"Profit System" For Citizen Meeting Tonight

The "Profit System" is the basic of capitalism will be discussed at the Citizen Training Course (Thursday) at the high school auditorium. This is the first in a series of six which are sponsored by the Floyd County Farm Bureau. The course is Dr. Jack Bates, dean of Lubbock Christian College, Lubbock. The course starts at 7:30 p.m. The importance of the profit system will be emphasized. The group will study typical American companies and the distribution of their sales dollar. The actual benefits of the profit system will be contrasted with false hopes and empty promises of all systems of controlled economy. Everyone is invited to attend the sessions. There is no charge.

MOST OUTSTANDING CITIZENS of the Lockney Community for the past year were presented with loving cups and plaques at the annual Lockney Chamber of Commerce membership meeting last Thursday night. At left, Mrs. R. L. (Betty) Knox Jr. was named most outstanding woman of the community. At right is Charlie Boedeker who was named most outstanding citizen. Center is R. M. Olsen, last year's winner of the outstanding citizen award, who made the presentations.

Charlie Boedeker, Betty Knox Named Outstanding At Banquet

Charlie Boedeker, a farmer of the Prairie Chapel Providence community and Betty Knox, wife of a Lockney groceryman, were named the outstanding citizens of the past year at the annual Lockney Chamber of Commerce banquet last Thursday evening. Presentation of traveling loving cups on which their names had been engraved and personal plaques was made by R. M. Olsen, local telephone service man, who was named Lockney's outstanding citizen last year. It was the first year to name an outstanding woman of the community.

Boedeker is a man who is very active in community and church affairs. He is at present secretary of the board of trustees of the Lockney Independent School District, is past-president of the Floyd County Fair Association and still active in helping to stage that event, is past master of the Lockney Masonic Lodge and has worked in many civic affairs of the area. He is past president of Lone Prairie Gas Association. He is a member of the Trinity Lutheran Church at Providence and he was reared in that community. He and Mrs. Boedeker have one daughter, Janice, who is a junior in Lockney High School, an outstanding student and athlete. She was this week chosen to attend Girls State at Austin, sponsored by the American Legion Auxiliary. They have a son, Terry, age six who will start to school next September.

Mrs. Knox is the wife of R. L. Knox Jr., who was chosen as Lockney's outstanding citizen in 1955. She teaches a Sunday school class at the Lockney Methodist Church and is a member and officer of Lockney Business & Professional Woman's Club. She is active in civic affairs, always willing to serve on the working committees and much of her civic work is done in the background with little public recognition. She has headed the decorating committees on a number of local banquets and has been especially active in the Mothers March on Polio, staged each spring. She helps with Cub Scout work. Mr. and Mrs. Knox have a son, Rickie, who is in Cub Scouts and the second grade in school.

Barry Barker very ably served as master of ceremonies for the annual affair. The Lockney quartet, composed of C. L. Record, Oliver Holmes, Raymond Rucker and Ike Johnson, and accompanied by Mrs. Record, entertained the group with some old time harmony. Fred Byrd, retiring president, gave the welcome and recognized out-of-town guests, and President Owen Thornton introduced the officers and directors. Plans for the coming year were listed by Mondell Mills, secretary of the local Chamber.

Louie E. Throgmorton, vice-president of Republic National Life Insurance Co. of Dallas kept the crowd in a good humor and very interested with a 45-minute talk composed of a mixture of humor and horse sense. Guests were present from Silverton, Floydada, Plainview, Tulla, Amarillo, and Lubbock. The meal was prepared by Mrs. Olive Myers and her staff at the school cafeteria and served by Homemaking girls under the direction of Mrs. Wilma Adams.

Three Longhorns In Region I Meet Friday, Saturday

Three Lockney High athletes will vie for honors in the Region I track and field meet at Texas Tech field in Lubbock this weekend. The three Longhorn tracksters—Lewis Eiland, Jimmy Whitfill, Dan Smith—qualified for the regional meet by placing first or second in the District 2-AA meet two weeks ago.

Preliminaries get underway Friday afternoon with the finals on Saturday afternoon. The first two places in each event qualifies for the Red Raider Relays April 30 and the state meet in Austin, May 6-7. Eiland, who won the district 880 yard run will compete in that event. Smith will compete in the discuss throw which he won in the 2-AA meet. By winning a coin toss, Whitfill became eligible to enter the Region I high jump after tying with three other athletes in the district meet.

Last Friday the local boys entered the Andrews meet. Whitfill, only a sophomore, leaped 5'9 1/2" to claim first place in Division II high jump. Whitfill's jump set a new meet mark for Division II (Class AA, A, B schools).

New Officers Are Selected By Band Boosters

Officers for the next school term have been nominated to serve the Longhorn Band Boosters Club. They will be elected and installed next Tuesday evening at the High School Cafeteria beginning at 7:30 p.m. C. L. Record has been selected as the new president. Other new officers who have consented to serve are Mrs. Howard Mosley, vice-president; Mrs. S. A. Freeman, secretary; Mrs. Lena White, reporter; Mrs. Henry Bollman, treasurer.

After the business meeting Tuesday evening during which these officers will be elected, an installation service will be held. To conclude the meeting a tea will be given in honor of the new officers. All parents of held. To conclude the matting a terested persons are invited to attend the meeting.

The home of Mr. and Mrs. Wyatt Burkhalter, band director and wife, was the scene of the nominating committee meeting last Tuesday evening. Mrs. Burkhalter served homemade cookies, candies and coffee to the following members, Johnny Race, retiring president; Mrs. Melvin Potts, vice president; Mrs. Milton Ashion, treasurer; Mrs. Lavern Cartel, secretary; Mrs. Clark Harris, reporter, and Lavern Cartel, past president.

Mr. and Mrs. R. W. Cox and Dwight visited Mr. and Mrs. Pete Wisner in Isabell, Okla., over the Easter holidays.

Bill Mangold Is Accepted For Training Program

Bill Mangold, a junior in Lockney High and son of Dr. and Mrs. W. J. Mangold, has been accepted for a five-weeks biology training course this summer at Stephen F. Austin State College, Nacogdoches. Bill qualified for the course by taking a specialized test offered early this year through the Texas Education Agency. His high school grades were also considered. For those who qualify, tuition is free for the course.

The summer courses are offered through a Science Training Program sponsored by the federal government under the National Defense Act. It is designed to give the student a more thorough insight into the biological sciences. The course will include laboratory and field experiences as well as class room work.

Services For J. R. Graham Held Tuesday

Funeral services for J. R. Graham, 86 years of age, were held at the Carter Funeral Chapel here Tuesday at 2:30 o'clock. Officiating was Rev. M. A. Smith, pastor of the First Baptist Church of Dimmitt. Burial was in the Lockney Cemetery beside the grave of his wife, who passed away just a little more than a month ago, March 7th.

Mr. Graham passed away early Sunday morning at the home of a daughter, Mrs. Fay Pinner, in Dimmitt. He had been in ill health for years and was seriously ill for the past three weeks.

James Rufus Graham was born Sept. 23, 1873, in Corinth, Miss. He later lived in Oklahoma and was married to Miss Kate Clarkston at Blair, Okla. on June 30, 1909. The couple moved to Vernon, later lived at Wellington and then came to Hale Center in 1925. From there they moved to Lockney in 1937. Mr. Graham was a farmer most of his active life.

Mr. Graham became a Christian at the age of 17 and had served as a deacon in the Baptist Church for more than 50 years. He had held various church offices during his active life and in the local church he served several years as chairman of the benevolence committee.

Survivors include two daughters, Mrs. Pinner of Dimmitt; Mrs. O. A. Fike of Skelleytown; Clark brothers, Laurence and O. O. of Fort Worth, G. C. H. G. and C. S. of Wellington and G. L. of Greenville; one sister, Mrs. Willie Alexander, Pampa. Carter Funeral Home of Lockney was in charge of arrangements. Pallbearers were Dale Laceywell, V. H. Kellison, Jewell Rexrode, R. C. Mitchell, Jim Pinner and Oscar Wiley.

GO TO CHURCH SUNDAY.

Swimming Pool Fund Passes \$8,000 Mark

The fund for a new community swimming pool, being raised by public donations, has passed the \$8,000 mark. Mrs. Rusty Bacus reported Wednesday afternoon and the committee is still hard at work. The goal is \$20,000 and the big thermometer sitting on Main Street in front of the Crager building keeps the public informed as to the progress of the drive.

"We still have a good number of prospects which haven't been contacted," Mrs. Bacus said, "and we have contacted a number of firms and individuals who haven't yet decided how much they can give."

The committee will hold a meeting tonight (Thursday) at 8 o'clock at the American Legion Hall with a number of contractors. The contractors are due to give firm bids on the construction of the pool at that time. At least three contractors are scheduled to attend.

Mrs. Bacus suggested that if there is anyone who hasn't been contacted and who wishes to make a donation toward the construction of the swimming pool, they may leave their money at Byrd Pharmacy.

Mrs. Jones Is City Secretary

Mrs. Madge Jones of Floydada was named Lockney's new city secretary by the City Council in their meeting Tuesday night. Mrs. Jones is a daughter of Mrs. Nannie Aycock and will move here and make her home with Mrs. Aycock soon. The Beacon was told.

Mrs. Jones has been employed for the past three years in the office of Tax Assessor-Collector T. T. Hamilton and is thoroughly familiar with that matter. Mayor J. E. Cox said. For this reason, the Council felt she was probably the best qualified for the position, the mayor said. The Council had about 15 written applications for the job.

Rowell's Store To Open Friday

Mr. and Mrs. Henry Rowell will open their new grocery store at Sterley Friday of this week. The new 30x40 frame and stucco building is located on the paved loop in Sterley just south of the Sterley Gin.

The Rowells will carry a complete line of groceries, fresh fruits and vegetables and fresh meats. Mrs. Rowell said this week. They will also have a snack bar.

Methodists Plan Building Program

Lockney Methodist Church will build a 4,000 square foot addition to their church plant, according to a decision reached by the membership in the quarterly conference held last Friday evening.

Hi-Plains Gin Will Have Free Barbecue

The Hi-Plains Gin of Lockney is having a free barbecue at the Lockney American Legion Home on Friday evening of this week. The affair starts at 5 p.m. and the public is invited, according to H. G. Hodges, gin manager.

The local gin recently purchased the reserve champion calf at the Floyd County Junior Livestock Show and this is the meat which will be served at the barbecue, Hodges said. It was raised and shown by Francis Montandon Jr.

Nothing Missing After Break-In

Nothing has been missed at the Lloyd Readhimer home following a break-in there over the week end. The Readhimers and the R. L. Rhodens left Friday morning and spent the weekend in Old Mexico. Upon their return Sunday night they found that someone had entered the home through a bedroom window, leaving muddy tracks in the bedroom but up to Wednesday of this week Mrs. Readhimer said she had missed nothing.

LOCAL GIRLS AND BOYS STATE DELEGATES ARE SELECTED

Delegates to the Girls Bluebonnet State and Boys State from Lockney High School were named this week. They are Miss Janice Boedeker, 16-year-old daughter of Mr. and Mrs. Charlie Boedeker, and Warren Mitchell, 16-year-old son of Mr. and Mrs. Chester Mitchell.

Girls State will be held June 8-17 at Texas School for the Blind in Austin and Boys State will be held June 2-11 on the campus of Texas University, Austin. The American Legion Auxiliary sponsors the girls and the American Legion sponsors the boys with their expenses paid by the local organizations.

The delegates are selected from the Junior class by the school faculty and the sponsoring organizations on the basis of leadership, scholarship, character, cooperation and physical fitness.

Alternate delegate to Girls State is Nancy Jo Schacht, daughter of Mr. and Mrs. Henry Schacht. Wayne Cooper, son of Mr. and Mrs. Melvin Cooper, is alternate for Boys State.

Miss Boedeker is a cheerleader, secretary of F.T.A., will be vice-president of F.H.A. next term, she made all-district in basketball. One of her poems won national honors. She is president of the Luther League at Trinity Lutheran Church and is treasurer of the District Luther League. She sings with a group called the Teen Tones and is a pianist.

Warren is vice-president of the County Wide 4-H Club, vice-president of the Student Council, is active in football and track and was runner-up this year for the honor of Most Handsome. He is a member of the F.T.A. and is a Junior Class personality.

They will be given practical experiences in county, state and national government including an education in the duties, privileges and responsibilities as an American citizen.

A "run-off" election for one place on the board of trustees of Lockney Independent School District will be held Saturday of this week, April 23rd, and is drawing lots of interest. Some are predicting the vote will be heavier than in the first election when a total of 453 votes were cast. The ballot will carry the names of Oscar Golden and G. B. Johnston Jr.

The "run-off" came about when the two candidates tied for second place with 206 votes each in the first election, April 2nd. There were two to be elected with Dillon Patterson of Lockney leading the ticket and being elected to one of the places.

Golden is presently a member of the board and has served as president for the past two terms. He is a prominent farmer of the Aiken community. Johnston farms in the Lone Star community and he, too, has shown a deep interest in school affairs for the past several years.

The election will be held at the Lockney High School building with the polls opening at 8 a.m. and closing at 7 p.m. Henry Schacht has been named presiding judge, and clerks are Mrs. Frank Jameson, Mrs. Luke Grantham and Chester Cartel. Holdover members of the board are Charlie Boedeker, Kenneth Wofford, Owen Thornton, Dr. W. J. Mangold and Melvin Potts.

Pre-School Clinic Set For May 6

The annual pre-school clinic, sponsored by Lockney Parent-Teacher Association will take place May 6 from 1:00 until 4:00 p.m. at the basement of the Methodist Church. The announcement is given by Mrs. Elsie Peckham, school nurse.

The doctors at both hospitals here will help with the clinic as will Dr. Wayne Greer, dentist, and Dr. McIntosh of Floydada, optometrist. Vaccinations for small pox, and the diptheria whooping cough and tetanus shot will be given free of charge if the parents wish, to all children who will start to school next fall for the first time.

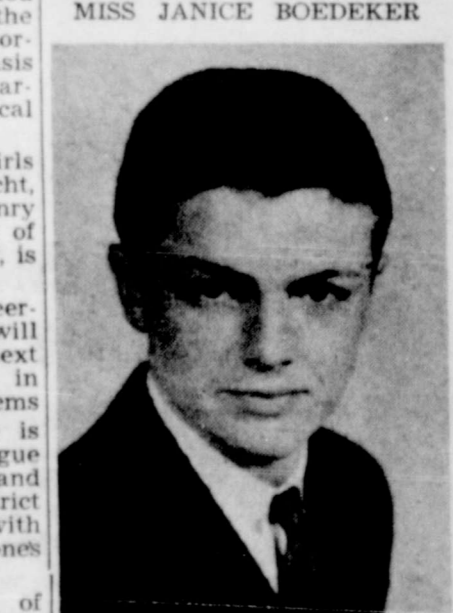

Mrs. Peckham reports she has checked all children in the schools except junior high and they will be checked Monday, April 25. The children have been given the TB patch test and very few positives were found. Also there are fewer bad teeth and tonsils this year.

ATTENDS MEETING

Mr. and Mrs. Mondell Mills were in Amarillo Tuesday where he attended a meeting of the board of directors of the Producers Grain Corporation.

MISS JANICE BOEDEKER

WARREN MITCHELL

IN PLAINVIEW HOSPITAL
Mrs. E. A. Carter is in Plainview Hospital where she is under medical treatment. She entered the hospital Monday and was showing some improvement Wednesday, relatives reported. A daughter, Mrs. Erwin Boyd of Odessa is here visiting the Carters.

EDITORIAL

But your iniquities have separated between you and your God, and your sins have hid His face from you. —Isaiah 59:2.

OLD H. M. BAGGARLEY, who holds forth at the Tulia Herald, spends a lot of column inches trying to convince somebody — either himself or his readers — that he is a very smart man and that his opinions are as gifts from Heaven — to be sought after and cherished. Needless to say, there are a few of us left in this part of the world who question that opinion. In fact, we think he is wrong more than he is right as is evidenced by the clasp that comes forth from his column called "The Country Editor." Just this past week, however, a small part of his column half-way made sense because he picked it up from the Baptist Standard. Here is what it said:

"ONE PARAGRAPH from the pen of Editor James in last week's Standard sounded like something that might have appeared in The Tulia Herald, therefore it is good.

Here it is: "It is quite the custom now to call everyone a communist sympathizer if he doesn't adhere to the status quo. If a preacher becomes a liberal he is called a communist. If one believes in public school integration, he is a communist. If he seeks to get people out of the slums, he is a communist. If he raises a voice against Romanist designs, he is a communist. If he raises a question about the accuracy of the King James translation, he is a communist. In fact, to some persons most everyone is a communist or a sympathizer unless he belongs to their crowd and sees eye to eye with them."

Don't look now, but we know some Baptists within a 50-mile radius of Tulia on whose toes Dr. James is treading.

WE DO NOT need to tell our readers that Mr. Baggarley is throwing that last paragraph

at us and also that it is wholly untrue. Mr. Baggarley himself knows that we have never called him a Communist so we fail to understand why he would make such a statement unless he has adopted the Communist tactics of distorting the truth to serve his own purposes.

WE BELIEVE that Mr. Baggarley is sincere in his political convictions and perhaps thinks that those purposes are good for the country. We also think he is a glib victim of socialism and ultra-liberal preaching and doesn't realize the terrible consequences that result from a nation traveling the trail of socialism. As was very ably pointed out last Thursday night by Dr. Jack Bates of Lubbock in the citizenship training course here, socialism is the midway step between free enterprise government and communism. He also had facts to prove that with socialism must come government control of all phases of life and eventual dictatorship or some other form of complete central government control. So why take the step? Are Americans so weak, so unlearned, so dependent upon the "brain trusters", and the "bureaucrats" that we can no longer handle our own private affairs, make our own living and raise our own families?

NO, MR. BAGGARLEY is not a Communist. He probably hates the term as much as the rest of us. But he has unwittingly allowed himself to fall into the trap of socialist teachings, because he cannot learn from the lessons of history. A simple glance at the fate of other socialist governments would teach us all that such a course is not one desired by free and independent people. If we must starve, let us at least starve as free men.

SPEAKING of communism and socialism, we seem to remember that history teaches us that Karl Marx was the founder of both modern socialism and communism and that his famous doctrine, "From each according to his ability, to each according to his need," applied both to socialism and communism.

IN AN EDITORIAL discussing the foreign travels of President Eisenhower and Premier Khrushchev, The Wall Street Journal observes: "We are not saying that America's foreign policies are all above criticism or that a Presidential trip can correct what is wrong. We are merely saying that a nation, and a political system, is bound to act in character much of the time, and it is therefore inevitable for Eisenhower to radiate good will and Khrushchev ill will. As long as this country continues to act in accordance with its traditions and institutions, and the Communists in accordance with theirs, we need not fear unduly that the world will be lost to slavery."

COMMUNIST PARTIES in capitalist countries have grown from 58 to 71 in the past 20 years. Memberships is up from 1.5 million to 4.5 million, according to the World Marxist Review.

IN THE LAST 20 years, population in this country has increased 33 per cent, while the cost of federal, state and local government has increased 600 per cent, or 18 times as much.

PASTOR OUTLINES COMMUNITY PLAN

Business men usually are proud of their own "college of hard knocks" through which they have become educated in the profit and loss tactics of competition. For that reason, they sometimes are dubious of advice from outsiders, especially when those outsiders haven't climbed the same business ladder.

But a preacher turned the tables on them here last week in the West Texas Chamber of Commerce workshop. The table was turned neatly and efficiently.

Rev. Gage Lloyd, Presbyterian minister of Big Spring, did the trick as he mapped a 4-point program for civic leaders in their leadership responsibility.

Here's the 4 markers the preacher posted for responsible leadership and service to community: (1) planning, (2) capital, (3) the will to reach out and (4) courage to propose new progress in face of opposition.

The minister, who probably has looked at as many money worries as the businessmen while fighting a never-ending battle with church budget, focused special attention upon

the matter of capital — risk money, in particular. "When you find tight money," he warned, "you find a community that is dead."

The applause from more than 100 Chamber of Commerce leaders from an area reaching from Canadian to Del Rio was enthusiastic — a pretty fair indication of agreement. — Colorado City Record

POLITICAL RALLY

Almost everyone agrees that Saturday's political rally is a good thing. Almost everyone also joins in the hope that it won't turn out like the last one held here.

On that occasion a Floydada judge climaxed the program with an hour and a half filibuster on behalf of Ralph Yarborough while candidates and spectators sweltered in the July sun.

And the irony of it all, says one of the candidates who vividly remembers the slow broil, is that you can recite all Ralph's subsequent accomplishments in the same time and have 89½ minutes left. — Joe W. Brown in Lorenzo Tribune.

Dear Editor: I see where there was some notice of the 100th anniversary of the Pony Express, which didn't last long but is still remembered on account of its fast service.

But my pro-now neighbor says the horsebackers' time of 2000 miles is about 10 days is not so remarkable. After only 100 years our jet-age Summerfield postoffice system sometimes hauls a letter that distance in only five or six days.

Says they might even be matching the Pony Express speed with parcel post, too, but having to put all that postage on them makes the packages so heavy.

Workshop, Salad Luncheon Enjoyed By Garden Club

Lockney Garden Club enjoyed an all-day workshop and salad luncheon Friday, April 15, in the basement of the Methodist Church.

Mrs. W. M. Alexander, well informed and talented gardener from Anton, was in charge of the workshop, giving valuable lectures on arranging yard flowers as well as the more cultured hot house flowers.

Those present were Meses. Roy Patterson, Alex Norris, Kelton Shew, R. W. Smith, A. P. Barker, R. C. Mitchell, Dale Laceywell, Clyde Briley, Austin Meriwether, T. B. Mitchell, J. B. Seale, Tom Rankin, Frank Roberson and L. M. Honea and Alexander.

A called meeting was held Wednesday of this week in which the new officers were installed for the new club year. Mrs. Austin Meriwether is the incoming president, Mrs. Felicia Applewhite was the installing officer. Plans were also made for the club's participation in the forthcoming cancer drive.

Mrs. Blanche Phegley of Denver City spent the Easter holidays here visiting her daughter, Mrs. Art Barker and family.

Mrs. Lula Woodburn returned home Monday after spending twelve days visiting her sister, Mrs. Clyde Dunn and Mr. Dunn at Kermit. Mrs. Dunn accompanied her home and went on to Lubbock on business.

LIONS QUEEN — Miss Sandra Kay Fewell, 16-year-old daughter of Mr. and Mrs. W. H. Fewell, was named queen of the Lockney Lions Club in a recent meeting. She will represent the Lockney Club in the District 2-T-2 Queen Contest at the district convention in Lubbock May 5, 6, and 7. Miss Fewell and her parents moved to Lockney March 1st from Crosbyton. She is a junior in high school and a member of the Longhorn Band. At Crosbyton she was a majorette, a member of the annual staff and art editor of the school newspaper. She is a member of the F. H. A.

B&PW Club Dinner Honors LHS Girls

Lockney B&PW Club entertained four Lockney High School girls with a dinner Tuesday night at Golden's Restaurant.

The girls were selected by the school faculty to receive the B&PW Good Citizenship award given annually to four senior girls. They are chosen on the basis of character, attitude, cooperation, scholarship and other outstanding qualifications. Chosen for this year's award are Donna Dorman, Donna Workman, Violet Haggard and Eleanore Baxter.

Mrs. Betty Knox introduced the girls and they in turn told the accomplishments of one of the other girls. The girls names will be added to a plaque which hangs in the school hall. The club recognized Mrs. Betty Knox who had been selected to receive the Chamber of Commerce award as "Woman of the Year."

The table was centered with a girl graduate dressed in white cap and gown standing on a platform surrounded with red rose buds. White books accented with red rose buds were placed along the center of the table. Favors were miniature diplomas inscribed "LHS 1960." Miniature gold trophies were attached to the honorees' diplomas. Places were marked with white cards decorated with red rose buds.

Dinner Honors Mrs. Olive Myers

Mrs. Olive Myers was honored with a birthday dinner Easter Sunday in the home of her daughter, Mrs. Jay McPherson.

Those enjoying the occasion were Mr. and Mrs. Jackie Myers and family, Lubbock; Mr. and Mrs. Don Myers and Marcia, Denver City; Mr. and Mrs. Jimmy Myers and Lesli Kim, Fort Sam Houston; Mr. and Mrs. B. J. Veal and boys, Plainview; Roy Hunter, Canyon; Mr. and Mrs. Jay McPherson and girls, Stanley Mudgett, Lockney, and the honoree.

Mr. and Mrs. Wayne Cumble of Happy spent Sunday visiting his parents, Mr. and Mrs. Joe Cumble and Nadine.

Coffee Honors New Residents

The home of Mrs. Max Marble was the scene for a "Get Acquainted" coffee honoring Mrs. Dwayne Smith and seven-week-old son, Richard. Mr. and Mrs. Smith and Richard have recently moved into the old Roseland community east of Lockney.

Coffee, spice cake and doughnuts were served to the following guests, Meses. E. A. McLeod, Hilburn Casey, Bud Casey and Ronnie, Frank Brown, Buck Ford and Ricky, Johns Cox, Hugh Marble, Thelma McReiland, the honorees and the hostess.

Miss Kay Calvert of Corsicana visited with Miss Janice Hays in the home of her parents, Mr. and Mrs. Edgar Hays over the Easter holidays. They left Monday at noon for Waco where they are students at Baylor University. They accompanied Tom Warren and Charles Gourley of Amarillo and Miss Karen Goen, Floydada, on the return trip.

South Plains

By Mrs. Murray Julian

Easter was bright and sunny but cold with a 31 degree shippers to don coats. This temperature which caused work Monday the low was 30 degrees, which is said to be hard on the young wheat now in joint.

One hundred and twenty-five were present for Easter services Sunday morning, and the wonderful revival sermons were closed out, as Rev. E. O. Adams and wife, who had spent the week here with Rev. and Mrs. John Gillispie, left for their home in Tularosa, New Mexico.

Sunday night there were 85 at TU, and several more including Mrs. J. K. Bean and Mr. and Mrs. Walter Bean of Silverton came later for the baptismal services. The church was filled with visitors from Aiken and Sand Hill Baptist

Churches at every meeting during the week.

Mrs. Nell McGuffey of Amarillo spent Easter Sunday afternoon here with Mr. and Mrs. Arby Mulder and children.

Ladies who served lunches or dinners to the ministers and guests during the past week were Meses. Grigsby Milton, Sylvan Kinnibrugh, Bryan Karr, Ed Noel, H. S. Calahan Jr., Arby Mulder, L. T. Wood, Bryant Higginbotham, J. P. Taylor, Frank McClure, Murray Julian, Garvin Beedy and Sim Reeves.

Guests at dinner in the home of Mr. and Mrs. Otho Sanders and children included Mr. and Mrs. W. M. Sanders, Mr. and Mrs. Lorin Liebfried, Mr. and Mrs. J. F. Colston, Mrs. C. E. Bartlett, all of Floydada, and Miss Doris Waters of Hale Center. During the afternoon Curtis Leatherwood of Wake and Miss Carolyn Holcomb of Crosbyton also visited.

South Plains teachers and school children celebrated Easter with a holiday on Good Friday. High school students were also off that day.

Mr. and Mrs. Truman Bradshaw had as guests Monday to Thursday last week her sister, Mrs. Mattie O'Neal, and her nephew, Clarence Miller, both of Tuscon, Ariz.

Mr. and Mrs. Shelby Calahan and children and Mrs. Bryan Karr were among those who went to Lockney Sunday afternoon to visit their parents, Mr. and Mrs. H. S. Calahan Sr.

Mr. and Mrs. E. J. Kinslow had as visitors Monday Mrs. B. L. Ellison, and Mr. and Mrs. Tommy Mabry, Petersburg.

We offer our sympathy to Mrs. Lee Pearson and family in the passing of her mother, Mrs. Bell, 89, who passed away Sunday in Albuquerque, N. M.

Mr. and Mrs. John Key West had their children for Easter Sunday including Mr. and Mrs. Kenneth Bean and children, Mr. and Mrs. Johnny West, Winfred and Dale West.

We are glad to report Mrs. Jack Yeary was well enough to come home from the Lockney hospital for Easter.

Mr. and Mrs. Grigsby Milton and girls went to Lubbock Sunday afternoon to visit their daughter, Mr. and Mrs. Arlis Pwelle.

Saturday night guests in the H. L. Marble home were Mrs. Pierce King, Randall and Leora of Floydada and her sister, Mr. and Mrs. Howard Esque, and Mary Beth of Duncanville, near Dallas.

Easter guests with the Sim Reeves were Mr. and Mrs. Ted Bell and children of Floydada.

Mrs. Walter Wood and grandsons, Walt and Mike Wood visited last weekend in Whitney, Tex., with Mr. and Mrs. Jack McCown. Other guests were Mr. and Mrs. Tommy McCown and twins, Michele and Michael. The boys fished and boated on Lake Whitney while there.

Mr. and Mrs. Frank McClure spent Easter Sunday in Snyder with her mother, Mrs. R. W. Newman. That night they returned to Crosbyton where they attended baptismal services for their granddaughter, Donna.

Mr. and Mrs. George West accompanied by the Willie Weasts of Silverton went to Ruidoso, New Mexico, Sunday afternoon to spend the night and Monday in the West cabin.

Mrs. Hansel Sanders is chairman of the Cancer Drive in the South Plains area so please help her all you can.

The Ronnie Upton of Amarillo came Thursday, and the Karl Craigs of Canyon came Saturday night to spend Easter with their parents, the Raymond Uptons. Other dinner guests in the Upton home Easter Sunday included Mr. and Mrs. Bryan Karr and Yvonne and Mr. and

Cleaning Upholstery On Foam Rubber
Much of the newer furniture is cushioned with foam rubber and upholstered with fabrics. If you are wondering if you can clean the fabric at home without damaging the foam rubber, the answer is yes. Just be sure to use a sofa cleaning agent.

To select first the nature of the stain, next the type of fabric, and lastly, the effect of the cleaning agent on foam rubber.

Soaps, detergents, glycerine, denatured alcohol, benzene, carbon tetrachloride, sodium hydrosulfite, and weak solution of ammonia are acceptable cleaning agents as far as the foam rubber is concerned. Carbon tetrachloride should be used very sparingly though, because it is a rubber solvent.

Cleaning agents that do have a harmful effect on foam rubber are of the bleaching and oxidizing types. The following are not recommended—vinegar, turpentine, acetone, chlorine, hydrogen peroxide, orbic acid, and sodium perborate.

If the nature of the stain or the type of the fabric calls for the use of one of the above cleaning agents, the fabric should be removed from the foam rubber and cleaned separately.

District THDA Meeting
About 50 Home Demonstration Club women from Floyd County are expected to attend the District THDA meeting in Littlefield this Thursday. The programs start at 10:00 a.m. and will conclude about 3:30 p.m.

Mrs. A. H. Kreis, Floyd County THDA Chairman, will assist with the registration. Voting delegates to the meeting will be Mrs. Glenn Polle, Harmony Community; Mrs. Sam Jones, Providence Community; Mrs. G. W. Smith, Dougherty.

Mrs. Lewis Blum of Floydada. The H. L. Marbles were hosts in their home Easter noon to their children, Mr. and Mrs. Don Marble and Donette, Mr. and Mrs. Marvin Wells, Mr. and Mrs. Fred Marble and Mike, and Mr. and Mrs. R. L. Holland of Lockney.

Easter week end visitors in the S. D. Kinnibrugh home were Mrs. J. R. Spivey and Mr. and Mrs. W. H. Simmons of Truscott. Other guests were Mrs. Hugh Griffith and Ray Dillard of Lockney who were here Sunday. Mrs. Griffith entertained in Lockney at her home for the whole group at an Easter dinner complete with a freezer of ice cream.

Men of the Baptist Church here who attended the Brotherhood meeting Monday night were Rev. John Gillispie, speaker at the meeting, Ed Noel, Bill Thomas, Murray Julian, Grigsby Milton and Gene Morrison.

Mr. and Mrs. Glen Wood and son spent their Easter in Lubbock with her brother, Mr. and Mrs. Kelly Farel Bowers.

Home for the Easter holidays from WTSC, Canyon, were Alton Higginbotham, Kendis Julian, and Tommy Respondek.

The R. H. Adams, Allan and Larry went to Muleshoe after church Sunday to visit her brother, Mr. and Mrs. Fred Helms. Mrs. Helms has been ill, but is better at this time.

Mr. and Mrs. R. O. Turner of Pampa spent last week end with her parents, the Early Pritchetts. They attended the REA annual meeting in Floydada Saturday, where Jimmie and Price played in the program with the Moon Discs.

The Gene Morrisons, Mrs. Dick Morrison and baby, had as Easter guests Mr. and Mrs. Bill Morrison and Jeffie of Lubbock.

The Murray Julians, Bruce and Kendis, and Miss Janis Roberts of Floydada attended Easter services and later went to Plainview where they had dinner. Miss Roberts spent the afternoon with them.

Mrs. Fred Fortenberry and Mrs. B. A. Howell were hostesses at a bridal shower in the Fortenberry home Friday morning at 9:30 honoring Mrs. Jerry Lynn Chessier, the former Miss Charlotte Gibson of Lockney. Spring flowers of lilacs, pear blossoms and Easter lilies filled the entertaining rooms.

Guests were registered by Mrs. Elmo Fortenberry.

The table was laid with an embroidered linen cloth, and centered with a floral centerpiece fashioned by Mrs. M. A. Boone. Coffee, tea, mints and little doughnuts were served from a China service by Mrs. Douglas Reeves. Gifts were presented the bride, and about twenty guests called during the morning. The young couple were married Saturday, April 9, and are making their home in Plainview.

4-H Demonstration Contest Is Saturday
4-H members will participate in the demonstration contest this Saturday beginning at 9:30 in the High School Home Economics room. The top demonstrators who are 13 or 14 or older will compete in the District Elimination Contest at Lubbock on May 7.

Mr. and Mrs. Alvin Nichols returned Friday after spending three weeks in Truth or Consequences, New Mexico. Before returning home they visited in Moriarty with Mr. and Mrs. Donice Casey, in Vaughn with Mr. and Mrs. Delber Rose and boys, and at the ranch of Mr. Nichols' cousin, Mrs. Scott Brown and family, Tolar, New Mexico.

MR. COTTON FARMER . . .

Don't Let Profit-Stealing Seed Bed Failures Rob you of
Early Maturity — Top Yields — High Quality Cotton

Treat Your Cotton Seed Furrows with

ORTHOCLIDE SOIL TREATER X

Protects your seed after germination against
DAMPING OFF — SORE SHIN — SORE SHANK — SEEDLING BLIGHT — SEEDLING ROOT ROT and other soil borne diseases.

Cold ground many times brings some of these soil borne diseases to cotton seed. **ORTHOCLIDE SOIL TREATER X** protects your seed from these diseases which kill young cotton plants just before or soon after they come up, bringing poor stands and costly replanting.

IT'S EASY TO APPLY . . .

No special equipment is needed. Just sift the **ORTHOCLIDE** dust directly on the seed in the planter box. The dust gives previously treated seed added protection from seed rot. The excess material filters down into the furrow. The fine dust mixes with the soil — forms a protected zone around the seed and seedling.

ORTHOCLIDE SEED TREATER X does not take the place of seed treatment at your delinting plant. It adds to and supplements that protection.

Dear Editor:
I see where the Canadians are now discounting U.S. dollars by six or eight cents, and some stores in Canada won't even take the things.

My mortified neighbor says it looks like nearly everybody has got us beated on something — the Canadians have better dollars, the Russians have better rockets, and the English have more enterprising photographers.

And says nearly every country in the world except the U.S. is blessed with a saphend neighbor who will go to borrow money and give it to them.

Underground Water District Will Enforce Rules Against Waste

Lubbock — In a recent meeting of the Board of Directors of the High Plains Underground Water Conservation District it was decided that a procedure would be adopted to strictly enforce the district's rules against waste of irrigation water.

The district has in the past approached the problems of waste from an educational standpoint, preferring to present facts about the underground water and its efficient use rather than invoking more harsh and drastic methods. However, the willful and habitual waste of water by a minority of irrigators has become increasingly more serious. With the continued decline of the underground water level in the southern High Plains area coupled with increased public opinion against willful waste, the water district has come to the conclusion that the time is now upon us to supplement education with strict enforcement.

In the future, violators of the district's rules concerning waste will be notified that they have 24 hours in which to correct the situation and stop the waste. This does not mean that the district would want any farmer to stop irrigating, but only to put a halt to continued waste.

The notice will be delivered to the farm operator by a deputy sheriff, constable or by some other official person in the county where the waste has been observed.

At the end of the twenty-four-hour period, district personnel will check to see that the irrigation water is under control and is being retained and used on the land where it is produced.

Should the waste continue beyond the twenty-four-hour period granted to the violator by the district, then legal action will be taken through the courts to stop any further waste.

By far the large majority of area irrigators recognize that their underground water is one of the most precious of all resources, and they care for it as best they can; however a minority continue to promiscuously run water off their land into roadways, creating not only a situation described as waste in the rules of the water district but also a definite public nuisance and a hazard to human life.

The multitude of reasons why underground water should not be wasted have all been discussed in much detail through the newspapers and over the radio and television stations. All who are even remotely interested in conversation can explain why waste is detrimental to continued prosperity in our area. Even the school boy knows that waste is a bad practice. All are aware that water should not be wasted, but rather it should be put to beneficial uses.

Melvin Christy Is Stationed in Virginia

Fort Story, Va. (AHTNC). — Army Pfc Melvin J. Christy, son of Mr. and Mrs. William E. Christy, Sterley, Texas, recently was assigned to the 854th Transportation Company at Fort Story, Va. Christy, a longshoreman in the company, entered the Army in September 1958 and received basic training at Fort Carson, Colo. The 20-year-old soldier attended Quitaque High School and was a farmer before entering the Army.

Texas 4-H Members Off To Washington

College Station. — Four Texas 4-H Club members with a collective total of 33 years in the rural youth organization have been named delegates to National 4-H Club Conference meeting in Washington, D. C. from April 23-29. They are Pete Plank of Deaf Smith county; Donald Neumann, Falls county; Judy Dawson, Swisher county and Cinda Jane Ellis, Dallas county.

In making the announcement Floyd Lynch, State 4-H Club leader, said funds for the all-expense trips would be provided by the United Gas Pipeline Company.

The four will represent all the Texas 4-H Club members at the nation's number one 4-H meeting. In previous years the meeting has been held in June and until very recently was known as National 4-H Club Camp.

The 1960 delegates are all Gold Star members; each has been a delegate to National 4-H Club Congress, Chicago, and all are recognized youth leaders in their counties and districts. Three of the four have been members of the Texas 4-H Club Council and Miss Dawson and Plank hold memberships in the Talent Club. They hold many state honors as a group and all are well known exhibitors at stock shows and fairs.

Currently all are attending college — Plank and Miss Dawson, Texas Tech; Neumann, Tarleton State and Miss Ellis, Texas Christian University. The boys are studying agriculture and the girls home economics.

While in Washington, they will visit cultural and historic centers, including the White House, Mt. Vernon, art galleries and museums. They will also have an opportunity to visit with their Congressmen and Senators and see Congress in action. The delegates and their leaders from the 50 states and Puerto Rico will be housed at the new National 4-H Club Center located in a Washington suburb — Silver Springs, Maryland. The Center was dedicated last June with President Eisenhower making the principal address.

Two Local Students Initiated At Tech

John Hanst, son of Mr. and Mrs. R. H. Ford and Ronnie Harris, son of Mr. and Mrs. Clark Harris were recently initiated as pledges of the Epsilon Phi Chapter of Kappa Sigma Fraternity at Texas Technological College, Lubbock, where they are students. John is a sophomore at Tech and Ronnie is a freshman.

GO TO CHURCH SUNDAY.

NEWS from the High Plains Research Foundation

One of the most wasteful practices in the use of irrigation water is applying this water to land having slopes of 1-3% with the rows running down the slope. To illustrate this fact, water studies are being conducted at the High Plains Research Foundation comparing water usage on sloping land to a benched area of same acreage.

An 8-row bench 726 feet in length and two acres of similar dimensions running down the slope were selected for this study. During preplant irrigation, 55,000 gallons or 4.6 inches of irrigation water were applied to the bench. This same number of gallons was applied to one of the sloping areas, but 12,800 gallons or 1.06 inches were lost in run-off, and the moisture was not sufficient. On the remaining sloping area, irrigation water was applied until the soil was sufficiently moist. To obtain this moisture, 108,000 gallons or 9 inches had to be pumped with 30,300 gallons or 2.5 inches run-off.

Granite seems to be the bed rock of the world, in which no evidence of animal or plant life is found, and is the parent rock from which most, if not all, other rocks are formed.

Your Fat Stock Show

You have had or will be having your fat stock show soon. I think you will agree with me this is one of the really big events of the year for our agricultural youth.

The Fat Stock Show is one of the places our boys and girls have to show the results of their labors. For a year they have worked hard to make each of their animals a champion.

The high light of the whole show is always the judging. This is always a very hard job because picking the winner is always hard as each of the animals in the show possibly could be chosen.

Let's all show our interest by going out and visiting the show. Tell the Exhibitors how wonderful a job you feel they have done. I know your interest and participation will be appreciated.

Spirit Of Service In Action

Every now and again I hear a warm, human story about people that makes me feel pretty good. I think this one will make you feel good, too.

Here's what happened: A man and his wife had come to court to adopt a little girl — a German orphan. But one of the officials told the man (dressed in a suit and sport shirt) that it was the local custom for a man to wear a tie when appearing before the judge in court.

Protesting, the tieless man said if he were not allowed in court now, the adoption would be postponed, perhaps for months.

At this point, Jerry Sharp, a veteran installation foreman for Southwestern Bell who happened to overhear the conversation, removed his own tie and, handing it to the man, said, "Here, take mine."

Well, a few minutes later, the adoption proceedings were underway and the little girl had a new family. So often it's the "little" extra things you do that help the most.

Bright Idea For Spring

Driving around Lockney the other day, I suddenly realized that Spring is with us again.

Everywhere I went — from Main Street to SW 7th — I saw the drab signs of winter being replaced by fresh new colors. Color seems to be the talk of Spring.

Perhaps you've seen our magazine ads suggesting that you "pick-a-phone from a garden of colors." It's a timely reminder that a color extension phone is an easy, inexpensive way to add a dash of color, and time-saving convenience, to any room. Nine beautiful colors to choose from! You can order yours by calling the telephone business office.

Call by number. It's twice as fast.

ECONOMY PROVED IN MOBILGAS RUN!

CORVAIR BY CHEVROLET DRIVE IT! GET OUR DEAL!!!!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U.S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't:

- Practically flat floor... real foot room for the man in the middle. **Fold-down rear seat** gives 17.6 cu. ft. of extra storage space.
- Four-wheel independent suspension** for a smoother, flatter ride.
- Rear-engine traction**... that comes with the engine's weight bearing down on the rear wheels.

You probably realize already that the mileage figures Corvair recorded in the Mobil-

gas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.

El Progreso Guest Day Held In Quebe Home

Mrs. John Ross Crocker, Tullia, mother of Mrs. Howard Smith, gave a book review for El Progreso Study Club Guest Day Wednesday, April 13, at 4 o'clock in the home of Mrs. Ewald Quebe.

Mrs. Crocker gave the interesting love story, "Kathryn" by Anya Seaton, after giving the surrounding English history, and the political, religious and social background of the story. The review was related beautifully by the Tullia visitor, and well received by members and their guests.

Refreshments were served from a table laid with a linen cut work cloth and centered with an Easter egg tree banked with individual corsages of violets. As the women were served, a corsage was pinned on each one. The colorful Easter refreshments were green punch, open faced sandwiches in the shape of lilies and green coconut angel food cake balls.

Roll call was answered with each member introducing her guest. Members and guests present were Meses. Clyde Applewhite, Milton Ashton, Raymond Rucker, Barry Barker, Kelton Shaw, Clyde Briley, Dee Copeland, John T. Carthel, Jesse Cox, Marvin Gilbert, Charles Duran, Bill Whitlock, Leslie Ferguson, J. Girl Scout Meet Is Scheduled Monday

Mrs. Jimmy Hodel, troop leader, and Mrs. Pat Williams, assistant, announce a meeting of all girls and their parents on Monday, April 25. The called meeting will take place at 4 p.m. at the American Legion Hall.

Others invited to attend are the workers in girl scout organizations, and representatives of the sponsoring civic organizations.

Mrs. Thelma Vestal of Plainview, Girl Scout Council executive, will be here and speak to the group. H. H. Nicholas, Superintendent of Lockney schools will also make a talk. A large number of interested persons are expected to be in attendance.

HAS OPERATION

Vernon Gross of Lockney underwent major surgery at Plainview Hospital Thursday of last week. He is doing fine and was able to come home Sunday afternoon. Mrs. Gross had the misfortune of breaking her right ankle Sunday morning and she, too, was treated at Plainview Hospital and was able to return home Sunday. She has a walking cast and is able to move around some. The accident happened as she stepped out of a door.

More Than 100 Guesses Received On Lockney's 1960 Population

Jr. High Students Win In Literary Events At Muleshoe

Several junior high students participated in literary events at the Interscholastic League meet at Muleshoe April 8 and they brought back two first place awards and two third place awards.

Sharon Edwards, daughter of Mr. and Mrs. H. G. Edwards, placed first in junior girls declamation. Attending as an alternate was Donna Lyn Record.

Dennis Griffith placed third in junior boys declamation. Dennis Landrum attended as an alternate.

Danny Davis brought back a first place award in the sixth grade boys declamation. Charles Smith attended as alternate.

Jeanette Dobson represented the sixth grade girls but didn't place. Attending as alternate was Cheri Chatham.

Entering as a team in Number Sense were Tim Thompson and Johnny Chandler. They placed third. Alternate team was Tommy Moore, Be' Kropp and Carol Turner.

In the spelling and plain writing event were Sharon Edwards and Karen Ashton. They didn't place. Alternates were Sherry Williams and Carol Turner.

In Ready Writing, Lockney was represented by Jonita Ferguson and Sue Stansell. Their papers were sent to Texas Tech for judging and the report has not been received. Alternates attending were Carol Turner and Karen Ashton.

Donna Jean Latimer and Steve Stansell represented the sixth grade in spelling. They didn't place. Their alternates were Johnny Martin and Danny Davis.

Lockney Community 4-H Club Meets

The Lockney Community 4-H Club met April 19th at 8 p.m. in the grade school cafeteria with 32 members, 15 leaders and parents and two visitors present.

Paulette Kropp, club president, presided at the meeting. Randy Lacowell led the group in the 4-H pledge and motto. Lauretta Lacowell led in singing "Do Your Ears Hang Low?". Linda Abbott led in the pledge to the American flag.

Francis Montandon called the roll which was answered with the members age and the name of his chosen project.

The time and place for the club meetings were set at 8 p.m. on the third Tuesday of each month and in the high school cafeteria.

Mrs. Glenda Rhoten was elected as the girls' adult leader and Harold Ellison was elected as the last meeting as the boys' adult leader. There will also be some project leaders for each group.

Cecil Lewis, county agent, and John Schlittler, assistant, county agent, explained the importance of keeping records and then explained how to keep records. Three things are essential in the record book if a club member is to receive a year-pin, and an invitation to the awards banquet. These three essentials are Standard Report Form, 4-H Story, and Project Records. There are some other things that must be included to have a complete record, but those are the three essentials.

August 23rd is the deadline for turning in records this year. They may be turned in as soon as completed if the project is already completed.

April 23rd is the date for the girls' demonstration contest at the Floydada High School.

Refreshments were served by Mrs. Buck Fowler and Mrs. Verner Hodel.

Grade School Wins Picture Memory

Students participating in the event were Carol Davis, Judy Bilbrey, Wynette Sandlin, Jana Jones, Jerry Bigham, Bobby Webster, Melvin Sissney, Janet Edwards, Trudy Jarrett and Gayle Williams.

Alternates who attended were Pat Gonzalez, Sidney Wooten and Susan Gayle Carthel. Mrs. Mac Lee Brewer sponsored the group. Mothers who attended were Mrs. Bob Davis, Mrs. Lowell Bilbrey, Mrs. Bill Jones and Mrs. Bob Jarrett.

Sister Of Lockney Women Succumbs

Mrs. W. A. Sparks, 48, passed away of a heart attack in a Portales, New Mexico, hospital Wednesday of last week.

Mrs. Sparks was a sister of Mrs. W. C. Wisdom and Mrs. A. L. Vernon of Lockney. Her son was the late J. H. Johnson, Lockney.

The deceased woman was owner and operator of a beauty salon in Clovis.

Jackson Boy Dies Wednesday

Richard Jackson, the 4-year-old son of Mr. and Mrs. Fred Jackson, was dead on arrival at Lockney General Hospital Wednesday afternoon after suffering a heart attack at his home, four miles west of Floydada on the Sandhill paved road.

The little fellow had suffered with a heart ailment all his life and underwent heart surgery at Houston about two years ago. Following the attack his father rushed him to the local hospital arriving here about five o'clock. The car was met at the city limits and escorted to the hospital by City Officer Lowell Bilbrey and Deputy Sheriff Cap Carthel.

The Beacon received more than 100 guesses on the official 1960 population count for the City of Lockney before the deadline on April 9th. Several guesses were received after the deadline and are not being considered for the prizes offered.

The estimates ranged from 1783 to 5216, a range of about 3400, between the lowest and highest. Estimates came mostly from local readers but some came from subscribers who live in distant cities.

The prize money, \$15 for first and \$10 for second, will not be awarded until the official count is given by the Census Bureau. Census officials have said that a report on the census will probably be given in early May but this may not be the final official count and The Beacon will await that final count to award the prizes. In case of a tie, the prize money will be split fifty-fifty.

A report from Mrs. Paul Fullerton of Floydada, Floyd County crew chief, said Monday that some of the enumerators had completed their work and that all the work was due to be completed this week.

American Legion Favors Swimming Pool Proposition

By Paul Teuton, Adjutant

The Legion members in a regular meeting Monday night voted to accept the swimming pool, provided the funds are raised to complete it's construction. Due to the present indebtedness against the Legion property, some of the members were reluctant to go in debt any more at the present time.

The general idea of the project at this time is that the pool, when completed will become the property of the American Legion and the Legion will be responsible for it's management. It will be operated as a "community pool" and not as a private one.

The Legion feels that they should have the right to use the profits from the pool in the overall Legion operation if they so desire. The thinking on their part is understandable. If the pool makes a profit, the proceeds will be used to maintain the pool and park area. On the other hand, if it operated at a loss, the Legion would naturally have to make up the difference.

The Legion will have an active part in overseeing the construction of the pool and a committee will work with the ladies in that phase. There are some possible "legal procedures" that could force the Legion to back out of the project, but it is hoped those can be worked out before the actual construction begins.

Funds are being raised through donations and checks should be made to the American Legion. The Legion is a non-profit organization, and it is the opinion of legal authority that the donations to this cause will be deductible for income tax.

In making this general information public, it is hoped that the people of our community will understand the overall picture more clearly, and at the same time know how the Legion stands in regard to the swimming pool project.

Mrs. Henry Ford Sr. In El Paso Hospital

Mrs. Henry Ford Sr. is under medical treatment at Providence Memorial Hospital in El Paso. She has been there two weeks and is showing some improvement, according to Henry Ford Jr., who visited his mother the past week end. It is probable that she will remain in the El Paso hospital another three or four weeks, it was said. Her husband has been there with her.

Thomas S. Moore Dies In Fort Worth

Thomas S. Moore, 90 years of age and father of Tom Moore of Lockney, died Monday of last week in a Fort Worth hospital. His home was in Lubbock.

Funeral services were held at the Brashear Methodist Church on Wednesday at 11 a.m. and burial in the cemetery at Brashear.

Mr. Moore was born June 30, 1869, in Logan County, Alabama, and came to Texas in 1887. He and his family had lived at Lubbock since 1918. Mr. and Mrs. Moore had been at Eules with a daughter, Mrs. Charles Schmidt, the past year. Survivors include his wife, who is 80 years of age; two daughters, Mrs. Schmidt of Dallas; and Mrs. Alex W. Fink of Dallas; two sons Tom of Lockney and Frank of Plainview; and a brother, George Moore of Seymour. A number of grandchildren also survive.

Seven Homes To Be Shown In House Tour

Two more beautiful new homes have been added this week to the list of houses to be shown next Sunday in the annual house tour sponsored by Lockney Garden Club.

Included in the seven homes to be viewed during the afternoon Sunday from 3 to 5 will be the homes of Mr. and Mrs. Tom Rankin Jr., Mr. and Mrs. Richard Patterson, Mr. and Mrs. Raymond Rucker, all on Southwest 5th Street, Mr. and Mrs. Kelson Shaw, Southwest 6th, Mr. and Mrs. O. C. Bailey, 516 Southwest 6th, Mr. and Mrs. Siestand Bennett, four miles east on Floydada Highway, Mr. and Mrs. Hall Ferguson, three miles south on Sand Hill road.

Members of the Garden Club will assist in showing the homes. Guests may begin their tour at any home they choose. Tickets may be purchased from any member of the Garden Club, at Lockney Drug or at any of the homes to be visited.

Junior - Senior Banquet To Be Held Saturday

The annual Junior - Senior banquet will be held Saturday evening at the Lockney High School gymnasium when the Juniors will host the Seniors in the gala school affair.

Theme for the banquet remains a secret from the honorees. Wayne Cooper, junior class president, will act as master of ceremonies and will give the welcome. Donna Workman will give the response.

The class history will be by Jody Pate, class will be by Marjorie Lacy and class prophecy by Bill Mangold.

Highlight of the evening will be the presentation of the Senior Class favorites.

No Serious Injuries In Auto Accident

Four young people narrowly escaped serious injury late Sunday afternoon when the 1958 Chevrolet in which they were riding overturned on the Floydada-Sandhill paved road. The car was a total wreck.

Larry Stapp, son of Mr. and Mrs. Elmer Lee Stapp of Lockney, suffered severe bruises and was treated at Lockney General Hospital. Driver of the car, Jim Dan Stewart of Floydada, received some severe cuts but neither had any broken bones. The car belonged to the Stapps.

Other occupants, Jackie Foreaker of Hale Center and Anthony Hill of Floydada, suffered only minor injuries.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — First it was \$100,000 homes for college presidents. Now it's \$36 door-knobs for the State Office Building that have cost-conscious legislators blowing their tops.

Legislature went through an arduous seven-months tax raising session last year to scrape up enough money to keep state services going. Despite all the problems and criticisms they weathered, it wasn't enough. Now they are face to face with the prospect of another deficit next year and the need to raise more taxes.

It is in this not-so-rosy setting that the House Committee on Saving Taxes is checking

into how state money has, and is being spent. When they heard that the terrazzo floors in the brand new State Office Building had cracked, committee members decided to investigate further into the \$3,793,000 building.

They learned that the air conditioning system vibrated excessively; that the building had 1,000 elaborate door knockers costing \$36 apiece; and that there were telephone booths in the hallways lined with expensive marble. Some offices had no doors.

They noted that the Texas Employment Commission Building, just across the street and to the casual observer equally

as handsome, cost only \$14.33 per square foot compared to \$17.40 for the State Office Building.

Cracked floors now are being removed and replaced by the contractor, at no cost to the state. Efforts are under way to smooth out the knocks in the air conditioning. Legislators are unhappy at the lack of supervision and inspection while the building was under construction.

H. R. Nieman, who became director of the State Building Commission after the building already was built, told the committee he agreed the structure was probably wasteful in some features. He attributed this to inadequate supervision. Steps are being taken to watch this more closely on future projects, he said.

RAW MATERIALS — Gov. Price Daniel has promised to have two sets of ingredients ready when the State Finance Advisory Council meets May 16 to begin shaping up a long-range fiscal policy for the state. Daniel will present to the committee:

- (1) A 10-year projection of budgets of agencies which represent the state's main money needs — schools, highways, hospitals and welfare.
 - (2) Five suggested new tax plans.
- He does not intend to make the five tax plans public before the committee meeting, said the governor, because he does not want them to get involved in the current political campaigns.
- It is certain that the governor's proposed tax plans will not include a general sales tax or income tax, both of which he has long opposed. However, he said he will ask the committee to look down the road and "report honestly whatever you find and let's see how long we can go without sales or income taxes."

HOUSTON U ASKS AID — Now under consideration is whether the University of Houston should become a fully state-supported college. Commission on Higher Education will hear a report on its staff findings probably in October and make a recommendation to the Legislature, pro or con, next year.

In making their bid before the Commission, Houstonites said the state would get a \$22,000,000 institution with a 275-acre campus, all free of debt. In return, it would need to spend about \$4,000,000 a year for operating it.

Increased costs have forced the state to raise its tuition fee to \$600 a year and more, with a resulting drop in enrollment. Tuition at state colleges is only \$100 a year.

Council of State College Presidents opposes the move on grounds that the state cannot afford to spread its support any thinner without a damaging drop in quality.

Houstonites point out that their county has 10 per cent of the state population, pays 20 per cent of state taxes, but has no state college in the area.

SPORTS FUNDS DUE INQUIRY — Commission on Higher Education has ordered an investigation of rumors that state money is being used by some colleges for intercollegiate sports.

Lubbock Symphony Slates "Pops Night"

A previous report to the Commission had indicated that this was usual among all schools except those in the Southwest Conference which get enough from gate receipts to support athletics.

Requests by six schools to expand their course offerings are under study. Each proposal will be considered at least six months before approval or disapproval.

LABOR'S CASES UPHELD — State Supreme Court ruled that labor unions have a right to present grievances to a school board if they do not claim the right to strike.

It overruled the position of the Dallas School Board that dealing with the union would be the same as recognizing it as a bargaining agent for public employees and therefore contrary to law.

In another case the high court struck down the sentences imposed by a Dallas judge on three labor officials for picketing in violation of his court order. Because they were picketing a business that is in interstate commerce, their action was held to be a case for federal, not state, courts.

STATE DEFICIT DROPS — Annual payments of taxes on corporation franchises and insurance premiums are whittling down the shortage in the state general revenue fund.

After hitting an all-time-high of \$88,000,000 in March, the deficit dropped to \$76,486,922. It is expected to drop further through the spring but not enough to get out of the red this year.

Reasons are several: a drop in oil revenue due to the industry's troubles, lawsuits which tie up expected revenue from the new severance beneficiary tax on natural gas, loopholes in the new sales taxes on furs, jewelry, air conditioners, etc., that have caused revenue to fall below expectations.

LARGE WHEAT CROP — Texas' winter wheat crop is expected to hit 78,714,000 bushels, third largest crop among the states.

U.S. Dept. of Agriculture describes conditions in Northwest Texas as very favorable, with plenty of moisture and light damage from winter weather.

An estimated 4,373,000 acres of wheat have been planted in Texas. States with higher crop expectations are (1) Kansas and (2) Oklahoma.

VISIT IN DENVER — Mr. and Mrs. Clark Harris, Bonnie and Carolyn spent the Easter holidays in Denver, Colo., visiting their daughter and sister, Mrs. Dane Clark and husband. While there they enjoyed seeing the new gigantic production of "Ben Hur", a picnic near the mountains and a tour of the new Red Rock Amphitheatre. They planned a skiing trip into the mountains but were turned back because of snow.

Some 300 million of the world's peoples normally go unclothed, about 800 million use only scanty attire or G-strings — another 300 million have no permanent home, and 800 million live in caves or temporary shelters.

Lubbock Symphony Slates "Pops Night"

"Pops Night", the Lubbock Symphony Orchestra's most popular, annual concert program, this year featuring the music of Jerome Kern, will be held at 8:15 p.m. Monday, April 25, in the Lubbock Municipal Auditorium.

Included on the program will be soloists supported by the chorus singing such unforgettable melodies as "Look for the Silver Lining," "Can I Forget You," "Smoke Gets in Your Eyes," "Lovely to Look At," "The Last Time I Saw Paris" and many others.

The entire first half of the gala program will be devoted to the condensed version of America's most beloved and most popular musical production, "Show Boat", based on the novel by Edna Ferber with music by Jerome Kern and the lyrics by Oscar Hammerstein II.

Tickets are priced at \$3.50, \$2.50, \$2.00 and \$1.00 and all seats are reserved. Tickets may be obtained from the Symphony Business Office, 1625 Ave. N., Lubbock, telephone PO 2-4707.

Spraying Bindweed On Highway

By Douglas Degge, Supervisor
Spraying operations of bindweed on the county rights-of-way began this week and Douglas Degge, Supervisor of the district, is asking the full cooperation of everyone in Floyd County in this effort to control bindweed. Degge is operating the sprayer in this office and will be out of the office during the morning hours and asks that anyone desiring to contact him do so in the afternoons or leave a phone number. He also asks that farmers let the bindweed grow on the bar ditches so that he

may have at least 6 to 8 inches of vine growth when the spray is applied. Degge would like to complete this work as soon as possible and would like farmers to notify him of small patches on the bar ditches, especially in out-of-way places and roads which are not traveled frequently.

There will be a weed control meeting at Plainview on April 20, 9:30 a.m. and at Bushland April 21, 9:00 a.m. as well as the Floyd County meeting which will be Monday, April 25, at 7:30 in the District Courtroom in Floydada. There will be approximately \$150.00 worth of door prizes given at this meeting plus a grand prize for the ladies. Mr. and Mrs. Bob Coleman of Plainview visited friends and relatives here Sunday.

Providence

By Mrs. Wilfred Stoerner

Many in the community enjoyed Easter holidays away from home including Mr. and Mrs. E. M. Quebe and son who visited in Kansas during the week end with Mrs. Quebe's brother and family.

Mr. and Mrs. Helmut Quebe and family visited Mr. and Mrs. George Rupp and family who reside in Arkansas.

Mr. and Mrs. Mac Howard visited in Louisiana with relatives.

Sunday everyone enjoyed the Easter colored film and the choir did a very special number wearing their new choir robes which added much beauty and dignity to the services. The church was decorated with fresh Easter lilies. The children enjoyed the Easter egg hunt at the church.

What would have been a perfect Sunday could have ended in tragedy. Walter Boedecker had gone to check his irrigation water and returning to his home he started to turn into his private driveway when another car hit his pickup. Mr. Boedecker was taken to a Plainview hospital where he learned he had received broken ribs and a fractured shoulder bone. The car was badly damaged as was the pickup. No one else was injured in the mishap. We hope for Walter a speedy recovery.

Mrs. Robert Matthews is now at home recovering from recent surgery at a Plainview hospital.

Easter guests over the week end at the home of Mr. and Mrs. Ben Brandes were Mr. and Mrs. Hallie Goe and family of Adrian, Tex. Mrs. Goe is a niece of Mrs. Brandes. Other guests for Sunday dinner were Mr. and Mrs. L. B. Brandes and girls, Mr. and Mrs. Wilfred Stoerner and family, Rev. and Mrs. A. K. Windecker and family. An Easter egg hunt was enjoyed by the children in the back yard.

Miss Barbara Sammann, daughter of Mr. and Mrs. Albert Sammann is home from Texas Lutheran College for the Easter holidays.

H. D. Club Meets
Providence Home Demonstration Club met at the lovely home of Mrs. J. R. Turner last Monday. The ladies gathered at 1 p.m. Each brought a different dish representing a different country. Italian meat balls, German sweet rice, German chocolate cake, German potato salad, green vegetable salad with Russian dressing, hot home-made American rolls, ice tea, coffee were enjoyed. Invocution was given by Mrs. Wilfred Stoerner.

At the business meeting Mrs. Sam Jones presided. Attention was called to the cancer drive which will be this coming week. The chairman of cancer drive in Providence community asked the cooperation of each one in the community. A house to house drive will be made by those helping Mrs. Stoerner. They are Mrs. Ben Brandes, Mrs. L. B. Brandes and Mrs. Ben Quebe. Please have your contributions ready when these volunteers call on you.

The club enjoyed Mrs. Roy Hale, Floydada, who is a certified Grapho Analyst. She had each lady to write a few lines taking up the papers she told us all things we knew and some things we didn't want to know about our personalities.

There will be no club meeting in May but a county wide tea and book review. Date will be announced later. Those enjoying the day were Mrs. Ben Quebe, E. M. Quebe, J. R. Turner, Bill Rogers, H. F. Quebe, Roy Hall, L. B. Brandes, Wilfred Stoerner, Sam Jones, A. K. Windecker.

Altar Guild Meets
The Altar Guild met Tuesday in the lovely home of Mrs. Bill Schmidt of Plainview. The house was decorated with white glads and Easter arrangements. Rev. A. K. Windecker opened the meeting with prayer. Mrs. Virgil Brasner, president, called the meeting to order. Minutes were read by Mrs. Wilfred Stoerner. Mrs. Ben Quebe was accepted as a new member. Rev. Windecker lead the discussion of the part the altar plays in worship service and in our church. Many types of altars are used in many different kinds of churches. The

altars used in worship go back to the time before Christ when people just built an altar out of stone.

The Altar Guild voted that the black altar covers will be used on Good Friday only.

Next meeting will be held at the home of Mrs. Ted Boedecker, August 9th.

Mrs. Schmidt served delicious refreshments from a table centered with a beautiful arrangement of white glads in a crystal bowl. Lime jello salad on lettuce leaves, orange cake, cookies and coffee were served to Mmes. Ben Quebe, Ben Brandes, Virgil Brasner, Herbert Stoerner, Wilfred Stoerner, A. K. Windecker, A. D. Schaffner, Ted Boedecker, Rev. A. K. Windecker, Cynthia Ann Stoerner, Gwin and Ronnie Windecker.

Pioneer Round-Up Seek Outstanding Pioneer Woman

The Plainview Pioneer Round-Up, an annual event sponsored by Plainview B&PW Club, will be held May 14 in Plainview. Theme for the affair is "Pioneer Heritage". A most interesting feature this year will be the selection of an "Outstanding Pioneer Woman".

Nominations for the honor may be made by any individual, a club or any other group of

persons. The winner will be presented an award and recognized at the evening program.

A short biography must be submitted on the person nominated, telling of that woman's contributions to her community, home, church and civic activities throughout the years and something of her family background. The woman nominated must be 65 years of age or over, and having spent some time in our area. She doesn't have to be a resident here at the present time. However preference will be given those who have lived here 20

to 25 years. Nominations should be mailed by noon, May 6, to Mrs. E. J. 1112 West 9th, Plainview, Texas.

Visitors in the home during last week their children, Duane Jones, Aubrey Cox, all of Lubbock.

Mr. and Mrs. Mobeette spent with her parents, Harmon Handley, Mr. and Mrs. ley and baby

Make Church - Going a Habit

FOUR STRINGS

Only four strings! But these four strings offer endless possibilities of tone and harmony. They open to man new horizons of beauty and happiness.

And yet, improperly played, these four strings can bring forth unbelievable discord!

There are four strings in life — with similar possibilities. Mind . . . Character . . . Courage . . . Faith!

The truths that fill our minds, the ideals that mold our character, the purposes to which our courage is given, the realities in which we believe; these can fill our lives with rich beauty and happiness or drab ugliness and sorrow.

For centuries the Church has been the *maestro* of these strings of life — helping men to bring from their own souls the harmony and beauty God has put there.

You can find music in everyday living through participation in the work of the Church

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
