Mize Pharmacy & Television Schedules Open House For Sunday

The finishing touches are being put on the re-decoration of Mize Pharmacy and T.V. in preparation for their Open House this Sunday from 1 to 5 p.m. The new building front is of corrugated steel siding. The letters spelling out the business's name will be put up within the next week or two. Wilber and Jan Mize extend an invitation to the Open House to all Lockneyites. There will be soft drinks, coffee, and free doughnuts. Door prizes will be given every 15 minutes along with sale items throughout the store. Wilber Mize and his family moved to Lockney in 1963. He bought the Power's Pharmacy in July of that year. Power's Pharmacy was located on the corner where the Police Station is now. Mize bought the Pharmacy in January of 1964 and changed the name to Mize Pharmacy. In 1968 he bought out the Lockney Drug Store and combined the two. He then moved to the present location. In the summer of 1971 Mize took on the R.C.A. product line and opened up the T.V. shop. A doorway was put through to an old office and redecorated for the T.V. showroom and shop. The Mizes have two children Monty 15 and Amy 12.

Elections Set For Saturday; Commissioners, J.P. At Stake

Registered voter count as of Monday was 4556 for Floyd County. The count, at primary election time, in 1978 was around 4,800. Absentee vote count is also down from 153 in 1978 to Democratic 51 and Republican 17 as of absentee voting deadline Tuesday night. Using these numbers as an indicator voting this Saturday will be light. Uncontested races appear to be the reason for voter apathy though, Floyd County has three races that should spark local interest. Two County Commissioner posts are open to fresh contenders since neither incumbent is running. Appeals have been made to the Commissioners Court for County funding and the two men elected from Precinct 1 and 3 will have a strong influence over how those funds are distributed. The Precinct 1 race includes Sam A. Spence, Roger Dawdy and J.W. Becker. In Precinct 3 Larry Noland is opposing Thomas E. Warren. Justice of the Peace race is of special interest since two women, out of only three on the entire ballot, are in contest for that position. Linda Morris and Joyce Lipham are challenging Justice of Peace Walter Hollums. Eligible voters for Justice of Peace Precinct 1 and 4 includes all of the city limit of Floydada, Allmon, Sandhill, Baker, Harmony, Dougherty, and McCoy. See Page 2

Farm Bureau Adopts Program

The Texas Farm Bureau Board of Directors has adopted a five-point program to deal with the worsening farm income crisis, according to TFB President Carrol Chaloupka of Dalhart. "Farmers and ranchers are caught in a crisis that is not of their making," Chaloupka said. "Indications are that net farm income will be about one-fourth below what it was last year." Chaloupka said agriculture's financial problems can be attributed largely to federal deficits "which caused inflation," and embargoes on farm exports "which helped depress farm prices." He said inflation hits farmers, especially hard because they cannot automatically pass along increased production costs to the consumer. Calling inflation the "number one domestic problem," Chaloupka called on "all working and business people to join with us in the effort to stop inflation." The TFB Board also asked the American Farm Bureau Federation to take national leadership in efforts to alleviate the crisis. A series of meetings with county Farm Bureau leaders is scheduled across Texas in the next few weeks to assess the extent of the cost-price squeeze and to discuss Farm Bureau's program for dealing with it. Farm Bureau's five-point program includes the following: (1) Start controlling inflation by immediate steps to balance the federal budget, cut taxes, and increase productivity. Farm Bureau supports amending the U.S. Constitution to require the government to operate on a balanced budget, and to restrict spending to a "realistic" percentage of the gross national product. Productivity can be increased by reducing over-regulation by government and by eliminating costly government-protected labor practices. (2) Expand foreign markets through hard bargaining with nations which depend upon American markets for their exports. (3) Assure adequate fuel by deregulating the petroleum industry, reducing environmental controls, and by exploring alternate fuels such as agricultural alcohol. (4) Stop government's "cheap food" policies by eliminating market restraints (such as embargoes), by emphasizing market-oriented farm programs to avoid accumulating surpluses.

Safety Program Given

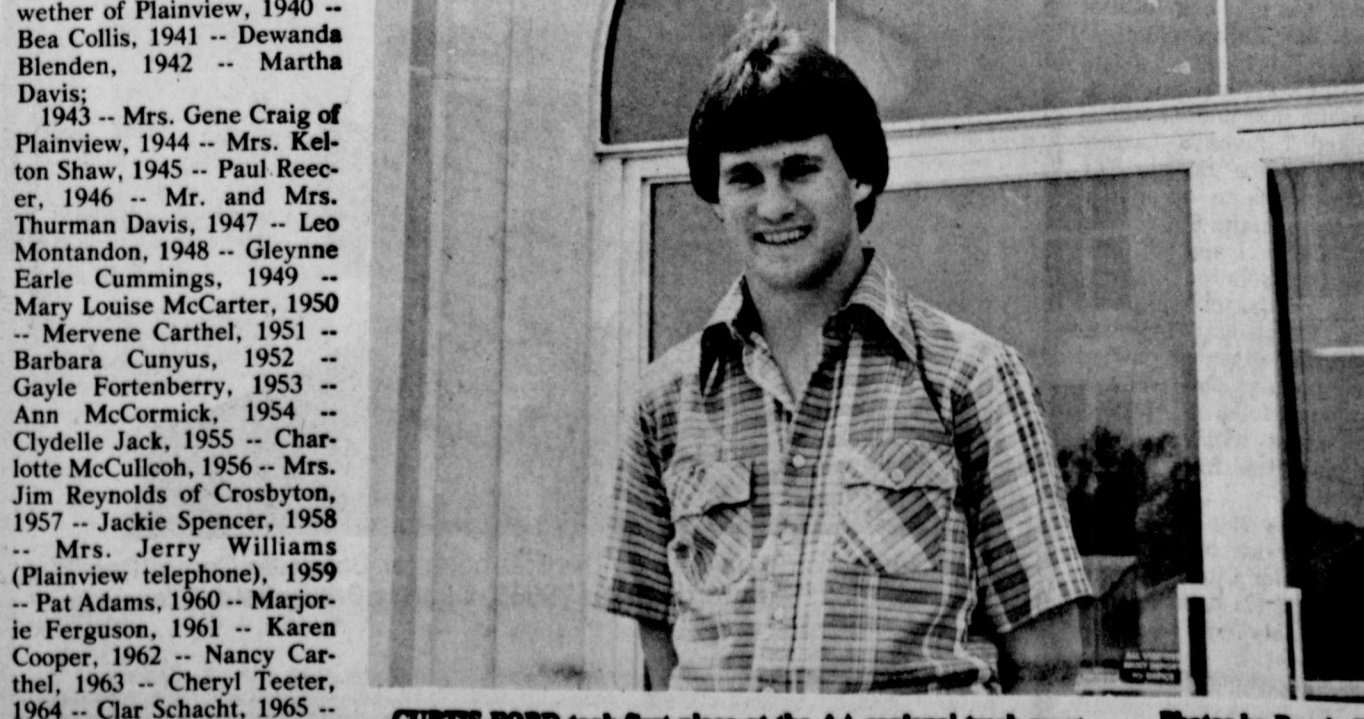

A safety program sponsored by Lockney Hospital for employees and hospital auxiliary members was given April 25 in the meeting room in the hospital basement. Larry Eblen meteorologist with the National Weather Bureau, Lubbock, Texas presented Slides and a Film on Turbulent Weather and how to identify a cloud that could possibly spawn a tornado. Also, he gave information on how to protect you and your family in the event of a tornado. The program was given from 8:00 a.m. to 10:00 a.m. and repeated from 10:00 a.m. to 12:00 noon in order that all staff members and Hospital Auxiliary Members could attend. The Lockney General Hospital Auxiliary will meet May 1, 1980 for its regular meeting. Officers for the coming year will be installed as follows: President, Dona Winter; President Elect, Merle Mooney; Vice-President, Brenda Mangold; Second Vice-President, Jewel Roberts; Recording Secretary, Elfie Sherman; Corresponding Secretary, Nita Holland; Treasurer, Clara Reecer. All members and anyone wishing to become a member are urged to be present. Commissioners, J.P.'s Speak Out

Editor's Note:

The Hesperian asked the county commissioner candidates this week to comment on issues important to Floyd County...

Thomas Warren [Precinct 3] I have been a lifetime resident of Floyd County and Precinct 3 (on the dirt road) and have served 11 years on the Floydada School board...

Hesperian: How do you rate these issues? Library, County Child, Welfare Board, County Agricultural Office, Law Enforcement?

Warren: I feel we have to have good law enforcement so I will work with the sheriff's department any way possible...

J.W. Becker [Precinct 1] I have farmed for 26 years in Floyd County. I have been a member of the FHA Committee for three years and on the ASCS Community Committee two years...

Hesperian: How do you rate these issues? Library, County Child Welfare Board, County Agricultural Office, Law Enforcement?

Becker: On the library. In order to make an intelligent decision on this matter, more factual data must be presented by both sides of the issue...

Larry Noland [Precinct 3] I have been a resident of Floyd County and Precinct 3 all of my life. I am aware of the problems the commissioner's court faces and I feel I can take responsibility in taking care of the county's business...

Hesperian: How do you rate these issues? County library, County child welfare board, County Agricultural Office, Law Enforcement?

Noland: I would favor a Child Welfare Board for Floyd County. I feel this would benefit abused children in our county...

Hesperian: What plans do you have for County Progress? Noland: I feel at the present, that Floyd County is progressing nicely...

Roger Dawdy [Precinct 1] I am a taxpayer, land owner and concerned citizen of Floyd County. I am in the farming business and I can relate to the concerns of citizens in Floyd County about our tax situation...

Hesperian: How do you rate these issues? Library, County Child Welfare Board, County Agricultural Office, Law Enforcement?

Dawdy: I favor a strong law enforcement program. From the information I have received I favor a County Child Welfare Board...

Hesperian: How do you rate these issues? Library, County Child Welfare Board, County Agricultural Office, Law Enforcement?

Dawdy: I favor a strong law enforcement program. From the information I have received I favor a County Child Welfare Board...

I think we also need (1) to be more aware of the needs of our Senior Citizens in the county and (2) need to work more closely with our city government in Lockney as well as Floydada.

Sam A. Spence [Precinct 1] I would describe myself as a conservative, fair, friendly, honest and dedicated. I have spent 27 years with the State Highway Department working with people...

Hesperian: How do you rate these issues? Library, County Child Welfare Board, County Agricultural Office, Law Enforcement?

Spence: I have always been for a good County Library. The way the Child Abuse Board was explained to me I think it could be worked out it would be good...

My family and I attend church at Bible Baptist where I also am a Sunday School teacher. I have lived in Floydada for about 35 years.

Hesperian: What service do you intend to give through the office?

Spence: I would like to see the office of Justice of the Peace in Precinct 1 and 4 I would deem it an honor and a privilege to serve the people in Floyd County in this capacity...

Joyce Lipham I am a homemaker and have taught music in the Floydada High School for 25 years. I graduated from Floydada High School in 1951 and attended Texas Tech University extension classes in Floydada...

I reside at 812 South Fourth with my husband, Julian. I have seven children of whom four live at home...

My family and I attend church at Bible Baptist where I also am a Sunday School teacher. I have lived in Floydada for about 35 years.

Hesperian: What service do you intend to give through the office?

Lipham: If elected to the office of Justice of the Peace in Precinct 1 and 4 I would deem it an honor and a privilege to serve the people in Floyd County in this capacity...

I have served as president and board member of many civic organizations in Floyd County for 19 years. At Texas Tech University I studied government and political science. I am co-owner of Floydada Seed and Delinting and have worked hard to become a successful breeder of running quarter horses.

Hesperian: What Service do you intend to give through the office?

Londa Morris: I believe in dealing fairly with all people. In order to do this it is important that each person be heard and that fines be assessed equally, especially in the area of traffic tickets...

I would always be trying to work with the public and the law enforcement officers in a compatible way, willing to listen to anyone who has a problem or complaint in our county and would of course always keep the discussion confidential.

I would consider it a privilege to serve in this office of public trust and would be working to the best of my ability to do "justice" to the office of Justice of the Peace, Precincts 1 and 4.

With the declaration of National Fishing Week, the 63 million adult anglers in America are being urged to share with the youth of the country their knowledge of the sport, an appreciation of the great out-of-doors and respect for our country's natural resources.

According to an AFTMA report, 75 percent of adults who fish today were taught the sport by a parent or close relative before the age of 12.

When taking a kid fishing during National Fishing Week, remember these suggestions:

- Don't force them! - Young ladies like to fish too. - Teach them about proper equipment and care. - Keep them comfortable with proper clothing. - Use simple methods. Using spin cast outfits for bluegills is a good place to begin. - Once you teach them the fundamentals, let them do their own fishing. - Learn as well as teach. Don't take fishing too seriously. It's a good chance to talk and become closer to the youngster.

FIREMEN... (from page 1)

went to Dinks Eckert and Larry Guthrie. Also participating in men's water polo were Joe Covington and Jerry Warren.

Billy Marquis and Bobby Welborn took part in several challenges by other water polo teams and fire captains.

Saturday afternoon, there was a contest between the adults and kids water polo teams, followed by a hamburger supper for all.

MAKING FAMILY LIFE MORE FUN

Take A Kid Fishing During National Fishing Week

In the belief the sport of fishing brings families closer together, the American Fishing Tackle Manufacturers Association has adopted "Take A Kid Fishing" as the theme for National Fishing Week, May 12-18, 1980.

FLOYD PHILOSOPHER AMAZED AT NEW POLICY OF JUSTICE THAT THE GOVERNMENT IS TRYING OUT

Editor's note: The Floyd Philosopher on the grass farm on White River discovers a new government policy this week.

Dear editor: According to a newspaper clipping I've got in front of me, one of the big oil companies has been guilty of over-charging its customers by millions of dollars and the way it's going to pay the money back interests me.

With the government agreeing, the company square it with its customers by refusing to raise more until the increase it could have taken had amount it previously over charged.

This new system of penalizing the guilty possibilities. For instance, say a man is caught bank. Instead of going to jail or paying a fine, he not to rob two more banks he'd been sentenced to equal to the amount of the one he accepted.

The more I think about this the more I want about something else. For example, scientific find not all far-fetched. One has come out with the that rock music is bad for you. He says it "weakens energies" and upsets the entire body because it exactly opposite to the human heartbeat.

I nominate him for a Nobel Prize. Several years ago the U.S. government, in an attempt to promote American culture, sent a bunch of artists on a tour abroad but it didn't do any good. They left and records behind to be played while they were gone.

McCulley - Mitchell Vows Pledged

Miss Laura Lynn McCulley and Mr. Kenneth Neil Mitchell were married at 10:00 a.m. Saturday, April 26, 1980 in the chapel of First Baptist Church, Floydada.

Dr. Floyd C. Bradley, pastor, officiated at the double ring ceremony. Parents of the bride are Dr. and Mrs. Andrew G. McCulley of Floydada. The groom is the son of Mr. and Mrs. John Kuykendall of Lubbock and Mr. Taft Mitchell of Amarillo.

The wedding vows were exchanged at the altar which was centered by a large brass candelabrum decorated with an arrangement of white, yellow and blue tinted daisies and cascading white gladiolus. On each side of the altar, brass urns held woodwardia palms. Twin hurricane candlesticks joined by a gold rope swag flanked the altar. Pews were decorated with garlands of daisies with blue satin streamers.

Mrs. Bob Copeland, organist, presented a prelude of traditional wedding music. Guests were seated by ushers David McCulley, brother of the bride, and Jack Shirley, brother-in-law of the bride; both of Lubbock. They marked the beginning of the ceremony with the lighting of the candles as the organist played "Because", selected by the bride from music played at the April, 1951 wedding of her parents. Soloist, Mrs. David Battey, Jr. of Floydada sang "If" accompanied by Mrs. Copeland.

The bride was given in marriage by her father. She wore a formal length gown of white Quiana. The Queen Anne neckline was outlined with heavy Venice lace trimmed with seed pearls. Lace extended to the waistline and also formed a pattern on the fitted sleeves which ended in lace palm points. The princess line skirt, which featured a front panel of accordin pleats extended to a chapel length train and was edged in Venice lace. Her veil was a waltz length mantilla of tulle with Venice lace edging. She carried a silk bouquet of white and blue daisies with babies breath and greenery.

For the traditional "Something old" she wore her mother's gold wedding band.

Her wedding dress was "Something new" and her "Something borrowed" was the veil her sister wore in her wedding. The traditional blue garter was the "Something blue". She also wore a silver medallion engraved with the names of the bride and groom and their wedding date which was a gift from the groom's parents.

Mrs. Jack Shirley of Lubbock, sister of the bride, served as matron of honor. She wore a blue floor length gown of Qiana. The sleeveless bodice lace had an empire waist and was attached to a flowing skirt of accordin pleats. A matching blue chiffon cape complimented the ensemble. She wore a spray of babies breath in her hair and carried a colonial bouquet of white and blue daisies and babies breath with blue satin streamers.

Jim McCulley, nephew of the bride, served as ring bearer. He wore a navy blue vest with white shirt. The white ring pillow was edged with three rows of gathered lace and was topped with rings tied with blue ribbon.

The groom was attired in a white tuxedo with white vest and shirt. David Mitchell of Lubbock, brother of the groom, served as best man. He wore a navy blue tuxedo with navy blue lapel trim. The ushers also wore navy blue tuxedos.

Following the exchange of wedding vows, "The Wedding Prayer" was sung by Mrs. Battey. The prayer of dedication was voiced by Rev. J.W. McCulley, grandfather of the bride. Immediately following the ceremony, the bride's parents hosted a reception in the Wall Street Annex of the church. The bride's table was laid with an ecru floor length lace tablecloth. Centered on the table was a silver candelabrum with white tapers and a crystal bowl of white daisies, spider mums and gladiolus. The three-tiered white wedding cake was decorated with cascades of yellow and blue daisies and was topped by white satin wedding bells. Serving the cake was Miss Dorothy Welch of Lubbock. Miss Patsy Burk, also of

Lubbock, presided at the silver punch bowl.

The groom's table was laid with a matching ecru lace tablecloth. Focal point on the table was an arrangement of blue and white silk flowers in a white ceramic bowl made by the groom's mother. Serving the chocolate groom's cake was Mrs. Karen Putman, cousin of the groom. Mrs. J.M. Willson, Jr. of Floydada, presided at the silver coffee service. Other members of the houseparty were Mrs. Jack G. Jordan and Mrs. Kinder Farris, both of Floydada, Mrs. Wendell Tooley of Tulsa and Mrs. Mary Alice Craig of Stephenville, Texas.

Miss Carlen Young of San Angelo registered guests. The registration table held the bride's book, a silk arrangement of white daisies and blue blossoms and a framed wedding lace design in needlepoint, made by the bride's mother, which bore the names of the couple and their wedding date.

Special out of town guests included grandparents of the bride, Mrs. Christie Niles of Prague, Oklahoma and Rev. and Mrs. J.W. McCulley of Canyon; also Miss Mary Ruth McCulley of Amarillo, aunt of the bride, Murray McCulley, her uncle of Anaheim, California, and Mrs. Jon Lang, cousin of the bride from Granada Hills, California. The groom's family members included his grandmother, Mrs. Nellie Nance of Levelland; an aunt, Mrs. Peggy Tipps and cousin, Mrs. Karen Putman, both of Lubbock.

For a wedding trip to Ruidoso, the bride wore a beige wool crepe skirt suit with matching accessories. The groom wore beige slacks and navy blazer. Following the wedding trip, the couple will reside in El Paso where the bride will attend the University of Texas at El Paso and where the groom, a graduate of Texas Tech University, is associated with Desert American Insurance of The El Paso Company.

A Rehearsal Dinner on Friday evening in the Fellowship Hall of the church was hosted by the groom's parents, Mr. and Mrs. John Kuykendall.

Social events honoring the bride have included a Gift Tea April 4 in the home of Mrs. Bill Hardin and a Bride's Luncheon April 25 hosted by Mrs. George Miller.

South Plains News

Daylight Saving Time came in at 2:00 a.m. Sunday morning April 27 and Sunday School and church members looked a little sleepy. Even this Monday morning, six o'clock came awfully early, when school children had to be up and getting ready for school. Weather was beautiful over the week end, and all the trees are beginning to leaf out, and the lawns to get green. Corn in the fields between here and Plainview shows up green from furrow to furrow. No cotton has been planted here yet that we know of.

Mr. and Mrs. Irving Johnson, parents of Mrs. Dwight Teeples, from Irving, have been here visiting with their daughter and her family, Mr. and Mrs. Dwight Teeples, and boys, Brian and Keith. They will be here visiting this coming week.

Jack Maddox from the Home Mission Board, will be the visiting preacher at the South Plains Baptist Church this coming Sunday, May 4th, and there will also be a Dinner on the Grounds at the church this Sunday following morning church services. Dr. Fred Howard will preach at the evening services.

Warren Powell and his mother, Mrs. Tillman Powell went to Spearman Wednesday of last week, and they brought Nikki Powell, daughter of Warren Powell home with them for a few weeks. Warren is doing well following recent surgery at the Central Plains Hospital in Plainview.

Mr. and Mrs. Harold Hamm went down to Arlington last Friday to visit with their youngest daughter, Arlene. Mr. and Mrs. Mike Berkes, and spent the week end with them. The occasion was the birthday of Arlene.

Mr. and Mrs. Earl Pritchett hosts a week ago Sunday to Dr. and Mrs. Fred Howard from Plainview. Dr. Howard is the interim pastor at the South Plains Baptist Church. They come out each Sunday and Wednesday night for services.

Mr. and Mrs. W.B. Blacklock from Clovis, New Mexico, arrived here this Monday for a visit with their granddaughter and family, Mr. and Mrs. Nathan Mulder, Cindy, Penny, Cory and Jimmy.

While Mr. and Mrs. Alvin Nichols were in Dallas last week end they got to visit with her sister, Mrs. Letha Davis and other relatives who live at Arlington. The Nichols were in the storm cloud Tuesday night, as they flew home from Dallas, and were routed home by way of Amarillo.

Grady Spivey, brother of Mrs. Sylvian Kinnibrugh, is still in the hospital there at Brenham, but he is better and has been out of intensive care the past few days. We regret to report that Dr. Strauss Atkinson, area Baptist Missionary, is still in the Central Plains Hospital in Plainview following a heart attack of several days ago. He is reported to be much better, and perhaps can soon go home.

Dr. Fred Howard from Wayland College at Plainview will be heard on the radio, station KVOP, each Sunday morning at 8:30, where he is teaching the Sunday School Lesson for the day. You will want to tune in and hear him.

We are sorry to hear of the recent illness of Mrs. Kendall Cummings, (Dot) who has been in the Central Plains Hospital at Plainview since last Monday morning when she had mouth surgery, and she was brought to the home of a daughter, Mr. and Mrs. Jack Gregory in Floydada where she is recuperating since Wednesday. We hope that she can soon come home.

Frank Lorillard, bus driver for the school children, went fishing up at Lake Mackenzie a week ago Saturday and he took a couple of little boys with him; a friend from Lone Star, and Bill Staples from South Plains. They all had a good time, and the boys caught a lot of croppies.

Mr. and Mrs. Alvin Nichols visited in Lockney with

her brother, Johns Cox and family on Sunday and found him doing well. He had come home from the Methodist Hospital in Lubbock a week ago Saturday.

The school children of South Plains had a wonderful day in Lubbock and Floydada last Tuesday for their school trips. They got home before the rain came. Someone reported they had had rain the past years every time they got to go on the school trip.

Mrs. Ruby Higginbotham, Mrs. Bonnie Julian and Mrs. Letha Mulder went to Floydada to the Duncan Elementary School cafeteria last Tuesday evening April 22, where they attended the delightful Chamber of Commerce Salad Supper and Style Show. The supper began at 7:00 p.m., and before the evening style show was over "The Rains Came!"

Everybody got wet going to their cars, and water was deep in places on the highways, because everyone had looked for rain so long. Mrs. Julian won a nice prize from Sears at the meeting.

Monday, May 5th, there will be an all-Day WMU Baptist meeting down at the Plains Baptist Encampment. The meeting will start at 9:45 a.m. and lunch will be served at 1:00 p.m. The program will be over at 2:45 p.m. and Mrs. Len Shesadt will be the main speaker for the morning session, with her topic being, "Here Am I, Send Me." You will want to attend this interesting meeting. The Baptist Camp will be at its most beautiful at this time of year.

Mr. and Mrs. Grady Freeman went to Houston two weeks ago to visit their son, James Freeman and family, and they flew home last week end.

Rain came Tuesday night in a gentle fall which left 1.20 in the eastern part of the community, and like amounts in the south and west parts. Here in South Plains we received about one half inch, then on Wednesday we got another half inch around the area. It was all good, and fell gently.

Mr. and Mrs. Jack Smitherman had a lot of company at their home Sunday afternoon to visit them. Aileen has been on the sick list, but is now up and around her

home, and able to do her work. Coming from Lubbock Sunday were Mrs. Kathryn Elrod and daughter, Janice Kay, Mr. and Mrs. J.D. Cates and Mrs. Mary Belle Cummings, and from Hereford visiting was their daughter, Mrs. Guy Ford and son John Guy.

Important South Plains School dates during the coming month will be an All-Day Field Day on May 16th, with Dougherty School coming for the day. May 19th there will be the End of School party with the school going to Plainview where the children will be going through a dairy, and other interesting places, and they get to go skating, play miniature golf, then all will enjoy a picnic at the park. On May 23rd the school plays will be shown at the school house.

Mrs. Patsy Harper, of Borger, daughter of Mr. and Mrs. Jack Smitherman, stayed a week with the Smithermans while Mrs. Smitherman was ill, and just home from the hospital. She cooked and looked after her parents while she was there.

Dr. and Mrs. Fred Howard were hosts on Sunday to Mr. and Mrs. Grigsby Milton Jr., Mrs. Mamie Wood, Mrs. Ruby Higginbotham, Mrs. Letha Mulder and Mrs. Bonnie Julian. They all went home after church with them and spent the afternoon in Plainview at the Howard home.

Lakeview News

By Joyce Williams

By Joyce Williams
 Mr. and Mrs. Verlon Wright and family were in Lubbock Saturday to help her brother, Johnny Horn, celebrate his fiftieth birthday. His daughter, Janet Ellis, who has recently returned with her soldier husband from three years residence in Germany, baked the birthday cake. Mr. and Mrs. Verlon Wright and family were also there for the dinner. Mr. and Mrs. Dick Crenshaw of Plainview, and Mr. and Mrs. John Davis of Lubbock.

Mrs. Howard Bishop has been working in her yard. The Bishops had their yard professionally landscaped last year, they replaced some trees and added new ones to create a beautiful spot for all the community to enjoy. Greg Bishop was home from Texas Tech University where he is a senior.

Mr. and Mrs. Henry Brewer were with their daughter, Mrs. Millard Watson and husband and to their granddaughter and children, Mrs. Dean Watson. Mrs. Brewer has been sewing blouses and shirts and learning to work with the fashionable terry cloth fabrics.

Mr. Watson and Mr. Brewer were working on irrigation motors while the ladies visited inside. At dinner time all sat down to a big dinner cooked by Mrs. Brewer, and finished off with cherry cream pies made from home grown and canned cherries. The Brewer's cherry trees are blooming beautifully now, getting a new crop ready.

Mr. and Mrs. Dave Gollighly and children, Lacy and Rachael, joined Mr. and Mrs. Kenneth Bloys and children, Shane and Shannon for a Sunday afternoon outing at Silver Falls. They all took their picnic lunches and spread them on the rock tables at the park. Everyone enjoyed the sunshine and wading in the creek.

Mrs. Blanton Hartsell has had the flu, but is recovering this week. Blanton has been looking for housing for his vegetable crop field workers. They have planted twenty acres of onions, and twenty-two acres of peppers, for Valley Central, with processing sheds in Plainview. They were busy watering the early part of the week.

The one and a quarter inch rain that fell Tuesday night and another quarter inch Thursday morning will help vegetables, wheat, grass and cotton fields, besides settling the dust.

Mr. and Mrs. Bob Kendrick returned home last week from a vacation at Arkadelphia, Arkansas. They took their camper and visited Bob's sister, Mrs. James

Freeman, at Lake De Gray. They were in a tornado alert the first night beside the lake, but nothing happened. They visited Jean's uncle, Nolan Crawford, Mrs. Crawford, and her grandfather, in Camden, Arkansas. They also visited Bob's mother, Mrs. Bob Kendrick, Sr. in a rest home in Arkansas.

Mr. Melvin Dunavant and his son, Shane, of Ft. Smith, Arkansas, came by his parents, Mr. and Mrs. Grady Dunavant, last weekend. Melvin and Shane were on their way to a construction job in Amarillo where they will be for three or four months, and will visit often in Lakeview during days off.

Mr. and Mrs. Earl Bishop were on the T.V. program "Speak Up America" Tuesday night in recognition of being married seventy-five years.

Cindy Wright, daughter of Mrs. Verlon Wright, played in the Regional Tennis Tournament Friday, representing Floydada High School. She has won trophies for first and second place in district tournaments.

Mrs. Fred Lloyd and three daughters went shopping in Lubbock Wednesday. Joyce did not feel well, but went on, and felt worse as she shopped. Her daughter, Roxanne, who nurses at St. Mary's Hospital in Lubbock, took her mother's pulse and immediately called an ambulance. She was admitted to the cardiac care unit at St. Mary's Hospital with what the doctor diagnosed as nearly a heart attack. After three days observation, Mrs. Lloyd was allowed to come home. Her daughter, Cynthia Barkers, continue to check on her progress.

Mrs. Bob Kendrick visited her mother, Mrs. Verna McSwain at the Floydada rest home last week. Mrs. McSwain had a stroke a year ago, and is much improved now, using a walker to get around, and enjoys company.

Mr. and Mrs. Dennis Taylor of Grinnell, Iowa, formerly of Mt. Blanco community, wrote that they will be looking forward to seeing their grandsons when school is out. Rachel teaches and runs a school for adult special education. Dennis has nearly completed the book he began after his first heart attack in late 1977, entitled, "What if God...?" from the verse scripture that begins that way. They say they enjoy hearing from friends and neighbors made especially dear over the years and miles.

Mrs. James Lee Nichols talked on the phone April 18 with their son, Billy, who is

in the Navy. Billy called from the Phillipine Islands and was well, and enjoying the sights.

Mr. and Mrs. Grady Dunavant were in Petersburg Friday to attend her cousins funeral. Odell Thompson was killed while cleaning the bin of a wheat elevator. The wheat had crusted on top around the wall and when Mr. Thompson broke the crust loose it caved in and suffocated him. He had worked at the elevator thirty-five years, and leaves a wife, son and daughter and three grandchildren. Funeral services were at the Methodist Church in Petersburg.

Mrs. Wayne McHamm has been making a bedspread from a quilt made long ago by Wayne's grandmother, Mrs. Minnie McHamm. The heirloom quilt is in the bow-tie pattern. Susan has backed the top and added a ruffle to make a lovely cover.

Mrs. Buell Neff visited with her son, Donald, and family in Lubbock over the weekend. She attended a bridal shower for Donald's son, Dewayne, and bride-elect Tammy Paden. Both are seniors at Coronado High School, they plan to marry in the summer and attend Texas Tech University. Ona Ruth has been sewing this week since returning home.

Mr. and Mrs. Viola Brown was hostess to Mr. and Mrs. A.M. Dorsey last Wednesday. The Dorseys drove out to Mt. Blanco for lunch and Viola and Veda enjoyed a good visit as the Floydada lady and she have been friends for years.

Mr. and Mrs. Dewayne McClintock returned home from Bridgeport and left again Sunday for San Antonio. They planned to visit Dewayne's great aunt, Bea, who used to keep him when he was a child when his mother was sick.

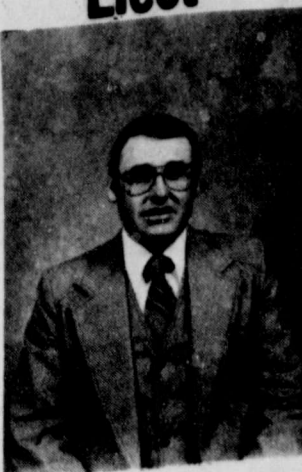

Tarleton students train for careers in horse industry

STEPHENVILLE — Tarleton State University's efforts to train students for the multi-million-dollar horse business are paying off.

Tarleton State began its horse program in 1977 to train people for professions in horse production and management.

The program has now produced its first graduate, has some 80 students enrolled and is receiving inquiries from two dozen states, as well as France, Great Britain, Canada, Guatemala and Australia.

The operation — which offers a diploma in horse production and management — is still the only one of its kind in the Southwest, said Dr. Les Waymack, director of the program at Tarleton State, part of The Texas A&M University System.

Question:
I've heard that I have to pay more in social security taxes (F.I.C.A.) this year.
Answer:
The rate of tax is the same for 1980 as it was in 1979—6.13% on wages and 8.10% for self-employed people. The only increase to you would occur if you earned over \$22,900 since the maximum taxable limit went up in 1980 to \$25,900 (in 1979, it was \$22,900.)

BY MRS. CLYDE BAGWELL

Mr. and Mrs. Jack Carthel of Canyon visited his sister and family, Mr. and Mrs. Bobby Cozy and Kara Saturday and had lunch with them.

"Down Memory Lane" has been chosen as the theme for the 52nd Pioneer Round-Up to be held on Saturday, May 17. Complete plans for this annual event are taking shape, according to Lou Ella Scarbrough, president of the sponsoring organization, the Plainview Business and Professional Women's club.

The traditional square dance will conclude the activities and the guest caller will be Roy Johnson of Amarillo, Helen Pemberton is Dance Chairman.

Johnson is a veteran square dancer as he and his wife, Barbara, began dancing in 1962. They have held many club offices and are past presidents of the Panhandle Callers and Teachers Association, the Amarillo Square and Round Dance Council and the Panhandle Square Dance Association.

He has been calling for sixteen years and has called in six states, mostly in Texas, Oklahoma, Kansas and New Mexico. He has been one of the callers at Red River Memorial Day and Ascension Week-ends for five years. He serves as caller for four clubs: Pairs 'N' Squares, Whirlybirds and Workshoppers, all of Amarillo and Calico Capers of Pampa.

He is a graduate of Texas Tech University and is a registered professional engineer. He is employed by the State Department of Highways and Public Transportation.

Mrs. Pemberton and Mr. Johnson cordially invite all square dancers to attend the Pioneer Round-Up and participate in the square dance which will begin at approximately 9:00 p.m. on Saturday night at the Hale County Agriculture Center. Everyone is also invited to enjoy the waltz, polka, "Put your little foot" and other couple dances.

Miss Scarbrough states the price of the tickets is \$3.50 (tax included). This covers all activities beginning with the supper at 6:00, the program at 8:00 and the square dance which follows and may be secured from any member of the Plainview Business and Professional Women's Club.

"RAILROAD MEN" SANG about American music at the fifth grade program Tuesday. Swinging sledge hammers were (left to right) Dewayne Wall, Matthew Redding and Rusty Galloway.

Fifth Presents Musical

By Sunny McDonald
On Monday evening, April 28th, at the Floydada High School Auditorium, about three hundred members of our community were treated to a marvelous musical presented by the R.C. Andrews fifth graders. Under the direction of Mr. Bobby Rainer, Music Teacher, the children performed the musical, "It's Music," by John Wilson and Marti McCartney, with delightful songs and dances illustrating American Music History from the arrival of the Pilgrims to modern times. Mr. Tom Powell, fifth grade teacher, played the part of a history teacher taking his class on a musical tour.

The audience enjoyed solos by the following children, in order of their appearance: Laron Cheek, as Stephen Foster, demonstrated his "Music Mania" with the help of his "parents," Dawn Atteberry and Clay Lowrance. Dianne Pauley tickled the audience with her rendition of "I Can Get Along Without Music," assisted by Treva Ledbetter, Rammona Garcia, Tana Perry and Daralyn Williams. Cornelius Campbell sang "Emancipation Blues", a song about conditions during the Post-

Civil War Era, "accompanied" by Johnny Davis on the banjo. Jana Davis delighted the audience with "Kingdom of Swing," which illustrated Jazz of the '30's and '40's. Bailey Whitfield, James Toney, and Dewayne Wall regaled the audience as Dixieland Jazz Musicians parading on Bourbon Street. Dancers, in order of appearance were as follows. The "Space Age Dancers," Angie Garcia, Freeman Jones, Dora Marin, Alfred Medrano, Telara Shockley, and Noe Soliz helped the audience "blast off" on their trip through history.

Flappers dancing the Charleston were Penny Bearden, Paige Cannon, Christy McNeil and Tana Perry.

Folk dancers were Cynthia Covington and Joe Perales, Alissa Hambright and Ty Stovall, Marlyse McGaugh and David Pyle, and Kim Zimmerman and Troy Faulkenberry.

Cowboys were Joe Perales, Lief Younger, Clay Lowrance, Pedro Segura, Ty Stovall, Troy Faulkenberry and David Pyle. Pioneer women were Dawn Atteberry and Cynthia Covington.

Miners were Manuel Barrientos, Manuel Suarez, Jesse Rios, Joe Starkey, and Nathaniel Lopez.

The paper boy was Dale Beaty.

Railroad men were Matthew Redding, Rusty Galloway, and Dewayne Wall.

Confederate soldiers were Rodney Ferguson, Cory Forbes, Kenny Linch, and Hunter Smith.

The Finale Dancers were Dale Beaty, Paige Cannon, Laron Cheek, Jana Davis, Angie Garcia, Lori Higginbotham, Freeman Jones, Treva Ledbetter, Dora Marin, Alfred Medrano, Telara Shockley, Noe Soliz, James Toney, and Bailey Whitfield.

Commercial jingles were done by Shannon Barbee, Penny Bearden, Kim Ellis, and Kenny Linch.

Choreography for the musical was by teachers Doris McLain, Janie Carter, and Sunny McDonald.

Stage hands were Scott Jarrett and George Alaniz. They did a good job of getting all stage props on and off the stage.

The children gave and inspired performance and the audience was truly delighted.
