Longhorns Play First Home Game Against Dimmitt
Lockney Longhorns will play their second victory of the season when they host the Dimmitt team at 8 p. m. Friday night at the Mitchell-Zimmerman Field.
Dimmitt, 44-0 victor over the Longhorns last Friday, is picked as one of the favorites to win the district 1-AA title and prove to be a tough team for Lockney to beat in the season's initial home game.
The game was played in person or otherwise quiet while the game was in progress.

REV. LEROY SMITH

Revival Begins Sunday Morning At Local Church

A revival meeting will begin next Sunday morning at the First Baptist Church here. Preaching during the meeting will be Rev. Leroy Smith, a former resident of this area and former member of the church. He is now associate executive secretary of the Colorado Baptist General Convention and has been an active evangelist for the past nine years.
Pre-revival preparations are under the direction of Horton Howell. A religious census is being made by members of the church as a part of these preparations.
Services will be held at 10 a. m. and 7:30 p. m. with prayer meetings preceding the evening services at 7 o'clock.
The revival will continue for two weeks closing on Sunday, Sept. 29th. Rev. Smith will be here for all services through the three Sundays.

Local Schools Enrollment Near 1,000 Mark

Enrollment in the local schools neared the 1,000 mark this week with 997 reported to Wednesday morning. Increases were noted in the colored school where 70 are now enrolled as compared to 56 last week, and in the grade school where the enrollment stands at 479 as compared to 469 last week. The junior high school has a slight increase with enrollment now at 204 compared to 200 last week.
The high school enrollment is off two, dropping from 246 to 244 during the week.
Mrs. Sid Thomas has been employed as a teacher in the high school on a temporary basis. Mrs. Thomas will teach Speech and English I and II. Mrs. G. C. Applewhite will teach English III and IV and Journalism. Supt. H. H. Nicholas said this week.

VISIT HERE

Staff Sergeant and Mrs. Nick Ward and baby, Carla, of Shepherd Air Force Base Wichita Falls, spent last week end here visiting her parents, Mr. and Mrs. O. H. Stapp. Also visiting was Miss Mary Ward of Nashville, Tenn.

Denver Firm To Install Lettuce Cooler Here

Mountain Air Coolers, Inc., of Denver, Colo., will definitely install a lettuce pre-cooling plant here within the very near future. The Beacon was told Wednesday, Edward J. Hoskon, representing the company, said that the cooler would be installed near the Lockney Vegetable Growers packing shed on the Santa Fe tracks.
The cooler installation will have a capacity of around 15 tons per day, Mr. Hoskon said. The Association members have some 300 acres of lettuce and there is approximately another 700 acres in this area, it was said.
The lettuce is cooled by creating a vacuum in the cooling tube, thus condensing all moisture within the head. A half-car load can be cooled within 20 to 25 minutes. The tube is also capable of quick cooling cabbage, corn and cauliflower.
Lettuce harvest is expected to start here around Sept. 25 and Mr. Hudson said that he hopes to have the cooling equipment installed by that time but that it may be October 1st before he is ready to operate.

Mrs. Adams Injured In Wreck Friday

Mrs. Leonard Adams suffered cuts about the head, bruises and shock in an auto accident which happened last Friday at the intersection of Highway 70 and Farm Highway 1310 in southwest Lockney. She is still under treatment at the Lockney General Hospital.

The accident happened when a car driven by Mrs. Adams' daughter, Mrs. Eugene Tannahill and one driven by E. R. Harris collided. Harris was coming north across the highway and Mrs. Tannahill was driving west approaching the highway. The Tannahill car struck the Harris car just back of the front wheels.

Harris suffered a slight blow on the temple but was not hospitalized. No one else was injured. A small child was in the Adams car.

Highway Patrolman Marion Cole, Plainview and City Officer Lowell Hibrey of Lockney, investigated the accident.
Both cars were badly damaged.

Conference At Aiken Church Sunday

Rev. Luther Kirk, district superintendent, will preach at the Aiken Methodist Church Sunday morning and conduct the regular quarterly conference during the afternoon. It was announced this week.

A basket lunch will be served at the noon hour.
Everyone is invited to attend these services.

Gospel Singing To Attract Many Area Singers

The big gospel singing, scheduled to start at 7:30 this (Thursday) evening under the big tent on the fair grounds, will attract many outstanding singers and singing groups of this area, Joe Reeves said this week.
The singing is planned as a part of the Floyd County Fair program and is being sponsored by the Fair Association. Mr. Reeves has been asked to direct the affair.

Not only individual singers but trios, quartets and other groups are planning to attend, Mr. Reeves said. Among the well known singers of the area who have indicated they will be present are:
The Campbell Quartet, Lubbock and Levelland.
Pathfinders Quartet, Lubbock.
Littlefield Four, Littlefield.
Lone Star Melody Makers.
Southern Belles, Lubbock.
Tri-State Singers, Amarillo and Clovis.
The Hall Family, Lockney.
Dwight Brock, general manager of Stamps-Baxter Music Co., Dallas.
The Conn Trio, Childress.

In addition to the regular program Mr. Reeves said that there would be a singing contest during the evening's program. Several groups have already entered and others are expected.

Angus Field Day Set For Friday

Another attraction of the Floyd County Fair this year will be the Aberdeen-Angus Field Day, which is scheduled for Friday. The Fair runs Thursday, Friday and Saturday.

The Floyd County Aberdeen-Angus Association is sponsoring the field day and they are inviting the public to attend and enjoy the event with them.

The Association is giving away a half of prime beef at 3:30 p. m. Friday and tickets will be given away all day Friday in the cattle barn at the fair.

Here is the program for the day:
9 a. m. to 12 noon — Beef cattle judging.
1 p. m. to 2 p. m. Finals in beef cattle judging.
2 p. m. to 2:30 p. m. Performance testing by J. P. Smith, manager of Pan-Tech Farms.
2:30 p. m. to 3 p. m. Beef production in irrigated farming.—Daur Sherrill.
3 p. m. to 3:30 p. m. Type demonstration by Roy Sims, beef herdsman at Texas Tech.
3:30 p. m. Drawing for half beef.

Grace Marshall left Thursday to enter M. D. Anderson Hospital in Houston for treatment.

Quarterback Club Will See Films

The Lockney Quarterback Club will meet Tuesday evening at the High School and will see films of both the Hale Center and the Dimmitt game. President Leon Wofford said this week. The meeting will get underway at 7:30 and refreshments will be served.

Wofford said that the Quarterback Club will meet on each Tuesday night following a home game and at that time will see films of both the preceding two games.

The club is financing the filming of all the football games this year as they did last year.

All members of the club as well as others who are interested are invited to attend the meeting Tuesday night.

Urged To Pick Up Reserved Seat Football Tickets

Those who have purchased reserved seat tickets at Mitchell-Zimmerman field are urged to pick them up before Friday night. Supt. H. H. Nicholas said this week. The first home game is Friday night and those who wish to use their reserved seats should have their tickets with them.

People whose names begin with letters A through J will find their tickets at Lockney Drug Company while those whose names begin with K through Z will find their tickets at Byrd Pharmacy.

Admission to all games was set by the District Executive Committee in a meeting Tuesday evening at Slaton. Adults will be charged \$1.00 and students 25 cents.

Mr. and Mrs. Alvin Shackelford and Donnie of San Miguel, California visited Friday with her aunt, Mrs. Johns Cox and family.

Three Planes Crash Within Past Week

Three crashes of spraying planes in this area within the past week have left one injured pilot and much plane damage.

Last Friday morning a Cub plane, piloted by Pete Peattitt, crashed just after taking off about one mile east of town. The pilot was uninjured. The plane belonged to Aerial Sprayers, Inc. The plane burned and was completely destroyed.

The plane, heavily loaded with parathion and DDT, took off from the landing strip at the southeast edge of Lockney, barely cleared the wires along the railroad track and then dropped back to the ground, sliding along for several hundred feet and flipping on its back.

On Saturday a 450 Stearman, belonging to the same company and piloted by Al Honeywell, made a forced landing on the W. O. Whitehead farm in the Irick community. Again the pilot was uninjured but the plane was damaged.

Also early Saturday a spray plane belonging to James Miller Flying Service and piloted by Art Price, crashed on the J. E. Stair farm, northwest of Lockney near the county line. Price suffered a fractured left arm and the plane was demolished. A wing of the plane dug into the ground on a turn as the pilot was momentarily blinded by the sun, reports said.

ALVIN WILSON ILL

Alvin Wilson, a farmer of the Pleasant Valley community, is at home and doing pretty good this week after undergoing treatment at Plainview Hospital and Clinic several days last week. He suffered a series of heart attacks within the past 10 days but his condition is much better at present, members of the family said. He returned home Tuesday.

WELCOME TO THE FAIR!
Floyd County's annual fair begins today and from reports it appears that it will be still bigger and better. One thing we know, the commercial exhibits are going to be bigger and better. We're expecting others to do likewise. We urge everyone to show their appreciation to the fair officials and directors by attending the fair. Besides you'll enjoy seeing all the fine exhibits and it will keep you posted on what's happening in Floyd County. See the fair several times.

THOSE DEAR, SWEET DISGUSTING WIVES

Wives are the most perplexing, disgusting, sweetest, dearest things in the world. They are undoubtedly the most valuable asset a man ever became the property of.

Just what those old boys thought up in Amarillo when their wives put up a squawk about the V. F. W. bar we will never know but, if they think it over carefully, they are bound to agree that maybe the little woman was right — after all. How are the kids going to eat and buy school clothes if the bread winner squanders his pay check in some club bar? How is he going to make the monthly car payments when there is nothing but sugar in the sugar bowl?

Time was when a man could kick in his wife's teeth and go gayly along with his philandering. Today, however, public opinion has swung too far to permit such tactics. Besides, the gals are too smart. They retaliate by calling in the cops!

The modern wife likewise contributes much toward keeping the family life on an even keel. If the husband wants to vacation in the mountains, she prefers the sea shore; if he mentions the coastal region, she invariably holds out for the mountains. The family goes where she says, of course, but it still results in a more balanced situation.

The average wife, while adopting this extra-curricular authority, has managed to hold tightly to that which she already possessed. The family still eats what she dictates and wears the clothes she picks out

for them; mom is also the one who decides when it is necessary to call the doctor. The husband has fairly well hung onto one thing, though, he is the fellow who still empties the trash.

Enscenced in the modern kitchen surrounded with gadgets, today's housewife finds an array of frozen foods and canned delicacies to lighten her husbands tasks. She is a far cry from the pioneer mother, who wiped sun-bleached strands of hair from a sweating brow as she carried water up the hill to the family shack or dugout. Modern womanhood, you might say, has benefited most from all progress in this era of American life, generally considered the world's highest degree of civilization.

Like the instance in Amarillo, where the wives protested the open bar, you generally have to admit that the wife is right. This is especially true after you mull things over, and toss in the fact that she is, in many instances, a co-bread winner for the family. A survey on the Continent recently found European women branding their American counterparts as the "most spoiled women in the history of the world."

Actually, it seems to us that the description might better fit the average American man. — Hereford Brenda.

CIVIL RIGHTS BILL HAS TEETH

Those who are arguing that the recent civil rights bill, as passed by the Senate, contains few significant powers have very often overstated their case. The bill is a revolutionary development in that it is the first civil rights bill passed in the Senate in more than fifty years. The bill is also not as important as some believe.

For example, the bill does seven things: First, it sets up a Civil Rights Commission, which will investigate and expose violations of civil rights and suggest legislation.

Second, the bill will create a new assistant attorney-general, who will head the new Civil Rights Division in the Department of Justice, and take charge of enforcing civil rights.

Third, suits can be filed by this new division (by the Federal Government, in other words) in behalf of persons who were denied the right to vote.

Fourth, an injunction could be issued by a Federal judge, forbidding any interference with voting rights.

Fifth, the Federal judge could imprison a violator, without any jury trial.

Sixth, the judge could order a jury trial if he found someone guilty of disobeying the injunction and guilty of criminal contempt.

Finally, and highly important in some areas, all barriers against Negroes serving on Federal juries would be removed.

In other words, the Civil Rights bill as passed by the Senate is not exactly an empty one. — County Wide News, Littlefield.

Dear Editor:
I see where a New York church was closed up and its doors locked here the other day on account of some of the brethren let their differences run into fist-fighting.

Around here we don't close churches when we don't like the preacher or some so-and-so deacon. We just stay at home on Sunday to show God we don't like the kind of people He runs with.

I guess it's natural for folks to have differences, whether they are in church or in a beer parlor. But you don't find many who stay away from beer just because they disagree with some bartender.

Fertilizer and variety tests on a new Texas crop, soybeans, will come up for inspection by regional farmers on Wednesday, Sept. 18, when the High Plains Station holds its first annual Field Day at Halfway in Hale Center.
"Soybeans will offer promise as an important crop in the farming economy of the region when we learn how to grow them and when we realize how beneficial they are to the physical and chemical properties of the soil," Dr. T. C. Longnecker, Head of the Station, said Tuesday.
"They were grown on a very limited scale in the High Plains of Texas until 1956, approximately 25,000 acres were planted. Many farmers, however, were disappointed in soybeans because of their low yields."
He said the soybean fertilizer tests at the station were being conducted to determine whether the yields could be increased by fertilization.
The first test involved applications of phosphate at the per-acre rate of zero, 40, 80 and 120 pounds, and nitrogen at the per-acre rates of zero and 40 pounds. Both were applied at planting time, alone and in all possible combinations.
"Usually, nitrogen applications on soybeans are unnecessary, for the beans are a legume and therefore are able to take nitrogen from the air. In the cornbelt soybean areas, however, farmers have found that light applications of nitrogen at planting time help to get the beans off to a good start," Dr. Longnecker explained.
Another soybean test underway at the station is one which one and two rows of beans to the bed are being compared at five different rates of seeding.
"These rates are 40, 50, 60, 70 and 80 pounds of seed to the acre," Dr. Longnecker said. "These all received a uniform application of phosphate at the rate of 60 pounds an acre at planting time on June 18-18."
He thought perhaps that the closer spacing of rows and the heavier rates of seeding might be part of the answer to the increase in yield.
The Station's soybean variety tests consist of four parts. In one 50 varieties and strains are in 2-row, 22-foot plots, with four replications. Another consists of ten commercial varieties in 2-row, 100-foot plots, with three replications.
"A third test is a dryland planting of the Lee variety of soybeans to study yield. And the fourth is a seed production of an unreleased strain which has potential value as a cash crop in this region," Dr. Longnecker said.
"The Station's soybean research is designed to find varieties which will enable the farmer to produce from 35 to 40 bushels an acre."
The soybean is peculiar, he explained, "in that varieties usually do not have wide ranges of adaptability. The problem is to find those that will flourish in the soils and climate of this area.
Even though soybeans are a soil-improving crop from the standpoint of adding organic matter to and fixing nitrogen in the soil, they are not a soil-improving crop from the standpoint of their use of soil minerals.
The beans draw large amounts of phosphorus and potassium from the soil. For that reason, additional fertilizer experiments are planned in which potash as well as phosphate will be used," he concluded.

Cotton Yield Estimate Upped

Lubbock — An increase of 34,000 bales has been reported in the early September cotton crop production estimate for the Texas High Plains and shows an estimated 1,688,000 bales expected off this year's crop.
This production is based on allotted acreage, stands and crop condition as of the first week in September from 23 High Plains counties. The September crop estimate is 34,000 bales higher than the 1,654,000 bales estimated on Aug. 1 and nearly 50,000 bales more than was actually produced in 1956 in this area.
The Lubbock Cotton Exchange and the Plains Cotton Growers, Inc. in making the crop estimate said that the estimate is still on the conservative side. The increase is traced to timely August rains over most of the dryland acreage, which offset some reductions in the late planted irrigated areas.
The estimate was made after talking to various county agricultural agents, Cotton producers, brokers and others throughout the 23 counties. Bad weather in September or an early frost could lower this estimate, cotton officials agreed.
Estimated acreages and yields in a few counties of this area are as follows:
Briscoe: 24,000 acres, 17,000 bales.
Crosby: 111,000 acres, 105,000 bales.
Floyd: 90,000 acres, 73,000 bales.
Hale: 158,000 acres, 151,000 bales.
Lubbock: 224,000 acres, 216,000 bales.
Motley: 22,000 acres, 8,500 bales.
Swisher: 50,000 acres, 48,000 bales.

Frank Price Is New Farm Bureau Field Man Here

Frank Price is now serving 19 county Farm Bureau organizations in this area as field representative for the Texas Farm Bureau.
Price, who makes his headquarters at Matador, acts as liaison between the state farm organization and the county units. Serving in an educational capacity, he advises and assists county leaders and committees on such activities as county office procedures, service-to-member programs and membership acquisition.
Counties in his area include: Floyd, Motley, Cottle, Har-

man, Foard, Knox, King, Dickens, Crosby, Lubbock, Hockley, Cochran, Yoakum, Terry, Lynn, Stonewall, Haskell, Scurry and Fisher.
A graduate of Texas A. & M. College, the TFB field representative has been employed with the Soil Conservation Service, the Matador Farm Loan Association, and operates his own 310-acre farm near Matador.
Price is one of 12 area field representatives for the Texas Farm Bureau. The state organization has its headquarters at Waco.
Eleven billion dollars have been spent in the last 10 years by the railroads for improvements, new equipment and for research.

Regulations On Transporting Of Nationals Set

Lubbock — The U. S. Department of Labor has announced minimum seating standards for all buses used to transport Mexican Nationals, effective immediately.
Dempsey L. King, Field Representative for the Labor Department's Bureau of Employment Security here, said the standards, announced in Washington has just been relayed to him by Regional Director Ed McDonald in Dallas.
At least 16 inches of seating space must be provided for each such passenger, and all seats are to be securely fastened to the vehicle, he said.
Aisle seats are prohibited on buses with a seating capacity of more than 19 persons, unless such seats are designed and installed so as to fold and leave a clear aisle when they are not occupied, he added. If aisle seats are used on buses with a capacity of 10 or less, they must be secured to the vehicle.
In lieu of this regulation, seating space requirements prescribed by the State in which the bus operates, or size requirements by the Interstate Commerce Commission may be followed, but in no case is the individual seating space to be less than 16 inches.
Mr. King said he was particularly concerned with seeing that the new requirements were known and understood by all employers of Mexican Nationals in this area who do not use commercial carriers to transport their workers.

Only sprinkles have fallen over the week end in our community.
Those who attended football games on Friday-night were sent hurrying homeward by the thunder and lightning, but the only sign of a storm here was the high winds.

Training Union time is set at 7 o'clock at the First Baptist Church, and 7:30 is the new prayer meeting hour Wednesday night.

Mr. and Mrs. E. L. Morrison and Gary left Saturday for Abilene where they spent the week end with his parents, Mr. and Mrs. W. H. Morrison. The father celebrated his 90th birthday on Saturday, and they will be married 64 years in December. Gene's brother, Mr. and Mrs. Bill Morrison and Jeffie, from Fort Worth, were also present and Jeffie came home with Gary to stay this coming week.

Mrs. Elmo Reeves is in the Lockney Hospital since Saturday and we are hoping she can soon be well enough to return home.

Bobby Faus returned on Monday from Houston in time for the opening of school. He had been visiting his grandparents, Mr. and Mrs. H. M. Slaughter for the past three weeks.

Mr. and Mrs. Paul Snodgrass went to Amarillo Friday to spend the day shopping. Other visitors in Amarillo were Mr. and Mrs. George West on Monday and Tuesday.

Women's Missionary Union will meet this Monday, Sept. 9, for an all day Week of Prayer. Each lady will bring a covered dish which will be served at noon. Mrs. Snodgrass will preside over the meeting, with around 12 members taking part in the Mary Hill Davis Week of Prayer Program.

Among the cotton fields here that have been sprayed the past week for leaf worms were those of Shelby Calahan, Grigs-

mond Upton, Murray Julian, H. C. Franks.
Potatoes have been dug on the Kenneth Bean and the Billy Stanforth farms during the past week. Acres of lettuce are taking the spotlight on the Stanforth farm, while cantaloupes, cucumbers and other vegetables are still being picked.

Mr. and Mrs. F. M. McClure spent Thursday night in Crosbyton with Mr. and Mrs. Don McClure and girls. They went to Amarillo Saturday night to meet her brother and wife, the R. O. Newmans, coming by train from Paulsbo, Washington. Due to a wreck near Dalhart the train didn't arrive until 3 a. m. The Newmans will visit here and in Snyder with relatives.

School children have a new school bus this year which started its run on Tuesday morning in the south eastern part of the school route, with driver Clarence Foster of Floydada.

Allen Adams, who broke his ankle on Wednesday while playing football at school will be confined to his home a few days until he gets a little stronger. He is wearing a cast, and we hope he doesn't have to miss much school.

Spending the day in Lubbock on business and for shopping on Thursday were Mr. and Mrs. Roy Bledsoe, Mr. and Mrs. Gene Morrison and Mr. and Mrs. Murray Julian and Kendis, Mr. and Mrs. Sylvin Kinnibrough spent Friday in Lubbock.

Mrs. John Smitherman has worked with the Floyd County Fair Association on the board of directors for the Fourth Annual Floyd County Fair and much time, work, and thought put into the fair. We hope it is the finest county fair yet, with all our people entering something they have made or grown. Although all the crops are late, they are very beautiful at this time of year.

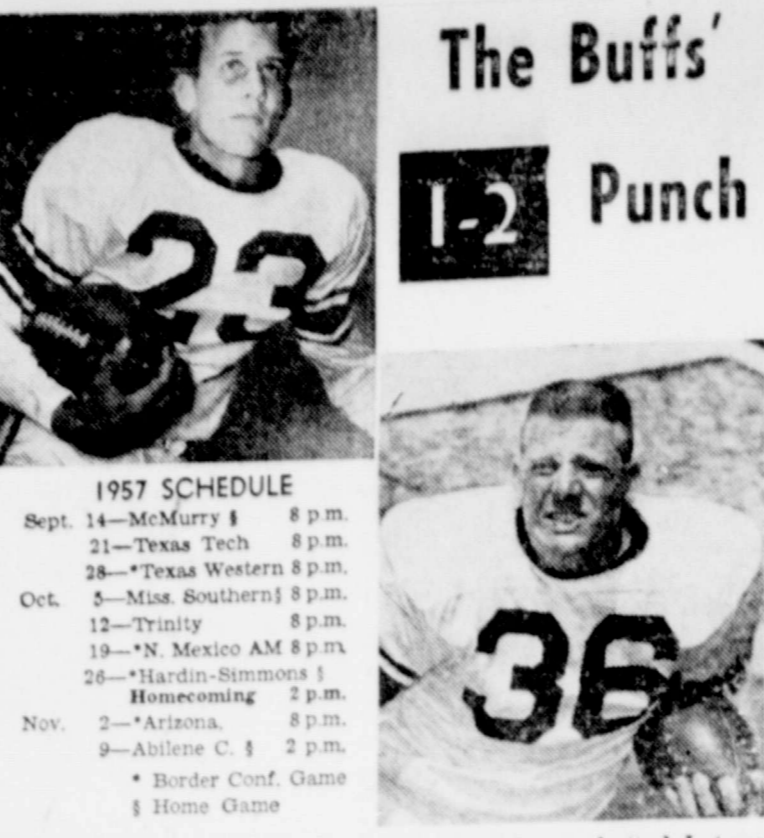

Mr. and Mrs. Shelby Calahan and children were hosts on Sunday after church at dinner to Mr. and Mrs. Sylvin Kinnibrough and girls and Mr. and Mrs. Thomas Pierce and children.

Mrs. Sim Reeves and Mrs. Bill Beedy have been spending much time in the Plainview Hospital this week with Mrs. Reeves' sister, Mrs. Walton Wilson, who underwent surgery on Tuesday. It is hoped that she can soon be removed to her home in Fairview.

Mr. and Mrs. D. H. Davis and Mr. and Mrs. Richard Williams of Silverton were dinner guests on Sunday at noon in the home of Mr. and Mrs. George West. Mr. and Mrs. R. O. Newman with their hosts, Mr. and Mrs. F. M. McClure visited on Monday morning in the West home, and left for Snyder, where they will be guests with Mrs. R. W. Newman and other relatives, and as they went through Crosbyton they were in the home of Mr. and Mrs. Don McClure.

South Plains Home Demonstration Club met on Friday afternoon at 2:30 on Sept. 6 in the home of Mrs. John Smitherman, and as Mrs. Fortenberry called roll, members answered with "I Like Cotton Because," and "How Much Do I Spend on Hosiery a year?" The program was on cotton, and a demonstration, Your Best Colors, was given by Mrs. Smitherman and Mrs. Wood, using models from

The two big guns in West Texas State's powerful ground attack last year will be back in action this fall. Ron Mills (top), White Deer halfback, was the team's top rusher with 569 yards and was named "most valuable" player in the Tangerine Bowl Jan. 1. Charlie Sanders, Gruver fullback, made All-Border Conference after leading the league in scoring with 72 points. Together, they gained 1995 net yards and scored 120 points.

the club, and selecting their best and worst colors according to their coloring. Mrs. Dunlap gave Facts About Fibers, Mrs. Calahan gave a talk on Cotton and You, and Mrs. Karr completed the program with Do You Know Why? Articles for the Floyd County Fair were discussed, but due to lateness of crops, it was voted to not have a booth at the fair. The hostess served refreshments to Mmes. L. T. Wood, I. H. Parks, R. G. Dunlap, Skeet Thornton, Gene Morrison, Murray Julian, Ernest Smitherman, Frank McClure, Bryan Karr, Fred Fortenberry, John Key West, Grigsby Milton, Shelby Calahan, Larry Faus, H. L. Marble, J. D. Webb, and the hostess. The next meeting will be held at the home of Mrs. E. P. Pritchett on the Silverton Highway, Sept. 25 with Mrs. J. D. Webb, co-hostess.

Mr. and Mrs. Don Marble are the parents of a baby daughter, their first, born at 2:30 Monday morning, Sept. 9, at Lockney Hospital, and she weighed over eight pounds. Grandparents here are Mr. and Mrs. H. L. Marble, and we add our congratulations to those of all the neighbors to Don and Nancy.

NEW ARRIVAL
Mr. and Mrs. Don Marble of South Plains are parents of a daughter born at 2:15 a. m. Monday at the Lockney General Hospital. The young lady has been named Joanne Donette and she weighed 8 pounds, 8 ounces. The mother is the former Nancy Holland Grandparents are Mr. and Mrs. R. L. Holland of Lockney and Mr. and Mrs. F. L. West Texas State Starts Fall Term Next Monday

Canyon — Another major increase in enrollment is expected at West Texas State College when fall semester activities get underway Sept. 16. At least 2,000 students will begin moving to the campus Sept. 15, when dormitories open.

An enlarged cafeteria, two new dormitories, and a major addition to a third dormitory will be ready to receive the record enrollment. The cafeteria addition doubles feeding capacity, and with new housing facilities, nearly 1,200 students may live on the campus.

A total of 26 new instructional faculty members have been added to the staff, of whom only 14 are replacements for teachers who have retired or have been granted leaves of absence for additional graduate study.

First college event is a faculty breakfast and business session at 8 a. m. Sept. 14 in the cafeteria. Students will begin moving into dormitories Sunday, Sept. 15.

Beginning freshmen, who include those students without previous college experience, will meet Monday, Sept. 16, at 8:30 a. m. for an orientation period in the Administration Building auditorium. Faculty meetings will be held at 10:30 a. m. and 1:30 p. m. Monday.

A counseling and advisement program for freshmen is slated during the morning of Sept. 17, and registration of freshmen and sophomores will start in the afternoon and continue Wednesday morning.

Juniors, seniors and graduates will register Wednesday afternoon and Thursday morning, Sept. 18-19, and classes start at 1 p. m. on Sept. 19. Registration of students will be by alphabetical order, with those names beginning with "F" through "G" enrolling first. Registration will be in the college library.

Students who have not yet mailed in transcripts of high school or college work, are urged to request these records and have them sent at the earliest possible time to Registrar Frank Morgan.

First all college assembly is slated at 11 a. m. Sept. 19, and organization of student activities is slated Sept. 24.

Members of the Student Senate and representatives of the Advisory Council will hold organizational meetings, particularly to draw up the semester's social calendar on Monday, Sept. 16, at 10 a. m. in the Student Union Building.

Underground Water Assn. Files Suit To Prevent Waste

The High Plains Underground Water Conservation District No. 1 filed a law suit recently involving the waste of irrigation water. The suit names defendant, Eldon L. Jones, a Lubbock County farmer, and seeks a permanent injunction to prevent the further waste of water from the land that he operates.

On Saturday, August 31, a hearing was held in Judge Robert Bean's 140th District Court in an effort to obtain a temporary court order which would enjoin the defendant from allowing irrigation water to escape from his land until the case is tried. The temporary order was issued by the court.

The case is not only the first agricultural waste case in the history of the High Plains Water District, but it is also the first to be filed under the present ground-water laws of the State of Texas.

Tech Will Begin Fall Term Mon.

Lubbock — Texas Tech will begin its 33rd Long Session Sept. 16, with approximately 8,800 students expected for the Fall Semester.

That's 745 more than registered last fall, when Tech maintained its position as Texas' second largest State-supported college or university.

More than 1,900 entering freshmen are scheduled to report on opening day to begin a three-day program of counseling and pre-enrollment tests.

Fall Semester registration will get underway at 8 a. m. Wednesday, Sept. 18, and continue each day until 3 p. m. Saturday, Sept. 21. First classes will be held Monday, Sept. 23, Wednesday, Sept. 25, will be the only day to complete registration for regular courses.

Events preceding opening of the Fall Semester will include general faculty meetings Sept. 13, orientation for new faculty members Sept. 14, and the opening of dormitories on noon Sept. 15.

Notable changes in the campus horizon this fall include a new women's dormitory, housing 376; a new gymnasium, scheduled for completion early in October, and the partially completed structures of two men's dormitory units. Each is expected to be ready in the fall of 1958 and each will house 718 men.

The bride's parents are Mr. and Mrs. Al D. Fitch, Plainview and Mr. and Mrs. J. M. Carthel, Lockney are parents of the bridegroom.

Palms and arrangements of gladioli decorated the altar.

The bride wore a street length dress of white lace over orchid taffeta designed with an empire waist and a scoop neckline. Her fingertip veil flecked with rhinestones was caught with pearls to a lace hat. She carried a lace covered Bible topped with orchids.

Miss Norma Fitch of Plainview, sister of the bride, attended as maid of honor. She was dressed in a street length frock of orchid taffeta and wore an orchid corsage.

Don Golden of Wadadoro, Texas, served his brother-in-law as best man.

The bride attended Plainview High School and the bridegroom is a 1955 graduate of Lockney High School. He attended Lipperts Business College and is now employed by a machine shop in Plainview where the couple are at home following a short wedding trip.

Stringer-McWhorter Vows Exchanged In Formal Rites

Miss Molly Ann Stringer, daughter of Mr. and Mrs. Jeff Holmes Stringer, Sr. of Sterley, became the bride of James Lee McWhorter, son of Mr. and Mrs. R. D. McWhorter, 2404 Wilson, Amarillo, on Sunday, Sept. 1, in a double ring service at Grace Baptist Church, Amarillo. The Rev. M. O. Garner read the vows.

Mrs. Barbara Summers, organist, accompanied Miss Mary Lynn Taylor who sang "Because," "Always" and "Love is a Many Splendored Thing."

The altar was banked with tiered candelabra and fan-shaped arrangements of white stock and gladioli. Family pews were marked with satin streamers and feathered carnations.

Attending her sister as matron-of-honor was Mrs. Jean Taylor, and bridesmaid was Miss Cecilia Wilkins, Hereford. The matron-of-honor wore a princess dress of blue crystalline over blue taffeta and trimmed in blue satin. Her accessories were white, and she carried pink carnations. The bridesmaid's dress was identical in yank and she carried blue carnations.

Candlelighters were Misses Sue and Jane McWhorter, sisters of the bridegroom, who wore identical yellow polished cotton frocks trimmed in white lace. Their wrist corsages of white featured carnations.

The flower girls, Dee Anne and Marjean Stringer, nieces of the bride, wore identical dresses of blue cotton satin trimmed with white lace. They carried baskets of rose petals.

Best man was Robert McWhorter, brother of the bridegroom and groomsman was Jimmy Lill. Ushers were Jack Green and Jargo Johnson.

The bride, given in marriage by her father, wore a white ballerina length gown of nylon tulle and lace over satin. The fitted bodice of lace featured a sabrina neckline trimmed with seed pearls and sequins, and the bouffant skirt of tulle had a hemline of scalloped lace trim. Her elbow length veil of illusion fell from a tiara of iridescent sequins and pearls. She carried a white satin Bible topped with a single orchid surrounded by feathered carnations.

Mrs. Stringer, mother of the bride, wore a navy French raw silk dress with black velvet accessories and a white carnation corsage. The bridegroom's mother, Mrs. McWhorter, wore a steel gray satin dress with pink accessories and a pink carnation corsage.

Immediately following the ceremony, a reception was held at the home of the bridegroom's parents. The serving table was covered with a white cutwork cloth over blue and centered with an arrangement of blue shasta daisies. Serving were Mrs. Jeff H. Stringer, Jr., Mrs. Robert McWhorter and Miss Patricia Ann Lusk.

For the wedding trip, the bride chose a beige suit with brown accessories and an orchid corsage. After Sept. 19, the couple will be at home in Austin where he will attend Texas University and she will be employed as a nurse at Breckenridge Hospital.

The bride was graduated from Childress High School, Amarillo College and Northwest Texas Hospital School of Nursing. She is affiliated with the National League of Nursing and the American Nurses Association.

Mr. McWhorter was graduated from Amarillo High School. He is a student at the University of Texas, Austin, and is affiliated with Phi Kappa Fraternity.

Out-of-town guests attending the wedding included Mr. and Mrs. Lusk and children and Mrs. E. G. O'Quinn and Gene of Tyler; Mr. and Mrs. Jerome Mathis, Mr. and Mrs. Tom Hollis, Sterley; Mr. and Mrs. Jeff

Off-To-College Treck Has Begun

Some 20 students of the 36-member 1957 graduating class of Lockney High School plan to begin college this fall. Representing a good 50% of the graduating class, the local students seek higher learning in eight separate schools in West Texas and Colorado. In addition to the freshmen students, many other Lockney young people will continue their college work this fall.

Freshmen students at West Texas State College, Canyon, will be Marvin Christy, David Frizzell, Lonnell Hays, Brandon Darnell and Mary Kathryn Ford. Other Lockney students there are Rosemary McDonald, senior; Don Hollums, junior; Eddie Holcomb and Charles Vaughn, sophomores.

Texas Tech freshmen will include Lynn Jolly, Nelda Widener, Jerry Workman, Gene Handley and La Quita Helms. Others are Derrel Waldroupe, Jeanette Widener, Jerry Holmes, Jimmy Holt, Bill McAda, Doyle Fowler, Sharine Strickland, Ted Carthel, Ann Belt Foster, and Eddie Joe Foster, and Patty Jo Wilkes.

Miss Nelda Cates has entered Hardin - Simmons University and nurses training at Hendricks Memorial Hospital in Abilene. Others at Hardin-Simmons University from here are Jovonne Taylor and Luther Williams, ministerial student.

Freshmen at Wayland College, Plainview, will be Frances Lemons and Frances Halle. David Hartman will be a junior ministerial student at Wayland College this year. Frankie Sparkman, who has completed two years in Wayland will work this term in Plainview.

Miss Betty Jean Foster is attending Colorado Women's College in Denver, Colorado.

Freshmen at Abilene Christian College, will be Loyd Widener, Jerry Mickey and Roland Watson. Roland attended Tech during the summer. Sue Wofford, a senior ACC student, left Sunday to begin her final year.

Attending McMurry College, Abilene, as freshmen students are Katie Rucker and Marjorie Sechrist. Mrs. Dane Clark, the former Joan Harris, will continue her studies at McMurry this year, as will her husband.

Kenneth Kendrick will be a freshman student of Midwestern University in Wichita Falls.

Dee Nix is expected to return to Oklahoma A&M this fall.

Kenneth Williams will continue his study at San Angelo Junior College.

Gene Lancaster will continue college work in Henderson Baptist College, Henderson, Texas.

Miss Eldora Boone will remain at North Texas State College, Denton.

Miss Harleen Workman will be at Texas Tech working on her masters degree and carrying on her work as a research chemist at the college.

LaDora Ayres has transferred from ACC and will attend Texas Tech this year. LaJuana Cates has transferred from ACC to West Texas State, Canyon.

Roger Conner plans to start at Texas Tech at mid-term in January.

Norton Baker is attending Law School at SMU.

Arlene Matthews, 1957 graduate, is attending Watson's Business College in Plainview.

The Federal Bureau of Investigation was created in 1908.

H. Stringer Jr., and children, Teague; Mr. and Mrs. Robert McWhorter and Susan and Mrs. Geneva Vance, Austin.

Parents Night Changed To Tues.

Mr. and Mrs. Freddie Joe Ivy and Mrs. Pepper Martin spent last week in Oklahoma City where the two women received treatment at an allergy clinic. Bruce Martin, Sheila and Ricky Ivy spent the week with grandparents, Mr. and Mrs. Johns Cox.

Mother Goose School has postponed Parents Night this week from Thursday until Tuesday night, Sept. 17 at 7:30. The meeting will be held in the J. D. Wood home.

The postponement was necessary due to the County Fair which starts on Thursday, Mrs. Wood says.

HAS 87TH BIRTHDAY

J. M. Cox of Archer City, father of Marvin Cox, Lockney, celebrated his 87th birthday at his home Sunday. Mr. Cox makes his home with his daughter, Mrs. W. O. Davis and Mr. Davis. Mr. and Mrs. Marvin Cox and Hope were among these present for the celebration Sunday.

CROSS ROADS REPORT

Dear Editor:
I see where the Department of Agriculture researchers have found a substance they call gibberellin which makes cabbage grow 12 feet high, tomatoes the size of footballs, etc.

The Ag Department boys must have stumbled onto the same fertilizer formula that my Uncle Mose used when he was farming, back in the 90s. He raised potatoes that it only took a peck and a half to make a bushel.

Stuff was no good on pumpkins, though. It made the vines grow so fast they wore out the pumpkins dragging them over the ground.

R. J. McLaughlin Dies Friday

Final rites were held Monday at 10 a. m. at First Presbyterian Church, Plainview, for Robert James McLaughlin, 86, a resident of Floyd County for some 30 years. Services were conducted by Rev. Frank Travis, Plainview Presbyterian preacher, and Dr. G. K. Rodgers, Houston, former pastor of the Plainview church.

Mr. McLaughlin died at Plainview Hospital and Clinic Friday morning at 9 o'clock following an illness of about one year.

He was born August 25, 1871, in Sparta, Illinois, and moved his family to Providence community in 1915. Mr. McLaughlin, a retired teacher and farmer, moved to Plainview in 1943.

A member of the Plainview Presbyterian Church, Mr. McLaughlin was an elder of the church for a number of years and also served on the Providence school board for several years.

Survivors are his widow; two sons, Harold and Wyatt McLaughlin, both of Providence community; one daughter, Mrs. J. F. Starkey, Clovis, N. M.; one brother, Murray McLaughlin, and one sister, Mrs. W. W. Blair, both of Kell, Ill. Ten grandchildren and eighteen great-grandchildren also survive. Two children preceded him in death.

Grandsons and great-grandsons served as pallbearers.

Joe Phillips Is Much Improved

Joe Phillips is much improved in the Medical & Surgical Hospital here, it was reported Wednesday. His illness has been diagnosed as encephalitis. It is the first such case in this community this year.

Mr. Phillips has been ill about three weeks. He entered the hospital last Saturday morning.

Also under treatment at the Medical & Surgical Hospital is Otto Hayes. He suffered injuries last Sunday when a train struck the truck on which he was riding as it crossed the tracks near one of the vegetable packing sheds. He suffered cuts and bruises. Another man was treated at the clinic and dismissed.

Two colored men, Cornelius Phillips and C. L. Wall, were dismissed Monday after receiving treatment for injuries received in an auto accident Saturday night.

New Residents Of Lockney

Mr. and Mrs. Colbert Falls and daughters, Rita and Joan have moved to Lockney from Lawton, Oklahoma. Mrs. Falls is a sister to Raymond Parker with whom the Falls make their home. Rita is a sophomore student of LHS and a member of the band. Joan is in the sixth grade. Mr. Falls is employed in Plainview with Cloverlake Creamery.

Mr. and Mrs. W. H. Martin and daughters, Mary, Frances and Susie, have moved back to Lockney from Childress. They lived here the first semester of last school year. Mr. Martin is an engineer for Fort Worth and Denver Railroad.

Mr. and Mrs. W. A. Rushing and family have returned to make their home here.

Mr. and Mrs. Weldon Purcell are new residents. They are at home in Mrs. Tom Cope's rent house.

Mrs. Chadourne, Age 84, Dies At Lockney Hospital

Mrs. Fanny Eliza Chadourne, 84, died Tuesday afternoon at the Lockney General Hospital. Burial will be in Vavaparaiso, Indiana. Carter Funeral Home is in charge of local arrangements.

The body was shipped from Lockney at 3 p. m. Wednesday.

Mrs. Chadourne has made her home in Lockney with a niece, Miss Hazel Jobs, since 1950.

Survivors include two sons, Paul, Clinton, Iowa, and Clare, Vavaparaiso; one sister, Mrs. J. H. Johns, Lockney; one brother, B. T. Sheeley, Canton, Ohio; five grandchildren and one great grandchild.

Mrs. Chadourne was born June 10, 1873, in Detroit, Michigan. She was a member of the Baptist Church at Blair, Nebraska.

SHOULD'VE STAYED ABED

Dallas — The old saying, "things could be worse," proved true for Harold Wynn, Dallas auto parts clerk.

As he tells it, his misfortunes began when he got off work and fell into a mud puddle walking to his car, then ran into a steel window, ripping his shirt.

While driving home a bus hit his car and, as he waited for police, a second bus clipped the car, and a third bus bumped it minutes later. Total damages were \$700 — partly covered by insurance.

What finished him off, however, was being two hours late getting to a dinner at his mother-in-law's.

PTA Adopts Budget, Honors Teachers

The first meeting for 1957-58 of the Parent Teacher Association was opened with invocation by John T. Carthel, a board member, Tuesday night, September 19 at the High School auditorium.

Welcome was given by Henry Ford, Jr., P. T. A. president. Mrs. J. M. Tye, treasurer, reported that the P. T. A. General Fund has a balance of \$117.69 and the Landscaping Fund \$111.75 at the beginning of this school year. Mrs. Lavon Johnson stated that we now have a membership of 190. Those who have not joined this school year are urged to do so as soon as possible, and reminders will be sent to the parents by the children. Budget for 1957-58 in the amount of \$645.00 was approved.

It was voted that a teacher who desires to visit another school in this area one day during this school year, to observe different methods and techniques of teaching, may do so by asking one or more P. T. A. members from her room to substitute for her that day. This project has also been authorized by the Board of Education. Permission to visit in a school must be authorized by the school teacher plans to visit.

It was reported that Mrs. Lavon Johnson was elected as second vice-president at the P. T. A. executive meeting on September 3. She fills the vacancy created by Mrs. B. A. Simmons, who recently moved to Dallas.

The program chairman, Mrs. B. A. Mosley, introduced Miss Barbara Caruth, junior high school music teacher, who sang "Where Ere You Work" and "Black is the Color of My True Love's Hair", accompanied by Mrs. C. L. Recer.

Oscar Golden, president of the Board of Education, introduced the Board members and their wives and expressed his appreciation for the work of board members.

H. H. Nicholas, superintendent of schools, introduced the principals, who in turn introduced the faculty members.

Mrs. Mosley expressed appreciation for the faculty and said, "We as parents should give them more cooperation and less static."

The business meeting was followed by a reception for the teachers in the cafeteria and a social hour of games of "42" and dominoes. The P. T. A. colors were beautifully carried out in the table decorations of yellow roses, a light blue table cloth, and dark blue napkins.

Mr. and Mrs. T. C. Garlington of Bowie arrived Saturday night to spend this week in the home of their daughter, Mrs. Edgar Hays and family.

Dear Editor:
I note that many folks, including juveniles, army brass, etc., are inclined to complain about how they get criticized every time they do something wrong.

Whereas, they say, there is no comment when they do something right, on account of apparently people are not much interested in this type of conduct.

My Confidential - reading neighbor says this is true to human nature, and if somebody printed a magazine or a newspaper which just told about people behaving themselves, it wouldn't sell.

Joe Phillips Is Much Improved

Joe Phillips is much improved in the Medical & Surgical Hospital here, it was reported Wednesday. His illness has been diagnosed as encephalitis. It is the first such case in this community this year.

Mr. Phillips has been ill about three weeks. He entered the hospital last Saturday morning.

Also under treatment at the Medical & Surgical Hospital is Otto Hayes. He suffered injuries last Sunday when a train struck the truck on which he was riding as it crossed the tracks near one of the vegetable packing sheds. He suffered cuts and bruises. Another man was treated at the clinic and dismissed.

Two colored men, Cornelius Phillips and C. L. Wall, were dismissed Monday after receiving treatment for injuries received in an auto accident Saturday night.

Singing At Lone Star Sunday

The regular third Sunday singing will be held at the Lone Star Baptist Church Sunday, Sept. 15th, it was announced this week by Wade Steele, president. Everyone is invited to attend and enjoy two hours of good gospel singing, it was said.

The meeting will begin at 2 p. m.

THE LOCKNEY BEACON

River deltas are so called because their triangular shape resembles the Greek letter, Delta.

Charles Dickens' novel, "David Copperfield," was first published in 20 monthly installments.

Longhorns Win Opener, Score Is Uncertain

Lockney's Longhorns are off with a bang! The powerful Longhorns scored 20 points in the second half Friday night at Hale Center and routed the host Owls, 32-7. The Owls, supposedly a strong team and an early season choice to win their district, held Lockney to a 12-7 lead at halftime, but the charges of the local boys were too strong in the third and fourth quarters. The last half was played in a steady rain.

The slick ball handling and running of Billy Karl Race, blasting thrusts of Dickie Barton, and quick dashes of speedy Jerry Williams sparked the Longhorns offense. Capt. John Hanst, Bill Musser, Kelly Harrison, Lane Crank, and Coy Kidd stood out on defense.

Longhorn reserves saw much action in the fourth quarter.

Following is a summary of the game:

Williams received the opening kickoff for Lockney and returned the ball some 29 yards to the Longhorn 34 yard line. On the first play from scrimmage Race made 2 yards followed by a 6 yard gain by Williams then Barton blasted for a first down on the Hale Center 43. Barton made 2. Nelson Wofford recovered a fumble for a 3 yard gain. Williams made 8 and a first down on Hale Center's 31. Williams romped for 12 yards and another first on the Hale Center 19. Wofford made 4. Williams 3. Barton 2. Barton 2 more yards and a first and goal from the 8. Barton bulled for 7. Wofford made 1. then Wofford scored from the one yard line making the score 6-0. Hanst's try for extra point was blocked and the score remained Lockney 6, Hale Center 0.

Hale Center returned Hanst's kickoff to mid-field. Hale Center had an incomplete pass, made 2 and 1 yards on ground plays before punting to the Lockney 15.

On the first play after the punt Hale Center recovered a Longhorn fumble on the Lockney 16.

After three plays netted 8 yards David Cannon, Hale Center's leading ground gainer, raced eight yards around right end for the Owls only touchdown. Hale Center's try for point was good and Hale Center held their only lead in the game, 7-6.

Wofford returned Hale Center's kick to the Lockney 31. Williams made 4. Race picked up 6 yards and a first on the Lockney 41. Barton made 6.

KIDDIE KORNER

THESE TWO smiling girls are daughters of Mr. and Mrs. Tommy Scarberry of Route F, Lockney. They are Edna Louise, age 2, at the left and Brenda Kay, age 4.

Williams 1. Wofford 4 and a first on Hale Center's 48. Williams made 4 on the final play in the initial quarter.

Williams made 1 to start the second quarter. Wofford took a pitch out from Race and raced 14 yards for a first on the Hale Center 29. Barton made 5 and Race kept the ball and made 18 yards to the Hale Center 6. Williams made one yard before Race scored Lockney's second touchdown from 5 yards out. Hanst's kick was wide and the score stood 12-7.

Cannon returned Hanst's kick to the Hale Center 43. The Owls lost 5, made 5, and lost three in three downs and kicked to the Lockney 28.

Race lateraled to Wofford for a clipping penalty. Wofford made 5. Williams was thrown for a loss. Race got off a nice 38 yard punt against the wind to the Hale Center 36.

Hale Center made 0, 3, and 9 to gain a first on their 48. Hale Center made 2 yards before Cannon broke loose for 30 yards to the Lockney 20. The Owls gained 3, lost 5, gained 1, and then had a pass broken up by Wofford.

Lockney took over on their own 22. Williams made 6 and Race made 7 and a first on the 35. Hale Center recovered a fumble on the Longhorn 38 but the second quarter ended before the Owls had an opportunity to run a play.

Lockney received the kickoff opening the second half and Williams returned to the Lockney 36. Wofford made 3 and Barton picked up 19 yards for a first on Hale Center's 42. Barton gained 1. Wofford lost 1. Williams made 6, and Barton plowed for a first on the 30. Barton made 3. Race 5. Barton 4 and a first on Hale Center's 19. Williams made 5 and scored from the 14 to make the score Lockney 18, Hale Center 7. Race carried over for the extra point, Lockney 19, Hale Center 7.

Hanst's kick was returned to the Hale Center 31. A pass end ground play gained the Owls a first on the Lockney 48. Lockney picked up a fumble on their 43.

Barton made 4 and 2. Kenneth Callaway plowed for 4 yards and a first on Hale Center's 46. Williams made 3. Cliff Hardy 5. Williams 7 for a first on Hale Center's 31. Race picked up 8 and Williams for another first on the Owls 18. Callaway lost one yard as the third quarter ended.

Quarterback Race opened the last quarter as he moved to the Hale Center 8 on a keeper play. Callaway moved for a first on the 5 and Race scored the Longhorn's fourth touchdown. Race added the point to make the score Lockney 26, Hale Center 7.

Hanst got off a nice kick which the Owls could only return to their 8. Hale Center lost 4, gained 6 and 1 which brought up a fourth down for Hale Center. Hanst, Musser and Kidd blocked the punt which rolled out of the end zone and Lockney was awarded another six points making the score Lockney 32, Hale Center 7. A slick ball caused a bad pass from center and the Longhorns did not pick up the extra point.

Referee Clifford Thompson admitted Saturday that he had made a "bone" in giving Lockney a touchdown rather than a safety on the blocked punt which rolled out of the end zone. Had a safety been ruled Lockney would have been awarded two points rather than six points making the score Lockney 28, Hale Center 7, and Hale Center would have had to kickoff or punt to Lockney from the Owls 20 yard line.

Hale Center returned the kick to their 31. An off-side penalty gave Hale Center five yards and moved the ball to the 36. They picked up 4, 4 and a first on the Hale Center 45. Hale Center moved for 6, 3 and 2 for a first on the Lockney 44. The Owls failed to make a first and the Longhorns took over on their own 36.

A Race pass, the only aerial play of the night by the Lockney team, was incomplete. Race lost 3. Barton gained 6. Barton made a nice run which was nullified by a holding penalty, and Race got off a beautiful 48 yard punt which Hale Center returned to their 35.

Hale Center gained 25 yards to the Lockney 40, had an incomplete pass, and moved 5 yards on the ground which ended the game. Final score, Lockney 32, Hale Center 7.

Looking at the FOOD BILL!

"A penny saved is a penny earned" and a look at the food savings possible with an electric home freezer makes the penny look mighty big. Meats, poultry and vegetables can be bought in quantity, in season, when prices are low. Garden vegetables and fruits can be frozen, retaining all the goodness, freshness and tastiness of the freshly-picked product. Time is money and a freezer frees you from sudden, surprise meals. Such meals are prepared in advance, frozen and are ready to serve, piping hot, in minutes. Why not take a look — tomorrow — you'll like the savings you'll see.

Speed up the setting of gelatin salads and desserts by dissolving the package of gelatin in one cup of boiling water instead of two. Add 8 ice circles from your refrigerator and stir for two minutes. Remove what's left of the ice, and presto — the gelatin is the perfect consistency for adding fruits or vegetables.

Office Supplies at The BEACON OFFICE.

In a multiple-purpose kitchen, the laundry area is frequently deficient in cabinet space for laundry aids, ironing board, etc. If there's absolutely no room for a much-needed cabinet in your present arrangement, why not consider a tandem installation for your clothes dryer, to gain floor space for a floor-to-ceiling closet? Many people prefer to have the dryer right on top of the wash-

er anyway, as it saves a few steps, and in cases where there is a perfectly good washer but no room for a dryer, this arrangement is the solution. However, if you're starting from scratch and have decided to have your laundry in a kitchen with limited space, the answer is a duomatic that combines the washer and a clothes dryer and takes only 36 inches of space.

Circle Meets

The Candlelight circle of Trinity Lutheran Church met for their regular business meeting. Meeting opened with the singing of "Spread Oh Spread Thou Mighty Word", followed by scripture reading and prayer by Mrs. Weldon Smith. Rev. Windecker had an interesting and instructive Bible study on "What is our Christian Faith?"

Mrs. Hubert Stoerner, president, presided. A report was given that the Christmas cheer box had been sent to New Guinea. Mrs. Stoerner reported that she and Mrs. Ted Boedeker had looked into the purchasing of a cabinet for the nursery. Thank offering boxes will be handed in at the Mission festival. Meeting closed with the Lord's Prayer.

Mrs. L. B. Brandes, hostess and program chairman for the month, served delicious refreshments of cheese and chicken salad sandwiches, cake, coffee and cokes. The table was beautifully decorated with a crystal bowl of pansies. Present were Mrs. Hubert Stoerner, L. B. Brandes, Weldon Smith, Ben Brandes, Henry Sammann, Karl Sammann, Elmo LeLe Schaffner, A. Post Memorial Scout Camp near Post, Texas. Presentation was made by executive board member John W. Thomas of Ralls, Texas during the visit of the jamboree delegation to New York City.

Altar Guild Meets

The Altar Guild met following the Candlelight Circle meeting. Mrs. Wilfred Stoerner, chairman called the meeting to order. Roll call showed all members present.

Rev. Windecker gave an instructive talk on the different duties of members of the Altar Guild. Plans were made to take proper and better care of the communion wear and altar covers.

SENSE ABOUT SYNTHETICS

Don't overdry orlon or Dacron or blends of synthetic fibers. Follow manufacturers' instructions for heat setting and time. Use turkish towels to absorb the moisture and remove before wrinkles become set.

Success comes before work only in the dictionary.

For information write or call the Registrar, Herman O. Wilson, Box 1339, Lubbock, or call Porter 3-8337.

SCIENCE AND BUGS

Insect repellents containing diethyltoluamide can be applied to most clothing articles except those containing rayon and dnyel, says Margaret Spader, home service editor of the Gas Appliance Manufacturers Association. These synthetic fibers tend to plasticize when treated with insect repellents. Cotton, dacron, nylon, wool and orlon are not affected.

TOGETHER

Every experience means more when it is shared. When father, mother and children go to church together they are sharing a beautiful experience. When they sing the songs of the gospel, read the Scripture, listen to the sermon, unite in prayer, they are adding to the joy of being together. When they open their hearts to God and pledge allegiance to Him, family life is strengthened. The "togetherness" reaches out to include fellowship with others.

Young people who grow up in the Church, who have a truly Christian home, are blessed with a tremendous advantage. They have learned to work and live with other people for the glory of God and the advancement of His cause. There is strength in the very thought of uniting in work and worship.

Together—what a difference it makes! Does your family go to Church together?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Floyd County ASC Convention To Be Sept. 25

The Floyd County ASC convention, at which the county committee for the coming year will be elected, is set for September 25 at 9 a. m. The convention follows the election of the community committees in balloting the past two weeks.

The county convention is of the community committees. The new county committee will assume its duties on October 1st.

Following are the newly elected community chairman, the vice-chairman and the member named in that order, from each of the ASC communities in this county:

Community A — Paul Cooper, Charlie Boedeker, Chester Carthel.

Community B — Eugene Gilly, Grigsby Milton, R. G. Dunlap.

Community C — V. H. Kellison, Tom Duvall, Alvin Wilson.

Community D — Fred Dorman, Burl Holt, W. B. Cates.

Community E — Cecil Baxter, Lindsey Graham, Carl Smith.

Community F — C. M. Perry, Chloa Williams, Milton Evans.

Community G — Harry G. Christian, John P. Moss, Howard G. Gregory.

Community H — Charles Hartsell, Olin M. Bryant, H. A. Tardy.

Community I — Wayne Batey, Fate Gresham, Otis Anderson.

2-AA Teams Prove To Be Tough In Area Competition
Holding true to prediction, 2-AA appears to be one of the toughest districts in the area. District 2-AA teams won four of seven battles last week and some of the teams showed surprising power.

Floydada showed power in upsetting highly-rated Wellington, 12-6, and Abernathy rolled over Olton, 19-0, in a game rated as a toss-up. Lockney, as expected, beat Hale Center, 32-7, and Tahoka beat Plains, 7-0.

Another surprising 2-AA team, Slaton, gave mighty Canyon a battle for three quarters before Canyon scored twice in the last quarter to win, 26-13.

Spur, one of the pre-season favorites to win the district title, lost a thriller to traditional rival, Matador, by a 13-7 score. Also, Rails beat Post, 13-7.

GO TO CHURCH SUNDAY.

Construction On Labor Housing Due To Start

Construction is due to start this week on two separate labor or housing projects in this part of Floyd County.

The Hi-Plains Gin at Lockney will begin construction on a building designed to house 100 Mexican Nationals and the South Plains Gin at Sterley will start construction on a building which will provide 20 units 12x12 in which they expect to house native Mexicans.

The Hi-Plains Gin building will be built on the southeast corner of the gin property extending east and west. The company will actually build two buildings, the larger to be 30x142 feet with sleeping quarters, showers, rest rooms and laundry. The other building will be 30x50 feet and will house the kitchen and eating facilities.

These buildings will be leased to Tri-County Labor Association of Plainview who will operate the housing facilities. Cicero-Smith Co. of Lubbock has the contract for material and labor on the building.

Joe Williams, manager of the South Plains Gin, said that construction on their housing facility would probably require about three weeks. This building will also be of sheetrock with concrete floor. The overall dimensions will be 24x120 feet and the building is being built to house native Mexican workers, he said.

Plains Floral Is Now Member FDT

Plains Floral Shop of Lockney has been accepted as a member of the Florists Telegraph Delivery Association, a world-wide organization of florists. Tom Simpson, proprietor, made the announcement this week.

The FDT is an organization having the Good Housekeeping seal of approval and assures the public of prompt and accurate delivery of floral arrangements to practically any part of the world except Iron Curtain countries.

In order to be accepted into the association, the local floral shop underwent the same strict inspection required of floral shops in the largest cities, Mr. Simpson said.

Bob Taylor Buys Carothers Courts

Bob Taylor of Stephenville, Texas, has purchased the Carothers Courts and Service Station on Highway 70 in South Lockney. He and Mrs. Taylor took possession of the property last Saturday.

Mrs. Corene Carothers, former owner, plans to move to Denton, Texas, and her sister, Polly, will move to Plainview.

Mr. and Mrs. Taylor operated a motel at Stephenville for about two years. Previous to that they lived at Wheeler, on the north plains, for some 30 years.

Mr. and Mrs. Taylor are Baptists and he is a member of the Masonic Lodge.

George Perkins Dies Monday

George Perkins, almost 80 years of age, passed away at 9:50 a. m. Monday at a Wichita Falls hospital. He had been in ill health for two years and the past four months had been confined to his bed. Immediate cause of his death was a stroke, attending physicians said.

The body was returned to Carter Funeral Home here Monday night and lay in state there Tuesday. Graveside services and burial was held at Dublin Wednesday at 2:30 p. m.

Rev. Burkhardt, Episcopal rector of Dublin, conducted the services and Masonic rites followed. Mr. Perkins had been a member of the Masonic Lodge for 50 years.

George Perkins had lived in Lockney for the past 11 years. He was a fixture on Lockney streets and was known by almost everyone. He had a special liking for children and also loved dogs and could be seen often petting one or the other.

He was born November 5, 1877, at London England. The family came to the United States in 1881 and he became a naturalized citizen of this country in 1918. Mr. Perkins attended A&M College for a time, and later worked as an engineer. He was reared at Ennis, Texas, but later lived at Dublin and Wichita Falls. He came here to make his home in 1946.

Survivors include two brothers, Frank of Lockney and Joe of Houston; one sister, Mrs. J. E. Childers of Dallas.

Chest Meeting To Be Thursday

A meeting of directors and others interested in the Floyd County United Chest will be held Tuesday evening of next week in the County Court room at Floydada, according to an announcement by Hollis Bond, chairman.

All those interested in the United Chest are urged to attend the meeting. It is to begin at 7:30.

Wage Finding By Commission

The Texas Employment Commission has reported a survey made in this county and ef-

fective September 10 shows the prevailing wage paid for picking cantaloupes to be 55 cents to 65 cents per hour. The survey is made at regular intervals to serve as a guide for paying Mexican Nationals.

First Grain Is Received Friday

First grain sorghum from the 1957 crop was received at the Patterson Grain Co. elevator at Sterley Friday of last week. Garvin Beedy brought in a load which tested 16 percent moisture.

Grain men say that it will probably be the middle of October before the grain harvest hits full stride.

Vocational Nursing Course Offered

Lockney General Hospital has announced the opening of a school of vocational nursing. Director will be Mrs. Wynona Lusk, R. N.

Women between the ages of 18 and 50 are eligible and they can pass a aptitude and furnish character references.

Those interested may contact Mrs. Elsie Sherman, business manager. Opening date classes is September 30.

Mr. and Mrs. R. L. Perry and Mr. and Mrs. J. G. G. spent a week in Lake City, Colorado, recently.
