

MRS. EVELYN BALL (LEFT) AND MRS. ETHYL SCHMUCKER
... With baby daughters born Friday and Saturday

Babies Have Twin Moms

The big news in Plains Memorial Hospital's maternity ward Saturday was twins—not twin babies, but twin mothers.

The hospital registered a "first" as Mrs. Evelyn Ball of

Friona and Mrs. Ethyl Schmucker of Nazareth, twin sisters, gave birth to baby daughters 18 hours apart.

Dr. B. D. Murphy presided at both births.

The mothers are the twin daughters of Mr. and Mrs. Eddie Drerup of Nazareth.

IT WAS Mrs. Ball's fifth child and Mrs. Schmucker's fourth.

Mrs. Ball, the wife of Jim Ball of Friona, had her baby daughter at 4:20 p.m. Friday. The lass weighed 6 pounds, 10½ ounces, has been named Karen, and is destined to grow up with four older brothers.

Mrs. Schmucker, wife of Dan Schmucker of Nazareth, gave birth to her 8-pound, 11½-ounce daughter at 10:34 a.m. Saturday. The baby, who has been named Annette Marie has two older brothers and a sister.

THE TWIN mothers shared the same double room in the hospital, creating a quandary for nurses.

"We have no trouble knowing which baby girl is which," said Mrs. Lester McDermitt, LVN. "It's the mothers we can't tell apart."

Tractor Tragedy Kills Jumbo Man

Leon Beckham Harkins, 36-year-old farmer in the Jumbo area, was killed Tuesday afternoon when he fell from his tractor into a tandem disc plow.

THE TRAGEDY occurred at Harkins' farm 10 miles northeast of Dimmitt as he plowed a mile field a mile from his home.

Deputy Sheriff Rex Covart, who investigated, said that after Har-

kins fell into the disc plow assembly, the tractor continued in a circle in the field until the discs accumulated enough of a dirt load to stall the tractor.

EXACT TIME of the accident isn't known. Harkins' body was discovered at 5 p.m. by his 17-year-old son, Dennis, a Dimmitt High School senior.

The tractor's battery was dead, and Covart said a Dodd Service winch truck was used to lift the tandem plow off Harkins' body.

Harkins reportedly had a paralyzed left arm and could do only limited work as the result of a stroke two years ago.

Harkins and his family moved to the Dimmitt area a year ago from Plainview.

HE IS survived by his wife, Virginia; two sons, Dennis and Jerry; a daughter, Vickie; his parents, Mr. and Mrs. F. B. Harkins of Plainview; a brother, Earl, of Hereford; and a sister, Mrs. Gene Welch of Friona.

Services are pending at Dennis Funeral Home.

Colt League Sets Meeting

Boosters of the new Tri-City Colt League, composed of Dimmitt, Nazareth and Hereford, will meet Friday at 8 p.m. in Sally's Steak House here to arrange the season's schedule.

Martin Waggoner of Hereford, president of the new baseball league for 15 and 16-year-old boys, called the meeting after receiving the league's charter from national headquarters in Washington, Pa.

FOUR TEAMS will make up the league—two from Hereford and one each from Dimmitt and Nazareth. Dimmitt's team will be named the "White Sox," with uniforms of purple and white.

"We want all people interested in these boys and their baseball program to be present at this meeting," Waggoner said.

Dr. David Bechtol, president of the Dimmitt Baseball Commission, will be present to help Colt League workers set up their summer schedule to avoid conflicts with the Pony League.

Construction and ownership of the corn milling plant will put the

about dimmitt and castro county by b. m. n.

President Johnson has irrevocably withdrawn from the race for president. Many people have made varying forecasts and predictions ranging from the seemingly impossible to the absurd. My prediction or comment is that there will be the usual nominating conventions and the two major parties will come up with the candidates that they will support in the general election. Somebody will be elected and that somebody will receive the loyal support of the overwhelming majority of responsible Americans while there will be a very vocal minority with only one purpose in mind and that will be to attract as much attention as possible and to create as much dissension and confusion as possible. It has happened before and it will happen again.

BY THIS time next week there will have been enough farmers sign corn growing contracts to assure the construction of the proposed wet milling corn processing plant. This will be one of the finest things that has ever happened to Texas agriculture. Farmers have always been at the mercy of a manipulated market when selling their farm commodities, never having the right or privilege of saying what they would take but instead it has always been what will you give me.

ROBERT FROEHNER won the district title in number sense Saturday during University Interscholastic League literary competition here. He shows the gold medal he won for topping 17 other contestants, who had 10 minutes each to tackle 80 math problems without being allowed to calculate or erase. He's the son of Mr. and Mrs. Nolan W. Froehner of Dimmitt.

Strother Hurt In Sunday Wreck

Mac Strother, 24, of Dimmitt received a mild concussion Sunday afternoon in a two-car collision five miles south of Canyon.

STROTHER reportedly was entering the main highway from Buffalo Lake road when his 1963 Chevy II sedan was hit broadside by a 1965 Plymouth driven by Gary Sellers of Lubbock.

Sellers escaped injury but his wife, Kay, received a broken ankle. She was taken to St. Anthony's Hospital in Amarillo.

Strother received emergency treatment at Neblett Hospital in Canyon, then was transferred Sunday night to Plains Memorial Hospital. He was released Wednesday morning.

Strother, son of Mr. and Mrs. R. E. Strother, is the Dimmitt distributor for the Amarillo Globe-News.

Little Leaguers To Meet Tonight

The Dimmitt Little League's 1968 organizational meeting for parents and workers will be held tonight (Thursday) at 8 in the Western Ammonia Corp. community room.

THE MEETING is open to all interested in the Little League program here. Boys this year will play on a new field, now being constructed at the Castro County Recreation Center in West Dimmitt.

Tonight's meeting originally was scheduled for Tuesday night but was rescheduled because of a conflict.

RONNIE BURKS, son of Mr. and Mrs. Charles Burks, won Dimmitt High School's second gold medal in UIL literary competition Saturday when he captured the district championship in boys' prose interpretation. Here, Miss Lavern Loving of Texas Tech's Speech Department, judge of the

Six Elections Will Be Decided Saturday

County voters will get their first election-year shot at the ballot box Saturday when they choose school trustees, city commissioners and hospital board members.

IN ALL, six elections are on tap throughout the county—and four of them are contested races. Most of the elections will involve back to back ballot boxes as voters use the same polling place to choose district and county school board members and hospital district trustees.

Polling sites for these elections are Dimmitt Junior High School, Hart City Hall and Nazareth Community Building.

The Dimmitt city commission election will be conducted separately at city hall.

TO VOTE in the school and hospital elections, you must be a registered voter and be listed on the appropriate tax roll. To vote in the Dimmitt city election, you need only be a registered voter. All polls will be open from 8 a.m. to 7 p.m.

Here are the six elections on tap Saturday:

HOSPITAL BOARD
The county-wide election for Plains Memorial Hospital trustees finds four newcomers seeking two available seats on the board.

Vying for the posts are James Horton and Donald Wright of Dimmitt and Jerry Wilhelm and Leonard Schulte of Nazareth.

THE TWO winners will succeed N. F. Cleavinger, current board chairman, and Anthony Acker—neither of whom is seeking re-election.

Terms on the five-man hospital board are for two years.

Balloting will be at Dimmitt Junior High School, Nazareth Community Hall and Hart City Hall.

COUNTY SCHOOL BOARD

Two men are running unopposed for the Precinct 1 and Precinct 2 posts on the county school board. They are incumbent Percy Hart of Precinct 1 and newcomer Houston Lust of Precinct 2.

George Sides, current Precinct 2 trustee, was moved into another precinct by last year's realignment, and is not seeking re-election.

THE TWO men elected will join board members Eddie Drerup of Precinct 4, Morgan Dennis of Precinct 3 and Ivor Bagwell, at-large trustee.

This election will be held by precincts in conjunction with the school district and hospital elections in Dimmitt Junior High School and Hart City Hall.

DIMMITT SCHOOL BOARD

The Dimmitt School Board race promises to be a lively one. Three posts on the board are up for grabs, all three incumbents are running for re-election, and three challengers are trying to unseat them.

The six men running for the board are incumbents Jim Golding, John Merritt and Carroll Webb, and challengers Melvin Barton, Cliff Cook and Clyde Dameron.

TERMS on the board are for three years. The three elected Saturday will join Board President Ward Golden, Frank Wise, G. L. Willis and Jack Miller.

Balloting will be in Dimmitt Junior High School from 8 a.m. to 7 p.m.

HART SCHOOL BOARD

A three-man race has developed for two available posts on the Hart School Board.

Joe D. Bailey, Bill Hill and David Nelson are contending for the two posts currently held by J. M. Kendrick and Bob Bennett, who are not seeking re-election.

Carryover members of the seven-man board are President Ralph Futrell, Mrs. L. C. McClain, Darrell Lacy, Robert Hawkins and Dean Sanders.

Terms are for two years each. Voting will be in the Hart City Hall from 8 a.m. to 7 p.m.

NAZARETH SCHOOL BOARD

The Nazareth School Board race find two incumbents and a challenger seeking the two available posts.

enger seeking the two available posts.

Luke Acker has thrown his hat into the ring with incumbents Edward J. Ramaekers and George Book Jr. to make it a three-man race.

Balloting will be from 8 a.m. to 7 p.m. in the Nazareth Community Hall.

DIMMITT COMMISSION

TWO CANDIDATES are running unopposed for the Dimmitt city commission.

Commissioner Troy Kirby is seeking to be returned, and Noel Gollehon is running for the post vacated by Elmer Youts, who isn't running for re-election.

BOTH commissioners will be elected at large for two-year terms, and will join Mayor George Bradford on the three-man commission.

Balloting will be from 8 a.m. to 7 p.m. Saturday in the city hall. To cast a ballot, a person must be a registered voter with at least six months' residency in the city.

'Task Force' Spurs Mill

WRECK SCENE AT LITTLEFIELD RAIL CROSSING SATURDAY
... Robin Lynn Springer, 1, died in crash; parents injured Lamb County Leader-News Photo

Car-Train Crash Kills Baby

A car-train collision in Littlefield Saturday afternoon took the life of a 13-month-old Dimmitt girl and seriously injured her parents.

DEAD IS Robin Lynn Springer, the only child of Mr. and Mrs. David Springer. She was thrown from the family car when it was hit by a 99-car freight train at the Highway 385 crossing in North Littlefield.

Springer, 28, is the Dimmitt work unit conservationist with the Running Water Soil and Water Conservation District. He was taken to Littlefield Hospital with multiple contusions of the head and shoulder.

His wife, Linda, suffered a fractured vertebra, multiple fractures of the pelvis and multiple contusions. She received emergency treatment at Littlefield Hospital, then was transferred to Methodist Hospital in Lubbock, where her condition is listed as fair. Springer was transferred to Lubbock Sunday to be with his wife.

THE SPRINGERS were entering Littlefield on Highway 385, en route to Lubbock to visit Mrs. Springer's sister, when the accident occurred at 12:50 p.m. Saturday.

The freight train, traveling east, collided with the right rear fender of the Springer car, spinning it across the tracks and into a guard rail on the east side of the highway.

Two posts were ripped from the ground as the car hit the guard rail. Robin Lynn was thrown through a side window. While being spun across the highway, the Springer auto narrowly missed a car that had stopped on the north side of the crossing.

GENE BERKLEY of Slaton, head brakeman, said the train went into emergency stop 100 yards from the intersection when it became apparent that the Springers' car would not make it across in time. He said the train was traveling 57 mph before going into emergency stop.

Parts of the car were scattered 100 yards down the track.

Another freight train was parked at the Littlefield Depot near the crossing, on the northernmost tracks. A Lubbock man who witnessed the accident said he felt the parked train blocked Springer's vision.

FUNERAL services for Robin Lynn were conducted at 2 p.m. Tuesday in the Resthaven Little Chapel of the Flowers in Lubbock. Burial was in Resthaven Memorial Park under the direction of Resthaven Funeral Home of Lubbock.

THOSE signing corn contracts will be required to invest in the mill's construction. Thus, in addition to having a guaranteed market for their corn, the corn contractors will own the mill and share in the sales of its finished products.

Two full-page ads in this week's issue of the News by the First State Bank and the Castro County Chamber of Commerce urge local producers to investigate the plans and potential of the milling plant.

THE NATIONAL Bank of Commerce in Dallas has made \$2½ million available through First State Bank and Plainview Production Credit Corp. to help local farmers buy corn contracts for the new venture. The money is long-term, with a five-year payback.

Those joining the task force voiced enthusiasm about the mill's prospects and its importance to this area.

"This plant is a rare opportunity to market our own product," said Leo Witkowski. "The money from this plant will be fed back into our own local economy."

"SEVEN thousand dollars on a million-pound contract sounds pretty high at first," said Shirley Garrison. "It requires about 143 acres to grow a million pounds. That's the same acreage I've been putting to sugar beets, and I've been donating \$1 per ton per year to help pay for the sugar mill. In the past four years I've donated \$14,000 to pay for the plant, and I've got no stock in it. Still, sugar beets have turned out to be good for us as a crop—but not as good as this corn mill project will be."

Ward Golden compared the mill project with the cattle feeding business here.

"At one time we turned our cattle over to the feeders after we had pastured them, and we were through with them," he said. "But now we can put these cattle into a feed lot for finishing and can squeeze \$10 to \$20 more per head out of them. This is the same thing the corn mill will do for the grower."

Bible Thoughts

TREASURES IN HEAVEN

By Ronnie Parker

Jesus said, "Lay not up for yourselves treasures upon the earth where moth and rust consume, and where thieves break through and steal; but lay up for yourselves treasures in heaven . . . for where thy treasure is, there will thy heart be also" (Matt. 6:19-21).

The test of our lives is not how long or how much we live but HOW we live. Our lives may be turbulent but the real matter is how much bigger, better and stronger the trials have left us. Success in living surely does not depend on how much money, fame or fortune we have laid up here on earth, but how many treasures we have laid up in heaven.

Where a man's treasure is, his heart is there also. If a man sets his heart upon earth his interest will be upon earth. If however all through life a man's eyes are on eternity he will live better and evaluate lightly the things of this world. This world is not the end of life so never lose your heart to the things of this world. Fix your heart on heaven. That adds meaning to life.

FOURTH AND BEDFORD CHURCH OF CHRIST
YOU ARE ALWAYS WELCOME

The View From Your Library

By VIRGINIA NEWSOM
Librarian

The Lubbock City-County Library sponsored a library workshop Wednesday of last week. The Castro County Library was represented by Miss Hazel Merritt, Mrs. Charles Vandiver, Mrs. E. R. Little and myself.

THE program was to explain a new state-wide "interlibrary cooperation plan." Libraries will be in three groups, according to size:

1. Major Resource Center (Amarillo in our area).
2. Size II Library. A free telephone will be placed in each size II Library (one serving less than 25,000 persons), which will have the privilege of calling a designated Size II library collect for requested material not held in the smaller library.

IF THE material cannot be obtained in the Size II library, the request will be automatically referred to the major resource center.

Each major library will be equipped with a teletype machine. They will be able to contact Texas State Library for any materials that cannot be obtained through the above channels.

The cost of this service will be borne by funds under Title III of the Library Construction Act (P.L. 90-132), which is administered in Texas by the Texas State Library.

WHAT WILL this mean specifically to the residents of our county who use the library? Any book, reference material, or answers to any question not obtainable in our own library, can be received in the shortest possible time through the system. It is my understanding that we will probably be dealing directly with Amarillo, which is our Major Resource Center.

It is hoped the system will be in effect in a very short time and that each library will be notified when it will be allowed to participate.

This will be of tremendous benefit to all participating libraries. In effect, we will have access to practically any library materials available within our state on an interlibrary loan basis.

I have material in the library explaining more fully the Texas State Library network and will be happy to have anyone come in and look at it or I will answer, if possible, any questions you may have.

STARTING Wednesday April 3, the library hours are as follows:

Tuesday, Thursday, and Friday — 2 to 5 p.m.
Wednesday — 10 a.m. to 12 noon and 2 to 5 p.m.
Saturday — 10 a.m. to 12 noon and 1 to 4 p.m.

A thought for the week: "The surest way not to fail is to determine to succeed."—Sheridan

CAMPING BOOTS

Don't try to walk mountain trails in the same sort of boots you use when rabbit hunting. Best authorities recommend rugged footwear equipped with vibram lug soles. Ordinary boots are much too soft for such hard wear.

OUR USE OF LEISURE

None of us can make our best contribution to life unless we take care of our physical selves. The right kind of recreation renews the body, mind, and spirit.

There should be a proper balance and rhythm between work and rest. Our Lord meant for us to enjoy life and intended no man to punish his body with unrelieved work.

Of course our recreation should be of a kind that would actually re-create our spirits and bodies and make us better able to perform our work.

Part of our leisure time should be spent renewing our spirit by worshiping God in His Church. We invite you to attend services this week.

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint." Isaiah 40:31.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

JUDGE JAMES JOY (right) and his wife chat with attorney Russel Moran (left) and County Attorney Jimmy Ross during a coffee for the judge Sunday in the community room of First State Bank. Mrs. Joy holds a home-made statuette of "Justice." The Plainview jurist, who is the present district judge here, is a candidate for the Seventh Court of Civil Appeals which serves 46 North Texas counties. Hosting the coffee were members of the Castro County Bar Association and the Democratic Women's Club.

V.F.W. NEWS

By **GEORGE DERRICK**
 "Loyalty Day, U.S.A." will be observed nationwide, a May 1. Our post, along with the VFW Ladies Auxiliary and the local American Legion, plan a number of activities for that day.
COMPLETE plans for these activities will be announced at a later date.
 "Loyalty Day" was inaugurated by the VFW, as a direct, vigorous weapon against Communism. It was aimed especially at Communist Party members and their followers, who were trying to claw down our American way of life. The Communists were using May Day for their hate demon-

strations against our country. (They still are).
 VFW Post 8056 of Dimmitt asks all individuals, schools, churches, organizations, groups, business houses, etc., to fly the "Stars and Stripes" on May 1, and to attend, or take part in the activities we have planned for that date.
 If you do not have a US flag, please try to obtain one by May 1.
Passing Thought: "Population Explosion": Love in bloom.

REMOVING BIRDSHOT
 It's not much fun to chomp down on a hidden shot pellet when enjoying a game dinner. The cook can easily prevent such a painful occurrence by inserting a small light bulb in the birds cavity before cooking. Light enables the cook to quickly locate imbedded shot.

Auto Project Offered in 4-H

Texas 4-H Club members enrolled in the automobile project learn how to operate a car efficiently and safely. This includes studying the operation and maintenance of an auto. Local county extension agents can supply detailed information on all phases of 4-H work including the automobile project.

BORE CLEANER

A handy bore cleaner to carry with you can be toted in any small pocket. Take a 4 or 5 foot length of heavy monofilament fishing line, make a knotted loop at one end, insert a rag in the loop and draw tight. A smaller, similar loop at the other end makes a good finger grip.

Kenneth Frye Is Lions President

By **RUBY STONE**
 Lions Club Ladies' Night was held March 25 with election of officers and campaign speeches on the agenda. Hilarious speeches were made on behalf of the candidates, with the winning slate of officers for 1968-69 as follows:
 Kenneth Frye, president; Charles Self, first vice-president; LeRoy Bodkin, second vice-president; Wayne Walser, third vice-president; John Smith, secretary; Bill Warrick, treasurer; Ivan Block, tall twister; Harlan Barber, Lion tamer; and Harland Frye and Clarence Behrends, directors.

Mr. and Mrs. N. L. Fields of Sundown visited in the Fred Walton home Sunday. Fields is a brother of Mrs. Walton.

Mrs. John H. Burnett went to Mangum, Okla., last Thursday to visit her mother, Mrs. Ida Robinson.

EASTER Club met in the home of Mrs. Ruby Stone for their regular meeting March 25. Five members were present. Before the business meeting, Mrs. H. W. Bischoff held a question and answer session on "grooming for the mature woman." Some interesting points were brought out on accessories. Thanks again, Tommie Ann — we all enjoyed it. Those present were Anna Laura Keys, Anna Margaret Moss, Anna Mae Burnett, Lana Downing, S. T. Walton and the hostess, Ruby Stone.

The next meeting will be April 11 at the home of Mrs. Fred Walton.

Team to Study School Status

Two officials of the Texas Education Agency will visit Dimmitt's public schools April 8 and 9 to check the progress made here in carrying out the recommendations of last year's evaluating committee.

Supt. Paul Hilburn has been notified that Dr. Ted Edwards and J. A. Anderson of the agency's Division of School Accreditation will make the study.

THEIR VISIT here will come a year after the school's self-initiated evaluation was completed, and will be an official link toward accreditation of the public schools here by the state agency. Only a small percentage of Texas' public schools are accredited now.

The two men will submit their follow-up report to the local schools and to the Southern Association of Colleges and Schools, as well as to TEA. Dimmitt's public schools are also seeking accreditation through the Southern Association.

Entertainment was provided during the meal and the counting of ballots by Barbara Jolly, Lions Club Sweetheart, and Judy Hollingsworth of Hereford.

MRS. W. A. Epperson and Mrs. Ben Medley of Hereford left for Ventura, Calif., for the funeral of Mrs. Jewel Turner, their sister.

Mrs. Turner had been visiting the Eppersons for several weeks when she became ill and was hospitalized in Hereford. Her daughter, Mrs. Gilbert Eskridge of Ventura, and her granddaughter arrived Sunday. Mrs. Turner passed away Sunday night.

Services were scheduled for Thursday at the Presbyterian Church in Ventura. Mrs. Epperson and Mrs. Medley will remain in Ventura for several days.

THE TIME of Lions Club meetings has been changed from 7:30 to 8 p.m. This includes board meetings as well as regular meetings.

★ **GOOD BUSINESS** ★ **PROGRESS**
★ **PROSPERITY**

Our agricultural industry, as well as other segments of the business community, depends to a large extent on the construction and operation of the proposed wet milling

CORN PROCESSING PLANT IN DIMMITT

It is our sincere opinion that the corn processing plant, to be constructed by Dimmitt Wheat Growers, Inc., will mean more to the prosperity of the agricultural industry in this area than any idea or proposal that has been made since the turn of the century.

We have faith in the good judgment of the farmers of Castro County, and are confident that they will subscribe to enough growing contracts to keep all of the benefits of this plant in our county.

ENDORSEMENT:

We are happy to take this means of giving our wholehearted endorsement to the feasibility and practicability, from a financial and business standpoint, of this undertaking.

We urge and recommend that all farmers, who are interested in maintaining a healthy farming economy, participate in this endeavor by signing a corn growing contract before the deadline, April 10.

NEW STUDENT LEADERS — The top two officers of Dimmitt High School's student body next year will be Durward Strickland (right), student council president, and Bill Sanders, vice-president. They were elected recently after a lively campaign. Strickland, a junior, is the son of Mr. and Mrs. D. H. Strickland, and will succeed Tommy Martin in the student council's top post. Sanders is a sophomore, and is the son of Mr. and Mrs. M. L. Simpson Jr. He will succeed Scott Moran as student council vice-president.

Bethel News

Howell Family Gathers Friday

By MRS. J. T. STEHR
647-4221

The Oran Howells of Stratford came down to the Moss Howells Friday. Saturday callers were the Jack Howells and Jimmy Howells of Bethel and the Charles Howells of Friona. Also Saturday, John Howell came home from Clarendon College and was accompanied by John Terry of Laredo and Mike Inman of Salt Lake City. Daughters of Howells and families, Mrs. Karen Briggs and the Lynden Smiths, were also present Sunday.

Mr. and Mrs. George Bagwell and Mr. and Mrs. George Sides went to Paducah last Thursday to visit Mrs. Ott Roberts and daughter, Mrs. Vivian Schoenstein, who has been with her parents several days, during Mr. Ott Roberts' illness and his death Tuesday morning.

Services for Mr. Roberts were held Wednesday, but due to the weather the Bethel friends were unable to go for the funeral.

Mrs. Kay Roberts returned home with the Bagwells.

Mr. Roberts is survived by his wife, Birdie; one daughter, Mrs. Schoenstein and two grandchildren, Gloria and Bob Schoenstein, who live in Dallas. Mrs. Schoenstein has visited in Bethel community a number of times when her uncle and aunt, Mr. and Mrs. Kay Roberts, lived here, and we extend our sympathy to the family.

★ **THE L. A. MARSHAL** family of Dimmitt visited the Bud McElroy family Saturday night. The ladies are sisters.

Mrs. James Welch gave her hat modeling skit at Hereford last week at a meeting of Home Demonstration women.

Mrs. Jimmy Howell and Mrs. Jack Howell attended a meeting at the First Baptist Church in Dimmitt for officers.

The Max Keating family visited his parents at Olton Sunday. Mr. Keating is recovering from major surgery recently.

★ **REX AND Sue Lust** attended the Baptist ski retreat at Glorieta, N.M. The Don Gilreaths, Elbert Smiths and Doyl Underwood were sponsors from Bethel.

Rev. and Mrs. Charles Harris of Plainview were Friday night supper guests of the A. T. Morgans.

Mrs. Jackie Heath of Nebraska and daughter visited the Elbert Smiths last week. Mrs. Heath and Mrs. Smith are sisters.

Mr. and Mrs. James Welch and children visited Mr. Jack Fears in Lubbock Sunday.

Mr. and Mrs. Vern Lust visited the Glenn Lusters at Lazbuddie Thursday.

Mrs. Rachel Hunter was dinner guest in the A. T. Morgan home Sunday.

The Delbert Timmons family visited in Oklahoma from Thursday until Sunday. They went via Paul's Valley and got Mr. Cox, and went to Norman to see the grandmother, who had been in the hospital.

Mr. and Mrs. John Finkner of Adams, Neb. were callers in the George Bagwell home Thursday afternoon.

Mrs. Roland Ward of San Antonio has been visiting in the Jimmy Howell home while they adjust to the care of baby Kim,

who had to be put in a cast and a leg brace Thursday. Doctors hope this will correct her hip, which was dislocated at birth. If possible, she will not have to wear these over six months. The little one is just a year old and at that age when she'd like to be up and about, so we all hope she will soon be able to be up.

★ **WEEKEND** visitors in the J. T. Stehr home were his brother and wife, the Martin Stehrs of Willow, Okla., and their daughter-in-law, Mrs. Bill Stehr and small daughters, Tammy and Kimberly. Mrs. Martin Stehr and Kimberly came to see a doctor at Hereford. They returned home Tuesday.

Mrs. James Koonce and son Bill of Golf, Ill., who are visiting her parents, the W. E. Kirkpatrick of Dimmitt, spent Tuesday visiting in the Charles Rickerd home.

The Bethel Home Demonstration Club women attended the sale at Taylor's Wednesday to make money for the HD Council.

The J. T. Stehrs visited the Herbert Schuelers Sunday afternoon. Glenn, 7, was hardly over the measles, when he got chicken pox and baby Sandra Jo got measles. Children's diseases such as these are in Friona School at this time.

★ **THE CHARLES Rickerds** were dinner guests of the Tom Masons Sunday. Other guests were Mr. and Mrs. Tom O'Brian.

Bethel Home Demonstration Club met Friday due to the snow. Mrs. Charles Rickerd gave an interesting talk on "Shopping Wisely."

The Charles Rickerds found their lost dog. He evidently was smothered by the snow.

Mrs. Dean Myers spent the night in the Mike Langford home Thursday and she and Mrs. Langford went to Muleshoe next day to see a doctor.

★ **IF YOU** have ever had a useless gift given to your child, you can kind of imagine how the Coopers at Girlstown felt when they received a truckload of bottles from downstate. Someone had saved every kind of bottle, from aspirin to milk of magnesia and bottles like we find on our local roadsides. They had hired a truck and driver to bring them to Girlstown. The mystery has never been solved. Later the same person sent a part of a load of bottles, again!

If we are going to give the girls anything, please, let it be of some use. Ask anyone who was an orphan — they can tell you what it is like to get castaways, although most don't get bottles.

A firm in Clovis gave material to Partner County women and they made 60 garments for the girls.

★ **MR. AND MRS.** Gaston Howell of Bushland were callers in the Moss Howell home Sunday. They picked up their daughter, Margaret, at Dimmitt when she returned from New Mexico with the Baptist group who went on the ski retreat.

The greenbugs have been getting sprayed in the community this past week. Fruit trees are in full bloom. Besides the neighbors' honey bees, other winged creatures are getting honey from the fruit blossoms — some I haven't noticed before.

CARD OF THANKS

We are very thankful to each of you for making our reception a memorable occasion.
MR. AND MRS. EARL BROCK

CARD OF THANKS

We would like to express our sincere thanks for your visits, prayers, food, cards, flowers and all acts of sympathy shown during the passing of our loved one in Vietnam on March 16 - and until his burial on March 28 in Fort Sam Houston National Cemetery in San Antonio. This has been a horrible drawn-out experience for all his family. With your help and understanding the burden was lightened. May God bless each of you.
Sincerely,
The family of SFC. Carl Turner Adams

CARD OF THANKS

Words cannot express how much we appreciate what you did for us. For all the cards, words of comfort, your visits and your prayers. I want to thank each person that had a part in helping with the work that was done on the farm. Thanks to each person that contributed in any way.
Words cannot express our gratitude and heartfelt thanks. May God richly bless each and every one of you.
NOAH SPENCER AND FAMILY

EVERYONE is urged to vote Saturday in the school trustee and hospital board elections. The polls will be in the Community Hall in Nazareth, and voting hours will be 8 a.m. to 7 p.m. Those attending the Christian Doctrine Classes at Plainview, the second session of the 10 two-hour classes, finished Sunday evening with a test period. Those passing the tests will receive a certificate and will be qualified to teach or help with Christian doctrine classes. Finishing the courses were Mrs. Willie Faye Huseman, Mrs. Joan Durbin, Mrs. Margaret Womack, Mrs. Nellie Wilhelm, Mr. and Mrs. John Schacher and Mr. and Mrs. Florence Albracht.

Mr. and Mrs. Alphonse Klemann and family, Mr. and Mrs. Carl Dean Klemann and family, and Mr. and Mrs. Ed Ramaekers and family went to Amarillo Sunday for the Art Klemann family reunion in the home of Bernard Klemann. The occasion was the 20th wedding anniversary of the Bernard Klemanns. Dinner and supper were enjoyed by the families.

MRS. LIZZIE GERBER and Mrs. Anna Albracht attended mass and first communion services in St. Mary's Church in Urdarburg Sunday. Their little great granddaughter, Jackie Skarke, received the Eucharist for the first time.

Nazareth

Almost 700 Turn Out

A large crowd from here and Dimmitt enjoyed the chicken dinner sponsored by the Nazareth FHA Class Sunday in the school cafeteria. Almost 700 attended and ate fried chicken, homemade breads and pies. Mrs. W. F. King's FHA girls waited tables and served while their mothers prepared the food.

MRS. SUE BURT of Dallas is spending a few days with her mother, Mrs. Helen Burt. Emil Huseman is in St. Anthony's Hospital in Amarillo, where he underwent major surgery the past week. He is reported doing well and will be home in a few days.

Art Albracht of Wichita Falls spent Wednesday and Thursday of last week visiting at home.

EVERYONE is urged to vote Saturday in the school trustee and hospital board elections. The polls will be in the Community Hall in Nazareth, and voting hours will be 8 a.m. to 7 p.m. Those attending the Christian Doctrine Classes at Plainview, the second session of the 10 two-hour classes, finished Sunday evening with a test period. Those passing the tests will receive a certificate and will be qualified to teach or help with Christian doctrine classes. Finishing the courses were Mrs. Willie Faye Huseman, Mrs. Joan Durbin, Mrs. Margaret Womack, Mrs. Nellie Wilhelm, Mr. and Mrs. John Schacher and Mr. and Mrs. Florence Albracht.

Grain Sorghum CHAFF

By WES ANTHONY

We are entering our final few days in which to complete our sign-ups for the corn wet milling plant.

THIS PLANT will increase every grower's income. It will help improve our economy and society, will bring in high class labor, and will increase the value of all property. We may receive part of the so-called "middle man's share."

It will help make our community and whole area self-sustaining. It is a big project for a small city, but we can do it if we all will help.

THERE are hundreds of communities that would love to have this opportunity. Let's all work hard these last few days. Let's get it done. We've GOT to have it!

Wool, Mohair Rates Reported

The USDA has announced that shorn wool payments will be made at rate of 65.8 percent of dollar returns each grower received from sale of shorn wool marketed during 1967. Mohair growers will receive payments at rate of 86.8 percent of returns each grower received from the sale of mohair. Payment rate of \$1.05 per cwt on unshorn lambs sold or slaughtered during 1967 marketing year was also announced.

POLITICAL ANNOUNCEMENTS

The News is authorized to announce the candidacies of the following persons, for the offices indicated, subject to the action of the Democratic Primaries to be held May 4:

FOR GOVERNOR: Preston Smith, Lubbock

FOR SHERIFF: Henry Myers Ogletree Jack Cartwright, re-election

FOR COMMISSIONER, Pre. 1: E. I. (Tump) McLain, re-election George Heck

FOR TAX ASSESSOR-COLLECTOR: Kent Birdwell, re-election

FOR DISTRICT ATTORNEY 6th Judicial District: Frank Stovall, re-election

FOR STATE REPRESENTATIVE: Bill Clayton, Re-election

FOR COMMISSIONER, Precinct 3: J. M. Wright

FOR JUSTICE OF THE PEACE, Precinct 3, Castro County: Earl Harrison

FOR COUNTY ATTORNEY: Robert Buntn

FOR JUSTICE OF THE PEACE, Precinct No. 2, Castro County: Elvon DeVaney

★
SUBJECT TO ACTION OF THE REPUBLICAN PRIMARY:

FOR STATE REPRESENTATIVE: Frank Ford

Golden Spread Rest Home

By DeLorisie Gilliland

Residents of Golden Spread Nursing Home have been taking advantage of the warm afternoons. Passers-by have probably noticed many of the residents sitting outside.

The Ann Wollerman Circle of the First Baptist Church in Dimmitt presented a portable Oster hair dryer to residents of the nursing home. All of the ladies certainly did appreciate this lovely gift. Mrs. Bertha Conard was the first to use it.

March 24
Northside Church of Christ came for worship service. Nine of the residents were present for the service.

Frank Drerup attended services at Nazareth. Afterward, he had dinner with his brother.

Tom Tate attended services at the First Baptist Church with his son and daughter-in-law, Mr. and Mrs. Curtis Tate. He went home with them for dinner after church.

Dr. N. L. Tedford and N. O. Tedford, brothers of Miss Nannie Tedford, visited with Miss Tedford and took her sight-seeing in the afternoon.

Mr. and Mrs. Dutch Childress from Tulia visited Mrs. Childress' parents, Mr. and Mrs. R. A. Freeman, residents of the nursing home.

Mr. and Mrs. Elmer Carlson visited Mrs. Louise Carlson.

Mrs. C. B. Landers and Mrs. H. E. Loman visited Mrs. Adella Davis.

Mrs. Mary Klemann had as her visitors Sharolyn Ball and friend, Fred Bell enjoyed Pat Harbour's visit with him.

March 28
Miss Pat Preston was pleasantly surprised when several members of her family visited her.

During the last week of March, R. A. Freeman attended several nights of the Bedford Street Church of Christ revival.

March 30
Mrs. Underwood and Mrs. Kirby from Dimmitt visited Mrs. Callie Martin.

Mrs. Frances Vera enjoyed her son from Friona visiting her.

March 31
The Northside Church of Christ held worship services. Ten members of the Church of Christ and nine residents of the nursing home were present.

Mr. and Mrs. W. E. Crick and Mr. and Mrs. John Rice from Hart visited Henry Conally.

N. O. Tedford from Tulia visited his sister, Miss Nannie Tedford, in the afternoon.

Mr. and Mrs. Childress from Tulia visited her parents, Mr. and Mrs. R. A. Freeman.

Mrs. Mapes visited her brother, Tom Tate.

Pat Preston had as her visitors Mrs. Annie Valdez and daughter, Debbie, Mrs. Rita Hernandez and daughter, Mary Ester.

Be Careful In Measuring Wheat Acreage

By CHARLEY HILL
County Office manager

Extreme care should be taken in measuring and computing your wheat acreage since errors can be very expensive.

A REPORT of acreage is required on each farm with a 1968 wheat allotment. Even though no wheat is planted or the farm is not participating in the 1968 wheat program. Also, wheat for harvest on a farm without an allotment must be reported.

All adjustments in wheat acreages must be made by April 30, since wheat not destroyed by then is classified as wheat.

WHEAT within the allotment destroyed by natural causes prior to May 1 and planted to another crop for harvest in 1968 will not be eligible for certificate payment or history credit unless you file a written request at our office and it is approved by your Castro ASC County Committee.

Final planting date for crops destroyed by natural causes are:
Wheat - Dec. 1.
Cotton - May 25.
Grain Sorghums - June 20.

These dates are for use in planting or replanting in order to earn certificate and price support payments under the volunteer diversion programs and do not necessarily conform to the planting dates under the Federal Crop Insurance Program. Therefore, if you have FCI on these commodities I suggest you consult your FCIC agent.

1967 crop wheat loans will mature April 30, and must be repaid, resealed or forfeited by that date.

BASS LINE TROUBLE
Many fishermen complain that they have trouble with bass "cutting" their line. This is very unlikely. Most such trouble is due to a weakened front line. A chipped or roughened tip guide may be the cause. Cut off the front end of your line frequently and check your tip guide now and then. Do this and no doubt your trouble will disappear.

BANNER CARRIERS — All these DHS students placed in the top three in their events Saturday in District 3-AA literary competition. From left are David Harris and Kent Bradford, third in debate; Mike Elder, third in boys' poetry interpretation; Ann Spencer, second in girls' informative speaking; Doricell Oldham, second in girls' persuasive speaking; and Vicki Axe, third in ready writing. Others not pictured who placed were Tommie Hutcheson and Mary

Lee Stone, second in girls' debate, and Linda Langford, third in girls' poetry interpretation. Dimmitt had two first-place winners — Robert Froehner in number sense and Ronnie Burks in prose interpretation. Of the eight schools in District 3-AA, Dimmitt finished Saturday's competition in third place behind Friona and Floydada. The district's literary events championship won't be decided, though, until one-act play competition Tuesday.

HART NEWS

Junior Class Hosts Annual Banquet

Members of the Senior Class of Hart High School were honored guests of the junior class at a banquet Saturday night in the Hart School Cafeteria.

Theme of the decorations was "Three Coins in a Fountain." The cafeteria was beautifully decorated with purple and yellow streamers. In the center of the floor was a miniature fountain with running water, moss, flowers and three coins in nooks of the fountain. Artificial grass and rocks formed walkways from the fountain.

Candles lighted the banquet hall, and each table was covered with purple or yellow covers and small table decorations of flower arrangements. An archway entrance was covered with artificial flowers.

Speaker was Rev. Van Earl Hughes, pastor of Latin American Baptist Mission in Hart.

Sponsors of the senior class are Raymond Keller and Mrs. Margaret Irby. Junior sponsor is Don Ewing.

HART's Parent-Teacher Association met Monday night in the grade school auditorium. Mrs. Wanda Miller reported that the nominating committee had arrived at the following slate: president, Fred Brown; vice-president, Mrs. Charles Clark; secretary, Mrs. Preston Upshaw; treasurer, Ike Bennett; historian, Mrs. Deryl Clevenger; and parliamentarian, H. L. Cheatham. But because of such a small crowd the officers couldn't be elected because a quorum was not present.

The play, "Early Frost," which was entered in the Interscholastic League Competition, was presented. Room count was won by Mrs. Cheatham's third grade and the eighth grade.

The PTA spring conference will be held Tuesday in the Church of Christ at Canyon. Tony Martinez will be presented an award at 11 a.m.

THE ZEALOT Club met Tuesday night in the bank community room for a spaghetti supper which was prepared by the members. Arlene Dyer is in charge of the entertainment committee. The group used Easter lilies to decorate with, and played 42 and cards.

Those attending were Mr. and Mrs. Ike Bennett, Deryl Clevenger, Jack Dyer, Cecil Ray Jones, Lorenza Lee, Warren Lemons, Hubert McLain, Howard Mitchell, Preston Upshaw, L. D. Williams, and guests, Tom Ed Benton, and C. C. Hanes.

PAPPY LOMAN was admitted to Medical Center Hospital in Plainview Monday morning.

The Woodpecker Patrol met Monday evening at the Legion Hall and practiced rope making in preparation for the Fun and Skill Show in Plainview Saturday. Those attending were Duane Clevenger, Danny George, Bobby Clark, Theron Hawkins, Mike Cox, Scott Rice, Anselmo Alcasar, and Scoutmaster Deryl Clevenger. Girl Scout Troop 47 met at school Wednesday and worked on the cooking badge and did skits

for the health aid badge. Eleven girls and leader Wanda Miller were present.

GIRL SCOUT Troop 158 met at the bank Wednesday. Eighteen girls worked on pillows they are embroidering and four packages were wrapped to be sent to Vietnam. Mrs. Wanda Miller, leader, was also present.

Brownie Troop 23 met Wednesday of last week at 3:30 p.m. in the bank building. They learned to sketch trees. Special guest was Mrs. Orville Friday. Le Ann Friday served refreshments to 12 girls and their leader, Mrs. Kenneth Cvington.

MR. AND MRS. Larry Bates of Canyon are the proud parents of a baby girl born March 30 at 10:29 p.m. in Neblett Hospital in Canyon. She weighed 5 pounds, and they have named her Sandra Michele. Grandparents are Mr. and Mrs. Weldon "Doc" Bates, and Mr. and Mrs. R. J. Murray, all of Hart. Great-grandparents are Mr. and Mrs. W. H. Price of Skellytown, Mrs. Mae Bates of White Deer, Mr. and Mrs. J. O. Murray of Zapata and Mrs. Bertha Deisher of Hart.

Mrs. Lilly Phillips, son Monte and three children of Littlefield visited in the home of Mrs. Calvin Alexander and family Saturday evening. Mrs. Phillips spent Saturday night in Kress and visited her granddaughter Sunday in a hospital in Amarillo.

DAVID GARDNER, son of Mr. and Mrs. M. C. Gardner of Hart, has officially been promoted to Chief Warrant Officer 2 in the Army.

Gardner is stationed at Fort Rucker, Ala., where he is an instructor in the Department of Tactics.

He is a 1964 Hart High School graduate.

HART Independent School District voters will cast their ballots Saturday at the City Hall for two new members of the local school board.

Announced candidates are Bob Bennett, incumbent, a farmer and owner of Bob's Farm Supply; Joe Bailey, owner and operator of Bailey Motor Service; Bill Hill, and David Nelson, farmers. All four men have children attending the Hart School.

DeWayne Brown will serve as judge with Wister Clevenger as the alternate judge.

HART SCHOOL will dismiss at 2 p.m. on Friday, April 12 for a

10-day Easter holiday, with school to resume on April 22. Teachers as well as students are looking forward to a few days' vacation. Teachers will be visiting and our college students will be home for a few days' rest and relaxation. Rev. Fred Brown, pastor of the First Methodist Church, remains in the Veterans' Hospital in Amarillo for tests and observation. He would appreciate a card from you.

MELINDA FORD, little daughter of Mr. and Mrs. Guy Ford Jr., was honored on her fifth birthday with a party in her home last Thursday afternoon.

She and her guests played games, enjoyed an Easter egg hunt, and were served birthday cake, ice cream and Kool-Aid.

Guests were Teresa and Melissa Kittrell, Johnna Myrick, Marci Wescott, Suzahn Rowland, Paula McAdams, Laurie Miller,

Connie Featherston and her sister, Michelle Ford.

Approximately 25 members of the FHA Chapter of Hart High School attended the morning worship service at the First Methodist Church on Sunday. On Monday the girls dressed in red and white, the FHA colors, as they continued their observance of National FHA Week.

High Yield Sorghum Special!

An introduction to sorghum quality

You'll save money this spring, and make money this fall! Take advantage of this special introductory offer—one bag free with every three. Plant your entire sorghum acreage with uniform, high-yielding Lindsey/Funk's-G sorghum. This is 10,000-pound-an-acre sorghum. The hybrid, 788A. The location: West Texas. This is the yield power you must have to realize your highest possible profit per

1 free with every 3

acre. Choose from the highest-yielding grain hybrids 788A and 755. Or top-tonnage silage hybrids 92F and 115F. Funk's-G means quality all over the world. For top quality year after year, plant 100-percent Funk's G-Hybrid. See your Funk's-G dealer for these money-saving, money-making sorghums. And take advantage of this introductory offer of quality: get one bag free with every three!

Hail-Stricken Farmers Receive \$1 Million in Emergency Loans

Emergency loans totaling \$1,085,570 have been made by the Castro and Hale County office of the Farmers Home Administration since July 1, 1967, to help local farmers and ranchers recover from natural disasters, Donald R. Jennings, county supervisor, reported this week. JENNINGS said Castro and Hale Counties were designated by Secretary of Agriculture Freeman as an area in which emergency loans could be made by the FHA to eligible farmers and ranchers because of the recent premature freeze and extensive hail damage.

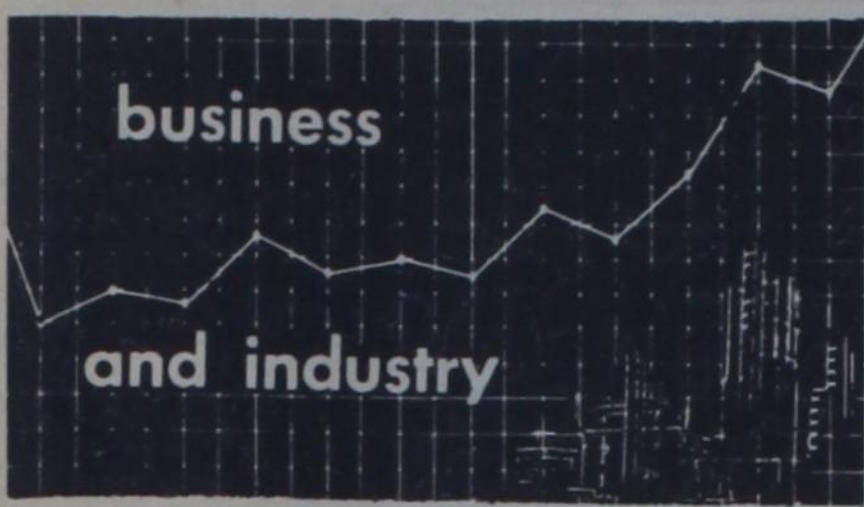

FHA Credit to Farmers Here Totals \$1,167,200 in 1967

A total of \$3,175,140 has been loaned in Castro County and \$3,081,300 in Hale County to support family farms by the Farmers Home Administration since July 1, 1964, Donald R. Jennings, local supervisor for the rural credit agency, said this week. Approximately \$1,167,200 was advanced in Castro County and \$848,230 in Hale County in 1967. CURRENTLY, 69 farmers in Castro County and 83 farmers in Hale County are using the supervised credit services of the Farmers Home Administration. The supply of Farmers Home Administration credit, which supplements the credit supplied by banks and other private credit sources, is one of the measures recommended by President Johnson to provide family farmers an opportunity to earn parity of income. "These loans have enabled farmers to stay in business who would otherwise have had to give up and go to the city. They have helped young farmers get established. They have enabled farmers to keep going after the premature freeze and extensive hail storms of 1967," Jennings noted. THE INCOMES of farmers using Farmers Home Administration credit in Castro County in 1967 totaled approximately \$1,725,000, and in Hale County \$2,075,000. Loans are made only to families who are unable to obtain adequate credit from other sources. The program is tailored to individual family needs, and loans are accompanied by technical assistance in farm and money management. The Castro County office is located in the basement of the courthouse in Dimmitt. Office days are Tuesday and Thursday.

Boys' Woodcraft To Be Displayed

Dimmitt Junior High School's shop students will put their craft projects on display Friday at the Family Mart store. THE PROJECTS will remain on display for a week. Under the direction of David Keith, the seventh and eighth grade boys have built and finished gun cabinets, cedar chests, baby cribs, crossbows, gunstocks, and other hardwood furniture and knick-knacks. UNDERHAND CASTING Underhand casting is of little use to the average angler. It is more of an exhibition stunt. Better concentrate on the usual styles.

Letters to the Editor

Audience Conduct Important To Enjoyment of a Live Show

Dear Editor: I have never written a letter of protest in my life, but I feel it is my duty, as a teacher of the dramatic arts, to inform people of proper conduct in "live" theatre, whether they be students or adults. RECENTLY, the Lions Club put on a very fine show, exhibiting some very fine talent from our area. But I noticed, as well as did many others, that one could not tell what was happening on the stage because of the noise a few people in the audience were making. We also noticed that many of our younger set were whistling and carrying on in a manner on-

ly befitting to a pep rally. I think there is a distinct difference between a gymnasium and an auditorium and one should conduct himself accordingly. Also, it is an old custom in attending the theatre to remain seated until the intermission and not be wandering in and out during the performance. I think probably the main reason for this problem is the freedom one feels at a motion picture; however, one should keep in mind that on the screen the actor is not disturbed by audience movement because he is not really there, but in live theatre, the actor or performer is there and is disturbed by excessive audience movement. AS AN educator, I try to instill in my students the importance of good conduct in the theatre, and also how to have fun and enjoy the theatre. After all, that is the reason one goes. Unfortunately, I can't be everywhere at once, so I depend on the mature public to set an example for the younger people to follow. Again, let me say I did not write this letter with malice in my heart for anyone. I only want to point out a minor problem that could grow if the citizens of Dimmitt allow it to continue. Thank you for the space and thanks to the people of Dimmitt for the gracious support. ROBERT B. FARRER Director, Speech and Drama Dimmitt High School

hybrid SORGHUM

DR. RED BARN PROFITS
To — Mr. Sorghum Grower
Rx — Hybrid sorghum seed for your exact growing conditions
Signed R. B. Profits

Write your "PRESCRIPTION" to high sorghum crop yields and profits

Now, you don't have to be content with growing a "standard" sorghum seed under your "unique" growing conditions. Red Barn offers you eleven different hybrid sorghums — there's one to match your exact growing conditions. Follow the prescription and the result will be the highest yields you've ever had!

Your Red Barn man can help you with a production plan aimed at higher net profits for you. He'll help you select the right sorghum hybrid to fit your growing conditions; water availability, method of irrigation, soil fertility, land slope, herbicide program, insect and disease control needs.

Red Barn sorghum hybrids are clean growing, winter tested and high germinating. They are bred for outstanding yields, consistent performance, early vigor, good standability, and easy threshing.

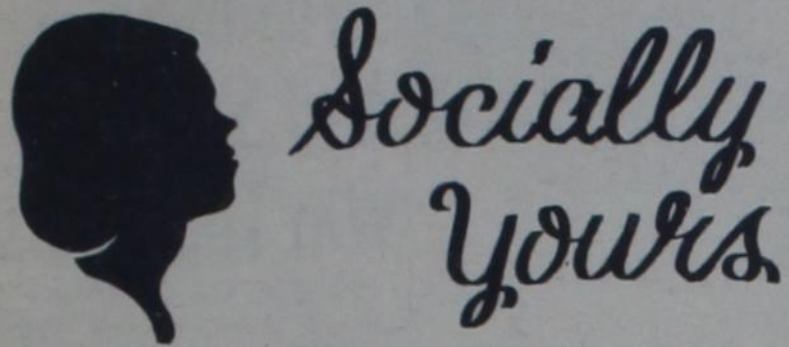

Red Barn also offers three varieties of hybrid sorghum-sudangrass to meet different growing conditions.

Your Red Barn dealer is a good man to know. Give him a call or drop in to see him today. You'll be on your way to extra profits this season!

Mrs. Cowen Chosen President of DKG

Mrs. Alice Cowen of Dimmitt is the new president of Delta Xi chapter of Delta Kappa Gamma.

SHE WAS elected for a two-year term at Saturday's meeting of the women teachers' society in Bovina.

Elected corresponding secretary at the same meeting was Mrs. Ruth Skinner of Dimmitt. Other new officers include Mrs. Opal Bookout of Hereford, first vice-president; Mrs. Lauretta Poole Farwell, second vice-president; and Mrs. Patricia DiCuffa of Bovina, recording secretary.

Mmes. Iola Hise, Patricia DiCuffa and Leola Williams, hostesses, served coffee and doughnuts to approximately 50 members from the tri-county area attending the meeting.

THE PROGRAM consisted of group singing led by Mrs. Elizabeth Huckabay of Dimmitt; a short speech on "Music in the Space Age," by Mrs. Faun Welker of Dimmitt; a talk on "Emphasizing Personal Growth" by Mrs. Ruth Skinner of Dimmitt; and a symposium on "Stressing Value Patterns for Educators," moderated by Mrs. Rubye Crawford.

Topics discussed included "Moral Values" by Mrs. Opal Bookout, "Social Values" by Mrs. Lauretta Poole, "Economic Values" by Miss Hazel Merritt of Dimmitt and "Political Values" by Mrs. Betty Mercer.

MRS. RONNIE CLARK ANDREWS
... Vows recited Saturday in Hereford church

Miss Simpson Weds Ronnie C. Andrews

The marriage of Miss Carolyn Jane Simpson daughter of Mr. and Mrs. M. L. Simpson Jr., to Ronnie Clark Andrews, son of Mr. and Mrs. W. H. Andrews, was solemnized Saturday evening in the First Presbyterian Church of Hereford.

Rev. Russell A. Wingert, pastor, officiated at the double-ring ceremony before an altar decorated with white stock, greenery and candelabra. The aisle was marked with votive candles and greenery.

Organ selections by Janice Mooney were the traditional songs and marches. Mrs. Richard Sol-

omon of Amarillo, cousin of the bride, sang "More" and "Twelfth of Never."

Joe Bob and Bill Sanders, brothers of the bride, were ushers. Betsy Simpson, cousin of the bride, registered guests.

GIVEN in marriage by her father, the bride wore a formal floor length gown of angel skin Peau de Soie, designed with a Sabrina neckline, controlled skirt and long pointed sleeves. Embroidered inserts of Alencon lace enhanced the front of the gown. Tiny buttons covered the back of the gown and extended from the neckline to the waist. The skirt was complemented by a chapel train which fell from the shoulders. Her veil of imported illusion, trimmed with Alencon lace, fell from a crown of seed pearls and she carried a white Bible covered with white carnations and stock and centered with a white orchid.

The bride's traditional "something old" was a handkerchief belonging to her great grandmother Hunter; "something new," her wedding dress; "something borrowed," her Bible, belonging to her sister Lisa; and "something blue," a blue garter made and given to her by Minnie Roberson. She wore pearls belonging to her late mother.

CAROLYN DUNN was maid of honor and Jackie Andrews was his brother's best man. Patty Simpson, sister of the bride, Candy Van Sant of Wichita Falls and Connie Nobles of Boise City, Okla., were bridesmaids. Lisa Simpson, sister of the bride, was junior bridesmaid and Melinda Ford of Hart was flower girl.

Troy Manley, Rickey Hutson and Mark L. Simpson, brother of the bride were groomsmen. Sammy Ogan was junior groomsman and Kelly Nelson was ring bearer. Brent and Brad Sanders, brothers of the bride, served as candlelighters.

The bridal attendants wore floor length empire styled gowns of moss green Pau de Soie trimmed with matching velvet ribbon. They carried votive candles surrounded by lemon leaves, net and ribbon.

THE WEDDING reception was held in the community room of the First National Bank. Mrs. Jackie Andrews and Mrs. Godfrey Baldwin, sister of the groom, served at the bride's table. Moss green net over green satin covered the table and the centerpiece was an arrangement of stock and greenery with votive candles. The groom's table was covered with an off-white linen cloth. Denise Hartman of Albuquerque, N.M., and Cynthia McMinn, cousins of the bride served from the groom's table.

For travel, the bride wore a

Bi-County PTA Elects Officers

Mrs. W. J. Patton Jr. of Dimmitt was elected treasurer of the Bi-County PTA Council in a meeting at Happy last week.

New president of the Swisher-Castro PTA council is Mrs. Melvyn Gibbons of Kress.

DIMMITT, Nazareth, Hart, Kress and Happy PTAs were represented at the meeting.

Mrs. Albert Schoenenberger, president, reminded local PTAs that the district's spring conference will be held Tuesday at the Church of Christ in Canyon. New district officers will be elected.

William Dupree, principal of South Georgia Grade School in Amarillo, showed slides and presented a program on the dangers of LSD and other drugs.

NEXT meeting will be in Hart May 7, with a school of information in the morning for all new local PTA officers and a leadership training course in the afternoon.

TRAINING — As part of their course in entertainment, members of the Dimmitt High School Homemaking III class must prepare and serve a tea. And for their class tea Friday afternoon, the girls chose

the guests they knew best — their mothers. Here, from left, Mrs. Bennett Lawson and Mrs. Carroll Webb are served by Linda Bradley and Cindy Hopson. The girls' teacher is Mrs. Joanne Snider.

Shower Honors Carolyn Simpson

Carolyn Simpson, bride-elect of Ronnie Andrews, was honored with a bridal tea Wednesday of last week in the community room of First State Bank.

RECEIVING guests were Miss Simpson; her mother, Mrs. M. L. Simpson Jr.; Mrs. W. H. Andrews, mother of the prospective groom; and Mrs. M. L. Simpson Sr. and Mrs. M. M. Smitherman, grandmothers of the bride-elect.

The table was covered with a white lace cloth over moss green, and the centerpiece was of white iris, daisies, stock and greenery.

Serving were Kay Bradley, Sammie Lane and Sharron Flynt.

HOSSESSES were Mmes. Clyde Renfro, Joe Cowen, James Wohlgenuth, Melvin Barton, Charles Burks, H. C. Nelson, Elton Singer, Fred Dunn, Sam Lane, Jim Aldridge, Bob Sheffy of Hereford, E. M. Jones, A. T. Morgan, G. I. Clingsmith, Florine Leinen, Bill Harman and Dent Bradley.

two-piece suit of red, white and navy plaid with navy accessories. Her corsage was the orchid from her bridal bouquet.

The bride graduated from Dimmitt High School in 1967 and attended Amarillo Junior College. The groom graduated in 1967 from Hereford High School and is engaged in farming.

After a short wedding trip the newlyweds will be at home on a farm south of Hereford.

Mrs. Slough Is Shower Honoree

Mrs. Jimmy Slough, the former Sue Brinsfield, was honored with a bridal shower Saturday afternoon in the home of Mrs. Pat Patterson of Dimmitt.

THE TABLE was covered with a white linen cloth, and the centerpiece was of red and white carnations.

Serving punch and cookies were Connie Bailey and Lynda Leinen.

Hostesses were Anna Margaret Moss, Joan Cook, Lynda Leinen, Paula Howell, Connie Bailey, Betty Vaughn, Oma Stokes, Lou Ann Harbour, Frances Lytle and Polly Patterson.

Zito to Speak To Book Club

Zito Sartarelli, American Field Service exchange student from Brazil, will speak informally of his country and of his views on the US Wednesday when he ad-

resses a meeting of the Dimmitt Book Club.

The meeting will be at 4 p.m. in the First State Bank community room, and is open to the public.

Gadding About Follies, Races Draw Students

Friday began a sort of dull weekend for some people, but not for the people who left after school on this day.

A FEW people went to the first presentation of the Lions' Follies and others such as Rochelle, Vickie Powell, Mary Lee Stone, Jo Ann Stone, and Robert went to the show in Hereford. The rest of the people were either at home or dragging Main, and a few boys were seen very late that night sitting at Ray's. Jill and Paula baby sat that night and then several girls stayed at a Birdwell's house.

SATURDAY night things picked up a little bit. Steve Buckley, Gail Crum, Richard Jackson, Scott Nelson, Mike Bell, and Jimmy C. went to the Follies and then downtown. Of course, Jan and Stanny had a date in Hereford; other dates that were in Dimmitt weren't in town long enough to let us take names.

Sunday quite a few boys and girls headed toward Amarillo and the first drag races of the season. Those seen there were: Stanny and Jan, Gary Crum, Harry Jones, David Woods, Clem, Mike Bell, Jimmy Coleman, David Harris, Dana Wall, Lee Hockenberry, Betsy Simpson, Ruthie Harris, Don Ott, and Darrel Pope.

Needless to say, town was fairly dead on Sunday. That night, most dates went to the show. Those at the Carlile were: Gail and Jill, Steve and Poppy, Scott and Paula, and the usual row full of boys. Late that night everyone went home, except those who waited to greet the skiers who arrived around 10:30.

MONDAY and the following days this week were full of sunburns, band practice, and themes. Town was fairly lively each night after band and Tuesday night there was a large, too large I hear, turnout for the Band Taco Supper.

Wednesday night the Paper Dolls sang at Sunnyside as part of church entertainment.

DHS Hosting Band Contest

As most of Dimmitt High School knows by now, UIL concert and sightreading band contest is being held here on Wednesday and Thursday, April 3 and 4.

OUR SCHOOL WAS chosen on the basis of having the best facilities for such an event. The band hall will serve as the concession stand, the auditorium will be used for concert, the gym will be used for sightreading, and the cafeteria will be the warmup facilities.

Bands will begin pouring in about 11 a.m. Wednesday.

School will be in session these two days, so the students of DHS will just have to "grin and bear it."

After the Bobcat Band's big performance Wednesday, they will begin concentrating further on their trip to San Antonio, which begins Monday evening, April 22.

THE ACTIVITIES for this trip will include participation in the Battle of Flowers Parade, presenting the marching show at Alamo Stadium, and playing a concert at the HemisFair.

The lucky group will return to Dimmitt on Saturday, April 27, probably a little less "bushy tailed" than they left.

But never fear, you non-band students! School will not be held during the trip! Mr. Moore won't even have to worry about having to send 50 people home from school for wearing cutoff Levis!

Editorial

Sap Is Rising

By BETSY SIMPSON
Spring fever has hit DHS once again. After school hours, kids can be found running around in shorts and sleeveless shirts, pursuing their favorite pastimes. Besides all the activities engaging the teenage population emerges an attitude which appears to have an effect on everyone. This is the period of time in which teachers find it difficult to conduct classes because of inattention, laziness, and pranks. Students just will not behave!

IN THE classrooms, the students are restless and anxious to join the great outdoors. During the winter, things are easier to control because it is so cold or nasty outside and most people had rather stay inside. Then again, school has been going on for almost nine

months when spring arrives and the end of school is always something looked forward to with eagerness by most every pupil. School is all right because of the necessity of an education but after a while even the teachers need a rest from the hollering, fighting, arguing business that goes along with teaching.

We can let spring fever invade our school; there's really not much to keep it out; but, we can control it during school hours and not give the teachers and Mr. Moore so much trouble. All the kids here at DHS like to enjoy good times. It's just that sometimes it can be carried a little bit too far. The end of school is only about six or seven weeks away. We can behave that long. No one else is any more exhausted than us or the teachers besides our parents but they have had a nine month vacation from us and their time is comming.

SENIORS had better be careful most of all because, to come this far and commit some small crime could result in another year in high school. Keeping up grades will help make more friends and influence more people and one's spirit will be happy and satisfied.

It's Twirp Week!

March 31 through April 6 is FTA Week.

DURING this time all girls involved in FTA will be very busy. This week they may ask the boys to go out with them. Privilege books will be sold to the boys. In these books there are tickets that give the boys power to rule the girls.

SUNDAY, March 31 all FTA girls attended church at the First Baptist Church.

Monday, all FTA girls were to wear red and white and a rally was held.

Tuesday, there was a coffee for all teachers during second period, while the FTA girls kept their classes.

Wednesday and Thursday nothing is planned.

Friday, there will be a Patriotic Assembly (A New America).

Saturday, there will be a Twirp Party, where the Minor Details will be playing.

What Is A Cheerleader?

Being a cheerleader for your school is an honor any girl would be proud to have. Most people think a cheerleader just performs at pep rallies and games. Promoting school spirit at all school activities is the main purpose of a cheerleader. The long hard hours a cheerleader must spend preparing herself for this job is something that very few people realize. Cheerleading takes up a large portion of the girl's time; therefore, each girl must have the "want to" before their purpose can be fulfilled.

A cheerleader has to be happy and high spirited at all times in public. This is the only way to keep the crowd and student body in the proper mood. A cheerleader is a leader seven days a week; not just on Friday. She is expected to set an outstanding example no matter where she is. A passing average is required to remain a cheerleader. She is a leader in every field and should put out 100 percent at every thing she attempts. Because of the importance of her position, as has been the policy in the past, any disciplinary action taken by faculty or administrators will definitely affect her cheerleading status.

WE HOPE that the girls who are trying out this year will accept their responsibilities from the first. Promptness and presence at all events are the two greatest. The willingness to give her time and effort is very important and necessary!!!

FINISHING TOUCHES—Students Harmen Mayberry, Jim Leinen and Robert Fortner and Instructor Jim Dowdy of the Occupational Training class put the finishing touches on a new "headache rack" for a pickup.

OT Boys Finish 'Headache Rack'

This week the Occupational Training class directed by Mr. Dowdy, has just completed a headache rack to go on the back of a pickup. In case you don't know what a headache rack is, it's to protect the back window from being broken.

BESIDES WORKING on their rack, they've been engaged in making welding tables, stock panels, (some of which were used in the stock shows), engine stands, and various playground equipment, just to mention a few.

Student of the Week

Cecilia Vandiver

How would you answer "What has DHS done for you?"

WHEN ASKED of Cecilia Vandiver she replied, "Not only have I received four years of education, but I have also been able to establish my own point of view about things in life."

Cecilia, better known as Sis, is a senior this year. She is a member of FTA, Band, Lyre Club and Teen Club.

When she graduates she plans to go to Midwestern in Wichita Falls and major in business.

"ONE OF HER "points of view about things in life" is her pet peeve. That is, people who think they're better than anyone else. We might all agree that people of this sort have no place in our society, but they do exist.

As the year ends, and Sis, along with the rest of the seniors, leaves we send our good fortune with her in all that she tackles.

Strickland And Sanders Win Top Posts

Durward Strickland and Bill Sanders were recently elected president and vice-president of the Student Council for the 1968-69 school year.

DURWARD'S opponents for the presidency were Alfred Samman and Patty Simpson. This was the second time for a girl to run for this office. Bill's opponent for the vice-presidency was Gary Langford.

THESE candidates and their managers presented colorful campaigns to the extent of balloon popping in assembly.

Durward and Bill will not exercise any power until Tommy Martin, this year's president gives up of the '68 Seniors.

Zito Speaks At Springlake

Last Wednesday afternoon Mr. Grambling took Zito to Springlake where he gave a speech to the entire student body. Also present was Hugo Houderpen, who is Olton's foreign exchange student from Belgium. After the speeches were given they answered questions for about 30 minutes. These questions were mainly about the differences between the American and foreign schools and dating.

MR. GRAMBLING asked me to tell the seniors that the next A.C.T. test will be May 11. The deadlines for registrations is April 10. Also the next S.A.T. test will be May 4 and the deadline for registration is April 6.

Mr. Moore says that he gets prettier every week.

Tracksters Score In Hereford Meet

The DHS track team scored 24 points in the meet at Hereford on Saturday March 23.

THESE 24 points were racked up in the following events:

Roy Thomas — Third, 220 yd. dash.

Bobby Mayhew — Third, high jump.

Bill Sanders — Fourth, 880 yd. dash.

Jesse Vasquez — Fifth, 880 yd. dash.

Dimmitt also placed fifth in the 440 relay and in the mile relay.

THE TRACK TEAM will travel to the meet in Kress Saturday, March 30.

Rotarians Elect Moore President

Ike Moore, Dimmitt High School principal, is the new president of Dimmitt Rotary Club.

HE WAS elected at a directors' meeting Tuesday morning and will take office July 1, succeeding President Ronnie Parker.

Judge Raymond Wilson was elected vice-president, and A. V. Barnes, secretary-treasurer, was re-elected.

The new officers will be installed at the club's regular luncheon meeting July 1 at the Colonial Inn Restaurant.

IN ROTARY Club, directors are elected by the club membership, then directors choose the coming year's officers from the board. Present officers and directors are Parker, president; Charley Hays, vice-president; Barnes, secretary-treasurer; and Woodrow Killingsworth, Judge Wilson, Moore and L. C. Lee, directors.

The new Rotary president is a long-time Rotarian, having belonged to the Seagraves Rotary Club from 1952 until he moved to Dimmitt in 1956. Moore was president of the Seagraves club in

1959-60, and also served as director six years and bulletin editor five years. He has been a director of the Dimmitt club 1 1/2 years and editor of the club's bulletin, "Roto Data," one year. Judge Wilson is a charter member of Dimmitt Rotary and has been on the board of directors two years.

BARNES, who is the Dimmitt manager of Pioneer Natural Gas Co., also is a charter member of the local club, and also belonged to the Tahoka Rotary Club before moving to Dimmitt in 1956. Barnes was re-elected to the secretary-treasurer post, Parker said, "because of his outstanding efficiency and ability in the job."

Moore becomes the third president of the two-year-old Dimmitt Rotary. And by coincidence, he's also the third man to bring a year's previous experience to the post. Charter President Rev. Frank Polard, like Moore, served a year as president of the Seagraves Rotary Club before moving to Dimmitt. And Parker was president of the Post Rotary Club before coming here.

JAPAN BOUND — Airman 1st Class Garry Neal Embry of Dimmitt left Wednesday last week for 15 months' duty in Japan. He has been in the Air Force 10 months and has trained in Amarillo and San Angelo. He is the brother of Mrs. Burl Taylor of Dimmitt, and lived with Mr. and Mrs. Randall Edwards while attending Dimmitt High School.

MIKE NINO JR., son of Mr. and Mrs. Mike Nino of 710 W. Andrews St., Dimmitt, is completing an eight-week Civil Service exam training course at El Paso Tech. He received his high school diploma recently through an equivalency program at the University of Texas at El Paso. He intends to enter Amarillo Junior College upon completion of his present course.

More About:

About Dimmitt

(Continued From Page 1) farmer in the position of marketing the finished product instead of the raw commodity. This precedent being set by area farmers should set a trend throughout the farming industry, not only in the processing of corn but also of other commodities. This is the only idea or method proposed to date that could possibly save the family type farm and prevent corporations from taking over the entire agricultural industry.

Dimmitt Wheat Growers, Inc., are to be commended in no uncertain terms, by everyone who is interested in the continued prosperity and well-being of the individual farmer, for the foresight and effort required to bring about this opportunity for farmers of the area to be the proud possessors of their own corn processing plant. Farmers who haven't signed a corn growing contract should contact the management of the Dimmitt Wheat Growers, Inc., immediately and have the plan explained in detail. Let me suggest that you turn to pages four and sixteen in this issue of the News and seriously consider the endorsements of this project by business and individuals.

Junior College Meeting Tonight

Junior college boosters in the state's new Region 5 will hold their first full-scale meeting tonight (Thursday) at 7:30 in the Hereford Community Center, Park Ave. and C.

EACH OF the counties in the proposed new region—Castro, Deaf Smith, Farmer and Oldham—will send representatives to take over the development of a junior college district in the area.

Dr. Robert L. Clinton, assistant commissioner of the Texas Coordinating Board for Higher Education, will be on hand to explain the requirements for a junior college.

At a pre-meeting huddle at Dimmitt High School Tuesday night, 20 local people were told that a junior college still appears to be years away, but that time seems to be on Dimmitt's side as a possible site.

IKÉ MOORE, chairman of the Chamber of Commerce education committee, told the group, "I don't believe at this point that there are enough students in the proposed district or enough of a tax base to warrant a junior college under the state guidelines."

But he added, "In a few years, if Dimmitt continues its current industrial and population growth, we would be in a position to ask for a junior college."

Camp Fire Group Slates 'Classes'

A State Camp Fire Girls' regional director from Dallas will be in Dimmitt Tuesday and Wednesday to conduct training sessions for leaders, assistants, sponsors and parents of local Camp Fire Girls groups.

SPONSORED by the new Dimmitt Camp Fire Girls Association, the training sessions will be in the First Methodist Church.

Purpose of the field service sessions is to better acquaint the community and the Dimmitt association with the philosophy, objectives and program of the Camp Fire Girls, Inc.

THE FIRST session will begin

Training of Mentally Retarded To Be Discussed Here Tonight

Two of the Panhandle's top authorities on the training of the mentally retarded will be on hand tonight to speak at a public forum on mental retardation.

THE MEETING will be at 7 p.m. in the County Recreation Center clubhouse, and is expected to last less than two hours.

The two main speakers will be Dr. Carol Riggs Anderson, associate professor of education and head of the special education program at West Texas State University, and H. Russell White, director of the Amarillo State Center for Human Development.

Dr. Anderson has been in the WTSU Department of Education and Psychology since 1966. She has worked with retarded, disturbed, blind or handicapped children and adults at the Menninger Psychiatric Clinic in Topeka, Kan., and in public schools in Dallas County. From 1963 to 1966 she was a consultant in special education with the Texas Education Agency.

WHITE HAS been in the spe-

cialized human development field since his undergraduate days at George Peabody College. He is the former director of centers, hospital and foundation projects in Nashville, Tenn., Fort Myers, Fla., Marianna, Fla., and Austin. He became director of the Amarillo state center in 1966.

From 1:30 to 4 p.m., the second session will be conducted for leaders, assistants, sponsors and parents of junior and senior Camp Fire Girls and Horizon Club members.

THE THIRD session, which will begin at 8 p.m., will be for members of the local board of directors.

Also, individual counseling will be available Wednesday for members of the executive committee.

BOB PRICE (left), 18th District congressman, discusses national problems with local residents who attended his "Town Hall" meetings Saturday afternoon at the First State Bank community room. The Pampa congressman listed crime, urban riots and the farm economy as our main domestic problems, while the Vietnam conflict remains the No. 1 international problem, and

added that there are no simple solutions. He said a Communist takeover in Southeast Asia — including Vietnam — would tip the balance of world power toward communism. About riots, he said, "I think we're going to see much, much violence in the streets this summer — I don't see any way to stop it."

EMERGENCY GUNSIGHT
Now and then even the best of the hunters will accidentally knock off a rear gunsight. This needn't be a catastrophe if you have an old fishing rod handy. Just take off the guide and tape it in position on your gun.

NEWS OF HEMISFAIR '68

WORLD EXPOSITION APRIL 6-OCT. 6—SAN ANTONIO, TEXAS

The entertainment for HemisFair '68 covers all areas of show business, from the top comedians to serious opera.

THE LIST of entertainers lined up for the April 6-Oct. 6 World's Fair ranges from Bob Hope to the Mormon Tabernacle Choir and the Grand Old Opry to the Verdi opera "Don Carlo."

The star-studded list will appear in the new \$13 million civic center complex built on the grounds of HemisFair by the city of San Antonio. The complex includes a 10,000-seat arena, 2,800-seat theater and exhibit hall.

The San Antonio symphony and opera "Don Carlo" will be the opening attraction in the theater Saturday, while the Pan American Variety Show featuring spectacular acts from Mexico, Argentina, Spain and other Latin American countries will be featured in the arena from April 6 through 28.

AMONG the big-name television and night club entertainers booked for the World's Fair are Jack Benny, Phyllis Diller, Jimmy Dean, Bob Newhart, Don Adams, John Gary, Wayne Newton and Hope.

The variety is pointed up with appearances by the Ballet Folklorico de Mexico, Grand Ole Opry, Ice Capades and Don Fleenor's Hell Drivers.

Booked for the 2,800-seat theater are "Don Carlo" on April 6, 8 and 11; San Antonio Symphony concert with pianist Hilde Conner on April 7; San Antonio Symphony with guest conductor Arthur Fiedler on April 13; and Los Ninos Cantores de Monterrey, the 20-voice choir from Father Alvarez' "Ciudad de los Ninos" in Monterrey, appearing April 14.

Ballet Folklorico de Mexico will be April 5-18, Texas Boys

Choir April 19 and Isaac Stern Trio April 20. The John Gary Show will be seen April 29-May 4, and the great musical play, "Man from La Mancha," May 22-June 1.

JACK BENNY and the Baja Marimba Band team up on the same program June 3-8. Ferrante and Teicher are scheduled June 10-13, followed by Don Adams' Comedy Hour June 24-29.

The Bayanihan Philippine Dancers will appear in the theater July 2-8, Phyllis Diller and the Osmond Brothers July 15-20, Jimmy Dean July 29-Aug. 3 and Wayne Newton Aug. 7-12. Bob Newhart is booked Aug. 19-24.

In the 10,000 seat arena, the Lutheran Hour is booked for April 21 in addition to the Pan American Variety Show, set April 6, 28.

The Grand Ole Opry, featuring such stars as Roy Acuff, Sue Thompson and Homer and Jethro, will originate from the arena April 30-May 13 with three shows daily.

BOB HOPE will have his show in the arena May 2-4 and the Water Folies of 1968 will be featured May 15-June 4. The Hell Drivers are booked June 5-15 and the Texas Youth Rodeo is set for June 24-30.

Miss Country Music U.S.A. contest will be held July 2 and the Mormon Tabernacle Choir will appear July 23-24. Tony Aguilar's Mexican Rodeo is set July 30-Aug. 5 to start a Western month schedule in the huge building.

Roy Rogers and Dale Evans will appear Aug. 12-25, Dale Robertson will bring his Western Show to HemisFair Aug. 27-Sept. 2 and the Ice Capades will take over Sept. 12-29.

West's Appreciate American Noise After Roughing It in Australia

After a year of touring and camping in the outback of Australia, Joe and Fern West are glad they made the trip—but they wouldn't want to repeat it.

THEY ARRIVED back in Los Angeles March 11 after a year in the down under nation, and are spending a few weeks with Mrs. West's parents, Mr. and Mrs. C. B. Landers of Hart.

In the Landers home, the Wests are getting re-acquainted with the things they once took for granted—radio, TV, a washing machine, refrigerator, and all that good old American noise.

Why did the young farm couple take a year's leave of absence to rough it in Australia?

WEST, WHO owns a farm near Muleshoe, was injured in a car wreck and his doctor told him he couldn't return to regular farm work for more than a year.

"So we decided it was a good time for us to travel," he said. "We leased our farm and took off. We went over to see what all this talk was about farming and ranching in Australia. There are a lot of American farmers there now, you know."

Once in Australia, they decided quickly that they weren't interested in the type of farming there—but they became fascinated with the prospects of "farming" the Australian land for valuable gems, tin, bottles and other treasure.

After landing in Sydney, they bought a Volkswagen bus, loaded up and headed north," West said. "After looking around the wheat land in the state of Queensland, we were ready to come back. The farming didn't look too good, and we couldn't get a cup of coffee. In fact, we couldn't get any food that tasted good to us anywhere."

But they met a couple from Tasmania who were headed for the sapphire fields. The Wests were invited to go along, and accepted.

"We stored most of our stuff in a transfer house in Gladstone, and didn't pick it up until 11 months later," West said. "We didn't need it. All you really need are blue jeans, a light shirt and a broad-brimmed hat."

"**WE HAD** to travel light, because there were no laundries," Mrs. West explained. "We had to use our own makeshift laundry tub, boiling water and doing the laundry every day or two."

After paying their 50-cent miner's fee, they dug up a lot of precious and semi-precious stones, including 18 good sapphires and two zircons. All are rough stones now, but West feels some of them may be worth up to \$400 when cut.

FROM 'DOWN UNDER,' Joe and Fern West brought back these collectors' bottles and hundreds of others after a year in the Australian outback. Joe holds a wood-molded ANH gin bottle with glass seal, while Fern shows a decorative vinegar bottle and unique pointed-base ginger ale bottle. They also collected tin and rare gems during their tour of Australia.

After 15 days in the sapphire and polished fields, the Wests were led by an old prospector, to the place where they were to spend the next five months—the tin country along the Star River, in Queensland.

THEY SET UP a permanent camp along the Star River, and Mrs. West cooked on a campfire six or eight weeks until they got a wood stove. Later, a kerosene refrigerator was given to them, and they considered this a real luxury.

At Charter's Towers, 90 miles away, they set up another camp "where we also had a shed and an outdoor privy, city-style."

Out of the Star River, Mrs. West caught her first fish—an eight-pound bream. It was on her birthday.

WEST SHOT wild boar and turkey (called the "plain turkey" or "bustard"), and daily they saw kangaroos, dingoes, emus (a cousin of the ostrich) and other fascinating Australian wildlife.

Most of their hunting and fishing was timed for their eating—on a day-to-day basis, so the meat would stay fresh.

They found some veins of tin along the Star River, but it was too expensive to mine, West said. They brought home five pounds.

WHILE camped along the Star, they bought a British Land Rover, keeping their road-worn VW bus as a "bunk trailer."

The 90-mile trip to Charter's Towers took 4½ hours. Twenty miles of it was paved road, 60

side to keep the cork wet.

BOTTLES of all sizes and shapes for ink, chutney, pepper sauce, pop, vaseline, vinegar and aromatic schnapps — many of which have old-fashioned daubed tops (added with melted glass after the bottle was molded or blown), and some of which has "shear" tops (the user had to break the top to get to the contents).

—Two small, wide-mouth, porcelain bottles that hold Holloway's Ointment "for the cure of gout and rheumatism, inveterate ulcers, sore breasts, sore heads and sore legs—manufactured only by the Proprietor, 533 Oxford St., London."

DARK, four-sided gin bottles from Van Hoboken & Co. of Rotterdam. Each bottle, hand-made in a wooden mold, has a daubed top and an individual seal made of glass instead of sealing wax.

—Decorative bottles that once contained tomato sauce, vinegar, Schweppes bitters and hot sauce, and tavern bottles of clay and crockery.

WHAT WERE their main impressions about Australia and its hardy people?

"Australia would be pretty good," West said, "if it didn't get so hot and dry, and if there were a few billion less flies, and if they had some American food over there."

Mrs. West added, "The flies are everywhere, all the time. Shooing the flies with your hands is known there as the 'Australian salute.'"

"The Australians are very friendly people," West said, "especially in the small towns in the outback. They don't have much, but anything they have they're glad to share with you. They're way behind us in farming and ranching, but they're coming up fast."

"**NINETY** percent or more of the population is within 40 miles of the coast from Sydney around to Adelaide, southern and eastern Australia," he added.

And what's the main thing they notice about the US since their return?

"This is an awfully noisy country!" West said.

Castro Lodge AF & AM 879, Regular meeting, 3rd Monday. Practice every Thursday. Milton Hedgecock, Worshipful Master; Ira E. Brown, Secretary. Visitors Welcome.

First Baptist News

Strength Not His Own

The battle is the Lord's but the Lord needs battlers who are willing to face up to the giants of the earth.

Not even Hollywood could dream up a more dramatic situation than is found in this passage. But this same drama occurs each time a Christian takes his stand for his Master.

How desperate is the need for Christians who will really fight in the great struggles of our time! God did not stop marching with the death of Goliath. Our God still marches; not in the uniform of a particular nation, or the ecclesiastical trappings of a special group, nor yet in people of a certain color, but in the hearts of those who, in the face of wrong, unhesitatingly stand for right. It is such as these who receive strength from God adequate for victory.

And all this assembly shall know that the Lord saveth not with sword and spear: for the battle is the Lord's and he will give you into our hands. — 1 Samuel 17:47.

Only Chevrolet gives you so much truck for the money

See your Chevrolet dealer now!

Planavin® is the cotton-soybean herbicide that gives you more than your money's worth.

Shell's Planavin® Herbicide gives you more than just excellent preemergence control. Nothing on the market does a better job.

It had to be more than just another good weed killer in order to break in against established competition. Growers found out how good last season. Planavin proved itself under the worst weather conditions in years. It held the fort against most annual grasses and many broadleaf weeds—right through the early period when control really counts. Growers got what they paid for—freedom from weed problems during the time when weeds can strangle young cotton and soybeans. Plus a sound control base that makes season-long control programs simpler and more economical.

Planavin also gives you a bonus. It frees you from immediate incorporation. Takes the pressure off. And it can save you hours of application time.

With Planavin you can spray by ground or air. You can use large rigs, wide booms. Covering large acreage fast saves you hours. There's no waiting for incorporation equipment to catch up. No downtime for custom applicators. The reason? Planavin doesn't require immediate incorporation. You can take your time. Even a few hours of exposure to air and sun won't wipe out your weed control when you use Planavin. Note: When you do incorporate, keep it shallow—no deeper than 1 to 1½ inches. Don't bury your Planavin below the sprouting weeds.

Get Shell's Planavin® Herbicide early—to keep the pressure on weeds and off you. Shell Chemical Company, Agricultural Chemicals Division: Suite 500, First Bank and Trust Bldg., Richardson, Texas 75080

Hammonds Gets Shelly's Chatter

ROTC Citation

Ronnie D. Hammonds of Dimmitt was one of six Texas Tech ROTC cadets named Distinguished Military Students Friday.

HE AND the other five DMS winners will be recognized this week at the President's Retreat Ceremony.

Hammonds, son of Mr. and Mrs. W. B. Hammonds of 610 W. Stinson St., is a senior honor roll accounting major and member of the Saddle Tramps.

Col. Maxwell C. Murphy Jr., professor of military science, said Hammonds was selected for being in the upper 10 percent of his ROTC class.

Two Bobbies Are in Spotlight

By MYRTLE SHEFFY
Allan Webb, our all-district forward, is playing basketball with the Wayland Queen Bees throughout this week at the AAU Women's National Basketball Tournament in Gallup, N.M.

She will be No. 21 on the Queen Bees squad. Her parents, Allan and Peggy Webb, are with her in Gallup, and Allan was to fly her home Wednesday for the Bobcat Band's contest performance here today (Thursday).

ALSO AT the national tournament in Gallup, Lometa Odom, former all-state forward with the Dimmitt Bobbies and all-American with the Wayland Flying Queens, will receive her certificate of induction into the Women's Hall of Fame. Her parents, Mr. and Mrs. D. H. Odom, will be there to see her get the honor, as will a former teammate, Mary Nelson Burnham of Albuquerque, and other friends.

Lometa is now the girls' basketball coach at White Deer.

IF YOU LIKE band music, you can take your choice of 28 of them this week in Dimmitt. High school bands from throughout the Panhandle area are gathered here to compete for ratings.

Nolan Froehner's Nazareth Swift Band will perform at 8:30

a.m. today (Thursday), and Ralph Smith's Dimmitt Bobcat Band will compete at 1:30 p.m. Let's go!

★ ROBBIE SHEFFY and Mary Stone of West Texas State University visited the J. W. Stones and the Sid Sheffys over the weekend. Bob Bradford and two friends, Steve Bay and Doyle Sanders, all of the University of Missouri at Columbia, were home to see the Bradfords.

I saw Irene Thornton of McMurry College in Abilene downtown. Their little cousin, Evelyn Price of Amarillo, visited a few days with Susan and Irene while the parents of all the girls went to Brownfield to attend the funeral of a cousin, Sawyer Graham.

★ MR. AND MRS. Mike Patterson and boys of Hereford visited over the weekend with Mr. and Mrs. Pat Patterson.

Mr. and Mrs. W. C. Snider visited Sunday with her mother, Mrs. H. C. Johnston, who is in the Methodist Hospital in Lubbock.

Mozell Slay phoned Ruby Wood Saturday morning that she and her husband, Bob, were flying to California to meet Gary Calhoun when he arrives this coming Saturday after a Navy tour in the Vietnam area.

★ ELIZABETH HUCKABAY was the birthday girl at a surprise party in the home of her daughter-in-law, Mrs. Bill Stephenson, Sunday afternoon. Orange chiffon cake, coffee and spiced tea were served to Helen Richardson, Faun Welker, Althea Hutcherson, Ann Singer and Cleo Forson.

Ray and Betty Chambliss have come back home after living in Colo., for a year. Ray is with Higginbotham, Bartlett Lumber Co., and they attend church at the Assembly of God.

★ POPPY BYRNES was the honoree at a party Friday evening in the home of her mother, Jean Byrnes. One room was decorated in pink — everything, cakes, favors, lemonade. Each girl received a birthday ring as a favor. Music, records and talk were enjoyed. Girls attending were A'llan Webb, Paula Birdwell, Kay Willis, Trudy Elder, Kay Bradley, Suzan Benson and Jill Braafladt.

★ VIRGINIA Gilbreath was the surprised honoree at a pretty birthday party Wednesday afternoon in the home of Mrs. Jay Lee Touchstone. Reba was wearing pretty blue chiffon hostess pajamas as she greeted the 25 ladies who came. Mrs. Gilbreath sat on the floor in front of the fireplace to open her gifts.

The table was covered with a white linen cloth bordered with lace, and was centered by a tall cake with pink candles (16 of them) and an arrangement of pink carnations around the cake. Coffee was served informally later in the kitchen. There were yellow jonquils on that table.

★ YOU COULD see most all of your friends at the annual band supper served by the members' mothers. It was tacos this time. We met two charming young ladies — Terry McGovern of Houston and Marynette Nichols of Centerville, east of Dallas, both students at Tech and doing their practice teaching here under Mrs. Charles Hottel.

John and Maude Lambright have moved here recently from Olton. They live at 703 Oak, but are making plans to build. They go to the Baptist Church and she is interested in Garden Club work. Mr. Lambright is a retired farmer.

Lon and Betty Boothe were hosts Friday night at a dinner and bridge party. Their guest were the Dan Heards, Bob Bakers, V. C. Hopsons, Bob Huckabays, Sandy Parsons, and the James Autrys, who were the honor guests.

★ GUESTS in the Fred Bruegel Sr. home this week were her brother, Al Cox of Ukiah, Calif., Mr. and Mrs. Charlie Jones and family of Clovis, and daughter Sandy, who is in school at Lubbock.

Carl and Fred Bruegel Jr. and Al Cox flew down to Fayetteville, Ark., where Al bought a registered quarter horse. Fred Jr. flew to Chicago last week to attend an Allied Mills business meeting. He saw his friend Kenneth Fulfer of Nebraska up there.

★ MRS. HATTIE Heathington of Muleshoe was visiting the Lynn Polsons and her grandsons last weekend.

Wayne Gipson of Ruidoso was here a few days this week to visit his parents, Mr. and Mrs. Willie Gipson. They all went to Lubbock to see Eldon and Eudora and their families.

Mrs. Jim Givens of Dallas is here to take care of her farming interests. She stays with Mrs. Kay Roberts.

Mrs. Roberts attended the funeral of Kay's brother in Paducah recently.

★ BAND director Ralph Smith and wife, Avis, were in Merkel for a few days where Ralph judged an area contest.

Mr. and Mrs. J. A. Gibbs of Tucumcari, N.M., spent Saturday

night with the Goodwin Millers. They also visited Ruby Webb and the Bells.

The Bridge Tournament was well attended Friday and Saturday. The group decided to have one party on the last Friday night of each month.

★ DO COME to the "42" parties Friday and Saturday nights at 7:30 at the new Recreation Center Clubhouse. Bring a table and dominoes just in case they are needed. It's \$1 per person.

Mrs. Dale Prather and son Michael flew to Dallas Monday where the boy had his eyes checked.

Mrs. Bob McLean and Mrs. Hugh Evans were in Dallas on business last weekend. I think a showing of fall knits. Mrs. Al Jackson says she didn't go this time. She got her hair singed off by the furnace and has to wear her wig. You gals need to watch that fire.

★ WE WENT to the coffee Sunday afternoon for Judge James A. Joy, who is running for the Seventh Court of Civil Appeals. It is nice to visit with friends over a cup of coffee.

Jane Kirkpatrick Koontz of Golf, Ill., was the honoree Thursday at a Coke party in the home of her high school and college friend, Dorothy (Mrs. Ted) Sheffy. Guests were other school friends—Shirley Stephens, Carole Dyer, Sue Merritt, Myrtle Lois Moran, and Nancy Hays.

La Dawn Kemp came home to visit her mother, Louise, her brother, Carl Lee and family. She said she and a friend flew over to Atlanta, Ga., to check on a job. She will graduate from Baylor in May. Says Atlanta is a beautiful city, with big pine and oak trees and stately homes.

★ CONGRESSMAN Bob Price was in town Saturday having coffee and greeting his friends at the community room of the Bank. The Young Marrieds Sunday

10 Attend THDA Meet

By IRENE KEATING
This is certainly a busy week. **SATURDAY** afternoon I went to Hub to judge the Parmer County 4-H Food Show. There were 36 entries so it took the other judge and me quite a while to get the job done.

It was nice to see a boy entered. He made Chili with beans that was delicious. All the products were very good.

★ TUESDAY AND Wednesday Charles and I were in Canyon for a District Meeting. Tuesday night I went to a CHDAA of Texas meeting in Amarillo.

Thursday (today) the District I THDA met in Spearman. We took two carloads of women. Those attending were Glenda Rickard, Sue Howell, Frances Thanisch, Oneida Hutto, Esther McRee, Mrs.

Clifton Johnston, Rachel Cleaver, Bobbie Damron and Blanche Ginn. The main speaker was Willa Home Economics Department of Texas Tech.

★ SINCE THIS is the time of year when we begin to think of summer shoes for our children you may like the following information. Sneakers should be fitted right on a child's feet, just as regular shoes. Research shows sneakers bought by regular shoe size did not fit the child properly and had to be replaced in one out of four cases.

If you must buy without benefit of fitting, be sure you and your dealer agree that the sneakers can be exchanged if they don't fit properly.

★ CHECK THESE points in buying shoes for children.

1. The widest part of a child's foot (the ball) is at the widest part of the sneaker.
 2. The fit at the heel is snug and firm enough so that you can't insert a finger at the back when the sneaker is laced and so that the upper does not gape unduly at the side when the sneaker is flexed.
 3. The sneaker toe provides growth room about equal to the width of the child's own thumb.
 4. The child can move his toes, that the fold in the upper comes just behind the point where the big toe joins the foot and the upper can be pinched or folded slightly across the ball of the foot.
- Consult a physician before fitting sneakers on a child with foot trouble or a child who wears corrective shoes.

YES!

There is still a very important place in the Cotton Industry for a high yielding, high mike, cotton variety such as those listed below.

El Paso Natural Gas Is Moving in New Directions

EL PASO NATURAL GAS COMPANY Progress Report

THE YEAR 1967—Record natural gas sales of 1.58 trillion cubic feet were achieved in 1967. Facilities to deliver an additional 253 million cubic feet per day to Southern California were completed by the first of the year. Plans are under way for further expansions of 512 million cubic feet per day to California, the Southwest, and the Pacific Northwest.

OCTOBER 1967—Beaunit Corporation, major manufacturer of synthetic fibers and textiles for apparel, home furnishings and industrial products, was merged into El Paso Natural Gas Company.

DECEMBER 1967—Project Gasbuggy detonation, world's first joint government-industry experiment using nuclear explosives for industrial purposes, was conducted by El Paso Natural Gas, the Atomic Energy Commission, and the U. S. Bureau of Mines. This pioneering technique may be successful in unlocking hitherto unrecoverable reserves of natural gas.

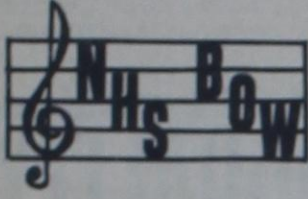

JANUARY 1968—El Paso Natural Gas announced agreement with two major European corporations to form an international company, Nobel-Paso Geonuclear, for development and promotion of peaceful uses of nuclear explosives outside the United States. El Paso also formed a special nuclear group to spearhead the company's activities in development of peaceful uses of nuclear explosives.

For a copy of El Paso's 1967 Annual Report, write: El Paso Natural Gas Company, El Paso, Texas 79999

El Paso Natural Gas Company is a diversified gas transmission firm, serving 11 western states through a 20,000-mile pipeline network. In addition, it has extensive interests in petrochemicals, agricultural chemicals, electrical copper wiring, plastics, textiles, mining and oil and gas production.

Sandy Gerber

Sandra Gerber is the Nazareth Swift Bandsman of the Week.

SHE WAS elected by her fellow band members after qualifying on 10 points of scholarship, musicianship, performance and citizenship.

The daughter of Mr. and Mrs. Albert Gerber, she is a senior in NHS and is in her eighth year in band. She plays alto clarinet, first chair.

In addition to her band activities, she also takes part in basketball, volleyball, tennis and handball, and is a member of the Future Homemakers of America. She is a cheerleader, and was elected this year's Homecoming Queen.

HER FAVORITE activities are sports and swimming, and her favorite subject is physical education.

She plans to attend West Texas State University after graduation from NHS this year, and hopes to become an airline hostess.

Residents Attend Rites For Soldier in Melrose

By Mrs. Owen Andrews
Funeral services for Freddie Roberts, son of Mr. and Mrs. Lloyd Roberts, who was killed in Vietnam March 16, were held Saturday morning at 11 at Melrose High School Gym.

Mrs. Laura Littrell and W. H. Andrews went to Amarillo Wednesday to meet a niece, Mrs. Leonard Rogers of Fremont, Calif., at the airport. She was coming to be with her parents, the W. F. Andrews, and her sister, Mrs. Lloyd Roberts and Mr. Roberts.

Other sisters of Mrs. Roberts coming were Mrs. Betty Reece of Visalia, Calif., and Mrs. Gene Morey of Roswell. Several relatives from this community attended the funeral. Hundreds of people came to the funeral for the soldier who was born and reared at Melrose.

Students home for spring break include Jane Cole of Baylor and Monte Gripp of Tarleton State.

Mrs. T. L. Sparkman was able to return home Wednesday after a week's stay in Hereford Hospital.

Martin Hodges, brother of W. N. Hodges of Hereford, died March 23 at an Amarillo hospital. The W. N. Hodges had been there several days with the family. Also attending the funeral at White Deer Methodist Church Monday afternoon were Mr. and Mrs. Julian Johnson, Mr. and Mrs. W. N. Hodges Jr., and Aubyn E. Hodges. Mr. Hodges was a farmer and lived in the White Deer area.

A FAMILY gathering took place at the home of Mrs. H. M. Mobley last Sunday. Attending were Mr. and Mrs. Earl Reno of Midland, the Floyd Coles, the Don Mobleys, the D. C. Millers and Austin Mobley. The group had supper Saturday night with the D. C. Millers.

Mr. and Mrs. Clark Andrews took her mother, Mrs. E. B. Berryman, to Amarillo Wednesday, to visit her sister, Mrs. Claia Jones and Mrs. Audry Franks, and her brother, Howard Lowery. Another brother, Earnest Lowery and his wife from Hammond, Okla., were there to visit the family group during the weekend.

On Sunday the Andrews went to Amarillo again to attend the Golden Anniversary celebration of Mr. and Mrs. Franks at the home of a son, Cecil Franks. Other sons, Glenn and Lewis, helped with the occasion honoring their parents.

Mr. and Mrs. Tommy Spark-

man, Kevin and Kirk spent Friday through Monday on a trip in West Texas. They were at Rock Springs and Fort Stockton and visited Saturday and Sunday with Mr. and Mrs. Curtis Ritchie and two little sons at El Paso. The Ritchies are former Hereford residents and he and Tommy were school chums.

★ VISITING the Earnest Harders Thursday night were his mother, Mrs. G. H. Harder of Meade, Kan., and her sister, Mrs. B. H. Janzen and Mr. Janzen of Hydro, Okla. The visitors were on their way home after a three-week visit with other relatives in California. Mrs. J. W. Duffey of Pittsburgh, Tex., is visiting her mother, Mrs. R. L. Mason in the Westway Community. The two of them have visited the Gary Masons, Mrs. Duffey came Monday to visit several days.

Russell Harkins was honored with a party celebrating his ninth birthday at his home on Thursday afternoon. Games, refreshments and play filled the afternoon. The guests included Julie and Stevie Cortez, Dennis, Terry and Patricia Yarby, Kevin and Varla Welch, Jay Manion and Terri and Sandy Harkins, his sisters.

Visiting Mr. and Mrs. John Key Saturday were their grandson, Mike Delano and his wife of Amarillo.

★ AMONG Andrews relatives here to attend the wedding of Ronnie Andrews to Miss Carolyn Simpson Saturday night were Mr. and Mrs. Godfrey Baldwin and Randy of Austin, who spent the weekend with her parents, the W. H. Andrews, and his mother, Mrs. B. H. Baldwin.

Arney Club Books 'On the Square'

The Arney Community Club will view the film, "On the Square," tonight (Thursday) at 7:30 at the Community Building. A representative of the Farm and Ranch Dept. of KGNC, Amarillo will show the film. The public is invited and refreshments will be served.

★ STOCKING-FOOT WADERS For best wear put on light wool socks before slipping on your stocking foot waders. Then wear long heavy ones outside the waders. Do this and you'll have no leak trouble.

Also here for the wedding were Mrs. W. H. Andrews' mother, Mrs. Herbert Adkisson; her sister, Mrs. Jesse Lamb, both of Marlowe, Okla.; Mr. and Mrs. Don Lankford of Duncan, and Mrs. Helen Ambrose of Marlowe. Others from out of town were Wiley Andrews of Melrose, Mrs. Betty Reece of Visalia, Calif., and Mrs. Leonard Rogers and daughter La Sithia of Fremont, Calif.

Mr. and Mrs. Glenn Andrews and sons of Elter visited their parents, the Owen Andrews, and other relatives during the weekend. They also were here to attend the Andrews-Simpson wedding.

Stockmen Urged: Make Hay in '68

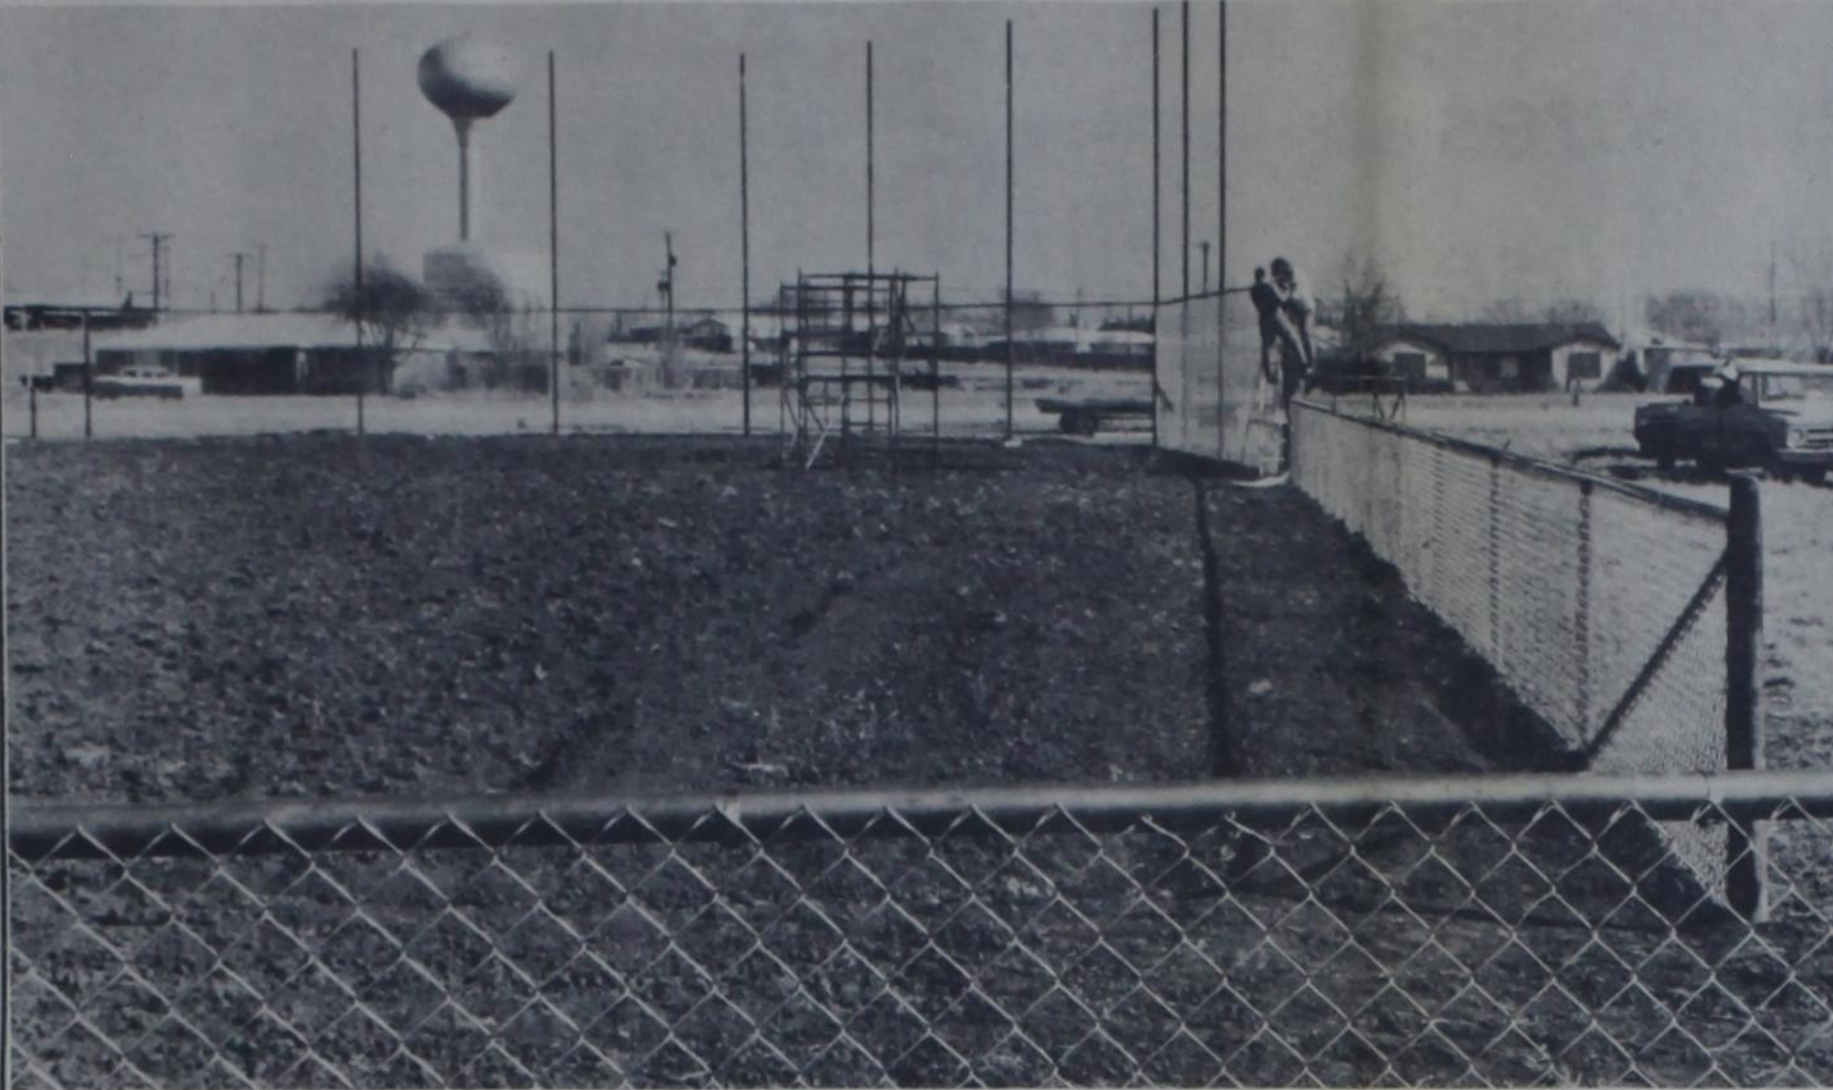

Livestock owners should start planning now to make high-quality hay this year, says Neal Pratt, Extension agronomist at Texas A&M University.

WITH adequate soil moisture in most areas of the state, opportunities for efficiently using fertilizers are extremely good, he says. Fertilizer helps improve hay quality and at the same time it increases production. More important in some areas of the state, however, is the improved water efficiency of adequately fertilized hay crops, says the agronomist.

Start with a soil test to determine fertilizer and limestone needs, suggests Pratt. Then apply fertilizer early in the spring when pasture grasses start to grow. This is approximately the last frost-free date in the area. Then plan to harvest hay at an immature stage.

Harvesting before the plant matures is one of the most important factors in making good-quality hay, reminds the specialist. Rainfall is less harmful to forage which has been cut at an early stage than forage which is over-mature. Small stems and leaves can withstand rainfall easier and will dry faster than large stems and coarse leaves.

The two secrets for making good-quality hay are (1) fertilizer for rapid growth, and (2) harvest before it reaches the mature stage, emphasizes Pratt.

SUDDENLY, A PARK — Dimmitt's new Little League baseball park is rapidly becoming a reality at the Castro County Recreation Center in West Dimmitt, thanks to the work of fathers and other interested volunteers. That's

Dr. David Bechtol and Donald Wright working on the backstop. Dickey's Dozer Service has filled and leveled the playing field, and it won't be long before lights and a sprinkler system can be installed.

Sunnyside

Grain-Supply Has New Manager

Mr. and Mrs. Garner Ball, Randy and Deborah moved into the community from Olton Monday. He will operate the Sunnyside Grain and Supply for Roy Byers of Springlake this year. They moved into the house previously occupied by Mr. and Mrs. John Moore.

MR. AND MRS. Roy Phelan visited in Tulia Monday with Mr. and Mrs. Lloyd Morris. Mrs. Morris was dismissed from the hospital there Monday.

Mrs. L. B. Bowden visited with Mrs. James Powell, Tresa and Cheryl of Dimmitt Monday afternoon.

It was "Bubble Gum Night" at the revival meeting Monday. During the booster band period, 49 children from junior age and down were given a bubble gum party by the evangelist, Rev. Howard Lyons. Mr. and Mrs. Bill Morgan had charge of the booster band the rest of the week. Mr. and Mrs. Varnell of Earth visited in the services, and had coffee and cake at the Robert Bridge home with the Durhams and Rev. Lyons after the services. He was their former pastor.

Rev. and Mrs. M. D. Durham and Rev. Howard Lyons were dinner guests Monday of Mr. and Mrs. Gale Sadler.

A GIBB'S quartet from Edmondson, where Duard McClure is music director, sang in the choir and brought the special music for the revival services Monday night. They were Kathy Hodges, Debbie Mason, Tresa Bennett and Lana Grisham. Mrs. Everett Heller played the piano, and Mrs. Randall Hodges accompanied them to the services.

Mr. and Mrs. J. E. Shirey took Mary Jane to El Paso last Saturday to work for a cousin. They returned home Monday. Bill Ernest came home with them.

Jimmy Shirey was admitted to the Littlefield Hospital last Sunday with hipatitis. He was dismissed Friday morning.

MR. AND MRS. Milburn Haydon Mr. and Mrs. Bill Ott and Melody of Hereford, Mr. and Mrs. Clarence Mitchell of Springlake, Irvin Ott of Big Square and Mr. and Mrs. Alton Louder were dinner guests last Sunday of Mr. and Mrs. Bob Ott, Peggy and Don. Peggy spent the week at home, leaving Sunday morning for Baylor.

Mr. and Mrs. Irving King went to Amarillo Saturday to visit with relatives there. They spent Saturday night with Mrs. F. M. Sweeney and Bill, and all went to the 50th anniversary celebration for Mr. and Mrs. Morton Vance of Panhandle Sunday.

THE TIDE fertilizer meeting on herbicides was well attended at the community building Tuesday at noon. A chicken dinner was served, and three specialists from different companies spoke.

Mr. and Mrs. Houston Carson and family attended a birthday supper in Olton Tuesday night honoring his mother, Mrs. J. L. Carson. Other members of her family were present.

Rev. and Mrs. M. D. Durham and Rev. Howard Lyons were dinner guests of Mr. and Mrs. Alford Crisp Tuesday.

TUESDAY night was "Ladies' Night" at the revival services, with 33 women and older girls present. Mrs. Noah Spencer gave her testimony. The favorite hymns of Mrs. Durham, Mrs. Roy Phelan, Mrs. Raymond Lilley and Mrs. Alford Crisp made up the song service. The youth met with Rev. Lyons after the services for a period of fellowship.

Mr. and Mrs. Jack Jackson were visitors at Tuesday night's revival service.

Mr. and Mrs. Bob Ott and Peggy visited in Dimmitt Wednesday night with Mr. and Mrs. Jim Elder.

Mr. and Mrs. Tod Stein of Amarillo and Ben Louder of Canyon visited with Mr. and Mrs. W. E. Louder, Mrs. L. B. Bowden and Mr. and Mrs. Ezell Sadler Wednesday afternoon.

MRS. BOB BALL of Olton and Mrs. Don Sanders were visitors in the Wednesday morning revival services. The Durhams and Rev. Lyons were dinner guests of Mr. and Mrs. Milburn Haydon Wednesday.

Mr. and Mrs. Bob Ball of Olton were dinner guests of Mr. and Mrs. J. Paul Waggoner Wednesday.

Wednesday night was "Family Night" at the revival services. Families sat together and were each recognized. A trio of Juanelle Conard, Mary Lynn Hays and Paula Jo Birdwell sang, accompanied by Janice Mooney. They are all from Dimmitt. Mr. and Mrs. R. E. Duke also visited in the services Wednesday night. Roy Phelan, the Sunday School superintendent for 14 years, gave his testimony. Mrs. Duane McClure and their three girls came out from Plainview to be with the song leader on Family Night.

REV. AND MRS. M. D. Durham and Rev. Howard Lyons were dinner guests Thursday of Mr. and Mrs. Arthur Wilson, Mrs. H. E. Hershey and Mrs. David Springer and Robin of Dimmitt attended the morning revival services with Mrs. Larry Starnes.

Thursday night was "Men's Night" at the revival services with 22 men and older boys present. Cliff Brown gave his testimony. Mr. and Mrs. Elmer Dixon visited in the services.

Mr. and Mrs. Bill Morgan and family left Friday morning for Norman, Okla., after receiving word that his mother, who underwent major surgery Thursday, was in serious condition.

LESLIE AND Sandy Louder and Mrs. Dean Kirby and Ronald of Dimmitt left Friday morning for Breckenridge to spend the weekend with relatives.

Mr. and Mrs. Billie King and family of Monument, N.M., visited during the weekend with his parents, Mr. and Mrs. Irving King.

Weldon Bradley spent Friday night in Tucuman with his parents, Mr. and Mrs. Gordon Bradley.

Mr. and Mrs. E. R. Little of Lubbock spent Friday night with Mr. and Mrs. Cliff Brown and boys to help Lee celebrate his birthday.

THE ADULT I Sunday School class had dinner together at the church with the evangelist and the pastor and Mrs. Durham Friday.

Mr. and Mrs. John Gilbreath helped sponsor the bridge tournament in Dimmitt Friday and Saturday nights at the recreation

building. They will also help with the "42" tournament Friday and Saturday nights.

Mr. and Mrs. Ray Joe Riley played bridge Friday night in the home of Mr. and Mrs. Bobby Jones in Dimmitt.

FRIDAY NIGHT was "Youth Night" at the revival services. Twenty-five young people from Clovis, Olton, Dimmitt, Springlake and Sunnyside were present. The team captains were Sandy Louder and Ann Spencer. Their co-captains were Jimmy Waggoner and Terry Bridge. Sandy's and Jimmy's team won. Visitors in the services were Mr. and Mrs. Ronald Henderson and family, Mr. and Mrs. Floyd Shugart and family, David Bailey, and Mr. and Mrs. Howell, all of Dimmitt; Ila Haydon and Mrs. Neil Webb of Earth, and Mr. and Mrs. Preston Upshaw of Hart.

David Harris attended the Junior-Senior Banquet in Hart Saturday night. Sue helped with the serving.

MR. AND MRS. Larry Starnes went to Littlefield Saturday evening after learning of the car-train accident in Littlefield in which Mr. and Mrs. David Springer were hurt and their daughter Robin was killed. Mrs. J. Paul Waggoner kept the Starnes' baby, Deanna, Saturday night and Sunday so the Starnes could help out. Mrs. Springer was transferred to Methodist Hospital in Lubbock. Springer was dismissed from the hospital in Littlefield Sunday so he could be with his wife in Lubbock.

Mr. and Mrs. Cecil Curtis and

Debbie enjoyed an outdoor barbecue with Mr. and Mrs. Don Curtis and Mr. and Mrs. Leroy Wilkerson of Earth at the Curtis home Friday night.

Mr. and Mrs. Alton Louder and Mr. and Mrs. Doug Louder and children attended a family dinner and spent the day Sunday in Littlefield with Mr. and Mrs. Lowell Westmoreland and children. They were celebrating Alton Louder's birthday.

MR. AND MRS. Duard Harris visited in the Tulia Hospital Sunday with her brother, who is still seriously ill.

Mrs. Ray Joe Riley and Mrs. Ray Riley of Dimmitt attended the concert of Peter Nero in Hereford Sunday afternoon.

Rev. and Mrs. M. D. Durham, Rev. Howard Lyons, Duard McClure and the Alford Crises were dinner guests of Mr. and Mrs. Roy Phelan.

Seventy-one attended Sunday School with 47 in Training Union Sunday night. Mr. and Mrs. Bill Matlock and boys visited in the evening services.

YOUTH FELLOWSHIP was held Wednesday and Friday nights. Ben Derrick was dismissed from Plains Memorial Hospital in Dimmitt Sunday.

CARRYING A LANDING NET Never use a cord to carry a landing net on your back when stream fishing. Cords can catch on brush and even throw you on occasion. Use of a French snap is far better.

Hands get mighty sore and blistered if you do much rowing. You can largely prevent this by cutting off a six-inch section from a bicycle innertube for each oar handle.

Slip this soft rubber over each oar handle like a glove. Not only will this protect your hand from chafing, but it will also add to a firm grip.

NEW HOURS FOR SUNDAY

WILL OPEN AT 12:15 P.M.
Closed from 5:30 p.m. to 7:15 p.m. to attend church services.
(Open after church 'till 11:00 p.m.)

We have appreciated your business in the past, and hope to serve you better in the future.

A Good Producing Cotton With A High Turnout

If there is any one thing that has been on farmer's minds for the past 50 years it is a cotton with a good turnout, and this is certainly emphasized when a farmer has to take 3,000 lbs. of stripped cotton to the gin to make a bale in the fall of the year. Likewise, he also wants a high production cotton along with that good turnout. But where will you find such a cotton? Our new Gregg 45 will meet all the requirements of high production and high turnout.

In 1965 the first year that there was a seed block of Gregg 45, Mr. Troy Pritchard of Plainview produced 90 running bales (avg. 505 lbs. compress weight) produced from 38 acres of Gregg 45, and it took 695 lbs. seed to make a 500 lb. bale. The turnout was 26.5%. 1965 was a fair year for growing cotton, however, it did turn rather cool after the 15th of September.

Mr. Robert Tipton who lives in Plainview, farms in the Halfway community, and is a director of the Halfway Co-Op Gin, has had excellent results growing Gregg 45 the past two years (1966-67), two very adverse years for cotton farming. In 1966 he had practically all of his farm in the 45, and it did so well that he planted it again in 1967, but was hailed out on all but one farm. In '66 some of his cotton made 2 bales to the acre, and in '67 the field of 58.8 acres that was left made 1,004 pounds lint to the acre, net weight after deducting bagging and ties.

In looking through some experimental tests in which the new Gregg 45 has been included we find one on the Plains in 1965 with 1189 lb. production; one in Oklahoma in '65 with 1,066 pounds, with a 31.1% turnout hand pulled; and one a Chickasha 1966 (dryland) with 777 lbs. This last mentioned is very impressive for dryland production.

First Christian Palm Sunday Service Planned; Ladies to Trace Missionaries

Minister Bedford W. Smith of the First Christian Church has announced special Palm Sunday services at both worship hours Sunday.

AT THE 10:50 a.m. service, his Palm Sunday special sermon will be "Christ's March on Jerusalem with Joy and Tears."

The 6 p.m. vesper service will honor the Women's Council, which has elected to have a special monthly mission study on Christian Church missions about the world. His sermon will be "The Marching Orders of Christ to the End," with a special stress on His orders for the current time.

The women chose the missions of Brazil for their first study. Brazil was not entered by Christ-

ian Churches until after World War II. The first of the present 61 missionaries assigned there was Lloyd David Sanders, former classmate of Minister Smith at Phillips University College of the Bible.

IN ADDITION to the 61, three new mission recruits have been assigned to the 19 missions in Brazil. The first mission offering of \$50, taken by Dimmitt's First Christian Church in 1960, was for the David Bayless family of Christ for the Amazon Mission.

The Women's Council also elected new officers for the coming year. They are Mrs. Buck Kenworthy, president; Mrs. Othele Fry, vice-president; and Mrs. Kent Gabel, secretary-treasurer.

Presenting The VERSATILE Eversman 329

Longer, Heavier Stronger—Built To Sell at a LOWER COST

The main wheels of the EVERSMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dial moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST.

OUTSTANDING FEATURES—Length 32'6". Width 12". Blade capacity 1'4" cubic yards. Blade vertical travel 13". Weight 2010 pounds. Front V smoother blade for clod busting and use on heavy dry soil. Front Daily Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front clavis provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

There are Eversman models to fit all standard farm tractors.

An irresistible assortment of designs and shapes. Patents, vinyl straws, plastic calf, sail cloth, cut velvets. A wide range of colors.

Flirty little heels with all the shapes that say "Today"! Toes round or square, heels barely there, styles bold to bare... Aren't these shapes you'd like to be in?

NOW IS THE TIME

APRIL 10TH IS THE DEADLINE

THIS IS A RARE OPPORTUNITY FOR AREA FARMERS TO OWN AND OPERATE THEIR OWN PROCESSING PLANT BY SIGNING CORN GROWING AGREEMENTS WITH DIMMITT WHEAT GROWERS, INC.

We, the undersigned, believe that the proposed wet milling corn processing plant is the answer to the cost-price squeeze on the individual farmer. This plant will be owned 100% by farmers and will enable the individual farmer to grow, process and market his own products.

To benefit from this fine project it is only necessary to contact any member of the

management of Dimmitt Wheat Growers, Inc., for full and complete details. We urge you to do it now.

This is a community project designed to benefit the farmers of this area and certainly deserves the serious consideration of every farmer interested in the preservation of family type farming and the continued prosperity of our fine agricultural area.

We are happy to give our unqualified endorsement of the proposed wet milling corn processing plant and its program of operation. We also wish to congratulate the management of Dimmitt Wheat Growers, Inc., for their tireless efforts in bringing this fine industry to our community.
