

# The Lockney Beacon

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 58

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, MAY 7, 1959

NUMBER 5

## Will Visit Horn Ranch on Colorado Trip

Lockney High School seniors will visit Willdorn Guest Ranch near Florissant, Colo., on their annual trip. The eight-day trip will begin May 28 at the following graduation and will return the next week.

Sponsors will be Mr. Edward Babbitzke, Mr. L. Rhoten. They have chartered T.N.M. & O. by G. E. (Cedrick) the same driver who has accompanied the L.H.S. on their trips the past years.

Plans are to arrive at the ranch the morning of June 1, where they will stay at the JoAnn Motel. In the afternoon they will visit the Garden and Amusement Museum of Natural History. The group will leave for Colorado Springs to see the Grand Film Commission and the Colorado State Fair. They will arrive at the hotel June 4th with the Air Force and other places of interest. They will leave for home on June 5.

## Directors In Meeting

The officers and directors of Lockney Chamber of Commerce held their regular monthly meeting Monday morning at the Golden Restaurant. Present were: President Don Hatch, Secretary Don Hatch, Fred Byrd, Secretary Don Hatch, and Owen Thornton, Rusty Baccus, Charlie Boedeker, Ernest Tammabill, Leon Wofford, Clyde Wiley, Willis Reynolds, Dwight Johnson, Lester Carter, and J. D. Copeland.

The directors heard a financial report from Secretary Don Hatch on both the regular fund and the labor camp fund. Substantial balances were reported in both. Hatch also reported that a total of \$3586.00 had been collected or paid on the 1959 membership drive. The goal is \$5000.00. Anyone who hasn't been contacted may mail their dues to the local chamber or contact an officer.

Sanchez, local cafe owner, met with the Chamber for their approval of the city auditorium and grounds for a festa here next September. The board approved the plan. The festa will be a week-long affair observing Mexican Independence Day.

Directors voted to buy an address system for the Chamber. The matter of securing a caretaker for the fair building and grounds was discussed. Anyone interested in parking a trailer at the fair grounds and living there is asked to contact Mr. Byrd. The Chamber will furnish lights and water, it was said.

The trash containers, recently purchased for the business district have arrived and have been set up, President Byrd told the directors.

## COOPER IMPROVES

Glenn Cooper is feeling much better this week but will remain in bed several more days. He has been sick the past three weeks and has lost about 12 pounds of weight, but his wife stated he is showing much improvement.

## CALENDAR OF EVENTS

- Thursday**
  - Grade School Operation at S.S. auditorium.
- Friday**
  - Rotary Club dinner at Restaurant.
  - Progressive dinner at S.S. seniors.
  - O.E.S. and Masons LHS cafeteria.
- Monday**
  - W.S.C.S. at Methodist.
  - Junior and Inter-Church at Baptist Church.
  - Lions Club, at Main Restaurant.
  - Rebekah Lodge at Auditorium.
  - Lockney and Lucky League matches at new Bowl.
  - Little League play at Jr. Hi building.
- Tuesday**
  - P.T.A. officers to be installed at high school.
- Wednesday**
  - Ladies Bible Class, Main Street Church at 9:30.
  - Baptist Church S.S. teachers and officers meeting, 7:30 p.m. Methodist Devotional, 7:30 p.m.
  - Prayer Meeting at Main Street Church, 7:30 p.m.
  - Bible Classes for all ages at Main Street Church of Women's summer League at Plainview.

## Little League Players To Sign Monday Night

Boys 9 through 12 years of age who wish to play in the Lockney Little League this summer are to be registered Monday evening at the junior high building, Commissioner Tom Moore said this week.

The boys must be accompanied by a parent and the registration will begin at 8:30 p.m. probably in one or two of the class rooms of the junior high building. A change in the age limits has been made for this summer, Moore said. Boys who will be nine years old by July 31 will be eligible to play as will boys who will still be 12 years old on July 31st. Thus the date of July 31st controls the eligibility of the players both ways.

Moore stressed that the boys would be accepted on a "first come - first served" basis. If enough boys are registered Monday evening, then no late registrants will be accepted. He also stated that if more than enough boys register at the first registration, the youngest of the 9-year old boys will be cut back. Plans are for six teams as in past years.

Commissioner Moore also asked that the parents make sure the boy will be here and wants to play before signing him up. Drop-outs and those who fail to appear for play make it hard for the teams to function properly and bring about forfeits due to the manager's being unable to field a complete team, he said.

The Little League is sponsored by the Lockney Lions Club. Mr. Moore has been working as league commissioner since the league was first organized. The operation of the league is expensive, members of the club pointed out, and parents who are able to do so will be asked to make a donation to the league's expense, The Beacon was told.

## Seniors To Present Famous Play May 15

"Our Hearts Were Young and Gay", a comedy in three acts taken from the best seller book written by Cornelia Otis Skinner and Emily Kimbrough, will be presented by LHS Senior Class Friday night, May 15. The final play for the graduating class will begin at 8 p.m. in the high school auditorium. This is the class who very successfully presented "Cheaper by the Dozen" last year.

This play was chosen because of its entertaining qualities in the true experience of two young women, Cornelia and Emily, on a trip to Paris. It is loaded with laughs and speeded with authentic costumes of the era.

The cast of characters include: Steward - Billy Karl Race; Mrs. Skinner - Janice Hays; Cornelia Otis Skinner - Pat Ashton; Otis Skinner - Ronnie Harris; Emily Kimbrough - Pat McLaughlin; Purser - Jimmy Minter; Stewardess - Mary Jones; Dick Winters - Ronnie Thornton; Admiral - Duane Griffith; Harriet St. John - Ann Griffith.

Winifred Blough - Shirley Mitchell; Leo McEvoy - Jackie Calahan; Inspector - Peggy Ford; Teresa - Debra Ferguson; Madame Elise - Wetta Kent; Monsieur De La Croix - L. T. Cooper; Window Cleaner - Larry Joe Elam. Setting for the play is aboard a ship cabin in the summer of 1923 and a small hotel in Paris. Tickets are now on sale by class members at \$1 for reserved seats, regular admission, 75 cents and 35 cents for children under 12 years of age.

## Baxters Move To Colorado Ranch

Mr. and Mrs. Charles Baxter moved their furniture to their ranch home 25 miles northeast of Colorado Springs, Colorado, Wednesday. They will maintain residence in Lockney, however, during the busy seasons, and he will continue to make frequent visits here as supervisor of Baxter & Smith Grain Company activities. The Baxters spent the month of April at the ranch and have moved all their cattle from their Cedar Hill ranch to Colorado. They encountered lots of snow in heavy drifts, and received an additional 24 to 30 inches of snow on the level after they arrived. This gives fine moisture for the area and grass has already begun to come out, Mr. Baxter stated. The Baxters are looking forward to spending much time on the ranch during the slack season here.

## Knox Moves To New Location

Knox Grocery & Market are now operating in their new location, the building on the corner just south of the Lockney Beacon Office, having moved last Sunday and Monday. The new location gives them much more room and looks very nice after a redecoration job. They expect to have their formal opening next week end, May 14, 15, 16. The Beacon was told this week.

## Rain, Some Hail Falls In Area

A light rain and scattered hail fell in this area the past week. The rain amounted to only a trace in most places but .39 of an inch was measured here by The Beacon's gauge on Monday. Last Friday light rain and hail fell in the area northwest of Aiken, and some wheat damage was reported on the farms of L. L. Scott and Bill Thompson. Paymaster Farm had a light hail but had no crops up to be damaged. The Beacon was told. Only a trace of rain fell there and none fell in Lockney that day.

East of town W. B. Cates said that he received .6 of an inch Monday night and probably more than an inch of rain on another place he farms east of Muncy. Only a little hail fell. Rains amounting to as much as three inches fell Monday night in the Dougherty area and south of the Canyon below Floydada some crops were badly damaged by hail. Moisture at Floydada Monday night was reported to be about an inch. Some cotton is up to a stand in this area and most of the cotton acreage has been planted. Onions are doing fine in most fields but alfalfa is suffering from insect infestation.

## County 4-H Club Members Win In District Contest

Several Floyd County 4-H club members won first places in the District 24-H contest at Lubbock on May 3rd. The team members and places were announced by extension agents as follows: Entomology, Kenneth O'Neal, Jimmy Huckaby, Tommy Ogden, Robert Overstreet, first place; Field Crops, Clarence Richardson, Billy Colston, first place; Vegetable Preparation and Use, Yvonne Karr and Sue Wilson, first place; Safety Method Demonstration, Norman Hopper and Melda Ramsey, first place; Electric Demonstration, Bill Bledsoe and Allan Adams, fourth place; Tractor Operator, Ronald Betram, fourth place; The Vegetable Preparation and Use team and the Safety Method Demonstration team will compete in the State 4-H contests at College Station on June 9, 10, 11.

## Annual Teacher Appreciation Event Set For May 14

The annual Teacher Appreciation Banquet, sponsored by the Lockney Rotary Club, the Lockney Lions Club and the Lockney Business & Professional Women's Club will be held on Thursday evening, May 14. The affair will be in the high school cafeteria. Teachers who have completed 5, 10, 15, 20 or 25 years of service in the local system will be awarded special pins. One local teacher, Mrs. Nora Ayres, will receive a 25-year pin, school officials said. Four other teachers are to be honored for shorter terms. A speaker has been contacted but definite arrangements have not been made as yet.

There will be no charge to school teachers and officials but club members are to buy tickets to the banquet. Tickets will be \$1.50 this year, it was said.

## P.T.A. Officers To Be Installed Tues.

Bob Miller will be installed president of Lockney Parent-Teacher Association Tuesday night, May 12 at 7:30 in the high school auditorium. Other officers to be installed are Mrs. Mac Lee Brewer, 1st vice-president; Mrs. Don Hatch, 2nd vice-president; Mrs. R. L. Knox Jr., secretary; Mrs. Albert Dutton, treasurer; Mac Lee Brewer, parliamentarian; Mrs. Hershel Carthel will be installing officer. Topic of the program will be "Education is Life in the Making." Mr. Paul Epps will give the special music and Mrs. J. M. Tye will give "Food For Thought." Hospitality committee for the installation tea to be given following the regular program will be Mrs. R. L. Knox and Mrs. Byron Ford.

## Rhoten Named New Assistant Coach Here

R. L. Rhoten, junior high school football and basketball coach for the past year, was named the assistant high school coach by trustees of Lockney School District in the regular meeting Monday night. He will be assistant to Head Coach Elvin Lyon.

Rhoten replaces Don Beck who recently resigned to accept a similar position at Perryton High School. The new assistant coach came here in the Spring of 1958 completing the school term when Coach Rudy Halle resigned. Last September he began his junior high duties where he compiled an outstanding record with his Shorthorn footballers. He is a graduate of West Texas State College. Mrs. Rhoten is the former Glenda Readhimer, a Lockney girl and daughter of Mr. and Mrs. L. M. Readhimer. She also teaches in the junior high and coaches girls basketball.

In other action Monday evening the board agreed to the opening of a street alongside their newly acquired property in West Lockney. The street will be an extension of West Bryant. W. B. Cates met with the board and requested the street opening. A delegation representing the Band Boosters Club, composed of John T. Carthel, J. A. Race, Milton Ashton and Laverne Carthel, presented the problem of the club in paying for new band uniforms and the board voted to pay \$1500 on the uniform fund.

The First National Bank of Lockney was designated as depository of the school funds for the next two years. An equalization board was appointed which will meet in June. The board also voted to purchase a heavy duty lawn mower. It will be a riding type with a wide blade designed to mow large areas. The board spent some time in discussing the building situation but arrived at no decision.

## Reed Buys Bilibrey Interest In Garage

C. C. Reed has purchased the interest of Truett Bilibrey in the Truett & Gene Motor Co. here and the name of the firm has been changed to High Plains Motor Co. Gene Hammit retains his interest but Reed will be the manager, the two partners announced this week. The auto firm will continue to operate in the same location. They have built an office and will employ a full time book-keeper and receptionist probably this week.

The new firm has also purchased the Crank Garage here and has employed Gene Crank as a mechanic. "We will have three good mechanics to serve the public," Hammit said this week. They are Crank, Reed and Jack Elliott. Bilibrey sold his interest in the garage because of ill health. The Beacon was told. He has been under treatment for several months. He and his family will continue to make their home here.

Reed has been employed at the garage for several months and Crank was formerly employed there before going into business for himself. Elliott has also been employed there for several months. Full details of the new partnership are revealed in an advertisement elsewhere in this issue of The Beacon.

## Operetta Will Be Presented Tonight At LHS Auditorium

"Who Stole the Tarts," an operetta written by Maude Orlita Wallace, will be presented Thursday (tonight), at 7:30 at the High School Auditorium with Miss Barbara Carruth as director. Admission prices are 50c and 25c. The performance will feature 65 characters in colorful and elaborate costumes. The plot of the operetta centers around the fact that the tarts for the king's birthday party have been stolen. The royal household, Judge Cole, and his jury of Mother Goose characters, and Jack Horner and his detective squad set out to discover who has committed this "dastardly deed". The unravelling of the mystery will provide an hour filled with entertainment for everyone. The Melody Makers will give musical numbers between acts.

**DUNN VISITORS**  
Visitors in the home of Mr. and Mrs. J. A. Dunn last week end were Mrs. Carolyn Sue Thomas, Mrs. Norville Hogard, Mrs. Sue Williams, all of Big Spring; Mr. and Mrs. Cap Elliott, Portales, N. M.; Mr. and Mrs. Harry Rogers, Tullia; Mr. and Mrs. Bill Rogers and Becky of Amarillo; Mr. and Mrs. Roy Ferguson, Littlefield.

## Designation Of Farm Road 135 To Be Changed

The designation of Farm Road No. 135 running east from Lockney to State Highway 207 will be changed effective May 11. The Beacon was told this week by employees of the State Highway Department. The number of the road will be changed to Farm Road No. 97, the same number of the road from Farm Highway 207 eastward to Cedar Hill and on into Motley County, thus making the farm road continuous from Lockney to Highway 70 between Matador and Turkey.

## National Mill Ships First Car Of Alfalfa Meal

The first shipment of alfalfa meal from the 1959 crop was made Tuesday by National Alfalfa Milling & Dehydrating Co. Tuesday of this week, Bucky McCready, local manager, said. The alfalfa came from the fields of V. H. Kellison and F. L. Montandon. The meal went to a Fort Worth feed company. The alfalfa crop is short due to insect infestation, McCready said. The mill is paying \$12 per ton for dehydrated hay but there is no market price set on baled hay as far as The Beacon could ascertain.

## FFA Judging Team Places At State Meet

The Future Farmer livestock judging team from Lockney High placed 32nd in a field of 75 at the state FFA judging contest held at Texas A&M College last Saturday. Schools of all classifications competed in the meet. The local judging team qualified for the state contest by placing in the top 10 per cent of 105 team entered at the regional contest.

Members of the team included Duane Griffith, Dan Smith, Warren Mitchell and alternate Jimmy Howell. M. L. Brewer, local vocational agriculture instructor coached the boys. Mr. Brewer and the boys left here Friday afternoon for College Station. They returned Sunday afternoon.

Other area teams competing in the state meet were Olton, Petersburg, Tullia, Spur, Happy, Monterey of Lubbock, Corsicana placed first and Rocksprings was runner-up.

## Firemen Going To Possum Kingdom

Members of Lockney Volunteer Fire Department will have their annual fishing trip on this and next week end at Rock Creek Camp on Possum Kingdom Lake. The first group will leave Thursday, May 7, and return Sunday, May 10, and the second group will leave Thursday, May 14, and return Sunday, May 17. Probably going with the first crew will be Joe Taylor, Doug Meriwether, Troy Stafford, Richard Ellison, Jim Roberts, Cleon Wylie, Jim Reynolds, Jerry Wofford, Dale Ross.

Expected to make the trip in the second group are Donald Reece, Audley Barnett, Jr. Lee, Dub Dipprey, Warren Graham, James Hill, Bill Jones, Bob Roberson, and probably others. Several members of the city council also plan to make the fishing trip.

## Armed Forces Day At Reese May 16

Reese Air Force Base will open its gates to the public Saturday, May 16, as the base joins hundreds of other military installations in the United States and overseas in observing the 10th annual Armed Forces Day.

Highlights of the day at Reese will include aircraft flyovers, display of military equipment from all Services and demonstration of various Reese operations to the public. Gates will open from 9 a.m. until 4 p.m. Equipment will be exhibited during these hours with aircraft slated to fly over the flightline at scheduled periods throughout the day.

The 1959 observance of Armed Forces Day will continue to emphasize the slogan, "Power for Peace." Within the continental limits of the United States, displays and demonstrations will be presented in some 3,000 communities. About 500 parades are scheduled, with half a million participants. In addition, hundreds of exercises and demonstrations will be presented for civilian guests at open houses in military installations and other defense facilities.

## PROGRAM AND PRIZES FOR OLD SETTLERS DAY ARE ANNOUNCED

### Plans Are Laid For Housing Development

A housing development in West Lockney is being planned. The Beacon was told this week. Horton Howell and W. B. Cates have signed a contract with G. L. Sims for the purchase of the Sims land lying just west of Southwest 8th Street and adjoining the Lockney School District's recently acquired site on the north. The purchase is subject to title inspection, of course, but if everything goes well the two local men plan to build houses on the land for the purpose of selling them through FHA or otherwise. The tract of land has recently been laid off in blocks and lots by Mr. Sims and the Lockney City Council approved the subdivision. It provides 21 building sites in sizes 60x120 and 60x115 feet.

The developers expect to install city water and sewer on the lots. West College Avenue has already been extended through the property and Mr. Cates met with the Lockney school board Monday, securing their agreement to the extension of West Bryant Street between the school property and the new subdivision. Some preparation must be made but construction of the first housing units is expected to get underway by mid-summer, Mr. Howell told The Beacon.

### "Rusty" Baccus Buys All Of Motor Company

An agreement was made Monday of this week wherein R. D. "Rusty" Baccus has purchased the interest of his brother, F. C. "Whitey" Baccus in the local Ford dealership operated as "Whitey" Baccus Motor Co. The deal is effective May 15. The Beacon was told. The Ford dealership was established in 1947 as a partnership between the two brothers. About four years ago "Whitey" moved to Dallas because of the health of his daughter and "Rusty" has been manager since that time. "Whitey" is employed in Dallas as manager of the Texas Motor Coaches. Final papers on the transaction will be signed soon. The change in dealership has already been tentatively approved by the Ford Motor Co.

### Kermickels Attend Ralls Rotary Dinner

Mr. and Mrs. Wilson Kermickel were guests at a dinner Friday night at Ralls honoring J. Edd McLaughlin, president of Rotary International, and Mrs. McLaughlin who will leave in June to begin his foreign tours. Approximately 200 guests were in attendance for the event which included presidents of Rotary Clubs throughout the district, their wives and Ralls Rotary Club members and their wives who were hosts for the occasion. Guest speaker for the program was Charles G. Whitfill of Anchor Ridge, Kentucky, past president of Rotary International.

## ANNUAL COTTON CARNIVAL SET THIS WEEK END AT PLAINVIEW

Another colorful program is being planned for this year's Hi-Plains Cotton Carnival scheduled for Thursday, Friday and Saturday, Plainview Co-op Community, east of Plainview, will be the site of the annual affair. Highlights of the Cotton Carnival will include the "Miss Cotton" contest, style show, talent contest, automobile show and a wide range of exhibits reflecting industry and activities of this great agriculture region.

Three girls from the Lockney area are entered in the "Miss Cotton" contest. They are Miss Gladys Matthews, 16-year-old daughter of Mr. and Mrs. R. C. Matthews of Providence Community; Miss Elaine Baxter, 16-year-old daughter of Mr. and Mrs. Bascom Baxter of Lone Star Community; Miss Rita Marshall, 15-year-old daughter of Mr. and Mrs. L. D. Marshall of Lockney. Contestants from Floydada are Miss Norma Hollums, daughter of Mr. and Mrs. T. C. Hollums, Miss Carolyn Cates,

The program and the parade for Floyd County Old Settlers Day have been announced by W. B. Henry, president of the Floyd County Pioneers Association. Following is the program for the day:

- 9 a.m. Registration.
- 10 a.m. Business meeting.
- 10:30 a.m. Memorial Service and introduction of old timers who have been in county since 1891 or before.
- 11 a.m. Pioneer Day speaker.
- 12 a.m. Pioneer Dinner.
- 2 p.m. Parade.
- 3:30 p.m. Style Show followed by Square Dance. Dancing will follow on Pioneer Platform both afternoon and evening.
- 8 p.m. Pageant at Wester Field.

**Parade Registration**  
Fred Cardinal, chairman of the parade committee, says that Wednesday, May 27, will be the deadline for registration to enter the Old Settlers Parade for prizes. An office for registration for the parade will be set up in the Floydada Real Estate and Insurance building one week prior to the parade. It will be necessary for everyone who wishes to participate in the parade to register there.

**Parade Prize List**  
Following are the prizes to be given for parade entries:  
Best Pioneer Float, 1st, \$25.00; 2nd, \$20.00; 3rd, \$15.00.  
Best Commercial Float, 1st, \$25.00; 2nd, \$20.00; 3rd, \$15.00.  
Best Club Float, 1st, \$25.00; 2nd, \$20.00; 3rd, \$15.00.  
Most unique exhibit in parade, \$10.00.  
Best Sheriff's Posse or Riding Club, 1st, \$25.00; 2nd, \$15.00.  
Floydada School Band playing in parade and on grounds, \$25.00.  
Lockney School Band, playing in parade and on grounds, \$25.00.  
Junior Band, \$12.50.

Oldest man in parade, \$10.00; oldest woman in parade, \$10.00.  
Best decorated bicycle, \$3.00; 2nd, \$2.00; 3rd, \$1.00.  
Best dressed old time cowboy in parade, \$10.00.  
Best dressed old time cowgirl in parade, \$10.00.  
Best junior cowboy up to 12, \$10.00; 2nd, \$7.50.  
Best junior cowgirl up to 12, \$10.00; 2nd, \$7.50.  
Best sheltand in parade, \$10.00; 2nd, \$7.50; 3rd, \$5.00.

**Platform Prize List**  
Oldest man at reunion, \$10.00; Children's Square Dance, 1st, \$12.50; 2nd, \$10.00; 3rd, \$7.50; 4th, \$5.00.  
Best Pioneer Hat on woman, \$5.00; best pioneer hat on man, \$5.00.  
Best ladies fan, \$5.00.  
Best parasol, \$5.00.  
Best sunbonnet, \$5.00.  
Special prize for man's pioneer costume, \$15.00; 2nd, \$10.00.  
Special prize for woman's pioneer costume, \$15.00; 2nd, \$10.00.  
Young couple in pioneer costume, \$20.00; 2nd, \$15.00; 3rd, \$10.00.  
Best Indian boy, \$7.50; best Indian girl, \$7.50.  
Best window display of antiques, \$20.00; 2nd, \$10.00; 3rd, \$5.00.  
Best wild flower bouquet to be used as table decorations, \$7.50; 2nd, \$5.00; 3rd, \$3.00.

### No Injuries In Auto Collision

No one was injured in an auto collision at the highway intersection in south Lockney late Sunday night. A 1957 Pontiac driven by Louis Newell of Floydada struck the rear fender of a 1958 Mercury driven by D. D. Tate of the Sandhill Community. Damage was light to both cars, local officers said.

Entries will be judged Thursday evening, starting at 8 o'clock. "Fashion Around the Clock" will be presented Friday evening under the direction of Bess Rothman, Chicago, nationally recognized style authority, with assistance of a bevy of Texas Tech students as models. An amateur talent contest with participants from the High Plains area will be held Saturday evening as the closing event of the Cotton Carnival. Exhibits will open at 6 p.m. daily and main events will get underway at 8 p.m.

There are 12,000 square feet of floor space assigned for display of automobiles and in addition there are many thousands of feet reserved for display booths. The event draws several thousand people daily and this year's Cotton Carnival promises to be the best ever.

## TORNADO WARNING SIGNAL IS REPEATED BLASTS ON SIREN

The tornado warning signal for Lockney is repeated blasts on the fire siren, Fire Chief Audvie Barnett said this week. The local siren will not sound a continuous blast since it has an automatic shut-off therefore the signal for tornado danger will be repeated short blasts over a period of several minutes.

The fire signal is three blasts on the siren, two blasts indicate a practice and one blast a meeting of the Fire Department.

Local fire department officials and city officers keep in contact by radio with the weather bureau of Lubbock at all times during stormy weather and city officers spend some time watching cloud formations. Thus if tornado conditions exist or a tornado is sighted, they will try to warn local residents through the siren.

Information about tornadoes is disseminated by Civil Defense and Weather Bureau officials.

Tornadoes usually move south west to northeast at a forward speed of from 25 to 40 miles an hour, with a wind speed of up to 500 miles an hour within the funnel.

A spring thunderstorm can develop into a tornado quickly and wreak destruction with violent winds which uproot trees, destroy buildings and create serious hazards from objects blown through the air.

Here are some questions and answers about tornadoes based on information from the Weather Bureau:

Q. How wide an area does a tornado hit?

A. The average tornado path is only 16 miles long and less than a quarter of a mile wide.

Q. Where do tornadoes occur?

A. In many parts of the world and in all of the United States. But no place is more favorable than the central part of the U.S.

Q. At what hours do tornadoes strike?

A. Any hour of the day or night. But they seem to form most readily in the hours just after the hottest parts of the day.

A few simple rules in tornado weather are:

1. Caves or underground excavations are the best universal

protection against tornadoes. When time permits, go to a tornado cellar, cave, or underground excavation which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas or debris and preferable equipped with pick and shovel.

2. If you are in open country, move at right angles to the tornado's path. They usually move ahead at about 25 to 40 miles an hour. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.

3. If in a city or town, seek inside shelter, preferably in a steel reinforced building. Stay away from windows. In homes, the southwest corner of the lowest floor or in the basement offers greatest safety. Persons living in brick or stone houses should seek other shelter, and if time permits, electricity and fuel lines should be shut off.

Windows on the north and east sides of the house may also be opened to help reduce damage to the building. Standing against the inside wall on a lower floor of an office building offers some protection.

4. If in schools in a city area, especially if the school building is of good steel reinforced construction, stay inside, away from windows, remain near an inside wall on a lower floor. Avoid auditoriums and gymnasiums!

5. Keep calm. It will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning has been issued, chances of a tornado striking one's home or location are slight.

Tornadoes cover such small zones, as a rule, that relatively few places in a warned area are directly affected. Know about tornadoes though, "just in case."

6. Keep tuned to a radio station for the latest tornado advisory information. Do not call the police, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special

SHIPMATES—These members of the younger set are correctly attired for ship launching. Their play clothes by Turner Tags are made of Avondale's baby cord in sky-blue cotton.

### Lockney General Hospital News

April 29 - May 6

Mrs. Marcia Meriwether, Lockney, continues to receive medical care.

Mrs. Zeb Reed, Lockney, continues to receive medical care.

Mrs. Marie Burt, Lockney, continues to receive medical care.

T. H. Boedeker, Lockney, continues to receive medical care.

Mrs. J. R. Brown, Lockney, continues to receive orthopedic care.

Robert Muncy, Lockney, continues to receive medical care.

Mrs. O. A. Neff, Floydada, was dismissed 4-29 following medical care.

Arden A. Brown, Floydada, was dismissed 5-6 following medical care.

C. M. Jasper, Silvertown, was dismissed 4-29 following medical care.

Mrs. Keith Wood, Silvertown, was dismissed 4-30 following medical care.

Mrs. T. R. Noland, Floydada, was dismissed 5-4 following medical care.

Cesareo Gonzales, Floydada, was dismissed 4-30 following medical care.

Joe Frank Hawkins, Lockney, was dismissed 4-30 following medical care.

Gene Hopper, Lockney, was dismissed 4-30 following medical care.

Mrs. Ella Jackson, Floydada, was dismissed 5-3 following medical care.

A. B. Kerns, Lockney, was dismissed 4-30 following medical care.

Lesca Dee Dorman, Lockney, was dismissed 5-2 following medical care.

Mrs. Berie Smith, Plainview, was admitted 4-29 for medical care and was dismissed 5-3.

Mrs. Claude Price, Floydada, was admitted 4-30 for medical care and was dismissed 5-4.

Mrs. L. M. Readhimer, Lockney, was admitted 4-30 for medical care and was dismissed 5-6.

Silvera Luna, South Plains, was admitted 4-30 for medical care and was dismissed 5-3.

J. L. West, Silvertown, was admitted 5-1 for medical care and was dismissed 5-2.

Ramon Mendez, Lockney, was admitted 5-1 for medical care and was dismissed 5-4.

Mrs. Julian Arredondo, South Plains, was admitted 5-2 for medical care and was dismissed 5-5.

Mrs. Leonard Moore, Floydada, was admitted 5-2 for medical care and was dismissed 5-5.

Wayne Christy, Lockney, was admitted 5-3 for medical care

and was dismissed 5-4.

Mrs. Curtis Williams, Plainview, was admitted 5-4 for surgery and was dismissed 5-6.

Rev. C. A. Strickland, Floydada, was admitted 4-30 for medical care.

Mrs. W. J. Mangold, Lockney, was admitted 5-2 for surgery.

Mrs. Fred Clark, Floydada, was admitted 5-2 for medical care and was dismissed 5-6.

Ben Wood, Lockney, was admitted 5-3 for surgery.

Bob Dyson, Floydada, was admitted 5-4 for medical care.

W. D. Graves, Flomot, was admitted 5-4 for medical care.

Mrs. C. C. Welch, Lockney, was admitted 5-4 for medical care.

L. L. Reecer, Lockney, was admitted 5-5 for medical care.

Mrs. Gene Webb, Floydada, was admitted 5-6 for medical care.

**New Arrivals**

Mr. and Mrs. Emilio Salazar, Lockney, are the parents of a baby girl born 5-2. She weighed 7 lbs., 2 ozs., and was named Diana Jane.

Mr. and Mrs. Travis Young, Floydada, are the parents of a baby boy born 5-2. He weighed 7 lbs., 2 ozs., and was named Rodney Kirk.

Mr. and Mrs. Jack Cantrell, Floydada, are the parents of a baby girl born 5-6. She weighed 6 lbs., 14 ozs., and was named Cathy Lynn.

### Weed District Officers Named

In a meeting of the Floyd County Noxious Weed Control Board Tuesday afternoon, May 5, Robert Lee Smith was re-elected chairman, Zant Scott, vice-chairman, and Fred Battey, secretary-treasurer. Other members present were Cephus Fortenberry and Bill Colston.

A film on "The Control of Johnsongrass with Dowpon" was shown at the beginning of the meeting with several farmers and chemical dealers in attendance. The film was supplied through the courtesy of Dow Chemical Company and Estes Chemical Company of Lubbock.

A new demonstration plot has been put on U. S. Highway 62 near the old Starkey school. Nine chemicals were used at two rates of application. Two new chemicals are also being used in this demonstration which are not on the market as yet.

The Highway Department has applied 40,000 pounds of Concentrated Borascu on the highway rights-of-way, adjacent to treated farms which have made application through the district this past month. The district and the Highway Department are asking that farmers not

reports or to relay advisory messages to radio stations for dissemination to thousands in the critical area.

plow or drag through these treated areas so that this chemical may be most effective. This material is very dependent on moisture for an effective kill. Light irrigation or spraying in the absence of rain will increase the effectiveness of this chemical.

Most of the decorative wheels of today's automobiles are made of nickel - containing stainless steel because of its corrosion resistance, toughness and good working characteristics.

With nickel now in short supply, its use in automobiles will increase as more return to the use of steel containing grades of nickel for consumer and industrial applications.

### PRESSURIZING TELEPHONE CABLES

One of the main projects of the Telephone Company at this time is the pressurizing of exchange cable, both aerial and underground. The reason for this pressurization is to make our cables storm proof. The Company has spent millions of dollars stormproofing long distance cable, but still have high rate of trouble in local cable every time a storm hits.

The standard requirement is six pounds of pressure at end of underground cables; two pounds end pressure for aerial cable. Six pounds pressure in underground cable will protect against 12 feet of water. This pressure is provided by pumping dried air into cables. Alarm system installed in the cables tells us at our testboard if pressure drops below desired level.

This pressure in cables helps keep water from seeping in and when a leak does occur, it is easier to find by using a "bubble-bath" spray on cable. Escaping air blows bubbles and locates the leaks quickly.

What does all of this mean to you, our subscriber? Simply this, that this is just one of the many things that is coming about to give you the best telephone service possible at the lowest rate possible.

### MAKE IT A "HOLIDAY" WEEKEND WITH A LONG DISTANCE CALL

Last year, many of us had a three-day weekend because Decoration Day fell on Friday, and it'll be the same way next year when it comes on Monday. But this year, the calendar threw us a little curve and Decoration Day lands on Saturday. This cuts out the chance for a three-day holiday, which means there's not enough time for an out-of-town trip to see friends or family.

Since a holiday is a family get-together day, several of my friends have told me they still plan to "get-together" with a long distance call over the weekend.

"It's the next best thing to visiting in person," one fellow told me, "and we can make quite a few out-of-town calls for the cost of traveling over the weekend."

It makes sense to me, and I hope many of you will perk up your Decoration Day weekend here in Lockney with a long distance call to friends or family.

As you know, rates are lower after 6 p.m. weekdays and all day Sunday. And when you call, call station-to-station. That way, you'll be able to make three calls for about the price of two. That's a real saving!

### IT'S FUN TO PHONE

How often do we use the phone "just for the fun of it"? Have you ever stopped to think how many times a telephone call has been the beginning of a lasting friendship, or a pleasant evening with neighbors?

People often tell me of calls they made "just to visit." You've probably done the same. Chances are good you'll do it again.

Why? That's easy. Because it's fun to phone.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

**Henry Harden At Patrol School**

Henry Harden, formerly employed at Patterson Grain Co. here and son of Mr. and Mrs. R. M. Harden of the Providence Community, is attending the State Department of Public Safety highway patrolman school in Austin. He has been in training there for several weeks and expects to receive his diploma about July 15th. He will spend several weeks in field work after the schooling is completed.

**LUCKY STRIKE LEAGUE (Women)**

Three teams are tied for first place after First National Bank swept three games from Jack & June and Keeter Grocery took three from Dixie Cafe Monday night.

Verna Newton of Dixie Cafe bowled high game and series, 184-420. The 184 game was high for Lucky Strike League.

Other team highs were June Bybee, 149, Sibyl Childers, 340, First National Bank; Carolyn Wilson, 133, Betty Wylie, 370, Jack & June; Barbara Ellison, 155, Lozell Graham, 390, Keeter Grocery.

Schedule for Monday, May 11, calls for First National Bank to play Keeter Grocery and Dixie Cafe to test Jack & June.

Team Standings

Team	Won	Lost	GB
Jack & June	16	14	
Keeter Grocery	16	14	
Bank	16	14	
Dixie Cafe	12	18	4

Interior decorators are making increasing use of nickel-containing stainless steels in today's modern kitchens — in appliances, hollow ware and flatware, cooking utensils and equipment, and sinks and counter tops. Its beauty and versatility make it highly adaptable to the needs of modern decorators.

Eclipse, an English thoroughbred foaled in 1764, is the ancestor of almost all modern race horses, according to The World Book Encyclopedia.

**David Hartman Called As Pastor**

David Hartman, son of Mr. and Mrs. M. W. Hartman of Lone Star, and a ministerial student at Hardin-Simmons University, Abilene, has been called as pastor of the Sylvester Baptist Church, near Abilene. David has accepted the call and is now serving the church. He is a junior student at Hardin-Simmons.

**FROM THE County Agent's Office**

By Cecil Lewis and Harold W. Ellison

**Cotton Production**

About 60% of the cotton is planted in the county to date. Much of the cotton is up to a good stand. This is one of the earliest starts to date. The soil warmed up to a 60 degree F average for ten days earlier than in the past.

Insect control is one of the factors in quality production of cotton. Starting in about the 6 to 8 leaf stage three applications 7 days apart will aid in setting an early crop of fruit. This practice will usually pay 3 years out of 5.

Insect guides are available in the County Agent's Office.

**Grain Sorghum**

The best yields of grain sorghum can be expected from

grain planted between June 1 to June 20th. Research shows that grain planted on May 20 and June 20 with the same management practices, you can expect as much as 1000 pounds more of grain from the June planting.

**Cotton Variety Demonstration**

Five cotton variety demonstrations are being conducted in Floyd County. Blightmaster, Gregg, Paymaster 101 and Lankart 611 are being used in the demonstrations. The farmers conducting the demonstrations are Albert Bean, South Plains, Clyde Farrish, Lone Star, Fred Jackson, Sand Hill, H. D. Porter Jr., McCoy and Earl Edwards Jr., Lakeview. These varieties will be harvested and tested to carry out the demonstration.

Stainless steels are the largest single market for nickel.

Not all stainless steels contain nickel but most of them do. The nickel content of stainless steels ranges from 1% to 35%; by far the most popular type — "8-8" — contains 18% chromium and 8% nickel.

## Methodists Fete Seniors At Gala Western Breakfast

LHS seniors were entertained by the W. S. C. S. of the Methodist Church with a breakfast Monday morning served in true Western style. Approximately 60 guests attended the colorful annual event which began at 7:30 a. m. in the church basement.

Focal point in the entertaining room was a typical scene of a life-size cowboy reclining on his bedroll with his saddle for a pillow. Near a realistic campfire was a bale of hay, a large pot of coffee and skillet indicating the cowhand had completed an appetizing breakfast. Pine branches near the scene and on pillars about the room were complemented with cowboy hats, lariat ropes and lanterns to furnish the true western atmosphere.

The tables, lighted entirely by coal oil lamps featured red and white plaid place mats, red bandana napkins and tin plates and cups. Along the tables amid pine branches were miniature covered wagons, horses and cowboys. Centering the speakers table were two ceramic palomino horses holding a styrofoam plaque and a branding iron lettered with "Seniors of '59." Wound with rope, the round white styrofoam plaque appeared to have been recently branded with the iron which it held. Plate favors which served also as place cards were miniature suitcases labeled with "Colorado or Bust."

Mrs. Harold Duvall, youth counselor of the church, gave the welcome and Billy Karl Race, president of the class, gave the response. Rev. E. Lee Stanford gave the invocation. After the delightful meal Miss Barbara Carruth led the group in singing "The Eyes of Texas," "Ol' Texas," and "Home on the Range." Mrs. Don Hatch, youth secretary, introduced the special guests who were class sponsors, Mrs. Felicia Applewhite and Mrs. Myrtle Cope, Supt. H. H. Nicholas, principal F. M. Smith, Rev. and Mrs. E. Lee Stanford and a sextet of girls from Plainview who sang, "Smoke Gets in Your Eyes" and "Garden of Memories."

The guest speaker was Mr. Tut Tawwater of Plainview who spoke on the importance of seeking companionship with Christian people and emphasized that valuable and lasting friendships may always be found among church going people.

Mrs. Duvall offered the benediction.

Mr. and Mrs. Delbert Byee, Lockney, and Mrs. Bill Mills, Plainview, spent last week end visiting relatives at Midland.

GO TO CHURCH SUNDAY.

## Book Review Is Feature Of County H. D. Club Tea

Floyd County Home Demonstration Clubs observed National Home Demonstration Club Week with a tea Tuesday afternoon at the Lockney Methodist Church. A book review and special music were features of the program.

The refreshment table was laid with a cloth of white linen cut-work and centered with a white styrofoam house and styrofoam ball representing the world. The attractive house was complete with a yard which featured a profusion of pink carnations banked against the chimney. White satin ribbon lettered in gold revealed the national theme, "Today Home Builds Tomorrow's World."

Mrs. Fred Marble, South Plains, presided at the silver punch service. Refreshments were fruit punch, sand tarts and mints.

Mrs. Lynn Miller introduced the speaker, Mrs. Jimmy Willson, Jr., Floydada, who reviewed the book entitled "The Ugly American". Special music was given by Miss Rita Colly, Floydada, who played the piano, and Miss Wren Patterson, Floydada, who sang, "Summer Time".

Mrs. E. G. Norrell, president of Floyd County H. D. Council, expressed appreciation to all the committee members who helped with arrangements of the tea.

Approximately 65 club women were in attendance.

## O.E.S. To Entertain Masons And Wives

The Lockney Order of Eastern Star will entertain Master Masons and their wives with a dinner Friday night at the high school cafeteria at 7:30.

All Master Masons and their wives and all Eastern Star members are expected to attend. Invitations have been mailed, but in case an invitation isn't received, Mrs. Rita Webster, Worthy Matron, urges these people to attend the meeting.

## R. V. Websters Honor OES Officers

Mr. and Mrs. R. V. Webster, Worthy Patron and Worthy Matron, honored the officers of the Order of Eastern Star with a dinner Monday night at Golden's dining room. Places were laid for 19 guests.

The dinner began at 6:30 and following the meal a regular O. E. S. meeting was held in the Masonic Lodge Hall. At the dinner Mr. and Mrs. Webster presented gifts to the officers and the officers presented them with a gift. The event marked the close of the Websters year of office.

MRS. JOHNNIE RAY ADAMS

## Anderson-Adams Vows Are Repeated

Miss Patsy Mae Anderson, daughter of Mrs. J. W. Leach, and Johnny Ray Adams, son of Mr. and Mrs. Virgil Adams, were married Saturday morning, May 2, at 10:30 in the office of Justice of the Peace, Ed Griffin, Floydada, who read the ceremony.

The bride was attractive in a white sheath dress with slate colored accessories.

Attending the wedding were Mr. J. W. Leach, Lockney, Mrs. Virgil Adams and children, Ruby Nell and Gordon, of Sterley Community.

After a short wedding trip the couple is at home in West Lockney.

The bride is a senior student at Lockney High School and will receive her diploma May 28. Her husband attended schools in Plainview and Lockney and is engaged in farming with his father in Sterley Community.

## Attend Reunion At Fort Worth

Mrs. Henry Bollman, Nancy, Louise and Bill attended the Homecoming and Forty-fifth annual May Fete at Texas Wesleyan College in Fort Worth, Texas May 2.

The honored classes at the homecoming were the classes of 1924, 1934, 1944 and 1954. Lunch was served in the new dining room to the faculty, ex-students the guests, the graduating class.

An oil portrait of Dr. Walter R. Glick, TWC vice-president and former dean was unveiled.

Clifton McNeely basketball coach at Pampa High School was named Alumnus of the year.

## P.N.G. Club Meets In McGavock Home

The Past Noble Grand Friendship Club was entertained in the home of Mrs. Dimple McGavock Friday night, May 1, at 8 o'clock.

Eleven members attended from Floydada, Petersburg and Lockney.

Officers were elected and a gift was presented to Mrs. Carolyn Adams.

A delicious salad course was served by Mrs. McGavock before the club adjourned to meet in June with Mrs. Artie Webb in Floydada.

## Gleaners Class Has Social Meeting

The Gleaners Sunday School Class of First Baptist Church held a business and social meeting Wednesday afternoon at the church. Mrs. Jewel Rexrode and Mrs. Payton Powers were hostesses.

Mrs. W. B. Cates presided and minutes were read and approved.

Mrs. Robert Lee Smith reviewed an interesting book on the 23 Psalm by Owen.

Refreshments were served to Meses. B. B. Vernon, W. B. Cates, C. B. Sherrel, J. B. Cumbie, J. L. Cherry, Lester Carter, D. F. Byerely, R. L. Smith, Leonard Adams and the hostesses.

## HAS PARTY

Mrs. Virgil Adams honored her son, Gordon, Friday afternoon on his 12th birthday by serving refreshments to the 41 class members in his fifth grade room at school, and several guests. Cakes and cookies were enjoyed.

THE HEAD of Citizens Public Expenditure Survey points out that taxes take a larger share of the earnings of the American people than any other item in the family or individual budget. The average \$4500 a year man with a wife and two children works seven days out of the 22 working days a month to pay his taxes, direct and indirect. By comparison, he works only four and one-half days to earn enough for the family food.

AN ARTICLE appearing in Today's Health says that a vaccine which will prevent 60 to 70 per cent of all common colds will probably be available within the next 24 months. Its author is Dr. Thomas G. Ward, professor of virology at Notre Dame University.

Because it is hard, tough and corrosion-resistant, nickel-containing stainless steel is one of the easiest metals to keep clean.

## Co-Op Gin Has Big Increase In Business

The Lockney Co-operative Gin had a definite increase in business during the calendar year of 1958, according to the report of the auditor, Edwin E. Merriman, of Lubbock at the annual membership meeting and dinner last Thursday evening at the high school gymnasium.

Mr. Merriman's report showed net savings to be allocated to patrons of \$47,245.74 or \$6.24 per bale for each of the 7,588 bales ginned by the plant from the 1958 cotton crop.

Gross operating income was shown at \$106,976.20 with operating expenses of \$81,877.50 leaving net margin from operations of \$25,098.70. In addition the report showed margins from trading in cotton seed and cotton to be \$22,426.54 and dividends from other co-operatives at \$5,394.50, totaling \$52,919.74 margins. Dividends on preferred and first preferred stock totaled \$5,674.00 leaving net savings of \$47,245.74.

The report showed current assets including cash, accounts receivable, etc. at \$18,925.80 compared to \$16,298.40 last year; fixed assets, including buildings, land, plant, etc. at \$178,914.55 compared to \$146,213.06 last year and investments and other assets at \$4,647.96 compared to \$206.00 last year.

Current liabilities were shown at \$20,632.77 compared to \$40,641.05 last year; term liabilities were \$61,981.25 compared to \$49,419.86 last year and capital stock and patron equities were shown at \$119,910.29 compared to \$72,656.55 last year.

Manager Mondell Mills pointed out that the membership now owns \$152,049.29 equity in the gin plant and property, that the co-operative owes the Houston Bank for Co-operatives \$75,000.00 and that checks covering interest on the investment totaling \$10,455.20 have been mailed out.

The report further showed that the co-operative gin company had received patronage

## 75 Women Hear Program On Hawaii

Approximately 75 area Baptist W. M. U. women and several members of the Girls Auxiliary, enjoyed a program Tuesday afternoon at 3:30 at the First Baptist Church on Hawaii.

The program featured Mrs. Ed Bowles, Floydada, who showed films of her trip to Hawaii and played tape recordings from several Hawaiian women. Mrs. Bowles was charming in an authentic Hawaiian costume with a hibiscus in her hair.

The Bride's W. M. U. Circle sponsored the event and acted as hostesses for the meeting. They pinned an iris in the hair of each guest and served Hawaiian punch and coconut cookies as refreshments.

Guests were from Lone Star, Aiken and South Plains.

In 1958, more than 49 per cent of the traffic injuries resulted from weekend accidents

dividends in stock from regional co-operatives totaling \$3,702.50 and dividends in cash totaling \$1,692.00.

During the business session the membership re-elected V. H. Kellison and J. E. Bell Jr. as directors and elected a nominating committee composed of Walter Tsack, Chester Mitchell and James Taylor to nominate director candidates at the next annual meeting.

Master of ceremonies was Leroy Durham, president of the co-operative, and Mr. Mills welcomed and introduced the guests. Guests were present from Lubbock, Floydada, Knox City, Plainview, Houston, Galveston and other points. Many local business and professional people were also guests.

Wit and humor, mixed with philosophy and wisdom, by D. D. Monroe of Clayton, N. M., held the interest of the group in the after-dinner speech. Mr. Monroe touched on every-day human problems as well as those of world-wide interest, summing it all up in the statement "No one has insight enough to say what's wrong with the world."

## Three Called For Induction

Three men, none of them from Floyd County, have been called for induction into the armed forces on May 12th. They are Donald Holt Hart from Motley County, Arthur Garland Wade from Swisher County and Robert Earl Bearden from Hale County.

Also called was Lenolee Billington, a transfer from Oregon.

The nickel-containing stainless steels, discovered and developed in Europe prior to World War I, were first produced commercially in the United States in 1926, and today the U. S. is their largest producer and consumer.

## IMPROVING

Bob Muncy has spent week in Lockney General Hospital receiving treatment for the flu and complications. Although still seriously ill he is improving, his wife reports.

## TROPHIES ON DISPLAY

The trophies won by Lucky Strike Bowling Club are now on display at the Lette Beauty Salon. We wish to see them and go by.

THE CHAMBER of Commerce of the United States finds a bright side to the much-discussed school picture. Since World War II, the number of teachers has increased more than 50%, and the average number of students per teacher has declined from 28 to 26. Where total expenditures for public schools, including construction, came to \$2.9 billion in the 1945-46 school year, the figure for the current year is \$14.4 billion. More than 600,000 classrooms have been built in the postwar period.

The engineering properties of the nickel-containing stainless steels, such as corrosion resistance, have led to their widespread adoption for industrial applications that are not usually visible.

## Commencement Speakers At Wayland Named

Plainview — For the Golden Anniversary Commencement ceremonies at Wayland Baptist College Richard M. Morehead, Austin correspondent of the Dallas Morning News, and Rev. Howard Scott, Hereford, will be speakers, according to announcement from President A. Hope Owen. Honorary degrees will be conferred on them May 25 at the commencement exercises for 59 graduating seniors.

The Rev. Scott, pastor of First Baptist Church, Hereford, and a Wayland trustee, will preach the baccalaureate sermon at 10:50 a. m., Sunday, May 24, in the new sanctuary of First Baptist Church, Plainview. He is a graduate of Howard Payne College and served as educational director of First Baptist Church, Brownwood, and as pastor of First Baptist Church, Clarendon, before going to Hereford.

Mr. Morehead, one of Wayland's outstanding graduates of the junior college period, will deliver the commencement address at 8 p. m., Monday, May 25, at Plainview High School Auditorium. After graduation from the University of Texas school of journalism, Morehead worked for United Press but for some years has been correspondent for the Austin Bureau of the Dallas Morning News. Since 1954 he has been correspondent for Southern School News, a monthly report on the progress of desegregation, and is also correspondent for Newsweek, Business Week and other magazines. In 1955 he was a repeat winner for the State Bar of Texas award for doing most for improving the administration of justice. In 1957 he won the Austin Headliner Club Award based on reporting of the school segregation problem. Morehead is listed in Who's Who in the Southwest and is a member of Texas Civil Judicial Council.

A simple way to identify the quality nickel — containing grades of stainless steel, the well-known "18-8" type for instance, is to apply the magnet test; the grades containing more than minor amounts of nickel are non-magnetic and therefore will not be attracted by a magnet.

Few metals are as versatile as the nickel-containing stainless steels. Their eye-catching appearance and durability have long appealed to the general public, and have led to their popularity in consumer products.

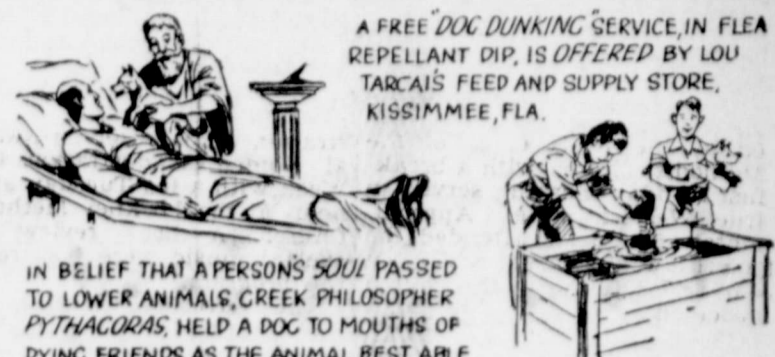

The versatility of nickel-containing stainless steels makes them ideal for many varied uses — such as in the home, in architecture, for decorative parts of automobiles and for strictly functional industrial applications.

### School Menu

May 11-15

Monday — Pork patties with gravy, creamed potatoes, buttered carrots, celery stick, hot rolls, butter, prunes, milk.  
 Tuesday — Skilletburgers, Fritos, lettuce and tomato salad, milk, peanut butter cookies, peaches.  
 Wednesday — Baked ham, candied sweet potatoes, green beans, baked apples, yeast biscuit, butter, oatmeal cookies, milk.  
 Thursday — Pimento cheese sandwiches, potato chips devilled eggs, sweet pickles, Jello salad, milk, gingerbread, applesauce.  
 Friday — Roast beef, brown gravy, buttered rice, English peas, golden glow salad, milk, corn muffin, chocolate pudding.

**1958 NICKEL CONSUMPTION**  
 Free world consumption of nickel by fields in 1958 is estimated as follows: stainless steels, 28%; engineering alloys steels, 16%; foundry products, 15%; electroplating, 14%; copper and aluminum base alloys, 6%; and miscellaneous, 5%.

**SUPERIOR MILL LINERS**  
 When used for liners of cement mills, Ni-Hard abrasion-resisting nickel-chromium cast iron gives double or treble the life of materials previously used.

**NICKEL IN STEEL**  
 Nickel is used as an alloying element in steel because it makes the steel stronger, tougher and more resistant to wear.

### NOTICE TO BIDDERS

Sealed proposals addressed to the Mayor and City Council of the City of Lockney, Texas will be received at the office of the City Secretary, City Hall, Lockney, Texas until 5:00 p.m. CST, May 26, 1959 for furnishing all necessary materials, machinery, equipment, superintendence, and labor to construct one water pumping station, concrete ring foundation for 200,000 gallon steel reservoir and well house.

Bidders shall submit their bid on the forms attached to the specifications and must submit therewith a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of J. E. Cox, Mayor of the City of Lockney, Texas, in an amount not less than five per cent (5%) of the largest possible bid submitted on the Project as a guaranty that the Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him.

The Successful Bidder must furnish bond on the form attached to the Specifications in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or Unbalanced) unit prices will authorize the Owner to reject the bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done. Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, Page 91, Chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing wage established by the Owner. There must be paid on this project not less than the following prevailing wage rates:

Mechanic, Workman or Type of Labor	General Prevailing per diem wage based on 8 hour working day	General Prevailing Hourly wage
Skilled	\$ 14.00 to 24.00	\$ 1.75 to 3.00
Semi-skilled	10.00 to 14.00	1.25 to 1.75
Unskilled	8.00 to 10.00	1.00 to 1.25

(Detailed Labor Classifications and Corresponding Wage Rates are set out in the Specifications.)

Information for bidders, proposal forms, specifications and plans, are on file at the office of the City Secretary, City Hall, Lockney, Texas and copies can be secured at the office of the Consulting Engineers, Roberts, Merriman, Bowden & Isbell, 1005 1/4-13th Street, Lubbock, Texas upon deposit of \$15.00 as a guarantee of the safe return of the Plans and Specifications. The full amount of the deposit will be returned to the Contractor on submission of a bonafide bid on the work, with such Plans and Specifications, or upon returning the Plans and Specifications immediately after examination of same but before the time of receiving bids and advising the Engineer that a bid will not be submitted, otherwise, the deposit shall be forfeited. Suppliers may secure copies of the Plans and Specifications as outlined above but will be given five (5) days after bids have been received to return said documents to the Engineer's office before the deposit shall be forfeited. No obligation is assumed to return the deposit under other conditions.

## NOW AVAILABLE . . .

PLAINS TESTED — PLAINS GROWN

# BENZAC for Bindweed

Best Killer Yet — Cheapest Killer Yet — Shorter Soil Sterility — Easier to Apply

YOUR COUNTY A. S. C. OFFICE PAYS 1/2 THE COST

BENZAC is a liquid — mixes readily with water — no agitation needed. Can be applied anytime — winter included. Benzac is a fast and permanent killer — can be sprayed or sprinkled — no handling hazards. Short rooted cover crops grow back quickly.

BENZAC is the only Polychlorobenzoic acid material that has been tested and proven in the high plains area. It has also been approved by State and County A. S. C. offices for cost-share payment under the A. S. C. bindweed program.

DON'T LOSE GROUND to bindweed. Start your eradication now. REMEMBER — your A. S. C. office pays one-half the cost if you use BENZAC. See your county A. S. C. office and get your allotment set up now.

REMEMBER ALSO — Benzac contains 4 pounds of Benzoic acid per gallon. Compare it with others.

**BANK NOTES** . . . . . by Malcolm

**DID YOU KNOW...**

THE OLDEST CHECK MADE OUT ON PAPER WAS WRITTEN IN LONDON ON MARCH 14, 1654. (MR. MORRIS' FAVORITE UNCLE BEAVER HEREOF MR. WATTS ORDER THE SUM OF THREE THOUSAND POUNDS, I SAY £327. LONDON. THE 14th OF MARCH 1654. YRS. NICHOLAS WAINACKER.)

A BIG IDEA FOR A LONG A PROJECT FOR FISHERMEN ENABLED A YOUNG MAN TO OBTAIN FINANCING FROM A LOCAL BANK. TODAY HIS SHORT-TERM GOODS ARE SOLD FROM COAST-TO-COAST.

NEWLY ENGAGED COUPLES IN AN ELKING TOWN RECEIVE A HELPFUL CHECKLIST ON THINGS TO BE DONE BEFORE THE WEDDING FROM A LOCAL BANK.

very loose, otherwise squeeze water out by hand without twisting blanket.

8. Place blanket over two clothes lines in a shady place, or in a large area such as a protected table or floor area.

9. Measure length and width of blanket and compare with original size. Stretch blanket to original size.

10. When blanket is dry, brush it in both directions on both sides with a stiff bristled brush. Press the binding with a warm iron.

Now that the blanket is clean, its nap is raised like a new blanket. In the average life of a blanket it probably will be laundered about 5 times. Care of this clean blanket, correct storage, and protected use will give it a long useful life.

First Whirl, the son of Whirlaway, was born on Dec. 30, 1944. But the next day he was officially one year old. The World Book Encyclopedia explains that Jan. 1 is the official birthday of all race horses. The system is used to qualify horses for races limited to certain age groups.

The custom of mounting a horse from the left side probably started in the days when men wore long swords that hung down the left leg, says The World Book Encyclopedia. It was easier to throw the right leg over the horse's back.

The steel industries of the world are the largest consumers of nickel and the stainless steels account for the greatest use of nickel in steel alloys.

**Sterley News**

By Mrs. Virgil Adams  
Mrs. E. A. McLeod was hostess Thursday, April 30, at 2:30 for the Sterley Home Demonstration Club. A very interesting program was given by Miss Phyllis Roggendorff on "Selection of Clothes and Accessories for Men and Boys." Mrs. McLeod served delicious refreshments of chicken salad, cake, coffee and punch to Miss Roggendorff and Mmes. Joe Reeves, M. A. Boone, Red Archer, Guy Sams, Virgil Adams and a visitor, Mrs. Earl McCready. Next regular meeting will be May 21 in the home of Mrs. C. L. Mooney for a program on Sea Foods.

Sterley had about 1/4 inch rain Monday night.

Johnny Adams, son of Mr. and Mrs. Virgil Adams and Patsy Mae Anderson, daughter of Mrs. J. W. Leach were married at Floydada Saturday morning.

Mr. and Mrs. Bob Lane and sons visited the Put Gilberts of Flomot Sunday.

Mr. and Mrs. Paul Hrbacek and Ricky went to Vera Sunday to visit Mr. and Mrs. Paul Wiest.

Wayne Christy, small son of Mr. and Mrs. W. E. Christy fell from the roof of a house Sunday afternoon and hit his head on a concrete walk. He was in the Lockney General Hospital until Monday noon. He is reported doing fine now.

Mr. and Mrs. M. L. Boone and children of Childress spent Wednesday night in the home of his parents, Mr. and Mrs. M. A. Boone.

Mrs. Duard Reves, Willa Gayle and Edith visited Mrs. Maxine Reves of Abernathy recently. She was reported about the same but very happy to have the visitors.

Mrs. C. L. Henderson received word Monday of the death of a cousin, Wendell Rowland of Dallas who was killed Saturday night in a boating accident. The Hendersons and other relatives will attend the funeral Tuesday. Our greatest sympathy goes out to the Henderson and Nancy families.

Mr. and Mrs. C. L. Henderson, and Mr. and Mrs. Bailey Henderson attended the Black Angus sale at Lubbock Tuesday, May 28th.

Mr. and Mrs. A. D. Schaffner returned Thursday from a two weeks vacation at several points over Texas.

Sunday luncheon guests in the Doug Reves home were Mr. and Mrs. Bill Washington and children and Mr. and Mrs. Elmo Reves.

Mrs. James Hale, Miss Carol Pemberton, Mrs. Charles Wright and Dwayne all of Plainview visited in the Elmo Reves home Friday.

Mr. and Mrs. Hansel Sanders and boys, Mr. and Mrs. B. A.

Howell, Mr. and Mrs. - Fred Fortenberry, Mr. and Mrs. G. A. McAda and Gordon Deral attended church at Carrs Chapel Sunday. It was the last quarterly conference and luncheon was served at the church. The speaker was a Hilburn Missionary from Japan.

It was voted that the Sterley Methodist Church will have a full time preacher next year.

Mr. and Mrs. Herman Huffman have returned from a weeks vacation in Arkansas. They visited with the Hugh Davidson family at Prescott, Mr. and Mrs. William Woods of Bentonville, both former residents of this community. They also visited Mr. and Mrs. Earnest Inmon of Paris, Texas.

Out of town guests in the Virgil Adams home Sunday

were Mr. and Mrs. Travis Mulanax and boys, Mrs. J. W. Moffett and Mrs. John Waters, all of Clarendon. Other guests in the home were Mr. and Mrs. Red Archer and children, Mr. and Mrs. Johnny Ray Adams and Pete Leach.

Ben Kerns returned home from Lockney General Hospital Thursday morning to find some of the neighbors planting his cotton. Those helping were Guy Jackson, Jim Colston, Doug Reves, Elmo Reves, Duard Reves, Paul Hrbacek. Others would have helped had they known.

OFFICE SUPPLIES at The BEACON OFFICE.

**Elton Karr Heads Mission Band**

Plainview. — Elton Karr, son of Mr. and Mrs. Bryan Karr, South Plains, was recently elected president of Mission Band for 1959-60 at Wayland Baptist College.

Mission Band is a student organization which sponsors Friday Night Mission Stations and also gives dramatic presentations for area churches.

Karr, sophomore religious education major at Wayland, will be Mission Band representative to Baptist Student Union.

**HOW WOULD YOU SOLVE THE TAX PROBLEM?**  
The bulk of the need for higher state revenue develops from action of Texas voters. They have been generous at the polls.

The present Texas tax structure simply will not support the expenditures the people have authorized.

The regular session of the legislature has been engrossed in special bills, originating in many instances with special interests. It has also had to come to grips with the tax and budget.

In a special session it will be able to consider matters specifically submitted by the Governor in his call.

Neither Governor Daniel nor Speaker Waggoner Carr has been able to come up with a program that is acceptable to the solons. It is the duty of the governor as the state's chief executive to lead. It is the duty of Speaker Carr as presiding officer of the House, which originates revenue measures, to coordinate thinking and action in the House.

Facetiously one capitol observer proposed that old-age pensions be cut in half and teachers' pay \$500 a year. That would balance the budget. At the next election it would purge the legislature, too.

Business and industrial lobbies are pushing for a sales tax. Ultra liberals and labor leaders are pushing for a corporation income tax, and for greater tax on natural resources.

We might as well face it. A sales tax in itself is not a base that is adequate or broad enough. A corporation income tax alone cannot be justified as fair and equitable.

Why should corporate income alone be taxed for the benefit of whole population? There are partnerships well able. There are individuals well able.

Why should the whole burden be laid on consumers directly through a sales tax?

Whether we can escape an income tax, a sales tax, additional excise taxes is not clear.

Neither is the pattern of a revised tax base.

There are those who speak loudly and positively that if the state would economize we wouldn't need additional taxes. The economy that can be effected under the present authorization and mandate is chicken-feed, compared with the whole tax need.

If Texas is to continue to provide educational, welfare and highway programs as now established, where's the money coming from?

To these three purposes goes 90 cents of the state's tax dollar.

Those programs must be curtailed or additional revenue provided.

Let's be aware of the importance of ready purchase and utilization of our natural resources, of the slowdown in industrial development of the state, of the importance of increased jobs if growth of our state is to continue, and not try to load on such taxes as will kill the goose that lays the golden egg.

The majority of the people at the polls, by constitutional amendment have put the stamp of approval on much of the programs that require the most

tax money. It's time to step up and pay for what we ordered, whether it be by combinations of natural resource taxes, excise taxes, sales taxes, income taxes or else.

Who would you give the tax tab to if you had the responsibility that is the Texas legislature's?

It's one check which diners will not determine by "honest John" or heads or tails matching.

You can find plenty of people who are against a particular tax, but not many who are for a specific method. — Plainview Herald.

### Henry Harden At Patrol School

Henry Harden, formerly employed at Patterson Grain Co. here and son of Mr. and Mrs. R. M. Harden of the Providence Community, is attending the State Department of Public Safety highway patrolman school in Austin. He has been in training there for several weeks and expects to receive his diploma about July 15th. He will spend several weeks in field work after the schooling is completed.

## FLOYDADA WILL CELEBRATE GOLDEN ANNIVERSARY MAY 28

Along with the Old Settlers Day in Floyd County, coming on May 28, the city of Floydada will be celebrating its Golden Anniversary as an incorporated city and plans have been made for a Golden Jubilee Celebration.

Beard growing by the men and the wearing of sunbonnets and pioneer costumes of the ladies are all part of getting in the mood for the jubilee. The jubilee will be a week-long celebration starting on Sunday, May 24th, and continuing through the week. Entertainment during the week will include box suppers, dances, song fests, dinners, teas, etc.

Feature of the celebration will be the Pageant Spectacular, a story of the olden days in Floyd County, depicted in pantomime by a cast of some 300 Floyd County people. A stage 250 feet long will be erected on the Floydada football field on which the pageant will be presented.

The pageant will be presented in 16 different scenes and will be narrated over a public

address system. Performances will be given each night Tuesday through Saturday nights the week of the Jubilee. Curtain time is 8 p.m.

The pageant will be produced by Lehr M. Knowles of Cleveland, Ohio, who is with the John Rogers Producing Company and Mr. Knowles is at Floydada working on the production now.

A young lady is to be chosen as Celebration Queen and she will reign over the Golden Jubilee during the week of festivities. Also her court of honor will be chosen. Bill Hale is chairman of the Queen committee, and Adrian Field is chairman for the Pageant committee.

Brothers of the Brush is the organization of men who are growing beards, and a "chicken license" is the only way to avoid punishment for not growing a beard. The women have organized the Jubilee Belles which organization encourages the wearing of the pioneer costumes and sunbonnets. The annual Old Settlers Day

will be held at usual day, May 28th and a crowd of former residents expected to attend.

### South Plains

By Mrs. Murray Julian  
 Much needed showers of one half inch fell in our area Monday, with very little hail. Farmers are hoping this will help bring up cotton planted last week, which was partly dried out with the hot winds.  
 100 were present at Sunday morning services at the Baptist Church, S. S. Supt. Sterling Cummings and family were out of town, and several others over the week end. Mrs. May and Kay of Hereford church visitors. Vacation School workers are asked to be present Wednesday night to make plans for the coming school.  
 Excited and happy Baptist members are hoping to in their new church building on May 17, and baptismal plans for 13 are scheduled

for that day. Tentative dedicatory services are set for May 31, but weather and other things may cause a change of plans.  
 Kendis Julian and Tommy Respondek from WTSC were home over the past week end with their parents, the Murray Julians and the Tom Respondeks. College will be out on May 28.  
 Big news of the past week are two sets of twins born here and in Fort Worth. Good things are said to come in pairs, and our congratulations to Mr. and Mrs. L. N. Johnson on the birth of twin daughters, Deniece and Denean, born at the Methodist Hospital in Lubbock on Wednesday evening, April 29, about fifteen minutes apart, weighing 6 pounds, 3 oz. and 5 pounds, 8 1/2 ozs. Mrs. Johnson and the twins came home Saturday and his mother, Mrs. O. Johnson is staying with them at present. They have other children, Carlton, 6, and Sherri, 4.  
 Mrs. Walter Wood became a great grandmother again May 1, with Mr. and Mrs. Thomas E. McCown of Fort Worth announcing the birth of twins, a boy and a girl born at 6:45 on Friday at the St. Joseph Hospital in Ft. Worth. They weighed about six pounds each, and have been named Abby Michele and David Michael. She was the former Roy Nell Hammonds of Floydada, and her mother, Mrs. C. T. Hammonds will go to be with them the coming two weeks. His mother, Mrs. Jack McCown of Thermopolis, Wyo. will come to stay with them as soon as school is out.  
 Mr. and Mrs. Fred Fortenberry went to Amarillo Tuesday for several days while her mother, Mrs. N. C. McCain of Tulla undergoes surgery at the Osteopathic Hospital Wednesday morning. We hope she gets along well.  
 The Sylvin Kinnibrugh family and Johnny Calahan spent the week end in Truscott and Vera with relatives.  
 Miss Donita Milton came home Saturday from Fort Worth, and was at church Sunday with her folks, the Grigsby Milton. She has three weeks more time there, then goes to Midland where her work continues with the Texas Company, an oil firm.  
 Friday afternoon Mrs. Philip Smitherman and Mrs. Chester Hildaigo went to Lubbock to

visit Mrs. L. N. Johnson and the twins at the Methodist Hospital.  
 Mr. and Mrs. C. R. Givens of Lubbock were guests Sunday afternoon in the home of her brother, the Frank McClures. Other guests were Mr. and Mrs. George Beedy of Plainview, who had been to see the L. N. Johnsons and new babies.  
 Mrs. Raymond Upton, Mrs. Bryan Karr and Mrs. Don Probasco are on the Cancer Crusade program for the South Plains area, so please help when they call on you.  
 Congratulations to Mr. and Mrs. Travis Young who have a new boy born, Saturday at 1 o'clock, weighing 7 pounds, 3 ounces, and has been named Rodney Kirk. The Youngs live in north South Plains, and this is their first child. Paternal grandparents are Mr. and Mrs. H. E. Young, and maternal grandparents, Mr. and Mrs. V. D. Turner of Floydada.  
 We are happy to announce we had a winning team from here in the 4-H district contests held last Saturday morning at Texas Tech in Lubbock. Sue Wilson and Yvonne Karr won first place in the district 4-H contest with "Vegetable Preparation and Use," using chicken and vegetables in a one dish meal. They will go to the 4-H Roundup at College Station on June 9-11.  
 Boys going out for baseball in the pony league in Floydada are Bruce Julian, Gary Morrison, Bill Bledsoe, Jay Frank Parks, Bud Higginbotham, Dennis Deavenport, Johnny Calahan, Gary Wilson and Dale West. In the Little League those going are Jerry Calahan and Dwayne Webb.  
 The George Weast family writes from Dayton Beach, Miami, and Jacksonville, in Florida, they are having a wonderful vacation and are now in Virginia and West Virginia seeing the sights.  
 The Frank McClures and the Willie Weasts of Silvertown arrived home on Saturday morning from Lake Altus, Okla.

after having spent the past three days fishing down there, with a good catch reported.  
 WMU members will go to Lockney on Tuesday afternoon at 3:30 at First Baptist Church where they will see slides on Hawaii, with Mrs. Ed Boles giving accounts of her visit to that land.  
 Mr. and Mrs. H. L. Marble have announced the engagement and approaching marriage of their daughter, June, to Marvin Wells, Cedar Hill. The wedding will take place at South Plains Baptist Church June 21. P-TA members met for an

Installation tea and Dutch auction Friday afternoon with Mrs. Kinslow installing incoming officers, Mrs. Sylvin Kinnibrugh, president; Mrs. Leighton Teeple, vice-president; Mrs. H. S. Calahan Jr., secretary; and Mrs. Sterling Cummings, treasurer. Guests were served cookies, spiced tea and nuts from a table laid with net over pink, and centered with an umbrella of pink net, featured with birds, and flowers in their bills. Attending were Mmes. Jones, Kinslow, Sylvin Kinnibrugh, Early Pritchett, Wendell Johnson, Leighton Teeple, Dock Jones, Murray Julian, Hansel Sanders, Arby Mulder, Kendall Cummings, Thos. Pierce, Bryant Higginbotham, H. S. Calahan Jr., and John Key West.  
 Mrs. Shelby Calahan, Mrs. L. T. Wood and Mrs. Grigsby Milton went to the Plains Baptist Assembly Thursday and Friday to hear Mrs. Lon V. Smith and others speak at the District 9 retreat for the WMU. Members brought lunches to have at noon Thursday.  
 Mr. and Mrs. I. H. Parks have the foundation laid, the well dug, and trees set out at their new home site in South Plains, and are awaiting their new home to be built. It will face the east on the Silvertown highway, where the old store building stood.  
 Mr. and Mrs. E. L. Morrison and Gary had as guests in their home Friday evening Mr. and Mrs. Sylvin Kinnibrugh and girls, with games of 42 enjoyed during the evening.  
 Hostesses are planning a pink and blue bonus party for Mrs. L. N. Johnson and twin daughters Friday afternoon at 2:30 in the home of Mrs. Garvin Beedy.

**QUICK SEAFOOD CROWDER**  
 Blend 1 can condensed cream of mushroom soup, 1 can cream of tomato soup, a soup can of milk and a cup of light cream together and heat over a low flame for 20 to 30 minutes, stirring occasionally. Add a 6 oz. can of lobster, crabmeat, shrimp, tuna or salmon and heat the soup thoroughly. Garnish with chives. Serve with warm crackers, a crisp spring salad and fresh lemon meringue pie.

## Wayland Offers 10 Scholarships

Area students may qualify for the ten \$200 academic scholarships offered by Wayland Baptist College for 1959 graduating seniors by placing at the top on the intelligence test which will be given at three testing centers, according to Dean Maurice J. Sharp.

First of these tests were held May 2, at Berger High School and Wayland campus. Second tests are set for 10 a.m., May 9 at Lamesa High School. Third and final tests are scheduled for Wayland campus on May 16 at 10 a.m.

1959 high school seniors may report to any of these centers at the time specified but the test may be taken only once.

The scholarships of \$100 each for two semesters will be awarded to the 10 students ranking highest on the test and meeting entrance requirements to Wayland Baptist College.

Students who win these \$200 scholarships will not be eligible for scholarships which go to the valedictorians, salutatorians or the highest ranking boy and girl in each graduating class. Valedictorians and salutatorians receive \$100 a semester for four semesters immediately following graduation provided they maintain the scholastic average required of all scholarship holders. Highest ranking Baptist boy and girl in a graduating class, provided they do not qualify as valedictorian or salutatorian, receive \$100 a

semester for three semesters if they maintain the scholastic average required of scholarship holders.

To try for one of these \$200 scholarships a student must report at 10 a.m. on dates listed for one of the three testing centers.

### NOTICE

We, the voters of the Sand Hill community, agree that:

1. Sealed bids on the approximate east three acres of the original Sand Hill School property in the Sand Hill Community be accepted starting May 1, 1959, and ending June 1, 1959.

2. Elected Sand Hill Community trustees have the right to reject any or all bids.

Trustees:

W. L. Miller  
E. B. Noel  
Fred Jackson

### 'LICK AND PROMISE' HOUSEKEEPING

To overcome that haphazard feeling of weekly housecleaning, Margaret Spader, home service editor of the Gas Appliance Manufacturers Association, suggests that you try dividing the house into three or four cleaning areas. Start on Monday with the bedrooms and make the thorough cleaning job last the rest of the week. The next day, tackle the bathroom and kitchen. Save the living room for the end of the week. The cleaning job will be less fatiguing and more interesting when tackled in this manner.

### PLATINUM PLANT EQUIPMENT

Because of their excellent resistance to corrosion, high melting point and strength, platinum and platinum alloys are used by the glass fiber and optical glass industries for various items of high temperature processing equipment.

### CORROSION-RESISTANT STAPLES

Staples used to splice lengths of film prior to processing are being made of Monel nickel-copper alloy because of its resistance to the highly corrosive film-developing solutions.

Dallas Fashion Center Photo

Sportswear by Julie Clark of Dallas is designed to look casual AND feminine at the same time. Crisp sharkskin is cut into trim fitting shorts and gayly associated with a side-tie top. Straw hat and bag from Asbury's summer collections.

## CROSS ROADS REPORT

Dear Editor:

I see where a select committee of U.S. senators has dug up proof that lots of people trying to make a living in the juke box business are being mugged and hijacked by racketeers muscling in on them.

But my boiled blood neighbor says it don't look like Congress aims to interfere with this type of private enterprise, as long as it is carried on legally with paper unions.

Says he notes our brave lawmakers can get pretty sassy with Big Business and Southerners, but are very gutsy about moving against murder, mayhem, etc., when these jolly sports carry a union label.

D. E. SCOTT  
Crossroads, U.S.A.

### NEW AIRBORNE SEARCHLIGHT

A new airborne searchlight, which generates 130,000,000 candle power, provides more light than the total from one million automobile headlamps. To withstand the intense heat generated by the searchlight's carbon arc, the electrode bushings are made of Inconel nickel-chromium alloy.

### MAGNETIC ELEMENTS

Of all the elements on this earth, the only three that are magnetic are iron, nickel and cobalt.

### HOW THE AMERICAN CANCER SOCIETY FUNDS ARE USED

National Division of Funds: 60c of every crusade dollar remains in Texas.

40c of every crusade dollar goes to the National Organization for use as follows: 25c direct to research, 12c for national program development, 3c for fellowships.

### HOW THE TEXAS CRUSADE DOLLAR WORKS

Of every dollar raised in Texas during the April Crusade, (including the 40c of each dollar sent to National, most of which is returned to Texas in form of research and fellowship grants), Texas uses over 90c of each dollar. The Texas Crusade dollar is spent as follows:

30c FOR CANCER RESEARCH — in Texas Research Institutions.

15c FOR PROFESSIONAL EDUCATION — keeping the physician informed of up-to-date developments in care and treatment of cancer.

25c FOR PUBLIC EDUCATION — informing Texans of the cancer's 7 Danger Signals in order that they may guard themselves and their families against cancer. This is a year round constantly expanding life saving program.

7c FOR PROFESSIONAL SERVICE—support of Tumor Clinics and Cancer Registries.

13c FOR LAY SERVICE — providing cancer patients with dressings, loan closet and comfort items, transportation, etc.

4c TO ADMINISTRATION — and program development.

3c FOR CRUSADE—to provide materials for 80,000 Texans crusading for cancer dollars to support the three fold cancer control program — research, education and service.

### ENGINEERING ALLOY STEELS

Free availability of nickel has made it possible for consumers to return to the higher nickel-containing types of engineering alloy steels for establishing applications such as in automobiles, trucks, tractors, aircraft, military equipment, farm machinery and road building and transportation equipment.

### NICKEL PRODUCTION CAPACITY TO INCREASE

The free world's capacity for producing nickel — estimated at 525,000,000 pounds in 1958 — is expected to rise progressively in the next few years. Capacity, it is estimated, will reach about 550,000,000 pounds in 1959, about 600,000,000 pounds in 1960, and about 650,000,000 pounds in 1961.

### MAGNETIZED COWS

Millions of dollars worth of cattle are killed each year by wire and bits of metal eaten with grass and other vegetation. By inserting a small nickel-containing Aunico magnet into a cow's stomach, such scrap metal is permanently kept from puncturing its inwards.

### SCRATCH-ME-NOT WITH ITCH-ME-NOT!

Apply ITCH-ME-NOT. In 15 minutes, if the itch needs scratching, get your 40c back. You feel the medication take hold to quiet the itch in minutes; watch healthy, clear skin come on. Get ITCH-ME-NOT from any druggist for external skin irritations. NOW at BYRD PHARMACY.

# Trinity Church Has Mission Study Meeting

The Women of Trinity Lutheran Church of the Providence Community conducted an all-day Mission Study Class Tuesday, April 28. During the day's activities various means such as visual aids, topic presentations, and personal experience presentations were used to stimulate interest in Christian conversion for fellow Americans in the North American continent. The various countries were studied as an imaginary tour was being conducted. The program began as the stewardess, Mrs. A. K. Windecker, announced that the United States, Canada, Alaska, Hawaii, and Mexico would be toured by air. She proceeded to present each person in attendance with tickets outlining the itinerary, or for the day. After the opening devotions, conducted by Mrs. Weldon Smith, and a map study of the North American Continent by Mrs. A. K. Windecker, the tour began with a visit to the migrants of the United States. Presenting the and Christian concern in regard to these people were Mrs. Bill Sammann, Mrs. O. W. and Mrs. Weldon Foster. Mrs. Leo Boedeker showed a filmstrip, "Crossroads at the Summit," which highlighted the social problem that develops when colored people move into white residential areas. A discussion, conducted by Pastor A. K. Windecker, followed.

The second stop on this imaginary journey was at our northern neighbor, Canada. Pastor Windecker, who has spent some time in Canada, and whose wife was a missionary in Canada at one time, discussed the work of the Church in Canada. From Canada, the group traveled northwestward

to our 49th State, Alaska. Mrs. L. B. Brandes served as hostess for the Alaskan tour. Mesdames R. C. Matthews, Charlie Boedeker, Albert Keim, Paul Stuksey, and A. K. Windecker told of the work of the major Protestant groups of Alaska namely, the Episcopalians, Methodists, Presbyterians, Baptists, and Lutherans. Mrs. Melvin Keim gave a short biography of one of the heroic missionaries in Alaska. A chart stressing our Christian concerns in Alaska was then presented by Mrs. L. B. Brandes.

From Alaska the Mission Study air trip took the passengers to the island, which will soon become our 50th State, Hawaii. Presenting the historical background and the religious circumstances of the people there and the customs of the people was Mrs. E. M. Quebe. Mrs. Wilfred Stoerner gave an account of a convert from Buddhism to Christianity. Colorful slides depicting people and landscapes of Hawaii were shown by Mrs. E. J. Foster.

The noon meal consisting of ham, salads, French bread and desserts, was served from tables decorated with place mats showing the homes of various North American peoples. Favors were in the form of cut-outs representing the various peoples of the continent, napkins with the map of North America on them, and centered with crosses surrounded by flags of the countries under consideration.

The afternoon opening devotion was conducted by Mesdames R. C. Matthews and Arnold Dietrich.

The flight continued with a visit to our nearest neighbors in Mexico. An insight into the history, religion, education, customs, geography, health, economic conditions, and the work being done among the Indians of Mexico was given through the use of visual aids and through the presentation of program topics. Those participating in these presentations were: Mesdames Bill Sammann, Mac Howard, Elmo Schaffner, M. C. Scheele, A. K. Windecker, Tom Word, Virgil Brasher, and Ted Boedeker. A motion picture entitled "Shades of Darkness" was shown pointing out the difficulties encountered by Protestant missionaries in Mexico.

After the presentation of a gift to Mrs. Windecker by Mrs. Wilfred Stoerner in behalf of the Women of the Church in appreciation for the services she rendered in the preparation of the mission study, the closing devotion took place, conducted by Mesdames Ted Boedeker, Ben Quebe, Walter Boedeker, and Pastor Windecker.

Color was added to the day's activities by the authentic costumes worn by many of the participants in the program. The offering received will be used for mission work in our North American continent. Approximately 40 persons were in attendance.

A cavalry horse named Comanche was the only survivor of Custer's Last Stand, according to The World Book Encyclopedia.

## BANK NOTES . . . . . by Malcolm

**DID YOU KNOW?** ONE OF THE WORLD'S EARLIEST BANKS WAS A CATTLE RANCH IN EGYPT AROUND 3900 B.C. CATTLE WERE DEPOSITED AND WITHDRAWN FROM BANK REELS AS USUALLY.

HALLOWEEN MASKS WERE THE HITS OF A RECENT FASHION SHOW. THEN HE DEVELOPED A MANUFACTURING FACTORY THAT HELPS HIM GET A BANK LOAN. TODAY THE MAN WINS HIS OWN FORTUNE AND ALSO MAKES COSTUMES AND CHRISTMAS HANDELIES.

"PHOTOZED" CHECKS THAT BEAR THE PHOTO OF THE ACCOUNT OWNER ARE NOW PROVIDED BY A LOUISIANA BANK.

Dear Editor:

I see where the Russians have got the installment virus and Red citizens are starting to use up now what they hope to take in over the next two or three years, just like two Americans.

My \$1-down neighbor says it looks like some sneaky American saboteur has finally got in a good low blow for democracy.

Says now if we can just stall off war with the Reds a couple of years, by then they ought to be so busy making payments they won't have time to start a fight.  
D. E. SCOTT  
Crossroads, U.S.A.

### NICKEL-CHROMIUM HEATING ALLOY

An alloy of 80 per cent nickel and 20 per cent chromium is widely used for electrical heating elements because of its good electrical properties and ability to resist oxidation and corrosion up to 2150 degrees Fahrenheit.

**NICKEL COINAGE INCREASES**  
The use of nickel for coinage purposes increased by 50 per cent during 1958.

Stainless steels are perhaps the best known and most widely used alloys developed in the past half century. Nickel increases the strength, ductility and toughness of stainless steels, and improves their working characteristics.

## Mr. Cotton Farmer!

May we recommend The Wet Acid Process as the process to be used in chemically delinting your cotton seed.

### HERE'S WHY

1. Seed stays in contact with the acid for a period of 30 seconds or less.
2. Water is used as a neutralizer.
3. Does not eat the bags.
4. Wet and green seed can be safely delinted.
5. Seed can be safely stored and used for a period of several years.
6. Does a more thorough job on regular leaf spot and other seed borne disease.
7. Heat is used only to dry the seed after the acid has been washed off.
8. More uniform planting and faster.
9. More even stand.
10. Quicker emergence.
11. Get bigger yields.
12. Gravity Tables floats out weak seeds.
13. Treating prevents seed rotting even in cold damp weather.
14. No sticks, stems or lint to clog the planter.
15. In warm soil seed will sprout in 12 hours.
16. Less moisture required for germination.
17. For only 1 lb. of lint cotton per acre you can have your seed chemically delinted using the safe Wet Acid Process.

WE STOCK CERTIFIED and NON-CERTIFIED SEED For An Appointment Call The

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The Beacon will be corrected gladly upon being brought to the attention of the editor.

## EDITORIAL

The Father Himself loves you, because you have loved me and have believed that I came from the Father. — John 16:27.

**THE LOCKNEY** community is fortunate to have the efficient and well-equipped medical facilities that we have now. The announcement of the partnership formed in the Lockney General Hospital between Dr. W. J. Mangold and Dr. Pat Williams will be applauded by most everyone since it will assure the community of at least two very capable physicians. All of us appreciate these young men who have dedicated themselves to the relief of human suffering. They are doing a tremendous job. As we said in the beginning — we are very fortunate.

**FARMERS** of the area were pretty well riled up over the hearing before a representative of the Labor Relations Board in Lubbock recently. Reports of high handed methods and Hitler-like tactics were heard on every side. But there is no cause to be surprised. As we understand it, the representative of the Board was merely following the law of the land. Most of us remember back during an Administration that was very popular with most people when the one-sided law passed Congress which allows labor to do just about anything they want to do in a labor dispute including, in a manner of speaking, confiscation of the owner's property. Under the law, labor definitely has a big advantage over the employer and has been known to bankrupt or put out of business those who failed to

comply with their demands. If we don't like the situation we should try to get our Congressman and Senators to change the law — because criticizing the representative of the Labor Relations Board won't help anyone.

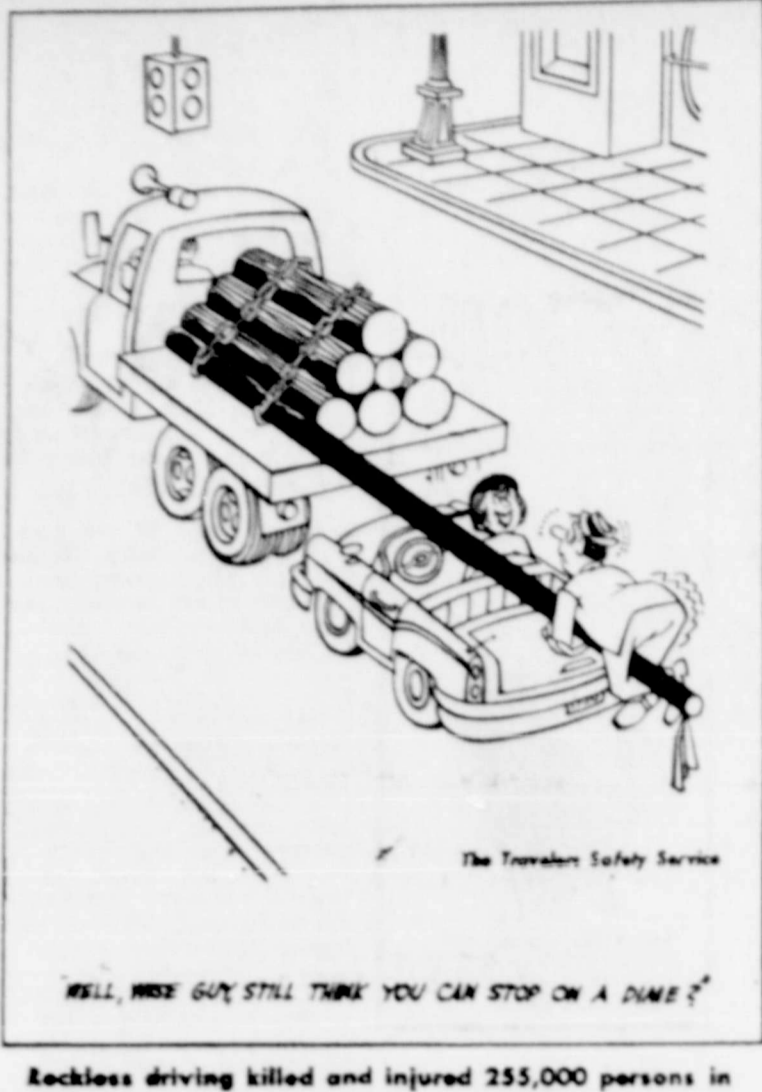

**LOCAL PEOPLE** who wish to do so should get ready to cash in on a demand for furnished apartments, rooms, houses, etc. Already The Beacon office is having calls for living quarters, and the planned construction work in this area is hardly started. When work gets in full swing on widening of Highway 70 there will be a greater demand. It is to our interest that we try to accommodate all the people possible who wish to live here while working in this vicinity.

**SPEAKING** of construction, it appears that this type of work is going to be plentiful in this area for some time. It is practically impossible to find a carpenter who is not committed to several jobs. Several local residents are wanting to build a home if they can find a competent man to do it. In the future we see the possibility of a big school construction job as well as a highway widening job here. All the more reason we should try to develop more rental property.

**Senator LYNDON JOHN-SON** says in his recent letter that about 10% of our national budget goes to pay interest on money the government has borrowed. In other words in the next 10 years we will have paid out the total of one year's national budget in interest and owe no less than we do now. Rep. James C. Wright, a Congressman from Texas, points out that if things go along exactly as they have been without change in the total debt, and the government paying 3 1/2 percent interest on borrowed money, within 28 years we will have paid the total amount of the debt but still owe all of it. If no effort is made to reduce the national debt in boom times, what will happen when the boom bursts?

**THE NATIONAL** Council of Churches is planning a gigantic "peace drive" starting in June. The drive for peace will be made through Protestant Churches and colleges. The drive is being sponsored by the Council's Department of International Affairs, the same group which sponsored the meeting in Cleveland last November that called for U. S. recognition of Red China and her admission to the U. N. Now what we want to know is why a peace drive in the U. S.? No one in this country that we know of wants war. We don't have to be persuaded that war is bad business. Why not make the peace drive in Russia, where the war is likely to be launched if there is one. What would the good brethren have us do? Disarm and leave ourselves defenseless before the

## The Luckless Legion by Irwin Caplan

Rockless driving killed and injured 255,000 persons in 1958.

### With Our EXCHANGFS

**STATE LEGISLATOR**  
When H. G. Wells was elected to the state legislature last year, he had the support of a tremendous majority of citizens of the 89th district. To those of us who were supporting H. G., it was gratifying to see persons of divergent political philosophies all united behind him. It was gratifying in the sense that his chances for election were greatly enhanced.  
At the same time, however, it was quite obvious to many of us that such unanimous support would add to H. G.'s burdens when he got to Austin.  
There are some persons who never support a candidate without strings attached to their support. The candidate barely reaches Austin or Washington before this type of supporter is there making his demands, sometimes quite selfish, with the implied reminder that "I supported you and I expect you to vote like I say — or else."  
We wouldn't be surprised if H. G. hasn't had some supporters with this tendency representing divergent interests.  
There are several problems facing the legislature on which people of this and every other district are divided. One concerns the REA. On one side is REA, while on the other side are the electric utilities and municipalities owning their own power plants.  
If it were REA vs. the big utilities, chances are the problem would be less thorny for H. G. But H. G. is a friend of the REA and also a friend of city-owned utilities such as we have here in Tullia. REA supporters strongly supported H. G. and so did the citizens of Tullia who are interested in their own power plant.  
We'd hate to be in H. G.'s shoes because, like him, we are very much a supporter of REA, while at the same time we have a keen interest in our city-owned light plant which means so much financially to the residents of Tullia.  
Neither the REA people nor those interested in their city-owned power plants (Floydada owns its power plant too) have any exclusive strings on H. G. H. G. owes as much to one group as to the other.  
Regardless of how he votes, H. G. will necessarily offend some.  
This we know: H. G. is honest. He is not obligated to any one group.  
So let's leave it to him to exercise his own best judgment in the light of all facts which are available to him. — H. M. Baggerly in Tullia Herald.

**TEACHERS PAY**  
Teachers should take a charitable attitude toward the Hesperian, despite the fact we don't groan with them over being so poorly paid. We think the teachers are doing about as well as some of the rest of us who they are situated now, and (we think) there wouldn't be any shortage of teachers except for the regulations which the hierarchy itself has wrapped around the profession. Also, we recall a day when a teacher with a \$65 warrant against Floydada School District was a well-heeled gal! What shall we do when they start floating \$500,000 ones? — Floyd County Hesperian.

### HAPPY ENDING?

We should be less than honest if we failed to register approval of the resignation of Mrs. Henry Luce as ambassador to Brazil. The former Clare Boothe, author, playwright, actress and ambassador to Rome can easily be replaced and, if the President looks around a little, by someone more suitable to the task.  
Now if her arch enemy, whose barbed attacks on Mrs. Luce prompted her resignation, will resign from the U.S. Senate, the affair will have a happy ending.  
Latterly we refer, of course, to constantly out-of-step Sen. Wayne Morse of Oregon. — Lubbock Avalanche

### STATE CONSTITUTION

The voters of Texas may be called upon in the near future to say whether or not some important changes should be made in the Texas Constitution," says Senator Preston Smith.  
Frankly, changes are long overdue on this wordy, out-of-date, over-rigid, unimaginative document which has too much space devoted to too little public good—like a ton of feathers.  
Best thing that could possibly be done with Texas' constitution is to junk it and write a new one. The sins of our fathers have visited on too many generations already. — Pat Bennett in Crosbyton Review.

### TEACHERS PAY

Teachers should take a charitable attitude toward the Hesperian, despite the fact we don't groan with them over being so poorly paid. We think the teachers are doing about as well as some of the rest of us who they are situated now, and (we think) there wouldn't be any shortage of teachers except for the regulations which the hierarchy itself has wrapped around the profession. Also, we recall a day when a teacher with a \$65 warrant against Floydada School District was a well-heeled gal! What shall we do when they start floating \$500,000 ones? — Floyd County Hesperian.

**Dear Editor:**  
My hard-reading neighbor says he sees where one state has put a tax on dirt moving, which includes grave digging.  
Says this looks like the ideal tax, as a man sure can't complain about being taxed to get his grave dug, and the state has got a cinch nobody will get out of paying it.  
But I don't figure the tax-laying class is really much interested in single shots like this, except maybe to get back at citizens who foil them by dying.  
D. E. SCOTT  
Crossroads, U.S.A.

## Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

May 9, 1929

The contract for the erection of the new high school building will be awarded Friday of this week. Prof. Biggers returned from Amarillo Friday with plans, specifications and etc. The first unit of the new high school is to cost approximately \$90,000 and an addition of an auditorium will be made when the other \$25,000 of the \$115,000 bond issue is available. Construction is to be completed in time for the next fall term.  
Lockney schools begin closing exercises this weekend with baccalaureate sermon Sunday night.

Thursday, May 2, was Senior Day at LHS. It began with a sunrise breakfast at the E. Royal home. A buffet luncheon was served at the home of Elsie Slarman and at 2:15 they all went to the McDonald farm where they had homemade ice cream. After games of baseball the group retired to their homes and returned to the home of Miss Thomas for games of 42.

The senior class will present their final play May 16 at 8:15 in the LHS auditorium. The play "Adam and Eva" is a three act comedy.  
About 30 juniors chaperoned by sponsor, Mrs. Halthcock, and Mrs. Roy Griffith and Mrs. E. E. Dyer went to Claude's Crossing Saturday for an all day picnic.

May 9, 1947

A hard blowing wind accompanied by torrential rains and hail in some sections did considerable crop damage in this area Thursday night.  
Warren Mathis, 12-year-old

## CRUSADE FOR CHRIST SET IN LUBBOCK MAY 10-17

Churches of Lockney have been invited to participate in the largest interdenominational event in South Plains history, the Crusade for Christ scheduled in Lubbock May 10-17.

The giant crusade to be held in Municipal Coliseum nightly at 7:30, will feature widely-known Howard Butt, business-man-preacher, and a team of outstanding Christian lecturers, musicians and qualified laymen.

More than 287 churches throughout the area have been invited by letter or personal contact, to help make the crusade successful by encouraging attendance from the congregations, to observe prayer hours in behalf of the crusade and to otherwise "spread the word" about the week-long religious event.

Several thousand persons already serving on 10 major committees are hard at work, explained the Rev. Dudley Strain, general chairman of the Crusade for Christ.

More than 80 Lubbock churches are participating in the event and last night a concentrated advertising campaign for attendance, an office has been set up at 2403 College Ave. in which volunteers can obtain passes, brochures, spirit-stickers and other advertising materials.

Howard Butt, who has succeeded in preaching to capacity several sections of the city, is vice president of the Lubbock Super Market chain. He has more than one-third of

HOWARD BUTT  
Businessman - Preacher

his time in crusades and related Christian work.

The other members of the Crusade for Christ team are W. Karl Steele, Director of the Art Department of Wheaton College, Ill.; Fague Springman, Associate Professor of Voice, University of Maryland; Don De Vos, evangelistic music director, of Grand Rapids, Mich.; Gary Demarest, associate executive secretary of the Fellowship of Christian Athletes, Kansas City, Mo.; and Wayne E. Oates, Professor of Psychology of Religion, Southern Baptist Seminary,

## Truett Completes Radar School

Fort Monmouth, N. J. (AHTNC). — Pfc. John P. Truett, son of Mr. and Mrs. John P. Truett, Lockney, completed the 25-week field radio repair course April 23 at the Army Signal School, Fort Monmouth, N. J.

He was trained to maintain and repair radio equipment used in the field to sustain vital communications during actual combat conditions.

Truett entered the Army in June 1958 and completed basic training at Fort Carson, Colo.

The 18-year-old soldier is a 1958 graduate of Lockney High School.

## Recruiting Trips Are Cancelled

Acting Gunnery Sergeant Lester Schimmel, Noncommissioned Officer in Charge of the Marine Corps Recruiting Sub-Station with headquarters in the Post Office Building in Lubbock announced that no routine road recruiting trips will be made (as indicated by recruiting signs placed in post offices, etc.) to out lying cities near the Lubbock area. This is due to transfer of Acting Master Sergeant Arturo C. Candelaria, one of the two recruiters assigned to the Lubbock office.

Applicants for enlistment in the Marine Corps may contact Sgt. Schimmel by phoning "collect" POster 2-8181 in Lubbock to make arrangements for a possible appointment or an applicant may write to Box 127, Lubbock, Texas.

Cities in the following counties are effected by this announcement: Bailey, Lamb, Hale, Floyd, Motley, Cottle, King, Dickens, Terry, Lynn, Crosby, Lubbock, Hockley, Cochran, Yoakum, Garza, Kent, Dawson and Gaines.

Sgt. Schimmel states that this announcement should be effective for a period of less than ninety days. Effected areas will be notified when this condition no longer exists.

## Lewis Finishes Engineering School

Fort Belvoir, Va. (AHTNC) — Army Pvt. Tryon T. Lewis, whose parents, Mr. and Mrs. James T. Lewis, live on Route 7, Lockney, completed the eight-week offset press operation course April 17 at The Engineer School, Fort Belvoir, Va.

He was trained in platemaking, process photography and in the operation of offset presses used to duplicate maps and charts.

Lewis entered the Army in November 1958 and received basic training at Fort Carson, Colo.

A 1957 graduate of Abilene High School, the 20-year-old soldier attended Hardin-Simmons University before entering the Army.

## Hartley Honored At North Texas

Denton — Herbert Hartley of Lockney has been elected assistant treasurer of Theta Chi, national social fraternity, at North Texas State College.

Hartley, son of Charles H. Hartley, Providence, is a junior secondary education major.

## EYE APPEAL FOR MAY MENUS

"Use decorative molds occasionally for foods such as rice, gelatine salads, custards and frozen desserts" says Margaret Spader, home service editor of the Gas Appliance Manufacturers Association. Frozen fruit juice cans, paper cups, custard cups, ice cube trays, mixing bowls and freezer containers can serve as molds. Before unmolding foods, rinse the serving plate in cold water. This facilitates sliding and centering your production.

## PRECIOUS JEWELRY METAL

Palladium, one of the precious platinum group metals, is used for jewelry mountings because it brings out all the sparkle of gems and faithfully reflects their true color and brilliance.

Louisville. Oates is also visiting pastoral counseling professor of Union Theological Seminary, New York.

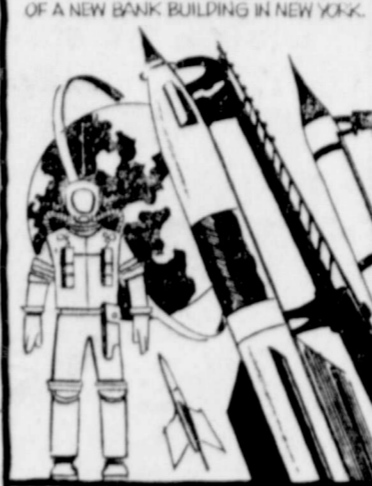

## BANK NOTES . . . . . by Malcolm

### DID YOU KNOW...

BUGS TO DESTROY BARRACON INSECTS WERE THE DREAM OF A LOUISIANA PROFESSOR SOME YEARS BACK. WHEN HE HAD SOLVED THE PROBLEM A LOCAL BANK ADVANCED CAPITAL FOR PRODUCTION. TODAY HIS BUSINESS THRIVES AND INCLUDES THE MANUFACTURE OF HOUSEHOLD PEST CONTROLS.

### GUIDED MISSILES RECENTLY HIGHLIGHTED A DISPLAY AT THE OPENING CEREMONIES OF A NEW BANK BUILDING IN NEW YORK.

CASH WASN'T ALWAYS USED IN THE U.S. IN 1649, A HARVARD STUDENT WHO LATER BECAME PRESIDENT OF THE UNIVERSITY, SETTLED HIS BILL WITH AN OLD COW.

## Sterley News

By Mrs. Virgil Adams

(Delayed) Mrs. David Jones and Mrs. Kathryn Hill of Wichita Falls visited the Duard Reeves family Tuesday.

Mr. and Mrs. Alva B. Sims and children of Apache, Okla., were week end guests in the Paul Hrbacek home.

Mr. and Mrs. E. A. McLeod visited his parents and other relatives at Blue Ridge and McKinney over the weekend.

Mr. and Mrs. Frank Brown and Dale moved into their new home Monday. We wish them lots of happiness.

Mrs. Frank Galloway has been in Lockney Hospital for

about two weeks and is improving. They moved her to the home of her son in Lockney Sunday morning.

Mr. and Mrs. Herman Huffman are visiting Mr. and Mrs. William Wood in Bentonville, Ark., this week.

Ben Kerns who has been sick for about three weeks became worse about noon Tuesday and was taken to Lockney General Hospital.

### SEAGOING ALLOY

Monel nickel-copper alloy is used for many items on pleasure boats, such as propeller shafts, fuel and water tanks and fittings, because of its strength and outstanding resistance to salt water corrosion.

## Jerry McQueen Is On Bermuda

Bermuda (FHTNC) — Jerry O. McQueen, aviation machinist's mate airman apprentice, USN, son of Mr. and Mrs. John O. McQueen of Route 1, Lockney, is serving with Patrol Squadron 49 at the Naval Air Station on Bermuda.

Martin "Marline" seaplane, is a unit of our nation's anti-submarine defense.

### NEW PROPELLER ALLOY

Severe service on Arctic ice breakers, tankers, and other oceangoing vessels has proved that propellers made of a new nickel-aluminum bronze alloy are far superior to those made of ordinary bronze.

## Gift Suggestions

## We put the light in Your window

Had you come 25 years ago young fellow, your light would have been a kerosene lamp. But your Dad and a lot of other folks like him organized an electric cooperative and built their own electric system. It was the only way we could get electricity in our rural area.

Now you are going to have to help guard it. Some people would have you think the government built the system and gave it to us. That isn't true. We borrowed the money and we are paying back our loan with interest. Our cooperative is a business managed, tax paying partnership and we are happy to welcome you as a member. Because the Cooperative brought electricity to your farm you'll lead a healthier, happier life.

Grow strong young fellow. You'll want a light in the window some distant night when your son comes into the world.

**LIGHTHOUSE ELECTRIC COOPERATIVE, Inc.**

# FREE Introductory Offer

One five-gallon can or one case of CO-OP Heavy Duty Motor Oil free when you buy one five-gallon can or one case of CO-OP Heavy Duty Motor Oils at the regular price.

## STATE CAPITAL Highlights AND Sidelights

by Vern Sanford  
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — "They said it couldn't be done. And, sure enough, it couldn't."

This is the attitude of many tired taxpayers toward the session-long struggle to raise \$200,000,000 in new tax money.

As the regular session drew near to a close, House members, in effect, admitted they couldn't agree on a program that would do the job. House sent to the Senate the scraps of selective tax measure (HB 727) and a bill to increase the corporation franchise tax for one year only.

There was off-the-cuff talk among House members of someone's proposing at a later date to solve the problem by cutting the appropriation bill across the board to four per cent less than the 1958-59 budget. This would bring such violent reaction, it was thought, that both lawmakers and their constituents would be more receptive to new tax proposals.

Senate State Affairs Committee has indicated it has no intention of trying to shove through a tax program just to beat the May 12 deadline of the regular session. Full hearings have been promised for all viewpoints.

**FIRE-POLICE BILL PASSES** — House voted 83-to-56 for a bill that would shorten hours of city firemen and policemen.

Senate already has given the bill final passage. After one more favorable vote in the House, it will be ready to go to the Governor.

Opponents tried, unsuccessfully, to get the bill amended to give voters a chance to vote on whether the bill would affect their cities. Supporters protested this would "kill the bill."

**TRUCK BILL SIGNED** — Gov. Price Daniel signed the bill raising the truck load limit from 38,400 to 72,000 pounds.

But he made no bones about his misgivings. He recommended that the State Highway Department and county commissioners court take steps to keep the heavier loads off farm roads and others that might be damaged.

Before deciding to sign the bill, the governor took an unusual step, by calling a public hearing.

State Highway Engineer D. C. Greer testified there were some 5,000 miles of road that couldn't take 72,000-pound loads. Col. Homer Garrison Jr., director of the Department of Public Safety, said more license

and weight inspectors would be needed. Higher registration fees were expected to provide revenue for this.

**17 POTENTIAL GOVERNORS** — Sixteen successors to the governor would be designated in a proposed constitutional amendment that has Senate approval.

Sen. Calp Krueger of El Campo is sponsoring the measure designed to assure a living chief executive in case of atomic attack.

Line of succession would be the lieutenant governor, president pro tempore of the Senate, Speaker of the House, Attorney General, Secretary of State and the chief justices of the 11 courts of civil appeals in their numerical order.

**HOW CLEAN THE COW** — Sen. Grady Hazelwood's bill to regulate milk imports is stirring up more commotion than a short in a milking machine.

Senate passed the bill, and a sub-committee of the House Livestock Committee approved it.

Bill would require that milk brought into Texas from other states meet same standards as those imposed on Texas producers.

Milk producers, who favor the bill, say it will protect consumers from unsanitary milk. Milk producers, who oppose the bill, retort that all states have adequate sanitation standards. They contend the producers are seeking a device for excluding out-of-state milk so local prices can be jacked up.

**BIG YEAR AHEAD** — A forecast of the hubbub that can be expected in the political year of 1960 was seen as the Legislature debated election law changes.

Both House and Senate gave final approval to a bill that would allow a candidate's name to appear twice on the same

run for another Senate term and accept a presidential nomination at the same time, if opportunity should arise. Senate approved unanimously; House, by a 129-to-15 vote. Liberal members, mostly from Houston, objected.

A bill to move forward two months the dates of state primaries and conventions also drew liberal protests. It would move primaries up to the first Saturdays in May and June, state convention to name delegates to the national presidential nominating convention would be last Tuesday in May.

Opponents claimed it was intended to let Senator Johnson get his state politicking out of the way before national convention time.

Changing parties in mid-stream would be outlawed under a bill that has received final approval of both houses. Each poll tax would be stamped "Democrat" or "Republican" the first time a person voted in a primary. For the period he used that poll tax, the holder would have to stick with the party of his stamp, in the primaries and party conventions.

**3 STUDIES SUGGESTED** — Senate has approved three studies to be made by the Legislative Council before the 1961 session.

Recommended for consideration are:

1. Possibility of adding the generously endowed University of Houston to the state college system, sponsored by Sen. Robert W. Baker of Houston.

2. Ways to simplify the tangle of special funds which pay for state government, sponsored by Sen. Calp Krueger of El Campo.

3. Special fees charged by state agencies for licensing and other services, by Sen. Crawford Martin of Hillshorn.

**SHORT SHORTS** — Examinations will be held May 19-21 for 75 vacancies in the Texas Highway Patrol. Those accepted will receive six months training at the State Police Academy, six months on-the-job training, all with pay.

State taxes cannot be collected on beer sold on U.S. military posts, according to an Attorney General's opinion. Similar opinion was made earlier in regard to cigarette taxes.

ballot. It is designed to allow U.S. Sen. Lyndon Johnson to

# Stewardship

This land was my father's. Now it is mine. Often, as I work upon it, the words of Genesis come to me: "In the beginning, God created the heavens and the earth." And I think, too, of those other words from the same Book: "The Lord God took the man and put him in the Garden of Eden to till it and to keep it."

God entrusted the precious soil to us, and it is our duty to use it well. But he gave us stewardship of something even more precious—our souls. Just as we must care for the land, so must we enrich ourselves, spiritually. And the place in which to cultivate our souls is the Church.

Let us take a lesson from the land, which when well used is wonderfully productive, yet when neglected brings only aridity and erosion. Let us care for our spiritual as well as our physical fields. Let's go to church!

Copyright 1959, Kessler Adv. Service, Strasburg, Va.

## THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**H. D. Council Has Saturday Meeting**

Floyd County Council met at Floydada Saturday, April 25, with 21 women present.

Reports on the activities of each club were heard. Mrs. Lynn Miller announced that a meeting of the Year Book Committee chairmen of all clubs on June 23 at 2:30 in the council room.

The citizenship chairman encouraged women to study the draft law regulations affecting our youth. Mrs. Virgil Adams gave a report on what to do in case of tornadoes. Mrs. R. G. Dunlap, chairman of recreation, led the group in a game.

South Plains Senior Club had a very pretty exhibit of pictures, wall plaques, pillows and planters made from odd objects collected and painted copper color. South Plains Junior Club will have the exhibit for the May meeting.

Miss Roggendorf gave a report of the 4-H contest held recently at Floydada and said several boys and girls would attend 4-H Club District meeting in Lubbock on May 16. A suggestion was made that club members write Senator Moffett if they want enriched meal.

**SPEAKS AT McCOY**  
Mrs. Hilburn Casey, Lockney, who is Associational W. M. U. President, spoke to women of the Frenship Baptist Church Monday afternoon concerning the Home Life building W. M. U. women of this district are helping to build for Wayland College.

MISS BETTE JEFFERSON

**Wedding Plans Are Announced**

The engagement of Miss Bette Jefferson, Lockney, and Royce Teague, Hale Center, is being announced this week by her mother, Mrs. Lois Jefferson, and grandparents, Mr. and Mrs. C. L. Calloway, Lockney. Mr. Teague is the son of Mr. and Mrs. Martin Teague of Hale Center.

The wedding is being planned for June 18.

Miss Jefferson is a junior student at Lockney High School and the prospective bridegroom is a graduating senior at Hale Center High School.

**Anderson-Adams Vows Are Repeated**

Miss Patsy Mae Anderson, daughter of Mrs. J. W. Leach, and Johnny Ray Adams, son of Mr. and Mrs. Virgil Adams, were married Saturday morning, May 2, at 10:30 in the office of Justice of the Peace, Ed Griffin, Floydada, who read the ceremony.

The bride was attractive in a white sheath dress with slate colored accessories.

Attending the wedding were Mrs. J. W. Leach, Lockney, Mrs. Virgil Adams and children, Ruby Neil and Gordon, of Sterley Community.

After a short wedding trip the couple is at home in West Lockney.

The bride is a senior student at Lockney High School and will receive her diploma May 28. Her husband attended schools in Plainview and Lockney and is engaged in farming with his father in Sterley Community.

**Baptist Youth Have Skating Party Tues.**

Members of the Intermediate Training Union enjoyed a skating party at Plainview Tuesday evening, April 28.

After skating the group enjoyed a picnic in the park before returning home.

Those attending were Tom McCready, Tommy Musser, John M. Tye, Roy Ford, Donnie Hanst, David Cates, Jan Brewer, Juanella Potts, Nadine Cumbie, Betonia Barnett, Jonita Ferguson, Dixie Ford, Sue Stansell, Jerry Vernon, Jerry Watson, and the sponsors, Mr. and Mrs. Dub Mercer and Tim.

**H. D. Club Hears Legal Information**

Mrs. W. T. Cooper was hostess to the Lockney Home Demonstration Club when it met in her home in Irick Community on April 22 at 2:45.

Mrs. Ross Cooper, president, presided and Mrs. Fred Cooper read the devotional from Romans 2:12-29.

Roll call was answered with something about a foreign country. Mrs. W. T. Cooper, secretary, read the minutes and Mrs. N. S. Abbott reported on the 4-H contests at Floydada April 11.

The following program was presented: "Legal Discrimination Against Women" by Mrs. N. S. Abbott; "When is Your Homestead Not Your Homestead?" Mrs. W. H. Martin.

"Legal Equality" was discussed by Mrs. Henry Bollman who stated: "When you buy or sell property always have the legal papers prepared or checked by your attorney before you sign or put up any money." Does your notary public keep a dated record of all legal instruments that he notarizes? He should.

If your child has you to sign a legal instrument before a notary public, and you do not know what is in it, check with your county clerk, you may have deeded your property to your child without knowing it. Several elderly people in our county have been swindled out of their property by a child, because they did not know that the instrument their child had them sign was a deed to their property.

Those attending were Mmes. N. S. Abbott, Ross Cooper, Oren Cross, W. H. Martin, Henry Bollman, W. T. Cooper and three visitors, Mmes. Bert Vernon, Charlie Cottrell and Fred Cooper.

**El Progreso Club To Have Luncheon**

El Progreso Study Club will meet Saturday, May 16, for a salad luncheon at 1 p.m. in the home of Mrs. C. J. Taylor. The event will mark the closing session of the club year.

The club enjoyed a film parade of Lockney yards at their last meeting April 22 in the home of Mrs. Owen Thornton.

**Dinner Party Held at Golden's Restaurant**

Dr. and Mrs. W. J. Mangold and Dr. and Mrs. Pat Williams entertained with a delightful dinner party Friday night at Golden's Restaurant.

Places were laid for approximately 90 guests at tables decorated with cut flowers.

Following the dinner, games of bingo were enjoyed. Prizes were awarded to the winners.

**NEW ARRIVAL**

Mr. and Mrs. Carroll Johnston of Plainview are parents of a baby boy born at a Plainview hospital Friday, May 1 at 6:37 p. m. weighing nine pounds, eleven ounces. Grandparents are Mr. and Mrs. Lee Sims, Lockney, and Mrs. Odell Johnston, Plainview.

**NICKEL-PLATED STEREOTYPES**

In letterpress printing a thin coating of nickel plating, about two-one thousandths of an inch thick is used to increase the life of the cast plates. By the use of nickel-plated stereotypes, as many as eight or more times the impressions are obtainable without loss of quality.

**NEW BATTERIES GAINING ACCEPTANCE**

Sintered-plate, nickel-cadmium storage batteries are gaining general acceptance in military and commercial aircraft on cross-country trucking fleets, aboard ships and pleasure boats, and in various other applications where reliability and long life are of prime concern.

**God's Word — His Authority**

Abram was 99 years old when God changed his name to Abraham (Genesis 17:1-5.) God also changed Jacob's name to Israel (Gen. 32:28.) He named Isaac, John the baptizer and Jesus before they were born (Gen. 17:19, 21:3; Luke 1:13; Matthew 1:21, 25; Luke 1:31, 2:21.) If there is nothing in a name or one name is as good as another, as some suppose, why did God do all this? These and many other Bible references prove that there is something in a name in the sight of God and should be in the sight of men.

The name "Christian" is the name God gave for members of his church to wear (Acts 11:26, 26:28; 1 Peter 4:15-16.) This name includes the name of Christ, (Christian) the founder of his church (Matt 16:18.) God calls his church the "church of God", 1 Cor. 1:1-2; "body of Christ", Eph. 1:22-23; Col. 1:18; "church of the firstborn", Heb. 12:23; "kingdom", Matt. 16:18-19; Col. 1:13, and "My church" (Christ speaking) or church of Christ (Matt. 16:18). Other names and titles are also given in the Bible to designate His church.

Why not please God by being called only what God calls his people in the Bible. HIS WORD IS HIS AUTHORITY.

By S. A. FREEMAN, Preacher

**Outdoor Living is More Fun with GAS LIGHTS**

AND CONVENIENT TERMS MAKE THEM SO EASY

Family frolic . . . backyard barbecues . . . or just plain neighbors "get together" . . . all are more enjoyable under the relaxing, mellow glow of Gas Light. Graciously inviting with their last-century charm, Gas Lights cast a soft, unobtrusive light that does not annoy your neighbors yet acts as a deterrent to trespassers. They're the ideal illumination for the walk or driveway, by the steps, around the patio or swimming pool. Call Pioneer tomorrow about an installation for your property.

\* UP TO 50 FEET OF GAS LINE INCLUDED IN NORMAL INSTALLATION. WHERE BORING UNDER CONCRETE IS REQUIRED, THE COST IS \$1.00 PER FOOT. TUBING REQUIREMENTS IN EXCESS OF 50 FEET . . . 75¢ PER FOOT.
