

**Pernian Basin OIL & GAS LOG**

James C. Watson  
Oil Editor

B&F TAKE ANOTHER DST AT NW CROCKETT WILDCAT

Byrd and Frost No. 1 Mayberry-Tippett, extreme Northwest Crockett County wildcat which flowed at the rate of 540 barrels of oil per day, natural from an unidentified pay section at 6,309-99 feet, during a four-hour test, found a soft zone at 6,440-85 feet, in a chert and lime horizon, and was taking a drillstem test to see if that interval carries any possibilities of petroleum production.

The new discovery is 660 feet from northeast and southeast lines of section 39, block 31, H&TC survey, and about six miles southwest of the shallow Crockett field. It is contracted to drill to about 9,000 feet to explore into the Ellenburger.

**WEST STEEPTO TO MITCHAM DISCOVERY STAKED BY HOAR**

Humble Oil & Refining Company has staked location for its third new exploration in the East Crockett County area which was recently spotlighted by that concern's No. 1 Elizabeth C. Mitcham, when it was completed as a flowing discovery from the Ellenburger.

The new project is Humble No. 2 Mitcham. It is located 660 feet from north and 1,980 feet from west lines of section 12, block AB, Joe Montague original grant.

It is one half mile due west of the discovery. Drilling to a possible depth of 8,500 feet—unless oil, gas or water is found in the Ellenburger at a shallower depth—will start immediately. Rotary tools will be used.

The No. 1 Mitcham made a daily potential of 483 barrels of 41.6 gravity oil, flowing through a one-quarter inch tubing choke from pay at 6,092-8,105 feet, and at 8,112-22 feet.

Humble No. 1 Smith, a southeast steeped from the initial producer had reached 595 feet in shale, and was running 10 3/4-inch casing, which will be set in cement, before more hole is made.

**PLYMOUTH 1 FROST FLOWED AT RATE OF 180 BOPD**

The Plymouth Oil Company No. 1 Frost, discovery for production from the Ellenburger in North-Central Sterling County, about 12 miles north and a little west of Sterling City, was flowing through tubing to test.

This new well ran a 12-hour test Monday, using a McCullough testing tool. Production during that period averaged seven and one-half barrels per hour—at the rate of 180 barrels for 24 hours.

During the first four hours of the 12 hours, the well made 32.17 barrels of oil. That was an average of 8,042 barrels per hour for the four hours. The oil is coming from perforated section at 9,356-76 feet.

Operator had withdrawn the testing tool and had run tubing with a packer. The well was being flowed to clean further. It is expected that a potential test will be taken, and the well completed by the end of the week.

Plymouth representatives have not announced official locations for any future developments that are in prospect for the block which surrounds the new discovery.

It is expected that two, and possibly three, new prospectors will be started in that region in the near future.

**UNIVERSITY MAY HOLD AUCTION IN DECEMBER**

The Board for Lease of University Lands is considering holding an auction sale of oil and gas leases on University lands early in December.

Oil companies and operators who would like to make bids on such lands, should mail a list of the acreage to Berte R. Haigh, University Lands, P. O. Box 1663, Midland, by October 1.

**S-C LUBBOCK PROJECT IS DRILLING AHEAD AFTER DST**

J. D. Hunter No. 1 Rhoades, South-Central Lubbock County wildcat, about five miles south of Lubbock, and 660 feet from south and west lines of section 8, block E, GC&SF survey, was drilling ahead below 5,758 feet in upper Clear-Fork Permian lime.

It ran a two-hour drillstem test at 5,717-58 feet. Recovery was 300 feet of sulphur water, cut with drilling mud. No shows of oil or gas were developed. Operator is to drill to around 6,500 feet, to test into the lower Permian formations.

**ALBAUGH CEMENTED OFF MUD ABSORBING ZONE**

May A. Albaugh No. 1-A Graves, wildcat to 6,500 feet, in extreme Southeast Dawson County, about one and one-half miles northeast of Ackerly, and 660 feet from south and 1,580 feet from east lines of section 48, block 34, TP survey, T-4-N, was drilling ahead below 6,066 feet in middle Permian lime. (Continued on page 5)

**Father Of Midland Woman Dies Suddenly**

Mr. and Mrs. Murray Fasken were called to San Antonio Monday following the sudden death of Mrs. Fasken's father, a Mr. Morris, there early Monday. Mr. Morris had returned to San Antonio last Saturday after visiting in the Fasken home here.

Funeral arrangements had not been announced here Tuesday morning.

HERE'S NEWS: 20 NATIONS IN AGREEMENT!

## Inter-American Conference In Swift Action On Treaty

QUITANDINHA, BRAZIL —(P)— Inter-American Conference delegates were in virtual agreement Tuesday on all controversial questions, promising swift completion on an historic treaty for mutual defense of the Western Hemisphere.

Formal agreement by a five-nation subcommittee on measures to be taken against aggression and Argentina's acceptance of the two-thirds majority rule in invoking those measures came in quick succession Monday and reports immediately began circulating the 20-nation conference would finish writing the treaty by the weekend.

## Reporter Flies On Rain-Making Journey—Mist!

By STANLEY FRANK

Can man bring forth rain from the heavens?

He has tried it since pre-historic times. Probably the first guy who tried to raise a crop went through some sort of rigmarole to curry favor with rain gods. It's been going on ever since. Now, it's happening here.

Almost everybody has read dramatic stories of man's newest wrinkle in rain-making. A few months ago there came the news dry ice released from an airplane in Oregon caused considerable precipitation. Then, in Arizona, it happened again, but this time the boys with the ice received a terrific bawling out from a bunch of Navajo Indians. Their own medicine men, the Tans said, scared up the cloud from which the rain came, and they'd be much obliged if the white men would find their own clouds on which to do silly things with airplanes and ice.

While all this was going on, there's no telling how many ranchmen and farmers in West Texas and Southern New Mexico were hoping there was something to the new method of making moisture. If all of them could have been assembled for group singing, chances are they would have started the program and ended it with a refrain entitled "How Dry I Am."

Midland Catches Up

Midland caught up with the rest of the world in the matter of rain-making, and in fact stepped right out in the lead, when Bob White and Ralph Lea soared skyward Saturday, turned loose some extremely cold liquid in a cloud, and their latched to a group of farmers south of town—report a heavy shower came from the cloud or which they had worked.

Sunday, the same thing happened a few miles east of the city. Monday, this reporter could stand it no longer. He begged to be taken on a rain-making tour which White and Lea had scheduled over the Fred Turner ranch near Hobbs, N. M. Sorry, White said. The BT-12 which he and Lea were using could haul only two men, a flier, and a generous gentleman, offered to fly over to Hobbs to see White and Lea overhaul the overcast. This was a perfect arrangement. In the comfort of George's Stinson Voyager, we'd have a ringside seat. Turner and Lea went by automobile to Hobbs, picking up the necessary chemical en route. White flew in his Army trainer. Glass and the reporter flew in his Stinson. At "rendezvous" at the Hobbs airport.

Clouds Don't Cooperate

Operation rainfall was about to begin. There were clouds around—not very good ones, not nearly such good ones as we'd flown through on the way from Midland.

Turner started telling the pilots how to get from the airport to his (Continued on Page 5)

Unconfirmed reports were current in conference circles President Truman might advance the date of his visit here, now scheduled for September 5. He is scheduled to close the conference.

A drafting subcommittee—composed of delegates from the United States, Brazil, Mexico, Peru and Bolivia—concluded four days of work Monday night in full agreement on 12 main clauses on aggression, which one delegate called "the very heart of the treaty."

The text of these clauses was to be presented to the parent committee Tuesday. Foreign Minister Ricardo J. Alfaro of Panama, who served as ex-officio chairman of the subcommittee, said the draft included:

1. The branding of aggression as such "wherever it occurs."
2. Collective measures to be taken against aggression.
3. Establishment of a hemisphere security zone which would call for common defense measures against attack from the Arctic to the Antarctic. Canada, later, is to be invited to participate in hemisphere defense.

Citizens are invited and urged to attend a meeting of the City Council at 8 p. m. Tuesday in the City Hall when a discussion will be held concerning the proposed million dollar bond issue for civic improvements and expansion.

City officials said they are anxious to know just what the taxpayers desire in the way of municipal improvements and what they want included in the proposed bond issue. Citizens attending will be given the opportunity of expressing themselves concerning the issue.

Items in the original proposal as drafted by city officials include: new water sources and distribution system, \$484,000; sewer system extensions, \$85,000; additions to sewage disposal plant, \$60,000; storm sewer drainage, \$30,000; enlargement fire department quarters, \$25,000; fire department sub-station sites, \$6,000; two playgrounds, \$50,000; streets and street markers, \$20,000; paving, \$100,000; municipal golf course and swimming pool, \$100,000.

The long range improvement and expansion program would benefit all sections of the city.

**WEATHER**

Partly cloudy with scattered thundershowers Tuesday afternoon, night and Wednesday. No important temperature changes. Maximum temperature Monday was 86 degrees, minimum 70 degrees. Minimum Tuesday was 70 degrees.

# Quarrel Over Greece Might Be Cause Of War, Eaton Declares

High Winds Cause Damage In Galveston

Wreckage of a watermelon parlor which was demolished when a 69-mile wind struck Galveston is shown in the foreground. The famed Galvez Hotel, in the background, was undamaged.

## House Foreign Affairs Head Sees World Conflict By Reds If They Succeed In Balkans

WASHINGTON —(P)— Chairman Eaton (R-NJ) of the House Foreign Affairs Committee declared Tuesday Greece may be "the powder keg that explodes into World War III."

Taking a gloomy view of world conditions, the House member who helped draft the United Nations Charter, told reporters the United States "cannot afford" to permit Russia to dominate Greece.

Such a Soviet conquest, Eaton said, would be the beginning of a drive on Turkey and other countries bordering the Mediterranean.

"From there, they could go on to an attempt to conquer the world," he asserted.

Eaton was a leading proponent of the Administration's \$400,000,000 Greek-Turkish aid program designed to keep those two nations from falling prey to Communist pressures.

During House debate on the measure last Spring, the white haired lawmaker called upon his colleagues to accept resolutely the "great risk" involved in what he termed the most important piece of legislation to reach Congress in 100 years.

"We are right down to bedrock in Greece," Eaton said Tuesday. "Both sides have served notice they will back their position to the limit. If neither backs down the consequences will be disastrous. Primeval Chaos."

"The situation is as bad as primeval chaos could be. Nowhere is there a spirit of cooperation bringing the nations together to solve the common problems of all humanity."

"Describing the policy of the United States as based on a genuine desire to maintain world peace, Eaton said:

"ATHENS —(P)— American efforts to mediate the deadlock in the Greek governmental crisis failed Tuesday when Themistokles Sophoulis, leader of the main branch of the Liberal Party, insisted that he become premier.

Russia on the other hand is pressing a philosophy "utterly alien to our way of thinking."

"They would not mind seeing the world in rubble because then they could rule over the rubble," he added.

"The Greek situation contains all the elements for touching off a major war. Perhaps we will be able to surmount the crisis. If we can surmount enough crises, perhaps some day we will even have a permanent and stable peace."

**PRAIRIE LEE MEETING IS POSTPONED**

A community meeting at Prairie Lee scheduled Tuesday night has been postponed.

Midland Chamber of Commerce planned to send a delegation to the event.

## Bulgarian Parliament Passes Law To Abolish Petkov's Agrarian Party

SOFIA, BULGARIA —(P)—Parliament passed a law Monday dissolving the Agrarian Party, chief opposition to the Communist-dominated Fatherland Front Government.

Nikola Petkov, head of the party, is under death sentence for what the government said was plotting against the regime.

(The U. S. State Department made it plain Tuesday the United States planned further action on behalf of Petkov, despite a Russian rebuff.

(The British Foreign Office announced in London Soviet Russia has rejected a British-American request for consultation on Petkov's death sentence, holding that such consultation would be "interference in Bulgarian internal affairs."

**Tactics Familiar**

(A British Foreign Office spokesman, commenting on reports the Bulgarian Agrarians would be outlawed, said "it would seem to be a good example of the 'Gleichschaltung' (forcing into line) technique, of which there have been several examples in Germany since 1933."

The bill, which also would abolish the Agrarian Youth Organization, would deprive the Agrarians of their remaining seats in the parliament.

A group of Agrarians were deprived of their parliamentary seats recently by the National Assembly on grounds that they had filed their resignations with Petkov. The Agrarians denied they had resigned, but were expelled on the basis of the charge.

**At Least Six Texans Can Afford T-Bones**

WASHINGTON —(P)—The Treasury Department has announced at least six Texas residents made more than \$75,000 a year from corporations for personal services in 1945.

The names of the corporations and individuals made public included:

Hughes Tool Company and its subsidiary, the Gulf Brewing Company—Noah Dietrich, \$79,999.92, including a \$60,000 bonus, and C. W. Percille, \$88,986.11.

Humble Oil & Refining Company—H. C. Weiss, \$78,837.98, including \$9,663.98 in other compensation.

Pollock Paper & Box Company—Leslie L. Jacobs, \$100,000, including \$50,000 bonus.

The Texas Company—Harry T. Klein, \$100,000, and W. S. S. Rodgers, \$125,000.

**Cornbelt Farmers Hope For Rain Within Week**

By The Associated Press

Farmers in the nation's main corn belt hoped for more rain within the next week as precipitation brought some measure of relief in most sections as cool air moved into the Midwest and broke Summer's longest heat wave.

Although the rains which swept across the corn belt checked at least temporarily a 15,000,000-bushel a day loss which corn has suffered during the protracted hot spell, Weather Bureau officials said soaking rains were needed to retain Monday's benefits. No general rainfall for the region was predicted immediately.

## Wide Search On For Escapees

HOUSTON —(P)—Heavily armed police patrols Tuesday scoured the Brazos River bottoms for 26 escaped convicts.

Chief Deputy Sheriff Jack Colca said "they've been lying low somewhere in the Brazos River bottoms, but they'll probably make a break for it."

Joining in the search for the felons were Texas rangers, state highway patrolmen and deputy sheriffs.

Bloodhounds were put on the trail, but rains hampered their search.

Sheriff J. W. Marshall of Brazoria County said the escapees, all but two of whom were negroes, were desperate criminals and were serving terms of from nine years to life.

Those still at large were among 43 who got away from the Ramsey Prison Farm No. 2 near Angleton and the Harlem No. 2 farm near Sugarland.

Marshall said the convicts sawed their way out of prison buildings Sunday night and early Monday while a tropical storm moved across the area from the gulf.

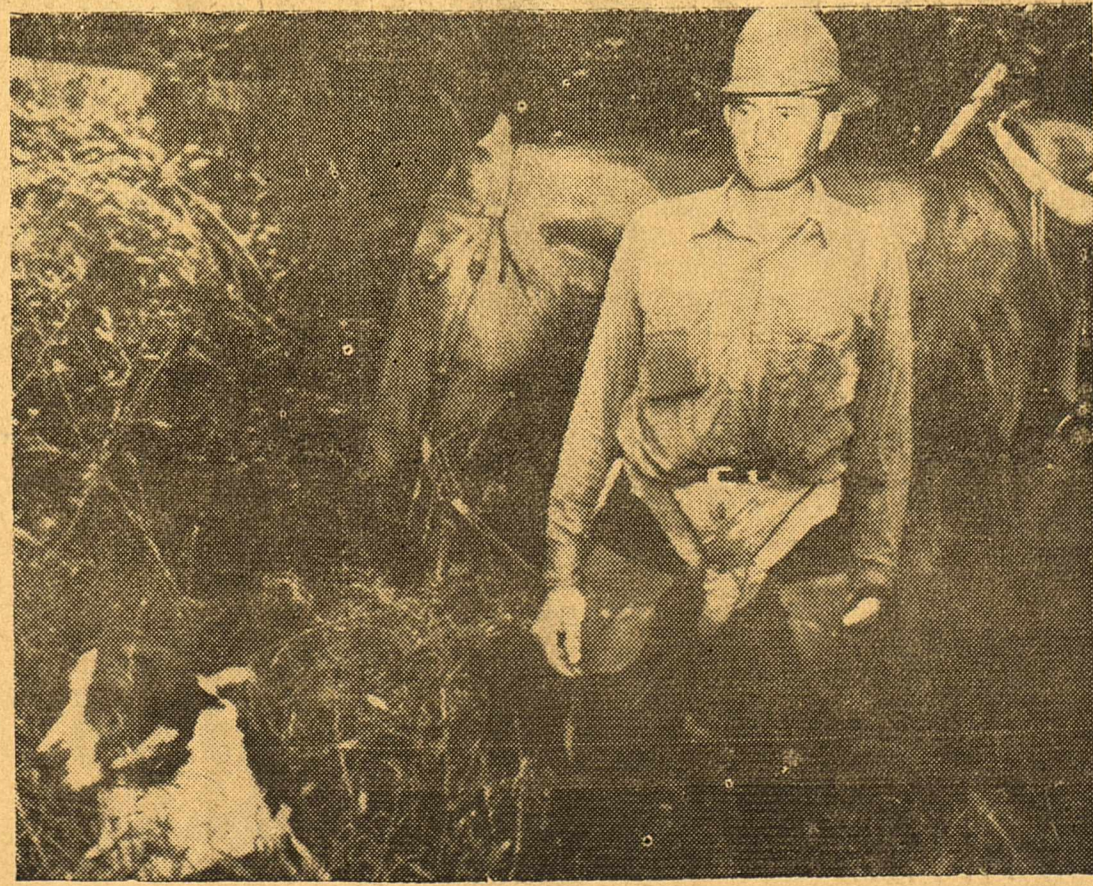

Members of the fire marshal's office still were attempting to uncover the origin of the blaze, which broke out Monday night and raged through 600 tons of plywood in the warehouse and 1,500,000 board feet piled on the dock preparatory to delivery to lumber-hungry Britain.

The blaze jumped quickly to the 600,000 board feet aboard the Semper, moored alongside for loading. Six small tugs towed the blazing vessel out towards the open sea.

**NAVY ENLISTMENTS UP**

WASHINGTON —(P)— Navy enlistments during July totaled 12,611 men, more than double the figure for June, the Navy Department announced Tuesday. The total was still short of the monthly goal of 15,000.

**Search Begins For Jail Breakers**

Sgt. Elliot Leake turns loose his bloodhounds on the trail of 47 negro convicts who took advantage of the recent high wind and rain storm on the gulf to escape from Ramsey State Prison Farm No. 2. It was Texas' biggest jail break. Ramsey Farm is 40 miles from Houston, and some of the convicts—among them several killers—were believed headed for Houston.

## LATE NEWS FLASHES

**GALVESTON** —(AP)— Torrential rains accompanying a tropical storm which has moved inland will cause near-flood conditions, and persons living in the Colorado River watershed were warned Tuesday to be on the alert. The Austin Weather Bureau ordered all cattle moved from the lowlands at once as rains continued and rivers began to rise.

**LAKE SUCCESS** —(AP)— The Security Council Tuesday rejected a Dutch-supported Belgian proposal the Council ask the International Court of Justice to rule on the competence of the United Nations to act in the Indonesian conflict. Only the United States, Belgium, France and Britain back the move.

**LONDON** —(AP)— Soviet Russia has rejected a British-American request for consultation on the death sentence passed by a Bulgarian court on Nikola Petkov, Bulgarian Agrarian Party leader, the Foreign Office announced Tuesday.

**WASHINGTON** —(AP)— The United States, despite a Russian rebuff, plans further action in behalf of Nikola Petkov, top-ranking Bulgarian anti-Communist leader sentenced to be hanged, an official said Tuesday.

**LAKE SUCCESS** —(AP)— The Security Council called on the Dutch and Indonesians Tuesday for the second time to cease fire in the East Indies hostilities. The vote was 10 to 0 with Britain abstaining.

## Speed Records For Planes Do Not Last Long

MUROK, CALIF. —(P)— The Navy was doubly sure Tuesday it has the fastest aircraft in the world—a warlike, snarling and belching plane that spun itself a 656.6-mile-an-hour new international speed record in four passes over a measured three-kilometer course on this Mojave desert waste Monday.

The blood-red Douglas jet-propelled Skystreak, with a long tubular fuselage and just enough wings to keep it in the air, set the new mark with a tall Marine pilot, Maj. Marion E. Carl, 31, at the controls in a tiny cockpit which didn't look large enough for a man half his size.

In so doing, the Skystreak broke its own world speed record registered only last Wednesday.

Major Carl, resident of Hubbard, Ore., and Patuxent River, Md., smashed the record set last Wednesday by a Navy flier, Cmdr. Turner F. Caldwell, Jr., of Arlington, Va., in the Skystreak here.

MAKES FOUR RUNS

In accordance with regulations of the International Aeronautical Federation, the Skystreak made four runs over the three kilometer (1.933 miles) course. The times for the four runs in miles per hour were 652.642, 649.358, 652.579 and 648.730.

At that, Caldwell last week made one run faster than Major Carl's best mark Monday. The commander's average was 540.7 mph, but he was clocked on one pass at 653.4.

On each run the major dived out of the skies, leveled off just before entering the measured course and streaked past the press observation post between 50 to 75 feet off the ground. You could see him coming but if you weren't quick in jerking your head around he'd be out of sight before you realized he had passed.

An uncanny part of the whole thing was this craft would flash by with no sound at all. The noise was trailing it by several hundred yards and the ship would be almost out of sight before you heard the belching, roaring crescendo of its mighty turbo-jet engines.

**Legion Will Meet At 8 P. M. Tuesday**

There will be a special called meeting of the Woods W. Lynch Post of American Legion of Midland at 8 p. m. Tuesday at the new legion home at 206 South Colorado Street.

Members are urged to attend this meeting and to see the advancement in the construction of the new legion home.

Regular business is on the agenda and current committee reports will be heard.

**TO INSPECT HIGHWAYS IN BIG BEND SECTION**

Fred Weemple of Midland, state highway commissioner, DeWitt C. Greer of Austin, state highway engineer, Charles E. Simons of Dallas, executive secretary of the Texas Mid-Continent Oil and Gas Association, and Delbert Downing, manager of the Midland Chamber of Commerce, Wednesday will start an inspection tour of highways in the Big Bend area. They will inspect the new scenic route near Fort Davis and then will look over proposed highways in the Big Bend Park.

**LOOK FOR CHILD KILLER**

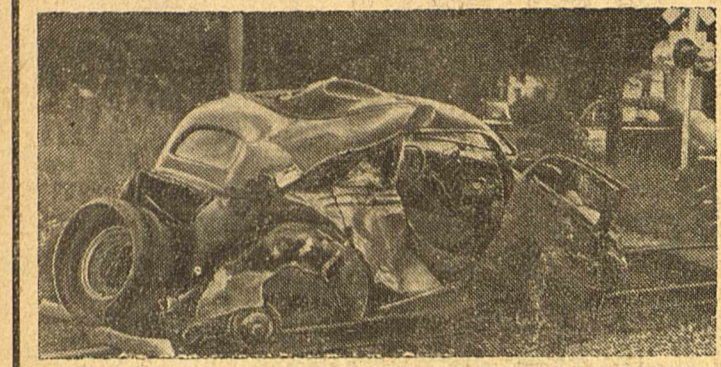

DENTON —(P)— Police and the sheriff's department Tuesday were on the lookout for the driver of a car which struck and killed Nancy Hall, 7, here Monday as she was riding her bicycle in front of her home.

**CARRIED "SOOTHERS"**  
Scotland's first licensed automobile owner carried bunches of carrots in his car in order to "soothe frightened horses" while out driving.

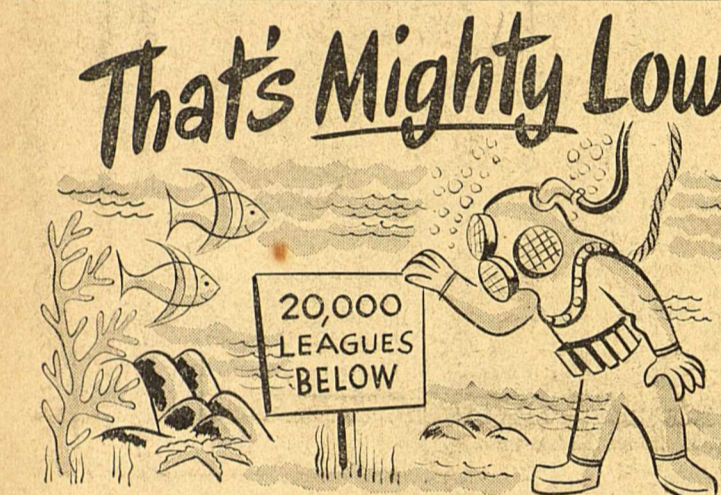

**Do You Suffer Distress Of Monthly FEMALE COMPLAINTS**  
With Uncomfortable Fullness?

Are you troubled by distress of female functional monthly disturbances? Does this make you suffer from pain, feel nervous, restless, weak—at such times? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! In a recent medical test Pinkham's Compound proved remarkably helpful to women troubled this way. It's what doctors call a uterine sedative. It has a grand soothing effect on one of woman's most important organs. Taken regularly—Pinkham's Compound helps build up resistance to such distress. Also a great stomachic tonic!

**Mrs. N. O. Hart, Crane, Is Party Honoree**

CRANE—Feting Betty Bruce, blue Thursday afternoon when Mrs. N. O. Hart was honored with a party at the educational building of the First Baptist Church. Hostesses, representing her Sunday School class, were Mmes. W. V. Shell, H. W. Tigert, Clarence Key, and Leon Byrd.  
The hall was attractive with its arrangements of pastel flowers, and lace covers for the register, gift, and tea tables, and the piano.  
Mrs. Byrd, and Mrs. Key presided over crystal service for punch and bonbons. Roses formed the centerpiece. For favors, baby bonnets had been devised from a miniature mint cup and crepe paper with ribbon ties. The guests registered in a padded pink satin baby bonnet book that was trimmed with lace and ribbon.  
On the guest list were: Mmes. M. A. McDonald, Lee Hart, Roy Clements, C. A. Scarlett, O. O. Ervin and baby, Kitty Lynn, G. L. Griffin, R. R. Blair, W. R. Crownover, L. E. Russell, C. E. Coleman, George Ashburn, Wayne Karr, T. N. White, K. H. Gray, Lee Delberry. Many gifts were sent by friends.

**Bride Honored At Display Shower**

McCAMEY—At "The Little House" Thursday afternoon, a lovely display shower complimented Miss Jeanine Holmes, daughter of Mr. and Mrs. W. O. Holmes, whose marriage took place Saturday at the First Baptist Church in McCamey.  
The reception room was decorated with gladioli and white asters. The gift table was covered with a lace cloth with an epergne of white asters and bright tapers at each end.  
The bride's book of white satin was presided over by Miss Faye Williams.  
In the receiving line were Mrs. J. T. Wade, Mrs. W. D. Berry, Mrs. G. C. Hendricks, Mrs. W. S. Williams and Misses Anna Lou Wade, Sue Berry, Virginia Hendrickson and Faye Williams.  
The bride-to-be wore a pale yellow gaberdine suit with white accessories and a corsage of pink orchid and purple asters.  
Miss Beatrice Wolff played informal music and Miss Ann Hawkins sang "Night and Day."  
Individual cakes and punch were served with pastel soled napkins and miniature wedding bells were favors.  
About fifty guests were in attendance.

**Crane Party Honors Mrs. Elmer Kelton**

CRANE—Mrs. P. O. Vines, and Mrs. W. W. Allman were hostesses for a tea-shower honoring Mrs. Elmer Kelton, at the home of Mrs. Allman recently.  
The decorations were gladioli, dahlias, and other cut flowers prettily arranged. A white bowl of pink dahlias centered the tea table which was laid in hand crochet, and was appointed with crystal. Mrs. S. S. Bangerman, and Mrs. George Clark alternated at the punch service, serving lime freeze. Party cookies completed the refreshments, and plate corsages of roses were favors. Silver wedding belled napkins of white were inscribed "Elmer and Ann."  
Mrs. Allman, and Mrs. Buck Kelton greeted guests at the door taking them to the gift room to meet the honoree, presiding with Mrs. Vines, Mrs. Ben Kelton of Midland sat at the register. The honoree wore a corsage of roses and was charming in her selected frock of soft green.  
Calling during the afternoon were Mmes. W. H. Lovelace, Jr., Myrtle Cook, Bill Gooch, Leo Hart, Leta Bangerman, J. C. Regen, Roy Mason, Gay Miller, J. H. Huggins, Lula Chaney, L. J. Munton, Joe Pearce, H. H. Platte, W. Mason, F. H. Boone, Marion Brunette, A. M. Murrell, Hawley Van Court, John E. Clark, Jay McGee, A. M. Wells, Jr., W. B. Gunn, Cliff Newland, John W. Willis, A. E. Galloway, J. N. Whetstone.

**McCamey News**

McCAMEY—Shell employees, their families and guests held a barbecue Friday night at the country club. About 100 persons attended.  
Friends of Mr. and Mrs. N. V. Gilliland gave them a "going away" party Saturday night at the country club. The Gillilands are moving to Odessa.  
Mr. and Mrs. O. M. Ham and daughter of Big Spring were here last week to attend the wedding of their son and brother, Malcolm Ham, to Miss Jeannine Holmes.  
Charles Cox, Bill Moore and his mother, Mrs. Cora Moore, were visitors in Alpine last Friday.  
Sherral Davis has gone to San Angelo for a week's visit with friends.  
Born to Mr. and Mrs. Ed Cletcher August 23, at 10:30 p. m. at the Cooper Hospital a son, Dale Edward, weighing six pounds, 12 ounces.  
Born to Mr. and Mrs. Harold B. Leach, August 23, a son, Donald Harold, weighing seven pounds, 11 ounces.  
Miss Myrna Osborne visited friends in Odessa over the weekend.  
Rodney Martin, "Tootsie" Guyton, Sue Berry, Ward Gregory, Virginia Hendrickson, and Bill Wilson visited friends in Odessa Saturday.  
Ward Gregory has gone to Wichita Falls and Bill Wilson has gone to Brownwood for visits.

**Baptist Circles Have Weekly Meetings Monday**

Circles of the First Baptist Church held their regular weekly meetings Monday afternoon.  
Mrs. Fred Wycoff, 721 West Kansas Street, entertained the Lockett Circle and opened the meeting with a prayer. After a special prayer for a WMU president by Mrs. Clu' Dunagan, Mrs. C. G. Haley gave the devotional on "Stewardship of Forgiveness." Mrs. Dunagan presented a study of the last chapters of the mission book, "To Whom Much Is Given." Two visitors attending were Mrs. J. B. Rogers of Palestine, Texas, and Mrs. Grace Sawyer of Wichita, Kan. Members were Mrs. Joe Wright, Mrs. Duke Jimerson, Alta Merrell, Mrs. W. T. Hagler, Mrs. Clint Dunagan, Mrs. C. G. Haley, Mrs. R. O. Walker, Mrs. Arnold Scharbauer, and the hostess, Mrs. Duke Jimerson offered the closing prayer.  
The Annie Barron Circle met at the home of Mrs. W. B. Preston, 707 North Marfield Street. The hostess presided in the absence of the chairman, Mrs. S. C. Dougherty gave the opening prayer, and all present gave current events. Others present were Mrs. Mattie Ray and Mrs. Thurman Pylant who gave the closing prayer.  
Meeting at the home of Mrs. Herbert King Monday afternoon, was the Rebekah Circle. The hostess gave the opening prayer, followed by a short business session under the direction of Mrs. W. H. Hall, co-chairman, during which plans were made for a picnic at 7 p. m. Thursday at the home of Mrs. John Godwin. Mrs. O. F. Phillips gave the study from the mission book, and the closing prayer was by Mrs. W. H. Hall.

**S. N. Robinsons Feted With Coffee, Dinner On 25th Anniversary**

Mr. and Mrs. S. N. Robinson were complimented on their silver anniversary with a coffee Saturday night at the home of Mr. and Mrs. W. K. Kuykendall, 111 West Pennsylvania Street, and with a dinner party Sunday at the Ranch House.  
Guests at the dinner were Mr. and Mrs. W. K. Kuykendall, Mr. and Mrs. L. G. Simon, Mr. and Mrs. H. A. Brazel, Mr. and Mrs. J. W. Gregston, Mr. and Mrs. W. C. Sturdivant of Lubbock, Mr. and Mrs. B. Reid of Lubbock, Mr. and Mrs. J. H. Childress of Odessa, and Mr. and Mrs. C. H. Griffith of Odessa.

**Crane Woman Honored At Farewell Party**

CRANE—A five-hostess tea Thursday evening was a farewell gesture to honor Mrs. Lilla Lewis who leaves Saturday for Lubbock to make her home.  
The new home of Mrs. W. B. Gunn in the Humble Camp was a pretty setting for the party, and those assisting Mrs. Gunn were Mmes. A. M. Wells, Jr., S. G. Barnard, E. N. Beane, and W. R. Marlowe. Summer flowers decorated throughout the house, and zinnias were in white pottery to grace the tea table. Crochet was used for the cover and silver and crystal appointed with the footed mint dish and plates of green lending pertinent accent.  
Deviled ham, and cheese open faced sandwiches, and sand tarts comprised a delectable plate with iced tea. The hostesses' gift to the honoree was fustoria. Mrs. Gunn and Mrs. Beane presided at the table, Mrs. Barnard at the guest register, and Mrs. Wells received guests with Mrs. Lewis.  
The following called: Mmes. J. R. McIver, J. C. Regen, Bob Fletcher, Burt Barnett, E. J. Clements, F. E. Cee, R. V. Wilson, Sr., John W. Willis, George McCorkle, J. N. Whetstone, R. N. Hester, M. E. Livingston, Leon Neeley, E. R. Avent, J. H. Davis, E. D. Smith, John Webb, Rena Rendall, V. M. Stacy, W. P. Estep, W. R. Crownover, Sam Nolan, M. A. Daniel, J. L. Goble; Misses Peggy Daniel, Joyce Rendall, and Zena Raleigh, and Eulah H. Hardy of Odessa.  
Canda's population increased from 3,215 in the first census taken in 1866 to 11,506,655 in the 1941 census.

# Society

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, AUG. 26, 1947—3

## 'Tradition' Party, A Pre-Nuptial Event Feting Frances Umberson

Frances Umberson, bride-elect of John C. Luccous, Jr., was honored with a surprise "tradition" party Sunday afternoon by a group of friends, who were classmates of Miss Umberson at Hardin-Simmons University and Texas Tech.

Traditional apparel for her wedding ensemble was given her by the guests. Something old was a white satin, colonial-style lace-trim slip; something new, a bridal veil, dress and pearls; something borrowed, a white satin English Prayer Book; and something blue, satin maribon-trim garters. Other gifts were a lucky sixpence for her shoe, a wedding cake, and heirloom jewelry from the bridegroom-to-be.

Wedding gifts, the trousseau, and the Hope Chest linens were put on display by Miss Umberson.

Favors were miniature colonial bouquet arrangements, tied with white heather in orchid and yellow ribbon inscribed with "August 30," the date of the wedding.

Four-leaf clover sandwiches, wedding-ring cookies, and "cokes" were served to Mrs. J. E. Kande, Mrs. Thomas Yates, Mrs. Willene Symes, Mrs. Alicia Crovans, Mrs. Wilton

## Sheppard-Davis Rites Performed

McCAMEY — Miss Sarah Lou Sheppard, daughter of Mr. and Mrs. A. B. Sheppard of Robert Lee, became the bride of Tyrus A. Davis, son of Mr. and Mrs. J. V. Davis of McCamey, in a ceremony performed at the Immanuel Baptist Church in San Angelo last Saturday.

The double ring ceremony was read by the Rev. Roy Shahan.

The bride wore a light beige dress with black accessories and an orchid corsage. Mrs. K. C. Collier of San Angelo, cousin of the bride, was matron of honor, wearing a rose-colored costume with a corsage of gardenias.

The bridegroom was attended by K. C. Collier as best man.

Sheppard is a graduate of Colorado City High School and completed a course in flying at the San Angelo field and received a private pilot's license. She attended Sul Ross College last year, majoring in home economics.

Mr. Davis graduated from McCamey High School and attended Allen Academy before entering the Army Air Corps, in which he served four years overseas. He is a student at Sul Ross College, Alpine, where he is majoring in physical education. Mr. and Mrs. Davis will reside in Alpine and will continue their studies at Sul Ross.

For traveling the bride wore a wedding trip will include points on the Gulf Coast.

Guests at the wedding were Mr. and Mrs. A. B. Sheppard, Floyd Sheppard and Mrs. John McCabe of Robert Lee; Mr. and Mrs. George McCamey, Texon; Mr. and Mrs. D. E. Wagner and Mr. and Mrs. J. V. Davis of McCamey.

## Crane Bride-Elect Is Honoree At Gift-Tea

CRANE—Feting Betty Bruce, bride-elect of Andrew B. Cook, Jr., six were hostesses at a gift tea Friday afternoon from 2 to 5 o'clock at the Gulf Recreation Hall. Mmes. S. G. Waller, Lewis Walling, W. R. Crownover, Gilvie Whitwell, G. E. Owens, and John Webb were hostesses.

Miss Bruce and Mr. Cook are to be married at the Church of Christ, August 29, in a 7 o'clock double-ring ceremony, with the pastor, Charles E. Whitt, officiating. The bride-to-be is the daughter of Mr. and Mrs. H. P. Bruce, and Cook is the son of Mrs. A. B. Corley.

The party was abloom with summer flowers—roses, asters, dahlias, and zinnias, with greenery. Coral wreath was employed on the tea table, twined around a center piece of bridal dolls. A lace cloth was used for the cover. Fostoria and silver graced the table, and favors were lacy announcements of the wedding. Mrs. Waller poured punch, and Mrs. Walling served the white cup cakes decked with flowers, and inscribed "Betty".

Mrs. Tom Regan, Jr., played the tea music, and Jean Ervin presided at a pretty bride's book register. In the receiving line with Betty, were her mother, Mrs. H. P. Bruce, and grandmother, Mrs. W. S. Bruce, Mrs. A. B. Corley, and Mrs. Owens. The honoree was presented a yellow gladiola corsage. She was dressed in a white tunic dress with splashes of color. Her mother wore a soft green eyelet and twill costume, and was given a red rosebud corsage. Mrs. W. S. Bruce wore white gladiolas on a navy blue dress, and Mrs. Corley's grey print was enhanced with a pink corsage.

Those calling during tea hours included: Mmes. Sam White, R. V. Wilson, Sr., Tom Hogan, Sr., A. M. Murrell, S. T. Ragsdale, Joe P. Sherrill, A. G. Moore, R. D. Penny, Ted McFarland, E. H. Mansell, Karl Martin, Paul Henderson, L. R. Mills, J. T. McIver, C. D. Birdsong, J. M. Cooper, R. V. Wilson, Jr., Joe Pearce, L. T. Moore, S. L. Havens, C. W. Gilbert, George McCorkle, Bill Hegsett, T. N. White, S. G. Barnard, W. R. Marlowe, Glenn Jones, Garland Lovelace, E. N. Beane, Gay Miller, Carl H. Rehn, E. H. Thorp, B. E. McDonald, C. P. Brunette, and Misses Zee Reynolds, Beverly Ann Bruce, Martha Cook, Ella De Owens, Brenda Owens, Glennette Jones, Alice Ann Ragsdale.

## Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe your own. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drugist and ask for four ounces of liquid Barcenate (formerly called Barcel Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonsful twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloat disappears—how much better you feel. More alive, youthful appearing and active.

### Luncheon Fetes County Officials, Club Heads

Members of the Midland County Commissioners Court and presidents of four home demonstration clubs were guests of Mrs. Nettie B. Messick, home demonstration agent, at a luncheon Monday in the assembly room of the courthouse.

Those present were County Judge Clifford C. Keith and Commissioners Frank Midkiff, John King, A. G. Bohannon and J. C. Roberts; Mrs. L. H. Monerief, president of the West Side HD Club; Mrs. I. J. Howard, chairman of the county HD council; Mrs. Robert Hord, president of the Garden Addition HD Club; Mrs. M. G. McConal, president of the Prairie Lee HD Club; Sammie Swails, 4-H Club girl; Jeanette Messick and Bill Collyns.

The menu consisted of fried turkey steak, mashed potatoes, green beans, beets, vegetable salad, pear and cheese salad, hot rolls, butter, iced tea, fresh peach ice cream and caramel cake.

But Paul said, I am a man which am a Jew of Tarsus, a city in Cilicia, a citizen of no mean city: and I beseech thee, suffer me to speak unto the people.—Acts 21:39.

## Congratulations, Ken

The Reporter-Telegram joins citizens throughout the 16th Congressional District in expressing sincere congratulations and best wishes to Ken Regan of Midland on his election to the Congress of the United States from this West Texas district.

Midland is proud to be the home of the new congressman, and citizens of Midland are convinced Ken Regan is capable of handling the congressional job and handling it well—as evidenced by the tremendous majority given him by the voters of his home county. Other counties in the central and eastern part of the huge district also gave Regan big majorities, and the Midland man has expressed appreciation for the confidence placed in him. But regardless of how the counties voted, Regan is determined to represent the entire district to the best of his ability.

Ken Regan conducted a strenuous but dignified campaign, winning for himself many new friends throughout the territory. His supporters are proud of the type of campaign he waged.

The new congressman has a big job cut out for him, but he faces the task with the same determination and courage with which he faced the situation in Austin as a state senator from this district a few years ago. His efforts in Austin gained for him an enviable reputation as a successful and efficient legislator and it is hoped he will be even more successful in his new position in Washington.

The best wishes of citizens of this great West Texas district and The Reporter-Telegram go with Congressman Ken Regan to Washington.

## Press Agent For Peron

President Juan D. Peron and the Argentine government are considering the hiring of an American public relations counsel to handle a propaganda campaign in the U. S.

This has been confirmed by Edward S. Fenton of New York, who says he has the inside track for the job. The contract has not been signed, but it has been drawn and has been approved by the Argentine cabinet.

He says the original basis of discussion was \$5,000,000 a year for three years. This was to cover everything, but he wouldn't specify at this time what was included in everything.

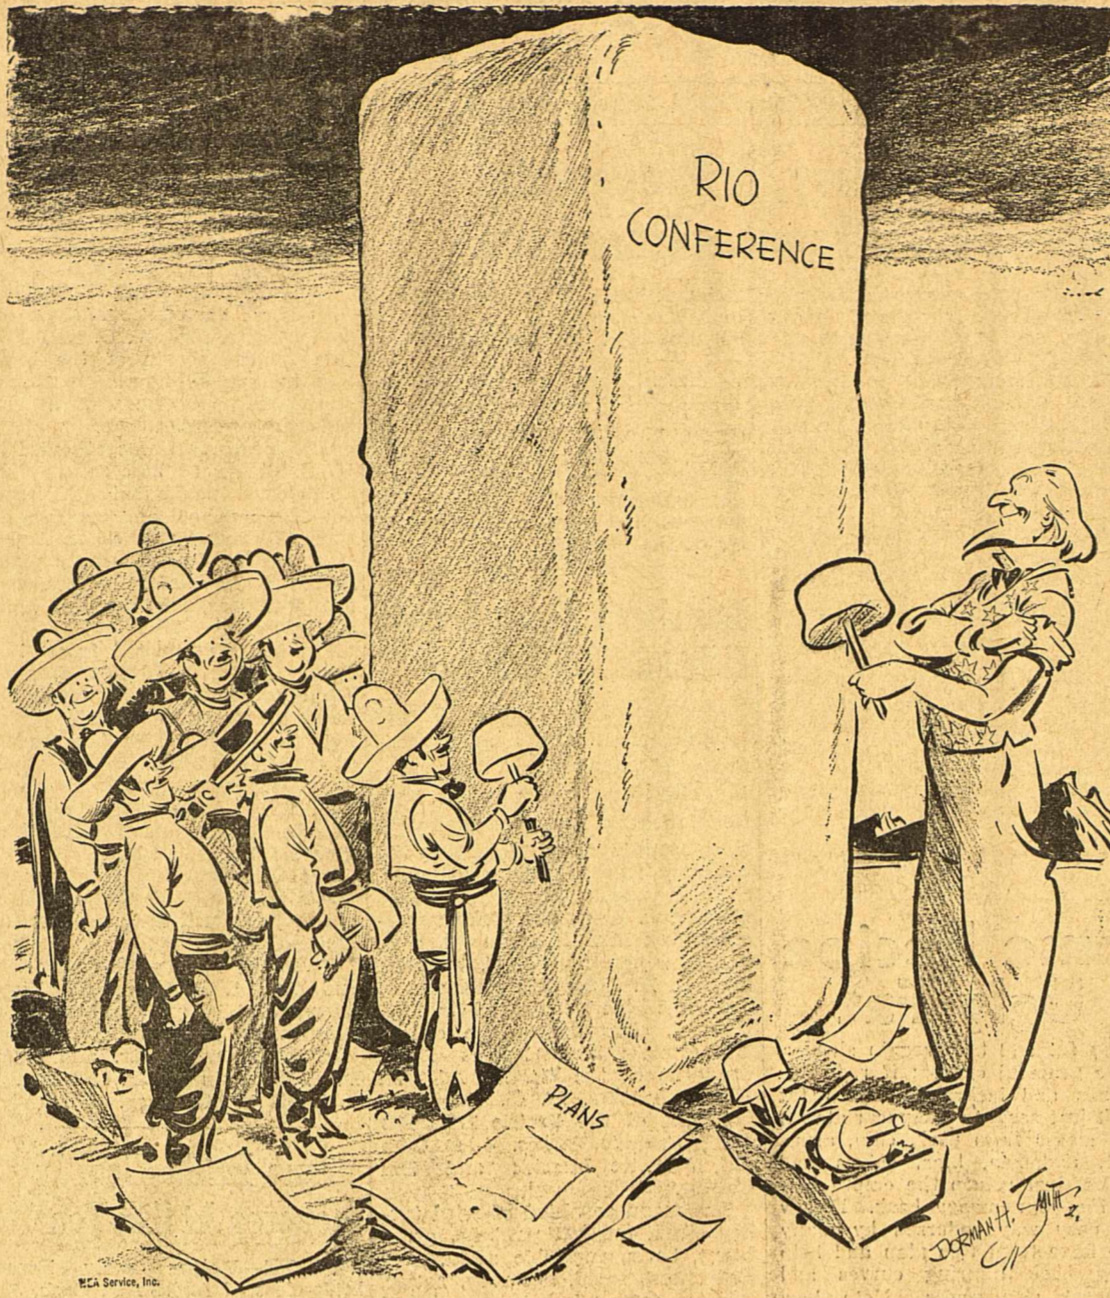

Other sources in close touch with Argentine affairs indicate that this may be pretty much stage money and that what the Peron government might be willing to risk on a North American propaganda drive would be more in the nature of \$100,000. The play would be to see what they got for that amount and how long it lasted before going into any bigger or longer venture.

## The Pity Of It All

The absence of 27,000 auto workers from their jobs the other day was attributed to a heat wave that hit Detroit. The temperature stood at 88 at noon.

Pardon us a moment while we help wipe the sympathetic tears from the eyes of those lucky fellows on farms who've only had to ride combines in 110-plus heat or mow away hay right up under the rafters of the barn.

## Now To Chisel Out A Thing Of Lasting Beauty

### Texas Drivers Better Do Good Turns Always

AUSTIN — (AP) — Any motorist who turns, slows down or stops a vehicle without giving a proper signal after Sept. 5 will be violating the new uniform traffic code, Texas Department of Public Safety Director Homer Garrison said Tuesday.

The new traffic law requires drivers to signal 100 feet before turning or stopping.

"Drivers who get half way across an intersection before they decide to turn and others who swoop into parking places all of a sudden will not only be liable to arrest but will be legally responsible for any collision damage that results from such irresponsible driving," Garrison warned.

He noted the law allows signaling by electrical or mechanical devices or by use of the driver's hand and arm, adding:

"Most drivers will use hand-and-arm signals, and I don't mean 'finger' signals."

The safety director emphasized the hand and arm must be extended to give a signal—out and up for a right turn; straight out to the left for a left turn; out and down toward the street for slow or stop.

### More Than 100 Wells Completed In Texas

AUSTIN — (AP) — There were 129 oil well completions and 22 gas well completions in Texas during the week ending August 23, the Railroad Commission reported Monday.

The commission report said two wildcat oil wells and five wildcat gas wells were drilled during the week.

Total average calendar day crude allowable as of August 23 was reported as 2,513,385 barrels, an increase of 8,683 barrels over the allowable the preceding week.

## School Heads Ask For Interpretation Of New Salary Regulation

AUSTIN — (AP) — Attorney General Price Daniel will be asked to rule on the constitutionality of the loss of accreditation penalty to schools failing to comply with the new \$2,000 minimum teacher salary law, State Superintendent of Public Instruction L. A. Woods has promised.

Submission of the question for a legal ruling was asked here Monday by a delegation of more than 20 superintendents protesting to Woods against his interpretation that negro teachers must be paid on the same salary scales as white teachers under the new law.

They urged that they be permitted to consider efficiency along with training and tenure.

Woods told the educators the law has been passed and he intends to comply with it. He said he could not approve any salary setup that showed racial discrimination on its face.

The protesting delegation was headed by Supt. H. W. Stilwell of Texarkana.

## U. S. Crude Production Skids After Record High

TULSA, OKLA. — (AP) — U. S. crude oil production averaged 5,133,960 barrels per day this week, a drop of 11,215 barrels from the record high of 5,165,175 barrels last Tuesday.

States showing the biggest losses included Illinois down 6,100 to 168,000, Michigan down 5,125 barrels to 42,015, Kansas down 2,500 to 297,850, Wyoming down, 1,180 to 120,490, Arkansas down, 1,100 to 81,300, and Colorado down 1,010 to 43,400.

Showing increases, however, were Louisiana up 950 barrels to 437,000 for a new all-time high for that state, Mississippi up 1,550 to 99,905, Oklahoma up 1,950 to 361,650, and Indiana up 1,100 to 17,050 barrels.

# Reporter-

(Continued from page 1)  
 ranch. Maps were drawn on airplane stabilizers. This made it handy to refer to them after we were airborne, but we had them memorized. We loaded metal "bottles" of liquid into the BT-13. White and Lea took off. George and the reporter took off. Turner took off in his Cadillac and beat all the rest of the crowd to his ranch. It's funny how much one ranch looks like another from 5,000 feet up.  
 In the Stinson, we climbed. And climbed and climbed. So did White and Lea in their Army trainer—only more so. There were some rather thin, not very rainy-looking clouds, but they were exceedingly high. Finally, the rain plane reached a somewhat small patch of cloud. As we in the Stinson craned our necks to watch the plane above us, we could see it speed into the cloud. Occasionally we got a glimpse of a brief spurt of white as Lea, in the rear cockpit, released the cooling liquid. Once or twice, raindrops splashed the windshield of the Stinson as it passed beneath the cloud.  
 But there was not much rain. There wasn't the right kind of a cloud to test the experiment, White and Lea explained.  
 We returned to Hobbs after half an hour of hard flying. Turner was waiting.  
 "A fine thing," he grinned sarcastically. "You guys weren't over my ranch at all. Now, if you're going to make any rain, let's see some of it on that Turner country out there."  
 Now, all this was a most interesting and exhilarating experience. There's something about fooling with the elements that makes you feel rather queer. But there's nothing about this rain-making business. It's all a matter of scientific knowledge—or, at least, that's the way those who work at it explain it.

**Condition Got To Be Right**  
 It seems that precipitation results when the temperature and dew point of a moisture-laden cloud are approximately the same.  
 Ever notice a big, heavy, water-burdened cumulus come along in the sky, look as if it were about to release a small flood, but pass lazily out of sight without shedding a drop?  
 Chances are, White and Lea explain, there's plenty of water in that cloud, but it's a wee bit too warm inside it for rain to come out. Now, if that cloud could be cooled off inside a few degrees...  
 That's what dry ice does. Also, the liquid coolant used by White and Lea. This liquid really is carbon-dioxide, a fire extinguisher used regularly around air ports. When the liquid is released from its container it is minus 75 degrees. It is so cold when it is released from the rear cockpit of the BT-13 it can be turned loose only in brief spurts because it immediately freezes the tail assembly, making it impossible for the pilot to operate the controls. So, it is released briefly, then shut off while the controls thaw out a little, then released again.  
**Cooled Few Degrees**  
 If part of the right kind of a cloud can be cooled a few degrees, natural up-drafts in the cloud will tend to cool the entire cloud, and precipitation will ensue. Precipitation causes further cooling, and this in turn causes more rain. Under ideal conditions, proponents of the new moisture-making scheme believe, this could go on until a big rain might come from the dropping of refrigerants from a single plane.  
 It's a thrilling prospect, indeed. If it turns out to be true, there's no telling what may happen to arid regions of the earth. There may

# County Fair Program Outlined At CC Meet

The Midland County Fair to be held here September 19-20, was discussed by R. L. Miller, chairman of the Livestock Agriculture Committee of the Midland Chamber of Commerce, at the general membership meeting of the Chamber of Commerce in the Crystal Ballroom of the Scharbauer Hotel Tuesday noon.

Miller told of plans for the fair and said that home demonstration clubs, 4-H clubs, civic and service clubs and business firms will be invited to sponsor booths. He cited the importance of the livestock agriculture interests to the community and urged the cooperation of all citizens in the fair project.

**Monroe Speaks**  
 Frank Monroe, superintendent of Midland schools, discussed plans for the opening of schools and said everything is ready for the Fall term which opens September 2. He outlined the drivers' education course to be taught in the high school and told of a new program of assistance for handicapped children. He said season football tickets will go on sale Thursday.

Monroe said plans and specifications for the new high school building are nearing completion and that construction should be underway before January 1.

John P. Butler, president, presided. He announced the next membership meeting will be held September 16 when Congressman-elect Ken Regan will be the honor guest. Mrs. Nettie Messick, county home demonstration agent, told of plans to send three 4-H Club girls to College Station next week. She exhibited a feather comforter made by the club girls.

Manager Delbert Downing announced the barbecue to be staged September 5 honoring teachers of the Midland Independent School District.

# Oil & Gas Log-

(Continued from page 1)  
 This project has had considerable difficulty in keeping circulation of drilling fluid as it bored through a very porous section. That zone has been cemented off and it is hoped that operations can go ahead without further hindrances.  
 The prospector is contracted to 6,500 feet to explore the lower Permian.  
**SEABOARD PROSPECTOR IS DRILLING IN PENNSYLVANIAN**  
 Seaboard Oil Company of Delaware No. 6-A Robinson, deep wildcat, about 15 miles southeast of Lamesa, and 1,979 feet from south and 660 feet from west lines of section 37, block 34, TP survey, T-5-N, had reached 3,765 feet and was making more hole in Pennsylvanian lime.  
 The project has not logged any indications of possible production since it drilled out of the Permian. Base of that zone has not been reported. The project is slated to go to about 12,000 feet to explore into the Ellenburger.

# Man Killed In Road Mishap Near Stanton

STANTON—Barney Hopper, 44, of Courtney was killed about 6:30 a. m. Tuesday when struck by a gasoline truck on the highway about five miles west of Stanton.

Hopper, who worked in Stanton, reportedly was riding a bicycle when hit by the truck. The truck was headed west and Hopper was traveling toward Stanton.

# Camera Club Slated For Tuesday Evening

A meeting of the Midland Camera Club to be held at 114 North Colorado (Cecil Elrod Tailorline Clothes) at 8 p. m. Tuesday, was announced Tuesday morning by Al Kelley, president.

Members were advised the meeting would be an important one, at which various activities for the coming Autumn would be discussed.

The session formerly was slated to be held at 605 North Colorado, Kelly said.

# In Colorado City At W.S.C.S. Seminar

Among the Midlanders attending the Sweetwater District W.S.C.S. Seminar at the Methodist Church in Colorado City, Tuesday, are Mrs. Luther Tidwell, Mrs. W. E. Chapman, and Mrs. H. H. Hollowell.

The seminar is conducted to present special lines of work for the president, vice-president, and secretaries of Spiritual Life, Status of Women, Missionary Education and Service, and Christian Social Relations.

# COLLISION REPORTED

Police reported a collision Monday at the intersection of West College and H Streets between cars driven by Mrs. D. S. Ellis and Vernon Stanley. There were no injuries.

# BILLFOLD TAKEN

Rex Russell, resident on West Indiana Street, reported to police Monday the theft of a billfold from a residence. The billfold was taken from a hiding place. Entrance was gained to the house by removing a screen. The billfold contained \$15 and papers.

# PEEPER REPORTED

A window-peeper was reported on North Fort Worth Street Monday night but police could find no peeper at the address given.

# TO VISIT PARENTS

Fred Dougherty, employed through the Summer by the State Highway Department in Abilene, will arrive here this week to visit his parents, Mr. and Mrs. S. C. Dougherty, 1701 West College Street, before entering his junior year in the school of engineering at Texas University.

# SIX DIVORCES GRANTED

Six divorces and one adoption were granted Monday by 70th District Judge Cecil Collins.

# McKenney on Bridge

By WILLIAM E. MCKENNEY  
 America's Card Authority

It is not often that our national tournament directors get a chance to play bridge. However, at the tournament held recently at Annapolis, Md., A. M. (Al) Sobel took a busman's holiday. Col. Russell J. Baldwin conducted the tournament, and Sobel was just a player. Generally when tournament directors do play, they make a good showing, but the best that Sobel could do at this tournament was to finish top in one of the sections of the mixed pair championship. His partner, by the way, was Mrs. McKenney.

Sobel gave me today's hand, which came up in the Annapolis team-of-four event. He said that practically everybody else in the room holding the West cards doubled four hearts, and of course declarer made the contract easily. Sobel, however, decided that North and South had bid too strongly for him to double. A double might locate high cards. If he doubled,

♠ K 9 6 4 2	♥ J 5 2	♦ Q 7	♣ Q J 8
♠ A 8 5 3	♥ N	♦ W	♣ E
♠ K 10 9 4	♥ S	♦ S	♣ A 10 9 6
♠ 10 9 6 3 2	♥ Dealer	♦ None	♣ 5 3 2
♠ None	♥ A Q 8 7 6 3	♦ A K J 5	♣ K 7 4
♠ A 8 5 3	♥ A Q 8 7 6 3	♦ A K J 5	♣ K 7 4
♠ K 10 9 4	♥ A Q 8 7 6 3	♦ A K J 5	♣ K 7 4
♠ 10 9 6 3 2	♥ A Q 8 7 6 3	♦ A K J 5	♣ K 7 4

Tournament—N-S vul.  
 South West North East  
 1♥ Pass 1♠ 2♣  
 2♦ Pass 2♥ 3♠  
 4♥ Pass Pass Double  
 Opening—♦ 10 26

he might set the contract at 200; one trick, which would be 200; while if he did no double, there might be a chance to set the contract two or three tricks. But to his great surprise, his partner doubled. Sobel said he felt very safe then, but you can see there was no way in the world to defeat the contract. He opened the ten of diamonds, which South won in dummy with the queen. East and West could take only two heart tricks and a club.

The only "kick" that Sobel got from the hand came when he checked with his teammates. To his amazement he discovered that they had won the board. With practically the same bidding, South, at the other table, redoubled and also made the contract.

THE CRAZY TRADER SAYS, ARE ALL USED CAR DEALERS CROOKS? Not by a long shot!!! We do have a hard time getting good used cars since most cars on the road are old enough to vote. But it can be done and May Motor Co. does it. ANOTHER thing, when you look at a car here, you'll get as complete a lineup on its condition as is possible. I'll see that you get Honest Top Value for every one of your automobile dollars. My aim is to buy and sell a lot of cars and make a little on each. This is my lineup of "stearboat-bugs" for this week. Heading my list is a 1946 Ford, green Chevy 1 1/2 ton. Both with extra you can put on a car. Here is a lineup of some "Dream Cars": 1940 Ford Sedan \$1175 46 Chev. Club Coupe \$2275 36 Ford Tudor \$575 40 Merc. Conv. \$1275 46 Ford Tudor Sedan \$2075 46 Ford Coupe \$1875 46 Ford Club Coupe \$2075 36 Ford 4-door \$550 47 Dodge Sedan \$2575 47 Buick Sedanette \$2850 46 Mercury Tudor \$2175 39 Plymouth International \$975 40 1/2-Ton Chev. 1 1/2 Ton Bed \$1150 47 Studebaker Champion \$2475 41 Hudson \$815 46 Chev. 4-door \$2075 41 Dodge Opn. perfect \$1175 39 Ford Sedan \$950 42 Buick Sedanette \$1250 38 Buick Coupe \$675 46 Ford Sedan \$1975 29 Model A Pickup \$125

**County Officials To Meet With Fred Wemple Here Next Tuesday**

Highway Commissioner Fred Wemple said Tuesday he will meet with officials of Coke and Sterling counties here next Tuesday to discuss the proposed paving of the Sterling City-Robert Lee segment of Highway 158.

Midland County officials and members of the Highway Committee of the Midland Chamber of Commerce also will be invited to attend the informal conference.

The chamber of commerce here has been working several years with officials of Coke and Sterling counties on the project which would connect the county seat towns of Robert Lee and Sterling City and which would give Midland a direct paved outlet into Central Texas.

Recent oil developments in Sterling and Coke counties have added significance to the project.

**Livestock**

**FORT WORTH**—(P)—Cattle 3-500; calves 2,400; trade very active; calves 50 cents to 1.00 above last week's close; cows unevenly higher; other cattle steady to strong; good fat cows 13.50-17.00; common to medium cows 12.00-14.50; canners and cutters 9.00-12.00; bulls 10.00-15.00; good and choice fat calves 19.00-24.00; common to medium calves 13.50-18.50.

**Farm Loan Program In Texas Is Curtailed Sharply By Congress**

WASHINGTON—(P)—The Farmers Home Administration figures Texans, enjoying a good share of agriculture's economic prosperity, don't need so much money now for the farm tenant purchase program.

This is apparent in a table released by the FHA's budget division, disclosing allocations it will make during the current fiscal year ending June 30, 1948.

Reductions are listed not only for Texas but for all states, reflecting the attitude of Congress, but the Texas cuts are much deeper than the average. The lawmakers appropriated only \$15,000,000 for the farm tenant purchase operations in the 1947-48 period, as compared with \$45,407,807 in the 1947 fiscal year ended last June 30.

The FHA farm tenant loan obligations to Texas wanting to buy the land they have been working as non-owners amounted to \$6,318,047 in the last fiscal year. The contemplated 1948 distribution in Texas for the same program is only \$945,187.

While cutting down on the appropriations, Congress did for the first time authorize the FHA to insure private farm purchase loans up to 90 per cent of the property's appraised value if the purchaser met the requirements of a direct loan.

Forty-Year Loans  
To obtain a direct loan, the borrower must be an experienced farmer, an American citizen and have the recommendation of three persons, including two farmers. He may repay the loan in 40 years, with 3 1/2 per cent interest.

Contemplated allocations also were announced for two other programs administered by the FHA.

For water utilization loans in the state in the 1948 fiscal year the budget allocated \$250,000, as compared with loans made last year aggregating \$295,000.

The water facilities loan is primarily for drilling new wells, constructing small local reservoirs or stock watering ponds and similar uses.

Production and subsistence loans are the third FHA program, and the contemplated 1948 allocation for Texas was given as \$6,300,100. These loans to Texas farmers in the 12 month period ended last June 30 amounted to \$9,393,219.

Loans of this category are intended to aid the farmer in changing from one type of farming to another. With proper approval, he can obtain up to \$3,500 for five years, or if credit for seed and machinery only is necessary, he can obtain up to \$1,000 for 12 to 15 months.

So-called flying squirrels do not fly, but merely glide from one tree to another.

**Big Idea, Small Children, Work Equals Success**

The Dunbar Branch Library is \$2.55 richer Tuesday and extremely proud of three little boys and two little girls, who worked hard to make it so.

Edward, Joseph, and Susan Hills, whose parents and grandmother have traveled extensively abroad, decided to put to a good use the many trophies and souvenirs that have been brought back from other nations. With the aid of the children of Mr. and Mrs. L. S. Page, little Danny and Sherry, the children of Mr. and Mrs. John M. Hill's got together a large exhibit of articles from approximately 50 nations, then they went to work on a full-size grown-up advertising campaign.

The ingenious children made posters for telephone poles and received announcements on the "Hi, Neighbor" radio program by Bill Joyce, a former neighbor.

A three-cent admission fee was charged—the result, a new article for the Dunbar Branch Library. The children presented their gift Monday to Mrs. Lucille Carroll at the Midland County Library.

**CHICKEN-OF-TOMORROW MAY HAIL FROM TEXAS COLLEGE STATION**—The Chicken-of-Tomorrow, a meatier bird with juicier drumsticks and more white meat to delight the national palate, definitely can be developed—and it may be Texas-bred, a Texas A&M poultry specialist predicted recently.

His prediction was based on results of the 1947 Texas and Southwestern Chicken-of-Tomorrow contests held this summer at Fort Worth with Texas-bred birds winning four of the five first places in the regional competition.

**Reckless Drivers To Find Officers Tough**

AUSTIN—Traffic officers are going to get tough with careless, selfish, reckless drivers after September 5. Director Homer Garrison of the Department of Public Safety says.

September 5 is the date the state's new Uniform Traffic Code goes into effect. In that code, Garrison emphasized, is a "reckless driving" clause designed particularly "for those people who think they are the only ones on the road."

"Under the present law a person could drive recklessly without violating some specific law, like speeding, and the police could do nothing with him," Garrison explained. "We used to have a reckless driving law, but it was declared unconstitutional. Now this clause has been revised in the new code. It was put in there especially for the benefit of the 15 per cent of the drivers who cause 65 per cent of the accidents."

"There will be a period of 'gentle enforcement' until people get used to new provisions of the code," Garrison said, "but there won't be any delay in starting strict enforcement of the reckless driving clause."

8—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, AUG. 26, 1947

## Obtain Range At Air Field

The Midland Gun Club has obtained the range at Midland Air Terminal (formerly Midland Army Air Field) for its rifle unit.

This range is a good one and is perfect for the needs of the rifle shooters. It was tried out Sunday. Odessa shooters will be invited to use the range jointly with Midland shooters and plans call for making the former airbase range into a district headquarters setup for a rifle association.

Area shoots will be held at the newly acquired range by the Midland Gun Club. Skeet club members of the Midland Gun Club are invited to become rifle club members for \$3. Cards of membership are obtainable at Carleton and Brumbelow Sporting Goods in Midland.

**Will Form Rangers**  
Midland now has a unit of the National Rifle Association. And when this unit is perfected a junior association will be formed and will be known as the Rangers.

The new range at the air field is much more suited to the needs of the rifle shooter than was the old caliche pit range formerly used. At the Sunday shoot, here are the ranks and scores:

Shooter	Score	Average	Season
Sellon	393-17x	196.500	195.71x
Richard	393-13x	196.500	193.000
Dodson	390-12x	195.000	193.857
Caulie	379-14x	189.500	189.500
Ingham	375-12x	187.500	190.571
Houser	363-7x	181.500	165.000
Burton	360-4x	180.000	178.566
Schaeffer	347-0x	173.500	176.333

**CENTER FIRE**  
200 Yards (Out Of Possible 100)  
Shooter Score  
Sellon 100  
Ingham 96  
Dodson 93  
Caulie 90  
Houser 88

**McCamey Gridsters On Outing At Christoval**  
McCAMEY—Coach Glen Wagnon and Assistant Coach Wesley Ply, with members of the Badger football team, left early Monday for a week's outing at Christoval.

Members of the squad for the coming year who made the trip were James Ramzy, Lawrence Barber, Leslie Fambrough, Rowland Scott, Ben Porter, Frank Drisell, Billy Joe Kemp, Jerry Barber, David Pauley, Victor McVay, Dale Williamson, Ike Courtney, Frankie Stokes, Johnny Fleming, Noble Livesey, Jack Perry, Joe Brabury, Kirk Gregory, J. V. Davis, Phil Gregory, Donald Boggs and Malcolm Stephens.

**Texas League Already Sets New Crowd Record**  
DALLAS—(AP)—The Texas League is going to crowd 2,000,000 in attendance this year—the largest number of paid admissions in the 52-year history of the circuit.

The record of 1,592,567 set last season already has been smashed. In fact, that happened August 13 when the league showed a total attendance of 1,600,005, Secretary Milton Price reported.

With 25 more playing dates left after August 13, meaning around 100 games, and the games averaging better than 3,400, indications are 1947 will come within 50,000 of the 2,000,000 mark.

Houston leads the way with 343-179 home attendance through August 19 when the Buffs took to the road until September 2. This is a new record for one club.

San Antonio, Beaumont and Tulsa are the only clubs behind last year's attendance.

Most male birds have their brightest plumage in spring and early summer, taking on duller colors later.

## Shreveport Has Slim Chance At Playoff

By The Associated Press  
Shreveport has a sporting chance to edge into the Texas League's Shaughnessy playoff, but the Sports can't fiddle around. A 2-1 defeat by Fort Worth dropped Shreveport two games back of fourth place Tulsa Monday night after the Oilers divided with San Antonio.

San Antonio went 12 innings before taking the first game, 3-0, then Tulsa bounced back to win the nightcap, 4-3. Dallas fattened its third place margin to three full games over Tulsa on 3-0, 14-1 decisions over Beaumont. Houston climbed back into the win column with an easy 8-3 victory over Oklahoma City.

## Open Final Home Games

By The Associated Press  
Big Spring added to its Longhorn League lead Monday night on a 3-1 win over Odessa in the only game scheduled. It was a makeup game for a 13-13 tie.

Mario Varona, regular left fielder, held Odessa to six hits while his mates jumped on a pair of Oiler hurlers for nine.

**Scout Troop 85 To Meet Tuesday Night**  
Members of Boy Scout Troop 85 will meet at 8 p. m. Tuesday at the First Presbyterian Church to complete plans for participation in the Buffalo Trail Council swim meet to be held at Pagoda Pool here Saturday.

The troop, known as a Senior Outfit, is composed of boys 15 years of age and over. Boys interested in joining the unit are invited to attend the Tuesday meeting.

Advisors for the organization will attend the session. They are Cliff Hogue, Goodrich Hejl, Jim McDonald, Bob Spivey and Ralph Smith.

**Berry Declares Every Town Needs 'Guard'**  
AUSTIN—(AP)—Every town in Texas needs a National Guard unit to train its local boys in the event of military training being made compulsory, says State Adjutant General K. L. Berry.

"With such a unit already in a town, the boys could get their training right there and not have to leave home," he commented at a press conference Monday.

He said he felt sure compulsory military training would become law. "I can't imagine anyone who would be against it with world affairs such as they are at present," he said.

Berry said 10 recruiting campaign supervisors will be called to temporary active duty to direct a campaign to enlist 3,925 Texans into the National Guard between September 16 and November 16, as a part of a nationwide drive for 88,888 recruits.

The present strength of the Texas National Guard is 5,112 officers and enlisted men.

**MAJOR LEAGUE LEADERS**  
By The Associated Press  
National League  
Batting—Walker, Philadelphia 349; Reiser, Brooklyn 320.  
Home runs—Mize, New York 40; Kiner, Pittsburgh 38.  
Pitching—Jansen, New York 15-4; Boudreau, Cleveland 333.  
Home runs—Williams, Boston 25; Gordon, Cleveland 24.  
Pitching—Shea, New York, 11-4; 733; McCahan, Philadelphia 8-3; 727.

**WESTINGHOUSE'S PATENTS**  
George Westinghouse won a patent for a rotary steam engine three weeks after his 19th birthday. This was the first of 361 patents which won him world acclaim.

## Football Tickets On Sale

Season tickets to home football games of the Midland High School Bulldogs for the 1947 season will go on sale at 8 a. m. Thursday at the Chamber of Commerce office. Please, no telephone orders.

The Bulldog Booster Club is handling ticket sales of first-come, first-served. Tickets will be good for admission to five home games. Boosters aim at 1,000 ticket sales this year.

Pounding into the stretch, the Midland Indians play the Ballinger Cats at 8:15 p. m. Tuesday in Indian Park here.

Three games with the invaders will close out the home games for the Indians. Games will be played Tuesday, Wednesday and Thursday nights.

Opening the Ballinger series, Midland is two and one-half games behind the league leaders, Big Spring. The Warriors have eight more games to play, including these three.

Monday was a day of rest in the Longhorn League except for a makeup contest between Big Spring and Odessa.

After the Ballinger games the Indians move to Vernon for two contests and thence to Odessa for three.

## McCamey Gridsters On Outing At Christoval

McCAMEY—Coach Glen Wagnon and Assistant Coach Wesley Ply, with members of the Badger football team, left early Monday for a week's outing at Christoval.

Members of the squad for the coming year who made the trip were James Ramzy, Lawrence Barber, Leslie Fambrough, Rowland Scott, Ben Porter, Frank Drisell, Billy Joe Kemp, Jerry Barber, David Pauley, Victor McVay, Dale Williamson, Ike Courtney, Frankie Stokes, Johnny Fleming, Noble Livesey, Jack Perry, Joe Brabury, Kirk Gregory, J. V. Davis, Phil Gregory, Donald Boggs and Malcolm Stephens.

**Texas League Already Sets New Crowd Record**  
DALLAS—(AP)—The Texas League is going to crowd 2,000,000 in attendance this year—the largest number of paid admissions in the 52-year history of the circuit.

The record of 1,592,567 set last season already has been smashed. In fact, that happened August 13 when the league showed a total attendance of 1,600,005, Secretary Milton Price reported.

With 25 more playing dates left after August 13, meaning around 100 games, and the games averaging better than 3,400, indications are 1947 will come within 50,000 of the 2,000,000 mark.

Houston leads the way with 343-179 home attendance through August 19 when the Buffs took to the road until September 2. This is a new record for one club.

San Antonio, Beaumont and Tulsa are the only clubs behind last year's attendance.

Most male birds have their brightest plumage in spring and early summer, taking on duller colors later.

## MAJOR LEAGUE Cards' Munger Is Night Owl And Cards Win Again

By The Associated Press  
If George (Red) Munger, unpredictable St. Louis righthander, could pitch as well in the daytime as he does at night, the Cardinals would be leading the National League instead of trailing the Brooklyn Dodgers by six games.

Munger, who boasts a season record of 11 victories and four defeats, has been almost unbeatable under the lights. In 10 starts at night, the fast baller has won nine and lost only one. In his only after-dark defeat, his team was shut out.

In sharp contrast, Red's dropped three games in five decisions and failed to go the route in nine of 11 daytime starts.

Munger gained his ninth night game victory Monday night when he pitched a five-hitter as the Cards defeated the Braves in Boston 5-2 before 33,129 fans.

**Dodgers Win Too**  
The Cards failed to gain ground on the Dodgers, who won a free-hitting game from the Pittsburgh Pirates at Ebbets Field 11-10.

Billy Junges slammed a 10th inning home run with one man on to enable the Chicago Cubs to defeat the New York Giants 9-7.

Scoring five runs in the first two innings against Oscar Judd, the Cincinnati Reds whipped the Phillies in Philadelphia 5-3 in a night game.

The Chicago White Sox continued their phenomenal success in one-run decisions by nipping the New York Yankees in Chicago 4-3.

Three walks with the bases loaded forced in three Cleveland runs and enabled the Indians to defeat the Boston Red Sox 10-8.

Scoring four runs in the first three innings, the Philadelphia Athletics went on to defeat the Detroit Tigers 7-5 and move within a game of the third place Bengals.

Lefty Sam Zoldak won a pitchers' battle from Rae Scarborough as the St. Louis Browns won a 1-0 thriller from the Washington Senators.

As many as 3,000 mosquitoes have been found in the crop of one night-hawk.

## Football Tickets On Sale

Season tickets to home football games of the Midland High School Bulldogs for the 1947 season will go on sale at 8 a. m. Thursday at the Chamber of Commerce office. Please, no telephone orders.

The Bulldog Booster Club is handling ticket sales of first-come, first-served. Tickets will be good for admission to five home games. Boosters aim at 1,000 ticket sales this year.

Pounding into the stretch, the Midland Indians play the Ballinger Cats at 8:15 p. m. Tuesday in Indian Park here.

Three games with the invaders will close out the home games for the Indians. Games will be played Tuesday, Wednesday and Thursday nights.

Opening the Ballinger series, Midland is two and one-half games behind the league leaders, Big Spring. The Warriors have eight more games to play, including these three.

Monday was a day of rest in the Longhorn League except for a makeup contest between Big Spring and Odessa.

After the Ballinger games the Indians move to Vernon for two contests and thence to Odessa for three.
