

Lockney Boys Improving Wreck

Lockney High School boys are showing improvement in the Plainview area after being injured in an accident late last Friday night.

The most seriously injured was suffering from a concussion, broken collar bone, internal injuries. He was unconscious for several hours following the accident. Condition was regarded as critical. Members of the football team reported that he rested Tuesday night and was able to eat something Wednesday. Attending physicians believe that he is "over the hump" his way to recovery.

Another boy suffered a concussion and a severe scalp wound. He had numerous other cuts and bruises on his face. He is doing fine now, however, and may be allowed to come home this weekend.

The accident happened on a Tuesday night on Highway 70 about two miles east of Plainview as the boys were returning from the Hale Center football game. The 1935 Chevrolet driven by Nix failed to make the turn and the car went off the embankment traveling along the road and over the side of the road before it swerved back to the pavement, overturning and coming to rest in the left position on the left side of the road.

Both boys were thrown clear of the car which was demolished.

Two Hurt In Wreck Floydada Tues.

Two men were hurt in an auto collision at Floydada Tuesday morning. Elmer Lee Jones, 22, driver of a 1935 Mercury, and Jerry Wager, 25, driver of the car were both injured but not seriously when the Mercury ran into a butane tank belonging to Foot Butane of Floydada. Robert Dean Smith, driver of the truck was injured.

Twenty-five stitches were required to close cuts about Wager's face. Jones was bruised up considerably. Both men were taken to the hospital.

Highway Patrolman Thurman Miller filed charges of driving on the wrong side of the road against Jones and charges of transporting beer against Wager. They both pleaded guilty in Justice P. O. Sterling's court. Jones was fined \$25 and costs and Wager was fined \$150 and costs.

Medford Bennett, colored man of Lockney, was charged with sale of beer in county court but had not made bond and entered a plea late Tuesday.

Vegetable Growers Optimistic Despite Marketing Difficulties

Vegetable growers in the Lockney area for the most part are enthusiastic and optimistic about the new crop despite the marketing difficulties they have been confronted with this year. This is the impression The Beacon man has received after talking with several of them.

The growing of small acreages of vegetables was begun here this year to take up the slack after cotton acreages were cut. The production has been excellent and the quality more so but inexperience in the marketing field has been the drawback. Very few farmers of this area have marketed their vegetables in a satisfactory way and they all point to the fact that a marketing association and better planning in timing of the vegetables is needed.

"If we can get a marketing association or a packing shed to handle the crop our chances of profits will zoom upward," is the common expression heard among the farmers. Most of the local growers had verbal agreements with a Plainview firm which was unable to market the crop and thus the growers were left to their own devices.

Many of them have tried peddling the products from town to town and had some success that way. Some are selling small quantities to chain stores and others are trucking the crops to Dallas and other large cities in an effort to get rid of them.

Although the vegetable acreage hasn't boomed large, in a West Texas sense, yet the production has been tremendous.

Gerald Sams has 10 acres of cantaloupes northeast of town from which he has harvested several hundred bushels and has yet hundreds of bushels to harvest if a market can be found. He has sold them all

40 LIGHTS WILL BE ADDED TO FOOTBALL FIELD SYSTEM

Joint efforts of the Lockney Quarterback Club and the school will add 40 lights to Mitchell - Zimmerman Field very soon, officers of the club said Wednesday.

Four more lights will be added to each of the 10 poles at the football field, doubling the present lighting system. The Quarterback Club has agreed to raise \$700 toward the project and the school will pay the remainder. Supt. W. C. Irons said. The lights, switch boxes and installation are expected to run close to \$1400.

The project has been under discussion by members of the club for some time. Some \$300 has been raised from \$2.00 membership fees and another \$300 is expected to be raised from the football programs for the year. Other projects are in sight to raise additional money.

Complete Stadium

A scant dozen members of the club met at the field Tuesday night and gave the big west stadium a final coat of enamel paint. Members of the club had previously given the stadium a primer coat. The members worked from around 7 to 10:30 to get the job done. The school furnished the paint and the club members donated their labor.

Mrs. Lemons Is At Home Now

Mrs. Mary Lemons, who was seriously injured in a car-train collision at the northeast edge of Lockney July 27, came home from the Plainview Hospital last Saturday and is able to sit up and to be moved around. She lost her left foot above the ankle in the accident and had her right foot badly crushed.

Physicians say that as soon as the right foot heals, they will be able to fit her with a left foot and she should be able to walk again.

Her husband, Bobby Lemons has received his discharge from the army.

She and her husband and her parents, Mr. and Mrs. C. O. Willis ask The Beacon to express their thanks to neighbors and friends for the many ways they have helped during the young woman's stay in the hospital.

Parent-Teacher Work Begins

A meeting opening the 1955-1956 Parent-Teacher sessions was held in the High School Auditorium Monday evening of this week. A business meeting was followed by a reception honoring the local school faculty members with approximately 125 in attendance.

Junior High School principal Claude H. Cheves gave the invocation, followed by a welcome address by the president, Mrs. Clyde Kemp. Minutes of the last meeting in May were read by Mrs. Milton Ashton. Executive minutes were read and a recommendation to amend the by-laws concerning meeting dates and time of the executive meeting was approved. Mrs. Muncy's first grade room won the \$2.00 attendance award and banner for the month.

Recommendation of each committee chairman were read by Mrs. Burl Holt, Mrs. Ted Oliver, Mrs. Mollie Harris, Mrs. Lavin Johnson, Mrs. J. M. Tye, Mrs. Forrest Mickey, Mrs. Leonard Strickland, Mrs. Elsie Peckham, Mrs. Imogene Myers, Mrs. Fritz Schaecht, Mrs. Carl Blair, Mrs. Don Hatch.

Supt. W. C. Irons introduced School Board members and the principals of the school system. They in turn introduced their teachers. Supt. Irons expressed his appreciation and stated his pride in the staff and co-workers and those who help make the school a success.

At the reception held in the cafeteria music was sung by the Silver Bells who sang "We Are To Have Fun," "Wake Up the Town and Tell the People," "Keep Your Eyes Up on the Objects" with the guests on the program.

Hostesses were members of the executive committee.

"Get Acquainted" Party At Providence Friday

The Providence Parent-Teacher Association is sponsoring a "Get Acquainted" party at the school house Friday evening, Sept. 16. The program will begin at 8 o'clock. Everyone is cordially invited to attend.

Longhorns Face Tough Spur Fri.

The Lockney Longhorn football team is facing another rough game this week end when they travel to Spur to take on the tough Spur Bulldogs, rated as the class of AA teams on the South Plains.

The Bulldogs, although defeated by both Abernathy and Tahoka last season in District 5-AA, have practically their entire team back this year and have been picked to win the title in that district. Coach Sam Hawkes has admitted that the team looks better than it has in 10 years and said that he has a well balanced team, although he denies that he will win the district, of course.

Hawkes starting line will average 170 pounds and his reserves average 180 pounds. The Bulldogs ran over Matador 41-6 last Friday night.

The Longhorns came through the Hale Center game without an injury and are in fine shape. Coach Rudy Halle said Wednesday. He said that he is expecting the Spur team to be tougher than Hale Center but he is expecting the Longhorns to get a lot fewer penalties for offsidies in the game this week. The team has also been working on the prevention of fumbling and the coach hopes to show some improvement in that department also. The local boys lost the ball six or eight times by fumbling last Friday night.

Some minor changes may be made in the line-up, Halle said. He is expecting to switch Johnny Hanst to a tackle position instead of guard and may move Benny Ballard from tackle to guard.

The starter at the quarterback slot hasn't been determined as yet, the coach said but will be between Gene Handley and David Frizzell. Both of them worked in the Hale Center game. Other positions will be about as they were last week.

The game starts at 8 p. m. and quite a few local fans are planning to make the long trip to Spur to boost the Longhorns.

E. Hammonds Is Found Dead At His Home

Edwin Hammonds, 41 years of age, a prominent Floyd County farmer, was found dead at his home in the Sandhill community about 9 a. m. last Saturday. He had a gun shot wound in his right temple and was lying on a .22 calibre rifle, investigating officers said.

The body was found lying at the edge of a feed patch near the house by his nine-year old son, Jimmy. The boy called his mother who in turn called officers.

Investigating the affair were Sheriff Earl Cooper, District Attorney John Stapleton, County Attorney Kenneth Bain Jr., and Justice of the Peace P. O. Sterling.

Funeral services were held at the Lockney Methodist Church, of which he was a member, Monday morning at 10 o'clock conducted by Rev. R. H. Campbell and Rev. H. B. Coggan. Interment was in the Floydada cemetery.

Mr. Hammonds was born December 2, 1910 in the Sandhill community and had lived in that area all his life. His farm is located about two miles east of the Sandhill store and school. He was married July 4, 1936 to Gladys Collis.

The deceased was the son of the late Mr. and Mrs. James William (Jim) Hammonds. Mr. Hammonds passed away in 1919 and Mrs. Hammonds later married a Ramsey. She was known here in late years as Mrs. Nanette Ramsey and died some four years ago.

Survivors include his wife, the son, Jimmy, one daughter, Mrs. Eddie Lynn Johnson, and one sister, Mrs. Henry Bollman of Lockney.

Former Lockney Resident Succumbs

John Edward Norris, 75, father of Mrs. Wilbur W. Miller and brother of the late Alex Norris of Lockney, passed away Friday, Sept. 9 at 2:45 p. m. in the Crowell and Ford County Hospital, Crowell, Texas. Funeral services were held from the Crowell Church of Christ Sunday, September 11 at 3 p. m.

Mr. Norris first came to Lockney in 1904 as a blacksmith working in the J. E. Burns shop. Beginning in 1915 Mr. Norris and his three brothers formed a business known as Norris Brothers Contractors which planned and built many homes in this area. The deceased was also a member of Lockney's first band known as Lockney City Band.

Mr. Norris was married to Miss Bessie Williamson in 1903 at Meridian, Texas. To this union was born one son who died in infancy and one daughter, Mrs. W. W. Miller, Lockney. Mrs. Norris passed away in 1925 in a Plainview hospital. He was later married to Mrs. Margaret Blue.

Surviving Mr. Norris is his wife of Crowell, his daughter, and a great-grandson, Vincent F. Felty, Lockney; one sister, Mrs. Mattie Sumnerford, Hamilton, Texas; two brothers, S. E. Norris, Crowell, and W. E. Norris of Petersburg; and five step-daughters. All survivors were present for funeral services.

Others attending from Lockney were Rev. H. M. Mooberry, Mr. and Mrs. T. J. Rigdon, Mr. and Mrs. H. C. Burress.

Baptist Revival Begins Sunday

A one-week revival meeting will begin at the First Baptist Church here Sunday morning, Rev. W. E. (Bill) Norman, pastor of the First Baptist Church at Quanah, Texas, will do the preaching for the revival. He will be here Sunday night. Rev. R. E. Wiley, local pastor, will preach Sunday morning.

Other than on Sunday, the day services will be held at 11:45 a. m. Purpose of this time is to provide a time when school students may attend if possible. The evening services will be at 7:30 with prayer meetings preceding the services at 7 p. m.

Also in preparation for the meeting, an all-night prayer service will be held Saturday night with members of the church coming at all hours during the night to pray for the success of the revival.

N. S. Abbott, music director of the church, will lead the song service during the revival.

"Get Acquainted" Party At Providence Friday

The Providence Parent-Teacher Association is sponsoring a "Get Acquainted" party at the school house Friday evening, Sept. 16. The program will begin at 8 o'clock. Everyone is cordially invited to attend.

Work Next Week At Fair Grounds

Dick Whiteley, Floyd County Fair manager, said Wednesday that all next week will be work week at the fair grounds and that all volunteer labor will be appreciated. Work will be going on every day and laborers, carpenters, electricians, or any other kind of worker can be used.

Also the group can use tractors with loaders or blades.

The work of getting the fair grounds ready for the fair in October has been slow and much remains to be done, Mr. Whiteley said.

Soil Tour Is Next Thursday

The annual fall tour sponsored by the Floyd County Soil Conservation District will be held Thursday of next week, Sept. 22. The tour will feature various soil and water conservation practices and soil improvement crops being used by local farmers.

The group will leave from the agriculture building in Floydada at 9:30 a. m. and will view the following farms in the order named:

V. C. McNeill, diversion and waterway.
Chuck Holmes, cabbage.
L. K. Sherman, vetch in cotton.
Chester Mitchell, soybeans, mung beans, new era cowpeas, peas in grain sorghum.
R. C. Mitchell, hubam clover over seeded in barley, alfalfa, hybrid grain sorghum, peas in grain sorghum.
Thomas Bros., field leveling.
Paul Cooper, guar and cowpeas in grain sorghum.
R. H. Ford, pinto.

The tour will end at the Paymaster Farm where dinner will be served to the group. Following the luncheon the Floydada Lions Club will make the annual award to the outstanding conservation farmer of the county.

The group will also tour the Paymaster Farm following the luncheon.

Parent-Teacher Work Begins

A meeting opening the 1955-1956 Parent-Teacher sessions was held in the High School Auditorium Monday evening of this week. A business meeting was followed by a reception honoring the local school faculty members with approximately 125 in attendance.

DURAN NAMED PRESIDENT AND DIRECTOR OF FIRST NATIONAL

Charles L. Duran was named president of the First National Bank in Lockney in a directors meeting held Thursday evening of last week at the local bank. B. C. Drinkard was named vice-president. The two men recently purchased the majority stock of the bank from M. W. Wiley.

Mr. Duran will be here Thursday of this week to attend a directors meeting Thursday night and will take active management of the bank Friday morning. He will move his family here as soon as possible.

Mr. Duran has been vice-president of the West Texas State Bank in Snyder for the past year. He has been associated with the Snyder Bank for the past five years serving as loan officer for that institution and previous to that was employed by the First National Bank at Henderson. He has sold his interest in the Snyder bank.

Duran has been very active in civic affairs at Snyder. He served as head of the United Service organization fund campaign, president of the Quarterback Club, secretary of the Snyder Officials Association, which furnished officials for sporting events, and has been a director of the Snyder Little League. He is 31 years of age and he and his wife have three children.

Mr. Drinkard will not take an active part in the local bank's management. He will continue to live in Roby where he is president of the Citizens State Bank. He is a former Snyderite where he was supervisor of the Farmers Home Administration for 10 years. He retains his interest in the Snyder bank and is a member of the board of directors.

Other officers and directors of the local bank will remain the same. Claude Holley will continue as executive vice-president, W. W. McClaskey will remain as assistant vice-president and Joe Wilson continues as cashier of the bank.

L. A. Cooper retains his position as chairman of the board and the other directors, in addition to Mr. Duran, are Leon Wofford, Edwin Boedeker, Jack Dollar, Grigsby Milton Jr., L. M. Readhimer, Oliver Savage, W. E. Terrell.

Some additions to the staff have been or will be made soon. Mrs. June Bybee, employed by the bank for a number of years, has returned to work as a teller. Mrs. Gerald Sams will go to work as private secretary to Mr. Duran this week. Other present employees are Mrs. Mary Johnson, proof machine operator, Mrs. Carolyn Miller, bookkeeper, Mrs. Norma Ragland, bookkeeper, Mrs. Floyd Hunt, file clerk.

FIRST BALE IS GINNED HERE

The first bale of cotton to be ginned in Lockney from the 1955 crop came in Monday night and was ginned at Patterson Gin. Paul Burch, living six miles north of Lockney on the Lone Star road on the Elmer Thornton farm, was the grower.

Mr. Burch brought in 1900 pounds of seed cotton and got 505 pounds of lint with 745 pounds of seed.

Patterson Gin bought the bale for 50 cents per pound and the Chamber of Commerce will make up an additional premium for Mr. Burch.

The Patterson Gin turned out another bale for Burch Wednesday morning also.

First County Bale

Dean Walls of Floydada ginned the first bale in the county Thursday of last week. It was grown on a dry land farm near Fairview and ginned at Bohannon Gin at Floydada. He had 1960 pounds of seed cotton and received a 462 pound bale.

Walls received a \$100 premium from the Floydada Chamber of Commerce and another \$100 premium from the Lockney Chamber of Commerce. Walls delivered his bale first to the southwest corner of the courthouse in Floydada then brought it to Lockney Saturday.

Chuck Holmes, cabbage.
L. K. Sherman, vetch in cotton.
Chester Mitchell, soybeans, mung beans, new era cowpeas, peas in grain sorghum.
R. C. Mitchell, hubam clover over seeded in barley, alfalfa, hybrid grain sorghum, peas in grain sorghum.
Thomas Bros., field leveling.
Paul Cooper, guar and cowpeas in grain sorghum.
R. H. Ford, pinto.

The tour will end at the Paymaster Farm where dinner will be served to the group. Following the luncheon the Floydada Lions Club will make the annual award to the outstanding conservation farmer of the county.

The group will also tour the Paymaster Farm following the luncheon.

Five Floyd Boys In Draft Call

Five young men from Floyd County are in the call for induction into the armed forces Wednesday of this week. Scheduled to report were the following from the four-county area, Floyd, Hale, Swisher and Motley counties:

Norman B. Muncy, Lockney.
Jerry Bob Harrison, Floydada.
Elton Eugene Turner, Floydada.
Johnny Munch West, Lockney.
Thomas Lee Courtney, Plainview.
Wayne Raymond Ray, Abernathy.
Jerry Earl Wardlow, Plainview.
Robert Warren Inman, Kress.
Buddy Rodger Goldston, Abernathy.
Jose Garcia Santana, Lockney.

Miss Thompson is a junior in Dimmitt High School and is 16-years old.

Miss Hammonds is a senior at Floydada High School and is the daughter of Mr. and Mrs. C. T. Hammonds of Floydada.

The district winner will participate in the state contest in December.

Dimmitt Girls Wins Queen Contest

A Dimmitt girl, Miss Myrna Thompson, was named the winner of the District 2 Farm Bureau Queen Contest in judging Monday night at Lubbock but Floyd County's entry, Miss Joyce Dell Hammonds, was named runnerup.

Miss Thompson is a junior in Dimmitt High School and is 16-years old.

Miss Hammonds is a senior at Floydada High School and is the daughter of Mr. and Mrs. C. T. Hammonds of Floydada.

The district winner will participate in the state contest in December.

Adams Grocery Sold To Ropesville Man

A. J. Jester of Ropesville has purchased the Adams Grocery here and is now in charge. Mr. Jester and his family have moved to Lockney and are living in the C. L. Anderson house on South Main Street. They have three children.

Mr. Jester was in the grocery business at Ropesville and previous to that at Tahoka. Bud Aikens will work with him as butcher.

Mr. Adams is preparing to move to Durant, Okla., where he has a farm.

Petition Asks Gins To Build Stacks

Several petitions were being circulated here this week requesting the gins in Lockney to build smoke stacks on their burners or take other steps to do away with the nuisance of smoke and lint. The petitions mentioned especially the school children and their health conditions.

Talk of the smoke hazard has been under way for several years but gin owners have reported in the past that the building of stacks does not do away with the smoke, and is not a satisfactory way to handle the situation. Those circulating the petitions say that it has helped in other places and can help here. No definite action has been taken by either group as yet.

Mr. and Mrs. Henry Hodel left Wednesday morning for a two weeks trip to New York.

DURAN NAMED PRESIDENT AND DIRECTOR OF FIRST NATIONAL

Charles L. Duran was named president of the First National Bank in Lockney in a directors meeting held Thursday evening of last week at the local bank. B. C. Drinkard was named vice-president. The two men recently purchased the majority stock of the bank from M. W. Wiley.

Mr. Duran will be here Thursday of this week to attend a directors meeting Thursday night and will take active management of the bank Friday morning. He will move his family here as soon as possible.

Mr. Duran has been vice-president of the West Texas State Bank in Snyder for the past year. He has been associated with the Snyder Bank for the past five years serving as loan officer for that institution and previous to that was employed by the First National Bank at Henderson. He has sold his interest in the Snyder bank.

Duran has been very active in civic affairs at Snyder. He served as head of the United Service organization fund campaign, president of the Quarterback Club, secretary of the Snyder Officials Association, which furnished officials for sporting events, and has been a director of the Snyder Little League. He is 31 years of age and he and his wife have three children.

Mr. Drinkard will not take an active part in the local bank's management. He will continue to live in Roby where he is president of the Citizens State Bank. He is a former Snyderite where he was supervisor of the Farmers Home Administration for 10 years. He retains his interest in the Snyder bank and is a member of the board of directors.

Other officers and directors of the local bank will remain the same. Claude Holley will continue as executive vice-president, W. W. McClaskey will remain as assistant vice-president and Joe Wilson continues as cashier of the bank.

L. A. Cooper retains his position as chairman of the board and the other directors, in addition to Mr. Duran, are Leon Wofford, Edwin Boedeker, Jack Dollar, Grigsby Milton Jr., L. M. Readhimer, Oliver Savage, W. E. Terrell.

Some additions to the staff have been or will be made soon. Mrs. June Bybee, employed by the bank for a number of years, has returned to work as a teller. Mrs. Gerald Sams will go to work as private secretary to Mr. Duran this week. Other present employees are Mrs. Mary Johnson, proof machine operator, Mrs. Carolyn Miller, bookkeeper, Mrs. Norma Ragland, bookkeeper, Mrs. Floyd Hunt, file clerk.

FIRST BALE IS GINNED HERE

The first bale of cotton to be ginned in Lockney from the 1955 crop came in Monday night and was ginned at Patterson Gin. Paul Burch, living six miles north of Lockney on the Lone Star road on the Elmer Thornton farm, was the grower.

Mr. Burch brought in 1900 pounds of seed cotton and got 505 pounds of lint with 745 pounds of seed.

Patterson Gin bought the bale for 50 cents per pound and the Chamber of Commerce will make up an additional premium for Mr. Burch.

The Patterson Gin turned out another bale for Burch Wednesday morning also.

First County Bale

Dean Walls of Floydada ginned the first bale in the county Thursday of last week. It was grown on a dry land farm near Fairview and ginned at Bohannon Gin at Floydada. He had 1960 pounds of seed cotton and received a 462 pound bale.

Walls received a \$100 premium from the Floydada Chamber of Commerce and another \$100 premium from the Lockney Chamber of Commerce. Walls delivered his bale first to the southwest corner of the courthouse in Floydada then brought it to Lockney Saturday.

Chuck Holmes, cabbage.
L. K. Sherman, vetch in cotton.
Chester Mitchell, soybeans, mung beans, new era cowpeas, peas in grain sorghum.
R. C. Mitchell, hubam clover over seeded in barley, alfalfa, hybrid grain sorghum, peas in grain sorghum.
Thomas Bros., field leveling.
Paul Cooper, guar and cowpeas in grain sorghum.
R. H. Ford, pinto.

The tour will end at the Paymaster Farm where dinner will be served to the group. Following the luncheon the Floydada Lions Club will make the annual award to the outstanding conservation farmer of the county.

The group will also tour the Paymaster Farm following the luncheon.

Five Floyd Boys In Draft Call

Five young men from Floyd County are in the call for induction into the armed forces Wednesday of this week. Scheduled to report were the following from the four-county area, Floyd, Hale, Swisher and Motley counties:

Norman B. Muncy, Lockney.
Jerry Bob Harrison, Floydada.
Elton Eugene Turner, Floydada.
Johnny Munch West, Lockney.
Thomas Lee Courtney, Plainview.
Wayne Raymond Ray, Abernathy.
Jerry Earl Wardlow, Plainview.
Robert Warren Inman, Kress.
Buddy Rodger Goldston, Abernathy.
Jose Garcia Santana, Lockney.

Miss Thompson is a junior in Dimmitt High School and is 16-years old.

Miss Hammonds is a senior at Floydada High School and is the daughter of Mr. and Mrs. C. T. Hammonds of Floydada.

The district winner will participate in the state contest in December.

Dimmitt Girls Wins Queen Contest

A Dimmitt girl, Miss Myrna Thompson, was named the winner of the District 2 Farm Bureau Queen Contest in judging Monday night at Lubbock but Floyd County's entry, Miss Joyce Dell Hammonds, was named runnerup.

Miss Thompson is a junior in Dimmitt High School and is 16-years old.

Miss Hammonds is a senior at Floydada High School and is the daughter of Mr. and Mrs. C. T. Hammonds of Floydada.

The district winner will participate in the state contest in December.

Adams Grocery Sold To Ropesville Man

A. J. Jester of Ropesville has purchased the Adams Grocery here and is now in charge. Mr. Jester and his family have moved to Lockney and are living in the C. L. Anderson house on South Main Street. They have three children.

Mr. Jester was in the grocery business at Ropesville and previous to that at Tahoka. Bud Aikens will work with him as butcher.

Mr. Adams is preparing to move to Durant, Okla., where he has a farm.

Petition Asks Gins To Build Stacks

Several petitions were being circulated here this week requesting the gins in Lockney to build smoke stacks on their burners or take other steps to do away with the nuisance of smoke and lint. The petitions mentioned especially the school children and their health conditions.

Talk of the smoke hazard has been under way for several years but gin owners have reported in the past that the building of stacks does not do away with the smoke, and is not a satisfactory way to handle the situation. Those circulating the petitions say that it has helped in other places and can help here. No definite action has been taken by either group as yet.

Mr. and Mrs. Henry Hodel left Wednesday morning for a two weeks trip to New York.

REV. W. E. NORMAN of Quanah will preach in a revival meeting at the First Baptist Church here next week.

DR. CARL BATES, pastor of the First Baptist Church of Amarillo, is preaching in a revival meeting at the First Baptist Church, Floydada, this week. Services are held at 7:30 a. m. and 7:30 p. m. each day. The Amarillo church has 6500 members and averages 3,000 per Sunday in Sunday School.

Sanctify yourselves, therefore, and be ye holy: for I am the Lord your God.—Leviticus 20:7

OBVIOUSLY acting upon the suggestion of The Beacon last week, Dean Walls of Floydada brought the first bale of cotton grown in the county up Saturday and dumped it on the First National Bank corner. Thus Mr. Walls seeks to qualify for the first bale prize at both Lockney and Floydada as did John Belt last year when Mr. Belt grew and ginned the first bale and then took it to Floydada. We think it is alright and apparently so do the directors of the Lockney Chamber of Commerce since they have voted to give Mr. Walls a \$100 prize on this bale of cotton. However, local merchants will still make up a prize for the first bale ginned in this immediate area, so we are informed, which is also fine. It seems to us.

SHARP DISAPPOINTMENT has been the lot of a number of farmers of this area in the growing of vegetables this year. The failure of a Plainview market upon which they were depending was the big cause of let down. Apparently the

lack of a market, in some cases, also contributed to the disappointment. Apparently the growing of vegetables is a tricky thing and requires considerable planning ahead as far as a market goes. Luck apparently has a great deal to do with it also, since the crop must be ready to harvest just at the right time to hit the best market. Mr. Dick Whiteley of the Lockney Chamber of Commerce has done considerable investigating and contacting in the matter of securing adequate markets for vegetables grown here. We believe that this is the most important work the Chamber can do just at this time and eventually we believe that the situation will be worked out.

THE BEACON, like a lot of other people, is pulling for a late frost. With cotton being as late as it is, this country needs a late frost to make an adequate crop. The late cotton cannot stand a frost much earlier than October 25 and the average date of frost, November 4, would be much better. However the cotton boys tell us that we can still make a good crop if the frost holds off to just a reasonable date. If we should have a real late frost, November 10 or 12, we believe that we would make almost a normal crop. But if we have a killer by October 15 or earlier, we'll sure be cut short as far as the cotton is concerned. We're no weather prophet but the first norther signs say October 29.

FOOTBALL AND BASEBALL will be vying with each other for the sports fans interest during the next two weeks. At this time of year the fan is sorely tried in making his choice, when he must make a choice between them. We suggest that the baseball boys try to wind up their season a little earlier to save the fan the trouble of making a hard choice.

WE CAN HARDLY WAIT to see what Mr. Adlai Stevenson is going to say when he comes to Texas and speaks at Austin on September 28. Perhaps he is going to try to justify his stand on taking away the tidelands from Texas school children. Perhaps he is going to try to justify his position of selling the South down the river on practically every major issue in the last presidential campaign. We're sure he will have some wise cracks to make but we doubt if he can explain his stands in the 1952 campaign to the people of Texas in an acceptable way.

ABOUT THE ONLY redeeming feature we can see to pay-as-you-go taxes is that you don't get quite as mad all at once.—Wall Street Journal!

WOULDN'T IT BE FINE if all those who point a finger would hold out a hand instead?

Just 6¢ a Day Can Help Build Rich, Red Blood... Save You From Being TIRED...NERVOUS...

Nutritional experts reveal vitamin losses in cooked foods plus faulty diet may be seriously undermining your energy, strength, and resistance, making you feel on edge—affecting your appetite—spoiling your sleep—because your body is vitamin and iron starved.

WASTE OF WATER

Water is a blessing to the High Plains of Texas.

It is a shame and a disgrace to waste it.

Any non-beneficial use of water that has been recovered is to be frowned upon.

Water in the ground, we of the Plains maintain, belongs to the person who owns the fee to the land, just as does the gas and the oil.

But the state has asserted, in the public interest, its right to regulate the manner and

degree of taking the oil and gas.

Some consider our underground water migratory.

This newspaper stands on its premise that the underground water of the Plains is the property of the individual land owner.

That does not mean that we have the moral right to waste water. We know it is wrong. We know there is a limit to the amount of the water we have.

It is so deep, and is in a reservoir so wide and so long. So much of the area of that reservoir is filled with sand and gravel or with clay and rock or things other than water.

Thus is the limit of the water

we have under a particular piece of land.

The less of it we pump the longer it will last.

These things are so elemental that it seems almost simple to mention them. Yet they are indeed basic and should be basic in our thinking.

It is well we pause occasionally and ponder what constitutes waste of water.

The most popular utterance about waste relates to water which runs down the barrow ditches along the roads and highways.

This is visible waste and should be prevented whenever possible.

It is not the major waste, however.

The invisible wastes are much greater. Among these are seepage in open ditches, transpiration by noxious or other unwanted plants, evaporation and the application of more water than necessary to obtain the most desirable economic returns. The latter means simply putting water on the land that seeps into the ground beyond the point where plants economically recover it.

These wastes are measurable.—Plainview Herald.

BATTERY THIEVES

The rash of stealing batteries from irrigation wells has everyone who knows about it pretty wrought up. Stealing horses and stealing cows got a lot of people in trouble in this country in the earlier days.

Folks are not accustomed to having people steal their property while they are away from home. Lots of people don't even lock their homes when they come to town.

That's the tradition in this area. Juries will not be very kindly disposed to thieves, especially thieves which take anything as valuable as ignition equipment for irrigation wells in a busy season.

If one took money he would be more excusable than taking valuable property and selling it for a small portion of its real value. Worse than a chicken thief.—Editor's Notebook in Plainview Herald.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

September 17, 1925

Lockney Public Schools opened for the 1925-26 session Monday morning. W. D. Biggers, superintendent, had charge of the opening. Miss Willie Meryl Trapp led the song, "America." Mr. Barnett, pastor of the Church of Christ gave the invocation and a short talk. Rev. C. J. McCarty, pastor of the Baptist Church gave a talk as did Rev. J. P. Patterson, Methodist pastor. Rev. Y. F. Walker made a talk on Americanism. F. M. Kester, president of the School Board and Mayor T. Z. Reed also spoke. A total of 523 pupils have enrolled. This is an increase of 51 pupils over last year's enrollment.

Roy Jarnigan wins first, Gerald Sams second and Ruel Cook third place in the fly catching contest sponsored by the Chamber of Commerce. The estimated number of flies caught was 36,325,800 which, if laid in a line would reach 175 miles. Jarnigan caught 29 gallons, 7 pints; Gerald Sams, 18 gallons, 4 pints; Ruel Cook, 14 gallons, 2 pints. Virgil Bennett caught 14 gallons and George Snappa caught 13 gallons. Others ranged from 5 gallons to 2 pints. They were paid 5¢ per pint.

Baker Mercantile assumed control of the Leslie Floyd Grain Company elevator in a business transaction made this week and the elevator is now reopened for business.

Lockney's first bale of cotton for this season was received here Saturday. It was brought in by L. Payne. The cotton brought him 23.90 cents per pound and a premium of \$50 making a total of \$152.53.

A severe hail storm late Thursday afternoon destroyed

1000 bales of cotton in the county in Floydada area.

September 17, 1925

The Lockney Beacon celebrates its 30th birthday this week. The first newspaper, the "Ledger" was established September 12, 1901. In 1902 the name was changed to the Lockney Beacon. The value of business from now on if business men are to receive the full benefit of their advertising plants there will be the value of the Lockney Beacon valued at \$30,000.

September 17, 1925

Bond sales in Floyd County up to Wednesday night total a total of \$179,070.00 with a quota of \$383,400 set for the county. This shows we will be \$204,330 reaching the goal.

A second card was sent this week from Hubert Griffith, a prisoner of the Japanese, who resides at Lone Star. He received his first card from two weeks ago telling he was a prisoner of war. He has been missing for 18 months.

Funeral services for Lee Barton, 63, father of E. Barton of Lockney were held at Plainview Sunday afternoon. Mr. Barton spent 25 years in Floyd county, nine miles east of Lockney before moving to Plainview.

The Senior class has the following officers: Barker, president; R. V. Winters, vice-president; Dorothy secretary; Johnny Faye reporter; and Miss Marie ers, sponsor. The class trip is to arrive this week.

An Electric Freezer IS A FLAVOR SAVER!

Freshly picked fruits and vegetables have a blush as lovely as that of a schoolgirl on her first date. Yes, and they have a flavor that's just as sweet as that schoolgirl, too. Keeping that blush and that flavor after the fruit has been picked once was a problem, but it is no more. Your electric home freezer will give you all the beauty and good taste of fresh fruits and vegetables months after you have frozen them. Don't be out of step and "out of season", buy a home freezer now for foods at their finest all year 'round.

Real savings! That's top quality and low price. Your food freezer will pay for itself in price savings alone—in just a few years—and then you enjoy always the dividends of foods at their best—frozen.

Chit And Chat

The couples that returned from last year are: Doylene and J. W., Betty and Cleon, Wanda and Gail, La Dora and Lloyd, Jean and Johnny, Sonny and Roland, Clara Lee and Don and several others.

Can La Juan's radiant smile and sparkling eyes possible outshine her diamond?

Say, Dee, what has Dallas got that Lockney doesn't have? By the way, I hear that your speedy Chevy can't quite keep up with that '55 Olds.

Say, Oddie, is your Floydada boy friend named "Swatter" or "Swanner"?

Gail, I wonder if all that happiness Friday was due to Mack's homecoming?

Jean, can't you possibly decide which it will be—a college lad or a football star?

The Pep Squad Is Ready To Go

The pep squad now contains at least forty-one members. We are meeting daily at noon all this week to practice our yells and we shall meet every other day all next week at the same time.

New uniforms, our dues, and new yells were the topics of discussion at the meeting of the "Hoop and Hollar Club" on Tuesday, the sixth. The club decided on new uniforms, which their mothers made. The pep squad girls now have brand-new maroon slacks, maroon weskits, and white long-sleeved blouses. The weskits have a white corduroy lapel on the left side, with the maroon letters L. H. S. on them. The cheerleaders have maroon felt skirts with turtle-neck sweaters. Each skirt is encircled with a white felt football, a megaphone and a football helmet. One dollar dues were decided upon. The new yells have really pepped-up our club, but we need more of them. Suggestive yells from both teachers and students will be greatly appreciated.

Come on, Pep Squad, let's create a higher school spirit than ever before. We girls are ready to go, and we shall stand behind our football team all the way in both victory and defeat.

Homemaking

All girls should take homemaking because each is an integral part of a home. From such a study, a good foundation should be gained in preparing them to best solve their problems for happy home-life, both now and in their future homes. For this reason, many of our high school girls are taking this course, and some are furthering their study by working on degrees. Degree work is optional since it is merely for the betterment of the individual. However, fifteen girls have already applied to work on a State Degree, which is the highest award of F. H. A. members. It is estimated that twenty-one will work on Chapter Degrees and twenty-five on Junior Degrees.

Third-year homemaking girls are studying food preservation. They have gathered and frozen about eighty pints of okra. Later, they will pick a shell peas and beans to be placed in frozen lockers. Canning will also be studied and practiced.

One second-year homemaking class is taking home-nursing while the other is studying the pre-school child. The first mentioned second-year pupils are learning about various diseases and how to care for the individual. Mrs. Irons has said that either a doctor or a nurse will lecture to them. The other section of second-year homemakers will have a field-trip on which they will visit either the kindergarten or the first grade to observe the actions of small children.

It's Irons' first year homemakers are learning how to use a sewing machine. They will hem cup towels and hem-stitch pillow cases.

Mrs. Briley is centering the other first year class's interest on the seven basic foods, food types and their values, especially pertaining to the breakfast menu.

EXTRA CHICKEN?

Any chicken or turkey left in the refrigerator is wonderful for a one-dish meal. Serve creamed chicken (sliced) over waffles that have been sprinkled with finely chopped nuts. Keep the creamed chicken hot in the top of a double boiler over the simmer burner.

F. H. A. Meeting

The first F. H. A. meeting of this school year was held on September 7th in the high school auditorium. The meeting was called to order by F. H. A. president, Mary Myers, who was elected in May of last school year.

The purpose of this meeting was to elect F. H. A. officers for the following term. Officers elected to serve with Mary are: vice-president, Rita Griffith; secretary, La Juan Henderson; treasurer, Sue Harper; reporter, Betty June Jackson; parliamentarian, Kay Golden; historian, Mae Beth McLaughlin; song-leader, Katy Rucker; pianist, Ernestine Spradlin.

The group voted one dollar dues, which must be paid by October first.

Mary Myers also appointed committees for the initiation, song-book selection, and fair-booth planning. Eldora Boone is chairman of the committee to plan a party for the initiation of the freshmen; and her committee-members are Rita Griffith, Ernestine Spradlin, Kay Golden and Betty Foster. Lynn Jolly is chairman of the committee to select song books, and her helpers are Betty Jean Jackson and Betty June Jackson. Sue Harper is the committee chairman to see about a booth for the F. H. A. girls at the county fair here, and her assistants are Patsy Vanek, Debra Ferguson and Pat Pierce.

Here comes what we consider the best part of this news item. You, no doubt, recall near the end of school last year that Mrs. Irons and a group of us girls ordered a beautiful F. H. A. mahogany plaque and a red and white banner. The plaque is shaped like a shield, with its dimensions eighteen by twelve inches. Both the emblem and the plates are beautifully modeled and cast in bronze. On the large plate below the emblem may be engraved each F. H. A. president and beau for seven years. Our official banner is made of white felt, with Future Homemakers of America and our official emblem in red-felt letters. Our rectangular-shaped banner is 24x48 inches.

We homemakers appreciate the school buying us those four sets of Weavever aluminum utensils for the kitchen. We also wish to thank everyone else who had a part in making all these attractive, useful additions to our F. H. A. Chapter possible.

STAND-OUT SAUCE

Here's a sauce that's wonderful to put on ham, steak or tongue as a seasoning. Melt 1/2 cup jellied cranberry sauce over hot water; mix in 1/4 cup prepared mustard. This will stand out when added to broiled steak.

Senior Class Rings Selected

Why, all the oh's and ah's among the seniors on Tuesday, the sixth? All this exuberance was due to the fact that Mr. Bill Defee had arrived with an assortment of class rings from which we seniors were to make a selection.

Senior class officers met and chose six beautiful rings, and then a class meeting was held to make the important decision. Of course, our selection was the prettiest and the most expensive of the entire lot. The class voted unanimously for a square-type ring with a fiery-red stone which gives the impression of a fire in the center.

of it. The ring is gold with a simulated garnet in the center on which is a capital L. At each side of the stone are the person's initials and 1956, the school year.

All, except two seniors, made their four-dollar deposit. Within ten weeks after the receipt of the money, we seniors shall receive our rings.

HOT BISCUITS

For that afternoon tea where guests are invited, serve small hot buttered biscuits spread with cream cheese and then with raspberry jam. They're delicious with either hot or iced

NOTHING IN ITS FIELD CAN MATCH CHEVROLET FOR ACCELERATION!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Out-rigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.

When you need a quick sprint for safer passing, this V8 delivers!

It's pure dynamite, and you have to go way, way up the price ladder before you ever find its equal.

The proof was burned into the sands of Daytona Beach at the NASCAR* trials earlier this year. In acceleration tests, Chevrolet walked away from everything else in its field. Plus all the high-priced cars except one!

It's the big reason Chevrolet's been taking all comers in short track stock car events this season. Sizzling acceleration along with handling ease and cornering ability—things that mean safer, happier highway driving. Come on in and let a new Chevrolet show you what we mean.

Drive with care . . . EVERYWHERE!

Busy Mothers Class Elects New Officers

The Busy Mothers class of the Methodist Church met Wednesday at the church for a monthly business and social meeting.

A quilt was completed to be sent to Boys Ranch, Amarillo. Aunt Fannie Brown pieced the top and donated it to the class. A covered dish luncheon was served at noon.

Mrs. Hugh Counts gave the devotional and conducted the business session in which the following new officers were elected, president, Mrs. E. R. Harris; vice president, Mrs. Les Floyd; secretary-treasurer, Mrs. Pearl Hall; teacher, Mrs. Counts; assistant teachers, Mrs. Lura Stinebaugh and Mrs. W. L. Thomas; flower chairman, Mrs. W. H. Field; social chairman, Mrs. Lura Stinebaugh; worship and program committee, Mrs. H. B. Coggin, sunshine and telephone, Mrs. Fannie Brown, reporter, Mrs. Delbert Bybee.

Present were Meses W. L. Thomas, Hugh Counts, R. E. L. Stutts, E. R. Harris, Pearl Hall, H. B. Coggin, Coy Roland, Les Floyd, W. H. Fields, Delbert Bybee, Morris Coggin was a guest.

NEW ARRIVAL

Mr. and Mrs. M. L. Boone of Childress are parents of a baby girl born Thursday, September 8. She weighed 6 lbs., 7 ozs., and has been named Paula Lynette. Mrs. Boone is the former Patsy Fortenberry. Grandparents are Mr. and Mrs. Tom Fortenberry of Cedar Hill and Mr. and Mrs. M. A. Boone of Sterley.

Mary Louise Rigdon Is September Bride

In an impressive single ring ceremony performed in the First Baptist Church, Clovis, New Mexico, Miss Mary Louise Rigdon became the bride of Truman Lee Moore Saturday morning, September 3 at 9:30. Rev. Joseph Underwood, pastor, read the vows. The bride is the daughter of Mr. and Mrs. Bill Rigdon, Lockney and the bridegroom is the son of Mr. and Mrs. E. L. Moore, Olton.

The bride was attractive in a copper colored casual suit with brown accessories. Her corsage was white carnations.

Attending as maid of honor was Miss Shari Watts of Plainview. She was dressed in a beige dress and pink accessories. Her corsage was pink carnations.

Wayne Moore, brother of the bridegroom, was best man.

Following the ceremony the couple left for a wedding trip to Roswell and Ruidoso, New Mexico.

Mrs. Moore is a graduate of Lockney High School and attended Watson's Business College, Plainview. The bridegroom is a graduate of Olton High School and served four years in the U. S. Navy. They are now at home in Olton where he is employed as a teller in Olton State Bank.

OPERATION SCHEDULED

Mr. and Mrs. F. M. Smith left Wednesday morning for Dallas where Mrs. Smith is scheduled to undergo a major operation at the Gaston Hospital Thursday morning.

GO TO CHURCH SUNDAY

TO EXCHANGE VOWS — Mr. and Mrs. Calvin Poteet of Floydada are announcing the engagement and approaching marriage of their daughter, Barbara, to Euwell Dee Kelley, son of Mrs. C. D. Kelley of Lockney. Vows will be exchanged on October 1 at 10:00 o'clock in the home of the bride's parents, Elder Dennis Taylor of Floydada will officiate.

Birthday Dinner Honors Relatives

Mrs. Homer Ragland was hostess for a birthday dinner Sunday honoring her husband and her two brothers, Wayne and Denzil Vaughan, and Mrs. Denzil Vaughan, of Silvertown.

Guests included Mr. and Mrs. Homer Ragland Sr. and boys, Mrs. J. C. Austin and family, Mr. and Mrs. H. E. Johnson, Mr. and Mrs. Thomas Morrison and sons, all of Dimmitt; Mr. and Mrs. Wayne Vaughan and boys, Mr. and Mrs. Denzil Vaughan, Mr. and Mrs. Elzie Yancy and girls, all of Silvertown and the hosts.

El Progreso Has Luncheon Meeting

Members of El Progreso Study Club enjoyed a luncheon at Plainsman Hotel in Lubbock at 1:00 o'clock Wednesday.

Mrs. Jesse Cox gave the president's message. Hostesses for the occasion were Mrs. J. C. Kemp and Mrs. Chester Mitchell.

In attendance were Meses Clyde Applewhite, Hershel Cartmel, Jesse Cox, Leslie Ferguson, Bill Hodel, L. M. Honea, J. C. Kemp, T. V. McClure, Chester Mitchell, Ewald Quebe, Guy Sams, Joe Taylor, Edd Whitfill, members and two guests, Mrs. Wanda Baker, Lockney, and Mrs. Judy Quinn of Lubbock.

Milton Finley Is Party Honoree

Mrs. Leonard Finley honored her son, Milton, with a party on his 8th birthday Tuesday, September 13 at 4 o'clock at their home.

Games were played and refreshments were served to Jerry and Stanley Watson, Rhudy and Janice Naylor, Johnnie and Gay Hancock, Gene Lynch, Robert Holland, Carla Smith, Karen Brown, Bunky and Terry Pat White, Mike Crum, David and Neil Mitchell, Jackie Mickey, Bill Hays, Paul and Steve Barker, Betty and Carolyn Stimson, Dale Brown, Charles Smith, and Kaylenn Porter. Mrs. Dowell Brewer assisted Mrs. Finley with the hospitalities.

Family Reunion Held Sunday

The Cross family reunion was held Sunday at the American Legion Hall in Petersburg.

Present for the occasion were Mr. and Mrs. John Bell, Mule shoe; Mr. and Mrs. Wilson Vines, Berger; Mrs. L. M. Warris, Lubbock; Mr. and Mrs. Charlie Cross and Gerald, Floyd; Mrs. Charlene Woody, Floydada; J. J. and Mrs. John Bell and children, Plainview; Mr. and Mrs. Ocie Cross, Amarillo; O. Cross, Petersburg; Mr. and Mrs. E. J. Huggins and children, Petersburg; Mr. and Mrs. Owen Cross and sons, Plainview; Mrs. Frank Baughman and children, Plainview; Mrs. R. B. Sterley H. D. Club Has Picnic Supper

Members of Sterley Home Demonstration Club and their families enjoyed a picnic supper Friday evening, September 10 in the beautiful back yard at the home of Mr. and Mrs. R. H. Tinsley.

Improved Crops And Farming Result Of Atomic Research

Birmingham, Ala.—The atom is at work on the farm.

The article "The Atom Works for Your Farm" in the August issue of The Progressive Farmer, Southern farm and home magazine, relates that peacetime fruits of atomic research are here with better results with fertilizer, higher yielding plants, new attacks on crop diseases and progress on pest control.

Each year more than \$1 billion is spent on commercial fertilizers with millions of dollars worth of it going to waste. Atomic tracers now can tell how and when to feed plants for greater profit.

Tracers made radioactive by exposure in an atomic furnace may be phosphorous, iron, sulphur, carbon or any one of a number of elements. The scientist mixes one of these elements with fertilizer, then applies it in different ways — near the seed, deep down in the ground or on the surface. With this tool he can tell when the plants begin to pick up the fertilizer, how much is picked up, and how long it takes to spread inside the plant.

For instance, the North Carolina Experiment Station found that the peanut plant quickly goes straight down for its plant food and fertilizer did best when placed eight inches directly under seed.

The atom is also bringing a revolutionary new kind of plant breeding. Using gamma rays to get mutations or changes from the normal breeding pattern, Dr. Calvin Konzak, a Brookhaven scientist, developed a rust-resistance oat variety in a year and a half. Usually plant breeding methods would have required 10 years and much more money to achieve the same results.

Dr. W. C. Gregory exposed peanuts to gamma rays. Results: A variety that produces 30 per cent higher yields per acre than average; another with a size and shape better adapted to mechanical harvesting; a third resistant to common leaf-spot disease.

A strain of corn, exposed to radiation, is now being grown in Florida. If it resists leaf blight atomic science will score another success.

The atomic war against screwworm fly in an experiment conducted on the island of Curacao in the Caribbean resulted in the eradication of the fly from the island in less than a year.

Without any shattering explosions or awesome mushroom clouds, scientists will continue their research for results in the form of improved crop varieties and better farming practices.

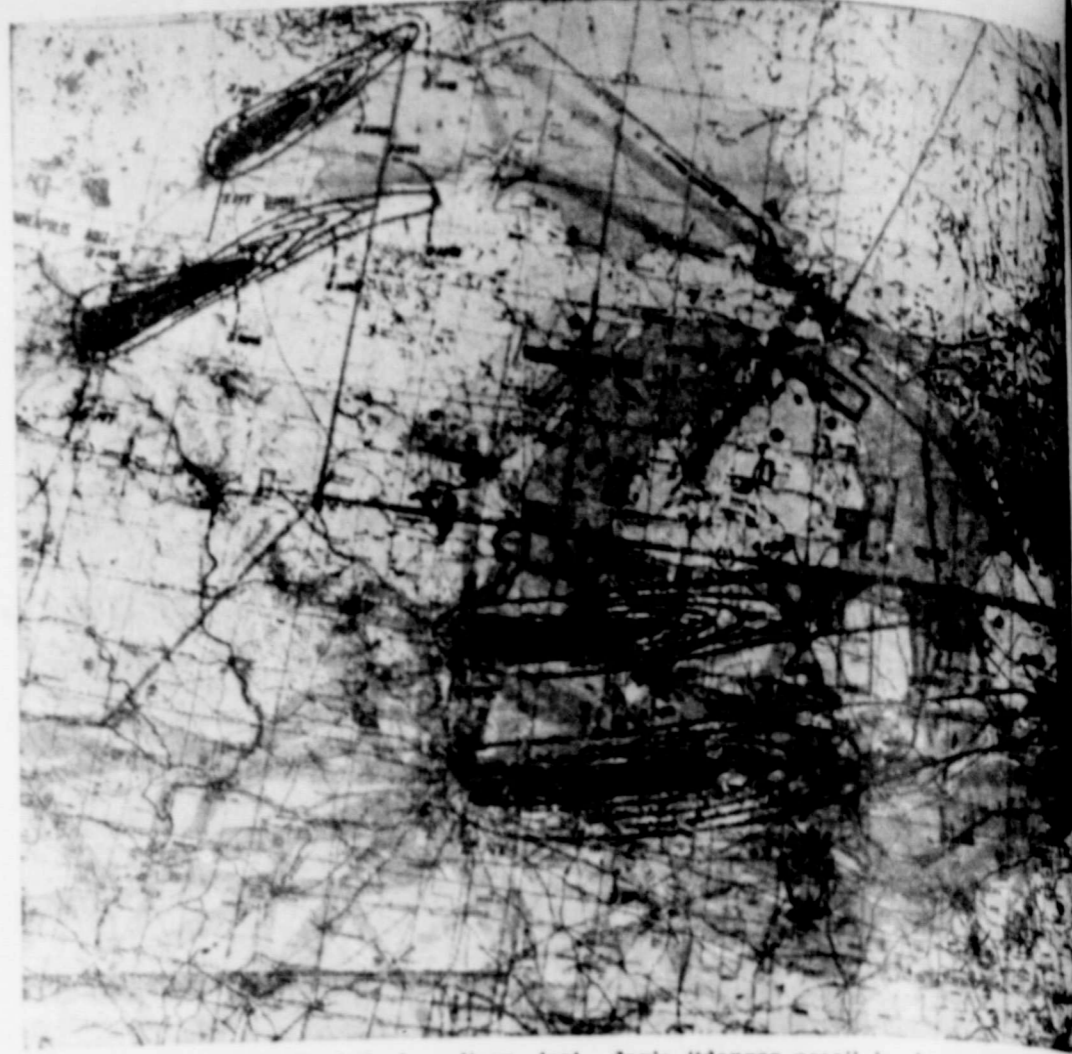

The Progressive Farmer goes to over 1,270,000 subscribers in the 16 Southern states.

USE SPACE WISELY

In older homes, owners are converting back porches, pantries and even breakfast rooms to laundries. With ample space, they can add to the laundry equipment such conveniences as stationary washtubs for hand laundering, wall cupboards for laundry supplies and a comfortable chair for "sit down" work.

RAINY DAY LIFE-SAVER

Soap bubbles are a constant source of delight to the small fry. All mother has to provide are the necessary ingredients, soap, hot water, a few drops of glycerine, gum arabic to make the bubbles more elastic, and a clay pipe or empty spoon. For added novelty, pour some strawberry juice into the solution—the bubbles will turn circus red.

TYPICAL SPRINGTIME fallout pattern last April 21 for Minneapolis, Duluth, Milwaukee and Chicago. The "isochrones" (curved dotted lines marked in hours) show how soon and how far H-bomb fallout would have covered the earth under that day's prevailing wind conditions. The day's "danger area" is shown within the black "Lines of Constant Dosage," scaled to indicate the estimated radiation intensity for the first 36 hours of fallout in areas at varying distances from the blast. Evacuation of at least the danger area would be probable. (FEDA Files)

Farm Exports Up 7% In Last Year

College Station — Exports of United States agricultural products for the year ending June 30 totaled \$3,130,000,000, an increase of 7 percent over the previous year and 11 percent above the 1952-53 total.

Extension economist Pat Wooten says the U. S. Department of Agriculture has reported that all major commodity cases showed some improvement but it took a grain buying upswing in June to bring commodity up to the level of the year before.

Exports registered gains in 1954-55 mainly for vegetable fats and oils and livestock pro-

ducts, but increases were also listed for cotton, tobacco, and fruits and vegetables.

Cited by the economist as contributing factors to the increase were improvements in economic conditions abroad the Europe's poor grain harvests in 1954.

Satisfactory levels of gold and dollar accumulations attained during the year also made it possible for some countries to expand their dollar purchases of American farm products, said Wooten. On the other hand, some European countries continue to maintain restrictions against imports from the United States. Exports would probably have increased further had foreign demand

been able to fully assert itself, he said.

The large supplies and government programs aided flow of farm products. The most important of these programs were sales for export at competitive prices, sale of foreign currencies, foreign currencies, grants to foreign countries for emergency and welfare donations in foreign countries.

SAVING FUN??
YES—SAVING CAN BE FUN WHEN YOU DO IT THE RIGHT WAY. THE SAVING FUNDS ARE BETTER THAN EVER SAVING FUNDS. YOU ENJOY THE FEELING OF SECURITY AS YOUR "BOND ACCOUNT" GROWS.

THE INDIANS HAD A WORD FOR IT
THE WORD "TOTEM" COMES FROM THE ALGONQUIN INDIANS. CONVINCED THEY WERE DESCENDED FROM ANIMALS OR PLANTS OR *TOTEM* MANY TRIBES ERRECTED THESE MONUMENTS TO THEIR ANCESTORS, AND WORSHIPPED THERE REGULARLY.

ANY LONG RANGE PLANS??
IF YOU HAVE, THEN **SAVING FUNDS** ARE NOW ENROLLING IN THE PLAN. WORKING ON MAKING THEIR DREAMS COME TRUE!

And I Quote . . .

"The man who says that only time will tell hasn't had much experience with women."—Anthony J. Pettito.

"One thing a girl does is keep an unfortunate situation from spreading."—Peter Arnell.

"The husband's the head of the house and the pedestrian has the right of way. And everything's fine until either one of them starts to prove it!"—Charley Jones.

"A college diploma is often the receipt a young man gets for the bills his father paid."—Harry Toffel.

"A philosopher's a guy who doesn't cry over spilled milk, but consoles himself with the thought that it was four-fifths water anyway!"—Mary Mayo.

Today's husband is not only expected to bring home the bacon, but to fry it and serve it too.

Mr. and Mrs. B. B. Wilkes accompanied their daughter, Patty Jo to Denver last weekend where she is attending Colorado Womans College.

KITCHEN PLANNING SIMPLIFIED
Kitchen planning is not as complicated as you might think. It's important, however, because good planning can eliminate countless steps and waste motion. Every kitchen should "have three work centers": around the sink, range and refrigerator, with working surfaces attached. Each of these "centers" should have adequate base and wall cabinets, selected to fit the center.

Carthel Reunion Set For Sunday

The annual family reunion of the Carthel family has been set for next Sunday in Plain-view park. All relatives and friends are invited to attend, according to an announcement made this week by Mrs. Doyle Harrison. The group will have church services at 10:30 a. m. with Brother Charley Watkins of Lubbock doing the preach-ing.

OFFICE SUPPLIES at The Beacon Office.

P. T. A. Membership Drive Ends Oct. 7

Mrs. Bob Miller, chairman of the membership drive for Lockney Parent-Teacher Association urges all parents to send in their membership dues of 50c each. The dues may either be sent to your child's teacher or may be handed to Mrs. Ted Oliver who is assist-ing with the drive.

As is the custom an award of \$10 will be given to the room securing the largest percent of memberships. The contest closes October 7.

Business and Industrial Review

Compiled and Edited by E. M. Thomason

Ute Drilling Co., located at 1608 S. Date St., Plainview is equipped to do all types of drilling and excavating work, and has complete equipment.

**Ute Drilling Company Drills Cess Pools,
Pier Holes, Basements And Other Excavations**

One of the leading contractors in this area is the Ute Drilling Co., of Plainview, located at 1608 S. Date St. This company is owned and operated by A. C. Stanley who moved to this section from Colorado where he was engaged in the same type of work. This firm digs Cesspools, installs septic tanks, digs pier holes, basements and does other types of excavation work.

Mr. Stanley operates three drilling rigs and employs fifteen men in his business. He recently bought a new mechanical shovel to speed up his work. His equipment is modern and fast and he can install a

septic tank in a few hours. Since moving to this region, Mr. Stanley has built a prosperous and successful business and his work is in great demand. All of his equipment is usually in operation every day and is available only on Sunday.

The work of this firm fulfills a real need for people living in rural districts away from city water and sewage connections. Farmers can now have all the conveniences that their city cousins have. Most farms today have electricity and operate a good deal of their equipment with electric motors. They can have bathrooms, electric refrigerators, deep freezers,

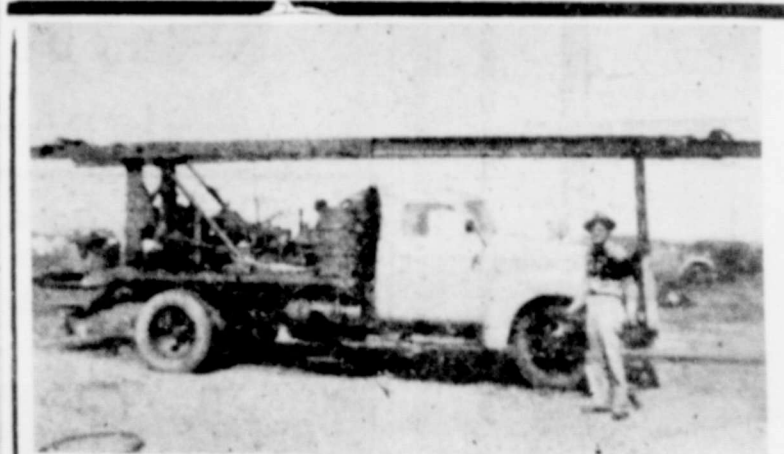

television sets and everything else any city dweller might have.

The disposal of sewage is a big problem for rural people but is easily solved by installing a septic tank and water system. Pressure pumps can now be bought that will furnish even more pressure than city water lines have and in case of fire will furnish a great deal of protection.

If you need any type of crane or shovel work done call 4-4260 and talk to Mr. Stanley about it. He will be glad to give you an estimate without charge.

**Dept. Public Safety
Seeks Drivers
License Examiners**

Austin. — Applications are being received by the Texas Department of Public Safety for appointment as Driver's License Examiner, according to a statement released today by

Col. Homer Garrison Jr., Director of the State Safety Department.

Young men between the ages of 21 and 35, inclusive, may apply between now and September 20th, closing date for receiving applications, according to Garrison.

In addition, applicants must meet the following qualifications: be not less than 5 feet 8 inches in height; weight not less than two nor more than three pounds per inch of height; have a high school education; be of good moral character and subject to rigid character and physical examinations. Also, they must have resided in Texas for at least a year.

Garrison said that examinations will be given late in September to fill 23 existing vacancies in the Driver's License Division caused by resignations, promotions and transfers.

Student examiners are paid \$275 monthly during the first month of training. They are then raised to \$306 per month for the initial three months of their assignments. After that they receive the maximum pay scale of \$315.

Additional benefits are: two weeks paid vacation annually; and both retirement and social security provisions. Application blanks may be secured at any State Driver's License District Office or by writing directly to A. F. Temple, Chief, Driver's License Division, Texas Department of Public Safety, Austin.

Beacon Office.

**Longhorns Lose
Opener 34 To 6**

Marked by stout goal line
stands and numerous fumbles
by the Longhorns, the local
football squad dropped its first
game of the season to Hale
Center Friday night 34 to 6.
The game was better than the
score indicates but the Long-
horns made some mistakes, in-
cluding fumbles, that hurt
them badly.

The Longhorns lost the ball
by the fumble route six times,
five of those in the first half.
Most of these were deep in
Longhorn territory and put the
locals in a hole. On the brighter
side, the Longhorns held the
strong Hale Center team within
their own 10 yard line three
series of downs, preventing
them from scoring.

Jerry Williams, Clifford Har-
dy and Weldon Jones were the
main ground gainers for the
Longhorns while McBeth and
Carver were the ball carriers for
the Owls.
Surprisingly the Longhorns
made 8 first downs, all of them
in the last half of the ball
game, while Hale Center made
only 6, due in part to their long
runs for touchdowns. The Owls
did not make a score on a sus-
tained drive all night.

The eager Longhorns were
penalized numerous times for
off sides but the penalty yard-
age was about even for the two
teams.

The Owls won the flip and
chose to receive to start the
ball game with the Longhorns
defending the south goal. The
Owls were unable to gain, were
penalized 15 yards and kicked to
the Longhorns on the Hale
Center 45. A fumble on the first
play gave the Owls the ball on
their own 43. Jimmy Carver
skipped end and ran 57 yards
for the score. McBeth kicked
the kick-off to Lockney's 35, the
Longhorns failed to gain and
fumbled with the Owls recov-
ering on Lockney's 10. The Hale
Center boys made 2, 2, lost 4
and made 3 with the Longhorns
taking the ball on the 7. A
fumble on the first play gave
the Owls the ball on the Long-
horns 5. The Owls made 1, no
gain, were penalized 5, made
no gain, and a pass was in-
complete with the Longhorns
taking the ball on the 9. The
Longhorns made 5, were pen-
alized 5, Jerry Williams made

15 but the play was nullified
by a 15 yard penalty and a
pass was intercepted by Hale
Center, returning to the Lockney
3. The Owls lost 1, lost 3, a pass
was incomplete and then Mc-
Beth cut through tackle for the
score. He failed to kick the
point, making the score 13-0.
The Longhorns took the kick-
off on their own 20, immedi-
ately fumbled and the Owls
recovered on the 20. The Owls
made a first down on the four
in four plays and then drove
over for the score. McBeth kicked
the point making the score
20-0.

The Longhorns again receiv-
ed the ball on the 20, again
fumbled with Hale Center re-
covering on the Lockney 10. The
Owls fumbled with a
Longhorn covering on the 1.
The Longhorns kicked to the
20, the Owls made 0, were pen-
alized 5, had two passes in-
complete and the Longhorns
took the ball on their own 15
as the half ended.

The Longhorns returned the
kick-off to their own 27, failed
to gain, kicked to the Hale
Center 40 from which point
Wayland Richardson swung
out around the Longhorns and
ran 60 yards for the score. Mc-
Beth kicked the point and the
score was 27 to 0.

The Longhorns returned the
kick-off to their own 25, kicked
to their own 49, and the Owls
completed a pass for a first
down on the 35. The Owls fail-
ed to gain further and the
Longhorns took the ball on the
ir own 38. Jerry Williams cut
through tackle for a first down
on the Hale Center 45. The Owls
were penalized to their own 35,
Clifford Hardy carried to the
28, Lockney was penalized 5
and a fumble gave the Owls the
ball on the 22. Three plays
made 2 yards for the Owls and
then they broke loose for a
first down on the 41. A long
pass was completed for a touch-
down, McBeth kicked the point
and the score was 34-0.

Jones returned the kick to
the Lockney 25. Lockney was
penalized 5, the Longhorns
made 6 and 2, Hardy made 8
for a first down on the 36. Jerry
Williams carried for a first
down on the Lockney 49, a pass
was intercepted with the Owls
back running, then fumbling
the ball and it was recovered
by a Longhorn on the Owls 43.
Jerry Williams carried to the
Owls 30 for a first down, Jones
made 8, and Williams made a
first down on the 18. Williams
carried over from here for the
score. The try for point was
fumbled and the score was
34-6.

Here the Owls second string
came in. They returned the
kick to Lockney's 44, made 0,
lost 6, lost 1, and fumbled the
kick with the Longhorns tak-
ing the ball on the Owls 20.

**Sergeant Kirk Is
In Hawaii**

25th Div., Hawaii — Army
Sergeant First Class L. G. Kirk,
son of Mr. and Mrs. I. C. Kirk,
Route 4, Floydada, Texas, re-
cently took part in battalion
training tests held by the 25th
Infantry Division on the island
of Hawaii.

The two-day test was divided
into three phases — defense,
night withdrawal and attack.
The island is about 200 miles
from the unit's home station
at Schofield Barracks on Oahu.

Sergeant Kirk, a platoon ser-
geant in Company B of the di-
vision's 35th Regiment, entered
the Army in April 1953. His
wife, Betty, is with him in
Hawaii.

The sergeant is a 1949 gradu-
ate of Petersburg, Texas, High
School and a former employe of
Lubbock Auto Company Inc.,
Lubbock, Texas.

WASH CAN TOPS

Canned goods are handled
by many people, and are bound
to gather dust on the grocer's
shelves, it's an excellent sani-
tary measure to wash off the
tops of food cans with a cloth
wrung from hot soapsuds. This
will prevent food contamina-
tion should a cover slip inside
when opened.

APPLE GARNISH

If you plan a no-meat omelet
meal, garnish the platter with
grilled apple slices. Serve muf-
fins with this, piping hot from
the oven. A simple salad, and
coffee adds the finishing touch.

Jerry Williams carried to the
5 yard line as the game end-
ed.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, SEPT. 15, 1955

TO BUILD NEW HOME

Work began this week for
the new home of Mr. and Mrs.
Eddie Holcomb located on
southwest 6th street facing
west. Contractors are the Hug-
estons brothers and lumber is
being furnished by Brunner
Lumber Company. Mr. Holcomb
is associated with his brother-
in-law, Claude Brown in Brown's
Cleaners and Clothiers here. He
recently completed his army
service at Fort Hood. Mrs. Hol-
comb is the former Betty Clark.

LT. MUSSER HERE

First Lieutenant Edgar Ray-
mond Musser of Stewart Air
Force Base, Tennessee spent
last weekend here with his par-
ents, Mr. and Mrs. Ed Musser
and family. Lt. Musser has
been piloting planes which
drop paratroopers in training
in North Carolina. In addition
to this he has been doing some
night flying frequently by
bringing troops to Reese Air
Force Base, Lubbock.

Mr. and Mrs. J. G. Kropp and
Mrs. Earl Kropp, all
of Flagstaff, Arizona left Sat-
urday after visiting Mr. and
Mrs. Paul Kropp and other rel-
atives here.

Guests in the home of Mr.
and Mrs. Ted Oliver and Char-
les Wednesday and Thursday
were Mrs. Oliver's parents, Mr.
and Mrs. Ernest Guedin of Taft.
The Guedins were enroute home
after an extended trip into
California, Washington, Oregon
and Canada.

Man puts his best foot for-
ward when he gets the other
foot in hot water.

The area of Texas is one-
eleventh of the entire United
States.

People who wake up famous
haven't been asleep.

THE LARIAT

OFFICIAL PUBLICATION OF LOCKNEY HIGH SCHOOL

Senior-High Sept. Birthdays

The following pupils are a year older this month; so we wish all of you a Happy Birthday and many more to come. We shall keep "mum" about the ages, especially the girls, who are usually not overly anxious to advertise theirs. Note the following birthdays:

September 7 — Sandra Sams.
September 11 — Clara Lee Smith.
September 14 — Dan Griffith.
September 15 — Doyle McAda.
September 17 — Eldora Boone.
September 27 — Pat Pierce.
September 29 — Carolyn Campbell.

It seems to me that a little social, with the birthday song and refreshments, is in order sometime during this month. Do you agree? Anyone, who would like to serve on such a committee, contact the president of the senior class and Mrs. Carpenter.

School Menu

September 19-24

Monday — Pickle loaf Sandwiches, Slice Cheese, green lima beans, vegetable salad, ginger cookies, milk.

Tuesday — Roast beef with potatoes, creamed carrots, tomatoes sliced, hot rolls, milk, apple sauce cake.

Wednesday — Baked salmon loaf, buttered rice, green beans, golden glow salad, hot rolls, butter, milk.

Thursday — Skillet burgers, French fried potatoes, creamed corn, peanut butter cookies, milk, fruit.

Friday — Barbecued weiners, oven potatoes, English Pea salad, cantaloupe slice, milk, hot rolls, Boysenberry pie.

Hale Center Owls Triumph Over Longhorns

Over 1200 fans were out to see the Owls and Longhorns get their season underway. Lockney's ground defense looked very good all through the game. However, the Owls dominated the first half by scoring three touchdowns and holding the Longhorns scoreless.

In the second half, the Longhorns came back fighting and scored one touchdown. Jerry Williams, 128 pound half back twisted, turned, and ran seventeen yards for that touchdown. The Owls came back and made two more touchdowns to add to their score.

David Frizzell and Jerry Williams were outstanding on the offense, while Weldon Jones and Doyle McAda showed up well on the defensive. Hale Center's outstanding player was Freanan McBeth.

It seems as if our Longhorns got off on a slow start, which probably partly accounted for their defeat of 34 to 6.

High School Fads And Fashions

Long hair in soft waves and curls seems to be the favorite hair-do with L. H. S. girls. When the pony-tail style is worn, it is usually encircled with flowers or bows. Long, short and shorter slacks and turtleneck sweaters are popular wearing apparel. However, most of the girls appear in full skirts and different style blouses. Canadian petticoats are swishing in the halls and holding full-skirts at attention. Freshman girls are appearing in attractive

Band Spotlight

With a sound from a high flute to a low bass horn, the Lockney Longhorn Band marched on the Hale Center football field playing the "National Emblem March." Led by drum-major Kitty Ford, the band stopped at midfield where several military drills were carried out.

Then the band formed the letters H. C. as they faced the Hale Center grandstand and played a fan-fare. They next marched across the field, forming a double L and playing "What's the Matter with Our Team. They're all right."

To the music of the "National Emblem March" the band then marched from the field.

Do You?

Taken From "Home Life"
When you wake up in the morning
And the sun is shining bright,
Do you smile and then assure yourself
The whole day will go right?

When you hear a robin singing
And his song is bright and gay,
Do you thank God that you're living
And can sing, and smile, and pray?

When you see the dark clouds gather
And you think a storm's in review;
And then the sun starts shining,
Are you glad it could get through?

When you stop to think about it,
Don't you think that it is best
To look at life and living
Through a veil of happiness?

GO TO CHURCH SUNDAY.

backless sundresses. Flower and button earrings are worn and the bigger the better. Stylish footwear for the girls include white boboie sox and white loafers.

Most boys have "flat-top" hair cuts, but a few still prefer the "burr ones." The current fashions of the Lockney-High boys are levis, worn with sport or western shirts. Boots or black shoes, with nylon or colorful cotton sox, are quite stylish.

Meet The Remainder Of High School Faculty

We high school pupils wish to get you better acquainted with the remainder of our faculty.

First, meet our new Junior-High principal, Mr. Claude H. Cheves. He holds both B. S. and M. S. Degrees from the West Texas State College in Canyon. He has taught in Amarillo, Spearman and Canadian and plans to continue in the profession until retirement. Mr. Cheves likes Lockney very much.

Mrs. Aubrey Holt attended Abilene Christian College, the West Texas State Teachers College, and Texas Tech, where she majored in Vocational Education. She holds a B. S. Degree. Mrs. Holt has charge of the Junior-High library and teaching history and math in junior-high. This will be her sixth year of teaching. She considers the High-Plains the Paradise-of-the-Plains and the Garden-Spot of the United States.

Mr. Henry Price holds a B. S. Degree from the West Texas State College in Canyon. He has been teaching school for twelve years, and this will be his third year to teach here. He now has seventh and eighth grade history and social science. His comments on the Lockney schools are that they are the finest little schools in the best section of the country and they turn out the best pupils.

Coach Rudy Haile majored in Physical Education at McMurry College in Abilene where he received a B. S. Degree. During 1950-51 he was coach at Ballis, and this makes his second year as head coach in L. H. S. He likes the work just fine.

Mrs. Rudy Haile majored in speech at Texas A & I in Kingsville, Texas, where she received a B. S. Degree. She teaches English in junior-high school. This is Mrs. Haile's second year to teach here, so we again extend her a hearty welcome.

Mrs. Algene Barker of Tullia, Texas, has a B. S. Degree from North Texas State College in Denton, Texas. Her teaching experience includes a year and a half in Lockney and one year in Tullia High School. Mrs. Bar-

ker has eighth grade English, reading, spelling, and health, and sixth grade math. This is her first time to teach the junior-high pupils, and she finds them a very challenging group. She considers the Lockney school system outstanding.

Mrs. Mary Walling of Florent, Texas has an M. E. Degree from the West Texas State College in Canyon. Last year she taught at Dalhart, and she now has sixth grade health, reading, and spelling, and seventh grade math, and Texas History in Junior-High. Mrs. Walling likes the Lockney School system real well.

Mrs. Mildred Zeigler of Plainview, holds a B. A. Degree from University of Texas and an M. A. Degree from Texas Tech. She majored in English and has done graduate study at the University of Colorado. Mrs. Zeigler spent two summers in European travel where she got much helpful historical information for the teaching of history and English Literature. She is a member of the National Honorary Society Educational Fraternity and the National Council of Teachers of English.

Mr. Babitzke has his B. S. and M. A. Degrees from West Texas State College in Canyon. He taught in Stratford, Texas, last year. He now teaches General Science, Biology and Chemistry in senior high.

What If

Donald Pigg was Donald Goat?

Frances Lemons was Frances Orange?

Mrs. Carpenter was Mrs. Plumber?

Veda Elland was Veda Land?

Eldora Boone was Eldora Crockett?

Mrs. Walker was Mrs. Crawler?

Pat Pierce was Pat Stab?

Mrs. Irons was Mrs. Steel?

Bobby Brown was Bobby Green?

Mr. Lyon was Mr. Tiger?

Lockney High was Lockney Low?

La Dora Ayres was La Dora Steam?

Mr. Haile was Mr. Snow?

Jerry McQueen was Jerry McKing?

Mr. Brewer was Mr. Stewer?

NOTICE

I have my ditcher back here and will be glad to dig the ditch and the gas lines to your homes.

**GEE, DAD,
YOU'RE
SWELL!**

It is a wise father who takes time out now and then to be chummy with his boy and to participate in his sports. The lad in the picture beams his pleasure as his dad prepares to "pitch him a few."

The bond of companionship between a good father and his son is one of the most helpful influences that can come into the life of a boy. Boys who enjoy such companionship seldom go astray.

What a striking contrast we observe in the other picture! Guilt and fear are written on the face of the boy with the stolen fruit. He has started on the long and painful road that leads to disaster.

Juvenile delinquency is one of the great social problems of our time. Unwholesome influences are abroad in the world to lead children astray. Without parental guidance, many of them drift into evil ways.

Parents need the help of God and the counsel of the Church in meeting this responsibility.

**THE CHURCH FOR ALL...
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

 Mrs. Alvin Nichols was admitted 9-12 for medical care.
 Mrs. H. W. Ivory was admitted 9-12 and dismissed 9-14.
New Arrivals
 Mr. and Mrs. Robert Isbell, Silverton, are the parents of a baby girl born 9-8. She weighed 8 lbs. and was named Kim Danette.
 Mr. and Mrs. Melvin Potts are the parents of a baby girl born 9-12. She weighed 8 lbs., 3 ozs. and was named Sheila Ann.

Most 2-AA Teams Lose Last Week

Most football teams in 2-AA lost their opening game along with the Lockney Longhorns last Friday.
 Olton dropped their game to Abernathy 13-0 in a strong defensive battle. The Mustangs made only two first downs against the strong Abernathy team.
 The Clovis Wildcats defeated the Littlefield Wildcats 19-6 with the Littlefield score coming in the last quarter.
 Hereford ran over the Muleshoe Mules 47 to 7 in a one-sided game.
 Memphis defeated Tulia 19-6 at Memphis.
 Dimmitt, the only 2-AA team to win, defeated Class B Silverton team 18 to 0 at Dimmitt.
 Other scores of interest to local fans were:
 Floydada 7, Canyon 2.
 Spur 41, Matador 6.
 Ralls 27, Lorenzo 7.

Farm Loan Assn. Meets Saturday

Many Floyd County farmers and stockmen are expected to attend the annual stockholders meeting of the Floydada National Farm Loan Association in Floydada Saturday, September 17. Starting at 3 o'clock, the meeting will be held in the American Legion Hall. Raymond Rucker of Lockney, president, will preside.
 Two directors will be elected for three-year terms, and Jake B. Watson, Secretary-Treasurer, will present the association's annual report.
 Entertainment will include singing by the Rucker Sisters trio of Lockney, and a drawing for prizes will be held at the conclusion.

P. T. A. Study Course Set For Tuesday

Mrs. Paul Tolliver of Plainview will be in Lockney Tuesday, September 20 to teach a study course for Parent-Teacher workers. A good number of women is expected to attend the course which will be taught in the high school auditorium from 10 to 12 and 1 to 3:30 p. m. lunch will be served in the cafeteria, according to Mrs. J. C. Kemp, president of the local organization.

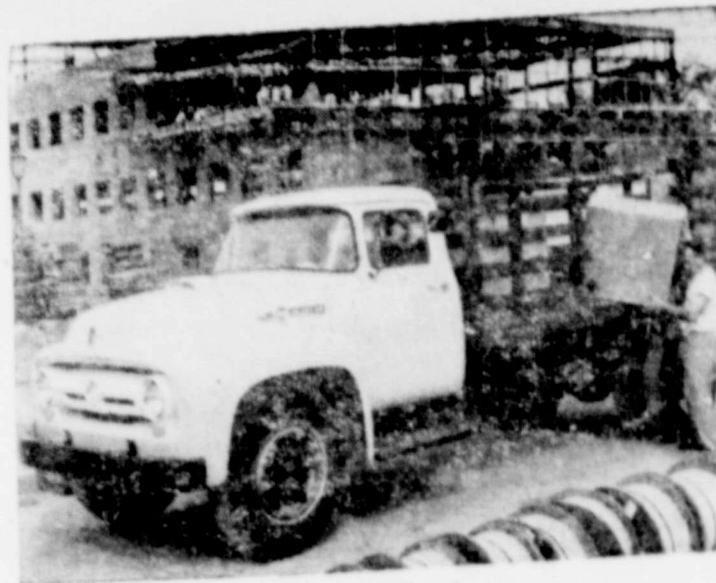

NEW ARRIVAL

Mr. and Mrs. Don Clarkston of Lubbock are parents of a baby daughter, Debra Ann born Saturday, September 10, weighing 7 pounds, 3 ounces. She was born at the Crum Hospital here. Grandparents are Mr. and Mrs. B. D. Jones, Floydada, Mr. and Mrs. J. M. Clarkston, Lockney.

ATTENDING SCHOOL

Claude Brown and Eddie Holcomb are attending an extension course in dry cleaning presented by the University of Texas at Plainview three nights each week for a two-week period.

GO TO CHURCH SUNDAY.

1956 Ford Truck

New Ford Trucks Built For Safety

Every truck in Ford's 1956 line introduces to the industry two revolutionary and exclusive safety devices as standard equipment. They are an energy absorbing steering wheel and safety door locks.
 The new safety equipment is part of Ford's 1956 "lifeguard design."
 The new energy absorbing steering wheel is designed so that the upper surface of the rim is three inches above the horn button. It is designed to absorb the impact of the driver's body if he is thrown forward in an accident. The three-spoke wheel distributes the impact force over the driver's body, and gives him added protection from striking the steering column.
 The new safety door lock holds latching rotor teeth in place and reduces the chance of the door opening under impact. This helps prevent the driver or passenger from being thrown out of the cab.
 Research statistics show that a driver's chance of avoiding injury is more than twice as great if he remains inside the vehicle.
 Safety belts are offered as optional equipment on all Ford trucks.
 In addition, tubeless tires will reduce puncture trouble and road delays due to flats. Because the liner is integral with the first ply in the tubeless tire, the rupture of this first ply cord will usually produce a slow leak rather than a blow-out.
 Increased performance of Ford truck engines will mean greater highway safety for the driver. Additional reserve power permits faster passing in a shorter distance.

Wendell Sims of Del Rio spent several days here this week visiting his mother, Mrs. G. L. Sims. Wendell is in the air force.

Rain Saturday Night Aids Irrigated Crops

Rain falling spottily in this area Saturday night will be of considerable benefit to irrigated crops in helping them to mature and fill out but was too late to be of any benefit to dry land crops.
 Weather Observer Joe Holt measured 1 inch here, a half inch fell at Aiken and from three-quarters to an inch and a quarter fell in the Pleasant Valley community, south of Lockney. No rain at all fell in the Sterley community and only a light shower fell at Providence.
 The Calvin farm, east of Lockney had 60 of an inch.

B&PW Club To Present Program Over Station KFLD

Members of the Lockney Business & Professional Women's Club will present a 15-minute program over Radio Station KFLD at Floydada on September 22. The program will be presented in observance of National Business Women's Week. The discussion will be heard during Mrs. Alma Holmes' program.
 Taking part in the program will be Mrs. Estelle Powers, Mrs. Ellen Wiley and Mrs. Wanda Baker.

Tulia B Squad To Play Here Thursday

The Tulia B squad football team will come to Lockney tonight (Thursday) where they will take on the Longhorn B squad for a practice game. The game will begin at 8 p. m.
 Coach Rudy Haile uses mostly freshmen and sophomores on his B team and they defeated the Floydada B team last Thursday night 7 to 6.
 All that some girls give up when they marry is housework.

Some 400 Attend Meeting Here

Some 400 were present at the 39th annual meeting of the Floyd Baptist Association which met with the First Baptist Church here Tuesday. The day long program included inspirational messages as well as reports on Baptist work throughout the state.
 Highlight of the morning session was a message by Dr. Carl Bates, pastor of the First Baptist Church in Amarillo.
 At the night session, messages by Dr. J. M. Lunsford, president of the Baptist Children's Home at Beeville and by Dr. A. Hope Owen, president of Wayland College, Plainview, stirred the congregation.
 The Lockney church served dinner and supper to those from other cities. Churches represented in the registration included those at: Pansy, Silverton, Fairview, Dougherty, Floydada First, Calvary Church at Floydada, Fairmount, Cone, Aiken, Friendship, Cedar, Matador, Lone Star, Crosbyton, Quitaque, Mount Blanco, Sandhill, Flomat, White Flat, Dallas, Taylor, Sweetwater, Ralls, Northfield, South Plains, Bethel Baptist Church at Floydada, Roaring Springs, McCoy, Amarillo, Plainview, Center, Bowie, Caprock, Spur, Andrews and Lockney. The association includes churches in Floyd, Briscoe, Motley and Crosby counties.

Bollworms Are Still Menace—Wipprecht

Bollworm eggs and fresh hatched bollworms are still being found in many fields, according to a report from Read Wipprecht this week. He urged careful checks be made for the late brood of little worms and suggested that poison be applied if necessary.
 "We don't expect the small squares to mature but the worms will shortly go down to the bolls and cause damage," he said.
 "Some small, fresh hatched worms are being found in red blooms, and under dried blooms sticking to bolls. Examination of shed bolls and blooms should be made as large worms are often on the ground and go back to the plant."

County Closes \$100 To Flood

Floyd County closed to the American Relief Fund, according to a statement by the county chairman, since more than \$10,000 has been raised by the national organization.

Singing At Star Sunday

The Lone Star Singers will perform at 2 p. m. at the Star school. The school is located in the town of Lovren, president invited to attend.

Preparation For Survival

CHICAGO, THE "I WILL" city of food and transportation, steel production and manufacturing, does not intend to knuckle under to any disaster. The city's recent participation in the national Civil Defense "Operation Alert" civilian preparedness exercise showed results of planning.

WHEN "AIR RAID" warning sounded, children fled from classrooms, quickly and orderly on signal.

KEY CITY officials set up emergency quarters outside city and prepared to restore service.

SCHOOLS WERE EVACUATED in disciplined manner with boys' safety patrol, teachers and traffic officers cooperating. Chicago's new International Rescue Trucks participated, showing Chicago's preparedness is beyond paper stage. Over 500,000 children took part.

THE LOCKNEY BEACON

Providence

Mr. and Mrs. Elnor Scheele of McGregor visited Mr. and Mrs. Marvin Scheele last week. Don McLaughlin has been seriously ill and is receiving treatment at a Dallas hospital.

Circle Meeting Held
The Candlelight circle of Trinity congregation held its monthly meeting at the home of Mrs. Hubert Stoerner Wednesday. Meeting opened with the singing of the theme song followed by scripture reading and prayer by Mrs. Leo Boedecker. Mrs. Karl Sammann gave the topic "Let's Look at our church Loving All Mankind." Mrs. L. B. Brandes, Life Membership and memorials chairman, gave the history of that department and also gave the topic "Courageous Workers." Rev. Anderson gave the Bible study. Mrs. Wilfred Stoerner, president, opened the business meeting welcoming the guests. In her monthly report she urged all the ladies to read the topic in the Lutheran Standard about the recent trip our international president, Miss Dorothy Haas reported on her recent trip to Europe to the World Council of Church women.

She reminded the ladies of the Texas district meeting to be held at Fredericksburg, Oct. 19, 20. The theme of the convention will be "My Church and I."

Business on hand included deciding to sell plates with the picture of the church on each plate. Mrs. Karl Sammann and Mrs. Ben Quebe are in charge of this project. The circle ladies will sell religious Christmas cards again this year. Get your cards early and don't be left out. Dolly Duz will also be sold again by the circle members. Delegate to the convention will be Mrs. Karl Sammann. Mrs. Anderson reported material for the Junior Mission Band and the first session will be held the last Saturday in this month. Please bring your children.

Meeting closed with the "Lord's Prayer." Mrs. Hubert Stoerner, hostess, served sandwiches, cake, cookies, coffee and punch to Mrs. Virgil Brasher, Barron Blair, H. L. Anderson, Ben Quebe, Leo Boedecker, Ted Boedecker, Ben Brandes, Elmo Lee Schaffner, Mac Howard, Wilfred Stoerner, Henry Sammann, Albert Kelm, Karl Sammann and Rev. H. L. Anderson, hostess, Mrs. Hubert Stoerner.

Election of officers will be held in October. Hostess will be Mrs. A. A. Schaffner.

Dedication Held At Wichita Falls
Trinity American Lutheran Church of Wichita Falls held their dedication Sunday, Sept. 11. Morning services were opened by the local pastor, Rev. Lee Roy Brandes. Dedication services of the church building was performed by the former pastors.

The dedication sermon was preached by Rev. C. N. Both, president of Texas District of the American Lutheran Church. Both the junior and senior choirs gave anthems. Dinner was served at noon.

Open house was held from 4:00 p. m. to 6:00 p. m. Vesper services were held from 6:00 to 7:00 p. m.

Those attending from Trinity congregation, Providence were Mrs. Ben Quebe, Mr. and Mrs.

parents in the Hart community Sunday.

Mr. and Mrs. Elnor Scheele of McGregor visited Mr. and Mrs. Marvin Scheele last week. Don McLaughlin has been seriously ill and is receiving treatment at a Dallas hospital.

MISS FLORRIE J. CONWAY

Miss Conway Is Librarian, Wayland

Plainview, — Miss Florrie J. Conway, Plainview, became Wayland College librarian on Sept. 1, replacing Mrs. James Bottorff, who became director of religious activities on a full-time basis, according to President A. Hope Owen.

Mrs. Bottorff has been acting librarian the past two years while Miss Conway has been at the University of Texas working toward the Master of Library science and serving as counselor at Scottish Rite Dormitory.

Miss Conway is a graduate of Wayland College, when it was a junior college, and holds the B. A. Degree from Baylor University, where she majored in English and Education. She has recently completed a seven-month library internship at Hardin-Simmons University on which she has written a thesis as part of the requirements for her graduate degree.

Prior to going to the University of Texas, Miss Conway had served for seven years as secretary to the pastor of First Baptist Church, Plainview. She is the author of "The History of the First Baptist Church of Plainview."

Miss Conway's mother, Mrs. O. M. Conway, is a counselor of Matador Hall for young women at Wayland College. Before moving to Plainview, the Conways lived at Floydada.

Fair Boosters Here Next Week

Radio and television stars will accompany a group of Lubbock businessmen to Lockney, Tuesday, Sept. 20, 1955 to greet local residents and to extend an invitation to attend the Panhandle South Plains Fair Sept. 26 through Oct. 1.

The delegation will arrive at 9:55 a. m. loaded with free souvenir balloons and pencils for the children and free copies of the "Fair News," a Fair Association publication which gives the color and highlights of the 1955 Fair. The main attraction this year is the South Plains first ice show, "Holiday On Ice," which will be staged at the Fair Coliseum Sept. 25-30. A cast of 125 expert skaters, lavishly costumed, will perform. Stars are Jinx Clark and Bobby Blake along with Olympic skating star Sonja Kaye.

The businessmen will also tell of the nearly doubled livestock premiums, the new swine and cattle barns, the newly-paved midway, and the performance of the singing cowboy, Tex Ritter, who will entertain Fair audiences Saturday, Oct. 1.

While here, Lubbock businessmen will present free Fair tickets to the superintendent of schools for all local children, since the Fair Association has designated Monday, Sept. 26 as "Area School Day." The bus-

THE LOCKNEY BEACON, LOCKNEY, TEXAS, SEPT. 15, 1955

ACC Celebrating 50th Anniversary

Abilene. — Abilene Christian College will relive its past, evaluate the present and chart its future during the 50th Anniversary Celebration this year.

The ten Golden Anniversary events already planned are:

Sept. 19 — Formal opening ceremonies of 50th Annual Session, with principal address by H. E. Speck, retiring dean of Southwest Texas State Teachers College.

Nov. 3-5 — Annual Homecoming Celebration.

Nov. 15 — "Symposium on Progress and Perspective in Science."

Feb. 7 — "Symposium on Appreciation of the Arts."

Feb. 19-23 — The 38th Annual Bible Lecture series.

March 6 — "Symposium on Contemporary Religious Thought."

April 7 — Citizenship Day.

April 13 — "Symposium on Communication Through Words."

May 4 — "Symposium on Social Sciences in the Modern World," headed by Boyd C. Shafer, executive secretary of the American Historical Association and managing editor of the "American Historical Review."

May 27-28 — Fiftieth Commencement Exercises.

Sept. 15-April 15 Is Inspection Period

Austin. — Col. Homer Garrison Jr., Director of the Texas Department of Public Safety, announced today that the Public Safety Commission has set September 15, 1955, through April 15, 1956, as the new Motor Vehicle Inspection period for state motorists.

Garrison pointed out that this will give Texas car owners a full seven months to report to one of the more than 4,000 licensed inspection stations in the state for a safety check of their vehicles.

THAT ADDED TOUCH
If you like to make your salad dressing fresh, try the new salad dressing mixes that come in envelopes. You can make your own cheese croutons, too, by using this easy recipe: cut slices of crusty French bread into 1/2-inch cubes and toss in a mixture of equal parts melted butter and grated Parmesan cheese. Brown in the oven at a moderate temperature.

South Plains

by Mrs. Murray Julian

The rain Saturday night didn't reach much farther north in our community than the Otho Sanders farm, with only a light sprinkle elsewhere. Most farmers are still watering cotton and feed. Roy Bledsoe at the South Plains Elevator reports the first load of maize of the season coming in early last week. They are expecting this coming week to be a busy full one. Ivy Schoenvelt brought in the first load of maize this year.

First Lieutenant Billy Jack Welch, and Mrs. Welch visited his aunt, Mrs. Paul Snodgrass and family Saturday. Billy is a Navy jet pilot instructor being transferred from Kingsville, Texas to become army instructor at Phoenix, Arizona.

Wade Deavenport went to Truman, Arkansas last week when his son, Norman Wade and family went back to their home. He spent the week with them. On Thursday Herman Thornton went to Amarillo to meet Wade as he was on his way back home. While in Oklahoma Wade went through the allergy clinic.

Bryan Karr went to Quanah Wednesday where his mother had been recuperating from a recent illness. He took his mother from the hospital to her home in Fort Worth.

Dinner guests at the Fred Fortenberry home Monday were Mr. and Mrs. John Fortenberry and Mr. and Mrs. Garland Tucker of Cedar Hill. Other visitors during the week while Elmo was home were Rev. Horace Krebbs, Phil, Robert and Jimmy, Rev. and Mrs. J. J. Futch and children, Mr. and Mrs. Robin Fortenberry and Eldon, Mrs. B. J. Gill, M. and Mrs. Lewis Harston, Miss Patsy Harston, Mr. and Mrs. Garland Tucker, Mr. and Mrs. John Fortenberry and Mrs. N. C. McCain. Mrs. Fortenberry served ice cream, cake and drinks to those who visited Thursday and Saturday nights.

Mr. and Mrs. M. G. Cassel of South Plains were hosts Tuesday night to Mr. and Mrs. Roy Bledsoe and Bill. They enjoyed games of "42". Refreshments were served.

Mr. and Mrs. Walter Wood and Mr. and Mrs. Jimmy McCown arrived home from Worland, Wyoming Wednesday after a ten day trip.

Last Sunday Mr. and Mrs. Harry Hartman and boys and

Mr. and Mrs. Charles Hartman attended a reunion of the Jarnagin family. Mrs. Hartman's folks, which was held in Silverton at the home of her brother, Marlin Jarnagin and family. About thirty members of the family attended.

September 8 in the council room at Floydada, a group of H. D. members met to make hats, learn about styles, colors and textures for the coming season. Mrs. Dunlap and Mrs. Thornton were instructors. Most of those attending made two hats. They brought a sack lunch for lunch. Those attending from here were Mies, R. G. Dunlap, Skeet Thornton, Sylvie Kinnibrugh, Leighton Teeple, John Smitherman, M. G. Cassel, Grigsby Milton Jr., H. L. Marble and J. D. Webb.

Mr. and Mrs. Thomas Pierce and children of South Plains had as guests Sunday, Mr. and Mrs. S. D. Kinnibrugh, Beth and Marilyn.

Mr. and Mrs. Grigsby Milton Jr., Donita and Barbara Sue went to Amarillo Sunday morning and spent the day visiting his mother, sister, Linnie and brother, Mr. and Mrs. Otis Milton and children. The Miltons went to see the Amarillo Cavacade of Homes Sunday afternoon.

Mr. and Mrs. Fred Fortenberry and Elmo left Sunday for Amarillo where Elmo caught the two a. m. plane for San Francisco, California where he will be at the naval base until further orders. He has been home the past fifteen days on furlough. They all had supper with Mr. and Mrs. John McCain in Amarillo.

Mr. and Mrs. Sim Reeves had their youngest son, Bob, wife and Sandy home with them Friday and Saturday. They went back to Kingsville, Texas where Bob attends college. The Reeves are keeping their grandson, Randy, this week and on Saturday will take him to Brady where his parents will meet them and take Sandy home.

Mr. and Mrs. Deral Young left last week for a vacation which will take them to the Gulf of Mexico. They will spend some time in New Orleans Thursday Mrs. R. E. Young and Peggy had supper with them and during the afternoon they all visited in the home of Mr. and Mrs. Don Shurbet, and enjoyed a freezer of home made ice cream.

Mr. and Mrs. Roy Bledsoe and son, Bill, spent Sunday afternoon visiting Mr. and Mrs. Murray Julian and Bruce.

The Young Married Couples Sunday School Class of the Baptist Church went in a body to Plainview Monday night to enjoy a night of recreation at the skating rink. Those who attended were Messrs. and Mmes. L. H. Faus and family, L. N. Johnson and Carlton H. S. Calahan Jr. and girls, Garvin Beedy, Rex Smitherman, Thomas Pierce and children, Kenneth Bean, Sylvie Kinnibrugh and girls, Sterling Cummings, Dalton Thompson and Miss Joy Walner of Edmonton, Alberta, Canada, guest of Mr. and Mrs. Rex Smitherman.

Mr. and Mrs. H. D. Hale and Nathan from LeFors visited from Friday until Sunday with her sister, Mrs. R. E. Young and family. Mrs. Hale, Mrs. Young and Peggy visited Mr. and Mrs. Don Shurbet Saturday noon.

Rev. M. S. Blair, retired missionary from Argentina who spent last week in the home of Rev. and Mrs. L. H. Faus went to the First Baptist Church at Crosbyton on Tuesday

night with Mr. and Mrs. Frank McClure. Wednesday night H. S. Calahan Jr. took him to the First Baptist Church at Lockney. Thursday, Thomas Pierce took Rev. Blair to the Aiken Baptist Church and on Friday night Bryan Karr took him to Silverton where he spoke at the First Baptist Church. Speakers at the South Plains 1955 School of Missions and Stewardship during each night this past week were Charles Luck, Roy Davidson, Lloyd McGinnis, Mrs. Helen Heck and A. G. Hamrick.

P. M. Smitherman has arrived home from Edmonton, Alberta, Canada, where he has been staying since April with his daughter, Mrs. W. Fred Cox and family. Mr. and Mrs. Cox, Miss Joy Warner, all of Alberta, with P. M. Smitherman flew here in the Cox's private plane Sunday and are staying at the P. M. Smitherman home. Monday at dinner all of them with Mr. and Mrs. Rex Smitherman, Kelly and Bryan, were guests in the home of Mr. and Mrs. John Smitherman.

Mrs. Bryan Karr visited in Lockney Thursday with her parents, Mr. and Mrs. H. S. Calahan Sr.

Mr. and Mrs. R. G. Dunlap and children and Mr. and Mrs. Sylvie Kinnibrugh and girls spent Saturday in Lubbock where they went to see the Lubbock Cavacade of Homes and then visited at KCRD television station where the children were guests in the afternoon. Becky, and John Dunlap, Beth and Marilyn Kinnibrugh were on "Playtime" and John was the lucky recipient of the jackpot prize for the afternoon.

Mr. and Mrs. George West left Wednesday morning for Ruidiso, N. M. to spend the week at their cabin. Mrs. Willie West was better Thursday morning and she will be at a daughters home for a few days to recuperate from her illness.

New homes are going up in our vicinity with Mr. and Mrs. Early Pritchett and Mr. and

Mrs. John Key West having new homes on the Silverton highway. Both are on the west side of the highway and foundations are fast going in. The new home of the Grigsby Miltons is in the inside decoration stage now. We are all proud

of the new look the home our community.

Gospel of Christ

MAIN STREET
CHURCH OF CHRIST

THOS. McDONALD
Proacher

Are You A Retarded Christian?

(Read 1 Cor. 3).

Every Christian must start out as a spiritual baby. When a sinner trusts in the Lord Jesus Christ enough to repent and be baptized into Christ, he is born again "of the water and of the Spirit" (John 3:5). God adds him to his family just as he adds all those who have been saved from their sins (Acts 2:47). But this new Christian is still a spiritual baby. He must drink the sincere milk of the word of God and exercise himself in godliness so that he can grow up to be like Christ.

But some babies never do develop. They remain immature through life. So some Christians never develop spiritually. They remain babies even after they have been in the church for years and years. They never learn to study the word of God for themselves. They demand that someone else feed them milk rather than solid food. They do not learn to pray but are content to be prayed for. They become spiritual parasites drawing their sustenance from the spiritual lives of others. They are dead weights as far as the kingdom of Christ is concerned. They refuse to work in the church, and without exercise the little food they do take does not develop strong muscles.

The Christian Way is an upward climb. Nothing goes uphill without the expenditure of energy. Of course anything will roll downhill by itself. The way to heaven requires spiritual activity. The Christian must constantly think, pray, study the Bible, give to others, love others, seek to win souls to Christ. Christianity is a personal relationship to God through Christ which expresses itself in love toward others. Paul encourages us "to present our bodies as a living sacrifice, holy, acceptable to God, which is your spiritual service."

Are you a retarded Christian who has never studied the Bible for himself and never understood more than the kindergarten lessons in the Scriptures? Are you unable to stand Bible preaching and teaching designed for spiritually minded adults? Let us urge you to forage for yourself in the pastures of God's word. Do not be an infantile Christian. Study and work and grow up in Christ. And if you have not yet become a Christian according to the pattern set forth in the New Testament we urge you to do so at once (Matt. 16:15, 16). God can save you through Christ and make a saint of you—able by his grace to serve Him eternally.—Selected.

Johnson-Rayburn Day At State Fair

A "Johnson-Rayburn Day" will be observed at the 1955 State Fair of Texas in recognition of the fact that both the majority leader in the U. S. Senate and the Speaker of the House of Representatives are from Texas — the first time in recent U. S. history that the two top congressional posts have been held by men from the same state at the same time.

Thursday, October 13, has been designated in honor of Sen. Lyndon B. Johnson of Johnson City and Rep. Sam Rayburn of Bonham, and the important offices they hold in Congress.

"It is a great distinction for the state of Texas to have Texans serving in both these top congressional positions," Fair President R. L. Thornton said.

"In having a Johnson-Rayburn Day at the State Fair, we are honoring the offices they hold as well as the men, and in so doing are calling attention

to the importance of Texas on the national scene," Mr. Thornton said.

The Fair's program for the day will be entirely non-political, Mr. Thornton said.

Plans are now being made for proper recognition of the two national figures at a ceremony during the special day, he said.

Representative Rayburn has represented the Fourth Congressional District since 1913. He was first made Speaker of the House in 1940 and this year again an unprecedented seventh term as Speaker.

Senator Johnson was first elected to the Senate in 1948 and was re-elected in 1954. He was minority leader in the Senate during the period 1951-53 and became majority leader in January 1954.

Davy Crockett is buried in the marble sarcophagus of San Fernando cathedral at San Antonio, Texas.

The Treaty Oak tree in Austin, Texas, is 500 years old.

Girls who look like a million are looking for it, too.

Color Television, Texas Size

Color television will be introduced to Texans on this giant, movie-size television screen at the 1955 State Fair of Texas, Oct. 7-23. The singer is being televised by the camera visible at lower left-hand corner of picture. Both Dallas TV stations will transmit color programs daily from the fair and closed circuit shows visible only on sets at the fairgrounds will be presented nightly. The RCA Color TV Caravan, the only mobile color TV unit in the world, will be based at the fairgrounds all during the fair.

The LARIAT

Why Study Literature?

Every school subject we take helps in the development of well rounded individuals who are better prepared to meet the duties and responsibilities of life. Many of us fail to understand why we study certain courses, because we do not see the value of them in every-day living. At the beginning of the school year, these goals are usually discussed in class so that each pupil has a motive in his daily work.

Why study Literature? First, it helps us to read with comprehension. Reading is not merely word-calling; it is getting the thought from the printed page. As a person must be able to read in order to learn any and all of his subjects, it is very important. It has been said that anyone who reads extensively and intensively, can more or less educate himself. We realize the necessity of it in all phases of learning.

Literature should help in-

crease our vocabularies. Since the majority of us have quite meager ones, we should strive to learn and to use one new word daily. It is said that the first and the second times a new word is used, the speaker is quite self-conscious and somewhat startled. His third attempt puts him more at ease, and frequent usage soon makes the word his very own. A correct choice of words not only enable one to influence others, but it also helps him to become a leader.

Another reason for the study of Literature is to cultivate more appreciation of the beauties of nature and of life. Poetry is the key that opens the eyes to keener observation and a better appreciation of the little commonplace things about us which we often fail to notice. Do you really observe and stand in awe at his handiworks in a magnificent sunrise, a gorgeous sunset, fragrant colorful flowers, etc., or do we hastily and thoughtlessly take all these wonderful things for granted? We may find it necessary to cultivate a taste for poetry as one cultivates a taste for classical music, but we know it can be done.

Literature also serves as a link between the past and the present to such an extent that a knowledge of the historical background and the authors' environment are often essential to an understanding of their writings. Otherwise, we pupils may consider the poetry or the prose selection silly and meaningless. We must be able to visualize the age in which an author lived and wrote true before we can fully realize the significance of his works.

Literature, especially prose selections, gives us a better understanding of human nature. We get the whys, wherefores and results of the characters' actions and at the same time become acquainted with him as an individual. Their reactions under certain conditions may be helpful in the solution of some of our problems.

Literature also teaches such

universal truths as honesty, kindness, helpfulness, loyalty, bravery, thrift, perseverance, industry, generosity, etc. These aid in character building.

As reading may be both enjoyable and profitable, it provides one with an excellent way to spend his leisure time.

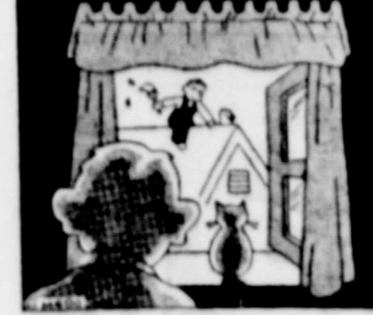

In conclusion, we study Literature for the following reasons: to learn to read with comprehension; to increase our vocabularies; to learn to appreciate the beauty all about us; to link the past with the present; to build character; to get a better understanding of human nature; to provide leisure-time enjoyment.

Do you consider the study of Literature worthwhile?
