SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 56

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY OCTOBER 3, 1957

NUMBER 26

## 4 Indictments Returned By Grand Jury

The Floyd County Grand Jury, in session Monday of this week, returned four true bills of indictment.

William Lennis Moore, Floydada, was indicted for rape and in a second indictment was charged with incest.

Richard Lambert of Lockney was indicted on a charge of driving while intoxicated, second offense.

J. D. Craver, Floydada, was also indicted for driving while intoxicated, second offense.

L. Fry was indicted on a charge of forgery.

All are in custody. Fry is now in the hands of federal authorities. He is an escapee from a federal prison.

Members of the grand jury are C. W. Giesecke Jr., foreman; Mrs. W. L. Davis, Mrs. J. A. Miller, Joe Thurston, George D. Probasco, Leslie Ferguson, Shirley Irwin, Mrs. Lindsey Lackey, W. W. Trapp, Paul Cooper, J. D. Phillips, Barry Barker.

## Company Asks Rate Increase

Pioneer Natural Gas Co. filed a request with the City Council along with governing bodies in 47 cities in this area asking for a rate increase of \$3.00 per month for the year ending December 31.

The request asks permission to raise the minimum charge per month from \$1.25 to \$4.25 which includes the charge for the first 2,000 cubic feet. There is no request to change the balance of the rate. The 25 cents per month increase is granted, according to the Patterson, local manager.

The rate increase grant for the company was in 1951. They say they point to the increase in cost of material, labor and bringing in a necessity for the rate increase. The company has also requested permission to charge to industrial consumers of rates not exceeding those of domestic consumers and to make special contracts with large users. They say the new rate increase becomes effective December 1.

## 161 Bales Ginned In This Area

A total of 161 bales of cotton has been ginned in northwest Floyd County up to Wednesday noon, according to a survey made by Jack Orr, local TEC representative. Mr. Orr said that it would probably be 10 days or two weeks before cotton harvest reached its peak.

There is not much demand for labor yet and only a few crews are drifting in. Mr. Orr said. The hot weather of the past week has helped to mature and open the crop.

Local labor is pretty well taking care of labor needs thus far, Mr. Orr said.

The crop in this area is about a month later than last year, gin men say. Some 1,000 planted acres were lost to the June hail and not replanted in the area west of Lockney. However some farmers say that their cotton is better than last year thus far and if frost holds off they expect to make as much or more cotton.

## Sidney Reeves At Midlothian, Texas

Mr. and Mrs. Sidney Reeves and son are now living at Midlothian, Texas, and Mr. Reeves is employed by the Texas Education Agency, with offices in Dallas, according to information from Mr. Reeves. He is former superintendent of schools here and at Quitman, Tex. Mr. Reeves further states "We are getting along fine after our surgery last summer. My wife and I got an OK check from our doctor last week."

## Book Review Will Be Featured At PTA

At the October Parent-Teachers Association meeting scheduled for next Tuesday night, Oct. 8, at 7:30 at the High School Auditorium Mrs. G. C. Applewhite will give a book review. Supt. H. H. Nicholas will discuss "What's New in Our Schools?" and Mrs. Boyce Mosley will give "Food for Thought."

Delegates will be elected to attend the State Convention. Special music will be presented by a girl's quartet.

## F. L. Brown Retires As S. S. Supt.

F. L. Brown has retired as Sunday School superintendent at the Lockney Methodist Church after serving in that office for 16 years. He was presented with a bound Certificate of Appreciation by members of the church last Sunday.

Successor to Mr. Brown is Duard Reeves.

## Lone Star Pastor Resigns Recently

Rev. H. H. Segó, pastor of the Lone Star Baptist Church for the past 18 months, has resigned that position effective November 1st. Mr. Segó's health has forced him to give up the work, it was said.

He and Mrs. Segó will move back to their farm near Haskell.

## National Newspaper Week

## Lettuce Harvest May Begin Fri.

The lettuce harvest in this area may begin Friday of this week in some fields and will certainly be underway by the first of next week according to reports from the offices of the Lockney Vegetable Growers Association. At M. W. Wiley & Associates, the report was that harvest would begin some time next week.

Local lettuce growers will have two vacuum lettuce cooling plants to serve their needs. Both will be ready to go this week end. One has been installed by M. W. Wiley & Associates and the other at the Lockney Vegetable Growers shed.

Around 700 acres of lettuce is growing in this area and the harvest is expected to reach the peak around October 15. The price is good and is rising, being quoted at \$2.75 to \$3.00 per crate Wednesday.

One fly in the ointment is a fungus called "yellows" which is affecting some of the crop, especially early lettuce. The fungus is carried by the flea hopper and is affecting crops all over the nation this year. It prevents the lettuce from heading and thereby destroys the plants it affects. Some fields of early lettuce in this area have been damaged from 50 to 75 percent, vegetable men say.

Dick Winn will arrive here Sunday to assist Al Heskett in selling the lettuce for the association, members of that organization said.

Some turnips are being harvested here although the acreage is small. Frank Vanek has shipped two truck loads. The price is quoted at 80 cents per dozen.

A number of farmers are planting onion seed at this time looking toward an early harvest in June. Several hundred acres are being or have been planted.

## Methodist Will Remodel Building

The Lockney Methodist Church will remodel their old auditorium, cutting it up into classrooms and departments, Rev. E. Lee Stanford, the pastor said this week. The church built a new sanctuary some three years ago.

The remodeling program will provide additional Sunday school room which is badly needed, the pastor said.

## Cub Scout Meeting Thursday Night

Cubmaster Thurman Davis announced this week that he would hold a meeting of all Cub Scouts Thursday evening of this week at the Scout Hut near the City Auditorium. The meeting will start at 7:30.

All 8-year-old boys who are not in the Cubs and want to join are also invited to attend.

## Mother Goose To Take Train Ride

Students of Mother Goose Kindergarten will make a train trip to and from Lubbock next Friday.

The children, accompanied by a number of mothers, will meet at the school at 9:30 Friday morning bringing a sack lunch. They will go to Plainview to board a train and make the return trip in the afternoon.

## Dr. Longnecker To Speak At Rotary

Dr. T. C. Longnecker, head of the High Plains Station at Halfway, will be speaker at the Lockney Rotary Club's luncheon meeting on Friday, it was announced this week by Leroy Durham, program chairman.

## GO TO CHURCH SUNDAY

## Six Called For Induction Oct. 9

Six men have been ordered to report for induction into the armed forces on October 9th by Selective Service Board No. 45, covering Floyd, Hale, Swisher and Motley Counties. The six men are:

Marvin Orland Gilbert, Jr., and Thomas Jefferson Way, III, Floyd County.

James Ray Jarnigan, Swisher County.

Donnie Neil Yarborough and Geronimo Ramos, Hale County.

Fred Morris Stanley, Motley County.

To report for physical examination will be Jose Jesse Quintan.

## Children's Theatre Production To Be Seen At Plainview

The children of Plainview and surrounding communities are being offered a rare entertainment treat this fall in a series of children's plays. The Plainview Council of Parent-Teacher Association is sponsoring the plays which will be produced by Reed Lawton Productions.

The plays will offer live actors from Hollywood and New York. The action will be fast moving with variety, music and dancing and will be dressed up with lovely costumes and colorful characters.

The stories are such that they inspire the children by taking them out of a world of reality, appeal to their imaginations, and incentive is given to the use of the story in art, reading and dramatics both for school and home.

"King Midas", the first in the series, will be presented on October 3 at 4:15 in the afternoon in the High School Auditorium.

On December 6 "Puss in Boots" will play and the last in the series, "King of the Golden River" will be presented on January 10, 1958.

The cost for season tickets, which will include all three plays, is \$1.00 and admission for one play is 50 cents. Tickets will be on sale at the schools beginning Monday, September 30, and also at the door on the afternoon of the performance.

## 25 Hub Caps Are Recovered Friday

City Officers Lowell Bilbrey and Alton May and Deputy "Cap" Carthel recovered a round 25 stolen hub caps last Friday and arrested two local boys, 14 and 15 years of age. The boys admitted theft of the hub caps and were placed on six months probation.

Most of the hub caps were stolen in Lockney but a few were taken at Floydada and Plainview, the officers said.

Cars Damaged

A number of cars were damaged at the football game here last Friday night when they were smeared with paint. At least four or five cars were damaged in this way, and will probably have to be repainted, officers said. All the cars belonged to Lockney people, except one, that one belonging to the deputy sheriff at Ralls. No clue as to the culprits has been found by officers.

Also a spot light and one hub cap were stolen from a pickup parked at the game.

## Aiken Community Exhibit To Be Shown At Plainview

The Aiken community exhibit, which won first place in the recent Floyd County Fair, will be set up and displayed at the Hale County Fair starting Thursday of this week. Charlie Andrews said Tuesday.

Some new products will be added to the exhibit, of course, and it is expected to make a good showing in the Hale Fair.

Working with Mr. Andrews on the exhibit are Connie O'Brien and Bob Gibson.

## Mrs. V. D. Harris Still Very Ill

Mrs. V. D. Harris who has been critically ill in Lockney General Hospital recently, has improved but she took a slight turn for the worse Tuesday and was still under oxygen Wednesday at press time.

## First National Buys Lot For New Building

Officials of the First National Bank in Lockney have entered into an agreement with Hubert Frizzell to purchase a building site on North Main Street, it was announced this week by Charles Duran. The site is located on the corner of North Main and Houston Streets, just north of the Rhodes Super Market.

Mr. Duran said that architects had submitted three sets of plans on the proposed new building but that they had not yet decided upon any certain plan. He said that the date of starting construction was very indefinite as yet, that the building may be built next Spring or possibly the following year.

The site is 50 feet by 125 feet deep but the bank plans to acquire 24 feet additional frontage from Raymond Rhodes, giving them 74 feet fronting on Main Street. The lot is on the northwest corner of the block.

The new building will be modern, of course, including a drive-in window, night depository, private offices, brick construction, etc.

The bank plans to sell their present building, Mr. Duran said.

## Mrs. K. Barker Dies Thursday

Mrs. Kilmer Barker, 95, mother of Arthur P. Barker Sr., of Lockney passed away last Thursday evening in Pitts Hospital at Floydada. She had been seriously ill for the past three months and had been in the hospital during her illness.

Funeral services were held Saturday morning at 10:30 in the chapel of the First Baptist Church, Plainview, where she had been a member for more than 40 years. Rev. Harlan Harris, the pastor, officiated assisted by Rev. E. Lee Stanford, pastor of the First Methodist Church, Lockney.

Burial was in the Plainview cemetery beside the grave of her husband who passed away June 9, 1932. A number of Lockney people attended the services.

Mrs. Barker had made her home here near her son's home for the past 10 years. She and her husband settled in Plainview in 1909, coming to this country from Iowa. She was born April 2, 1862 in Clinton, Iowa, and was reared in that area.

Survivors include three sons, Arthur P. of Lockney, B. K. of Floydada and Paul of Santa Monica, Calif.; two daughters, Mrs. Gene Williams of Albuquerque, N. M., and Mrs. Omra Milner of Kress. She is also survived by 11 grandsons, 16 great-grandchildren, and one sister, Mrs. Anna Clark of Dewitt, Iowa.

Palbearers were grandsons, B. K. Barker, Jr., Arthur P. Barker, Jr., Barry Barker, Glenn Williams, Harvey Raymond, and Kenneth Milner.

## Frank Perkins Sells Agency

Frank Perkins has sold his insurance agency here to Carroll Minor and Charles Duran. The deal was effective this week, October 1st.

The agency will be known now as Minor Insurance Agency and Mr. Minor will be the manager. Mr. Duran will not be active in the business, it was said.

Mr. Minor, his wife and young son, Mark, moved here about six months ago. He has been representing the Amicable Life Insurance Co. The new firm will continue to represent the same fire and casualty companies which Mr. Perkins has represented and will continue to do business in the same location, Mr. Minor said. In fact, they even retain the same telephone number and post office box number.

Miss Nellie Ratliff will continue to work as a clerk in the office, it was said.

Mr. Perkins had operated the agency here for 28 years and four months. He said this week that he and Mrs. Perkins would continue to make their home here since this "is the best country in the world."

Elsewhere in this issue of The Beacon Mr. Perkins expresses his appreciation for the patronage he has enjoyed during his long tenure here and Mr. Minor solicits a continuation of that patronage.

## Mrs. Pinner Ill

Mrs. Vergie Pinner has improved since becoming seriously ill Sunday. She is receiving treatment at Medical & Surgical Hospital.

## STATE PRESIDENT PRESENTS CHARTER TO LOCAL JAYCEES

W. E. (Pete) Snelson, president of the Texas Junior Chamber of Commerce, presented the charter for the newly organized Lockney Junior Chamber of Commerce to President R. V. Webster at the conclusion of a charter night banquet Tuesday evening in the American Legion Hall here.

Mr. Snelson, who is from Midland, addressed the some 125 members and guests preceding the presentation, urging that the local organization set up some goals, and take an active part in the development of the community. He pointed out the possibility of achievement by the group and the many opportunities for service.

Mr. Snelson said the local Jaycees were the 198th such organization in Texas, that there were some 3500 in the nation, and that more than 10,000 men were active in the organization in the State of Texas alone. He described the Jaycees as a group of "Young Men Dedicated To Action."

The creed of the Jaycees as outlined by Mr. Snelson is "Faith in God, Brotherhood of men, free enterprise, government of laws, service to humanity." He said that the organization is dedicated to community betterment and the development of the individual members.

He stated that ideas always precede action and that achievement always begins with ideas. Young men with ideas and enthusiasms can achieve much.

He reviewed the history of the Jaycees organization and concluded by extending his congratulations to the club and presenting the charter.

## Mrs. Ragle At Glen Rose For Treatment

Mrs. Ida Ragle of Lockney is spending three weeks at Glen Rose, Texas, where she is undergoing treatment. Mr. and Mrs. Ray Canon took her down to Glen Rose last Wednesday.

## Bootlegger Fined \$600 And Costs

Pete Garza, arrested Wednesday morning by Deputies Ray Hardin and Ernest Huckaby on a farm near Lockney and charged with possession of liquor for purpose of sale, pleaded guilty before County Judge J. D. McBrien and was fined \$600 and costs.

CARROLL MINOR is the manager of the new Minor Insurance Agency here.

## Longhorns Open District Play At Abernathy

Stiff competition faces the Lockney Longhorns Friday night when they travel to Abernathy for a battle with the rugged Abernathy Antelopes. The game will be the first District 2-AA contest for each team.

Abernathy is reportedly a good passing team with average speed and size. The Antelopes have three regulars and 11 lettermen returning from last year's team which tied Lockney and Spur for the district championship. Abernathy was one of the pre-season favorites to win the district title.

The Longhorns will enter the game with a four win, none lost record against non-conference foes. Abernathy, who will be looking for an upset win over the Longhorns, carrier a two win, two lost record into the game.

While playing comparative opponents this season, Abernathy has beaten Tulia 26-6 and has lost to Dimmitt 0-34, while Lockney has beaten Tulia 39-13 and has downed Dimmitt 32-0.

Coach Rudy Haile said that the potent Lockney offense moved the ball well against Ralls last week but had trouble scoring. Haile was well pleased with the Longhorn defense which held Ralls to one first down. Lockney downed the Jackrabbits 13-0.

Lockney coaches said Wednesday that the Longhorn squad was in good shape and everyone should be ready for the Abernathy game.

Probable starting lineup for the Longhorns includes: Center, Duane Griffith; guards, Byron Brock, Coy Kidd, or Ronnie Harris; tackles, John Hamst and Kelly Harrison; ends, Larry Hammit and Donald Farish or Kenneth Callaway; quarterback, Billy Karl Race; halfbacks, Jerry Williams and Cliff Hardy or Nelson Wofford; fullback, Dickie Barton or Callaway. Tackle Lane Crank and Linebacker Bill Musser will be in the defensive unit.

## Oil Exploration

A twelve man crew and their families of the Burton Exploration Company of Midland, moved into Floydada on Wednesday.

The exploration company is moving to Floydada from Tulia. Their work will be in the Aiken and Lockney area and other points over Floyd County.

## Company Asks Rate Increase

Pioneer Natural Gas Co. filed a request with the City Council along with governing bodies in 47 cities in this area asking for a rate increase of \$3.00 per month for the year ending December 31.

The request asks permission to raise the minimum charge per month from \$1.25 to \$4.25 which includes the charge for the first 2,000 cubic feet. There is no request to change the balance of the rate. The 25 cents per month increase is granted, according to the Patterson, local manager.

The rate increase grant for the company was in 1951. They say they point to the increase in cost of material, labor and bringing in a necessity for the rate increase. The company has also requested permission to charge to industrial consumers of rates not exceeding those of domestic consumers and to make special contracts with large users. They say the new rate increase becomes effective December 1.

THIS IS NATIONAL Newspaper Week. If we boast a little in this column this week, perhaps our readers will understand. The theme this year is "Your Newspaper Serves." Any newspaper, daily or weekly, that is worth its salt tries its best to serve the community wherein it is published. It attempts to keep people informed on the important happenings of the day, to support worthwhile community activities, to enable local business houses to increase their sales through advertising, and generally reflect the aims and attitudes of the community to the outside world. Although newspapers are privately owned and are intended to be a means of livelihood for the owners, yet they

are in some measure also considered to be a community enterprise since they do serve the community more than any other type of business.

THE BEACON is not the best newspaper in the world. We realize this more than anyone else probably. But with the limitations of income, help and equipment we have we feel that we are doing just about as well as any newspaper in a similar size town and much better than many. The encouraging thing is that most of our readers seem to be satisfied with the paper. Recently we employed a young lady to make a newspaper readership survey in this community. We found that 84% of the families subscribe for The Beacon through the mails. This figure does not include some 75 to 100 counter sales each week. The only other newspaper to even approach this figure in the survey was The Lubbock Avalanche with 42% of the population as subscribers. Third in line was The Amarillo Daily News with 20% of the people contacted as subscribers. The Beacon staff does appreciate the support this newspaper has from the community. It makes us want to give you a better newspaper and we solicit your help and co-operation in achieving this goal.

MOST OF US are very disappointed in the action of President Eisenhower in sending troops to Little Rock, Arkansas. We are disappointed in him in other ways too, but this action tops all disappointing actions of the past. There are two reasons for the integration mess at Little Rock, politics and fear. From the political standpoint the President, pushed on by his political advisers, is trying to win the vote of the colored people of the nation by pushing integration to the limit. The Republicans are seeking the Negro vote in this way. They are willing to sacrifice many basic principals in order to appease the NAACP. The pushers of integration also talk of fear — fear of what the Communists will say and think. In the first place the world knows the Communists to be liars of the worst sort. Whatever they say will not be considered seriously by any civilized nation. So why all the fear about "what will our enemies think?" It smacks of a lack of self confidence and fear of one's own ability to deal with a situation.

MR. EISENHOWER'S armed intervention in Arkansas is a slap in the face of all people of the South. Only recently he promised that he could think of no situation when integration would be forced at the point of a gun. Less than a month later he is breaking that promise. But breaking promises is a habit with Mr. Eisenhower. He has forgotten a lot of them including 100% parity for the farmer and a promise to fight socialism and centralized government. In fact, the Socialist Democrats ought to be Mr. Eisenhower's most ardent supporters since he has drifted over to their point of view on about everything, including integration.

WILLIAM R. SULLIVAN writes from Los Angeles: "Fines have not solved moving traffic violations. Better results might be obtained by impounding the car for a few days instead. This might prove to be a deterrent big enough to stop some of our careless driving."

This is sadder Than it's funny. Our greatest export Is folding money.

THOUGHT FOR NEWSPAPER WEEK

### With Our EXCHANGES

#### FORCED INTEGRATION

We just couldn't believe he would do it. Every action, every statement of President Eisenhower has been that he could conceive of no internal situation that would require the use of federal troops. But President Ike, we are saddened to say, has changed his mind on just about every important issue that has come to him for decision. He has done exactly opposite what he promised the American people he would do. But he has made one thing very clear — integration is to be forced down the throats of the South even if American soldiers have to shoot their own brothers and sisters to accomplish it.

To make our stand clear, we want to point out that we are violently opposed to any kind of mob action. It illustrates very clearly that man's veneer of civilization sometimes is paper thin. We accept the inevitability of eventual integration of the races, not only in our schools but in transportation, public meeting places, etc. But any man, even if he be president of the United

States, who believes this can be accomplished over-night by force does not know the American people. At Little Rock, so far, there was no bloodshed. The next time (and the Little Rock crisis is not over) we may not be so lucky.—Hubert Curry in Crosbyton Review.

#### WHERE'S THE NAVY

The gravest mistake of our national life is being made at Little Rock by the use of federal troops. But this can be expected when anxious politicians and military minds start running the government. One desires power, the other expects only strict obedience to its commands.

I am neither a segregationist or an integrationist but say, if the people of a community will accept integration then let it come about peacefully, but if there is strong opposition then tread softly and take it easy.

Now the federal government has given the opposing forces a real rallying point around which they can reconstruct the KKK, night raiders, vigilantes, gorilla warfare and the very worst type of oppositionists

who feel they have been discriminated against.

A wedge has been driven through the heart of America. Strife will be our witness for months to come. You can well expect all kinds of strange political fights that will hamper our military efforts, stalemated our political progress and will bring about an end to the balance of power between the state and government, which in turn will pave an easy road for dictatorship. — Cecil O. Waggoner in Claude News.

#### PIONEER HOSPITALITY

There was a custom in the West that anyone who had hunger was privileged to drop in at any rancher's house, help himself to food if no one was at home. . . . No thought of paying or expecting pay. . . . As a matter of fact the late Charlie Merrick once borrowed a salt shake from a Castro County ranch house. He forgot and put it in his own chuck box. He acknowledged all his life having borrowed the other fellow's salt shake and intending always to return it. . . . It was one of those hospitable customs of the old West. . . . How fast and how many of the ranches will go dude ranch, with monetary aim, remains to be seen. — Plainview Herald.

Dear Editor: I see where Charlie Chaplin, former comedian, says when he was working as a movie actor in the United States the country was always kicking him around.

My semi-ancient neighbor says he recalls when all of this was going in, and well remembers how us Americans were fiendishly forcing poor Mr. Chaplin to carry a round great gobs of old dirty money all the time.

Says of course a fellow can take only so much mistreatment, but he thinks he could stand maybe a couple of million dollars worth of this type of abuse.

### To Attend B&PW District Meeting

The Plainview Business and Professional Women's Club members are all working hard and eagerly looking forward to being hosts to the 29th Annual B&PW District Conference, which is going to be held in Plainview on October 5th and 6th.

Honor guest and banquet speaker of the conference will be Mrs. Claudia Hazlewood, President of State Federation of Business and Professional Women's Clubs Incorporated.

Ann Hastings, District Nine Director, together with Wilma Courtney, President of the Plainview B&PW Club, and Jo Ann Clements, Conference Chairman, are completing plans for this two day District meeting. Other Conference officers are: Toney Lynch, secretary; Ruth Hartman, treasurer; and Vaneta Cross, parliamentarian.

Activities of the District Conference include a Tea on Saturday afternoon honoring State Officers and Club Presidents, and a banquet Saturday night. A Sunday morning breakfast will be followed by Work Shop Skits, given by each of the clubs in District Nine, which include: Amarillo, Borger, Dimmitt, Dumas, Hereford, Lockney, Lubbock, Pampa, Panhandle, Perryton, Plainview and Post.

Some members from the local B&PW Club who are planning on attending the District Conference at Plainview are: Mmes. Velma Cox, Jeffie Griffith, Ellen Wiley, Wanda Baker, Frances O'Hearn, and Dorothy Shipp.

### WEEK END VISITORS

Mrs. Finis Littlefield of Mineral Wells, and her two daughters, Mrs. Pat Jones and Mrs. Doble White and their families of Hobbs, N. M., visited with Mrs. Littlefield's sister, Mrs. Jack Warren, and Mr. and Mrs. Pat Stansell and family the past week end. Also visiting were Mr. and Mrs. Alton Warren and son of Whitharrel.

### Nets Band \$110

The Fall Style Show, sponsored by Lockney B&PW Club, held Saturday at 2:30 in the High School Auditorium was marked with enthusiasm by a large number of women and men from Lockney and surrounding towns. The net proceeds amounting to approximately \$110.00 is to benefit Lockney Longhorn Band.

Approximately 130 guests composed the audience and 58 women and girls participated in modeling an array of beautifully tailored garments styled for holiday, sports, casual and sleep wear, furnished by Jack & June Shop, Lockney. The ten-piece High School Orchestra, under direction of Clyde Seaman, furnished music and Mrs. Robert Lee Smith was narrator for the event.

Colorful lighting effects and fall decorations added much to the atmosphere of the show. Serving on the decoration committee were Mrs. Revis Harris, Mrs. Jesse Cox and Mrs. Carl Blair.

Refreshments were served from a table laid with white linen and centered with an arrangement of fall flowers. Presiding at the table were Mrs. Claude Holley, Mrs. C. J. Taylor and Mrs. Dorsey Baker.

Members of Lockney F. F. A. built the ramp in the auditorium with lumber furnished by Lockney Lumber & Supply. Parker Furniture Store furnished the rug which covered the ramp.

Among the out-of-town guests were Mrs. Ann Thomas, Mrs. Carl Jackson, Mrs. V. D. McLaughlin, Mrs. J. B. Wheeler, Mrs. A. G. Williams, Mrs. C. G. Brown, Mrs. J. E. Roberts, Mrs. E. O. Cates, all of Plainview; Mrs. Percy Hart of Hart, Texas; Mrs. Slim Robertson and Mrs. E. M. Jackson, Mrs. Lewis Lloyd, Floydada; Mrs. B. A. Simmons, Dallas; Mrs. Doc Blanchard, Lubbock; Mrs. T. F. Howe, Panhandle, Texas; and Mrs. Charles Whitfill, Silverton.

Mrs. J. J. Duanas of Marietta, Ga., left Saturday for her home after a visit here with her parents, Mr. and Mrs. O. W. Keeter.

### Held In Ralls Home

Mrs. E. A. Bonner of Lockney, Mrs. Margie Cowley and Mrs. Burl Griffith of Ralls entertained with a bridge-luncheon in the beautiful new home of the Burl Griffiths in Ralls Wednesday, September 25.

Most impressive feature of the occasion, according to local guests, was the atmosphere of uniqueness and complete livability of the home which is furnished throughout with antiques.

The luncheon was served buffet style to Mmes. Rex Jackson, Estelle Powers, Rozelle Sams, Margaret Doiman, Birda Foster, Ve Jackson, all of Lockney, Mmes. Patsy Grey, Orle Edwards, Jikie Spikes, Billy May Abell, Katherine Pruitt, Maurine Spacie, Evon Carlile, Loraine Hinton and the hostesses.

### CARD OF THANKS

Words can't express our sincere gratitude to our friends and neighbors for the wonderful assistance you have given us since Joe's illness. May God richly bless each and every one of you, is our prayer. Mr. and Mrs. Joe Phillips.

LOCKNEY WINS DEFENSIVE BATTLE 13-0

## Longhorns Down Ralls 'Rabbits'

Lockney's powerful Longhorns roll along. The high-flying Horns relied on a strong second half to win from the unbeaten list, 13-0. The win, Lockney's of the Year, was witnessed by a capacity crowd of 2500.

Longhorn win was more than the score indicates. The potent backfield of 366 yards and 62 yards but had crossing the double. Lockney had one touch-down. A beautiful 54 yard run by Williams, nullified by a motion penalty.

On the defensive most game, held the explosive machine to a 0-0 half score, but the Longhorns 53 yards to score in the quarter and a 51 yard netted six points in the quarter.

Lockney's rugged defense. Hanst, Lane Crank, Kelly, Bill Musser, Duane, Larry Hammit, Donald, Coy Kidd, Byron Brock, Wofford, Dickie Bartoa, Hardy, Billy Karl Race, Callaway, and Jackie Hanst, limited Ralls to 75 yards and only one first down. The pass defense looked generally good.

The speedy Williams gained another Lockney first on the Ralls 33. Williams carried for 7 and Hardy reached the 15 for another first. Barton made 4 and 2 and Callaway ripped off a first on the 4. Callaway carried for 3 and Quarterback Race scored on a keeper play from 1 yard out. Race also carried for the extra point and Lockney led 7-0 with 4:37 remaining in the third quarter.

Hanst booted an on-side kick which was covered by the 'Rabbits on Ralls' 41. A fumble gained 4, a pass fell incomplete, Race broke through the line and pulled the runner down for an 11 yard loss, and Ralls punted out of bounds on the Lockney 49.

Barton plowed for 2, Race kept for 3, and Williams rolled up a first on the Ralls 40. Hardy made 2 and sparkplug Williams picked up another first on Ralls' 30. Hardy made 3 and Barton plowed for 6 as the third quarter came to an end. Score: Lockney 7, Ralls 0.

Race racked up another Longhorn first on the Ralls 16 as the final quarter started. Fullback "Bigger" Barton raked 16 yards to score and Lockney took a 13-0 lead with 11:15 left to play in the game. Try for point failed.

Hanst's kick rolled to the 12 and the ball was returned to the Ralls 34. The 'Rabbits' made 3 and 1, lost 1, and punted to the Lockney 22 with Hardy carrying back to the 30.

A clipping penalty moved the ball back to Lockney's 10 but Williams scampered for a first on the Longhorn 46. Hardy made 4 and 5 and Race picked up a first on the Ralls 43. Hardy moved for 2 and Barton drove for a first on the 24. Williams gained 3 but a 15 yard penalty against Lockney moved the ball back to the Ralls 38. Williams was stopped on the line. Race made 1. Race passed 7 yards to Farish, a pass fell incomplete, and Ralls took over on their 30.

The 'Rabbits' made 4, had two incomplete passes, and punted to the Lockney 32 with a 2 yard return moving the ball to the 34.

Barton bulled for 8 and Williams cut down the right sideline and romped 58 yards to paydirt but Lockney's backfield was in motion and the play was called back. On the next play Lockney was charged with an offside penalty which moved the ball back to the Longhorn 32.

A Race - to - Farish pass worked for 36 yards and a Longhorn first down on the Ralls 32. Williams moved for 2, 3, 5, which gave Lockney another first on the 22. Barton broke away to the 5 and Race moved to the Ralls one yard line as the game ended. Final score: Lockney 13, Ralls 0.

## 2-AA Teams Will Open Dist. Play

Three conference games are on tap for Friday night in District 2-AA with the spotlight being on the Lockney - Abernathy game at Abernathy. The Longhorns and Antelopes, along with Floydada and Spur, were pre-season picks to carry off the district title.

Lockney's powerful Longhorns were this week rated as the best AA team in the Panhandle - South Plains area by both the Lubbock Avalanche - Journal and the Amarillo Globe - News. The Fort Worth Star - Telegram Terrell and Stamford in their statewide class AA rating.

Floydada was placed fifth in the area by the Globe - News. Other district games include Post at Slaton and Spur at Tahoka. Slaton and Spur should come through with victories.

Floydada has an open date in the initial week of district competition. Lockney, Floydada, Spur, and Slaton scored impressive wins in games last week to give the district a four won, three lost record for the week.

Lockney took their fourth consecutive victory of the year as they knocked Ralls from the unbeaten, untied rank. The Longhorns won 13-0. Floydada, who suffered their only loss at the hands of Ralls, racked up an easy 34-6 win over Paducah. Spur, another 2-AA power, crushed Crosbyton 40-0. Slaton won their first game as they toppled Roscoe 39-20. The Tigers had suffered three losses to powerful teams prior to the Roscoe contest and figure to be tough in district play.

Abernathy suffered a disappointing 34-0 loss to Dimmitt in a game that was rated a toss-up. Hapless Post and Tahoka were again beaten, Post falling before class B O'Donnell, 14-2, and Seagraves trampling Tahoka 51-0.

Other area games included: Plainview 23, Levelland 13, Dumas 20, Canyon 19, Hereford 37, Tulia 20, Olton 13, Hale Center 7, Muleshoe 33, Springlake 6, Petersburg 24, Wilson 0, Happy 26, Silvertown 0.

The record of each club in the district previous to conference play:

Team	W	L	T	Pct.
Lockney	4	0	0	1.000
Floydada	3	1	0	.750
Abernathy	2	2	0	.500
Spur	1	1	2	.500
Slaton	1	3	0	.250
Tahoka	1	3	0	.000
Post	0	4	0	.000

Ralls 0.

Statistics:

	Lky.	Ralls

## B Team, Jr. High Travel To Floydada

The Lockney Longhorn "B" team and Lockney Jr. High team will travel to Floydada tonight (Thursday) to battle like squads from Floydada.

Lockney's "B" team scored in the last minute and won a 14-13 decision over Floydada "B" team in a game played earlier this year on Mitchell-Zimmerman field. Floydada Jr. High handed the local Jr. High their only loss of the year, 32-6, in the Shorthorns first contest.

The two local teams traveled to Crosbyton last week and both came home with victories. Coach Troy Lemley's "B" team scored a 38-18 win and ten their winning skein to three straight. Alvin Hays, Ronnie Thornton, and Jimmy Minter did the scoring for Lockney while Milton Mickey and Ricky Duvall were standout linemen.

Fullback Terry Mosley scored two touchdowns and led the Jr. High team to a 19-6 victory over Crosbyton Jr. High. The Shorthorns coached by Weldon Dodson, have compiled a two won, one lost record this season.

Probable "B" team lineup against Floydada includes: center, Wayne Cooper; guards, Larry Elam and Wyman Cooley; tackles, Duvall and Garland Sams; ends, Mickey and James Davis; quarterback, Minter; halfbacks, Hays and Thornton; fullback, Jerry Weiland.

## Race, Williams Are Longhorn Scoring Leaders

Billy Karl Race, Longhorn quarterback, scored seven points against Ralls and moved into a tie with Jerry Williams for the scoring leadership. Race and Williams, lightning-fast left halfback, have each tallied 30 points.

Race scored Lockney's first touchdown from one yard out and made the extra point on a keeper play late in the third quarter against Ralls to start the Longhorns to victory. Williams was held scoreless Friday night but was the leading ground gainer and had a 58 yard touchdown run nullified by a backfield-in-motion penalty.

Dickie "Bigger" Barton, hard charging fullback, added six points against Ralls and brought his seasonal total to 19 points. Cliff Hardy failed to cross the double-stripe last week but has already tallied 18 points.

Other Longhorns who are credited with scores include John Hanst, seven points, Nelson Wofford, and Kenneth Callaway, six points.

The Longhorn offensive machine was slowed last week by a rugged Ralls defense but has scored 116 points in four contests for an average of 29 points per game and the powerful defensive unit has allowed only 20 points for an average of five points per game scored by the opponents.

Eskimoos are considered a kin to the American Indian.

## Longhorns Continue To Lead District

Lockney remains the top scoring team in District 2-AA although the Longhorns could push across only 13 points last week against rugged Ralls.

Floydada scored 34 points against Paducah last week and have begun to push the Longhorns for scoring honors. The Longhorns have tallied

116 points this season and Floydada has pushed across 93.

On the defensive picture Lockney and the Spur Bulldogs have been the stingiest squads, allowing only 20 points in four contests. Floydada has permitted only 34 points to be scored against them.

Following is a list of scoring by and against each team in the district:

Team	Points	Op's
Lockney	116	20
Floydada	93	34
Spur	54	20
Abernathy	64	61
Slaton	59	86

## DOODY'S EGG

Galveston, Texas. — Doody, a little black bantam hen, was the talk of the neighborhood when she laid a tiny little heart-shaped egg.

She surprised her owners, Mr. and Mrs. Al Jones and their seven children, and a poultry store owner, who said they never saw or heard of an egg like that. The only one around who was unimpressed was Doody's red bantam spouse, Elvis, who was merely indifferent.

## Teacher Series Begins On TV

Austin — The biggest class-  
 room in Texas will be called  
 into session, Saturday morn-  
 ing, September 28, when the  
 unique educational series, "Ad-  
 ventures in Education" begins  
 on 12 of the 18 participating  
 stations.

Students will have to get out  
 of bed early in order to be in  
 front of their television sets at  
 7:30 a. m. when the "class" is  
 aired on a state-wide network  
 originating in WBAP-TV, Fort  
 Worth. Six stations will carry  
 the series by film, beginning  
 on various dates after Septem-  
 ber 28.

Prospective teachers, in-ser-  
 vice teachers, and interested  
 parents and civic workers will  
 be watching the first in the 26-  
 week series which offers a three-  
 year teaching permit to the  
 college graduate who complet-  
 es the reading assignments  
 and final examination for the  
 course.

"Adventures in Education" is  
 a cooperative project of tele-  
 vision stations who are giving  
 public service time, schools,  
 colleges and universities, and  
 the Texas Education Agency.  
 Course instructor is Dr. Arth-  
 ur H. Moehlman, pioneer in  
 the use of visual aids, who is  
 on leave of absence from The  
 University of Texas education  
 faculty.

The state-wide network in-  
 cludes Station KCBD-TV, which  
 will begin the series on Satur-  
 day, September 28 at 7:30 a. m.  
 Enrollment may be complet-  
 ed through any of 46 partici-  
 pating colleges and universi-  
 ties. Enrollments will continue  
 until three weeks after the  
 course begins on the local sta-  
 tion of the prospective student.

Additional information is  
 available from the Texas Educa-  
 tion Agency, Capitol Station,  
 Austin, Texas.

### South Plains

By Mrs. Murray Julian

Our news this week centers around the birth of our pastor's first son, the World Series baseball games which everyone will watch or hear, and some from here will attend, the beginning of grain harvest in some fields, and the eldest sons wedding in your correspondents family.

All the neighbors and innumerable friends have clustered around the Lockney General Hospital all last week and this for news of Mrs. George Weast, who lies ill, and at this Monday writing is reported by her husband to be some better. She has been unconscious, but is conscious now, and did not rest too well Sunday night, since the pain of the disease is very bad. We all hope for good news soon.

We are happy to announce the birth of a son, Lawrence Glenn, to Rev. and Mrs. Larry Faus. The baby arrived Thursday morning, Sept. 26, at Peoples Hospital in Floydada. Rev. Faus is pastor of South Plains Baptist Church, and this is their first son. He weighed 8 pounds and 4 ounces, and was 20 1/2 inches long at birth. The Faus' have a daughter, Vassie Beth who will be four years old Nov. 29. Maternal grandparents are Mr. and Mrs. Lloyd Fincher of Lamesa.

Mrs. Elmo Reves was taken to the hospital in Lockney Sunday and we are sorry to hear she is still there at this time.

Mr. and Mrs. John Wilson and La Nita Sue went to Roaring Springs Sunday after-

noon to attend a singing. We are glad to know Oleta is able to be up and out since her recent illness.

Kendis Julian and Alton Higginbotham of WTSC at Canyon came home Saturday afternoon to stay the night and Sunday with their parents. Elton Karr from Wayland College, Plainview, was also home over Sunday.

We congratulate Wendell M. Johnson on getting the first bale of cotton of 1957 at the Morrison Cotton Gin in South Plains. The cotton came in last Friday, Sept. 20, with 1,760 pounds of seed cotton, which made a 440 pound bale. E. L. Morrison paid fifty cents a pound for this bale. Bill Beedy brought in the 2nd and 3rd bales soon afterwards.

Mr. and Mrs. Fred Fortenberry spent Friday and Saturday in Fort Sumner, N. M. with her youngest brother and family, Mr. and Mrs. Cecil McCain. The Fortenberrys have heard from Elmo this past Thursday, but he has received no further orders as to when he will be home.

Mr. and Mrs. Paul Snodgrass went to Andrews last Thursday to visit her brother, Mr. and Mrs. Jack Welch, who teach there.

Mr. and Mrs. Raymond Upton were hosts Thursday night at 8 o'clock at a hostess party for the women, and games of forty-two for the men. The ladies made plans for a pre-nuptial shower for Miss Virginia Taylor whose home wedding to Joe Taylor of Lockney is set for Oct. 12. The shower will be held on October 8, 7:30 to 9:30 in the

home of Mrs. Raymond Upton. Mrs. Upton served refreshments of sandwiches, cupcakes and coffee to Messrs. and Mmes. Horace Marble, Grigsby Milton, Ernest Smitherman, Bryan Karr, Bill Beedy, Early Pritchett, John Key West and Mrs. Bryant Higginbotham. Other hostesses not able to be present are Mmes. H. R. Hartman, Dock Jones, R. E. Young, M. M. Julian and L. T. Wood.

Mr. and Mrs. Ursel Taylor and children, Mr. and Mrs. Bryant Higginbotham and Bud, the Raymond Upton and son, Jimmie, were South Plains people who enjoyed the Panhandle South Plains Fair and "Holiday on Ice" Monday of last week.

Terry Julian of Fort Knox, Kentucky arrived home Friday afternoon after spending several months at the Armor School. He went to Roscoe Saturday to visit a few days with Mr. and Mrs. R. E. Althof and daughter, Miss Leona Althof.

Herman Thornton was among the big winners at the Panhandle South Plains Fair in Lubbock this past week. One of his fine Black Angus yearling bulls won grand championship.

Mr. and Mrs. C. G. Cobb of Tulsa visited Sunday in the home of Mrs. Cobb's sister, Mr. and Mrs. Arby Mulder and children.

Miss Kay Garrison, Silverton, was a guest Sunday of Miss Donita Milton. James Teague of Floydada was at church with Miss Juanell Wood.

Mr. and Mrs. S. D. Kinniburgh and girls spent last week end at Truscott, Vera and Crowell. Her mother, Mrs. Spivey was better and able to be out of the hospital at Crowell.

Mr. and Mrs. Bradford Beedy and Scott of Lubbock came Friday for the football game between Floydada and Paducah. Scott spent the weekend here with his grandparents, the Bill Beedys. Mrs. Bill Beedy took him home Monday. She plans to visit in Stinnett with Mr. and Mrs. Chas. Beedy Tuesday, Oct. 1 for the birthday celebration of her granddaughter, Cynthia.

Mr. and Mrs. Billy Staniforth Jr. left Monday morning by plane for New York City where they plan to spend a few weeks attending World Series baseball games. They have many things of interest ahead including the shows there, and were fortunate to get tickets for My Fair Lady. Others going from here to the games are the parents of Kenneth Bean, Mr. and Mrs. J. K. Bean of Silverton. They will also visit a son, Donald Bean who is stationed in New Jersey.

Mr. and Mrs. Garvin Beedy and children visited Sunday in the home of Mr. and Mrs. Rex Smitherman and family.

### 7 Floyd Students At Wayland College

Plainview — Floyd County is represented by seven students at Wayland Baptist College which began its 49th year on Sept. 18, according to Dean Cecil Cosper. They are among the students from seven foreign countries and 24 states.

Foreign countries and territories represented are Alaska, Columbia, France, Hong Kong, Okinawa, Japan, and Philippines. New Mexico leads out of state areas with 46 students. In second and third places are Oklahoma with 24 and Colorado with 11. California is next with 10 students.

Floyd countians enrolled are: Aiken, Richard Brewster and E. O. Adams, Lockney, Francis Lemons, and David Hartman, Flomot, Dinzel Leonard, South Plains, Bryan Karr, Floydada, John Baird.

Corinthian architecture is characterized by columns, usually elaborately fluted and carved.

James Hartman is still in Pitts Hospital, Floydada, and will have to be there 5 days. He was hurt in the wreck of his car last Thursday night. No one knows exactly how it happened, but the car was damaged beyond repair. We are glad to note James wasn't seriously injured.

Mr. and Mrs. John Smitherman left Saturday for Denver, Colorado to attend an REA convention. They plan to be home by next Wednesday.

Among those here that have gotten out a few bales of cotton are Bill Beedy, Early Pritchett and Chester Hidalgo.

Mr. and Mrs. Frank McClure arrived home from Houston Wednesday night after an absence of a week. Their grandson, Frank Wayne had just come from the hospital with pneumonia.

Mrs. Otis Sandusky, Denver, Colorado, will arrive Thursday in Canyon and will come home with Kendis and Terry Julian and be here over the weekend for the wedding of Miss Leona Althof and Terry Julian which will take place in Roscoe Saturday evening.

AT THE LEFT is L. K. (Shorty) Sherman and his son, Bill, in near-waist-high cotton on the Sherman farm in the Pleasant Valley community. At the right is BILL, who operates the farm, in a field of grass which he planted for the seed. He has switch grass, side oats gramma, and Indian grass in this 20-acre field.

**F. H. A. Aids In Developing And Expanding Sherman Farm**

Due to a need for a soil and conservation loan to farmers, the Farmers Home Administration began a new program for this type of loan in the fall of 1954. The first applicant for this new type of loan in Floyd County was Lewis K. (Shorty) Sherman of Lockney. Sherman owned a 249-acre farm in the Pleasant Valley community that had one 8-inch well and it was in need of repair. He needed another irrigation well and underground tile. Mr. Sherman had approximately 75 acres of land that was practically barren. He had another 50 acres of land that he irrigated by buying water from his neighbors, an unsatisfactory method.

His house and out-buildings were in bad need of repair. Mr. Sherman had a lien on his farm and he felt he had his hands financially tied where he could not get the production he needed from his farm. He needed a long term loan with cheap rate of interest to re-arrange his farming unit.

Since getting his soil and water loan which enabled him to get his well repaired, install a new 8-inch well and underground tile, he has been able to get his farming program into operation. Mr. Sherman turned his farm over to his young son, Bill Sherman and his wife, Mary. Bill had attended Texas Tech and had studied agronomy and was eager to return

and to help re-arrange the farm.

Bill and Mary have done a remarkable job of farming. Bill began applying new agricultural methods and techniques to get the farm in better production. He was, however, delayed with his progress due to hail in 1955. This heart-sickening experience did not stop him from carrying out his objective to succeed on the farm. Bill knew he needed to make preparations to make more production for the 1956 crop year. In August of 1955 he over-seeded his cotton with vetch and due to the fall rains in 1955, the vetch made good growth. The vetch was plowed under and planted in cotton which he made one and three-quarters bales on the 30 acres of vetch and cotton. Bill believes the vetch would be best in crop rotation with the inter-planting of vetch and cotton and followed the next year with grain sorghum. Bill has tried the vetch in his cotton three times and has had only this one good experience. The success of this operation depends largely on fall weather conditions.

In order to convert some of the poor land into better land, Bill has put 27 acres in the conservation reserve soil bank. Bill has planted sand-love grass for this soil building program.

In the way of cash crops, he has converted 20 acres of idle land to grasses. He has planted eight acres switch grass, six acres side oats gramma and 10 acres Indian grass. The grass is being established, but he has a contract for the seed produced. His switch grass is a sure producer this year and the estimate yield is 350 pounds to 400 pounds per acre. The grass is contracted at 60 cents per pound and for land that was not producing anything except weeds and now producing \$175 to \$200 of crops is quite a feat. Bill has plans for more grass to be planted but wants to go slowly as this is a new experience for him.

Mr. Sherman pointed out the soil and water loan has increased the gross farm income to approximately 70% which has permitted him to tear down the old house and rebuild out-buildings. In asking Mr. Sherman about his loan, he commented it was work to get it, but it was worth his efforts. He was determined to get the needed improvements, but was happy he could get one loan that could give him what was needed.

Jack Kassahn, County Supervisor of Farmers Home Administration in Floyd County has said his office has loaned \$146,275 since the inception of the new program. Of the amount loaned there has been \$27,771 maturities due and \$25,014 has been met.

The interest rate is 4 1/2% and the loans are generally 5 to 15 years. Up until now, all loans have been made by insured money put up by private investors who draw 3 1/2% on their notes. The government receives 1% for handling and servicing. There are two banks in this area who have put up a portion of the money that has been loaned. The success of the program depends to a degree to investors who want guaranteed investments at 3 1/2%. Further commitments of investments are needed.

Mr. Kassahn stated the soil

just for the purpose of installing irrigation units. Some of the purposes are such improvements as construction and re-arranging of terraces, dikes, ponds and tanks, ditches and erosion control structures. Also sodding, subsoiling, pasture improvements, brush removal, land leveling, and fencing.

### Deep Tillage Gives Temporary Aid Controlling Erosion

College Station. — Unless it's done properly, deep tillage may make soil more vulnerable to the relentless gales of the Great Plains. But when drought strips the land of its protective cover, heavy clouds of soil turned up to the surface can help to reduce wind erosion.

Deep tillage is most effective and practical on land where a deep sand 12 to 24 inches deep covers a layer of clay, says Jack Barton, extension soil and water conservation specialist. Turning the clay up can help because a rough surface gives the best resistance to wind erosion. Therefore, the more cloddy the soil, the greater will be the surface stability.

Speed of tillage proved to be one of the most important factors in obtaining maximum surface roughage, notes the specialist. Tests in Kansas indicate that trails should be made at the beginning of any deep tillage operation to see what speed will produce the greatest cloddiness under whatever local conditions exist.

Spacing, too, is important. Barton points out that chiseling at 27-inch spacings gave 50 percent more roughness and resulted in 75 percent less erosion than chiseling at 54-inch spacings. But it took five horsepower more tractor power to pull narrow chisels spaced at 27 inches than for those at 54 inches. Where wide spacing is necessary, duckfoot shovels would be better under some soil conditions to bring up enough clods.

Depth of tillage had less effect than these other controllable factors in the Kansas tests. The most effective depth depended upon speed, spacing of tool heads and other things. As a general rule, deeper tillage produced greater surface roughness, but increased roughness was not enough in most cases to justify the extra horsepower required.
