Swings It

Paul Gordon, 83, swings a club for a wide-eyed detective in Chicago as he re-enacts the confessed slaying of his landlady and fiancée, Mrs. Johanna Nimitz, 68, because she refused to set their wedding date.

GULF GETS SIGNS OF OIL IN "BURGER" IN 1-HH UNITEX

Gulf Oil Corporation No. 1-HH University, East Crane County wildcat, three and one-half miles north of the Block 31 field, about 11 miles north of Crane, and 1,980 feet from east and 2,054 feet from north lines of section 3, Block 31, University survey, was coring ahead from 10,610 feet, in the Ellenburger lime. A core at 10,595-610 feet, recovered 10 feet of the formation with some signs of oil. It is expected that operator will attempt a drill-test when the core now being taken is pulled.

This exploration has already shown for possible commercial production from the Devonian, the Silurian, the McKee and from two zones of the Waddell.

STEP-OUT FROM DISCOVERY IN HALE CHECKING LOW

Standard Oil & Gas Company No. 1 LaFont, one quarter of a mile south and same distance east of the discovery well for flowing production from the Pennsylvania at 6,806-6,992 feet, to open the Petersburg field, in Southeast Hale County, had penetrated below 6,895 feet, in black shale, and was drilling ahead.

So far, no signs of oil or gas have been reported from the prospector. Unofficial sources reported it is checking approximately 110 feet low to the same company's No. 1 Fisher, the initial producer in that region. No. 1 LaFont is 2,034 feet from west and 660 feet from north lines of section 10, block CL, EL survey.

GOLDSMITH WILDCAT IS SQUEEZING WATER ZONE

Gulf No. 421-E Goldsmith, discovery for production from the Devonian, and from the Silurian, in the Goldsmith shallow field, of Northwest Ector County, and 666 feet from east and 1,992 feet from south lines of section 15, block 44, TP survey, T-1-S, was squeezing back of the casing, through perforations at 8,040 feet, to try to eliminate water.

Operator tested through perforations at 7,980-8,015 feet, and had flowed 304 barrels of oil and 202 barrels of water in 24 hours. Interested observers think the water shown in that test was being pulled up from the lower level, and it is hoped that the current squeezing will remedy that trouble.

MABEE'S PROSPECTOR IN HOCKLEY TO BE PLUGGED

Guy Mabee Drilling Company No. 1 Ellwood, Southeast Hockley County wildcat, about eight miles southeast of Levelland, and 440 feet from north and west lines of labor 18, lease 19, Wichita County School Land survey, drilled to 5,360 feet in the San Annes lime, and developed 800 feet of salt water. No shows of oil or gas were logged. The prospector has been abandoned, and will be plugged.

ALBAUGH NO. 1 GRAVES CEMENTED IN A CAVE

Ray A. Albaugh No. 1 Graves, wildcat to 6,500 feet in Southeast one-half miles northeast of Ackerly, Dawson County, about one and one-half miles northeast of Ackerly, and 660 feet from south and east lines of section 48, block 34, TP survey, T-4-N, lost circulation in a zone about 4,750 feet in line. That section was cemented off and operator has drilled out the plug and is now making more hole.

Top of the brown lime was picked by some geologists at 3,240 feet. That keeps it high, structurally, to dry holes in the adjacent regions.

NEW WELL COMPLETED IN CLEAR FORK AT GOLDSMITH

In the Goldsmith-Clear Fork field of Northwest Ector County, Humble Oil & Refining Company No. 24-C Scharbauer, 1,980 feet from east and 1,986 feet from north lines of section 12, block A, Bell survey, completed from perforated section above total depth at 6,285 feet, for a 24-hour potential of 422.10 barrels of 40.5 gravity oil, with gas-oil ratio of 950-1. The flow was through a one-quarter inch tubing choke.

COLEMAN RANCH FIELD GETS ANOTHER PUMPING OIL WELL

Buttram and Associates No. 1-B Lucy Mildred Coleman, 990 feet from north and 2,579 feet from east lines of section 70, block 97, H&TC survey, and a step-out from production in the Coleman Ranch field of Northwest Mitchell County, reported a 24-hour pumping potential of 240.47 barrels of 24 gravity oil, from pay at 2,657-2,860 feet, which had been shot with 800 quarts of nitro-glycerin.

WAID TO DRILL TEST IN SOUTHEAST WARD AREA

In Southeast Ward County, and on the north side of the Pecos Valley High Gravity field, H. I. Waid of Grandfalls, has filed application to drill his No. 10 Brown heirs, a 950-foot cable tool exploration. It will be in a horseshoe bend on the north side of the Pecos River, seven miles southeast of Grandfalls.

The drillsite is 1,460 feet east of Waid's No. 7 Brown; 1,010 feet north of his No. 3 Brown. The river is 190 feet north, east and south of the location. Drilling will start at once.

Weather

Partly cloudy, no important changes in temperature Wednesday afternoon, night and Thursday. Maximum temperature Tuesday was 83 degrees, minimum 51 degrees. Low temperature Wednesday morning was 60 degrees in Midland.

Panel Passes Measure Banning Phone Strike

WASHINGTON—(P)—The House Labor Committee Wednesday approved 16 to 3 a bill designed to give the government power to head off or stop a telephone strike set for next Monday.

Chairman Hartley (R-N. J.) told reporters he would ask immediately for clearance to get the bill to the House floor for action. But he conceded there is no chance of enactment before the strike deadline set by the National Federation of Telephone Workers.

4,000 More Miners Strike In German Food Demonstration

ESSEN, GERMANY—(P)—Four thousand miners at Bochum struck today while mine union leaders deliberated in the same industrial city on whether to call a walkout of all the 170 Rhur coal mines in protest against food shortages.

The Bochum miners walked out as part of a general strike and demonstration in that city which apparently was intended to give moral support to the trade union conference.

Underground Water Control Proponents Lose Another Round

AUSTIN—(P)—Proponents of water conservation through state control of underground water Wednesday lost another round in their fight as the House Committee on State Affairs killed their bill.

The measure, by Rep. William S. Jameson of El Paso, would have authorized the State Board of Water Engineers to prorate underground water supplies on a statewide basis.

Jameson sought to place the issuance of permits for irrigation, industrial purposes, public parks, municipal waterworks and recreation and pleasure purposes on the basis of "beneficial use."

Similar bills have been killed in a number of previous legislative sessions, and one witness appearing in favor of the Jameson measure anticipated the committee would kill the latest effort.

J. E. Sturrock of Austin, general manager of the Texas Water Conservation Association, told committee members: "I know you're not going to pass this bill, but I'm having fun arguing with you boys, and one of these days you're going to come to it. I hope you do it before the horse gets out of the barn and gets away."

W. O. Fortenberry of Lubbock, a farmer, girder and irrigator, and president of the High Plains Water Use and Conservation Association, opposed the bill.

Panel Passes Measure Banning Phone Strike

Hartley added that the legislation "is not merely designed to beat the deadline. It will be available at any time during the proceedings. It could be used even after the strike takes place."

WASHINGTON—(P)—Joseph A. Beirne, president of the National Federation of Telephone Workers, said Wednesday that "the way things look now" a nationwide telephone strike will begin as scheduled next Monday.

The measure provides that when the President finds that a labor dispute has resulted in or threatens substantial curtailment of public utility, transportation, or communication services, he shall direct the attorney general to obtain a court order to prevent a strike.

Union Asks Investigation

Just prior to the Labor committee's action, the NFTW had asked for a congressional investigation of what it called "the monopolistic labor policy of the Bell System."

J. A. Beirne, president of the NFTW, proposed the inquiry in letters to House Republican Leader Halleck (Ind.) and Senate GOP Leader White (Me.).

The letters went to Capitol Hill as Republicans on the House Labor Committee forecast swift approval of a bill intended to fend off the strike. The Republican committee members had decided to go part way in answering Democratic objections that the bill is "vicious" and unconstitutional.

Beirne told Halleck and White that the Bell Telephone System has been following a "pattern" in negotiations with the union. He said there is evidence that the telephone industry is insisting on local bargaining but is "actually bargaining nationally."

The issue is renewal of contracts, Beirne said, and the proposals of the various Bell companies have been uniform.

"To sum up," Beirne said, "we believe that a congressional investigation of the labor relations policy of the Bell System will show that American Telephone and Telegraph is clinging to a fiction that each of the Bell System companies is an entity free to make its own decision."

"This is the company's publicly announced position and while maintaining it, the Bell System is operating as a unit and is denying free and full collective bargaining authority to its local companies."

Wesley Martin, principal; Mrs. June Boggs and Mrs. Grenade Peters, directors, and several parents accompanied the band members who traveled by school bus and automobiles.

Gifford Elected Mayor Of Midland

Black, Dewey And Hejl Win Posts On City Council

R. H. (Rusty) Gifford, tire store manager, was elected mayor of Midland by a 71-vote margin in Tuesday's city election, when 1,923 ballots, a record total, were cast.

Ben F. Black, oil operator; Robert S. Dewey, petroleum engineer; Mayor-Elect R. H. (Rusty) Gifford said Wednesday he announced for the office of mayor on his birthday, February 27; was elected on the second anniversary of his residence in Midland; and will be installed on his 17th wedding anniversary, April 16.

W. F. Hejl, automobile dealer, were elected to the City Council for two-year terms.

James T. Smith, attorney, was a close runner-up in the mayor's race, polling 874 votes, and Bates Hoffer, wholesale grocer's representative, received 99.

The record vote almost doubled the previous high of 1,020 votes in 1937. A total of 58 votes were cast last year, and only 34 were polled in 1945.

Mayor Fred T. Hogan and Councilmen Don Davis, John P. Butler and Frank Stubbeman, whose terms expire this month, did not seek reelection.

Robert I. Dickey and S. M. Erskine have another year to serve on the council. The new officials will take office April 16.

Results in the various races: Mayor—Bates Hoffer 99; R. H. Gifford 945; James T. Smith 874. Council, Place 1—Ernest Neill 893; Ben F. Black 1,002. Council, Place 2—O. W. Stice 636; Robert S. Dewey 830; Dr. L. W. Leggett 433. Council, Place 3—Lee C. Thomas 754; C. A. Stroud 190; W. F. Hejl 939.

School Election Slated Saturday

With the city election now history, interest Wednesday centered on Saturday's school election when two of three candidates will be elected trustees of the Midland Independent School District.

The candidates are George T. Abell, R. W. Hamilton, and Mrs. George Putnam.

Abell, appointed to the school board in January, 1946, is seeking his first elective term.

Hamilton McRae, whose term expires this month, is not seeking reelection.

Eighteen ballots were cast in absentee voting which ended Tuesday.

The election will be held Saturday in the City-County Auditorium. Voting will be from 8 a. m. to 7 p. m. J. M. White is election manager.

House, Senate Approve Anti-Closed Shop Bill

AUSTIN—(P)—Both House and Senate Wednesday approved the conference committee recommendation that the anti-closed shop bill become law without the Senate amendment exempting the workers covered by the National Railway Labor Act.

The House vote was 34-39, and the Senate adopted the report by unanimous voice vote.

The measure now needs only the governor's signature to become law.

Democrats Win In Chicago Test Vote

CHICAGO—(P)—Republican hopes of smashing the Democrats' 16-year-old "big city" political dynasty lay shattered Wednesday under a tide of Democratic votes that swept Martin H. Kennedy into office as Chicago's new mayor.

In the nation's first major 1947 test of political trends, the Democrats recovered from a stunning setback suffered in last November's congressional and county elections to score their biggest victory in a mayoral contest in 12 years.

Both sides waged all out campaigns to win with control of the city hall most likely to have an important bearing on how Illinois' 28 electoral votes go in the 1948 presidential contest.

Carroll Reece, Republican national chairman, had termed the contest an "important preliminary engagement" to next year's presidential battle.

Complete returns showed Kennedy's majority was 273,354 votes over Russell W. Root, his Republican opponent. The total vote of 1,588,941 was the largest in the history of a mayoral ballot.

Aggie Cadet Corps Dismissals Reach 27

COLLEGE STATION—(P)—A military board, trying 140 senior cadets at Texas A&M College on charges of insubordination, disobedience and disregard of authority, began further hearing Wednesday afternoon.

Seventy-five cadets have appeared before the board thus far. Twenty-seven have been dismissed from the corps, 35 given lesser degrees of punishment and 13 have been found innocent.

The board moved at a slower pace in comparison to the rapid but considered earlier sessions. Tuesday's actions included:

Kenneth M. King, Lubbock, ordered out of corps, reduced to private.

Don E. McInturf, Lubbock, ordered out of corps, assessed 15 demerits.

Mrs. Daisy B. Green Dies At Home Here

Mrs. Daisy B. Green, 47, a Midland resident since 1924, died at her home on West Liddon Street at 7:30 a. m. Wednesday.

She was born Sept. 29, 1899, in Laurel, Miss., and was married there Jan. 18, 1918, to D. L. Green. They moved to Midland in 1924.

Funeral arrangements are incomplete, pending word from a son in California, but will be held at the Ellis Chapel here with the Rev. Vernon Yearby, pastor of the First Baptist Church, officiating. Interment will be in Fairview Cemetery.

Survivors include the husband; two daughters, Mrs. Eula Mae Stevens of Lamesa and Margaret Louise Green of Midland; four sons, H. L. Green of Ontario, Calif., L. D. Green of Marshall, and Jesse and Mitchell Green, both of Midland; the mother, Mrs. Alice Hollifield of Laurel, Miss.; a sister, Mrs. Fanny Posey of Laurel; five brothers, Monte, Arthur, Carroll, Ernest and Manuel Hollifield, all of Mississippi.

TEXAN DIES IN OKLAHOMA ACCIDENT—

One Killed, Five Hurt In Train Collision

ARMSTRONG, OKLA.—(P)—The Missouri-Kansas-Texas (Katy) Texas Special passenger train and a freight train engine sideswiped here Wednesday, killing one person and injuring five others.

The dead man was Louis Hansen, engineer of the passenger train.

A. T. Ballard, fireman of the passenger train, was critically injured and taken to the Katy Hospital in Denison.

Senate Passes \$55 Per Capita School Measure

AUSTIN—(P)—The Senate Wednesday unanimously passed an amended \$55 per capita school bill, designed to guarantee a minimum salary of \$2,000 annually for Texas teachers.

The bill must return to the House where it was originally passed by an overwhelming vote, for concurrence in the Senate amendment.

The approved legislation has been one of the paramount issue of this legislature. Teachers' pay was a predominant subject during last summer's political campaigns.

The House bill, authored by Rep. Dallas Blankenship of Dallas, which was passed Wednesday, had the approval of teachers' organizations throughout the state. A Senate bill by Sen. James E. Taylor of Kerens to raise teachers salaries through an equalization aid program had the endorsement of Gov. Beauford H. Jester.

Hot Lands Issue

The House Wednesday concurred in Senate amendments to a furious, long-controversy Wednesday was in the hands of ten members of the House and Senate.

The committee was named Tuesday by Lt. Gov. Allan Shivers and Speaker of the House W. O. Reed following earlier adoption by both houses of a joint resolution to look into the charges and counter-charges of the A. and M. flare-up.

Senate members named to the committee are Fred Harris of Dallas, Dorey B. Hardeman of San Angelo, Walter Tyan of San Antonio; George Moffett of Chilli-cothe and Ben Ramsey of San Augustine.

House members are Claud Gilmer of Rocksprings, Edward P. Hughes of Newton, Searcy Brackwell of Houston, Jack Cox of Breckenridge, Cecil Storey of Longview, Hughes, Brackwell and Moffett are A. and M. ex-students.

Harwell Elected Monahans Mayor

MONAHANS—Walter Harwell was elected mayor of Monahans Tuesday, defeating Ed Duffey, incumbent, 664 to 213.

A total of 893 ballots were cast to establish a new record here.

Bill Lee with 606 votes, and W. N. Pearson with 503, were elected to the two full-term council posts over Lyle Saunders who polled 364 votes.

Jack Sharp defeated E. L. Kent 435 to 402 for a one-year council term to fill the unexpired term of Earl Earp, resigned.

Mrs. Bernice Dubose, unopposed for reelection as city secretary, received 873 votes.

J. W. Brally, with 52 write-in votes, defeated O. A. Barton and Brock Estes for city marshal. Barton polled 50 votes and Estes 46.

U. S. Gunboat Rushes To Aid Of Injured

SHANGHAI—(P)—British Capt. William Lee of LST Wanshen was seriously injured Wednesday when his ship was bombed and machinegunned while unloading UNRRA supplies at the Chinese Communist port of Shikhuo.

The planes were identified as belonging to the Chinese Nationalist government in reports to United Nations Relief and Rehabilitation headquarters here.

Lee and two other injured men were transferred to the United States gunboat Wilkie and rushed to Tsingtao for medical attention.

The planes, according to reports to UNRRA here, subjected the Wanshen to three attacks in which the captain, Chief Mate William D. Haining of Vancouver, B. C., and an unidentified Chinese quartermaster were injured.

Lee, the report said, suffered fractures of both legs and was "bleeding profusely" when transferred. Haining was wounded, not critically, by flying sharpnel and the Chinese quartermaster suffered a compound fracture of the left leg.

Supplies for Red Relief

After the attacks the Wanshen put to sea and met the Wilkie, which had rushed to meet her in response to radio calls.

Shikhuo is about 60 miles south-west of Tsingtao, where American Naval craft are based.

The attack on the Wanshen follows within two days the protest of UNRRA's China director, Maj. Gen. Glen Edgerton, against two similar incidents.

Communist relief officials prior to Wednesday's bombing asserted that it would not interfere with transport of relief supplies to Communist areas.

Hot Contests Held In Several Cities

By The Associated Press

Depending on the local issues and personalities involved voters in Texas either turned out in record numbers or stayed at home in Tuesday's Texas numerous local elections.

In Dallas only two candidates received clear majorities for city council seats. Forty-five candidates sought the posts in a record ballot turnout.

The successful candidates were J. R. Temple; Oak Cliff civic leader, and Wallace H. Savage, Lawyer and World War II veteran.

Silsbee, Ranger, Midland and Bowie also had record-breaking turnouts of voters.

R. H. (Rusty) Gifford, tire dealer, was elected mayor of Midland in a hotly-contested election, defeating James T. Smith and Bates Hoffer. A record total of 1,923 votes was cast. The previous high was 1,020 votes in 1937.

Heated Race At Wichita Falls

In Wichita Falls, voters assured the granting of 20-year franchises to three utilities companies—Lone Star Gas, United Gas and Texas Electric—by registering decisive approval of the City Council's recommended action. Elected as councilmen in heated races were C. A. Spragins, K. C. Spell, and E. J. Winger.

G. W. Dabney, now serving as mayor, and Willard Sullivan were named city commissioners at Big Spring.

Big Spring's mayor is appointed by the commission from its membership.

Dabney received 886 votes and Sullivan, 707.

Lawrence Hagy, Panhandle oilman, was elected mayor of Amarillo in the biggest vote in the city's history. He defeated two opponents by a majority of more than two to one.

Three new commissioners, Dr. Clinton E. Adams, Harry W. Dobbin and Landon H. Hill, were elected at Abilene, and another, R. B. (Babe) Leach was re-elected.

B. Roscoe Blankenship was re-named mayor without opposition.

Carl Wevat's Father Buried In New York

Federal services for Alfred Wevat, 83, father of Carl Wevat of Midland, were held Tuesday in Minehamton, N. Y., where he died Saturday following a long illness. He had lived in Binghamton about 45 years. He had visited in Midland several times.

Carl Wevat had been at his father's bedside the last month. He is expected to return to Midland the first of next week.

Catholic Church Marks Holy Week

All Catholic Churches commemorated the triumphant entry of Jesus into Jerusalem last Sunday, opening Holy Week services, which are being held in the Midland St. George's Catholic Church. Thursday of this week is known as Holy Thursday because Christ,

seated at the last supper with his chosen twelve instituted the blessed sacrament changing bread and wine to His own body and blood and thus celebrating the first Mass. Hence it is that the sacrifices of the Mass is the center of all worship and devotion in the Catholic Church.

On Thursday, only one Mass is celebrated in each church. At the end of the Mass the Blessed Sacrament is carried by the priest in procession down the aisle of the church, while the choir sings a hymn. The priest returns to the side altar where he places the Blessed Sacrament in a repository for public adoration of the faithful until the morning of Good Friday. On Friday morning the sacred host is consumed by the priest in the ceremony known as the mass of the Presanctified.

Good Friday This Friday is termed Good Friday because on that day over 1900 years ago Christ was crucified. From 12 noon until 3 p. m. commemorating the three hours which Jesus hung on the Cross, the priest and people unite in prayer, meditation and contemplation of the sufferings and death of the Divine Savior.

On Saturday morning Baptismal will be held and Easter Water blessed. The large paschal candle which signifies the risen body of Christ is blessed and lighted in solemn ceremony. This large decorated candle with its five grains of incense symbolizes the five wounds of the Risen Savior. The paschal candle is lighted every Sunday during Mass until ascension Thursday recalling the forty days which Christ remained after his resurrection. Easter Sunday morning again the Sacrifice of the Mass is the center of Catholic worship.

First Baptist YWA Meeting Is Held

Nadine Clements, new program leader, was in charge of the program at the meeting Tuesday of the Young Woman's Auxiliary of the First Baptist Church. The devotional was given by Miss Clements on "The Cock Crow in Your Life". Three songs opened the meeting, including "Throw Out the Lifeline", "We've a Story to Tell" and "The Nail Scarred Hand". Clara Belle Kelton gave the opening prayer. Rosella Greene, pianist, played "I Am Satisfied" during a period of meditation. Plans were made for a YWA prayer meeting to be held at 7:30 p. m. Tuesday and Thursday preceding the revival hours at the church. Others present were Edith Collings, Nellivee Clark, Ruby Gilbert, Gwendolyn Simpson, Helen House, Rebecca and Margaret Smoot, Dorothy Routh, Dorothy Raines, and Mrs. J. S. Griffith.

SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 2, 1947-3

L. R. Burnside Elected Head Of P-TA Group

L. R. Burnside was elected president of the John M. Cowden Junior High School Parent-Teacher Association for the 1947-48 season at a meeting Tuesday afternoon in the school.

Other officers chosen were Mrs. James Daugherty, first vice-president; Mrs. Ralph Geiser, second vice-president; Mrs. F. D. Grant, secretary; and Mrs. Frank Stubbs, treasurer.

Preceding the business meeting Dr. Homer B. Johnson, president of the Midland County Tuberculosis Association, gave a report on the necessity of the taxpayer and explained the methods used in combating TB. He explained that there are now three methods being used to teach the public about TB. They are by lecture, film and radio.

Mrs. Linnie Davidson and Mrs. John Hills showed a film on "This Is TB".

The proposed budget for next year was read and approved. The executive committee discussed books, maps, and blackout curtains to be bought for the school.

It was decided to let the president choose a delegate to the Spring convention which will be held in Del Rio this month.

The eighth grade room taught by Mary Lowery won the attendance prize.

Junior Music Clubs Have Competitive Festival In Midland

The first competitive festival of the Ninth District of Federated Music Clubs was held last weekend in the First Christian Church of Midland.

Entrants came from Big Spring, Stanton, and Midland with superior ratings going to Billy Rae Clements, Sue Jane Zimmerman, Jane Flinn, Jean Blackwell, Frank Blackwell, Betty Bobo and Patsy Bray.

Judges were Eu Jean Smith and Mrs. Riley Brooks of Odessa.

Each junior club in the district sent representatives for the Fine Arts Club program in the afternoon with the place of honor given to Dorothy Walston, who presented the first junior music club organized in the ninth district, which is the Lydia Watson Robyn Club.

The Fine Arts Club program included piano numbers by Carolyn Gray of the Midland Moment Musical Club; Sue Jane Zimmerman of the Stanton Junior Club; DeJores Sheats of the Big Spring Allegro Club; Wanda Jo Cline of the Odessa Brook's Club; Billie Jean Carlisle of the Stanton Melody Club; Dorothy Jean Walston of the Midland Robyn Club; and a violin duet by Joe Smith and Lanette Howell of the Midland Grand Staff Club.

Determination Plus Strength

Nothing seems to typify the mood of the Moscow Conference better than the tight wartime security that the American delegation is maintaining. Stories from the Soviet capital tell of rigid precautions against spies, heavy military guards, and admonitions to delegation members to keep their mouths shut, avoid telephone conversations, and burn all "trash".

Such behavior at a meeting of victorious and nominally friendly allies might seem cynical. But the situation has gone beyond cynicism. It is a very grim realism that has prompted these American measures, and probably similar measures by the other three powers.

It seems clear from this and other signs that the United States is now going to play the game by Russian rules. President Truman and Secretary Marshall will keep on trying for a just and peaceful solution of international problems. But the fiction of pleasant relations between the American and Soviet governments seems to have been dropped.

The Moscow Conference will try to make a start toward deciding whether there is to be one Germany or two. This will be the crucial test of whether there is to be one world or two. At the same time, our government is acknowledging, openly and actively, that a two-world division definitely exists.

Truman's request for loans to Greece and Turkey is a new step in our diplomacy. It is a direct move against possible Russian expansion.

In other words, the United States is being firm with Russia. This isn't quite the same thing, perhaps, as being tough with Russia. It is rather the declaration of an intent which had only been implied before.

There is only one disturbing thing about this latest move. That is the likelihood that our physical strength is not going to match our new diplomatic firmness. Nor will this be the first time that there has been a discrepancy between our words and our potential deeds.

Throughout 1941 the United States government's attitude was one of open, active support of Hitler's enemies and a courageous defiance of Axis threats. The only trouble was that there was practically no military backing for this decent and righteous stand.

On the other hand, this government has seldom been more amiable and conciliatory in the face of controversy than it was at the end of the war, when our military and industrial strength was supreme in the world.

The government now seems intent upon enforcing the territorial status quo in Europe and the Near and Middle East. This will require a strong as well as a determined stand. If the Soviet leaders are to be discouraged from their evident desire to communize and control most of the earth, they will probably have to be convinced that it is utter folly to attempt it.

Something more than strong words will be needed to implant that conviction. And that, along with economy, is something for our congressmen to think about.

New Greek King Names Cabinet

ATHENS—(AP)—King Paul, the new monarch of Greece, designated Premier Demetrios Maximos and a seven-party coalition cabinet to carry on as the government of this strife-torn land Wednesday as acts after ascending a throne vacated by the death of his brother. Maximos, who was appointed to head the cabinet by the late King George II January 24, submitted his resignation immediately after Paul took the oath of office Tuesday night, but the new king refused to accept it and requested Maximos to continue in office.

Meanwhile, it was announced that funeral services for King George, who died unexpectedly of a heart ailment Tuesday at the age of 56, would be held Sunday. Burial is to be at the royal family tomb at Tatoi (Dekeleia), the country residence where George was born. Tatoi is about 15 miles north of Athens.

The body is to be removed to the Athens cathedral Thursday to lie in state until the funeral.

U. S. Minister To Ireland Resigns

WASHINGTON—(AP)—David Gray, minister to Ireland, resigned Wednesday.

His cabled resignation, effective July 1, was accepted by President Truman. Gray attributed his action to "personal reasons."

The President, acknowledging the cable, wrote that he had ably represented the government during a most difficult period and that the late President Franklin D. Roosevelt shared his own admiration for "your skill and courage."

Barriers Removed On UN Palestine Issue

LAKE SUCCESS, N. Y.—(AP)—The United Nations announced Wednesday that Russia, France and China had agreed to a special session of the General Assembly on the Palestine case, thus clearing the final barrier to Britain's filing explosive case with the international body.

The United States previously gave its approval. "The British government will now send us the official notification," Victor Hoo, acting secretary-general of the U. N., said.

British delegation sources said the document would be placed in the hand of the U. N. before nightfall.

These sources had said earlier that the British document would make only two points—ask for a special session of the assembly as soon as possible to set up machinery for handling the delegate problem, and asking that the substance of the whole case be taken up at the regular meeting of the assembly in September.

Hoo said that with receipt of the British paper, the United Nations immediately would poll the 55 members for approval of a special session. No heavy opposition was anticipated, in view of the previous approval of the big powers.

Cotton Given Suspended Sentence In Slaying

PLAINVIEW—(P)—Leroy Cotton was found guilty of murder without malice in 64th District Court Tuesday and given a suspended sentence of five years in the death of Jess Jenkins, Abernathy cafe employe, last August 31.

Cotton declared from the stand that Jenkins was one of his best friends and that he did not kill him.

Testimony at the trial was that the two men had engaged in an exchange of words and scuffled in the cafe. Witnesses said they saw Jenkins get an ice pick and make two or three jabs at Cotton. R. J. Reiken, also of Abernathy, testified that Cotton shook Jenkins by the shoulders and that the cafe employe fell to the floor.

Previous testimony revealed that Jenkins at first was believed to have died of heart attack. However, both H. R. Pickle, Lubbock mortician, and D. R. L. C. Wayland, Hale County health officer, testified that they saw two stab wounds on Jenkins' chest.

Joy Taylor Declines Foot-Mouth Job Offer

WASHINGTON—(P)—Joy Taylor, Amarillo cattleman, has declined to serve as chief of the United States operations in the fight against foot and mouth disease among cattle in Mexico.

Rep. Worley (D-Texas) said Taylor had been invited here by Secretary of Agriculture Clinton Anderson and offered the job.

Taylor said that he had turned down the post because he had been away from home four years in military service. "The foot and mouth disease is the number one problem with us in the livestock industry," he said. "I am pleased with the start the government is making in cooperation with Mexico and I hope Congress will continue to give the program strong support. It will only be a miracle that it won't spread up into this country."

French Commander In Far East Crash Victim

PARIS—(P)—Dispatches from Hanoi Wednesday reported that Col. Robert Marie Gufflet, French chief of staff for the Far East, and Col. Pierre Louis Debes, acting commander of French forces in northern Indo-China, had been killed in a plane crash off the Tonkin coast. Wreckage of the plane was said to have been located by search par-

ants were not discovered until Tuesday, the advices said. It was not immediately clear whether the crash resulted from an accident.

The two officers were making an inspection tour of French posts in northern Tonkin, the dispatches said.

The crash apparently happened Sunday, but the wreckage of the plane and the bodies of its occupants on the mountainous island of

Reading Session For Community Theater Play Wednesday And Friday

Final reading sessions for casting the Community Theater production, "State of the Union," will be held at 8 p. m. Wednesday and Friday. Art Cole, director, announced Wednesday morning. The play is scheduled for showing in Midland May 1, 2, and 3.

Any Midlander who is interested in trying out for a part is urged to attend the sessions. Cole said that no parts have been cast. Twenty characters make up the cast, 14 of them being men and six women. Cole said that women are especially urged to attend the try-outs.

"State of the Union" is currently playing Broadway and other cities with professional casts. It is a comedy showing the play of politics in Washington.

The first rehearsal will be held Sunday afternoon. Mrs. W. T. Schneider, William Pomeroy, Jr., and Cole are members of the casting committee.

Golf's Big Four To Enter Masters Tourney

AUGUSTA, GA.—(P)—All four of last year's top titleholders—Ben Hogan, Lloyd Mangrum, Ted Bishop, and Smiley Quick—were ready to add a touch of goldfom glamor to the eleventh annual Masters Tournament which opens here Thursday.

Hogan, the PGA champion and the leading money winner in 1946, enjoyed the favorite's role together with Jimmie Demaret, a fellow Texan who is currently pacing the pack in winnings.

Mexico Champ Whips Texas Middleweight

SAN ANTONIO.—(P)—Vicente Villavicencio, Mexico's middle weight king, won by a technical knockout over Tony Elizondo, Texas middleweight champion, in the second round of their scheduled 10-round bout Tuesday night. Neither title was at stake.

The first round was a tame affair. But in the second the Mexico champion dropped the Corpus Christi fighter with a surprise right to the jaw. Elizondo took a count of nine and did not seem to be hurt.

Villavicencio then connected with a hard left hook as the fighting resumed and the Texas middleweight went down again for the count of nine. The blow left him hurt and dazed and Referee Jimmy Searmoza stopped the bout at 2:44 of the second round.

American Legion Signs 115 Members During March

J. F. Friberg, commander of the Woods W. Lynch Post No. 19 of the American Legion, told 28 members and two visitors at the Tuesday night meeting of the post that 115 new members and renewals have been received since the last meeting, March 4. The local post now has 278 members, 100 of them being World War I vets.

A letter from the commander of District 16 was read telling of a called convention to be held in Fort Stockton April 26 and to elect delegates to the national convention. E. A. Nunley of Odessa is district commander.

A discussion of the proposed Legion building was held. A motion was passed to wait 30 days and if the building committee had made no progress in the building program, a new committee should be appointed. A meeting of the building committee was called for 8 p. m. Wednesday at 209 East Wall.

It was decided that Friberg should appoint a membership committee from members attending the last three meetings of the post. Commander Friberg gave a report on the Legion meeting in Big Spring, March 25, at which the national commander received new membership reports. The Midland post reported 111 new memberships, Big Spring 501 members. Friberg said there were 1,500 veterans in Midland county.

Track Team Gets In Good Workout

In fine weather, Midland High School's tracksters had a routine workout Tuesday in preparation for two approaching meets—an invitation at Odessa Saturday and the district meet here a week later. Coach Jack Mashburn worked with his sprinters Tuesday. He said Friday showed a lot of promise in that department. As Mashburn worked with individuals on their various events the other thins went through all paces.

Jimmy Swagerty Named Assistant At Country Club

Young Jimmy Swagerty of Oklahoma City has been named assistant golf professional at the Midland Country Club. Warren Cantrell, manager, announced Swagerty's appointment. He replaces Carl Tice, who was here a few weeks after Lloyd Watkins left.

Swagerty is single. He is looking for a room located near the club. The new Midlander was an assistant at the swank Edgemere Country Club in Oklahoma City before coming here. He is a member of the PGA (Professional Golfers Association).

Large Crowd Sees Baseball Films, Indicating Midland Likes Game

Indicating an interest among Midlanders in baseball, more than 500 persons Tuesday night saw sound films of baseball shown in the high school auditorium.

The films were "World Series of 1946", "The All-Star Game", and "Batting Stars of Baseball". Men, women and children were included in the large audience. Coach Barnes-Milam of MHS acted as master of ceremonies.

Tex Carlton of Midland, a big league pitcher for 17 years, spoke. He said "baseball promotes clean living. Most of the ball players of the major leagues now are college graduates". Carlton lauded Harold Webb for bringing baseball back to Midland. He paid a tribute to Shorty Beals for the first action in getting a Midland franchise in a league.

Webb, Beals Talk Webb and Beals made short talks. Webb thanked citizens for their support. Beals urged continued backing of Midland's team. The interesting films appealed to youngsters and older persons alike. They were presented by Webb and Milam through the courtesy of the American and National Leagues of professional baseball. Most of the stars of modern baseball were in the films.

John Hart Named Officials' Head

John Hart was elected president of the Midland Coaches and Officials Association at a meeting Monday night for re-organization.

Bill Breeden, of Odessa, was chosen vice-president and Bill Cheatham of Midland, secretary. Members plan to make the organization a Midland-Odessa setup and affiliate it with the Southwest Conference Officials Association.

Hart replaces Pat Knief, who has left the city. Hart formerly was vice-president. The organization, which was formed last year, functioned during the 1946 football season. It presented a rules clinic in Midland which attracted many coaches and officials from over West Texas. Ab Curtis was instructor.

Midland Colts Open Season Here Sunday

The Midland Colts, Latin-American Baseball team, will open their 1947 season here at 3:30 p. m. Sunday when they engage the Abilene Latin-American team managed by Mike Soto.

The opener will be played on the diamond in the Latin-American section. The Midland team has been working out two weeks, and is ready for action. The club had a good record last season. The public is invited.

Indians Schedule Exhibition Games

The Midland Indians baseball team will start training here Monday, Harold Webb, manager, announced Wednesday.

Webb said he had exhibition games carded with several West Texas-New Mexico teams. The Indians will play Lamesa on April 13 or 14. Then the Lobos will come here for a tilt, April 16. Abilene will be played April 18 and Lubbock is on the card April 20, but the sites are not definite. "My players will start arriving in Midland this weekend," Webb said.

Rollins Acting Athletic Director At Aggield

COLLEGE STATION—(P)—John W. Rollins, 52, dean of men at Texas A and M College and captain of the 1916 Aggie football team, has been named acting director of athletics of his alma mater.

Rollins, who will continue as dean of men, succeeds Homer Norton, who recently was relieved as athletic director so that he could devote full time to his duties as head football coach.

The college board of directors had been expected to name a new head of the athletic department at its special meeting here Friday and Saturday. However, because of more pressing matters, the board had not had time to consider the appointment.

The directors, therefore, authorized President Gibb Gilchrist to make temporary arrangements, and he asked Rollins to serve as acting director of athletics in addition to his other duties. Gilchrist announced Rollins appointment Tuesday.

Talbot Picks Red Sox To Win American Loop With Detroit Second

TAMPA, FLA.—(P)—Barring a terrific upset, the Boston Red Sox will be right back in the World Series next fall, seeking revenge for the humiliating job done on them by the Cardinals in the '46 play-off.

Joe Cronin's American League champs look big and tough and menacing, both at the plate and on the pitching mound. They might not repeat last year's feat of winning 104 games, but it will be a remarkable thing if any club presses them seriously down the stretch.

For a time this Spring many observers were "high" on the Detroit Tigers, recalling the late spectacular drive which propelled them into second place by a five-game margin over the Yankees. More recently, though the wonder has grown as to what Tiger, or Tigers, might knock across the 127 runs that Hank Greenberg's bat produced last year.

How They Look The American League finish should look about like this: 1, Boston; 2, Detroit; 3, New York; 4, Washington; 5, Cleveland; 6, Chicago; 7, St. Louis; and 8, Philadelphia.

There is a gnawing temptation to drop the Yankees lower than third, especially after one has seen Joe Dimaggio still limping from the recent operation on his heel and taking only the lightest preliminary exercises at this late stage. &

Toscanini: The Performance Itself Is Everything

By ALBERT E. WALKER
As told to MARC J. PARSONS
NEA Staff Correspondent
NEW YORK (NEA)—Arturo Toscanini, in all matters outside his music, is one of the most naive men I have ever known.

When he was making a movie for the Office of War Information, we secured a stand-in to save him long hours while the lights and cameras were being adjusted. He was unaware of this until he walked unexpectedly onto the set one day before we were ready for him. The stand-in was in Toscanini's place on the podium.

"Who's that?" he demanded. We explained the stand-in's job. "Can he conduct too?" Toscanini asked seriously. Toscanini, who will be 80 March 25, has a violent dislike for photographic flashlights which blind him temporarily.

On at least two occasions, when photographers have violated previous pledges to use no flash bulbs and tried to get flash light pictures of him, he has chased them, shouting in Italian at the top of his voice. Knowing of this hatred of bright lights, technicians arranged for his movie appearance to use an absolute minimum of lights; cameras were set at the maximum lens opening. But when Toscanini walked before the cameras the first time, he looked around carefully, and then said:

"Lights! More lights! We need lights to make a movie." Toscanini made the OWI movie free, yet he has turned down hundreds of thousands of dollars to make one for Hollywood.

He is far less interested in having things done for him than he is in doing things for others. He has refused all honors and degrees offered him except one

from Georgetown University. When Oxford offered him a doctorate, he turned it down. He was told over and over how much his acceptance would mean to the university. Finally he suggested instead of going to Oxford to conduct a benefit for them. The concert brought in almost \$20,000 and he donated it all to the university, satisfied that he had done something for the school, not for himself.

Famous names in music mean nothing to him; the performance itself is everything. He heard Peter Wilhousky, as assistant director of music in the New York public schools, direct a choir of school children. Today Wilhousky handles most of Toscanini's choral work.

For one opera he was to conduct over NBC, he could find no voice among all the established sopranos that he felt suited the part as the composer had intended, although most of the well known soprano stars had sung the part many times. Finally, a teacher of his acquaintance suggested a young student. The maestro auditioned the unknown girl, and gave her the part.

Once during a rehearsal of a Wagnerian opera at the Metropolitan, when the music was reaching its full crescendo, he heard a cellist play B flat instead of B natural. He stopped the music and called the player's attention to the mistake. "Ah, but Maestro," the man cried, running down to the podium, "it is B flat in my score." He pointed.

Toscanini looked at the score the man held. It was B flat. Then he demanded the master script from the Met's library, thumbed quickly to the passage in question and there found it B natural. The copyist had made a mistake and Toscanini heard it in that thundering music.

While he will repeat and repeat a passage in rehearsal until it is perfect, he will allow nothing to interrupt the flow of the music at an actual concert. During a performance one night as I was standing in the wings watching the orchestra I saw a player faint over his instrument. As carefully and quietly as I could I worked my way through the orchestra to the man, picked him up and carried him out. Toscanini saw me but never missed a beat. But at intermission, instead of resting as he usually did, he hovered over the sick player like a mother hen.

Midland High School Drivers Educational Class

Shown above are the members of the Midland High School Drivers Educational Class. This picture was taken when the class visited the Murray-Young Motors, Ltd. Howard M. Meehling, service department manager, is shown explaining the function and parts of the Ford V-8 engine. The engine is a cut-away model designed for instructional purposes. Mrs. Josephine Parr, teacher of the course, is shown third from left on the front row.

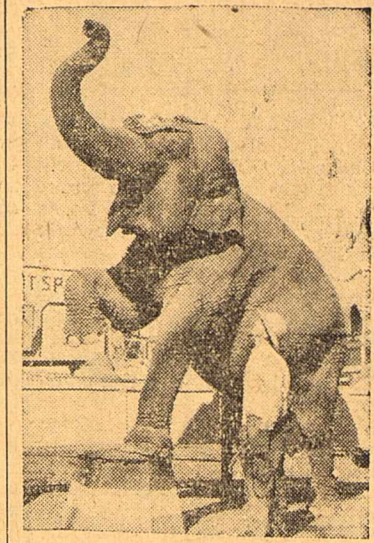

Goodspeed Escorted From Brazil To Face Texas Murder Charge

NEW ORLEANS—(P)—A 26-year-old seaman, Irvin Goodspeed, charged with murder in the slaying of a Dallas Morning News contract carrier, was returned here Tuesday from Brazil where he had been arrested by Brazilian police. J. L. "Buck" Jameson, sheriff of Montague County, Texas, who flew to Brazil to bring Goodspeed back to the United States, said he had filed murder charges against him in the slaying of Marlin Camp, whose body was found on a roadside last October 31 five miles east of Bowie, Texas. Camp had been shot twice in the head. Goodspeed was described as an ex-convict by Jameson. Texas Ranger R. I. Gadget accompanied the sheriff to Brazil to return Goodspeed and returned with them aboard the SS Murray M. Blum. They were met here by Texas Ranger Captain M. T. Gonzales, who came to supervise Goodspeed's return to Texas. The seaman was arrested by Brazilian police December 6 aboard the oiler SS Denton Victory in the harbor of Santos.

SWEET GAS ALLOWABLE

AUSTIN—(P)—The Railroad Commission has fixed allowable production of sweet gas for April in the Odessa field at 29,121,667 cubic feet daily.

Carnival's Queenie

Carnival's Queenie

Queenie, the elephant with the T. J. Tidwell Shows and Carnival which is exhibiting here this week, is better known to the children of this area than are the show officials. The Tidwell carnival is the only one in the Southwest that carries a pachyderm. The carnival is showing on West Highway 80, just West of the Ranch House. Tom Tidwell, known in West Tex-

He Gave His All

GRASS VALLEY, CALIF.—(P)—They buried Barton S. Wright the other day. He never did get to make that trip back east that he'd planned for so long. But he couldn't have afforded it anyway. During the war he got to worrying about the boys overseas, and gave all of his \$500 savings to the Red Cross. He died in the county hospital.

as as the "Old Showman," has been playing Midland for years. He says the 1947 edition of the Tidwell Shows is one of the best.

Gertie and her Monkeys have some new acts this season. Gertie, a chimpanzee who has an exceptionally high I. Q. for an ape, gives an almost unbelievable performance.

Dollie Dimples, the fattest girl on earth, is another of the show's attractions. She weighs 675 pounds. Many other shows, rides and attractions are featured.

What To Do For That Sluggish, Down-and-Out Feeling

Remember the time when you could eat like a horse, bubbled-over with energy, felt happy as a lark? Was it not because you liked to eat—didn't know what indigestion was, felt strong as an ox? As age advances the "old stomach and the ever-changing blood" need help. Now you may again release vibrant energy to every muscle, fibre, cell. Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease. To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients. Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get baky with gas, bloating and give off that sour food taste. Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

SOMETIMES these days your dealer may not be able to deliver all the Pabst Blue Ribbon you'd like. But remember, every bottle you do get will be, as always, the perfect result of blending never less than 33 fine brews into one truly great beer... the famous beer it is our pride and pleasure to distribute... blended-splendid Pabst Blue Ribbon

Palestine High Court Ruling Aids Gruner

JERUSALEM—(P)—The Palestine supreme court granted Tuesday a plea by the city of Tel Aviv that the military, the military court and prison officials be required to show cause why Dov Bela Gruner should be hanged for anti-British violence. The Jewish community, in a petition signed by its president, Mayor Israel Rokach, demanded that the officials give reasons for the execution of Gruner's death sentence, claiming that the sentence and conviction violated terms of the British mandate over Palestine. Hearing was set for Thursday in Jerusalem court. Gruner, a 34-year-old Hungarian Jew and veteran of the British army, has been under death sentence since January 1, when he was convicted of participating last May in an Irgun Zvai Leumi raid on the Ramat Gan Police station, where two policemen were killed. The Privy Council, Britain's highest court, previously had refused to consider a plea on Gruner's behalf made by Gruner's uncle. Gruner himself has refused to take any action in his own case, maintaining that he is a prisoner of war and should be treated as one.

Buried On Yap Island
YAP, CAROLINE ISLANDS—(P)—One of the loneliest American graves in all the Pacific lies beneath the palm trees of this lovely little island. It is the only American grave on Yap. No one knows the name of the young flier who was buried there by the natives after his fighter plane crashed and burned more than three years ago. The grave is lonely, but it is not forgotten. Each day the natives place fresh flowers at the base of a crude cross and push back the encroaching jungle growth.

It stands against a whirlwind's wrath ... and OIL-PLATES your engine!

AGAINST THE COMBINED, MIGHTY FORCES of wind and electricity, even the world's tallest building seems frail. Yet, though it may sway, it will not fall, for in its slender columns and girders, particles of steel are bonded together by a still mightier elemental force... the tremendous force of molecular attraction!

WHEN YOU CHANGE FOR SPRING to Conoco Nth motor oil, the same elemental force of molecular attraction bonds molecules of a special lubricating ingredient to molecules of engine metal! So close is this bond of molecule to molecule, that cylinder walls and other engine parts are actually OIL-PLATED!

BECAUSE OIL-PLATING STAYS UP on cylinder walls... doesn't all drain down even overnight... a change to Conoco Nth gives you EXTRA protection when you first start your engine "dry"... EXTRA protection from corrosive acid action when your engine is idle... EXTRA protection from sludge and carbon caused by wear... EXTRA smooth, cool, silent miles.
