As harvest draws to close

Wheat yields prove low

By JIM STEIERT
News Editor

Wheat yields are running far below last year and most local farmers are barely breaking even or are losing money on their crops as the county's 1974 wheat harvest draws to a close this week.

GREENBUGS, drought, mosaic virus and hot dry winds this spring all teamed up to make 1974 a disastrous year for the wheat farmer.

According to local elevator operators, this year's average irrigated wheat yields are running in the 20-35 bushel per acre vicinity while in most years normal average yields would be near 45 bushels.

Wheat was quoted by a local elevator at \$3.57 Tuesday afternoon compared with \$2.42 on June 19 of 1973, but the slightly higher price being paid for the commodity is of little consolation to the farmer whose crop raising and harvesting expenses have risen drastically since last year.

Ed Woodard of Bruegel & Sons Elevators reported that yields have ranged anywhere from 10 to 20 bushels on dryland wheat received at his facility and yields on some of the irrigated wheat have ranged as high as 40-50 bushels.

"Some of the fortunate ones had irrigated wheat that averaged 35 to 40 bushels," said Woodard.

CASTRO County Grain Co. was still receiving some wheat late Tuesday according to Don Gregory.

"The majority of the wheat is in, but there is still a little that is too green. Most of the wheat just hasn't been very good, it just wasn't a good wheat year," said Gregory.

He reported irrigated wheat yields as high as 45 bushels, but added that most yields were in the 15 to 20 bushel category.

Kenneth Slough of the Nazareth branch of Dimmitt Agri Industries reported irrigated wheat yields ranging anywhere from 4-50 bushels, and added that the test weights came up this week with some of the better wheat testing 60 and over and most still running in the 58 [See WHEAT, Page 10]

Rites held Monday for John A. Nolen

Funeral services were conducted Monday in the First United Methodist Church for John A. Nolen, 79, a Dimmitt resident for 40 years. Rev. J. Lennel Hester, pastor, officiated, assisted by Cecil Shelton, minister of the Northside Church of Christ.

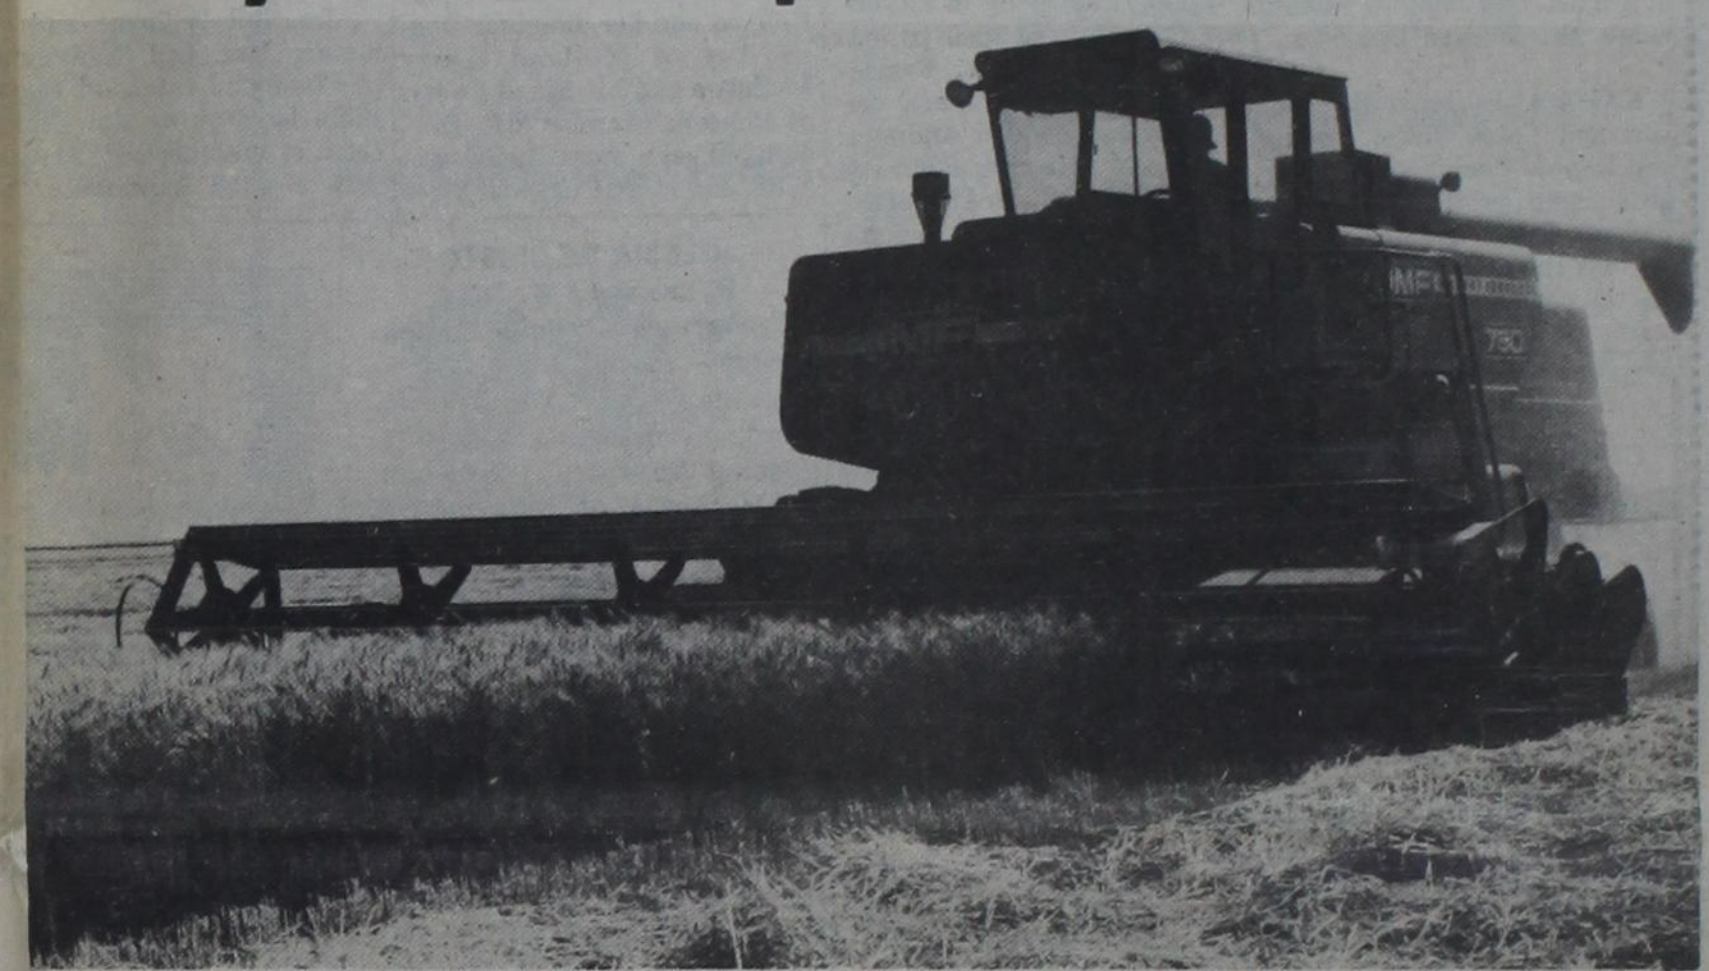

MR. NOLEN died Saturday morning about 11:40 in Plains Memorial Hospital following several weeks of illness.

He was born in Oklahoma July 5, 1894. His wife preceded him in death in October of 1973.

Survivors include two daughters, Mrs. Pat Hardy of Dimmitt and Mrs. Irvin Anderson of Highlands; a brother, G. E. Nolen of Texarkana; six grandchildren; and seven great-grandchildren.

Pallbearers were J. M. Wright, Jim Elder, Paul and Herman Acker, Cliff Cook and E. R. McAlpine.

BURIAL was in Castro Memorial Gardens under the direction of Dennis Funeral Home.

FINISHING UP — This combiner was busy finishing up a portion of a wheat field north of Hart Sunday afternoon. Combines have been rolling through the county's wheat fields throughout the week as harvesting operations are drawing to a close. Yields from most fields are far below those of last year.

McLean to head United Way

Bob McLean has agreed to serve as the first president of the new Dimmitt United Way.

THE FIRST State Bank president's acceptance of the top post was announced at a meeting of a UW steering committee Friday morning.

McLean will be one of two top officers of the new multi-purpose fund-raising organization. The other key person, still to be chosen, will be the first year's fund drive chairman.

Three meetings in Amarillo and Dimmitt during the week brought the proposed Dimmitt United Way closer to reality.

LAST Wednesday a six-man delegation from the local UW steering committee met in Amarillo with top officials of that city's United Way to learn how to organize a United Way and carry out a successful fund drive here.

Friday morning the delegates met again at the Colonial Inn to draft recommendations to the full steering committee and nominate prospective board members to be contacted.

And at a meeting at noon Wednesday, the full steering committee acted on these delegates' recommendations. The steering committee was expected to confirm the first year's board of directors at this meeting.

DUE TO THE shortness of time before an anticipated fall fund drive, the first year's board presumably will serve also as an admissions committee, to decide what agencies will benefit from the first year's fund drive; and as a budget committee, to study the fund

requests from participating agencies before setting the first year's goal.

The steering committee delegates recommended that separate, permanent committees on budget and admissions be formed after the initial fund drive to function year-round.

The board of directors also would name the all-important fund drive chairman, line up the key campaign workers, organize the drive by divisions, supervise the United Way fund through the year and determine how much money each participating agency receives.

Dale Fowler Ford, Inc. announced plans this week to build a large new facility on US 385 in North Dimmitt.

DALE FOWLER, owner, said construction will begin about Aug. 1 on a 10,140 sq. ft. steel building that will house a large showroom, sales and business offices, parts department and service garage.

The new auto dealership building will be on a 5½-acre site where the 51 Drive-In Theater was once located.

The agency lot will be 217 x 380 ft., with the rest of the acreage reserved for future expansion, Fowler said.

THE NEW site will give the Dimmitt Ford agency approximately 95,000 sq. ft. of outside space for car display and customer parking.

"This will enable us to expand our used car department as well as our stock of new cars and trucks," Fowler said.

All departments of the Ford dealership — service, sales, showroom, parts and management offices — will be three times as large as they are at the firm's present location at 120 E. Andrews St., Fowler added.

BASICALLY, the United Way is a concentrated, once-a-year fund drive to benefit organizations that provide health, welfare or character-building services to the community. The UW is intended to eliminate separate fund campaigns during the year.

Fowler plans new building

"WITH OUR larger facilities, we will try to expand to a regional concept in our sales while providing our customers with more and better service," Fowler said.

Fowler has owned the Ford agency here two years, having bought it in May 1972 from Bob Goss. The dealership set new sales records in 1973, and this year was the only dealership in the Oklahoma City zone to win Ford's "Highest Dealer Award" in recognition of "total excellence in customer service."

Huggins water predicament considered by commission

By JIM STEIERT

Dimmitt's city commission considered the water problems

about dimmitt and castro county by b. m. n.

Until this point in time, which no doubt will be remembered for many other things and reasons, there hasn't to my knowledge been any report of the usual destruction to trees and shrubs by the annual infestation of bag worms and web worms. I haven't made any inquiry as to why they haven't shredded all foliage, and the only explanation that I can offer is that they are just regrouping for a massive onslaught. Any number of our trees still show the ravages of past seasons, especially by the web worm variety.

As I have mentioned before, our little dog Foxy stays in the house when the weather is going to be bad. He knows what the weather will be like, but he stays in until the 10 o'clock news and weather on TV is finished. I think he just checks up on the weatherman. Regardless of the weather report, he has found it necessary to stay inside only a very few nights this spring and summer. I have absolute faith in his weather judgment, but it would be nice if the weather would surprise him and everyone else and rain one of these nights. It has been said that the ground is getting pretty dry in places, and it is generally believed that it is because of the lack of moisture.

This is being written Tuesday afternoon, and according to reports President Nixon will spend tonight in the Azores and will return to one of his several homes Wednesday. The fact that he is out of the Middle East is reason for a united sigh of relief. It has been proven that a president can be assassinated in his own country in spite of security precautions, and there is no reason to believe that protection from the many desperate and fanatic partisans in the Middle East can be absolute.

Announcement is being made in this issue of the News of the planned construction of a new home for the Dale Fowler Ford Company. This is good news for our community, and as the man says in the TV commercial, "We needed that." Rumor has it that there are other major construction projects in the planning stage for our city.

of residents of the Huggins addition east of town at Monday night's regular meeting.

GEOFFREY Earl, Mrs. Irene Keating and Walter Spinhirne appeared before the commission on behalf of residents of the addition. Acting as spokesman for the group, Earl told the commissioners that a private well is failing to serve the water needs of the 12 residences in the addition and reported that each household can now get only two gallons of water per minute.

"Spacing laws will not allow us to put in another well. Our whole water system in the Huggins addition is inadequate and we're in serious trouble," said Earl. "The residents of the Huggins addition would be willing to pay double the city's water rate to get water from the city, and we would also be willing to be annexed into the city, but I'm afraid strip annexing is illegal," Earl added.

Mayor Elmer Youts explained that present ordinances discourage city indebtedness for providing water to outlying areas and that the city has sought to force annexation by refusing to extend water service to these areas.

CITY attorney Jack Edwards pointed out that an ordinance to extend water services outside of the city would have to

be based on usage. The commissioners requested that Earl check into the cost of running an eight inch water line to the addition. Earl volunteered to check on the availability of FHA funds for such a project and added, "We want to start anything we can now."

Commissioner J. R. Brown stated that he felt the city should check into acquiring some water rights somewhere before it begins supplying quantities of water to outside areas, and the commissioners discussed the city's water problems for some time after the Huggins addition residents had left. They agreed to move carefully and consider all factors in the water extension proposal.

Fire Chief Bobby Murdock and Fire Marshal Guy Waldrop appeared before the commission to request that they consider putting the fire department on a monitoring system after the city's new police dispatcher begins work. They explained that a monitoring system would allow firemen to learn of an alarm and proceed to the fire without interference from curious residents.

According to Waldrop, the present overhead alarm system alerts all residents to fires and firemen cannot learn where the fire is because the operator is [See HUGGINS, Page 10]

FIRST NO HITTER — Brad Glenn of the Giants pitched the first no-hitter in the history of Dimmitt Junior Babe Ruth Baseball last Thursday night and following the game he posed with some of his teammates, his coach and parents. Pictured kneeling are catchers Neal Weatherford and Donald Ewing. Standing from left are coach Shorty Barlow, Glenn, and his parents, Mr. and Mrs. Bill Glenn. The young hurler was presented with the baseball with which he pitched the record setter following the game.

Stanfords back from week's stay at Lake Meredith

By MYRTLE SHEFFY

Mrs. Edd McLeroy is writing a new home economics textbook this summer. She was asked to do this by someone at Texas Tech. She will have use of the Tech of Lubbock facilities. Mrs. McLeroy is staying in the home of her mother Mrs. Small for a while. She has taught homemaking in the Dimmitt School for several years. Her husband Edd is with the farm department of the bank here in Dimmitt.

FLOYD AND Frankie Stanford came home from a week's fishing trip to Meredith Lake. They bought a lot and have a trailer house on it until they get around to building. Oh yes, they caught quite a few fish.

The Lynn Bensons and the W. M. Bensons from Anaheim, Calif. have been here for a visit with their uncle and aunt Joe and Gladys Benson and the uncles at Hereford. They all got in some golf while here, then on to Comanche, Okla. for a class reunion, on to Georgia to visit and see the country. The Bensons travel in one of those houses on wheels.

Decimae Dennis flew in from Okinawa Friday where she has been with the US Air Force school system, teaching the children of the American people there. Decimae will go back in August. She is at her parents home, the Morgan Dennises.

KAKA AND Wendy Bruegel, Lori and Cinde Sides, Connie and Debbie Dennis went to the girls camp in the Palo Curo Canyon. Edgar and Betty Dennis took them. Maybe they can see the pageant "Texas" which starts again this week.

Mr. and Mrs. Moss Howell moved to Weatherford last week. The Howells have lived on their farm west of here for nearly 50 years. They should have stayed. We did not want to lose them.

Goodwin Miller is doing fine from recent surgery at Amarillo and Ray Riley got thrown from a horse. He has three broken ribs. Mrs. Melvin Summers was thrown by a horse also.

The lakes are the popular places now. These folks went up to Ute for water skiing, Joanne Moore and daughter Melissa and Melynn, Jack and Myrna Miller, Kim and Brent, Ronnie and June Parker and their family. Ike Moore says he and Ted had to stay home.

Faye Kenmore has been hostess to a few of her family this past week. Hoyt and Alice Kenmore of Phoenix came. Alice will visit a brother in Canyon, Monette Ray and son Matt from Colorado, her husband Rev. George Ray and kids Mark and Janna came by enroute to the Southern Baptist Convention at Dallas (all the Ray family went). The other son Hershell lives in Dutchess, Canada. The Kenmores are planning a trip there soon.

MR. AND MRS. Loyd Pitts of Richardson and John and Charles Pitts of El Paso and Nancy and girls, recently of Virginia, now living in Florida, were here to visit their parents Mr. and Mrs. J. A. Ramsey and to attend the funeral service for nephew Joe Andrews. Mr. and Mrs. Bill Potts and Mr. and Mrs. C. D. Fitzgerald, Curt and Crystal went to Amarillo this Wednesday to have supper and to see the Elvis Presley show.

Grace Wright Rogers is getting well from recent surgery. You know some one stole her care a while back, but the cops found it, out of gas and a little battered.

LaNai and Salerina Rials of Denver City have been visiting their grandparents the H. B. Rials, also their aunts and uncles the Ladie Evans and James Rials. Aunt Pat took them to Lubbock to the Coliseum to see "Disneyland on Review."

Herb and Dorothy Mayfield went to Silverton for Sunday dinner with Mr. and Mrs. Jack Sutton. Other guests were Mr. and Mrs. J. B. Crofford of Friona.

"SPECIAL NEWS" - Shorty Barlow tells me that his Junior Babe Ruth baseball team the Giants have not lost a game. His main pitcher is Brad Glenn. Shorty says he pitched the only no hit ball game in the league. He says ask Jim Steiert and Jimmie Chapman "How about that?"

Hugo and Dottie Beyers went to Byers last weekend for a family reunion of Dottie's mother's family.

Michael and Raynell Calvert of Houston have been here several days to visit his parents, the Carlos Calverts. Michael is manager of the Chevrolet car company there. Carlos had surgery a couple of weeks ago, doing okay. Oh yes, the grandchildren are Jeffy, Holly and Wade.

Charles and Billie Norris Morgan have moved to Broken Arrow, Okla., near Tulsa. Charles is with an airplane service. He had the Gulf Station here for a long time. James and Mildred Brad-

ford, Jean and Jim went to Nashville, Tenn. for a visit with Mildred's sister Earlene and Newt Settle. Their son Kent and Teena, who are in school at Lansing, Mich., came down to see them. The Bradfords will make other trips while in the East.

Joy Barker and daughters Sharon and Pam of Lubbock spent last weekend in Oklahoma home visiting relatives. They visited in Sayre with Joy's parents Mr. and Mrs. Jack Lamm and her sister Donna Aven of Tuckahoe, N.Y. and in Erick with Mrs. Ida Barker and Ola Coop.

VERLE AND Betty West and children went to Meredith Lake for the weekend. Her sister Allene and Bob Nickey of Guyman met them there for a visit.

Emmett and Sue Broderon and son Kyle went to Butte, Mont. where Kyle has a good four-year scholarship in the university there. This is a football deal or athletics.

Kyle Touchstone went along for the ride. They all went on to Cheyenne, Wyo. to see Sue's brother and family. The Broderons are with our school system.

Recent guests in the home of Mr. and Mrs. Jim Bagwell were their daughters Christine Bell of Perryton, Grace Marie Holland and her daughter Donna Kay of Midland, Larry McEntire and his friend Cheryl of Houston. Another day Devonna Weeks from LaGrange, Who. and Robert Bagwell came

in from Hearst, Miss. Jim Bagwell had a severe heart attack two weeks ago. He is better now.

Ruby Norris of Amarillo spent several days here visiting her brothers Scott and Buck Crum and families. And Sunday guests in the home of Buck and Lena were Telie Todd of Amarillo, Phylis Allen and Illene McElroy.

GRAHAM SHEFFY, who will be married to Karen Lytle Saturday evening, was the honor guest at a stag party last Saturday night. Johnny Davis was one host at his big barn west of town. Ronald and Donald Golden also helped. Probably 100 guys went out for the goat barbecue and beans.

Donnie and Janice Hestand and Dawna and Heath from some fort in Alabama were here for a visit with the Charlie Hestands and the Moores. Charlie and Mary Hestand had a good trip to Alabama a while back.

Karen Lytle was the honor guest at a gift party in the home of Keri Carmichael Saturday evening. Many pickup foods, a fruit bowl and chips and good things were served to the 30 ladies who came. Mr. and Mrs. Rick Wallace came over from Tulia. Seems he went to the stag party out at Johnny Davis' barn.

Mrs. Bill Williams and her mother Mrs. Lou Scarborough of Clarendon attended several Bible lectures by Dr. Charles Cann at Weatherford. They report a good experience. Dr.

Cann is a well-known speaker. They came back by Abilene to visit Gene and Bobbie Moore. Dee was organist for the

Moore's on one summer crusade. Visited other friends in Anson, then home again.

J. B. AND Thelma Moore are in Bartlesville, Okla. for a visit with friends and relatives. Their daughter Sammy and two children will come home with them for a visit. You know J. B. is manager of Dimmitt's Highway Department.

Dr. Bill Murphy and son Cliff spent the weekend at Conchas Lake fishing and resting. Phylis and the other son Rodney and David Nelson went to Oklahoma to take great granddad home, also to visit the kin.

Marvin and Melvina Witt celebrated their 40th wedding anniversary and a Witt and Woods family reunion in the Flame Room in Littlefield Sunday. Marvin's 11 brothers and dad came from as far away as Alaska, East Texas, Gallup, N.M. The East Texans brought all kinds of fresh fruit and vegetables for the big meal. The Witt's children Melvin and family from Gallup, N.M. and Mary Ann Stamps of O'Brian were the hosts. There were

many gifts and a money tree for the Witts. Going from here were Dagwood and Ruby Wood, Nell and Richard Humphries, Kay and Bill Conyers, Slick and Arlene Holbrook. Claude and Neva Hickey were Fathers Day guests of their daughter Betty and son

Bill Hickey in Amarillo. George and Adeline Rush have returned from a quick trip to Missouri and Indiana. They took her parents back to their home in Columbia, Mo. and picked up Alice in Evansville, Ind. Alice had been visiting brother Patt for a few days.

DOING A ... MAN SIZED JOB Heat ... sweat ... fatigue ... blisters ... aches ... Dad says its all a part of "carrying my share of the load." He also says that, "it's important that I help make provisions for the present and near future." But he says "that it is even more important because I am preparing for the days ahead when I am a full grown man." Sometimes I think that my Dad has the wisdom of Solomon, that's this thing that I learned about at church ... and that's another thing that Dad says is important ... "that I go to church regularly, so that I can learn about God, and prepare my spiritual life for the future, too." You know ... Dad must think it's important ... He goes to church, too.

Local residents return from tour of Middle East

Mr. and Mrs. George Blanton and Sue Miller returned last week from a 23-day tour that included nine foreign countries. They were accompanied by Billie Mills of Bryan, sister of Blanton and Mrs. Miller.

THEY LEFT May 20 from Amarillo Airport to New York, where they boarded a 747 Jumbo Jet to London.

They spent two days in Istanbul, Turkey; then flew to Tehran, Iran, where their brother, Bud Blanton, lives. During an eight-day visit in Iran, Bud took them to see the Caspian Sea, Grom and other tourist sites.

From Iran they flew to Egypt, spending two nights in Cairo, two nights in Alexandria, then two more nights in Cairo. They saw the Sphinx, the Pyramids and other tourist spots in and around Cairo, Alexandria and the Nile Delta, making part of the tour aboard rented camels.

"THE PEOPLE, traffic, livestock and wagons were thick in the streets there," Blanton reported. "I don't see how they live with all the congestion." From Cairo to Alexandria

they rode the same railway that President Nixon later rode during his visit to Egypt.

From Cairo they flew to Tel Aviv for a four-day tour of Jerusalem, the Dead Sea, Jericho and other Holy Land sites.

"JERUSALEM didn't impress any of us much," Blanton said. "It's a dirty city with peddlers everywhere. It's awfully commercialized."

They also spent a night on the Isle of Cyprus, then flew to Athens, Greece, for a stopover and plane change.

From Athens they flew directly to New York in 10½ hours aboard a 747 jet. They changed planes at New York's John F. Kennedy Airport, then returned to Amarillo in a six-hour flight via Dallas and Lubbock.

"The places we liked the best were Turkey, Cyprus, Alexandria and Athens," Blanton said. "Athens and Cyprus were the prettiest places we saw. The drive from Tehran to the Caspian Sea in Iran was beautiful, with mountain villages, farming on the slopes, and snow-capped peaks."

He added, "We saw a lot of places we had never seen, and

really enjoyed the trip, but the traffic and population problems most of those other countries have made you appreciate home a lot more."

GREATEST meteor shower on record occurred on Nov. 12-13, 1833. It is estimated that there were 240,000 meteors in this shower.

BIRTH of military aviation in the US occurred in Texas in 1910 when the whole US Air Force arrived at Fort Sam Houston, San Antonio: one man.

ON THE GO MR. AND MRS. M. L. Harlan had company over the weekend. Rev. and Mrs. Vance Zinn and daughters of Osceola, Mo. and Mr. and Mrs. Stanley Benge and family of Friona were here. The women are sisters of Ruth. Their brother, Rev. Audye M. Wiley of Portland, Ore., came by on his way home from the Southern Baptist Convention in Dallas. 27 members of the family came and all had dinner Friday evening at the Colonial Inn Restaurant. The Harlan's daughter Linda McMahan and children of Lubbock were also here for the weekend.

4-H'ers leaving for Washington

By IRENE KEATING

Summer officially arrives tomorrow but I believe we've already been enjoying the summer temperatures.

Tuesday is the big day for Agnes and Donna Acker, Carol and Patti Hochstein. They'll be leaving on the two week trip, the 4-H Citizenship Shortcourse in Washington, D.C. They will spend about half their time seeing the sights enroute. Stops are scheduled for Memphis and Knoxville, Bluefield, W. Va., Madisonville, Ky. and Hot Springs, Ark. This will be a wonderful experience for the 134 Texas 4-H'ers and leaders who are going on the trip.

The 4-H girls that are entering the dress revue July 23 are really busy sewing. There are about 45 girls working with the help of 20 leaders and junior

leaders. The dress revue this year will be held at Summerfield. We try to hold it in a different community each year. The entry divisions are 9-11 years old, 12-13 years old and seniors. The winner in each age group will advance to the district contest in Amarillo Aug. 1.

SINCE OUR children are home all day now you may feel the need for improving interpersonal communication. Do you really say what you mean? Are you honest in showing your feelings? Most of us have to admit a no answer to these questions occasionally. We tend to hide our feelings and emotions when they occur. But hiding them only causes trouble in the long run because these repressed emotions will be reflected in later behavior — usually unpleasantly.

A person must understand himself before he can establish open and honest relationships with others. This simply in-

volves recognizing the feelings that exist — it is not important to evaluate them as good or bad feelings. A person must also learn not to blame others for his own feelings. He alone is responsible for them.

There are several ways to create opportunities for open conversation with others.

— Plan a time for relaxed discussion in privacy without interruptions.

— Establish and follow basic ground rules to say what you mean without attacking or blaming others.

— Listen carefully to what others say.

— If you don't understand what someone means, ask rather than making assumptions.

— Look for body motions and facial expressions, because people communicate physically just as much as verbally.

— Consider your own non-verbal methods of communication, how and why you do them.

SELECT carpeting with an eye to adjacent outside areas — dark carpeting for living area next to white sand outside would be unwise, Patricia Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, advises. A white carpet would be less practical than a colored one for children's rooms or kitchens, she added.

STUDYING UNITED WAY — Five members of the Dimmitt United Way steering committee listen last Wednesday as Jim Matthews (back to camera), executive director of the Amarillo United Way, outlines the procedures for starting an annual United Way fund drive in Dimmitt. The meeting was held in the boardroom of the Amarillo United Way

offices. Across table, from left, are Robert Ryan, Bob Caddell and Jack Edwards. On near side of table are Robert McLean and Bill Clark. These Dimmitt delegates met again Friday morning to draft recommendations to the full steering committee. A board of directors was expected to be approved by the steering committee Wednesday.

DIMMITT

On Saturday, June 29, beginning at 2 p.m., there will be a meeting at 104 Aspen in Hereford for the purpose of organizing the Hereford-Dimmitt Legal Secretaries Association, a chapter of the National Association of Legal Secretaries (International).

The NATIONAL Association of Legal Secretaries, whose motto is "Professionalism plus Education equals Excellence," is an international nonpartisan, nonsectarian, nonunion and nonprofit organization formed to further the legal secretary's knowledge of the law and to uphold its honor and dignity; to stimulate a high order of business and professional attainment and to create a high standard of ethics among its

members.

Persons engaged in work of a legal nature are eligible to join this group and are urged to attend this meeting. Reservations may be made by contacting Barbara Wheat, Box 983, Dimmitt, Telephone 647-5609.

Local chapters are also affiliated with the Texas Association of Legal Secretaries. Present at this meeting will be Mrs. Shanny Knorpp, TALS Treasurer of Amarillo, and Miss Dorothy Easton, TALS Membership Chairman of Waco, and Mrs. Melinda Watts, TALS President of Dallas. They will present the history of the National Association and assist local charter members in the formation of the Hereford-Dimmitt chapter.

Suddenly a fungus, isolated by government research scientists seeking an answer to the nagging problem of jungle rot, has become the hottest discovery of the past 50 years. The super-fungus (trichoderma viride) will grow in any substance containing cellulose. After 5 to 10 days, the solids are filtered out and the resulting liquid or residue will turn cellulose into glucose in 48 hours. The glucose can then be converted to food or fuel.

THE SCIENTISTS have converted old newspapers, cardboard cartons and even manure into yeast and ethanol. The ethanol can be blended with gasoline on a 90 percent gasoline to 10 percent ethanol mixture. Some chemists have successfully run automobiles on a 80-20 mixture.

The potential of the super-fungus is mind-boggling. It means that 1,000 lbs. of city trash can be converted into 500-700 lbs. of glucose per month in the laboratory. Scientists estimate that 3-million tons of city and farm trash will convert into enough ethanol to offset a shortage of 5-million

barrels of oil per day. Although ethanol (grain alcohol) is more expensive than gasoline today, the super-fungus process will make it competitive with gasoline.

Scientists are even more enthusiastic about the food possibilities of the super-fungus. Asian countries with large quantities of rice hulls (rich in cellulose) are anxious to begin converting these into protein, using the super-fungus process, which will produce a single-cell yeast, suitable for livestock today, and hopefully for humans tomorrow.

A PILOT plant is in operation now and economic feasibility tests are underway. A key problem is preparing the raw waste for mixing with the enzyme solution. Two methods of grinding up trash are being used and researchers are studying other methods.

The super-fungus process is already competitive in price with glucose produced from corn starch treated with acids. Experts believe that super-fungus glucose will be much less expensive than the corn starch product when produced in large volume.

Texas farmers to get acreage questionnaire

In early July, over 24,000 Texas farmers will receive an acreage and production questionnaire from Charles Caudill, Agricultural Statistician for the Texas Crop and Livestock Reporting Service, Austin.

INFORMATION from this survey will be used to determine harvested acreage and production of early harvested crops for the state of Texas and for each county. There are 254 counties in Texas, and reports

Here are week's best food buys

Forequarter beef cuts take the economy "spotlight" this season, one expert says.

"THESE CUTS are comparatively the best value now, although some stores will feature round cuts at lower prices," according to Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service.

Pork values include smoked hams, picnics, shoulder roasts and steaks, end-cut loin roasts and chops, she added.

"Fryer chickens remain the money-stretcher in many meat departments, and grade A, large-size eggs generally are the economy-quality egg value.

"Turkey, whole bird and parts, is plentiful and economical."

TURNING TO fresh fruits and vegetables, Mrs. Clyatt cited peaches, apricots, cherries, plums and nectarines as priced "on the high side."

"Cantaloupe, watermelons and honeydew melons have more attractive price tags as supplies increase, and pineapple, strawberries, apples and oranges are worth considering."

Vegetable items in largest supply at the most economical prices are cabbage, carrots, sweet corn, okra, green beans, dry yellow onions, radishes and green onions.

CONSUMER WATCH-WORDS: Cottage cheese is featured at dairy counters. One and a third cups of cottage cheese supplies about the same amount of calcium as one cup of milk.

are needed from many farmers so that each county will be well represented. Accurate estimates are of great importance to farmers in planning production and marketings in providing an unbiased picture of Texas agriculture.

The Texas Legislature has provided a program of estimates for each county. Texas covers such a wide area that state totals alone do not provide adequate information on Texas' most basic industry — agriculture. This is a cooperative effort of USDA's Statistical Reporting Service and the Texas Department of Agriculture.

Tennis camp to be conducted locally

Kim King, 1973 and 1974 Class B state girls' singles tennis champion from Nazareth will conduct a tennis camp in Dimmitt June 24-29 and July 1-5. The camp will be held at the tennis courts at city park.

CLASSES will be conducted for one hour each day and there will be no more than six enrolled in each class. A fee of \$25 will be charged for the two week session. Individuals six to 60 years of age are eligible for the camp.

Applications forms for the camp are available at the Castro County News.

Crop insurance is becoming necessity

Although crop insurance has been a "yes or no" decision for most Texas farmers in the past, it may soon be a necessity, believes an economist for the Texas Agricultural Extension Service.

"ONE MAJOR insurance company is expecting to write two to three times more coverage for crops this year than in 1973 because of the higher cost of getting a crop in the ground," says Dr. Wayne Hayenga. "Also, farmers are expecting higher prices for their crops, and many of them remember the extensive damage done by hail last year."

Rates for hail insurance vary by crop, area of the state and company, explains the economist. Grain sorghum rates go from about 1.5 to 8 percent of the coverage while cotton rates usually start at 3 or 4 percent. In some hail prone areas, some companies quote prices as high as 18 percent.

"AT PRESENT, no commercial insurance companies write 'all risk' crop insurance in Texas," notes Hayenga. "This type of insurance is available in 84 counties from the Federal Crop Insurance Corporation, with coverage limited to cotton, sorghum, corn, peanuts and citrus. Its main purpose is to prevent farmers from a total crop failure, so the amount of coverage available is limited."

Nazareth 4-H Club holds regular meet

The Nazareth 4-H Club met June 10 with 23 members present. Members of the method demonstration teams who attended the state meet at College Station reported on their placings.

AGNES ACKER placed 10th with her wildlife conservation demonstration. Norman and Elaine Acker placed 9th with a soil and conservation demonstration and Donna Acker and Carol Hochstein placed 9th with their demonstration on tornado safety and emergency preparedness.

Club members voted to hold their annual picnic in July rather than in August and also voted to hold a paper drive.

Following the meeting Donna Acker held a child care class and Norman Acker discussed record keeping with younger club members.

Compress all the quality you can grow with a HESSTON StakHand® 10 System — when the crew is you.

Now family farms with small-to-moderate-sized hay acreage can have a speedy one-man hay handling system. The Hesston StakHand 10 system.

Put it to work for you. Build 7' x 8' x 8' compressed Hesston HayStaks (at the rate of four to six tons an hour) and haul them to feeding and storage areas. Or simply unload fast right in the field or at roadside to beat the weather at haying time. You can follow later with the StakMover 10 or 10W attachment on your tractor to lift and move the compressed stacks anywhere.

Properly formed compressed Hesston HayStaks form their own non-taxable storage structure, resist wind and weather, and keep hay inside green for a year or more. Gain an extra season of usefulness by stacking stover and turn crop residue into valuable feed.

StakHand 10 complements a compact Hesston windrower, such as the PT-7 or PT-10. Together they offer unmatched speed and convenience.

MRS. STEVE BROWN
... She's the former Veronica Lange

Browns at home after June 15 wedding vows

Mr. and Mrs. Steve Brown are at home in Amarillo following a June 15 wedding in St. Mary's Catholic Church in Amarillo. Father Joseph Tash officiated at the double ring ceremony.

THE BRIDE, the former Veronica Lange, is the daughter of Mr. and Mrs. Joe Lange of Nazareth and the groom is the son of Mr. and Mrs. Don Brown of Brownfield.

Given in marriage by her father the bride wore a long white gown with a chapel length train made of silk organza and peau d'ange lace and trimmed with pearl embroidery. It featured long puffed sleeves and a high scalloped neckline.

The A-line skirt fell to floor length and was designed in silk organza. The bodice of the gown was fashioned in peau d'ange lace and the chapel length train was designed in an overskirt fashion. The gown carried appliques of lace on the skirt and train and the skirt's hem was deeply bordered in a pattern of trellised lace. The veil fell to the waist and was fastened with layers of lace leaves with a cluster of pearls in the middle. She carried a

bouquet of white daisies and yellow rose buds.

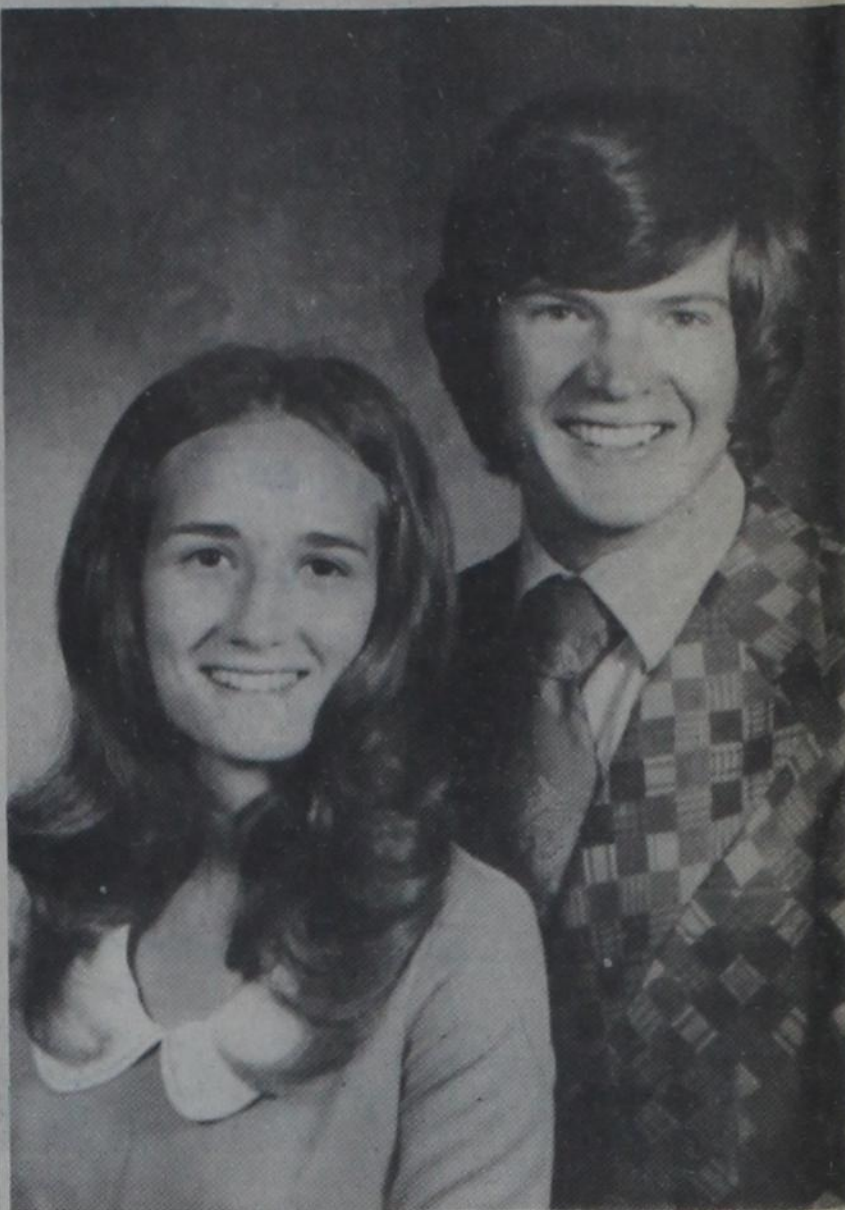

MATRON OF HONOR was Mrs. Bob Chism, sister of the bride. Attendants included Mrs. Larry Barker, cousin of the bride and Tonya Brown, sister of the groom. Junior bridesmaid was Anne Birkenfeld, niece of the bride.

The bride's attendants wore bright yellow floor-length gowns with high lace collars and long puffed sleeves. The dresses had apron-like overskirts trimmed with wide yellow lace. They wore picture hats to match the gowns and carried bouquets of orange daisies and yellow rose buds.

Best man was Mike Nave. Groomsmen were Billy Lange, Chuck Shockley, and junior groomsmen Jeff and Andrew Brown.

Candlelighters were Jerry and Tommy Lange, brothers of the bride. Ring bearer was Dale Birkenfeld and flower girl was Denise Harbison. Ushers were Bob Chism and Larry Barker.

ORGANIST was Mrs. George Grey and soloist was Rick Grey. Selections included "The Wedding Song", "Wedding Benediction" and "The Wedding

MISS PAMELA NEWTON, DURWARD STRICKLAND

Newton-Strickland vows scheduled for July 19

Mr. and Mrs. Charles Newton of Anchorage, Alaska announce the engagement and approaching marriage of their daughter, Pamela Jeanne, to Durward Strickland Jr., son of Mr. and Mrs. Durward Strickland of Dimmitt.

Prayer.

A reception was held at the Amarillo Club in the American National Bank building following the ceremony. The wedding cake was served by Mrs. Bill Harbison, Mrs. Joe Lynn Birkenfeld and Mrs. Tommy Lange. Guests were registered by Mrs. Jerry Lange.

For the wedding trip to San Antonio the bride wore a yellow and white dress with white accessories.

The bride is a graduate of Nazareth High School and received a secretarial certificate from West Texas State University. She is presently employed at the American National Bank in Amarillo.

The groom is a graduate of Dimmitt High School and is a junior at West Texas State University where he is majoring in accounting.

MISS NEWTON is a graduate of Anchorage High School and is a senior at Wayland Baptist College in Plainview. Strickland is a 1969 graduate of Dimmitt High School and is also a senior at Wayland Baptist College.

The couple will exchange vows July 19 at the First Baptist Church in Anchorage.

Miss Schaeffer honored at tea

An introductory tea honoring Miss Jackie Ann Schaeffer, bride-elect of Stanley R. Byrnes, was held in Clovis, N.M. Saturday, June 15 in the Monte Matlock home.

THE BRIDE'S chosen colors of yellow and lime green were emphasized in the decor. The serving table was covered with a European handmade cloth and centered with a silver epergne containing an arrangement of yellow shasta daisies and bridal wreath. The corners of the table had miniatures of the large centerpiece. Silver appointments were used for servings. Napkins of yellow were inscribed with the names of the couple.

The honoree, her mother, Mrs. Stanley D. Schaeffer of Dimmitt, and Mrs. Paul (Buddy) Byrnes of Clovis were presented with yellow and green corsages.

Poppy Head, sister of the prospective bridegroom, registered the forty-two guests attending. The registration table featured a miniature bouquet of the serving table centerpiece, the bride's book, and a picture of the young couple.

Each guest, upon arriving, presented Miss Schaeffer with a favorite recipe, which was placed in a yellow and white file, a gift of the hostess.

Sixteen ladies assisted Mrs. Matlock with hostess duties.

Those attending from Dimmitt were the honoree and her mother, Mrs. C. O. Byrnes, Mrs. G. L. Willis, Mrs. Jack R. Miller and Kim. Other out of town guests were Mrs. James E. Head of Hereford and Mrs. E. C. Hudson of Earth. Also, Mrs. Mervyn D. Cearley of Lovington, N.M., Mrs. Percy Merritt of St. Vrain, N.M., and Mrs. Steve Craycraft of Albuquerque.

IT IS calculated that hydrogen comprises 90 percent of all matter and over 99 percent of matter in interstellar space.

MRS. DENNIS SMITH
... The former Leisa Dannevik

Miss Dannevik, Smith pledge vows Saturday

Miss Leisa Loraine Dannevik and Dennis R. Smith exchanged wedding vows Saturday in the first United Methodist Church. Rev. J. Lennel Hester, pastor, officiated at the double ring formal ceremony which was read before an altar flanked by two large brass candle sticks and baskets of white gladiolus and daisies.

THE BRIDE is the daughter of Mr. and Mrs. William P. Dannevik of Dimmitt and the groom is the son of Mr. and Mrs. Cloyd Covington of Fort Worth.

The bride wore a Victorian style gown of white silken organza and chantilly lace. The moulded crescent bodice, featuring a wedding band neckline, was encircled with chantilly lace and seed pearl beading, creating a cape effect.

Her long Windsor sleeves of sheer organza featured button and loop closures. The A-line skirt was enriched with appliques of chantilly lace. A deep border of matching lace encircled the entire hemline which swept to a chapel length train.

Her veiling fell in tiers edged in a border of chantilly lace from a Camelot capulet covered in matching lace and delicate seed pearl beading. The bride carried a bouquet of bridal roses and stephanotis with the Bible her mother used in her wedding. She was given in marriage by her father.

MAID OF HONOR was Debra Dannevik, sister of the bride, and bridesmaids were Debbie Althoff and Cindy Scoggin.

The bride's attendants wore full length blue flowered dresses with blue hats featuring bands matching the dresses with a fresh daisy in back. They carried nosegays of daisies and baby's breath.

Best man was Randy Covington, brother of the groom. Groomsmen were Larry Winton, Steve Myers and Toni Handley.

Ring bearer was Paul Dannevik, brother of the bride. Ushers were Mark Averitte and Kyle Broderson.

Organist was Mrs. Maxie Horton and Suzanne Merritt was soloist. Selections included "Whither Thou Goest" and "Wedding Prayer".

Following the ceremony a reception was held in the Fellowship Hall of the First United Methodist Church. The table was decorated with a white lace-edged cloth and the centerpiece was composed of blue and white mixed flowers.

Kerri Broderson served the wedding cake and Diane Townsend served the punch. Mrs. Diane Townsend registered the guests.

SPECIAL guests were Mrs. Alice Caylor of Fort Worth, grandmother of the bride, Troy Caylor, Mrs. Glenna Hilsdorf and Mr. and Mrs. Orris Mosely and family.

Out of town guests were Mr. and Mrs. Carl Youngs, Charlene and Kim Leverett, Joe Smart, Veronica Lynn and Sean Smart, Becky McBride, Mr. and Mrs. Massie and Mrs. Onessa Winton.

For the wedding trip to Ruidoso, N.M. the bride wore a white and blue polka dot pantsuit with navy blouse and a white rose corsage.

The bride is a graduate of Dimmitt High School and attended Texas Tech University and Commercial College. She is employed as a commercial loan secretary at Lubbock National Bank.

The groom also attended Texas Tech and is employed by Stockton of Dallas as a manufacturer's representative. The newlyweds will be at home in Lubbock.

Brock Real Estate expands

Dimmitt has a new real estate team.
Bill and Jo Behrends have joined forces with Earl
Brock Real Estate to provide residential and commercial
property sales, farm and ranch sales, and real
estate management (renting and leasing).

As a result of the new affiliation, Earl Brock Real
Estate is now headquartered in the Behrends
Insurance Agency offices. All three partners also work
out of their own homes.

Brock, who was the manager of Southwestern Public
Service Co. in Dimmitt for 19 years, started Earl Brock
Real Estate when he retired from the utility company
six years ago. He has been a licensed real estate
broker 20 years.

Mr. and Mrs. Behrends both are now licensed real
estate salespeople, having recently passed their state
exams.

Before a person can take the exam for a state real
estate sales license, he must complete 30 classroom
hours of prescribed study. Bill has completed 90 hours

and Jo has completed 45, all through night classes at
West Texas State University. They both plan to
continue their schooling, and Bill hopes to eventually
become a member of the Society of Real Estate
Appraisers — a goal that required seven years of
study and experience.

"We wanted to expand into real estate because of
the compatibility of the insurance and real estate
fields," Bill said. "The combination will enable us to
be of more complete service to our customers."

He added, "Instead of opening a separate real
estate business here, we chose to affiliate with Earl
because he's an established, licensed real estate
broker."

Whatever type of real estate service you need —
whether you want to buy or sell residential or
commercial property, or find a buyer, seller, lessor or
someone to manage your property — Earl Brock Real
Estate has the people to provide these specialized
services for you.

Corpus Christi procession held Sunday

By MRS. AGNES BROCKMAN
The annual Corpus Christi Procession and services were held after the second Mass Sunday morning. The services were very beautiful and impressive.

ATTENDING the Catholic State League and Catholic Life Insurance Convention in San Antonio over the weekend were Mr. and Mrs. Tom Acker, Mr. and Mrs. Grg Hoelting, Mrs. Mathilda Anderle, Carol Drepup, Lydia Gerber, Larry Ramackers and Royce Huseman. Last week on Thursday Angie Wilhelm and Mary Joe Schacher attended an FHA officers workshop at Canyon. Mr. and Mrs. Alfred Pohlmeier of Reseda, Calif., are here visiting relatives and their daughters and families at Happy and Gruver. The Floyd Hoeltings of Macombe, Ill., spent a few days the past week here visiting relatives and friends.

Eddie and Randy Huseman, sons of the George Husemans, flew to Atlanta, Ga., and will be there for a month. While there they are going to Florida to go deep sea fishing. They then are going to North Carolina to visit their grandparents and other relatives.

JOAN Harbison and children of Black Hawk, Colo., have been visiting her folks, the Joe Langes here the last week. Mr. and Mrs. Albert Venhaus, all their children and their families enjoyed a get together at Elwood Park Sunday afternoon and evening. Mr. and Mrs. Tom Brockman and children of Friona spent Saturday night and Sunday with Agnes Brockman. The Phil Brockmans of Muleshoe spent Sunday afternoon in Nazareth visiting the Brockmans and Schultes. All the children and their families of the John Storks had a Fathers Day get together and

barbecue supper at the home of the Virgil Pohlmeiers in Tulia Sunday evening.

SUNDAY the Raymond Annens, Claude, Mr. and Mrs. Larry Spencer and girls had dinner with Mr. and Mrs. Bob Kenworthy and children.

Last week Cornelia Annen and Emma Huseman went to Wichita Falls to help their sister and sister-in-law Mary Harwell celebrate her eighty-eighth birthday. Sunday the Frank Hoeltings and Leonard, Fritz Gerbers, Walter Schultes and Denny Heimans from Nazareth, Florence Heimans from Amarillo, Bayard Keys and Father Harold of Plainview had supper with the Charles Bowens in Plainview. Monday morning Mr. and Mrs. Frank Hoelting took Father Harold to the airport in Lubbock as Father won a two days' vacation in Las Vegas, Nev. He then will visit relatives

and friends in California and on to Corpus Christi later.

The Nazareth Tops Club met at 6:30 Saturday evening in the church basement. The queen for the week was Dolly Schulte. The gain for the week was 1/2 pound and the loss was 14 3/4 pounds.

Bible School set by Dimmitt church

The First Christian Church will conduct a Vacation Bible School July 29-August 2. INTERESTED parents may pre-register their children by calling 647-5478 or 647-2219. "Pre-registering your child will assure him or her of having proper supplies," said Mrs. Roy E. Barringer, who will be directing the school.

I NEVER think of the future. It comes soon enough. —Albert Einstein

Outsmart computers on incorrect bills

Get results from computer-calculated bills. "IF YOU receive an incorrect bill, shred it," Lillian Cochran, home management specialist with the Texas Agricultural Extension Service, advised.

"Place the shredded bill — along with a note of explanation — in an envelope, and mail it to the company. This requires personal attention — whereas just a hand-written note might be ignored. "The main point is to muti-

late the bill in such a way that the computer is forced to take action," she said.

IT'S A GREAT FEELING — Mike Oldham of the Yankees approaches third with a triumphant smile after he slammed a home run over the fence with two men on in a Little League game played last Thursday. The big homer was for a losing cause however as the Yankees fell to the Cardinals 14-7.

Cards continue lead in Little League race

The Cards continued to set the pace in Dimmitt's Little League pennant race as they upped their season record to 9-1 last Thursday with a 14-7 win over the Yankees. CLOSE BEHIND in the LL pennant race are the Braves with an 8-2 record, followed by the Astros with a 6-4 mark. The Dodgers stand at 2-6 on the season while the Yankees are 0-8.

In action last Thursday the Cards displayed potent batting power as they drove in five runs in both the third and fourth innings. The Yankees scored three runs in the third inning on a home run by Mike Oldham, but it was the sixth inning before the Yankees scored again and their four run effort fell short. The Braves edged the Tigers 3-2 in a game that went eight innings before a tie was broken. The Tigers scored a run in the second inning and carried their one run lead into the

fourth inning when the Braves scored a run. Both teams scored one run in the fifth inning and the contest continued until the Braves broke the tie in the eighth. THE DODGERS downed the Astros 10-7 in Thursday's other game, taking a 3-2 lead in the first inning and continuing their lead throughout the remainder of the game. In action last Monday the Tigers footballed the Yankees 22-6, scoring 18 runs in the second inning. The game was suspended at the end of 3 1/2 innings because of the time curfew. The Braves blasted the Dodgers 29-3, scoring eight runs in the second inning and 14 in the fourth. In last Monday's final game the Cards downed the Astros 7-5 as a come from behind effort on the part of the Astros fell short.

Astros capture ML championship

The Astros captured the Minor League championship last Tuesday despite a 10-9 loss to the Yankees as their 7-2 season record earned them the honor. THE DODGERS finished second with a 4-4-2 record and the Cards and Yankees tied for third with 3-5-1 marks. In games last Tuesday the Yankees edged the Astros 10-9 with a five run scoring spree in the fourth inning. The Dodgers downed the Cards 19-10, scoring seven runs in the second inning and six runs in both the first and third innings.

NUMBER of broiler chicks placed and the number hatched were down slightly during the week ending May 25.

Lee Bradleys become proud parents of twin boys

By TEENY BOWDEN

Mr. and Mrs. Lee Bradley became the parents of twin boys born in Central Plains General Hospital in Plainview Tuesday evening. Justin weighed 5 pounds, 11 ounces and Joel weighed 4 pounds, 6 ounces. They were dismissed Saturday.

MRS. VERNON Orr was dismissed from Central Plains General Hospital in Plainview Thursday.

Mrs. Lynn Cox was dismissed to the Littlefield Hospital in Plainview Friday. She will stay in Dimmitt with her parents Mr. and Mrs. M. B. Odom for a while.

Charlie Hall Jones was dismissed from the Clovis hospital Friday after treatment for pneumonia.

Mrs. Gerald Elkins was admitted to the Littlefield Hospital Thursday and underwent gall bladder surgery Friday morning. She was recovering satisfactorily Sunday.

Several from the community attended the funeral services of Joe B. Andrews in Dimmitt Tuesday afternoon. Charles Ax-tell was a pallbearer.

MR. AND MRS. J. Paul Waggoner returned home Monday night from Williams, Ariz. where they attended the Ball family reunion last weekend. The relatives here, 31 of them, chartered a bus for the trip. Ninety relatives from 6 states attended the second annual Ball reunion. Last year it was held in Lubbock.

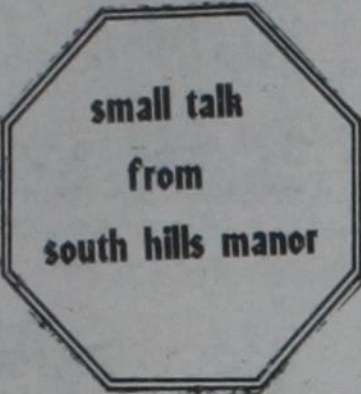

Gerald Graham and L. B. Bowden attended the hail suppression meeting in Springlake Monday night.

Robert Duke, Mrs. Cliff Brown and Mrs. L. B. Bowden attended the Castro County Genealogical Workshop in Rhoads Memorial Library in Dimmitt Saturday.

Mrs. John Gilbreath, Mrs. Embree Roy Sadler and Mrs. L.

B. Bowden attended the Plains Memorial Hospital Auxiliary board and general meeting in Dimmitt Wednesday morning. Mrs. Gilbreath worked in central supply last Friday. Mrs. Roy Phelan, Mrs. Milburn Haydon and Mrs. Alton Loudder represented the church with a visit to the Golden Spread Nursing Home in Dimmitt Thursday afternoon.

"I think that I shall never see a poem as lovely as a tree. Poems are made by fools like me, but only God can make a tree." We have nine mulberry trees. They were planted about a year ago. They had a few blooms this spring. Tall, stately, promising trees.

A group of ladies from First Baptist Church brought pupils from Vacation Bible School to visit us on Friday morning. They were Glenda Sims, J. Lynn Ryan, Charlene Howell, Brenda Andrews, Laura Harkins. What wonderful teachers the leaders must be! I wish you could have heard their sixth grade students as they named the books of the Bible from memory, the Ten Commandments, the Great Commission, the Lord's Prayer, the First and Great Commandment. They also sang several songs for us. We appreciate their coming.

THE MUSICAL on Saturday evening, June 15, will be remembered as a high point in our lives at South Hills Manor. We take this opportunity to thank the Dunn family, Mr. LaRue, Mr. and Mrs. Gene Ivy, Mr. and Mrs. Alvin Frazier, Mr. and Mrs. Fletcher each for his part in the musical group and the solos.

Rev. Hester of the United Methodist Church brought the devotional here on Sunday, June 16. He read the 34th Psalm. Words of promise — theme — Share Gratitude. Those who were in charge of the music were Jerry and Melody Wyatt and Irene Hester. We enjoyed the service.

Word was received Saturday of the death of Clary Phillips of Olton, a former resident of the community. He passed away Friday following a stroke.

Lynn Brown killed a baby rattler in his back yard this week. Larry Sadler killed an

eight rattler and a buton and L. B. Bowden a six rattler and a buton last week.

Dr. Franklin Swanner of Plainview filled the pulpit Sunday in the absence of the pastor. He and his grandson Andy McElahey of Arlington were guests of Mr. and Mrs. Milburn Haydon. Andy brought

the special music for the Sunday evening services.

Mrs. Jake King and Brenda of Hereford visited Monday with Mr. and Mrs. Ezell Sadler.

MR. AND MRS. Tiny Walling and Shane of Friona visited last Sunday afternoon with Mr. and Mrs. J. C. Holbrooks.

Mrs. Grace Doyle and her son, Mr. and Mrs. Darrell Doyle and family, all of Tacoma, Wash., spent Friday and Saturday with Mr. and Mrs. W. T. Autry. Mrs. Ona Bryant of Hereford had dinner with them Saturday.

Mr. and Mrs. Thomas Parson, their grandchildren Laura and Ervin Parson of Muleshoe and Wendy, Lesa and Robert Wilson of Memphis, Tenn. spent the week and last weekend vacationing at Proctor Lake. Wendy had joined them here last Thursday. The parents of Mrs. Parson and Mrs. T. E. Parson Sr. and her daughter and family of Blanket visited with them at the lake and Mrs. Parson came home with them for an extended visit. They came home Sunday.

Baptist Women had the study of Current Missions Wednesday night with Mrs. Roy Phelan in charge. The cloud broke up the prayer meeting service and the officers and teachers meeting scheduled.

MR. AND MRS. Martin Lefevere of Lubbock visited last weekend with Mr. and Mrs. R. J. Lefevere.

Cheryl Powell of Dimmitt spent the week with her grandparents Mr. and Mrs. Ezell Sadler. She spent the day Tuesday with Mr. and Mrs. Larry Sadler, Carrie, Stacy and Laura.

Mrs. Embree Roy Sadler and Mrs. Gale Sadler attended a baby shower in Lubbock Thursday honoring Amy Sadler and her mother.

Mr. and Mrs. Cliff Brown, Lee and Lynn spent the day Sunday with his father and mother Mr. and Mrs. E. R. Brown.

Mr. and Mrs. Alton Loudder spent Father's Day in Littlefield with Mr. and Mrs. Lowell Westmoreland and family.

Mrs. Bob Ott visited in Temple with her mother last Friday through Tuesday and in Dallas with Mr. and Mrs. Steve

Hart Day activities slated for August 10

A parade and the crowning of "Miss Hart Day" will highlight Hart Day activities August 10, according to members of the Hart Day Activities Committee.

THE committee held a special meeting in the community room of the Farmers State Bank June 3 to discuss plans for the festivities.

The parade theme was discussed and song titles from the early pioneer days through the 1940's were selected as themes for floats.

Hart Day activities are tentatively scheduled to begin Thursday, Aug. 8 with the Hart Lions Club serving charcoal hamburgers and drinks and conducting bingo games.

The Hart Roping Club is also making plans for conducting a steer roping that night.

ON FRIDAY, Aug. 9 the Olton Square Dance Club is scheduled to conduct a street square dance, assisted by the

Dimmitt Square Dance Club. The dance will be held from 9-11 p.m.

A merchants drawing at 9:30 a.m. Saturday, Aug. 10 will kick off actual Hart Day activities.

Other events scheduled for Hart Day include the Old Fiddlers Contest, a western style shoot-out on Broadway sponsored by the Hart Riding Club and the Hart Day parade at 2:30.

Following the parade, riding club activities will be conducted at Henderson Arena.

VARIOUS organizations will sponsor booths and bazaars during the day and the crowning of "Miss Hart Day" will climax the activities at 9 p.m.

Organizations and businesses sponsoring a "Miss Hart Day" candidate should send their registration fee to Mrs. George Edd Bennett. Queen entrants will be required to ride in the parade.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX

The Genealogical Society met at the Rhoads Memorial Library last Saturday from 9:30 until 5:00 and served lunch at noon. Miss Dorothy Rylander from Lubbock was the guest speaker with Mrs. Russell, Mrs. J. Lynn and Mrs. Kimbrough giving some information that had been helpful to them in tracing their family trees. Miss Rylander said she was living in a one bedroom apartment until she started working on her family history and had so much information in papers and notebooks that she had to move into a 2-bedroom apartment! She has worked on her family history for 13 years and she said, "If you don't like history then take up stamp collecting instead!"

We are happy to have Lupe Quinonez working for us this summer. She has worked for three summers through the NYC Program and she has done a fine job here in the library. We will have two other girls later in the summer. Paul Catoe is the supervisor for this area, replacing Bill Stephenson who has worked with these students for several years.

THE SUMMER Reading Program is in full swing now! We checked out 814 books the first week and 758 the second week. We have had 176 boys and girls to register.

Interesting people in the library: Mrs. June Taylor and daughter Amy came by. Amy had not been in the new library but Steve and June were here for the dedication services...
