County 4-H members hold Achievement Banquet

The Floyd County 4-H held their 1982 Achievement Banquet in the Lockney Elementary School Cafeteria October 2. After invocation by Karyn Foster, Pledge of Allegiance by Jodie Smith and the 4-H motto and pledge led by Shannon Smith, Heather Holt introduced guests. Special guests included District Extension Director Catherine B. Crawford and Martha Couch, District 4-H and Youth Specialist.

James Hinton, from the Floyd County Extension Service, Program Building Committee presented the awards to all of the 4-H members.

The awards were as follows:
Achievement Award - Lisa Terrell; Agriculture Award - Earl Broseh and Matt Mitchell; Beef Award - Keith Hight and Matt Williams; Santa Fe Achievement Award - Heather Holt; Sheep Award - Jodie Smith, Joel Mitchell and Grant Cage; Swine Award - Kip Holt.

Dairy Award - Karyn Foster and Earl Broseh; Clothing - Gwen Lane, Valency Zumwalt, Sherri Kinard and Kristy Dawdy; Foods and Nutrition - Jodie Smith, Donna Vernon, Kelli LaBaume, Jody Ansley, Ruth Elaine Wilson, Kristy Dawdy, Lisa Terrell and Matt Williams.

Small Arms Proficiency Awards, Sharpshooter Medals - Norman Allen, Chris Fulton, Rick Hefliu and Tom Ross; Marksman medals - Matt Mitchell, Joel Mitchell, Tommy Cathey, Jr. and Dean Smith; Junior Marksmanship certificates Wyman Rexrode, Heath Rexrode, Phillip Glasson, Mark Thompson, Grant Cage, Coy Holley, James Fannon and Hunter Smith.

Harvey Allen received a special award for his time and devotion as rifle coach.

Special Awards

Floydada 4-H Club Sweetheart - Kathie Battey; Lockney 4-H Club Sweetheart - Karyn Foster.

Top 4-H Pecan Salesman - Earl Broseh; Outstanding First Year Record Book Award - Kip Holt; Outstanding junior record book - Lisa Terrell; Outstanding Senior Record Book Award - Earl Broseh.

One of the most prestigious awards presented to an individual in any youth organization is the Danforth "I Dare You" Award. This award is sponsored by William H. Danforth who dedicated much of his time and resources to youth work.

This award is presented annually to two Floyd County 4-H members who exhibit excellence in character, well balanced personal development and leadership potential. This year's recipients

are Jodie Smith of Floydada and Keith Hight of Lockney.

The Friends of 4-H award recognizes individuals who devote time and resources to 4-H and their unselfish service to the youth organization. Two Friends of 4-H Awards were presented to Paymaster Seed of Aiken and on to Johnny Harris of Ponderosa Meat Company in Floydada. Both of these businesses have been very supportive of the 4-H program in Floyd County.

Each year the Floyd County 4-H Leaders and Parents Association selects two outstanding adult leaders in the county that have gone above and beyond the call of duty in providing leadership and direction in various areas in the total 4-H program.

Since these two leaders are chosen by their peers it is a prestigious award to receive. This year the award went to Ann Foster and Harvey Allen.

The Gold Star award is presented each year to the two top 4-H members in the county that have not only been enrolled in a wide variety of projects and activities in their local club, but also also provided leadership and made a significant contribution of time and energy to the overall county and district and state-wide 4-H functions that occur each year.

The first Gold Star Award went to Heather Holt, daughter of Mr. and Mrs. Kenneth Holt of Lockney. She has been in 4-H for six years and has been involved in the Foods and Nutrition project area.

She has served as a junior leader for this project and has competed on both county and district levels of competition. Other major projects she has been involved in include sheep, Food preservation, breads, Home Environment, Child development, Public Speaking, Citizenship.

The second Gold Star Award went to Earl Broseh, son of Mr. and Mrs. Kenneth Broseh of Lockney. He has been active in 4-H for seven years and has been involved in his sheep production project.

His major projects include breeding sheep, market lambs, market steers, breeding beef, dairy, foods, wildlife, public speaking, leadership and citizenship.

He has also participated in method demonstration contests in the county, district and state levels for several years. He has repeatedly won district, qualified for state two years, and won the state dairy method demonstration contest this year.

He also participated in livestock judging teams and has been active in the 4-H interstate exchange program.

GOLD STAR AWARD and winners Heather Holt and Earl Broseh.

Stapp falls from roof

Clyde Stapp, 78, fell from the roof of the Embre Douglas residence last Thursday afternoon about 3:30 p.m., shattering both wrists. He also received a concussion, a cut over one eye and some bruised ribs.

He was working with R.W. Landrum doing some repair to the roof when the accident happened. He fell an estimated 11 to 12 feet.

He was taken to Lockney General Hospital where one wrist was placed in a cast and the other in a splint. A bone specialist was to be sent in from Lubbock.

Stapp's wife, Mabel, who has been confined to a wheelchair since a stroke 13 years ago, passed out at her home Saturday morning and was also taken to the hospital. Her injuries were thought to be very slight, but she remained for observation at press time.

The couple's daughters, Mary Nell Warren of Plainview and Frances Roberson of Fort Stockton, were with the couple over the weekend, as well as Ruth Duncan, Mrs. Stapp's sister, of Floydada.

Carthel announced contest winner

The winner of this week's football contest was W.L. Carthel. He missed only one game and missed the tie breaker by only one point.

The guys really out did the gals by submitting four-fifths of our entries, although Reeda Cay Smith held the line for the gals by coming in second. She missed two games.

All of our entries predicted Lockney's victory over Abernathy, some by as much as 49-0.

Turn over to page 4B while you're thinking about it and mark your choices now.

Mr. Carthel can pick up his check for this week's win at the Beacon office at his convenience.

Horns skunk Abernathy

BY ANNA ANDERSON

Following the exciting action of the Longhorns last week with their game against Abernathy we found Lockney's offense started strong once again scoring in the first quarter with a 55 yard pass play from Tony Rodriguez to Robert Rendon, with about 8 minutes left in the quarter. Moses Blanco was in good form following up with extra point to show a first score on the board of Lockney 7 - Abernathy 0.

The Longhorn defense was challenged for the first time since the Tulia ball game, early in the second quarter. They did however, rise up and stop an Abernathy drive at the Lockney 30 yard line to put the Longhorns back in control of the ball, at which they drove a hard 70 yards in only 9 plays. The highlight of the play was a 12 yard pass to Robert Rendon and two twelve yard runs made by Mario Arellano. The second score came in the first half as Tony Rodriguez came across from the one yard line with Moses Blanco once again boosting the extra point to bring the half time score to 14-0.

The second half of the ballgame came back with a scoreless third quarter and neither team making any great threat to

score. The final quarter came and the Longhorns scored twice, once on a 6 yard run by Tony Rodriguez and late on a 33 yard pass by Tony to Robert Rendon.

As well as before Moses Blanco kicked both extra points to finish the game with an overwhelming 28-0. The Longhorn offense galloped 300 yards for the total yardage of the game. While the Longhorn defense held the Antelopes to a total of only 152 yards.

With the coming game tomorrow night Coach Purser says that, "The Longhorns will meet their most difficult challenge of this year this week against Floydada. It will take a great effort out of our kids to contain Floydada's outstanding speed and move the ball against their defense."

Congratulations to the 'Horns of last weeks game who were recognized for the effort exhibited in the Abernathy game. They were: Steven Johnson, Russell Ford, Robert Rendon and Victor Rodriguez.

"All of these played exceptionally well, along with all of the 'Horns' stated Purser.

Camera Club

The Camera Club will meet Thursday October 7 at 7:30 p.m. in Room J102 of the Lighthouse Electric Building. This month's program is "Prizewinning Photos...What makes them click..."

Bonfire Spirit

There will be a bonfire Thursday night across the street from the fairgrounds at 8:15. We would like everybody to come out and help support our Longhorns to their first district win against Floydada. Also be sure and come to the pep rally and football game Friday night and show your TNT spirit. See Ya There.

Arts & Crafts

Wesley United Methodist Church of Hereford is hosting its Second Annual Wesley's Fall Festival of Arts and Crafts on Saturday, November 13, 9:00 a.m.-6:00 p.m. at the Hereford Community Center. Only a limited number of booths are available with applications being screened. All area artists are invited to apply. So be getting your items ready now! For further information write Mrs. Gail Blain, Box 164, Hereford, Texas 79045.

Caravan

Everyone is invited to meet at the Lockney Fairgrounds Friday afternoon at 5:45 p.m.

The cars will assemble at that time for a "Beat Floydada Spirit Caravan."

Library

Mrs. Hester Moore has presented to the Floyd County Library the following book "The Heartline Almanac-for older Americans" by Charles M. Musick-A complete guide for planning retirement and those already retired.

Seminar

Luis Torres and the New Hope Team will be presenting a rock seminar on Monday night, October 11, 7 p.m., at the Massie Activity Center in Floydada.

Luis Torres and the New Hope Team will reveal hidden messages behind some rock music, with back masking. What about rock music? One song by Led Zepplin titled "Stairway to Heaven" says when going backwards "I will sing because I live with Satan." You will be surprised by some of the messages music is saying to teenagers.

Evangelist Luis Torres will also bring a message that evening on "The Occult", and the New Hope Team will be giving a mini-concert. For additional information, please call the Rev. J.W. Guess, 983-3319.

Bus Safety Week observed

National School Bus Safety Week, October 3-9, gives Lockneyites the opportunity to acknowledge the safe driving records in the Lockney schools and for recognition of the persons making those records.

Their cargo is precious and their run is 180 days a year...the driver of six school buses serving Lockney Independent School District.

Each school day, six buses wind their way along the various routes early in the morning to transport Lockney's young people to school and back home in the afternoons, for a total of 100, 169 miles which includes extra-curricular activities transportation.

The routes vary in length from 107 miles total for the day for two routes. Those buses are driven by drivers Joyce Marks and Nellie Webb. One of the shortest routes consists of a total of 66 miles for the day. Driver for that route is D.C. Rose. The other three regular drivers are Waverly Washington, Jean Sparkman, and C.L. Record.

For convenience a city bus route has been established inside the city limits, serving the east side of town. Driver of that bus is Barbara Carthel. The average daily attendance (ADA) has been improved substantially since this route has been made.

A total of 7 substitute and extra drivers are used at times. All of them are required to have the bus driver certification.

This year a consolidation of the 10

former routes has been combined into the six because of the number of children and economics.

The fleet operated by the school consists of 15 operational buses. Five have a 72-passenger capacity, six have 66, two have 54, and two have 21.

Service-life of a bus is five years, with another additional five years gained with a complete renovation done at Huntsville. One bus was renovated last

Heaven's Grocery Store

HEAVEN'S GROCERY STORE

I was walking down Life's Highway a long time ago. One day I saw a sign that read Heaven's Grocery Store. As I got a little closer the door came open wide. And when I came to myself, I was standing inside. I saw a host of angels, they were standing everywhere. One handed me a basket and said, my child shop with care. Everything a Christian needed was in that grocery store. And, all you couldn't carry, you could come back the next day for more.

First I got some PATIENCE, and LOVE was on the same row. Further down was UNDERSTANDING, you need that everywhere you go.

I got a box or two of WISDOM, a bag or two of FAITH.

I just couldn't miss the HOLY GHOST, for it was all over the place.

I stopped to get some STRENGTH and COURAGE to help me run this race. By then my basket was getting full, but I remembered I needed some

GRACE.

I didn't forget SALVATION, for salvation, that was free, so...I tried to get enough of that to save both you and me. Then, I started up to the counter to pay my grocery bill, for I thought I had everything to do my Master's will. As I went up the aisle, I saw PRAYER and I just had to put that in.

For I knew when I stepped outside, I should run right into sin. PEACE and JOY were plentiful, they were on the last shelf. SONG and PRAISES were hanging near, so I just helped myself. Then, I said to the angel, how much do I owe? He just smiled and said, just take them everywhere you go. Again, I smiled and said, how much do I really owe? He smiled again and said, my child, Jesus paid your bill a long time ago...

(Our thanks to Mrs. Bonnie Shultz in Portales, New Mexico who shared the above with us)

Dear Citizens of FLOYD COUNTY:

FLOYD COUNTY, and Texas as a whole, are facing some difficult times. Recent layoffs in our oilfields and other major industries and the problems confronting our farmers, ranchers and older Texans must be addressed without delay.

These major problems, combined with federal budget cuts and the demands of our growing population, are affecting state spending and will require careful decision making on the part of your government leaders. In these times, you need leaders who have the strength and experience to make the difficult decisions and the compassion to guard your interests.

There are no instant solutions to the national recession, but I will help insure that we strengthen job opportunities by maintaining a healthy economic climate that encourages business development. This can be accomplished only by continued prudent state spending and keeping our tax burdens low.

Our educational system had advanced significantly in the past nine years, but there is still room for improvement. My efforts to improve the quality of public education for your children and grandchildren will begin in the classroom -- by improving teacher salaries and benefits and by giving more control to local school districts.

Our past approach to crime has won us many battles but now is the time for a new approach. For this reason, I will ask the 1983 Legislature to approve a comprehensive strategy that attacks crime on all fronts - police, courts and corrections.

It has been a privilege and an honor to have served you as Lieutenant Governor for the past nine years. I am asking for your support on November 2 so that I can use my experience and leadership to help face the important challenges confronting you and all other Texans.

Sincerely,
 Bill Hobby

Letters to the Editor

To: The Community of Floydada

There have been a lot of negative comments and derogatory statements in recent editions of the Hesperian, about the care given at Caprock Hospital. As administrator of Floydada Nursing Home, I am closely involved with the staff of the Hospital. I think we are very lucky to have such a facility in this town. They have provided services to the elderly people in our home with efficiency and competence. When you are dealing with people, it is impossible to please everyone. These people are trained to make judgements and decisions you and I cannot make, and they do the best they can under very difficult circumstances.

They have the most modern equipment, and they are always striving to improve and make their facility the best it can be.

I would also like to take time to comment on the Doctors. I don't think you could find any Physicians with as much concern for people as we have in Floydada. They are often called at night to prescribe care and treatment for our residents, and are invaluable to this facility.

I for one would like to congratulate and thank Caprock Hospital for doing a very tough job, very well!

Steve Westbrook, Adm.
 Floydada Nursing Home

Dear Sir:

We have been reading letters in your paper which dis-credit our local hospital. This letter is written to praise our hospital, which we never see in print. It seems the only time a letter is written to the Editor of a paper, it is to complain about something.

Recently, we had to take my father to the hospital on a Saturday night to the emergency room. Of course there are no doctors in the hospital at a late hour in the evening, but Dr. Hong was called, and was there in a very short time. Dr. Hong stayed with my father the most of that night, and took him into surgery early on Sunday morning. Dr. Acar came to the hospital that Sunday morning to assist in surgery, and an anaesthetist came from out of town to be of assistance. Dr. Hong stayed nearly all day Sunday, which is to be well commended. These doctors are a great asset to our community, of which we are to be proud.

My father is home now, after a two-week stay in the hospital, and is doing very well, after receiving the best of care, here in Floydada, at our own Caprock Hospital, under the care of our local doctors, nurses and other hospital personnel.

Sincerely,
 Mrs. L.B. Stewart, Jr.

Thoughts regarding the Floyd County Library. The number one problem is space and location. The Library is for everyone. It should be available to everyone. Because it is located on the second floor of the Courthouse, many are not able to climb the stairs.

But if the thousands of dollars spent to update our library resulted in just one child having the environment needed to develop the insight to later write a literary masterpiece, it would be worth it.

If it resulted in just one child being curious enough to read more and more books about science and then go on to become a scientist and discover a cure for cancer, it would be worth it.

If it resulted in just one child reading enough about philosophy and politics to grow up and lead the world to peace and harmony, it would be worth it.

If it resulted in just one adult having a place where he could adequately research a book, it would be worth it.

If only someone, everyone would become involved in the needs of one of our greatest assets "THE LIBRARY"...

-Submitted By Jackie Walls

Dear Editor:

I would like to express how much care, gentleness, kindness, the entire staff of the Caprock Hospital has shown to my husband since he has been in the hospital. Dr. Hong has tried hard in every way to do every thing a human could do for him. His loyalty and concern are very commendable. The entire staff has been there when needed, with kind words of encouragement, gentleness in handling him and they — the doctor and staff should be commended for their efforts and my entire family feel the same as I do. May God Bless them and The Will.

Mrs. S.H. Tackett

Dear Editor:

My Mother has been in the Caprock Hospital since Aug. 12 (7 weeks). I have nothing but praise for ALL of the nurses and doctors. I think it is time for a few good things to be said for our hospital. My Mother has had surgery and very good care. As to the nurses who played cards (3 yrs. ago), they lasted maybe a month and then were relieved of their jobs, at the time my Father-in-law was in the hospital so I know what I am talking about. In closing I would like to say "A Great Big Thank You to the Caprock Hospital."

Rilla Sue Woody
 120 W. Kentucky
 Floydada, Tx 79235

P.S. An example of the caring, on Sept. 22, my Mother celebrated her birthday and the hospital sent her a cake.

Conservation Director election to be held

An election for a director to serve in zone 4 on the Floyd County Soil and Water Conservation District Board is scheduled for October 12, 1982 at the Boothe Spur Elevator. The election will be held at 8:00 p.m.

State law decrees that anyone wishing to vote in a soil and water conservation district directors election must own land in zone 4, live in the county and be at least 18 years of age. Both husband and wife can vote.

To be eligible as a candidate for the office of director, one must own land in zone 4, live in the county and be at least 18 years of age. One must be actively engaged in farming or ranching.

Zone 4 of the district includes an area southeast of Floydada. The north boundary line is the Floydada-Matador US highways 62-70. The west boundary is the Floydada-Ralls US highway 62 or state highway 207. The south and the east boundary are the county lines.

Discovery by partners

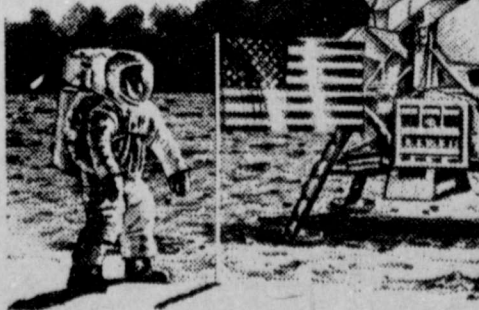

"...one small step for man, one giant leap for mankind."

Neil A. Armstrong, 1969

When U.S. Astronaut Neil Armstrong made the first footprint on the moon, he and his partners Buzz Aldrin and Mike Collins fulfilled a centuries-old dream for all mankind.

The success of the Apollo 11 mission was more than a triumph of three crew members working together. It was a triumph of a great network of partners that spanned generations, uniting the discoveries of the past with the skills, courage and imagination of thousands of scientists, engineers and others.

The Apollo 11 lunar mission, which rocketed mankind into the computer age, pioneered the way to a new era of people working together as partners managing technology.

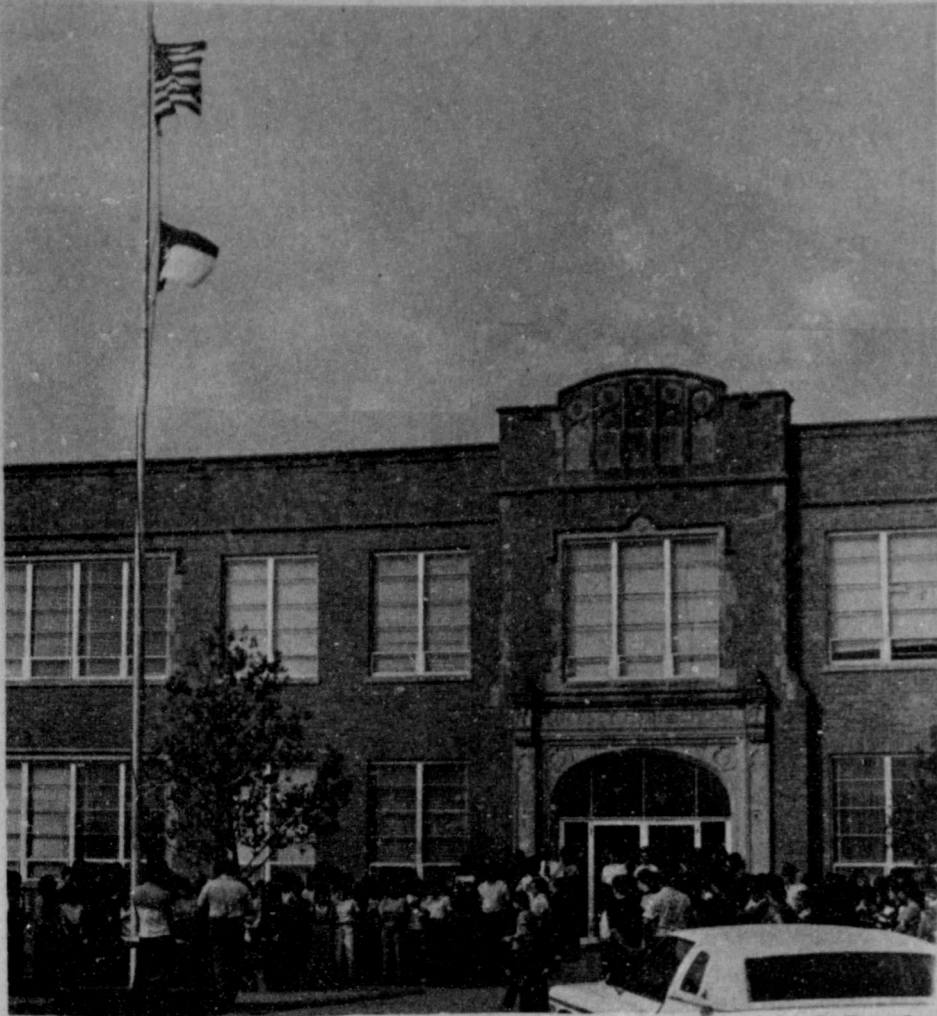

Today, you and Southwestern Public Service Company are partners discovering new ways to manage electricity. For instance, when you install a high-efficiency add-on heat pump to your present furnace, you and SPS work together to help save money. Because the add-on heat pump is a difference worth discovering.

You and SPS, partners managing electricity, make the difference.

FLAG-RAISING CEREMONIES were held at Lockney High School Tuesday morning. The National Anthem was played by Paul Castro. Coach Scott Knippa read "Face the Flag" from John Wayne's interpretation in "America, Why I Love Her." The Varsity Cheerleaders finalized the ceremonies by leading the entire student body and faculty in the School Song.

Face the Flag

[This poem is an interpretation by John Wayne. Coach Scott Knippa read it at the flag raising ceremony at Lockney High School Tuesday morning.]

Face the Flag of stars and bars,
Of red and white and blue,
A flag that guarantees the rights
For men like me and you.

Face the Flag, son! Read what's written there--
The history, the progress and the heritage we share.
Our flag reflects the past, son, but stands for so much more,
And in this Age of Aquarius, it still flies in the force.

It leads the forward movement, shared by all mankind,
To learn...to love...to live with peace of mind;
To learn the mysteries of space, as well as those of earth;
To love each man for what he is, regardless of his birth;
To live without the fear of reprisal for belief;
To ease the tensions of a world that cries out for relief.

Face the Flag of stars and bars,
Of red and white and blue,
A flag that guarantees the rights
For men like me and you.

Face the Flag, son! Take a good long look.
What you're seeing now can't be found in a history book.
It's the present and the future, son. It's being written now,
And you're the one to write it, but the flag can show you how.

Do you know what it stands for? What its makers meant?
To think...to speak...the privilege of dissent;
To think our leaders might be wrong...to stand and tell them so.
These are the things that other men under other flags will never know.
But responsibility...that's the cross that free men must bear.
And if you don't accept that, the freedom isn't there.

Face the Flag of stars and bars,
Of red and white and blue,
A flag that guarantees the rights
For men like me and you.

Face the Flag, son, and face reality.
Our strengths and our freedoms are based in unity.
The flag is but a symbol, son, of the world's greatest nation.
And as long as it keeps flying, there's cause for celebration.

So do what you've got to do, but always keep in mind,
A lot of people believe in peace...but there are the other kind.
If we want to keep these freedoms, we may have to fight again.
God forbid, but if we do, let's always fight to win,
For the fate of a loser is futile and it's bare:
No love, no peace...just misery and despair.

Face the Flag, son...and thank God it's still there.

Students take field trip

The Biology II classes of Lockney High School took a field trip to Cloudcroft, New Mexico last weekend, September 25-27. Ten students and two sponsors departed Lockney at 4:30 a.m. on Saturday, arriving about noon.

Lots of learning and fun was crammed into 2 days. They visited Sunspot, about 17 miles out of Cloudcroft, Saturday after lunch, where the sun is photographed continuously all day.

They gathered up plastic bags and dandelion diggers and collected specimens of mountain flowers. Upon arriving back at camp, the plants were pressed to be identified and prepared for a herbarium while the sponsors prepared the evening meal.

Topics studied on the trip were topography, comparison of three types of vegetation and climates (grasslands, deserts and mountains) succession after forest burnouts, and the formation of the White Sands. Sunday morning after breakfast and a short devotional, the group toured the area, observing the

forest where there had been burnouts 10 years ago and also seven years ago. The shrubs and plants growing there were compared to the climax forest which has several large conifers, quaking aspens and some oak. The trees were turning, so the group saw some beautiful sights. The students collected more plants at each of the several stops made that morning.

After lunch took in the White Sands. The students who had never been to White Sands were awed at such an expanse of sand dunes. "white as far as the eye could see." They watched a movie on the formation of the white sands and then played in the sand for a couple of hours.

A tired group returned to Lockney on Monday about 4:30 p.m. Those enjoying the trip were Julie Reecer, Barbara Moore, Robin Hardy, Kay Reay, Connie Coffman, Eugene Gonzales, Marcus Schacht, Kyle Brock, Tim Winter, Michael Carthel, and Tom and Jeanette Marr, sponsors.

LISA MOSELEY shows the registration form and the bikes that will be given away at the 'Wheels for Life Bike-a-Thon'. The winner will have his or her choice of one of the bikes shown. Registration forms can be picked up at the school offices.

Beckhams celebrate Anniversary

Mr. and Mrs. J.C. Beckham celebrated their 40th Wedding Anniversary September 25 at the Antares Restaurant atop the Reunion tower in Dallas.

The event, which included round trip airfare, was hosted by the couple's children: Teresa Morgan and son, Joe of Amarillo; Donna and Jim Odom and daughters, Jill and Jenny of Richardson; and Lori Beckham of Floydada.

J.C. Beckham and Athalee Hutcherson were united in marriage on September 26, 1941 at the First Baptist Church in Memphis, Texas and continued to live in the Memphis area until January 1979 at which time they moved to Floydada.

Mrs. Beckham is employed at Lighthouse Electric Cooperative. Mr. Beckham is a retired farmer.

DAR hold meeting at Olde White House

The Buffalo Grass Chapter of the Daughters of the American Revolution met September 28 at the Olde White House. Yearbooks were distributed and plans for the years meetings were discussed.

Mrs. Ozena Norris, regent, announced that the State Conference would be held in March at Galveston. Miss Anne Swebston discussed the possibility of the Chapter being 100% in contributing to the restoration of the DAR buildings in Washington, D.C. Mrs. Norma Feuerbacher presented the program. She gave a brief report on the

drafting of the Constitution, then all members present participated in a skit "The Constitution is Born."

Refreshments were served to: Mrs. Norma Feuerbacher, Ann Carr, Mary Lou Bollman, Ozena Norris, Susan Dunavant, Nova Dee Evans, Janis Julian, Margaret Wheeler, Emma Lou Whitaker, Mamie Yeates, Mrs. Clinton Denning and Miss Anne Swebston.

The next meeting will be on October 26 at the Lighthouse Electric. Mrs. Owen L. Eggers will be presenting the program on Lineage Research.

Ranching Heritage Center site for '56 Study Club activity

The 1956 Study Club began this year with a trip to Lubbock to the Ranching Heritage Center recently. The "old west" was enjoyed by 17 members and guests who were also allowed to visit the Barton house even though it has not been completed. Many antiques, including the original design wallpaper, ivory comb and mirror sets, chandeliers and carved staircases were among the outstanding attractions in the home.

The group ate supper and had their business meeting at La Bodega Mexican restaurant on Avenue Q. The next meeting will be October 12 in the home of Linda Hinsley. Yearbooks will be handed out and secret pals will be revealed and drawn for again.

The Yearbook Committee was com-

mended for all their hard work by President Stacey Smith. The committee consisted of Jan Thompson, Donna McClendon, Connie Bertrand, Janet Lloyd and Mrs. Smith.

Fall Board Meeting was announced for October 23 at R.C. Andrews. Participating will be 1950 Study Club, the Lorenzo study club and 1956 Study Club. At the October 12th meeting individual gifts will be gathered for Pam Moore's birthday. She is the study club's sponsored girl from Girlstown.

Fines have been discussed and will be reinforced. Auction items and energy conservation were also brought up as well as now projects for the year, which promises to be a good one.

Wofford, Sherman announce engagement

Mrs. Mark Couch of Houston and Mr. Jerry Wofford of Lockney would like to announce the engagement and approaching marriage of their daughter Lezlee Carol Wofford to Mark Eldred Sherman, son of Mr. and Mrs. Bill Sherman of Lockney.

Miss Wofford is a '79 graduate of

L.H.S. She attended Texas Tech University and is currently employed by Southwest Airlines in Lubbock.

Mr. Sherman is a '76 graduate of L.H.S. He attended Texas Tech University and is currently engaged in farming in the Sterley Community, where the couple will reside.

Association pastors honored

W.M.U. Council of Caprock Association met September 30 at Plains Baptist Assembly to honor Association pastors and nine wives with a bountiful meal, prepared and served by camp faculty.

Each honoree also received recognition from new and outgoing association W.M.U. officers and was presented a small gift from Brazil.

Linda Turner of Calvary Baptist Church, Floydada, was recognized as

new G.A. leader for the Association.

A lovely program was given by furloughing missionaries, Mr. and Mrs. Phillip Langley from Togo West Africa.

Attending from Calvary Baptist Church were Pastor and wife, Hollis and Jo Payne, Hazle Powell, Linda Turner, Irene Wexler, Beady Owens, Merlene Breeding, Deecota Odam and Charles Breeding.

Stovall reunion held

The children of the late Mr. and Mrs. E.F. Stovall of Floydada met recently in Plainview to have their annual reunion. The children of Mr. and Mrs. Stovall are: Mrs. J.P. (Aileen) Williams of Roswell, New Mexico, Mrs. Marvin (Polly) Gilbert of Lockney, Richard Stovall of Plainview, Mrs. H.C. (Genell) Sullivan of Wichita Falls, Mrs. Lindsay

(Virginia) Vinsel of Medford, Oregon, and Mrs. H.C. (Dorothy Dell) Shoemaker of Abilene.

Richard and Evonne Stovall hosted a dinner party for the group.

Also attending were Marvin Gilbert of Lockney and Mrs. Bill Carraigan, a niece of Ruidoso, New Mexico, daughter of J.P. Williams.

McLaughlin honored on 80th birthday

Harold McLaughlin of 913 Jefferson Drive, Plainview, and formerly of the Providence community north of Lockney, was honored with a family dinner party in his home Sunday at noon.

McLaughlin was born September 28, 1902 in Indian Territory, Oklahoma. He has been a resident of Plainview since moving from a farm north of Lockney in 1972.

The McLaughlins are members of the First Presbyterian Church. McLaughlin jogs every day in his backyard.

LOCKNEY LOCAL

Mr. and Mrs. Jack Bradley of Dalhart and Mr. and Mrs. Dick Taylor visited with Mrs. J.T. Bradley, mother of Mrs. Taylor and Mr. Bradley, at the Lockney Care Center on Saturday.

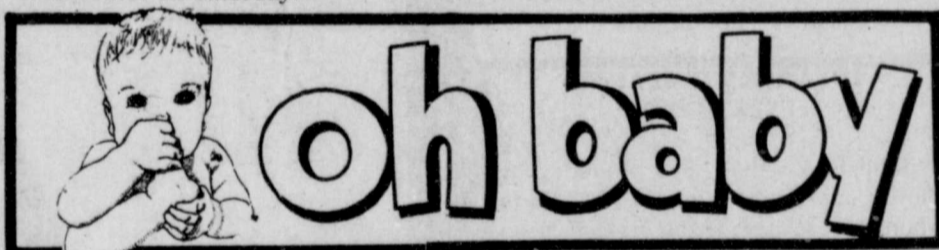

Family members attending were his wife, Jewell, his daughters and sons-in-law, Mr. and Mrs. Jim Reynolds of Crosbyton, and Mr. and Mrs. Ronnie Thornton of Lockney.

Grandchildren attending were Mr. and Mrs. Donnie and Danny McLaughlin, of Lockney; Rhonda Reynolds and Ronee Thornton, of Lubbock, Ritchie Thornton of Lockney, and Mr. and Mrs. Randy Reynolds of Snyder.

Visiting in the afternoon was Wyatt McLaughlin, the honoree's brother, of Plainview.

JEWEL PIN PRESENTATION—Rebekah member Barbara Gilliland presents fellow member Eula Parrack with a Rebekeh Jewel Pin.

Parrack receives pin

Floydada Rebekeh Lodge members recently honored Eula Parrack during a regular meeting.

Artie Webb wrote and dedicated the following poem to the honoree: I know a lovely lady, she always tries to please.

And if there is some work to do, she'll just roll up her sleeves
Someone may suggest a party, I'll bring a cake she'll say.
Then maybe she will just bake two and take one to a friend on her way.

We love this lovely lady, now it's our turn to repay, so we got our head together and this is what Barbara

had to say.
Let's start a ball rolling, now all the girls jumped in.
For we knew this lovely lady would love a Rebekeh Jewel Pin.

Now if I can't tell her name, I know I just can't bear it.
So I'll yell it out loud and clear. It's our own Sister, Eula Parrack.

Following the reading of the poem, Barbara Gilliland presented her with a Past Noble Grand Jewel Pin which all the members had bought for her.

Following a snack supper of cake, hot spiced apple juice, tea, sandwiches, cheese crackers and dips was served.

THIRD PLACE WINNERS in the 29th Annual West Texas Twirling Festival at the Panhandle South Plains Fair Saturday in the Junior High Majorette Lines were the Lockney Junior High School twirlers: [l to r top] Gloria Martinez, Jolie Diepenhorst, and Amy Ansel. [seated, l to r] Sherri Kinard and Amy Nancy.

Sherre competed on an individual basis winning second in best costume [ages 13-14], second in Miss West Texas Sweetheart [13-14 modeling], fourth in Beginner Basic Strut. She also won first in Divisional Modeling, first in Basic Strut, and second in Military Strut. Jill Arney, daughter of Mr. and Mrs. Nolan Arney of Floydada, competed also.

Middle Age is when, if you're faced with two temptations, you choose the one that will get you home by nine o'clock.

When your mind goes blank, be sure to turn off the sound.
Afterthought: That mad desire to shut your mouth after you've put your foot in it. The farmer drove his team of mules to town and was late returning. "What took you so long?" asked his wife. "On the way back," he explained. "I picked up the preacher, and from then on, them mules didn't understand a thing I said."

"I feel so sorry for Reverend Smith," a man told his neighbor. "He bought a used car, but he doesn't have the vocabulary to drive it."

Mechanic to car owner: "My advice is to keep the oil and change the car."

Lockney Care Center Capers

BY VICKIE HUTTON

This has been a very busy and eventful week. Monday on our weekly bus trip we traveled to the Baptist encampment south of Floydada and rode around enjoying the scenery and on our way home we stopped in Floydada and visited with Mr. and Mrs. Marion Carpenter. They are very special friends and we have a very special place for them in our hearts.

Our bingo winners this week were Richard Lanham, Myrtle Payne and Mary McCracken. Besides our bingo games, we have some champion domino players. In the late afternoon you can always count on having a good domino game going. Our players are Bill Holt, Albert Poole, Mary McCracken, E.M. Pyle, Mary Green, Lewis Roberts, Mamie Wofford, Myrtle Howle, Myrtle Payne and Ada Hooper.

The Residents were able to wish Stella Wilson a "Happy Birthday" after Bingo Friday. Mrs. Wilson was honored by her sister Noree Reeder. The cake and punch was delicious. Our thanks to Mrs. Reeder for the cake, and to Nina Traylor for the punch.

We were saddened by the loss of one

We welcome Winifred Bailey to our family. Mr. Bailey is a resident of Lockney and brother of Guin Bailey. We are looking forward to him joining in our activities.

Until next time; enjoy life!

Burns host Homebuilders

Mrs. Lela Mae Burns was hostess to the Homebuilders Club at the extension council room on September 28. Roll call was answered with "Why I feel safe in my home."

It was reported that most feel safe by having double storm windows, keeping doors locked at all times and garage doors down and locked.

At the business session the "Christmas in October Bazaar" was discussed and the club will help in the council food serving. Plans were made to tour the "Sock factory" in Crosbyton, with other county club members.

The program was given by agent Marilyn Tate. A film was shown on "Increase the Security of Your Home."

Are you sure your locks are the right kind, strong enough to resist a break in? Are the screws long enough to really hold the locks? Do you insert long nails at the side of windows so they cannot be raised even if locks are pried loose? Check your homes to see if you have the best of security.

Ruth Trapp gave a report on the very interesting and informative State Extension meeting held in El Paso.

Refreshments of cake and punch were served by Lela Mae to Lillian Smith, Gladys Widener, Eunice Hong, Ruth Trapp, and Marilyn Tate.

The group's next meeting will be October 26 with Gladys Widener.

Floydada Nursing Home Happenings

The weather has been pretty nice. The farmers are beginning to cut some milo and soybeans now. Some mornings are pretty wet, but with the temperatures high like they are it dries fast.

Monday we had ceramics and several painted. They enjoy painting. We have a new lady that comes to help us paint.

Tuesday we had Bible study and really miss Mr. Cates a lot.

Wednesday we played bingo and had three to play. They were Emmitt Lawrence, who won nine games, Una Clark won six games, and Efford Parrish won two games.

Thursday some of the residents played games and one played the piano for me.

Friday we had two good movies. One of the movies was about animals and the residents enjoyed that movie.

We have two new residents that came in. They are Ollie Birnie in West 1 and Charlie Lewis in West 8. If you know either one of these lovely people come

by and visit with them. We would appreciate your visit.

Here is a list of visitors for the week: Karl Bunjes, Hazel Bradley and Kim, Shelly and Sandra Coleman, Christine Robertson, Jewell Price, Estelle Hinkle, Mrs. Bill Smallwood, Dorothy Neff, Melba Tate, Dolores Cannon, Mr. and Mrs. M.H. Hartness, Sherry Colston, Kirk McIntosh and family, Worth Gwendolyn Shipley, Jettie Moss, Jason Bailey, Debra and Justin Bailey, Gene Baird, Minnie Fay Easter, Kim and Jo Lee Ellis, Eldie Bryant, Ethel Sawyer, Evelyn and Jack Crull.

Also, Earl and Dorothy Smalley, Maurice and Ella Goodwin, Allene Henry, Lucille and Tom Daniel, Gene Baird, Dixie and Zacha Harris, Tate Harris, Jo Lee Ellis, Ethel Cross, Ruby Gooch, Otis, Dana, and Kim Ellis, Lisa Graham, Bari Crull, Jeunes Voix Group, Esmer DeLeon, Belinda Vallejo, Diana Vallejo and Sophie Garza, Lois Jones, Ira Sullivan, Hazel Bradley and Kim, and Burmah Probasco.

Bible Baptist women meet

The ladies of the Bible Baptist Church met at the church on Tuesday, September 21 for their monthly Bible Study. The next Bible Study will be Tuesday, October 19th at 7:30 p.m. at the church.

Renie Chapman opened the study with prayer. The group then sang a hymn led by Debra Jo Fawver. The lesson was that brought by Lila Taylor. She finished the series of lessons on the Tabernacle. Jaynette Harrison then led the ladies in prayer.

The ladies enjoyed fellowship and refreshments of chocolate chip pan

cookies and soft drinks.

Those attending were: Renie Chapman, Margie Sue, Linda Holbert, Lila Taylor, Jaynette Harrison, Debra Jo Fawver, Linda Vick, Lela Mae Burns, Helen Lipham, Vivian Martin and baby, Hector Martin.

Safety Week...

Continued from page 1
 summer and another this past summer. A 1971 bus was restored for a cost of \$9750 in contrast to the cost of \$21,500 for a new bus bought in 1980 which would be approximately \$25,000 at present. The oldest bus in the fleet is a 1966 bus. All but two have been to Huntsville for a complete renovation which consists of new upholstery of the seats, a complete paint job, overhaul of the motor and new brakes.

The total operating budget for the transportation department totaling \$64,580 for this year consists of maintenance, fuel and drivers salaries, for an over-all cost of 64½ cents a mile. Last year \$20,058 of the total budget was spent on maintenance and upkeep and \$21,092 for fuel.

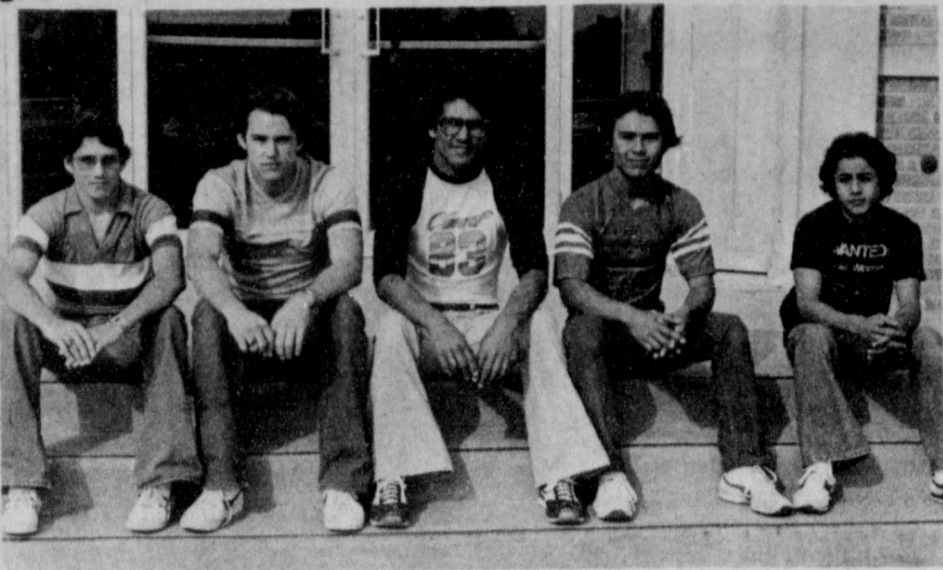

C.L. Record is the bus supervisor, responsible for the care, and maintenance of the buses and for daily seeing that the buses are sent off from school with all charges.

Dick's Automotive is retained by the school for all of their major bus repair. Preventive maintenance is done in the summer to avoid a larger expense and more downtime by neglecting the smaller jobs. Supervisor Record said, "The school board and the administration are just super to allow me the support and money to keep maintenance done on the buses." He estimated downtime less than a week per bus a year.

Approximately 250 students are eligible to ride the Lockney buses, a declining number in past years. 185 to 200 actually ride each day. Beginning October 15 additional reporting will be done by the drivers to the state on numbers riding their bus and the ethnic breakdown of their passengers. The report on the number of passengers transported will be made on the first Wednesday of every month for five consecutive months, October through February.

Record and his brother-in-law, Delbur Rose, have the most seniority with their 20 years each. Rose started driving in 1961, but "laid out" for a year, giving the men equal time.

Record said the kids are quite different from the kids of twenty years ago in that they are uninhibited, but he said, "We have as good a kids as we

HORNS OF THE WEEK recognized for extra effort are [l-r] Russell Ford, Steven Johnson, Victor Rodriguez, Robert Rendon on the Varsity team. Abel Salas on the J.V. team is not pictured. Freshman Johnny Torres is pictured to the extreme right.

ever did." He said he treasured being associated with the kids. "Why, I am driving for the grandchildren of some of my past passengers." He reminisced over some of the experiences he had had as a driver, and pointed out that he got to be a part of some of the stages in each of the children's lives like when the parents bring the child out to meet the bus for the first time. The child is timid and frightened for as long as two weeks. Then all of that fades and catching the bus is part of routine.

In the 20 years of Record's supervising he reported only 4 wrecks. None of them resulted in any serious injuries. "We have a super bunch of bus drivers. They are very conscientious. We just have a smooth operation, starting right at the top. Mr. Hallmark and the school board cooperate with us in every way possible. The drivers are particularly cautious and are very good to report any potential trouble with their bus."

Superintendent Hallmark meets with all of the bus drivers at the beginning of each school year, regular and substitute. He emphasizes to the drivers that they never grow so accustomed to their route that they take driving the same path each day for granted. Another point that he stresses, particularly with the regular drivers, is that they have a golden opportunity to make that day a better one for that child by just the way they greet the child and handle their bus routes in the morning. He instructs

them to conduct themselves toward the children and the public as a representative of the school, because that is what they are. Some people judge the school by the contact they have with one bus driver.

Record has found that a radio installed in his bus has proven to be a great asset. He said it helps with the noise factor and contentment on the bus route. He said his bus number four used to receive greetings from KVOP, the Plainview radio station, before the station had to curb such greetings, which was very popular with his passengers.

The drivers are responsible for the picking up of trash on their individual buses. "We have a super bunch of kids," Record commented. "They cooperate real well in using the trash boxes provided on the buses."

The heaters purchased for the buses last year have proven very successful and will be a savings, eliminating about a 30-minute warm-up time.

Women drivers have not presented any problem. Record said, "The parents are very good to meet the buses at the pavement, and none of the buses run off the pavement in bad weather." The drivers are instructed to do their utmost to reach the child's home within 1 minute of same time each day, reaching the schools immediately after 8:30.

We take our hats off to these sincere and dedicated people! We owe them a lot as a community.

AN OPEN LETTER TO THE CITIZENS OF LOCKNEY

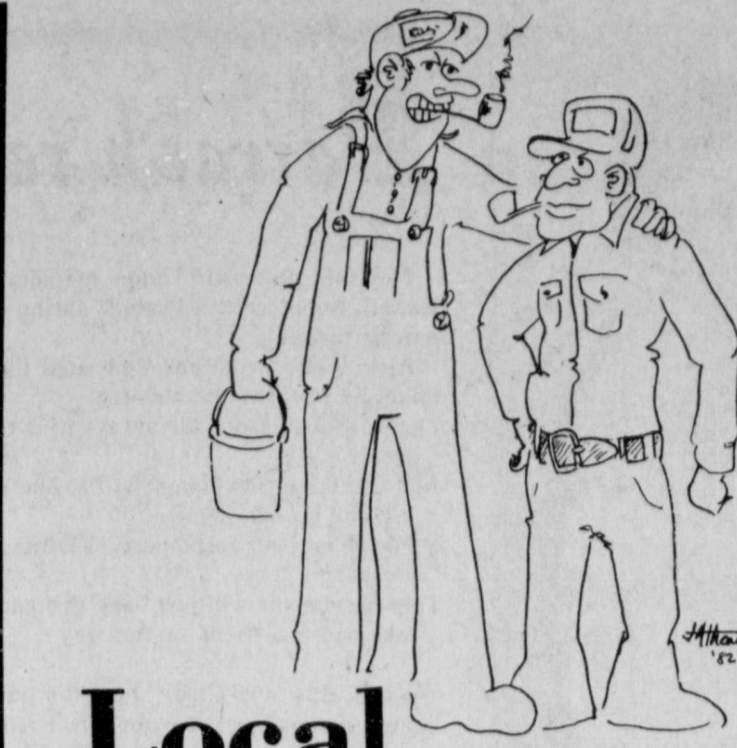

Over the years the citizens of Lockney have been generous in their support of the projects of the Floydada Lions Club, especially the annual Pancake Supper.

Again this Friday night, just prior to the Floydada-Lockney football game, the Floydada Lions Club will sponsor its annual Pancake Supper. Please consider this a special invitation to attend the supper and support our community activities.

All proceeds from the supper go to support community projects such as eyeglasses for school children and scouting projects. Through your participation in the past, you have made a valuable contribution.

On behalf of the Floydada Lions Club, as well as those who have benefited, I express our heartfelt thanks and appreciation for your support.

From the top to the bottom takes only one week and two incorrect prognostications. All of you Tech fans that I did not have the strength of character to pick your Raiders last week. Speaking of strength of character the Red Raiders of Tech proved they had more than enough to come back from a first half deficit.

This week the Raiders travel to Fayetteville to wallow with the Hogs. I am going out on a limb to pick the Raiders. If they can play 4 quarters like they played the third quarter against the Aggies, Tech will win by 3 points.

The Lockney Longhorns won a resounding victory over the Abernathy Antelopes. They are gaining pride, courage, and football prowess under new head coach Bob Purser. They should be flying high come this weekend.

The Fighting Winds of Floydada hit a very fired up group of Littlefield Wildcats last week. From the opening play the Winds were behind. How many times can you ever remember the Winds losing much less by that lopsided score. Freak of nature.

Let's see what is at stake this week. County championship! First district

Silverton Young Farmers business meeting held

The regular business meeting of the Silverton Young Farmers was held Thursday, September 23, at the high school vocational agriculture department.

Clinton Dickerson presided over the meeting. A thank you card from Sid McFall, the flag man for the SYF rodeo, was read to the group.

The 16th National Young Farmer Educational Institute was discussed. It will be held in San Antonio December 12-16. The Silverton Chapter will sponsor a bus for the bus tours and also will provide table top windmills for decoration for one of the breakfasts.

Silverton ag boys are building windmills for the Young Farmers. These were shown and heartily approved.

The Texas State Young Farmer Convention will be held in Abilene in January. The Silverton chapter will enter the Outstanding Chapter, Publicity Award, and Outstanding Associate Member at that time.

Members attending Clinton Dickerson, Tobe Riddell, Dave Patrick, Calvin Shelton, George Martin, Brad Ziegler, Bill Reid, Wayne Stephens, and a guest Dale McWaters.

Zumwalt, Myrick given national honor

The Society of Distinguished American High School Students has announced that two students from Floydada, have been selected as members for 1982.

The Society is one of the most selective high school honoraries in America today. Membership is not only an honor but also an incentive for those exhibiting top performance while in high school. To be accepted, students must have excelled in academics, extracurricular, or civic activities and be nominated by a local sponsor.

Students awarded this honor include: David Myrick and Deon Zumwalt.

The Society is unique in that it combines the honor of membership with its National Awards Program which earmarks college scholarships for Society members. This scholarship program, now in its fourteenth year, is funded by 104 prestigious American colleges. The Society preserves the students' honor by listing their biographical accomplishments in an annual Membership Registry which is distributed nationally.

Caprock Hospital Auxiliary met October 4

The Caprock Hospital Auxiliary met at 2:30 October 4 in the Hospital Dining Room. This was the first meeting since summer.

Guest Joe Rice gave an explanation of the derogatory letters which have been written to the local paper and that many local people plan to write letters in support of the hospital.

He also expressed a need for two wheelchairs and several blood pressure cuffs to be installed on the patients

rooms. The Hospital Auxiliary voted to purchase these and that plaques would be placed telling of the donor.

There is a need for comfortable chairs to be placed in the patients' rooms. It was suggested that perhaps gifts of chairs could be arranged from interested families.

Attending the meeting were Mrs. Hester Moore, Mrs. Sam Fowler, Mrs. Emma Lou Whitaker, Mrs. Ethel Carmack, Mrs. Bill Tye and guest Joe Rice.

A Morton Machine Shed Doubles as a GRAIN STORAGE BUILDING (GOVERNMENT APPROVED)

Morton Buildings Do Double-Duty

BUY AND BUILD NOW - BE READY FOR HARVEST

A Morton Machine Shed with bulkheads installed is the most innovative idea in government approved flat grain storage. The sidewall bulkheads are 6' high designed to withstand pressures with grain packed to trusses. The sliding door bulkheads withstand grain pressures when in place, yet are easily removed for access to building by equipment and machinery. Regular grain storage bins cannot be used for machine storage when empty, but your Morton Machine Shed can - it does Double-Duty!

TYPICAL EXAMPLES OF BUILDING CAPACITIES: (With 12' Sidewalls)
42' x 72' holds 18,600 Bu. +
48' x 81' holds 27,050 Bu. +
54' x 108' holds 44,000 Bu. +
(Grain height at sidewall 9' - Capacities will vary depending on moisture content, test weight and other variables.)

INVITATION FOR BIDS

The Housing Authority of the City of Floydada, Texas (hereinafter called the Local Housing Authority) will receive bids for a single construction contract with deductive alternatives for the total Modernization of forty (40) Dwelling Units including mechanical, electrical, plumbing, interior remodel, exterior utilities and etc., and all other work as noted on drawings and in the specifications until:

Tues. Nov. 2, 1982 - 2:00 CST
Office of Architect
2517-74th St., Lubbock, Texas

at which time and place all bids will be publicly opened and read aloud.

Proposed forms of contract documents; including plans and specifications are on file at the office of the Architect - Whitaker McQueen Jones & Assoc., 2517-74th Street, Lubbock, Texas, (806) 745-5485, and the Dodge Plan Room in Lubbock.

Copies of the documents may be obtained by depositing \$25.00 with the Architect for each set of documents so obtained. Such deposits will be refunded on return of the plans, specifications, and other documents in good condition within 10 days after bid opening.

A certified check or bank draft, payable to the Local Housing Authority, U.S. Government Bonds, or a satisfactory bid bond executed by the bidder and acceptable surety in an amount equal to five (5%) percent of the bid shall be submitted with each bid.

The successful bidder will be required to furnish and pay for satisfactory performance and payment bond or bonds.

Attention is called to the provisions for Equal Employment Opportunity as reflected in these documents.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the specifications must be paid on this project, and that the contractor must perform with his own forces at least the construction branches of carpentry.

The Local Housing Authority reserves the right to reject any or all bids and to waive any informalities in the bidding.

No bid shall be withdrawn for a period of sixty days (60) subsequent to the opening of bids without consent to the Local Housing Authority.

Lakeview News

BY JOYCE WILLIAMS

Mrs. Roy Fawver, recently returned from a New Mexico visit with her granddaughter, Linda, has recovered from her broken arm. And just in time for fruit harvest. She's been canning pears and peaches from the trees in her yard.

Mrs. Jimmy Nichols has been nursing little son, Brynn, age three, back to health. The little boy stayed in Central Plains Hospital in Plainview six days, returning home Tuesday. He felt well enough to play outside in the sunshine Sunday.

Mr. and Mrs. Robert Pyle took his parents, Mr. and Mrs. Louis Pyle, to Lubbock Saturday night for an anniversary dinner. They attended the Roy Clark musical show at the South Plains Fair.

Judge and Mrs. Choise Smith and children attended the Fair last Saturday and spent the night with Choise's parents, Mr. and Mrs. Flukie Smith.

Mr. and Mrs. Fred Lloyd attended the South Plains Fair in Lubbock Friday evening. They visited at the New Deal Band Boosters booth with their son and daughter-in-law, Greg and Linda Williams.

Bobby and Jean Kendricks were luncheon hosts Saturday to Brother and Mrs. Floyd Bradley.

Mrs. Iantha Smith and children, Michelle, and Scott; Mr. and Mrs. Robert Pyle and children, Jason and Amber; Mr. and Mrs. Louis Pyle and

David; and Mrs. Gaye Lynn Carpenter of Canyon were Sunday dinner guests of Mr. and Mrs. Weldon Hammonds.

Dean Smith spent Friday night with Mark Thompson after the football game in celebration of Mark's birthday.

Mr. and Mrs. Davis Bishop of Tahoka and Holt Bishop visited their sister, Mrs. Riley Teague and their father, Earl Bishop, Sunday afternoon. Lula and Riley visited Tuesday and Wednesday in Pampa with their son and family, Dr. and Mrs. Keith Teague.

W. Earl Edward came home from the Crosbyton hospital on Friday. Their daughter, Jean McKnight, of Kress is staying at their home with them. Mr. and Mrs. Bill Edwards of Llano, are here this week planting wheat and visiting Bill's grandparents, the W. Earl Edwards.

Sunflower harvest is going on all over the community, as well as maize and other feed crops. Soybean plants are turning brown and yellow, with some already harvested. Cotton in some fields is just now in bloom, while some has opening bolls, what little cotton there is. Many of the field workers were unable to get much hoeing this summer. The schools are asking for donations of shoes and clothing for children.

Mr. and Mrs. Wayne Appling brought his mother, Mrs. S.G. Appling home with them last week-end. She is a patient at the Crosbyton rest home. Mr. and Mrs. Olin Watson visited Saturday night while Mrs. Appling was here. She

returned to the rest home on Sunday. Wayne and Bertha visited her in Crosbyton this past Saturday, on their way to Lubbock. There they visited Mrs. Marie Porter, former Mt. Blanco resident. Her husband, Kimbell, died within twelve hours of when her brother, "Pappy" Wise, died in Floydada. The Porter funeral was scheduled for 10 a.m. Monday morning in Lubbock, and the Wise funeral at 4 p.m. that afternoon in Floydada.

Mr. and Mrs. Wayne Appling returned home last Tuesday after tour of the historic Hill Country. At Kerrville they visited Bertha's cousins, Dr. and Mrs. D.J. Truitt. They especially enjoyed the nine mile tour of the LBJ

ranch. In Austin they visited the State Capitol, the state Senate and House of Representatives. In Waco they stayed with Bertha's sister, Mrs. Irma Lansford. While in Dallas they stayed with their daughter Phyllis and Charles Forley and children, Kevin and Kelly, at Ft. Worth the Applings visited their other daughter, Beverly Conne, Lon and their children, Micah and Josh. Before they left Ft. Worth they visited Forest Lawn Cemetery and the grave of Bertha's sister, the late Wynell Rogers. Also they visited Finis Rogers and son, Bryan.

Mr. and Mrs. Dee Adams attended the OS Ranch Calf Roping and Art Exhibit at Post, Texas, Saturday. Sunday spectators at the OS Roping

included Mr. and Mrs. Howard Bishop, Mr. and Mrs. Norman Muncy, and Mr. and Mrs. William Bertrand.

Mr. and Mrs. Bob Alldredge visited in Lubbock Saturday with his sister, and her husband, Mr. and Mrs. Hassler Strickland.

Mr. and Mrs. W.H. Bunch returned home Friday from a visit in Carrolton with their children. They visited Mr. and Mrs. Rodney Bunch, Kalisha, Brandon and Jeremy. Also visited Mr. and Mrs. Darrell Bunch, Tanya and Brenda. After an appointment at the asthma clinic in Houston for Mamie, they returned home.

Mr. and Mrs. Weldon Hammonds attended the Mickey Gilley show at the South Plains Fair.

About four-tenths inch of rain fell in mid week, last week.

Ford Miller of Texas Tech visited the Q.D. Williams this week-end. On Saturday Mr. and Mrs. Williams, Ford and Norman Muncy attended the Lazy HE Ranch Longhorn sale east of Crosbyton. Mr. and Mrs. Jay Luther are dispersing their herd and selling their ranch. They have bought a home in Lubbock from the Furr family. One Longhorn cow sold for over forty thousand dollars. The highly improved ranch was in operation for three years. At a Christmas party last winter the Williams and Muncy's were met at the pasture gate by a chauffeur driven Cadillac adorned with a set of Longhorns as hood ornament, and transported over the rough roads to the headquarters where Jug Little was serving up barbecue. Jug was dispensing chili at the sale Saturday. The ranch, advertised in the Wall Street

Journal, is for sale at over two thousand dollars per acre, four sections of it. This has set up concern among other ranchers in Blanco Canyon. Suzanne Brunson Horn and Van Horn, Otis English, the Muncy, Williams, Beth Kropp, Georgia Mae Erickson, as to how such a price will affect the tax evaluation of their own ranches and estates. The Luthers have been good neighbors, ever helpful in the community and will be an asset to Lubbock again.

Mrs. Weldon Hammonds visited Lanny Glasscock's grandmother, Mrs. Mae Reed, in Central Plains Hospital in Plainview Wednesday.

Mrs. Randy Bertrand and her sister, Darlene Reed of Panhandle, with their aunt, Carolyn Cunningham of Lockney went to Roaring Springs Saturday. Kristy Hinsley and Misty Bertrand enjoyed swimming and wading in the creek, as did the others.

Mr. and Mrs. Jimmy Nichols attended the Fair Thursday night. On Saturday they met Reed Murry at the Lubbock airport.

Mrs. Dean Watson attended open house at Andrews Wards on Tuesday, and helped with the Book Fair.

Miss Deanna Watson was honored with two parties for her tenth birthday. On Sunday her grandmother, Mrs. Millard Watson, hosted a family dinner in Deanna's honor. On Monday her other grandmother, Mrs. Tom Moore, gave a family dinner in Floydada.

Miss Jody Smith received the "I Dare You" award at the 4-H banquet at Lockney Saturday evening. She also received the Texas Sheep and Goat Raisers Association award.

BY MRS. J.E. GREEN

October 4th:

Summer is about gone and we are faced with "October's bright blue weather." Time marches on for the well and the unwell. And there is always work to do.

Mrs. Ethel Warren is back home after a ten day visit in Amarillo with friends and a son Bill Warren and family.

Mrs. Glenna Watson of Mt. Blanco visited Saturday with her parents, Mr. and Mrs. Henry Brewer.

Mr. and Mrs. James Hartline of Levelland visited Saturday with his mother, Mrs. Cora Hartline.

Visitors to see Mrs. Flora Warren Sunday afternoon were Mrs. Clyde Frizzell, Mrs. Erma Welborn and Mrs. Frank Dunn.

Wednesday morning Gertrude Massingill, my sister who had visited with me over the weekend and I took a spin over our old stomping ground. We drove first to Lakeview—Stopped at the well kept Cemetery—last resting place of so many of our loved ones. Then on towards Mt. Blanco via the Canyon. When we were growing up we didn't notice how beautiful it was. And such

beautiful crops further south of town. Then west to Cone and home.

After dinner suddenly (to me) Gertrude decided she must go home. But how nice these visits are! I feel there aren't enough of them.

My younger sister native of Mt. Blanco and husband, Winifred and Bill Coggin of a farm home north of Hereford had the misfortune to have a bad fire in their home recently. Thanks to the Hereford fire department it didn't all burn but it was made uninhabitable from heat and smoke, furniture ruined. It pays to have insurance. It was believed to have been struck by lightning. It helped, too, that two of their children and families live in Hereford.

Now our sick friends: Mrs. Hal Thomas of Methodist Hospital, Lubbock, was reported to be a bit better Saturday. Doyle Sandifur entered Methodist Hospital last week. He may have to have surgery. Let us remember these in prayer.

And those in Caprock Hospital: Also these, Miss Alma Ruth Nelson, Ms. Jeffe Smith. We are glad to learn Mrs. Duncan and Mrs. Moore were able to have gone home.

Of Mrs. Amelia Ashton, Lockney Rest Home I haven't heard the latest, but was much the same. So was Bro. Clay Muncy at home in Lockney.

Cedar Hill News

BY GRACE LEMONS

Harvesting is in full swing. Combines are busy cutting soybeans, milo and sunflowers. Weather conditions have been good and the farmers are anxious to get their crops to the elevator.

We are glad to report that Edna Gilly is slowly improving. Ruthie Clark, Ruth Fortenberry, Gladys Fortenberry, Clara Redd, and Janet Lackey, Janet had supper with her Saturday evening.

Shelli Bethel and Traca Lemons attended Jana, a classmate's birthday party in Floydada Thursday afternoon.

Grace Lemons accompanied Linda F. Lemons, Twyla, Traca and Vance to a football game in Lockney Thursday evening. Their grandson and nephew, David Lemons was one of the players. Lockney beat Abernathy 24 to 0. Another nephew to Linda, Troy Bigham played in the first game.

Clara Mize is improving after recently having surgery and returned to Plainview Monday for a check up. She has had numerous visitors. Among them were Mr. and Mrs. Jim Conner who visited her Friday, Grace Lemons and Walton and Veda Wilson who visited her Sunday afternoon.

Imogene Fortenberry who recently broke her arm is improving and able to be about some.

Peat Kelley injured her arm in a freak accident when she confronted a shovel while her hired hand was spading. It immediately swelled and discolored considerably but is looking much better at this time.

The book, Clyde, that was mentioned at the Fortenberry reunion that was written by his wife Altha Henson on experiences and achievements of her husband who is deceased. Clyde was very concerned about the American Indians and devoted much of his time helping support the Indian Missions and establishing an Institute with the Indian Reservation in Phoenix. This book is selling for \$2.95 and the proceeds will go to the Memorial in Phoenix. If you are interested in buying one you may contact Norma Welch.

Linda Lemons and children attended a birthday supper honoring her mother, Laverne Cooper Sunday evening at the home of Anita and Bill Bigham. They enjoyed Mexican food for the occasion. Others present were, W.T. Cooper, Kay and Ronnie and children of Plainview, and L.T. and Karen Cooper of Lockney.

We regret to hear of the death of our neighbor and friend, C.H. Wise, 79, whose services were held in Floydada at the First Baptist Church Monday afternoon at 4:00 with Dr. Floyd Bradley

officiating. He was married to Offie Viola Denton in Paducah and moved to Floyd County in 1933 where he was engaged in farming. Burial was laid to rest in the Floydada Cemetery with Moore-Rose directing. Mr. and Mrs. Jim Conner, Mr. and Mrs. Cephus Fortenberry and possibly others from our community attended the funeral. The funeral of his brother-in-law, S.K. Porter was approximately the same time. S.K. and his wife Marie and family lived in Cedar Hill at one time.

Preparation, opportunity, and success are closely related.

Kalvin R. Dick in Musical 'Oklahoma'

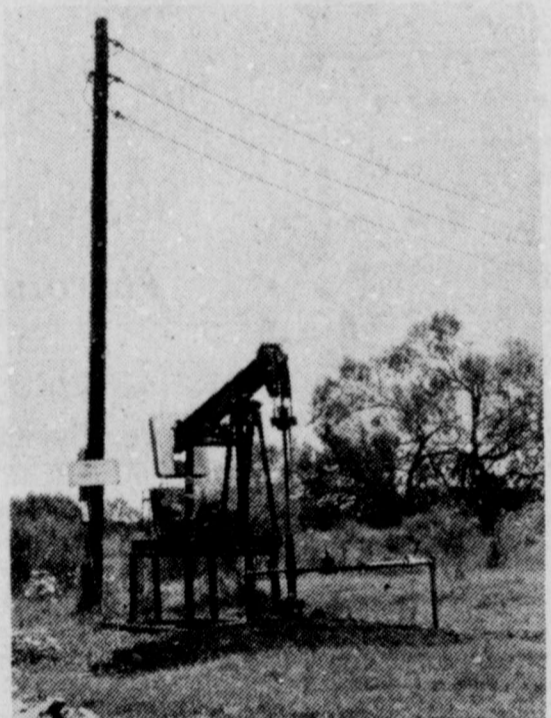

Kalvin R. Dick, a senior theatre major from Floydada, is playing Will Parker, in the musical comedy "Oklahoma!" by Rodgers and Hammerstein, to be presented November 18, 19, 20 and 21 at West Texas State University.

Performances will be at 8 p.m. on Thursday through Saturday, November 18, 19 and 20, and a special Sunday matinee will be at 3 p.m. on November

21 at the Branding Iron Theatre in the Fine Arts Building.

Burt Rosevear, instructor in music, is producer and musical director; Neil Hess, assistant professor of dance, is director and choreographer; and James Kemmerling, assistant professor of speech, is scenographer.

Dick is the son of R.E. Dick of Canyon.

Much of the area served by the electric cooperative is sparsely settled and inaccessible. But for more than 40 years these remote areas have been receiving a first rate electric service from the cooperative, stimulating rural agriculture and industry. This dependable service stems from a covenant between the cooperative and the government made nearly 50 years ago.

The cooperative has kept, is keeping, and will continue to keep that covenant while serving the growing needs of rural Texas.

Q: I wash my car in my driveway with a hose. Lately the finish looks dull and marked. What could be wrong?

A: Hand wash jobs are extremely harmful to auto finishes. Tests conducted by the University of Texas showed that a single hand wash on an auto can produce scratches that penetrate as deep as 1/10 of the total thickness of the auto paint. Tests have shown that the average backyard hose is not able to supply enough water along with detergent action to avoid damaging the car's finish. The professional car wash is able to provide tremendous amounts of water along with appropriate mechanical action from cloth pads or plastic bristle brushes which the backyard hose is not able to supply. This important and interesting study at the university concluded that today's modern automobile owner is much better off washing his car in a professional car wash rather than in his own back yard.

Checklist helps decide whether to harvest cotton

West Texas cotton farmers, beset all spring by disastrous weather and all year by difficult decisions, are facing another tough choice as harvest time approaches. With thousands of acres replanted following spring hail and rainstorms, lower than average yields and possible reduced quality are expected. Many producers are wondering whether it will pay to harvest their crop.

Their decision is further complicated by considerations of the federal disaster and deficiency payment programs authorized for 68 Texas counties, four in New Mexico and four in Oklahoma, noted Dr. Gary Condra, agricultural economist and farm management specialist with the Texas Agricultural Extension Service.

To help producers resolve their questions, Condra and two other Extension specialists have developed a worksheet for estimating the cotton yield required to cover the individual's cost of harvest. Working with Condra were Dr. James R. Supak, cotton agronomist, and Elston K. Grubaugh, agricultural mechanization engineer. Copies of the worksheet may be obtained from county Extension agents in the affected counties.

"The real question is whether the income from harvesting the crop will pay for the costs of harvesting and ginning, with some additional return for unpaid labor," Condra said.

Many producers are concerned about losing their costs of production up to this point if they abandon the crop, the economist said. "These costs are really not relevant to this decision," he stressed. They are "sunk" costs and won't change, whether or not the crop is harvested, he explained.

Likewise, depreciation, interest on equipment and other fixed costs won't appreciably change whether or not the crop is harvested, the economist said.

"This means the decision really boils down to whether the harvested cotton will cover out-of-pocket or cash costs of harvest," Condra stressed.

Condra, Supak and Grubaugh analyzed a number of different situations, using different cotton prices, costs and assumptions regarding ownership of land. They devised their worksheet so that these variables can be adjusted by the individual producer to reflect his personal situation.

The three specialists concluded that the sensitive range of yields in this decision is probably from about 50 to 100 pounds of lint. "If the projected yield is less than 50 pounds, it probably won't pay to harvest," they said. "If the projected yield is over 100 pounds, it probably will pay to harvest."

"If the projected yield is between 50 and 100 pounds, the producer should definitely use the worksheet to fill in his own expectations, costs and rental situation."

Projecting yields in order to make the decision isn't easy, the Extension specialists agreed. But they offered

some suggestions for doing this.

The old rule of thumb that one boll per inch of row on a 40-inch spacing will produce a bale of cotton will serve fairly well, they said. This means that it takes 100 bolls per three paces (100 inches), 157 bolls per 13 feet, or 1,570 bolls per 131 feet to make a bale of cotton.

"The key is to take an accurate sample and count only harvestable bolls," Supak said.

To estimate the yield potential of a given field, make five to 10 boll counts at various locations in the field, the specialists advised. If the stand is uniform, counts can be obtained from three-pace or 13-foot strips. However, if the stand is not uniform, boll counts should be made from 131-foot strips.

The checklist includes an example situation for a producer who (1) is renting his land, (2) has his own two-row, tractor-mounted stripper, (3) has his cotton custom moduled and hauled to the gin, (4) is located in a disaster county, and (5) expects to put his cotton in the loan with grade 42 (SLM, Light Spot), staple 31, and micronaire of 3.0 to 3.2.

In this example, the out-of-pocket costs for stripping were estimated to be \$8 an acre including hired labor. This includes fuel, oil, lubrication and repair. No allowance is included for depreciation and other fixed costs because these will be incurred regardless of the situation.

A custom rate for modulating and hauling of \$85 per module was used. This is based on \$50 for the modulating operation and \$35 for hauling to the gin of each module. Each module was assumed to make seven bales due to expected low turnout (15 percent), instead of the more normal 10 bales.

Ginning, bagging and ties were charged at \$2 per hundredweight of seed cotton, based on a 15 percent turnout. Seed credit was allowed at \$70 per ton for 4-10 tons of seed per bale.

All of these costs and returns were calculated on a lint pound basis to allow calculation of the break-even yield.

The loan price for the example grade, staple and micronaire (42:31, 3.0-3.2) cotton in Lubbock is 44.8 cents per lint pound. "This value was used for the cotton price since supply and demand conditions don't appear to warrant a more optimistic assumption," the specialists said.

In the affected counties, the disaster program will pay 20 1/2-cents per pound for the difference between 75 percent of the established program payment yield and actual yield. The target price program will then provide a deficiency payment for the difference between the established program payment yield and the portion of the yield for which disaster payment was made. The U.S. Department of Agriculture has projected a deficiency payment of 12 cents a pound, but the final level of payment won't be determined until later this year.

The significance of these two payments, the specialists explained, is that the producer will give up the disaster payment and gain the deficiency payment for every pound of lint he harvests up to 75 percent of his established program payment yield. "Of course, if he expects to harvest that much cotton, he probably isn't faced with a decision of whether or not to harvest," Condra said.

Rental arrangements will also affect

the decision because the renter normally has to pay for stripping all the cotton while he sells only share. In this example, a traditional one-fourth share arrangement is used. Had this been a cash rent arrangement, the rent would not have been included because it is also a "sunk" cost which is unaffected by the harvest decision, the Extension economist explained.

The worksheet includes a section for calculation of a break-even yield. This is the yield of cotton this will just over the out-of-pocket stripping costs and costs for modulating, hauling, ginning, and other necessities.

In this example, the break-even yield was calculated to be about 41 pounds of lint—with 30 pounds net to the renter. The costs and returns per acre are:

Receipts	
Cotton Lint	30# at \$.4480
Cotton Seed	30# at .06
Deficiency Payment	30# at .12
Total Receipts	\$13.44
Expenses	
Stripping	= 1.80
Moduling & Hauling	= 3.60
Ginning, Bagging & Ties	
Disaster Payment	\$18.84
30# at \$.03	
30# at .13	
30# at .205	
Total Expenses	\$8.00
	= .90
	= 3.90
	= 6.15
Net Return from Harvesting	\$18.95
	\$.11

This shows there is no return at this yield for unpaid labor, nor is there room for error in estimating the yield, quality or costs, Condra noted.

A number of factors aren't included in the worksheet, but should be considered by the producer, the Extension specialists cautioned.

First, a zero yield may affect a producer's established program payment yield for subsequent years. Thus there is some benefit to harvesting a yield which barely covers out-of-pocket costs. "This benefit will vary depending upon each producer's situation," Condra said.

Second, disaster payments can be received immediately if the crop isn't going to be harvested. This money would be available to reduce the operating interest costs.

Third, if the crop is going to be plowed under, it may be more beneficial to do so promptly to eliminate further depletion of soil moisture and retention of plants that serve as hosts for insects and diseases.

Floyd County Farm Bureau News

BY DAN SMITH

Concerned with the nation's excess buildup of cotton, the American Farm Bureau Federation has called for a 15 percent upland cotton acreage reduction program for 1983 and an added optional diversion of 10 percent.

In a letter to Howard Williams, Director, Analysis Division, USDA Agricultural Stabilization and Conservation Service, AFBF Secretary John Datt, asked that the diversion payment rate be set high enough to result in maximum participation, the target price be set at the legal minimum of 76 cents per pound and that producers be allowed to extend their loans from the Commodity Credit Corporation for an additional six months, if necessary, after their normal loan period expires.

Jim Simmons, Director of the AFBF Cotton Department, said that Farm Bureau analysis indicates that without

an acreage reduction and paid diversion program, cotton stocks would increase next year, causing prices to fall and further damaging the already depressed farm economy, while establishment of Farm Bureau's recommended provisions will reduce production and improve prices.

Datt also reiterated Farm Bureau's opposition to a farmer-held reserve for cotton.

Rubber Strike — The strike continues at the General Tire plant in Waco which makes Safemark tires for Farm Bureau. Safemark tires are also manufactured by other General and Kelly-Springfield plants around the country. The Waco strike began in mid-June.

However, due to a large inventory before the strike, most Safemark products are in good supply. Also, Safemark has begun to contract with other manufacturers for additional supplies.

Elevator Bankruptcies — AFBF this week asked the House Judiciary Committee to approve elevator bankruptcy legislation that is before that group. The Senate has already passed the bill. AFBF said that the House committee is the final obstacle blocking legislation that would adequately protect producers.

FARM NEWS

What Are Farmers Made Of?

BY PAUL HARVEY

A farmer is a man who wears out two pairs of overalls growing enough cotton for one.

A farmer can shape an ax handle from a persimmon sprout—and shoe a horse with a hunk of care tire.

A farmer starts every year with nothing, loses everything he grows and at the end of the year comes out even.

Nobody knows how he does it. He doesn't even know himself.

What are farmers made of? Farmers are made of bent nails, rusty horse shoes, barbed wire and held together with callouses.

Planting time and harvest season he finishes his forty hour week by Tuesday noon—then painin' from tractor back puts in another seventy-two.

He can make harness out of hay wire, feed sacks and shoe scraps.

He grows corn and melons mostly to make fat crows.

He loads his planter with fifteen hundred dollars worth of seed, fertilizer, herbicide and insecticide. That's one hour's worth.

In a normal farm afternoon, one to ten p.m., he'll bury \$13,500 in the ground in half a day.

Odds are it'll get too wet or too dry—or there'll be hail, wind, early frost, early snow, bugs, brickbats and bureaucrats.

And if he gets a good crop, he won't meet expenses.

Yet the only lines on a farmer's face are from grinnin'.

You look at his unattended chores, unpainted buildings, unsharpened tools and untidy barnlot and you say, "The smartest man in the world would starve trying to do all that!"

And you're right. The smartest man would starve.

But not the farmer. His wife won't let him.

She has a basic menu: she serves what she has.

In good years that may be six vegetables at one meal.

In lean years she jumps from puke salad to black-eyed peas.

The farmer orders a seventeen inch John Deere disc—\$4,300.

By the time it's delivered it's \$6,500. He's got a forty thousand dollar machine needing repair. It's five-thirty p.m. and the company owned stores are closed. And he's got five hours of daylight he can't let go to waste.

So he borrows a machine from a neighbor, is movin' it down the highway when he's run into a ditch by some joker pullin' a boat.

Yet he remains the world's most stubborn optimist.

He believes that the fact he's come this far proves he can go the rest of the way.

He buries last year's disappointments with springtime plowin' because his faith is not in himself alone.

He'll finish a hard week's work with a five mile drive to church.

And so he plants in hope, cultivates in faith and ends in debt—then starts over with greater hope and stronger faith.

Heaven help the family that depends on a farmer for support.

Heaven help the nation that doesn't have him to support it.

Co-ops: What they are and do

Some 60 million people in this country use cooperatives—about 50,000 of them. That's a lot of people and a lot of businesses. And they do many billions of dollars worth of business each year. As one example, the farmer-owned marketing and supply cooperatives did almost \$50-billion worth of business at the latest counts -- in 1981.

What Is A Cooperative?

A cooperative is a business owned by its users. These users—called members -- elect a board of directors from their ranks. The directors hire a manager who in turn hires the employees needed and sees that the business is properly run on a day-to-day basis.

The directors, however, retain overall responsibility and authority for operating the cooperative business. Many of our state and national leaders gained experience and stature through their cooperative work—and carried this over into public affairs and other activities.

In a cooperative the money left after operating costs are paid belongs to the members. Members receive a portion or all of it back at the end of the year as patronage refunds based on the amount of business they have done with the cooperative. Many times they re-invest

this money in the cooperative to help finance expansion, needed buildings and equipment, or other expenses to keep the business operating effectively.

Cooperatives operate under law, regulations, and rules just as other businesses do. They are incorporated as businesses; they pay taxes to their local and state governments just as other businesses do.

One thing about cooperatives is different: the law limits the dividends that can be paid on stock in cooperatives to eight percent. This is to keep control in the hands of member users and out of the hands of those who might want to use the business merely as an investment or speculation.

What Does A Cooperative Do?

Cooperatives do many things for people. They can be places to buy, places to sell, places to get a needed service.

Members use them to market farm products...obtain farm supplies such as petroleum products and fertilizer...get groceries, and other consumer goods... provide themselves with health, insurance, housing, and other consumer-type services...obtain credit in the large

amounts needed for operating farms and cooperatives through the Farm Credit System...get consumer-type credit through credit unions...provide themselves with electricity and telephone services in the rural area.

The purpose of the cooperative is to make money for members, reduce costs for products they buy, and provide better services and quality goods to them.

FOR THE COMMUNITY--

Cooperatives not only put money in members' pockets, they also add to the community's financial basis. They provide jobs to local people who in turn buy goods and services and pay taxes; they pay for telephone, transportation, and other services a business needs; they use hometown banks and stores; they pay all the local taxes other businesses do to keep schools, roads, and like community needs going; they return money to members in turn is spent in the community.

Cooperatives are truly... "Building A Better America."

Texas farmers seeks action to boost soybean prices

Plainview soybean farmers LaMarr Ramsey joined soybean leaders from 25 states who gathered in Washington, D.C. last week to launch an intensive effort to gain congressional action to bolster soybean prices.

"We need action," says Ramsey, who currently serves as Texas Soybean Association President. "Unless we sell what we produce and sell at a profit, 'bin bustin' crops will continue to depress farm prices while government supports add to federal budget deficits. We don't want a tax supported surplus hanging over the market to lower prices. We want to sell soybeans at profitable prices and we're asking Congress for immediate action."

Ramsey was one of more than 50 soybean leaders who attended the emergency meeting which included briefings from Agriculture Secretary John Block; Congressman William Emerson (R-MO); Senator Richard Lugar (R-IN); and an official from the White House. Following the briefings, the farmers sought action during meetings with their local congressmen and senators. A small group of the soybean farmers met with Vice President George Bush.

Ramsey said soybean farmers seek approval of a 4-point emergency sales program. The program includes:

- * Approving anti-embargo contract

sanctity legislation which would guarantee fulfillment of private export shipments of all U.S. exports.

- * Increasing CCC export financing for soybeans and soybean products.
- * Expanding PL480 Food for Peace soybean oil shipments to countries such as India and Pakistan.
- * Aggressively opposing unfair subsidy programs used by Brazil, Argentina and other nations. While such subsidies continue, ASA seeks U.S. efforts to provide reduced interest loans or other competitive export tools which allow the U.S. to compete on equal terms.

"U.S. farmers are sinking in the quicksand of international distrust," said ASA President B.B. Spratling, Jr. "While ASA's proposals for export expansion are important, our No. 1 priority is gaining congressional approval of anti-embargo contract sanctity legislation. Four times in the past 10 years, the U.S. government has cancelled private export contracts. Is it any wonder that our international customers no longer believe the U.S. is a reliable supplier of life-sustaining feed and food products?"

"It's time to end embargoes, get the State Department out of agriculture, stop using food as a political weapon and restore international trust in U.S. contracts."

AN 86-LB. RUNT [Wendy Montandon] persuaded the Lockney coach [Cindy Ford] to let him try his luck against the Abernathy Antelope [Irene Cantu and Sarah Fitzgerald] during the pep rally Friday. With the team members [Peggy Hallmark, Jeanette Marr, Kathy Grissom, Anna Anderson, Cherlen Russell and Kay

Williams] he conquered that ole Antelope. Wonder Woman [Patty Purser], the Bionic Woman [Sheri Haynes] and Isis [Annette Weil] had tried to conquer that beast, but only that TNT power of the 'Horns proved powerful enough, as was portrayed in the game Friday night.

JUNIOR HIGH STUDENT COUNCIL [front, l-r] Todd Hallmark, Sundal Workman, Debbie Hernandez and Matt Williams, treasurer; [middle] Tonya Elam, Lisa Terrell, secretary, and Clay Adrian; [back] Steve Cates, president, and Rusty Teeter, vice president.

MARCUS SCHACHT

Son of Lou Ann Brittain, Marcus Schacht has played football all four years in high school. He is left guard on offense and tackle on defense. Marcus began the year at center but suffered a broken hand and was out of the line-up for a couple of weeks.

Marcus is a member of the National Honor Society and was an officer in FFA as a junior. He served as vice-president of his junior class and has been voted Most Studious by his classmates for two years. He is also a member of FHA.

TOMMY SILVA

Tommy Silva, a two year letterman, plays tackle on both the Longhorn offense and defense. His great efforts have gained him the honor of being selected as one of the players of the week in the Lockney vs. Tulia contest.

Tommy has played football during his four years in high school. He was presented the Attitude Award by the coaches his junior year. He has also been in band for 3 years. Tommy is the son of Mr. and Mrs. Juan Silva.

LOCKNEY PUNK ROCKERS—Lockney High School students observed "Punk Rock Day." Maribel Torres, Stephanie Bybee, Mary Huffman, Kay Reay, Karen Mathis, and Barbara Moore give a good cross-section of those good lookers. Some of their "garbs" varied from plastic garbage bag dresses to colored hose to high heels with jeans and lots of extras. Students were combining the "Punk Rock Day" with "Hook the 'Lopes Day."

Antelopes JV sneak past Longhorn JV

The junior varsity played a 2:00 game before a large home team crowd. The band playing the Abernathy school song and the National Anthem seemed to fire the Abernathy JV into playing really well. Lockney had a difficult time hanging on to the ball the first half, fumbling 3 times and throwing 2 interceptions.

In the first quarter Gary Kent intercepted an Antelope pass at the 2 yard line stopping the Abernathy team. On the next play Lockney fumbled the ball and Abernathy recovered in the end zone for a touchdown. Abernathy also kicked the extra point to make the score 7-0. The next time the Longhorns had the ball again they fumbled and the Antelopes drove the ball 40 yards with

their quarterback going the last 16 yards on an option to make the score 13-0.

In the second quarter Abernathy blocked a punt and got the ball on the 28 yard line. They scored 4 plays later with the tailback going off tackle from 7 yards out, the score at half was 19-0.

The second half was a scoreless struggle with fewer Longhorn turnovers. The Longhorns had about 120 yards offense.

The JV Hustlin' Horn of the Week was Abel Salas who had some outstanding plays from the safety position.

The JV does not have a game this week but returns to action October 14 at Idalou following the freshman game which begins at 5:00.
