

Softball League To Start Final Round Thursday

The third and final round of play for the Lockney Softball League will begin Thursday night of this week when South Plains takes on Gulf Service and Lone Star plays Lone Star Co-op. The second round of play was concluded, except for one make-up game, Tuesday night when Gulf Service defeated Lone Star Co-op 14 to 4 in five innings. The make-up game is between Silverton and Lone Star and was originally scheduled for Friday night.

Silverton still maintains their lead in the league this week although they have been idle all week. Gulf Service continued their winning streak, now totaling six straight, and jumped in to second place a half game back of Silverton. South Plains holds third place.

Results of games the past week were:

On last Thursday night Gulf Service defeated the Fire Department 3 to 1 in a well played game. Fire Department had nine men to die on base and Gulf Service had eight left. Roy Johnson pitched for Fire Department and Charles Vaughn pitched for Gulf Service. The second game of the night set a record for the local loop for scores with Lone Star Co-op defeating the Legion 21 to 19. The Co-op was behind 19-11 after 6½ innings but they ran in 10 scores in the bottom of the 7th to win the game. Only one man was out then.

On Friday night the Fire Department edged South Plains 12 to 11. Johnson was again on the mound for Fire Department while Wilson and Beedy did mound duty for South Plains.

On Tuesday night, Gulf Service won their sixth straight defeating Lone Star Co-op 14 to 4 in five innings. Dickerson pitched for the Co-op while Jimmie Myers and Al Willis was on the mound for Gulf Service.

A couple of practice games Monday night saw REA of Floydada defeat Fire Department of Lockney 4-1 in 9 innings. The score was tied 1-1 through eight innings. Also the McCoy team defeated Lone Star Co-op 8-0 the same night.

Standings at this time are:

Team	W	L	Pct.
Silverton	8	3	.728
Gulf Service	8	4	.667
South Plains	7	5	.583
Lone Star	6	5	.546
Fire Department	5	7	.417
Legion	4	8	.333
Lone Star Co-op	3	9	.205

New Schedule

Following is the schedule for the third and final round of play:

City Water Use Sets All Time High

Water used by citizens of the City of Lockney set an all time record during the 30-day period June 15 to July 15 according to a report this week from H. H. Mills, city water superintendent.

Mr. Mills reports that the city used 18,072,000 gallons during this 30 days. Of that amount 16,907,000 went through meters to individual users, the swimming pool used 1,000,000 gallons and the remainder of about 165,000 gallons was used to water the football field.

During the same period a year ago the city used 16,536,000 gallons, according to The Beacon's files.

FARM BUREAU QUEEN CONTEST WILL BE HELD FRIDAY NIGHT

The Floyd County Farm Bureau's queen contest is all set for Friday night at the Floydada High School auditorium. Nine contestants, four of them from Lockney, have been entered. The program begins at 8 o'clock.

Two of the judges had been named this week but the name of the third was still unknown. Earl Sears of the American Cotton Council at Lubbock and Elbert Reeves, state representative from Matador were two of the judges. A third will be from Lubbock and will probably be a woman but the name was still unavailable Wednesday.

The girls will be judged on the basis of appearance, poise and personality. Each has been required to write a short article concerning the Farm Bureau and will read the article to the audience on Friday night.

Contestants and their sponsors are: Ann Belt, daughter of Mr. and Mrs. J. R. Belt of Lockney, sponsored by the Lockney Lions Club; Joan Harris, daughter of Mr. and Mrs. Clark Harris of Lockney, sponsored by the Pleasant Valley Home Demonstration Club; Barbara Cartmel, daughter of Mr. and Mrs. Hershel Cartmel of Lockney, sponsored by the Lockney Rotary Club; June Wiley, daughter of Mr. and Mrs. M. W. Wiley of Lockney, sponsored by the Lockney Business & Professional Women's Club; Pat Helms, daughter of Mr. and Mrs. P. D. Helms of Floydada, sponsored by the Starkey Home Demonstration Club; Joyce Hammonds, daughter of Mr. and Mrs. C. T. Hammonds of Floydada, sponsored by the Friendship Home Demonstration Club; Barbara Bullock, daughter of Mr.

and Mrs. R. C. Bullock of Floydada, sponsored by the Floydada Garden Club; Gwen Richardson, daughter of Mr. and Mrs. J. N. Richardson of Floydada, sponsored by the Dougherty Home Demonstration Club; Glynell Armstrong, daughter of Rev. and Mrs. Tilden B. Armstrong, sponsored by the Floydada Chamber of Commerce.

Jack McIntosh, vice-president of the Floyd County Farm Bureau, will act as master of ceremonies for the evening and Chester Cartmel, president, will perform the crowning ceremony.

Presidents of the various sponsoring organizations will be introduced along with the candidates during the latter part of the program.

The program for the evening has been announced as follows:

Piano music — Mrs. Bob Copeland.
Welcome — Chester Cartmel.
Quartet — Dr. Bill Greer, Al Brian, Bob Copeland, Myron Kattner.
Introduction of Candidates No. 1, 2, and 3.
Duet — Barbara Hays and Eldora Boone.
Introduction of Candidates No. 4 and 5.
Vocal solo — James Cartmel.
Introduction of Candidates No. 6 and 7.
Monologue — Bert Grimes.
Introduction of Candidates No. 8 and 9.
Crowning of Queen — President Chester Cartmel.
Vocal solo — Dale Smith.
Chairman of the contest is Mrs. Dorris Jones of Floydada and the assistant chairman is Mrs. E. J. Foster of Lockney.

Cinemascope Is Installed At Seale Drive-In

Cinemascope, the modern way to project movies, has been installed at the Seale Drive-In Theatre, 2½ miles west of Lockney, it was announced early this week by J. B. Seale, manager.

The Seale is now the only theatre this side of Lubbock to have this new type equipment.

The first cinemascope picture will be shown at the Seale tonight (Thursday) when "Hell and High Water" starring Richard Widmark, Cameron Mitchell and Gene Evans will be shown.

Another cinemascope picture, "How To Marry A Millionaire" will be shown next Wednesday, Thursday and Friday, July 28, 29 and 30, Mr. Seale said.

Featuring life-like realism and depth without the use of glasses, cinemascope has been hailed as the most important development in motion pictures in years. A sharper focus on the pictures, clearer sound and more realistic pictures all combine to make cinemascope pictures seem as real as live acting, theatre operators say.

The Seale Drive-In has just installed a big panoramic screen a week previous to this new installation.

The cinemascope equipment was installed on a "hurry-up" order, Mr. Seale said and he had not had time to previously publicize the event. However the work of installation was completed Monday and the equipment is all ready to go.

First Democratic Primary Vote May Be Heavier Than Anticipated

WHERE TO VOTE

Following is a list of the voting precincts in this part of the county, where the voting will be held and the name of the election judge:

Sandhill No. 4, schoolhouse, Robert Hinkson, Judge.
East Lockney, No. 5, city auditorium, E. C. Durham.
Providence No. 7, schoolhouse, Ewald Quebe.
Lone Star No. 8, schoolhouse, G. B. Johnston.
South Plains No. 9, schoolhouse, H. T. Bradshaw.
Cedar Hill No. 11, T. F. Love garage, Johnny Lackey.
Harmony No. 15, community center, G. A. Williams.
West Lockney No. 18, high school, H. W. Schacht.
Sterley No. 21, club house, Bert Bobbitt.

A heavy vote of absentee ballots up to the deadline Tuesday indicated that the vote in the first Democratic primary may be considerably heavier than has been anticipated. County Clerk Margaret Collier said Wednesday afternoon that a total of 196 absentee ballots had been cast compared to 137 in the first primary two years ago. More than 3400 ballots were cast in that election.

Due to apparent lack of interest in the election, predictions have been that the vote will be light in the first primary. The vote this year can't be as heavy as two years ago since the voting strength of the county, including paid poll taxes and exemptions is only 3063.

Every voting precinct in the county is represented in the absentee voting except two, Miss Collier said. Southwest Floydada, voting precinct 1 has the majority of the absentees, however, with 72 of them being in that box.

Heavy campaigning on the part of the candidates marked the last week before election. Also election officials were making feverish preparations with County Democratic Chairman Ben Ayres spending most of Wednesday checking with election judges and getting things in order for the first primary.

States candidates were filling the radio and TV channels with

Voters will find a complete sample ballot elsewhere in this issue of The Beacon. The ballot shows the exact order in which candidates names will appear on the ballot, and a complete list of candidates, both opposed and unopposed. Also the sample ballot includes a list of the various Democratic precinct chairmen posts, most of which have no candidate.

Last minute appeals, preventing many avid fans from hearing or seeing their favorite programs and causing some complaint because of it.

Last political rally of the year was held in Lockney last Saturday night when most county candidates, and two speakers, representing candidates for governor, talked to a group of voters on the vacant lot just north of the Baker Hotel. In addition to county and precinct candidates, John Lee Smith, Lubbock attorney spoke on behalf of Governor Allan Shivers and Judge Tom Deen of Floydada spoke on behalf of Ralph Yarborough, candidate for governor.

County races which are contested and therefore drawing the interest in the primary are these:

For sheriff of Floyd County, the incumbent Earl Cooper is opposed by A. K. (Alton) May.
For tax assessor-collector the incumbent, T. T. Hamilton has two opponents, they being C. C. Harkabee and J. A. Hutchinson.
For county judge G. C. Tubbs and W. E. Grimes both seek the office. Neither is the present incumbent but both have previously held the office.

For County treasurer the incumbent, Mrs. Sara A. Spence is

Cook Is Named Fair Manager

K. W. Cook of Lockney was named manager of the Floyd County Fair to serve for the next two months and a few days, at a meeting of the board of directors in the Plains Theatre here last Thursday night. Cook is a former jewelry store operator here and is now engaged in the insurance business.

Loyce Turner, president of the fair association board, presided over the two-hour session. Bob Miller, president of the Lockney Chamber of Commerce and Board of Development, talked with the group telling of the work done here to sell the fair to the people and announced the appointment of two fair directors to represent Lockney. They are Bill McClasky and Howard Cooper.

Turner praised Miller for his help in the fair association work and also O. M. Watson Jr., secretary of the Floydada Chamber of Commerce, for his help. He then reviewed the history of the fair association and its efforts to the group.

He said that it will be necessary to sell memberships to the fair but pointed out that these memberships will be permanent memberships. That is, once a person or firm had bought a membership in the fair association he will not be approached in future years since the membership is permanent.

Some discussion of selling advertising in the fair catalogue was heard and the group voted to make Wednesday of this week the deadline for accepting catalogue advertising. Several people from Lockney and Floydada were busy the first of this week selling advertising in the catalogue.

The matter of hiring a manager for the next two months or until about a week following the fair was presented by Mr. Turner, who said that the time required to handle the associations affairs was too much to ask for voluntary workers. He recommended Mr. Cook and the directors accepted the recommendation, setting his salary at \$200 per month with the understanding that he is to spend half his time on fair work.

Early this week the fair association had agreed to lease two large tents which would be used to house the fair exhibits, Mr. Cook reported.

Maine Man Will Preach Here Sunday

Perry Kemplin of Millbridge, Maine, will preach at the Main Street Church of Christ Sunday in the absence of the minister, Thos. McDonald. Mr. McDonald and family will be at Newport, Texas, where he is holding a meeting this week. Next week he will hold a meeting at Blum, Texas. Preacher for the following Sunday at the local church hasn't been secured as yet, according to Lloyd Wofford.

Seal Coat Being Laid On Highway

A seal coat is being laid on the Lone Star farm-to-market road this week. Commissioner Hugh Counts said Tuesday. The work consists of a new coat of asphalt and a new coat of gravel. It is the first coat to be put on the road since it was built several years ago.

Election Party In Lockney Saturday

People of this area are invited to attend the election party in Lockney Saturday evening. The big election board will be put up in front of Pinner Insurance office and returns from the election posted as fast as they come in. The Beacon and The Hesperian will be working together to try to get the returns in as early as possible.

Election judges from this part of the county are urged to call or bring their election results to the Pinner office, phone 3329, as soon as counting is completed.

Because of the shortness of the ballot and the expected lighter-than-usual voting it is anticipated that returns will be completed earlier than usual.

Complete Work Dump Grounds, Set Up Rules

Work has been completed on the big job of digging huge ditches and burying years of accumulation of trash and junk at the Lockney dumping grounds and now the City Council has set up rules by which they hope to keep the place clean and sanitary.

Mayor Jesse Cox said Tuesday that the City Council intended to keep the place clean and that fines would be handed out, if necessary, in order to compel people to comply with the rules.

Four big pits, 100 yards or more long, some 16 to 20 feet wide and as deep as 15 feet were dug filled with junk and then covered up. Now a big ditch is open on the southeast side of the dumping grounds in which all trash and junk must be dumped. A ledge has been left on either side so that trucks may back up to the ditch without danger of rolling in. Dumping anywhere else on the grounds will mean a fine of \$25 it was said.

In addition, a smaller ditch has been dug on the north end of the grounds in which all dead dogs and cats should be thrown. Loose dirt is available to cover the bodies.

Trees carried to the dump grounds should be piled at the north end of the grounds and will be burned by city employees when they are dry enough, Mr. Cox said.

Mr. Cox also warned that anyone caught carrying anything away from the dump grounds which had been dumped there by others would be fined \$25.

"This project has cost too much money to allow the grounds to become cluttered with trash and junk again," Mr. Cox said. "We want to keep this dump grounds clean and we will appreciate your co-operation in helping us to do so."

The city leased a big bulldozer and Olan Poteet operated it in pushing the junk into the big pits. W. A. Taylor, an employee of Commissioner Hugh Counts, dug the ditches using a carry-all belonging to the county.

Those who prefer long life might as well obey traffic regulations; the habit may not guarantee immunity from injury but it will help.

Suggests Liability Ins. For Farmers

College Station. — A part of the safety program on every farm should be adequate liability insurance to protect the farmer against the legal risk resulting from injury or death to another person. Such protection, says E. C. Martin, agricultural leader for the Texas Extension Service, is almost a necessity under the present day methods of farm and ranch operation.

The greatly expanded use of power machinery on the farm has multiplied the risk of injury to hired help or tenants and more frequent use of motor vehicles has increased the chances for highway accidents. Then too, adds Martin, the farmer also has a responsibility to visitors on his farm.

In general, he says, a farmer's liability risks include personal liability, liability to employees and motor vehicle liability. With farm safety in the spotlight, Martin suggests that farmers and ranchmen review their liability insurance coverage to determine if protection is adequate.

He further suggests consulting with an insurance agent, a lawyer, banker or farm organization representative for information on legal risks involved in relation to their liability problems. Two information about employer's liability under the state workmen's compensation law and how it applies to farmers may be obtained from the State Insurance Commission, Casualty Division, Austin, Texas.

Protection in the form of insurance, could be a "life-saver" in case of a fatal or permanently disabling accident on the farm.

Mrs. Bill Dixon and children, Chuck and Bob of Milton, Oregon are spending this week with her sister, Mrs. Harmon Handley and family in the Pleasant Valley community. They plan to leave via plane for their home Monday night.

More Than \$14,000 In Premiums At South Plains Fair

Lubbock. — Premiums totaling \$14,416.30 will be offered exhibitors at this year's Panhandle South Plains Fair, President Charles L. Adams, Jr. announced this week.

A breakdown of the various departments shows that \$8,249.30 will be presented cattle exhibits; \$2,226 given in the swine show; \$1,076 awarded for junior agriculture and livestock exhibits; \$180 presented for rabbit displays; \$863 given in the wo-

men's department; \$572.50 awarded vocational agriculture displays; and \$84.50 given to individual agriculture exhibitors.

Entries are now being received in all departments, fair officials said. These should be mailed to Box 561, Lubbock, Texas.

Adams has announced that George "Scotty" Samson of Post will be this year's superintendent of the Agriculture Department. W. B. "Bill" Griffin of Tahoka is the Livestock Department superintendent and Mrs. Ralph Robinson of Lubbock has been named superintendent of the Women's Department. Bob Gibson of Lockney will be in charge of junior livestock exhibits.

Rev. Vernon Shaw of Lubbock, Mr. and Mrs. Ed Stewart of Amarillo visited in the home of Rev. and Mrs. A. L. Shaw in the Lone Star community Sunday.

Mr. and Mrs. Ed Stewart of Amarillo are spending several days this week visiting her sister, Mrs. Fred Shearer and family.

Mr. and Mrs. Floyd Gibson of Amarillo visited the first of the week with Mr. and Mrs. W. R. Kendall.

Installation Of Dial Phone System Planned At Floydada

Floydada. — Floydada will have a dial telephone system within the near future. Southwestern Bell Telephone Company's acceptance of the city council's proposal of a rate increase on completion of conversion to the dial system makes the change certain.

J. C. Oakley, manager from Plainview, has informed city officials of the acceptance. According to Oakley, work on the dial system is due to begin in 1955 and will be completed at the earliest possible date. Negotiations between the telephone company and city officials have been under way for more than two years.

Chronic Polio

The polio season is with us again when healthy rosy-cheeked youngsters suddenly and with heart-rendering effects are turned into cripples.

Scientists are working day and night to isolate its causes. Chiropractors are working, too, laboring under the knowledge that polio is a disease of the spinal cord.

You will find these facts illuminating.

Results of a survey of chronic polio under chiropractic care in the United States recently revealed that:

Under chiropractic care, treatment of polio cases was 100 days although the average condition had existed 10 years.

Final results showed that 63.1 percent made complete recovery; 26.3 percent were much improved; 5.3 percent were slightly improved and 5.3 percent recorded no change in condition.

The group surveyed included 53 percent male and 47 percent female.

Of course prevention is much better than cures. With such a splendid record in chronic polio cases, it is reasonable to assume chiropractic can be equally effective in preventing it.

Stay healthy. Call Dr. A. E. Hewitt, Chiropractor, dial 3239, today for an appointment.

Mrs. Myrtle Sullivan from Farmington, Calif. was a house guest of Mr. and Mrs. John Wilson and family from Tuesday until Thursday of last week.

Mr. and Mrs. Philip Smitherman, accompanied by Mr. and Mrs. Brooks spent a pleasant day swimming and picnicing at Roaring Springs Sunday. Winfred West also spent the afternoon there with a group of friends.

Mr. and Mrs. I. H. Parks and boys attended the picnic and outing held at the Floydada country club last Thursday afternoon and evening.

Roy Childress received word Sunday that his daughter, Mr. and Mrs. Chester Hidalgo, of Opelousas, Louisiana were the parents of a baby boy born Sunday morning, and weighing seven pounds. Mrs. Childress is back at Opelousas and Roy is leaving very soon to see the new grandson. We offer congratulations to all the family on their first born child.

Mr. and Mrs. Bill Tye and children of Floydada were guests Thursday at the home of Mr. and Mrs. Bill Beedy.

South Plains H. D. Club met at the home of Mrs. R. E. Young, with Mrs. Kinslow as co-hostess. July 15, Mrs. L. T. Wood presided and roll call was answered with: "What I like to see at a Fair." There were plans to be made for the County Fair but the leaders were absent and Mrs. Wood will contact them and plans will be made. The 4-H girls with their leaders, Mrs. Grigsby Milton and Mrs. Bryan Karr were present with the 4-H girls in charge of the program.

Wanda Haggard as president of the girls led the 4-H club motto and pledge. A clothing demonstration by June Marble, showed how to and how not to keep clothing in dresser drawers. Driver signs, a quiz by Wanda Haggard, was enjoyed by everyone, who was surprised how many driving signs they did not know. A food demonstration by Juanel Brown showing a colorful plate of fruit serving a family of four was enjoyed and Donita Milton gave a resume of the days she spent in Ceta Glen at the 4-H camp, where many of the 4-H boys and girls of Floyd County attended. The program ended with Violet Haggard giving the 4-H prayer. Mrs. Young and Mrs. Kinslow assisted by the 4-H girls served a refreshing drink and cookies to Mrs. L. T. Wood, Bryan Karr, Grigsby Milton, Murray Julian, H. L. Marble, Bill Beedy, and one guest, Mrs. John

Burgett from Bowie, Texas. 4-H club girls present were Violet and Wanda Haggard, Eulalia Sanders, Yvonne Karr, Juanel Brown, Donita Milton, Donna Young, June Marble, Pearl Walls, Raehel Honeycutt, Peggy Young, Johnny Kinslow and Barbara Sue Milton.

RETURN TO MONTANA

Staff Sgt. Charles Givens and family left for their home in Black Eagle Mountain after a visit here with her parents, Mr. and Mrs. Delbert Bybee and family. They were accompanied home by Mrs. Givens' sister, Patsy Bybee. They visited Yellowstone National Park enroute to Montana and plan to make a tour into Canada before Patsy returns home.

Mr. and Mrs. P. T. Hunicutt of Fort Worth spent part of last week here visiting Mrs. C. P. McPherson and Carl, Mr. and Mrs. Joe Anderson and Mr. and Mrs. A. O. Wines.

OUR DEMOCRACY — by Mat

MAPPING THE WAY

AFTER A CENTURY OF HAPHAZARD SURVEYING—OF TREE BOUNDARIES AND WHEEL OR PACE MEASUREMENT—THE U.S. GEOLOGICAL SURVEY WAS ESTABLISHED 75 YEARS AGO, TO EXPLORE AND MAP THE COUNTRY'S RESOURCES WITH SCIENTIFIC ACCURACY. EVEN NOW, MUCH OF THE WORK REMAINS TO BE DONE—SO THE AGENCY IS STILL PIONEERING IN A SENSE.

WE AMERICANS, IN A YOUNG AND VIRILE COUNTRY, HAVE JUST BEGUN TO REALIZE THE POSSIBILITIES, SO VAST AND RICH ARE OUR RESOURCES. INITIATIVE, ENTERPRISE AND THRIFT, AND THE CARE WITH WHICH WE MAP OUT OUR PLANS, HELP US IN ATTAINING OUR GOALS. WHETHER WE'RE EXPLORERS, FARMERS, FACTORY WORKERS, SCIENTISTS, OFFICE PEOPLE—WE'RE ALL STILL PIONEERING.

Mr. and Mrs. Jake Jones and family of Kress Tex. Mrs. Jones and the new daughter are doing fine.

Mr. and Mrs. M. C. Scheele visited Mr. and Mrs. Vernon Collins and son of Berger over the weekend.

Mr. and Mrs. Alvin Dietrich have returned from Marion, North Dakota. They visited Mrs. Dietrich's sisters while there.

Mrs. Ben Brandes, Mrs. Henry Sammann and Miss Clara Sammann left Saturday morning for Wichita Falls where they will visit several days in the home of Rev. and Mrs. Lee Roy Brandes and family.

Mrs. Fred Borchardt and Don visited in the home of Mr. and Mrs. Virgil Brasher Sunday evening.

Mr. Orville Surley Honored

Mrs. Orville Surley was honored Tuesday afternoon with a pink and blue shower in the home of Mr. and Mrs. Ernest Sammann. Hostess for the occasion were Mrs. Albert Scheele, Mrs. Henry Sammann, Mrs. Albert Sammann, Miss Clara Sammann and Miss Virginia Sammann.

The serving table was attrac-

tively decorated with yellow flowers and greenery. Lime punch and decorated cake squares were served. Mrs. Albert Scheele, and Miss Clara Sammann presided at the crystal service. Guests registered in a baby book.

Those attending were Mmes. Ben Quebe, L. E. Brandes, Ben Brandes, Walter Boedeker, Virgil Brasher, Karl Sammann, Brook Jones, Alexander, Keith Stovall, Stevens, Wilfred Stoerner, and the hostesses.

Mrs. Surley received many beautiful gifts and was very appreciative of them.

Mr. and Mrs. Albert Sammann, Mr. and Mrs. Ernest Sammann and son went to Nebraska to attend the funeral of Mr. Dubert who had extensive farming interest in this area.

Mrs. Ben Quebe, and Mrs. Wilfred Stoerner attended council Saturday.

Dinner guests Sunday in the home of Mr. and Mrs. Melvin Kelm were Mr. and Mrs. Albert Scheele and family and Rev. H. L. Anderson.

Dinner guests Sunday in the home of Mr. and Mrs. L. E. Brandes were Mr. and Mrs. Paul Haley and Miss Lydia Scheele.

The Providence Home Demonstration Club will meet Tuesday July 27 in the home of Mrs. Robert Payne. Ladies lets have a 100% attendance. Time 2:30 P. M. Dinner guests in the home of Mr. and Mrs. Walter Boedeker

were Mrs. Weldon Foster, and son and Myra Sue Quebe.

STARCH MAGIC

Renew the appearance of dowdy-looking garments with a special cosmetic treatment of starch to which is added a little cake of ironing aid. Follow directions on the box of dry starch and just before you add the hot water, drop in one cake of the ironing aid and stir until dissolved. Now squeeze starch mixture well into the fabric and then squeeze all excess starch out. You'll find that ironing is twice as smooth and that your old clothes seem to have a new lease on life.

BLAND DIET

If anyone in the family is on a bland diet, you can save yourself a lot of cooking time and effort by using such props as prepared baby food and quick-cooking rice cereal to make individual servings of entrees, vegetables and desserts. Here's how to make one portion of spinach casserole in a jiffy: Mix together a 4-ounce jar of strained spinach, 1 1/2 teaspoons of rice cereal and a pinch of salt. Pour mixture into lightly-oiled 6-ounce baking dish and dot top with 1 teaspoon butter. Bake in

moderate oven — 350 degrees — about 40 minutes.

(Pol. Adv.)

To The Voters Of Floyd County

Dear Friends:

I take this means of asking for the vote of those that I have not contacted personally, since I do not have a car, and the Primary Election is near at hand, it will be difficult for me to see each voter. Please take this as a personal request for your vote and influence, and to everyone your vote will be appreciated very much.

Sincerely yours,

J. A. "Johnnie" Hutchinson

PARTY DESSERT

Instead of a conventional July dessert for a children's party, why not try something different? Ice cream clowns: use a ball of ice cream for the clown's head, raisins for his eyes, and cherries for the nose and mouth. Shredded coconut becomes the clown's ruff and an inverted ice cream cone his hat.

A real newspaper is what the first syllable of its name implies.

SALAD TREAT

Cucumbers may be — and we hope often are — peeled, cut into slices about two inches thick, hollowed out with discretion, and then filled with sardines, diced shrimp, salmon or tuna fish and mayonnaise. Serve on crisp lettuce for the salad course or for an hors d'oeuvre. This treat be served ice cold.

Why worry about war, or disease, if you don't worry about automobile accidents?

ARRANGE SWINE PROGRAM — W. L. Stangel, Texas Tech dean of agriculture, and Stanley Anderson, right, animal husbandry teacher and

chairman of a two-day swine program late in July, are shown with a few of Tech's registered gilts to be used in demonstrations during the

swine program. Five breeder associations are cooperating in the program, scheduled for Monday and Tuesday, July 26-27.

Girls Attending Baptist Youth Camp

Junior girls who returned Wednesday afternoon from the Baptist Youth Camp in Blanco Canyon where they had spent three days included: Jan Brewer, Karen Brown, Bonnie Allen, Beverly Poteet, Su Zan Harper, Dixie Ford, Rachael Hunnicut, Margaret Kelley, and Mrs. Wallace Allen, sponsor. Others helping with this group in transportation and sponsorship part time were Bobby Lu Casey, Mrs. Newell Harper and Mrs. Leonard Kelley. On Wednesday these girls won first place and were recognized in the morning service for their promptness, neatness and co-operation. They were presented the Queen badge.

Mrs. Hugh Marble and Mrs. Frank Brown accompanied a group of Intermediate girls as sponsors when they left Wednesday afternoon. They will stay until Thursday afternoon when Mrs. Edgar Hays and Mrs. R. W. Johnson will take over the sponsorship.

Among the Intermediates attending were Charlyne Brown, Janice Hays, Elaine Cooper, Debra Ferguson, Peggy Ford, Mary Kathryn Ford, Geraldine Broadhurst, Lanell Johnson, Oleta Mc-

Candless, Kathryn Huneycut. This group will return home Friday afternoon.

Improved production efficiency by heavier culling of cows producing milk at little or no profit will help dairymen through the present tough cost-price situation.

Republicans To Hold Primary

In the excitement of the first Democratic primary to be held Saturday of this week, don't forget that the Republicans are also holding a primary. This is necessary, according to law, because of the large number of votes cast in the Republican column for governor in the last general election.

The Republicans will have only two voting boxes in the county: one at the city hall in Lockney with Mrs. Lula Woodburn presiding judge and another in the grand jury room at Floydada with Mrs. Ruth K. Green presiding judge. Since the vote is expected to be light the ladies will serve both as judge and clerk in their respective boxes, according to Joe Holt, Floyd County Republican chairman.

The Republicans will also hold precinct conventions Saturday at 2:30 as will the Democrats. Five precincts will meet as follows:

Precinct 1, Southwest Floydada, will meet at Bill Darden home and he will preside. In Precinct 19, Northwest Floydada, the voters will meet at the F. L. Marquis home with C. L. Briggs presiding. In precinct 23, northeast Floydada, the convention will be held in the home of Starks Green on the Silverton highway.

In east Lockney, Precinct No. 5, the group will meet in the Lloyd Wofford home with Wofford presiding. In West Lockney,

precinct No. 18, the convention will be held in the home of George Webster with Webster presiding.

Lone Star will also hold a precinct convention with A. E. Fritzel presiding, Mr. Holt said.

Names appearing on the Republican primary ballot are:

For Governor, Tod R. Adams, Houston County.

For United States senator, Carlos G. Watson, Cameron County.

For congressman at large, Tom Nolan, Bexar County.

For commissioner of agriculture, Harry W. Linderman, Harris County.

For County Chairman, Joe H. Holt.

For precinct chairman, West Lockney, No. 18: George Webster Jr.

For precinct chairman, East Lockney, No. 5: Lloyd A. Wofford.

For precinct chairman, Southwest Floydada, No. 1: B. J. Darden.

For precinct chairman, Northwest Floydada, No. 19: C. L. Briggs.

Lockney Men End Two Weeks Training

Four men from Lockney have completed two weeks of active military duty with the 8708th Pilot Training Wing at Hensley Field, Dallas, a United States Air Force Reserve training center. They are W. W. McClaskey, Donald Allison, C. L. Turner and Uteill Cunningham. They returned home Sunday.

McClaskey is a reserve major and assigned to the wing's motor vehicle squadron as commanding officer. He is assistant vice-president of the First National Bank here.

Allison and Cunningham were assigned to the wing's motor vehicle squadron also while Turner was with the supply squadron.

Mission of the 8708th PTW is to train itself to instruct cadets in jet aircraft flying in the event of a national emergency. It is estimated that it will take the wing only six weeks from the time of activation to set up and be ready for the first student.

Pigs saved per litter in Texas this spring averaged 6.7, the highest on record. The total Texas spring pig crop is now estimated at 757,000 head and compares with the 10-year average of 1,254,000 pigs.

Blessed are they which do hunger and thirst after righteousness for they shall be filled. —Matt. 5:6.

SATURDAY IS VOTING time and we repeat the age old cry, "Go to the polls and vote your sentiments." Negligence, indifference and laziness at voting time can contribute to poor government and a waste of the people's money just as much as corruption in government does. We urge every qualified voter to study the list of candidates in this issue of The Beacon, find out as much as you can about the qualifications of each and then go to the polls Saturday and cast your ballot.

With Our EXCHANGES
POLITICAL SECRET
We'll let you in on a little secret. Neither Governor Allan Shivers nor Judge Ralph Yarborough are as mean and low down as the worst propaganda about either would indicate. There was nothing much the matter with Yarborough until he started running against Shivers. There was nothing much the matter with Shivers until he started backing the national Democratic party march to get back the islands and until he started running for another term. Why we have to listen to the beatings of candidates for public office is readily understood when one understands human nature. People like to tear down another

person, thinking it builds them up... "Look what a big so-and-so this guy is," the politicians seem to say. "He's a whole lot bigger so-and-so than I am. Choose me. I'm a little so-and-so." — Editor's Notebook in Plainview Herald.

MOST IMPORTANT PEOPLE

Joseph T. Meek, head of an Illinois retail association made a talk not long ago before a women's club group. In the course of it he made this memorable observation: "The greatest mistake the housewife can make is to presume that voting is not for her; that a trip to the polls is a waste of time!"

"The most important people in the world to her are her two United States senators, her congressman and her state legislators. By one vote these legislators can upset a budget, our prices beyond reach, drive needed merchandise off the market, create black markets, produce unemployment, increase taxes to the point where there is nothing left with which to buy. Or they can do just the opposite. They can balance a budget, put into play free prices, free wages, free incentives..."

What Mr. Meek said applies to everyone old enough to vote, men as well as women, and it also goes beyond the act of voting. It is the duty of us all to watch the political scene between and during the elections — and to do what we can to elect those candidates whose philosophies seem to us to offer the best hope for maintaining a strong and free nation. — Hamlin Herald.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

July 21, 1916
Dirt was broken Tuesday morning for another brick business house on the west side of Main Street. These buildings will be owned by A. E. Meriwether and Rigdon and Keeling.

Dr. Geo. Truett, pastor of the First Baptist Church at Dallas, assisted by Dr. Gates, will hold a revival at Plainview beginning the fifth Sunday in July. Plainview has erected a large tabernacle that will seat 5,000 people and the platform for singers will seat something like 500.

T. Z. Reed and Homer Rigdon visited Morgan Lawson in Lone Star community Sunday afternoon. Mr. Lawson is recuperating from a fall from a header when his mules ran away. He was thrown under the machine and was badly bruised but no bones were broken.

Mr. and Mrs. R. B. Mercer of Meteor community were in Lockney Tuesday.

Names and grades of teachers for the coming term are as follows: Lawrence Hill, superintendent; Earl Sparks, principal; teachers, Miss Loretta Wiggins, Ruth Wakefield, for high school; Miss Johnnie Hurst, seventh; Miss Annie Embry, sixth; Miss Press Stone, fifth; Miss Frances Maxey, fourth; Miss Blanche Hooks, third; Miss Sarah Miller; Miss Scheil Merrell, primary.

July 24, 1924
Dr. H. P. Maddy, of Ring

Star, a scientific masseur, has located in Lockney, and has opened offices in the rooms upstairs over Griffith Grocery. Mr. Maddy is son-in-law of the late Dr. Sanford Boone, formerly of Lockney and who was buried in Lockney cemetery a few months ago.

In the political race are: A. B. Tarwater, R. P. Smythe for Rep. 129th Legislative Dist.; District Attorney, Charles Clements, D. H. Oxford; District Clerk, G. C. Tubbs, T. P. Guimarin; County Judge, E. C. Nelson, Jr., W. E. Clark; For Sheriff and Tax Collector, H. S. Bolin, J. E. Maddox, Ed Griffin, E. C. Henry, Tom Millican; County Clerk, Mrs. Jno. B. Smith, Clara Lee Johnson, Florence Foster; Tax assessor, D. J. Bolding, C. M. Meredith; County Treasurer, Mrs. Elder Morris; School Supt., Price Scott; Commissioner Precinct 2, J. B. Teaff, W. O. Shurbet; Commissioner Precinct 3, Walter Wood, R. M. Haverly.

Coolers Work Best When In Shade

Austin, A washed-air cooler works best when enough windows and doors are open to exhaust its breeze properly and when it is in the shade. Associate Professor John R. Watt of the University of Texas asserts. Watt is testing evaporative coolers this summer to determine their best possible performances. "When washed air flows through an area, it absorbs heat from the ceiling, walls, windows, furnishings and people," Watt explains. "Unless that heat is carried out of the area, it just makes things seem hotter and clammy because of increased humidity. Place an evaporative unit where prevailing breezes strike it if possible but keep it out of direct sunlight, Watt advises.

11 Constitutional Amendments To Be Voted On

An increase in state spending for public welfare aid will top the list of eleven proposed constitutional amendments to be voted on next November.

The first amendment would increase the permitted state spending for old-age from \$45,000,000 to \$52,000,000 a year. A similar amendment was defeated in 1951.

Other proposals to be voted on, in the order in which they will appear on the ballot are:

2. Permitting the exchange of credits earned under the teacher retirement system and the employees retirement system.

3. Permitting the Legislature to provide for agreements with the Federal Government to put employees of political subdivisions under social security.

4. Transferring unneeded money from the Confederate pension fund to a state building fund and permitting up to 6 per cent to be used on memorials to Texans who served in the Texas Revolution and Confederate army.

5. Permitting the Legislature to set salaries of state constitutional officers at not less than present constitutional maximums and raising the pay of legislators from \$10 to \$25 a day.

6. Prohibiting the credit of the state to be pledged for bonds issued for construction of toll roads.

7. Requiring women to serve on juries.

8. Providing a four-year term of office for elective district, county and precinct officers.

9. Empowering the Legislature to authorize creation of county-wide hospital districts in Dallas, Tarrant, Harris, Bexar and Galveston counties.

10. Permitting Texans in the regular establishment of the armed forces to vote.

11. Permitting counties with less than 10,000 population to vote on having a separate office of assessor-collector of taxes which now is combined with that of sheriff in those counties.

Local Fishermen Tell A New Fish Story

Several local families left Wednesday of last week for a fishing trip near Minturn, Colorado on the Eagle River and one family of the group, returned Tuesday morning with an extra good fish story.

According to Mr. and Mrs. Lloyd Readhimer and Jo, who left the party Monday, the five men caught 200 mountain trout in one day after a very unusual experience.

On Saturday morning the five men climbed a 10-mile mountain in a jeep, which was the only way to get to the top. The trip took two hours and the rest of the day was spent on Piney Lake doing the kind of fishing every angler dreams about. With 200 large trout the men rode the jeep down the 11,000 ft. mountain and returned to camp to relate their exciting tale.

Making up the fishing party were Mr. and Mrs. Harold Griffith and family, Mr. and Mrs. Lowell Jarrett and Larry, Mr. and Mrs. Clyde Farish and Donald, Mr. and Mrs. Lloyd Readhimer and Jo, Mr. and Mrs. Kenneth Wofford and family, Loy O'Brien and David Frzzell.

The Readhimers and the Clyde Farishes drove through the beautiful Estes Park north of Denver Sunday before the Readhimers returned home. The rest of the party planned to spend several days at Red River, New Mexico before starting home about Thursday.

FISH GRILL

Here's a fish-day meal you can cook in the broiler of your range in about 15 minutes: Dip six fish fillets in milk; dredge in flour seasoned with salt and pepper. Place in center of broiler pan, and surround with tomato halves sprinkled with bread crumbs, salt and grated American cheese. From an outer border of boiled potato "sandwiches," each made of two slices of boiled potato, cut ¼ inch thick, with a very thin slice of Spanish onion between. Fasten with wooden picks, salt and dot with butter. Place pan about 5 inches from broiler flame.

Pioneer Editor Visits Lockney

A recent visitor in the home of Mrs. George Meriwether here was her brother, Romulus W. Jones and Mrs. Jones from Kerrville. Mr. Jones has the distinction of having worked on the first newspaper published in Lockney, which was the Lockney Ledger, founded by him and John C. Hendricks in 1898.

Mr. Jones still is very interested in historical events of this area and talks interestingly of the experiences of those days. He received his first printing training while working for Lubbock's first newspaper, The Lubbock Leader, in 1891. After several years experience there he helped Mr. Hendricks start the newspaper here.

Mr. Hendricks soon tired of the venture, Mr. Jones said, and left him the entire load. He soon thereafter sold the paper to Mrs. Dot Hall of Floydada, who allowed the paper to suspend publication.

Mr. and Mrs. Jones then joined a colony of people from Lockney on a land venture into New Mexico where they settled on land which had abundant water under it for irrigation. Later they operated a newspaper at the town of Ochiltree in Ochiltree County but the town has since faded away.

Leaving here the couple planned to visit a son, J. W. Jones, superintendent of schools at Denver City. Supt. Jones formerly held the same position with the Lockney schools.

Mr. Jones, in late years, has worked with the Kerrville papers, but is practically retired, he says. He and Mrs. Jones celebrated their golden wedding anniversary on November 11, 1950.

Mr. and Mrs. Jones recall many interesting events in the early day history of Lockney. Floyd County and the west. They like to talk of them and call back to memory the circumstances and conditions that helped to build this great country.

O. E. Durham is in Dallas this week on business for the Santa Fe Railway company. Mrs. Durham and Lynda had spent Sunday of last week in Fort Worth visiting Mrs. Durham's parents.

MACARONI WITH CHEESE SAUCE

Cook as much macaroni or spaghetti as you need for supper. The Gas Appliance Manufacturers Association advises not to overlook it, but have it tender. Drain it well. Then make a good cheese sauce from your favorite recipe. Season with salt and pepper, and add about a cup of finely chopped leftover meat — ham, beef or tongue.

Heat to almost boiling over the direct flame of the top burner, and pour it over the macaroni. Sprinkle with bread crumbs, and serve.

Mr. and Mrs. D. L. Handley spent last week end visiting their son-in-law and daughter, Mr. and Mrs. Carl Goetz and family at Odessa. Their grandson, Hank, returned home with them for a visit.

NOTICE TO THE PUBLIC!
The work of clearing away and burying all trash and junk in the Lockney city dump ground has been completed. In order that the grounds may be kept clean and sanitary the City Council has formulated some rules for dumping as follows:
1. All trash and junk must be dumped into the big pit now open on the south east side of the grounds. It is 15 feet deep and has ledges on either side to prevent vehicles from rolling in. Be sure that your trash and junk is dumped into this pit.
2. Dead dogs and cats must be thrown into a pit at the north end of the dumping grounds. This pit is for this special purpose. Loose dirt is available to cover the body of the dog or cat.
3. Trees are to be carried to the north end of the dumping grounds where they are to be piled. When they are dry city employees will burn them.
4. Under no circumstances is any junk or trash to be dumped anywhere except in the big pit. Anyone caught dumping trash anywhere else will be fined \$25. It costs too much money to clean up the grounds to allow anyone to clutter them up again.
5. Anyone caught carrying anything away from the dumping grounds after it has been dumped there will be fined \$25.
We ask the co-operation of all citizens of the area in keeping this place clean. It is to the interest of all that this place be kept clean and sanitary.

Library Notes

By Mrs. Roy Hollar

Gifts have come to us this week from Miss Nell Swinson, Mrs. J. H. Widener and Tommie Assister.

New books from current reading lists are: "The Black Swan" by Thoman Mann, "The Royal Box" by Frances Parkinson Keyes; "A Stillness at Appomattox" by Catton; "Himalayan Assignment" by Nevil Shute and "Rebirth of a Citizen" by Roupp.

Looking back over the daily circulation records for the past week or so we note with some pleasure that our non-fiction record is well assorted. A sample of one day shows one book each of philosophy, religion, social science, science, fine arts, two books in the field of useful arts, three in history and the same number in adult biography. These with one pamphlet make up the non-fiction for one day with forty-three fiction titles and 29 children's books for the sum total. It has been a real pleasure to have our summer school and

correspondence students make use of the library for their courses. These account for some of the days when our non-fiction record showed almost twenty volumes in widely assorted fields. This use of reading matter other than fiction during vacation is complimentary to our local reading taste. During the school term we used a wide variety of subject matter because of those assignments at school. The library staff appreciates our opportunity to serve the students of the entire school system.

Mrs. Clyde Harmon terminated her employment in the library on last Saturday. We regret her going and appreciate her weeks of work with us. Her home duties just now involve both moving and remodeling and thus are taking all her time. Mrs. Harmon grew up in Floydada. She was Sabra Thagard before her marriage and has many friends here. We shall hope to have her in often.

Story hour flourishes no matter what the thermometer registers. Mrs. Downing told the stories and directed the games. Her

flannel board is a great favorite with all the children. Mrs. Clyde Harmon furnished refreshments for the group after the games on the lawn. New faces were Donna Sue Baker and Michael Lawlis of Millington, Tenn.

We were glad to have Supt. and Mrs. Joe Gibson and Mr. and Mrs. John L. Heim of Austin visiting us on Saturday. It was a pleasure to show our library to these former residents.

We like the Saturday afternoon when the County Council of Home Demonstration clubs meet. Our friends from all over the county are represented and often they drop in for books that otherwise might stay on the shelves.

Please note our Farm Safety Bulletin Board, the artist is Douglas Walding and the creation is entirely his own. We appreciate his help with this and other projects calling for artistic aid.

Mrs. Ivy Pearl Reber will take over for Mrs. Harmon. Our borrowers know Mrs. Reber and will be glad to have her in the library again.

Briscoe Road Contracts Let

Memphis — Lowest bidder on two stretches of highway west of here in Briscoe County was Bryan & Hoffman Construction Company of Plainview. It was found when bids were opened recently by the Texas Highway Commission at Austin.

Palmer Massey of Childress, district highway engineer, said Bryan & Hoffman's bid was \$171,175.

The two stretches consist of 3 miles on Highway 70 and 5.8 miles on Highway 256, both in the eastern edge of Briscoe County.

The bid provided for grading, drainage, structures and black-topping.

Clifford Farmer, manager of

the Memphis Chamber of Commerce, quoted Massey as saying both paving projects should be completed by the first of the year.

When the strips are paved, it will complete the east and west gap between Memphis and Silvertown and the north and south gap between Turkey and Clarendon.

Farmer said the chamber of commerce will continue to push for a continuous number on the east-west highway across Texas and for eventual designation of

the route through Oklahoma and Texas as a US highway.

Mr. and Mrs. T. L. Calloway of Floydada were visitors in the home of Mr. and Mrs. Bob Smith Sunday.

Misses Betty and Rita Johnson, daughters of Mr. and Mrs. Ike Johnson, returned home Tuesday from Fort Worth where they had visited an uncle and aunt. Mr. and Mrs. C. B. Kenand for eventual designation of

SOCIETY

Lynda Abbott Is Party Honoree

Mrs. N. S. Abbott honored her daughter, Lynda with a party on her sixth birthday Monday, July 12 from 2 to 4 o'clock at their home.

Games were directed by Margaret Schacht. Refreshments of ice cream and cake were served to Carol Ann Howell, Annell Ashton, Sandra Huggins, Sherileen, Carolyn and Jerry Race, B. H. Tom Hays, Dale Brown, Byron Schacht, Margaret Schacht, Stanley, Barton and Lynda Abbott and Mrs. Shirley Race.

Seeing a gift but unable to attend was David Mitchell.

After the party the children all attended Sunbeam meeting at the Baptist church.

GO TO SAN ANTONIO

Mrs. Quentin Adams and children, Jennie and Milton left Wednesday for San Antonio where they will attend the 50th wedding anniversary celebration for Mr. and Mrs. A. H. Harrell on July 24. Mr. and Mrs. Harrell are foster parents of Mrs. Adams. Mrs. Adams and the children plan to return home Monday.

Arleta Orr Becomes Bride Of C. B. Smart

Miss Arleta Orr, daughter of Mrs. Bobby Clyde Beck of Roswell, New Mexico and J. D. Orr of Purdy, Missouri, became the bride of C. B. Smart, son of Mr. and Mrs. Charley B. Smart of Lockney on Sunday afternoon, July 4 at 3:30 in the home of the bride's mother.

Rev. Arthur A. DuLaney, pastor of the First Baptist Church, Roswell, read the double ring ceremony before an improvised altar decorated with arrangements of white gladioli, daisies, greenery and candles.

Entering on the arm of her step-father, Bobby Clyde Beck who gave her in marriage, the bride was attractive in a street length dress fashioned of linen and lace. She carried a white Bible topped with pink rose buds. For something old and borrowed the bride carried a letter written in 1859 to her great-great-grandmother. Something blue was a handkerchief.

Miss Nelda Stevenson of Roswell attended as bridesmaid. She was dressed in pink organdy with white accessories.

Bill Van Winkle of Roswell served the bridegroom as best man.

Following the ceremony a reception was held in the Beck home.

After a wedding trip into Missouri the couple is at home in Fort Sill, Oklahoma where the groom is stationed with the U. S. Army.

The bride who is a granddaughter of Mr. and Mrs. J. D. Orr, Sr. of Lockney and Mr. and Mrs. John McDonald of Plainview, attended Lockney elementary school and graduated from Tulla High School in 1953. At the time of her marriage she was employed as a telephone operator in Roswell.

The bridegroom graduated from Lockney High School in 1953 and attended Oregon University at Monmouth, Oregon. He was employed at the Army Air Base in Roswell, New Mexico before entering the service. He received his basic training at Fort Bliss, El Paso before being transferred to Fort Sill, Oklahoma.

Attending the wedding from Lockney were the bridegroom's parents, his sister, Mrs. Bill Woody of Houston who has been visiting here, Mrs. Dwight Jackson and Keith from Plainview were Mrs. John McDonald and Mrs. Mancel McWilliams and daughters. Other out-of-state guests registered from New Jersey and Iowa.

Mrs. Sid Thomas Is Coffee Honoree

Mrs. Sid Thomas was surprised Sunday morning by members of the Gleaners Sunday School class when she was named honoree for a coffee on the occasion of her 28th wedding anniversary. The refreshment table was covered with a white cloth and centered with an arrangement of flowers flanked by colonial figurines.

Attending were Meses, Joe Beeves, V. H. Kellison, F. U. Payne, Grover Dils, M. E. Slipp, J. B. Cumbie, F. M. Smith, Ben McGhee, O. C. Bailey, Arthur Brown, Derrell Wood.

Mrs. Ben McGhee gave the invocation and Mrs. F. M. Smith brought the devotional. Mrs. Thomas was presented with a copper and mahogany planter.

John Brown was hanged in Charlestown, Virginia.

Industries Recognize Chiropractic—News

An increasing number of business and industrial organizations are providing emergency services for their employees according to a recent study by the Chiropractic Society of the West. The study, conducted by the Board of Industrial Training and the United States Public Health Service, shows that full recognition of chiropractic certificates for the payment of benefits for lost work days is being granted.

A survey has shown, the study says, that 41 percent of the companies surveyed recognize chiropractic. This has proved most informative regarding the efficiency of chiropractic and its value to industry. The study of 476 lower back cases showed that each workman had an average of 12.2 days lost work when treated with chiro-

practic while in other types treatment the lost time average was much longer.

Lifting or falling was responsible for 81 percent of the injuries sustained. The average patient lost 10.8 days of work before going to a chiropractor and 7.8 days before he was able to return to work. Yet the patient who reported to a chiropractor on the same day of injury lost only 7.2 days work and 86 percent showed complete recovery.

Over 100 firms are now making payments for chiropractic care as well as other types of care. The news included:

A part of the safety program at every firm should be adequate liability insurance to protect the farmer against the legal risk resulting from injury or death to another person.

That's right, it means bigger than average. It's the size of chicks that get Ren-O-Sal in the drinking water. Baby chicks started on Ren-O-Sal soon become "king sized." Growing birds that continue to get Ren-O-Sal stay "king sized." Maturity is reached sooner. This means earlier production or marketing and "king sized" profits. Forecast Is Drier And Warmer

If you think it has been dry and warm lately look at this forecast: drier and warmer. Local weather observer Joe Holt says there isn't any let up in sight now. Hottest day of the past week was Tuesday when the thermometer hit 101. Minimum for the week has been 72. How's your air conditioner working?

TO SOUTH TEXAS

Mr. and Mrs. Joe Wilson and Lavena accompanied Kenneth Sams to the Lion's Crippled Children's camp at Kerrville Sunday. Kenneth will stay there until July 31. Carl Blair also made the trip and is spending this week in Edinburg, Texas. After a visit to points in South Texas Mr. and Mrs. Wilson plan to return Thursday.

Be Careful In Marking Ballot

Voters are urged by County Democratic Chairman Ben Ayres to be careful in marking their ballots. The new method of voting, wherein the voter marks an x in the box in front of the candidates name he wishes to vote for has confused some people, he said, and causes additional work for election officials.

There are still two methods of voting as follows:

1. You may still vote for a candidate by marking or scratching out the names of all other candidates for the same office, leaving clear the name of the candidate for whom you wish to vote.
2. You may vote for a candidate by placing an x in the box in front of the candidates name. Be sure to place an x in the box in front of the names of all candidates for whom you wish to vote, whether opposed or unopposed. If you do not place an x in the box in front of the name of the unopposed candidate you will not be voting for him if you use the box method of voting.
3. Do not use both methods. Vote either one way or the other and do not mix them.

Jimmy Willson Jr. Named Emergency Polio Drive Chrmn.

Jimmy Willson Jr., who was county chairman of the Floyd County March of Dimes drive last January, will head the emergency polio drive in this county August 18-31, county chapter officials said this week. Despite the fact that Americans contributed some \$55,000,000 last January to the March of Dimes it was some \$20,000,000 short of meeting the needs of the National Foundation including research, gamma globulin and vaccine tests, according to Basil O'Connor, president of NFID.

Floyd County did its part in the drive, raising some \$6500, but due to lower receipts from less fortunate areas of the country the total goal was short of needs. For this reason the emergency drive is necessary. While the emergency drive will not be as active as the January March of Dimes citizens of the county are asked to contribute what they can to the National Foundation so that the fight may continue on the dread disease.

Vote On Wheat Quotas Friday

Friday of this week is the date set for the vote on marketing quotas for the 1955 wheat crop. Three voting issues will be in operation in Floyd County, one at Lockney, one at Floydada and the third at Cedar Falls will be open from 8 a. m. until 7 p. m.

At Lockney, the voting box will be at The Beacon Office with Chester Mitchell, C. H. Schacht and V. H. Kellison in charge.

At Floydada the box will be at the ASC office with Ned Bradley, Chloma Williams and Earl Edwards in charge.

At Cedar Hill the box will be at the store with Walton Willson, Grigsby Milton Jr. and L. T. Woods in charge.

Acreage Reduced
The county's wheat acres has been reduced by order of Secretary Ezra Benson to 142,316 acres for 1955 which is a reduction of some 17,399 acres from the planted acreage of this year and off some 30,684 acres from the allotment of last year, all of which wasn't planted.

Individual wheat acreage allotments were mailed out last Friday and should be in the hands of farmers now, according to ASC office manager, H. I. Martin. The 142,316 acres allotted Floyd County is the smallest acreage this county has had in wheat during the past 10 years but is still larger by far than any other county's acreage in District 2 which comprises 19 counties in West Texas. Hale County received an acreage allotment of 76,926 and Crosby county 40,053.

Any person who shares in the wheat crop, either owner, landlord, tenant farmer, share-cropper, is eligible to vote in the referendum. Provisions have also been made for absentee voting.

If quotas are approved, two-thirds of the voting growers must favor them, producers who comply with their farm wheat acreage allotments may market all the wheat they produce in any way they choose. They will also be eligible for the full level of price support which is authorized for the 1955 crop. Producers who are subject to the marketing quotas, those with more than 15 acres of wheat, will lose their price support eligibility if they do not comply with their acreage allotments. They will also be subject to a marketing quota penalty on their excess wheat.

If quotas are disapproved, there will be no marketing quotas and no marketing penalties. Price supports would be 50 percent of parity for those who comply with their acreage allot-

ments—which will continue in effect even if quotas should be voted down.

Eligibility for price support, with or without marketing quotas will also require compliance with all crop allotments established for a farm in 1953. In addition, a "total acreage allotment" will be established for all farms where more than 10 acres are diverted from production of allotment crops. A producer will have to comply with the total acreage allotment if one is established for his farm, as well as with all individual crop allotments in order to be eligible for price support on any crop.

These cross-compliance provisions are designed to assure more balanced production, without shifting surplus problems from one crop to another.

Cook Rates Second In Insurance Sales

K. W. Cook of Lockney, who only recently became the local representative of Rural Life Insurance Co. here, stood second in the state in production the past month, according to a letter he received from J. B. Pope of Dallas, president of the company. Mr. Pope said, "Congratulations on your unusually fine job of selling. You are now second highest in the state in production and crowding the No. 1 man."

Cook has been attending insurance schools a part of the time but is now through with those for the present and will spend all his time here.

7 Fines Assessed In County Court

Judge Ralph C. Johnston assessed seven fines in county court at Floydada Monday, most of them for drunkenness or sale of intoxicants.

Clyton Earl Williams, charged with drunkenness, was fined \$14.20.

Earl White, charged with drunkenness, was fined \$14.20.

Lennie C. White, charged with drunkenness, was fined \$14.20.

Douglas Chambers Jr. charged with drunkenness and theft of beer, was fined \$38.20.

Henry C. White, charged with transporting beer, was fined \$122.20.

Erwin Johnson, charged with possession of beer, wine and liquor was fined \$372.20.

Sterling Browder, charged with transporting beer and wine, was fined \$172.20.

Clarence Davis, charged with transporting beer, pleaded not guilty and his bond was set at \$1,000.

Floyd Hickman, charged with possession of beer and gin, pleaded not guilty and his bond was set at \$1,000.

Benny Chris Handley Gets Broken Leg

Benny Chris Handley, 6½-year old son of Mr. and Mrs. Joe Handley, suffered a broken leg late Tuesday afternoon when playing "tackle" with several older boys. The big bone was broken between the knee and ankle. He was rushed to the Medical and Surgical Hospital here where the broken bone was set but Wednesday the foot had started to twist and physicians were planning to put the leg in a traction, members of the family said.

TAKE WESTERN TRIP

Mr. and Mrs. Marvin Sams returned Sunday from a week's trip through Colorado and to Salt Lake City, Utah. They were accompanied by Mrs. Sams' aunt and niece, Mrs. C. G. Brown and Norma Faye Bonds, both of Plainview. Returning home with them for a visit was Lewis Leonard McCauley, a nephew of Mrs. Sams' from Ogden, Utah.

Texas Has Plenty Water; Problem Is How To Keep It

Austin. — Texas annually gets more than enough water in its streams but the problem is to find ways to conserve it and transport it where it's needed, Dr. Walter L. Moore of the University of Texas declares.

Approximately 63 million acre-feet of water are available each year in intra-state and bordering streams. Dr. Moore, a civil engineer and water-control expert, says in a report to the Southern Regional Council of State Governments.

Texans now use only 8.5 million acre-feet of water from streams and wells annually, he adds. Irrigation takes 51 per cent, manufacturing and industry, 30 per cent; municipal and domestic users, 7 per cent, and storage losses, 12 per cent.

Current Texas water demands — small as they are compared to the amount available—closely approach or exceed the maximum dependable supply from streams in present, undeveloped conditions, Dr. Moore says.

The 53rd Legislature enacted laws strengthening powers and effectiveness of the State Board of Water Engineers, primary agency controlling Texas water, he reports. The Legislature also established a nine-member water resources committee now working on a long-range plan for state-wide water conservation and development as a resource.

ATTEND REUNION

Leslie and Doc Floyd from Lockney, Frank Floyd from Shallowater and Mr. and Mrs. Arch Keys of Plainview were among the 75 relatives of the Floyd family who met at Chillicothe Sunday for a reunion at the Lion's Club.

The local people enjoyed seeing two cousins whom they had not seen since 1897. Old family records dating back as far as 1874 held a popular place in the days activity. Leslie Floyd regretted that he forgot to take a long family Bible 200 years old which had records of his mother's family, the Oliver's.

The power of money, and its influence upon men, is never better illustrated than when it is illustrated.
