## Nazareth at Hart

# Round 3

Friday night at 7:30

THE traffic on FM 168 between Hart and Nazareth will be bumper to bumper Friday night as football fans from around the county head to Hart for a showdown between two of the best Class A football teams in the state.

And those two teams will be playing for the District 2-A championship at Longhorn Stadium in Round 3 of the "War of the Titans." Kickoff is slated for 7:30 p.m.

In the War of the District 2-A Titans (Hart, Nazareth and Sudan), Round 1 between Sudan and Hart resulted in a 35-0 Sudan win. Round 2 was a 28-12 Nazareth victory over Sudan. And on Friday night, Round 3 between Hart and Nazareth will decide who gets to go to the playoffs and who has to stay home.

Both Castro County teams have a realistic shot at earning a playoff berth, but each needs a victory Friday to make that happen.

A victory or tie for the Swifts would give them the district championship.

A victory for the Longhorns would throw the district into a three-way tie (between Naz, Hart and Sudan) and a coin flip would decide who would advance in the playoffs.

"I'd rather be playing them here (in Hart) than at their place (in

Nazareth), said Hart Coach Alan Cherry. "I don't think they can be beat at their place.

"We've got a chance to win district now (that Nazareth beat Sudan)," said Cherry. "We have to win to get into the playoffs, that's all there is to it. But that's not going to be easy to do. They (Nazareth) went out and really whipped Sudan, and Sudan beat us. Nazareth's probably got as good a team as there is in the state."

Nazareth Coach Rick Price said Hart has "the best defense I've seen all year," and its offense "is plenty good."

Price said Nazareth will have to put forth the same effort it did against Sudan Friday to prevail in the game.

"This is an intense rivalry that means more than it has in past years because the district championship is involved. It will be a major stepping stone for us if we win," said Nazareth's Russell Huckert.

Hart's defense is ranked first and Nazareth's second among area Class A teams on the South Plains, according to a *Lubbock Avalanche-Journal* poll.

The Longhorns have given up an average of only six points and 102 yards to nine opponents.

The Swifts have allowed nine opposing teams an average of only 5.33 points and 153 yards.

Offensively, Nazareth is second in the area after averaging 378 yards and 36.11 points per game.

Hart's offense has managed an average of 32.5 points and 317.1 yards per game.

"We're going to have to play hard and hope the breaks fall our way," said Cherry. "We'll have to play a perfect game and they'll have to make mistakes. They've got a great quarterback, running back, tight end, wide receiver and middle linebacker. Everybody else is really good, but those guys are just great."

"The key to the game for us will be not turning the ball over," Price said. "We'll have to execute well on offense and not make any mistakes. Hart has forced some big turnovers this year and they've returned several interceptions for touchdowns. That's the kind of thing we'll have to avoid. Their whole defensive unit is strong. They pursue well and gang tackle."

The Longhorns run a 5-2 attacking defense that has recorded three shutouts this season.

Hart's defensive standouts include senior ends Bryan Welps (6-0, 230) and Jeremy Hawkins (5-9, 175); junior tackle Israel Garcia (6-1,

Although the nation's voters were swept along with "the winds of change," Castro County voters resisted, at least in the Presidential race.

Republican incumbent George Bush was the leader in the county and the state, with his 1,307 votes comprising 44% of the county vote. He also had 41% in the state. However, nationally, he was reported to have only 39%.

Democratic candidate Bill Clinton is reported to have won 44% of the popular vote at the national level. Castro County matched the 38% Clinton won in Texas, with 1,113 votes credited to him here.

Independent challenger Ross Perot received 485 votes in Castro County, giving him 16% of the electorate here, a smaller percent-

age than the 21% he received state-wide and the 18% he registered nationally.

The county turned out 2,947 vo-

ters, 67% of those registered to vote.

Democrat Bill Sarpalius easily won election as District 13's Representative to the US House, garnering 1,639 votes here (61%), comparable with the 60% he received district-wide. His Republican opponent, Beau Boulter, re-

ceived 1,047 votes in the county.

Former Railroad Commission Chairman Lena Guerrero asked the people of Texas to forgive her and give her another chance, but not enough voters were willing to do that. The Democratic candidate for a spot on the Railroad Commission garnered 1,222 votes here for a showing of 46%, while her state-wide standing was only 40% of the vote.

Republican Railroad Commission candidate Barry Williamson received 1,377 votes, giving him 52%. State-wide, he received 53%. Libertarian candidate Richard Draheim Jr. got 73 votes in the county.

# Hard freeze is expected to trigger cotton harvest

Although fields of fluffy white cotton balls are few and far between you can spot a few throughout the county.

And after Tuesday night's hard freeze (the low dropped to 22 degrees), local ginners hope cotton harvest will be in full swing within the next week.

"We got what we needed last night—a good hard freeze, said Randy Small of Castro Co-op Gin on Wednesday morning. "We should be rolling within a week."

There's not much cotton left in the field, thanks to an unusually cool, wet spring and hail damage during the summer. But what is out there looks "decent."

"It (cotton) looks better than I

thought it would," said Clay Davis at Flagg Farmers Gin. "It's opened

Castro Co-op is one of two gins that have received cotton already.

The first bale of cotton at Sunnyside Gin was ginned at 2 p.m. Monday, Oct. 26, according to James Norrell, manager.

The first load was stripped by Lyle Louder and it yielded nine bales off of eight acres. The Lambright 20/20 variety had 551 lbs. of lint per acre, according to Norrell.

Norrell said that Louder's cotton was the first of the year for his facility. He said the cotton in his area is pretty good, but some has

# DVFD to enlarge station

The Dimmitt Volunteer Fire Dept. may soon have expanded quarters at a cost of at least \$21,186.

That was the amount of the low bid tentatively accepted at the Monday night meeting of the Dimmitt City Council. Submitted by Plains Builders of Amarillo, the bid was accepted as long as it is determined to meet all of the bid specifications.

Members of the DVFD and city personnel were instructed to examine the bid and advise the council if it meets specifications. The only

other bid received was from A&M Building Systems of Clovis, N.M. for \$30,742. Both companys' bids included other options priced separately.

The expansion will create room for additional vehicles in the fire station building, and will make it easier to get the rescue vehicle out without having to move other vehicles first.

In a related matter, the council voted to authorize the fire department to come up with specifications to go out for bids on a new fire truck.

City Manager Reeford Burrous told the council that the water pumping pressure available from the older fire trucks may not meet current fire-fighting requirements. He reported that the firemen had looked at some demonstrator models that would be cheaper than a new one.

However, Fire Chief Randy Grifitt said that he felt it would be a better bargain in the long run to allow the department to order a model with better features than to

Final tally in the nationwide voters' call-in poll conducted by the TV tabloid program, *Hard Copy*:

Bush 41%, Clinton 31%, Perot 28%.

\*Nuf said about call-in polls.

From what I've heard, there were as many Dimmitt football fans at Nazareth Friday night as there were at Friona.

Swift Field was jam-packed with a crowd that my sources say would have filled or overflowed Bobcat Stadium.

It might have been the biggest crowd ever to see a game at Swift Field.

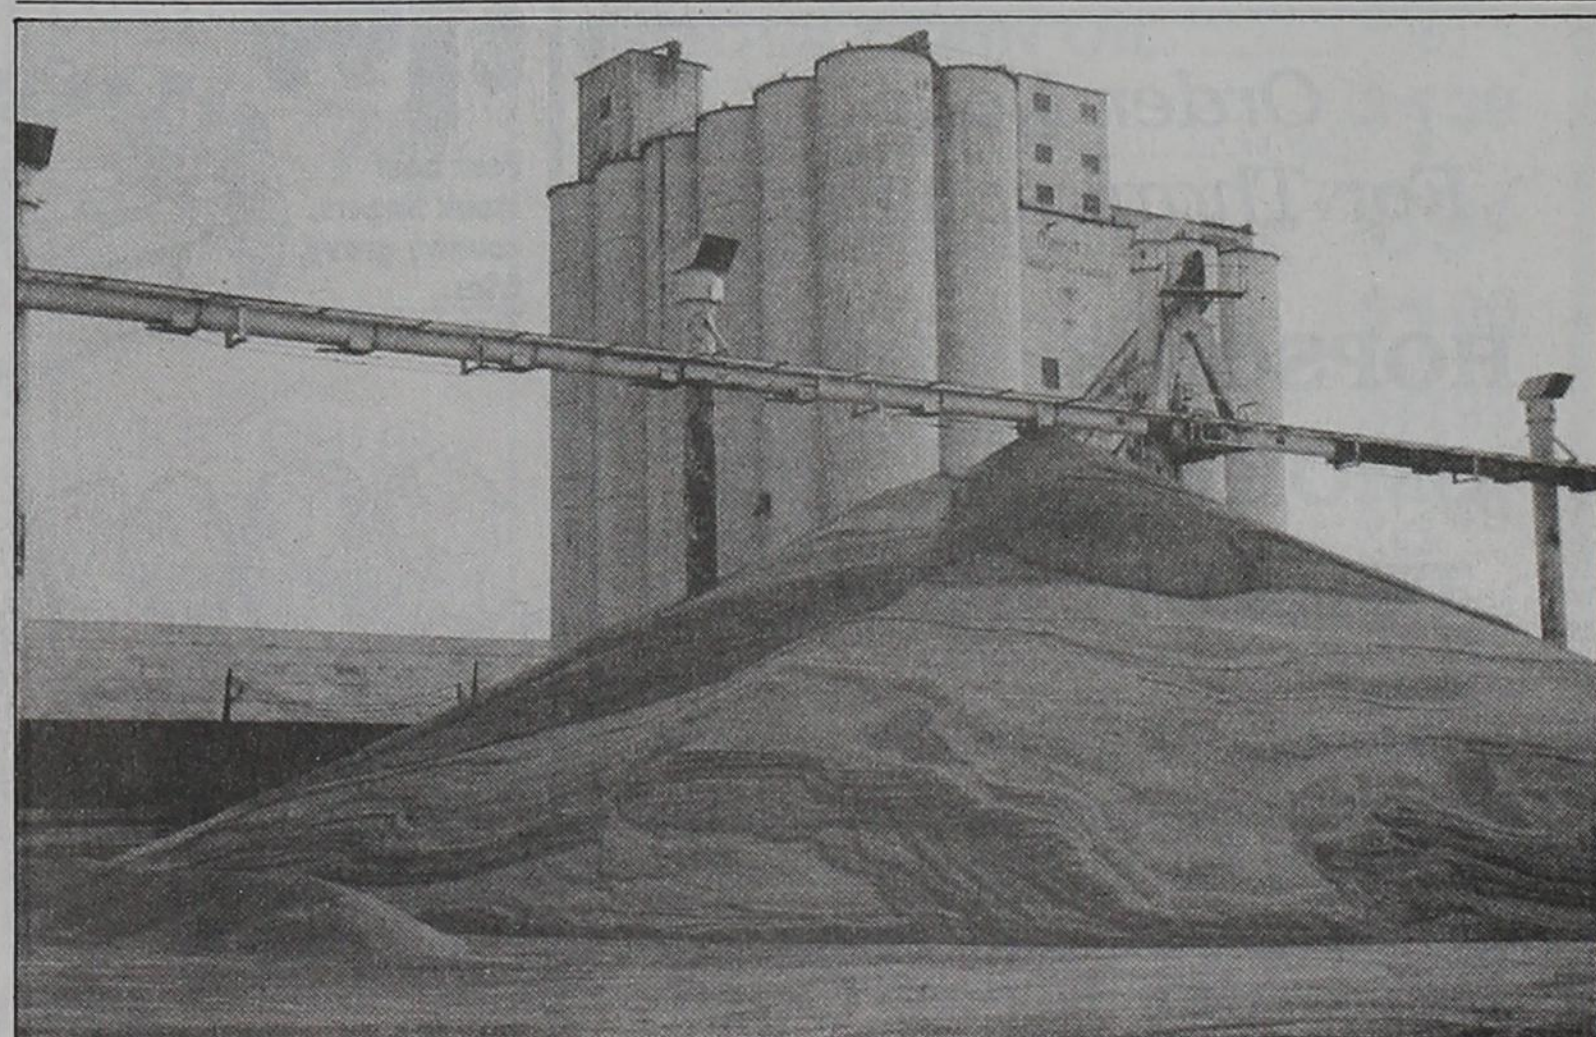

And it must have been one of the best games of the season as the No. 10-ranked Swifts pulled off a 28-12 victory over the No. 4-ranked Sudan Hornets.

I was assuming that the Swifts would use their super passing game to counter the size and power of Sudan's running attack, and was hoping that they could finesse their way to a victory.

But they didn't do it that way. Michael Schmucker didn't throw the ball half as many times as usual.

Instead, the Swifts whipped them at the line of scrimmage, controlled

Geneva Dennis has returned from an extended visit with her son and family, Dr. Douglas and Mona Dennis in Goldthwaite. Eric was there one weekend while his grandmother was visiting. Eric is a 2nd Lt. in the Marines and Brent is a captain in the Marines.

Goldthwaite High School honored Dr. Douglas Dennis during the halftime at the football game. They gave him a jacket and a plaque in appreciation for the things he had done for the football teams all through the years.

Geneva Dennis came by Midland and spent a week before returning home. Decima came home with her mother and enjoyed playing with her great-nieces and nephew, Coby and Connie Gilbreath's two daughters, Chauncey and Cailee, and Danny and Debbie Underwood's son, Dennis.

Geneva's sisters, Jauvada Curtis and Mary Pyatt of Amarillo, came over to visit for a couple of days.

Irene Carpenter's sister-in-law and her husband, Mr. and Mrs. Gene Pittman of Fort Worth, were in Dimmitt for a short visit. They all went to Rocky Ford, Colo. to visit James and Joyce Autry. Irene stayed several days and visited with her grandson, Kelly Autry, and his family, Debbie, Trent, Kimbra and Whitney. They drove up to Colorado Springs one day.

Dr. Carl and Mary Lou Moman's daughter celebrated her birthday on Oct. 25. Her mother made a large cake in the shape of a pumpkin and decorated it in orange with green leaves. Claire is attending college at Wayland University in Plainview. Dr. Moman is the interim choir director at First Baptist Church in Dimmitt.

Ina Rae Cates was hostess to the Thursday Bridge Club that met at the Senior Citizens Center. They all brought brown-bag lunches and Ina Rae served German chocolate cake. Mattie Swirczynski was Ina Rae's partner and they won second highest score. Alma Kenmore and Johnnie Vannoy won high score. Others playing were Elizabeth Huckabay, Retta Cluck, Lorannell Hamilton, Dude McLaurin, Dugan Butler, Susie Reeves, Virginia Crider, Emily Clingingsmith, Edith Graef, Oleda Schumacher, Ferne Dickey, Bernice Hill, Helen Braafladt, Louise Mears, Mary Small and Neva Hickey. (Since the world travelers returned in time to play bridge, that made five tables, so they played partners and party bridge.)

Ivor and Hazel Bagwell have returned from a visit with their daughter, Nelda Fallwell and family of Dallas.

The youngest "Trick-or-Treater" who came to my house on Halloween was little Alyson Smith of Amarillo. She was wearing a red and blue clown suit. Her parents,

## Thomas named to honor list

Jackie C. Thomas of Dimmitt has been named to the president's honor roll for the summer quarter at Texas State Technical College in Waco.

Thomas, a student in the automotive technology program, is the son of Gerald Thomas.

The president's honor roll recognizes the scholastic achievements of students with a grade point average of 4.

Doug and Debbie Smith, were in Dimmitt visiting Debbie's parents, Bobby and Wanda Murdock.

The choir at First Baptist Church enjoyed a luncheon following the morning service and then practiced on the musical they will be singing in December.

The Castro County Museum board members held their monthly meeting last Thursday evening. Members present were Lon and Mary Woodburn, Ralph Lambright, Dale Winders, Madge Robb, Clara Vick, Rosetta Bellinghausen, Mary Edna Hendrix, and a guest, Jerry McGuire. Rosetta and Mary Edna served sandwiches, chips, pumpkin delight and lemonade.

Ed and Betty Freeman attended the Bill Gothard Ministers' Seminar last Thursday at Trinity Church in Lubbock. Then they made some hospital calls at Methodist hospital and attended the Wycliffe Associates banquet at Holiday Inn South.

Laura Spitzer, pianist, will play a concert for the Community Concerts on Tuesday at 8 p.m. at Harrel Auditorium at Wayland Baptist University in Plainview.

Weldon and Irene Bradley, Virginia Crider, Lorannell Hamilton, Dude McLaurin and Emily Clingingsmith just returned from a fall foliage tour through the southern and New England states. It covered over 24 states.

The foliage was beautiful from Georgia to Montreal, and many other interesting things were seen, Lorannell said.

Stone Mountain and the carvings of the three Civil War heroes of the south was one of the outstanding things in Georgia. President Jefferson Davis, General Robert E. Lee, and Thomas J. "Stonewall" Jackson on horseback are all carved into the

side of the mountain. The mural measures 90 feet by 190 feet and is recessed 42 feet into the mountain.

Mount Vernon, the home of President George Washington, was visited, as well as Richmond, Va. The capitol building was interesting. It was designed by Thomas Jefferson in 1785.

Other sights in Washington, D.C., included the Washington National Cathedral, the House of Representatives and Senate Chambers, the White House and various Smithsonian museum buildings.

While in Newport, R.I., they visited several mansions, including "The Breakers" (former home of Cornelius Vanderbilt), "The Marble House" (the home of William K. Vanderbilt), and "The Chateau-Sur-Mer" (the home of William S. Witmore).

Kennebunkport, Maine proved to be a quaint town, Lorannell said. Many small shops were visited before going on to Portland and Augusta to see the state capitol and other interesting things.

The group was surprised to find out that Montreal was an island. The most outstanding thing there was the Notre Dame Basilica. Tiffany stained glass was used throughout the church. Lorannell said the colors and designs were beyond belief.

Vermont had the most colorful, beautiful foliage. They visited a maple sugar factory there that had been in one family for four generations. They saw how the sap from the trees runs in tubes directly into the factory where water is evaporated from it and it becomes the syrup that is bought in the stores.

In Philadelphia, the group toured Franklin Court, Christ Church, Liberty Hall, Independence Hall, the Liberty Bell Pavilion, and the home of Betsy Ross.

The Amish settlements in Lancaster County were interesting. Lorannell said they were the cleanest places she had ever seen. The big homes and barns were painted, the fences were neat and the homes kept candles in the windows to welcome any stranger in. The food was wonderful and the home-made quilts and other types of crafts were outstanding, Lorannell reported.

Little Rock, Ark., had some unexpected sights, too. The group toured all three of the different capital buildings there. The "Old Mill Park" was the one used in the movie *Gone With the Wind*. The building used in the television show "Designing Women" and the home of Delta Burk in the show were also in Little Rock.

## DHS plans STARS event

Dimmitt High School students will join together on Nov. 25 for STARS, Students Together Avoid Risky Situations.

The STARS program will focus on education and information about a variety of topics concerning today's youth. It will feature a number of sessions in which the students will participate. These include highlighting some risky situations and behavior among high school students and how the students should react to these.

On Nov. 25, Pat Porter, a motivational speaker and youth consultant, will speak to the students during an assembly.

His REAL Teenagers program is designed to address problems of teen sex, alcohol and drugs abuse and negative peer pressure.

He also speaks to students in the fifth and sixth grades in his "Getting TUF on Alcohol" program.

Porter is a frequent speaker for teacher workshops and in-services. He presents keynote speeches and workshops to groups such as the Future Homemakers of America, Future Farmers of America, Peer Leadership Conferences and more.

## We Salute Our Election Workers

If you think elections are simple, try conducting one sometime.

Would you like to be an election worker? If so, how would you deal with someone whose name is on the poll list but who can't find a registration card? Or someone who has moved to your precinct after being issued a registration card in another precinct? How do you count a ballot on which a voter has marked the "straight ticket" box on one column, then voted for some candidate in another column? Or a ballot indicating a vote for two candidates for the same office?

The job requires 12 to 18 hours of total concentration and dedication.

We salute these workers who conducted the general election in Castro County Tuesday:

# DMS G/T students learn about political process

Gifted and Talented students from Dimmitt Middle School recently attended a political workshop in Plainview, as part of a study on elections and government.

Students attending the workshop were Cody Brockman, Derek Buckley, Ashley Davis, Jessica Flores, Adam Gonzales, Valerie Gonzales, Taryn Hays, Rusty McDaniel, Monica Ortiz, Lindsey Welch, Heather Wise, Wesley Wright and teacher Sara Hill.

Several weeks before the workshop in Plainview, students were assigned to research political issues including improvements in American education, environmental solutions, economic policies and foreign policies.

At the workshop, students witnessed a three-party campaign simulation presented by Plainview High School honors students. Each candidate and his entourage entered the room carrying campaign signs, threw confetti, cheered for their respective candidates.

A "secret service" man "guarded" each candidate and was wearing a headphone with a tiny speaker.

The GT students listened as each candidate gave his campaign speech, outlining his or her party's platform.

Then the students heard speeches highlighting the political issue

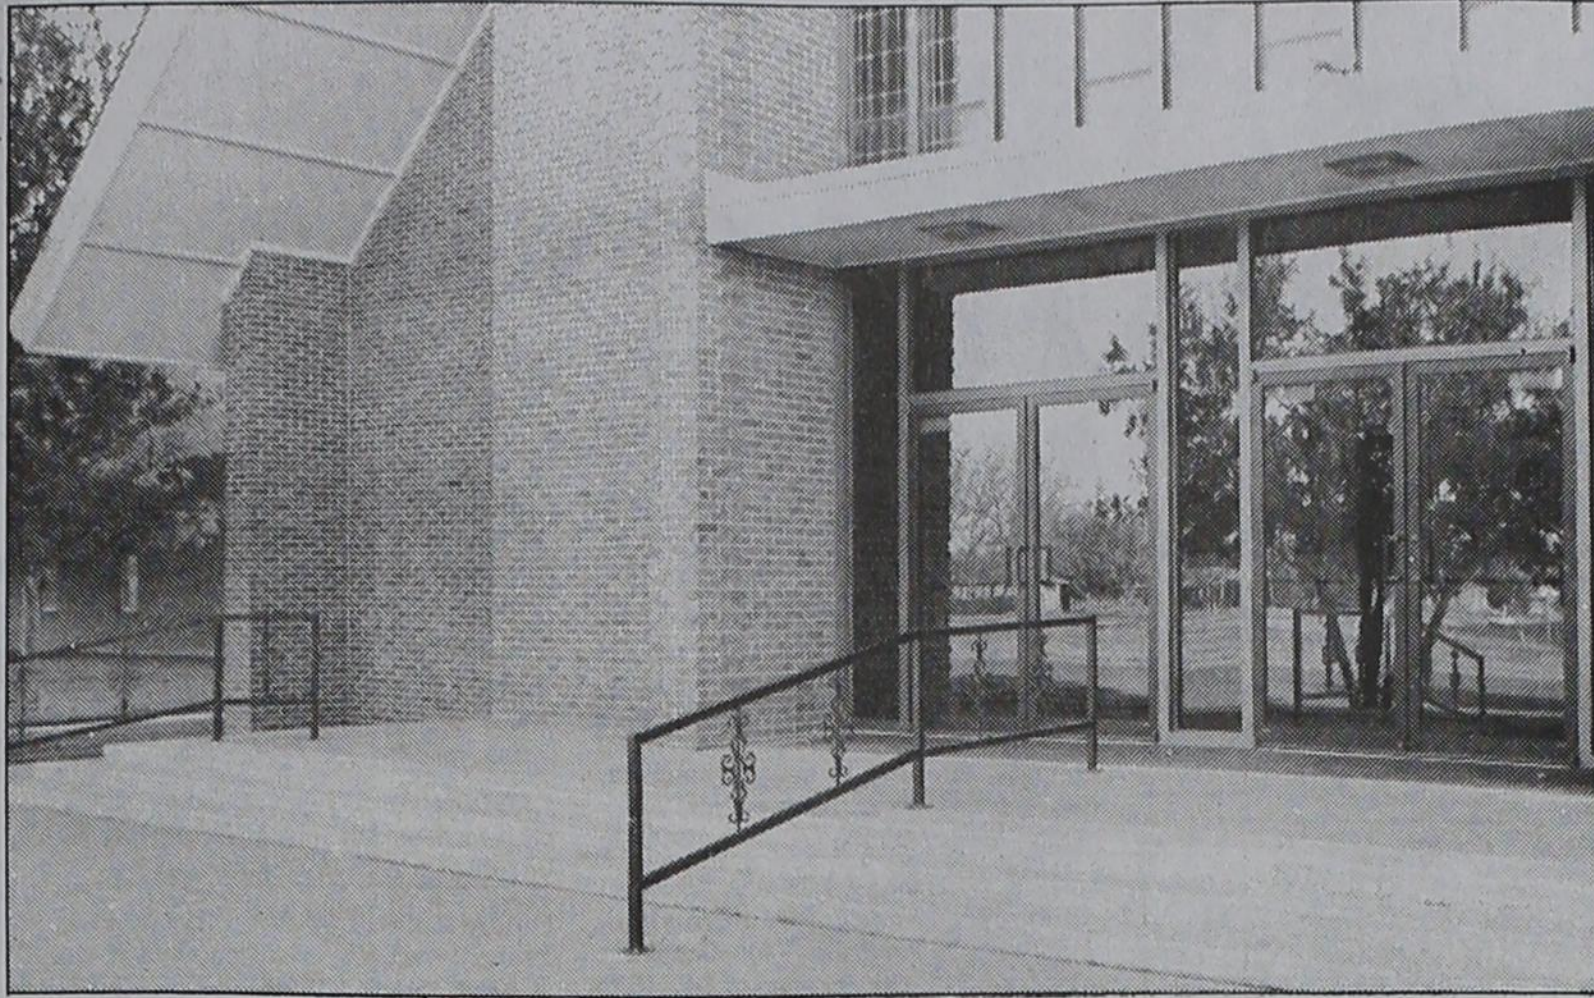

which they researched. Among the speakers were Kim Randolph on the environment; Dr. Tom Nesmith on the economy, Dr. Jim Bodd on education and Dr. Estelle Owen on foreign policy.

After taking part in sessions, the students divided into groups of about four or five, and then each group designed some product to demonstrate what they had learned. Then the students presented their products through mini debates, television commercials and talking comic strips.

The closing session featured a speech from Cecilia Masters, a former state legislator from New Mexico, who emphasized the importance of voting and being well informed.

The Dimmitt G/T students continued their political study on Oct. 27 when they visited the Democratic and Republican headquarters in Dimmitt.

Carole Dyer of the Democratic Party and Deanne Clark of the Republican Party spoke to the students, telling of the importance of political grass roots and about how hard county and city volunteers work during an election. Students also learned about studying platforms and the stances each party takes in an election.

**THIS NEW GLASS-EN-ENTRYWAY** is part of the recently-completed remodeling project at Dimmitt's First Baptist Church. Other improvements include new carpeting, pews and choir seating in the auditorium, and new carpeting throughout the educational section of the building, including the fellowship hall. All together, the project used over

3,000 square yards of carpet. It took about 160 gallons of paint and seven layers of scaffolding to paint the walls and polish the paneling in the auditorium. The improvements were dedicated in a special ceremony during the morning worship service Oct. 25.

# 4-H food show set

The Castro County 4-H food show will be held Saturday in the Nazareth School Cafeteria, and Extension Agent Carolyn Osborn says a large number of youths are expected to participate.

A total of 69 youths have signed up in Food and Nutrition projects this year, and each is expected to compete at the food show Saturday.

4-H'ers should report to the cafeteria at 8:30 a.m. Saturday and judging will begin at 9 a.m. The public is invited to attend a "tasting tea," which is planned for about 1 p.m. Winners will be announced after those present are served.

Sponsors for this year's food show are Perry's the Extension Homemakers Council, Judilee's, and Adams Extracts and Spices Corp.

Special books will contain the recipes prepared for the show by 4-H'ers and those will be given to all participants.

# Nazareth

By Uirgie Gerber, 945-2669

Father Neal Dee has returned from Austin where he attended the ninth annual scripture seminar sponsored by the Texas Catholic Conference.

"We are united for a drug-free youth," is the theme for the national red ribbon campaign, which was recognized last week in the Nazareth schools. A very special half-time ceremony at the Nazareth-Sudan football game Friday evening was very impressive. As the two school bands united to play *God Bless the USA*, the fans united and turned loose hundreds of red balloons. The week's observance ended Sunday in Holy Family Church as Father Dee gave a very meaningful homily on addiction and rehabilitation.

After mass, everyone was invited to the CCD building for doughnuts and beverages, and viewed posters and exhibits made by students.

Thanks to the Junior Catholic Daughters and their sponsors, Edith Huseman and Dianne Wilhelm, for distributing Halloween baskets filled with homemade goodies.

The Nazareth Band Parents sponsored their annual Halloween Carnival at the school cafeteria on Sunday evening with a very good crowd enjoying the games, a spook house and good food served through the concession stand.

Herman and Marilyn Birkenfeld and Darlene Schulte recently drove to Logan, Utah to visit Alan Birkenfeld, who is a graduate student at Utah State University.

While there, they enjoyed the university's hour-long Homecoming parade and a visit to the observation tower at Cache Valley's Hardware Ranch. The valley envelops five or six small towns and its farmland is canal-watered, using runoff water from the mountain.

The region has numerous dairies and several cheese factories. Many of its residents are employed in the Salt Lake area, but commute to Logan and the small valley towns due to a shortage of housing.

On Sunday morning, the group attended mass at St. Thomas Aquinas Church near the university. Later at the Newman Club's breakfast, they met Father Frank, who calls Alan the parish panhandler. Father Frank was a classmate of Bishop Mattheisen's at the seminary in Ohio.

They also met Sister Marilyn, who heads the Newman group and does indeed, as Alan had previously written, "bear a striking resemblance to Raelene Hoelting." Also present at the breakfast was Mary Kwick, who calls herself Alan's mother away from home.

At Amstead, N.M. they stopped to visit Ida Mae Perschbacher and her sons, Ray and Dee and their families.

The mountain scenery and beautiful foliage were awesome, but the flat, treeless plains of Texas were a welcome sight, too.

Tony and Mary Gerber and Toby Gerber recently drove to Pampa where they visited with their grandchildren and children, Kenny and Doretta Gerber and family and Neal and Susan Hoelting and family. Norbert and Helen Gerber of Woodward Okla., met with them and took Tony and Mary back to

Oklahoma for a two-week visit with them and other relatives.

A family breakfast was enjoyed Sunday at the home of Jim and Sandee Hoelting. Later, Jake Hoelting was honored on his fifth birthday with lots of presents, ice cream and most of his little cousins and family members.

Prayers are asked for Marvin Jones, who underwent surgery recently at St. Anthony's Hospital in Amarillo. He is home and is doing well.

Plans are finalized for the 100th anniversary celebration of the offering of the first mass in this area. A scripture service will be held Sunday afternoon at the site of the T.P. McCormick property east of

Nazareth. It will be followed by a potluck supper in Nazareth's Community Hall. Bishop Mattheisen of Amarillo, Rural Life Director Father Darryl Birkenfeld of Hereford and Associate Director Father Jerry Stein of Amarillo will be special guests at the celebration.

John and Norma Schacher enjoyed a six-day Trailways bus tour recently.

In Eureka Springs, Colo., they attended the Passion Play, which was very real. In Branson, Mo., they enjoyed four different shows. In Claremore, Okla., they toured the Will Rogers Museum and in Oklahoma City they went to the Cowboy Hall of Fame.

It was a very enjoyable trip with everything mapped out ahead of time. They also enjoyed meeting lots of other people on the bus.

**NOTICE TO CONTRACTORS**

Sealed bids addressed to the CITY OF DIMMITT will be received at the City Hall until 6:30 p.m. Dec. 7, 1992, and then publicly opened and read for furnishing all plant, labor, material and equipment, and performing all work required for EQUIPPING OF THREE WATER SUPPLY WELLS, WATER PUMPS, MOTORS AND CONTROLS.

Bids shall be submitted in sealed envelopes upon the blank form of the proposal attached hereto and marked in the upper left hand corner.

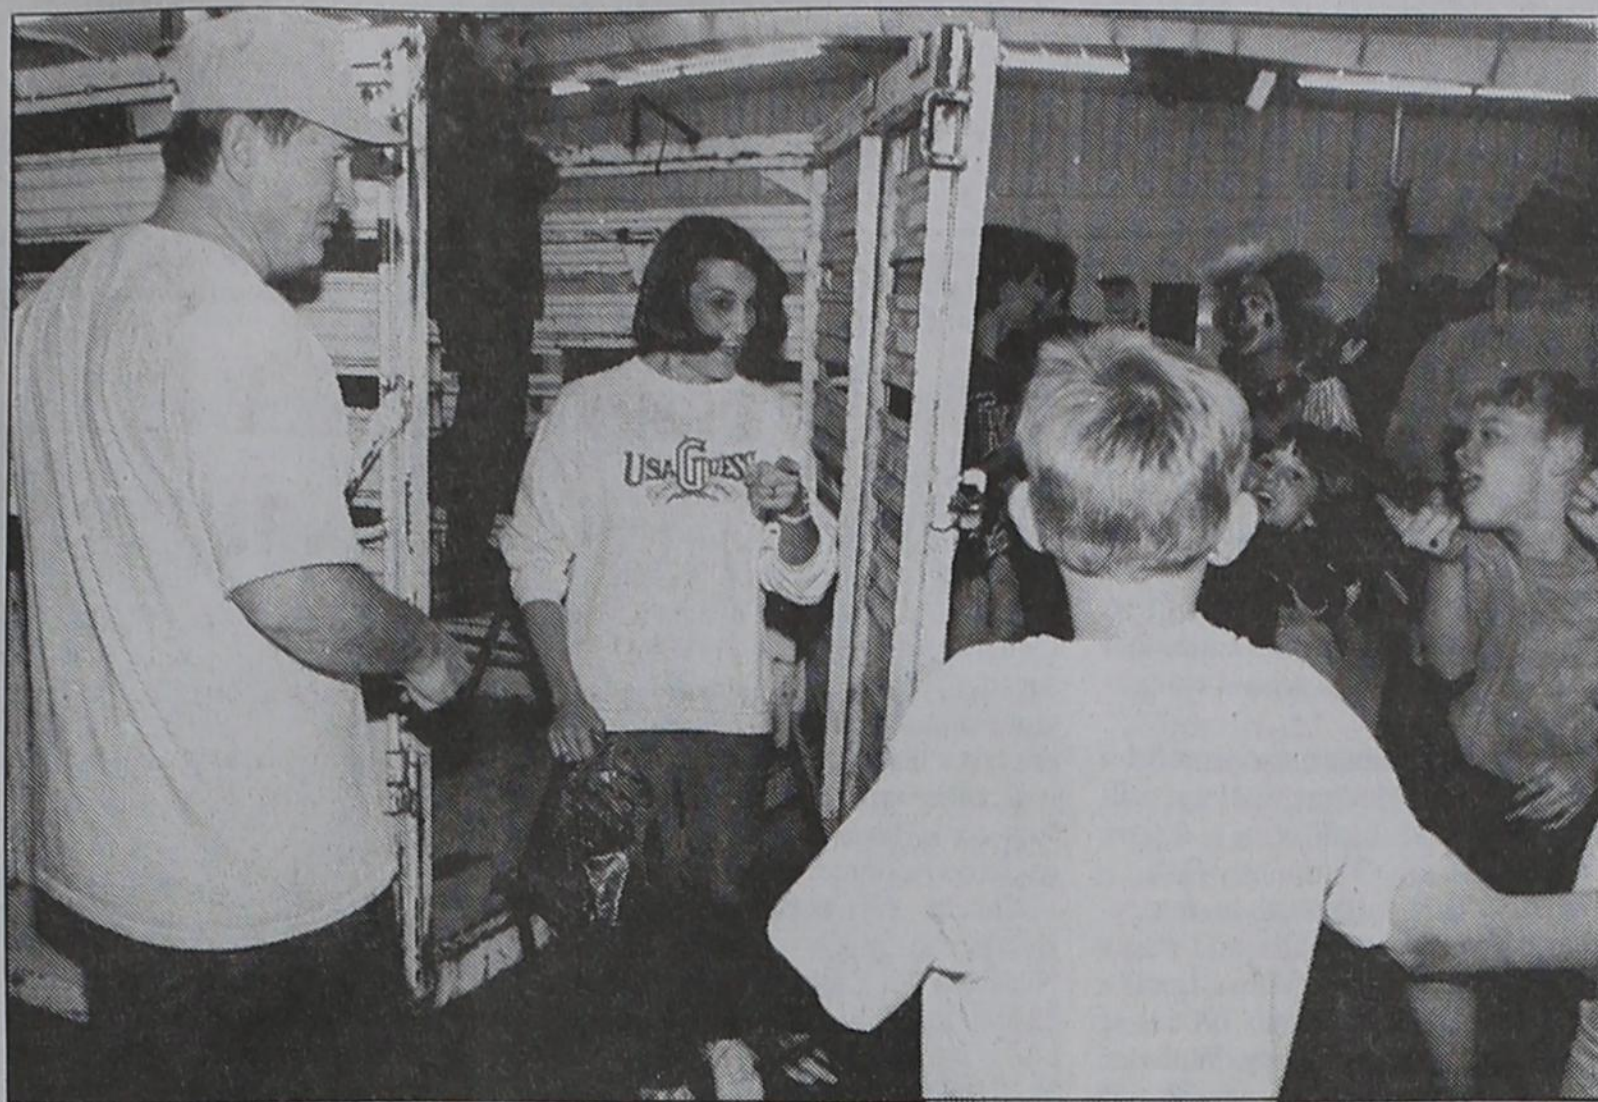

All proposals shall be accompanied by a cashier's check or certified check upon a national or state bank in the amount of five percent (5%) of the total maximum bid price payable without recourse to the City, or a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a contract within 10 days after notice of award of contract to him. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered. Contract is expected to be awarded at the Nov. 16, 1992 meeting.

NO performance and payment bond is required, but there will be no partial payments made.

The right is reserved to reject any or all bids and to waive any informality in bids received.

Plans, specifications and bidding documents may be obtained from McMorris & Associates, Inc., 6300 Canyon Drive, Amarillo, Texas 79109, by qualified general contractors on deposit of \$50 per set. Deposits will be refunded, provided the prospective bidder complies with one of the following requirements: 1. If no proposal will be submitted, all documents are returned in good condition to the office of the engineer not later than 48 hours before the time and date of receiving proposals; or 2. If a proposal is submitted, all documents are returned in good condition at the time and date of receiving proposals. Provided the prospective bidder complies with neither of the two above requirements, the sum of \$50 shall become the property of the engineer.

## Local residents may receive job training

The Job Training Partnership Act (JTPA) has funds available to help residents of Castro County receive job training, according to Trent Morris, Texas Employment Commission job service representative from Tulia.

This program can send eligible

applicants to area colleges for vocational training in specific occupations or place them with businesses for on-the-job training, Morris said. The TEC is the service provider for JTPS in Castro County.

Current students, as well as those planning to start school in January, are encouraged to talk with a JTPA representative to see if they may be eligible for assistance. Occupations for which classroom training is approved include licensed vocational nurses, correctional officers, truck drivers, mechanics, surgical technicians, and various other health-care-related fields.

For more information, contact Morris on Tuesdays in the Commissioners Court room at the court-

### More about Cotton . . .

(Continued from Page 1)

suffered a little bit of hail damage. The acreage is down from normal years due to an unseasonably wet spring and hails early in the season.

"We probably lost 70% of the cotton we started out with," Norrell said.

Small said his facility ginned its first bale on Oct. 27 and since then it has ginned about 120 bales.

"We've got some grades back and they're running 31 and 41," Small said, "and the micronair results are 4.0 to 4.1. That's pretty good."

Small added that yields are running from a bale to a bale and a quarter.

"What cotton we have looks good. We're just anxious to get going," Small added.

Jim Bradford of North Gin said he hasn't received any cotton yet, but hopes to see his first load soon.

"We sure needed this freeze to get things going," Bradford said. He added that he expects only one-fourth to one-third of the business he usually sees.

Flagg Farmers Gin hasn't received its first load, either, but Davis said he expects it within the next two weeks.

### ENMU alumni set reunion

The Eastern New Mexico University Alumni Association is sponsoring a West Texas Roundup of ENMU alumni and friends on Saturday in Amarillo and Canyon.

The day's activities will include a barbecue lunch in the Centennial Room of the First National Bank Building in Amarillo. Cost is \$5 per person.

Following lunch, supporters of the Greyhound football team will gather at Kimbrough Memorial Stadium in Canyon for the annual ENMU-West Texas football game. Those needing tickets may purchase them at the gate. Game time is 2 p.m.

All ENMU alumni and friends are invited to take part in either or both activities. For more information call Danita McAnally at 353-0440 in Amarillo, or the ENMU Alumni Office in Portales, N.M. at 505/562-2125.

# Police Calls

Two Dimmitt men and three Friona men are out on bond on charges of possession of a controlled substance in connection with an incident around 12:30 a.m. Sunday in Dimmitt.

Police had stopped a red car that had been driving erratically on East Bedford. The driver appeared to be intoxicated and consented to a breath test. Officers said the driver, 20, gave permission for a search of the vehicle.

Reportedly, the search turned up a plastic bag containing what appeared to be one gram of marijuana, and another bag containing what appeared to be three grams of cocaine. The driver and his four passengers were arrested on the possession charges.

A 32-year-old Dimmitt woman was sent to Lubbock University Medical Center for treatment of injuries she received from her husband, who reportedly beat and stabbed her around 2:54 a.m. Monday.

The woman allegedly told police her husband had caught her with her boyfriend and began beating her. The 34-year-old suspect is out on bond pending further investigation into the aggravated assault.

The victim reportedly received a cut on her neck, a swollen face and arm, and her jaw was broken in three places.

A 60-year-old Dimmitt man was arrested for DWI at 10 p.m. Saturday when he failed to dim the headlights of his vehicle, and suspicious officers reportedly observed his vehicle weaving. The man told police he had been involved in an

accident a little before he was stopped.

Ewell Kelley of Dimmitt told police Friday that someone had taken two VCRs from his home between 8 a.m. and 1 p.m. He valued the machines at a total of \$500.

This is no longer a working number. Designated for many years for reporting fires, this number has been disconnected.

To report a fire, use the shorter, easier to remember 9-1-1 system.

The old number is still listed in the front of phone directories and may be posted beside telephones in homes and businesses, but local firemen encourage the public to use the 9-1-1 system.

Remember, to report a fire, dial 9-1-1, and give the location of the fire.

## Soil Conservation Service is accepting tree orders

The Running Water Soil and Water Conservation District is accepting orders for field and farmstead windbreak trees.

Conifers available are Arizona cypress, Austrian pine, Ponderosa pine, red cedar, Rocky Mountain juniper and southwestern white

pine. Conifers are sold in lots of 40 for \$65.

Hardwoods available are catalpa, desert willow, green ash, hackberry, honeylocust, mulberry, nanking cherry, osage orange, pecan, red oak, Russian olive, sand cherry and skunkbush sumac and these trees will be sold in lots of 50 for \$25.

The Soil Conservation District also can order trees from Colorado which include taragana, cotoneaster, chodocherry, lilac, native plum, sumac, sand cherry, European sage, golden willow, bur oak, lacebark elm and hackberry. These trees may be purchased in lots of 30 for \$55 if potted and 25 for \$50 if sold bareroot.

Quantities are limited on some varieties, so those interested are asked to place their orders early at the Soil Conservation Service office in Dimmitt.

Delivery of the trees will be on March 18, 1993.

## 'Color day' set Friday

The Dimmitt Athletic Booster Club encourages all Dimmitt Bobcat football fans to wear purple and white on Friday. Also, fans are asked to display flags, banners and ribbons.

"We want to show support for the varsity football players as they face the Floydada Whirlwinds here at 7:30 p.m.," a booster spokesman said.

The game will be the Bobcats' district finale that will determine the 2-AAA second place winner and a berth in post-season playoffs.

"We would like for as many people as possible to come out for the pep rally at the high school gym at 3:15 p.m. Friday, and of course we'd like a really big home crowd to cheer the team at the game," the club spokesman said.

Heather Suzanne Osborn and Curtis Don Ward

## Osborn, Ward to wed

Mr. and Mrs. John W. Osborn of Tipton, Okla., announce the engagement and approaching marriage of their daughter, Heather Suzanne, to Curtis Don Ward, son of Mr. and Mrs. Jerry Ward of Dimmitt.

The couple plans to exchange wedding vows Dec. 19 at the Church of Christ in Tipton.

The bride-to-be is a graduate of Tipton High School and she attends Lubbock Christian University.

The prospective groom is employed at Texas Instrument in Lubbock. He is youth minister of the Church of Christ in Abernathy and attends Lubbock Christian University.

## Bobcat Band Boosters plan stew, chili meal

The Bobcat Band Boosters will sponsor a stew and chili supper Friday from 5 to 7 p.m. at the Richardson Elementary School east cafeteria.

The menu will include either stew or chili, cornbread, crackers, onions, peppers, cheese cubes, chocolate cake, tea and coffee. Cost is \$3.50 for adults and \$2.50 for children.

Everyone is invited to attend.

## Self defense class planned

Nazareth Home and School Association will sponsor a self defense awareness class beginning next Thursday, Nov. 12.

The course will be taught by Harvey's Tae Kwon Do Center of Amarillo and it will include 10 to 12 hours of training in four sessions.

High school girls and other women are invited to participate in the class, which will be held in the "old gym" at Nazareth school.

The first class will be on Nov. 12 from 7 to 9 p.m. The other three classes will be held on Nov. 14 from 2:30 to 5:30 p.m.; Nov. 19 from 7 to 9 p.m.; and on Nov. 21 from 2:30 to 5:30 p.m.

Cost for the course is \$25 per person and those wishing to participate are asked to contact Stephanie Dobmeier at 945-2553 or 945-2531; or Lydia Schacher at 945-2606 or 945-2230 by Friday.

At least 10 individuals must be registered for the class before it will be held.

## Holiday arts and crafts show, turkey dinner set in Nazareth

Nazareth's annual holiday arts and crafts bazaar and turkey dinner will be held Sunday, Nov. 22.

The arts and crafts show will be open to the public from 10 a.m. to 4 p.m. at the Nazareth school cafeteria.

The turkey dinner, sponsored by the Christian Mothers Society, will be served from 11:30 a.m. to 2 p.m. in the Nazareth Community Hall.

Individuals interested in reserving a booth for the arts and crafts show should contact either Lucille Drerup (Box 3, Nazareth 79063) at 945-2562 or Rose Mary Wilhelm (HCR 2, Box 13, Nazareth 79063) at 945-2583 before Saturday, Nov. 14.

Booths are 8 x 10 and include a table and two chairs. Booths may

be reserved for \$15 each, and when making a reservation, individuals are asked to state if they will need the table or if they will use their own display racks. Individuals reserving booths also should specify whether they prefer to rent a wall or center booth.

Booths will be assigned on a first-come basis and must be paid for to be reserved.

Checks for booth reservations should be made payable to the Nazareth Art Club. When sending a check, individuals should also enclose information about what will be displayed in their booth.

On the day of the show, the cafeteria will be open at 7:30 a.m. so exhibitors may set up their booths.

## Hart students hold political election

"Movers" and "Shakers" at Hart Elementary School nominated their respective candidates for president and held political conventions to help explain the current political elections.

First and second graders belonging to the "Shakers" political party nominated Micah White for president while the "Movers" selected Logan McLain.

The students developed a party platform and campaigned, just like the presidential candidates. Students held an election Tuesday, but results were unavailable at press time.

The students held a convention, with Tommy Stewart leading the groups in singing the National Anthem. The convention ended with students singing *This Land Is Made For You and Me*.

The program was organized by Hart teachers including Mary Olvera, Patti Waggoner, Connie Gutierrez, Cathy Scott and Nancy Westcott.

The teachers emphasized to students the importance of voting for a candidate who has the platform which most coincides with their personal beliefs and values.

White, the Shakers candidate, outlined the following items in his party platform:

- ◆ There will be no more "bustings" in the school. Discipline will be maintained through the use of other types of punishment, such as standing in the corner or not being allowed to play outside.

- ◆ Elementary students will be allowed more time to eat.

- ◆ Mr. White will arrange with Mrs. Baggett for first and second graders to chew gum at certain times during the day.

- ◆ First and second graders will be allowed to use the see-saw during recess.

- ◆ One or two days each week will have extended recess periods.

- ◆ A treehouse without the tree will be built on the playground.

Among McLain's ideas are:

- ◆ Elementary students need longer lunch periods.

- ◆ Everyone needs a longer recess.

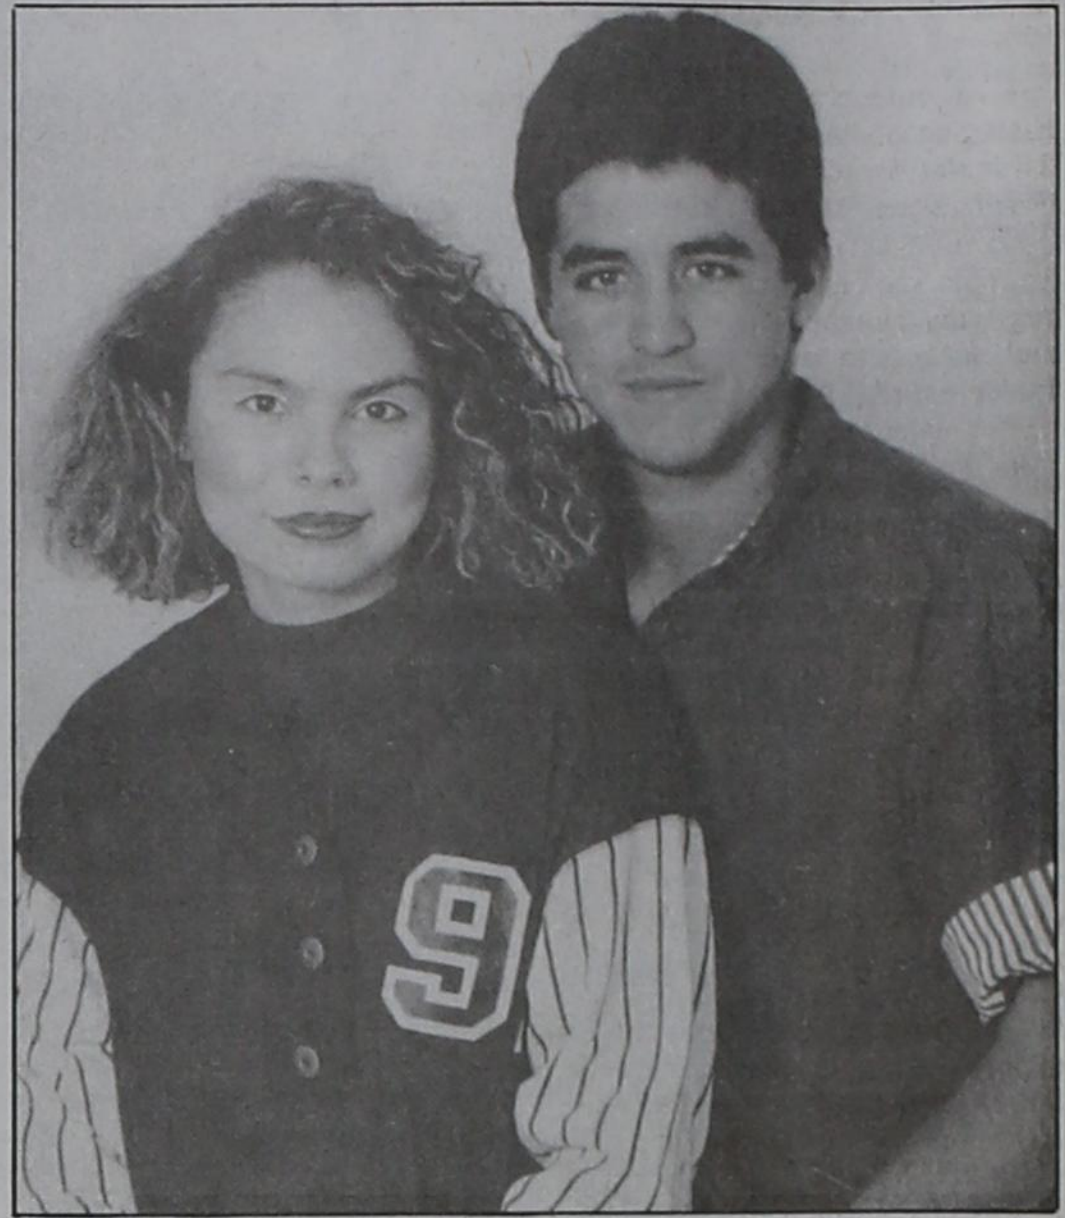

- ◆ The classrooms need a new paint job.

- ◆ All classrooms should be carpeted.

- ◆ Fighting will be eliminated during recess.

- ◆ An ice cream machine will be installed at the elementary school.

- ◆ Tests will be banned.

Claudia C. Luna and Tomas Herrera

## December wedding set

Librada and Ismael Rodriguez of Dimmitt announce the engagement and approaching marriage of their daughter, Claudia C. Luna, to Tomas Herrera, son of Joe and Emeteria Lincoln of Las Animas, Colo.

The couple plans to exchange wedding vows at 3:30 p.m. Dec. 19 at the Expo Building in Dimmitt.

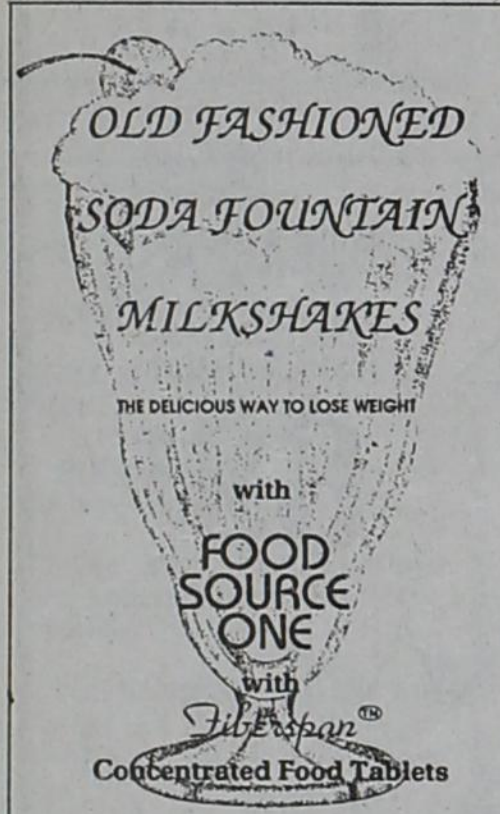

The bride-elect is a senior at Dimmitt High School and the prospective groom graduated from Las Animas High School in 1989. He currently is employed at Excel in Plainview.

Following the wedding and the bride's high school graduation, the couple plans to live in Colorado.

## Correction

In an engagement announcement in the Oct. 22 issue of the News, Tracy Anuskiewicz' mother was incorrectly identified. Her name is Ruth Anuskiewicz.

The News regrets the error.

# NHS students selected for Tulia bank 'board'

Two students from Nazareth High School have been named to the Junior Board of Directors of the First National Bank of Tulia.

Nicole Kleman and Jill Pohlmeier, both seniors, were selected along with ten others from four area high schools to sit on the 1992-93 Junior Board. The selection of students is made by school personnel from the participating schools.

"This will be our third year to provide the Junior Board Program," said Luther Robinson, president of FNB. The 'board' meets each month and hears a program on various financial and business topics, presented by FNB personnel, as well as by professionals from other communities.

Kleman is the daughter of Georgiann Kleman. She participates in girls' varsity basketball and the One-Act Play, and she is a cheerleader. She serves as vice president of the Nazareth National Honor Society and of the student council, and as president of the Youth Organization. She plans to study occupational therapy at Texas Tech University.

Pohlmeier is the daughter of J.C. and Jocelyn Pohlmeier. She is a

member of the National Honor Society, the Future Homemakers of America, the Future Farmers of America, and the annual staff. She serves as treasurer of the Student Council, and participates in One-Act Play, girls' varsity basketball, tennis, track and cross country. She plans to attend Texas Tech University.

"This is another outstanding group of young people," Robinson

said. "We are hopeful that these students will enter the adult business environment a little better prepared as a result of our programs."

## Quilt show set Nov. 14 - 15

The High Plains Quilters Guild of Amarillo will hold its biennial show Saturday and Sunday, Nov. 14 and 15, at the Amarillo Civic Center.

The show will be open to the public from 10 a.m. to 5 p.m. on Nov. 14 and from 12 noon to 4 p.m. on Sunday.

"Grand theft."  
"Oh yeah? What'd you steal?"  
"Two elephants," said Murray.  
Sound a little strange? Well, this is a true story.

*At Large* by Gary Ross is one man's story of "rescuing" two elephants from a bad home. Murray ended up with the FBI, state and local police and the Royal Canadian Mounted Police on his tail.

Murray and two elephants eluded the law for over five years before being apprehended. The story is strange, exciting, funny, fascinating and warm. It also has been optioned for a movie.

Want a seamless, well-written but unconventional love story? Try *The Bridges of Madison County* by Robert James Waller.

This is the tale of the love between an Iowa farm wife and a photographer who was photographing local covered bridges for *National Geographic*. With only four days together, the lovers managed to alter each other's lives forever. The story is simple and its depth is touching.

Parents, don't forget our Story-time on Friday mornings at 10 for preschoolers. Give us a call and let us know when you are coming so we can be ready for you.

McGRUFF THE CRIME DOG and friends visited students at Richardson Elementary School, telling youngsters about the dangers of drug and alcohol abuse. The program was provided by the Peer Assistant Leadership (PAL) group from Dimmitt High School. McGruff was brought to life by Jamie Salinas (center). His helpers were David West (left) and Heather Thomas (right). PAL members spend one hour three days each week with elementary school students. PAL sponsor is Katie Ivey.

## Church Happenings

### Presbyterian Church

Presbyterian women from Area 2 will hold a fall gathering Saturday at 9:30 a.m. at Slaton.

Sunday school classes will meet Sunday morning at 10.

Milford and Avis Grisham who have been missionaries in Santa Fe, Argentina for more than 30 years, will speak at Sunday morning's worship service, scheduled to begin at 11.

### Ministerial Alliance

Benny Baker will lead the Castro County Ministerial alliance in a study of Psalm 82 Tuesday at 10 a.m. at the Fourth and Bedford Street Church of Christ in Dimmitt.

### Holy Family Catholic Church

Holy Family Church in Nazareth will celebrate its 100th anniversary Sunday with a scripture service and potluck dinner.

The scripture service will be celebrated by Bishop Leroy Mathiesen at 3 p.m. at the site where the first mass was performed, (Thomas P. McCormick home).

Following the scripture service, a potluck supper will be served at 5 p.m. at the Community Hall. During the meal, Father Darryl Birkenfeld, who was born and raised in

Nazareth, will speak about the future of the family farm.

### Immaculate Conception Catholic Church

There will be a communion service at 7 p.m. tonight (Thursday) and at 8 p.m. Friday.

Confessions and the 5:30 p.m. mass on Saturday have been cancelled. On that day, there will be a quincenara mass at 3:30 p.m. for Erica Flores. Father McAllister Forest will celebrate the mass.

A parish mission will begin Sunday at 7 p.m. with a presentation by Father Forest to students in the sixth through 12th grades.

During the week (Nov. 9-13), talks will be given in English from 7 to 7:40 p.m. and a bi-lingual mass will follow from 7:45 to 8:15 p.m. A Spanish talk will be held from 8:20 to 9 p.m.

During the "mission week," all other activities will be cancelled.

The Guadalupanas will sponsor a Thanksgiving dinner Sunday at the West Community Center. Cost for the turkey dinner will be \$4.50 per plate for adults and \$2.50 for children.

## Cake auction is planned at Canterbury Villa

Canterbury Villa will hold its annual cake auction next Thursday, Nov. 12, at 7 p.m.

The annual event is held to provide funds for Christmas presents for the residents and to boost their activity fund.

Those interested in attending are asked to bring a cake or pie for the auction. Jack Howell, who serves as auctioneer for the event, said that "having only cakes and pies will make for a better auction."

"We would be glad to have a lot of support in this because it is our one and only fundraiser for the year," said a spokesperson.

## Jodi Thomas slated here

Jodi Thomas, nationally-known writer of romance novels (including *The Tender Texan*), will address the Nov. 11 meeting of the Dimmitt Book Club.

The club will meet at 4 p.m. at Rhoads Memorial Library, and all interested persons are invited to hear Thomas speak on "Making History Come Alive."

Thomas is a guest reviewer of Marie Perrin.

When Terah had lived seventy years, he became the father of Abram, Nahor, and Haran. Now these are the descendants of Terah. Terah was the father of Abram, Nahor, and Haran; and Haran was the father of Lot. Haran died before his father Terah in the land of his birth, in Ur of the Chaldeans. And Abram and Nahor took wives; and the name of Abram's wife was Sarai, and the name of Nahor's wife, Milcah, the daughter of Haran the father of Milcah and Iscah. Now Sarai was barren; she had no child. Terah took Abram his son and Lot the son of Haran, his grandson, and Sarai his daughter-in-law, his son Abram's wife, and they went forth together from Ur of the Chaldeans, to go into the land of Canaan; but when they came to Haran, they settled there. The days of Terah were two hundred and five years; and Terah died in Haran. Genesis 11:26-32

## Cats top Friona, 32-8, to stay in race

**By DON NELSON**  
Sophomore running back Derrick Thomas gained 133 yards on 24 carries, caught two passes for 44 yards and scored three touchdowns as the Bobcats overpowered Friona's Chieftains, 32-8, Friday night at Friona.

The victory kept the Bobcats in

the District 2-AAA playoff race with a 2-1-1 conference mark going into Friday night's game against Floydada here.

For the Chieftains, the loss added to their woes, dropping their season mark to 0-9 with one last chance to win a game when they meet Muleshoe (1-8) Friday night.

Dimmitt's coaches were able to "run in the subs" only briefly as the stubborn Chieftains made the Bobcats earn their touchdowns the old-fashioned way. The Friona defense stopped six Dimmitt drives—including one on an interception and another on a fumble recovery—while giving up four touchdowns and a field goal.

A chill wind was a major factor as cold-fingered receivers dropped passes and the two teams committed six fumbles between them.

"I think visibility was a factor, too," Bobcat Coach Bill Rogers commented. "The kids said it was hard to see out there."

Still, Bobcat quarterback Chad Sandoval completed 10 of 23 passes for 155 yards and Tait Crow connected on two of two for 35 more as they directed the Bobcat offense to its second-best output of the season. Dimmitt's leading receiver was tight end Zach Smith with six catches for 85 yards.

The Chieftains stopped the Bobcats' opening drive with an end-zone interception, but three plays later, nose guard Jimmy Casas forced a fumble and tackle Ramiro Rosales recovered the ball on the Friona 18.

From there, the Bobcats struck paydirt in four plays, with Thomas going in from 10 yards out on a power dive over right guard with

3:16 remaining in the first quarter. Andrew Baker kicked the extra point to make it 7-0.

Rosales recovered another fumble at the Friona 25 early in the second, but the Chieftains held, got the ball back and punted to the Dimmitt 44 to get out of trouble—for the time being.

Sparked by a pair of 18-yard passes from Sandoval to Smith, the Bobcats marched 56 yards in 11 plays, with Thomas getting the second TD over left guard from two yards out with 5:17 remaining in the second. Baker's PAT kick was true, giving Dimmitt a 14-0 half-time lead.

The Chieftains opened the second half with an 11-play, 68-yard scoring drive that included passes of 10, 17 and 14 yards by junior quarterback Blair Burney, who

scored the TD on a three-yard option run. Burney passed to running back Harvey Martinez for a two-point conversion to bring the Chieftains within six at 14-8.

The Bobcats struck right back, though, blitzing 78 yards in eight plays for their third TD. Split end Jerome Casey caught two passes during the drive—a 22-yarder early and an 11-yarder in the end zone for the touchdown. Sandoval scored a two-point conversion on an option run to make it 22-8.

Defensive end Stacy Musick intercepted a Burney pass at the Friona 23 early in the fourth to set up Dimmitt's final TD, which came on the longest run of the night—a 24-yard left power sweep by Thomas, who raced untouched to the corner of the end zone. Baker's kick made it 29-8.

In the waning minutes, Crow intercepted another Burney pass at the Friona 30, and four plays later Baker booted a 34-yard field goal as time ran out to make the final score 32-8.

"We weren't trying to run up the

score," Coach Rogers said. "I wanted to give Andrew his confidence back because he had missed one (a 37-yarder in the first quarter that was wide to the right). I was thinking of the Floydada game."

"We didn't play up to our potential," Coach Rogers said. "I know how the kids were thinking, despite what we told them—Friona hadn't won a game, so they didn't think we'd have any trouble. Our kids got off to a slow start, and we weren't at our best."

"I was pleased with the play of

some of our kids in key positions, though," he said. "Derrick had a good night; Jeremy Langford and Chad both did a good job. And one in particular I was proud of was Jimmy Casas—he always gives it everything he's got, and he never gives up. They doubled and tripled on him, and on one play they had him down but he got back up and made the tackle on the opposite side."

Friona "does some things well, and I respect them—especially that Burney kid," the coach added. "They can beat Muleshoe."

## Friona teams deal misery to 7A, 8A Cats Thursday

The 8A Bobcats suffered their first loss, 22-0, at Friona last Thursday.

The 7A Bobcats took it on the chin, too, losing to Friona by a 30-6 count. It was only their second loss of the season.

In the 8A game, Friona took a 6-0 lead in the first quarter, hiked it to 14-0 by halftime and added another eight points in the fourth while holding Dimmitt scoreless.

The Friona eighth graders have lost only one game in the last two years.

"We had a problem controlling the line of scrimmage," Dimmitt Coach Don Bell said, "but at this point I'm very proud of our 8th grade team. Last year they were 1-5, so they have improved a whole bunch."

Santos Oltivero was Dimmitt's top ground-gainer with 61 yards on five carries, while Michael Reyes

gained 11 yards on four carries and Joey Flores netted six yards on five runs.

Quarterback Jason Nino completed three of five passes for 57 yards.

Leading Dimmitt's defense were Kalem Thomas with 15 tackles, Santos Oltivero with 11 and Colby McDaniel with 10.

The 7A game was closer than the 30-6 score indicated. The 7A Bobcats gained 173 total yards to Friona's 212, but had trouble getting the ball into the end zone.

Tony Leal scored Dimmitt's touchdown in the first period on a 19-yard counter play. The extra-point attempt was no good.

Offensive standouts for Dimmitt were Leal, Lupe Perez, Stuart Sutton, Casey Smith, Nathan Killough and Andy Hill. Pacing the defense were Luke Barrett, Leal, Charley Sanders, Codi Davison, Jason Hargrove and Cori Hopson.

## Dream Team schedules game with Dimmitt roundballers

The Dimmitt Athletic Booster Club will sponsor a benefit basketball game Nov. 12 at 7:30 p.m. in the Dimmitt Middle School gym.

The "Dream Team '96" will challenge a team of Dimmitt players, including former Dimmitt "greats," in an exhibition game staged to benefit the projects of the Booster Club.

A tentative roster includes Beth "Fast Break" Buckley, Paul "Too Tall" Kenley, Darrell "Slam Jam" Buckley, "Stormin'" Norman Hays, CD "Sharp Shooter" Fitzgearld, Jerry "Don't Shoot" Matthews, Stan "The Man" Byrnes, Wayne "Hoop Shooter" Collins, Charles "Magic" McLean, Bob "Big Shot" Barrett, Dudley "Do Right" Wooten, Joyce "Hot Shot" Bills, Lori "Long Legs" Lemons, Patty "Point Maker" Cartwright, Phil "Lucky Shot" Lemons, and Sue Rita "Slick Dribble" Myatt.

Coaches will be George "Quick Decision" Raser and Nancy "Give 'Em Heck" Greer. A'Ilan Bradley served as recruiter for the home town team.

Admission will be set at \$3 for adults and \$1 for students, with age 4 and under admitted free. Adult tickets bought in advance will cost only \$2 and may be purchased from Booster Club members. Ticket sales chairman is Steve Buckley and general chairman for the event is Don Moore.

Dream Team organizer and promoter is Joe King of Canyon, former coach and school administrator at schools throughout the Panhandle.

King recruited former high school and college women's basketball players, and said he hopes some of the team members may qualify for the 1996 Olympics in women's basketball.

The Dream Team will split gate

receipts, program sales and raffle sales half and half with sponsoring organizations, King said.

Numbered programs, sold for \$1 each, will determine participants in special contests and drawings.

Tickets will be sold for \$2 for a drawing for a car (a 1988 Subaru from Gene Messer Ford, or an equivalent trade-in value). Only one drawing will be held for the car at the end of the Dream Team's season in April. The drawing ticket stubs also carry a discount coupon for a Canyon pizza establishment.

Dream Team members include Machel Whitehead Knoll, Denise Hunt, Vanessa Wells, Teresa Tinner, Stacey High, Nikki Allen, Rhonda Kimbrough, Leona Gerber Wilhelm, Mitzi Marquart, Sharla Harrison, Rhonda Ratcliff, Josephine Longoria, Deborah Williams, Sheryl Estes, Kristi Schonertedt, Missy Fisher Schultz, and Kelli Hardin Mooring.

## 9th Bobcats down Friona

The Freshman Bobcats had their best offensive game of the year in defeating Friona, 21-0, here last Thursday.

"The offense played its best ball control of the year, and our defense dominated the line of scrimmage," Coaches Lanny Crow and Bobby Feaster said. "It was a true team effort."

Richard Ewing capped Dimmitt's first scoring drive with a one-yard touchdown run in the first period, and Will Sanders kicked the extra point.

The score still stood at 7-0 at halftime.

The Freshman Bobcats mounted another scoring drive in the third, with Chad Ellis scoring on a two-yard run. Richard Ewing ran a two-point conversion to make it 15-0.

In the fourth, Zeke Nino scored the final TD on a five-yard run. The extra-point attempt failed, leaving the final score at 21-0.

Top ground-gainers were Dagan Newton with 102 yards on 10 carries, Richard Ewing with 50 yards, a touchdown and a two-point conversion on seven totes, and Zeke Nino with 32 yards and a TD on six carries. Drew Musick paced Dimmitt's offensive line.

Defensive standouts were Jason Wooten with five solo tackles, five assists and one sack, Tucker Schumacher with five assists, and Fermin Sanchez with four assists, four sacks and a solo tackle.

Dimmitt gained 247 yards while holding Friona to 25.

The victory hiked the Freshman Bobcats' record to 3-2-1.

# Unbeaten Swifts upset No. 4 Sudan, 28-12

I'VE GOT IT!—Nazareth's J.J. Bermea (65) hoists the football above his head as he's mobbed by teammates after he recovers a Sudan fumble in Nazareth territory with under two minutes left in the game Friday night. The two state-ranked teams squared off in a District 2-A matchup at Swift Field, and Nazareth came out on top, 28-12 to claim sole possession of the lead in district. In addition to his fumble recovery, Bermea recorded 10 tackles for the Swifts. Photo by Anne Acker

## Cross country runners to compete at regional

County athletes hope to "run" their way to Georgetown Saturday, when they compete in regional cross country meets at Mae Simmons Park in Lubbock.

The Nazareth Swiftettes, Dimmitt Bobbies and Hart's April Bennett and Mario Guzman each will compete at the regional meet.

The Swiftettes captured their district championship by placing six runners in the top 11, while Bennett and Guzman earned the trip by placing fourth and fifth, respectively in the District 1-A meet.

The Bobbies placed second in district, earning a trip to the Region 1-AAA meet.

Guzman will be the first county runner to compete at Mae Simmons Park Saturday, as the Class A boys' race is set to begin at 8 a.m. The Swiftettes and Bennett will compete in the Class A girls' race at 8:30 a.m.

The gun signalling the start of the Bobbies' Class AAA girls' race will sound at 10:30 a.m.

Nazareth Coach Ritchie Tarbet said his varsity runners for regional will be Melinda Schmucker, Carie Wethington, Denia Durbin, Kelly Jones, Rhonda Maurer and Kristen Brockman and Jill Pohlmeier, although that could change, according to Tarbet.

Nazareth is one of the teams to beat in Region 1-A, along with Petersburg, Anton and Whiteface.

"We've run against all of those teams before and we've beaten them. Petersburg has beaten us twice, but we've beaten them

twice," Tarbet said. "We should place in the top three teams. I think our chances of advancing to state this year are good."

Bobbies who will be running at regional include Amy Ethridge, Rochelle Harman, Jessica Vasquez, Amanda Flores, Olivia Tamm, Adriana Castillo and Jennifer Vick.

Dimmitt finished second in district behind Muleshoe, and will have to cut down on its times to beat the Mules and other area teams like Canyon (which has won meets all year) to earn a state berth.

By KIM DOBMEIER  
Nazareth Coach Rick Price reached into his bag of tricks and pulled out a couple of plays which surprised Sudan's Hornets and the result was a 28-12 Swift victory.

Nazareth, ranked No. 10 by the Harris Rating System (and ninth by the Associated Press poll), hosted Harris's No. 4 team (and AP's No. 7-ranked squad), Friday at Swift Field.

That win gave Nazareth sole possession of the lead in District 2-A and guaranteed the Swifts a share of the district championship, but not a playoff berth.

Nazareth, 9-0 overall and 4-0 in district play, will have to beat Hart Friday night to avoid a three-way tie (between Nazareth, Hart and Sudan) in District 2-A. Sudan dropped to 7-2, 3-1 after Friday's loss.

Nazareth, which has relied heavily on its passing attack, gained the majority of its yardage on the ground Friday night. The offensive line opened up holes for tailback Nick Johnson and fullback Morgan Heck, and the two backs capitalized.

Nazareth built up a 14-6 lead, then Price called a play which took Sudan completely by surprise.

After the Swifts took the 14-6 lead in the second quarter, Nazareth tried an onside kick, which was recovered by Russell Huckert. The Swifts turned the recovery into seven points.

"We figured a team like Sudan could score just as easily from 50 yards away as 70, so we tried it," Price said.

The play not only gave Nazareth possession, but an emotional boost as well.

"It more than doubled the emotional level of the team," said Huckert. "It was one of the main turning points of the game, and it helped us a lot."

Although the Swifts managed to take a 21-6 victory into the locker room at halftime, it was an intense battle throughout the game.

"We knew this game would be different—more intense than others we have played," Price said. "We had to go out and play from the opening kickoff to the final horn."

And that's just what the Swifts did.

Nazareth scored on its opening possession. Runs by Heck and Johnson moved the ball down the

field, then Schmucker found Brandon Schilling on a 29-yard strike which seemed to spark the team. A 15-yard quick out to Adrian Farris capped off the nine-play 69-yard drive with 6:21 left in the opening stanza. Johnson booted the extra point to give the Swifts a 7-0 lead.

But Sudan's offense mounted a similar drive on its first possession and it, too, turned into six points.

Tim Williams carried twice, but only gained a yard before quarterback Andy Roberts completed a 66-yard pass to Michael Jefferson. Jefferson was chased down by safety Farris, nine yards shy of the end zone. Williams carried two more times for short gains, and on his third try, he hit paydirt with 3:10 left in the first quarter. The extra point attempt by Ricky Weaver was left with a 7-6 lead.

The Swifts' next offensive series was similar to the first, with Heck and Johnson combining for 63 yards rushing. Nazareth's offensive line paved the way for the backs to hit holes in the middle, and Price says that was one of the keys in the victory.

"We had three plays up the middle that worked really well," Price said. "We really didn't know what would work (against Sudan), but if we had, or needed a first down, these plays got the job done."

Nazareth concentrated on its ground attack and scored the next touchdown on a five-yard run by Johnson with 11:18 left in the half. He kicked the extra point to give the Swifts a 14-6 lead.

Then came the onside kick. Huckert pounced on the ball at Sudan's 48-yard line.

Price said his team had been working on that play for about two weeks, and had been executing it well enough in practice, so he decided to try it.

After recovering the onside kick, the Swifts scored their third touchdown.

Nazareth ran almost six minutes off of the clock, driving the ball 48 yards in 13 plays, all on the ground except for a 10-yard pass play from Schmucker to Farris. After working the ball to the Hornet 1-yard line, Schmucker noticed an opening and pushed through for the score. Johnson's extra point gave Nazareth a 21-6 lead with 5:03 left in the half.

Sudan's next drive ended on a failed fourth-down play, when

Roberts attempted a pass on fourth-and-eight. When the pass fell incomplete, Nazareth took over.

Nazareth took over and ran out the clock, carrying the 21-6 lead into the locker room.

Sudan got the kickoff in the second half and made that possession count, but it would be the last time the Hornets would reach the end zone.

Williams scored on a one-yard trot with 5:27 left in the third quarter. The two-point run was stopped short of the end zone, leaving Nazareth with a 21-12 lead.

Defense dominated the rest of the quarter as neither offense was allowed to reach paydirt.

The Swifts did manage to cross the goal line one more time to seal the win in the final stanza.

Nazareth stopped the Hornets and took over on the 50-yard line. A 15-yard pass play from Schmucker to Gaylon Schilling and a couple of runs by Johnson moved the ball to Sudan's 15. From there it was a matter of Schmucker tossing the ball to a wide-open Farris in the end zone. Johnson's ensuing PAT gave Nazareth its final margin of victory, 28-12, with 2:29 left in the game.

The Hornets took the kickoff, but after two plays, Nazareth's swarming defense forced a fumble. Huckert pressured Roberts into throwing the ball to Williams. The running-back took a couple of steps before he was hammered by Farris. The ball popped out of Williams' hands and J.J. Bermea recovered it for the Swifts.

Price says the seniors' leadership throughout the game was a key to the Swifts' success.

"They (seniors) did a great job of leading the team," Price said. "A lot was asked of them and they came through for us."

Huckert said winning his last home game was great.

"We couldn't have asked for a better way to end our season at home," Huckert said. "We were glad to get this win behind us and we are ready to go on."

Offensively, Nazareth had 281 yards (180 rushing and 101 passing). Schmucker completed 8-of-11 passes for 101 yards, threw two touchdowns and rushed for another to pace the Swifts. Farris hauled in four passes for 45 yards, including two TDs. Johnson rushed 14 times for 90 yards while Heck gained 64 yards on 15 totes.

Nazareth's defense was led by Huckert and Bermea, who recorded 12 and 10 tackles respectively.

# Hart keeps playoff hopes alive with win

FROM INTERCEPTION TO END ZONE—Hart's Bryan Welps (77) picks off one of Farwell quarterback Nash Armstrong's passes and returns it for a 10-yard touchdown with 11:04 left in the third quarter Friday. Welps touchdown and ensuing kick gave Hart a 21-0 lead. The Longhorns went on to win the game 28-6. At right, Jeremy Hawkins (61) signals a touchdown.

Photo by Deana McLain

**By EVA PERRIN**  
Hart had one thing on its mind Friday night at Farwell—getting back on the winning track after a disappointing loss to Sudan two weeks ago.

And that's just what the Longhorns did. And they did it in convincing fashion.

Farwell never stood a chance as Hart won the contest, 28-8 to stay alive in the District 2-A playoff chase. Hart needs a victory over Nazareth Friday to have a chance for a playoff berth. A Hart victory would force a three-way tie in District 2-A between the Horns, Swifts and Sudan and a coin flip would have to decide who would advance in the playoffs.

"We came back after a big loss. We didn't get down," said junior Fred Reyna.

Hart improved its record to 8-1 overall, 3-1 in district play. Farwell fell to 3-6, 1-3.

Hart jumped out to an early lead in the first quarter when quarterback Jason Aven passed to Anthony Washington for a 13-yard touchdown. Bryan Welps booted the extra point for a 7-0 Hart lead.

Farwell had a chance to score with the help of a Hart penalty, but the Steers couldn't penetrate Hart's defense and Hart held on to its lead.

Washington looked to score on Hart's second offensive series, but

another penalty moved the Longhorns back to their own 10-yard line and his good run was called back.

Hart moved the ball to Farwell's 1-yard line, but another penalty forced the Longhorns into a fourth-down situation and they attempted a field goal, which was unsuccessful.

Farwell took over on its own 20, but three plays later was forced to

punt. Hart's Israel Garcia broke through the Steers line and blocked the kick, then later carried the ball across the goal line to increase Hart's lead. Welps' kick made the score 14-0.

Hart's defense again proved to be a dominating force, as Washington intercepted a pass, but Farwell's defense held Hart out of the end zone, forcing a punt.

The second half was more of the same, as the Steers suffered another turnover which turned into Hart points.

Welps stepped in front of a pass

and after picking it off, he raced 10 yards for the score. He added the extra point for a 21-0 Hart lead.

Hart's last touchdown of the game came on a 25-yard run up the middle by Adam Carrasco in the final stanza.

Farwell managed to score late in the fourth quarter on a 42-yard pass play. The Steers were successful in their two-point run attempt, making the final score 28-8, Hart.

Salas paced Hart's offensive attack by gaining 122 yards on 18 carries.

## 7B, 8B Bobcats split two games

In games against Canyon here last week, the 7B Bobcats posted a 12-0 victory while the 8B Bobcats lost, 24-0.

In the 7B game, quarterback John Paul Ramos scored Dimmitt's first TD on an exciting 57-yard run off of a keeper play in the second quarter.

Coach Ty Johnson's 7B Bobcats struck from long range again in the third period when Jason Hall raced 59 yards on a reverse for the second TD.

Ramos finished with 93 yards and Hall with 80. Other offensive standouts were Tim Proffitt, Richard Martinez and the offensive line. Pacing Dimmitt's defense —

which held Canyon to 93 yards—were Shane Ethridge, David Terrell, Eric Ruiz, Jeremy Matthews and Bradley Kinser.

The victory hiked the 7B Bobcats' record to 3-1.

In the 8B game, Canyon dealt itself a winning hand of four 6's—one in every quarter — to give Coach Don Bell's 8B Bobcats their third loss.

Dimmitt quarterback Ryan Harkins made a 63-yard touchdown run, but it was called back. Harkins turned in a good quarterbacking job and finished with 27 yards on six carries—the best showing by any Dimmitt back.

## Dimmitt-Floydada winner to advance

Don't head for the gym just yet. A victory over Floydada here Friday night would vault the Bobcats into the football playoffs.

"I think we're real fortunate just to be in this position," Bobcat Coach Bill Rogers said. "At the beginning of the year, we weren't even supposed to be here — everybody had us picked fourth in the district."

But the Bobcats are in third place with a 2-1-1 district mark going into the final season game, and can finish in second if they can turn the trick against the Whirlwinds.

Coach Dean Bates's Whirlwinds were the odds-on favorites to repeat as district champions, with eight offensive and seven defensive starters back from last year's powerhouse team.

But the Tulia Hornets rewrote the script with an impressive 35-21 victory over the Whirlwinds two weeks ago.

Tulia, with a 4-0 district mark, has locked in the first-seed playoff berth. The Hornets will finish out their district schedule against Littlefield (2-1-1) Friday night, while Friona and Muleshoe will battle for fifth and sixth place.

So here's the scenario: If Dimmitt and Littlefield both were to win Friday night, they would finish in a second-place tie behind Tulia, and the Bobcats would advance, since they had more penetrations in their 14-14 tie with the Wildcats.

If Tulia and Floydada win Friday night, they will finish in first and second place, respectively, and go into the playoffs.

If Littlefield and Floydada both were to win Friday night, Tulia and Floydada would advance with Tulia as the No. 1 seed based on its victory over Floydada.

The current District 2 - AAA standings:

1. Tulia (4-0)
2. Floydada (3-1)
3. Dimmitt (2-1-1)
3. Littlefield (2-1-1)
5. Friona (0-4)
5. Muleshoe (0-4)

◆ The Whirlwinds (6-3) have proven that they can win big, and that they can be beaten.

After a 2-2 start, the Whirlwinds

mowed down three victims — including perennial powerhouse Childress — by lopsided scores before their loss to Tulia two weeks ago.

The Whirlwinds also lost to Brownfield (12-17) and Reagan County (0-26) in early-season games, but have posted lopsided victories over Lockney (47-6), Hamlin (34-12), Childress (28-0), Muleshoe (42-6) and Friona (42-7).

Friday night, the Whirlwinds needed a fourth-quarter field goal to overcome Littlefield, 24-21, after trailing by 21-14 going into the final period.

"Littlefield gave up a touchdown to Floydada on a fumble at the 15," Coach Rogers reported.

◆ The Whirlwinds are b-i-g, with an offensive line that averages 221 tackle - to - tackle and a defensive front five that's even bigger. Their size is well-suited to their offense — the power-driving Wishbone formation.

In the backfield, the hotshots are 185-lb. senior tailback Michael Henderson and 178-lb. senior wingback Jammie Davis, with 161-lb. senior Johnny Eguia at fullback and 150-lb. sophomore Sammy Rodriguez at the all-important quarterback slot.

"They've got two explosive backs in Henderson and Davis, and across the line they've got a lot of beef," Coach Rogers said. "I'd bet every one of their linemen can bench-press 350 pounds."

The Whirlwinds will throw just enough to keep the Bobcat defense honest, "but they're basically a power-option running team, and they'll run it right at us," Coach Rogers said. "With that size of kids and that kind of offense, they'll wear you down."

Noting that Dimmitt has eight players who have to go both ways, Coach Rogers added, "We'll need to put some points on the board early against them. And if we get any breaks, we'll have to take advantage of them. We'll have to play up to our potential, mentally as well as physically. We played a good game against Littlefield; we need to do the same thing against Floydada."

QUARTERBACK SACK—Hart's Jeremy Hawkins (61) and Andy Bennett (52) drop Farwell quarterback Nash Armstrong (9) for a loss with 1:39 left in Friday night's District 2-A matchup at Farwell. Also

pictured are Farwell's Jody Mahaney (54) and Derrick Haseloff; and Hart's Cody Upshaw (82).

## TDA to permit temporary storage

The Texas Dept. of Agriculture is accepting permit applications for temporary grain storage facilities due to a bumper sorghum crop and a shortage of storage buildings in the Panhandle and South Plains.

"Many West Texas farmers planted grain sorghum to replace cotton destroyed by weather and also we are seeing better than average sorghum yields and a railcar shortage," said Ag Commissioner Rick Perry. "So for the first time in six years, the department is issuing permits for temporary grain storage facilities."

Grain that has a negotiable grain warehouse receipt must be stored in permanent facilities. The temporary facilities may store only non-receipted, producer-owned grain for a maximum of 90 days. Grain stored in temporary structures must be moved into a permanent facility as space becomes available. If condi-

tions warrant, TDA may grant approval to extend 90-day permits in 30-day increments.

All permits for temporary storage must be requested in advance and will be approved in the same manner as permanent storage space.

Outside storage must be constructed on an asphalt, concrete or compacted earth base and have rigid sidewalls. The warehouse operator is responsible for maintaining grain quality. The warehouse operator's surety bond must be increased at the rate specified by law and the grain must be insured against all risks specified in the grain warehouse law.

For more information about temporary grain storage permits, contact the regional TDA office or Bob Tarrant, coordinator for Grain Warehouse Programs at 1-512-463-4187.

## Applicators' training set for Nov. 16

Castro County producers will have an opportunity to complete training to meet one of the requirements for obtaining a private applicator license by attending a program on Nov. 16.

The training program will begin at 5:30 p.m. in the basement at the courthouse in Dimmitt.

To become a licensed private applicator, a producer must attend a Texas Agricultural Extension Service (TAES) private applicator training program, make a passing score on a Texas Dept. of Agriculture (TDA) private applicator exam and submit an application to TDA along with a required \$50 fee. The TDA private applicator license is valid for five years.

The private applicator training program is available to those who haven't been certified before and to those who have been certified but who will be supervising the application of restricted-use and/or state-limited-use pesticides and those who wish to obtain a TDA private applicator license.

TDA personnel will offer training at the same location after the session.

Persons who plan to attend the training session and take the TDA test need to contact the Castro County Extension Office at 647-4116 prior to the meeting.

### Smith asks people's view on redistricting

Dear Editor:

The commissioners court has asked the people to help us with this redistricting.

Would you please help us with this real serious matter?

This has cost the taxpayers of Castro County many thousands of dollars in the 1980s and 1990s and we need to stop wasting their money.

The purpose of redistricting is to make it possible for a minority to be elected to the Commissioners Court. In 1991 TRLA (Texas Rural Legal Aid) asked Castro County to

have two minority precincts over 70%. If we had done this we would have been able to have an election that would have been legal.

MALDEF (Mexican American Legal Defense Education Fund) has asked Castro County to have Precinct 1 with over 65% minority and Precinct 3 with over 70% Mexican American population.

I want the people to decide what Castro County needs to do.

Please help the commissioners court with this real serious matter.

HAROLD D. SMITH  
Pet. 1 Commissioner

Red Ribbon Week was observed county-wide last week in Castro County, and several activities involved Castro County Sheriff's Deputy Brian Frieda.

Frieda is the certified Crime Prevention Practitioner for the Sheriff's Dept., starting work here Sept. 1. He has seven years experience in law enforcement with various departments in South Texas.

Born in Floresville, he attended San Antonio College. He and his wife, Tammy, have a son, Ethan, 1. They moved here from Salida, Colo.

Frieda said he plans to restructure the "watch" programs for the rural areas of the county, emphasizing the new "Farm Watch" program designed especially for farms.

"The earlier watch programs were just an adaptation of the Neighborhood Watch," Frieda said. "This new program features the 'Watch-ful Eye' sign with a tractor reflected in the middle, along with security and safety tips slanted toward rural residents."

Frieda said he is available to give crime prevention checkups for individuals or businesses, as well as programs for clubs and organizations. He said he can be reached through the Sheriff's Dept. at 647-3311. If unable to reach Frieda, leave a message and he promises to return your call.

Another fairly new face at the Sheriff's Dept. is also the youngest face among the field deputies. W.H. "Billy" Cox started work here in July, having moved here from Levelland.

Cox obtained his law enforcement certification from South Plains College in Levelland and served as a reserve officer in Olton for two years. He was raised in Cotton Center, and his parents now live in Levelland. He has a 12-year-old son, T.J., who lives in Whitharral.

Cox said he likes the challenge of law enforcement work and enjoys the continuing education encouraged by the local department.

"The department is great, and I like the people I'm working with," Cox said.

Two other new faces round out the crew at the Sheriff's Dept. They are jailers Mary Ewing and Larry Bice.

Ewing has lived in Dimmitt for many years. She has three sons. An employee of the department since

July, she is working on her law enforcement certification.

Bice joined the department in August, moving here from Tulia. This is his first job in law enforcement, and he is working toward certification, also.

## Castro County farmers may apply for emergency loans

Farmers in Castro and 26 other Texas counties may apply for low-interest emergency loans to help recover from crop losses caused by excessive rain and hail which hit the state between May 1 and July 30.

The counties included in the disaster declaration are Bailey, Borden, Briscoe, Castro, Cochran, Cottle, Crosby, Dawson, Deaf Smith, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Howard, Lamb, Lubbock, Lynn, Martin, Midland, Motley, Parmer, Swisher, Terry and Yoakum.

For those who cannot obtain credit through normal channels, the US Farmers Home Administration (FmHA) will make loans available at below-market interest rates to family farmers.

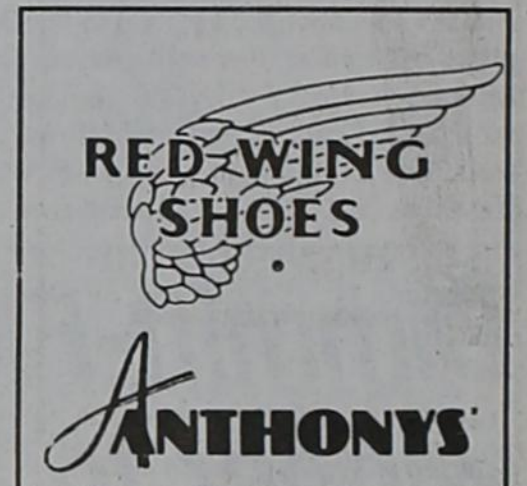

In addition to the above counties, 21 Texas counties have been named as contiguous counties and therefore are eligible for assistance. These are Andrews, Armstrong, Childress, Crane, Donley, Ector, Foard, Glasscock, Hall, Hardeman, Kent, King, Mitchell, Oldham, Potter, Randall, Reagan, Scurry, Sterling, Stonewall and Upton.

Farmers have eight months to apply for the loans to help cover part of their actual losses.

FmHA, which will supervise the loan program, is charged with pro-

viding aid to the farmers and ranchers in order to assist their economic recovery from natural disasters.

try to get a cheaper one that would not have any flexibility.

Griffitt said that the older trucks would be kept for stand-bys. He said the department could get more than \$3,000 use out of them, which would be about all that would be allowed on trade-in.

In another matter, the council voted to delay accepting a parcel of property donated by a local land owner. Council members wanted to investigate what the city's responsibility would be in improving the flood-prone property. The donor had requested that the land be made into a city park with a pond and better drainage. The land is along

the north side of Western Circle Drive, and would have to be annexed into the city.

City Attorney Jack Edwards asked the council members to examine the proposed cable TV ordinance to see what changes they would recommend and to consider what they would be willing to negotiate on.

In other business, Courtney Sharp of the Panhandle Regional Planning Commission told the council that plans are moving forward on the establishment of a park on the south side of Dimmitt along FM 3215. The park is being built with grant funds from the Texas Parks and Wildlife Dept.

Sharp said the project should be ready to go out for bids within the next 90 days.

Additional land acquisition steps must be completed before the construction can start. Sharp reminded the council that the contract allows three years for completion from the time the contract was signed.

## TDC inmates talk to Hart youths about dangers of drugs

"Dave" and "John" lost almost everything before they realized that drugs and alcohol were at the root

of all their problems. And they told about those problems at Hart Independent School District last week.

The two are inmates from the Texas Dept. of Corrections facility in Tulia and they were in Hart as part of an educational program. They told students about the problems drugs and alcohol had created in their lives.

John is 38 and is in prison for the fifth time.

Dave is 32 and is serving his third prison term.

Both are serving 25-year sentences.

John came from a good family. His father is a preacher in West Dallas and his mother is a school teacher. One of his sisters is a professional gospel singer. Another sister is a school teacher and he has a brother who is a professional wrestler.

John was valedictorian of his graduating class in 1973. He was an all-state quarterback and linebacker. Both academic and athletic scholarships were offered to him.

He even attended two years of college and remained drug-free during that time.

Dave came from an entirely different environment. His mother was married four times and he never knew his father. Dave's mother had to work evenings to support him and his sister, so he was often alone at night. His sister committed suicide when she was 24.

Dave began using drugs when he was in the seventh grade. He was sent to juvenile hall twice. Dave never graduated from high school. When his son was born, Dave was practically homeless, moving weekly to stay ahead of the rent.

Both men used drugs and alcohol.

Dave lost two wives and a son while John lost a wife, several cars and a home.

In Hart last week, the men told students to stay away from drugs at all costs and "watch who you run with."

"Everybody's got problems," said John. "Evaluate the situation and find a solution. It's not in drugs."

Following speeches by the inmates, students and faculty were allowed to ask questions.

The men told of the violence in prisons and the poor conditions. One of the teachers told the inmates that students see prison as a fun place because they can drive by the Tulia facility and see inmates out playing basketball, running and lifting weights. She asked the inmates to tell students how much fun prison really is.

John told of hard work. He said everyone works and many of the jobs include manual labor. The reason for recreation activities in prisons is to cut down on the violence.

Dave and John used the question period to reiterate their remorse for their actions and the pain they had caused others.

The men's rehabilitation also was a topic of interest for the students.

# Southwest Outdoors

with Mel Phillips

The best hunting tip that I ever received came not from an outdoorsman in the traditional term but from a man that depended upon outdoor skills just to stay alive.

His name was Gunnery Sergeant Hines, my Marine drill instructor for basic training during my Navy pilot training days.

His lectures concerning how to stay alive had real meaning during the Vietnam war years. He served several tours in Nam and all of us college boys who were going to be aviators listened while he talked. His stories never described the heroic drama of fire fights, but usually concerned our gear and how little things could save our lives or cause problems.

One evening as I was treating some severe blisters from my new combat boots, he casually suggested that unless I wanted an extra three weeks of basic training, I should learn to wear two pairs of socks with my boots. The first pair should be thin nylon dress socks. Over these dress socks I should wear thick cotton socks. When the rubbing caused by exercise occurred, it was between the nylon and the cotton, not on my feet.

Gunny Hines taught us many things, but every fall when I look at my hunting boots, I hear his voice and to this day I still follow his sage advice.

Opening weekend of quail season reveals a lot of birds and numerous reports of huge coveys containing evidence of staggered hatches of young quail. Although our fall weather remains very dry, the critical time for hatching young quail was during our wet spring and early summer. Barring a repeat of the terrible winter freeze of 1989, the outlook for quail is simply outstanding.

One of the keys to improved fishing is more catch-and-release by more fishermen.

Allan Forshage, head of the Angler Recognition Program for Texas Parks and Wildlife, hopes that a reduction in the minimum length requirements for his program will encourage more anglers to practice catch-and-release. Participating anglers will receive a neat recognition pin from Texas Parks and Wildlife and the satisfaction of releasing a prime breeding-sized fish.

New minimum length requirements include the following: largemouth bass, 21 inches; smallmouth

bass, 18 inches; blue catfish, 36 inches.

For more information and the application forms write to Inland Fisheries, TPW, Rt. 10, Box 1043, Tyler, Texas 75707 or call 1-903-566-2161.

210); sophomore noseguard Manuel Minjares (5-7, 165); linebackers Jerry Moroles (6-1, 190-lb. senior) and Cesar Salas (5-10, 160-lb. junior); junior cornerback Fred Reyna (5-8, 145); junior strong safety Jason Aven (5-8, 155) and senior free safety Anthony Washington (5-10, 145). Rounding out the starting lineup are senior cornerback Jayson Wilhelm (5-11, 145) and junior defensive tackle Fernando Urbina (5-7, 190).

"It's going to be an exciting game—a big game. We need to shut them down and we're going to do that with our No. 1 defense," said Moroles.

"It's going to be a tough game," said Hawkins. They've shown they can play football, but we can play against them. We just need to contain their quarterback."

Offensively, the Longhorns' multiple attack is directed by quarterback Aven with Salas getting the majority of the rushing duties from his tailback position. Fullback Moroles also carries his share of the load. Washington is a z-back and tight ends are Israel Garcia and Chris Salinas. Split ends are Wilhelm, Cody Upshaw and Carlos Urbina. The line features Hawkins, Reyna, Welps and Hernandez.

"We need to win to keep playing. It's a do or die situation," said Welps. "We need to beat them—just line up and run over them. We can do it."

Nazareth also runs a variety of things on offense, according to Cherry.

"They can throw and run and they do both well. They'll move the ball. We just can't give them the ball in good field position like we did Sudan."

Senior quarterback Michael Schmucker (6-1, 185) pilots the Swifts' offensive attack with juniors Nick Johnson (6-0, 170) and Morgan Heck 5-10, 160) taking care of the running duties from tailback and fullback, respectively. And when Schmucker throws the ball, he has a

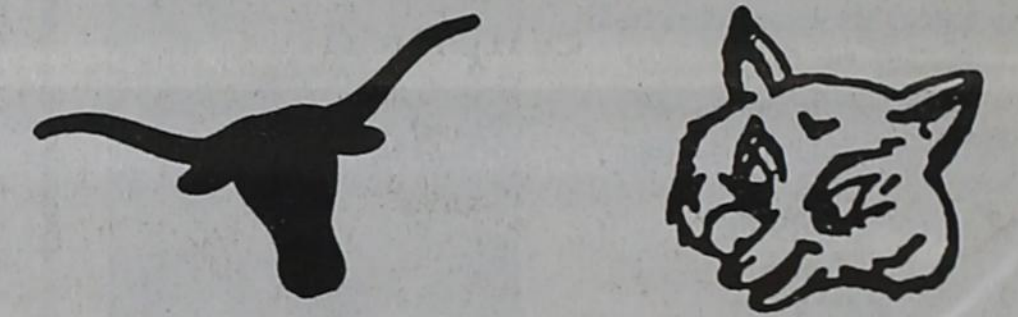

variety of receivers to select from, including senior tight end Brandon Schilling (6-0, 180), senior wide receiver Adrian Farris (5-9, 150), junior Joey Schacher (5-10, 150) and sophomore Colby Pohlmeier (6-0, 160). Nazareth's offensive line includes senior center Russell Huckert (5-10, 190), junior J.J. Bermea (5-8, 150), senior Bill Hochstein (6-0, 185) and sophomore Adam Johnson.

"We'll have to be ready," Schilling said. "We'll also have to execute our running and passing game like we did against Sudan."

Nazareth's defense includes Hochstein and Schilling at ends, Huckert, Schmucker and Bermea at linebackers, Nick Johnson and Farris at safeties; Ryan Hoelting (5-10, 165) and Heck on the line; and Schacher and freshman Gaylon Schilling (6-1, 160) at corners.

"This game will be bigger than Sudan's was because the district championship is on the line," said Farris.

"We'll have to be just as intense as we were against Sudan. Hart is going to be ready for us because if they lose, they have to stay home," said Schmucker. "If they win, they'll tie us and Sudan, and will have a chance. We can't have any turnovers. We've got to play our type of football. It's likely to be close and it will come down to the end. I think whoever has the least turnovers will win."

## Girls' teams prepare for scrimmages

County roundballers will be taking to the courts this week for the first scrimmages of the 1992-93 season.

The annual Dimmitt-Levelland-Nazareth girls' scrimmage will be held Tuesday night at the Dimmitt Middle School gym.

The junior varsity teams are expected to tip off at 5 p.m. and the varsity teams will scrimmage following.

Hart's junior varsity and varsity Lady Horns will open their pre-season schedule Tuesday night at Muleshoe. Tip-off is slated for 5 p.m. Then on Saturday, Nov. 14, Hart's girls will scrimmage Littlefield, there, at 10 a.m.

## Lillie Barlow

Services for Lillie Pearl "Granny" Barlow, 98, of Earth, mother of C.L. "Shorty" Barlow, were held Wednesday afternoon in the First Baptist Church at Earth with Rev. Bobby Broyles, pastor, officiating.

Burial followed in Earth Memorial Cemetery under the direction of Ellis Funeral Home.

Mrs. Barlow died at 2:15 p.m. Monday in Palo Duro Hospital in Canyon after an illness.

She was born in Indian Territory and moved to Earth from Burkburnett in 1929. She married J.J. Barlow on April 8, 1910, in Altus, Okla. She was a member of the First Baptist Church and was a homemaker.

Survivors include her husband; five sons, Marion and C.L., both of Earth, J.D. of Littlefield, T.C. of Amarillo and J.J. Jr. of Denton; three daughters, Lois Lemons of Hereford, Louise Galloway of Burkburnett and Juanita Smith of Houston; 24 grandchildren; 40 great-grandchildren; 16 great-great-grandchildren; and a great-great-great-grandchild.

The family requests memorials be to the Earth Emergency Medical Services Fund or to a favorite charity.

## Gertrude Gindorf

Services for Gertrude A. Gindorf, 82, of Wilson, sister of Walter Wilke of Dimmitt, were held Monday afternoon in St. John's Lutheran Church with Rev. David Mumford, pastor, officiating.

Burial followed in Resthaven Cemetery in Southland under direction of Englund's Funeral Home of Slaton.

Mrs. Gindorf died Saturday in Lynn County Hospital in Tahoka after a brief illness.

She moved from Bartlett to Southland in January, 1921. She was a member of St. John's Lutheran Church and a member of its Torcas Circle. She also was a Sunday school teacher and a member of the Young at Heart Club.

She was preceded in death by her husband, Elmer, in 1975; and by a daughter, Rose Marie.

Survivors include three daughters, Evelyn Hobbs of Idalou and Janet Wuensche and Betty Bishop, both of Wilson; three brothers, Marcus Wilke of Wilson, Walter Wilke of Dimmitt and Edmund Wilke of Lubbock; three sisters, Bertha Betts of Levelland and Frieda Mueller and Myrtle Stabeno, both of Slaton; 10 grandchildren; and 13 great-grandchildren.

OVER 200 CARNIVAL-GOERS went through the spook house sponsored by Dimmitt's LULAC chapter at Saturday's Halloween Carnival in Dimmitt. Welcoming fright-seekers are "Witch" Gloria Hernandez and "Norman Bates' mother" Anita Velasquez (back). The chapter raised \$125 for scholarships for local students.

## Hettie Brown

Hettie Brown, 87, of Plainview, mother of Marie Sammann of Dimmitt, died Sunday.

Services were held Tuesday afternoon in Lemons Funeral Home's Memorial Chapel in Plainview with Rev. Gary Kleypus, pastor of Providence Lutheran Church, officiating. Burial followed in Parklawn Memorial Gardens.

Mrs. Brown was born in Jacksonville and graduated from Plainview High School. She worked as a dental assistant to Dr. Lloyd. She married Ralph A. Brown in 1924 at Hale County.

She moved to a farm in Floyd County. In 1947 she moved to Ruidoso, N.M. and returned to Plainview in 1973. In 1956 she was state queen for the National Flying Farmers Association of New Mexico. In 1974 she was New Mexico Woman of the Year for NFFA. In 1979 she was state queen for NFFA of Texas. She was a former member of the Methodist Church in Aiken.

Survivors include her husband; five daughters, Otero Scheele of Lockney, Maxine Rigler of Austin, Sammann, Shirley Burrows of Van Buren, Mo., and Patsy Haley of Socorro, N.M.; two brothers, Ray Morrison of Arizona and Roy Morrison of Plainview; three sisters, Leta Tannahill of Friona, Kate Skelton of Lubbock and Faye Holmes of Plainview; 19 grandchildren; and 43 great-grandchildren.

The family suggests memorials be to Hospice of the Plains.

## Lewis Jordan

Lewis "Buster" Jordan, 81, of Dimmitt, died at 2:40 p.m. Saturday at Plains Memorial Hospital after a lengthy illness.

Services were held Tuesday afternoon in the Ivey Chapel at Foskey Funeral Home of Dimmitt with Rev. Johnny Robertson, pastor of the First United Methodist Church of Dimmitt, officiating.

Burial followed in Westlawn Memorial Park under the direction of Foskey Funeral Home of Dimmitt.

Mr. Jordan was born in Denton County and lived in Roundup before moving to Dimmitt in 1978. He married Loneta Shirley on Oct. 13, 1934, in Frederick, Okla. He was a retired farmer and a member of the Bluegrove Methodist Church in Clay County.

Survivors include his wife; four sons, Lewis F. of Dimmitt, Joe of Phoenix, Ariz., Leonard of Bovina and Jacky of Dallas; four daughters, Betty Duncan of Bountiful, Utah, and Reba Springer, Cindy Cofield and Tammy Thomas, all of Lubbock; two sisters, Myrtle Wendell and Pauline Pryor, both of Wichita Falls; a brother, J.W. of Calvert; 20 grandchildren; 18 great-grandchildren; and a great-great-grandchild.

The family suggests memorials be to Westlawn Memorial Park.

ces, although the county's voters leaned a little heavier toward the winners in a few races.

While the state's voters gave Democrat Morris Overstreet 52% of the votes for Place 2 on the Court of Criminal Appeals, he won 66% of the local vote with 1,630 ballots cast in his favor. His opponent, Republican Sue Lagarde, received 857 local votes for a 34% standing, well below the 48% she garnered state-wide.

Local voters also leaned more heavily toward Place 3 Supreme Court candidate Jack Hightower, Democrat, giving him 66% of the local vote with 1,661 ballots. He registered 57% of the state-wide vote. His opponent, John Montgomery, got 861 local votes for 34% of the ballots, considerably lower than his state-wide showing of 43%.

In the race for Justice, 7th Court of Appeals District, Democratic incumbent Carlton Dodson won 1,477 votes in the county for a showing of 63%, much higher than his 50.1% record district-wide. His Republican challenger, Jairl Dowell, received 854 county votes, for 37%. District-wide, he registered 49.9% of the vote.

the ball, dominated the time of possession, and out-foxed them with that nifty inside kickoff play.

Which shows why I'm not a coach. And why Rick Price is.

Work already has started on forming the transition team for the Clinton/Gore administration, and it appears that Castro County could have some significant input on appointments to the Dept. of Agriculture, Small Business Administration, Farmers Home Administration and other government agencies that have a major impact on rural America.

Our county may even have a member on the transition team itself.

### Sudden thought:

Will Sen. Lloyd Bentsen be our next Secretary of State? Or maybe Secretary of the Treasury?

If so, how would his successor in the US Senate be chosen? Would Gov. Richards have the authority to appoint someone to serve out the remainder of his term, or would there need to be a special election? I've forgotten what the procedure is.

Many would not like to see Sen. Bentsen appointed to a cabinet post. He would have to give up the chairmanship of the Senate Finance Committee to accept an appointment, and he's a very valuable Democratic member of the Senate as a whole.

Here's an editorial from last Thursday's *Amarillo Daily News*, in case you missed it:

### Dimmitt's Idea Worthwhile

"No longer is it safe for cities to sit back and let the economic winds blow as they will. Local governments and businesses must work together to ensure economic viability, and Dimmitt is an example of how government can encourage economic growth.

"The Dimmitt City Council plans to issue \$4 million in certified bonds to lure an unnamed food-processing plant to the city. The plant would create up to 600 jobs in

six years, with 70 new jobs created in the first year.

"What is unusual about this endeavor is that it is a joint venture between the city and the company. In return for providing \$4 million in capital—a third of the money needed for the deal—Dimmitt will control one-third of the company and appoint one-third of its board of directors and one-third of the members on executive committees. City officials say this is the first arrangement of its type in Texas.

"The advantage of this deal is that it gives Dimmitt residents a say in how the company is run and how to run it in the best interests of the city. This should provide a modicum of long term stability that is not usually present with most corporate situations.

"With the globalization of the economy, the United States and Texas need visionary, hard-working leadership to secure economic success. Dimmitt has set an example that other cities would do well to heed."

I like that last sentence, "Dimmitt has set an example that other cities would do well to heed." That's the kind of town I want to be a part of. Let's set some more examples.

## Shot clinic set

An immunization clinic offering vaccines that give protection against several childhood diseases will be held on Nov. 17 from 9 to 11:30 a.m. and 1 to 3 p.m. at the Azteca Complex in Dimmitt.

Immunizations will be offered against polio, diphtheria, tetanus, pertussis, measles, rubella, mumps and Haemophilus Influenzae Type B (HIB).

Fees will be charged on a sliding scale depending on family income. Parents are asked to bring along a copy of the child's immunization record and their social security number.

## Johnny Clark

Services for Johnny Franklin Clark, 82, of Hart, were held Monday afternoon in Hart's First Baptist Church with Rev. Gerald Aalbers, pastor, officiating, assisted by Rev. Charles Broadhurst, pastor of Friona's First Baptist Church.

Burial followed in Plainview Memorial Park under the direction of Wood-Dunning Funeral Home of Plainview.

Mr. Clark died Saturday in Amarillo.

He was born in Waxahachie and moved to Plainview from Hollis, Okla., then moved to Hart in 1951. He was a farmer and a member of the First Baptist Church of Hart. He was a mason in the Castro Masonic Lodge of Dimmitt.

He married Earlene Ruth Byers in 1933 at Clovis, N.M.

Survivors include his wife; three sons, Ray of Hart, Dee of Friona and Johnnie of Romeoville, Ill.; three daughters, Shirley Henderson of Bogata, Euna McAfee of Amarillo and Joanne White of Milwaukee; two brothers, Bill of Kress and R.L. of Plainview; a sister, Mildred Savage Morrison of Plainview; 18 grandchildren; and 18 great-grandchildren.

The family suggests memorials be to the American Heart Association or the American Diabetes Association.
