

Farm Bureau's Convention Will Be Held Here

The Floyd County Farm Bureau's annual County Convention will be held at the American Legion (Thursday) starting at 7:30 p. m. It was announced this week by officials of the organization.

The new Legion Home is located on the paved cut-off in east Lockney.

Two prizes will be given and officials are anxious that all members attend.

The chief item of business for the meeting will be the adoption of a number of resolutions, which, if adopted, will be sent to the state convention, fixing the state or the state organization. These resolutions were outlined in The Beacon last week and favor a change in the natural resource tax, more accurate classing of cotton, and wrapping of cotton to prevent deterioration in shipment, a change in time limit for filing for gasoline tax refund; opposing the including of underground water in any state wide program, oppose minimum wage laws as applying to farm labor, favoring better public relations for farmers, favoring a farm-to-market road program, and opposing the incorporation of the government into state and local affairs.

Members of Farm Bureau will have opportunity to offer additional resolutions from the floor during the meeting, if they so wish, officials said.

Fleming Speaks

Roger Fleming, secretary-treasurer of the American Farm Bureau Federation, spoke to a District 2 Farm Bureau meeting at the Lubbock Hotel Tuesday, stressing the danger of the present political philosophy of "giving the right to produce."

Some 250 Farm Bureau members heard the national officer warn against the present trend which he said would "slam the door of opportunity shut on commercial farmers."

Fleming warned against centralization of government, which will lead to socialism and possibly communism; the trend toward elimination of competitive enterprise; the power of labor unions; government attempts to control production; inflation; and the loss of foreign markets.

Attending the meeting from Floyd County were L. B. Brantley, Jerry Cooper, Horace Seago, Kenneth Broese, James Taylor, Jim Turner, James Morris, J. R. Finner, Shirley Irwin, Alden Williams, David Battey and Sam Puckett.

Little Lettuce Is Cut Wednesday

The Leon C. Clapp Produce Co. cut a small quantity of lettuce from the Chuck Holmes and Gerald Cardinal field near Sandhill Wednesday morning, but Mr. Clapp said that it would probably be Tuesday or Wednesday of next week before the lettuce harvest gets going in a big way.

The lettuce cut Wednesday was fine quality, Mr. Clapp said. Only about 170 cartons were cut and it was sold for \$2.50 per carton, he said.

Wet weather has delayed the lettuce harvest by some 10 days but the quality has not been hurt, Clapp added. He expects lettuce in this area to be the very best.

Lockney Idle As Other Four Clubs Open 2-AA Play

Four 2-AA teams will play their initial conference tilts this week but the Lockney Longhorns have an open date. The local boys are hard at work preparing for their 2-AA opener at Abernathy next Friday night (Oct. 25).

This Friday night pre-season favorite Muleshoe journeys to Olton in what should be a good battle. The Olton Mustangs are having homecoming this week and could spring a surprise on the Mules. In the other 2-AA encounter, a strong Abernathy Antelope eleven will play at Morton.

Before the season got underway Muleshoe appeared to be the strongest club in this conference. Now the race seems wide open with Muleshoe, Abernathy, and Lockney having a good chance. And Olton and Morton seem capable of knocking off any of the other clubs in the well-balanced district.

The Longhorns extended their record to four wins in six outings last Friday when they downed the Slaton Tigers, 24-14. The Slaton boys proved stronger than expected although Lockney has played better games this season, local coaches thought.

Coaches praised Joe Allard for playing his best game last week. Bill Mangold and Johnny Belt were also singled out for their performances against Slaton.

Lubbock Newsman Will Speak To Lockney Rotary

Dudley Repp, a member of the staff of the Lubbock Avalanche-Journal, will speak to the Lockney Rotary Club Friday noon in observance of National Newspaper Week, which is October 15-22.

The club meets at Golden's Restaurant at 12:05 noon each Friday.

To Attend Student Council Area Meet

Several members of Lockney High School Student Council will attend an area meeting at Seminole Saturday of this week.

Those planning to make the trip are Oyama Buchanan, Donald Ivie, Carolyn Merrell, Nancy Jo Schacht, Carolyn Belt, Nancy Webster, and Troy Lemley, sponsor.

Scout Pow-Wow To Be Held Saturday

There will be a Cut Scout leaders "pow-wow" in Plainview Saturday afternoon, Oct. 17, beginning at 2:00 p. m. The pow-wow, under the direction of Haynes District Scouters, is an advanced training course for all Cubbers. The course includes handcraft, pack administration, ceremonies, stunt skits, games, plenty of fun and lots of exhibits. All leaders, men and women, are urged to come to the First Methodist Church, 222 West Seventh Street in Plainview for this fine cubbing experience.

NEW ARRIVAL

Mr. and Mrs. Revis Harris of Crowell, Texas, are parents of a baby daughter who arrived Monday, October 12, at 7 p. m. She had not been named when friends here received the announcement Monday night. The Harrises made their home here before moving to Crowell in August. They have a daughter, Linda, 15, and a son, Bill, 12. Grandparents are Mr. and Mrs. E. R. Harris, Lockney, and Mrs. Will Sims, Floydada.

Farm House Is Destroyed By Fire Wednesday

A farm house, occupied by the Hugh Latham family, located two miles northwest of Sandhill Store, was completely destroyed by fire about 10 a. m. Wednesday. The fire started in the bathroom of the five room frame structure but its origin was unknown. The Beacon was told.

The Latham family lost all of their furnishings and most all of their clothing in the fire, according to Mrs. Hillery Shurbet of Sandhill. The Lathams have five children.

Latham is employed by Johnny Miller and the house was located on the Les Stringer land.

Bank Deposits About Same As Year Ago

There is little change in bank deposits in the First National Bank of Lockney from the year ago standing, according to the statement of condition published in The Beacon this week.

Demand deposits are slightly higher than one year ago while total deposits are slightly lower.

The current statement, issued as of close of business on October 6, show demand deposits to be \$2,590,218.43 compared to \$2,573,553.06 at the close of business on September 24, 1958, an increase on the current statement of \$16,665.37.

However total deposits show a loss over a year ago, with current total deposits standing at \$3,515,695.83 compared to \$3,624,088.97 a year ago. This is a loss of \$108,393.14.

Cash on hand is shown currently at \$657,248.49 compared to \$702,467.00 a year ago. Loans and discounts are listed at \$2,222,956.37 currently compared to \$2,212,018.50 a year ago.

Capital accounts, including capital, surplus and undivided profits, are listed currently at \$344,412.00 compared to \$424,420.45 a year ago.

Noted Game Hunter To Speak Tues. Nite

Warren Wilbur, world famous big-game hunter, will show pictures and give a narration of his recent African safari at an Associational Brotherhood meeting at Plainview Baptist Church Tuesday, October 20. The meeting which is open to the public begins at 8 o'clock in the evening.

Wallace Allen of Miami, Oklahoma, former Lockney resident, is a neighbor of the wealthy hunter and will accompany him to Plainview for the meeting. He recommends the program to be one of the very best of its kind, according to information received by his friends here, and he is looking forward to seeing many of his former classmates and neighbors from Lockney at the Tuesday evening event. There will be no admission fee.

Ayres, Copeland Delegates To Dallas

Mrs. Nora Ayres and Mrs. Arla Copeland were elected Tuesday evening at the regular Parent-Teacher meeting to attend the State P.T.A. Convention in Dallas November 18-20. They are teachers in C. N. Townsend Elementary School.

The election of delegates preceded an educational program presented by Mrs. Pauline Walker of Rails. Mrs. Walker showed slides and spoke on her recent world tour.

Choral groups from High School and Junior High were presented under the direction of George E. Arthur, and Miss Janis Carthel, soloist, sang "Think on Me".

Attend Funeral For Brother-in-Law

Mr. and Mrs. Clayton Weathers attended funeral services Tuesday in Eldorado, Okla., for their brother-in-law, O. W. Farley, of Oklahoma City. Mr. Farley was 81 years of age and had been in ill health several years. He became critically ill two weeks before his death.

A long time resident of Eldorado, Mr. Farley engaged in the grocery business before moving to Oklahoma City a few years ago.

Survivors include his wife, one son and four daughters. Mrs. Weathers, Miss Thelma Thompson, Plainview, and Mrs. Ella Turnbough of Meadow are all sisters of Mrs. Farley. His sisters-in-law and brothers-in-law were present.

Others in attendance from this area were Miss Mayme Lou Rayburn, Plainview, Mr. and Mrs. Carl Weathers of Kress.

One Injured In Two Automobile Accidents Here

Two auto accidents over the week end resulted in injury to one person. Mrs. E. T. Pratt of Brownsville, Texas, who is visiting friends here, suffered a fractured knee cap Sunday afternoon about 5:30 when her 1953 Plymouth sedan rammed the side of a 1956 Pontiac driven by Miss Elia Flores. The accident happened a mile south of the J. R. Belt home at an intersection of a paved farm road and a dirt road. Miss Flores suffered a cut lip. Riding with her was her sister, Olivia.

Mrs. Pratt was traveling east on the dirt road and Miss Flores was going north on the paved road when the cars collided. The Flores car continued on down the paved road some 20 feet then angled out into a cotton field, traveling almost a city block before it came to a stop. Investigating officers said the driver in her excitement had her foot on the accelerator instead of the brake. Highway Patrolman R. C. Dunn and Troy Porterfield investigated the accident.

No one was injured Saturday night when a 1948 Chevrolet Pickup driven by Sanford Flores rammed the side of a 1959 Chevrolet sedan driven by Jene Carol Phillips, daughter of Mr. and Mrs. D. J. Phillips of Lone Star. Miss Phillips was traveling east on Farm Highway 97 and Flores was going south on Farm Road 598. Deputy Sheriff Bill Tigert, who investigated the accident, said that Flores failed to stop at the stop sign at the intersection. Damage to the Phillips car amounted to almost \$400.

Floydada "B" Frosh Squads Here Tonnite

Floydada freshman and varsity "B" squads will battle local teams tonight (Thursday) on Mitchell-Zimmerman Field.

The Longhorn "B" eleven, coached by Troy Lemley, is undefeated in four games, but had a tough time with the Floydada boys before winning 14-6 in an earlier contest. The local freshmen will be gunning for revenge against Floydada which beat them, 14-6, earlier in the season.

Lockney's "B" team had an open date last week. The Olton frosh unit had a scheduled contest with the local frosh last Thursday night but cancelled the encounter.

Powder Puff Bowl Game Is Friday Night

Taking advantage of the Lockney Longhorn's open date, a Powder Puff Bowl game has been scheduled for Friday evening on Mitchell-Zimmerman Field here. The contest will see the girls of the Senior Class in Lockney High matching brain and brawn with those of the Junior Class in a regulation football game. Boys' rules will be used, the promoters say, and the girls have been working out for the past two weeks getting in shape for the battle.

Game time is 7:30 p. m. and admission will be fifty cents.

The Senior team will feature such athletes as Donna Workman, Jody Pate, Eleanore Baxter, Jeannie Boyter, Donna Dorman, Corrine Sanchez, Lorraine Gomez, Sandra Thompson, Rita Falls, Dee Dorman, Pat Gray, Donna Baughman and possibly others.

The Junior line-up includes Marcia Minter, Marie Harris, Gayle Kendrick, Eulalia Sanders, Gay Roberson, Kim Mickey, Karen Brown, Donna Smith, Frances Jones, Jackie Frizzell, Gladys Matthews, June Caldwell, Nancy Schacht, Mertie Lewis, Bertha Amaya, Charlotte Taylor, Janice Boedecker, Jane Carol Phillips, Maxine Vanek, Glenda Hardin and others.

Coaches for the Senior girls are Jake Wofford, Terry Clark and Oyama Buchanan. Lewis Eiland is water boy and James Davis is manager. Senior cheerleaders include Vincent Felly, Ronnie Hayes, Ricky Dollar, Garland Sams, Jack Ford, Majorettes will be D. K. Jackson, Dwayne Wilson, Don Smith and Doyle Poole.

The Junior coaches are Wayne Cooper, Mickey Musley, Doyle Freeman and Bill Mangold. Cheerleaders are Freddie Gant, Billy Dan Rolling, Joe Allard, and Warren Mitchell. Majorettes will be Jerry Sams, Benny Crank, Johnny Willis and Rodney Rigby.

Miller Buys Housing Site

A deal was completed Wednesday wherein Bob Miller, local insurance and real estate dealer, purchased the housing development site in the Sims addition in West Lockney from Horton Howell and W. B. Cates.

The deal included 18 building sites in a restricted building area. No improvements have been put on the ground as yet but paving of the streets and the installation of curb and gutter is expected to start within a week. The City has agreed to lay water and sewer lines to the site.

The area has been approved by F. H. A. for housing loans, and the sites will be offered for sale, Miller said. He does not plan to do any building himself.

Science Teacher Is Well Received At Lockney High

"If I am as well received in all schools as I have been in Lockney, I will certainly have a pleasant year," stated Charles Compton, traveling science lecturer, who spent last week in Lockney High School.

"The students have been very courteous, co-operative and interested. You have one of the finest student bodies I have ever had the privilege of working with," he said before leaving.

Compton's visits to high schools over the country are sponsored by the National Science Foundation and Oklahoma State University. Only a few schools are privileged to have one of these traveling science instructors each year. Lockney was one of 29 schools selected out of 85 applications. Supt. H. H. Nicholas, High School Principal F. M. Smith and Edward Babitzke, science instructor, worked together in securing the week of special instruction.

Compton is one of 20 persons who are working in eight states in the South and West. Purpose of the lectures is to create additional interest in science and mathematics. Compton is a teacher in Andrews Schools during his regular teaching periods.

Mr. Smith hopes to be able to repeat the program in the local schools within a year or two.

Cotton Harvest Starts Again With Clear Sky

Cotton harvest was getting underway again in a few fields Wednesday afternoon after the sun came out Tuesday afternoon and shown brightly all day Wednesday. Damp, cloudy weather Tuesday morning brought the harvest of both cotton and feed to a stop.

It is still too wet to cut grain but some farmers were pulling cotton Wednesday afternoon and others were expected to start Thursday if the clear weather holds.

A low temperature reported at from 33 to 38 degrees here Tuesday night and early Wednesday morning failed to bring any frost to speak of but a frost with the temperature standing at 38 degrees last Thursday night killed some cotton in low places. The Beaumonties compared to 3316 on October 1st. In Lockney proper the four gins have turned out 3302 bales compared to 1660 two weeks ago.

Gin men say that most everyone has all the hands they need, although there are still a few needing hands who do not have housing for them. Many farmers are waiting to strip their cotton. Many Mexican bruceros are in the area to assist with the harvest as well as Mexican citizens of the state.

The moisture Tuesday amounted to only a trace here but as much as 2 of an inch was reported north of Lockney.

Lions District Governor Visits Lockney Club

Glen Jones of Anton, Texas, District Governor of District 27-2, Lions International, was a guest of the Lockney Lions Club Monday evening on his official visit to the local organization. He was accompanied by "Smookey" Hewitt of Plainview, Lions Zone Chairman. The meeting was held at Golden's Restaurant.

Lions President Chester Mitchell introduced Jones, who reported on the annual District Governors meeting in New York and the progress of the Lions' Home for Crippled Children in Kerrville. He also explained the operation of the program for the blind as sponsored by Lions Clubs.

Business of the club included the appointment of Joe Handley as Lion Tamer of the local club, replacing Howard Cooper, who has moved away. Also Tom Simpson was named a director replacing Don Hatch, resigned. Earl Minter and Dillon Patterson were named as a committee to work with Mrs. Elsie Peckham, school nurse, to investigate problems of school children needing glasses. Securing glasses for needy children whose parents are unable to provide them is a yearly project of the Club.

The Lockney Club will observe ladies night at their next meeting, which will be Monday evening, October 19, at 7:30 o'clock at Golden's.

First Report Shows 84% White Cotton On Plains

Lubbock — The first Texas High Plains Cotton quality report of the 1959 cotton crop was released today by Geo. W. Pfeifferberger, executive vice president of the Plains Cotton Growers, Inc., and showed quality factors of what may be the second largest crop in history from the Texas High Plains.

Pfeifferberger explained that the quality report is mailed to cotton buyers throughout the nation in an effort to keep them posted on yield, quality and character of the 1959 crop as it is harvested. This was the first report this year. Issued semi-monthly, reports will be continued through the harvest period. Each report consists of an explanation and six tables giving correlations between grade, staple, micronaire and tensile strength of the cotton harvested.

In the first 1959 report white cotton accounted for 84 percent of the crop ginned thus far — approximately 100,000 bales — and 82 percent was middling white and above. Light spots totaled 15.3 percent with 15.2 percent middling light spot and above. Full spotted cotton was only 0.1 percent.

Average staple length was just about 31-32 inch with approximately 31 percent being one inch and longer. Only 19 percent fell below 15.16 inch. The micronaire average was 4.2 with 95 percent above the tenderable limit of 3.5. Fiber strength averaged 76,000 pounds per square inch with 53 percent between 75,000 and 90,000 pounds.

Pfeifferberger said that some of these reports also are mailed to cotton firms abroad. "We believe this is a good way to interest more buyers and mills in Texas High Plains cotton. It gives them correct and current data," he concluded.

Thou hypocrite, first cast the beam out of thine own eye; and then thou shalt see clearly to cast the mote out of thy brother's eye.—Matthew 7:5.

ONE WONDER what it takes to make a majority. A majority of a precinct can vote in liquor but the majority of a county can't vote it out, according to a recent decision of the State Supreme Court. When is a majority a majority and what did the Supreme Court have in mind? Perhaps the people of Texas ought to take a look at the judges who make up the State Supreme Court. What has caused the change in the interpretation of the law? For years it was accepted that a county could vote dry if it so desired but now we find that any part of a county can overrule the wishes of the majority of that county. Whatever the law says we do not believe that this interpretation was the original intent of the law makers.

CREDIT IS DUE the Grain Producers Association for their efforts to help themselves through the development of foreign markets. Attention is focused on their efforts this week as the feedgrain team from Great Britain is visiting in this area as guests of the High Plains organization. Purpose of the visit, of course, is to sell the British people on the use of grain sorghums. But that is not the only project of the association. They have selling projects going in Italy and Greece also. The Grain Sorghum Producers Association deserves and ought to have the support

OFFICIAL MEMORANDUM

By
 PRICE DANIEL
 Governor of Texas
 Austin, Texas

Greetings: Throughout the United States, National Newspaper Week will be observed October 15 through 21. Theme of this twentieth annual observance is "Your Newspaper... Freedom's Textbook."
 This is an appropriate reminder of the fact that a free press is one of the foundations of American democracy. The free flow of information to the public is essential to the preservation of our American way of life, yet this privilege is too often taken for granted by a people accustomed to individual freedom. When our forefathers guaranteed the right of Americans to own and control a printing press without government subservience, they assured us a right often denied people of other countries. It is a right we must preserve and protect.

Our free American press stands today not only as the guardian of our freedom, but also as a shield against our own complacency and indifference. THEREFORE, I as Governor of Texas, do hereby designate the week of October 15-21 1959 as **NEWSPAPER WEEK** in Texas, and urge due recognition by all citizens of the contributions of a free press.

In official recognition whereof, I hereby affix my signature this 11th day of October, 1959.
 Price Daniel
 Governor of Texas.

of every farmer who grows grain sorghums because of their efforts to develop markets for the grain. That is a farm program that will succeed.

EDITOR DON ROBINSON of The American Press observes: "Having kept up fairly well with the so-called progress of our educational system in small-town America, as reported in country newspapers, I am becoming increasingly convinced that all the fancy school buildings, the demands for more and more extra curricula facilities, the unimaginative requirements for teachers, and the insistence upon higher education for all nit-wits, has resulted in little progress... In my opinion, a group of fifteen or twenty children, gathered together in a small building for the sole purpose of learning, and taught by a teacher who is more concerned with their welfare than her own, would still get a much finer education than is available in our present million-dollar monuments to learning."

NATIONAL REVIEW says that Khrushchev didn't believe a Nixon statement that there are more than 60,000,000 cars in this country. The statistical fact: World car population is 111,000,000, of which 67,000,000 are ours.

With Our EXCHANGES

(Editor's note: The following was published in a farm magazine, clipped and sent to The Beacon with the request that we publish it.)

AGRICULTURE RELATIONS IS YOUR JOB!
 The farmer today—is at the crossroads.
 He faces a crisis. And yet, his public relations... his rating with the general public... is at the lowest point probably in history.
 He and his problems... are among the least understood within our community and nation.
 I'm a newspaperman. I'm a partner in my newspaper's ownership.
 Therefore, I'm a businessman as well as a newspaperman. Here's what I see:
 It doesn't take much arithmetic to understand that farm dollars are one-fourth of my country's entire buying income.
 And I see that the farmers... all of 'em... are businessmen with intricate problems in planning, and in operations and marketing second to no other business.
 Yet today, the farmer as you and I know him here has got the fight of his life. And he has become a whipping boy—a whipping boy and a laughing boy—for those who don't know or don't care.
 You can spread the blame in

rel price stable.
 We should be concerned with the quick tax writeoff of millions of dollars to large firms, like electric corporations, who make capital improvements... the millions in Government cash which go into aircraft manufacturing... the Government guarantee on FHA house loans that really put the housing industry in a billion dollar boom by underwriting its financing.
 I make it plain—absolutely plain—that I speak not for nor against any parity or price support formula for any phase of agriculture.
 But agriculture is important enough for every businessman, like me, to pull his head from the mud and understand that the farmer is not the only business with subsidy assistance.
 And that in the last 50 years, for every \$1,000 the Government spent for subsidies, the farmer got only \$5—or 1/2 of 1%.
 Like I mentioned in the beginning, the farmer can't shirk all the blame for his poor public relations.
 And it is up to him if it gets better.
 His starting point is right at home on his own farm, in his own community, where his friends and neighbors know him best.
 At the same time, the farmer must make a move for unity of purpose—first in his home community, even through other regions and across the nation.
 In my county, there are two farm organizations—each one far apart in the path for solving farm problems. Each has its own membership campaign, each has its own contradicting literature and publicity data. Each has a chip on the shoulder for the other.
 If we can't hammer out at least one basic course at home among farmers, how in heck can the businessman, like me, or the big city industrialist... the metropolitan newspapers... the union members... the congressmen and senators... how can they understand and develop a basic course for the farm?
 We get our government, our highways, our libraries, our churches, our schools, our police and fire protection, our phones and electricity, our post offices and mail routes, our convenient time-and money-saving shopping facilities... we get these not just from a businessman, alone, nor from a single farmer, but by businessmen and farmer working, planning, pooling, and sharing together. It's a two-way street.
 It is fast losing the identity

of town community or rural community.
 Instead, it is becoming a countywide community—a countywide community in business, industry, agriculture, and culture.
 Each is important—one to the other.
 Each gains in respect and in understanding with the other by working together.—Joe Bell, Editor, Colorado City Record.

CROSS ROADS REPORT

I see where Pres. Ike is studying about passing the hat amongst the better heeled nations so as not to hog all the blessings of giving to needy countries.
 My optimistic neighbor favors this move, on account of at least the people we hit up for help will maybe take the hint and quit counting on the U.S. to pick up their deficits.

Says he uses a similar plan to keep borrowing neighbors at bay. When he notes the "\$5 until payday" gleam in a friend's eye, he puts it out by mentioning his own need for \$10.

October 17, 1929
 D. C. Lowe Sr., has been appointed by the city council to collect delinquent taxes prior to 1928.
 Mrs. W. W. Brown and H. M. Mason were hostesses a party for ten tables of hot Tuesday in the Brown home. Plans are in readiness to celebrate the opening of new City Auditorium. A day program will mark event.

October 17, 1947
 Mrs. Conrad Frey, wife of C. Frey, formerly of Lockney, passed away at her home, Wichita Falls Saturday morning. Funeral services were held in Wichita Falls Monday afternoon in San Antonio. Mrs. Frey was 73 years old. She had owned a farm north of Lockney.

Rava Nell Turner, 12-year daughter of Mr. and Mrs. A. Turner, was painfully injured Tuesday night when the big she was riding crashed into rear of a parked truck.
 A freak accident at the view airport Sunday afternoon badly damaged a Plymouth sedan belonging to O. C. Ball of Lockney, as well as the plane. Mr. and Mrs. Ball suffered slight bruises and narrowly escaped more serious injuries. The accident happened when a student pilot taxied the plane into the side of a car in which the Baileys were sitting. Both doors of the car were caved in and the body otherwise damaged. The plane was not badly damaged, belonged to James Miller.

Cotton
Many fields over the county have looked like they have been treated with a desiccant when nothing has been applied. This situation has been observed all over the South Plains. The Research people do not know for sure what it is but it has something to do with temperature and the weather conditions we had during the last of September and the first of October. Cotton on dryland

and irrigated cotton that is a little dry and thick stands of cotton seem to be affected the worst, which seems that soil moisture had some effect. As we find out we will try to give you the information.

Farm Machinery

To the farm machinery that we will not be using until next year it is a good time to clean them up, make any repairs necessary and paint smooth surface with rust preventives. A small job fixed now will save plenty of time later. Irrigation engines should either be drained or antifreeze added if this is your program to prevent damage.

4-H Club Work

Plans are being made for the organizing of a County 4-H Council. This group of boys and girls will plan and take care of the County Wide events and will be represented by two members from each club. Plans are under way for the county 4-H Achievement Banquet in November.

**New Plymouth
And DeSoto To
Be Shown Friday**

Maggard - Nall Motor Company, 307 West 6th Street, Plainview, will show the 1960 model Plymouth and DeSoto Friday of this week, October 16th.

The new Plymouth is advertised as "The Solid Plymouth" because of its "unit body" construction. The body is made in one single unit, all welded together just like airplane bodies are made. This gives more strength per pound of structural material, and more room inside the unit, according to Chrysler Corporation.

The new "unit body" not only gives the car more strength and room inside, but it affords a new solidity and a glider-like kind of smoothness in riding, the makers say.

The public is invited to come in and view the new model Plymouths and DeSotos Friday at Maggard-Nall. The firm is owned by two former Lockney men, Leighton Maggard and Hall Nall, both reared here and both being graduates of Lockney High School.

Winds in a hurricane seldom go over 150 mph, according to data compiled by the Navy's Hurricane Hunters. Average hurricane winds are 120 mph in the inner areas, tapering off to 40 mph on the outer edge of the storm.

ENTERS HOSPITAL

Elroy Thomas left Monday for Fort Lyon, Colorado, where he entered the Veteran's Hospital for prolonged treatment of a serious stomach ailment. He was transferred from the Veteran's Hospital in Amarillo where he spent last week. Mr. Thomas was a Japanese prisoner of war for some time during World War II. His wife, the former Evelyn Beth McCollum, and their five children will make their home with her mother, Mrs. J. H. Widener, while he is away.

SHRIMP BOIL FOR IMPROMPTU PARTY

Shrimp's in season. Cook it often and cook it fast. For a big crowd, use a giant burner on your range. But, the Gas Appliance Manufacturers Association advises, stop the cooking the minute the shrimp turns pink. Serve it steaming hot on a large platter lined with colorful towels to catch the drippings. It's permissible to let guests shell the shrimp as they eat it.

It's Cotton Harvest Time!

Yes sir, we're harvesting cotton on the High Plains of Texas as well as down on the Mississippi and that's the point we want to make: The High Plains of Texas is now the biggest producer of cotton in the United States, stealing the title away from the Mississippi region.

Since this is the biggest cotton producing area in the United States, it behooves us to think more about this fleecy staple which means so much to our economy. Let's be more conscious of our buying and insist on cotton whenever practical. When you buy clothing, ask for cotton. It's stylish, it's durable, it's comfortable. What more can you expect? Cotton has everything you want.

JANIS WIDENER BECOMES BRIDE IN FORMAL RITES

At sunset, Saturday, October 10, before an altar of gold lighted candles in the sanctuary of First Methodist Church, Miss Janis Juanita Widener exchanged wedding vows with Ray Dean Fleming of Friona. The impressive double ring ceremony was read by Minister Paul Epps of Tenth and Utica Church of Christ, Plainview.

Parents of the bride are Mr. and Mrs. Loyd Widener, Lockney. Mr. and Mrs. Raymond Fleming, Friona, Texas, are parents of the bridegroom.

The altar was centered with a kneeling bench flanked by palm trees and backed by spiral candelabra holding 14 gold tapers. Flanking these were three seven-branch cathedral candelabra. White satin rope draped from candelabra to candelabra, all of which were accented with an arrangement of brown and gold pom mums. The bridal aisle was laid with a white runner and flanked by double branched candelabra holding gold tapers and tied with gold satin ribbon. Adding to the solemn beauty of

the altar scene was the church's magnificent stained glass window portraying Christ.

Mrs. Charles Record, organist, played the traditional wedding marches and accompanied Minister Paul Epps, soloist, who sang the couple's chosen wedding songs, "O Promise Me" and "Whether Thou Goest". He sang "Bless This House" as the pair knelt for benediction.

Given in marriage by her father, the bride wore an imported gown of Chantilly lace and net over taffeta designed with a molded bodice flecked with frosted iridescent sequins and tiny seed pearls. The Sabrina neckline was scalloped and the long sleeves tapered to soft petal points over the hands. The waistline terminated in a point at center front and was attached to a magnificent skirt floating into a billowing chapel train. She carried a white orchid nestled in a cascade of staphanotis accented with long white streamers tied in dainty love knots. The bouquet rested atop a white lace-covered Bible, a gift from the bride's grandfather, the late J. H. Widener. Her fingertip veil of silk illusion fell from crown of seed pearls.

For the traditional something old, the bride carried a hamp kerchief belonging to her great grandmother, Mrs. D. T. Petree of Abilene; new was a strand of pearls, gift from the bridegroom; borrowed from Mrs. Don Reeves was the lace cover for her Bible, and blue was a garter. For luck the bride wore in one shoe a penny bearing the date of her birth, and in the other a penny with the birthdate of the bridegroom.

Attendants

Miss Virginia Caldwell of Lubbock was maid of honor and Mrs. Gail Wilson was matron of honor. They were dressed identical in sheath dresses fashioned of gold satin with an empire waistline and featured a boat neck which dipped low in a v in back. Cumberbunds tied in back formed long draping bows. They wore tiny crowns which held circular veils of brown tulle flecked with seed pearls. Their shoes and gloves were of matching shades of brown and they carried bouquets of brown mums arranged in foliage and net showered with satin streamers.

Bridesmaids were Mrs. Don Reeves, Amarillo, sister of the bridegroom; Miss Anita Durham, Plainview; Miss Kay Golden, Friona; Mrs. David Frizzell, Mrs. Jerry Mickey, all of Lockney. They were dressed identical in dresses of brown satin designed like those of the honor attendants. Their crown veils were gold as were their other accessories. Their bouquets were of gold mums.

Best man was Pat Roberson, Albuquerque, N. M. Groomsmen and ushers were Loyd Widener Jr., brother of the bride; Eldon Come, Elk City, Okla., cousin of the bridegroom; Joe Beall, Albuquerque, cousin of the bridegroom; Don Reeves, Amarillo; and Wesley Burnett of Friona. Head ushers were Jack Dunlap of Lubbock and Bomar

MRS. RAY DEAN FLEMING

Stacy, Friona.

Miss Kim Mickey and Mrs. Jerry Don Smith, Memphis, cousin of the bride, were candlelighters. They were dressed identical to the honor attendants.

Miss Susan Richards, Memphis, cousin of the bride, was flower girl. She wore a gold satin dress and a headpiece of gold and brown baby mums.

David Widener, cousin of the bride, was ring bearer and Bobby Richards also of Memphis rolled the white carpet for the bride and her party to enter.

Miss Loy O'Brien secured names for the guest book at the wedding.

For her daughter's wedding Mrs. Widener wore a beige lace dress designed in princess lines with crepe accenting the neck. Her hat was brown satin with gold sequins. Mrs. Fleming wore an olive green two piece suit with a black featured hat. Both wore a corsages of gold mums.

Reception

Following the ceremony, guests attended a reception in Fellowship Hall of the church through an entrance lighted with gold tapers. Hosts were parents of the bride, Miss Gayle Rucker presided at the register table which was accented with large brown and gold mums arranged in a brown shell bowl.

The couple was assisted in receiving by their parents and members of the wedding party.

The bride's table was covered with a peccan colored linen cloth overlaid with champagne lace and centered with pompous arrangement of brown and gold mums, gold candles, autumn leaves and white pearl hearts. The towering three tiered wedding cake was divided with stately columns and beautifully decorated with brown and gold. Napkins were peccan brown. The punch bowl was of antique bronze and the cake server, forks and wedding knife were of bronze gold, handmade in Thailand and imported from Honk Kong as a gift to a friend of the bride. Other appointments were of gold.

Mrs. E. J. Foster was in charge of the reception arrangements. She was assisted by Mmes. Mack Richards, Memphis, J. C. Widener, Cleon Wylie, Jim Reynolds, Gene Handley, Dick Whiteley, Mondell Mills,

J. L. Lovvorn Home Scene Of Luncheon

Lone Star Home Demonstration Club met Tuesday, Oct. 6, for a covered dish luncheon and program at the home of Mrs. J. L. Lovvorn.

Mrs. M. A. Boone demonstrated how to make plastic flowers and Miss Phyllis Roggendorff gave a demonstration on "Lighting for Work, Reading and TV."

The following new officers were elected: president, Mrs. Bailey Henderson; vice president, Mrs. Clois King; secretary-treasurer, Mrs. W. D. Nance; Council delegate, Mrs. H. G. Hodges.

Present for the meeting were Mmes. E. O. Barrett, C. L. King, Raymond Teeple, Ruby Merriek, H. G. Hodges, W. D. Nance, Bailey Henderson, J. L. Lovvorn, Hubert Frizzell, Clay Mercer, members; and two guests, Mrs. M. A. Boone and Miss Roggendorff.

Next meeting will be Tuesday, October 20, in the Raymond Teeple home.

GO TO CHURCH SUNDAY.

O. C. Allison, Bob Miller, Leroy Durham, Bill Crisp, Norman Caldwell, Oscar Golden, Glen Kinard and Kenneth Wofford. Also Misses Charlyne Brown, Hope Cox, June Caldwell, Linda Gammage, Eleanore Baxter and Jackie Frizzell.

Miss Janice Boedecker played piano music.

For going away the bride chose a green and brown tweed suit with pink trim. Her shoes were pearlized tan. She wore matching gloves and a pink trimmed hat. Her corsage was the orchid from her wedding bouquet.

The bride is a graduate of Lockney High School. She attended Abilene Christian College and Isbell's University of Beauty Culture, Lubbock. Her husband is a graduate of Friona High School and served three years in the United States Naval Air Corp. He attended Texas Tech.

After a short honeymoon trip to Lake Altus the couple is at home in Friona where he is engaged with his father as a contractor.

Installation Held By Rebekah Lodge

Lockney Rebekah Lodge met Monday night at the City Auditorium and installed Mrs. Beth Widener as financial secretary.

Mrs. Omega May, N. G. presided. Installing officers were Deputy installing officer Dimpole McGavock acting as Noble Grand and Eva Whitfill, Deputy Marshall.

Archie Phillips and Monroe Smith were given the Rebekah Degree.

Visitors were Margaret Paschal and Mrs. Thomas of Floydada, Margaret Phillips, Erlene Caves and Dorothy Meadok of Petersburg.

Refreshments were served. All members are urged to attend the initiation next Monday night and bring a salad that men will enjoy.

Newcomers To Meet In Carthel Home

Newcomers Club will meet Wednesday, October 21, at 3:00 p.m. in the home of Mrs. Ted Carthel, 510 Southwest 4th Street. Assisting Mrs. Carthel as hostess will be Mrs. J. M. Tye.

Guest speaker will be Tom Simpson of Plains Floral who will speak on "Bulb Planting and Flower Cultivation and Arranging."

Rotary Club Hears Mrs. Zeigler

Members of Lockney Rotary Club enjoyed a most delightful program Thursday evening with Mrs. Mildred Zeigler as the speaker. The program followed a dinner served at the High School Cafeteria.

Mrs. Wilma Brown, president, presided and introduced the guests. Mrs. Lois Kermickel presented Mrs. Zeigler, of Plainview, Lockney High School English teacher and extensive traveler, who spoke on "Our Good Neighbors in England." She took her audience on a very entertaining verbal tour of many homes she visited while traveling in the mother country a few years ago. Amusing experiences, oddities in customs and food were among the highlights cleverly portrayed.

A quartet of girls, Janice Boedecker, Ann Brown, Glenda Harden and Carolyn Harris, sang three songs, "To Know Him is to Love Him," "I'm Never Gonna Tell" and "Lonesome Valley."

Following the program new officers were elected and dues were paid for the new year. Mrs. Edgar Hays was elected president, Mrs. Thurman Davis, vice president, and Mrs. Henry Ford Jr., secretary-treasurer.

Enjoying the meeting were Mmes. Zora Freeman, Dean Davis, Myrl Wofford, Martha Parrish, Lorraine Meriwether, Ruth Cox, Leone Hays, Virginia Byrd, Birdie Neill, Lois Kermickel, Ruth Smith, Wilma Brown, Essie Nicholas, Alice Ford, Eddie Burkhalter, new member, Arla Copeland and Celia Ann, the guest speaker, and girls quartet.

Breakfast Honors Janis Widener

Miss Virginia Caldwell and Mrs. Gail Wilson were hostesses for a breakfast Saturday morning, Oct. 10, at Golden's Restaurant honoring Miss Jan Widener, bride-elect of Ray Dean Fleming, Friona.

The table was decorated with an arrangement of brown and gold mums, the bride's chosen colors.

A gift was presented to the honoree.

Enjoying the occasion were Misses Hope Cox, Anita Durham, Kay Golden, Gayle Rucker, Jo Hudson, Loy O'Brien, June Caldwell, Janis Widener and Mmes. Loy Widener, David Frizzell, Jerry Don Smith, Jerry Mickey, J. C. Widener, Mack Richards and Susan, and the hostesses.

Legion Auxiliary Meeting Planned

Mrs. Temp Phillips, president of the local American Legion Auxiliary, urges all members to be present for an important business meeting to be held Thursday night at 7:30 at the Legion Home.

Dues will be paid and important committees will be appointed, along with other matters of business.

Informal Tea Held By Legion Auxiliary

The American Legion Auxiliary was hostess for an informal tea Saturday afternoon from 2:00 to 5:00 o'clock at the Legion Home.

Guests were greeted by Joan Schaffner who pinned on each guest a badge displaying the Auxiliary emblem showered with red, white and blue streamers.

Tables were beautifully decorated with red roses and colorful fall arrangements. Hot spiced tea, coffee, cake and cookies were served to a good number of guests.

Games of bridge were played with Mrs. Zera Meriwether winning high. Other prizes were presented to Mrs. Jessie Tye and Mrs. Connie Taylor.

CARD OF THANKS

Please accept our deepest thanks for the flowers, lunch, choir and other kindnesses shown at the passing of our loved one.

LOCKNEY BLASTS SLATON 24-14

LONGHORNS GAIN FOURTH WIN IN FINAL NON-CONFERENCE ACTION

The scrappy Longhorns from Lockney High School used a rugged defense in the first half and a powerful offense in the final two periods Friday night to gain a 24-14 victory over the rough and ready Slaton Tigers. A fair crowd witnessed the encounter played on Mitchell-Zimmerman Field.

With the win the Longhorns extended their season record to four wins and two losses. The Big Red ended their non-conference slate and will have an open date next Friday before opening District 2-AA action at Abernathy. Slaton, from District 3-AA, has one win and one tie in five outings.

The Longhorns and Tigers were locked in a defensive struggle for almost two periods before the local boys cracked the scoring ice with 0:13 remaining before intermission. Halfback Joe Allard made a diving grab of a pass from

quarterback Johnny Belt for six points. Fullback Terry Mosley ran over for two extra points.

Lockney increased their lead by driving 61 yards in 12 plays after receiving the second half kickoff. Fullback Bill Mangold scored and tacked on the extra points. Key play in the series was a tremendous reception of a Belt pass by end Oyama Buchanan.

At this point the 'Horns were well in command of the battle, but a sparkling 62-yard punt return for a touchdown by halfback Gibs Smith late in the third period put new life into the Tiger eleven.

Early in the fourth stanza, with Slaton having fourth down and lacking one yard for a first, halfback Bill Barry raced 36 yards untouched for the second Tiger marker. Try for points failed and Slaton trailed 16-14.

The Big Red showed deter-

in driving 56 yards for their third tally after the Slaton kickoff. Mangold raced the final 20 yards to paydirt. Halfback Terry Clark rumbled over for two more points. Slaton moved the ball downfield, reaching the Lockney 4 yard line before guard James Davis scooped up a fumble.

Lockney led in all statistics and rolled up five penetrations to two for the visitors.

Leading man in the Longhorn attack was Mangold who ran for 102 yards in 25 carries from both the quarterback and fullback posts. He also hit Clark with a 15-yard aerial. Other big guns in the attack were Allard who gained 47 yards in 7 attempts and caught the pass for Lockney's first tally; Clark who picked up 45 yards in 10 carries and grabbed two aeri-als for 24 yards; fullback Terry Mosley who made 31 yards in nine tries. Quarterback Belt did a good job running the team. His passing set up two tallies and he carried several times.

Longhorn stars were many in the game. Turning in tremendous efforts were Dan Smith, Wayne Cooper, Lewis Elland, Buchanan, Davis, Mickey Mosley, Rickey Collis, Allard, Clark, Billy Dan Rolling, Terry Mosley, Donnie Hanst.

Summary of the game:

The visitors won the toss and elected to receive. Smith's kick was returned from the 6 to the S 31. On Slaton's first play from scrimmage Rolling intercepted a pass and returned to the S 37.

Mosley rambled for 8. Mangold gained 8. Clark made 3. Mosley picked up 3. Mangold failed to gain, the Tigers picked off an aerial and returned to their 18.

The visitors rolled for a few plays, making 9, 5, 12, 2, drew a 15-yard penalty, lost 12 on an attempted pass, passed incomplete, punted to their 48. Clark lost 1 yard on the return.

Mosley lost 2, gained 6. Mangold hit Clark with a 15-yard pass for a first on the S 30. Mangold made 0. Allard picked up 1. Mangold passed incomplete, made 6. Slaton gained possession of the pigskin on their 23.

The visitors gained 2, 3, 4, punted to the L 39. Mosley and Clark each made 3. Mosley rambled for 2, Clark punted to the S 19.

Bishop picked up 16 before T Mosley recovered a fumble on the S 39. Mangold gained 6 as the first period ended.

Mangold ran for a first on the 22. Mangold running at fullback for the first time gained 3, a pass went awry, the visitors covered a fumble on the S 21.

The black and white clad Tigers gained 5, 4 before Elland fell on a loose ball to give the Big Red possession on the S 30. Lockney failed to go as Clark, Belt, Mangold gained 0, 1, 2, respectively, a fourth down pass was incomplete.

Slaton picked up 4, 3, 2, punted 32 yards to the L 32. Clark returned 2 yards.

Lockney was penalized 5 yards, Mangold gained 1, a pass was incomplete, Clark punted 38 yards to the 32.

The Tigers moved for 4, 5, a first on their 44. They then lost 6, had two bad passes, punted 36 yards to the L 26. Rolling made a nice run back to the L 38.

For the first time Lockney's offensive machine began to move with authority. Allard scooted for 5, the 'Horns were offside, Clark drove for 5, Mosley picked up a first on S 49. Belt kept for 3, Clark plowed for 2. Belt connected with Clark on a pass for 9 yards

and another first on the S 35. Rolling picked off a Belt aerial for 19 yards. Mosley rambled for 6, l. Belt flipped a 9-yard pass to Allard in the end zone. Mosley ripped into paydirt for two extra points to put the Longhorns ahead 8-0 with 0:13 remaining in the half.

Smith's boot was returned from the 12 to the S 39. The Tiger passer slipped and lost 5 yards on the final play in the second stanza.

Horns Roll Again

Mangold took the second half kickoff on the 12 and ran the pigskin back to the L 39. Clark broke through for 10, Mangold gained 4. Allard ripped through the line for 15 and a first on the S 29. Clark picked up 6. Mangold rolled for 3. Lockney was charged with two 5-yard penalties, Buchanan made a tremendous catch of a Belt pass for 25 yards and a first on the Slaton 5.

Mangold picked up 1. Slaton was penalized half the distance to the goal line. Mangold dived over from the 2. The fleet Mangold crossed the double stripe for extra points. Lockney 16, Slaton 0 with 8:13 to play in the third period.

Bishop ran Smith's kick from the 22 to S 38. The Tigers moved for 3, 15, 9, 5. Elland halted the drive by covering another fumble on the L 30.

Lockney was assessed a 15-yard penalty. Mangold picked up 5. Belt gained 11 on a keeper. Mangold failed to move, Doyle Freeman punted 32 yards to the S 38.

Slaton's Smith gathered in the punt and raced down the right sideline for the visitors first touchdown. Bishop plowed into the end zone for extra points after Lockney had been penalized to the 1 1/2 yard line. Lockney 16, Slaton 8 with 3:59 remaining in the third quarter.

Clark raced 23 yards to the L 38 on the kickoff. Mangold lost 1, Clark picked up 6. Allard drove for 2. Clark punted 27 yards to the S 28.

The riled up Tigers were again on the move, gaining 5, 4, 6, 5, a first on the L 45 as the third stanza ended.

Slaton picked up 3, 2, 4, and with fourth down and one yard to go for a first. Barry scored from the 36 yard line. The run for extra points failed. Lockney 16, Slaton 14 with 10:43 remaining.

A short kick was retrieved

by Smith to the L 44. The 'Horns were again on the move. Allard gained 9. Mangold made 0, 2, 8. Clark plowed for a first on the S 32. Mangold ran for 3. Clark picked up 5. Allard gained a first on the 20. Mangold went around right end and set sail for the end zone. Slaton was penalized to the 1 1/2 yard line on the first try for points. Clark added the points giving Lockney a 24-14 edge with 6:49 showing on the clock.

Smith's kick was run back to the S 36. The Tigers gained 3, passed for a first on the L 49. Slaton ran for gains of 4, 5, 20, 2, 12 to set up a first on the Lockney 6. Davis covered a fumble on the L 4.

BAPTISM — WHAT IS IT FOR?

"In whom also ye are circumcised with the circumcision made without hands, in putting off the body of the sins of the flesh by the Circumcision of Christ: Buried with him in baptism, wherein also ye are with him through the faith of the operation of God, who hath raised him from the dead" (Colossians 2:12).

The passage shows that "putting off the body of the sins of the flesh" is the circumcision of Christ, made without hands, and takes place at the time one is buried in baptism. This is further explained in Romans 6:3-4, which shows plainly that the sinner is baptized into the body of Christ and is resurrected to walk in newness of life. The body of the sins of the flesh is put off by being buried into Christ's death. Baptism put the sinner into the death of Christ and that is where the blood of Christ is shed. Christians have been washed from their sins in Christ's own blood, Rev. 1:5.

Lt. Baker Completes Infantry Course

Fort Benning, Ga. (AHTNC)—Army 2d Lt. Dorsey L. Baker, 23, son of Mr. and Mrs. William D. Baker, Lockney, completed the officer basic course Oct. 3 at the Infantry School, Fort Benning, Ga.
Instituted for officers who have not served with troops, the ten-week course is designed to familiarize each new officer with the duties and responsibilities of an infantry unit commander.
Lieutenant Baker was graduated from New Mexico Military Institute in 1954 and the U. S. Military Academy at West Point, N. Y., in 1959.

Sand Hill News

By Mrs. James Jeffress
Cotton harvest has started again after all the damp weather and many fields have been defoliated this week. Several farmers have reported their cotton would be ready to start stripping in about two weeks.
Congratulations to Mr. and Mrs. Gerald Vincent on the arrival of a baby daughter. The young lady has been named Lori Ann. Lori has two brothers.

New Officers Elected

Sand Hill Home Demonstration Club met Wednesday afternoon in the home of Mrs. J. T. Myrick. Annual reports from all committees were given, and must be sent to Council by Saturday. A new T.H.D.A. nominee was elected. She is Mrs. C. B. Carmack. Election of officers for the coming year was held with Mrs. Lynn Miller presiding. They are Mrs. Orton Miller, president; Mrs. Jim Holmes, vice-president; Mrs. Walter Knight, secretary; and Mrs. Bill Stringer, council delegate. There will be an all day crafts meeting Thursday, Oct. 15th, with a covered dish luncheon at noon. Mrs. J. T. Myrick and Mrs. R. L. Bullocks gave a demonstration on making pillows. Refreshments were served to Meses Bill Stringer, James Jeffress, Hollis McLain, Walter Knight, Lynn Miller, Ed Noel, C. B. Carmack, Wayne Billington, H. F. Jackson, Rafe Ferguson, T. C. Hollums, Jim Holmes, R. L. Bullocks and Arlon Miller by the hostess, Mrs. J. T. Myrick. The next meeting will be Oct. 21st with Mrs. Jim Holmes as hostess.

Mr. and Mrs. T. C. Hollums and Norma visited in the home of Mr. and Mrs. Fred Jackson Sunday afternoon. Also visiting were the Jackson's daughter, Mr. and Mrs. Jackie Myrick and Lori from Lubbock.

Mrs. Ludie Sanderson accompanied her brother, Charlie Mills, to Wichita Falls over the week end to visit relatives.

Sunday visitors in the home of Mr. and Mrs. James Jeffress and family were Mr. and Mrs. Ed Noel and Johnny, Mr. and Mrs. H. F. Jackson, Jim Jeffress of Silverton, and Mrs. Dollie Kelley of Lockney.

Mr. and Mrs. W. R. Billington went to Plainview Saturday afternoon to help her father celebrate his birthday. Mr. Glenn is in his late eighties and we wish him many more happy birthdays.

Joe Ed Noel spent Sunday afternoon visiting in the home of Mike and Kighm Sloan near Lockney.

Everyone at the Sand Hill Baptist Church enjoyed Laymen's day Sunday. A good attendance was present Sunday morning to hear the men teach Sunday school classes.

Special music was presented by Stinson Stringer, James

Jeffress, Red Sloan and M. B. Swanner, accompanied by Rev. Frankie Rainey at the piano. Laymen bringing the morning message were Ed Noel and Kirk Slater.

Safety Is Program For 4-H

Sand Hill community 4-H Club met Monday night with the new president, Bobby Holt, calling the meeting to order. Elaine Starkey led the 4-H pledge and motto. Marilyn McLain gave the devotional. The club voted to sell candy to raise funds. The time was changed from 8 p.m. every second Monday to 7 p.m. every second Monday. Cecil Lewis gave the program on "Safety on the farm", and suggested that the community might have a safety drive and tag all farm and home hazards.

Mary Starkey and Dianne Montgomery served refreshments to Bobby Holt, Becky Miller, Elaine, Mary and Harold Starkey, Marilyn McLain, Janice Miller, Beverly Jeffress, Norma Hollums, Warren Mitchell, Jimmy Huckleby, Sammy and Danny Watts, Joe Ed Noel, two new members, David Bloys and Jimmy Jeffress, and three visitors, Rex Pope, Kenneth Bloys and Trudy Miller. Also present were Cecil Lewis, Mrs. James Jeffress, Mrs. Ed Noel, Mrs. Orton Miller, Hollis McLain and Mr. and Mrs. Gene Bloys. Next meeting will be Nov. 9 at 7 p.m. with Elaine Starkey and Marilyn McLain as hostesses. Everyone is urged to be present to help elect some project leaders for the club.

Speakers are being contacted this week to preach at the Sand Hill Baptist Church homecoming Sunday, Nov. 1. This will be an all-day meeting with dinner served at noon. We will be looking for you.

Visiting in the home of Mr. and Mrs. Jess Starkey and family over the week end were her sister, Mrs. J. E. Hampton and family, Amarillo, and Mr. Starkey's sister, Mr. and Mrs. Leroy Durham, Plainview.

All attending enjoyed the football games at both Lockney and Floydada the past week. Lockney has an open date this week but there will be a powder puff game between the junior and senior girls. Boys will coach and form a cheering section. Everyone is invited to attend.

Mr. and Mrs. Jim Holmes left Saturday for a few days in Midland.

Mrs. Vernon Daniels spent last week visiting her mother in Artesia, New Mexico.

On Oct. 3, 1921, the USS Olympia sailed from Newport, E. L. for France to return the body of the WW I Unknown Soldier for burial at Arlington, Va.

TELEPHONE TALK
By J. C. Oakley, Manager

10 Percent Excise "Luxury Tax"
I am sure that each of you are aware of the fact that you pay a 10 percent federal excise tax on your local telephone monthly charge as well as 10 percent on your long distance calls.
This federal excise tax, sometime referred to as "luxury tax" went into effect back in 1941 to raise needed money for the war effort and also to conserve telephone service for the government and the military.
This tax was raised in 1942 and 1943 and was reduced somewhat in 1954.
I am happy to report to you that a bill was signed by President Eisenhower to end the 10 percent luxury excise tax on your local telephone service as of June 1, 1960, unless Congress votes to continue the tax prior to that time. All long distance will continue to be taxed 10 percent.

I want to thank each of you who took time to write your Congressman stating the 10 percent luxury tax was unfair. This helped to eliminate the tax on local service. Now I urge you to write him about the unfair tax which still exist on long distance calls. Remember, it's you who have everything to gain — write your Congressman today.

Beauty On Duty
What does this headline mean to you?
If you're a homemaker, it could mean a new wash or dryer, or maybe even a new dishwasher.
To a man "Beauty on Duty" could mean a new car or the new transistor radio that brings you the World Series.
For teenagers, it could mean the old but treasured jalopy sitting proudly in the driveway.
But here at the Telephone Company, we have our own special definition of "Beauty on Duty" — bedroom telephone in color.
A bedroom phone in color deserves the title, because it brightens your bedroom while helping you keep in touch between chores during the day. It gives you a sense of security and keeps you free from care and worry at night.
Color telephones are also available with a built in night light — ideal for bedrooms. To order your bedroom phone in color, just call the telephone business office.

How Not To Tie Up Your Phones
I was passing the time of day with a fellow recent when he suddenly blurted out, as if he'd just thought something, "I just found out that if the receiver isn't on your phone straight and firm that all the phones in your house can be tied up and nobody can call you."
"That's right," I said.
"Well," he said, "You ought to tell people about that. It's important."
My friend's right. It IS important to make sure receivers on all your telephones are on the hook. It's even more important if you're on a party line. A receiver on any phone ties up the line for everyone else.
"Why," I asked my friend, "Are you so suddenly interested in this subject?"
"Because a fellow tried to call me and couldn't. I missed out on a fishing trip — that's why," he said sadly.
Can't say I blame him, can you?

Call by number. It's twice as fast.

Guilty of Self-Embezzlement?

It's a serious charge. But lots of us are guilty . . . although very few people cheat themselves intentionally. Yet that's just what we're doing when we fail to shop our home stores before we buy.

Often enough the deals are better at home, dollar for dollar. Always they're better when you consider that Trade Builds Communities . . . and that Trade is the sole source of prosperity for an area and for those who live within it. Even great natural resources bene-

fit only a few people if that wealth gets away from the community's regular trade channels.

When we buy from those who buy from us . . . either our labor or our products . . . when we trade with the neighbors who help us to support our local social facilities . . . when we spend our money where Trade creates opportunities for us and our children . . . then we're getting full value for the money we work to earn.

* Buy . . . where you get to enjoy everything your money pays for

**It Pays to Buy
where you Live**

YOU get everything that your money pays for . . . merchandise AND a trade-invigorated community to live in . . . when you buy from your home town merchants . . .

Brotherhood To Help Provide Funds For Building

Plainview. — Baptist Brotherhood of District 9 has voted to join in the round-up campaign for funds for Home Life Building at Wayland Baptist College which has been sponsored by the Woman's Missionary Union under the leadership of Mrs. Henry Heck, Plainview, for the last year.

Need for the Home Life Building for class instruction in Home and Family Life is so great that both the men of Brotherhood and women of the Woman's Missionary Unions are joining forces to insure success of the 'round-up' within the next year. Plans for the Home Life Building to be put in use by September, 1962, if not earlier, according to Mrs. Heck.

Under the leadership of Judson Burnett, Levelland, District 9 Brotherhood president, committees of men are being set up in the different associations. Women's committees are already at work. Burnett spearheaded the drive for funds to build Brotherhood Hall which is now occupied by 50 young

men at Wayland. Number and size of classes in Home and Family Life Education have more than doubled in the past five years, with capacity having been reached until larger quarters are provided, according to Mrs. Cecil Cooper, assistant professor of home economics and head of the department.

Three areas are planned for the Home Life Building: one for classes in home economics and homemaking, one for child development center and one for home management students to live in while taking this course.

The campaign for funds was set up a year ago and some \$70,000 in cash and property has been raised of the \$150,000 goal, according to Mrs. Heck.

"We feel this is indeed a pressing need as this rapid growing department trains homemakers, demonstration personnel, missionaries and teachers," says Mrs. Heck.

Dr. A. E. Hewitt, who underwent surgery at Plainview Hospital last week, returned to his home here Sunday. He is able to be up part of the time and is regaining his strength, members of the family said.

Report On Recharge Well At High Plains Station

Visitors to the High Plains Research Foundation at Halfway have a keen interest in the recharge well and the bench leveling research projects underway.

Mr. James Valliant, assistant water engineer at the foundation, reports a total of 77.2 acre-feet of water recharged to date in 1959. Irrigation water can be valued at \$65.00 per acre-foot applied to cotton, which would mean that the recharge water is worth approximately \$5,000.00. This is more than half the total initial cost of the recharge well. This recharged water was from approximately 7 inches of rainfall between June 2 and July 16 and tail water from surrounding acreage up to September 12. Plans for 1960 include a filter system to study the effect of silt removal on recharging. Land now in lake bed will be put into cultivation since it can now be drained of rainfall runoff and tail water.

Twenty five acres of benches have been constructed on the north slope of the recharge lake to study yield, cost of production and water efficiency. Parallel benches of 8, 12, and 16 rows (40 inch rows) are being used to study the effects of different depths of soil removal on crop yields. These benches will also be used in a comparison study of crops grown on benches, contoured land, and slopes. Water applied will all be metered and moisture blocks will be used to determine time of irrigation. Grain sorghum is being grown on these benches and the adjoining slopes in 1959 and it now appears that the benches will outyield the slopes by a considerable margin.

Irrigation studies for the coming year will include time of irrigation on cotton and grain sorghum, skip row irrigation and determination of time of irrigation with moisture blocks.

Pat McLaughlin and Ronnie Thornton, freshmen students at West Texas State, Canyon, were home over the weekend visiting their parents, Mr. and Mrs. Harold McLaughlin, Mr. and Mrs. Owen Thornton.

Few people appreciate the things they have nearly as much as the things they WANT.

CROSS ROADS REPORT

Dear Editor: I hear lots of complaint about bankers moving their loaning desks out in the open so the whole town can watch a borrower sweat.

Some say this practice is more inhumane than the public hanging, on account of at those old festivals the honoree at least was soon forgotten.

But my modern neighbor says anybody who don't like to be seen borrowing is just an old fogey who hasn't noticed that the man of distinction nowadays is the one who owes for the longest boat.

SKYSCRAPER ANGEL FOOD CAKE

To produce a high, angel food cake, two things are important — even heat and clean pan. The oven should be preheated to 350-375 degrees before putting the cake in. Experts of the Gas Appliance Manufacturers Association point out that it is important to wash the tube pan thoroughly in hot sudsy water to remove all traces of oil or grease. The pan must adhere to the while baking. If the cake shrinks, the pan are oily, the cake will shrink.
