All pineaples to be receiv-ed here Monday have been sold.

FFA BOYS TO GET GOOD

An effort will be made to secure some good registered pigs for the Dimmitt F. F. A. Boys. I have written some letters to some good hog men. As soon as I find a good place to acquire pigs we will go and select some pigs for the boys in the Chapter.

The most popular breed right now seems to be Duroc Jersey, Hampshire and Poland China. and they will be available.

Any boy who wants to get in on this project should let me know soon. Write a card or come go with me. Boys who are going to take Ag next year but were not in class this year are invited,

PRIZE SOWS TO BE AWARDED WINNERS

Distribution will be made in Dimmitt Saturday of the registered Chester White sow pigs to 9 Castro County 4-H Club boys who were declared winners in the 1945 Sears Roebuck Pig Contest. The winners in this contest were selected by a committee composed of Ed Brockman of Nazareth and Morgan Dennis of Dimmitt on the basis of essays written by the boys on the "Advantages of the Cow, Hog, Hen, Plan of Farming."

Winners of the pigs are Carl Ray Henderson, Joe Max Woolridge, Dimmitt 4-H Club; Joe Percy Hart, Leland Hacker, Hart 4-H Club; Vernon Braddock, Bernard Wilhelm, Harold Kleman, Julian Huseman, Kenneth Acker, Nazareth 4-H Club. These boys will get the pigs from the winners in the contest last year who were Doyle Davis, Theron Hawkins, Hart; Marion Hoelting, Walter Kleman, Donald Annen, Nazareth; Lloyd Kriling, Marvin Lynn Axe, and Oren Eubanks of Dimmitt.

The Sears Roebuck Company has purchased an outstanding boar pig for the boys in this program
The boar was purchased in Oklahoma last week by M. U. May, County Agent.

Castro County boys have made one of the best records in Texas with their pigs the past two years, and this program, initiated by the Sears Roebuck Company, has been largely responsible for ther outstanding success. The breeding stock furnished by Sears Roebuck has produced some of the winning barrows at the Amarillo and Fort Worth Fat Stock Shows.

AROUND THE WORLD A THOUSAND TIMES!

• Shortly after the first of this year, Burlington's fleet of fourteen diesel-powered, stainless steel Zephyrs attained an unprecedented total in train miles of service-25,000,000!

The Texas Zephyrs, linking Texas with Colorado since August, 1940, have contributed nearly 3,000,000 miles to this

In rolling up the equivalent of a thousand times around the world, the Zephyrs have proved many things. Their tremendous patronage has shown the public's enthusiastic endorsement of speedy, luxurious, streamlined trains. Their almost unbelievable record of availability and "on-time" per-

formance, in the face of high speed schedules, Their beauty and stamina are a tribute to the design and structural strength of these fast trains. (The Pioneer Zephyr, first of the Zephyr fleet and America's first dieselpowered streamline train, has nearly 2,000,-000 miles to its credit and has already started

on its second ten years of service.) Yes, America has given the nod of approval to the Zephyts and the kind of travel they typify. So there will be more of them in the days ahead. They will be even more efficient, even more luxurious. For improvement is the mandate of progress.
