BUFFALOES WIN OVER CADETS IN HARD BATTLE

ROSWELL BOYS DEFEATED BY SCORE OF 20 TO 0 SATURDAY.

Was a Scoreless Game up to Last Quarter When Buffaloes Started Their Scoring Machine.

The Buffaloes defeated the Cadets from the New Mexico Military Institute Saturday in one of the hardest fought and best played games ever seen on the local football field. This is the first victory the Buffaloes have ever gained over the Cadets, and it was won only by superior playing every minute of the time. The Buffaloes put up by far the best team playing of the season.

The first three quarters were scoreless, and it looked as if the game might end with neither side scoring. During the latter part of the last period, the scoring machine of the Buffalo herd got into action and before the final whistle blew three touchdowns had been annexed. Line smashes and short forward passes were responsible for the scores made by the Normal boys.

The first three quarters was a battle royal between the two teams, the players surging from one end of the field to the other, with neither seriously menacing the others goal. The teams were evenly matched in strength and showed about equal playing ability. The severe drubbing administered the Roswell line by the continuous line slugging begun to tell during the final period, and it seemed that almost all of a sudden the visitor's defense was unable to further withstand the onslaught, and gave away.

In offensive playing, the visitors had the better of the argument during the opening period. The Cadets carried the ball 53 1/2 yards by straight football and 29 yards in two forward passes, one having failed. They were penalized three times for 30 yards, fumbled once and intercepted four Normal passes. The Buffaloes carried the ball a total of 37 yards in this initial period, dropped two forward passes and intercepted one. They were penalized twice for a total of 20 yards.

The second quarter was strictly in favor of the Buffaloes. The herd carried the ball 89 yards, completed no passes, failed to complete one and had one intercepted by the visitors. However, they evened things up by intercepting all four passes attempted by the visitors, fumbled once and received no penalties. During this period Roswell gained by 41 1/2 yards, and were penalized 5/8 yards. The Normal attempted one place kick.

The third quarter was slightly in favor of the visitors who covered 88 1/2 yards to 65 gained by the Buffaloes. The visitors failed in one pass and fumbled once. The Normal played nothing but straight football.

Everything was in favor of the Buffaloes during the final period of the game. Three touchdowns with two goals netted the Buffaloes 20 points while the visitors were never with striking distance. The Normal boys gained 104 1/2 yards in straight football and 47 yards on three forward passes. They were penalized twice for ten yards and intercepted on forward pass. The Cadets gained only 14 yards by straight play and 13 yards on two completed passes. They were penalized 2 yards and fumbled once.

CHEATHAM COMPLETES PICKING

J. A. Cheatham has completed picking the four acre patch of cotton on his place north of town and got 1600 pounds, which will gin a bale of about 525 pounds.

Mr. Cheatham states that he is most highly pleased with the result of his experiment this year, and is going in strong for cotton next year. Those from cotton raising section state that this patch of cotton was as good as any they have ever seen. It was planted June 9th, and did not get any rain.

D. A. R. HERE FRIDAY.

Seventy five members of the D. A. R. visited the Normal last Friday at noon as the guests of President and Mrs. J. A. Hill at a luncheon at Cousins Hall. The women came from the convention being held in Amarillo. After the very delightful luncheon a large number of the visitors inspected the main Normal building.

"Candidate for Dog Catcher" Slogan for Bulldogs Tomorrow

Badges have appeared in Canyon this week label "Candidate for Dog-catcher." Most folks thought that candidates had either been elected, or sent for a journey up salt creek, until this new slogan appeared, and it seems that everyone in Canyon, big 'uns and little 'uns are all running for the same job.

The Clarendon Bulldogs are coming! Yes, they come tomorrow, and the fiercer those Bulldogs are, the more anxious are these candidates to get them.

It is going to be the biggest football game of the season so far as local interest is concerned. The game is called for three o'clock on the Normal field.

The football fans of Canyon are confident of a victory tomorrow after having seen the great team work of the Buffaloes Saturday. The Buffaloes go to Clarendon Thanksgiving, and a large delegation of rooters will accompany them.

Vega Will Play High School Team in City Saturday Afternoon

The Canyon high school football team will meet the Vega high school on the local grounds Saturday afternoon at three o'clock.

Coach Webb's team is going fine this week after the battle at Hereford Friday, and are confident of another victory.

Vega is reported to have a strong team this year.

SOME WEATHER THIS WEEK

The weather man has been doping out some real winter weather to the Panhandle during the past few days. Friday and Saturday were almost summer days, but such a difference Saturday night!

The wind turned to the north at 6:30 Saturday evening and the temperature fell fast throughout Sunday, with a high north wind. Monday and Monday night saw cold weather, but there was considerable moderation Tuesday afternoon when the sun shown brightly.

Rain, which is badly needed, has not fallen in this section.

OPENING NEW STORE.

O. A. Gamble has bought the auto and accessory business of E. Burroughs and is closing this line out for the purpose of opening a new variety store in the building formerly occupied by Mr. Burroughs, who has moved into the frame building just north and occupied by the J. D. Gamble Insurance Agency. Mr. Burroughs will handle only jewelry in the future.

The Gamble family moved here two weeks ago from Wichita Falls.

Payment of School Tax Sought During the Coming 8 Days

Another scholastic month will end next week, and there is not sufficient money in the school treasury to meet the monthly pay roll.

The trustees of the Canyon Independent School District urge that tax payers pay their taxes a little early this year in order that no more money need to be borrowed to meet the regular expenses.

School taxes must be paid within two months, or become delinquent. There are many tax payers who can pay their school tax as easily now as to wait until the last minute. If money is borrowed, it means that the children are deprived from the use of dollars paid out for interest, which should be spent at the public school for their benefit.

Go to the court house and pay your school tax to J. B. Hensley this week. The scholastic month closes Nov. 25, and several hundred dollars are needed.

PAIR OF REAL LIVE FOUR-LEGGED BUFFALOES ARE HERE

BROUGHT FROM GOODNIGHT RANCH FOR THE NORMAL.

Pair of Yearling Buffaloes Bought as Mascots for School—But Will Have to be Tamed.

L. F. Sheffy and Travis Shaw were at the Goodnight ranch Tuesday and bought a pair of coming yearling buffaloes, which are being brought to the Normal today.

The Buffalo was adopted by the Normal as mascot several months ago, and the head of a large animal holds a place of honor in the main corridor. The two young buffaloes will be kept by the agricultural department. The animals are wild, having been taken up out of a herd of 225 on the Good-night ranch. The animals are quickly tamed, if properly handled by one person. However, if they once become ferocious, they usually remain so the remainder of their lives.

New High School Plans Are Being Shown in the Business Houses

Architect E. F. Rittenberry of Amarillo came before the board of trustees Monday night with a drawing of the proposed new high school building.

The plans for the building have been gone over twice by the board and various corrections made. It is believed that the plans are now in good condition, but will likely be changed several times before the building is finally completed.

Mr. Rittenberry brought with him an outside sketch of the new building. This sketch shows the design in a general way as it will appear when completed. The greatest change that has been made is in the ground floor. The sketch shows the first floor to be a little under the ground, whereas the first floor will be even with the ground level, excepting the gymnasium, which is down four feet to give the proper height of ceiling.

The plans will be placed in various show windows of the city in order to thoroughly display the sketch to the voters before the date of election, on November 29.

MISS McMILLON DEAD

Miss Nora McMillon died Saturday morning in Amarillo as the result of a stroke of apoplexy. She was in seemingly good health Friday and retired at her usual time. Those in the house heard a noise in her room early in the night and discovered that she was very ill and was rushed to the sanitarium where she died early Saturday morning.

Miss McMillon was a teacher in the primary grades of the Canyon schools for four years, going to the primary work of the Amarillo schools about four years ago.

She leaves two sisters, Mrs. A. T. Bishop and Mrs. Ollie Parker, both of Dallas. Her cousin, Mrs. Ida M. Carruthers, lives in Amarillo.

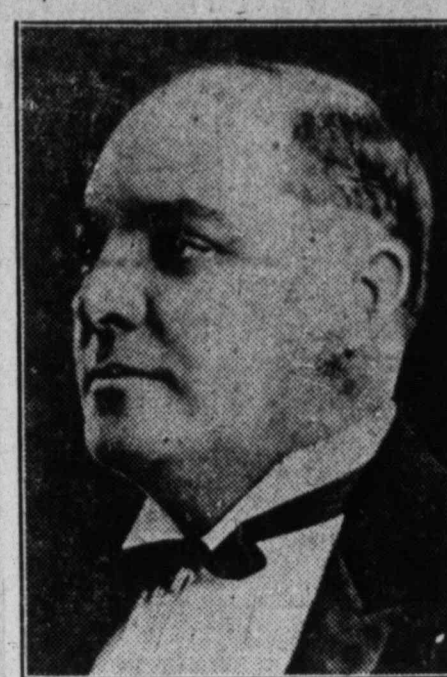

A short funeral service was held Saturday afternoon at the Amarillo Presbyterian church and the body sent to Waxahachie for burial.

ENGINEER IS EMPLOYED.

President J. A. Hill states that he has employed W. D. Howren to do the engineering work on the proposed paving around the Normal property.

Mr. Hill is going to ask for an emergency appropriation when the legislature convenes to pave along the west and south sides of the campus and the drives on the inside of the state's property. As soon as the engineer completes the plans, the contractor will prepare the estimates for the job.

Short skirts, short sleeves, low necks and high heels in feminine apparel have caused several Swiss insurance companies, which insure against illness, to raise their premium 15 per cent for women.

BARON JAMES V. AURIEMMA

Salvation Army Drive in On This Week in City—Auriemma Here

Baron James V. Auriemma is in the city this week in the interest of the annual drive for the Salvation Army. The Baron was here last year, and was very popular in this work. He is a baritone singer of great ability and highly pleased the various audiences before whom he appeared last year.

Mr. Auriemma sang at the Normal yesterday morning, and was very successful in the raising of funds. He sang at the high school yesterday afternoon and organized the children for the purpose of making a canvass of the residential section. He is looking after the work in the business section, and is meeting with success. He hopes to close his work his Saturday night at the Olympic.

Commissioners Declare Election Returns and Set Salaries for '23

At the quarterly meeting of the Commissioners Court Tuesday, the returns of the general election were canvassed and the following county officers were declared elected:

SCHOOL ELECTION SATURDAY FOR THE PURPOSE OF COMPLETING THE CONSOLIDATION OF THREE DISTRICTS

There will be an election in Canyon Saturday at the court house for the purpose of taking the final step in consolidation of the Canyon Independent School District and Common School Districts Nos. 2 and 18. The election upon this question was held in March, and carried.

A subsequent election was held in May for the purpose of assuming the outstanding bonds of District No. 18.

Canyon High Wins Hard Game From Hereford 14 to 6

(Hereford Brand)

Hereford High's scrappy little football machine lost its first game of the season Friday afternoon to the heavier and more experienced team from Canyon High. The score was 14 to 6. Canyon scored its first touchdown within the first five minutes of play, and its last just before the final whistle blew. Hereford was slow in warming up, but after Canyon drew first blood the local men came alive and fought it out to a standstill.

Canyon kicked off at the start to Hereford and, after an even affair for a minute or two in the middle of the field Canyon intercepted a Hereford pass and brought the ball to the 23 yard line. Here they began a series of short end runs and line plunges which carried it over. They also kicked goal.

The second quarter was scoreless. Near the end of this period Hereford had the ball on Canyon's ten yard line on fourth down, when Reed attempted a drop kick from a difficult angle, missing by inches.

At the beginning of the third quarter Hereford kicked to Canyon. The visitors on their own 32 yard line were unable to gain and attempted to punt, but a Hereford man broke through and blocked it. Quick as a flash Ardis Russell pounced on the ball and raced across the line. Reid missed goal. Score Canyon 7, Hereford 6.

Both teams fought desperately in the fourth, the ball changing hands rapidly. Near the close Hereford twice attempted to punt and both times the attempts were blocked, although Hereford men recovered in both instances. The last punt, however, was fourth try and Canyon took the ball on Hereford's 11 yard line, from where they completed a pass across for their second touchdown, afterwards kicking goal.

Red Cross Annual Roll Call is On in County up to Thanksgiving Day

Captain H. C. Gamble stated yesterday that the Red Cross Roll Call was coming along nicely in Randall county.

On account of the Armistice Day celebration Saturday no work was done on the Roll Call, but all parts of the county will be covered between now and Thanksgiving.

STORK SPECIAL.

A son was born to Mr. and Mrs. C. H. Fehr November 10.

If you are interested in raising cotton next year, and want to see a gin in Canyon, see C. F. Walker this week and pledge the number of acres you will plant. It will take about 4,000 acres of cotton to bring a gin to Canyon.

Armistice Day was celebrated in Canyon Saturday with one of the most interesting and enthusiastic programs the city has ever had. There was a very large crowd here to witness the events of the day, in spite of the fact that it was not generally known that Canyon intended putting on a general Armistice Day program.

As stated in the News last week, it was the intention of the Palo Duro Post of the American Legion to join with the Amarillo Post in the Armistice Day celebration, but when it became known in Canyon that Amarillo planned nothing for the ex-service men but the parade, and that the business houses of Amarillo would not close to observe this most eventful day in the history of every ex-service man's life, the Post refused to go to Amarillo and Thursday night set to work upon a program for the day's celebration at home. The high school was already planning for a parade in the interest of the Annual Fund, and the ex-service men threw in with the plans to make the event a big one and add as many other attractions as possible.

The people of Canyon were well aware of the fact that it was Armistice morning by 4:30, as the noise makers were out by that time. The dance at the Legion Hall was attended by a large number.

At ten o'clock the parade started, and proved to cover six blocks. C. W. Warwick was marshal of the parade, followed by the Normal band; the color guard bearing the American, British, French and Italian colors; 75 ex-service men, mostly in uniform; the Normal service flag, students and the Buffalo squad; the Roswell squad; the 40 and 8 French box car; two floats dedicated to the dead soldiers; the Woman's Auxiliary of the Legion; every child in the eleven grades of the public school, each grade having distinctive decorations; followed by decorated cars from the business firms.

The parade ended at 10:45 and the box car was pulled to the east side of the square and used as the speakers platform.

Rev. M. M. Beavers pronounced the invocation. C. W. Warwick made the announcement of the Red Cross Annual Roll Call. As the town clock struck eleven o'clock, all ex-service men came to salute while taps was sounded by R. N. Brothers in memory of the buddies who gave their lives on the battle fields of France.

President J. A. Hill closed the program with an inspirational talk upon Americanization.

The large crowd visited the booths in the court house for the benefit of the high school annual fund until time for the football game at three o'clock, and returning from the game, the crowds around the booths was good during the evening.

It was intended to have a street dance commencing at 6:30, but the wind turned to the north, after an almost perfect day, and the temperature continued to drop all evening, making the street dance impossible. A dance was enjoyed by many ex-service men at the Legion Hall.

The officers of the Post state that plans will be made for a greater celebration in Canyon next year. The parade was a revelation to the people of Canyon as to what may be done in one day's time with a few people working at it. Next year every organization in Canyon will be expected to join forces with the ex-service men to put over a big Armistice Day celebration.

MISSIONARY SPOKE HERE.

Miss Laura Edwards, missionary in Korea, spoke before the Y. M. and Y. W. C. A. at the Normal Tuesday night. Miss Edwards' people live in Hereford, and she visits in Canyon on each of her furloughs home.

HOME FROM HOSPITAL.

Miss Vera Edds returned Tuesday night from Rock Ford, Colo., where she has been with her sister since her operation in Denver this summer.

Miss Edds was taken ill at Estes Park during the Y. W. C. A. meeting this summer.

Democratic year in the
tion of last Tuesday. The
st the Republican party
natural as did the revolt
Democratic party two
when Harding was swept

into office. The Republican party was
confronted by the same problems which
confronted Wilson, and did nothing
toward their solution, hence the result
of the election. The Democratic party
comes very nearly controlling congress.
There are enough independent Republi-
cans in congress who will vote for
constructive measures that the burden
of doing something is shared equally
by the Democrats in our law making
body. If the Democratic party is con-
tent to sit idly by and attempt to
block legislation the pendulum may
swing against the party two years
hence.

The Mayor of Canyon stated in the
News last week that he favored the
Commission Form of Government and
urged that the people vote on the
proposition and elect a mayor and two
commissioners at the annual election
next spring. The Commission Form of
Government is past the experimental
stage. Every town of any consequence
on the Plains has this form of govern-
ment, and all are well pleased with the
results. Canyon should by all means
vote upon the question in April. It
will require a petition from ten per
cent of the qualified voters in the city
to have the city council call this elec-
tion.

It was the independent voters of the
normally republican states who made
possible the Democratic victory in the
congressional elections of last week.
An independent Republican who lives
in New York or some other northern
or eastern state and votes for a Demo-
crat is a patriot in the eyes of Texas
Democrats. But an independent Demo-
crat who does not believe in party be-
fore principle is a mugwump in the
eyes of a lot of good Democrats in
Texas. What makes the difference,
whether you live in New York or
Texas?

It is doubtful if President Harding
will accept the presidential nomina-
tion in 1924, if it is offered to him.
Harding's personal friends largely
lost in the election last Tuesday. The
progressive element of the Republican
party is in the saddle, and will likely
rule the presidential convention. The
progressives will not be for Harding,
and he may announce the decision of
being unwilling to accept another nom-
ination in order to escape the disaster
of defeat.

There will be a gin in Canyon next
year if the cotton acreage is guaran-
teed. Of course the farmers want to
know definitely that the gin is assur-
ed before planting a large acreage next
spring. Therefore it is necessary for
the question of acreage to be pledged
at once in order that there will be no
chance for disappointment either from
the standpoint of the farmer or the
man who invests his money in the gin.
Right now, this fall is the time for
action. Make the guarantee of acre-
age, and the question of the gin may
be definitely settled before planting
time in the spring. See Mr. Walker at
once if you are interested in cotton.

That Armistice Day celebration in
Canyon was the biggest and best one
pulled off on the Plains. Plans were
made and executed within a day and
the results were entirely satisfactory.
Just tuck this idea in the corner of
your think tank; Canyon is going to
have a bigger and better Armistice
Celebration next year; Every organiza-
tion in Canyon and Randall County
must be represented in the celebra-
tion; The American Legion boys are
counting on YOU, and expect you to
start your plans now looking toward
the celebration.

The god of the Klan had sense
enough to state Tuesday night in Dal-
las that the election of Earle Mayfield
was not a Klan victory, but a Demo-
cratic victory. But it was not such a
great victory, considering the fact that
fully 50,000 Democrats left the Demo-
cratic ranks and were forced to write
the name of Peady on the ticket in
remembrance to Mayfield and the man-
ner of his election.

COBWEBS IN THE BRAIN
Cobwebs are sure to collect in the
brain that doesn't receive a frequent
and thorough house cleaning. The
ideas that are in it need to be taken
out and aired. They ought to be
brushed up in conversation with
friends. They are always the better
for being dusted off and polished in
the process of being committed to
paper.

Writing, keeping a diary, taking
notes of your reading, summarizing for
yourself the contents of a book or the
substance of a conversation or the im-
pressions made upon you by a friend
or a stranger—those all help to keep
the brain swept and garnished. Freder-
ick I. Olmsted, secretary and chief
organizer of the Sanitary Commission
that did splendid work for the sick
and wounded soldiers of our Civil
War, told one of his assistants that he
rewrote his letters and bulletins of
instruction many times. "Most people
write easily because they put down
thoughts that they have had," he said.
"But I write with difficulty, because
I write in order to think." Perhaps
some of the persons who are discour-
aged because they seem always to
have cobwebby minds will find that
they are made like Mr. Olmsted, and
that perseverance with a pen will clar-
ify all that was dark and obscure.

Indeed it is keeping thoughts to
yourself that causes cobwebs to col-
lect. Let the light in upon them—or
rather, take them out into the light
and let the fresh breezes of friendly
intercourse blow over them. And fall-
ing the good friend, there is always the
sheet of paper and the pen.

Appealing to American business

ability. "Foreign business men will

Americans that they will not make for
natives of their own country. In gen-
eral, they have a definite and correct
idea what a typical American is, and
they like to be approached by such
typical Americans on business mat-
ters."

WOMAN'S AUXILIARY MEETING

The regular monthly meeting of the
Women's Auxiliary of the American
Legion will be held Friday afternoon
at three o'clock at the American Leg-
ion Hall.

All wives, mothers, daughters and
sisters of men who died in the service,
or of men who were in the service
prior to the signing of the Armistice,
are eligible. The Women's Auxiliary
of Canyon and Randall county urge all
such to come and join this organiza-
tion.

The meetings are held each third
Friday at three o'clock at the Legion
Hall. Mrs. L. T. Lester is the presi-
dent.

The Poppy Sale which the Auxiliary
had Friday before Armistice Day was
a decided success.

The women of America still have
patriotic duties to perform even though
the war is over. This organization is
an excellent one for just this reason,
for it gives a channel through which to
work. If you are eligible, come and
join us for the betterment of America.

THE DILATORY WORKER

We probably all know people who seem to be, as they express it, "always in a rush," yet who are always just a little late. They find apparently almost a pleasurable excitement in putting off till the last moment the performance of necessary tasks and then executing them under high pressure. No doubt there is something stimulating in having to accomplish certain results within a given time, but a good many persons in allotting their time seem to mistake the harrassing for the stimulating.

Every teacher knows that, if on a Tuesday he assigns a certain task to be completed by the following Tuesday, a considerable percentage of the class will begin work on it Monday evening. He knows too that there is a very small fraction of the class who will set to work upon it immediately. He can soon tell which of his pupils are the forehanded and which are the dilatory workers. It may be that the forehanded workers will not always do the best work. Some of the dull pupils are sure to be among the forehanded ones; they have found that they have to be, in order to keep up at all; and often among the dilatory pupils there are the brightest minds. But if not overcome, the habit of dilatoriness will eventually slow up a naturally bright and active mind, and the habit of forehandedness, if maintained, will often quicken a dull one.

An eighty-seven year old woman from Georgia has been named for the United States Senate, and an eighty-six year old woman from Iowa, being a football enthusiast, chartered a special car from her home to the Iowa-Yale game at New Haven. A horse lover in Connecticut well beyond eighty years of age drove his trotter at the fair and took a heat in 2:11 1/4, and Mr. Cannon, aged eighty-six, on leaving Washington to travel the trail of the prairie schooner in which he went West as a small boy, said to his chauffeur, "Step on the gas! I like the bumps; they remind me of life!"

The auction of the property of the Shaker colony at South Union, Kentucky, calls attention to the decline of a picturesque sect. The Shakers, who once numbered several thousand, have now dwindled to two hundred and fifty, most of whom are old men or old women. Since celibacy is one of the cardinal tenets of the faith, there are no births to maintain the numbers, and the communistic life, the elders say, requires too great a sacrifice of personal property to hold converts who might otherwise be attracted.

Russia has promised Turkey her moral support—which means that Turkey will remain unsupported.—Nashville Southern Lumberman.

At that, an inflated currency can't do Germany as much harm as the inflated ego did.—Manchester Herald.

Einstein is one of the few men whose theories can be illuminated by an eclipse.—Toronto Globe.

When sleeping sickness appeared in the tribe Mandobi, a Congo chief, volunteered to go to London to submit to all the experiments necessary to determine the cause of the malady and to discover a cure for it. For several months he permitted himself to be bled almost daily to provide material for the microscopists. Finally the germ was discovered, but Mandobi paid for the discovery with his life. In one of the wards of a London hospital there will be a tablet to his memory.

A pile of junked automobiles is not yet so common a sight as it is likely to be in a few years. Most automobiles are not yet worn out; many of the first million cars are still running, though they may have been rebuilt and made over with new parts—several times. It is said that at current prices the scrap of an automobile is hardly worth the labor of making it. What will become of the used cars when there are two million or so a year to get rid of?

The usual practice of steamship companies is to write off depreciation on their boats at five per cent a year, so that at the end of twenty years they have provided for replacement. After that age the ships reach the point where repairs, insurance and other expenses become prohibitive. Shipbuilding companies believe that a general replacement must soon begin again, since nearly one quarter of the world's merchant marine is already more than twenty years old.

Lloyd George has finally come to the conclusion that now it can be told—at \$4,8665 a word.—Milwaukee Journal.

Still it looks like poor tactics for Kemal to massacre out of existence practically all his prospective taxpayers.—Dallas News.

They say shoes will be cheaper during the winter, but they do not tell us what winter.—New York American.

A TALK WITH A CANYON MAN

Mr. J. A. Carr, County Road Supt. of Canyon, Tells of an Interesting Experience.

There is nothing like a talk with one of our own citizens for giving hope and encouragement to the anxious suffer from the dread kidney disease. We, therefore, give here an interview with a Canyon man:

"For six or eight months I had trouble with my back and kidneys," says Mr. Carr. "My back was sore and stiff especially mornings when I got up. My kidneys were weak and acted irregularly, too. I saw Doan's Kidney Pills advertised and I began using them. Right from the start I was relieved and they seemed to fix my kidneys up and relieve me of all the soreness in my back."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Carr had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

FACT AND COMMENT

He is a small man who cannot act as a subordinate.

Though you're sure, before you chide always hear the other side.

The man who has no tact always brags of his frankness.

"When I want to know what kind of man a young fellow is going to make," says the old citizen of Little Lot, "I just find out what he does between seven and nine o'clock in the evening."

Having no reformatory for young offenders, the Bermuda government has passed a law that makes the parents of children under twelve liable to punishment. In the first case under the law a boy of nine, convicted of theft, went free, but his mother was fined and sent to jail for a month.

In 1870 the negro porter of a New York bank with \$200 that he had saved bought two shares of bank stock. After that the value of his shares went up from \$100 to \$2500 each, and the number of his shares through stock dividends, from two to forty. Having refused during all these years to sell out, he retired some time ago with a fortune of \$100,000 all based on that first small investment.

The Alaska Agricultural College and School of Mines, which was opened this fall at Fairbanks, speaks of progress in a land that many people still imagine to be a forbidding waste of ice and snow. The Alaskan public schools are well equipped and well taught as any in the states. The salaries are good, and every year there are hundreds of applications from experienced teachers from all over the Union.

Humor in conversation is more agreeable than wit, and kindness pleases better than learning.

The delay of the French and Italian governments to ratify the documents of the Washington Arms Conference treaties has been a matter of discussion in Japan, and informally her representatives have talked with American officials regarding the desirability of rewriting the treaty and the so-called Four-Power Pacific Pact so as to make them applicable to the three countries which have ratified, leaving Italy and France out of the naval treaty and dropping France from the Four-Power Treaty.

Coal prescriptions, signed by physicians, are deluging Chicago coal dealers. These prescriptions urge that certain consumers, because of illness or other emergencies, be preferred in coal distribution. In the belief that each instance must be one that demands special consideration the dealers are complying with the demand and furnishing the coal on prescription.

A large deposit of a volcanic ash, suitable to manufacture cleaning compounds, has been found in British Columbia. Experiments prove that it can be used to polish gold and silver plate.

A high-grade oil is to be manufactured from dogfish which swarm in Pacific waters. A newly formed company in the Queen Charlotte Islands, off the mainland of British Columbia, will catch the fish in traps and extract the oil by a new and patented process. The traps will not interfere with the salmon and other food fish.

A Chinese junk, the Amoy, recently crossed the Pacific Ocean from Shanghai to Victoria, British Columbia. As far as is known this is the first time in history that a junk ever crossed the Pacific. The Amoy has three masts, without auxiliary power, is 69 feet over all and 48 feet on the water line. The Amoy's master is a Dutch-Canadian who married a Chinese woman. His wife operated the ship during the 91 days it took to make Victoria.

Carrriages fitted out in silk, velvet and leather, with ivory and nickel fittings, costing at one time \$15,000, were auctioned off in Knoxville, Tennessee, recently for \$20. The carrriages once belonged to Tim Sullivan, Anthony J. Drexel and other distinguished citizens. Several horses sold for from \$5 to \$51 each.

The finger printing of every person in the United States is recommended by the New York State Chamber of Commerce as a protective measure to make difficult "the evasion of clever and dangerous aliens sent here for the purpose of spreading discontent among the unassimilated portions of our population."

The president of Dartmouth College has asserted that too many men go to

college. He deems it necessary "to define the individuals to whom in justice to the public good the privilege shall be extended, and to specify those from whom the privilege should be withheld." He believes there is "such a thing as an aristocracy of brains made up of intellectually alert and intellectually eager, to whom, increasingly opportunities of higher education ought to be restricted."

During the administration of Evangeline Booth as head of the Salvation Army in the United States, nearly 20 years, the students of the Army's training school have increased from approximately 70 a year to 500, while the assets of the organization have risen from \$1,500,000 to \$23,000,000.

A college for domestic service and the useful arts has been established in England. A graduate will know all about cooking, needle work, laundry work and general housework. Attention is also given to singing and piano playing. A sum of \$250 has been set aside for the establishment.

Japan says it will restore the leasehold of Kiaochow to China December 2. On that date the Chinese flag is scheduled to be raised over the district for the first time since Germany acquired the territory in 1898. At that time Germany was given a 99-year lease of Kiaochow and the territory surrounding it when two of her missionaries were killed in Shantung. The lease ceased to operate when the war broke out and Japan occupied the territory. The territory comprises 250 square miles and possesses an excellent harbor.

The Rockland Lake lighthouse on the Hudson River began to lean shortly after it was built. It was caused probably by the washing out of an old oyster bed. The lighting machinery has been adjusted so that it functions properly.

NOTICE OF SCHOOL BOND ELECTION

THE STATE OF TEXAS, County of Randall. Canyon City Independent School District.

To the Resident Property Tax-paying voters of Canyon City Independent School District:

Take notice that an election will be held on the 29th day of November, 1922, within said district, in obedience to an order duly entered by the Board of Trustees on the 28th day of October, 1922, which is as follows:

On this the 28th day of October, 1922, the Board of Trustees of the Canyon City Independent School District convened in special session with the following members present: G. G. Foster, R. P. Jarrett, Jno. Fry, Jno. Guthrie, C. W. Warwick, and among other proceedings had by said Board of Trustees was the following:

There came on to be considered the petition of S. B. McClure and 59 other persons asking that an election be ordered upon the question of issuing bonds of the school district for the purpose of constructing and equipping a public free school building of brick material, and purchasing a site therefor, within said district, and

It appearing to the satisfaction of the Board of Trustees that said petition is signed by at least twenty qualified property tax-paying voters of said school district, and is otherwise in conformity with law, the Board is of the opinion that said petition should be granted, and the said election as prayed for should be ordered:

Therefore, be it ordered by the Board of Trustees of Canyon City Independent School District: That an election be held in said Canyon City Independent School District on the 29th day of November, 1922, which is not less than 30 days from date of this order, at which election, in accordance with said petition, the following proposition shall be submitted to the resident qualified tax-paying voters of said School District for their action thereupon:

Proposition No. 1

Shall the Board of Trustees of Canyon City Independent School District be authorized to issue the bonds of said school district to the amount of \$100,000.00 to become due and payable serially \$2,000.00 one year from their date and \$2000.00 each year thereafter up to and including the year 1942 and \$3000.00 each year thereafter up to and including the year 1962, and bearing interest at the rate of five and one-half (5½) per cent per annum payable semi annually, for the purpose of constructing and equipping a public free school building of brick material, and purchasing a site therefor, within said district, and if there shall be annually levied and collected on all taxable property in said district for the current year and annually thereafter while said bonds or any of them, are outstanding a tax sufficient to pay the current interest on said bonds and to pay the principal thereof as the same becomes due.

That said election shall be held at Randall County Court House in said Canyon City Independent School District, and the following named persons are hereby appointed officers of said election: S. V. Wirt as presiding judge and Joe Black, John Nickson, and T. V. Reeves as clerks of said election.

The ballot for said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."
 "AGAINST THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

Each voter shall mark out with black ink or black pencil one of the above expressions thus leaving the other indicating his vote.

taxpaying voters of said Canyon City Independent School District shall be allowed to vote at said election. The secretary of this Board of Trustees shall forthwith issue a notice of said election stating in substance the contents of this election order and the time and place of said election, and the secretary shall post a copy of such notice at three different places within the boundaries of said Canyon City Independent School District, which posting shall be done not less than three weeks prior to the date fixed for said election.

Immediately after said election has been held the officers holding the same shall make returns of the result thereof to the Board of Trustees of said school district, and return the ballot box to the secretary of said Board for safekeeping.

The manner of holding said election shall be governed, as near as may be, by the General Laws of this State, except as modified by Chapter 24, of the General Laws passed by the Thirty-Seventh Legislature at its regular Session, 1921 and this Board of Trustees will furnish all necessary ballots and other election supplies requisite to said election.

C. W. WARWICK,
 Secretary of Board of Trustees,
 THE STATE OF TEXAS,
 County of Randall,
 Canyon City Independent School District.

I, C. W. Warwick, secretary of the Board of Trustees of Canyon City Independent School District, do hereby certify that the above and foregoing is a true and correct copy of the notice of election issued by me giving notice of the Bond Election therein mentioned, and that I posted a true and correct copy of said notice of election at three different places, to-wit: one at Canyon City Post Office, one at Court House, and one at Canyon City High School Building within the boundaries of said district, on the 30th day of October, 1922, which posting was done not less than three weeks prior to the date fixed for said election.

I further certify that the election order as herein set out is a true and correct copy of an order passed by the Board of Trustees of said school district on the 28th day of October, 1922, as the same appears of record in Book 2, pages 55-57 of the minutes of said Board of Trustees.

Witness my hand and the seal of said school district, this the 30th day of October, 1922.

C. W. WARWICK,
 Secretary of the Board of Trustees,
 Canyon City Independent School District.

NOTICE OF HOLDING ELECTION

Whereas, at an election heretofore held, on to-wit the 18th day of March, A. D. 1922, in Randall County, Texas, for the purpose of determining whether or not Common School Districts Nos. 2 and 18 should be consolidated with the Canyon City Independent School District, all located in said Randall County, Texas, which election carried in favor of such consolidation; and

Whereas, there is an outstanding bonded indebtedness against said Canyon City Independent School District as the same existed before such consolidation, in the principal sum of Twelve Thousand Dollars (\$12,000.00), said bonded indebtedness being represented by two issues, to-wit: One in the principal sum of Four Thousand Dollars (\$4,000.00), dated August 22, 1903, running for a period of 40 years from date, but payable after ten years from date, and bearing interest at the

rate of 5 per cent per annum, interest payable annually; and one in the principal sum of Eight Thousand Dollars (\$8,000.00), dated March 22, 1910, running for a period of 40 years from date but payable after 20 years from date, and bearing interest at the rate of 5 per cent per annum, interest payable annually, the annual interest on each of said issues being paid up to the last interest paying date; and

Whereas, an election was heretofore, on to-wit, the 20th day of May, 1922, held for the purpose of determining whether or not the said consolidated district should assume the payment of the outstanding bonds against said Common School District No. 18, which election carried in favor of assuming said bonded indebtedness, but no election has been had nor the question submitted to the voters of said consolidated district in regard to the assumption of the payment of the bonded indebtedness outstanding against said Canyon City Independent School District, as the same existed prior to such consolidation; and

Whereas, the law directs that there shall be submitted to the qualified tax-paying voters of said consolidated district the question as to whether the said consolidated district shall assume and pay off said outstanding bonds and whether or not a tax shall be levied therefor; and

Whereas, a resolution was heretofore, to-wit, on the 24th day of October, A. D. 1922, passed and adopted by the Board of Trustees of Canyon City Independent School District, as consolidated, authorizing and directing that an election be held within said consolidated district for such purpose;

Now, Therefore, Be it known to all qualified tax-paying voters residing within said consolidated district that an election will be held at the court house of Randall County, in the town of Canyon, Texas, which is within said consolidated school district, on to-wit, the 18th day of November, A. D. 1922, for the purpose of voting on said question and determining whether or not said consolidated district shall assume and pay off the said outstanding bonds against the said Canyon City Independent School District, as the same existed before consolidation, and whether or not a tax shall be levied therefor.

In witness whereof the said Board of Trustees of the Canyon City Independent School District does hereby cause this instrument to be executed and this notice to be posted, by G. G. Foster, its President, and attested by C. W. Warwick, its Secretary, on this 24th day of October, A. D. 1922.

Thin? Run-down? Sure Way to Get Right Weight

Increase Your Red-Blood-Cells. That's the Sure Way! S. S. S. Builds Blood-Cells; This Means Strength!

Do you know why insurance companies refuse to insure a great many men because they are under weight? Simply because to be under weight often proves low fighting-power in the body. It often means you are minus nerve-power, minus red-cells in your blood, minus health, minus energy, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S. S. S., since 1826, has meant to thousands of underweight men and women, a plus in their strength. Hollow cheeks fill out. You stop being a calamity-lover. You inspire confidence. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your body. More red-blood-cells! S. S. S. will build them. Ladies and gentlemen, a peaky, bony face doesn't make you look very important or pretty, does it? Take S. S. S. It contains only pure vegetable medicinal ingredients. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

Coming from the interest that is shown and judging from the fact that the two teams are pretty evenly matched, the game Friday on the gridiron between the Buffaloes and the Clarendon College Bulldogs will be a real battle. Reports from Clarendon show that more than 1000 fans will accompany the Bulldogs to have not been defeated this season on the trip. Harley True, Clarendon Coach writes that all the Buffaloes are in first class condition and they expect to give the Buffaloes a real battle for the game. This is the last appearance of the herd on the home grounds and the business is probably close for the game. It is the biggest this season. Two teams have been meeting on the gridiron annually for a number of years and the Clarendon gridsters are victorious in the largest number of games. However the Buffaloes determined to send the Bulldogs home with the small end of the stick. During the two teams there are many things in favor of the Buffaloes. They have been victorious in their games this year. They have more games than they have in the Buffaloes. Then the Buffaloes will outweigh the Normalites. The Buffaloes average 173 pounds per man, while the Normalites will enter the game averaging 130 pounds per man. The two teams are equal in experience, each averaging a little more than two years per man. The Buffaloes are an average of 21 years per man while the Bulldogs average only 17. Data shows that the Buffaloes are strong of aerial work, but the Clarendon Coach has been building a strong defense for this style of play. The services of their star back, Jackson, who has been ineluctable. Judging from past games the Buffaloes have a stronger defense of the fact that they have a better team. Taking all things into consideration the Buffaloes will have a little edge over the Bulldogs. It will be a real battle for them to win the game and it is expected to be a close one. Probable lineup for the game is as follows:

Buffaloes	
Right End	161—Marlin, 160
Right Tackle	166—Smith, 215
Right Guard	168—Bulls, 190
Center	166—Collingsworth, 186
Left Guard	175—Self, 170
Left Tackle	220—Ratliff, 176
Left End	166—Lane, 158
Quarter	156—O. Close, 165
Right Half	148—G. Close, 165
Left Half	174—M. Goodwin, 183
Fullback	184—E. Goodwin, 183

TRACTOR SCHOOL TUESDAY

A demonstration given under the auspices of the Agricultural Extension and the International Harvester Company on the Normal College grounds last Tuesday was well attended by the student body and farmers. The tractor demonstration was the new type which has been on the main crankshaft. The culti-packer demonstration also a drawing card. Speaking about this demonstration Phillips of the Agricultural Extension stated that it would make the place of the regular school which is given every year at the college.

Annual Fund Gets Good Sum From Armistice Day Program

"How did we come out Saturday?" Considering the fact that this question means the life or death of Canyon High School's Annual it is rather a serious inquiry. After all collections have been made, all bills paid, and all damage repaired we find that our shot which we wanted to reach the two hundred mark, has fallen along the way. Are we disappointed? Sure! But we believe that even with this small sum that the Canyon High School Annual is off for a successful finish. People, you helped us wonderfully in every way but one. You did not buy enough Annuals. A check of Annual sales shows that instead of the expected one hundred fifty, we sold less than fifty. We are not grumbling, but you might as well know that the Annual Sales campaign is STILL ON. What is more it will continue until we sell the required quota. Hey, You! Wake up! Absorb a little of the school spirit of old Canyon's High School. Live with this spirit! Love it! Encourage it! Buy an Annual. AND DON'T FORGET TO CAST YOUR VOTE FOR THE BOND ISSUE, A NEW SCHOOL BUILDING, AND A WONDERFUL NEW HIGH SCHOOL. —C. H. S. Rep.

Workers' Conference Will be Held at the Baptist Church Nov. 28

Program for Workers' Conference at Canyon, Texas, November 28th, 1922. H. F. Aulick, Chairman. Subject, "From Egypt to Canaan." Song service conducted by J. L. Looveren: 10:00—Devotional, by C. Runtan. 10:30—Geography of Wilderness wanderings, by H. M. Baggary. 10:50—The Passover, by J. A. Lindley. 11:10—The Ten Commandments, by B. F. Fronbarger. 11:30—Song. 11:45—The Covenant with its Blessings and Cursings, by J. M. Hall. Noon. 1:00—Song and Prayer. 1:15—The Levites, by H. F. Aulick. 1:35—Israel and the Heathen Nations they met on the way, by G. L. Morris. 1:55—The Day of the Atonement, by E. E. Dawson. 2:20—Twenty Sermon Themes, by B. T. Johnson. 2:40—Kadesh-Barnea, by J. T. Clinton. 3:00—The two Breaches of the Covenant, by W. R. Hill. The scripture account for the above program is in Exodus, Leviticus, Numbers, and Deuteronomy. The committee suggests that each one read these books before the conference. The Canyon church urges all our Baptists throughout the Association to attend. H. F. Aulick, B. F. Fronbarger, J. A. Lindley.

Buffaloes to Play Alva, Okla., Normal in Amarillo Friday Next Week

The Buffaloes were scheduled to go to Alva, Okla., next Friday to play the Rangers, but on account of finances, the Rangers asked to have the game transferred to Amarillo. The Buffaloes and Rangers played last year in Canyon, the visitors winning by a score of 13 to 7. The game in Amarillo next year should be a very hotly contested one.

Second Regional Meeting Called for Hereford on Tuesday, Nov. 21st

The second regional meeting of the Panhandle Plains Chamber of Commerce will be held at Hereford November 21st at 2:00 p. m. President Sam Braswell states that this will be one of the most important meetings to be held by the organization. The matter of selecting a town for the proposed All-Panhandle Fair will be definitely decided upon. Reports from the various standing committees as to progress made will be heard. The last regional meeting held at Tulla October 19th was the most successful in the history of the organization. 102 delegates and directors, representing practically every town in the Panhandle-Plains section were present. President Braswell is expecting this meeting to be even more largely attended.
