

RANDALL COUNTY NEWS

VOLUME XXVII.

CANYON, RANDALL COUNTY, TEXAS, THURSDAY, APRIL 12, 1923.

NUMBER 2

DISTRICT LEAGUE MEET TO BE HELD HERE NEXT WEEK

TWENTY COUNTIES WILL SEND MEN TO DISTRICT MEET.

Preparations Being Made to Care for Very Large Number of High School Students in the Contests.

Letters are streaming into the office of the District Director General of the Interscholastic League, seeking information concerning the District Interscholastic League Meet which will be held in Canyon, Friday and Saturday, April 20-21, and all indications point to one of the biggest events ever staged at the West Texas State Normal College of this nature. Director General J. L. Duffot states that interest is much keener this year than ever before. A number of the counties have already held their county meets and are training consistently for the District meet. Other counties will hold their finals this week or the first of next and then turn their attention to the meet which will be held here on the 20-21.

The fact that twenty counties will be represented here makes it certain that the competition will be strong among the many contestants. This will probably be the biggest meet held in Texas as this district is much larger than any other in the state.

The boarding house committee is at work making a survey of the city so that boarding facilities can be arranged for the many who will be in Canyon for the meet. Due to the fact that a large number of new houses have been built since last year, the committee feels certain that a much larger number can be accommodated during their stay in Canyon. The citizens of Canyon are co-operating with the West Texas State Normal College in order to make the meet a big success.

More Than Thousand Scholastics Enrolled in Randall County

County Judge Rector Lester states that the scholastic census for this year has been completed in the county's schools and a report made to the state superintendent. The county's schools show 447 scholastics this year, which is a slight increase over last year.

The independent district has an enrollment of 606, making a total for the entire county of 1053. The entire county had 1038 scholastics last year.

ATTEND SWINE MEETING.

The Panhandle Swine Breeders Association is meeting in Plainview today and Friday. A number of breeders from Randall county expect to attend. Frank R. Phillips will speak at the meeting.

SANITARY INSPECTOR HERE.

Dr. Moore of the State Sanitary Board was in the city yesterday conferring with the city officials regarding the passage of the dairy inspection ordinance and forcing testing of all milk cows in the city.

LECTURE SUNDAY 3:00 P. M.

The First Church of Christ, Science of Canyon, announces a free lecture on Christian Science by John W. Doorley, C. S. B., of London on Sunday afternoon at three o'clock at the American Legion Hall. A cordial invitation is extended to all.

AT CHRISTIAN CHURCH.

Rev. Milo Atkinson of the First Christian Church, Amarillo, will preach at the Christian Church in Canyon Sunday afternoon at three o'clock. All are cordially invited.

PARENT-TEACHER ASSOCIATION

Don't forget that Saturday, April the 14th is time to elect new officers for the coming year. Show your interest by being present.—Committee.

PLAYED BY REQUEST

"I note the paragraph on your menu wherein you state the orchestra will play anything on request. Can you prove the assertion?" "Yes," replied the manager. "Their repertoire is very extensive. What do you wish them to play?" "They will play piano until I have a special, and I will be very grateful to everybody's."

Help Keep Canyon Clean!

AUXILIARY WOMEN WILL SERVE THE LUNCHEON NEXT TUESDAY

The semi-monthly luncheon of the Randall County Commercial League will be held next Tuesday at noon at Casey's Cafe.

The luncheon will be served by the Ladies Auxiliary of the American Legion, for the purpose of raising money to erect an appropriate memorial to the Randall county boys who gave their lives to their country during the world war.

Chase L. Condrey is the leader of the day. Mrs. J. B. Gamble will give further details regarding the work of the Civic Improvement League.

Intercollegiate Track and Field Meet Will Have Many Entries

The great plains Inter-Collegiate Track and Field Meet which will be held on the West Texas State Normal College Athletic field Saturday, April 28, promises to be the best meet that has ever been held here. The students here are taking much more interest in the meet than ever before. According to Coach Burton there are more promising athletes training for the big event than last year and some excellent records will probably be made.

Clarendon College will be here with a very strong squad and will make every effort to retain the cup they have held for the past two years. In addition to these the Panhandle A. & M. College of Goodwell, Oklahoma, sends word that they will be here with a much stronger aggregation than that of last year. Southwestern Teachers' College of Weatherford, Oklahoma, reports that they will send a fast squad to compete in the cinder path events. A few years ago they abandoned baseball and now are devoting all the spring training to track work.

Invitations have been extended to Simmons College, Howard Payne, and New Mexico Military Institute of Roswell, New Mexico. Howard Payne and New Mexico Military Institute sent word to Coach Burton that they might possibly send representatives for the meet.

ATTENDING MUSICAL FESTIVAL.

A large number of Canyon people are attending the Musical Festival in Amarillo this week, which started Monday night with the Schumann-Heink program and will continue through until Saturday night. The Festival is the largest ever attempted in the Panhandle.

Baseball Outfit for Co. F Arrives and Practice Will be Started Soon

The new baseball outfits for Company F arrived Monday and Captain H. C. Gamble is issuing the same with the view of getting practice started among the company boys. Company F is determined to make a good showing in the baseball league with the neighboring National Guard outfits, and in the summer camp of the Guard.

ROOMS ARE WANTED.

On account of the large number of visitors in the city next Friday and Saturday, April 20-21 for the Interscholastic League meet, a large number of extra rooms will be needed to take care of the visiting boys and girls for the high schools over the Panhandle. Those having rooms will please phone Frank R. Phillips or W. E. Lockhardt.

Light Vote Cast Saturday in the Election for School Trustees

Only forty-three votes were cast in the school election last Saturday, when the three retiring trustees were re-elected for the coming three years. The only names printed on the ticket were J. A. Guthrie, Jno. Fry and C. W. Warwick.

NEAR EAST RELIEF.

Rev. J. N. Linbaugh will speak Sunday morning on the Near East Relief at the Methodist church and at night at the Baptist church.

WILL INSTALL COMMISSION.

The new City Commission will take office next Monday night when C. N. Harrison becomes mayor and T. C. Thompson and C. R. Burrow will become commissioners.

CLEAN UP DAY FRIDAY GREATLY IMPROVES THE TOWN

WIND STOPPED WORK BEFORE MORNING WAS OVER.

Business Houses Remain Closed During the Morning and Good Work Done in Cleaning City.

There was probably not so much interest taken in the clean up day Friday as there has been upon such days in the past, but there was undoubtedly a decided improvement in the condition of the town after the morning's work, even if so many people did not enter wholeheartedly into the campaign Friday morning.

The wind started to blow hard by nine o'clock, and this greatly interfered with the work of burning trash. The alleys of the town were put in fairly good condition in many parts of Canyon, although it is plain that many of our people paid no attention to the clean up campaign, and therefore neglected to work during the morning.

The clean up campaign is not over in Canyon—it has just begun, and should be carried on throughout the entire year.

All of Canyon's progressive citizens ought to help make Canyon a perfectly clean town.

Large Number of Faculty and Students Going Out to Contests

The West Texas State Normal College is rendering a great service to the schools of this section by sending out judges for all the various contests that are staged from time to time by the many schools of the Panhandle. Every Friday from three to fifteen officials picked from the faculty and student body of the college journey to high schools to judge in the interscholastic meets that are being held. Last fall the college responded with referees for the interscholastic football games whenever called upon. During basketball season a great number of referees were sent out to officiate in important games.

It is estimated that more than 200 students and faculty members will act as judges in the various contests during the interscholastic League Meet which will be held in Canyon Friday and Saturday, April 20-21. When asked what the college got out of this kind of work, President J. A. Hill stated that the institution was training teachers to render service to the people and this was an excellent method to train them. "We welcome all invitations to send officials for any contests that are carried on among the schools of this state."

Buffaloes Annex Game Yesterday Afternoon Score 6-0—Play Today

Rain stopped the baseball game yesterday between the Buffaloes and the Central State Teachers' College of Oklahoma. The game went for seven innings before stopped by the rain. Big Whitacre was on the mound for the Buffaloes and pitched a great game allowing but one scratch hit. The Buffaloes put up a fast game, getting eight hits, and showing altogether a better class of ball than was played in the opening games of the season with Simmons last week.

The teams will play again this afternoon, with Graves pitching for the Buffaloes.

CARS WILL BE NEEDED FRIDAY, APRIL 20th TO BRING PRESS MEMBERS FROM AMARILLO TO COUSINS HALL BANQUET

The Panhandle Press Association will be entertained at a banquet at Cousins Hall on the night of April 20th, which is Friday of next week. Cars are wanted to bring about one hundred people from Amarillo to this banquet, and return the members to Amarillo after the dinner. Canyon has not entertained the members of the Panhandle Press Association for a number of years, and the members want to see the wonderful development that has taken place at the College and in Canyon during this time.

Those who will volunteer to furnish a car, preferably a five passenger car, will please phone or see C. W. Warwick this week. We want as many Canyon cars as possible to care for the crowd. Amarillo will furnish the cars we lack of caring for the members. Cars must be in Amarillo by 4:45 on Friday, April 20th, and return to Amarillo after the banquet at Cousins Hall.

"The Mikado" Pleases Large Crowds Friday and Saturday Nights

The College Chorus and Orchestra, under the direction of Wallace B. Clark, presented the comic opera "The Mikado" to large and appreciative audiences Friday and Saturday nights at the auditorium.

Prof. T. M. Clark as Ko-Ko, Anadel Guenther as Katisha and Flannigan Smith as Poo-Bah, carried the lines of comedy, and acted splendidly these casts.

J. J. Powell as Nanki-Poo, and Miss Margaret Guenther as Yum-Yum carried the thread of the love story in a delightful manner, both in song and in their speaking lines.

Bryan McDonald as Pish-Tush, Miss Pansy Tash as Pitti-Sing and Miss Berta May Looney as Peep-Bo and C. W. Warwick as the Mikado were all well adapted to their parts.

The chorus parts were especially pleasing, and backed by the excellent college orchestra, the songs of the chorus went over well.

The costumes and stage settings were typical Japanese and added much to the attractiveness of the production.

Yearlings to Play Hereford High at Hereford Tomorrow

Coach Lockhart's Normal College Yearlings are training hard for the clash Friday when they meet the fast Hereford high school aggregation on the Hereford diamond. Dope shows that the neighboring city has one of the strongest teams in this section of the state. They lost a very hard fought game to Amarillo last Saturday due mainly to errors. Their pitcher is one of the outstanding lights in this section of the state, according to those who have seen him work.

Coach Lockhart is whipping his men into shape for the mix and the team as a whole is looking good. The Yearlings are doing a great deal of batting practice this week and local fans who have watched them believe that they will be able to solve the offerings of the Hereford twirler to a good advantage. Ramsey, the new first baseman drafted to take the place of Munsey who is laid up with a broken leg is looking good on the initial sack and is hitting the old apple to all corners of the lot. Bonright is showing great form in the box and is expected to cause the boys from the white face town no little bit of worry when he faces them Friday.

Two Good Rains Tuesday and Wednesday in the Entire Panhandle

A good shower of .15 inch fell in Randall county at 2:30 Tuesday afternoon.

Rain started again yesterday afternoon and continued until early in the night, with half an inch water falling. These rains are wonderful for the grass and growing grain, following the big rains of three weeks ago, and the hard winds which have dried the top of the ground.

Farmers report that the grain crop is going fine, and the prospects are good for this time of the year.

REMODELING HOUSE.

N. E. McIntire is entirely overhauling and remodeling his house on West Evelyn street. The new house will have six room, and will be stucco on the outside.

LEGISLATIVE COMMITTEE VISITED THE COLLEGE TUESDAY AND INVESTIGATED BUDGET FOR THE COMING TWO YEARS

SATTERWHITE, ROUNTREE AND EDWARDS MADE TRIP TO PLAINS FROM THE GENERAL APPROPRIATIONS COMMITTEE.

The sub-committee from the general appropriations committee of the legislature visited the College Tuesday in order to inspect the institution and to look into the needs of the institution for the coming two years.

The committee was headed by our own representative, Hon. Lee Satterwhite of Panhandle, who brought with him Hon. Lee Rountree of Bryan and Hon. Will C. Edwards of Denton. The committee is composed of three newspaper men, Satterwhite having been a Plains publisher for many years; Rountree was in the newspaper business at Georgetown for several years, but is now editor of the Bryan Eagle; Edwards is owner of the Daily Chronicle-Record at Denton, upon which paper he and R. A. Terrill learned the newspaper business together several years ago.

The committee arrived in Plainview Tuesday morning, after stopping an hour at Lubbock. A breakfast had been prepared by a number of the leading business men of Plainview. President J. A. Hill, R. A. Terrill and C. W. Warwick drove to Plainview to attend the breakfast and escort the committee to Canyon.

A pleasant hour was spent in driving about Plainview and viewing that progressive town. A dozen Plainview men accompanied the legislators and the Canyon delegation to Canyon and remained during the day to inspect the College. When the party reached Tulsa three business men of that city joined the company.

Luncheon was served by the Home Economics department when the party reached Canyon and two hours was then devoted to visiting the building. The committee was highly pleased with the magnificent building, which is the greatest school building in the Southwest.

At four o'clock there was a general assembly of the students, faculty and a number of town people at the auditorium where the representatives spoke interestingly of Texas and the conditions of the state.

After music by the band, and some peppy yells lead by Chase Condrey, President J. A. Hill introduced Will C. Edwards of Denton who stated that he was greatly interested in education in Texas, not only the two institutions in Denton, but in all of the state's schools. He believed that education would solve all of the present day problems. He praised Mr. Hill as being one of the outstanding educational leaders of Texas and believed that the success of a school depended more on the man than upon the equipment. He highly praised the work of Burke Mathes in the House.

Mr. Hill stated that Edwards was one of the outstanding men of the House and that men of his type should be elected to the legislature.

Lee J. Rountree was introduced as "one of the ablest and one of the most eloquent men in the House." Mr. Rountree stated he came more to learn than to talk to the students. He had never voted against an appropriation for education while in the legislature. The institutions of this government belong to those who would preserve them, and not to those who would destroy them. He highly praised education and what it means to the youth of Texas.

He highly praised the work being done by the Historical Society to preserve the history of this section of the state.

Mr. Rountree is convinced that the people are too careless in the selection of men whom they send to the legislature. Too many men go with the idea of false economy. Men should go who uphold the state's institutions. He saw the great need of a library building at the College, and would vote for all appropriations the legislature could provide for this institution.

He praised the great Plains country, and plead that there should be no further talk of dividing the great state of Texas.

Mr. Hill introduced our own representative and described the bitter fight made two years ago in the legislature against the educational institutions, and how Mr. Satterwhite had stayed with the schools, as had Mr. Rountree, who was also serving at that time. Mr. Satterwhite expressed his great

(Continued on last page.)

INTERNORMAL DEBATE WITH SAM HOUSTON FRIDAY

ONE TEAM LEFT YESTERDAY FOR COMMERCE TO DEBATE.

Cancellation of War Debt is Subject for the Normal Debates in Texas Tomorrow Night.

Internormal debates will take place in the Normal College of Texas Friday night, each College entering two teams. The West Texas State Normal College is sending a team to Commerce, and will meet Sam Houston at the local school.

The subject this year in all of the debates is that of refunding the war debt, and will be hotly discussed pro and con.

Grady Hazlewood and Isham Coins composed the team that went to Commerce yesterday, accompanied by T. B. McCarster.

Virgil Dodson and Lee Gibbs will represent the College here against the Sam Houston team Friday night.

New Brick Business House Will be Built on East Side Square

John Dalrymple and R. D. Moxley have bought the lot south of the Normal Barber Shop from C. H. Jarrett and will start building a brick business house within a few days.

The building will be 30x70, one story and will be built of paving and face brick.

The building has been leased for five years to the Jarrett Drug Company.

Colthorp and Hull Sentences to Penitentiary Affirmed in Appeal

According to the published report of the court of criminal appeals, the penitentiary sentences imposed upon J. D. Colthorp and Chas. Hull in the District Court last fall has been affirmed.

Colthorp and Hull were convicted of transporting liquor through Randall county. They are supposed to live at El Paso, and have not been heard from for several months.

"FLASHES IN ACTION."

The American Legion is presenting at the Olympic tonight and Friday night the official government picture, "Flashes in Action." This is a great war picture, taken by the U. S. Signal Service in France while the American troops were under fire.

ATTENDING PRESBYTERY.

Dr. J. M. Black and J. W. Reid went to Childress Tuesday as delegates from the local Presbyterian church at the meeting of the Presbytery.

MARRIAGE LICENSE.

A marriage license was issued Monday to D. B. Watters and Miss E. Reba Reynolds of Amarillo. They were married by Rev. M. M. Beavers.

NO LAUNDRIES THEN

Uncle Reuben had been asked if he thought Solomon had shown wisdom in having seven hundred wives.

"No sir," he answered emphatically, "especially of Solomon himself had ter call for all de washing dot bunch er wimmin could take in."

A THOUGHT FOR THE WEEK

We are not sent into this world to do any thing into which we cannot put our hearts. We have certain work to do for our bread and that is to be done strenuously; other work to do for our delight, and that is to be done heartily; neither is to be done by halves or shifts but with a will; and what is not worth this effort is not to be done at all.—Ruskin.

THE AMERICAN PRESS ASSOCIATION

At the rally in Amarillo last Wednesday, President J. A. Hill was one of the speakers in the new coliseum. He rejoiced that West Texas had been recognized by the bill allowing another state institution, and then gave the audience some wholesome advice. After the school is located, he urged that it be properly supported, and that the people of West Texas rally behind the institution and see that it is properly supported. Mr. Hill is right. It is easy to stir up a lot of enthusiasm over the prospects of a new institution being established in a town or in a territory, but after the school is established chances are that a lot of people will conceive the idea that the school is costing the state too much and will throw a fit about the cost of education in general. The people of West Texas can have the best state educational institutions only in proportion to the amount of interest they show in their existing institutions. It is of little avail to celebrate the creation of new institutions if these new institutions are to be created at the expense of existing schools.

Canyon has under construction more than \$150,000 worth of paving, a high school building that will cost \$100,000, a city hall will be started within a month, and work on a \$60,000 church will start by May 1st. A large number of residences are under construction, and a group of business houses are certain during the summer, with one to be started at once. Canyon has a fine water system and sewer system, the latter to be extended during the coming few months. With all the public improvements, and the splendid public buildings we now have, visitors are surprised to find that we have a low valuation upon property for tax purposes, only \$50,000.00 outstanding bonds against the city and a tax rate of 65 cents on the hundred dollars. There are very few cities in Texas which have all of the wonderful advantages enjoyed by Canyon and have such a small public debt.

The committee from the legislature which honored the College Tuesday by a visit to the institution was highly pleased with the great school that has been bulidled on the Plains, and they caught the spirit that has prompted the founders and builders of the college to make broad the foundation to serve better the people of this great section. The three men of the committee are the leaders of the House and may be depended upon to do the right thing for the educational institutions of Texas. Were it only possible to send more men of their type to the legislature!

Governor Neff has vetoed the Pope Bill which would have nullified the text-book awards of last December. This was the thing the Governor was expected to do, and the thing he should have done. The awards, no doubt, were unjustifiable at this time, but there is nothing in the law to prevent such awards, and nothing in the record shows that the members did an illegal act when the changes were made. The fault was not in the award, but in the entire so-called free text-book system. The system is a farce from the ground up, and should be repealed in toto. The outburst against the changes made last winter may have a good effect in the state, and if it leads to the repeal of the law, the commission will have done a great thing for Texas in making these excessive changes.

Canyon has improved very greatly during the past few years, but practically no street lights have been added during this time. Canyon ought to be better lighted. We need twice as many street lights as we now have. The city may not be able to go into this matter at once, but it will be a good thing for the new commission to investigate. A white way in Canyon is greatly needed.

The Plains beginning to look fine after the backward, cold spring weather of the past month.

A study of Canyon's finances will show that the town has more for the money it has expended than most of the neighboring towns, and has a smaller bonded indebtedness and tax rate than most of them. The city has a good water system, sewer system and probably more paved streets than any town of its size. Yet the city has a very small amount of outstanding bonds in comparison to the conveniences enjoyed. The school's finances are in good shape, and the school system is among the best in West Texas. Randall county's roads are praised by all surrounding counties, and the county's finances are in good shape. All in all, Randall county has been fortunate in the selection of men to handle the finances of the public and have gotten value received. Taxes may appear high to some of our people, but a close comparison of the things we enjoy and the amount of our debts will disclose the fact that we are fortunate and well equipped in public utilities.

It would appear that the big gizzards and emperors and other great potentates have had to resort to the courts to ascertain who is who and why. Wonder what the brethren of the Klan now think, who paraded over Texas last fall uttering their supreme contempt for our courts? Wonder what Rev. Knickerbocker thinks of his brother Klansman, Clark, who is now a fugitive from justice charged with violation of the Mann act? It would seem that this bunch of superior human, 100 per cent Americans, have among their number and among their leaders men who have all the failings as the ordinary low and criminal humans, subject to the same short-comings and same passions as other men have been when endowed with it little authority over their fellow men. Of course, emperors can do no wrong, and the thing that would condemn Clark to the tar pot were he not a Klansman, is perfect legal and legitimate in view of his superior standing in this world as a member of the Klan.

There is probably not a man in the United States who can look ahead two years and tell the exact amount of money he will need for his living expenses. Yet this is what the legislature expenses of the institution of the state, or rather did expect in passing the appropriation bills two years ago. The Pope amendment forced the institutions to spend money as appropriated or return it to the state. This left the institutions in an embarrassing position, with the ever-changing conditions of the state. The appropriations committee has recommended a wise policy for the university, and will likely do the same for other state schools, of allowing of a \$35,000-budget to be used in adjusting salaries as conditions arise. President Vinson pointed out the fallacy of the Pope amendment. What the legislature will do with the \$35,000 adjustment fund is hard to foretell. It is to be hoped that it will remain as suggested by the committee.

Canyon stands for good schools. Every election which has had to do with the improvement of our schools have carried by a very large majority. The new high school building is fast becoming a reality. Our people realized when they voted to build the new high school building that the district would have to have more money to pay for the new house. An election will therefore be called within a short while to increase the tax rate 25 cents

on the hundred dollars to meet the building, bonds and interest. If the tax should not be voted, then the trustees would be forced to cut down the school year, or greatly curtail some of the important work of the school.

The warm weather of the past week breaths of spring and vegetation is getting a fine start. Spring certainly has come.

Are you planning to plant some trees this spring? Make Canyon a more beautiful place in which to live.

SUNDAY SCHOOL FIELD DAY
At the Methodist Church on April 22, an interesting program will be given at the Sunday School hour. The preaching hour will be given to discussion of Sunday School work; several interesting features and discussion of local needs. We want a record attendance. Our goal is 400 in the class April 22. We are expecting a great crowd and a good time.
M. M. BEAVERS, Pastor.

SOME BRAINS
Rastus and Moses were having a heated argument. In reply to some remark of Rastus, Mose said:
"Guess I know, niggah! Don't you think I's got any brains?"
"Huh," Rastus replied, "Niggah, if brains were dynamite, you couldn't blow off your hat."—Exchange.

A PROMISE
It was Irwin S. Cobb who remarked that when a man used to reach back under his coat tail it was a threat; now it is a promise.—Dyergrams.

EXPLAINED
Old Party—"I am 80, young man, and I don't recollect ever having told a lie."
Young Man—"Well you can't expect your memory to be reliable at that age."—Boston Transcript.

As clear as the purest water is Liquid Borozone, yet it is the most powerful healing remedy for flesh wounds, sores, burns and scalds that medical science has ever produced. Try it. Price, 30c, 60c and \$1.20. Sold by City Pharmacy. 114

STATEMENT
of the Ownership, Management, Circulation, etc., Required by the Act of Congress of August 24, 1912.
Of Randall County News, published weekly at Canyon, Texas, for April 1st, 1923.
State of Texas, County of Randall:
Before me, a notary public in and for the State and county aforesaid, personally appeared C. W. Warwick, who, having been duly sworn according to law, deposes and says that he is the owner of the Randall County News, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, and embodied in section 443, Postal Laws and Regulations, printed on the reverse of this form, to-wit:
1. That the names and addresses of the publisher, editor, managing editor, and business managers are:
Publisher, Editor, Managing Editor, Business Manager, C. W. Warwick, Canyon, Texas.
2. That the owner is C. W. Warwick, Canyon, Texas.
3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: Mergenthaler Linotype Co., New York City.
C. W. WARWICK.
Sworn to and subscribed before me this 2nd day of April, 1923.
(Seal) DAN K. USERY,
(My commission expires June 1, 1923).

Mr and Mrs. J. A. Price Celebrate Fiftieth Anniversary on Tuesday

It was a happy occasion when the children, kindred and friends of Mr. and Mrs. J. A. Price gathered Tuesday, April 10th, to celebrate the Golden Wedding Anniversary of this honored couple.

The happy company met at the well ordered home of the happy couple at 11 a. m. Fifty years ago J. A. Price and Miss Ella Gattis were married in the good old state of Mississippi. They soon came to Texas and with the exception of a few years in Oklahoma have lived in Texas all these years.

A few minutes after 11 o'clock all gathered in the parlor and Brother and Sister Price stood with joined hands while their pastor, Rev. M. M. Beavers, spoke a few words of congratulation after which prayer was offered, after prayer the matrimonial blessing was pronounced.

After the blessing Mrs. Pauline Saunders read a beautifully appropriate poem.

Then congratulations, cheery words and hearty God bless you's were given amid tears of joy.

A few minutes later all sat down to a sumptuous dinner prepared by the loving hands of the capable daughters-in-law.

It was altogether a happy occasion when joy and gladness had place in every heart.

Those attending were T. J. Price, a brother, his wife and daughter of Delhi, Okla., Mrs. Pauline Saunders, a sister, of Eric, Okla., Mrs. S. J. Clark, a daughter, of Hollis, Okla., their sons, A. A., Claude, Robert, and Elzy and their families, Rev. and Mrs. M. M. Beavers. A total of twenty-eight persons made up the company of visitors on this happy occasion.

Brother and Sister Price were the recipients of many beautiful and valuable gifts and other tokens of love and esteem.

Well into the afternoon all gathered for family prayers after which the company moved away asking God's blessings on these servants of God. Every one had a good time and every one hopes for many happy returns of this glad anniversary day.

—A Guest.

RUBY COKER DIES

Miss Ruby Coker, 19 years old, a student in the Normal College last winter and last summer, died at her home in Quanah Wednesday and was buried at that place Thursday afternoon. Rev. B. F. Fronbarger of Canyon officiated at the funeral services.

Miss Coker was a member of the Freshman Class, and leaves many friends here to mourn her death.

A Californian and a New Englander were boasting. "Why," said the Californian, "we grow cabbages so big that an army of soldiers can camp under one." "That's nothing," said the New Englander, "we make copper kettles in New England so big that a thousand men can be riveting one and yet be so far apart that they can't hear each other hammer." "Go, on," said the Californian, "what would anyone use a kettle of that size for?" "Why, to boil your California cabbages in," said the New Englander.

Texas Woman Finds Health

Mrs. W. H. Strawn, of Dallas, Who Tells How to Have Perfect Health.

"There were times when I felt so bad and skinny, I was ashamed to go out and meet my friends," says Mrs. Strawn, popular resident of Dallas. "I weighed only 103 pounds. But now I am taking on weight and new life. Ironized Yeast did it. It is amazing what it has done for me. I now weigh 126 pounds. It means so much to me, because 127 pounds was my weight before I married. My husband says I am now more like the girl he married eight years ago, and my lost strength of six years standing is coming back."

No discovery in the field of medicine has aroused more comment than that of the principle embodied in Ironized Yeast for building firm flesh on thin, anemic people and restoring the strength and vigor of health. Ironized Yeast will calm your tired nerves and nurture your shrunken tissues; you will soon know the joy of a hearty appetite, good digest, rosy cheeks, plump limbs and buoyant spirits. These are the things Ironized Yeast has given to thousands of others, and is guaranteed to give to you. Get it today from your druggist. A ten-day treatment costs only a dollar. Ironized Yeast Company, Atlanta, Ga.

CITY PHARMACY

Wilson Literary will be April 20th. You are invited.

THE BISHOP'S PREFERENCE

A young lady sat next to a distinguished bishop at a church dinner, according to Harper's Weekly. She was rather awed by the bishop's presence. For some time she hesitated to speak to him. Finally, seeing some bananas passed, she turned to him and said: "I beg your pardon, but are you fond of bananas?" The bishop was slightly deaf, and leaning forward, replied: "What did you say?" "I said," replied the young lady, blushing, "are you fond of bananas?" The bishop thought for a moment and then said: "If you want my honest opinion, I have always preferred the old-fashioned nightshirt."

The ex-Kaiser's wife is apparently getting better acquainted with him. She has gone to live in another castle. —New York Tribune.

Congressman to Address Seniors at Commencement

Prof. B. A. Stafford has recently completed the programme for the commencement exercises of the West Texas State Normal College to be held in the College Auditorium from May 27 to June 2, 1923. Professor Stafford announces that Dr. E. E. Robinson of Lubbock, Texas, will deliver the Commencement Sermon on May 27, Sunday morning, and will address the Y. M. and Y. W. C. A.'s at eight in the evening.

The remainder of the programme follows:

Monday evening, 8 p. m.—Champion debate between Antler and Cousins Societies.

Tuesday evening, 8 p. m.—Champion debate between Elaphelan and Sesame Societies.

Wednesday afternoon—Exhibit of work by the Departments of Fine Arts, Domestic Arts, and Manual Training; programme by Normal School section and presentation of certificates to Normal school students.

Evening—Presentation of play by School of Expression.

Thursday, 10 a. m.—Programme by Freshman and Sophomore Classes.

3 p. m.—Athletic contests.

8 p. m.—Musical programme by the School of Music.

Friday, 10 a. m.—Programme by the Junior and Senior Classes.

3 p. m.—Athletic contests.

8 p. m.—Meeting of the Alumnae, and the presentation of recent graduates.

Saturday, 10 a. m.—Procession of faculty and candidates for certificates, diplomas and degrees.

Address by Hon. Marvin Jones, Amarillo, Texas.

Presentation of certificates and diplomas and conferring of degrees—President J. A. Hill.

Alma Mater—Song by Student Assembly.

Prof. Terrill Speaks to College Press Club

Prof. R. A. Terrill addressed the Press Club last week in the opening program of the quarter. He stressed the necessity of putting copy into the proper type faces and correctly arranging and spacing the type so as to give due prominence to the article.

The speaker said that printing is an art in which are to be found practically all of the essentials of a liberal education. He stated that the requirements of the trade demanded versatile talent and a spirit of optimism and service. In conclusion, Prof. Terrill told of some of his personal experiences, and explained the fascination with which ex-printers and journalists view the profession.

Answering the question: "When is a woman old?" a famous tragedian wrote "The conceited never, the unhappy too soon, and the wise at the right time." —Boston Transcript.

Mr. and Mrs. C. Shuman were in Amarillo Sunday to meet their daughter, Mrs. Biggs, of Paducah who will visit here for some time.

Mr. and Mrs. W. H. Brown, were shopping in Amarillo Friday.

Miss Myrtle Laroe of Tulsa spent the week end here with her sister, Mrs. Ethel Wesley.

Mrs. Ruth Grounds went to Amarillo Sunday to visit Mrs. Dora Humphrey. Miss Gladys Miller spent Sunday with Miss Ferne Franey.

Mr. Prichard of Canyon was here Saturday on business.

E. N. Zachery and Miss Ruby Zachery and Miss Dora Walters were shopping in Amarillo Friday.

Mrs. C. Shuman and Mrs. Ora Briggs were shopping in Amarillo Tuesday.

F. J. Neff was an Amarillo caller Monday.

Rev. and Mrs. J. M. Hall and sons, Seigel, and Alton were Amarillo callers Saturday. Miss Jewell Hall returned with them.

Mr. and Mrs. W. T. Townsend were in Tulsa Monday where Mrs. Townsend had some dental work done.

Mrs. M. L. Currie is visiting in Canyon this week.

Mr. and Mrs. D. J. Graham were visiting in Canyon Sunday.

Miss Mildred McManigal, who is attending school at Canyon spent the week end here with home folks.

Mrs. F. C. Scott, Mrs. H. M. Baggarly and Mrs. Roy Smith attended the workers' conference of the State Plains Association at Plainview Friday.

Mrs. Bryanoff and little daughter, Mildred, accompanied Rev. Bryanoff here Sunday. They remained over until Monday morning.

Marvin Montgomery went to Amarillo Monday on business.

Mr. and Mrs. A. J. Newberry visited in Canyon Sunday afternoon.

Mrs. R. O. Will and little daughter spent Sunday night here with her brother, Lee Simms. They were on their way to Kansas City.

Mr. and Mrs. Odell Gillham were Amarillo callers Friday.

Mr. and Mrs. J. G. Evans were transacting business in Tulsa Tuesday.

Van Foster, who is attending Wayland College at Plainview, spent the week end with home folks here.

A. W. Montgomery spent the week end in Amarillo.

Miss Alma Grounds of the Plains Center community is spending the week with her cousins, Misses Winnie and Pauline Grounds.

Mrs. J. G. Ponder left Saturday for Amarillo to join her husband, who has been working there for some time.

Miss Dull Evans and E. R. Berry attended the Panhandle Music Festival at Amarillo Monday evening.

Florence Montgomery, a Canyon Normal student, spent the week end here.

Mr. and Mrs. Eldon Gatten are the proud parents of a baby girl born April 10th.

Charlie Miller returned Tuesday from Fort Worth where he has been on business.

Fourteen members of the Volunteer Band of the Wayland College will be here Saturday evening. They will give a program at the Baptist church Saturday night. Special music will be rendered. They will also have charge of the eleven o'clock service Sunday morning. Dinner will be served on the ground at twelve o'clock. Rev. Bryanoff and two of them will hold services at Wayside in the afternoon, while the rest will give a program here at three o'clock. Rev. Bryanoff will have charge of the service Sunday night.

Emil Grounds was in Tulsa Tuesday on business.

C. L. Grounds and son, Emil, were Canyon callers Wednesday.

Mrs. E. H. Baucom of El Reno, Oklahoma, is visiting her sister, Mrs. J. M. Beavers here.

Mrs. Weaver and her sister, Miss Mary Neff of Canyon visited her brother, P. J. Neff and sister, Mrs. Rayborn, here Tuesday and Wednesday.

Gold is being mined in Germany for the first time in 200 years. Deposits of gold were reported in the Eder River near Korbach not far from Westphalia. It runs 44 grams of fine gold to the ton of earth.

The mild cathartic action of Herbine is well liked by ladies. It softens the system without griping or sickening the stomach. Price, 60c. Sold by City Pharmacy.

Wayside Items

Our Methodist pastor, Rev. J. W. Griffin is to begin a protracted meeting next Saturday night, the 14th, and run over the 4th Sunday in April. Please remember the date and every one come. Sunday School next Sunday will begin promptly at 10:30 a. m. in order to give ample time to the 11 o'clock service. Then next Sunday afternoon at about 3 o'clock, Rev. David H. Bryanoff of Plainview and a band of volunteer student from Wayland College will speak for us. Every one invited to attend the service.

Mr. and Mrs. J. T. McGehee and sons, J. T. and Homer, also Mrs. John Stocket and son, Roy, visited Mr. and Mrs. Bill Stocket at Canyon Sunday. Bill had the misfortune of getting badly hurt last Saturday evening in a car wreck. He was cut badly about the face with the wind shield. He will be laid up for several days. His many friends wish him a speedy recovery.

Mrs. Bond received word last Thursday that her aged father was not expected to live at Wellington. She and Mr. Bond went at once, but returned Saturday. Her father was still alive. They came back by Claude and their daughter, Mrs. Sula Reynolds and four children returned with them for a few days visit.

Marvin Sluder, John Stocket, Adson Simpson, F. H. Knighton and Mr. Crow are working on the gas pipe line near Ponca City, Okla.

Mr. and Mrs. W. C. McGehee made a business trip to Canyon last Friday.

M. L. McGehee, Bernice and Dewitt motored to Amarillo Saturday.

Mr. and Mrs. R. B. Rogers of Happy spent the week end with relatives at Wayside.

Fairview Breezes

We are still having some real March weather. Farmers are busy preparing ground for row crops. The wheat and oats are growing real fast.

A large crowd attended Sunday school Sunday morning, after which Rev. Clark of Plainview preached an excellent sermon. It might be interesting to know Rev. Clark is studying to go to China. Bro. Corder filled the pulpit Sunday night, his subject was, "For Jesus' Sake."

Mrs. J. W. Wesley has been real sick since Saturday.

Bill James was in Happy Saturday. Bro. Corder and family spent Saturday night with Bill James and family. Misses Willie Fay and Elsie Zachery spent the week end with home folks.

Bro. Corder and family visited R. L. Wesley home Sunday.

Quite a number went from here to Plain Center Sunday afternoon to hear Bro. Corder preach.

About 150 were present at the Sunday School entertainment at Mrs. Serena Bryan's Saturday night. After music and some games, refreshments were served consisting of hot chocolate, cake, lemonade, coffee and chile. At a late hour all left declaring they had had a nice time and a plenty to eat.

Campbell Notes

The Country Women's Club met on April 5th at the home of Mrs. G. R. Stratton. A splendid dinner was served. The visitors were Mrs. R. A. Campbell and Mrs. Gordon-Cummings. Misses Madie and Lois Whitley of Happy are visiting Mrs. O. S. Brown. Misses Neva and Winona Burgan spent Sunday at the parental home.

Travis Shaw, Miss Elizabeth and Travis Jr., Horace Morelock, Misses Dorothea Fricke and Luellie Gill spent Sunday at the Gordon-Cummings home.

Mr. and Mrs. Weaver gave a dance and supper at their home Saturday night. All report a good time.

Rev. H. F. Anlick of Canyon preached a fine sermon at the Campbell school Sunday afternoon.

T. A. Dowlen, wife and daughter, Mary, spent Sunday with friends at Happy.

A mock trial took place at the Garrison Club, Moscow, on January 27, in which God figured as the accused, according to dispatches from that city. Five thousand Red Army officers and soldiers witnessed the trial, Leon Trotsky and Secretary Lantasharsky participating. Evidence was presented for and against God, as a counter-revolutionary power, and speeches delivered by the "defense" and the "prosecution." At the end of the proceedings a verdict of "guilty" was announced.

For jobs of large bulk such as the unloading or loading of great quantities of brick and sand between car and ship, car and storage, and so on, the conveyor belt has proved to be cheaper than the cheap labor of India.

REASONS FOR KILLING YOURSELF

If you were going to kill yourself, what is the most sensible reason you can think of for doing it? Presumably a man who takes his life lacks something the absence of which makes life intolerable to him. Many, many of us act on the theory, whether we hold to the theory itself or not, that worldly possessions mean happiness and contentment. But there were seventy nine suicide millionaires last year. Youth has long been held the golden age favored of the gods. But 900 children took their own lives in 1922. Lack of opportunity feeds despondency, yet the roll of last year's self-slain dead includes thirty-eight college students, fifty instructors, nineteen preachers and religious leaders, fifty-two judges and lawyers, eighty-four physicians and 100 prominent business men.

But the waster does not face life or meet its obligations. Yet where is the man among us who can boast that he makes every day pay a dividend for himself or his fellow-man?—Dallas News.

Paraffin wax mixed with benzine is used in preserving many of the relics found in Tutankhamen's tomb. The surface of the relics are also sprayed with a diluted solution of celluloid dissolved in a mixture of amylacetate and acetone. Other relics are coated with a heavy coat of paraffin wax which may be removed by heat. The leather goods is found to be black and brittle and resinous-like, breaking into small fragments when touched.

Vehicles are much like men; they make faster headway on the level.—Wenatchee World.

ON MY TWENTY-FIRST BIRTHDAY I MAKE THESE RESOLUTIONS:

1. Talk less, and say more.
2. Quit telling so many lies.
3. Go to church more.
4. Cease making, or trying to make, false impressions.
5. Do away with my egotistical nature.
6. Try to strengthen my weak character.
7. Raise my standard of living; thereby approaching that of one I love.
8. Use my head, and not rely on present conditions and feelings.
9. Be a man in every way I know how.
10. To love.
11. Make her love me. (Unless I find this impossible).
12. Cut out my profanity.
13. Quit using the word "I" so much.
14. Decide in this year what my vocation will be.
15. Try to control my timidity and bashfulness.
16. Endeavor to eliminate my bad habits.
17. Try to do away with my selfishness.
18. Pay no attention to flattery, if there be any.
19. Think before giving opinion.
20. Confide in no one my deepest beliefs, aims, intentions, and affections.
21. To be a close observer.

—S. N. H.—In The Prairie.

NAME THE BUFFALOES

The question is should we, or should we not give names to our school mascots, the pair of young buffaloes? I say very emphatically that we should do so for three reasons. The first is merely for the sake of convenience in referring to them. Heretofore, when we have used the term buffaloes, we have meant either the pair of buffaloes or the buffalo athletic teams, and thus the term is confusing. The second reason is that it is customary to name animals to distinguish them from the other members of their own tribe. The third reason is that to name them will promote school spirit and interest in our mascots. For a thing to be nameless usually denotes that the thing is of no consequence, but since our school is interested in them in particular they should be named. Many names have been suggested, but they are not typical of the plains and this school. By taking this mascot, the buffalo, we have shown that this school is of the plains and representative of it, and the names of the animals should be typical of this college and country. The names should be such that they will at once call to mind this college, and thus serve as an advertisement for it. As an animal, the buffalo is the most distinctive, powerful, and grand four-footed beast of all the plains. To allow them to go nameless is not showing them the proper respect. They should both be named, and well named for the reasons stated above. The names should be short and full of meaning, and be such that they will at once call to mind the name of our school, the West Texas State Normal College.—The Prairie.

Senator Johnson fears that international Court-ship may lead to international marriage.—Norfolk Virginian-Pilot.

We'll get deeper rivers and harbors all right, but we'll have to import the ships to float them.—New York Tribune.

Sterling exchange is like the prodigal son. It is arising and going back to par.—Savannah News.

Fresh ewe's milk is used in making the famous Roquefort cheese in the town of that name in France. The ewe's milk is delivered daily and after being filtered and allowed to turn, is pressed into molds and sown with the spores of a microscopic plant which assures its ripening or mellowing. After being drained the cheese is placed in natural cellars in the rocky hillsides where it is left from 30 to 90 days.

Verses by Milton written when he was 14 years of age have been found in a seventh century copy of Ovid picked up in a secondhand shop in London. Handwriting experts have identified the manuscript poems as Milton's, and the date in the book indicates the great poet wrote them when he was but a child.

Copra is the dried kernel of the ripe coconut. About seven years is required to bring a coconut tree to bearing age. The trees need little attention and the price paid for copra is about \$150 a ton "on the beach." A good tree will produce annually 300 cocoanuts. Fifteen hundred nuts make a ton.

A cheap and rapid process for preparing chocolate creams having very soft cream centers has been developed. By using invertase in place of acid the semi-liquefaction of the centers has been secured. The process will be patented and dedicated to public use.

Because of the high freight rate in this country, American sales of flour in the Dutch East Indies have fallen to near the vanishing point. Our freight rates are more than double the Australian rate.

You rarely lose anything in Japan, according to American Travelers. If you leave your pocketbook or camera on the train or in the street car, you will be sure to find them when you go to the proper place for lost articles.

An electrically charged iron door will form part of the safeguards to King Tutankhamen's tomb while it is closed until next season. The terrific heat makes it impossible to work except during the winter season.

More land is cultivated to grow the world's wheat than to grow any other single crop. If all plant life in the world except grasses, of which family wheat is a member, were destroyed, man and his animals could still live.

More than 1,200 holes were made in one stroke by golfers during the season of 1922, according to the Hole in One Club. Chicago won first place with 52 decs, including three cuckoos made by women.

Alcohol will be made from maize by a South African company inside of a year. Particular attention has been paid to the development of a motor fuel with alcohol as a base.

The original French of the now stale Cone refrain is: "Chaque jour aux toutes facons je vais mieux en mieux." The rhyme in English, is accidental; its success monumental.

A Zionist syndicate is going to explore the Dead Sea.

Children who have worms are pale, sickly and peevish. A dose or two of White's Cream Vermifuge will clear them out and restore rosy cheeks and cheerful spirits. Price, 35c. Sold by City Pharmacy. 114

BILL BOOSTER SAYS

"OWDY, FOLKS! MY NAME'S BILL BOOSTER AND I'VE COME HERE TO LIVE BECAUSE I LIKE THE LOOKS OF THE TOWN AND THE PEOPLE I SEE ON THE STREETS! I'M FOR THIS TOWN STRONG AND I'M BOOSTING IT HEAVY! MAYBE I CAN DO SOME GOOD! YOUR EDITOR SAYS, "GO TO IT, BILL!"

Contrary to popular belief, the century plant (Agave Americana) blossoms once in eight years in most cases, and not every hundred years as many have been led to believe. A central shoot nearly 20 feet high often bears as many as 4,000 blossoms. Those growing in greenhouses or under artificial conditions do not bloom as often as those growing naturally.

Boils

S.S.S. will prove to you in your own case the "how" and "why" of its remarkable Blood-Cleansing Power!

There is a reason for everything that happens. Common-sense kills misery. Common-sense also stops boils! S. S. S. is the common-sense remedy

for boils, because it is built on reason. Scientific authorities admit its power! S. S. S. builds blood-power, it builds red-blood-cells. That is what makes fighting-blood. Fighting-blood destroys impurities. It fights boils. It always wins! It fights pimples! It fights skin eruptions! It builds nerve-power, thinking power, the tight-fisted power that whips a man up into success. It gives women the health, the angelic complexion and the charm that moves the world! These are the reasons that have made S. S. S. today the great blood-cleanser, body-builder, success builder, and it's why results have made tears of joy flow from the souls of thousands! Mr. V. D. Schaff, 557 15th St., Washington, D. C., writes: "I tried for years to get relief from a bad case of boils. Everything failed until I took S. S. S. I am now absolutely cured, and it was S. S. S. that did it." Try it yourself. S. S. S. is sold at all good drug stores. The large size is more economical.

S.S.S. makes you feel like yourself again

BUFFALOES ARE DEFEATED TWICE BY SIMMONS TEAM

BUFFALOES WILL MEET OKLAHOMA COLLEGE THIS WEEK.

The Simmons' Cowboys invaded the Buffalo territory April 4th and 5th and walked away with two T. I. A. A. games to their credit. They are an exceptionally strong team in a swatting contest, McCastland, catcher, being probably their greatest swat king.

In the first game they got to Whitacre with a series of hits in the first inning that netted them six scores. Costly errors on our part was also a strong feature in this scoring. This game finally ended in a 49-2 count.

The second game was much harder fought, with a decided improvement in the Buffalo hitting. It was anybody's game up to the last inning, the score being 13-11. The team at bat was usually in the lead. Only three home runs were scored: Johnson of the Buffaloes cleared the palings with one in the first, followed by McCastland of the Cowboys. Johnson of the Cowboys in the second game caused a pill to be brought in lop-sided.

Errors on the part of the Buffaloes cost them the last game. These errors are due, however, to insufficient practice. Cold weather has almost made practice impossible; the infield have had only four days' workout. Of the new recruits, Phelix Phillips is showing up wonderfully at the hot corner, and bids fair to made a fast, snappy, hard-hitting, heady infielder.

Line-up (First game)

Simmons	Buffaloes
Foster	Gordon
Gibson	Burson
Adams	Graves
Austin	Hill
Taylor	Mitchell
Hollingsworth	Hale
Kimbrough	Phillips
McCastland	Johnson
Shiflett	Whitacre
Taylor	Burson
(Sub. in 9th)	(Sub. in 5th)

Second Game

Foster	Gordon, Kemp
Gibson	Burson
Adams	Bivins
Austin	Hill
Taylor	Mitchell
Hollingsworth	Hale
Kimbrough	Phillips
McCastland	Johnson
Johnson	Graves

The Buffaloes are scheduled to meet the Central State Teachers' College of Oklahoma on the home field on Wednesday and Thursday of this week, April 11 and 12.

Seniors to Present a Comedy Tuesday Night

"The Runaway Match," which is to be presented Tuesday, April 17, is a farce comedy in three acts written by Mark E. Swan. Cuthbert Claxton, a retired army officer who contends that "a man is as old as he feels," runs away with Millie Matche, a young school girl. Their train is wrecked and they are forced to spend the night at Townsby Tavern, where they encounter Leonard Claxton, son of Cuthbert, who has eloped with Mrs. Eleanor Matche, the dashing widow-mother of Millie. Their difficulties with each other and Miss Jane Pennywise-give rise to many comical situations. The entire play is a laugh from start to finish.

The principal characters are as follows:

Cuthbert Claxton, a retired officer—Flannigan Smith.
 Leonard Claxton, his son—Hubert Hamill.
 Solomon Short, factotum at Townsby Tavern—Harper Allen.
 Mrs. Eleanor Matche, a dashing widow—Edith Harrison.
 Millie Matche, her daughter—Elizabeth Shaw.
 Mary Jane Pennywise, hostess at Townsby Tavern—Annadel Guenther.
 "I'll show you who's yellow," said the egg, as it broke and ran.—The Trinitonian.

SHERIFF'S SALE

The State of Texas, County of Randall. In the County Court of Potter County, Texas.

Amarillo Hardware Company, A Private Corporation, vs. James Dobbs, Defendant.

Whereas, by virtue of an execution issued out of the County Court of Potter County, Texas, on a judgment rendered in said Court on the 23rd day of June, A. D. 1922, in favor of the said Amarillo Hardware Company, and against the said James Dobbs, No. 2397 on the docket of said Court, I did, on the 26th day of March, A. D. 1923, at 9 o'clock A. M., levy upon the following described tracts and parcels of land, situated in the County of Randall, State of Texas, and belonging to the said James Dobbs, to-wit:

Section No.	Certificate No.	Abstract No.	Block No.	No. of Acres

1	214	71	5Z B. & B.	425.40
3	845	46	5Z A. B. & M.	422.25

a total acreage of 13,600.15 acres, and on the 1st day of May, A. D. 1923, being the first Tuesday of said month, between the hours of ten o'clock A. M. and four o'clock P. M. on said date, at the courthouse door of said County, I will offer for sale and sell at public auction for cash, all of the right, title and interest of the said James Dobbs in and to said property, subject to outstanding liens and subject to delinquent taxes, if any.

Dated at my office in Canyon, Randall County, Texas, this the 26th day of March, A. D. 1923.

W. C. BLACK,
 Sheriff of Randall County, Texas.

SALE!

SATURDAY, APRIL 21, 1:30 P. M.

Having sold half of my land it is necessary to dispose of part of my stock, so I will sell at public auction on April 21st, at my farm two miles south of the Canyon Public School, the following stock:

Three Holstein cows, two, four and five years old.
 Two bred Holstein heifers, one to freshen soon.
 Two young mare mules, one and two years old.
 One extra good Poland China boar.

I am not quitting the dairy cows so these are not my best cows, but they are all good ones and will produce 6,00 to 8,000 pounds of milk and 300 to 400 pounds of butter per year if taken care of. The two heifers are from good producing cows.

Come get some good milk cows at your own price.

TERMS: 6 months time at 10 per cent, with 5 per cent discount for cash.

ANNOUNCEMENT OF INTEREST TO MILLIONS of FAMILIES

"I will build a car for the multitude" said Henry Ford in 1903—
 Read how the fulfillment of that prophecy is now made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the universal family car—to put it within the reach of the millions of people who have never been privileged to enjoy the benefits of motor car ownership.

During the past fifteen years over 7,500,000 Ford cars have been placed in the hands of retail customers—more than a million and a half of them within the past twelve months—and yet there are still millions of families who are hopefully looking forward to the day when they can own a Ford.

And now the way is open.

Under the terms of this plan you can select your Ford Car, set aside a small amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think it over. Five dollars will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little.

Why not start today. Stop in and talk it over with your local Ford dealer. He will be glad to fully explain the details of the plan and help you get started toward the ownership of a Ford car.

PRESS CLUB TO BE REPRESENTED AT CONVENTION

EDITOR OF THE PRAIRIE GOES TO T. I. P. A. MEETING

Frank P. Hill, Editor of The Prairie, has been selected by the local Press Club as its representative to the annual convention of the Texas Inter-collegiate Press Association, which convenes at Belton, April 12-13, with Baylor College. Mr. Hill left Tuesday for his home in Sweetwater, where he will visit a day before proceeding to Belton.

In this meeting this year the Association will have the greatest representation of college journalists in its history and from the business sessions are expected to come some developments of real significance. Paralleling the sessions of T. I. P. A., delegates from Texas High Schools will meet for the purpose of organizing a Texas Interscholastic Press Association. This new organization has already appointed temporary officials and it has attracted the attention of the professional Texas Press Association. It will meet in joint session with the College Association, when nationally known journalists will speak.

Numerous sectional discussions on topics of current interest will be held for the purpose of overcoming common difficulties. Mr. Hill expects to bring back a number of practical suggestions regarding Press Club work. In addition he will consult with the editors and writers relative to college newspapers.

Much Interest Being Taken in Society Debates

On May the 28th and 29th, will be held two of the most important events of the year for the student body of our college. The two events are the Antler-Cousins and the Elapheians-Sesame Inter-Society debates. Around these debates will center the keenest interest of the entire student body. Why? Simply because the W. T. S. N. C. has four wide-awake, peppy, and hard working literary societies. As they work together for the betterment of the school, so will each and every one work for their respective societies in this debate.

The Antler-Cousins debate, an annual affair, is held not to arouse antagonism and rivalry, but to test each society's ability in debate and argument. This debate further stimulates the interest for each society, and places for the members a goal to accomplish. What boy is there in either organization that would not like to win in this debate? It is the fond hope of every new member to win a place

A torpid liver needs an overhauling with Herbine. Its benefits are immediately apparent. Energy takes the place of laziness, appetite returns, and the hour of rest brings with it sound, refreshing sleep. Price, 60c. Sold by City Pharmacy.

on the debating team and the firm determination of every old member to do so.

To further stimulate interest in the contest a silver loving cup has been promised the society that wins the debate for three consecutive years. The Cousins Society has had the good fortune of winning for the last two years, and it is up to the Antlers to win this year or lose the cup. Realizing that fact that loyal group of brothers have determined to win the contest this year—and they will win.

The question for debate is "Resolved that the Suspended Law of Texas should be repealed." This is a broad question and one that has much discussion both pro and con.

The Antlers chose the subject and the Cousins chose the side, taking the negative. Much interest is being shown in this event at the present time and the preliminaries are to be very interesting as well as the debate. The Antlers have fourteen men working out and the Cousins seven or eight.

In connection with the Antler-Cousins contest comes that of their sister societies, the Elapheians-Sesame debate. This will be the second of a series of debates, the first being held in the spring of 1921, with the Elapheians winning. The Sesames have declared that they will have revenge this year, so look-out when these women get together. We are glad to see the girls taking part in debate, and are confident that they will derive much benefit from the same.

Get behind your society and boost, and then keep on boosting as they can't win without your support. If you can't debate do the other work while others do the debating.

In Portsmouth, New Hampshire, there is an old mansion which retains the lightning rods put up by Benjamin Franklin in person. On the same street is an old church, St. John's, from which rings out the pleasant peals of a bell of Paul Revere's handiwork.

Child-birth

Valuable Illustrated Book Sent Free

How thousands of women, by the simple method of an eminent physician, have avoided unnecessary miseries through many months and up to the moment Baby has arrived, is fully explained in the remarkable book, "Motherhood and the Baby." Tells also what to do before and after baby comes, probable date of birth, baby rules, etc., and about "Mother's Friend," used by three generations of mothers, and sold in all drug stores everywhere. "Mother's Friend" is applied externally, is safe, free from narcotics, permits easier natural readjustment of muscles and nerves during expectancy and child-birth. Start using it today. Mrs. E. E. Kerper, Clayton, Minn., says: "It pulled me through." Send for book today, to Bradford Regulator Co., BA-38, Atlanta, Ga. "Mother's Friend" is sold at all drug stores.

Announcing Our Co-Operation in the New Ford Weekly Purchase Plan

Following out our policy of extending the facilities of this bank in whatever way we can to serve the public, we have arranged to give our co-operation to the new Ford Weekly Purchase Plan.

We realize what the automobile means to the average family in bringing them greater enjoyment of life, and believe our action in helping those who desire to become Ford owners will be appreciated by many families who can now realize that ambition through the new Ford Weekly Purchase Plan.

Under this plan, you can begin with an initial deposit as low as \$5.00. Then select the type of Ford Car you want—Touring Car, Runabout, Coupe, Sedan, etc.—and arrange to make weekly deposits on which interest will be computed at our regular savings rate.

Come in and let us explain the Ford Weekly Purchase Plan to you, or, if you wish, go to the nearest Ford Dealer for further details.

Start today, and before you realize it you will be driving your own car.

LEGISLATIVE COMMITTEE VISITS COLLEGE TUESDAY

(Continued from page one).
pleasure in being able to visit the College at this time, and how all of the twenty-one members of the appropriations committee had wished to come, but only three were allowed to make the trip.

Mr. Satterwhite forecast that Lee Rountree would be the next Lieutenant Governor of Texas, which brought a great cheer from the large audience.

Mr. Satterwhite spent some time in explaining the problem that confronts the legislature to finance the state institutions. People resent increased taxation. The Comptroller states that the Board of Control has recommended sixteen million of dollars for the coming year in appropriations, and that there is only twelve million dollars in taxes in sight. The Board of Control had reduced the requests from \$41,000,000 to \$30,000,000 for the two years and there was not more than \$25,000,000 taxes in sight. Mr. Satterwhite believed that every dollar requested was needed. The first thing that confronted the legislature was more revenue to meet the appropriations.

Mr. Satterwhite described the difficulties in increasing revenues and the powerful lobby that was maintained in Austin against all tax measures.

Mr. Satterwhite believed that very few people really knew how little they were paying in taxes to the state government. He asked all to go home and get out their tax receipts and figure out at 75 cents on the \$100 valuations they were paying in state taxes.

A large part of the taxes are for local purposes—roads, schools, city and county government.

Mr. Satterwhite argued that if it was right for the government to send men to war and pay the great expense of war to make the world safe, how much more was it the duty of the government to spend money to make people better and the state better in which to live.

Mr. Hill believed that too many people criticize the government, knowing nothing of the problems that confront the legislators. The big problem was taxation. It was the duty of citizens to inform themselves upon public questions. He believed that all institutions were economical in the expenditure of money.

After the program, a large number of students came forward to meet the three visiting members of the legislature.

After supper at Cousins Hall the committee gather with members of the faculty at President Hill's office where the budget for the College was discussed until late in the night. The committee was well satisfied that the College needed all of the items asked for by President Hill.

Rev. E. H. J. Andrews, Rector.
Second Sunday after Easter.
Holy Communion and address, 11:30 a. m.
Service and sermon, 7:30 p. m.
All are cordially invited.

NATURAL OR ARTIFICIAL

"Is she very pretty?"
"Pretty! Say when she gets on a street car the advertising is a total loss."—Exchange.

Only two years ago it was said that the supply of wool was so great that not another sheep need be shorned for two years, but now there is a growing shortage of wool just as there is of cotton. One explanation of the increased demand for wool is that the Asiatic peoples now want woolen garments rather than the garments of coarse cotton with which they were once satisfied. Possibly the shortage is temporary. The clip in the United States this spring should be considerably larger than that of last year, for reports indicate that the number of sheep has increased.

The principal food of the French people is bread. In an exceptional year France raises nearly enough wheat to supply its needs, but after a mediocre harvest like that of 1922, it has to import large quantities from abroad. On account of the rate of exchange France in 1922 had to pay seventy francs abroad for an amount of wheat that was only worth twenty-five francs at home. An agricultural congress at Paris recently organized a campaign to raise all the wheat it will need after 1923. The campaign will urge not so much increased acreage as better methods, better seed and better fertilizer.

The French plan in the Ruhr would work if the Germans would.—Tacoma Ledger.

We said we wanted nothing out of the war, and we got even less than that.—New York Tribune.

It may take nine tailors to make a man, but it doesn't take nine retailers to break him.—Kenosha News.

Price of radium has dropped \$29,250,000 per pound. And yet the Democrats claim the cost of living is going up.—Brooklyn Eagle.

Help Keep Canyon Clean!

THE AGE OF MAN

A school boy was told to write a paper for his master on the three ages of man sent in the following: "Man begins by being a boy. During this time of his life he does as many bad things as he can and thinks of all the worse things which he hopes to be able to do when he is older. This is called the age of innocence. Next we come to the time when the boy has become a man and is doing all those things which he thought of before when he was too young to do them. This period is the prime of life. Lastly, old age is reached, when man is feeble and spends his time thinking over his past life, regretting the wrong things he has done and wishing he had not been quite so bad. This is what we call dotage."

MAKING SURE

O'Reilly was a henpecked husband, unforgiving even when Mrs. O'Reilly has been called to the "great beyond." He refused to have anything to do with the funeral or go to the cemetery. All of the arrangements were looked after by neighbors. When they had straightened up the house, they got O'Reilly to consent to come in and look over the floral offerings of the friends. Then they asked him if there was anything further they could do before they took their leave. Still regarding the floral pieces, O'Reilly nodded and observed: "If yez don't mind, yez might close thim Gates Ajar."—Everybody's.

TOPICS IN BRIEF

The hen who raises a flock of ducklings has nothing on the dove of peace and the things she is hatching of late.—Detroit News.

Now they say that the reason George Washington never told a lie was because he married a widow and knew better.—Charleston Gazette.

There are 2,750,000 miles of highway in the United States and yet a lot of fellows won't give a little of it up.—American Lumberman.

A London alarmist says that the opening of King Tut's tomb may bring on complications of a serious nature with the Egyptian Government. Yes, it does look like a grave matter.—Nashville Southern Lumberman.

If the immigration laws could suddenly be tightened the exodus of Senators to other lands might be made to work to the national advantage.—Cincinnati Times-Star.

One item in the "rivers and harbors" pork barrel to which nobody would object would be an allowance for dredging the channels of legislation.—Norfolk Virginian-Pilot.

The German mark has sunk so low in value that New York brokers are ceasing to handle it. The next thing we shall hear that waste-baskets are charging it rent.—Calgary Albertan.

Everybody will sympathize with the How those German must laugh as they see France taking more and more territory. Pretty soon, once these Frenchies haf it all and then they have to pay the indemnity themselves yet.—Philadelphia North American.

The King of Sweden lost his match in the Nice tennis tournament. After the things that other monarchs have lost lately this setback must look to them almost like finding something.—New York Evening Post.

The Bible story of the creation is not inconsistent with the evolutionists' theory that man is descended from a monkey. Didn't Eve make a monkey out of Adam?—Nashville Southern Lumberman.

Are They Helping Building Canyon? Well, Hardly!

A St. Louis printing concern is appealing to Canyon business men to buy their printing and help their salesman in this territory win some prize!

How much does that salesman contribute to the upbuilding of Canyon? NOT A PENNY!

How much time does this printing concern ever contribute to advertising Canyon, or working for Canyon, or spend in improving Canyon, or pay in taxes in Canyon, or contribute to the schools, and churches, and society in general in Canyon?

Not a penny—

The St. Louis firm wants YOUR business in order that they may build up a better printing plant in St. Louis, and make St. Louis a better town.

Every dollar of printing invested in Canyon makes our plant a better and bigger plant—so much more valuable to Canyon and to Canyon's needs.

Think it over!

Randall County News

A GOOD-NIGHT MESSAGE

The patter of tiny feet was heard from the head of the stairs. Mrs. Kinderby raised her hand, warning the others to silence.

"Hush!" she said, softly. "The children are going to deliver their good night message. It always gives me a feeling of reverence to hear them—they are so much nearer the Creator than we are, and they speak the love that is in their little hearts never so fully as when the dark has come. Listen!"

There was a moment of tense silence. Then—

"Mamma," came the message in a shrill whisper, "Willie found a bed-bug."—National Food Monthly.

SHE GUESSED

Two ladies, previously unacquainted, were conversing at a reception. After a few conventional remarks the younger exclaimed: "I cannot think what has upset that tall blond man over there. He was so attentive a little while ago, but he won't look at me now."

"Perhaps," said the other, "he saw me come in. He's my husband."—Ladies' Home Journal.
