

Weather allows only weekend of harvesting

By JIM STEIERT
News Editor

County farmers were able to get in only a weekend of harvesting before showers interrupted their operations again Tuesday.

CLEAR Indian Summer weather lasted from Saturday through Monday and farmers mudded their combines through still-wet fields to get out as much grain as possible before weather conditions deteriorated.

Although wet weather has interrupted the harvest several times, one prolonged period of favorable weather could see the harvest draw quickly to a close. In the meantime, corn continues to go down under the adverse conditions.

"Two weeks of good weather would let us get the grain crop

out, but it doesn't look like we're ever going to get that much good weather at one time," said Aubrey Myers of Farmers Grain Co. of Hart. He reported that a good deal of milo and some corn was received at the Hart elevator over the weekend, with moisture content of the milo running from 13-14 percent and corn running in the 20's.

"The later milo is good heavy grain, and yields on the later grain have been better than the early milo, but those yields still aren't as good as last year's," he added.

KENNETH Slough of the Nazareth branch of Dimmitt Agri Industries reported that his facility began taking corn last week when moisture content dropped below the 20 mark. He added that a good deal of early milo was coming

in, with yields averaging about 5,000 pounds per acre, but rains Tuesday halted all harvesting operations.

Doug Adams of W&C Grain of Dimmitt reported that corn was moving "fairly well" Saturday and Sunday and that harvesting had picked up momentum Monday.

"We were just about to get back into full swing Tuesday afternoon when it started raining again," said Adams.

Adams reported that one of his customers who had completed corn harvesting operations had a yield of 9,000 pounds per acre on 150 acres.

Dimmitt Agri Industries' Bill Clark reported that corn was coming in at his facility at a good pace again early this week, until Tuesday's rains.

"CORN YIELDS are going to [See WEATHER, Page 2]

WEATHER RAVAGED CORN—This field of corn northeast of Hart shows what a prolonged period of soaking rains and high winds has done to a portion of the county's corn crop. The winds sent borer-damaged corn toppling early this fall and continued wet and windy conditions have added to the toll. Many

farmers and custom harvesters have been busy rigging corn headers with special "gadgetry" to allow them to salvage the fallen corn, but while weather conditions remain adverse, no harvesting can be done.

Commission hears of rate hike

City commissioners heard a report from representatives of Dimmitt TV Cable Co. and looked into the possibility of purchasing a new garbage truck for the city during a light session Monday night.

RONNIE HOWARD, president of Dimmitt TV Cable Co. appeared before the commission along with Stanley Schaefer, secretary, Paul Coker, chief technician and Jack Miller, vice president.

Howard announced that Dimmitt TV Cable Co. will be upping its local rates from \$6 per month to \$7 per month effective Dec. 1.

He explained that TV Cable Co. has had the same rate in effect since 1962.

"Most companies have gone up in their rates in the last two years. We have been holding back on going up for about nine months, but it has become necessary to go up," said Howard.

According to Howard, the rate hike will not change the charge for additional outlets.

THE NEW \$7 per month charge is comparable to rates already charged in Bovina and Friona. Plainview residents pay a charge of \$6.50 monthly and Muleshoe residents are currently paying a rate of \$7.50.

City Manager Garnett Holland showed commissioners a chart on a new-type garbage truck made by Ebeling Manufacturing Co. of Plainview and explained the functioning of the truck, pointing out that one man could do the job it presently requires three to perform.

Cost of a fully equipped truck would be \$25,000, and Holland reported that it would be necessary for the city to acquire additional collection boxes to provide better trash collection service for the city.

The commissioners voted to study converting the city to the new trash collection system at a future date when funds become available.

After reviewing a medical opinion by Dr. R. F. Hyde of Amarillo, the commission reinstated Luther "Shorty" Manning as city judge. Manning was forced to leave office during a lengthy illness and the commission appointed Glover Frazier to serve until Manning's return. Frazier will leave the temporary office at the end of the month.

In other action, the commission approved a traffic survey of Dimmitt made by the Texas Highway Dept.

VFW Post 8056 resumes operations

Dimmitt's VFW Memorial Post 8056 has resumed operations for the remainder of the year. Hours will continue from 4:30-11:30 p.m.

The post will resume its game night activities Wednesday at 8 p.m. with all interested persons invited to attend.

NATIONAL HONOR SOCIETY installing officers at Dimmitt High School Sunday afternoon were [from left] Steve Myatt, Cindy Dyer, Cliff Parker, Susan Wise, Lance Louder, Kim Miller, Melanie Dowell and Cindy Ringo. These youths installed 18 new members in DHS's most prestigious student organization in ceremonies in the school cafeteria. Attending

the installation were approximately 20 other National Honor Society members and more than 40 parents and teachers, in addition to the 18 inductees. Chapter Sponsor Avis Smith reported that the new group of inductees was the largest in years. To be eligible for NHS membership, a student must maintain a grade average of 90 or above.

Homecoming activities set next week at Hart

A full slate of Homecoming activities has been scheduled for next week at Hart High School.

MONDAY each class will decorate a hall at the high school and Tuesday the halls will be judged.

Hart's junior varsity and junior high football teams will travel to Springlake Tuesday for football action. Junior high play will get underway at 5 p.m. with the 7th grade game and the 8th grade will play at 6 p.m. The powerful Longhorn junior varsity will take on the Springlake JV at 7:30 p.m.

Wednesday will be "Maroon and White Day" at HHS as students wear school colors.

Correction

In a picture story last week of a wreck involving Rosalinda Villegas and Brenda Underwood, the News reported that both girls were cited for driving without licenses and both fathers were cited for allowing an unlicensed operator to operate a vehicle. However, W. W. Jones, city police chief reported that Miss Underwood has a driver's permit and neither she or her father were issued a citation. Miss Villegas was cited for failure to grant the right of way to a vehicle at a stop sign and her father was cited for allowing an unlicensed operator to operate a vehicle. The News regrets the error.

A Homecoming bonfire and the crowning of Bonfire King will be held at 9:15 p.m. Wednesday south of the football field. The bonfire area will be blocked off and persons will walk to the fire.

THE LONGHORN Band, high school and junior high pep squads will lead the football team from the fieldhouse to the bonfire.

Bonfire King candidates include Kent Irons, Freddie Mancias and Danny Carson.

Prior to the bonfire, classes will spend Wednesday afternoon decorating their booths for the school's Halloween Carnival.

Thursday Hart's Halloween Carnival will be held from 7-10 p.m. in the elementary gym. Admission will be 15 cents, with Student Council members

in charge of the gate. Classes will have booths and various activities at the carnival and the junior class will conduct an enchilada supper at 5 p.m. in the school cafeteria.

ADMISSION will be \$2 for adults and \$1 for children under 12.

Friday will be "Dress Up Day" at HHS and open house will be observed at the school all day.

A special Homecoming program will be held at 2:30 p.m. in the high school gym. A pep

Roll clocks back Saturday evening

County residents are reminded that they should roll their clocks back one hour before retiring Saturday night as ten straight months of daylight savings time will end Sunday at 2 a.m.

THE TIME rollback ends the nation's experiment with year round daylight saving time, which was designed to save fuel during the country's energy shortage.

Under new legislation, the nation will stay on standard time until 2 a.m. Sunday, Feb. 23, 1975.

In the meantime, county residents can enjoy that one hour of sleep they lost when daylight savings time went into effect.

squad king will be crowned and a good luck token will be presented to each of the football players. Members of the HHS faculty will present a skit and a big pep rally will also be held. Homecoming Queen candidates will be recognized and winners in the hall decorations contest announced. A check for \$25 will be presented to the class with the best decorations.

All exes are invited to attend the afternoon rally. FRIDAY night the Homecoming Queen will be crowned in ceremonies at Longhorn Stadium at 7 o'clock. Candidates include junior Dana McLain and seniors Cindy Hill, Belinda Ritter and Dee Ann Bailey.

The Hart Longhorns will meet the Springlake-Earth Wolverines in the Homecoming gridiron clash scheduled for 7:30.

Grid contest games located on page 11

Grid guessers can find results from last week's Dimmitt Athletic Booster Club football contest and this week's contest games on page 11 of this issue of the News.

The regular booster club page is not featured this week, due to an open date, but publication of the page will resume again next week.

Big carnival assured; work starts Saturday

Work will start Saturday morning on Dimmitt's Community Halloween Carnival, which already is assured of having more concession booths than ever before.

CARNIVAL Chairman Garnett Holland reported that 21 booth spaces had been reserved by Tuesday—one more than last year—and he predicted that more organizations will sign up this week to operate game and food concessions.

Saturday will be "set-up day" for all organizations planning to operate booths. The work party will start at 8 a.m. at the Panhandle Compress & Warehouse.

"We hope everybody will have their work done by noon," Holland said, "although we realize some people won't be free until Saturday afternoon. We'll keep the building open as long as there's a substantial number of people working."

ANY BOOTH-work not completed Saturday can be finished next Thursday, Holland said. All booths and concession crews are to be ready by 7 p.m. Halloween evening, when the carnival opens for a 4½-hour stand.

The Dimmitt Lions Club, which sponsor the carnival, will provide electrical hookups and assign booth spaces. Lions also will provide general cleanup service before and after the carnival, although each organization will be responsible for the construction, takedown and cleanup of its own booth.

Organizations wishing to operate a food or game booth should contact D. W. Harkins at the Dimmitt High School principal's office, or Garnett Holland at the city hall. Deadline for reserving booth space is 4 p.m. Friday.

Very little foreign matter has ever found its way into this column. I have always thought that the material in a column should be the product of the columnist. This week, however, I am relenting. The following, captioned "On Spaceship Earth", appeared in a recent issue of the Canadian Record with credit going to Arthur Hoppe in the San Francisco Chronicle. Here 'tis:

Help, somebody! I'm trapped aboard this crazy spaceship. Nobody seems to know where it's been, where it is, how it got here, or where it's going.

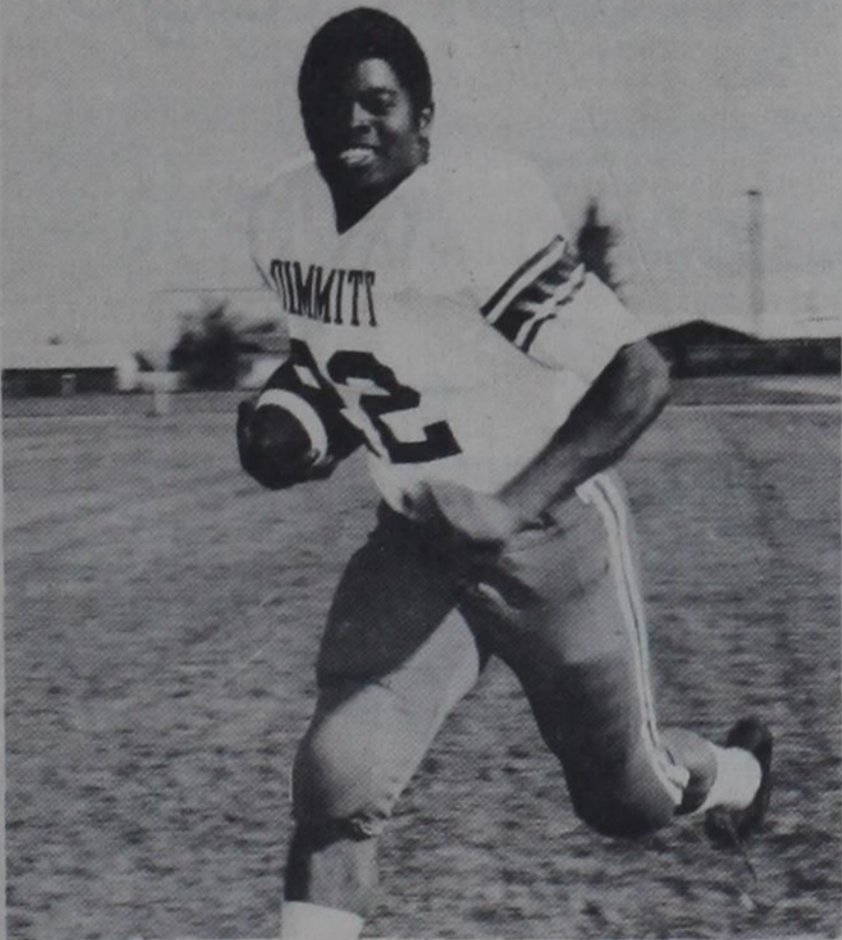

There's no captain aboard. Nobody's in charge. Some of the nuttiest passengers would like to be. They're the ones with the bombs. And there's no way to get off.

Luckily, I'm in First Class. Most of the others are in Tourist. They've really got it bad back there. Some of them are starving. That's because this crazy spaceship is getting really overcrowded. So there isn't enough food to go around any more.

We keep telling them back in tourist to stop having so many kids. What's the good of them having kids if they're all starving? But they don't listen. Nobody listens. Nobody does anything. And there's no way to get off.

Actually, things aren't too bad here in First Class yet. The air's getting harder to breathe. And the water's beginning to taste funny. But we've got plenty to eat. Of course, we feel a little guilty eating so well when those poor... But we don't talk much about that.

We're running out of fuel, [See DIMMITT, Page 2]

ROBERT MAYBERRY

So far, 17 colleges interested in Mayberry

As Robert Mayberry's yardage continues to pile up, so does his stack of letters from major universities.

THE FLASHY Dimmitt half-back has been contacted by 17 colleges and universities so far, including Notre Dame, Texas, Oklahoma, Texas Tech, Oklahoma State, Texas A&M, TCU, Missouri and Wyoming.

At nearly every Dimmitt High School game, there's been at least one college coach or scout in the crowd, watching Mayberry perform his gridiron magic.

At this stage in Mayberry's senior season, colleges can't make a recruiting pitch. All they can do is watch him play, or send him "letters of inquiry" requesting his coaches to fill out and return a questionnaire and send them a game film.

Coach Deane Wright has in the can to send them! In the Lockney game two weeks ago, Mayberry handled the ball only eight times and scored five touchdowns—three on long runs, one on a punt reception and another on a punt return. He also intercepted a Lockney pass, broke up two other pass plays, recovered a fumble, made seven unassisted tackles and helped in 16 other tackles from his defensive safety position.

In six games this year (he didn't play in the season opener against Muleshoe), Mayberry has averaged 851 yards rushing—an average of 142 yards per game—plus 135 yards on pass receptions. He's the area's scoring leader with 80 points, and had two more touchdowns called back at Lit- [See MAYBERRY, Page 2]

KEY CLUB CLEAN-UP—Members of Dimmitt High School's Key Club clear away the remnants of this year's Homecoming bonfire east of DHS Tuesday morning as a public service project. The Key Clubbers also do the "morning after" cleaning at Bobcat Stadium after every home football game. The Key Club is a service organization for high school boys, sponsored by the Dimmitt Kiwanis Club.

REV. B. P. CARROLL

Church conducting revival services

The First Assembly of God Church of Dimmitt is hosting a revival which will continue tonight (Thursday) through Nov. 3.

SESSIONS are set for 7:30 week nights and 7 p.m. on Sunday.

Rev. B. P. Carroll of Denton is serving as evangelist for the revival.

The church is located at Southeast Second and Belsher.

Pistol-whipping incident leaves Easter man injured

An Easter man was taken to Northwest Texas Hospital in Amarillo Tuesday night following an apparent pistol-whipping incident west of Dimmitt.

CALVIN Riley of the Easter community was first taken to Plains Memorial Hospital for treatment, before being transferred to the Amarillo hospital following the incident.

According to investigating officer Fred Moulton, Riley's vehicle became stuck in the mud and he walked to a nearby farm home and asked to use the phone to summon help.

Moulton said the home owner considered Riley intoxicated and asked him to leave after allowing him to use the phone. Riley refused and the fight between the two men resulted, Moulton said.

More about

Mayberry ...

[Continued from Page 1] Ulefield Friday night.

He averaged 23 yards per carry against Springlake-Earth, 20 yards per run against Lockney, 16 against Slaton, 11 against Tahoka, and five against Littlefield. Only Tulia has held him to less than five yards per carry.

"HE'S definitely one of the better backs I've ever coached, and I've had some good backs in my time," said Wright, who has sent several backs to major colleges.

"Of course, when you try to say anyone is the best, there are so many variables. But the thing that makes Robert stand out is that he can do so many things—he's a runner, a receiver, a kickoff-return and punt-return man, an excellent blocker and a good defensive back. When you consider his speed and size, he's the best I've ever coached."

Of the major schools interested in Mayberry so far, Wright said, "I guess A&M is working at it harder than anybody else. They call me pretty regularly, and their assistant coach who scouts in this region has been here a couple of times to watch Robert play."

ALL THIS attention might go to the heads of some players. But Mayberry's attitude is one of his strongest virtues.

What does he think about all the college inquiries?

"I'm not really thinking about it yet," he said. "I'll wait until the football season is over. Right now, I'm just thinking about our team."

Dimmitt

[Continued from Page 1]

though. It lights our lights, warms our cabins, powers our machines and runs our television sets. The fuel was put aboard before the first passenger. It's almost gone. Us guys in First Class are using up twice as much as all those people in Tourist. But we hope somebody will find us some new fuel somewhere. Nobody has yet.

I'll miss television. But what scares me most are these nuts with bombs. We've got a half dozen of them in First Class. A guy in Tourist even made one. He's starving and he makes a bomb! "For prestige," he says. How crazy can you get?

Each of these nuts in First Class says he's got to have his bomb because these five other guys have got their bombs. "They can't blow me up," each says with kind of a mad gleam in his eye, "because if they do, I'll blow them up!" And the spaceship along with them.

Yet each wants the other passengers to think he's the sanest and the right guy to run the spaceship. Talk about fruitcakes! But does anybody try to take the bombs away from these nuts? Nobody does anything. Nobody ever does anything on this crazy spaceship. And there's no way to get off.

Everybody knows what we should do. Us guys in First Class should ration our food, have fewer kids, turn off our machines that are eating up our fuel and mucking up our air, and somehow get those crazies to throw away their bombs.

Everybody agrees to that. Trouble is, nobody wants to give up all the good things he's got unless everybody does. So nobody does. Nobody ever does anything. I guess it's because we've got it so good that we're going to get it so bad.

Sometimes I think everybody aboard this crazy spaceship is crazy. How come nobody will face up to reality? After all, this crazy spaceship is the only crazy spaceship we've got. We're all trapped. For there's absolutely no way on earth to get off.

By DON NELSON

When Dick and Marie Perrin had visitors from New York, they served them sirloin steaks. Their New York friends thought it was the finest steak they had ever eaten, naturally. (When you combine local grain-fed beef with Marie's cooking, the result is worth traveling 40 miles of bad road to get to.)

"THEY WERE not only surprised to see sirloin on the table, but were amazed that it was so much cheaper here than in New York," Dick said. "They told us that very few people there ever buy beef for the table because it's too expensive. New Yorkers eat a lot of fish, but not much beef."

Two weeks ago we learned one reason why. The board chairman of Iowa Beef Packers was convicted of paying more than \$1 million of his company's money in bribes to the New York butchers' union—just to get the company's beef put on the meat counters.

IT CAME out during the trial that Iowa Beef had had its financial back to the wall because of the cost-price squeeze in the beef industry, and felt that it had to get into the lucrative New York City market if it was to survive.

But normal marketing techniques wouldn't work. Iowa Beef's board chairman was informed by a labor-relations executive that the company would have to make payoffs to the butchers to get its beef into the stores.

That's how the game is played in Fun City.

So, instead of filing an anti-trust suit, Iowa Beef's board chairman played the game and paid the money.

LATER, after he was convicted of bribery and conspiring to commit bribery, the board chairman was given a suspended sentence by a sympathetic judge.

"I think you've been a victim of the system," the judge told the man. "I think you're basically a good man, and it's the

system that's really guilty." Now, when New York consumers rebel against the high price of beef and demand to know who's to blame, why is it the cattleman and the cattle feeder who get the black eyes?

AND HOW about that 61-cent loaf of bread in New York? Wes Anthony tells me that there's six cents worth of wheat in that loaf. But who do you think is going to get the blame for the high cost?

All we can do is to keep growing our crops and feeding our livestock, try to make ends meet, hold our own costs and prices down as much as we can, continue to be friendly and honest in our dealings with each other, and be grateful we live where we do.

ONE THING that you see only once in a blue moon is ... a blue moon.

We've got one coming up. Or, in the language of lunaphiles, it's waxing, second-quarter. It will become full next Thursday night when it rises at sundown.

Rarely will you see two full moons in the same calendar month. The second one is the "blue" moon. (As I understand it, the second full moon is emotionally blue because it doesn't have a full month of its own.) This blue moon is following the harvest moon, which was full from Oct. 1 through 8.

THE NEXT blue moon won't occur until 1977. Think about it. By then our nation's Bicentennial Year will be over. Baylor will have played its third Cotton Bowl game in a row, your new car will be paid for, and I'll be approaching middle age.

So wander outside next Thursday evening and get a good look at the full blue moon. If hair starts sprouting on the back of your hands, you won't even have to go tie yourself to the bedpost, since it'll be Halloween anyway.

THE VETERANS Administration notes larger numbers of educationally disadvantaged veterans are using the GI Bill for catch up training. Some 136,900 trained during a recent month—22 percent more than a year earlier, according to the agency

Weather allows

[Continued from Page 1]

be off about 20 percent and milo yields will be down too," said Clark. "The weather has damaged the milo, it's discolored," he added.

He reported a moisture content of about 13 percent on the milo received at the Dimmitt facility and estimated an average test weight of 55-56.

Corn and milo harvesting was about to get back into full swing in the Flagg area prior to Tuesday according to J. R. Brown of Flagg Grain Co.

"The grain was really beginning to come in, but the fields were still wet prior to Tuesday and harvest will be delayed even longer now. Even with the sun shining, any little rain will keep us out of the field for two or three days, and a big

rain could stall the harvest even longer," said Brown.

Brown reported that one of his customers, E. R. Little, who farms six miles southeast of Dimmitt, received an inch of rain in a short period Tuesday afternoon, to halt his harvesting operations.

Ed Woodard of Bruegel & Sons Elevators reported that the Dimmitt facility received very little grain over the weekend and that corn is currently being brought to Dimmitt for drying.

"THE CORN did drop a little in moisture content after the weekend's good weather," said Woodard.

Closing out the corn and milo harvest may prove to be a long and muddy experience, even with clearing weather. Fields are already wet and the additional rains early this week have only added to the problem.

Darla Underwood is Tops Queen

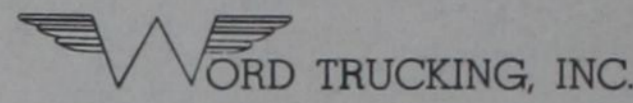

The SOS Tops Club met Monday in the Plains Memorial Hospital dining room with 18 members present.

Darla Underwood was named queen for the week with a weight loss of 4 3/4 pounds.

TEXAS rice production is expected to top 25 million hundredweight bags. This is a 23 percent increase from 1973 totals.

SOUTH Texas rice farmers harvested a record 563,000 acres and averaged 4,500 pounds per acre.

A MEETING OF NUMBERS—Hart's Gilbert "Rod" Rodriguez [11] goes wide on a long gainer against the Kress Kangaroos Friday night and meets his Kress counterpart, Barry Street [11]. The hard-running senior back performed well until he suffered a hip-pointer late in the first period of the game, which was played at Kress. Rodriguez emerged from the first period with over 80 yards on 16 carries. The Longhorns went on to down the Kangaroos 27-7 for their first conference win.

Matadors lance Swifts with balanced attack

By MARTHA CATOE

The Motley County Matadors handed the Nazareth Swifts a 40-14 trouncing Friday night, leaving the Swifts with a 1-1-1 district record. The Matadors dominated the first half with a balanced aerial and ground game.

The first score of the game came when Matador quarterback Steve Stevens galloped 19 yards for the touchdown, capping a 75-yard drive. The snap was fumbled on the extra point attempt.

Less than two minutes later the Matadors struck again on a 12-yard run by fullback Joe Campbell. The two point conversion attempt failed and the Matadors led 12-0 at the end of the first period.

Early in the second quarter the quick red and black offense tallied again on a 22-yard run by halfback Castulo Gonzales. A pass from quarterback Stevens to Campbell added another two points.

With only 42 seconds remaining in the half Campbell again added six points on a five-yard run. The touchdown was set up by a 66-yard run by back Jerry Pitts. The conversion failed and the Matadors held a whopping lead of 26-0 at halftime.

After making some locker room adjustments, the Swifts came back on the field and played the speedy Matadors a

14-14 second half.

The SWIFT defense caused and covered a fumble on the Matador 13-yard line. The Big Blue offense took advantage and Darryl Huseman scored on a one-yard plunge. The two point conversion failed as only three minutes had elapsed in the third period.

In the opening minutes of the final period, Matador back Campbell intercepted a Swift pass and returned it to mid-field. Fullback Campbell then raced 49 yards for the touchdown. Stevens booted the extra point.

The Swifts came back on the next series of plays and drove the ball 70 yards for a score. Junior Joiner got the call and scampered three yards for the TD. Darryl Huseman dashed for the two points.

Matador back Pitts added the final tally with a 35-yard inside reverse. Stevens kicked the extra point, making the final score 40-14.

The Swifts will meet Sudan tomorrow (Friday) in another district clash. Kickoff time will be 7:30 p.m. in Swift Stadium.

Sunnyside Graham injured in farm accident

By TEENY BOWDEN

Gerald Graham was admitted to High Plains Baptist Hospital in Amarillo Thursday afternoon with a compound fracture of both legs after an accident on the Graham farm. He was placed in traction and will not be placed in a cast until the swelling has stopped. He was pinned between the combine and the pickup when the brakes failed on the pickup driven by his son Tommy. The tailgate was down and it hit the legs just above the knees. Mrs. Graham came home Saturday afternoon to be with the boys and they all went to spend the day with him Sunday. Mr. and Mrs. John Graham also visited with him Sunday. Mrs. Gerald Graham stayed with her husband.

in Farwell. The Sunnyside Church received a cooperative program recognition for percentage giving, being in the top 100 churches in the Baptist General Convention of Texas.

Jackie Clark and L. B. Bowden attended a hail suppression meeting in Springlake Thursday night.

Robert Duke, Mrs. Cliff Brown and Mrs. L. B. Bowden attended the Castro County Genealogical meeting in Dimmitt Thursday night.

Mr. and Mrs. Jack Nash and family and Mrs. Bob Hamill of Haydon, Ariz., Mr. and Mrs. Roy Turman of Phoenix and Mr. and Mrs. Travis Deering of Dallas spent last weekend with Mr. and Mrs. Bill Morgan and Steve and Lesa.

MR. AND MRS. J. C. Holbrooks visited in Fieldton Thursday afternoon with Mr. and Mrs. Earl Phelan.

Mr. and Mrs. Ronald Henderson and family of Plains, Kan. spent Friday night and Saturday with her parents Mr. and Mrs. J. C. Holbrooks.

Baptist Men met for their monthly meeting at the church Tuesday night.

Baptist Women met for the Bible Study group meeting Wednesday night.

Mr. and Mrs. M. H. Fowlkes and a neighbor of Lubbock visited Friday afternoon with Mr. and Mrs. E. R. Sadler and Mrs. Pearl Sadler, who was

dismissed from Central Plains General Hospital in Plainview last Friday.

MR. AND MRS. Roy Sharp and Mr. and Mrs. Haig Towery of Weatherford spent last weekend with Mrs. Ila Haydon. Mr. and Mrs. Eddie Haydon visited with them for a while one afternoon.

Mr. and Mrs. Alton Loudder and Mr. and Mrs. Milburn Haydon attended the funeral services of Price Hamilton in Earth Thursday afternoon. Mrs. Ila Haydon visited Wednesday afternoon with Mrs. Hamilton and children.

20 of an inch of rain was received Monday and a light frost Monday night. The frost was spotty and did kill the leaves on some cotton fields, leaving others and even tomato plants green.

R. V. Bills was admitted to Plains Memorial Hospital in Dimmitt Saturday morning for tests.

Mr. and Mrs. Bill Morgan went to Wimburton, Okla. over the weekend to visit with relatives and do some work on his late mother's house.

Castro County Country Club

The Ladies Golf Club tournament was held recently with the winners as follows: Championship, Polly Holland; Consolation, Bobby George; First Flight, Ginny Lapins, Consolation, Audrey Shottenkirck; Second Flight, Neva Hickey; Consolation, Dolores Baldrige; Third Flight, Patsy Morris; Consolation, Marge Cleavinger; Fourth Flight, Anita Adams; Consolation, Joyce Rickard; Fifth Flight, Shirley Adams; Consolation, Joan Roberts.

THE LAST Scotch Foursome of this season was held Sunday,

Oct. 20 at 5 p.m. Winners were Johnnie Mason and Polly Holland with low gross, Bob Wesson and Bobby George won second low gross and Bob and Zona Vilas won third low gross. Low net winners were John Roberts and Anita Adams.

Tuesday, Oct. 22 will be regular luncheon day with trophies for both City and Club Tournament to be awarded.

A BOARD meeting was held on Oct. 15 at the home of Deanne Clark, club president. She served a lunch to the 12 ladies present.

Home and hobby

4-H'ers currently busy with foods projects

By IRENE KEATING

The 4-H'ers are busy now with their foods projects. The 4-H Food Show will be held Jan. 18 and is the climax of the foods project.

rules before they leave home. Dusk, the time when most children are out, is particularly hazardous. Remind them: cross only at corners, wait on the curb for the green light, look both ways before crossing, walk on sidewalks, not roads.

4. Urge children to stay in their own neighborhoods where they are known. Tell them to avoid homes that are dark or dimly lit; people who welcome Halloweeners generally leave lights on for them.

5. Never put candle-lit pumpkins outside where they can be knocked over accidentally. If neighbors have placed such jack-o-lanterns outside in the past, suggest they move them to a safer spot indoors. Never use candles in papier mache or plastic pumpkins or other such home decorations.

6. Set a time limit for trick or treating. About one hour is sufficient for ages up to 13. Older children also should be told when to be home. Let them know special refreshments await them when they do get home.

7. Emphasize to the children that they are not to eat any of the goodies they collect until they get home. Examine carefully everything they receive; discard anything unpackaged or with wrappings which seem to have been undone or are torn. Wash and cut fruit into small pieces. Unwrap packaged candies to check each piece.

SINCE IT is only a week until the "spooks" will be out I'd like to share these safety hints with you.

1. A parent should always accompany young children on their rounds. If a group is going out together, a responsible adult should follow to let people know that the youngsters are chaperoned.

2. The "cranks", people who dislike children, are usually well known to the community. Children should be told to stay away from these particular homes.

3. Review pedestrian safety

Home and hobby

[Compiled from the County Home Demonstration Council's Community Birthday Calendar.]

- OCT. 24 — Paula Birdwell Bradford, David Mohon, Edith L. Wilson, Rodney Patton.
- OCT. 25 — Blake Brown, Dorothy Sheffy.
- OCT. 26 — Bill Gregory, Dee Yates, Elsie Lefevere.
- OCT. 27 — David Schaeffer, Bobbi Kirby, Jad Gabriel.
- OCT. 28 — Vicki Smithson, Carla Parks.
- OCT. 29 — Linda Wise, Cecil Ginn, Jerry Cox, E. R. Waggoner, Dondi Hays, Tommy Kellar.
- OCT. 30 — Marlyn Lang.
- OCT. 31 — Lee Cole, Charley Graef.

MR. AND MRS. Milburn Haydon and Mr. and Mrs. John Seiver attended the James Robertson Crusade in Hubcock Monday night. The Haydons attended again Thursday night.

Mr. and Mrs. John Seiver, Billy and Brooke visited in Hereford Sunday and had dinner with Mr. and Mrs. Bill Ott and an aunt and uncle from Oklahoma.

Carl Bradley had fluid removed from his knee Monday due to a fall during the rainy weather or overuse of the leg. He has been confined most of the week.

Mrs. Philip Jones visited in the Hale Center Hospital Thursday afternoon with Virgil Jones who was celebrating his 88th birthday and who has been confined to the hospital several months.

Charlie Hall Jones, Lynn Cox, Gary Squires and Jack Ferguson returned home Saturday night from a hunting trip in Wyoming. Charlie and Gary each got a deer.

Dimmitt's running quarterbacks

WHEN YOU'RE a "Wishbone" quarterback, you're a running back as well as a passer and field general. Dimmitt's alternating quarterbacks, senior Brad Sanders and junior Ronnie Lawson, both played important running roles in the Bobcats' victory over Littlefield in the District 3-AA opener Friday night. Here,

Sanders keeps and races 26 yards to the Wildcats' 14-yard line in the third quarter. This was the longest run in the drive that ended with Dimmitt's first touchdown two plays later, tying the score at 7-7. The Bobcats went on to win, 17-7, after having two touchdowns called back.

RONNIE LAWSON scampers 11 yards for a Bobcat first down at the Littlefield 16-yard line in the fourth quarter of the District 3-AA opener at Littlefield Friday night. This was the second third-down conversion in a row for the junior quarterback in the fourth-period drive that resulted in a Ricky Wright field

goal on the final play of the game, giving the Bobcats a 17-7 conference victory. Several opponents this year have geared their defenses to contain Dimmitt's deadly outside sweeps—only to find themselves trying to catch the Bobcats' running quarterbacks.

Nazareth Farmers hope good weather will remain

By MRS. AGNES BROCKMAN

The weather has been very nice here the last several days and the farmers are all harvesting their crops—or rather, trying to, as some places the ground is quite wet yet and they have been getting stuck out in the fields quite often. We're hoping we'll have good weather yet for a couple of weeks or more. We have had a light freeze, but don't think it hurt the crops very much.

THE CATHOLIC Daughters of America held their annual anniversary celebration Sunday evening. It began with a Mass for the living and deceased members, followed by benediction. A spaghetti supper was enjoyed by some 80 members later and Bunco and cards were played for a couple of hours.

Mrs. Leonard Conrad is spending several days in Colorado with the Leroy Hoelting family. She is helping take care of the new grandchild.

Helen Backus spent a couple of days in Dumas visiting with her son Edmund and family.

The David Ehlys of Amarillo spent Sunday in Nazareth visiting the Leo Ehlys and Vincent Husemans.

LENA ALVES of Rhineland visited with Lizzie Birkenfeld a few hours Sunday.

Mr. and Mrs. Frank Hoelting went to Plainview to visit the Bayard Keys for a day or two. Frank was Darrin's sponsor in Confirmation.

Mr. and Mrs. Tony Gerber, Regina Hoelting and children went to Farwell Sunday to visit the Dennis Gerbers, who moved to Farwell recently.

The FHA members had their annual banquet and dance Saturday night. The community hall was beautifully decorated and a nice crowd attended.

DR. DABNEY Harvey and family from Lubbock and Mr. and Mrs. Roy Spears from Tulia visited in the home of Mr. and Mrs. George Book Sr. Sunday.

Mary Lynn Wilhelm and a couple of her girl friends spent the weekend with her folks the James Wilhelms.

Mr. and Mrs. Ray O'Hanlan and baby of Fort Polk, La. spent the weekend with her folks the Vincent Pohlmeiers. They will be moving to Amarillo in a month after he gets his discharge from the Army.

The members of the Third Order of St. Francis held their monthly meeting Sunday. Mrs. Carol Durepos of Clovis, N.M. made profession in the Order. Spiritual Director Father Chris of Clovis, N.M. conducted the Profession and Conference.

ENJOYING a barbecue supper Sunday evening with the Gene Schmuckers were the Joe Schmuckers, Francis Wilhelms, and Florence Albrachts.

BOOKMATCHES were responsible for an estimated 6,000 injuries in the last half of 1972. These injuries required hospital emergency room treatment. Consumers now have a chance to suggest safety standards to the Secretary of the Consumer Product Safety Commission by this month, according to Lynn Bourland, family resource management specialist with the Texas Agricultural Extension Service, reports.

SOUTH AMERICA exerts a powerful influence upon world fashion trends, predominately in the forms of interesting motifs, designs and fabrics—mainly cotton. Textile exports for Brazil alone have quadrupled the last three years, Mrs. Becky Culp, area clothing specialist, Texas Agricultural Extension Service, reports.

Mayors of area towns will meet in Lubbock

Mayor Roy Bass of the City of Lubbock, as Vice Chairman of the Mayors' National Committee for the Bicentennial, has invited the mayors of the towns and cities of the 26 South Plains counties to come to Lubbock to discuss the involvement of the South Plains communities in the Bicentennial. Mayor Bass will make an address to the group outlining the importance of Bicentennial celebrations.

SEVERAL of the communities have already launched Bicentennial programs, but many have not yet been recognized by the State and National committees. Mayor Bass feels that by meeting together, the South Plains communities can lead the way in Bicentennial observances.

Lubbock was one of the first eight cities in the United States to receive a Bicentennial City designation from the National American Revolution Bicentennial Administration.

The Lubbock Bicentennial Committee, Chairman, Ken-

neth May, and the Lubbock Chamber of Commerce, President, Jack Alderson, are hosting the Mayor's dinner, and the Bicentennial Committee will have representatives present to assist at the event.

MRS. TOM Simmons, of Lubbock, a member of the Bicentennial Commission of the State of Texas, will also speak to the visiting mayors and will have forms available for those who wish to apply to the State for Bicentennial recognition of their towns and cities. She will point out what standards a city or town must meet to receive Bicentennial recognition.

The dinner will be held at the Lubbock Country Club at 7 p.m. Oct. 22. Mayor and Mrs. Bass, Mr. and Mrs. Kenneth May, and Mr. and Mrs. Jack Alderson will receive the guests.

C&S Equipment Co. is John Deere, but it's many other brands, too

If you think of C&S Equipment Co. only as "the John Deere house," you'd better look again.

True, C&S carries the complete line of John Deere products. And John Deere's famous "Long Green Line" has expanded through the years to include a wide range of consumer products—hand tools, power tools, lawn and garden tools and equipment, batteries and lubricants, even bicycles and snowmobiles—in addition to heavy-duty farm equipment.

But John Deere is just one of more than a dozen famous brands of equipment and vehicles offered by C&S Equipment Co.

C&S is also your headquarters for GMC pickups and farm trucks, Pontiac automobiles, Firestone tires, Prestolite batteries, Krause plows and cultivators, Kewanee disk plows, Wood's mowing and shredding equipment, Stanton cultivating equipment, Kelley rolling cultivators, Big 12 Grain Karts and Culti-Packers, Hoeme plows, Roll-a-Cone tractor and combine accessories, Gander trailers, Big Ox three-point blades and chisel plows, Donahue gooseneck grain trailers, and GB front-end loaders.

C&S Equipment Co. is now in its 26th year of service to Dimmitt and Castro County. The company opened its doors Jan. 1, 1949, after the late N. F. Cleavinger bought the John Deere dealership here from Ray Sheffy and Henry Stalcup. Cleavinger had farmed 30 years near Springlake before going into the farm implement business.

The company originally was located on East Bedford Street, where Pat's Electric is today. In 1963, C&S built its present building, the 14,000 sq. ft. structure at 301 SE Second St. Since then, two other service buildings have been added—one for equipment storage and one for set-ups for large machinery repair.

The company operated as a partnership until N. F. Cleavinger's death in 1970, then was incorporated in January 1971. Officers of the corporation are Jim Cleavinger, president and service manager; M. E. Cleavinger, vice-president and parts manager; and Goldman Dyer, secretary-treasurer and sales manager. All three men were raised on farms and are familiar with the specialized equipment needed for our area's diversified farming.

Other members of the C&S staff are Bob Myers, sales; Ronald Rickert, Cary Jackson and Howard Grand, service; Ramon Gonzalez, service helper; Joe Dee Johnson and Mark Cleavinger, parts; Weldon Jones, parts helper; Raynaldo Garcia Jr., N. M. Gauna, Juan Martinez, Ernest Alvarado and Veliciano Balderas, set-up; Isidro Zarazua, driver; and LaDeene Carmichael and Jo Kirkpatrick, bookkeepers. Tommy and Jimmy Cleavinger work part-time, after school.

John Deere is the main line at C&S Equipment Co., but there's also a big team of famous-brand, specialized products to go with the John Deere line—and a large staff of service people to keep it operating at peak efficiency.

Here are the John Deere Disks many farmers have been waiting for—the 220 and 230 Power-Flex disks. The 220 and 230 are the first disks from John Deere with hydraulic fold. These two models, along with the heavier 330 Power-Flex disk, offer wide-span flexibility in the field plus convenient control for narrow transport. The 2-section 220 and 3-section 230 provide Level-Action disk in rough and rolling fields.

MRS. PERRY DON O'HAIR
... The former Lesa Morgan

O'Hairs at home after Oct. 12 wedding vows

Mr. and Mrs. Perry Don O'Hair are at home following an Oct. 12 double ring wedding in the Sunnyside Baptist Church.

GARY Schwantz performed the ceremony before an altar decorated with an archway entwined with red satin ribbon interspersed with daisies and fern complimented the red satin bows. Candelabra were placed on each side of the archway and a memory candle flanked by red candles and red satin ribbons was placed at the side of the rostrum.

The bride, the former Lesa Morgan, is the daughter of Mr. and Mrs. Bill Morgan of the Sunnyside community and the groom is the son of Mr. and Mrs. Robert O'Hair of Earth.

Given in marriage by her father, the bride wore a gown of white peau-de-soie bridal satin, styled with an empire waist and trimmed in white bridal lace with round scooped neckline. The full length sleeves were of sheer white illusion, styled in three bell puffs, accented by lace inserts between each bell and banded with white lace on the cuffs. She wore a Juliet-type bridal cap with elbow length veil outlined with small pearls and decorated in lace with a white velvet bow in back, and carried a nosegay of

red carnations intermingled with daisies tied with red streamers.

Matron of honor was Mrs. Travis Deering, sister of the bride, and attendant was Mrs. Roy Turman. Flower girl was Rhonda Waddell and candlelighter was Sylvia Nino.

The attendants, flower girl and candlelighter wore identical floor-length red satin dresses.

BEST MAN was Ricky Byers of Sunnyside and groomsman was David Templeton. Ring bearer was Tony Waddell and ushers were Travis Deering and Bill Schrantz.

Music was provided by Mona Brockman, Mary Beth Ramaekers, Tricia Gerber, Analeen Venhaus and Noreeen Klemm of Nazareth.

A reception was held in the fellowship hall of the church. The serving table was covered with a white cloth with a white floor length overlay decorated with a white cloth with a white floor length overlay decorated with red bows at each corner. The table was centered by a traditional four-tiered wedding cake decorated with white daisies with yellow centers, bordered by miniature rose buds and topped with a bride and groom.

Servers were Brenda Seely, Diana Saenz and Deana Fangman. Guests were registered by Mrs. Bob Cleavinger.

FOR THE wedding trip the bride wore a floral print dress in varying shades of red on beige background, styled with wide butterfly sleeves and elastic empire waistline with eyelet trim on the neckline and sleeves.

The groom operates a farm near Lazbuddie and the bride is a graduate of the Plains Memorial Hospital LVN school here

MISS CAROLINE SPINHIRNE
Couple planning
Dec. 7 wedding

Mr. and Mrs. Walter Spinhirne of Dimmitt announce the forthcoming marriage of their daughter, Caroline Mary, of Dallas, to Steven Charles Bezner of Fort Worth, son of Mr. and Mrs. Ralph Bezner, also of Fort Worth.

VOWS WILL be exchanged Dec. 7 at St. John the Apostle Catholic Church in Fort Worth.

Miss Spinhirne, a graduate of Hereford High School and West Texas State University, is a case worker with the Texas Welfare Dept. in Dallas.

Bezner is manager of Champion Tire Store in Fort Worth. The couple will make their home in Fort Worth.

Miss Simpson, Thomas K. Dixon exchange nuptials here Oct. 12

Mr. and Mrs. Thomas Keith Dixon are at home in Dimmitt following an Oct. 12 wedding in the First Presbyterian Church. Rev. Ed Manning, pastor, officiated at the double ring ceremony.

THE BRIDE, the former Lisa Ann Simpson, is the daughter of Mr. and Mrs. M. L. Simpson Jr. of Dimmitt and the groom is the son of Mr. and Mrs. Doyle Dixon of Odessa.

The ceremony was read before an altar decorated with white gladiolas, red carnations and spiral candelabra holding red candles and greenery.

Given in marriage by her father, the bride wore a formal gown of white organza over taffeta. The gown was worn by the bride's sister Patty at her wedding. The short veil was attached to a Juliet cap of heavy cotton lace. She carried a cascade of white roses edged in red on a white Bible, a gift of Mrs. Jerry Cluck.

Maid of honor was Nancy Robertson and bridesmaids were Carolyn Andrews and Patty Hill, sisters of the bride. They wore dresses of red crepe and carried nosegays of white mums edged in red.

BEST MAN was Larry Beard of Odessa, and groomsman were Tom Stewart of Odessa and Dick Hill of Hereford. Ushers were Mark L. Simpson, Bill Sanders, Brent Sanders, brothers of the bride and Jeff Connors of Odessa.

Candlelighters were Ann Welch and Delese Kay. Ring bearer was Kyle Andrews, nephew of the bride, and flower girl was Angela Streun, cousin of the bride. Registering guests were Jaci Johnson and Dana Lippard.

Organist was Dwight Joiner

MRS. THOMAS KEITH DIXON
... The former Lisa Simpson

and soloist was Gene Streun who sang "Twelfth of Never" and "Whither Thou Goest".

A reception was held at the Castro County Country Club. The bride's table was covered with a white cloth and a bouquet of white daisies and red carnations with red tapers.

Serving were Robbie, Jill and Lou Ann Dixon of Odessa, the groom's sisters, and Jaci Johnson and Dana Lippard.

For the wedding trip the bride wore a red and white dotted dress with white accessories and a white rose corsage. The couple is at home at S & K Manor.

The bride is a 1974 graduate of Dimmitt High School and attended summer school at West Texas State University. The groom is a 1973 graduate of Odessa High School and is employed by C Bar Ranch as a horse trainer.

Maxwell is named Anthony's manager

Leroy Maxwell is the new manager of Dimmitt's C. R. Anthony Co.

HE COMES to Dimmitt from Crane, where he managed a C. R. Anthony store for 3½ years.

Maxwell, 28, succeeds Jim Day, who was named manager of a large new Anthony store in Lewisville after serving three years as manager of the Dimmitt store.

A native of Muleshoe, Maxwell joined C. R. Anthony Co.

LEROY MAXWELL

Patrol checks 17 September mishaps

The Texas Highway Patrol investigated 17 accidents on rural highways in Castro County during the month of September, 1974, according to Sergeant J. R. Smith, Highway Patrol supervisor of this area.

THESE crashes resulted in one death and seven injuries.

The rural traffic accident summary for this county during the first nine months of 1974 shows a total of 80 accidents resulting in two persons killed and 47 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September, 1974, shows a total of 471 accidents resulting in 17 persons killed and 213 persons injured, as compared to September, 1973 with 601 accidents resulting in 24 persons killed and 364 persons injured. This was 130 less accidents, seven fewer deaths and 151 fewer injured in 1974 at the same period of time.

The 17 traffic deaths for the month of September, 1974, occurred in the following counties: two each in Lipscomb, Moore, Parmer, Haskell and Parker; and one each in Castro, Deaf Smith, Hartley, Oldham, Randall, Hale and Lamb.

SOME vegetables, especially tomatoes, develop a metallic taste from a chemical reaction of the food to the lining of an opened can. It's unpleasant, but harmless, Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, notes.

YOU WHO think you know it all are very annoying to those of us who do.

TOP YOUNG SCHOLARS in Dimmitt High School were initiated into the National Honor Society in ceremonies Sunday afternoon. Here, NHS Chapter President Steve Myatt [right] leads the initiates in the honor society membership pledge. Other installing officers were Cindy Dyer, Cliff Parker,

Susan Wise, Lance Loudder, Kim Miller, Melanie Dowell and Cindy Ringo. On hand for the installation were more than 20 NHS members and 40 adults. Chapter Sponsor Avis Smith said this was the largest group of honor society initiates in years.

DPS training school schedules new session

A training school for 110 new State Troopers with the Texas Department of Public Safety will start Feb. 11, 1975 Major C. W. Bell, Regional Commander, announced.

"WE HAVE several new benefits to offer qualified applicants," Bell said. "For instance, the pay during training is \$651 per month. Upon commission this salary is increased to \$743 per month; after six months of law enforcement duty this is elevated to \$768 and further advanced to \$820 upon completion of twelve months' law enforcement experience.

"Also our selection methods are more liberal, and qualified female applicants are now being accepted for the uniformed services of the DPS. In addition, the Department has been increasingly successful in hiring persons from minority groups."

To qualify for employment in the uniformed services of the DPS, an applicant must be between the ages of 20 and 35; good moral character; excellent physical condition; weight proportionate to height; visual acuity of 20/40 correctable to 20/20; a citizen of the United States; and have a minimum of sixty semester college hours.

"Among the many benefits that troopers enjoy," Bell pointed out, "are two weeks

On the go

Mr. and Mrs. A. W. Bates and Mrs. Virgil Nowles and daughter Tanya of Muleshoe visited Mrs. Leona Rothwell at South Hill Manor here Sunday.

THE ELECTIONS in England have affected the Texas cotton crops. "Howell's Cotton Letter" reported recently that announcement of the English election caused Liverpool and other English spinners to delay making further cotton purchases.

RAIN AND cool weather in the 25-county area around Lubbock have brought about a further decline in prospects for the 1974 cotton crop.

Hart board okays three-year program

Members of the Hart school board recently approved a three year graduation program for students in Hart schools who are two or more years older than their classmates.

UNDER THE new policy, the three year program will be available for students 16 years of age or before the first day of September when they enter the ninth grade.

Board members accepted a low bid of \$1,335 for all school vehicles from Charles Black of Hi-Plains Insurance.

The board also voted to take a tax suit on personal taxes on cattle belonging to Fowler McDaniel for 1971 and 1972 to the Texas Supreme Court.

US agriculture affects world food production

What goes up must come down, or so the story goes. And that's how the agricultural situation shapes up. Led by declines in agricultural production in the United States, world production of food and fiber will be down during the current fiscal year after record levels a year ago.

"A DECLINE in grain production will be the main reason for this world situation although livestock and cotton production are expected to be up slightly," points out Charles Baker, economist for the Texas Agricultural Extension Service.

In the United States grain and cotton production will be down sharply while livestock production will generally hold steady. Due to the reduced production levels, crop prices for 1974 will average 6 percent lower. Prices received for all farm products in the US are expected to average about 8 percent higher than last year, notes Baker.

However, he hastens to point out that net farm income in the US is expected to decrease just over \$5 billion from the record \$32.3 billion of last year, due mainly to an expected \$12 billion increase in production expenses.

Although cash receipts from agricultural products will be up about \$7.5 billion in the US, it's another story in Texas," says Baker. "Cash receipts are expected to be down more than \$1.5 billion from the record \$6.5 billion last year. Almost all of that drop is due to price declines in the livestock industry."

TAKING A look at the export situation, the economist points out that the total volume of agricultural exports may decline as much as 25 percent during the current fiscal year. This is due mainly to anticipated declines in exports of wheat, feedgrains and cotton. The total value of US agricultural exports is expected to be about \$20 billion compared to the record level of \$21.3 billion last year.

Where does all this leave the farmer and the consumer?

The average increase in prices to the farmer for food products will be only 5.5 percent while the increase in the farm-retail spread will be 21 percent higher than last year. Consequently, the consumer will face about a 15 percent average increase in the overall food bill although this is one percent less than last year.

Grain agreement signed with Norway

The Norwegian Grain Corporation, Statens Kornforretning, Oslo, Norway, has announced the signing of a three-year grain trading agreement with six US grain exporting firms.

THE AGREEMENT was signed Oct. 16 in New York City by Norwegian officials and the US exporters.

Among witnesses for the signing were officials of the US Department of Agriculture, Great Plains Wheat, Inc. and the US Feed Grains Council, represented by its chairman, Elbert Harp of Lubbock.

Harp is also executive director of Grain Sorghum Producers Association and the Texas Grain Sorghum Producers Board, both headquartered in Lubbock.

The three-year agreement, which becomes effective Oct. 1, 1975, represents a sale of at least 500,000 tons and a maximum of one million tons.

in his hometown a year after his high-school graduation. He rose to the assistant manager-ship at Muleshoe before being promoted to manager at Crane.

WHILE IN Crane, he met and married Linda Thackeray, a graduate of Crane High School and Dallas Christian College. Mrs. Maxwell holds a degree in Christian education and is also an artist.

The Maxwells are members of the First Christian Church. Maxwell also was a volunteer fireman at Crane, "and I plan to join one of the civic organizations here after we get settled," he said. His hobbies are hunting and spectator sports.

Mr. and Mrs. Maxwell are living at 302 SW Fifth St.

WHEAT seeding in Texas is estimated at 55 percent complete and oat planting at about 30 percent.

Here are week's best food buys

Beef is plentiful for now, and there are real bargains on some featured cuts—more often round steaks and steaks for broiling, one observer said this week.

"LIVER continues to be a good value, and chuck cuts also are featured," Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, noted.

"Egg supplies are down a little from last year with prices some higher, while fryer prices are about the same as last week."

At fruit and vegetable counters, grapefruit and squash are two headliners.

"TEXAS grapefruit is gaining prominence with prices slightly lower than oranges, and squash is plentiful—with hard-shelled winter varieties taking the place of soft-skinned summer squash.

A sharply larger crop of dry beans and peas is expected, and prices should continue their current downward trend, Mrs. Clyatt predicted.

In selecting pumpkins this month, choose those heavy for their size. Rind should be hard and free of bruises or blemishes. Extra-large pumpkins may have stringy, coarse flesh with less flavor than small or medium sizes, the specialist said.

Additional fruit and vegetable economy centers on apples, grapes, dry yellow onions and potatoes. Also cabbage, carrots, broccoli, turnips, rutabagas, collards, mustard and turnip tops. Cranberry supplies are improving.

CONSUMER WATCH-WORDS: This is apple month—select them according to use.

Red Delicious are best eaten raw, while Yellow Delicious and Jonathans are good either raw or cooked.

A COMPANY is known by the men and women it keeps.

Grain official urges contract purchasing

Livestock producers and other grain buyers should contract now while supplies are adequate to meet their demand, according to officials of the Grain Sorghum Producers Association.

ELBERT HARP, executive director of the national organization headquartered in Lubbock, said, "We do anticipate a very tight grain situation throughout the coming year. But at the same time, there should be no problem securing the amount needed."

The GSPA official recommended that the harvest season would be a good time to contract for grain supplies. He emphasized that contract means "booking" for later delivery and that it is not always necessary to make full payment for the grain at the time the agreement is made.

He also pointed out that grain may be contracted for later delivery either at prices fixed at the time of the contract agreement or at prices based on the market at the time of delivery.

"We continue to encourage grain sorghum producers to distribute their sales during the year," Harp said. "And it is possible to contract with livestock producers for grain supplies to be delivered throughout the year. This type of orderly marketing benefits both the producer and the buyer."

GSPA OFFICIALS also urge domestic consumers to take the first opportunity to purchase existing grain since the supply is available to any buyer, foreign or domestic.

Reduced grain supplies were the result of prolonged drought, followed by excessive rains and early frost on the High Plains.

Newest FmHA program exceeds expectations

J. Lynn Futch, State Director, Farmers Home Administration, Temple, has announced the promotion of Ormel I. (Jack) Boyd to Chief, Business and Industrial Programs (B&I). Boyd has served as B&I Specialist for the past year, assisting with implementation of new guaranteed loan authorities assigned to FmHA by the Rural Development Act of 1972, Public Law 92-419.

ACTIVITY in the new program of providing loan guarantees to aid in business and industrial development in towns and cities of up to 50,000 has exceeded expectations according to Futch. He noted that eight conditional commitments to guarantee loans of \$29.2 million were authorized in the past fiscal year. Since July 1, 1974, ten commitments for \$1.6 million have been issued. Futch said fifty-eight requests for loan guarantees of \$16.6 million are presently being evaluated or applicants have been advised to complete formal applications for final feasibility determination.

Boyd has been a member of the State Director's staff since 1968, serving as Community Programs Specialist until 1973. He completed twenty years federal service in 1974. All his service has been with FmHA except for military duty in World War II. Boyd was FmHA County Supervisor in Seguin, Guadalupe County from 1959 to mid-1968. He received special recognition in 1967 for his work with rural groups and communities on rural water systems. During 1957-58 he served as Assistant County Supervisor in Richmond, Fort Bend County. Prior to employment with FmHA, Boyd taught vocational agriculture for eight years.

Boyd is a graduate of Texas A&M University and holds BS and MS degrees in Agriculture Education. The new Chief, B&I Programs, is a native of Chilton, Falls County. He and his wife, the former Marjorie Beasley of Trent, Taylor County, have two sons, Don, a senior Aggie Band member at Texas A&M, and Alan, a freshman at Tarleton State University, Stephenville.

Auxiliary sponsors "Awareness Week"

Members of the VFW Auxiliary throughout Texas are sponsoring a "Parent Awareness Week" on drug abuse Oct. 21-27.

ALL Auxiliary members will be working simultaneously throughout the state conducting and sponsoring drug abuse seminars.

For several years the VFW has made "drug abuse" one of its nationwide projects. The VFW is endeavoring to educate the youth, parents and general public to the seriousness of abusing the use of drugs. Drug abuse seminars have been conducted throughout the nation under the sponsorship of the VFW and Ladies Auxiliaries.

What's cooking at the schools

HERE ARE the school lunch menus for Dimmitt Schools for Oct. 28-Nov. 1.

Monday — Chicken pot pie, cabbage salad, fruit and milk.

Tuesday — Cheeseburgers, pork and beans, lettuce, onions, and pickles, banana and milk.

Wednesday — Beef stew with vegetables, pineapple circles, cake with icing, cornbread, crackers and milk.

Thursday — Pork patties with gravy, mashed potatoes, broccoli, jello, rolls, butter and milk.

Friday — Tamale pie, tossed salad, ranch style beans, fruit pudding, butter, bread and milk.

On Wall Street

By Bob Hill

Lentz, Newton & Co.

The course of the economy through the winter months has already been shaped by the steps taken by the Federal Reserve last spring and summer. The economy over the past five years is likened to a large ship, traveling at top speed. It takes time and a lot of distance to

bring her to a halt or a sharply reduced speed. Our economy is massive and highly complex. Any economy which has had roaring inflation and a shortage, even a sharp restriction, of credit at the same time has a lot of steam. The critical problem for the Federal Reserve is to make sure the use of money and credit in the war against inflation isn't too restrictive, causing a recession. In fact, Federal Reserve Chairman Burns has stated recently before Congress that our economy is in a recession. What makes it unique is that we have a healthy case of inflation along with it. Just be thankful that this country has a Federal Reserve System. No other country in the world has a central bank which functions quite like it or which has been nearly as successful in discharging its responsibilities. If any single influence has worked to thwart its effectiveness, it is the Congress.

GSPA executive praises farmers

Elbert Harp, executive director of Grain Sorghum Producers Association, has praised farmers for "keeping cool" under the potential panic situation caused by the recent halt of proposed grain exports to Russia.

IN spite of being alarmed by the sudden postponement of Russian grain shipments, producers remained calm and avoided the panic situation, Harp said.

"The natural reaction would have been to rush the market before prices dropped," the GSPA executive director said. "The president's announcement definitely created an unstable grain market situation temporarily, but the grain market is now beginning to restabilize."

Speaking on behalf of the Lubbock-based national organization, Harp continued, "We feel that the market will rebound fairly rapidly within the next few days. It appears that the overall effect of the Russian grain purchase will be bullish in the long run because of the additional demand in the world market place for available grain."

Harp commented he was pleased to see prices rebounding as anticipated, and added that "while they may take a few days to get back to prior levels, the recovery should be rapid and we should see even stronger markets in the future than we have seen yet."

THE POSTAGE increase not only covers delivery but also covers storage.

WHETHER YOUR CROP IS **STANDING** or **DOWN**

HESSTON ROW HARVESTERS

are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining...enough in fact, to more than pay for one quickly.

Easy Adjustment Matches Row Harvester To Crop Conditions

Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.

Noses Open Wide for Standing Crops Use Narrow Nose Opening for Down Crops

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.

Olton, Friona to clash in 3-AA showdown Friday

By BILL ELLIS

Olton and Friona clash Friday in the key game in District 3-AA. There is a key game every week in the district, but the Mustang-Chieftain fray at Friona could have more than an incidental bearing on the championship chase.

THE CHIEFS take a 6-0 record into the contest. Olton's 6-1 record was marred only by a 28-16 loss to potent Floydada, far from a disgrace in anyone's books.

The survivor of the Olton-Friona clash will be left as the main challenger to Dimmitt, the other top-rated 3-AA outfit. The Bobcats had to turn on some second-half heroics to pull out a 17-7 decision over defending champion Littlefield last Friday. The host Wildcats caused some raised eyebrows by holding a 7-0 lead at half-

time and a 7-7 tie 4:52 into the final quarter.

"They just had too much talent for us. They beat us pretty badly in the stat department, but we managed to hang close," said Wildcat coach Jerry Blakely. "Even without Mayberry, Dimmitt is a good team. With him, they are a great team," Blakely said.

Mayberry scored the go-ahead TD with 7:18 left in the game. The Dimmitt speedster had two other apparent scores called back.

OLTON set up its match with Friona by rolling past Morton, 27-7. Glenn Johnson and Mark Stroebel each scored a pair of touchdowns to pace the Mustang win.

The Mustang defense turned in another stellar performance. It has limited seven opponents to only 693 total yards this season, less than 100 yards per

contest, and the Mustangs have played some respectable teams.

Friona, in its last tune-up game while the other district members were knocking heads, rolled past Abernathy, 28-18 for their sixth season win.

The Chiefs gave up more points than they had in their first five games combined, and even found themselves trailing the Homecoming hosts at Abernathy. However, Friona was playing without two starting linemen out with sprained ankles, and this hurt the team's poise.

Rites conducted for Perales infant

Funeral services were conducted last Wednesday at 2 p.m. for Monica V. Perales, seven-month-old daughter of Mr. and Mrs. Leopold B. Perales Jr. of Dimmitt.

THE BABY died Oct. 14 in Lubbock's Methodist Hospital. Requiem Mass was conducted in the Immaculate Conception Church of Dimmitt by Rev. Raphael Chen, pastor.

Burial was in Castro Memorial Gardens, under the direction of Dennis Funeral Home.

NAME ADDRESS

Ruth Ringo wins first in grid guessing game

The ladies have apparently discovered the secret of predicting football games, as they stepped to the front for the fourth straight week in the Dimmitt Athletic Booster Club's football contest.

RUTH RINGO took first

place in last week's contest as she picked 13 of 14 games correctly to lead the 36 contest entries.

June Sutton picked 12 games correctly and was eight points off the tiebreaker score to take second place.

Shirley Adams and Polly Simpson also picked 12 games correctly, but both were 23 points off the tiebreaker score. Everyone but M. L. Simpson Jr. picked Floydada over Lockney as nine contestants picked 11 games correctly.

Jeannette Hampton widened her lead in the race for the grand prize of two tickets to the Cotton Bowl with 72 correct picks for the season. Mike Bryant came from three games back to tie Suzan Sanders and Edna Follis with 69 correct picks for the season.

Gregory to play forward for LCC

Bill Gregory, son of Mr. and Mrs. Bill R. Gregory of Dimmitt, is beginning his first season with the Lubbock Christian College Chaparrals.

GREGORY, a 1974 graduate of Dimmitt High School, is one of four freshmen on the squad. Gregory is 6'5" and will play forward for LCC.

Gregory is majoring in dentistry and is active in Tomo Dachi social club.

LCC begins its fourth cage season as a senior college November 18 against New Mexico Highlands in the LCC field house.

Here's Hart's school menu

HERE ARE the school lunch menus for Hart Schools for Oct. 28-Nov. 1.

Monday - Meatballs and spaghetti, blackeyed peas, mixed greens, peaches, cornbread, milk and butter.

Tuesday - Chicken pot pie, buttered mixed vegetables, green salad, peanut butter cake, oatmeal rolls, milk and butter.

Wednesday - Sloppy Joes on homemade buns, baked beans, tossed salad, buttered rice and milk.

Thursday - Barbecued broomsticks, ghost potatoes, haystack salad, jack-o-lantern pie, spook rolls, witches brew.

Friday - Fried fish, tartar sauce, green beans, buttered corn, apple cobbler, yeast rolls, butter and milk.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX

Betty Boothe had as her guest reviewer at the Dimmitt Book Club last week Dr. Sue Park, an instructor with the Department of English at West Texas State University. Dr. Park reviewed Joseph Blotner's "Faulkner", a biography of the well-known novelist. When Dr. Park and her husband visited in Oxford, Miss. last summer they made some slides concerning this book, which she showed along with the review.

"IN THE Presence of Mine Enemies" by Howard and Phyllis Rutledge with Mel and Lyla White and illustrated by Gerald Coffee, a fellow POW, is a heroic story of a former POW and his wife and the faith that sustained them. In 1965 Captain Howard Rutledge parachuted into the hands of the North Vietnamese when his fighter plane exploded under heavy anti-aircraft fire. For seven years Howard and his wife Phyllis faced the loneliness of separation... the misery of not knowing... Here is the personal story of two people whose faith and love sustained them through a horrible, seven-year nightmare. Captain Rutledge recounts his experiences in enemy hands from the moment of his capture by a vengeful group of North Vietnamese villagers to the moment of his release. He describes the repulsive conditions of the prisons where he was held, including the notorious "Hanoi Hilton"... the brutality of prison guards and

BIGGER and better pensions have prompted many to take early retirement—making room for the expanding younger work force. In January, 1974, over half the retired workers who were collecting social security benefits were under 65 years of age. Lynn Bourland, family resource management specialist with the Texas Agricultural Extension Service, notes.

things to be thankful for even in the midst of torture and deprivation.

WE ARE continuing to have a good group for the Children's Story Hour. Last Friday I read several stories to 22 boys and girls and Shirley Schacher and Lynette Rials helped with the serving.

More donating books: Gladys Kenworthy, Lola McDaniel, Peggy Raper and Betty Allsup. Dorothy Wright brought another plant to the library for everyone to enjoy.

bob bullock democrat / comptroller

Bob Bullock is the overwhelming choice of Texas Democrats for Comptroller. He won the primary election with 76 per cent of the vote.

Bob Bullock is a tough-minded, straight-talking lawyer. He was described as "the best Secretary of State that Texas ever had."

Bob Bullock knows Texas government from one end to the other. He has proven himself in public service.

Two of five TD's count as Bobcats win 17-7

By JIMMIE CHAPMAN

The Dimmitt Bobcats had two touchdowns called back and were stopped once at the one-foot line on another apparent TD Friday night at Littlefield, but after trailing 0-7 at halftime, came back and defeated the defending district champion Wildcats 17-7 in the lid-opener in district play for both teams.

IT WAS the first win over Littlefield for the Bobcats since 1970, when the Cats came out with a 13-0 victory. The Wildcats took a 34-3 victory in 1971, won 21-2 in 1972, and eked out an 18-15 victory last year.

Ricky Wright got a little personal satisfaction when, on the last play of the game, he booted a 28-yard field goal to end the scoring. Last year at almost the same spot on the field with about the same

amount of time left he was denied the try for the field goal that would have given the Bobcats the game on penetrations. Three officials overruled the head linesman and ruled that Dimmitt did not have a time out as they had been told earlier. Wright was a mighty happy boy Friday night when the game ended on his boot.

On the other hand, in Robert Mayberry's case it was a bitter pill to take. On Dimmitt's first possession the Cats moved from their own 30-yard line to the Wildcat 4, where on fourth down Mayberry plunged into the line for an apparent touchdown, but the official ruled that he was not over and the Wildcats got the ball at the one-foot line. Dimmitt held and Mayberry fielded the punt on the 35-yard line and raced for another apparent touchdown. It was called back as Dimmitt was penalized to midfield. Again in the final period Mayberry swept the right side of the line behind good blocking and ran 18 yards for an apparent TD, but again it was called back. The disheartened halfback did not give up and got the privilege of scoring the go-ahead score midway in the final period on a 1-yard smash over right tackle.

The Bobcat defensive line that gave up 412 yards last week to the Lockney Longhorns turned the Wildcats inside-out and allowed only two first downs the whole contest, those coming on Littlefield's first possession and on a 74-yard touchdown pass to Bill Turner in the second period. After that Littlefield could not get a first down against the fired-up defense. Littlefield ran only 26 plays all night, thanks to the offensive line that opened up the holes and let the Bobcats control the game.

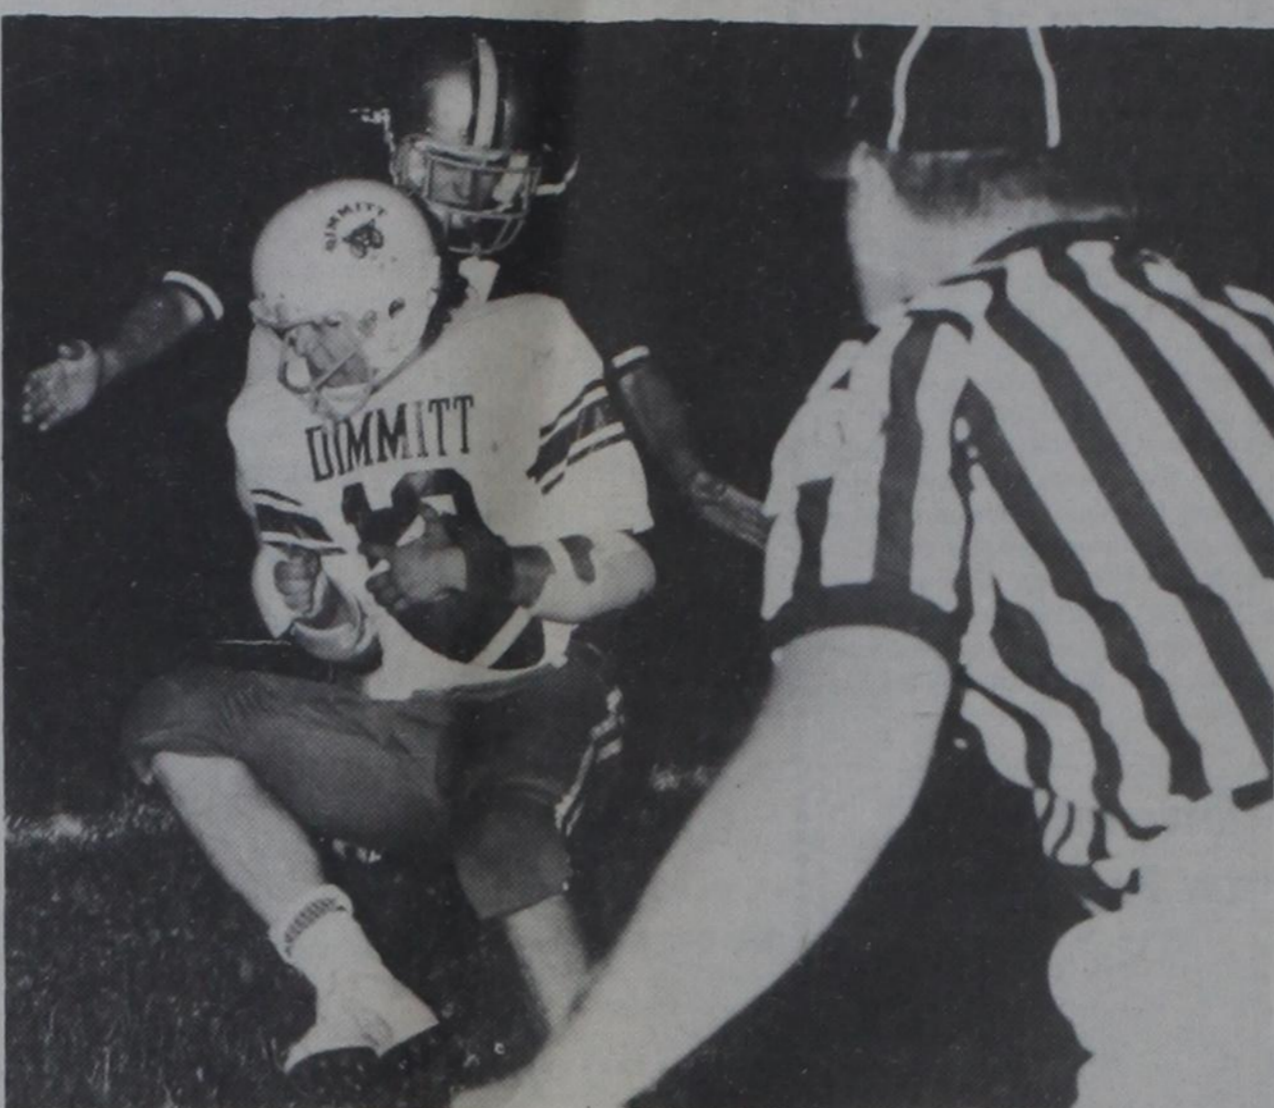

DEFENSIVELY the Bobcats made a great team effort. Offensively tackles Larry Duke and Ricky Wright, guards Shannon Truelock and Harold Love, ends Robert Calhoun and Travis Hampton and center Lance Louder did a fine job of opening up holes for the running backs. Mayberry and Gene Veals blocked well for each other along with fullback Robert Horton.

The first quarter was scoreless, although the Bobcats completely dominated the period, being stopped once at the one-foot line and then having the 35-yard punt return called back. Littlefield's highly-touted back, Bill Turner ran with the ball five times out of the eight plays that the Wildcats ran. Turner also did the punting for the Wildcats and punted a total of six times during the game for 214 yards.

Cole selected as social club member

Lee Cole, son of Mr. and Mrs. L. V. Cole of Dimmitt, has been selected to be a member of Koinonia men's social club at Lubbock Christian College. COLE, a 1974 graduate of Dimmitt High School, is a freshman Bible major. Koinonia is one of five men's social clubs at the college.

TEXAS upland cotton production for 1974 is expected to decrease more than 1.5 million bales from 1973 totals.

HE'S GOT IT!—Dimmitt split end Travis Hampton Jr. falls to the turf at the Littlefield 11-yard line after snaring a nine-yard pass from Ronnie Lawson in the final minute of Friday night's District 3-AA opener. In background, a Littlefield player closes in to keep

Hampton from getting out of bounds and stopping the clock. On the next play, halfback Robert Mayberry ran to the Littlefield 9, then kicking specialist Ricky Wright connected on a 26-yard field goal on the final play to give Dimmitt a 17-7 victory margin.

In the second period the Bobcats almost got on the score board when Ronnie Lawson hit Travis Hampton in the end zone with a pass, but the split end was bumped by the defender and the pass went incomplete. The Bobcat drive was stopped at the Littlefield 26-yard line.

On first down quarterback Ronald Parmer threw a long pass to Turner down the right sidelines. Hampton had the running back covered and was playing for the interception. The ball went through Hampton's hands into Turner's. He swept into the end zone for the first score of the game—a 74-yard scoring pass.

TURNER, Mr. Do-It-All, booted the extra point and Littlefield had a 7-0 lead with 4:57 left in the first half. Following the kickoff the Bobcats moved from their own 39-yard line to the Littlefield 15-yard line on runs by Veals and Horton. Stanley Patterson intercepted a Brad Sanders pass intended for Hampton at the Littlefield five to stop Dimmitt's threat and the half ended with the Wildcats holding a surprising 7-0 lead, but only two first downs. These were to be Littlefield's last, as they never threatened again in the game.

The second time the Bobcats got the ball in the third period they started their first scoring drive from their own 26-yard line. In nine running plays Dimmitt moved the ball to the Wildcat 1-yard line. Mayberry and Veals alternated carrying the pigskin to get it to the 14 and then Mayberry sprinted to the one. Brad Sanders kept on the quarterback sneak and went in for the score. Wright kicked the extra point and the game was tied at 7-7. At this point Littlefield had two first downs and one penetration, compared to Dimmitt's five penetrations and 11 first downs with 3:30 left on the clock in the third period.

but after he hit Hampton with a pass that was good for nine yards at the Littlefield 11 there were only four seconds left. Coach Deane Wright was not about to take away Wright's chance for the field goal. Wright kicked it through the uprights and the game was over with the Bobcats getting a 17-7 district victory.

Littlefield's whole offense was halfback Bill Turner. He carried the ball 17 times and gained 47 yards on the ground. He caught two passes, one the 74-yard TD and another good for 8 yards. This gave Turner a total of 121 yards of the Wildcats' total of 146.

MAYBERRY was Dimmitt's leading gainer, carrying the ball 24 times, gaining 123 yards for the night. Travis Hampton came in second with four pass receptions good for 80 yards. Veals carried 14 times for 54

yards. Lawson 8 for 59 yards, Horton 6 for 30, Sanders 6 for 41 and Thompson Mayberry twice for three yards.

The Bobcats will have an open date Friday before playing host to the Morton Indians Nov. 1.

GT is here! with a G-T dryer... you can reduce field losses and improve grain quality!

GT TOX-O-WIK CONTINUOUS RECIRCULATING GRAIN DRYERS

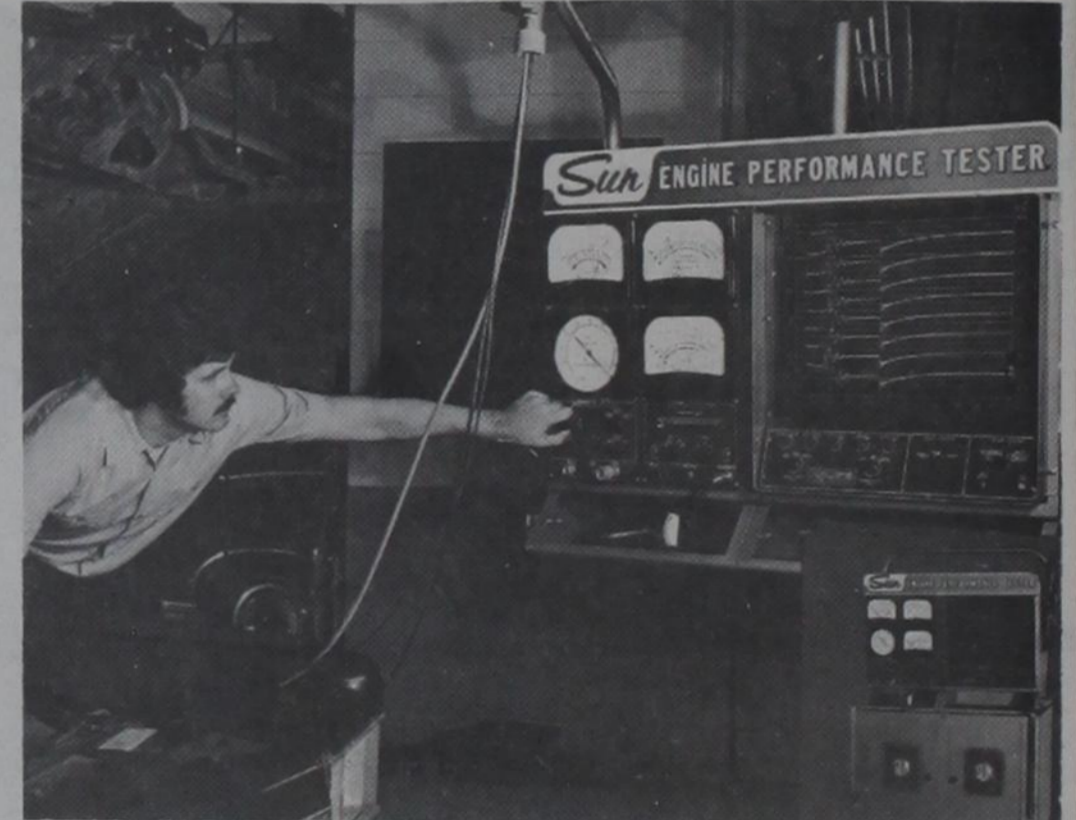

G-T DRIES GRAIN FASTER AND MORE ECONOMICALLY!

G-T Dryers will help you save far more grain and have better quality grain than other methods. You have field losses of at least 5 per cent while waiting for grain to field dry after it matures even if weather is ideal. During this waiting period, you can have losses up to 100 per cent from wind, hail, rain, snow, insects, birds, lodging and other hazards. Low harvest-time prices for grain too wet to store can cost you plenty too. When you have a G-T Dryer, you prevent field loss and improve grain quality for a much smaller investment. You dry faster and dry automatically so you can continue harvesting as you dry. Come to see G-T soon at our place!

Hill paces Horns to 27-7 loop win over Kress

By PAT STEIERT
The Hart Longhorns got back in the winning column in a big way Friday night as they took a 27-7 win over the Kress Kangaroos at Kress. It was the first conference game of the year for Hart.
THE LONGHORNS unleashed their well-balanced running attack and ended the game

with over 400 yards offensively. Fullback Terry Hill turned in a sparkling performance offensively to pace the Horns as he amassed 118 yards and three touchdowns on 22 carries for an average of over five yards a crack. Hill simply would not be stopped short of the needed yardage as he dragged tacklers with him on numerous carries, getting yardage the hard way over the middle.

Randy Finch piled up 105 yards in 15 carries as he turned in one of his finest running performances of the year and Gilbert "Rod" Rodriguez amassed 87 yards on 16 carries before leaving the game with a hip-pointer late in the first period. Barry George tallied a TD for the Horns as he was on the receiving end of a 40 yard bomb from brother Danny George.

Lance McClendon's six yard TD run provided the only score for the Kangaroos.

DEFENSIVELY the Maroon Gang destroyed the Kangaroo ground attack and sacked the Kress quarterback on numerous occasions. The Kangaroos were held to 86 yards offensively as the entire Longhorn defensive unit turned in an outstanding performance.

The Horns took the opening kick on their 8 and Kerry George returned it to the 23. From there, the Maroon Machine cranked out a 71 yard drive to the Kress 6 behind the power running of Hill, Finch and Rodriguez. Holding penalties pushed the Horns back to the Kress 41 and the drive ended when Dan Sizemore intercepted a Danny George pass at the Kress 28.

The Maroon Gang quickly shut down the Kress offense and the Horns took over on their own 42 following the punt.

In ten plays the Horns moved 62 yards with Rodriguez, Hill and Finch carrying the mail behind crisp blocking by the interior line. Hill capped the drive with a one-yard plunge and the extra point by Danny George gave the Horns a 7-0 lead with 2:37 remaining in the first period.

KRESS couldn't move the ball following the kickoff and was forced to punt. Hart took over on its 45 and Lester Aven, Finch and Hill pounded the Kangaroos for more yardage, moving to the Kress 4. Hill went the final four yards for his second score of the night. George's kick was wide and the Horns led 13-0 with 10:41 remaining in the second quarter.

The teams exchanged punts following the kickoff and the Kangaroos mounted a drive from their own 49. Barry Street fired an 18-yard pass to Kelly Durham at the Hart 35, where Finch made the tackle. Street then hit Jon Weatherred at the Hart 6. The Kangaroos caught the Horns thinking pass on the

TERRY HILL breaks a gainer against the Kress Kangaroos with the help of a block by teammate Danny Carson (81) in Friday night's game at Kress. The junior fullback rushed for over 100 yards in the contest, refusing to be halted as he picked up the

tough yardage over the middle. Hill turned in a sparkling offensive performance as he rushed for three touchdowns and was equally impressive on defense. Hart's Longhorns took their first conference win of the campaign as they downed the Kangaroos 27-7.

Alcozer for losses on third and fourth down to take possession at the Hart 49.

FOLLOWING a Hart punt the Horns recovered a Kress fumble at the Kress 39 and drove to the 32 before fumbling.

Mancias, Martinez, Minjares, Irons and Hill sacked Street for another loss and forced Kress to punt. The 'Roos were called for offsides and went back to punt again, but this time McClendon threw deep to Kelly Durham. The Horns were charged with pass interference to give Kress the ball at the Hart 40.

Jon Weatherred took over quarterbacking duties for Kress and threw to Stan Weatherred at the Hart 13 for a first down.

Two plays later McClendon moved to the Hart nine but the Maroon Gang would allow the 'Roos no more.

BARRY George dropped Martin Alcozer at the 14 and on fourth down Aven blocked a pass by Jon Weatherred on a flea-flicker play.

The Horns took over on their 14 and with the clock running out George hit Finch with a 38-yard pass at the Kress 35 to end the game.

Tomorrow (Friday) the Horns travel to Vega to take on their rival Longhorns in their second conference battle at 8 p.m. The Horns will be seeking their sixth victory of the season and will also be out to avenge last year's 33-18 drubbing at the hands of Vega.

next play and Lance McClendon went untouched from six yards out to score. McClendon booted the extras and with 5:30 left in the half the score was 13-7.

Hart drove to its 37 before being forced to punt, but Barry George caused the Kress receiver to fumble as he hit him with a jarring tackle and the Horns recovered at the Kress 30.

Hill, Finch and Aven rolled through the Kress line behind fine blocking but the Horns were stopped inches short of first down at the Kress 3 and the ball went over.

ON FIRST down Barry George intercepted a Barry Street pass and returned it to the Kress 20.

The half ended with the Horns in possession at the Kress 35 following a controversial offensive pass interference call.

Stan Weatherred took the second half kickoff for Kress and returned it to the 29, where

Who gave Dennis Smith the equipment to keep your phone working?

Continental Telephone did... with your help.

Your telephone service is a vital part of your daily life you can take for granted because Continental people, like Dennis, don't.

Each telephone number represents a unit in the "frame" — a complicated maze of vari-colored wires in a CTS Central Office. A central office equipment maintenance man, Dennis not only wires new customers into the system but also checks all connections to assure all phones function properly. He also installs electronic equipment that lets you dial direct and save the delay of going through an operator.

Continental Telephone reinvests customer revenues into training, materials and equipment to carry out our scheduled program of improvement everywhere. Modern maintenance — part of the CTS goal of providing you the best possible service at lowest rates.

Continental Telephone of Texas
An Equal Opportunity Employer

EFFICIENCY

COMFORT

ECONOMY

you get it all with

NATURAL ENERGY

Gas Heating

Fresh, warm air gently circulating from floor to ceiling... so nice to take for granted. Comfort is clean gas heat.

And that dependable comfort is such a bargain here in West Texas. Though gas energy costs a little more than it used to, gas furnaces still cost less than one-third as much to operate as similar electric furnaces.

And at the same time you're saving money with gas heating, you can also have a warm feeling knowing that you're helping conserve energy. Gas heating uses only half as much energy as an electric system doing the same job.

Comfort, efficiency, and economy... you get it all with natural energy gas heating.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX

Gwyn London, the Hereford librarian, invited me to go with her to the Southwestern Library Association Conference in Galveston last week, so, with the approval of the library board, I went. There were several dynamic speakers there since this association includes six states: Arizona, New Mexico, Texas, Oklahoma, Arkansas and Louisiana.

Robert Taylor, Dean, School of Information Studies, Syracuse University, was the principal speaker at the General Session I along with William A. Owens and C. W. Smith, who are authors, and they held autograph parties the following day.

Mr. Owens wrote the book "A Season of Weathering". This extraordinary autobiography is the story of a Texas country boy struggling for a livelihood and for the education to make him a teacher. Mr. Owens comes from the tiny community of Pin Hook in East Texas. He grew up in the hard

times of the Twenties, moving from country to town and back, picking cotton, working as a farmhand and as a stockboy in a Kress department store. His family was desperately poor; at nineteen he was the mainstay. And he was doggedly pursuing an education.

C. W. Smith wrote the book "Thin Men of Haddam". This is a rich and sweeping story, set in the Southwest, filled with regional humor and color, and distinguished by a sure sense of characterization and plotting. The novel is constructed of stories told by its characters and flashbacks involving Mendez, the protagonist, who struggles to reconcile his dreams with his hatred for the Anglos who alone can satisfy them, and to satisfy both his self-interest and his desire to be a martyr for his people.

DR. FLOYD Golden was the speaker for the Trustee Interest Group, assisted by Elizabeth Crabb. Dr. Golden is the brother of Ward Golden here in Dimmitt, and Elizabeth Crabb is the assistant librarian in Amarillo. We sat with Mrs. Golden at the Friends of the Library luncheon, where Dr. Golden was the master of ceremonies. The highlight of the luncheon was an address by Lloyd New, director of the Institute of American Indian Arts, located in Santa Fe, N.M. Mr. New, a member of the Cherokee tribe, has been a longtime supporter of projects in Indian arts and crafts serving in different capacities in several schools, as well as chairman of the Indian Arts and Crafts Board of the US Department of the Interior. Mr. New is also a well known artist in his own right, working under the professional name Lloyd Kiva, as a painter and textile designer.

Albert Shapiro, Professor of Management, University of Texas at Austin, was an interesting speaker on the subject "Overcoming Communications Barriers."

Another dynamic speaker was Pierce Allman, vice president, Point Communications, Inc., from Dallas. Mr. Allman's subject was "Hang in There, Baby!" on Public Relations In-

terest Group.

WE SAW a few familiar faces: Ray Janeway, Stuart Dice and his wife from the Texas Tech Library, Ernest Lassiter with Lubbock Christian College, Judy Smith with the Plainview Public Library, Bill Gooch, assistant librarian of the Texas State Library, Lee Brawner, formerly with the Texas Library and now Executive Director of the Oklahoma County Libraries in Oklahoma City, and several who have conducted workshops in Amarillo and Lubbock. It was an interesting conference.

TEXAS produced 1,545,000-000 pounds of red meat in its commercial slaughter plants, which was six percent more than for the same eight months of 1973.

Averitt announces honor roll at Hart

Hart Supt. Ted Averitt has announced the high school and junior high honor rolls for the first six weeks at Hart.

HONOR STUDENTS include:
12th CVAE - Areli Esquivel, Gilbert Godino, Peggy Scott and Patricia Tenorio.
12th - Cindy Hill, Darrell Lacy, Mario Martinez, LuLu Perez and Carla Rambo.
11th - Carol Armstrong, Sylvia Coronado, Karen Foster and Joyce Welty.
10th - Sharla Carson, Janie Garcia, Jana Mapp, Lisa Nelson and Leticia Perez.
9th - May Ethridge, Sherry

Booe, Doniece Clark, Kelly King, Abby Mancias and Melanie Upshaw.
8th CVAE - Minerva Castineta and J. D. Garrity.
8th - Shala Garrity and Stacy Averitt.
7th CVAE - Gloria Perez.
7th - LuDonne Bonsal, Marci Wescott and Leoria Welty.

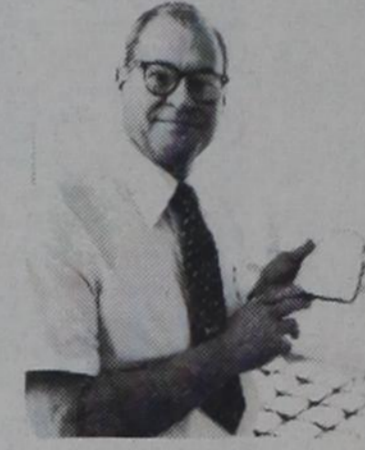

CORN harvest is about 50 percent complete over the state and some early fields of soybeans are reported ready for harvest along the Upper Texas Coast and in East Texas.

ALL that's on the grocery bill isn't food, according to Lynn Bourland, family resource management specialist, Texas Agricultural Extension Service. She says that \$6.06 of every \$20 supermarket bill is for non-food items that help keep a house in running order.

TURNED-ON WORLD OF THE FUTURE

TODAY- WITH ELECTRIC HEAT

ASK ABOUT OUR BRIGHT STAR IN THE GALAXY OF ELECTRIC HEAT!

If you could take a peek into the world of the future... you'd see a lot of things that would amaze you. But one thing we don't think will surprise you is that electricity in its familiar "switch-flipping" form will still be around. And, the people of the future aren't going to be any less comfort-conscious than we are, or any less concerned about saving energy.

Today's answer to saving energy while maintaining comfort? The heat pump - one unit that both heats and cools your home. For answers to all your questions about home heating, call us for a free electric heat cost survey... and ask about the Bright Star in the Galaxy of Electric Heating... the heat pump!

The Future Is Electric!

The Dodge Boys proudly present

'75 DODGE DART.
The car that's "right on target" for millions.

Sure, we "Good Guys" know it's tough to sell a car that satisfies everybody. (Maybe it can't be done?) Well, our new '75 Dart Sport comes mighty close. For economy, dependability, and sportiness—it's "right on target" for millions of Americans!

You like to "take it with you"? Dart Sport has room for five—plus a big trunk in back. (So big, in fact, it puts a lot of larger Fords and Chevys to shame.)

You like sure starts, easy maintenance, fewer tune-ups? Dart Sport offers all that with solid-state Electronic Ignition—proven on over two million Chrysler-built cars and trucks!

Your tastes run toward something sporty? Check out our new line of '75 Dart Sports right now. We've got what you're looking for!

Sheffy's chatter

Residents return from 'Four in 74' European tour

By MYRTLE SHEFFY

The group tour, two weeks in Europe on the "Four in 74" sponsored by the Lufthansa Airlines, is home again. Reporting a wonderful trip are Dimmitt's Homer and Nell Newton, Polly Bell and her sister Mary Blair from Englewood, Calif.

The group flew to New York City and on to Munich, Germany, where they took the big buses. The Wes Izards went and he has had several articles in the Amarillo paper. He quotes the Sherman Harriers of Boys Ranch who said, "When on a trip abroad don't expect things to be like home. They won't be, and that's the fascination of a trip."

The Newtons and Izards say that Germany and Switzerland are so clean and well landscaped it puts us and Italy to shame. No rubbish in ditches, beautiful apple and grape orchards, much cabbage, some maize. And the art and Cathedrals in Venice, Italy are worth a college degree. We said, "Like featherbeds in the little hotels in Florence; like Texans trying to teach German guides to say 'you all'; like the ladies from Tucumcari trying to get a drink of water." Dimmitt's people loved looking at the Alps but didn't take the ski rides. A fine trip. You can ask Polly and the Newtons, and read Wes's very good stories. He didn't like the thick coffee served with hot milk.

QUITE A group of Dimmitt folks went to the Littlefield game, then on to Abilene for the ACC homecoming. They saw the big football game there and the show "La Mancha" at the Civic Center. The show each year is always good. Going on to Abilene were the Carlos Calverts, the Wisemans, the Ronnie Parkers, the Jack Millers, Don Blankenship, the new speech teacher, and his friend from Austin joined him there and Mary Lois Summers (she is Mrs. Elbert).

Mr. and Mrs. Dana Wall are the parents of a new girl baby Hayler D'Nae Oct. 6. The grandparents are Fred and Georgia Wall. The other grandparents live in Ohio.

A. J. Kemp and son Andy of Fort Worth were in town recently to visit his mother who lives at South Hills Manor. She has been in Plains Memorial Hospital for three weeks, much better now. The Kemps also visit Jean's mom Nettie Graham and Louise Kemp. Andy is in school at Texas Tech.

Dr. and Mrs. Charles Vandiver went to Roswell Sunday to visit son Loren who is in school at N.M.I.T. He really likes the military school and had received some honors. I didn't learn what they and John Blackburn, also a student, went on west to the Hondo Valley to see the hills.

ON NOV. 3 Bob Wert, music director at St. Stephen's United Methodist Church in Amarillo, is bringing his youth choir, the "Love Singers", to Dimmitt. They will be singing a program at the Dimmitt First United Methodist Church at 6:30 p.m. The group is comprised of

approximately 60-70 young people, all musicians. Their program will include something for everyone - contemporary, traditional, rock, ballad and whatever else Bob, with his tremendous talent, feels will be appropriate.

The program will be followed by a time of fun, food and fellowship for all the youth attending. The "young" of all ages are heartily invited to attend this outstanding performance and worship service.

I want to tell you more about the European trip. Nell Newton says they went through 90 tunnels in the Alps. One was four miles long and dark. She didn't like it, but they also got acquainted with Mr. and Mrs. Bob Miller of Amarillo. He is a brother of Mrs. Jack Cartwright.

Oh yes! One town in Germany thought that Texans had to have blackeyed peas and cornbread. They were served English peas, said they couldn't find peas with "black eyes."

Leigh Hyman was the two-year-old birthday girl Sunday, so the kin Mr. and Mrs. Eugene Boccus, Mark, Keith and Brent of Levelland came over for the birthday dinner. Mr. and Mrs. Ross Nettles from Grass Valley, Calif. spent several days with the kin Ralph and Amy Glover. I saw Amy, Kathy and Bobby, several others out for the golf Friday.

The Friday Bridge Club met at the Country Club with Cletha George as hostess. She served Betty and pickup foods with Mrs. Glenn's good burgers to Betty Huckabay, Jan Querze, Josie Bradford, Betty Boothe, Dorothy Hopson, Bobbie Damron, Betty Dennis, Dorothy Elder, Martha Jo Hyman, Dee Williams (high score), and Myrtle Sheffy.

Ray Jr. and Jetti Sheffy celebrated eight years of married life by going to Clovis for a good dinner. MRS. A'LLAN Bradley was the honoree at a shower of gifts Friday for the coming baby. The party in the assembly room at Plains Memorial Hospital was hosted by several nurses. They were Audrey Shottentkirk, Barbara Keel, Iva Ferguson, Edna Goolsby, Ettie McDermitt, Rae Catoe, Omega Johnson, Mitzie Brockman, Sid Bullock, Refugia Nino and Shelly Rice.

All the nurses from three shifts were there. Verle West, the hospital administrator, was taking pictures, even of me and the others. The serving table was beautiful, covered with pink watered taffeta with a flower arrangement of pink carnations and baby's breath. Janet Mays and Rhonda Kilough served ice cream punch, apple nut cake and little pink cakes to many people. Mrs. Bradley is the director of nurses at Plains Memorial.

Mrs. P. L. Hoyer, a nurse, has been quite ill. Richard Ridgeway and Cindy Williams were married in an informal service Tuesday, Oct. 14 in the home of Rev. and

Mrs. Van Earl Hughes. Only family members were present. Mr. and Mrs. Ridgeway of Amarillo, Mr. and Mrs. Bill Williams and her sister Connie Stewart of Lubbock. Richard is associated with Metro Ambulance in Amarillo as an emergency medical technician.

JEANIE Lewis was hostess to her bridge playing friends or club Thursday afternoon. She served some good food to Ceal Carlile, Maxine Tidwell, Edna Riley, Katy Burkett, Helen McLean, Margaret Wilson and Reba Touchstone.

Leland Lee is getting well from recent major surgery at Methodist Hospital in Lubbock. He has been very ill.

V. O. and Katy Newton of Lubbock, parents of Betty Huckabay, and Bob and Betty's children Kathy and Larry Blakeman and son Matt, Lissa Huckabay and Ronnie Huckabay and his friend Diane Wood were all home for a weekend visit to celebrate V. O. or Vernon's birthday.

Mr. and Mrs. K. G. Manning of Salado spent a week with Mrs. Manning's brother Claude and Cleo Forson.

Velma Birchfield is home from Sacramento, Calif. where she attended the funeral of a brother-in-law Jerry Birchfield in The Little Chapel. Rev. Lyle Bonner conducted the service. He is a former Church of Christ minister from Canyon.

OMA SIMMONS of Springfield, Mo. is here for a visit with her in-laws, Maureen

Henderson, Carl Simmons and Jo and Mildred Kille of the Colonial Inn. Oma and family lived here and in the Flag community for several years before moving to Missouri.

Aural Davis, Johnnie Davis and Buster Cooper attended the game between Tech Red Raiders and Arizona Saturday in Lubbock. This is what I heard. Aural bought the tickets, they went in Johnnie's car and Buster bought a hot dog, but "the bird says" he really bought all the suppers later in the day.

And another day they went to Amarillo to see the Ice Follies and always they visit Suzie and Roy Ellis.

Sunday was Foliage Tour day at Canadian. Going from here were Burl and Bish Bradford, Mamie Birdwell and Polly Bell. Seems the cottonwood trees are a beautiful shade of gold now. And go down Dimmitt's Lee Street and see the red oak in Dr. Charles Vandiver's yard and the town maples are unusually beautiful. Oh yes, Nancy Hays has a small red leaf oak, go see it. The yellow ash have about lost their leaves.

ESTA Vandiver says, "Can you believe that the editor is excited about the Book Review Series that is coming to Dimmitt?" He had heard about it in Plainview and wanted to sell me a ticket! You can read all about it in next week's paper. The clubs that are taking part are excited about it too. Marie Tate is visiting her

mother Mrs. J. L. Kay in Moreland, Okla.

Will and LeAnn Lathrop of Lubbock visited her parents Glenn and Mona Merritt last weekend.

Rev. Jim Pickens and wife Mary Ann of Seymour passed through Dimmitt Tuesday and visited briefly with friends here. Rev. Pickens is a former pastor of the local Methodist Church and now District Superintendent at Seymour.

Visitors in the home of Burl and Bish Bradford last weekend were her sister Mr. and Mrs. A. M. Stanley of Midland.

Yvonne Fry of Port Neches is visiting her parents Ray and Lottie Bearden. Ray has been very ill again.

VERN LUST was the birthday fellow Sunday so his family had a party for him in the home of his niece Mildred and James Bradford. Doris Lust greeted the many friends who came by, and the Vern Lust's daughter Grace Louise Stone and Sue Summers, a granddaughter, served the good spiced cake and punch from a pretty table covered with tan linen with a fall arrangement of foliage and things. Sons Houston and Glen from Lubbock were helping with host duties. Barbara and

FRESH HAM is meat from the hind leg of pork which has not been smoked or cured. It tastes and looks more like a pork roast, Mrs. Mary Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, says.

the children and Houston's mother Mrs. J. L. Kay in Moreland, Okla. Will and LeAnn Lathrop of Lubbock visited her parents Glenn and Mona Merritt last weekend.

Mr. and Mrs. Boyd Williams of Keys, Okla. visited a few days with his sister Mrs. Robb and Mr. Robb.

Mr. and Mrs. Jack Thompson and children and Mr. and Mrs. Elvis Barker attended the Texas Tech-Arizona game Saturday night in Lubbock. The Barkers also visited daughters Pam, a senior at Tech, and Sharon, a nurse in San Antonio who had flown in for a short visit. The girls accompanied their parents to Dimmitt following the game. Pam returned to Lubbock Sunday evening and Sharon returns to San Antonio today.

Mary Lynt is home from El Paso and Indianopolis, where she attended American Legion Auxiliary meetings. The El Paso meeting was a national

communications conference for state leaders and national officers. Mary is national communications chairman for the Legion Auxiliary. After that meeting, Mary and 40 other ladies flew to Indianapolis for another conference. She said

she was never so tired in her life as when she got home from these cross-country meetings. Jack and Elaine Flynt and son, Trey, of Carswell AFB, visited last week with their parents, the Jack Flynts and Pauline Davis.

Where have the LEAVES Gone? Trees without their leaves, are like a Church building without the people. The real warmth, friendliness, and welcome atmosphere are created by the people. All of these things are a real aid to worship. "Give unto the Lord the glory due unto his name; worship the Lord in the beauty of holiness." Come, be one among many to share in the joy of worshipping in the Lord's house. EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE. The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Coleman Adv. Serv.
