

Longhorns Stop Friona 20-6

Lockney High's "Ragin' Red" football team got into the win column Friday night, treating the home fans to a 20-6 victory over a big Friona team.

The Longhorns' speedy tailback Danny Clark romped for two touchdowns and 215 yards rushing, while the whole Friona team managed just over 100 yards on the ground.

The Chiefs scored first, though, taking advantage of a short Longhorn punt from deep in Lockney territory. The 'Horns had to punt from their own 20 midway in the first quarter, and the kick netted only three yards after landing on the 30 and bouncing back. The Chiefs' drive took six plays—J. Whiteside spun for the final five yards with 3:13 showing on the first-quarter clock. The Chiefs faked the kick and went for the two-point conversion, but the 'Horns stopped the run by the holder, E. Mills.

The 6-0 lead was short-lived, however. Jim Burt returned the kickoff to the Lockney 47. Clark and quarterback Billy Sessom engineered the 'Horns to

Clark Rips Friona Defense For 200 Yards Plus

the Friona 37; on fourth and four, Sessom teamed with big tight end Ray McMahon on a pass over the middle. McMahon toted the ball across the goal line with 31 seconds left in the first period. Johnny Arjona's kick put Lockney in front.

The second quarter was scoreless, although the Longhorns drove to the Chiefs' eight-yard line before being pushed back to the 15. Arjona tried a 32-yard field goal, but the attempt was off to the right.

The 'Horns increased the lead late in the third quarter after a short Friona punt and a late-hit penalty against the Chiefs put 'em on the Friona 20-yard stripe. Armando Vasquez carried to the 17, and Clark ripped for the score from there. The conversion was no good, leaving the tally 13-6 with a minute and a second left in the third period.

Everything went right for the locals in the final period—Aaron Wilson knocked down (and nearly intercepted)

a fourth-down Friona pass that looked like it would have gone for quite a few yards; a short Longhorn punt with about five minutes to play bounced into a Friona player and was claimed by the 'Horns at midfield; and a fumble by Clark on the next play bounced out of bounds at the Friona 45.

With 3:12 remaining in the game, two plays after the out-of-bounds fumble, Clark iced the victory with a

37-yard TD dash, and Arjona kicked the point.

The Longhorn defense provided some late thrills for the local fans. David Foster picked off a Friona pass and returned it for good yardage, but the interception was nullified on a pass-interference call against the 'Horns. Joe Rodriguez gave the Lockney fans their interception on the last play of the game.

Family Histories Sought For Book

A book of family histories of Floyd County residents from 1876 to 1977 is to be compiled and sold under the sponsorship of the Floyd County Historical Association.

Association president and project chairman Virginia Taylor of Lockney emphasizes that histories are being sought of both longtime and newcomer county residents. Each family should tell what they did before coming to this county, and why they came here.

Mrs. Taylor said that the Association would like to speak at every organization in the county in the near future. "We can give an entire program, speak fifteen minutes, or just give information about the books during refreshment times, if necessary." To arrange for a speaker, organization representatives should contact Mrs. Taylor or the museum office.

Letters will be mailed soon to some 400 persons whose names have been taken from homecoming lists in both Lockney and Floydada, the Old Settlers Reunions attendance list, phone directories, etc. The letters will tell how to submit family histories and give details for the purchase of the books. Anyone that does not receive a

letter still may send in a family history.

Each history should be typed, double spaced, and be longer than 500 words. There is no charge for putting the family history into the book. However, persons who wish to buy a memorial page or pay tribute to a living person by buying a page may do so.

Pages, half pages and quarter pages will also be sold to businesses to tell the history of the business, and to churches and non-profit organizations (at a reduced price).

Each family also may submit two photographs to accompany the family story. As the Association cannot be responsible for the return of the photographs, Mrs. Taylor suggests that reproductions of the photographs should be sent instead of the originals.

Deadline for submission of stories and photographs is November 20, with publication to be 6-8 months afterwards. November 20 is also the deadline to reserve copies of the book at \$24.50 plus tax. After publication, the book's price will be substantially increased. Both stories and book reservations should be sent to the museum in Floydada.

THIS EMBLEM will be on the cover of the Floyd County history book. The project is sponsored by the Floyd County Historical Museum Association and the book will be published by Craftsman Printers Inc. of Lubbock, a division of Taylor Publishing Company. Company artists created this emblem to reflect the cattle and farming interests, the Caprock, and the early-day Montgomery ranch house.

Natural Foods Seminar Next Week In Plainview

Ladies from Lockney are invited to participate in a natural foods seminar Sept. 19-20 in Plainview. The two sessions will be from 1 to 3 p.m. those dates at the First Christian Church, 10th and Kokomo.

Marjorie Ford, author of Deaf Smith Country Cookbook, will present the seminar. Her husband is owner of Arrowhead Mills of Hereford. Mrs. Ford will demonstrate cooking with natural foods and will have food prepared for tasting.

The seminar will be limited to the first 100 persons to register. To register, call Calvary Temple at 293-4154 from 9 a.m. to noon on weekdays, or write Calvary Temple, Box 957, Plainview 79072. The registration fee of \$7 also includes two cookbooks.

A free nursery for children of women

attending the seminar will be available at Calvary Temple during the hours of the seminar.

Juniors Sell Magazines

Eight-track tapes, cassettes and records are being sold by the Lockney High School junior class this year, in addition to the magazine subscriptions sold by the class every year. The junior class magazine sale started Tuesday and was scheduled to continue for two weeks, according to class sponsor Douglas Degge.

Lockneyites are asked to check their magazine subscriptions and to buy from a junior class member when they are called on.

ALWAYS A BIG HIT with Lockney football fans is the halftime show by the Longhorn Band. (Staff Photo)

It's not too late to enter the fair parade

Entries in the Floyd and Surrounding Counties Fair parade are still invited, according to Kelly Fortenberry, fair parade chairman. The parade through downtown Lockney starts at 3:30 p.m. Thursday. All entrants should be behind the hospital, on North Main Street in Lockney, at 3 p.m.

A special parade feature this year will be the appearance by Lubbock television personality "Sunshine Sally." The first 20 youngsters to purchase Sunshine Sally T-shirts (available for \$3 each sizes 2,4,6 and 8 only, from Mrs. Fortenberry) get to ride on the float with Sally.

There will be cash prizes for the top community and commercial floats in the parade—\$25 for first place, \$15 for second, and \$10 for third. Every high-school band marching in the parade will receive \$25 prize money. Each junior-high band gets \$15.

First-, second- and third-ribbons will be awarded in these categories: bikes, best cowboy and cowgirl, best oldtime cowboy and cowgirl, antique cars, and riding clubs.

After the parade Sunshine Sally will sign autographs and give away pictures on the lot north of Lockney Lumber and Supply.

BROOM BRIGADE...Manning the brooms at the fairgrounds exhibit building Wednesday and Thursday were (left to right) Gary Stennett, Paul Koonsman and James Race of Lockney and Doyle Warren and Birch Lobban of Floydada. They were among the volunteers helping ready the grounds for the Floyd and Surrounding Counties Fair, which starts its annual three-day engagement Thursday in Lockney. (Staff Photo)

Adult Ed Classes

Start Tuesday

Adult education classes will start Tuesday, September 13 in the Lockney Junior High School library. Classes will be Tuesdays and Thursdays from 7 to 9:30 p.m.

Instruction will be in the areas of English as a Second Language, Basic English and Math, and in the required courses for obtaining high school equivalency degree (G.E.D.). Classes are free.

For more information call Alice Cruz, 652-2236, or Jody Baccus, 652-3830.

Onions, Tomatoes

Needed

Lockney Band Boosters need onions and tomatoes to use in their concession stand at the Floyd and Surrounding Counties Fair Thursday through Saturday.

Persons who would like to donate either tomatoes or onions can take them by the Jack Ragland home, or call Sandy Ragland at 652-2690 or arrange for the vegetables to be picked up.

Kids' Pet Show Set At Fair

The 5th annual Pet Show for children 12 years and under will begin at 10:30 a.m., Saturday, September 18, in the area between the exhibit building and the entertainment building at the Floyd and Surrounding Counties Fair.

Pets must be in a cage, on a leash, or similarly confined so that the children can handle their pets. Il Penseroso J.R. Study Club sponsors the event so that all children can have a part in the fair.

Ribbons for the first 10 places will be awarded in these categories: smallest pet, largest pet, longest tail, shortest

tail, curliest tail, happiest face, saddest face, longest ears, furriest pet, roly-poly pet, most unusual pet, most spots, best trick, biggest eyes, best showmanship, best costume, pet and master look-alike. Please choose the categories which match your pet the best.

The event is fun for everyone especially little children, their parents and other adoring relatives and friends.

Entry deadline is Sept. 15. Bring entries to 501 SW 8th in Lockney or call 652-3110.

Mostly About People

1950 Study Club Start Year With Salad Supper

Members of the 1950 Study Club started their new year with a salad supper September 6th held in the Doyle Moore home with Mrs. Bob Kendrick assisting with hostess duties.

Club president, Doris McLain, called the meeting to order and reports were heard from the standing committees and department chairpersons.

Yearbooks were distributed by the program committee, Mrs. Ray McDonald, chairperson, Mrs. Bobby Rainer and Mrs. Doris McLain.

Club theme this year is "Commitment to the Future." Course of study is Committing Mind, Body and Spirit to Home Community, State, Country and World.

Mrs. Bob Copeland presented an excellent program on priorities, commitment and responsibilities.

Mrs. Bobby Rainer explained roll call for the year "A Personal Commitment."

Club members present included Mmes. Carolyn Cheek, Bob Copeland, Mack Fowler, Bob Kendrick, Ray McDonald, Doris McLain, Edell Moore, Doyle Moore, Ray Morton, Hollis Payne, Bobby Rainer, Dallas Ramsey and Bill Womack.

Next meeting is October 4 for a program on Education: A Commitment to the Future, consisting of commitment to Girls Town, USA; the Migrant program; Plan A program; and Remedial Reading program. Those on the program will include Noma Lou Rainer, Doris McLain and Margie Womack.

Women To Attend THDA Conference

Mrs. J.R. Turner, Mrs. William Smith and Mrs. Elvira Stewart, members of home demonstration clubs in Floyd County will attend the annual Texas Home Demonstration Association (THDA) conference Sept. 20-22 in Galveston.

Among the highlights of the meeting are keynote addresses, educational workshops and social events.

Educational workshops during the meet will include sessions in health, safety, family life, citizenship, cultural arts and 4-H.

From those workshops, members will bring background, teaching methods and actual subject matter for developing local programs in Floyd County.

Organized home demonstration and Extension Homemakers Education (EHE) Clubs now have 22,000 members in Texas. A

1973 national survey reported national membership at 600,000-to total a larger membership than any other women's organization in the United States.

According to home demonstration guidelines, members are organized to improve family and community life through the study of health, food, clothing housing and furnishings, money management and family life.

In 1973, they shared that information with 100 million youth and 200 million adults nationwide by serving as volunteer instructors of in-

dividuals and community groups in their own counties.

In Texas, they also donated time and services to 50 different projects. Most of these projects were in health and safety and community improvement along with programs for 4-H and older adults.

In addition, they contributed more than \$10,000 to improve community centers and they provided \$8,700 in scholarship funds for youth.

County Heart Association

To Hold Luncheon Meeting

Floyd County Heart Association meets Tuesday noon for a dutch treat luncheon at King's Restaurant in Floydada. The meeting will be to re-organize for fall and spring planning.

MR. AND MRS. G.A. MCADA

Anniversary Reception Sunday To Honor McAdas

Mr. and Mrs. G.A. McAda of Lockney will be honored with a reception in observance of their Golden Anniversary Sunday September 18th in the Fellowship Hall of the First United Methodist Church. All of their friends and relatives are invited to call from 2 to

5 p.m.

Hosting the event will be their daughter Kim McAda and their adopted children, Mr. and Mrs. Gene Hammit of Holly, Colorado and Mr. and Mrs. Jerry Chesshir of Irving, Texas. Also their nieces and nephews Mr. and Mrs. R.G. Morris of Petersburg and Mr. and Mrs. Hansel Sanders of South Plains. The former Artitia Gordon and G.A. were married September 18th, 1927 at Sunset.

FLOYD DATA
Mr. and Mrs. M.H. McNeill and Mr. and Mrs. W.L. Davis spent Labor Day weekend at Cloud Croft, New Mex.

FLOYD DATA
Dale Bradley of Denver City, son of Dr. and Mrs. Floyd Bradley of Floydada, was in a car accident near Denver City Thursday afternoon. He was transferred to Lubbock Methodist Hospital Friday for additional treatment.

Eastern Star To Honor Grand Conductress

Eastern Star members are reminded and urged to attend a salad supper Monday night at Masonic Hall in honor of Rennie Otton of San Antonio, Grand Conductress of the Grand Chapter of Texas, Order of Eastern Star.

The program begins at 7 o'clock.

Fair Queen To Be Named

Thursday

Robin Roberts of Floydada will relinquish her crown as Miss Floyd County Queen next Thursday evening when the new fair queen will be named. This is the tenth annual Miss Floyd County Fair Queen contest, to begin at 7:30 in the entertainment building on the fair grounds at Lockney.

Twenty-two girls from Floyd and the five surrounding counties had entered the contest as of Thursday. Deadline for registering was Saturday, September 12, at which time a Coke party for contestants was to be held at 2:30 p.m. at the fair grounds.

Chairman of the queen contest is Lisa Mosley of Lockney. Her committee includes Valdonna Barbee, Penny Golightly, Linda Morris and Connie Wideman of Floydada; Cathy Barnett, Vickie Green and Sharon Kinard of Lockney.

Judging of all exhibits, the fair queen contest preliminaries, the parade at 4:30 and the fair queen finals will be held Thursday, September 15. Craft fair, a sheep breeders show, dominos, bridge and ping pong is the schedule for Friday, and on Saturday, the 17th, there is a junior showmanship contest, livestock judging, a pet show, an old fiddlers contest, tractor driving contest and a western dance.

Over \$1,000 is being offered in the old time fiddlers contest slated for September 17 from 11 a.m. until 6 p.m. A western dance follows. Dance music will be furnished by Euell Daniels and The Day Timers.

The following members from Lockney attended: Dorothy Bradley, Jeanette Marr, Wilma Adams, and Leona Watson.

4-H Helps

Youths Mature

Activities in 4-H are not programs constructed to help youngsters pass the time, but to mold adults, emphasizes Doyle Warren, county agent with the Texas Agricultural Extension Service. 4-H is the youth phase of Extension Service educational programs.

In 4-H, working together for a common goal prepares today's young people for working relationships in the business world. These community efforts also establish the brotherhood that many Americans are striving for all over the world, reminds Warren.

The challenges 4-H youngsters face give them a chance to place new ideas into the lives of their families and communities. 4-Hers also learn through their experiences and gain wisdom that will benefit them in later years.

To start the journey that can lead to fun-filled as well as rewarding experiences, contact the county Extension office to learn all about the 4-H program, adds Warren.

NEWS 'N' NOTES

(by Sharon Hillis)

Now that you-and eight million other people in the world-are the proud owners of a microwave oven, maybe you're wondering how to use a conventional cookbook for this new, fast "miracle" cookery.

Microwave ovens are more popular due to changing lifestyles, the energy crisis, public education and awareness.

Manufacturers continually are improving the microwave oven so it will perform a greater variety of jobs.

"Time" is the major factor in adjusting to microwave cooking, but there are several other techniques that will make the "change" easier.

Microwaves are produced in the magnetron of the oven. They are directed into the oven cavity by a stirrer, rotating blade or fan.

It's difficult to distribute the microwaves evenly into all parts of the oven, so the cook must do one of two things: place the food in a round container rather than a square one, because the food cooks from the outside toward the center and foods cooked in square dishes tend to become overdone at the corners. Or, the cook can use the "rotation technique"-in which the dish is rotated one-fourth turn about halfway through the cooking time.

Another adaptation is necessary because microwaves cause carryover cooking to occur. That means after the food is cooked in the oven, and removed from it, it continues to cook.

To allow for this, closely follow recommended cooking times-and remember it may be necessary to stop the oven a few minutes before the food looks done. After the food has rested for several minutes, and it still doesn't look done, then extra cooking time can be added as needed.

Still one other adaptation is reducing conventional-recipe liquids by at least one-fourth-to keep the food from being too soupy.

Browning or "crisping"

bread or crusts require another special, but easy, step.

Microwave ovens normally don't brown food, nor does moisture evaporate. So microwave cooking alone will not make a pie crust of loaf of bread crisp. However, good results are possible with a combination of microwave and conventional methods. For instance, when baking bread, you could cook it for eight minutes in the microwave and then 10 to 12 minutes in a conventional oven. This same loaf of bread would take about an hour to bake in a conventional oven-compared to 18 minutes with a combination of methods. Pie crust baked by a combination of methods would take half as much time as one baked in the conventional oven alone.

It only takes a little practice for most homemakers to adapt the family's favorite recipes to microwave cooking. But first, it's easier to use the manufacturer's cookbook provided with the new oven.

Vegetables cooked by microwave are a real success story. Use just a minimum of water and maximum speed so that the vegetables stay bright in color, ripe and crisp.

Here is a tasty recipe for use in a microwave oven.

Chili Con Carne
1 pound ground beef
1/2 cup chopped onion
1/2 cup chopped green pepper

Club Members Have Auction

An auction of handmade items was conducted Thursday night by members of the Penderoso Junior Study Club. Sherry Race was in charge of the auction.

The items were "samples" of the club members' artistic and creative work which will be sold in the club's "Country Boutique" at the Floyd and Surrounding Counties Fair.

The first regular meeting of the club year was held at the Lockney home of Cheryl Teeter. Co-hostess was Sheryl Bybee.

The business session was led by president Cheryl Bradley. Most of the discussion centered on the club's activities at the upcoming fair. The group also voted to take salads for the queen's pageant supper, and to take cookies for the town meeting. Lisa Mosley distributed quilt squares for the women

FLOYDDATA
Wade Warren is a medical

patient in Lubbock Methodist Hospital, Room E-773. He is reported to be doing as well as could be expected.

Nobody Wins In Tie At Railroad Crossing

1 (16-ounce) can tomatoes, cut up
2 (16-ounce) cans dark red kidney beans, drained (optional)
1 (8-ounce) can tomato sauce
1 teaspoon salt
1/4 teaspoon garlic powder
1 to 2 teaspoon chili and powder

In a 3-quart casserole, cook meat, onion, and green pepper by microwave for 5 minutes or until vegetables are tender, stirring once. Stir in remaining ingredients. Cover; cook by microwave for 15 minutes, stirring once. Serves 6.

A new effort to convince motorists that when "it's a tie at a railroad grade crossing, nobody wins," has been launched by the Railroad Transportation Section of the Texas Safety Association in cooperation with Texas railroads.

The statewide program aimed at preventing grade crossing accidents is called "Operation Lifesaver." Texas motorists have a high exposure to potential railroad-motor vehicle accidents, with 13,800 grade crossings-second only in number to Illinois.

"Operation Lifesaver" began in 1972 in Idaho and has been adopted by six other states, all with excellent

Coffee beans are actually the pits of a red, cherrylike fruit.

lance Sunday afternoon to Parkland in Dallas, where he is in a serious condition suffering from meningitis. The baby had been in the hospital at Pittsburg, Tx. being treated for pneumonia. Complications developed and his condition became critical, necessitating the transfer to Parkland.

The Liphams brought their granddaughter, Tammy, home with them where she will stay until the parents are able to return home.

FLOYDDATA

Mr. and Mrs. Julian Liphams have returned home from Dallas where they have been with their grandson at Parkland Hospital. Danny Joe, seven month old son of Mr. and Mrs. Harold Clampitt, Daingerfield, was rushed by ambu-

existing laws governing crossings, and education of the driving public on proper and safe procedures at grade crossings.

"Operation Lifesaver" has the support of Governor Briscoe, who stated, "We all share a deep concern about the death and injury that is occurring at railroad grade crossings in our state." His support and concern are shared by Col. Wilson E. Speir, director of the Department of Public Safety, who hopes the program "will motivate the motoring public to voluntarily comply with the signs and signals

controlling grade crossings."

Bumper stickers, brochures and lifesaver candy are also utilized in the presentations. Anyone wishing to arrange an "Operation Lifesaver" program may contact me or the statewide project chairman: Jim Johnson, Union Station Building, Houston, Texas, 77002.

When it comes to preventing crossing accidents, the railroads DO care.

Sincerely
Susan Metcalf

OBITUARIES

Wallace King

Graveside services were conducted in Midland at 2 p.m. Saturday, September 10, for Wallace King, 67 year old former Floyddada resident. King died in Harris Memorial Hospital in Fort Worth about 5:15 p.m. Thursday following a lengthy illness.

He came to Floyddada as a young man and later married Barbara Maddox. The couple operated King's Variety Store (now Perrys) from the early 1930's until moving to Midland in 1959, later moving to Fort Worth where they owned an art studio until retiring. King still owned business interests in Floyddada.

Survivors include his wife; a son, Kelly of Dallas and a sister, Gertrude King of Slaton.

Joe Stephens

MATADOR- Services for Joe Stephens, 78, of Matador were Friday in the First Baptist Church of Matador.

The Rev. Jerry Golden, pastor, and the Rev. C.H. Murphy, pastor of the First Baptist Church in Friona, officiated. Burial was in East Mound Cemetery at Matador under the direction of Seigler Funeral Home.

Stephens died at 11 a.m. Tuesday in Motley General Hospital after a lengthy illness.

He had lived in Motley County since 1907 and had lived in Matador since 1953. The retired rancher and cowboy had worked for several area ranches.

Survivors include his wife; a son and daughter; two brothers and a sister, Mrs. Beulah Jameson of Floyddada.

Charles Blondin crossed Niagara Falls on a tightrope several times, including blindfolded, on stilts, in a sack, pushing a wheelbarrow, carrying a man and even stopping to cook and eat an omelet.

The heat pump

"THE ELECTRIC SAVINGS MACHINE"

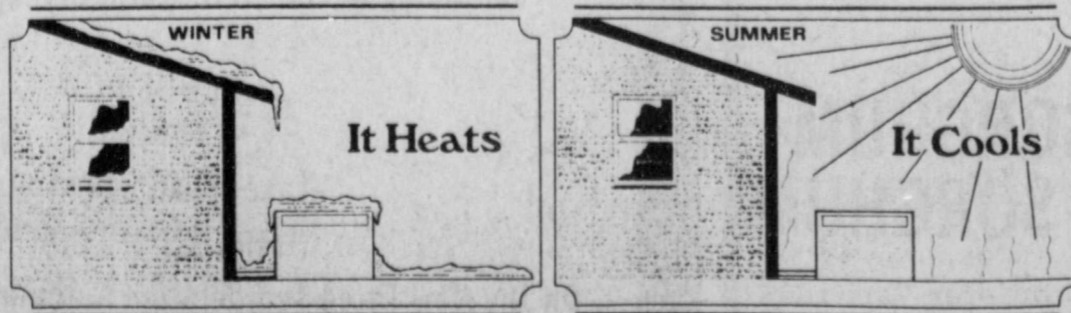

Here's how heat pump

pumps

Think of it as a two-way electrical wonder, an amazing machine that cools your home or office in summer... then automatically reverses itself to heat in winter.

Think of it as a savings machine that costs less to operate than other electric heating/cooling systems now on the market. You know that all air - even frigid arctic air - contains heat. The heat pump just puts this simple principle to work. In winter, it squeezes heat from outside air and pumps it inside. In summer, it extracts unwanted heat from the inside air and pumps it outdoors.

Or consider something already in your home that accomplishes the same thing as a heat pump: your refrigerator. It removes heat from the interior of the box and expels it. Like a refrigerator, the heat pump's basic components are simple - electric motor, compressor, condenser, evaporator, and blower system. Unlike a refrigerator, the heat pump has a reversing valve that lets it change the direction warm air is pumped - inside in winter, outside in summer.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Program officials have announced that the first spraying of insecticide in the fourteenth year of the High Plains Boll Weevil Control Program is scheduled to begin September 6.

Weather permitting, aerial applicators within a few days will have put ultra low volume malathion on about 80,000 acres of weevil-infested cotton along the eastern edge of the High Plains.

The program, initiated by Lubbock-based Plains Cotton Growers, Inc., has operated each year since 1964 to prevent the spread of boll weevils across the huge cotton acreage west of the Caprock. Its cost is borne jointly by High Plains cotton producers, the U.S. and Texas Departments of Agriculture. USDA matches funds contributed by producers and the TDA.

The acreage to receive treatment in the first application this year is only about two-thirds the 125,000 acres covered in early September of 1976.

There are two reasons for this said PCG Field Service Director Ed Dean. "First, thanks to the excellent kill achieved by the program last year and a cold 1976-77 winter, there have been fewer weevils coming out of hibernation this year. Second, because of the unusually serious threat of bollworm infestations this year, only fields with very large numbers of weevils will be treated on the first application," Dean explained.

"The 90 'weevil checkers' that mapped out acreage for the initial treatment counted bollworms right along with weevils," he continued, "and we won't be spraying in fields where the killing of beneficial insects would bring on more crop damage from bollworms than is expected from weevils."

Ultimately officials expect to spray an aggregate of 750,000 acres this year. "Base acreage" of between 200,000 and 250,000 will be sprayed from one to five times as necessary until frost or harvesting destroys the weevil's food supply.

Base acreage in last year's program totaled over 350,000, and the aggregate acreage sprayed came to 1,161,000.

The program control zone is divided into three units, each to be treated under a separate contract with an aerial applicator. Contracts were let recently to the three lowest of 24 bidders. Successful bidders for the 1977 operations, all Texas firms, were Nimmo Spraying Service of Plainview, Stribling Spraying Service of Dawn, and Perryton Aviation of Perryton.

Officials figure the average cost of insecticide application in 1977 will be about \$2.38 per gallon. The average per-gallon cost under 1976 contracts was \$2.70.

The three applicators will operate from bases in Matador, Spur and Lamesa. Pilots, planes and other equipment were checked in at Matador and Spur and approved on September 1. The

and Omar Burleson. Omar succeeds Eddie as president, Billy Don is new vice president, and not pictured is new secretary Kenneth Pitts. Other board members not pictured include Laron Fulton and D.K. Jackson. (Staff Photo)

SCS Directors Attend Area Meetings

Directors for the Floyd County Soil and Water Conservation District have attended two meetings within their organization lately.

Mr. G.L. Fawver and Gerald Lackey attended the applicator for unit number three (Lamesa) is scheduled to report on September 7 and begin treatments on September 8.

Treatments will begin with a total of ten planes but this number will increase to 18 or 20 with subsequent treatments and enlarged acreage.

meeting which will be held in Lubbock, October 11, 12, and 13.

Mr. G.L. Fawver, Gerald Lackey and Herman R. King attended a workshop in Spur Wednesday. The workshop was to prepare and assist directors in their work. Several state officials were present to conduct the workshop.

Collect Samples For Fall Crops

Without a soil test, it is difficult to determine how profitable fertilization is. That's why soil samples should be collected now and tested so that a fertilization program can be planned for fall crops, says Doyle Warren, county agent with the Texas Agricultural Extension Service.

A profitable return from

fertilization depends on the level of available nutrients in the soil before fertilization. Nutrients in the fertilizer must supplement those in the soil to insure an adequate supply of those nutrients needed. Since soils vary in nutrient levels, this means that each soil and each nutrient must be considered and fertilizer ap-

IN CROSBYTON

Cotton Incorporated Chief To Speak

J. Dukes Wooters, Jr., President of Cotton Incorporated, the cotton producers research and promotion company headquartered in New York City and Raleigh, North Carolina will address a public meeting sponsored by the Crosby County Cotton Club, September 22, at 8:00 p.m. in the Pioneer Memorial Museum Building in Crosbyton, Texas.

J. DUKE WOOTERS

Established in the 1960's as successor to the industry's voluntary research and promotion effort known as Cotton Producers Institute, Cotton Incorporated is funded at the rate of \$1 per bale on U.S. production. In an industry-wide referendum last fall, producers voted to increase the assessment by an additional 4/10 of 1% of the value of cotton.

Dealing in many areas of cotton's research needs, including cultural practices, processing and handling along with development of new cotton fabrics, the company has achieved many break-throughs to add to

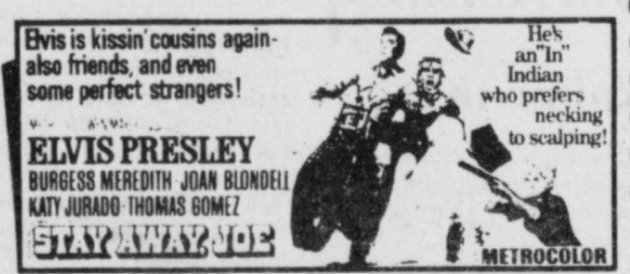

producer income. Its promotional activities on behalf of cotton are noticed increasingly in the nation's media. One of its campaigns currently underway is in support of 100% cotton denim. We are fortunate to schedule C.I.'s chief executive to give us an indepth report of the benefits the cotton producers research and promotion dollars have generated for our industry, said Mrs. Lawrence McDowell of Ralls, President of the Crosby County Cotton Club.

erally turn crewmen into "cowboys of the sea." These brave men sometimes even get into the water—often shark infested—to help herd porpoises to freedom. These costly, risky efforts are paying off. Last year, according to government reports, nearly

99 out of every 100 porpoises caught were released unharmed

Eighth Grade Gridders Beat Post 30-14

Lockney Junior High's eighth-grade football team walloped Post Thursday by a 30-14 score.

The Shorthorn eighth-graders led 24-0 at halftime on a touchdown run by Isreal Guerra and two by Junior McDonald. Guerra's scoring scamper covered about 50 yards; Jeffrey McCormick ran for the extras. McDonald scored the next 16 points for Lockney—he added two-point running conversions after each of his two TD's.

Guerra added six points for the Horns in the second half, on a short run to paydirt.

McCormick completed

three of seven passes in the game. Henry Vega nabbed two and Jeff Reecer caught one. Coach Steve Culwell said the whole offensive team did a good job. He mentioned good blocking by Martin Tickle, Domingo Hernandez and the rest of the offensive line.

It was an excellent defensive game for the Short-horns, Culwell said. He commended noseguard Karl Race, linebackers Victor Villalon and Isreal Guerra, tackles Mack Sherman and Kenneth Rogers, ends Phillip Kidd and Henry Vega, cornerbacks Carl Burt and Ernest Galvan, strong safety Junior McDonald, and free safety Tyke Dipprey.

SEVENTH GRADE LOSES

The Lockney seventh-graders lost a 12-0 decision to the Post team. It was a learning situation for both teams, Coach Lyndall Favor said. The coaches were on the field, and the teams did not punt the ball (although they did kick off.)

While the Lockney offense failed to put together a sustained drive, the defense played well in most of the game. Post's scores came on big plays. Favor said Mario Arellano was a defensive standout. Everybody saw action in the game.

The junior high games were played at Lockney.

Next action for the Short-horns will be next Thursday, when they go to Olton. The seventh-grade game starts at 5 p.m.

New Books At Lockney Library

A group of paperback books, most of which were bought by the West Texas Library System with a grant from the Texas State Library, have been added to the shelves of the Lockney branch of Floyd County Library.

The Lockney branch is open weekdays from 1 to 5 p.m. The library is located on Main Street, across from the Dairy Queen. The Floyd-ada main library is open from 9 a.m. to noon, and from 1 to 5 p.m. each weekday. It is located in the courthouse.

The non-fiction titles in the paperbacks now available for reading include the following: *My Life* by Golda Meir, *Passages* by Gail Sheehy, *Angels* by Billy Graham, *Man In Black* by Johnny Cash, *To Jerusalem and Back* by Saul Bellow, *Before The Fall* (An Inside View of the Pre-Watergate White House) by William Safire, *The Final Days* by Bob Woodward and Carl Bernstein, *A Man Called Intrepid* by William Stevenson, *Breach of Faith* (The Fall of Richard Nixon) by Theodore H. White, *The Russians* by Hedrick Smith, *A Bridge Too Far* by Cornelius Ryan, *My Heart Belongs* by Mary Martin.

Also Spandau-The Secret Diaries by Albert Speer, *The Relaxation Response* by Herbert Benson, M.D., *The Peter Plan* by Dr. Laurence J. Peter, *The Complete 1977 CB Handbook* by Jethro K. Lieberman and Neil S. Rhodes, *Three Magic Words* by U.S. Andersen.

In the fiction division, the Paperbacks are *Dolores* by Jacqueline Susann, *Gone With The Wind* by Margaret Mitchell, *The Pride Of The Peacock* by Victoria Holt, *The Cross of Iron* by Willie Heinrich, 1896 by Gore Vidal, *The Secret List of Heinrich Roehm* by Michael Barak, *The Company* by John Ehrlichman, *The Viking Process* by Norman Hartley, *The Chinese Bandit* by Stephen Becker, *The Monte Cristo Cover-Up* by Johannes Marie Simmel, *The Prometheus Crisis* by Thomas N. Scortia and Frank N. Robinson, and for juveniles, *Peter Pan* by J.M. Barrie.

Hardback titles now at the Lockney branch of the library include these books:

Storm Tide and Ebbing Tide by Elisabeth Ogilvie.
All Visitors Must Be Announced by Helen Van Slyke—a bold novel about a cooperative apartment building New York's posh Park Avenue.

Pencarnan by Jennifer Rigg—A young woman joins her fiancé, an amnesia victim of World War I injuries, at the family's home on the coast of Wales.

The Look of Innocence by Anna Gilbert—This book was winner of Britain's Romantic Novel of the Year Award. The setting is in the 1880's in a small town in northern England and concerns a young girl whose childhood friends want everything our heroine has.

Borrower of the Night by Elizabeth Peters—A female instructor of history at a mid-western college enters into a search for a priceless, carved, jeweled reliquary that has been hidden for over 450 years. The heroine encounters a young professor and is instantly attracted to him. He also joins in the search.

The Winds of Love by Agnes Sligh Turnbull—The absorbing story of a woman facing the crisis of a broken marriage.

The Dark Lady by Louis Auchincloss—The offices, penthouses and suburban chateaux of New York are the setting for this novel, which spans from the 1930's to the McCarthy era.

The Rich Are Different by Susan Howatch, authoress of *Penmarric* and *Cashel-*

mara.

Something to Live By, edited by Dortha S. Koppin—A book of help and comfort for all pages...a simple, sincere and honest philosophy of living, gleaned from the world's finest inspirational writings.

The Art of Making Houses Livable by Peter and Susanne Stevenson—Armed with this guide, the reasonably-handly homemaker can mold his house into a home suitable to his needs; pictures included.

The Navy From Civilian to Sailor by Keith Robertson, Capt. USNR.

Handbook of Denominations in the United States by Frank S. Mead.

MEMORIAL BOOKS

Two hardback books have been given to the Lockney library as memorials to the late Miss Felicia Louise Applewhite. Mr. and Mrs. Eddie Fortenberry are donors of *A Long Way Up-The Story of Jill Kinmont* by E.G. Valens. This book, the basis for the movie "The Other Side of the Mountain," tells of the Olympic skier who was paralyzed in a skiing accident.

Aunt Clara-The Paintines of Clara McDonald Williamson by Donald and Margaret Vogel was given to honor Miss Applewhite, an artist, by Mr. and Mrs. Ted Bell, Mrs. Sim Reeves and Mr. and Mrs. Jack Reeves.

The Athena Junior Study Club has presented the library with *99 Ways to a Simple Lifestyle* (from the Center for Science in the Public Interest). This book was given by the club to recognize the achievement of Mike Ferguson in becoming an Eagle Scout.

YOUTH FICTION

Several new books for youth have been received at the library. These include the following:

Here's Marny by Janet Lambert—a 15-year-old ward of the state of Georgia discovers the Jordan family and wants to move out-of-state with them, but finds

Happy Birthday

Sept. 11—Hubert Davis, R.B. Holt, Danny Hernandez, Kim McCarter Murdock, Santos Segovia, Sr.

Sept. 12—Michael Villalon, Helen Huffman, G. A. McAda, Gloria Guerrero

Sept. 13—Gloria Segovia, Billie Cook, Don Sutterfield

Sept. 14—Rochelle Dorman, Doylene Poole, Boo-Boo Lane, Ricky Brotherton, T.J. Askew, Mark Mangum.

Sept. 15—Birda Foster, Sylvia Salinas, Thurman Davis

Sept. 16—Elizabeth Widener, Gary Marr, Lesa Aaron, Joe Neil Rexrode, Berl Rogers

Sept. 17—Steven Galvan, Melanie Foster, Lou Aston, Brad Baccus, Kim Perry

Happy Anniversary

Sept. 12—Bob and Vida Miller

Sept. 14—Mr. and Mrs. W. J. Lee

Sept. 15—Mr. and Mrs. Ricardo Cuellar

Sept. 16—Mr. and Mrs. Ben McGehee, Mr. and Mrs. Gilbert Blanco

Mr. and Mrs. Tommy Francis and son Brady Smith visited through the Labor Day Holidays in the homes of her mother Beth Kropp and grandmother Bonnie Bennett. They returned to their home at Vidor, Texas, Monday. Also Joe Bill Sandusky and son Thad and son-in-law Kenneth Pennington of Bromide, Okla. visited with Bonnie and Beth over the weekend.

that custody is a difficult matter.

Starring Sally J. Freedman as Herself by Judy Blume—A 10-year-old whose imagination frequently outlines stories in which she is the star of a movie, moves to Florida in 1947 and thinks she discovers Adolph Hitler in hiding.

"I'm Vinny, I'm Me" by Bianca Bradbury—Two youngsters try to make it on their own as the run a motel after their mom's death.

Belles on Their Toes by Frank B. Gilbreth Jr. and Ernestine Gilbreth Carey... the sequel to *Cheaper* by the Dozen.

LOCKNEY LOCALS

Rev. and Mrs. Clay Muncy attended the Center Baptist Church reunion at the Massie Activity Center in Floyd-ada on Sunday. Rev. Muncy was pastor at Center from 1944-51, and the reunion is held annually. Two former pastors, Rev. Muncy and Rev. Merle Weathers of Canyon, were on the program.

Mr. and Mrs. Fred Byrd, Dr. and Mrs. Mangold, Mr. and Mrs. Rusty Baccus and their son and his wife Bruce and Diana Baccus from Canadian, Tx. spent from Friday until Monday in Ruidoso, N.M. Others who were in Ruidoso for the Labor Day weekend were: the L.R. McCormicks, the Bobby McCormicks, the Jerry Perrys, the Clyde Farishes, the Gene Belts, the Dan Smiths, the Floyd Jacksons, and those whose names were unavailable.

Mr. and Mrs. R.C. Kellison spent Saturday, Sunday and Monday at Lake Altus, Oklahoma for a family reunion of her family, the Knowles reunion. Fifty-eight family members were in attendance.

Mr. and Mrs. Kenneth Moody returned last week from a week's visit with their three sons at Steamboat Springs, Colorado.

Bill and Mildred Reagan had as guests last week their two daughters and their son. From Lincoln, Nebraska visiting was their daughter Donna and Ken Mosher and Sharon; from Houston was their son Bill and Sandra Reagan and their five children; and from Plainview daughter Sandra and Cal Demarest. Friends visiting were Rex and Ann Demarest from Abernathy.

On Sunday, the Bill Reagan family attended a reunion of his family, the Reagan-Davis families in Thompson Park, Amarillo. Sixty people were in attendance.

Mrs. C.R. Haggard has had her daughters as guests during the past week. Wanda Haggard from Dallas left Wednesday of this week following a week's visit with her mother. Another daughter, Violet and Berry Caylor and their children, Dana and Robin, from Dallas spent the Labor Day weekend with Mrs. Haggard.

Mr. and Mrs. G.A. McAda and Kim had as guests this past weekend G.A.'s brother, Mr. and Mrs. Grady McAda from Tucumcari, New Mexico. Together they attended the Fairview-Center Reunion at the Massie Activity Center in Floyd-ada on Sunday.

Mr. and Mrs. C.L. Record and Mr. and Mrs. C.H. Rose went to Amarillo Sunday and visited with the Record's daughter and family, the Guy Robertsons.

Robert Peel, father of Mrs. Kenneth Moody, a former resident of Crosbyton and now residing at a Nursing Home in Falls, is hospitalized in the Crosbyton Hospital. His family expect him to be released this week.

Mr. and Mrs. Truett McCarty and Scott attended her family's reunion this Labor Day weekend at Greenbelt Lake near Clarendon. Present were Mr. and Mrs. Calvin Poteet of Floyd-ada, their son and four daughters and their families. In attendance were: Curtis Poteet (son) and his wife from Nara Visa, N.M., and their son Mr. and Mrs. Ronnie Poteet and daughter from Nara Visa; and son Mr. and Mrs. Wayne Poteet and two children from Floyd-ada; and daughter, Mr. and Mrs. Craig DuBois and son of Floyd-ada. Mr. and Mrs. Homer Ellis (daughter) and their daughter Mr. and Mrs. Bob Hatfield and daughter, and their son Mr. and Mrs. Steve Moore and two sons, all of Henrietta, Tex. Mr. and Mrs. James Wages (daughter) and their three children at home, and their son Mr. and Mrs. Greg Wages all of Liberal, Kansas.

Mr. and Mrs. Truett McCarty and daughter and son Scott of Lockney, and their daughter Mr. and Mrs. David Cook and their two children of Amarillo.

Also in attendance was a cousin Mr. and Mrs. Edward Elliott of Abilene, Tx.

Mr. and Mrs. R.H. Parker returned Tuesday from a week's visit in El Paso with their son's family, Charles and Sandra Smith, Wendy and Holly. Charles has recently been transferred to El Paso from Buffalo Gap.

Mrs. Bill Reagan accompanied her sister-in-law Mrs. Jessie Reagan of Quitaque to Plainview Wednesday.

Mrs. W.D. Colson returned Tuesday following a trip of several weeks. She flew to Plymouth, Michigan and visited her niece, Mr. and Mrs. John Colson and family. Mrs. Colson accompanied the Crosslins to Nashville, Tennessee where they visited relatives, and then to Richland, Washington where they visited with Mr. and Mrs. Charlie Holland (Mrs. Holland is the former Lillian Cooper of the Lockney area).

Mr. and Mrs. Max Stevenson and three sons of Roswell, N.M. visited Monday in the home of his aunt, Mr. and Mrs. George Taylor.

Mr. J.R. McDonald is being visited by several of her children. Her daughter, Mrs. Marie Dillard from Dimmitt is staying with her for awhile. A son, Mr. and Mrs. Hiram McDonald from Cocco, Florida flew to Lubbock Saturday to spend the week. On Sunday the McDonalds went to Silverton for a family reunion of Mrs. J.R. McDonald's late husband's oldest sister's family, the children of the Wade Chittys.

Another son, W.R. McDonald of Little Rock, Arkansas arrived Monday to spend the week.

New Hunting Licenses Required

LUBBOCK— The 1977-78 Texas hunting licenses are available at license vendors and all Texas Parks and Wildlife Department offices across the state.

The licenses will be valid for the period Sept. 1, 1977 through Aug. 31, 1978. The resident hunting license is \$5.25 and the combination resident hunting/fishing license is \$8.75. Non-resident/small game license is \$37.75 and will be required for out-of-state hunters after quail, prairie chicken, pheasant, dove and other small game species. The non-resident/general hunting license is \$100.75 and will

allow out-of-state hunters to bag all legal Texas species including deer and turkey.

These licenses are printed on waterproof, tear-resistant paper and each license will contain buck, antlerless deer and turkey tags. The date and month of kill on all tags must be marked out in ink or cut out and tags attached securely to the carcass before transporting or moving the carcass. The place and county of kill must also be filled in at this time.

There is a space on the back of the new license for white-winged dove, archery, and federal waterfowl stamps to be affixed.

A resident license is required of every Texas citizen hunting outside of the county of residence between the ages of 17-65 years old. Persons hunting on land where they reside or persons hunting deer and turkey in county of residence must have an exempt hunting license which costs \$1.25.

A citizen is any person except an alien who has been a bona fide resident of Texas for more than six months immediately preceding application for a license. Members of the Armed Forces with proof of assignment on active duty at any federal installation within the state for a period of more than 30 days may purchase a resident license.

All persons who hunt wild deer, turkey and javelina during any open archery season in which only long bows and arrows are used, are required a \$3.25 archery stamp in addition to a valid hunting license. This includes both resident and non-resident hunters.

More information is available in the new 1977-78 Texas Hunting and Sport Fishing Guide which can be obtained free at all license vendors and P&WD offices.

FLOYD DATA
Mr. and Mrs. Doyle Turner and Mr. and Mrs. Shorty Turner returned home Monday after spending Labor Day weekend in Cloud Croft, New Mex.

AMERICA'S ECONOMY

Would the Administration's proposed Crude Oil Equalization Tax (COET), which would be added to the price of controlled domestic crude oil, encourage increased domestic production? No, the tax itself would not encourage any increased exploration or production. But because COET is a move in the direction of realistic crude oil pricing, it could be a first step towards eventual de-control. As currently proposed, the tax revenues would go into government coffers for consumer rebates and funding other federal programs. If a portion of the revenues generated by COET was returned to producers as a "plowback" credit, it would encourage investments to find and produce additional energy supplies.

THIRTEEN VARIETIES of cotton were viewed on this farm, rented by Aldine Williams Tuesday on the county farm tour. (Staff Photo)

DRYERS

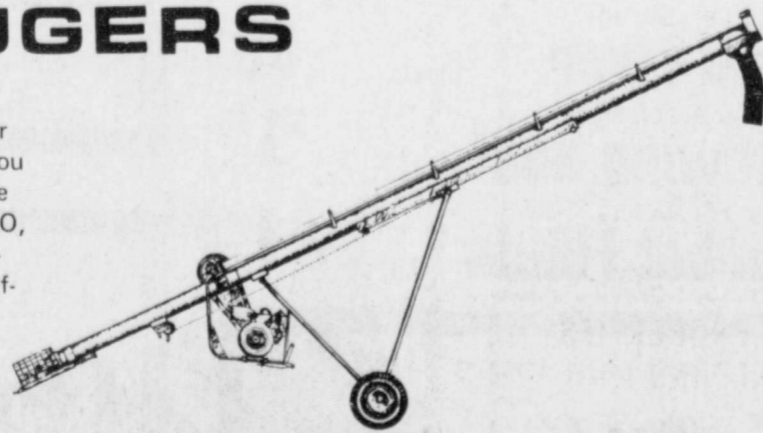

The three temperature "Sensor" Automatic Dryer utilizes a ten inch compartmentalized grain column permitting more air flow and uniform drying. Unique air-foil blade design produces more Cubic-Feet of Air per Minute (CFM) at low horsepower. Ram Jet Burner/Plenum for more efficiency. Many sizes available - some sizes in stock.

STORAGE

Meets the needs of both small and large operators. Heavy duty wall stiffeners resist downward pressures and are computer-designed to support drying loads and stirring devices. Easily adapted to include any number of bins and any size drying capacity. Your dealer can help you plan for the grain drying and storage you'll need.

AUGERS

Galvanized, seamless welded tubes provide greater strength and durability. Pre-Assembled to save you time and to eliminate parts shortages. Choose the power that's right for you, gasoline, electric, P.T.O., Hydraulic. Features include heavy channel, long-life drive, heavy-duty flight, heavy duty shaft, self-aligning bearings, high quality gear box.

\$\$\$ GRAIN MANAGEMENT SYSTEMS — "THE PROFIT MAKERS" \$\$\$

ENERGY TALKS

Q. Should natural gas price controls be extended to the currently unregulated intrastate market?

A. This would only serve to reduce the amount of gas available to the intrastate market, where traditionally higher prices have resulted in larger exploration efforts. Prices in this unregulated sector of the natural gas market have enabled producers there to explore for and produce gas that would be non-commercial in the regulated interstate sector. Since the advent of interstate regulation in 1954, there has been a marked increase in the amount of gas dedicated to intrastate sales. By 1970, 69 percent of new gas supplies was sold in the unregulated sector. Between 1970 and 1973, well over three-fourths of all new gas was sold in the intrastate market. The imposition of controls on the intrastate market would reduce incentive for continued exploration without assuring more supplies for the interstate market. How can we assure more supplies for the interstate market? One step is to deregulate natural gas prices.

Quick Quiz!

Q. Will deregulation of natural gas result in conservation of existing supplies?

A. Higher natural gas prices will lead to more efficient energy use. Because this fuel has been artificially regulated at prices below its commodity value, excessive use and waste has resulted. As gas is priced at its unregulated value in a free market, consumers would demand less simply because prices would begin to climb. And as natural gas reaches a realistic competitive level with other fuels, industrial customers will likely use it only when its special qualities cannot be found in substitute fuels. How will greater energy efficiency be achieved? One step is to deregulate natural gas prices.

The odds against finding all 13 cards of one suit in a bridge hand are 158,755,357,992 to 1.

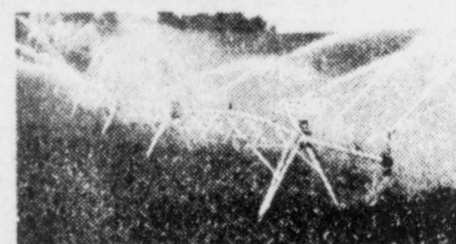

Vermont got its name from the French for "green mountain" — vert mont.

Now! What you pay to lease a Zimmatic depends on the price of corn.

Here's another first from Lindsay the Zimmatic Corn Crop Lease. Instead of a fixed lease payment, you pay for your Zimmatic based on the price of corn. If corn prices plunge, so does your lease payment.

By offering this new lease, Lindsay is sharing some of the same risks that you face every year. Corn prices fluctuate, which affects your profit picture. That's why Lindsay developed the exclusive Zimmatic Corn Crop Lease... a revolutionary program that tailors your lease payments to the changing price of corn, from one year to the next.

The Zimmatic Corn Crop Lease is designed so you can lease a Zimmatic without using your normal operating credit sources... your Zimmatic pays its own way by turning on your production.

The number of Zimmatics available under this program and the time period of this offer are limited so come in soon and get all the details on the Corn Crop Lease and other exclusive leasing programs available only through Lindsay Credit Corp.

Take advantage of a program that has never been offered in the industry before... it's the lease we can do for you.
