SHELL TO DIG DEEP WILDCAT IN NELSON-FREUND SECTOR

Shell Oil Company is preparing to start drilling on a 10,600-foot wildcat in Central-West Andrews County, to test into the Ellenburger.

It will be Shell's No. 1 Lineberry, and is located 660 feet from north and west lines of section 7, block A-40, red survey. That puts it between the discovery wells of the Sims and the Freund fields—both of which produce from the Ellenburger.

Those two wells are approximately three miles apart, and the No. 1 Lineberry is about midway between them. Both the discoveries are now classed by the Railroad Commission as being in the Nelson field—despite the distance between them.

B. & B. Drilling Company has the contract for the new prospector. Rotary material is being moved in. Drilling is due to be started by the end of the week.

GULF WILL PROSPECT FOR HOLT PAY AT KEYSTONE

Gulf Oil Corporation has filed an application with the Railroad Commission requesting a permit to deepen its No. 48 Keystone, in North Winkler County, from its present bottom of 3,415 feet, to a possible depth of 5,150 feet.

The project is 440 feet from north and west lines of section 10, block B-3, psd survey, and about seven miles north of Kermit. Drilling ahead with rotary, is to start by August 10.

No. 48 Keystone is an old producer from the Keystone lime. It will deepen, to try to develop production from the Holt-Permian at between 4,950 feet and around 5,150 feet.

The exploration is a considerable distance from any well now producing from the 4,950-5,150 foot horizon. It could be classed as a wildcat.

SHALLOW WILDCAT SPOTTED IN EAST CROCKETT AREA

Gar-Ter Drilling Corporation of Fort Worth No. 1 Weiner-Vaughn, in East Crockett County is to be a wildcat to 2,000 feet to try to find commercial production in the San Andres-Permian lime.

It is 330 feet from north and west lines of southwest quarter of southeast quarter of section 36, block CP, CC&ST survey, and seven miles east of the Todd-Deep field. The shallow prospector is 450 feet northwest of Ted Weiner No. 1 Vaughn, recently plugged and abandoned as a dry hole, on total depth of 7,785 feet in Ellenburger dolomite. That zone did not show any oil, and on the contrary made water.

However it had some interesting shows of possible production in the San Andres, which was topped at 1,510 feet, on an elevation of 2,616 feet.

Gar-Ter has acquired the shallow rights on a spread of 1,300 acres adjacent to the new shallow prospector and it is reported that the concern plans a continuous development program on the acreage. Weiner and his associates retained the deep rights on the spread, and also an override on any shallow production which might be developed.

CROCKETT FIELD STEP-OUT COMPLETED AS A PRODUCER

J. W. Perry, of Odessa, and associates, No. 1 Superior-University, Southwest Union County exploration, one half mile north of the Crockett field—most of which is in extreme Northwest Crockett County, has been completed as a commercial oil well, and an extension to the field.

It is located 330 feet from south and 1,022 feet from east lines of section 14, block 14, University survey.

It made a 24-hour natural flowing potential of 629 barrels of 27 gravity oil, through a three-quarter inch tubing choke, with gas-oil ratio of 1.774-1. Flowing casing pressure was 210 pounds and flowing tubing pressure was 70 pounds.

O. F. Hedrick and C. G. Campbell, both of Midland, recently acquired interest in some of Peery's properties, and it is understood that the lease on which the new well is located was one of the tracts of which they are now part owners.

MARKERS REPORTED ON SW ANDREWS PROSPECTOR

Guy Mabee Drilling Company No. 1 Heydrick, Southwest Andrews County wildcat, about 22 miles (Continued on Page 8)

All Schools Not Eligible For Aid

AUSTIN —(P)—School districts levying at least a 50-cent tax for local maintenance purposes and deriving an income equal to or in excess of either of the past two years are eligible for state aid, the attorney general ruled Wednesday.

The attorney general further ruled that a school district which has not lowered the valuation on its taxable property and is assessing on the highest valuation of the past two years may reduce its local maintenance tax in order to service a bond issue.

ATTEND MIDLAND YOUTH REVIVAL—AUGUST 8th, 9th, and 10th; FIRST BAPTIST CHURCH at 8 p. m. (adv.)

Elliott Testifies

(NEA Telephoto)

Elliott Roosevelt, appearing on the witness stand before the Senate War Investigating Subcommittee in Washington, challenged its members to find any evidence that he influenced the late President Roosevelt in the awarding of war contracts to planemaker Howard Hughes.

Great Britain Will Reduce Armed Forces

LONDON—(P)—Prime Minister Attlee told Parliament Wednesday Great Britain would reduce her armed forces, impose a limited direction of labor and seek relaxation of clauses in the U. S. loan agreement to help ease her growing economic crisis.

He said also that workers "in the more essential industries" would have to work longer and that coal miners would be asked to labor half an hour a day additional.

Attlee said Great Britain also would cut down her imports in a manner that would mean "hardships for many people."

He said the United States, at Britain's entreaty, had agreed to discuss the sterling convertibility and non-discrimination in trade agreements in the \$3,750,000,000 loan, which Attlee said would be exhausted this year.

He denied, as Winston Churchill had charged Monday, that the Labor government had "frittered away" the American billions, advanced after termination of lend-lease from which Great Britain received \$31,267,249,530 from the U. S. and gave back in reverse deals \$6,319,792,047.

Attlee said British armed strength would be reduced by 420,000 men by next March. The forces numbered 1,297,300 men on July 1.

The prime minister said his Socialist government would "have to take some measure of control over" (Continued on Page 8)

LATE NEWS FLASHES

LAKE SUCCESS — (AP) — The United States was reported ready Wednesday to suggest that the United Nations General Assembly handle the Balkans situation if the Security Council cannot do so because of Russia's veto.

MIAMI, FLA. — (AP) — Damage estimated at more than \$1,000,000 was caused by fire Wednesday when a mysterious explosion touched off a blaze in Hangar No. 3 of the Miami International Airport, and destroyed two 21-passenger DC-3's and an undetermined number of smaller planes.

PARIS — (AP) — The general strike in Tunisia has been called off after casualties in a clash between strikers and troops reached 25 dead and 60 wounded, the French Press Agency reported Wednesday.

LOS ANGELES — (AP) — A roaring brush fire sweeping through Big Tujunga Canyon, 10 miles northwest of Pasadena, killed two men, injured at least 14 others and was still out of control Wednesday.

MALANG, JAVA — (AP) — Dutch military authorities announced Wednesday that in recent mopping up operations against Indonesian forces around Malang they had arrested 20 suspected war criminals—including four members of a German submarine crew stranded in Java when the war ended.

Greeks May Get Materials Made By U.S. For Reds

WASHINGTON—(P)—Part of a \$25,000,000 tag end lot of lend-lease goods originally destined for Russia may wind up in Greece and Turkey under the American aid program designed to ease Soviet pressures on those countries.

The rest is likely to be dumped on the surplus property market where, conceivably, Russia could buy it again at cut-rate prices.

This situation came to light Wednesday as officials disclosed privately that congressional action in blocking the shipments is causing an epidemic of headaches.

Three Mexican States Freed Of Cattle Disease

MEXICO CITY—(P)—The joint U. S.-Mexican Commission to combat foot and mouth disease among Mexico's cattle reported the infection has been stamped out in three of the sixteen states on the quarantine list.

The states of Aguascalientes, San Luis Potosi, and Chihuahua have been freed of the disease by slaughtering and burying all infected or exposed animals. Federal troops enforcing quarantine zones in those states will be moved to guard other infected areas.

Indemnities based on the local market price for beef are being paid for slaughtered animals. Payments have averaged 238 pesos (\$48) per animal.

Both countries contribute indemnities may be paid in cash or in credit toward new animals or modern agricultural machinery.

Both the U. S. and Mexican governments are contributing funds for indemnity payments. U. S. funds going to pay for cattle slaughtered, and Mexican funds for sheep, swine and goats.

The U. S. appropriated \$10,500,000 to initiate the campaign and prevent spread of the disease to the U. S.

Mexico has appropriated more than \$9,000,000 and contributed the services of federal troops. Commission officials have estimated it will cost at least \$23,500,000 in indemnities alone to stamp out the disease.

Fast Train And Freight Collide

LITCHFIELD, ILL.—(P)—An Illinois Central Railroad's "Green Diamond" passenger train and a Burlington Railroad freight collided Wednesday at the Litchfield crossing of the lines and "some injuries" were reported.

The Diesel engines and five of seven cars on the passenger train were derailed, an official said.

The train was bound from St. Louis to Chicago.

A spokesman at the Litchfield News Herald newspaper said "every doctor" in the city had been sent to the wreck scene.

Seventeen Planes Start Long Flight

FORT WORTH—(P)—Seventeen B-29s left Fort Worth Army Air Field about midnight Tuesday on a non-stop flight to Anchorage, Alaska.

A C-54 transport from Roswell, N. M., carrying maintenance personnel and supplies, also was in the flight.

Fire Causes \$300,000 Loss At Hicks Field

FORT WORTH—(P)—Five buildings, 300 surplus aircraft and a large stockpile of aircraft parts were destroyed by fire which roared across Hicks Field, north of Fort Worth, Tuesday afternoon. Loss was estimated at more than \$300,000.

The 300 planes were either destroyed or damaged beyond repair. Also destroyed were 1,000 plane batteries, almost 200 tires and propellers for the 1,200 planes stored at the field.

ODOM PLANS ANOTHER START ON SPEED FLIGHT

CHICAGO—(P)—William P. Odom said he plans another start Thursday on a projected round-the-world solo speed flight if his converted A-26 twin-engine bomber passes scheduled flight tests.

Cushman Scooters—all models—safe, economical to operate. TERMS. Wemple's, Ph. 1000. (adv.)

Accuses Meyer

(NEA Telephoto)

Patricia Miles, 25, cigarette girl in a New York night club, holds her 6-month-old baby, Douglas Meyer, in her apartment in New York City. A warrant issued in New York calls for the arrest of John Meyer, press agent for Howard Hughes, on a charge of fathering the baby.

President Truman To Visit Brazil

WASHINGTON—(P)—President Truman Wednesday accepted an invitation to visit Brazil in late August or September.

The White House announced Truman will fly to Rio De Janeiro for a three day visit and return to the United States aboard the battleship U. S. S. Missouri.

Press Secretary Charles G. Ross would not comment when asked whether Truman will address the Intra-American Security Conference which opens in Rio August 15.

WEATHER

Clear to partly cloudy Wednesday night and Thursday. No important temperature changes. Maximum temperature Tuesday 90 degrees, minimum 71 degrees. Minimum Wednesday morning 71 degrees.

Hughes Is In Washington To Tell Story

WASHINGTON—(P)—John W. Meyer testified Wednesday he spent \$97,821.59 of Howard Hughes aircraft company's money on promotion of two planes being built under wartime government contracts.

While Hughes waited to tell the Senate War Investigating Committee his story of his dealings with the government, Meyer completed an accounting of money he says he spent on entertainment of Army officers, government officials and otherwise promoting interest in Hughes' plane.

Scores Are Hurt When Bleachers Collapse At Race

GOSHEN, N. Y.—(P)—Three sections of the temporary bleachers, jammed with fans here for the running of the Hambletonian trotting stakes, collapsed Wednesday and first reports from the Goshen Hospital said a number were injured.

A record Hambletonian crowd of 20,000 or more packed the stands—temporary and permanent—for the trotting classic.

The accident occurred at the temporary stands near the head of the stretch.

A nurse at Goshen Hospital said: "Three persons are under x-ray, one woman is very seriously hurt and scores are being treated for various injuries."

British Arrest Jewish Leaders Following Blast

JERUSALEM—(P)—Three more Jews were taken into custody Wednesday as British authorities continued their roundup of Jewish leaders who the government says have "shown sympathy for the policy of violence" or have "been in contact with the underground."

In Jerusalem, a sharp explosion shattered the early morning quiet of a dusk to dawn curfew area, but British Army officials said there were no casualties from the blast—apparently caused by a grenade tossed at a British post near the Jewish Agency building.

Approximately 40 Jewish leaders are being held at Latrun Detention Camp, including the mayors of the all Jewish towns of Tel Aviv, Natanya and Ramat Gan. Most of the others being held were members of the Revisionist movement, which Revisionist newspapers say has no connection with any underground organization.

Payments On Wool Will Be Resumed

WASHINGTON—(P)—The Agriculture Department announced Wednesday it will resume government support of grower prices of wool Aug. 15 at levels expected to average slightly more than 42 cents a pound, grease basis.

President Truman has signed legislation authorizing resumption of a price support program which expired last spring.

Corpus Christi Gets New Baptist College

DALLAS—(P)—Corpus Christi will be the home of the new arts and technological college which originally had been located by the Baptist General Convention of Texas at Beeville.

The executive board of the convention voted to relocate the school here on recommendation of the college's board of trustees.

Nurse Is Arrested Following Shooting

LIBERTY, TEXAS—(P)—A 42-year-old practical nurse was under police custody Wednesday following the fatal shooting of "Bud" Lameil of Goose Creek, in front of a hospital here Tuesday night.

Lameil was struck by four slugs.

Mrs. Roosevelt Has Birthday

OYSTER BAY, N. Y.—(P)—Mrs. Theodore Roosevelt, widow of the former President, observed her eighty-sixth birthday Wednesday at her home, Sagamore Hill.

'I Can Do What I Want With Grown Children'

(NEA Telephoto)

A stern 72-year-old Minneapolis widow, Mrs. Bertha Anderson, upper left, prepared to "fight to the last ditch" to retain custody of her three grown children which police found cared, tied, incoherent from three grown children from starvation. Clarence Anderson, 38, upper right, was found nude and handcuffed with heavy leather straps to a cot in a small attic room. It required four policemen to remove Violet, lower left, from the house, despite her emaciated condition. Martin Anderson, 42, lower right, was found locked in a shack built on the roof of a first floor extension.

In 1939 Britain was importing between seven and eight million tons of livestock feed annually.

Bulldogs Play Gremlins At 6

There will be baseball at 6 p. m. in Indian Park Wednesday. A team of past and present Midland High School Bulldogs will play the Gremlins, an Odessa American Legion nine. The Midlanders seek a win in revenge for a loss suffered at Odessa. Admission will be charged and baseball fans of the city are urged to attend.

Shooters Of Midland Will Organize Unit

All Midlanders interested in rifle, target and pistol shooting are asked to meet at 8 p. m. Wednesday at Carleton and Brumbelow Sporting Goods store to organize a chapter of the National Rifle Association. Communications from national headquarters indicate sanction of a Midland unit. Officers will be elected at the meeting and plans made for construction of a range. Midland has been challenged by neighboring cities for shooting matches. These will be accepted.

2—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, AUG. 6, 1947

Tourney Into Third Night

The Midland Shell Oil team defeated Webb Grocery, 16 to 1, Moore Brothers of Odessa nudged Crane VFW, 4 to 1, and Midland's Mackey Motors dropped Shell Nottres, 6 to 3, in games of the TAAF district softball tournament here Tuesday night. Stanton Webb was hopeless in the face of Midland's Shell, which drilled them plenty. Moore Brothers whipped one of the tourney favorites in Crane, which had been in the finals of the recent Mohanas Joust. Mackey was steady in beating Shell Nottres in a game of errors.

Boosters Map Plans For Season

The Midland Bulldog Booster Club mapped its plans for the 1947 football season at a meeting Tuesday night in the high school. Acting president Stan Erskine presided at the meeting, which 14 sportsmen attended. The secretary-treasurer, J. M. McDonald, gave a financial report. This was the first meeting of the club since last December. Frank Monroe reported Midland High School would put an 80-piece band on the field this fall and also a 100-piece uniformed girls drill squad. The school head expressed appreciation for the cooperation of Midland service groups and individuals in getting the uniforms for the students.

The Boosters will sponsor filming of every Midland home game and the films will be shown at the club and used by the coach in training. Fred Wright will be asked to be official game photographer. The Booster Club defrayed part of the expenses of Midland coaches to the Texas Coaching School now in progress in El Paso. Advance sale of season football tickets to home games of the Bulldogs will begin August 18 with L. V. Spain, coordinator in charge. The Boosters will push the sale. The goal is to sell 1,000 season tickets. Roy Minear and Jack Hawkins will be asked to head the sale of season tickets, which will be held at the Chamber of Commerce.

A nominating committee to suggest 1947 officers was appointed Tuesday night. It includes McDonald, Monroe, Erskine and Tanner Laine. It will offer its nominations at the next meeting of the club, August 18. At the Tuesday meeting the Boosters studied the 1947 schedule and also heard a report on the roster of the football team for this fall. Attending the meeting were: Pat Meadows, Charles Williams, J. A. Richardson, Barney Barnard, Harlan Howell, J. W. McMillan, Chester Shepard, Minear, Dr. Homer C. Johnson, Monroe, McDonald, Spain, Erskine and Laine.

Tribe Swamps Cats, 17-7, At Ballinger

BALLINGER—Hank Ramsdell and his Midland Indian mates broke out with heavy war clubs Tuesday night, swamping Ballinger's Cats, 17 to 7, in a Longhorn League conquest here.

Ramsdell got four hits in five trips, including two homers, a double and a single, driving in six runs. Midland was potent in the first and second and seventh frames with five runs in each. And the Tribe got one run in the sixth and one in the ninth.

Major Leagues—
Mize Clouts Two More Homers For New York Giants

By The Associated Press. It is still anybody's race in the National League and as long as big Johnny Mize keeps clouting those long ones, the homer hitting New York Giants are not to be sold short. Mize not only is keeping the Giants very much in the pennant fight, but is seriously threatening what is probably the greatest batting feat in baseball—Babe Ruth's record of 60 home runs in the 1927 season.

The hard hitting first baseman walloped two into the Polo Grounds stands Tuesday night to lead the Giants to a 5-2 victory over the Philadelphia Phillies. The Victory, coupled with the Braves' 4-2 win over Brooklyn in Boston reduced the league leading Dodgers' margin over the third place Giants to seven games.

The runner-up St. Louis Cardinals now trail the Dodgers by six games following their 8-2 triumph over the Cubs in Chicago.

Ahead of Ruth's Pace
Mize's pair of round trippers, his 33rd and 34th of the season came in the Giants' 96th game and put him two games ahead of Ruth's record setting pace.

Taking advantage of 10 bases on balls to add to their 11 hits off four Cincinnati hurlers, the Pittsburgh Pirates disposed of the Reds in Pittsburgh 12-4.

The Yankees stretched their American League lead to 14 games by defeating the Athletics in Philadelphia 8-5 while the Sox were losing a 3-1 decision to the Senators in Washington.

The Cleveland Indians downed the Tigers in Detroit 8-4. Ed Lopat handcuffed the Browns in St. Louis with four hits in pitching the Chicago White Sox to a 5-1 victory.

Turn In Used Cooking Fats!
asks MARY MARGARET McBRIDE, Famous Radio Commentator

One of the finest jobs ever done by American housewives has been in saving used fats! Since 1942, over 800 million pounds have been salvaged. But, as Secretary of Commerce W. A. Harriman points out, the job still isn't over. "Not only the United States, but the whole world still lacks adequate supplies of fats and oils. And we in America are particularly short of industrial fats." These industrial fats, or their products, are needed to make many things we use every day. The used fats you turn in will help tide us over until supplies are normal.

Midland Gets New DDT Fog Treatment

Under supervision of Sanitarian W. M. Howard, the city of Midland this week is undergoing another DDT fog treatment which was being finished Wednesday so the fog machine could be taken to Big Spring, which is a partner with Midland in its ownership.

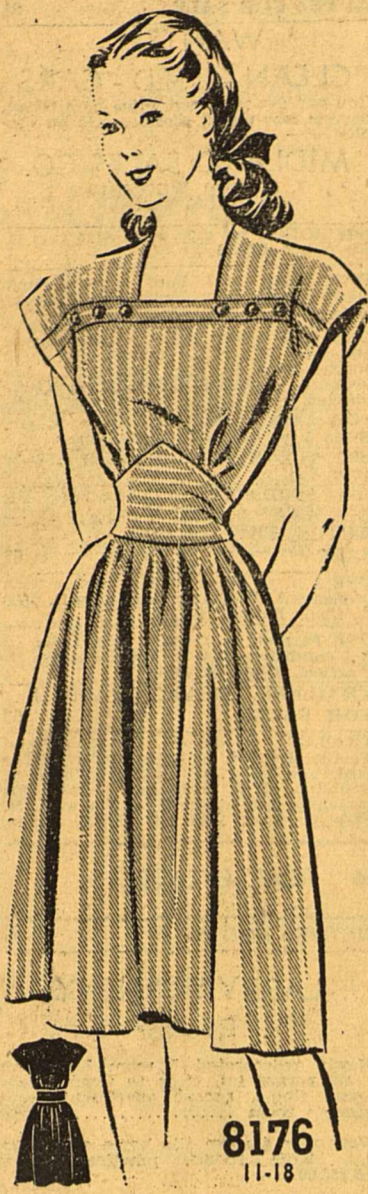

Saturday afternoon, the machine was used to treat Cloverdale Park, and since Monday it has been used to combat flies and mosquitoes in the city.

Hungarians Lose Big Cotton Credit

WASHINGTON—(AP)—Secretary of State Marshall Wednesday disclosed the Export-Import Bank has canceled a \$7,000,000 cotton credit earmarked for the Hungarian government.

Marshall told a news conference the bank took the action because some of the Hungarian negotiators on which the bank had confidence had been exiled as result of what he termed the Communist coup which recently overturned the government.

Junior Charmer

8176
11-18

Something extra special for a teen-ager wardrobe—a broad shouldered vee-waisted charmer to fashion in a pretty striped fabric going this way and that. Junior sewers can put it together like a charm.

Pattern No. 8176 is for sizes 11, 12, 13, 14, 16 and 18. Size 12, 2 3/4 yards of 35 or 39-inch.

For this pattern, send 25 cents, in COINS, your name, address, size desired, and the PATTERN NUMBER to Sue Burnett, Midland Reporter-Telegram, 530 South Wells Street, Chicago 7, Ill.

Sunday School Class Gives Melon Feast For Parents, Teachers

Members of the Primary and Junior Departments of the First Christian Church Sunday School sponsored a watermelon feast Tuesday evening on the church lawn for their parents, who helped the boys and girls in an "on-time" contest, and for their teachers. More than 100 hostesses and honorees attended the feast.

Among those present were: Ralph Auld, general superintendent of the Sunday School departments; Mrs. Sidney P. Hall, superintendent of the Primary and Junior departments; and teachers, Mrs. F. C. Cummings of the first-year primary, Mrs. Stanley Claborne of the second year primary, Mrs. Paul McHargue of the third-year primary, Mrs. A. L. Barr of the first-year junior, Mrs. J. W. Morrow of the second-year junior, and Mrs. Ada Heideburg of the third-year junior.

Girl Scout Party Held In Stanton

STANTON — Members of the Stanton Girl Scout troops and their boy friends were entertained recently with a tacky party at the home of Mrs. Frank Roquemore.

Those present were Sue Zimmerman, Beanie McCoy, Terrell Pinkston, Norman Blocker, Jessie Lorie Burns, Zella Rae Tucker, Velda Dean Odum, June Pree, Bobby Bryant, Lou Ann and Tootsy Barfield, Mary Ivy, Henson, Hubert Gregg, Mary Beth White, Jan Ellis, Guy Eiland, Larry Bennett, Billy Ray Clements, Nancy Roquemore, Angie Lou Chesser of San Angelo, and the hostesses, Mrs. Gendo Turner and Mrs. Frank Roquemore.

Games were played and refreshments of punch and sandwiches were served. Prizes were won by Billy Ray Clements and Angie Lou Chesser.

Labor Union Data May Be Made Public

WASHINGTON—(AP)—The Labor Department is trying to decide whether to make public the information unions will file under the new Taft-Hartley Labor Law.

Secretary Schwelbensch has asked his department's legal division for an opinion on the question, an aide said Wednesday.

The issue arose when a group of newsmen sent a petition to the secretary, asking that the information required of unions be made available to the press when received.

MOVING TO MIDLAND

Mrs. Charles F. Mathews, wife of the new high school principal, and their daughters, Carol and Michele, will arrive here Wednesday to make their home. They have purchased a house at 1105 West Indiana Street.

Congratulations To

Mr. and Mrs. J. H. Moseley on the birth Monday of a son, Charles Thomas, weighing eight pounds.

Mr. and Mrs. Eugene B. Cecil on the birth Monday of a son, David Allen, weighing nine pounds.

Does Stomach Gas and Bloat Make You Feel Miserable?

If so, here is how you may get blessed relief in freeing your stomach from this nervous distress. It works this way: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalis which counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.

Married In California

Maj. and Mrs. Charles Peterson cut their wedding cake following their marriage recently at Sacramento, Calif. Mrs. Peterson is the former Miss Virginia Atchison of Stanton. She is a graduate of Stanton High School and attended business college in Lubbock. Both she and Major Peterson were stationed at Midland Army Air Field during the war.

For the wedding, the bride wore a white suit, white shoes and white hat with long veiling. She carried a bouquet of white carnations with a white orchid in the center, with long white satin streamers. The altar in the post chapel was decorated with baskets of white gladiol and lighted candles. Mrs. Alice Widner Janista, formerly of Stanton, was matron of honor. Two solos, "I Love You Truly" and "Because" were sung preceding the ceremony, with "Oh Promise Me" being played as the background music during the wedding. About 50 guests attended. The couple is honeymooning in Utah, Oregon and Wyoming.

Coming Events

THURSDAY
The Session of the First Presbyterian Church will meet at 7:30 p. m. for its regular monthly meeting.

FRIDAY
The social for the Alathean Class of the First Baptist Church has been postponed to a later date.

Daughter Of Midland Couple Dies In Dallas

Mrs. Rosemary Schabarum Bray, daughter of Mr. and Mrs. B. R. Schabarum, 103 Biglea, died Sunday night of a heart attack at her home in Dallas where she and her husband, Paul Bray, were attending Southern Methodist University. Funeral services will be held Thursday at the Cunningham-O'Conner Funeral Home in Los Angeles. Mr. and Mrs. Schabarum left Monday night to attend the services.

Survivors, in addition to the parents and the husband include a brother and a sister, Jim and Madelon Schabarum, of Midland.

Our truck will be in Midland each Wednesday. Leave calls at MIDLAND HOME & FUR. CO. or BARROW FUR. CO.

"UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when the lower part gets blocked food may fail to digest properly.

What you want for real relief is something to "unblock" your lower intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take as directed. They gently and effectively "unblock" your digestive tract. This permits all 6 of Nature's own digestive juices to mix better with your food. You get genuine relief from indigestion so you can feel really good again. Buy Carter's Pills today. "Unblock" your intestinal tract for real relief from indigestion.

AT PENNEY'S

BACK TO SENSIBLE PRICES
ON EVERYTHING FOR BACK-TO-SCHOOL

And what do we mean by a sensible price? The lowest price that still assures you good quality. We never, never sacrifice quality to price. That wouldn't be sensible, for quality plays the Number One role in VALUE. Our prices give you the qualities you want, need, should have—at prices you'll find it hard to match anywhere else. And that makes sense, especially when you have big school-clothes shopping ahead of you!

Girls! Hundreds of NEW Fall Skirts and Blouses!

Misses' Blouses at Penney's are colorful as Fall itself! You'll find all the latest styles in soft, washable rayon crepe! Peter Pan and jewelry necklines! **2.98**

Misses' Skirts make big news this Fall! Torso styles, hipline pleats, slim fly-front models! Favorite classics, too! All-wool and rayon fabrics. Plaids, solids. **3.98**

Big Girls' Blouses. Wonderful, washable cottons and rayons! Long or short sleeves, classic or frilly styles. Bright peasant embroidery trim! 7-14. **1.98**

Big Girls' Skirts. A huge variety of all-wool and corduroy skirts! Lots of new styles—full flares, novelty pleats, low yokes, trim belts. Plaids, solids. 7-14. **3.98**

Little Girls' Blouses. Crisp cottons, dainty rayons. 3-6x. **1.98**

Little Girls' Skirts. Corduroy and wool suspender skirts. 3-6x. **2.98**

They Sure Take It!
BOYS' DUNGAREES 169

Get Set for School!
CHILDS' ANKLETS 29¢

Little Girl Values!
COTTON DRESSES 298

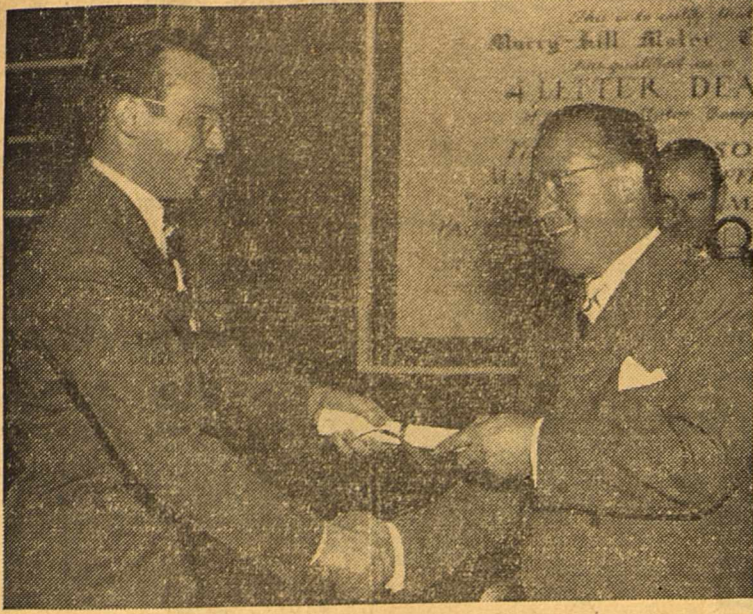

For rough and tumble run-arounds, these 3 oz. Sanforized denims can't be rivalled! Vise-like copper rivets, orange stitch construction. Easy to launder.

These socks will take a lot of active, day-in, day-out wear by the younger fry! Of mercerized cotton in cuff top style — wide range of colors. 6-10½.

Really beautifully made! We've never seen such becoming little dresses! All kinds of expensive "extras"—frilly vestees, tiny peplums, eyelet, lace! 3-6.

Latin America's Trade Is Factor In Europe's Fate

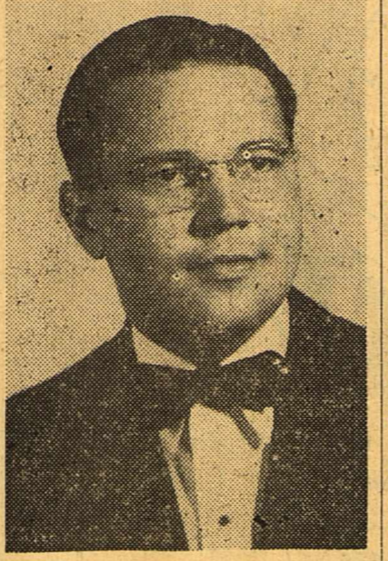

By SIGRID ARNE
WASHINGTON — (AP) — Western Europe's buying and selling is reviving in such a way it may not need the raw materials which it once bought in Middle Europe and which now lie in the Russian orbit. This has an important bearing on the success of the Marshall plan. The information comes from one of the top-flight American government trade experts, who has just returned from a European look-see but who refuses to be quoted by name. He found European countries are beginning to build up a healthy trade with Latin America—a section of the world which can use the manufactured products of Europe and which has raw materials to sell in exchange. It means Europe can get grain, beef, wool and coffee in a market that will take European goods in return. It means English pounds, French francs and German marks can be exchanged for the Latin American peso.

Economic Worries
When the Marshall plan was announced to aid Europe, and when the Russians led their satellite nations out of the plan, there was a good deal of worry among world economists over a Western Europe cut off from its normal market in Eastern Europe. There also has been worry among economists the Marshall plan could fall down if the factories of Western Europe were unable to find a raw material area somewhere in the world with which to swap. The American market is not the ideal market. It is in no position to absorb all that Western Europe turns out, and yet Western Europe has to sell enough of its products—steel, textiles, ceramics, wines, all manner of luxuries—to pay for much of the food it lives on and most of the raw materials it needs for its factories. There has also been this "if": If Western Europe had to depend on Eastern Europe for food and raw materials, it might also be at the mercy of the state control of commerce which is slowly creeping over the Soviet-dominated nations of Middle Europe.

The summer seal colony in the Pribilof islands numbers about two million and formerly numbered 5,000,000, but owing to former ruthless killing methods it once was reduced to only 250,000.

To Play Piano At Youth Revival Here

Raymond Jones, 25-year-old Southwestern Baptist Theological Seminary student from Hominy, Okla., will preside at the piano for the second consecutive year during the First Baptist Church Youth Revival, which begins Friday.

Raymond Jones Jones entered the seminary in September, 1946, after his release from the Naval Reserve in which he had served since July, 1943, after receiving his B. A. degree in chemistry and physics from the Oklahoma Baptist University. While in the Navy, he received a commission and was stationed at San Jose and Coronado, Calif., Honolulu, T. H., and Guam. At present, he is working toward a Master of Religious Education degree and a Bachelor of Sacred Music degree. In addition to his studies, he has been working with the Grand Avenue Baptist Church, Gainesville, since November, 1946, as educational and music director.

Dog Show To Be Held In Roswell August 10

An all-breed sanctioned dog show will be held August 10 in Cahoon Park at Roswell, N. M., under the sponsorship of the Pecos Valley Kennel Club. Similar shows will be held in Hobbs and Carlsbad in the early fall. With the approval of the American Kennel Club, F. T. Swann of Tucson, Ariz., will judge the Cocker breed, and Mrs. Bob Pringle of Denver will judge all other breeds and the best dog in the match. Entries will close at 1 p. m., August 10, and judging will get underway at 1:30 p. m. Prizes and ribbons will be awarded winners. Information concerning the show may be obtained from F. T. Rice, secretary, Box 1427, Roswell.

FUNERAL MONEY IS KEPT READY
GREAT FALLS, MONT.—(AP)—An aged man was found drunk and unconscious on the street and when searched at jail \$583.11 in currency and silver was found stuffed in his shabby trousers. Asked why he carried so much money with him, he replied: "Maybe I die sometime. That is the money I keep with me for my funeral expenses." Police withheld his name while trying to convince him that his funeral funds should be kept in a safer place. The year 1945 saw disastrous droughts in many of the richest food producing areas of the world.

News Does Not Change; Take Peek At Magazine Items 218 Years Ago

ANNAPOLIS, MD.—(AP)—News doesn't change—only the men who make the news. To prove this you have only to glance back through the files of old newspapers such as "The Maryland Gazette," a weekly that has been portraying the American scene—with a few forced interruptions—since 1727. Take, for example, government experiments in crop control in recent years. In 1729—218 years ago—Maryland planters protested the London dealers had sold their tobacco below agreed prices. The London merchants, as reported by the Maryland Gazette, sent back word the market was overstocked and made these suggestions to the planters to hold the prices stable: "First, by planting less tobacco every year. "Second, by destroying every year all trash and mean tobacco. "Third, by forbearing to plant every fourth year."

Does That Sound Familiar? Advertisements in those days didn't come from department stores. They were principally about rum, real estate (housing was hard to find) and runaway slaves. The price of Jamaica rum in Annapolis on March 11, 1728: per single gallon, 75 cents. Lemonade costs more than that now. The Gazette, like other Colonial newspapers that served as well springs for American liberty, ran from one to four pages. It had a subscription rate of only \$3.15 a year. Leading Colonial figures contributed to it, and it had special correspondents in London, Paris, Prague, Lisbon and half a dozen other European countries. There were no giant press associations to speed information. A headline of Oct. 21, 1762, announced a royal birth the previous August 12: "Great joy to the nation! A Prince of Wales is born. God save the king." Three years later the Gazette wasn't printing anything about God saving the King. The "Stamp Act" had been passed putting a prohibitive tax on newspapers and pamphlets. Sturdily independent, publisher Jonas Green printed a skull and crossbones where the stamp was to be affixed. Now 220 years old and known to

Midland Youth Will Assist In Revival

A Midland youth who will participate in the Baptist Youth Revival, beginning Friday, is Glenn Murray, son of Mr. and Mrs. C. G. Murray, 909 West Illinois Street. He will direct the music.

Glenn Murray A student at Hardin-Simmons University, Murray entered in 1946 to major in sociology. He now is attending the summer session. After graduation, he plans to enter the Southwestern Baptist Theological Seminary in Fort Worth. He has participated in revivals at Lenora, Wimsboro, Roby, and Erick, Okla., and was music director of the First Baptist Church of Roby. During the coming year, he will be music director of the Baptist Student Union at Hardin-Simmons. He studied aeronautical engineering at NTAC for 12 months prior to his 13 months in the Army Air Corps.

Anne Arundel County citizens as "The Maryland Bible," the Gazette is still coming out weekly. Under present publisher Tabbot T. Speer it has grown to 16 pages and the subscription price has dropped to \$2 a year. The Gazette uses printer's ink now instead of linseed oil mixed with lampblack—the ink of Colonial times. But the news—births, deaths, crop reports, sailings, unusual animal stories and government doings—is pretty much the same as ever.

BRITISH OFFER REDS HOUSING INFORMATION
LONDON — (AP) — Britain has offered to share with Russia the discoveries of her scientists since the war in methods of housing construction, to try to meet a common need for vast rebuilding.

The British trade mission to Moscow, which bargained for Soviet timber for this country's housing program, has also delivered a government invitation for a Soviet housing mission to visit British reconstruction areas. If the Russians accept, an announcement in the Board of Trade Journal said, the mission's attention will be called to new methods of housing construction in concrete, particularly to types being developed in rural areas.

HOLLYWOOD GENIUS GONE, SAYS RENE CLAIR
PARIS — (AP) — Rene Clair, French motion picture producer, said here that "Hollywood has lost some of the sparkling genius that made history 25 years ago," and now was "making pictures for children."

Clair told the American Club of Paris that the American motion picture industry was "like a self-made man who has made such a success that he can buy caviar and champagne, but now has stomach troubles." Clair has directed a number of pictures in America.

British farmers increased arable acreage in England more than a million acres during World War I.

LUCKY STRIKE presents THE MAN WHO KNOWS—

THE TOBACCO WAREHOUSEMAN!
"I'VE SEEN millions of pounds of tobacco sold at auction. And at auction after auction, I've seen the makers of Lucky Strike buy tobacco that's got real smokin' quality... tobacco that smokes up mild, cool and fragrant."
Sidney T. Currin
S. T. CURRIN, INDEPENDENT TOBACCO WAREHOUSEMAN of Oxford, North Carolina (26 YEARS A LUCKY STRIKE SMOKER)

FINE TOBACCO is what counts in a cigarette

SIDNEY CURRIN IS RIGHT!...And like him, scores of other experts... who really know tobacco... have seen the makers of Lucky Strike buy tobacco with "real smokin' quality."
After all, that's what you want in a cigarette... the honest, deep-down enjoyment of fine tobacco.

So remember...
L.S./M.F.T.
LUCKY STRIKE MEANS FINE TOBACCO
So Round, So Firm, So Fully Packed—So Free and Easy on the Draw

Getting telephones for those waiting

1 Besides a telephone instrument, we need cables and switchboards to furnish telephone service.

2 Factories are turning out this complex equipment faster and faster.

3 But the need is nation-wide. In the Southwest alone, equipment is needed in 700 cities to serve 235,000 people. There are still shortages and delays, but we are getting our share of what the factories produce and we're putting it in as quickly as we can, in as many places as we can. One thing we do know...if ingenuity and hard work can bring it about, we'll have this job licked one of these days.

The Balky Balkan Bloc

The stubborn effort of the Russian, Polish and Yugoslavian delegates to the Security Council to block information of a long-term UN Balkan commission has only increased the suspicion that the Communist bloc is largely responsible for the intensified fighting in Greece.

The UN spokesmen for these three governments staged what amounted to a filibuster in the council sessions. It might be surmised, from the tone of their attack and of the news that coincided with it, that their object was fourfold.

They wanted to keep UN investigators away from the present scene of fighting. They wanted to keep UN observers permanently out of the Balkans. They apparently hoped the fighting would take a turn in the guerrillas' favor so that they could make good their threat to set up an independent Communist state in Northern Greece. And they obviously wanted to get into the record again their charge that the majority of the Balkan investigating group were liars, and that their decision was preconceived, false and unjust.

By taking this action the Russian, Polish and Yugoslavian representatives were trying to keep the Security Council from doing precisely what it was set up to do. And despite contrary charges from the three powers, the council was seeking to do the job according to rules laid down in the charter.

The Greek government had formally notified the council, through its ambassador in Washington, that Greece had been invaded from Albania by a force of Greek guerrillas and units of an international brigade. Such an act would constitute an act of aggression and a threat to the peace.

The Security Council must determine the existence of such acts, but, before it can do so, it must know whether the charges are true. Russia's Gromyko told the council it was being asked to set up a commission that would be permitted to make that decision, although the council has no right to delegate such authority.

That, of course, is nonsense. The council members obviously could not pack up and go to Greece to see for themselves. And, since the Greek government's charges were not substantiated, it became necessary to delegate the task of investigation to an appointed commission. Such a procedure would probably be necessary in most, if not all, similar complaints.

It is important to the existence of the United Nations and to world peace to get at the root of the Greek trouble. Is it a Greek civil war carried on within the boundaries of Greece? Or is it a war on an international scale, with the attacking forces based and supplied in a foreign country?

To find the truth about this shooting war and, if more than one country is involved, to stop it is the first big test of the UN's primary function. From present indications the Soviet Union will never permit the UN to perform that function when Russian interests are in any way concerned in the issue. No wonder the Soviets insisted on the veto!

It seems increasingly clear that the only way the UN will ever be able to keep the peace is by changing some of its rules. Even though Russia, armed with a veto, stands ready to resist any change, this difficult solution must somehow be attained.

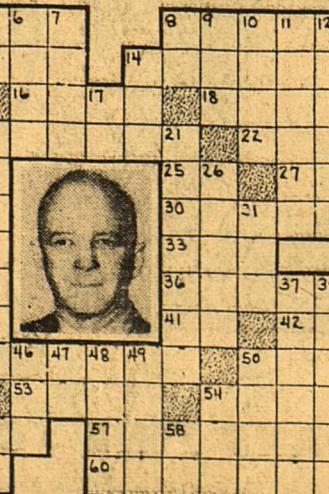

Some auto speeders don't wake up even after they're pinched.

"You're A Little Premature, Aren't You?"

Lions President

Fred W. Smith of Ventura, Calif., was elected president of the International Association of Lions Clubs at the 30th annual convention of the organization last week in San Francisco. He succeeds Clifford D. Pierce of Memphis, Tenn. The convention concluded the most successful year in the history of Lions International, according to a report made by Melvin Jones, secretary general and founder. He said Lions International, with 6,117 clubs and 326,448 members in 19 countries, is the largest, strongest and most active service club organization in the world.

In making a call across the United States by telephone, the human voice is amplified about 180 times.

After Charity Comes The Payoff

SAN JOSE, CALIF.—(AP)—Mrs. Murry McRay of a local inn had no odd jobs for the tramp to do in exchange for food, but she said she'd give him a meal anyhow. No charge.

After he'd eaten and left, she found a 50-cent tip.

Recruiting Officer Explains New Openings For Army Enlistees

Three current directives concerning enlistment in the Regular Army were announced Wednesday by M-Sgt. Ted Dykes of the U. S. Army Recruiting Station.

First, the War Department, in accordance with the Filem Board recommendation, has announced a need for enlistment of negro soldiers in the Army Air Forces or the Regular Army, and enlistments now are open.

Second, effective immediately, men with prior service in any of the Armed Forces who were discharged on or after May 12, 1945, may enlist for direct initial assignment for a minimum period of one year within the geographical limits of the Fourth Army Area.

Third, effective August 1, enlistments for initial assignment to the European Command, including the Mediterranean Theater, were authorized for personnel of the following categories: men now in civil life who have had prior service in any of the Armed Forces; men whose current enlistments are terminating and who desire to reenlist immediately for initial assignment to the European Command; and men who are eligible and desire immediate discharge for the purpose of volunteering for overseas service. These enlistments are to fill shortages in the European Command and are limited to white applicants of the grade of staff sergeant or below; enlistments are for three, four, or five years.

Sergeant Dykes stated there are four vacancies in the recruiting district for canvassers of corporal rank. Assignments will be to recruiting stations in New Mexico and West Texas.

Quarter Is Given In War On Crime

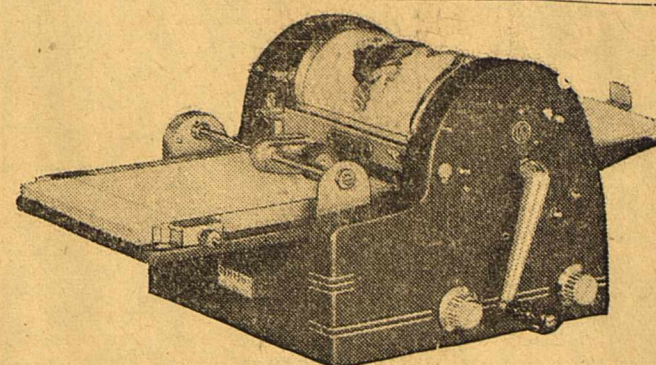

MILES CITY, MONT.—(AP)—Tom Brady reported his automobile stolen and a short time later Sheriff C. M. Allen reported it found, adding: "It looks as though someone in a hurry to catch a train helped himself to the car." And the thief left a quarter on the seat, as if to pay for his ride.

6,000,000 JAPANESE COVERED BY INSURANCE

TOKYO —(AP)— Approximately 6,000,000 Japanese will be protected for the first time shortly by a Workers' Accident Compensation law, General MacArthur's headquarters says. Costs will be borne by employers and the law will be administered by the Japanese government.

POLAND ACCEPTS TAXES IN KIND

WARSAW, POLAND—(AP)—A recent order of the council of ministers permits peasants operating small farms to pay their land taxes in agricultural produce. The move is designed to aid "the recovery of the countryside" and relieve peasants of cash payments.

WHEN YOU PLAN TO BUILD, REMODEL OR ADD NEW ELECTRIC APPLIANCES...

BE SURE Your Electrical Wiring Will Efficiently Carry the Load...

Are you planning to build a home—add a room or wing to your house—completely electrify your kitchen—put in new laundry equipment—install an air conditioning unit? If you are, the first step should be to arrange for a complete checkup of your electric wiring system. Without adequate wiring facilities—enough circuits to provide plenty of outlets for your electrical appliances and electric wires large enough to satisfactorily carry the increased load—your whole plan for modernizing your home electrically may be upset. Electrical appliances can efficiently do their job of making housework easier and home life more comfortable only when they are provided with an adequate wiring system from which to operate.

When you plan to build, remodel or add new electric appliances, consult your electrical contractor-dealer about adequate wiring.

STANTON NEWS

By ELLIS BENNETT
STANTON—The VFW All-Star team was the host and the Big Spring Hardware team the guest at a benefit softball game played here Friday night. A cancer victim received proceeds over and above expenses. The VFW team was made up of players from the Stanton League. Big Spring Hardware, managed by Doyle Tournery, brought a powerful contingent to town. Travis Green, high school coach, was in charge of the Stanton team. The score was 19-6 in favor of Big Spring.

Mrs. Noby Hamilton accompanied by her daughters, Lella and Dorothy, left Saturday for Christoval.

James D. Eiland and Mr. and Mrs. Mat Eiland left Saturday on their vacation. They will join their daughter and son-in-law, Mr. and Mrs. John C. Sechust, at Wellington and will proceed from there to Colorado.

Mr. and Mrs. H. G. Hamrick, Belle Jones, and Edith Davie returned home Friday night after a 3 weeks trip to Colorado, Wyoming and New Mexico, spending most of their time in the Rocky Mountain National Park in Colorado.

The Methodist meeting is in progress at Courtney. The Rev. Lennol Hester of Midland is officiating.

Mrs. Linnie Pollard of Hamlin is visiting friends here this week.

RELIEF CONTRIBUTIONS TO EUROPE DECREASING

BERLIN—(AP)—The need for food and clothing in Europe is "not getting across," Paul F. French, executive director of CARE, told a news conference here. He said contributions to private relief agencies are decreasing.

CARE, formed by 28 American welfare organizations, has delivered more than 1,200,000 packages of food to the French, British and American zones of Germany in the last year, French said.

days of fishing on the Rio Grande. Mrs. T. C. Heaton of Odessa was visiting friends over the weekend. Jo Jon Hall returned Sunday from Camp Tonkawa where she has been vacationing for the last week.

Mrs. Stanley Reed was hostess to the Home Demonstration Club members and their husbands Friday night. Croquet was played on the lawn.

Jack Reed and family have gone to Spring, N. M., to visit his wife's parents, Mr. and Mrs. Miller.

Mr. and Mrs. Stanley Reed and Glen left Sunday for a three weeks vacation in Dallas, Austin and San Antonio.

Sandra Bell Shipp celebrated her sixth birthday Saturday with a party at the city park. Attending: Lella Ann Turner, Bobbie and George Whitaker, Sherley and Jerry Henson, Carlyn Kelly, Jimmy Hamilton, Michael White, Betty Joyce, Keele, Lona Lou and Lonnie D. Pierce, Alyne and Susie James, Diane Boyer, Bobby Shipp, James Mashburn. Games were played and refreshments of cake and punch were served.

Mrs. Joe Graves of Ballinger is visiting her brothers Ben and Arvil Keele and families this week.

Mr. and Mrs. J. L. Sneed of Sterling City and Mrs. Deed Sneed of Stanton spent the weekend at Fort Davis.

Stanton White of Midland visited his parents, Mr. and Mrs. Linnard White, over the weekend.

Mr. and Mrs. Hickman of Lubbock were visitors in the home of her parents, Mr. and Mrs. Ogal Avery, last weekend.

Jane Hildre's right hand was scalded Saturday morning while employed in the hospital here.

To California

Mr. and Mrs. Jean Reives accompanied by Mrs. Cora Turner, left Saturday for California where Mrs. Turner will visit her daughter in San Diego. Mr. and Mrs. Reives will continue their trip to San Francisco where he will be stationed temporarily with the Navy.

Nancy Ehrbridge of Pampa was a visitor in the Bill Ehrbridge home over the weekend.

Mrs. Ernest Heggins of San Angelo is visiting in the home of Mrs. Beatrice Stroub.

Ronie Houston celebrated his third birthday at the city park Sunday with a picnic party. Those present included: Mr. and Mrs. Henry Houston, Mr. and Mrs. Tidmore and children, Ann and Jerry Tidmore, of Midland, and Mr. and Mrs. Ray of Midland.

A birthday picnic dinner was given Saturday night honoring Mrs. Bill Clements and Elmer Nichols at the City Park. Those present: Mr. and Mrs. Bill Clements and family, Mr. and Mrs. Harrison Bickley of Midland, Mr. and Mrs. Oran Nichols and family of Midland, Mr. and Mrs. James Jones and family, and Mrs. J. R. Nichols.

Mr. and Mrs. James McMorris have as their guest this week her mother and brother of Wichita Falls.

Mrs. Coy Williams and Mrs. Frazer were visitors in the home of Mrs. William's parents, Mr. and Mrs. Penny Stroud, Sunday.

Mr. and Mrs. Lester Graves, Mr. and Mrs. Melvin and Ray Graves have returned from a fishing trip to the Concho.

McKenney on Bridge

By WILLIAM E. MCKENNEY
 America's Card Authority

There are numerous so-called rules in Bridge. Such as: don't lead away from a king; lead the honor from the ace-king; cover an honor with an honor; second hand low; the play of a low card and then a higher card shows no interest in that suit; the play of a high card and then a lower one is called the echo and asks for a continuation. More often than not, according to another rule, we split our honors. All of these rules, however, must be broken at times.

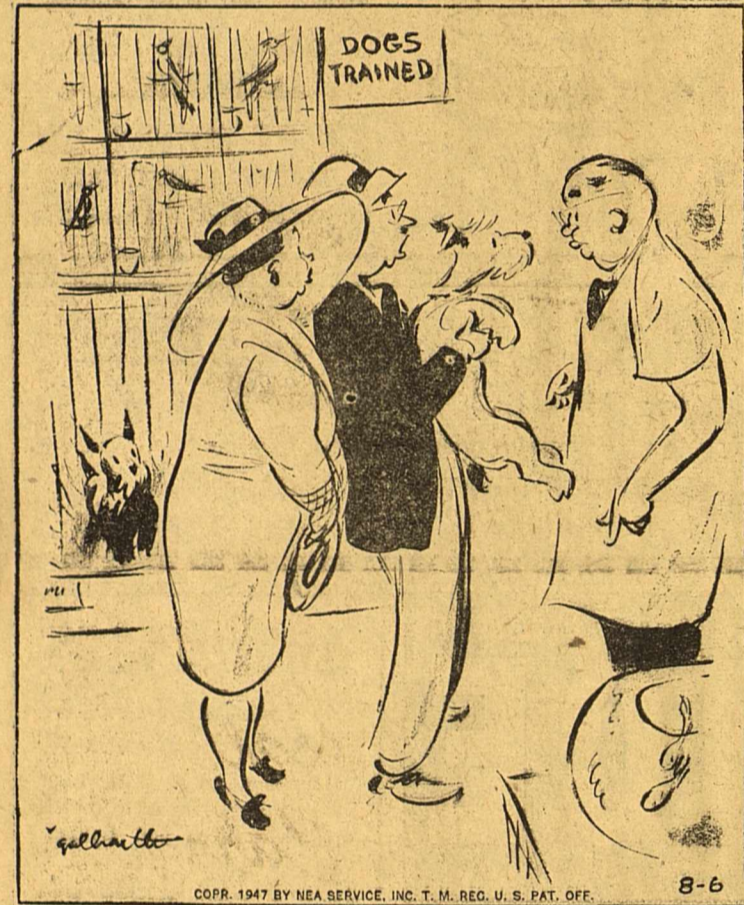

Today's hand was given to me by Tobias Stone of New York, who recently became Life Master No. 85, fulfilling his predictions in this column that he would be listed among the top-ranking players of the country.

When discussing a hand, Stone has a very rapid style all his own. You can picture this youngster,

75	AK973	964
