at the home of Mr. and Mrs. Paul Snodgrass. She plans to teach this coming winter at Spring Lake. Carol Reeves went to Plainview Sunday evening to spend the night with Mrs. Bob Reeves and son. Carol left Monday for Fort Worth where she will soon be back at work teaching at the Buckners Orphans Home. Mrs. George Weast went to Amarillo last Wednesday accompanied by her grandchildren, Sandra and Shirley Smith of Sterley, and they spent Monday

and Tuesday with Mrs. Weast's daughter, Mr. and Mrs. E. T. Evans, where they celebrated the children's birthdays.

Mr. and Mrs. Bryant Higginbotham enjoyed having his brother, Arch Higginbotham, of Wichita Falls with them as a guest from Sunday until Tuesday of last week.

Mr. and Mrs. Frank McClure are now in Grand Prairie, Texas, where they went last Monday night. Mrs. McClure is going to the doctor there, and we hope they soon will be home, with her health improved.

Mr. and Mrs. W. Fred Cox from Edmonton, Alberta, Canada flew in last Friday from Canada to bring their children home to Fort Worth and then came here to visit her father, P. M. Smitherman and brothers, Ernest and John and their families. They will leave for their home in Canada today.

Marine Sergeant Jack Reeves arrived home Friday from Washington, D. C. and he is happy to be home and through with his army life for awhile. He plans to leave soon for Roswell, N. M. where he will teach English at the high school there.

Mrs. Billy Bean Complimented At Shower

Mrs. Billy Bean was honored at a pink and blue shower on Thursday afternoon of last week in the beautiful home of Mrs. George Weast.

Mrs. Weast and the honoree received the guests and Mrs. Douglas Beedy presided at the guest register.

The rooms were decorated with cut flowers and the dining table held pink roses in a novel decorative scheme, with small booties and cradles surrounding the flower arrangement. Mrs. S. A. Thornton poured punch and Mrs. K. W. Cook served cookies and tarts with pastel mints. The table was laid with a beautiful linen cloth.

Co-hostesses with Mrs. Weast were Mmes. H. L. Marble, S. A. Thornton, Douglas Beedy, Ernest Huckabee, L. N. Johnson, George Beedy, Kenneth Cook, Sim Reeves, John Smitherman, Ralph McGuire and Garvin Beedy. Registering and presenting gifts were Mmes. H. S. Calahan Jr., G. A. McClelland, Rex Smitherman, Sterling Cummings, Gilbert Bean, H. S. Calahan Sr., Zach Cummings, Arthur Brown, Brian Karr, Harry Hartman, Murray Julian, Raymond Upton, Shelby Calahan, Sally and Chris Patterson and Miss Bonnie Upton. Sending gifts were E. L. Woodburn, W. L. Thomas Sr. and W. L. Thomas Jr., Mesdames G.

Mrs. Billy Bean and Mrs. Gilbert Bean were presented beautiful corsages by the hostesses.

Home with their parents, Mr. and Mrs. R. E. Young and family, Sunday were Mr. and Mrs. Don Shurbet from San Antonio, Mr. and Mrs. Seymour Brannon and boys from Silverton and Mr. and Mrs. Ted Pitts, Larry and Stevie, from Lubbock. After a bountiful Sunday dinner Ted Pitts showed wedding picture slides of Deral Young and LaFau Hanna, and other pictures

of interest to the family. Don leaves for New Jersey on Sept. 15 and from there he will go to Europe for the coming winter to serve in the armed forces. Mrs. Deral Young will be visiting the Youngs all this week from Camp Hood, Texas, where Deral is stationed.

Elmo Fortenberry, Bobby McCormick and David Jameson from Lockney, will leave this Wednesday for Pueblo, Colo., where they will attend the Midwestern Business college this coming winter. Elmo is going to study telegraphy, and the boys will room together this winter.

Mr. and Mrs. L. T. Wood and Juanel left for a week's vacation trip the latter part of the week. They plan to go to Ruidoso, N. M., then will visit her parents, Mr. and Mrs. S. C. Waller of Tucuman, N. M.

The Womens Missionary Society of the South Plains Baptist Church met Wednesday afternoon for Bible study under the direction of Mrs. W. S. Spearman. Chapters 9 and 10 were reviewed and enjoyed, from the book of "Women of the Bible." A business meeting was held with discussion of leaders for the new organizations which are soon to be started in the church. Present for the Bible study were Mmes. John Smitherman, Brian Karr, Grigsby Milton, Shelby Calahan, H. S. Calahan, Jr., Dock

ANSWERS
YOUR
QUESTIONS

What's an easy
to control
chicken lice?

The best way I know
is to use Dr. Salsbury's
Vapo-Roost. All you have
to do is spread it on the
chickens and see that all
the roosts are covered. Vapo-
Roost doesn't stain the
chickens or taint flesh
because it contains
benzene hexachlor-
ide. Use Vapo-Roost regu-
larly to de-louse your
chickens—it pays! Ask for
it this week.

Mother Goose School To Begin Sept. 7

Mother Goose Kindergarten will start Monday, September 7 at 9:00 o'clock with the registration of 5-year-olds. 4-year-olds will be enrolled later if the limit of 20 pupils is not taken up by older children. 4-year-olds will register on numbered cards for a first come, first served basis.

Regular hours, 9:00 to 11:45 o'clock each morning, Monday through Friday will be observed. The kindergarten will also observe holidays the same as the public schools. A regular prescribed course will be followed for all five-year-old pupils. All play will be supervised.

Mrs. Derrell Wood, teacher of the school, has majored in kindergarten work and has taught pre-school children in Plainview and Fort Worth as well as one year in Lockney.

Any mother wishing to trade 30 minutes of piano playing three days a week for a child's tuition may contact Mrs. Wood at her home or call 2235.

 J. E. Cox, manager of the Lockney Auto Co. here, was honored at a meeting of Chevrolet dealers, held in Oklahoma City Monday. Mr. Cox was one of six persons out of District 5 and 6 who made the 100-Car Club, indicating the sale of 100 cars in the past year. The six persons were seated at the head table and named distinguished guests for the meeting. They were also given special awards for their outstanding salesmanship. Accompanying Mr. Cox to the meeting were A. P. Barker Sr., dealer and Barry Barker. The group left Sunday and returned home Monday night.

Mystery Farm No. 10 Believed Jetton Farm
 The picture of Mystery Farm No. 10 in last week's issue of The Beacon has been tentatively identified as belonging to Andrew W. Jetton who lives two miles south and three miles east of Cedar Hill. Mrs. Rene Yearly identified the farm. The Beacon and Handley Shop & Pump Co. appreciate the many people who called in to try to help identify the place. Many people guessed on it. Thanks and check the one this week.

Knox Grocery and MARKET

We are in the grocery business for a living. If we make too much money we are crooked and if we go broke we are foolish. So we sell just as much as we can as cheap as we can.

Our business is just like yours - just what we have left at the end of the year is all that counts.

In this the children of God are manifest, and the children of the devil: whosoever doth not righteousness is not of God, neither he that loveth not his brother. — 1st John 3:10.

School bells will be ringing here in a couple of weeks. Beginning of school brings mixed emotions to most. Some students are glad while others see nothing to be happy about in the beginning of another nine-month study period. Some mothers will breathe a sigh of relief while others will shed a tear as they see little Johnny start off to school for the first time. To all it will be time to shake off the summer doldrums and start showing most zest and energy. Fall is upon us and soon harvest season will be in full swing. Disregarding the calendar the beginning of school is a new year in our every day life.

Did you know that egg production in Texas is not sufficient to meet the state's demands and that eggs must be shipped into Texas from out-of-state sources? Texans eat a lot of eggs—more than one per day per person. The average last year was 397 eggs for every man, woman and child in the state. Therefore 259,000,000 eggs had to be

shipped into Texas from other states. It makes us think that the poultry business ought to be pretty good. Especially since the population of the state is increasing right along and more people will be eating eggs in this state this year than last.

Now that Russia is believed to have the recipe for the hydrogen bomb wouldn't it be wise for the Lockney community to look to the organization of a civil defense unit? Of course, the Red bombers, if they should ever strike this country, will not likely drop a hydrogen bomb or even an atom bomb on a small community like this, but who knows what may happen? And, stealing from the Boy Scouts, "Be Prepared" is a mighty good motto. Such an organization could be helpful in case of a tornado, or some other similar disaster.

Some cynical observers say that a recent turn-up in demand for men's clothing marks the crest of the business cycle. The idea is that by the time father gets around to upgrading his wardrobe everything else the family needs have been purchased.

Something new under the sun: The American Car & Foundry Co. returned voluntarily \$22½ million on a tank contract with the Army which had originally been let for \$144½ million. It is a very commendable thing for this company to do such but where one company does it ten more keep the extra money and never mention except on the income tax report. A little more care in letting contracts might be one way to cut the deficit in the national economy.

Another indication of fall: Football practice will begin soon. Already fans are talking football and look at the schedule. Already guesses as to who will lead what district are in the air. The Lockney Longhorns will have an uphill fight this year due to inexperience of most of the team, but we're guessing that they may surprise some of the big city scribes who have ranked them pretty low in this district. Anyway we'll find out soon.

What are we going to do about basketball? The contractor on the new school building agreed to have the gym ready by January 1, but if he does he's going to have to get a move on—and a much faster move than has been shown up to now. We're guessing that the basketball season will catch Lockney high school without a gymnasium.

With Our EXCHANGES

UTTER FUTILITY

Veterans of a couple of world wars are familiar with the jarring call, "Who won the war?" This time there's no problem like that. Rather the question is, "Who lost the war?" The answer is everybody. And mainly us. Mind the sorry spectacle of the United Nations—likewise mainly us—making "demands" upon the Reds about prisoners of war who are reported still held, unreported officially, behind the Iron Curtain. And what happens? The enemy grinningly retorts that he won the war and what are we going to do about it. Daily there are authentic reports of atrocities in POW camps. Do you think there will be any War Crimes Trials after this war? Or even a War Crimes Commission to study the reports and atrocities? Still the enemy just grins and reiterates that he won the war and asks us what we aim to do about it. If ever this great nation had a case of utter futility, this is it. — You Be The Judge in Crosbyton Review.

ADLAI AND TEXAS

So-called "Texas Liberals" who are talking so blithely about bringing Adlai Stevenson into the State in the Fall and thus mending the broken fences of the Democratic party in Texas may not know it, but they are getting ready to play a ballgame with the bats, balls and mitts in the possession of somebody else. Byron Skelton, Creekmore Fath, Maury Maverick et al. are not the individuals upon whom the National Democratic party under Chairman Steve Mitchell is counting upon to bind up the wounds and rebuild the organization in Texas. Mr. Mitchell, wisely, is looking for new names and new faces to head up the party in Texas.

middle-of-the-roads who may be able to pour oil on the waters and repair the damage done in 1952 by Northern radicals and their followers in this State. The National Chairman is known to look with a jaundiced eye upon efforts of discredited "liberals" in Texas to remain in the party saddle.

If Adlai Stevenson comes to Texas in the Fall, or any other time—and we hope he will—he very likely won't be here under the auspices of the party's leftwing leadership. If he is, there won't be much fence-building accomplished. — Lubbock Avlanche.

CALL FOR RECOUNT

I see by the papers that some agriculturists are going all out for cover crops as a measure for soil conservation in the drought stricken parts of the Southwest. The idea would be good in an area where the rainfall is 30 to 40 inches a year; it wouldn't appear impossible in an area where the rainfall is around 20—when we get it. But when you get down to 8 or 10 inches a year, and most of it falling in the summer months you're going to

have to wear out five or six milk-buckets carrying water out there to get up your cover crop. Furthermore, in a matter of 40 years here I've noticed that whenever you have a "cover crop" on any land through any winter, if that cover crop doesn't go on and make a crop for that year, you've lost a crop for that year. And for farmers who have lost three crops, the prospect of losing a fourth are right puny inducements toward planting a cover crop. Dear Agriculturists, you'd better call for a recount and try to find something that would work. — You Be The Judge in Crosbyton Review.

WITH FOOT IN MOUTH

Signs are increasing that the grassroot American is awakening to dangers inherited in what is currently known as McCarthyism. The "ism" has been known in days past as Hitlerism, Fascism and even Communism.

The Canyon News last week revised its stand on McCarthy. The News has supported the man, believing he should have been given a free hand to carry on his work. The editor now says that "The Senator is making a fool of himself." The Banner disagrees: McCarthy is making a fool of all of us.

The Littlefield County Wide News gave this newspaper an editorial pat on the head on the McCarthy issue, and has offered to furnish feathers and whatever tar is needed to decorate the witch-hunting senator (with a small s).

McCarthy's big mistake was in involving Protestant churchmen in his souped up hunt for Reds. Himself a Catholic, he cautiously refrained from involving Catholic clergy, but in his zeal for power he underestimated the strength of Protestantism in this country. Methodist Bishop G. Bromley Oxnam carefully pored the Catholic senator down to size in his appearance before the un-American activities committee, and emerged with the hearty good wishes of most Americans.

Revising the Catholic Protestant feud in a country that has extended itself to maintain the greatest measure of religious freedom is a typical low blow that may well spell exit for the man who has contributed so little to free men everywhere. — Rails Banner.

Far more miles per gallon

on the trips YOU take!

On long trips, short trips, all trips, you get far greater gas mileage out of a '53 Chevrolet. It offers important savings in everyday driving over everyday roads!

Out to the golf course. Off for a week-end of fishing. Half across the country on a full-scale vacation. Wherever you go—however you drive—you're going to get there on a lot less gasoline in a fine new Chevrolet.

The truth is, this year's Chevrolet owners are enjoying the most important gain in economy in Chevrolet history. Plus more power. Faster acceleration. More "steam" for the steep hills.

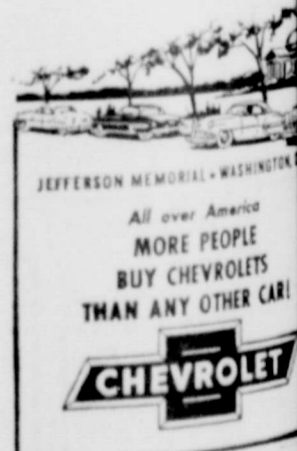

That's the beauty of Chevrolet's two great high-compression engines—the new 115-h.p. "Blue-Flame" engine in Powerglide* models, and the advanced 108-h.p. "Thrifty-King" engine in gearshift models. They squeeze much more out of regular gasoline—more miles, more pleasure.

Along with this greater gas mileage, you get lower over-all upkeep costs. And Chevrolet is the lowest-priced line in its field. Drop in and let us show you how you'll be better off in every way with a 1953 Chevrolet!

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

Gets Publicity In Farm Magazine

The outstanding work of Troy McNeill, Floyd County 4-H'er, is described in the September issue of The Progressive Farmer magazine.

In an article "Leaders of the 4-H Council" it is explained that Troy is well qualified for his position as Co-chairman of the State 4-H Council. He has a rich background in 4-H work and is an experienced leader.

Troy has won many local and state honors. He has won the Santa Fe award for records and attended 4-H Club Congress. He made the Talent Club tour in 1951, and won the Dansforth Award in 1952. In 1952 he was also a State Achievement winner. This year he attended National 4-H Club Camp in Washington, D. C.

Troy plans to attend Texas Tech and major in sociology and agriculture. He hopes to have a boys' ranch some day.

Ex-Briscoe County Judge Dies Saturday

Silverton. — Funeral services for W. W. Martin, 62, former Briscoe County Judge were held at the Methodist Church here at 3 p. m. Sunday. Judge Martin died in a Tullia hospital at 5 p. m. Saturday following a lingering illness. He had been in the hospital four weeks.

Conducting the services were the Rev. C. R. Hankins, pastor of the Methodist Church. He was assisted by the Rev. G. A. Eldred, pastor of the Silverton Baptist Church. Burial was in Silverton Cemetery under the direction of Douglas Funeral Home.

Martin had resided in Silverton for 28 years. At one time he served a two-year term as Briscoe County Judge. Recently he had been farming about 6 miles west of here.

He was a native of Mississippi and came here from Cebu, N. C.

Surviving are his widow; four sons, George, Datus, and Leon, all of Silverton, and Grady of Lorenzo; and several grandchildren.

So tough...it gives up to 40% more miles

tread is 100% Cold Rubber

Deep, Quiet Scientific Tread Design

If your driving is average, you can expect to get 10,000 extra miles...40% more wear...from the Gates Silent-Safety* Tire with 100% Cold Rubber Tread.

Cold Rubber is the tough, "miracle" rubber made by the "cold" process described in Time, Reader's Digest, Popular Mechanics. Millions of miles of road tests have proved that cold rubber far outwears natural rubber in tire treads. In Gates Silent-Safetys every ounce of tread is all cold rubber.

And remember, when you buy Gates Silent-Safetys your tire dollars are protected by Gates unsurpassed guarantee. Feel safer on the road...trade in all doubtful tires on long-wearing Silent-Safetys TODAY.

Guaranteed against ANY failure

including blow-outs, rim cuts, bruises, etc., for the entire tread life of the tire.

No time or mileage limit

Almost thirty years ago one of our well-known tackle manufacturer's entertained a group of Chicago fishermen at a bass lake in Michigan. The occasion was the introduction of the first fly rods made by this company, which previously had specialized in bait casting equipment. Among the guests were such nationally known experts of that day as Fred Peet, William Dilg, and Clark Venable, men who had created fly rod lures and feather minnows, or who had won national casting championships. It was inevitable that in a group of this kind the usual fishing arguments should develop, and during such a discussion one member of the party, to demonstrate his point that the motion of a bass lure was more important than its size, shape or color raided the pantry and returned with a carrot, a small ear of corn, and a frankfurter sausage. Rigging these with treble hooks, and using a short rod, he "popped" them along the surface of the water, a method of bass fishing which, though now generally practiced, was not well known in those days. He produced a strike on the carrot and on the ear of corn and might have done so with the frankfurter had it not disintegrated after the first two or three casts.

If this demonstration proved anything, it is that the field of choice of equipment open to the fresh water fishermen is practically unlimited. A glance through the pages of any magazine devoted to fishing and hunting or at the display windows of any fishing tackle store reveals a bewildering assortment of rods, reels, lines and lures. Almost all of them are good, and will produce results if used properly. In fact, some of the more recent developments have reduced the personal equation to a minimum, and made it possible for the beginner to enjoy the thrill of fishing with ultra light tackle after (literally) only an hour or so of practice.

The problem thus becomes the

THE LOCKNEY BEACON, LOCKNEY, TEXAS, AUGUST 27, 1953

selection of a reasonable outfit calculated to give the greatest pleasure to the individual fisherman in the waters where he intends to fish. For the vast majority this is, or will be with rod, reel and an artificial lure. No one who loves fishing can long remain satisfied to fish with natural bait and millions of young Americans graduate each year from the bent pin and illow pole.

VISIT IN TULSA

Mr. and Mrs. Frank Jameson and David spent last week end in Tulsa, Oklahoma with their daughter, Eldora Jameson who underwent an operation Saturday morning to relieve a pinched nerve in her shoulder. She is getting along very nicely now. Eldora is employed with a business machine company in Tulsa.

MYSTERY FARM NO. 11

This Floyd County mystery farm ought to be easy to identify. It is another in a series of pictures made from the air last fall. If you can identify the place call The Beacon office immediately. To the first person who correctly identifies the farm will go two tickets to The Plains or Seale Drive-In Theatres. Handley Shop & Pump Co. will give the original photo of this farm to the owner or occupant if that person will come to The Beacon office not later than Monday and give us some information concerning the farm. Mystery Farm No. 10 has been tentatively identified as belonging to Andrew W. Jetton in the Cedar Hill community. Mrs. Rene Yearly made the identification.

Vandals Strike At Farm Machinery

Some person who not only wanted to steal but also to destroy struck at equipment belonging to Joe Smith last Friday night. Joe's hay baling equipment was on the Bud Dean place in the Aiken community where the crew had been raking and baling hay. Saturday morning when they went to work they found that some person or persons had stolen all the wrenches and other tools from the tractor and taken some kind of blunt instrument and beat the tractor, breaking the gauges, distributor and other things about it.

Glen McLeod also reported that someone had stolen gasoline from his tractor left in the field on the farm six miles east of Lockney Monday night. Also stolen was a hose off the gasoline pump.

Farm Loan Assn. To Hold Annual Meeting

The Floydada National Farm Loan Association will hold its annual stockholders meeting at the V. F. W. Hall in Floydada on Saturday, Sept. 12. It was announced this week by Jake Watson, secretary-treasurer.

The meeting will begin at 3 p. m. and will be held for the purpose of electing two directors for a three year term, hearing the annual financial reports, and the transaction of such other business as may come before the meeting.

The association has 170 stockholders and has an excess of \$890,000 in loans. Mr. Watson said. Present directors are Raymond Rucker, Menard Fields, O. M. Watson, Edell DuBois and Bill McNeill.

764 X-Rayed Here In Two Days

A total of 764 persons were x-rayed in Lockney on last Wednesday and Thursday, a report from Joe Parrish, chairman said. The State Department of Health x-ray unit set up in the Lockney Auto Co.'s show room.

Members of the committee were well pleased with the number of people who presented themselves for the free x-ray and Mr. Parrish expressed his thanks for the work of the committee.

MRS. NIXON IMPROVING

Mrs. Bill Nixon of Crosbyton, granddaughter of Mrs. M. H. Ragle of Lockney, is improving at her home after having fallen a victim of polio recently. She is doing fine, Mrs. Ragle reports, and will not suffer any paralysis at all, physicians say. She has spent some time in hospitals at Crosbyton and Plainview and was seriously ill for several days. She will spend some time in bed but is able to sit up at times now.

MRS. FULKERSON IMPROVING

Mrs. M. P. Fulkerson, who underwent a major operation Monday in a Lubbock hospital, was reported to be improving nicely this week. The operation was for the repair of a hip joint which was broken in a fall last year. Physicians were well pleased with her progress, members of the family reported.

NEW ARRIVAL

Mr. and Mrs. R. V. Vowell of Waco are parents of a son born Monday, August 24. The young fellow weighed six pounds, six ounces and was named Leonard Kim. The mother is the former Mary Vallette Claborn and the maternal grandparents are Mr. and Mrs. L. A. Claborn of Sterley. In fact, the new comer was named for his grandfather Claborn, Leonard being Mr. Claborn's name. The Vowells have two other children, Van, age 5 and Kay, age 2.

Mrs. Conde Davis returned Monday from a visit with relatives at Amarillo. Returning with her for a visit was her daughter, Mrs. Tony Lundgren.

Rev. and Mrs. J. H. Hays of Tyler, Texas, were here yesterday night with their daughter, Mrs. R. E. L. Hays, who is pastor of Baptist Church in Lockney. She just completed a singing at Clarendon.

Karl Marx was a Jew by birth, a Jew by profession and a Protestant by faith.
