16 PAGES—NUMBER 1

about dimmitt and castro county
by b. m. n.

Bobcat fans received a rare treat at Olton Friday night when the Bobcats put on their finest offensive display of the season and corralled the Mustangs 20-2. The Bobcats have played excellent defensive football all season, as opponents scoring indicates, but until Friday night the offensive punch had left something to be desired. Without reservation I predict now that the Bobcats will be the District champions. The offense has started to roll and at the best time of the year, at the beginning of conference play. We have watched Bobcat teams in the past reach their peak before conference play started then slide back to mediocrity in the last game of the season. That won't be the case this year, the Bobcats have started to roll and they will be hard to stop.

—adac—
Harvesting of one of the finest grain crops ever produced in this area was probably ninety percent complete when the rain started last week. If the fair weather, beginning this week, holds, harvesting will all but be over by the week-end.

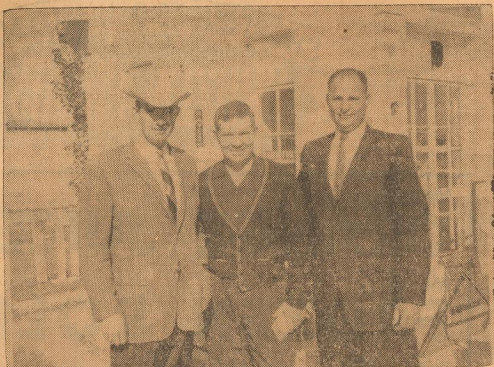

—adac—
Republicans, for the first time in history, have opened a campaign headquarters in Dimmitt. The people responsible for the opening of the Republican headquarters are boni-fide Republicans and they are to be commended for their enterprise. They are what you might call brass-collar Republicans, they are backing the complete slate of Republican nominees, they are loyal Republicans, just like I am a brass-collar, loyal Democrat. It is really encouraging to see the beginning of a two party system in the county, in the area and in the state with the opposition party really made up of Republicans, instead of a second so-called Democratic party supporting everybody except Democratic nominees.

—adac—
If the stupid people who have been anxious to form one type of organization or another to fight Communism, where they were going to find commies or how they proposed to fight them was never revealed, will read their newspapers, or listen to other news media, it may dawn on them where in their protection from Communism lies. Americans with little faith in their countrymen and given to hysteria at the mention of the red menace should, if possible, purge themselves of their distrust of their government, of their public officials and, yes, of their neighbors and restudy the high moral standards on which the basic principles of our nation was founded.

The United States of America has never aspired to, or filled, the role of an aggressor nation. We have never tried to, nor do we want to, force our type of government of our way of life onto any country. We believe in freedom of the individual, and here in the United States of America, today, the individual enjoys more personal freedom, including minority groups, than has ever been the lot of man in an organized society. This is a fact despite the howling heard on every hand about the loss of our freedoms. The John Birchers, Freedom Fighters, Minutemen, and various so-called committees, who with their poison-pen letters have been a thorn in the flesh to straight-thinking dedicated Americans should crawl back into their slimy dens and if possible cleanse their minds and hearts and make application for reinstatement in the brotherhood of man.

Those of little faith in the American ideal will be slow to realize, that in the current crisis, the drastic action of our government in blockading Cuba came as a last resort. True to our traditions and the Christian way, America went the extra mile. We could easily endure the insults generated in the juvenile minds of the Cuban leaders and their cohorts. We had to exhaust every means for a peaceable solution to the very disagreeable and almost unbearable situation, or until there was absolute proof that a threat to our national safety did exist. When that fact was established the proper action was promptly taken without bluff or bluster but with a finality that must be very apparent to the en-

REPUBLICAN HEADQUARTERS OPENED in old Phillips 66 station on 2nd and Bedford, Tuesday. The opening attracted district candidates and local Republicans. Frank Ford (left) Republican candidate for State Representative, Charles Frye (center), Ford's Castro County Campaign Manager, and John Zahn (right), candidate for State Senator are shown here. Ford said, "The issue which we will decide November 6th is whether the LBJ faction of the Democratic Party is going to continue to dominate the Texas Legislature, or whether we are going to have an honest two-party system in Texas."

COX FOR GOVERNOR HEADQUARTERS were opened Tuesday in the former Phillips 66 Service Station building at 2nd and Bedford. In addition to Castro County Republican party officials and workers, two candidates for district office, John Zahn of Farwell, candidate for State Senator and Frank Ford of Hereford, candidate for State Representative, were present for the headquarters opening. From left to right in the picture are: Jimmie Singer, county Republican chairman; Ford, Charles Frye, Mrs. Peggy Webb, Mrs. E. R. Little, Zahn, Jimmie Rawlings, Mrs. Fred Bruegel and Mrs. Jimmie Rawlings. Singer stated that the Cox for Governor headquarters would also have literature and information of other Republican candidates available for the public.

USDA Explains '63 Wheat Program

Payments and additional price support are now being offered to producers in the 1963 wheat program under a new act of Congress, signed by President Kennedy September 27, 1962. The payments for acreage diversion and additional price support are added to the marketing quotas and price supports previously put into effect following the referendum on August 30. The total program, in brief, is: 1. Marketing quota. You are in compliance with your quota if you plant within your acreage allotment. 2. Price support. There are now

LET'S DO THE STOMP-TWIST yells these enthusiastic Hart High School cheerleaders. Loyal supporters of the Longhorns are (standing left to right) Connie Popejoy, senior head cheerleader; Joy Talley, senior; Rene Brooks, freshman; (kneeling left to right) Connie Bowden, junior and Connie Bailey, sophomore. The white and maroon pom-poms are new acquisitions.—staff photo

Farm Bureau Holds Meeting

The annual Castro County-Farm Bureau Convention met in the County courthouse, Monday, with Guy Walser, president, presiding. Forrest Collins, Policy Development chairman, submitted the following resolutions for adoption: County: Weed Control: The Farm Bureau urges all farmers and landlords to control all noxious weeds on their own farms. Roads: The Farm Bureau recommends all precinct lines to follow road right-of-ways. State: Taxes: We recommend that the state exemptions on Estate Tax be raised from \$25,000 to \$50,000, and that our present policy be stricken from the record. Welfare: We recommend the present State policy on welfare. Labor: We recommend that local water policies remain under the control of the Hi-Plains Water District. Voting on issues: Be it resolved that all state representatives and senators vote on each and every issue that comes up, or not receive pay for that day's work. Labor: We believe that the right to work without joining any organization, association, or union is a basic constitutional right. We are, therefore, vigorously opposed to form of compulsory unionism. To protect this important right, we recommend that the Texas Constitution be amended to include an article protecting the right to work.

Local Pastors Resign and Move to Slaton

Miss Nola Stout and Miss Norma Elliott announce their resignation as pastors of the Assembly of God Church in Dimmitt. The notice is effective October 29. Their farewell sermon will be preached Sunday. Miss Stout and Miss Elliott, both of Missouri came to Dimmitt three years ago after spending 18 years in evangelistic work. They have accepted the pastorate of the First Assembly of God Church in Slaton.

Hart School Plans Halloween Carnival In Gym

A Halloween Carnival is planned in Hart High School auditorium, Wednesday, October 31. Dinner will be served in the cafeteria at 7:30 p.m. Grades 1-12 are sponsoring the carnival. Each grade will have booths set up in the gym. Various types of booths will be in operation on the ghost and goblin night.

Natural Gas: We recommend that the Texas Farm Bureau support legislation giving farmers the right to buy natural gas for irrigation wells, at a fair and reasonable rate. Such legislation should provide for the right to appeal to the Railroad Commission, in the event that we feel the rate is excessive. The right of appeal on gas rates should be the same as presently enjoyed by cities and towns. Labor: The operations of all national labor unions should be subject to United States Anti-Trust laws. Socialized: We are opposed to any form of socialized medicine. Cotton: We recommend the program of the Cotton Producers Institute and their work to promote cotton. Foreign aid: We, the Castro County Farm Bureau, are opposed to all (Foreign aid) handouts. Taxes: We, the Castro County (Continued on Page 6)

Cats Take Conference Opener from Olton

Dimmitt Bobcats ripped the Olton Mustangs 22-2 before a homecoming crowd of approximately 2,000 at Olton, Friday. A muddy field hindered the two 3-AA teams as they met for their first district game. The Bobcats started clawing as James Cowell scored on a 4-yard plunge up the middle in the first period. The extra point failed. James Cowell hit pay dirt for a second TD on a 24-yard run made off-tackle. This was in the second stanza. A pass from Jim Ratcliff to Michael Calvert was good for two points. Halftime score was 14-0 for the Bobcats. In the second half of the game, Dimmitt made two touchdowns only to be called back on penalties. Fourth quarter play, found the Bobcats scoring again in the last 30 seconds. James Cowell intercepted a Mustang pass and ran it to the three-yard line. Jackie Nichols dashed through on an off-tackle for the final touchdown. Olton scored their only two points on a safety. Bobcat defense stopped the Mustangs cold, throwing them for loss after loss. In the first half Olton registered a minus 23 yards in rushing and only one first down. Bobcats allowed only 3 first downs in the last two quarters. Olton finished the game with only 42 yards total in rushing. Olton never made a penetration in the entire game. "Defensive team turned in their best game of the season," declared Coach Covington. Offensive Bobcats turned in 351 total yards in rushing. They made 20 first downs and four penetrations. Dimmitt completed two passes out of five for 5 yards in passing. Outstanding defensive team members were Dicuffa making 8 tackles and assisting in 3; Aldridge making 8 tackles and assisting in 3; Cowell who intercepted two passes, made 6 tackles and assisted in 2; Burkett making 6 tackles and assisting in 1; Ratcliff making 6 tackles and assisting in 1; Cowsert making 6 tackles; Axe making 5 tackles and assisting in 3; R. Daniels making 4 tackles and assisting in 2; Battles making 4 tackles and assisting in 1; Spencer making 3 tackles and assisting in 1, also intercepting a pass; H. Daniel making 3 tackles and assisting in 2; Neal making 2 tackles and assisting in 1; and Killingsworth making one tackle. Cowell intercepted two passes for 30 yards. Spencer intercepted one pass for 5 yards. Cowell carried 25 times for 166 yards giving him an average of 6.7 yards per play. Covington said, "Cowell had been changed from halfback to fullback and this threw problems into Olton's defense. Battles carried 16 times for 88 yards with an average of 5.5 yards per carry. Ratcliff carried 3 times for 16 yards averaging 5.3 yards per carry. Cowsert carried 13 times for 62 yards averaging 4.7 yards per play. Summers carried once for 7 yards and Nichols carried three times for 12 yards averaging 4 yards per play. This gave the Bobcats 351 yards of total rushing. Nichols returned one punt for 10 yards and Killingsworth returned a punt for 2 yards. Cowell returned a kickoff for 14 yards. Ratcliff completed one out of two passes to Killingsworth for 76 yards. He completed one out of three to Calvert for 3 yards. Dimmitt Bobcats meet the Friona Chiefs, there, Friday night at 7:30 p.m. in their second conference game.

HALLOWEEN DRAWS NIGH, as ghosts, goblins, and witches prepare their scare methods. Practicing here (left), is one of Casper's friendly relatives. However, Miss Karen Portwood (center) smiles at the ghost's visit. The first grader considers this apparition as part of pre-Halloween fun. The smiling jack-o-lantern (right) also welcomes the spectre.—staff photo

Hance Elected Representative of Fraternity Council Grand Jury Indicts 17 on Felony Counts in 64th District Monday

Kent Hance was elected Delta Tau Delta representative to the Inter-Fraternity Council at Texas Tech recently. The council regulates all fraternity activities and acts as a co-ordinator between the fraternities and the administration. He is the only sophomore student on the I.F.C. Hance is also a member of the Student Council.

Grand Jury of 64th District returned 17 indictments in their session Monday, October 1. Six of the indictments were for forgery, making and passing a false instrument in writing. Frank Varady was indicted on a charge of passing a \$50 Farmers State Bank check of Hart

for labor under the name of L. W. Bennight. The grand jury indicted Marvin Booker for passing a forged check of \$72 on a First State Bank check of Dimmitt for labor. Eddie Montgomery, Jr. was indicted four times for passing forged checks. He was charged with passing a \$36 check made to Louis Henry for labor under the name of Andy Nelson. Montgomery and Billy Joe Helen were charged with passing a \$32 check made to James Marvin on First National Bank check of Hereford under the name of Bill Simpson. Montgomery and James Castel were indicted for passing a \$34 check under the name of Harold Miller on First State Bank check of Dimmitt. Both men were indicted again for a \$38 check passed on First State Bank check of Dimmitt under the name of Harold Miller. Dale Weaver was charged with passing a \$72.25 check under the name of William A. Moyers on a First State Bank check of Dimmitt. The grand jury returned five indictments for swindling by worthless check. Mrs. Reba Schwettmann gave a worthless check of \$554 to Carl Sevier for liquor. Quentin L. Brown (Continued on Page 6)

JACK FLYNT

American Legion Slates 18th District Fall Convention

American Legion and Auxiliary will conduct their annual fall convention of the 18th District, October 27-28 at Childress. A banquet including both Auxiliary and Legion members will be at 7:00 p.m., Saturday. Program at the banquet consists of presenting post colors by Dempsey Reefe, sergeant at arms; invocation by Nona Moore, chaplain; preamble by Jack Flynt, 18th District commander; announcements; welcome address given by Jeff S. Henderson, commander of Childress Cox-Furr Post No. 65; response by Charles Mason; recognition of distinguished guests; introduction of speaker by County Judge Leonard King; guest speaker, Dr. Floyd D. Golden, brother of Ward Golden of Dimmitt. Dr. Tolden is a legionaire. He was among the thirty Educational Administrators to tour the Soviet Union, primarily to study their educational system. He is a veteran of World War I. American Legion business Session will be Sunday at 1:30 p.m. Jack Flynt, 18th District Commander will give the call to order. Chaplain Nona Moore will present (Continued on page 8)

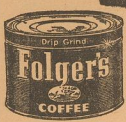

J. C. Fulkerson Rites Pending

J. C. Fulkerson, 67, was found dead in his home, Wednesday. Funeral services will be conducted at the Lee Street Baptist Church of Dimmitt, 2:00 p.m., Friday. Allen J. Owens, pastor, will officiate. Burial will be in Castro Memorial Gardens under the direction of Dennis Funeral Home. Fulkerson, a 19 year resident of Dimmitt, was born May 5, 1895 in Ellis County, Texas. He is survived by his wife, Zona; five sons, Ollie of Thatcher, Arizona; Finis of Katy, Raymond of Katy, Chester of Vega, and Earl of Albuquerque, N.M.; two daughters, Mrs. Irene Helden of Muldoon, and Mrs. Alice Maples of Denton; 33 grandchildren; and seven great grandchildren.

IT'S A BUSINESS WORLD, as Miss Joyce Hahn explains the techniques of typing, intricacies of bookkeeping, and problems of junior business to Nazareth High School students. Miss Hahn is a native Texan claiming Monahans as home. She is a graduate of Monahans High School and Texas Western where she received her B.B.A. (Bachelor of Business Administration). After graduation, Miss Hahn returned to Texas Western for part of her teaching certificate. She completed her requirements and received a teaching certificate from Sul Ross College in Alpine. Also, she completed several hours toward a Master's degree. Plans for the summer include more work on her M.A. Miss Hahn chose teaching because, "I thought I would enjoy doing it." With several months of experience, the happy teacher says, "I like being around the kids, and really love the work." Her special interests are photography, art, and ceramics. She is a member of TSTA (Texas State Teachers Association) and Order of Eastern Star.—staff photo

NEWS FROM BETHEL

Mr. and Mrs. Wesley Smith are announcing the arrival of a daughter born Friday, October 12. The little girl weighed eight pounds, 6 ounces and has been named Judith Leigh. The grandparents are Mr. and Mrs. Norman Gray of Hereford and Mr. and Mrs. Leland Smith of Dimmitt.

A little son was born to Mr. and Mrs. Roy Dale Underwood on October 13th. The baby weighed 6 lbs, 12 oz and has been named Danny Paul. He has a brother, Roger, and sister Brenda. His grandparents are Mr. and Mrs. E. G. Underwood of Dimmitt and Mrs. Florence Artwein of Amarillo.

Mr. and Mrs. James Welch, Mr. and Mrs. C. C. Graef and Mr. and Mrs. Freeman Davis of Lubbock were among those who were guests of Mr. and Mrs. Gene Phillips for supper at the Holiday Inn in Clovis on Saturday night.

Mr. and Mrs. Ira Brown went to Santa Fe Friday for a visit with their daughter, Mrs. Carl Byrd and her family. They were called home Saturday by news of the death of Mrs. Brown's aunt, Mrs. Dolly Taylor of Canyon. Funeral services for Mrs. Taylor were held in Canyon on Sunday afternoon.

The Abbot Circle of the Woman's Missionary Union met with Mrs. Doyle Underwood Tues. morning. Members present were Mesdames Jack Howell, Ivor Bagwell, Curtis Beavers, Elbert Smith, Mrs. Underwood brought the lesson which was an explanation of the meaning of the W.M.U. emblem.

The Bethel Circle of the Woman's Society of Christian Service met with Mrs. Williams on Monday afternoon and continued their study of "The Christian Mission on the Rim of East Asia" Mrs. Hugh Blaylock showed a film strip which illustrated the work in that area. Mrs. A. L. Behrens discussed the chapter on "Taiwan" Others present were Mesdames Kay Roberts, Vern Lust, Wes Anthony, J. P. Gossett and Earl Lust.

Mr. and Mrs. Bryan Sinclair and Mr. and Mrs. Fate Shannon were Amarillo visitors Thursday. Rev. and Mrs. Lester Stanton of Flagler Beach, Florida, and Mr. and Mrs. Earl Lust were dinner guests of Mr. and Mrs. Vern Lust on Saturday. Mrs. Stanton and the mesdames Lust were schoolmates when they lived at Claude, Texas and all attended the high school there.

Mr. and Mrs. Fate Shannon visited his mother in Amarillo Friday. Mr. and Mrs. Bryan Sinclair visited Mr. and Mrs. Ernest England of Friona on Sunday afternoon. Mr. and Mrs. Chas. Wales and children spent Sunday night and Monday with Mr. Wales' parents, Mr. and Mrs. C. S. Wales at New Deal.

Sunday afternoon callers in the Roy Dale Underwood home were the following friends and their children. Mr. and Mrs. L. R. Stockstill of Earth, Mr. and Mrs. Donald Wright of Dimmitt, Mr. and Mrs. Donald Gilreath, Mr. and Mrs. Houston Lust and Mr. and Mrs. Doyle Underwood.

Mr. and Mrs. Elbert Smith were business visitors in Amarillo Wednesday.

Mr. and Mrs. Earl Lust entertained Sunday with family dinner honoring the birthdays of Mr. and Mrs. Vern Lust. Other guests present were Mr. and Mrs. Glenn Stiles of Big Square, Mr. and Mrs. Lloyd Lust, Marilyn, Barbara, Linda and Jeff of Littlefield. Mrs. Loy Stone, Denise and Sharon of Easter, Mr. and Mrs. Glenn Lust and Judy of Lubbock, Mr. and Mrs. James Bradford Bob, Jack, Kent, Jim and Jean of Flagg, and Mr. and Mrs. Houston Lust, Joe, Sue, Rex, Ann and Flo.

Mr. and Mrs. Chas. Wales and children attended "open house" at the home of Mrs. Wales' sister, Mrs. Goldman Dyer, in Dimmitt on Monday night. This was held to honor the birthday of their father, Mr. N. F. Cleavinger. Guests were all the members of the N. F. Cleavinger family and also a

number of friends. Mr. and Mrs. Moss Howell went to Lubbock Monday for visit with his brother and family the A. H. Howells. Their mother returned home with them for an extended visit.

Mr. and Mrs. Chester Embry, Carolyn and Lee, and Mr. and Mrs. Ray Lawton all of Lubbock visited Mr. and Mrs. James Welch and family Sunday afternoon. Mr. and Mrs. Fate Shannon went to Amarillo Friday night to attend the wedding of Mr. Shannon's niece Miss Barbara Shannon.

Mrs. Leland Smith returned home Thursday from Amarillo where she has been staying with her daughter, Mrs. David Funck who has been ill for several weeks. Mrs. Funck is much improved at this time. The Smiths daughter, Mrs. Sam Wilson and little son, came home with Mrs. Smith. Her husband joined her on Friday and they returned to Amarillo on Saturday.

Mrs. James Welch and Mrs. Chas. Wales were among the rural club women who were guests of the Amarillo Chamber of Commerce on October 17th.

Mr. and Mrs. Herbert Howell visited their parents, Mr. and Mrs. C. H. Hale in Hereford on Sunday. Mr. and Mrs. C. E. Head and their daughter Peggy and her family of Junta, Colorado arrived Sunday morning for visit with Mrs. Kay Roberts. They returned home Monday. Mr. and Mrs. George Bagwell were also dinner guests of Mrs. Roberts Sunday.

Mr. and Mrs. Stovall visited Mr. and Mrs. Moss Howell Thursday. Mr. and Mrs. Alfred Crib of Plainview called on Mrs. Kay Roberts Sunday afternoon. They were supper guests of Mr. and Mrs. George Bagwell.

John Howell, son of Mr. and Mrs. Moss Howell suffered a severe cut on his arm when he fell against a glass door at school cafeteria Monday. Fifteen stitches were required to close the wound.

FLAGG NEWS

The Flagg Home Demonstration Club met Friday, October 19 in the community building. Roll Call was answered with "an Exchange of Recipes."

Mary Lu Smithson gave the council report. She also gave a very interesting report on her trip to Amarillo for "Rural Homemaker's Day."

The club is planning to have a Tupperware party at the building and everyone is invited. Refreshments of pineapple cake, coffee and punch were served to the following ladies: Dee Yates, Velma Birchfield, Blanche Ginn, Ruby Wooten, Marie Winders, Darlene Wooten, Fay Damron, Mary Lu Smithson, Mildred Bradford and Billye Gwynn Davis.

Mr. and Mrs. Rex Wooten and Mr. and Mrs. Dale Winders were in Lubbock last Saturday. Mr. and Mrs. Rayphard Smithson and Mr. and Mrs. Robert Yates were in Clovis last Friday night. Mr. and Mrs. Carl Russell and boys visited the Clyde R. Davis home Friday night.

Guests in the Jesse Wooten home are Mr. and Mrs. Richard Wooten of Vinita, Oklahoma. Sunday afternoon visitors in the Rayphard Smithson home were Mrs. Smithson's parents, the E. C. Hofmanns of Shamrock.

Mr. and Mrs. Robert Yates were in Amarillo on Thursday of last week. Miss Lometa Odom and Miss Mary Nelsom of White Deer visited recently in the home of Lomita's parents, the D. H. Odoms. Mrs. Rayphard Smithson, Mrs. Charles Wales, Mrs. S. R. Hutto and Mrs. James Welch attended the "Rural Homemaker's Day" in Amarillo last Thursday, sponsored by the Amarillo Chamber of Commerce.

Mr. and Mrs. Cecil Ginn and Mr. and Mrs. J. W. Birchfield visited

LETTERS TO THE EDITOR

October 16, 1962

Hon. George Bradford, Mayor, Dimmitt, Texas

Dear Sir: With reference to proposed Constitutional Amendment No. 14, which is called the Trial De Novo Amendment, and which comes up for vote on November 6, 1962, I have made an extensive study of it on my own behalf and have reviewed the opinions of a number of judges and other responsible thinking people in Texas.

Under present law, if a political subdivision of the government, such as the County Commissioners Court, the City Commission or the Board of School Trustees, passed an order, an ordinance or ruling, any citizen disagreeing with such action has heretofore had and still has a right to appeal from the decision. He has a right to show that the decision was illegal, flip-pant, done for reason of prejudice or the benefit of a few as against the many, and a number of other grounds to contest such action. The original decision stood and the aggrieved citizen had a right to contest on the grounds above stated.

Under this new proposed constitutional amendment, a citizen is given the same right of appeal against the action of the Commissioners Court, the City Commission or the Board of School Trustees, or any other administrative branch of local government, however the decision or order appealed from becomes void and a jury, after a trial, would decide what should have been done. If the Commissioners Court decided to rebuild a washed out bridge, the City Commission decided to make street or sewage disposal improvements, or the School Trustees voted to erect a badly needed new building or cafeteria, under this new proposed constitutional amendment someone could appeal the decision and no action could be taken, no matter how dire the need, until the courts finally reached a decision and, if appealed, this might take three or four years.

At a recent meeting of Texas Municipal League, which is an organization of Texas city officials Hon. Abner McCall, who was formerly an associate justice of the Supreme Court of Texas and who is now president of Baylor University, said that no such law as the proposed amendment with reference to administrative decisions is in effect in any political subdivision of the English speaking world.

Hon. Meade Griffin of Plainview Texas, who is a justice on the Supreme Court of Texas, has said that the amendment is very dangerous, that it will have an adverse effect on counties, cities, school districts and water districts in the State of Texas, and will increase litigation in the Court and the expense of running all of these

ed in the Jesse Wooten home Friday night. Mr. and Mrs. C. T. Damron visited with Mr. and Mrs. Henry Williams of Sudan Sunday. Mr. and Mrs. Truett Boothe were Sunday afternoon callers in the Joe Smith home.

Mrs. C. T. Damron visited with Mrs. Don Richards one afternoon last week. Mr. and Mrs. Frank Wise and Mr. and Mrs. James Bradford attended the West Texas, New Mexico State football games at Canyon Saturday night.

Kent Bradford spent Friday night with Ricky Nicholson. Mr. and Mrs. Jesse Wooten visited with their daughter and family, the Bob Hills of Hereford last week. Mrs. Jess Birchfield visited with Mrs. Jesse Hutchinson Saturday afternoon.

branches of government. In my judgment the proposed amendment would place the functions of the county, city, or school district, in the hands of a court instead of the duly elected administrators of those bodies. It is my opinion that this amendment should not become law in Texas.

Very truly yours,
Swain Burkett
Acting City Attorney

October 19, 1962

B. M. Nelson, Editor
Castro County News
Dimmitt, Texas

Dear Mr. Nelson: May I offer the opinion that the citizens of Castro County are falling short of their own duty in accepting federal "aid" to help build their new hospital which is badly needed.

Castro County is no disaster area, and its citizens are capable of taking care of their own needs. Perhaps they don't realize that it will cost them at least twice as much to build the hospital with "federal aid" as it would to tackle the task on their own. Federal money doesn't grow on trees although one might not know that from the ways it is used.

May those who believe in personal enterprise and limiting federal spending stand up in opposition, although it is realized that it may be too late to put the responsibility where it belongs. Please publish this, if you see fit.

Yours truly,
B. D. Murphy, M.D.

ED—Nice to hear from you Bill, and let us add for the information of our readers that Dr. Murphy grew up in Dimmitt and graduated from the local school and that he is now practicing in Littlefield. And now back to the letter giving the people back home the benefit of your advice, there was an election held on a bond issue sufficient to provide the necessary hospital facilities for the county all at local expense. Possibly the defeat of the first issue was due to the elaborate and expensive plans largely concocted by conservative doctors. As you know the sale of bonds from the second election was predicated on the allocation of matching funds under the federal Hill-Burton Aid program. The people of the county approved the bond issue in the second election, real democratic like.

Oct. 15 '62

Dear people in Dimmitt, Three and half months have already passed since I left Dimmitt. I am at home now and am just a high school student in Kobe.

Since I got back home, I intended to write to you all but it was very very busy for everything. I did not enough time to unpack my suitcases and to rest when I came home. All my friends, school, some organizations, clubs were waiting for me and anxious to hear my story in Dimmitt. I showed them my pictures, the annual that D.H.S. gave to me, my scrap book, cowboy hat, boots, my faviorit red Indian dress, etc.

When I look at these things with them, I remember my experiences in Dimmitt, football games, dances, the trip to San Antonio & California, the banquets, many towns I visited on speeches, the church, which I will never forget. And I find myself wishing I would see you all just one more time. I am very proud of Dimmitt and of its people.

After I left Dimmitt, we, the AFS students, had a bus trip to Washington D.C. and Garry & I were in the same bus. We went to Washington through Tulsa, Okla., Jefferson City, Mo., Decatur Ill., Marion Ohio, Girard, Pa., Bath, N.Y., Closter, N.J. and Landstown, Pa.

It was a wonderful trip and had met many people students from all over the countries. Oh, yes, I met President Kennedy at white house. It was really an exciting thing. I only could see his head and eyes because there were over 2,000 students there. We stayed at Washington for five days and fled to Los Angeles and then I came back to Japan on 19 of July.

When we are at table, I often tell my family about my American

HART NEWS

Johnny William Davis, son of Mr. and Mrs. Delford Davis of Abilene was born Thursday, Oct. 11 at Abilene, weighing four lbs. four ounces. Grandparents are Mr. and Mrs. Sam Davis of Hart and Mr. and Mrs. Mike Kirk of Plainview.

Mr. and Mrs. Robert Brooks were in Amarillo Thursday attending a postmaster meeting.

Mrs. Lee Harris spent Wednesday, Thursday and Friday in Wellington with her mother, Mrs. W. F. Huffman. Mrs. Jole McDonald, sister of Mr. Harris returned home with her and is spending the week. Mr. and Mrs. Tom McLain and family of Venita, Oklahoma visited this weekend in Hart with their parents, Mr. and Mrs. Judd Davis and Mr. and Mrs. Roy McLain.

Mr. and Mrs. Ray Warren were in Floydada Sunday with his brother, Mr. and Mrs. Charlie Warren, and family.

Mr. and Mrs. Elmer McKay visited in Amarillo Sunday with her sister, and family Mr. and Mrs. T. B. Nelson.

There will be only a few more Saturday nights to skate at the Hart school.

Several people from Hart were in Plainview shopping Saturday. A daughter born to Mr. and Mrs. Curtis Davis of Plainview is the granddaughter of Mr. and Mrs. Everett Cole of Hart. She was named Marietta Zoanne, nine pounds and 2 ozs. born Friday at 10:28 a.m. in the Medical Center Hospital, Plainview. Other grandparents are Mr. and Mrs. Fred Shipman of Plainview.

Kirk and Mark Davis of Abilene are visiting their grandparents Mr. and Mrs. Sam Davis. Mr. and Mrs. Henry Stanton are fishing at Stamford Lake this week.

COLORADO VISITORS

Mr. and Mrs. Elzie Teague visited their daughter and family, Mr. and Mrs. Bob Mapes, at Walsenburg, Colorado recently.

Mr. and Mrs. V. G. Wood went to Amherst Sunday where they visited her sister and family, Mr. and Mrs. J. W. Brantley Sunday.

RETURNS TO AMARILLO

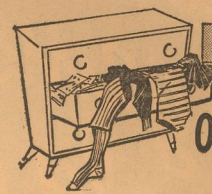

Mrs. Laura Weems returned to her home at Amarillo Thursday after spending a month here with her daughter, Mrs. M. F. McRee and family.

I don't know how to express my gratitude to the people who made my staying in Dimmitt so wonderful and unforgettable. I thank the Lions Club in Dimmitt, the D. H. S. school faculty, church people, Marie's beauty shop and the laundry who did for me in free, and the people of the community so very much. I wish I could write to each one of you.

In 1964, there will be AFS reunion at New York. I am wishing to go if I can. Now I end this letter hoping that I can see you in near future again.

Love to the most wonderful people of Dimmitt,
Motoe

WIPE OUT SCREWORMS—Another \$1.7 million is needed to reach the goal set by Southwest livestock producers and sportsmen to eradicate the screwworm from Texas and the Southwest.

Contributions Are Needed In Destroying Worm

Good progress is continuing to be made toward the eradication of the screwworm from the Southwest.

However, the success of the Southwest Screwworm Eradication Program will depend to a large extent on the cooperation and support of every livestock producer.

collection of worms and reporting of all cases continues to be of utmost importance.

The Foundation was instrumental in raising \$1.7 million toward a \$3 million goal last spring and hope to raise the remainder this fall.

The suggested contribution set by the Foundation is .50 per head for beef and dairy animals and .10 per head for sheep and hogs.

Mustangs Nip Hart Longhorns

Bovina Mustangs trounced the Hart Longhorns 60-24 Friday night. Though the field was slippery from three days of rain, the Mustangs rode roughshod over the Longhorns in the first 2B district game.

In the first quarter, Bovina scored on a 4-yard run made by Kelso. Frazier ran the conversion. Bovina tallied again on a 5-yard run by Frazier. Kelso ran the two extra points. Again, the Mustangs scored on a 10-yard run from Compton to Glascock.

Hart Longhorns got back into play and ran the only touchdown during the second quarter. Joe Rubalcaba passed Dennis McLain for 6 points. Extra point failed.

Frazier of the Mustangs made a 22-yard run during the third quarter. Kelso ran the conversion. Again, the Mustangs hit as O'Brien ran 4-yards for a touchdown. Score at the end of the third quarter was 36-6.

Everything broke loose in the last period as both teams scored three touchdowns before time ran out. Fighting Hart made a touchdown when Kenneth Fincher completed a 38-yard pass to McLain.

Minister Smith Announces Weekly Church Schedule

The new organization of Jr. High and Junior group met Sunday afternoon at 5 in the First Christian Church.

Study of Revelation, Chapter 6 will be continued Wednesday evening 7:30 to 8:30. Sunday morning topic of Minister Smith is "My Lord and My God."

Leta Mae Mundell of Amarillo visited her parents, Mr. and Mrs. Marvin Mundell last weekend.

you, we hope you contribute your share. Or if you are not contacted you can leave your check at the Production Credit office in Dimmitt.

Farm Bureau . .

(Continued from page 1) Farm Bureau, request that social security be on a voluntary basis and the rates not be raised above the present level.

Education: We are opposed to federal aid to education. Livestock we are opposed to any government program that would place, directly or indirectly, livestock under government price supports or controls.

States rights: We favor the present policy on states rights and supreme court issues.

Taxes: Due to inflation, we recommend that the Federal Estate Tax exemption be raised from \$60,000 to \$250,000 and that our present policy be stricken from the record.

Supreme court: We, the Castro County Farm Bureau, recommend that Supreme Court judges be elected by the people instead of appointment.

A half of the board of directors for Castro County Farm Bureau are elected each year for a 2-year term. The new directors elected for 1963 to serve their communities are: L. F. Shannon, Easter; Allen Webb, Dimmitt; W. J. Martin, Big Square; Paul Armstrong, Hart; S. A. Hodges, Arney; and Noel Gollehon, Mulkey, to complete the unexpired term, due to the resignation of Calvin Petty, Guy Walsler, Forrest Collins, and J. T. Holcomb were re-elected for another 2 year term.

The following directors, who were last years directors, and will continue another year are: Marvin Axe, Flagg; Dale Maxwell, Jumbo; Luke McGuire, Cleo; Houston Lust, Bethel; Bryce Dowell, Dimmitt; E. L. Hochstein, Nazareth; and Clark Andrews, Frio.

A report was given by Luke McGuire, membership chairman, that our quota of 500 members had already been reached.

Theo Campbell, Service Agent, reported that Castro County Farm Bureau ranks second in the state for sales of insurance.

Delegates nominated to attend the State convention, November 11, in San Antonio are: Wes Anthony, Guy Walsler, Wade Mills, Eugene Hochstein and Forrest Collins. Alternate delegates are Luke McGuire, Allen Webb, and Roy Pyeatt.

The next monthly meeting will be November 6 at the Farm Bureau office, 8:00 p.m. We urge all directors to attend as this meeting will be for the reorganization of the board and officers for 1963.

Approximately thirty members of the Farm Bureau attended the convention.

Fighting Swifts Overthrown 34-28

Three-Way trounced the Nazareth Swifts 34-28 in a close-fought battle, Saturday night.

In the first quarter, it was anybody's ballgame. Larry Dupler of Three-Way ran the opening kickoff 65 yards for a touchdown. Extra point failed. Then on Three-Way's kickoff to Nazareth, Raymond Schmueller took the ball and high-stepped 58 yards for pay dirt. Nazareth missed the extra point. Again, Nazareth kicked to Three-Way. Three plays later, the home team scored. Extra point was good. The score stood 14-6 in Three-Way's favor. However, the fighting Swifts received the kickoff and marched 60 yards for a touchdown. Schmueller made a 7-yard sweep around left end for the TD. Dennis Gerber evened the score on the conversion.

Second quarter play found Nazareth trailing by one touchdown as Three-Way scored on a 40-yard pass play. Extra point was good. The score stood 22-14 at half-time. Larry Dupler ran 30 yards for a TD in the third stanza. Tommy Dupler (brother of Larry) scored also in the third period on a 10 yard sweep around left end. Score stood 34-14.

Determined Nazareth came back battling in the fourth quarter as Dennis Gerber scored on a 10-yard sweep around left end. Extra point failed. Brockman started clemping passes and the Swifts marched length of field putting on a 20-yard sweep around right end. Majority of Brockman's passes were completed to Tommy Wethington and Roger Schilling, ends.

Time ran out as the contesting Swifts fought to overthrow Three-Way.

Coach Aldridge commented, "Our offense played the best game of the entire year. Brockman did a tremendous job in quarterback position. He played his best game of the season." Brockman completed 10 out of 17 passes for 107 yards in total aerial gain.

On defense, Jerry Leinen played an excellent game according to Coach Aldridge.

Three-Way racked up 298 yards in total against Nazareth's 275 total yards. Nazareth achieved 10 first downs and Three-Way made 11. Both teams tied on penetrations, Nazareth penetrated 6 and Three-Way 6.

The Swifts meet Bula, here at 7:30 p.m. on Friday for their second conference game.

Hart Juniors Plan For Class Party on Friday

Hart High School juniors plan a Junior Class Party this Friday. The students are owing to Plainview where they will have dinner at the New Griddle. After dinner, the juniors will attend the Granado Theatre.

About Dimmitt . . .

(Continued from page 1) eny. This action didn't come as a result of letter writing by so-called super patriots or as a political move as suggested by Senator Tower. It is the result of a closer study of facts by highly competent men who had much rather found a peaceful solution to the dilemma.

If you heard the President's talk on radio or television Monday evening, regardless of your church affiliation, you undoubtedly were impressed with his grasp of the situation and his conviction that the action being taken by him and his advisors was the only course left for the proper and full protection of the country. One other thing that will do to remember is that our allies and other nations around the world will support our stand, knowing full well that every effort was made to avert or avoid the showdown if possible.

The Communists have had their day. It is frightening to think what it will take to stop them, but they will be stopped and their ideology will be destroyed.

USDA Explains . .

(Continued from page 1)

3. Payment. In addition to the increased price support, you can earn an acreage diversion payment if you reduce your wheat acreage at least 20 percent below will be computed by multiplying the established yield of your farm by one-half the county support rate by the number of acres diverted.

Baldwin Family Reunion Conducted At State Capitol

Mr. and Mrs. Clarence O. Byrnes and Mr. and Mrs. G. L. Willis, Jr. accompanied by Mr. and Mrs. Sam Levy, Jr and daughters, Susan and Lori of Denver, Colorado attended the Baldwin Family Reunion on October 19 and 20 in Austin, Texas.

Approximately one hundred members of this old Texas family attended. The Baldwin family of which Mrs. Byrnes is a descendant migrated to Texas from Alabama in the early part of 1800. Mrs. Byrnes' grandfather settled in Fannin County. There were only three settlements in the county when he moved there. Skirmishes with Indians were still an ordinary occurrence of the day.

The Baldwin family reunion was conducted in Austin at the invitation of Mrs. Jean Baldwin Daniel, wife of Governor Price Daniel. She is the great-great granddaughter of General Sam Houston.

Activities at the reunion included tours of the State Capitol building, and other state buildings. Luncheon was served at the Governor's mansion, Saturday, October 20 for the entire group. The 1963 Baldwin family Reunion will be in Beaumont.

City Marshal Recovers Four Stolen Bicycles

W. W. Jones, city marshal reports five bicycles stolen last weekend from homes and while parked at the theatre. According to the officer, four bicycles have been recovered. There is still an unclaimed bike at the city office.

Also, the marshal arrested six gamblers, Sunday. They were fined \$25 each.

Jones emphasizes, "We are still shooting stray dogs. Citizens are urged to keep their dogs up."

Grand Jury Indicts . .

(Continued from page 1) was charged for a worthless check of \$330 given to Worth Jones for a 1958 82 Massey Combine. Santos Madrid gave a worthless check of \$56.67 to Ball's Package Store for liquor. C. D. Keeton gave a worthless check for liquor of \$75 to Coy E. Ringwald. H. E. Payne was indicted for giving Josephine Ball a \$60 check for liquor.

A personal theft indictment was returned against Eddie Montgomery, Jr. and Calvin Coleman who were accused of taking \$5 from Robert Lee Kelley.

The jury indicted Theodore Greb, Jr. for rape of a young girl under 18. Bond was set at \$3500 according to the indictment.

Robert Glenn McBride was indicted for driving while intoxicated. This was a subsequent offense according to the indictment. Bond was set at \$2500.

An indictment was returned against T. J. Barnes for removal of mortgaged property. The property was Truetone T.V. mortgaged with David Harpole.

Henry David McMin, Jr. and Edgar Eugene Hunter were indicted for unlawfully engaging in business of a dealer of securities. According to the indictment, they were selling shares of capital stock in Auto Buyers, Inc. in Castro County. Bond was set at \$2000.

Gardner Serves In NATO Fall Training Maneuver

John D. Gardner, seaman, USN, son of Mr. and Mrs. J. C. Gardner of Dimmitt, Texas, is serving aboard the attack aircraft carrier USS Enterprise, which took part in the North Atlantic Treaty Organization (NATO) fall training maneuvers, Sept. 23 to October 3, in the Mediterranean.

The exercises, involving nearly 13,000 men and 23 ships, centered around the coast of Macedonia, Greece.

All United States units involved were part of the Sixth Fleet. They included an aircraft carrier, a cruiser, two guided missile frigates, six destroyers, seven amphibious ships and four minesweepers. Commanding the NATO forces was Vice Admiral David L. McDonald, Commander, Naval Striking and Support Forces, Southern Europe. He also is Commander, Sixth Fleet.

Military units of the United Kingdom, Greece and Turkey were among the forces participating in the maneuvers.

Hart Grade School Honor Roll Revealed

The following students (grade 1-8 made the Hart Grade School honor roll according to G. C. Graves, elementary principal.

Veronica Cox, Jo Anne Dudley, Debra Jones, Maria Perez, Martin Atwood, Kirk Hanses, Barbara Hansen, Terry Newman, Billy Sanders, Harold Bennett, Allen Shive, Dirk Rambo, Jean Foster, Deborah Hansen, Paul Harris, Silvia Gonzales, Elizabeth Stevens, Sharon Brooks, Mark Gaither, Donald Shive, Reuben Aldape David Armstrong, Rana Trions, Deanna Stanton, Jerry Swindle, Jim Tucker, Zulema Balderas, Esther DeLeon, Brenda English, Eva Gonzales, Nelda Henderson, Richard DeLeon, Ricky Holbec, Donnie McKay, James McLain Jesus Munez, Darrall Stanton, and Juan Valadez.

A DOUBLE-FEATURE ATTRACTION is shown Mrs. Marvin Axe, a happy and surprised mother. These twin girls, Sherri Marie (left) and Terri June (right) were born Monday, October 15 at Castro County Hospital to Mr. and Mrs. Marvin Axe. Delivered by Dr. Cogswell, the girls weighed 4 1/2 lbs. each. The two young ladies occupy all available arm space of Mrs. Axe. —staff photo

P-TA SPOTLIGHT

by Nell Proffitt

You belong in our P.T.A. as a member of Dimmitt P.T.A. you will belong to a nation wide, democratic, voluntary organization. The National Congress of Parents and Teachers—that centers its whole interest on the welfare and education of children and youth.

These groups are concerned with the physical, mental, and emotional health of our P.T.A., and this is a cordial invitation to you to come and join us. A hearty welcome awaits you.

PUBLIC NOTICE

American Legion plan a regular business meeting, Thursday at 8:00 p.m. at the Legion Hall. All members are urged to make every effort to be present. Delegates to the 18th District Convention in Childress, October 27-28 will be selected.

WHY, Mr. Congressman? (A letter to Mr. Rogers) Someone must speak up! Why do you say, "It doesn't do any good to holler and scream about the problem of increasing bureaucracy"? . . . Unless you can offer something better, don't knock the hollering and screaming a few men in Congress have courage enough to do. People of the Panhandle are disturbed about "increasing bureaucracy", about wasteful government spending and the national debt, about the Kennedy-Freeman farm plan you supported, and the Arms Control and Disarmament Agency you voted for. Someone must have the courage to speak up, Mr. Congressman. And here is where you have failed the people who elected you. That's why the citizens of the Panhandle will vote for Jack Seale, a man who does have the courage to speak up. *From the incumbent's speech before the Panhandle Chapter of the National Association of Bank Auditors and Comptrollers.

Elect JACK SEALE to Congress The Courage to Speak up for you Paid Political Ad

NEWS FROM SUNNYSIDE

Mr. and Mrs. J. E. Shirey visited with Paul Martin and his parents of Earth last Sunday. He was dismissed from Castro County Hospital in Dimmitt last Sunday following the accident at Sunnyside on Saturday.

Mrs. James Powell and children visited with Mr. and Mrs. Woodrow Powell of Earth Monday. Randy stayed until Tuesday night when his parents went after him.

Mrs. Buck McClure of Springlake visited Monday afternoon with Mrs. J. E. Shirey.

Mrs. Milton Ott, Mrs. Milburn Haydon and Mrs. Alton Loudder visited in Hereford Tuesday afternoon with Mrs. Bill Ott.

Those attending the District WMU Meeting in Littlefield Tuesday included Mrs. Troy Blackburn, Mrs. Roy Phelan, Mrs. M. D. Durham, Mrs. Alford Crisp, Mrs. Robert Paschal, Mrs. James Powell and Tresa Denae, Mrs. Sonny Adams, Mrs. Hershel Wilson, Debbie and Deneen and Mrs. Earl Phelan. Mrs. Troy Blackburn and Mrs. Roy Phelan dressed in costumes representing 1888, since the meeting was emphasizing the Diamond Jubilee. Several attended the Spanish Story Hour at the church Tuesday afternoon.

Mr. and Mrs. Ezell Sadler visited with Mrs. Pearl Sadler in Dimmitt Wednesday.

Mr. Houston Carson left Wednesday with relatives from Olton on a deer hunting trip to Colorado.

Mrs. A. L. Aven of Hart visited with Mrs. Houston Carson and children Thursday and Friday. Linda George of Dimmitt spent Thursday night with Louise Carson.

Rain Tuesday, Tuesday night through Thursday night brought amounts ranging up toward two inches.

No WMS meeting was held Wednesday night due to muddy roads and low attendance. Mr. Rex Jenkins conducted the Prayer Service in the absence of the pastor.

The WMS Day Circle met for the Circle Program from Royal Service Thursday afternoon. Mrs. M. D. Durham had charge of the program.

Mrs. Bird Skipper became seriously ill and was admitted to the Littlefield Hospital Thursday evening. She rallied and began to improve, but got worse again Sunday. Women of the community began to sit up with her to help out the Holcomb family Sunday night.

Mr. and Mrs. C. J. Fowlkes of Lubbock spent Thursday night with Mr. and Mrs. E. R. Sadler.

Jimmy Shirey returned from Dallas Friday with a fifth place on his Poland China Barrow in the Junior Division.

Mrs. M. D. Durham, Mrs. L. B. Bowden, and Mr. and Mrs. Troy Blackburn represented the church at the Annual Associational Meeting in Springlake Friday.

Mr. and Mrs. Leslie Loudder and girls left after school Friday afternoon for Cisco after receiving word her sister in the Eastland Hospital was very ill again. They returned Sunday when a new medicine seemed to make her condition improve.

Mr. and Mrs. J. E. Shirey and Jimmy attended the ballgame at Sudan Friday night.

Mr. and Mrs. Ezell Sadler visited with Mr. Erzell Keeler of Hale Center in Plainview Friday afternoon.

Mrs. M. D. Durham went to Wayland Friday afternoon to pick up Marvalynne and some other girls and take them to Levelland for the Revival Services Friday night. Rev. M. D. Durham is conducting the Services. He came home with them Friday night after the services, bringing Marvalynne and two girls back to Wayland on the way home and returning to Levelland Saturday night.

Mr. and Mrs. Robert Duke and family went to Fort Worth over the week-end to visit with relatives and to attend a birthday celebration honoring her grandmother on her 90th birthday.

Mr. and Mrs. Charles Hedrick and Brent spent the week-end with his parents, Mr. and Mrs. Gordon Hedrick, and other relatives in Quanah.

Mr. and Mrs. Vernon Scott and Steven and Mrs. Kenneth Miller and melody all of Friona were supper guests Friday night of Mr. and Mrs. Weldon Bradley and children. Steven stayed until Sunday morning when his parents came for him.

Mr. and Mrs. Raymond Lilley were dinner guests of Mr. and Mrs. Raymond Lewis and family of Olton Saturday.

Mrs. Dave Patterson and children of Summerfield visited this week with Mr. and Mrs. Eldon Lilley and Twila. Mrs. Patterson attended the Sunday morning worship service. Mr. Patterson is on a hunting trip.

Mr. and Mrs. Milton Ott, and Mr. and Mrs. Milburn Haydon attended a housewarming honoring Mr. and Mrs. Bill Ott and family of Hereford Sunday afternoon.

The Adult II Sunday School Class enjoyed a class dinner in the Robert Paschal home Sunday. Those present were Mr. and Mrs. Robert

Dowty Completes Basic Training In US Navy

Sand Diego, Calif. (FHTNC)—Frank E. Dowty, son of Mr. and Mrs. J. L. Dowty of 109 North-west Fifth, Dimmitt, Texas, completed recruit training, October 5, at the Naval Training Center, San Diego, California. During the nine week indoctrination, recruits are trained in physical fitness, basic military law, military drill, customs and etiquette of the naval service, swimming and survival, first aid and basic shipboard routine.

During the training, recruits receive tests and interviews which determine future training and assignments.

ATTENDS STATE FAIR
Earnest Bagwell of Dimmitt attended the Texas State Fair in Dallas during the week-end. The fair was October 6-21.

Paschal, Janie and Keith, Mr. and Mrs. Hershel Wilson, Lonnie, Debbie and Deneen, Mr. and Mrs. Earl Phelan and Larry Don, Mrs. M.D. Durham, Mr. and Mrs. Roy Phelan, and Rev. Holt Sodeман of Wayland College.

93 attended Sunday School with 66 in Training Union Sunday. Rev. Holt Sodeман supplied the pulpit in the pastor's absence. Rev. M. D. Durham returned home from Levelland after the evening service Sunday night. Mr. and Mrs. Noah Spencer and family attended the services in Levelland Sunday morning.

Rita Holcomb was home from Amarillo Saturday night and Sunday.

Mrs. Bird Skipper passed away in the Medical Arts Hospital in Littlefield morning, Monday. Mrs. Holcomb and Rita was with her as well as Mrs. Tex Conard and Mrs. Ezell Sadler. Her body was taken to Corsicana, Texas Monday for burial. The Holcomb family accompanied the ambulance down.

Mr. and Mrs. Roy Phelan and Mr. and Mrs. Earl Phelan and Larry Don received word Sunday night that a nephew, Rickey Phelan, 6 year old son of Mr. and Mrs. Tracy Phelan of Washington State, was accidentally killed Sunday evening while he and his brother, Jimmy were playing with a gun. Details about the burial had not been received at mail time, but both families were planning to go.

Shortly after receiving the death message from the Tracy Phelan Sunday night Mrs. Earl Phelan received word that a cousin had been killed in a car accident at Benbrook, Texas.

Mr. and Mrs. Lowell Westmoreland and family of Littlefield visited Sunday afternoon with Mr. and Mrs. Alton Loudder and Doug.

Origination of Halloween Comes From Ancient Era

by Doris J. Portwood
Customs and superstitions gathered down through the ages go into our celebration of Hallowe'en, or "Holy Eve," on October 31.

In ancient Rome, they had a festival of Pomona, goddess of fruits and gardens along about this same time.

Even after November 1, became a Christian feast day, honoring all saints the peasants clung to the old pagan beliefs and customs that still hold true today.

Witches, goblins, black cats, ghosts and pumpkins make up the holiday called Hallowe'en for the American boy's or girl's dream.

In America all ages enjoy the holiday in different ways. Even the grown-ups join in, only they like to pretend it's all for the children.

On this night you will see a smaller age group going around in bunches with only one thing in mind, that is to get their sack full of goodies so they can eat all they want.

There will also be a group out on this night usually in pairs that will be fully disguised and mean what they say "trick or treat".

On this night you will see a smaller age group going around in bunches with only one thing in mind, that is to get their sack full of goodies so they can eat all they want.

American Legion ... (Continued from Page 1)

Special speaker is Troy Bowden of the Department of Texas Vice Commander from 4th Division.

What Halloween Means To Me

It is a dark and eerie night. It is a night when witches brew their potion, ghosts scream for blood, and goblins terrify living humans.

According to the children, who love this trick or treat night, it is scary but still lots of fun.

"On Halloween night it is scary. It is awfully scary and I have to go home."

"It will be awfully scary for me and boys and girls."

"There was a devil walking around my house and there were two witches."

"I see broomstick riders." "Skeltons and ghosts go about scaring all they can see."

"But as people say its just a scary night."

"I have a skeleton mask and scare my sister."

"When someone comes to treat I go up to them and scare them."

"Ghosts are flying, witches are crying, 'It's Halloween tonight tonight, Ha, Ha, Ha, Ha a a Boo, 'You better watch careful.'"

"My favorite game is duck for the apple."

"I always be a hobo some time."

"I'm going to be a princess."

"On windows of houses are color-water pictures."

"October 31 is my birthday."

"I like Hallowe'en because I get candy."

Las Vegas Hosted American Legion Annual Convention

American Legionnaires conducted their 44th annual National Convention in Las Vegas, October 8-12. Top speakers featured at the convention were former President Harry S. Truman, FBI chief, J. Edgar Hoover, and Attorney General Robert Kennedy.

Truman was the second speaker of the wind-up day in the Legion's national convention, largest ever held in Las Vegas.

Occupants of group fallout shelters being located and developed across the nation for millions of Americans would not find the nuclear emergency accommodations plush, or even very comfortable, but they would find food, water and other necessities already placed for their use.

Under the shelter program of the Department of Defense, supplies of food and water, medical and sanitation items and a kit of radiation detection instruments will be provided for public shelter spaces.

The National Fallout Shelter Survey has located 50 to 60 million spaces in some 120,000 buildings.

By 1967, the Defense Department has projected 235 million shelter spaces within the United States. This would provide day and night fallout shelters for everyone.

Supplies for 30 million shelter spaces are now on order, including 150 million pounds of a special long-life canned biscuit, 265,500 medical kits and nearly a million sanitation kits. Tests conducted to find the best means of water storage in shelters have determined that lightweight metal containers with plastic inner liners would be best.

Specially-trained architects and engineers will thoroughly check all shelters for the amount of radiation shielding they offer, for available ventilation and power facilities, and for any changes the shelters might need to meet Federal standards.

The present program is keyed to the stocking, starting later this year, of shelter spaces for 50 persons or more in which radiation would be cut to at least 1/100th of what it would be without protection.

Fallout Shelter Classes Offered

Courses are now being offered by the Department of Defense, Office of Civil Defense, to train persons to instruct others in management of group fallout shelters.

The classes at Brooklyn, N.Y., Battle Creek, Mich., and Alameda, Calif., are open to persons assigned by local civil defense directors as shelter manager instructors or community shelter coordinators. Application should be made through local civil defense directors. Six-day courses will start on these dates:

BROOKLYN, N.Y.—Aug. 28, Oct. 7, Dec. 2

BATTLE CREEK, MICH.—Aug. 28, Sept. 16, Sept. 30, ALAMEDA, CALIF.—Sept. 16, Oct. 14, Nov. 4, Dec. 2

About Your Health

Communities across Texas will join the rest of the nation in observing October 21-27, 1962, as Cleaner Air Week, in a concerted effort to create a public awareness of atmospheric pollution as a potential health menace.

The occasion will be used as a springboard for pointing up the contributions which industries, city councils and the public generally can make toward reducing air contaminants.

The public will be asked to mark the occasion by participating in neighborhood campaigns against backyard incinerators and improperly adjusted automobile carburetors, known to be important factors in atmospheric pollution.

Edith Beckman... well of Corpus Christi was named 1962's outstanding garden club woman of the year Tuesday by the State Fair award, highlight of Garden Club Day activities, was presented to Mrs. Caldwell by James H. Stewart, executive vice president and general manager of the exposition.

Jack Rogers Attends Special Insurance Course

Jack Rogers of the Taylor-Harrison Agency, representatives of the Aetna Casualty and Surety Company at Dimmitt, is attending a special insurance course at the company's home office in Hartford, Conn.

The five-week course provides comprehensive instruction in all forms of insurance protection for both individuals and business firms. Practical aspects are stressed with the study of new methods and developments designed to meet changing conditions.

Mr. Rogers is a member of Dimmitt Lions Club.

HERE FROM FRONA

Mrs. J. W. Baxter of Friona visited her parents, the Rev. and Mrs. Hugh Blaylock last weekend. Mr. Baxter was on a deer hunt.

BROKEN ARM

Larry Scoggin suffered a broken arm, Tuesday afternoon while practicing football.

VISITS LUBBOCK

Mrs. H.T. Bartlett and Mrs. Howard Scoggin and Cindy made a business trip to Lubbock, Tuesday.

DENVER CITY VISITORS

Doris Portwood and daughter, Karen, and Nelda Thomas visited the latter's parents, the Rev. and Mrs. Henry C. Thomas in Denver City Sunday.

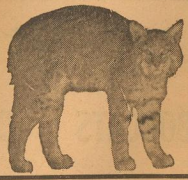

VISITING IN MISSOURI

Mrs. Leona Rothwell is visiting her sons, Harry Rothwell and family and Billy Joe Rothwell and family at Carthage and Mount Vernon, Missouri.

Teacher of the Week

Love for children and love for books are just two of the fine qualities inherited by Mrs. Gladys Leeth. The Dimmitt Public School has one of the best librarians in Texas, and we the students are proud to have such a wonderful librarian. Mrs. Leeth is enthusiastic. She latches on to any gadgets which will create or stimulate interest for getting the usual library terminology and adopting it to the child's vocabulary, and puts emphasis on the enjoyment of books. Our teacher is constantly alert to opportunities for informal guidance in the use of the library and works harmoniously with the other teachers. She delights in exploring other libraries. A librarian at heart must truly love books and children.

Mrs. Leeth was born and reared at Alvord, a town near Fort Worth, Texas. She attended Elementary and high school at Alvord. Mrs. Leeth seems to like Texas Tech where she received much of her education.

In Hobart, Oklahoma, she was married to Lemuel A. Leeth, also of Alvord, Texas.

Mr. and Mrs. Leeth have two daughters. Miss Sandra Leeth became a Registered Nurse at Memorial Baptist Lilly Jolly School of Nursing at Houston, Texas. Their other daughter is Mrs. Dove Foster of Lubbock. She is married to a policeman. Mr. and Mrs. Leeth have three grandchildren.

Mrs. Leeth enjoys playing tennis. At Alvord, Texas, she became a Champion tennis player. She has won many medals on the tennis court.

In her home she is often found sewing or cooking. As is to be expected, Mrs. Leeth's favorite pastime is reading.

Mrs. Leeth said during the interview that her main interest in the library is to locate the right book for the right child. She also said that students should not sit on the tables.

CONFERENCE PEP RALLIES BEGIN

Friday afternoon October 19, 1962, we had our first conference game pep rally. It was a very rousing and spirit raising event. Our mighty Bobcats were to meet the Olton Mustangs.

Mr. Bates was first on the program with the announcements and the introducing of a few yells. The cheerleaders went through them with the students and towns people.

Cheerleaders then brought in the Bobcats. They did several yells and the band played a number of songs. Pep rally was dismissed with the school song, in which everybody takes part.

"Everybody" stay behind the Bobcats and show them you are really backing them. Let's go all the way to district with our Bobcats.

THE PERILS OF BEING A SENIOR

Yes, at last we are finally seniors! Three long years we have lived. Yes, at last we are finally senescent in D. H. S. During every one of these at one time or another we have looked up to the seniors; their fun and sadness, trials and triumphs, and at last we are here. Our senior year!

Now that we are here we began to realize that it is not only the happiest year but the hardest one.

As school started we began to realize what being a senior was really like. Of course it was fun to be the heads of the organizations and to get to sit in the senior seat in Assemblies. We can't leave out the skits, car washes, homecoming, pep rallies, and parties that all combine to make the senior year complete. But while all of these activities are swirling around us our teachers are piling lessons on us and trying in this last year to teach us twelve years of background. Daily they tell us to be sure to enjoy ourselves but to be sure and get the 10,000 word theme and look up 100 words by tomorrow! Enjoy ourselves! Why we barely have time to breathe because we have five other subjects which demand the same attention. Our parents constantly remind us that next year we won't be home so we have to be more independent and accept more responsibility. When we do something on our own they say, "You are too young for that. What do you think you are? In college?" And there we are, puzzled to no end. While we try to figure these things out there are more activities, more homework, and more responsibility piled on us. What do they say? "It's all for your own good!" I guess they're right but sometimes it sure is hard to understand.

For the girls there are more problems than ever. Last year's upperclassmen have gone to college and the boys in our class are being chased, and in some cases chased, and even junior girls. Lots of them are going steady. But for the most part we have all settled down to being old friends or old enemies. What to do? Oh well, it all comes under the heading of being a senior.

For the boys, sometimes they would like to go with a senior girl but she is writing to or going with a college boy so he doesn't worry and concentrates on that cute little freshman.

Meanwhile during this crazy, wonderful year there hangs over the seniors always the doubt and fear of college. Will we be accepted? will we have a room? What occupation will I enjoy and what will I be good at? Are my grades good enough for me to be accepted at the college of my choice or will I have to try again somewhere else?

Some of these are answered as soon as January rolls around while others keep us on pen point until after Easter.

During the senior year there is also the sadness of our last ball game, our last bonfire, the band trip, and many other things which will not be included in our college life. But for many of us it isn't the end; just the very beginning. When I start to think about leaving high school and starting other things, I think of the quotation "Look ahead Never behind, except maybe in fond memories".

At the end of the year comes the wonderful Junior Senior Banquet which no senior ever forgets. Finally, graduation day dawns and doors open for us. These doors open to roads which lead many ways but no matter where they lead we will always remember what closed behind them—The Senior Year; the grandest of them all!!!

Victory Flag Flies

The Bobcats put the victory flag into the air last Friday night when they defeated the Olton Mustangs, 22 to 2 in their first conference game.

The hard hitting Bobcats started off with short and snappy when fullback, James Cowell, rammed 3 yards for their first touchdown of the game. Extra points try failed.

The second quarter started off with Cowell again running 14 yards for the Bobcats second touchdown. This time the extra points were made good when Jim Ratcliff, quarterback, passed to end, Michael Calvert.

The first and only points scored against the Bobcats came when halfback Steve Hutton was downed in the end zone. This ended the half with the score: Dimmitt 14, Olton 2.

In the final quarter FB, Jacky Nichols, ran 3 yards, adding another touchdown for the Bobcats. Michael Calvert tried kicking the extra point only for it to be blocked, picking up the ball he ran into the end zone scoring 2 more points. This ended the game with Dimmitt 22, and Olton 2.

Unfortunately, the Olton Mustangs had one player, Charley Burris, to leave the game with a collarbone injury.

The Bobcats defensive standouts were: Jim Axe and Michael Calvert. Olton defensive standouts were: George Jones and Robert Struve.

The Bobcats will travel to Friona next week where they will meet the Chiefs in their second conference game at 7:30 p.m.

Personality of the Week

It is hard for Mr. and Mrs. Bill Graham Jr. to realize that they now have a daughter 17 years, 10 months, and 5 days old. This would make Mary born on December 21, 1944. It is also hard for Mary's parents to realize that she is a Senior and is the Bobcat Band, secretary; reporter for the Latin Club; and the FHA president.

Mary was born in Castro County Hospital. Her outstanding features are her blond hair, brown eyes, and her charm.

Her favorites are: color - yellow car - Oldsmobile food - fried chicken movie - "Gone With the Wind" actress - Doris Day actor - Rock Hudson singer - Ricky Nelson

Mary likes to read novels in her spare time. She pointed out that her pet peeve is two faced people.

Mary plans to go to West Texas State after graduation, and major in Elementary Education.

Dallas is Invaded

The Dimmitt FFA was represented at the Dallas Junior Livestock Show. Glenn Boozer, Wayne McCleney, Ronald Young, Larry Odom, and Mack Wesson attended and showed their barrows.

Mr. Jim Dowdy, Dimmitt Vocational Agriculture teacher, sponsored the trip.

The Grand Champion steer, an Angus, brought top money, \$3,300! The Grand Champion barrow brought top price, \$600.

Larry Odom did his share with his Berkshire barrows. Larry had second, fourth, and seventh place barrows. Mack Wesson had a sixteenth place Berkshire barrow. Wayne McCleney had twelfth and nineteenth place Chester White barrows.

The boys, with their sponsor, left for Dallas Sunday night, October 14. They arrived back in Dimmitt, tired and sleepy, early Sunday morning, about 2 a.m.

Everyone was glad to see home after a week of Dallas and they reported a wonderful time.

It Takes A's to Make A's

The cause of many failures seems to be due to a lack of three A's and an E.

The first of these is your attitude towards the subject. Taking an attitude that you like the course instead of disliking it will keep your grades on a passing level. If you say "Well, I don't like this," then you are going to have a hard time passing it.

The second factor is attention. By listening and taking part in class discussion you will find it is easier when tests roll around. When you are not paying attention, you are most likely to be doing something which distracts someone else from the subject.

The most important factor is alertness. If you are alert, you will find the subject interesting and thus be able to pay attention in class.

Finally, you must be able to put out a little effort. You can not expect to pass if you don't work for it. The teachers won't pass you on sympathy.

REMEMBER! Failure cannot exist until it exists in your mind.

CAMPUS CHAT

Friday night was a thrilling night when our Bobcats beat the Olton Mustangs. Everyone was as happy as they could be!! Couples seen that night after the ballgame were: Sherry Lilley and Gary Morrison, Carlame Calvert and Gene Bradley, Glenda Minchew and George Wall, Greta Nelson; Mike George, Marikay McSpadden and Dubby George, and Jo Ann Cole and Donny Stokes.

Saturday was West Texas State College homecoming. People seen making headway for Canyon were: Kaye Williams and Mack Thompson, Sherry Lilley and Mike Goodwin, Georgene Blanton, Jane Cleavinger, Patty Catoe, Carylon Godfrey, Lynda Dodd, and Gaynell Tate, Avis Smith and Ralph Smith, Mrs. Shackelford, Jerry Morris, and Cecelia McSpadden and H. S. Fuller.

Before leaving for W. T., Jimmy Killingsworth invited Jim Cowser, Michael Calvert, Mike Burkett, Roy Battles to his house to eat Mexican food. Reports were that the food was delicious and that they had a ball at W. T. How about that boy's??

Those seen at Dimmitt that night were: La Dawn Kemp and David Shannon, Sue Boothe and Mike George, Judy Mooney and George Wall, Janet Hathaway and Johnny Stanford, and Jo Ann Cole and Donny Stokes.

Sunday night found everyone going to "Exodus". Those seen that night were: Sandra Schreck and Jerry Morris, Ina Messenger and Jacky Nichols, Linda Schreck and Jim Axe, Jane Cleavinger and David Shannon, Georgene Blanton and Jim Cowser, Linda Hrabal and Dennis Cleaver, Fredia Webb and Gary Winkle, Alice Acker and Arnold Acker, Lynda Dodd and Jimmy Campbell, Janet Hathaway and Johnny Stanford, Cecelia McSpadden and H. S. Fuller, Linda McColum and Jimmy Killingsworth.

Surprise!! Now Folks!! It seems that Miss Littlepage had a surprise in store for her in journalism last Friday. Her thoughtful students presented her with a beautiful cake and a silver charm bracelet.

The cake was set on a mirror and was decorated in yellow with large yellow roses. The bracelet was set with six silver charms with the students' names on them. One large charm in the center read "Journalism Class '62-'63."

Several faculty members joined in the party and enjoyed cake and punch and wished Miss Littlepage a very happy birthday.

K. W. on the Job

I am sure you have seen us somewhere, either at school or somewhere else. We are initial pins named D. W. and since we were on the collar of our master all the time we were given the job of shadowing her for a week.

Saturday night we were celebrating a birthday, Steve Wesson's that is; and we had a lot of fun laughing at him.

Sunday afternoon we rode around with Sharon Lilley and Kathy Gollehon, and after we had said goodbye to the guys from W. T. We went home to study.

Monday after school we hiked off to Hereford where we were fitted for a style show. Why we even got to be in it!

Tuesday night while we were studying, we were interrupted by a telephone call for her. It was her boyfriend from W.T. It seems he was apologizing for some misunderstanding which had occurred between them.

Wednesday after school, we again went to Hereford and practiced the style show. Then we went to Canyon with Harley and Donna to see Mack and go to a western stomp. It seems that we were left by Harley and Donna and had to come back to Dimmitt with Darless Goolsby.

Thursday after school, we went with the cheerleaders to Hereford to shop for earmuffs and gloves; and then came back for the style show at 8:00 pm Afterwards we scooted down to the Western Wheel Inn and ate steaks.

Friday, we couldn't understand why we were left at home until she got home that night and said Dimmitt had beaten Olton in football. We did get to see Mack bring her home.

Saturday started off with a bang! Sharon Lilley came over and woke us up, so we went over to her house to fix our hair. We goofed off most of the afternoon, but about 4:00 we really got in a hurry; it seems that Mack and Mike were taking Sharon and us to the W.T. Homecoming. But once again we were left at home. From all reports we missed a lot of fun but we were glad to be at home where it was warm because they nearly froze to death.

Sunday after church, Ina, Sharon, and we hopped into the car and took off for Hereford where we stuffed ourselves with huge steaks. We got back to Dimmitt just in time because Mack was just ringing the doorbell. We rode around with him the rest of the afternoon and then started to study. Our studying was interrupted by friends from Morton. Right now we are trying to catch our breath and catch up with Kaye Williams as she runs out the door with something else to do.

Student Senate News

The Student Senate met October 18, with Mike Burkett presiding.

An evaluation was given of the Homecoming Week by the Student Senate members for the benefit of those next year. It was decided that there was a lack of general organization for the activities, and that next year things should be planned well ahead of time. Western Day and the assembly were ruled a success.

Thursday evening after school the executive committee, consisting of Roy Battles, Nancy Hays, Jim Axe, Mike Burkett, Linds Schreck, and Georgene Blanton, met in Mr. Newman's office. The purpose of this meeting was to make containers for money collected from sale of the football magazines.

The committee made eight containers and placed them in several business firms over Dimmitt. There is a container on the paper machines in the school; the price of the magazines is twenty-five cents.

Crop Drive Starts Saturday Night

The Hallow'en Crop Drive starts Saturday, October 27th, at 7:30 p.m. Crop stands for Christian Rural Overseas Program. It is a program to gather money to buy food for the needy people of the world.

Every year the Student Senate has sponsored the Crop drive. This year they have given the drive to the Churches in Dimmitt. The program will begin at the First Christian Church. At the end of the door-to-door campaign everyone will return to the First Methodist Church for refreshments. The team bringing in the most money will win a home made cake.

The churches asked that all D. H. S. students help. You do not have to be a member of any church.

Why You Shouldn't Chew Gum in Class

You shouldn't chew gum in class. Why? You shouldn't because if you smack it someone else will hear you. This will make him want some gum. Then he will disturb class by asking his neighbor if he has any gum. Asking for gum disturbs anyone that is studying. If he disturbs someone that is studying that person might not get his lesson because he will want some gum, too. He will ask someone else, who will ask someone else, who will ask someone else. This could go on until the whole class is asking for gum. Each person in the class then won't get his lesson and will have to study that afternoon after school.

Science Club Meets

On October 18, the Science Club met in the chemistry lab. Jacky Nichols, the president, called the meeting to order and asked if there was any new business which needed to be disposed of. Jim Cowser's application for membership was accepted. Also Jacky said, "If anyone desired to become a member, they should write a letter to the club and contact one of the officers."

The next matter to be discussed was the plans for science projects. The students decided to become affiliated with the Science Clubs of American and the Future Scientists of America.

Before the close of the meeting the members elected Jim Killingsworth as secretary. At the next meeting the club is going to try to have some guest speakers.

After all the business was disposed of, Jacky Nichols adjourned the business meeting. The club then reported to the laboratory and set up equipment for distilling water. A sufficient amount of distilled water was obtained for laboratory use.

 Meanest - Donnie Stokes
 Most Likely to Succeed - Roy Battles

Around the Campus

"All the school activities have been cut out; school isn't interesting anymore!"
 "There are too many school activities; we don't have time to study."

These are the most popular answers to the question: Why are so many people failing? Which side of the fence are you on?
 Jerry - Morris - School isn't interesting, the kids don't care whether they pass or not.
 Sandra Schreck - No one cares.
 Pat Odom - Everyone's grades are dropping because they don't have time to study.

Driscilla Dehtan - They don't study, they have too many other things to do.
 Tom Moss - Negligence and not enough preparation.

Kaye Williams - The kids have lost interest in school because everything has been cut out all they have is lesson, lessons, and more lessons.
 Deborah Buckmaster - We don't turn in our work because we are so busy that we are too tired to care.
 Kitty Robinson - They aren't interested in their school work.

It is a very sobering fact that no one cares. School is merely a preparation for the rest of life. Learning the things we should at the time we should could mean the difference between success or failure at whatever you attempt to do later in life. Boring or not, we should work hard to get the most benefit out of school.

South Grade News—

The South Grade School had open house Tuesday, October 6, after the P. T. A. meeting. Many people were there, but still more could have come.

The fourth grade classes attended the homecoming pep rally. All of the students had a big time.

Mrs. Fuquay's fourth grade class has been preparing for Halloween by making scarecrows to ward off the witches.

MENU

Monday - Beef Stew with potatoe, onion, carrots and tomatoes, peach halves, peanut butter cake with topping, corn bread, crackers, and milk.
 Tuesday - Chicken-A-la-King, seasoned green beans, apple cobbler, bread, butter and milk.
 Wednesday - Hamburgers, buttered blackeyed peas, sliced onion, pickles, lettuce wedge, potatoe chips, ginger bread, chocolate milk.
 Thursday - Bar-B-Q weiners, buttered corn, cabbage slaw, plum jelly, hot rolls, butter and milk.
 Friday - Baked fish with tartar sauce, buttered spinach, orange jello salad, vanilla wafers, bread, butter and milk.

Senior of the Week—

On March 17, 1945 a happy and joyous moment arrived for Mr. and Mrs. George Blanton, for their small daughter Georgene was born. Georgene has lived in Dimmitt all her life.

Georgene says her favorite movie is "Gone With the Wind". She chooses Lawrence Harvey as her favorite actor and Geraldine Page as her favorite actress.

In the line of music she likes contemporary jazz and instrumentals. She enjoys Pat Boone songs.

Royal blue seems to catch Georgene's eye in colors. As for cars she chooses a Cadillac, and when it comes to eating she enjoys Mexican food.

Georgene's high school activities include: class favorite-three years, Student Senate-four years, and corresponding secretary-two years, National Honor Society, F.H.A.-vice president, F.T.A. Band-four years and band reporter, Lyre Club vice president, Personality queen/ and sings in a trio.
 Georgene plans to attend W. T. and major in art after graduation.

Texas Needs John Connally!

Only John Connally can provide our state the caliber of strong, responsible leadership to meet the problems and opportunities ahead.

A VOTE FOR JOHN CONNALLY IS A VOTE FOR:

- Educational opportunity.
- Better job opportunity.
- Economy in government.
- Increased attention to our elderly and dependent.

REMEMBER!
 Democratic Texas has the lowest total per capita taxes of any major state in the nation. Vote to keep sound economical government.

Vote for Democrat
John Connally
 for Governor!

VOTE BILL CLAYTON--YOUR VOICE IN STATE GOVERNMENT

FOR STATE REPRESENTATIVE, 91st DISTRICT

LEGAL NOTICES

THE STATE OF TEXAS
 TO: F. E. DAVIS, C. A. DAVIS, BESSIE DAVIS, R. J. DAVIS, ROY F. BARBER, J. C. COPE, MARY WITHERS, MARY M. WITHERS and JAMES A. WITHERS, and if any of said parties were ever married, to their spouses, whose names are unknown, and if any of the above named persons or their spouses be deceased, to the heirs, the unknown heirs and legal representatives and their unknown heirs, of each and all of the above named parties.

GREETING:
 You are hereby commanded to appear by filing a written answer to the Plaintiffs' Petition at or before ten o'clock A. M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 26th day of November, 1962, at or before ten o'clock A. M. before the Honorable District Court of Castro County, Texas, at the Court House of said County in Dimmitt, Texas.

Said Plaintiffs' Petition was filed in said court on the 11th day of October, A. D., 1962, in this cause, numbered 2695 on the docket of said court, and styled, WILLE MAE STALCUP NEWTON, ET VIR, Plaintiffs, vs. F. E. DAVIS, ET AL, Defendants.

The names of the parties to the cause are as follows: Willie Mae Stalcup Newton and her husband, Homer Newton, are Plaintiffs, and F. E. Davis, C. A. Davis, Bessie Davis, R. J. Davis, Roy F. Barber, J. C. Cope, Mary Withers, Mary M. Withers and James A. Withers, and if they were ever married, their spouses, whose names are unknown and the heirs, the unknown heirs and legal representatives of each and all of the above named parties, and their spouses, and Donald Alexander and Bill A. Montgomery are Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiffs sue for the title to and possession of Lot No. Ten (10) and Eleven (11) in block No. One Hundred Thirty Two (132) of the Original Town of Dimmitt, Castro County, Texas, and to remove the cloud from the title to said property, alleging and claiming title to said property under the Five Year and Ten Year Statutes of Limitation; as is more fully shown by Plaintiffs' petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned

unreserved.
 The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
 Issued and given under my hand and the seal of said court, at office in Dimmitt, Texas, this 11th day of October, A. D. 1962.
 Attest:
 Zonell Maples, Clerk
 District Court, Castro County, Texas
 By Joan Slavik, Deputy 52-4to

Short Fertilizer Course Planned For Area

Basic information on soil fertility and fertilizers will be the subjects treated in a series of three intensive night meetings scheduled for November. County Agent Charles Hottel invites Fertilizer Dealers, Agency Personnel and County Program Building Committee member to make plans to attend by registering thru his office.

Sponsored by the Agricultural Extension Service and the Texas Plant Food Educational Society, outstanding authorities from the fertilizer industry and Colleges will speak.

Hottel states these will differ from soil fertility meetings previously sponsored by the Extension Service in that the subject matter will be handled in more detail. Nitrogen will be the subject of the first meeting. Its function in plant growth, behavior in the soil, history of use, manufacturing processes, and characteristics of different forms will be discussed as well as time and method of application.

The second meeting will treat phosphorus and potassium in a similar manner. The final program will include a dinner and presentations on soil testing and fertilizer use in soil management. Diplomas will be issued to those completing the course.

Meeting places and dates are as follows: Lubbock on Mon., Nov. 5, 12, 26 in Room 224 Agricultural Building, Texas Tech College; Plainview on Tues. Nov. 6, 13, 27 in the Reddy Room of the Southwest Public Service Co., 300 W. 6th; Dimmitt on Wed., Nov. 7, 14, 28 in the First State Bank; Lamesa on Thurs., Nov. 8, 15, 29 in the Forest Park Community Center, South Houston Avenue.

Each County Agricultural Agent in the area has registration blanks

Grazing Provision Receives Approval

Wire From Deputy Administrator
 A wire received today from the Deputy Administrator, State and County Operations, advises that approval may be granted to graze an oat or barley crop seeded this fall on diverted acreage for harvest in 1963 under the same conditions as apply to wheat.

According to ASCS office, Castro County has received approval for interested producers to graze fall-seeded wheat crop on diverted acreage in 1962 for harvest in 1963. This grazing provision does not apply to volunteer wheat or to oats and barley on these diverted acres. It is a blanket approval for the county and producers need not make application to the County Committee.

On the 1963 Wheat Program, if the wheat allotment for a farm is less than 15 acres or if the farm has no wheat allotment the operator may plant 15.0 acres of wheat and harvest the wheat for sale on the open market without price support.

ASCS office says, "You will receive information regarding the 1963 wheat stabilization program as soon as we have the information in the county office."

Insects and Plant Diseases Get Conference

Theme for the first Texas Insect and Plant Disease Conference will be "Pesticides in Agricultural Progress."

According to the conference co-chairmen, Harlan Smith and Richard Ridgway, plant pathologist and entomologist, respectively, for the Texas Agricultural Extension Service, the conference is a combination of two regularly held meetings dealing with plant diseases and insects. Participants and others in these meetings requested the two be combined into a single conference which has been done.

The first Texas Insect and Plant Disease Conference will be held on November 19-20 at College Station and all meetings are scheduled for and suggests you attend the meeting nearest your place of business. A charge of \$5.00 will be made for registration and the dead line for registering is November 2.

New Cotton Insurance Offers Higher Protection

Federal Crop Insurance protection on irrigated cotton crop investments in Castro County will be up to 34 per cent higher for the Memorial Student Center on the Texas A&M College campus.

The co-chairmen say the program details are not yet complete but extend a special invitation to representatives of Agricultural chemical companies, professional agricultural workers and others interested in gaining the latest information on insects and plant diseases and their control.

the 1963 crop, Texas FCIC State Director Ben A. Jordan, Jr. announced today.

While protection will be far above any offered here before, the average increase of premium costs to growers will be only slightly increased. This substantial increase in the amount of protection guaranteed by the Federal Crop Insurance Corporation is based on recent high yields in the county.

Mr. Jordan noted that "A great many growers in Castro County have been policy holders since insurance was first offered in this county with this coming year's tremendous improvements in our insurance offer, we expect all growers to recognize the value of a sound insurance plan that will protect their rising investment costs."

Federal Crop Insurance protects

the grower against all risks that cannot be avoided. Over the country in the last few years the Corporation has paid farmers for crop investment losses caused by over 120 different hazards.

Mr. Jordan stated, "We think our insurance offer is so greatly improved that every business-minded irrigated cotton grower, who uses every modern method to produce cotton, will feel it's plain good business to protect their crop investment. That's what Federal Crop Insurance does."

Nearly 200 Castro County farmers carry about 3 1/2 million FCIC protection to cover their approximate production costs.

LEGAL NOTICES

NOTICE TO ALL VOTERS
Constitutional Amendment No. 3
"For the Amendment to Article IX of the Constitution permitting the creation of Hospital Districts in Ochiltree, Castro, Hansford and Hopkins Counties, each district to be coextensive with limits of such county."
W H Y - We should vote for the above Constitutional Amendment in the General Election on November 6, 1962:
The contract has been signed to sell the \$225,000.00 bonds voted to construct and equip Castro County Hospital.
Taxes will have to be increased to raise money to pay off these bonds when due. This can be done in two ways. Either by raising the tax rate or by increasing property valuation. Since the County tax rate cannot be raised the only way to increase the revenue is by raising the valuation on county tax rolls, or form a hospital district and set a hospital district tax rate to raise the necessary funds.
The bonds are 16 year bonds. The average yearly bond and interest payment will be approximately \$20,000.00. The deficit operation expense of the hospital has been approximately \$12,000.00 annually. This would make a total of \$32,000.00 annually to meet bond and operational requirements, or a total of approximately \$512,000.00 over the 16 year period. This is all that would have to be raised by operating through the Hospital District. To raise this amount would require an increase in taxes of approximately 17 percent.
If we do not form the Hospital District, and have to raise the county valuation to provide this amount that would go to the State plus the increase in water district tax, special road tax, etc. would also have to be allowed for.
This would make an additional amount of approximately \$451,000.00 or a total of \$963,000.00 it would cost the tax payer instead of the total of \$512,000.00 it would cost through a Hospital District. This would require an increase in taxes of approximately 32 percent instead of the 17 percent through Hospital District Tax.
The following schedule, prepared by Kent Birdwell, County Tax Assessor-Collector, showing the difference in funds required to be raised by the two methods is not approximate amounts, but is exact figures based on actual values and rates.
HOSPITAL BONDS
\$225,000.00 Bond Issue - Repayment Schedule-16 yrs. \$20,000.00 Current Deficit in Operating Expense of Hospital is \$12,000.00 Per Annum \$12,000.00
TOTAL ESTIMATED ANNUAL NEED FOR HOSPITAL \$32,000.00
There are two ways available to raise the needed funds through tax-

ation.

1. By raising our state and county valuation 32 percent we would produce the following increase in taxes:

| | |
|--------------------------|--------------|
| Present | 32% Increase |
| State | \$ 40,466.27 |
| xxCounty | \$106,494.02 |
| County Road \$ 28,905.39 | \$ 9,249.72 |
| Rd. Dist. No.2 | |
| Water Dist. No. 1 | \$ 11,879.47 |
| | \$ 3,801.43 |
| | \$ 5,420.84 |
| | \$ 1,734.67 |

\$193,165.99 \$61,813.10

xxThese are the only Funds available for Hospital use.

\$61,813.10 times the 16 years equals a total of \$989,009.60
2. By voting a Hospital District and setting up a 30 cent tax rate for the district. 30 cents times the present valuation of \$11,209,890 would produce \$33,629.67 per year overall increase in the State and County Taxes, or about 17 percent increase. \$33,629.67 times the 16 years equals a total of \$538,074.72

Net Savings over the 16 year period \$450,934.88

NOTE: THE HOSPITAL DISTRICT RATE COULD BE AS MUCH AS 50 CENTS PER \$100 OF VALUATION WITHOUT EXCEEDING THE 32 PERCENT INCREASE IN VALUATION METHOD OF OBTAINING THE NEEDED REVENUE.

The method of providing money for the hospital program will also affect the finances of the three Independent School Districts in our County.

The Local Fund Assignment to each school in the State, made by the State Department of Education, is based on several things. One of the things that determine the amount is County Tax Valuations. When County Valuations are assigned the Local School Fund assignment is raised.

This means that more of the expense of operating our school

Cooperation also pays on the telephone party line

There's a rich "pay off" for cooperation on the telephone party line—better telephone service.

When you use the telephone sharingly—space your calls reasonably—hang up carefully—the habit spreads.

Try it on your party line and see the difference.

will be assigned to Local Funds and less to State Funds. This would cause added expense to be paid from school taxes.

A vote for Constitutional Amendment No. 3 on September 6, 1962 is a vote to save Castro County Tax payers in excess of \$450,934.88.

Champlin L.P.G ENGINE OIL

THE BEST LUBRICATION FOR ALL L-P-G ENGINES!

The rapidly growing use of L-P-G engines calls for a lubricating oil with special qualities. Champlin L-P-G Engine Oil is especially designed to meet these exact needs.

Champlin L-P-G Engine Oil has a special detergent factor that keeps L-P-G engines clean under all operating conditions, removing and preventing engine deposits. It gives extra protection against oil thickening. Special oxidation inhibitors insure free-flowing lubrication. It provides a tough oil film between all moving parts under all pressures and all temperatures. Choose Champlin L-P-G Engine Oil for safer, more economical operation.

Grain Sorghum Chat Signup Period for Wheat Program Announced

By C. W. Anthony
Statistical figures rates grain sorghum ninth in dollar value of agricultural products of the nation. At the present, one small country (Japan) is buying one million bushels of grain sorghum per month. They say in a few years the potentials may multiply by ten.

You hear about the cost of the agricultural program being too high. Some one has figured that the family with an \$8000 income per year pays \$3.84 to meet the program expense. This is a little over a penny per day.

It is also estimated that six cents of every tax dollar goes for agricultural expense. Another estimate figures seventy-nine cents of the tax dollar goes for military expenses.

The story is told of two young American boys who were stranded for three years on an island. While there, the Coca Cola Co. developed the giant size bottle. One day, one of the boys said, "Look Jim, we have shrunk."

Where Teenagers Obtain Their Spending Money

Where do teenagers get the money they spend?

Approximately 52,000 teenaged young people from 467 schools—in grades 7 through 12—participated in a survey and assisted in giving information to this and other questions. Mrs. Eula J. Newman, specialist in home management with the Texas Agricultural Extension Service, reports.

Fifty-five per five percent of the young people in the survey earn some of the money, while only 45 percent have regular allowances. More than 6,000 of the students were seniors in high school and 63 percent said they earned some money. But 43 percent still had to ask their parents for money when they needed more. Slightly more than one-third of the seniors interviewed had an allowance.

How did the young people spend their money?

Almost half of the youngest group and 61 percent of the senior group bought grooming supplies. Larger numbers of seniors than seventh graders bought clothing and related items.

More than half of the total group paid for their school lunches and snacks.

Almost 70 percent paid for their movies, concerts, dancing and skating with their money.

Half of the seventh graders and two-thirds of the seniors used some of their money for gifts for friends.

Slightly more than half of the total group gave church and community contributions.

The survey also disclosed that the spending between the youngest and oldest of the teenagers increased gradually. A wide variation in the total amount spent is shown by these average amounts spent per week: Seventh grade, \$8.50; eighth grade, \$9.50; ninth grade, \$9.65; tenth grade, \$11.75; eleventh grade, \$14.50; twelfth grade, \$19.50.

Use of Defoliant Desiccants on High Plains Discussed

College Station, As the High Plains cotton harvest gets into full swing, many growers are weighing the pros and cons covering the use of chemicals to prepare their crops for machine harvesting.

Each grower will need to evaluate his situation and decide whether defoliation will pay, points out Fred Elliott, cotton specialist for the Texas Agricultural Extension Service. He offers these guidelines for making the evaluation.

Best results are obtained with mature cotton with a heavy boll load and where the irrigation cut-off date has been followed; leaf moisture is normal and growth about stopped. At least 60 percent of the cotton bolls should be open before a true defoliant is applied and 80 percent before a desiccant is used. Harvest-aid materials used under these conditions have not reduced either yields or quality, says Elliott. Top bolls expected to mature should be 30-35 days old at the time of application, he adds.

Cool weather slows up the defoliation process, explains the specialist. This is listed as weather when night temperatures are constantly below 50 degrees F. and day temperatures are below 70 degrees F. Maturity is not speeded up by the use of defoliants, points out Elliott. For all practical purposes, maturity of the cotton fiber stops when defoliants or desiccants are applied, depending upon the coverage obtained. Bolls have been noted to open sooner in treated fields, but fiber from the treated cotton was not more mature, Elliott said.

Some growers have found that if frost has not occurred by about October 20 and if plant and weather conditions are normal, the use of a defoliant or desiccant about two weeks ahead of the average first frost—usually the first week in November—can be considered. This leaves the cotton in a dehydrated condition at the time of the first

College Station—Winter wheat farmers may sign up to participate in the special voluntary 1963 wheat program authorized by the Food and Agriculture Act of 1962 between October 15 and December 14, Secretary of Agriculture Orville L. Freeman announced.

The legislation raises the support price on 1963-crop wheat to \$2.00 to farmers who participate in the special program. The 18-cent per-bushel support increase will be paid in-kind based on the normal production of the farm's harvested acreage. The voluntary program Secretary Freeman said, gives wheat farmers an opportunity to continue to make needed adjustments and thus protect the gain made this year under the 1962 program.

Under the voluntary reduction provisions for 1963, farmers will be able to divert from 20 to 50 percent of their wheat acreage with special diversion provisions for small farms. Diverted acres a payment will be made at 50 percent of the county loan rate (reflecting the \$1.82 per bushel national average) on the normal production (1959-60 average yields) of the diverted wheat acreage. The minimum diversion for participation is 20 percent of the wheat allotment or in the case of small farms 20 percent of the allotment or the average 3-year wheat acreage (1959-60-61), whichever is larger.

Of the \$2.00 per bushel 1963 average support price to participating farmers, \$1.82 per bushel will be available through loans or purchase agreements and 18 cents per bushel in the form of a payment in-kind based on the normal production of the harvested acreage.

Farmers may receive 50 percent of their acreage diversion payment at time of sign up to participate in the program. Remainder of the acreage diversion payment and all of the price-support payment will be made after compliance is checked.

In a change from the 1962 program, the signed acreage will be a binding agreement. Farmers will be required to divert the full acreage for which they sign up to be eligible for payments.

Diverted acreage must be put in a conserving use and kept free from erosion, insects, weeds, and rodents and in addition to the average acreage of conserving and idle land on the farm for 1959 and 1960.

For farmers who do not participate in the voluntary reduction program, the legislation makes no change in the mandatory provisions of the 1963 wheat program as voted on by farmers in the August referendum on marketing quotas. Those who remain within their acreage allotments will be eligible for price support at a national average minimum price of \$1.82 per bushel. There is provision for exempting wheat farms with 15 acres or less in 1963 from marketing quotas.

More information on the new program is available from Agricultural Stabilization and Conservation Service committeemen or county ASCS offices.

Highway Patrol Investigates Six Accidents In Area

The Highway Patrol investigated 6 rural accidents in Castro County during the month according to Sergeant W. E. Wells Patrol Supervisor of this area.

These wrecks accounted for five persons injured and an estimated property damage of \$2,265.00.

The rural accident summary for Castro County from Jan. through September of 1962 shows a total of 51 crashes. As a result of these crashes there were 5 persons killed and 29 persons injured. The estimated property damage amounted to \$35,878.00.

"Accidents Go Up When the Sun Goes Down" is a slogan so true. Darkness hides danger, giving the driver a false sense of security. That is the reason traffic accidents increase during October's shorter days and longer nights. National Statistics show that the traffic death rate at night is three times the daylight rate, and more than half of all accidents occur after sundown, despite reduction in the volume of traffic.

At sundown, long shadows and fading light make it increasingly difficult for drivers to spot traffic hazards and stop in time. The veteran patrol supervisor said, "make it a habit to turn on your driving lights at the first hint of dusk and always use them properly."

frost and permits earlier stripping after frost. One of the regular chlorate defoliants used at the upper rates plus water and emulsifiable penta as an additive for increased top growth kill for these late applications has proved successful, Elliott said.

Experience has shown, he added, that proper use of harvest-aid chemicals on older, mature cotton permits earlier harvest before exposure to weather has reduced grades or caused actual field losses of lint.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health.

HENRY A. HOLLE, M. D. Commissioner of Health

Arthropod envenomization is a technical phrase meaning injury produced by the bites or stings of, or contact with, certain kinds of spiders, scorpions, ticks, and mites.

Such injuries, or reactions, vary from person to person and are the results of toxin or poison gaining entry to the body. They range from mild responses to the toxin (venom) to severe allergic reactions and death.

In recent years more and more individuals have shown moderate to severe to fatal reactions as a direct result of insect stings and bites causing this public health problem to take on added interest among physicians and scientists.

Death caused by insect stings is not new. An ancient Egyptian ruler, King Menes, died of a wasp or hornet sting in 2642 B. C. Sensitivity to bee stings was reported in the United States in 1811.

A study of 215 human deaths from venomous animals reported from the United States in the five-year period 1950-54 revealed that 40 percent were caused by insects of the order Hymenoptera (bees, wasps, yellow jackets, hornets, and ants.)

Poisonous snakes accounted for 33 percent; spiders, scorpions, and other venomous animals accounted for 27 percent.

When the data are rearranged to eliminate deaths from snake-bites, about 60 percent of the remaining 144 deaths were caused by wasps, bees, hornets, and their relatives.

During 1958-61, 43 Texans died as a result of envenomization. Snake bites accounted for about two deaths per year except during 1960 when nine fatalities resulted from this cause.

As a result of repeated exposure to the stings or bites of certain arthropods, individuals may develop an extreme sensitivity to these venoms. In such persons, the sting or bite of a single arthropod may

suffice to cause a severe allergic reaction and death.

Individuals who show severe reactions to insect poisons may be desensitized by appropriate medical treatment.

LUBBOCK VISITORS

Mrs. A. W. Keith and children, Marty and Sheryl of Lubbock visited her aunt and uncle, Mr. and Mrs. Earl Brock and her cousin and family, Mr. and Mrs. Glenn Merritt last weekend.

Economic Growth

by FRANK FORD
Deaf Smith County
Farmer, Businessman
and Republican
Candidate for
STATE
REPRESENTATIVE
(Fifth Article
of a Series)

In spite of our natural resources in Texas, our state has fallen behind the national average in its rate of economic growth. While other states have been attracting new industries which produce the goods and services for an expanding economy, Texas was content on oil and gas revenue to support state government.

Then came oil allowables and we got a botched-up sales tax because the leadership in Texas had failed to keep up with the times. This situation, dozens of archaic laws, a state constitution so ridiculous that it requires amending for the creation of a simple little hospital district — these things are our heritage from years of complacent one-party monopoly where go-along, get-along was the watchword.

It is time for progress in Texas. I want to see small industries and businesses brought into the small towns of Texas so that our young people can find good jobs at home after graduation and help make the towns of our area better places in which to live and raise our children. This is a year of decision in Texas politics. The decision is yours on November 6th.

Senator Ralph Yarborough Gives Reasons for Opposing Tax Bill

Dear Fellow Texan:
I spoke out on the floor of the Senate against, and voted against, the tax bill passed by the 8th Congress two weeks ago.
In the first place, this was not a genuine tax reform bill as it was passed by the Congress—it was tax regression. It was a special tax windfall for a few big businesses. It was a tax cut in the wrong place for the wrong bracket, based on a wrong "trickle-down" theory that will not give our economy the help it needs.
The President's original tax plan was greatly changed in Congress. As passed the bill will give a tax windfall to a few big businesses for investments that would have been made even if it had not been passed.
The idea at first was to encourage new investment above and beyond what would ordinarily be made—to create new jobs, new business. But strangely enough, this bill is retroactive to January 1. In other words, it gives a tax windfall for investments before it became law and thus is not an incentive to build new buildings in the future. It gives a bonus for new investment that would have been created even without the bill. As passed, this bill gives a seven percent tax credit on gross investment—seven percent free of tax, not on new investments but on gross investment.
It will cost the government \$600 Million per year. Many businesses—I want to say to their credit—did not want the bill, and all the

evidence indicates that few will make new investments on the basis of this special privilege. And the small country banks and building and loan associations will pay through the nose by having to engage in some expensive bookkeeping and reporting, all to help out these privileged few businesses.
A much better tax plan would have been to give a tax cut to everybody, by increasing the amount of your pay free of tax from \$600 for each dependent a year to \$800 a year for each dependent. For a family of five, this would make \$1,000 more of the family income free of tax. That money would be spent. That would help the economy faster than this outmoded, discredited, trickle-down plan.

We should be looking to the lower and middle income economic bracket when we consider tax cuts. In the past eight years, fast tax write-offs and other changes have cut the taxes of corporations by \$4 million a year. But during that time, no tax breaks have been approved for the people. By approving more tax cuts this year for the big top-level money bracket, we make it more difficult to get a tax cut next year for the majority of the people. This tax bill cuts the tax revenues giving away \$1.3 Billion on so-called investment credits, then takes back \$700 Million of that from smaller businesses with a net loss and a further budget unbalance of \$600 Million per year. Every salesman's entertainment expense account is going

Congressman Walter Rogers Gives Views on Connally Amendment and Author

In recent weeks, I have been asked many questions about the "Connally Amendment" and its exact provisions. Because this subject is so vital to the preservation of our national sovereignty, I am reprinting herewith a newsletter I originally wrote on March 12, 1961.

Just over a year ago, and on February 21, 1961, I wrote you concerning the "Connally Amendment". In that newsletter I paid tribute to the greatness of Tom Connally, the former United States Senator from the State of Texas. No tribute was more justly deserved. Tom Connally deserves splendid tribute from all Americans for the outstanding contributions he made in public service. Surely there are those who did not like Tom Connally, as is the case with all human beings, but even those must admit that the mark he left by the Connally Amendment is an all-American mark and a mark of distinction. His agile mind and quick tongue made him a much-feared foe in debate on the Senate floor. He is reputed to have told one vociferous opponent the following: "If the gentleman would approach these problems with an open mind instead of an open mouth, he would be much more effective." When asked last year for his opinion on the move to repeal the Connally Amendment, he branded the move as a propaganda device designed to "win an international popularity contest." This rather effectively summed up the situation, in my opinion.

to be cut, not for the benefit of big government, but for the benefit of big business. And it's going to be harder on the people.

Another part of this tax bill I opposed was the section giving a tax windfall for lobbying expenses. At present, a group lobbying for its own self-interest has to pay its own lobbying expenses. Under this new tax law, that lobbying cost is passed on to the taxpayer, because lobbying expenses for big business are made tax-free. Lobbying costs are put on everybody's shoulders to bear while special interests lobby against the very people who are paying the taxes. That is a great injustice. It is favoritism of the rankiest kind.

The matter of a tax cut is going to be a major issue before the Congress next year. And as your Senior Senator from Texas, I intend to work for a tax break for all the people.

For the benefit of those who have heard of the "Connally Amendment" but who have not had the opportunity of studying it, may I say that it consists of six words, which are "as determined by the United States." These words are attached to a portion of the United States Declaration of Acceptance of the World Court jurisdiction, and I quote:
"This declaration shall not apply to ...
"(b) Disputes with regard to matters which are essentially within the domestic jurisdiction of the United States of America as determined by the United States."
That portion underlined is the Connally reservation, or amendment, whichever you prefer to call it. You can readily see the effect of this amendment. The particular paragraph above quoted, without the Connally Amendment, would have left jurisdictional determination to the World Court. The World Court consists of fifteen judges elected by the General Assembly and the Security Council of the United Nations for nine-year terms. Its headquarters are at The Hague. On January 27, 1960, the fifteen members or judges of the World Court came from the following countries: one from the United States, one from Great Britain, and one from Australia. The others were citizens of the United Arab Republic, Nationalist China, Greece, Poland, France, Mexico, Panama, Argentina, Uruguay, Norway, Pakistan, and Soviet Russia. It is interesting to note that only three of the judges are from countries whose basis of law is the Common Law. Four are Latin Americans, two are from Moslem countries, one Chinese, and one each from Greece, Norway and France. Votes could be written as to the built-in dangers of such a situation, but since that amount of space is not available in this newsletter, I think it is sufficient to observe that Americans acquainted with the issue would immediately recognize the inherent dangers of distortion, modification, misinterpretation, and outright abuse of the Bill of Rights and the Constitution which are the protecting armor of the American citizen. Without the Connally Amendment this armor would have been broken in many places. Its preservation is vital if the sovereignty of the United States is to be maintained.

ASCS Office Releases Report On C.R. Contracts

ASCS Office has received information stating if the following conditions are met producers who's conservation Reserve Contracts expires in 1962 may continue through 1963.

Producers must designate under this program, all of the land eligible for the 1963 program on which the conservation reserve contract expires in 1962.

All of the land which is now designated under a conservation reserve contract expiring in 1962 will be eligible for continuation in 1963 subject to approval of the County Committee.

Rates of payment under the expiring conservation reserve contracts will be examined by the County Committee wherever the land is designated as regular rate land under a conservation reserve contract. The rate of payment under the 1963 program will be the smaller of (a) the conservation reserve regular payment rate applicable in 1962 for the same land, (b) 20 percent of the land value for agricultural purposes or determined by the county committee and (c) the cash rent or current value of the fixed commodity rent if the participant rents the land for cash or a fixed commodity rent from some other person. Wherever the land is designated or "non-diversion rate land" on a conservation reserve contract, such rate must also be adjusted downward to reflect any downward adjustment as required above in the regular rate applicable to such land.

Grazing will be permitted on the designated acreage but at a reduced rate. Payment will be made on the basis of the participant's performance. The payment rate where the land is grazed will be 50 percent of the regular rate on land designated at the regular rate. No payment will be made on land designated at the non-diversion rate and which is grazed.

ing that since the above was written, judges from Uruguay, Norway, and Pakistan have been replaced by judges from Peru, Italy and Japan. Thus, the geographic and cultural distribution remains relatively unchanged.

Although attempts have been made to repeal the Connally Amendment, these moves have been defeated. I believe the Connally Amendment will, and must, remain in integral part of our law. I shall certainly do everything in my power to preserve this aspect of our national sovereignty, as well as all other aspects.

No other cost-share payments gram. The cover on the designated acre- age must be maintained to prevent wind and water erosion.

BIRCH SOCIETY -- NEVER!!

The Panhandle "Republican" candidate for Congress is a member of the John Birch Society — an organization condemned for its unprincipled extremism by leaders of both parties, Republican and Democratic.

IS IT to the Republican Party that this candidate owes his loyalty?

OR IS IT to Robert Welch, the Birch Society dictator, who has made it clear he tolerates no deviation from his rule over Birch Society thought and action?

Welch called President Dwight D. Eisenhower — the Republicans' biggest name — "... a dedicated, conscientious agent of the international Communist conspiracy."

IT IS NO WONDER THAT THE JOHN BIRCH SOCIETY DRAWS BIPARTISAN CONTEMPT!

Said Eisenhower: "Those who take extreme positions in American political and economic life are always wrong."

Said Richard Nixon: "We need good, strong anti-Communists in this country. But I realize that those who exaggerate, those who make a racket of it, hurt the cause."

Said Barry Goldwater: "I am not close to the John Birch groups."

On a recent NBC Chet Huntley television program, the national chairman of both the Republican and Democratic Parties disavowed any link with the Birch Society.

BACK THE BIRCH SOCIETY CANDIDATE? NEVER!! FOR RESPONSIBLE LEADERSHIP RE-ELECT CONGRESSMAN

Walter Rogers

... SENSIBLY Conservative

(Pol. Adv. Paid by TEXANS for RESPONSIBLE GOVERNMENT)

LEGAL NOTICES

"NOTICE OF HEARING OF SPECIAL BENEFITS TO BE RECEIVED FROM PROPOSED STREET IMPROVEMENTS, AND ON OTHER MATTERS WITH REFERENCE THERETO WHICH HEARING IS TO BE HELD IN THE CITY HALL OF THE CITY OF DIMMITT, TEXAS, BEGINNING ON THE 22nd DAY OF Oct. 1962, AT 7:30 O'CLOCK, P.M. TO ALL OWNERS AND TO ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON ANY PROPERTY ABUTTING THE ALLEYS, STREETS OR AVENUES OR PORTIONS THEREOF IN THE CITY OF DIMMITT, TEXAS, HEREINAFTER NAMED, WITHIN THE LIMITS HEREINAFTER SET FORTH, AND TO ALL OTHER INTERESTED PARTIES OR THEIR AGENTS AND ATTORNEYS.

You are hereby notified that the City Commission of the City of Dimmitt, Texas, has determined the necessity for and ordered the improvement of certain alleys, streets and avenues or portions thereof, hereinafter described; and the City Commission has approved and adopted the estimate, statement, and report of the City Engineer and has taken other proceedings with reference to the making of such improvements, and all of which are of record in the minutes of the City Commission of the City of Dimmitt.

NOTICE IS HEREBY GIVEN: 1. That a hearing shall be given to the owners and to all persons owning or claiming any interest in or lien upon the property abutting the alleys, streets or avenues, or portions thereof, in the City of Dimmitt, Texas, hereinafter named, and to all other interested parties and to their agents and attorneys, before the City Commission of the City of Dimmitt, Texas, on the 22nd day of October, 1962, at 7:30 o'clock P.M. and shall be held in the City Hall of the City of Dimmitt, Texas, at which hearing all of said owners and other interested parties, their agents and attorneys, shall have the right to be heard on any matter as to which hearing is a constitutional requisite to the validity of any assessment sought to be imposed and to contest the amount of the proposed assessments; the lien and liability thereof the special benefits to the abutting property and the owners thereof by means of the improvements for which such assessments are to be levied; the accuracy, sufficiency, regularity and validity of the proceedings and contract in connection with such improvements and proposed assessments, or concerning any matter or thing connected therewith. The City Commission shall have power to and shall correct any error or errors, inaccuracies, irregularities, and invalidities, and shall have power to and shall supply any deficiencies and shall determine the amount of the assessment and all other incidental matters and shall have power by ordinance to close such hearing and shall, by ordinance or by a later ordinance or ordinances, have the right to levy such assessments before, during, or after construction of such improvements, but no part of any assessment against abutting property shall be made to begin prior to the acceptance by the City, by ordinance, of any improvements abutting the property for which the assessment is levied. All of said owners claimants, and other interested parties, their agents and attorneys, are hereby referred for further information to the proceedings with reference to said improvements on file and of record with the City Secretary of the City of Dimmitt and particularly to the estimates of the City Engineer, and to the proposed assessment rolls for any exact amount to be assessed against the abutting property and the owners thereof within the limits hereinafter set forth; and the City Engineer's estimates and proposed assessment rolls being on file in the City Office with the City Secretary of the City of Dimmitt, Texas.

2. The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the raising, grading, filling, permanently paving, or repaving of said alleys, streets or avenues, or portions thereof, and by the construction or reconstruction of the concrete curbs and gutters, and by the construction of such things and other and necessary incidentals or appurtenances as the City Engineer has found to be necessary or advisable, and as shown by the plans and specifications of the City Engineer, and by widening or narrowing, if necessary, to obtain a paved surface, curb, and gutter, so that the paved width from back of curb to back of curb shall be the width set out below; and the said paving shall consist of construction of asphalt triple penetration wearing surface on six inch inflexible concrete base, which base surface, as well as all of such other improvements, shall be of such a nature and type of construction in each particular unit of improvement as are shown on the plans and specifications of the City Engineer.

son of the City of Dimmitt, Texas, which hearing shall begin on the 22nd day of October, 1962, at 7:30 o'clock P.M. and shall be held in the City Hall of the City of Dimmitt, Texas, at which hearing all of said owners and other interested parties, their agents and attorneys, shall have the right to be heard on any matter as to which hearing is a constitutional requisite to the validity of any assessment sought to be imposed and to contest the amount of the proposed assessments; the lien and liability thereof the special benefits to the abutting property and the owners thereof by means of the improvements for which such assessments are to be levied; the accuracy, sufficiency, regularity and validity of the proceedings and contract in connection with such improvements and proposed assessments, or concerning any matter or thing connected therewith. The City Commission shall have power to and shall correct any error or errors, inaccuracies, irregularities, and invalidities, and shall have power to and shall supply any deficiencies and shall determine the amount of the assessment and all other incidental matters and shall have power by ordinance to close such hearing and shall, by ordinance or by a later ordinance or ordinances, have the right to levy such assessments before, during, or after construction of such improvements, but no part of any assessment against abutting property shall be made to begin prior to the acceptance by the City, by ordinance, of any improvements abutting the property for which the assessment is levied. All of said owners claimants, and other interested parties, their agents and attorneys, are hereby referred for further information to the proceedings with reference to said improvements on file and of record with the City Secretary of the City of Dimmitt and particularly to the estimates of the City Engineer, and to the proposed assessment rolls for any exact amount to be assessed against the abutting property and the owners thereof within the limits hereinafter set forth; and the City Engineer's estimates and proposed assessment rolls being on file in the City Office with the City Secretary of the City of Dimmitt, Texas.

2. The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the raising, grading, filling, permanently paving, or repaving of said alleys, streets or avenues, or portions thereof, and by the construction or reconstruction of the concrete curbs and gutters, and by the construction of such things and other and necessary incidentals or appurtenances as the City Engineer has found to be necessary or advisable, and as shown by the plans and specifications of the City Engineer, and by widening or narrowing, if necessary, to obtain a paved surface, curb, and gutter, so that the paved width from back of curb to back of curb shall be the width set out below; and the said paving shall consist of construction of asphalt triple penetration wearing surface on six inch inflexible concrete base, which base surface, as well as all of such other improvements, shall be of such a nature and type of construction in each particular unit of improvement as are shown on the plans and specifications of the City Engineer.

3. The alleys, streets and avenues or portions thereof, to be improved within the limits designated by the City Commission are listed below as they have been divided by the City Commission of the City of Dimmitt into separate and distinct improvement units. The designation of such alleys, streets or avenues or portions thereof and such other information is as follows: Unit 1. - East-West Alley of Block 100, O.T. from Existing East gutter to West Second Street to Existing West Gutter at Broadway, width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,490.37. Unit 2. - North-South Alley of Block 100, O.T. from Existing North Gutter at Bedford Street to South line of East-West Alley of Block 100, O.T., width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$2,101.34. Unit 3. - East-West Alley of Block 83, O.T. from Existing East Gutter at Broadway St. to Existing West gutter at East Second St., width 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,427.70. Unit 4. - North-South alley of Block 83, O.T. from Existing North gutter at Bedford Street to Existing South Gutter on Etter St. excluding the 20' East-West alley in Block 83, width: 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,602.94. Unit 5. - East-West Alley of Block 110, O.T. from Existing East gutter at West Third Street to Existing West gutter of West Second Street, excluding the 20' north-south alley in Block 110, width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,302.75. Unit 6. - North-South alley of Block 110, O.T. from Existing North gutter at Jones Street to Existing South Gutter at Bedford St., width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,602.94. Unit 7. - East-West Alley of Block 99, O.T. from Existing East gutter of West Second St. to Existing West gutter of Broadway Width 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,452.85. Unit 8. - North-South alley of block 99, O.T. from Existing North gutter of Jones Street to Existing South gutter of Bedford Street, excluding the 20' east-west alley in Block 99. Width 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,327.77. Unit 9. - East-West Alley of Block 99, O.T. from Existing East gutter of East Second Street to West line of North-South alley in Blk. 73, O.T. Width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$2,101.34. Unit 10. - North-South alley of Block 85, O. T. from Existing South gutter of Jones Street to North line of the East-West Alley in Block 85, O.T. Width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$2,101.34. Unit 11. - North-South alley of Block 74, O.T. from Existing North gutter of Bedford Street to North line of the East-West Alley in Block 74, O.T. Width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$2,315.50. Unit 12. - North-South alley of Block 73, O.T. from Existing North gutter of Jones Street to North line of the East-West alley in Blk. 73, O. T. Width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$2,376.52. 4. The City reserves the right to omit the improvements in front of any property, any interest in which was exempt from a lien of special assessment at the time the street improvements were ordered, and further reserve the right to omit the improvements to entire units where one or more of the properties therein are exempt from the liens of assessments and the owners fail or refuse to execute valid Mechanic's lien contracts fixing valid contractual liens against such property, or to otherwise secure the payment of their share of the cost of such improvements, and any such omission will not invalidate the lien or liabilities or assessments made against abutting properties.

Morton Crushed By Tractor
Roy L. Morton, 66, of Dumas was killed Thursday about 2 p.m. when a tractor ran over him. Funeral services were conducted Saturday at 10:30 a.m. in the First Methodist Church of Dumas. Rev. Clifford Trotter, pastor, officiated. Burial was in the Dumas Cemetery under the direction of Boxwells of Dumas. Morton was working for the McGinnis Construction Co. of Dumas on the Stewart lease east of Sunray when the accident occurred. military drill, customs and etiquette of the naval service, swimming and survival, first aid and basic shipboard routine. During the training, recruits receive tests and interviews which determine future training and assignments.

He fell under the rear wheels of the tractor. He was born April 23, 1896. He was a Methodist and member of the Woodmen of the World. Survivors include his wife, Bonnie of Dumas; a son, Carroll of Dimmitt; two sisters, Mrs. Ethel Mason of Ringwood, Oklahoma and Miss Beulah Morton of Robstown; a brother Raymond of Enid, Oklahoma.

Demonstrating new '63 Chevrolet truck
features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension—easier on truck, load and driver.

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!
With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'hah) Peninsula? This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

THE "NEW RELIABLES" FROM CHEVROLET
Quality trucks always cost less
