SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 58

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, OCTOBER 22, 1959

NUMBER 29

## Floydada Will Join District 2-AA Next Year

District 2-AA will have a new member starting in 1960. Floydada has been shifted to this district to join veteran members of the district — Lockney, Abernathy, Muleshoe, Morton, Olton. The change was effected in the recent shake-up by the Texas Interscholastic League for athletic year.

District 3-AA gained Denver City of 4-AA and Stanton of 4-AA, but lost Floydada and Tulsa, who was transferred to 4-AA Post, Slaton, and Tahoka remain in 3-AA. No changes were made in District 1-AA which now includes Dimmitt, Canyon, Dalhart, Friona, Seminole of District 4-AA was elevated to 2-AA. District 4-AA also lost Denver City, but gained Murfa from 7-A. The regular members are McCamey, Crane, Fort Stockton and Alpine.

Few changes were made in Class A. Anton from 3-A was dropped to Class B. Hale Center took Anson's place in 3-A along with the regular members Kress, Springlake, Farwell and Sudan. District 4-A stayed the same except for losing Hale Center. Other members include Crosby, Ralls, Idalou, Silverton, and Petersburg.

Also unchanged was 5-A with Plains, Sundown, O'Donnell, and Segreaves still competing against each other.

All Class B, eight-man, and six-man districts will be aligned later.

New assignments are based on an average of the average memberships for the 1957-58 and 1958-59 school years. The new assignments are for the next two years. New set-ups are tentative and could be changed before next year.

The average enrollment for the last four grades in high school over a two-year period determines a school's classification. The conference brackets are Class AAAA (905 and over), Class AAA (600-905), Class AA (325-600), and Class A (125-325).

## Brother And Sister Named Mr.-Miss L.H.S.

Pat and Oyama Buchanan, twins of Mr. and Mrs. M. O. Buchanan of Sterley and seniors in Lockney High School, were named Mr. and Miss L. H. S. in voting by the student body last week. The two were crowned in an appropriate ceremony during high school assembly Friday morning.

Oyama is president of the Student Council and a member of the National Honor Society. He is a first string player on the Longhorn football team and also the Longhorn basketball team, having lettered the past two years.

He was selected as Junior Rotarian for the month of September. Last year he served as treasurer of the Student Council. He was selected last year as local delegate to Boys State at Austin.

Patricia is president of the Lockney chapter of Future Homemakers of America, was named basketball queen last year and was captain of the basketball team. She has lettered on the team the past two years.

She was named class favorite during her freshman year and both Pat and Oyama were selected as class favorites during their junior years.

Both will have a full page in the school annual this year. Others nominated for the honors were Donna Dorman, Donna Workman, and Eleanore Baxter for Miss L. H. S. and Dan Smith, Jake Wofford and Donald Ivie for Mr. L. H. S. All are members of the Senior Class.

## Shotgun Will Be Given October 30

The Lockney Volunteer Fire Department will give away a shotgun at the football game here on October 30, members of the Department said this week. The event had been scheduled in November but was moved to the above date due to the possibility of a quiet season opening November 1.

## JOHN T. CARTHELS WILL SPEND NOVEMBER IN EUROPE

Mr. and Mrs. John T. Carthel and daughter, Janis, will spend most of November visiting another daughter of the Carthels in Germany and tour other points in Europe. They will make the trip over during one night via jet airliner, arriving in Frankfurt, Germany on November 16th birthday, November 3.

The Carthels will leave Amarillo Sunday night, November 1 and arrive in New York at 6:30 Monday morning. Late that evening they will go from La Guardia airport to Idlewild airport in a helicopter and board a jet airliner for Frankfurt where they will arrive the next morning. They will be met by Lt. and Mrs. Charles E. Wilson and their three-year old daughter, Lesa. Mrs. Wilson is the former Joyce Carthel. Mr. Wilson has been located at Hahn Air Force Base two years and his wife and baby have been with him a year and a half. They will be there until next September. The Carthels will visit with the Wilsons until Nov. 21.

While they are there the Carthels will be accompanied by the Wilsons on a two-week tour of Germany and near-by countries. The tour will be made in the Wilsons new Mercedes car. They plan to visit Switzerland, Bavaria, the Netherlands and possibly Austria.

The return trip to the States

## 9,532 Acres Are Signed For Soil Bank In County

Floyd County farmers have signed up to put 9,532 acres of land into the soil bank for the year of 1960 according to a report from T. J. Hutchins, ASC office manager Wednesday. Deadline for signing application was October 16.

Mr. Hutchins said that the signups represented 62 farms in the county with some farmers putting all their farm into the conservation reserve program. The farmer is given 10% more if his entire farm is included.

Whether or not all the land signed for in this county will be included into the 1960 program won't be known until next week, when the county is allotted its part of the conservation reserve fund. Hutchins said. Last year the county was given ample funds and in fact returned some of their funds to the state. The signup has been light in this county this year but if other parts of the state experience a heavy sign up for the soil program, it may be that this county's fund will cut to where every farm which has signed cannot be accepted, he said.

The rate of payment per acre in this county ranged from \$11.00 to \$17.00 with the county average being \$13.00. The rate is determined on the productivity of the land in question. The Beacon was told.

## ACF Funds Available

Mr. Hutchins said this county still has ample funds for payments for ACF practices. These include the installation of concrete underground pipe, the applying of cotton burs to help prevent wind erosion, land leveling, sowing winter legumes, stubble mulch, chiseling, building terraces, etc. Some \$35,000 is still left in this fund in Floyd County and another allotment will be received January 1st, Mr. Hutchins said. The farmer must make application to the ASC office before starting the practice.

## Charley Gorley's Rites Wednesday

Charley Gorley, 72, a retired railroad employe, died at 1 a.m. Tuesday in Lockney General Hospital. He had been a Floydada resident for the past seven years.

Funeral services were held at 2 p.m. Wednesday in the Floydada Assembly of God Church, with the pastor, the Rev. Henry Russell, officiating. Burial was in Floydada Cemetery under the direction of Harmon Funeral Home.

Gorley was born in Arkansas. Survivors include the wife, Kitty; four sons, Raymond, Quanah, Clifford, Houston; Bill, Childress; and Leonard, Berger; four daughters, Mrs. Estellene Edwards, Cone; Mrs. Linnie McKnight, Berger; Mrs. Lloyd Emmert, Floydada; and Dorothy Gorley, Floydada; and 30 grandchildren and three great-grandchildren.

## City Will Lay Two Blocks Of Sewer

The City will lay two blocks of new sewer line in northeast Lockney. Mayor J. E. Cox said this week. The line will branch off from an existing line on Northeast 4th Street, one-half block north of East Locust, and up an alley to the J. J. Harris place. Mayor Cox said that the City would pick up four or five new connections from the new lines, including J. J. and Jesse Harris.

## TO HAVE OPERATION

F. L. Brown will enter Methodist Hospital in Lubbock Sunday where he expects to undergo an operation on his left eye Monday morning for the removal of a cataract.

Mr. and Mrs. Maurice Caron of Paris, France, were guests at the John T. Carthel farm Wednesday afternoon of last week. Mr. Caron who is an executive of a Paris zinc company arrived in the U.S. a few days ago and he and his wife are making a tour of zinc smelters in this country.

Accompanying the couple to the local farm were Mr. and Mrs. Kenneth Schultz, parents of Mrs. James Carthel, daughter-in-law of the John T. Carthels. Mr. Schultz is an official of the Amarillo Zinc Co. This is the first time the Carons had seen cotton growing and were impressed at seeing the harvest procedure.

Mr. and Mrs. Caron will go from Amarillo to Montana. They expect to be back in Paris by the last of November in time to show the Carthels around Paris during their visit in Europe. They reside at 196 Avenue Victor Hugo, Paris, France.

F. F. A. SWEETHEART — Miss Kim Mickey, daughter of Mr. and Mrs. Forrest Mickey and a junior in Lockney High, has been elected sweetheart of the Future Farmer Chapter. She will attend the F. F. A. banquet in December and receive an appropriate award there. She will also represent the local chapter at the District F. F. A. sweetheart contest next spring. Kim is head cheerleader, and is active with the annual staff, the Lariat staff, the Future Teachers of America, and the F. H. A. chapter.

## Library Branch Will Be Moved To Larger Bldg.

The Lockney branch of the Floyd County Library has outgrown its location in the city hall building and will move to the Wanda Baker building, two doors south of The Beacon office sometime in November. It was announced this week.

Seeking not only more room but a better location, members of the Library board prevailed upon the Commissioners Court to provide better quarters at the last session of that body. The county will pay rent on the building and it will house the branch library and the office of Justice of the Peace J. J. Harris. Mr. Harris occupied the building previous to moving to his present location on North Main Street.

Rent will start on the building November 1st but the task of building book shelves and otherwise preparing the building for the library may hold up the moving date for a time, local members of the board said.

Lockney members of the county Library Board are Mrs. Henry Hodel, Mrs. A. P. Barker Sr., and Kenneth Wofford. Mrs. Harmon Mills is local librarian.

## Mrs. Tinsley Wins Television Set

Mrs. R. H. Tinsley of the Sterley community won the portable television set offered by Gifford-Hill Western at the Floyd County Fair. The set was a prize in a guessing contest in which the contestants guessed at the number of grains of milo pasted on a large outline map of Texas.

Mrs. Tinsley guessed the number at 14,221 while the actual number was 14,224, according to Joe Harris, local manager for the firm.

Second place went to Richard Jones of Plainview who guessed 14,000.

There has been a great deal of interest in the contest, Mr. Harris said, and as a result the map was shown at both the Amarillo and Lubbock fairs. The delay in announcing the winner was caused by the other showings.

## Band Boosters To Meet Tues.

Lockney Longhorn Band Boosters Club will meet Tuesday evening at 7:30 at the band hall for a regular monthly meeting.

Parents of all band students are urged to attend the meeting.

## Fire Burns 50 Acres Of Maize Stubble

Fire starting from the exhaust of a tractor burned 50 acres of maize stubble on the J. R. Belt farm, four miles west of Lockney Tuesday afternoon. The Lockney Volunteer Fire Department took a truck to the fire.

The tractor was damaged slightly before it could be moved out of the field.

## WILL ATTEND MEETING

F. M. Smith, high school principal, will leave Sunday for San Antonio where he will attend the meeting of the National Association of Secondary School Principals running through Wednesday.

## Longhorns Open Dist. Play At Abernathy

### Prisoners Still Out Late Wed.

Two prisoners who escaped early Wednesday morning from the Hale County jail at Plainview were still at large at 5:30 p.m. Wednesday. Members of the sheriff's department in Plainview told The Beacon that they had "no trace" of the men at that time.

The escapees were Joe Owen Hughes of Plainview and Jackie Dean Tarleton of Tulla. They beat Jailer J. E. Miller and fled in an automobile commandeered at gun point.

### VFW Will Organize Post In Lockney

The Veterans of Foreign Wars will organize a post in Lockney, according to information from O. C. Allison this week. Mr. Allison said that a supper meeting will be held at Golden's Cafe here tonight (Thursday) at 8 o'clock to which all veterans of overseas wars are invited. He stated that enough members had already been committed to the post to assure organization.

At the meeting here tonight speaker will be Vic Offerback, Department Senior Vice-Commander of Texas.

All overseas veterans are urged and invited to attend the meeting tonight, Allison said. He is in charge of local arrangements.

### Brasher And Word Will Open Cattle Auction

Tom Word and Virgil Brasher have announced the opening of a weekly cattle auction sale at their new sales arena on the Silverton highway in Floydada. Both are trained auctioneers and have held sales in this county for the past two years.

The firm is known as Floydada Livestock Sales Co., and they will hold auction sales Thursday of each week, beginning at 12:30 p.m. They have pens, water and feed to take care of stock at the ring, the announcement says. They maintain a hog marker at the arena six days each week.

### Longhorn "B" Squad Seeks Sixth Victory

Lockney Longhorn's "B" gridgers will be after their sixth consecutive win of the season Thursday evening when they travel to Ralls.

The local boys gained their second victory over the Floydada "B" squad in a battle here last Thursday night. The Horns scored first, but trailed 8-6 at halftime. By scoring six points in the final half and holding their opponents scoreless, Lockney came out on the long end of a 12-8 count.

Quarterback Kenny Clark hit end Warren Mitchell with a 30 yard pass for Lockney's first six points. On the second tally halfback Danny McAnally ended a sustained drive by diving over from the one yard line.

Fullback Terry Mosley, halfback Jimmy Rushing, and guard Donnie Hast were standouts.

Floydada took a 12-6 victory in the freshman contest which preceded the "B" tilt.

### Right - Of - Way Approvals Are Proceeding Slowly On Hiway 70

The task of securing approval for purchasing of right-of-way along Highway 70 from Floydada to the Hale County line is proceeding slowly, Commissioner Bob Jarrett said Wednesday.

To date the State Highway Department has approved the appraisals on 16 parcels of land between Lockney and Floydada and of this number six or eight have signed to sell their property at the appraised price. Two or three more have verbally agreed to the price, Commissioner Jarrett said.

All property between the Bell Station in South Lockney and Floydada city limits has been appraised but all the appraisals have not been approved by the State as yet, Jarrett said. Adding to the length of the task is the necessity for the State to have every title examined.

When questioned as to the time actual work might begin on the widening of the Highway Commissioner Jarrett said that he could only guess at it, but that if any work was done on the road in 1960 it would be

The spunky Lockney Longhorns face their first District 2-AA test Friday night when they battle talented Abernathy on the Antelopes' home field. Both the Longhorns and Antelopes are considered major challengers for the 2-AA title.

The district race was thrown into a turmoil last Friday night. The surprising Olton Mustangs powered over the pre-season favorite Muleshoe, 49-6. An upset occurred when Abernathy traveled to Morton and came out on the short end of an 8-6 count. Lockney enjoyed an open date last week.

District 2-AA is undoubtedly the most balanced district in this area. Any of the five clubs appears capable of knocking off any of their opponents.

In addition to the Lockney-Abernathy tilt, Olton entertains Morton in another important 2-AA encounter Friday night. Winner of that contest will continue to lead the district. Muleshoe is idle this week.

Despite their loss last week, nobody is selling short the traditionally tough Abernathy eleven. The Antelope club relies heavily on their passing attack which they operate from double wing and spread formations. John Brown, who shared the quarterbacking chores for the district champion Abernathy club last season, is a fine passer.

Another good athlete is halfback Aubrey Smith, who is equally adept at carrying the pigskin or gathering in passes. The Antelopes have several boys on their squad who tip the scales at over 200 pounds, including the starting tackle.

For the first time in several years Royal James isn't head coach at Abernathy. Sonny Davenport, an assistant coach at Howard Payne College last season, has taken over the reins of the Antelopes.

According to scores against common foes the Longhorns and Antelopes appear to be equally matched. Both teams fell victim to the Floydada Whirlwinds and Dimmitt Bobcats. Neither of the 2-AA clubs had much trouble downing the Hale Center Owls. Tulla squeaked by Abernathy the week before. Lockney downed the Hornets 8-6.

After last week's open date the Longhorns appear to be in good shape for the Abernathy tilt. Barring practice injuries this week, the Big Red will be at full strength. Fullback Freddie Gant, sidelined for two weeks with broken ribs, has been working out this week and should be ready Friday night.

Probable starting lineups for Friday night's battle includes:

## EDITORIAL

But when thou makest a feast, call the poor, the maimed, the lame, the blind: and thou shalt be blessed.—Luke 14:13-14.

**COMMENTS** by Don Robinson of The American Press as quoted in this column last week causes us to wonder: how much of a school district's money should be spent for buildings and how much for instruction. We have for a long time looked with some dubiety on expensive school buildings and expensive equipment while teacher salaries remained at a minimum. While we have made the statement before and admitted freely it is no great gem of thought, we want to repeat this: If you have the most expensive school building in the world and don't have a teacher, you don't have anything worthwhile.

**ADMITTING** that housing must be provided for pupils, yet that shouldn't be the prime consideration. The quality of the teacher should be the first consideration and you can't expect to attract the best teachers with a mediocre salary. We don't know what plans the Lockney school board has for building but there is one fervent hope we have concerning the matter: Let us not burden

ourselves down with building indebtedness so that we will be forced to continue to pay mediocre teachers salaries for years to come. A good school is not made primarily by buildings and equipment, however important they are to operation. A good school is made by good teachers and good administration. You can't get those for peanuts.

**THE NEW YORK TIMES** says: "Disturbed and angered by a spate of rumors, reports, speculations and accusations that he is now taking a softer line toward what he has denounced as Communist imperialism, President Eisenhower has taken steps to repudiate any such insinuations. . . . In reply to such misinterpretations, President Eisenhower served notice at his Gettysburg press conference that he stands on his past policies and that he will pull no punches in his talks with Mr. Khrushchev in support of them. . . . He does not propose to abandon the subjugated nations, whose hopes for freedom have been stirred anew by his Captive Nations proclamation. He will not agree to mere paper pacts on disarmament. He has no intention of recognizing Communist China or inviting Premier Chou to visit this country at this time. And he most certainly will not make a 'deal' with the Soviets to partition the world behind our allies' backs."

**DR. SYLVESTER PETRO**, law professor at New York University, has published a book entitled "Power Unlimited: The Corruption of Union Leadership." Excerpt: "Unions have taken great advantage of . . . special privilege to defy the laws, precepts and principles of good society. Working men have been beaten and robbed. Business men have been the victims of extortion. Consumers have been exploited. Political figures and governmental officers and agencies have been corrupted. Few significant areas of society have been left uncontaminated. Out of unlimited power, unlimited corruption is breeding."

**THE STEEL WORKERS** lost more wages than they have gained in the four major post-war strikes, writes Henry Hazlitt in Newsweek. In those strikes, he goes on, total direct loss to the strikers came to more than \$830 million, most of which was never recovered by strike "gains." And in the current dispute, he adds, to make up for each week of strike idleness, workers will require more than 20 weeks of employment at the increased wage, if it is granted.

## GOOD QUESTION

## With Our EXCHANGERS

### GOVERNMENT COWS

A short clipping from last week's Crosbyton Review pinpoints the Communists fallacy (and Communism's little brother, Socialism, and its youngest brother, American Political Liberalism) about as graphically as possible.

"What Russian farmer," asks the editor, "would get up in the middle of a Russian night to tend a government cow that was sick?"

Ideologically, Communism — and Socialism and Left-Wingism looks superior on paper: one big happy family; everybody pitches in and works for the good of all; the government (people, owns everything and is therefore in a proper position to look after all the people so that nobody is ever in need. Sounds wonderful.

The only hitch is human nature. The old law of self preservation, of looking out for old Number One first (which do-gooders like to denounce as selfish greed) will always be stronger in man than any unnatural system whereby he

looks after government cows. (I.e. contrast the vigor of early American free enterprise with the sloppy, politically liberal security-bored, don't-give-a-damn attitude today.)

With free enterprise, they moan righteously, some people get too much milk and others not enough. We better pass a law giving all the cows to the government.

But with nobody to get up and look after those sick government cows, pretty soon no one will have any milk.

You can't have no Utopia down here, pardner. How could an imperfect man run a perfect system anyway? — Bill Neal in McLean News.

### GLORY BE

Just received two tickets to the Truman Rally in Dallas, Oct. 17. The only time I would rally for Truman now would be to put him in orbit around the sun. He's the old boy who helped steal Texas tide-lands. He's the one who bragged no end recently on TV about selling America a bill of goods, i.e. the

United Nations. He's the one who through the UN, caused us to lose the Korean war and through that loss Southern Asia will soon be lost. He's the old boy that thinks socialism is a well planned society for us. He's the one who loved "Good Old Joe," cried about Red-Herrings and called the Un-American Activities Committee un-American. Yes, indeed, love that Truman, Rally for him? I'd rather clean out the hog pen. — Cecil O. Waggoner in Claude News.

### TRUTH WILL WIN OUT

I've been following with interest congress' investigation of the varied rigged quiz programs I never watched them in the past. They made me feel too inferior. But I've had a sneaking suspicion that all TV programs are rigged. Congress should investigate such shows as Wyatt Earp, Maj Dillan and Peladin. They always win.

I think their shows are rigged. It is interesting to see how the serious intent of congress is to protect "the people" yet they set on their fat fannies this past year and did absolutely nothing about the supreme court, the communist laws declared invalid by the court and a host of other serious defects of the government were allowed to drift.

My aching toe-nails! — Cecil O. Waggoner in Claude News.

Dear Editor: I see where some scientists claim the ability to spell words is inherited, so if a college graduate can't spell it's his parents who are to blame and not his teachers.

My born-speller neighbor says heredity is a handy item, especially in wiggling out of responsibility for our defects, but says people ought to be more careful about what they hand down to their defenseless progeny.

Like in passing on our \$300 billion national debt to the next generation, it would be a shame if they also inherited our deficit fever.

**Lubbock Sympathy Orchestra Opens Season Monday**

Lubbock Symphony Orchestra will open the 1959-60 season in Lubbock Municipal Auditorium at 8:15 p.m. Monday, October 26. One of the nation's most distinguished young pianists will be the soloist and he will also accompany the orchestra in several numbers. Mr. and Mrs. Wyatt Burkhalter, Lockney, both play in the symphony.

The orchestra, in addition to accompanying the guest soloist, will be heard in the playing of Beethoven's Overture, "The Consecration of the House", the second movement of Hector Berlioz, "Fantastic Symphony", and selections from the famous Moussorgsky work, "Pictures at an Exhibition."

Now in a strength of 95 players, the all-volunteer Orchestra will also offer as guest artists the distinguished names of Berl Synofsky, violinist, Nov. 23, 1959, playing the Tchaikowsky Concerto; and Theodor Uppman, brilliant young Metropolitan Opera Baritone, on Washington's birthday, Feb. 22, 1960.

The guest artist will be Leonard Pennario, founder-conductor of the symphony is William A. Harrod.

Those in this area desiring season tickets may see Mrs. Wyatt Burkhalter of Lockney, who will be glad to assist in securing the tickets. Prices for season tickets range from \$10.00, \$7.50 down to \$5.00 with student tickets at half price. Admission at the door for single performances will be \$3.50, \$2.50, \$2.00 and \$1.00.

**Mission Festival Observed**

Trinity Lutheran Church observed Mission festival Sunday. A bountiful supper was enjoyed after which special mission services were held. Rev. Mel of Portales delivered a most inspirational mission sermon. He had served in New Guinea for many years as a missionary, and told of his experiences. The Junior Lutherans and the women of Church gave their thank offering boxes at the morning service. The collection for the night service was \$499.25, which will go for missions.

**H. D. Club Meets**

Providence Home Demonstration club met Tuesday afternoon at the home of Mrs. L. B. Brandes. Mrs. A. K. Windecker brought the devotional. Mrs. L. B. Brandes, president, called the meeting to order. Business included a very nice report from council delegate, Mrs. Sam Jones. Discussion was also held on the organization of a community 4-H club for both boys and girls. This meeting will be held at night at the school house directed by adult leaders. If you are interested and if you have a 4-H boy and girl you should be interested. Ask the president or Mrs. Jones concerning this project.

Discussion was held on having a Thanksgiving supper. Definite plans will be made the next meeting.

Election of officers was held. President is Mrs. Sam Jones, vice president is Mrs. Helmut Quebe, secretary, Mrs. Crume, council delegate, Mrs. J. R. Turner.

Mrs. Marvin Scheele gave a very interesting demonstration on pillow making. She showed several very nice pillows. Miss Roggendorf gave a nice demonstration and showed films on proper lighting for the home.

Mrs. L. B. Brandes served chifon pumpkin pie and coffee to the following: Mmes. A. K. Windecker, Marvin Scheele, Helmut Quebe, Everett Crume, Bill Rogers, Wilfred Stoerner and E. M. Quebe.

Attending the Texas District Womens Missionary Society of American Lutheran Church are Mrs. Ben Quebe, and Mrs. Ben Brandes. They left Monday for McGregor. Ben Brandes will visit with his brother and sister at McGregor and Mrs. Ben Quebe and Mrs. Ben Brandes will go to the convention in a special chartered bus from the McGregor area to Houston.

Mrs. Wilfred Stoerner, 19th district president of American Legion Auxiliary will attend an all day meeting at the home of Mrs. James C. Johnson in Petersburg Thursday. The ladies will prepare articles to be displayed at the 19th district convention at Lubbock this week end. These articles will be sent to veterans hospitals and sent to his loved ones by the Auxiliary of American Leg-

**BAPTISM — WHAT IS IT FOR?**

The 9th chapter of Acts relates the story of how Christ called Saul of Tarsus to become an apostle. Verses 10 to 19 tell how Ananias, a disciple of the Lord, was sent to tell him what to do to be saved and verse 18 mentions his baptism.

Even though the purpose of his baptism is not given in this chapter, he later states that Ananias told him to "Arise, and be baptized, and WASH AWAY THY SINS, calling on the name of the Lord". (Acts 22:16.)

When Paul later wrote the book of Romans he explained how his sins were washed away. He explains that he, along with the Christians to whom he was writing were baptized INTO CHRIST'S DEATH. (Romans 6:3). Baptism, the final step in the plan of salvation, puts the sinner into the death of Christ, where his blood was shed.

## Quail Hunt To Be Held In Panhandle

Austin. — Another quail hunt is scheduled for the Panhandle this year on the Gene Howe Wildlife Management area, according to the Director of Wildlife Restoration, Texas Game and Fish Commission.  
 Dates for the hunt are Dec. 5, Dec. 19, Jan. 2, and Jan. 16. Applications now are being received for these hunts and permits will be issued after a public drawing to be held at 8 a.m. Nov. 13.

No preference can be given as to dates. All hunters will be required to hunt in pairs, with 13 pairs each day, for a total of 104 hunters. Only persons 17 years of age or older can be considered in the drawings for these hunts.

According to all reports, hunting will be good on the area this year. The quail population is high and hunting success should be very good, if dogs are used.

Those receiving permits are urged to take their dogs to the hunt, to prevent loss of birds. Because of the heavy vegetation this year, the loss of cripples and dead birds will probably be high, unless dogs are used.

Each man whose name is drawn will be permitted to hunt one day and will be entitled to the maximum of one day's limit, 12 quail.

Applications for the permits should be mailed to the Texas Game and Fish Commission, Walton State Bldg., Austin, in time to be there by the Nov. 13 deadline.

## Lone Star Rough Riders Club Meets

The Rough Riders Club of Lone Star met at their club house Saturday night for a barbecue supper and business meeting.

Dennis Griffith presided in the absence of the club president, Mark Merrell. Ricky Kellison, secretary, took minutes.

Members present were Max Stevenson, Ricky Kellison, Dennis Griffith, Johnny Lewis, Derrell Phillips, Rodger Dorman and Tim Hartman.

Guests of the club were mothers of the members. They were Mes. G. E. Kellison, M. W. Hartman, Albert Stevenson, Temple Lewis, J. D. Phillips, and Floyd Dorman.

Next meeting will be Saturday night, October 31, at the club house on the G. C. Applewhite farm.

Preparation of sweet - sour beets will be a success if you will mix 1/2 cup sugar, 2 teaspoons cornstarch, 1/2 cup vinegar, 1 bay leaf and 2 whole cloves together in a saucepan and cook over a medium flame until slightly thick and clear. Then remove the cloves and bay leaf and add 2 1/2 cups of sliced cooked beets, 1/2 teaspoon salt and a tablespoon of butter. Serve with smoked tongue or ham.

A million dollars, in one-thousand dollar bills, would make a stack barely 8 inches tall. BUT a billion dollars would make a stack 110 feet taller than the Washington Monument (or, 664 feet tall.)

## Powder Puff Battle Ends In Tie 26-26

The Powder Puff football game held Friday evening on Mitchell-Zimmerman field between Junior and Senior girls ended in a tie, 26-26. It was a very interesting contest with lots of offense being shown by both sides.

The Seniors won the toss and chose to receive. They drove down the field on successive power plays with Pat Buchanan driving for the ice - breaker score early in the first quarter. Try for the extra two points failed and the Seniors led 6-0. But the Juniors weren't long in evening things up. They received the kick on the 40 and started a drive of their own and soon Beverly Poteet drove over for the Juniors first score. Try for point failed again and the score was tied at 6 all.

The Seniors managed to push across another touchdown before the half and led at half-time 12-6. But the Juniors tied it up again soon after halftime intermission and thus the game continued. Each team managed to push across one try for point after touchdown and each scored four times.

For the Seniors Rita Falls and Donna Workman were outstanding along with Pat Buchanan. Falls did the kicking for the Seniors. For the Juniors, Gaylynn Roberson and Marcia Minter aided Beverly Poteet on offense. Maxine Vanek did the kicking for the Juniors and outstanding on defense were Charlotte Taylor, Janice Boedeker and June Caldwell.

Adding to the entertainment was the halftime show put on by the boy cheer leaders and majorettes. Dressed in girls clothing, the boys presented a marching formation, pranced and kicked up their heels in a lively manner.

Coaches for the Seniors were Jake Wofford, Terry Clark and Dan Smith. For the Juniors the coaches were Bill Mangold, Wayne Cooper and Doyle Freeman.

A crowd estimated at between 700 and 800 attended the game.

## ACROSS-THE-BORDER SUPPER

Season a pound of ground beef with salt, onion, chili peppers, cumin and oregano and saute over the fry flame on your range. Add a cup of whole kernel corn and 1 1/2 cups of tomato juice. Simmer until thick. Butter a large shallow baking dish and alternate the meat mixture with tortillas. Bake in oven at 350 degrees for 30 minutes. Serve with grated cheese and chopped scallions. Serves 4.

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford  
TEXAS PRESS ASSOCIATION

AUSTIN, TEXAS.—Rural and small town residents will have an advantage over their city cousins when the new auto insurance rating plan goes into effect Jan. 1.

Under the new system work of out by the State Board of Insurance, a driver's auto insurance premiums will be raised or lowered according to his driving record. Each accident or ticket for a moving violation, puts a "black mark" on the driver's record and moves his insurance premiums up a notch.

In the congested streets of the larger cities, one wrong move, even if unintentional, often brings a ticket or a crumpled fender or both. In most small towns, the local lawman is not usually too exercised if one of his friends and neighbors reakes a U-turn on the main street.

Purpose of the plan is to put the biggest part of the burden for insurance payments on the people who bring on the most damage and expense. People who have a history of numerous traffic violations, according to Department of Public Safety statistics, are the ones who have the most accidents. It is also hoped, of course, that the plan will encourage careful driving with its cash incentive.

Drivers with no record of an accident or violation for the past three years will get a 20 per cent reduction in their insurance rates. Drivers with one point against them will pay current rates.

Those with one to five points against them will pay increased rates on a sliding scale, and those with six or more points will pay through the nose—double rates.

Some activities will be very expensive, point-wise. Drunken driving, hit-and-run driving and negligent homicide will cost four points. An accident with damage over \$25 brings two points; running a red light, only one point.

**STILL AT IT**—For the umpteenth time, Texas' high powered legal talent has gone to Washington to battle for the state's tidelands before the United States Supreme Court. Gov. Price Daniel and Atty. Gen. Will Wilson head the team presenting Texas' claim that it owns the submerged lands for three leagues—or nearly 10 miles—into the Gulf. Federal attorneys argue that the state owns the land only three miles out.

Former Supreme Court Justice James P. Hart and J. Chrys Dougherty, a former assistant attorney general, also went to Washington to join in the presentation.

Other Gulf Coast states which are "in the same boat" with Texas on the tidelands issue are also participating in the now historic struggle.

**SAUNDERS ASKS RE-TRIAL**—Former Insurance Commissioner J. Byron Saunders is asking for a new trial of the perjury charges against him.

Saunders was convicted in an Austin district court and sentenced to two years in prison. He was accused of having lied to a legislative investigating committee as to why the now-bankrupt ICT Insurance Co. paid him \$7,000 while he was insurance commissioner. Saunders contended the money was payment for his interest in oil royalties on a piece of property he sold the company.

It is the first time in the history of the state that a person has been charged with perjury as a result of statements to a legislative committee. Saunders' attorneys have vowed to take it all the way to the U. S. Supreme Court if necessary.

**PANEL ON AGING**—Sen. Crawford Martin of Hillsboro has been named to head the Governor's Conference on Aging.

This group will study problems of elderly people and take

the state's report to the 1961 White House Conference on Aging.

Also named by Gov. Daniel to the panel are State Welfare Commissioner John Winters; State Health Commissioner J. E. Peavy; State Employment Commissioner Perry Brown; Dr. C. J. Rullmann, state director of mental health and hospitals; and Jess Irwin, the governor's budget director. Also, Mrs. William B. Ruggles, Herbert Shore and Eldred Thomas, all of Dallas.

**GIBBS RE-CALLED**—Joe P. Gibbs has, for the third time, been tapped to join the high command of the State Board of Insurance.

Gibbs was appointed by Gov. Daniel to succeed Board Member David B. Irons who will leave Nov. 1 to join a Dallas law firm. Irons said his resignation was not triggered by the Department's recent difficulties with the Legislature which cut salaries of top officials.

Gibbs served as an insurance commissioner from 1941 to 1952 as an appointee of Govs. W. Lee O'Daniel and Beauford Jester. He served again from 1957 through February, 1958, after Gov. Daniel made appointments to an entirely new, reorganized board.

**MORE APPOINTMENTS**—Other new appointees announced by Gov. Daniel are:

To the State Finance Commission: Lacy Boggess of Fort Worth, W. B. Russell of De Kalb and Walter Taylor of Tuscicola.

To the board of Texas Southern University: Dr. W. R. Banks of Prairie View.

To the Seed and Plant Board: Owen Gilbreath and Arthur Harper of Martindale, Heino Steffel Jr. of Austin and C. B. Godbey of College Station.

As chief justice of the Seventh Court of Civil Appeals, Amarillo: James G. Denton of Lubbock Howard Davison of Lubbock was named to serve Denton's unexpired term as

Judge of the 98th district court at Lubbock.

**HOSPITALS, COLLEGES A-BUILDING**—With a new fiscal year begun, state boards and agencies are busy making plans for building programs.

State Board for Hospitals and Special Schools announced that a 1,000-bed nursing hospital for mentally retarded patients will be built at Denton. Construction of new cottages to house mental patients at Denton is already underway.

University of Texas Board of Regents is beginning a \$17,895,000 building program spread over the various branches of the huge system. Most recently approved by the regents are three buildings for Texas Western University, El Paso. They will include a classroom-office building, a warehouse building and gymnasium-field house. Other UT projects, either begun or being planned, include improvements at the Medical Branch at Galveston and at McDonald Observatory,

OFFICE SUPPLIES at The BEACON OFFICE.

*Daddy wears the pants, we wear the Swirls! He loves the way we look in our matching mother and daughter Swirls, we love the quick, easy dressing our Swirls mean for both of us! Our look-alike Swirls are made of Cotron\*, a blend of cotton and Avisco rayon that mother hardly irons at all! We picked the Tyrolean print because the little figures look just like the ones on my hand-decorated nursery furniture! (Mother says they're true 'provincial'.)*

## Oct. 30 Date For Drawings On Deer Hunt

Austin. — Applications now are being received by the Game and Fish Commission for free deer hunts on five management areas in Texas. However, only one week remains before the 9 a.m. October 30 deadline for the entries.

Requests for application blanks for the hunt should be sent immediately to the Commission offices in Austin. Approximately 2,000 permits will be issued by the Commission this year, but to be eligible for one of these permits your application must be in Austin in time for the public drawing following the deadline.

The areas to be hunted are the Kerr, Engeling, Angelina, Elack Gap, and Sierra Diablo. All permits issued will be for 2-day hunts except for the Angelina area where 1-day permits will be issued.

A total 360 permits for a desired kill of 160 deer will be issued for the Kerr area; 150 permits for the Engeling area for 75 deer; 700 permit for 110 deer on the Angelina area; 400 permits for 160 deer on the Black Gap area; and 80 permits for 40 deer on the Sierra Diablo area.

Only persons 17 years or older will be permitted to hunt on these areas, according to the Director of Wildlife Restoration, Texas Game and Fish Commission. Applications can be filed on a party system, with not more than four persons in the party.

Visitors in the home of Mr. and Mrs. F. U. Payne last week were her sister, Mr. and Mrs. Ed Kenchello, Childress, who were here Friday, and her brother, Mr. and Mrs. E. B. Miles of Hereford who were here Thursday.

GO TO CHURCH SUNDAY.

Dear Editor:  
I note that whenever the country has a problem, somebody appoints a committee to study about it, and no matter what it is, the committee always finds that more money would cure it.

My hot-collared neighbor says this is like the learned doctors of another age who treated all ailments by bleeding the patient, and if he got sicker they just bled him some more.

Says now it's money the experts drain off, while they preach on how we can spend ourselves rich, rugged and righteous.

**CITATION BY PUBLICATION**  
THE STATE OF TEXAS  
To JESUS RAMIREZ, GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 30th day of November, A. D. 1959, at or before 10 o'clock A. M., before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's petition was filed on the 12th day of October, 1959.

The file number of said suit being No. 4643.

The names of the parties in said suit are: MARIA CANTU RAMIREZ as Plaintiff, and JESUS RAMIREZ as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce and for custody of the minor child of the parties, Cecil Ramirez, plaintiff alleging that defendant has been guilty of cruelty toward her of such nature as to render the further living together of the parties insupportable and as to entitle her to a divorce.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 12th day of October A. D. 1959.

Given under my hand and seal of said Court, at office in Floydada, Texas, this 12th day of October A. D. 1959.

Mary L. McPherson Clerk, District Court of Floyd County, Texas. 28-4tc. (SEAL)

### TIP ON COOKING EGG YOLK

When adding egg yolk to puddings, pie fillings or sauces, Margaret Spader, home service editor for the Gas Appliance Manufacturers Association, suggests that you stir the yolks well with a fork. Then add 2 or 3 tablespoons of the hot liquid or sauce to the yolks and mix well. Add two tablespoons more of the hot liquid, then turn the egg mixture into the pan and turn the flame to low. Blend well, stirring while it cooks for another minute or two. This method prevents curdling.

The music of most birds cannot be reproduced on any musical instrument, accurately.

### Cross McDaniel Dies At Rock Creek

Funeral services for Cross McDaniel, 70, who farmed in the Rock Creek Community north of Lockney for many years, were held at 3 p.m. Sunday at the Rock Creek Church of Christ. Officiating was Earl I. Cantwell, minister, and burial was in Silverton Cemetery under the direction of Roberts Funeral Home of Silverton.

Mr. McDaniel died at 7:10 a.m. Friday at his farm home. He was born November 17, 1883, in Foard County and moved to Briscoe County in 1891.

Survivors include his wife, Beulah Pearl; two sons, Ashel of Silverton and Billy of Amherst; a daughter, Mrs. Ruby McWaters of Silverton; a stepson, Rayford Townsend of Harrison, Ark.; five grandchildren and one great-grandchild.

Switzerland and Great Britain each must import about half of their food.

## HERE'S WHAT MAKES THE CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear—where it belongs in a compact car. With more weight on rear wheels, you get extra road-grabbing traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvair handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and uncluttered... as fresh and functional as modern architecture.

### Unipack Power Team

Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.

### UNISTRUT BODY BY FISHER

Body and frame are combined into a single rigidly constructed unit that reduces Corvair's weight, enlarges its passenger space.

### Practically FLAT FLOOR

Corvair is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat\* conveniently makes room for 17.6 cu. ft. of cargo. \*Optional on extra cost.

### TRUNK'S UP FRONT

Lots of luggage space under the hood, where it's convenient for groceries, packages.

### NEARLY 3 FEET SHORTER

Corvair's almost 5 inches lower, 1,300 pounds lighter, too, its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

### AIR COOLED

You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Air-plane-type heater\* goes to work almost instantly. \*Optional of extra cost.

### 4-Wheel Independent Suspension

Springs at each wheel cushion bumps independently of each other for a ride that rivals much costlier cars.

### Revolutionary Rear Engine

works small miracles with mileage. It's the world's first production with the ultra-smooth power of horizontally opposed pistons.

### ...and the most practical thing of all is Corvair's LOW PRICE!

**Charmed?**  
Bess Rothman, a charming lady herself, is returning to this area probably for the last time, to teach her charm school. Mrs. Rothman is well known throughout the state for her genuine interest in inspiring women to make the most of themselves. Her talk on "Fashion with Cents" at the District THDA meeting last spring at Plainview was enjoyed by many from this area so I thought you might like to know more about her classes. Subjects she will cover in her classes include: visual poise, foundation garments, line and color, make up, skin care, hair styling; accessories and personality.

She will be here November 2 through 6 holding classes at Petersburg 9-11 a.m. and at Plainview 1:00-5:00, 5:30-7:30 (teenage class) and 8:00-10:00 p.m.

The complete 5 day session costs \$15.00. Mothers attending the course may enroll a daughter for \$5.00.

If you desire an enrollment form or more information, call me at the Extension Office.

**Store Summer Clothes Properly**  
Careful storage will increase the life of your summer clothes, and make garments more wearable next season. Take the time to store and sort garments as you take them out of circulation for a season. Here are some suggestions that will help protect your wardrobe.

Mend any ripped seams, tears, loose buttons or other damages. A few stitches can lengthen the life of a garment.

Wash or dry clean all clothing before storing.

Store cottons and linens unironed. Make certain that all starch is removed as it can cause fabric to deteriorate and may attract silver fish.

Dry garments thoroughly and store them in a dry place to prevent mildew.

Store clothing in large boxes or trunks to make room in closets for fall and winter things.

**McStar Community 4-H Club Organized**  
A community 4-H Club was organized in the Starkey, McCoy communities last Thursday night. Mrs. Tom Porter and Mr. Turner Hunter were selected by the 4-H members as the organization leaders to meet with them each month. Officers selected were: Teddy Porter, President; Charles Wallace, Vice-President; Sue Wallace, Secretary-Treasurer and Bobby Fuston, council delegate. They plan to meet every 4th Monday night at the Starkey community house.

We hope to organize community 4-H Clubs in the near future at Lone Star, Aiken, Providence, Lockney and Floydada. We think that the community clubs give the 4-H members better opportunities for leadership training and their project training. Anyone between the ages of 9 and 20 who wants to participate in 4-H Club work can be a 4-H member.

She will be gone about ten days, making stop offs enroute home. She left by train from Littlefield. Others from Trinity Lutheran Church, Providence community, attending the meeting are Mrs. Ben Quebe and Mrs. Ben Brandes.

**Early Settler Dies At Fort Worth Oct. 10**

Mrs. Mabel V. White, 81, an early settler of Floyd County, died in a rest home at Fort Worth, October 10. Funeral services were held at Crowder & Brooks Chapel in Fort Worth on Monday, October 12th at 10 a.m. Burial was in Mount Olivet Cemetery.

Mrs. White came to Floyd County with her mother, Mrs. T. Cromartie, a widow, and the other children of the family in 1890. Mrs. Cromartie was proprietor of the Windsor Hotel at old Della Plains and when that town began to die, the hotel was moved two miles west to Mayshaw. But 1893 was a year of drought and grasshoppers and many people, including the Cromarties, left the county.

Mrs. White attended old Trinity University at Tehuana, Texas. She taught a three-months school at Richland, Texas, for which she received \$20.00 a month. Later she taught the old Roseland school in this county and stayed with the Uncle Wash Nichols family. Among her students were the Hamilton girls, Maud, Cora and Hope.

She was born Mable Verne Cromartie on February 16, 1873 in Limestone County, Texas. She was a member of the Unity Church and the Order of the Eastern Star.

Survivors include two sons, George Garner and Frank M. White; one daughter, Mrs. George F. Bunt and five grandchildren, all of Fort Worth. Mrs. White was a niece and cousin of the C. F. Ramsey family and visited in Lockney a number of times.

Kahun, Egypt, was built about 3,000 years ago as living quarters for workers on pyramids.

**TURNIPS FOR COMPANY?**

No need to apologize for serving "lowly" vegetables to company if you treat them respectfully. Take a turnip tip from the Gas Appliance Manufacturers Association, for example: Parboil young turnips in salted water with 1/2 teaspoon caraway seeds for 10 minutes over a high flame. Drain, peel and dice the turnips into a greased casserole. Add 1-3 up sour cream, 1/4 teaspoon basil, 2 teaspoons lemon juice, salt and paprika. Cover and bake at 375 degrees in oven for 20 minutes.

Some people never hit the mark because they never pull the trigger.

**RAILROAD FEATHERBEDDING:**

**\$500,000,000 LOSS**

**TO THE NATION—INCLUDING YOU—EVERY YEAR**

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

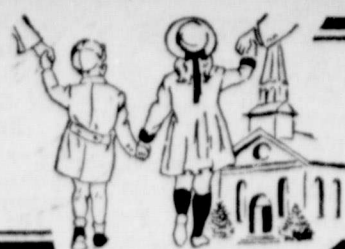

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

# Make Church - Going a Habit

## CROSSROADS

Here's what happens when four super-highways meet—a far cry from that simple "plus mark" we used to call an intersection!

Life is becoming more complex, isn't it? No longer is it simply a matter of finding the right road. Today you can't even get on the right road until you find the right *approach*. And you had better be mighty sure of the direction you want to go, or you'll find yourself speeding away from your destination on a turnpike that permits no U-turn.

As life has become more complex, the value of a deep abiding religious conviction has become more evident. Against a background of confusion and uncertainty the confident assurance of Christian faith is sharply silhouetted.

And the millions who have turned to the Church for truth and guidance have made a thrilling discovery. The Way of Christ is still just as clear, direct, and inspiring as it was to those who heard it first by the Galilean road.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### El Progreso Has Travel Program About Turkey

El Progreso Study Club heard a most interesting travel program Wednesday afternoon in the home of Mrs. Clyde Applewhite when Mrs. Jim Postlewaite showed slides and spoke on Turkey, Greece and the Holy Land.

Colonel and Mrs. Postlewaite, the former Estelle Hodel, and sons have recently returned from a two-year tenure in Turkey where Col. Postlewaite was stationed with the U.S. Air Force. Col. Postlewaite has gone on to Washington state where

the family will live. His wife and sons, Craig and Jimmy, will spend six or eight weeks here visiting her mother, Mrs. John Hodel, pending the arrival of their furniture from overseas.

Following the program refreshments were served to Mmes. Milton Ashton, Jo Taylor, Henry Schacht, Edd Whitfill, Bill Hodel, Owen Thornton, Dee Copeland, Charles Duran, Barry Barker, Jesse Cox, Howard Smith, Leslie Ferguson, Ekwald Quebe, Henry Hodel, members, and three guests, Mmes. Verner Hodel, H. H. Nicholas, Postlewaite; and the hostess.

Next meeting will be in the home of Mrs. T. B. Mitchell on October 28 at 4 o'clock.

### Farm Bureau Adopts Resolutions, Adds Others On Electric Co-op

The Floyd County Farm Bureau, in annual convention at the American Legion Home here last Thursday night, adopted the resolutions they had previously outlined, some with changes and added three more concerning electric co-operatives. Some 60 were present for the meeting, according to Farm Bureau officials.

The resolutions all will be presented to the state convention of Farm Bureau which meets in San Antonio November 8-11.

The county organization passed the following resolutions relating to electric co-operatives:

1. Recommend that all electric co-operatives be urged to examine their charter and by-laws and be sure that these provide that the sale of substantially all property of the corporation be made only upon a vote of a majority of the membership and that no proxy vote be considered in the tabulation.

2. Recommend that the statute under which the organization is incorporated be amended to require such a vote on sale of corporate assets or dissolution.

3. The third resolution urged that electric co-operatives pay for the money they borrow. The resolution went on to say that a co-op should pay the cost of the money to the government insofar as it can afford to do so while performing its covenant with REA to serve the entire area. As the co-operatives reach their growth, the resolution said, it is anticipated that the time will come when they shall not have to depend upon government credit. The time has not yet arrived. Until it does, the government should continue to keep thoroughly safeguarded security for its investment and avoid all unnecessary cost of REA participation, the resolution concluded.

4. Farm Bureau recommends and urges the enactment of a state law to allow the electric co-operatives equal rights with other electric suppliers when they invade co-operative service areas.

The other resolutions adopted by the board with the changes noted from the original text as published in The Beacon recently were:

A request to Legislature to enact legislation requiring collection of taxes on all state licensed vehicles, requiring tax receipt before license is issued, and also requiring a drivers license before vehicle is registered. Additions to this resolution recommended that the owner be required to show

financial responsibility to cover property damage in accidents before license is issued.

Resolutions to recommend a change in weed control law was passed without change.

The group voted to recommend both a suitable natural resources tax and a general sales tax in order to better finance the state public schools.

In the resolution asking for more accurate classing of cotton, and better wrapping, the group added a recommendation that a micronaire test be taken on each bale and stamped on grade card.

The resolution regarding changing time limit on filing for state gasoline tax refund was passed without change.

The resolution regarding underground water and opposing a statewide ad valorem tax was passed without change.

All other resolutions were passed without change. Door prizes awarded at the meeting included these: David Betty Jr., blanket; J.W. Franklin, kodak set; Joe Reeves, bathroom scales; Wilfred Stoerner, spotlight; Robert L. Smith, ash trays.

The county organization has a paid membership of 590 at present, according to W. R. Puckett, service officer.

Even a tombstone will say good things about a guy when he's down.

It's time enough to say it when you know it to be true.

### Lions Club Has Ladies Night

Fifty-four Lions Club members, their wives or other guests were present for a Ladies Night program Monday evening at Golden's Restaurant.

Mrs. C. L. Record played a medley of songs and accompanied her husband who sang "The King and I" and "His Hand in Mine".

Mr. and Mrs. Leon Wofford showed slides made during a trip to Miami, Florida, taken by them and Mr. and Mrs. Valca Thomas last summer.

Special door prizes for the women present were won by Mrs. Joe Handley, Mrs. Richard Wiley and Mrs. Dub Mercer. They received miniature Lions Club pins and earrings.

Tom Moore won the traveling booby prize for being the only Lion Club member not present. He will have the privilege of keeping a goose for the next week.

Club member's wives were reminded to bring their husbands out to the annual Teachers Appreciation banquet scheduled November 20.

Mr. and Mrs. Tom Simpson were presented a special gift in recognition of their work in preparing the float the club entered in the Fair parade.

Special guests included Rev. and Mrs. Russell McAnally, Mr. and Mrs. Claude Brown, Mr. and Mrs. C. L. Record.
