Man "Greatly Disturbed" Over Age Change

George Mahon of the district said this week he is "greatly disturbed" over a change in the method of allotment of cotton acreage which is now pending before officials of the Department of Agriculture.

Mahon said in a statement that he is "greatly disturbed" over a change in the method of allotment of cotton acreage which is now pending before officials of the Department of Agriculture.

Longhorns-Whirlwinds Vie For 2-AA Title Friday Night

This is 'do-or-die' week for the Lockney Longhorns.

District 2-AA title, as well as the Floyd County Championship, will be at stake Friday night when the Longhorns and Floydada Whirlwinds clash on Floydada's field at 8 p. m.

The Longhorns and Whirlwinds are ancient rivals and, with the title on the line, the contest should be very hard fought.

Lockney Coach Rudy Haile stated early this week that this was the most important battle for the Longhorns in the four years he has served as head man for local footballers.

The Whirlwind eleven is reputed to have an exceptionally fine passing attack with quarterback Ronnie Downing doing most of the tossing. End Butts Beedy and Bill Patterson are good receivers. Fourteen returning lettermen dot the powerful Whirlwind squad which also includes an exceptional crop of sophomores. Fullback Grant Cooper, co-captain, and Frank Potts, halfback, bolster the running attack. Floydada's hefty defense has allowed only 47 points this season for an average of 5.88 points per game.

Comparative opponents indicate that the teams are well matched. The Big Red from Lockney downed Ralls 13-0 but the Jackrabbits upset Floydada 16-6; Lockney rubbed out Abernathy 42-13 while the Whirlwinds romped over the Hale County crew 33-0, the Longhorns walloped Slaton 25-0 and Floydada outscored the Tigers 26-13; Lockney romped over Post 34-0 and Floydada clobbered Post 41-0 last week.

Lockney has claimed eight straight victories this season, four of which came in 2-AA, and Floydada has been the winner in seven games, four of which have come in district action. The Whirlwinds upset loss to Ralls is the only blemish on their record.

Coach Haile said that Floydada would be at their peak for the game but he feared the Longhorns might let down a bit after last week's win over Spur.

The Longhorn mentor expressed belief that the Whirlwinds would pass much more than any foe his club has met. Haile stated that the performance of defensive halfbacks, Cliff Hardy, Nelson Wofford, and Jimmy Minter, would probably determine the outcome of the contest.

According to Coach Haile the rainy weather could be an advantage or disadvantage to either squad.

Tuesday afternoon the Longhorns worked in J. R. Belt's barn and pasture and coach Haile stated that the club would probably work out in a pasture the remainder of the week.

Haile was well pleased with the team's performance against Spur last week. He termed the win a "team victory" and said the defense played a very rugged game. He also praised the backs for their improvement on fumbles.

Coy Kidd, stalwart guard and linebacker, will probably not see any action against Floydada because of a knee injury suffered in the Spur battle. Everyone else should be ready for the Friday game coaches said Tuesday.

Probable offensive starting lineups include:

Floydada Whirlwinds

Position	Name	Weight
LT	Buttons Beedy	156
LE	Dale Lawson	186
LG	Danny Shipley	187
C	Vaughn Ginn	200
RT	Bill Gilliland	170
RG	Ed Whitehead	187
RE	Bill Patterson	166
QB	Ronnie Downing	163
LH	Frank Potts	165
RH	Rammy Vickers	156
FB	Grant Cooper	175

Lockney Longhorns

Position	Name	Weight
LT	Larry Hammit	160
LE	Kelly Harrison	180
LG	Byron Brock	165
C	Duane Griffith	170
RT	Ronnie Harris	145
RG	John Hanst	185
RE	Donald Farish	165
QB	Bill Race	180
LH	Jerry Williams	150
FB	Dickie Barton	165

On defense Lockney will use Lane Crank, 220, Bill Musser, 150, David Howell, 165; Cliff Hardy, 150; Nelson Wofford, 140; Jimmy Minter, 150.

Voters Approve Road Bonds By 77 Percent

Floyd County voters reversed two previous decisions Tuesday by approving a \$294,000 road bond issue by better than 77 percent. The total vote was 922 favoring and 264 against the issue.

The total of 1186 votes, although less than half of the county's potential, is considered a good vote in view of the weather. Roads are very muddy and a slight mist and drizzle fell most of the day. People who live on dirt roads find it difficult to get out.

The \$294,000 in bonds will be used to pay for one-half of the right-of-way on a county-wide road improvement program. State Highway 70, running through the county east and west, will be improved all the way with the section from Floydada to the Hale County line on the west being made into a four-lane road. It will also be four-lane east of Floydada for four miles and then will be widened from that point to the county line. State Highway 62 from Floydada south to the Crosby county line will also be improved with a little over three miles just out of Floydada being four-laned and the remainder widened.

The State Highway Commission pays for the remainder of the right-of-way under a bill passed by the last regular session of the legislature and will also pay all the paving costs. Highway Commission Chairman Marshall Formby of Plainview has stated that the section from Floydada to the Hale County line will be built first due to the very heavy traffic on this section of road.

Most all the big boxes in the county gave the bond issue overwheming approval. Their vote in the last two elections, approved the bond issue by better than the required two-thirds as did three boxes at Floydada. Northeast Floydada approved the bonds by 60 percent.

Five boxes in the county voted against the bonds and three others gave the proposition a majority but not the necessary two-thirds. Voting against were South Plains, Cedar Hill, Fairview, Baker and Goodnight. Approving by less than two-thirds were Providence, McCoy, and Northeast Floydada. Two boxes, Sterley and Starkey, did not cast a vote against it.

Here is the vote by boxes:

Box	For	Against
SW Floydada	290	29
Starkey	16	0
Allmon	12	2
Sandhill	20	8
E. Lockney	49	16
Providence	18	11
Lone Star	16	7
South Plains	17	24
Cedar Hill	9	30
Fairview	4	6
Harmony	15	5
Goodnight	1	10
W. Lockney	144	47
NW Floydada	138	16
Dougherty	45	3
Sterley	16	0
McCoy	15	8
NE Floydada	40	10
SE Floydada	24	16
NE Floydada	12	3
Absentees	922	264

Rev. Temple Lewis of Tye, Texas, accepted a call to be pastor of the Lone Star Baptist Church last Sunday morning. The church had issued a call to Rev. Lewis some two weeks previous.

Rev. Tye and his family will move into the parsonage at Lone Star this week, if weather permits. He had served as pastor of the church at Tye for several years.

Rev. and Mrs. Lewis have five children, a son 12, a daughter 14, another son attending Hardin Simmons University at Abilene and two married daughters.

Rev. and Mrs. H. H. Segro moved from Lone Star back to their farm near Haskell last week. Rev. Segro resigned as pastor of the church some time ago.

The continued rain brings danger of falling feed as well as poor cotton grades. The lettuce crop in this area is also probably ruined, vegetable men say.

Ross Cooper returned home Wednesday after spending a week in Veteran's Hospital, Amarillo receiving a medical check-up.

E. L. GAYLEAN, representative of the Texas State Teachers Association, will speak at a meeting of the county unit of the Association here Monday night. The dinner meeting is the first one of the year for the teachers association unit. It will be held in the high school cafeteria starting at 7 p. m.

Mr. Gaylean is director of research and records for the state organization. He will discuss HCR 105 and the long-range study program for Texas Public Schools which it proposes. A music group from Junior High will add to the program.

Jan Widener Is Jaycee Speech Contest Winner

Jan Widener, senior in Lockney High School and daughter of Mr. and Mrs. Lloyd Widener, is the winner of the "Voice of Democracy" speech contest sponsored by the Lockney Jaycees.

The entire speech class, taught by Mrs. Sid Thomas, wrote their own five minute speeches and entered the contest in class. By vote of the class the best six speeches were selected and these were then put on tape and taken to Plainview where they were judged by the head of the speech department at Wayland College and Mrs. Willie Merle Haithecock, county superintendent of schools in Hale County and a former teacher in the Lockney schools.

They were asked to select the best three speeches and these were Charlyne Brown, Jean Wofford and Jan Widener.

These three speeches were then recorded and sent back to the same judges for the decision on the best speech. Miss Widener was presented a plaque designating her as winner of the contest during assembly last Friday morning. Presentation was made by Dick Whiteley.

Her recorded speech will be entered in the regional contest sponsored by the Texas Junior Chamber of Commerce and the winner in that contest will go on to the state contest.

Moisture Totals 2.65 Inches Here

It isn't cheering news but The Beacon must report a total of 2.65 inches of rain the past week. The gauge kept by Jim Bob Reynolds of The Beacon force showed 2.05 up to noon Monday and another .60 on noon Wednesday.

Farm harvesting is at a standstill and probably will be for several days yet. Grounds are very soggy and the weather man doesn't offer any relief from the murky weather until Friday and he half way promises more of the same.

Jack Orr, TEC representative, reported that his survey Wednesday showed a total of 3803 bales of cotton ginned at all gins in Lockney, Lone Star, Sterley and Aiken up to Wednesday noon. This is an increase of almost 1,000 bales over the report a week ago but where the cotton came from he didn't know. Most of the last week has seen nothing but drizzle.

The continued rain brings danger of falling feed as well as poor cotton grades. The lettuce crop in this area is also probably ruined, vegetable men say.

Ross Cooper returned home Wednesday after spending a week in Veteran's Hospital, Amarillo receiving a medical check-up.

Accidents Claim Lives Of Three Here Tuesday

M. C. Dodson Is Crushed In Auto-Truck Accident

M. C. Dodson, 32-year-old Electra truck driver, was crushed to death about 7 p. m. Tuesday in an auto-truck accident on Highway 70, four miles west of Lockney. Injured in the accident was W. R. (Pont) Darnell, Lockney groceryman.

Dodson was crushed in the cab of his 1956 Mack diesel truck when he applied his brakes quickly in trying to avoid an accident and the 30,000 pounds of 3-inch drill stem pipe he was hauling slipped forward smashing the cab. He was pinned against the steering wheel and dash of the truck and apparently died instantly. Dr. W. J. Mangold of Lockney went to the scene of the accident and pronounced Dodson dead at 7:10 p. m.

Darnell was returning to Lockney from Plainview. Officers reported that his pickup slipped off the pavement and as he pulled back onto the pavement the pickup swerved across the pavement toward the big truck. It was at this instant Dodson applied his brakes. The pickup plowed into the side of the truck trailer. Darnell suffered a fractured leg, four fractured ribs and four teeth were knocked out. He is under treatment at Lockney General Hospital but his condition is not considered critical.

Members of the Lockney Volunteer Fire Department as well as local and county officers, Highway Patrolman Marion Cole and a wrecker crew from Plainview worked for almost three hours and a half trying to free Dodson's body from the smashed cab. Some of the drill stem was unloaded and cutting torches were used to cut through bolts holding the truck and trailer together. Finally a big Miller & Miller freight truck was hooked to the front end of the smashed truck and another large truck hooked to the trailer and they were pulled apart, thus moving the pipe away from the cab. Then a chain was hooked on to the back of the cab yulling it apart to free the body at about 10:20 p. m.

A Plainview ambulance took the body to Lemons Funeral Home in Plainview where arrangements are pending.

Dodson has been married twice, according to a statement from Harold Owens, who was driving another truck following Dodson. He is survived by his present wife, three children by his first wife and one by his second. The truck belonged to the Bill Gee Trucking Company of Electra and the two were enroute to California with the drill stem, the truck driver said.

A misting rain was falling at the time of the accident. The highway was partially blocked for the entire three hours and officers and firemen routed cars along a single lane around the big truck.

School Board In Meeting Monday

The trustees of the Lockney school district held a regular meeting Monday night and attended to routine business.

A committee was named to contact members of the Lockney City Council and discuss the matter of the school taking over the city park, Supt. H. H. Nicholas said.

The board sold a garage at Lone Star. Melvin Brock was the highest bidder for the building, paying \$66.

The board voted to replace two electric stoves in the home-making department of the High School.

MRS. SHAW ILL

Mrs. Aaron Shaw of Plainview has been confined to Plainview Hospital the past nine days with a cold and lung infection. She was some improved Wednesday evening.

Mrs. Shaw has been teaching in the Plainview school system since her husband, Rev. A. L. Shaw, former pastor of Lockney and Lone Star Baptist churches, passed away a few years ago.

David Williams and Daughter Die Of Injuries Received In Wreck

DIES WEDNESDAY
Shari Williams, critically injured in an auto-train collision which took the life of her father, David Williams, died at 2 p. m. Wednesday in Northwest Texas Hospital at Amarillo. The little girl had suffered a crushed skull, a broken arm and shoulder Tuesday morning when the pickup driven by her father crashed into a train on a crossing 5 1/2 miles north of Lockney.

After first aid here she was rushed to the Amarillo Hospital in Carter Ambulance and underwent a brain operation Tuesday afternoon in an attempt to save her life. She was on the operating table four hours, relatives said. Her condition was reported as "slightly improved" late Tuesday.

Funeral services will be held at the First Baptist Church here at 4:30 p. m. Thursday conducted by Rev. H. H. Segro, former pastor of the Lone Star Baptist Church.

The body of her father is being held following services Wednesday afternoon and the two will be buried at the same time Thursday afternoon in Lockney Cemetery.

Minute Editorials

I have set the Lord always before me: because He is at my right hand, I shall not be moved. — Psalm 16:8.

OLD BILL SHAKESPEARE. We believe it was, once said, "Conscience makes cowards of us all," meaning we presume that, because of our misdeeds, our own conscience tells us that we deserve whatever evil our fears lead us to think of. For example, the strange object sighted at Levelland over the week end, and even the weather balloon which soared over this area last Friday afternoon, created fears and doubts and much excitement. Perhaps we do have something to fear. We know no more about that than anyone else. And we probably do have reason to become excited. We're not criticizing. But we're thinking that with most of us, more faith in the Ruler of this universe along with more faith in our country and the Democratic way of life would be helpful.

UNDER THE APT heading. "Benevolence Unlimited". The Reporter discloses that there are well over 6,000 benevolent endowments in this country, as against only 600 a decade ago.

SIGNS OF THE TIMES: A computing machine that can add up to a trillion (1,000,000,000,000) has been developed. This leads the Wall Street Journal to say, "... the way things are going, if someone else had not invented a machine that can add up to a trillion sooner or later the Government would have to."

WE HEAR a lot of criticism of the farm program, the amount of money it costs and the fact the government is

"subsidizing" the farmer. But we hear little about the biggest tax give-away in history, cloaked under the term subsidy, and given to the civil aviation industry. In the last 25 years the U. S. Treasury has poured over two billion dollars into civil aviation. In addition, state and local governments have contributed another three billion or so in the form of airport aid. This is a total of five billion dollars in aid and yet 85 percent of the American people have never boarded a commercial airliner. Big business, manufacturing, labor all receive their benefits in one form or another from government but they scream mightily when the farmer is given a little consideration.

SOMEONE HAS said that this is the best "next year" country in the United States and we're thinking, poor comfort as it is, all the rain we're having should be lots of moisture in the ground for crops "next year."

"Trade at home" is a good slogan and most all merchants are in favor of it, we're sure, but sometimes the merchant makes it hard for the local citizen to trade at home because he doesn't keep him informed on what he has to offer. We suggest a more regular use of local newspaper advertising would be one way to offset the trend to trade out-of-town. The local newspaper is the most thoroughly read medium of advertising available and the home town merchant has it for his exclusive (almost) use. If you don't hustle for local trade, someone else will.

BRITISH TAXES are among the heaviest in the world. And, according to Watson Sims of the Associated Press, one third of all the taxes British citizens pay go to support the welfare state program. Where the cost of this program was \$1,960,000,000 in 1947-48, it is estimated at \$4,695,600,000 for 1957-58.

UNCLE SAM'S experts estimate combines will glean 481,315,000 bushels of milo this year, compared with the 10 year average of 205,065,000. While production is being boosted over 100 percent in just one year, the government figures it still has 72,000,000 bushels left over from the 1956 crop.

With that much grain already in storage, and with more than double a normal year's production due to go into the government loan, it appears Secretary Benson will be

WHAT TO DO ABOUT IT?

With Our EXCHANGES

PRICE OUTLOOK FOR MILO
Don't put your pencil to figuring the future of grain sorghum prices. Unless some very big "ifs" can be converted into prices, the support and market prices for milo are apt to shrink like a \$1 shirt in a tub of hot suds.

Right now the outlooks is as black as the inside of a brunette cow. If enough of the current crop, and that part of the 1956 crop that is being carried over could all be stuffed into brunettes cows and whiteface cows, chickens, pigs and such, there wouldn't be any problem. Trouble is, apparently, just about everybody discovered what good feed our easily produced grain sorghum is, all in the same year.

Uncle Sam's experts estimate combines will glean 481,315,000 bushels of milo this year, compared with the 10 year average of 205,065,000. While production is being boosted over 100 percent in just one year, the government figures it still has 72,000,000 bushels left over from the 1956 crop.

With that much grain already in storage, and with more than double a normal year's production due to go into the government loan, it appears Secretary Benson will be

looking over a mountain of grain sorghum when he makes his decision on its support level for 1958.

Under present law he can peg the supports for the coming year at any point between zero and 90 cents. The Secretary's decision, unless Congress should prescribe some change in the farm law, it's not apt to offer much encouragement to milo growers.

It could result in cattle feeders obtaining milo grain at bargain prices, however, and with a good supply of milo in the bin might lead to greater popularity for our staple farm product.

A bigger share of the feed grain should, in time, improve the bargaining position of grain sorghum producers and handlers. If that improvement took too long a time, however, the result would be disastrous for many irrigation farmers.

At best, the milo producers' outlook for the coming year is as black as it was during the Thirties. We are hoping that some new solution to the problem will be found before planting time rolls around again. — Hereford Brand.

THE SENATOR

Senator Ralph Yarborough grabbed two planks from under our feet in a statement the other day. He came out flatly for reduced taxes and a \$32 million federal grant in aid to Texas farmers whose land has been buffeted by drought and flood. — Floyd County Hesperian.

MATADOR SAGE

Only the saints are entitled to wear the critic's mantle and judge mortal behaviour and works. It follows, therefore, that the office is not open to itinerants who themselves are short of perfection.

The province of youth shelters so many imposters from both frontiers of its domain that romance fears to declare its status. A sport shirt patterned from wallpaper, or a pair of extremely brief shorts may conceal a degree of smugness formerly associated with the rocking chair. — Trail Dust in Matador Tribune.

EARLY RISERS

My patience becomes tattered at the edges in the presence of early-risers who feel that breakfast at dawn entitles them to special distinction. Chickens keep the same kind of schedule, and, with the exception of a little crowing to wake the other chickens who may not be affected with insomnia, they continue to be ordinary poultry. — Trail Dust in Matador Tribune.

CROSS ROADS REPORT

Dear Editor:
I see where a lady-columnist in New York is about to get thrown in jail because she won't tell a Federal judge where she got the dope for a story she wrote.

Where this girl made her mistake, of course, was she didn't join the Communist party before she went into the writing business, on account of no low-ranking Federal district judge would dare to cross one of the Supreme Court's proteges.

I guess if Red soldiers ever land on U. S. soil the Court will rule that it is unconstitutional to shoot at them.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

November 10, 1927

The county school board met in the county superintendent's office Saturday and set the apportionment for each school child at \$1.25 against \$1.50 allowed last year. Reason for the decrease is that the funds drawn from last year are exhausted and it became necessary to reduce the amount so that the regular school fund can take care of the apportionments.

A basketball team has been organized of Lockney citizens and a season ticket to all games will be offered the person sending the best name for the new team. Those in the basketball game include H. H. Nicholas, Hutchinson, Gordon Denman, Loren Reece, Manning brothers, Attaway, M. F. Snyder, Floyd Meacham and Arthur Barker. A gym has been prepared in the rear of Lockney Auto Co. where practice began Wednesday night.

Lockney All-Star girl's Basketball team took a fast and thrilling game from Floydada All-Stars last Tuesday night. Those on the Lockney team are M. Jarnagin, Dutton, Prickett, Shelton, Nicholas, Mann, Griffith and Threet.

Babies born during the week include a girl born to Mr. and Mrs. R. D. Harper, 14 miles northeast of Lockney, Nov. 3; a girl born to Mr. and Mrs. Carl Childs, 4 miles east of Lockney, Nov. 5; a boy born to Mr. and Mrs. L. D. Reynolds, Aiken, Nov. 5; a boy born to Mr. and Mrs. Russell Smith, 3 miles north of Lockney, Nov. 1.

Dr. S. M. Johnson in speaking to a large crowd of county citizens on the court house lawn Tuesday afternoon stated how the new Lee highway can benefit the county. The highway lacks only a few counties, including Floyd, being paved across the United States from the Pacific to the Atlantic, the first such transcontinental route that can be traveled all year round across the nation. Talks were made by county officials and secretaries of Chambers of

Commerce in nine counties long the line. Several speakers had quite a bit of fun at Floyd county expense when it was pointed out that Floyd was the only county that had not voted bonds to pave and had not succeeded in getting up their part of funds to build the road.

November 9, 1945
J. B. Seale, manager Plains Theatre, is seriously ill in a Lubbock hospital where he is being treated for a stomach ailment and bronchial pneumonia.

Among the Floyd County boys receiving discharges from the service recently are D. Toney, 1st Lt. Herbert L. Griffith, Harold Huggins, Lt. Wellington Newman, T-4 Riley C. Evers.

Letters from service men tried in this issue are from L. Carthel in Roberts Field Liberia, who thanks us for the Beacon and says he hopes to be discharged by the first of the year, and Joe Norman, West, Florida, saying that for the Beacon and telling his recent transfer to the U. S. Naval Hospital records of from duty in the psycho ward.

Mrs. Henry Simmons, sister of Mrs. Dwight Jackson, died at a Spur hospital Monday following a short illness.

The home of Mr. and Mrs. D. Tate, nine miles southwest of Lockney was completely destroyed by fire Thursday night.

A new lumber and building material firm to be known as Lockney Lumber & Supply is to be established here in near future. G. M. Brunz and Dwight Weems will operate the Groom Lumber & Supply in Groom, will partners in the new business.

The Longhorns went down defeat before Floydada Wednesday 24-0 Friday night.

Longhorn

Lockney's fired-up Longhorns seven points before the first quarter and take the lead Friday night.

Spur's quarterback R. opening kickoff to give the game to life to score three minutes. A capacity crowd came on Mitchell-Zimmerman game on Friday night.

The Longhorns took advantage of bad punts by Spur in their first two tallies. Quarterback Bill Race and a 44 yard punt from Race to Halftime Williams. Lane Crayton Longhorn tackle, blocked a punt and Tackle Kelly Harman recovered on the Spur side. Lockney's third touch down, a 26 yard off-tackle punter by the lightning-fast Williams.

Lockney's rugged line of defense a much heavier Spurred wall, as Spur was at the gain only 38 yards on the ground and 34 yards passing against Lockney's always-tight defense.

The Longhorns got revenge for a 26-0 defeat at the hands of Spur last year which knew them out of sole possession of the District Title.

The win was Lockney's fourth in district 2-AA and eighth victory of the season. The stakes were set for this weeks game between the Longhorns and Floydada's pass-happy Wildcats for the district title.

Summary of the Game:
Spur won the toss and elected to receive. John Hanst's kick was picked up on the 19 yard line and returned 81 yards behind good blocking, for a touchdown. Halftime K. Su kicked the extra point and Spurs ahead 7-0 after only seconds had been played.

Longhorn Halback Kenn returned the Spur kick Lockney's 28. Lockney's charged with an offside penalty. Williams made 6 and 1 pass fell incomplete, and R got off a nice punt which landed in the Spur 9.

Lockney's defense held Spur to 1, 0, 1, and Spur got off a punt which went straight up and rolled dead on

Longhorn Herd Tramples Spur

Lockney's fired-up Longhorns spotted the Spur Bulldogs seven points before bouncing back to rally for 20 points in the first quarter and take a 34-13 triumph over the Bulldogs last Friday night.

Spur's quarterback R. Powell raced 81 yards with the opening kickoff to give the Longhorns a scare before they came to life to score three touchdowns in six and one-half minutes. A capacity crowd of some 2,500 fans witnessed the game on Mitchell-Zimmerman Field.

The Longhorns took advantage of bad punts by Spur to score their first two tallies. A Spur yard keeper play by quarterback Bill Race and a 44 yard pass from Race to Halfback Larry Williams. Lane Crank, Longhorn tackle, blocked a punt and Tackle Kelly Harrison recovered on the Spur 39 yard line. Lockney's third touchdown, a 26 yard off-tackle pass by the lightning-fast Hammit, was blocked by Williams.

Lockney's rugged line outplayed a much heavier Spur line. Spur was able to gain only 38 yards on the ground and 34 yards passing against Lockney's always-tough defense.

The Longhorns got revenge for a 26-0 defeat at the hands of Spur last year which knocked them out of sole possession of the District Title.

The win was Lockney's fourth in district 2-AA and eighth of the season. The stage was set for this weeks game between the Longhorns and Floydada's pass-happy Whirlwinds for the district title.

Summary of the Game:

Spur won the toss and elected to kick. John Hanst's kick was puffed on the 19 by Russell and returned 81 yards, behind good blocking, for the touchdown. Halfback K. Suits kicked the extra point and Spur went ahead 7-0 after only 14 seconds had been played.

Longhorn Halfback Kenneth Holt returned the Spur kick to Lockney's 28. Lockney was charged with an offside penalty. Williams made 6 and 1, a pass fell incomplete, and Race got off a nice punt which rolled to the Spur 9.

Lockney's defense held Spur to 1-0-1, and Spur got off a punt which went straight up and rolled dead on the

Bulldog 6.

Fullback Dickie Barton drove for 2 and Race, playing possibly his best game of the season, scored on a keeper play from 4 yards out. Barton failed to run across the point and with 7:59 to play in the initial period, Spur led 7-6.

Hanst tried an on-side kick which was brought back to the Lockney 46 by a Spur lineman.

Statistics:

	Lky	Spur
First Downs	18	5
Rushing	16	2
Passing	2	3
Penalties	0	0
Net Yards Gained	288	72
Rushing	231	38
Passing	57	34
Passes Attempted	8	11
Passes Completed	2	4
Passes Inter. By	2	1
Punts	5-37.8	8-19.2
Penalties	4-20	2-10
Fumbles Lost	1	2

The Bulldogs made 1-0, a pass fell incomplete, and another punt went straight up and rolled back to the Spur 44.

Race passed to Williams for 44 yards and six more points for the Longhorns. Race crossed the double-stripe for the point and with 6:44 left to play in the first quarter Lockney took the lead, 13-7.

Hanst's kick was returned from Spur's 25 to their 37. The Bulldogs gained 3, 5, and 4, which netted a first down on their 49. The visitors lost 1, 1, 2, and Crank blocked the punt with Harrison covering the ball on Spur's 39.

Williams picked up 4. Race kept for 2. Williams was stopped on the line. Barton drove for a first on the 39. Barton powered for 3, and Williams (Continued on page 9)

LOST TO POST

Jr. High Plays Final Road Game At Spur Tonight

The Shorthorns of Lockney Jr. High play their final road game of the season tonight (Thursday) when they journey to Spur for a game with Spur Jr. High. Game time will be 6:30.

Lockney defeated Spur Jr. High, 20-13, earlier in the year but Spur figures to be much tougher on their home field.

Last week the Shorthorns suffered a 7-12 loss at the hands of Post Jr. High. Lockney could not get their offense working until they returned the second half kickoff to about their 30 yard line and marched 70 yards to score their only touchdown. Kenny Clark, halfback, tackled on the touchdown and Ronnie Belt, quarterback, carried over for the point, according to Coach Weldon Dodson.

RACE, BARTON CONTINUE TO SCORE

WILLIAMS REMAINS LONGHORN TOP POINT-MAKER WITH 79

Mercury-heeled halfback Jerry Williams and hard-charging quarterback Billy Karl Race led the Longhorns in scoring against Spur last week and remained the top scorers for the Longhorn eleven. Williams accounted for 12 points and Race tallied for 14.

Williams' scoring last week pushed his seasonal total to 79 points, making him high-point man on the squad. Race, with 59, is runner-up for scoring honors.

Dickie "Bigger" Barton, Lockney's rugged fullback who couples with Williams to give the team an explosive 1-2 punch, crossed the double-stripe for six points against

PEP RALLY

A pep rally will be staged Friday at 3:10 in high school auditorium and everyone is urged to attend and help fire-up the Longhorns for their game against the powerful Floydada Whirlwinds Friday night. The battle is the most important Lockney has played in several years so boost the Longhorns at the pep rally Friday afternoon and at the game Friday evening.

Coach Weldon Dodson.

Post Jr. High had been beaten, 24-7, by Lockney in an earlier contest but the Shorthorns' morale was hurt when a starting halfback quit before the game. A regular guard had to be moved to the halfback slot. Also the field was very muddy and fumbles hurt Lockney.

The Coach said Monday that most of his boys had recovered from the recent flu surge. Robert Holland, end, saw limited action in the Post game due to illness.

LAST ROAD GAME

Longhorn "B" Seeks Revenge At Spur

Lockney Longhorn "B" squad will be out to avenge their only defeat of the season Thursday night when they go to Spur for a game with the Spur "B" team. The Bulldog "B" eleven stopped, Lockney, 6-0, two weeks ago on the local field.

This will be the club's last road game and next week's battle with Dimmitt on Mitchell-Zimmerman field will close out the season.

Last week Longhorn "B" traveled to Post and played everyone on the squad while massaging the Antelope "B" club, 34-0, according to Coach Troy Lemley.

Scoring plays for Lockney were: Alvin Hays, halfback, 40 yard scamper; Milton Mickey, end, passed to Ronnie Thornton, halfback; Jimmy Minter, quarterback, returned punt some 80 yards; Quarterback Jake Wofford and Bill Mangold scored on keeper plays.

Coach Lemley was pleased with his quarterbacks, Minter, Wofford, and Mangold, for their fine performance. Each quarterback guided the team to at least one touchdown.

Defensive standouts included Micky and Ricky Duvall, tackle.

The squad's record is seven wins, one loss.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, NOV. 7, 1957

WINNER TAKES CONFERENCE CROWN

Longhorns - Whirlwinds Tangle This Week In 2-AA 'Deciding Game'

The stage is set for this week's battle between the Lockney Longhorns and Floydada Whirlwinds for the 2-AA title.

The two Floyd County teams are traditional gridiron enemies and with the district championship at stake the game will be especially hard-fought. The Longhorns, who boast a fine defense and explosive running attack, will probably be slight favorites over the Whirlwinds, who have a tremendous passing coupled with a stingy defense. Both clubs are undefeated in conference action.

Slaton travels to Abernathy for a game with the cellar-dwelling Antelopes while Tahoka hosts winless Post in other 2-AA contests this Friday. Slaton and Tahoka should be the victors.

Spur, with an open date this week, prepares for the season final next week against Floydada.

In the district's highlight contest last week, Lockney knocked Spur out of contention for the conference crown, 34-13.

Floydada kept their conference slate clean last week by smashing Post Antelopes, 41-0.

in a rough and tumble battle. Slaton topped Tahoka, 26-7, to move into a tie with Spur for third place in the district standings.

Other area scores:

Amarillo 34, Plainview 3
Canyon 26, Mulshoe 21
Dalhart 18, Olton 13
Dimmitt 13, Tulia 0
Petersburg 27, Anton 13
Ralls 14, Hale Center 14
(Ralls wins on penetrations)
Matador 45, Silverton 12

2-AA record:

Society

Patsy Jean Crass To Wed John Vakey

Mr. and Mrs. Edwin Crass of Silverton announce the engagement and approaching marriage of their daughter, Patsy Jean to Mr. John Kennedy Vakey, son of Mr. and Mrs. Arthur T. Vakey of San Antonio. The wedding is set for December 14, 1957.

Miss Crass was Lockney Chamber of Commerce candidate in the Texas "Miss Wool" contest a few years ago. She graduated from Texas Tech in August and is employed in Lubbock. Vakey is attending Tech where he is assistant coach of the freshman football team.

Money for establishment of Columbia University was raised by public lotteries.

FHA Girls Start State Degree Work

Last week, eleven girls in the Lockney FHA Chapter sent their Declarations of Intention to Work on a State Homemaker Degree to the area supervisor, Miss Esther Sorenson of Plainview. They gave their goals and the reason for choosing each goal. This is the highest honor an FHA girl may receive in the Future Homemaker's organization, Wanda Cox, who received her State Degree last year, has been chosen as the State Degree Chairman. She will help the girls to complete their degrees in any way possible.

Under the guidance of the chapter sponsor, Mrs. Wilma Adams, the following girls have begun work on their much wanted degree of achievement: Janice Hays, Debra Ferguson, Ann Griffith, Elaine Cooper, Shirley Mitchell, Sandra Lawson, Lajuan Sandlin, Martha Harden, Virginia Caldwell, Joan Wofford, and Anita Durham.

Sandra Lawson Is Honored At Tea

Miss Sandra Lawson was honored with a tea at the home of Mrs. Henry Ford Sr., Saturday afternoon. Calling hours were 2 to 5 o'clock. All Rainbow assemblies of District Three were invited to attend. The entertainment complimented Miss Lawson, Past Worthy Advisor of Lockney Rainbow Girls, for recently being appointed Grand Representative from Texas to West Virginia. The appointment was made at Dallas during Grand Assembly.

In the receiving line were Mrs. Ford, Miss Lawson, her mother, Mrs. Reed Lawson and Mrs. F. M. Smith, Mother Advisor.

Miss Lahoma Rowell presided at the register. The refreshment table was covered with white linen with silver appointments. Centering the table were the states of Texas and West Virginia designed in white styrofoam and outlined with silver glitter. Across the states were the names of the two states in silver letters. A white satin streamer lettered in silver with Sandra's name joined the two states she will represent. At center back was an arrangement of red roses in a silver bowl.

Mrs. Jim Bert Bobbitt and Mrs. Chester Mitchell poured hot spiced tea served with cookies.

Members of the Rainbow Advisory Board were hosts for the occasion.

La Ventana Club Has Guest Day Tea

LeVentana Study Club observed Guest Day with a seated tea Tuesday, October 29, at 2 p. m. at the home of Mrs. M. S. Johnson, Mrs. Clyde Baxter was co-hostess.

An arrangement of red roses graced the refreshment table. In keeping with the program theme, Miss Betty Lovelace of Abernathy reviewed the book "Angel Unaware" by Dale Evans. Miss Lovelace was introduced by Mrs. Joe Foster.

Mrs. W. D. Nance was leader for the program and roll call was answered with recommended readings. Scripture for the day was "Be not forgetful to entertain strangers; for thereby some have entertained angels unaware. Hebrews 13:2.

Guests of club members included the mother and sister of Miss Lovelace from Abernathy; Mrs. Lee Stanford, Mrs. Mark Martin, Mrs. E. O. Barrett, Melvin Brock and Milton Ashton, all of Lockney.

Club personnel present were Mrs. Raymond Teeple, Robt. Smith, Bryan Smith, W. D. Nance, Charlie Merrick, J. L. Lovvorn, Clois King, Herman Huffman, Hoyette Hodges, Bailey Henderson, J. T. Griffin, H. E. Frizzell, E. J. Foster, Clyde Baxter and M. S. Johnson.

Open House Marks 50th Anniversary

Mr. and Mrs. W. H. Workman will observe their Golden Wedding Anniversary Sunday, November 10 with open house from 3 to 5 p. m. at Fellowship Hall of the Methodist Church. They invite their friends to call during these hours.

Mr. and Mrs. Workman were married at Caddo, Oklahoma in 1907 and moved to Lockney in January of 1920.

McBroom-Collins Vows Are Repeated

The wedding of Miss Thelma Jane McBroom and Daniel Collins, both of Lockney, was solemnized Monday, October 21 at 2:30 in the office of Hale County Judge, Plainview courthouse. The judge officiated for the exchange of wedding vows.

The bride is the daughter of Mr. and Mrs. W. M. McBroom, Lockney, and the bridegroom is the son of Mr. and Mrs. Clarence Collins Sr., Lockney. The parents were in attendance at the ceremony. Others attending were Mr. and Mrs. Clarence Collins Jr., Mr. and Mrs. Cecil Collins, all of Lockney.

The bride was dressed in a grey suit with black accessories. Her corsage was of red roses.

Mrs. Collins attended high school in Colorado City, Texas, and Mr. Collins attended schools in McKinney, Texas. They are now at home in the Dagley apartments.

Birthday Party Honors Teen-Agers

Misses Jane Rhodes and Sue Gilbert were honored by their mothers, Mrs. L. L. Rhodes and Mrs. Marvin Gilbert with a tacky party on their 13th birthday, Saturday, November 2. The party took place at 7:30 in the IOOF Hall.

Prizes for the tackiest costumes went to James Ray Wofford and Sandra Smith.

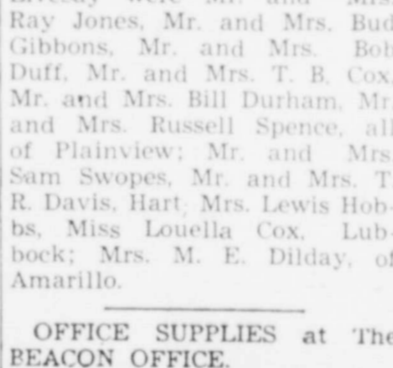

Entertainment included games and record playing. Sandwiches, potato chips, cookies, popcorn balls and cold drinks were served to Rita Dollar, Robert Holland, Carolyn Belt, Ricky Collis, Karen Ashton, Jerry Johnson, Dixie and Roy Ford, Donnie Hanst, Paullette Kropp, Johnnie and Ronnie Belt, Diana Allison, Ralph Kellison, Nancy Webster, Audrey McCormick, Jan Thornton, James Ray Wofford, Jane Reynolds, Terry Mosley, Jo Readhimer, Tommy Johnson, Sandra Smith, Juanell Potts, Pat O'Brien, Frances Fowler, Johnny Tannahill and the honorees.

Attend Funeral Services Here

Those out-of-town people attending funeral services here last Sunday for Leonard Lloyd Livesay were Mr. and Mrs. Ray Jones, Mr. and Mrs. Bud Gibbons, Mr. and Mrs. Bob Duff, Mr. and Mrs. T. B. Cox, Mr. and Mrs. Bill Durham, Mr. and Mrs. Russell Spence, all of Plainview; Mr. and Mrs. Sam Swopes, Mr. and Mrs. T. R. Davis, Hart, Mrs. Lewis Hobbs, Miss Louella Cox, Lubbock; Mrs. M. E. Dilday, of Amarillo.

Extend Honors To Top 4-H Youth

HONORS will be extended to high ranking 4-H boys and girls during the 35th national 4-H Club Congress to be held in Chicago December 1-5, 1957. Outstanding achievement records bring rewarding trips to more than 1300 Club members. As businessmen offer a hand locally scores of nationally known individuals and business concerns express their admiration of deserving boys and girls by giving them the "time of their lives" during the Congress.

Over two million 4-H Club members will be represented at the 4-H Congress in the Windy City. Boys and girls from the 48 states, Alaska, Hawaii, and Puerto Rico will register for the annual event. In addition to all the expense trips honoring state, sectional and national winners, 218 college scholarships totaling \$82,430 will be awarded. Sharing the responsibility for providing these incentive awards are individuals and business enterprises that cooperate in furthering the ideals and philosophy of 4-H work. They also make possible the many wonderful and never-to-be-forgotten experiences of Club Congress. Awards in approximately 40 different types of projects and activities have been announced by the National Committee on Boys and Girls Club Work, which arranges the programs in cooperation with the Extension Service.

Nearly half a million dollars in scholarships and awards are offered annually to teen-agers. The national 4-H Congress gives recognition to those who have shown exceptional leadership and ability. Throughout their Club careers they have been guided and inspired by local leaders and others interested in 4-H work.

Heading the list of donors of the 1957 awards is the President

of the United States. Other donors are Edward Foss Wilson, Mrs. Charles R. Walgreen, Thos. E. Wilson, Ford Motor Co., Olin Mathieson Chemical Corp., Plant Food Division; International Harvester, Standard Brands, Kerr Glass Mfg. Coats and Clark Inc., Betty Crocker of General Mills, Carnation Co., Oliver Corporation, Simplicity Pattern Co., Westinghouse Educational Foundation, Hercules Powder Co., Allied Chemical & Dye Corp., Arcland Products Dept., American Forest Products Industries, Whirlpool Corp., Allis Chalmers Mfg. Co., Tractor Group; Montgomery Ward, E. H. Lilly & Co., Sears-Roebuck Foundation, General Motors, Singer Sewing Machine Co., Firestone Tire & Rubber, American Oil Co., Humble Oil & Refining Co., Standard Oil Foundation, Standard Oil (Ky.), Standard Oil (Ohio), Utah Oil Refining, Wm. Wrigley Jr. Co., Pure Oil Co., Colgate-Palmolive Co., Conrad Hilton Hotel, Elgin National Watch, Massey-Harris-Ferguson, Homelite, A Division of Tectron.

Also the Santa Fe, Chicago & Northwestern, Rock Island and Illinois Central railroads, Chicago Board of Trade, Cities Service Oil Co., Cudahy Packing Co., Armour & Co., California Spray-Chemical Corp., Sunbeam Corporation.

Carl Reeves Dies Early Sunday

Floydada. — Carl Reeves, 48-year-old Floyd County farmer, died at 4 a. m. Sunday in the Plainview Clinic Foundation Hospital.

He is survived by his wife and two daughters, Bobbie Lou Reeves and Carleta Faye Reeves, all of the home in Floydada, a son, Don Reeves, with the U. S. Army in Germany; his father, H. K. Reeves of Plainview; six brothers, Fred, John, Robert and Harry, all of Floydada, Grady of Plainview and Lawrence Reeves of Portales, N. M., and three sisters, Mrs. H. L. Davis of Portales, Mrs. Irene Richardson of Plainview and Mrs. R. A. Cannon of Los Angeles, Calif.

Funeral services were held at 3 p. m. Monday in the Calvary Baptist Church with Rev. Ken Carter of Amarillo officiating. Burial was in the Floydada Cemetery under the direction of the Harmon Funeral Home.

REAL COOL CHICK

Sinton, Tex. — When friend gave Mrs. Laura Holl a fryer in a paper bag, she put it in the refrigerator, then went downtown shopping. Returning a couple of hours later, she took the sack chicken out, assuming it was ready to prepare for the frypan. At the kitchen sink, as she removed the fryer from the sack, its head moved and Mrs. Hollon saw its eyes wink. Unexpected had happened. The friend had given her a chicken and it had survived two hours on ice!

Dr. AS YOUR DEALER... let me talk to you about Poultry Worming. Some products remove only 1 kind of worm. Others get 2 kinds. But to do a complete job you should get your birds of all 3—tapeworms, ceal worms and large roundworms. My Recommendation: Dr. Salsbury's Wormer... removing all 3: tapeworms, large roundworms, ceal worms, and is safe & effective, even for birds in production. If only large roundworms are present you may use Worme, an economical water wormer.

What Price Tag...

would you put on your Church • your School

• a good neighbor

• quick service and supply

HOW can you price . . . in dollars and cents . . . the great assets of this community in which we live and work . . . our churches, our schools, our neighbors, and our convenient sources of daily needs . . . all of which are of priceless importance to us and to our children?

These things . . . not to be valued in money . . . are not free, but we can buy them for nothing.

We buy them . . . without price . . . when we buy at home . . . as our trade stimulates the community prosperity which determines the number and quality of these aids to fuller living that we are privileged to enjoy. And they actually cost us nothing . . . extra.

Because . . . part of every dollar we spend goes for the support of these community facilities . . . for our own benefit when we spend it at home . . . for somebody else's gain when we spend it in their town or city.

Trade in Lockney

Forsyth - Johnson Vows Are Read In Church Rites Saturday

Miss Gardys Alta Forsyth of Plainview became the bride of Bobby Leroy Johnson of Lockney in an impressive single ring ceremony performed Saturday afternoon, November 2 in St. John's Methodist Church, Plainview.

Mr. and Mrs. R. C. Forsyth, 400 East 6th, Plainview, are parents of the bride, and Mr. Johnson is the son of Mr. and Mrs. R. W. Johnson of Lockney.

Rev. R. H. Campbell officiated for the exchange of vows as the couple stood before an altar flanked with tall baskets of white gladioli and mums arranged with balm greenery.

David Willard, organist, presented traditional wedding music.

Given in marriage by her father, the bride wore a ballerina length dress of white embroidered polished cotton. Designed on princess lines, the dress featured short fitted sleeves and a v-shaped neck-line front and back. She wore a small white hat encrusted with seed pearls. She wore white gloves and carried a bouquet of white roses and stephanotis atop a white Bible.

Miss Gwen Purvis, maid of honor, was dressed in a blue fallie dress fashioned with a fitted bodice with high neckline and three-quarter length sleeves. The skirt was gathered full. She wore white accessories and carried a bouquet of white carnations showered with blue satin streamers.

Bob Copeland of Lockney served the groom as best man. Mrs. Forsyth wore a grey wool dress with black accessories, and the bridegroom's mother wore a suit of brown wool with pink accessories. Their corsages were of pink sweetheart roses.

A reception following the ceremony was held in the church parlor. The bride's table was covered with white lace and centered with an arrangement of white and blue carnations flanked by blue tapers in crystal holders. Crystal appointments were used. Miss Lanell Johnson, sister of the bridegroom, poured punch and Miss Wanda Cox cut the three-tiered wedding cake which was topped with a miniature bride and groom.

For traveling the bride chose a Nile green cotton and dacron dress with black accessories. After a short wedding trip the

couple will be at home at 809 1/2 El Paso Street, Plainview. The bride is a graduate of Plainview High School and is now employed as a beauty operator in Plainview. The bridegroom attended Lockney High School and is employed by The Lockney Gln.

Dane Clark Named McMurry Favorite

Dane Clark, husband of Joan Harris Clark, Lockney, and son of Mr. and Mrs. L. L. Clark Jr., Floydada, was chosen Senior Class favorite at McMurry College, Abilene. The choice was made by voting of the college student body. He was presented along with other class favorites at the annual Homecoming coronation service at McMurry Friday night and again at half-time Saturday night at the football game. All the college favorites were escorted around the field in convertible cars.

Katie Rucker, daughter of Mr. and Mrs. Raymond Rucker, Lockney, was runner-up for the honor of freshman class favorite. She lacked only two votes receiving the title. Katie was also presented during the coronation services Friday night.

Mrs. Rucker attended the Friday night program and was joined Saturday by Mr. Rucker and their daughters, Gayle and Cheryl, accompanied by Gene Handley, Texas Tech student from Lockney. They all returned home Sunday.

HOME FROM TRIP

Mr. and Mrs. O. C. Bailey, accompanied by Mr. and Mrs. Lester Lankford of Galveston, have just returned from a two weeks vacation trip. They visited Grand Canyon, Las Vegas, Boulder Dam, continuing through Death Valley, California where they toured Scotty's Castle. They went through Ghost Town, Virginia City, Nevada which formerly boasted a population of 70,000 during the gold rush.

Other places visited were Carson City, Tahoe Lake, San Francisco, Los Angeles, Palm Springs, Phoenix, El Paso, Carlsbad Caverns and on to Lockney, the best little city in the world. Mr. Bailey vows.

OFFICE SUPPLIES at The BEACON OFFICE.

MISS 1957 CHRISTMAS SEAL—Carolyn Calvert of Austin, Miss Texas of 1957, aids her mother, Mrs. Robert W. Calvert, in preparing Christmas Seals for mailing over Texas. Mrs. Calvert is a long-time member of the board of the Texas Tuberculosis Association, and she and her daughter have spent many past pre-Christmas seasons working with Christmas Seals. Miss Calvert is the first named Miss Christmas Seal of Texas, adding another title to her previously acquired Miss Texas title.

High Plains Station Research Data To Be Made Public

Data on the results of the research program will be sent to all investors in the High Plains Station of the Texas Research Foundation at Halfway, Texas. Dr. Tom Longnecker, head of the Station stated.

Since the Field Day in September, many inquiries have been received by members of the Regional Council and the Station staff regarding the availability of the results of the first year's research program. All professional workers including County Agents, Soil Conservation Districts, Vocational Agricultural teachers, Texas Tech and Texas A & M Experiment Stations will also receive results. Research results will be released through the newspapers in the High Plains area.

Due to the fall rains, harvest has been delayed here as it has throughout the Plains area. Preparation of research data for release will take considerable time following the late harvest. The results will therefore probably not be available until early in 1958.

Mr. Dick Gerles, Farwell and Mr. Palmer Norton, Hereford are new members of the Advisory Council of the High Plains Station of the Texas Research Foundation. Mr. Harold Hinn, chairman of the Advisory Council announced recently that Mr. Gerles was nominated by Gilbert Kaltwasser, Farwell and Mr. Norton by R. G. Peeler and John Paetzold of Hereford, members of the Council.

"Widespread interest in the Station throughout the High Plains area will probably result in further expansion of the Council in the near future," Mr. Hinn said.

Chutney is made from ripe fruit, spices, herbs and seasonings, pounded together and boiled.

L. L. Livesay Is Killed In Accident Wed.

Leonard Lloyd Livesay, a native of Lockney, died last Wednesday, October 30, about noon of injuries received two hours earlier when he was crushed in the accident happened at San Diego, Calif. his home. He was 53 years of age.

Funeral services were held at 2 p. m. Sunday in the Carter Funeral Chapel here. Rev. J. Frank Nix, interim pastor of the First Baptist Church and Rev. G. C. Applewhite of Lone Star officiated. Interment was in the Lockney cemetery.

Mr. Livesay was born October 28, 1904 in Lockney and was reared here. He was the son of the late Mr. and Mrs. J. T. Livesay, pioneer residents of this community. He attended local schools and prior to World War II he lived at Dumas for about five years. He spent four years in the Navy during the war, returning home in 1944. He moved to San Diego, Calif., the same year and worked in construction there until about a year ago. He bought some house-moving equipment at that time and became a house-moving contractor.

Survivors include three sisters, Mrs. Floyd Barber Sr., Mrs. Grace Byars, both of Lockney, and Mrs. Edna Hart of Hart; three brothers, John and Norman Livesay of Hereford and E. G. Livesay of Plainview.

Palbearers were his nephews, Teddy Gene and J. T. Livesay of Plainview; Pat and Johnny Livesay of Hereford; Joe Hart of Hart; Milton Horst and George Price Jr., of Lubbock. Carter Funeral Home of Lockney was in charge of arrangements.

Local Baptists At Convention

Several couples from Lockney Baptist Church were among the approximately 15,000 Texas Baptists attending three state-wide conventions in Fort Worth Nov. 4-7 in Will Rogers Memorial Coliseum.

Mr. and Mrs. Hilburn Casey, Mr. and Mrs. Leslie Ferguson, Mr. and Mrs. Harmon Handley, Mr. and Mrs. Homer Bartram left Sunday afternoon and Rev. and Mrs. L. A. Blair left Saturday for Fort Worth.

Evangelist Billy Graham heads the list of prominent speakers who will appear before the messengers, representing 1,558,000 Texas Baptists. Purpose of the convention is to conduct the annual business of the Woman's Missionary Union of Texas, the Texas Baptist Brotherhood and Baptist General Convention of Texas. Messengers from more than 3,807 Baptist churches in virtually every town and city in Texas will be asked to adopt a record \$10 1/2 million budget.

Dr. Baker James Cauthen, executive secretary of the Foreign Mission Board was main speaker for the WMU meeting. Governor Price Daniel was a speaker for the Men's Brotherhood. Billy Graham's address Thursday at 8:30 p. m. on "World Evangelism in Our Time" will climax the convention.

Chutney is made from ripe fruit, spices, herbs and seasonings, pounded together and boiled.

Irrigation Meeting Set At Lubbock

An irrigation conference of interest to farmers, agricultural leaders and the irrigation equipment industry has been scheduled Nov. 14-15 at the Lubbock Hotel in Lubbock.

This conference is being sponsored by the newly-formed Texas Inter-industry irrigation council and irrigation specialists from throughout the nation will be on the program. Jack Z. Anderson, administrative assistant to President Eisenhower, will highlight the conference. He will talk on "Irrigation Farming — A Key to Better Living."

Dr. E. N. Jones, president of Texas Tech; Dr. W. N. Williamson, assistant director, Texas Agricultural Extension Service, College Station; and C. I. Wall, president of Pioneer Natural Gas Co., Amarillo, will preside over the conference sessions.

Other noted authorities on irrigation included on the program will be Guy Woodward, educational director of The Sprinkler Irrigation Association, Salt Lake City, Utah; Dr. Ivan D. Wood, irrigation consultant, Denver, Colo.; Dr. Moyle Williams, chief agricultural economist, Natural Plant Food Institute Washington, D. C.; E. V. Dignan, vice president of the U. S. National Bank in Denver.

Dr. T. R. Timm, head department of Agricultural Economics and Sociology, A&M College; Dr. Robert E. Irwin, chairman, Department of Irrigation, University of Oklahoma; Dr. Marlowe T. The Oklahoma State University; Stillwater, Okla.; J. W. Prater, Miss.; and other officials of irrigation equipment companies.

Although planned and sponsored by a Texas organization, the meeting will be of national importance to the irrigation industry.

Vet Land Board Has Spent Total Of \$114,143,000

Austin — The Veteran's Land Board has now purchased \$114,143,000 worth of Texas farmland with the \$100,000,000 available to it, Land Commissioner Earl Rudder said this week.

Payments from veterans participating in the program are used to buy more land.

Eventually, a \$25,000,000 "profit" will be realized from the first \$100,000,000 in the program, Commissioner Rudder said. This money will be put in a fund which the State Legislature controls.

The land commissioner also noted that the bond market continues to block the sale of some part of the second \$100,000,000 worth of bonds in the program.

No more than three per cent interest may be paid to purchasers of these securities. Bonds on the market are now selling at an average interest of 3.43 per cent.

Bargain Rates Are Offered On Daily Newspapers

The Lockney Beacon is now able to offer special fall bargain rates on a number of daily newspapers of the area, and also to offer special combination rates on your daily and The Beacon.

The Fort Worth Star Telegram rate this fall is \$13.95 for the daily and Sunday, and \$12.68 for daily only. If you wish to renew your subscription or buy a new subscription to The Beacon in Floyd County in combination with the above rates, you may do so by adding \$1.50 to either rate. Thus you are saving money on your daily newspaper and also on The Beacon.

The Amarillo Daily News bargain rate is \$9.95 for daily and Sunday. They offer no special rate on the daily only subscription. In combination with The Beacon add \$1.50 to the above rate in Floyd County.

The Lubbock Morning Avalanche rate is \$12.95 for daily and Sunday and \$11.00 for daily only. In combination with The Beacon add \$1.50 to the above rates.

The Abilene Reporter-News rate is \$11.95 for daily and Sunday and \$10.95 for the daily only. The same offer is good for combination rate with The Beacon.

Subscribe for your favorite daily newspaper at The Beacon office and save money on both the daily and The Beacon.

IN HOSPITAL
Mrs. W. M. Collins of Lockney entered Northwest Texas Hospital, Amarillo, Monday morning and is scheduled to undergo surgery there next Monday morning. Mrs. Collins is the mother of Mrs. W. R. Darnell and a sister of Mrs. W. C. Watson.

Mr. and Mrs. Wilson Kermick returned Tuesday from a vacation trip to Waco and Gainesville. At Waco they attended homecoming and at Gainesville they visited Mrs. Kermick's parents, Mr. and Mrs. Floyd Tudor.

WE'RE IN THIS TOGETHER, PAL

Comedian Jerry Lewis and 1957 Muscular Dystrophy Child Debbe Dixon talk over plans for the nationwide March for Muscular Dystrophy to raise funds for increased research, patient services and clinical care. Chosen by Muscular Dystrophy Associations of America, Inc., Debbe, of Arlington, Texas, symbolizes the more than 200,000 Americans, most of them children, who are victims of the crippling, fatal disease. Lewis is national MDA chairman.

50 Varieties Of Sesame Harvested At Highway Station

Harvest of the 50 experimental varieties of sesame is under way at the High Plains Station of the Texas Research Foundation at Halfway, Texas. Ten of these varieties are of the non-shattering type and forty are the semi-shattering. These varieties were cut and put on drying racks, when all but a few of the top leaves had fallen and the pods showed 75% maturity. After 10 to 14 days drying, the plants will be thrashed.

The outstanding plants in each experiment variety or strain are carefully selected for further development. Dr. Earl Collister, chairman of the plant science department of the Texas Research Foundation and Charles Julian, laboratory assistant selected these plants.

Some of the experimental varieties showed unusually high yields, with longer pods and more seed to the pod. Of unusual interest were varieties six feet tall producing large pods, three pods to the leaf axile. These were of both the semi-shattering and non-shattering varieties. Their further development will be watched with interest by sesame growers. Some of the improved varieties being tried out proved to be of no value and will be discarded. The ten acres of Renner 15 combine type, non-shattering seed production field will be harvested later.

The new experimental strains of sesame being tested at the High Plains Station have been developed at the Texas Research Foundation at Renner, Texas. This research program was initiated in 1947 in the program of new crop development for Texas farmers. Several hundred strains of sesame are received on a continuous basis from counties all over the world. In some areas sesame has been grown since about 2000 B. C. These different types are observed very carefully in the test plots. Those possessing desirable characteristics are used in the sesame breeding program.

Dr. Collister and his associates have already developed three varieties of sesame. The first variety, Renner No. 1, introduced in 1953 is still the most popular variety being grown in Texas, consisting of about 95% of all the commercial acreage of sesame. Another improved variety, Renner No. 2, was introduced in 1955. Both are semi-shattering types. The third variety, Renner No. 15, a paper shell non-shattering type, is being tested in large scale field trials this year. Two of these are in the High Plains area. If these trials are successful, Renner No. 15 will be released to farmers in 1958.

The sesame market is expanding faster than the supply. There are no restrictions on acreage. Dr. Collister said, "The steady increase in acreage in the High Plains indicates a bright future for sesame as a permanent profitable crop in this area."

Citizens Committee Will Meet Tonight

The school citizens committee, appointed recently by the school board to study the problem of buildings for the local system, will meet tonight (Thursday) at the high school cafeteria at 8 p. m.

Charles T. Roberts, a faculty expert from the Texas Education Agency, will spend the day here studying the school needs and will meet with the committee tonight. Supt. H. H. Nicholas said Monday.

The committee, in a recent meeting, asked the superintendent to secure the services of Mr. Roberts in an advisory capacity. Members of the committee are Edgar R. Hays, Raymond Rucker, Hubert Frizzell, Ernest Tannahill, Kenneth Wofford, Connie O'Brien, Dr. W. J. Mangold and Marvin Cox.

Bill Payne Jr., of the U. S. Air Force, Cheyenne, Wyoming, came Tuesday afternoon to visit his grandparents, Mr. and Mrs. T. S. Fox, uncle and aunt, Mr. and Mrs. Sid Thomas before leaving next week for service in Korea. Bill is the son of Mr. and Mrs. Bill Payne Sr., of Roswell, New Mexico.

Clients in ancient Rome were citizens of lower rank who chose patrons from the upper classes to assist them in legal matters.

Loss of 500,000 lives and \$10 billion in property is attributed to the War Between the States.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, NOV. 7, 1957

Dear Editor:
I see where the Russians have hung up themselves a private moon before anybody else could get around to that stunt.

Evidently something went haywire with the information coming down to our coffee club, to-wit: the Russians are stupid and can't do anything but just imitate.

My non-scientific neighbor says he guesses what the trouble is, our national brains have been busy telling us domestic low-brows how much smarter they are than anybody, but they forgot to tell the Russians.

D. E. SCOTT
Crossroads, U. S. A.

Balloon Creates Excitement Here

An Air Force balloon created considerable excitement here last Friday afternoon before disappearing to the northeast of town.

The balloon struck the ground on the Bickley section, just north of Lockney, dropped the instruments and a parachute it carried and then drifted back into the air. Byron Ford, who had followed it since it passed over the Aiken Baptist Church, retrieved the instruments and shipped them back to the Alamo Air Force Base near Alamogordo, New Mexico.

Byron said, in talking to an officer at the base, that he was informed the balloon had just been released there Friday morning. The officer asked that he ship the instruments back immediately and stated the government paid a reward of \$25 for returning them.

The balloon was first sighted in the Aiken area. It drifted with the wind to the northeast and created talk all across the county.

T. H. BOEDEKER
T. H. Boedeker, pioneer of the Providence community, is in Saint Anthony Hospital at Amarillo for treatment. He underwent an operation for cataract of the eyes Monday afternoon. Complications developed but Tuesday night he was reported to be improving right along.

GO TO CHURCH SUNDAY.

VETERANS' DAY

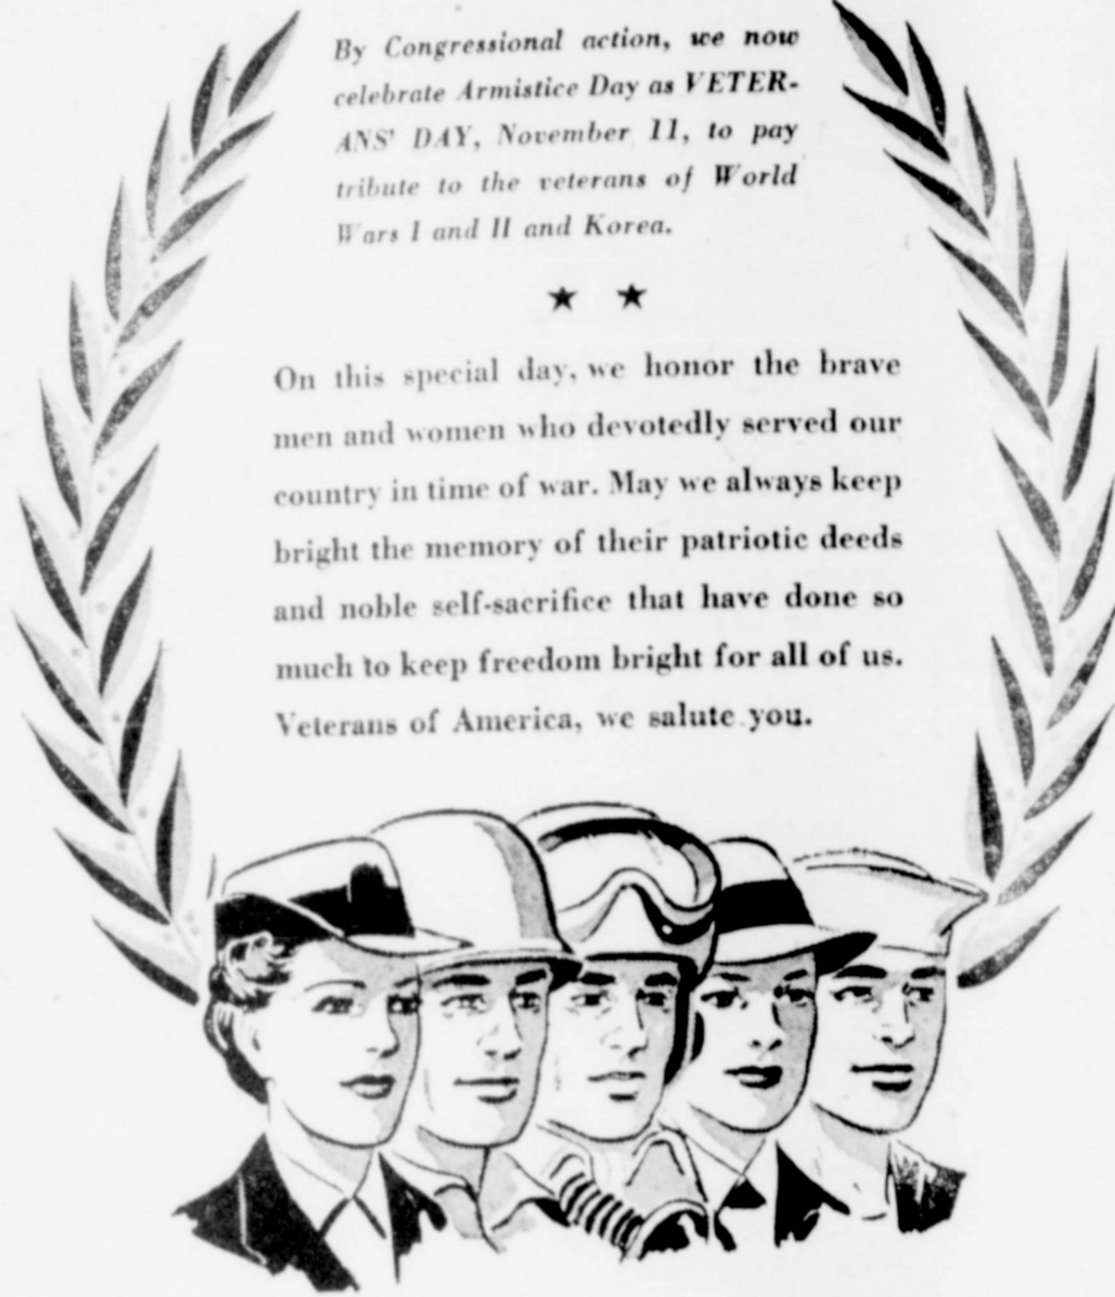

Monday, November 11th, 1957

1918 - 1945 - 1953

By Congressional action, we now celebrate Armistice Day as VETERANS' DAY, November 11, to pay tribute to the veterans of World Wars I and II and Korea.

On this special day, we honor the brave men and women who devotedly served our country in time of war. May we always keep bright the memory of their patriotic deeds and noble self-sacrifice that have done so much to keep freedom bright for all of us. Veterans of America, we salute you.

Our Memories go back to those Armistice Days of 1918, 1945 and 1953 and we pause at this time to pay tribute to all Veterans, living and dead, who served their country so well in time of war. Hat's Off to Veterans.

JIM BOB REYNOLDS, Sports Editor

HEAD OF PACK

Lockney - Floydada District 2-AA Defense, Defense

Lockney Longhorn's attack has netted 251 points this season and tops the district that department. The team that tallied for 100 points in eight games, is closer to Lockney. The Longhorns have an average of 25.1 points per game and Floydada has 22.7.

2-AA teams were about the same as last year. The daily newspaper ratings placed Lockney in the number one spot in the district. The Lubbock Journal and Amarillo News and Daily News and Daily Journal named the standard best AA team in the state by Fort Worth Telegram. Floydada was the number three team in the Daily News and Daily Journal by the Lubbock Avalanche-Journal. The team put Slaton in a tie for eighth place and topped Spur from the

with a 28.4 point-per-game while the remaining district teams being with only about half that many points. The defensive picture, the Longhorns and Whirlwinds exhibited stout units in the district and allowed about the number of points, Lockney and Floydada, 47. The Longhorns permitted an average of 5.73 points per game. Whirlwinds have allowed an average of 5.88 points per game in nine games for an average of 9.56 points per game. A list of scoring against each team in the district this year.

Longhorns Trample

(Continued from page 3)

raced 26 yards to score. Race passed to End Larry Hammit for the point and Lockney increased their lead to 20-7 with 1:26 to play in the first quarter.

Hanst's kick was fumbled on the Spur 40 and Hanst, who played his usual fine game, recovered.

Spur gained possession of the ball with a pass interception on their 27.

The Bulldogs gained 4 and 1 as the first quarter ended.

Spur drove for a first down on their 40, made 2 and 1, passed incomplete and punted to the Lockney 25. Williams moved the ball back to Lockney's 32.

Williams picked up 8 and 1, Barton punched for a first on Lockney's 43, Barton drove for 4 and 3, and Race moved for a first on the Spur 43. Right halfback Kenneth Calloway plowed for 6, Barton went for a first on the Bulldog 33, Calloway made 1, Race picked up 7 and 6 for a first on the 19. Williams gained 2, Barton was stopped on the line, a pass fell incomplete, Williams lost 3 yards on fourth down, and Spur took over on their 20.

The visitors picked up 2, lost 1, rolled for 8 before punting to the Lockney 30. Williams returned to Spur's 48.

Williams picked up 4, Lockney was charged with a backfield in-motion penalty, and Race passed to Coy Kidd, end, for a first on the Bulldog 36. Race kept for 6, Barton gained 2, Williams went for a first on the 25, a pass fell incomplete, Calloway failed to gain, and two passes were incomplete as the first period ended.

Spur Scores On Break

The second half opening kickoff went to the 28 and Barton returned to Lockney's 37. Williams gained 3, Barton made 1, and Race quick-kicked to the Spur 23.

The Bulldogs picked up 6 and 1, were charged with a backfield in-motion penalty, passed for a first down on their 34, ran for 3, and passed for another first on their 47. Spur made 2 and 2, passed for a first on Lockney's 40, gained 0, 1, 2, and punted. The punt was touched by the Longhorn safety

man and Randall Gilrease and David Morgan, big Spur tackles, fell on the ball for a touchdown. The PAT attempt was blocked and Lockney held a 20-13 lead with 6:24 remaining to play in the third period. The kick was returned from the 28 to Lockney's 41 by Barton. The Longhorn fullback made 4, Spur was charged with an offside penalty. Race kept for a first on Spur's 46, Lockney was offside, Race gained 4 and lost 1, Williams was thrown for a 3 yard loss, and Race punted to the Spur 10. Spur returned the punt to their 22.

The Bulldogs gained 1 before Kidd, fine defensive linebacker, intercepted a pass and returned to the Spur 22.

The Longhorn's hard-charging fullback Barton drove for 6, picked up a first on the 8, plowed for 5, and bulled over from the 2 for the six-pointer with 1:12 to play in the third quarter. Race kept for the point and Lockney increased their lead to 27-13.

Spur returned Hanst's on-side kick from their 46 to mid-field. The visiting Bulldogs lost 5, passed incomplete, and had their passer swarmed for an 8 yard loss as the third quarter ended.

Williams returned the Spur punt from Lockney's 36 to 43. Calloway drove for 5, Barton plowed for 4, Race kept for a first down on Spur's 45, Barton made 3, Race moved for 5, Barton lost 2, and Race punted to the 27. Spur brought the ball back to their 41.

Spur had a pass intercepted by Bill Musser, another stand-out Longhorn linebacker.

Race picked up 4 and Barton kept driving for a first on Spur's 23. Williams gained 3, Race made 3, Barton drove for 3, Race kept for another first on Spur's 11. Calloway, converted fullback, ran for 4 and 3 and Race scored from the 4 yard line with five minutes to

TEXAS TECH COACHES—Among the former standout college footballers now coaching the Texas Tech Red Raiders are (in front) Beattie Feathers (Tennessee), left, and DeWitt Weaver (Tennessee), head coach and athletic director, and (second row, from the left) Joe Moss (Maryland), Tom Hamm (Tulsa), Red Phillips (Texas Tech), Bud Sherrerd (Tennessee), and Junior Arterburn (Texas Tech).

play in the game. Hammit made a dazzling, one-handed catch of a Race pass for the extra point and the Longhorns held a 34-13 advantage.

Spur recovered an on-side kick by Hanst on their 46. Spur's passer was thrown for a 7 yard loss, the Bulldogs made 0, passed for 6, and punted to the Lockney 26.

Calloway gained 1, Race moved for 8, Calloway picked a first on Lockney's 38, Barton ran for 7. Williams made 1, Lockney was charged with a delay penalty as the Longhorn second unit entered the game. Quarterback Jimmy Minter

recovered his fumble, and Minter got off a beautiful punt which rolled over the Spur goal.

Spur took the ball on their own 20 and had two incomplete passes as the game ended.

Score by Quarters:

Lockney	20	0	7	7	34
Spur	7	0	6	0	13

Applejack is cider which has been distilled to produce a beverage with higher alcoholic content.

South Plains

By Mrs. Murray Julian

Rain began falling about Sunday school time Sunday morning and has been slowly falling off and on up to this writing Monday night, with no sign of let up. The rain gauge here shows an inch. Rain cancelled Womens Missionary Union and auxiliaries meeting Monday as was the all-day club to be held at the home of Mrs. Murray Julian Wednesday.

Mrs. J. H. Barnard of Barwise, was guest speaker at South Plains P-TA meeting Friday afternoon. Mrs. Jones Kinslow presided at the business meeting and Mrs. Barnard gave a wonderful review of the book, "The Preacher With the Plow." Next P-TA meeting is December 6. Mrs. Sylvia Yearly will have charge of a musical program.

Mr. and Mrs. Fred Marble moved here last week to the Ernest Huckabee home southwest of South Plains. The Huckabees have moved to Floydada.

Mr. and Mrs. Sylvain Kinnibrugh, Marilyn and Beth left Saturday for Truscott to visit until Sunday night with Mr. Mrs. W. H. Simmons and Mrs. J. R. Spivey, who is ill with the flu.

Thirteen Texas Future Farmers of America, recipients of Santa Fe Railway educational awards, posed with Fred G. Gurley, Santa Fe board chairman and chief executive officer, at Kansas City, Mo., recently during a dinner honoring the railway's award winners from nine states. Standing, left to right, are Harold Lindley, Clarendon; W. R. Callier, Idalou; John Garmon, Groom; Kyle Hooper, Plano; Bill Chisner, Belton; Leon Burks, Jr., San Angelo; Creath Davis, Comanche; Layton Black, Lometa; and Jack York, Tatum. Seated, left to right, are Dale Burnett, Ropesville; Billy Penn, Lufkin; Gurley; Kenton Harvey, Azle, who also received a college scholarship from the Santa Fe; and Allen C. Pope, Caldwell.

Mr. and Mrs. McCown and son, Stevie, and Tommy McCown of Fort Worth are planning to be here next week end with the boys' grandparents, Mr. and Mrs. Walter Wood. They all plan to go to Texas Tech, Lubbock, on Saturday for the annual Homecoming festivities and football game.

Mr. and Mrs. Frank McClure returned from Houston Saturday after a weeks stay there. Frank spent Monday in Lubbock with their children, Mr. and Mrs. Don McClure, and Mrs. McClure spent the day in Crosbyton with grandchildren. They went to Lockney Sunday afternoon to visit their neighbor Mrs. George Weast, who is convalescing from a long illness.

Mr. and Mrs. Bill Sauls of Quitaque visited Saturday night in the home of Mr. and Mrs. Murray Julian. They report her brother, Frank Yearly as very much improved from the burns he received some weeks ago.

Rev. Larry Faus was ill with the Asiatic flu the past week, and this week Mrs. Faus, Vassie Beth, and baby Lawrence Glenn are suffering with the flu. Many people here have been ill, and many children have been out of school with colds, flu and other illnesses. Sunday morning there were only 11 present due to illness and rain.

Mr. and Mrs. Skeet Thornton returned from Hot Springs, Arkansas, Thursday after several weeks vacation. They visited in the hospital with Mrs. George Weast Sunday afternoon.

Hallowe'en night at 7:30 festivities began at the school house with a parade of costumes. Judges had a hard time finding winners. Prizes went to Stanley Pierce in the pre-school group, Glenda Kay Cummings in the school children group, Frank D. Jones in junior high, and I. H. Parks as a ghost, won the adult prize for the best costume. He and Mrs. Shelby Calahan stood at the entrance giving spooky head-clasps to everyone entering Games were played and adults enjoyed games of 42. Refreshments were served to oall.

Mr. and Mrs. Murray Julian went to Canyon Friday to bring Kendis Julian and Alton Higginbotham home for the week end. They went back to college Sunday with Don Norman, Floydada.

Mr. and Mrs. Fred Fortenberry left Sunday afternoon for Amarillo where they visited her brother Mr. and Mrs. John McCain, Margie, Carol and Gary, until Monday night.

Largest quantity and best quality of cod liver oil comes from the Lofoten Isles in Norway.

Thursday — Pinto beans, barbecued meat, seasoned spinach, beet pickles, onion rings, milk, cornbread, canned pduces.

Friday — Steak and gravy, mashed potatoes, buttered green beans, carrot stick, enriched w. bread, milk, coconut cake.

**Floydada Soldier
Now In Vietnam**

Salgon, Vietnam — Air Force Technical Sergeant T. C. Goodman, whose wife, Clara, lives on Route 3, Floydada, recently arrived in Vietnam and is now a member of the Military Assistance Advisory Group at Saigon.

Sergeant Goodman entered the Air Force in 1940 and holds the Bronze Star Medal among his decorations.

The sergeant's mother, Mrs. Mary C. Chasteen, lives at 210 Brown dr., Amarillo. His father, Thomas M. Goodman, lives at 1202 N. Taylor, Amarillo.

**Shuler, deCordova
Sell Allmon Gin**

Charlie Schuler and J. R. deCordova completed a deal recently whereby they sold the Allmon Gin property and grain storage to Lester Pearson and Green Bros. at Plainview, and it will be known in the future as Allmon Gin & Grain Inc. Green Bros. are irrigation pump and machine operators of Plainview of many years standing and are well known in this area. Mr. Pearson was practically reared at Plainview and will be in active charge of the business at Allmon.

J. R. deCordova has made no announcement as to what he will do in the future.

Mr. and Mrs. Hugh Counts and Mrs. Fannie Brown left Sunday afternoon for San Antonio where Mrs. Brown will spend most of the winter with another daughter, Mrs. Susie Draper. The Counts will return within a few days.

Providence

By Mrs. Wilfred Stoerner

Rev. and Mrs. Windecker were able to bring their son Ronnie home from a hospital at Lubbock Wednesday. Ronnie had pneumonia but is doing nicely at this writing.

Rev. Windecker left Saturday by bus to preach the mission festival services at the home of Mrs. Helmuth Quebe. A delicious meal was enjoyed at noon.

The ladies enjoyed a very delightful demonstration by Mrs. E. M. Quebe on holiday candle making. Next meeting will be in the home of Mrs. Wilfred Stoerner, date will be announced. Mrs. Helmuth Quebe will give a demonstration on making candies and Mrs. Windecker will give a demonstration on crafts. Each lady will be given an opportunity to make something.

Officers elected for the year 1958 were, president, Mrs. Wilfred Stoerner; vice - president, Mrs. Ben Brandes; secretary, Mrs. Helmuth Quebe.

The group voted not to be long to council the coming year. Present were Mmes. Ted Boedecker, Ben Brandes, L. B. Brades, Sam Jones, E. M. Quebe, Marvin Scheele, J. R. Turner, and Helmuth Quebe.

control is the basis of high production. Together with soil and mechanical we can hold our losses to a bare minimum to a bare minimum on dryland with terraces on dryland with one foot fall per one foot has been proven.

Stur Experiment station tests run from 1927 on cotton land they show the increased gross from level closed end with rows on the average \$15.46 per acre for the 24 year period. From other research farming operations on land are no more than rows running down the slope.

Believers state that lands soil in the distance at the rate of an inch per hour. This is a very slow inch compared to sandy soil take water in excess of three inches per hour. Soil holding capacity and holding capacity runs off and is placed in a structure to hold the water more time to soak level closed end terraces in a year of low water. Many farmers are alarmed since gullies are appearing on farms. Not all terraces are built at one time. At the top of the farmer can install one terrace as he is financing.

cially able. Dry land farmers are encouraged to make plans to terrace their land now.

The only way to irrigate row crop on land that has over one half foot fall per one hundred feet efficiently is to level your land. By leveling your land it is possible to conserve every drop of water that falls on your land. Also the irrigation efficiency is increased tremendously. Complete control from water erosion is obtained. Yields have been raised substantially in every case. With special equipment that is available now it is strongly recommended that bench leveling should have parallel borders in so far as possible, thus eliminating all point rows. The control of weeds on borders need no longer be a problem as equipment is available to keep these clean with a minimum of effort on the farmers part. SCS technicians also point out that there is no loss at all from tail water. An irrigation design can be worked out by the SCS to apply a controlled amount of water at the proper time and have an even distribution of water from one end to the other.

For further assistance on planning your irrigation system, land leveling, or terrace system and helping you put it on your land contact the Soil Conservation in Floydada.

Cold cream can be made by melting 4 ounces of white wax in one pound of almond oil and mixing with a pint of rose-water.

THIS PHOTO taken by employees of the Floyd County Soil Conservation District in August of this year, demonstrates the fact that when water runs off it takes the top soil with it. But that is not the only way you lose soil technicians say. You also lose valuable moisture which your crops will need later on during the season. The soil technicians say that plans should be made to keep water when and where it falls as you will need it later.

4-H Award Day Set For Saturday

Floyd County 4-H Clubs Awards Banquet is scheduled for Saturday night, November 9 at 7:00 o'clock in the Floydada High School Cafeteria. Assistant County Agent, Lynn Pittard, will make the awards. Mrs. Lynn Miller and other 4-H leaders will be in charge of the program. Approximately 37 boys and girls will receive awards and those turning in records for the year will receive year pins. All 4-H members, their parents, adult leaders, their husbands and wives, commissioners, district agents, and other dignitaries are being invited to attend the banquet, according to Mrs. Henry Bollman of Lockney who attended a leaders meeting Tuesday afternoon.

Don Cossack Chorus To Appear Soon

Lubbock — Choral music lovers throughout the South Plains area are invited to hear the famed Don Cossack Chorus here Nov. 15 through the courtesy of the Texas Tech Student Union.

The free concert is open to the public and is sponsored by the Tech Union special events committee. The performance of great Russian songs and dances will begin at 8 p. m. in the Lubbock Municipal Auditorium.

Under the direction of Nicholas Kostrukoff, the Don Cossack Chorus will sing religious hymns, folk and popular songs and military ballads of Czarist Russia. Dancers will present folk dances and the popular dance of Don Cossack.

Bargain Rates Are Offered On Daily Newspapers

The Lockney Beacon is now able to offer special fall bargain rates on a number of daily newspapers of the area, and also to offer special combination rates on your daily and The Beacon.

The Fort Worth Star Telegram rate this fall is \$13.95 for the daily and Sunday, and \$12.68 for daily only. If you wish to renew your subscription or buy a new subscription to The Beacon in Floyd County in combination with the above rates, you may do so by adding \$1.50 to either rate. Thus you are saving money on your daily newspaper and also on The Beacon.

The Amarillo Daily News bargain rate is \$9.95 for daily and Sunday. They offer no special rate on the daily only subscription. In combination with The Beacon add \$1.50 to the above rate in Floyd County.

The Lubbock Morning Avalanche rate is \$12.95 for daily and Sunday and \$11.00 for daily only. In combination with The Beacon add \$1.50 to the above rates.

The Abilene Reporter-News rate is \$11.95 for daily and Sunday and \$10.95 for the daily only. The same offer is good for combination rate with The Beacon.

Subscribe for your favorite daily newspaper at The Beacon office and save money on both the daily and The Beacon.

The compass plant of the Mississippi Valley has leaves which point almost exactly north and south.

USE ANHYDROUS AMMONIA on your crop land this fall

Apply ANHYDROUS AMMONIA this fall—it won't leach out of the soil. It will turn to available nitrogen in the spring when the soil warms up—in time to give your spring-planted crops the nitrogen vital to their growth. Here's what it does! ANHYDROUS AMMONIA—82% nitrogen—helps your crop develop stronger roots with more resistance to drought, crops that have higher protein content for feeding—helps your yields go up!

We have the know-how on application and equipment. See us for DOW ANHYDROUS AMMONIA.

Proved and approved around the world and now it's here for you... the 58 FORD

One look tells you... there's nothing newer in the world!

You'll ride in a new world of style in the 58 Ford

New deep-sculptured styling

New Interceptor V-8 power

New Cruise-O-Matic Drive

New Ford-Aire Suspension

New Magic-Circle Steering

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. There's nothing newer than these engines that give you up to 300 hp. Smoother power! From less gas! One secret is Precision Fuel Induction, a wonderful new carburetor, fuel feeding, and combustion system.

You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D1 position, used for all normal driving, lets you move smoothly, automatically—with just a touch of your toe—from solid-feeling take-offs right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. Four air pillows literally soak up the bumps! And Ford's new air suspension reveals the car every time someone steps inside or luggage is loaded. An extra cost option, you get all this at traditionally low Ford prices!

You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free-moving steel balls in the steering mechanism are virtually friction-free—give you the closest thing yet to power steering! Come in and try it!

Come in today... Action Test America's only world-proved car!

Several Injured In Auto Accidents

Several people have been injured in minor automobile accidents in the area the past week.

M. S. Johnson, 81, of Lockney, is recovering at his home here from injuries received last Saturday afternoon when his 1950 Ford collided with a 1946 Chevrolet pickup driven by Jesus Barron on the Lone Star highway four miles north of Lockney.

Mr. Johnson received three fractured ribs, small cuts and bruises. He was treated at Lockney General Hospital. Mrs. Barron received cuts and bruises and was also hospitalized. A 12-year old boy in the Barron pickup received a bump on the head.

Johnson was driving north and Barron was coming south when the accident happened. The Barron family are from Hondo, Texas.

Two cars were involved in a collision on Highway 70 in the vicinity of the Seale Drive-In Theatre west of Lockney Sunday morning. A car driven by Mrs. Russell Rucker of Olton struck the rear of a pickup driven by Tom Russell of Crowell. City Officer Lowell Bilbey reported that Russell told him a car stopped suddenly in front of him and in stopping Russell's pick up slid off the pavement, whipped back on the pavement and across the road in front of the Rucker car. A Rucker girl, daughter of the driver, was slightly injured in the accident.

On Tuesday afternoon a car driven by Mrs. J. D. Wood was in collision with a 1957 Chrysler driven by Joe Taylor. Damage amounted to less than \$100 officers said. The accident happened in front of the Pioneer Natural Gas Co. office on East Locust as Mrs. Wood was backing away from the curb, officers said.

Floydada Girl Injured
Last Thursday night a Floydada girl, Janice Smith, suffered a fractured pelvis when the car in which she was riding collided with another on Highway 70 in South Lockney. The car in which she was riding, driven by Gloria Ann Carthel, also of Floydada, attempted to make a U-turn and was struck broadside by a car driven by Robert Edwin Reeves, also of Floydada. No one else was injured in the accident.

Miss Smith was treated at the Lockney General Hospital. Miss Carthel is the daughter of Mr. and Mrs. A. C. Carthel of Floydada. Other passengers in the car were Misses Carolyn Stewart, Joyce Sparks, Corynne Galaway, Gled Adams and Margaret Whitfill.

ATTENDS MARKET

Mrs. Floyd W. Jackson of Jack & June Shop attended the Greater Dallas Fashion Market's early spring and resort showing last week. More than 3000 lines of women's and children's apparel were exhibited. A fashion clinic and show were features of the event.

Citizen originally meant one vested with the freedom and privileges of the city.

Providence Road Connection Is Approved Recently

The Texas Highway Commission has approved the paving of four miles of road from the north end of Farm Road No. 788 at Providence north to the Swisher County line. This is part of a two-year farm-to-market road program provided for by appropriations made by the last session of the legislature. The road will also be paved in Swisher county and connect with an east-west paved road in that county. The Beacon was told. An appropriation of \$100,000 was set aside for the work by the Highway Commission.

Also approved at the same time was the paving of a strip of road approximately four miles in length running west from the Aiken-Providence road to connect up with a paved road in Hale County running straight into Plainview. The road takes off from the Aiken-Providence road at a point four miles north of Aiken. The project includes 2.7 miles in Floyd County and 1.3 miles in Hale.

Also included in the two-year program is the rebuilding of 10.4 miles of Farm Road No. 651, which takes off from Highway 70 four miles east of Floydada and runs through Lakeview to the county line. This road is now 16 feet and it will be paved 20 feet wide. Another 3.1 miles of the same road will be seal-coated. The Commission appropriated \$90,000 for this project.

An appropriation of \$13,000 was made to raise the grade and resurface a road across a wet weather lake on the Floydada-Sandhill farm road, just west of Floydada.

Farm Road No. 97 from Cedar Hill east to the Motley County line will be seal-coated at a cost of \$10,300. The distance is 11.8 miles. Another 5.2 miles of Farm road No. 602 from Highway 70 in East Floyd County to Fairview will be seal-coated. Cost will be \$4,500.

Sam Fowler, resident highway engineer of Floydada, will be in charge of the work.

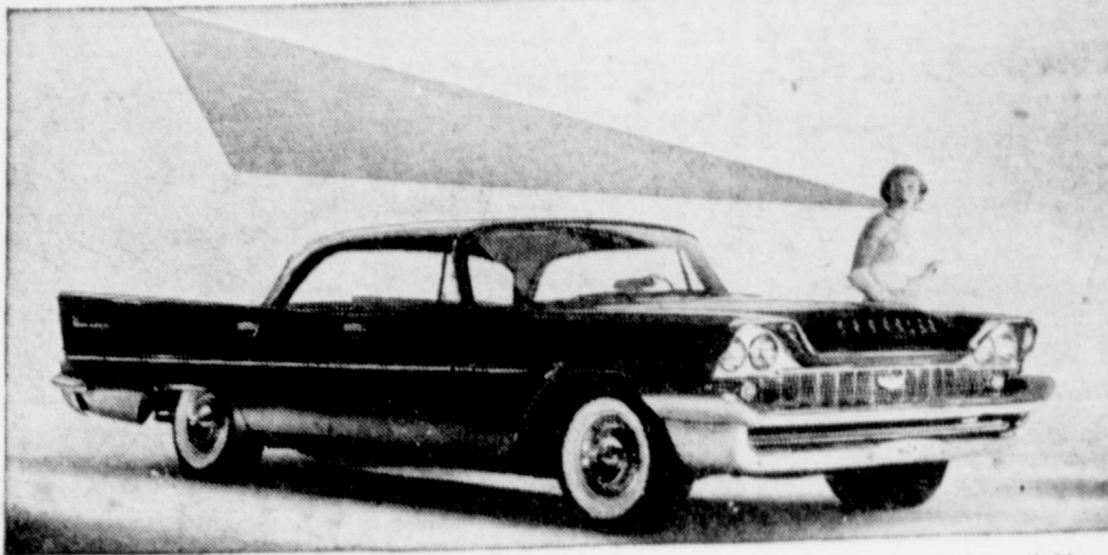

Amendments Are Approved By Both County, State

Floyd County along with the remainder of the state approved the three constitutional amendments in voting Tuesday. The amendments all received heavy majorities with amendment No. 1 concerning the state employees retirement fund getting the highest vote.

In this county with returns from all boxes except South Plains and McCoy, the vote was 654 favoring and 394 against amendment No. 1. The No. 2 amendment, concerning the pension fund, was approved 954 to 126 and the third amendment, concerning the state water bond issue, was approved 823 to 228.

In the state returns the retirement fund was approved by about 73 percent, the pension amendment by about 85 percent and the water bonds by 73 percent.

1958 CHRYSLER WINDSOR IN NEW LOW PRICE RANGE

The 1958 Chrysler Windsor four-door hardtop is ride, the only advanced suspension available as all new in a lower price range. It features dual standard equipment. The Windsor is also offered headlights as standard equipment, aircraft-type in a two-door hardtop, four-door sedan, two-seat bubble windshields, new power steering, pushbutton Town and Country wagon and three-seat wagon. TorqueFlite transmission and Torston-Aire. It is powered by a 290 horsepower engine.

Sister Succumbs On Visit Here

Mrs. Nannie E. Smith, 72, Fullerton, California, passed away about 4 a. m. Monday in Medical - Surgical Hospital here following a lengthy illness.

Mrs. Smith had been visiting her sister, Mrs. Frances O' Hearn since September. She lived at Memphis, Texas, before moving to California.

Survivors besides Mrs. O' Hearn, include three sons and two daughters, all of California. One of the sons arrived in Lockney by plane Monday afternoon and plans were made whereby the body was sent to Modesto, California Tuesday morning. Carter Funeral Home here was in charge of arrangements. The son left by plane from Amarillo Tuesday night to return to California.

Tahoka Game Will Be Played Here In Afternoon

The last game of the season for the Lockney Longhorns, the game with the Tahoka Bulldogs on Friday, November 15, will be played at 2:30 in the afternoon, Supt. H. H. Nicholas announced this week.

Business houses will be asked to close during the game, the superintendent said. The game should last about two hours.

Thieves Break Into High School

Thieves broke into the high school building Monday night, took an estimated \$10 in change from two coin boxes on vending machines but did no other damage. Supt. H. H. Nicholas said Wednesday.

The culprits opened a window on the east side of the High School building, entering through the home making department. They took the coin boxes off the machines and emptied them. Nothing else was missing and no damage was done to the building. Mr. Nicholas said.

Tax Collections Down From 1956

Tax Collections as well as Poll tax payments are below collections for the same time last year, according to a report from the office of County Tax Collector T. T. Hamilton.

Mr. Hamilton reported to the Commissioners Court Monday that state and county tax collections through October 31 totaled 59.87 percent of the total amount on the tax roll compared to payments in 1956 at the same time totaling 63.48 percent of the roll. This amounts to a reduction of 3.61 percent.

Polls paid through October 31 totaled 588 this year compared to 698 the same time last year, a loss of 110.

Cinnamon is made from the bark of a species of laurel found chiefly in Ceylon.

Largest river basin in the world is that of the Congo River in Africa.

Some \$500,000 worth of chrysanthemums are sold annually in the U. S.

New Ford Is Shown Today

"Whitey" Baccus Motor Company will be showing the new 1958 Ford today. They are serving free coffee and doughnuts and invite the public to come in and see the new models.

The new Fords have many outstanding features including safety - twin head - lights and tail-lights, life-guard double-grip door locks, new body design and new motor improvements.

COLOR HARMONY IN HOME TAKES PLANNING

The same simple color rule-of-thumb which applies to the rooms in your home applies to the kitchen. Choose the bright colors for a dark room; light colors to make a small room seem larger; dark tones to make a large room feel smaller and cozier. Remember, too, that the kitchen is a definite part of the floor plan of your house, so relate the room to those which it adjoins by featuring the same colors or those that blend with or complement the neighboring areas.

Lubbock Man To Be P-TA Speaker

Arthur B. Watkins, personnel manager of Duxlap's Department Store, Lubbock, and civic and church leader, will be the speaker for a Parent - Teacher meeting at Lockney High School next Tuesday night, November 12 at 7:30.

Theme for the program will be "Guidance with Meaning".

Paul Epps, minister of Street Church of Christ, will offer the invocation and speak on "What's New in Schools?" Special music will be given and Mrs. Laine will discuss "Thought".

The public is cordially invited to attend.
