

THE RANDALL COUNTY NEWS

COMMENCEMENT OF PUBLIC SCHOOLS

The commencement exercises of the Canyon public schools will be held Friday night, May 21, at the Methodist church.

The commencement sermon will be preached next Sunday night at the Methodist church by Rev. J. W. Mayne. All other church services of the city will be suspended for this one.

The following will be the program for the commencement exercises on Friday night:

Dewey Mae Gibson—Salutatorian—Woman's part in the formation of bad habits.

Paul Lee Rogers—Class poem. Corleita Hensley—The question of opportunity.

John Arthur Gober—After twenty years.

Kathleen Grace Stewart—The greatest American.

Lorenzo Wirt—Woman's sphere.

Willie Grace Mills—Valedictorian—Our Alma Mater.

Class address—Rev. B. F. Fronabarger.

Delivery of diplomas—Supt. E. F. King.

The following is the class motto—The elevator to success is not running, take the stairs. Class flower—White Rose. Class colors—Maroon and Gray.

FARMERS MEETING IN CANYON MAY 18

W. E. Prescott will lecture in Canyon next Tuesday night at 7:30 o'clock before the Farmers Institute. Mr. Prescott represents the state department of agriculture. Fred W. Davis, commissioner, states he hopes that all of the farmers will come to the meetings.

The topic for discussion at this meeting will be farm management, improvement of farm conditions, diversification, cooperative marketing, etc.

Mr. Prescott will visit the public schools at 2:30 p. m. and address the pupils and patrons on subjects especially interesting to them. All of the patrons of the school are urgently requested to hear the speaker at this time.

The speaker will visit Happy on Monday night at 7:30 o'clock.

Patrons Day Friday.

Friday of this week will be patrons day at the public schools. The different rooms will have something of interest to all of the visitors. There will be an exhibition sample of the work that is being done in the school room by the pupils. These exhibits have been held annually during the past few years and are always interesting, showing the great latitude of useful work being carried on the public schools of this city.

Normal Work Progressing

A large force of brick masons are at work on the new Normal building. The walls are going to be much prettier than for the old building.

W. J. Rau was compelled to abandon his contract on the structural steel for financial reasons, but his force of men will complete the job under the direction of the Gross Construction Co.

Mrs. F. P. Guenther left Friday for Moulton where she will visit with friends and relatives.

COUSINS HOPEFUL OF APPROPRIATION

President R. B. Cousins returned from Austin Tuesday morning and reports that everything looks favorable for the passage of the appropriation to construct the wings of the Normal building.

He spent several days with Capt. T. J. Tilson on the floor of the house and secured promises from a good majority of the members that they will vote for the appropriation.

As stated in the News of last week, Senator Johnson has secured promises from a majority of the senators that they will vote for the bill.

Mr. Cousins was before the house appropriations committee and easily secured the re-instatement of the appropriation on the bill. He stated that G. A. Brandon and Hon. A. B. Martain had visited Gov. Ferguson, who told them that if the appropriation reached him, he would approve it.

Mr. Brandon is expected to reach home today.

Alumni Banquet Saturday.

The alumni association of the Normal will hold its banquet Saturday night. More than sixty tickets have been sold. A splendid toast program will follow the menu.

COMMENCEMENT AT NORMAL COLLEGE

The commencement exercises of the Normal will begin Saturday of this week with the class day exercises. The program for the three days is printed elsewhere in this issue.

The following are the graduates:

E. R. Archambeau, Canyon
Nellie O. Cleveland, Cleburne
E. L. Henderson, Canyon
Sarah C. Miller, Lockney
Mabel Rogers, Canyon
Elmer Shotwell, Canyon
Ruth Wakefield, Joshua
W. H. Younger Jr., Canyon
Agnes Zihlman, Wichita Falls.

It was decided last year that those who lacked but 8 1-3 credits of completing their work on the three year basis would be given this year to do so and would be given a diploma on the old basis. Two will receive these diplomas:

Bina Cochran, Canyon
Francis Stephenson, Lipscomb

Revival Services.

At the Baptist Church, Canyon, May 23d, will begin revival services, A. J. Copas in charge. All Christians are cordially invited to attend and cooperate with us in this meeting.

Brother Copas is an evangelist whose work has been greatly blessed of The Lord in the past; and we are hoping and praying that he may be greatly used of God here, and that there may be such a revival and refreshing from the Lord that every home and heart in Canyon may receive a blessing.

We believe that men are creatures of eternal destinies, that their eternal welfare is of first importance, and that the gospel of Jesus Christ alone takes care of this interest. Therefore, to present this gospel day after day and night after night, and to urge men to believe it and to receive Christ Jesus The Lord is the purpose of this meeting.

Let all the people come. They will be met at the church doors, welcomed, and seated by members of the church.

There will be no services in our church next Sunday, May the 16th, as on that day both the morning and evening services will be used by the Normal and High School for their Commencement Sermons.

B. F. Fronabarger, Pastor.

Declamatory Contest Tonight

The students of the high school will enter a declamatory contest tonight at the district court room which promises to be very interesting. There will be two separate class contests—one for boys and the other for girls. In each class there will be two prizes of \$12.50 for winner of first place and \$7.50 for winner of second place. The following are the contestants:

Boys—Claude King, Paul Foster, Gray Dean Foster, Paul Stewart, Earl King.

Girls—Kathleen Stewart, Ida Fay Smith, Byrl Edwards, Thelma McGee, Thelma Black, Jessie DeGraffenreid, Dewy Gibson, Prudia Prichard.

T. F. Reid has a letter from Senator W. A. Johnson which was written to the Hereford Commercial Club in answer to a set of resolutions in which they ask him to use his influence in getting the appropriation for the wings for the new Normal building. He spoke very hopeful for the bill.

FEDERATION READY FOR YEAR'S WORK

A busy session of the Federation of Women's Club was held at the court house Friday afternoon at which time numerous subjects relative to the welfare of the city were taken up and discussed at some length. Mrs. C. R. Burrow, president of the Federation, appointed the following committees:

To draw up articles of Federation—Mesdames R. B. Cousins, H. W. Morelock, J. A. Hill.

Inspection committee—Mesdames F. M. Wilson, C. E. Coss, I. C. Jenkins, D. A. Park, T. C. Thompson, C. W. Warwick, J. E. Winkelman, J. W. Reid.

Crossings and cheaper water—Mesdames C. M. Ackerman, D. M. Stewart, B. T. Johnson.

To procure parks—Mesdames L. T. Lester, D. M. Stewart, C. O. Keiser, W. G. Word, R. S. Pipkin.

To see merchants regarding prizes—Mesdames B. A. Stafford, T. V. Reeves, J. W. Mayne, F. P. Guenther.

The following prizes will be given by the Federation:

1. General appearance of the home which includes the cleanliness and attractiveness of the front yard, back yard, alley, trees, flowers and the entire lot.
2. Two prizes will be given under this head, one for the owners of homes and the other for renters.

3. All work around the home must be done by the occupants. The prize may go to the smallest house in town. Not largeness and fitness, but cleanliness counts.
4. Prettiest front yard.
5. Most attractive back yard.
6. Biggest trash pile gathered by boys and girls under 12 years of age.
7. Most beautiful flower bed by girls under 16 years of age.
8. Best kept school or church property—parsonage not included.
9. Best arranged window or porch box—two prizes.
10. Best arranged vegetable garden.

Power Plant Management Changes.

Wm. Sydow, manager of the Canyon Power Co. for the past eighteen months, will leave for Denver during the coming week and will be succeeded as manager of the local light plant by A. J. Arnold, who has been manager of the plant at Aguyilar, Colo. for the past year. Both of these plants are owned by E. A. Bent of Denver. Mr. Arnold has been spending the past week in getting acquainted with the work of the local office and with the people of the city.

The people of Canyon are very sorry to know that Mr. and Mrs. Sydow have decided to leave Canyon. Both have been very prominent in the social and public affairs of the city. As manager of the local power plant Mr. Sydow has increased the business materially and has been very successful in handling of the plant.

Mr. Arnold states that his wife will arrive in the city within a short time.

Urging Gibson Bill Support

Several telegrams have been sent from Canyon during the past few days urging the support of the Gibson insurance bill in the legislature.

J. H. Holland of Arlington is visiting at the home of his brother, J. T. Holland. He has been sick for the past week. His son M. Z. Holland of Abernathy has been with him the past few days.

Frost Thursday Night

There was a heavy frost and a little ice Friday morning, commencing from a week of cold weather and with a high wind from the north during the first part of the week. However, the damage done by the frost was not so great as might be expected, coming at this time of year.

A large percent of the beans and tomatoes in the gardens which were not covered were frozen that night, but little other damage was done in this vicinity.

The trees were so heavy in foliage that there was little resulting damage to the fruit crop.

The past week has been warm and fine and vegetation is beginning to grow fine.

Normal Wins And Loses.

The Normal defeated the Goodnight Baptist College team in the first game Thursday afternoon by a score of 12 to 4, but lost the second game on Friday by a score of 4 to 5.

The second game was the best of the season and was a fitting close for the Normal's season. Both teams played fine ball, and while the Normal lost, they showed the best exhibition of the national game.

Time Limits For Infection

By Manton M. Carrick, M. D.

Have you not often wanted to know how long a child with scarlet fever must be isolated after it is up and about or how long a child exposed to whooping cough was likely to come down with the disease?

CUT THIS TABLE OUT AND KEEP IT. Some day you will be glad have it in the house:

DIPHTHERIA (membranous croup) may be communicable until two cultures have been taken from the nose and throat at intervals of twenty-four hours and sent to a bacteriological laboratory and found to be free from diphtheria bacilli.

CHICKENPOX may be communicable until twelve days after the appearance of the eruption and until the crusts have fallen and the scars are completely healed.

MUMPS may be communicable until two weeks after the appearance of the disease and one week after the disappearance of the swelling.

MESASES may be communicable until ten days after the appearance of the rash and until all discharges from the nose, ears and throat have disappeared and until the cough has ceased.

SCARLET FEVER may be communicable until thirty days after the development of the disease and until all discharges from the nose, ears and throat or suppurating glands have ceased.

SMALLPOX may be communicable until fourteen days after the development of the disease and until scabs have all separated and the scars completely healed.

WHOOPING COUGH may be communicable until eight weeks after the development of the disease or until one week after the last characteristic cough.

Goose Egg For Goodnight

The Canyon town team defeated the Goodnight baseball boys Saturday afternoon in a seven inning game to the tune of 13 to 0.

The locals had everything their own way throughout the game. Hud Prichard was in the box for the town team.

Work Day At Cemetery

This afternoon will be work day at the cemetery, for the purpose of cleaning up the place in general.

Invigorating to the Pale and Sickly
The Old Standard general strengthening tonic, **DRY'S TASTELESS CHILI TONIC**, drives out malaria, enriches the blood, and builds up the system. A true tonic. For adults and children. 50c.

A WOMAN'S BURDENS
are lightened when she turns to the right medicine. If her existence is made gloomy by the chronic weaknesses, delicate derangements, and painful disorders that afflict her sex, she will find relief and emancipation from her troubles in Dr. Pierce's Favorite Prescription. If she's overworked, nervous, or "run-down," she finds new life and strength. It's a powerful, invigorating tonic and nerve which was discovered and used by an eminent physician for many years, in all cases of "female complaints" and weaknesses. For young girls just entering womanhood; for women at the critical "change of life;" in bearing-down sensations, periodical pains, ulceration, inflammation, and every kindred ailment, the "Favorite Prescription" is guaranteed to benefit or cure. Toast To Laughter.

Here's to laughter, the sunshine of the soul, the happiness of the heart, the leaven of youth, the privilege of purity, the echo of innocence, the treasure of the humble, the wealth of the poor, the head of the cup of pleasure; it dispels dejection, banishes blues and mangles melancholy; for it's the foe of woe, the depression, the enemy of grief; it is what kings envy peasants, plutocrats envy the poor, the guilty envy the innocent; it's the sheene on the silver of smiles, the ripple on the water's delight, the glint on the gold of gladness; without it humor would be dumb, wit would wither, dimples would disappear and smiles would shrivel, for it's a glow of a clean conscience, the voice of a pure soul, the birth cry of mirth, the swan song of gladness.—Ex.

Washington County (Iowa) Press: Charley Keiser comes to the defense of his old friend and attorney, H. M. Eicher, in the Randall County (Texas) News in good shape. We do not know whether Eicher wrote the article or just "merely dictated" it.

Mighty poor come back, for you Brookhart. As a matter of fact neither H. M. Eicher nor C. O. Keiser wrote or even "dictated" the article published in the News. Any man who attempts to publish to the world that this wonderfully productive Panhandle country is a land of "abandoned farms" needs to be told a few things and the News man attempted to do his duty. H. M. Eicher knew nothing about the article until he received a copy of the paper. But what's the use of explaining to Brookhart the facts in the case. He believes that all men are just like himself—very careless in handling the truth.

It is easy to make an error—and all of us make them every day. However, ever once in awhile a fellow pulls off what is familiarly known as a "bone-head". The News was guilty of the latter in last week's edition. We stated that the normal commencement would be May 5-10 and this statement got by the compositor, proof reader and the whole force.

The royalty of England seem to be more desirous of having their booze daily and of making money from their distilleries than of seeing their armies win.

Kidney Trouble Causes Intense Suffering

Sixteen years ago I was taken sick with kidney trouble and suffered terribly for three months. I did not work during this time and was mostly confined to the bed. After using other remedies I finally tried a bottle of Swamp-Root. Immediately began to feel better, and after using seven fifty-cent bottles, I was entirely cured and have had no kidney trouble since. I can say that I owe my good health to Swamp-Root. You may publish this letter for the benefit of other people afflicted as I was with the hope of bringing to their attention this most wonderful remedy.

The question has been put up to them straight and they have chosen booze.

To say the least, the sinking of the Lusitana was the most unfortunate event of any war the world has seen for years. Without provocation, nearly two thousand souls were suddenly thrown upon their own resources in the midst of the high seas. Life taken by an individual is pronounced murder. What will nations judge this act when accomplished by another nation? Of course, the big question is, what will the United States do about it? Americans thank God that Woodrow Wilson, and not some war fiend, is in the White House. United States cannot afford to sacrifice thousands of lives in war to avenge the lives of the few that were lost, but Germany should be made to pay for the dastardly act.

Some Plainview people imported four negroes last week for domestic servants, but the citizens soon petitioned them to discharge the negroes. It is almost a settled fact that negroes will never be allowed in many Plains towns.

The six amendments to be voted upon in July are printed in the News. Every voter in Randall county should make a careful study of these amendments at once in order to vote intelligently upon them this summer.

Sheriff's Sale.

The state of Texas, County of Randall.

Martha Watson Cunliff and Nelson Cunliff vs. U. G. Randall and Morrow-Thomas Hdw. Co. In the District court of Potter county, Texas.

Whereas, by virtue of an order of sale issued out of the District court of Potter county, Texas, on a judgment rendered in said court on the 23rd day of March 1915, in favor of the said Martha Watson Cunliff and Nelson Cunliff and against said U. G. Randall and Morrow-Thomas Hardware Company, No. 2997 on the docket of said court, I did, on the fourth day of May, 1915, at ten o'clock a. m. levy upon the following described tract of land situated in the county of Randall and state of Texas, and belonging to the said U. G. Randall, to-wit:

Sixty five and seven-tenths acres of land out of section 183, certificate 638, Abstract No. 27, Block No. 2, A. B. & M., in Randall County, Texas, and described by metes and bounds as follows to-wit:

Beginning 341 varas south of the northeast corner of section No. 183; thence south with the section line 1559 varas to the southeast corner of the said section; thence west 475 varas to a point on the east line of the right-of-way of the Peeps & Northern Texas Railroad; thence north 55 minutes east with the east line of the right-of-way of said Railroad to the point where said railroad right-of-way crosses the east line of section No. 183 the place of beginning.

And on the 1st day of June, 1915, being the first Tuesday of said month between the hours of 10 o'clock a. m. and 4 o'clock p. m. on said day at the court house door of said county, I will offer for sale and sell at public auction, for cash all of the right, title and interest of the said U. G. Randall in and to said property.

Dated at Canyon, this 4th day of May, A. D. 1915.

by Governor Ferguson. At Milano Junction the I & G. N. train leaves forty minutes before the arrival of the Santa Fe. Before leaving Canyon with the body of his wife, Mr. Winn, although a stranger to the governor, wired Mr. Ferguson to ask if he would use his influence to have the I. & G. N. train held forty minutes at Milano for the arrival of the Santa Fe, in order that a twelve hour lay over with the corps might be avoided.

The governor used his good offices in Mr. Winn's behalf and the discomfiture of a twelve hour lay over was avoided.

Being a stranger to the governor and a man in the ordinary walks of life, Mr. Winn feels that Mr. Ferguson has in this instance given forceful expression of the humanitarian impulse which possess the governor's heart and mind.

Real Worth vs. Low Cost

If you asked your butcher for a porterhouse steak and he handed you a cut of the flank and said, "This doesn't cost as much and is just as good," you wouldn't believe him, would you?

Yet the butcher's statement is just as truthful as an assertion that inferior baking powders made of alum or phosphate of lime are as good as Dr. Price's, which is made from cream of tartar.

Alum is a mineral acid salt, declared by many medical authorities unsafe to use in food.

Dr. Price's Cream Baking Powder is as pure and wholesome as the grapes in the vineyard, from which cream of tartar is derived.

The only reason for using such substitutes as alum and lime phosphates is because their cost is less to the manufacturer.

Eliminate Cut Worms.

"If you are troubled with insects eating your cabbage, spray with arsenate of lead at the rate of two and one-half pounds to fifty gallons of water," is the advice of E. J. Kyle, Professor of Horticulture at the A. and M. College, to gardeners.

"For cut worms I would suggest that you poison clover or some green succulent plant by dipping it in arsenate of lead and scattering it through the patch; another plan is to take a gallon of wheat bran, add enough water to make it into a mash, sweeten it with molasses, and then add a teaspoonful of Paris green or London purple and scatter it in your garden near the plants. Chickens should be kept away from this poison."

WHAT ACCESSORIES WILL DO.

Have a Very Great and Definite Value in the Scheme of Things, According to Writer.

"We can only live once, and the more we live the better," wrote Flison Young, English novelist, "and I find upon examination that the passion for accessories is only an expression of a passion for life.

"Not to follow up those engaging byways of temptation is to miss a great deal of agreeable and accidental information and knowledge of the kind that makes life full and interesting.

"You can press the button of your camera and send your films to be developed and remain unenlightened, but if you equip yourself with half its accessories, photography will lead you far into the sciences of physics and chemistry.

"If you have a horse and some one to look after him, you need not occupy yourself very much about his needs; but if you have this interest in accessories and take a pleasure in thinking not how little, but how much, you can do toward making your horse's stable a kind of shrine, it will not only bring you nearer to him and make you understand him better, but it will make you understand a great many other things, such as the rotation of crops and the working of leather.

"In short, accessories are the circumference of the circle of which the thing itself is the center; they are leads and links which take us out from ourselves (and at our own expense) into the surrounding life of the world."

PLANTS WITH SNAKE FANGS

Many Are Capable of Inflicting Wounds as Fatal as Are Those of Deadly Reptiles.

Plants that secrete poison when touched and inflict a wound almost as dangerous as a rattlesnake bite are one of the features of some tropical jungles. The most common of these poison plants is the *Jatropha urens*, known in Panama and other parts of Central America as the "ortiga brava" (the cruel nettle). This plant is easily recognized and is instinctively shunned by the native animals.

Trunks, leaves, flowers and fruit of the plant are covered with stinging hairs, which are in effect long tubes that are very brittle and break at the lightest touch. The poison is produced by a cell which, during growth, swells up, forming a goblet-shaped bulb set into the surrounding tissue. When the hair is touched it breaks in an oblique direction, forming a canula which enters the skin, and the poison is discharged directly into the wound, the action being much like that of the poison fang of a snake. The sting of this plant is painful in the extreme, but seldom fatal. Many other tropical plants have such deadly stinging hairs that the poison is sufficient to kill a man, even in small doses.—Popular Mechanics.

Dissipation.

I think sometimes that our common definition of dissipation is far too narrow. We confine it to crude excesses in the use of intoxicating liquor or the crude gratification of the passions; but often these are only the outward symbol of a more subtle disorder. The things of the world—a thousand clamoring interests, desires, possessions—have got the better of us. Men become drunken with the inordinate desire for owning things, and dissolve with ambition for political office. I knew a man once, a farmer, who debauched himself upon land; fed his appetite upon the happiness of his home, cheated his children of education, and himself went shabby, bookless, joyless, comfortless, that he might buy more land. I call that dissipation, too!—From "Hempfield," by David Grayson, in the American Magazine.

Best Hour for Work.

It is a curious fact in psychology that nobody can stay at the same mental and physical level for twenty-four hours together. In the morning you are more matter of fact, for instance, than later in the day. It is in the morning that the best brain work is done, too—brain work of the sort that requires industry and clear thinking. And it is about eleven in the morning that our body reaches its highest point of energy. In other words, you are stronger, though almost imperceptibly, at eleven in the morning than at three in the afternoon. You reach the highest point twice in the day, for about five in the afternoon the muscular energy has risen again. But from five onward it declines steadily all through the evening, and on till between two and three a. m.

Biblical Tribute.

Exceptions in the cases of such Semitic nations as the Jews, Bedouins and Edomites it is difficult if not impossible to trace any connection between the world nations of today and those mentioned in the Scriptures. The Bible is in great part a history of the family of Abraham and of one rather contracted corner of the earth, and nowhere professes to instruct in details of ethnological or any other science except that of theology. The world has generally agreed to derive the black races from Noah's son Ham, the Mongolians from Shem, and Caucasians from Japhet, and beyond that (even in that all are not agreed) it is not wise nor is it helpful to push serious investigation.

TOO HAPPY TO BE SORRY

Wherein Rapturous Lover Gives a New Meaning to "From Hand to Mouth."

"To the sweetest girl I know: I kissed you. Just once, mind, and the point to be settled is, can a man be forgiven who doesn't repent? You see, I don't pretend to repent. I'm too happy to be sorry.

"Remember, Roseleaf, I had the soft light of the conservatory to back me, and the scent of the Killarneys. There was a little fountain somewhere, splashing sprinkles into a quiet pool. The violins back in the ballroom throbbed the Tipperary one-step and the dancers hummed the words. All I did was to kiss your fingers as they lay on my coat sleeve.

"It is a long, long way to go, sweet-less, before a fellow as young as I am can hope to provide a suitable home for a wife, your father says. Oh, yes, I've just come from seeing him and quite by accident I stumbled on to a secret Ages and ages ago your father loved my mother, but wise old grannies interferred until—I'll tell you the rest when I come down tonight, if I may come, and if you—if I—if we!

"Oh, blossom child, you little flower maiden, listen! About that kiss, if you don't forgive me this minute I'll do worse yet. I'll go 'from hand to mouth.' That's another phrase your father taught me.

"Till tonight, then, and these roses to love you every moment. Oh, the joy of loving you! Yours forever.

"JACK."

WERE MEN OF FEW WORDS

Great Fighters Wasted Little Time in Composition of Dispatches That Told of Victory.

It is fitting that the great soldier, who should be a man of deeds rather than words, should set an example of terseness in his dispatches. Thus, after the capitulation of Prague, Suvaroff thus communicated the joyful news to his empress, "Hurrah! Prague!" to which Catherine, not to be outdone in brevity, answered, "Bravo! Field Marshal!"

That grim sea dog, Robert Blake, after gaining one of his famous victories over the French, sent the news in this concise and businesslike form, "Met with the French fleet; beat, killed, and burned as per margin."

The Vicomte de Turenne, marshal of France, was a man of equally few words, as he proved when, after his brilliant defeat of Conde at the Dunes in 1655, he announced his triumph in ten words: "The enemy came, was beaten; I am tired; good-night!"

But the world's greatest generals have always been models of brevity as to modesty since the days of Caesar, whose "I came, I saw, I conquered," sent to his friend Amintius, after the glorious victory over Pharnaces at Zela, is the most famous "dispatch" in the annals of war.

The American Girl.

We are proud of the American girl, and justly so. She has not her equal in all the wide, wide world. She has grace of mind as well as of face. She is vivacious and piquant, yet with a reserve of dignity that is a shield and buckler.

She is abreast of the times, and rejoices in a period that is here. She is a genuine optimist, not one for mere advertising purposes. She reads much and sensibly. She is fond of romance but detests silly sensationalism. She does not wish to be a queen and to be worshiped as such. She wishes respect and companionship and opportunity for rational freedom and self-development.

She has independence without obstinacy, ambition without fanaticism. She thinks for herself, and her opinions are her own, not manufactured for her by interested persons. With equal facility she can wield the fan, the golf stick, the cooking utensil and even the ballot.—Philadelphia Press.

Fixing the Crime.

It was only a nice friendly kind of a "sing-song" at the hydro, but just because it was free expectation ran high, and the critics were in full force. The young man who rose to sing "The Maiden Fair With Golden Hair" had the best intentions in the world, but somehow he was not up to what is called "concert pitch." Indeed, he was very much below it, and after making two or three attempts he had to capitulate and resume his seat at the back. Then the benevolent-looking chairman rose.

"Ladies and gentlemen, there is not a word to be said against the young gentleman. He did his best, and what can man do more? He deserves our thanks for his willingness to come forward. But I do think that the person who asked him to sing should be shot."

He Knew.

A teacher in a children's institution was giving the geography class a lesson on the cattle ranches. She spoke of their beef all coming from the West, and, wishing to test the children's observation, she asked: "And what else comes to us from these ranches?"

This was a poser. She looked at her shoes, but no one took the hint. She tried again:

"What do we get from the cattle besides beef?"

One boy eagerly raised his hand. "I know what it is, it's trips," he announced triumphantly.

Non-Stop Service

You can imagine what it means to run a natural gas plant, pumping gas to four or five towns for their light, heating, cooking, etc. Those towns absolutely depend upon the continuance of the service.

Should a breakdown occur they would be in darkness and cold, with little or no means available for relief.

Of course the machinery of such a plant is of the very best, but the operation of that machinery depends quite largely upon the lubricating oil used.

A poor lubricating oil, by allowing the cylinders of the engines to score, might cripple such a plant for days and even weeks.

TEXACO LUBRICANTS

are particularly successful under such requirements of service. They have performed in these non-stop service plants in such a way that the results are hardly to be credited.

Texaco Quality and Service make this success possible—the Quality which makes the Red-Star-Green-T Oils in your town valuable for all purposes. Be sure you have Texaco and you can go ahead with perfect confidence.

HOUSE JOINT RESOLUTION NO. 1.

A joint resolution proposing an amendment to Section 2, of Article 6, of the Constitution of the State of Texas, by adding thereto a provision authorizing a qualified voter to vote for State officers, or on any proposition submitted to the voters of this State in a precinct other than the precinct of his residence under certain conditions, and making an appropriation therefor.

Be it resolved by the Legislature of the State of Texas: Section 1. That Section 2, of Article 6, of the Constitution of the State of Texas be so amended as to hereafter read as follows:

Sec. 2. Every male person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one years, and who shall be a citizen of the United States, and who shall have resided in this State one year next preceding an election, and the last six months within the district or county in which he offers to vote, shall be deemed a qualified elector, and every male person of foreign birth, subject to none of the foregoing disqualifications, who shall have become a citizen of the United States in accordance with the Federal naturalization laws, and shall have resided in this State one year next preceding such election and the last six months in the county in which he offers to vote, shall also be deemed a qualified elector; and all electors shall vote in the election precinct of their residence; provided, that electors living in any unorganized county may vote at any election precinct in the county to which such county is attached for judicial purposes; and providing further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before he offers to vote at any election in this State, and holds a receipt showing his poll tax paid before the first day of February next preceding such election. Or, if said voter shall have lost or misplaced said tax receipt, he shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such affidavit shall be made in writing and left with the judge of the election. If any qualified voter in this State shall have personally paid his poll tax in the county and precinct of his residence, or secured an exemption certificate showing that he is exempt from paying a poll tax, he shall be permitted to vote in the county in which he may be on election day on any proposition which may have been submitted to the voters of the entire State, and for any office to be filled by the voters of the entire State; also for members of either branch of the Legislature, and Congress and judicial officials; provided, no voter shall vote for members of either branch of the Legislature, Congress, or judicial officials outside of the legislative, congressional or judicial district of such voter's residence, and nothing herein shall permit a voter to vote at any place other than his residence, if he be within the county of his residence on election day. Any person offering to vote in any county other than the county of his residence shall deliver to the election managers his poll tax receipt or exemption certificate, who shall retain same until the following day, and then mail same to the person depositing same to any address he may name; and in addition to depositing the poll tax receipt or exemption certificate such person so offering to vote shall make an affidavit:

(1) That he is absent from home, and it will be impossible for him to return to the precinct of his residence in time to vote; (2) that he has not voted at any other election precinct on that day, and will not offer to vote at any other precinct in this State; (3) that he personally paid his poll tax within the time provided by law, or personally secured the certificate of his exemption from the payment of a poll tax.

Sec. 3. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors for members of the Legislature at an election to be held throughout the State of Texas on the fourth Saturday in July, 1915, the same being the twenty-fourth day of July, 1915, and the Governor of this State is hereby directed to issue the necessary proclamation for said election, and to have same published, as required by the Constitution and laws of this State. Those favoring the amendment shall have written or printed on their ballots the words: "Against amendment to Section 2, of Article 6, of the Constitution, authorizing qualified voters to vote in precincts other than the precinct of their residence under certain conditions." Those opposing the amendment shall have written or printed on their ballots the words: "For amendment to Section 2, of Article 6, of the Constitution, authorizing qualified voters to vote in precincts other than the precinct of their residence under certain conditions."

Sec. 4. No legislation shall be necessary to put into effect this article of the Constitution, but when adopted same shall be self-enacting.

Sec. 5. The sum of five thousand (\$5,000.00) dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the State Treasury not otherwise appropriated, to defray the expenses of such proclamation, publication and election.

JNO. G. MCKAY, Secretary of State.

SENATE JOINT RESOLUTION NO. 19.

A Joint Resolution proposing and submitting to a vote of the people of Texas an amendment to Section 53 of Article 3 of the Constitution, authorizing the issuance of bonds for public improvements, and levying a tax to pay the interest and sinking fund on same, and for maintenance.

Be it resolved by the Legislature of the State of Texas: Section 1. That Section 53, of Article 3, of the Constitution of the State of Texas be amended so as hereafter to read as follows, to-wit:

Article 3, of the Constitution of the State of Texas be amended so as hereafter to read as follows, to-wit: Section 53. The Legislature shall have no power to authorize any county, city, town or other political corporation or subdivision of the State, to lend its credit or to grant public money or thing of value in aid of, or to, any individual, association or corporation whatsoever, or to become a stockholder in such corporation, association or company, provided, however, that under legislative provision any county, any political subdivision of a county, or any defined district now or hereafter to be described and defined within the State of Texas, and which may or may not include towns, villages, or municipal corporations, upon a vote of two-thirds majority of the resident property tax payers voting thereon who are qualified electors of such district or territory to be affected thereby, in addition to all other debts may issue bonds or otherwise lend its credit in any amount not to exceed one-fourth of the assessed valuation of the real property of such district or territory; except that the total bonded indebtedness of any city or town shall never exceed the limits imposed by other provisions of this constitution; and levy and collect such taxes to pay the interest thereon and provide a sinking fund for the redemption thereof; and the Legislature may authorize, and in such manner as it may authorize the same, for the following purposes, to-wit:

(a) The improvement of rivers, creeks and streams to prevent overflows, and to permit of navigation thereon, or irrigation therefrom, or in aid of such purposes.

(b) The construction and maintenance of pools, lakes, reservoirs, dams, canals and waterways for the purposes of irrigation, drainage or navigation, or in aid thereof.

(c) The construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof.

Provided, however, that under legislative enactment any defined district now or hereafter to be described and defined within the State of Texas, which may be formed for the purpose of reclaiming and improving overflowed and swamp lands in this State, and maintaining the improvements thereof, may, upon a vote of two-thirds majority of the resident property tax payers voting thereon who are qualified electors of such district or territory, in addition to all other debts, issue bonds or otherwise lend its credit in any amount not to exceed fifty per cent of the assessed valuation of the real property in such district or territory.

Provided, further, that where a county, district or other political subdivision has issued bonds for improvements for the purposes named in this Section, the Legislature may authorize the levy and collection of taxes for the maintenance of such improvements, not to exceed fifty cents on the hundred dollars valuation in any one year.

Sec. 2. The foregoing amendment of Section 52 of Article 3, of the Constitution of Texas, shall be submitted to the qualified electors of this State for its adoption or rejection, at a special election hereby ordered for the Fourth Saturday in July, A. D. 1915, the same being the twenty-fourth day of said month. All voters on this proposed amendment at said election who favor its adoption shall have printed or written on their ballots the following: "For amendment of Section 52 of Article 3, of the Constitution, authorizing the issuance of bonds for levee, drainage, road and other public improvements, and for taxes therefor."

Those voting against its adoption shall have printed or written on their ballots the following: "Against the amendment of Section 52 of Article 3 of the Constitution, authorizing the issuance of bonds for levee, drainage, road and other improvements, and for taxes therefor."

Previous to the election the Secretary of State shall cause to be printed and forwarded to the county judge of each county, for use in said election, a sufficient number of ballots for the use of the voters in each county, on which he shall have printed the form of ballot herein prescribed, for the convenient use of voters.

Sec. 3. The Governor of the State is hereby directed to issue his necessary proclamation ordering this election, and have the same published as required by the Constitution and laws of this State. The sum of five thousand dollars (\$5,000) or so much thereof as may be necessary is hereby appropriated out of any funds in the State Treasury not otherwise appropriated, to defray the expenses of publishing said proclamation, and printing and distributing the necessary tickets and blanks for use in said election.

HOUSE JOINT RESOLUTION NO. 4.

A joint resolution of the Legislature of the State of Texas proposing and submitting to a vote of the people of Texas an amendment to Section 9, Article 8, of the Constitution, authorizing the levy and collection of a special road tax not to exceed fifty cents on the one hundred dollars of valuation of property in any county, subdivision, or subdivisions, or defined district thereof, when same has been authorized by a majority of the qualified electors voting at an election held for that purpose, and making an appropriation for carrying out the provisions of this resolution.

Be it resolved by the Legislature of the State of Texas: Section 1. That Section 9, Article 8, of the Constitution of the State of Texas be amended so as to hereafter read as follows, to-wit: Section 9. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the tax provided for the benefit of the public free schools, shall never exceed

thirty-five cents on the one hundred dollars valuation; and no county, city or town shall levy more than twenty-five cents for city or county purposes, and not exceeding fifteen cents for roads and bridges, and not exceeding fifteen cents to pay jurors, on the one hundred dollar valuation, except for the payment of debts incurred prior to the adoption of the amendment, September 25, 1883; and for the erection of public buildings, streets, sewers, water works and other permanent improvements, not to exceed one dollar on the one hundred dollars valuation in any one year, and except as is in this Constitution otherwise provided; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further building and maintenance of the public roads; provided, that a majority of the qualified property tax paying voters of the county or of any political subdivision or subdivisions of the county, or of any defined district now or hereafter to be described and defined within any county, who has been assessed a property tax and paid said tax for the next year prior to the time he offers to vote, voting at an election held for that purpose, shall vote such tax, not to exceed fifty cents on the one hundred dollars valuation of property subject to taxation in such county, political subdivision or subdivisions, or described or defined district. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local action required for special or local laws.

Sec. 2. The foregoing amendment to Section 9, Article 8, of the Constitution of Texas shall be submitted to the qualified electors of this State for adoption or rejection at an election to be held on the fourth Saturday in the month of July, 1915. All voters on this proposed amendment at said election who favor its adoption shall have printed or written on their ballots the following: "For amendment to Section 9, Article 8, of the Constitution, authorizing the levy and collection of a special road tax not to exceed fifty cents on the hundred dollars valuation of property in any county, subdivision or subdivisions, or defined district thereof, when same has been authorized by a majority of the qualified electors voting at an election held for that purpose."

Those voting against its adoption shall have printed or written on their ballots the following: "Against the amendment to Section 9, Article 8, of the Constitution, authorizing the levy and collection of a special road tax not to exceed fifty cents on the hundred dollars valuation of property in any county, subdivision or subdivisions, or defined district thereof, when same has been authorized by a majority of the qualified electors voting at an election held for that purpose."

thirty-five cents on the one hundred dollars valuation; and no county, city or town shall levy more than twenty-five cents for city or county purposes, and not exceeding fifteen cents for roads and bridges, and not exceeding fifteen cents to pay jurors, on the one hundred dollar valuation, except for the payment of debts incurred prior to the adoption of the amendment, September 25, 1883; and for the erection of public buildings, streets, sewers, water works and other permanent improvements, not to exceed one dollar on the one hundred dollars valuation in any one year, and except as is in this Constitution otherwise provided; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further building and maintenance of the public roads; provided, that a majority of the qualified property tax paying voters of the county or of any political subdivision or subdivisions of the county, or of any defined district now or hereafter to be described and defined within any county, who has been assessed a property tax and paid said tax for the next year prior to the time he offers to vote, voting at an election held for that purpose, shall vote such tax, not to exceed fifty cents on the one hundred dollars valuation of property subject to taxation in such county, political subdivision or subdivisions, or described or defined district. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local action required for special or local laws.

Sec. 2. The foregoing amendment to Section 9, Article 8, of the Constitution of Texas shall be submitted to the qualified electors of this State for adoption or rejection at an election to be held on the fourth Saturday in the month of July, 1915. All voters on this proposed amendment at said election who favor its adoption shall have printed or written on their ballots the following: "For amendment to Section 9, Article 8, of the Constitution, authorizing the levy and collection of a special road tax not to exceed fifty cents on the hundred dollars valuation of property in any county, subdivision or subdivisions, or defined district thereof, when same has been authorized by a majority of the qualified electors at an election held for that purpose."

Those voting against its adoption shall have printed or written on their ballots the following: "Against the amendment to Section 9, Article 8, of the Constitution, authorizing the levy and collection of a special road tax not to exceed fifty cents on the hundred dollars valuation of property in any county, subdivision or subdivisions, or defined district thereof, when same has been authorized by a majority of the qualified electors at an election held for that purpose."

Sec. 3. The Governor of the State is hereby directed to issue his necessary proclamation ordering this election, and have the same published as required by the Constitution and laws of this State. The sum of five thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the State Treasury not otherwise appropriated, to defray the expenses of publishing and printing of tickets and necessary blanks to use in said election.

SENATE JOINT RESOLUTION NO. 3.

A proposed amendment to the Constitution of the State of Texas, amending Article 5, Section 2 of the Constitution of said State, so as to provide that the Supreme Court of this State shall consist of a Chief Justice and four Associate Justices, describe their qualifications, tenure of office and compensation.

Be it resolved by the Legislature of the State of Texas: Section 1. That Section 2 of Article 5 of the Constitution of the State of Texas be so amended so as to hereafter read as follows: Section 2. The Supreme Court shall consist of a Chief Justice and four Associate Justices, any three of whom shall constitute a quorum, and the concurrence of three judges shall be necessary to the decision of a case. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he be at the time of his election a citizen of the United States, and of this State, and unless he shall have attained the age of thirty years, and shall have been a practicing lawyer or a Judge of a Court, or such lawyer and judge together, at least seven years. Said Chief Justice and Associate Justices shall be elected by the qualified voters of the State at a general election, shall hold their offices six years, or until their successors are elected and qualified, and shall each receive an annual salary of five thousand dollars until otherwise provided by law. In case of a vacancy in the office of Chief Justice of the Supreme Court, the Governor shall fill the vacancy until the next general election for said officers; and at such general election the vacancy for the unexpired term shall be filled by election by the qualified voters of the State. The Judges of the Supreme Court who may be in office at the time this amendment takes effect shall continue in office until the expiration of their term of office under the present Constitution, and until their successors are elected and qualified.

Immediately after the adoption of this amendment the Governor of this State shall call an election for the purpose of electing two Associate Justices of the Supreme Court, one of whom shall, when elected, hold said office for four years and one of whom, when elected, shall hold said office for six years, and the question of which of them shall hold for four years and which of them hold for six years shall be determined by lot, as now provided by law.

Sec. 3. The Governor of this State is hereby directed to issue the necessary proclamation, ordering an election to determine whether or not said Constitution amendments will be adopted, and have the same published, as required by the Constitution and laws of this State. Said election shall be held on July, 1915, and the sum of Five Thousand Dollars (\$5,000.00), or so much thereof as may be necessary, is hereby appropriated from any fund in the State Treasury not otherwise appropriated, to defray the expenses of printing said proclamation and of holding said election.

HOUSE JOINT RESOLUTION NO. 34.

A Joint resolution proposing an amendment to Article 7, Section 10, 11, 12, 13, 14 and 15, of the Constitution of the State of Texas, providing for the establishment and separate maintenance of the University of Texas and fixing its permanent location in Travis County; providing for the permanent location of the medical branch of the University of Texas in Galveston County; providing for the establishment and maintenance of the Agricultural and Mechanical College of Texas as an independent college, and providing for its permanent location in Brazos County; providing for the establishment and separate maintenance of the College of Industrial Arts and fixing its permanent location in Denton County; authorizing the establishment of junior agricultural college subsidiary to and under the government of the Agricultural and Mechanical College Board; establishing the Prairie View State Normal and Industrial College, and declaring it a branch of the Agricultural and Mechanical College, and fixing its permanent location at Prairie View, in Waller County; making an equitable division of the State permanent endowment fund between the University of Texas, the Agricultural and Mechanical College of Texas and the Prairie View State Normal and Industrial College; making an appropriation to defray the expenses of advertising and submitting same to a vote of the people.

Be it resolved by the Legislature of the State of Texas: Section 1. That Section 10, 11, 12, 13, 14 and 15, Article 7, of the Constitution of Texas, be amended so as to hereafter read as follows: Section 10. The University of Texas is hereby established and permanently located in Travis County, and shall be a university of the first class. The Legislature shall provide for its organization and for its development, maintenance and permanent improvement shall make by appropriation and otherwise such provision as may be necessary for the promotion of literature and the arts and sciences, pure and applied, in a university of the first class. The affairs of the University of Texas shall be administered by its own governing board as provided by law. The present members of the board shall continue in office until the expiration of their respective terms. The location herein made of the University of Texas shall in no way affect the location of the medical branch thereof situated in Galveston County.

Sec. 11. All lands and other property granted by the Republic of State of Texas to the University of Texas, or the University of Texas and its branches, except the lands transferred by Section 13 of this Article to the Agricultural and Mechanical College of Texas and the Prairie View State Normal and Industrial College, shall together with the proceeds of the sale of such lands, constitute the permanent university fund. All the income derived therefrom shall be the available fund, and shall be applied to the support and development of the University of Texas and to meet its obligations. The proceeds from the sale of University lands shall be invested as authorized by law for the investment of the permanent school fund. The one-tenth of the alternate sections of lands granted to railroads, reserved by the State, which was set apart and appropriated to the establishment of the University of Texas by an act of the Legislature of February 11, 1858, entitled "An Act to establish the University of Texas," shall not be included in or constitute a part of the permanent university fund.

Sec. 12. The Agricultural and Mechanical College of Texas is hereby established and permanently located in Brazos County and separated from the University of Texas and constituted an independent college. The Legislature shall provide for the organization of said college and for its development, maintenance and permanent improvement, shall make by appropriation and otherwise such provision as may be necessary to accomplish the purpose of said institution, which, without excluding classical and cultural studies, shall be to teach and develop those branches of learning which relate to agriculture and the natural sciences connected therewith, the various branches of engineering, the mechanical arts and military sciences and tactics. The affairs of the Agricultural and Mechanical College shall be administered by its own governing board as provided by law. The present members of the board shall continue in office until the expiration of their respective terms. The Prairie View State Normal and Industrial College for Colored Youths is hereby established and its government and control shall continue under the governing board of the Agricultural and Mechanical College of Texas. Provided the Legislature may establish junior agricultural colleges subsidiary to the Agricultural and Mechanical College and under the control of the Agricultural and Mechanical College Board.

Sec. 13. Of the land heretofore set apart to the University and to the University and its branches by the State of Texas, and remaining unsold, there is hereby transferred to and made a part of the permanent fund of the Agricultural and Mechanical College of Texas, six hundred thousand acres of land of average value; there are hereby transferred as a permanent fund to the Prairie View State Normal and Industrial College one hundred and fifty thousand acres of land of average value; and all of the remainder of the said land shall constitute a part of the permanent fund of the University of Texas. The Legislature shall provide for the division of the land as specified herein. The land herein set apart to the University, the Agricultural and Mechanical College of Texas and the Prairie View State Normal and Industrial College shall be sold under such regulations, at such times and on such terms as may be prescribed by law. The Legislature shall provide for the prompt collection at maturity of all debts due on account of the sale of said lands, and in no event shall any relief be granted to any purchaser.

Sec. 14. All lands and other property heretofore granted or herein granted to the Agricultural and Mechanical College, together with the proceeds of the sale of such lands, shall constitute its permanent fund. All the income derived therefrom shall be the available fund and shall be applied to the support and development of the Agricultural and Mechanical College and to meet its obligations. The proceeds from the sale of University lands shall be invested as authorized by law for the investment of the permanent school fund. The one-tenth of the alternate sections of lands granted to railroads, reserved by the State, which was set apart and appropriated to the establishment of the University of Texas by an act of the Legislature of February 11, 1858, entitled "An Act to establish the University of Texas," shall not be included in or constitute a part of the permanent university fund.

Sec. 15. The Agricultural and Mechanical College of Texas is hereby established and permanently located in Brazos County and separated from the University of Texas and constituted an independent college. The Legislature shall provide for the organization of said college and for its development, maintenance and permanent improvement, shall make by appropriation and otherwise such provision as may be necessary to accomplish the purpose of said institution, which, without excluding classical and cultural studies, shall be to teach and develop those branches of learning which relate to agriculture and the natural sciences connected therewith, the various branches of engineering, the mechanical arts and military sciences and tactics. The affairs of the Agricultural and Mechanical College shall be administered by its own governing board as provided by law. The present members of the board shall continue in office until the expiration of their respective terms. The Prairie View State Normal and Industrial College for Colored Youths is hereby established and its government and control shall continue under the governing board of the Agricultural and Mechanical College of Texas. Provided the Legislature may establish junior agricultural colleges subsidiary to the Agricultural and Mechanical College and under the control of the Agricultural and Mechanical College Board.

Sec. 16. The Legislature shall pass the necessary laws carrying into effect this provision of the Constitution.

Sec. 17. That the above and foregoing proposed amendment shall be duly published once a week, for four weeks, commencing at least three (3) months before a special election to be held for the purpose of voting upon such proposed amendment, on the fourth Saturday in July, 1915, in one weekly newspaper of each county in the State of Texas, in which such newspaper may be published. And the Governor shall, and he is hereby directed, to issue the necessary proclamation for the submission of this proposed amendment to the qualified electors for members of the Legislature. At such election all persons favoring such amendment shall have written or printed on their ballot the words "For the Amendment to Section 3 of Article 7 of the Constitution, adding thereto Section 3b, authorizing the Commissioners' Court to create a Students' Loan Fund," and those opposed thereto shall have written or printed on their ballots the words, "Against the Amendment to Section 3 of Article 7 of the Constitution, adding thereto Section 3b, authorizing the Commissioners' Court to create a Students' Loan Fund."

Sec. 18. That \$5,000.00, or as much thereof as may be necessary, be and the same is hereby appropriated out of any money in the Treasury not otherwise appropriated, to defray the expenses of advertising and holding the election provided for above.

JNO. G. MCKAY, Secretary of State.

HOUSE JOINT RESOLUTION NO. 9.

A joint resolution to amend Article 7 of the Constitution of the State of Texas, by adding thereto Section 3b, authorizing the Legislature to provide by law for the creation of a student's loan fund in each county in connection with the public schools thereof.

Be it resolved by the Legislature of the State of Texas: Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto a new section to be known as section 3b, which shall read and be as follows, to-wit: "Sec. 3b. The Commissioners' Court of each county in this State shall have the power, and is hereby authorized, when a majority of the qualified voters of such county shall vote to create such fund, to create a fund to be known as a 'Students' Loan Fund,' for the purpose of enabling students of the public free schools of said county to borrow money to be used in their education for the purpose of graduating from the county public schools and after graduation to continue their education in any higher State institution of learning, such fund to be created and administered by the Commissioners' Court of each county as may be provided by law."

Sec. 2. And the Legislature may authorize an additional ad valorem tax to be levied and collected within such county for the purpose of raising said students' loan fund, said tax not to exceed in any one year twenty cents (\$20c) on the one hundred dollars (\$100.00) valuation of the property subject to taxation in each county; provided, that a majority of the qualified property tax paying voters of the county voting at an election to be held for that purpose shall vote such tax. Provided, that if the tax is adopted, after it has been enforced for two years, an election may be held, on the order of the commissioners' court to determine whether or not said tax shall be repealed; and provided, further, that it shall be the duty of the Commissioners' Court to order such election upon a petition so to do by twenty-five per cent of the qualified tax paying voters of the county.

Sec. 3. The Legislature shall pass the necessary laws carrying into effect this provision of the Constitution.

Sec. 4. That the above and foregoing proposed amendment shall be duly published once a week, for four weeks, commencing at least three (3) months before a special election to be held for the purpose of voting upon such proposed amendment, on the fourth Saturday in July, 1915, in one weekly newspaper of each county in the State of Texas, in which such newspaper may be published. And the Governor shall, and he is hereby directed, to issue the necessary proclamation for the submission of this proposed amendment to the qualified electors for members of the Legislature. At such election all persons favoring such amendment shall have written or printed on their ballot the words "For the Amendment to Section 3 of Article 7 of the Constitution, adding thereto Section 3b, authorizing the Commissioners' Court to create a Students' Loan Fund," and those opposed thereto shall have written or printed on their ballots the words, "Against the Amendment to Section 3 of Article 7 of the Constitution, adding thereto Section 3b, authorizing the Commissioners' Court to create a Students' Loan Fund."

Sec. 5. That \$5,000.00, or as much thereof as may be necessary, be and the same is hereby appropriated out of any money in the Treasury not otherwise appropriated, to defray the expenses of advertising and holding the election provided for above.

JNO. G. MCKAY, Secretary of State.

The present members of the board shall continue in office until the expiration of their respective terms. The Prairie View State Normal and Industrial College for Colored Youths is hereby established and its government and control shall continue under the governing board of the Agricultural and Mechanical College of Texas. Provided the Legislature may establish junior agricultural colleges subsidiary to the Agricultural and Mechanical College and under the control of the Agricultural and Mechanical College Board.

Sec. 13. Of the land heretofore set apart to the University and to the University and its branches by the State of Texas, and remaining unsold, there is hereby transferred to and made a part of the permanent fund of the Agricultural and Mechanical College of Texas, six hundred thousand acres of land of average value; there are hereby transferred as a permanent fund to the Prairie View State Normal and Industrial College one hundred and fifty thousand acres of land of average value; and all of the remainder of the said land shall constitute a part of the permanent fund of the University of Texas. The Legislature shall provide for the division of the land as specified herein. The land herein set apart to the University, the Agricultural and Mechanical College of Texas and the Prairie View State Normal and Industrial College shall be sold under such regulations, at such times and on such terms as may be prescribed by law. The Legislature shall provide for the prompt collection at maturity of all debts due on account of the sale of said lands, and in no event shall any relief be granted to any purchaser.

Sec. 14. All lands and other property heretofore granted or herein granted to the Agricultural and Mechanical College, together with the proceeds of the sale of such lands, shall constitute its permanent fund. All the income derived therefrom shall be the available fund and shall be applied to the support and development of the Agricultural and Mechanical College and to meet its obligations. The proceeds from the sale of University lands shall be invested as authorized by law for the investment of the permanent school fund. The one-tenth of the alternate sections of lands granted to railroads, reserved by the State, which was set apart and appropriated to the establishment of the University of Texas by an act of the Legislature of February 11, 1858, entitled "An Act to establish the University of Texas," shall not be included in or constitute a part of the permanent university fund.

Sec. 15. The Agricultural and Mechanical College of Texas is hereby established and permanently located in Brazos County and separated from the University of Texas and constituted an independent college. The Legislature shall provide for the organization of said college and for its development, maintenance and permanent improvement, shall make by appropriation and otherwise such provision as may be necessary to accomplish the purpose of said institution, which, without excluding classical and cultural studies, shall be to teach and develop those branches of learning which relate to agriculture and the natural sciences connected therewith, the various branches of engineering, the mechanical arts and military sciences and tactics. The affairs of the Agricultural and Mechanical College shall be administered by its own governing board as provided by law. The present members of the board shall continue in office until the expiration of their respective terms. The Prairie View State Normal and Industrial College for Colored Youths is hereby established and its government and control shall continue under the governing board of the Agricultural and Mechanical College of Texas. Provided the Legislature may establish junior agricultural colleges subsidiary to the Agricultural and Mechanical College and under the control of the Agricultural and Mechanical College Board.

Sec. 16. The Legislature shall pass the necessary laws carrying into effect this provision of the Constitution.

Sec. 17. That the above and foregoing proposed amendment shall be duly published once a week, for four weeks, commencing at least three (3) months before a special election to be held for the purpose of voting upon such proposed amendment, on the fourth Saturday in July, 1915, in one weekly newspaper of each county in the State of Texas, in which such newspaper may be published. And the Governor shall, and he is hereby directed, to issue the necessary proclamation for the submission of this proposed amendment to the qualified electors for members of the Legislature. At such election all persons favoring such amendment shall have written or printed on their ballot the words "For the Amendment to Section 3 of Article 7 of the Constitution, adding thereto Section 3b, authorizing the Commissioners' Court to create a Students' Loan Fund," and those opposed thereto shall have written or printed on their ballots the words, "Against the Amendment to Section 3 of Article 7 of the Constitution, adding thereto Section 3b, authorizing the Commissioners' Court to create a Students' Loan Fund."

Sec. 18. That \$5,000.00, or as much thereof as may be necessary, be and the same is hereby appropriated out of any money in the Treasury not otherwise appropriated, to defray the expenses of advertising and holding the election provided for above.

HOUSE JOINT RESOLUTION NO. 9.

A joint resolution to amend Article 7 of the Constitution of the State of Texas, by adding thereto Section 3b, authorizing the Legislature to provide by law for the creation of a student's loan fund in each county in connection with the public schools thereof.

Be it resolved by the Legislature of the State of Texas: Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto a new section to be known as section 3b, which shall read and be as follows, to-wit: "Sec. 3b. The Commissioners' Court of each county in this State shall have the power, and is hereby authorized, when a majority of the qualified voters of such county shall vote to create such fund, to create a fund to be known as a 'Students' Loan Fund,' for the purpose of enabling students of the public free schools of said county to borrow money to be used in their education for the purpose of graduating from the county public schools and after graduation to continue their education in any higher State institution of learning, such fund to be created and administered by the Commissioners' Court of each county as may be provided by law."

Sec. 2. And the Legislature may authorize an additional ad valorem tax to be levied and collected within such county for the purpose of raising said students' loan fund, said tax not to exceed in any one year twenty cents (\$20c) on the one hundred dollars (\$100.00) valuation of

THE UNIVERSITY SCHOOL OF JOURNALISM

Learning the mechanical side of the newspaper business.

This photograph shows a linotype machine in use in the School of Journalism of the University of Texas. Recognizing the importance of newspapers to the commonwealth, realizing that the press is the most potent molder of public opinion, and that a free and enlightened press is an important factor in all progress worth while, the regents of the University of Texas established last year a School of Journalism, where the youth of the state of journalistic ambitions might receive competent instruction, be grounded in the best traditions of journalism, and inspired with the highest ideals of service. The school enrolled fifty students during the first year. Considerable stress is put upon the mechanical and business side of newspaper publishing, with a view to being of service, particularly to the rural and small town press of the state.

It is stated by a prominent railroad official that one of the big Chicago mail order houses which last year declared a dividend of \$25,000,000 or 50 per cent on its capital gets 60 per cent of its business from people of Texas. If this is so, and we presume that it is, coming from the upper source it has, it is high time the merchants of Texas were doing something worth while towards stopping this great flow of money to Chicago mail order houses.—Plain view News.

Hogs in Northwest Texas.

In many respects Northwest Texas is a newly discovered country, just starting to develop. True, years ago there was a rush of people into this section when the big pastures were opened, but in this rush were few country builders. The majority looked for an Eldorado, to get rich over night. They faded away, leaving few signs that they had been here. Every new country seemingly must give the "unfit and unprepared" their day before real development is possible.

Agriculturally, Northwest Texas is today on a firm business basis. It has climatic and soil advantages that are being taken into account by aggressive and capable men. Methods of agriculture depend on conditions, and in Northwest Texas today the methods are adjusted to climate and soil. In locality are men who have found the successful way. They have had some outside assistance, but in the main they have worked out their own salvation.

Live stock is naturally the backbone in the successful development of Northwest Texas. Cattle, sheep and hogs turn the farm crops into ready cash. Plainview boasts that it ships more hogs than any other Texas point, and it gained this distinction in a very short time. But Hereford is coming strong on hogs; in fact, every place through this part of the state is coming to the front on hogs. The steers and lambs in the feed lots scattered over Northwest Texas show that this section has found what it can do best. Its future is assured.

Consider these facts:

This newspaper is not a link in an advertising campaign. It is a complete method of campaign in itself.

It reaches a definite circle of consumers, regularly and consistently.

It goes into home, office, store, factory, and it influences individual sales.

It is the common sense means of speeding up business. Sensible buyers watch for the ads. Sensible merchants advertise.
