## Minute Editorials

But why dost thou judge thy brother? or why dost thou set at naught thy brother? for we shall all stand before the judgment seat of Christ. — Romans 14:10.

THE BEACON EDITOR is more sold than ever before on the High Plains Underground Water Conservation District No. 1 after attending the county water fact-finding meeting at Floydada last week. We have seen some of the things that the water district officials are doing and are planning and it makes us believe that the district is very worthwhile. Well-spacing is something that is very beneficial and profitable to the farmer. It appears to us from information gathered at the meeting. The district's water-recharge program is going to be very beneficial, especially if it can be made a part of the ASC program. The district officials' through study of the underground water resources is enlightening and valuable. We're glad that Floyd County saw fit to join in this movement to conserve the underground water on the high plains. It is a movement that deserves the support of all who are truly interested in the future of this great area.

THE BEACON is running a

### NOW HEAR THIS!

It's time to be thinking about and also applying your Fertilizer needs for the coming year. We are again offering turn-key jobs to suit your satisfaction. We handle Liquid Fertilizers, which are Anhydrous Ammonia (82%), Nitrogen and Phosphoric Acid (52%) Phosphate. We can give you any Formula for your cotton land that will give you as much Nitrogen and Phosphate as are required, and these can be applied either one or both. Phosphate is a vital necessity to early root growth. These Fertilizers are readily available. We would be glad to talk over your needs with you and also put you on our waiting list.

series of articles on the political scandals of Duval County, along with background and details of what brought about the condition where one man could control the politics of an entire county. Since this series of articles have never appeared previously in any newspaper we think you will find them enlightening and informative. They probably will give you some inside information concerning conditions in Duval County. You will find that one of the conditions which bred the scandals was that of failure to publish any kind of public record in newspapers. The publication of financial statements was unheard of in Duval County. For that reason the general public never knew what was going on or where their money was going. Keeping the public informed as to the spending of public monies is the duty of every public official, regardless of position. The people have a right to know where their money is going.

THE MARCH OF DIMES drive in this part of Floyd County is getting underway. Some people have the idea that because of the widespread use of the Salk vaccine, the polio problem has been solved and there is no more need for funds, but this is not true. For probably 15 years poliomyelitis has appeared in epidemic proportions in this country. At the start of the epidemics there was no such thing as polio insurance. The National Foundation for Infantile Paralysis still has the enormous task of providing care for ten of thousands who have been crippled by this dread disease and have no other source to look to for treatment. The Foundation is also carrying on an intensive research program to improve the vaccine and find new ways to fight polio. Those who are victims of the disease and will remain so the rest of their lives will appreciate your contributions to the March of Dimes campaign.

LOCKNEY stands 7th in bank deposits among the smaller towns of the South Plains, according to press reports. For cities under 5,000 population, the rank is in this order: Muleshoe \$7,786,748; Floydada \$7,393,689; Tahoka \$6,184,338; Hale Center \$6,157,271; Lorenzo \$5,528,950; Post \$5,498,863; Lockney \$5,442,492; Seminole \$5,405,071; Olton \$5,296,509; Denver City \$4,970,981; Slaton \$4,891,558; Ralls \$4,827,772; Abernathy \$4,779,960; Spur \$4,532,571.

WE HOPE the Legislature will look with favor upon the proposed bill to require a run-off between top candidates in special elections for U. S. Senator and congressman-at-large. It is the only way the majority will be able to select the office holder.

CONGRATULATIONS to Representative Leroy Saul of Kress upon his assignment as chairman of the important conservation and reclamation committee, which handles all water legislation. Mr. Saul was also named vice-chairman of the important Rules Committee and holds several other committee posts. Mr. Saul is apparently doing a good job for this district in the legislature.

## THE AMERICAN WAY

To "Give" One Group Anything, Government Must First Take It Away From Others

### With Our EXCHANGES

#### KEEP A MILE TO KEEP AN INCH

For reasons which we can not fully fathom, U. S. Senator Majority Leader Johnson of Texas appears to have tossed in the sponge in the fight to preserve the Senate's traditional rule of unlimited debate. He has announced he will join with Senator Knowland, the Republican minority leader in the Senate, in sponsoring a rules change which would enable debate on any issue to be shut off by vote of two-thirds of the members present and voting, instead of the two-thirds of the entire membership now required.

Mr. Johnson calls this a "middle ground" method of halting the continuing assault upon the unlimited debate rule, but it would have the effect of cutting much if not all the ground from beneath the South's principal defense against legislation repugnant to its traditions and customs. Apparently such a compromise would be the senator's idea of yielding something to avoid yielding everything. But it is hard to see what would be left if his proposal is adopted. It could turn out to be — in the senator's own words in the recent Senate debate on the issue — too high a price to pay "in terms of sacrificing traditional protection for freedom."

Unlimited Senate debate — or filibustering, as it commonly is called — long has been viewed as a legitimate defense against majority tyranny and as a principal protection of the rights of the states. Senator Robert La Follette Sr., a consistent and respected liberal, regarded free and unlimited debate as the Senate's great weapon against wrong and oppression, and said restriction of

that right would be a grievous blow to liberty. Vice President Adlai Stevenson, the grandfather of the Democratic presidential standard-bearer of 1952 and 1956, said the Senate rule of unrestricted debate has "a value which can not be measured by words."

Democratic Senator Russell of Georgia echoed these words with approval in the recent Senate debate which ended in the retention of the long-standing rule. Against the judgment of such men as these must be measured the Johnson decision now to weaken and impair the rule.

Senator Johnson may view compromise as a strategic necessity. But he should beware of a compromise which will be used uncompromisingly to promote objectives damaging to the South and to democratic principles of government. — Fort Worth Star Telegram.

### BETTER GET BUSY

A historical fact is that the higher the kite flies "back east," the more official Washington and big business talks of great prosperity the tougher it gets in the southwest. So a business concern and the community of which it is a part will have to put out more effort in 1957 than it did in 1956 to keep up its part of the common welfare. Mostly this calls for planning. We know now that the seasons are going to move along as the calendar clicks off the days. There will be another spring, another Thanksgiving and Christmas. And people are going to go somewhere. And we are going to have better stores, more appealing merchandise, more aptly shown? A better newspaper or hardware store to help in the appeal for the public's interest? If so, what is the plan? How are we going to manage it? How will we hold, and increase the traffic into our doors? — Floyd County Hesperian.

### CROSS ROADS REPORT

Dear Editor:

I see where several congressmen are sort of hesitating about giving President Ike the authority to take part in any fights which might start up in the Middle East.

Seems like this might be a good idea, though. You take, in these atomic days, if a good scrimmage was to open up somewhere, it's liable to be all over before we could get in on it. If we had to wait for congress to unwind.

Maybe the objecting lawmakers figure that to let one man decide when we go on the warpath — even if he is President — is not the Democratic way. Especially when he is a Republican.

D. E. SCOTT  
CROSSROADS, U. S. A.

## Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

January 20, 1927

Two of the biggest contracts for railroad construction in the United States in the last 20 years were signed Monday in Fort Worth for more than 200 miles of new South Plains extensions. Sixteen hundred men were preparing for work that will begin next week. The two agreements call for an expenditure of \$3,000,000. One of these will run through Lockney from Childress to Lubbock.

D. E. Cox of Muleshoe has arrived to assume duties as depot agent for the Santa Fe Railway in Lockney.

Dr. R. L. Mewshaw returned home Thursday night after spending several days in Dallas and the Rio Grande Valley.

The Tax Collector's department states that to Tuesday night only 1,300 poll taxes out of a possible 3,500 has been paid. Only 1,000 auto license out of 2,000 have been issued. Only ten more days remain to pay before a 10% penalty is added.

On the Lockney Grade School music memory honor roll this week are Gladys Wilton, Juanita Dobson, Mary Leda McAdams, Alice Stewart, Ola Visage, Jamesah Sullivan, Junita Dagle, Claudine Thornton, Anice Stewart and Raymond Still.

January 19, 1945

James Donald Steele writes the Beacon from China where he works on bomber planes. He has been in China 20 months and expects to be there four more months before being returned to the states.

Reuben McGilvary Jr., writes from someplace near Germany giving an address to which we are to send his Beacon.

Jim Thomas, 50-year-old paroled convict, was convicted for a second time Friday of murdering Dr. Roy E. Hunt of Lit-

field. The body of Mrs. Hunt was found and bound in 1943.

Word was received Thursday of the death of Rev. and Mrs. Land, former Lockney Rev. and Mr. Strickland to Memphis, Tenn. months ago and he has been serving in Van Nuys, Calif. His body was sent for burial Austin for burial. He was a school here and had been years in the school. He is survived by his wife and young son. Rev. and Mrs. Land were two brothers, Bill Still of Hays, and another brother, Bill Strickland of Calif.

Permission has been granted by the Southwestern Power Company to build a voltage electric line in this area. This will provide additional power to the Plainview, Abilene areas. Estimated cost is in excess of \$1,000,000.

Got 5 minutes for fun?

That's all the time it takes to fall in love with Ford's spunkier V-8 power, its smooth as velvet ride, its easier-than-ever-handling

Love at first sight! That's the case with thousands of folks all over America. And why not? Those Ford Custom models are over 14 distinguished feet long. Those Fairlane models over 17 elegant feet long. And those lowers, longer, sleeker lines! No wonder Ford's years-ahead styling sweeps you right off your feet.

But if you aren't sold on looks alone, remember Ford's beauty is more than skin-deep. And a 5-minute Action Test will prove it. Inside you'll find oceans of space to stretch out in. Breath-taking color schemes. Luxurious upholstery. And thanks to new "Inner Ford!"

advances, you'll discover the smoothest riding, easiest handling low-priced car ever.

And of course, you'll find new, snappier power to go with Ford's out-of-this-world ride. It's the same exact brand of get-up-and-go that powered the '57 Ford to 458 national and international power-endurance records at Bonneville Salt Flats, Utah. And there's more of this skedaddle right through Ford's entire V-8\* and Six lines. What's more, with a whole host of engineering advances, you can expect traditional Ford economy at its finest.

You bet! 5 minutes in the new kind of Ford and you'll want to drive it home. Why not visit your Ford Dealer's today. You have nothing to lose but your heart.

\*Including a Thunderbird 312 Supercharged V-8 that delivers 300 hp and a 270-hp Thunderbird 312 Super V-8

# In Your Home Stores You're the Boss

... to the stores in other towns  
you're just gravy

YOU rank FIRST around here ... your wants and needs are the blueprint for your home business men when making all of their plans ... YOUR wishes rule their decisions on the kind, quality and prices of the goods and services they offer.

Because YOU are the day-to-day customer who keeps this town's economy going ... the one who MUST be pleased and satisfied.

The MORE you trade with your home merchants, the better they can tell what YOU like and need ... and the better able they will be to offer WHAT YOU WANT WHEN YOU WANT IT.

ON THE OTHER HAND ... in other towns ... you are NOT one of the folks the business people in those towns are most interested in serving.

True, they like to see you coming ... because none of the profit made off you has to be spent helping to run YOUR school, pay YOUR preacher, or contribute to the support of YOUR community.

Which makes your business real gravy to them ... but you are still the customer most likely to get the chipped dish ... not because maybe you live too far away to bring it back ... but because the BEST is for their regular customers who keep the ball bouncing for them.

## Trade where YOUR needs come first

YOU get everything that your money pays for ... merchandise AND a trade-invigorated community live in ... when you buy from your home town merchants ...

## Aiken Y. W. A. Has Travel Program

Frances Haile, president, was in charge when the Young Women's Auxiliary of Aiken Baptist Church met Wednesday. Martha Cryer led in singing a hymn and Mrs. Thurman Thomas, counselor, led in prayer.

Patricia Gray was elected historian and Martha Cryer was elected missions chairman. Other matters of business included organizing a quartet among the girls to furnish music for Sunday services and buying birthday cards to send to missionaries on their birth-

days. A sample of the plates the organization will sell was shown. The plates have a picture of the church on the front and on the back is a brief history. Secret prayer pals were drawn and everyone was urged to subscribe to "The Window of Y. W. A."

"Let's take a trip" was the subject of an impressive program. Martha Cryer told about the mission work among Chinese in San Antonio then the group next traveled with Marjorie Lacy to Polluck, Louisiana, where they learned about agricultural migrants. The third stop was guided by Nancy Tyler telling about the French Americans in Louisiana followed by a trip with Martha Harden to the rescue missions in St. Louis, Missouri.

OFFICE SUPPLIES at The BEACON OFFICE.

## Jones-Wilson Vows Are Exchanged

Miss Carolyn Jones, daughter of Mr. and Mrs. A. S. Jones, Lockney, became the bride of Gail Wilson, son of Mr. and Mrs. Alvin Wilson also of Lockney, Friday morning, January 11 at 11:00 o'clock.

Rev. R. E. Wiley, pastor of the First Baptist Church, officiated for the double ring ceremony performed in the pastor's study of the church. Miss Janis Widener served the bride as maid of honor. She wore a beige lace dress with beige satin trim and brown accessories. Her corsage was white carnations.

Derrell Waldroupe attended the bridegroom as best man. The bride was attractive in a beige suit an original design by Lilli Ann of California and fashioned of imported French fabric. She wore beige accessories and a white orchid corsage. For something old and borrowed the bride wore pearl and rhinestone earrings belonging to Jan Widener. Her wedding attire was new and blue was a garter, a gift from the maid of honor.

After a wedding trip to San Antonio the couple will be at home one mile west of town. For traveling the bride chose a tan two-piece dress with a black duster. She wore white accessories and white orchid corsage.

Mrs. Wilson attended Lockney High School where she was a junior at the time of her marriage. Mr. Wilson graduated from Lockney High in 1956 and is now engaged in farming.

## W. N. Thorntons To Observe Anniversar

Mr. and Mrs. W. N. Thornton who exchanged marriage vows in 1897 will observe their sixtieth wedding anniversary at 1063 El Paso St., Plainview Sunday, January 20. The Thorntons, pioneers of this area, are former residents of Aiken community.

On hand to honor the couple will be their two sons, four daughters, grandchildren and friends. Open house is scheduled from 2 until 5 in the afternoon at the Emmett Thornton home, 1003 El Paso St., Plainview.

The Thorntons' children are Emmett Thornton, Plainview; Joe Thornton, Vigo Park; Mrs. Roma Leavelle and Mrs. Katie Frye, both of Amarillo; Mrs. Mary Williams, Lubbock; and Mrs. Ruby Carroll, Wagon Mound, N. M. There are fifteen grandchildren and ten great grandchildren.

Destiny must have played a part in the lives of Mr. and Mrs. Thornton. Both were born in Johnson County, Texas; both families moved to Mineral Wells and later to the Plains, and the two were schoolmates during parts of their childhood and youth.

Before her marriage Mrs. Thornton was Maude Cope. She was 12 when her parents moved to Briscoe County in 1892. Mr. Thornton came to the Plains in 1891 with his parents, the late Mr. and Mrs. T. J. Thornton. The Copes and the Thorntons were active in organization of Briscoe County in the latter part of 1892.

The settlers homesteaded a section of land each, paying a 50 cents filing fee. They were required to pay \$18 a year interest until they obtained title to the land. Mr. Cope died about a year after his family settled in the new land. Mrs. Cope remained on the homestead section and reared the family.

Times were never easy and the weather often brought about real hardships. About a year after the Cope family settled on the Plains the big snow of 1898 came and with it bitter cold. Many cattle froze, others drifted with the blizzard winds and were never found.

## VISITS MOTHER

Pat Woodburn of Fort Morgan, Colorado, spent from Thursday of last week until Monday morning with his mother, Mrs. Lula Woodburn. He is employed with an oil company.

Only 1.10 of the area of China is arable, but 4-5 of Chinese men till the soil.

It was several years after the Thorntons and the Copes settled at Milo in Briscoe County before a one-room school building was built. The boy and girl who soon will observe 60 years of wedded companionship were school day sweethearts at Milo. Mrs. Thornton attended Claude schools, later being taught one year by Laura V. Hamner, now of Amarillo.

Mr. and Mrs. Thornton were married January 20, 1879 at her parents home. They moved to a place now known as Claude's crossing in Briscoe County where they resided until 1905 when they moved to Aiken community. Mr. Thornton traded 42 head of cattle for 160 acres of land. The couple reared their family there and resided on the place until 1929 when they moved to Plainview.

Mr. Thornton is a brother to Pete Thornton, Burton Thornton and Mrs. Tom Cope of Lockney, Ed Thornton of Floydada, Budley Thornton, Crosbyton, Mrs. C. K. Bennett of Clovis and Mrs. Dott Cope, Plainview.

## Darlene Reed Has Birthday Party

Darlene Reed celebrated her sixth birthday with a party at Mother Goose School Friday, January 11. She is the youngest daughter of Mr. and Mrs. Connie Reed.

Mrs. Reed served ice-cream with a large chocolate cake topped with bright colored candies. Forty-eight pennies were

brought for the polio bank. Favors were miniature cars. Students in school that day and enjoying the party were Bruce Baccus, Carolyn Byrd, Glenda Cooper, Andy Duvall, Freddie Elliott, Shawna Gilly, Johnny Hodel, Gary Mangold, Debbie Miller, Susan Simmons, Rickey Starkey, Kathy Thornton, Lavinia Wilson, Brenda Wilson, the honoree and teacher, Mrs. Derrell Wood.

## Tea Compliments Recent Bride

Mrs. Larry Christian, the former Miss Laverne Word, was complimented with a tea Friday, January 11 from 2 to 4 o'clock in the afternoon at the home of Mrs. D. J. Phillips, Lone Star community. Mrs. Phillips met the guests and presented them to the honoree and her mother, Mrs. Tom Word.

The beautifully appointed dining table carried out the colors of brown and gold as did other decorations about the entertaining room. Covered with a yellow linen cloth the table was centered with a winter bouquet of metallic brown and gold. Brown satin streamers extending from the centerpiece were lettered in gold naming the newly weds, Laverne and Larry. The crystal punch bowl was surrounded with fern and yellow flowers with brown centers.

Alternating at the serving table were Mrs. O. T. Billington, Mrs. J. T. Griffin, Mrs. M. A. Martin and Mrs. G. B. Johnston Jr.

Mrs. Hubert Frizzell secured names for the register and Mrs. Bobby Tiner was in the gift room.

Hostesses were Meses. J. T. Griffin, M. A. Martin, G. B. Johnston Sr., G. B. Johnston Jr., Bob Merrell, Jewell Rexrode, Donald Johnson, O. T. Billington, I. O. Graves, Hubert Frizzell, B. R. Phillips, W. D. Nance, Bob Tiner and D. J. Phillips.

GO TO CHURCH SUNDAY.

**Tech Band At  
 Inaugural Tues.**

Lubbock. — One hundred and one members of Texas Tech's Red Raider Band went to Austin Tuesday as the official musical organization for the inauguration of Governor-elect Price Daniel. Jerry Holt of Lockney is a member of the band and made the trip.

The Tech Band left Lubbock Monday afternoon and arrived in Austin that night, Prof. D. O. Wiley reports.

Tuesday they led the inaugural parade up Congress Avenue to the Capital and played a short concert prior to the ceremonies.

Opening of the inauguration was heralded by a fanfare from the Tech music group. The Band also played "The Eyes of Texas" and the "Star Spangled Banner" as soon as the governor had taken the oath of office.

With practically all U. S. citizens now in the mood for shorter work weeks, more holidays and longer coffee breaks, he thinks it will be a fine thing to import some people who have not been vaccinated against work.

D. E. SCOTT  
 Crossroads, U. S. A.

14 tons of peat must be excavated, 12 tons of water evaporated from it, to produce 2 tons of fuel, which has heating equivalent of 1 ton of coal.

**County Libraries  
 Now Have 6,546  
 Books On Hand**

Floydada. — With a total of 6,546 books now on the shelves of the Floyd County Public Library here and its branch library in Lockney, 21,879 books have been checked out during the year, according to a report by Mrs. Lee Gollightly, librarian. A check revealed 15,599 books had gone out from the local library, while the Lockney branch issued 6,280, according to Mrs. H. H. Mills, who is in charge of the Lockney branch. Approximately 1,000 books were delivered to shut-ins this year by the Books on Bikes Club, a free service organization composed of twelve 7th and 8th grade students.

Mrs. Gollightly reports that \$8,426.50 was taken in by the library during the year from taxes, gifts, fines and other sources. Books given in memoriam accounted for \$678, while \$154 was received in donations.

Mrs. Hershel Carthel of Lockney, hold-over member of the library board, was recently named chairman of the organization for the coming year. Newly named directors are Mrs. Murray Julian of South Plains, Kenneth Wofford of Lockney, and Mrs. Kinder Farris of Floydada, who has been filling the unexpired term of Mrs. J. M. Willson Jr. Mrs. Farris will serve the library board as secretary.

Hold-over directors include Mrs. H. F. Jackson, Sandhill; A. H. Kreis, Dougherty; Mrs. Ted Oliver, Lockney; and Cecil L. Hagood, Floydada. Mrs. T. L. Holland Jr. replaces Mrs. Garland Foster as assistant librarian in the Floydada library.

**FOR THE GREEN  
 THUMB EXPERTS**  
 The primary killers of house plants besides fumes and dust are insufficient light, improper watering, insects and dry air. Extreme cold water also is a shock to plants. Plants need water but use lukewarm water instead. Soapy warm water is very effective against plant lice.

**Jones Named VP  
 Of Farm Bureau**

Floydada. — Dorris Jones has been named vice president of the board of directors of the Floyd County Farm Bureau to serve the unexpired term of Glenn White, who recently tendered his resignation because he will be out of the county much of the year.

Jones, with a group of Floyd County Farm Bureau representatives, attended the drouth meet held in Lamesa Thursday. Others attending were S. J. McIntosh, Dougherty; Sam Puckett of the local bureau office; L. B. Brandes, Joe Foster, and Ewald Quebe, all of Lockney.

At a meeting of directors held Thursday night at the bureau office, plans were made for sending representatives to the one-day clinic to be held by the state bureau in Lubbock on Jan. 16, and for launching the county's membership drive on Monday, Feb. 18. A quota of 675 has been set for the county, while the average membership for the past year has been 629, according to figures released by W. R. Puckett, manager of the local office.

A group of Floyd County Farm Bureau officials is expected to attend the statewide meeting of presidents, vice presidents, and membership chairmen, in Dallas, Feb. 12, in preparation for launching the county drive, Puckett reports.

**Stovall Named To  
 Board Of Regents**

Floydada. — Richard F. Stovall, Floydada attorney and educator, was appointed Wednesday by Gov. Allan Shivers to serve on the board of regents for Texas State Teachers Colleges.

His appointment was made by telephone conversation with the governor and became effective immediately. Stovall said he considered the appointment an honor and would be happy to serve because of his interest in education.

The new board member has been a resident of Floyd County the past 37 years and is a graduate of Floydada High School. He attended the University of Texas and is a former farmer and school teacher. At one time he was principal of the Andrews Ward School in Floydada.

Stovall has practiced law since 1938 and was district attorney from 1943 to 1947. In 1946 he served as president of the District and County Attorney Assn. of Texas and at present is director of the State Bar of Texas for the 19th Congressional District.

GO TO CHURCH SUNDAY.

**CITATION BY PUBLICATION  
 THE STATE OF TEXAS  
 TO: TILLMAN GEORGE  
 ROUSE, GREETING:**

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 4th day of February, A. D. 1957, at or before 10 o'clock A. M. before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's petition was filed on the 19th day of December, 1956.

The file number of said suit being No. 4322.

The names of the parties in said suit are: Mary Rouse as Plaintiff, and George Tillman Rouse as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce and restoration of former married name of Huseman, plaintiff alleging that defendant has been guilty of cruelty and excesses toward plaintiff of such nature as to render their further living together insupportable and as to entitle her to a divorce.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 19th day of December, A. D. 1956.

Given under my hand and seal of said Court, at office in

a bill now before the Legislature is passed. That bill is a flexible rating law for casualty (including automobile insurance).

Many economically-operated insurance companies are in a position to charge rates substantially lower than those of companies with more expensive types of operation.

Thus, it will mean that the insurance buyer can shop around and get the best buy for his insurance dollar—something he cannot now do.

More importantly, it will mean that the careful drivers will no longer have to subsidize the careless driver.

**18.17 miles per gallon  
 on North America's  
 toughest truck run!**

That's the gas mileage reported by the Cameo Carrier after covering the entire length of the Alcan Highway in less than 45 hours! All six new Task-Force trucks that made the run turned in top scores for performance and economy!

Supervised and certified by the AAA.

**New Task-Force 57 Chevrolet Trucks**

Six heavily loaded Chevy trucks ran all the way up the rugged Alcan Highway in less than 45 hours! That's cutting more than a full day off the normal running time! They ran right around the clock, stopping only to refuel.

But the important fact about this run was that it proved new Chevy trucks through and through. The Alcan Highway is a supreme test of every truck component. Engines had to

prove their power up high-climbing grades and through washouts. Frames and suspensions flexed their muscles over axle-deep ruts and miles of pounding gravel. "And not a single truck turned back or dropped out due to mechanical failure," states the official AAA report of the test. Every model proved its over-all economy by its ironclad ability to stay on the job! Stop by; we'll talk about it.

Choose your model from among Chevrolet's famous economy-proved Alcan Champs! Short-stroke V8's are standard in all heavyweight truck models and in many of the middleweights. They're loaded with modern features and built to take it!

**Proved on the Alcan Highway  
 Champs of every weight class!**

### Start Work On Research Farm

Preparation for the 1957 crop year got under way at the High Plains Station of the Texas Research Foundation at Halfway last week. Clearing away old fences and plowing has been started. Construction of a pole shed for equipment for storage is under way. Sponsors of the project were delighted to see this long desired research in operation.

The 310 acre research farm at Halfway was purchased in two separate agreements. Harold Hinn purchased the 157 acre east half of the site and through the Harvest Queen Foundation, has given this acreage to the High Plains Station on a 25 year lease at \$1.00 a year for agricultural research. The purchase of the west half of the station, consisting of 153 acres has been underwritten by Mr. George Green, President of the Green Machinery Co. of Plainview. The purchase price of this land is to be repaid to Mr. Green over the next 5 years by the Texas Research Foundation from funds subscribed to the High Plains Station by farmers and business concerns of the High Plains.

In addition to Dr. T. C. Longnecker, Read and Dr. Johnny Davis, Associate Head, Reuben Cargill, Foreman, and Jesse Reed, Assistant Foreman, are on the job at the station. The office for the High Plains Station will remain at 704 1/2 West 9th Street in Plainview until additional funds are available for the construction of a headquarters building at Halfway.

Pogra means an organized massacre of a group or class. English mailboxes are called pillar posts.

### Henry Aycock Is Named Hereford Chief Of Police

Henry Aycock, son of Mr. and Mrs. G. A. Aycock of Lockney, was recently named Chief of Police at Hereford. He had been serving as assistant chief at Tulla and formerly was a sergeant on the Amarillo police force.

A brother, Don, is a member of the police force in Amarillo. Both are making careers of police work. Their father is also a former peace officer. The elder Mr. Aycock has been in a convalescent home in Amarillo for several months.

### Funeral Services This Morning

Funeral services for B. F. Jarvis of Plainview, uncle of Mrs. A. P. Barker Sr. of Lockney, will be held at 10 a. m. this (Thursday) morning at the First Presbyterian Church in Plainview. Dr. Frank Travis, pastor, will conduct the services. Burial will be in Plainview Memorial Park.

Mr. Jarvis died suddenly early Tuesday morning at his home in Plainview. He was for many years head of the firm of Jarvis-Tull & Co., implement dealers in Plainview.

### Fair Association Plans Meeting

Floyd County Fair Association officers and directors will meet in their "year-end" meeting at the Plains Hotel Coffee Shop in Lockney Thursday evening of this week. The meeting will begin at 7:30 Manager Dick Whiteley said.

A nominating committee will be appointed to nominate officers for the coming year and a site for the annual fair this fall will be selected, Mr. Whiteley said.

### Library News

New Library Board members appointed by the Commissioners Court to fill a three year term are: Mrs. Kinder Farris, Mrs. Murray Julian and Mr. Kenneth Wofford. Mrs. Julian replaces Mrs. L. T. Wool, South Plains; Mr. Wofford follows Mr. Parrish, Lockney. Mrs. Farris has filled the unexpired term of Mrs. Jimmy Willson. We wish to express appreciation for the work and co-operation of the retiring Board members. Reports for the year show a total of \$8,426.50 received by the library through taxes, gifts, memorials, fines and coke machine profits. Book circulation for the year is as follows: Lockney 6,280, Floydada 15,599, with a total of 21,879. Number of books now owned by Floyd County Library is 6500.

To bring our membership files up to date, everyone is being asked to sign a new membership card. If you have not signed one in 1957, be sure and ask for one at the desk. New in the library is "The Bible Atlas" by Dr. Emil G. Kraepling. The most outstanding publication in its field, the Rand McNally Bible Atlas is an indispensable companion volume to the Bible. It contains more than 400 pages of completely new, exceptionally beautiful maps, authentic and highly interesting text and the finest photographs and illustrations available.

### DIXIE LUNCHEON DISH

Achieve a tasty facsimile of a favorite Southern Delight next time you have some left-over ham. Cut the ham in bite-size pieces (or small slices) and add it to a can of condensed cream of tomato soup to which 1/4 cup of milk has been added. Warm gently, using the top burner heat control, and pour over squares of hot corn bread that have been split and buttered. Mushroom soup can be substituted for the chicken, if you prefer.

### Mrs. Alvin Huskey Buried At Amarillo

Mrs. Alvin Huskey, 54, of Weatherford passed away in a Dallas hospital Thursday night January 10. Mrs. Huskey is a former resident of Lockney, having lived here during the 1930s before moving to Weatherford. She is a sister of Carl Russell, Floydada, former Lockney resident, and an aunt to Mrs. C. D. McCandless, Lockney.

Funeral services were held in Amarillo Saturday. Attending from here were Mr. and Mrs. C. D. McCandless and Mr. and Mrs. Clarence Messimer. Survivors include a daughter, Mrs. E. V. McDowell, Phoenix, Ariz., and a son, Fred Huskey of Lubbock.

### B&PW Club Sponsor Mothers Polio March

Lockney Business & Professional Women's Club will sponsor the annual Mothers March of Dimes Thursday, January 31.

The public is urged to keep this date in mind and turn on their porch lights if they will make a donation for the fight against polio.

### Tech Professor To Teach Art Here

Dr. Randall, head of the Art department at Texas Technological College, Lubbock, will start an extension course in "Elementary Art for Teachers" here next Tuesday. The class will meet each Tuesday from 3:45 to 6:45 at the grade school and credit may be taken on graduate or undergraduate work, according to Mrs. J. D. Copeland. Three hours credit may be obtained for taking the course.

Those wishing to take the course may secure information from Mrs. Copeland or be present when the class meets.

DRIVE SAFELY — Caution plus courtesy, plus common sense, equals safety.

### PLAN WEDDING

Mr. and Mrs. J. C. White of Plainview, announce the engagement and forthcoming marriage of their daughter, Carolyn, and Don Ray Pope of Midland, son of Mr. and Mrs. C. T. Pope, Route 2, Lockney. Dr. Harlan Harris will officiate at the wedding on February 23, at 7:30 o'clock in the evening, in the chapel of the First Baptist Church, Plainview.

Miss White is employed in the tax collector's office. Mr. Pope, a graduate of a law school, is with the land office of the Highway Department.

Wyoming granted refuge in 1909. The alligator is the reptile in the U. S.

### Grain Sorghum Producers Are Matching Price

ear that the price support on sorghums may be set as \$1.31 per hundredweight the next three years in the bill now being prepared Congress has stirred members of the Grain Sorghum Producers Association to new activity in Floyd County.

Thursday evening at the school auditorium here, elected officers and made plans to start a new campaign to raise money to wage their fight for better price supports. An area wide association, by sending representatives to Washington last year, was able to raise the price support to 16 or 18 cents per hundredweight which meant thousands of dollars additional revenue for Floyd County farmers. They hope to also influence the legislation now being prepared for the new farm program.

Wald Quebe, president of county organization, called a meeting to order and the speaker heard a talk by Frank Re, prominent Hale County farmer, who told of the benefits of the organization and that it had been able to accomplish. He also explained to the "Plainview Non-Aligned Farm Plan," and the plan voted to approve the plan. It calls for no crop alternatives but a layout of a 50 percent of cropland a year and has other provisions relating to basic crops and land.

Officers re-elected at the meeting were Ewald Quebe, president; Tom Porter, vice-president; R. C. Mitchell, secretary; Forrest Micklegate to the area association; John Key West, alternate. Part of the program was devoted for rebroadcast over KSEL at Lubbock. **Station Directors Named**  
Two elected at the meeting were Floyd County directors of the Plains Cotton Growers Association. They were Joe and Lester Carter. The men will represent Floyd County in affairs of the area organization with headquarters at Lubbock.

### Mrs. Neeley Is Buried Tuesday

Mrs. Margaret Scott Neeley, would have been 90 years on May 1 of this year, passed Sunday morning at 9 o'clock at the home of niece and nephew, Neil and Ma Scott, with whom she had her home. She had been in poor health for some time. Funeral services were held at Carter Funeral Chapel here at 3 p. m. Rev. H. B. B. local Methodist pastor, officiated and interment was in Lockney Cemetery beside grave of her husband, W. Neeley, who passed away in 1948.

Mrs. Neeley was born in Clay County, Tennessee, on May 1, 1867, and was reared in Texas. She came to Texas in 1902 and was married to W. C. Neeley at McAadoo in 1926. He lived at Crosbyton for a number of years but moved to Lockney where she had made her home. She was a member of the Presbyterian Church. Survivors include her nephew, Neil and Murray Scott of Clay County, Ernest Scott of Plainview, Grady Scott of Hasbrouck, Miss Emma Scott, Fate Traylor, Mrs. J. C. N. Sr., all of Lockney, Mrs. L. Summers of Crosbyton. Her Funeral Home of new was in charge of arrangements. Burialbearers were O. V. Pyburn, Frank Perkins, A. S. Jones, Ginn, H. B. Sparkman and C. Cox.

### Injuries In Bus-Truck Crash

one was injured early Tuesday morning when a school bus driven by Goree Appleton of Lone Star crashed into side of a school bus on Highway 598, 3 1/2 miles of Lockney. The school bus, driven by Chandler, was traveling south and made a left turn into the road to pick up the children on the Paul Cooper. Just at that time Mr. Appleton, driving a GMC white, started to pass the bus. front of the pickup rammed under the side of the bus, only minor damage to bus but almost destroying pickup. The bus was able to continue under its own power and students on the bus were not shaken up in the crash. No estimate of the damage was available Wednesday afternoon.

You'll look sweeter in a sweater.

For clinging jerseys, all your sports-clothes, it's Warner's stretchable elastic bra that shapes naturally lovely curves. No. 1045 with soft nylon embroidered sheer cups. In white or black. A. B. C.
