

RANDALL COUNTY NEWS

VOLUME XXVII

CANYON, RANDALL COUNTY, TEXAS, THURSDAY, MARCH 27, 1924.

NUMBER 52

T. E. MONEY DIED FRIDAY MORNING VERY SUDDENLY

WAS SICK FOR ONLY AN HOUR EARLY FRIDAY MORNING.

Has Lived in Randall County for 28 Years, Being Prominent Ranchman—Funeral Sunday.

The community was shocked Friday morning to hear that T. Edgar Money had passed away that morning at five o'clock, after an illness of only an hour. Mr. Money was a prominent ranchman of Randall county, which has been his home for twenty-eight years. The funeral services were held Sunday afternoon.

Mr. Money called his wife at four o'clock Friday morning stating that he had a terrible pain in his breast, and asked her to call the family physician. Mr. Money suffered greatly until nearly five o'clock, when the physicians realized that he was dying. The cause of his death is ascribed to either the bursting of the blood vessel which furnishes blood to the muscle of the heart, or to a clot in this vessel. The heart action was good right up to the time of his death. Mr. Money thought at first that he had indigestion, but this does not seem to be the case.

Edgar Money was born at Moody, Texas on July 29, 1877, the son of Mr. and Mrs. C. P. Money, who now reside at Happy. The family has lived in Randall county for 28 years.

Eighteen years ago, Mr. Money was married to Miss Elise Kilgore, a teacher in the Canyon schools at that time. Rev. A. B. Haynes performed the ceremony. To this union were born four sons, Charles, 16; Edward, 14; William, 12; Bobbie, 4. Mr. Money has three sisters living, Mrs. Maud Long of Austin; Mrs. Walter Fogerson of Silverton; Mrs. Jeff McElroy of Happy. He has two step-brothers: W. W. Stephenson of Tulla and Howard Stephenson of Happy.

The Money family lived on their ranch in the southwest part of the county until three years ago when they bought a home in Canyon and has resided here on account of the schools.

The funeral services were held at the Methodist church Sunday afternoon at 2:30 o'clock, conducted by Revs. A. B. Haynes, B. F. Fronabarger and M. M. Beavers. The Masonic Lodge assisted with the services. A very large congregation was present to pay their respects to the memory of this man whom many called friend, and who had been a friend to so many. The speakers reviewed the good works that he had done during his life time among his friends here in Canyon.

The deceased was a member of the Christian Church.

The pall bearers were: S. V. Wirt, D. A. Shirley, Dr. J. M. Black, J. A. Guthrie, W. A. Jennings, Grady Oldham, I. W. Scott and W. J. Flesher. Mrs. Money's father, C. E. Kilgore, came from Missouri to attend the funeral.

FRANK SHOTWELL MARRIED.

Frank Shotwell and Miss Libby Frazer of Carthage were married in Tulla on February 17th, and kept the wedding a secret until this week.

The bride was a student in the College last summer and is now teaching at Plains Center. The groom is well known in Canyon, this having been his home for many years. He is a student in the College and clerk in the post office.

Seek to Bring All Students and Citizens Into Sunday School Work

A campaign is on in Canyon to enroll all of our people in Sunday School. The campaign starts with the young women of the College, under the direction of Mrs. T. C. Delaney, who is student secretary for the Methodist church.

The following young women direct the work in the College: Miss Annie Williams, Methodist; Miss Lillian Atkins, Baptist; Miss Kathleen Looney, Presbyterian; Miss Nita Baldwin, Christian.

A campaign among the young men of the College will soon be started, and directed by men in the College.

The campaign will be extended to the citizens of Canyon.

In a recent census of the town, conducted by Revs. Lyn Claybrook and M. M. Beavers, it was found that there were practically 2500 people in Canyon.

Cream from Randall County Leads Three States in Big Contest

T. W. Duffel states that Randall county leads all counties of Texas, Oklahoma and New Mexico in the quality of cream shipped to the Mistletoe Creameries. A contest is on for three months to ascertain the county which is producing the best grade of cream, and this county lead for the first month. The contest continues for two more months.

A close record is being kept in every creamery of this big firm, and the results of each county is carefully recorded. It is a great compliment to Randall county to lead in this contest.

Mr. Duffel states that this indicates that the farmers of Randall county are more careful in the care of cream and give better care to the cows in order to produce this higher grade of cream. It would also point to the high grade of dairy cattle in this county and the high production of these dairy herds.

Mr. Duffel states that this record is going to mean much to the farmers of the county as the higher the grade of cream shipped, the higher will be the price paid for the cream.

BENNETT FOR COMMISSIONER.

W. E. Bennett authorized the News Tuesday to announce that he would be a candidate for re-election to the office of County Commissioner from Precinct No. 4. Mr. Bennett is serving his first term in this office, and has insistently urged by the members of the Court to continue in this office owing to his splendid qualifications to serve the county as a commissioner. Mr. Bennett states that it is his aim to run the affairs of the county as economically as possible, and see that the county gets full value for every dollar it spends. Mr. Bennett is a prominent Hereford breeder and farmer in the north part of the county. He is a good business man, and is devoting his business ability to the welfare of the county.

Gun of '49 and Old Bear Trap Loaned to the Historical Society

The Panhandle Historical Society has received two interesting relics this week, being loaned by W. L. Wallace of this city.

One is a gun which is said to have been carried in the gold rush to California in '49, and later to have been used for hunting bear in New Mexico.

The second is a bear trap found in a cave in Hamilton county, Texas, in 1866. It is supposed to have been carried there by a bear at a much earlier date.

Reports Show Attendance at Judging Contest Will be Very Large

T. M. Moore of the Agricultural Department of the College states that from all indications the stock judging contest next week will be by far the largest ever held here.

Reservations are coming in fast for this contest, and some of the schools are sending many more boys than the ones which will take a part in the judging contest.

TAKE UP TREES FOR WOOD.

The Commissioners Court has ordered all the locust trees on the court house lawn removed as they are practically all dead, and new trees will be set out this spring.

T. S. Trowbridge, janitor at the court house, states that any person wanting the trees for wood may come and cut them down. The court requires that the trees be cut below the level of the ground so as not to interfere with the lawn mower.

WILL INVITE FEDERATION.

The Woman's Book Club of Canyon yesterday voted to invite the Seventh District of the Federation to meet in Canyon in 1925. The meeting this year will be held in Lubbock in May.

Mrs. J. A. Hill was elected delegate to the meeting in Lubbock, with Mrs. C. L. Thompson as alternate.

DOLLAR DAY COMING.

A Dollar Day will be held in Canyon early in April. Your dollar will go farther Canyon that day and will buy more than an any Trades Day Canyon or any other town has ever had. Watch for announcements of Dollar Day.

REVIVAL SERVICE STARTS SUNDAY BAPTIST CHURCH

PASTOR FROM TENNESSEE WILL DO THE PREACHING.

Assistant Pastor From Plainview To Lead in Singing—Claybrook Makes Announcements.

(By Rev. Lyn Claybrook)

The Baptist revival for which plans have been made for sometime will begin next Sunday. What could mean more to Canyon morally, socially and from the stand point of business than a sure enough revival? What could so contribute to the restoration and stabilization of confidence, the foundation of all successful business, than a great revival? What will so attract the best class of citizenship to a community as great churches filled with the power of God and possessed with a consuming hatred of sin and immorality? Where have such churches been built apart from special seasons when God's power is earnestly sought in the salvation of sinners and the whole community gathers to hear the gospel?

Rev. Skinner, who is to do the preaching, will be here for the first service Sunday morning. He will get to Canyon Friday night. He is pastor of the First Baptist Church, Martin, Tenn. The first qualifications of a good preacher is to be a "good man."

Rev. John R. Rice, who will lead the singing, is assistant pastor of the First Baptist Church of Plainview and a graduate of Baylor University. He spent two years in the Southwestern Seminary, Fort Worth, Texas, taking work in both the Theological and Gospel Music departments. He is well qualified to be in charge of the music. He will endeavor himself to the people of Canyon. He has helped to bring things to pass since he came to Plainview.

All the Christian people of the town are invited and urged to use this opportunity to bring their lost friends and loved ones under gospel influence and to bring them to Christ. This applies only to those who "love God." All others ought to seek the salvation of their own souls. Let us all remember that "It is not by might nor by power but my spirit saith the Lord of Hosts" that we win. All are urged to pray earnestly for "His spirit."

Mrs. J. J. Walker returned home Monday from Amarillo where she has been with her mother and who also returned home with her.

REV. J. E. SKINNER Will Preach at Baptist Revival.

City Election for Mayor and Two Commissioners to be Held Tuesday

The city election will be held next Tuesday, at which time a mayor and two commissioners will be chosen for a term of two years.

A ticket has been certified which will bear the names of C. N. Harrison for mayor and T. C. Thompson and C. H. Jarrett for commissioners.

So far as now known, this will be the only ticket in the field.

Mr. Harrison has been mayor during the past year. He was a member of the city council when the commission form of government was voted, and was chosen mayor on account of so much unfinished business of the old council.

Mr. Thompson has served as commissioner for one year, and previous to that time was a member of the city council. He has taken a very active part in the city's administration during the past few years. Mr. C. R. Burrow has asked to be relieved of the duties of commissioner, and Mr. Jarrett will be a candidate for this place on the commission. Mr. Jarrett is one of the prominent business men of Canyon and has served as secretary and president of the Chamber of Commerce. He is now a director in this organization.

The City Commission now has under way the paving on Fifth Avenue and the enlargement of the city water plant. The members of the commission thoroughly understand this work and should be re-elected in order to carry out the program now under way.

New Job Press Received by News to Replace One of Our Machines

The News has received a new 10x15 C. & P. job press to replace the 8x12 which has been in the plant for a number of years.

The purchase of this new press is another step in the development of this printing plant, which we have had under advisement for some time.

The News has one of the best country printing plants in Texas, but have as a goal one of the best printing establishments in the state.

Investing your printing money in Canyon is building up a bigger and better printing establishment to serve you.

MARCELINO SMITH DIES.

Marcelino Smith, seven year old son, of Mr. and Mrs. F. J. Smith died Saturday 6:00 o'clock p. m., at an Amarillo hospital following an operation for appendicitis Friday. The body was taken to Tucuman Sunday for burial.

Mr. Smith has been cook at the Palace Cafe for the past few months.

REV. JOHN R. RICE Will Lead Singing at Baptist Revival.

TEXAS AND ARKANSAS ONLY STATES NOT UNDER FEDERAL ROAD PROVISION STATED AT WEEKLY LUNCHEON

BOY SCOUTS GIVE DEMONSTRATION OF WORK AT LUNCHEON TUESDAY NIGHT AND ARE PLEDGED ASSISTANCE IN THEIR WORK BY BUSINESS MEN—\$600 UFND FOR SCOUTS.

The proposed constitutional amendment to the state constitution was the main subject of discussion at the weekly luncheon Tuesday night. Ernest Albright, of the State Highway Commission, explained what the amendment meant to Texas, and was followed by Judge Sam Matlow of Potter county, who highly favors the proposed amendment.

Seventeen Boy Scouts came into the dining room after the luncheon, and under the direction of Scoutmasters Irby Carruth and Emmett Hazlewood put on various phases of the Scout work.

The regular flag drill for the opening of all Scout meetings was put on. The work of the Scout was given by J. D. Hazlewood.

The laws of the Scout were given by twelve Scouts.

The Oath of the Scout was given by three boys, following by the commandment prepared by one of the Scouts.

T. C. Thompson, president of the Chamber of Commerce, expressed the very great appreciation of the Chamber for the visit of the boys, and announced the committee which he had appointed to raise a fund of \$600 for the Scout work in Canyon during the coming twelve months.

This committee is composed of D. A. Shirley, W. J. Flesher, W. J. Wooten and Irby Carruth. Other names may be added.

Louis F. Hart made a report on his trip to the Stock Show at Ft. Worth and expressed the belief that the trip had been very profitable so far as the Chamber of Commerce was concerned.

Announcements were made regarding the stock judging contest, the convention of the Christian Endeavor and the Interscholastic League.

It was urged that visitors in the city during these meetings should receive a hearty welcome from all of the Canyon people, and that the business houses be decorated in honor of the occasion.

Guests present were Ernest Albright of Abilene, Judge Sam B. Matlow of Amarillo, Ed Green of Amarillo, Bill Kenyon of Amarillo and Dr. Riddle of Oklahoma.

Mr. Albright spoke very earnestly in the support of the highway amendment.

He complimented the spirit of progressiveness which he saw in Canyon, and complimented the work of Louis F. Hart, who he has known for three years.

Texas has reached a serious crisis in the matter of her highways, and it is of vital importance to every voter to thoroughly understand the proposed constitutional amendment. Most Texans vote against constitutional amendments without knowing the worth of the amendments.

During the past three years bonds have been voted in Texas to build highways amounting to 96 millions of dollars. Randall, Potter and Oldham are the only Northwest Texas counties to vote bonds to build state highways.

The Federal government passed a bill three years ago to give money to a connected system of highways in the United States. The government required that each state have a definite head of these highways, and a responsible head. There are more than 1200 county commissioners in Texas, all good men, but the federal government cannot deal with that many people in the matter of building roads.

President Harding signed an amendment to the road bill requiring that all states have until 1926 to comply with the requirements of the federal road bill. Arkansas refused to pass this bill, and has been cut off from several millions of road aid. Texas is the only state remaining which has taken no action in the matter. Unless the constitutional amendment is passed, Texas will receive no more road money from the government.

Mr. Albright stated that fully three-fourth of the travel on state highways was by state traffic. He was opposed to taxing the property of Randall county to build roads for state traffic. The state as a whole should build and maintain these state highways, and let the counties build the laterals to lead to the highways. He stated that

practically every county which had voted big bond issues to pave state highways had practically no roads except the main highways. A big percent of the tax payers who were paying for these highways could hardly get over the poor laterals in order to reach the highways.

The State Highway Commission had a program of 18,000 miles of paved highways in Texas within ten years. These highways would be connected. This program would mean a lot to Randall county, with a paved highway from Happy to Amarillo, and from Canyon to the west line, leading on the west state line.

A question was asked Mr. Albright as to the taxing power of this amendment. Mr. Albright stated that this question was being raised all over the state, but those who would read our constitution would find that absolutely no more taxes could be levied by this amendment, or any other amendment without raising the constitutional limit of taxation.

Mr. Albright stated that the Highway Commission had carefully figured the cost and knew that the automobile and gasoline tax would build the highways, with the federal aid.

Judge Sam Matlow of Potter county talked in favor of the amendment. He had come to the conclusion that it was very wise for every state to have a head to the highway system. He went to Austin last year as a representative of the County Judges Association of Texas to oppose the amendment to take over the highways. After he went thoroughly into the question he was convinced that he was wrong, and is highly in favor of the amendment. He has heard the best posted men of the state discuss the highway proposition, and believes they are right in urging the adoption of the amendment.

The Judge closed by stating that never during his official position had he had trouble with a Boy Scout, and highly endorsed the movement.

BAUER FOR COMMISSIONER.

J. J. Bauer authorized the News on Monday to announce that he would be a candidate for re-election to the office of County Commissioner, Precinct No. 3. Mr. Bauer has served in this office for eight years and has been highly efficient as commissioner. He has taken great interest in the affairs of the county and sought at all times to see that the business of the county was looked after carefully and economically. Mr. Bauer states that many of the voters of his precinct have urged him to announce for another term, and states that if chosen again for this office he will do his very best to look after the duties of the office.

Mr. Bauer has been a prominent farmer in this county for several years and always taken a lively interest in the progressive measures that confronted the citizens of the county, and has always had in mind the best interests of the county while serving on the commissioners court.

Monday Will be the Last Day for Taking the Scholastic Census

- The last day for taking the
- scholastic census of the Canyon
- Independent School District is
- next Monday, March 31st. It
- is very necessary that every child
- in the district seven years of age
- and under eighteen years of age
- be enumerated in this census, as
- the district will receive from the
- state from \$12 to \$15 next year
- for each child enumerated.
- G. G. Foster is census trustee
- and those who have not been en-
- umerated should call him. This
- means money to the district, and
- the school needs all the money
- it can get to maintain our first
- class school.

Since time begun the older generation thinks that certainly the younger generation is going straight to hell at a break-neck rate. This has always been the case, and will always be the case. Our granddads thought that our fathers and mothers knew more foolishness than any other generation, and yet they turned out to be pretty respectable folks. Our parents, no doubt were firmly convinced that we as kids were going straight to perdition because some things were invented that they knew not of as young people. And now the kids of today—yes, we look at them, and wonder why with all their cussedness the good Lord does not bodily exterminate the whole bunch. And yet, everyone who knows anything, knows that the world is getting better. It is a sure sign that you are getting old, and about ready for the shelf when you think that the new generation is a bunch of worthless, silly kids who will certainly never amount to a thing in the world. Your grandfathers and grandmothers, and your parents, no doubt, thought the same thing about you, and yet you consider that you are somewhat of a useful personage in this world.

The federal government is urging the farmers to have their kaffir and maize and sorghum seed tested. Owing to the continued wet weather last fall, the government agricultural experts state that the row crop seed is as poor as the cotton seed has proven to be. Some people wonder why all this hubbub over seed testing, and the necessity of testing when as a run most any kind of care in the selection of seed will bring up a good crop. The fact is that never before in the history of this country is there so little good seed of any kind owing to the continued wet weather. One farmer is reported to have examined his cotton which opened early and picked for the gin, and was able to squeeze water from the seed. He is certain that his cotton, although early, will not grow. The kaffir and maize grain suffered as badly or worse than did the cotton, and the seed for planting should therefore be tested before being planted.

Another big newspaper deal was put over in New York this week, when the old Herald was sold to the Tribune. This leaves the largest city in the world with only seven morning newspapers, where many formerly existed. Three of these morning papers deal strictly in special class news, and are not general. A few years ago, if you did not like your newspaper, you simply started another. Now it takes thousands of dollars to start a little two by four weekly newspaper and millions to start a city daily. And after the paper is started, if there is no reason for it other than the silly whims of the publisher, its life is short.

Canyon has a chicken ordinance, regulating the feathery variety. But the only effective method of regulating this kind of chickens is to kill all which molest you. Spring time will come one of these days when the flowers will start to bloom and the gardens will begin to grow. Unfortunately there are those people who refuse to keep their chickens at home. The chicken which stays away from the owner's premises is legitimate game to be shot or otherwise killed.

Every one who has watched the development of cotton growing in West Texas believe that it will make good in this section, and that this will be the future cotton growing section of the state. But nevertheless, Randall county farmers should not raise cotton to the exclusion of row crop and a little wheat. Diversification, with the cow and hog is the thing that will make this great country greater.

Beware of the candidate who promises to wipe out taxes, or materially lower them. He is simply lying about his ability. There may be need of economy in all branches of government, but taxes will remain high so long as our standard of living is high.

At last the soldiers' bonus bill has a friend among the ex-service men. This friendship is expressed by Col. Henry D. Lindsay, former mayor of Dallas, and first national commander of the American Legion. Lindsay is a business man and is trying to look at this bonus business from the business standpoint. The radical element among the ex-service men who have lead in the bonus fight would pass a big bonus bill without regard to the effect upon the business interests of the country. It would be folly to pass a bonus bill giving each man a big roll of money, if the result would demoralize the business of the country and knock half of the ex-service men out of a job until the business interests could recuperate from the effect of the bonus. Passing a huge appropriation bill for any cause without funds to pay the bill simply runs down the value of the money available, and this would be the case of a cash bonus at time.

Now comes the charge that after all T. W. Davidson is the candidate of the Klan. The Farm-Labor bunch have pinned their approval upon T. W. Davidson, and while he has proclaimed against the Klan, it is reported that in secret he will receive the endorsement of the Klan just as Mayfield received the support of the Klan in the senatorial race. The safe thing to do is 'swat the candidate who tries to ride into office on the coattail of the Ku Klux Klan or any other clique.

A movement has been started in Amarillo to buy a part of the Palo Duro Canyons for a public park. The canyon is almost entirely shut off from the Amarillo side. The people of the Plains have been trying to get a park started in the canyons. The only way to procure this park is for the people of this section to buy it and pay for it. The state will not be in position for years to make a state park of the Palo Duro.

Rev. Paul J. Merrill of Hereford recently sang at the Ft. Worth Star-Telegram broadcasting station. That was on Thursday night, and he offered free copies of his songs to those who wrote to him at Hereford. "By Monday noon he had received more than a thousand letters. Great is the radio, and millions there are who listen nightly to the words and music the wild waves bring in.

Did you note the cartoon that appeared in several newspapers this week regarding taxes? The federal taxes being represented as the largest, the state next in size, the county and city taxes trailing down in size? As a matter of fact, the direct opposite is true. Local taxes in Canyon and in every other state in the union is always the largest tax.

March has had more snow than any March in recent years. The moisture has kept down the usual March winds, and even if the weather has been disagreeable, it's more pleasant than it would have been with these usual winds. Conditions certainly are ripe for a bumper crop in the Panhandle this year.

President Coolidge won in the North Dakota primary against Senators Johnson and LaFollette. North Dakota is the home of the Non-Partisan League, and it was considered that the President was foolish to enter the primary. Coolidge will be the republican nominee.

Canyon will have a lot of visitors during the coming few weeks; and every one of them will carry away a definite impression of the city—good or bad. Let's keep the old town cleaned up, and show the visitors every possible courtesy.

The steer market and the hog market are reported to have strengthened considerably of late. Markets have the habit of getting better after the producer goes broke.

It is possible that the oil scandal has not affected MacAdoo as much as was first estimated. MacAdoo won by a big majority over Underwood in the Georgia primary.

A Chicago woman carries insurance of three million dollars on her life. The Chicago wives shoot so straight that no Chicago husband carries that much insurance.

Bergdoll wants to return to the United States. We say no! Bergdoll was so in love with Germany during the war that he turned traitor to his country. Let him stay in Germany.

The United States government has 373,089 fewer employees in Washington than at the time the war ended. That is cheerful news.

We are certain that winter will be gone when it disappears around the corner of spring and forgets to come back.

This country is made up of two classes of people—those who own cars and those who dodge them.

TH' OLE GROUCH

William J. Bryan is reported to have made his fortune in natural gas. He refrains from drabbling in oil.

At any rate we would rather have these snows every week than the usual March winds every day.

The trouble of baseball this spring is that on the day to play, snow ball is more appropriate.

Boys used to win prizes by refraining from smoking until their were 21. Now the age is 15, maybe 12.

A taxless country will come when we move back to the stone age.

SAME OLD STORY

The News does not believe that the churches of the city are being appreciated and supported as they should be. Many people do not seem to realize that we owe all that is best in our civilization to Christianity. Mohammedanism, Buddhism, Confucianism, Atheism, none of these ever built a hospital or orphan's home, or an educational institution such as we know in our day. To Christianity is due the credit for all these. Not to the lodges, not to the fraternal orders, but to the churches are we indebted for our modern spirit of fraternalism and benevolence. Not to the stage, but to the churches are we indebted for the present advanced stage of education in this country. Before any public school ever existed, before a state college or university was ever thought of, Christianity was building academies, colleges, and universities. The spirit which is prompting the various lodges and fraternal organizations today to build their benevolent institutions was born of Christianity. And even today, the churches are spending much more money in the building and maintenance of orphan homes, hospitals, and other benevolent and charitable institutions than all the lodges, fraternal orders, and other organizations put together. The News is for the churches first, and it believes that all our citizens ought to be. If you are not attending the services of some church, begin next Sunday.—Lynn County News.

Taxes May Be Paid on Any Part Owner's Property, or Poll Tax

Austin, March 19.—In denying an appeal in the mandamus case of Hoffman vs. Mood from Washington County, the State Supreme Court has in effect held that a tax payer may pay the tax on one particular tract of land, whether such tax is delinquent on that tract or not without being compelled to pay the tax on any other tracts of land that may be owned by such taxpayer, also without being compelled to pay personal or poll taxes.

This holding is considered important, in the opinion of Assistant Attorney General W. W. Caves, as he pointed out that this decision is contrary to rulings of the Attorney General's Department and also of the Comptroller's Department.

Previous to this holding by the Supreme Court, it has been the general custom by tax collectors throughout the state to uniformly decline to accept from any taxpayer the taxes on any special or particular tract of land unless the taxes due on all tracts and also the poll tax is paid at the same time. Many taxpayers desire to pay their poll taxes but defer payment on their property tax and under this ruling they would be enabled to do so, it is stated.

Hoffman is tax collector of Washington County, and refused to accept payment on taxes on one tract of land unless taxes on all were paid. Wood obtained a writ of mandamus compelling the collector to accept the tax on one tract, this being in the District Court. The Court of Civil Appeals at Galveston affirmed the action of the District Court and now the Supreme Court has denied an appeal from the decision of the District and Appellate Courts.

"The action of the Supreme Court has settled in Texas," said Assistant Attorney General Caves, "a very important proposition."

"Dixie," the popular Southern song, was written by a Northern actor, the theme, "I wish I was in Dixie" being the actor's desire for a winter engagement in the South.

RESULTS OF THIRD COTTON SEED GERMINATION TEST

J. W. JENNINGS, COUNTY AGENT

Seed from some of the same samples were run in this test that have been run in the previous tests and most of them show very little variation. To check the results obtained in the machine, a Rag Doll test was also run. The seed used in the latter test were soaked in water for ten hours previous to putting them in heat, which gives them an unfair advantage. So the results of the rag doll test are relatively high. Sample No. 4, machine test, and No. 8, rag doll test is strong proof that samples of seed from the same community may vary greatly in the percentage of germination, and I am at a loss to explain this variation. No. 4 is a gin run seed, and No. 8 is out of all early picked cotton, every boll open, that I saved at Lubbock for my personal use, yet that sample shows a much lower germination than the other sample grown within twelve miles of my place. However, from the other results obtained, sample No. 4, seems to be the exception and not the rule.

Harmon Benton, County Agent of Potter County, reports the following results, some of which were included in the above tests:
 Gin run, 27%, Armsfrong
 Potter County, 7, 10, 16, 19, 28 and 39
 E. M. McNamee, 80, my test 87
 O. B. Burnett, 23, my test 38, Moore
 Haskell Seed, 88, my test 87
 Chillicothe seed, 56
 Deaf Smith seed 18.

The following letter from Jno. R. Edmonds, District Agent for District Three, the Panhandle district, fully explains the attitude to the Extension Service, A. & M. College on the seed question, and is being published for the information of all concerned:
 To all Agents in District Three:

Your attention is called to the low germination tests in cotton seed for the Panhandle, and especially the seed that have been grown on the Plains. Inasmuch as the industry of cotton growing is new, should these low germinating seed be planted, it would re-

sult in a very poor stand, and thereby greatly retard the industry for the coming year. I would suggest that you use all vigilance in seeing that good seed are distributed, for so much depends on it.

Mr. Jennings of Canyon has just published some papers, the results of some tests that he has run, and these seed show from nothing to ninety per cent germination. The high mark was made by two-year seed. I consider this so alarming that the attention of all of you should be called to it, and I know this is all that is necessary.

Yours very truly,
 JNO. R. EDMONDS,
 District Agent.

Other Samples of Old Cotton Seed

Test High
 W. L. Pickett brought in two samples of seed that were grown in Clay county in 1913, which makes them 11 years old. These samples were put into the germinator along with a lot of other samples and one sample showed 82% and the other 94% germination. This test as well as the test of the Pipkin seed that were 21 years old is very interesting information, and proves that good cotton seed that is kept in a dry place will last almost indefinitely.

The State Department of Agriculture upon being advised of the test on the Pipkin seed requested that a sample of these seed be sent to them so that they may be tested by the Department.

DOES ADVERTISING PAY?

Forbes' Magazine reports on a survey designed to settle an argument as to whether it pays to handle advertised goods. Two similar articles, one advertised and the other unadvertised, were placed on sale at the same price in 100 "quality" stores. No attempt was made by the store clerks to influence the decisions of the customers. The results were:

Eighty-seven and six-tenths per cent of customers bought advertised merchandise; 6.3 per cent bought unadvertised merchandise, and 8.8 per cent bought none-preference.

Further, when the unadvertised merchandise was priced lower than the advertised, 60.6 per cent of customers bought advertised merchandise, 24.2 per cent bought unadvertised, and 12.9 per cent bought none-preference.—Star-Telegram.

Child-birth

WHEN the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says: "With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used 'Mother's Friend' and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes." Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradford Regulator Co., B.A. 75, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores—everywhere.

PROPER HEIGHT AND WEIGHT

Is your boy or girl the correct weight? Look at the figures below and see:

Age	Height	Weight
6	46 inches	48 lbs.
7	48 inches	53 lbs.
8	50 inches	58 lbs.
9	53 inches	64 lbs.
10	54 inches	70 lbs.
11	56 inches	77 lbs.
12	58 inches	85 lbs.
13	60 inches	93 lbs.
14	63 inches	108 lbs.
15	65 inches	120 lbs.
16	67 inches	134 lbs.

Age	Height	Weight
6	43 inches	41 lbs.
7	45 inches	45 lbs.
8	47 inches	50 lbs.
9	49 inches	55 lbs.
10	50 inches	59 lbs.
11	52 inches	65 lbs.
12	54 inches	71 lbs.
13	57 inches	84 lbs.
14	59 inches	96 lbs.
15	60 inches	105 lbs.
16	61 inches	112 lbs.

A THOUGHT FOR THE WEEK

I would rather be defeated in a cause that some day will triumph than triumph in a cause that some day will be defeated.—Woodrow Wilson.

Festival Box Supper to be Given by Ex-Students Next Thursday

The Randall County Association of Ex-Students of the West Texas State Teachers College, under the direction of Mrs. M. R. Word, is planning a Festival-Box Supper Social to take place at the College Thursday evening April 18. The proceeds to be added to the Mary E. Hudspeth Hall fund. Committees have already been appointed, and plans are going forward to make this one of the jolliest community occasions of the year.

Students of the Expression Department, under the direction of Miss Mary Morgan Brown, will give the play. There will be a beauty contest, and it is rumored that a very beautiful out-of-town girl will be entered against the local contestants. Votes will be sold at one cent each, and the winning beauty will be awarded an appropriate prize.

Following the one-act play and box supper there will be an old-fashioned box supper. All girls of the college and town are especially invited to come bringing their boxes and accompanied by their beaux.

Grady Oldham of the First State Bank, D. A. Shirley and R. A. Terrill of the College faculty, and C. W. Warwick of the Randall County News, and Bill Gibson of Amarillo will act as auctioneers. Dr. C. A. Pierle will also be one of the officers of the evening. Charles Ketter and William Gibson, ex-students, who are now practicing law in Amarillo, have promised to bring a crowd of ex-students and others from that place for the occasion.

The Randall County Ex-Students Association has raised more money for the Mary E. Hudspeth Hall fund than all of the other county organizations combined. They hope to add considerable amount by the Festival Box Supper.

Paving on East Fifth Avenue to Start Monday by H. Matthews

The paving on Fifth Avenue, extending from the southeast corner of the square to the highway will start next Monday, with Harry Matthews in charge. Mr. Matthews was foreman on all of the paving completed last year by the city, and will be here for about two months on the present job.

Practically all of the material for the curb and gutter is here, and brick will begin to arrive within the coming week.

Wayside Items

Snow to the depth of two and a half or three inches Friday last. Not much cold and soon melted. With the snows, fogs and mists of the past week, the ground is thoroughly wet. Fine for wheat, oats and barley lately put in.

It is seldom Rev. W. H. Griffin misses an appointment. We suppose it was too wet under foot Sunday. Small attendance at Sunday School.

Singing at J. W. McCreery's Sunday afternoon.

A good time reported at the party at H. H. Gillham's Friday night.

An election of trustees for Wayside school April 5, 1924.

Preliminary Declaration Contest is set for next Friday night, the 28th, at the school building.

Johnnie Bird returned from California a few days ago. Among other things he brought oranges fresh from the trees. Quite different from the fruit on the markets here.

J. S. Sluder brought his father, W. J. Sluder home Thursday after an absence of several days visiting with his daughter, Mrs. Emma Payne near Amarillo. Had been suffering with cold during his stay and still not much better.

M. L. McGehee and family are enjoying fresh vegetables from Phoenix, Arizona, sent by their daughters, Misses Lorine and Bernice McGehee, who are teaching there.

Miss Pauline Taylor and Mr. Arno Turner of Canyon spent week before last with Miss Geneva Watson.

Mr. Reuben Rogers has gone to Wellington to be with Mrs. Mary Rogers. Little improvement in her health. Physicians advise her to go to the coast.

Several different one butchers the past week in these parts. Quite a lot was canned on Mrs. F. C. Vaden's cannery. J. M. McGehee is expecting to can wienies.

Happy Happenings

Don't forget the Methodist Revival to begin April 6th. Rev. H. W. Carter of this place and his son, Orion of Stamford will conduct the meeting and Mr. Hawes will lead the singing. We are planning for a good meeting. Come help us make it good.

Mr. and Mrs. J. D. Waite and sons, Troy and Clyde, and Fred Mulkey returned Sunday after spending the past four months in California.

Mr. and Mrs. Walter Welch and children of Farwell visited in the parental B. F. Maynard home Sunday.

Mrs. Clark Neff and children of the Sunny Hill community spent the week end in the P. J. Neff home.

Mr. and Mrs. Grady Davis spent the week end in the parental J. E. Markham home.

Mrs. Maude Long came in Saturday from Austin to attend the funeral of her brother, Mr. Edgar Money of Canyon.

Mr. and Mrs. C. A. Akers left Saturday for points in Iowa where they will visit.

Mrs. E. N. Zachery and Mrs. Della Walters were Canyon callers Monday where Mrs. Zachery had dental work done.

Miss Roxie Knox spent the week end in the G. N. Caler home.

W. H. Doyle is in Amarillo on business this week.

Mrs. Cates of Florida visited with her daughter, Mrs. O. M. Fowler of this place.

J. G. Evans was in Lockney on business Wednesday.

Mrs. Ruth Grounds returned Wednesday from Groom where she has been for several weeks.

J. A. Carrie returned Wednesday from Dallas where he has been for several days.

Mr. and Mrs. Tom Bandy and children spent Sunday in the W. C. Lindsey home.

Rev. and Mrs. H. W. Carter were Tulia callers Monday.

Mrs. J. E. Toles was a Tulia caller Wednesday.

Ray Studenroth was in Amarillo on business Tuesday and Wednesday.

SHOW COSTS ARE HIGH.

W. E. Bennett, Hereford breeder from the north part of the county, states that the high cost of exhibiting is discouraging to the breeders.

Mr. Bennett shipped three heifers to the Fort Worth Stock Show. He got in on the money against very keen competition, but sold the heifers at a fair price, but even at that it cost him one-third of the entire price and winnings to send the heifers to the show and keep them there.

Mr. Bennett states that since the slump in the cattle business and the lessening demand for bulls, it is mighty hard to sell a cow at any price.

ALL SAINTS' EPISCOPAL CHURCH

LUNCHEON FOR NEWS STAFF.

A luncheon was given yesterday at the Home Economics Department of the College complimentary to the editorial staff of the Amarillo Daily News, and the Evening Post.

Representatives of the faculty, the Prairie, the Randall County News and Louis F. Hart were among the guests.

Following the luncheon, President J. A. Hill conducted the party over the entire College plant.

J. L. Nunn and Paul Walters represented the Amarillo newspapers.

"MOTHER" ROSS AT CHAPEL.

Mrs. Elizabeth Ross, known as "Mother" Ross, spoke Tuesday morning very interestingly regarding her work in the missionary fields of the Christian Church for forty-nine years.

Mrs. Ross is 72 years old.

Mrs. Ross spent Sunday in Amarillo and was brought to Canyon Tuesday morning to speak at the chapel period.

After chapel, Mother Ross spoke to a number of women from the Christian church at Cousins Hall.

Sixty-six kinds of birds of the southeastern states feed upon boll weevils.

LADIES AUXILIARY IS HOSTESS FOR TOURNAMENT OF GAMES

A beautiful afternoon helped to make the tournament of games one of the most eventful affairs of the season. The guests began to arrive before the hour of three, so delighted were they to spend a few hours with their friends without any bother to themselves with the entertaining and refreshments.

The decorations were suggestive of the Master season with beautiful indoor growing plants dotted here and there about the room with the Legion colors merr that of the plain green, while the windows were beautifully decorated in the Legion colors and the dainty score pads were tied with wee beaux of contrasting colors.

All this added to the general enjoyment of the occasion which was made complete by lovely bontondes placed on each table filled with many dainty home made candies and nuts.

The games played were forty-two, bridge and Mah-Jongg, and throughout the entire afternoon the happy voices were clearly heard above the click of ivory and the rustling of the cards.

The guests departed near the hour of six to make ready for the evening entertainment when their husbands and young men friends could accompany them.

At an early hour the guests arrived to take their places at the tables. The bontondes never grew low but what it was thoroughly replenished. Lovely numbers were played during the evening on the Edison, making it all the more enjoyable.

The guests departed at a late hour assuring the hostess it was indeed a rare occasion of pleasure.

CLEAN UP AND KEEP CLEAN.

The State Board of Health has designated March 30 to April 5th as Clean Up Week. The greatest menace to the health and comfort of our citizens during the coming summer will be the fly. Whence cometh the fly? He is bred in our midst. He is no migratory animal.

Every insanitary hog pen, cow lot, horse lot, garbage can, becomes an incubator. These lots should be cleaned up at once and kept clean. Clean up the droppings and sprinkle a little lime, and remove all dropping once a month.

No one has a legal right to keep but one hog in town, and has a civic and moral right to obligation to keep this lot sanitary at all times.

Cleanliness is next to Godliness. Clean up and keep clean, and do it now.

Help Get Canyon Clean!

Self-Mastery
It is not so much the speed with which you are capable of making money as it is the control you have over it.
Speed seldom prevents an accident but control seldom fails to prevent it.
So it is in money matters. You may make money fast but that does not save you from financial disaster.
Your control over yourself—over your habits of extravagance, over your investments—this is the important thing.
SELF-MASTERY IS THE GREATEST PROBLEM AND ACHIEVEMENT OF LIFE.

TENNIS CLUB PLANS GAMES

CLASS ELIMINATIONS WILL BE COMPLETED THURSDAY.

Tournament of Class Teams Will Begin on Friday Morning, Weather Permitting.

Organization of the Tennis Club for spring events has been completed and the officers have already inaugurated their program of activities. The officers are: Chester Day, president; Merschel Coffee, vice president; Billie McClure, executive secretary; and Harry Delaney, publicity manager.

An inter-class tournament under the auspices of the Tennis Club will begin Friday, March 28. Class eliminations, which will determine the singles and doubles entries, must be completed by Thursday afternoon. All class teams are expected to report to Billie McClure, executive secretary of the Tennis Club, before Thursday night.

All matches will be played under the standard rules of the American Lawn Tennis Association. Winners in both singles and doubles will be given a pair of officially autographed tennis balls by the Tennis Club.

Rivalry for places on the class teams is growing keener daily. Fans claim that the Sophs are going to have a hard time carrying out their boast of winning in a walk. Fish who are expected to make strong bids for supremacy are Delaney, H. Jennings, White, and Day. The Sophomores are M. Jenkins, W. McCarty, B. McClure, H. O. Smith, and Ira Younger. Herm. Haley, Hinkle, Mitchell, Coffee and other Juniors will defend third year traditions. Senior dignity will be overruled when Lancaster, Hill and King take up rackets in defense of the Class of '24.

Co-eds are showing much interest in tennis but no tournament has yet been arranged for the girls' teams. However, the class yell leaders will be called upon to organize the co-eds into class rooting teams.

St. Patrick's Day Is Made a Feature Of Sesame Program

Typically Irish in that it was full of wit and humor, the Sesame program on Friday evening was very well suited to its purpose of starting the quarter's work with pep and good-fellowship.

Miss Anna I. Hibbetts made a talk on the characteristics of the Irish, telling many jokes to emphasize her statements. She also read some of her favorite Irish poems. Faye Lockhart then spoke on the origin of St. Patrick's Day. Miss Hattie M. Anderson told an interesting legend connected with St. Patrick's Day. Irish songs were sung by the entire society.

After the program the Sesses held a business session and formulated many plans for spring activities.

WOODROW WILSON ONE-TIME FOOTBALL COACH

Another phase in the life of the late Woodrow Wilson has been brought to light. It is not generally known that he combined athletic with scholarly ability. However he served as football coach and was very successful in that capacity. While he was a professor of history and political economy at Wesleyan University, he served as football mentor and in the years from 1888 to 1890 turning out two of the most successful teams the college has ever had. —McGill Daily.

PLANT SOME TREES—NOW!

S.S.S. keeps away Pimples

THERE are thousands of women who wonder why their complexions do not improve in spite of all the face treatments they use. They should not continue to wonder. Eruptions come from blood impurities and a lack of rich blood-cells. S.S.S. is acknowledged to be one of the most powerful, rapid and effective blood cleansers known. S.S.S. builds new blood-cells. This is why S.S.S. routs out of your system the impurities which cause boils, pimples, blackheads, acne, blotches, eczema, tetter, rash. S.S.S. is a remarkable flesh-builder. That's why underweight people can quickly build up their lost flesh, get back their normal weight, pink, plump cheeks, bright eyes, and "pep."

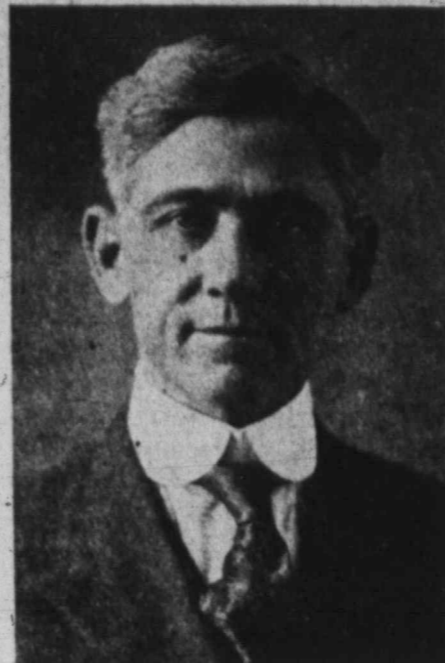

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

S.S.S. The World's Best Blood Medicine

AUSTIN D. BRYAN
Speaker at Christian Endeavor Convention.

PRESIDENT J. A. HILL
Speaker at Christian Endeavor Convention.

More Delegates Register for Christian Endeavor Meet April 4-6

More than two hundred delegates from thirty-eight counties—representatives of the Christian Endeavor Societies of the Plains region—will attend the Panhandle District Convention in Canyon on April 4-5-6 and will carry out an extensive program embodying inspiration, instruction, and recreation. The main feature of the convention will be the spiritual phase. The theme will be "Friends of Christ;" the text, "Ye are My Friends if Ye do Whatsoever I Command You;" and the motto, "Whatsoever." Most of the addresses will be related to aspects of the "whatsoever."

Among the speakers will be Rev. Milo Atkinson of Amarillo, President J. A. Hill, and Rev. Gordon Lang of the College faculty. Austin D. Bryan of Dallas, Texas, State Field Secretary, will be present throughout to lend his efficient services to the Convention. Rev. Paul J. Merrill, prominent musician of Hereford, will be in charge of the music of the Convention.

On the first day of the meeting the district officers will be entertained with a dinner in the College building. Saturday morning's chapel program will be in charge of the visitors. Weather permitting, the afternoon will be spent in nearby canyons. After a picnic supper the delegates will return to hear an address by President J. A. Hill. Rev. Gordon Lang will preach on Sunday morning.

Plans for the convention are being arranged by Miss Hallie Hutchins of Tulsa, who is president of the Panhandle District, Miss Mattie Swayne

of Canyon, and other workers of the societies.

Many prospective delegates have already registered their names with Miss Swayne, who states that there are many indications of an unusually large convention.

College Dairy Herd Placed on Accredited List

The Department of Agriculture of the Teachers College has received official notice from the Bureau of Animal Husbandry of the United States Department of Agriculture that the dairy herd of the college has been placed on the list of accredited herds, its certificate number being 49073. This means that the college dairy herd is certified by the Department of Agriculture to be free from tuberculosis. The officials of the department state that as new animals are added to the herd, they will be tested in order that this high standing may be maintained.

LOCKHART WILL APPOINT MEN TO TRAINING CAMP

Prof. W. E. Lockhart has been given authority to appoint students to attend the Citizens Training Camp and will furnish information and enrollment blanks to any young men who desire this training. The camp will be at Fort Sill, Oklahoma. Applicants must be between the ages of seventeen and twenty-four. The government will pay all expenses, including railroad fare to and from the camp.

Athletics and sports will be special entertainment features.

CLUB PIGS NAMED
At the last meeting of the Vocational Agrarian Club, it was decided that the two pigs, with which the club is carrying on an experiment, should be named after the two presidents of the club, Reagan Sherman and Noel Lott. Noel is being fed on a balanced ration consisting of barley, wheat bran, cottonseed meal, and alfalfa. Reagan is being fed on milo maize alone.

BUFFALOES BEGIN DIAMOND WORK

THIRTY MEN ALSO OUT FOR TRACK TEAM.

A Wealth of Material is on Hand for Both Track and Baseball.

Due to the continued bad weather, candidates for Coach Burton's baseball and track teams have had little chance for work-outs in preparation for the coming contests which begin in the early part of April. It is likely that the Buffalo baseball team will be in poor condition to go on the road trip scheduled to begin on April 14.

Will Play 15 Games

Fifteen games will be played by the baseball nine, seven of which will be played at home. Of the eight away from home, six will be played at Abilene as follows: McMurray College, April 14 and 15; Abilene Christian College, April 16 and 17; Simmons College, April 18 and 19. Other games are McMurray at Canyon, April 23, 24, 25, (probable); May 2 and 3, N. M. M. I. at Canyon; May 12 and 13, A. C. C. at Canyon (probable); May 16 and 17, N. M. M. I. at Roswell.

The success of the Buffaloes will depend on Burton's ability to pull his pitchers up to the infield standard, which is unusually high. With Mitchell at first, Hale at second, L. Hill at short and two first string men for third, the outlook is most promising in this respect. Jenkins, who made his letter at third last year, and Phillips, who did the same year before but was out last year, are the candidates for this position. In addition, Burton has Tabor, Joe Bob Golden and Reagan Harrell as infield material.

In the outfield Burton has Lem and Law Sone, Terry and Ray Bivens. As catching timber he is relying on Sany and McDonald. As hurlers he has to start with Bonright and Vaughn, latter having done a little pitching, though formerly regarded as outfield material. Hale, it is possible, may be shifted to the box, and Hill may be taken from short to catch.

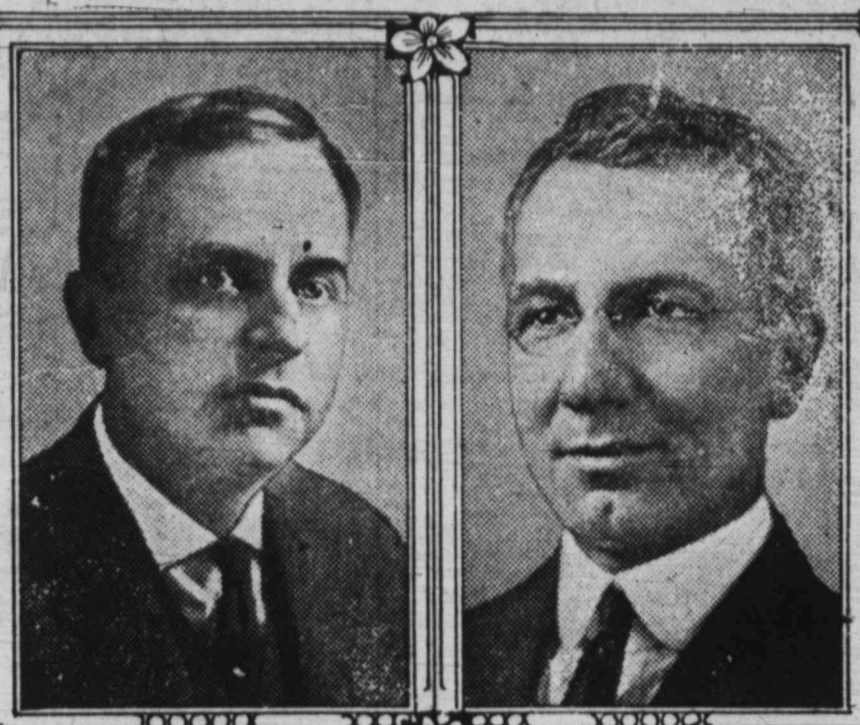

Track Prospects Bright

Prospects for a winning track team are brighter than ever before. Thirty men, including both letter men and new men, are working out for the team. Three meets are scheduled for the track team this season.

The first will be a triangular meet at Roswell, New Mexico, in which New Mexico Military Institute, New Mexico A. & M. and W. T. S. T. C. will take part on April 12. The second will be the Great Plains Intercollegiate Track and Field Meet which has been held at Canyon for the past three years. This meet will take place on April 26. Those schools who have already signified their intention of being here are: Southwestern Okla., Teachers College, N. M. M. I., Clarendon, Wayland, and McMurray Colleges. Simmons and A. C. C. expect to send a few men. The third meet will be the T. I. A. A. meet which will be held at Abilene on May 10th.

Buy, Build, and Live in Canyon.

Housing Experts Head Movement For Better Homes in America; Educational Drive Under Way

DR. JAMES FORD DR. JOHN M. GRIES

The reorganized Better Homes in America movement, now entering its third year, is under the active management of Dr. James Ford, executive director, pictured above. Dr. Ford is a nationally known housing specialist, and has been granted a year's leave by Harvard University in order to take charge of this educational work.

Dr. John M. Gries, pictured with Dr. Ford, is one of the members of the board of directors of Better Homes in America. He is at the head of the Division of Building and Housing of the Department of Commerce.

As reorganized, Better Homes in America is entirely educational and non-commercial, being supported by public gifts. Herbert Hoover, Secretary of Commerce, is again president of the organization, and President Coolidge, for the second time, warmly endorsed the movement in his letter to Secretary Hoover accepting the chairmanship of the Advisory Council.

Headquarters are at 1653 Pennsylvania Avenue, Washington

Sinclair Lewis' "Main Street" sold 60,000 copies in Germany, and when Lewis received his royalty check in London he cashed it for five shillings—or about one dollar American.

NOTICE OF ELECTION.

Notice is hereby given to the voters of the Canyon City Independent School District that the annual election of school trustees will be held on the first Saturday of April, 1924, the same being the fifth day of said month.

Four trustees shall be elected in this election, taking the places now held by G. G. Foster, A. N. Burgan, T. V. Slack and F. E. Savage.

S. V. Wirt is hereby appointed to hold said election.

By order of the School Trustees,
C. W. WARWICK, Secretary

NOTICE OF SHERIFF'S SALE OF REAL ESTATE

Art Glass Bought for the New \$60,000.00 Methodist Church

The art glass for the new \$60,000.00 Methodist Church was bought Tuesday from a St. Louis Art Glass concern, delivery to be made about the first of July when it is thought that the auditorium will be ready for this glass.

The large window in the front of the church has been bought by the ex-service men for a memorial to Eugene Devereux. Mr. Devereux was an ex-service man, and was a member of the graduating class at the College last year, when suddenly called by death a short while before commencement. This large window will be dedicated to his memory, and will be emblematic of the life of service of the soldier and sailor, in addition to carrying a picture of the Resurrection. The window is placed in the church at a cost of \$400.00, and the money is being raised by the ex-service men in the College fund in the city. Members of Mr. Devereux's class in the College will be asked to assist in this memorial to their distinguished classmate.

There are ten large art glass windows in the auditorium, which are being sold as memorial windows to various men and woman who were connected with the past history of the church. There are several smaller windows in the church which will have art glass, and will be taken as memorial windows. The Missionary Society of the Church took four of these windows at the meeting Tuesday.

Rev. M. M. Beavers states that he believes all of the art glass windows will be sold within a short while.

The work on the church has been very greatly delayed owing to the continued bad weather, but is progressing rapidly in spite of the continued delays. The walls will soon be up to the eaves, and ready for the roof.

T-ANCHOR PROGRAM COMMITTEE.

The program committee of the T-Anchor Ranch reunion, which meets in August, has been called to Amarillo on May 10th in order to prepare the program for the annual meeting.

The T-Anchor reunion was started at Hereford two years ago. The second meeting was held at the Wragge place last August. Plans will be made at the Amarillo meeting for a bigger reunion in August of this year.

ANOTHER SNOW FALLS.

A three inch snow fell Friday night in Randall county, being one of the wettest snows of the winter. Rain fell for nearly an hour before the snow started to fall.

Canyon 40 and 8 Put on Initiation Monday Nite With 15 Amarilloans

The fateful voyage to France and back was relived by members of Hanson Post of the American Legion at Amarillo Monday night when members of Voiture Locale 206, Society of 40 and 8, here, instituted a new voiture there.

Several automobiles full of Canyon "voyageurs militaire," as the 40-and-8ers are called, made the trip to the Potter County seat, carrying with them their equipment and paraphernalia, headed by Chef de Gare H. A. Brown. They were royally received and banqueted by the Amarillo ex-service men at the Black Cat Cafe, after which they assembled in the ballroom of the Legion hall in the new city auditorium for the ritualistic work.

The Canyon "wrecking crew" was directed by Louis F. Hart, "conductor," and included in its membership Louis E. Cearley, garde de la porte; D. D. Westfall, lampiste; Earl-Potter, chef de train; Milton Ramsey, commis voyageur; Henry C. Gamble, captain of the crew. Wesley Kleinschmidt, Noel Brown, Clarence Thompson, O. B. Vaughn, L. I. King, Clarence Luce, Ralph Harter, Madison Daugherty, J. Prichard, Tom Knighton, Ben Weller, Rex Riggs, and Roscoe Davis.

Fifteen men had been signed up for membership in the Amarillo voiture, most of whom took the work actively, the rest at "sight." Before the installation sandwiches and coffee were served and following the ceremonial Roy D. Chase was elected temporary chef de gare by the Amarillo voyageurs.

Following this successful ceremonial, it was decided by the Canyon voiture that the locale is in line for the position of official "wrecking crew" at the Grand Promenade of the order at Brownwood next August, during the State American Legion convention. They will enter the race for this honor at an early date.

MISS BURTON ON SURVEY.

Miss Helen B. Burton, head of the Home Economics Department of the College, is out this week on the school survey which is under way in the state. Miss Burton is visiting the schools at Friona, Farwell, Plainview, Lubbock, Amarillo, Clarendon and other towns.

BAND ON AMARILLO TRIP.

The College Band will accompany the Amarillo boosters on their trades trip starting May 12. May 13, 14 and 15 will be spent at the meeting of the West Texas Chamber of Commerce at Brownwood.

Umbarger Notes

Mrs. O. Hufstedler made a business trip to Summerfield Tuesday.

The weather has been cold. Some snow fell Friday evening. Saturday was warm, melting all the snow that fell the day before.

A daughter was born to Mr. and Mrs. M. Hollenstein Tuesday, the 18th. Mrs. Henry Badenhorst is on the sick list this week.

The work of draining the lake in L. Wick's pasture is going fine. The hole is over 40 feet deep. The workmen expect to find water soon. Some blasting was done the first of the week.

Paul Artho made a business trip to Amarillo Monday.

Paul Artho and family spent Sunday at the M. Hollenstein home.

YOUR MONEY HERE MEANS SAFETY PLUS

A dollar under lock and key is worth two in your pocket. Not true, you'll say, but consider a moment and you'll agree with us. The guarded dollar means no fear of loss by theft, spend-thrift, or speculation.

You'll think twice before you remove the guard because he's your dollar's best friend.

Here we extend the utmost vigilance to keep your dollars intact.

NOTICE OF ELECTION.

Notice is hereby given to the voters of the city of Canyon City, Texas, that an election will be held in this city on the first Tuesday of April, 1924, the same being the first day of said month, at which time a Mayor and Two Commissioners shall be elected for the coming two years.

HARVEY CASH, City Clerk.

BACKACHE IS DISCOURAGING

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Canyon people recommend Doan's Pills. Ask your neighbor! Read this case: Mrs. G. A. Jones, Canyon, says: "Through the small of my back was a steady, bearing-down pain and it was so sore I could hardly stoop to pick up anything. At night my back was so sore and ached so I couldn't sleep at all. I also had awful dizzy spells and headaches. My kidneys were weak and troubled me, too. I bought Doan's Pills from the City Drug Co., and three boxes cured me of every symptom of the trouble." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Jones had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

NOTICE!

I will have with me through the month of March, DR. MASON, a Graduate Chiroprapist. (Foot Specialist.)

If you are troubled with tired, aching feet, flat feet, rotation of the ankles, painful heel, cramps in feet or lower limbs, sweaty odoriferous feet, ingrowing nails, corns or other forms of foot troubles, see us while he is here. DR. H. C. WRIGHT Licensed Chiroprapist Blackburn Building, Amarillo, Texas Lady Attendant.
