Longhorns Loss Shows District 3-Way Tie

Lockney Longhorns loss to the Spur Bulldogs has put the district 2-AA in a 3-way tie for all practical purposes. The Bulldogs appear to be the favorites because they have played one more game than the Longhorns and have a better record. The Longhorns must yet play the Florida and Tahoka and must beat Floydada. The Bulldogs have an open date next week. Also, Abernathy could defeat both Slaton and the latter could be quite close to them.

The district race could end in a two-way tie and if that is the case, Lockney and Spur will represent the district. The tie is between Lockney and Abernathy. Lockney will represent the district and if it is not, Abernathy and Spur. The game with Floydada will be played at Floydada on November 16 in a homecoming.

American In Serious Condition After Robbing Saturday

A 28-year-old Mexican boy, Senez, is in a serious condition in the Plainview Hospital Center after being stabbed in the stomach with a long-bladed knife Saturday. He underwent an operation and is reported some improvement. Attending physicians believe he probably would survive.

A jail at Floydada charged aggravated assault in the case of Charles, 17, another Mexican. The affray occurred on the Charles farm in the Chapel community. It started when Charles' father, Charles, slapped a woman related to the other youth. The elder Charles' daughter led to a charge of aggravated assault in court Tuesday morning and fined \$25 and costs.

Another affray not connected with the above a Mexican, Martinez, was charged with aggravated assault. The fight occurred Saturday night in Floydada. He pleaded guilty to the charge Monday and Judge O. P. Rutledge fined \$25 and costs.

Produce Price Is Holding Up Good

The price for lettuce is holding up well this week with a carton bringing \$4.00. The word from the M. W. packing shed here is good and Mr. Wiley said that one farmer here is clearing \$1,000 per acre and selling. Other farmers are doing quite well. The cost of the lettuce crops is also good. The cabbage yield is also good but the market is slow and the price running about \$17.50 per ton. Mr. Wiley shed shipped 70,000 pounds of green tomatoes this week which is the last of the tomato crop. The frost and cold winds are bringing about \$30 per ton in the field and quite a few will be harvested during the next 10 days. Wiley

BAND QUEEN AND KING—Nelda Tims, left and Kenneth Kendricks, right, will be crowned queen and king of the Lockney Longhorn Band during halftime ceremonies at the Lockney-Floydada football game Friday evening.

BAND KING AND QUEEN TO BE CROWNED, FUND DRIVE STARTS

The King and Queen of Lockney Longhorn Band will be crowned during the halftime at the Lockney-Floydada football game Friday evening on Mitchell-Zimmerman Field. Elected some two weeks ago the king is Kenneth Kendricks, son of Mr. and Mrs. Ray W. James and the queen is Miss Nelda Tims, daughter of Mr. and Mrs. W. G. Tims. Attendants will be Gayle and Katie Rucker.

The crowning of the king and queen of the Band will signal the start of a fund drive to secure some improvements for the band building, purchase some new instruments and repairing of others. This week end members of the Band and Band Parents Club will sell "Lockney Longhorn Band" auto and window stickers in one fund raising project. The stickers, printed in maroon ink, will indicate the purchaser is a booster of the Band.

Next week the Club is sponsoring a page advertisement in The Beacon boosting the band with donors to the Band being carried in the advertisement. Money derived from this page will also go to the improvements needed.

Here are some of the improvements needed now by the Band:

Acoustical tile on the ceiling and front wall of the band hall to cut down reverberations when the band is practicing.

The purchase of an alto clarinet, a bass clarinet, and a bass violin (to be used in concert and orchestra work).

The reconditioning of two brass horns, four French horns, one base clarinet, one oboe, one bassoon.

By next year the Band Parents hope to be able to purchase new uniforms for the band. Their present uniforms are at least 10 years old.

The Longhorn Band has shown continuous improvement all year. There are now 48 members of the High School Band, 25 members in the Junior High Band and 12 in grade school band.

The football queen will be crowned at the football banquet later in the year, school officials said.

\$266.50 Total Given To CROP Drive

A total of \$266.50 has been given to the Christian Rural Overseas Program in drives here thus far. Rev. H. B. Coggin said Wednesday.

Some 40 young people from the Methodist and Baptist Churches made a house-to-house drive last Wednesday evening following church services for the C. R. O. P. milk fund and secured \$185.00. The remainder of the total was given by members of the Lockney Methodist Church.

The Methodist Church will probably show a film on C. R. O. P. and take another offering on November 18th. Rev. Coggin said. Other churches in the area have also been asked to take an offering.

GO TO CHURCH SUNDAY.

Awards Will Go To 39 At 4-H Banquet Sat.

Thirty-nine Club boys and girls will receive recognition for their outstanding accomplishments in various projects during the past year at the annual 4-H Achievement Banquet to be held Saturday evening at the High School Cafeteria in Floydada. The affair begins at 7 p. m.

Also to be announced at that time will be the Gold Star 4-H club member of the county for both boys and girls.

Attending the banquet, in addition to the club members to be honored, will be parents of the boys and girls, 4-H adult leaders, members of the Commissioners Court, the county agents and several others will be guests. The banquet is sponsored by the 4-H adult leaders committee of the Floyd County Home Demonstration Council.

The highlight of the evening's program will be the presentation of awards to the club members. The awards will be presented by local representatives of the firms which donate the awards.

Also a movie of the State 4-H Roundup of this year will be shown during the evening.

Don Thornton Is Carried To Dallas For Treatment

Donald Scott Thornton, 13-year-old son of Mr. and Mrs. Owen Thornton, was carried by Carter ambulance to Baylor Hospital, Dallas, Wednesday morning where he will undergo treatment for a tumor in the chest. Local physicians said that he would probably have a minor operation and then be treated with a new radio-active medicine.

Don has been feeling badly for two weeks but became ill at the football game here last Thursday evening and had difficulty breathing. He was treated at the Lockney General Hospital here but the trouble continued and a thorough examination revealed the tumor.

The young fellow is in serious condition, it was said, and will probably require several weeks of treatment. The ambulance left here at 10 a. m. Wednesday driven by Lowell Willes. Mr. and Mrs. Thornton accompanied the boy to Dallas.

Rosemary McDonald Is Queen Candidate

Rosemary McDonald, daughter of Mr. and Mrs. J. R. McDonald, Lockney, is a candidate for Homecoming Queen at West Texas State College.

Winner, who will be named by student body vote, will reign over Homecoming activities Nov. 17. The annual Homecoming at WT features a parade, barbecue, football game between the Buffs and the Texas Western Miners, class reunions, and dance.

HD Style Show Set For Today

The Floyd County Home Demonstration Council will sponsor a countywide tea and style show to be held at the Harmony Club house at 2 p. m. Nov. 8, according to Mrs. E. G. Dunlap, general chairman.

Each of the 14 home demonstration clubs of the county will have 5 adult models, and 2 children may model for each club if the club desires. Garments modeled will be those made by the club women during the year and will include dresses, coats, house coats, suits, skirts, blouses, dusters, hats and possible other items. The show promises many expensive and elaborate garments. Mrs. Dunlap says, since several club women were enrolled in the advanced dressmaking course held in the county earlier this year. Any club having a 4-H Club winner will have the winner to model her garment.

Chairmen, other than Mrs. Dunlap, who are working on the affair, which is being called the "harvest parade," include Mrs. W. H. Bethel, publicity; Mrs. Zant Scott, food; Mrs. Tom Porter, entertainment and script; and Mrs. Elmer Norrell, stage.

The parade is designed to stimulate interest in sewing among the club women. Mrs. Dunlap says no admission will be charged, and the public is invited.

LONGHORNS AND WHIRLWINDS IN ANNUAL BATTLE FRIDAY

The Lockney Longhorns and the Floydada Whirlwinds will play their annual football game on Mitchell-Zimmerman Field here Friday evening. Floyd is the championship of the Long County at stake but the Longhorns' chance to represent District 2-AA also rides on this game. As usual, a large crowd is expected to witness the game and both teams will probably be keyed up to their top performance. It is the last home game of the regular season for the Longhorns. They will end the season next week at Tahoka.

The Whirlwinds have won two and lost two in district play this year and have little, if any, chance to represent the district but they will be trying to win this game just the same. The Whirlwinds have lost to Abernathy 14-6 and to Post 32-13. They have won over Tahoka 12-0 and over Slaton 25-6. The Whirlwinds operate from a straight T formation sometimes dropping into a double wing. They also have a potent passing attack. It is reported although their passes backfired in the Post game with Post intercepting several of them.

The Whirlwinds walloped the

MR. LHS—Jerry Workman, son of Mr. and Mrs. J. H. Workman, senior, was voted Mr. LHS by the high school student body Thursday of last week. Jerry is vice-president of the Junior Rotarian for November. He has played football four years, track and tennis four years and has been a member of the Lariat Staff the past two years. He was a member of the band his freshman year and was named wittiest in Junior class personalities. He is president of the Creative Writers Club and is active in the Methodist Church and De Molay.

David Frizzell and Gene Handley were runner-ups for the honor.

MISS LHS—Miss Mary Kathryn Ford, daughter of Mr. and Mrs. R. H. Ford, senior, was named Miss LHS by popular vote of the high school student body Thursday. Miss Katie Rucker, daughter of Mr. and Mrs. Raymond Rucker, ran a close second and Rita Griffith was third runner-up.

Mary Kathryn (Kitty) has been drum major in the band the past two years, was band queen last year and was a band officer in her freshman year. She was named football queen attendant and friendliest during her sophomore year and class favorite during her freshman year. Mary Katherine has been a member of the band four years, and played basketball two years. She is a member of the F. H. A. and National Honor Society. She is active in the Baptist Church and Order of Rainbow for Girls.

Pupils To Appear On PTA Program Tuesday Night

Members of the Sixth Grade room of which Mrs. Velma Cox is teacher, will present a skit they have written entitled "On Thanksgiving" at the regular meeting of Parents and Teachers Association Tuesday, November 13, at the high school auditorium. The program will start at 7:30 p. m.

The program will be opened by prayer by Rev. E. Wiley, pastor of the First Baptist Church, followed by a song by the assembly. A poem will be given by a Fifth Grade student and special music by high school students. The program will carry out the theme, "We the People Give Thanks for our Schools."

Senior Class Is Selling Corsages

The Senior Class of Lockney High School is this week busy selling corsages for the Lockney-Floydada football game Friday evening here. The corsages are made up of a mum with maroon and white ribbon and a maroon L in the center. Deadline for purchasing a corsage is Friday noon. The cost is \$2.25. Those wishing one may see any member of the Senior Class.

Democratic Presidential Nominee Adlai E. Stevenson carried Floyd County in voting Tuesday over President Dwight D. Eisenhower by a margin of more than 300 votes but he again lost Texas to Eisenhower and the President went on to defeat Stevenson nationally by a wider margin than in 1952.

The vote in this county was 1767 for Stevenson - Kefauver and 1442 for Eisenhower-Nixon. Four years ago Eisenhower-Nixon carried the county by a about 3 to 2 of 3500 votes. Stevenson-Kefauver carried 16 of the 21 boxes in this county Tuesday but Eisenhower-Nixon lead in both Lockney boxes, one box at Floydada and two rural boxes, Providence and Fairview.

Total vote in the county was something over 3200 votes, short some 300 from the presidential election four years ago.

T. Coleman Andrews and Thomas H. Werdel, Constitution Party candidates for president and vice-president received 8 votes in the county.

Eisenhower appeared to have garnered probably 470 of the nation's electoral vote to 61 for Stevenson. Late changes in totals may change this number slightly but it appeared definite early Wednesday that Eisenhower had defeated Stevenson by a bigger majority than he did in 1952 when Stevenson received 89 electoral votes.

For governor Price Daniel went in by land-slide with a total of 2574 votes in the county. William R. Bryant, the Republican candidate for governor, received 130 votes and W. Lee O'Daniel, write-in candidate received a total of 316 votes in this county. Ralph Yarborough received two write-in votes for governor.

Other scattered votes were received by various candidates. Lee N. Duran, Republican candidate for attorney general, received 27 votes, and Samuel F. Singleton, Republican candidate for State Commissioner of Agriculture, received 13 votes.

All Democratic candidates for office on the ticket received big majorities of the vote.

Amendments Carry
All eight constitutional amendments carried by big majorities in the county as well as in the state. County totals on the amendments were as follows:

- No. 1. Compensation to persons convicted but not guilty, 2,004 for, 256 against.
- No. 2. Reallocation of county taxes, 1,439 for, 664 against.
- No. 3. Funds for college buildings, 1,586 for, 394 against.
- No. 4. Teacher retirement, 2,186 for, 328 against.
- No. 5. Increase in veterans land fund, 1,495 for, 607 against.
- No. 6. Change in oath of office, 1,524 for, 322 against.
- No. 7. Requiring medical testimony to commit persons of unsound mind, 1,652 for, 414 against.
- No. 8. Allowing judges to deny bail, 1,430 for, 616 against.

Mrs. M. Dorman Dies Wednesday

Funeral services for Mrs. Mattie Dorman will be held Friday at 2 p. m. at the First Methodist Church in Plainview, it was announced late Wednesday.

Mrs. Mattie J. Dorman died in the Plainview Hospital Wednesday afternoon about 4 o'clock. She had been bedfast for several years and seriously ill for the past week. She fell several weeks ago and broke her arm. She was 79 years of age.

Mrs. Dorman made her home with her daughter, Mrs. Ethel Marshall at Aiken. She had been a resident of Floyd County since 1925. She was born in Hope, Arkansas, moved to Texas as a young girl, and later lived at Rush Springs, Okla.

Survivors include six sons, Floyd Dorman of Lone Star, Fred of Lockney, Oddie of Aiken, Levi of Hale Center, Luster of Rush Springs, Okla., and Bill of Bakersfield, Calif.; four daughters, Mrs. Marshall of Aiken, Mrs. H. L. Stowe of near Plainview, Mrs. Linnie Smith of Pampa and Mrs. Mattie Evans of Rush Springs. Also one brother and two sisters survive as do 21 grandchildren and 23 great-grandchildren.

Mrs. Dorman's husband died in 1932. He is buried in the Plainview Cemetery.

Raymond Blount Dies Friday

Raymond Blount, a former resident of Lockney, died unexpectedly in a Dallas Hospital Friday of last week. Mr. Blount had gone to Dallas for a check-up and treatment, having been in ill health for a number of years. His home was near Kress at the time of his death.

Funeral services were held at the First Methodist Church in Tulla Sunday afternoon. A large crowd of relatives and friends from Lockney and vicinity attended. Burial was in Rose Hill cemetery at Tulla.

Mr. Blount was 58 years of age. He and his family moved from Lockney to a farm near Kress some 20 years ago. The Blount family were pioneer settlers of this area, the family having farmed north of Lockney for many years.

Survivors include his wife, two sons and a daughter, and seven grandchildren, all of Tulla; also his mother, Mrs. A. B. Blount of Plainview; one brother, A. B. Blount Jr., Plainview; two sisters, Miss Opal Blount of Plainview and Mrs. George Newman of Lubbock.

TO LUBBOCK
Mr. and Mrs. G. M. Brunner and Mr. and Mrs. Frank Perkins attended the Victor Bourge show in Lubbock Thursday evening of last week.

PLANS FOR celebrating the 50th anniversary of the incorporation of the City of Lockney are being mulled over by Chamber of Commerce directors. The City was incorporated in November of 1908 according to the files of The Beacon. Certainly an appropriate celebration for this occasion would be a very fine community project and one in which all civic clubs, study clubs and other organizations should join. Let's do it and make it a big affair.

ELECTION DAY will have come and gone when this newspaper reaches the mails. Perhaps you won your vote or perhaps you lost it. Most of us lose about half of our votes anyway. Many times the majority are right, some times they are wrong, but which ever way it went just remember that in this country of ours we need to keep some semblance of unity and co-operation especially at this time when there is a possibility that another World War is on our doorstep. Most of us cannot understand the attitude of Britain and France in starting a fight when they have maintained an outward desire for peace for so many years. Perhaps there are implications which we do not know about. At any rate we better stick together, work together and see if we can't keep

our collective noses out of the present conflicts.

SOME PEOPLE are so kind to us. Just this week we received a bulky envelope from an advertising firm in New York. Contained therein were several sheets of publicity describing the outstanding merits of a certain food product. They called the product by name, told how it was made, what made it such an excellent buy for the customer and at the top of the sheet were the words "for immediate release," which means they want us to run the stuff as "news" without cost to them. It just gets down to the fact that somebody is crazy. We would be crazy if we ran such tripe as a news story in this paper. But we're not going to do that so maybe we're not crazy. The crazy guy is the one, in our opinion, who sends us such bunk and expects it to be carried as a news story or the people who pay him for sending it out. The Beacon doesn't mind handing a plug to local causes, organizations or firms who help to support the newspaper and build the community, but tripe such as that mentioned above is more than we can stomach.

A REPORT from State Treasurer Jesse James says that revenue from cigarette taxes dropped \$88,735 the past year but that revenue from liquor taxes was up \$141,858. Now if we could just get some good doctor to say that liquor caused cancer maybe that would bring about a drop in the consumption of liquor also.

THANKSGIVING should be unusually meaningful to the people of the high plains area this year. Over and over we hear the statement that this is the only part of Texas in which decent crops were harvested. Then too, it seems our crops, and prices, are so much better than last year that we have added cause for thanksgiving.

THE WORLD has not come to an end if The Longhorns did lose a ball game. We still have a good chance to represent the district, and failing that, we have fine prospects for a very good team next year. So let's finish the season in good spirits, win all the ball games we can, and then start planning to go all the way next year.

THERE WILL be another amendment election next Tuesday. In that election voters will approve or disapprove an amendment which would enable the state to provide assistance to Texas citizens who are permanently and totally disabled. The Texas society for Crippled Children is urging approval of this amendment, pointing out that at present only those citizens who are younger than 18 or older than 65 are eligible for any kind of assistance. This amendment would provide especially for those between these two ages.

SPEAKING of women, we read about a university man who had studied their needs. From birth to 18, he says they need good parents, from 18 to 35, good looks, from 35 to 55, good personality, and after 55, just cash.

GROWING CARROTS

The successful growth and marketing of carrots on a large scale this year added another money crop to the growing list which the Hereford territory now boasts. Just how much the crop will mean in the future, of course, remains to be seen. Like other perishable vegetables, it is natural to presume that carrots will not be a cure-all. They do, however, extend the limits of possible diversification by a large measure, affording a complete new cash income for many farmers.

THE SUPREME COURT

Although leaders of both major parties likely would have to be "eared down" to submission, a campaign by the American Association of Small Business to take the Supreme Court off the political pie counter has much to commend it and little, if anything, to condemn it.

TRASH TROUBLES

A new trash collection system for downtown Hereford is now under discussion by the City Commission and, to borrow an old phrase, it's high time. The present collection system in addition to being inefficient, is also expensive, difficult and inadequate. Debris, including papers from The Brand office, can be found blocks from their origin. No two trash containers are alike—and the job is made much more difficult for workmen who are forced to stand in boxes and dig the collection out with their hands.

Standard containers, along with a planned collection program and general cooperation from the merchants can do much to eliminate health and fire hazards. Certainly, the measure deserves every consideration.—Hereford Brand.

political party or his ideological views. J. D. Henderson urges the passage of a Constitutional Amendment which, to a great extent, would take the Supreme Court of partisan politics.

Mr. Henderson, who heads the Small Business group, notes, in making the suggestion, that of the present Supreme Court, only two Justices ever had judicial experience prior to donning their robes. Henderson doesn't mention it, but an added fact is that the present Chief Justice, Earl Warren, has been a practicing politician most of his adult years, while his experience as an attorney before the bar has been slight, indeed.—The Plainsman in Lubbock Avalanche.

THE RICH GETTING RICHER

According to "Human Events" there are scores of both Democrats and Republicans, in Washington who have become rich from fat fees, received from foreign governments, for services designed to extract from American people huge loans and grants. The give-away continues because lawyers, bankers, brokers, lobbyists and politicians are still drawing huge fees from the program. The mainspring behind a great deal of our foreign aid program IS NOT THE POOR HUNGRY FOREIGNER, but rich Americans who are getting richer.—Rotary Bulletin

Items of interest from the files of The Lockney Beacon.

November 11, 1926

The fine two-story brick school building at Lone Star, 12 miles north of Lockney was destroyed by fire about six o'clock this morning. Origin of the fire was unknown. The school recessed several weeks ago so the students could help gather the crops and would not have been in session again for two weeks and no one was supposed to be at the building during the night. Loss of building equipment was estimated at \$20,000. \$14,500 insurance was carried.

Floyd County Lee Highway Association was organized Tuesday night at the Court House in Floydada with 100 members. It was decided Floyd County would join with other counties in launching a paving program from Vernon to the New Mexico line.

Lockney Longhorns defeated Ralls Jackrabbits by a score of 33-0 at Longhorn Park this afternoon.

An editorial answering questions about the school situation states the forming of the new school district became a law on Oct. 13 when it was signed by the governor, and in the bill it specified the metes and bounds of the new district, therefore all land within these bounds is in the new district. Although at this time the schools of the Western part of Floyd County are as good as the medium school situation over West Texas, they fall far short of meeting the needs. One aim of consolidation is to bring about a school system that will offer the best possible opportunities for the children.

November 10, 1944

Clinton Mitchell writes from the Central Pacific fighting area thanking the Beacon for the paper he received and says he is looking forward to walk-

ing the streets of Lockney again. He says "I saw Doc Collum not very long ago, he is the same old Doc, certainly enjoyed talking the days we spent in playing football together."

Johnny Parraek writes from the Pacific area asking Clinton Mitchell's address. He says "It's too bad I can't get a chance to see him sometime, and you can't realize much that would mean to now." He also expresses appreciation for the Beacon.

Pat Woodburn writes from Kingsville, Texas, where he is in an airforce training school.

Pvt. Orvil C. Pyle, reported "missing in action" last week, was killed in action in France, July 28, 1944, according to a second telegram received by his parents this week. Pyle was the son of Mr. and Mrs. E. M. Pyle who live 12 miles north and one mile west of Lockney. Pyle has been in service exactly seven months to a day when he was killed.

Mrs. O'Hearn Is Honored For 10 Years Service

Frances O'Hearn, employee of Southwestern Public Service Company in Plainview, was honored for 10 years of service at a banquet on Thursday evening at the Hilton Hotel in Plainview. The occasion was the annual Division Awards Banquet which was attended by 100 persons this year.

W. C. Rhodes, director of personnel from the company's Plainview office, presented Mrs. O'Hearn with a gold filled lapel pin and with an Award of Merit signed by Company President J. E. Cunningham which reads: "In recognition of 10 years of service to the public and devotion to the progress of the community and to the betterment of our company. Recognition of our company as a symbol of good citizenship and public service has been possible by the contribution of this employee during these years."

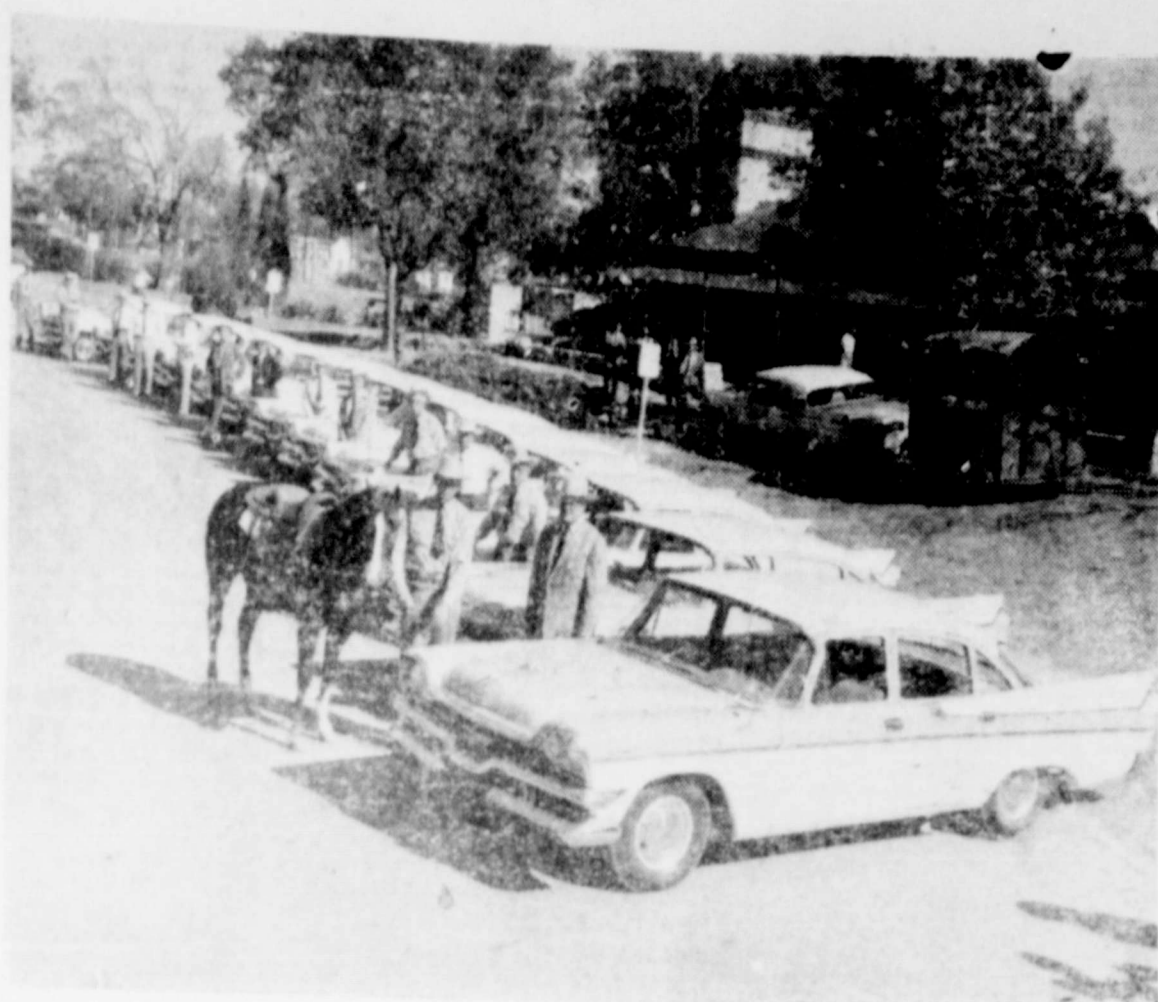

J. M. Collins, Division Manager for Southwestern Public Service in Plainview, pointed out that the program is held each year to honor employees who have completed multiples of 5 years of service with the organization during the preceding year.

Among the honored guests were O. M. Seal and Vaneta Cross of Plainview, who have each worked for 35 years with Public Service. Two Clovis employees, Dave Roberts and Herb Sikes, received 30 and 20 year awards, respectively.

Special music for the dinner was furnished by a group of male singers called the Hi-Fi Quartette from West Texas State College.

Also attending from Amarillo were Vic Shawgo, Manager of Labor Relations for Southwestern Public Service Company, and M. E. Whitfield representing the International Brotherhood of Electrical Workers.

TEXAS RANGERS GET NEW MOUNTS

The Texas Rangers, scourge of the western badmen for more than a century, recently received new mounts which are said to be the fastest police pursuit cars on the nation's highways. Fourteen of the

Rangers, including Col. Homer Garrison, Director-Department of Public Safety, and Chief R. A. (Bob) Crowder, took delivery of the specially-built Dodge D-500 Texan police pursuit cars with 285 horsepower engines. The Rangers still pack pearl handled

revolvers, wear high heel boots and big hats, and ride horses; but 'Ole Paint' has not been put out to pasture, according to Chief Crowder, but is transported in trailers behind these new powerful patrol cars.

Shorthorns Break Into Win Column

The Lockney Shorthorns, junior high football team, broke into the win column last Thursday evening when they defeated the Crosbyton junior high team 7-0. It was the first win of the season for the junior high footballers and they thoroughly enjoyed the occasion.

Quarterback Bill Mangold carried over from the 7 yard line on a bootleg play after Fullback Mickey Mosley had run to the 7. Halfback Bobby Pinner punted for the extra point to wind up the scoring for the night. The Lockney attack was spearheaded by the fine running of Fullback Mosley.

The Crosbyton boys tried a split T formation but couldn't make much progress with that. They dropped into a single wing and made some yardage but not enough. Their last minute passing attack was stymied by fine defensive work of Jerry Cheshire, Wayne Cooper, Doyle Thurman and Clarence Ansley.

The local boys recovered five fumbles during the game and three of those were by Tackle Thurman Johnson. One of these set up the touchdown.

The Shorthorns have been plagued this year by punt and kick off returns for touchdowns but in this game their two ends, Derrel Kent and Billy Dan Rolling, were down the field very fast to cover the receiver. The entire team stood out very good on defense.

Starting line up for the Shorthorns was: Clarence Ansley, center; Wayne Cooper and Jerry Cheshire, guards; Bonita Vaughan and Thurman Johnson, tackles; Derrel Kent and Billy Dan Rolling, ends; Doyle Thurman and Bobby Pinner, halfbacks; Mickey Mosley, fullback; Bill Mangold, quarterback.

Mr. and Mrs. Johnny True-love and Tim of Vernon visited in the L. L. Readhimer home Thursday and Friday of last week while the men erected the new electric clock at the football field.

GO TO CHURCH SUNDAY.

Library News

Some new books in the library are: "The Nun's Story" by Kathryn Hulme. It is the portrait of Sister Luke, a Belgian girl who turned aside from marriage to enter a famous nursing order. The chapters on Africa are the heart of the book; the spirit of Dr. Schweitzer walks through them. Edward Wells says, "to read The Nun's Story is to be brought within the radiance of a noble, deeply felt experience."

"How to Believe" by Ralph W. Sockman, D. D. is a book on faith. Here are some questions answered in the book: what is faith? What can we reasonably believe? Does it matter what we believe?

"Man Against the Jungle" by Ritehis Calder is the account of the hazardous mission which began in the equatorial jungles of Borneo and adventured through seven Asian countries to the mountainous recesses of Afghanistan. It is a heartening story of real international cooperation and achievement of the United Nations at work.

And for the little folk, "The Story of Texas" by George Sessions Perry. He has written a story of great achievements, that can be read with pride by every American boy and girl. The illustrations by John Barron are as inspiring as the text.

South Plains

By Mrs. Murray Julian

Many grownups as well as children roamed our region Halloween night and it was hard to tell who had the most fun. Every kind of witch or spook as well as other terrible looking creature called at different homes for "trick or treat."

Halloween parties were given Wednesday afternoon in the rooms of J. M. Williams, Mrs. Ray Smith and Mrs. Oscar Hewitt at the school house. Refreshments and treats were given by mothers.

The home of Mrs. Arby Mulder was the meeting place for a party Thursday morning from 9:30 until 11. Mrs. Merle McGinnis of Plainview demonstrated Stanley products and Mrs. Mulder served refreshments as they came. Present were Mmes. Merle McGinnis, Grigsby Milton, Leighton Teeple, Reuben Sessums, Jones Kinslow, Calvin Poteet, Philip Smitherman, Murray Julian, Early Pritchett, and hostess, Mrs. Mulder.

Mr. and Mrs. Oscar A. Johnson from Tell and Mrs. Davis of Pampa, were Sunday guests in the home of the Johnson's son, and Mrs. Davis' brother, Mr. and Mrs. L. N. Johnson and children Sunday.

Mr. and Mrs. Grigsby Milton and girls went to Amarillo to visit relatives Saturday.

South Plains PTA met at the school Friday afternoon at 3 p. m. for a good program given by the 6, 7 and 8th grade pupils from J. M. Williams room. Pupils in the one act play were Joann Newton, Sue and Gary Wilson, Jimmy Respondek, Yvonne Karr, Rachel Huneycutt, Bobby Faus, Barry Kinslow, Clifton Harper, Bill Bledsoe, Nathan Mulder, Bruce Julian, Dennis Deavenport, Rita Taylor, Eddie Parks and Sherlene Teeple. Mrs. Bledsoe presided. PTA members will sell sandwiches and pie at the Gene Hopper auction sale at his place on November 15. J. M. Williams room won the room count. Thanksgiving holidays are November 23 and 34th with the Christmas holidays scheduled for two weeks beginning Dec. 20. Next PTA meeting will be an open house Sunday afternoon, Dec. 16 with group singing of Christmas carols.

Mrs. Joy Smitherman was hostess Thursday afternoon to members of her bridge club and two guests. Two tables of bridge were played with high score won by Mildred Smitherman and low score by Jane Beedy. Mrs. Smitherman served German chocolate cake with topping and coffee to members, Mmes. Joann Bickley, Mildred Smitherman, Ann Bean, Pat Thompson, Jane Beedy, and guests, Mrs. Floy Bishop and Mrs. Betty Holmes.

Marisue Burlison, daughter of Mr. and Mrs. W. E. Burlison who live near here, was chosen Sweetheart of the Floydada chapter of Future Farmers of America last week. Kendis Julian is president of the chapter, also of this community. FHA girls are being good citizens this Tuesday as they are offering free baby sitting to any Floydada family who wish to vote and leave their children with them at the home economics room.

Mr. and Mrs. Thomas Pierce celebrated their son, Steve's sixth birthday Sunday with a baked chicken dinner at noon. Guests were Mr. and Mrs. Shelby Calahan, Johnny, Jerry and Beth, and Mr. and Mrs. H. S. Calahan Jr. and Cathy, Diane

and Vicki. Visitors during the afternoon were Mr. and Mrs. Sylvain Kinnibrugh, Marilyn and Beth, and Mrs. Pierce's parents, Mr. and Mrs. Bill Robertson and Dale, from Cone and Mrs. Pierce's folks, Mr. and Mrs. J. M. Pierce of Floydada.

Saturday night guests in the home of Mr. and Mrs. Paul Snodgrass were Mrs. Will Sims and Vera Meredith, both of Floydada.

Mr. and Mrs. J. P. Taylor and children had as their guests at Sunday dinner Mr. and Mrs. Grigsby Milton, Barbara and Darla, June Marble and Juanell Woods.

Tuesday night guests in the home of Mr. and Mrs. Frank McClure were Mr. and Mrs. George Weast and Mr. and Mrs. Skeet Thornton. Games of canasta were played. Hot rolls and coffee were served. The Weasts were hosts Halloween night to the McClures for games of canasta.

Mr. and Mrs. Sylvain Kinnibrugh and girls had his folks, Mr. and Mrs. J. A. Kinnibrugh of Vera as house guests from Friday afternoon to Sunday morning.

WMU of the Baptist Church met Monday afternoon with Mrs. McClure presiding. "Joy From Wells of Salvation" was the program topic. Mmes. F. M. McClure, Paul Snodgrass, Murray Julian, J. P. Taylor, Sim Reeves and Thos. Pierce were present. Week of Prayer program was discussed, and the box of food for Germany is at the store for church members to help fill. They hoped to get it there for their Christmas. Mmes. Sim Reeves, Paul Snodgrass and Frank McClure were selected to be the reviewing board for the auxiliaries making their steps. Mrs. Bryan Karr met with her Sunbeam group and at 4 p. m. the counselors, Mrs. Pierce and Mrs. Julian met with their junior G. A. S. Mrs. John Smitherman will teach the mission book, Koji of Japan at the next G. A. meeting in Nov.

Mr. and Mrs. Arby Mulder, Nathan and Katherine spent Sunday visiting her sister, Mr. and Mrs. Pete Land and children in Littlefield.

Rev. Larry Faus left Monday evening for Corpus Christi where he will attend the Baptist General Convention from Nov. 5-8. Mrs. Faus and Vassie Beth went with him as far as Lamesa and they stayed there while Rev. Faus attends the meeting.

Mrs. John Smitherman accompanied Mrs. R. G. Cassel to Lubbock Saturday and was a house guest in the Cassel home until Monday afternoon. They also visited in the home of Mr. and Mrs. John Cassel.

Bonnie Upton from WTSC at Canyon was home over the week end with her parents, Mr. and Mrs. Raymond Upton. Mrs. Upton and Mrs. Bryan Karr stayed with their mother, Mrs. H. S. Calahan Sr. Sunday.

Mrs. Frank McClure was honored with a surprise birthday supper Friday night in Crosbyton. Her daughter, Mrs. Don McClure prepared a supper for several guests, and when Mr. and Mrs. McClure arrived, they discovered she was the guest of honor Mrs. McClure's birthday is on Nov. 6.

Terry Julian was home for a brief visit with his folks Tuesday. He had dinner with Mr. Skeet Thornton and Mrs. Murray Julian and was back in time for his afternoon classes at WTSC at Canyon.

GO TO CHURCH SUNDAY.

The good thing about this is that Dan and Betty and those other youngsters too are here, in Church, because they want to be!

No one made them come. No one told them that they had to. No one threatened punishment if they didn't.

Though outside it is a bright sunny day and the woods and field and streams beckon, they are here, in God's house, at prayer.

They'd like the country and the world to know that despite all this alarming "juvenile delinquency" there are good teen-agers too.

There are teen-agers who have been instructed in the Christian way of life, and who have discovered what the Church can mean to them.

**THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

TIPS FOR SURVIVAL

FCDA Offers Practical Defense Against Fallout

In a split second during the pre-dawn hours of a morning in November 1952, radioactive fallout came of age as a potential hazard to every living thing.

Since then, millions of words have been written and spoken about it. We are told that it cannot be detected by any of the hu-man senses, only by radiation detection devices. It can hitch a ride on the wind for hundreds of miles from a nuclear blast, settle to earth even in remote places and make entire areas temporarily uninhabitable.

BUT WHAT, ACTUALLY, is fallout? Can its movement be pre-dicted? And what can people do to protect against it?

Fallout is nothing more than tiny dust particles blasted into the air when a nuclear weapon's fireball intersects the earth's surface. This material is then made radioactive by the fireball, and thus carries dangerous radiation to wherever the dust falls.

By plotting high-altitude winds, weather men can pre-dict the area of fallout, and tell approximately where it will land. Radiological mon-itoring would then establish specific fallout patterns.

People can protect themselves mainly by staying under cover, and tuning a battery-operated radio to emergency civil defense frequencies for expert instruc-tions. A basement makes a fair shelter, an old-fashioned root cellar an excellent one. This is because only 1/5,000th of the radiation that would hit a person in the open will penetrate three feet of earth.

MOST IMPORTANT, remem-ber that fallout leaves no mar-gin for errors, or amateurs. For example, just because the sur-face wind is blowing from a "safe" direction doesn't mean that the winds above 10,000 feet—which would usually dominate the direction of fallout—weren't blowing some other way. Only the experts have the equipment to predict fallout areas.

Charles Smith Has Birthday Party

Mrs. Charlie Smith honored her son, Charles, with a party on his ninth birthday Monday, November 5 from 3:00 to 4:30 p. m. at their home.

Games were directed by Mrs. Derrell Wood. Hats and blow-out toys were given as favors. Refreshments of cake and punch were served to Gay Hancock, Carol Ann Howell, Linda Abbott, Connie Reed, Judy Whitfill, Debra Brandes, Carla Smith, Benny Reecer, Bill Hays, David Mitchell, Benny Hand-ley, Jack Mickey, Charles Oli-ver, Neil Mitchell, Dale Galla-way, Milton Finley, Jimmy Thomas and Steve Stansell.

Busy Mothers Class Has Luncheon

The Busy Mothers Class of the Methodist Church met Wed-nesday, November 3 in the home of Mrs. E. R. Harris, president, for a delicious cover-ed dish luncheon.

Mrs. R. E. L. Statts brought the devotional. Places were laid for Mmes. W. H. Fields, F. L. Brown, R. E. L. Statts, Hugh Counts, Aunt Fannie Brown, Leslie Floyd, Gilbert Huls, Delbert Bybee, and the hostess, Mrs. Harris.

NEW ARRIVAL

Mr. and Mrs. Don McLaughlin of Providence community are parents of a baby girl born early Monday, November 5, at Medical-Surgical Hospital here. The young lady was named Teresa Irene and weighed 6 pounds, 14 ounces. The Mc-Laughlins have an older boy, Danny, 2 years old. Grandpar-ents are Mr. and Mrs. Harold McLaughlin and Mr. and Mrs. Richard Matthews, all of Provi-dence.

Railroads Cut Freight Rates On Hay, Cattle

Austin—Farmers and ranch-ers in the 233 drought-stricken counties of Texas will save sev-eral million dollars as the re-sult of drastic freight rate re-ductions put into effect by the railroads on shipments of cat-tle and on carload lots of hay.

This is the third time in four years Texas railroads have slashed rates as their contribu-tion to hard-hit ranchers and farmers. The two previous rate reductions resulted in a saving of more than \$22,000,000 to Tex-as agriculturists.

The freight rate reductions were made at the request of President Eisenhower. A 50 per cent cut in rates for hay in car-load lots was immediately put into effect.

Rates were also established for outbound movement of livestock from the drought-stricken areas to western feeding grounds which will permit free return transportation to origin-ating points.

President Eisenhower recog-nized the fast action by saying: "I know that I speak for our people, especially those in the areas affected, in saying that all of us are deeply grateful to our railroads for this public spirited and prompt action."

Saving to farmers and ranch-ers in 1953 was \$20,000,000 when the railroads reduced freight rates on grains and dairy feeds. More than \$2,000,000 was contributed in 1954 by the various Texas railroads when they slashed rates on hay in half.

"The saving at the time will, of course, be governed by the length of the drought period," said Kenneth McCalla, general counsel for the Texas Railroad Association.

Soil Testing Paid Off For Atascosa County Farmer

College Station — Last fall Tony Divin of the Loire com-munity in Atascosa county asked County Agent Dale Frei-berger for information and as-sistance on soil testing. Frei-berger gave the assistance and two samples from fields on which peanuts were to be planted were sent to the Soil Testing Laboratory at College Station.

Freiberger in a report to M. K. Thornton, extension agricul-tural chemist and operator of the Soils Lab, said that many farmers have expressed an op-inion that fertilizer recommen-dations from the lab are ex-cessive so they use a lesser amount. This was not the case with Tony Divin.

He applied nitrogen and phosphorus at planting time and the gypsum when the pean-uts were in their growth. Sixty-four pounds of seed an acre were planted.

From a 38 acre field of old crop land, Divin harvested 3,767 bushels of peanuts for an average of 99 plus bushels an acre. From the lush growth made by the vines, Divin sold 55 tons of hay. Average yield for the community was approx-imately 65 bushels an acre, said Freiberger.

On an adjoining field, put into cultivation this year, 115 bushels of peanuts an acre were harvested. Both fields were irrigated.

Freiberger reports that Div-in feels that the \$2.00 he spent for the two soil tests turned out to be a mighty worthwhile investment. He liked the results so well that he has already made arrangements to do more soil testing during the winter season.

Rheumatic Fever Is Threat To Small Children

Austin.—Heart disease is still the number one killer over all causes in the United States to-day, State Health Department statistics show. Despite awe-provoking advances in the car-diovascular field of medicine, the high tensions of modern living continue to reap its har-vest of deaths from heart dis-ease.

Rheumatic heart conditions, though not high on the morta-lity list, nevertheless takes its toll. Rheumatic fever is respon-sible for 95 percent of the de-fective hearts in childhood.

It accounts for more than a third of the crippled hearts in adult life, and according to in-surance statistics, chronic rheumatic heart disease ac-counts for five percent of dea-ths from diseases of the heart.

Rheumatic fever is no longer the threat it once was. Scien-tific advances of the past few years have made it possible to prevent most cases of this dis-ease which disables so many each year.

The main target in the fight against rheumatic fever is a special kind of sore throat—called a strep throat, which is an infection caused by strep-tococcal germ. Doctors know that a strep infection precedes most attacks of rheumatic fever.

Children between the ages of six and eight are the most com-mon victims. The plan is to prevent the strep infection or to treat it adequately at the on-set, thereby averting a possible attack of rheumatic fever.

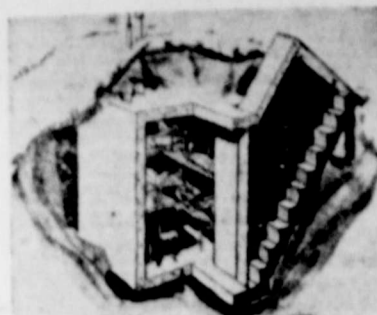

This information is encour-aging for all parents and es-pecially to the child who has had rheumatic fever. The con-dition has a way of repeating itself and each attack increases the chances of heart damage.

To protect a child who has rheumatic fever, doctors are prescribing regular doses of such medicines as penicillin and the sulfa drugs. It may be necessary for the child to take such a medicine for a long time. These medicines are av-ailable free at your city or health departments for those unable to pay.

If a child who has never had rheumatic fever gets a strep infection, immediate treatment is required because rheumatic fever usually doesn't follow when treatment is prompt and complete.

With the late fall season, strep throats are on the rise in Texas. Dr. Henry A. Hollie, com-missioner of health, asks that parents watch for these signs which may be an early warn-ing of a strep throat condition in your child.

A sudden sore throat or pain in the throat when a child swallows; pain when you press under the angle of the jaw;

swollen glands; fever, usually between 101 and 104 degrees.

Also, the child may have a headache or experience nau-sea; and be especially watch-ful if the child has been expo-sed to anyone who has had scarlet fever or a sore throat. Call your doctor if any of these symptoms are present.

Garden Club Has Luncheon Meeting In Patterson Home

Marking the last meeting of this club year, Lockney Garden Club enjoyed a luncheon at the home of Mrs. Roy Patterson Friday, November 2.

Tables were attractively decorated with bronze chrysanthemums and colored leaves arranged in and around ceramic turkeys.

Mrs. Laura Mae Terrell, an elementary teacher at Hillcrest school, Plainview, and sister of Mrs. Dale Laceywell, showed pictures and talked of her trip to Alaska last summer. Other guests were Mrs. Martha Griffith, Plainview and Mrs. Carl McAdams, Lockney.

Hostesses for the delightful occasion were: Mmes. T. V. Rankin Sr., T. J. Word, Harmon Handley, N. E. Greer, H. B. Coggins and R. E. Patterson. Other members present were: Mmes. Arthur Barker, Henry Ford, J. Fie Griffith, Theo Griffith, L. M. Honea, Dale Laceywell, Ruby Merrick, T. B. Mitchell, Alex. Norris, E. M. Quebe, Frank Roberson, Kelton Shaw, R. W. Smith and A. O. Wines.

Meetings will be resumed in February. Anyone who thinks he's indispensable should try sticking his finger in a bowl of water and noticing the hole it leaves when he takes it out.

GO TO CHURCH SUNDAY.

Former Lockney Girl Weds At Hart

Mr. and Mrs. Bobby Weston Murdock who were married recently in a double ring service performed in the First Baptist Church at Hart, are now making their home in Plainview. The bride is employed at the Credit Bureau, and Mr. Murdock is with Eaton Stationery Co.

Mrs. Murdock is the former Wanda Jo Felder, daughter of Mr. and Mrs. W. H. Felder Sr., of Hart and Mr. Murdock is the son of Mr. and Mrs. R. L. Murdock of Littlefield. The Felders were residents of Lockney before moving to Hart a number of years ago.

Marriage vows were recited at 7:30 o'clock Saturday evening, October 20, directed by Bob Ware of Canyon, Church of Christ minister, who read the double ring service.

Given in marriage by her father, the bride wore an original gown of white lace and tulle, touched with accents of iridescent sequins and pearls. Her tiered veil was attached to a coronet headpiece and she carried a triangular bouquet of stock and cattleya orchids.

Mrs. Jack Godfrey of Hart was matron of honor for her sister. She wore a princess style dress of aqua velvet, matching gauntlets, and carried a crescent design bouquet of bronze doty mums and pompoms accented with fall leaves and wheat sprays.

Bridesmaids were Mrs. Jean Palmer of Waxahatchie, Miss Martha Peckham of Plainview, Miss Olyada Bowden of Abilene, Miss Boyce Lynn Pycant of Waco, Mrs. W. H. Felder, Jr., of Plainview, Miss Ruth Smitherman of Lubbock and Mrs. Jo Ed Carson of Lubbock.

The bride's attendants wore princess style waltz length dresses in shades of aqua, gold, brown and avocado velvet. All wore matching gauntlets and carried bouquets similar to the matron of honor's. All the bouquets were showered with bronze tulleman ribbons.

Daria Ann Felder, Plainview, was flower girl, her dress was of deep rose velvet and she carried a gold basket filled with bronze doty mums.

Groomsmen were Johnny Latimer of Littlefield, Joe Giddens, Canyon, Larry Kenimer and Jeff Pate, Littlefield, Kippy Cutsbaw and Jeff Brantley, Lubbock and Bill Fore, Abilene.

Ushers were Larry Peckham and W. H. Felder, Jr., of Plainview, Jack Godfrey and Gayland Anderson of Hart.

Kenneth Griffin of Littlefield was best man, and Mike Godfrey, Hart, was ring bearer.

Candlelighters were Glenn Ray Anderson, cousin of the bride, and Gerald Dale Felder, brother of the bride.

The bride's mother wore a pink lace dress with matching hat and gloves, wedgewood blue slippers and her corsage was a white cymbidium orchid.

Birthday Party At Kindergarten

Friday morning Brenda Wisdom, daughter of Mr. and Mrs. Bill Wisdom, and Pat Jester, daughter of Mr. and Mrs. A. J. Jester, celebrated birthdays at Mother Goose School. Brenda is five and Pat is six years of age.

Pictures were taken of the honorees blowing out the candles on their large birthday cakes, each decorated with a doll. One was pink and the other yellow. Ice cream was served with the cake. Balloons were given as favors. Two dollars were collected for the polio tank making a total of \$8.50 in birthday pennies since the beginning of school.

Enjoying the occasion with the honorees were Bruce Bacon, Carolyn Byrd, Monty Cook, Glenda Cooper, Anly Duvall, Freddie Elliott, Shawna Gilly.

The bridegroom's mother wore a dress of turquoise blue with pink hat and gloves, and other accessories in black. She also wore a white orchid corsage.

Altar decorations for the ceremony featured an arch covered with bronze salal accented with fall oak leaves, and candelabra, decorated with the leaves and sala holding old ivory tapers. Twin baskets of yellow gladioli with bronze ball-type mums and bronze salal foliage completed the arrangement.

Mrs. Weldon Davis, organist, and Mr. Davis, soloist, presented the nuptial music.

Reception in the Home
 A wedding reception was held in the home of Mr. and Mrs. W. H. Felder, Sr., where they assisted the newlyweds in receiving, with Mr. and Mrs. R. L. Murdock, Mrs. Jack Godfrey and Kenneth Griffin also in the receiving line.

A cutwork linen cloth covered the bride's table, centered with the tiered wedding cake decorated in accents of yellow and green. Silver candelabra flanked the cake, and the silver service and crystal appointments completed the table. Baskets of yellow gladioli and bronze mums were used in the reception rooms.

Miss Janie Swindle served the cake and Miss Beth Lewis poured punch. Mrs. Elsie Peckham, aunt of the bride, presided at the silver coffee service.

For a wedding trip to Dallas, Mrs. Murdock traveled in a princess style dress of deep blue, white accessories, and her goingaway corsage was a white yellow throated cattleya orchid.

The couple is now at home at 2003 West 13th, Plainview. Mrs. Murdock attended Lockney Grade School and is a graduate of Hart High School. Mr. Murdock graduated from Littlefield High School.

Gary Mangold, Cathie McDonald, Debbie Miller, Johnny D. Patterson, Cindy Rankin, Darlene Reed, Susan Simmons, Rickey Starkey, Kathy Thornton, Lavenia Wilson, Kay Willey, Steven and Joey Wisdom, and teacher, Mrs. Derrell Wood.

HOT WATER USEFUL OUTDOORS TOO

Awnings, screens, and blinds should be washed at the end of the season, and put away clean. Spread them flat, preferably outdoors, scrub with hot soap or detergent suds, and rinse. If you can make a hose connection, with hot water from the house the job will be easier.

Davis soon afterward by the same cause. At that the Longhorns fought hard for the first half with the halftime score standing 6-0 in favor of Spur, their only score being the one given them by the fumble. But the bad breaks were just too much for the Longhorns and the fired-up Bulldogs scored three times in the second half to pull away.

The loss left District 2-AA standings in a jumble with Abernathy, Spur and Lockney all having lost one game each. Any one of the three teams now stand a chance to represent the district.

The Longhorns offense started good several times but was stopped by a fumble or some other bad break. Quarterback Gene Handley made one touch-down on a punt return and Halfback Jerry Williams made the other on a double reverse but the penalties nullified both of course. At other times the Longhorns drove into Spur territory but never made it.

The highly touted Longhorn defense held its own during the first half but wasn't as good in the second half. Nevertheless the outstanding defensive play of the Longhorn line-backers, John Hanst and Bill Musser, must have made an impression on the Bulldogs. One or both of these boys were in on nearly every tackle.

Here's the way the game came off:

The Longhorns won the toss and chose to receive. The kick-off went over the goal line into the end zone and Cliff Hardy touched it, giving the Longhorns the ball on the 20 yard line. In the first play from scrimmage, the Longhorns lined up in a spread formation with Hardy five yards back of the ball center and Quarterback Gene Handley in a wing position. The snap from center was high and bounced off Hardy's hands back toward the Lockney goal line. A Spur player grabbed the ball on the 2 yard line and it was Spur's ball at that point. Dwain Green punched over for the touch-down on the first play. He tried to run the point but Fullback Bill Race stopped him and the score was 6-0.

The Longhorns received a gain, and again took the ball on the 20. They drove for a first down on the 32, failed to gain enough on the next series and kicked to Spur's 35. The Bulldogs also failed to gain and kicked to Lockney's 27. The Longhorns made a first down on the 40, made 9 in three plays but chose to kick on

fourth down and it was killed on the Spur 14. The Bulldogs made a first down on the 29, series and Tackle Johnny Hanst broke through to block the Longhorns kick with the Longhorns taking the ball on the Spur 28. A pass was incomplete and then Williams, on a double reverse, ran over for the score. However the play was nullified by a 15-yard penalty against the Longhorns for illegal use of hands. A fumble on the next play lost 12 yards and the Longhorns kicked to Spur's 33.

Hanst broke through to drop the ball carrier for a 3 yard loss but the Bulldogs made 9 on the next play and then a first down on the Longhorns 46. They couldn't go further and kicked to Lockney's 28. Handley, on an option play, went to the 39 for a first down and Halfback Artie Finner drove to the Spur 44 for another first. A fumble at this point gave Spur the ball on their own 42. They drove for first downs on the Lockney 39, another on the Lockney 10 and then came a break for the Longhorns. The Bulldogs made 5 and on the next play the ball carrier broke into the clear and went over the goal but dropped the ball just before crossing the goal line. The ball rolled across the end zone and off the field, the officials ruling that in this case it was Lockney's ball on the 20. The Longhorns made a first down on the 35, another on the 47, a pass from Handley to Donald Farish was good for a first down on the Spur 40, but they lost the ball on the Spur 36. The Bulldogs couldn't gain and kicked on fourth down. Handley took the ball about his own 40 yard line, faked a hand off to Williams and then, behind some excellent blocking, went down the sideline for the score. However an offside penalty against the Longhorns again nullified the score, and the penalty gave the Bulldogs a first down. They made successive first downs on the Lockney 36, on the 19 but here a 15 yard penalty and a 10 yard loss set them back as the half time gun sounded.

The Bulldogs chose to receive the kick off, coming out to their own 39. They started a drive, making first downs on the Lockney 39, and the Lockney 7 with Gabriel driving over for the score from the one. The try for point was no good and the score was 12-0.

The Longhorns returned the kick to the 23, lost 11 on the first play and then kicked to Spur's 49. The Bulldogs were

set back by a 15-yard penalty and kicked to Lockney's 20. The Longhorns wound up with minus 4 yards in three plays and the kick was blocked with Spur taking the ball on the Lockney 18. They drew a 15 yard penalty but a pass was completed to the 5 and Ray Powell scored on the next play. The point was kicked and the score was 19-0.

The Longhorns returned the kick off to their own 34. They went into a spread formation, making first downs on their own 44 and the Spur 44 but a fumble at this point gave Spur the ball on the Lockney 49. The Bulldogs made first downs on the 39, on the 24, drew another 15 yard penalty but completed a pass to the 5 and scored a

gain on the next play. The kick was good and the score was 26-0.

The kick went to Hanst who returned it to the 50. The Longhorns made first downs on the Spur 40, and the 29. A penalty gave the Longhorns a first on the 14, but a fumble gave the Bulldogs the ball on the 8. The Bulldogs drove for a first down on the 41, on the Lockney 47, lost 1, drew a 15 yard penalty and then kicked but the Longhorn receiver fumbled giving the Bulldogs the ball on the Lockney 40. They made a first down on the 30 and drove to the 21 as the game ended.
