

CLEAN UP DAY IN CANYON FRIDAY FOR ALL CITIZENS

PRES. HILL REPORTS ON TRIP TO AUSTIN.

All Business Houses Asked to Close Monday While Governor Neff Speaks.

The Civic Improvement League was supposed to have charge of the weekly luncheon Tuesday, but asked that the men take charge of the Clean Up Day for Friday of this week.

The necessity of a Clean Up Day was not doubted by any present Tuesday, but the question of the weather was somewhat of a problem.

It was decided that there should by all means be an effort made to clean up, and that the plans go forward for a clean up, but that the business houses would not be asked to close owing to the fact that they are to close next Monday during the visit of the Governor.

Get busy and clean up good Friday, or sooner if possible.

A. B. Haynes was present and asked that the Commercial League guarantee \$100 to pay for one half of the expense of a Poland-China Futurity Show to be held in Canyon this fall. The League had already approved \$200 for the Duroc Jersey Show. The recommendation was granted.

A committee was appointed of J. M. Veteck, T. C. Thompson and W. A. Warren to see that the road in front of the Normal was dragged and put in condition before the Governor came next Monday.

The announcement was made of the coming of Governor Neff and members of the Board of Regents next Monday at the Normal. It was requested that all business houses in Canyon close from 9:30 until 12:00 o'clock and that all business men attend the meeting at the Normal building. All business men present expressed a willingness to close during that time.

Designs for a slogan for Canyon were submitted, and by a vote, one was selected. The design will have a photograph of the Normal building in the center, surrounded by a design bearing the words, "Canyon, the Educational Center of Northwest Texas."

President J. A. Hill was asked to report upon his trip to Austin.

Mr. Hill stated that he was exceptionally interested in having the business houses of Canyon close Monday morning, and that all of the citizens of Canyon come to the auditorium to hear the Governor and members of the Board of Regents.

Mr. Hill was called to Austin to appear before the committee of nine authorized by the last legislature for the purpose of making a survey of the educational institutions of the state, their particular interest being in the means of support, the function and courses of the institutions.

Mr. Hill stated that the commission was looking carefully in the support question. It seemed to favor the mill tax for the support in order to give a dependable income. It was figured however that with the present tax valuations in the state, the institutions would not be properly supported at the usual tax obtaining in other states, and the commission was fearful lest the people would not at this time vote large enough mill tax to give all of the schools the proper support. It was suggested that the mill tax might be used for either buildings or support and the legislature furnish money for the other purpose.

Mr. Hill stated that two speakers other than himself offered the suggestion of the bond issue for the state, forty million dollars being issued to provide for buildings for the various institutions.

The functions of the various institutions was interesting. Dr. Vinson had prepared a very interesting article upon this line, showing that a large percent of the attendance of the university and of A. & M. came from a ten mile strip on either side of all railroads leading into Austin and into College Station. That 50 percent of the attendance of C. I. A. came from five counties. That 53 percent of the Denton Normal came from that county. That a majority of the attendance of the West Texas State Normal college came from along the Santa Fe. Dr. Vinson suggested that all institutions give up the idea of definite courses and give general courses in order to better serve the students of their sections. The normal colleges should not be held strictly to teacher-training.

Mr. Hill states that the commission wishes to visit each state institution.

FARM BUREAU ELECTION.

At the meeting of the members of the Farm Bureau Saturday afternoon, the following officers were elected for the coming year:

President—A. B. Haynes.
Vice President—Henry F. Miller.
Treasurer—John Knight.
Directors—The three officers, together with W. L. Decke, Lester Smith, George Frank and J. H. Lyle.

The directors will select a secretary. The regular meetings will be held on the first Saturday of each month.

but the legislature provided no money to pay this expense. The commission wants each school to provide the money. Since this school is so far away it would cost about \$1000 unless the entire cost of the inspection trip was pooled and divided. This would be the equitable way since the Canyon and Alpine normals are far away from the other institutions.

Mr. Hill believes that the commission is honestly trying the seek a solution of the problems, and will make a comprehensive report to the legislature. What can be done by the legislature remains to be seen.

Rev. F. M. Neal was introduced and invited the business men to attend the revival meeting at the Methodist church.

Jarrett Next Leader.
The luncheon next Tuesday will be held at the Canyon Cafe with R. P. Jarrett leading.

More Teachers Are Elected to Public School Faculty

At the meeting of the trustees of the Canyon Independent school district Monday afternoon, two more teachers were elected for the coming year.

Miss Amy Daniels was elected as teacher in the high school. Miss Daniels is a student in the Normal this year. Her home is at Sweetwater. She has made a very fine record while in the Normal.

Miss Olga Standefer of Frisco was elected teacher in the grades. While at Denton last week, Supt. elect A. D. Payne had a chance to interview Miss Standefer, who is a student in C. I. A. this year.

The trustees has received the resignations of Miss Ruth Dauer, who will teach at White Deer next year, and of Misses Lena Periman and Lois Nelson, who will teach at Clovis next year. All three of these teachers have made most excellent records during their work in Canyon and were re-elected for the coming year.

MANY ROOMS NOT USED.

Frank R. Phillips, in charge of the rooming condition during the District Meet, stated Monday that he had the offer of a large number of rooms which were not used during the meet. Mr. Phillips states that he sent people to practically all of these rooms, but that the youngsters got side-tracked and went elsewhere. He is certainly grateful for the response given to the call for rooms, and regrets very much that those who went to the expense of preparing a room were not given the opportunity to have it rented.

Normal Debaters Win Friday Against the Normal at Denton

The representatives of the Normal won their debate with the Denton normal at Denton last Friday night.

The men accompanied by L. F. Sheffy, returned home Sunday afternoon.

A. D. Payne and Lester Hill were representing the Normal.

Mr. Sheffy stated that the men were given the best reception, and that both of the Denton debaters acknowledged that they had been badly defeated in the debate.

WILL HAVE GUERNSEY HERD

John Veteck has embarked in the Guernsey business and has bought a very select registered bull. He contemplates buying some choice cows and heifers.

The Guernsey is in a class with the Holstein and Jersey as a milk producer, but is favored by many people as being superior to either in many points.

TRACK TRY OUTS SATURDAY.

Coch Burton will hold track try-outs Saturday at the Normal in order to select a few men to send to the T. L. A. track meet in Ft. Worth May 9th.

GOVERNOR NEFF AND REGENTS TO COME MONDAY

BUSINESS HOUSES WILL CLOSE FROM 9:30 TO 12 MONDAY.

Officials Will Inspect Normal Plant and Look Into Needs of School For Coming Two Years.

Governor Pat Neff will join the members of the Board of Regents in Amarillo Sunday, and the party will come to Canyon Monday morning in order to make an inspection of the Normal College property.

The Governor and members of the Board of Regents will address the people of Canyon and Randall county at the regular chapel exercises Monday morning, which start at 9:45.

The business houses of Canyon will close from 9:30 until 12 o'clock in order that all of the business men and clerks may attend the meeting.

At noon the visitors will be entertained at a luncheon at Cousins Hall.

The afternoon will be spent by the Board of Regents in going over the suggestions of President J. A. Hill as to the needs of the Normal during the coming two years.

President Hill is very anxious that all of the people of Canyon and surrounding country make a special effort to be at the auditorium Monday morning to hear the distinguished visitors.

SIDNEY J. DODSON DEAD

Sidney J. Dodson of Arlington, Ky., died Saturday at the home of his sister, Mrs. O. S. Brown at the family home west of Canyon.

Mr. Dodson had come to Randall county only ten days previously in search of health as he had been suffering from tuberculosis in one lung. He was improving until he contracted a cold which developed into pneumonia and settled in the affected lung.

The body was shipped Saturday afternoon to the family home at Arlington, Ky. accompanied by his brother, Chas. who has been living at the home of his sister for the past year.

LIGHT HOUSEKEEPING DEMANDS

Frank R. Phillips states that he has received many more requests for light house keeping rooms for the summer quarter than he has rooms in view. He is afraid that unless more rooms for light house keeping are found a large number of students will not come who have planned coming to Canyon this summer.

He would like to hear from any who have this class of rooms and have not notified him for the same.

IMPROVEMENT LEAGUE MEETING

Mrs. C. R. Burrow, president of the Civic Improvement League, has called a meeting of all members of the League for next Wednesday afternoon at 2:30 o'clock at C. F. Walker's office in the Court House. Mrs. Burrow wants especially to meet with all members of committees which were appointed several weeks ago.

WANT HERDS NOMINATED.

C. F. Walker states that nominations must be in for the the futurity shows this fall, and asks that all breeders of Duros and Poland Chinas who will enter the show to make their nominations to him at once.

TAKE UP BUILDING PROGRAM

A short meeting of the Ex-Students Association of the Normal was held Monday evening and it was decided to again obtain prices of the small houses which the association has been figuring on locating on the Normal campus for the past few months.

Council Advertises For Paving Bids; Contract Let on May 27th

At the meeting of the city council Monday afternoon advertising for bids was ordered, the bids to be opened on May 27th.

The council will ask for bids on three classes of paving:

First, all concrete; five inch base and one inch finish.

Second, five inch concrete base and three inch paving brick.

Third, four inch concrete base and three inch paving brick.

The city officials believe that one of these classifications ought to be acceptable with the money available.

Help Keep Canyon Clean.

NOAH WOULD NOW FEEL AT HOME IN RANDALL COUNTY

PALO DURO CREEK HIGHEST IN THIRTY-EIGHT YEARS

Loss of Live Stock Reported Along Creek—Bridge Goes Out on the Spring Branch on Highway.

The Palo Duro creek reached the highest point in thirty-eight years as the result of the young cloud burst which visited this section Sunday afternoon and night.

Rain started to fall a little after three o'clock Sunday afternoon. The fall was not so large in Canyon as it was west of the city where rain simply fell in torrents. The rain was accompanied by one of the largest hail storms we have had in years.

The rain has amounted to between four and five inches in Canyon, and was reported much greater to the west of the city.

A number of head of stock is reported missing along the creek, including horses, mules, cattle, sheep and hogs. A two-row lister on the Lester place was left standing in the field Saturday and has not been found to date.

Rain fell nearly all night Sunday night, with more Monday night and Tuesday. It continued nearly all of yesterday morning.

Another rain fell last night for about two hours, commencing at 7:30.

The roads are in very bad condition over the county as a result of the rain. Washouts occurred in nearly all parts of the county.

Traffic is diverted from the highway to the west road just north of the concrete bridge at the Wragge place, and comes back to the highway two miles north. Judge Jennings stated yesterday that work would be started to replace the bridge at the foot of the big hill which was washed out Sunday night just as soon as the commissioners court determined which was the best type of bridge to put in at that place. The grade was washed away thirty or forty feet back on both sides of the bridge.

HIGH SCHOOL CONFERENCE

On April 21, twenty high schools of the Plains section met at Plainview to organize a High School Conference, the first of its kind ever held in the Panhandle. The following students from Canyon were present: Imogene McIntire, Lillian Brian, Beulah Dodson and Frances Reid. They were chaperoned by Miss Elva Fronabarger, Student Secretary for Baptist students.

MISS PHILLIPS IN RECITAL.

Miss Murel Phillips, of the Expression Department of the Normal, will appear in joint recital with Mrs. Robt. Wilson of Amarillo at the Polk Street Methodist church Friday evening of this week.

PUBLIC SCHOOL EXHIBIT.

The grades of the Canyon public schools will have an exhibit of their class work on Saturday of this week. All patrons and friends of the school are invited to visit the exhibit.

CLARENDON GAME TODAY.

The Normal baseball team goes to Clarendon today to meet Clarendon College in games today and Friday. Wayland will be here May 5 and 6.

BABY WEEK EXTENDED.

On account of the bad weather, Baby Week at the Britian Studio has been extended to May 6th.

C. D. Lester returned Sunday from a visit with his sister, Mrs. A. B. Hagar in Kansas City.

Revival Meeting at the Methodist Church Started Last Sunday

Rev. Frank M. Neal of Amarillo, former pastor of the local Methodist church arrived Saturday and started the revival meeting Sunday morning which will continue for two weeks. He was accompanied by his singer, Fred Foulter, who has been with him for several years, and who directed the music during a revival service conducted by Rev. Neal while he was pastor in Canyon.

The attendance at the meetings has been good in spite of the continued rains this week.

Services continue every afternoon at 3:30 o'clock and 7:30 in the evening.

JACKSON FOR JUDGE.

To the Voters and People of Randall County:

In announcing myself as a candidate for the office of County Judge, I deem it but just to make known to you the things for which I favor and stand. Having had four years previous experience, I feel that I am qualified to fill the office.

The Trial Court—Fair and speedy trials. See that the spirit of the law is fully enforced.

Probate—See that minors and estates of deceased are protected.

Commissioners Court—This (especially now) in our present struggle to recover from our depressed condition should receive our most careful consideration, it being a well known fact and admitted by all that we are an over burdened tax paying people, and where it is possible without retarding necessary progress, I favor reductions. The Commissioners Court of which the County Judge is the presiding officer should be very careful and see to it that every dollar spent brings one hundred per cent in value.

County Superintendent of Public Schools—This also is a very important matter and deserves our most careful consideration, cooperation, help and encouragement.

Generally—I favor a high standard religiously, morally and socially.

PHIL JACKSON.

Farmers Getting \$1.00 Per Bushel for Maize Marketed by Fat Hogs

There is absolutely no doubt that the hog is responsible for saving many a man from being bankrupt this year.

The range cow and range steer has for so long a time been looked upon as the staple crop of this section, that it was very confusing to the big cow man to find that his fortune had vanished almost over night, and that the cow of the range has disappeared so far his equity was concerned.

Likewise the small farmer had raised a big row crop last year, and found that to place it on the market, the grain would no more than pay operating expenses, say nothing of paying debts.

Both the big operator and the small farmer learned that hogs were an excellent price. Hogs would do exceptionally well in this country if given half a chance. All classes of farmers and stock raisers turned to hogs and have greatly profited therefrom.

S. M. Downing states that he shipped out ten cars of hogs last Thursday for Los Angeles, paying Randall county farmers \$16,000 for the hogs. He shipped six cars the week before. He has been shipping in this ratio all fall and winter. Mr. Downing states that no can can realize how many hogs there are in the country until he goes out to buy, and finds that every farm and every ranch has a big lot of hogs and are planning to raise more this year.

Mr. Downing says the farmers who have gone in for hogs are getting \$1.00 per bushel for their grain which is marketed through hogs.

Oil Spouted Over Derrick in McGee Well North of Amarillo

Oil excitement is running high in the Panhandle since last Saturday morning when oil spouted over the derrick in the McGee well north of Amarillo. This is the second producing well that has been brought in north of Amarillo. The gas field in that section is now the largest proven field in the world, with three or more of the largest gas wells that has ever been brought in.

TWENTY-ONE AT FEDERATION

Canyon was represented at the meeting of the Seventh District Federation at Plainview last week by 21 women club women of the city. All report a very enjoyable and profitable meeting of the Federation.

The Federation will be held in Clarendon next year, and it has been suggested that Canyon work for the meeting in 1924.

Prof. H. W. Morelock gave a talk upon the course of study that was being given by the Normal for the various clubs, and also represented President J. A. Hill in discussing the educational problems of the state. His addresses were highly praised by the delegates. Prof. Wallace R. Clark discussed music in the community life. Misses Brigham, Clark and Brewer appeared on the program three times during the federation meeting.

DISTRICT MEET IS HELD WITH LARGE NUMBER PRESENT

HEREFORD WINNER IN CLASS A; McLEAN IN CLASS B.

Wilmoth Gamble and J. D. Gamble to Go to Austin as Winners in the Declamation Contests.

The district meet was held Friday and Saturday with an exceptionally good attendance from the schools all over the district.

Canyon will have two representatives at Austin in the final state contest. Wilmoth Gamble was winner in the Junior Girl Declamation and J. D. Gamble was winner in the Junior Boy Declamation.

The debating team from the Canyon high school, composed of Edward Gerald and Herschel Coffee, went to the finals where they were defeated by the Clarendon high school.

The track team of the Canyon high school, which was counted to be a strong contender after the two brilliant showings in the Plainview and Amarillo invitation meets, got off wrong in the district meet and did not land in a single first place.

The following was the results of the meet:

Winners in Literary Events:

Boys' Debate: Stephen Russell and James Patton, High School, Clarendon.

Girls' Debate: Lela Wolfelin and Lucille Astracan, high school, Amarillo.

Senior Girls Declamation: Ruth Abramson, high school, Amarillo.

Senior Boy Declamation: Raymond Knippling, high school, McLean.

Junior Girl Declamation: Wilmoth Gamble, Canyon.

Junior Boy Declamation: J. D. Gamble, Canyon.

Rural Senior Girl Declamation: Ila Fay Davis, Oldham county, Wildorado School.

Rural Senior Boy Declamation: Carl McDowell, Moore County, Balwin school, Dumas.

Rural Junior Girl Declamation: Edna Galle, Castro county, Cleo school, Dimmitt.

Rural Junior Boy Declamation: Roy Axford, Carson county, Liberty school, Panhandle.

Essay: Class A school: Gray county.

Essay: Class B school: Roberts county.

Essay: Ward school: Potter County.

Essay: Rural school: Swisher county.

CLASS A TRACK

120 Yard Hurdles: Dixon, Hereford; Jackson, Hereford; Witherspoon, Hereford; Tadlock, Amarillo. Time 19 4-5 seconds.

100 Yard Dash: Dixon, Hereford; Bennett, Amarillo; Patterson, Hereford; Cobb, Pampa. Time 10 4-5 seconds.

1 Mile Run: Smith, Hereford; Carroll, Hereford; Sanders, Clarendon; Campbell, Amarillo. Time 5 minutes 29 seconds.

220 Yard Low Hurdles: Bennett, Amarillo; Dixon, Hereford; Holt, Dalhart; Witherspoon.

220 Yard Dash: Bennett, Amarillo; Patterson, Hereford; Holt, Dalhart; Sadoris, Amarillo. Time 25 1-5 sec.

440 Yard Dash: Richey, Dalhart; Smith, Hereford; Patton, Pampa; Lively, Amarillo. Time 58 seconds.

880 Yard Dash: Williamson, Dalhart; Campbell, Amarillo; Jackson, Hereford; Patterson, Hereford. Time 2 minutes 34 4-5 seconds.

One Mile Relay: Dalhart, Hereford, Amarillo. Time 4 minutes 8 seconds.

FIELD EVENTS—CLASS A

Pole Vault: Richey, Dalhart; Wynn, Dalhart; Wilson, Hereford; Teed, Amarillo. Height 9 feet, 6 inches.

Running Broad Jump: Dixon, Hereford; Holt, Dalhart; Patterson, Hereford; Williamson, Dalhart. Distance 19 feet.

Running High Jump: Tadlock, Amarillo; Bevers, Hereford; Richey, Dalhart; McQueen, Amarillo. Height 5 feet 6 inches.

12 Pound Shot Put: Smith, Clarendon; Herrington, Amarillo; Wiggins, Amarillo; Boyd, Hereford. Distance 41 feet, 10 inches.

Discus: Smith, Clarendon; Dixon, Hereford; Wiggins, Dalhart; Sadoris, Amarillo. Distance 98 feet 5 1-2 inches. Total Points: Hereford 57; Dalhart, 37; Amarillo, 33; Clarendon 12; Pampa, 3.

Dixon, the big athlete from Hereford was high point man with a total of 21 points.

Class A made better records than did Class B in only four events: 100 yard dash; shot put; 220 yard dash; and the

SUBSCRIPTION \$1.50 PER YEAR.

Foreign Advertising Representative
THE AMERICAN PRESS ASSOCIATION

The News man attended the annual meeting of the Panhandle Press Association in Amarillo Friday and Saturday. We have been attending the Panhandle Press meetings for twelve years and each one gets better. Amarillo certainly did the big thing in the entertainment line this year. The Board of City Development, Col. Ernest O. Thompson and Congressman Marvin Jones all gave banquets to the members of the press. Free ball games and shows, and flowers and everything in like proportions were furnished. Of course the association voted to go back to Amarillo next year. Who wouldn't with such treatment? Incidentally, the members of the Panhandle Press voted to invite the State Press Association to meet in Amarillo in 1924. A large delegation will go to the state meeting at Denton this year, and with Sam Braswell, of the Clarendon News, as spokesman, will start the move to bring the convention to Amarillo in 1924.

A fellow has to be pretty blind that he cannot see that law and order will and must prevail. Law and order are on top of the crime wave, and are doing all in their power to check the wave. If you want to help law and order, join hands with the officers of the law, report the cases of law infringement that you see. The organization of unlawful bands and mobs is not the way to uphold law and order. Law does not need more agencies than it now has to be strictly enforced, but it does need to hearty cooperation of law-abiding citizens, standing solidly behind the officers whom they have elected, and who are anxious to enforce the law that they know are being violated.

We are assured on every hand that conditions are normal, and that prices will not further decline, with the possibilities of an increase. The slogan is to buy what you need, and buy it now. Buying stimulates manufacturing; manufacturing gives employment to many different lines, and manufacturing creates a demand for raw material. It may look like a long way around, but the buyers strike took money right out of the people who determined they would save it by not doing business. Buy now what you need, but pay for what you buy.

The biggest job a salesman in Canyon would have would be to thoroughly sell Canyon to Canyon people. There is little use of going to the outside world and telling outside people the wonderful advantages of living in Canyon and Randall county until the people at home believe that they live in the best town of the Plains. Get the habit, folks: live for Canyon; work for Canyon; believe in Canyon.

The hog may not be a parlor pet, but it is proving to be a regular U. S. mint for the farmers of this section. Make your plans to plant more hogs and less wheat.

Clean up your premises Friday. Do it before that time if you can. Put the old town in good condition for our distinguished visitors next Monday.

Every person in Canyon should be at the auditorium next Monday morning to hear Governor Neff and members of the Board of Regents.

We like the rain, alright, but are just enough of a gronch to wonder why in the duce it could not have been spread over a little more time.

A few flowers and shade trees will do much to make Canyon a more beautiful town.

Chickens—both varieties—are great things, but in both instances should be kept at home.

Close up your business Monday morning and go to hear Governor Neff speak.

Paint up! Spring is here; make Canyon shine.

Clean up Canyon this week.

"The filth in your town is as much yours as the most beautiful place" stated a public speaker recently. That

is a terrific jolt to some of us who like to show the beauty places of Canyon and forget all about the miserable dirty places of the town. Yet is is a true statement of facts.—Randall County News.

Society is slowly learning that it is impossible for a man to live without responsibility toward his neighbor. If our neighbor does not realize the necessity of clean premises, it is our duty to educate him to the value of sanitary surroundings. Man does not live to himself, never has done so, and in the crowded condition of the world today, cannot do so. No man has any right to maintain anything that might injure, or offend his fellows. And very few men will do this if we take the trouble to educate them along lines of mutual helpfulness.—McLean News.

Canyon Man Robbed and Forced to Drive Car to Oklahoma

A. J. Williams of this city was the victim of a peculiar circumstance at the hand of two high-jackers in Amarillo a week ago, having reached home Thursday after being missing from his home since Sunday, April 16th. His wife made various efforts to locate him during that time.

Mr. Williams went to Amarillo on Saturday, April 15th for the purpose of buying a car. A man with a Buick got hold of Mr. Williams and showed him the car, driving him around the city Saturday. The deal was not close, Williams looked at other cars, and it was past train time before he realized it.

As Mr. Williams started for the de-

pot Sunday morning, the Buick owner, accompanied by a woman drove up and invited him to ride. It was not yet train time and they suggested a little ride. The woman occupied the rear seat, and the two men the front seat. The car headed out of town. When they had driven about three miles the man stopped the car, produced a gun and ordered Williams out. He was searched and all of his money taken. Williams was ordered to take the wheel and drive as directed, the man holding the gun on him. They continued toward Oklahoma all day, avoiding the main parts of the towns as they passed along. The man and woman bought food, but gave Williams neither food nor drink.

Late in the afternoon the car was about 16 miles from El Reno, Oklahoma. Williams was ordered out, and the couple drove off leaving him pretty well done up from the day's experience. A farmer picked him up, took him home, and on to El Reno next morning where he found friends, who furnished him transportation home. Mr. Williams arrived here last Thursday morning.

The officers were unable to find trace of the Buick and the couple after Williams had reported the case to them in El Reno.

Too many patriots claim to be supporters of the Government when they are merely holding it up.—Oklahoma City Times.

Business is doubtlessly sound, as the experts say, but the sound is a little mournful.—Richmond News-Leader.

Children who have worms are pale, sickly and peevish. A dose or two of White's Cream Vermifuge will clear them out and restore rosy cheeks and cheerful spirits.—Price, 35c. Sold by Jarrett Drug Co. 114

As clear as the purest water is Liquid Borozone, yet it is the most powerful healing remedy for flesh wounds, sores, burns and scalds that medical science has ever produced. Try it. Price, 30c, 60c and \$1.20. Sold by Jarrett Drug Co. 114

Similar Cases Being Published In Each Issue.

The following case is but one of many occurring daily in Canyon. It is an easy matter to verify it. You cannot ask for better proof.

J. A. Carr, county road Supt., Canyon, says: "For six or eight months I had some trouble with my back and kidneys. My back was sore and stiff a great deal of the time and mornings when I first got up it was especially so. My kidneys were very weak and acted entirely too often. I saw Doan's Kidney Pills advertised with such good results that I began using them. Right from the start I was relieved and they seemed to fix my kidneys up and relieve me of all the soreness in my back."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Carr had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Hall's Catarrh Medicine
Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions. All druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

H. W. Morelock Delivers Lecture

Prof. H. W. Morelock, head of the English Department of the State Normal at Canyon, delivered a lecture before the Phoebe K. Warner Club, and others, on Thursday afternoon of last week.

Owing to the weather only a small crowd greeted him, but those who heard this splendid lecture were amply repaid for having braved the wind and sand.

Most of the members came prepared to take notes of the thoughts brought brought out; among them being the child's place in literature, the place that it may form in his life. The kind of literature best for him, and how to teach it.

The Phoebe K. Warner Club is the youngest in the district; the first to take up the extension work. Mr. Morelock having delivered his first lecture in this work before this club.—Club Reporter in Lynn County News.

INTERESTING EXHIBITION OF HOME ECONOMICS DEPARTMENT

The Home Economics Department has had on display in the cases of the third corridor for the past week some new and very interesting articles. In one of the cases was a beautiful brocaded silk coat imported from Paris, a Grenadine shawl bought in London during the Civil War, a Guipure lace scarf, and an exquisite ivory fan. These unusual articles belong to Mrs. Hickman and were loaned to the Department for exhibition by Miss Hickman. Mrs. Marr has generously increased the collections of the Department which have been shown in the cases. The articles of interest were a piece of Japanese embroidery on bolting cloth, velvet brocaded flowers on satin background, an exquisite piece of canton linen, imitation rose-point lace, and a handsome Irish crochet collar.

A collection of embroideries, previously shown, has been mounted and placed in one of the cases. These illustrate hand and machine made embroideries of various qualities, materials, and designs. These embroideries, with hand and machine made laces, are two of the interesting groups of illustrative materials which the Department has collected during the last few years.

MY OWN TOWN

Breathes there a man with soul so dead, that never to himself hath said, This is my own, my native town? It suits my inner feelin' fine, to think along this sort of line, and no fresh guy can call me down. I've allers knew that civic pride should fill the village dweller's hide, and leave no space for slacker stuff. I'll sight ye to our City Hall, our churches, schools, our streets, an' all—which shows that we keep up to snuff! I hate to see a halliwiek all littered up with boards an' bricks, a cryin' out in vain for paint. It hurts to see the wimmen-folks a-peelin' spuds or artichokes—pretendin' somethin' that they ain't. The village corporation lends a smart distinction to its friends, who alters hold some sheers of stock. You'll notice public spirit here, from up about our Mayor's cheer, to the husky babies in our block! You might select our well groomed streets, as fittin' place to spread the cats, if you should like to dine in town, but bosh—of course you wouldn't dare—the wheels of progress, rollin' there, would spill your drinks an' knock ye down!—Uncle John.

Bandit wild bees invade the tame hives near Grays Harbor, Washington, and set and carry away the honey to their hives in the forest. More than one-third of the domestic honey gathered in this district has been stolen by the robber bees. The wild bees make their homes in hollow trunks of cedar trees, where several swarms work on a community basis.

At railroad stations you easily recognize the high qualities of

Clean Up Friday

That all of us pulling together can put this community on the map and put it there to stay.

That you ought to join the Randall County Commercial League and help pull.

CLEAN UP FRIDAY. Then

EAT AT THE
CANYON CAFE
CHASE CONDREY, Mgr.
Rooms for rent in connection.

Why Not Build Now!

The price of building material is in line with the price of the commodities you sell. If you are a farmer see how the price of a two hundred pound hog will compare in purchasing lumber with a two hundred pound hog in 1918, when the prices of everything was up.

Don't contemplate Building—Just Build!—Never before was the time better for the builder, our fine materials priced in the reach of all, makes building costs mighty low, and really for fine building and economical building, our materials cannot be beaten. Figure with us.

CANYON LUMBER CO.

FLOORLAC

MANY hard and soft wood floors have lost their original beauty. Such floors can be restored with FLOORLAC, the all around varnish stain which will give them the appearance and color of hardwood and a beautiful, durable varnish sheen, with one operation.

Floorlac is equally effective on woodwork and furniture. The varnish shades of light, golden or dark oak, light or dark mahogany and other attractive effects.

Happy Happenings

"The Land of Dolls" was given in the school auditorium by 46 children under the supervision of Miss Annie Crawford. It was a musical play and the characters were as follows:

- Bessie and Minnie—two little girls—Mabel Miller and Ruth Harrison.
- Fairy Queen—Faye Lash.
- Limp, the rag doll, King of Doll Land—Georgia Miller.
- Hoop-La, the clown doll—Essington Green.
- Judge Scarem, the jack in the box—Hoyt Meadow.
- Fat Sing, the Chinese doll—Ada Lee Mitchell.
- Fifine, the Parish Doll, Queen of Doll Land—Armel Townsend.
- Babette, the Dutch Doll, her maid—Frances Stevenson.
- Tellie, the Talking Doll—Alice Guest.
- Ella, Stella, Bella, Nella, the dancing dolls—Carrie Marie Townsend, Gertrude Evans, Clara Mae Guest, Velma Marie Mitchell.
- Captain Stiffum, commander of doll army—Plex Harrison.
- Marcher, Archer, Starcher, Parcher, Darcher, Clarcher, the army—Frank Green, Glen Whitman, Owen Miller, Elmer King, J. B. Brown, Ernest Penn.
- Dewdrop, Cobweb, Butterfly Wasp-eing, Humming-bird, Zephyrette, the little fairies—Gladys Pugh, Fay White, Johanna Miller, Melba Bandy, Margaret Bandy, Merle Goodnight.
- Aunt Dinah, Uncle Rastus, colored dolls—Johnnie Bandy, William Wright.
- Sailor Doll—Fance Scott.
- Cowboy Doll—Robert Mitchell.
- Kewpie Doll—Cleo Evans.
- Japanese Doll—Bonnie Ines Wesley.
- Farmer Boy Doll—Jodie Harrison.
- Gold Dust Twins—Vera Harrison, Edith Bandy.
- Baby Doll—Sweetie Miller.
- Punch—Estelle Pugh.
- Judy—Clara Green.
- Winter Dolls—Wayne Evans, Lorene Doyle.
- Rag Doll, Bisque Doll, Paris Doll, Bride, "Sawdust dolls"—Hortense Ashmore, Elizabeth Fowler, Helen Stevenson, Jessie Ruth Laste.
- Groom—Dorothy Townsend.

The play was in two acts and probably the largest crowd that has ever known to have been in the auditorium witnessed this play and the paths of Miss Crawford and the children have been filled with compliments. Sufficient costumes were furnished for the children and with the assistance of Miss Vellie Dison the children were ready to do their part when eight o'clock came.

A. L. Harrison returned Tuesday from Oklahoma City, where he has been on business.

A baby girl was born to Mr. and Mrs. Guy Garrison Tuesday morning. Mesdames R. L. and Miron Jenkins of Ralph were shopping here Saturday.

Mesdames Marvin Montgomery and Schaff Montgomery were shopping in Amarillo Saturday.

Earl Whitley was taken to the sanitarium at Plainview Friday, where he was operated on. His wife accompanied him. She returned Saturday afternoon and states that Mr. Whitley is improving nicely.

Miss Madie Whitley, who lives several miles east of town, spent the week end with Miss Ethel Sanford.

Mr. and Mrs. H. A. Grounds and Mr. and Mrs. J. A. Miner and family were in Amarillo Saturday.

C. Shuman was in Canyon on business Saturday.

J. L. Penn returned Wednesday from Floydada where he has made an extended visit with relatives.

Ernest Shuman went to Amarillo Saturday.

Miss Roxie Knox, who is attending school in Canyon, spent the week end with home folks.

Mr. and Mrs. H. L. Holland and family of Texhoma are visiting at the J. M. Evans home.

Ural Barnard went to Amarillo Sunday to meet his sister, Esta, who returned from a month's visit with relatives in Wichita Falls.

Ernest Miller and J. M. Hall went to Panhandle Friday.

William Thomas was in Plainview Friday.

Misses Vellie Dison and Annie Crawford went to Canyon Friday afternoon.

Miss Lois Whitley spent the week end with Miss Gladys Bandy.

A baby boy was born to Mr. and Mrs. M. D. Wilson Thursday night.

Mrs. J. R. Franey and daughters, Nellie and Joyce, left Wednesday for Iowa where they will make an extended visit.

Claire Miller spent the week end with home folks.

W. C. Woodburn went to Canyon Friday afternoon.

Misses Ella Aikman and Mildred Zoeller, Mrs. Lee Aikman and Roy Aikman went to Canyon Saturday.

W. C. Woodburn and Emit Grounds went to Amarillo Saturday.

The Woman's Missionary Society will meet Thursday at 3:30 at the home of Mrs. C. A. Akers, for a social meeting.

Miss Jewell Hall spent the week end with home folks, Rev. J. M. Hall and family.

The primaries and secondaries of Misses Ella Aikman and Mildred Zoeller will present their program, May 16, in the school auditorium. With the able management of these supervisors and the willingness of the children to do their best, we are sure that the program presented by them will be well worth the time and attention it takes to hear them.

H. A. Grounds was in Plainview Thursday on business.

Mr. and Mrs. W. O. Newberry of Tulla were callers here Thursday.

The Methodist meeting began Friday night with services conducted by Rev. M. M. Beavers of Hereford. Services are held at 2:30 in the afternoon and 8:00 in the evening. A service for mothers was held Tuesday afternoon, but as the weather was very disagreeable there were but few there, but the sermon was very impressive. A service for the young people of the town will be held Friday evening at 8:00. A service for children at 2:30 Saturday afternoon. Sunday School and church services will be held Sunday morning at the usual hours, and services Sunday evening at 8:00 o'clock. A hearty welcome is extended to every one to attend these services.

The eight months' old son of Mr. and Mrs. Porter White of Arney was buried here Saturday afternoon. It's death was caused from pneumonia which it had for several days.

The Happy Circle met at the home of Mrs. Murrell White last Friday afternoon for a social meeting.

Johnson school closed Friday, and Miss Mildred McManigal entertained the school children and her Sunday School class of juniors by taking them to the canyons. Several young people went with them and the day was spent in viewing the beautiful scenery, taking pictures, wading and several other frolics and best of all eating.

Mr. and Mrs. W. H. Doyle and Mrs. Earl Whitley went to Plainview Tuesday.

"A Midsummer Eve" will be given the last week of school in the school auditorium by primaries and juniors under the supervision of Miss Annie Crawford. This will be perhaps a more elaborate play than "The Land of Dolls." The exact date will be announced later.

After an immense amount of thunder and lightning Sunday evening, a heavy rain fell about midnight Sunday night.

Mr. and Mrs. R. L. Grigsby of Kress spent Saturday evening at the J. W. Bandy home. They applied for positions in the school here.

Mrs. F. M. Shenefelt returned Monday from Stamford where she attended the M. E. Woman's Missionary Conference.

Mrs. W. B. Walters returned home from a visit to Bellview. She reports that her father who has been sick for some time is improving slowly.

Mr. and Mrs. J. M. Hall and children were in Plainview Friday and Saturday. They attended a meeting at the Wayland Baptist College.

Mr. and Mrs. S. H. Humber left for Plainview Monday. Mrs. Humber went to see the doctor. They returned home Wednesday.

ONLY 5c
for an extra can of

Umbarger Notes

A dance was held at the Erdman hall Saturday for the ball team.

The ball team played Canyon Sunday. The score was 6 to 16 in favor of Canyon. In the first inning Canyon made 11 scores but afterward the game was pretty even.

Otto Podzemney is sick with pneumonia. He was taken to Amarillo Friday evening. The doctors think he is very bad.

V. Skypala Jr. and family and M. Hollenstein and family were in Amarillo to visit O. Podzemney Sunday.

It rained Sunday. A few miles north of Umbarger they had six inches of hail.

Hugo Skarke and family and Wm. Erdman spent Sunday at the John Straub home.

Clean up Canyon this week.

J. E. Rogers was here Thursday from Conlen on matters of business.

LOCAL NEWS

Mrs. C. R. Webster and Mrs. J. A. Wood of Memphis spent Sunday at the W. J. Flesher home on their way home from the Federation meeting at Plainview.

Mrs. J. D. Woodburn of Claude spent the week end at the W. J. Flesher home.

Judge B. Frank Baile was a business caller in the city Saturday from his home in Hereford.

6 pictures of your baby for \$3.00! Where? Britain's Studio. When? Until May 6th.

S. A. Henry of Amarillo was a caller yesterday at the home of his brother-in-law, Jno. Fry.

J. M. Burrow of Stacy is visiting this week at the home of his son, C. R. Burrow.

In this edition of the News will be found the political announcement of Phil Jackson as a candidate for the office County Judge subject to the democratic primary. Mr. Jackson has lived in Canyon for nearly six years. Previous to his coming to Canyon he lived in Donley county for thirteen years having moved there from Hood county where he was born. While in Hood county Mr. Jackson was a county official for fourteen years. He has served as tax assessor, clerk and county judge, and was also a member of the 28th legislature. It will be seen that Mr. Jackson is thoroughly acquainted with all of the duties that he would have to deal with should he be elected to the office for which he is now asking, and if elected he will give of his rich experience his full effort in seeing that the affairs of Randall county are well administered.

President Harding has shaken hands with more than 150,000 persons in the last year.

PRESBYTERIAN CHURCH

"Living on the Right or the Wrong Side of Pentecost—Which?" is the sermon-subject for next Sunday morning at 11 o'clock. Sunday School meets at 9:45 a. m. There will be no night service on account of the meeting in progress at the Methodist church. We shall be glad to welcome you at all our services.

TED P. HOLIFIELD, Pastor.

DEEDS FILED LAST WEEK IN COUNTY

The following deeds as furnished the News by the Randall County Abstract Company, have been recorded in the County Clerk's office:

D. B. Kirk to N. E. McIntire, Lots 5 and 6, block 48, Canyon City. Consideration \$2850.

D. E. Covington to W. L. Hutcheson south half section 50 and north half section 49, block M-S. Consideration \$17,400.

J. A. Wallace to L. C. Johnson et al, lots 1 and 2, block 59 Canyon City. Consideration \$800.

L. C. Johnson et al to J. A. Guthrie, lots 1 and 2 block 59, Canyon City. Consideration \$900.

J. A. Guthrie to L. L. Bader, lots 1 and 2, block 59, Canyon City. Consideration \$1200.

Mary Elizabeth Lester to Mrs. Zella Noble, lot 6, block 7, Normal Addition to Canyon. Consideration \$200.

Mary Elizabeth Lester to J. T. Burnett, lot 3, block 60, Canyon. Consideration \$100.

J. A. Wilson to W. M. Wilson, 80 acres of section 56, block B-5. Consideration \$1200.

C. D. Lester to J. T. Burnett, lots 1 and 2, block 60, Canyon City. Consideration \$200.

CHRISTIAN CHURCH

On Sunday morning next Rev. E. A. Osborne will deliver the third of a series of sermons on the Sermon on the Mount. The subject of the discourse will be, "The Enthronement of Meekness." The text will be, "Blessed are the Meek." As there will be no services on Sunday night on account of the Methodist Revival, and as Mr. Osborne will be at the State Convention of the Christian Church at San Antonio on Sunday, May 7th, a large attendance of members and friends will be appreciated on Sunday morning.

The Bible School will meet at 10:00 a. m.

As we understand it, the principal charge against prohibition is that it makes it so difficult to get anything to drink.—Zanesville Times-Recorder.

After statesmen have tried everything else, they give up in despair and do the sensible thing.—Bethlehem Globe.

Pleasantview Items

There will be a play given for the benefit of the Epworth League at the Pleasantview school house, Saturday, April 29.

Rev. Brotherton, the district preacher, will preach at the school house Sunday evening, April 30th, at 8 o'clock.

Twenty young people of the community enjoyed a delightful party at the home of Mr. and Mrs. Joe Crowley last Thursday evening.

The Literary Society will have a contest in literary work on May 6th. Everyone welcome.

Miss Ruth Knight was a visitor at the literary society last Saturday evening and she rendered an excellent musical program.

Boone Horne was a visitor in Amarillo Saturday and Sunday.

Don't forget the play that will be given Saturday evening for the benefit of our Epworth League.

I. O. O. F. NEWS

All seats were taken at the regular meeting of the Odd Fellows last Thursday evening.

J. C. Dowd, president of the Panhandle Association of I. O. O. F. announced that the Association meets at Amarillo May 30, and 31. Lodges from all towns will compete in contest work. Canyon expects to bring home a loving cup.

At a recent meeting of the Rebekahs the question of a new building was discussed. The Odd Fellows will have a new up to date building in Canyon before many years. Every business man of Canyon should be interested in this movement for it means many Odd Fellow Celebrations could then be held in Canyon. Plan your work boys; then work your plan. The ladies will surely do their part.

There will be important work in the Rebekah Degree, also Degree of Friendship this week.

After the regular work on Thursday night, if it is not too late, Chase L. Condry will close his talk on the subject: "Progress is Our Watchword, or Joy Riding and Skidding."

Brother Condry will speak for about thirty minutes. He left the candidate as were skidded off the main highway leading up the mountain of progress. Lots of fun and humor will be introduced to off set the trying and discouraging difficulties of the candidate as he struggles with life circumstances.

Because of the interesting meeting being held at the M. E. church by Rev. F. M. Neal, it was decided not to have our annual Anniversary Celebration at this time. Some kind of a celebration or picnic more than likely will be held later on.

Stop The Leaks

It's the small leaks that often exhaust the whole supply, because they attract little attention. This is a time to economize, to stop the financial leaks, great and small. But how?

Well, here's one important way: Carry a check book in your pocket instead of currency. It is always much easier to spend ready cash than it is to draw a check.

Money in our bank is safe and at your call when you really need it.

700 POLK STREET AMARILLO, TEXAS

PRESIDENT J. A. HILL DISCUSSED THE NEEDS OF THE WEST TEXAS STATE NORMAL COLLEGE BEFORE COMMITTEE

Austin, Texas, April 22.—Subcommittees have been appointed by Dr. O. H. Cooper, chairman of the Joint Educational Survey Commission, to make special investigations along the lines indicated by the titles of the committees. These committees will make their findings and recommendations to the main committee at future sessions, as it visits the different educational institutions of the State to obtain data for its report to the Legislature next January, when an entire revision of the educational system of Texas will be brought. The subcommittees named by Dr. Cooper are as follows:

General control: Mrs. Florence C. Floore, chairman; E. J. Wortham and O. H. Cooper.

Specific functions and duplication: Mrs. Percy V. Pennybacker, chairman; Mrs. J. K. Beretta and H. T. Musselman.

Financial support: Ex-Senator J. R. Wiley, Senator A. E. Wood and Representative R. M. Chitwood.

Committee Adjourns

Members of the committee of nine were appointed by Governor Neff, Lieutenant Governor Davidson of the House each making three selections. All nine are placed on subcommittees. The main committee adjourned subject to the call of the chairman.

Dr. J. A. Hill, president of the Canyon Normal, made an extended plea for that institution. He pointed out its crowded condition and said the dormitory for girls should be tumbled by the Legislature. He wants better salaries for the teachers and a better co-ordination of the work of the higher institutions to the end that the normal get equitable recognition. His position was that the normal colleges should confine their activities to teacher-training; the A. & M. College, with its branches, should devote its resources to the promotion of agricultural and mechanical interests of the State; the College of Industrial Arts should not go out of the field of home-making and the vocational pursuits of women, and the University should continue to train for general culture and for the vocations of law, medicine, teaching and engineering and should lay great emphasis upon graduate and research work.

Dr. Hill, however, made a plea for better educational facilities for the Panhandle region of Texas. Of this great section he told the commission:

Panhandle an Empire

"The Panhandle of Texas is a veritable empire in itself. The distance from its northern to its southern extremity is greater than that from Austin to any other of the great cities of Texas except El Paso—as great, indeed, as the distance of Austin from the Southern, the eastern or the northern boundary of the state. Its east and west dimensions approximate the distance from Dallas to Shreveport, from San Antonio to Waco, from Fort Worth to Austin, from Abilene to Dal-

las, from Cleburne to Ada, Oklahoma. Though sparsely populated, it is probably growing faster than any other rural section of the state. In 1910 it produced more wheat than all the rest of Texas combined and the value of its grain crops in that year exceeded the value of the oil production of the whole state in the same period. It is the greatest stock-farming region in Texas and one of the greatest in the union. It is geographically, industrially and commercially a unit. Its population is most nearly 100 per cent Anglo-Saxon of any like area in the United States and its institutional life is now completely American. The West Texas State Normal College is located very near the center of this territory and is easily accessible to practically every part of it. The nearest State institution of higher learning is the Junior Agricultural College at Stephenville—as far from Canyon as Rice Institute is from Southern Methodist University. The nearest senior college of any kind is Simmons College at Abilene—a distance of nearly 300 miles. I can go from Canyon to Kansas City in the same time, at the same expense and with greater ease and comfort than I can come to the capital of my own State. The University and A. & M. Colleges of New Mexico, Oklahoma, and Kansas are more accessible to our Panhandle youth than are these same schools in our own State.

Climatic Conditions

"Moreover, climatic conditions and peculiarities, due mainly to altitude and aridity, make it inadvisable for many of our people to study in down-State schools. The depressing effect of such radical changes in this respect is plainly shown in the athletic records made by our Panhandle teams when they enter the interscholastic contests at Austin. It is contended that these and other facts make it imperative that the boys and girls of Northwest Texas have general college advantages. Supporters of this view urge that the academic courses such as are given in undergraduate work at the University of Texas, agricultural and mechanical courses of at least junior college rank, and work in home economics and industrial arts should be added to the curriculum at Canyon. They insist that since this section of the state is clearly entitled to general college advantages considerations of economy demand that such advantages be offered in connection with and as a part of the work of the West Texas State Normal College. Already many courses are given that could be used if it were not tied up with so much teacher-training which many do not want."

Notice of Sheriff's Sale of Personal Property

THE STATE OF TEXAS,
County of Randall.

By virtue of an order of sale issued out of the Honorable Justice Court, Precinct No. One, Potter County, Texas, on the 7th day of March, 1922, by the Justice of the Peace in the case of C. W. Adams and Kick Maki versus A. R. Dean, No. 4450 and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales on Monday, the 1st day of May, 1922, at the Court House door of Randall County, the following described property, to-wit: One gray horse about 8 years old, branded V on left shoulder.

One gray horse about 16 hand high, unbranded.

One bay horse 8 years old, branded but can't read brand.

One bay mare about 8 years old, unbranded.

One black mare about 8 years old, unbranded.

One black mare 8 years old, unbranded.

Levied on as the property of A. R. Dean to satisfy a judgment in favor of C. W. Adams and Nick Maki amounting to One Hundred Twenty, and 40-100 Dollars and costs of suit, less a payment of \$40.00 made by A. R. Dean.

Given under my hand this 18 day of April, 1922.

W. C. BLACK, Sheriff,
Randall County, Texas.

How an EXPECTANT MOTHER Prepared for Baby's Coming

DO YOU know that thousands of women never really suffer at child-birth? Perhaps you have thought with many others that this should always be the case. But how?

Let Mrs. Mattie Paul, of Ocala, Ga., tell you. She is one of thousands who has demonstrated this fact:

"As I am a young mother of one baby, I am writing for free booklet to 'expectant mothers.' I used only two bottles of Mother's Friend before I was confined and had a quick and easy time through labor. I can recommend Mother's Friend to all expectant mothers. I will never go through pregnancy without it."

It goes into the features of maternity and gives, in a plain, interesting manner, information about what the mother needs in clothing before baby is born; what clothing will be necessary for the baby; an interesting table as to the probable date of delivery; simple but necessary and helpful rules of hygiene to follow, and much other worth-while information. This little booklet also tells about Mother's Friend and the wonderful good it is doing for expectant mothers.

Don't let false modesty keep you from performing this duty to yourself—your family—and your baby.

Send for your copy NOW.

You, too, can have this booklet for expectant mothers by sending coupon below.

WARNING: Avoid using plain oils, greases and substitutes—they act only on the skin and may cause harm without doing good.

REDFEARN & GERALD

First to establish the \$10.90 price—"Usco"

THE makers of U. S. Tires made this announcement last November—

"Hereafter the price of the 30x3 1/2 'Usco' is \$10.90."

The lowest price ever quoted on a tire of quality reputation and standard performance.

And now, with the opening of Spring, there seem to be quite a number of "New and Special tires" coming into the market in the \$10.90 price range.

Perhaps you are wondering just what there can be either "new" or "special" about these tires.

It can't be the \$10.90 price—"Usco" established that five months ago.

Nor quality reputation and standard performance—for it takes more than one full season for any new tire to demonstrate where it stands in quality and value.

With so many tires rushing into this \$10.90 price

\$10.90
and even better than the price

Plainview Man Drives Into Washout But Saved from Drowning

Paul Barker of Plainview had the most miraculous escape ever heard of in this country when his car dived off Sunday evening into the Spring Branch which had risen high over the highway at the foot of the big hill north of town and had taken out the concrete bridge.

Mr. Barker is Ford dealer at Plainview and had gone to Amarillo after a new Ford sedan. It has rained most of the way from Amarillo, but he had gotten along well. He had met cars all along the way between Amarillo and the top of the big hill, and right on top of the big hill met a truck which had passed over the bridge. As he came down the hill he noted that water was running over the highway, but thought nothing of it.

J. M. Hagan and Hugh Tollison of Amarillo were a short way behind the truck, which was the last vehicle to cross the bridge. Hagan had been in Colorado during the floor of last year and says he learned there not to go upon a bridge during high water such as was the case at the Spring Branch. They stopped their car. They saw the Ford come down the hill, this being about 8:15 or 8:30 in the evening. They attempted to warn the approaching car, flashing their lights and calling, but Mr. Barker states he was attracted by neither, although he remembers to have seen the lights of the car.

Barker states that he did not know much about the road, and decided that it was only a concrete spillway, used instead of a culvert. He turned on his engine as he went into the water. It is supposed that the momentum of the car was sufficient to throw the sedan against the south side of the concrete in the bridge, as the top of the car was completely demolished, and this fact alone is responsible for Mr. Barker not being drowned.

He stated that the first he knew after hitting the water was standing waste deep in water, the current being very strong. He saw his car come up, the light being still burning. The car was being buried by the fierce current directly at him as he stood on the north bank of the creek, and he thought for a moment that he would be knocked back into the stream by the car, but a swerve carried the car to the south, and it went down into the stream.

In the meanwhile Hagan and Tollison were in the highway on the south side frantically calling to the man. They saw the car come up out of the water with the lights still burning, it being about one hundred yards east of the point where it had gone down, and showed the tremendous force of the current at that point. Both of the men heard a cry, and thought it was a cry for help. Baker states that he only remembers to have called out once. He states that when he reached safe landing that he called that he was safe. Neither men on the south side were able to distinguish the cry

and considered that the man or men in the car was lost.

Barker made his way back to the Jim Foster home where he stayed all night. He little realized what kind of a sensation his accident was causing in Canyon.

Hagan and Tollison returned to Canyon and spread the alarm. More than fifty men loaded into cars and trucks and went to the scene. The water by this time was over the bottoms on the main creek, and the men had to drive down the road leading to the Lester place, leave their cars, and cross by foot the railroad bridge. The party armed with lanterns and searchlights, rope and hooks waded through slush and mire, and a down pour of rain, dragging the creek until the car was located and roped. On account of the high water it was after nine o'clock in the morning before the car was raised so that the number was obtainable. In the meanwhile the owners of sedans in Randall county had been checked up to see that none were missing, and phone calls sent to surrounding towns. Sheriff Black was able to ascertain the fact that the number of the car was that of Barker's and had given the word to Plainview of the accident, and that Baker was certainly drowned.

Just at that moment Baker appeared on the scene having walked in from the Jim Foster place. The party was still searching for his body in the creek when he reached there, and he was rushed to town in order that the news might not reach his family. Fortunately they knew nothing of the affair, the Plainview sheriff having waited until there was something more definite before telling them of the accident.

Barker was greatly dazed when told of the search all night through the storm for him.

The Ford was fished out of the creek Monday morning. The top was completely gone. The remainder of the car was pretty badly demolished, but the engine still working. Baker got the car to running about noon, and left at one o'clock for his home, driving the chassis, which were in fairly good order.

Spring Branch was not been on such a rampage in years as was seen Sunday night. The creek is ordinarily a very small affair, being fed by a series of never failing springs. Water comes from ten or twelve miles to the west and north. The fact that the creek grows narrow and the walls steep as it enters the Palo Duro creek at the Prichard place makes it very dangerous in time of high water and big rains. The water comes in a terrific wave, but does not last long. The concrete culvert was figured to be large enough to handle the water under most conditions, and probably there would not be a half dozen cases like the occurrence of Sunday in a life time.

The Prichard family was forced to leave their home early Sunday evening when the Branch came up about two feet into their home.

The main creek entirely covered the bottom for nearly a mile wide in places and Herman Wragge was forced to

move from his home nearly Sunday evening.

In some ways the world is more efficient, but it is to be remembered that the ancients carried away the indemnity at the time.—Cantaville Record.

Notice of Holding of Election
Whereas, at an election heretofore held on, to-wit, the 18th day of March, A. D. 1922, in Randall County, Texas, for the purpose of determining whether or not Common School Districts Nos. 2 and 18 should be consolidated with the Canyon City Independent School District, all located in said Randall County, Texas, which election carried in favor of such consolidation; and,

Whereas, there is an outstanding bonded indebtedness against said Common School District No. 18 in the principal sum of \$500.00, which bonded indebtedness bears interest at the rate of 5 per cent per annum, which obligation bears date of April 10th, 1910, and falls due 20 years after date; and,

Whereas, the law directs that these shall be submitted to the qualified tax paying voters of said consolidated district the question as to whether or not the said consolidated district shall assume and pay off said outstanding

bonds, and whether or not a tax shall be levied therefor;

Now, therefore, I, Worth A. Jennings, County Judge of Randall County, Texas, pursuant to the requirements of the law, do hereby order and direct that an election be held at the court house of Randall County, in the town of Canyon, Texas, which is within said Consolidated School District, on, to-wit, the 20th day of May, A. D. 1922; for the purpose of voting on said question and determining whether or not said Consolidated District shall assume and pay off the said outstanding bonds against said Common School District No. 18, and whether or not a tax shall be levied therefor.

Witness my hand and seal of office at Canyon, Texas, on this 24th day of April, A. D. 1922.
(Seal) WORTH A. JENNINGS,
County Judge, Randall County, Texas.

How Ironized Yeast Fills Out Figure

And Puts New "Pep" and Energy in Thin, Nervous, Rundown Folks

Hundreds of thousands of people all over the country are now taking IRONIZED YEAST tablets for health with results which in many cases are actually astonishing. For thin folks to gain five pounds or more on the very first package is not unusual. Complexions blotched with pimples, etc., are very often entirely cleared up within 10 to 14 days. As for increasing "pep" and energy, apparent "miracles" are reported by folks who were formerly run-down, weak, and lacking in physical and mental vigor.

FREE! Mail coupon below for Amazing Three Day Trial Treatment of IRONIZED YEAST. Watch the Results!

Here is The Secret!

Nature intended that you should have a well developed figure, with the clear skin, sparkling eyes, strong nerves and rugged strength that goes with it. And if you are now thin and run-down it is because certain of Nature's laws have been disobeyed. Nature requires that you should have a certain amount of iron in your system. But these two essential elements are lacking in the modern diet. That is why so many of us are thin and run-down.

Yeast Best When Ironized

The thing to do is to supply this lack by taking with each meal two tiny IRONIZED YEAST tablets which contain in highly concentrated form, a specially cultured yeast grown under the strictest supervision for medicinal purposes—a yeast unequalled for its richness in the essential Water Soluble B vitamins. In addition it contains the correct amount of the two other vitamins—Fat Soluble A and Water Soluble C—which are equally important to health. These three vitamins bring excellent results even if taken alone—but when taken with a proper amount of easily assimilated organic iron, as in IRONIZED YEAST, these results are secured often in just half the usual time!

Watch The Results!

Note how IRONIZED YEAST immediately increases your appetite—how it enables you to get real joy out of every morsel of food you eat. See how quickly it drives away pimples, blackheads, etc., and how your newly acquired "pep" makes hard work or play a pleasure instead of a task. Try IRONIZED YEAST today! Pleasant to take—will not cause gas or in any way upset the stomach. Each IRONIZED YEAST tablet wrapped air-tight in waxed seal and made, thus assuring 100% purity and strength. Special directions for children. Go to your druggist or mail coupon today—NOW!

WARNING!

Not all yeasts will give the desired results. There are certain types of yeast which have absolutely no value medicinally. By insisting on the genuine IRONIZED YEAST, and refusing cheaper imitations or substitutes you can be sure that you are taking a vitamin tonic treatment which is unsurpassed in effectiveness, convenience and genuine health-building value.

Note—IRONIZED YEAST is sold at all Drug Stores on our guarantee of complete satisfaction from the first package or your money refunded.

This event was finished in the gym because of rain.

12 Pound Shot Put: Bell, Love; Stroup, Quitaque; Reynolds, Spearman; Dyer, Farwell. Distance 39 feet 1 inch.

Discus: Armstrong, Panhandle; Reynolds, Texoma; Reynolds, Spearman; Thompson, Vega. Distance 109 feet, 9 inches.

Total number of points: McLean, 22; Love, 18; Lipscomb, 15; Perryton, 13; Spearman 11; Quitaque 9; Claude, 8; Canyon, Higgins, and Panhandle 7 each; Union Hill 5; Texoma and Kress 4 each; Dimmitt and Lelia Lake 3 each; Farwell 2; Friona, Ochiltree and Vega 1 each.

Wilson of McLean was all around man, winning a total of 13 points.

Armstrong of Panhandle broke last year's state record in Class B when he hurled the discus 109 feet 9 inches.

The feature of the meet was the Class B mile run won by Hill of Lipscomb, when he sprinted the last 200 yards and passed both Turner and Thompson. It will be remembered that Thompson beat Hill by a few feet in the mile race last year and the race this year was just reversed.

TENNIS
Boys' Doubles: McLean, represented by Knipping and —

Boys' Singles: B. Axtell, Amarillo. Girls' Doubles: Claude, represented by Moore and Smalley.

Girls' Singles: Phillpott, Miami. Two teams were entered for Volley Ball. Follett won three straight games from Canyon High.

Automobiles wouldn't be dangerous if the horse-power of the engine was proportioned to the horse sense of the driver.—Marion Star.

SOME DAY WE'LL HAVE PEDIGREED FARMS

Buying hogs, dairy cows, etc., is no longer the hit-and-miss game it used to be. Pedigreed stock of known productiveness, is easy to be had these days.

Some day pedigreed farms will be just as common, and soil enriched by diversified farming will likewise command a higher price.

We urge every farmer in this section to go in for diversified farming. It brings a steady return.
