The Fifth Annual Floyd County Fair gets underway today with a rush of events designed to entertain young and old alike. Tied in with the fair opening is Lockney Golden Anniversary barbecue scheduled for noon today and the Golden Anniversary program immediately following. The big parade will roll at 3 p.m. and Joe Reeves' big gospel singing will end up the first day's activities tonight.

Also scheduled for today is the judging of community exhibits, women's division and the agricultural department. Mrs. Clara Pratt, Lubbock, HD agent will judge the foods and Gina Brazeale, Hale assistant agent, will judge the textiles. L. M. Hargrave, also of Texas Tech, will judge the community exhibits and the agricultural products department.

The fair building opens at 8 o'clock this morning for entries. Department superintendents have been pushing for better than ever before departments and entries, at least in some departments, are expected to top all previous records.

The Golden Anniversary barbecue will be served in the little park between the city hall and fire station starting at 11:45 a.m. Smokey's of Plainview will provide the entire meal. Those who have lived in the community 30 years or longer will be given free tickets to the barbecue as they register just before the meal.

Mahon To Speak

Congressman George Mahon will be the featured speaker at the Golden Anniversary program immediately following the barbecue. Mayors of neighboring cities will be honored guests and descendants of the city's first official will be recognized at this program. Full details of this are given in another story in this issue.

The big parade formally opening the fair will get rolling at 3 p.m. Chairman R. M. Olsen says that it will be the biggest and best parade ever staged here and indications are that he is right. Full details of the parade are also carried in another story in this issue.

The old time Gospel Singing will be held Thursday evening starting at 7:30 under the big tent on the fair grounds. Joe Reeves is in charge and has invited noted singers and singing groups from all over West Texas and Eastern New Mexico. Acceptances have been received from numbers of them and for those who like gospel singing this should be a rare treat.

Livestock Judging

Livestock judging will take up most of Friday morning. Swine judging gets underway at 9 a.m., sheep judging at 10 a.m. and beef cattle judging at 11 a.m. Judge will be T. L.

Bank Agrees To Buy Legion Property Here

An agreement has been reached between officials of the First National Bank in Lockney and the Lockney American Legion Post No. 141 in which the bank will purchase the Legion building and grounds located on North Main Street. The consideration was \$15,000, bank officials said.

The bank purchases the property with plans to build a new bank building at some future date, President Charles Duran said Wednesday. Plans have been drawn for the new building complete with drive-in window and other modern arrangements. The agreement calls for transfer of the property on January 1, 1959. Mr. Duran said that it is possible the bank will start building the new building next Spring.

The bank purchased land near the Rhodes Super Market last year for a new building but decided that it was not large enough to accommodate their plans. This land will be sold, the bank official said.

The local Legion Post plans to construct a new building at some location yet to be selected. Legion officials said Wednesday they will make a definite plans until final parcel work is completed on the present transaction, it was said.

A small admission charge will be made for the Jr. High contest.

Longhorns Go To Dimmitt Friday Night

Lockney's Longhorns make their first road trip of the season Friday evening when they invade Dimmitt for a battle with the ever-tough Bobcats. The Dimmitt eleven battered Springlake, 42-0, last week in their season opener. Amarillo Daily-News ranked them fifth this week in their AA Panhandle picks; the Longhorns were listed seventh.

The Bobcat gridders will probably be up for the Lockney game as the local boys beat them twice last year, once in the bi-district tussle. Dimmitt has eight lettermen returning for last year's fine squad.

Lockney should be in good shape for the game. Jackie Calahan and Ronnie Thornton, both halfbacks, were slowed by injuries last week but have fully recovered. Larry Elam, hospitalized with a light case of encephalitis last week, is improving and may be ready to resume workouts next week.

The coaching staff stated that the defense looked pretty good against Hale Center but much more work is needed by the offensive unit.

The line up against Dimmitt will probably be the same used last Friday against Hale Center.

B. Jr. High Squads Open Season Here Tonight

The Lockney Longhorn "B" and Jr. High squads open their 1958 season tonight (Thursday) against "B" and Jr. High teams from Hale Center. The Jr. High battle will start at 6:30 on Mitchell-Zimmerman Field and the "B" game will follow.

The Jr. High Shortorns have many regulars returning from last year's eleven and are expected to have another good season. R. L. Rhoten is new coach of the Shortorns. "B" squad will be made up mainly of freshmen and sophomore boys.

THE GREAT VIRGIL is pictured in one of his many acts of mystery to be presented on the stage at the Lockney High School auditorium Monday evening, Sept. 15. The show, "An Evening of Enchantment," is sponsored by the Lockney Band Boosters Club.

MYSTERY, MAGIC, AND MIND READING IN MONDAY SHOW

Mystery, Magic and mind reading will be featured in the show, "An Evening of Enchantment," scheduled for Monday evening at the High School auditorium. The curtain will go up at 8 o'clock.

Featuring a mysterious pair, Virgil and Julie, the mystery show has made a hit in all parts of the world, having just returned from a five-year tour of the world. The show is sponsored here by the Lockney Band Boosters Club.

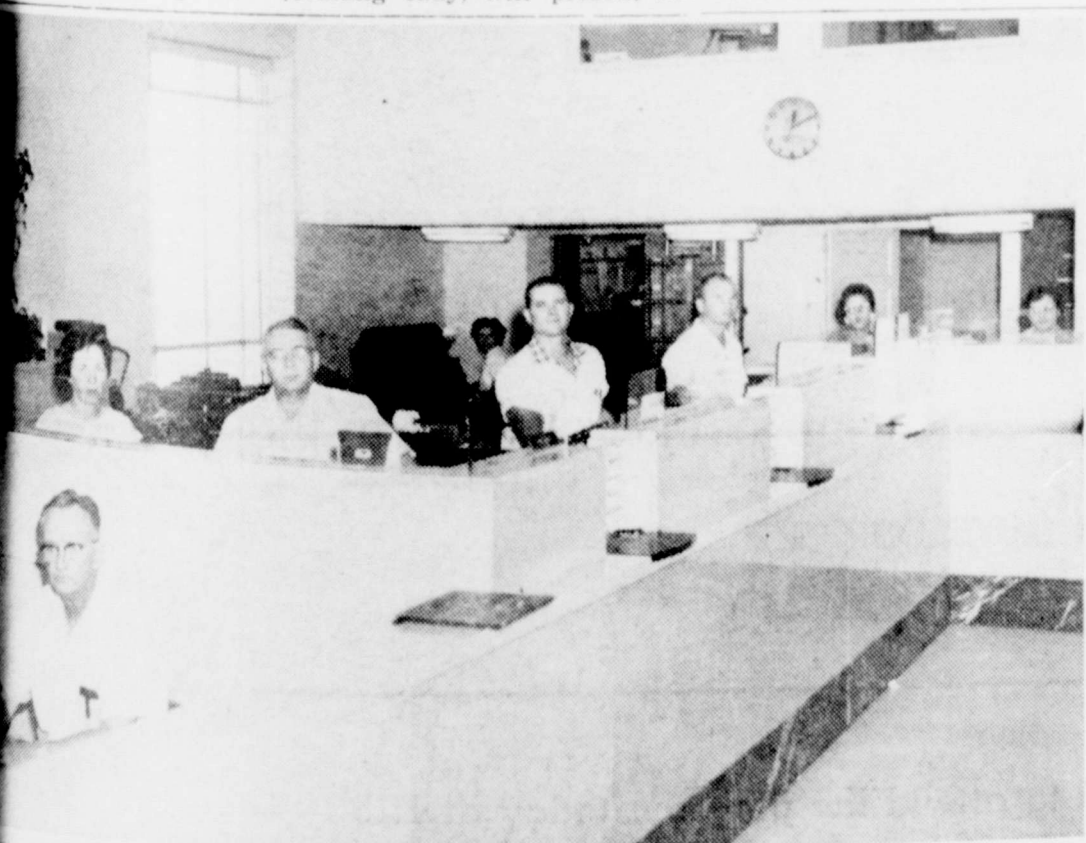

An afternoon matinee will be presented especially for school children.

Virgil will, among the many miracles, shoot a live canary into a lighted hermetically sealed electric light bulb which will then be passed into the audience for inspection. How does the bird live in a vacuum — only Virgil knows.

Julie, Virgil's partner and leading lady, will present her

world-famous "Mysteries of the Mind" act. Julie, who possesses the uncanny mental gift has studied telepathy from the "dreamers" of the Australian Bushmen, the Chinese, the Aborigines of Malaya, the Siamese, and East Indians as well as the Spirit Mediums of sophisticated London.

It is reported by educated and talented writers and theatre critics in the leading newspapers around the world, that Julie can call people whom she has never seen before, by their names, tell them their thoughts and answer their questions. How does she do it? Julie says it is through scientific training of a rarely developed part of the mind. Constant study and practice has enabled her to develop this latent power of the human mind into an intensely fascinating masterpiece of entertainment.

THE MODERN interior of the First National Bank is shown in this recent picture. The bank is observing its 50th anniversary today (Thursday) with open house. Personnel shown include, left to right: F. M. Neil, vice-

president; June Bybee, cashier; Virgil Thomas, assistant cashier. In the right foreground are "Dub" Dipprey and Tommy Montandon, tellers. In the center background is Mrs. Homer Rayland, bookkeeper and the

OPEN HOUSE TODAY MARKS BANK'S GOLDEN ANNIVERSARY

The First National Bank in Lockney is holding "Open House" today (Thursday) celebrating its 50th year of service to the community. The bank will receive visitors from 9 a. m. to 3 p. m. and invite all during those hours. No check will be transacted by the bank on this special day.

Assistant Charles Duran and other officials of the bank have invited out some 1500 invitations to the open house. They're expecting a large number, including many out-of-town visitors to visit the bank.

Bank personnel will serve coffee and doughnuts to those calling and will distribute favors to men, women and children.

The First National Bank opened for business here on April 24, 1908. Capital stock was \$25,000 and the first directors of the bank, as noted in the Articles of Association, were L. T. Lester of Canyon, J. S. Baxter, W. S. Meller, Ghent Carpenter, J. D. Griffith, W. S. McNeil and Homer Howard, all of Lockney.

The officers were to be elected from the directors, according to the agreement, and the first officers of the bank were J. S. Baxter, president; Ghent Carpenter, cashier; J. D. Griffith, vice-president; W. S. Meller, chairman of the board; Homer Howard, secretary.

The first stockholders meeting was held on the day the bank opened, April 24. The original stockholders were W. S. Meller, W. S. McNeil, L. T. Lester, Ghent Carpenter, J. S. Baxter, Homer Howard, J. D. Griffith, J. E. Harper, A. J. Byars, L. C. Lair, J. C. Pipkin, R. G. Oldham, the latter three being of Canyon.

The Articles of Association were notarized before J. N.

Sand Hill News

By Mrs. James Jeffress

Every where you go this week you meet someone hunting produce for the coming fair which begins Thursday, so if anyone has something extra special contact one of the club ladies. We want a community exhibit we can be proud of, and we can't have this unless we all work together.

Crops are beginning to move a little. Several fields of grain have been cut, and some are trying to get out a bale of cotton.

The football game in Lockney was well attended and very exciting (I think). It sounded that way, but since we were working the pop corn machine, we didn't see much. Everyone was very happy, as part of the money goes to our band. Anyway Lockney won, that was really what we were interested in. Some neighbors seen were Mr. and Mrs. Bill Sherman, Mr. and Mrs. Forest Mickey and Mr. and Mrs. Leroy Durham.

Mr. and Mrs. Doy Slater of Littlefield, formerly of this community, visited friends Friday and Saturday. They visited in the home of Mr. and Mrs. James Jeffress, Mr. and Mrs. William Mayo. A domino party was enjoyed in the Mayo home Friday night. Others present were Mr. and Mrs. Jim Holmes, Mr. and Mrs. W. R. Billington, Mr. and Mrs. Jim Holmes returned home Friday afternoon after spending two days in Midland and in the home of Mrs. Holmes' daughter, Mr. and Mrs. Johnny Stokes in Crane.

Mr. and Mrs. Albert Pricer of Floydada visited Mr. and Mrs. Hilrey Shurbet Saturday night. Girls planning to be in the 4-H Style Show at the fair Saturday afternoon are Janice Miller, Beverly Jeffress and Norma Hollums.

We are sorry that Mrs. Darrell Mayo is ill and her infant son, Terry, hasn't been doing well. Terry has been in the home of his grandparents, Mr. and Mrs. William Mayo, this week while his mother is ill.

Mrs. Joe Earp of Munday has been here visiting her daughter, Mr. and Mrs. Bill Stringer and Christy, this week. Also visiting was Molly's sister, Jo Francis O'Donnell.

Sand Hill Club met Wednesday afternoon at 2 p.m. with the president calling the meeting to order. Mrs. M. B. Swanner, hostess, gave the devotion; Mrs. J. T. Spears handed out information on "Our Schools". Business of the afternoon was making plans for the community exhibit for the fair. Mrs. Spears gave an interesting report on her trip to Aus-

tin, where she attended the State meeting.

Mrs. Swanner served refreshments to Mmes. Ed Noel, J. T. Myrick, Walter Knight, H. F. Jackson, T. C. Hollums, Roy Teague, Lynn Miller, James Jeffress and J. T. Spears. The program was on "Health" given by Mrs. Roy Teague. The next meeting will be September 17th, with the home demonstration agent present.

Mr. and Mrs. Roy Slater, Littlefield, spent Friday night visiting Mr. and Mrs. Jim Holmes.

Sunday dinner guests of Mr. and Mrs. J. T. Spears and family were Brother and Mrs. Calvin Gustin and family, Plainview.

Bill Stringer presented the Training Union Banner Sunday night to the class having the highest monthly average and again the Adult Class took the banner.

Mr. and Mrs. Monroe Schultz and family visited her sister, Mr. and Mrs. Homer Miel and family at Hale Center Sunday afternoon.

Visiting in the home of Mr. and Mrs. M. B. Swanner over the week end were her parents, Mr. and Mrs. Kenneth Swanner of Lubbock.

We will be losing our college students in the near future. Keith Hollums and Bettye Graham will go to Texas Tech and Anita Durham will go to West Texas State.

Mr. and Mrs. Jackie Myrick of Lubbock visited her parents, Mr. and Mrs. Fred Jackson and Mr. Jackson's mother from Morkel, Tex., Sunday.

The associational meeting for the Baptist Churches will be September 16th in Crosbyton. Messengers from the church are Mr. and Mrs. Tom Thomas, Mrs. Dale Stringer and Brother and Mrs. Bill Rowland.

Mr. and Mrs. Red Luper of Pampa visited her parents, Mr. and Mrs. O. C. Phillips Sunday.

Jim Holmes and J. T. Spears made a business trip to Lampasas Monday and returned Wednesday.

The GA's met Monday night at the parsonage. The girls enjoyed recreation and a program was presented by Mrs. Bill Rowland on "Stewardship." Norma Sue Hollums served refreshments to Kathy and Linda Rowland, Mary Starkey and Beverly Jeffress. The next meeting will be Sept. 15 at 7:30 p.m.

Wells Will Be Recommended For American Farmer

Marvin Wells, son of E. E. Wells of Cedar Hill and a 1957 graduate of Lockney High School, will be recommended for the American Farmer Degree at the 31st annual National FFA Convention in Kansas City October 13-16. The announcement was made this week by George Hurt, Austin, state director of agriculture education.

Five other FFA boys on the South Plains will also be recommended for the award. Only 34 in Texas are to be recommended.

Marvin has already won a number of honors in FFA work. The American Farmer Degree is the organization's highest award.

Hurt said the FFA headquarters in Washington, D. C., has reported that the boards of student officers and directors of

the national organization have reviewed the Texas applications and will recommend to the delegates at the convention that the 34 boys receive the coveted degree.

Approval by these boards usually is tantamount to election by the delegates. Nationally, the officers and directors voted to recommend 362 FFA boys for the American Farmer Degree.

Presentation of the degrees will be made in the Municipal Auditorium at Kansas City on the afternoon of Oct. 14. Each degree winner will receive a certificate and a gold key from the national organization, plus a cash travel allowance from the FFA Foundation, Inc. and the Texas FFA Assn.

Attainment of the American Farmer Degree is based on the Future Farmer's record in farming, leadership and scholarship. The degree is limited to FFA members who have been out of high school at least one year and who are showing evi-

Texas Winners In Soil Conservation Program Given

College Station — Three soil conservation districts and six individuals in Texas have been named winners in a national soil conservation district awards program. Jack Barton, extension soil and water conservation specialist, said the list of winners was released by

dence of becoming successfully established in farming.

One Future Farmer who is selected as the most outstanding of the degree winners will be named Star Farmer of America and will receive a \$1,000 cash award. Three others will receive Regional Star Farmer awards of \$500 each.

More than 500 Texas Future Farmers, including a large delegation from the South Plains, are planning to attend the national convention.

Goodyear Tire and Rubber Company, program sponsor.

The three winning districts were the McLennan County district, representing north central Texas; Marion-Cass district, representing south Texas; and the Pedernales districts, representing West Texas.

Individual winners were Dave Simons, Rt. 6, Waco, chairman of the governing board of the McLennan district and Carroll Hatter, Sr., Bruceville, outstanding cooperators for the same district.

Marion-Cass district selected Dr. Joe D. Nichols, Atlanta, as governing body winner and Ed Rabb, also of Atlanta, as outstanding cooperators.

Orwin A. Ahrens of Sandy and Leonard L. Smith of Blanco were the nominees for the supervisor and outstanding farmer-cooperator awards from the Pedernales district.

Barton said the six Texans, along with other state winners, would be the guests of the sponsor in late November or

early December on a vacation to the G

Farms, Litchfield, Ark. Too, the districts will award bronze plaques to individuals named winners.

Second place honors went to the Salt Fork district and the Maverick district. Outstanding cooperators of the districts were Walter Camp, Wellington; Mary Pittsburg and C. W. Quemado. These districts individuals will receive certificates of merit.

The judging committee composed of County chairman of Crowley, Byers, Celeste and A. rison of Garland.

Nuptial Shower Honors Bride-Elect

Miss Nelda Cates, bride-elect of A-3c Thomas E. Maurer of Edinburg, Texas, was honored with a coffee Wednesday morning from 9:30 until 11:00 o'clock in the home of Mrs. Bill Hodel.

Mrs. Hodel greeted the guests and presented them to the honoree, her mother, Mrs. W. B. Cates, Lockney and Mrs. W. C. Cates, Plainview, grandmother of the honoree.

The refreshment table was covered with pink net over pink and centered with a bride doll on a reflector surrounded by flowers. Tea and coffee were served from a silver service with dainty sweet rolls. Misses Kitty Ford and Charlyne Messinger presided at the table.

Miss Charlyne Brown secured names for the register. Hostesses for the event were Meses Melvin Potts, C. D. McCandless, Joe B. Cumble, R. L. Holland, Tom Ashburn, A. L. Bigham, Lester Carter, Jack Calahan, H. B. Sparkman, B. B. Vernon, Homer Bartram, Frank Brown, Edgar Hays, Buck Kellison, Hilburn Casey, Harmon Handley, J. A. Dunn, Horton Howell, R. H. Legion Auxiliary Elects New Officers

Mrs. Lozelle Graham was elected president of the American Legion Auxiliary at a meeting held Thursday night in the Graham home.

New officers elected to serve with Mrs. Graham were 1st vice-president, Mrs. Dorothy Thomas; 2nd vice-president, Mrs. Verna Newton; secretary, Mrs. Jimmy Rhodes; treasurer, Mrs. June Bybee; sergeant-at-arms, Mrs. Nell Watson; chaplain, Mrs. Edith Williams and historian, Mrs. Louise Hodel.

Mrs. Louise Hodel, Mrs. June Bybee and Mrs. Billie Harris were appointed as a committee to arrange for a float in the Fair parade.

The new officers will be installed at the next meeting, Thursday night, Sept. 18 following a salad supper at 7 o'clock in the home of Mrs. Louise Hodel. Each member is to attend and bring a salad.

Good Attendance At First PTA Meeting

Lockney Parent-Teacher Association met Tuesday evening at the high school in its first regular session for '58-59. Mrs. Inez Mosley, president, presided and gave the welcome address. There are 191 paid P.T.A. members to date.

Mrs. Mosley read the following newsletter from "The Acron" entitled "Ways to Kill P.T.A.": "1. Do not attend meetings; 2. Come late, if you come at all; 3. Hold dues until too late for membership drive, or better yet, do not pay dues at all; 4. Never ask a friend to join or even visit a meeting; 5. Have nothing to say when meeting is in progress, but then over the back fence — Oh! Boy! 6. Do not think about any of the discussion for business of the meeting; 7. Find fault with everything and everybody; 8. Kick if not asked to do something, but if asked, be sure to refuse; 9. Complain that the association never does anything and how that it is run by a clique if it does anything."

Special music was provided by Mrs. Don Hatch, Miss Barbara Carruth, Mrs. Olive Myers, Mrs. C. L. Record, Mrs. Lavon Johnson and Mrs. Fritz Schacht. "What's New in our Schools" was given by Henry Ford.

Oscar Golden, president of the school board, introduced the board members and Mr. Nicholas introduced the school principals who in turn introduced teachers in their schools.

The P.T.A. members have received an invitation to attend a P.T.A. Workshop at the high school auditorium in Abernathy October 17, 9:30 to 3:30.

Mrs. Thurman Davis, secretary, read the minutes and Mrs. Fritz Schacht gave the treasurer's report.

Following the meeting a tea and social hour with games were enjoyed in the lunch room. Hostesses for the event were Mrs. Byron Ford and Mrs. R. L. Knox. Attending were 29 teachers and 63 parents.

FREE — The dog house we will have in the parade will be given to the boy or girl, not more than 12 years of age, who guesses closest to the cost of material used. Leave your guess at our office. We will announce the winner Saturday at 4 p.m. Brunner Lumber Co.

Rainbow Assembly Observed Second Birthday

Lockney Assembly No. 270 Order of Rainbow for Girls observed the second birthday of its organization at the regular business meeting Monday night in the Masonic Hall.

During the business session Miss Janice Hays, incoming Worthy Advisor, read the list of new officers and Miss Carolyn Harris was elected to serve as Faith. Mrs. Jimmy Smith, Mother Advisor, presented Nelda Tims Nance with a Majority Certificate and special recognition was given to Board Members, 4-year girls, those holding the Grand Cross of Colors, and others giving honorable service to the organization.

Homemade ice cream brought by Mrs. Chester Mitchell, Mrs. E. M. Quebe and Mrs. Connie O'Brien was served with a birthday cake presented by Mrs. Charlie Boedeker and Mrs. Clark Harris to approximately 50 members and guests. The beautifully decorated birthday cake was accented with the colors of the rainbow. Among the out-of-town guests were Mr. and Mrs. Dorsey, Mr. and Mrs. Ted Ruthenford, Mrs. Flora McNeil, and Miss Doris Huckaby, all of Floydada. Mrs. McNeil is the Mother Advisor and Mrs. Ruthenford is Past Mother Advisor of the Floydada Assembly. Mrs. Larry McCormick, a worthy advisor and majority girl was also a visitor.

A program presented during the meeting included a reading by Diana Allison, musical reading by Sandra Lawson accompanied by Elaine Cooper who also played a piano number. Janice Hays played a piano selection and accompanied Elaine Cooper as she sang a solo.

Thirty-five of the girls attending were also present at the institution of the local assembly two years ago.

Dillard-Love Reunion Held

The 11th annual Dillard and Love family reunion convened at Mackenzie Park in Lubbock Sunday, August 31 with 170 adults registering from points in California, New Mexico and Texas.

A short devotional was given by Rev. Lonnie Bowlin from Houston, followed by a business meeting. Rev. H. M. Reeves, Plainview, was re-elected president and Charlie Dillard, Plainview, was re-elected as secretary-treasurer.

A basket lunch was spread at noon.

The reunion will be held at Childress close to the 15th of August, 1959.

Garden Club Makes Plans For Show

Lockney Garden Club made plans Friday afternoon for their annual flower show at the Floyd County Fair here this week end. Plans were formulated during a meeting which took place in the home of Mrs. Horton Howell at 4 p. m.

Mrs. Kelton Shaw was leader for the program which followed with roll call being answered with a "Book I'd Like to Read." Mrs. Henry Ford discussed "Daffodils in the Garden" and Mrs. L. M. Honea discussed "Peonies."

Flower arrangements were brought by Mrs. Harmon Handley and Mrs. Frank Roberson. Cake and coffee were served to Meses A. P. Barker, Clyde Briley, Henry Ford Sr., N. E. Greer, Theo Griffith, Harmon Handley, L. M. Honea, Dale Laceywell, Carl McAdams, Jay McPherson, C. D. Merrick, T. B. Mitchell, R. C. Mitchell, Alex Norris, Ewald Quebe, Frank Roberson, J. B. Seale, Kelton Shaw, R. W. Smith and the hostess.

CARD OF THANKS

We wish to express our appreciation to our good friends, our doctors and the hospital staff for their kindness and sympathy during our loved one's long illness and death. We were grateful for the many flowers and the food which were expressions of your love.

During a time like this we realize how much our friends really mean to us. May God bless each and every one of you.

In addition to these Lanell Johnson plans to enroll in a business college the second semester, beginning in January.

E. L. Thomas Gets Soil Award For County

The Annual Floyd County Soil Conservation District Tour went off as scheduled last week. Approximately 350 attended the tour. The main address at the noon barbecue was made by James D. Abbott, Area Conservationist of the Soil Conservation Service, with headquarters in Lubbock.

Ernest Lee Thomas, who lives 10 miles southwest of Floydada, received the "Outstanding Conservation Award for 1958". The award was presented by Ed Wester, President of the Floydada Lions Club. The Floydada Chamber of Commerce provided the barbecue and beans, while Paymaster Farms furnished the drinks and other items for the noon meal.

The Board of Supervisors of the Floyd County Soil Conservation District would like to take this means of expressing thanks to everyone that had a

part in making the a success.

A meeting was held Monday night, August 25, at the Courthouse, on the School Watershed. Bill Lockney was elected to send the group in taking bids on work contracts interested to be done in the Watershed. Another meeting of the Watershed is planned in the near future to discuss these bids and make some definite plans on getting initial work in the Watershed.

Providence

By Mrs. Wilfred Stoerner

Things are buzzing at Providence. The school is doing nicely with a good attendance. The Crume store and cafe run by Mrs. Bill Rogers has been open several weeks. The Crume gin has ginned 10 bales of cotton. Helmut Quebe is working at the scale house.

Visitors over the week end at the home of Mr. and Mrs. Crume were Mr. and Mrs. Claychese of Los Cruces, New Mexico. Mrs. Claychese is a daughter of the Crumes.

Mr. and Mrs. Rein Newman of Brenham, Mr. and Mrs. Lonnie Newman of Houston, Mr. and Mrs. Sam Newman and Helen, were dinner guests at the home of Mr. and Mrs. Marvin Scheele Sunday.

Mrs. Ollie McQueen underwent in appendectomy Tuesday evening at Medical Center at Plainview. Her son, Jerry McQueen stationed with the Navy at Norman, Oklahoma, is home on a ten-day emergency furlough. Mrs. McQueen was able to return home Monday and is doing nicely.

Those attending the fifteenth wedding anniversary of Rev. and Mrs. Daniel Scholmer, of Amarillo were Mr. and Mrs. Wilfred Stoerner and family, Mrs. Ben Quebe, Mrs. Ben Brantley and Mrs. Henry Sammann.

Among those attending the funeral of L. A. Cooper of Lockney were Mrs. E. M. Quebe, Mr. and Mrs. Ben Brantley, Mr. Cooper was a carrier for the "Beacon" at Providence.

Women of the Church met for a quarterly meeting Wednesday at the church. Mrs. Ernest Sammann and Mrs. Leo Boedecker were hosts. The meeting opened with singing "Faith of Our Fathers," followed by a devotional by Mrs. Elmo Lee Schaffner. Mrs. Ted Boedecker discussed our mission field in Ethiopia. Mrs. A. K. Windecker gave a book review of Norman Vincent Peale's latest book.

New officers elected include president, Mrs. Ted Boedecker; Mrs. A. D. Schaffner, vice chairman; secretary, Mrs. Wilfred Stoerner; treasurer, Mrs. Ben Quebe.

A clean-up day will be held for the church Friday before Mission Festival. Twenty five ladies enjoyed the meeting and refreshments served by the hostess, sandwiches, doughnuts, coffee and cakes.

The Church will represent the Providence Community with an entry in the parade to be held in Lockney Thursday.

For an interesting accompaniment for chicken and fish dinners, try this hot bread from the deep South: Mix and sift 2 cups white corn meal, 2 teaspoons baking powder and 1 teaspoon salt into a bowl. Add 3-4 cups milk, 1 egg and a large onion cut into fine pieces. Mix well. Place a 10-inch skillet over the large burner and turn the dial to 375. Add 2 tablespoons shortening. Fry the hush puppies as you would pancakes, or shape them into long strips, like a thin hot dog bun. Turn during cooking so they will brown on both sides. Serve hot with butter. This recipe should make about 12 hush puppies.

Poems Of Local Students Published

During the summer three Creative Writers in Lockney High School made a record with their school contributions. Violet Haggard was recognized by her spring winner, "Loss of a Friend" being published in "Sermons in Poetry," a religious magazine.

The poems of Janice Boedecker, "Tulips" and Donna Workman's, "My Happy Trail," were published in "Songs of Youth", the national poetry publication.

Selections were made from some 10,000 poems which appeared in the 25 regional Anthologies of High School Poetry in the states for 1958. Mrs. Mildred Zeigler is sponsor for the local Creative Writers Club.

Charles Vaughn of Hubbard, Texas, and a student of West Texas State College, Canyon, visited in Lockney Friday night.

More than five million individual driver license records are on file at the Texas DPS.

Longhorns Tree Owls 14-0

Everybody was working hard for the Longhorns defensively. Linebackers Duane Griffith and Ronnie Harris, Byron Brock, Milton Mickey, Ricky Duvall, Steve Handley, Dan Smith,

Jackie Calahan, Bill Race, Terry Clark, Jimmy Minter, and other Longhorns distinguished themselves in their defensive play.

The Owl's only threat, if it could be called that, came late in the fourth quarter when, aided by two 15-yard penalties, they drove down to the Longhorn 40 yard line. The Longhorns took over at this point and had the ball when the game ended.

Here is a brief summary of the game:
The Owls received the kick off at their 32, netted 2 yards in three plays and Minter returned the kick to the Hale Center 41. Clark made 3. Race went to the 30 for a first down, the Longhorns were penalized 5. Race made the 5 back, a pass was incomplete, and Minter took a pitchout from Race and went to the 17 for a first down. Race drove to the 7 for another first, and then the big

fullback took it over for the score in two plays. Try for extra two points failed. Score 6-0.

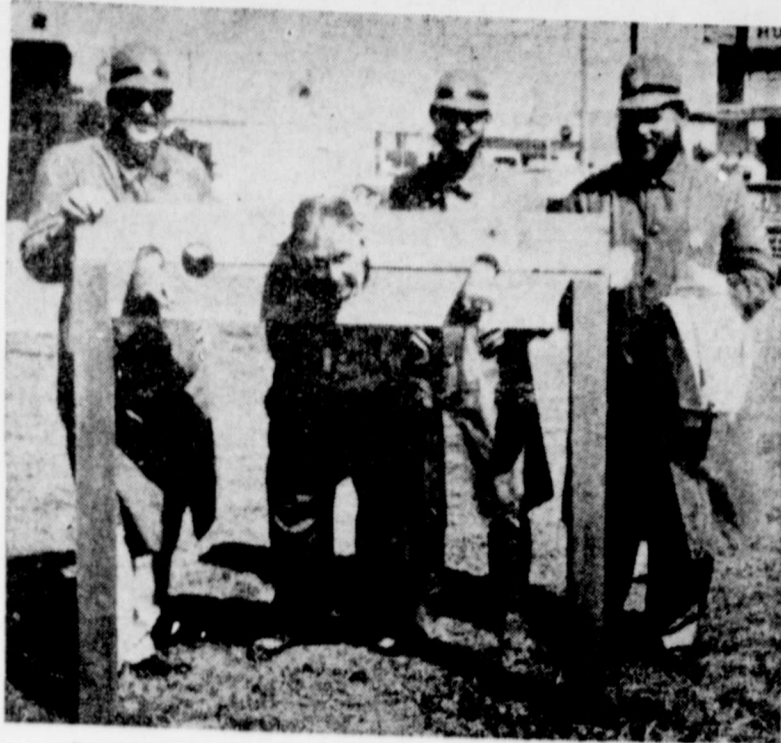

The Owls returned the kick to their own 35, made nothing and Ricky Duvall drove in to throw the ball carrier for a 4-yard loss. A pass interference penalty against the Longhorns gave the Owls a first down on their own 41. They lost 1, tried a pass which was incomplete, and Milton Mickey spilled the ball carrier for a 4-yard loss. Mickey almost blocked the punt with the Longhorns taking the ball on the Hale Center 47. The Longhorns were penalized 15, tried a pass, made 13 yards in two plays and Minter kicked to the Hale Center 42. The Owls made 1, completed a pass for a 1 yard loss, tried another pass which was completed to the 29 but was nullified by a penalty to the Hale Center 1 yard line. They made 4 and Minter returned the kick to the Owl 25.

Calahan drove to the Owl 14 in two plays for a first down, three trusts at the line and an attempted pass netted the Longhorns only 6 yards and Hale Center took the ball on their own 22 using a vital fourth down to make it, netted a minus three yards on the next three plays and kicked to their own 44.

Race made 8 in two plays and then pitched out to Minter for a first down on the 31. Race made 6, Clark made 3 and then rushed for a first down on the 19. Race made 8, and then drove to the 1 but the play was nullified by a 15-yard penalty. A pass interference penalty against the Owls gave the Longhorns the ball on the Owl 7. Calahan made 1, Race 5 and Calahan drove over for the touchdown. Minter faked a handoff and kept the ball around end for the extra two points. Score 14-0.

The Owls received and Clark stopped the ball carrier on the Owl 33. The Owls made a first down on their own 43 in four plays but Calahan drove in to drop the ball carrier for an 8-yard loss on the next play. A pass made 10 as the half ended.

Hale Center took the kick off back to their own 29, made 2 in three plays and kicked to Lockney's 38. The Longhorns couldn't go and a short kick gave the Owls the ball on their own 43. Shipp drove to the Longhorn 45 for a first down. The Owls made one but on the next play Duvall and Mickey teamed up to throw the ball carrier for an 8-yard loss. They kicked to Lockney's 29. A pass, Calahan to Clark, was good for a first down on the Longhorn 39, but Holley of Hale Center intercepted a pass on the next play and the Owls took over on their own 44. They still couldn't go and kicked to the Lockney 36. Race drove for a first down on the Hale Center 46 and another on the 33. The Longhorns were penalized 5, lost 7 on a pass attempt and a pass, Minter to Calahan, was good for 6. The Lockney boys

EDITORIAL

Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up. — I Cor. 13:4.

IT'S FAIR TIME and The Beacon joins with others in welcoming you to the fair and urging you to visit every part of it. Fair officials and directors have put considerable effort into the fair this year and we feel sure that it will be well worth your time to visit it. The special events should also be unusually good this year. Take time to visit your fair. Better still take part in it if the opportunity affords. There is information, entertainment and fun awaiting you at the Floyd County Fair.

THE BEACON would also like to boost another event that is coming to Lockney and that is the mystery show, "The Great Virgil," showing in the Lockney High School auditorium next Monday evening. The show is no doubt one of the very best magic and mystery shows on the road, with mind reading thrown in on the side. It is being sponsored by the Lockney Band Boosters Club. You'll enjoy it a lot.

CONGRATULATIONS are in order to the First National Bank and the City of Lockney, both celebrating their Golden

Anniversaries this year. The bank during its 50 years of operations has been a big factor in the building of this community and in its growth and prosperity. Gone are the men who founded the bank and started it on its 50 years of service but the spirit they manifested is one that is necessary for the growth and development of any community.

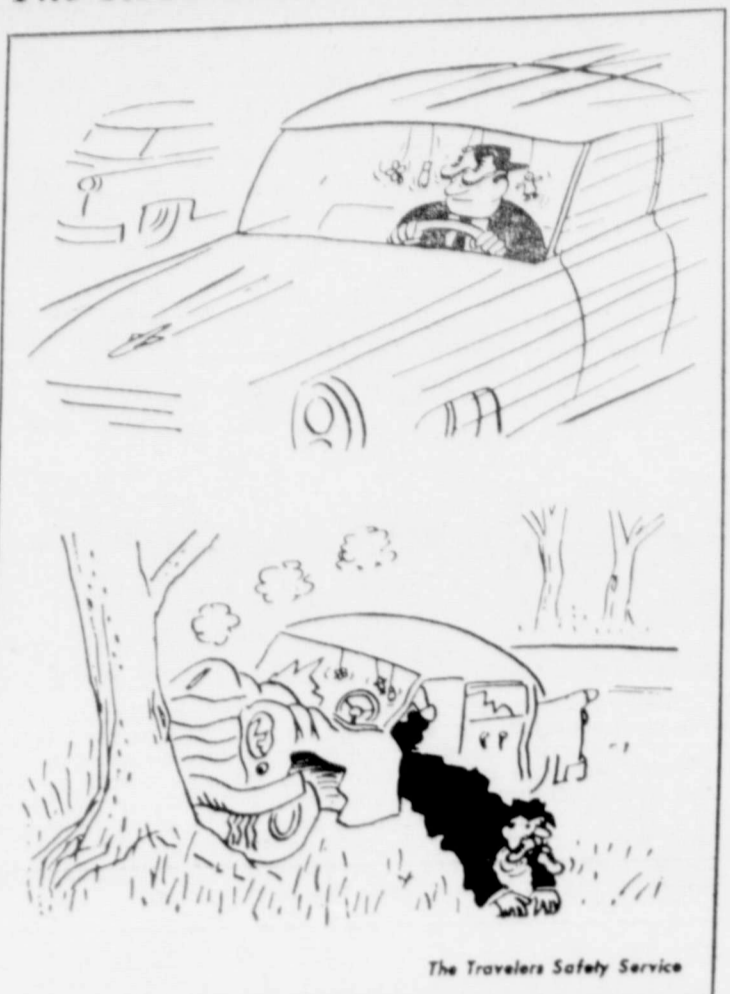

OF COURSE, the City of Lockney has been in existence longer than 50 years, the Golden Anniversary marking the time from its incorporation. Lockney has had its ups and downs in those 50 years, some mistakes have been made, some misfortunes have befallen it, but we feel that it is safe to say that the City of Lockney is now larger and more prosperous than at any time in its 50 year history. From water, gas and light meter installations we believe that the city's population is nearing the 2500 mark. That's probably 2 1/2 times the population when Ye Editor came here in 1942.

THE HIGHWAY Department's plans for building the four lane road through this part of Floyd County as announced last Thursday are going to cause quite a bit of moving around. Some businesses will be forced to relocate completely. Others will have to rearrange their facilities. Some residences must be moved. The Beacon takes the stand that the property owner should be reimbursed for his actual damages. We don't know exactly how these things work but we've heard some tall stories. We do not believe that a property owner should be penalized because he happens to own property on the main highway. If he's damaged he should be paid for those damages so that he can move his business—or residence—to another location and be as well off as previously. Seems to us that's the only fair way to do it.

A BILL TO PROTECT states rights against Federal encroachment passed the House with ease — by a 241-to-155 vote. It was inspired by Supreme Court decisions invalidating state laws on the grounds that Federal statutes covering the same subject matter gave the Federal government exclusive jurisdiction. The bill permits Federal preemption only when Congress explicitly so provides or when there is an irreconcilable conflict between the Federal and state laws concerned.

TOOLS OF FREE ENTERPRISE

We have many businessmen who pay lip service to the idea of free enterprise but refuse to use the tools of that system when confronted with competition. The simple tools of the free enterprise system are competitive prices and the advertising of those prices. Quite often a businessman, not wishing to compete will use coercion to create a monopoly in the advertising field in the hope that this will lessen his competition. Nothing could be further from the truth.

In today's fast medium of communication competitive prices are spread thousands of miles in a matter of hours. No longer does any medium have a monopoly on coverage of a certain area.

The businessman of today is forced to compete with businessmen as far away as Dallas and even Chicago. And compete he must if he wishes to stay in business. Small towns lose business because they feel

they cannot compete. However, they are in a far more advantageous position for competition than any other type of business. Their small overhead, the cheapest of advertising avenues and the simple fact of being personally acquainted with most of their customers give them the inside track.

But if they do not compete, do not advertise, sit with folded hands, they deserve the little business they get. — Cecil Waggoner in Claude News.

WIG MAKERS

Good news for a bunch of us fellows who are getting a "bit thin" on top is the return of popularity in wigs. Wig makers all over the country are snowed under with orders. Mostly, they are vari-colored to match cocktail dresses, varying from red and white candy stripes to some really wild colors including "shocking pink," bright green and lavender. Wigs were once a mark of the elite in Colonial America and Europe. If women can buy 'em just for fun, what's wrong with a fellow who honestly needs one having it? Nylon has helped the wig situation, too. The going price is from \$35. up. — Jimmie Gillentine in Hereford Brand.

Dear Editor: I see where a three-degred teacher writes articles for high-brow magazines in defense of no-strain education programs.

The professor is consistent, too. Not only believes kids ought to ignore Noah Webster and sixth grade grammar, but practices said ignorance in his own writings.

My oh-well neighbor says, though, when TV gets everybody weaned from reading, knowing how to write won't be any more useful than many other out-moded skills such as indoor cooking and staying out of debt. D. E. SCOTT Crossroads, U.S.A.

Johnson-Chesshir Vows Are Repeated

Mr. and Mrs. Donald Rhea Chesshir are at home in Lockney following their marriage August 15. The couple were united in double-ring rites performed in the Methodist Church at Bula, Texas, with Rev. L. W. Baker, pastor of Halfway Methodist Church, officiating. Rev. H. W. Kile, pastor of the Bula church assisted.

The bride is the daughter of Mr. and Mrs. D. T. Johnson of Bula and the bridegroom is the son of Mr. and Mrs. O. D. Chesshir of Morton.

The bride wore a waltz-length gown of white French lace over taffeta fashioned with a scoop neckline outlined in scallops, long tapering sleeves and an elongated bodice touched with sequins and seed pearls. An underlay of full tulle ruffles adorned the back of the skirt. Her veil of illusion was fastened to a tiara outlined with seed pearls and lace. She carried a white Bible topped with pink carnations, gladioli and stephanotis.

Miss Sandra Spence was maid of honor. She wore white crystalline.

Bridesmaids were Misses Ruby Cash, sister of the bride; Shirley Cox, Sudan; Sandra Angel, Enochs; Kathy Phillips, Morton; Kathie Archer, Sammie Reynolds and Judy Young, all of Bula. Their dresses were pink. They and the maid of honor carried bouquets of pink and white gladioli.

Best man was Olen Findley of Lubbock. Ushers were Truman Harris, Lubbock; DeWayne McBee, Bula; Ronald Lindsey and Lee Benham, both of Morton.

Jolene Cox, cousin of the bridegroom, was flower girl. Ring bearers were Gale and Jerry Lancaster of Tulla, cousins of the bride.

Candlelighters were Barbara Flippo of Kress, cousin of the bride, and Ernest Eugene Chesshir of Morton, brother of the groom.

Tommy, Derryl and Lowell Bowman of Lubbock, Mrs. Leo Wallace of Plainview and Mrs. Donald Joe Cox of Enochs sang. They were accompanied by Miss Lennell Claunch of Bula at the piano.

Following a reception the couple left for a trip to Ruidoso and other points in New Mexico.

They are now at home in Lockney where he is employed by Knox Grocery and Market.

Chesshir is a graduate of Morton High School and attended Lubbock Christian College. Mrs. Chesshir attended Three Way and Bula schools.

Bride-Elects Are Honored By YWA

Two bride-elects were honored recently with kitchen showers and Bible ceremony by members of the Young Women's Auxiliary of the First Baptist Church.

Miss Nelda Cates was honored on Sunday afternoon, August 31, at 5:30 in the parlor of the church and Miss Wanda Cox was honored Wednesday, September 3, at 6 o'clock at the parsonage.

The impressive Bible ceremony administered the bride-elects to establish Christian practices in her new home. Each girl was presented with a white Bible as a gift.

Punch and cookies were served at the close of the meetings.

Layette Shower Honors Mrs. C. Broadhurst

Mrs. Charles Broadhurst was named honoree for a layette shower given by the Baptist WMU in the home of Mrs. T. B. Mitchell Saturday afternoon from 3 to 5 o'clock.

Guests were met at the door by Mrs. Mitchell and presented to the honoree, her mother, Mrs. Jim Cator of Gruver and to Mrs. W. R. Broadhurst, Rev. Broadhurst's mother of Friona.

Mrs. R. C. Mitchell presided at the register.

The refreshment table was laid with an imported white linen cloth and centered with a white styrofoam stork and an arrangement of yellow snapdragons and white baby breath. Coffee and tea were served from a silver service with rolled sandwiches, dainty cookies, mints and nuts. Favors were miniature storks. Presiding at the table were Mrs. Harmon Handley and Mrs. E. A. McLeod.

A large stork carrying twin babies, overlooked the gift display. The hostess gift was a baby bed.

Approximately 156 guests registered or sent gifts.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Texas' 56th Legislature, though not yet sworn in, already casts a long shadow over Statehouse activities.

Its membership was settled — or virtually settled — with the counting of the Democratic second primary votes. A few will have Republican opponents in November.

Of more interest now is how the 56th will lean on key issues. Political prophets already are taking pulse readings and pronouncing it likely to be more liberal than its predecessor. But not predominately liberal. A big influx of newly-elected liberals from Houston is expected

to be offset by Dallas conservatives, plus others from small towns.

On next session's crucial issue — finance — everyone's crystal ball seems a bit cloudy. Next Legislature will have to grapple with a financial deficit which the Legislative Budget Board has predicted may call for as much as \$140,000,000 in additional tax revenue.

Winning candidates, in both their speeches and newspaper announcements, were understandably skittish and unspecific in making special proposals for dealing with this gigantic problem. Many came out daily against a general sales

tax or state income tax. Numerous suggestions were made to balance the budget through "economy in government, elimination of waste, duplication," etc.

Such statements are like the breeze off an iceberg to state departments, many of whom have said they'll be asking for more, not less money, next session.

When the showdown comes, decisions will be made largely by the same group who pushed the voting buttons in '57. All told, there'll be 49 new faces among the 181 lawmakers.

Replacing the three retiring senators, Ottis Lock of Lufkin, Searcy Bracewell of Houston and Carlos Ashley of Llano will be Martin Dies Jr. of Lufkin, Robert W. Baker of Houston and Louis Crump of San Saba.

House will have 46 freshmen, slightly less than the normal one-third turn-over of its 150 members. Changes result from the retirement of 33 representatives, defeat of 13 others.

MANGLED MATH — When the next speaker of the House of Representatives takes office in January, some confused arithmetic will be cleared up.

A speaker is elected at the start of each regular session by the 150 House members. Support, in the form of signed pledges, is lined up well in advance of the session's start.

This year, when the dust settled from the run-off primary, both contenders claimed victory. Rep. Waggoner Carr of Lubbock, present speaker, said he had 80 pledges. Rep. Joe Burkett of Kerrville claimed 77 pledges. In addition, Burkett said he knew of 15 House members who had made no pledges.

All the claims added to 172 representatives — 22 more than the people elected.

BIG DAY DUE — San Antonio, site of the Alamo, may see another lustrous scrap Tuesday (Sept. 9) when Texas Democrats of widely varying sentiments gather for state convention.

No one is making any iron-clad predictions on what will happen, but pre-convention rumblings promise at least some of the usual fireworks.

A group of conservatives are working on ways to bounce the militantly liberal Mrs. Frankie Randolph from her post as national committeewoman. Having the chairman of the Democrats of Texas and leader of the opposition to state party leadership in the prestige-laden national committee post is hard to take.

But removing a national committee member offers difficulties, too. A state convention merely nominates the national committee members; actual election is by the national convention. Whether a state convention could undo the action of a national convention is not definitely known.

Another possible source of friction is the selection of the State Executive Committee Chairman, the post now held by Jim Lindsey of Texarkana. Abilene Oilman Ed Connally

has been mentioned as a prospect.

Liberal delegates and supporters of Sen. Ralph Yarborough are expected to fight hammer and tongs against a Connally drive. Connally was a strong supporter of William Blakely in his Senate race against Yarborough and headed Gov. Price Daniel's precinct.

SKILLET SPAGHETTI DINNER

Call it revolutionary, but do not condemn it without trying it. Heat 1 tablespoon of oil in a skillet over a medium flame. Add ½ cup of onion, chopped fine, and cook until soft. Crumble in a half pound of ground chuck and fry until it turns gray, then add 1½ teaspoons of salt and pepper to taste. Next, add 2 cans of tomato sauce, 1½ cups water and turn the gas flame to high. When the sauce comes to an active boil add ¼ pound of uncooked spaghetti (this is ½ of an 8 ounce package). Stir the mixture vigorously with a fork, then cover the skillet and turn the flame to simmer. Cook 25 minutes and serve with grated cheese, hard rolls and a sprightly green salad.

TOO "GENERAL"? — Alumni of East Texas State College are asking help in untangling conflicts over a new program at the Commerce school.

At issue is the value of a "general studies" program instituted by ETSC President Dr. James Gee. Revised curriculum substitutes a course in "communications" for Freshman English, "heritage" for American history, and so on. A professor who had taught some of the "general" courses called them a "hodgepodge," comparable to grade school work.

Dissatisfied exes meeting in Austin asked Sen. Charles Herring, Senate investigating committee chairman, to look into the situation. Herring said he would bring it up at the committee's next meeting, but urged the exes to talk first with the college's Board of Regents.

FACULTY RAISES ASKED — Salary raises for faculty members are the principal item in a \$12,515,000 budget increase being sought by Texas' 18 state colleges and universities.

Texas Commission on Higher Education said the \$1,000,000 being asked by college officials would allow for average raises of \$600 per year per prof.

Altogether, the colleges' budget requests to the Commission total \$68,721,975 for the 1960-61 biennium.

Commission's task is to screen these requests and make up a

TELEPHONE TALK

By J. C. Oakley, Manager

KICK-OFF TIME IS HERE

With Football season at hand I know everyone will be attending the games and backing the Lockney Longhorns. And since this is the start of the season, its a good time to remind you of an extension telephone for that teen-age boy. He will be receiving calls from his friends congratulating him on his plays and inviting him to parties, or an extra listing — wouldn't it make him feel important to say "call me, I'm listed in the directory."

Don't wait until the last minute to invite your out of town friends to the game. Call them Long Distance today.

PRESCRIPTION FOR PLEASURE

The telephone by your side can be pretty good medicine—all by itself.

It's one of the best cures for loneliness. I'm thinking, especially, of those long distance calls to talk to loved ones and old friends away from home.

And how about those easy-going conversations women enjoy during the day? When you're tired of looking at the ironing board, or when the mop starts to get a little heavy, a short "telephone break"—just a few minutes chat with a friend or neighbor — really brings you back smiling.

Your telephone is more than just a convenience. There's plenty of pleasure and relaxation built into it, too. So use it as often as the mood strikes you. That's what it's there for.

UP-TO-DATE IDEA ABOUT TELEPHONES

Where is the telephone in your home? Is it where you can always reach it easily when it rings — or when you want to make a call?

Or is it in a central hall or in the middle of the house — not really close to any place where members of your family are when they want to use it?

Families with modern telephone service like to have phones in color in the kitchen, living room, and bedrooms.

With your home equipped with handy extension telephones, you can "reach" rather than "run" for the phone.

Why not order more telephones for your home today? You'll find the cost of extensions will add very little to what you now pay, but will add a great deal to your comfort and convenience.

Call by number. It's twice as fast.

Higgins Family Reunion Held
Forty-three descendants of the W. A. Higgins family had a reunion and picnic in MacKenzie Park in Lubbock Sunday, August 4. Children, grandchildren and other relatives traveled from points in Texas and New Mexico for the get-together.

The three surviving daughters of the Higgins family, all of whom were present, are Mrs. Rosa Bristow of Ackerly, Mrs. Monroe Smith of Lockney and Mrs. H. Roy Brown of Silverton. Mr. Higgins moved to Lockney in 1902 from Cook County with his family. He was a building contractor and built many of the early homes in Lockney. The Higgins children attended school in the first school building here. Mr. Higgins passed away in 1929.

If all the descendants had been present for the reunion the number would have been 82. Among the ones unable to attend were two granddaughters, Mrs. George Taylor and family of Lockney and Mrs. Tom Fortenberry and family of Cedar Hill.

Other family members present were Mr. and Mrs. C. A. Stevenson and Max of Lockney, Mr. and Mrs. J. A. Bristow and family, Mr. and Mrs. Woody Caffey and family of Ackerly, Mr. and Mrs. Durward Brown and family of Plainview, Monroe Smith, Lockney, Roy Brown, Silverton.

Mr. and Mrs. Arnold Brown, Silverton; Mr. and Mrs. Flake Dillard and family, Amarillo; Mrs. Mary Lee Dillard, Floydada; Mr. and Mrs. Marvin Beulley and family of Pecos; Mr. and Mrs. C. E. Wisener and family, Hobbs, N. M.; Mrs. Charles Titus and Terrie of Odessa; Mr. and Mrs. Jim Wilmoth, Plainview; Ronny and Sandra Fuller, Big Spring.

And I Quote...

Tree Seedlings Offered By Forest Service
College Station—Some 90,000 tree seedlings will be available to West Texas landowners for windbreak plantings in early 1959, Don Young, head, Forest Management Department of the Texas Forest Service announced today.

"The supply for next year's planting is limited, so those desiring seedlings should get their applications in early," Young said.

Application blanks for ordering the trees are now available, upon request, from the Director, Texas Forest Service, College Station. In addition, these order forms can be secured from county agents, Soil Conservation Districts, and ASC offices in the West Texas area.

About 50,000 red cedar, 25,000 ponderosa pine, and 15,000 Austrian pine seedlings will be procured for distribution by the Texas Forest Service and will be sold for \$1.25 per hundred prepaid.

Landowners in critical areas should establish farmstead or field windbreaks to prevent wind erosion of their valuable top soil," Young reported.

The deadline for ordering seedlings will be March 1, 1959. Seedlings will be shipped about the first week of March, 1959, to locations specified on the application blanks. Information on how to store and plant the seedlings is available upon request.

"The orders will be filled on a 'first come - first served' basis," Young added.

If you never learn to stop kicking yourself in the pants for your daily mistakes life will come harder and harder.

Dear Mr. Clark:
I thank you sincerely for sending me clipping from the Lockney Beacon on the life of J. F. Lockney. The circumstances under which he lived have vanished, and his type has vanished too. The stranger with the big belly had the apt retort.

Under separate cover I am sending you a pamphlet. Cordially yours, J. Frank Dobie

CO-OP QUEEN — Marilyn Knudson of Danevang (Wharton County) receives crown of 1958 Miss Rural Electrification of Texas from the '57 Miss — Sydney Slack of Perryton. Miss Knudson was chosen from nine finalists during the statewide Texas Electric Cooperatives, Inc., annual meeting in Lubbock August 28-29. LETTERS TO THE EDITOR
707 W. 24th Austin 5, Tex. Sept. 4, 1958
Dear Mr. Hays,
Here is a letter from Mr. J. Frank Dobie. I thought you might like to read it and return it.

One of your subscribers has been giving the Beacon to my wife for the last few years, and I have become an avid reader of it. Although I have never been to Lockney, I feel that I know a great deal about the friendly attitude of the populace. They seem to take a special pride and interest in the civic and cultural development of this good town.

I believe that an outsider can learn a lot about a town simply by reading a concise objective, informative newspaper such as yours.

A town or city can be world renowned for various reasons; size, location, history, etc. I believe Lockney is a good town, and this virtue alone is of more value and importance than all the others.

I believe that, mathematically, a good newspaper plus good people equals a good town (GN+GP equals GT). I don't believe an Einstein could confound this formula.

I extend my best wishes to a growing town. Perhaps I will visit Lockney before it has grown so large that by necessity it will be forced to annex Floydada.

Sincerely,
J. B. Clark

BILL

Congressman Mahon Explains Cotton Aspect of Farm Bill

A new farm bill has now cleared Congress and is on the President's desk. He is expected to sign it.

If you have tried to keep abreast of farm legislation in Congress this year, you have had a very difficult and frustrating experience. In the House we passed several bills. One, to freeze supports and acreage for next year on the basis of this year, was vetoed by the President. Other bills were defeated because of the opposition of Secretary Benson and others.

The Senate passed an omnibus farm bill known as S. 4071. The House Committee on Agriculture modified this bill. It was defeated in the House when first considered, but later was again modified and finally passed. IT IS THE BILL that is now in the hands of the President.

I received many messages from West Texas both for and against the various versions of farm bills. I do not believe the bill which is to become the law will in the long run be very acceptable to West Texas farmers. Admittedly, our farm problems are very complex and under the difficult circumstances confronting us no quick and easy solutions are possible. Within three years the new program will move us toward a support price for cotton which will be near the world price. It is argued that this must be done, and in this manner, in order to compete with synthetics and in order to stay in the world market for the long pull. Without doubt, an effective way to compete with synthetics and maintain ourselves in the world market is required.

Some have taken the position that the farmer is so efficient he can successfully produce cotton without supports in competition with the cheap labor of foreign countries. American industry is efficient, but industry is protected by tariffs and labor is protected by minimum wage laws, etc.

The national cotton acreage allotment next year will be 16,000,000 acres, plus 310,000 acres for small farmers. The national allotment for 1958 is 17,554,000 acres, but because of the soil bank only about 12 1/2 million acres were planted.

The bill presents two choices to the cotton farmer for 1959 and 1960. The farmers who take Choice A in 1959 will get his part of the 16 million acre

allotment and can sell his cotton to the government at not less than 80 per cent of parity. The farmer who takes Choice B will get up to 26 per cent increase in acreage over his 1958 allotment, or not to exceed 40 per cent over what would be his 1953 allotment under the Choice A plan. This means that cotton acreage in 1959 could be well above 16 million acres. It could be perhaps as much as 19 million acres, depending on the number of farmers who elect Choice B.

The Choice B farmer will be entitled to a loan on his cotton next year at 15 parity points less than the Choice A farmer gets. In other words, the support level for the Choice B farmer will be not less than 65 per cent of parity next year. In 1960 the Choice A farmer will receive a support of not less than 75 per cent of parity and the Choice B farmer will get not less than 60 per cent of parity support. The following year all cotton will be supported at not less than 70 per cent of parity and the Choice A and B plans will be discontinued. In 1962 all cotton will be supported at a level of not less than 65 per cent of parity. (It is generally assumed that the minimum supports referred to above would be the supports that the farmer would actually get, especially after the 1959 crop.) Of course, during this period the law may be changed. The future is, of course, unpredictable. We have never had a Choice A and Choice B type program before and it is impossible to tell in advance whether or not it will be successful.

Beginning in 1959, the bill provides for a separate loan on split grades, including "light spots." It provides that beginning with 1961 and 7-8 inch loan basis WILL BE CHANGED and cotton will be supported on the basis of the average of the crop. (About one inch.)

It is getting more and more difficult to get support in Congress for farm legislation. Members of Congress from heavily consumer areas have been led to believe that many of their troubles have arisen as a result of previous farm programs, etc. During the 1930's and 1940's members of Congress from the city areas generally supported farm legislation, but

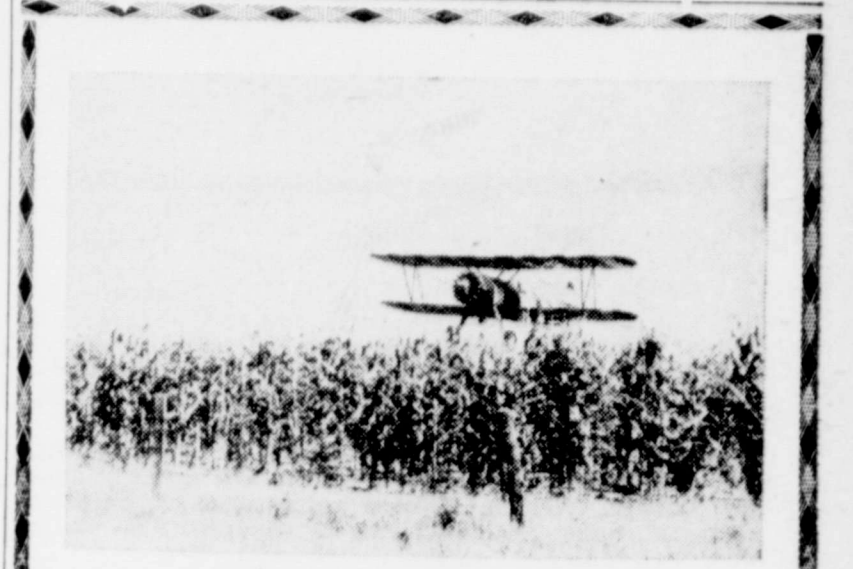

Dear Editor:
I see where labor boss James Hoffa likes to help his mistreated fellow man, so he bigheartedly hires ex-cons for some of the top jobs in his union.

No telling how many stars he has put in his crown by seeing to it that some of society's scorned get good jobs after they are sprung from the pen.

My placid neighbor says otherwise these poor unfortunates might have trouble locating work, on account of hardly any other type of business has much need for help skilled in the gooning trade.

Plans Complete For High Plains Stat. Field Day

County Agents from the High Plains area who will be tour guides for the second Annual Field Day, Wednesday afternoon, September 17th, at the High Plains Station of the Texas Research Foundation, Halfway, will be: W. R. Kimbrough and William H. Heibig of Lamb County; L. H. McElroy, Lowell Richardson and Nathan Boardman of Lubbock County; and Ollie F. Limer, B. F. Yeates and James R. Sewell of Hale County. Weldon H. Jones, District Agent, announced their appointment this week. A similar group of guides will come from the Soil

Conservation districts in the area, as announced by James D. Abbott, Area Conservationist. They are: Jerome Beach, Plainview; Westal W. Fuchs, Littlefield; Aubrey Dalrymple, Floydada; Bill Reece, Lubbock; and Mr. Abbott.

Other guides will be present from fertilizer companies including Plainsman Supply, Rowland Gordon, DuPont, International Chemicals and Minerals and Red Star Fertilizer.

Chambers of Commerce in the area will provide hosts and registrars to greet the visitors for the tours, Charlie Young of Plainview is chairman of the Host Committee.

Assistants for parking cars and serving the barbecue have been volunteered by Halfway, Hale Center and Olton farm and civic organizations.

Speakers at the eight stops on the 80 minute tour will be

selected from the Texas Research Foundation and the High Plains Station staff.

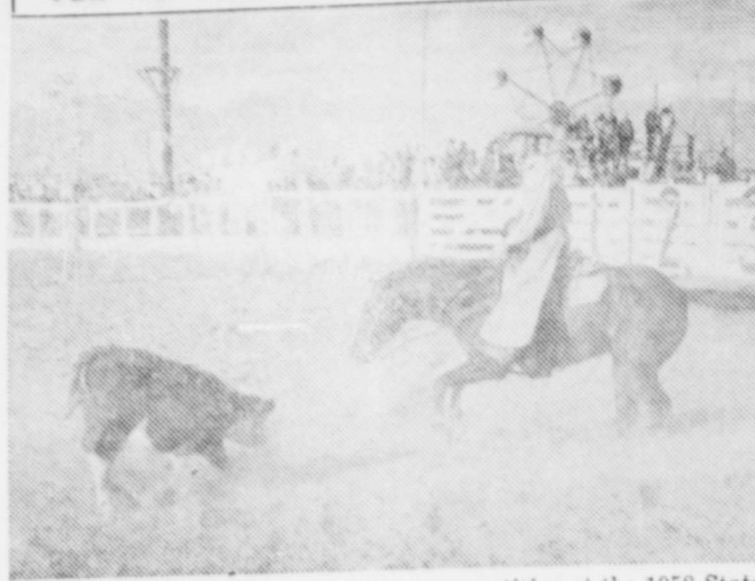

Harold Hinn, chairman of the Advisory Council for the High Plains Station, announced this week that the Council's fall meeting will be held at the First Baptist Church at Halfway, during the second Annual Field Day. The meeting is set for 3:30 p.m., September 17th. Business will include the determination of the 1959 Research Program and the adoption of the budget to cover this program.

The Kress FFA Chapter has invited their fathers for a Father and Son Field Day tour, according to Leroy Saul, Council member from Kress.

According to Dr. T. C. Longnecker, Head of the Station, replies to invitations indicate that attendance will possibly exceed that of the first Field Day in 1957.

GO TO CHURCH SUNDAY.

Fair to Present Cutting Horse Champ

The World's Champion Cutting Horse competition at the 1958 State Fair of Texas will feature such outstanding horses as Slats Dawson, top-scoring, 11-year-old gelding, shown here in action. Owned by George J. Pardi of Uvalde, Slats is ridden by Minor L. Johnson. The championship finals are Sunday, Oct. 12.

Farm Employers Must Pay Social Security Now

College Station — Any farm and ranch employer who pays \$150 or more to a laborer or who hires a farm hand 20 days or more during a year must pay social security taxes on the wages involved, according to Cliff Bates, extension farm management specialist.

For a \$150-a-year test, Bates says the cash wages for both piece-rate and time-rate work count. The total number of days worked does not matter so long as the employee is paid \$150 in cash by the employer in the year.

For the 20-day test, the total amount of cash wages does not matter so long as the employee works for one employer 20 days or more for cash wages based on some unit of time, such as an hour, a day, or a week.

Bates points out that it is not necessary that cash wages paid the worker be earned during one continuous period. Wages paid to children or to parents of the employer are not subject to the tax.

Records of each worker's earnings along with his social security number should be kept, advises the specialist. The farmer must withhold \$2.25 from each \$100 of wages paid and then must match this amount. This tax must be paid by the employer during January of the following year. However, if as much as \$100 in taxes, including the employer's portion, becomes due the Government, the employer must send in a report earlier. Remittance must be made within 15 days of the end of the month in which this amount of tax was accumulated.

Farmers who employ laborers should have an employer's identification number. This can be obtained by filing application form SS-4 with the District Director of Internal Revenue Service.

More strict enforcement of these requirements has been announced by District Directors recently. More information can be obtained by contacting the nearest Social Security office, or by ordering OASI-35 from the Social Security Administration. County agents also can help.

DISTINCTIVE LOOKING PIES

Top crusts on fruit or meat pies must have steam vents cut into them to keep the crust from being lifted up by pressure from steam that can't escape. Home economists with the Gas Appliance Manufacturers Association suggest that you give the steam vents an attractive, distinctive look. Cutting the vents close to the center of the pie will help to keep the pie from running over in the oven. Brush the top with milk, egg yolk or cream, for a rich, brown color and a glaze.

Dear Editor: I see where Miss Hedy Lamarr, who is a slightly frosted film flame, has just completed a marriage run and will now draw a \$3000-a-month pension from same.

Seems like you can't ever tell where inflation is going to strike next, and the high cost of living is having a very tight race with the high cost of loving.

My no-chump neighbor says he admires a well-engineered woman in the movies or out, but figures he is much happier and richer on account of his hobby is fishing.

Water District Will Establish Hereford Office

The High Plains Underground Water Conservation District will establish a field office in Hereford. The office will primarily serve the north part of the District.

The new office will be opened about September 1. Mr. Wayne Wyatt, District Field Representative, will be transferred from the District Office in Lubbock and will make his home in Hereford.

Due to the increased work load of District field operations and to the vast size of the District, the Board of Directors voted to establish this field office and situate it near the north boundary so that the area might be better served.

The District plans to run several new experiments on water use in the Hereford-Dimmitt area. The experiments will require close supervision and should supply valuable information to irrigators as to proper amounts of water that

should be applied to crops.

Exact location of field office in Hereford has not as yet been determined. Landowners in District will still be required to obtain drilling permits from Bureau Office in Hereford.

REVIVE ROSES BY HOT WATER TREATMENT

Cut roses that will not bloom will be revived by water treatment, says et Spader, home service of the Gas Appliance Manufacturers Association. First make a slanting cut at the base of the stem. Plunge the stems into hot water, then dip quickly into cold water. The water off any air bubbles that have formed in the water. This permits cold water to revive the flowers. Spader warns that this treatment will not revive roses that have been withered several hours.
