

## Bobcat Band Gives Advertisement To Castro County

Dimmitt Bobcat band gave Castro County and Dimmitt wide-spread advertising last week at the "Battle of Flowers" in San Antonio.

The band performed before 10,000 people in the stadium Thursday night. The band was presented as the Bobcat Band of Castro County, Grain Sorghum Capitol of the Nation.

Then the band was televised in the parade Friday where the same announcement was made concerning Castro County, Grain Sorghum Capitol of the Nation.

Dimmitt band members represented the town and county in an outstanding way in their behavior as young ladies and gentlemen during the entire trip. The managers of the hotel where the band stayed were lavish in their comments on how nice and well-behaved the band students acted during their visit.

Chartered busses took students and parents on several planned tours of the city and visited points of interest such as The Sunken Gardens, San Juan Mission, the Zoo and historic mansion.

## Mary Behrends Honored As Woman Of Year At Tech

Mary Behrends, Texas Tech senior from Dimmitt, was named Tech's Woman of the Year at the annual night in the Union Ballroom.

Miss Behrend is president of AWS; and a member of President's Hostesses; Phi Kappa Phi scholastic honorary; Mortar Board senior Women's honorary; Kappa Dappa Gamma sorority; and Phi Upsilon Omicron, home economics honorary. She has been named to the Dean's Honor List five semesters and to Who's Who Among Students in American Colleges and Universities.

Miss Behrends was presented her award by Dr. Florence Phillips, dean of women at Tech, who described her as "a subtle but powerful force at Tech, who has imaginatively channeled her abilities in scholarship, leadership and service."

Dr. Elizabeth Sasser, professor of architecture and allied arts at Tech, was named faculty woman of the year during the banquet, which featured an address by Dr. Bernice Moore, assistant to the director of the Hogg Foundation for Mental Health at the University of Texas.

Dr. Moore spoke on "Woman, Fallacies, Facts and Her Future."

## Dimmitt Cardinals Have Tie Ballgame

Dimmitt Cardinals played their first baseball game of the season Sunday as they tied 8-8 with the Muleshoe Lobos in a 12-inning thriller.

The Lobos sent three pitchers to the plate in an effort to break the tie. Lobo pitcher Raymond gave up four runs, Juan gave up four and Sam allowed no runs.

Dimmitt pitchers were Santos who gave up five runs in three innings and Fred who gave up three runs in the ninth inning to tie the game, 8-8.

Tonight the Cardinals will play at Earth. The first home game will be May 16. The Cardinals are going to receive new uniforms this year.

## Lions Club Has Ladies Night

Annual Lions Club Ladies Night banquet was held Tuesday evening at the Colonial Inn Restaurant with approximately 40 Lions and Lionesses present.

Guest speaker was Mayor Ray Cowsett of Hereford. He is a former Dimmitt resident. He gave a regimine of the Dimmitt Lions Club from the time it was organized in 1930 until the present time.

Cowsett is a charter member of the Dimmitt Club. He said, "Times were hard during the early thirties but somehow the Lions Club managed to take care of many projects, some of which included helping children obtain glasses, helping start the children's home in Kerrville and sending children there and many local projects."

Music for the evening was furnished by Mrs. Keith Howard. The head table was centered with an arrangement of lilacs and roses.

Installation of officers will be conducted at a later date.

## Dimmitt Junior High Band Goes To Contest May 1

The Dimmitt Junior High Band will leave at 8:00 a.m. Saturday, May 1, to go to Junior High Contest at Abernathy. They will play at 11:30 in the High School Auditorium in Abernathy.

The three numbers to be played will be a march, "Conroe" ("Occasional Suite" by Handel, "Little Irish Suite" by LeRoy Jackson.

The band will be under the direction of Jerry Meyers. There will be approximately 105 students from Dimmitt participating. The band will be competing with 28 bands from throughout West Texas. This is the first time the Dimmitt Junior High Band has been to contest. They will be competing in sight reading and concert.

## Nazareth FFA To Send Two Judging Teams To State

The Nazareth FFA teams, competing in four of ten events, at the 38th Annual Texas Tech Judging contests in Lubbock Saturday, qualified two teams for the State Judging contests.

With a total of 531 teams, consisting of 1600 boys, representing 158 schools, it was the biggest yet, according to L. M. Hargrave, contest Superintendent and member of the Tech Faculty.

The Tech contests served as the Area eliminations as well as the District competition for Area I and the Plainview District of which the Nazareth FFA is a member. Livestock, Dairy Cattle, Dairy Products, Poultry and Meats are the contests which are held on a statewide basis.

Nazareth qualified in Poultry and Dairy Products and will compete at Texas A & M on May 1 in the state contest.

Dean Wilhelm, member of the Livestock Judging team for high individual in cattle judging with a perfect core.

The Livestock team competed with 149 other teams. Members are Claud Anen, Tommy Conrad and Dean Wilhelm.

Poultry team competed with 52 teams. The team placed sixth in the Tech contest, second in Area I and first in Plainview District. Members of the team are Jerry Abernethy, Richard Brockman and Mark Gerber.

Dairy Products team competed with 40 teams. The team placed 11th in Tech contest, seventh in Area I and second in Plainview District. Team members are Clyde Venhaus, Dale Brockman and Greg Anderle.

Dairy cattle team placed fourth in Plainview District. They competed with 119 teams. Members are John Backus, Jimmy Schmucker and Harold Venhaus.

## Nazareth Knights Of Columbus Host Meeting, Sunday

Exemplification of the third degree of the Knights of Columbus will be conducted Sunday, May 2 in the Nazareth Community Hall announces Ernie Brockman, district deputy.

Nazareth Council 2654 is host to the 22nd District class. State representative for the day will be Mike Mahoney of Lubbock, State Treasurer of the Knights of Columbus.

Knights of Columbus from the area are invited. Approximately 250 members are expected to attend the affair.

Assembly will commence at 9:30 a.m. Sunday morning. Mass will be at 10 a.m. in Holy Family Church, Nazareth. Breakfast at Community Hall for candidates and members will follow mass.

In the afternoon at 1 the third degree will be awarded followed by Dutch lunch. At 8:30 p.m. a Cabaret-style dance will be held for members.

## Hart FFA Teams To Attend State

Hart FFA Chapter will have two judging teams attending State contest Saturday at Texas A & M announces Lanny Tucker, Vo Ag teacher.

Dairy Products judging team won sixth in Tech contest, third in Area I contest and first in Plainview District contest last Saturday at Lubbock. The team is composed of David A. Harris, David D. Harris and W. A. Hawkins. This team will be competing at State.

Dairy Cattle judging team composed of Bob Crick, Danny Godfrey and Mark Martin will be competing in State competition Saturday. The team placed 11th in Tech contest, 7th in Area I contest and 2nd in Plainview District.

Livestock judging team placed 12th in Area I contest and 4th in Plainview District contest. Team members are Larry Davis, Jerry Smith and Tommy Morrison.

## Tam Anne Gin Changes Owners

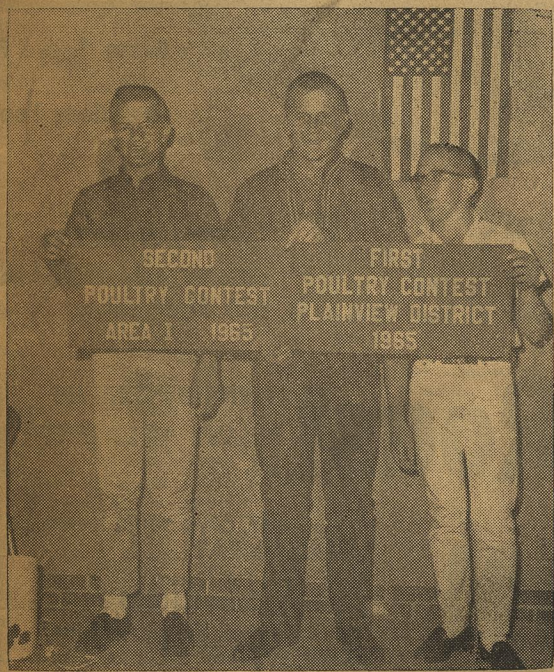

Tam Anne Gin, Inc. is under a new ownership. The new manager of the gin is Wyeth F. Tate of Tulsa, Oklahoma.

Mr. Tate and his wife, Billie C. and daughter, Mary Lou are making their home in Earth.

Tam Anne Gin is located 12 miles west of Dimmitt on Hwy. 86.

## Young Farmers To Meet Tonight At 8

Young Farmers will meet at 7:30 tonight in the Vo Ag building to hear James Valliant, water engineer from High Plains Research Foundation. He will speak to the group about water. Everyone is invited to attend.

POULTRY TEAM of Nazareth FFA placed first in Plainview District contest Saturday. The team placed second in Area I contest. Members are (left to right) Mark Gerber, Jerry Abernethy and Richard Brockman. This team will compete in State judging contests. —Staff Photo

## Nazareth Seniors Present Three Act Comedy "Marrying Margaret"

Nazareth High School seniors are presenting "Marrying Margaret", a three-act modern comedy May 6 and Sunday, May 9, at 8 p.m. in the Nazareth Cafeteria announces Sister Benedict Marie, sponsor.

Admission is \$1 for adults and high school students and 75 cents for grade school students.

The three-act play, published by Paine Publishing Company, Dayton, Ohio, was written by Charles George, a successful playwright in the musical comedy field as well as plays without music.

"Marrying Margaret" depicts the frantic efforts of two younger sisters, Winifred and Leila, to find a suitable husband for their 25-year-old sister Margaret. The two younger sisters are engaged to be married but cannot exchange wedding vows until their older sister finds a husband according to an ultimatum delivered by their father.

So a masquerade party is arranged and Leila and Winifred advertise for a husband for their sister in the Times. Well, things get complicated as a stuffy old aunt stirs up plenty of trouble for the girls. The play moves along rapidly during the first two acts to a dramatic climax in the third act as true love rules the day. Cast members for the play follow: Harrison Hunter — Richard Dobbie; Winifred — Marlene Jones; Leila — Valeria Ball; Margaret — Linda Pohlmeier; Harriet Hunter — Dolores Birkenfeld; Leona Hunter — Vicki Huseman; Leonard Statton — Tommy Hoelting; Leo Statton — Jimmy Hoelting; Marjorie Tucker — Diana Acker; Amelia Gardner — Mary Lou Steffens; Noel Thomas — Bernard Braddock; Ross Van Buren — Herbert Wethington; Ethel — Mary Lou Steffens; Lorin Gilbert — Greg Pohlmeier; Professor Maxwell Devine — Arthur Brockman; Ignatius Wilbur Wellington — Lonnie Wagner; Claude — August Brockman.

## Teachers Assn. To Honor Retiring School Personnel

Dimmitt Classroom Teachers Association are honoring retiring teachers and school board members Monday night with a supper in the High School cafeteria at 7:30.

Teachers retiring are Cason Smith, high school math; Mrs. Cason Smith, second grade; Mollie Grisham, fourth grade; Bertha Roop, fourth grade; Amanette Hinders, fifth grade; Fawn Welker, special education; and Edith Lee, first grade.

Board members to be honored are Jim Elder, nine years of service; J. G. Davis, nine years of service; and James Bradford who retired last year, six years of service.

## Art-China Show Will Be Sunday

Combined art and china show and tea will be held Sunday afternoon from 3 to 5:30 p.m. in the Community Center at Hereford.

Approximately 14 students from Dimmitt will participate in the exhibition. Students of Eunice Peterson, art teacher and students of Lurline Smith, china decorator will exhibit at the show and tea.

The public is invited to attend. No admission will be charged.

## Little League Baseball Schedule Gets Underway Monday Night

"Play Ball" will be shouted Monday night at 7:00 p.m. at the Dimmitt Jaycee Ball Park and the 1965 Little League season will get underway.

There will be a game every Monday, Tuesday, Thursday and Friday night until May 8 and then it will be double headers from there on out on Monday and Thursday nights. For a complete schedule of the season, turn to page eight of this edition.

Monday night will find the Dodgers and Braves tangle and then on Tuesday night the Cardinals and the Yankees will take over.

The Dodgers are sponsored by West Texas Telephone Company and coached by Jim Presley. The Braves is sponsored by Moore's Super Market

and will be coached by John Gray. The Cardinals is sponsored by Dimmitt Engine Service and coached by Bob Myers and the Yankees is sponsored by Western Ammonia.

Following is the probable starting pitchers and catchers for the first two games:

DODGERS: Ken Bradford pitching and Jim Hodge catching.

BRAVES: Randy Griffitt pitching and Glen Bruton catching.

CARDINALS: Mark Wohlgenuth pitching and Gary Lawson catching.

YANKEES: Doug Schackelford pitching and Randy Hulme catching.

Dimmitt Little League and the Jaycees have been working around the clock getting the field into good shape. A new backstop has been installed and the field has been leveled off.

## Plans Made To Start Industrial Training Program

Dimmitt High School plans to start an Industrial Co-operative training program if enough students are interested announces Alvis Fuquay, principal.

The student would attend school three or four hours in the morning and would receive on the job training during the afternoon. Supervisors would be checking periodically the student's work on-the-job.

According to Mr. Fuquay, there would have to be a minimum of 15 students needed for this program to go into effect.

Occupations approved for Industrial Co-operative Training include some 48 jobs.

I.C.T. is designed to extend the benefits of trade and industrial education to both large and small communities in Texas. Since it is not practical for some school systems to establish vocational shops, furnished with expensive equipment and machinery for each major occupation represented in the school's service area, this plan provides for a cooperative arrangement between local school and the employers of skilled workers in certain trades or occupations in the school's community.

Under this plan, high school junior and senior students are employed in their chosen occupations for one-half day and attend school one-half day over a period of two school years. During their employment time, students are under the supervision of both school and employer. Both agencies contribute to the training program: the employer provides students with practical work experience in all basic aspects of an occupation and school provides technical information directly related to the student's work experience, along with other high school courses necessary for graduation. Thus, preparation for an occupation does not preclude the possibility of high school graduation. This program is accredited for two units each year.

The program is organized to extend for a period of two school years of nine months, or 36 weeks each. Each student must spend a minimum of 20 hours per week on the job, and 25 hours is the recommended maximum. In addition, instruction must be scheduled for at least one 60-minute school period each day for each student to study technical subjects directly related to the occupation he is learning; separate classes are scheduled in their first and second years of cooperative training.

To be eligible for training in cooperative classes, students must be at least sixteen years of age and classified as juniors or seniors in high school. Applicants must have the consent of their parents. Students, employers and parents must understand that the major objective of the course is to afford students an opportunity to secure training for life careers rather than to provide them with employment giving immediate financial returns.

The student should understand that the I.C.T. program does not limit the student from attending the college of his choice. Considerable thought should be given to the area of training; aptitude test will be given students to help in selection of job.

## Delta Xi Hosts Meeting Here

Miss Sarah Tobolowsky, President Texas Organization of The Delta Kappa Gamma Society, will speak to members of three chapters of the area at a dinner meeting, Saturday evening, May 1, at the Colonial Inn Restaurant. Miss Tobolowsky will speak on "Cultures in Change" which follows the Delta Kappa Gamma program topic of the year - "Changing Patterns in Other Cultures."

Miss Tobolowsky, member of Delta Tau Chapter of Delta Kappa Gamma, received her college education at Southern Methodist University, Dallas and a M. S. degree in Library Science from Columbia University, New York. She has done special study at other American schools and the University of Florence, Italy.

Currently, Miss Tobolowsky is librarian at Benjamin Franklin Junior High School in Dallas.

Members of Delta Xi Chapter will be host for Saturday's meeting, to Gamma Iota and Epsilon Delta Chapters. Members of Delta Xi Chapter are teachers from Castro, Deaf Smith and Parmer Counties. Gamma Iota covers a four county area, Hale, Swisher, Briscoe and Floyd Counties; while Epsilon Delta includes Lamb and Bailey Counties.

The Delta Kappa Gamma Society was reorganized in 1929 through the leadership of Miss Annie Webb Blanton and eleven associates to unite, honor and protect the professional interest of women teachers. Other purposes are to support educational legislation, establish scholarships, improve economic conditions and promote the study of world conditions that Delta Kappa Gamma members may become more effective members of a world society.

## Hospital Auxiliary Changes Meeting Date To Wednesday

Plains Memorial Hospital Auxiliary announces a change in the regular monthly meetings. The Auxiliary will meet the second Wednesday of each month, beginning May 12. Meeting time for May 12 is 10 a.m. in the Fellowship Hall of Methodist Church.

Executive board meeting will be the first Tuesday of each month. Next meeting date for the board is May 4 at 3 p.m. in the Hospital Board Room.

Those who have not paid membership dues have until May 10 to pay their dues. Deadline of May 10 has been set so new officers may bring their membership roll up-to-date.

Hospital Auxiliary welcomes any new members desiring to join the organization.

## Nazareth American Legion Auxiliary Announces Bake Sale

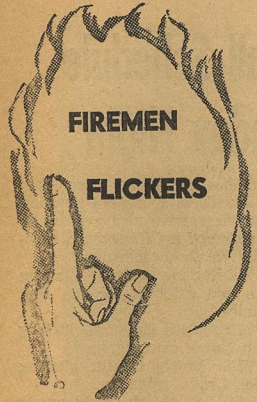

Nazareth American Legion Auxiliary will conduct a bake sale Saturday, May 1 starting at 9 a.m. in Carl's Grocery.

Proceeds will be used for Girls State expenses according to Mary Kleman, president.

NAZARETH SWIFTS' baseball team include (third row) Coach Gibson, Jerry Abernethy, John Backus, Ricky Gerber, Jimmy Hoelting, Tommy Pohlmeier, Art Brockman, (second row) Mark Gerber, Marvin Hoelting, Gerald Braddock, Clyde Schulte, Tommy Conrad, Clyde Venhaus, (first row) Dean Wilhelm, Dale Brockman, Jim Schmucker, and Richard Brockman. Season record is 1-3. —Staff Photo

Hi Folks, at the time we are writing this several hundred citizens of Dimmitt, are enjoying themselves in San Antonio with the band, or fishing, or up in the mountains somewhere. Oh well some of us unlucky folks have to stay home and hold down the fort. Good luck to all of them and here's hoping they are enjoying themselves. Beginning April 1, 1965 the city of Dimmitt, is receiving a 15 percent fire record credit. Folks this means we are getting a 15 percent deduction on the fire portion of the insurance policies that are renewed between April 1, 1965 and April 1, 1966. Last year we had a 10 percent credit but due to the low loss by fire during 1964 we have earned another 5 percent credit. We can continue to get these credits until we reach 25 percent credit, but only if our losses continue to remain low. So folks let's all think of our pocket books and practice fire prevention all the time. Of course a few large losses could start us in the other direction for penalties. The net fire loss for the city of Dimmitt, during 1964 was \$6591.00. Now folks for a city the size of Dimmitt, that is a very low loss ratio. We wish to thank all of you for the co-operation and safe thinking of the past year. Let's all keep up the good work in the future. At this time we would like to mention some of er figures we have that might be of interest to you. The key rate for Dimmitt is now at 24 cents. Our five year (60-64) net loss was \$70,818.00, for a yearly average loss of \$14,163.60. The net fire premiums paid during the same period (60-64) were \$192,214.00, for an average of \$38,442.80 per year. During the five year period we have earned credits from 0 percent to the present 15 percent credit, thereby saving the people money on fire policies. The net fire premiums for 1964 were \$29,055.00, so compare the yearly average and the 1964 premiums and you can see the savings that are passed on to all the people. By keeping our fire losses down to a minimum we are helping everyone, friends, neighbors and ourselves. Your fire department made no calls since the last writing.

Class scheduled for April 29: Pump-er hook ups and water polo.

Parting Words: Lives are Snuffed Out, When Fires Are Not, Save Lives, Save Property, Save Money.

**FERTILIZING LAWNS**

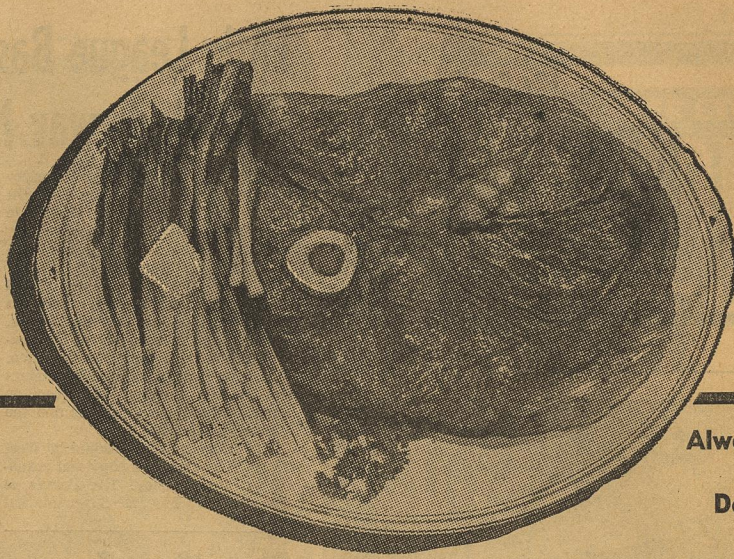

Lawn fertilization time is here again so a few comments this week on this subject should be appropriate.

Keep in mind that you are growing a plant which is primarily vegetative in nature, hence, nitrogen is the key to good lawn grass growth. You should start, however, with a basic application of high phosphate fertilizer such as 11-48-0, 13-39-0, 18-46-0 or 16-20-0. If grades with potassium and sulphur are available, include these in your early spring fertilization program. For the grades listed above, apply about 5 to 8 lbs. per 1000 square feet of lawn space. Then comes the nitrogen program. You can apply nitrogen on the basis of how much you plan to water and mow. A good rule of thumb would be to apply 2 lbs. actual nitrogen per 1 square feet every 4 to 6 weeks. This can be applied by using about 10 lbs. ammonium sulphate, 6 lbs. ammonium nitrate or 4 lbs. urea per 1 square feet. Water in the nitrogen fertilizer following its application.

Proper watering is one of the important phases of good lawn care. When watering a lawn, apply a sufficient amount to wet the soil to a depth of at least one foot. Deep watering encourages deeper root growth which will give you a much better lawn throughout the season and help the grass through the winter. With proper watering and good root penetration, it will be necessary to water most lawn grasses only once every 7 to 1 days. The exception would be drouthy or very sandy soils. Some of the grasses which require more care may need watering more often.

Liquid fertilizers are being developed which will be ideally suited for lawns and which can be applied in a sprinkler system. They will be easy to apply and will do a good job. The equipment, however, to properly apply liquids in a sprinkler system has not yet been fully developed.

The Texas Forest Service headquarters is on the campus of Texas A & M University at College Station. It is one of four state forestry organizations in the Nation associated with Land Grant Colleges.

**Secretaries To Attend Convention**

Two local school secretaries will attend Texas Educational Secretaries Association annual convention in Fort Worth, Friday, Saturday and Sunday.

Attending from Dimmitt will be Mrs. Doris Lindsey, secretary to Paul Hilburn, superintendent of schools and Mrs. Lucille Dollar, secretary to Alvis Fugate, High School principal. Mrs. Dorothy Mercer of Hereford will be going with the Dimmitt secretaries. She is secretary to Hereford school superintendent.

Mrs. Lindsey, chairman of the Auditing committee, will give the annual report of 1964-65 books in a business session Saturday morning.

The convention will be at Western Hills Motel in Fort Worth. Key speaker will be Loyd L. Turner, vice-president of General Dynamics Corp.

Outstanding State Director and Chauncey Hommel was named Outstanding vice-president. Mrs. Hommel was elected area vice-president of Texas Jaycee-Ettes.

Keynote speaker of the convention was Ed Foreman, former U. S. Congressman from Odessa. Foreman "is a success-minded young man who believes that opportunity still exists for those who strive to succeed, and he has proven that neither age, nor financial backing, nor previous business experience need deter any man who is willing to put himself to work." In 1964 Foreman was named one of the Top-100 Outstanding Young Men of the Nation.

**Fort Worth.** He also serves as president of the Fort Worth Independent School Board.

TESA has two main meetings each year which include the annual convention and a one-week workshop in Austin during the summer.

**ANSON VISITORS**  
Mr. and Mrs. V. H. Giles visited a friend who is receiving treatment in a hospital at Anson, last week end.

**FISHING TRIP**  
Mr. and Mrs. Joe Benson and Mr. and Mrs. A. T. Jones enjoyed a fishing trip to Brownwood last week.

**VISITS IN OKLA.**  
Mr. and Mrs. Franklin Latimer and family visited relatives at Higgins recently.

**ATTENDS FUNERAL**  
W. R. Gipson went to Albuquerque, New Mexico last week to attend funeral services for a nephew who died suddenly of a heart attack.

**ANSON VISITORS**  
Mrs. Pearl Sheffy left by plane Tuesday for San Francisco, Calif., where she will visit her daughter and family, Mr. and Mrs. Bryan Webster. Mrs. Sheffy will then leave with friends from Sweetwater for a three-weeks visit in Hawaii.

## EASTER NEWS

Mr. and Mrs. W. O. Markley, Lonnie, Kathy, LaVita and Sonia, Mr. and Mrs. Murray Hall, Lisa and Greg of Dimmitt and Mrs. E. A. Barker and Sharon took Sunday dinner with Mr. and Mrs. H. O. Markley.

Mr. and Mrs. W. L. Westbrook of Carrollton, Texas spent the Easter week end in the home of Mr. and Mrs. John Burnett. They all visited with Mr. and Mrs. Gary Burnett at Dalhart, Sunday.

Mr. and Mrs. William Moss and family spent Easter Sunday in Memphis visiting their parents, Mr. and Mrs. Grover Moss and Mrs. I. R. Mitchell.

Tom Bob Moss of Canyon was visiting his parents Mr. and Mrs. William Moss during the Easter holidays.

Mr. and Mrs. W. O. Markley, Lonnie and Kathy were at Conchas Lake from Sunday until Tuesday, fishing.

Mr. and Mrs. Gary Burnett of Dalhart is visiting his parents this week, Mr. and Mrs. J. H. Burnett.

Mrs. John Burnett and Mrs. Gary Burnett transacted business in Duke and Altus, Okla. Wednesday and visited Mrs. John Burnett's mother in a rest home at Mangum, Okla.

Mrs. B. A. Turner of Ventura, California is visiting with Mr. and Mrs. W. A. Epperson. Others visiting were Mr. and Mrs. Marvin Turner and Jimmy.

Mr. and Mrs. Leo Hall, Reba and Ronnie spent Easter week end visiting their daughter and family Mr. and Mrs. Derrall Culp and Keith at

Wilcox, Arizona. They returned home by way of El Paso and went across the line into Juarez, Mexico.

Joe and Glynda Pryor of Odessa spent Easter week end with Mr. and Mrs. W. A. Epperson.

Mr. and Mrs. Eldon Howell, Mr. and Mrs. Ben Medley and Sandra, Mr. and Mrs. George Miller and Mr. and Mrs. Ray Howell of Hereford were visiting the Eppersons and Trent Downings Easter Sunday.

Leo Hall was in Wellington last week to see his Dad, who was in the hospital there.

The Easter Club met Thursday in the home of Mrs. Trent Downing. Those present for the meeting were Mesdames, Fred Walton, Leo Hall, Sam Scarborough, William Moss and son, Wendell Markley, Dale Maxwell, John Burnett and the hostess. Other children present were Kathy, LaVita and Sonia Markly and Laura Downing.

Mr. and Mrs. Buck Gross of Dimmitt spent Sunday with Mr. and Mrs. J. H. Flood.

Mrs. Bob Boone of Springlake spent part of last week with her sister and family, Mr. and Mrs. Bill Struve, while her husband was on a fishing trip.

### Parkers Have New Son

Mr. and Mrs. Curtis Parker are the proud parents of a son born Tuesday morning, April 20, at a Muleshoe hospital. The young man weighed in at six pounds and fourteen ounces, and was named Kerry Lynn. Mr. Parker is manager of Anthony's Dry Goods Store in Dimmitt.

## GSPA Approves Current Seed Grain Law

Farmer-directors of the Grain Sorghum Producers Association at a meeting in Amarillo, Texas, on Tuesday, April 20, unanimously approved the confirmation and extension of the current feed grain law.

The law provides for a program of diversion payments, price support loans and certificate payments for farmers who divert parts of their crop land from farm production. The action is in effect an endorsement of the program requested by President Johnson and outlined by Secretary Freeman before Congress several days ago and it is now known as the Agricultural Act of 1965.

The directors also endorsed several changes asked by Freeman from the current operation of the law including:

- (1) Removal of a 20 percent minimum requirement for participation in the program.
- (2) The number of certificates received by each farm to be based on the "projected farm yield" rather than the "normal yield."
- (3) The taking into account "the extent of participation by the producer" in determining the scale of payments, which in effect moved to a graduated scale rather than a fixed percentage of participation scale.
- (4) The permission for producers to have acreage devoted to soybeans considered within limits set by the Secretary.
- (5) The provision for distributing certificates on a "fair and equitable basis" instead of requiring them to be distributed on the basis of respective shares between landlord and tenant, but added that the provision should not in any way alter the contractual agreement for the farm rental.
- (6) The establishing of a "tolerance" between sign up for participation in the program and slight errors in acreage planning.
- (7) The limitations of payments of 50 percent of the price support rate to be removed from the acreage diversion program.
- (8) A continuation of the current provision for permitting substitution of wheat and feed grains.

The grain sorghum growers took exception to the Secretary's request that soybeans be allowed to be planted on "diverted acres" from feed grains in that it was felt that he had adequate opportunity for expanding soybean production from the provision allowing soybeans to be planted on feed grain acres.

The growers also agreed to request a "four year" Bill instead of the "two year" program asked by U.S.D.A. Officers of the GSPA have been invited and are scheduled to appear before the House Committee on Agriculture on Wednesday, April 28, 1965. The foregoing direction will be the basis of the Association's testimony.

It is noteworthy to farmers that Kermit Gordon, erst-while farm issue embroiled director of the Budget for President Johnson, has resigned. Gordon, in this usually inconspicuous job, became nationally infamous in January with his attack on farmers and farm programs along with ambiguous conclusions as to farm costs and income. Also significant is the naming of Charles L. Schultze as new Director of the Budget. Schultze, formerly Ass't Director, had resigned in February during the farm issue hassle, but now returns as "head man."

SUZANNE BROWN

## Brown-Burt Plan June Vow Exchange

Mrs. W. E. Brown announces the engagement and approaching marriage of her daughter, Suzanne Gladys, to Samuel Edward Burt of Lubbock.

Miss Brown, daughter of the late Mr. Brown, is a graduate of Incomate Word High School. She attended San Antonio College, the University of Texas and was graduated from Texas Technological College in Lubbock. She was a member of the Newman Club, Sigma Alpha Eta, Student Education Association and National Speech and Hearing Association. She is presently a member of the Texas State Teachers Association and the Association for Childhood Education.

Mr. Burt is the son of Mr. and Mrs. Carl McClung Burt of Nazareth. He was graduated from Nazareth High School. He will receive his B. S. degree in May from Texas Technological College, where he is a member of Newman Club, Chi Rho, and the American Institute of Chemical Engineers.

The wedding will be June 12 in St. John's Catholic Church in San Antonio.

### HERE FROM HUNTSVILLE

Joe Cowen, student at Sam Houston State Teachers College at Huntsville, was here for an Easter visit in the home of his parents, Mr. and Mrs. Joe Cowen.

## Littlefield Club Plans Tournament

The Littlefield Country Club will be the scene of Domino and Bridge Tournament sponsored by the Ladies Golf Association for two nights, May 7 and 8. Play will begin each evening at 8.

First and second place trophies will be awarded in each event. Mrs. Alvin Webb will be the director of the bridge games, which will be regular progressive bridge. Concessions, sandwiches, desserts and coffee will be served.

Mrs. Jerrel Haberer is president of the sponsoring women's group. Admission will be \$2 for both nights.

## Marcos Martinez Injured Sunday

Marcos Martinez was injured in a one car accident Sunday afternoon on a county road according to Castro County Highway Patrol.

Martinez's '57 Chevrolet station wagon started skidding on the road, landed in the bar ditch and turned over according to patrolmen.

Injuries sustained by Martinez included broken collar bone and two or more broken ribs. He was taken to Plains Memorial Hospital by Dennis ambulance.

As many as 10,000 products are made from trees, the Texas Forest Service reports.

Everything you ever wanted in a pickup... is in the new INTERNATIONAL action-packed line

There's an INTERNATIONAL Pickup for every job—2 styles—3 sizes—over 40 different models. They have all-steel bodies that won't warp, rotor splinter. Tough steel channel frames and rugged axles add extra strength. And the cabs are wide and roomy.

Every engine is built to do a truck job. Choose the economy 4, bigger 6's or V8's—get up to 193 hp. You'll see every feature, every option, everything you ever wanted in a pickup. And you can buy one (or a fleet) for much less than you expected to pay.

New **GROWTH** and **DIVERSIFICATION** reported by **El Paso Natural Gas Company**

### EARNINGS SUMMARY

	1964	1963
Earned per common share (a) \$	1.41	\$ 1.21
Operating revenues	512,848,271	512,251,974
Net income from operations (b)	38,797,031	34,526,959

(a) After preferred dividend requirements and based on net income before non-recurring items.  
(b) Before non-recurring items involving a loss in 1964 of \$5,115,943 principally from write-down of book value of certain oil and gas properties of El Paso Natural Gas Products Company; and a gain in 1963 of \$10,353,415 from sale or other disposition of certain non-utility properties and securities.

The substantial financial progress indicated in accompanying charts tells only part of El Paso Natural Gas Company's 1964 growth story.

El Paso Natural marketed a record 1.36 trillion cubic feet of gas last year. But we added 1.7 trillion cubic feet to reserves, bringing the total reserve to 35.6 trillion cubic feet by the end of 1964—a 26 year supply at the present rate of sales.

And demands for gas continue to rise. We are presently seeking Federal Power Commission authorization to supply substantial additional quantities of gas to Southern California, a major market.

Rapid diversification continued in 1964, through subsidiary companies, in such growth fields as petrochemicals, fertilizers and oil and gas production.

### Highlights:

- Construction began on plants to produce raw materials for 40 million pounds per year of Nylon 66 yarn, in a joint venture with Beumit Corporation. Through a subsidiary, we acquired more than 30 per cent of Beumit stock.
- A plant owned jointly with Rexall Drug and Chemical Company went on stream at rated capacity of 27.5 million pounds per year of polypropylene.
- Production capacity of polyethylene in a plant owned jointly with Rexall was upped to 165 million pounds per year and is being further increased 45 per cent.
- Construction began on a new plant to process 100,000 tons per year of phosphate fertilizers.
- Other important diversification projects have been undertaken.

For the story of El Paso Natural's growth and operations in 1964, write for the 1964 Annual Report, El Paso Natural Gas Company, El Paso, Texas, 79999.

Arbor Day in Texas is the third Friday in January, the Texas Forest Service reports.

Arizona. Mrs. Nelson's grandfather Mr. Plegier, is seriously ill.

Rain was reported varying from .55 to .90 of an inch.

### Nazareth Girls' Volleyball Team To Attend State

Nazareth Swiftettes won a berth to state volleyball tournament in Abilene when they won first in regional volleyball at Lubbock Friday and Saturday.

The Swiftettes defeated Morse, 15-5 and 15-4 in an early Friday morning game. Scoring in the semi-finals against Sammorwood were 15-13, 2-15 and 15-4.

In the finals Saturday morning the Swiftettes defeated Amherst, 15-9, 8-14 and 15-7 to win first place in the tournament.

The Swiftettes will attend state volleyball tournament in Abilene Friday and Saturday. Coaching the

**TWO HART HIGH SCHOOL** students look over the new annual this year. "The Longhorn" displays a black and gold cover with a symbolic torch on the front cover and the silhouettes of a boy and girl. Exploring the annual are Becky Burress, junior and Kay Lynn Porter, sophomore.

### Cub Scouts To Have Safety Day

Cub Scout Pack 267 met in regular pack meeting Tuesday night in the basement of the courthouse.

Plans were completed for Safety Day Saturday from 10 a.m. to 4 p.m. Cub scouts will be patrolling the city under the supervision of the Sheriff and city police departments.

The money made during Safety Day will be used for camp outs and supplies for the Cubs.

Fines will be levied for violating any traffic law. The Cubs patrolling will be under adult supervision.

### Meeting Proposed For Persons Interested In Forming Art Assn.

Anyone interested in oil painting or forming an Art Association here is urged to attend a meeting Tuesday, May 4 at 8 p.m. in the Jeanne Campbell School of Fashion, located back of Rawlings Hotel.

For additional information call Theo Campbell, 647-3062 or Mrs. Harry Smith, 647-4616.

### Bright Colored Flowers Good for Gardens

A rather general garden problem is to find a flowering plant that will bloom heavily and produce bright color effects throughout the summer in semi-shaded or shady situations.

Dwarf forms of Impatiens are one

of the few garden annuals that can be depended upon to show an abundance of color throughout the summer in a shaded location. For complete satisfaction in such areas it ranks with the various species of Begonia.

It is an excellent subject for edging flower beds and shrub borders, as a bedding plant, in window boxes, hanging baskets, tubs and patio planters.

Many varieties are available on the market today that provide a color range from sparkling white, through bluish pink, salmon, rose, carmen to fiery scarlet.

Various types can also be obtained that produce plants from 6 inches to twelve inches high, and some as tall as 2 feet.

Some of the older sorts have been garden favorites for many years and have been called a score of common names such as sultana, patience, touch-me-not, and others.

The foliage of the many varieties of Impatiens is also a decided asset to the garden picture. Many of the common varieties have bright fern-green leaves with white edges and still others produce dark reddish leaves.

Impatiens, like several other garden annuals, are best started in late spring or early summer. While it is easy to start from seed, many gardeners like to purchase and then propagate additional plants from cuttings that are extremely easy to root. The variegated green and white forms must be propagated in this manner.

Tip cuttings may be made from the plants in the garden beginning as soon as two weeks after planting. If cuttings are not desired, the tips should be pinched out as soon as the plants are well established to produce bushy, full, compact plants.

This plant will begin to bloom heavily as soon as it is established and will continue to produce flowers until

the first heavy frost. Tip cuttings taken in September can be used to produce showy potted plants for use in the home during the winter months.

The most recent introductions from Europe are the dwarf varieties of Impatiens sultani that spread as much as 2 feet in diameter yet grow only about 6 to 8 inches high, with individual flowers as large as 1 inch across. The varieties have a wide range of unusual colors of Impatiens both in mixtures and solid colors.

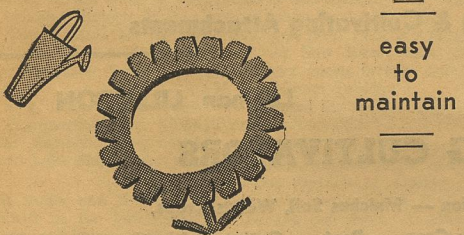

Varieties of Impatiens hoisti are similar in some respects, but the plants grow from 2 to 3 feet tall, and they produce larger leaves and flowers.

All the Impatiens have brittle translucent stems and glossy foliage. The flowers are spurred like columbine and are borne in clusters that are held well above the foliage.

If you have been searching for color for a shady spot in the garden, Impatiens are well worth a trial. They also will bloom beautifully indoors during the winter months.

Trees have always held an important place in man's way of life. They provided early man his weapons with which to hunt his food and defend himself. Trees also helped provide food, shelter, and fuel.

According to the Texas Forest Service, the first steam sawmill in Texas was placed in operation in 1830 at Harrisburg, now part of the city of Houston. Pine logs were floated down Buffalo Bayou to the mill.

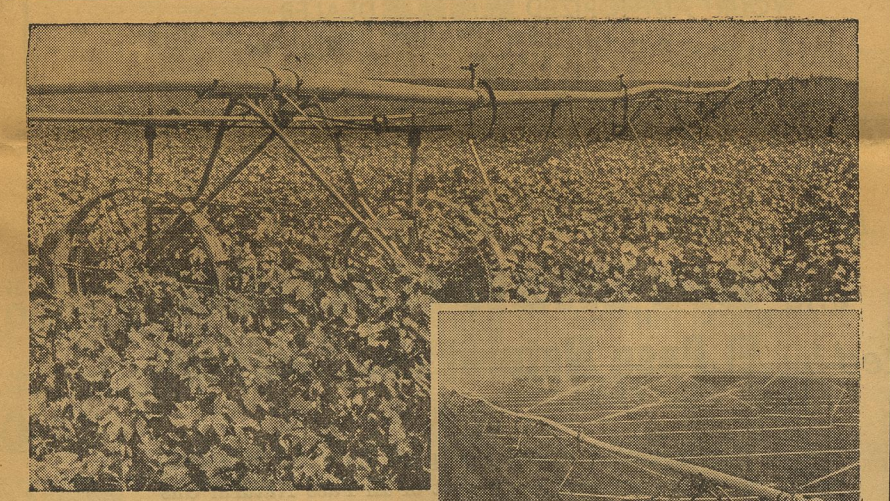

## CHEVY II

Easy care is its middle name. Body by Fisher quality and lasting beauty. Husky Safety-Master brakes adjust themselves. A Delcotron generator helps protect battery life. Exhaust system materials resist rust. Economy-minded engines with the gumption you like for your many coming-and-going trips. What's it all add up to? Dependability! ### Tri-Matic IRRIGATION SYSTEM

#### LABOR SAVER

With the Tri-Matic, one worker can water up to 48 acres a day and can operate four Tri-Matic Systems at the same time. He can water 640 acres in less than 14 days. Less than one man hour of labor per watered acre is required for the entire watering season.

#### WATER SAVER

With the Tri-Matic, you can get better water distribution and conservation. The Tri-Matic is designed to handle 200 to 2,000 gallons per minutes on 1/2 to 6 acres per setting.

With the Tri-Matic Multi-Line System, you can operate as many as four 1/4 mile sprinkler lines simultaneously. This will give you 6 acres watered per setting. The Tri-Matic operates backward or forward and may be driven or towed endways to an adjacent field. It may be guided to the right or left while watering.

The Tri-Matic is the most economical mechanical move irrigation system on the market today and has been called the industry's most intelligent answer to mechanized irrigation. There are hundreds of satisfied users of the Tri-Matic throughout the Plains area.

### Care And Storage Of Electric Blankets

It's time to think about storing electric blankets, reminds Mrs. Doris Myers, Extension area specialist in home management at Texas A & M University.

In recent testing conducted by Consumers' Research Inc., the non-profit testing organization in Washington, N. J., results showed that electric blankets should never be dry cleaned or machine washed - no matter what claims the manufacturer

might make to the contrary. Study results pointed out that dry-cleaning fluids might attack the insulation that covers the wiring, and the tumbling action of a washing machine can cause a break in the wiring that runs through the blanket.

Damages also could result from any excessive twisting or squeezing, which led the researchers and engineers to conclude that electric blankets should be washed only when absolutely necessary - and then only by hand.

In hand washing, the researchers caution against any wringing action and recommend that excess water be

removed by gently squeezing the fabric in the direction that the wires run.

If the blanket is not too badly soiled, it may be aired by gently placing it across parallel lines on a still day. After airing, it should be folded gently and stored in a box, the specialist says.

"If it is just placed on a shelf, other blankets may put too much weight on the wires and cause the insulation to break," Mrs. Myers warns.

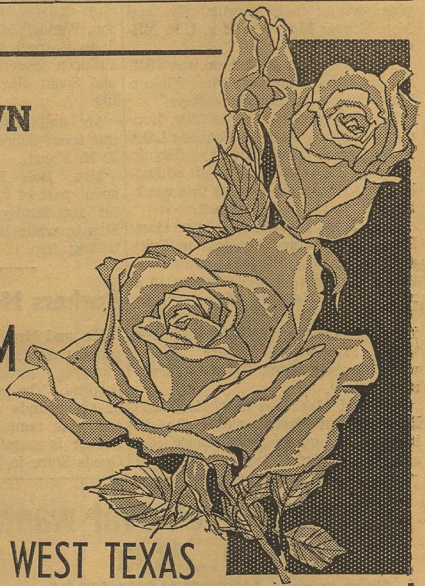

"Octopus" is a Greek word meaning "eight feet."

## A weekly public service feature from the Texas State Department of Health

**Accent on Health**

J. E. PEAVY, M.D.  
Commissioner of Health

Home gardeners by the hundreds and thousands emerge with the coming of warm spring weather to spade beds, plant seed, spread fertilizer, mow grass - and the other countless minor tasks attendant to keeping the lawn neat and attractive.

And gardening is excellent therapy for both mind and body. For those who enjoy digging in the dirt, gardening offers good exercise, fresh air and sunshine after a winter of being cooped up indoors.

Remember, though, to follow a few safety pointers and precautions and your gardening will be a healthier, happier experience.

First, don't let your enthusiasm carry you away your first time out. Take it easy, at least for the first few sessions. Don't try to work a 10-hour day at hard manual labor on the first day weekend. Take frequent rest breaks and work at a pace that isn't too tiring. As the season advances, your muscles will limber up and toughen, and you will be able to do more with less discomfort.

Cuts, scratches and bruises are the fate of most gardeners. Usually they aren't serious. Clean minor cuts with warm water and soap and cover with a light bandage.

Tetanus lurks in the soil. If your immunizations are not up-to-date, see your doctor about a booster shot of tetanus toxoid at the beginning of the gardening season.

Stop and think about safety - be

## Senator YARBOROUGH'S REPORT

Dear Fellow Texans:  
The Medicare bill which recently passed the House will be considered

fore handling garden tools, especially power equipment such as lawn mowers. Always turn off the mower, saw or whatever when you add gasoline to the tank.

Never use electric equipment in wet or damp grass. And always read the safety instructions that usually accompany power tools.

Pesticides can be a gardener's best friend if he uses them wisely, but careless use and storage of pesticide can cause serious accidents. Always read th instructions on the package carefully and obey their safety warnings. Pesticides are safe, if properly used and kept away from children.

Don't let carelessness rob you of the enjoyment gardening can bring you this spring.

in the near future in the Senate. Although much attention has been given to the major provisions of this bill, there are several smaller changes which have been given little attention, even though they are important.

Perhaps one of the most important of these changes is to give a larger medical care program to the needy and the medically needy. The amount which the Federal government will contribute to medical care for the aged under matching grants with a State will be increased from the present law of 50-50 Federal-State sharing basis, to a 75 per cent Federal share, with the State putting up only 25 per cent.

There will also be an expansion of the services for maternal and child health, crippled children, and the mentally retarded. The provision which presently limits the Federal government from participating in public assistance to aged individuals in tuberculosis or mental disease institutions will be removed under the new law, providing Federal help will improve their medical care.

A new provision is also added which would authorize a 5-year program of "special project grants" to provide comprehensive health care and services for needy children of school age, or for preschool children, particularly in areas with concentrations of low-income families.

All of these programs which have been largely neglected in publicizing the bill are important in meeting the medical and health needs of our country, and will go a long way in providing a more comprehensive medical program in this nation.

LUCKY FISHERMAN, Dero Cates, has a real fish story. He caught these two yellow catfish at Lake Corpus Christi. The fish on the left weighs 36 lbs. and the catfish on the right weighs 31 lbs. Cates caught the two fish on a trot line during a three-week fishing trip. The Cates' returned home last Thursday with 300 lbs. of fish. —Staff Photo

### Nazareth News

(Delayed)

Jerome Hanson son of Mrs. Marie Hanson received his PFC stripe at the station in Mannheim, Germany and is now a Private First Class.

Mrs. Marie Hanson had as dinner guests on Easter Mr. and Mrs. Dan Hoelzer and children, Kevin and Catherine from Friona, Mr. and Mrs. Rodney Green and Peter from Fort Worth, Mr. and Mrs. Jerome Hanson and daughter De Ann and James and Agnes.

Mr. Dan Schmucker, Mr. Paul Venhaus, Mr. Fred Acker and Mr. Ralph Albracht went to a Baseball League meeting in Pampa Monday night, April 12th.

Rev. Mr. Elmer Albracht and his friend Mr. Jim Rasner of Conception, Mo. are spending a week visiting the Florence Albracht Family.

Miss Linda Huseman and Miss Charlyn Braddock, Aspirants at St. Scholastics, Fort Smith, Arkansas spent the Easter vacation with their families.

Miss Paulette Brockman and Miss Theresa Pohlmeier are spending the Easter Holiday at home. They attend school at St. Scholastics Academy in Fort Smith, Arkansas.

Students home for the Holidays from Texas Tech were Miss Shirley Brockman, Miss Betty Book, Miss Jeanette Huseman, Denis Gerber and Lester Schulte. From Tarleton College were Tommy Wethington and Julius Birkenfeld.

From West Texas were Greg Ven-

haus, Ralph Schulte, Art Albracht and Molly Lupton.

Enjoying Easter dinner with their parents Mr. and Mrs. John Stork, Mr. and Mrs. Bill Hill and family, Mr. and Mrs. Virgil Pohlmeier of Tulsa, Mr. and Mrs. Leroy Pohlmeier, Mr. and Mrs. Albert Gerber and family, Mr. and Mrs. Bud Leinen and family of Dimmitt, Mr. and Mrs. Denis Heiman and family and Mr. and Mrs. Jim Bell and family of Odessa.

A farewell party for Mr. and Mrs. Vernon Braddock and family who are moving to Fort Worth where he will be employed at a Dairy was held in the Legion Hall Easter evening by a large group of relatives and friends.

Mr. and Mrs. Frank Hoelting had their children home for Easter dinner, Mr. and Mrs. Cecil Hoelting and family, Mr. and Mrs. Dick Hoelting and family, Mr. and Mrs. Ronnie Hoelting and family and Mr. and Mrs. Bayard Heys and family of Plainview.

Sister M. Generose of St. Josephs School, Amarillo visited her relatives here over Easter. She brought a niece and nephew from Dalhart with her.

Mr. and Mrs. James Wilhelm had Easter supper for the Ed Wilhelm families, Leonards, Francis, Jerrys and Ernie Brockmans.

Most families in our Parish had a family get together of some kind Easter Day. It would take lots of space to write them all.

Mr. and Mrs. George Brockman visited relatives here on Easter.

Mr. and Mrs. Math Albracht, Villie, Mary Margaret, Peggy visited their mothers Mrs. Lizzie Gerger and Mrs.

### Social Security Benefits Discussed

If a worker in your family dies, some member of the family should inquire at the nearest social security office to see if benefits may be payable, Hal Geldon, Social Security District Manager in Amarillo, advises.

The Social Security Administration can help to partially replace income lost caused by the death of the head of the family.

Nine out of 10 young American children and their mothers can count on survivors benefits to keep the family together if the breadwinner dies. Survivors benefits may be payable to young children when a working mother dies, even though the father is the family's primary source of support.

The average benefit paid to a widowed mother with two children is about \$193 per month. The benefit payable to a family ranges from \$60 to \$254 per month.

If you want to know more about social security for the families of deceased workers, visit, write, or telephone your social security office at 1006 Adams Street, Amarillo. The people there will be glad to give you any information or assistance you need.

### Bennett Attends NFSA Meeting In Chicago Recently

Mr. W. F. Bennett of Western Ammonia Corp. of Dimmitt, Texas a member of the National Fertilizer Solutions Association Agronomy Committee, recently attended a meeting of that committee at the Flying Carpet Motor Inn in Chicago.

According to NFSA President James Merriman, Merriman Service, Monticello, Illinois, this committee has been established for the benefit of NFSA members and others who have need of its services. Its function is to provide professional assistance in the area of soil fertility and fertilizers, to keep abreast of the developments and research being done along these lines, and through Fertilizer Solutions magazine, the official journal of the NFSA, make this information available to readers of the magazine.

Mr. H. H. Tucker, Agricultural Services Director of the School Chemical Co., Lima, Ohio, is chairman of the committee.

Mr. ZENITH Bill Henderson

### Presenting The VERSATILE Eversman 329

Longer, Heavier Stronger—Built To Sell at a LOWER COST

The main wheels of the EVERSMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST.

OUTSTANDING FEATURES—Length 32'6". Width 12'. Blade capacity 1 1/2 cubic yards. Blade vertical travel 15". Weight 2010 pounds. Front Y smoother blade for dod busting and use on heavy dry soil. Front Dolly Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front dolly provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

There are Eversman models to fit all standard farm tractors.

# TAILWATER RETURNED

Water is money to the Farmer! It means increased production and increased profit! Gifford Hill-Western can design and install a Tailwater Return System that can make your water produce more profit from your farm. Check these advantages:

1. 20 to 25 percent increase in additional water for irrigation purposes.
2. Use of a large head of water to get water to end of rows quicker, providing more uniform moisture penetration.
3. Improved plant growth because of warmer water temperature. Cold ground water causes a temporary cooling of the soil and reduces rate of growth for a few days.
4. Prevents ponding at lower end of field which interferes with plant development.

... 4 good reasons to learn more about a tailwater return system for your farm. Your Gifford-Hill-Western Sales Engineer or Sales Office can help you put your tailwater to work. It's the cheapest water you can pump!

### COW POKES

By Ace Reid

"Naw, he don't look fast, but jist wait 'till his owner holds out that oat bucket!"

# THE FIRST STATE BANK

of Dimmitt

MEMBER F. D. I. C.

Walter Rogers'  
**WASHINGTON  
NEWSLETTER**

The basic right of private ownership of property is being seriously

challenged. The method being used affects only a few people at a time, publicity. It is the exercise of the right of eminent domain by the Federal government. Eminent domain has been defined by the Supreme Court as "the right or power to take private property for public use." More precisely, it is the right of the nation or of the State or the sovereign power, or of those to whom the power has been lawfully delegated, to condemn private property for public use, and to appropriate the ownership and possession of such property for such use on paying the owner a due compensation to be ascertained according to law. This right or power in the sovereign to take private property is supposedly justified on the existence of a common necessity and interest of the whole community that overrides the basic right of the individual. The exercise of the right of eminent domain by the sovereign is usually and commonly called "con-

NAZARETH FHA'ers attending State Convention in Dallas last weekend include Mrs. King, sponsor, Sandra Huseman, Joan Acker, Viola Schacher, Nancy Drerup and Raelene Schulte. Receiving State degrees were Viola Schacher, Joan Acker and Sandra Huseman. See story. —Staff Photo

demnation." I was taught in law school that condemnation was a harsh procedure because it was the action of the all-powerful government taking property from a private citizen without his consent. It is true that the private citizen is entitled to just compensation; however, the owner of the property might not want to sell it for any purpose. Since such action by the government was unusual and harsh, it was generally taught that there must be a present need for the use of the property for public purposes; a present need or necessity that completely overshadowed the rights of the individual owner.

In recent years there has been a marked change in the thinking of government officials on this subject. A school of thought has developed on the theory that "anticipated" needs of the government should be ample justification for taking private property from a private citizen. In other words, if government officials think that the government might need some land for highways, reservoirs, building sites, recreation purposes, military establishments, or any other purposes in the future, condemnation proceedings would be justified to take the property and hold it in government ownership until a need arose. This is in direct conflict with the basic proposition that there must be a present public need and necessity for the property. However, this conflict does not deter the government-minded bureaucrats, many of whom have been raised in government, and have never had to meet a payroll or past due rent in their lives. An excellent example of the wrongs that can occur under such thinking took place within the shadow of the

**Nazareth FHA  
Represented At  
State Convention**

Nazareth FHA'ers and sponsor left early last Thursday morning and joined other Panhandle FHA groups in a chartered bus trip to State Convention in Dallas, April 22-24.

Attending from Nazareth were Raelene Schulte, incoming president; Nancy Drerup, highest points earned in local chapter; and Viola Schacher, Joan Acker and Sandra Huseman, State Degree winners.

Theme of the convention was "Home Life: Foundation For Peace." Main speaker was Rev. Ted Corbet of Lubbock.

Nancy Hicks, outgoing state president gave a speech on "Home Life, Our Concern."

Friday night at the convention, the girls enjoyed a musical program "Faraway Places." Exchange students gave short speeches, songs and dances from their country.

Capital. Some years ago government officials decided that a new airport site was needed near Washington. They chose what was called "The Burke Site" in northern Virginia near the Potomac River and very close to the Capital. They condemned this land, ran landowners off the land whose families had occupied it for some 200 years. This property was then held by the government without being used for airport purposes or any other purpose. It was subsequently determined that a grave mistake had been made and that an airport could not be properly located at this site. The government officials then moved further up the Potomac and chose a place near Chantilly, Virginia (which is the present location of Dulles International Airport). They started condemnation proceedings against the landowners in that area. Some of the landowners at the Chantilly site were the identical landowners who had been kicked off of their land at the Burke site. They told the government that they would be most pleased to trade their Chantilly land to the government for the land that had been taken away from them at Burke, or that they would repurchase the land at Burke from which they had been ejected at the same price that they had been paid. The government officials advised them that this could not be done, even though the Burke site had never been used for the purpose for which it was condemned. These citizens, who were being ejected from land which they owned as private owners twice in a few short years by their own government, were told by government officials that the land at the Burke site had increased in value due to the expansion of the city of Washington and its environs, and that if they wanted their former homes it would be necessary that they pay the Federal government a profit. Several of us in the Congress tried to correct this situation but we were overruled.

We are presently undertaking another movement to put a stop to Federal bureaucracy trampling on the rights of individual citizens in this manner. We hope to be successful this time.

KANSAS VISITORS  
Mr. and Mrs. Melvin Summers and Charles and Mrs. Ross Summers visited relatives in Wellington, Kansas during the Easter Holidays.

**Guard Food Quality  
With Proper Care**

The quality of food homemaker serve can be no better than the quality of food they buy - but it can be a lot worse.

Proper handling and storage of foods is important, says Mrs. Gwen Ciyatt, Texa A & M University Extension specialist in consumer marketing.

Potatoes need careful storage, and they keep best in a cool, dry, dark, well-ventilated place. If put in a warm place, potatoes shrivel and sprout. In a cold place, the starch in potatoes changes to sugar.

Citrus fruits, melons and pineapples actually have better keeping quality when kept out of the refrigerator, at a room temperature of 60 to 70 degrees Fahrenheit.  
It's advisable to refrigerate eggs in the original container or some other covered container because uncovered eggs lose moisture through their porous shells.  
Salad dressings should be kept in the refrigerator unless they're used within a few days.  
Even jellies, jams and peanut butter - once opened - keep best in the refrigerator.  
There's little or no danger of food becoming unsafe to eat when it is kept in a refrigerator with a temperature of 42 degrees Fahrenheit or below, because foodpoisoning bacteria can't grow at these temperatures.

# Musical Excitement Offered In "Tempo 'n Time"

## Fourth, Fifth And Sixth Graders Join Together In Song To Bring Annual Spring "Tempo 'n Time" Directed By Miss Robinson

DOING THE MEXICAN HAT DANCE are Teresa Acebedo, Hector Gonzales and Estella Gutierrez for the annual "Tempo 'n Time", spring musical. —Staff Photo

Kathleen Robinson has brought something new and exciting to the public school program of North Grade School. Through her annual spring program "Tempo 'n Time", Miss Robinson has used innumerable children and displayed the many talents of these young people. A graduate of Texas Tech, Miss Robinson has a fine musical background.

This year's production will be staged tonight at 7:30 in the High School auditorium. There will be no admission charge but donations will be accepted after the program.

The musical will be the end result of months of planning and work. Miss Robinson started this program immediately after finishing the Lions Club Follies in March.

Hours have been spent in selecting and locating appropriate music for this age group. Special arrangements have been worked out and developed. Auditions were held for special parts. Costumes planned and ordered took a great deal of time.

At this point Miss Robinson began work with her assistant director, Alice Cowen, in writing and coordinating the script. The entire program had to be written.

James W. Bates began the choreography with the individual dance groups. Plans were set up for special lighting effects to be carried out by Dan Leinen.

During the spring holidays, Miss Robinson worked with set director, Marysue Hicks, designing and painting numerous stage sets and putting last minute touches on special costumes.

The program had to be prepared. Hours and evenings of long hard work are required to produce a musical of this magnitude. Nearly 200 children are participating in this program. Miss Robinson has done a magnificent job in training these young students.

Assisting with the planning and execution of the program are Mrs. Alice Cowen, assistant director; and Mrs. Courtney Armstrong and Mrs. Geneva Schaeffer, co-chairmen of program. Serving on the mother's committees are Mesdames Maxine Tidwell, Judy Birdwell, Mae Hargrove and Gail Bruegel.

Special assistance has been given by Weldon Skinner, Helen McLean, Ward Golden, Robert Singer, Charles Houtchens, James Bates and Dan Leinen.

Publicity credits go to Maxine Tidwell, J. B. Lynn and Nelda Thomas from the Castro County News.

Theme of part one of "Tempo 'n Time" is "Love Makes the World Go Round" while the theme of part two is "This Land is Your Land."

Perry Floyd, son of Mr. and Mrs. W. E. Floyd, narrator, will take the audience on a tour of the world. France, Russia, Finland, England, Ireland, Holland, Switzerland, Germany, Africa, China, Israel and Mexico will be visited. Native costumes and dances of the countries will be demonstrated.

The opening number from "Kiss Me Kate" will be "Another Openin, Another Show" with the entire fourth, fifth and sixth grade choirs. The first stop will be Russia with a dance by Clay Armstrong, David Schaeffer, Norman Hays and Terry Sofie. Native Russian costumes will be modeled by Pam Otte and Donnie Finmore.

Finland featuring Vickie Hunter and Andy Taylor will be the next stop and on to Ireland with Sue Mooney and Bob Brock. Irish jigs will be done by Robert Johnston, Lee Ann Hill, Joseph Yokely and Judy Birdwell doing the Irish washerwoman.

From Ireland the next stop will be England and the cricket grounds with Deanna Hargrove and Terry Powell. A hop and a jump to Holland where Debra Hasley and Glenn Fillinham will display Dutch children. Dancing to "The Little Dutch Boy and Little Dutch Girl" will be Butch Taylor, Rhonda Tidwell, Dean Summers and Patti Jackson.

Next to Switzerland with Trena Schugart and Mike Chester with a stop in France with Sherry Brooks and Larry Jack Kirby are scheduled in the "Around the World" trip.

The Orient is next with costumes modeled by Nancy Tisdale and Gary Lawson. Dancing to "The Red Pogoda" will be Kim Brandon, Laura Jean Lively, Delores Waggoner and Elaine Cook.

"The Happy Wanderer" provides the setting for Germany with Lisa Huckabay while the "Road of Pretoria" is the setting for Africa. Rita Hargrove and Mike Elder will model African costumes.

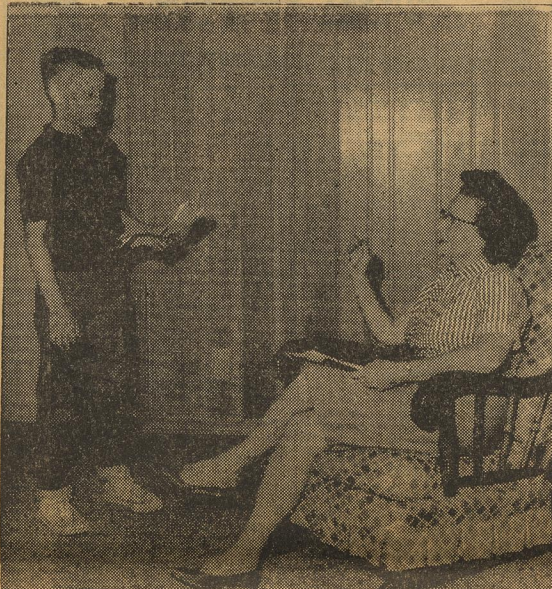

A skip over to Israel with costumes by Toni Sanders and Johnny Raper and a final stop at Mexico with the "Mexican Hat Dance" featuring Estella Gutierrez and Teresa Acebedo.

JOHNNY SPRINGER AND DENNY POWELL practice antics for the clown act in "Tempo 'n Time" tonight at 7:30 on the high school stage. —Staff Photo

GAIL BRUEGEL fits Hawaiian costumes on Teresa Underwood, Sheri Bruegel, and Rebecca Stanford who will dance to "Christmas Island" in the musical "Tempo 'n Time" tonight at 7:30 in the high school auditorium. —Staff Photo

PERRY FLOYD receives instructions from Mrs. Alice Cowen in reading the script for this spring musical tonight at 7:30. —Staff Photo

KIM BRANDON practices a dance from "The Red Pogoda" in an unusual costume of pink satin and gold brocade for the annual spring "Tempo 'n Time" to be tonight at 7:30 in the high school auditorium. —Staff Photo

COURTNEY ARMSTRONG checks the Russian cossack costumes of her son, Clay Armstrong, Terry Sofie, Norman Hays and David Schaeffer. These youngsters will be part of the annual musical "Tempo 'n Time" tonight. —Staff Photo

KATHLEEN ROBINSON, DIRECTOR assist soloist Glenn Fillingim (left), Swiss boy, Mike Chester and soloist Larry Jack Kirby (right) in final preparation for "Tempo 'n Time", annual spring musical directed by Miss Robinson. The musical is tonight at 7:30 p.m. in the High School auditorium. —Staff Photo

UNCLE SAM is depicted by Gene Gee in the musical "Tempo 'n Time" scheduled tonight at 7:30 in the high school auditorium. Assisting him with his costume is Mrs. Geneva Schaeffer.

The finale will be a selection of patriotic songs such as "Give Me Your Tired, Your Poor", "No Man Is An Island" and "This Is My Country".

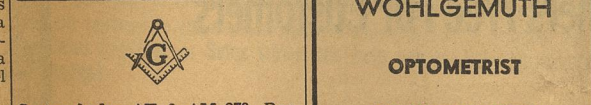

Mr. and Mrs. Ray Bearden returned home Sunday from a visit with their daughter and family, Mr. and Mrs. Leonard Fry at Port Neches.

Following intermission the choir opens with "This Land Is Your Land" followed by a group of folk songs such as "Cindy" and "Puff, the Magic Dragon." A visit to our first American citizen, the Indians, will be made with a number called "Gerontimo."

Next stop is Northern part of U. S. with the "Wells Fargo Wagon" and "6 Trombones" from "The Music Man." A special number from the south "The Robert E. Lee" will feature a shuffle dance by Maurice Hayward, Mathew, Floyd, Jimmy and Daniel. Other parts of the United States to be featured are: the east

with "The Whiffenpoof Song" and the west with "San Francisco." Special numbers will be featured from Texas. Hawaiian dancers will perform a special number from "Christmas Island." Dancers are Teresa Underwood, Sheri Bruegel, Rebecca Stanford and Martha Bates.

From Broadway such numbers will be rendered as "Kansas City", "Oklahoma", "Wonderful Guy" and "South Pacific."

Castro Lodge AF & AM 878, Regular meeting 3rd Monday. Practice every Thursday, Haywood P. Smith, Worshipful Master, Ira E. Brown, Secretary.

### NEWS FROM NAZARETH

A bridal shower honoring Miss Charlene Hoelting, bride-elect of Edward Venhaus of Happy was held in the home of Mrs. Clyde Hoelting Wednesday evening April 21st. The honoree received many lovely and useful gifts. Those enjoying the shower were Mrs. Al Hoelting, Mrs. Slim Venhaus of Happy, Mrs. Frank Hoelting, Mrs. Ski Huseman, Mrs. Philip Huseman, Mrs. Vincent Huseman, Mrs. Agnes Hollenstein, Mrs. Florence Albracht, Mrs. Dan Schmucker, Mrs. Jimmy Ball, Mrs. Leo Durbin, Mrs. Ronnie Hoelting, Mrs. Paul Venhaus, Mrs. Elmer Klemm, Mr. Agnes Brockman, Mrs. Helen Backus, Miss Edna Rae Hoelting, and hostesses, Mrs. Alvin Klemm, Mrs. Leonard Warren, Mrs. Edwin Schacher, Mrs. Clyde Hoelting and Mrs. Leona Fangman of Hereford.

Mr. Ernie Brockman, Mr. Edward Ramaekers, Mr. Francis Wilhelm, Mr. Greg Hoelting went to Slayton Sunday, April 25th to put on the second degree initiation for the Knights of Columbus there.

Friday evening, 7:30 p.m. at Holy Family Church, the beautiful ceremony of crowning the "Blessed Mother of Jesus" the Queen of May" will take place. Everyone is invited to take part in the procession, crowning and singing.

Mr. and Mrs. Paul Venhaus and two little daughters went to Hobbs, N. M. Saturday to visit Mr. and Mrs. Ed Gerber and Kevin.

Enjoying a birthday dinner, honoring Ronnie Hoelting with Mr. and Mrs. Tony Gerber and family were Mr. and Mrs. Ronnie Hoelting and family, Mr. and Mrs. Fritz Gerber and family and Mr. and Mrs. Vincent Gerber and family.

Mrs. King and Mrs. Francis Schacher accompanied 5 of the Nazareth FHA girls to Dallas the past week. They went by chartered bus from Amarillo. Three of the girls, Viola Schacher, Sandra Huseman and Joan Acker got a State Degree. Nancy Drenup and Raylene Schulte went with the group.

Mr. and Mrs. Philip Acker celebrated their Golden Wedding Anniversary Saturday, April 24th. A High Mass of Thanksgiving was celebrated in Holy Family Church by Rev. W. Reichel. They were married in Lindsay, Nebraska, April 20, 1915. They have lived in this community the past 50 years. The four attendants at their wedding are still living and two were present for the anniversary celebration.

#### GUESTS VISIT

Children's Classes 10:00 a.m.

# An investment in Your Future

# ...ATTEND CHURCH

## Follow The Signs

Imagine yourself in a train depot in a foreign country, and the signs are in a language unfamiliar to you. You know that the signs are there to direct you, and you try to figure them out, but despite your best efforts you are not sure of your interpretation. The natural thing to do then, is to check with an attendant and have him explain things to you.

The Bible is a sign given to us, and directs us in a pathway of living. Interpreting these directions is not always easy, so the natural thing to do, should be to seek someone to help us. Our churches have many trained personnel who are familiar with the language of the Bible. Attend Church this week and follow God's way of life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

ROLL-N-MIX

Put more grain across the scales with **PIONEER** sorghum

Pioneer grain sorghum give you big yields plus smooth combining—a combination that adds up to more grain across the scales next fall. Uniform head height, strong standability and good head exertion mean your combine takes in less plant material. You hold harvesting losses to a minimum. Hundreds of High Plains farmers have the scale tickets to prove Pioneer brand sorghum's superiority. They planted and compared, on both dryland and irrigated ground. And they found the superiority of Pioneer sorghum's short, stiff stalks and high, harvestable yields. So take a tip from the many farmers who have already planted Pioneer sorghum. Remember, you're on safe ground with Pioneer brand grain sorghum.
