"The best Fair Floyd County has ever held," was the description given to the 5th annual Fair just closed by many who have worked in and observed the fairs of past years. ### THANKS EXPRESSED

Everyone was thankful this week for the success of the fair and the co-operation and help in staging the various events. President Raymond Rucker of the Fair Associa-

It could not have been possible without the help and support of the many individuals and business firms who worked so faithfully to complete the many jobs that have to be done to undertake such a project.

Mrs. R. H. Tinsley and Mrs. Alma Holmes also expressed their appreciation for co-op eration in the women's department. "Everyone was just wonderful and we thank you so much for your co-operation," they said.

Local law enforcement officers were also thankful. "The whole affair went off very nicely," one officer said. "We found only six beer cans on the entire fair grounds during the three days and we

#### CROSS ROADS REPORT

Dear Editor:

I was reading a book here the other day which says a man has got to have an inferiority complex if he ever amounts to anything in this

Which my people expert neighbor says is only partly true, on account of even a king size inferiority complex won't make a success out of somebody who is actually inferior.

Whereas, on the other hand, practically anybody can attain happiness with a superiority complex, unless he happens to meet another driver with a bigger one. D. E. SCOTT

# Dimmitt Gains Revenge Against Longhorns

The Dimmitt Bobcats properly dedicated their new football stadium Friday evening as they dealt the Lockney Longhorns their first loss of the young season. 26-0. The victory was sweet revenge for the Dimmitt eleven who lost two battles to the Longhorns last year.

The contest was not nearly so one-sided as the score indicates. All of the home team's scoring - four touchdowns and the extra two points after the first touchdown - came on passes. The Longhorn ground attack netted 126 yards to 116 for the Bobcats, but the host team collected 121 yards through the air.

Several Lockney drives bogged down due to fumbles, penalties, or intercepted passes.

Lockney's line played another fine game, especially on defense. The Big Red forward wall, spearheaded by Ricky Duvall and Byron Brock, kept the Dimmitt boys hustling. Other linemen turning in good performances included Dan Smith, Stephen Handley, Milton Mickey, Ronnie Harris, Duane Griffith, David Roberson.

every person should attend services regularly and

the sake of the Church itself, which needs his

Over the altar of a church in Philadelphia this huge window tells the story of the life of Christ. But it speaks only to those who gaze upon it reverently.

Through the centuries the Holy Bible has revealed to men the Light of the World . . . but only to those who will read it and hear it preached.

Every day a wondrous light seems to shine in the faces of those whose hearts have been touched by God. And amid the turmoil of our worldly confusion we are transfixed again and again by the warm glow of someone's Christian countenance.

These too are windows of God.

This light could shine from our faces as well. That's why the Church seeks us all.
