

Write-in campaigns spark election

Big voter turnout foreseen here

A record 76 percent of the registered voters in Castro County cast ballots in the General Election two years ago. And despite reports of voter apathy elsewhere in the state, many political observers predict a turnout at the polls here Tuesday that will challenge that record.

Hotly contested local races involving five write-in campaigns, plus the fact that Castro County native Kent Hance is seeking a seat in the US Congress, have fired up interest among residents here.

Practically all those who voted in 1976 are still registered voters, according to the county tax collector's office.

The official ballot shows only seven contested races, with nominees from the Republican, Raza Unida and Socialist Workers parties as well as the usual full slate of Democratic candidates.

Locally, interest centers in the race for the unexpired term of the Castro County attorney and that for county judge, with write-in candidates for both offices.

Also, local residents are concerned with Hance's campaign for retiring George Mahon's seat in Congress.

Hance, a state senator from Lubbock, is facing a strong challenge from Republican nominee George Bush Jr. of Midland.

A series of legal skirmishes has marked the county

attorney's race here since Jimmy Davis, now serving in the office by appointment, and Keith Lemons entered the Democratic primary early in the year.

Lemons sued successfully to have Davis disqualified on the grounds that he had not been a county resident for the required time before filing. But before the primary, Davis counter-sued and Lemons was disqualified as the party nominee because he was not yet a licensed attorney.

Both suits went to the Texas Supreme Court.

With no duly elected nominee for the General Election at the certification deadline, the County Democratic Executive Committee opted to appoint one, and chose Davis, who by then had fulfilled the residency requirement. Afterward, Lemons filed as a write-in candidate, and has waged a spirited campaign.

County Judge Weldon Bradley, who was unopposed in the Democratic Primary, is challenged by two write-in candidates—M. L. Simpson Jr., Democrat, and Sam Killough, Republican.

For county commissioner of Precinct 4 Alfons Maurer, the Democratic nominee, is opposed by write-in candidate Gilbert Schulte.

Also, John Alldredge is seeking re-election as county surveyor by write-ins. No candidates filed for primary

nomination to this office.

In top state races, all four parties have candidates on the ballot for US Senator and Texas governor. Republican John Tower, the incumbent senator, has active opposition from Democrat Bob Krueger, while the Raza Unida Party has entered Luis A. Diaz DeLeon in the race, and the Socialist Workers have put forth Miguel Pendas.

Attorney General John Hill, Democrat, and oilman Bill Clements, Republican, are in a hot race for the governor's seat, with Mario C. Coe of the Raza Unida and Sara Jean Johnston of the Socialist Workers as other candidates for the chief executive's office.

For lieutenant governor, Democrat Bill Hobby, the incumbent, is opposed by Republican Gaylord Marshall and Socialist Workers nominee Andrea Doorack.

Democrat Mark White, Republican Jim Baker and Socialist Worker Agnes Chapa are in the contest for attorney general of Texas. State Treasurer Warren G. Harding is opposed for re-election by Derrick Adams of the Socialist Workers Party.

Contested races also are being waged for two Railroad Commission seats. Mack Wallace, a Democrat who is seeking a full term, is contested by Jana Pellusch of the Socialist Workers, and John H. Poerner is the Demo contender for an unexpired term against Republican James W. Lacy.

Bob Bullock is unopposed for another term as comptroller of public accounts, Reagan V. Brown as commissioner of agriculture and Bob Armstrong as commissioner of the General Land Office, in other state races. So is Speaker of the House Bill Clayton as state representative from the 74th District.

Unopposed for posts in the county are Zonell Maples, county-district clerk; Oleta Raper, county treasurer; Gary Lilley, justice of the peace, Precinct 1; Marshall Young, justice of the peace, Precinct 2; and Ed Wilson, commissioner, Precinct 2.

There is no opposition to the Democratic candidates for judicial offices at the district and state levels. John T. Boyd seeks re-election as the 64th District judge and Van C. Stovall as 242nd District judge. Both are incumbents.

On the ballot for Texas Supreme Court chief justice is Joe R. Greenhill; and for associate justices, Franklin Spears, Place 1; Sam D. Johnson, Place 2; Charles W. Barrow, Place 3 (four-year unexpired term); and Robert M. Campbell, Place 4 (two-year unexpired term).

For judge of the Criminal Appeals Court, candidates are Wendell A. Odum, Place 1; Sam Houston Clinton, Place 2; and W. C. Davis, Place 3. Mary Lou Robinson is the nominee for chief justice of the 7th District Court of Civil Appeals, and Carlton B. Dodson for an unexpired term as associate justice on the same court.

Big harvest shifts gears

YOUR MOVE—Visitors to the "Checkerboard Room" in the Easter Lions Club's Halloween Spook House experienced the strange sensation of having the wall suddenly jump out at them. The "checkered girl" is Tammy Tims, who would stand against the wall, almost invisible, while a group of groping visitors entered the room from a pitch-black maze. Before their eyes could become adjusted to the light and the checkerboard

pattern, she would leap away from the wall and scream. Her act always caused a sudden chain reaction. Other "scream stations" in the popular Spook House were manned by such worthies as Count Dracula, the Incredible Hulk, a mummy, an ape man, a corpse that wouldn't stay in the box, and assorted witches and dummies.

Harvest action is shifting from grain to cotton in Castro County, with maize practically all out of the fields. Sugar beet harvesting is about at the peak and carrots are also moving rapidly to the packing sheds.

Cotton trailers are beginning to come into the gin yards, but growers are mostly waiting for the staple to finish maturing and the foliage to be killed by a hard freeze.

In opposite sides of the county, Othel Fry at Flagg Gin said "cotton is still too green" and only 63 bales have been ginned there so far, while Hart of the Plains Gin reported "just getting started" on the 1978 crop.

Fry said he does not expect as good a crop of cotton as last year, when a surprisingly large crop was harvested in this area. The spokesman at the Hart gin said they have not yet gotten reports back on the grade of the new crop.

Maize yields were disappointing, Bill Clark of Dimmitt Agri Industries said, but quality of the grain has been good. Acreage was down from 1977. With harvesting just about to come to a standstill, he said elevators in the county still have storage room to put all the grain under cover.

Calvin Jones, agricultural manager for the Holly Sugar plant at Hereford, says the area sugarbeet harvest is more than one-fourth complete and the Holly firm was scheduled to put its receiving facilities on an accelerated

KENT HANCE, Democratic congressional nominee, visits with Mr. and Mrs. Bob Anthony during a final pre-election visit to his hometown Saturday. Speaking to 100 or more supporters, Hance said he felt he would "win going away if we have a big turnout in Lubbock County and all the rural counties of the 19th District."

Hance makes final stop

"We've got to have your vote and your help," Democratic congressional nominee Kent Hance told a group of 100 Castro County residents here Saturday. "If we get a big turnout in the rural counties of the 19th District, then I think we'll win going away."

Saturday's reception in the Dimmitt City Hall auditorium was Hance's final campaign stop in his hometown.

If Hance wins the race to succeed George Mahon, he'll be the first Castro County native ever elected to Congress.

The 19th District race has been dubbed as one of the national highlight races by newsmagazines and major newspapers.

Hance charged that his opponent, Republican nominee George Bush Jr., is "running

an 'anti' campaign" and is on the verge of setting a new national record for spending in a congressional race.

"He says he's against the problems that have been created by Congress in the last 25 years," Hance said. "I'm against some of those problems, too. But he didn't mention that his father and grandfather served in the sessions of Congress that he's criticizing—and my father and grandfather didn't have anything to do with creating those problems."

Hance's audience was laced with relatives who were in Dimmitt Saturday to honor his aunt, Cletha George, on her 80th birthday. Hance introduced his father, Raymond; his mother, Beral; his sister, Beth Hodges of Panhandle; and Mrs. George, noting with a grin that he has a large "built-in" vote of infidels.

"If (Bush's) spending rate continues the way he's going, he will set a new campaign spending record for a congressional race in the US—in the neighborhood of half a million dollars," Hance said. He charged that much of Bush's campaign money "came from the New York financial district," and added, "They have their own selfish interests, and they aren't the same as those of the 19th Congressional District."

Because of Bush's big campaign bankroll, Hance said, "We're fighting against some great obstacles. They're giving away tee-shirts. They're giving beer busts to get people to come out and meet their candidate. We've never

done that. They have 11 staff members, we have three."

Hance predicted that Midland County (Bush's home county) will have a "big, big

Addye Miller funeral to be held Thursday

Addye Miller, 93, died Tuesday morning in Plains Memorial Hospital.

Funeral services will be held today (Thursday) at 2 p.m. at the First Christian Church in Hereford, with Rev. Mack McCarter, minister, officiating. Burial will be at the West Park Cemetery in Hereford under the direction of Gilliland-Watson Funeral Home.

Mrs. Miller was born Aug. 29, 1885 in Palo Pinto County. She came to Hereford in 1905.

Mrs. Miller married John B. Miller, sheriff of Deaf Smith County, in 1907, and later became the first woman sheriff in Texas after her husband was killed in an accident while on duty.

She moved to Dimmitt in 1975 and has been a resident of South Hills Manor.

Mrs. Miller was a member of the First Christian Church in Hereford.

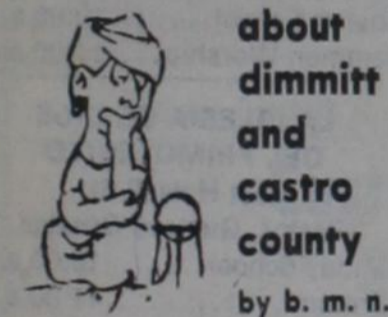

Survivors include a daughter, Betty Cartwright, Dimmitt; three sons, John and Robert of Amarillo and Billy of Hereford, 16 grandchildren and 23 great-grandchildren.

Next Tuesday is general election day. You can't vote on Monday or Wednesday; Tuesday is the day that has been set by law and that is the only day the polls will be open. In the case of Kent Hance, who is a candidate for Congress from this district, every vote in this area is vital where he expects to pile up a huge majority if his supporters will just get out and vote. His opponent is expected to get a huge majority in the south end of the district, especially in Midland, and it is necessary that voters turn out in large numbers in this area to offset the Bush vote in the oil rich Permian Basin of the district. Kent Hance has the training, ability and qualifications to represent all of the interests of this district in the United States Congress. Don't be misled, your vote does count. The right to vote, and the exercise of that right, is the best protector of all of our other rights and freedoms. So there.

So far as the oil and gas interests are concerned, they seem to be getting along well in the Congress without the help of Mr. Bush, whose main interest is oil and gas. We need a congressman like Kent

Voting details

Polls will be open from 7 a.m. to 7 p.m. in Tuesday's General Election.

Before you vote, you are required to present your YELLOW voter registration certificate to your election judge. If you have lost your registration certificate, you can sign an affidavit and vote—provided your name is on the poll list.

If you wish to vote a straight party ticket, you may place an X in the box at the top of that party's column on

Halloween is lively, quiet

A quiet Halloween was noted by sheriff's and police officers in Castro County although streets in Dimmitt, Hart and Nazareth were all "pretty lively" with crowds of masked youngsters Tuesday night.

No disturbances or accidents were reported to mar the holiday fun.

About 2,700 adults and children were at the annual Lions Club Carnival at La-Mantia, Cullum, Collier & Co. Inc., plant in Dimmitt, according to the report of Jack Edwards, admission chairman. This was a record crowd, about 250 more than last year, he added.

Dorothy Beyer funeral held

Dorothy Marie Beyer, 53, died Monday at her home, 909 W. Bedford, after a lengthy illness.

Funeral services were held Wednesday afternoon in the First United Methodist Church of Dimmitt. Officiating were Rev. Marvin Roark of Amarillo, Dr. Carlos McLeod of the First Baptist Church of Plainview, and Rev. Howard Quiett, pastor of the First United Methodist Church.

Burial followed at the Littlefield Cemetery, under the direction of Dennis Funeral Home.

Mrs. Beyer was born March 15, 1925 in Byers, Texas. She was raised at Littlefield, and married Hugo Beyer in Littlefield in 1942. She moved from Littlefield to Dimmitt with her family in 1955.

Mrs. Beyer organized the local Girl Scouts and the Jayceeettes, she was also active in the PTA and Band Boosters.

Survivors include her husband, Hugo; two daughters, Donna Meacham of Denver and Vickie Wright of Plainview; and one granddaughter, Kippie Meacham of Denver.

Pallbearers were Charles Armstrong, Carl Lee Kemp, Edd Wilson, Alvin Webb, Roy Allen Hudson and Harry Woody.

Damage claims climb in Frito-Lay-GH fight

Damage claims now total nearly \$65 million in the suit and counter-suit between Frito-Lay, Inc., and Grain Handling Corp.

The legal battle began three weeks ago when Frito-Lay filed suit in Dallas, charging two companies and five individuals with schemes to defraud Frito-Lay in the supplying of corn and edible oil for the Dallas-based firm. Grain Handling Corp. was one of the companies named in the suit.

Grain Handling, a Hart-based firm which buys, cleans and stores corn, filed a breach of contract suit against Frito-Lay last week in 154th District Court at Littlefield.

In its action, Grain Handling asks to recover from Frito-Lay "the actual damages for the present value of the contract breached by Frito-Lay, said value being at least \$15 million."

In addition, the suit seeks \$25 million for "damages caused by the malicious and intentional breach" of the contract, and \$5 million in punitive damages.

Frito-Lay, in its original suit

filed at Dallas, asked \$18.6 million from Grain Handling and the other defendants, for alleged participation in two complex schemes to defraud Frito-Lay by siphoning money through the purchase and processing of corn and edible oil.

Named in the suit in addition to Grain Handling are J. H. Stafford, former commodity purchasing manager for Frito-Lay; his son-in-law, J. T. Hair; his business associate, Melvin N. Tekell; H&J Operations, and two of Grain Handling's co-owners, Wister Cleveland of Hereford and Garland DePrang of Olton.

The suit states that Stafford was fired by Frito-Lay as purchasing manager Aug. 21 because of his participation in the fraud schemes.

The lawsuit is a civil case, but investigation of the business dealings and internal business affairs of Frito-Lay by the Federal Bureau of Investigation has been reported, for possible criminal violations.

"The reported investigation involves matters as to which [See DAMAGE, Page 8]

Boys from Dimmitt have treat at pro cage game

By MYRTLE SHEFFY

Mark Summers, Jerry Schaeffer and Kevin Cleveland flew off to Houston to see a professional basketball game last Saturday between the Philadelphia 76ers and the Houston Rockets. They wanted to see Maurice Cheeks from WTSU and former teammate of Jerry's who is a rookie starter for Philadelphia. Maurice introduced the boys to all the players and many pictures were made and autographs were written for the boys. Maurice bought the boys T-shirts of the 76ers and Kevin even got Darrell Dawkins' sweat bands. They stayed at the same hotel as the team, were able to rest Saturday and came home Sunday. This was a great experience and fun time for the Dimmitt boys.

The farm this way from Hart that Jim and Linda Roberts live on now was once part of the Abernathy and Jarrett Ranch. They were his grandparents and one of his aunts, Mary Jarrett Anderson, has been here for a visit and the shower for Sheryn, as was Mrs. Ab Roberts.

Al and Frances Lytle of Amarillo were here Sunday for the christening of little granddaughter Brittany Sheffy, daughter of Graham and Karen Sheffy. All were at Methodist services together and dinner and visiting later.

The Texas Cattlemen's Association met in Dallas last week. Among the people going from here were Ray and Joannis Robertson, Billie Carthel of Friona, Allan Webb and Zay Gilbreath of Gruver. He is the son of J. C. (Sam) and Virginia and he was elected or appointed to the board. They went out to see the Cowboys and somebody play ball, and Joannis says she and ladies from Plainview and Tullia area played a little bridge while the boys

tended to the cow business.

Mrs. W. T. Autry was the birthday lady last week, so the family had dinner out at the farm with the parents. James and Joyce came from Rocky Ford and Kelly and Debbie Autry (grandson) from Abilene, Debbie and Ray White and the daughters and husbands, Marie and George Bowen and Jo and Tommy Fowler made ice cream and cake to serve the family in the afternoon. That was a Sunday ago. The James Autrys came for Van Hopson's wedding, too.

Bill and Dalia Gregory and son Blaine spent last weekend at Angel Fire. The Gregorays have a communal house in the mountains—enjoyed by all the bunch.

A note to Dr. Carrol Gregory at San Mateo, Calif. I didn't even get any of the Gregory grapes this year. Someone beat me to them.

Mayor and Mrs. Elmer Y-uts went by car to Austin Wednesday to attend a meeting of the public utilities to discuss with others why expenses are getting so high. They stopped off at Possum Kingdom Lake to check and winterize the cabin. They visited granddaughter Debbie Greathouse in Austin. She is a commercial artist in Austin and has a good job. After Austin they went to Fort Worth where they joined the local commissioners at the annual Municipal League meeting. Going were Chet and Helen Braafladt, Allan and Arlene Newman, he is police chief, and J. R. and Mary Jo Brown.

Joan Braafladt Thrasher tells me she and friends will go to Austin for the wedding Nov. 4 of Sue DeVaney. Others I hear that will go are Walt and Virginia Hansen, Jimmy and Nancy Ross. Sue and her husband will live in Dallas.

Richard and Ruth Wooten are home from a weeks visiting and foliage trip to Vinita and on to Joplin, Mo.—gorgeous country to look at. They visited sister Ethel Boyington and Barber and Mable Eubanks and Tyson and wife Bobbie Ruth, who is a niece.

Mrs. James Slough is home from a ten-day visit with her daughter Edna and Bill Rice, who have a new baby boy. His name is William Russell and he was better than 9 pounds. Ruth says he will probably be a quarterback. The kids live in Homestead, Fla.

Johnny and Janet Stanford have had a house full of company, his mother Mrs. Floyd Stanford from Austin. She reads our paper, enjoys hearing about friends. And Diker Stanford and Rebecca Wilson from Monahans, and Janet's aunts and an uncle, Mr. and Mrs. R. D. Hendry and Mrs. Edna Smullen from Clarksville.

Mrs. Gordon Bradley of Tucumcari visited a few days in Dimmitt with her children, who are Mrs. Al Gibbs, Mrs. Odus Hastings and the boys Dent and Weldon Bradley. Mrs. Gordon Bradley and I

were neighbors when much younger.

Oneida Hutto and son Byron of Lubbock went to Huntsville, Mo. (that is in the north-east part) last week to get a feed mill. Byron is with a big seed company. They report the trees wearing green, gold and red, a beautiful sight for the Plainsmen.

Darlene Stanton and girls Debi and Shawn went to Burleson last weekend to visit her sister Jerry Kay (Dodd) Rhodes and family. And while Darlene was gone husband went canoeing down the Rio Grande with his Shallowater friends. They tell me that is quite an experience.

I met several new citizens in Dimmitt at the Town and Country Club buffet dinner Thursday. They are Adair Brock, she and husband Richard moved here from Hereford in September. They have two girl children, Kelly and Karla. Richard is a driver for Steere Tank Lines and his uncle and aunt are Earl and Mable Brock. Their home is 904 Bedford and they attend church with the Baptists. More new ones are Terry and Ann Widick and Carlene Long and Beth and husband Greg Dutton. He is an engineer for Amstar. They moved here from Amarillo. Have two children, Amy, 6, and Ty, 6 months.

Mr. E. D. Gayle of Denver, Colo. visited his daughter Lynette and James Rials recently. She was at the club meeting, too. And Mr. and

Mrs. H. B. Rials of Aztec, N.M. visited their son Harvey Rials recently. Nelda and daughters LaNai and Sabrina. They brought back those nice pretty apples for all the family.

Paul and Janet Weaver have a new granddaughter, name is Kayleen Mae. Parents are Larry and Marilyn Weaver who live at Country Arms. The other grands are Don and Mae Nielson of Eureka, Mont. Mrs. Nielson has been here for a visit.

Paul and Janet's company have been her mother Mrs. Virgie Kennard and her sister Phyllis Copley from Portsmith, Ohio, and a niece Karen Hires and baby Tracey. Paul is with Amstar. They have been in Dimmitt for two years. (Correction: Larry and Marilyn Weaver have moved recently to Plainview.)

Roy and Wenonah Barringer spent a couple of days in Artesia, N.M. at a Family Conference at the Artesia Christian College. You know Roy is minister of the Christian Church on Western Circle.

November 7 is the day to vote. Count it as a privilege and go vote! Think positive about Kent Hance.

Young Kyle Pool has been here from Groom to visit his grandparents Carl and Frances King. His mom was busy with many things so he is here. And Camille Farris of Dalhart has been here for a week or two visiting the

grands Jack and Myrna Cowser and the L. W. Farris of Hart.

Dondi Hays had her ninth birthday Friday night. Her parents David and Ann took the girls to a Walt Disney movie, then back to the Hays' for a slumber party. Those attending were Stacy Wilson, Kristi Kelly, Traci Hill, Kristi

Petty, Lori Glidewell, Kristi Sims and Tracy McLean. Lots to eat and not much sleep.

Scott Hays spent the weekend at Summerfield with his grandparents, Mr. and Mrs. Earl Lance.

Mr. and Mrs. Earl Lance, Mr. and Mrs. Jerry Don Lance and Camille of Summerfield and Stacy Wilson of Dimmitt were Sunday dinner

guests of the David Hays. They all celebrated Dondi's birthday.

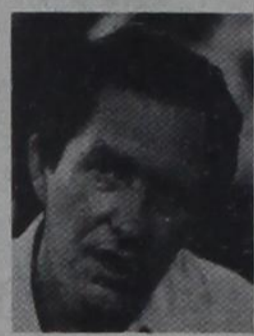

The fifth and sixth graders of First Baptist Church were given a Halloween party Thursday night. Refreshments at church and then out to the Elbert Smiths to go through a spook house. Adults helping were the Elbert [See CHATTER, Page 11]

I strongly support the Texas right to work law and will fight to keep it.

WORLD WIDE INTEREST

Many good organizations are working with our youngsters, developing an interest in other lands and the ones who dwell there. The church through God's word also teaches us about our neighbors and what our attitude should be toward them. *The earth is the Lord's and the fulness thereof; the world, and they that dwell therein.*

Coleman Adv. Serv.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Here are the proposed amendments to study

"The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt in-

tangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property home-

stead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of

its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing authority where the property tax is imposed.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete an archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

NUMBER TWO (S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These bonds would be payable solely from the revenue from the sale or lease of these facilities. The building or acquisition of such facilities must be determined by the local government to be necessary to develop employment opportunities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities for its citizens."

NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to authorize cities and towns to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to give the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for

such purposes."

NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

The amendment grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction.

The amendment also grants justices of the peace concurrent jurisdiction with both county and district courts where the amount in controversy is between \$500 and \$1,000, except where the legislature gives the county or district court exclusive jurisdiction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases."

NUMBER SIX (S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concur-

rence of a majority of justices to decide a case."

NUMBER SEVEN (S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

NUMBER EIGHT (H.J.R. 42)

H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or otherwise lend its credit to engage in fire-fighting activities and to issue bonds or otherwise lend its credit to support such activities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or otherwise lend their credit for fire-fighting purposes."

Castro County Democratic Executive Committee
Oscar Wylie, Chairman

To The Voters of Castro County

We are asking you to write in M. L. Simpson, Jr. for County Judge on Nov. 7th. In the 14 years that he has been our Dad, he has proven to be trustworthy, honest and dependable. We think he is the qualified candidate and will make Castro County a Super Judge.

Thank You,
**Joe Bob, Billy Frank,
Brent & Brad Sanders**

(Pol. Adv. Paid for by Joe Bob Sanders)

Most newspapers pick Hill over Clements

"John Hill may be the best candidate for governor in decades. Judging from his record, he should win easily over his Republican opponent, whose chief qualification is money. Unlike his opponent, Hill is not given to outrageous promises, intemperate personal attack or underhanded tactics. He will work hard for the best interests of the state and its people."
— Austin American Statesman

"The more Mr. Clements has explained his blunt viewpoints — even those views we could agree with — the more he has raised doubt as to how effective a bulldozer could be in Texas government. Conversely, John Hill has grown in our evaluation as a man who not only is the best state attorney general in recent history, but also is a man with the intelligence, savvy and ability to serve Texas well as governor."
— Abilene Reporter-News

"We believe Hill will bring vitality and leadership to state government. Hill is not an advocate of big government. Nor is he a free spender. He has pledged that no new taxes will be levied if he is elected. His anti-inflation program is the kind of fiscal conservatism Texans can accept gleefully."
— Corpus Christi Caller

School finances topic of meetings

In a heavy October meeting, the Nazareth School Board approved the 1977-78 school audit, adjusted wages for lunchroom workers, adopted a hiring-firing policy and approved investments of class and club funds.

At a special called meeting last week the board voted to call for bids on a house and 9 1/4 acres of school-owned land and heard a progress report on Nazareth students in Tulia Area Vocational School.

In the regular October meeting, the board: —Approved the 1977-78 audit as presented by Harold Irlbeck of Brown, Graham & Co. of Tulia.

—Heard a report from school attorney Jack Miller, concerning adjustments to lunchroom personnel who worked last school year. The adjustments were made for all personnel who made less than \$2.80 per hour, as recommended by Miller.

—Adopted a policy for procedure to be followed by the superintendent, principals and supervisory personnel in hiring and releasing employees.

—Voted to allow the Nazareth Art Club to rent the cafeteria for its art show on Nov. 5.

—Voted to allow the classes and clubs of the school to invest certain amounts of their class and club funds as investments with the First State Bank, Dimmitt.

—Adopted a policy requiring students using the school phone for class and club projects, including personal calls by all individuals, to pay for those long distance phone

calls. —Heard reports from Supt. Johnny Mason on lunchroom, local finances (including 1978 tax collection), tax protest letter to the State Tax Assessment Practices Board, enrollment and ethnic breakdown by classes including the numbers of boys and girls in each class, athletic income and disbursements and 1978 tax roll. —Adopted a minimum hourly wage scale for all auxiliary and lunchroom personnel ranging from \$2.65 per hour to \$3.55 per hour for this school year.

At its special called meeting last week the board made one adjustment to the wage and hour pay scale that was adopted in the previous meeting.

The board heard a report from Principal Jim Peggram on his recent visit to the Tulia Area Vocational School. Nazareth High School has 15 students in building trades; five students in vocational office education; and three in auto mechanics.

The trustees voted to call for sealed bids on a parcel of school-owned property to be offered in three options:

- 1) House and outbuildings with approximately one acre of land;
2) House and outbuildings with approximately 9 1/4 acres of land; and
3) Approximately 8 1/4 acres of land.

The property is located within the city limits of Nazareth and is to be bid on by sealed bid not later than Nov. 8 at 8 p.m. All bids should be addressed to Board President Hubert Backus, Box 157, Nazareth, 79063.

Former county resident dies in accident

Funeral services were held Tuesday for Edward C. Jones of Dalhart, a former Castro County resident. Burial was in Memorial Park Cemetery at Dalhart.

Mr. Jones, 60, suffered neck injuries Oct. 21 when he fell from a sprinkler system on his farm several miles west of Dalhart.

Mr. Jones was born in Lipan. He moved to Dalhart from Castro County in 1961. He was a farmer and rancher prior to buying a cement company in 1965 and returned to farming when he sold the cement company recently.

He was a captain in the Marine Corps in World War II.

View from the Library

By BRICK AUTRY Librarian

I was over at Walt's grocery store one day getting something for lunch when the girl at the check out stand said, "You're Brick. I read your column every week."

"Oh, you don't need to be," she replied, "sometimes I really think it stinks."

Uhm... could you pass the humble pie? Thank you. Gulp, gulp, gulp. I am tempted to write about flippant check out girls over at Walt's, but seeing as how this is the library article, I will stay on a more pertinent subject.

More about: Harvest ...

[Continued from Page 1] schedule Wednesday with the hope of completing harvest by the end of November.

Yields have been good, with 20-25 tons per acre, Jones said, and though wet weather lately has slowed the harvest a little, growers have been able to get the beets to the factory in clean condition.

Jones said he feels optimistic that the average sugar content for this year's crop will reach 15 percent, up from the 14.5 percent average of recent years. The daily average is now around the 14.5 percent mark, he added.

Operation of both the local vegetable packing firms is in high gear on the carrot crop now. Yields are reported down slightly because of heavy rains at planting time, but expected to be better than normal later this season.

Sixty tons a day are being processed and shipped by Lamantia, Cullum, Collier & Co., Inc., here. The harvest is expected to continue until about Christmas.

"If you happen to be in Hereford or Plainview or any of the other towns in this area, and have a little extra time, I'd appreciate you asking people to support me," Hance said. "You'd be amazed at the impact that personal contact has in a congressional race."

Same victim reports heist and shooting

Dimmitt police reported that a robbery by assault occurred Monday afternoon at the Dimmitt home of Lether Rogers.

Rogers reported that two black males broke into his home and took \$52 and change from his pockets.

Then, about 7:30 p.m. Monday, officers received a report of a shooting at Rogers' Cafe. Rogers told police that the same two men had shot at a car containing four people. No injuries were reported.

An hour later, two suspects were apprehended on State 194 eight miles east of Dimmitt, after an hour's search by DPS, county and city officers.

Charges have been filed on Alfred Williams and Maurice Limice for vandalism in connection with the shooting incident. Also, both men have been charged with robbery.

Both Williams and Limice are now in city jail. A hearing is set for this afternoon (Thursday).

The DA's office reported that bond has been denied for Williams due to previous felony charges.

15 - LEGAL NOTICES NOTICE OF PUBLIC HEARING

Castro County, Texas has filed Application No. 821 with the Texas Department of Health for a permit to operate an existing Type III municipal solid waste disposal site located northwest of Nazareth, two miles north of State Highway 86 and 1.7 miles west of FM Highway 168 in Castro County, Texas.

The site consists of approximately 2 acres of land, and is to daily receive approximately 1/4 ton of solid wastes under the regulatory jurisdiction of the Texas Department of Health when disposed of or otherwise processed in accordance with the said Department's Municipal Solid Waste Management Regulations.

Pursuant to the provisions of the Texas Solid Waste Disposal Act (Article 4477-7, Vernon's Texas Civil Statutes) and the Texas Department of Health Municipal Solid Waste Management Regulations, and the Administrative Procedure and Texas Register Act, a public hearing on the aforesaid application will be held at:

City Commission Room City Hall 301 16th Street Canyon, Texas at 2:00 p.m., Tuesday November 28, 1978

to receive evidence for and against the issuance of a permit for the aforesaid application. All parties having an interest in this matter shall have the right to appear at the hearing, present evidence and be represented by counsel.

A copy of the complete application may be reviewed at the Texas Department of Health, Austin, Texas, or at the Department's Public Health Region 1 headquarters located at West Texas State University Station, Old Health Center Building, Canyon, Texas.

In its countersuit, Grain Handling maintains that Stafford was never a stockholder in that firm, and that Grain Handling did not learn until after Frito-Lay filed its suit that Stafford owned stock under his son-in-law's name in a company purchased by Grain Handling.

Grain Handling states that its contract with Frito-Lay for buying, cleaning and storing a certain amount of corn was repudiated although it had assured Frito-Lay that it was ready and able to perform its obligations.

Grain Handling further claims that this breach of contract was intended to force the area firm out of business so Frito-Lay could acquire all its assets and operate for its own "sole profit and benefit."

DePrang said regarding the suit, "Grain Handling seeks to recover from Frito-Lay the damages we believe we suffered by the breach of contract. . . . We are confident that Frito-Lay has been treated eminently fair and right in all of its dealings with us and has no just basis for any claims against the corporation, Clevenger or myself.

"The claims against its former manager of commodity purchasing and his son-in-law are another matter and a subject which I do not feel it is appropriate for me to comment upon."

DePrang also said that with respect to all corn purchases, Frito-Lay has performed its obligations and business is being carried on as usual for all corn which Grain Handling has agreed to buy in 1978.

The corn is being delivered by the farmers, Frito-Lay is making its payments to Grain Handling, which is paying its obligations to the farmers and no immediate change is expected in these transactions, he said.

Grain Handling Corp. operates facilities at Hart, Hereford, Olton, Hart Camp and Springlake, and contracts grain with farmers throughout this area.

small talk from South Hills Manor

On Dec. 4, 1890 at Aledo, Lottie Eva Cole was born, the daughter of Mr. and Mrs. J. D. (Jack) Cole. Soon afterwards the family moved to Garner in Parker County where the young lady grew up. Her grandparents on both her mother's and her father's sides of the family had migrated to that area from Tennessee shortly after the close of the Civil War.

In January, 1912, she was married to John Albert Langford at Weatherford. They made their home in Millsap, where he operated a barber shop until 1918, when they moved to a farm near Chico. Later he returned to barbering in Chico, where the family lived until 1933, when they moved west to a farm near Lockney in Floyd County.

World War II saw their three sons leaving for military service—Karl in the Air Force and John Cole and Marshall in the Navy. Karl was an officer in the Eighth Air Force headquartered in Europe. John Cole was one of the original crew on the aircraft carrier Yorktown and Marshall served on the carrier Sangamon.

In 1954 Mr. and Mrs. Langford moved to Plainview. There Mr. Langford died on Dec. 18, 1955. Mrs. Langford continued to make her home in Plainview until May 1977, when she became a resident of South Hills Manor in Dimmitt.

Her children are Mrs. W. O. Hampton, Littlefield; Lt. Col. (ret.) Karl A. Langford, San Antonio; Mrs. Norman Caldwell of the Lone Star community north of Lockney; John Cole Langford, Houston; and Marshall (Corky) Langford of Dimmitt. She also has

10 grandchildren and 9 great-grandchildren.

Tuesday night the square dancers came to the Manor to present a dance program for the residents which they enjoyed very much. Bill Henderson honored Mrs. McMurry in a waltz.

Willie Burce from Vega came Wednesday and spent the afternoon with her sister Jewel Richards. On Friday Jewel had to go to High Plains Hospital. Remember her with a card and prayer.

Friday the dieticians served the loveliest buffet for the residents and employees to celebrate Halloween. The tables were covered in white with orange and black streamers and pumpkin napkins. Ham, little sandwiches, relish dishes, salads and deserts were served. It was delicious and so nice.

Lynn King won the prize in the "Name the Pumpkins People" contest held at the Manor. The names she picked are "Trick" and "Treat". Aren't those names tricky?

Museum plans building move

Plans to move the Flagg Community Building to the Castro County Museum grounds was discussed at the last Thursday meeting of museum members.

The Flagg Community Building was donated to the Castro County Museum recently. Upon its arrival at the museum grounds the members plan to have a work day.

Harvest dance to be held at Nazareth

A Harvest Dance is to be sponsored by the Nazareth FFA chapter Saturday from 9 p.m. to 1 a.m. in the Nazareth community hall. The Rough Riders of Nazareth will provide the music.

Admission will be \$2.50 per person and all are invited to come.

NURSING STUDENT Susan Wise of Dimmitt discusses her future nursing career with Dr. Hazel Aslakson, dean of the West Texas State University school of nursing, at the recent convocation where Miss Wise received her nursing cap. She is the daughter of Mr. and Mrs. Frank Wise and a Dimmitt High graduate.

Honor society picks student

Martha Ann Skelton, junior elementary education major at West Texas State University from Dimmitt, was recently initiated into Kappa Delta Pi, an honor organization in education.

Requirements for Kappa Delta Pi include having a 3.5

overall grade point average (4-A) and at least three hours of education courses with at least a "B" average.

Thirty-five students were initiated this fall and there will be another initiation in the spring. Average membership is 60 per year.

Mrs. Ada Sims of Fort Sumner, N.M., the former Ada Chapman who grew up in the Carmel community southwest of Olustee, was a house guest of Esther and Mac McRee last week. So Esther asked her sisters, the former Weems girls, to come over for a "Do you remember?" visit. Sisters, Odie Mundell of Roswell, Muri Carroll, a sister-in-law of Cora West, sisters were Wilma Cruchfield of Amarillo and Mildred and Frank Carrol of Olustee and her daughter Treina Jones and Zack, Cindy Carrol and Amber. One day the sisters had dinner with Raymond and Cora West, both Eldorado, Okla. people. Esther says much talk, sore throats from it. These people were girl friends 50 years ago.

Shirley Wise and Ina Cleavinger and Deanne Clark attended the UMW meeting in Hale Center Saturday. They talked with many friends including Ethel Knox of Lockney. She lived in Dimmitt in 1921. And last weekend Ina visited her mother Mrs. Garland Lewis in Sweetwater.

Do remember to go to Nazareth for a turkey dinner Nov. 5, 11:30 to 2 p.m. Funds go to the Cancer Fund. They always have good food.

Mrs. Florence Cooper was 80 years old Sunday, so her daughter Jerri Chaney baked a cake, made coffee and punch and invited 35 Dimmitt friends in. And out of town guests were Mary Fowlkes, Kelly Graves of Lubbock, Mrs. Mike Chaney, Mrs. Roy Dykes from Rankin and Mary Phipps from Muleshoe.

Cecil Ginn had a birthday Sunday, so Decima Ramey Beene cooked the dinner at her dad Goose Ramey's house for the Ginn and Cecil's sister Beulah Newton of Earth, Guylene Rogers, Jay and Sue Beene and Brent, Bub Ramey of Amarillo and Lenore and Ann Maria, Edwin's grandchildren.

Sunday was the birthday of Rose Acker and Edith Ramey was hostess for her special dinner.

Kenneth Jackson's birthday was Friday, Ruth Jackson's Oct. 31.

Cletha George, the birthday girl for Halloween, was the honoree at the birthday party Sunday afternoon at the Methodist fellowship hall. Looked like more than a hundred friends and relatives there. Her sons Jack and Jimmy helped greet the guests, granddaughters and the in-law girls and grandsons kept the food moving and much visiting. Kathy Burks was at the guest book. Helping her was Nancy English. And serving punch and cake were Karen Thornton and Rae George, both from Plainview, and Paulene George of here and Jackie Tyer from Tucumcari. Many out of town guests: Raymond Hance of Dallas, Bevin, Mike and Josh Ramsey of Austin, Collis of Tucumcari, O. V. and Ella Mae Barker from Bills, Jack and Lou Ann Hollister of Plainview, Buddy and Jeri Byrnes of Clovis, Eddie and Karen Thornton of Plainview, Jim and Martha Tyer from Virginia Beach, Va., Jimmy and Jackie Tyer of Tucumcari, Mike George of Athens, Robert and Moeta Smith of Austin, Donnie and Rae George of Plainview, Doc and Marie Hance of Savoy, Greg Burks from Tech.

Beulah Wright of Hereford and Mr. and Mrs. R. A. Green of Plainview were here for Cletha George's party. The Greens owned the movie theatre years and years ago.

Frances Young of Oklahoma City came in last weekend to visit her parents Mr.

and Mrs. Sam Lane. She brought Lottie Bearden home from the city. Lottie had gone for her eye checkup from recent cataract removals. She has good vision again.

Curtis and Marie Tate have had family company this past week, her mother, Mrs. J. L. Kay of Moreland, Okla., Mr. and Mrs. Cecil Kay of Bremerton, Wash., Mr. and Mrs. George Brix of Vici, Okla., Pat and Ken Truelove of Amarillo.

Leola Haberer is able to be out of the house again after several months' illness.

Mrs. Tommy Stanton or Darlene was the guest speaker and demonstrator at the meeting and buffet luncheon of the Town and Country Home Demonstration Club Thursday in the assembly room of the courthouse.

She showed how to make pretty things with dried wheat straw and the heads. You must pick the wheat in the dough stage, have the stems 12 or 14 inches long, let dry. Then when ready to work, soak in water 40 minutes. You do some kind of knot weaving. I think Darlene will exhibit her work at the Methodist bazaar and dinner Nov. 15. This was first done in England in the early 1800's.

Margaret Womack presided at the business meeting and Lynette Rials and Freida Ball gave a report on Rural Homemakers Day at the Villa Inn in Amarillo. They saw a style show and a lady gave pointers on skin care and makeup.

Carlene Long and Frieda Ball were hostesses at the dinner. They used the fall colors in table decorations. The next meeting will be at Thanksgiving time at the home of Adair Brock.

I am just now hearing of the marriage of Donna Carmichael and Jack Griffin. They had bought a new home on Sunset Circle and were married there. He works at Amstar and she at Dimco Inc.

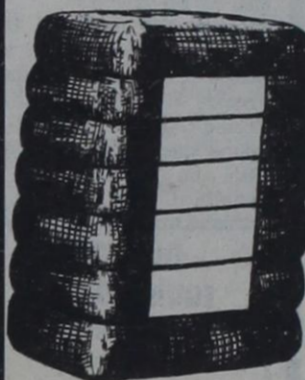

RYEGRASS provides forage high in digestibility and protein during the winter and early spring months for calf weight gain and to get cows in shape for rebreeding.

We've seen this man in action. Kent Hance — state senator. We know he listens . . . and acts . . . and leads. We need him now in Congress — a man with experience. There's a job to do — and we can count on Kent Hance for strong representation for West Texas. We need to keep good men in government. Kent Hance has proved himself a leader.

Now, let's get his brand of leadership pulling for us in Congress.

Authorized by the Kent Hance for Congress Committee, Mike Higgins, Treasurer. 1203 Metro Tower, 1220 Broadway, Lubbock, Texas 79401. A copy of our report is filed with the Federal Election Commission.

MORE and more Texas farmers and ranchers are planting winter pastures. The main reasons are that hay supplies are short due to the drouth and that winter pastures can provide high quality grazing during the winter and early spring.

Nazareth 4-H members win

Mark Huseman and Janet Huseman, 4-H Club members

from Nazareth, won top awards for their pigs shown in the Junior Livestock Show at the State Fair of Texas in Dallas, where Janet had a champion barrow for Yorkshires and Mark a champion Poland-China.

Janet's barrow was shown in the 227-pound class, where it placed first before taking the breed championship, and Mark's 223-pound Poland-China was first in its class and also its breed.

Other 4-H members from Nazareth whose barrows won places at Dallas included Frankie Huseman, fourth on Poland-Chinas in the 231-145 pound class; Mark Huseman, fifth on Durocs, 216-230 pounds.

Vote For Weldon Bradley For a Second Term

I would like to take this means of asking for your vote and support.

In presiding over the Commissioners' Court and handling all County Court cases, all Probates, and all commitments, I feel I have been fair. I will continue to do so if elected your County Judge for another term.

I will consider any problem that might arise and will act according to the law and to the best interest of all concerned.

As a taxpayer, I definitely believe that taxes should be held to a minimum.

After serving as your County Judge for four years, I feel I can do a better job in the future.

I am a Democrat.

Grain-storage program details given by ASCS

Some details of a pilot program on energy-saving grain storage, for which Castro County was selected last week, have been received by the county Agricultural Stabilization and Conservation Service office here.

Melvin Barton, ASC committee chairman, says the producers eligible for farm facility loans under current procedures will be eligible for financing solar energy grain drying systems.

These loans are offered as one of the three phases of the pilot program, which was announced by the US Department of Agriculture. Castro is one of 25 counties in nine states chosen to participate.

The program also offers loans to eligible producers on high moisture 1978-crop corn and sorghum stored on farms in wet storage facilities, and acid-treated 1978-crop corn and sorghum.

It is intended to develop a method of drying the grain which preserves it for feeding

to livestock, but does not require the high energy use of conventional methods which use liquid petroleum gas and natural gas, Barton explained.

The experimental program is a part of the USDA effort to use existing agencies to encourage conservation of energy where possible.

More details of the program are available at the county ASCS office here.

The Occupational Safety & Health Administration (OSHA) has restricted exposure of workers to toxic chemicals and metals such as benzene, lead and cadmium because of the danger of disease. But pity the poor artist. No one seems to be on the lookout for him or her.

Artists often work in cramped, poorly ventilated quarters and work with many of the same toxic substances. OSHA says it has no authority over artists. The Consumer Product Safety Commission deals only with household products. So the \$2.7 billion arts and crafts supply industry goes on largely deregulated.

OSHA has finally decided to hold a conference in Washington to gather available data on health hazards facing artists. Activities of artists closely parallel industrial processes—from printmaking, which uses dangerous solvents, to welding, use of laser beams and toxic styrene. Many paints contain lead carbonate or cadmium sulfide.

One of the few companies adequately disclosing the contents of developing chemicals is Eastman Kodak. It also has a 24 hour hot line to answer questions about its photographic chemicals. In addition, the Crayon, Water Color & Craft Institute makes sure that children's products are nontoxic.

Artists are the best control over protecting their work environment. An art teacher in Maryland has claimed in a workmen's compensation suit

that he now has aplastic anemia (a blood disorder that is frequently fatal) after exposure to benzene used as a solvent in photolithography. He is trying to recover \$70,000 in medical expenses.

Other artists are using respirators, gloves and dust masks when working around materials. They aren't sure of the danger in years to come but they aren't taking chances.

Free adult classes will begin Tuesday

Classes will be formed at 7 p.m. Tuesday in classroom 13

at Dimmitt High School, in the area of adult basic education, English as a second language and preparation for citizenship.

These classes are free of charge and are sponsored by the Regional Service Center and Dimmitt High School, according to D. H. Koeninger, high school counselor.

Purpose of the adult basic education class is to prepare the student to take the General Educational Development Test which is the certificate of equivalency for the high school diploma.

English as a second language is planned to teach the Spanish-speaking person to become more proficient in the use of English.

The citizenship class aims to prepare non-citizens to be able to pass the examination required for citizenship and to be better citizens.

200 attend Lemons rally

Approximately 200 supporters from Hart, Dimmitt and Nazareth attended a rally in the Hart School lunchroom last week for Keith Lemons, write-in candidate for county-district attorney.

Lemons spoke of his reasons for making the race for the post, and the many problems which have arisen. He said he does not want people of the county to vote for him merely because he is a native of Castro County, but only if they believe the principles he stands for.

Main speaker was Frank Gaston, Plainview attorney, who called Lemons "one of the finest, most capable and most promising lay lawyers I have met, in my opinion and the opinion of many lawyers I have spoken with."

Gaston said he has worked with Lemons about five years and "no matter where we traveled or which court we worked in, I was proud to stand by his side." He said he feels certain Lemons will someday be known as one of the finest lawyers in Texas.

Cheerleaders, the "Lemonettes" led cheers for the candidate. Music was provided by Jimmy Ray Davis, Cur-

tis Snitker, John Dalton, Travis Carruth and Dudley Aven. Vivian Bennett sang the Lemons theme song, "Write Keith Lemons On the Ballot,

Write Him In," to the tune of "She'll Be Coming 'Round the Mountain." Harold Bob Bennett was master of ceremonies.

Letter to the editor

Reader takes issue with editor's column

Dear Editor:

Generally I am able to pass off what I read in commentaries with a "grain of salt," but your editorial of Oct. 26, so near to the elections, cannot go without rebuttal.

You question how anyone could still be undecided on the candidates. When people become so disgusted with current politics, continued deficit spending, a refusal of elected officials to listen to the people, and lack of leadership on the economic front . . . they begin to consider the difficult decision of crossing party lines. They feel to continue to accept promises is foolish. They begin to see that we truly need a two-party balance. The tide is turning, and a little extra time is very appropriate.

Incidentally, why did you not criticize Dolph Briscoe, the Kennedy family and Jimmy Carter for being wealthy? Surely being in one party or the other does not mandate whether one person's wealth is good while another's is bad?

You criticize me when you label contributions across state lines as being not in the interest of TEXAS. I am trying hard to support candidates in several other states (as well as Texas) because only in that way will solid conservative representation be restored. Party again does not make the difference, it's the character of the man and his beliefs. My interest lies in support and concern for the USA, not just TEXAS.

I wonder how John Tower has been elected and re-elected for 17 years if he does not represent TEXANS, as you accuse. He is not a Democrat, he is not supported by BIG LABOR, his net worth is among the smallest in Congress. He is conservative in thought, his voting record shows integrity, his attendance is superior, and he has represented Texas well.

My "hat is off" to a man who can say "NO," who knows we cannot continue to spend and give away more than we bring in, who knows "detente" will destroy us, who does not try to put his name on legislation for mere show. Hubert Humphrey of your Democrat Party did the same, and you praised him. We are being legislated to slow and sure bankruptcy.

As for the "dirty politics" accusation, why have you not used your column to call for further investigation, rather than cover-up, on the Korea-Gate scandal, the misuse of funds in the General Services Agency, the sex scandals in Congress, etc.?

I personally am sorry the citizens of Castro County con-

tinue to receive such a biased opinion from their local editor . . . opinion is all that it is.

I strongly support Tower, Clements, Baker, and Marshall . . . because of their convictions . . . not merely their party name.

HEAT PUMP
"THE ELECTRIC SAVINGS MACHINE"

SAVING FOR THE FUTURE
Coin banks help teach children how to save for the future. You can save for the future, too, with the electric heat pump. That's why we call it the electric savings machine. This efficient heating/cooling system can deliver as much as two units of heat for every one heat unit of electricity it uses. But the savings don't stop there. With fuel costs expected to rise during the next two decades, the electric heat pump is a smart investment that will save energy today and in the future.
It's never too soon to start saving . . . with the electric heat pump. Start today before your future gets here. You'll be glad you did.

First 'shoot' slated Sunday by Fire Dept.

Do you want to win your Thanksgiving turkey instead of buying it? The Dimmitt Volunteer Fire Dept. will give you that chance with trap shoots every first and third Sunday for the rest of the year.

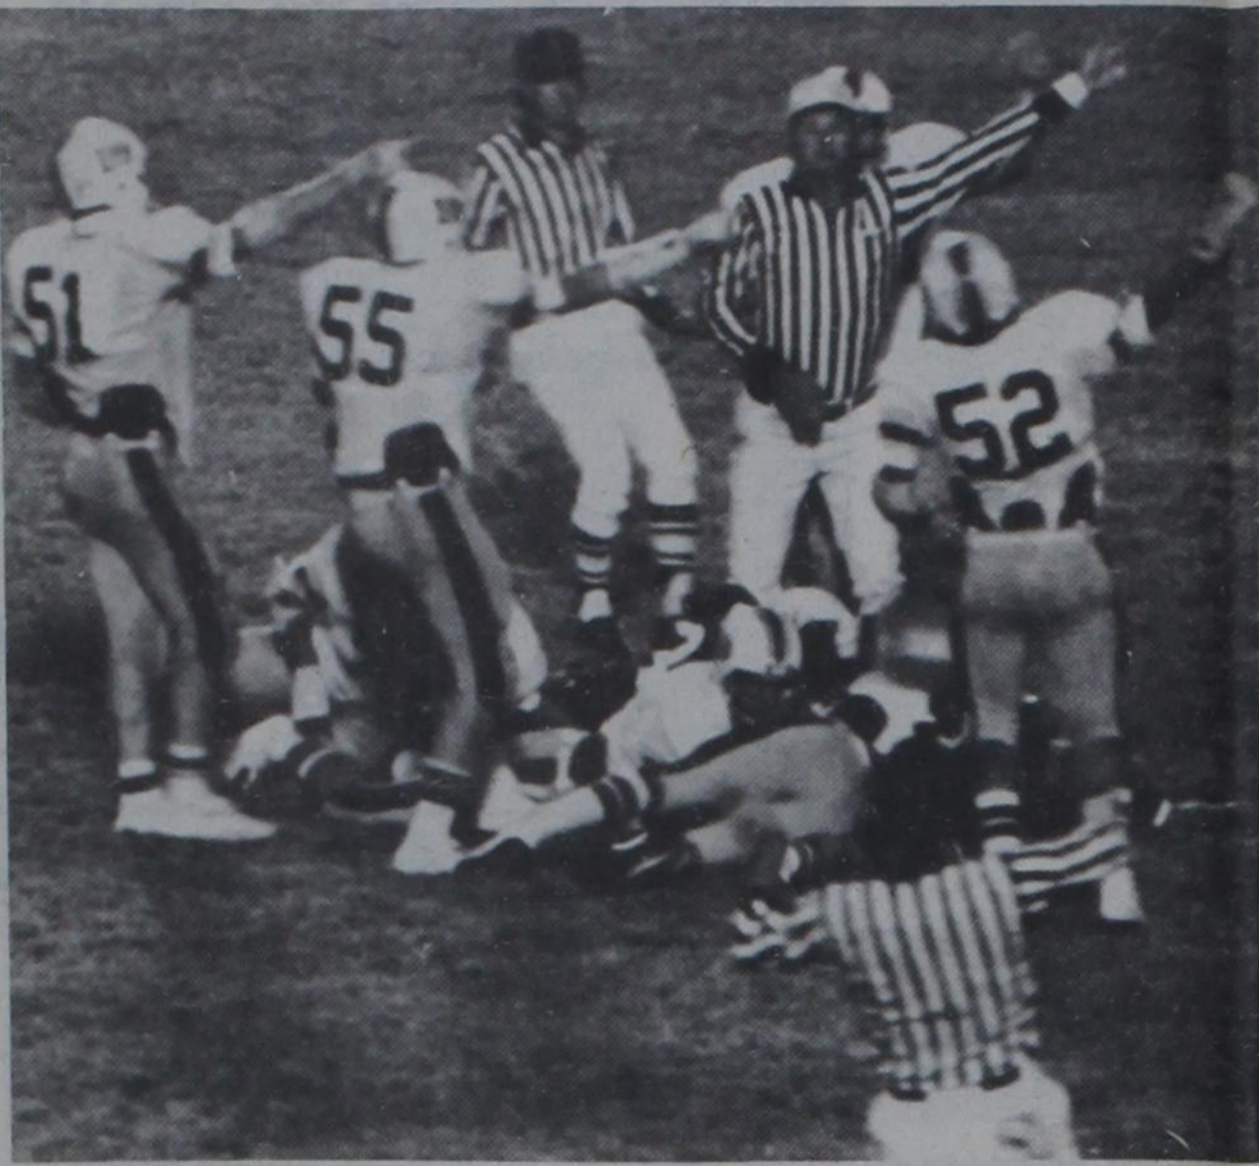

The first shoot will be Sunday, followed by another on Nov. 19. The shotgun matches will be held at the trap range at the north end of the Dimmitt Airport complex.

Firemen will award a turkey or a canned ham to the top scorer in each five-person string. Each contestant will shoot at five clay pigeons. Ties will be broken by shoot-offs, and winners will be handicapped in subsequent strings.

Entry fee is \$3 per shooter per string.

There will be special strings for women and youngsters if enough show up to make a match, chairman Tommy Cleavinger said.

The firemen will have trap-load shotgun shells for sale at the range, or contestants may bring their own, Cleavinger said.

MAJORITY VOTE—Dimmitt's Norris Cole [51], Kelly Nelson [55] and Emilio Sandoval [52] give the head referee a little help in signaling Dimmitt's ball after Jimmy Stewart had recovered an Olton fumble at the

Mustangs' 45-yard line in the third quarter of Friday night's District 3-AA encounter at Olton. The Bobcats won the thriller, 20-18, to spoil Olton's homecoming.

COMPARE

THE PLATFORMS

A comparison of the party platforms adopted this year by the Democrats at their state convention in Fort Worth and by the Republicans at their state convention in Dallas

DEMOCRATIC

REPUBLICAN

ENERGY

Recognizes that "Texas has a unique position and responsibility within the field of energy," and urges support of deregulation of oil and gas pricing.

"We urge state officials to use their persuasive powers to convince the president and Congress that price deregulation is a major part of the answer to reducing the nation's dependency on foreign oil, the chief cause of inflation."

Calls for "state assistance to the development of alternate energy sources, including solar, geothermal, nuclear and wind."

ENERGY

Supports an energy program that emphasizes increased production, research and development and conservation.

Urges the continuation of the Texas Railroad Commission in regulating energy supplies, calls on other states to do their share in production of energy, and supports immediate deregulation of the price of natural gas.

RIGHT TO WORK

No such plank.

RIGHT TO WORK

Calls for a continuation of the law, and asks that it be made a part of the state constitution.

Opposes any provision that striking workers be given unemployment compensation or food stamps, and urges a change in the law that would prohibit any employee from having to pay union dues if he did not belong to a union, but worked where one was representing workers.

TAXES

Opposes new or additional state taxes. Supports improved state budget management directed at eliminating waste in state government, promoting productivity and assigning higher priority to educational and law enforcement needs.

"As an example to the federal government, we urge the continuation of the 'pay as we go' policy that provides Texans with a deficit free state government."

Calls for support of the proposed "tax relief amendment" adopted during a special session of the Legislature last summer.

Urges "development of a property tax administration system which insures equity and fairness to all Texas property tax payers."

TAXES

Urges a one-third cut in federal taxes and a year's delay, at least, in the implementation of the social security tax increase.

Calls for a constitutional ban on a state income tax, would allow taxpayers to call an election to consider a tax increase recommended by the local governmental entity, and asks that the constitution be amended to give citizens the right of initiative and referendum.

STATE BUDGET MANAGEMENT (INFLATION)

It is under this plank that the Democrats address the question of inflation.

"Inflation has become our nation's worst enemy. Government waste is a primary cause of inflation. We support efforts to eliminate waste at all levels of government."

Calls for a constitutional amendment to give the governor authority to review state budgets, pledges to support the Sunset Law and its advisory commission, and calls for a "coordinated approach to planning by local elected officials."

INFLATION

Calls for a balanced budget because "inflation robs every wage earner and consumer, regardless of means and destroys jobs."

Urges a delay in the scheduled increases in the minimum wage, and supports an "overall review and reduction in the level of government bureaucracy, regulations and paperwork."

CRIMINAL JUSTICE

Calls for "improved pay and benefits for state law enforcement officers, says that "respect for the law and the men and women who enforce the law is a primary deterrent to crime" and condemns "official oppression on the part of any law enforcement officer."

CRIMINAL JUSTICE

Supports fixed-length sentencing, and urges legislation that would require criminals to serve at least one-third of their sentences or 20 years, whichever is less.

Calls for a "new category of imprisonment without the possibility of parole for particularly heinous or violent crimes."

RIGHT TO BEAR ARMS

No such plank.

RIGHT TO BEAR ARMS

Opposes any form of gun control or regulation.

EDUCATION

Pledges support of quality education for all Texans, "regardless of economic background, race or geography." Terms unfair the "present method of financing public elementary and secondary education. Uneven geographical distribution of taxable wealth produces unacceptable differences in the kind and quality of education for students and unequal tax burdens."

Urges that "first-rate teachers be paid fair salaries, (and) continued support (for) state assistance for bilingual education."

Pledges continuing support for "state assistance for occupational education (and) continued assistance for special education for the physically and mentally handicapped, the educationally deprived and the gifted."

EDUCATION

Calls on the Legislature to give top priority to education and equitable financing of the public schools systems.

Supports local control of the schools, calls for proficiency testing of teachers and students, opposes legislation that would call for arbitration between teachers and school boards.

Calls for legislation that would provide that no student "be assigned to a school because of race, color or creed," urges that students in public schools be allowed to pray silently, and urges school boards not to hire declared homosexuals.

AGRICULTURE

Recognizes that the state's economy "is built on a strong agricultural foundation," and pledges support of new water resources and state funding for pest control methods, and calls on the Congress to "guarantee agricultural prices at levels equal to 100 percent parity."

Calls for the elimination of "unfair competition to Texas farm products from cheap foreign imports," and urges development of "interstate compacts to address specific agriculture problems common to several states."

NATIONAL SECURITY AND DEFENSE

No such plank.

AGRICULTURE

Recognizes that years of market interference and over-regulation by government jeopardizes the industry, and that the inordinate demands of organized labor contribute to rising retail food costs. Urges vigorous pursuit of export markets, relief from the burdens of overregulation, enforcement of laws against unfair trade practices in agriculture, and ensuring that agriculture's use of energy retains priority.

NATIONAL SECURITY AND DEFENSE

Notes that "a strong national defense is the best deterrent to aggression," blames Democrats for having "squandered every opportunity to demonstrate its commitment to peace through strength," and calls for increased spending for defense.

WATER

Calls for "our water problems (to be) dealt with on a regional basis," and argues that the so-called "Texas Water Plan" proposed more than a decade ago by the Legislature "should become a plan which attempts to solve water problems on a regional basis."

Calls for additional water research programs to be coordinated by the State Department of Water Development.

No such plank.

WATER

By resolution delegates went on record as opposed to any form of mandatory health insurance.

HEALTH CARE

Allows that "Texas has traditionally provided care and assistance for many mentally ill and retarded citizens, for persons afflicted with certain communicable diseases, for handicapped citizens, and for many elderly persons in need of health care."

Calls for legislation that would "provide a system of certification for registered nurses and other professional health care providers."

HUMAN RIGHTS

Urges extension of the deadline for approval of the Equal Rights Amendment, and pledges support of the "establishment of a statutory Commission on the Status of Women."

HUMAN RESOURCES

Promises a fight to end child abuse, pledges support of state assistance for the needy elderly, and says the Legislature should "encourage development of child care facilities throughout the state."

Delegates by resolution urged senate rejection of extension of deadline for Equal Rights Amendment.

HUMAN RIGHTS

Delegates by resolution urged senate rejection of extension of deadline for Equal Rights Amendment.

HUMAN RESOURCES

No such plank.

ETHICS

No such plank.

NATIONAL ISSUES APPROVED BY RESOLUTION

Approval by state convention for a republican presidential preference primary in 1980.

A resolution was passed calling for the elimination of all government funds for literature which promotes sexual promiscuity, homosexuality, use of contraceptives by minors, or the use of abortion as a method of birth control.

Publication of these party platforms paid for by local Republicans and Democrats through contributions to the Castro County Republican Committee and the Castro County Democratic Committee

Nazareth

Youth entertain elderly

By VIRGIE GERBER
The Nazareth CYO is to be commended for the wonderful evening they provided for the Golden Agers of the community. The salad supper and ice cream were delicious, the guitar music and singing by the members was really enjoyable.
Sabrina and Terrell Pohlmeier spent a week with grandparents, the Arnold Husemans and Philip Pohlmeiers, while their parents, Ralph and Emaline Pohlmeier of Yukon, Okla. flew to Tampa, Fla. for an electronics convention and lots of sight-seeing.
Derwin Huseman, a starting linebacker on the West Texas junior varsity team, was unable to play in the Shrine Bowl game against Texas Tech junior varsity Oct. 26 because of a knee injury.
Magdalen Stengel and daughter Coletta from Paris, Ark. and Sister Javita Stengel of Fort Smith, Ark. visited their relatives Sisters Marcella and Adrian last week. They showed them an enjoyable time by taking them to Palo Duro Canyon. Coming from the foothills of the Ozark Mountains they were fascinated by the vast farm areas and the flatness of the land.
LeRoy and Dorothy Pohlmeier spent several days in Colorado Springs with the Tommy Conrad family and in Center, Colo. with the Lyn Bogle family.
A number of people from Nazareth enjoyed the barbecue supper and dance at St. William's community hall in Tulia Saturday evening. The Rough Riders band from Nazareth furnished the music during the supper and for dancing.
Donna and Larry Charanza and sons Kris and Bryan of Cameron spent several days with the Albert Gerber family. Also spending Sunday with the Gerbers were the Jim Hoelling family, the Charley Hill family of Dimmitt, Rick Gerber, Robbie Albracht, Ted Benson, Evelyn Hill, Paul Clover and Sharon Ingraham, all of Lubbock.
The Christian Mothers Society is again preparing for the annual Thanksgiving dinner, dance and raffle Nov. 19. Everyone is urged to make plans to attend and invite your neighbors.
Members of the Third Order of St. Francis enjoyed a pot luck supper after their meeting Tuesday evening. Special guests were Father Stanley, Father Geno of Clovis, N.M., Friar Pat of Dayton, Ohio, Miss Fesson and Mrs. Richardson of Amarillo.
Mr. and Mrs. Greg Hoelting are in Colorado visiting their sons and families.
Rex Ramaekers and Roger Gerber are vacationing in California.
The families of Mrs. Dora Albracht enjoyed a turkey dinner in her home Sunday.
Everyone remember to vote Tuesday, Nov. 7.

Frio

Puppeteers unveil plays

By MRS. OWEN ANDREWS
A group of young people, the Puppeteers of Frio Baptist Church, enacted their plays for the church on Sunday evening. This is a program they have been practicing for some time. Recently they took the plays to Texico First Baptist Church to perform. Those making up the group were Juanita and Barbara Kendrick, Robbie and Dede Dobbins, Terri Harkins, Gennie and Tory Self, Kim Manion, Debbie Rogers, Kevin Sparkman, Robin Baldwin, Tammie Tims and Shelley Frye. Mrs. Bobby Kendrick is adult supervisor. Others helping with the group going to Texico were Bobby Kendrick, Mr. and Mrs. Billy Warrick, Mr. and Mrs. Richard Sims and Mrs. Robert Dobbins. Musical background for the plays was taped by Percy Mayes.
Patty Robbins was here last week for a visit with her parents, the Frank Robbins, and others of the family. She lives in Tyler where she is assistant manager of a ladies clothing store.
Several of the Andrews relatives have visited Fred Andrews of Melrose, N.M., as he has been seriously ill for two or three weeks. He is in Roosevelt General Hospital, Portales, N.M.
Visiting the Lloyd Shultz and Ray Shultz families last week were their brother Armon Shultz and his wife of Mena, Ark.
The community took note of the passing of Fred Axe last week. His funeral was in Presbyterian Church, Hereford, Monday morning. Fred was the middle child of the seven born to Mr. and Mrs. F. J. Axe, pioneer family of this area. He grew up in this community and was graduated from Hereford High School in 1929. He was married to Thelma Holly of Happy in

1941. She was a school teacher and had taught in Frio School prior to their marriage. They farmed their place near the family home for most of the years after their marriage, moving to Vinita, Okla. about three years ago and then back to Canyon last May. In addition to his parents, he was preceded in death by an infant sister and two brothers, Bob and Ray. His wife and brothers, Lynn of Vega, Milburn of Hereford and Andy of this community, survive him.
Mr. Hugh Ritch of Plainview and also a former resident of this community passed away last week. Services were in Plainview Monday afternoon. His wife, his daughter, Mrs. Arthur Clark of this community, as well as sons, Hugh L. of Clovis and Thomas A. of Roswell, survive him. The Ritch family has had farms in this community for a good many years and have lived here from time to time, while he and Mrs. Ritch took much interest in farming and other activities here.

Membership meeting announced for VFW

A meeting of members of the Veterans of Foreign Wars Post 8056 at 8:30 p.m. Nov. 10 has been called by Reece Kesler, who was elected post commander after the recent resignation of Harold Portwood.
Purpose of the meeting will be to check eligibility of members and officers of the post, Kesler said. Eligibility according to the constitution and by-laws of the national VFW will be inspected, he added.
"It has come to my attention that there might be discrepancy and possibility of ineligibility," Kesler said. "As a special concern of every member of the post, I recommend at this time that all members show proof of eligibility."
Kesler asks that each member bring his discharge or DD-214 from military service to the meeting.
"We welcome all veterans to post activities," he emphasized.
Members of the Dimmitt post will be represented at the convention of District 13 VFW at Canyon this weekend.

Toastmasters hold area speech contest here

Trellis Summers of Dimmitt and B. J. Gilliland of Hereford were first place winners in the Area Six Toastmasters club meeting in Dimmitt Sunday for the annual Humorous Speech Contest. They will advance to a district contest at Odessa Nov. 11.
Summers' award winning speech was "The Country Store," other humorous speeches were: "Misunderstanding" by Phil Rough, Tulia Toastmasters; "The Kicking Game", Clyde Bonner, Hereford; "Sad Sack," Jess West, Plainview.
Gilliland won on an evaluation contest on a target speech entitled "Courage." Wayne Collins of Dimmitt's Toastmasters Club took second place.
Dale Wells, Dimmitt, was master of ceremonies and Bill Allen of Hereford presided over the meeting.
District Governor Scott Ed-

ward, announced the District Speech contest in Odessa Nov. 11. The Area Six winners will compete against the other five areas in District 44.

Mr. and Mr. Leodegario Gonzalez of Hereford are the parents of a boy. Born Oct. 29, he has been named Cesar and weighed 6 pounds, 13 ounces.
THE first book matches were made by the Diamond Match Co. in 1896.

Sister's rites are conducted

Funeral services were held Wednesday for Mrs. Sarah V. Day of Amarillo, sister of Mrs. Geneva Dennis of Dimmitt. Burial was in Fairview Cemetery at Memphis after the service in an Amarillo funeral chapel.
Mrs. Day was born in Stockton, Mo., and moved to Amarillo in 1920. Her husband died in 1965.
Mrs. Day is survived by two sons, four sisters, one brother, seven grandchildren and one great-grandchild.

A Government
... that promises to give you everything for free, may cost you a lot.
VOTE REPUBLICAN TUESDAY!

I'm Sam Killough.

The time is near now when we must go to the polls on Nov. 7 to cast our secret ballots for the candidates of our choice. This is our American heritage, privilege, and duty to do so.
I am Sam Killough, a write-in candidate for Castro County Judge, asking you, the people, to vote for me. I will do my best to make you proud of your County Judge's office.
If elected your County Judge, I pledge you my full-time efforts working with the people and for the people of Castro County. I will not forget that even though Dimmitt is the county seat of Castro County, there are other towns and communities in this county—Arney, Bethel, Big Square, Dodd, Easter, Flagg, Hart, Jumbo, Nazareth, Summerfield and Sunnyside. I will give just as much attention to you as I will the people that live in your county seat.
My age is 46. I married Gracie Fotheringham in 1969. We have two children, Faye, 7, and Christie, 4. I have lived in Castro County for more than 20 years of my life.
I believe in the future of Castro County. I believe in keeping our agriculture and our industry strong. I believe in giving special attention to our young people and to our senior citizens. I also believe in strong law enforcement, and I think that it is important to keep an open mind about all county matters. I believe you are entitled to receive full benefit for every county tax dollar that you spend. I believe that your elected officials should represent the best interests of all the people of the county. If you agree with me on these things, I hope that you will write in the name SAM KILLOUGH for Castro County Judge on Nov. 7.
People that do not know me have asked why I did not enter the primary election. The reason is simple. I was involved in a traffic accident in 1975 and left with a severe ankle injury. Two days after the Primary filing deadline, my doctors in Lubbock had scheduled me for surgery which, by the way, was very successful. After spending three years in a wheelchair, once again I will return to walking by December. However, if you remember, I did announce before the Primary election that I would run in the General Election as a write-in candidate.
I have worked very hard in this campaign trying to reach each voter one way or the other. It is very hard to see and to talk to about 5,000 voters. Let this be your personal letter or invitation to vote for me. During this campaign, I have not accepted contributions from any individual or group.
To cast a vote for me on the General Election ballot, look for "Office of County Judge" in the left-hand

column, then go across to the last column on the right side and write SAM KILLOUGH in the space provided. REMEMBER: Write KILLOUGH IN THE RIGHT.
If you will elect me your County Judge, I promise you that I will not let case after case pile up untried. I will take care of county business that has not been taken care of for the last four years.

Thank you,
SAM KILLOUGH

Dimmitt 7-A downs Olton with third shutout victory

Stretching its season record to 4-1, Dimmitt's 7-A football squad downed Olton 8-0 at Olton last Thursday, the third shutout for the local boys. The 8-A team also played at Olton, dropping a 14-6 decision.

Both the A-teams from Dimmitt Middle School will host Morton today (Thursday) with games at 4:30 and 5:30 p.m.

Dimmitt scored the only touchdown in the 7-A game with 17 seconds left in the first half on a flea-flicker play by Dwight McDonald and Robert Nelson, then Scott Simpson ran the two-point conversion.

Dimmitt held Olton to a lone first down in a game marked by good defensive play on both sides. Roy Tijerina kept Olton in a hole throughout the game with his long punts. David Barton, Gilbert Dominguez and Mark Bruegel were also mentioned by Coach Shott Miller as standouts on defense.

graders again, as the ball was pushed past the 15-yard line twice but scoring efforts failed. In the second half Dimmitt had the ball on offense for a total of only three minutes.

Dimmitt scored in the second quarter when a blocked punt was picked up at the ten and run in by Johnny Gonzales. Both Olton scores came in the final quarter.

Named on offense by Coach Jerry Durham were Richard Guzman and Joe Martinez; on defense, David Ogas, Ray Owen and Gonzales.

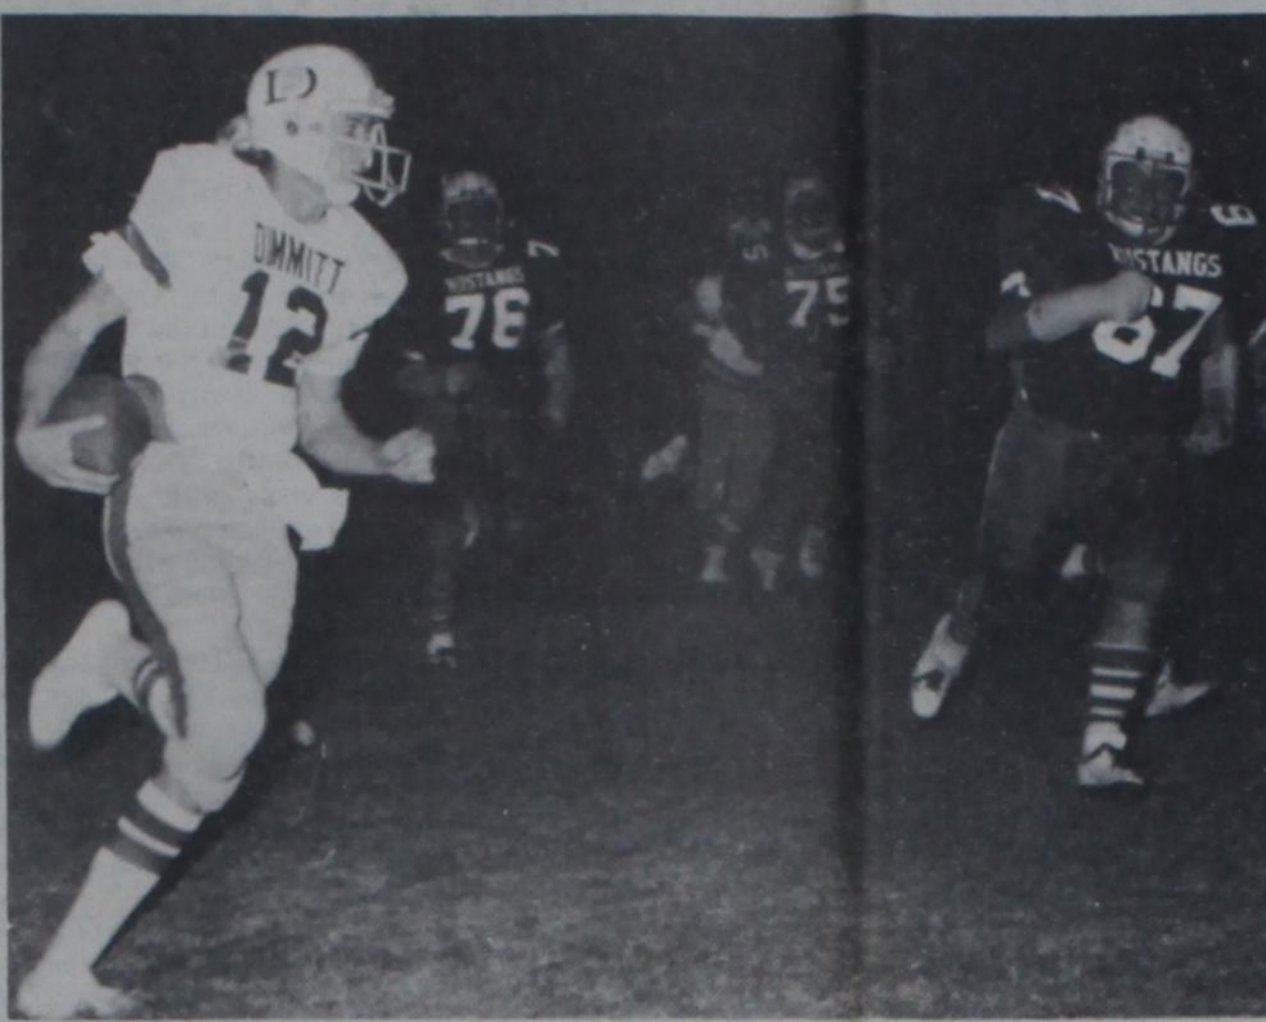

Assistance in state taxes is offered

A representative from the state comptroller's Plainview office will be in Dimmitt Nov. 14 to assist local taxpayers and answer questions about state taxes.

Enforcement Officer Benito Rocha will meet with local taxpayers at the Castro County courthouse from 10 a.m. to 12 p.m., according to Comptroller Bob Bullock.

"If Dimmitt-area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Rocha will be there to assist them," Bullock said.

Cole cited as Player of Week

Norris Cole, a two-way tackle for the Dimmitt Bobcats, was awarded this week's Amarillo Globe-News area

Class AA honor as player of the week for his efforts in last Friday's 20-18 upset of Olton.

The 195-pounder had competition for this week's honor from Canadian's Dale Schaffer, Boys Ranch's Eddie Taylor and Friona's Kevin Kothmann.

Players from Dimmitt receiving honorable mention were Jack Stewart, Dennis Veals and Larry Bossett.

Cole had an 80 percent night on offense, and he led in tackles with 11 and caused an Olton fumble for one of his best efforts on defense. The game was probably his finest both ways, Coach Jerry Vance said.

Veals, who was the Globe-News Player of the Week earlier in October, carried the ball 27 times, gained 115 yards and scored twice. Bossett, a two-way starter, caught a 35-yard scoring pass and also another toss. Stewart threw the touchdown pass, made 48 yards on eight carries and turned in a 40-yard average on five punts.

THE Pentathlon was started in 1912 as an event suitable for military officers.

Two choirs entertain

The vocal talents of Doug Henry's high school and junior high choirs entertained the Dimmitt Rotarians at their Friday noon meeting in the Colonial Inn Restaurant.

Among the songs led by Henry were "Camelot" and "The Time is Come." Accompaniment was by Faun Welker and Dwight Joiner, pianists.

After their performance, Henry explained that the choir participates in activities other than group programs. Students also sing solos, and some are now trying out for honor choir.

Gary Moore introduced the student musicians for their program, heard by club members and guests who included their wives on the Rotarians' monthly Ladies Day.

Letter to the editor Demo committeewoman fires back at critic

Dear Editor:

This is an unsolicited reply to an "unsolicited" letter (from Kenneth Dellis of San Diego, Calif.) that appeared in your Oct 12 issue.

For the life of me, I can't understand why someone would come all the way from California to attend a meeting to which only the precinct chairmen were invited! It was an executive meeting of the Democratic Party for the purpose of being instructed by the party attorney as to the legal status on the Davis-Lemons controversy, as you put it.

We are not a governing body, and were entitled to a closed meeting with our attorney. Everything that was discussed and brought before the committee had been approved previous to the meeting by the Secretary of State's office. It was not a "political rally," but it seems to me Mr. Lemons tried to turn it into one.

You questioned Mr. Wylie's knowledge of the Election Code, but it seems to me you didn't observe the rule of common courtesy, and your knowledge of the Code and parliamentary procedure is rather clouded.

Another thing you mentioned was the chair "bit." Well, I beg your pardon, but Mr. Lemons had a chair—he used it for his tape recorder. After taking the recorder from the chair, he could have used it, but he chose to stand in front.

If you thought Mr. Wylie was angry, you should have asked some of the committee members how they felt about the situation, and you would have found some of the rest of us mad, too, when we realized we were being pushed around by some of those who were present. As our attorney, Mr. Miller, had the authority to answer any and all of our questions and add any pertinent information he had.

As for Mr. Lemons, don't you really feel he shouldn't have been there in the first place? Does he belong to the Executive Committee? The person I really felt sorry for was Mr. Glenn Reed.

Here is a thought for you: "It seems to me when I lose

my image, I get what I ask for."

I have been a precinct chairman for about 22 years, and I must say I have never seen this happen before.

Don Howell goes on Navy cruise

Navy Chief Navy Counselor Don W. Howell, son of Mr. and Mrs. Henry Howell of Dimmitt, is currently on an extended deployment in the Western Pacific and Indian Ocean.

He is assigned to Fighter Squadron Two, based at Miramar Naval Air Station, San Diego. The one month, routine excursion into the Indian Ocean is in keeping with US policy of conducting naval operations in international waters.

A 1957 graduate of Dimmitt High School, Howell joined the Navy in November 1957.

DHS speech students go to tourney

Six Dimmitt High School speech students participated in the Lubbock Coronado speech tournament last weekend, Brenda McClellan, speech instructor, reported.

Julie Maples made it to the semi-finals on three points in poetry.

Also participating were Junior Mendez in prose, Cuca Ortega in persuasion, Ricky Rickerd in poetry, Norma Trigo in informative speaking and Kevin Spinhirne in prose.

In individual rounds of competition the students ranked as high as second place and none of them ranked any lower than six out of eight.

Lubbock, Tascosa, Midland, Palo Duro and Canyon High Schools were also in the competition.

"I was very surprised and proud of each of them," said Mrs. McClellan, "as none of them had ever been to a tournament of any kind before."

STEVE STONE [arrow] returns the ball to Dimmitt's 48-yard line after intercepting an Olton pass in the fourth quarter of Friday night's Bobcat-Mustang tilt in Olton. At this point the Bobcats were making the Mustangs' lives miserable—they were leading by 20-12, and Dimmitt's line

had just sacked Olton's quarterback for a 10-yard loss before Stone intercepted this pass. Olton finally scored again with 1:24 remaining, but the Bobcats preserved the victory by stopping the Mustangs' two-point conversion attempt.

Cats turn back Olton, 20-18

By JIMMIE CHAPMAN

Dimmitt linemen Kyle Wise and Elias Perez stopped a two-point conversion try by the Olton Mustangs with 1:24 left in the game to preserve a 20-18 victory for the Bobcats and spoil Olton's homecoming Friday night. It was Olton's first district loss, and put Dimmitt back into the running for a playoff spot.

The Mustangs, trailing by 20-12, had driven 62 yards to get back into the ball game, and a two-point conversion could have tied the score at 20-20. But when Quarterback Vance Stroebel faked to full-back Charles Brown and half-back Brad Allcorn, then rolled out around the right side, he found Wise and Perez waiting. They stopped him at the 2-yard line.

Littlefield, Dimmitt, Friona and Olton now stand at 1-1 in district play behind Muleshoe, which is 2-0. Morton holds down the cellar spot with an 0-2 record. The Indians will host the Cats this week, and they always play tough against Dimmitt.

Olton scored on its first two possessions Friday night to take a 12-0 lead, but the Cats scored in the second, third and final periods while holding Olton to the last-minute TD.

The Mustangs drove 40 yards for the first score of the game, with Charles Brown smashing over from the 4-yard line. Brad Allcorn missed the extra point, and Olton led 6-0 with 5:15 left in the opening period.

A pass interception by Allcorn, followed by a 38-yard romp to Dimmitt's 1-yard line by Brown, set up Olton's second TD. Allcorn scored on a one-yard plunge, then missed again on his second PAT kick, and Olton had a 12-0 lead when the first quarter ended.

Dimmitt punted on its first play of the second quarter, and Stewart got off a beauty that went 53 yards to the Olton 31. After Allcorn gained three yards on the first play, he fumbled the ball on his second attempt when he was hit by four Bobcat defenders and Jimmy Stewart pounced on it at the Olton 38-yard line to give the Cats their first good field position.

On first down, Stewart went back to pass and with no one open, kept and went down the

right sidelines for 27 yards to the Olton 11 with the benefit of some good blocking.

Veals gained four yards on the next play and Olton was penalized half the distance to the goal line to put the ball between the three and four yard line. Veals went over the middle on the next play for the TD and after Tony Gonzales kicked the extra point, the score was tightened to 12-7 with 9:25 left in the

The teams exchanged punts—one a 59-yarder by Stewart before the first-half buzzer sounded.

Olton came out strong in the third period and moved the ball from its own 19-yard line to the Bobcats' 22 on nothing but ground plays before the Cats put a stop to it and a third down pass went incomplete. Allcorn tried a 41 yard field goal that was no good.

Dimmitt ran what might be called the "V" formation the entire second half as Dennis Veals ran with the ball every play except two.

Jimmy Stewart got Dimmitt good field position late in the third quarter when he fell on a Stroebel fumble on the Olton 45. Veals ran three times and gained 10 yards before Jack Stewart hit Larry Bossett with the pass that was good for 35 yards and the score.

Bossett made a sensational

catch of the pass, barely getting it by the fingertips and going into the end zone. Gonzales booted the extra point and with 2:09 left in the third quarter, Dimmitt was ahead for the first time at 14-12.

Dimmitt had the ball on its own 40 when the final period began, after holding the Mustangs and forcing a punt.

The Cats moved to the Olton 30, then Veals set sail down the right sideline to score the clinching TD, running over two Olton defenders on the way.

Olton homecoming fans were stunned but hope was revived when Gonzales failed to get the kick off for the extra point and the Mustangs trailed by only 8 which meant there was still hope and 8:13 left on the clock.

Olton tried everything the next time it got the ball, even a fake punt on fourth down that worked, but on the next play Elias Perez came in and threw Stroebel for a 10-yard loss that forced the Mustangs to the air.

Steve Stone, 130-pound junior, grabbed off Stroebel's first pass at the 30 and ran it back to midfield, but again a clipping penalty put the Cats back to their 31 with 4:58 left.

After the "V" formation failed to gain enough for a first down in three plays, Stewart punted again, this time a 30-yarder to the Olton 38. From here with 2:42 left on the clock, the fireworks began.

On third down Stroebel hit end Johnny Hernandez with a pass that looked like it was going all the way, but Veals in his safety position dropped him at the Dimmitt 21 on an open field tackle. The pass had gained 45 yards for the Mustangs and 1:41 was left on the clock.

Dimmitt was penalized to the 11-yard line on the next play after having sacked Stroebel for a loss and Danny Garcia circled right end for the score. There was time called by both teams and with 1:24 left on the clock, Wise and Perez sacked up Stroebel on his keeper and it looked like it was all over.

Because the outside kick went out of bounds, no time ran off the clock but the Bobcats had the ball on their 36 and Olton had only one time out left. Veals tried twice into the line and Stewart gained one before everything got messed up.

The final 29 seconds ran out before the Bobcats' fourth-down play, but the officials had the clock reset to show four seconds because of the 25-second time limit between plays. Stewart took the snap, faded and dropped to his knees to run out the clock—but a Mustang player touched him with a second left, and that constituted an exchange of the ball and stopped the clock again. Olton got the ball for one final play.

Brad Allcorn stepped onto the field to try a 48-yard field goal. The kick got off but it

was wide, short and no good. Now Dimmitt had won the game.

It was probably the longest last 1:24 of a game that had been played in high school.

The Mustangs had the statistical battle won, but not the score. Veals had run with the ball 29 times for a total of 106 yards and Jack Stewart had gained 46 on his 6 carries to get all of the Bobcat yardage

except four that Jimmy Stewart chipped in in the first half. Bossett had run three times for a minus four yards but his two pass receptions kept the Cats alive at important times.

Olton's yardage was distributed between Allcorn (15 for 57), Stroebel (12 for 17) and Brown (14 for 77). The leader for the Mustangs, however, was 135-pound Danny Garcia who gained 93 yards on only seven tries.

Owls pounce on fumbles to defeat Swifts, 22-14

By PATRICIA KERN

The Silvertown Owls recovered six Swift fumbles and turned two of them into touchdowns for a 22-14 win over Nazareth Friday in the Swifts' last home game of the season.

With seven original starters sidelined, including three quarterbacks, the Swifts went into the game with Johnny Steffens calling the plays, and most of the team members at positions they were playing for the first time.

Kenny Gerber scored the Swifts' first touchdown after Neal Wilhelm recovered a Silvertown fumble on the 39-yard line. Gerber caught the pass from Steffens on the next play with 3:30 remaining in the first stanza.

Despite two fumble recoveries on the Swift end of the field early in the second quarter, Silvertown didn't score until Kirk Durham picked up a fumbled snap and carried it 27 yards to the end zone. Vic Couch missed the PAT kick after an illegal procedure penalty, and Nazareth held a 7-6 edge with 5:40 remaining until halftime.

Durham, who picked up 161 yards for the Owls during the game, capped a 60-yard scoring drive with a four-yard TD run to give the Owls a 13-7 lead at the half.

The second half began with a bad omen for the Swifts—another lost fumble which Sil-

vertown took to the 10-yard line, then kicked a field goal after the Swift defense stopped the drive.

Nazareth got a break with 40 seconds left in the third quarter when Couch fumbled a snap and Norman Gerber recovered the ball in the end zone. Huseman added the extra point to make it 14-16, with the Owls ahead by two.

At the beginning of the fourth quarter, Silvertown recovered a fumble after Gerber dropped a fair catch, and with 10:30 remaining in the game Kyle Bean took it in from seven yards out to make the final eight-point margin. "Our offense did pretty good considering our quarterback was starting center two weeks ago," commented Coach Eddie Hooper.

Steffens threw for 83 yards during the game. Randy Huseman was also moved—from his tackle position to fullback—because of the injured players in the backfield.

"It was our fumbles that beat us," Hooper said. "You can't win if you give it away twice 30 yards from the goal."

Six Nazareth starters are still out with injuries: DeWayne Acker, Dale Wilhelm, Jimmy Huseman, Chris Hatla, Dewayne Heck and Stanley Hoelting. Acker, Wilhelm and Huseman may return for the last game, but Hoelting, Heck and Hatla are out with a knee

injury, a broken foot and a separated collarbone, respectively.

Randy Huseman, Kenny Gerber and Neal Wilhelm played for the last time at Swift Stadium Friday night. Huseman and Hoelting are sidelined, but are also seniors.

These seniors have two games left as Nazareth players—Motley County this Friday, and Happy next week, both away games.

CLOSING! CLOSING! CLOSING!

DOC'S HEALTH CENTER is closing for the winter unless enough people of this area decide to come for a checkup and treatment, and keep us so busy we won't have time to close. You feel better to know how good your health is and we can tell you pretty close in about 15 minutes. And no cost unless you wish a treatment. If you are sick see your doctor; we have two good ones in Dimmitt. We would like to have enough appointments booked for 10 treatments or more a day. Since the time change we have changed our office hours: **Open 9 to 12 a.m., 1 to 7 p.m.,** later if necessary. Anyone can take a little time during the week for a checkup on their health, because the longer they wait the more treatments it will take. Some have waited too long but are getting better and are glad they came. We treat arthritis, cataracts, headaches, sinus, prostate gland trouble, and several other ailments. Come in groups of four or more if you have about two hours to spare. One hour will be long enough for two people. We have books here you can read while here furnishing information on how to treat almost any ailment without drugs. People over 65 get one treatment free. If we cannot help you, we will tell you, but come and bring someone with you. We will also show you how to treat yourself and how to stay healthier this winter. Come and get tuned up for the winter. Call for your appointment today, tomorrow or the next day. Anyone in Hart, Nazareth or anywhere in the county or driving distance is welcome. Tell your friends to come. We like company out here. Ph. 647-2222.

Young Farmers plan program

Dimmitt Young Farmers will hear a program on scabies and the incidence of that cattle disease in this area at a meeting at 8 p.m. today (Thursday). Edgar Dennis will be the guest speaker. The meeting will be in the ag building at Dimmitt High School.

TO WED SOON—Lesa Hawkins and Joe Flores of Hart plan to be married Nov. 11 in a ceremony at the First United Methodist Church at Hart. Parents of the couple are Mr. and Mrs. Robert Hawkins of Hart, Mr. and Mrs. Jesse Flores Sr. of Plainview, former Hart and Dimmitt residents. Miss Hawkins graduated from Hart High School last spring. Flores, a farmer in the Hart community, was a 1977 graduate.

Costume party is given for STC clients

Bursting balloons, musical chairs and a costume parade helped fill an evening of fun for the guests of the Satellite Training and Work Center Friday at a costume party. Bobbing for apples brought wet heads and lots of laughs. Apples were donated by the Adult Sunday School Class of First Baptist Church. Baptist Young Women of Sunnyside Baptist Church made popcorn balls. Mrs. J. M. Scott donated milk and the United Way furnished decorations and paper goods. Students of the center made chocolate milk and pumpkin cookies.

Gay Sadler, Louise Bradley and Phyllis Bridges were there to help Norma Conard host the party. Talia Work Center and Hart Boys in Sheltered Living were out-of-town guests.

ROW lunch and program scheduled

Evaluation of work done to support Republican candidates in the general election will be a part of the program for the Castro County Republican Organization for Women at its meeting Nov. 8 in the Colonial Inn.

The noon meeting will be for a Dutch treat lunch and the program directed by Marguerite McLain. Plans will be finalized for a Christmas Tour of Homes which the ROW will sponsor in Dimmitt on a date during the holiday season.

Book Club silver tea announced

The Dimmitt Book Club will hold its annual Silver Tea Wednesday at the Rhoads Memorial Library beginning at 4 p.m.

The book "Emma and I" will be reviewed by Barbara Steffey. "Emma and I" is the true story of a blind girl and her seeing eye dog.

A business meeting will be held at 3:30 p.m. The public is invited to come at 4 to hear the review.

Happy anniversary!

Town-Country fashion show is conducted

Dimmitt Town and Country Home Demonstration Club met Thursday in the courthouse assembly room. A report was presented on the Rural Homemakers convention held Oct. 19 in Amarillo. A cosmetology demonstration was the highlight of the day with a fashion show following a salad luncheon.

Members and guests alike enjoyed the membership drive luncheon where several different salads were served. Membership is still open for interested women. Dues do not have to be paid until the first of the year.

City's Young Homemakers plan meeting

A program on machine embroidery will be presented by Janice Major for the Dimmitt Young Homemakers at their meeting at 7 p.m. today (Thursday) in the homemaking lab of Dimmitt High School.

Susan Merritt will be hostess and Jeanie Sammann will serve refreshments.

Guests are invited to meet with the club, and interested women between the ages of 18 and 35 are invited to become members. Dues for the new year are being paid now to Debbie Annen or Shanee Lust.

ONE of the oldest diseases still present today is arthritis.

On the go

Noel and Oleta Gollehon are home from a few weeks trip to the east of Dimmitt. Their first stop was at Afton, Okla. for a visit with Barber and Mable Eubanks, then on to the beautiful country at Table Rock, Mo. They visited there with Noel's cousin Clark Gollehon, made a few of the state parks then went down the highway in Arkansas to Eureka Springs, where they saw the "Passion Play," very good. They stopped at Beaver Lake to fish but a cold windstorm came up so on to Texoma Lake where they did catch fish. They visited a while there with the Jim Goldings. Oleta says Missouri and Arkansas had the prettiest ark of anywhere and do include eastern Oklahoma.

Auction slated by Tops Club Mrs. Packard honored on 77th birthday

Janice Bell with a two and one-fourth pound loss was awarded Kops of the Week honors at the Dimmitt Tops Club's Monday night meeting at Rhoads Memorial Library.

Tops of the Week was Karen Walker with a 3 1/4 pounds weight loss.

Thirty-five members weighed in with a total of 19 1/4 pounds lost.

Vivian Pigg, president of the Dimmitt Tops Club, announced the club will sponsor an auction in November.

A 77th birthday dinner for Leona Packard of South Hills Manor was given Sunday at the home of her son, Charles Packard, at Hereford.

Four generations of her family were represented in the 34 persons present. Four children, seven grandchildren and nine great-grandchildren attended.

The guests were Edna Cook of Phoenix; Mr. and Mrs. Ralph Packard, Mr. and Mrs. Terry Watson, Cheri Packard, Mrs. Joe Lambert and Jeff, and Dorothy Troxell, all of Hereford; Adean Welch of Earth.

Mr. and Mrs. James Packard, Mr. and Mrs. Ralph Cook, Toni and Tammy Cook, Mr. and Mrs. Les Cook, Lori, Marcie, Lisa and Ben, all of Springlake; Mr. and Mrs. David Wimberly, Alan, Charla, Marsha and Kristin, Evelyn Reinart and Kasi Reinart, all of Amarillo.

Benefit dinner scheduled

A turkey dinner will be served by the Castro County Unit of the American Cancer Society in the Nazareth Community Hall Sunday from 11:30 a.m. to 2 p.m. as a benefit for the unit's projects.

Tickets will be priced at \$3 for adults and \$1.50 for children. The public is invited to this harvesttime dinner.

Keith Lemons Supporters....

We, as citizens of Castro County, are declaring today that we do support Keith Lemons for County Attorney for the following reasons:

- We know by personal knowledge that Keith Lemons
- * Has lived in this County for more than 24 years
- * Has been an outstanding student and citizen of this county
- * Has received many honors for scholarship and citizenship
- * Has had several years experience in a law office in administration, briefing, and court procedure
- * Has demonstrated exceptional leadership capabilities
- * Has first hand knowledge of criminal procedure
- * Has demonstrated a determination to be fair and honest

We furthermore do declare that we support this fine young man to be our county attorney because we believe a person who has lived, gone to school, and worked in this county all his life will have more personal interest in the people than another person who has lived in this county less than a year.

We urge the people of Castro County to support and WRITE IN their own native son, Keith Lemons, for County Attorney.

Signed personally,
