

Chest Directors Vote "Go Ahead" Signal On Drive

The directors of the Floyd County United Chest organization voted to "go ahead" signal on the United Chest drive for this fall in a meeting at the Plains Theatre last Thursday evening. Some opposition had developed to the united fund movement because of the fact that the National Foundation for Infantile Paralysis would not agree to join in the drive. However after explanation of the National Foundations position by Edgar Hays, county chairman of the polio chapter, the group decided to continue their movement including several other charitable organizations who usually make fund drives in this county.

Hays explained that the National Foundation had a national policy of not entering community chest or red feather drives in any city or county. They derive their money from the annual March of Dimes in January and it is their desire to continue to handle their finances that way. The March of Dimes drive for funds for the treatment of polio victims and for experiments and research in connection with the disease is held in all cities and counties at the same time each year.

President Charlie Andrews of Alken presided over the meeting and about 20 people were present and entered into the discussion. Other organizations expected to come into the United Chest fund are Red Cross, Salvation Army, Cancer Fund, Boy Scouts, Girl Scouts, Heart Fund and possibly one or two others.

Floydada Man Is Killed In Crash

Floydada. — A young man who was to have been married Saturday became the South Plains' 66th traffic fatality shortly after dusk last Saturday.

He was Joe Mack Dunn, 20-year-old son of Mr. and Mrs. Joe Dunn of near Floydada, who is believed to have died instantly when his late model auto struck a culvert on the farm-to-market road about a mile west of the Sand Hill community and overturned about 7:30 p. m.

Young Dunn, who was engaged to marry Miss Betty Fran Montgomery of Matador next Saturday, was en route to his parents' home from the place he farmed near Sand Hill.

In addition to his parents, Dunn is survived by two sisters, Snowdrop, at home and Norma, a student at a Lubbock business college.

Funeral services were conducted at 2 p. m. Monday at the First Baptist Church with Dr. R. Earl Allen, pastor, officiating and assisted by Elder Ethridge Norman of the Primitive Baptist Church of Wellington. Burial was in the Floydada Cemetery under direction of Harmon Funeral Home of Floydada.

Nephew Of Alford Killed In Wreck

Larry Odell McCallum, 18, of Midland, was killed in a truck wreck Friday night of last week, October 8th near Del Rio. He was a nephew by marriage of Mrs. W. M. Alford of Lockney.

The accident happened about midnight and young McCallum died about 5 a. m. Saturday. He was a truck driver by profession. Funeral services were held Monday at the West Side Church of Christ in Duncan, Okla., with burial in the Duncan cemetery. Attending the services from this area were Mr. and Mrs. Alford and her mother, Mrs. Mary Davis of Floydada.

McCallum had visited here recently upon the occasion of the birthday of his grandmother, Mrs. Davis and The Beacon carried pictures showing five generations of the family which included him, his wife and their 9-month-old daughter, Frankie Janett.

Survivors include his wife, the little daughter, his parents, Mr. and Mrs. Coy McCallum of Midland, his grandparents, Mr. and Mrs. P. L. McCallum of Duncan, Okla., Mr. and Mrs. Alva K. Ellis of Duncan, Okla., Mrs. Mary Davis of Floydada; his parents-in-law, Mr. and Mrs. Frank Griggs of Midland, and numerous aunts, uncles and cousins.

Longhorns Play At Abernathy Friday Evening

The Lockney Longhorns will take on their traditional foe, the Abernathy Antelopes Friday evening of this week on the Abernathy field. The two teams were in the same district for several years and built up a rivalry which many fans still feel. Both now are playing AA football, however and are in different districts.

Abernathy has a pretty good team this year although not up to some of previous years, according to the season's scoring record. They did slip up on Floydada last week and defeated the Whirlwinds 20 to 13, which was considered somewhat of an upset in area football. They also defeated Dimmitt 6 to 0, a team that ran over the Longhorns.

However, Coach Rudy Haile said Tuesday night at the meeting of the Lockney Quarterback Club that the Longhorns would have a surprise or two in store for the Antelopes and he expected the game to be better than the Antelopes think it will.

The local coaches are still working hard on defense as well as changing up their offense pattern somewhat. Two backs who have been out with injuries for the past three weeks will be back in the harness this week. They are Paul Ray Williams and Bucky Duval. They will be sharing backfield duties with Cliff Hardy and Jerry Williams. Due to the absence of Quarterback Gene Handley, who is attending the National FFA Convention in Kansas City, that position will probably be filled for the most part by David Frizzell. Weldon Jones, the Longhorns' combination man, who fills any slot needed, will round out the backfield.

Offensive starters in the line will probably be Jerry Workman at center, Johnny Hamst and Dan Griffith at guards, Lonell Hays and Bennie Ballard at tackles, Jay Kemp and Doyle McAda at ends. On defense, Marlon Cross and Jimmy Rankin will be in the line up, of course.

J. W. Dippery, who has been doing a good job at the end position, will probably be kept out of the game by injuries. Coach Haile said.

Coach Haile is seeking to speed up his offense, he said this week, and hopes thereby to put more scoring punch into the Longhorns. Little Jerry Williams, weighing in at 105 pounds, brightened up the Longhorns prospects last week by his performance at Littlefield. He hit his holes quickly and gained consistently against the Wildcats. He made the only score made against Littlefield.

Quite a number of loyal Longhorn fans will follow the team to Abernathy for the Friday evening game. Game time is 8 o'clock.

B Squad And 8th Grade To Crosbyton

The B squad and 8th grade football teams will travel to Crosbyton tonight (Thursday) to play two football games against the Crosbyton teams. Both the B squad and 8th grade are in the habit of winning their games and they are expecting to continue that habit at Crosbyton. Both teams are in good shape.

The first game will probably start around 6:30 p. m. in order that there will be time for both games.

Fort Hood Will Play Tech "B" Team

The Fort Hood Tankers, Army football team from Fort Hood, Texas, will play the Texas Technological College "B" team in Jones Stadium at Lubbock on Friday evening, October 22. Joe Taylor, son of Mr. and Mrs. Jack Taylor and other boys from over the South Plains are playing on the Fort Hood team. Joe spent the week end here with his parents.

Mrs. Blake Wood, Bridget Ann, and Miss Edna Harrison of Plainview spent Wednesday visiting Mrs. Derrell Wood.

Layman's Day At Methodist Church

It will be Layman's Day at the Lockney Methodist Church next Sunday and laymen will fill the pulpit both Sunday morning and Sunday evening. At the Sunday morning service, Laxon Johnson will be the speaker and at the Sunday evening service Ed Carter will speak, according to announcement this week by the pastor, Rev. Burgin Watkins. The morning service will be at 11 o'clock and the evening service at 7 o'clock.

Flower Show Is Moved To Barker Show Rooms Here

The annual flower show staged by the Lockney Garden Club will be held in the Lockney Auto Co. show rooms instead of the former Dykes Electric building. It was announced this week by Mrs. L. M. Honea, general chairman.

The show will be held Saturday of this week. It is an annual affair and always draws large numbers of entries in the various classes not only from members of the Garden Club but also from many non-member flower growers.

Entries must be brought to the show rooms between 8:30 a. m. and 10:00 a. m., show officials said. They must remain in place until 6 p. m. and must be removed by 6:30 p. m.

Six divisions are provided for in the rules, these being Division A Horticulture with 28 classes, Division B Arrangements with 14 classes, Division C Pot Plants with 2 classes, Division D Old Relics, Division E Men's Table, Division F Children's Table.

Missionaries To Speak Sunday

Two missionaries from the African country of Nigeria will have charge of Sunday morning and evening services at the First Baptist Church here and at the Aiken Baptist Church. They are Drs. Frank and Roberta Edwards home on furlough from Joinkrama, Nigeria. Dr. Frank Edwards is a dentist and Dr. Roberta Edwards is a staff doctor at Baptist Medical Center at that place and have had some thrilling experiences among the natives of Africa. They will show slides of the work in Joinkrama. Dr. Roberta will have charge of the morning worship service in Lockney while Dr. Frank has charge of services at Aiken. For the evening services Dr. Frank will be at the Lockney church and she will speak at Aiken.

These outstanding medical and evangelistic workers were camp missionaries this summer at Plains Baptist Assembly and will be remembered by the youth and their sponsors who attended. They brought some of the most stirring messages ever heard by the thousands of Baptist youths and adults who attend camp each year. "It is a rare privilege to have these two distinguished people as our guests." Rev. R. E. Wiley, pastor stated. The public is cordially invited to attend these Sunday services.

Local Girls Enter Twirling Contest

Loy O'Brien, Jean Wofford and Sunny Lawson, all of Lockney High School, entered the twirling contest staged by the National Baton Twirling Association at Chapman Field House in Lubbock last Saturday. Benni Dunn of Texas Tech was in charge of the contest and Ted Otis of Long Beach, Calif., and manager of a number of twirling schools, was judge.

Loy and Jean entered the junior girls division. Loy won second place in this division and Jean won fifth place. Each girl was given a medal. There were four divisions in the contest with 75 girls entering.

Meeting Here Will Hear Bond Issue Explained

A meeting to be held in the Plains Theatre here Tuesday evening of next week will hear discussions, pro and con, on the \$25,000 bond issue to be voted on by Floyd County people November 2.

The meeting is being sponsored by the Lockney Lions Club in order that people may be informed both ways on the bond issue, according to Joe Wilson, president.

Present to take part in the discussion will be County Judge Ralph Johnston, members of the Commissioners Court, Resident Highway Engineer James F. Potts and possibly officials of the Highway 70 association from Floydada. Parnell Powell is president of this organization.

The bond issue is proposed for the purpose of buying right-of-way for a four-lane highway through Floyd County east and west and also on the highway south from Floydada to the Cross county line. It also will be used to pay for right-of-way on a farm-to-market road in the east part of the county from Cedar Hill to Morley county line and one in the extreme north-eastern part of the county.

County Ginnings Pass 9,000 Mark

Ginnings in Floyd County have passed the 9,000 mark, according to a report from County Agent Bill Rodgers Wednesday morning. Mr. Rodgers said that his survey showed a total of 9,125 bales ginned in Floyd County.

North Floyd is leading the south part of the county slightly, with 5,069 bales ginned in the north part and 4,056 bales ginned in the south part.

The county's production is being estimated at around 75,000 bales this year compared to just about 100,000 last year. Mr. Rodgers said that the 75,000 estimate may be a little low but that he felt it was a safe figure.

The help situation regarding the cotton harvest is much better in this county this year than it was last, Mr. Rodgers pointed out, but there is still a need for more hands. He estimated that the county might use as many as 2,000 additional hands at this time.

Meanwhile the fair weather this week was just what is needed for the cotton harvest and hands have been going after the cotton early and late. Some gins are beginning to get a little behind during the day, an indication that the fall swing of harvest is just around the corner.

Dr. Hardy Called Into Navy Service

Dr. Gene Hardy, associated with Dr. W. J. Mangold on the staff of the Lockney General Hospital for the past 15 months, has been called into service with the U. S. Navy and will leave here Thursday night. Dr. Hardy has been in the Naval Reserve since his graduation from medical school.

He will report to the Corpus Christi Naval Air Base Monday where he will be inducted into the U. S. Naval Reserve Medical Corps with the rank of lieutenant (jg). Dr. and Mrs. Hardy and their children will spend the week end in Lubbock with her parents. The family will accompany him to Corpus Christi. The Corpus assignment is expected to be only temporary. Dr. Hardy said, and he expect to receive his permanent assignment soon.

Mr. and Mrs. Murray Julian Kendis and Bruce visited in the home of Dr. and Mrs. E. E. Johnson Sunday afternoon in Floydada.

MISS LEILA PETTY

Miss Leila Petty Gets National Award In Chicago

College Station, Oct. 13.—Today in Chicago Miss Leila S. Petty received the National Home Demonstration Agents Association Distinguished Service Award for 1954. Floyd county home demonstration agent since 1946, she is one of four Texas women to receive the award this year. Presentation was made to 62 home demonstration agents from 38 states, Hawaii and Puerto Rico climaxing the annual meeting of the National Home Demonstration Agents Association. The recognition luncheon was held in the Crystal Ballroom of the Blackstone Hotel.

An agent must have rendered outstanding service for a period of at least 10 years to the people with whom she works before she can be recognized.

Other Texas home demonstration agents honored this year are Miss Zelma Moore of Grayson county, Mrs. Beatrice Rubenstein of Brazoria county, and Mrs. Mildred Ellard of Martin and Glasscock counties.

Miss Petty works with 16 home demonstration clubs with a membership of 334, and 14 4-H clubs with a membership of 280 in Floyd County. She was county home demonstration agent in Castro County from 1943 to 1946. She more than doubled the number of home demonstration clubs while working in Castro County.

After teaching in the rural schools of Texas from 1925 to 1929, Miss Petty entered Texas State College for Women and received her degree in vocational home economics. Miss Petty has been a district director and the state secretary for the County Home Demonstration Agents Association of Texas. She has studied extensively in the clothing field, and is in demand for judging dress revues and county fairs. She has continued her studies at Colorado A. and M., the University of Arkansas and Texas Tech.

Miss Petty is a member of the Texas Agricultural Workers Association, Epsilon Sigma Phi, Kappa Delta Pi, Lockney Business and Professional Women's Club, 1934 Study Club, Community Concert Association, Plainview Knife and Fork Club. She has held offices in many of these organizations and was president of the Dimmitt Business and Professional Women's Club. An active worker in her church, she has been a Sunday school teacher.

Man Falls From Burr Hopper

Duane Tyson fell about 20 feet from the top of a cotton burr hopper at the Cassel gin in South Plains Tuesday morning but apparently he was not injured seriously. He was brought to the Medical and Surgical Hospital here in a Carter ambulance, where x-rays failed to reveal any broken bones.

Another worker also fell at the same time but managed to catch on the machine and did not fall to the ground.

TO ALBUQUERQUE

Mr. and Mrs. Bill Cox and family of Fort Worth came last week to visit his brother, Leslie Cox and family. Both families then went on to Albuquerque, N. M., where they spent the week end visiting another brother, Virgil Cox and family.

ANNUAL FLOYD COUNTY FARM BUREAU CONVENTION TUESDAY

The annual convention of the Floyd County Farm Bureau will be held Tuesday evening of next week in the form of a banquet. Place will be in the American Legion Hall in Floydada and the meeting will get under way at 7:00. Letters of invitation have been sent to all members and their wives, according to W. R. Puckett, service officer. A card was enclosed to be returned to the county office so that the number expected to attend would be known.

No special speaker is scheduled for the meeting but rather several different men will be used to explain and discuss the various resolutions to be considered. These will include resolutions on weed control, water conservation, recommendations for the 1956 farm program, social security for farmers. Resolutions to be adopted at this meeting will be forwarded to the state convention of Farm Bureau.

Probably one of the most important resolutions to be considered at the meeting is one concerning weed control. County Farm Bureau President Chester Carthel has drafted the resolution which deals with the matter on a state wide basis.

This resolution, which will be considered by the Floyd County convention, calls for the formation of a State Weed Control Board, with the Commissioner of Agriculture and other state officials serving as members, provides for travel pay and other compensation where necessary, and provides for regular meetings of the board.

Chief purpose of the resolution will be to formulate a weed control program for the state, determining the most practical means of preventing, eradicating and controlling dangerous and noxious weeds. The state board with the help of county boards shall determine what weeds are noxious and shall publish a list of same. They shall

Angus Breeders Seek To Organize

Breeders of Aberdeen Angus cattle will organize a Floyd County breeders association if plans started this week are completed. Seeking to start the organization work are Herman Thornton of Sterley, Don Bennett of Irick community, Ernest Tannahill of Prairie Chapel and Dean Walls of Floydada.

An advertisement run in the county papers this week asks breeders of Angus cattle to contact one of the four men if they are interested in organizing an association. Both registered and commercial breeders are included in the invitation, Mr. Thornton said.

If a sufficient number of breeders are interested a meeting will be called and officials of the state and national association of Angus breeders will be invited to attend and help with the organization.

Thieves Raid Several Places In County

Thieves have raided several business houses in the county within the past few days, members of the Floyd County Sheriff's department said Wednesday.

On Monday night of this week someone pruned back a window, reached in and opened a door to enter the Brunner Lumber Co. here. Nothing has been missed as yet, it was said.

On last Saturday night thieves broke into the Lunch Box Cafe at Floydada and made off with \$70.15 in money plus a small quantity of merchandise.

On Sunday night they broke into Martin & Co., implement dealers at Floydada and stole a small amount of cash, amounting to between \$3 and \$4. Also on Sunday night an attempt was made to break into a Phillips "66" Station on the Matador highway out of Floydada but the thieves failed to gain entrance.

formulate rules for the control of weeds, and shall be authorized to properly enforce its rules. The resolution also authorizes counties and towns to appropriate money for the weed control program and for the employment of persons to work at the job. The responsibility for roads and public lands shall be upon the political subdivisions usually responsible.

Provisions are also made for enforcement of the laws concerning the program and for the control of weeds on lands of persons who fail to comply with the weed control rules. Counties are given the option of setting up a weed control board.

Sale of grain seed containing any noxious weed seed is prohibited unless the grain is ground or otherwise destroyed so that it will not reproduce. Also the transportation of machinery used in grain harvest and similar uses is prohibited without permit.

Members of the Floyd County Farm Bureau met with directors of the High Plains Water Conservation district No. 1 in Floydada October 4 and with the same board in Olton on Oct. 5 to consider amendments to the constitution of the water district. Meeting with the water district directors were R. C. Mitchell, Robert Lee Smith, Mr. and Mrs. W. R. Puckett.

Some of the proposed amendments will be discussed at the county convention of Floyd County Farm Bureau.

Officers of the county organization are urging all members and their wives to be present and help in the formulating of resolutions to the state convention.

Kindergarten Pupils To Be On Television

The pupils of Mother Goose Kindergarten will present a program over Channel 13 KDUW television station at Lubbock on Friday of this week at 6 p. m. They will be the guests of Johnny Williams, "Community Crossroads."

Due to the short time allotted the numbers will be chiefly in groups; however, the pupils who are soon moving away will have individual parts. Parents are asked to have their children at the station by 5 p. m. so that they may report at 5:30.

The following pupils will have part in the TV broadcast: Joe Neil Greer, Lonnie Hardy, Linda Hodel, Dinah Hodel, Sandra Huggins, Rotanda Jefferson, Kay Porter, Jerry Shesapeake, Charlotte and Maureen Spence, Vicki Teuton, Vernon and Ralph Vincent, Bobby Whitaker, Jerry Glenn Morgan, Patricia Brauning, Tim Stansell, Susan Colley, Carol Gay Wiley, and Randy Alford. Mrs. Fred Huggins, music director and Mrs. Derrell Wood, teacher will also appear on the program.

A guest of the kindergarten pupils for the program will be little Bridget Ann Wood a 22½ months polio poster girl. She is the daughter of Mr. and Mrs. Blake Wood of Plainview and is one of 20 candidates for the state and national honors for 1954 poster girl. Bridget Ann will appear on the program with the Lockney children, Mrs. Wood said.

Farmers Cash Income Up For First 7 Months

Austin. — Texas farmers' cash income for the first seven months of 1954 was \$798,100,000, a rise of \$67,320, or 1 per cent over 1953.

Cash return on commodities remained fairly stable. Income from some crops increased significantly. Cotton income was up 35 per cent over 1953 figures. Peanuts income jumped 94 per cent. Appreciable gains also were made in grain sorghums, which climbed 12 per cent, and flaxseed, which edged upward 5

per cent.

Prices received in July by Texas farmers changed little from June levels. Minor gains in some commodities offset losses in others. July prices were 5 per cent below July, 1953.

Lost rushing	10	2
Passes attempted	17	8
Passes completed	7	3
Yards passing	104	116
Interceptions by	1	2
Yards penalties	25	80
Fumbles lost	2	2

The Lockney Longhorns, showing new offensive power and hustle, still lost the ball game to the Littlefield Wildcats last Friday night at Littlefield 39-7.

Longhorn Coach Rudy Haile uncovered a couple of new offensive threats, some new plays and the game might have been close if the Longhorns defensive play had been better. As it was the Longhorns showed improvement and local fans felt encouraged over that fact.

Big Jimmy Rankin, a tackle up to this point, dropped into the backfield and did some nice running for the Longhorns during the first half while in the last half little Jerry Williams, a total of 105 pounds soaking wet, picked up several first downs and finally drove over for the Longhorns lone score. Williams was running from the fullback slot and picked up yardage on quick opener plays through the line.

Quarterback Gene Handley handled the ball well and did some good passing. He completed 7 of 17 for a total of 104 yards, the most passing the Longhorns have done all season. Defensive standouts were Weldon Jones, Marion Cross, Rankin, and J. W. Dippery. Jones, Dippery and Rankin were on the receiving end of several passes also.

For the Wildcats the Longhorns had trouble stopping Milton Vaughn and Keith Davis, both shifty backfield men who had plenty of blocking to help them along.

Here's the game in brief: Littlefield: Received, returned kick to 35, penalized 5, made 5, made 5, Keith Davis skirted left end, cut back and crossed the goal, 60 yard run. Kick not good, score 6-0.

Lockney: Returned kick to 35,

made 3 on spread formation, tried flat zone pass, fumbled. Littlefield recovered on Lockney 34.

Littlefield: First down on 19, penalized 5, pass incomplete, made 2, penalized 5, pass first down on 5, penalized 15, made 5, Doyle Crouch batted down end zone pass, pass incomplete, Lockney ball on 15.

Lockney: Made 5, Littlefield penalized 15 to first on 37, flat zone pass fumbled and lost 9, made 5, pass Handley to Rankin 6, kick to Littlefield 26.

Littlefield: Milton Vaughn took the ball all the way but clipping penalty against Littlefield brought it back to Littlefield 20. Made 6, Vaughn 74 yards to touchdown, Kick good. Score 13-0.

Lockney: Hardy returned ball to 31. Made 2, pass incomplete, made 2, Kick to Milton Vaughn who ran all the way back to the Lockney 8 where Rankin smeared him.

Littlefield: Made 8 and score. Kick no good. Score 19-0.

Lockney: Returned kick to 22, made 5, Rankin ran to first on 33, made 0, Rankin to 1st on 46, made 3 and 6 and Rankin carried to the Littlefield 43. Littlefield penalized 5, Rankin ran to 27 for first down. Made 4, made 3, lost 1, pass incomplete Littlefield ball on 22.

Littlefield: Ran to first on 37, lateral carried to first on Lockney 27, pass incomplete, a screen pass was intercepted by Longhorn Lloyd Williams and returned to Lockney 44.

Lockney: Made 2, pass Handley to Rankin 4, pass Handley to Jones first down nullified by 15 yard penalty against Longhorns. Kick out on Lockney 46.

Littlefield: Flat zone pass for touchdown, Point kicked, score 26-0.

Lockney: Return kick to 23, penalized 5, attempted pass intercepted by Vaughn and returned for touchdown. Point no good. Score 32-0.

Lockney: Littlefield penalized 15 on kick-off, Lockney returned the kick to the 35. Half time.

Third quarter: Lockney: Received and returned kick to 30. Made 2, fumble gave Littlefield ball on 34.

Littlefield: Fumble gave Lockney ball on 34.

Lockney: Made 3, made 4, and then 1st down on 45, made 1st down on Littlefield 44 in three plays, first on 32 in four plays, pass Handley to J. W. Dippery 1st on 19, pass intercepted by Littlefield on 5.

Littlefield: Made 8, first on 16, first on 30, made 1, nothing, lost 2 and kicked to Lockney 35.

Floydada Slates Annual Pony Show And Parade

Floydada — The 1954 Shetland Pony Show and Santa Claus Parade has been set for Nov. 26. The show, which is becoming an annual event, will open Christmas activities in Floydada.

The date for the event was set this week by the Retail Trades Committee of the Chamber of Commerce, according to George Bickley, chairman of the committee. Other members of the committee are John Reue, W. O. Baker, Wallace King and Walton

Hale.

This year's show will follow the pattern of last year's, with trophies and ribbons being awarded to Shetland pony winners in at least five divisions.

The Santa Claus Parade, featuring local and neighboring bands and floats of civic and social organizations, will highlight the Gay's event. Other special events are being planned to round out a full day of entertainment and will be announced as plans are complete. Bickley says.

Loans For Water Facilities To Be Insured By Gov't
 College Station. — A new type credit for financing soil conservation measures will be available to farmers through a recent amendment to the Water Facilities Act. In addition, loans to develop irrigation systems and farmstead water supplies, previously limited to 17 states, are extended to the rest of the nation.

The loan services will be available from the Farmers Home Administration. Applications must be made to FHA county officers.

An outstanding feature of the law is provision for insuring loans made by private lenders. Where insured loans from private sources are not available for approved projects, some direct government loans will be made.

Interest rates for insured loans from private sources will be four percent a year on the unpaid principal, plus an annual loan insurance of one percent. Direct loan interest will be five percent.

Loans can be used, under the amendment, to pay costs of materials, equipment and services directly related to the application or establishment of soil and water conservation practices, water facilities or drainage. This may include such things as construction or repair of terraces, dikes and ponds, pasture improvement, basic application of lime and fertilizers, and tree planting. Water facilities that can be financed with these loans include tanks, cisterns, wells, pumping and irrigation equipment and similar facilities.

Eligibility for loans under this new legislation will be passed upon by the local three member county committee of the FIA. Loans will be made only for the types of soil and water conservation practices recommended by the Extension Service, Soil Conservation Service and other agricultural agencies. No loans can be made for annually recurring costs that generally are considered as farm operating costs.

Mrs. Thomas Rites Slated At Floydada
 Floydada. — Funeral services for Mrs. J. J. Thomas, 79, a pioneer Floydada resident who moved to Floyd County in 1909, were held at 4 p. m. Saturday in the Wall Street Church of Christ here with Elder Ohmer W. Kirk officiating.

Mrs. Thomas, who had been ill for a number of years, died about 1:30 p. m. Friday at her home here.

Survivors include her husband, four stepsons, J. A. Freeman of Clovis, Hanev Freeman of Lincoln, Ark., R. W. Freeman, Tahlequa, Okla., and Jim Thomas, Abilene; four stepdaughters, Mrs. Frank Probasco, Floydada, and Mrs. W. H. Pennel, Mrs. May Glidewell and Mrs. O. E. Glidewell, all of Lincoln, Ark.; three sisters, Mrs. Wess Holloway, Mrs. John Bateman and Mrs. Cora Tesh, all of Watts, Okla.; and a brother, Albert Eaton of Arizona.

Burial was in Floydada Cemetery under direction of Harmon Funeral Home.

1954 Ag. Census Begins This Month
 College Station. — When a stranger walks up to your farm this month, act kindly, sir, he may be a census taker.

The Bureau of Census this month begins its 1954 Census of Agriculture and each Texas farmer will answer about 100 questions regarding their land, crops, livestock, farming methods, expenses, labor and equipment.

Robert W. Burgess, bureau director, reports it will require 30,000 enumerators to check the more than 800,000 farms and ranches in the United States. And it will be done during October and November.

After the enumeration is complete, the Bureau will total the figures and release them. It keeps individual farms' and farmers' secrets by releasing only totals for a county or larger areas.

The census taking commenced October 4 in the High Plains counties and in the citrus belt of extreme south Texas. Enumerators will begin asking questions on the Edwards Plateau October 18 and on the Rio Grande Plains October 25. The canvass of east, central and far west Texas farms will start November 3.

"The 1954 census will collect information from every farmer in the United States, make it

available as totals to the public — and keep secrets of individual farms and farmers at the same time," Burgess says.

Since 1920, an agricultural census has been taken every five years.

HATS OFF TO LOCKNEY OILMEN

This week we are glad to join oilmen everywhere in observing Oil Progress Week. We think it's a good time to take our hats off to America's oilmen for their continuous, faithful service to all of us.

As part of a service-conscious, competitive industry, they are proving daily that your progress and Oil Progress go hand in hand. Today you can actually measure that progress by improved gasolines that power your car, more efficient fuels for home heating and hundreds of other oil products that make living more comfortable every day.

We'd like to point out that by serving you and the nation so well, America's oilmen have actually made every week of the year Oil Progress Week.

South Plains
by Mrs. Murray Julian

Farmers have been kept out of the cotton and grain fields for almost a week as last Tuesday night the rain amounted to about an inch in this vicinity. In most of our community the fall was around one half an inch, however. After the warm days of summer, the cold days of last week reminded us that winter is not far away.

Sunday night at BTU meeting Junior Calahan showed the religious film, "Go Forth" after the classes were over. A good crowd was present at Sunday School and for BTU services. Rev. R. C. Hodges from Plainview will be present at prayer meeting on Wednesday night after which the auxiliaries will meet.

Mr. and Mrs. L. T. Wood went to visit her sister, Mr. and Mrs. Buster Dunham and boys who live at Dimmit on Sunday.

We wish to state that we have a new postmaster at South Plains. Nina Upton was checked in as acting postmaster Friday, October 1 by Inspector A. W.

Paffmiller from Amarillo. Olyn C. Guest, now of Silverton was the former postmaster.

Rene Years and son, Jack, will leave early this Tuesday morning for Montrose, Colo. where they plan to spend several days enjoying some deer hunting.

Alex Davenport from Boulder, Colo. is coming Monday night to spend some time at his farm with his son, Mr. and Mrs. Loyd Davenport and family. Mr. and Mrs. Hodge and daughter, Esther from Denver are coming Thursday to spend the week end here then Mrs. Davenport is leaving for Boulder where she will spend the next week caring for her father, Newton Baird who has been very ill.

C. R. Haggard arrived home Thursday of last week after spending three weeks on a vacation trip which took him to Stockton and Healdsburg, Calif. and up into Oregon to visit a sister.

Mrs. Sim Reeves was a visitor Saturday in the home of her sister, Mrs. Weldon Wilson of Fairview. Sunday afternoon visitors in the Sim Reeves home were Mr. and Mrs. Walter Wood and Mr. and Mrs. Bill Beedy.

Mrs. Kenneth Bean was hostess at a Stanley party at her home Tuesday morning, Oct. 5. Mrs. Nell McClung from Floydada showed the products and helped the guests with games and other diversions. Mrs. Bean served refreshments to Mrs. Phillip Smitherman, John Key West, John Smitherman and Albert Stewart and to Mrs. McClung.

The Cub Scouts held their pack meeting at the school house Thursday night. Pack No. 61 with dens 1 and 2 were present with their sponsors. Mrs. Loyd Davenport and Arby Mulder and other officers. The Gold Rush

was the theme for September and the boys had accomplished many nice things during the month.

Bruce Julian celebrated his tenth birthday at the home of his parents, Mr. and Mrs. Murray Julian Saturday, Oct. 9. Guests who spent the day with him and helped him enjoy his birthday dinner and cake and ice cream during the afternoon were Bud Higginbotham and Gary Wilson.

The talent show given at South Plains Tuesday night, Oct. 5 was well attended and enjoyed by everyone present. Talent was varied with piano solos, tap dancing, guitar, singing, violin, quartettes, accordion and many other types. In the junior division first place went to 4 tap dancers from Lockney, Tony Webster, Marcia McClelland, Cheri Chatham, Linda Carter. 2nd place went to Addie Atkins with a reading; 3rd place went to a junior boy from Balls with a guitar solo.

In the high school division, Louise Pritchett won with a piano selection; 2nd place went to tap dancers, Patsy Ashton and Jimmie Holt from Lockney and 3rd place went to Kendis Julian with his song, "In the Chapel in the Moonlight." In the adult division 1st place was won by Martha Sanders with a violin solo; 2nd place went to the Lone Star Quartette and 3rd place went to Johnny Wilson with his playing of "Down Yonder." Proceeds from the talent show will go toward the purchasing of a piano for the music in the auditorium at the school.

Mr. and Mrs. George West had as their guests from Friday until Sunday Mr. and Mrs. E. T. Evans and children, Amarillo, and on Monday Mr. and Mrs. Robt. Lee Smith and children from Sterley spent the day with them.

Mr. and Mrs. Roy Childress visited in the home of Mr. and Mrs. Grigsby Milton and girls Saturday night, Monday evening Mrs. R. E. Young and Peggy from Lockney and Mr. and Mrs. O. T. Hewitt were visiting with them.

Installation of officers was held at the South Plains W.M.U. Wednesday with Lone Star W.M.U. joining in the services which were read by Mrs. Ruth Moss from Venezuela, missionary home on a furlough with her mother, Mrs. W. R. Jordan from Floydada. Mrs. Moss installed the following ladies at South Plains, Mrs. Dock Jones, Sim Reeves, Shelby Calahan, Frank McClure, H. L. Marble, Grigsby Milton, H. S. Calahan Jr. and visitor Early Pritchett. From Lone Star, Mrs. J. L. King, Raymond Teeple, W. T. Rankin, Hoyt Hodges and J. L. Lovvorn. Johnny West, son of Mr. and

Mrs. J. K. West was chosen a delegate to go to the Kansas City National FFA meeting which is being held there this week. He left Amarillo Sunday by train and will start home Friday. We are happy he won this honor from the FFA chapter of FFA.

Another of our boys, Elmo Fortenberry, son of Mr. and Mrs. Fred Fortenberry left this Tuesday morning to join the armed forces. He will go to the California coast where he will be in training with the U. S. Navy having volunteered for that duty.

NOTICE OF ELECTION FOR THE RE-ALLOCATION OF COUNTY TAXES

THE STATE OF TEXAS
COUNTY OF FLOYD
To the Resident Qualified Tax-paying Voters of Floyd County, Texas:

TAKE NOTICE that an election will be held on the 2nd day of November, 1954, in said County, in obedience to an order duly entered by the Commissioners Court on the 24 day of September, 1954, which is as follows:

On this the 24 day of September, 1954, the Commissioners Court of Floyd County, Texas, convened in Special session, at the regular meeting place there of in the Courthouse at Floydada, Texas, with the following members of the Court, to-wit:

Ralph C. Johnston, County Judge, J. K. Holmes, Commissioner Precinct No. 1, W. H. Counts, Commissioner Precinct No. 2, W. C. Plumlee, Commissioner Precinct No. 3, P. L. Hart, Commissioner Precinct No. 4, being present, and, among other proceedings had by the Court were the following:

Commissioner W. H. Counts introduced an order and moved its adoption. The motion was seconded by Commissioner P. L. Hart. The motion, carrying with it the adoption of the order, prevailed by the following vote:

AYES: Commissioners J. K. Holmes, W. H. Counts, W. C. Plumlee, P. L. Hart.

NOES: Commissioners None.

The order is as follows:

WHEREAS, at the general election held throughout the State of Texas on November 7, 1944, the qualified electors of the State, voting on the proposition, approved the amendment to Section 9, of Article 8, of the Texas Constitution, which amendment provides that the Commissioners Court in any county may re-allocate the county tax levies authorized in said Section 9 of Article 8, by changing the rates provided for any of the purposes authorized in said Section 9, either increasing or decreasing the same, but in no event shall the total of such taxes exceed eighty (80) cents on the one hundred dollars valuation for any one year, provided that before the Commissioners Court may make such re-allocations and changes in such levies the same shall be submitted to the qualified property taxpaying voters of such county at a general or special election; and in event such re-allocations and changes are approved by a majority of the qualified property taxpaying voters of any such county, such re-allocations and changes shall remain in force and effect for a period of six (6) years from the date of the election at which same shall have been approved, unless the same again shall have been changed by a majority of the qualified property taxpaying voters of such county, voting on the proposition; and

WHEREAS, the Commissioners Court of Floyd County, Texas, deems it advisable and in the best interest of said County to

re-allocate the county taxes authorized to be levied annually by Section 9, Article 8, of the Constitution, by changing the rates in respect to certain county taxes as herein provided;

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF FLOYD COUNTY, TEXAS:

That a special election be held in said County on the 2nd day of November, 1954, which is not less than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified property taxpaying voters, who own taxable property in said County and who have duly rendered the same for taxation, for their action thereupon:

"Shall the Commissioners Court of Floyd County, Texas, be authorized to levy and collect in each year for a period of six (6) years from the date of said election, county taxes as follows: Not exceeding thirty-five Cents (.35c) on the \$100.00 valuation, in any one year, for County purposes;

Not exceeding twenty cents (.20c) on the \$100.00 valuation, in any one year, for roads and bridges;

Not exceeding five Cents (.05c) on the \$100.00 valuation, in any one year, to supplement the jury fund of the County; and

Not exceeding twenty Cents (.20c) on the \$100.00 valuation, in any one year, for the erection of public buildings and other permanent improvements."

In the event that the annual levy of a tax not exceeding fifteen (15c) cents on the one hundred dollars valuation for the further maintenance of the public roads of said County has heretofore been, or shall hereafter be, authorized by a majority of the qualified property taxpaying voters of the County, voting at an election held for that purpose, nothing herein shall be construed as rescinding or in any manner affecting the power and authority of the Commissioners Court to levy and to continue to levy said tax.

The said election shall be held under the provisions of the Constitution and laws of the State of Texas, particularly amended Section 9, of Article 8, of the Constitution, and Section 3a, Article 6, of the Constitution, and all persons who are legally qualified voters of said County, and who are resident property taxpaying voters who own taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election.

The ballots for said election shall have written or printed thereon the following: "FOR RE-ALLOCATION OF COUNTY TAXES." "AGAINST RE-ALLOCATION OF COUNTY TAXES."

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote.

The polling places and presiding officers of said election shall be respectively as follows:

Harmony Girl Is Winner Of State Fair Award

Miss Sherry Ramsey, member of the Harmony 4-H Club, is one of the State Fair Award winners for 1954. One 4-H Club girl and one 4-H Club boy from each of the 12 Extension districts in the state are chosen for this honor. Winners are chosen by competition in the district and must have outstanding records to win.

Sherry's outstanding work has been on her Safety demonstrations. She has given Junior Leadership in the Harmony 4-H Club where a community safety survey was made. She has given safety demonstrations in her own 4-H club and in the Plainsville Business and Professional Women's Club. With her sister, Melba Jo, she gave six demonstrations this year in Home Demonstration Clubs. They were winners in the district 4-H Contest on their safety demonstration and competed in the state contest at the 4-H Round-Up at College Station. Sherry was county and district winner in Home improvement in 1952 while she was a member of the Pleasanton 4-H Club. She also won the county Farm and Home Electric medal that year. During that

time she was president of her club.

Other 4-H projects include canning, freezing, sewing, Dress Revue, gardening, food preparation and landscaping.

Sherry is also an outstanding member of her school and community. She attends her community church and helps in vacation Bible School. In school she has been a member of the Grade School Chorus, Pep Squad, Band, Class Secretary, basketball and volleyball teams, etc. Last year she received the "Home Making" and "Most Promising Scholar" medals in the Pleasanton High School. This year she is vice president of the Student Council in her school where she is a member of the Junior Class.

Winners of the State Fair Award, along with their parents and Extension Agents, will be guests of the State Fair Awards Banquet at the Adolphus Hotel in Dallas October 15. They will also be guests of the State Fair on Rural Youth Day, October 16.

Sherry's parents, Mr. and Mrs. Sherwood Ramsey, will accompany her to Dallas, as will Miss Leila Petty, County Home Demonstration Agent, Jerry Crain of Lynn County was winner for the 4-H club boys in District 2 and will attend with his parents and County Agricultural Agent.

New Benefits For Families Of Social Security Workers

The 1954 Amendments to the Social Security Act contain a special provision for the families of workers who died before September 1, 1950, according to John G. Hutton, manager of the Social Security District Office in Lubbock.

Mr. Hutton stated this week that in many cases the survivors of these deceased breadwinners could not get Social Security benefits because the worker had not been under Social Security long enough to be considered fully insured under the old law. With the new law, the worker who died after 1939, but before September 1, 1950, is considered fully insured if he had at least six quarters of work under Social Security. On these cases, there will be many survivors who may now make application for benefits beginning with September, 1954.

For the most part, benefits may now be payable to widows over 65 years of age or to widows under 65 who have children under age 18 in their care. Application must be made for benefits to be payable.

If you have questions concerning these or other provisions,

CARD OF THANKS

To all the kind and thoughtful friends who have been so helpful to us during the illness and death of our loved one and brother, W. H. Hodges, we wish to express our sincere gratitude. Words are not adequate to tell our full appreciation but we shall always be humbly grateful. We will always remember every act of kindness, each word, card, the beautiful flowers and every thoughtful service. May we be

more worthy of such a friendship. Such spontaneous acts can only be a manifestation of God's love. May He bless and reward each of you as our prayer.
Mr. and Mrs. Hoyette Hodges.

Wilma June Cooper Weds, Albuquerque

The marriage of Miss Wilma June Cooper, daughter of Mr. and Mrs. J. E. Cooper of Ruidoso, New Mexico, and Robert David Van Meter of Gallup, New Mexico, was solemnized Saturday evening in Central Methodist Church in Albuquerque, New Mexico. White gladioli and chrysanthemums formed the background for the impressive ceremony. Selections of wedding music were provided by Mrs. Louise Spahr, organist and Mrs. James Holdman and Mrs. M. Holmes, soloists. The bride was given in marriage by her brother, Glen R. Cooper of Lockney. She was dressed in a gown of white lace over white organdy and a matching face veil. She carried a bouquet of carnations and orchids. Miss Jeanette Tatch, maid of

honor, wore a powder blue gown of lace and organdy and carried a bouquet of red roses. Matthew Welch was best man, and usher was Ted Klein. Guests included the bride's sister, Mrs. Anne Mills of Amarillo, and her brother, Glen Cooper and family from Lockney. After a wedding trip to Grand Canyon, Arizona, the couple will be at home in Albuquerque, New Mexico. Mrs. Meter has a number of relatives and friends in this area.

Canoeing And Row Boating Will Be Taught

Included in this year's budget for the South Plains Council, Boy Scouts of America, are funds for providing equipment to teach canoeing and row boating, according to Joe T. Salem, Council President.

"Since no organization is teaching canoeing and row boating, the Executive Board of the Council has decided to set up adequate camps for the purpose of teaching Scouts and Explorers how to handle canoes and row boats properly and safely," he said.

The proposed budget includes \$2,000 for the purchase of 8 canoes and 8 row boats. They will be made of aluminum, and trailers will be built so that these facilities will be portable and aquatic camps can be set up wherever sufficient water is readily available.

"Certainly every boy must know his swimming and life saving, canoeing and row boating in order to take care of himself and others under all circumstances," Salem said.

The drive for funds for operating the 20-county South Plains Council will be conducted during the months of October and November. W. R. Sewell of Lubbock is chairman of the Council's Finance Committee.

CARD OF THANKS

I wish to express my sincere appreciation to the many friends who visited me during my recent illness and to extend my thanks to you for the many cards and lovely flowers you sent me. To Dr. Mangold and the hospital staff I wish to thank you for the many kind deeds and for your thoughtfulness while I was in your hospital. Mrs. France Carthel.

Mrs. Edgar Musser spent last week at Groom visiting her mother, Mrs. J. E. Smith. Mr. Musser and the children, Bill, Faye, Aileen and Tommy came to spend the week end and to accompany Mrs. Musser and her mother to Lockney. Mrs. Smith has moved here to make her home with the Musser family.

Farm Exports Are Up From Last Year

College Station. — Farm exports from the U. S. were 36 percent higher in June than in the same month last year.

It brought to \$2,632,000,000 the value of farm products shipped abroad for the year ending with June, says John G. McHaney, extension economist. This was four percent above last year.

Lower foreign stocks and higher competitive prices stimulated cotton exports which exceeded the level of a year earlier by a substantial margin. Cotton's large gain in the last half of 1953-54 was a primary factor in the increase for the year in total shipments.

Another bolstering factor were large shipments of peanuts, raisins, cottonseed oil, linseed oil and flaxseed. Lard and tallow also gained.

The rising trend of wheat exports in the two previous months did not carry into June, however. Corn shipments dropped and June's rice exports were substantially under last year's. Tobacco shipments were seasonally low and a smaller summer orange crop limited exports of that fruit.

Slavery was abolished in the U. S. by the 13th Amendment to the constitution in 1865.

Insects Destroy \$62 Million Of Cotton

College Station. — Cotton insects last year destroyed more than \$62 million worth of lint and cotton seed in Texas. They are busy now and coupled with dry weather could make the 1954 crop an expensive one.

Last year's loss amounted to an estimated 342,600 bales of lint and approximately 142,600 tons of cottonseed, says Freeman Fuller Jr., assistant extension entomologist. The figures were developed by the National Cotton Council from basic data released earlier by the USDA, reports the specialist.

The top "culprit in the cotton patch" last year was the boll weevil and was responsible for reducing yields by an estimated two percent. All other cotton insects raised the total loss to five

percent for the state. A review of the figures, Fuller says, shows that Texas Cotton producers are doing one of the better control jobs in the nation. Only California, New Mexico, Arizona and Missouri show a lower percentage of the crop lost to insects. The loss for the nation amounted to almost \$201 million in both lint and cottonseed and is slightly below the total damage done in 1952. Fuller suggests that farmers continue to keep a close check on the cotton insect population by making frequent field inspections. Should infestations develop to the damaging point, control measures become a must. The intervals between applications and the thoroughness of the job done, he emphasizes become very important factors in stopping insect outbreaks.

Minute Editorials

Turn to the Lord Your God, for He is gracious and merciful... and of great kindness. — Joel 2:13.

THIS IS NATIONAL OIL progress week which perhaps means little to the average American but the progress of the oil industry and its every ready service rendered to the people of this nation means a great deal. Much of the rapid progress and high living standard of this nation is due to the development of and the manufacture of oil products. At the height of World War II the American oil industry as a whole represented an investment of 13 billion dollars in plant and equipment. And don't forget it was this same industry which almost single-handedly fueled and lubricated the mighty war machine created by the U. S. and its allies. Then too it's this same industry that keeps the millions of cars used in civilian life rolling every day. Without this industry we would have no motorized travel. Think what that means to the nation.

IF YOUR SERVICE STATION attendant is a little more courteous this week, if he seems a little more anxious to please perhaps that will remind you that he is remembering this is National Oil Progress Week. Oct. 10-16.

THE PEOPLE OF TEXAS will vote on 11 constitutional amendments in the general election, November 2, along with the general election ballot. Because many people are not familiar with these The Beacon will begin this week sketching them briefly and telling you something

about them.

AMENDMENT NO. 1 is called Senate Joint Resolution No. 7 and has to do with increasing the legal limit for spending on old age pensions, aid to blind and aid to dependent children. The amendment, if adopted, will increase the total amount of state funds which the state may appropriate for these causes from \$35,000,000 to \$42,000,000 per year. The increase would probably result in increases to pensioners since no big increase in the number on the pension rolls is contemplated. The legal limit will remain the same, \$20 per month from the state and a like amount from the federal government. But those who are not drawing the maximum amount of pensions now would probably realize some benefit from the increase. We think that this amendment should be adopted. It has been needed for some time.

AMENDMENT NO. 2, called Senate Joint Resolution No. 6 is for the purpose of permitting a transfer of credits between the state teacher retirement system and the state employees retirement system. In other words if a person was a state employee and had built up some retirement benefits under that employment, he could teach school and still retain his benefits. This amendment would affect very few people, would probably cost the state very little and we see no reason why it should not be approved.

AMENDMENT NO. 3 is known as House Joint Resolution No. 37 and deals with the matter of allowing counties and other political subdivisions to set up an agreement with the federal government to cover proprietary employees of such political subdivisions with social security. The constitution now forbids a "business" undertaking operated by a county or city for instance, such as the water department of a city, etc. There is no law now which affords proprietary employees with retirement benefits or social security coverage. This amendment would make up that lack.

AMENDMENT NO. 4 is known as Senate Joint Resolution No. 10 and would allow the state to use surplus money from the Confederate pension fund for a state building program. The Constitution now levies 2 cents per \$100 valuation on property to provide for Confederate pensions and because of the few Confederate veterans left; a surplus has been accumulated in the fund. The building of state office buildings which are now renting in various parts of the state capital would save the state \$200,000 per year in rent and would provide a much more satisfactory function of these offices since they would be grouped together, according to proponents of the measure. The State Bar of Texas is urging the passage of this amendment as are other organizations. We think it should be approved. Other amendments will be discussed next week.

MOST VICIOUS THING

The most vicious thing on earth is "They." All through our lives we have been hearing people say, "That's what they said he did and it must be the truth."

And all through our lives we've noticed that "They" can

say anything. "They" are not responsible under the law. "They" cannot be used for libel or slander. "They" cannot be tracked down by the injured person and called a liar or slammed on the nose. "They" are seemingly invincible. "They" are the sinister ghosts who put in an appearance at gossip parties. "They" walk the streets unseen by day and slip through the shadows at night. And "They" live on the carrion of

men's ruined reputation. — The Slaton Slatonite.

BETTER THIS YEAR

Dry land crops in Floyd County this season are going to be far and away better, on an average, than the crops of 1953, when the dry lands came as near making a failure as they ever do in this part of the world. Not to say that some farm lands that are not irrigated won't have poor crops and, naturally, some fields don't have any wheat and won't have any fall harvest. But on the other hand there are many fair to good crops of feed and cotton in the county once you get to looking for them. That wide area of Floyd County "under the hill" in particular is going to fare much better this fall than last and there are other bright spots as well. You'll notice it in the volume of business in a few weeks.—The Floyd County Hesperian.

Library Notes

by Ivy Pearl Reber. WHEN GOD SAYS "NO", FAITH'S STARTING POINT is the title of a new book on our library shelves this week. This is the autobiography of a Congregational minister, and a very unusual one because she's a woman, a wife, and a mother. The story is vital, warm and inspiring. Some of the chapter headings are "The Know-It-All Years," "Sin, Salvation, and a Sense of Humor," "Everybody's Clothesline Breaks," and "Faith Is What You Go On When You Don't Know."

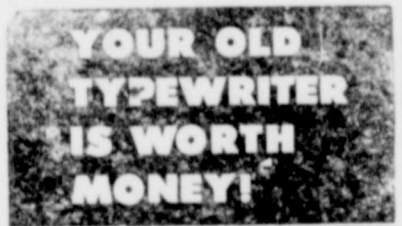

Recent additions to the best-seller table are: 'I'll Cry Tomorrow. Call to Greatness. McCarthy and the Communists, and The Roosevelt Family of Sagamore Hill. Other new books include Me and My Russian Wife, Man Against Nature, and Our Everest Adventure.

Halloween is coming, and our game and party books are much in demand. Magazines, too, offer ideas and plans for the occasion. They offer suggestions for decorations, favors, refreshments as well as games to be played.

The 1929 Study Club has given a book in memory of G. D. McKibben, Bobby McGuire and Mr. and Mrs. Q. D. Williams and family gave books in memory of Ed Holmes.

With what ten books would you most like to be stranded on a desert island? It is hard to decide. Be thinking about it and we'll discuss it more next week. Right now I have to find some Halloween games to send to Norfolk, Virginia. Did you know our library has influence that far away?

FUEL FOR A GROWING EMPIRE

Say mister- where do you get your gasoline?

Let us answer for your dealer, Sonny. He gets it from a local oil jobber like us. You might call us the service station's "service station." You see, we receive and store oil products—like the gasoline that powers the family car—in our bulk plant.

And we see that these products are distributed wherever, whenever they are needed—in any

weather, in any emergency. Because we're local business men we know exactly what products and services our neighborhood needs. That's how we can compete for local business and carry out our responsibility in America's progressive oil industry.

Child Fatalities From Disease Are Reduced Two-Thirds

Austin. — Chances of today's school age child — 5 through 19 — dying of disease have been cut by two-thirds in the past 15 years, a State Health Department statistical summary shows.

Thus, excluding accidents, the readin' writin' rithmitic set has three times as much chance of living to collect high school diplomas than had the class of '38.

State Health Officer Henry A. Holle attributes healthier school life in 1954 to improved environment at home and school, immunization and vaccination programs, improved drug therapy, and education of the lay public on the importance of disease prevention.

One of every 394 school-age children in 1938 died of disease. By 1953 the ratio had been cut to one in 1785.

Parents of Texas one and three-quarter million schoolastics can breathe easier knowing that 1953 diphtheria death rates have been reduced to one-tenth of the 1938 rate, influenza and pneumonia to one-sixth, scarlet fever to one-third, and malaria and typhoid fever to a flat zero.

Fifteen years ago, the summary shows, school child deaths from all causes reached 3389, compared with 1698 deaths last year. And enrollment in public schools last year was greater by 70,000 than enrollment in 1938.

"Typhoid fever and malaria are excellent examples of what can be accomplished by simply cleaning up mosquito and fly breeding areas, improving sewage and garbage disposal, and improving housing conditions," Dr. Holle said.

Malaria caused the death of 39 school children in 1938, and

typhoid killed 144. Neither disease claimed a single life last year.

Significantly, it was in 1938 that the State Department of Health began operating on its present scale.

The figures concerning accidental deaths aren't as bright as these on disease-produced fatalities. Accidents accounted for only 22.3 percent of all school-age deaths in 1938, compared with 46.7 percent in 1953.

Accident prevention programs probably represent the most urgent field for student health education, Dr. Holle believes.

Trinity Lutheran Church

H. L. Anderson, Pastor
Sunday, Oct. 10, 1954. Attendance Sunday School, 92. Morning at 9:30. Evening divine worship, 7:30. Evening worship, 7:30.

Trinity congregation was happy to open not only her membership but her heart to those who were received into membership Sunday. Orville Surley by transfer from St. Olaf's Lutheran at Cranfills Gap, Texas. Mrs. Orville Surley by confirmation, received into kingdom of grace through our Lord Jesus Christ in holy baptism was their son, Arnold Leroy Surley. May the blessings of this same Jesus Christ the savior be and abide with him always.

At the evening service we saw an outstanding film, "Let Us Live." The film strip, "Refugees our Brother." It showed the conditions under which the people in Europe have to live under the red rule. Everything that they love and have is taken away from them. Could this not happen in our country? Let us be aware of communism in our own country. Be a good American citizen and a Christian and we will be safe from such a thing happening in our country.

Calendar of week:
Choir practice 7:15 p. m. Wednesday.

October 17: Sunday School at 10 a. m. Divine Worship at 11 a. m. Evening service and film at 7 p. m.

Visitors are always welcome at Trinity Lutheran Church. VISIT IN NEW MEXICO

J. J. Harris, Jesse Harris and family visited their son and brother, Olin Harris and family in Lovington, New Mexico last week end. On the return trip they drove through Artesia, Hagerman, Dexter and Roswell, the flooded area and on to Plains, Texas where they visited their brother and uncle, George L. Harris.

Mr. and Mrs. Arby Mulder, Nathan and Katherine were guests at dinner Sunday in the home of Arby's aunt, Mrs. Nell McGuffey who had all her children home from Amarillo with her. Others present were Mr. and Mrs. Alton Noland and children and Mr. and Mrs. O'Dell Mulder and Patricia, all from Floydada.

Any day, any hour, any moment is the time to express gratitude. Some of us express thanks at meal time and other times when we pray; some show appreciation when something special has been done for them, some when they are in the mood . . . and there are some who seem never, never to fail or show gratitude for anything. Each of us, for our own happiness and for the lift it gives others, needs to affect our thank-you manners. Let's develop or add to the "grace of gratitude." Showing sincere appreciation for any kindness, large or small is not a gift; it is an art that each of us can and should develop. Our storehouse of gratitude can never be depleted. None of us can give too much, so in this matter, there is no such thing as "giving until it hurts." It's a double-take in happiness that results.

FFA Boys Receive Jackets

If you were to walk down the halls of LHS you would probably notice many different kinds and colors of jackets, but last week one jacket was rather outstanding—the 1954-55 official FFA jacket. Congratulations, boys, you have some pretty jackets which are made of blue corduroy with FFA emblem with the words, Lockney, Texas, on the back. The boy's name and the year are on the front of the jacket.

There were several proud-looking boys wearing this new jacket.

Kelly, did Loy have fun Saturday night at Charlie's? John Hanst, is going out to the Wolford farm getting to be steady? Clara Lee, where was Weldon Saturday night? Charles and Don spent the day in Plainview Sunday. Lerel and Jimmy had a date Saturday night; they also enjoyed fixing flats. Eldon F. and LuJuan H. seem to enjoy each others company. Jerry McQueen, some one told me that you liked Peggy Epperson. WOW! WHAT! WHEN! WHERE! "Mr. Jerry Holmes and Miss Betty Jean Foster" were seen double dating with Jerry Workman and Kattie Bucker Sunday night.

Thursday night was a night of celebrities—Buck, Joan, Barbara, and Don took in "Rose Marie" in grand style. Marion and Darla were seen Saturday and Sunday night at the Seale.

Gail Wilson and Wanda Cox are seen together a lot lately.

Clifton is having fits about an Aiken girl lately.

Senior-Junior Hobo Party

Betty Brown
Us Bums were out at Sterley School House last Tuesday night for a little get together. We arrived there at 7:30 showing all splendor in our glad rags.

We, the Seniors, enjoyed having Ya'll Juniors there.

First, we all got acquainted by playing a game called "Hobo Introduction." We played all sorts of games and then we were served the victuals in a setting of two beautiful, new, and shining garbage cans; the food was from the finest. We had hot dogs and cokes.

After we had eaten we were entertained by Charles Andrews who sang "Just a Bumping Around." We played some more games then we had the judging of the best dressed Hobo. The prize was a brand new handkerchief and it wasn't even used.

Joan Harris, Barbara Hays, and Eldora Boone sang "Sentimental Journey" and "Goodnight Sweetheart, Goodnight," as we herded the Bums in the direction of home.

Lockney Loses 39 To 7

By Buck and Bucky
The game Friday night was not as bad as the score sounded. The first half Littlefield ran over Lockney but after the half Lockney came back to play a great ball game.

Due to the drive of Lockney's little fullback, Jerry Williams Lockney scored their only touchdown in the third quarter. Also outstanding were Weldon Jones and Jimmy Rankin, who also did some fine running and driving, but not without the help of big Marion Cross, Johnny Harst and the rest of the Longhorn team.

Now I lay me down to sleep, the lecture's dry, the subject deep.

If he should quit before I wake, give me a poke—for goodness sake!

During the last fiscal year, over 5,000,000 volunteer hours were spent in Red Cross collection of blood for defense and civilian use.

Seniors Assembly Program

Frankie Sparkman
The senior class brought the first assembly program for last Friday. It was brought on in the form of a radio program. The program was "Can You Top This" sponsored by the Spade Funeral Home. The master of ceremonies was Totumbo Coconductor played by C. L. Turner. The local radio station announcer was none other than "Peanut" Calloway. The first on program was Little Miss Mischief (Norma Warren) giving "Mary Had a Little Lamb." Then came "The Court Scene" The judge was Lerel Foster; lawyer, Bucky Duval; defendant, James Morris; floorman, Clifton Williams. Next came Mrs. Z. portrayed by Laverne Word giving some of her past experiences in her social circle. Next was the skit of "You Cuy Your Way. This is My Way." Grandma Jones was played by Jovonne Taylor; Sweet Pea was played by Frankie Sparkman. Next on the program was the young married couple, Hesi and Media Tate, who gave an experience on the way to the grocery store. They were played by Marion Cross, Edna Morris, Betty Brown, Neil Cuyux and Darla Allison brought on the skit of the cigar stand. Celebrities from Hollywood Annis and Andy were portrayed by Charles Andrews and Wilbur Adams. Then came the big moment when the prize was presented. The winner was chosen by applause registered on the applause meter. Hesi and Media Tate received a nice "used" basket. Then came the serious part of the program when Bro. Methusalem (David Hartman) gave the parting words. Before the sermon began, Sister Macabees (Barbara Hays) sang "While the Organ Peeled Potatoes" accompanied by Sister Moffitt (Joan Harris) at the piano. The spot announcements were given through the program by Sam Spade (Jimmy Scott).

Well so long for now, see you next week at Abernathy.

LHS Bids Welcome To The Hailes

Some people may or may not think a swimming pool is a romantic spot. But I know of two who did — Coach and Mrs. Rudy Haile.

Mr. and Mrs. Haile are from Plainview and Abilene respectively. She attended North Texas State College, Denton, and he attended McMurry in Abilene.

Some of their likes are fried chicken, banana pudding and spaghetti, but they dislike anybody who quits, or makes excuses.

Coach and Mrs. Haile are members of the Baptist Church. Mrs. Haile teaches English and Spelling in the Jr. High, he teaches history and coaches football.

Lockney High School would like to bid welcome to the Hailes.

Band News

By Smiling Sam
Hello friends! This is Smiling Sam your half-time announcer in Littlefield, Texas, to describe the half-time activities to you.

The title of the show tonight is "Drum Major's Dilemma." The band has formed in band formation on the south end of the football field. The drum major gives a whistle and the band plays a fanfare and the drum major steps off alone. The band repeats the fanfare and steps off disregarding the drum major. The band marches a little way down the field and halts. After a short pause they start marching again. During all of this, the drum major is trying to get the band under control. The band plays "Pop Goes the Weasel" and does four flank movements while playing the number. After doing a column march the band plays "Frankie and Johnny," a slow march. The drum major blows a halt whistle and the band halts. Well, it looks like the drum major has the band under control. The band steps off at his command. They follow him a short distance and do a to the rear march. The drum major blows a whistle, the band does another to the rear march and follow him only a few yards. The band executes another to the rear march and halts at the end of the time they have been playing during this time. The band now breaks up forming an "SOS" without the direction of the drum major. The drum major, disgusted leaves the field. The assistant drum major leads the band off the field with a walking cane as the band plays "Hand Me Down My Walking Cane."

Californian Enters L. H. S.

Hello everybody! Here I am again with another interview. This time I visited in the Sophomore class with Emma Lou Bocker. Emma Lou has blue-green eyes, red hair and stands 5' 3" tall. She likes to sing, but dislikes people who complain. Her favorite color is blue; favorite subject, Social Studies.

Before coming to Lockney High, Emma Lou attended James A. Foshy Jr. High in Los Angeles, California. When asked how she liked L. H. S., she replied, "Very well."

The First!
Phillips 66 brings you the first All-Weather Motor Oil which has proved it meets the most exacting standard ever established for automobile lubrication . . .
Mil-0-2104, Supplement 1 level.

The toughest standard ever set up for automobile lubrication is the Mil-0-2104 Supplement 1 test. New TROP-ARTIC is the first all-weather motor oil to meet the requirements of this test. It is an oil which will serve you winter and summer . . . an oil so good it can double the life of an automobile engine!

Compared to ordinary motor oils, new TROP-ARTIC reduces ring wear 40% or more. It cuts oil consumption 15% to 45%. It keeps pistons and bearings cleaner . . . longer-lasting. It saves you money by increasing gasoline mileage. This has been demonstrated in tests representing over 150,000 miles of driving.

TROP-ARTIC is truly an all-weather oil . . . S.A.E. 10W through S.A.E. 30. Therefore it flows instantly for easy starting at sub-zero temperatures, and yet it retains the film strength necessary to prevent engine wear under high temperature driving conditions. It isn't just heavy duty. It's double duty.

Any car, in any climate, at any time of the year will perform better with Phillips 66 TROP-ARTIC. It is a worthy companion product to Phillips 66 FLIT-FUEL, the new high performance gasoline recently introduced by Phillips. It pays to stop at the station where you see the Phillips 66 Shield.

**Makes 416 Lbs.
 Lint On 6 In.
 Of Rain In 1954**

Farmers hard hit by dry weather this year, will be inter-
 ested in learning how one Texas
 farmer managed to make 416
 pounds of lint per acre in
 this year without a drop of ir-
 rigation and with only 3.25
 inches of rain after his seed
 were in the ground.

The farmer is Clinton Harbers
 of West Point, Texas. In the
 Harbrop Payette Soil Conserva-
 tion District, and here he did it.
 It is told in the September issue of
 SOIL AND WATER magazine
 now being mailed to landowners
 all over Texas.

Harbers' methods, a series
 of articles in SOIL AND WATER
 have pointed out, involves no
 magic. Starting seven years ago
 and using unique legume plant-
 ing methods and other ideas he
 has worked out for himself, he
 has built up the fertility of his
 land and consequently the water
 holding capacity to the point
 where it takes much less rain
 for him to make a crop.

Last year, with sub-normal
 rain but more than he got this
 year, Harbers made 750 pounds
 of lint per acre on his cotton
 land.

This year, with a real drought
 on his hands the got only 6
 inches of rain from January 1st
 right through his cotton season,
 he came out with 416 pounds of
 lint per acre, a phenomenal fig-
 ure in a drought.

There is no substitute for
 rain. Harbers says, "but we can
 get by on a lot less than we
 ever dreamed."

P. T. A. Hears Irons Speak On State Plan

Supt. W. C. Irons was the speaker for a meeting of C. N. Townsend Parent-Teacher Association Tuesday night at the high school auditorium. His subject was "The State Plan for Accreditation of Elementary and Secondary Schools." Mr. Irons explained the plan and told parents of members of the P. T. A. how they must share in the work to make the plan a success.

Mrs. Bob Miller, president, presided at the meeting which began with the P. T. A. Prayer being read in unison. Mrs. Fritz Sechast, accompanied by Mrs. Joe Holt, led the group in singing "God Bless America." Mrs. Mollie Harris, treasurer, reported that a total of \$126.26 is on hand.

Reports were made by chairman of the Membership, Project

and Health committees and following a discussion led by Bob Miller, the association voted to hold a Halloween Carnival on Saturday night, October 30 for the purpose of raising funds for the years project. Mrs. Bird, teacher of exceptional children, was introduced.

Mrs. J. C. Kemp was elected to represent the P. T. A. at the state convention at Corpus Christi Nov. 17-19.

For the Eighth Grade party, education Janice Hays and Debra Ferguson played a piano duet. Eighth Grade mothers served refreshments during the social period which followed the program.

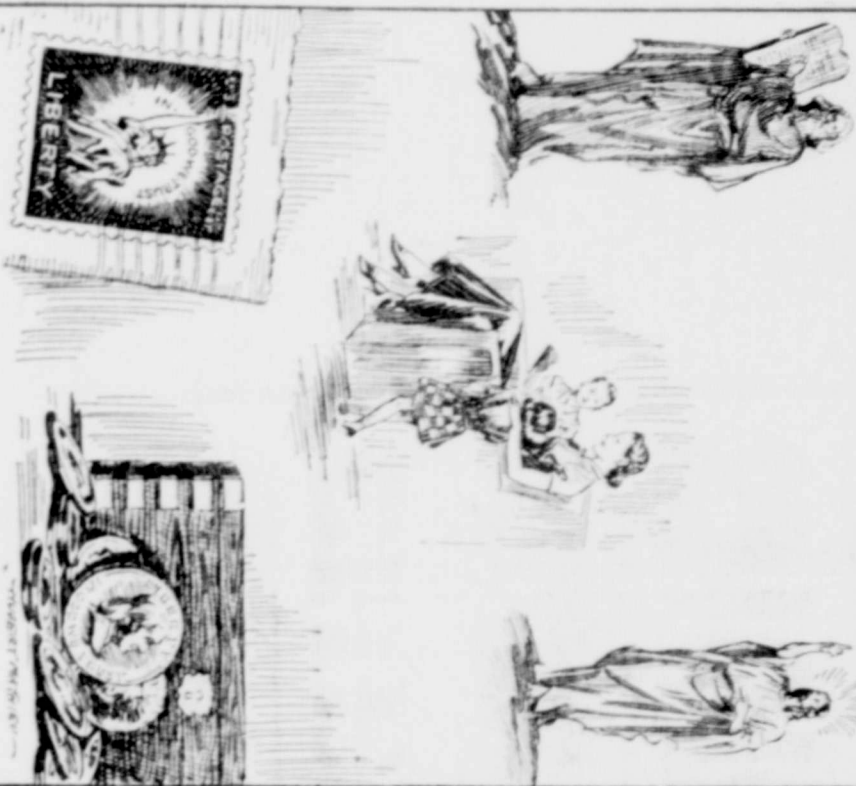

Edward Vernon, 1700 West, baby of Sanford visited his grandparents, Mr. and Mrs. Vernon Pyant last week.

A baby's first set of teeth is present at birth.

OUR DEMOCRACY — by Mat

"In God we trust"

THIS AFFIRMATION OF FAITH HAS COME DOWN TO US THROUGH THE OLD TESTAMENT, THE NEW TESTAMENT, OUR PARENTS' TEACHINGS, OUR NATIONAL ANTHEM—AND EVEN ON OUR COINS.

THE FIRST APPEARANCE OF THE MOTTO ON OUR COINS WAS ON A REDDISH TWO-CENT PIECE MINTED IN 1864 IN PHILADELPHIA. NOW OUR GOVERNMENT HAS ISSUED ITS FIRST REGULAR STAMP PROCLAIMING TO THE WORLD "IN GOD WE TRUST." IT IS AN EIGHT-CENT STAMP, USED PRINCIPALLY FOR INTERNATIONAL MAIL, AND SERVES AS ANOTHER REMINDER OF THE FAITH ON WHICH OUR DEMOCRACY WAS FOUNDED.
