

Cockreham to Run Hospital

In a special meeting last Thursday afternoon, the Plains Memorial Hospital board hired Jerry Cockreham, Dimmitt Junior High School teacher, as the new hospital administrator.

AND IN AN unexpected action, the board also for the first time hired a separate business manager for the hospital.

Cockreham, 27, will succeed Don Newman, who resigned as administrator two weeks ago to take a State Department post in South Vietnam.

The new administrator will take the helm of the hospital Oct. 30 at a salary of \$750 per month.

THE BUSINESS manager's post went to Jody Menick of San Angelo, a 32-year-old accountant who has been employed by a San Angelo bank for the last four years. Menick, a Texas Tech graduate, will go to work Monday at a salary of \$600 per month. His wife and two daughters are expected to join him later.

In making the two hirings, the board outlined the two new hospital executives' duties and made both answerable only to the board, not to each other.

As administrator, Cockreham will be in charge of all medical records, will conduct all hiring and firing, supervise all hospital departments and personnel, and do all the purchasing.

MENICK WILL handle all business management of the hospital, inventory, bookkeeping and insurance.

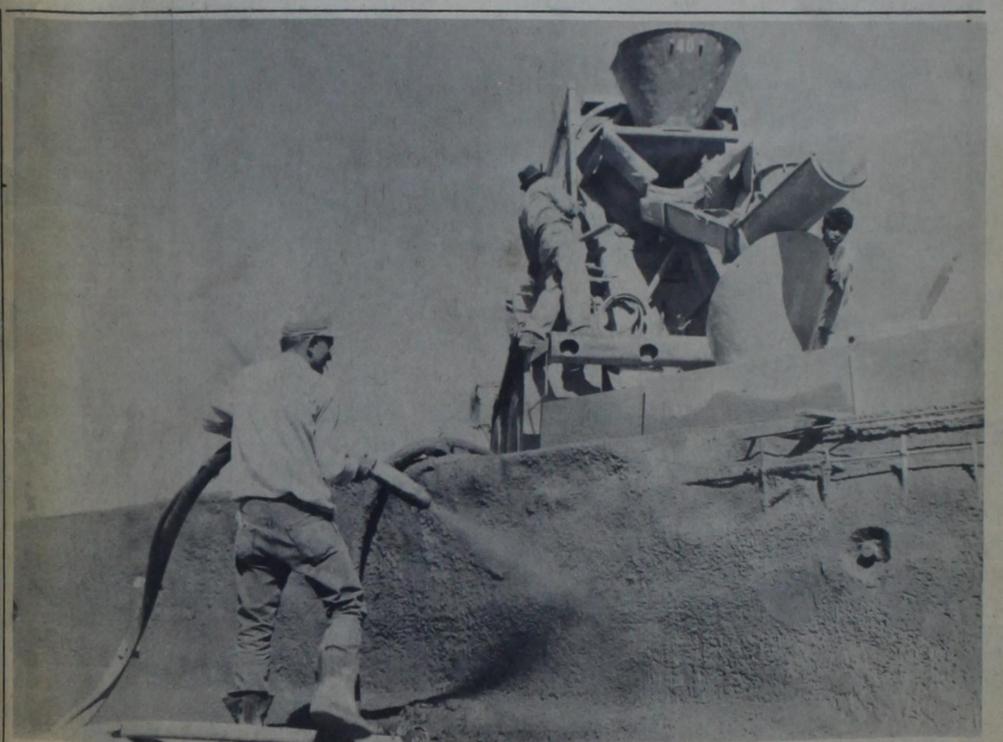

Cockreham was the first and only applicant for the administrator's post, although the board had ordered advertisements for applicants in professional journals.

The reason the board didn't wait for other applications, one hospital director said, was because Board Chairman N. F. Cleavinger was to be on vacation for the next few weeks "and we needed to hire a man for the job before he left, and we had a good applicant."

COCKREHAM is now in his third year as a social sciences teacher in Dimmitt Junior High School. And during the last five months he has also been the sanitarian for the new County Migrant Health Unit, testing sanitation conditions in migrant workers' camps and working with property owners to upgrade living conditions.

He reportedly has done creditable jobs both as a teacher and health unit sanitarian.

NEWMAN, who supervised the migrant health program, said Cockreham "has done a very good job" as sanitarian in the project. Supt. Paul Hilburn said Cockreham's change of jobs "will be a real loss to the school system because he's a good teacher, but (Continued on page 16)

FIRST SPLASH in the Castro County Recreation Center's new swimming pool was made last Thursday by this weird "gunite hose" used by workmen to apply the cement walls of the new pool. Paddock Seablue Pools of Wichita Falls, contractor for the job, first excavated the pool to exact proportions, lined it with reinforcement wire, installed all pipe and pump equipment, then poured the floor. When

the floor was dry, they "shot the walls" last Thursday. A dry cement mix from the truck was shot by air pressure through the hose, and in the formed tip water was added to give the mixture a sticky consistency and make it adhere. Follow-up men smoothed and finished out the pool walls, with no forming needed.

NO MERCY — The big red storm that struck Texas University's Memorial Stadium Saturday night left debris scattered as far north as Dimmitt. Texas Tech fans thoughtfully expressed their condolences to Texas exes here after the nationally ranked Longhorns' 19-13 defeat by the Red Raiders in the Southwest Conference opener. Here, attorneys Jimmy Ross, Russell Burwell and Swain Burkett — all Texas exes — look over a draped sign they found taped

to the front of their office building Monday morning. The sign shows a big orange steer head turned upside down, his eyes closed by double-T crosses. In addition, Burwell and Ross found black wreaths on their house doors Sunday morning and Gerald Harden, another "tea-sipper," discovered a sign in his front yard proclaiming "Scovell for President," referring to the Tech quarterback who starred in the Red Raider victory.

From South Vietnam Servicemen Call Moms

Two servicemen's mothers got the surprise of their lives last week when they answered their phones and heard the voices of their sons from Vietnam.

MRS. FAYE WILKINSON of Dimmitt received a call from her son, HM-3 Coyce Wilkinson, who is stationed with the Navy's Mobile Construction Battalion 6 in South Vietnam.

"The connection was very clear, and we talked for three minutes," she said. "The call was transmitted on a two-way radio to San Francisco."

AND MRS. RAY SCHULTE of Nazareth was preparing lunch at 11 a.m. on Tuesday of last week when her phone rang.

To her amazement, it was her son, Sp-4 Clyde Schulte, who is with the Fourth Infantry Division based at Pleiku.

Schulte was confined to the division's base camp because of an infected foot caused by a Viet Cong "punji stick" which pierced his boot sole. He talked over a two-way radio at the base camp and his mother heard him over the telephone via a relay through Kansas.

"He really surprised me — I wasn't expecting the call," Mrs. Schulte said. "The main thing he wanted to know was how the football team was doing."

(She was able to tell him the Nazareth Swifts are still undefeated.)

BOTH OF THE servicemen's

three-minute calls were the result of a new military-civilian project that uses radio relays and telephone "patches" to get the calls through from servicemen in Vietnam to their families at home. Thousands of such calls have been made since the program went into operation two weeks ago.

Farmers Union Will Convene Over Breakfast Table Tuesday

Castro County Farmers Union will hold a "breakfast convention" Tuesday at 7:30 a.m. in the Colonial Inn Restaurant.

The early-morning convention will be a departure from past annual meetings of the farmers' organization. Traditionally, the annual convention has been a night banquet affair with a guest speaker.

PRESIDENT Ed Drerup of Nazareth said new officers will be elected and resolutions will be voted on for referral to the state convention next month.

Castro County's Farmers Union has the reputation of being one of the strongest and most active in the state, and in the past many of its resolutions have become part of the Texas Farmers Union platform.

TUESDAY'S breakfast convention will be open to all Farmers Union members, their wives, and prospective members, Drerup said.

Nazareth Legion Post Busy on Convention

Members of Nazareth American Legion Post 528 are preparing for the District 18 fall convention, which they will host Oct. 14 and 15.

The convention will be open to all Legionnaires. A complete schedule will appear in next week's News.

Present officers besides Drerup are Theron Morrison of Hart, first vice-president; Gilbert Schulte of Nazareth, second vice-president; and David Acker of Nazareth, secretary-treasurer.

Homecoming Set Oct. 27-28

Dimmitt High School's Homecoming this year will be Oct. 27 and 28 with a full program on tap.

E. B. NOBLE, president of the Dimmitt Ex-Students Association, sent letters and Homecoming schedules to former DHS students this week, outlining a state of activities that will include a tea, pep rally, barbecue dinner and football game Friday, Oct. 27, and a coffee, luncheon, business meeting and class reunions the next day.

The Homecoming football game will pit Dimmitt's Bobcats against Abernathy's Antelopes in a District 3-AA clash.

AIDING IN the Homecoming activities will be the DHS Student Senate, Homemaking Classes, band students and high school cafeteria personnel.

Memberships in the Ex-Students Association are \$1 each, and may be paid to Noble or Kent Birdwell, association treasurer.

Big Projects in Full Swing

After a summer of delays and weather hangups, \$1,474,000 worth of massive construction projects are finally in full swing in Dimmitt.

THEY ARE the Castro County

Migrant Housing complex, where marks of progress can now be seen almost daily; the Castro County Recreation Association, where the golf course and swimming pool are nearing completion; and the Dimmitt Airport, where earth moving has started.

Work is now going full speed ahead on the gigantic housing complex in East Dimmitt, a \$965,820 project which is the first and largest of its type in the U.S.

More than half of the project's 21 apartment buildings are reaching the finishing stage, and construction is now underway on single story apartment buildings for permanent farm workers.

EXTERIORS of the two-story apartment dorms are being painted this week, and finishing work on the interiors is expected to start shortly.

Still to be completed in this section of the complex are landscaping, paving, electrical hookups and installations, interior painting and final plumbing.

THE PROJECT originally was scheduled for completion in mid-October, but heavy summer rains ambushed the project, which requires huge machinery to deliver, move and place tons of building materials.

Workers of the H. A. Padgett Construction Co., prime contractor, and subcontractors on the project have turned the project site into a bustling city of activity. But the builders still aren't guessing at a probably completion date on the pilot project.

AT THE recreation center, the underground sprinkler system was turned on for the first time Tuesday, and watering of the golf course fairways started later in the week.

Earth moving and landscaping have been completed on the nine-

hole golf course, the swimming pool is nearing completion, and the clubhouse is going up.

The recreation center, a \$267,220 project, is also contracted by H. A. Padgett Construction Co. of Lubbock.

AT DIMMITT Airport earth moving has started on the new 4,000-ft. landing strip, which will be paved and flanked by all-weather runway lights, paved parking apron and access road, lighted wind cone and fencing.

The airport improvement program, being financed by bond issue money, state grant and federal matching funds, is a \$239,569 project. High Plains Pavers of Plainview is the contractor.

In all, the three projects total \$1,473,609, and will push Dimmitt's 1967 construction total to all-time high.

FLB Stockholders To Meet Tonight

The Federal Land Bank Association of Dimmitt will hold its annual stockholders' meeting tonight (Thursday) at 8 in the First State Bank community room.

THE MEETING will commemorate the 50th anniversary of the Federal Land Bank System. The establishment of the Federal Land Bank of Houston on April 3, 1917, marked the beginning of the farmer-owned credit system.

Jack Summers, president of the night's meeting will include election of two new directors, the showing of a brief film, and serving of refreshments.

The local association has approximately 340 members, who own all of its stock.

DIRECTORS, in addition to Summers, are Wade Mills of Hart, Ed Drerup of Nazareth, and Sid Sheffy and Irvin Ott of Dimmitt.

'Open Heart' Fund Hits \$216

Dimmitt residents came through with \$216 in contributions to send 6-year-old Maria Duran's mother with her when the girl has open heart surgery later this month in Galveston.

Rev. C. Mitchell Kennedy, who was in charge of the fund drive, said the Lions, Rotary and Jaycee Clubs gave \$50 each and individuals contributed the rest. Rev. Kennedy had called for at least \$150.

THE MONEY will enable Mrs. Duran to accompany her daughter to Galveston's John Seely Hospital, where the open heart surgery will be performed as a charity operation. Maria's expenses are already arranged.

Bobcat Tales Gets New Look

Something new has been added to the Bobcat Tales.

THE SCHOOL newspaper is now divided in half, with the top half for news and the bottom half for hand-lettered advertisements by sponsoring businesses.

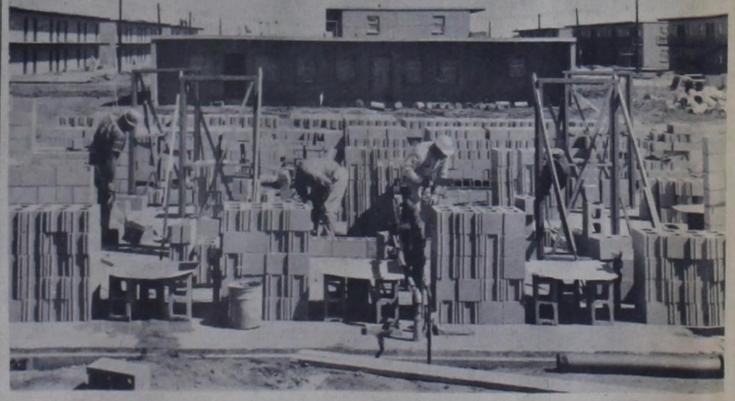

The News and Bobcat Tales staffs had a two-fold purpose in redesigning the format of the student page.

First, it will enable the Bobcat Tales to be the same dimensions every week so each edition can be reproduced for bound copies, which will be sold to DHS students by the journalism class later this year as a money-making project.

SECOND, the format provides a place for advertisers to appeal directly to the student market. A reproduction of the advertising section will also be included in the year's bound copies.

The advertisements were designed by the News staff and were sold mainly by Cindy Head of the Bobcat Tales staff.

Preserving and selling bound copies of the school newspaper was the idea of Bobcat Tales Editor Betsy Simpson.

THE PROGRESS PARADE is apparent at the Castro County migrant housing complex in East Dimmitt, where two-story "seasonal" quarters in background are beginning to take on their finished appearance while workmen start going up with one-story buildings that will house permanent workers and their families. In center of photo is the manager's quarters.

FINISHING TOUCHES are being applied to the exterior of this two-story dorm in the million-dollar housing complex, although much work remains to be done inside. The building has been painted an

attractive beige, and ramps are being secured. Original target date on the 21-dorm pilot project was Oct. 18, but weather has forced a delay of two months or more.

Beulah Victims' Drives Underway

Three separate relief projects have been started here for South Texas victims of Hurricane Beulah.

Judge Raymond Wilson said this week he will accept clothing to be sent to residents of the storm-ravaged Gulf Coast area, in answer to a request by the Seventh Day Adventist Church and the Red Cross.

HE SAID he will forward any donated clothing to the nearest Seventh Day Adventist Church, which will prepay shipment to the disaster area.

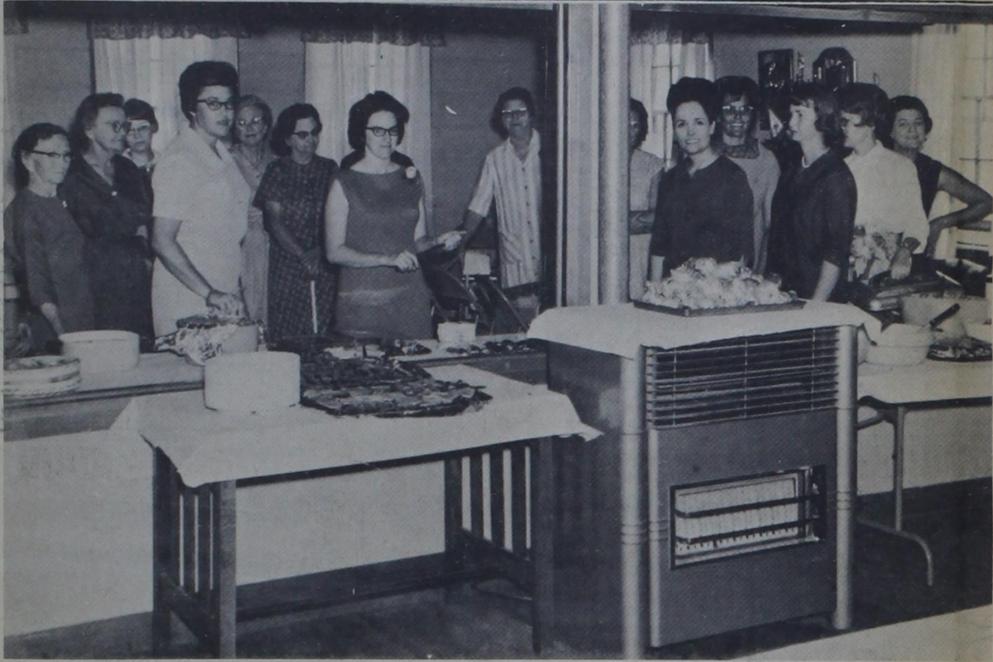

The Red Cross has an agreement with the statewide church organization to accept, process, ship and distribute clothing as part of the Red Cross disaster operation.

ANOTHER relief project is a fund campaign by Lions Clubs in the county, who are taking part in a statewide Lions disaster aid program.

Hart's Lions Club voted last week to donate \$1 per member to the fund, and Tuesday Dimmitt's Lions voted to send \$200 from the club treasury, with individual members to reimburse the treasury if they cared to contribute.

The Lions funds will be administered by Lions Clubs in the stricken Valley cities.

A THIRD project is being conducted by the Women's Missionary Union of First Baptist Church, which is collecting clothing for homeless hurricane victims. Mrs. Darlene Wooten heads up this project. First Baptist Church members voted two weeks ago to send \$250 for relief.

LUNCH TIME! — With First State Bank of Dimmitt providing the groceries, these ladies of the Bethel Home Demonstration Club fed approximately 45 hungry men at noon last Thursday to cap the 1967 Castro County Farm Tour. After a meal of baked ham, brown beans, potatoes,

hot rolls and relishes, the men who took the farm tour heard Ray Joe Riley, director of the new Water, Inc., give a progress report on water importation to West Texas. The lunch was in the Bethel Community Building.

Hunting Guide Now Available

The 1967-68 Texas Hunting Guide, or game law digest, is now available at County Clerk Zonelle Maples' office in the courthouse. THE DIGEST contains hunting seasons and bag limits for deer, turkey, javelina, quail and squirrel, plus other information for hunters. Seasons and bag limits for other species include antelope, aoudad sheep, bear, buffalo, elk, chachalacas, pheasant and — for the first time in 30 years — the prairie chicken. Hunting regulations and bag limits for 25 counties, placed under regulatory authority of the Texas Parks and Wildlife Department by the 60th Legislature, will appear in a special supplement to be issued prior to hunting season. SEASONS and bag limits for Sutton, Kerr, Bandera, Hays and Lampasas Counties will also appear in a special supplement to this year's digest. In addition, this year's digest gives valuable information on hunting licenses, means and meth-

ods of taking game, game storage, shipment and sale, a list of wildlife management areas and special provisions on deer, quail, squirrel, turkey and javelina. Also available now at the county clerk's office are digests on the special archery season and the migratory game birds, which includes ducks and geese.

Bible Thoughts

SO THE LITTLE LAMBS WON'T HAVE TO DIE

By Ronnie Parker

Bill Tyner, a gospel preacher in Northern Ireland tells this story. Recently in a Bible class in Belfast this question was asked, "Why did Jesus have to die?" A child raised his hand and said, "So the little lambs won't have to die."

The Bible speaks often of sacrifices in which a lamb was offered for the sins of the people. The mind of a little child could see poor lambs slain in the Old Testament period, but not in the New. Christ had died instead.

We can learn from children. In the words of Isaiah, "All we like sheep have gone astray; we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all" (Isa. 53:6). Sure enough Christ died so the little lambs won't have to die. "With his stripes we are healed" (Isa. 53:5).

The Good Shepherd gave His life for the sheep (John 10:10), and in doing so promised that they would not perish but have eternal life (John 10:28). Will you, my friend, hear the Shepherd's voice and follow Him?

Three Attend District Lions Meet at Dawn

By RUBY STONE
Bill Struve, Alvis Jolly and Trent Downing attended the zone meeting of the Lions Club at Dawn this past week.

MRS. JOHN H. BURNETT visited her mother, Mrs. Ida Robinson, in the Lou Lenn Manor at Mangum, Okla., this past week; also other relatives in southwest Oklahoma while there.

Mrs. W. A. Epperson visited her brother and sister-in-law, the Shorty Smiths, in Hereford Thursday and Friday. Mrs. Smith had the misfortune to break a bone in her foot.

Maurine Henderson visited Bettye Renfro Thursday afternoon.

The Easter Lions' goats are guests of Kenneth Frye and Jerry Terrell this week.

Mr. and Mrs. J. H. Flood visited their son and family, the Edwin Floods, in Amarillo Sunday.

Mr. and Mrs. Gary Burnett of Dalhart spent the first of the week visiting their parents, the John H. Burnetts and the F. S. Draggers.

MRS. FRED WALTON said she had a letter from her sister, Mrs. Nan Fogle, who lives at Mercedes. She reported the flood waters did not reach her trailer house, which was located on the east side of the dam. Mrs. Fogle was one of the lucky ones.

Sandra K. Howell spent the weekend with her aunt and uncle, the W. A. Eppersons.

Bettye and Clyde Renfro met O. C. in Amarillo and attended the Tri-State Fair. Bettye said it was really a good fair this year.

DON AND Linda Parks are visiting this week with his parents, Mr. and Mrs. C. C. Parks. Don will be leaving Monday for the Air Force. Carl Parks came and visited with them Wednesday.

John and Gary Burnett made a business trip to Perry, Okla., Sunday, returning Monday.

Bettye Renfro had supper with Nina Thorpe in Amarillo recently.

Anna Mae and Jonalee Burnett shopped in Amarillo Monday and visited Mr. and Mrs. Bill Kirkland. Mr. Kirkland is a patient in the Northwest Texas Hospital.

Bettye Renfro attended a salad supper in the home of Mrs. Oleta Golden Tuesday evening of last week. The ladies visited after supper.

EASTER Ladies' Club met last Thursday afternoon in the home of Mrs. John H. Burnett, with five present. There was discussion on adopting a foreign child as a club project. It was also suggested we invite all the women in the community to a social and membership drive.

Mrs. Burnett gave a demonstration on Dacpage. Some very pretty pictures and frames can be made that way.

Present were Anna Margaret Moss, Mary Flood, S. T. Walton, Ruby Stone and the hostess.

A Thought: "The fact that an owl can't talk may have something to do with its reputation for wisdom."

America the Beautiful...

From the time that Columbus discovered America... men have thought of this country as something special. It was here that Ponce de Leon sought the Fountain of Youth, and men have long admired America's majestic mountains and beautiful valleys. However, the real beauty lies not in the land, but in the people. The people came... seeking a land where they could worship God in freedom, and under God developed a kind and loving spirit. This is what makes America beautiful. Attend church regularly... help keep America beautiful.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Group Leaves for New England

By MYRTLE SHEFFY

Leaving here Friday for a three-week bus trip to the New England States, New York City, Boston, Niagara Falls and Montreal, Canada, were the Roy Clucks and daughter Billie, the George Bradfords, Dee Neumayers, the Horace Carliles, the Norman Cleavingers and Bess Jones.

Recently home from a trip to the same areas are Wes and Alice Anthony, who went by car. Katy and Es Noble and the Rameys and Marion Bentons went up by plane.

THURSDAY I hosted a bridge and refreshment party as a "bon voyage" to the group going by bus. Other guests were Mary Jo Brown, Reba Touchstone, Margaret Boren, Ann Singer, Cletha George, Ruth Wilson, Winnie Cunningham, Opal Bearden and my daughter, Ruth Jackson, who made a good chocolate cake for our party.

JO AND JACK Gregory went down to Wichita Falls on business. They came home by Benjamin, visited a relatives old house, found an old antique cupboard and magazines dating back to 1910 and 1919.

I have been told that Larry Laurent and Katy Evans were married at Lee Street Baptist Church Sept. 26. They are both students at Dimmitt High. Katy has worked at times for Ray Pool. Her father died in Houston last year. Larry is the brother of Jack Laurente.

P. M. Adams and daughter Virginia and Fred Moulton have returned from a visit with relatives in California and Oregon.

BILL WILLIAMS and daughter, Connie Coulter, attended the open house and dinner of Texas Distributors at Lubbock last week. They were overnight guests of the Howard Johnsons.

Guests of the Roy Clucks Thursday the J. W. Huffs of Dumas, a friend.

Mrs. Ina Hastings of Hereford was a guest of Margaret Boren Wednesday.

Mrs. Pearl Sheffy was hostess last week to long-time friends, Mr. and Mrs. Russell Barbour of Houston. They all were Wednesday dinner guests of Mrs. A. O. Gregory.

VERA WEBB, with John and Juanita Blaine of Plainview, went to Seymour to visit their relatives recently.

Glen and Dianne Hatla and son Tod and her parents, former Judge and Mrs. Davis of Littlefield, are in Austin for a few days on business.

I MET THE delightful Mrs. M. C. Cox of Fresno, Calif., this week. She was here for a visit with Juanita Bruegel, her daughter and Fred Bruegel Sr. Also, she visited relatives in Oklahoma and grand kids Sandy and Mike at Tech on her way home Friday.

Jimmy and Nancy Ross went to Austin to attend an attorneys' meeting. They also satyed for the big football game, Tech vs. U.T. Others from here going to the game were the Keith Howards (who also visited daughter, Keith Ann), Aural Davis and Suzie Davis, Keitha Davis of Galveston, John and Dorothy Gilbreath, and Gerald and Lexie Harden.

I saw Ina Richardson of Big Spring. She was visiting Aural Davis and Helen Richardson and friends over town. Ina is a nurse.

MAURINE Bice joined a friend in Dallas for a plane trip to New York City for a look at the big place. She belongs to a travel club.

Esta and Charles Vandiver were hosts to a group of relatives; I met them downtown. They were Esta's mother, Mrs. R. M. Barksdale of Okmulgee, Okla.; her aunts, Mrs. Oscar Barksdale of Memphis, Ark., Mrs. Charles Sul-

livan of Okmulgee, and Mrs. R. L. Conlee of Pontotoc, Miss.

THESE KIDS went to Lubbock to the Fair and to see Eddy Arnold's Show: Kay Willis and Pcpay Byrnes (who also visited Kays sister, Jan Willis), Graham Sheffy, John Hays, Karen Lytle, Diane Webb, Suzan Benson, Jack Bradford, Jackie Schaeffer and her folks, Delores Wilke, Mary Lynn Hays, the Johnson twins, Ronnie and Dannie, Ronnie Huckabay, Ronnie Hutton, and Elaine Davis. The Fred Bruegels Jr. and children went down also for a couple of days. Probably more went - Why don't you tell me?

Joe and Dugan Butler have been home from their cherry farm in Montana for a while. They and friends, Mike and Polly Pace, went up to Ute Lake fishing. They said they caught quite a few.

Speaking of fish, we went out to the VFW Saturday evening for fried catfish, potato salad and cake - good, good! We didn't stay for the program - we needed to hear the football game on radio, WTSU vs. Utah State.

CHARLES VAUGHAN was admitted to Plains Memorial Hospital Friday. He was feeling kinda bad. Vicki says her sister, Charlene Vaughan, is teaching surgical nursing at a hospital in Boston.

Juanita and Earl Morgan are home from a trip to Uvalde, where they visited his sister, Mrs. Bernard Nelson and the Cecil Campbells, recently from here. The ladies went on to San Antonio for a sightseeing jaunt. She said she wanted to go see the flooded South Texas, but was afraid of so much water.

Jo Evans went to Houston by plane for a visit with her husband Hugh, who buys cotton in the south this time of year.

DOZENS of bridge parties last week - mostly on Thursday afternoon.

Mr. and Mrs. Charlie Hays hosted a dinner and bridge party at the Hereford Country Club. Guests were the John Merritts, Charles Vandivers, Ted Sheffys, Russell Morans, Aural Davis and Shirley Stephens (Harold was in Houston on business). And Mildred Bradford hosted the women of that group at an afternoon party Thursday.

Mrs. Don Carpenter had a party Tuesday afternoon. Her guests were Patsy Morrison, Myrna Miller, Idella Crum, Katy Kruse, Dalia Gregory, Darlene Nossaman and Barbara Mitchell, who is a newcomer here. Mr. Mitchell is with Western Ammonia.

Mary Jo Brown (Mrs. J. R.) was hostess to her bunch Tuesday afternoon. Ina Cleavinger served coffee and food to Barbara Quinby, Jan Fleming, Carolyn Jones, Ruth Jackson, Shirley Wise, Oma Dee Heard, Dorothy Mayfield, Dorothy Gilbreath, Jo Eddie Riley, Mona Merritt, Katy Graham and Courtenay Armstrong.

Shirley and Harold Stephens were guests of Flo and John Nichols at their cabin in Ruidoso last weekend.

Judy Brunton of Amarillo, received her degree from the University of Texas. She teaches instrumental and choir in the Dimmitt Intermediate School.

MRS. GARLAND LEWIS and Mrs. May Scott of Sweetwater and little Valarie and Ben Henders of Lubbock were weekend guests of Mrs. Lewis' daughter, Ina and Jim Cleavinger and boys.

Mrs. R. N. Carpenter has been visiting friends and relatives in Oklahoma City. She is Don's mother.

Elaine Sual and a friend of Tech were Sunday guests of Elaine's grandparents, Lee and Flora Stanford.

Mr. and Mrs. Floyd Stanford were in Denver visiting their son Johnny, Janis and the children.

I HEARD that Murday and Merle Snyder of Bethel and a friend from Olton went up to the Colorado mountains and tried their luck at panning gold as well

as fishing. They saw old mining machinery that was carried up the mountains about 1880.

Sheri and Teresa Bruegel went to the South Plains Fair and were on the Eddy Arnold Show with Jimmy Nelson, the ventriloquist.

Mr. and Mrs. Fred Moulton visited their nephew, Jerry Adams, in Canyon. His wife, Madelyn, is seriously ill in the hospital there.

MRS. W. O. WOOD and Mrs. C. C. Goodwin Jr., of Earth, were here for the Kathy Huckabay shower. They are kin. They

also visited a long-time friend, Mrs. P. L. Cunningham. The Cummingses of Earth were in Dimmitt Saturday too.

The Blackburn girl and Barton girl from Springlake-Earth High School were in town working for their school annual. Sheri Walker and little daughter visited her father at Kermit Sunday.

Glen and Polly Godfrey and children are moving to a farm at Keyes, Okla., this week. Butch and Bessie Strickland have bought the Godfreys' house at 102 SW Balles St., just off Bedford. Butch is with Taylor & Sons.

GARBAGE TRUCK? - Students in this Dimmitt High School Band bus seemed to own the highway Friday evening en route to Hale Center, as they scattered empty food boxes and cups over the pavement

and under the wheels of other vehicles on the road. Here, another food box, a couple of cups and uneaten food go out the rear window of the bus with Dimmitt's name on it.

Doe-Fawn Permits Due by Nov. 1

Antlerless deer permits for the regular season in the 10 regulatory responsibility areas will be issued to qualified landowners after the annual game counts are completed, according to J. R. Singleton, executive director of the Texas Parks and Wildlife Department.

SINGLETON said the permits would probably be issued during the latter part of October since the earliest opening date of the regular deer hunting season is Nov. 11. Permits will be issued at least 10 days prior to the opening of the season.

The Shadow

Mystery Student's Path Leads To the Calf Lot Twice a Day

This past week, in order to keep up with a very active senior boy, I transformed myself into a key. And as a key I saw many exciting times. Wednesday he got up bright and early so we could go and feed the calves before school. After we had finished and had gotten ready, we came to school. We spent a busy day at school then worked diligently at football practice. We had a coke afterwards with the boys then it was time to feed the calves again. Now it was time to do our studies. Here we are at the same old place—you guessed it another morning and we're feeding calves. Today we follow a routine much like yesterday. To school, to foot-

ball, but I thought for a while I wasn't going to get out of his pocket but the boys went with us to get a coke. Here it is time for the calves—we might as well move out there to save time! We were really in a hurry because we were fixing to go to the Freshmen football game.

Today when we went to feed the calves they sure must have been hungry because it took a long time to feed them and it was just too early in the morning for a smell like that. We even got out of school early for the big pep rally downtown. We ate supper with the football boys then went to the field house to rest for the big football game. Boy did he ever play during that game! After the game we had a date with a Sophomore girl and went to the hootenanny. Did you notice we didn't feed the calves, would you believe!

Saturday was a bad morning because ball games get pretty rough sometimes. We drug around and finally went to the field house to do some things that we had to do. Not much happened after this because our senior boy was sick. Now on Sunday we got up early and spruced up to go to church. After church we went to town and talked to Jimmy Coleman. After lunch we played around with the boys; Mike, Graham, Richard, and Gail. At 6 o'clock we went to Training Union and church. Afterwards it was back to town to mess around for a while. Never fear, we got the calves fed. Oh, no! It is Monday again.

That weekend really flew by. We fed the calves as usual—this is getting old. Why calves? It was a regular Monday school day and football practice. Would you believe we didn't go to band practice? Well we didn't, we stayed home and read our library book (Miss McMinn ought to be proud of us). It sure was hard to get up this morning after reading all night, the weary must rest but WHEN? Yes, we fed the calves, even the dirtiest job must be done. We spent a usual day at school and went to the Teen Club meeting at 7:30.

This was a very interesting week and we would like to think our senior boy for being such an active boy at D.H.S. Has anybody guessed who he is by now? I decided I'd ask Karen Lytle if she knew and sure enough she did. Our shadowed boy this week was JOHN HAYS. Best wishes go out to the calves.

Campus Chat

Sweet Victory!

Friday night we played the Springlake Wolverines here. It was a very exciting and enthusiastic game. I think that the band did an excellent performance and the Pep Club did a great job of showing their school spirit. The final score of the game was 22-6 in favor of the Bobcats.

I noticed that there were only four cheerleaders. I hope that it was nothing serious, or was it? Following the game a hootenanny was held in the High School Cafeteria. Some of the main events for the night were: The Paper Dolls, the Minor Details, the Fringe Benefits, Truit Whitehead and his wife did a Radio Monologue.

A few of our more talented drama students, Cindy, Bobby, Juanette, and Danny put on a skit called the "Mellerdramer." How come everyone left when they started to sing "Kum-ba-ya"? Sounds as if everyone had a real nice time.

SATURDAY night a dance was given by the new Teen Club. The great show band from Plainview "Jekyl and the Hydes" gave a most sensational performance. The Community Building was decorated in all colors with notes hanging everywhere.

For refreshments the Jaycees sold Cokes to cool everybody off

some. Sounds as if they needed it.

I heard that Zito did his first American dance. Did you have fun?

"Jekyl and the Hydes" were hired again for Oct. 27, so everybody be looking for them.

Has anyone noticed the Home-making Display Case? It seems as if someone is trying to give our girls a heavy hint not to go steady!

THE ART CLASSES have been making pictures with paper mosaic. There is a very colorful showcase in the freshman hall. The library showcase says "New Arrivals." They are displaying some of their new books.

The Pep Club gives recognition to their honor members for the week. These are the girls who put out a little extra time and effort in making the signs for our halls.

We are very fortunate to have these showcases to add that extra touch of color to our halls. I must go now in order to find some news for next week. Remember to stay out of trouble and I'll see you next week.

Think It Over

Half knowledge is worse than ignorance.

Senior Girl of Week: Mary Lynn Hays

On April 17, 1966, it must have been a sunny day when Mary Lynn Hays was born, because she is a very happy girl.

INTERESTED in everything from FHA to football, Mary is always busy. Twirling takes up an awful lot of her time, but she doesn't feel that this is a job, since it is her favorite activity. Band is her favorite class and "Smith" is her favorite teacher.

Mary Lynn has lived in Dimmitt all her life. Attending school here for 12 years, she feels she has missed nothing that larger towns could have offered. When asked about her early life, Mary had only one comment: "I was a good kid."

PARTICIPATING in FHA, FTA, Lyre Club, the many extra-curricular activities involved in band, and belonging to a singing group, she still finds time to be an active member of the First Baptist Church.

Some of Mary's favorites include broiled steak, football season, and Kentucky. Her favorite songs are "Dear Heart," and "All These Things," and her favorite group is "The Lettermen." Her favorite time is going to be when the band goes to San Antonio. Her favorite color is green. The one thing Mary really hates is a stuckup person.

AFTER SHE graduates, she plans to go to Baylor University. There she plans to major in either sociology or fashion design.

Her parents are Mr. and Mrs. A. C. Hays, and they live at 805 W. Bedford.

Editorial

We Need Spirit

To coin a phrase — now is the time for all good students to come to the aid of their school. We need some school spirit! Now don't get me wrong. DHS has some spirit but we need more! Spirit deals with all school activities and right now football is in the spotlight. Why do you, as a student go to a football game? Is it because you want to watch and cheer the team or is it for some other "reason"?

I'VE SEEN several students come to a football game just to visit with their friends. That's all right with me; I don't put their way into the stadium. Waste your money; I'll use mine to back the Bobcats.

Of course, there are exceptions to every rule. I'm not saying every person comes to a ballgame to play around. There are many people up in the stands who can make what is classified as noise, and I do mean noise.

The cheerleaders and the Pep Club do quite a bit of yelling but they appreciate all the loud noises they can squeeze out of anyone and I'm sure the Bobcats do, too. The Pep Club is mainly responsible for the school spirit and how much of it we have except we, as a student body must co-operate wholeheartedly.

There are plenty of loudmouths around DHS, however, they disappear when it comes to hollering and "helping" those fighting Bobcats out on that tough football field. Where do they go?

Upperclassmen, it's not the Freshmen's responsibility to do all the noise-making. Sure, they need to, but so do we. It's our school, too so let's make it Number One in the district and go on to State! Let's get out and holler and yell so the Bobcats will know that we are behind them 100 percent! Beat Memphis!!!!

Moore Speaks

Information Program Planned For Parents of DHS Students

Dimmitt High School is expanding a program begun last year to better inform all parents of high school students concerning the educational, recreational and activity program of the high school.

LAST YEAR the parents of juniors and seniors were invited to such a meeting to give them information concerning all college preparations, costs of education at the public school and college level, tests required by colleges for entrance, activities of the junior and senior year, fees and other costs in various courses, and other information relative to these classes.

We felt that this program was beneficial to both parent and school — thus our expansion of this program to include the parents of sophomores and freshmen.

At this meeting the principal, the assistant principal, the Counselor, and other faculty members will be present to outline the various phases of the educational program for each group. We hope that every parent of a student in Dimmitt High School will reserve the night scheduled for them and attend this affair.

THE PTA is helping promote attendance to this group of meetings and will be giving them publicity in their news letter.

All of these meetings with parents of our students will be in the high school auditorium.

HERE is the schedule for each parent group:

- Monday, Oct. 16 — Parents of Freshmen, 8 p.m.
- Monday, Oct. 23 — Parents of Sophomores, 8 p.m.
- Monday, Oct. 30 — Parents of Juniors, 8 p.m.
- Monday, Nov. 6 — Parents of Seniors, 8 p.m.

We sincerely hope that all parents will take advantage of this opportunity to know more about the program of education that is being provided for your student by attending these meetings.

51 Request FTA Membership

Tuesday, Sept. 26, at activity period, the FTA received 51 letters from students requesting membership for the coming year.

THE NEW members will be notified Thursday, and then must learn the colors, motto, purpose and creed.

The FTA, sponsored by Mrs. Sharp, will attend a tea in Farwell Tuesday, Oct. 3, at 7:30 p.m.

Top Hits

There are a few classes in our school that have outstanding characteristics. The shorthand class has been making sounds and calling them parts of words. I wonder if the "La La La Song" has been on their mind.

JUNIOR AND KITA are still together, but it seems that they have a new idea in song. It is the "Love Bug Itch."

Anita Cameron and Jim Marcum are having a few minor problems with some "Hanky Panky" on someone's part. Maybe all Anita needs is "Time, Time."

"SHADES" are becoming very popular with quite a few this year. I've never noticed it being so bright in school that they were necessary though.

It won't be long now until we will all "Thank the Lord for the Nighttime" when we have to study for these six weeks tests for the first time. So if you hear someone yell "Rescue Me" it may just be someone who's "Wondering" if laziness counts.

Lyre Club

Picks Officers

Ralph G. Smith Band Fraternity, alias Lyre Club met Monday night at 6:30.

THE NEW officers for this year are:

President — Elaine Davis
Vice-President — Scott Moran
Secretary — Debra Summers
Reporter — Mary Hays
The meeting was brought to order by Elaine Davis.

They voted and accepted seven new members which completes the limit of 42.

FARM POWER AND MACHINERY CLASS WITH TRAILER
... They built it in the school workshop

FFA Focus

Student-Built Stock Trailer Wins South Plains Fair Prize

Members of the Dimmitt FFA are proud of the fine stock trailer which they own. The trailer was built by the 1966-67 Vocational Agriculture III Class and was completed by this year's Farm Power and Machinery Class.

Plains Fair last week, the trailer was judged third and won a \$25 check for the FFA Chapter. The trailer is put to good use as it provides students of vocational agriculture a means of transporting their animals locally as well as to major stock shows throughout the state.

MORE BOBCAT TALES

Department Report

Class Learning Engine Overhaul

"The main purpose of the Farm Power and Mechanics program," says Mr. Cepica, "is to aid the training of farm mechanics and increase the student's knowledge of the operations and overhaul of small gas engines to irrigation motors."

ACCORDING TO Mr. Cepica, there are 30 schools in the state of Texas that offer this program. Only 15 of these schools, including Dimmitt High School since the '66-67 school year, involve pre-employment laboratory training in the curriculum.

This laboratory training will provide experience for the boys if they decide to go into Agricultural Cooperative training or any other mechanical work.

BESIDES ALL this, they will be able to work their way through college or earn a living.

We can be proud of our school board and community for supplying us with the needed equipment that makes this program possible.

Bobcat of the Week:

John Hays

John Hays, son of Mr. and Mrs. Charley Hays is the mighty Bobcat of the Week. John is a captain of the football team and a senior quarterback.

John stands a great big 5-ft., 11-in. and weighs a big 151 pounds.

JOHN'S TIME is not limited. He is a senior representative of our student senate, but most of his time involves outstanding and devoted leadership of DHS as he participates in football and basketball.

John plans to attend college but now is quite undecided as to where he will attend school.

Regardless of our size, we have a fine team. John says, "We have come a long way already but we will have to keep working or everything will go to waste."

Top Hits

We were glad to see school get off to such a great start.

THE FRESHMEN are so confused and rattled by all of the different curricular activities. We wish to dedicate the No. 1 song to the freshman class "Fools Rush In."

We hope that Mrs. Smith and

It's a Fact

1. There are 90 Seniors this year!!!!
2. Kita and Junior are still going steady leaving behind almost 5 years of happiness.
3. Some of the freshmen are still lost—would you believe sophomores too?
4. There are at least 15 girls in DHS this year who have L-O-N-G hair. Would you believe fake long hair?
3. Mary Lynn performed at the Pep Rally Friday without her tights on.
6. Doug Hays sneezes at Lyre Club.
7. Betsy and Ronny finally decided to stay together.
8. Jerral Seale can give his big brother a black eye.
9. ZITO doesn't have 2 left feet; he can dance like any other American teen!
10. We ran out of anything else to say!

Who's Who

Did you know that we have our own Liberace in DHS, only this one is a girl?

HER NAME IS Janice Mooney and she lives on Northwest 7th Street and her parents are Mr. and Mrs. Bob Mooney.

Janice was born here in Dimmitt on May 25, 1951. When she was a year old she moved to Borger and when she was nine she returned to Dimmitt.

Janice's two favorite things are music and most of all, food. Janice loves to play the piano, and among her many achievements she has attained the title of National FHA Pianist.

Her freshman and sophomore years she was elected most talented in her class. Her favorite book is "Stranger Within the Gates."

JANICE especially likes boys with long hair. Her many activities include Band, FHA, Lyre Club and FTA.

Good luck to you Janice.

Mrs. Hardison will keep the No. 2 song in mind, "Gentle on My Mind" for the hard working students so that we won't have any nervous breakdowns.

We have noticed that "Zip Code" has become very popular on the letters from Dimmitt girls and boys from various colleges.

INCLUDED IN some of these letters that we have read about, we find that the song "Where Love Is" is most popular between Allan and Ray. "Light My Fire" between Debra and A.D.; "My Baby" between Anita and Sparky; "Sealed With a Kiss" between Juanelle and Joe Bill.

State Capitol Highlights

Politicos Jockey for Position

By VERN SANFORD
Texas Press Association
Although the primaries are not until next May, Texas politicians here and there are already beginning to get in and out of statewide races.

THE BIG question still is whether Gov. John Connally will run for an unprecedented fourth term. He says he hasn't made up his mind.

If he doesn't run, it now appears that it will be at least a three-way race in the Democratic primary — between Lt. Gov. Preston Smith, who already has announced, Speaker Ben Barnes and former Atty. Gen. Waggoner Car.

"If Connally does run, Barnes and Carr probably will vie for lieutenant governor, though neither has as yet announced a definite decision.

In the state Supreme Court, both Associate Justice James R. Norvell and Meade F. Griffith say that they will not seek re-election in 1968. Woodrow Beaz of El Paso and former state Sen. Frank Spears of San Antonio are being mentioned as possible candidates for these two posts.

RESEARCH AWARD TO TEXAS
Texas Research League was presented the top research award of the Governmental Research Association for its report, "Metropolitan Texas: A Workable Approach to Its Problems."

The award was made in Boston. Accepting were Alvin A. Burger, executive director of the League, and James W. McGrew, research director and head of the project. The League's report was made after an 18-month study requested by Gov. Connally. It contained seven legislative recommendations, but only one of them passed the Legislature. That one provided \$250,000 of state money for regional planning.

TEXAS TOURISM PUSHED
Texas' official travel exhibit — pushing the state as a vacation land with a "World of Difference" — was seen by approximately 450,000 persons at the Canadian National Exhibition at Toronto. So says Walt Warner, director of

programs for the Texas Tourist Development Agency, which sponsors the exhibit.

Werner regards Canada as an important but unexplored market for the Texas travel industry. "Many (Canadians) were unaware that Texas lay just 1,200 miles from Toronto's border," he said. "They seemed surprised to find a state so near that offered a warm, tropical climate during the winter months."

Texas' exhibit is being displayed in travel shows all over North America.

OIL PRODUCTION DOWN
Texas oil production was reduced by 109,071 barrels for October. Texas Railroad Commission cut the allowable after finding demand lower as the Middle East crisis eased off.

The commission was to have announced its decision immediately at its regular statewide production hearing, but delayed it four days to see what effect Hurricane Beulah would have on production and refining.

CAMINO DEL NORTE
A group of Midland citizens appeared before the Texas Highway Commission to request a study on the feasibility of an interstate highway stretching from the Big Bend country to Denver.

Dubbed "Camino Del Norte" by the applicants, the highway would begin at US 90 near the Mexican border and would run through Midland, Lubbock, Amarillo and on to Denver.

The delegation presented the commission with copies of a brochure outlining the proposed highway — examining the population, education, cultural, recreational, historic and national security aspects of the project.

Commissioners took the request under advisement.

SHORT SNORTS

Atty. Gen. Crawford Martin has ruled that the State Textbook Committee is covered by the 1967 Open Meetings Bill, which requires that all meeting of most state and local agencies be open to the public.

State Republican Headquarters announce that Jay Anderson of East Bernard has been appointed deputy state Republican chairman for Region III, and Jim Griffith of San Marcos has been named Republican district committee man for the 14th Senatorial District.

Texas Highway Commission celebrated its 50th birthday in Austin last week with former officials joining current ones and leading elected officials in festivities.

Sunnyside

Former Residents Say No Damage from Storm

By TEENY BOWDEN
It was learned this week that Mr. and Mrs. M. H. Fowlkes had no damage to their property at Rockport during the hurricane or flood.

Mr. and Mrs. C. J. Fowlkes had no damage at Corpus Christi. Mr. and Mrs. Ernest Waggoner and his daughter, Mr. and Mrs. Happy Sparkman had no damage either.

TERRY BLANTON spent the night Friday with Dale Davis of Springlake.

John Moore and Furch Riley left Friday evening for Lake Meredith to fish over the weekend.

Weldon Bradley and Mrs. Vernon Scott and boys of Farwell flew to Tucuman Friday evening and spent the night with Mr. and Mrs. Gordon Bradley. Mrs. Scott and boys spent the day Saturday with Mr. and Mrs. Weldon Bradley, Lee and Mr. and Mrs. David Blair of Dallas. The Blairs arrived Saturday morning to spend Saturday and Sunday with their parents here and at Farwell.

Mrs. Houston Carson flew from Lubbock to Dallas Saturday evening to spend Saturday night and Sunday with Houston. He will get to visit with her off the hospital grounds for the first time. They attended Sunday School at the First Baptist Church Sunday morning.

THE CALENDAR committee of Llanos Altos Association met at the church Friday night to make up a calendar of events for the new church year.

Eddie Howard offered his resignation as music director Wednesday night at the business meeting, to become effective Oct. 8. He has accepted a position with the Sundown Baptist Church.

BOB LITTLE stepped off a ladder last Sunday and injured his foot. It was not broken, but badly sprained and he will have to stay off of it for a while.

The Associational Brotherhood officer planning meeting was held at the church Tuesday night. Rev. M. D. Durham will be pastor-advisor, Alfred Crisp will be RA leader and Bill Morgan will be program chairman for the coming year in the Brotherhood of Llanos Altos Association.

Brent Hedrick of Stratford had the bandage removed from his eye this week, and they believe there is little or no chance for sight.

R. E. DUKE went back to the doctor in Lubbock Monday and he can be on his foot a little now. The stitches were removed last Thursday.

The WMS round table was held at the church Wednesday morning. Three books were reviewed, and plans were made for next year's books.

Mrs. Phillip Jones got her arm out of the cast Thursday morning. Mrs. M. D. Durham, Mrs. Roy Phelan and Mrs. L. B. Bowden attended the Llanos Altos annual WMU meeting in Farwell Thursday.

Mr. and Mrs. Bob Ball of Olton were supper guests of Mr. and

Mrs. J. Paul Waggoner and Jimmy Thursday night.

SEVERAL from the community attended the South Plains Fair in Lubbock this week.

The WMU Council met at the church Monday afternoon to close out the work for this church year and make plans for another year.

Mr. and Mrs. W. T. Autry returned home last Saturday from Frederick, Okla., where they had spent the week with her mother, Mrs. L. H. Caddell, who is ill.

Rev. M. D. Durham attended a pastor's fellowship for the Llanos Altos Association at Earth Tuesday morning. He attended a moderator's meeting in the home of Dr. Swanner in Plainview Wednesday. A luncheon was served at noon. The purpose of the meeting was to secure area leaders for another year.

GREGG GEORGE of Dimmitt spent Tuesday night and Wednesday with his grandmother, Mrs. Houston Carson, Carl Deun and Reza. Mr. and Mrs. Dubby George also spent the day Wednesday.

25 of an inch of rain was received Monday evening with another 10 inch Tuesday night.

Mrs. Charlie Hall Jones has been ill with a virus this week. Rory and Kirt have been staying with their grandparents, Mr. and Mrs. Phillip Jones.

Mr. and Mrs. Ezell Sadler spent last Sunday night with Mr. and Mrs. Robert Paschal and family of Wingate and visited also with Mr. and Mrs. J. H. Christian. They came home Tuesday. They also visited in Abilene with other relatives before and after the Caps reunion. Mrs. Pearl Sadler of Dimmitt went with them.

Mr. and Mrs. Bob

Hale County Gets Afghan Pheasants

The Texas Parks and Wildlife Department released 185 Afghan white-winged pheasants in Lynn and Hale Counties during September, according to Joe Davidson, exotic bird specialist for the department.

THE BIRDS, produced on the state game bird farm in Tyler, were released experimentally in alfalfa, corn, milo and pasture land in the two West Texas counties.

Davidson said the stockings were made in areas where changing land uses and practices have removed much of the native bird habitat.

Terry Sue Hamilton Has Birthday Party

Terry Sue Hamilton, daughter of Mr. and Mrs. Freddie Hamilton, was honored with a 10th birthday party Saturday.

THE PARTY was preceded by a movie and slumber party Friday night with Tammy Johnson, Kelly Fields, Debbie Murdock and Beth Welch as guests. Others attending Saturday's party were Bryan and Trent Murdock, Brad Murdock, Wanda Murdock and Mrs. Billye Gwen Davis.

REV. WEST'S CAMPER AWAITS REPAIRS
Missionary's only means of transportation

Fund Drive Begins in Hart To Fix Missionary's Camper

A campaign started in Hart this week to repair and refurbish a truck-camper being used by a Baptist missionary in Mexico.

REV. DALE WEST of Saltillo,

Coch, Mexico, arrived in Hart Friday night and left his 1960 model 1 1/2-ton truck and camper at the home of Mr. and Mrs. Cecil Ray Jones for camper repairs.

Rev. West is a former pastor of the First Baptist Church of Hart and has served as a missionary and orphanage director in Mexico for the past nine years. He and his wife and one other adult care for 25 orphans in addition to the Wests' own children. The truck-camper is their only means of transportation.

CECIL RAY JONES, who is to remodel the camper, said after inspecting it that it needs new plywood, insulation, linoleum, paint a small butane stove and refrigerator and small sink. The truck will need engine repairs and two new tires, he said.

A fund has been started at Farmers State Bank to help provide the equipment and labor to completely remodel the camper and repair the truck. Those wishing to donate to the project may make their checks payable to the Dale West Camper Fund and mail to Farmers State Bank.

Don't use a quality belt knife for throwing, or in place of another tool such as a screwdriver. Don't put it into the sheath wet or bloody. At home, store it out of the sheath. Don't oversharpen. —Sports Afield

HART NEWS

Former Resident Dies in Wreck

By WANDA MILLER
Lawrence Wayne Rovinson, 26, of Red Bluff, Calif., a former Hart resident, was killed in a car wreck near Mojave, Calif., while on his way to Ohio.

While in Hart he was employed by Hill Feed Lot and Tump McLain. He married the former Ruby Joyce Featherston, a 1958 graduate of Hart High School.

He is survived by his wife, Ruby; two sons, Kevin Wayne and Brian Cecil; one daughter, Treva La Dell; his mother, Mrs. Bob Abram of Red Bluff, Calif., his father of Ohio, three sisters, a brother, and his grandfather.

Burial was in Ohio Monday.

THE ZEALOT Club met Tuesday at the Bank community room. Mrs. Howard Mitchell and Mrs. Lowell Richburg were hostesses.

Mrs. J. V. Wescott presented the program on "Food Specialties." There were two guests present, Mrs. Joe Percy Hart and Mrs. Wescott. Members present were Mmes. Jack Dyer, Warren Lomons, Ike Bennett, Cecil Ray Jones, L. D. Williams, Waymon Foster and Deryl Clevenger.

Zealot Club members are planning a rummage sale Oct. 20 and 21. They would like any kind of donations of good clothing, dishes, hobby items, furniture, etc. Items need to be at the Hart Cleaners by Oct. 19 or call Mrs. Cecil Ray Jones, president, or any Zealot Club member.

Proceeds will be used for their scholarship to a Hart graduate, to buy toys and treats for children at Christmas, and to help the Girl Scouts.

THE HART Junior Riding Club took part in a Challenge Play Day at Lubbock recently between Districts 1 and 2.

Harley Malone won the high point trophy in the Pee Wee boys' division. Jerry Swindle won second runner-up in the Pee Wee boys' division. Rex Henderson won the high point trophy in senior men's division, and Jim Swindle was second runner-up in the senior men's division.

JUNIOR GIRL Scout Troop 13 met Tuesday. They went to Mrs. W. T. King's home and made oatmeal cookies. This applies on the cooking merit badge.

Refreshments were served by Teri King. Juniors present were Teri King, Susan Harlin, Carla Rambo, Carol Armstrong, Rene Gould and Louisa Carbajal. Cadettes present were Brenda Covington and Carol Miller.

MEMBERS OF Brownie Troop 23 learned to erect a tent during their meeting Wednesday of last week at the school.

Conducting the demonstration were Cadettes Carol Miller, Brenda Covington, Kathy Kennedy and Elizabeth Stephens. Retha Aven served refreshments, after which the girls hiked to the home of Mrs. Dwight Miller.

Guests were Mrs. Miller and Brenda Barham. Fifteen girls were present, plus Mrs. Marilyn Covington, leader, and Mrs. Bessie Jackson, assistant leader.

At their Wednesday afternoon meeting this week, the girls conducted a scavenger hunt from the school.

THE FIRE siren Sunday night was in answer to a call for oxygen for Henry Stanton at his home.

The number to call in case of an emergency is 938-2500, and men of the Fire Department are at your service in case of an emergency.

MR. AND MRS. Lyndall Warren honored their son Bill Sunday night with a supper on his fifth birthday.

Guests included his grandparents, Mr. and Mrs. Frank Bauman and Mr. and Mrs. Ray Warren; uncles T. R. and Kenneth Warren; and a friend, John Ray Holloway.

Mrs. Zella Coffelt of Waxahachie spent last weekend and a few days this week in the home of Mr. and Mrs. Preston Upshaw.

Guests in the home of Mr. and Mrs. H. E. Loman Sunday evening were Mr. and Mrs. Bid Oler, Dannie and Jay of Happy and Mrs. M. E. Phillips and grandchildren of Littlefield.

Mr. and Mrs. Lyndall Warren were hosts at a fish fry recently in their home for Mr. and Mrs. Ray Warren of Hart and Mr. and Mrs. Charlie Warren and children of Floydada.

DINNER guests Sunday in the home of Mr. and Mrs. Miles Cox were his parents, Mr. and Mrs. Wade Cox, Mrs. Bessie Mae Cox, Mr. and Mrs. Claude Cox and children, Mr. and Mrs. Bob Bowden and children and Mr. and Mrs. and Mrs. Warren Lemons and children.

The occasion was to celebrate the 86th birthday of Mr. Cox, and Miles' birthday also.

Guests in the afternoon were Mr. and Mrs. Bid Oler and sons of Happy and Mrs. M. E. Phillips and grandchildren of Littlefield.

Mrs. David Willis, Mrs. Bill Rich, Mrs. Newlin Rowland, Mrs. Bob Reed and Mrs. Melvin Aven attended the Beta Sigma Phi district meeting in Amarillo over the weekend.

Earl Hacker was admitted to Medical Center Hospital in Plain-

view Sunday morning.

TOM MERRITT, son-in-law of Mr. and Mrs. Ernest Martin, was injured Friday when the pickup in which he was riding had a blowout in Missouri. The pickup overturned and threw him out. He is in St. John's Hospital in Springfield, Mo., with lacerations and several broken ribs. He is married to the former Joan Martin, who was raised in Hart. They now live in Ava, Mo.

THE W.S.C.S. met last Thursday night in the Methodist Fellowship Hall. After the brief business meeting and a devotional by Mrs. H. H. Parker, the program, "Japanese Youth" was presented by Mrs. L. L. Swindle.

It was decided not to have a regular meeting next week, so the ladies could attend the sub-district meeting in Muleshoe.

THE HART P.T.A. met Monday night in the grade school auditorium.

Mrs. Sam McGill, Mrs. Lloyd Davis and Mrs. Charles Clark were elected delegates to the state PTA convention to be held in Fort Worth, Nov. 15-17.

Proposed revisions of the by-laws of the local PTA were read and approved. Weldon Bates, high school principal, announced that homecoming would be Oct. 13. The group voted that the PTA would not participate in the Halloween Carnival this year. It will be conducted by the 7th through the 12th grades.

In a program on athletics, Bates talked on eligibility, and Coach Don Ewing on the philosophy of sports and football. He also dressed a boy in a complete football uniform. Coach Jim Rich spoke on basketball and Coach Shaw on junior high athletics.

CORRECTION on the photo article of the Hart Baptist Church in last week's paper: The church sponsored a load of potatoes and milo for the Buckner Boys Ranch

cobbler, milk and butter.
Tuesday — Vegetable beef stew, plain crackers, filled crackers, one-half pimento cheese sandwich, chocolate pudding, whipped topping, milk and butter.
Wednesday — Chuck Wagon greens, whole pickle, onion slice, cornbread, white cake and strawberry icing, milk and butter.
Thursday — Turkey and dressing, giblet gravy, seasoned green beans, buttered beets, peanut butter cookies, one-half fresh orange, milk and butter.
Friday — Hamburgers, catsup mustard, onion, pickle relish, French Fries, cheese slice, coconut pudding, milk and butter.

Hart School Lunch Menu
Oct. 9 to 13
Monday — Barbecue on homemade buttered bun, whole new potatoes in sauce, green salad, apple

Cut Your Combine Loss In Soybean Harvesting

By DR. DOUGLAS OWEN
Agronomist
High Plains Research Foundation

You get paid for the crop you deliver to the elevator, not for what you leave in the field. AN OHIO survey found that the average harvesting loss on soybeans in that state was 13 percent. This is almost four bushels per acre on a 30-bushel yield, or about \$10 per acre. The study further showed that with proper management this loss could be reduced to less than 3 percent.

The most important thing is to be ready when the beans are ready. When the moisture gets down to 13 percent, have that machine ready to go. The poor manager will wait until his beans are ready before he gets his machine ready and limp through his harvest without replacing worn parts or making necessary adjustments to do the best combining job.

Check your combine thoroughly. Replace worn parts and cracked V-belts. Check slip clutches. Check engine speed, beater speed, and cylinder speed. Make sure that these are set according to the manufacturer's specifications for soybeans. Locate all adjustments and know how to use them.

THE MOST difficult problem in harvesting soybeans is to get all the beans into the machine. About 80 percent of the total loss is failure to get the beans into the machine. Nearly 50 percent of this is shatter loss. Excessive reel speed is one cause of shattering. The reel should travel 25 percent faster than ground speed. If the reel is 12.5 ft. in circumference, it should turn 10 revolutions in 100 feet.

Cut the beans as low as possible. The cutterbar should be operated right on the ground to get all the beans. This usually requires reducing ground speed to around 2 1/2 to 3 miles per hour. Most combines have a fixed knife speed. As ground speed increases beyond 3 mph, the knife begins stripping the beans before the stalk is cut, and these beans fall from the cutterbar and are lost. Uneven stubble height is an indication of excessive forward speed. Also, as forward speed increases, height of cut increases, resulting in more pods being left on the stalk.

If manufacturer's specifications are not available, the following general rules may be helpful: (1) Slowest possible cylinder speed (300-400 rpm); (2) widest possible concave clearance; (3) reel speed 25 percent faster than ground

speed; reel bats high in plant (just low enough for control); center of reel about one foot ahead of cutter bar; (4) cut low and go slow (3 mph or less).

REMEMBER, a loss of four beans per square foot is equal to one bushel per acre. An addition-

al three to six bushels per acre will double the average soybean grower's net profit. One place to get those additional bushels is by reducing harvest loss. Every bushel saved at harvest is clear profit.

MODERN AGRICULTURE

Beet Harvest To Start Monday

Sugar beet harvest has been delayed until Monday.

JAY BOSTON, president of the Texas-New Mexico Sugar Beet Growers Association, made the announcement Sunday and requested growers to cooperate with Holly Sugar Corp. on the delayed date by digging their first-round quotas Monday.

Holly announced several changes in its beet-receiving operation that are intended to make deliveries at the Hereford plant more convenient and efficient for growers and truck drivers. The company has installed a new \$8,000 automatic polarimeter, sugar content testing device, to eliminate human error in checking sugar content.

ALSO, the company has prepared individual decals for trucks, which will be distributed by Holly field men. The decals are intended to avoid any possible mix-up in contract and pool numbers.

James Witherspoon of Hereford, executive secretary of the association, said that since negotiations were conducted with Holly for higher scale price and accelerated harvest, the company also has

agreed that the first payment for 1967 and 1968 crops will be bigger and will be based on 90 percent of the net selling price of the previous crop.

Also, Witherspoon said, growers for the first time will have a minimum price guarantee this year of 83 cents above the New York average raw price, less three cents for additional bulk storage if any is required.

Grain Program Meeting Is Today

Open meetings to discuss the feed grain situation and program alternatives for the 1968 Feed Grain Program were announced by Ralph T. Price, chairman of the Texas Agricultural Stabilization and Conservation State Committee.

THE MEETINGS, starting at 10 a.m., will be held in Vernon today (Thursday) at the Wilbarger Memorial Auditorium and in San Antonio Friday at the Sheraton Motor Inn, 1400 Austin Highway.

Leaders and representatives of farm organizations, commodity producer groups and trade groups interested in feed grain are invited to attend and present their views.

Price explained that the meetings are two of a series being held in major feed grain states to provide farmers and other interested people an opportunity to express their views and recommendations on the feed grain program for 1968.

Representatives of the Dept. of Agriculture will attend each meeting to discuss the feed grain situation, review the various provisions of the feed grain legislation.

New Practices Shown on Tour

Those taking the annual Castro County Farm Tour last Thursday morning saw some radical new farming techniques coupled with the traditional practices that have made this one of Texas' richest agricultural counties.

THE TOUR started at the farm-up site, the new Dimmitt Feed Yards, where 10,000 cattle are on feed year-round. The group made a car caravan tour among the feed lots to see cattle being fed in a highly mechanized operation.

Next stop was the pig feedlot operation of Fred Bruegel Jr. Just off the 25-Mile Avenue, where pigs are born by Caesarian operation and remain certified free of many standard pig diseases for generations. Bruegel explained that humans never enter the pens and that a washing process floats manure down a drain slope for recovery as liquid fertilizer.

THE GROUP also saw Bruegel's tailwater recovery operation en route to the feeder pens.

At their third stop, the farm tourists saw tall, thick corn being harvested at the Ernest Sammann farm in Big Square. Sammann's three varieties were Funk G-711AA, G-76 and DeKalb XL 346.

Also on the Sammann farm, the group saw how he had interplanted his maturing soybeans with wheat on the final watering for grazing as soon as the soybeans are harvested. On a slope area, Sammann showed a Bermuda field and a wheat field that's being prepared for Bermuda planting in 1968.

At the Rayburn Ott farm south of Big Square, the group saw how Ott is increasing the efficiency of his watering and erosion control with a complex pattern of parallel and diversion terraces and waterways on sloped land.

ONE OF THE most interesting stops on the tour was the "indoor tomato farm" at the Mac Pace's in the southwestern part of the county. Here, Pace and Glenn Odom grow and harvest big crops of tomatoes in a huge, neat greenhouse. Human hands never touch the tomatoes before harvest, and the tall plants are rowed out neatly and supported by hemp strings suspended from the ceiling. Nearby is a starter house where young tomato plants are brought up to replace the older ones.

In the Bethel area, the group stopped to look over a ruined field of white Taxicoa milo that had been planted on contract and had been sprayed with a herbicide before boot stage to kill weeds. Unfortunately, the type of herbicide used also stopped the growth of seed in the head, resulting in an "empty" crop from which the farmer hopes to salvage ensilage. County Agent Charles Hotel pointed to this crop as an example of what can happen if the

THIS FUNK G-711-AA CORN IS GIVING OUTSTANDING YIELD . . . On the Ernest Sammann farm in Big Square

improper type of chemical is used on a crop.

AT THE George Sides farm in Bethel, the group saw a microclimate study underway in a maize field, in cooperation with an experimental station. In this study, the temperature of soil and atmosphere, plus humidity, are checked constantly by instruments to learn if weather affects small grain conditions.

Final stop was the Bethel Community Center, site of the "chow line." Ladies of the Bethel HD Club cooked and served the baked ham dinner, with food supplied by First State Bank of Dimmitt. After lunch, Ray Joe Riley of

Sunnyside, Castro County member of the board of Water, Inc., gave a progress report on the radical new plan to import water to West Texas, Oklahoma and eastern New Mexico from the Arkansas River. His detailed report concluded the tour.

Co-sponsors of the tour were the Running Water Soil Conservation District, the Extension Service and the County Crops Committee.

THROUGHOUT the tour, a running commentary was broadcast via remote unit over KDHN Radio, with host farmers and specialists taking the mike at different points. This enabled tourists to get a full

explanation of the tour sites on their car radios without having to reassembly at every stop.

10 From Church Attend Session

By Mrs. Florance Albracht On Friday, Saturday and Sunday the Texas Congress of Christian Doctrine was held at the Koko Inn in Lubbock. Theme of the Congress was "Adult Role in Teaching Christ Today."

Attending from here were Mr. and Mrs. Ed Ramaekers, Mr. and Mrs. Fritz Gerber, Mr. and Mrs. Florance Albracht, Mrs. John Schacher, Mrs. Leonard Schulte, Mrs. Laverne Wilhelm and Mrs. James Wilhelm.

Well-known speakers were Sebastian Temple, song writer and teacher at Hollywood High School in Los Angeles; Rev. Patrick Hazel, chaplain of Bishop Dumme High School in Dallas; Sister Jean Marie Renfro, director of Christian Doctrine in Kansas City, and Joe Wise of Louisville, Ky., who has released the record, "Gonna Sing, My Lord."

MR. AND MRS. Ed Thoenes and son Ralph of Fordyce, Neb., have been here visiting the Schmucker families.

Mr. and Mrs. Albert Hartman and family and Mrs. Margaret Schmucker had dinner Sunday with the Alvin Schmuckers in Hereford.

A housewarming for Mr. and Mrs. George Huseman and sons who have moved here from South Carolina was held Sunday evening. They are living in the old Louie Huseman home. Relatives and friends enjoyed the party. George is employed with Ed Harris Lumber Co. in Hart.

ON SUNDAY evening the families of Mrs. Minnie Schmucker enjoyed a party and visit with their relatives, the Ed Thoenes of Fordyce, Neb. Three servicemen from Fort Hood visited with the Lizzie Birkenfeld family Saturday and Sunday. They were her great-nephew, Clyde Diona of Round Lake, Ill., Don Rempe of Lawrence, Neb., and J. Polynski of Chicago. Mr. and Mrs. Frank Hoelling and Leonard visited the Bayard Keys family in Plainview last

weekend and also took in the Ed- dy Arnold Show in Lubbock.

Mr. and Mrs. Richard Lupton and family and Barbara Wilhelm visited with Richard's mother in Shallowater Saturday.

A SURPRISE dinner honoring Mr. and Mrs. Vincent Ramaekers on their 15th wedding anniversary in Umbarger Sept. 17 was enjoyed by Mr. and Mrs. Florance Albracht, Mr. and Mrs. Francis Wilhelm and family, Mr. and Mrs. Ed Ramaekers and family and Mr. and Mrs. Ralph Albracht and Raef.

College students going to West Texas State University at Canyon are Gene Gerber, Tommy Pohlmeier and Carol Schulte.

THE ORDER OF Martha members met in the home of Mrs. Margaret Schmucker Tuesday. The altar linens the members sewed were brought in and will be sent to the Mission Church in Metairie Falls, Wash. The afternoon was enjoyed in a game of "Bunko." High score was won by Mrs. Mrs. Marcella Birkenfeld. Low score was Mrs. Alma Schacher.

Long Runs Net Wolverines 22-19 Victory Over 'Horns

By JIM REED
Two long runs, one in the first quarter and the other just before the half, paced the Springlake-Earth Wolverines past the Hart Longhorns at Wolverine Stadium Friday night, 22-19.

THE GAME began in what appeared to be a runaway manner as the Wolverines chewed up large gains on the running of Terry Bridge, but an aroused Longhorn defense soon got the

visitors back into the game. Hart received the kickoff but the Longhorn offense couldn't crack the Wolverine defense and Quincy Hawkins was forced to punt from the 29, with the ball rolling out on the S-E 39.

Terry Bridge almost picked up a first down in two tries, but a third down effort by Steve Sanderson was thrown for a loss by Tommy Gonzales and Andy Rod-

gers and the Wolverines also had to punt.

The Longhorns took the ball on their 29 and could move only seven yards in three tries and Quincy Hawkins checked in again to handle the punting, this time sending the ball down to the 24.

On second down Randy Washington cut around right end and galloped to the Hart 25 before W. A. Hawkins could bring him down. Following in the same steps, Terry Bridge also sped around right end on the next play and simply ran over several Hart defenders as he picked up the Wolverines' first touchdown. The extra point pass fell short and the Wolverine lead stayed at six points.

After this initial nap the Hart defense began to show its old form as the Longhorn defenders forced the Wolverines back into home territory.

Just as the first quarter was coming to a close the Hart defense, led by Tommy Gonzales, Donnie Black and Andy Rodgers, stopped a fourth down try by the Wolverines at the Springlake 31 to give Hart a fine scoring chance. But the Longhorn offense wasn't up to the task as four tries netted only six yards and the Wolverines took over on the 25.

The Longhorn defense again proved its worth by forcing the Wolverines to punt from the 20 after losing five yards in three tries.

Bridge's punt carried to the Hart 45 and into the waiting arms of W. A. Hawkins, who sped back to the Wolverine 37. But again the Longhorns were unable to move the ball and Quincy Hawkins again punted, this time down to the Wolverine 25. The Wolverine safety man bobbled the ball, however, and Clifford Ray recovered for the Horns at the 25.

With W. A. Hawkins toting, the Horns moved to the 15 with a first down. Joe Quiroz got to the 6, and two plays later Hawkins picked up another first at the Springlake 5. Joe Quiroz lost three yards in two tries before Hawkins bailed the Longhorns out of trouble again by plunging to the 1/2 yard line. Hawkins rammed on in for the TD on the next play to even the score. His kick was good and the Horns were out in front, 7 to 6.

The Wolverines lost little time getting back in the lead after taking the kickoff at their 30. The Longhorn defense held the Wolverines to only seven yards in the first three tries, but then disaster struck on fourth as Steve Sanderson broke free and raced to the Hart 22. Terry Bridge raced the final 22 yards through the still groggy Horns to put the Wolverines back in front. Bridges also picked up the extra points to push the score to 14-7.

W. A. Hawkins tried to get the Horns back in the scoring column before the half as he directed them to the Wolverine 11 in only two plays with the help of a pass interference call against the Wolverines, but time ran out before Hawkins could get off another play.

The second half started out right for the Longhorns as they recovered a Wolverine fumble at the 20. W. A. Hawkins sped to the one-foot line before going down, and Danny Smith moved in for the score. The extra point try failed and the score stood 14-13 in the Wolverines' favor.

A few plays later the tables were reversed as the Longhorns bobbled a Wolverine punt on the Hart 9 and the Wolverines recovered. Tony Barton needed only two tries before he posted another touchdown for the Wolverines. Terry Bridge again blasted over for the extras and the score now stood at 22-13.

The fumble bug began to hit both teams as they traded bobbles for the remainder of the third period. As the fourth quarter started, W. A. Hawkins got the Longhorns moving again from their own 27. Two passes by Hawkins failed to find their targets but Hawkins used a third down keeper to pick up a first down at the 40. A penalty to the Springlake 44 helped keep the drive alive. Then on second down the Hawkins duo of W. A. and Quincy clicked as Quincy hauled in a pass and romped to the Springlake 5 to set up Hart's third TD. The extra point try failed and the score moved to its final figure, 22 for the Wolverines and 19 for the Longhorns.

Defensively for the Horns, Tommy Gonzales, Andy Rodgers, Donnie Black, and Danny Smith all turned in fine efforts while the Hart offense was almost a one-man show as W. A. Hawkins picked almost all the Longhorn offensive yardage.

V.F.W. NEWS

By GEORGE DERRICK
Our post was host to a huge fish fry Saturday night at the post clubhouse. A large crowd was on hand to enjoy the delicious food.

A special thanks goes to those of you who helped with the cooking and serving of the food, and an apology to those of you who came and stayed for the dance. As you know, our band failed to show up.

We appreciate your loyalty and support when these situations occur.

A DELEGATION from our post and the ladies auxiliary will go to the Veterans' Hospital at Amarillo Friday night to host a party for the patients there. Anyone may go with this group, and donations are being accepted for this worthy cause. These parties will be a monthly project for our post.

Bag Limits Set On Ducks, Geese, Sandhill Cranes

The Texas Parks and Wildlife Commission recently set the season and bag limits on migratory birds which includes ducks, coots, geese, brant and sandhill cranes.

HUNTERS are cautioned that a fully-feathered wing must be retained on all waterfowl, whether taken in Texas or imported.

Legal shooting begins one-half hour before sunrise and ends at sunset.

The season for ducks and coots will be Nov. 18 through Jan. 6 with a bag limit of four, which may include not more than one wood duck, one canvasback and two mallards. Possession limit will be eight and may not include more than two wood ducks, one canvasback and four mallards.

Daily bag limit of American, red-breasted and hooded merganser ducks is five per day and may include not more than one hooded merganser. The possession limit is 10, which may include not more than two hooded mergansers. Daily bag limit on coots will be 10 per day with a possession limit of 20.

THE GEESE and brant season will be Oct. 24 through Jan. 6 with a bag and possession limit of five. East of US Highway 81, which connects Fort Worth, Waco, Austin, San Antonio and Laredo, hunters may take not more than one white-fronted goose or Canada goose.

West of US Highway 81, hunters may take not more than one Ross's goose, or in the alternative, two Canada geese or one white-fronted goose and one Canada goose.

Sandhill or little brown cranes may be hunted Nov. 4 through Jan. 2, with a daily bag limit of two and a possession limit of four.

SANDHILL cranes may be hunted only west of a line beginning at the International Toll Bridge at Del Rio and continuing northward along US Highway 277 to its junction with US Highway 87 at San Angelo. The line then follows US 87 to its junction with US 287 at Dumas, then northwesterly along US 287 to the Texas-Oklahoma state line.

CLEAR THE WAY! — Bobcat quarterback John Hays is forced out of bounds by a Hale Center tackler as he sprints to the Owl 23 on a crucial third-down effort with just 1:15 remaining in Friday night's conference game at Hale Center. Hays took quite a clout from another tackler on this play as he rolled out of bounds, but he

got up and stayed in the game. Although all of Dimmitt's backs broke loose for long gains against the Owls, Hays and full-back David Land consistently came through with the necessary yardage on the "clutch" plays to keep the Bobcats in control. Dimmitt won, 13-6.

Antelope Permits Becoming Scarce

Sportsmen who have not already confirmed antelope hunting arrangements with landowners in the Panhandle, Trans-Pecos, or Permian Basin regulatory areas may now find permits difficult to locate due to high sportsmen interest, according to Wildlife Supervisor Jack K. Parsons of the Texas Parks and Wildlife Department.

PARSONS noted that a few permits may still be available in isolated areas, and he suggests that sportsmen send inquiries to any permits are still available.

near hunting areas to find out if any permits are still available.

National 4H Club Week

We Salute Our 4-H'ers

4-H FOR ALL YOUTH 9-19

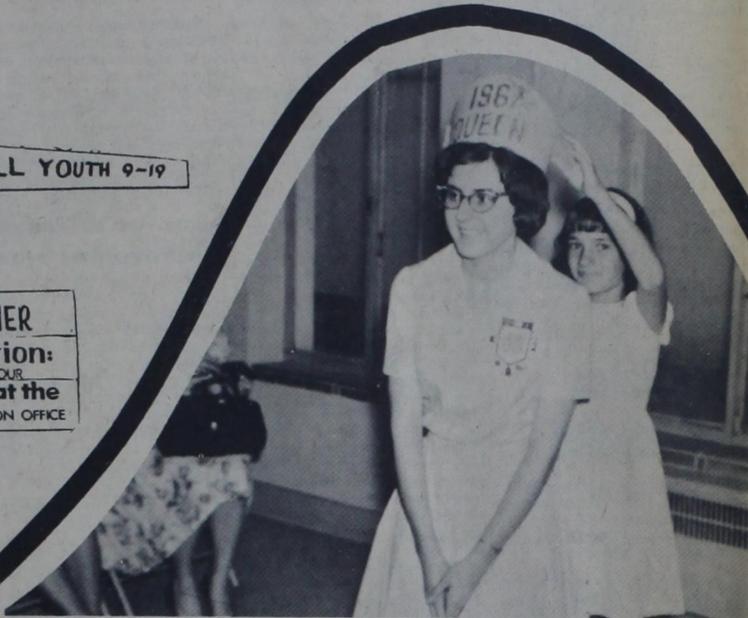

THE WHITE HOUSE
WASHINGTON

Dear 4-H Club Members:

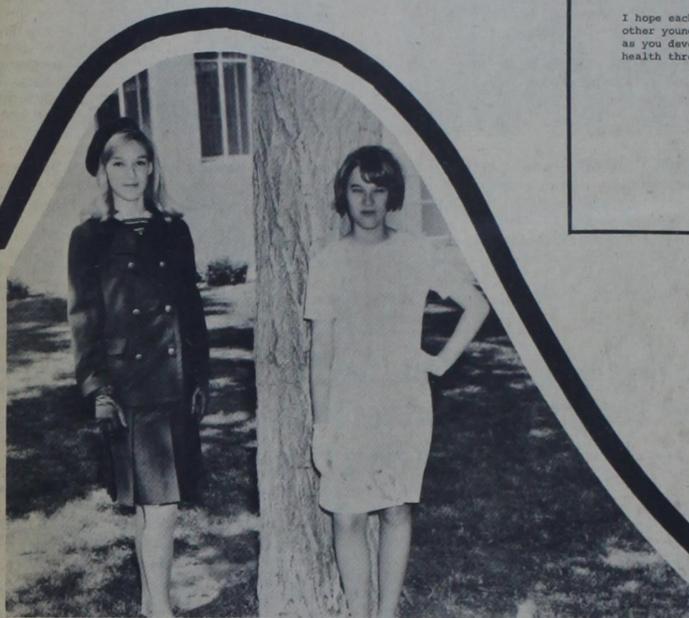

Your theme for 1967 is wisely chosen. This is, indeed, "The World of Opportunity." And this is a wonderful time to be alive, for it is filled with opportunities to serve our fellowmen in rural America, in our cities, and around the world.

Our country's progress is based on the knowledge, skills, vigor and courage of its youth. We depend on young citizens for leadership and service. It is thus heartening to know that you are equipping yourselves for this responsibility through 4-H work.

I hope each of you is able to influence other young people to follow your example as you develop your head, heart, hands and health through 4-H.

NOTICE TO STOCKHOLDERS

The annual stockholders meeting of the Federal Land Bank Association of Dimmitt will be Thursday, Oct. 5, 1967, at 8 p.m. in the community room of the First State Bank of Dimmitt.

This meeting will include a special observance of the 50th anniversary of the Federal Land Bank System.

A business session will be held, two directors will be elected, and a short film will be shown. All stockholders are urged to attend.

FEDERAL LAND BANK ASSOCIATION OF DIMMITT

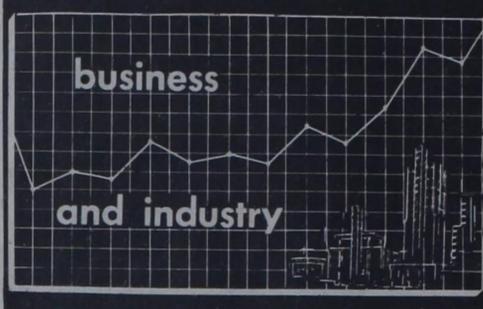

YOUNG FARMERS and guests heard a presentation on liquid cattle feed supplement last Thursday night in the DHS vo-ag department. Presenting the talk was Jerry Weldon of Red Barn Chemicals in Shreveport, La. Weldon explained that liquid feed, originally devised for the feed lot, has proven to be good for range feeding also. Using sorghum molasses as the car-

rying agent, liquid feed provides high protein content in urea, which gets into the animal's bloodstream quicker and satisfies the appetite for protein immediately, making it more efficient and economical than cake, Weldon explained. While grazing on wheat or bermuda, cattle will regulate their protein intake by eating less liquid feed, he said.

JERRY WELDON outlines the variations in cattle's protein needs during the year as he speaks to the Dimmitt Young Farmers. He said that since cattle will range between water and the liquid feed tank, grazing areas can be regulated easily.

Expected Boom Is On Schedule

The predicted rise in consumer spending, which analysts had expected to rekindle the boom, arrived on schedule.

THE THREE-MONTH climb to a record \$27 billion spent in the nation's stores in August confirms this, says Mrs. Wanda Meyer, Extension specialist in home management.

Department stores particularly are enjoying the sharp sales gain, says Mrs. Meyer. Cooler weather and earlier back-to-school purchasing sent sales in department stores zooming up more than 15 percent above last year's levels.

However, not every department is sharing equally in these gains, Mrs. Meyer points out. A strong demand has been evident for soft-goods, while furniture and appliances lag behind.

APPAREL buying is providing the spark, Mrs. Meyer explains. Clothing sales, especially for youth, have risen more than twice as sharply as retail volume. The freest-spending customers are the working girls and college and teenage students, whose allowances go right back into their closets.

Older family members are also taking a strong interest in new clothing, according to the specialist. Quality lines are getting the play in this category. And retailers are seeking to pull in some of the stored-up purchasing power consumers have withheld for so long. When these purse strings are loosened, sales of big ticket items should contribute their share too, Mrs. Meyer predicts.

Takes Two to Market What a Farmer Grows

Food marketing, no matter how viewed, is big business in terms of the number of people employed.

LAST YEAR about 13 million workers were employed in the agricultural marketing field, reports Dr. W. E. Black, Extension economist in marketing and policy at Texas A&M University. This number, he adds, is more than twice the number of workers employed on all the farms in the United States.

El Paso Gas Co. Approves Merger With Fiber Firm

Directors of El Paso Natural Gas Company last Thursday authorized completion of the merger of Beaunit Corporation, a fiber and yarn producer, into a subsidiary of El Paso, subject to required action by the Securities and Exchange Commission.

THE MERGER follows a merger agreement entered into in February, and if SEC action is favorable, the merger will take place on or about Oct. 11.

The merger agreement provides for the exchange rate of four shares of El Paso common stock for each five shares of Beaunit common. El Paso Products Company, the principal subsidiary of El Paso, owns approximately 34.4 percent of the outstanding shares of Beaunit and is engaged in a joint venture with Beaunit for production of Nylon 6-6 fibers.

The management and operations of Beaunit — including use of its corporate name, trade names and trademarks — will be continued in the newly formed subsidiary of El Paso.

Electric Co-op Slices Rates, Plans \$250,000 More Rebates

Deaf Smith County Electric Cooperative announced a rate reduction Friday that will amount to some \$40,000 a year savings to its members.

IN ADDITION to reductions in the farm-home rate, small commercial rate and irrigation rate, the cooperative plans to return nearly \$250,000 in cash refunds to the membership. It serves 5,200 customers in Castro, Parmer and Deaf Smith Counties.

The rate adjustment, which will become effective Jan. 1, is the result of a comprehensive rate study which began over a year ago.

Directors approved the rate reduction to help relieve the financial strain placed on area farmers by depressed market prices and high farm operating costs, Manager Leo Forrest said.

THE COOPERATIVE has been returning capital credit checks to its members on a 10-year pay-back schedule for past six years on a first-in, first-out basis. The directors adopted a by-law change which will allow the cooperative to pay up to 50 percent of the total cash paid back from the most recent years' patronage. For instance, at the annual meeting in April 1968, over \$145,000 in capital credits for the year 1956 will be returned. In addition to this amount approximately \$100,000 in refunds will be paid on patronage for the year 1967.

This will make approximately a quarter of a million dollars in

cash available to members of the cooperative, plus \$40,000 savings in rate decreases. In effect this will put nearly \$300,000 into the hands of area farmers.

TO REDUCE the cost of electrical energy for irrigation pumping, two more months of one-cent electricity have been added. This makes electricity cost the farmer one cent per KWH per month from October through March. During April through September, the cost will be 1.5 cents per KWH. By reducing the cost in October and March, irrigators should be able to save a substantial amount of money each year, Forrest said.

Although members of Deaf Smith County Electric Cooperative already have the lowest irrigation rates in the Southwest, the cooperative's board of directors felt that a rate reduction was needed to help combat the cost-price squeeze and aid in the continued growth of the areas' agricultural economy.

In its 30 years of operation, the cooperative has never had a rate increase.

Cattle on Feed

Cattle and calves in Texas feedlots on Sept. 1 numbered 604,000 head. This is 24 percent more than a year ago and 3 percent more than a month ago, reports the Texas Crop and Livestock Reporting Service.

Daringly new! Chevrolet's new line of Super Sports for '68.

Computer-tuned suspension systems. Improved shock absorbers. New double-cushioned rubber body mounts. They all team up to bring you the smoothest, most silent Chevrolet ride ever. A fresh new idea in ventilation comes standard on every 1968 Camaro and Corvette. It's Astro Ventilation, a system that lets air in, but keeps noise and wind out. You'll appreciate all the proved safety features on the '68 Chevrolets, including the GM-developed energy-absorbing steering column and many new ones. More style. More performance. More all-around value. One look tells you these are for the man who loves driving. One demonstration drive shows why!

Gregory-Wilkinson Vows Are Recited

Miss Kay Gregory of Lubbock became the bride of Everett Wilkinson of Dimmitt in a double-ring ceremony Sept. 21 in the First Methodist Church of Dimmitt, with Rev. H. Weldon McCormick, pastor, officiating.

PARENTS of the couple are Mr. and Mrs. Jim Gregory of Lubbock and Mrs. Faye Wilkinson of Dimmitt. Given in marriage by her father, the bride wore a white gown

street length dress and a corsage of white orchids.

A reception in Lamar Fellowship Hall followed the ceremony, attended by the couple's immediate families.

THE BRIDE is an Otton High School graduate and attended North Texas State University at Denton. She previously was employed by Allstate Insurance Co. in Lubbock.

Wilkinson, a Dimmitt High School graduate, is employed by Red Barn Chemicals in Dimmitt.

Following a wedding trip to South Texas and Old Mexico, the newlyweds are now at home in Dimmitt.

Killingsworths' 25th Anniversary Open House Set

Mrs. Kaye Stafford, Jim Killingsworth and Jerry Killingsworth will honor their parents, Mr. and Mrs. Woodrow Killingsworth, with a Silver Anniversary open house Sunday.

The 25th wedding anniversary observance will be in the family home at 714 W. Lee St., from 3:30 to 5 p.m.

ALL FRIENDS of the Killingsworths are invited to attend and take part in the observance.

Courses Planned For PTA Members

Mrs. Albert Schoenberger of Happy, president of the Bi-County Council of PTA, announced at last Thursday's meeting in Kress that two courses will be offered to PTA members in the area this month.

ON OCT. 12 a parliamentary and leadership course will be conducted in the School Administration Building in Amarillo, she said. Classes will begin at 9 a.m.

And on Oct. 19, Dumas will host the annual fall workshop, with the theme to be "Law Enforcement."

Those attending last week's meeting in the Kress school board room heard a talk on "Discipline" by Mrs. Burham, Kress school counselor, who stressed the need for a positive approach to love and understanding. Members also had lunch in the school cafeteria.

Mrs. Schoenberger announced that the PTA state convention will be Nov. 15-17 in the Texas Hotel in Fort Worth, and said delegates to the convention should have their names in by Oct. 15.

NAZARETH will host the next council meeting, with a workshop on publicity scheduled.

Turner-Kemp Vows Read in Santa Fe

June Pipkin Turner became the bride of Carl Lee Kemp in a double-ring ceremony Saturday evening in Rand Chapel of St. John's Methodist Church in Santa Fe, N.M.

Rev. Whitman, pastor, officiated at the ceremony.

PARENTS of the bride are Mr. and Mrs. H. C. Pipkin of Amarillo. Kemp is the son of Mrs. Carl Kemp and the late Carl E. Kemp of Dimmitt, and is a businessman and farm operator here.

A reception and dinner at the La Fonda Hotel in Santa Fe followed the wedding. Attending were the immediate families of the couple, plus the bride's grandparents, Mr. and Mrs. S. O. Callahan Jr. and Mrs. Hermon C. Pipkin Sr., the C. C. Braafadts, Mr. and Mrs. S. O. Callahan III, Mr.

and Mrs. Andrew J. Kemp of Fort Worth, S. O. Callahan IV, and Mrs. Paschal Wickard.

The newlyweds are now at home at 105 NW Twelfth St. in Dimmitt.

Kathryn Huckabay Shower Honoree

Kathryn Ann Huckabay, bride-elect of Larry L. Blakeman, was honored with a bridal shower in the home of Mrs. L. C. Dennis, 730 Oak Street, Saturday afternoon.

THE SERVING table was laid with ecru linen, and spiced tea was served from a brass samovar, while white cake rolled with pineapple was served on crystal plates. The table held a centerpiece of champagne colored gladioli and chrysanthemums tipped in coral, arranged in a brass epergne. Mums and fall flowers were featured in decorations.

Serving at the table were Janie Boothe, Ginger Gibbs, Jan Giles, Ann Golding, Cindy Hopson and Kerri Kirby.

Jan Noble and B-bbi Kirby registered the guests. Special guests were Mrs. Bob Huckabay, mother of the bride-elect; Mrs. Pete Upton, mother of the prospective bridegroom; Mrs. V. O. Newton, grandmother of the bride-elect; and Mrs. Elizabeth Huckabay, grandmother of the bride-elect.

A HOSTESS gift of an electric mixer was presented to the honoree. Acting as hostesses were Mmes. Tom Bice, Lon C. Boothe, George W. Bradford, Swain Burkett, Maurice Campbell, James C. Crum, John G. Davis, L. C. Dennis, Al Gibbs, Bud Giles, Jim Golding, Dan Heard, V. C. Hopson, Woodrow Killingsworth, Troy Kirby, E. B. Noble, Sandy K. Parsons, Dale Prather, Stanley Schaeffer, Dorit Smiley and Joe Smith.

Miss Huckabay and Blakeman plan to marry Oct. 14 in the First Methodist Church of Dimmitt.

Farrer to Review Book Wednesday On 'Edgar Cayce'

Robert V. Farrer, new speech and journalism instructor in Dimmitt High School, will review the non-fiction best seller, "Edgar Cayce - The Sleeping Prophet" when the Dimmitt Book Club meets Wednesday at 4 p.m. in the community room of First State Bank.

"EDGAR CAYCE," written by journalist Jess Stearn, is a factual account of the life of a well-known prophet during the 1920s and 1930s. Although Cayce never finished the sixth grade, he was able to diagnose illnesses and prescribe medical treatments not yet known by scientists. Today, thousands of Americans belong to the "Cayce Cult" and claim fantastic cures.

"I must say every minute I spent reading Mr. Stearn's book was an exhilarating experience," Farrer said. "I think the most important aspect of the book is the interesting journalistic style of writing Mr. Stearn uses to make the book easy, yet sophisticated, reading. Mr. Stearn reports important facts based on seemingly well-researched material."

THE REVIEW will be open to all interested persons.

Farrer, a native of Sherman, was an honor student in speech and English at East Texas State University and is now completing his work toward a master's degree there.

His wife, Carolyn, is a fifth grade teacher in North Elementary School.

More About:

Cockreham

(Continued From Page 1) I'm glad to see him get the job—it will be quite an advancement for him."

A replacement for Cockreham at DJHS has already been hired, Hilburn said.

COCKREHAM is a native of Getebo, Okla., and holds a BA degree in sociology from Southwestern State College in Weatherford, Okla. He taught two years in Altus before coming to Dimmitt.

His wife, Karen, is a third grade teacher in South Elementary School. The Cockreham's and their 6-year-old son, Brett, live at S&K Manor.

ABOUT HIS NEW post, Cockreham said, "I think it's a good opportunity for me. Of course, I'm new, but I think several things are working to my advantage. I'm getting to train under

Miss Annen

Nov. 23 Vows Set

Mr. and Mrs. Fred Annen announce the engagement and appointment of daughter, Janice, to Wesley Bennett of Hart.

THEY WILL take their nuptial vows Nov. 23 at 7 p.m. in the First Baptist Church of Dimmitt.

Bennett, son of Mr. and Mrs. L. W. Bennett, is a 1967 graduate of Hart High School and farms east of Dimmitt with his father.

Miss Annen is a senior in Dimmitt High School.

Friends of the couple are invited to the wedding.

Counselor's Role Next PTA Subject

"The Role of the Counselor in Dimmitt Schools" will be the program topic when Dimmitt PTA meets at 8 p.m. Oct. 17 in South Elementary School cafeteria.

SPEAKERS for the meeting will be Ike Moore, DHS principal, and Ben Gramling and Mrs. Mabel Hurd, counselors.

After their talks, an informal discussion will be held between the speakers and PTA members to foster better understanding of the school counselor's role.

Don Newman, I'll have a real good staff to work with at the hospital, and of course I have a real desire to do the job."

Plainview Plans Five Concerts

Mrs. Keith Howard, Dimmitt membership chairman for the Plainview Community Concerts Association, announced this week that two additional programs have been selected for Plainview's concert season.

THEY ARE Dick Schozy and his 20-member Percussion Pops Orchestra, scheduled for a Nov. 6 appearance; and D'Angelo, coloratura soprano and star of the Metropolitan and La Scala opera houses, who will appear March 3.

The two programs were chosen by the Community Concerts board at the close of the area membership drive last week.

Addition of these two performances will give Plainview five concerts this season. Booked prior to the membership drive were Fred Waring and the Pennsylvania Pops for Dec. 11, the Vienna Academy Chorus for Jan. 20 and the Chicago Little Symphony for April 5.

Memberships are now closed and no new memberships can be issued for the 1967-68 season, Mrs. Howard said.

Donna Summers In Delta Theta

Donna Summers, daughter of Mr. and Mrs. Elbert Summers of Dimmitt, is a pledge of Delta Theta social club at Abilene Christian College.

TO BE eligible for membership in a social club, a student must have completed 30 semester hours, have at least a 2.0 grade point average, and have attended ACC for one semester.

A 1966 graduate of Dimmitt High School, Miss Summers is a sophomore business major.

Revival Meeting Now In Progress

A great revival meeting is in progress at the First Christian Church, Minister Bedford W. Smith reported this week.

"MUCH interest is being shown in the messages being preached by the evangelist, Ernest V. Galloway," Minister Smith said. "We are most grateful to the members of the congregation for the splendid way they have been supporting the services from night to night."

Tonight (Thursday) the sermon subject will be, "The Question God Cannot Answer." Friday evening the sermon subject will be "A Cowboy's Message." Services begin nightly at 8, and are open to the public.

Galloway will conclude his work with the local congregation Friday night, but the revival will continue through Sunday.

MINISTER Smith will conclude the revival Sunday with messages at the regular 10:50 a.m. and 6 p.m. services. Saturday evening services will be at 8 p.m. a roll call of members will be a feature of the Sunday services closing the campaign.

CASTRO COUNTY LIBRARY HOURS

2:00 — 5:00 p.m.
10:00 — 4:00 Saturday
— Closed Mondays —

Anyone interested in enrolling their children (all ages) in dancing class, tap and ballet, contact Mrs. Jimmy Butler, 647-4494. Instructor will be Mrs. Sandra Thompson.
