

New Chevrolets
To Be Displayed
Here Friday

Lockney Auto Company, local Chevrolet dealers, will display several models of the 1957 Chevrolet cars and trucks here Friday of this week.

Parents will serve coffee and lemonade all day Friday and Saturday will offer free rides to the kiddies while the parents are seeing the models. The pony rides will be up on the used car lot.

The local auto company will give favors to the ladies during the afternoon will be followed by a local girls' chorus. The Silver Bells, the Hope Cox, Kay and Loy O'Brien and Gayle will also give prizes.

They are very anxious that you come in and see the new model Chevrolets. Art Johnson, the local dealer says you'll like them and we invite everyone to come and look them over.

The new injection and a new automatic transmission will make their debut in the 1957 Chevrolets.

The Chevrolet Motor Division announced that fuel injection will be introduced on the Corvair engine a lively new V8 engine that is to be available as an option throughout the line of Chevrolet passenger cars.

Also unveiled for the first time is the new transmission known as the Turbo-Drive.

In addition to the trail-blazing TURBO-DIESEL fuel injection and new transmission, the latest Chevrolet presents a multitude of styling and performance features that promise greater satisfaction than ever before.

Because of quicker response and faster pickup, it is expected to gain widespread adoption within a few years. Chevrolet pioneered this device in its field and it is one of the few makes to use engines this year.

NEW CHEVROLET — Here is the 1957 Chevrolet Bel Air sport coupe. Several models of the 1957 Chevrolet will be shown at the Lockney Auto Co. showrooms here Friday and Saturday.

WRECK VICTIMS ALL DOING FAIRLY WELL WEDNESDAY

The more seriously-injured victims of a three-car smash-up on Highway 70 Sunday afternoon were all doing "fairly well" Wednesday, attending physicians reported.

Mrs. V. L. Duck of Amarillo, under treatment at the Lockney General Hospital, was doing fairly well and her condition had stabilized, physicians said. She is gradually improving after being in a critical condition the first of the week. She suffered broken ribs, a punctured lung and numerous lacerations. Physicians said that a lung had collapsed due to the puncture but that the lung had been expanded again and her condition was better.

Donald Duck, 10-year-old son of the injured woman, was himself seriously injured. He suffered a fractured skull and some brain injury and was rushed to Northwest Texas Hospital in Amarillo Sunday night when it appeared brain surgery might be necessary. However a report Wednesday said that he was also doing fairly well, that he had regained consciousness and apparently brain surgery would not be necessary.

Jerry Duck, 7 years old, suffered a broken bone in his foot, his twin sister, Sherry suffered only minor lacerations and the fourth Duck child, Donna, age 2, had only very minor injuries.

Mrs. Duck's husband, who was away on a hunting trip at the time of the accident, was located Tuesday and arrived here Wednesday morning to be with his family.

Two of the three colored men in another car involved in the accident suffered broken legs. Bennie Heller, 24, of Plainview, driver of Negroes' car, suffered a broken pelvis and a broken left thigh bone plus numerous lacerations and bruises. He was given emergency treatment at Medical & Surgical Hospital here and sent to the Medical Center at Plainview for further treatment. Lee Mathews, another Negro, suffered a broken left thigh bone. He was given emergency treatment at Lockney General Hospital and sent to Plainview Hospital & Clinic for treatment. Thora Lee Hooper, also colored, was shaken up and bruised but not seriously injured. He was treated at Medical & Surgical Hospital here. The colored men were all reported in good condition Wednesday.

Cotton Acreage Will Not Be Less Than 1956

Lubbock.—Congressman George Mahon of the 19th District advised from his office in Lubbock this week that he has received information from the Department of Agriculture in Washington indicating that 1957 cotton acreage allotments in Texas will be about the same in each county in 1956.

An additional large shift of acreage from West Texas to East Texas is not contemplated since it is planned that each Texas county will get not less than 99 per cent of its 1956 allotment. Under the plan most West Texas counties should get slightly more acreage than in 1956.

The Department of Agriculture has approved a compromise plan which had been submitted by the State ASC Committee which will allow the State Committee to withhold from the State allotment slightly less than four (4) per cent for small farms of 15 acres or less. For hardship cases and all purposes other than small farms 2.78 per cent will be withheld. West Texas farmers and farm groups had asked that not more than two (2) per cent be withheld for other than small farms. The total amount withheld for all purposes will be about 6% per cent of the State allotment.

Mahon said, "I had joined with other West Texans in an effort to keep the withheld acres to the lowest possible figure. I think our efforts helped because an additional large shift of acreage out of West Texas in 1957 is not now contemplated. However, the compromise plan still gives the edge to the small farm areas of East Texas."

The resolution, dealing with public relations, resolved that a public relations committee be organized which would endeavor to carry out a publicity campaign favorable to the farm population through means of national magazines and other available publicity means.

The resolution, called upon both the State Farm Bureau and the American Farm Bureau Federation to use all available means to gain favorable publicity for the farmers' problems.

County Farm Bureau Adopts Resolutions

The Floyd County Farm Bureau, in annual session here last Thursday night, passed resolutions concerning underground water, farm-to-market roads, farm labor, taxes, public relations and the encroachment of the federal government into local affairs. Surprisingly the resolution concerning a weed control district was not passed by the group.

The first resolution, dealing with public relations, resolved that a public relations committee be organized which would endeavor to carry out a publicity campaign favorable to the farm population through means of national magazines and other available publicity means.

The second resolution, dealing with water control, appeared in two parts—the first that the state recognize underground water as a separate body from surface water, and that regulations regarding surface water, with underground water to remain under local control. The second part of the resolution recommended opposition to a state wide ad valorem tax for financing surface water projects and also recommended that regulations be made on a water shed basis rather than a state wide plan.

The third resolution was for the continuation of paving of farm-to-market roads especially favoring school bus and mail routes.

The fourth resolution, dealing with the farm program, was passed in two parts. It called for the continuation of the limitation to 2 per cent in the ASC current acreage control plan. It also called for support for grain sorghums and asked that grain sorghums be placed on equal parity with corn.

The group also asked for more accurate classing of cotton and asked the State Farm Bureau to do all within its power to secure a "light spot" classification for cotton going into the government Pan. Such a classification is not now recognized in the loan program.

Longhorns Seek 7th Win Over Post Friday

The Lockney Longhorns will probably be facing their toughest foe of the season Friday evening when they take on the Post Antelopes on Mitchell-Zimmerman Field here. The Antelopes have won their single district game of the season and will be trying to keep that record clean.

For the season the Antelopes have won four and lost one, that loss being to Denver City 13 to 7. Their wins have been: Post 6, Ralls 9; Post 30, Crosbyton 20; Post 27, Slaton 14; Post 39, O'Donnell 19.

The Antelopes run a straight T and some times use a spread formation. They have lots of speed and are quick to take advantage of breaks. Coach Rudy Haile said his scout reports show. The Post team has nine regulars from last year's team back for this season.

They are very little, if any, heavier than the Longhorns, however, and will be about the lightest team the locals have played this year. But what they lack in weight they make up in speed, Haile said, and he frankly thinks that this will be the Longhorns toughest game.

The Longhorns are in good shape physically, Coach Haile said, although the Coach himself is suffering from a badly sprained ankle he acquired while showing the boys how to run a pass formation. The Longhorns are taking the game very seriously, Coach Haile said, and he believes that they will be ready to do their best when Friday night comes.

The line-ups, both offensive and defensive, will be the same as far as he knew Wednesday.

"It will be a relief not to have to give away so much weight and to be playing someone near our size," Coach Haile said.

The Longhorns now have six straight wins under their belts, two of them in district play and they will be out there fighting to keep that record clear. They are still rated high by area sports editors, with the Amarillo Daily News carrying them as the No. 1 AA team in the Panhandle and South Plains and the Lubbock Avalanche rating them as No. 2 behind Canyon.

A large crowd of fans is expected to be on hand Friday evening, barring unfavorable weather, to boost the Longhorns on to another victory.

Game time is 8 p. m. as usual.

Scoreboard Not Here
It appeared doubtful Wednesday that the electric scoreboard to be erected at Mitchell-Zimmerman Field by the First National Bank would arrive in time to be erected for the Post-Lockney game. The scoreboard had not arrived here Wednesday afternoon late although it had been shipped the past week end.

Plainview TM Club To Present Program Here

The Plainview Toastmasters Club will present the program at the weekly meeting of the Lockney Toastmasters this (Thursday) evening at 7 o'clock. The meeting will be at the grade school cafeteria. Some 10 members of the Plainview Club will be present and they will furnish the toastmaster for the evening along with the table topics and four speakers. The local club will furnish evaluators for the program, according to Claud Holley, program chairman of the Lockney club.

In turn the Lockney club will present a program at the Plainview Toastmasters Club within the near future.

COUNTY HAS GINNED 36,415 BALES, MAY GIN 90,000

Barring hail storms and similar disasters Floyd County may gin as much as 90,000 bales of cotton from the 1956 crop according to a survey made by the county newspapers Wednesday. Total ginnings to Wednesday noon was 36,415 bales of cotton with the ginners average estimate of the amount of crop ginned being 40%. Thus if the 40% estimate is accurate the county is due to gin 90,000 bales. Early estimates on the county production have ranged around 70,000 to 74,000 bales.

Ginners estimates on the amount of the current crop ginned ranged from 20% in the Providence area to 50% by one Lockney gin and the South Plains Gin at Sterley. In the Lone Star area the estimate was 30% ginned and other gins in this area ranged around 40%. The same average held good in the south part of the county, according to a report from The Hesperian.

Chest Budget Set At \$11,000, Drive Dec. 3-15

The Floyd County United Chest budget for 1956 has been set at \$11,000 and the drive will be held December 3 to the 15. It was decided at a meeting of the directors Thursday evening of last week at Floydada.

The report of the budget and applications committee showed the agencies requesting to participate in the chest fund and the amounts they asked as follows:

- Red Cross, \$3200.00.
- Salvation Army, \$2500.00.
- U. S. O., \$250.00.
- Boy Scouts, \$3500.00.
- Heart Society, \$1000.00.

This totals \$10,450.00 and adding the expense of the drive brings the amount needed to \$11,000.

The Cancer Society did not make application to participate but will conduct a separate drive of their own.

An intensive campaign to raise funds will begin December 3 and extend through December 15, according to present plans. Jimmy Wilson Jr. of Floydada is the county drive chairman. He will be assisted by E. C. Carter, south part of county; Dale Goen, Floydada; Claud Holley, Lockney; Ewald Quebe, north part of county.

The publicity committee appointed by County Chairman N. W. Williams includes Edgar Hays, Willis Reynolds, Homer Steen and Carl Minor Jr.

Mrs. Raymond Upton of the South Plains community was elected a director for a three-year period succeeding Mrs. I. H. Parks who resigned. Mrs. Jim Morrison of Dougherty was elected for a one-year period replacing Mrs. Bundy Campbell, also resigned.

Best Marching Rank Selected By Officers Band Parents Club

Starting this week officers of the Band Parents Club will select the best rank in the band half-time performance at football games. The selection will be made from the films taken of each half-time performance. This week the officers met Tuesday evening at 8 o'clock and selected the Second Rank as best at the Slaton game.

The winning rank, one of eight, is composed of Barbara Wilson, daughter of Mr. and Mrs. Carl Wilson, a junior playing E flat alto sax, band member 3 years; Nancy Webster, daughter of Mr. and Mrs. Geo. Webster, B flat tenor sax, 8th grade, band member, 1 year; Katie Rucker, daughter of Mr. and Mrs. Raymond Rucker, playing E flat alto sax, senior, band member 5 years; John Perry Truett, son of Mr. and Mrs. J. P. Truett, playing E flat alto sax, junior, band member 3 years; Don Schacht, son of Mr. and Mrs. Fritz Schacht, baritone horn, sophomore, member 3 years; Betty Jean Foster, daughter of Mr. and Mrs. Joe Foster, baritone horn, senior, member 4 years.

The most accurate rank from this weeks performance at the Post-Lockney game Friday night will be announced next week, according to Clyde Seaman, band master.

Ginners estimates on the amount of the current crop ginned ranged from 20% in the Providence area to 50% by one Lockney gin and the South Plains Gin at Sterley. In the Lone Star area the estimate was 30% ginned and other gins in this area ranged around 40%. The same average held good in the south part of the county, according to a report from The Hesperian.

Ginners estimates on the amount of the current crop ginned ranged from 20% in the Providence area to 50% by one Lockney gin and the South Plains Gin at Sterley. In the Lone Star area the estimate was 30% ginned and other gins in this area ranged around 40%. The same average held good in the south part of the county, according to a report from The Hesperian.

Grades and staples are still holding good with a good percent of the crop grading white cotton and staples ranging mostly a little under an inch.

Auto Firm Will Furnish Car To Local Chamber

The directors of the Lockney Chamber of Commerce, in a meeting Monday morning, voted to accept an offer of the Lockney Auto Company to furnish a new Chevrolet car to the Chamber for its use for a one-year period. The car will be a 1957 model and will be delivered to the Chamber as soon as it arrives.

Barry Barker, representing the auto firm, told the directors that they would furnish the car without cost to the Chamber providing the Chamber would pay the registration fee, insurance charges and upkeep. The offer was accepted unanimously by the directors.

Chamber of Commerce Manager Dick Whiteley will use the car for the most part but it will also be available for use of other Chamber officials while on business for the organization. It was pointed out that the exact model will not be determined until the car arrives.

Band Parents Club Meeting Set Oct. 31

The meeting date of the Band Parents Club has been changed from Tuesday night of next week to the last Thursday in the month, Oct. 30. The club regularly meets each fourth Tuesday but for this one time the meeting will be held on the fifth Tuesday to accommodate another meeting.

An interesting program including musical numbers from the band and the director, Clyde Seaman, is planned for the next meeting which will be held in the high school cafeteria. Several matters of important business is on tap and all parents of band members or prospective members are urged to be present.

power its 1957 line, Chevrolet will build one six and ranging in output from horsepower for the six to a inch of displacement for Chevrolet V8. The Corvair develops 283-horsepower RAMJET fuel injection (Continued on back page)

Minute Editorials

He that hateth his brother is in darkness and walketh in darkness and knoweth not whither he goeth, because that darkness hath blinded his eyes. —John 1:11.

CONGRATULATIONS to the First National Bank Mr. Duran, Mr. Holley and all the personnel upon their gift of the electric scoreboard to be set up at Mitchell Zimmerman Field. It is indeed a worthy gift and one that will be very much appreciated by the fans as well as school officials. This is just another example of the public spiritedness of the bank officials and of their interest in the community. It is this kind of spirit that builds communities and cities. Thanks, very much, you bankers.

A LETTER in this issue of The Beacon from a former Lockney citizen brings to our attention the long proposed project of piping city water to the Lockney cemetery. As she points out, the project is one that needs and deserves the support of all who are interested in the cemetery. The trees and shrubbery at the cemetery are in danger of dying for lack of water and many years of effort to beautify this last resting place of many loved ones will be lost if that is allowed to happen. If you are interested in

this project see Mr. Carter, Mrs. Honea or some member of the committee and make a donation to the cause.

THIS WEEK is National Oil Progress Week and it is designed to bring to the public's mind the big part that the oil industry plays in our everyday life. The man in the oil business we see most frequently, of course, is the service station operator. He is the man who services our cars, helps us to care for them and generally generates goodwill. No one person in most towns have more opportunity to build good will than the service station operator. We are proud that station operators in this community are the kind of men that build good will and are intensely interested in the welfare of their customers. During Oil Progress Week we salute the service station operators in this community. They are good men and true.

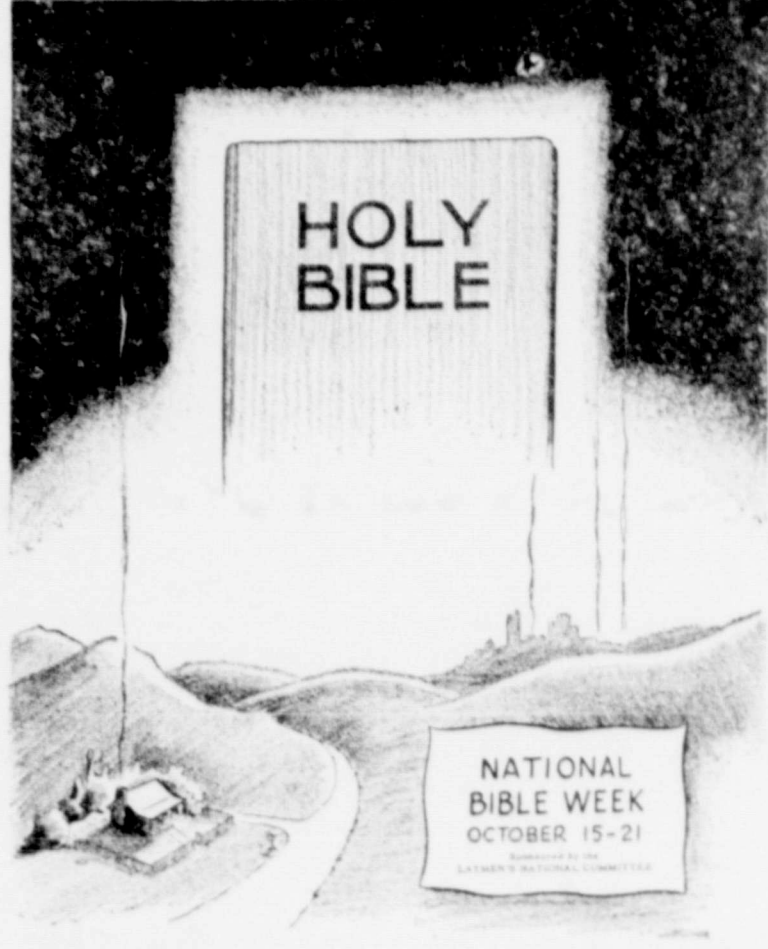

VOTERS OF TEXAS will vote on eight Constitutional amendments on November 6th and the ninth one at a special election on November 13th. The Beacon will explain these briefly in this issue and the next two issues. Here are the first three:

AMENDMENT NO. 1 is designed to allow the Legislature to pay compensation to persons who have served prison sentences and later proven not guilty. It is an amendment that appeals to the average person's sense of justice and one that we think should be adopted.

AMENDMENT NO. 2 would allow the Commissioners Court to levy whatever tax rates it deems necessary for a county's four constitutional funds so long as the total does not exceed 80c on the \$100 valuation. Previously it has been necessary to call a special election in each county to give the Commissioners Court the permission to re-allocate funds. The tax rate for the general fund, the permanent improvement fund, road and bridge fund and jury fund are each set at a definite amount. Sometimes more money than is necessary accumulates in one fund while another is short of money. The amendment would allow the Court to change the tax rate to meet the needs without raising the overall rate. It should be approved.

AMENDMENT NO. 3 would re-align the sources of income from which state institutions of higher learning finance their building programs and would allow investment of the permanent University fund in additional securities. Many state-supported schools have reached the saturation point in their physical properties in relation to present enrollment. Some are faced with the possibility of turning away qualified students for lack of space. This amendment would make available to these schools sufficient building funds without the levying of additional taxes and also without the necessity of any legislative appropriations for the next 20 years. It sounds

THE AMERICAN WAY

The Bible - Timeless and Eternal

With Our EXCHANGES

CONSERVATIVES ARE COOL

Conservative Democrats in Dallas are rather cool to the Eisenhower-Nixon ticket this time. Most of them will vote for Ike and Dick. But so far there is no indication they will work hard, as they did four years ago.

This is significant, politically. Conservative Democrats here often provide the spark and leadership for other Texas conservatives.

If the spark is lacking here, surely it must be lacking elsewhere. Only one other metropolitan county in America gave Eisenhower a bigger majority, percentage-wise, than Dallas did in 1952.

Here are a few reasons for this indifference:

1. Appointment of Warren to the Supreme Court and Warren's opinion in the "Black Monday" segregation decision. Warren, when he ran with Dewey in 1948, said racial differences should be left up to the states.
2. Ike's veto of the natural gas bill and what conservatives feel were his "stupid" reasons for vetoing.
3. The President's failure to support the Bricker amendment, which has a rabid set of backers in Dallas.
4. His failure to back Joe McCarthy in the "McArmy"

sensible and reasonable.

MORE Amendments will be discussed next week.

per cent of the conservative Democrats in this country will support Eisenhower because they feel he has greater leadership and more integrity.

They do like the cleanliness of the man and his undoubted sincerity. On the whole they like Nixon better than Kefauver.

They are disappointed because they felt he would reverse the liberal trend of 20 years. He has slowed it, but he hasn't reversed it. — Dallas Morning News

GRAIN ASSOCIATION HELP ENTIRE AREA

Do you belong to the Grain Sorghum Producer's Association?

Fewer than one-half people can answer the question in a hurry. "Yes" or "No." Yet, there is probably not one single man, woman or child in Deaf Smith County who is not benefiting, directly or indirectly, at this very moment from the efforts of the organization.

Figures indicate that Deaf Smith County alone realized \$800,000 as a result of the work carried on by the group. This came as a result of the association's battle for an equitable price support guarantee to other crops produced in the United States.

The Grain Sorghum Association is not asking for anything special. It is merely asking for a fair deal in comparison with other producers. While grain supports are still far below that of other commodities, it is alarming to think what they might have been had the association not carried its story to officials in Washington. The object, as we see it, is to secure equity—not special advantages. When we pay taxes like other people, it seems only fair that we should share in the advantages on the same basis.

For many years, labor, the dairy industry and other special interests have maintained lobbies in Washington. We have only to review their "benefits" to realize whether the situation is profitable. — Herford Brand.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

October 21, 1926

A bill has been passed by the state legislature forming a new school district in the western part of Floyd County to be known as the Lockney Independent School District. The new district embraces all the following school districts: Lockney Independent School District, Roseland, Prairie Chapel, Aiken, Irick, Muncy, Pleasant Valley and Ramsey. The bill carried the emergency clause and has now become a law.

C. O. Burns, grain man of Tulla has bought the Ayres Grain Company elevator and business in Lockney. Ray C. Ayres will be associated with the Farmers Grain Company here in the future.

A move has been made here to organize a burial association by which members will be guaranteed a \$250 burial at the time of their death.

October 20, 1944

The October induction call by Selective Service included five boys from Lockney, Alvin Cunningham, Jimmie H. Allen, James W. Taylor, Lon C. Colvin and Billy L. Allen.

Homer Jean Howard writes from Arlington, Texas expressing his thanks for The Beacon and to let us know what he is doing. Howard has been selected by a board of officials to enter college training as apprentice seaman for the prime purpose of receiving an education so that they may be better officers. Howard's specialty is aviation and he will receive pre-flight training, basic training and advanced training before being commissioned.

Only 137 bales of cotton had been ginned at Lockney up to Thursday. The short crop and late maturing is blamed with the small number of bales ginned to date.

Staff Sergeant Arthur L. Nigh

has written his parents, Mr. Mrs. M. F. Nigh of Lockney that he is now in France. Nigh has been with the American forces in Italy for more than a year. He says he likes Italy better than Italy.

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES!

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

SMALL TOUCH OF ELEGANCE
 There's a smart restaurant in East Fifties in New York City. They give a final touch to any hostess could well use. If your order is for vegetable, for instance, the waiter will bring a huge grinder and grind up freshly ground pepper against the white of the egg. If you're having their special tomato soup with a crumble of a cream of

shrimp, in goes a splash of imported sherry. And this you can do right at home in your kitchen.

CHILDREN start to school these days with a big advantage. They already know two letters of the alphabet—TV.

Cuba is touched by the Atlantic Ocean, the Gulf of Mexico and the Caribbean Sea.

Farm Bureau's Annual State Convention At Houston Nov. 11

Houston — Acreage allotments, soil bank payments, drought relief, price supports, and the farmer's cost-price squeeze are likely to get top billing when the Texas Farm Bureau holds its 23rd annual convention here Nov. 11-14.

Some 1,500 members, representing every phase of agriculture in Texas, are expected to converge on this city for the state organization's 23rd annual session.

Policies to guide the organization in its dealings next year with Congress, various government agencies and officials will be formulated by voting delegates from 186 counties.

A state-wide resolutions committee will meet here for four days prior to the convention to draft tentative resolutions for the delegate body's consideration. These drafts will be based on county resolutions.

Registration for the convention will begin Sunday afternoon, Nov. 11 in the Rice Hotel. A vesper service will be held that evening conducted by Dr. Clifton L. Genus, Dean of the College of American Studies, Harding College, Searcy, Arkansas.

An open hearing on tentative resolutions will be held Monday morning, with conferences on various commodities scheduled for that afternoon.

Finals of the state-wide Farm Bureau queen contest will be held Monday night, Nov. 12. Thirteen district nominees will compete for the state crown and its accompanying prize, a trip to Miami Beach, Fla.

The convention proper will get underway Tuesday, Nov. 13 with the morning session featuring TFB President J. Walter Hammond's annual address.

Two nationally known speakers will address the convention that afternoon. They are Price Daniel, Democratic nominee for governor, and Hassell Chenck, president of the Indiana Farm Bureau.

Banquet speaker Tuesday night will be Arthur H. Motley, president of Parade Publications Inc., New York City.

Time Short For Construction Of Grain Storage

College Station.—Grain farmers and livestock producers who need additional facilities for storing grain are reminded by C. H. Bates, extension farm management specialist, that December 31 is the deadline for completing construction on facilities to get the benefit of fast tax write-off.

Under the tax regulations now in force, farmers are permitted to write-off in five years the cost of constructing, reconstructing or erecting a grain storage facility. The program became effective in 1953 and expires on December 31 next. Ordinarily, points out Bates, such structures are depreciated over the normal useful life of the improvements.

The specialist says that provision could be very helpful to young farmers who must borrow capital to erect needed storage. Also, it should help the livestock producer who must have additional grain storage to permit bulk purchases of feeds.

As Bates sees it, the larger depreciation allowance has the same effect as that amount of allowable annual expenses by reducing the taxable income of the business. When the facility is fully depreciated under the fast write-off, the annual depreciation will drop by the a-

Dwight Perkins Awarded \$1,250.00 Scholarship

Norman, Okla. — Two University of Oklahoma graduate students in chemical engineering have won Moncrief fellowships totaling \$2,500.

They are Thomas Dwight Perkins of Lockney, and Donald L. Dobson of Bowness, Alberta, Canada. Each will receive \$1,250 during the 1956-57 school year.

Perkins graduated from high school in Lockney and Texas Technological College at Lubbock before enrolling at O. U. Last August he received a master's degree in chemical engineering at O. U. and now is working on his doctorate.

He was in the navy from 1950 through 1954 and has been an engineering trainee with the Sun Oil Company. His parents are Mr. and Mrs. Frank Perkins of Lockney.

Dobson studied at Mount Royal College in Calgary before coming to O. U. He is a member of Tau Beta Pi and Sigma Tau honorary engineering fraternities and the American Institute of Chemical Engineers. Dobson has served in the Royal Canadian Navy and has worked for the Imperial Oil Company, Ltd., in Alberta.

He received his bachelor's degree in chemical engineering at O. U. and will use his fellowship to work on his master's degree. His parents are Mr. and Mrs. Thomas Dobson of Bowness, Alberta.

HOT WATER'S A MUST

No matter what new innovations may come in the future, suds and hot water will always play the biggest part in "getting the dishes done." Dishwashing is no longer drudgery, thanks to today's wide choice of tailor-made soaps and detergents, gas-heated hot water at the turn of a spigot and efficient drainage system.

mount on the storage structure. For additional information on the subject, Bates suggests a visit to the nearest office of the Internal Revenue or the local county agent or a tax consultant.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, OCT. 18, 1956

Lone Star Singers To Meet Sunday

Lone Star community singers will meet for a monthly singing at the community center Sunday, October 21 starting at 2 p. m. according to an announcement by J. L. Lovvorn, president.

The public is invited to attend.

Egg prices during the first six months of 1956 averaged 11 percent above the same period for last year while feed prices declined by 7 percent. It now appears that prices during the

latter half of 1956 will be lower than for the same period a year ago. Extension Economist John McHoney gives two reasons—the nation's laying flock will be larger and trend toward a higher rate of lay will continue.

GO TO CHURCH SUNDAY.

JOIN THE CADILLAC CRUSADE!

To be eligible to share in Republican Prosperity, all that you need is an "Ike" Button and a few Million Dollars!

SINCE 1952:

1. Farm parity — the ratio between the price the farmer receives for what he sells and the price he pays for what he has to buy, the test of the farmer's fair share of the national income — has declined from 102% to 82% — and Eisenhower said in 1952 that 90% of parity wasn't enough, that the farmer was entitled to 100%.
2. National farm income has declined 10 billions — Texas farm income 70 millions.
3. The cost of living reached its highest level in the history of the country in June 1956.
4. The farmer's share of the housewife's food dollar has declined from 47 cents to 38 cents, while food processors' profits have gone up 22%. But the Republicans tell northern and eastern city folks that the price support program is responsible for the high cost of food.
5. General Motors profits rose 113%, Ford 274%, while auto workers' wages rose only 14%. U. S. Steel profits rose 158%, steel workers' wages rose only 21%. Goodyear Rubber profits rose 53%, rubber workers' wages rose only 17%. But the Republicans tell you high wages are responsible for high prices.
6. Interest rates on commodity credit loans, F. H. A. loans and G. I. loans increased from 4 to 4½% — interest rates on Small Business Administration loans increased from 5 to 6% — the interest cost on the public debt has increased 500 million — AND bank profits are UP 23% — not country banks — more than 2-3 of all 1955 profits went to less than 3% of all U. S. banks.
7. Biggest business (assets over 100 millions) profits UP 61% — smallest business (assets under \$250,000—95% of Floyd County business) DOWN 52%. Stockholders' income (only 8 out of every 100 persons) UP 24% — farmers' income DOWN 26%.
8. The Republicans said we couldn't afford a \$20.00 tax cut for everybody, BUT, in 1954, in the face of a budget deficit, the Republican Congress voted a 1.4 billion tax cut, 91% of which went to corporations and wealthier persons — corporations got 73c, families earning more than \$5000 got 18c, and families earning less than \$5000 got only 9c, of every dollar of reduction.

NEVER HAS SO MUCH BEEN DONE TO SO MANY FOR SO FEW! AND IF YOU AIN'T GOT A FEW MILLION DOLLARS, REMEMBER THE COMFORTING WORDS OF PRESIDENTIAL ASSISTANT PYLE: "THE RIGHT TO SUFFER IS ONE OF THE JOYS OF A FREE SOCIETY." AND EISENHOWER'S WORDS: "IF ALL THAT AMERICANS WANT IS SECURITY, THEY CAN GO TO PRISON." YEAH, OR JOIN THE REGULAR ARMY, OR MARRY A RICH MAN'S DAUGHTER — BUT DON'T VOTE THE REPUBLICAN TICKET!

(Political advertisement paid for by Floyd County Democrats for Stevenson - Kefauver).

HOME FROM VISIT

Mrs. A. L. Phillips returned home Friday morning after a ten-day visit with her son, Bobby and family at Midland. The Bobby Phillips have a new daughter, Brenda Carol born October 2. Grandparents are Mr. and Mrs. A. L. Phillips, Lock-

ney and Mr. and Mrs. Norris Goodman of Kress.

Sailing due east out of Boston Harbor, one would land first in Spain.

Texans Find Ike Stands For Same Things We Do

A fellow was in our town the other day selling men's suits. He was from St. Louis, and he said he was a manufacturer's representative. Grandpa would have called him a dry goods drummer, and Papa would have referred to him as a traveling salesman. This shows you how things change with time. But actually that fellow from St. Louis was doing just about what the earlier visitors did—trying to sell suits.

You might say that he stayed in the same place but the names went off and left him. Reminded me some of the political situation in Texas.

I was reading a letter in the daily newspaper last week, from a man who said he was going to vote for Eisenhower. "I am a Democrat," he wrote to the editor of the paper, "but I feel like the party has run off and left me."

Come to think of it, a lot of conservative-type Texas Democrats are in that shape today. They haven't changed their views much on such things as local control, government spending, bureaucratic red tape, and freedom of the individual; they still travel down the same road they did 20 or 30 years ago, even if they do it at 70 miles an hour instead of 25.

They grew up believing that a man could live down nearly any-

thing except voting for a Republican. They always voted 'e straight, until a good many of them jumped over the traces in '52 and went for Ike.

"I can't figure out what's happened," one of them told me. "Seems like Eisenhower talks like a Democrat and Stevenson talks like a college professor."

The other day this same fellow said: "I think I've got it figured out. Ike stands for the things us Texas Democrats have always stood for. Adlai is too thick with Walter Reuther and that crowd to suit me. I'm going for Ike again."

That's the way with most folks in our town. They decided to give Ike a try at it in '52, and they like the way he has gone about the job. There are some things they wished he'd done a little different, but by and large they think he has made us a fine President. At least all the hometown boys are back from Korea, and as far as we can tell the government is being run honestly.

Somebody asked that Missouri suit salesman how Mr. Truman was getting along, and he said he didn't know. "He isn't in the clothing business any more," he explained. "In fact, as far as I can tell, he is clear out of all kinds of business."

Yours Truly,
Tex

Library News

To refresh your mind, following are the rules for the use of the Floyd County Library adopted by the Library Board:

- Hours — 8 to 12, 1 to 5 Monday through Friday, 8 to 12, Saturdays.
- 1. Books may be borrowed for a two week period.
- 2. If borrower is unable to come to the library, books may be renewed one time by phone.
- 3. Fines of 2c per day are levied for overdue books.
- 4. Fines will be charged for damage to books.
- 5. Lost books must be paid for by borrower.
- 6. Borrowers with overdue books, or owing fines may not check out additional books, until overdue books are returned and fines paid.
- 7. A list of those having overdue books will be posted in the library.
- 8. Each person desiring to borrow a book will fill out an application card.

Enjoy your county library by using it.

Help build a bigger and better library by caring for the books.

A number of people have been asking for Spanish books. "Mastering Spanish" by Lillian Greer Bedtjeck is now available in the library.

Lula Grace Erdman's new book, "The Wide Horizon" is ready to be checked out. Other new books are "The Story of Texas" by George Sessions Perry; "F. D. R.", a Pictorial Biography; "When you were a little baby" by Rhonda Bern-

man; "Design for Point of Sale" by Ladislav Sutnar, offers a treasury of design ideas, richly visualized throughout with illustrations of the most advanced design techniques; "How to train Hunting Dogs" by William F. Brown; "The Marching Wing" by Leonard Clark; "Ghost Towns of Texas" by Dick King; "To the Golden Shore" The life of Adoniram Judson; "The Trampling Herd" by Paul I. Wellman; "Is your Child Really Fit?" by Bonnie Prudden; "Bare Feet in the Palace" by Agnes Newton Keith; and The Standard American Encyclopedia of Formulas.

Mrs. Lee C. Golightly.

It is just good business, points out W. S. Allen, extension agricultural engineer, to see that wheat in storage doesn't become contaminated. Rodents and insects offer the biggest threat to stored grain. Both can be controlled. A recent Extension publication, L-257, Clean Wheat Program for 1956, is now available at the offices of county agents in the major wheat producing areas.

Buenos Aires is called the "Washington of South America."

Lockney, Floydada And Abernathy Win In District 2-AA

The Lockney Longhorns, the Floydada Whirlwinds and the Abernathy Antelopes were winners in District 2-AA football games the past weekend.

The Longhorns smeared Slaton 31-6 at Slaton.

Abernathy trounced Spur 23 to 0 at Abernathy. Neither team scored in the first half but the Antelopes broke loose in the second half to score 23 points after losing two men by injuries. End Manny Connell and Quarterback Lane Tannehill both were injured and left the game.

Floydada Whirlwinds edged out the Tahoka Bulldogs 12-0 at Tahoka. The Whirlwinds scored once in the first quarter and once in the fourth to ice the game away.

The district standings:

Team	W	L	Pts.	Opp.
Lockney	2	0	64	18
Floydada	1	0	12	0
Post	1	0	27	14
Spur	1	1	48	30
Abernathy	1	1	35	33
Slaton	0	2	20	58
Tahoka	0	2	7	60

Schedule this week:
Abernathy at Floydada.
Post at Lockney.
Slaton at Spur.

Teacher Conference At West Texas State

Canyon. — Problems of individual differences in students will be examined at the eighth annual campus conference for elementary teachers, slated at West Texas State College Oct. 27.

Designed primarily for elementary school teachers and principals, the conference is attended by several hundred persons from throughout the Panhandle. The meeting starts at 9:30 a. m. in WT's Administration Building auditorium.

Wilson Lane, principal of Emerson Elementary School in Amarillo, will discuss types of differences revealed by a testing program in a fifth grade class. Group discussions will be held at 10:45 a. m.

The groups will be divided into language arts, arithmetic, physical education and health, parental attitudes, the arts, social studies and science, and discipline.

OFFICE SUPPLIES at The BEACON OFFICE.

ELBOW BENDER?

When the hang tag or label instructs you to "wash in lukewarm water," you can rely on the traditional test for baby's bath water. Test the suds and rinse water temperature with your wrist or elbow. If it feels just wet — neither hot nor cold — then the water is about body temperature, commonly referred to as lukewarm or tepid.

Richard F. Stovall To State Bar Meet

Austin. — Richard F. Stovall of Floydada, who represents lawyers of the 19th Congressional District on the State Bar Board of Directors, will attend a quarterly meeting of the Board here Friday and Saturday.

The Floydada attorney, board advisor to the State Bar Committee on Bar Admissions, will report to the policy-making group on this committee's program plans for the 1956-57 Bar year.

Included on the two-day agenda is a study of plans for State and local bar observances of the Texas Bar's Diamond Anniversary in 1957. The state's organized Bar dates back to 1882 in Galveston when the Texas Bar Association was organized with some 300 members.

Present membership of the State Bar of Texas, which succeeded the original organization in 1939 as an integrated branch of the state judicial department, is 12,500. It is the second largest bar organization in the United States, exceeded in membership only by California.

Long active in local and State Bar work, Stovall is former president of the District and County Attorney's Association.

Artie Baker Weds Holland Girl

Artie Baker of Pecos, a native of Lockney, was married Oct. 5th at Pecos to Miss Truus Torsey of Houston, a native of Holland. The couple spent the past 10 days on a honeymoon trip to Salt Lake City, San Francisco and other points in the west and were visiting his mother, Mrs. Alice Baker and other relatives here Wednesday.

Local Couple Wed At Clovis Recently

Mrs. Nina Fortenberry and A. G. King, both of Lockney, were united in marriage at Clovis, New Mexico Monday, September 24. Mrs. Nan Boyd, Lockney, was an attendant.

Mr. King is proprietor of King's Shoe Shop and Mrs. King has been employed as a nurse at Medical & Surgical Hospital.

Lawn Party Held At Catlin Home

Mary Jean Catlin has hostess for a lawn party October 10 at 7:30. Games were played and refreshments were served to Ailene Musser, Linda Durham, Nancy Tyler, Pat Anderson, Mary Martin, Edna Johnson, Pat McLaughlin, Debra Ferguson, Linda Baxter, Nancy Bollman, Lawauna Taylor, Janice Hays, Wetia Kent, Lily Romero, Sue Adams, Wayne Cumbie, James Ferguson, Kenneth Calloway, L. T. Cooper, Riekey Duvall, Joe Holmes, Glen McCandless, Layne and Dwayne Poteet, Don Schacht, Leslie Wilkes, Milton Mickey, Jackie Calahan, Bill Race and Jimmy Colston.

Glen McCandless and Jackie Calahan entertained with songs and guitar music.

Pricilla Carthel Has Skating Party

Mrs. W. L. Carthel entertained her daughter, Pricilla, with a skating party honoring her 12th birthday, Wednesday, Oct. 10 at the skating rink in Plainview.

Following a skating session refreshments were served to Juaneil Potts, Rita Dollar, Janie Rhodes, Janie Reynolds, Cheryl Rucker, Sue Gilbert, Sandra Smith, Frances Fowler, Jo Readhimer, Linda Harris, Paulette Kropp, Janice Carthel, Lavona Carthel, Judy Holt, Carolyn Belt, Candice Thornton, Dixie Ford, Judy Anderson, Charlotte Brown, Diana Allison, Nadine Cumbie, Vickie Stalcup, De Linda Phillips, Johnnie and Ronnie Belt, Ralph Kellison, Pat O'Brien, James Ray Wofford, Terry Mosely, Robert Holland, Wayne Workman, Jimmie Whitfill, Aubrey McCormick, George McGhee, Roy Ford, Donnie Hanst, Bobby Holt, Ricky Collis, Linda Karl Wiley, James Riley Rogers and the honoree.

Mothers present were Mmes. Ray McCormick, Robt. Kellison, Howard Mosley, Ralph McGhee, Marvin Gilbert, Elmer Thornton, L. L. Rhodes, D. J. Phillips, A. L. Holt, Lloyd Readhimer, and Mrs. W. L. Carthel.

June Wiley Speaks At B&PW Dinner

Miss June Wiley, senior student at Texas Tech and daughter of Mr. and Mrs. M. W. Wiley, Lockney, was guest speaker for a dinner meeting of Lockney Business & Professional Women's Club Tuesday night at Plains Hotel Coffee Shop.

Miss Wiley spoke on the "United Nations." Mrs. C. L. Record entertained with two piano solos.

Hostesses for the occasion were Betty Knox and Ellen Wiley. Attending were Estelle Powers, Ruth Cox, Dorothy Shipp, Frances O'Hearn, Mary Holley, Wanda Baker, Dimple McGavock, Jimmy Rhodes, Ruby Merrick, Jeffie Griffith, Velma Cox, the hostesses and guests, June Wiley and Mrs. C. L. Record.

Hilda Hancock GA Elect Officers

Members of Hilda Hancock Girls Auxiliary of the First Baptist Church Missionary Society held a meeting at the church Monday afternoon at 4:00 o'clock.

Officers for the new group were elected as follows, president, Nancy Pickle; vice president, Carol Cooper; secretary, Linda Sue Carter; program chairman, Linda Ann Brawley; community missions chairman, Nancy Gibson and Lauretta Laceywell; reporter, Carol Ann Collis and Ruth Owens.

Mrs. W. D. Laceywell and Mrs. B. B. Vernon are counselors for the group and they urge all nine-year-old girls interested in missionary work to be present for the next meeting Monday at 4 o'clock. There is an organization for each age.

CARD OF THANKS

We wish to express our thanks to those who sent flowers and gifts while we were in the hospital. Also our thanks to Dr. Wharram and Crum and the nurses.

Mrs. Shirley Green.

OFFICE SUPPLIES at The BEACON OFFICE.

Wedding Shower Honors Couple

Mr. and Mrs. Dan Griffith were named honorees at a wedding shower Thursday evening, October 11 at the Methodist Church. Calling hours were 6:00 to 8:00 p. m.

The refreshment table was laid with a white linen cut-work cloth over blue centered with an arrangement of blue carnations flanked with blue tapers in silver holders. Blue satin streamers extending from either side of the centerpiece were lettered in silver with the names Shirley and Dan. Blue napkins also bore the honorees' names. LaJuan Henderson and Patsy Vanek served lime sherbert punch and lemon cookies. Plastic bags of blue rice tied with blue bows were used as plate favors.

Lynn Jolly presided at the register while Floy Baxter and Nelda Widener received the gifts for display. Margie Sechrist played piano music during the entertaining hours.

Cossages of white carnations were presented the bride, her mother and the mother of the bridegroom. The hostess gift was a 42-piece set of pottery.

Hostesses for the delightful affair were Mmes. Dale Widener, Richard Matthews, Raymond Rucker, W. A. Jolly, Bailey Henderson, Serena Griffith, W. H. Workman, R. H. Ford, Bascom Baxter and Misses Nelda Widener, Arlene Matthews, Katie Rucker, Lynn Jolly, LaJuan Henderson, Patsy Vanek, Betty Jean Foster, Betty June Jackson, Mary Ford and June Jackson, Mary Ford and approximately 75 guests called or sent gifts.

Ragle-McCulloch Rehearsal Dinner Held Friday

Members of the wedding party of Charlotte Ragle and Bryan McCulloch were guests at a rehearsal dinner at the Plains Hotel Dining Room Friday night at 7:30. Mr. and Mrs. Roy Ragle, parents of the bride-elect, were hosts.

Tables were laid with pink and decorated with white carnations.

Places were laid for Rev. and Mrs. John A. Rackstraw, Mr. and Mrs. Don McCulloch and Donna Lynn, all of Plainview, Rita Merle Smith, Mountair, N. M.; Mrs. J. S. McCulloch, Mrs. Fritz Schacht, Mr. and Mrs. Dean Williams, Lubbock; David Jameson, Clifton Williams, Reba Ragle and the hosts.

Guild Meets In Thomas Home

The Wesleyan Service Guild met Thursday in the home of Miss Mildred Thomas.

Mrs. C. H. Rose presided at the business session. Mrs. Kenneth Cook gave an interesting talk about the World Outlook and Methodist Women, stressing their usefulness in carrying on the missionary work of the Methodist Church.

In attendance were Mmes. C. H. Rose, Ben Wood, Carl Blair, Duard Reyes, Wayne Bybee, Charles Record, Barry Barker and the hostess, Miss Thomas.

Hodel Home Scene For Club Meeting

El Progreso Study Club met Wednesday, October 10, at 3:45 p. m. at the home of Mrs. Bill Hodel.

Mrs. Charles Duran was welcomed as a new member. Mrs. Bill Hodel presented a program on "Safety" in observance of "Fire Prevention Week."

Refreshments were served to Mmes. Henry Hodel, Milton Ashton, Jesse Cox, B. A. Simmons, Clyde Applewhite, Clyde Briley, Charles Duran, Guy Sams, Ed Whitfill, C. J. Taylor, Ewald Quebe, Henry Schacht, Leslie Ferguson and Chester Mitchell.

Mrs. E. L. McKay of San Antonio was here last week visiting her mother, Mrs. John Griffith and other relatives.

Japanese Luncheon Closes Asia Study

Mrs. Joe Foster was hostess for a Japanese luncheon at the Methodist Church Monday at one o'clock for members of the Missionary Society.

The luncheon brought to a close a study led by Mrs. Foster on "The Church in Southeast Asia." Japanese lanterns were displayed along with other decorations from the country.

Following the meal Mrs. Olive Myers brought the devotional and led in the Lord's prayer. Others on the program were Mmes. C. J. Taylor, Henry Ford Sr., and Frank Dodson.

Enjoying the occasion were Mmes. F. O. Schacht, Melvin Brock, Henry Ford Sr., Ida Dodson, Hugh Counts, C. J. Taylor, Olive Myers, Paul Cooper, N. E. Greer, Arthur Barker Sr., Clark Harris, Lucy Thomas, Buck Sams, H. B. Coggin, Herman Huffman and Joe Foster.

IS DISCHARGED

Sp. 3-c Gary Sandlin receives his discharge from the U. S. Army at Fort Bliss last Friday. He had spent two years there. He and Mrs. Sandlin and their baby son will live here.

BROTHER-IN-LAW DIES
Mr. and Mrs. G. M. Brunner returned Tuesday night from Harlan, Iowa, where they attended funeral services on Monday for Mr. Brunner's brother-in-law, Henry J. Hansen, 71. Mr. Hansen died Friday afternoon after an extended illness. A heart condition was the cause of death.
Burial was in the cemetery at Manning, Iowa, former home of the deceased man. He was the husband of Mr. Brunner's sister.

NEW ARRIVAL
Roger Lee is the name Mr. and Mrs. Joe Wilson have given their first son, born Tuesday night, October 16 at 10-30 at Lockney General Hospital. Little Roger Lee who weighed 7 lbs., 8 ozs., at birth, has two sisters, Lavenia, 5 years of age and Jo Anne, 2 years. Grandparents are Mr. and Mrs. R. C. Wilson, Lockney and Mr. and Mrs. O. M. Pruett, Plainview.

VISIT FRIENDS HERE
Mr. and Mrs. Bill McClaskey and baby daughter, Susanne, of Kyle spent Thursday night in the M. L. Brewer home Friday night they were guests of the Tom Chatham's. They left Saturday morning accompanied by Mrs. McClaskey's sister, Sue Harper, for a visit in Wellington before going on to Kyle. Mrs. McClaskey is recuperating from an illness causing her to spend some time in an Austin hospital. She is getting along nicely at this time. Mr. McClaskey was formerly associated with the First National Bank here.

James Carthel Is Selected As Member Of Texas Tech Choir

James Carthel of Lockney, son of Mr. and Mrs. John T. Carthel, has been selected as a member of the Texas Tech Choir for this year. It was announced this week from Lubbock. The choir members, 59 strong, are selected for quality of voice. Dr. Gene Hammle, choir director, said, and membership is not restricted to music majors. Voices are selected from the entire student body.
James has also been selected to be one of the 16 persons making up the Madrigal Singers, directed by Cleve Genzlinger, instructor in music.
James is a senior student at Texas Tech and is majoring in music.

County Tech-Exes Will Meet Here

The Floyd County Texas Tech Ex Students Association will hold its annual pre-homecoming banquet Thursday night, Nov. 1, according to an announcement by R. C. Mitchell, Lockney, president of the Floyd County unit. Polk Robinson of the Tech coaching staff will be guest speaker for the affair, which will be held at the Lockney High School cafeteria. Other members of the Tech coaching staff and L. C. Walker, executive secretary of the association have also been invited to attend.
Officers of the Floyd County chapter, other than Mitchell, include J. S. Hale Jr., 1st vice-pres.; Doyle Walls, 2nd vice-pres.; Mrs. Dorris Jones, secretary; R. B. Holt, treasurer; and Mrs. Gene Probasco, parliamentarian.

Two New Buildings Set For Floydada

Floydada. — Two new office buildings are now assured for Floydada, with construction beginning this week on one and bidding for contracts on the other now being received.
Groundwork began this week for a building to accommodate four offices. The location is on West California, adjacent to the L. C. McDonald building. Contractor for the construction was let to the Killingsworth Construction Co. of Dimmitt by Mrs. Adeline Henry Fry. Plans call for the walls to be of Hay-dite tile, steel deck and Roman brick front. The building will include a lobby, rest room, and utility room. It will be equipped with controlled acoustics, central heating and cooling, and asbestos flooring.
Bids are being received by the Production Credit Association for the construction of a proposed office building to be located on South Wall St. opposite the Plains Equipment Company, according to Aldine Williams, manager of the association.
The building, which will be 25 by 45 feet, should be ready for occupancy during the early months of '57, Williams believes.

Protect Your Investment

in your own home community

and make it return bigger dividends of prosperity and better living

Thousands of folks . . . including YOU . . . have a big stake in this community.

Lives . . . savings . . . hearts are represented by the homes, businesses, farms, schools, churches . . . and jobs . . . that make up our particular segment of American life.

Faith and hard work created the TRADE VOLUME that made all of this possible . . . as every community is built . . . and grows . . . and LIVES on trade.

Trading at home . . . whenever possible . . . and making it attractive for more of our neighbors to trade here . . . to create greater trade volume . . . is the way to protect our present investments . . . so they will return more dividends of prosperity, contentment, and happiness.

Trade that LEAVES a community, makes empty buildings, empty streets, empty schools, empty churches . . . lost conveniences . . . and depreciated property values. But your dollar . . . spent here . . . where you have your investment . . . will return to you . . . many times.

It Pays to Buy where you Live

YOU get everything that your money pays for . . . merchandise AND a trade-invigorated community to live in . . . when you buy from your home town merchants . . .

By Mrs. Murray Julian

Martin W. Landers was guest speaker for services at the Baptist Church Sunday, supplying for Rev. L. H. Faus who preached at Happy. Mrs. Faus, Bobby Faus and Vassie Beth were in Lamesa with her parents, Mr. and Mrs. Lloyd Fincher over the weekend.

Visitors at church Sunday morning included Mrs. Donald McClure, Houston, Mona and Delilah Cummings, San Francisco, Calif. and Sue Harper, Kyle, Texas.

Mr. and Mrs. Walter Wood had as dinner guests Sunday, Martin Landers, who is head of the speech department at Wayland College, Plainview.

Whifred West was home with his parents, Mr. and Mrs. John Key West over the weekend after going for his army physical Saturday. He left Monday for Fort Bliss for a six weeks training period.

H. D. Club met Wednesday afternoon in the lovely new home of Mrs. L. T. Wood with Mrs. Walter Wood as co-hostess. Mrs. Webb presided and Mrs. Taylor called the roll as members exchanged favorite recipes. Mrs. Kinnibrugh gave an inspirational talk and offered prayer. Council tazaar will be held December 1. Each one should bring cake, food or article of clothing to be sold for council expenditures. Nov. 8 the style show and tea is tentatively scheduled at the Harmony Club House. New officers for 1957 are president, Mrs. John Smitherman; vice-president, Mrs. Sylvin Kinnibrugh; secretary-treasurer, Mrs. Fred Fortenberry; council delegate, Mrs. L. T. Wood; and reporter, Mrs. Murray Julian.

Mrs. Webb gave an artificial respiration demonstration using Melinda Webb as model and Mrs. Wood led the group in a game. Mrs. Fortenberry and Mrs. Julian gave a demonstration on "Oven Meals" and "Refresh With Salads." The foods prepared were served with the refreshment plate of fruit salad, cake and coffee to Mmes. J. D.

Webb, R. G. Cassel, George Weast, John Smitherman, Bryant Higginbotham, J. P. Taylor, Earl Pritchett, Bill Beedy, Fred Fortenberry, S. D. Kinnibrugh, H. L. Marble, Thos. Pierce, Jones Kinslow and Harry Hartman. Next meeting will be October 24 at the home of Mrs. Murray Julian with Mrs. Ernest Smitherman as co-hostess.

Ronnie Upton arrived home Tuesday night from Olympia, Washington, after a year at Fort Lewis with the army. He has finished his service and is home with his family for good.

Mr. and Mrs. F. M. McClure came home Thursday night after a week in Houston. Accompanying them home was their son's wife, Mrs. Donald McClure, who will visit here and with Mr. and Mrs. Don McClure and girls in Crosbyton the next two weeks.

Mr. and Mrs. Kenneth Harper of McAllen are parents of their first son named Gregory Lynn, born October 6 at McAllen. They have a small daughter Linda. Kenneth grew up in our vicinity and went to school here.

Mr. and Mrs. Arby Mulder and children, Nathan and Katherine entertained a group of children Friday night at their home. Weiners were roasted on a camp fire and games were played. Arby Mulder and Loyd Deavenport took turns taking the children for hay rides during the evenings fun. Present were Sue and Gary Wilson, Shoriene Teeple, Yvonne Karr, Rachel Hunneycutt, Eulalia Sanders, Kay Taylor, Jimmy Respondek, Bud Higginbotham, Bruce Julian, Eddie Parks, Bary Kinslow, Clifton Harper, Dennis Deavenport, Jimmie Pritchett and Katherine and Nathan Mulder.

Mr. and Mrs. Fred Fortenberry attended a dinner Sunday at Cedar Hill in the home of his parents, Mr. and Mrs. John Fortenberry. Others present were Mr. and Mrs. Robin Fortenberry, Mr. and Mrs. Durval Fortenberry and baby and Mr. and Mrs. Garland Tucker. Mr. and Mrs. Zach Cummings Sr. went to Amarillo Sunday evening to take their daughters, Mona and Delilah back to the airport where they enplaned for San Francisco, Calif. They were to be at work Monday morning after visiting here the past week with their folks and Mr. and Mrs. Robert Rose of Denver, Colorado who also left for their home.

Mr. and Mrs. Murray Julian and Bruce went to Lubbock Saturday night to attend the football game between Texas Tech and West Texas State, Canyon. Terry Julian came down with around 400 on the special train from Canyon and they got to visit with him a short while after the game. Bonnie Upton also was present at the game. She attends school at Canyon and was here for the weekend.

Mr. and Mrs. Sylvin Kinnibrugh and girls went to Vera Saturday morning to spend the day and Sunday visiting his folks. Mr. and Mrs. J. A. Kinnibrugh and her mother, Mrs. J. R. Spivey at Truscott.

WMU met at the church Monday afternoon with Mrs. McClure in charge. Members voted to send a food box to a displaced persons family in Germany and Mrs. Snodgrass led the Bible Study with the first lesson from "Great Prayers of the Bible," starting with Moses. Present were Mmes. Frank McClure, J. P. Taylor, Shelby Calahan, Murray Julian, Paul Snodgrass, Sylvin Kinnibrugh, Thomas Pierce, John Smitherman, L. T. Wood and Bryan Karr. Junior G. A.'s met with their sponsors, Mrs. Pierce and Mrs. Julian after school. Present were Beth Calahan, Marilyn Kinnibrugh, Yvonne Karr, Carolyn Sessums and Katherine Mulder.

A party given by Mrs. Merle McGinnis of Plainview in Murray Julian home Thursday was attended by Mmes. Bill Beedy, Bryant Higginbotham, Arby Mulder, Sylvin Kinnibrugh, Fred Fortenberry, Early Pritchett and L. T. Wood.

Mrs. Thomas, mother of Bill Thomas is very low at this writing and has been failing since last Friday. She has been on the critical list for over two months.

MOVE TO PLAINVIEW

Mr. and Mrs. T. E. Cowart, pioneer residents of Route 1, Lockney since 1905, moved last Thursday to a new home they have just completed in Plainview. The three-bedroom brick home is located at 1900 West 11th. This is the first time the couple has moved since they were married in 1907, 49 years ago. They hope to celebrate their golden wedding anniversary next October in the new home. Mr. Cowart is a retired farmer. He has had the farm rented for several years but remained in the farm home until last week.

SPARKMAN VISITORS

Mr. and Mrs. Gene Huskey and Dana Paul, Lewisville, Texas; Mr. and Mrs. Arvin Huskey and family, Amarillo, Mr. and Mrs. Lone Leach, Dallas; and Miss Frankie Sue Sparkman, Wayland College, Plainview were visitors in the H. B. Sparkman home Saturday and Sunday.

Mr. and Mrs. Grover Thomas, Mr. and Mrs. Sonny Thomas all of Silverton were visitors Saturday night in the home of their sister, Mrs. A. L. Phillips and Mr. Phillips.

Here's what put the magic in the new kind of FORD!

It started with the "Inner Ford." When Ford planned this baby, they thought in terms of a car through-and-through new.

The wheels got smaller. This Ford is so new that even the wheels have changed. Now smaller and broader, they help you take off quickly.

The wheelbase got longer... so now you can choose between a Ford that's over 16 ft. long—or one over 17 ft. long!

The frame got wider. Side rails bow out to give a more stable, safer riding platform... a lower, sleeker silhouette.

The ride got smoother. With new suspension, new springing front and rear, the ride this new Ford gives is the smoothest ever!

The handling got easier. Poised and balanced like a panther, this car has swept-back front suspension that works its magic when you need it most.

The power got hotter. There's a wide range of Silver Anniversary V-8's to fit every horsepower need*... plus a new Mileage Maker Six.

"Six or V-8
the going
is great!"

What put the magic
in the new kind
of FORD?

The new Ford Fairlane 500 (118-inch wheelbase)
Longer, lower, larger than many medium-priced
cars, yet lower in price than most of them!

The roof got lower. And it's designed to let
you make the easy exits and graceful exits
you've always known.

The body got quieter. It's the strongest
body built for a low-priced car. No car in
Ford's field has such generous sound proofing.

The room got bigger. There's head room
to spare for a tycoon-type hat. There's real
stretch-out leg room, too.

The lines got sweeter. They have the
Touch of Tomorrow. Each graceful contour
says, "Let's go!"

The style got smarter. With this new-look
Ford you have a car that belongs anywhere!
All Fairlane models look like hardtops.

The value got greater... the price is still
Ford low.

*A Special 270-hp Thunderbolt 218 Super V-8
engine available at 4679.00.
Also, an extra-high-performance Thunderbolt 218
Super V-8 engine delivering up to 285 hp.

SEE IT FOR YOURSELF!

So now you know the magic of the
'57 FORD!

Church Ceremony Unites Local Couple Saturday

Miss Charlotte Ann Ragle became the bride of David Bryan McCulloch Saturday evening October 13 at 7:00 o'clock in a double rite ceremony performed at the First Baptist Church, Lockney. Rev. John A. Rake-

straw, pastor of Trinity Methodist Church, Plainview, read the vows.

Parents of the couple are Mr. and Mrs. William Leroy Ragle, Lockney, and Mr. and Mrs. J. S. McCulloch, Lockney.

Vows were exchanged before an altar centered with a white wrought-iron arch topped with wedding bells tied with a pink satin bow. Tall baskets of large white mums and candelabra flanked the arch. In the background were candelabra and palm trees. Carrying out the bride's chosen colors of pink and white, pink bows were us-

MRS. DAVID BRYAN McCULLOCH
—Photo by Wayne Bramlet

ed as aisle markers and accented the flower and candelabra arrangements.

Mrs. C. L. Record played the organ prelude and accompanied Mrs. Fritz Schacht who sang "Always," "Because" and "The Wedding Prayer." Traditional wedding marches were used.

Entering on the arm of her father who gave her in marriage, the bride wore a gown of white Chantilly-type lace and tulle over net and satin. The strapless bodice was completed by a lace bolero which featured buttons down the front and was designed with long sleeves and a roll collar. Cording accented the waistline which stemmed a waltz-length skirt shirred to a circular lace yoke. Her e'bow-length veil of nylon tulle was joined to a velvet tiara flecked with rhinestones and she carried a bouquet of white feathered carnations arranged on a Bible in lace and jeweled net showered with satin streamers tied in love knots. For something old and borrowed the bride wore her mother's engagement ring, new was a pearl necklace, a gift from the bridegroom. She wore a blue garter and a penny in her shoe for luck.

Mrs. Dean Williams of Lubbock, the former Jonell Wilson of Lockney, was matron of honor. She was dressed in a waltz-length dress of pink jeweled net over net and taffeta fashioned with a strapless bodice with a sweetheart neckline edged with ruffles. The full gathered overskirt featured scallops accented with rows of ruffles. She carried a nosegay of white carnations arranged in lace and jeweled net and showered with ribbon matching her dress.

Reba Ragle, sister of the bride, and Rita Merle Smith of Mountainair, New Mexico, cousin of the bride, were bridesmaids. Miss Ragle wore a strapless gown of white net over orchid taffeta featuring a basque waist with a sweetheart neckline and full gathered skirt. Miss Smith wore a yellow lace strapless dress with a basque waist and waltz-length skirt of tulle shirred to a circular lace yoke. They carried nosegays like that of the matron of honor.

Donna Lynn McCulloch, Plainview, niece of the bridegroom, was flower girl. She was dressed in yellow embroidered organza and carried petals nested in net and satin in a basket tied with a white bridal satin bow. Candlelighters were Mr. and Mrs. Louie Selph, Oklahoma City, cousins of the bride.

Dean Williams, Lubbock, served the bridegroom as best man. Ushers were David Jameson and Clifton Williams, Lockney.

Mrs. Ragle chose for her daughter's wedding a charcoal sheath dress topped with a jacket featuring three-quarter length sleeves. Her accessories were pink.

Mrs. McCulloch, mother of

the bridegroom, also wore a charcoal dress with accessories of white and black. Their corsages were white carnations with pink leaves arranged in jeweled net.

Reception
A reception was held in Fellowship Hall immediately following the wedding. The bride's table was laid with white damask and centered with a four-tiered cake topped with a miniature bride and groom beneath an arch. The cake was iced in white and decorated with white butterflies and hearts outlined in pink wedding bells and pink rosebuds. Extending from either side of the cake were pink satin streamers beaded in silver with the names "Charlotte" and "David." The attendants' bouquets occupied the table decor. Tall baskets of white mums and greenery were placed at vantage points about the room.

Mrs. Clay Hester, Santa Fe, New Mexico, aunt of the bride, and Mrs. Bill Nickson, Crosbyton, cousin of the bride, presided at the table while Mrs. J. B. Fortenberry, Fort Worth, aunt of the bride, secured names for the register.

For going-away the bride chose a two-piece dress of tan and white pin checks with a matching hat. Other accessories were brown and her corsage was white feathered carnations.

The couple is at home at 2204 South Taylor, Amarillo. The bridegroom is employed with Southwestern Bell Telephone Company in that city. Mrs. McCulloch graduated from Lockney High in 1955 and he graduated here in 1953. She is also a graduate of Lipsett's Business College, Plainview, and has been employed at Plainview City Hall since last December.

Out-of-town guests included Mrs. Clay Hester and Mrs. Hazel Keithly of Santa Fe, New Mexico; Mrs. Milton Smith and Rita, Mountainair, N. M.; Mr. and Mrs. J. B. Fortenberry, Ft. Worth; Mr. and Mrs. Lonnie Selph, Oklahoma City; Mr. and Mrs. Wesley McCulloch and family, Amarillo; Mr. and Mrs. Jerry McCulloch, Amarillo; Mr. and Mrs. Don McCulloch and family, Mr. and Mrs. W. H. Messick, Mr. and Mrs. Albert Whitfield, Mr. and Mrs. S. D. Ballard, Mr. and Mrs. Mae Simpson, all of Plainview.

GO TO CHURCH SUNDAY.

TELEPHONE TALK

YOUR NEW HOME

Our town is growing; new homes are being completed every day — homes for new citizens who are finding Lockney a good place to live and work.

In the planning of your new home your family will spend a great deal of time to insure that the plans will meet your need. The builder will help you plan to see that all the space is utilized and that your home is modern in every way to meet the growing needs of a busy family.

We would like to share the planning by suggesting a modern telephone arrangement. As the living habits of your family change, so do your telephone needs.

While that new home is in the planning stage, contact our wire chief, Mr. O. M. Olsen. He will be happy to suggest the proper conduit size and location for outlet boxes. And before you move into that dream house, come by our business office and let Mrs. Margaret Robinson show you our telephones in solid decorator colors that will add beauty to your color plans. This distinguished line of telephones consists of eight available colors with a transparent dial.

We have many different types of telephone sets — one that will meet the need of every member of your family. Colored telephones, portable sets, special instruments for impaired hearing, a telephone with a built-in night light, and even a telephone that doesn't require the use of your hands — all are available.

Call by number. It's twice as fast.

Longhorns Win over Slaton 31-6

Statistics	Lockney	Slaton
First downs	18	12
Rushing	271	186
Passing	33	32
Yards lost	3	14
Interceptions	0	4
Penalties	0	39
Penalty yards	1	0
Fumbles lost	41	43
Points lost	1	2

The Lockney Longhorns won the second District 2-AA football game Friday evening at Slaton. The final score was 31-6. Coach Rudy Halle's reserves played the second half. A rough, tough ball game and the Longhorns gave a lot of weight as was expected. However the Longhorns came through the game well and started this with no injuries of any kind.

The first half was all Lockney with the halftime score being 25-0. The Longhorns got the first time they had a yard and made good yardage through the big Slaton all night. The Tigers scored their lone touchdown on a run against the Longhorns.

horn reserves early in the fourth quarter. The Tigers threatened again in the fourth quarter driving to the 2 yard line but the series ended on the Lockney 10 after the Slaton boys were penalized 5 yards and lost 3 on a line play.

The Longhorn touchdowns were well divided. Fullback Bill Race made two, Halfbacks Cliff Hardy and Jerry Williams each made one as did Quarterback Gene Handley. Handley also drove over for the one point after touchdown.

The entire Longhorn line stood out on defense. Led by John Hanst, Jerry Workman and Bill Musser, the local boys allowed the Slaton team only meager yards when the going was important. Guard Byron Brock broke through to block a Tiger punt giving the Longhorns the ball on the Slaton 2-yard line and setting up a Longhorn touchdown. It was the third kick blocked by Brock this year.

Here's the game:
The Tigers received returning to their own 31. They made 2 yards in three plays and kicked to Handley who faked to Hardy and behind good blocking came back to the Slaton 30. The Longhorns drove to the 19 1/2 yard line in three plays for a first down. Race made 9, then went to the 4, made 2 and went over for the score on the next play. Try for point failed. Score 6-0, Lockney.

The Tigers received but the receiver fumbled the ball and by time he picked it up Coy Kidd and Cliff Hardy smeared him on the 14. The Longhorns were penalized 5 and the Tigers broke loose to the Lockney 43 for a first down. They lost one, tried two passes without success, and on a fake kick the receiver tried to run but was dropped for an 8 yard loss with the Longhorns taking the ball on downs on the Slaton 48.

The Longhorns made 3 and 2 and then Hardy on a pitch-out ran to the Slaton 17. The boys made 3, nothing and Handley on an attempted pass lost 8, Hardy made 9 and the Tigers took the ball on downs on the Slaton 16. They drove to the Slaton 33 for a first down lost 6, made 2, attempted a pass and then Byron Brock broke through to block the kick, with a Longhorn picking up the ball and going to the 2 yard line. Jerry Williams made the score through tackle and Handley, on a keeper, drove over for the extra point. Score 13-0, Lockney.

The Tigers returned the kick to their own 30, made a first down on their 43, passed to the Lockney 44, drove for a first on the Lockney 29, made 5, 2 and nothing and on fourth down John Hanst came through to drop the ball carrier for an 8-yard loss with the Longhorns taking the ball on the 30. A pitch-out was fumbled, however, and Slaton recovered on the Lockney 36. They made two yards in four plays and the Longhorns took over on their own 33.

The Longhorns made 4 and then a first on their own 43. Handley made 9 and then drove to the Slaton 33. Race made 7 and then Race drove to the Slaton 18. Race made 9 and 5. Slaton was penalized 3 yards to the 1 yard line and Cliff Hardy drove over for the score. Try for point failed. Score 19-0, Lockney.

The Tigers came back to their own 30 with the kick. Coach Halle now had some reserve linemen in the game. The Tigers were penalized 5, a pass was complete but lost 8 yards, and another long pass was tipped by the intended receiver into the arms of Gene Handley who returned it to the Slaton 17. Race on an option play went all the way for the score. Try for point failed. Score 25-0, Lockney.

The Tigers came back to their own 34 but were penalized back to their own 9 on a clipping penalty. They made 1 and that was all for the first half.

Starting the third quarter the Longhorns weren't long in scoring again. They chose to receive, returning the kick to their own 38. Race made 8 1/2, Hardy went to the Slaton 44. Williams made 6 and then Williams went to the Slaton 27. Williams carried again to the Slaton 2 yard line on a pitch out and Handley drove over for the score. Try for point failed and the score was 31-0. Lockney.

The Tigers came back to their 33 with the kick, lost 3, had a pass incomplete and kicked to the Lockney 44. Here Coach Halle sent in his reserves. The Longhorns made 1, lost 3 and lost 2 and Quarterback David Frizzell kicked but the Slaton receiver fumbled and a Longhorn pounced on the ball on the Slaton 34. Arlie Finner made 8 and Dickie Barton drove to the Slaton 24 for a first down. However a fumble here gave the Tigers the ball on the Slaton 23. They made 5, were penalized 5, and then drove to the 33 for a first down, passed for a first down on the Slaton 43, the Longhorns were penalized 5, they made 2, lost 3, a pass was incomplete and they kicked to the Lockney 18. The Longhorns made 9 in three plays and kicked to the Slaton 47 where the receiver again fumbled and a Longhorn again took the ball. The Longhorns couldn't go here and kicked to Slaton's 23. The Tigers made 3, and a pass interference penalty against the Longhorns gave the Tigers a first down on their own 42. From here Pearson ran through the Longhorns for a touch-down. Try for point failed and the score was 31-6.

The Tigers kicked out of bounds twice with the Longhorns getting the ball on the 50. The Longhorn reserves couldn't go losing 14 on three plays and on fourth down a fake kick and run play lost another 6 with the Tigers taking the ball on the Lockney 29. They drove to the Lockney 9 when Coach Halle sent his first string back into the ball game. The Tigers went to the 2, made nothing, were penalized 5 and lost 3. A fourth down pass was incomplete and the Longhorns took over on their own 10.

Race made 6, Williams went

LETTERS TO THE EDITOR

1711 Rabb Road
Austin 4, Texas
October 8, 1956.

Mr. Edgar Hays, Editor
The Lockney Beacon
Lockney, Texas.

Dear Mr. Hays:
Though I am 400 miles away, I want to take this avenue of communication to voice my whole-hearted approval for the project of piping city water to the cemetery there. I have been anxiously watching the Beacon for a favorable report on the progress of this project, but it has been several weeks since mention was made of the fact that the project was being started again. I believe that something was started about 2 years ago, at which time I sent a contribution to be used for this work, but it seems that there was not enough interest shown at the time to put the project over.

Many of our loved ones and friends who have passed on worked very hard during their lifetimes to make many civic advancements in and around the community, just as many of the living are still working. It seems to me that it is quite the respectable thing for a community to provide facilities whereby the cemetery may be well kept and made a place of beauty in which to bury our loved ones and friends.

Several of the families who

to the 26. Race went to the 26, the Longhorns were penalized 15 each on two successive plays and a quick kick went to the Lockney 46.

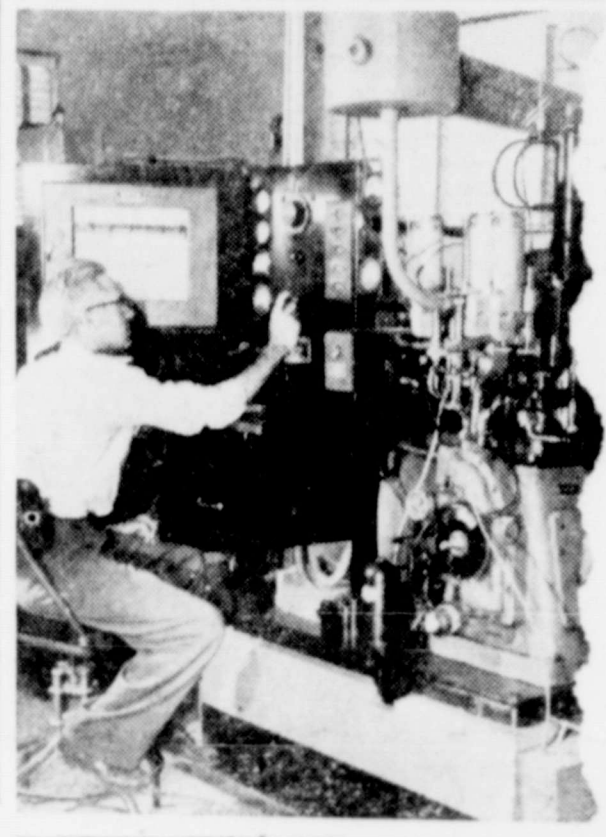

The Tigers passed to the Lockney 24, made 5, drove to the Lockney 13, and had a pass incomplete as the game ended.

have loved ones buried in new parts of the cemetery have, with love, hauled water in an effort to keep shrubs and flowers alive. Let's get behind the committee which is in charge of

THE LOCKNEY BEACON, LOCKNEY, TEXAS, OCT. 18, 1956

this work and help them put it over. Our communities can successfully put over drives for all other kinds of funds, so

let's make a success of this one.
Sincerely,
Mrs. Douglas Degge.

Just out and just wonderful!

The beautifully new Bel Air Sport Coupe with Body by Fisher.

**SEE THE '57 CHEVROLET FRIDAY!
IT'S SWEET, SMOOTH AND SASSY!**

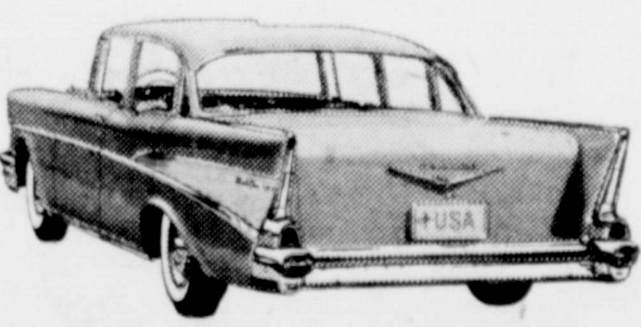

*Chevy goes 'em all one better—with a daring new departure
in design (looks longer and lower, and it is!), exclusive new
Turboglide automatic transmission with triple turbines, a new V8
and a bumper crop of new ideas including fuel injection!*

New right down to the wheels it rolls on—that's the '57 Chevrolet!

By now you know it's new in style. You can see that Chevy's longer, lower—and every inch a beauty.

But Chevrolet's new in lots of ways that don't show up in our picture. It's new in V8 power options that range up to 245 h.p.* Then, you've a choice of two automatic drives as extra-cost options. There's an even finer Powerglide—and new, nothing-like-it Turboglide that brings you Triple-Turbine take-off and a new flowing kind of going. It's the only one of its kind!

Come see the new car that goes 'em all one better—the new 1957 Chevrolet!

The new Bel Air 4-Door Sedan—one of 20 striking new Chevies.

*270-h.p. engine also available at extra cost. Also Ram-jet fuel injection engines with up to 288 h.p. in Corvette and passenger car models.

Only franchised Chevrolet dealers **CHEVROLET** display this famous trademark

LOCKNEY AUTO COMPANY

County Farm—

(Continued from page 1)
 pretation fall, the Bureau seek new legislation which would place the responsibility of enforcement on the labor of tractor instead of the individual farmer. The resolution also opposed the minimum wage law as applying to farmers and urged the Bureau to seek to prevent the removal of the right to work law in Texas, thus preserving state's rights.

A resolution also asked the State organization to oppose federal encroachment into any government function that can be handled by state or local authorities.

The county's resolutions will be presented to the state convention to be held in Houston in November.

Robert Lee Smith, president of the Floyd County Bureau, was in charge of the meeting. Leroy Saul, state representative of Kress, was a guest at the water control program. Saul is a member of the state water committee. Resolutions submitted were prepared by the policy development committee headed by R. C. Mitchell of Lockney and the legislative committee headed by S. J. McIntosh of Floydada.

The lacrimal glands secrete tears.

New Chevrolets—

(Continued from page 1)
 Several instances of engineering progress are evident in the new chassis. "Ram's horn" exhaust manifolds aid engine breathing. Fourteen-inch wheels and lower pressure tires (22 pounds) further riding comfort and safety through greater traction. Crankshaft bearings are wider, longer wearing. Front suspensions and shock absorbers benefit from modifications.

Powerglide, proved in more than a billion miles of travel, power brakes and power steering, and electric window lifts are again optional. The company also makes available the gas-saving overdrive and a close ratio manual transmission that assures lightning down-and-up shifts. In all, 22 power trains are available.

PTA Plan Supper October 27th

The Lockney Parent Teacher organization is planning a supper to be served in the high school cafeteria on Saturday night, October 27, from 6 to 8 p. m. as a money-raising project. It was announced this week. An entertaining program will be presented in connection with the supper, the program to begin at 8 p. m.

GO TO CHURCH SUNDAY.

Rosemary McDonald Named In Maid Of Cotton Contest

Miss Rosemary McDonald, daughter of Mr. and Mrs. J. R. McDonald of Lockney and a junior student at West Texas State College, Canyon, has been selected as one of 12 candidates from that college in the annual South Plains Maid of Cotton contest, to be held at Lubbock in November.

The 12 candidates were selected by petition of 25 students. The list will be trimmed to five co-eds by a panel of judges from Amarillo and these five will go to the contest at Lubbock.

All the candidates were introduced in a special assembly program at the college last week.

"Masonry In Texas" Presented Schools

Every public high school and college library in Floyd and Hale Counties will be presented a copy of the new volume, "Masonry in Texas," by James D. Carter, Ph. D., of Waco who spent years of research on the project.

Charlie Boedeker of Lockney, chairman Floyd and Hale county Membership Committee, and A. H. Kreis of Floydada, co-chairman, announced plans today to make official presentations of the book in behalf of the Dallas Scottish Rite Bodies to the schools and libraries within the next few days.

"Masonry in Texas" is credited with being of great historical significance and a valuable contribution to Texas history. Chairman Boedeker said, "Dr. Carter has explored every legend and tradition in which any lodge or Masonic personality is purported to have any connection with the history and development of Texas during the stirring days of the Republic and before."

Farmers Asked To Vegetable Meeting

Farmers of this area who grew vegetables for the Trautman Bros. this year or who are interested in doing so next year are urged to attend a meeting at the Trautman Bros. shed in South Lockney Thursday afternoon at 2 p. m. It was announced Wednesday. Both Charles and Al Trautman will be present for the meeting. It was said. All farmers interested are urged to attend.

Soil Research Foundation Meet To Be Saturday

A meeting of the proposed directors of the plains soil research foundation along with newspapermen of the area will be held at the Hilton Hotel in Plainview Saturday of this week. The Beacon has been informed. From Floyd County those who are slated to be directors of the foundation are R. A. Roberts, Ewald Quebec, Joe Foster and Jimmy Willson Jr.

The foundation farm will be located at Halfway, about 12 miles west of Plainview, where the Harvest Queen Mill has donated a quarter section of land and where other land is being held for the foundation to purchase when plans are complete and money is available. It was said.

R. J. Harris Dies At Vernon Friday

R. J. Harris, a brother to E. R. Harris and V. D. Harris of Lockney, passed away Friday, Oct. 5 in a Vernon Hospital after a short illness.

Funeral services were held at 2 p. m. Sunday, Oct. 7 at Henderson Funeral Chapel in Vernon with Rev. H. H. Hastings, Baptist pastor of Crowell officiating. Burial was in East Mound Memorial Park at Vernon.

Mr. Harris was born in Wise County and moved to Wilbarger County in 1927. He married the former Amy Wells in 1938 in Wise County. She died in 1945.

Survivors include three sons, three daughters, four brothers, E. R. and V. D. of Lockney, Claude of Plainview and Willie of Sunset, Texas; and two sisters, Mrs. Artie Cone of Bowie and Mrs. Lula Wells of Fort Worth.

Attending the services from this area were Mr. and Mrs. E. R. Harris, Mr. and Mrs. Revis Harris, Raymond Rucker, all of Lockney and Claude Harris of Plainview.

Bureau Seeks—

(Continued from Page 1)
 bers of Blue Cross and Blue Shield. "It may mean the savings of thousands of dollars to have this low cost protection," it was pointed out.

Especially designed to fit farm and ranch families, the plan is tailored for Farm Bureau members and provides low cost protection against hospital and doctor bills, it was said.

Federation Backs Cotton Classing Investigation

Waco. — Efforts of Farm Bureau leaders in Texas to insure accurate classing of cotton by the government now has the wholehearted support of the American Farm Bureau Federation.

Charles B. Shuman, president of the American Farm Bureau Federation, today announced the reactivation of the AFBF Cotton Committee to give specific study to the establishment of a non-government cotton classing review board for the purpose of reviewing controversies over cotton classing.

This action is a direct result of efforts by Texas Farm Bureau leaders to obtain accurate classing of cotton by the government's Smith-Doxey classing service. A Congressional hearing — requested by Farm Bureau leaders — was held Sept. 18 in Greenville. One result of the hearing was a promise by members of the cotton subcommittee of the House Agriculture Committee that the Congress will act immediately after it convenes in January to get a "light spots" classification for cotton put in the government loan.

Shuman also revealed that the AFBF Cotton Committee would study the question of whether present cotton grades adequately reflect the value of machine-picked cotton — and also whether producer interests are adequately represented on the International Cotton Grades Committee.

The Farm Bureau group will also give specific study to the Commodity Credit Corporation export program, with a view of developing market policies that would permit private stocks to move directly into the export market. The present export program permits buyers to purchase surplus cotton for export at a price several cents a pound below the loan price for sale to domestic mills, providing that the buyer exports a like quantity and quality of surplus cotton within 12 months. The net result of this has been that most of this year's cotton crop has been forced into the government loan.

Grain Program Extended By FHA

Walter T. McKay, State Director, Farmers Home Administration, today advised Delbert L. Gassahn, County Supervisor of the extension of the Emergency

Feed Grain Program in Floyd and Motley counties. Under this extension, farmers and ranchers may now file applications through December 31, 1956 for a supply of feed grain necessary to carry basic livestock herds through December 31, 1956.

This extension of the Emergency Feed Grain program now coincides with the assistance available under the Roughage Program for Texas, and enables county FHA committees to consider total feed requirements, both roughage and grain, through December 31, 1956.

Ask Co-operation In School Parking

School officials this week asked for the co-operation of parents in parking at the grade school building in the mornings and afternoons when buses are loading and unloading. "It will facilitate traffic flow of the school buses if parents who bring their children to school in cars or come and get them will park on the west side of the street in front of the school building. Please leave all the room on the east side of the street next to the sidewalk in front of and between the "No Parking" signs for the buses to unload. This will certainly help and will be appreciated."

100 Attend Floyd Baptist Meeting

Approximately 100 messengers from Baptist Churches of the area attended the monthly workers conference of the Floyd Baptist Association at the First Baptist Church here Tuesday evening.

Rev. Tammie Allen, pastor of the First Baptist Church at Rails, was moderator of the meeting and theme discussed was "The Church Budget." Appearing on the program to discuss various phases of this subject were Rev. Allen, Rev. R. E. Wiley, local pastor, and Rev. Howard Lyons, pastor of the College Heights Baptist Church in Plainview.

The local church served the evening meal to the visitors at 6:30. Associational. Executive board meetings were held at 5:30 p. m.

B Squad, Short Horns Play At Crosbyton Tonight

The Longhorn B squad the Short Horns will travel to Crosbyton to take on the teams there tonight (Thursday) in the Shorthorn game will be at 6:30.

The B Squad won their last Thursday night game at Olton B but the score was less than in previous games. The Short Horns won by a score of 12-0.

The Short Horns lost game to the Olton grade school by a 42-0 score. Coach Don Dodson has changed line-up this week in an effort to get a winning combination.
