SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 52

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, SEPTEMBER 24, 1953

NUMBER 24

THOMAS EXPECTS PLENTY OF HANDS HERE FOR HARVEST

Sid Thomas, manager of the Lockney Chamber of Commerce and Board of Development, has just returned from South Texas to check on the prospects of harvest hands for the cotton harvest in Floyd County this fall. Mr. Thomas' report on his trip follows:

"I have just returned from a Lockney Chamber of Commerce sponsored trip to check the prospects for hands to gather our cotton crop. These questions often come up:

1st. Are there plenty of hands?
2nd. When can we expect to get them?
3rd. What will we have to pay?

These are the answers as near as I can determine:

1st. The number of hands remain relatively static except for the flow of wet backs and nationals from Mexico. So there are the usual number of hands.

2nd. After talking to probably two hundred Mexican boss men I believe we can expect at least fifty percent of the hands to come up next week end, and the balance the following week end. The blacklands of Texas are making their best crop in years and their cotton fields are white. They have a lot more cotton open to the acre than we have. In fact I saw cotton in the Brazos bottom that the hands said was pulling two bales.

Watch for a rainy spell in Central Texas. Three days after it starts raining there the hands will start pouring into Lockney.

3rd. What we have to pay depends on the farmers. Don't get impatient and start bidding for the few hands that are here now. When the laborers move to West Texas they will find only about one acre in cotton where there is usually four, due to the drought. Remember they have to make a 300 mile drive over barren lands to get here and they are the ones that will be bidding for a place to work. Just hold the line on a reasonable price. Rest assured that you will have more hands than you can house.

Some farmers are talking defolianting already with the idea of stripping before frost. Mr. D. L. Jones who is head of the Ag. Experiment Station at Lubbock is one of the most ardent believers in using a defoliant but he says your cotton should be 60% open before it is used. That probably two weeks from now would be as early as it should be used even on hot cotton that is burning badly. Mr. Jones says that even the most burned cotton is feeding the bale and will mature out a lot of cotton. He says stripping before frost has never proven to be the best policy.

SID THOMAS.

Hammond To Show New Fast Hitch

Hammond & Company, local international dealers, will present the new Farmall Fast Hitch for the McCormick Farmall Super C tractor in a field demonstration to be held Thursday, October 1 at the old Whitaker farm, one mile west of Lockney on the Plainview Highway.

The show will begin at 2 p. m. and run to 6 p. m. and the hitch will be demonstrated on a moldboard plow, a ditcher and other implements, Claude Hammond, dealer, said.

"This is more than a demonstration. We're going to show you that this hitch will really do the work and fast," Mr. Hammond said.

A team of men from the branch office at Amarillo will be headed by W. L. Browning, assistant district manager. Mr. Hammond invites all the farmers of this area out to see this new hitch perform.

Singing At City Auditorium Sunday

The Fourth Sunday Singing will be held at the City Auditorium here Sunday afternoon from 2 to 4:30. Joe Reeves is president of the group and everyone is invited to attend and enjoy the singing.

GO TO CHURCH SUNDAY.

Funeral Services For John Griffith To Be Thursday

Funeral services for John Griffith, pioneer Lockney and Floyd County citizen, will be held Thursday afternoon at 2 o'clock at the West Side Church of Christ, Minister Kline Nall of Lubbock will officiate. Burial will be in Lockney Cemetery with Carter Funeral Home of Lockney in charge of arrangements.

Mr. Griffith died suddenly at his home Monday morning about 8:30. He had eaten breakfast and appeared to be feeling as well as usual when he suddenly became ill and passed away within a few minutes. His wife and a son, L. J. Griffith, were with him at the time.

Mr. Griffith had been in ill health for two or three years suffering with a heart ailment. This was believed to have been the cause of his death.

Mr. Griffith was born June 10, 1880 at Eaton, Tenn. When he was a year old the family moved to McGregor, Coryell County, Texas, where they lived until they came to Floyd County, settling in the Lone Star community in 1891.

Mr. Griffith was married to Miss Retha Azlee Marshall on December 23, 1900 in the house where they now live. They were married by Elder Charlie Smith, a pioneer preacher of this area. They have lived all their married life here except a short time spent at Dalhart.

Mr. Griffith was a farmer all his active life until his retirement a few years ago. He had been a member of the West Side Church of Christ since 1898. He was a friendly, congenial man always willing to be helpful and neighborly.

Survivors include his wife, two sons, L. J. and H. D. of Lockney; three daughters, Mrs. Elsie Kunkel of Amarillo, Mrs. Hazel McKay of Bandera, and Mrs. Pauline Reagan of Cokedale, Colo.; two brothers, Clevo Griffith of Lockney and Glen Griffith of Casa Grande, Ariz.; 15 grandchildren, 19 great-grandchildren and a number of nephews and nieces. Two sons preceded their father in death.

Pallbearers will be six nephews, Kenneth Griffith, Melvin Griffith, Bobby Davis, Elmer Griffith, Irving Griffith and Harold Griffith.

Honorary pallbearers will be W. C. Eiland, J. H. Weathers, H. C. Griffiths, Monroe Smith, Albert King, W. T. Clinton, Claude Keeter, Buck Sams, Sam Thompson, Joel Nance, Wiley Nance, Jake Smith, Theo Griffith, Vernon Gross.

Local Band Marches At Tri-State Fair

Lockney's 53-piece band marched in the parade down Polk Street in Amarillo for the opening of the Tri-State Fair Monday morning at 11:00 o'clock. Although the local students didn't carry off either of the three prizes, they did make a nice showing, local fans report, with their new white marching shoes and white gloves. They also carried their two flags.

Dimmitt placed first for the best dressed band; Phillips won the prize for being the best playing band while Liberal, Kansas placed first in marching.

Each band student was given a \$1.00 bill for marching and a free pass into the fair grounds where they took in most of the rides and saw the Ice Follies. "To make a wonderful trip even better," they say "the school bus carrying the tired marchers home, ran out of gas twice along the way."

AT GLEN ROSE

Mr. and Mrs. Leon Wofford went to Glen Rose, Texas Sunday where Mrs. Wofford will remain for medical treatment for three weeks. Mr. Wofford returned Tuesday.

Garden Club's Flower Show Set For October 3rd

The Lockney Garden Club has announced their annual Fall Flower Show to be held on Saturday, October 3rd. The show will be held in the show room of the new Lockney Auto Co. building.

Rules and classes were also announced this week but those having flowers not listed in the classes are invited to bring them to the show anyway, members of the club said. Anyone is eligible to enter flowers.

The flower show is an annual affair and is always the highlight of the club year. Many very excellent shows have been held in years past.

Following are the rules of the show and the classes to be judged:

RULES

1. Entries must be made between 8:30 a. m. and 10:00 a. m.

2. All entries will be judged.

3. Show is not limited to garden club members. All are invited to exhibit.

4. Foliage is allowed in all arrangement classes.

5. All must be home grown.

6. All containers are to be furnished by exhibitors.

7. The flower show committee will not be responsible for any containers.

8. Entries must remain in place until 6 p. m.

HORTICULTURAL CLASSES

All specimens must be correctly, legibly and attractively labeled. Bottles must be used as containers, each exhibitor to furnish his own bottle.

Class 1—Divisional:

1. Petuna, 3 stems
2. Phlox, 1 spray.
3. Snapdragons, 3 stems.
4. Marigold, 3 stems.
5. Asters, 3 stems.
6. Zinnia, 3 stems.
7. Baby Zinna, 3 stems.
8. Verbena, 3 stems.
9. Cosmos, 3 stems.
10. Gladiola, 1 stem.

Class 2—Division 2:

Perennials
Chrysanthemums
11. Any color, 1 stem.
12. Canna, 1 stalk.

Perennial
Roses
Class 3—Division 3:

13. Red, 1 stem.
14. White, 1 stem.
15. Pink, 1 stem.
16. Yellow, 1 stem.
17. Two-tone, 1 stem.
Iris

Class 4—Division 4:

18. Any color, 1 stalk.
Class 5—Division 5:
19. Canterbury Bell, 3 stems.
20. Tuba Rose, 1 stem.
21. Delphinium, 1 stem.
22. Columbine, 3 stems.
23. Lily (any kind), 1 stem.
24. Holly Hocks, 1 stem.
25. Penstemon, 1 stem.
26. Pinks, 3 stems.
27. Carnation, 1 stem.
28. Daisy, 3 stems.
29. Geranium, 1 stem.

Dahlia
Class 6—Division 6:

30. "A" or Large, over 8 inches in diameter.
31. "B" or Medium, 4 to 8 inches in diameter.
32. "M" or miniature, 4 inches.
33. Pompon, under 2 inches.
34. Miniature ball dahlias, 2 to 4 inches.

Arrangements
Roses
Class 7—Division 7:

(Use any containers desired. Accessories permitted.)
35. Red.
36. Pink.
37. White.
38. Mixed.

Dahlia
Class 8—Division 8:

39. Red.
40. Pink.
41. White.
42. Yellow or Cream.
43. Autumn or Bronze.
44. Orchid or Purple.
Class 9—Division 9:
45. Drift wood arrangement.
Class 10—Division 10:
46. Holiday.
47. Church.
48. Kitchen (your choice of material).
49. Table.

(Continued on back page)

Longhorns-Whirlwinds In Annual Battle Friday

Farm Bureau's Annual Meet Here Tonight

The annual county convention of the Floyd County Farm Bureau will be held at the Mesa Theatre in Lockney (tonight) Thursday starting at 8 p. m. All farm bureau members and their wives are urged to be present. Door prizes will be given away.

Six resolutions will be considered by the group. They are as follows:

1. County school system.
2. Farmers relation to the county administration.
3. Penalties on light and heavy bales of cotton.
4. Cotton classing.
5. New farm program.
6. Weed control.

Patty Adams and Sandra Myers will entertain the group with songs.

H. C. McCormick Dies Monday Nite

Henry Columbus McCormick, age 78 years, passed away in the People's Hospital at Floydada Monday night at 11:30 after an illness of three weeks. Mr. McCormick lived on the Floydada-Silverton highway, just at the end of the Lockney cut-off.

Funeral services are scheduled for Thursday afternoon at 4 o'clock at the Carter Funeral Chapel in Lockney, conducted by Rev. Tilden B. Armstrong of Floydada. The body is lying in state at the chapel. Burial will be in the Lockney cemetery. Grandsons will be pallbearers.

Mr. McCormick was born June 9, 1875 in Tennessee. He was married to Ada Louise Louis in 1897 in Tennessee and the couple immediately moved to Collin County, Texas to make their home. In 1906 the family moved to Floyd County, settling in the old Roseland community. Later they moved to the Liberty community where he lived since except for a few years spent in Lamar County, Texas, and New Mexico. Mrs. McCormick passed away while the family was residing in Lamar County in 1918 and she is buried there.

Mr. McCormick had been a farmer all his life.

Survivors include four sons, R. S. and L. R., both of Lockney; C. L. of the Liberty community and Weldon of Cedar Hill; four daughters, Mrs. Myrtle Middleton, and Mrs. Ruth Harber, both of San Diego, Calif.; Mrs. Nina Rollings, Snyder and Mrs. Jenine Eubanks, Beaumont. Twenty-one grandchildren and three great-grandchildren also survive. Three children preceded their father in death.

Library's Board Meets Monday

The board of directors of the Floyd County Library met Monday afternoon at Floydada. Present for the meeting were Al Willis, Mrs. Ewald Quebe, Mrs. J. D. Copeland, Mrs. W. R. McDaniel, Mrs. Howard Drysdale, Mrs. Ray Hollar.

The board heard progress and financial reports. The progress report said that the county library now owns 2300 books and has 3000 in loan from the state. Mr. and Mrs. J. D. Copeland gave a copy of Hurlbut's Story of the Bible to the library in memory of Mrs. A. E. Frizzell.

TO CALIFORNIA

Mrs. Hershel Carthel and Mrs. W. A. Taylor left Monday for a visit with relatives in California. Mrs. Carthel will be at the bedside of her brother of Rodonda Beach, who is seriously ill and was to undergo a major operation Wednesday. Mrs. Taylor will visit her parents during their two-weeks stay in California.

Oil And Gas Show In Massey Well

A drill stem test at Sinclair's No. 1 J. M. Massie oil test Monday of this week showed 600 feet of oil and gas cut mud and 300 feet of salt water. Homer Steen of the Floyd County Hesperian told The Beacon Wednesday.

The test was made at 6325 feet in the Wolfcamp line. No free oil was recovered and the drill was going deeper Wednesday with a depth of 6638 reached Wednesday morning.

The test is located four miles north of Floydada.

Leland Hart To Be City Officer

Leland Hart of Floydada, former sheriff in this county, was named special officer for the City of Lockney by the City Council in a called meeting Wednesday morning of this week. Hart will be assigned to daytime duty, with his duties being primarily traffic control but he will be authorized to perform other duties as well, city officials said. He will begin work Friday of this week.

The job is a temporary one, Mayor J. E. Cox said and he expected that Hart would be kept on for about three months or until the fall rush is over.

Miss Thompson New City Secretary

Miss Juanita Thompson was named City Secretary effective October 1 in a meeting of the City Council Thursday night of last week. She will replace Mrs. Leo Turner who submitted her resignation to the Council some two weeks ago. Mrs. Turner will work until October 15, however, to help Miss Thompson in learning the routine of the office, Mayor Cox said.

Miss Thompson has been employed as bookkeeper at Bilbey Motor Company here several years.

New Instruments For Beginners

The grade school cafeteria was crowded last Thursday night when prospective band members and interested parents met to discuss buying or renting instruments for the beginners band class. Approximately forty horns were either purchased or rented by parents. This makes a total of 50 instruments in the beginners class recently organized at the grade school. There are 33 beginners at the high school, making a total of 83 besides the present members of the marching band of 53 students, which gives a grand total of 136 band students to date.

Interest is running high with this boost in membership and additional instruments. Band Master Stimson states that the most pressing need now is for enough folding chairs to seat the students in the cafeteria and music stands for each two persons. At present there are no stands and there are only fifty chairs available. It is thought that other chairs belonging to the school may have been borrowed and not yet returned. Mr. Stimson said. If you know of such chairs, please notify Mr. Stimson.

Mrs. C. F. Reves Has Operation

Mrs. C. F. Reves underwent a major operation at Scott and White Hospital in Temple Tuesday morning at 10:00 o'clock. Reports reaching here Wednesday say that she is doing fairly well. At her bedside Tuesday and Wednesday were Mr. Reves and their children, Mrs. Sam Jones, Mrs. Arthur Nigh, Walter Reves, and Mr. Nigh.

The annual Floyd County football classic, the Lockney Longhorns vs. the Floydada Whirlwinds, will be played on Mitchell-Zimmerman Field in Lockney Friday evening of this week. The game will be called at 8 o'clock. Plying for the "championship of Floyd County" the game will be as hotly contested as any the Longhorns will play this year.

Last year the Whirlwinds won over the Longhorns 32-0 after the Longhorns had carried away the championship five years in a row. This year the Whirlwinds again have a good team but not as good as their regional champs of last year. The Longhorns also lost most of their starters of last year but local fans expect the game to be considerably closer than it was last year and some are boosting the Longhorns to upset the Whirlwinds.

On paper the Whirlwinds will rate an edge and probably be picked to win by the sport scribes. Although they have only one starter from their great team of last year, that being Don Barber, center, they have a good bunch of reserves and letter men left and have been playing good ball. They won from Tulia last Friday 40-0.

The Longhorns showed a great deal of improvement last Friday night even though they lost to Dimmitt 25-12. They lost their first game of the season to Paducah 24-0. They have been working hard this week, smoothing out offensive plays and improving on their blocking and tackling. If they improve as much this week as they did last then they will give the Whirlwinds a run for their money.

Coach Johnny Truelove said that he expected to make only minor changes in his line up from last week. Jimmy Scott will probably be used as defensive linebacker instead of Weldon Jones. Otherwise the line up will be about as it was last week.

This is a non-conference game since Lockney plays in 2AA while Floydada is a member of 6AA district.

The probable starting line-ups for the two teams will be:

Lockney Longhorns		
Player	Pos.	Wt.
Denny Quisenberry	FB	170
Allen Ray Pinner	HB	150
Billy McAda	HB	150
Jimmy Williams	QB	145
Roy Johnston	T	160
Jimmy Rankin	T	175
Weldon Jones	G	160
Clifton Williams	G	180
Marion Cross	C	170
Mickey Jones	E	145
Carroll Carthel	E	155

Floydada Whirlwinds		
Player	Pos.	Wt.
Don Barber	C	190
Ronnie Upton	HB	140
Jimmy Dunn	T	195
Stanley Vickers	T	205
Gordon Joiner	G	170
Bobby Carmack	G	150
Jerry Harrison	QB	158
Norman Muncy	HB	148
Jack Jarrett	FB	170
Bob Ashton	E	175
Jack Wornack	E	156

James Carthel, student at Texas Tech, spent last week end here with his parents, Mr. and Mrs. John T. Carthel and Janice.

LETTERS TO THE EDITOR

Thursday, Sept. 10, 1953
 Fort Hood, Texas

Dear Editor:

I thought it was about time for me to write and thank you for The Beacon. I really appreciate it and hope you keep it coming. It sure helps a fellow to get news from home.

Say, how are the Longhorns shaping up? Hope they have a good team, good enough to beat Floydada any how.

Sorry I haven't written before now but this army keeps me pretty busy. Thanks again.

Yours truly,

Donald Reecer.

1478 St. James Court
 Louisville, Kentucky
 8 September 1953

Mr. Edgar R. Hays
 The Lockney Beacon
 Lockney, Texas

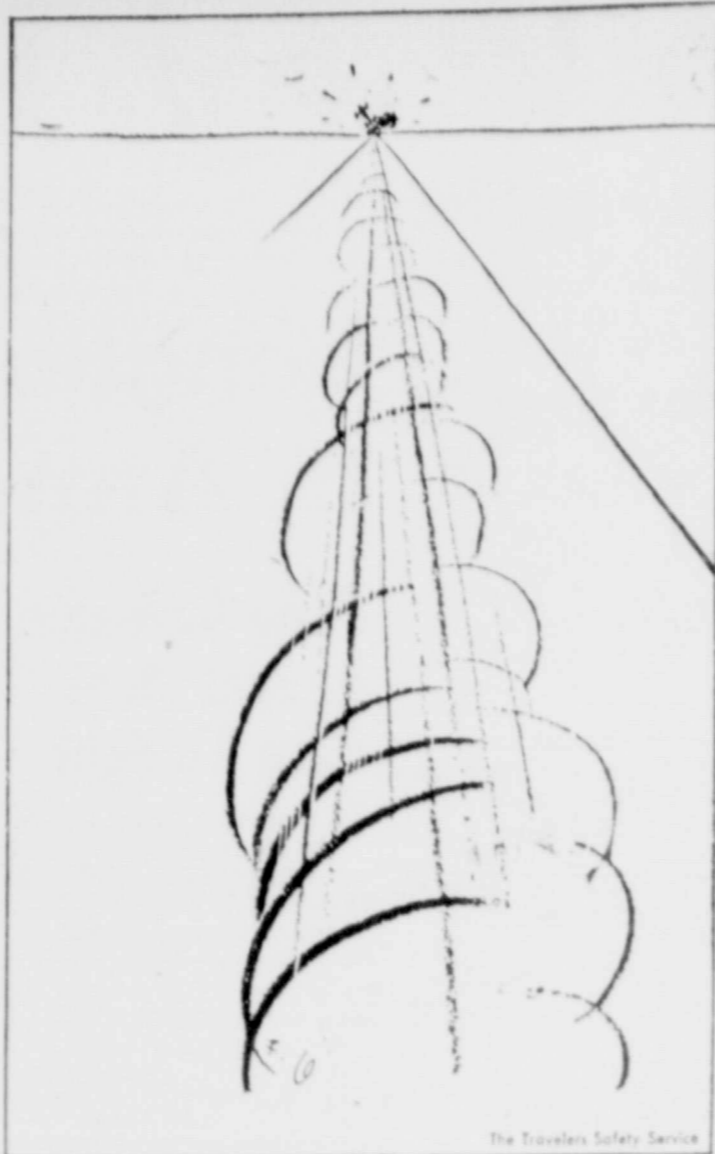

Dear Mr. Hays:

I hope this will be a letter you can publish in the Beacon because I would like to comment on an editorial which appeared in "With Our Exchanges" entitled "Vatican Confirms American Fear." Americans everywhere are willing to hear both sides of a question and usually insist on it.

As a lifelong Catholic I would like to go on record as saying that if any of my Protestant friends and neighbors can show an organization which is working for the separation of church and state without doing more harm than good, I will be one of the first to join it. We Catholics want our church free of the state, and we want our state free of the church. Who should know better than we that a church-state simply will not work? We tried it once, remember? But because we do not believe that our government, or any other, should attempt to operate devoid of Christian influence, because we believe that there is a place for religion in all buildings even if they were erected at public expense, our motives are sometimes misunderstood. Further, I refuse to believe that our Protestant citizens feel otherwise. But their fears of

Who, ME?

by Robert Osborn

Chief cause of traffic deaths and injuries in 1952 was speeding on straight roads. Only YOU can prevent accidents!

Catholicism, carefully nurtured by its greatest enemy, Communism, may be leading them slowly down this road.

Do Catholics protest the presence of a Mormon Bishop in the President's Cabinet—Secretary of Agriculture Ezra T. Benson? Emphatically not. But what happened to the clarion protests of our advocates of church and state separation when this happened? Who can forget their screams when former President Truman wanted to send an ambassador to the Vatican where Pope Pius XII governs as spiritual head of the Catholic Church and temporal ruler of the Vatican State? But we have all noticed their "loud" silence about an ambassador to England where Queen Elizabeth II rules as head of church and state alike. They have kept silent because they know that Catholics should never be aroused in opposition to the presence of true men and women of God in their government. What more evidence do we need to prove that they are not interested in the separation of church and state but only in exploiting every opportunity to create suspicion and distrust among Americans? It is time, Mr. Hays, that we awakened to the fact that there are forces operating among us to "divide and conquer."

The editorial which you reprinted failed to note that the concordant which Spain and the

order and we are slow to brand it as discrimination. The agreement also clearly states that any parents may remove their children from the schools during the time which is devoted to the teaching of religion if they so desire. Can you tell me why the author desired to hide these facts from its readers?

Let us Americans, Protestants and Catholics alike, focus the searchlight of truth, not prejudice, on the facts, that we may have faith in the trust for each other.

Sincerely,
 Timothy Q. Phalen.

HOME HINTS

One blessing for your budget is hot water starch. Not only does it cost little, but it does an excellent job at "renewing" much-worn, limp collars, rayons and linens... makes the youngsters like their old dresses again! The addition of a special ironing aid, just before you pour the boiling water into your starch mixture, helps make the starch even better than starch! So, buy this ironing aid with the delicate perfume, at the same time you buy a box of starch.

Bargain Rates On Daily Newspapers

Bargain rates are now in effect on some daily newspapers and The Beacon is authorized to accept your new or renewal subscription to most all dailies. Here are the rates:

Fort Worth Star Telegram: daily and Sunday, by mail, \$13.95. Daily only, by mail, \$12.60.

Amarillo Daily News, daily and Sunday, by mail, \$13.00. Daily only, by mail, \$10.00.

Lubbock Morning Avalanche, daily and Sunday, by mail, \$12.95. Daily only, by mail, \$11.00.

ANSWERS YOUR QUESTIONS

Q. What remedy is most necessary for fall and winter?

A. Since a variety of diseases attack poultry in the cold months, it isn't easy to single out a medicine. However, Dr. Salsbury's Sulquin, for coccidiosis and cholera, and Ar-Sulfa, for infectious coryza, are two products which should certainly be in your cabinet. Both can save you many dollars in controlling disease. Get 'em now: Sulquin, Ar-Sulfa. **BE ON THE ALERT!** When You Need Poultry Medicines Ask For...

Every 3 days a new diesel joins the Santa Fe fleet!

A 10-year record of "building new" on the Santa Fe

Christened with California champagne, Santa Fe's first multiple-unit diesel locomotive rolled out of Chicago on Tuesday, May 12, 1936.

It powered the first Super Chief.

39 1/2 hours later it rolled into Los Angeles—and the new age in railroading was born.

There were 3600 "horses" in that one. Five years later, the first multiple-unit freight diesel rolled on Santa Fe rails.

There were 5400 "horses" in that one.

Today, there is more than 2,100,000 diesel horsepower on the Santa Fe—1524 mighty diesel units.

From 1943 through 1952, a total of 1261 diesel units were placed in service. Better than one every 3 days for a 10-year record!

And still they come! 222 in 1953!

Every diesel added, every heavier rail, makes America's New Road a little more completely new. Enough new rail has been laid on Santa Fe in the last seven years to reach from Chicago to Los Angeles.

All new—but always the old price. All this building new costs you the payer, not one tax penny.

New Additions To L. H. S. Faculty

by Delores Russell
 The students of L. H. S. extend a warm welcome to all of the new teachers that we are privileged to have in our midst. In the paper this week we are going to write a sort of candid camera about two of them.

First, we have Miss Johnnie Barnhart who hails from Cone, Texas. She was born on May 3, 1932 and was blessed with brown hair and eyes and a nice height of 5' 5 1/2". She received her B. A. degree from Hardin-Simmons and is now teaching Junior and Senior English here. She is a sponsor of the Senior Class, the Honor Society, and the Lariat. Her favorite foods are fried chicken and chocolate pie; her favorite color is red; her pet peeve is waiting on people. She attends the Baptist Church and her ambition is to do educational mission work. She is staying at the Sid Thomas residence and her telephone number is 3805.

The next new teacher is Mr. Carroll Bradford of Sulphur Springs, Texas. The world was blessed with Mr. Bradford on December 21, 1929. He is 5' 10", has brown hair and eyes. He served 16 months with the Air Force from May of 51 to September of 52. He received his B. A. degree from East Texas State and is now teaching the eighth grade and Algebra I in Lockney High. He likes athletics of all types and is driving the football bus for the Longhorns on their trips. His favorite colors are brown and red; he attends the Methodist Church. Mr. Bradford's pet peeve is people that talk too much.

We are very happy to have you with us and here's wishing you luck in your first year at L. H. S.

Next week we will have a candid camera on two more new teachers.

"Here we go 'round the mulberry tree" is correct. Mulberries don't grow on bushes.

The youngest president ever inaugurated was Theodore Roosevelt at 42, and the oldest, William Harrison at 68.

Longhorns Lose To Dimmitt 25-12

The Lockney Longhorns lost a hard fought battle to the Dimmitt Bobcats Friday night. But it was after a great battle which saw an entirely different looking Longhorn team leading 12 to 0 at the half time.

The Longhorns on the first play of the ball game went 45 yards to the Bobcat 20 yard line. Then midway in the first quarter Mickey Jones took a pass from Jimmy Williams for 30 yards out to paydirt. In the second quarter Jimmy Scott, on a quick opener up the middle scooted 65 yards for the Longhorns second tally.

The Longhorns threatened twice in the second half but Dimmitt came back strong behind a 132 pound scabback named Woods to beat the Longhorns 25 to 12!

Junior Officers Are Elected

The Junior Class of Lockney High School has elected their officers for the year.

Mrs. Zeigler and Mr. Lyon were selected for class sponsors.

The officers are as follows:
 President — Harold Ford.
 Vice President — Harold Callaway.

Secretary-Treasurer — Darla Allison.

Sgt.-at-Arms — Mickey Jones.
 Reporter — Barbara Hays.

Business Manager — Jerry Holmes.

The Junior Class have elected some fine officers and they have two good sponsors. Here's wishing you luck as Juniors.

Sophomore Officers Are Elected

The Sophomore Class has elected their officers for the following year as follows:

President — Weldon Jones.
 Vice President — Dan Griffith.

Secretary-Treasurer — La Dora Ayres.

Reporter — Doyle Harrison.
 Sgt.-at-Arms — Janus Mathis.

The class sponsors are Mrs. Mangum and Mr. Snodgrass.

These officers and sponsors will help the Sophomore Class to be one of the finest classes in the school. We wish the best of luck to the fine Sophomores.

Longhorns Play Floydada Friday

The Lockney Longhorns will play the Floydada Whirlwinds for the Floyd County Championship Friday, Sept. 25, at Lockney.

This annual grudge battle is the big game of the year for both schools.

Floydada comes back with one starter, Don Barber, 190 pound center, while the Longhorns have 170 pound All-District tackle, Denny Quisenberry, who has been moved to the fullback slot. Other outstanding players that are back from last year's team are: Allen Ray Pinner, Jimmy Williams, Roy Johnston and Billy McAda.

The Longhorn starters are:

Pos.	Wt.	Name
FB	170	Denny Quisenberry
HB	150	Allen Ray Pinner
HB	150	Billy McAda
QB	145	Jimmy Williams
T	160	Roy Johnston
T	175	Jimmy Rankin
G	160	Weldon Jones
G	180	Clifton Williams
C	170	Marion Cross
E	145	Mickey Jones
E	155	Carroll Carthel

The Floydada starters are:

Pos.	Wt.	Name
C	190	Don Barber
HB	140	Ronnie Upton
T	195	Jimmie Dunn
T	205	Stanley Vickers
G	170	Gordon Joiner
G	150	Bobby Carmack
QB	158	Jerry Bob Harrison
HB	148	Norman Muncy
FB	170	Jackie Jarrett
E	175	Bob Ashton
E	156	Jack Womack

Andrew Jackson lived with his wife for two years when they found that her divorce from her first husband was not valid.

Senior Officers Are Elected

The Senior officers for the year have been elected. The class tried to elect the students who they felt would do the most for the class.

This is an important year for the Seniors and they will need those who will do their best.

For these important offices the Seniors have elected the following officers:

President — Jimmy Myers.
 Vice President — Eldon Fortenberry.

Secretary — Sandra Myers.
 Treasurer — Harleen Workman.

Sgt.-at-Arms — Denny Quisenberry.
 Reporter — Ann Belt.

The Senior sponsors this year are Miss Johnnie Barnhart and Mr. McLee Brewer.

The Seniors are looking forward to a very eventful year.

Pep Squad News

by Ann Belt

The pep squad has been hard at work the past two weeks. We now have forty-seven girls which are backing the Longhorns. The cheer leaders have reported that they have several new routines for Friday night. The cheer leaders this year are: Betty Johnson, head cheer leader; Patty Adams, Ann Belt, Johnnie Bonner, and Harleen Workman. The pep squad meets every day at 12:35 in the Study Hall and would be glad for any new members.

Come on kids, let's back the Lockney Longhorns by joining the pep squad and rooting for the team!

Seniors Sell Corsages

The Seniors have corsages for the Floydada game Friday. The white mums have an "L" in the center with maroon and white ribbons. They are selling for \$2.00 and you may buy one from any member of the Senior class. We are hoping everyone will buy a corsage to boost the Longhorns.

Freshman Officers Are Elected

The Freshman class has elected their officers for the school term of 1953-1954.

They are:
 President — Paul Ray Williams.

Secretary — Katy Ray Rucker.
 Treasurer — Roland Watson.

Reporter — Lynn Jolly.
 Sgt.-at-Arms — Marvin Wells.

We want to wish the Freshman class lots of luck in your first year in high school. Most of you were here last year as Junior High, but this year you are really part of us and we are very proud and happy to have you!

The sponsors of this class are Mr. Henderson and Mrs. Cope.

New Band Shoes Come In

The Longhorn Band is now the proud owner of new white shoes.

The shoes were ordered so that the band would all have the same color and style of shoes.

These new assets to the band arrived at eight o'clock on Sept. 20th. Just in time for them to be issued to the members for their trip to Amarillo for a marching contest at the Fair.

In addition to the new shoes, the band also has new white gloves. These too arrived just in time for the contest.

The band is expecting these new things to add to the appearance of the members while they are marching.

Fire Drills Started

The Fire Chief and assistants for Lockney High have been elected.

They are as follows:
 Fire Chief — Roy Johnston.

Asst. Fire Chief — Denny Quisenberry.

Upstairs Floorman — Jimmy Williams.

Downstairs Floorman — Billy McAda.

The fire drills will be operated

on a series of bells as follows:

Three bells: fire.

One bell: halt.

Two bells: return to classroom.

Each class is to leave the building as they have been instructed.

Band Goes To Fair

The Lockney Longhorn Band left at seven o'clock on Monday, September 21 to attend the fair in Amarillo.

The Longhorn Band will participate in the marching contest that is to begin at eleven o'clock. The winners of the contest will be announced at two o'clock in the afternoon.

The band is planning to stay in Amarillo and attend the Ice Follies. There will be a show at two-thirty in the afternoon and another one at eight-fifteen that night.

The results of the contest will be announced in the next edition of the Lariat.

Senior News

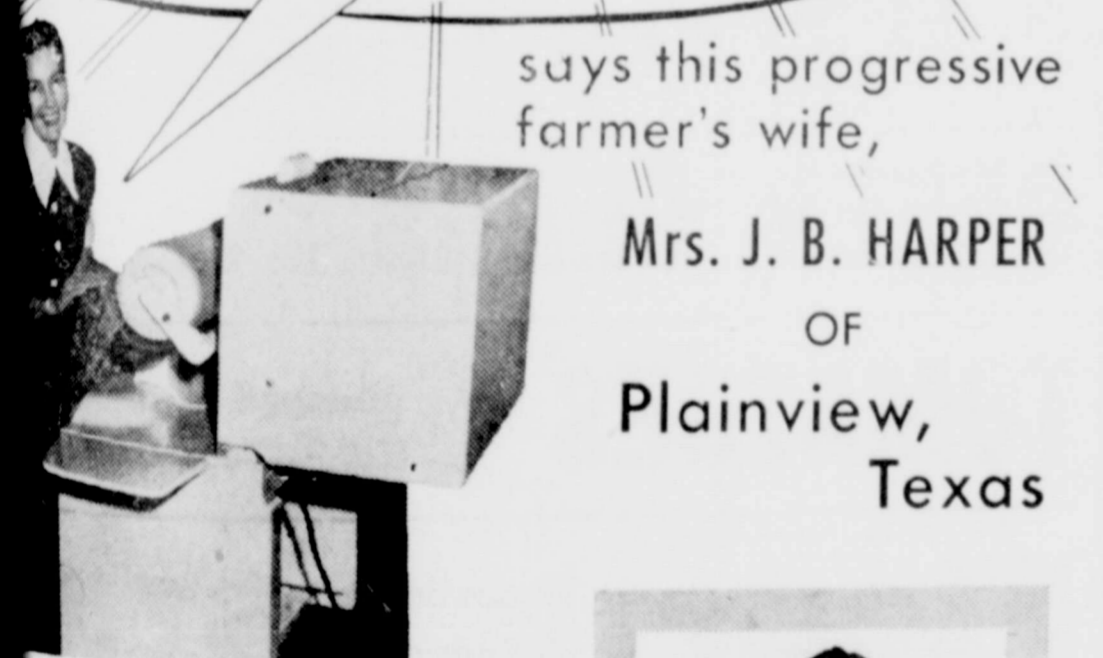

The Seniors are already working toward their goal, the annual Senior Trip. The Seniors have the concession stand for the game Friday night and the booster cards to be sold this week.

The Seniors are also selling white Mums for the game Friday night. The Seniors have several plans for making money and are working hard to accomplish these.

The Seniors had their senior pictures taken Tuesday, Sept. 17 and the proofs were received last Monday. The seniors seem to be well pleased with their pictures.

The Senior rings were ordered Monday from the Herff-Jones Company. The seniors chose a beautiful oblong ring which could be ordered with or without a stone. The Seniors are eagerly awaiting the delivery, which will take from six to eight weeks.

Fordomatic leaves 'em all behind

— It's the newest word in smooth, versatile automatic drives . . . and it does its job so well that the whole car industry is scampering to catch up.

Automatic Gears Plus Torque Converter

Does more things automatically

Fordomatic goes beyond the range of ordinary automatic transmissions to give you extra safety and convenience. You have at your command extra passing power all the way up to 58 miles per hour and extra engine braking at any speed. Only Fordomatic, in Ford's field, gives you these pluses.

Quick on the draw

Step lightly on the accelerator—and response is terrific! With Fordomatic's versatile "getaway" gear, Fordomatic slips gently, automatically into high at just the right moment. If safety permits, you may go all the way up to 65 mph in "double-time" before the shift takes place.

50 Years Forward on the American Road

It's one of 41 "Worth More" features that help make Ford worth more when you buy it . . . worth more when you sell it!

Junior 4-H Club Elects Officers

Miss Leila Petty, County Home Demonstration agent, was present for a meeting of the Junior 4-H Club Thursday, September 17. Mrs. Raymond Watson is leader for this group.

Officers are president, Bonnie Allen; vice president, Janice Boedeker; secretary, Bonnie Sue Glenn; reporter, Jackie Ford.

Members filled out the permanent records and discussed plans for entering exhibits in the Panhandle-South Plains Fair at Lubbock this fall.

Rep. Leroy Saul Speaks To B&PW

Representative Leroy Saul of Kress was guest speaker at a dinner meeting of the Business and Professional Women's Club Tuesday night in the basement of the First Methodist Church.

Mrs. Albertine Irons introduced the speaker following the meal. On the program committee were Meses. Irons, Estelle Powers, and Jo Ann Moody.

Mrs. Betty Knox, president, presided at a business meeting following the program. New members voted into the club were June Powell, Imogene Myers and Ruby Merrick.

Those attending were Meses. Wanda Baker, Dorothy Shipp, Jeffie Griffith, Frances O'Hearn, Betty Knox, Ellen Wiley, Velma Cox, Ada Bailey, Leo Turner, LaVerna Brunner, June Bybee, Imogene Myers, Jo Ann Moody, Estelle Powers, Albertine Irons, and the guest speaker.

Mrs. Hawthorne Is Birthday Honoree

Friends and relatives gathered at the home of Mr. and Mrs. A. M. Hawthorne in Lockney Sunday, September 20 and honored Mrs. Hawthorne with a dinner and gifts to mark her 70th birthday.

In attendance were Messrs. and Meses. Neil Smallwood of Odessa; Geo. T. McMahan of Lubbock; J. R. Wood of Southland; S. B. Dean and Deanna of Sundown; Bill Dean and two daughters of Levelland; J. T. Pierson of Amarillo; Tom Whitacre and three children of Amarillo; G. N. Smallwood of Southland; H. O. Cole of Plainview; Arthur Smallwood and son of Southland; Gale Hawthorne of Lockney.

Lester Dean and three daughters of Friona; Mrs. Marlin Hooper and two sons of Dumas; Mrs. Mary Mathis and two sons of Lubbock; Mrs. Nellie Mathis, Carolyn Sue, Roney, Marie and Bonnie Lou of Southland; Mrs. J. G. Mathis and mother of Grassland.

Senior 4-H Club Elects Officers

There were thirty-three who enrolled as members in the Senior 4-H Club Friday afternoon. Adult leaders present were Mrs. Henry Bollman and Mrs. Raymond Watson, and Miss Leila Petty, County Home Demonstration Agent.

Officers elected were president, Donna Baughman; vice president, Shirley Mitchell; secretary, Peggy Ford; reporter, Weta Kent. Papers were distributed concerning things that can be exhibited in the Panhandle-South Plains Fair.

FARM BUREAU WEEK PROCLAIMED — Gov. Allan Shivers, above, signs a document proclaiming the week, Oct. 5-10 official "Texas Farm Bureau Membership Week." Some 180 organized county Farm Bureaus will observe the "Week" by staging the biggest statewide membership drive in the history of the state farm organization. More than 10,000

volunteer workers will be out to exceed the goal of 75,000 farm families in 1953. Looking on at the signing ceremony are (left to right) Loys D. Barbour of Iowa Park, District 8 director; Alton Weiss of Manor, president of the Travis county (Austin) Farm Bureau and C. H. DeVaney of Coahoma, vice-president of the Texas Farm Bureau Federation.

Religion Is Subject At La Ventana Club

The La Ventana Study Club met Tuesday, September 22 with Mrs. M. S. Johnson, hostess. Mrs. J. T. Griffin was co-hostess. Mrs. H. E. Frizzell presided at the meeting.

The topic for discussion was Religion. Rev. Burgin Watkins, guest speaker, spoke on "The American Heritage." Mrs. F. O. Schacht and Mrs. Oliver Holmes entertained with songs, accompanied by Mrs. Aubrey Cox on the accordion.

Members present were Meses. Clyde Baxter, H. E. Frizzell, J. T. Griffin, H. G. Hodges, Bailey Henderson, Herman Huffman, Bill Johnston, Albert King, C. L. King, J. T. Lovvorn, C. D. Merrick, W. T. Rankin, W. D. Nance, Elmer Sandusky, Robert Smith, Raymond Teepie and the hostess, Mrs. Johnson.

Mr. and Mrs. S. C. Poteet of Ralls are spending this week visiting in the home of their son, Olan Poteet and family.

Parents Asked To Consider Music

By E. E. Stinson, Band Master
Things for parents to consider in relation to the music program that is being offered for their children in the Lockney schools this year:

Instrumental music study contributes to the healthful development of the growing child through two channels—the body and the mind.

The playing of a musical instrument develops accurate coordination of eyes, ears, lips, tongue, breathing and fingers. Clear thinking, accuracy and intense concentration are demanded of the musicians. Dr. John J. Tigert former U. S. Commissioner of Education, said that after the three R's "music is the greater practical value than any other subject."

Music is a profitable vocation. The demand for teachers of music is increasing. The field is open to any child, there are unlimited possibilities in this field.

Music prepares for worthy home membership, in which there is a group working together and there is a happy home. Music students learn to work together by working together. The enjoyment of music binds a family together in cooperation and respect.

Music is worthy use of leisure. Of deepest concern to the educator and the parent is the cultivation of useful habits for leisure time. The ability to play a musical instrument is a wholesome lure to every leisure moment. The musician is never alone, never at a loss for something to do.

Music advances civic education. The school band is a laboratory course in self government. Here, as in no other school activity, the will of the individual is subordinated to the good of the whole.

Music builds ethical character. Group playing of musical instruments is a rigid disciplinarian, demanding industry, punctuality, honesty and integrity from every student who takes part.

Upon the shoulders of each individual in the group lies personal responsibility for successful performance of the group, self reliance, respect for authority, cooperation and leadership are cardinal principles of good character that are learned through music.

Finally, the instrumental music student, through his constant striving for fine performance develops a keen sense of values. He gains a broader concept of living and is motivated throughout life by a desire to do good things.

HOME HINTS

For a company dessert that looks and tastes luscious, serve lemon meringue pudding. Your friends will never guess that it took only minutes to make: Fill oven-glass serving dishes with lemon pudding and pie filling mix, prepare as directed on package. Top with meringue and brown in the oven of your range (425 F) hot, 3 to 4 minutes. Cool before serving.

HOME HINTS

Try peanut brittle in apple sauce. Roll the brittle well and stir into hot apple sauce while cooking on the top burner of your range. Serve in sherbert glasses topped with whipped cream. It's real good.

Mrs. Cecil Andrews Tells Of Trip Abroad

Mrs. D. M. Marshall entertained a group of friends on Wednesday afternoon, September 3 at her home in the Aiken community. Mrs. Cecil Andrews, formerly of Aiken, now of Littlefield, reviewed her recent trip to Germany. She showed many articles of clothing, cosmetics, souvenirs and toys, comparing German workmanship and prices to ours.

Mrs. O. D. Wofford assisted Mrs. Marshall in serving refreshments to Mrs. Delbur Rose, Mrs. J. C. Thomas Sr., Oscar Golden, Raymond Barr, J. C. Thomas Jr., C. J. Roach, C. Y. Pickens,

C. H. Andrews, Carl Keeling of Littlefield and Miss Kay Golden.

Pollyannas Meet In J. D. Wood Home

The Pollyanna Club met Tuesday afternoon in the home of Mrs. Derrell Wood. The afternoon was spent in sewing.

Refreshments were served to one visitor, Mrs. H. A. Kiser and the following members, Meses. Bill Smith, W. R. Darnell, Barney Manning, Woodson Terrell, Elmer Sandusky and Alf Wines.

Next club meeting will be Tuesday, October 6 at 2:30 in the home of Mrs. Olson Allison. This will be gift day.

THANKS TO FIRE DEPT.
The Longhorn Band of the Fire Department for marching grounds in top soil. We appreciate interest in our organization. Members said this week.

CARD OF THANKS

I want to thank my neighbors for the cards, flowers, gifts and good deeds during my illness. God bless each one of you.

Rev. McCarty Resigns At Lubbock Church

Rev. C. J. McCarty, pastor of the Calvary Baptist Church of Lubbock for the past 25 years, resigned his position with the church last Sunday. He had celebrated completion of 25 years service with the church on the previous Wednesday night.

"I am just planning to relax and rest a while since I've had no real vacation for six or seven years," he said after preaching his final sermon Sunday. He told his congregation that he was resigning effective immediately.

Rev. McCarty went to the Lubbock church directly from Lockney having served as pastor of the church here for several years, leaving in 1928.

Mr. and Mrs. Horton Howell and Carol accompanied Jimmy Howell to Gonzales Warm Springs Foundation in south central Texas Wednesday for a check-up.

GO TO CHURCH SUNDAY.

G-A Bill Provides Minimum School

(Second in a series of three articles explaining the minimum foundation, or Gilmer-Aiken, school program. Mr. Stilwell, a member of the original Gilmer-Aiken committee, is superintendent of Texarkana Schools, past president of the Texas State Teachers Association and chairman of its legislative committee.)

By H. W. Stilwell

The minimum foundation school program, under which Texas has made gigantic educational strides during the past four years, was designed to serve simply as a bare minimum foundation on which a local community could build the kind of educational program it needs.

It is only a skeleton, in other words, and plenty of leeway is left to local districts in the matter of putting meat on the bones. A fundamental concept of the Gilmer-Aiken laws is that the number of teachers should be determined by the number of children actually attending school. State funds, before adoption of the minimum foundation program, were distributed on the basis of population, now, distribution of funds and the number of teachers are based on average daily attendance.

Attendance also determines the number of special services teachers, (librarians, nurses, physicians, visiting teachers, itinerant teachers), teachers of exceptional children, supervisors, counselors and principals provided for each school.

The minimum salaries for professional personnel also are a part of the minimum foundation law. A beginning teacher with a bachelor's degree receives a minimum salary of \$2,403. The salary schedule calls for an increase of \$54 per year for each year of experience until the top minimum for a bachelor's degree teacher, \$3,051, is reached after twelve years' experience.

The minimum salary for a teacher with a master's degree is \$2,628, with annual increases of \$54 for each year of experience until the top minimum of \$4,032 is reached after twenty-six years' experience.

Part of the basic philosophy of the minimum foundation program is to provide supervisors and counselors who are under local direction. These people are the trained specialists who are called in to help teachers with special educational problems, just as heart specialists frequently are called in to help general practitioners with medical problems.

One qualified supervisor is allowed for the first 40 classroom teachers and one additional supervisor for each additional 50 classroom teachers after that. Two or more small schools can pool their eligibility for supervisory units.

Hiring supervisors and directing their work is all done on the local level; in fact, the hiring of all personnel is done entirely by local administrators.

The Texas Education Agency, which administers the minimum foundation program, has nothing to do with the actual instructional and administrative programs of local schools, other than in providing free consultant services when requested. Control of the schools, in other words, was left by the Gilmer-Aiken laws in the hands of local school boards.

In fact, the law goes so far as to state specifically that all educational functions not specifically delegated to the Texas Education Agency by the Legislature shall be performed by local school boards. The law actually guarantees local control of schools instead of leaving school control to be determined by financing.

Humming Birds Are In This County
Someone has said that a reward has been offered to anyone that will produce a hummingbird on the plains. If so, J. B. Mercer can claim the reward. A cat at the Mercer home caught a hummingbird this week and Mr. Mercer brought it by The Beacon office. They had been seeing it early in the morning around the place, he said, and one day this week the cat put an end to its flying. It had been there 10 to 15 days. Mr. Mercer said and the same kind of bird had been at the place for a time in past years.

Further Information On Draft Policies

(Article 5 of a series.)

On a local draft board is placed the responsibility, under applicable laws and regulations, of deciding which men should be deferred because of their civilian activities.

The three categories of men considered are: (1) farmers or farm workers, (2) college or university students, and (3) men in industrial and all other civilian activity.

In the case of students, deferment until end of the school year is ordered by law, if the student is mailed an order to report for induction while he is in school satisfactorily taking a full-time course of instruction, provided he has never received such a statutory deferment before.

If the student has previously received such a deferment, then further deferment is up to the local board. The board can consider information outside the scholastic as well as scholastic information. The widely-publicized draft test for college students can be ignored by local boards under draft regulations if the board so desires. Score on the draft test and class standing of the student are provided as information for the board.

Here are three things the board considers when it is looking at a case of possible deferment for farming or other civilian activity: (1) Is the man engaged, except for a seasonal or temporary interruption, in the activity? (2) Can he be replaced by persons with his qualifications or skills? (3) Would his removal cause a material loss of effectiveness in the activity?

In the case of farmers or farm workers, the chief question asked is: Is he employed in the production for market of a substantial quantity of agricultural commodities necessary to maintenance of national health, safety or interest?

All such deferments are for limited periods.

Mr. and Mrs. Olson Allison, Donald and Dian attended a family reunion at Lubbock Sunday.

Minute Editorials

We then that are strong ought to bear the infirmities of the weak, and not to please ourselves.—Romans 15:1.

Loyalty is a wonderful thing and there is not enough of it in most cases. People generally should learn more about the meaning of loyalty and its merits. Most of us feel that we are loyal to our country and our state. Some of us feel that we are loyal to our town, our school and our friends. Loyalty means standing by and upholding even in times of adversity and tough going. We were surprised at the good crowd of Lockney people who drove all the way to Dimmitt last Friday night to back the Lockney Longhorns in their second football game of the season. Even though our team this year doesn't have the experience or weight of previous years the people are loyal to it and are backing it. We know that the loyalty of local people will give the team and its coaches a greater determination to do their very best.

Just as loyalty to a football team can make it better, loyalty to a town can do the same.

thing. We need citizens who are loyal to the town, to its interests and aspirations. Loyal citizens are what causes a town to grow. They, along with alert and energetic citizens, can make a town do things it wouldn't otherwise do. Loyalty is a wonderful trait. We need more of it.

What is the value of the cotton crop to the county. Of course most of us could make a guess at it but the West Texas Chamber of Commerce comes up with accurate figures. They say that the 1952 cotton crop produced in Floyd County was worth \$15,600,000. This amount was the receipts from 95,000 bales gathered from 176,000 acres. The lint was worth \$15,600,000 while the seed was worth approximately \$3,000,000.

The help offered by the Lockney Chamber of Commerce and Board of Development in securing hands and housing them as well as placing trailers and strippers is a commendable effort. Sid Thomas, the Chamber's man Friday spent the week end in South Texas on the job scaring cotton pullers this way or even hauling them if they desired. The more hands we have in this area the quicker the cotton harvest will be over, the better the grade, the more money the farmer will make, and perhaps the price of pulling may stay down to a reasonable level.

There was a little embarrassment at the PTA reception for teachers last Tuesday night. The teachers turned out almost 100% but the parents were conspicuous by their absence. In fact there were more teachers present than parents. Interest in school and school affairs is the mark of a good citizen but some good citizens were not present for other good reasons perhaps. The average citizen finds that he usually has at least three different places to go on almost any given night and many times he must neglect one or two worthy meetings to attend one he feels is even more worthy. Sometimes we think this meeting business is overdone until we call one on some matter that we are deeply interested in and then we feel that everyone should attend.

At time of the first appearance of Jack Frost in this area is going to make a whale of a difference in the harvest, both cotton and feed. Farmers are hoping that he will stay away until October 15 and the longer after that the better. If the present feed crop is allowed to mature it will be the largest in this area since the cotton quotas were on in 1950. We're pulling for a late frost.

HE'S A BIG BOY NOW. PUT HIM ON SOLID FOOD!

With Our EXCHANGES

IT SHOWS IT'S TEETH

Texas' recently enacted law making a jail sentence mandatory for driving while intoxicated has begun to make itself felt, although it's too early to have any real effect on traffic safety in the State.

Lubbock County's second conviction under the new drunk-driving law was reported this week. Other counties on the South Plains have sentenced a few to jail under the new law, too, but most of those who seem to have a tendency to drink while they are driving probably haven't been impressed with the stiff penalty of the law as yet.

Meanwhile, toll of traffic accidents on the South Plains has continued its grim rise toward a new record. Last year, 118 persons were killed in this area; the toll this year already is crowding 100.

Some of these accidents involved drinking, or drunken drivers. If the new DWI law will help decrease traffic deaths in Texas, then it's to be commended, and we hope, strengthened by the Attorney General of Texas, who has asked for an opinion on the controversial section which allows a judge to probate the sentence if he desires.

Several district attorneys and other officials questioned the

constitutionality of the probation clause, alleging that only the governor has legal power to probate sentences. We have no idea what the final decision will be, but we do know that the law, even as it is now, is better than the old, milder law covering DWI cases.

Still, we believe the clause allowing probation at the discretion of the judge should be struck out. When one considers that the lives and health of innocent citizens are involved, then making the actual imprisonment mandatory also is not too severe a penalty.

And if a high percentage of those involved in accidents still are drunken drivers after the law has been tried awhile, then we should make it even stronger. — Lubbock Avalanche.

MORALE IN KOREA

Now that a truce has been effected in Korea, Army authorities are concerned lest the morale of American troops sag because of a lack of constructive tasks. There is a natural tendency among soldiers to lose interest in any war effort after the actual fighting ends, and since Korea offers relatively few attractions for U. S. Troops on leave, the desire to return home is sure to increase among Americans there.

One of the ways more fortunate Americans, who have not been sent to Korea, can help out in this situation is to write frequent letters to friends and relatives in Korea. The Army has found that letters from home are a reliable morale builder, and that there is no substitute for them.

Thus military officials are urging wives, mothers, fathers and brothers — and friends to step up the letter-writing to intimates in Korea, rather than let up, now that a truce is in effect. — Hereford Brand.

FILLING THE WOODBOX

"Mother," exclaimed a little girl, "I love you so much! When I grow up I am going to buy you a great big automobile so that you can ride everywhere and see everything."

Her little sister, not to be outdone, said, "Mother, I love you, too, and when I grow up I am going to buy you a house — a great big house with about 50 rooms, and lots of servants, so you won't have to work any more."

The mother was delighted. But she wanted to hear what Johnny meant to do for her when he was a man. Johnny said nothing. Finally she asked, "Johnny, don't you love me?"

"Yes, I do, mother. I've just been filling the woodbox for you."

The most useful people today are respected everywhere, not for what they mean to do some day, but because right now they keep the woodbox filled. — Hamlin Herald.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

September 25, 1915

Mr. Roggs having resigned as instructor of our band, we have secured the services of Mr. Winterrowd, of the Lockney College. The band will meet twice a week for the first six weeks then once a week.

Mr. Nobles of Houston in company with Mr. Chambers of Kansas City and Mr. Mossum of New York City came in Monday to talk over the building of the Altus and Roswell Railroad. They were very pleased with our crops in this area.

Lockney received her first bale of cotton Monday which was raised by E. C. Linsey and was bought by Clyde Reeves at 9 1/2 cents. There was a nice premium made up by business men for Mr. Linsey.

September 20, 1923

This week the big hardware and furniture stock of the Stuart Hardware Company is being moved to the McCollum buildings on the east side of Main Street.

This week marks the beginning of real cotton picking in this section of Floyd County. Some farmers will harvest more than a half bale to the acre. This reasonably good yield with the present handsome price of cotton will prove a wonderful asset to Lockney and Floyd county.

September 26, 1941

After a scoreless first half the Lockney Longhorns came back strong in the third period to beat Canyon Eagles 7 to 0 in a game played here Friday afternoon.

Clinton Mitchell took from the Canyon 25 yards a punt exchange and had a fine kick the goal line.

Jason O. Gordon, Agricultural Agent for Floyd County for the past six years, has been succeeded by D. F. Eberhart, agent of Floyd County. Tubbs said Tuesday.

Cal Farley, Governor of Oklahoma, District 127 adjutant, and his wife, Mrs. Farley, will be in Lockney Thursday at noon. Mr. Farley will be in town from Amarillo.

Miss Juanita Still and Wood were married at 7:30 at the home of her parents with Rev. A. L. Eberhart officiating.

Is he in business "to stay?"

When you buy a used car from a Ford Dealer, you're dealing with an established businessman who has a large investment and his good name at stake. We're here today, and we'll be here tomorrow!

Does he really know cars?

Ford Dealers are in the service business, too; work with cars day in and day out. We know how to spot trouble fast. And our expert mechanics have the equipment and "know-how" to handle any service job.

Are his prices really fair?

Ford Dealers handle used cars and trucks as a service to customers who trade them for new ones. We get a lot of trade-ins. And we keep them moving to free our working capital. That's a good reason why we offer used cars and trucks at rock-bottom prices.

Check the used car, sure! But check the dealer too!

Is he interested in you?

Remember—we Ford Dealers want to keep your good will because we want to take care of all your automotive needs. Someday we hope to sell you a new car, or another used car, and in the meantime, we want your service business.

Do his cars meet A-1 standards?

When you go to a Ford Dealer's and see the A-1 label on a car, you know it has met with the dealer's A-1 standards. And because you can trust the man you bought it from, you can trust the car.

IT'S WHERE YOU BUY IT THAT COUNTS!

See Your Ford Dealer

Select Nation's Outstanding 4-H'ers as Honored Delegates to Club Congress

(Above) Discussion periods are a feature of the Club Congress. All delegates are divided into "huddles" of six, these units reaching an opinion on various "agree-disagree" questions. Then the groups reassemble for final deliberation. Most questions at the 1953 Club Congress likely will concern the theme—"Working Together for World Understanding."

CHICAGO—Special—More than 1,200 outstanding rural youth—mostly farm boys and girls—from the 48 states, Alaska, Hawaii and Puerto Rico, will be honored delegates to the 32nd National 4-H Congress in Chicago, November 29-December 3. They are the "cream of the crop" selected by the Extension Service as state, sectional and national winners in the 1953 4-H award programs of projects of agriculture and homemaking. The youthful delegates will represent more than 2 million active fellow members throughout the United States. Expenditures of the National Committee on Boys and Girls Club Work, a citizens' group, total approximately \$900,000 in grants annually to assist the Co-operative Extension Service in furthering the program, membership and influence of 4-H. The major portion of the grants, which are provided by some 40 industrial organizations, foundations and prominent public-spirited men and women, are used for 4-H merit awards, including medals, savings bonds, trips, college scholarships and leader training. Among the corporations and foundations providing grants are Allis-Chalmers, American Forest Products Industries, Carnation Co., Firestone Tire, Ford Motor Co. and Ford Tractor Division, General Motors, Hercules Powder, International Harvester, Kel-

logg Co., Kerr Glass, Mathieson Chemical, Montgomery Ward, Nash-Kelvinator, Sears-Roebuck Foundation, Simplicity Pattern, Spool Cotton, Standard Brands, United States Rubber, and Westinghouse Educational Foundation. Cooperation is also provided by the Illinois Central, North Western, Rock Island and Milwaukee Railroads, Procter Electric Co., Spinnerin Yarn, Toni Co., and Wm. Wrigley, Jr., Co. and Gene Autry. Oil companies collaborating include American Oil, General Petroleum, Pan-Am Southern, Pure Oil, Standard Oil Foundation, Inc. (Chicago), Standard Oil Co. (Kentucky), The Standard Oil Co. (Ohio), Stanolind Oil and Gas, and Utah Oil Refining. Individual donors include The President of the United States, Mrs. Charles E. Walgreen, Thomas E. Wilson, Edward Foss Wilson and Conrad Hilton. "So fundamental and significant are the accomplishments of the 4-H Clubs that their principles have been accepted and initiated in more than 30 countries around the world," said G. L. Noble, director of the National Committee. "This is a splendid record," he continued, "considering that at the same time there has been consistent growth and a stronger foundation of sturdy citizenship laid at home. In part this accounts for the growing support of 4-H by our agricultural and industrial leaders."

ment problem. Many people think alfalfa and bloat are inseparable.

Tech experiments have shown 498 pounds of beef per acre gained on alfalfa pasture. Stangel recommends the practice of buying lightweight, low-priced calves in the fall, pasturing through the winter and spring and feeding 60 to 90 days after pasture on products of the farm.

Shirley Irwin Gets Plaque
The plaque annually awarded by the Floydada Lions club to the chosen "outstanding conservation farmer of the year, went to Shirley Irwin of Fairview. The conservation district supervisors considered his land preparation and livestock program a fine example of dry land farm practice. Jim Word made the presentation for the Lions Club.

Robert H. Gibson, now farm manager for Paymaster Farms, was eulogized by Ollie Liner, Hale county agricultural agent, as Gibson was presented a silver spur tie clasp from Extension Service workers of District Two for his good work while county agent of Floyd County.

See Breeding Plats
Following the luncheon Dr. Harold Loden, in charge of seed breeding, and Bob Gibson, farm superintendent, explained the seed breeding operation. Interested youths and adults saw the mechanics of breeding and propagation.

Loden said that the farm's new No. 2306 cotton will be available for sale in the fall of 1954. It is a derivative of Paymaster 101, is storm proof and resists angular leaf spot.

On the farm were growing plants of every cotton variety in a strain test the farm carries on. Sixteen commercial varieties are grown.

Stops were made at the farms of Raymond Rucker, Jack Taylor, Horton Howell, Robert Lee Smith, Joe Reeves, James Bobbitt, Herman King, W. J. Lee and Dee Williams.

HOME HINTS
Take either a fresh or canned pear, fill the center half with currant jelly, add your homemade boiled dressing, garnish with chopped nuts and something green. Serve this luncheon salad with little hot cheese biscuits and coffee.

Cotton Acreage Reports Are Nearing Finish

Bob Logan, the PMA field man in charge of cotton acreage reporting, which has been underway since August 1, said the measuring crews had left to measure 175 farms of the 1,584 units which they started out to check seven weeks ago.

Four of the original reporters have had to quit for one reason and another, principally the return to school.

A vast amount of map work and office detail is involved in the preparation of the final report, which will be used as the figures on the county acreage for 1953 by BAE, PMA and the Extension Service.

Since it seems probable cotton acreage allotments will be proclaimed by the federal secretary of agriculture, the preliminary work of getting acreage figures on the ground was ordered to be done. The secretary is given until October 15 to make up his mind about acreage.

Dinner guests of Mr. and Mrs. Johns Cox Friday were Mr. and Mrs. Mark Martin and Weldon Smith.

HOME HINTS
Studies show that pastels, rather than intense shades are most popular for tile walls, floors, work surfaces and splash-backs in the modern kitchen. Blue, yellow, pale green, peach and ivory are color leaders that emphasize the beauty of gleaming white range, refrigerator and clothes dryer.

100% Cold Rubber Tread gives average driver 10,000 extra miles of wear

Cold Rubber is the new tire rubber described in *Time*, *Reader's Digest*, *Popular Mechanics*... a rubber so tough it far outwears natural rubber in tire treads.

To give you the full benefit of this extra tough, longer-wearing rubber, Gates makes tire with 100% Cold Rubber Tread—the Gates Silent-Safety.*

If your driving is average, you can expect to get 10,000 extra miles—40% more wear from this great tire.

Get this longer wear... get the tire covered by the most comprehensive guarantee you probably ever seen... get the Gates Silent-Safety.

*Guaranteed against ANY failure including blowouts, bruises, etc. NO TIME OR MILEAGE LIMIT!

Deeper Tread:
Prove it to yourself... put a coin or car key in the tread groove and see!

More Traction:
Scientific tread design (U.S. Patent No. D-100591) grips road firmly—reduces both slippage and squeal.

Used Tire Bargains: Inspect used tires at low prices. Popular sizes for spares, trailers.

Depending on condition, each of your present tires will bring \$5, \$6, \$7, \$8 or more trade on Gates Tires. This means \$25 to \$40 for 5 old tires on a set of 5 new, long-wearing Silent-Safetys.

Drive in Today and Prove to Yourself This is the Best Tire Deal You Can Get

WHEREFORE, petitioner prays that this application be set down for hearing at the next regular term of this court; that notice be given and published as required by the statutes of the State of Texas, and particularly by Article 7227, Revised Civil Statutes, 1925; that on final hearing an order be entered cancelling said subdivision, closing said streets and avenue, and authorizing petitioner to cancel such portion of said subdivision.

JOHN B. STAPLETON
FLOYDADA, TEXAS
ATTORNEY FOR
PETITIONER.

"Now, Butch—if we can get you before the Judge this month—you will get to see the Rodeo at Huntsville!"

Issued and given under my hand and the seal of said court at Floydada, Texas, this 14th day of September, 1953.

MARGARET COLLIER,
County Clerk and Ex-officio Clerk of the Commissioners Court of Floyd County, Texas.

Falls are the chief cause of accidents in the home and 14,400 people were killed last year from the falls. Remember, it is easier to repair a broken staircase or ladder and cheaper to provide adequate lighting than to repair or rebuild a broken body.

Members of the Greek Orthodox Church do not celebrate Christmas on December 25.

HOME HINTS

Hardwood floors in the home are kiln-dried wood, but even so they will shrink some after installation. It is well to remember never to clean them with soap because such treatment will injure the finish and often cause the floor to buckle. A wax-base cleaner is the best method of keeping floors in good condition.

Water will get top billing in the 1953 agricultural exhibits of the State Fair of Texas. Each of the 12 Extension Service Districts will feature a different phase of how water is used in present day agriculture.

First words spoken over the telephone were, "Watson, come here; I want you," spoken by Alexander Graham Bell to his assistant.

A combination of grasses and legume makes the best fall and winter pasture. The total production is greater; the forage produced is higher in protein and minerals and the grazing season is extended. Local county agents can furnish information on the best combinations for each section of the state.

GO TO CHURCH SUNDAY.

If you're reaching out for ways to save money, remember that gasoline economy depends on gasoline efficiency. Phillips 66 Gasoline is packed with Hi-Test elements which are controlled to provide (1) easy starting (2) fast warm-up (3) quick acceleration (4) full power output—under all conditions.

Another way to stretch your mileage is with Phillips 66 Heavy Duty Premium Motor Oil. It provides an extra measure of protection against wear and corrosion... keeps engine power up and gas consumption down over a long period of time.

A message to every prospective new car buyer:

You can have the most popular automatic transmission to be found in any low-priced car

Chevrolet's Famous 1953 Powerglide!*

Much fleetier, smoother, more economical! Thoroughly proved and improved through years of development and over a billion owner-driven miles! Production now running at new high levels due to record nationwide demand!

Much More Economical
Chevrolet's 1953 Powerglide Automatic Transmission—teamed with the 115-h.p. "Blue-Flame" high-compression Valve-in-Head engine—brings you *entirely new operating economy* in city driving and on long trips.

Far Levelier Getaway
Put the selector lever in "DRIVE" position—step on the accelerator—and you move smoothly away from a standing start to legal traffic speed in *seconds*.

Important New Gas Savings
You'll never know how economical an automatic transmission can be until you try the 1953 Powerglide. Various improvements, including a more efficient use of engine power, make it extremely thrifty.

In fact, bring you the most important gain in gasoline economy in Chevrolet history.

Great New Passing Ability
The car picks up pace in traffic or on the highway at the touch of a toe, for the '53 Powerglide has an added automatic passing range.

Smoothest No-Shift Driving at Lowest Cost
Driving is almost incredibly easy, changes of speed almost unbelievably smooth... for this transmission gives simplest, smoothest, no-shift driving at lowest cost.

Safe Eyes-on-the-Road Driving
Safety is served in many ways. And one of the most important, perhaps, is that Powerglide permits you to concentrate on

driving. You can keep your hands always on the steering wheel and your eyes always on the road.

Full Engine Braking-Power on Hills
Powerglide's flexibility lets you cruise easily up any hill. And you enjoy constant engine braking power for maximum safety when descending.

Rock Out of Trouble
Powerglide's smooth power flow lets you rock out of sand, snow or mud whenever the need arises. "LOW" and "REVERSE" are side by side on the Powerglide quadrant, making the operation doubly easy.

Push-Proof Parking
Put the selector lever in "PARK" position when you leave the car, and a positive gear-type lock holds it in position until you return.

Time-Proved, Owner-Proved Dependability
Come in. Drive a Chevrolet with this finer, more popular automatic transmission. *Test it and you'll want it.* It's time-proved, and road-proved by hundreds of thousands of owners, in over a billion miles of driving.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models. Power Steering available on all models.

Funeral Services For Lester Anderson Held

Funeral services for Lester Anderson were held at the First Baptist Church here Thursday afternoon of last week with Dr. K. Rogers, pastor of the Presbyterian Church in Plainview officiating, assisted by Rev. E. E. Wiley, local Baptist pastor. Interment was in the Plainview Memorial Park cemetery under the direction of Carter Funeral Home of Lockney.

Mr. Anderson died Sept. 16 in the Plainview Hospital. He became ill while on a trip to Arizona and returned to Lockney August 27 in a very serious condition. His death was a shock to his family and friends since he was considered in good health until he became ill.

He was born Sept. 21, 1885 at Austin, Texas, and the family moved to Lockney in 1890 where he had resided most of his life. He married Miss Eva Hill April 17, 1915 at Brownfield, Texas. She passed away in 1935.

As a young man he became a member of the Presbyterian Church in Olton where he made his home at that time. He was recognized as a fine Christian father and neighbor by his friends and relatives.

Surviving are two sons, Raymond and Marlin of Lockney; five grandchildren, one sister, Mrs. C. S. Silcote and a brother, Ives L. Anderson of California.

Funeral services were held at the home of W. H. Britton, Plainview; John Belt, John Stalcup, Bill Hodel, Murray Scott and an honorary pallbearer, George Webster.

Relatives attending the services from out of town were Mr. and Mrs. Hugh Snodgrass, Mr. and Mrs. Bob Aberding, Mr. and Mrs. Jessie Snodgrass, Mr. and Mrs. Toad Snodgrass, Mr. and Mrs. Amos Smith and Mr. and Mrs. Roy Jones.

ATTENDS BEAUTY CLINIC MONDAY

Mrs. Olson Allison attended a Beauty Clinic at the Herring Hotel in Amarillo Monday. The clinic was under the supervision of Lee Self of Texas and Comer Sybert of Beverly Hills, Calif., artists who designed the mobile styles which were televised Monday at 4 p. m.

Accompanying Mrs. Allison were her husband and Mrs. J. Kemp. They watched the band parade and also visited the Texas State Fair during their stay in Amarillo.

"M" represents one thousand and Roman numerals.

Arabia is sometimes referred to as Araby.

Texas Chester White Breeders Organize

The Texas Chester White Swine Breeders Association was formed at a meeting in Plainview on September 19. The meeting, held in the courthouse, was called by R. C. Mitchell of Lockney, Texas fieldman for the Chester White Journal and the Chester White Swine Record Association of Rochester, Indiana.

After the general discussion of the possibilities of such an organization an election of officers and board of directors was held with the following men elected: Ward Eakin of Tahoka, president; V. L. Gregg of Plainview, vice-president; R. C. Mitchell of Lockney, secretary-treasurer; Joe Jones, county agent of Farwell, Gene Gaston, vocational agriculture teacher of White Deere, Marvin Shurbet of Petersburg, and Stutt Griffin of Lamesa, directors.

Purposes of the association are to encourage and promote the breeding of purebred Chester White swine. Definite plans were made to hold the first registered bred sow and gilt sale in Plainview early in 1954.

Present for the meeting were R. C. Mitchell, breeder of Lockney; V. L. Gregg, breeder of Plainview; Ward Eakin, breeder of Tahoka; Tom Duffey, vocational agriculture teacher of Plainview; Mack Shurbet, breeder of Petersburg; Ollie Limer, County agent of Hale County, Plainview; Olen Eice, teacher of vocational agriculture at Cooper High School, Lubbock.

Brother Dies In Canton, Georgia

W. D. Putnam, 82, brother to Mrs. O. W. Keeter of Lockney passed away at a hospital in Canton, Ga., September 15. Funeral services were held at the Hopewell Baptist Church, of which he was a member, on September 16. Survivors include his wife, three sons, one daughter, one brother and his sister here.

GO TO CHURCH SUNDAY

MR. AND MRS. C. J. ROACH of Aiken community celebrated their Golden Wedding Anniversary on Sunday, September 13

at their home. They were married Sept. 16, 1903 at Lipan, Texas and have lived in Floyd County since 1925.

PHOTO BY JAY ED PARSONS

MR. AND MRS. C. J. ROACH CELEBRATE 50TH ANNIVERSARY

Celebrating fifty years of married life, Mr. and Mrs. C. J. Roach of the Aiken community, held open house for their friends at their home three miles north and one mile west of Aiken on Sunday, Sept. 13, from 2:30 to 5:30. About 100 friends and relatives called to extend congratulations and good wishes to the couple.

Guests were greeted at the door by Mrs. J. B. Allen, sister of Mr. Roach and were registered in the guest book by Mrs. Joe Roach, Miss Jo Ellen Mullings and Mrs. E. L. Reeder, granddaughters of the couple, served punch and cake.

Charles J. Roach and Alpha Jackson were married at Lipan, Texas on September 16, 1903. They moved to the Lone Star community in September of 1925 and then to the Aiken community in 1933.

They have six children as follows: Mrs. Jess Winslett, Lipan; Mrs. C. W. Riddle, Abilene; Mrs. Clyde Mullins, Plainview; Joe Roach, Plainview; J. C. and Julian of Aiken.

Guests calling during the afternoon were Mr. and Mrs. Henry Ball, Mineral Wells; Mrs. Laek Deavers, Bluff Dale; Mr. and Mrs. Walt Reynolds and Max Perry, Midland; Mr. and Mrs. G. C. Perry, Mrs. Estelle

Brown, Mrs. Raymond Smith, all of Brownfield; Mr. and Mrs. L. V. Jackson, Mr. and Mrs. Lloyd Jackson and Debbie, Mr. and Mrs. Bennie Jackson, all of Carlsbad, N. M.; Mr. and Mrs. Hubert Jackson and family, Seymour; Mr. and Mrs. J. H. Jackson and John, Mr. and Mrs. Bob Jackson, all of Lubbock; Mr. and Mrs. W. L. Harris, Gruver; Wade Roach, Clarendon; Mrs. R. A. Crank and Richard, Mrs. Dorothy Crank Hodges, Juanita Rains, all of Whitharrel; Mr. and Mrs. E. R. Bryant, Fountain, Colo.; Mr. and Mrs. W. B. Allen and girls, Crosbyton; Mr. and Mrs. Harve Thomas, Lakeview; Mr. and Mrs. T. R. Weathers, Kress; Mr. and Mrs. E. L. Needer, Morton; Mr. and Mrs. C. W. Riddle and Johnny, Abilene; Mr. and Mrs. R. C. Williams and family, Mr. and Mrs. Clyde Mullins and family, Mr. and Mrs. Joe Roach and boys, Mr. and Mrs. M. C. Nance, all of Plainview; Mr. and Mrs. J. B. Allen, Mr. and Mrs. C. W. Tannahill, Mr. and Mrs. Lavon Johnson, Mr. and Mrs. Mac Johnson, Mrs. J. H. Hartman, Mrs. R. L. Powell and J. C., Mr. and Mrs. Bascom Baxter and family, Mr. and Mrs. Joe Reeves, Mr. and Mrs. France Carthel, Mr. and Mrs. G. E. Tannahill, Carl Stephens, Mr. and Mrs. Marvin Marshall and family, Mr. and Mrs. C. L. Record and Donna Lynn, Mr. and Mrs. R. L. Knox, Mr. and Mrs. Julius Cummings and family, Mr. and Mrs. Bill Thompson and family, Mr. and Mrs. I. J. Thompson, Mr. and Mrs. Jack Jackson, C. W. Jackson, George Long, Clyde Lucas and girls, A. O. Lucas, Mr. and Mrs. O. D. Wofford, Mr. and Mrs. D. M. Marshall, Mr. and Mrs. C. Y. Pickens and boys, Mr. and Mrs. A. P. Langfeldt, all of Lockney and Aiken communities.

Family Reunion At Noon

A reunion dinner for members of the Roach family was held at noon on Sunday at the home of Mr. and Mrs. C. W. Tannahill north of Aiken. Mrs. Tannahill is the daughter of Mr. and Mrs. J. B. Allen.

Fifty were present for the dinner, among them being Mr. and Mrs. C. J. Roach, J. C. and Julian, Mr. and Mrs. Henry Ball, Mrs. Jack Deavers, Mr. and Mrs. Walt Reynolds, Max Perry, Mr. and Mrs. G. C. Perry, Mrs. Estelle Brown, Mrs. Raymond Smith, Mr. and Mrs. W. L. Harris, Wade Roach, Mr. and Mrs. C. W. Riddle, Mr. and Mrs. Clyde Mullins, Mr. and Mrs. Joe Roach, Mr. and Mrs. J. B. Allen, C. W. Jackson, and the hosts, Mr. and Mrs. C. W. Tannahill and children.

Local People At Associational Meet

Lockney people attending the annual Floyd County Baptist Associational meeting held at Crosbyton Monday were Rev. R. E. Wiley, Mr. and Mrs. F. U. Payne, Mr. and Mrs. Hilburn Casey, Mrs. Harmon Handley, Mrs. W. S. Rexrode and Rev. Clay Muncy.

The meeting was held at the First Baptist Church, Crosbyton, with about 250 people in attendance. It was a "good meeting" Rev. Wiley reports.

Brittany is a province in France, not England.

Former Lockney Man Dies In Oklahoma

John M. Hughes passed away at his home in Edmond, Oklahoma Friday, September 19 following a heart attack, according to word received here by his sister-in-law, Mrs. E. A. Cox. Funeral services were held at Edmond Monday.

Mr. Hughes' wife was a sister to the late E. A. Cox and was an early real estate agent in Lockney and spent a number of years here. He is survived by his wife and several children.

Miss Thomas Will Buy Lady Fair

A business transaction is underway this week wherein Miss Virginia Thomas of Amarillo, daughter of B. A. Thomas of Lockney, is purchasing the Lady Fair Shop, local ladies ready-to-wear, from Mrs. T. J. Honea.

The change of ownership of the shop will be effective October 1, Mrs. Honea said.

Miss Thomas has been employed for the past 7½ years by the Magnolia Petroleum Co. at Amarillo. She is a graduate of Lockney High School and West Texas State College, Canyon.

80 YEARS YOUNG

J. R. Graham of Lockney celebrated his 80th birthday Wednesday and came by demanding to know why The Beacon office wasn't closed in honor of the event. Mrs. Graham is 75 and being younger she is still able to keep her husband in line most of the time.

HAS OPERATION

Mrs. A. J. Mabry underwent a major operation at the Lubbock Memorial Hospital Monday morning. She was reported to be doing just as good as could be expected Wednesday. Her daughter-in-law, Mrs. Paul Muse of San Diego, Calif., is with her.

HOME HINTS

Ever try waxing the surface of your dust pan before you sweep anything into it. The wax coating will prevent dirt and dust from clinging to the pan. The broom, to keep it clean, should be periodically washed in sudsy warm water to make it last longer, too.

Lt. Edward Babitzke arrived home Sunday after four months in Korea with the United States Air Force. He is expecting to receive his discharge here with wife, the former Lena Babitzke, and baby son here while their home here while

Longhorns Fall To Dimmitt 25-12

Although they looked vastly improved both from an offensive and defensive standpoint, the Lockney Longhorns lost a ball game to Dimmitt last Friday night 25-12. The Longhorns jumped into a 12-0 halftime lead and were still leading 12-6 going

into the fourth quarter but then they fell to pieces, could do nothing but fumble, and Dimmitt scored three more touchdowns.

The Longhorns made 11 first downs to 10 for Dimmitt, completed one pass for a touchdown out of two attempted while Dimmitt completed one for a yard loss and had one intercepted out of three attempted. The Longhorns were penalized 20 yards, for four off-sides while Dimmitt drew one off-side penalty. The fumble department hurt the Longhorns. They fumbled five times, losing the ball four of those times. Dimmitt fumbled three times, losing the ball once.

The Longhorns pushed the Dimmitt boys into hot water right at the start of the game. The locals received the kick and returned it to their own 34 1/2 yard line. Jimmy Williams, who played a fine game all the way through, took the ball on a keeper play around his own right end-1 to the Dimmitt 23 for a first down. Denny Quisenberry, playing his first game at fullback, went for four and then drove to the Dimmitt 9 1/2 yard line for a first down. Here four plays made 8 1/2 yards and the Bobcats took over on the one yard line. A bad kick carried only to the Dimmitt 22. The Longhorns made 3 yards, were penalized five, made 2 and then Williams passed to end Mickey Jones who was standing in the end zone. Try for point wasn't good and the score was 6-0.

Located in Frank Perkins Building Lockney

The Bobcats came back with a scoring threat from their own 43 making first downs on the Lockney 32 and 19 but here four plays gained 9 1/2 yards and the Longhorns took the ball on their own 9 1/2 yard line. Quisenberry made 6 and then Williams on a quarterback sneak went to the Lockney 28 for a first down. Three plays failed to gain the necessary yardage and on fourth down Williams fumbled the ball and the Bobcats took over on the Longhorn 34. They gained eight in three plays and on fourth down failed to make the remainder, the Longhorns taking the ball on the 28. Here a thrilling play brought the crowd to their feet as Halfback Jimmy Scott went through right guard, cut back to his left and ran 72 yards for the score. Try for point failed again and the score was 12-0.

The Bobcats returned the kick to the Lockney 43, the ball carrier nearly getting away until he ran into Jimmy Rankin, Longhorn tackle, who stopped him quickly. They made a first on the Lockney 30 and then a fumble gave the Longhorns the ball on the 30. They drew a 5 yard penalty as the half time whistle blew.

Band Performs

The Lockney High Band, marching smartly onto the playing field, formed in succession the letters HELLO, then dropped into an anchor formation and from that to a house, playing appropriate music with each formation. The Dimmitt Band also put on a nice show — the half time.

The Bobcats weren't long in getting into the ball game in the third quarter. They took the kick-off back to their own 25, made a first down on the 47, and then Woods broke through to race 53 yards for the score. Try for point failed and the score was 12-6.

The Longhorns brought the kick back to their own 39, failed to gain and kicked to the Dimmitt 48. A pass completed lost

The Old Timer:

"Don't just try to be yourself with other people. Try to be your better self."

1, and on fourth down Williams intercepted a pass on his own 30. The Longhorns started a drive here making successive first downs on the Longhorn 40, on the Dimmitt 47, 36 and 25. Here they lost the ball on downs, the Bobcats taking the ball on their own 18. The Bobcat ball carrier broke through racing to the Lockney 29 for a first down. Four downs lost a yard and the Longhorns took the ball on their 30. A fumble gave the ball back to the Bobcats on the Lockney 32 and the Bobcats promptly scored in two plays. Try for point failed and the score was 12-12.

The Longhorns returned the kick to their own 40. They made a first down on the Dimmitt 49, a fumble lost 2 and another fumble gave Dimmitt the ball on the Lockney 41. The Bobcats made a first down on the Lockney 30, and then broke through to score standing up. They rushed over the point, making the score 19-12.

The Longhorns returned the kick to their own 35, failed to gain, tried to run on fourth down and the Bobcats took over on the Lockney 34. They immediately broke through center for the score. Try for point failed and the score was 25-12. The Longhorns returned the kick to their own 37, lost five and a fumble gave Dimmitt the ball on the Lockney 11 yard line. A pass was incomplete and Lockney was penalized 5. A fumble was recovered by the Longhorns on their own 3 as the game ended.

Other Game Scores

Scores from other games local fans will be interested in were: Littlefield 26, Hereford 7; Floydada 40, Tulla 0; Spur 32, Ralls 6; Levelland 34, Muleshoe 6; Olton 38, Sudan 7; Springlake 26, Idalou 7.

LOSE HOME IN FIRE

Mr. and Mrs. E. E. Puckett and Linda of Paducah were visiting Mrs. Puckett's parents, Mr. and Mrs. Henry Moore of Lockney on Saturday, September 12 when they received a call about 6 o'clock saying that their house, 4 miles east of Paducah had burned. They left immediately and on arriving at home found everything in ruins. The house was practically new. It is thought that the fire started from a faulty light plug.

Mr. and Mrs. Frank Bucy of Brownwood was here Monday visiting in the home of Mr. and Mrs. Frank Perkins.

Lockney High "B" Loses To Quitaque

The Lockney High School "B" team traveled to Quitaque last Thursday night and lost their game to the Quitaque "A" team 24-7.

The lone Lockney score was made by Paul Ray Williams, who rushed it over and also carried over for the point after touchdown.

Quitaque scores were made by one pass and three rushing plays. They gained most of their ground on end sweeps.

Players for the Lockney team were Charles Vaughn, quarterback; Paul Ray Williams, and Bucky Duvall, halfbacks; Gene Handley and Doyle McCAda, alternating at fullback; Bennie Ballard and Doyle Crouch, ends; Larel Foster and Don Hollums, tackles; Larry McCormick, Roland Watson, J. W. Dippery, guards; Jerry Workman, center; Calvin Wiley and David Frizzell, playing in the defensive backfield.

RETURNS HOME

Mrs. Austin Heard returned home Monday after spending the past five weeks in Lubbock with her daughter, Mrs. Denver Ward, who is recuperating from a major operation performed on Aug. 17. Little peinda Sue Ward, 17 months old, accompanied Mrs. Heard home for a visit.

CALIFORNIANS HERE

Mr. and Mrs. Harrison Aushorn of Del Paso Heights, Calif., were here this week visiting her parents, Mr. and Mrs. Ike Webb. They have been down state visiting relatives at Gonzales, Austin, Sanger, and Fort Worth. Other visitors in the Ike Webb home were Mr. and Mrs. Clarence Webb and two children from Electra. Mrs. Webb is teaching school there and Mr. Webb is connected with the John Deere Implement Co.

Mr. and Mrs. Johns Cox and Wanda enjoyed a picnic dinner at the park in Crowell Sunday with the following relatives: Mr. and Mrs. Lee Brandsteter, Jimmy, Jean and Lucille of Lawton, Oklahoma, Jim Brandsteter of Marlow, Oklahoma and Mrs. A. A. Sweatt. Mrs. Sweatt who had been visiting her son, Roosevelt Sweatt and Mrs. Brandsteter, returned to Lockney with Mrs. Cox for a visit.

Mr. and Mrs. Johns Cox and Wanda visited Mr. and Mrs. Pepper Martin of Hart Sunday.

Mr. and Mrs. Olan Poteet and Mrs. Ray Hardin spent Monday in Amarillo visiting the Tri-State Fair.

W. F. Merrell of spent last week end Mrs. Merrell and their Freddie and Carolyn.

MUSIC IN WORSHIP

Our worship to God ought to be a very serious matter in our lives. Just think, mankind has been granted the privilege of worshipping the great Creator of the universe! Jesus said in John 4:24, "God is a Spirit; and they who worship him must worship him in spirit and in truth." We have the conditions on which our worship is acceptable. Notice that Jesus said, "they that worship him worship him in SPIRIT and in TRUTH." The conditions of our being sincere and honest. It isn't a matter of what we think. It is a matter of spirit and truth. Let us see what these two conditions mean.

In spirit. Our worship is more than just going through a form. It is more than just saying and doing; it is so and doing in spirit, that is from our heart, in I Cor. 11:2 we hear Paul as he condemns the Corinthians because a portion of their worship was not in spirit. They were taking of the Lord's supper without doing it for the purpose for which it was instituted. (Jesus instituted the Lord's supper as a memorial of his death and suffering, to show his death till he comes again.) The Corinthians were taking the Lord's supper without "discerning the Lord's body." They were not doing it in spirit.

In truth. We must worship according to the word of God. Notice, in John 17:17 Jesus said, "Sanctify them through thy TRUTH: thy WORD IS TRUTH." If we worship in truth then we worship according to His Word.

Now, does his word Authorize the use of mechanical instruments of music in worship? WE KNOW THAT THE NEW TESTAMENT NOWHERE AUTHORIZES THE USE OF MUSIC. Someone says, "Oh, but they used it in the Old Testament." Yes, and they offered sacrifices of bullocks, goats, they burnt incense, and many other things done under the old Law that you wouldn't think of doing as worship today. Why will you try to justify the use of mechanical instruments of music by the Old Testament will not use all that it justifies. Friends, we are not under the Old Jewish law but under the Law of Christ is by the law of Christ, the New Testament, that we are able to worship in TRUTH. Why not be content to use what is according to TRUTH and not try to bring in things that are foreign to truth?

Do you believe in the use of the piano or organ in worship? "don't see any thing wrong with it," or "because they are AUTHORIZED BY THE TRUTH." Are you content with this type of music because you think it makes singing better or because God has commanded it?

Our worship to God is a serious matter. Why search out the things that are according to truth and then do off everything else? Isn't that the only safe course?

We invite you to attend all services of the

MAIN STREET CHURCH OF CHRIST

MYSTERY FARM NO. 13

Who is the Floyd County farmer that occupies this farm house? The first person who can correctly identify this farm by calling The Beacon office will receive two tickets to Plains Theatre or Seale Drive In. This farm has several unusual features that should make it easy to identify for the person who has seen it. The owner will be presented the original photo by Handley Shop & Pump Co. if he will come to The Beacon office not later than Monday and give us some information concerning the farm.

Elna Watson Bride Of Roy Pollock

Standing under an archway of beautiful summer flowers at the Church of Christ in Pacific Beach, California on Thursday, Aug. 6 at 8:30 p. m., Miss Elna Watson of Pacific Beach, daughter of Mr. and Mrs. Zoel Watson of Albuquerque, New Mexico, pledged marriage vows with Adrian Roy Pollock. The bridegroom is the son of Mr. and Mrs. Roy Pollock of Nocona, Texas.

A long-time friend of the family, Mr. E. L. Shico of Pacific Beach, gave the bride in marriage. She wore a gown of white lace over satin en train with fingertip veil of illusion and carried a bouquet of white orchids and carnations.

Miss Lois Nidey, maid of honor, wore a gown of frosty pink and carried a cascade bouquet of pink carnations. Bridesmaids were Miss Clarice Thomas, and Miss Doris Mickey of Upland who were attired in gowns of seafoam green.

The cousin of the groom, young Helen Pollock, was flower girl. She wore a pink frock and carried a basket of rose petals.

Earl Morrison served Mr. Pollock as best man while Allen Pollock, cousin of the bridegroom, and Carl Hogg of McCamey, Texas, ushered.

A reception for about 60 guests followed at the home of Mr. and Mrs. Travis Murphy in La Mesa. Mrs. Don Holland was in charge of the guest book.

The bride is a graduate of Lockney High School and attended St. Louis, Missouri, School of Music and San Diego Junior College. Mr. Pollock is a graduate of Nocona, Texas High School and attended Arlington State College at Arlington before entering the Air Force.

Janet Huffman Is Complimented

Janet Huffman, daughter of Mr. and Mrs. Herman Huffman, and bride-elect of Arthur L. Banning, was complimented with a bridal shower Wednesday afternoon, from 3 until 5 o'clock, in the home of Mrs. Ewald Quebe.

Receiving rooms were decorated with flowers in the bride-elect's chosen colors of yellow and orchid. The refreshment table was laid with ecru lace over yellow and appointed in crystal. Accenting the center of the table was a reflector holding a huge yellow mum fringed with orchid satin streamers flanked with double-branch candelabra holding yellow tapers. Around the candelabra were orchid carnations.

Guests were received by Mrs. Ewald Quebe and the honoree. Mrs. Buck Sams secured names for the register, Mrs. Frank Messimer and Mrs. L. L. Rhodes were in the gift room and Mrs. Ruby Merrick, Mrs. Henry Ford and Mrs. J. H. Cooper served.

In the house party were Misses E. M. Quebe, J. H. Cooper, Frank Messimer, Buck Sams, R. E. Patterson, E. J. Foster, Albert King, Robt. Smith, Hershel Carthel, Ruby Merrick, Henry Ford, L. L. Rhodes and Bill Johnston of Plainview.

Approximately 60 guests registered or sent gifts.

A CLEAN CITY IS A SAFE CITY!

TO BE WED — Friends and acquaintances are invited to attend the marriage of Miss Helen Janet Huffman, pictured above, to Mr. Arthur Leroy Banning on Saturday, September 26, at six o'clock in the evening at the First Methodist Church here. A reception will follow immediately in the church parlor to which those attending the wedding are also invited. Miss Huffman is the daughter of Mr. and Mrs. Charles Herman Huffman of Prairie Chapel.

Open House To Mark 60th Anniversary

Mr. and Mrs. Alva Raper will hold open house at the home of Mr. and Mrs. Lavon Johnson Sunday, September 27 from 3:00 until 6:00 o'clock to mark their 60th wedding anniversary.

All friends of the couple are invited to call.

Mrs. Tomme To Be H. D. Club Hostess

Mrs. Calvin Tomme will be hostess for the Lockney Home Demonstration Club when it meets Thursday afternoon at 2:30 o'clock.

Miss Leila Petty will present a demonstration on meat salads and Mrs. N. S. Abbott will give some information on "A House Problem." Roll call will be answered with "I Bet You Didn't Know."

WEDDING DATE SET

Mr. and Mrs. Carl Wilson announce the engagement and approaching marriage of their daughter, Ruby Ferol to Glenn Newton McLeod, son of Mr. and Mrs. Frank McLeod. The wedding will take place Sunday, September 27 at 3:00 o'clock at the First Baptist Church in Lockney.

HOOD COUNTY REUNION

Former residents of Hood County are invited to attend a reunion at the barbecue house in MacKenzie State Park, Lubbock, on Sunday, September 27. All interested people are urged to come and bring a picnic lunch and meet old friends.

Mr. and Mrs. Houston McPherson of Booneville, Arkansas are here visiting relatives.

George Jeffcoat spent two days last week in a Lubbock hospital receiving treatment for one of his eyes. It is thought that after further treatment that an operation will be made.

Mrs. Joe Phillips returned Wednesday after spending four days visiting her father, E. A. Alexander at Kemp, Texas near Dallas. Mr. Alexander suffered a stroke recently.

Mr. Ted Oliver spent last week end in Childress.

Mr. and Mrs. W. C. Leonard of Amarillo visited her sister, Mrs. Joe Phillips Sunday night.

SOUTH PLAINS NEWS

by Mrs. Murray Julian

Among those who attended the Floyd County Soil tour last Tuesday were Mr. and Mrs. E. P. Pritchett, Mr. and Mrs. J. K. West, Mr. and Mrs. Sylvian Kinnibrugh, Grigsby Milton and Murray Julian.

Rev. and Mrs. W. S. Spearman and Charlotte left Wednesday night for Decatur, Texas, where they spent the night with old friends, Rev. and Mrs. Brooks. The next day they left for Grand Prairie, where they went to the hospital to visit Mr. and Mrs. Frank McClure. They reported Mrs. McClure much better and they hope to come home soon.

Mrs. Lena King spent several days last week visiting in Dumas with her daughter, Mr. and Mrs. Francis Reed and son.

Mrs. Mable Laughlin and Mrs. Zack Welch, both of Bonham, came to visit Mr. and Mrs. Paul Snodgrass Sunday. They enjoyed

dinner there and then went to Springlake where Mrs. Welch is teaching the third grade and Mrs. Laughlin is also teaching.

Mr. and Mrs. Jim Mulder visited Thursday and Friday with his nephew, Mr. and Mrs. Arby Mulder and family. They were enroute home after a months vacation spent in Canada and other interesting vacation spots.

Mr. and Mrs. Cecil McCain and son of Amarillo spent the week end with his sister, Mr. and Mrs. Fred Fortenberry.

Mr. and Mrs. H. S. Calahan Sr. and Mr. and Mrs. E. A. McLeod of Lockney were Sunday guests and enjoyed dinner at the home of Mr. and Mrs. Brian Karr and family in South Plains.

Mrs. Murray Julian was hostess on Thursday afternoon of last week to a small group of friends who met for games of canasta. Refreshments were

served at the close of the afternoon and those who attended were Mmes. George Weast, Ernest Smitherman, L. T. Wood, John Smitherman and Bill Beedy.

WMS of the Baptist Church met on Wednesday afternoon, Sept. 15 for an hour of Bible study under the direction of Mrs. Spearman. Chapters 10, 11 and 12 of "Women of Destiny in the Old Testament" were studied, after which a business meeting was held and new officers for the coming year were elected. Mrs. Dock Jones, president; Mrs. M. M. Julian, vice-president; secretary, Mrs. W. S. Spearman; Bible study, Mrs. H. S. Calahan Jr.; mission study, Mrs. John Smitherman; program, Mrs. Brian Karr; benevolence, Mrs. Grigsby Milton; community missions, Mrs. Shelby Calahan; and stewardship, Mrs. H. L. Marble. "A Week of Prayer" will be held this next Thursday at the church, and a program will be followed with prayers and reports by all the members.

Mr. and Mrs. George Weast went to Frederick, Okla. over the week end where they visited with Mr. and Mrs. V. A. Smart and they returned home Monday evening. On Saturday they went to Silverton where they attended the Homecoming held at the high school and Saturday evening they went to Lubbock where they saw the football game between Texas Tech and West Texas.

Mr. and Mrs. Bryant Higginbotham went to Plainview Sunday to see Mr. and Mrs. Lenton Lanham and Peggy Don, who is in the hospital. They reported she is doing much better and hopes to be out in another week.

Mr. and Mrs. Robert Rose from Denver, Colo. were visiting her parents, Mr. and Mrs. Zach Cummings and family last week. On Saturday Mr. and Mrs. Zach Cummings and Zach left for Oklahoma, Missouri and Arkansas where they visited friends and relatives. They saw Mr. and Mrs. Earl Norman, of Siloam Springs, Ark. while gone and on the way home visited in Farmersville and in Texarkana.

Mr. and Mrs. Otho Sanders were hosts to a number of relatives and friends on last Thursday night in honor of their daughter, Martha Lee, who left this Sunday for her last year in college at North Texas State at Denton. Those who enjoyed the evening at Sanders from Floydada were Mr. and Mrs. C. E. Bartlett, Mr. and Mrs. Lorin Liebfreid, Mr. and Mrs. Harry Moreckel, Mr. and Mrs. W. M. Sanders. The parents took Martha Lee on Sunday and then went to Fort Worth where they spent Sunday and Monday at the home of her brother, Mr. and Mrs. R. V. Bartlett, and they also visited with Mr. and Mrs. Frank McClure at Grand Prairie. They are expected home Tuesday evening.

Mr. and Mrs. Walter Wood had their grandsons, Tommy and Jimmy McCown from Powell, Wyoming, with them over the past week end and they went to Lubbock to attend Texas Tech where they are sophomores this winter.

Mrs. Grigsby Milton was hostess at her home on Thursday morning for a Stanley party with Mrs. W. H. McClung in charge of the entertainment. Fourteen ladies attended this meeting and Mrs. Milton served hot coffee and doughnuts at the close of the morning.

E. E. Joiner came home last Thursday from Rye, Colo. and spent the week end with his family in Floydada. On Saturday night they visited with Mr. and Mrs. Murray Julian and he and Rev. Chas. Joiner made a business trip to Lubbock on Saturday morning. He returned to Colorado Tuesday.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: OTIS LUMMUS GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 2nd day of November, A. D., 1953, at or before 10 o'clock A. M. before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's First Amended Original petition was filed on the 19 day of September, 1953. The file number of said suit being No. 4090.

The names of the parties in said suit are: J. M. Willson, Sr. as Plaintiff, and Otis Lummus and Vera Kirkpatrick (formerly Vera Lummus) and her husband, Earl Kirkpatrick, as Defendants.

The nature of said suit being substantially as follows, to-wit: Plaintiff, J. M. Willson, Sr., is asking for judgment against Defendants on two notes, one Materialman's Lien Note for \$1,000.00 dated December 16, 1946, alleged to be executed by Defendants, Otis Lummus and Vera Lummus (now Vera Kirkpatrick), and a Note for \$953.88, dated February 1, 1947, alleged to be executed by Otis Lummus, such note having credits amounting to \$779.10, the total sum asked for on both notes, including principal, interest and attorney fees is \$2,227.25, together with interest and costs, same being alleged to be the balance due on the Note dated February 1, 1947 for \$953.88, and all of the above described Materialman's Lien Note, and said Plaintiff, J. M. Willson, Sr., is praying for a foreclosure of a Mechanic's Materialman's and Laborer's Lien Contract, dated December 16, 1946, alleged to be given to secure the said Materialman's Lien Note of \$1,000.00, dated December 16, 1946, said Mechanic's, Materialman's and Laborer's Lien Contract is alleged to have been executed by Defendants, Otis Lummus and Vera Lummus (now Vera Kirkpatrick), then husband and wife, on the following described Real Estate, described as follows, to-wit:

One acre of land out of the North East Corner of the J. H. Lockney 160-acre survey number 4 in Block S. C. situated in Floyd County, Texas, said one-acre tract being described by metes and bounds as follows: beginning thirty feet South and 20 feet West of the North East corner of said survey for the North East corner of this tract; Thence West 300 feet for the North West corner of this tract; Thence South 145.2 feet for the South West corner of this tract; Thence East 300 feet for the South East corner of this tract; Thence North 145.2 feet to the place of beginning, except a portion of same taken off for railroad right of way purposes and highway purposes, and said description included all improvements situated on said tract of land or to be placed thereon; Plaintiff herein is asking for a foreclosure of the said Materialman's Lien on above described property.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 19th day of September, A. D., 1953.

Given under my hand and seal of said Court, at office in Floydada, Texas, this the 19th day of September A. D., 1953.

Mary L. McPherson, Clerk, District Court, Floyd County, Texas. (SEAL) 24-4c.

Mighty Midget Starts Revolution

THIS IS A "TRANSISTOR"... the most important single invention ever developed by telephone scientists. Now used mostly for military purposes, it promises to revolutionize the design of many everyday electronic devices, from hearing aids to television sets. In telephone equipment it is expected to replace vacuum tubes — doing the same job, but taking up far less space and using far less power. Not all the new ideas developed by telephone research are as exciting as this. But every year an average of 260 inventions and improvements are made to help us keep our telephone service high in value—low in cost. SOUTHWESTERN BELL... A TEAM OF 27,400 TEXAS TELEPHONE PEOPLE...
