THE AMERICAN PRESS ASSOCIATION

Germany is going to win the war after all unless the nations decide to disarm. America is throwing more money away every year on her army and navy than Germany has to pay in indemnity. America is increasing this waste every year. The allies won't let Germany maintain this useless organization. At the end of forty years Germany will have paid her debts to the allies, be on a sound economic basis with her industries running smoothly. The rest of the nations will be burdened with taxes trying to maintain their fighting machinery. To disarm the nations is the only solution of this waste.

Too much red wine; too many songs of the wrong kind; too many bad women; Fatty Arbuckle fanned in jail charged with murder. Happy is the man who can stand prosperity. Few are the famous movie actors who have escaped the stain of sin and shameful conduct. A few short months ago Mary Pickford was supposed to be "America's sweetheart." Divorce proceedings, scandal, and within a year will probably be a third rate in the game. Fatty may not be guilty. At least he was traveling in the wrong gang, and his company will be his undoing.

The government is going to fire 150,000 employees; 16,000 men are doing the work that required 24,000 men in the Dodge factory in 1920; Henry Ford is getting the same amount of work from 24,000 men where 40,000 were employed last year. Fear of losing their jobs have brought out more and better work. A year ago Dodge Bros. had to have one expert inspector for every dozen mechanics. Now one inspector looks after forty mechanics. Times are not what they were in 1920.

General Pershing called Sam Gompers' band when the latter went to length in praise of the members of the American Federation of Labor during the war. The men under Pershing were fighting for \$30 per month. Many of the men under Gompers were striking because they couldn't get \$30 per day. Rather crude to attempt undue credit for any class of Americans for winning the war.

The Randall County News is going to devote next week's edition to boosting the Randall County Fair. Everything of importance pertaining to the Fair will be told in that edition. A large number of extra copies will be printed to circulate among the people of the Panhandle. Instead of printing a catalogue as fair associations usually do. It will be the biggest advertising opportunity offered the merchants of Canyon this year.

William Wrigley is spending \$10,000 per day advertising chewing gum which sells at 5 cents per package. Wrigley is proud of the business he has built up during the past few years, and gives the credit to advertising. Yet some Canyon merchants are afraid to invest \$20 or \$30 in advertising per month for fear they will not get their money's worth. One thing is certain—money that is NOT spent for advertising will NEVER make a return to the merchant. Mr. Merchapt, wake up.

There is going to be a genuine coal shortage this winter. Yet few people believe it. A well informed man said the other day the coal dealers are trying to put something over. This is not the case; people have not bought coal, and even in Denver, which is in the edge of the coal field, the city is a thousand tons short. Buy coal now, or suffer the consequence when the winter is in force.

Lee Satterwhite, member of the legislature and formerly publisher of the Panhandle Herald, will start a new weekly farm and stock paper in Amarillo this week. Mr. Satterwhite has much experience in the newspaper game and his friends wish him great success in the new venture.

We were always an unlucky cuss. Fashion decrees that the bicycle is staging a comeback—just when we abandoned ours for a jitney.

There is no excuse for Canyon children and young people not being in school. Every kid who roams the streets should be rounded up and made to go to school. Canyon has the greatest educational opportunity of any town in Northwest Texas. It is the recognized educational center in this vast territory. Educating those who live here is necessary to maintain our leadership.

The Klu Klux Klan brags of being 100 per cent American. We have never yet seen a really 100 per cent American who felt the need of bragging about his purity. It is always the fellow who has something to hide who uses a mask to shield his imperfections. A law abiding citizen does not work in the dark.

The visiting teachers were highly pleased with the program of the consolidated institute in Canyon last week. Right treatment always brings your friends back, and so the teachers will return to Canyon next year. The institute is a great thing for this city. The friendship of these people should be cultivated more.

It looks like some democrats are going to try to make a political issue of the November disarmament meeting in Washington. There is always some one present ready to make a jack ass of himself.

Although there was unprecedented building in Canyon this year, the demand for rent houses is greater than ever before. Fifty new houses are needed at once. Now is the time to build. Canyon needs more houses.

Plant some trees this fall. Those who have only locust trees should make arrangements for other trees, as the locusts are fast dying all over town. Canyon should be a town of beauty—and trees add much toward making a town beautiful.

The farmer with the dairy cow and a good string of hogs and chickens has a steady income. This kind of business is hard work, but everything worth while requires work and real effort.

There will be many a poor cuss this winter wonder what became of the \$10 or more per which he received in the balmy days of 1920.

Japan is to have 200 delegates at the disarmament meeting in Washington. Perhaps they will bring enough to demand what they want.

Get ready for the Randall County Fair, Sept. 28, 29, 30.

Mr. Farmer, bring some samples of your crop to the Randall County Fair.

There are a lot of weeds in Canyon which need cutting. Do it now.

LOCAL NEWS

Mrs. Sallie Parker left this week for Tulsa where she will make her home this winter.

J. A. Currie returned Friday from Tucumcari where he attended the round up last week.

Mrs. C. R. Spencer left Monday for her home in Denver after spending a month at the parental B. A. Stafford home.

Mrs. C. D. Coleman of Mineola was joined Thursday by her husband and his brother at the parental B. A. Stafford home. They will leave this week for their home.

Full line of Glass, Oil and Paint at the Canyon Lumber Co.

School Clothes For Boys

The "free and easy" days of vacation are over for your boy now. It's back to school and study.

With this annual turn of events in the youngster's life comes his request for new clothes. He wants to be as well dressed as his classmates and hence, nothing will please him better than a new Fall Suit and Overcoat. In supplying those needs as his parent, no doubt these remarkable values will interest you.

PRES. HILL ANNOUNCES CHANGE FACULTY OF NORMAL COLLEGE

(Continued from Page One)
 study in Chicago. Miss Richardson is strongly endorsed by the University of Texas and is a successful teacher of long experience. She is notably active in the Methodist church.

F. E. Savage, formerly Superintendent of Schools at Tulla and well known school man takes the place this year of Miss Edna Graham of the Mathematics Department. Miss Graham will do graduate study in Columbia University. Mr. Savage is well and favorably known throughout the Panhandle. He is a member of the Church of Christ.

Miss Hazel Allen, who was formerly assistant in piano, returns to the institution after a year's study in Los Angeles. She will be in charge of the piano work in the absence of Miss Pauline Brigham, who will study in Los Angeles. After Miss Brigham returns both she and Miss Allen will teach piano.

As formerly announced, Mr. S. D. Burton, B. A., of Oklahoma University and graduate student in that institution, comes to the head of the Department of Physical Education. Mr. Burton has had notable success in training athletic teams in public schools, in the Weatherford, Okla. Normal, and as assistant coach in the University of Oklahoma. Mr. Burton is now in charge of the Boys' Training Camp and is rapidly developing a good team. He is a member of the Methodist church.

Miss Verne Mansfield succeeds Miss Miriam Anderson as Director of Physical Education for Women. Miss Mansfield has studied in Michigan Agricultural College and is a graduate of Columbia College of Physical Training. She came to her new position at the opening of the second half of the summer term and quickly found her place in the institution.

Miss Vera Eids of Normal, Illinois, becomes Student Life Secretary in the place of Miss Harriet Graham, resigned. Miss Eids is a graduate of Illinois State Normal and holds the B. A. degree from the University of Illinois. She has three years grade teacher and assistant pastor at University Place Church of Christ, Champaign, Illinois. She is described by the Southwestern Field Committee of the Y. W. C. A. as "a girl of exceptionally high Christian standards. . . . She cares deeply for the religious purpose of the Association and she has much to share with others in making religion mean more."

Miss Mabel Rogers, graduate of the West Texas State Normal College, B. A. and M. A. of the University of Texas and a former instructor here, takes the place of Miss Alberta Brackney, resigned, in the Training School. Miss Rogers is well known in Canyon and the College is very fortunate in securing her services.

Miss Marion Witt, B. A. of Texas Woman's College and M. A. of Columbia University takes the place of Mrs. T. B. McCarter, resigned. Miss Witt made a phenomenal record at T. W. C. and took high rank at Columbia. She has had successful teaching experience and demonstrated her ability as an instructor in our Training School this summer. She is a member of the Methodist church.

Miss Annie Bailey of Lone Oak, Texas, takes the place of Mrs. W. B. Mahan, resigned. Miss Bailey is a well trained woman of unusual promise as a teacher and is a member of the Methodist church.

Miss Margaret Guenther, daughter of Prof. E. P. Guenther, who took a leave of absence last year for the study of music in Chicago, returns to us this year as Director of Music in the Training School and teacher in charge of the sixth grade in the Training School. Miss Guenther is so well and favorably known to our local people that she needs no introduction.

Mrs. Hanscom, who so ably taught the sixth grade last year, will do graduate study in Columbia University this year and will return to us as Director of Practice Teaching next year.

Prof. John S. Humphreys entered upon his duties as Registrar at the opening of the Summer Term. He holds the A. B. and M. A. degrees from Harvard, and M. S. from Georgetown College. He comes to us with long and successful experience in Texas college work and is directly from the College of Marshall where he was president. He is a member of the Baptist church.

Miss Mary L. Clark returns to us after a year's study in Chicago to take her place as Instructor in Violin. Her friends are glad to welcome her return.

Miss Sadie O'Connell will return after a summer's study in Emerson school of Oratory, where she received her degree.

Mr. Frank R. Phillips, after a summer in Cornell studying Vocational Agriculture, returns to his position as director of his favorite work in the Training School.

Miss Jessie E. Rambo, Head of the Home Economics Department is given a leave of absence for a year's graduate study in Columbia University. Miss Georgie Watkins will be in charge of Miss Rambo's class work and will be assisted by Miss Annie Wood, who is a Senior in the College. Miss Martha T. Bell, Associate Professor of Home Economics, will be acting Head of the Department in Miss Rambo's absence.

Miss Adeline White, who was given a leave of absence last year, returned this summer and resumed her work as Associate Professor of Education. Miss White received her M. A. degree from Teachers' College in May.

Miss Grace Penrod, B. A., West

Texas State Normal College, will become instructor in Spanish. This is a new position. Miss Penrod graduated from this school in June.

Happy Happenings

A. L. Harrison, J. F. White and Lane Mayhew were business callers in Plainview Friday.

Miss Ruth Montier left Monday for her school work at Dallas after spending the summer with her mother, Mrs. J. M. Burkhalter.

Miss Margaret Dillon of Canyon spent several days last week with her sister, Mrs. Miller Currie.

Mrs. Dolica Stults and three grandchildren, Kenneth Stratton of Dallas, Mrs. Kerby and daughter of Denton came in last Thursday to visit the W. C. White home. Friday they went to Canyon, accompanied by W. C. White and family to visit the G. R. Stratton home. They spent Friday and Saturday on the canyons. W. C. White and family returned home Saturday. Sunday they all spent the day at the Chas. Stratton home west of here. Monday they all returned to the W. C. White home from where they left Tuesday to visit other points before returning home.

The infant son of Mr. and Mrs. J. G. Evans was buried Tuesday evening at the Happy Cemetery. Services were conducted by Rev. C. W. McNeely. The bereaved parents have the sympathy of the entire community.

Rev. Lowe of Wayside preached Sunday morning at the Methodist church. Rev. McNeely being at Fairview where he was conducting a meeting.

Work has begun on Frank Scott's new house. Mr. Rogers and J. P. Evans are each building new houses in the west part of town and Guss Miller has begun work on his shop just west of the drug store.

Mr. and Mrs. Newberry of Tulla visited Sunday at the parental C. L. Grounds home.

Miss Edna Swearingen entertained the young folks Saturday night. Games were played until a late hour when refreshments of ice cream and cake were served. All report a nice time.

Mrs. Earl Wesley and daughter, Inez, are staying at Mrs. Ethel Wesley's to send Inez to school. They will build soon.

Miss Ruth Harrison spent the week end visiting at Lockney.

O. H. Balis, N. W. Uselding, J. R. Francy, W. B. McManigal and Wm. F. Miller and their families went to the J. W. McCrrey home Sunday where they had a picnic dinner, spending the afternoon on the canyons in sightseeing and swimming.

Clayton Woolery and Miss Walker of Hereford visited Mrs. E. E. Doak Sunday.

Mrs. E. E. Doak and Mrs. E. A. Driver were in Amarillo Tuesday.

Mrs. W. S. Myers was an Amarillo caller Wednesday.

Miss Mary Tecum returned this morning from her home in Ohio. She is kindergarten teacher in the Normal.

C. M. Thomas came in this morning from Old Mexico.

Rev. and Mrs. O. P. Hinge and Geo. Wenkelin were in Clarendon Sunday where Rev. Hinge installed a new pastor for the Lutheran Church. Mr. Wenkelin says that the roads were fine until they reached Goodnight, and the remainder of the way was "rough and sandy." Crops are looking good all of the way to Clarendon.

Umberger Notes

A week ago Sunday the little son of John Straub, about 8 years old, got bit by a rattlesnake while walking thru the cornfield. After some assistance from physicians in Canyon the little fellow was taken to the sanitarium at Amarillo. His condition was quite dangerous at first, but is now recovering. Mrs. Straub believes she can bring him home about the middle of this week.

Ludwig Brandt and wife autoed to Canyon last Sunday.

Clem Friemel and family, Meinrad Hollenstein and family visited at the Vince Skypula home near Dawn last Sunday.

Bob Vogt from Schulenburg is staying at the Hugo Skarke place now, assisting in putting in a three hundred acre wheat crop.

Freeze a fruit salad to a frappe stage and serve in halves of chilled cantaloupes. Garnish with strips of maraschino cherries.

Baptist Meeting Will Close Sunday Night

There has been a large attendance at the Baptist revival meeting all week. Rev. Melton is one of the strongest preachers the church has ever had in a meeting and his sermons are of great benefit to the Christian people who are attending in large numbers.

Rev. Fronbarger stated this morning that the meeting would possibly continue until Sunday night.

Wayside Items

Mrs. Etta Gillham has been visiting friends near Plainview.

Mr. and Mrs. W. J. Sluder, Mrs. Grace Graham and daughter Ida, and Marvin Sluder and Carroll Sommersell left Saturday for Tuttle, Okla., to visit with Mr. Sluder's sister, Mrs. Fannie Butler.

Mr. and Mrs. Jim Holland made a trip to Tulla Saturday.

Wayside school began Monday morning with three teachers. Plans have been changed lately as to the teachers. Mr. Paul Foster is principal, Miss

Naasson intermediate, Miss Nance primary.

Rev. J. T. Lowe preached at Happy Sunday in Rev. C. W. McNeely's place. Rev. C. W. McNeely is conducting revival services at the Fairview school house. He is delivering some fine sermons and much good is being accomplished.

Some rain fell Sunday night and Monday morning. It was getting too dry to plow.

The Methodist Church

9:45 Sunday School.
 10:45 Preaching by the pastor.
 No services at night.

Let every Methodist be present Sunday morning. It is only three more Sundays until Conference and we have much work to do before that time.
 SIMEON SHAW, Pastor.

SCHOOL SUPPLIES

Good supplies are the biggest item on your child's educational bill. Therefore, it is only natural that you should want to save what you can in purchasing them and yet get the right ones. We keep a complete line. It will pay you to trade here.

JARRETT DRUG CO.

CUT YOUR MEAT BILL

Every family is greatly interested in cheaper living costs—we are here to help you solve that problem.

Unfortunately all cuts of a beef are not the same. Unfortunately there must be front quarters of a beef as well as the more choice hind quarters. If all cuts of the beef were the same with no waste, meat would be cheaper.

If properly cooked the meat of front quarters is as good as that of the hind quarter. It takes a little longer and a little more pains necessary to cook the front quarter, but the meat is good and wholesome.

Front quarter meat is much cheaper than hind quarter. Cash in on a little time by buying these cheaper cuts of meat, drawing your pay from the saving in the price of meat, and add this saving to your bank account for other purposes. We are anxious to help you save this money.

Make a resolve now to buy front quarter meats and save money on your meat bill.

Had Operation Monday—Henry Dowd was operated upon for appendicitis in the hospital in Amarillo Monday and is recovering nicely.

Bellah-Gyles Wedding

On Sunday morning the pretty home of Mr. and Mrs. R. A. Bellah was thrown open to a few friends and relatives to witness the marriage of Miss Jimmie Bellah to Mr. Frank A. Gyles of Hereford.

The spacious rooms were thrown together for the occasion and were most artistically arranged with a profusion of pot plants and garden flowers.

Promptly at 8 o'clock, with the Victrola pealing forth its soft, sweet melodies the happy young couple came through the dining room to stand beneath an arch made of evergreens and pink rose buds. Here the ceremony was spoken in a most impressive way by Rev. J. T. Burnett, a life long friend of the bride's family.

The charming young bride was tastefully and most becomingly gowned in an imported midnight canton crepe, embellished with embroidery of pearls and cut steel beads, with all accessories to match. She carried a beautiful arm bouquet of white asters.

Miss Jimmie Bellah is the only daughter of Mr. and Mrs. R. A. Bellah and has made her home here for the past three years. She is a modest, cultured young lady, a member of the younger set and numbers her friends by her acquaintances. She will be greatly missed in musical circles, in which lines she was unusually talented.

The groom is a splendid young business man of Hereford, being engaged in the grocery business at that place.

The popularity of both the bride and groom was attested in the splendid array of useful and handsome presents consisting of fine linens, silver, cut glass, etc. Immediately after the ceremony and congratulations, Mr. and Mrs. Gyles left for an extended wedding trip to points in New Mexico and Colorado, and will be at home after October 1st, at Hereford, Texas.

The host of friends here wish for them a most joyous wedded life.

—Contributed.

Book Club Meeting

The first meeting of the season of the Women's Book Club was held yesterday afternoon, the president of the club, Mrs. C. W. Warwick, being hostess at the social and business meeting.

"What was the excitement down the street?"

"Oh, a man in a reverie ran into a tautrum."—The Pathfinder.

An old lady was with a party being shown over Nelson's ship, the Victory. Pointing to a brass tablet let into the deck, the guide said, in solemn tones, "And that is where the great Nelson fell."

"I ain't at all surprised to hear it," replied the old lady. "I almost slipped over it myself."—London Referee.

Mr. Wright—You have read my new story. What do you think of it?

Miss Pert—To be perfectly candid, I think the covers are too far apart.—Exchange.

Cut-rounds from thinly rolled cookie dough; soften, drain and chop some dried peaches; spread between two cookies and press together.

Many delicious gelatin and tapioca desserts can be made with grape juice. A little lemon or orange juice usually improves their flavor.

The Administration has discovered that a great many of the expenses it promised to cut off are capable of voting.—Columbia Record.

Buy Advertised Goods

When the people of a community either send out of town for purchases or go to some other town to make these purchases, they do so for one of two reasons.

One of the reasons is that they cannot get the exact goods wanted in any of the local stores, and the other principal reason is that the buyer is led to believe that through advertising that the prices are lower elsewhere.

The store that carries standard goods and is not afraid to describe and price them through various advertising mediums is the one that gets the bulk of this business, and this store is enabled to sell at a lower price because of the increased business. It costs every merchant a certain sum to open his doors every morning, whether he sells anything during the day or not; and the larger the volume of business transacted during the day the smaller the proportion of this fixed cost is to each purchaser.

As only good merchandise is worth advertising you can depend on advertised goods for both price and quality. Buy advertised goods.

Stuffed onions are good. Fill with equal parts of minced ham, buttered bread crumbs and chopped onion pulp, mixed and seasoned.

Fordson TRACTOR

\$625
F. O. B. Detroit

"Yes I've more Time for Myself Since I Got a Fordson"

The Fordson Tractor is taking much of the drudgery out of farm life; it is solving the labor problem; it is reducing the cost of preparing land by almost one half of what it was with horses; and it is saving one third to one half of the farmer's time; and making farm life more attractive.

The Fordson will run your threshing machine—and at the most opportune time for you. It will operate the milking machines, saw your wood, fill your silo, pump the water, and take care of every kind of belt work—

And don't forget—it will plow six to eight acres in a ten hour day, handling two plows with ease.

Thus the Fordson is the ideal year-round tractor. It will pay for its fall and winter keep in many ways.

There's a big story to tell you about the Fordson—and a true one—come in and get the facts. Or, if you prefer, telephone or drop us a card and we will bring them to you.

COLLEGE OF INDUSTRIAL ARTS (STATE COLLEGE FOR WOMEN) DENTON, TEXAS

The College of Industrial Arts offers the following advantages to Texas girls: (1) a pleasant, healthful, and accessible location in the State of Texas, (2) an unimpeachable moral and religious environment, (3) freedom from distracting internal and external influences which tend to lower the morale of the student body and the value of the work of the College, (4) a standard of living that discourages extravagance, and promotes a democratic spirit in keeping with sound economy and with the best American traditions, (5) courses of study that combine sound culture and accomplishment with preparation for practical, useful living; that chiefly keep in view the needs of the present and the future; and that are flexible enough to allow, within safe limits, conformity with the aptitudes and inclinations of the individual student, (6) a faculty of college and university trained specialists—men and women of maturity, scholarship and demonstrated teaching ability; (7) an administrative system that develops initiative, resourcefulness, and self-control on the part of its students, and fosters the highest ideals of character and conduct.

It is a College of the first-class and gives, literary, technical, and vocational training of the best quality, designed to develop mental discipline, social culture, spiritual vision, and efficiency. It confers the degrees of bachelor of arts, bachelor of science, bachelor of music, bachelor of business administration, and bachelor of literary interpretation; awards vocational diplomas and certificates, and issues teachers' State certificates.

The next session of the College opens Tuesday, September 20, 1921. For further information or for the latest catalogue, address

F. M. BRALLEY, LL. D.
President, College of Industrial Arts,
Denton, Texas.

When you come right down to reason, what is there to "discount" tires —

THE next time a friend comes to you all excited about some wonderful tire bargain—ask him how much value he ought to get for each dollar of tire money.

It's astonishing that any car owner today should not know all the tire service he is entitled to.

Nor how to check up between the economy of par quality on one hand—and big discounts, surplus stocks, discontinued lines and retreads on the other.

For two years U. S. Tire makers have been telling the American people all about tires.

They have laid open the tire business from every angle.

They have always led the fight for better tires.

They have consist-

ently maintained quality first standards with certain economy for the tire buyer.

They have established 92 Factory Branches all over the country. Perfecting U. S. distribution so that you get a fresh, live tire every time you buy a U. S. Tire.

So when a man once decides on U. S. Tires he knows what he is getting in quality—service—economy.

In support of his own judgment he gets the pledged word and reputation of the largest and most successful tire concern in the world.

A sound reason for the fact that you see more U. S. Tires on more cars than ever this year.

"You get a fresh, live tire every time you buy a U. S. Tire."

The U. S. CHAIN TREAD
One of the few tires of which it may be said that they deliver economy year in and year out and tire after tire.

The Latest and Best

We offer the Case 15-27 Kerosene Tractor as the king of them all. It is creating a sensation all over the country. It is the result of 77 years of experience of the famous J. I. Case Threshing Machine Company.

It pulls three plows in hard plowing—four plows under favorable conditions. It has abundant reserve power. It burns kerosene successfully and economically.

This sturdy tractor is adaptable for all kinds of drawbar and belt work. It drives a 26x46 Case Thresher with Feeder and Wind Stack. Its pulley is properly placed for convenient "lining up."

It is small and compact and built for accessibility. No tractor is finer. You should become acquainted with its many superiorities, which we will be glad to explain. Don't buy before you see this better tractor.

BE RID OF THE ACHE

If you are a sufferer with lame back, headache, dizziness, nervousness and kidney disorders, why don't you try the remedy that your own neighbors recommend? Ask your neighbor!

Mrs. C. R. Correy, Canyon, says: "My back and kidneys had been causing me a lot of trouble for a long while. My back ached steadily and there was lameness and soreness in it which made it hard for me to stoop over to do my housework. I would get dizzy and black specks would float before my eyes. Then again I would have headaches and my kidneys were inflamed and irregular in action. I was advised to try Doan's Kidney Pills and bought some at the Holland Drug Co. Three boxes fixed up my kidneys and relieved my back."

Catarrhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions.

High Rent vs. High Taxes

The man who pays high rental, only in exceptional cases has a moral right to kick about it. The man who pays high taxes is receiving its benefits. Being a party to taxes is being a partner in a great enterprise. What does the rent payer get back for his money? For what reason has he to expect more than a shelter for his family, to whom his every instinct should urge him to own his home? The man who will deny his family the pride of home-ownership is, unconsciously maybe, but nevertheless tearing away the basis of our government, society and civilization.

This may be pointed, but it's true. Let us help you build a home.

TEACHERS RETURN TO CANYON FOR CONSOLIDATED INSTITUTE

(Continued from Page One)

Plemmons, Shamrock, Silverton, Lockney, Texline, Tascosa, Petersburg, Lorenzo, Ralls, Vega, Wheeler and many other smaller towns besides several hundred rural schools.

There were nearly 800 Panhandle teachers enrolled at the Panhandle Institute last week. It was like a great university. Every department of public school work had a specialist in that special department as director of the work. The program was of the highest class. Miss Annie Webb Blanton, State Superintendent of Public Instruction, was one of the speakers. Dr. Shelton Phelps, professor of school administration at George Peabody College for Teachers, was one of the lecturers for the week. Dr. Phillips of Missouri Training school for Teachers was another of the week's lecturers.

One of the most interesting features of the week's work was the work of Miss Mabel Carney of Columbia University for the rural schools. Miss Carney was born and reared on the farm; went to the rural schools in her childhood; taught in them a little later and today is professor of rural education in Columbia University. This is what the consolidated institute does for the farthest away, most isolated and most inexperienced rural teacher. It gives her the advantage of the experience and inspiration of the greatest experts in the Nation on their work. The analysis and solution of the rural school problems alone by Miss Carney was worth to the Panhandle and the teachers of the Panhandle the entire cost of the consolidated institute. And her analysis of boy life and girl life were just as valuable to the town as the rural teacher. But the best of all is the coming together of all the superintendents and teachers of the entire Panhandle in one great body of co-workers. It inspires, it cheers. It gives dignity to their profession. It creates companionship between the counties and the towns of the Panhandle. It gives distinction to the Panhandle. It makes the little lonely teacher feel and see and know that she is not alone. She is a living, acting part of a great unit. It helps the new teacher coming to the Plains for the first time to get in line and catch the spirit of the Plains. Many a man and woman in former years have come and gone without ever discovering where they really were, or their opportunity for service and for real constructive work. It is a revelation to the outside teacher coming into the Panhandle fold. And all this beautiful plan is the realization of an educational dream of Mr. H. W. Morelock, director of the Panhandle Institute.

DEEDS FILED LAST WEEK IN COUNTY

The following deeds as furnished the News by the Randall County Abstract Company, have been recorded in the County Clerk's office:

J. R. Ballard to J. A. Guthrie, lots 7 and 8, block 17, Canyon. Consideration \$200.

M. S. Park to David A. Park, west 200 acres of section 116, block 2. Consideration \$2000.

Jeff Wallace to T. E. Money, lots 9 and east 40 feet of 8, block 28, Canyon. Consideration \$3200.

L. B. Noble to J. W. Green, north half of section 96, block 25. Consideration \$9600.

Fine Convention at Pampa

Rev. E. A. Osborne is attending the Convention of the Christian Church at Pampa. He writes that it is a fine meeting. A feature to the first day's services was an address on Monday night by Judge W. E. Gee of Amarillo, a trustee of Texas Christian University on "Christian Education." Among other things he said that the president of one of the leading State Universities recently said that a student could get his A. B. degree in any of the Universities of forty states without hearing anything about the one true God. This was a condition, he said, in which he heartily concurred. "Religion," he said, "should not be taught in our State Universities, but our boys and girls should get their preparatory training in Christian Colleges."

Mr. Osborne will preach as usual next Sunday.

CITY TAXES DUE

City taxes are due and payable on or before September 30. An extension of time was granted from August 31, but no more time will be allowed. The penalty will be added and strictly enforced after October 1st. Pay your city taxes now and avoid this penalty. See J. B. Hensley, Collector, at the Court House. 26c5 J. D. GAMBLE, Mayor.

Come to Canyon to live.

A Distinguished Visitor

A visitor of unusual distinction will be in Canyon on Monday, September 19th, in the person of Dr. Royal Dye, a missionary on furlough from the Belgian Congo, Africa.

Dr. Dye went with his wife, more than 22 years ago as a medical missionary to a point on the River Congo that was once the site of the Livingstone Island Mission.

There are now four strong mission points, at each of which there is a hospital and a doctor. Last year the force of missionaries, which has been up under the doctors supervision, baptized fifteen hundred converts, and treated 30,000 patients in the hospitals. There is a church there of 8,000 members, and the largest Endeavor Society in the world. King Albert of Belgium said recently that the industrial school established by this force of missionaries was the greatest agency of civilization in his dominion of Belgian Congo.

Dr. Dye, assisted by Mrs. Berta McMaster, Secretary of the State Woman's Missionary Society of the Christian Church of Texas, will speak on Monday, Sept. 19th in the Christian Church of Canyon at 3 p. m., and at 8 p. m. All Canyon is invited. There will be no offering taken at either service, and no solicitation for money.

After your coffee has percolated fifteen minutes move it to the back of the stove to keep hot. It will settle and be clear and strong.

Cream finely chopped watercross with unsalted butter until the mass is of a pale green shade. Spread on thinly sliced whole wheat bread.

Add Your Strength to Ours

We believe everyone living in Canyon and vicinity is interested in the growth and prosperity of our community.

Working together we can accomplish far more than as individuals working alone.

Add your strength to ours in greater thrift and closer co-operation—that we may all work more effectively in furthering the best interests of our community and our own.
