

OLD STONE FINDS HOME—Do you have an axe to grind? You could sharpen one forever on this historic old grindstone, which is now on permanent display at Dimmitt Consumers. Here, Consumers Manager Al Gibbs shows the relative size of the stone, which is six inches thick, four feet in diameter and weighs 1,060 lbs. The grindstone was placed at Dimmitt Consumers by Edwin "Goose" Ramey, who salvaged it from the old Mashed-O Ranch headquarters west of Earth, where it had lain in the weeds since 1925. Donald Wright

built the new ball-bearing frame for the stone. Ramey said "Uncle Buck" Tate, pioneer freighter here, delivered the grindstone to the Springlake Division of the XIT Ranch (later the Mashed-O) back in 1893. "Apparently the stone never was used, except that some wagon cook may have jerked a butcher knife across it," Ramey said. "It's an oddity here because of its size—if anyone knows of a bigger grindstone in this part of the country I'd like them to call me collect, because I'd want to see it."

Legion post in trouble; crucial meeting tonight

Dimmitt's Greer H. Estes American Legion Post, threatened with extinction, will hold a "life or death" meeting tonight (Thursday).

LOCAL Legionnaires are asking all veterans in the Dimmitt area—whether they're Legion members or not—to attend tonight's meeting and help decide whether the post should fight an uphill battle for survival or surrender its charter.

The meeting will begin at 8:30 in the Legion Hall. Post Commander Fred Kuntz estimated there are 350 veterans in the Dimmitt area who qualify for Legion membership. However, only a small percentage take part in the Legion's activities, he said, and the post is strapped financially.

"HALF A dozen men are carrying the full financial obli-

gations for the post," Kuntz said. "Also, we've had the continuing problem of trying to pay off the mortgage on our American Legion Hall," he said.

"Three or four men have been keeping up the payments. It's a \$21,000 building with the lot; there is now \$3,114 owed on it; the payments are \$71.90 per month; and we're now one month behind in our payments. We've got to decide what we want to do with the building—whether to sell it, keep it or whatever."

The modern Legion Hall, located at Southwest Third and Lee Streets, is the local post's third building. Its predecessor is now the home of Bob Goss Ford, Inc., and the original Legion Hall is now the "Scout hut" near the city park.

KUNTZ SAID that if new post

officers aren't elected and certified tonight, the local post will go on a year's probation. At the end of the probation period, the charter would be revoked.

Present officers, in addition to Kuntz, are John Wood, adjutant, and Jack Flynt, finance officer. Generally, any man who has served 90 days' active duty in any branch of service is eligible for Legion membership, Kuntz said. Dues are \$10 a year, of which \$7 stays with the local post.

CHARTERED in the 1920s by local veterans of World War I the local post was named for Army Capt. Greer H. Estes, Dimmitt native who was killed in action during the Allied invasion of Normandy in 1944. He was the son of the late Mr. (See LEGION POST, Page 13)

Editorial

Welcome, new voters

To our new voters 18, 19 and 20:

Welcome to the smartest, dumbest, loudest, quietest, most concerned, most apathetic, most easily duped, hardest-to-convince, most independent club in the world—the US Electorate.

YOU NOW HAVE a share in our democracy equal to that of any millionaire or pauper. Your new franchise is one which many who are well over 18 have been fighting for since they were 16 or 17.

Don't take your new voting power lightly. Use it. Register. Become a loyal Democrat, a true-blue Republican, a power-swinging Independent, a conservative or a liberal. Study the issues. Listen to the candidates. Get involved. Learn to stand for something, so you won't fall for anything. Take that vote to the ballot box every chance you get. Be jealous and protective with it. And be prepared to guard it with your life.

Pollsters already are saying that you won't be much different than your parents about using your right to vote. They're claiming that only 40 percent of you will bother to register, and that only a fraction of you will actually vote in any given election.

We hope you'll prove the pollsters wrong, for if this nation of ours is to realize the full potential that has been offered in its charter—that is, the full measure of every freedom for every living soul in our nation—then it needs your help and your voice at the ballot box.

IT MAY BE that our older generation, in giving you the vote, is pleading for your help. Those responsible for ratifying this new constitutional amendment may have been admitting that the generations before yours have fouled up, that we haven't allowed our democracy to work as well as it should, that we have too long been concerned more with show than substance. Perhaps they felt the need to include Americans who can see the everyday prejudices which many of us allow to pass unnoticed, Americans who aren't afraid of altering the status quo, Americans who are more concerned with the national conscience than with the national bureaucracy.

In his book, "The Greening of America," Yale law professor Charles A. Reich proposes this thesis:

"There is a revolution coming. It will not be like revolutions of the past. It will originate with the individual and with culture,

and it will change the political structure only as its final act. It will not require violence to succeed, and it cannot be successfully resisted by violence. This is the revolution of the new generation."

Professor Reich argues that attempts to change government policies through the political process have failed, and that our government has become such a huge, self-serving monstrosity that further attempts to right the wrongs of our society by direct political action are futile.

WE CANNOT agree that our government will not respond to direct political action through the normal channel—the ballot box. If a revolution is to be, our Constitution provides the means for it—the ballot box. Through our nation's 200-year history, we have indeed had several revolutions. We have brought about sweeping changes in national direction that would have required armed revolts in many countries. But our revolutions have been brought about mainly through the use of the same bloodless battlefield—the ballot box.

Of course our democracy has its faults. But what form of government hasn't? Winston Churchill termed democracy as "the worst form of government yet devised by mankind—except for every other form ever devised." Often our democracy works with maddening slowness, but it works nonetheless.

It may take your entire lifetime or longer to cure the ills that plague our society today. But those ills that should be cured governmentally can be cured if enough of our government's members—voters—demand that they be cured. Our democracy was built to respond to the vox populi—the voice of the people—and if your demands have merit, they'll be heard.

But not unless you make full use of your new power to vote. If you simply don't care, you'll actually be an enemy of democracy.

THE CHALLENGE and the opportunity are now yours, if you will take advantage of your new status as voting Americans. When the next voter registration period opens Oct. 1, go to the county tax assessor's office and sign up. It's free.

Then use your new voting power every chance you get. You'll find that when you get into the voting habit, it isn't any big chore. In fact, sometimes it can be a heck-ava big thrill.

VEE race almost won

Dr. W. J. Hill said this week that VEE vaccinations in Castro County are nearly complete. ONLY 40 horses were left to be vaccinated after 827 had received the serum.

The Texas Veterinary Medical Association said Monday that 85 to 90 percent of the horses in Texas had been inoculated.

Dr. Hill assured local horse owners that the attenuated virus in the vaccine will not spread the disease. Of the 14,000 horses vaccinated in South Texas, less than two percent had even a mild reaction. He added that none of the horses vaccinated in Castro County have reacted to the drug.

DR. DAVID BECHTOL returned from his vacation Monday and joined Dr. Hill in vaccinating horses to keep the Venezuelan equine encephalomyelitis out of Castro County.

The veterinary fee for vaccination is \$4, which will be paid by the federal government.

"There have been no more suspected cases of VEE in our county," Dr. Hill said.

Week is devoted to farm safety

This week has been proclaimed as Texas Farm and Ranch Safety Week, a time to focus special attention on the problems of rural accidents and the promotion of year-round accident prevention programs.

THE IMPORTANCE of accident prevention cannot be over emphasized in today's agriculture, says County Agent Charles Hottel.

Last Year in Texas, at least 100 persons involved in agricultural pursuits died in accidents involving water, fire and machinery. Other factors accounted for 63 deaths.

To avoid accidents resulting in injury or death, Hottel suggests that farmers and ranchers incorporate safety into their management plans, including the elimination of hazards and human errors.

A FEW simple precautions that sometimes go overlooked in the rush of a day's work can help to reduce possibility of accidents, Hottel said. Farmers and ranchers should read and follow instruction manuals for the operation of machinery. Machines should be shut off before attempting to adjust or unclog them. Tractor operators should take extra care and reduce speed on slopes or rough ground.

The well-being of each family member and the farm and home operations depend on the attention given to preventing accidents, Hottel said.

DeVaney receives new kidney; is making good recovery so far

"For gosh sakes, tell the people in Dimmitt how much I appreciate everything they've done. Everybody has been so good—they call, they write, they send flowers, and their prayers are heard. I know."

THAT WAS one of the main concerns this week of Elvon DeVaney, who is getting accustomed to a transplanted kidney in Parkland Hospital, Dallas.

The 36-year-old Dimmitt man received his new kidney last Thursday morning after a year of anguished waiting. He is now recovering in isolation and his condition is reported as satisfactory.

He and his wife, Sue, received word last Wednesday afternoon that a kidney of his blood type had just become available. They swung into a pre-planned course of action which they had already gone through a week earlier in a "false alarm" call.

WITHIN AN hour they were airborne to Dallas in a twin-engine Piper Aztec, donated by Tidwell Flying Service and piloted by Harley Wilke. Within three hours of their call, DeVaney was in Parkland Hospital undergoing pre-surgery tests.

However, it was 4 or 5 a.m. Thursday before the kidney was actually transplanted. DeVaney's blood had to be dialyzed and other complications cropped up, but the donated kidney continued to function on a special dialysis machine for a record 20 hours before the transplant was finally made.

Now, success depends mainly upon a revolutionary new anti-rejection serum which has

had a 90 percent success record in kidney transplants in recent months.

"THE SERUM is a pretty aggravating type thing to have to take, but it seems to be doing pretty well," DeVaney told the News. "The kidney is beginning to function more every day, and the chance for rejection is getting less every day. It was a difficult surgery, and it will take a while to get over it."

The operation itself lasted 5½ hours.

Bud Hill drove the DeVaneys' car and their children, Shannon and Tanya, to Dallas over the weekend, then flew back to Dimmitt. DeVaney's mother who lives in Washington, D.C., is staying with the family in Dallas, also. But his wife is the only one who is allowed to see him—and she can visit his room only a few minutes a day wearing a mask.

THE ONLY other people he sees in his isolation room are his doctors and special nurses. He has a telephone at his bedside, but is not supposed to get many calls.

"But I've got a whole room full of flowers," he said, "so the room is pretty cheery."

His mailing address is Room 462, Fourth West, Parkland Hospital, Dallas, 75235. Many already have learned the address and are using it.

"As I lie here and look at these cards and flowers," he said, "I keep thinking that it's sure good to be from Dimmitt—they're the best people in the world."

DR. W. J. HILL STRETCHES TO GIVE A SHOT
... More than 830 county horses have now had serum

Roundup plans complete

The schedule for Castro County's 1971 Roundup was completed Tuesday night at the Activities Committee's final planning session.

THE DIMMITT Promenaders will sponsor a square dance south of the courthouse Tuesday evening, Aug. 10, during Roundup Week. Johnny Gillenwater of Tulia will call, and several other guest callers will be on hand. A refreshment stand will be manned by members of the club.

Parade floats to be awarded trophies, cash

Trophies and cash prizes will be awarded to riding clubs and floats in four divisions in the annual Roundup Parade scheduled for 2:30 p.m. Saturday, Aug. 12.

THEME OF the parade and Roundup is "80 Years of Progress."

The deadline for parade entries will be an hour before parade time, when all entries must be lined up for judging, according to Chet Braafadt, parade chairman.

The four divisions and prizes in float competition will be: Communities — trophies and prizes of \$25, 15 and 10.

Organizations — trophies and prizes of \$25, 15 and 10.

Commercial businesses — prizes not yet definite.

Civic clubs — trophies. Trophies will be given the best riding club, and all its riders will receive tickets to the rodeo and barbecue.

A RIBBON will be given to the best-dressed cowboy and cowgirl. Ribbons will also be awarded to the best-decorated bicycles in the parade.

Anyone wishing to enter the parade or having any questions should contact Chet Braafadt at Dimmitt 66.

Chet Braafadt reported that plans for the Aug. 12 Roundup Parade include inviting 31 riding clubs, offering trophies and cash prizes to community and (See ROUNDUP, Page 13)

Local youth follows tradition, is now USMC's 'Sixth Chapman'

When Duke Chapman of Dimmitt enlisted in the US Marine Corps last Thursday, he started a new chapter in a family and USMC tradition that goes back more than 30 years.

THE NEW Marine recruit's father, Jimmie Chapman, was one of the "Five Chapmans" of the Marine Corps in World War II.

The Chapman brothers from Littlefield were the equivalent of the Navy's famous "Five Sullivans"—no other family in the nation had as many sons serving in the Marine Corps at the same time.

Duke, 19, is the first son of any of the original Five Chapmans to join the Marines. However, the Five Chapmans' sister, Mrs. Frances Gamble of Concord, Calif., has two sons in the Marine Corps now.

That's a total of eight Marines from the same family in the last three decades. No member of the Chapman family has served in any other branch of service during that time.

In addition, Duke's brother-in-law, James Leinen of Los Angeles, recently completed a tour of duty with the USMC. He is the son of Mrs. Lucy Leinen of Nazareth.

THE ORIGINAL Five Chapmans of World War II were:

— John Henry, navigator with the Marine Air Corps, who was killed in action over Villa la Villa in the South Pacific after serving 2½ years. VFW Post 4854 in Littlefield is named for him.

— Charles, a gunnery sergeant, who served 23 years in the Corps before he died in California in 1966.

Duke Chapman

— Loyd, a USMC master sergeant who retired four years ago after serving 30 years in the Corps.

— George, who served six years in the USMC during and after World War II. He now lives in Muleshoe.

— Jimmie, who served 3½ years in the South Pacific and China receiving the Presidential Citation on Okinawa among other medals. He is now the production foreman of the Castro County News.

THE NEWEST Marine in the Chapman family is now taking his basic training at San Diego, then he will attend the USMC's ground flight control school, with an eye toward becoming a flight controller when he returns to civilian life.

UH-OH! — David Mixson of the Dimmitt Little League All-Stars is tagged out as he attempts to steal third base against the Randall County All-Stars in the fourth inning of the area championship game here last Thursday night. Mixson attempted the

steal after Randall County's catcher overthrew second base. But the Dimmitt All-Stars were never in trouble as they took a 6-0 lead in the second inning and went on to win the championship, 7-0.

Sheffy's chatter

Ladies return from fascinating vacation in Louisiana

By MYRTLE SHEFFY

Nelda Tuttle and daughter Donya and mother Zelma Hodge of Lubbock drove down to Louisiana—a wonderful trip.

They stopped first in Baton Rouge, saw Arnold and Sharron Acker, who took them on a tour of the big plantations. They saw Asperdale and Rosedown that had a 30-acre flower garden. Then the Ackers were hosts at a shrimp boil, big kettles of shrimp. Nelda says you shuck them, dip in a sauce and eat—very good. They had a trip on a riverboat down the Mississippi River. They went on to New Orleans, got rooms in the French Quarter and took tours of the city. Saw the Huey Long home and "Tara," the reproduction of the estate used in "Gone With the Wind." They made all the sidewalk cafes, 2 Sisters, Brennans and the Morning Call. They saw the Street of Churches, as well as St. Louis Cathedral and the Square. The point of interest was the ride across the 24-mile long bridge over the Gulf of Pontchartrain. The fishermen do well here with shrimp and other kinds, too. Now Nelda has us all wanting to go South.

AL AND DOROTHY Jackson are home from a fun trip to New Orleans. Their son Donnie Jackson, who is in the Air Force at Biloxi, Miss., joined them there. Al says they made all the places of interest and had a wonderful time. They went to the French Quarter and saw his "maybe" ancestor Andrew Jackson, still on the big bronze horse, that has stood on one foot for nearly 200 years. They were on Bourbon Street, too, even if Donnie didn't want to go. Mr. and Mrs. M. E. Cleavinger and son Mark leave this week for Los Angeles for a vacation. Mark says they will see all the places—probably Disneyland and all those things. Their nearly kinswoman Margaret Axtell lives in Phoenix. They probably will go that route, who knows? (Queen Sabe?) They have relatives in Los Angeles.

PRISSY AND Larry Fosson and baby of Elly, Nev. came by to see her aunt Ceal and Uncle Horace Carlile enroute home. Rodney and Cindy Patton and daughter J. J. of Amarillo visited the Carliles and his folks the Jack Pattons.

On the go this week are Bill and Kathryn Birdwell and son Jim, and George and Carolyn Sides and children. Off they go to Durango Colo. for a camping and fishing trip. Frances King and children are visiting her mother in Los Angeles. Carl King's father of Lubbock has had surgery and his daughter Kathleen Bailey of Collingwood, N.J. is here with brother Carl to help visit their Dad.

B. M. AND Viola Nelson and granddaughter Connie visited relatives in Amherst Sunday afternoon. B. M.'s brother and family from South Texas were there visiting their relatives.

Debbie Hogue and Cindy Powell are in Arlington visiting Vicki Bennett and Karen Baldrige in Fort Worth. The Hagues will go down for the girls and visit Mrs. Hogue's sister, Mary Baldrige.

The John Hagues attended a big party in Farwell Saturday night in the home of hostess Doris Reeves and Joann Gaston. The honoree was Genevieve Simmons of Dallas. There were people from Amarillo, Muleshoe and Dimmitt.

Elberta Dyer is home from a three-week trip and visit with her daughter Mrs. T. W. Trlica and family in Louisville, Ky. They went on a sightseeing

trip to Indiana, saw the big University. They say that Indiana is one of the prettiest places. Harley Dyer, the husband, only went to the Kentucky Derby. He had to come home and work.

Oh yes! Mr. Hogue says if he can find a "well watcher" he will take a trip with his wife to New York. I will let you know.

MRS. Dean Butler is home after a long stay in a Littlefield hospital. She is a teacher's aide. We wish her well. Mr. and Mrs. Jimmy Manning and baby of Grand Prairie, near Fort Worth, spent the weekend here visiting his parents Shorty and Polly Manning, his sister Mrs. Ted Collins, and Grandma Hattie Webb. Jimmy has bought a store there.

Mr. and Mrs. Frank Wise and Kyle, her parents Mr. and Mrs. G. E. Coleman, visited the Tri W Ranch and Farms in Wilcox, Ariz. last Monday and Tuesday. Suzan was at Band Camp at Tech with the group. Gary Wise went with the FFA boys and John Quinby to Cowles N.M. and Linda stayed with Beth Cleveland.

Last week we went up the Pecos River within a mile of Cowles, N.M. That is a pretty place, a running water river, tall pines and tall mountains and it is cool up there.

MARY JEAN Copeland of Midland has been visiting her mother Vera Webb and brother Allan Webb.

One day Peggy Webb and Carol Dyer were hostesses at a luncheon at the Hereford Country Club for her. Guests were Sue Merritt, Myrtle Lois Moran, Norma Dawson of Earth, Dorothy (Mrs. Ted) Sheffy and Shirley Stephens.

Mr. and Mrs. Scott Moran of Waco were weekend guests of his parents Mr. and Mrs. Russell Moran.

Roger Jones was the "Birth-day Man" Sunday. His in-laws, the L. V. Coles, took her and Sherri out to dinner and other guests were Lee Cole, his friends Patti Poulter of Midland and Steve Nutt. Then Sunday night his parents, E. M. and Joy Jones, cooked him a supper. Another guest of Lee Cole's was Liz Murphy.

DENNIS Cleaver is home after being discharged from the army. He has served two years in the Personnel Center at Fort Lewis, Wash. He will return to work Aug. 1 with accountants Peat, Marwick, Mitchell and Co. of Amarillo where he worked before going into service. Dennis is visiting his parents, D. L. and Rachel Cleaver and his sister, Beth Odum and family.

Mrs. W. E. Kirkpatrick, Wau-rayne Hughes and Keri Kirkpatrick went to Memphis Wednesday and spent the day with Mrs. Myrtle Crabb who was celebrating her 85th birthday. Mrs. Crabb lived in Dimmitt several years and was operator of the telephone company when the Singers owned it.

Ron Hance was here for the weekend with his grandparents, Charlie and Nancy Hays and Beral Hance.

WE HAD dinner with Jerry Morris Sunday at the cafe. He is home from the University of Texas at Arlington and he is out of the service now. Jerry says his brother Larry had surgery in a Lubbock hospital for the removal of a cyst on the thyroid gland. Their mother and dad Peewee and Anita and Larry's wife have been with him. Larry is improving.

The wedding of Poppy Byrnes and James Head at the First Baptist Church was very pretty. You can read about it on the society page, but the girls wore long-flowered chiffon skirts with apricot-color blouses, green cummerbunds and big white crocheted hats. Then all of us went to the home of Truman and Ann Touchstone for the reception. Kristi Wesson of Lubbock and Allan and Ray Bradley of Fort Worth came and many people we didn't know. But I met Norman Wood of Colorado Springs. He was with James Harsh and Mr. Olnick. Mr. Wood is a systemation expert, or expert in management working for Dimmitt Agri Industries on wage evaluation and methods. He is well-known in

municipal and state government and brings the best techniques to Dimmitt.

ELMER AND Mauzee Youths, their daughter Pat Greathouse and daughters Carrie, Debbie, Julie and Cindy of Monahans and grandchildren Joe and Janet Mooney, are spending a week at Pollum Kingdon Lake. They take the camper, fish and water ski. Last week Jane Ann and Susie Mooney visited sister Janice in Amarillo. Janice is working with Farmland Industries. She came down to be organist at Poppy Byrnes wedding.

C. D. and Linda Fitzgerald, Crystal and Curt, spent a week at Woodland Park, Colo. a vacation from being a highway patrolman and house jobs.

Mr. and Mrs. Bob Hunt of Plainview came over Saturday to see friends Doyle and Patsy Morris. They took the camper and food and went fishing at the Howell Lake, that is 13 miles west of Dimmitt. Patsy says they caught fish too! Fried them, then ate them. Seems to be a lot of fun.

Dr. and Mrs. Harold Bischoff and children of Lordsburg, N.M. have moved back to Dimmitt. They have bought and moved into the Turman Touchstone house at 709 W. Grant. Truman and Ann and kids have moved into the Iris Touchstone house at 705 W. Lee Street.

MRS. LEOLA Haberer was hostess on a recent Thursday with a dinner for the Lambert and Haberer families. Years ago the pioneer John Haberer and Frank Lambert were partners in the sheep ranching business at Big Square. The two families got together and still do. The guests at Leola's were

Mrs. Ham Lambert, Mrs. Calla Lambert Mountz of Hereford, Mrs. Helen Lambert Jones of Detroit, Mich., Loyd and Clara Lambert Wright from Kansas, Mrs. Elsie Haberer and daughter Kara Goodwin of Plainview, Mrs. Bonnie Haberer of Earth, Edith Worrell of Rockwall, Johnny Haberer of Muleshoe, Vera Haberer and daughter Mary Dee Hammonds of Lubbock and coming for coffee and a visit later were Mr. and Mrs. Earl Lust and Mrs. and Mrs. Vern Lust. All were neighbors fifty years ago in the southwestern part of county.

Mrs. Jim Pickens and Mrs. Frank Wise are in Abilene this week attending a school on missions at McMurry College. Susan Benson, who is working at Six Flags, near Fort Worth, was home to visit parents Joe and Gladys and to attend Poppy's wedding.

P. O. and Frances Goodwin went to Fort Worth last weekend to see those twin grandbabies, who had a birthday. They are the children of Mike and Gail Goodwin.

MY BIG THANKS to Beral Hance for writing most of the chatter last week. She sees and hears about people that Chatterer doesn't.

Bill Hackleman tells me that 1944 is the year I forgot. That was the time he, Mary Jean Dyer, Dorothy and dozens of other kids finished high school.

Mr. and Mrs. Edgar Ramey and Mr. and Mrs. Horace Carlile attended the memorial service for Mrs. Wanda Buchanan at the Grace Presbyterian Church in Plainview. Mrs. Buchanan was the wife of J. D. and sister-in-law to Mrs. Ramey. She was the daughter of Mr.

and Mrs. George M. Schick, early day settlers in the Plainview area.

Jeff Myers left Dimmitt this past week for the Air Force. Jeff is the son of Bob and Martha and grandson of Ester and Kate Noble.

MR. AND MRS. Gene King and Mr. and Mrs. Barry Love and all their children left Friday for New Mexico, the northern part I think. Gene says they had in mind the cool mountains, maybe Santa Fe. We will ask, when they come home.

Jack and Myrna Cowsert, their son Jim and Jan and baby of Ballinger went up to Tres Ritos, N.M. last week. Jim and Jan went on to Durango and spots in Colorado. They met his aunt Eleanor and Ray Koehler at Fort Collins. They went fishing. Seems Jim caught one big whopper and several little ones. They stopped in Canon City for a visit with Jan's parents, the LeRoy Stricklands. Oh, yes! The fish was caught at the Blue Mesa Reservoir in Colorado.

Mr. and Mrs. Don Johnston of Killeen and Mr. and Mrs. Chesley Johnston of Hereford were weekend guests of their mother Pearl, who kept Chesley's babies while he and Marilyn joined friends in Dallas to see one of the big shows and for a vacation.

NELL PROFFITT and daughter Penny and Nell's mother Mrs. E. V. Dunn went to Hico recently to attend the funeral of Mrs. Dunn's brother George Wright of Tomball who was killed in an accident.

Bill Gregory took his sons little Bill, who is 6 foot, 3 inches tall, David and Bryan to South

Fork, Colo. on a fishing and camping trip. Bill and his three sons caught fish, then cooked and ate them.

Sue Howell (who is Mrs. Jimmy Howell) was hostess to her Bridge Club Thursday afternoon. Dalia says she served the most delicious brownie cookie with ice cream on top, coffee and these good things to eat. Guests were Hazel Nelson, Sandra

Potts, Carolyn Watts, Dalia Gregory, Maxie Horton, Darlene Dowell and Pat Anthony.

THE ACTIVITIES Committee, with Carl Bruegel, met in the room at the courthouse one evening to plan the coming Castro County Round-up. Hazel Merritt suggested we call it "80 Years of Progress." There will be a big 3-day rodeo with

Cowboy Johnson and Maurice Campbell in charge. The parade will be on Thursday. All civic organizations and others are asked to make floats. The early day settlers and friends will meet at the park for dinner Saturday. The Castro County News will have the program later. Hart Day is first, that is Aug. 7. (See CHATTER, Page 4)

DOING A... MAN SIZED JOB

Heat... sweat... fatigue... blisters... aches... Dad says its all a part of "carrying my share of the load." He also says that, "it's important that I help make provisions for the present and near future." But he says "that it is even more important because I am preparing for the days ahead when I am a full grown man." Sometimes I think that my Dad has the wisdom of Solomon, that's this king that I learned about at church... and that's another thing that Dad says is important... "that I go to church regularly, so that I can learn about God, and prepare my spiritual life for the future, too." You know... Dad must think it's important... He goes to church, too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Wales's nephew dies in wreck

By MRS. JACK RISTER
Mr. and Mrs. Charles Wales and family attended funeral services for a nephew in New Deal this week. He died in a motorcycle accident.

MR. AND Mrs. Bud McElroy and family visited in Levelland Sunday with friends and relatives from North Little Rock, Ark., Post, Brownfield, Littlefield and Jal, N.M.

Sunday guests of the Claude Moore family were Mr. and Mrs. Thomas Todd and family of Camp, Colo., and Mr. and Mrs. Jack Rister.

Mr. and Mrs. Earl Coody and family spent several days visiting her parents, the Claude Moores. They are visiting his parents, the Howards Coody.

Mrs. Eddie Ward Markey and Lesa of San Antonio and Mrs. Small, DeAnn and Russ of Amarillo visited in the home of Mrs. Jimmie Howell and children Monday.

MRS. W. C. RAPE and Pattie and Mrs. Ouita Carson Cumby visited over the weekend with Mr. and Mrs. Murray Snyder.

Two inches of much-needed moisture was received last week, and the rains continued this week. The farmers were all glad to see the rain. The crops are looking good.

Mr. and Mrs. Vern Lust and Mrs. Leona Stiles of Big Square vacationed in Colorado recently.

MR. AND MRS. John Gullion

The view from your library

By MARY EDNA HENDRIX
OVERDUE BOOKS!
Please bring in the books you have checked out from the Castro County Library!

I would like to get all the Castro County Library books that are overdue back in the library before school starts. Please check through your books at home and see if you have a book that belongs to the Castro County Library!

THE SUMMER Reading Program is nearly over. Just two more weeks—the party will be Aug. 11 instead of 14, as was announced earlier.

Remember, Wednesday, Aug. 11 at 9:30 at the community room at the First State Bank. If you want to attend the party—be sure you have read at least 12 books this summer!

WE HAVE several new books for the Juniors and Youth. Here are some titles for the youth:

"The Wheel of a Fast Car," by W. E. Butterworth.

"Blast-off!" by Bruce Cassidy.

"Confessions of a Toe Hanger," by Christie Harris.

"Cit High Five," by William Heuman.

"Horace Higby and the Scientific Pitch" by William Heuman.

"The Big Wheels" by William Huntsberry.

"The Universe Between" by Alan E. Nourse.

"Sea Change" by Dorothy Pitkin.

"Senior Dropout" by James Summers.

"A Name For Himself" by Amelia Walden.

"A Spy Called Michel-e" by Amelia Walden.

HERE IS a list for the Juniors:

"Molly's Double Rainbow" by Elizabeth Friermond.

"The Stranger from the Sea" by Rene Guillot.

"Rocket Rescue" by D. S. Halacy Jr.

"The Rider and His Horse" by Erik Haugaard.

"Scrambling Quarterback" by William Heuman.

"Up a Road Slowly" by Irene Hunt.

"Ready or Not" by Norma Johnson.

"Reach For the Dream" by Mildred Lawrence.

"Pistons and Powderpuffs" by Gene Olson.

"To Tell My People" by Madeleine Pollard.

and Mrs. Monty Boozer and family this week. Mrs. Porter and Mrs. Boozer were college friends.

More about:

(Continued from Page 2)

The Garden Club met in the home of Mrs. Wes Anthony Tuesday afternoon to make plans. Mrs. Robert Benton and Mrs. Bill Behrends presented an outline. If everyone in the county will get busy we can have a good fun week, the 7th of August through August 14th.

LAST WEEK I said Janet Smithson won honors at SMU in her sewing. She won that here and other places also, but at SMU she was selected 1 of 5 nominees for "Outstanding Drum Major." Sorry 'bout that Janet. But the style show presented by the 4-H students of Irene Keating's was outstanding too. Fifty-three girls modeled clothes they had made—ages 9 to 16 years. They wore short shorts, casual clothes and one lovely white evening dress made by Miss Acker of Nazareth.

Mrs. Charles Land has been in Kerrville for several days visiting her parents Mr. and Mrs. John Taylor and her sister. Her mother, Mrs. Taylor is very ill, following a heart attack.

Miss Edna Hughs and Jack Hunt of Atlanta, Ga., brought young Eddie Huseman home after his visit with his grandparents Mr. and Mrs. Frank Duncan, who live in Morgantown, N.C. These folks are visiting Mr. and Mrs. George Huseman in Nazareth, Eddie's folks.

Prebble Russell of Lubbock visited her friends Maria and Curtis Tate and Mrs. Leona Rothwell this past week. Mrs. Russell lived in Dimmitt a few years ago and was in the abstract business.

VADABEL Oldham of El Paso and her granddaughter Connie Nelson, who has been visiting her for five weeks, are here for a visit with Mrs. Oldham's daughter Verbie and Don Nelson. Connie is home for good. Mrs. Oldham teaches school at El Paso.

Yvonne Fry and boys of Port Neches are here for a visit with her parents Lottie and Ray Bearden. Her husband Leonus will be here in a few days to return home with the family.

MRS. JACK COWSERT, co-president of the Old Settlers, asks all the ladies to dress up in clothes of the long ago styles—long dresses, flowered hats. This will be Saturday, Aug. 14. Mrs. Frank Easter is one of the first school teachers in the county. Mrs. Percy Estes who is not with us any more was one of the first teachers and another one is Mrs. Joe Birkenfeld. Tell your friends and come.

Major Dan Prather and Mrs. Jo Prather and little Danna Beth of Auburn, Ala. and Beth Beecher and friend Carol Huggins of Dallas are here for a visit with the girls' parents Kate and W. E. Beecher. Dan is with the Air Force and they also visit his brother Dale and family and his mother. Beth is teacher and counselor at the W. E. Greener School in Dallas.

Ron Kenmore, third class petty officer, left Sunday morning to start serving two years active duty in the Navy. He will be stationed at Bainbridge, Md.

John went to Dallas to see a special friend.

I saw Ronnie Hutton at the store. He is home for good from Korea. Says he had a good trip to Tokyo while there. Ronnie is looking for a job and plans to attend school at WTSU this fall.

PAUL AND Marge Acker have had out of town visitors over the past two weeks. Home from Arizona was son Dan Crowley and his fiancée Terry Hunt. Terry was given a beautiful bridal shower by several ladies. Terry was amazed at the many wonderful people here and loved visiting here. Dan and Terry will be married Sept. 4 in Arizona, and will live on a ranch out there. Danelle Crowley will be home for the wedding. She will take time out from her travels in South America. She will be home several weeks and go back to South America in late September.

Also visiting the Ackers this past week was Mr. and Mrs. Buna Owen from Houston. Marge and Paul had an evening get together for them. Coming were Don and Mae Hargrove, Deana and Laura, Pat and Bea Hardy, Al and Frances Lytle, Florence Leinen and Shirley Pope, Jerry and Cindy Lytle and baby and Herman and Rose Acker. Buna and Bea Owen lived here for several years before going to Houston. They still feel like this is their home.

Major Dan Prather and Mrs. Jo Prather and little Danna Beth of Auburn, Ala. and Beth Beecher and friend Carol Huggins of Dallas are here for a visit with the girls' parents Kate and W. E. Beecher. Dan is with the Air Force and they also visit his brother Dale and family and his mother. Beth is teacher and counselor at the W. E. Greener School in Dallas.

Ron Kenmore, third class petty officer, left Sunday morning to start serving two years active duty in the Navy. He will be stationed at Bainbridge, Md.

John went to Dallas to see a special friend.

I saw Ronnie Hutton at the store. He is home for

Sunnyside news

Delightful dilemma-- have you gotten stuck?

By TEENY BOWDEN

The biggest and best news during the past week has been the rain. It has been quite a while since people have had to stay home because of muddy roads or got stuck, but both have happened this week. 1.35 was recorded Monday night and Tuesday of last week, .35 of an inch Wednesday and .10 Thursday, with traces in between, and another inch or more Sunday night. It was pretty generally two to three inches for the week for most of the community.

REV. MACK Turner, Tom Parson and Noah Spencer attended the Baptist Men's Camp at Plains Baptist Assembly Monday night. The principal speaker was Bob Harrington, the "Chaplain of Bourbon Street."

Mrs. Garner Ball was admitted to the Littlefield hospital Monday and was dismissed Saturday. Randy had to have stitches in an arm to close a cut he received while working.

Mr. and Mrs. Hollis Bills of Wichita Falls visited with his brother and family, Mr. and Mrs. R. V. Bills, several days recently. Their sister and family, Mr. and Mrs. Houston Bunch and son of Wichita Falls, arrived last Tuesday and visited through last Thursday. Two other sisters and their families, Mr. and Mrs. Arthur Brown of Dallas and Mr. and Mrs. Jim Hargraves of Garland, visited with them the week before.

Mr. and Mrs. R. V. Bills visited last Sunday afternoon with the family of Aubrey Myers Sr. of Olton, who died Saturday.

urday. The funeral was in Olton Monday.

THE HISTORY and program committee of the church met Tuesday afternoon to coordinate plans for the afternoon program of the 50th anniversary of the church to be observed Aug. 22. It was decided to use drama to portray the history and progress of the church for the last 50 years. Several committees are working hard for it to be an outstanding day. Make your plans now to attend.

Rev. M. D. Durham will bring the morning message at the anniversary celebration. Rev. Murle Rogers will bring the afternoon message along with the history, drama, music and recognition service. The afternoon program will be from 2 to 4, with a reception following in fellowship hall.

LARRY SADLER and Mr. and Mrs. David Sadler and girls of Lubbock spent several days last week at Lake Breckenridge. Mrs. Larry Sadler and girls visited with her parents in Dimmitt. They all spent this weekend there.

Scott Morrison of Hereford visited Wednesday through Sunday with his aunt, Mr. and Mrs. Ray Joe Riley, Kevin and Jody. Mrs. Roy Phelan taught the book, "Missionary Journeyman," to the Current Missions Group last Wednesday night. Mrs. Alton Louder is the group leader.

MRS. L. B. Bowden received the page proofs of the book, "This Land We Hold," last Thursday, with the notice that there will be a two-week delay in its publication. So the pre-publication price deadline will be extended from Aug. 1 to Aug. 15. All the pictures submitted were used, but the book will not be much over 400 pages, according to the proofs which are not numbered.

Lions Club members were busy Saturday with their broom

sale. Kathy Crawford participated in the final playday of the Hart Riding Club in Lubbock recently. Her score was 23.

MRS. ED DAWSON sponsored the Springlake-Earth High School Student Council at a workshop at Trinity University in San Antonio recently. Marian, who will be the student body secretary, was one of those attending.

Mr. and Mrs. Joe Porterfield of Kermit spent the weekend with Mr. and Mrs. Floyd Ivey.

Mr. and Mrs. Jim Swinney of Lubbock came for their daughter, Dawn, and visited Thursday with Mr. and Mrs. Cliff Brown and Mr. and Mrs. Gale Sadler and their families. Dawn has been in the community since the 15th visiting with the two families. Cindy Sadler went home with her Thursday. Lee and Lynn Brown are her cousins. She attended the youth-led revival with them last weekend and they and Cindy and Susan Sadler went Swimming at Earth Monday night.

Mr. and Mrs. Carl Bradley and boys visited in Amarillo Tuesday evening with Mr. and Mrs. Charles Hedrick and boys.

MR. AND MRS. Ed Hastings of Prairie Grove, Ark., and Mr. and Mrs. Carl Bradley and boys had dinner Thursday with Mr. and Mrs. Weldon Bradley. Mrs. Carl Bradley and Kyle visited Thursday afternoon with Mrs. Vernon Scott and boys in Farwell.

Mr. and Mrs. Gordon Bradley of Tucumcari and Mr. and Mrs. Carl Bradley and boys attended a cook-out Saturday night at the home of Mr. and Mrs. Weldon Bradley. After supper, Mr. and Mrs. Odus Hastings and Mr. and Mrs. Al Gibbs of Dimmitt visited with them.

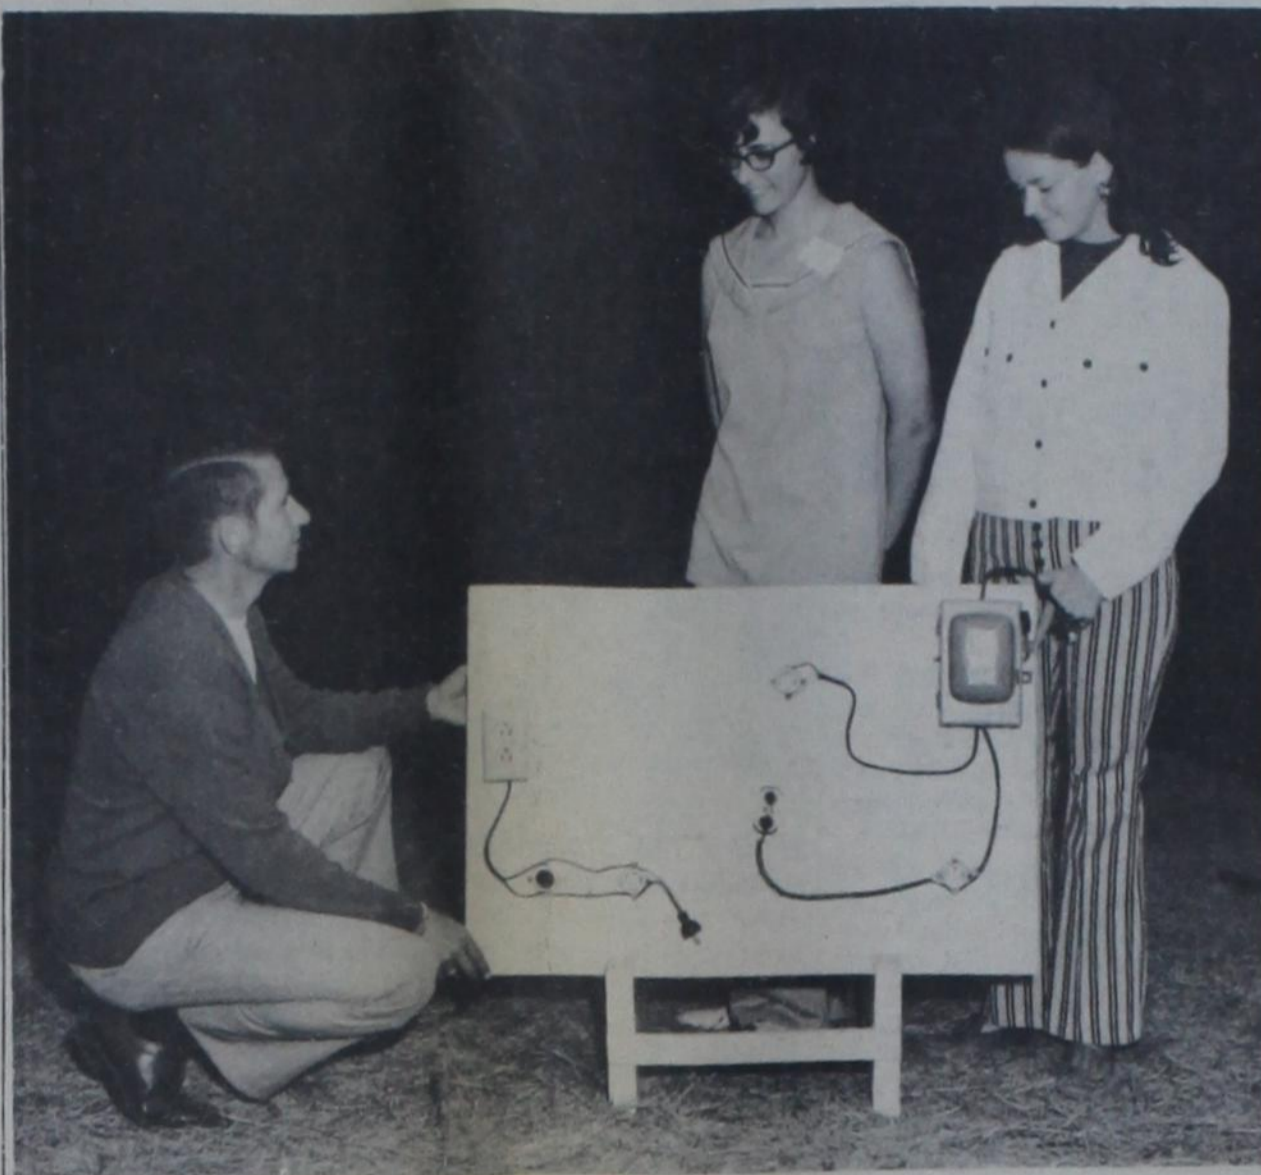

Mr. and Mrs. Thomas Parson took their grandchildren home to their parents in Houston over the weekend.

THE MISSION Friends, Crusaders and Girls in Action had their meetings last Wednesday afternoon.

Mr. and Mrs. L. B. Bowden went to Quanah Sunday afternoon to meet with the publisher of the book, "This Land We Hold," Monday morning. They went by Canyon and visited with Ben Louder and Lucy Jo, who has been ill.

HAY PRODUCERS really need to make the most of every cutting because of the reduced hay supplies in Texas, advise Extension agronomists. Properly adjusted mowing machines and windrowers or rakes can help in efficient hay making. The two main goals in conserving quality and production levels are reducing moisture in the plants for storage and saving greenness and leaves.

STORING VEGETABLES Before storing vegetables, Extension foods and nutrition specialists say to check for bruises and for soft or decayed vegetables. Only store vegetables in good condition; partially decayed ones can ruin several if stored together.

DEBBIE ACKER of Nazareth, center, was the Castro County representative at the 4-H Electric Camp sponsored by Southwestern Public Service Company and held

July 19-23. Pictured with Miss Acker are Bill Wilshire and Marilyn O'Dowd, instructors from the Amarillo office of the electric company.

'Cool Hand Luke' to be featured in church's film festival Sunday

High school youth and young adults of the Dimmitt area are invited to a film festival Sunday, beginning at 2 p.m., sponsored by the UMY of the First United Methodist Church.

THE FEATURE film is "Cool Hand Luke," starring Paul Newman and George Kennedy. After discussion of the film, supper will be served. Worship will be at 6:30 in the evening and will be conducted by the youth. 'T is open to the public. After worship, several short films will be viewed and discussed.

The youth conducting the worship will be Sandra and Bob Duke, Diane Dyer, Billy Carver, and other youths. A musical group will assist in singing and special music.

The supper committee consists of Vicki Winders, Virginia Shelly and Nancy Bailey. Group discussion leaders will be Rev. and Mrs. George Butler of Amherst, Mr. and Mrs. Charles Axtell of Sunnyside, Rev. Norman Cob of Hereford, John Farris, Rev. and Mrs. Bill Bailey, and Rev. Jim Pickens.

IN THE past, the church has rejected secular films as a shocking or even anti-religious medium of expression. However, many Christians have come to recognize that secular films are the parables of today.

The film has become a new way of viewing life and its meaning.

Throughout its history, the church has relied heavily on the verbal form of communication for the expression of the Gospel.

"Hopefully, in our festival, young and old alike, will have a new experience with the truth of life and Christ through the films that we will use," a spokesman for the church said.

Adults who desire to see the feature film are asked to contribute \$1, and all who participate fully in the festival, \$1.50.

USE LEFT-OVER cooked leafy vegetables by adding them to creamed or scalloped vegetable dishes, omelets, soufles or soup. Don't waste a bit, reminds Extension Consumer Marketing Specialist Gwendolyn Clyatt.

Castro Lodge AF & AM 879, Regular meeting, 3rd Monday. Practice every Thursday, W. P. Dannevik, Worshipful Master, Ira E. Brown, Secretary. Visitors Welcome.

Presenting **74 VERSATILE Everman 329**
Longer, Heavier Stronger—Built To Sell at a LOWER COST

The main wheels of the EVERMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors.

OUTSTANDING FEATURES—Length 32'4". Width 12'. Blade capacity 1 1/2 cubic yards. Blade vertical travel 13". Weight 2010 pounds. Front V smoother blade for dod busting and use on heavy dry soil. Front Dolly Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front dolly provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

There are Everman models to fit all standard farm tractors.

Disabled vets can now receive free car plates

Details of a new program which will provide free 1972 automobile license plates to some disabled veterans have been revealed by the Texas Highway Department.

THE PROGRAM was set up by an act of the 62nd Legislature.

To qualify, an applicant must:
 —Be a Texas resident;
 —Be a veteran of the armed forces of the United States;
 —Have a disability rating of 70 per cent or more;
 —Be drawing compensation from the federal government as the result of service-connected disability.

A **QUALIFIED** veteran is entitled to register one passenger car or light commercial vehicle with a manufacturer's rated carrying capacity of one ton or less for his own use without paying the prescribed registration fee. There is a statutory fee of \$1 which must accompany each application.

Specially designed license plates will be issued with the letters "DV" appearing as either a prefix or suffix to the li-

cense number. The words "Disabled Vet" also will appear on the plates.

Vehicles with Disabled Vet plates will be exempt from paying parking fees charged by any governmental authority other than the federal government. This includes parking meters.

THE LICENSE plates will not be available until the beginning of the 1972 registration year. The law provides that the disabled veteran must make application by October 1 preceding the registration year for which the plates are requested.

All Disabled Vet plates will be issued directly from the Motor Vehicle Division of the Texas Highway Department in Austin.

As a prerequisite, the veteran's disability rating must be verified by the Veteran's Administration or the branch of the armed forces from which he draws his disability compensation.

ALSO, THE Texas title to the vehicle must be issued in the name of the veteran.

Application forms and instructions may be secured from the Texas Highway Department, Motor Vehicle Division, 40th and Jackson Avenue, Austin, 78703.

The forms also will be available from Motor Vehicle Division district offices in Houston, San Antonio, Corpus Christi, Port Arthur, El Paso, Fort Worth, Dallas, Lubbock, Amarillo and Longview, as well as county tax offices, county veteran service officers, American Legion headquarters in Austin and Veterans of Foreign Wars headquarters in Austin.

FUNDING of a new National College of District Attorneys at Houston has been approved by the US Law Enforcement assistance fund, M. D. Anderson Foundation and Moody Foundation.

WHERE THE STAMPEE STOPPED—This was the trailer-jammed scene last Wednesday afternoon at the Dimmitt Veterinary Clinic as the county's horse owners continued to bring their animals in to be vaccinated against Venezuelan equine encephalomyelitis (VEE). After administering

more than 800 vaccinations, Dr. W. J. Hill reported this week that almost all of the county's horses apparently have been inoculated against the dread sleeping sickness. This photo was taken from atop the nearby main elevator of Bruegel & Sons, Inc. (Photo by Becky Berryhill)

Sen. Tower

Chinese issues poses problems

SEN. JOHN G. TOWER
 (R-Texas)

The announcement of a forthcoming visit to Mainland China by our President has brought forth much speculation in Washington as to the future of our diplomatic relationships not only with Red China but with our traditional allies as well.

I FERVENTLY hope that the President's visit to Peking will not result in a normalizing of relations with Peking on Peking's own inflexibly stated terms. Foreign policy actions on our part should be taken with full recognition of the past activities of the Chinese Communists. We must remember that the present government in Peking has demonstrated irrational attitudes in the past and that it is responsible for the exportation of a most intransigent brand of communism.

The Chinese Communists have insisted that they be recognized at the total exclusion of the Nationalist Chinese, with whom we have enjoyed a long and beneficial alliance. The Red Chinese have insisted in the past that the United States abandon its mutual defense commitments with the Nationalist Chinese and that we withdraw all our military forces from the Western Pacific and Asia.

It is essential to our own national security that our Western Defense Perimeter be maintained. This defense perimeter consists of our mutual defense alliances in the western Pacific. It includes garrison forces in South Korea, Japan, Taiwan and the Philippines. Without this defense perimeter, we would be forced to retire to a sort of "Fortress America" with only Hawaii and our possessions in the Pacific to serve as outposts for the continental United States.

THE PURSUIT of such a policy would leave the American influence in Asia and the Pacific at an unacceptably low level. With the United States no longer a viable alternative to Chinese communism, our present friends and allies would be forced to either "go it alone" or make an accommodation with the dominant force in Asia. Such accommodations might well require the exclusion of the United States from fair treatment in the economic markets of the Pacific.

The United States could quickly become an economically isolated fortress as well as a militarily vulnerable one.

We need our Western Pacific Defense Perimeter and we need a viable Taiwan in order to preserve it. Taiwan is an essential link in our defense perimeter. It possesses a growing military importance as we de-escalate in Vietnam.

RAPPROCHEMENT with Red

China at the expense of the Republic of China would be counter-productive. Such action could well lead to failure of the Nixon Doctrine. It could result in the loss of military base rights in our Western Defense Perimeter. It could render the strategic concept of the perimeter worthless. It could force a withdrawal of our security line back to the West Coast, with Hawaii re-emerging as an outpost of mainland America. Such isolationism, I fear, might bring with it the loss of allies and foreign markets, a significant retrenchment of conventional military forces, and a total reliance upon nuclear defense without a viable conventional defense option.

As we consider the future of US interests in the Western Pacific and Asia, I think it would be well for us to recall the experiences of the Free World in dealing with communism in Europe. It is somewhat

ironic that questions as to our

future relations with China come upon us just as we are observing Captive Nations Week, in which we are reflecting upon the results of another type of communism in Eastern Europe.

This past week marked the 13th anniversary of Captive Nations Week. It is a time for remembering that communism and individual freedom cannot survive together.

RUSSIAN communism controls the lives of 100 million Europeans. It maintains its control through oppression, as demonstrated in Czechoslovakia in 1968 and in Poland last year as well as scores of other less publicized incidents. But just as each of these events serves to demonstrate Communist oppression, it also demonstrates that the desire for freedom remains in the hearts of the peoples of the Captive Nations. The leaders of the West should not take any action which would lead to a stifling of these aspira-

tions.

A policy of normalization of relations between the United States and the Communist world may, in the long run, heighten the chances of world conflict unless the United States makes it perfectly clear that it will not support under any circumstances the continuation of a policy of Communist enslavement in violation of fundamental human rights.

THE TEXAS hog inventory on June 1, 1971, was 1.7 million head, up 51 percent from a year earlier, according to the latest release from the Texas Crop and Livestock Reporting Service.

Letter to the Editor

Golden chance for a new library; all we must pay for is the site

Dear Editor and Citizens of Castro County:

The Castro County Library Board has chosen to conduct a campaign to raise funds for a library site for numerous reasons. First, because the time allotted to qualify for the matching funds of \$48,168 did not allow for a bond election; second, because they prefer not to have property taxes further raised for the purpose of providing a site; and third, because citizens can contribute varied amounts according to their ability to support a worthy cause, which will be tax deductible for internal revenue purposes.

In regard to the joint effort of the City of Dimmitt and Castro County for annual support of the library to qualify for the \$48,168 matching funds from Texas State Library, I wish to point out there are no federal requirements attached, and in my opinion those few imposed by Texas State Library do not exceed the benefits which will be forthcoming.

Mrs. Perry's gift of stocks and bonds plus the \$48,168 matching funds will cover the major expenses, those of building and furnishings for a library facility.

If you have the opportunity to visit with the county judge of Carson County, you will find that matching funds made possible Callaghan Memorial Library, which not only serves the Town of Panhandle, but Skelleytown, White Deer and Groom. All four of these towns maintained a library of sorts with

little coordination before Callaghan Memorial Library was built. I am not sure how each was financed, but in any case persons living in each town will tell you their library facilities were inadequate.

The City of Muleshoe has for some time been trying to get a bid on plans for a city financed library with matching funds from Texas State Library and, unless they have very recently been able to do so, have not been able to get a bid from construction companies that is within their means. This simply means construction and library furnishings cost more than the casual onlooker knows.

Castro County Library is a living, growing facility today, revived from what Mrs. Rosalyn T. Shamblin, area consultant, Texas State Library (now retired) referred to as a "dead facility" in 1964.

The future of Dimmitt and Castro County depends on the farsightedness of its citizens and its leaders in laying a foundation for further growth. I think the goals necessary to receive matching funds are not only timely, but needed, to further the overall development of our area.

We often hear of "an opportunity of a lifetime" or "the opportunity of the century." I believe obtaining funds for a library site might well be not "an opportunity of a lifetime" or "the opportunity of the century," but Castro County's and its citizens' opportunity of a millennium, because matching funds will not be offered us again.

Let us, the citizens of Castro County who wish to leave future generations a richer heritage than we know (our heritage was and is great, as we the common people of Castro County and over United States of America live better and have more opportunities than ruling monarchs did three centuries ago), pull together to provide means for a site for this much-needed library facility for our county.

HAZEL MERRITT

On the Go

PROFESSOR and Mrs. Carl Jackson of Long Beach, Calif., are visiting this week with his brother, Al Jackson, and family. Jackson is a professor of merchandising at Long Beach City College.

JURY AGE STILL 21

Texans under 21 may not serve on juries in Texas despite recently-lowered voting age to 18, Attorney General Martin held last week.

'DID YOU SAY WATER?' — Exchanging ideas during the Southern Conference meeting of the Council of State Governments last week in Tulsa are (from left) State Representative Bill Clayton of Springlake; Texas House Speaker Gus Mutcher; Arkansas House Speaker Ray S. Smith, president of the conference; and Herbert Wiltsee, director of the southern office of the Council of State Govern-

ments. Clayton, who is the executive director of Water, Inc., gave a report last Wednesday to the full committee of the Natural Resources Task Force, one of five task forces of the Intergovernmental Agency Commission of the National Legislative Conference. One of the purposes of the council is to coordinate legislation on such interstate projects as the proposed Texas Water Plan.

'Poppa' Parish, local inventor, has idea for a better windmill

By BILLIE HARRIS

The wind has spread golden sand across the plains ever since Gus (Poppa) Parish came to the Earth-Springlake community in 1923, where he operated a garage until 1927.

HE THEN established a hardware store and implement business and planned for a son, Gus Jr., to follow in his business footsteps, but the son was killed in the South Pacific while serving with the Marines during World War II.

A heart attack slowed Parish down physically for 10 years, but mentally he produced many worthwhile and profitable ideas while taking it easy, and was responsible for the family getting into the pump business.

The farm where the company is located is a mile south of Earth on FM 1055.

ALTHOUGH Poppa Parish is semi-retired, he stays busy around the farm and quite often at the large workbench that Doug provided. Doug, his son, is manager of the pump company, who with his father owns 51 percent of the stock. Seven other family members co-own 40 percent, making it quite a family business affair.

Poppa Parish has a popular exercise wheel on the market, and his boot jack has earned letters of praise from "Festus" of "Gunsmoke" and Gov. John Connally. The jack has metal prongs

that are used as vises in putting on and removing stubborn boots. These boot jacks are made in Earth and are being used all over the nation.

The pump company has a reputation for having one of the best pumps that can be obtained.

THEIR all-purpose irrigation pump has a patented Parish flow switch as a feature. Its automatic mercury-activated control cuts power immediately when water flow diminishes. The switch can be used on all electric and combustion engines and can be installed in about 10 minutes. Their Earth-made pumps are operating in 35 states. The parts are obtained in a nearby city, then they are assembled at the Parish place and the precision parts are installed there.

As the wind has gusted across West Texas through the years, it has been quite common to see it playing havoc with almost everything. Windmills have been torn from their joints when not strongly constructed, and spin full speed from the forceful winds.

So, it is very unusual to see a mill on the Parish farm calmly turning only 20 strokes per minute during one of the well-known windstorms. Their revolutionary vane (tail) is a governor which controls wheel revolutions and rod strokes and results in a steady stream of water flow, no matter what direction or wind velocity.

WITH THE current dry weather situation, Parish thinks it's a good time to put their windmill on the market, and plans to do so in the near future. Much interest has been shown by farmers and ranchers in the area, and inquiries have been coming in from all around the nation and the world.

At present there are approximately a million and a half windmills in operation, and about 5,000 are replaced yearly. This number might well increase due to the Parish improvement. Since there are now only two manufacturers in the United States, the Parish Plant should do a good business from all indications.

When asked about the future, Parish said, "Who knows?" And with a twinkle in his eyes and a broad smile, he added, "We might build a better mousetrap. We built a better windmill didn't we?"

BUT knowing his reputation and success, it wouldn't be too surprising if he builds a better spaceship for trips to the moon or something just as astonishing — that inventor from Earth.

McLain - Truelock vows are recited

Miss Janet Kay McLain and Ronnie Daniel Truelock were united in marriage in a formal, double-ring ceremony Saturday at 8 p.m. in the First Baptist Church of Hart.

Harold McColum officiated at the ceremony.

THE BRIDE is the daughter of Mr. and Mrs. Tom McLain of Hart. The groom is the son of Mr. and Mrs. Clyde Truelock of Olton.

The altar was decorated with an arch flanked with white candles, bows of rainbow ribbon and greenery, and baskets of daisies and bows. A memory candle and greenery decorated the pulpit.

Mrs. Weldon Davis was organist. Mr. and Mrs. Preston Upshaw sang "A Time for Us" and "More."

GIVEN IN marriage by her father, the bride wore a formal length gown of white satin and Venice lace, styled with an Empire bodice, rounded neckline and long bishop sleeves of silk organza with lace and satin cuffs extending to petal points at the wrist. The A-line skirt had overlays of lace at the shoulder and sides which revealed a redingote effect that swept to the back with two narrow folds of lace falling from the center back, forming a fan-shaped train edged in scalloped lace.

Her organza cathedral length mantilla, trimmed in scalloped Chantilly with an elbow length butterfly veil of Nylon illusion, was secured by a beaded Camelot headpiece.

She carried a bouquet of white roses and long streamers atop a Bible. Something new was her dress; something old was her great-grandmother's wedding band; something borrowed was the white Bible; something blue was the garter; and she wore dimes in each shoe coined the couple's birth years.

MRS. DEBBIE THOMPSON of

Oklahoma City, Okla. served as matron of honor, and Sandy Bennett of Hart was maid of honor. Bridesmaids were Judy Truelock of Olton, sister of the groom and Becky King of Hart. They wore floor length dresses with sculptured Empire bodices accented with tiny covered buttons, and long Camelot sleeves with deep cuffs in rainbow colors. Each carried long stemmed daisies matching their dresses.

Candlelighters were Brad Benson of Bangs and Teresa Kittrell of Hart. Kerry Benson of Bangs was ring bearer. Melissa Kittrell and Gayla Kittrell, both of Hart, were the flower girls. The girls wore floor length dresses with Empire bodices accented with beaded ribbon in matching colors.

Ricky Mills of Plainview served as best man. Groomsman were Tommy McLain of Hart, brother of the bride, and Daryl Huguley and Kenneth Gallagher both of Olton. Serving as ushers were Lonny Davis of Hart, Terry Truelock of Portales, N.M., and Gene Light of Olton.

A RECEPTION honoring the couple was held in the church's fellowship hall. Guests were served from a table covered with white lace over pink. Silver candelabras and the bridesmaids' bouquets formed the centerpiece, and the traditional three-tiered wedding cake topped with a miniature bride and groom completed the table.

Following a wedding trip to Red River, N.M., the couple will reside at 2312-B 16th St. in Plainview.

For the wedding trip, the bride wore a multicolored dress of double knit with white accessories.

The bride is a graduate of Hart High School and Robert Spence's Modeling School in Lubbock. Truelock is a graduate of Olton High School and Weaver Airline School, and is

MRS. RONNIE DANIEL TRUELOCK

now employed by Jones and Martin Construction. Mrs. Jerry Kittrell hosted a bachelorette party and supper for the bride last Wednesday.

Socially Yours

Here are week's best food buys

Make the most of summer bargains—follow these marketing tips when shopping this week, suggests Gwendolyn Clyatt, Extension consumer marketing specialist.

IN THE market fruit section nectarine supplies are heavy and quality is very good. Supplies of seedless grapes are increasing and banana imports remain heavy, making for attractive prices.

July is the peak month for plum supplies, she says. Prices on plums are nearing a low point with a great variety available. Watermelons are also in good supply with lower prices. Cantaloupe shipment is at a temporary lull. The specialist reports peach supplies are slowly increasing as a short crop is harvested.

Cherries, apricots and honey dew melons also await your selection, she continues.

VEGETABLES in good supply at economical prices are okra, corn, blackeye peas, cabbage, eggplant, mustard, turnip greens, celery, potatoes and yellow onions.

Only vegetables fresh in appearance should be purchased. Mrs. Clyatt points out. Then handle them gently, she adds.

Best beef values include chuck roasts and steaks, round steaks and roasts, ground beef and short ribs. Sirloin and rib steaks also may be more reas-

onably priced. In addition, good values may be found on corned beef.

AT THE beef counter, look for features on the less tender cuts generally in less demand during hot weather, Mrs. Clyatt says.

Pork values include picnics, hams, shoulder roasts and steaks, end-cut loin roasts and pork liver. Canned hams and bacon features may also be found this week.

Egg prices are about the same as last week, with the Grade A large size continuing to offer the best combination of quality and economy.

True to the seasonal pattern fryers are featured for summer cook outs again this week. Look for special prices on whole birds and fryer parts. Roasting chickens are also a good value in some markets.

AND, frozen turkeys are available in most stores at prices you can't afford to pass up. Look for frozen turkey pies and canned turkey and specialty items, such as smoked turkey, turkey tamales, turkey pizza and turkey TV dinners, she says.

THE VALUE of agriculture's production assets represents about \$50,000 for each farm worker, approximately double that of each manufacturing employee.

MRS. CHARLES WILLIAM SUMMERS
... The former Rena Sue Lust

Vows are recited in home ceremony

Miss Rena Sue Lust and Charles William Summers exchanged wedding vows Saturday evening in her parents' home.

Rev. Jim Pickens, pastor of the First United Methodist Church of Dimmitt, officiated.

THE BRIDE is the daughter of Mr. and Mrs. Houston Lust of Dimmitt. The groom is the son of Mr. and Mrs. Melvin Summers of Dimmitt.

Given in marriage by her father, the bride wore a formal length gown of chantilly lace over bridal satin with a fitted bodice, a bateau neck and a low back. The gown had a deep pleat in the skirt front and a satin bow at the waist, and Chantilly lace sleeves were caught in cuffs of lace over satin. Her veil was secured by organza rosebuds and lace leaves of rhinestones, and trimmed with lace matching her dress. She carried a cascade of white gladioli and pink asters with white streamers. For something old, she carried her great-grandmother's handkerchief.

Rita Ann Lust of Dimmitt, sister of the bride, served as maid of honor. Ruby Flo Lust, also the bride's sister, was bridesmaid. They wore identical formal length gowns of pink and green flocked Dacron voile. Each carried a single long-stemmed gladiola.

THE GROOM'S brother, Gerald Summers, served as best man. Rex Lust, brother of the bride, was groomsman, and Joe Lust, also the bride's brother, was the usher.

Vows were exchanged below an archway of candelabras covered with greenery and white tapers. Jeanne Petty was organist. Mary Lynn Hays, soloist, sang "The Twelfth of Never" and "One Hand, One Heart."

A reception for the couple was held following the ceremony. The bridal table was covered with white lace over pink, and centered with an arrangement of white gladioli and pink asters. A three-tiered cake and punch were served to the wedding party and guests by Mrs. A'llan Bradley of Fort Worth and Mary Ann Stockstill of Miami.

Following a wedding trip to Colorado, the couple will reside in Canyon.

The bride wore a pink double-knit pantsuit for the wedding trip.

Shower honors Mrs. Sarah Hill

Mrs. Sarah Hill was honored at a salad luncheon in the community room of the First State Bank recently.

EACH GUEST brought a casserole or dish that could be frozen to be used after the baby is born.

Hostesses were Mmes. Brenda Andrews, Kay Young, Connie and Martha Willard, Diker Stanford, Diane Axtell, Linda Springer, Sandra Nelson and Norma Smith.

Kitchen talk

Mother, do your children a favor -- teach them how to cook this summer

By BECKY BERRYHILL
I want to encourage you mothers to teach your children to cook.

will let them practice at her house.

Summer time is a good time to begin cooking lessons. When your kids complain about nothing to do—introduce them to the fun world of cooking.

You may want to invest in a cookbook written especially for children, but it isn't necessary. The county library has some children's cookbooks, or you can choose simple recipes from your cookbooks.

AND TEACH your boys to cook as well as your girls—both may have bachelor apartments later.

Teaching simple things, such as making toast or heating canned foods is the best way to start. The kids can do these things with ease and without frustrations from complex steps.

Introduce the kitchen to them, appliances, and safety rules before actual preparation begins.

If they're adventurous, let them try their own combinations.

MRS. JAMES EARL HEAD
... The former Poppy Byrnes

Byrnes - Head vows exchanged Sunday

Wedding vows were repeated Sunday at 3 p.m. in the First Baptist Church of Dimmitt by Miss Poppy Byrnes and James Earl Head.

Rev. Gerald Mann, pastor of the First Baptist Church of Hereford, officiated. Ronnie Parker, minister of the Bedford Street Church of Christ, assisted in the double-ring ceremony.

THE BRIDE is the daughter of Mr. and Mrs. Bob Dulaney of Dimmitt. Head is the son of Mrs. Francis Head and the late Harold Head of Hereford.

Given in marriage by her brother, Stanley Byrnes, the bride wore a gown of bridal satin with a bateau neckline and fitted petal-point sleeves. The gown was trimmed with lace appliques on the sleeves, center-front, hem and chapel length train. Miniature buttons accented the back, and the train was gathered to the waistline in a bustle effect, topped with a satin bow. Her elbow length veil edged in lace was secured by a jeweled lace flower.

Her cascade bouquet of tropical roses, stephanotis and gardenias was carried atop a white Bible, a gift from her father. In the bridal tradition, she had a penny in her shoe. A gift of Mr. and Mrs. Harold Miller; something blue, her garter; something new, her Bible; and something borrowed, a pearl choker from her mother.

PAULA JO BIRDWELL of Dimmitt served as maid of honor. Bridesmaids were Mrs. Allan Bradley of Ft. Worth, Mrs. Glenda Nahgang of Hereford, Marilyn Muse of Hereford and Jill Braafadt of Dimmitt. They wore identical gowns with apricot chiffon bodices and apricot and green flowered full skirts with green cummerbunds. The dresses featured wedding band collars and Gibson Girl sleeves. They wore white, wide brimmed, crocheted straw hats with apricot ribbon trim. To complete their attire, each carried a white basket of pom-pom mums.

Candlelighters were Shirley Head of Hereford, sister of the groom, and Brad Dulaney of Dimmitt, brother of the bride.

Miss Head wore a white jumpsuit over an orange chiffon blouse. Tricia Touchstone of Dimmitt, flower girl, wore a peasant dress of flowered print to match the bridesmaids' gowns. Tobin Tate of Clovis, N.M. was ring bearer. The boys wore white knit suits and avocado green shirts.

Jerry Tyler of Hereford was

best man. Groomsmen were Jackie Meridith of Belton and Steve Whitaker, Dean Watson and Hal Easley, all of Hereford. Ushers were Mike McCathern, Jerry Walker, Tom Timberlake and Galen Jack, all of Hereford.

The church was decorated with arch shaped glass and brass candle holders with topiary bird cages between them. Huge bouquets of gladioli, tropical roses, pompons and baby's breath sat on small white Grecian columns. Spiral candelabras flanked the altar. After the ceremony, the couple lit a white memory candle.

Organist was Janice Mooney of Dimmitt. Mrs. Ann Touchstone of Dimmitt sang "More" and "We've Only Just Begun."

A reception for the couple was held in the Truman Touchstone home. The bride's table was covered with a white net cloth trimmed with satin. The centerpiece was tropical and white roses and a tiered wedding cake, with the bride and a cowboy groom standing between the tiers. Cake and punch were served to the guests by Mmes. Vicki Golden, Doricell Davis, Rochelle Oldham, Barb Rush and Cheryl Glidewell. Assisting with the hostess duties were Mmes. Doris Lust, Doris Lindsey, Peggy Parther, Jo Nan Miller and Myrtle Sheffy.

The bride wore a white hot-pants suit with an orange and white polka dot blouse, visor cap and sandals for a wedding trip to the Cheyenne Rodeo in Cheyenne, Wyo. Her corsage was orange poppies, after her name. The groom's boutonniere was of poppies in the shape of a western boot.

The couple will reside in Hereford.

The bride is a graduate of Dimmitt High School and attended Stephen F. Austin College. The groom is a graduate of Hereford High School, attended West Texas State University and is now engaged in ranching west of Hereford.

Grandparents of the couple attending the wedding were Mrs. A. A. Head, Mr. and Mrs. Homer Vining of Plainview and Mrs. Ruby Byrnes of Jal, N.M.

Among the out of town guests were Mr. and Mrs. Cecil Dulaney of Shallowater.

A rehearsal dinner was hosted by the groom and his mother Saturday evening in the Colonial Inn dining room. Mrs. Patsy Morris sang and performed guitar music following the dinner.

50th anniversary reception slated for Hugh Ritchies

Mr. and Mrs. Hugh E. Ritch, formerly of the Jumbo community, will be honored at a 50th wedding anniversary reception Sunday in the First United Methodist Church, 1001 W. Seventh in Plainview from 3 to 5 p.m.

Children of the couple hosting the reception are two sons, Dr. Thomas Alden Ritch of Roswell and Dr. Hugh Lee Ritch of Lockney; a daughter, Mrs. Arthur B. Clark of Hereford, and their families, including eight grandchildren of the Ritchies.

Friends of the couple are invited to attend and requested to bring gifts.

MR. AND MRS. CHARLES H. HOWELL
... To be honored Sunday in Bethel

Miss Lust is shower honoree

Sue Lust, bride-elect of Charles Summers, was honored with a lingerie shower in the home of Mrs. Bob Dulaney last week.

GUESTS WERE served lime punch and cookies from a milk glass service. Pink daisies were centered on the white linen cloth, with green candles completing the table decorations. A beige negligee was presented to the honoree from the hostesses.

Assisting Poppy Byrnes with hostess duties were Mrs. Patty Summers, Mrs. Paralyn Moore, Mary Hays, Elaine Davis, Mrs. Debra Schreck and Beth Wallace.

Miss Lust and Summers were married Saturday evening.

Ready to go hunting, Joe? Get in shape!

Those cool, crisp days of the fall hunting season may seem a long time off, but now is the time to prepare for them, according to James U. Cross, executive director of the Texas Parks and Wildlife Department. "IT WILL probably take many hunters two or three months to get in good enough physical shape to enjoy their sport safely," he said.

"Each hunting season, hunters suffer from heart attacks and exhaustion," said Cross. "A program of exercise among hunters might decrease these inci-

Silver anniversary reception planned

Mr. and Mrs. Charles H. Howell will be honored with a reception observing their 25th wedding anniversary Sunday from 2 to 5 p.m. in the Bethel Community Building, eight miles west and one mile south of Dimmitt.

HOSTING the reception will be their children, Dennis of Morton, Mrs. Darla Watts and Mrs. Risa Steed of Lubbock, and Kevin, Kent and April Howell, and the couple's granddaughter, Keeley Watts.

Mrs. Howell is the former Ruby Dorothy Warren. The couple graduated from Dimmitt High School in 1946, and were married Aug. 1 of that year in Dimmitt.

They farmed in Friona 20

years, but now reside in Drumwright, Okla., where Howell is a Texaco wholesaler.

There is more than just safety involved in getting in shape, according to Cross. Not only will exercise improve health, it will increase a person's capacity to enjoy hunting.

"A MAN who is too exhausted to get out of bed after a day's hunting probably won't enjoy his trip as much as someone who's raring to go day after day," said Cross.

CROSS SAID that a medical checkup prior to any exercise program is a good idea. A physician can usually recommend a walking or jogging program which will improve the capacity of the cardiovascular system and strengthen the legs.

Cowell-Farmer vows read

Miss Jeanetta Gay Cowell, daughter of Mr. and Mrs. H. M. Cowell of Dimmitt, was married July 17 to Donald Farmer of Pampa.

THE BRIDE, a graduate of Dimmitt High School, is now employed as a nurse in Dr. Dale Cobb's office in Amarillo. The groom is employed by Bell Helicopter Co. in Amarillo.

The newlyweds are at home at 103 S. Louisiana St., Amarillo.

THE December-May pig crop estimate for the state reached 1.2 million head, showing an increase of about 41 percent over the same period a year earlier. For the June-November period, Texas hog producers intend to farrow 37 percent more sows than during this time last year. This means that the Texas pig crop should reach close to 1.5 million head for June-November.

SOW CARE REAP FARM SAFETY

FARM SAFETY WEEK JULY 25-31

Your farm — it's your life's work, pride and happiness, and it's your private piece of the world. That makes it worth worrying about . . . worth caring for. Take the extra time to check safety features, to assure yourself that all equipment, building and electrical components are in A-1 shape. Keep eyes on lookout for fire hazards. Make sure ladders, silos are secure to avoid injury. Store tools away carefully for added safety.

Keep a constant look-out. When precautions are followed diligently, there is less room for error. Farm safety-checks, most importantly, guarantee your family a financially sound future.

Clyde Schulte burned in combine accident

By Mrs. Florance Albracht

Clyde Schulte, son of the Ray Schultes, is in High Plains Baptist Hospital in Amarillo suffering from burns he received while cleaning the cab on the combine with a pressure hose from a butane tank. His arms and face were burned. He is reported improving.

MRS. FRANK HOELTING and daughter, Mrs. Bayard Keys and children of Plainview, went to Amarillo Friday to visit Sister Jeanne of Fort Smith, Ark., who is there for treatments. Andrew Miller is in Swisher County Hospital for tests and medication.

The norther that blew in Sunday evening brought some rain, cooler weather and clouds. As much as .60 of an inch was received west of town.

JOE VENHAUS, Julius Birkenfeld, Art Brockman and Marvin Schulte left Friday for Cheyenne, Wyo., where Marvin will take part in the big rodeo.

The Paul Venhaus family were hosts for a potluck supper Sunday evening for her mother, Mrs. Blanche Birkenfeld, and families.

Linda Wagner, daughter of the Lawrence Wagners, left Thursday for Washington, D.C., where she will be employed as a secretary by the FBI.

MRS. DON KOELZEA and children of Friona spent the week with her mother, Mrs. Marie Hansen, while her husband attended the state fireman's school.

Mr. and Mrs. Raymond Annen, Mrs. Cornelia Annen, Mrs. Faye Spencer and baby and Mrs. Gladys McLain and children were in Fort Worth visiting the Gene Hubbards. They also attended an Annen family reunion.

THE CATHOLIC Daughters of America held a reception for new members in the Community Hall Sunday afternoon. Mrs. Allan Dobmeier, Mrs. Leslie Birkenfeld and Mrs. Jerome Durbin joined the court. The hall was prettily decorated with the courts colors, purple and yellow, in flowers and ribbons. Mrs. Cornelia Annen was in charge of the tea following the ceremony.

Mr. and Mrs. A. P. Hoelting are vacationing with their daughter and family, the Donald Dettens of Claude, in New Mexico and Colorado.

Mr. and Mrs. David Acker returned home Friday after attending the 75th anniversary celebration and convention of the Germania Insurance Company at Brenham. David is an adjuster for the company. They report very hot and dry weather

Club Professional

Gilbert Schulte made a hole-in-one last week on No. 2 hole, using a No. 5 iron. Edwin Pohlmeier, who was playing with Schulte at the time, said Gilbert had the typical reaction of most all golfers who are fortunate to have a hole-in-one — "I just couldn't believe it!"

ANN TOUCHSTONE broke her own low-score record of 45 during the recent Pro-Am here, by seven strokes—storming the back nine in 38. Her team, which was captained by Professional Bill Mullican of Canyon Country Club and included Orville Hicks of Canyon and Dub Bryant of Alamogordo, N.M., won third team honors with a net 61.

Helpers for the Pro-Am were Martha Myers, Shirley Underwood, Maxie Horton, Polly Holland, Marie Winders, Para Render, Bobby Vilas, Janie Walker and Connie Stallings.

H. B. Thomas was out Sunday morning practicing with his grandson, Robert. Kathy Thomas was seen swimming with her younger grandson, Steven. . . an unexpected plunge for Kathy, I hear.

I WAS pleased to add my name, along with Don January, former PGA champion, for a character reference for Dickie Dyer, son of Mr. and Mrs. Goldman Dyer of Dimmitt this past week. Dickie has his game in great shape, and is ready to try for the PGA Tour this September. Good luck!

John Gilbreath shot a 40-45 this week. The Dean Wisemans were out taking lessons along with young Travis Wiseman. Travis Campbell, young Wiseman's grandfather, was out Friday.

Walter Kleman of Nazareth is a new member of CCCC.

Kelly Moore has been in the hospital all week, and Jeff Lantz has been taking his place in the shop. John Lantz had Grant Lantz and Monty Roach of Amarillo as his guests Sunday.

Punk Gilbreath has been practicing for some secret revenge on somebody. Punk came in

Millard Finley, former resident, dies in Amarillo

Services for Millard Finley, former Dimmitt resident who died July 15 in the Veterans Hospital in Amarillo, were held at 4 p.m. July 16 in the Wall Street Church of Christ, with Newell Burk officiating.

BURIAL was in the Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Mr. Finley, who was a veteran of World War II and a long-time Dimmitt resident, is survived by a son, Tom, of Caprock, N.M.; a brother, Glenn, of Tenino, Wash.; and two granddaughters.

13 girls will compete in 'Hart Day' queen competition

By MYRT LOMAN

Thirteen girls and sponsors have been entered so far in the Hart Day Queen Contest to be held on Friday night, Aug. 6. Entries and their sponsors are Nelda Henderson, Hart Oil Co.; Kathy Crawford, Hart Beat; Debbie Davis, Lions Club; Pat Waide, Hart Junior Riding Club; Becky King, Wozencraft Insurance Agency; Lisa Lacy, Kittrell Electronics and TV; Dianne Barham, Pay & Save Grocery; Roni Cox, Cox Auto Parts; Jeton Jones, Ed Harris Lumber Co.; Nancy Reed, Xi Mu Iota chapter; Pam Shive, Chi Psi chapter; Vicki Newsom, Hart Floral; and Kathy Cheves, Castro County News.

THIRTY-NINE businesses have signed up so far to participate in the drawing on Hart Day. They will provide merchandise prizes to be awarded free during the city's annual celebration.

HART LIONS Club met Monday at noon in the community room of Farmers State Bank with 20 members and two guests present.

The program was presented by Supt. Ted Averitt, Principal Elmer Six and George Carroll, a new teacher, who will be teaching Industrial Cooperative Training, a new course in Hart Schools. The men explained the new program.

Debbie Davis expressed her thanks to the Lions Club for sponsoring her in the district queen contest.

The Lions Club will sponsor a carnival in Hart Aug. 5, 6 and 7.

HERE'S THE registration schedule for Hart Public School students Aug. 19 and 20:

Aug. 19
9-10:30 a.m. — Seniors.
10:30-12 noon — Juniors.
1-2:30 p.m. — Sophomores.
2:30-4 p.m. — Freshmen.

Aug. 20
9-10:30 a.m. — Eighth grade.
10:30-12 noon — Seventh grade.

FIRST DAY of school will be Monday, Aug. 23, at 8:30 a.m. Buses will run on that day.

Kindergarten students may register anytime from 9 to 4 at the elementary principal's office or the secretary's office. The student must be 5 years old on or before Sept. 1.

HONORED as "Resident of the Month" at the Colonial Rest Home in Lubbock recently was J. P. "Johnny" Armstrong, former Sunnyside resident. Here, he and his wife, Dovie, pose with six of their seven living children. Standing, from left, are Mrs. Mozelle Lilly of Dimmitt, Deward Armstrong of Texico, Mrs. Nell Brooks of Plainview, Mrs. Alene Lilly of Houston, Mrs. Jo Hankins of Hart and Mrs. Marie Marlar of Lubbock. Not pictured is their other son, Charles "Sonny" Armstrong of Dimmitt.

J. P. Armstrong receives honor at Lubbock's Colonial Rest Home

J. P. "Johnny" Armstrong was selected as "Resident of the Month" at the Colonial Rest Home in Lubbock.

HE IS 80 years old, and he and wife, Dovie, have been residents of the Colonial Rest Home for the past two years.

The Armstrongs have seven children living and one deceased. They celebrated their 59th wedding anniversary June 3.

In 1907, Armstrong and his family moved from Kentucky by train and settled at Memphis. They moved near Hart from Sunnyside in 1947. He remarked that he farmed and ranched, and "always enjoyed the noisy confusion of sound and activity of a roundup."

HE participates in the activities of the home, is quite enterprising. Jeanne Petty was on the domino games. His good-natured banter is his trademark among residents and staff of the home.

Children of Mr. and Mrs. Armstrong are Mrs. Cody Marlar of Lubbock, Mrs. Roy Lilly and Sonny Armstrong of Dimmitt, Mrs. Owen Hankins of Hart, Mrs. Bob Ed Brooks of Plainview, Mrs. Alene Lilly of Houston and Deward Armstrong of Texico.

AT A special meeting July 20, the Hart School Board accepted the resignation of Bill Shelby as Industrial Cooperative Training teacher, and Mrs. Bill Shelby, high school English and Spanish teacher.

George Carroll was employed as the Industrial Cooperative Training teacher.

THE HART High School library will be open from now until Aug. 6, when all the books are to be checked in.

ANY CHILD who will be 5 years old before Sept. 1 and are socially or economically deprived should apply for kindergarten membership in the Hart Independent School for the coming school term.

These children may be enrolled at the principal's office in Hart Elementary School from 9:30 until 4 any weekday.

THE INDUSTRIAL Cooperative Training program has been introduced to the Hart school curriculum. It is devised to aid those students who do not plan to go to college, but desire some industrial training.

These students will be allowed to work for an industry two school hours a day as well as other hours that may be worked out between the employer and employee. School officials feel that this program will meet the needs of more students who will be graduating from Hart High School.

MRS. JERRY Kittrell was the hostess at a bachelorette party honoring her niece, Janet McLain, her bridesmaids, flower girls and others of her wedding party last Wednesday.

Guests were served a ham and salad supper with watermelon.

Out of town guests were Debbie Thompson of Oklahoma City; Mrs. R. L. Benson of Bangs, cousin of the bride-elect; and Kim Davis of Houston.

HART RECEIVED 2.04 inches of moisture in June and to noon Monday, for the month of July, 1 1/2 inches. All fell very slowly and soaked into the ground. Muddiest place in the city was Broadway, due to work on the street.

MR. AND MRS. Harold Smith and family were called to Erick, Okla., this past weekend to attend the funeral of their 3-year-old nephew, Douglas Paul Smith who was run over and killed.

The child was run over at a feedlot near Erick.

GENOVIA CARRASCO, bride-elect of Fernando Montemayor, was honored with a gift tea Sunday afternoon in the community room of the Farmers State Bank.

Adela Carrasco received guests and presided at the register. The serving table was covered with a white lace cloth over pink, and centered with an ivy arrangement.

Rosa Carrasco served cake and punch. Special guests were Mrs. Trinidad Carrasco, mother of the honoree, and Mrs. Pareria Montemayor, mother of the prospective groom.

Hostesses were Rosa and Adela Carrasco and Mrs. Robert Gonzales. Miss Carrasco and Montemayor will exchange wedding vows at 8 p.m. Aug. 7 in St. John's Church in Hart.

MEMBERS of the Zealot Club recently held their annual surprise kidnap breakfast in the home of Mrs. Hubert McLain. The ladies were each kidnap-

ed by a fellow member and taken to one of the homes with no chance to comb hair or dress properly.

Hosting the breakfast in the home of Mrs. McLain were Mmes. C. C. Hanes, Charles Nelson, Eldon Shive, L. D. Williams and Jerry Kittrell.

MRS. D. A. BASS and Max Stephens were honored with a surprise birthday party Thursday night in the Max Stephens home. Ten couples enjoyed games of 42 and refreshments of birthday cake, coffee and punch.

A NUMBER of our church youths have been attending church camps, with more to go last of this month. Carol Armstrong and Karen Foster went to Ceta Canyon and Jean will attend "Inner Life Assembly" at Camp Butman from the First United Methodist Church. From the Baptist Church to attend Glorietta Camp, the youths will leave this Thursday and return next Wednesday.

Rev. and Mrs. C. T. Cunningham will sponsor the following — David Bass, Gail Reed, Dirk Rambo, Brent and Keith Lemons, Helen Murray, Thomas Cunningham, and John Rogers. From the Church of Christ, Brenda Covington, Carolyn Cole and Kathy Kennedy attended Black Mesa Bible Camp last week at Boise City, Okla.

"THE RAMBLING Messenger Choir" of the First United Methodist Church presented "Up With People" Sunday evening.

The choir is composed of youths of the church and was directed by Robbie Hawkins. Songs included "I Want to be Strong," "Somewhere Beyond Tomorrow," "The World Is Your Home Town," and "Which Way America?"

Special performers were a trio of Theron Hawkins, Debbie Bailey and Vicki Newsom, and a solo by Karen Foster. Climax of the program was the group singing, "Put Your Hand in the Hand" and "Pass It On" as the singers marched down the aisle shaking hands with members of the congregation.

MRS. RAY WARREN was honored with a birthday party and dinner Friday night at her home. Following the dinner, cake

and ice cream were served to Mr. and Mrs. John Holloway and John Ray, Mr. and Mrs. Lyndall Warren and family and Mrs. Frank Bauman, all of Hart, and Mr. and Mrs. T. R. Warren and family of Lubbock.

MEMBERS of the Stone family enjoyed a family gathering last week in the home of Mr. and Mrs. Kenneth Covington.

Attending were Mr. and Mrs. Welton Stone and Gail of Memphis, Tenn., Mrs. Blanche Stone and Mike Morrison of Denison, Mr. and Mrs. Hartland Caraway and Mary and Mrs. Nora Ramsey of Stratford, Mrs. Kay Nyess and girls of Friona, Mrs. Ethel Putts of Amarillo, and Mrs. Mary Stone and Earl Stone Jr. of Hart.

MRS. PAUL BROOKS honored her daughter, Sharon, with a birthday party last Wednesday. The girls attended a movie in Plainview, returning to the Brooks home for a swim. They were served homemade ice cream and cake.

Out of town guests were Neomi Brooks and Donna Sanders of Plainview and Cynthia Carlson of Borger.

Miss Jones and Miss Carlson spent the night in the Brooks home. They were classmates of Sharon's at WTSU this summer semester.

Mrs. Bill Hill recently com-

Two firemen attend school

City Fire Marshal Guy Waldrop and Randall Small, member of the Dimmitt Volunteer Fire Department, attended the 42nd annual Texas Firemen's Training School last week.

THE SCHOOL, attended by nearly 2,000 men representing about 450 cities from approximately 30 states, was held on the Texas A&M University campus.

Small was sponsored by the Castro County Farm Bureau and Texas Farm Bureau Insurance Companies.

On the Go

THE JOE ANDREWS family and the Martin Young family went to Tres Ritos for a few days of fishing, resting and sightseeing.

plimented her son, Brad, on his eighth birthday with a swimming party at the Olton Recreation Center. Ten guests enjoyed birthday cake, ice cream and punch.

THE BROTHERHOOD of the First Baptist Church sponsored a program Sunday afternoon at the Golden Spread Nursing Home in Dimmitt. Mr. and Mrs. Preston Upshaw and Mr. and Mrs. Weldon Davis presented vocal solos, duets and quartets.

Mrs. Sid Farmer was the hostess Thursday afternoon at a coffee for some of her friends at her home south of town. Coffee and cookies were served to Mrs. G. R. Bennett, Mrs. D. A. Bass, Mrs. Fred Hamm, Mrs. R. A. Futrell, Mrs. T. R. Davis and Mrs. Vasca Kittrell.

Mrs. Lynn Alford and Mrs. Mike Ingle, the former Becky Burress, had surgery in Lubbock hospitals Monday. Percy Hart is in the Central Plains Hospital in Plainview for tests and observation.

DUE TO the illness of Mrs.

Stanton's granddaughter, the Golden Ones will meet in the home of Grandmother Cox Friday for a covered dish luncheon. Each member is to bring a guest.

Cub Scouts will have their pack meeting tonight (Thursday) night at 8 in the Hart School Cafeteria. All Scouts, parents and interested persons are invited.

Financial Facts
By Willis A. Hawkins, Jr.

How should you handle a coin? With kid gloves? That's not a bad idea. If you don't have kid gloves, use some care and concern.

How you handle the coins will affect the value of your collection. Coins should be held by the edges. Contact with the surface of a coin can cause an outline to fade. Moisture from your hands has an acid-like effect on the surface. Chemical changes occur that damage the coin permanently.

Unwrapped coins left in a bag or box become scratched. This amounts to defacing the coins and lowering their values.

Dropping or tapping the coins can warp the edges and deface the outlines. Dry, dust-free con-

ditioners offer the best protection for your collection.

WATCH NEXT WEEK FOR "VALUE DETERMINATION"

Everybody be ready for Hart Day, Saturday, Aug. 7.

We are always ready to discuss your financial needs at FARMER'S STATE BANK. Whether you're interested in opening a savings or checking account or in securing a loan, we're ready to serve you. Make us your banking headquarters: FARMER'S STATE BANK in Hart, phone 938-2111. Open daily 9 till 3.

Mrs. Virginia Reed

Mrs. Jonalyn Jones

Two Hart ladies will be listed as 'Outstanding Young US Women'

Mrs. Virginia Reed and Mrs. Jonalyn Jones of Hart have been selected as "Outstanding Young Women of America" for 1971, Xi Mu Iota chapter of Beta Sigma Phi sorority announced this week.

THE Outstanding Young Women of America program, now in its seventh year, was conceived by leaders of the nation's major women's organizations. The program recognized young women between the ages of 21 and 35 for their contributions to the betterment of their communities, professions and country.

Mrs. Reed and Mrs. Jones are now in competition for the state's Outstanding Young Woman of the Year Award. This fall, 50 of the women will be named as their states' Outstanding Young Woman of the Year.

Mrs. Reed, wife of Bob Reed, is the mother of two sons, Keith

and Leslie. She is an employee of the City of Hart, member of the First Baptist Church, a charter member of Chi Psi and Xi Mu Iota chapters of Beta Sigma Phi sorority, and will be an assistant den mother for Cub Scouts this fall.

MRS. JONES and her husband, Weldon, have two children, Kelly and Scott. She is employed by Farmers State Bank of Hart, is a member of the First United Methodist Church, Tops Club, PTA and Xi Mu Iota chapter, and is an assistant den mother for Cub Scouts.

THE DRIVER safety responsibility act still applies under some circumstances regardless of federal court decisions against license suspensions where no fault is shown, says the Department of Public Safety.

Five new courses offered by TSTI; grants available

New technology programs in printing, interior design, automotive and avionics will be offered at the Mid-Continent Campus of Texas State Technical Institute at Amarillo beginning Sept. 1.

ALSO BEING offered at TSTI for the first time will be a one-year program in meat processing and marketing, says Dr. J. N. Baker, general manager of the Mid-Continent Campus. The five new classes will bring to 12 the number of programs to be taught at State Tech when school begins Sept. 1.

Other programs being taught at State Tech include agricultural and industrial equipment mechanics; aircraft and power-plant mechanics; construction technology; commercial art and advertising; drafting and design; livestock and ranch operations; and technical office training.

Tuition is \$50 per trimester (15 weeks in length) with a school year consisting of three trimesters. Dormitory housing is available for single students, and two-bedroom brick homes are available for married students. Meals are served in the student cafeteria three times each day, seven days each week.

PERSONS interested in enrolling in any of the 12 programs being offered at TSTI should write to the Registrar's Office, Box 4228, Amarillo, for complete information.

Financial assistance in the form of grants, loans, work-study programs and part-time employment is also available at TSTI. Students wanting to take advantage of the financial assistance programs at State Tech should make application for entrance as early as possible, says J. W. Solis, manager of student activities and TSTI.

Hoyt Hestand

Hestand enlists; to learn avionics

Hoyt Hestand, son of Mr. and Mrs. Charlie Hestand of Dimmitt, enlisted in the US Army last week in Amarillo.

HE WILL attend avionics maintenance school after completion of basic training, and will be stationed at Fort Polk, La.

Hestand is a May graduate of Dimmitt High School.

The Hestands' other son, Donald, re-enlisted in the Army and left July 17 for Fort Eustis, Va., where he will attend instructor's school.

He had completed three years previously in the Army. His wife, Janice, and their two children, Dawna and Heath, accompanied him.

VETERANS planning to attend college for the first time should have applied for their GI bill certificate of entitlement by this time, but if they haven't they are urged to do so immediately. Local veterans' service officer is Bedford Smith.

THOMAS MAGUIRE of the Dimmitt Little League All-Stars takes a healthy cut but misses in the third inning of last Thursday night's area championship game against the Randall County All-Stars. At this point Dimmitt was leading by 6-0, and the next

batter, Victor Saenz, stretched a Texas single to left field into a round-tripper on two Randall County errors to score Dimmitt's final run and give the locals a 7-0 victory and the area championship.

Gospel singers to perform here

The Mid-Western Gospel Singers will perform at the Dimmitt Assembly of God Church Sunday at 7 p.m.

Rev. William E. Summers, pastor, invites the public to attend.

TEXAS has received one of eight major grants in the nation (\$370,122) for an area-wide model project on aging, to be located in Houston.

New disease threatens hogs

(Texas Press Service) As Venezuelan equine encephalomyelitis continued to strike horses and some humans, threat of a new livestock malady loomed in Texas this week.

THE OUTBREAK of African hog fever in Cuba has alarmed swine owners. The disease is almost invariably fatal, and there is no known vaccine. However, the ailment does not affect people, as does VEE (which

is usually mild in humans). More than 1,100 Texas horses are believed to have been killed by VEE and 1,500 others stricken. More than 6.6 million acres have been sprayed to kill disease-carrying mosquitoes.

HERE'S A tip for making potato salad - add the dressing while the potatoes are slightly warm so they can absorb the flavor.

Little Leaguers lose title bout

Dimmitt's junior baseball season ended Tuesday night when the Little League All-Stars lost to Pampa, 5-0, in the district championship game at Pampa.

THE LITTLE Leaguers were the only county team left in any playoffs. In Pony League action, the Castro County All-Stars were eliminated in the area tournament at Anton last Thursday night when Hereford blasted a home run in the final inning to take a 4-3 win in a close, well-played game.

For Dimmitt's Little League All-Stars, Tuesday night's loss ended a three-game victory string in playoff action.

In the area tournament here last week, Dimmitt mowed down Castro County 18-2 and wall-pounded Randall County 7-0 to advance to the district tourney in Pampa.

Dimmitt went up against the area's giants—Dumas and Pampa—in the district tourney this week. But they showed their mettle in the opening round Monday night when Brad Glenn pitched a one-hitter and Carl Coggin wielded a deadly bat to spur Dimmitt to a 2-1 victory over Dumas in a game that went into extra innings.

Dimmitt drew first blood in the third inning when Coggin reached base on a fielder's choice and Glenn drove him home to give Dimmitt a 1-0 lead.

But Dumas tied the game on a Dimmitt error in the sixth to throw the bout into overtime.

After holding Dumas scoreless in the top of the seventh, Dimmitt staged a rally that ended in victory when Coggin blasted a clean single to bring Jim Wright home from second base with the winning run. Wright has walked and stolen second.

BUT IN the championship game against host Pampa Tuesday night, a pair of close calls, several errors and a bad break or two teamed to turn the game to Pampa's favor, 5-0.

Victor Saenz did a creditable job for Dimmitt on the mound, giving up only five hits and walking only four. But Dimmitt could manage just two hits—singles by Thompson Mayberry and Johnny Hampton.

It looked as though Dimmitt was going to control the game as usual when Mayberry blasted a home run with two runners aboard in the second inning—but the umpire ruled the homer a foul on a close call, keeping the score at 0-0.

PAMPA PUT together a four-run rally in the third inning, scoring two runs on a clean single, then two more on a Dimmitt infield error after a Pampa runner had been called safe at first on a close ruling involving a fielder's choice.

"Those two close calls—the home that was ruled foul and the one on the fielder's choice were what turned the game around," said All-Star Coach Donald Wright.

Pampa added its fifth run in the fifth inning on two singles, a passed ball and another Dimmitt error.

"**WE JUST** couldn't get it together Tuesday night," Wright said. "We had men on base with our power hitters coming up, and could have won it, but we just couldn't seem to get the breaks."

Still, it was the farthest any Dimmitt Little League crew had ever advanced in the post-season playoffs.

"The boys gave a good accounting of themselves, they played real good ball and everyone was proud of them," Wright said. "With the boys we had, and with a break or two, they could have gone a long, long way. We had the hitting power this year, plus an infield like we've never had before."

Pampa will play the Plainview District tournament winner at 7:30 p.m. Friday in Pampa. The winner of that scrap will advance to the state playoffs at Waco.

STEPHEN ACKER, WITH NEWLY HATCHED WILD BIRDS
... Pheasant chick is Freddie, duckling is Donald

He's the foster father of 12 feathered babies

If you'd like to see a family of wild ducklings, a pheasant chick or a baby dove, you don't have to go crawling through the underbrush. Just go to the David Acker farm between Dimmitt and Nazareth, and ask for Stephen.

DURING THE past three weeks, Stephen, 15, has helped bring 13 wild birds into the world after their mothers' nests were destroyed by plows and mowers.

He didn't plan it, really—it just happened. Now, he's the foster father of 10 baby pintail ducklings, a pheasant chick named Freddie, and a baby dove.

Stephen's venture into the wild poultry business started when Mrs. Hilma Carrell, for whom he works part-time, chopped the top off a duck's nest while mowing a lake-bottom area near her home on June 24.

THE MOTHER duck that had fled from the mower didn't return to the nest, and the 11 eggs were exposed to predators. Mrs. Carrell called Stephen to see if he'd like to have the eggs.

Stephen picked up the eggs that afternoon and kept them under a heat lamp two days until he could get an incubator set up for them. Mrs. Carrell donated a brooder.

On July 2 it happened. "I WAS turning the eggs that morning when I felt them wobbling," he said, "so I left them alone and waited. All 11 eggs hatched from 2 to 6 p.m. that day."

One of the ducklings was sickly from the start, and died when it was a week old. The other

10 are alive, well, and growing like weeds.

The ducklings are three weeks old today, and weigh about six ounces each. Because of their gray beaks and legs and their rapid growth, they appear to be pintails.

STEPHEN is now keeping them in a wire-topped stall inside the barn, here they have controlled heat a carpet of peat moss and a good supply of chicken starter and water.

"They're dirty birds by habit—messy," Stephen said. "They take a drink and shake their heads to get rid of the extra water, and spray it all over. And they get chicken feed all over themselves and each other when they eat."

What happens when the ducklings grow up?

"If they'll go back to the wild state, I think I'll let them go—probably put them back on Mrs. Carrell's lake," Stephen said. But after a moment's thought, he added, "I may eat them, though."

STEPHEN'S duck-egg project led him into the sideline of hatching pheasant and dove eggs, too.

"Steve Anderle found a pheasant's nest while he was disking a field," Stephen said, "and found seven eggs in the nest. He brought them to me."

More about:

Legion post

(Continued from Page One)

and Mrs. Percy Estes, and the brother of Mrs. Helen Richardson of Dimmitt.

Among the original members of the post were Earl and Vern Lust, John Stork and Edgar Ramey.

Two members of the post and its auxiliary have gone through the ranks to become the top officers in Texas. Jack Flynt served as the Department of Texas commander in 1967, and his wife, Mary, was the president of the Texas American Legion Auxiliary the same year. They were the first husband-wife team ever to hold the two top state posts at the same time.

THROUGH the years the Greer H. Estes Post and its auxiliary have sponsored such community service projects as boys' baseball, delegates to Boys State and Girls State, Memorial Day services, youth citizenship awards, VA hospital projects, services to veterans, legislative campaigns and patriotic programs.

Medicine aid

system changed

(Texas Press Service)

On Sept. 1, State Department of Public Welfare will begin making payments directly to pharmacists for drugs prescribed to Texas welfare recipients.

UNDER the current system, allowance for drugs is included in monthly assistance checks. The legislature this year appropriated \$11.9 million for the new vendor drug program.

Welfare authorities believe the new system will provide improved prescribed medicine coverage and delay a cut in overall welfare payments for food, clothing and shelter.

However, some complained of welfare check cuts, since drug allotments no longer will go to recipients, and a few who get only payments for drugs will be taken off welfare rolls. The latter will be interviewed by the Welfare Department to determine if they should still get cash aid.

TEXAS disabled veterans will receive free 1972 auto license plates under a new program.

Price reports:

\$20,000 limit plan withdrawn

By BOB PRICE

District 18 Congressman There were at least two developments of a positive nature here in Washington last week that I am pleased to report.

THE HOUSE sponsor of an amendment which would have placed a \$20,000 limitation on

farm payments agreed to withdrawal of the amendment from the Agriculture Appropriations bill. His move came after the Senate refused to go along with the change from the \$55,000 limitation placed in the farm bill last year.

SMALL BUSINESS EMERGENCY LOANS

I was also notified last week that the Small Business Administration has changed its definition of businesses which are eligible for economic injury loans in a drought area.

Formerly, only feed, seed and fertilizer businesses that were directly connected with farming and ranching were eligible for disaster loans. The SBA general counsel has just issued an opinion, however, which states that such loans can be made

"to any small business firm able to show substantial economic loss resulting from a natural disaster and located in an area covered by the emergency declaration of the Secretary of Agriculture with regard to Farmers Home Administration loans."

JOINT COMMITTEE ON ENVIRONMENT

The House adopted last week a bill identical to one I introduced at the beginning of this session of Congress to create a House-Senate Committee on the Environment.

The new committee will have jurisdiction over environmental legislation which now goes to more than 10 committees in the House and Senate.

It is my hope that if the Senate agrees to creation of this new committee, it will attempt to achieve a balance between preserving the environment and economic needs.

VETERANS LEGISLATION

Two bills for the benefit of servicemen and veterans passed the House last week with little opposition. One of these bills would give the Veterans Administration additional authority to provide treatment and rehabilitation services to certain active duty and former members of the Armed Services who are addicted to drugs.

Check field corn for insecticides before eating it

The season is here for fresh corn, and users should remember that much of the field corn in the county has been sprayed for insect control.

"MOST OF the insecticides being used are systemic in nature and washing will not remove residues from the corn," County Agent Charles Hottel reminds residents.

"You should contact the farmer before picking corn to determine if the corn has been sprayed and to find the waiting time before consumption for that insecticide," Hottel recommended.

The insecticides used at D&D Aerial Sprayers on the corn crops are all systemic types of poison. They include Thimet granules, Diazinon granules and Sevinmol. For all of these chemicals, the government recommends a 30-day waiting period from last application to harvest.

CITY MANAGER E. B. Noble said that the chemicals used for spraying mosquitoes within the city pose no real danger to residents, but that any vegetables should be carefully washed before use.

"A lot of field corn is at the roasting ear stage now, and it is also the spraying season, therefore much of the corn could be harmful to your health if eaten," Hottel cautioned.

To play it safe, ask the farmer and follow his recommendations.

State revises game-fish laws

The Texas Parks and Wildlife Commission has approved a variety of changes for the state's game and fish laws.

AMONG THE changes are bag and minimum size limits on catfish, prohibition of snagging as a method for taking fish, and the closing of the season on game animals, game birds or fur-bearing animals in state-owned river beds and railroad rights-of-way.

The commission approved 10 statewide law changes and a lengthy list of changes for specific regulatory counties.

Before taking action on the proposed changes, the commission reviewed the results of statewide public hearings that were held May 3-7. These hearings helped acquaint sportsmen and landowners with the proposed changes and allowed them to voice their opinions. A total of 1,485 persons attended the hearings in the 223 counties under the department's regulatory authority.

THE commission did not act on quail seasons or bag limits, in order to give field personnel additional time to assess bird population and conditions around the state.

The new changes will be included in the department's Hunting Guide and Fishing Guide, both to be available to the public before the hunting seasons open.

Statewide changes adopted by the commission included:

— **EXCEPT** for migratory waterfowl, there shall be no open season on game animals, game birds, or fur-bearing animals in state-owned river beds and railroad rights-of-way.

— The taking or shooting of turkeys from the roost by any means is unlawful.

— The possession limit of channel, blue and flathead catfish is 50, and it is unlawful to possess any such catfish less than 11 inches in length.

— **SNAGGING** or jerking fish (a method of taking fish by means of one or more hooks attached to a line and periodically jerking said line) is specifically defined as an illegal method of taking fish; artificial lures not included.

— Added new language making it unlawful to have in posses-

session or on board any boat or in any vehicle, any fish, other than rough fish (and catfish where applicable) as defined, while fishing with or possessing a hoop net, trammel net or gill net.

— **ALL** freshwater hotlines shall be identified by a legible tag bearing the name and address of the fisherman and the date the line was placed in the water.

— The three-shell capacity restriction on shotguns is removed except where applicable in the taking of migratory game birds.

— Statewide limit on mule deer is one.

IN THE Panhandle Regulatory District, a change was authorized making it lawful to shoot game animals and game birds with a rifle, shotgun, or other legal firearm except it shall be unlawful to shoot migratory game birds and prairie chickens with a rifle.

Only two seek new valuations

Only two persons appeared before the city equalization board Tuesday, according to City Manager E. B. Noble. A small property value adjustment was made in one case.

FARM SAFETY WEEK

While special emphasis is given to the prevention of farm and home accidents during the week of July 25-31, the Texas Farm and Ranch Safety Council says rural residents should never treat the subject lightly. Theme for this year's week is "Protect Yourself—Work Safely." And, adds the Council, this means the use of safety devices on every piece of equipment used on the farm or in and around the home.

FRUIT COMPOTE

Spark fruit compote with color and flavor accents, suggests Sally Springer, Extension foods and nutrition specialist at Texas A&M University. Garnish with pomegranate seeds, a sprig of mint, a few raisins, cut-up dates, cherries or candied citrus peel.

Rev. George Ray dies in Colorado

Rev. George E. Ray Sr. of Grand Junction, Colo., pastor of the First Baptist Church of Dimmitt from 1951 to 1957, died Monday morning in Mancos, Colo.

HE WAS area missionary for the Home Mission Board of the Southern Baptist Convention for Western Colorado at the time of his death.

Memorial services will be held in the Book Cliff Baptist Church in Grand Junction. Burial will be in Grove Hill Cemetery, in Dallas. Times for the services are pending.

Survivors include his wife, Tera Mae; two sons, Gilbert Ray of Houston and Rev. George E. Ray Jr. of Grand Junction, Colo. whose wife, Monette, is the daughter of Mrs. Faye Kenmore of Dimmitt; and seven grandchildren.

THE FAMILY has requested that memorial gifts be made to a fund for Western missions in care of Rev. George E. Ray Jr., 1808 N. 20th St., Grand Junction, Colo., 81501.

'Hotline' topic: pollution control

Charles Barden, executive director of the Texas Air Control Board, will be the guest on "Hotline to Austin" Monday night on KVII-TV, Channel 7, Amarillo.

BARDEN is expected to be quizzed on current air pollution problems in Texas, what the state board is doing about them, and what kind of cooperation the board is receiving from industry.

Interviewing the state air-control director will be Dick Reavis of the Moore County News, Melvin Young of the Hereford Brand and Bill Zortman of the KVII Pro News Dept.

More about:

Roundup plans

(Continued from Page One)

organization float categories this year, and a continuing search for parade bands.

The beef for the Roundup Barbecue Aug. 12 has been donated and will be processed soon.

THE RODEO Club has contracted the stock for the three-day Roundup Rodeo. Information on entry rules and events will be available shortly via rodeo posters.

The fire department will sponsor a water polo game Saturday, Aug. 15, the time to be set later.

A group from the county will be taped on KGNC-TV Aug. 9 at 1 p.m. for later televising. Royce Boderford will be in charge of the session.

ORGANIZATIONS and civic clubs sponsoring Hart Day will meet Monday at 9 p.m. in the community room of the Farmers State Bank to finalize plans for Hart Day.

The Activities Committee also considered the carnival scheduled for Labor Day Week. It will be located on the parking lot east of the First State Bank, on West Bedford Street.

Next meeting of the Activities Committee is scheduled for the second Tuesday in September.

Lions will sell brooms Tuesday

The Dimmitt Lions Club will hold its annual "Broom Sale" Tuesday—although brooms will be only a small part of their door-to-door offerings.

THE LIONS also will be peddling garment bags, brushes, dust and dish cloths, clothes pins, ironing board covers and pads, handles, floor mats, oven mitts, mops, pot holders, rakes, scrubbing pads, sponges, towels, wax applicators and bottle washers.

Proceeds of the sale will go to help pay off the remaining mortgage on the city's junior ball parks, which the club underwrote to the tune of \$4,000.

Working out of a Lighthouse Industries caravan truck on the city square, the Lions will cover the business district in two-man teams during the day, then will go into the residential areas in pickups after 5 p.m. and sell door to door in three-man teams.

Nick Gonzalez is chairman of the broom sale.

KEEP YOUR FARM SAFE

FARM SAFETY WEEK

JULY 25-31

Safety is the prime factor in the success of modern farming, for accidents can prove more costly than maintenance. Your farm can be a showplace of progress and efficiency if you keep tools and equipment in top condition, check buildings for cleanliness, soundness. Keeping everything in apple-pie order eliminates many fire hazards. Practice good safety habits and prosper!

HEADQUARTERS FOR BACK TO SCHOOL AT DISCOUNT PRICES

Three from here are in TSTI's first grad class

Among the 62 members of the first graduating class at Texas State Technical Institute will be three Castro County students.

QUINCY HAWKINS, son of Mr. and Mrs. W. A. Hawkins Jr. of Hart, majored in livestock and ranch operations at State Tech this year. While attending, Hawkins was an active member of the LRO Club and the Roping Club.

Douglas Moke, who attended Dimmitt High School, majored in airframe mechanics at State Tech.

Ken Bob Shannon, son of Mr. and Mrs. Fate Shannon of Route 2, Hereford, majored in the building construction craftsman program.

Graduation will be at 8 p.m. next Thursday during ceremonies to be held in the TSTI Chapel, located on the southeast portion of the campus. Delivering the commencement address will be F. V. Wallace of Amarillo, a member of the TSTI Board of Regents.

TRAFFIC DIRECTORS may be needed at the processing plant of La Mantia, Cullum, Collier & Co. as vegetables roll in from the field, are unloaded in the shed to the left

for processing, then are loaded for cross-country shipment in tractor-trailer rigs and boxcars of the Fort Worth & Denver Railroad on their way to market.

Tuckers attend Duroc Congress

Mr. and Mrs. Lanny Tucker and children of Hart have returned from the 26th National Duroc Congress, held last week at the Illinois State Fairgrounds in Springfield, Ill.

TUCKER and his son, Jim, exhibited the sixth place pair of gilts in the show.

Exhibited in the show were 518 head of breeding animals and 200 barrows from 19 states.

Judges of boars and gilts was Al Christian, swine herdsman at Iowa State University. The barrow judge was Robert Hines of Kansas State University.

THE GRAND champion boar was exhibited by Greg Rucker of Moore, Okla., and sold for \$3,000. The reserve champion was exhibited by Tam-Lee Farms of Kenny, Ill., and sold for \$7,000 to Duroc Breeders of

Japan. The grand champion gilt, exhibited by Jerry Bray of St. Charles, Ill., sold for \$5,000, while the reserve champion exhibited by Claud Messner of Caney, Kan., brought \$725.

Grand champion barrow was exhibited by Bill-Rite of Happy, Texas. The grand champion pair of gilts, exhibited by Lorenz and Clark of New Deal, sold for \$2,200.

The 1972 Duroc Congress will be held in Des Moines, Iowa.
