Special music, Coffey, 11:30 a. m.; message, Dr. Hill, 11:35 a. m.; lunch, 12:15 p. m.; district board meeting, 3 p. m.; recreation and fellowship, 1 to 6 p. m.; supper, 6 p. m.; recognitions, 7:20 p. m.; address, Dr. Reiff, 7:35 p. m.; special music, Coffey, 8:15 p. m.; and message, Dr. Hill, 8:25 p. m.

Rev. Franklin E. Swanner of Plainview, district missionary, will be the camp pastor when the girls gather at the camp Wednesday, Thursday and Friday.

Director of music and recreation at the YWA camp will be Miss Irma Helen Hopkins, Texarkana, Ark.

Mrs. Earl Lester's Mother Is Buried

Mrs. V. O. Morris, 86, of Vernon, mother of Mrs. Earl Lester of Lockney, passed away at the home of another daughter, Mrs. Floyd Grisham in Vernon Monday of last week. Funeral services were held at 5 p. m. Tuesday in Sullivan Funeral Home Chapel, George T. Jones, minister of the Houston and Peace Streets Church of Christ officiated. Burial was in East view Memorial Park at Vernon.

Mrs. Morris had made her home with Mrs. Grisham for the past 18 years. She died after a two weeks illness.

The deceased was a native of Colbert County, Alabama, and came to Texas with her parents in 1879, settling in Erath County. They moved to Wilbarger County in 1886. She was married to Mr. Morris on August 31, 1893. He died in 1946.

Other survivors are three sons, C. M. Morris of San Diego, Calif.; Virgil C. Morris of Amarillo and Emory L. Morris of Fort Worth; 9 grandchildren, 13 great-grandchildren; two sisters, Mrs. Will Key and Mrs. Cassie Smith, both of Vernon.

J. M. Willson Sr. Is Region Drive Chairman

J. M. Willson Sr. of Floydada, has been named chairman of Region No. 2 in Texas' forthcoming campaign for the USO. Announcement of this appointment was made jointly today by Governor Allan Shivers, Honorary chairman; Ben H. Wooten, Chairman of the Texas United Defense Fund Committee; and Watrous H. Irons, State Campaign Chairman of the Texas United Defense Fund Committee.

Mr. Willson said, "It is most important that each of us do everything possible to maintain the ties of home with these boys and girls in service so that their morale may be kept high while they are away that their hopes of a decent future may be assured, and that they may return to us as good and useful citizens."

HAS OPERATION

Mrs. M. W. Wiley underwent surgery at the Methodist Hospital in Lubbock Thursday of last week. She was returned to her home here Tuesday and is getting along fine, Mr. Wiley said.

Gulf Service Wins 2 To Gain

Gulf Service softball team won two games the past week to up their standings from 333 to 500 and gain from sixth to fourth place in the Lockney Softball League. Other than that there were few changes in the standings of the League.

Silverton maintained their hot pace, winning two against no defeats for a 7 won, 1 loss record and .875 standing.

Results of league games the past week were:

On last Thursday night Gulf Service defeated the Legion team 10 to 8 despite a 3-run spurge in the seventh by the Legion. Vaughn was on the mound for the Gulf Service while Bostie and Hardy pitched for the Legion team.

In the second game of the night Silverton won one from the Fire Department 10 to 6. Travis pitched for Silverton while Johnson was on the mound for the Fire Department.

On Friday night Silverton ran away with their game with Lone Star Co-op winning by an 18-2 score in five innings. Bunch pitched for Silverton while J. D. Nance pitched for Lone Star.

In the second game of the night Gulf Service won another game, this time from Lone Star by a score of 8 to 3. Vaughn pitched for Gulf Service while Donald Farish was on the mound for Lone Star.

On Tuesday night Legion eased by Lone Star 7 to 6 with Farish again pitching for Lone Star and Bostie on the mound for Legion. In the second game of the night the Lone Star Co-op played South Plains a very close game but dropped it 5 to 4. Dickerson pitched for the Co-op team while Beedy and Wilson did mound duty for South Plains.

Standings as of Wednesday are:

Team	W	L	Pct.
Silverton	7	1	.875
Lone Star	5	4	.556
South Plains	5	4	.556
Gulf Service	4	4	.500
Legion	4	5	.444
Fire Department	3	5	.375
Lone Star Co-op	2	7	.222

Schedule for the coming week is:

Thursday, July 8—Silverton vs. South Plains; American Legion vs. Fire Department.

Friday, July 9—Lone Star vs. Fire Department; Silverton vs. Gulf Service.

Tuesday, July 13—Silverton vs. American Legion; South Plains vs. Lone Star.

Local Men Training With A. F. Reserve

Four local men are spending two weeks in Dallas in training with the 8708th Pilot Training Wing, Air Force Reserve, Hensley Field. They are W. W. McClaskey, Udell Cunningham, C. L. Turner and Donald Allison. The group began their training July 4th and will continue through July 18th.

While the Air Force Reserve planes are taking to the air, other men will be training in ground jobs. From the aircraft mechanic to the cooks and plumbers, they all play a part in keeping a full Air Force wing in operation.

This is the first year that some 150 men without prior service will serve with the 8708th. The first class of 17 through 25 year olds finished their basic training last week end. According to Major C. W. Cooper, Basic Military Training Squadron Commander, "We have a full schedule during the two week tour to get the younger men ready for promotion to higher jobs and a specific assignment in the 8708th."

Reservists will run Hensley Field during the two week tour except for a few positions that render personnel services such as post exchange personnel, base library, etc. The 8708th is a self-sustaining unit. Reservist feed reservists, reserve mechanics keep the planes flying, reservists drive the trucks and vehicles and maintain them besides many other jobs. These men, civilian reservists who are serving their country and community, are part of the only Air Force

Legion Auxiliary To Meet Monday

The American Legion Auxiliary will hold a meeting Monday night, July 12 at 8 o'clock in the Legion Hall. All members are urged to be present to hear Miss Joan Harris give a report of her meetings at Gil's State.

Republicans To Hold Primary

For the first time in many years the Republican Party will hold a primary election in Floyd County. The primary will be held on Saturday, July 24, the same date as the Democratic primary.

County Republican Chairman Joe Holt was making preparations to hold the primary this week, securing ballot boxes, and naming voting places. Only two polling places will be maintained. One of these will be at the City Hall in Lockney and the other in the Grand Jury Room at Floydada.

The Republicans are offering no county candidates except for county and precinct chairmen of the Republican party. They do have candidates of Governor, United States senator, congressman-at-large and for commissioner of agriculture.

Following is a list of names appearing on the ballot:

For Governor, Tod R. Adams, Houston County.

For United States senator, Carlos G. Watson, Cameron County.

For congressman-at-large, Tom Nolan, Bexar County.

For commissioner of agriculture, Harry W. Linderman, Harris County.

For County Chairman, Joe H. Holt.

For precinct chairman, West Lockney, No. 18: George Webster Jr.

For precinct chairman, East Lockney, No. 5: Lloyd A. Wolford.

For precinct chairman, Southwest Floydada, No. 1: B. J. Darden.

For precinct chairman, Northwest Floydada, No. 19: C. L. Briggs.

Panoramic Screen At Seale Drive-In

A new panoramic screen is being installed this week at the Seale Drive-In Theatre, 2 1/2 miles west of Lockney and probably will be ready for use by Sunday, J. B. Seale, manager said Tuesday.

The new screen will be much wider than the old type screen and enables the theatre to show any type film. The size is 32 feet high by 70 feet wide compared to the old screen size 32x40.

Most movies made in the past six months use the wide screen, Mr. Seale said. The screen is especially adaptable to the new movie technique called "VistaVision."

First showing of a wide film on the new screen will be on July 18 when the film, "Johnny Dark" will be shown. It is rated one of the best pictures in recent months.

Dr. Hewitt Named On Committee

Dr. A. E. Hewitt of Lockney has been appointed to serve on the membership procurement committee of the Texas State Chiropractic Association by the president, Dr. Robert E. Hartong of San Antonio.

Committee members were chosen at a recent meeting of the Board of Directors in Austin. Present at the meeting were Dr. Hartong; the vice-president, Dr. G. M. Brassard of Beaumont; the secretary, Dr. C. T. Harkey, Jr. of Victoria, and the 12-member Board of Directors. Representing this area was Dr. J. V. Miller of Plainview.

The State Board of Chiropractic Examiners met at the same time.

Mr. and Mrs. R. V. Webster and children and Mrs. V. L. Webster were in El Paso for a few days last week.

Cancer Drive Nets \$280

The drive for funds for the American Cancer Society conducted by the Business and Professional Women of Lockney has netted about \$280 so far, according to Mrs. Jo Ann Moody, club president.

Mrs. Moody expressed her thanks and appreciation for the cooperation received during the drive, and asked that those who wish to donate to the drive but have not yet done so, bring their donation to her at the Southwestern Public Service office during the next two weeks.

Red Cross Asks Disaster Funds

The National Red Cross is asking for special disaster funds with which to help those who lost material possessions in the floods in South Texas recently, according to N. W. Williams, Floyd County Red Cross chairman. No solicitation will be made in Floyd County but those wishing to help may deposit their money in either Floyd County bank, Mr. Williams said.

No quota has been set for the county but the Red Cross is accepting cash donations only. They already have all the clothing they can handle, he said.

Money received at this time will be used to help people affected by the flood at Ozona as well as those along the Rio Grande and other places where flood waters have caused losses.

Mrs. Callie Shafer Dies Thursday

Mrs. Callie D. Shafer, 81 years of age, passed away at the Lockney General Hospital Thursday morning of last week. Mrs. Shafer had been seriously ill for several days. She made her home here with her son, C. B. Adams.

Funeral services were held Friday afternoon at 3:30 o'clock at the Carter Funeral Chapel here conducted by Rev. R. E. Wiley, local Baptist pastor. Interment was in the Lockney cemetery.

Mrs. Shafer was born July 7, 1873 at Springfield, Mo. Her maiden name was Caldonia Fought. She was married to Richard B. Adams November 9, 1899. He passed away Feb. 11, 1901. She was married to Franklin B. Shafer on November 29, 1920 at Billings, Montana, and he passed away in October of 1942.

She is survived by two sons, C. B. of Lockney and Floyd R. Adams of Meade, Oklahoma, eight grandchildren, five great-grandchildren and two sisters, Mrs. Odus Gardenhire of Midland, Mrs. John Spradling, Fort Smith, Arkansas, Miss Lorraine Fought of Lockney is a niece of the deceased woman.

Swimming Lessons For Cub Scouts

Lockney Cub Scouts will have an opportunity of free swimming lessons next week at the local pool. Roy Howard, Boy Scout Executive of the Haynes District, is giving a week of his vacation to the Lockney cubs and will give lessons each morning beginning Monday, July 12, through Saturday, July 17.

The lessons will begin at 9 o'clock and last until 12 o'clock each morning. Mr. Howard is giving his instruction time, but each boy will be charged 25c each day for the expenses of the pool.

This training will help the cubs to qualify for their swimming badges.

Bill Stowe Now In California

Mr. and Mrs. Clyde Stowe left Friday, July 2 to accompany their son, Billy Clyde Stowe to Park Air Force Base, Pleasanton, California. Bill had spent the past 30 days here on furlough prior to being sent overseas. He is to report to his new location on July 8. The Stowe family plans to visit relatives enroute.

School Sets Up Own Tax Office

The Lockney Independent school district now has its own tax office and all tax payments, with the exception of some delinquent taxes, will be made at the office located in the high school building. Supt. W. C. Irons said Wednesday, Mrs. V. E. Spears is tax assessor-collector for the district and will be in charge of the office.

The board of trustees, in regular meeting Monday night, approved the tax rolls as prepared by Mrs. Spears and set the tax rate the same as it was last year, \$100 per \$100 valuation for local maintenance and 30 cents for interest and sinking fund. Taxes are due and payable October 1, according to the board's action, and a 3% discount will be given those paying their taxes during the month of October. In November the discount will be 2% and in December 1%.

At the Monday night meeting Supt. Irons reported to the board that the painting and repair work at the high school building was almost complete. The new concrete slab, providing room for two tennis courts, two basketball courts or two volley ball courts, has been poured and work was underway Wednesday to set up backstops.

The board voted to set all school bus drivers salaries at \$90 per month. Bus drivers named for the coming school year were Weldon Snodgrass, C. W. Bradford, G. A. McAda, R. C. Rogers, Wilber Miller, W. A. Gilbreath, John Chandler and Fate Taylor.

The board voted to sell two lots to which the school had title for \$100.

Mrs. Loretta Jones submitted her resignation from the local faculty and it was accepted. She has accepted a position at Richardson, Texas.

Teachers elected to teach in the local school system were Mrs. Marjorie Wood and Mrs. A. L. Shaw.

The board voted to charge all ineligible students who attend the Lockney schools \$10 per month tuition. This means pupils who live in an outside district, it was said. The students must also furnish his own transportation to the district line unless he can secure permission and approval of his own board to catch the bus within his own district. The board also decided that no children under six years of age may attend the local schools.

The board decided to pay \$100 for each of three coaches to attend the state coaching school at Dallas in August.

Farm Bureau Set Regular Meeting

Directors and alternates of the Floyd County Farm Bureau are urged to attend the regular meeting of the board tonight (Thursday) at the Bureau's office in Floydada. The meeting will begin at 8 o'clock.

Plans for attending the annual A&M Institute during the week of August 1-5, will be made and a program outlined for the Farm Bureau Queen contest on July 23rd. Committees will be appointed for helping in the county fair, resolutions for the county convention, a legislative committee to consider laws to be sponsored by the county organization and many other items of interest to the county, according to a report from W. R. Puckett, county service officer.

Dairy To Move, Schacht Quits

F. O. Schacht, who has been delivering milk to customers in this area for quite some time finds himself out of business due to the moving of the Lyndale dairy at Floydada. The Floydada concern has been processing the Schacht milk and he in turn delivering it to local customers. The Lyndale dairy will be moved to Childress where the owner, G. B. McAllister has hopes for more business, he says.

Meanwhile Mr. Schacht is making plans to sell his 20 milking shorthorn cattle along with the McAllister herd unless he can work out plans to process his milk with another concern.

It Seemed Hotter Than That To Us!

Joe Holt, local weather observer, says the hottest temperature recorded the past week was on Monday, July 5th when the thermometer hit 99 degrees. No moisture has fallen anywhere in this vicinity during the week and many irrigation wells are running night and day.

Crops are growing fast and looking good for the most part although farmers are having some trouble with insects. Quite a few farmers are spraying for flea hoppers and some for grasshoppers.

Mrs. Spence Is Critically Ill

Mrs. R. T. Spence, who has been critically ill in Baylor Hospital at Dallas, is expected to be flown home today, accompanied by her daughter-in-law, Mrs. Raymond Spence. Mrs. Spence was scheduled to undergo surgery for a brain tumor but the operation was cancelled due to her weakened condition. Mr. Spence and sons, Claude and Russell, returned home Tuesday. Raymond and his girls will return Thursday by automobile.

Business People Approve Chest

A meeting of a number of business people at the Plains Theatre Wednesday morning heard a community chest, and also the Floyd County fair discussed by Chamber of Commerce President Bob Miller.

The group approved a plan to have a community chest drive here this fall to raise money for all charitable causes for which drives are usually made in this area. The Chamber of Commerce will name committees to work out plans, Miller said.

The matter of the Floyd County fair was discussed and after comment both pro and con the group decided to co-operate in the selling of fair memberships and advertising in the fair catalogue. The present plan calls for holding the fair at Floydada one year and Lockney the other, Miller told the group.

Another Rh Baby Is Given Exchange Transfusion Here

For the second time in recent months a baby with an rh negative mother and rh positive father has been saved by an exchange transfusion of blood at the Lockney General Hospital. The baby is Charles Terry Boedecker, new son of Mr. and Mrs. Charlie Boedecker, who made his appearance on July 5th.

In cases where the mother is rh negative and the father is rh positive, the mother starts to build up antibodies against the baby's blood prior to normal birth. Mrs. Boedecker's blood was checked at 6 months and at regular intervals following with the build up being noted. Pregnancy was interrupted and artificial labor induced causing the baby to be born three weeks premature. Then the baby was given an exchange transfusion, that is, it's blood was removed in small quantities and rh negative whole blood transfused.

Wednesday the young fellow was reported to be doing fine but it will be four or five days yet before he is out of danger. Dr. W. J. Mangold said. He weighed 6 lbs., 8 ozs. at birth.

Dairy To Move, Schacht Quits

F. O. Schacht, who has been delivering milk to customers in this area for quite some time finds himself out of business due to the moving of the Lyndale dairy at Floydada. The Floydada concern has been processing the Schacht milk and he in turn delivering it to local customers. The Lyndale dairy will be moved to Childress where the owner, G. B. McAllister has hopes for more business, he says.

Meanwhile Mr. Schacht is making plans to sell his 20 milking shorthorn cattle along with the McAllister herd unless he can work out plans to process his milk with another concern.

BEN RICHARD KING HURT

Ben Richard King, 4-year-old son of Mr. and Mrs. Herman King of the Lone Star community, suffered a badly bruised foot late Tuesday when the foot was caught in a power lift on a tractor. He was rushed to the Lockney General Hospital where x-rays revealed no broken bones. However the muscles and blood vessels were badly torn and the foot will require at least two weeks to heal, attending physicians said. He was treated and released to his home.

Demo Precinct Convention Set For July 24th

The annual Democratic precinct conventions will be held on the same day as the first Democratic primary, July 24. Time of the conventions will be at 2:30 and purpose will be to adopt such resolutions as are desired and elect delegates to the county convention.

The intense interest evidenced two years ago when the Shivers forces carried the county without trouble is not expected to be present this year and the outcome is in doubt. No doubt the so-called "loyal" Democrats will be trying to recapture the county and whether opposing forces will interested enough to give them a race for it is unknown at this time. To this date there has been very little interest evidenced in politics in this county.

All precincts are entitled to be represented at the county Democratic convention on Saturday, August 31 provided the voting box polled as many as 25 votes for the Democratic candidate for governor in the general election two years ago and also provided they hold a precinct convention on July 24 and officially name delegates to the county convention, according to County Democratic Chairman Ben P. Ayres.

The county committee decided in a recent meeting that delegates to the county convention should be determined by the number of votes cast for governor on the Democratic ticket in the last general election. The state committee had suggested that the total vote for governor on both Democratic and Republican tickets be used. As a result of the county committee action a number of precincts will have fewer delegates to the county convention, notably Southwest Floydada who loses 4 delegates and West Lockney who loses 4 delegates.

Following is a list of the county voting precincts, the place of the precinct convention, the name of the precinct chairman and the number of delegates that precinct is allowed to the county convention:

Southwest Floydada, No. 1, District Courtroom, W. G. Collins, 21.

Starkey, No. 2, Starkey Clubhouse, Tom Porter, 2.

Allman, No. 3, Allman Gin office, Marvin Shurbin, 2.

Sandhill, No. 4, Sandhill school, W. M. Wright, 4.

East Lockney, No. 5, Fire Hall, Dee Costand, 12.

Providence, No. 7, Providence schoolhouse, Marvin Scheels, 3.

Lone Star, No. 8, Lone Star schoolhouse, B. E. Frazell, 3.

South Plains, No. 9, South Plains schoolhouse, H. T. Bradshaw, 2.

Cedar Hill, No. 11, T. F. Love garage, R. G. Dunlap, 2.

93.29 Miles Road Built In Floyd In Five Years

Austin. — During the last five years, 93.29 miles of roads have been built in Floyd county. It was Texas greatest period of road construction history, Highway Department files show.

The breakdown by counties as well as state totals prepared by the department showed that \$1,352,094.82 was spent in the county for maintenance of present roads and for the gigantic construction program.

Meanwhile in Austin Governor Shivers cited the impressive figures "as evidence that the state's construction program is giving Texas motorists the best roads that engineering can provide."

The report showed that 14,926.10 miles of roads added to the state highway system over the period covered cost \$575,158,577.32, more money spent for construction than in any other comparable period.

Figures also showed that Farm-to-Market roads came in for a lion's share of the total. The roads were named a priority because they give farmers needed routes to markets and access to towns surrounding rural areas, a highway official said.

Shivers, who said he was very proud of the excellent way Texas roads have improved in the last half-decade, listed dollars and time saved as two prime benefits to Texas motorists.

"State rivers have been able to save countless hours and money through good roads that provide the ultimate in safety and design," he remarked.

He also pledged that he "would do everything in my power" to continue the present rapid pace of road-building and maintenance.

"A road system worthy of its name must provide its motorists with swift, safe routes," he said.

AVOID SHRINKAGE

Ever notice how your bed pads shrink after laundering? That's easy to avoid when you know the cause. Too thorough drying without pulling the pad into shape will tend to shrink it; so when you're using a clothes dryer, be sure to remove the pad while it's still damp. Then enlist the help of someone in the family to gently pull the pad back to its original size — first on the sides, then at the ends. Wash the pads frequently in order to keep them pure white.

COCONUT TOPPING

Here's an easy cupcake topping that you can make in seconds. Mix 1½ cups of shredded coconut with three tablespoons of maple syrup. Sprinkle over cupcakes before baking in the oven of your range, and there it is.

COCONUT-ON-PUMPKIN PIE

For a pumpkin pie: add a little shredded coconut just before the pie has finished baking in the oven of your range. It will toast to a golden brown while the pie finishes baking — adding eye-appeal as well as taste-appeal.

It's a wonderful feeling!

Ever since I took out my farmer's comprehensive personal liability insurance, I've sure been feeling better.

Just last week my neighbor stepped on a rotten board over the old well and my insurance paid for his broken ankle. But, I wasn't so lucky before I had my insurance. Last year I was plowing and lost control of the tractor. Tore down about \$20.00's worth of Ralph Rancher's fence, and smashed into his pickup to the tune of \$87.00. And there was the time when my bull broke loose and took out after that feed salesman. That could have cost me plenty.

I don't have to worry about such accidents now. I've sure got a lot to feel good about—and the best part is that all this protection costs me a very small amount. Who says you can't buy peace of mind?

MORE ABOUT LAUNDERING

Folded items like handkerchiefs and table linens sometimes stay folded during use. They're bound to collect soil particularly at these folds. Insurance for complete cleanliness is taken care of by a pre-laundering treatment — a brisk and sudsy rubbing with a soft brush or sponge. Follow up with a washing in hot water. Then toss in your clothes dryer, using them as buffers for more fragile items, like nylons.

EASTERN, CENTRAL, MOUNTAIN, PACIFIC
FROM OCEAN TO OCEAN, THESE ARE OUR 4 TIME ZONES. THEY WERE SET UP 70 YEARS AGO WHEN STANDARD TIME WAS ADOPTED, ELIMINATING A SOURCE OF CONFUSION IN BUSINESS TRANSACTIONS, SCIENTIFIC OBSERVATIONS AND JOURNEYS EAST AND WEST.

FAR FROM SEPARATING A UNITED PEOPLE, THE TIME ZONES SIMPLY HELP TO KEEP THINGS STRAIGHT FOR THEM. IT'S A BIG COUNTRY AND WE NEED TO KEEP UP WITH THE SUN. THIS IS PART OF OUR REGULATING OUR AFFAIRS, WHETHER GOD-GIVEN OR THE THINGS WE'VE EARNED OURSELVES.

How To Live With The Heat Is Told

It's the humidity. It's your imagination. Anything but the heat.

Let's stop pretending. Summer heat in most of the United States is just as hot as tropical heat. And it's not an "unusual" summer. It's every summer. It's time we took some lessons from our friends in the tropics — time to learn how to live with the heat we can't explain away.

Let's take a walk through a town that's right on the equator. Notice the way the people walking slowly on the street are dressed? Men in white that reflects the sun's rays, women in long sleeved blouses and cotton sarongs to the ankles — clothes that cover up, but fit easily, allowing the air to circulate. Notice that just about everyone wears some sort of head covering, or carries a parasol. Now let's go into this little house almost hidden by green, leafy trees. It's noontime, and everyone is taking a siesta — if not sleeping, at least lying down for a short rest in the shade. When they get up, they'll have a shower, sluicing themselves with tepid water from that huge pottery jar. They may do this three or four times a day, and in between they'll frequently bathe head and arms.

Dinner time comes late, in the

comparative cool of the evening. And it's not a light meal of salad. They eat highly spiced meats, vegetables, rice, and fresh fruit, but few of the heat and energy giving foods containing fats and sugar.

The cooling properties of hot spices are in the category of hitting yourself on the head with a hammer. It feels so good when you stop. We may not want to adopt that tropic custom, but there are some that may well add to our summer comfort: clothes that protect from the sun's heat, yet allow air to circulate on the skin; food that is appetizing, yet provides all the necessary nutrients; frequent bathing in tepid water. The mid-day siesta may not always be practical, but we can walk, not run, on the shady side of the street. We can try to get plenty of rest. Most important, we can admit that it's hot, and adjust to the fact instead of fighting it.

Have you heard the latest?

All I know is what I hear at the hopper. But the rumor is going around. They say that Avi-Tab is the reason our flock has been growing faster from the start. They claim the Boss has put Avi-Tab in our feed since we were chicks. That's why we feathered faster and have such a good color. The Boss is so happy he is going to continue feeding Avi-Tab. It helps birds of all ages. Weak birds are built up. Buy Avi-Tab where you see...

Norris-Birdwell Vows Exchanged

Miss Kathryn Norris, daughter of Mr. and Mrs. Grady Norris of Roscoe, Texas and Willis Neal Birdwell, son of Mr. and Mrs. J. M. Birdwell, Dimmitt, exchanged wedding vows Sunday, July 4 at 4 p. m. in the parlor of the First Methodist Church in Lockney. Rev. Burgin Watkins, pastor, performed the double ring ceremony in the presence of the immediate families.

The altar was flanked with tall baskets of white gladioli, daisies and greenery.

Given in marriage by her father, the bride was dressed in a light beige suit of Italian silk designed with a scooped neckline accented with a shawl collar applied in white lace. Softly rounded shoulders extended into three-quarter length sleeves. She wore matching accessories and carried a white Bible topped with gardenias showered with white satin ribbon tied in love knots.

For something old the bride carried a linen and lace handkerchief which her mother carried at her own wedding. New was a string of pearls, a gift from the bridegroom, borrowed was a white linen handkerchief belonging to Mrs. Jesse Cox, blue was a garter. In her shoe she wore a penny for luck.

Mava Adams of Roscoe, Texas was maid of honor. She was dressed in pink embroidered cotton with navy blue accessories and wore a gardenia corsage nestled in white gladioli buds.

Kent Birdwell of Dimmitt served his brother as best man.

Mrs. Norris, mother of the bride, wore a black sheer dress, white accessories and a corsage of white gardenias. Mrs. Birdwell, mother of the bridegroom, was dressed in chartreuse cotton lace, white accessories and wore a corsage of white gardenias.

Reception

Mr. and Mrs. Jesse Cox were hosts for a reception held in their home immediately following the ceremony.

The bride's table was covered with white embroidered linen featuring a wedding cake shaped as an open Bible. On the pages were the names "Kathryn

and Bill" flanked with confection floral arrangements. Around the crystal punch bowl was a ruffle of pink maline flecked with pink cornflowers. Completing the table decor was the bride's bouquet. Baskets of white gladioli, daisies and greenery were placed at vantage points about the room. Presiding at the table were Mrs. Barry Barker and Mrs. Arthur Barker, Jr.

For a wedding trip to Colorado the bride chose a navy blue silk shantung princess-style dress with a navy seersucker coat and navy accessories. She carried a gardenia corsage attached to her purse. When they return they will be at home in Lockney where he is associated with Lock-

ney Auto Company.

The bride is a graduate of Roscoe High School and McMurtry College, Abilene. For the past five years she has been a teacher of the fifth grade in C. N. Townsend elementary school in Lockney. She plans to continue her teaching.

The bridegroom is a graduate of Dimmitt High School and West Texas State College, Canyon. He taught for two years in C. N. Townsend school and for the past year, he has been associated with Lockney Auto Company here.

While your curtains are being laundered, wash the ensemble rod in hot soapsuds, wipe dry and apply a thin coating of wax. After the wax dries, polish the rods, and you'll find that the curtains slip on easily.

OUR DEMOCRACY — by Mat

AS DAY IS FROM NIGHT—

A LARGE PART OF THE TWENTIETH CENTURY HAS SEEN TOTALITARIAN SYSTEMS TRIED IN VARIOUS PARTS OF THE WORLD. DARKNESS HAS DESCENDED UPON THOSE PEOPLES, AND CLOSED OFF THE BORDERS OF SEVERAL FORMERLY FREE AND INDEPENDENT NATIONS.

IN OUR DEMOCRACY, WE STRIVE EVER TO BROADEN THE SPIRITUAL, POLITICAL AND ECONOMIC BASE ON WHICH WE STAND, AND TO BRIGHTEN THE RAYS OF ENLIGHTENMENT INSTEAD OF DARKENING THE MINDS OF MEN. AS DEWITT CLINTON SAID IN 1826: "A GENERAL DIFFUSION OF KNOWLEDGE IS THE PRECURSOR AND PROTECTOR OF REPUBLICAN INSTITUTIONS, AND IN IT WE MUST CONFIDE AS THE CONSERVATIVE POWER THAT WILL WATCH OVER OUR LIBERTIES."

IT'S THE LAW in Texas
 A public service feature of the State Bar of Texas

STATUTES CONTROL INHERITANCE IN ABSENCE OF WILL

Who will inherit your property? Your husband, wife, mother, father, children, your wife's relatives? The best way you can say who will have it is to provide a will which will protect your rightful beneficiaries and dispose of your property in accordance with your wishes.

When a deceased has no will, or dies "intestate" as the law calls it, the property of that person is distributed according to a detailed formula fixed by law. In some cases this may be the way you yourself would divide it — but in many cases it is not.

The provisions of the law concerning the distribution of the property of a person who dies without a will are rather complicated, and all the possibilities cannot be covered by a general statement.

There are different rules for real estate and for personal property, for community property and for separate property, for homestead property, and for all of the many possible combinations

of surviving relatives. Each situation must be carefully studied to determine the correct distribution of the property.

For example, here is a general idea of how the community property which you and your spouse accumulated will be divided if you do not make a will prior to your death.

If your husband or wife survives and there are no children, the surviving spouse receives all of the property.

If, in addition, there are surviving children or descendants of deceased children, they would divide one-half of the property, while the surviving spouse would receive the other one-half.

Of course, grandchildren do not share in the estate unless their parent who would inherit is deceased. And when descendants of previously deceased children do inherit, they receive only the portion that the child would have received, regardless of the number of such descendants.

An odd note, perhaps, is that the surviving spouse already owns one-half of the community estate prior to your death, and the law adds nothing to this share where there are children surviving.

When there are only children and their descendants surviving, they divide the entire community estate between them.

A free pamphlet containing useful information on wills and related matters has been prepared by Texas lawyers. To obtain a copy, merely print your name and address on a postcard and mail to State Bar of Texas, Colorado at Fifteenth, Austin 1, Texas.

(This column, based on Texas law, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

PERKY BABY CLOTHES

Like to have the pleats and ruffles on your baby's best clothes really perky? To each quart of thin starch, add a cake of ironing aid. You'll be rewarded with much easier, quicker ironing as well as a fresher looking finish for a longer time.

SUPPER DISH

Here's a quick late supper dish. Take spaghetti, grated cheese, and some minced onion, and add plenty of canned condensed tomato soup, undiluted. Simmer slowly on the top burner of your range until all the ingredients have blended together. Serve this mixture on a hot platter, covered with broiled frankfurters. It should be served and eaten hot.

A TASTY SNACK

For a quick snack on any occasion, cut cheddar cheese into small cubes. Supply toothpicks for dipping into a sauce made with 1/4 cup catsup and a teaspoon of horseradish. Have some crackers handy.

Smaller Amount Of Spray May Be As Effective

College Station. — Cotton producers who must apply insecticides to their crops, and most are included, should be interested in the results of a three-year study made by Texas Agricultural Experiment Station workers.

The studies were conducted to compare the effectiveness of insect control obtained by using low, medium and high rates of spray per acre to apply equal amounts of the insecticide. Yields and insect infestation records were used by the research workers E. C. Brown, Jr. of the department of entomology, both of Texas A. and M. College, to measure the effectiveness of controlling boll weevils and bollworms. These tests did not include pink bollworm control which may require a higher volume of spray.

Results of the 1950-53 tests show that spraying cotton plants at the rate of two gallons per acre is more economical than applying spray at higher rates because of the time and labor

saved in handling a smaller quantity of water. The research workers also found that the two gallons of spray per acre controlled the boll weevils and bollworms as well as 6 and 14 gallons when measured in terms of yield and insect infestation. They emphasize that the amount of the insecticide used on an acre of cotton must remain the same whether in 2, 6 or 14 gallons of water.

They do point out that the sprayer operator must use extra care in mixing the insecticide to exclude all trash and solid particles which could clog the smaller nozzle orifice openings and the finer mesh screens. The three nozzles per row, one directly above the row and one to each side, must function properly in order to insure a good application job.

Details of the tests are available in Progress Report 1687 which may be obtained from the Agricultural Information Office, College Station, Texas.

Mr. and Mrs. E. M. Quebe and son, Johnny, vacationed last week at Ruidosa, N. M. and also visited her brother, James Wharton, who is stationed at El Paso.

NEW ARRIVAL

Mr. and Mrs. Robert Lee Smith are parents of a baby daughter born July 7. She has been named Ann, and weighed 7 lbs., 2 oz. She has two older sisters, Sandra and Karla, and a brother, David. Grandparents are Mrs. R. W. Smith of Sterley, and Mr. and Mrs. George Weast of South Plains.

Mr. and Mrs. Ted Oliver went to San Antonio last week end to visit his parents, and to see their son who has been visiting in San Antonio for a month. Mr. Oliver returned home Monday, leaving Mrs. Oliver to visit there and also to visit her family in Taft before she returns home in two weeks.

Mr. and Mrs. Clyde Applewhite left Tuesday for Colorado Springs where they plan to vacation for a few days. Later they plan to meet her sister, Mr. and Mrs. Herman Dean of Borger, in Glenwood Springs, and spend an extended vacation in the mountain states.

A continental breakfast consists of rolls and coffee.

Don Marble came home from Fort Bliss at El Paso to spend the week end here with his parents. Mr. and Mrs. Horace Marble and family and due to the Fourth coming on Sunday he was home an extra day.

Mr. and Mrs. Eulan Bradshaw and boys spent the Fourth over in Hereford attending a family reunion at the Sam Gilliland home. Mrs. Bradshaw's brothers and sisters were all able to come but two, one of whom was Mrs. Raymond Spence who is ill in Dallas. Little Tommy Bradshaw has been very ill, too and is still not at all well. Physicians feared he might have polio but tests have proved it was not that.

The Home Demonstration Club picnic held at the Plains Assembly grounds on Wednesday, June 30 beginning at 11 in the morning and a picnic dinner served at noon was attended by two cars of South Plains members who enjoyed the day

and the program. Attending were Mmes. John K. West, R. G. Dunlap, Grigsby Milton, L. T. Wood, John Smitherman, George Weast, I. H. Parks and H. L. Marble.

Rev. and Mrs. W. S. Spearman, Charlotte and Billy plan to go to Dallas Tuesday of this week where Rev. Spearman will go to the hospital for a check up. The children will stay with his relatives in McKinney while they are gone. Rev. Spearman is undergoing some dental work and was unable to fill the pulpit on Sunday, due to illness. They plan to be back the latter part of the week.

Mrs. Riggs has been in the hospital at Lockney since Saturday suffering an infection and Mr. Riggs lies gravely ill at his home north of South Plains. Neighbors have been sitting up with Mr. Riggs while he is ill, helping the son, Cherry, with some of his heavy burden. The father has been ill about six months.

Frank McClure came home on Monday and spent the week here and left again on Saturday

Farm To Live — Live To Farm

College Station. — In a recent proclamation, President Eisenhower designated the week of July 25 as National Farm Safety Week. He said, "I urgently request all farm residents to make every effort to develop safe work habits and skills, so they may 'farm to live and live to farm.' I also request all persons and organizations interested in farm life and welfare to join in a campaign to free as many farm homes as possible from the tragedies and losses caused by needless accidents."

In their endorsement of the observance, the Texas Farm and Ranch Safety Committee, points out that no better time could be selected for launching community and county safety programs than during Safety Week. A current undertaking of the committee is the "Lite-Farm Equipment" program and they suggest that plans be made now for commencing the actual job of applying reflector tape to all farm equipment which is used on the road after dark.

The committee points with

pride to work done in Guadalupe county. A report from County Agent Henry New states that FFA and 4-H members have applied reflective tape to more than half of all the farm equipment in the county. They plan to complete the job during National Farm Safety Week. The county was selected by the National Safety Council last January as the one county in the nation where the program would be tried. The results speak for the interest that local farmers took in the program.

New says, "I like the program because it has made every one safety conscious and has given our leaders the opportunity they needed for building an overall safety program."

The state Committee believes the "Lite-Farm Equipment" program is a logical starting point for community and county safety work. Much farm equipment will be on the highways of the state during the next few months and needless accidents can be prevented if this machinery is properly lighted.

BYEBEE VISITORS

Visitors in the home of Mr. and Mrs. Delbert Bybee and Patsy this week include Staff Sgt. C. O. Givens and family from Great Lakes Air Force Base, Montana. They arrived Sunday morning to spend ten days here. Freda Bybee of Dallas also visited over the week end. She left Sunday night.

Mr. and Mrs. W. A. Taylor and Jovonne spent Monday visiting Mr. Taylor's parents in Paducah.

morning to spend the week end at the Millings Hospital in Grand Prairie where Mrs. McClure is staying. She is better, but yet unable to come home.

On Friday night of last week P. M. Smitherman and his daughter, Mrs. W. Fred Cox came to visit with Mr. and Mrs. George Weast and spent the evening with them.

Mrs. Leo Brown is in the Lockney General Hospital recuperating from a major operation on Saturday. We hope she will soon be out and able to resume her normal duties.

Mr. and Mrs. Herman Thornton and Kay, accompanied by Pete Thornton, went to Pagosa Springs, Colorado on Saturday to spend a few days fishing in that vicinity and to bring home Wade Deavenport, who has been taking the mineral baths there for the past ten days.

Monday guests in the home of Mr. and Mrs. George Weast were J. H. Pittman and son, W. T., who now lives at San Angelo, but were former residents of South Plains.

Eugene Beedy will be home the latter part of this week from Lake City, Colo., where he has been fishing with Leonard Wilson and other relatives this past week. Last year they brought home lots of fish and we hope they have as good luck this year.

Mrs. Don Shurbet from Lubbock visited over the Fourth of July week end here with her parents, Mr. and Mrs. R. E. Young. She reported that her husband, Don, now stationed in Germany will be home in about three months.

Donita Milton, along with other 4-H Club boys and girls from Floyd County went to Ceta Glen Camp where they spent an enjoyable week end. Miss Petty and Mr. Rogers went with the 4-H boys and girls from here on Friday morning and returned on Sunday afternoon. Nineteen boys, girls and leaders made the group.

John Key West made a business trip to Amarillo Thursday of last week.

Mr. and Mrs. W. M. Stanforth Jr. left Saturday morning for Wichita Falls where they spent a pleasant Fourth of July at Lake Kemp where a group of friends from Floydada joined them in a picnic and excursion.

Mrs. John Smitherman visited Mrs. Clay Guest of Levelland on Friday evening in Silverton. Mrs. Guest had spent the week with her daughter, Mrs. Edsel Hutsell

and family in Silverton.

The Home Demonstration Club will meet July 14 with all 4-H Club girls present to give the program for the day. The meeting will be at the home of Mrs. R. E. Young at 3 p. m.

Mr. and Mrs. Essley Yeary and Mr. and Mrs. Lee Pearson left Thursday for a Fourth of July week end at Stamford, Texas, where they enjoyed the rodeo performances and celebration.

Mr. and Mrs. Gene Edmonds, Sue, Diane and Benny left Wednesday night for Brian and Cameron where they will visit her parents, the Robinsons in Brian and go on to Cameron to be with his people for the next two weeks. They also plan to visit his brother in Houston and Gene plans to get in some fishing.

Mr. and Mrs. George Weast went to Amarillo Saturday morning to spend the Fourth with their daughter, Mrs. E. T. Evans and family. Sunday afternoon they attended the rodeo at the Fair Grounds, Saturday night they went to see the fire works display which were held at the huge fair grounds. There were three hours of music, bands and performances along with the fire works which they report were beautiful and many thousands attended. They came home on Sunday night.

Mrs. H. T. Bradshaw and Mrs. M. M. Julian spent the afternoon visiting Mrs. Skeet Thornton last Thursday.

Mrs. J. K. West was hostess at a Stanley party in her home on Friday morning at 9:30 on July 2. Mrs. Nell McClung from Floydada showed the products and conducted games and at the close of the party Mrs. West served lemonade and cookies to the following: Mmes. R. G. Dunlap, John and Becky, Kenneth Bean and Diane, Murray Julian, Alvin Nichols and Glenn Whit-fall and girls.

Mrs. Ross Cherry and 2 granddaughters from Clovis, N. M. arrived Thursday to spend Thursday and Friday as the house-guests of Mr. and Mrs. George Weast.

Shivers Shouldn't Run

ALLAN SHIVERS SHOULD NOT BE RUNNING for another term as governor of Texas. Seeking election three times destroys a Texas tradition that has lasted since the days of the Republic.

Only one man has ever served longer than Governor Shivers will have when his term ends next January. He was Elisha M. Pease who was twice elected in 1853 and 1855; in the Reconstruction days he was appointed governor by General Phil Sheridan, commanding the invading Northern forces, and served another two years and two months, or six years and two months in all.

At the end of his present term, Governor Shivers will have served five years and six months. He succeeded Governor Beauford Jester on July 11, 1949. Another term will give him better than 7½ years as governor. That's too long.

Nobody else ever ran for a third elective term except Jim Ferguson after his impeachment and removal early in his second term.

Henderson, Rannels, Sam Houston, Coke, Roberts, Ross, Hogg, Culbertson, Lanham, Campbell, Hobby, Moody, Allred and the other good ones didn't.

Shivers does.

He seeks to break the record of Sheridan's stooge.

There was no demand for Mr. Shivers' candidacy. Congressman Lloyd Bentsen of McAllen and Supreme Court Justice Will Wilson of Dallas, both fine and able gentlemen, would have run if Mr. Shivers had decided to retire to private life, as he told us he would in December, 1952.

But for some reason, Mr. Shivers changed his mind and decided he was indispensable, so he kicked aside Texas tradition and is running for what amounts to a fourth term.

Let us hope the next Legislature will submit to the people a constitutional amendment limiting governors to two elective terms. The Nation suffered so much from the breaking of the two-term presidential tradition that Mr. Shivers, born and raised a Democrat, found it good to support Republican Eisenhower in 1952.

We do not quarrel with him for that, for we did likewise. But we would call his attention to the fact that had the tradition, which Thomas Jefferson thought no man would ever break, been observed, the Nation would be better off. The building up of a national machine would not have happened had the two-term tradition been continued.

Perhaps Governor Shivers is building a machine of his own. Three years ago he went into Duval County illegally, tried to take over the election machinery and succeeded fairly well. Then a complacent and unthinking Legislature gave him the privilege of doing that by passing a law he requested.

So he went back to Duval County with his Rangers and they beat up a man and intimidated others and usurped the powers of the local officials.

We hold no brief for George Parr, the Duke of Duval. He can take care of himself. But Shivers can come into El Paso County, too, for any reason, or none, and interfere with our elections. Or he can go into any of the 254 counties in Texas.

That law should be repealed and the people given the protection only a limitation of terms can give.

Governor Shivers is an attractive man. We like him. But an attractive personality should not be allowed to overthrow an honored principle.

We wish he hadn't made the decision to run again. We respect American and Texan tradition and we have noted in history and in experience that when tradition is flouted, the people suffer. Allan Shivers has brought Texas to a crisis. Shall the tradition, violated only in the hungry days after the War Between the States, be again violated?

We have sought justification for the Governor's act in his record of accomplishment, and we were astounded at what we discovered:

The cupboard is bare.

It is, indeed, too bad that Texas has been deprived of the privilege of considering Will Wilson and Lloyd Bentsen, as well as Candidate Ralph Yarborough, as a successor to the Governor.

Allan Shivers would not, if he realized it, deliberately hurt Texas. But he is doing just that by forcing himself upon the people. For Texas' sake, he shouldn't be running.

Juanna Richards, bride-elect of Pvt. Cecil Boedeker, was held Thursday from 4 to 6 p. m. in the home of Mrs. Marvin Scheele.

Guests were greeted by Mrs. Marvin Scheele, Mrs. Ted Boedeker, Miss La Juanna Richards and Mrs. R. L. Richards. They all wore corsages of blue carnations, the bride-elect's chosen colors. Mrs. Don McLaughlin presided at the register. The serving table was very beautifully decorated with a white linen cloth centered with a miniature bride and groom under a blue umbrella. Crystal punch service and crystal candles were used. Blue satin ribbons bore the names of Cecil and La Juanna in silver lettering. A nosegay of blue carnations tied with blue ribbon lay on one corner of the table representing the brides bouquet. Blue netting woven around the table holders and on either side of a styrofoam adorned beauty to the center piece.

Blue cake squares topped with a white wedding bell was served with cheese squares and punch. Miss Clara Sammann and Miss Maebeth McLaughlin served. Mrs. Richard Matthews and Mrs. Walter Boedeker presided in the gift rooms. Approximately 60 guests called during the entertaining hours.

Calling in the home of Mrs. Clara Brandes Saturday wishing her a happy birthday and bringing gifts were Mrs. B. H. Quebe, Mrs. Ben Quebe, Mrs. Ben Brandes and Mrs. Wilfred Stoerner.

Conditioned? Well Not Exactly Now

Floydada. — Floyd county's shiny new seat of justice built to be cooled and heated by a mechanical process, hasn't been a very comfortable place to work for three weeks. In fact it has been a sweltering place for most of the toilers there.

The air conditioner hasn't been functioning and there are few convenient windows to raise to get a draft. As a result the court house workers sweltered in the summer heat and humidity.

Tuesday, Commissioner Plumlee said an expert had promised to be on the job Wednesday to see if he could get the system to working. "We hope it's just some little something," the commissioner said, and that the conditioner will be going again soon.

The contractor's warranty on the system expired after 18 months and the expense of any repairs or corrections will come out of the county's building maintenance fund.

Sand Hill Baptists Get Building Site, Want New Church

Floydada. — Members of the Baptist Church of Sand Hill took one more step toward their realization of a church home this month, when they completed negotiations for an acre of ground on which to build. The site was acquired from Ed Holmes north of the Sand Hill store. It is adjacent to the north and south highway.

The church has been raising money and taking pledges for three years and has a nest egg in the building fund. If everything works out right they hope

QUESTIONS ON THE CHURCH

I. WHAT IS THE CHURCH?

1. It is the body of Christ: "He is the head of the body, the church." (Col. 1:18.) "Gave him to be head over all things to the church which is his body." (Eph. 1:22, 23.)
2. It is the family of God: "I bow my knees unto the Father of our Lord Jesus Christ of whom the whole family in heaven and earth is named." (Eph. 3:14, 15.)
3. It is the house of God: "Thou mayest know how thou oughtest to behave thyself in the house of God, which is the church of the living God, the pillar and ground of the truth." (1 Tim. 3:15.)

II. WHY BE IN THE CHURCH?

1. To be redeemed by the blood of Christ: "Feed the church of God, which He hath purchased with his own blood." (Acts 20:28.)
2. To be saved by Christ: "The husband is the head of the wife, even as Christ is the head of the church; and he is the saviour of the body." (Eph. 5:23.)
3. To have names enrolled in heaven: "The general assembly, and church of the firstborn which are written in heaven." (Heb. 12:23.) "Whosoever was not found written in the book of life was cast into the lake of fire." (Rev. 20:15.)

III. HOW MANY CHURCHES DOES CHRIST HAVE?

1. He can not have more churches than a physical head can have bodies: "He is the head of the body the church." (Col. 1:18.)
2. He cannot have more churches than a husband has wives: "The husband is the head of the wife, even as Christ is the head of the church." (Eph. 5:23.) "Husbands love your wives even as Christ also loved the church, and gave himself for it." (Eph. 5:23.)
3. He has only one body or church: "There is one body." (Eph. 4:4.) "Baptized unto one body." (1 Cor. 12:13.) There is "BUT ONE body." (Cor. 12:20.)

IV. HOW MAY THE LORD'S CHURCH BE IDENTIFIED TODAY?

1. It will be wearing the name of Christ (Mt. 16:18; Rom. 16:16; Acts 4:12.)
2. Its only book of discipline will be the Bible. (2 Tim. 3:16, 17; 2 Pet. 1:3.)
3. It will offer in worship only what God commanded. (Acts 2:42; 20:7; 1 Cor. 16:2.)

NOTICE TO THOSE who pledge allegiance to the flag of the United States of America: The national congress has passed a resolution adding the words "under God" to the pledge. The new pledge was used for the first time in official Flag Day ceremonies at the national capital on Flag Day, June 14. The pledge now ends with these words, "One nation, under God, with liberty and justice for all."

DOES IT COST to advertise. Read these words from William Thacker, manager of the J. C. Penney store at Wichita Falls:

"My thirty years with the J. C. Penney Company has convinced me that a retailer cannot succeed without newspaper advertising. It is an essential cost of doing business in the retail field—but it is not just a business cost. It is a means of producing profit. Newspaper advertising pays dividends. You cannot do it successfully if you do it spasmodically. You cannot get good results by running one ad and then ceasing. Advertis-

WHAT ARE THE REAL ISSUES in the Democratic race for the Governor's nomination? The real issue as we see it whether the people want a liberal element in office with ideas of a strong centralized government or do they want a conservative element in office who believe strongly in state's rights. Much has been said and much more will be said concerning the governor's race, but boiled down we think that this is the real issue. Governor Shivers is a conservative, politically speaking. He believes in conservative methods of government and in the right of the state to manage much of its own affairs. Mr. Yarbrough is a liberal and is being supported by the liberal element of the party. That is the real issue, despite talk of third terms, land profits, labor parties, etc. Take your choice.

—oOo—
DUDLEY T. DOUGHERTY, seeking the Democratic nomination for the United States Senate, is wasting his time. We don't know why he is running or who for but Mr. Lyndon B. Johnson's outstanding record assures him of renomination without a fight. We didn't vote for Mr. Johnson the first time he ran but he has proven to us that he has the ability and the honesty to make an outstanding public servant. We don't believe anybody can beat him, Democratic or Republican.

TRIBUTE TO AMERICA—God build him a continent of glory, and filled it with treasures untold. He studded it with sweet flowing fountains, and traced it with long-winding streams. He carpeted it with soft-rolling prairies, and columned it with thundering mountains. He graded it with deep-shadowed forests, and filled them with song. Then he called unto a thousand peoples, and summoned the bravest among them. They came from the ends of the earth, each bearing a gift and a hope. The glow of adventure was in their eyes, and in their hearts the glory of hope. And out of the bounty of earth, and the labor of men; out of the longing of hearts, and the prayer of souls; out of the memory of ages, and hopes of the world, God fashioned a nation in love, and blessed it with purpose sublime, and called it America!—CHEER

RED CROSS IN ACTION
Paducahians and Cottle countians, following the tornado which struck here on the evening of June 1, got a chance to see the Red Cross in action. Only a few short hours after the storm ripped through Paducah and the southeast part of the county, a Red Cross disaster of-

office was open and ready for work here. There has been some criticism of Red Cross in the past cropping up during the annual drive for funds. The quick organization here following the storm should definitely put a stop to any criticism in years to come. As readers of this column know, Prattler has always been a strong believer in the Red Cross and has devoted literally thousands of printed words through this newspaper in help-

fine organization. — Prattler in Paducah Post.

TOO MANY VICTIMS

Seven traffic deaths were recorded during April in the Lubbock district of the Texas Highway Patrol and 40 persons were injured as a result of the 68 accidents investigated. Property damage was estimated at more than \$52,000, but the number of fatalities is the most important thing.

The district described by the highway patrol as the "Lubbock District" takes in all of 18 counties and about half of another. Those entirely included in the district are Bailey, Lamb, Hale, Floyd, Motley, Dickens, Kent, Garza, Borden, Dawson, Gaines, Yoakum, Cochran, Hockley, Lubbock, Crosby, Terry and Lynn. Andrews is partially served.

At a rate of seven deaths on the highways in the district each month, 84 persons will be killed this year. That would be fewer than were killed last year, but still would be 84 more deaths than any of us like to think about. — Lubbock Avalanche.

ARE YOU TIRED?

Are you tired... simply dog tired? During the long summer days we arise early and try to open the salt mines by 7 (sorta daylight saving time). Then we knock off at noon until 2, catching 20 winks and then working until 6:30 and thus getting in a normal working day. The idea of siesta used by us during the past few summers has made us feel as well in torrid weather as when frost is on the pumpkin. Loss of business? Anybody out from 12 to 2 in 106-degree weather for anything less than an emergency should be tapped for the simpies. — O'Donnell Index Press.

Library Notes

By Mrs. Roy Hollar
Your county library has now been in operation a full calendar year. During this period a total of 21,000 books have been circulated in the county. Almost 1,800 borrowers have been registered. The county owns, at this writing, 3200 books of which about one third have been gifts. We are adding books steadily. Many of our gifts have been things which met particular needs, a great many have been bought with gifts of cash and the selection made on the basis of the needs of the library.

There have been gifts of time and anonymous cash gifts for help as formerly reported. Our collection of memorial books has just passed the one hundred mark. Recent memorial books are: "Out of my Life and Thought" by Albert Schweitzer given by Mr. and Mrs. Hollis Bond in memory of Mrs. R. E. Fry; "The Story of The Confederacy" by R. S. Henry given by Mr. and Mrs. Guy Gann in memory of Mr. John Wahl; "Western Words, a Dictionary of Western Words and Phrases" given by Mr. and Mrs. W. R. Daniel in memory of Mr. John Wahl; "Sing in the Dark" by Maude Morgan Thomas given by Miss Erin Gamble in appreciation of Mrs. Emma Robbins; "The Eternal Voice" by Leslie D. Weatherhead given by Mrs. R. C. Henry in memory of Mr. J. L. Heim.

Mrs. Howard Drysdale brought us a box of very recent books during the past week.

Story hour met in the Court House with more than thirty children present. Mrs. Gordon Downing brought refreshments and told the stories which she illustrated with her flannel board. There were games and songs also. Mrs. R. C. Henry, chairman of the story hour committee for the 1929 Study Club was present. New faces at the gathering were Mina Fae McClendon, Dorothy Edmiston and Ann Fauver.

During the month of June we checked out 2,654 books, 503 being checked out of our Lockney branch, this is considerably over our average. This month has also shown a good percentage of non-fiction reading. Inspirational reading, poetry, biography and home making books have been high on the list.

Our circulation last Saturday at Floydada exceeded the one hundred mark and puts July off to a nice start.

Mr. and Mrs. Jerry Mudgett and Mr. and Mrs. W. O. Eddins, all of Sudan visited July 4th with Mr. and Mrs. Delbert Bybee and family, Mr. and Mrs. Geo. Myers and family.

IN TRAINING — Jesus Guerra, 17, son of Mr. and Mrs. Andres Guerra of Lockney, is completing his basic training at Lackland Air Force base, San Antonio, Texas. The basic training is preparing the soldier to enter into Air Force technical training and for assignment in specialized work. He formerly lived here and attended local schools.

Contract Due July 13 For Briscoe Road

Silverton. — A contract for completion of Highway 256 in Briscoe County is to be awarded July 13. The contract will call for grading, base and hard surfacing of 16,693 miles.

Plans are to complete the project this fall. The extension will provide Silverton with pavement to Memphis and Clarendon and will provide an all weather shorter route to points northeast of here and will increase traffic via Silverton.

Bill Hamm, resident engineer of Childress will be in charge of the construction for the State Highway Department. Briscoe County is included in District 25 with headquarters at Childress, Texas.

Visitors in the George Beedy home here Friday night and Saturday morning were Mr. and Mrs. Wilson Martin and family from Cleburne. Mr. Martin is Mrs. Beedy's brother.

Buffalo Bill and William F. Cody were the same person.

Land For Angling Right-Of-Way Thru Farms Comes High

Floydada. — All the figures are not in yet, but Commissioner W. C. Plumlee was sure last week that the right-of-way bill from a mile east of Cedar to the Motley county line on the new farm to market road just started, will run above \$23,000. It may go to \$24,000.

There are 12, nearly 13 miles of the new road. It crosses five farms at an angle and will make some of the owners rearrange their farming and livestock operations.

The Commissioners court and all of the owners except two were able to agree on a price. The county and the two owners agreed to settle on figures made by a special commission appointed to judge the awards that should be made.

One new water well for cattle and some fencing is in the agreement to be carried out by the county. Commissioner W. C. Plumlee, in whose precinct the new route is located, said the fencing work is in progress this week.

ATTEND FUNERAL SERVICES

Mr. and Mrs. Claude Brown attended funeral services in Tulla Saturday afternoon for Robert S. Bonds, young Tulla business man who died in a Philadelphia hospital Tuesday. He had undergone a delicate heart operation May 29 and apparently was recovering from the surgery when he lapsed into a coma Tuesday morning. Services were conducted at the First Baptist Church of Tulla by Rev. Neil Record, pastor and Rev. C. B. Hogue of Happy Survivors include his wife, two daughters, his parents and one brother.

Research workers of the Texas Agricultural Experiment Station have found that two gallons of spray per acre containing the recommended amount of insecticide controlled boll weevils and bollworms as well as 6 and 14 gallons when measured in terms of yield and insect infestation. Science and Your Spine

Everything changes these days except the human spine.

While scientists work at breakneck speeds revolutionizing industry, splitting atoms, the spine remains the same — the shock absorber for the entire body, the control panel of all bodily functions.

The farmer vibrates all day on a tractor. The railroad engineer gets a cramp in his neck from looking out of one side of his cab. The mailman is stoop-shouldered. Miners get cramps. Stenographers get cramped fingers.

And what happens? People in nearly all walks of life find themselves suffering from stomach trouble, headaches, lumbago, sciatica, kidney trouble or failing eyesight.

And why? Any of these conditions may have developed originally from a misalignment in the spine.

Chiropractors are experts on the spine and its important body functions. Chiropractors know by experience a simple adjustment may end months of pain, suffering and misery.
