

dimmitt about and castro county

by b. m. n.

It will be to the interest of all Texans, especially those depending on agriculture from any standpoint, to reelect Senator Ralph Yarborough to another six-year term in the United States Senate. Senator Yarborough has been a real friend to the farmer during the time he has served in the Senate. He has supported all bills coming before the Senate that were designed to benefit agricultural economy, and in many instances has authored and sponsored bills at the behest of his farmer constituency.

Being a native Texan, of rural East Texas, Senator Yarborough understands and is sympathetic to the needs of Texans and problems upon which the growth and development of our state depends. He has stood up for agriculture, he has been outspoken against oil imports that so drastically affect the state's economy, he sponsored a bill to limit or cut back foreign beef imports, he was instrumental in securing a sugarbeet quota for Texas which resulted in the building of Texas' first sugar beet refining plant, in fact he has been in the forefront in championing the interests of agriculture since he was first elected to the United States Senate.

Through the seniority and merit system in the Senate Senator Yarborough has gained appointment to a number of important committee posts which in the future will make his work in the legislative body more effective. He is well liked by his contemporaries in the Senate, on both sides of the aisle, as has been attested to on many occasions by testimonials of various types.

In general legislation Senator Yarborough voted with the Democratic majority on practically every occasion. He has a deep and dedicated interest in the education of the youth of the nation, in veterans and veteran's dependents and a deep and compassionate interest in indigents and the unfortunate members of our society.

While working for the best interests of the country as a whole Senator Yarborough has had to serve as a one-man team in representing the interests of Texas in the Senate for the past four years. Among his many accomplishments for the state has been the passage of a Senate bill establishing the Padre Island National Park off the Gulf Coast of Texas, and he is working on the establishment of a National Park in the Guadalupe Mountains of West Texas. He will continue to work for the best interests of all segments of the Texas economy and deserves on overwhelming vote of confidence from the Texas electorate in the coming election.

Yarborough, a native born Texan, understands Texas and has the interests of Texas at heart. He has proven ability as a legislator, and has represented his state well while the junior Senator from Texas, Senator John Tower, has opposed and voted against every piece of administration-backed legislation. It would be disastrous to the interests of Texas for the imported Republican candidate, oilman George Bush, to be elected to the United States Senate.

While Senator Yarborough is running for office on his record, and a mighty fine one at that, his opponent has failed to offer a program of action other than a negative approach to all governmental programs. His main theme so far has been personal attacks on the incumbent Senator and a type of character assassination that we have become accustomed to in Texas.

Local Auxiliary Members Attend Area II Meeting

Seven members of the Plains Memorial Hospital Auxiliary attended the annual Texas Association of Hospital Auxiliaries District I Area II meeting in Amarillo, Thursday, October 15 at the Tascosa Country Club.

Attending were Mesdames L.C. Braafladt, J. C. Gilbreath, president, Charles E. Armstrong, Bruce Wooddell, Raymond E. Wilson Calvin Lippard and G. I. Clingsmith.

Program featured "What Does Your Auxiliary Mean To Your Administrator."

Presiding during the morning session was Mrs. Harold E. Brady council woman District I Area II.

Mrs. H. H. Abernathy, president of Texas Association of Hospital Auxiliaries spoke on "What A Hospital Auxiliary Means to the Hospital."

Mr. F. S. Walters, Jr., administrator of Amarillo Hospital District gave a report on Amarillo Medical Center. Construction on the Center which is to serve several surrounding counties will start soon according to Walters.

Mother Angela Clare, administrator of St. Anthony's Hospital spoke on the subject "What A Hospital Auxiliary Means to the Hospital Auxiliary."

She pointed out that the Auxiliary is a go between the Hospital and public, helped in better patient aid and fund raising projects.

After luncheon a film was shown on the "Junior Auxiliary in the Hospital."

After a brief question and answer period, the meeting was adjourned.

Salvation Army Drive Scheduled

Kickoff date for the annual Salvation Army Drive is Thursday, October 29 announces Raymond Wilson, chairman of Castro County Salvation Army Service Unit committee.

The drive will commence with an early morning breakfast at 7 a.m. Thursday at the Steak House Jack Flynt will be serving as county-wide campaign chairman.

Rev. E. H. Phillips of Hart will head up the campaign in the Hart area.

Assisting Flynt will be eight teams of six workers per team for the Dimmitt solicitation. One worker will canvass each of the rural communities of Sunnyside, Flaggumbo and Easter.

Young Democrats To Have Fund-Raising Dinner

Castro County Young Democrats will have a fund-raising dinner Tuesday, October 27 at South Grade School cafeteria at 8 p.m.

Tickets will be \$5 per plate for adults and \$2.50 per plate for students.

Dr. Byron Abernathy, a labor arbitrator of Lubbock, will be the guest speaker at the 55-a-plate dinner.

Abernathy was raised in western North Dakota. He received his Bachelor's degree from State Teachers College in Dickinson, North Dakota. He received his Master's Ph.D. from the University of Iowa.

The speaker has served as registrar at State Teachers College at Dickinson and a professor at University of North Dakota, Western Reserve in Cleveland and other schools.

Dr. Abernathy was associated with Texas Tech from 1941-1957.

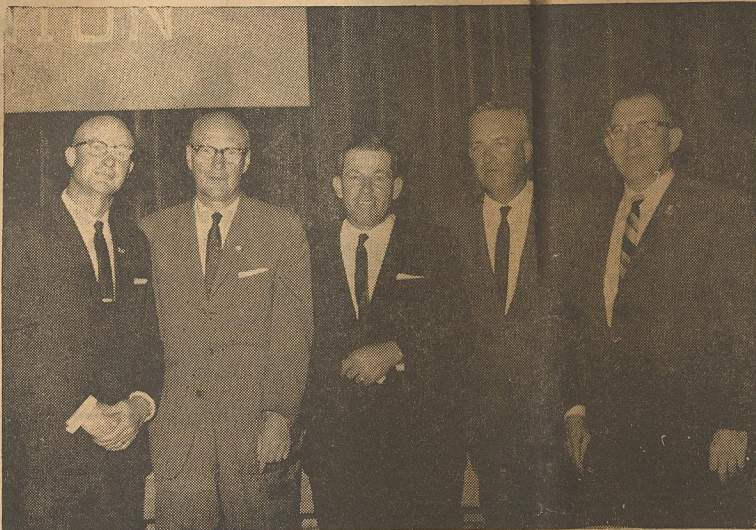

He says, "It is most important for welfare of country that the Democrats are returned to office—all democrats—including Mr. Yarborough. Even if you believe the worst that Senator Goldwater says about President Johnson he still merits our support because of the alternative Mr. Goldwater presents."

Dimmitt Seniors Plan Car Wash

Senior class of Dimmitt plans a car wash Saturday, October 24 starting at 9 a.m. to raise funds for the class.

Seniors will be washing cars at 1002 Maple, Gene Seely's Enco Station and 300 N.W. 4th.

Call 647-3510 for free pickup and delivery of car. The wash job will be \$2 per car.

ATTENDING FARMERS UNION BANQUET last Thursday night were the following dignitaries (left to right) Carl King, newly elected president of Castro County Farmers Union; Charles F. Brannon, General Council for National Farmers Union; S. L. Garrison, secretary-treasurer for Castro County Farmers Union; John Merritt, outgoing vice-president of Castro County Farmers Union; and Jay Naman, State President of Farmers Union. See story for details. —Staff Photo

Brannon Addressed Local Farmers Union Thursday

Charles F. Brannon, former Secretary of Agriculture, spoke to over 120 people Thursday night at Farmers Union banquet on the role that farm organizations can and should play in agriculture policies.

"There was never a greater need in Texas for a strong Farmers Union," stated the speaker.

Farmers Union was organized in Texas in 1903 according to Brannon. During the 1960 administration great interest was given to rural areas. "Farm organizations such as Farmers Union have played important roles," states Brannon.

"The 1965 Congress will be faced with the responsibilities of formulating several new farm programs which will be terminating next year stated Mr. Brannon. Legislation will be needed for wheat, feed grains, cotton, sugar and dairy, etc."

According to the speaker, there are two aspects of good legislation: (1) get good legislation on the books; and (2) have an administration who is willing to make legislation work the way it is written.

Brannon says, "Texas has responsibilities. Farmers Union was started here and Texas has supplied the United States with a President and Leader. He will listen to the people from home (Texas)."

The speaker states, "Farmers Union believes in a strong and stable farm program."

"Gross farm income since 1960 has raised 10 per cent," quoted the lawyer.

"There is much yet to be done on the farm front," he pointed out. Brannon gave a short statistical report on the voting record of Barry Goldwater in farm programs. The record follows:

AGAINST 90 per cent support on basic crops, 1954 and 1956

Texaco Station Is Under Construction

Construction will start in the near future on a Texaco station to be located on the corner of Jones and Broadway announces Joe Benson, local Texaco dealer.

The forms are being erected presently for the foundation. More information concerning the building will appear in later issues of The News.

Methodist Women Plan Prayer Week

Woman's Society of Christian Service and the Wesleyan Service Guild of the First Methodist Church will join more than 17,000 Methodist women throughout America the week of Oct 25-31 in observance of "Annual Call to Prayer and Self Denial."

A special program on the theme "Recognition, Renewal and Response" is being planned for Oct. 28 from 4:30 to 5:30 P.M. at the Methodist Church. All women of the church are urged to attend and women from other churches here are cordially invited to join in this week of prayer. The nursery will be open.

Funeral Services Held Saturday For Mrs. Gatewood

Services for Mrs. Arrie L. (J. W.) Gatewood were held Saturday afternoon in Bedford Street Church of Christ, Dimmitt.

Marion McKinney, church minister, officiated, assisted by Gene Fooks minister of Central Church of Christ, Hereford.

Burial was in Muleshoe Cemetery under direction of Dennis Funeral Home.

Following a lengthy illness, Mrs. Gatewood passed away early Thursday in Plains Memorial Hospital, here.

Native of Bell County, Mrs. Gatewood was born September 26, 1879. She married J. W. Gatewood in 1899 at Meridian. They came to the Dimmitt area in 1934, where they farmed later moving to Muleshoe, Nolan of Anaheim, California, and L. C. of Leavanhurst, Kansas; four daughters, Mrs. J. W. (Velma) Birchfield of Dimmitt, Mrs. C. M. (Altha) Owens of Fort Worth; Mrs. H. E. (Stella) Wester and Mrs. Willodyne Brooks, both of Hereford. One daughter preceded her in death in 1948.

Other survivors include three brothers, Ed Taylor of Medford, Oregon, Ernest Taylor of Stratford and Joe Taylor of Comanche, Oklahoma; four sisters, Mrs. Kate Webb and Mrs. Edna Webb of Claude, Mrs. Jess Raper of Jacksboro, and Mrs. Olive Raper of Graham; 29 grandchildren, 32 great grandchildren, and a host of nieces and nephews.

WASHINGTON D. C. TRIP — Mr. and Mrs. Bryan Sinclair and Mr. and Mrs. W. E. Thompson have returned from Washington, D. C. where they visited with their children, Ivan Earl Sinclair and Mrs. Sinclair, daughter of Thompsons. The group enjoyed a tour of the White House and a meal there. Ivan Sinclair serves as an aide to President Johnson. Mrs. Sinclair teaches school in Washington.

Johnny Linn of KDHN served as master of ceremonies. Burr Morris, pastor of First Presbyterian Church led the invocation. Mrs. Keith Howard provided dinner music on the organ.

Milady Garden Club Flower Show Awards Given

Mrs. Bryce Dowell took the two tri-color awards offered Saturday afternoon at the annual Milady Garden Club flower show held in the South Grade cafeteria.

Mrs. Dowell won sweepstakes honors in the artistic division of the flower show. Both of her fresh and dried arrangements won tri-color awards "Fresh arrangement" was in the "Sunset Glow" division. Dried arrangement was in the "Season's End" division.

Junior winners in the artistic division of the flower show were Teresa Bruegel and Deana Hartgrove. Teresa won a tri-color award for her fresh arrangement.

Deana won a tri-color award for her dried arrangement.

First place (blue ribbons) winners

in the artistic division included Mae Hargrove, Carolyn Sides, Marilyn Carver, Alice Bruton, Alice Gambelin and Gail Bruegel.

Blue ribbon winner in the Horticulture division of the flower show follows:

Gail Bruegel—Floribunda Alice Bruton—Hybrid

Chrysanthemums: Mary Cluck Ina Cleavinger Karen Kendrick Alma Ott

Bobby Bruegel Darlene Dowell Edna Touchstone Gail Bruegel

Mrs. N. F. Cleavinger Mrs. Lester Dowell Gail Bruegel, carnation Mary Cluck—Nasturtiums Bernice Dutton—gladiola

Milady Garden Club wishes to give special thanks to Ina Cleavinger, flower show chairman and other chairmen who helped make the Annual Flower Show a big success.

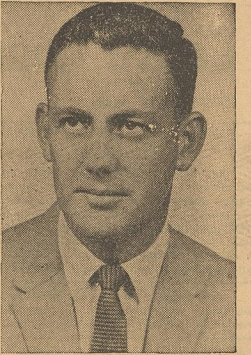

SWEEPSTAKES WINNER of the Milady Garden Club annual Flower Show was Mrs. Bryce Dowell. She is pictured here with her two tri-color award winning arrangements. Mrs. Dowell won awards in the fresh and dried arrangement divisions. See story. —Staff Photo

Meeting Planned Tonight Concerning Multi-Purpose Dam

A meeting will be held tonight at 7:30 p.m. in the basement of the courthouse to explain the possibilities of the building of a multi-purpose dam on the Running Water Draw project.

The meeting is sponsored by the County Program Building Committee for the purpose of informing county citizens on what will be involved in such a project.

Chairman Bob Anthony urges that all interested individuals make a special effort to attend the meeting.

DUDLEY BRAGG Evangelist

Youth Council To Meet Sunday

Interfaith Youth Council will meet Sunday, October 25 at 4:30 p.m. in Lamar Fellowship Hall of the First Methodist Church, Dimmitt.

The committee selected to organize the CROP "Trick or Treat" Drive will report on its meeting of October 18 and final plans will be made for the project.

All members of the council are urged to be present.

Bobcat Booster Club Organized

Bobcat Booster Club was organized Monday night with the officers being elected.

Officers are James Bradford, president; P. O. Goodwin, vice-president; Goldman Dyer, secretary; Stanley Schaeffer, treasurer; and Buddy Byrnes, public relations director.

The Booster Club is working on a membership drive and membership is open to all Dimmitt fans.

Booster Club activities for this week consist of making posters to be used at Pep rally and football games backing the Bobcats.

Everyone wishing to back and give support to the Bobcats are asked to attend pep rally Friday afternoon at 3:10 p.m. in the High School gym.

Local Legionnaires Attend Eighteenth District Meeting

American Legionnaires from Dimmitt were represented at the Fall Convention of the 18th District American Legion in Amarillo, October 17 and 18. The meeting was in the Herring Hotel.

Judge Mary Lou Robinson of Amarillo headed the list of outstanding speakers.

A tour of the Strategic Air Command facilities and a dance at Amarillo Air Force Base were included in the two-day program.

Attending from Dimmitt were Messrs and Mesdames H. K. (Red Hill), E. L. Davis, Sal DiCuffa, Jack Flynt, Willis Hawkins of Hart; Bill Swindle of Hart and Mr. James Wilhelm of Nazareth.

Mrs. Flynt Attends State Executive Auxiliary Meeting

Mrs. Jack Flynt and Sharron attended the Executive Committee meeting of the Texas American Legion Auxiliary, October 8-11.

Mrs. Flynt, department membership chairman, presented the banquet program Saturday night, October 10. The program carried out the gypsy theme. Sharron assisted her mother in the program.

Young Republicans Hear Ford

Young Republicans of Castro County met Tuesday night in the basement of the courthouse to hear Frank Ford of Hereford.

Ford pointed out to the young people some of the questions that should be asked when their parents start to vote:

"Is it morally right to tax one man's labor in order to give another man a guarantee profit?"

"Is it right to have material abundance when the government is giving us money which is increasing the national debt for us and our children?"

"Is it morally right to take our tax money and give it to dictators who wish to destroy us?"

Ford explained, "We have increased the national debt 10 per cent since 1961."

He says, "Both parties, Democrat and Republican, have been in power 32 years each."

"During the Democratic administration, 95.6 per cent of our national debt has been put on the books, comments Ford.

"The Republican party has only put 4.4 per cent national debt on the books," continued the speaker.

Ford declared, "We've yet to have a war in the Republican administration. There have been 11 years of war in the Democratic administration."

Ford said, "Average of unemployment in the Democratic administration is over 7 per cent. Average of unemployment in Republican

VERNON STOKES Music Director

Lee Street Baptist To Have Special Revival Services

Lee Street Baptist Church will have revival services October 25-November 1 announces Rev. Oscar Mayo, pastor.

There will be two services daily, 10 a.m. and 7:30 p.m. A 30-minute prayer service and choir practice will be at 7 p.m. each evening.

Rev. Dudley Bragg, pastor of Bunavista Baptist Church, Bunavista will be the evangelist for these special revival services. Rev. Bragg has been pastoring for 12 years. He is a graduate of Hardin-Simmons and Southwestern Baptist Theological Seminary.

Music for the revival will be under the direction of Vernon Stokes, music director of Seth Ward Baptist Church of Plainview.

The church extends a cordial invitation to the people of Dimmitt to attend these services.

Frank R. Conrad Graduates From Officer Academy

Technical Sergeant Frank R. Conrad of Rt. 1, Dimmitt, Tex., has graduated from the U. S. Air Force Senior noncommissioned Officer Academy at Orlando AFB, Fla.

Sergeant Conrad, who received advanced leadership and management training, is a flight engineer with a Military Air Transport Service (MATS) unit at Hunter AFB, Ga. His unit supports the MATS mission of providing global airlift of U. S. military forces and equipment.

A graduate of Dimmitt High School, he is married to the former Mary E. Hardy of England.

Walter Rogers' WASHINGTON NEWSLETTER

THE CHALLENGE OF WATER RESOURCES DEVELOPMENT

One of the great challenges of our time is to use our talents to develop programs and techniques that will assure future generations of an adequate supply of usable water. We must develop and conserve this most precious of resources to enhance the growth of our economy and strength of our Nation. Americans today use more than 300 billion gallons of water per day—an amount that led by the year 2000. At the end will be doubled by 1980 and trip of this century, a few areas of our Nation such as the Pacific Southwest will be either exporting water long distance or meeting their needs from saline water sources. Other areas will be approaching maximum use of available natural sources of water.

The economies of both Texas and the Nation will flourish or falter, depending on how we handle the approaching water crisis. This was a major point I made Friday in addressing the Governor's Conference on the Management and Development of Natural Resources in Texas. The meeting, called by Governor Connally, was held in Dallas, and it was my privilege to address the meeting in my capacity as Chairman of the Subcommittee on Irrigation and Reclamation of the House Committee on Interior and Insular Affairs.

In discussing the need for wise conservation policies, I told the group that as the water needs in our State grow conflicts will develop. There will be conflicts between areas of origin and areas of maximum need. There will be conflicts between the use of water for agricultural purposes and for municipal and industrial purposes. There will be conflicts because of the tremendous amounts of water needed to provide water-oriented outdoor recreation opportunities. We must not let these conflicts deter us from sound and logical planning and development that is based on one basic measure—the public interest.

The problem is how to satisfy vastly increased needs from a basic water supply which does not increase and which is already taxed to the point that individuals, cities, industries, and States are contending over the right to use the available supply. The successful accomplishment of this task requires the concerted and coordinated

Visiting Mr. and Mrs. John Crum during the week-end were her twin brother, Mr. and Mrs. Frank Harbert of Dumas. They were dinner guests of Mr. and Mrs. Raymond Crum Sunday.

Lee St. Baptist WMU Met Monday

Lee Street Baptist Church WMU met Monday evening at 7 p.m. Mrs. Bill Shore was in charge of the program.

The program theme was "Worship and the Missionary Task." Mrs. Bert Huggins is the WMU president for the new church year. Members attending were Bessie Strickland, Daveina Wall, Barbara Hudson, Georgia Henderson, Lois Waggoner, Lee Mayo, Marilyn Huggins and Mary Lou Shore.

action of Federal, State, and local governments as well as private initiative in non-public endeavors.

In Texas we have a growing industrial complex. Industrial demands for water are huge and expanding. This is understandable when we consider that it takes 65,000 gallons of water to produce just one ton of steel, 240,000 gallons of water to produce a ton of newsprint, and 7 gallons of water to process a single gallon of gasoline.

The amount of water consumed by our principal water-using industries of the Nation in 1954 was just over 20 billion gallons a day. The amount consumed today is twice what and it is estimated that by the year 2000 it will reach a goal of around 170 billion gallons per day. On top of this you can add the enormous daily demands for air conditioners, automatic washers, backyard swimming pools, and all the rest that go along with a modern, affluent society. The increased use in Texas is undoubtedly above the national average. All this indicates that water is destined is destined to become more and more valuable for municipal and industrial purpose. Municipal and industrial supply has already become the most important water use in Texas and most of our conflicts will revolve around such use.

The most critical water area in the Nation today is the Pacific Southwest. Available water supplies in that area are today already over-committed. Recently, the U. S. Supreme Court ended the 12-year legal fight between Arizona and California over the use of water from the Colorado River. While the Supreme Court decision favored Arizona it is doubtful whether the water awarded Arizona is physically available. There will be a local and National effort in the years immediately ahead to improve the water situation in the Pacific Southwest.

In Texas, I am certain that decisions regarding development and use of water resources should be and can be made by the people of Texas—by facing up to responsibilities and working in a true Federal-State-private enterprise relationship. The Federal role in this effort will be what the State wants it to be but the State cannot expect to have the final say on development unless it shares the responsibility and the burdens. The Governor's conference was a forward step in bringing together the people seeking constructive solutions to this vital problem.

Swifts Fall To Hereford "B"

Nazareth Swifts took a beating from the Hereford "B" Friday night as they lost 28-14. This was the first defeat for the 11-man Swift team.

Nazareth started the scoring for the two teams when Jimmy Hoelting caught a 10-yard pass from Marvin Hoelting for the touchdown. Marvin passed to Jimmy Hoelting for the extra points.

The Swifts second and last touchdown came on a three-yard plunge by Larry Ringwald. Nazareth scored both of their touchdowns during the first 8 minutes of play.

In the second quarter, Hereford scored two touchdowns and the count was 14-12 at the half favoring Nazareth.

Hereford "B" came back in the second half to rake up two more touchdowns and a victory.

The Swifts went into the second half and on the second play after kickoff, Larry Ringwald, full-back, was injured. Coach James Gibson was forced to substitute Tommy Pohlmeier, end, as full-

back. The Swifts started the game without defensive starters Greg Pohlmeier and Clyde Venhaus. Also injured was Bernie Braddock who will not see action this Friday night.

"I was pleased with the boys and their ability to move the ball says Gibson. Hereford 'B' has only been scored against three times. They have only lost one game and this was to Plainview 'B', 14-12.

Gibson declares, "We were hurt in some key positions and had to make some adjustments which made the team weaker."

The Swifts will play Lazbuddie, there, Friday night at 7:30 p.m. This will be the Swifts' second conference game. Season record for the Swifts is now 3-1. District record is 1-0 as the Swifts defeated Hart, 24-0.

VISITORS FROM LUBBOCK

Mr. and Mrs. Ben Sides of Lubbock visited their son and family, Mr. and Mrs. George Sides last week-end.

Flagg 4-H Club Reorganized

The Flagg Community 4-H Club was reorganized in March, 1964. The club has eight members. They are O. R. Hughes, President, James Edd Hughes, Vice-president, Jeanie Damron, Secretary, Carolyn Gray as reporter; other members are: Robert Duke, Calvin Jackson, Clyde Dameron, Ricky Morgan, Jerry Don Gray, Randy Morgan.

Mr. Clyde Damron and Edd Hughes were elected leaders. Meetings are to be held on the second Thursday of each month. All boys and girls and parents interested in 4-H Club work are cordially invited to join the group.

Due to the extra curricular activities of the members, leaders and others connected with the Club, meetings are sometimes changed, but are always thoroughly enjoyed.

Projects of special interest are livestock which includes swine, calves and sheep; crops and clothing and cooking.

Homecoming activities for Hart included the big traditional bonfire, Homecoming pep rally and the crowning of Homecoming Queen.

Gary Heller, senior at Hart High School, was honored as Bonfire

King. Senior class won the contest for gathering the largest pile of wood at the bonfire. They were treated to a party following the Homecoming football game Friday night. Hosts for the party were freshman, sophomore and junior

classes. Rene Brooks was crowned Homecoming Queen in pre-game ceremonies Friday night. Harvey Sullivan team captain, placed the crown on Rene. Runners-up were Beck Burress and Dickie Kendrick.

The Hart Longhorns won their first game of the season against Lazbuddie to add a big highlight to Homecoming activities.

Jumbo 4-H Club Elects Officers

Jumbo Community 4-H Club met Thursday night October 8 in the Bill Simpson home and elected new officers.

Officers elected are Ronnie Burks, president; Carolyn Simpson, Vice president; Betsy Simpson, Secretary-treasurer; Benny Simpson, reporter; Mark L. Simpson, song leader; Mickey Simpson, recreation leader; and Paty Simpson, council delegate.

Programs were planned for the coming year at this meeting. The Club will meet for a Halloween party, October 31 in the Branch Sheets home.

Members present were Ronnie Burks, Dan and Kay Sheets, Betsy, Mickey and Benny Simpson, Kathy and Lonnie Markley, Carolyn Paty and Mark L. Simpson and Danny Joe Trotter.

Parents attending were Mr. and Mrs. Branch Sheets, Mr. and Mrs. Buck Trotter, Mrs. W. O. Markley, M. L. Simpson, Jr. and Mr. and Mrs. Bill Simpson.

Suzie Davis Is Named "Miss Derby Doll 1964"

Miss Suzie Davis, daughter of Mr. and Mrs. J. G. Davis, 301 N. W. 6th was named "Miss Derby Doll 1964" at activities of the Sig-

ma Chi fraternity's Derby Day, Saturday on Texas Tech campus, Lubbock.

This is the second annual Derby Day on the Texas Tech campus. Events of the day included a parade complete with pretty girls, crowning of a "Derby Doll" and an all-school dance.

Miss Davis, Chi Omega, was selected from 10 candidates for the honor of "Miss Derby Doll."

DERBY DOLL—Miss Derby Doll 1964, Suzie Davis, Chi Omega, is pictured on the left with last year's Derby Doll, Sherri Beattie of Delta Gamma. Miss Davis was chosen during activities of the Sigma Chi fraternity's Derby Day Saturday. See story.

District 8 P-TA Workshop Is Today

Annual District 8 P-TA Fall workshop will be held today (October 22) in Amarillo at the Fannin Junior High School auditorium at 4632 Rusk St.

Attending from Dimmitt will be Mrs. Woodrow Killingsworth, District 8 P-TA president and Mrs. Helen Richardson, District 8 corresponding secretary.

Workshop theme will be "Focus on the Child in School." Plans have been made to include two panels. One panel is consisting of Superintendents, Principals, and a member of a Board of Education. The subject will be "Cooperation from School Provides Opportunity", plus discussion from the floor. The second panel will consist of State, District, and Council officers using as their subject "Cooperation from the Parents Provides Opportunity."

There will be a short recess and coffee will be served between the panels. Mr. Bill Dupree, principal of South Georgia Elementary School, Amarillo, will present his rendition of his "Worry Clinic."

The program is designed to be of interest to the laypeople, as well as, to the membership. All P-TA officers, committee chair-

men, council officers, and district board members and any interested people are urged to attend. The only charge will be 75 cents for lunch at the school cafeteria.

The program will begin at 9:30 a.m. and adjourn at 12:45 p.m. Coffee will be served at 9 a.m. The P-TA Publications will be on display—take time to observe!

Lockney Swipes An 8-0 Victory

Lockney "B" squeezed a lone score out of the Dimmitt "B" and frosh last Thursday night in an 8-0 ballgame at Bobcat stadium. Dimmitt shows a lot of improvement and with the exception of one drive was able to stop Lockney. Charles Thomas and Moses Murrillo did outstanding jobs on defense according to Coach Covington. At the beginning of the game, Dimmitt moved the ball well and set up two scoring opportunities. Dimmitt was stopped the first time on a fourth down pass which was not completed. Lockney held them on the second attempt and took over on downs. Lockney scored their one touchdown in the second quarter on a drive consisting of end sweeps. The touchdown was made on a sweep power play. Extra points were good. "Punting was off during the game," says Covington. He continues, "The boys played a pretty tough ball game." "Tackling and blocking showed a lot of improvement." Lockney hurt Dimmitt with their speed outside. The regular Dimmitt "B" was not playing. The team was a mixture of the freshman team and "B" team according to Covington.

Hart Longhorns Halt Lazbuddie

Hart Longhorns trounced Lazbuddie, Friday night, 24-14 before a Homecoming crowd. The Longhorns scored first but had to come from behind twice in the last half to defeat Lazbuddie. Fullback David Smith plunged 2 yards in first quarter to brighten the Hart fans with a 6 to 0 halftime lead in the District 1-B contest. Lazbuddie came back in the third quarter on a 10-yard run around right end by fullback John Mabry. Lloyd Bradshaw added the points and Lazbuddie led, 8 to 6. A 15-yard run by Smith got the lead back for the Longhorns, 12 to 8 but Lazbuddie countered in the fourth period with a sneak by Bradshaw to put the visitors ahead, 14-12. Hart quarterback Gary Heller then capped two drives with runs of five and one yard to take the first victory of the year for the Longhorns. Hart's record is 1-5. The Longhorns will meet Bovina, Friday night in a conference game at 7:30 p.m., there. Bovina has a real good quarterback according to Coach Jeff Smart. They have a good passing team and are fast compared to the Longhorns. Bovina has not lost a conference game but they have been defeated by Springlake. Bovina has defeated Happy and Texline in conference play.

PUMPKIN HARVEST in Castro County will be completed the last part of this week. This fifteen acres of pumpkins is owned by Harold Smith of Hart. Pumpkins are shipped to Dallas and San Antonio for marketing. —Staff Photo

An increase of \$107,000,000 in state expenditures for higher education and doubled tuitions in state expenditures for higher education colleges and universities is proposed. Texas Commission on Higher Education recommends a \$457,100,000 budget for upper level institutions during the 1965-67 biennium. Figure includes \$307,500,000 for 22 state-supported senior colleges and universities. Tuitions under the Commission's recommendation would be hiked from \$50 to \$100 a semester. Last increase was in 1957, when the rate was raised from \$25. If the Legislature approves this hike, revenues would be boosted \$33,000,000 leaving some \$74,000,000 more needed from tax funds. Overall budget increase of 45.2 per cent would permit a 23 per cent faculty salary raise. Previously, the Commission had asked a \$5,900,000 supplemental appropriation for faculty salaries. Commission also recommended "phasing out" Texas Southern University's law school. Gov. John Connally returned from the Southern Governors' Conference in San Antonio with a honor and a new assignment. Already chairman of the National Democratic Governors' Caucus, he was unanimously elected chairman of the Southern Conference of chief executives. In a three-day session, the governors discussed a variety of state problems and adopted 14 resolutions. Among the latter was one urging a federal constitutional amendment to permit states to take other factors than population into consideration in reapportioning their senators. Resolution was aimed at nullifying a U.S. Supreme Court decision ordering both houses of state legislatures apportioned in the basis of population alone. Three governors blocked action on Alabama Gov. George Wallace's resolution calling on the federal government to leave operation of public school entirely in the hands of states. TEXAS BIDS FOR NATIONAL CONVENTION State Democratic Committee has authorized Chairman Marvin Watson of Daingerfield to enter a bid for the 1968 Democratic convention in Texas. Watson will name a committee to consider possible host cities. Court of Criminal Appeals ordered a new trial for a man convicted of murder, because his attorney filed an appeal after the deadline. Court heard argument that the trial attorney for the defendant lacked sufficient experience. Third Court of Civil Appeals heard pleas that the new state loan shark law was applied unconstitutionally in an Austin district court. Court had ordered package store owner E. L. Parker to stop lending money at rates over 10 per cent without a license. State Supreme Court upheld an appellate court's "time is of the essence" ruling in deciding the contract contest between Concord Oil Company of San Antonio and Alco Oil and Gas of Illinois. Court said termination of the contract by letter held precedence over a telephone promise to "wait and see." of three high school biology textbooks charged that evolution is an atheistic, unscientific and materialistic theory that should not be taught in public schools. State Textbook Committee took protests into consideration after a public hearing. Actually, eight books on the list were opposed. —Principal targets were the three books developed by the National Science Foundation. OIL PRODUCTION FIGURE SET Texas Railroad Commission set oil production for November at 28.4 per cent of potential. Figure represents a slight increase over October, which was limited to 2,860,000 barrels daily under a 27.9 per cent of potential order. MENTAL HEALTH PLAN COMPLETED A statewide citizens committee has approved a new program of mental health services. Earlier, a steering committee had recommended creation of a state-financed mental health services, including all mental hospital facilities. Missing pieces in the Texas plan included facilities, financing and administration. Hale County Judge C. L. Abernethy, chairman of the 112 member general planning committee, said efforts will be stepped up between now and next January to inform the public and officials about the recommendations which will be submitted to Governor Connally and the 59th Legislature. PARK LAND ACQUISITION URGED Parks and Wildlife Commission Chairman Will Odom said Texas may lose up to a third of its park land during the next 80 year because leases are expiring. Odom called for a program of land acquisition to prevent loss of needed acreage when he spoke at the State Conservation Conference. Earlier, he had lauded Gulf States Marine Commission for efforts to develop the fishing industry and bring sea resources to the public for general benefit. WATER NEEDS TALKED Atty. Gen. Waggoner Carr told Texas Water Conservation Association all units of government must work with private enterprise and individuals to assure a water supply adequate to meet Texas' need. Brig. Gen. R. H. Free, commander of U. S. Army Engineers, said Texas must have an overall program of water development. SCREW WORM BATTLE BIG SUCCESS The screw worm eradication program, which was conceived by individual livestock producers in Texas and later embraced by State and Federal animal health authorities, now is such a big success that only 102 cases of screw worm infestation have been reported in Texas this year. This compares to 3,000 by this time in 1963, and 50,000 cases in the last half of 1962. According to Dr. Seymour J. Smith, State supervisor for the sterile screw worm plant in Mission, the picture is even brighter than those figures indicate because reporting of cases by farmers and ranchers has improved more than 100 per cent. EMPLOYMENT UP Employment statistics from the Texas Employment Commission shows a big increase in August. There were 3,322,300 jobholders in

Army Exhibits To Feature Wacs

Serving with pride and dignity is the theme of an eye-catching carousel-shaped gold and white exhibit dedicated to the Women's Army Corps. This striking display will appear in Amarillo, October 27-31, at the Sunset Center Mall. The exhibit includes historical photos, back-lighted color transparencies and color slides, plus a 14-minute color movie that tells the story of modern Wacs both on and off duty around the world. The center of the carousel contains a nearly life-size hexagonal display of color photo murals showing Wacs in their smart dress and casual uniforms. The movie, "With Pride and Dignity," was filmed in and around Washington, D. C. The cast includes more than 175 Wacs from the Washington-Baltimore area, 14 of whom play principal roles. A team of these young Army women will be with the exhibit as hostesses during its showing in Amarillo. Serving with pride and dignity was produced by the Office, Chief of Information, Department of the Army, and is currently on a nationwide tour. All showings of the exhibit are open to the public without charge.

W.S.C.S. MEET The Naomi and Ruth Circles of Women's Society of Christian Service met together Monday afternoon in the church. Meditation was given by Mrs. S. R. Hutto. Mrs. Bob Huckabay gave the lesson on the study, Spanish Americans, with group discussions. The Circles and Wesleyan Service Guild and all other women interested will meet in a special program on prayer and Self Denial the church sanctuary Wednesday, October 28 from 4:30 to 5:30 p.m. Present Monday from the Naomi Circle were Mesdames Bob Huckabay, C. W. George, Elmo Bell, Dilmord Neumayer, Cecil Ginn, A. L. Behrends, Kay Roberts, George Webb, George Bagwell. Ruth Circle members present were Mesdames Sid Sheffy, Earl Lust, Vern Lust, J. C. Williams, Edd Wilson, S. R. Hutto, C.W. Anthony, W. A. Womack, R. E. Wilson, B. M. Nelson.

OKLAHOMA TRIP Mrs. Nettie Graham is visiting for a few weeks with her brother, George Jackson at Duncan, Oklahoma. Lateral translocation of the arsenic

Arsenic Controls Nutgrass In Turf

Purple nutsedge, commonly called nutgrass, can now be controlled by herbicides containing organic arsenic compounds, reports Dr. E. C. Holt of the Department of Soil and Crop Sciences, Texas A&M University. Nutgrass is a serious problem in Bermudagrass, a grass used for turf on home lawns, athletic fields and other sites, says Holt. Its extensive underground tuber stem makes nutgrass extremely difficult to control. Research has found nutgrass shoots sensitive to arsenic herbicides, Holt points out, while Bermudagrass is tolerant to these compounds. Thus, selective control of nutgrass is possible with several of the methylarsenate formulations, a primary one being disodium methylarsenate. A 60-100 percent concentrate solution should be used, says Holt. Three to five ounces of the formulation in two to four gallons of water per 1,000 square feet is usually sufficient. Several applications of the herbicide are necessary, says Holt, because of numerous shoot buds on each underground tuber and numerous dormant tubers which are activated when other tubers in the same system are killed. Lateral translocation of the arsenic

Boyd Roberts Circle Meets

The Boyd Roberts Circle of the First Baptist Church met Tuesday, October 20 at 3:30 p.m. in the home of Mrs. Bryce Dowell. Program was brought by Mrs. W T Elliott on "Worship and Missionary Tasks." There were 10 regular members one new member, Mrs. Forrest Hargrove, and three visitors present. The members were asked to order their Royal Service magazines which are 1.50 per year. The Circle was also encouraged to join the "Round Table." The name of the circle Boyd Roberts will be changed to Bill O'Brien. Refreshments were enjoyed by all. The Circle will meet November 18 at 4 p.m. in the home of Mrs. W T Elliott.

DALLAS TRIP Mr. and Mrs. Kenneth Jackson and daughters, Patti and Nancy spent the weekend in Dallas visiting her sister, Mrs. Bill Bond and family. They returned home via Six Flags Over Texas.

VISIT SON Mr. and Mrs. Jack Cowser are visiting this week with their son, Jim who is in college at Fort Collins, Colorado.

MOUNTAIN TRIP

Mr. and Mrs. N. F. Cleavinger and a brother and family of Canyon spent this week at Tres Ritos, N.M.

MOVES TO DIMMITT Mr. and Mrs. Joe Young and family of Bethel community have purchased and moved to 807 N.W. Youts. Mr. Young is engaged in farming west of Dimmitt.

VISIT SON Mr. and Mrs. Ray Riley returned home Monday from a trip to Ada, Oklahoma where they visited their son and also attended to business in Bonham.

COMMITTEE ON AGING PROPOSAL

Governor's Committee on Aging, chaired by State Senator Walter H. Richter of Gonzales, will ask the next Legislature to establish a permanent Texas Commission on Aging. Purpose of the Commission would be to work with community groups interested in the problems of Texas' senior citizens and to coordinate efforts of local organizations with those of state agencies. CITRUS CROP UP—Texas' 1964-65 citrus crop will be four and a half times greater than last season's 740,000 boxes, reports USDA's Crop and Livestock Reporting Service. CLRS estimated a 3,400,000-box fruit crop for the coming season including 2,400,000 boxes of grapefruit and 1,000,000 boxes of oranges. Widespread showers and heavy rains in the Falcon Reservoir watershed of the Lower Rio Grande Valley were credited with assuring proper fruit sizing.

Art Winners Announced

MRS. MALCOLM McNEILL displays the first place winning picture in the Amateur division of the art exhibition held here Saturday. The award-winning picture was painted by Ted Bell of Floydada. He received a \$50 check. See story. —Staff Photo

Democratic Women of the 30th Senatorial District presented their second annual art exhibition at the Dimmitt High School cafeteria Saturday afternoon, October 17.

In the scholarship division, first place was awarded Tommy Sharp of Claude. His painting of daisies was chosen from over 300 entries. He received \$75.

Second place was awarded Joe Adams of Muleshoe, son of county agent. He received a \$50 check for his painting entitled "Sea Relief."

Billy Staniforth of Floydada won third place with his painting "Deserted Barn." He was presented a \$50 check.

Honorable mention in the scholarship division was Joe Adams of Muleshoe with his painting "Little Whisper Mill."

First place winner in the Amateur Division of the show was Ted Bell of Floydada. He was awarded \$50 for his painting "Peace on the Plains."

Honorable mentions were Mrs. Peggy Pendergrass of Olton Gothic Orchard" and Mrs. Alice Cowen of Dimmitt.

Judges honorable mentions were Mary Montandon of Lockney with her painting "Old Mexican" and Francine Andrew of Olton with her painting "Apples."

The first, second and third place winners in the scholarship division and first place winner in amateur division will be eligible to enter state contest which will be in January.

Judges for the art show were Mrs. Harold Bugbee, Charles Dutton and Don Ray, associates of art department at West Texas State University.

This art exhibition was co-sponsored by Castro County League of Democratic Women.

B. M. Nelson, editor of the Castro County News made the presentation of awards. Mrs. Wyle Bullock, Democratic Committee-woman welcomed the guest and artists. Mrs. Sid Sheffy, president of Castro County League of Democratic Women presented Nelson.

Scholarship and amateur awards were made possible by following contributors:

N. F. Cleavinger, Joe Cowen, Bob McLean, Steve Taylor, Stanley Schaeffer, B. M. Nelson, Haywood Smith, Ira Clingsmith, Jack Cowert and J. W. Golden, all of Dimmitt, Glenn Batson of Littlefield, Billy Hall of Littlefield, Mary Cook of Clarendon, Ben Whitfield of Silverton, Pittman Grain Co. of Hereford and Shirley Anderson Grain Co., Parmer County.

A Billy Staniforth painting was given away as door prize. Winner of the prize was Beverly Underwood, daughter of Mr. and Mrs. Roy Underwood of Dimmitt.

MRS. MARY COOK of Clarendon accepts the first place prize for Tommy Sharp of Claude at the second annual art exhibition sponsored by Democratic Women of 30th Senatorial District. B. M. Nelson, editor of The News, presented the awards for the program which was co-sponsored by Castro County League of Democratic Women. See story. —Staff Photo

Dimmitt Go-Getters 4-H Club Includes Enthusiastic Members

by Mrs. Edd McLeroy

On September 19, 1961 seventeen enthusiastic young girls organized the Go-Getters 4-H Club of Dimmitt. Today we still have seventeen enthusiastic 4-H members. The officers are: Chairman, Marilyn McLeroy; Sec.-Treas., Vicki Vaughan; Council Delegate, Linda Bennett; Reporter, Susan Benson; Song leader, Jill Braafladt; Recreation leaders, Judy McLeroy and Joan Braafladt. Other members are Kay Willis, Kay Wood, Marion Sue Stokes, Jeanette Seely, Brenda Seely, Lee Ann Hill Beverly Newman, Ann Vardell, Julie Hottel and Debbie Wilson.

The members of this 4-H Club have had an opportunity to participate in the Castro County Fair, the Project Show and Fat Stock Show, the 4-H Bake Show, the Share-the-Fun festival, 4-H Favorite Food Show, and the County 4-H Dress Revue. By being a member of a subject matter group

members are eligible to enter the events listed above. The Go-Getters not only have had an opportunity to be enrolled in a food and clothing groups, but plan to study money management this year. Through these subject matters or project groups the girls have a chance to learn by doing. This is only one of the fine values of being a 4-H Club member.

Not only has the members carried these projects they have also had a chance to develop leadership, learn parliamentary procedure to make decisions and to compete with others.

To accomplish these goals which 4-H has challenged us we have had some good project leaders. This year the leaders have been: Mrs. Chet Braafladt, Mrs. O. T. Vardell, Mrs. Charles Hottel, Mrs. Bill Summers, and Mrs. J. W. Benson, and Mrs. Edd McLeroy. Yes, we need more leaders for a club of this size, but we do appreciate the help and enthusiasm shown by these leaders.

It may seem to someone looking on that 4-H is all work, but this is not true. The girls plan each year a Halloween Party, a skating party, and a swimming party. The Go-Getters also enjoy selling cokes at the County Fair and Project Show.

The 4-H program is adaptable to our rapid changing times and conditions. Through the 4-H Club members have developed new knowledge, skills and attitudes, as well as, a greater appreciation of their own personal worth. Today the 4-H Club program is growing in depth, breadth and height. 4-H is teaching boys and girls to lift their horizons, amplify their goals, and expand their abilities to equal the opportunities and challenges of life. 4-H is a dynamic program, so become a 4-H member of leaders now.

Mrs. Trudy Dennis Elected VP Of Florist Group

A group of small town florists met Saturday, October 3 in Tulia, to organize a group whereby florists may meet periodically to discuss new design techniques and common problems, and improve the standards of floral profession.

Five West Texas towns were represented and in attendance was Mrs. Trudy Dennis, Dennis Floral, Dimmitt.

Officers were elected as follows: Glenn Richardson, president; Trudy Dennis, vice president; Bill Leslie, secretary-treasurer; and Judy Yeager, reporter.

Membership requirements were discussed, limiting members to small towns of no more than three floral shops. This limitation was made because small town floral shops have problems which occur only in small towns.

The dues were set. A name for the organization was not decided, but it was announced that an award would be given to the member who presents the accepted name.

The next meeting of the group will be in Amarillo on October 25.

Dimmitt 8th Grade Team Fell 22-6 To Olton Eighth

Dimmitt 8th grade fell to Olton in a 22-6 ballgame Tuesday night in Bobcat stadium.

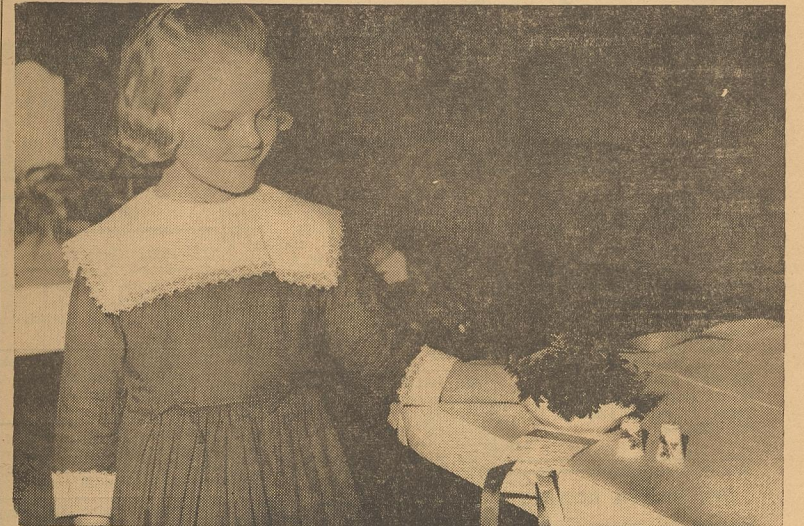

Olton's first touchdown was made in the second quarter when they ran 30 yards around right end. They ran the extra points around right end. Score was 8-0 at the half.

Early in third quarter David Land broke through on a 44-yard and went 60 yards for the lone Dimmitt touchdown. Extra point attempt failed.

Dimmitt stopped Olton's drive after the kickoff and then took the ball and made three first downs. A Dimmitt fumble was recovered by Olton. Five plays later Olton went up the middle on a fullback draw and ran 40 yards for a touchdown. Olton ran around left end for the extra points.

In the last part of the fourth period Olton passed 35 yards for their final touchdown.

The eighth grade holds a 2-3 season record. Dimmitt will play Muleshoe next Tuesday night.

TERESA BRUEGEL won a tri-colors award Saturday in the fresh arrangement division of the Milady Garden Club Junior Division. See story. —Staff Photo

Seventh Graders Down Olton, 21-0

Dimmitt seventh grade stomped Olton 7th Tuesday night in Bobcat stadium, 21-0.

Dimmitt scored in the first quarter on a 35 yard run by Johnny Vick on the 47-reverse. Dimmitt tried to kick the extra point but ball was centered too high so the holder, Johnny Vick, grabbed the ball and ran around left end for two extra points.

The second Dimmitt touchdown came in the second quarter when Jessie Bernal ran about 20 yards off right tackle. The 7th tried to kick but the ball fell a few inches short of the cross bar.

Jessie Bernal scored the third Dimmitt touchdown in 24-counter. He substituted freely both offense throughout the game.

Season record or the 7th is 4-1. Dimmitt will play Muleshoe there next Tuesday night.

Young Homemakers Have Program On Managing Money

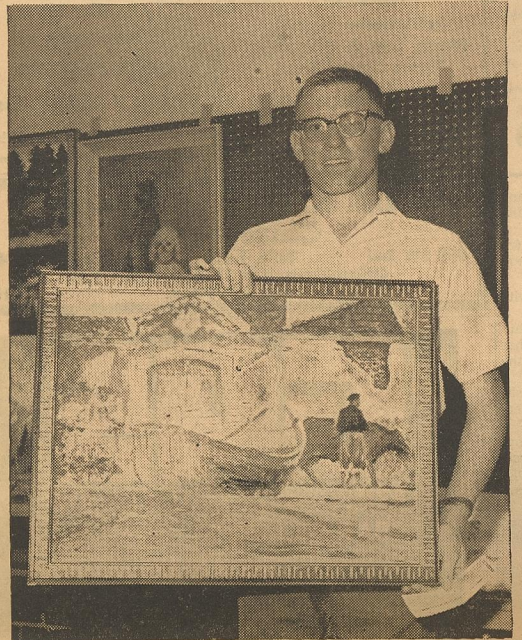

Young Homemakers met Thursday night for a program on "Money Management."

The two student teachers in the Homemaking Department of Dimmitt High School were in charge of the program.

Present for the meeting were Mesdames Barbara Anderson, Onieta Cole, Shirley Goolsby, Charlene Hunter, Bert Jacks, Claudine Langford Elaine Melton, Linda Minchew, Beth Odom, Elsie Moore, Ruth Nelson, Sandra Robb, Joyce Turner, Eloise Varner and a visitor Mrs. Wanda Nelson. Estella Hottel was sponsor for this meeting.

Baby sitters for the Club were Misses Beth Strickland, Cathy Godfrey, Sue Gee, Darlene Dodd and Robbie Sheffy.

VISITS IN LAMESA
Mrs. H. T. Bartlett visited friends and relatives at Lamesa last weekend.

JOE ADAMS of Muleshoe, county agent's son, won second place in the Scholarship division of the art exhibition held Saturday in Dimmitt High School cafeteria. He was awarded a \$50 check. See story. —Staff Photo

BILLY STANIFORTH won third place in the art exhibition Saturday with this painting entitled "Deserted Barn." The Floydada artist won \$50 in this exhibition. See story. —Staff Photo

Bridal Shower Honors Former Kathy Gollehon

Mrs. Darrell Rankin, the former Kathy Gollehon, was honored with a bridal shower Saturday afternoon in the home of Mrs. Roy Lilley.

Greeting the guests were Mrs. Roy Lilley who presented them in turn to the honoree; Mrs. Howard Rankin, mother of groom and Mrs. Noel Gollehon, mother of the bride.

Serving table was covered with white linen cloth and centered with an arrangement of white and gold candles in silver candle holders flanked the bouquet. Silver appointments were used for serving.

Presiding at the serving table were Mrs. Jay Lee Touchstone, Mrs. Truman Touchstone and Mrs. M. A. Tidwell.

Approximately 50 guests called and among them were Mrs. F.B. McMurry of Memphis, grandmother of the bride and Mrs. Yarborough of Memphis, grandmother of the groom.

Hostesses were Mesdames Roy Lilley, Gene Morrison, Norris Weston, Jim Hays, Bill Graham, Gene Ivey, Elmer Youts, E. L. Carpenter, Morgan Dennis, Ivor Bagwell, Cecil Curry, Lester Dowell, Buster Tidwell Charlie Hays Gordon Stanford, Stanley Schaeffer, Melba Aldridge, Carl Kemp Iris Touchstone, Faye Kenmore, V. C. Hopson, Mary Edna Hendrix George Bradford and Joe Benson.

CHILDREN VISIT

Mr. and Mrs. Tommy Roberson of Oklahoma City visited last week in the homes of their parents, Mr. and Mrs. M. E. Cleavinger and Mr. and Mrs. O. B. Winkle.

BROTHER VISITS

Mr. and Mrs. E. V. Bolton of La Mesa, California are visiting a few days with his brother and family, Mr. and Mrs. Carl Bolton.

RCA Whirlpool

Models LKA 690-0; LKE 690-0

Here's real washing versatility with 5 separate cycles

- SUPER WASH cycle gives heavily soiled wash extra "scrubbing" automatically; NORMAL cycle for regular fabrics; GENTLE pampers sheers and handmades; WASH 'N WEAR does miracle fabrics wrinkle-free; and there's even a separate cycle for your extra-soiled miracle fabrics.
- 5 wash and rinse temperatures—one dial setting automatically provides correct combination of wash and rinse water temperatures for every load.
- 3 water levels—tub fills automatically to right level for big 12-lb. loads or small ones.
- Exclusive Surgilator® agitator — a "million" surging currents remove even stubborn soil.

LEGAL NOTICE

CITATION BY PUBLICATION THE STATE OF TEXAS
 TO: MRS. A. L. BANDY, and if ever married, MR. BANDY; JAMES TUCKER and wife, IDELL TUCKER, and if any or all of the above named parties are deceased, the heirs, the unknown heirs and legal representatives of each and all of them; their unknown spouses and any and all persons owning or claiming any interest in the property hereinafter described, all of whom are DEFENDANTS. Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County, Texas, in the Courtroom thereof in Dimmitt, Texas at or before 10:00 o'clock A.M. on the first Monday after the expiration of 42 days from the date of issuance of this citation, same being the 30th day of November, 1964, then and there to answer in writing Plaintiffs' petition filed in said court on the 14th day of October, 1964, in this cause numbered 2838 on the docket of said court and styled, JACK R. COWSERT, ET UX, VS. MRS. A. L. BANDY, ET AL, a brief statement of the nature of said suit being as follows:

Suit in statutory form of trespass to try title, and for costs by Jack R. Cowsert, et ux, Plaintiffs, against those persons who are first named in this Citation and to whom it is directed, as Defendants, and the unknown spouses and heirs and legal representatives of the said named persons and each of them, the names and residences of whom are alleged to be unknown to the Plaintiffs, together with MALISSA ROGERS LANDRES and husband, MITCHELL LANDRES and SOUTH-EASTERN FUND, Defendants, the Plaintiffs suing for title and possession of the following described real estate lying and being situated in Castro County, Texas, to-wit:

All of Lot Number One (1) and the North 15 feet of Lot Number Two (2), Block Number Forty-nine (49), Original Town of Dimmitt, Castro County, Texas.

Plaintiffs allege that they are entitled to the title and the pos-

session of said property, claiming under the three, five, ten and twenty-five year Statutes of Limitations and Plaintiffs further pray that the cloud cast on the title to the property above described by the defendants be removed and said title vested in the Plaintiffs, all as is more fully shown by Plaintiffs' Petition on file in this suit.

The Officer executing this process shall promptly serve the same according to law and make due return as the law directs, and if this process be not served within ninety days from the date of issuance, it shall be returned unserved.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT AT OFFICE IN Dimmitt, Texas, this 15th day of October, 1964.

Zonell Maples
 Clerk of the District Court,
 Castro County, Texas.

Spotlight Shines On Principal

This week we have chosen the hard working Mrs. Richardson to be in the spotlight.
Mrs. Richardson was born near Dimmitt in the Bethel Community where her father farmed and her mother taught school. She is the daughter of Mr. and Mrs. Percy Estes of Dimmitt. She has a younger brother, Bob, who is in the Province of First National Bank in Boovina and Greer who was a former lawyer of Seagraves, Texas. Greer was killed while a captain in the Infantry during World War II. She graduated from Dimmitt High School and attended West Texas State Teachers College, which is now West Texas State University. She attended college only one year before she began teaching. By taking correspondence courses and attending college during the summers, she acquired a B. A. Degree in 1937 and a M.A. Degree in 1955. Both degrees were received from West Texas State University.
Out of more than thirty years of teaching experience only two were done away from Dimmitt. She taught two years in Galveston during the war while her husband was stationed there. For the last six years she has been principal of the South Grade School.
Mrs. Richardson sees very few movies, but she thinks "State Fair" is a favorite. Her favorite book at the present is the textbook used in a course she is now taking at West Texas State University entitled, "Administration of Personnel Services". Her favorite food is anything served in the cafeteria of the South Grade School.

Local Students Attend Atomic Energy Workshop

Saturday, October 10, Mr. Orval Hughlette, along with his students—Charles Harris, Johnny B. Linn III, and Ken Campbell - left bright and early for an atomic energy workshop at West Texas State University.
The morning session began by a short welcoming speeches by Dr. James P. Cornette, President of the college, and Mr. A. R. Watson, President of Southwestern Public Service Company. Mr. H. R. Drew then told the group about the Atom and Electric Power, and Dr. H. C. Thomas, talked about the Physics of the Nucleus.
The students were glad to have a short break before the next speech was given by Mr. Ralph Tuckfield, experimental physicist, on Research in Controlled Thermonuclear Reactions.
The afternoon session was begun by Dr. R. E. Wainerd speaking on Neutron Activation Analysis and Dr. A. A. Kraus speaking of Mathematics and Physics.
Again the high schoolers were given a short break and they then heard Dr. J. R. Bradford tell about modern uses of radioactive material.
The meeting was adjourned at four o'clock when our four science-minded gentlemen began their journey home.

Personality of the Week

If we listen we can hear a funny sound coming down the halls. This is the sound of Jack Bradford trying to walk on his cast. Since Jack is an all American boy, he enjoys participating in many activities. Here in Dimmitt High School he is in the Bobcat Band, Future Farmers of America, and Plays Sports. Participating in sports is how Jack rated his lovely cast. Jack Wayne Bradford is the son of Mr. and Mrs. James Bradford. He was born January 28, 1950 and is the second of five children. Jack is quite a playboy. It seems, while he is enjoying himself riding around in a Buick Riviera, which is his favorite car, he likes to hear "in the Misty Moon" light. When Jack is tired he enjoys sitting down and watching Cleopatra because it features his favorite actress, Elizabeth Taylor. Of course he jumps at the chance to see a show that stars John Wayne. If Jack had to choose a color that pleased him best, he would naturally choose green. Since Jack is an all American boy he enjoys sitting down and feasting on a huge Texas steak. When we asked Jack what his pet peeve was all he said was "Janis Davis." This seemed very strange to us, but, honest, that is what he said. Thank you, Jack, for letting us make you our personality of the week October 19th.

Linda Davis Named Girl Of The Week

"Oh fruit! That radio is acting up again—just when we are in a movie! (This is easier to understand when we take into consideration that listening to music is her favorite pastime.) Rick was all ready to go in her scrumptious new blue skirt and sweater. Blue is her favorite color and it is very beautiful with her golden brown hair.
Our celebrity scarcely missed talking about Journalism, her favorite subject, and its numerous activities. But the night proved eventful when she saw "Smith, her favorite teacher at the show.
After the thrilling movie Rick didn't regret not seeing one of her favorite actors or actresses—Rock Hudson and Carol Burnett—and when she discovered she was going to her favorite drive-in, and could order a ham sandwich, she lost all feelings of disappointment. Baked ham and strawberry shortcake are the finest delicacies prepared in any kitchen.
Suddenly a bolt of lightning passed by. What else could catch Rick's undivided attention but a new Pontiac GTO. After all this excitement, Rick began to discuss sports. Our listener soon found out that water sports ranked highest among sports.
Rick's witty sense of humor has won her a place in many people's hearts, young and old alike. She's been an active member of FHA four years, and serves as reporter this year. Another activity she has participated in for years in band and Lyre Club the past two years. During this year, she is very active as reporter of the National Honor Society, editor of the "Bobcat Tales", and Drama Club's Vice President. In her Freshman and Sophomore years, Rick received the American Heritage award and served as an officer in the Science Club her sophomore and Junior years.
What does the future hold in store for Rick? Now she plans to attend Baylor University or Texas Tech, and probably major in Journalism. After college? Get a job, then who knows?
What will Rick look back on and enjoy most later on in life? Of course, her friends are very valuable and we have all shared a great friendship, but she will especially remember the wonderful times she spent with Michele and Francoise, our last foreign exchange students.
Hats off to you, Mr. and Mrs. Ernest Davis, for bringing your daughter, Linda Lee into the world on August 4, 1947! You will never fully realize how much your daughter has made our world a much better, lovelier, place for us, may she always be a shining example to all.

High School Students Present Campaign Issues Of Election

The issues in this campaign have stirred the interest of the people in our town. This week the Bobcat Tales Staff would like to present the issues to you—the students, the teachers, the parents, and the businesspeople of the town.
The civil rights issue is of much interest in this election. Mr. Goldwater supports equal rights for all Americans. However, he says the spirit of equality must come from human hearts, not from laws. He voted against civil rights bill because he considered it unconstitutional. Mr. Johnson worked hard for passage of the civil rights bill. He considers it constitutional. He calls it "A major step toward equal opportunity for all Americans."
Federal power is another big issue this year. Mr. Goldwater believes federal power is a threat to individual and states rights. He wants fewer decisions made in Washington. But, "the Federal Government exists," Mr. Johnson says, "to protect the freedom and enlarge the opportunities of every citizen."
Defense is also involved as an issue this year. Mr. Goldwater believes our defenses are starting to slip, particularly in the matter of manned bombers capable of carrying nuclear bombs. He wants our defenses strengthened. Mr. Johnson says the nation has never been stronger. If attacked by Red China and Russia, we have the power to destroy both countries, he states.
Mr. Goldwater wants to get tougher, even go to the brink of war if necessary to stop further Communist aggression. He sees little hope in dealing with people who want to "bury us." Mr. Johnson says we can get tough when necessary. But he favors a peaceful approach to a settlement of cold war issues.
They also disagree on other smaller issues. Johnson is in favor of government aid to farmers and medical care for aged. However Mr. Goldwater is not in favor of either issue. They do agree on one issue; that is our space exploration. Both men plan to have a man on the moon by 1970.

Industrial Art Classes Draws Students' Interest

Albert Blalock, instructor of the Industrial Arts Department of Dimmitt High School, is planning a school year in which several new ideas will materialize.
The two power mechanics classes have recently finished their basic studies of internal combustion engines and their applications. Work is now beginning on small air-cooled engines such as lawn mower motors. From these rather simple power plants the students will progress to the more complicated machinery. Plans are being made for the two classes to repair and then sell an old truck which was donated to the department. The sale's money will be used to help pay for the needed repairs.
The woodworking class has just finished a project using the lathe and is, at the present, getting acquainted with power tools. A new project feature for the students this year is a cross bow. Mr. Blalock says that this year he will place more emphasis on increased technical knowledge in such things as lamination, lumber purchasing, and strengths of lumber. He hopes to place less emphasis on individual student projects.
Drafting students are being presented with the basic introductory course of previous years. A study of the proper use of drafting tools has been completed and classes are about to undertake orthographic projection. Mr. Blalock has made plans which will allow each drafting student to work at his maximum ability. The course will be geared in such a way as to prevent the more talented and interested students' being held back by slower classmates. There will also be the chance for each to specialize, to some extent, in the type of drafting which he enjoys most. This will come after all are familiar with the basic principles of drafting.
Mr. Blalock uses films in his classes to supplement each phase of work which is studied, and several of these will be entertaining as well as educational.
Mr. Blalock reveals how much he enjoys his profession through his plans for his students and his remarks about them. He says he has a good group of students and couldn't ask for any better.
Dimmitt can be proud of a department in her school system that provides boys with the vocational training necessary, for it is often the stepping stone to an adult profession for many young men.

Mr. Goldwater wants to get tougher, even go to the brink of war if necessary to stop further Communist aggression. He sees little hope in dealing with people who want to "bury us." Mr. Johnson says we can get tough when necessary. But he favors a peaceful approach to a settlement of cold war issues.
They also disagree on other smaller issues. Johnson is in favor of government aid to farmers and medical care for aged. However Mr. Goldwater is not in favor of either issue. They do agree on one issue; that is our space exploration. Both men plan to have a man on the moon by 1970.

Teacher Of Week Is Dean Irlbeck

Has anyone recently noticed one disinterested dog? This one must be special—it belongs to our new Spanish teacher, Dean E. Irlbeck. It seems he soon plans to inherit a kitten in his place.
Mr. Irlbeck was born August 8, 1941. He has his parents, four brothers and four sisters. Mr. Irlbeck taught at David Crockett Jr. High in Amarillo, and the Umbarger Schools after graduating from Worthington, Ohio. In 1963 he received his B. A. From West Texas State University.
Mr. and Mrs. Irlbeck moved here shortly before his teaching term this year. A "Blessed event" is due at any moment.
This active man finds time for his favorite sport. Among his other interests are all sports, languages, education, working with children and studying the Catholic doctrine.
We think that Mr. Irlbeck is a fine addition to our wonderful staff of teachers this year, and we extend to him our warmest welcome.

What Are You Doing?

I have discovered that there are many high school students in our midst who do not know what they are doing half the time. They told me themselves when I asked, "What do you do when you Prink?"
David Seale - talk to girls
Jerry Lytle - mess around
Gary Crum - get sick
Nan Schumacher - talk
Scott Moran - Laugh
Don Moore - prance
Ray Bradley - Look at yourself in the mirror
Charles Summers - look smart
Kay Bradley - rig Charlie's car
Ronnie Kenmore - stare
Debra Summers - Run laps in Basketball
Allan Webb - Primp
Coelia Vandiver - brush my teeth
Sheila Hamilton - get littler
Juanelle Conard - kiss a boy
Mary Lynn Hays - priss
Kenneth Oldham - Jump up and holler Hidy-ho
Kent Lindsey - Eat
Tommy Stanford - snicker
Butch Butler - you're cut with a girl
Kathy Huckabay - Stand on my head and wiggle my toes
Jane Cleavinger make a lot of noise
When you Prink, you dress up.

Senate Plans Mock Election

The Student Senate met October 14, 1964, at Activity Period. Several new projects were discussed and approved.
One of these projects is a mock Presidential election at school. Tommy Martin and Gary Moss were appointed to find a regular ballot. This project will have to be discussed further with Mr. Fuquay. In order to show interest in the public, student senate members decided to hand out reminders to the people to vote in the November elections.
Another of the new projects discussed was an all-school Christmas Party to which everyone would bring toys, clothes, or other gifts to be given to a needy family.

Seniors Meet

October the 13th found seniors rushing to room ten for a class meeting. Paul Easterwood, president, called the meeting to order; Arlene Reid read the minutes from the previous meeting.
We discussed our Halloween party. We voted on places to have it. Our first choice is Donna Carmichael's house; if we are unable to have it there, the school cafeteria is our second choice.
We then discussed how to raise money for our class. We voted on having a car wash. It will be held on October 24th. The committee appointed for organization were—Valeria Millsap, chairman; David Vaughan, Dale Leinen, Kathy Huckabay, Don Minchew, and Greta Nelson. We also voted on having a senior play the second semester.
On October the 15th the seniors gathered in the auditorium to hear a representative from the F.B.I. speak. We appreciated this talk very much because it was extremely interesting and instructive.

Pep Rally Inspires School Spirits

As our regular schedule of pep rally and ball game resumed this week, the Dimmitt Bobcats were brought in to the pep rally with spirit high. The students were doing their best for competition of the spirit jug.
The new yell was "Hit That Mark!" It is one of many others that our cheerleaders learned at school. These yells are taught at the beginning of the pep rally, before the boys are brought in.
The first week of the Spirit Jug, the Sophomores became the proud owners, with the Freshmen winning on the second week.
This pep rally was the first one for our Conference games. There are five conference games in all, and the Bobcats received much encouragement for their first one.

Honor Society President Is Linda Schreck

The National Honor Society met Friday, October 9, with their sponsor, Mr. Cason Smith, to elect officers for the first semester. They will consist of senior members only. A new set of officers will be inaugurated at mid-term when junior members will be allowed to vote. The executive council for the first semester consists of:
President - Linda Schreck
Vice-President - Charles Harris.
New senior members this year are: Arlene Reid, Janis Moore, Johnny Linn, Charles Harris, and Linda Davis. Juniors added to the membership include: Irene Thornton, Nancy Axe, Bob Bradford, Robby Lindsey, Donna Summers, Peggy Ott, and Eva Giles.

Bobcat Tale Philosopher

Are We In The Majority?

It seems that a majority of the young people of America want to raise their grades in the new school year. In a recent national poll, sixty-four per-cent of the students questioned said they would bring up their grades for several reasons.
Some of these students said they anticipated better grades because they intended to work to their full capacity. Others felt they would reach a new height because the summer holiday afforded time for extra study and preparation. One student commented that his grades would be raised because his father threatened to become a lot stricter.
From the twenty-five per cent who expected grades to stay the same, came reasons such as they were already doing their best and no more could be expected of them, or they got average grades at present and saw no hope. (not much incentive here.)
The majority of American young people want to make better scholastic averages. I do not think the majority of DHS students are contributing to the cause, not from the looks of "Lists" anyway. With

thirty per cent of the student body with grades below seventy, the outlook is very grim. We could all do better; so why not try harder to bring that list to a minimum? Conformity is not often advocated but in this case we should conform and join the majority.

Dale Leinen Named Senior Of The Week

The Senior Class has a member with an unusual hobby—what? Drag racing! Believe it or not, he does it on a legal strip and not on some lonely dark road.

Yes, Robert Dale was born to Mr. and Mrs. R. A. Leinen on December 3, 1946 in good old Dimmitt, Texas. Today, he is a fine member of D.H.S. and reflects his attitude of blissfulness to all those near and far. This is evident when we take into consideration that "Bedtime Story" is his favorite production and Jerry Lewis is his favorite actor. An actress full of life and beauty will surely catch his attention. Who else but Kim Novak fits this description? The late Buddy Holly is Dale's favorite singer and the song "True Love's Ways" also meets the requirements as a favorite.

What is Dale's favorite food? Mexican, of course, and blue is his favorite hue. But how does our celebrity really stress his likes? In cars—how else? Dale's favorite is the Chevrolet (of course) but to build and race them is the most exciting thing in the world to our Senior.

In school, Miss Britten and Woodworking are his favorite and most agreeable teacher and subject. Here, at school, as we pass Dale in the hall, we usually hear "What's the story on you?" He has been an active member of the Lyre Club and of Bobcat Band and then this year he is a member of the Drama Club. In the past three years he has been a member of the Science Club.

He plans to attend Texas Tech after graduation and either major in pre-medical or business administration and minor in Journalism.

Of all of the many moments that Dale has spent with the kids at DHS he considers the trip to Dallas with the Band the most memorable moment ever, but the moments while he was with his friends and all of the kids of D.H.S. are those that rank next in line and are truly unforgettable.

Dale, the students of D.H.S. join with me to wish you the best in life and may your future be a very bright one.

Dodd Speeds Chiefs Past 'Cats, 28-6

Halfback Milton Hargus returned the opening kickoff 88 yards for a touchdown and the Friona Chiefs rolled on to a 28 to 6 drubbing of the Dimmitt Bobcats in the District 3 AA opener for both teams here Friday night.

Fullback Doug Dodd the leading class AA corer on the South Plains, added 10 points to his total while crashing for 175 yards rushing. He scored on a 78-yard run in the first period to give the Chiefs a 14 to 0 lead. He also kicked four extra points.

Trailing 14-0 in the third quarter, Dimmitt gambled on fourth down and lost possession of the ball on its own 13-yard line. Two plays later, halfback Danny Murphy bolted nine yards for the score that made it 21 to 0.

Midway of the fourth period, quarterback Jim Snead capped a 75-yard march with a 3-yard keeper for the final Friona score.

Dimmitt scored with less than three minutes left on a 13 yard pass from quarterback, Steve Hutton to end , the kick failed.

Friona winning over the Bobcats for only the second time in 20 years (the Chiefs broke a 19 year drought last year), rolled up 330 yards on offense, all of it on the ground. The second-ranked area AA team gave up 71 yards on the ground and 161 yards through the air for the Bobcats.

Friona is now 5-1 for the season while Dimmitt, who meets Floydada next week, is 0-5-1.

Lockney Squeezes Past Dimmitt "B"

The Lockney Longhorns rolled to an 8-0 victory over the Dimmitt Bobcat B' Team here in Dimmitt. The game was close throughout the four quarters with the only scoring coming in the second on a hard fought drive by the Longhorns.

The Bobcats began early in the first quarter and began to move the ball well down field. But the drive was ended and the Bobcats had to punt. From then the Longhorns dominated the ball most of the time. Midway in the second quarter the Longhorns scored on a drive. The extra points were good.

The Bobcats team was composed of both the B'Team and Freshmen. Outstanding players for the Bobcats were Tommy Stafford and Tommy Coleman. Coleman played well through the first half but was injured in the latter half. Outstanding on defense were Johnny Davis, Emilio Nino, Moses Murrillo, and Charles Thomas.

Dimmitt Students Attend National F.F.A. Convention

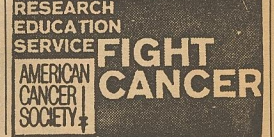

Darrell Pope and Dana Wall reported having a wonderful time at the National F.F.A. Convention in Kansas City. They left Monday, October 12, for Kansas City and returned on Saturday. They were two of 315 Texans represented at the Convention. Boys from all fifty states and from the Virgin Islands and Puerto Rico were present to receive awards and take part in the Convention.

During the Convention they heard the speeches by the retiring National President, Vice President, and other members of the National Executive Committee. Also present were several honored guests. Among these were Senator Barry Goldwater and United States Congressman Donald Fuqua, who was at one time a National President of the F.F.A.

They attended seven sessions in which they saw special award and degrees such as the American Farmer Degree handed out. Awards were also presented to men who had made contributions to the F.F.A.

Campus Chat

How many of you have ever taken a ride in a small plane? Today we are going to fly around our town, Dimmitt, and observe some things. Swooping down from the sky we can see some couples going to the show. They are Paula Birdwell and Jack Bradford, Joanie Hammond and Larry Scoggin, Judy Mooney and Gary Moore, Greta Nelson and Ronnie Hutton, and Janice Baldrige and Stanley Byrnes. Of course not everyone likes to go to the show so we buzzed out to the school to check on the activities. We were really happy to find that the tree was sprouting. As we were coming back to town we could hear a loud commotion. There under the light was a stalled car. Naturally Poppy Byrnes and Bee-lee Goodwin didn't plan this, but now that it had happened nothing could be done about it. The cars were lined up two blocks behind them. In these cars we found Nancy Lowder and Dean Kirby, Ronnie Johnson and Cynthia Rodgers, Linda Davis and Dale Leinen, Rochelle Johnston and Robbie Lindsey, A'llan Webb and Robert McLean, and Eva Giles and Tommy Coleman. Finally they got the cars rolling because Bee-lee moved his car out of the way. After the show we could see that the drive-ins were crowded so we swept down to take a look. We found Nancy Howard and Anthony Stanford, Vikki Orte and Rodney Hutto, Shari Willis and Gene Bradley, Sue Hendrix and David Vaughn, Penny Hays and Don Moore, Jane Cleavinger and Gene Carson, and Jan Willis and Johnny Davis. It was nearing ten thirty and the streets began to clear. We could see cars turning left at the light to go home, we think! In these cars were Anita Cameron and Mike Bruegel, Keith Ann Howard and Mike Reed, and Craig Fuller and Rochelle Johnston? Since the town was dead now we went back to the airport to land. It sure feels good to be on "terra firma" again.

Aunt Mahitabel

Dear Aunt Mahitabel, I have this "terrific" problem. It follows me around like a leech. It is the most tremendous crumb I have ever known. I have been blunt, rude, stuck-up, and sarcastic but to no avail. Please advise.

Dear Tormented, Why not try slamming his head in a locker? You've tried everything else with just about as much success. Be ever so nice to Lover boy. Yes, you heard me correctly. Be nice; try charming him. Even take your turn and chase him awhile. It'll do wonders for the figure and get rid of the "leech" at the same time. And you'll be surprised at how fast he will run the other way!

Oh, you think I'm crazy? Maybe I am. But since you've tried everything else, give my trick a try and you can pass any judgement on me while you're watching him run on all fours—in the opposite direction. I'll take any verdict you hand me.

Why is he like that? Everybody is. It's human nature. When they're shown an over-enthusiastic interest by someone, it scares 'em to death! Do you read me? Good! Now here's a pair of track shoes—Happy chasing.

Dear Aunt Mahitabel, We have tried to write before, but our time seems so limited. We, as most other girls, have a problem. We have tried to be as friendly as we can be, and we always act lady-like, but somehow we just don't seem to be date bait. The boys all seem to think that we are just shoulders to cry on if they ever have a problem. We also realize that perhaps sometime along the way we have left a sisterly impression. How can we shake this? A great deal of the time some boy will ask us to go get a coke or something of that nature, but perhaps this just isn't the boy we even have the least little bit of interest in. Please don't get us wrong, we

have dated a great deal in the past with other boys from other schools or grades. We would appreciate all of the aunty advice that you could possible think of and maybe a few tips as to how we could get boys that are nice and respectable to take a good look at two good looking girls.

Thank you for your time, Never lovers—Ever friends—Dear Never:

You have really sent me a letter full of problems. But I'm here to help so let's quit the small chatter and get down to business; we've got lots of work to do.

To begin with, a sisterly impression isn't going to get you anywhere—not now anyway. Later when these same boys start looking around for lifetime partners, it's the little sisters who attract most of the eligible bachelors. They're the ones who appeal to the mature boys who know what love and life and marriage are all about. So much for the future.

If you're everybody's sister, try letting up on the sympathy. Next time Chuzzlewich starts telling you about the other girl, just nod and act interested in him, not his troubles. Tell him to write me that is why I'm here.

Now, maybe you look sisterly. Why not try a new hair-do or "make-up" tricks. Make small alterations with your clothes if they tend to look matronly or severe, or sisterly. Look like the vivacious outgoing girls you seem to be. Get that mournful look off your faces, put on a smile and get out and mingle! And above all, just give any heartbroken loverboy a chance to pour his troubles out on you.

Your second problem is that you aren't interested in the boys who do ask you for dates. Girls, I'm afraid it isn't the boys who are at fault—it's you. I'll agree, most boys aren't Rock Hudsons but for Pete's sake—don't expect them to be! Eating your heart out over somebody like that, is like trying to bring down a bomber with a B.

B. gun. It's frustrating, and it's your fault.

Make up your mind to really get interested in everything he says or does. If he doesn't make the evening interesting, then it's up to you. Use your imagination—invent something to do! If you're really imaginative, you will be having such a good time, you'll forget you weren't interested in him in first place. And act interested, even if you aren't. Interest stirs interest, then every body is interested. One more suggestion—while you're sitting with him at the drive-in silently sipping a strawberry rootbeer, try counting up all of his good points. If you can't find any, concentrate on that strawberry rootbeer.

Remember this—boys talk the same as girls. Pretty soon it will get around at the bull sessions that you aren't interested in dating anybody.

Now quit worrying about why Burnzilde jilted Chuzzlewich, and while nobody's looking—grab him! Aunt Mahitabel

The Shadow

This week, I chose as my victim a member of the mighty senior class, J. F. (Flash) Latimer. Those who have seen him speeding down the halls between classes know why he is called Flash.

The week was off to a normal flying start Monday as Flash spent the afternoon collecting donations for the newly organized Young Democrats with Paul Eastwood. Monday night he attended band practice, and later was spotted at the Dairy Queen.

Tuesday he collected donations again, this time with Paul and Alice Acker. Tuesday night he stayed home and watched the late movie.

Wednesday he played tennis with George Froehner, and was seen later with Ronnie Hutton. Wednesday night he went over to Steve Meyers' house and played cards. Thursday he played tennis again

and later was seen leaving town headed for Hereford.

Friday Flash played with the band during the pep rally, and then rode around with A. D. Why did A. D. miss the football bus? He went to the ballgame at Friona with the band, and later was seen riding around with Porkey Leinen.

Saturday morning he messed around all morning with A.D. and Ronnie. He played tennis Saturday afternoon and later conducted a little business with C. L., whoever that is.

Saturday night he went to the ballgame with A. D. and Ronnie. They got home sometime Sunday morning.

Sunday morning Flash dragged himself out of bed and went to Church. He stayed home Sunday afternoon and watched television. Sunday night he probably set a personal record of some sort by studying two hours.

Thank you, Flash, for being my shadow and leading me through a very hectic week.

Castro Lodge AF & AM 879, Regular meeting 3rd Monday. Practice every Thursday, Haywood P. Smith, Worshipful Master, Ira E. Brown, Secretary.

Grain Sorghum Chat

by Wes Athony
According to feed lot experiments in California, milo has more energy than barley.
The trials indicated that the net energy values for barley at full feeding levels was 64 meal, per 100 lbs. of dry matter, plus or minus 3 meal. This is lower than the figures indicated for milo of 71 meal, plus or minus 3 meal. The net energy for the 50-50 mix of barley and milo was 68 meal, plus or minus 3 meal.
This trial indicates that the figures currently listed in Feeds and Feeding are approximately 22 per cent too high for use when beef cattle are full fed.
The California researchers conclude: "There appears to be no reason for feeders to discriminate against milo as a source of energy when fed in a balanced feedlot ration. However, it must be recognized that individual lots of grain may vary because of variety or environmental differences during its protection."

Chevrolet

workpower

comes in two kinds of pickups Trim Fleetside Pickup (shown above) . . . or handy Stepside Pickup with running boards between cab and rear fenders. There are 6½- or 8-ft. bodies, plus an extra-long 9-ft. Stepside body. Floor of heavy wood planking with full-length steel skid strips. Tailgate held snugly by anti-rattle latches. You get smooth independent front suspension and self-adjusting brakes. Check out a Chevy pickup for your kind of job.

CHIEFS DOWN BOBCATS, 28-6

Friona, capitalizing on two mistakes of the Dimmitt Bobcats and pushing across two drives of their own, downed the Bobcats by a score of 28 to 6 Friday night at Friona.

The Chiefs won the toss and elected to receive. The Bobcats kicked off and Friona faked to bring the ball back up the middle then cut back to the sideline and went 88 yards to start the scoring for the Chiefs. Doug Dodd kicked the extra point.

Danny Land returned Friona's kickoff back to the 42 yard line and the Bobcats moved the ball down to Friona's 34 yard line before a fourth down pass was knocked down and Friona took over.

The Chiefs used the power sweep with Murphree and Hargus and the trap up the middle with Dodd to move the ball down field for a score. Dodd, showing his ability to shake off tacklers, made a 54 yard run to score on the drive and kicked the extra point to put Friona out in front 14-0.

Steve Hutton returned the kickoff back to Friona's 47 yard line. Dimmitt picked up two first down but were unable to move the ball down to score. After an exchange of punts with both teams holding on defense, Dimmitt started a drive that took them to Friona's 8 yard line. The longest play in this drive was a draw play with Danny Land carrying the ball 22 yards. Friona stopped the drive and the half ended 14-0.

Dimmitt took the kick-off at the start of the second half and Ray Bradley returned it behind good blocking to Dimmitt's 43 yard line. The Bobcats picked up a punt.

Ronnie Kenmore kicked the ball down to Friona's 7 yard line. Friona moved the ball out to their 43 yard line where the Bobcats held and forced them to punt. The ball died on Dimmitt's four yard line.

Dimmitt picked up a first down, then Friona held and on a fourth down the Bobcats shifted into punt formation and a pass from Steve Hutton to Tommy Nichols fell incomplete, setting up Friona's third touchdown. It took Friona two plays to score on a power sweep with Milton Hargus carrying the ball over from the Bobcats 8 yard line.

Friona kicked off then held the Bobcats and forced them to punt. Friona took over and showing their speed moved the ball on sweeps and traps and scored to lead 27-0. Doug Dodd kicked his fourth point after touchdown try and Friona held a 28-0 lead with six minutes left in the game.

TONY YOUNG (11) carries the ball for yardage against the Friona Chiefs Friday night. Danny Land (30) comes up to assist in the play. See story. —Staff Photo

Dimmitt took the kickoff back to their 32 yard line and started a drive that ended with the Bobcats scoring on an 8 yard pass play from Steve Hutton to Dig Moore in the end zone. The big play on the drive was a 47 yard pass from Young to Dickie Dyer who caught the ball between two Friona defenders, broke loose and then was pulled down from behind. The try for extra point was missed.

The Bobcats recovered two Friona fumbles in the closing minutes but were stopped when Friona held one drive and intercepted a pass on another.

"We knew that Friona had a senior ball club and that they were a lot faster than we were but we felt that if we could keep from making a big mistake, we could play them an even ballgame," states Coach Covington.

"We made two big mistakes and they scored on both of them," continues Covington.

"We moved the ball against them but couldn't break anyone loose and they had the speed to go all the way when they broke through," concluded Covington.

Dimmitt plays Floydada here Friday night at 7:30. With a good line and Teague as one of their leading scorers, the Whirlwinds 2

have a good ball club. They have only lost one ball game. Tullia defeated Floydada 35-0.

BETHEL NEWS

Mr. and Mrs. Bryan Sinclair of Bethel and Mr. and Mrs. W. E. Thompson of Dimmitt returned Saturday from an 11-day trip to Washington D. C. where they visited the Sinclair's son and the Thompson's daughter. Mr. and Mrs. Ivan Sinclair. Ivan is on the White House staff of President Johns on. He arranged guided tours of the White House and grounds for his visitors and was host to them for lunch in the White House. The group also visited many other points of interest the Washington area.

Most of the members of the Bethel Home Demonstration Club helped with the preparing and serving of the annual Castro County Farmers Union banquet at the South Grade school cafeteria on Thursday night. Among those who enjoyed the meal were Mr. and Mrs. James Welch, Mr. and Mrs. Chas. Wales, Mr. and Mrs. Roy Dale Underwood and Messrs. Vern, Houston and Earl Lust.

Mrs. O. R. Cook of Post was visitor from Thursday until Monday in home of her daughter, Mrs. Edd Hughs.

Mr. and Mrs. Moss Howell, Mr. and Mrs. Jimmy Howell and John Howell attended a school play at Friona Saturday night. Dennis and Darla Howell, children of Mr. and Mrs. Chas Henry Howell were in the cast of the play.

Mr. and Mrs. Donald Wright and children visited Mr. and Mrs. Chas. Wales on Sunday evening.

Mr. and Mrs. Moss Howell were in Olton Sunday afternoon for funeral services for Mrs. G. R. Smith Mrs. Smith was mother-in-law of Mr. Howell's brother G. H. Howell of Springlake.

Mr. and Mrs. Donald Gilreath and daughters visited Mr. Gilreath's mother, Mrs. C. L. Gilreath at Needmore Sunday afternoon.

Mrs. George Sides, Mrs. Carl Bruegel, Mrs. Monte Booser and Mrs. Fred Bruegel, Jr. were among the members of the Milady Garden Club who presented their third annual flower Saturday afternoon at the Grade School Cafeteria.

Mr. and Mrs. Fate Shannon and children and Mr. and Mrs. Bryan Sinclair were in Amarillo Sunday afternoon for visit with Mr. Shannon's mother and other relatives.

Mr. and Mrs. Benny Sides of Lubbock were week-end guest of Mr. and Mrs. George Sides.

Mr. and Mrs. David Funck and children and Mr. and Mrs. Sam Wilson and children of Amarillo visited the Leland Smiths on the week-end.

Mr. and Mrs. Moss Howell attended a reunion of long-time friends in the Blanco Community in Floyd County. The meeting was held in the W. F. Daniels' home.

WAC Features New Exhibition

A pictorial journey through the 22-year history of the Women's Army Corps will be offered Amarillo area residents visiting an attractive Army exhibit called SERVING WITH PRIDE AND DIGNITY, opening at the Sunset Center Mall on October 27.

The 28-foot gold and white carousel-shaped exhibit will be on display daily through October 31. One panel of this exciting six-

sided exhibit shows women in Army Uniform as they were in World War II, in the Korean War and as they are today. Backlighted transparencies illustrate the many and diverse jobs Wacs perform, while other graphic and audio techniques dramatize these women in their essential role as members of the Army team.

Other highlights include a special 14-minute color movie, and a series of nearly life-size color photographs of Wacs modeling the smart uniforms of today's Corps.

The display structure itself is something to behold. Geometric

designs special materials and colors unite to complement the mood of the exhibit and maintain the PRIDE AND DIGNITY theme.

Wac "stars" who appear in the movie will be with the exhibit to act as hostesses during the showing in Amarillo.

SERVING WITH PRIDE AND DIGNITY is an official Army exhibit produced by the U. S. Army's Office, Chief of Information. It is open to the public without charge.

KEITHA DAVIS

Keitha Davis To Attend Symposium

Keitha Davis, daughter of Mr. and Mrs. J. G. Davis, has recently been selected as one of two women delegates from Texas Technological College, Lubbock to attend a symposium at Massachusetts Institute of Technology in Cambridge, Mass.

The Symposium for Women in Science and Engineering is sponsored by the National Association of Women Students and is being held under the direction of the

women students at M.I.T. Miss Davis and Zafer Cetinkaya, a Turkish student at Texas Tech, and also a delegate, will leave Lubbock by plane Thursday morning (today) for Boston, Mass. where they will be met by a delegation from M.I.T. and driven to Cambridge.

The Symposium, Friday and Saturday, Oct. 24-25, will feature women speakers outstanding in such fields as medicine, engineering, chemistry, physics, and mathematics. They will represent such places as Yale Harvard, and other universities in America.

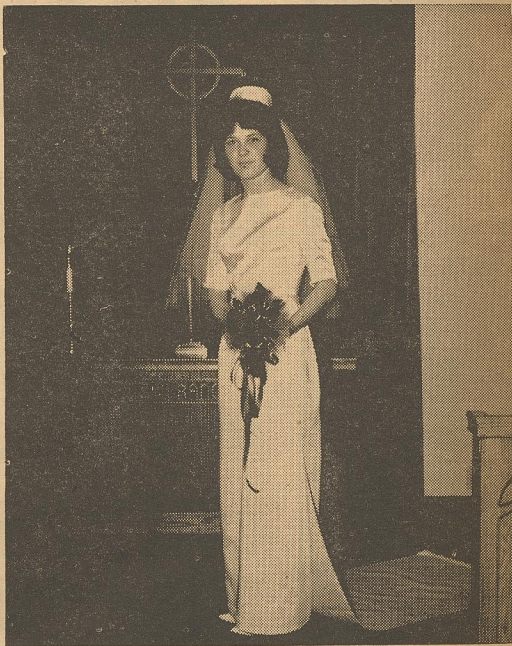

The two Texas Tech delegates will be able to participate in discussion groups, conferences and panel discussions.

Some 200 colleges and universities over the nation will be represented at this symposium.

Miss Davis, a senior pre-med student at Texas Tech is majoring in chemistry and hopes to enter medical school next fall. She will return to Lubbock, Sunday night, October 25 after the Symposium.

LEAVES FOR CALIF.

Mrs. Richard Burkhardt left Monday for Merced, Calif. to join her husband who is stationed at Castle Air Force Base. Mrs. Burkhardt is the former Billie Kitchens daughter of Mr. and Mrs. Bill Kitchens. Driving along with her in their car on the trip were Mr. and Mrs. Chick Howerton, Ruth Ann and Kelly Sue, who are enroute to Orange, Calif.

MRS. PHILLIP W. RUSSELL nee Terri Jo Rothwell

Terri Jo Rothwell Weds Phillip Russell In Presbyterian Church

Miss Terri Jo Rothwell became the bride of Phillip W. Russell in an 8 o'clock ceremony solemnized Saturday evening, October 10, in the chapel of the First Presbyterian Church of Carthage, Mo.

The bride is the daughter of Mr. and Mrs. Billy Joe Rothwell of Carthage, and the bridegroom is the son of Mr. and Mrs. J. G. (Pete) Russell of Jane, Missouri.

The Rev. James M. Smith performed the double ring ceremony as the couple stood before an altar decorated with red roses flanked by single tapers.

Wedding music was presented as a prelude to the ceremony by Miss Betty Anne Wyatt. Miss Candy Chandler sang "Because" and, as the couple knelt at the altar, "The Lord's Prayer".

Given in marriage by her father, the bride wore a floor-length gown of white peau-de-soie, designed and made by her grandmother, Mrs. Vernon Simmons of Everton. The gown was created with a fitted bodice which featured a scooped neckline and elbow-length sleeves, trimmed with Alencon lace. The bell-shaped skirt was highlighted by a chapel length train which fell gracefully from the waist.

The bride's elbow-length veil of illusion was secured by a pillbox trimmed with Alencon lace and tiny seed pearls. The bridal bouquet was of red roses.

Attending the bride as maid of honor was Miss Sundry Sue Sylvester, who was attired in a floor-length gown of pale pink brocade-embossed with flowers. The fitted bodice was designed with a scooped neckline and unpressed pleats formed the skirt. The dress was belted with a matching cummerbund. Her headpiece was a circlet of pink net secured by a pink rose, and she carried one red

long stemmed rose. Miss Tommye Rothwell, sister of the bride, served as bridesmaid. She was gowned in a pale blue dress identical in design to that of the maid of honor, and carried one red long stemmed rose.

Glenn Henson attended as best man. Groomsman was Jerry Evans, Jane, Missouri. Jim Russell and Roger Russell of Tulsa, brothers of the groom, served as ushers.

For her daughter's wedding Mrs. Rothwell chose a navy fitted dress with jacket and matching accessories. Her corsage was of red roses. The bridegroom's mother wore a pale green two piece suit with matching accessories and a corsage of baby pink roses.

Immediately following the ceremony the couple was honored at a reception in the church Fellowship Hall. The bride's table was covered with a beige lace cloth over red taffeta. Centering the table was an arrangement of roses lighted by tapers in an eight-branched candelabrum. A miniature bride and bridegroom topped the three tier wedding cake. Punch was served from a crystal bowl with floating ice ring of red roses.

Assisting Mrs. Russell Heiston with the reception were Mrs. John Martin Coner, sister of the bride, Miss Donna Roper, and Miss Amy Linebarger presided at the guest book.

For her traveling ensemble, the bride chose a fitted beige dress with matching coat, brown lizard shoes and bag and mink hat matching her coat collar.

After a short wedding trip the couple will be at home in Tulsa, Oklahoma. The bride is a senior at Carthage High School and will complete her schooling in Tulsa. The bridegroom graduated from Pineville High School with the class of 1963.

The bride is the grand-daughter of Mrs. Leona Rothwell and great-granddaughter of Mr. John A. Simmons of Dimmitt.

Annuals Furnish Color And Beauty For Fall Gardens

In areas of Texas with open winters, annual flowering plants are a must for fall and winter color in the garden, although prevailing temperatures must be carefully considered.

Day temperatures during October and November and even early December seem to be ideal for good plant growth and development. As the season progresses temperatures may drop so low that they will prevent flowering on many annual plants.

To insure good winter blooming on annuals, plant them early enough in the fall to develop good flower buds before low night temperatures slow down or stop their growth.

There are a considerable number of annuals, and perennials treated as such, that are well adapted to fall and winter gardens. Each plant has its own growth limits during cold nights; plants used for fall and winter flowering can be placed into groups based upon their response to climatic conditions.

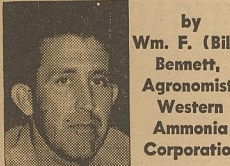

Pansies and other species of Viola can withstand almost any climatic condition in fall and winter gardens. They can endure freezing weather, need low temperatures to set flower buds, and will continue to bloom through fall and winter regardless of most weather changes.

Stocks and snapdragons are another group of winter garden favorites that are in a class by themselves while these annuals survive temperatures as low as 18 to 20 degrees F., they need the warm days and nights of October and November to produce good early growth and should be in bud stage by the end of November at the latest.

Another cool-season annual, Calendula, also responds well to climatic conditions in fall and winter gardens. In areas void of heavy frosts with mild winters, fibrous rooted begonias, cinerarias, fiery primroses, gazanias and other annuals can provide extensive bloom during the cool spring months, even though they may be damaged slightly during winter cold spells.

Violas and pansies should be available soon from nurseries and should be planted when purchased.

SOIL TEST RESULTS

This is the third of a series on soil test results. The first two were on Soil Reaction and Organic Matter. This week, let's discuss nitrogen and nitrogen recommendations based on soil test results.

Most soil testing laboratories do not run a specific nitrogen test. Instead, the nitrogen status of soil is determined by estimating nitrogen release plus a knowledge of the factors affecting nitrogen release.

Nitrogen release can be estimated by use of various types of tests. Organic matter content is commonly used. Another type of test determines the nitrification rate under lab conditions. Other tests include procedures for ammonium nitrogen, nitrate nitrogen and other forms of nitrogen in the soil.

After an estimate of nitrogen release has been made, it is necessary that this be related to other factors affecting production. This would include past cropping history, past fertilizer use, soil type, availability of irrigation water and yield potential. On this basis, it can be seen that information sent to the laboratory with your soil samples may be just as important as the organic matter or nitrogen release test. The soil chemist that interprets your results and makes nitrogen recommendations usually relies heavily on the information you send. So when you submit soil samples to be tested, be realistic in listing your expected yield level.

Safety Hints Given On Cotton Pickers

Safe operation of a mechanical cotton picker means following a few simple precautions, says Beverly G. Reeves, cotton ginning and mechanization specialist, Texas Agricultural Extension Service.

Taking the picking drums out of gear before getting off the picker is the first rule. Service picker is the first rule. Service and adjust the picker head only when it is out of gear, advises Reeves and remember to replace all safety shields when it is necessary to remove them. Also, lock the basket in the dump position when servicing the engine.

rows, raise the picking unit to its highest position but do so only at half throttle or less, recommends the specialist.

Since cotton pickers have a high center of gravity and turn over easily, extreme care should be used when operating or turning the picker near ditches. Reeves pointed out that steep downgrades used to load or unload the machine should be approached by backing.

Avoid applying the brakes quickly when traveling on roads. A mechanical picker is a heavy machine, explains the specialist, and is hard to stop.

These simple suggestions have been proved by manufacturers and in the field, says Reeves. A few minutes devoted to safety can protect the cotton picker as well as the operator.

Skinner Pledged To Sigma Phi Epsilon

David Warren Skinner of Dimmitt is one of 160 fall semester pledges of the 10 men's social fraternities at North Texas State University.

Skinner, who pledged Sigma Phi Epsilon, is the son of Mr. and Mrs. W. A. Skinner, 805 W. Jones. A sophomore speech major, he is a 1962 graduate of Whiteface High School.

In Elevators

and in Long Distance, too

Service is Fastest When You Call by Number

The elevator operator knows exactly where to stop when you call your floor by number! Your telephone operator, too, can give you better long distance service—faster service—when you call by number.

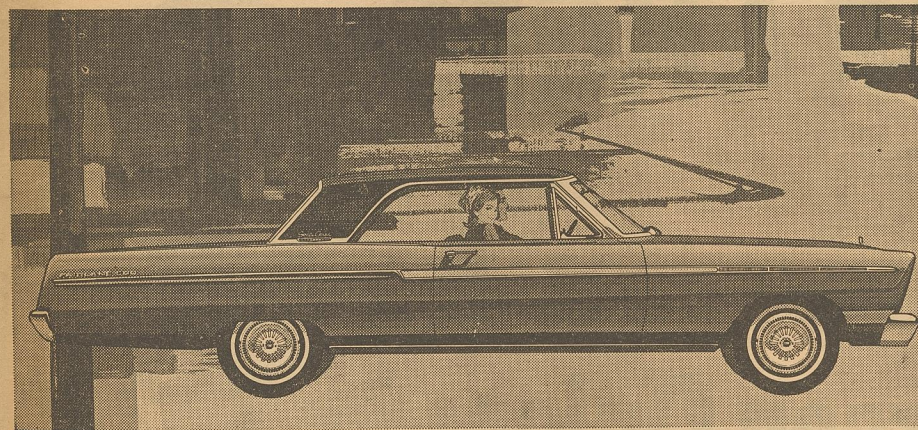

For quicker, long distance service, keep a list handy of the numbers most frequently called.

West Texas Telephone Company

THIS IS A PAID POLITICAL ANNOUNCEMENT

Maybe your wife wants a compact easy-to-park car. You want a roomy high-stepper! Vote for peace. Buy a new middle-size Ford Fairlane—make all factions happy.

Fairlane's keynote for '65 is value. Here's the platform: New go-go look outside. New trims inside all 8 models. 20% more powerful standard Six. Three big V-8 options. 3-speed Cruise-O-Matic transmission optional with any engine—for smoothest shifting and economy! Lots more. Win with Fairlane in '65!
