

James C. Watson
Oil Editor

TWO WILDCAT LOCATIONS
STAKED IN REEVES COUNTY

Locations for two new wildcat petroleum explorations in Reeves County, have been reported for immediate drilling.

Dave Elder and C. E. Wheeler, of San Angelo, have filed an application with the Railroad Commission of Texas, requesting a permit to drill a prospector in South Reeves County, one-half mile east of Balmorhea.

It will be carried as their No. 1 Fred Stroabe, Jr. Depth to which it is projected was not given on the application for a permit. Probably it will go to between 2,500 feet and 3,000 feet.

The location is to be in north corner of middle third of southwest quarter of section 56, block 13, H&G survey. Cable tools will be used to dig the prospect.

C. & B. Oil Company, and M. G. Hansbro are credited with making a location for a wildcat in North-east Reeves County, about 27 miles northwest of Pecos.

It is to be their No. 1 C. L. Monroe, and is reported to be located 330 feet from south and west lines of section 13, block 2, H&G survey.

That would put it approximately 14 miles south and east, down the Pecos River, from Texzona Producing Company No. 1. This discovery is some sort of production from the Delaware, six miles northeast of Orla.

That development is bottomed at 3,308 feet, and is doing preliminary testing, preparatory to completing. It has flowed some oil—but no gauge for any extended period has been reported.

It is also reported but not yet confirmed, that C. & B. Oil Company and M. G. Hansbro have made a location for a steepout to the Texzona No. 1 Tunstill.

The location is said to be in southeast corner of west half of west fourth of section 3, block 56, TP survey, T-2.

Both the C. & B. and Hansbro prospects are expected to drill to around 3,500 feet—unless they get oil, gas or water, in the Delaware, at shallower levels.

ELDER TO DRILL SHALLOW
PROSPECTOR IN EAST PECOS

Dave Elder has filed application with the Railroad Commission, asking for a permit to start operation immediately at his No. 1 H. M. Holmes, a scheduled 2,500-foot wildcat in East Pecos County, about six miles north of Sheffield.

It will be in southeast corner of east half of section 51, block 1, Brooks and Barlow survey. Cable tools will be used.

NW CROCKETT WILDCAT
DRILLS AHEAD AFTER DST

Byrd and Frost No. 1 Mayberry-Tippett, Northwest Crockett County, prospector, six miles southwest of the shallow Crockett field, and 496 feet from northeast and southeast lines of section 39, block 31, H&TC survey, was drilled ahead below 6,485 feet, in an unidentified lime.

A drillstem test was taken at 6,438-85 feet, with the tool open one hour. Recovery was 30 feet of drilling mud, with no shows of oil, gas or water.

Operator has not officially identified the age of the formation now being drilled, or the zone above which flowed 90 barrels of oil in four hours on a recent drillstem test.

FURTHER TESTING SLATED
FOR STERLING DISCOVERY

The Plymouth Oil Company No. 1 Frost, discovery for flowing oil production of around seven and one-half barrels per hour from the 22-limburger at 3,356-76 feet, was trying to make the well kick off and flow through tubing.

After flowing for 12 hours, through a McCullough tool, at the average rate of seven and one-half barrels of oil per hour, operator killed the flow, with mud and water, in order to pull the test tool.

When test had been accomplished the project was snatched through tubing for several hours. It would not kick off. Recovery averaged around two and one-half barrels of fluid each 60 minutes. Some of that fluid was drilling mud and drilling water, and some of it was oil.

Some interested observers think the perforations at 3,356-76 feet are probably closed off with mud thus preventing the oil from coming through. It may be that a shot of mud acid will have to be used in order to clean the perforations.

At last report operator had the well shut in, to allow it to pressure up—in the hope that when such had been done it might start flowing.

ANOTHER W-C HOCKLEY
WILDCAT FLOWS OIL

E. Constantin, Jr., No. 1-A Coble, West-Central Hockley wildcat, about five and one-half miles west of Jewell, and 440 feet from north and 1,363 feet from west lines of labor 50, league 89, Hartman County, School Land survey, treated the San Andres-Permian pay above total depth of 4,855 feet, with 10,000 gallons of acid.

After the acid load was lifted the well is reported to have kicked off and flowed out most of the residue and acid water, and at last report it was estimated to be flowing between 10 and 15 barrels per hour.

BRUTALLY SLAIN
BEAUMONT—(AP)—E. I. Manning, 40, native of East Texas was found brutally slain here Wednesday. Manning had been stabbed seven times in his abdomen, neck and face with a long-bladed knife.

Senator Charges
Business With
Lack Of Faith

WASHINGTON—(AP)—Senator O'Mahoney (D-Wyo.) said Wednesday some steel industry leaders are showing the same belief in the eventual breakdown of capitalism as Premier Stalin of Russia.

Instead of boosting prices, the senator told reporters, this country's business leaders should be expanding production and tapping an "American market that has not yet been scratched."

O'Mahoney is a member of the joint congressional committee on the economic report which already has conducted hearings into the state of this country's business health and plans a nationwide inquiry this fall into rising prices.

Taking note of reports Russian leaders are counting upon a depression to give communism a stronger foothold in the United States and other capitalist countries, the Wyoming senator declared:

"Steel executives who are unwilling to expand steel capacity to meet perfectly obvious demands seem to entertain the same doubts about the capability of the capitalist system that are expressed by Mr. Stalin."

O'Mahoney said the "consuming power in America is beyond the imagination of those business executives who are retarding production by holding up prices."

But he added, these two facts should influence business leaders "to take chances on the growth of America."

A report by the New York Stock Exchange magazine that net profits for the first half of this year for 492 companies are 97.9 per cent larger than the first six months of 1946.

A Commerce Department study showing that per capita income in 1946 "reached an unprecedented peak of \$1,200."

O'Mahoney concluded "if businessmen have faith in America and in their own capacity to produce and would invest some of their huge profits in expanding capacity to meet the market, we need have no further worries about inflation."

Nine-Inch Rain Floods Dallas

Tentative OK Given
To New Bond Issue

A proposed \$1,385,000 bond issue to finance civic needs and improvements in all sections of the city was approved tentatively by members of the City Council at their meeting Tuesday night, and City Manager Bob Hoppe was instructed to obtain bids on proceeding contracts for the issue.

The matter will be considered finally at the next regular meeting September 9, and the election likely will be called for the last week in September.

Items included in the proposed bond issue are:

- Water system improvement and expansion program, including purchase and development of Wadley tract, a pipe line connecting the city with the water system at Midland Air Terminal, and distribution system and extensions—\$750,000.
- Sewer system extensions in all sections and addition to sewage disposal plant—\$200,000.
- Storm sewer drainage—\$30,000.
- Enlargement of city hall, fire station, police station and jail—\$80,000.
- New playgrounds and improvements to Pagoda swimming pool—\$75,000.
- Streets, street markers and paving—\$200,000.
- Municipal golf course, which would be located on property already owned by the city—\$50,000.

Councilmen discussed the bond issue at length after answering questions and hearing comments from the handful of citizens attending the session. The Council members had urged citizens to attend and to express their views concerning the proposed issue.

Elaborate Plans
For Signing Of
Defense Treaty

QUITANDINHA, BRAZIL—(AP)—Brazilian authorities whipped up plans Wednesday for the formal signing next Tuesday in Rio de Janeiro's glittering Itamaraty Palace of an historic defense treaty under which 19 American republics agree to fight jointly against any aggression in the Western Hemisphere.

These authorities confidently expected President Truman would advance the date of his scheduled visit to Brazil in order to be present for the occasion in the home of the Brazilian foreign ministry and made arrangements for a whopping welcome.

A high Brazilian government source said the Inter-American conference of foreign ministers at this resort was expected to wind up next Monday and although the U. S. President's visit had been scheduled for September 5, he was expected to revise his plans so as to be able to address the closing session.

President Truman also is expected to be a guest of honor at Brazil's Independence Day celebration September 7 and head for home the next day aboard the battleship Missouri.

Conference committees Tuesday approved more than two-thirds of the body of the projected defense treaty, which calls for swift military action to put down aggression in a vast "security region" stretching from the Antarctic to the Arctic and from Hawaii to the Falklands.

Firemen To Have
Annual Barbecue

Midland firemen and their families and friends will hold an annual chicken barbecue at 6:45 p. m. Wednesday at Cloverdale Park.

City officials will be invited to the affair.

A date will be set for a Permian Basin District firemen's meeting in Midland soon.

Midland County's Dairy Business
Claimed Threatened By Outsiders

A dozen Midland County dairymen met Tuesday evening at the Farmers Cooperative Gin to discuss what they described as a definite threat to the county's dairy industry.

Their discussion centered around a certain huge, refrigerated truck which recently has begun hauling milk to the Midland area from Dallas. Packed in cardboard containers, pasteurized and homogenized and labeled as a product of Tennessee Dairies, the milk is being distributed by a number of local grocers as well as by stores in Odessa, Monahans and Kermit, the dairymen said.

And, according to their statements, the added competition of this new milk source may be just enough to cause them to go out of the dairy business.

Hauls 1,800 Gallons

The big truck which brings the milk daily from the East is said to haul 1,800 gallons at a time. One of the dairymen in the meeting said producers in the Dallas area furnishing this milk are receiving only \$3.50 per hundredweight for it, as compared with \$5 received by local producers.

One of the dairymen quoted the driver of the truck as saying he could sell the milk to Midland grocers for as low as 17 cents per quart and yet make a profit. At present he is receiving 21 cents a quart.

W. M. Howard, sanitarian of the Midland-Ector-Howard County Health Unit, said Wednesday morning he had been keeping close check to see that the milk being brought in met state and city standards of quality, and that he had found no cause to criticize it on this score.

Sherwood O'Neal, president of the county dairymen's association, said there is no milk shortage in the county now, and if local production continues to increase as it has in the past year, local producers within (Continued on page 5)

Warnings
Sent Out To
Farm Areas

A storm described as "what was left of the Gulf disturbance" swept Dallas late Tuesday night, flooding the city with 9.18 inches of rain, and causing the Trinity River to rise dangerously.

The storm moved North into Oklahoma Wednesday, diminishing in force.

Flood warnings were issued from Dallas South as the Trinity rose to 27.7 feet Wednesday morning. Flood stage is 28 feet, which the Weather Bureau said would be exceeded.

Lowland residents were warned to evacuate livestock.

At Columbus, the Colorado River stood at 13.9 feet, compared with a normal stage of about 5 feet, the Weather Bureau said. It was still rising, and a crest of 16.5 feet was expected at 2 p. m.

Downstream at Wharton, the river was still rising, with a crest of 17 feet forecast for Wednesday afternoon. Loss of livestock was predicted unless lowlands residents obeyed warnings to move. No other damage was expected.

In Southeast Texas the weather began to clear, but rivers were flooding.

Galveston Clear

Galveston, where the storm first lunged inland from the Gulf of Mexico Sunday, Wednesday reported sunny, balmy weather. Tourists were flocking in for the Labor Day week-end.

McKinney, North of Dallas and in the path of Wednesday's storm, reported 5.11 inches of rain Wednesday. Fort Worth had 3.83. Bonham reported 2.10 inches. Corsicana and Cotton Grove suffered.

Hardest hit was the city of Dallas. Activity slowed to a walk as water ran over downtown curbs, flooded suburban streets, and snarled transportation.

Power failed in some sections. Fire and police departments were kept busy throughout the night rescuing residents from flooded homes. Two rescue boats operated by the fire department answered numerous calls.

Three were trapped in a car when high water of surging turtle creek washed out a bridge. A woman, Mrs. Lois Morrison, was found floating on a log, and was taken to a hospital where her condition was termed not serious.

Hundreds of wrestling fans were stranded at the Sportatorium when high water blocked sections of Industrial Boulevard. Water rose over the curbs of downtown streets.

Taxis were working at capacity, entailing long waits. Some elevators failed Wednesday morning in mid-town buildings.

Highways were blocked, and off-duty deputy sheriffs were called out to help the regular staff block off flooded highways in the county.

YOU ARE WORTH
\$50,000 TO ECONOMY

AUSTIN—(AP)—If you are killed in an automobile accident during the coming Labor Day holidays this weekend, the economic loss caused by your death will equal \$50,000.

That's the value placed on each life by actuaries, George Clarke of the Texas Safety Association said as he issued a plea for Texas motorists to stay alive through the three-day holiday.

Use courtesy and common sense to make this a "wreckless (not reckless) holiday," the safety group's managing director advised.

NEW BAR HEAD NAMED

AUSTIN—(AP)—R. G. Story of Dallas Wednesday is the new director of the State Bar of Texas, succeeding the late William P. Gore, also of Dallas, who died last week.

Officials Of Gigantic Farben Chemical Trust To
Go On Trial Charged With Coldly Fostering War

NUERNBERG, GERMANY—(AP)—A four-man U. S. court, opening the war crimes trial of 24 directors of the billion dollar I. G. Farben chemical trust, heard the prosecution charge Wednesday they deliberately fostered Adolf Hitler's wars of aggression for their own profit.

And further, Brig. Gen. Telford Taylor told the court, they would breed a new war if they got another chance.

"These are the men who made war possible, and they did it because they wanted to conquer," said Taylor, the United States chief of counsel for war crimes.

"These men were governed by the same unquenchable thirst for power that for years has gripped and distorted the minds of the military caste and many other leading Germans. Their long range objective was x x x ultimately Farben's domination of the chemical industry of the world.

Car Prices Likely
Have Reached Top

DETROIT—(AP)—With \$45 to more than \$225 added to the price-tags of new passenger cars manufactured throughout the auto industry, producers indicated Wednesday the line would hold for the rest of the year.

But prospective buyers, eyeing the price boosts announced Tuesday by the Ford Motor Co. and Studebaker Corp., to complete the round of increases, wondered if the many changes contemplated for 1948 models would send the cost of their new cars still higher.

Studebaker, last of the makers to mark up prices, announced from South Bend, Ind., \$50 to \$115 would be added to its car and truck models.

The action followed by only a few hours a Ford announcement of increases ranging from \$36 to \$229 on Lincoln, Mercury and so-called "luxury" models. Sunday, the Ford concern, which earlier in the year had cut its prices, announced boosts of \$62 to \$90 on Ford standard models.

Industry observers indicated extensive re-tooling planned for 1948 models probably would run into millions of dollars and might mean further advances in retail prices next year.

Current increases, producers pointed out, stemmed from an estimated \$150,000,000 added to annual payrolls plus big advances in the price of materials, tools, dies and other equipment.

Two Americans Have
Close Call When Sikhs
Attack Indian Train

LAHORE, PAKISTAN—(AP)—Two U. S. State Department employees said Wednesday a Sikh mob held up the train on which they were riding killed 15 Mohammedan passengers and twice attempted to force a way into the Americans' compartment.

Lt. Col. Charles Caple of Little Rock, Ark. air attaché to the U. S. Embassy in New Delhi, and Jane Loranger of Sacramento, Calif., U. S. Information Service employee at New Delhi, said their train was stopped Sunday at the village of Muir.

The Americans said the Sikhs smashed their compartment window and attempted to break in their door. They forced the adjoining compartment and slaughtered three men and a woman.

Villagers watched from rooftops and the wall surrounding Muir. Caple said troops at the junction city of Bhatinda removed 11 bodies from the train and left aboard five injured, four of whom died before the train reached Ferozepore, where a military guard of 20 troops was put on.

The Americans, who had been on vacation, left for Kashmir, booked passage back to New Delhi by plane.

Top-Ranking Policy
Makers Go To Paris

WASHINGTON—(AP)—The United States Wednesday hustled two top ranking diplomatic policy makers off to the 16-nation Paris Economic Conference for the first American participation in planning European recovery under the Marshall Plan.

They are George Kennan, director of the State Department's policy planning board, and Charles Boresteel, special assistant to Undersecretary of State Robert Lovett and former deputy of the strategic and policy group on the War Department's general staff.

Mrs. W. V. Churchill
Dies At Merkel;
Rites Wednesday

Mrs. W. V. Churchill of Sweetwater, stepmother of C. A. Churchill and R. L. Churchill and aunt of Mrs. Eddie Sims of Midland, died at a Merkel hospital at 8:30 p. m. Tuesday from injuries received in an auto accident Monday.

Funeral services will be held at 4 p. m. Wednesday at Merkel and burial will be at Trent, Mrs. Churchill's former home.

Other survivors are her mother, Mrs. Lew Smith, and a sister, Mrs. Rose Norris.

HIGHWAY OFFICIALS HERE

DeWitt C. Greer and Fred Bennett of the State Highway Department at Austin arrived in Midland Wednesday to join State Highway Commissioner Fred Wemple and Delbert Downing, manager of the Midland Chamber of Commerce, in making an inspection tour of highways in the Big Bend area.

★ LATE NEWS FLASHES ★

LONDON—(AP)—The British government announced Wednesday night drastic new cuts in food, foreign travel, gasoline and other items to reduce the national trade deficit of 600,000,000 pounds (\$2,400,000,000) by more than one third.

PARIS—(AP)—Because of "the deplorable state" of France's grain harvest this year, the government announced Wednesday further cuts in the nation's daily bread ration. Six ounces per person per day will be the new maximum.

PRESQUE ISLE, ME.—(AP)—Nitrate-fed flames, leaping to 80-foot heights, destroyed the A. W. Higgins fertilizer plant with loss of at least \$150,000, and menaced nine potato houses before five fire departments controlled them Wednesday morning.

LITTLE ROCK, ARK.—(AP)—Forest fires, said by State Forester Fred Lang to be largely of incendiary origin, blazed Wednesday in an estimated 1,500 acres of South Arkansas timberland. He said the conflagration included "300 acres of the most beautiful timber in Arkansas."

LAKE SUCCESS—(AP)—The United States, China, and Brazil Wednesday formally approved proposals for formation and operation of an international agency for control of atomic energy. Britain, France, Canada and Australia said they agreed in general with the principles stated in the proposals.

Detained By Czechs

A statement issued through the American Embassy in Prague reported that an American girl, Eleanor Roberts, above, of Detroit, was detained by a Czech officer for two hours on a charge of preparing anti-Communist propaganda.

Prisoner Finds Story Writing Is Better Than Writing Forged Check

BCRDENTOWN, N. Y.—(AP)—Edwin J. Becker, who wrote himself into prison on a forged check, is writing his way to freedom now with a series of books and short stories which so far have earned him \$35,000.

Missing Link Is Sought In Africa

JAHANNESBURG, SOUTH AFRICA—(AP)—A hunt for the Missing Link has started with the arrival in South Africa of Dr. Charles L. Camp, leader of the University of California Africa Expedition.

"It is premature yet to say whether the remains found in the Sterkfontein caves in the Transvaal are ape or man, but they at least open the possibility of being on the trail of the missing link between ape and man," said Dr. Camp, who is director of the museum of paleontology at California University.

FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag everytime you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As rigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

Federal Corporation Taxes Up In Texas

DALLAS—(AP)—Internal Revenue Collector John B. Dunlap recently showed figures indicated federal corporation taxes displayed the greatest gain of all federal taxes in the 144 North Texas counties in the Dallas district during the fiscal year ending June 30, 1947.

Corporation income taxes showed a 53.3 per cent gain with a total in 1947 of \$67,000,000 compared with \$44,000,000 the year previous.

All federal taxes in this district, Dunlap said, showed a gain of 4.6 per cent with \$516,000,000 this year compared with \$494,000,000 last year.

The only decrease—and this was due to the dropping of numerous taxes and excess profits taxes. Here a loss of 24.9 per cent was reported, with \$111,000,000 collected this year compared with \$148,000,000 a year ago.

Individual income taxes showed a gain of 16.8 per cent, he said. This year the total was \$199,000,000 compared with \$170,000,000 a year ago.

Withholding taxes were up 1.7 per cent with the \$110,000,000 showing a \$2,000,000 gain over the year before.

FINAL PAYMENT MADE BY SCHOOLS

AUSTIN—(AP)—State Superintendent of Public Instruction L. A. Woods has announced final payments on supplemental per capita apportionments for Texas public schools.

Warrants representing \$4 per capita and totaling \$6,093,800 were released. The total was based on the scholastic census of 1,500,353 students as of June 9, Woods said.

Holmes-Ham Ceremony Performed At McCamey
 McCAMEY — Jeannine Holmes, daughter of Mr. and Mrs. W. O. Holmes, became the bride of Malcolm Ham, son of Mr. and Mrs. O. G. Ham of Big Spring, in a ceremony which took place in the First Baptist Church of McCamey, at 6 p. m. last Saturday.
 The Rev. W. I. Lee performed the ceremony in the presence of relatives and close friends.
 The church was decorated with ferns and white gladiolus in tall baskets with pink and white candles in tall candelabras forming the background.
 Miss Anne Hawkins sang "I Love You Truly" and "Always," accompanied by Miss Beatrice Wolf who also played the wedding march.
 The bride, given in marriage by her father, wore a winter white suit with brown accessories. Her corsage was of white gardenias, and she carried a white prayer book.
 Miss Virginia Hendrickson of McCamey was maid of honor and wore a green suit with red accessories and carried a colonial nosegay of red carnations.
 Charles Ham, brother of the bridegroom, attended his brother as best man.
 Immediately following the ceremony the couple left for San Antonio and other points on a honeymoon trip.

Society

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, AUG. 27, 1947-3

Lois Terry, Bride-Elect, Honoree At Tea Given At J. L. Barber Home

A tea honoring Lois Terry, bride-elect of Arvid W. Auguston, was given Tuesday night by Mrs. J. S. Allen, Mrs. J. L. Barber, Mrs. N. G. Oates, Mrs. W. F. Prothro, and Mrs. J. L. Tidwell at the home of Mrs. J. L. Barber, 311 North Baird Street.
 Included in the house party were Beth Prothro, who presided at the punch bowl the first hour, and Mrs. Hugh Bliss, who presided at the punch bowl the second hour. Mrs. Terry Tidwell had charge of the guest register the first hour, and Mrs. Tom Watson, the second hour.
 Floral arrangements using the bride-elect's chosen colors of yellow and lavender were distributed throughout the house. The honoree's corsage was of white asters.
 Guests
 The guest list included Mrs. M. J. Allen, Mrs. J. C. Angel, Mrs. J. A. Andrews, Mrs. J. F. Barber, Mrs. P. Barber, Mrs. T. L. Beauchamp, Mrs. N. Beauchamp, Mrs. Walker Beauchamp, Mrs. J. L. Barber, Jr., Mrs. DeAlvo Brewer, Mrs. H. G. Brewer, Mrs. H. G. Atwater, Mrs. Hugh Bliss, Mrs. V. W. Brown, Mrs. Paul Bowman, Mrs. J. J. Carter, Mrs. W. E. Chapman, Mrs. Ellis Conner, Mrs. W. M. Conner, Mrs. Lee Conroe, Mrs. J. P. Carson, Jr., Mrs. J. P. Carson, Sr., Mrs. C. P. Campaella, Mrs. G. P. Bradbury, Mrs. O. L. Crooks, Mrs. Henry Butler, Mrs. Delo Douglas, Mrs. John Ficke, Mrs. J. M. Flanagan, Mrs. George Glas, Mrs. W. C. Gwyn, Mrs. S. H. Gwyn, Mrs. Ray Gwyn, Mrs. Ben Gray, Mrs. J. L. Hester, Mrs. H. H. Hollowell, Mrs. H. Hensley, Mrs. E. P. Birkhead, Mrs. D. E. Hoover, Mrs. W. A. Hughes, Mrs. Elvis Hughes, Mrs. H. A. Ireland, Mrs. M. D. Johnson, Mrs. Jack Keen, Mrs. Bill Kenney, Mrs. R. E. Klebold, Mrs. R. E. Langford, Mrs. O. M. Luton, Mrs. J. C. Luccock, Mrs. Otis Legon, Mrs. Vellie McCormick, Mrs. H. S. Merrill, Mrs. J. C. Miles, Mrs. Roy McKee, and Mrs. A. F. McKee.
 Others attending were Mrs. H. M. McKeynolds, Mrs. Horace Newton,

Sigma Chi Alumni Gives Barbecue For 'Rushees'

Honoring those who will go through fraternity rush beginning September 12 at the University of Texas, the Sigma Chi alumni chapter of West Texas gave a chicken barbecue at Cloverdale Park Tuesday evening.
 "Rushees" attending were Joe Birdwell, Bill Hoey, Buddy Norton, Robert E. Walker, Robert Muidrow, IV, Bill Hamilton, Frank Aldrich, Jr., Jimmy Jennings of Abilene, and Joe Williams of Abilene.
 Active members present were Charles Barron of Vanderbilt University, Wilbur Yeager of Texas University, George L. Foster, Jr., of Abilene, Texas University, and Joe Brittain of Abilene, a pledge at Texas University.
 Alumni members attending were H. E. McRae, Robert E. Chancellor, Russell Conking, W. H. Conking, Francis Douglass, Jr., H. L. Flood, George R. Gibson, Robert Turpin, Erle Payne, R. I. Sewell, Ralph E. Keahn, Arthur W. Abel, Jr., of Odessa, Otto H. Leichter of Odessa, Joe McKnight of San Angelo, and D. A. Miller.

ASBURY W. S. CASINO HAS WEEKLY MEETING

Mrs. Theo Ferguson conducted the meeting of the Asbury Methodist Women's Society of Christian Service Monday afternoon, with a program on missionary work devoted to children.
 After the opening hymn, "Close to Thee," Mrs. Ferguson gave the report on missionary work on clothes and medicines for children without parents. Mrs. Preston Pirtle discussed "Nurses and Children at Kingdom Home" and Mrs. Elmer Sellers led the discussion on the Day Camp at Mercy Center, Chicago. Mrs. George Damron's talk was on "A Real Home," and Mrs. Loy Mashburn reported on an orphan's home in California.
 After a short business discussion by all the officers of the WSCS on the work done this year, Mrs. J. P. Carson, Jr., dismissed the meeting with a prayer.
 Mrs. Carmel Pirtle served refreshments to Mrs. L. Buckley, Mrs. Loy Mashburn, Mrs. Theo Ferguson, Mrs. Elmer Sellers, Mrs. A. J. Andrews, Mrs. Preston Pirtle, Mrs. Cleo Whitmore, Mrs. E. H. Peyton, Mrs. J. T. Moore, Mrs. George Damron, Mrs. Wayne Keener, Mrs. F. H. Beacham, Mrs. J. P. Carson, Jr., Mrs. T. A. Roberts, Mrs. John M. Henderson, and Mrs. Edith Wyatt.

Christian Church Circles Have Coffee Tuesday Morning
 The Rinehart, Henderson, and Young Matrons Circles of the First Christian Church had a meeting and morning coffee Tuesday at the home of Mrs. Charles Klapproth, 1011 West Texas Avenue.
 Conducting the program, which was based on the "World Call" magazine, was Mrs. Paul McHargue, who brought the devotional, "The Lord's Prayer." Mrs. J. C. Carlson spoke on "God and the Four Freedoms," and Mrs. Delbert Downing discussed "The Church in A Free India."
 Others attending were Mrs. F. C. Cummings, Mrs. D. B. Snider, Mrs. Ella Ragsdale, Mrs. E. W. Recer, Mrs. Earl Ridge, Mrs. Clyde Lindley, Mrs. Al Boring, Mrs. Paul Goodlet, Mrs. W. D. Reiger who served the coffee, and three new members, Mrs. R. L. Wright, Mrs. Sanford, and Mrs. Whitmore.

Surprise Party Fetes Anna Joyce Streeter
 Mrs. George Streeter, 709 North D Street, honored her daughter, Anna Joyce Streeter, with a surprise birthday party Monday night.
 Gifts were presented to the honoree, and refreshments of ice cream and cake were served to Patsy Charlton, La Moyne Tabor, Nadine Clement, Edith Collins, Barbara Brown, Genora Brown, Mr. and Mrs. James Colvin, Nellive Clark, Dephane Tabor, Erma Jean Driver, Lenora Mann, Rebecca Watford, Ruth Hall, Anne Upham, Ed Sides, Ruby Hale, Helen Caffey, Faye Manville, Eddie Juan Darnell, Alta Merrell, Mrs. S. O. Love, Mrs. Joyce Driver, the honoree, and the hostess.

Medical Test Proved This Great to Relieve MONTHLY FEMALE PAINS
 Are you troubled by distress of female functional monthly disturbances? Does this make you suffer from pain, feel nervous, restless, weak, at such times? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms!
 In a recent medical test Pinkham's Compound proved remarkably helpful to women troubled in this way. It's what Doctors call a uterine sedative. It has a grand soothing effect on one of woman's most important organs.
 Taken regularly, Pinkham's Compound helps build up resistance to such distress. Also a great stomachic and laxative.
LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Midlander Is Record Grand Canyon Visitor
 V. A. Walston, Midland employe of Humble Oil and Refining Company, was the 500,000th visitor to visit Arizona's Grand Canyon during 1947, it has been reported from Phoenix.
 Mrs. Walston, their daughters, Dorothy Jean and Sally, and son, V. A., Jr., visited the canyon at the same time. The Midland family stopped at the scenic gorge during an extended trip through the Southwest.
 Park officials said a record was set at the Walston's visit. Previous high attendance mark was set at 488,819 in 1946.

But when He had turned about and looked on His disciples, He rebuked Peter, saying, Get thee behind Me, Satan: for thou savourest not the things that be of God, but the things that be of men.—Mark 8:33.

Another August Anniversary

Even if the momentous anniversaries of the first atomic bomb explosion and Japan's capitulation had not occurred this month, it is likely that another August anniversary would have passed unnoticed. Few perhaps even remember now that six years before V-J Day, on Aug. 14, 1941, the statement which came to be known as the Atlantic Charter was made public.

Things were going badly for the Allies when President Roosevelt and Prime Minister Churchill met "somewhere on the Atlantic." Only the British Empire and the Soviet Union, newly attacked, were opposing the Nazi armies. The outlook was not only discouraging but desperate.

Yet, in retrospect, the decisions facing the heads of the two governments seem comparatively simple. The only problem was the Nazis' defeat. If this could not be accomplished, they knew what to expect. If it could—and the charter speaks bravely of a time "after the final destruction of the Nazi tyranny"—the shape of a better world was clearly visible.

The two countries, the chiefs of state agreed, "respect the right of all peoples to choose the form of government under which they will live; and they wish to see sovereign rights and self-government restored to those who have been forcibly deprived of them."

"They will endeavor," the charter continued, "with due respect for their existing obligations, to further the enjoyment by all states, great or small, victor or vanquished, of access, on equal terms, to the trade and to the raw materials of the world which are needed for their economic recovery."

"They desire to bring about the fullest collaboration between all nations in the economic field with the object of securing, for all, improved labor standards, economic adjustment and social security."

That was to be the new and better world, with "a wider and permanent system of general security" which would lift the "crushing burden of armaments" from peace-loving peoples.

It may also have been forgotten that Russia was among the 26 nations at war with the Axis which, on Jan. 2, 1942, signed the Declaration of the United Nations.

The cynicism of Russia's declared support of those purposes and principles is too evident to require comment. But it might be recalled that the principles of the Atlantic Charter were formulated to restore and increase certain accepted rights which Hitler's tyranny had removed.

Now those rights are again being systematically removed by a Russia which emerged from the war weakened by devastation and loss of manpower, but intoxicated by ambition. And the methods by which they are being removed are, in general outline, identical with those which Hitler used.

There are some who laughed or sneered at the Atlantic Charter almost from the day it was published. But its declarations are right and necessary if peace is to endure. They must be carried out and, we believe, they will be. For now the western world, though weakened by war, is neither blind nor complacent. It can see history repeating itself. This time, at least, it will not slide helplessly into war down ways greased by compromise, overconfidence and unpreparedness.

Scrape Out The Barrel, We'll Have A Barrel Of Woe

SMU Full Up; 7,000 Register

DALLAS — (AP) — Southern Methodist University announced Thursday that no more registrations can be accepted for the Fall semester opening in mid-September.

"SMU is completely filled up for the next school year," Registrar R. L. Brewer said. "We have no more classroom facilities and we simply can't handle any more students."

With an anticipated enrollment of 7,000, even the new pre-fabricated buildings overflowing the campus this Summer will be filled, Brewer said. The 7,000 figure is slightly above the record 1946-47 enrollment of 6,900.

The registrar said that applications received during the next four weeks will be filed in a waiting list for vacancies expected as students already accepted withdraw from school.

US ARMY FORCES IN ITALY TO SPEND WINTER

LEGHORN, ITALY — (AP) — What is left of the American Army in Italy expects to spend the winter here.

Departure of the remaining allied occupation forces hinges upon Russia's ratification of the Italian peace treaty, already approved by the United States, Britain and France. The troops are to be withdrawn within 90 days after the effective date of the treaty. (Moscow has not indicated when Russia will sign.)

Army And Navy Declare Project At Sandia Is Top Secret Under Atomic Act; Denver Post Hints At Purpose

WASHINGTON — (AP) — The Army and Navy said recently construction and operations at the Sandia base near Albuquerque, N. M., are top secret under the Atomic Energy Act of 1946.

The services made the statement jointly in refusing to confirm or deny reports published in the Denver Post that huge caverns are being dug in a mountain range near Albuquerque for atomic war defenses. The Post's copyrighted story described the project as a "super-defense measure."

The Army and Navy linked the cavern report with construction at the highly-secret Sandia base in this joint release:

"On July 24, 1947, the War and Navy Departments released information regarding the Armed Forces special weapon project, in that release it was stated 'the principal field installation of AFSWP is Sandia base located at Albuquerque.'"

"Construction and operations at this base fall in the category of restricted data under the Atomic Energy Act of 1946 and are also classified military information."

"Therefore amplification of the above quoted statement is considered undesirable."

The AFSWP program "includes training of special personnel, military participation in the development of atomic weapons of all types, and developing and effecting joint radiological safety measures in coordination with established agencies."

There are four main cities of New Zealand: Auckland, Wellington, Christchurch and Dunedin.

District Committee Will Meet Saturday

Members of the Executive Committee of District 3-AA, Inter-scholastic League, will be held at 10:30 a. m. Saturday in the Settles Hotel at Big Spring, Frank Monroe, superintendent of Midland Schools, said Wednesday.

A new permanent chairman will be named to succeed V. Z. Rogers of Lamesa, resigned. Eligibility lists will be exchanged and eligible football players will be certified.

Average Life-Span Of U. S. Worker Rises

NEW YORK, N. Y. — The average length of life of American wage-earners and their families, which has been climbing steadily, passed the 65-year mark in 1946, according to the statisticians of the Metropolitan Life Insurance Company. This represents a gain of 19 years in the average length of life in our industrial population in the past 35 years.

The actual figure for 1946, based upon the experience among the company's industrial policyholders, was 65.57 years, or about two thirds of a year greater than that for 1945, and a gain of more than two years since 1941, our last prewar year.

The increase in the average length of life has been greater for wage-earners and their families than for the population as a whole. In 1911-1912 the average for the industrial population was almost 61 1/2 years less than that in the general population. This margin has been steadily reduced until now the difference is less than one year.

Charwoman Retires After Oil Is Found

TULSA — (AP) — Discovery of oil on a farm in which she owns one-fifth interest, will mean retirement for Mrs. Anna Renfro, a charwoman in Tulsa office buildings for the past 20 years.

Mrs. Renfro, about 50, broke the news to her employer, W. M. Horster, building manager at the bank, with the announcement that she was quitting. She has been making \$28 per week for 40 hours work at the building.

"They have struck oil on my farm near Shawnee," she explained. "It isn't much but it will give me enough money for the rest of my life so that I won't have to work."

The well, the Deep Rock No. 1 Black in Pottawatomie County, will bring her an average of \$50 per week from its estimated production of 150 barrels of oil per day at the present price of \$1.90 per barrel. Four sisters will receive like amounts. They live in Shawnee, Oklahoma City, Albuquerque and California.

Fines And Jail Terms For Latin-Americans Charged With Assault

In county court here Tuesday afternoon, two Latin Americans were fined and jailed on aggravated assault charges following knife-wielding activities Saturday night. One was fined \$50 and costs and sentenced to 30 days in jail; the other was fined the same amount and sentenced to 10 days in jail.

In justice court, on charges growing out of the same fight, a man was fined \$25 and costs.

County Judge Clifford C. Keith, Justice of the Peace B. C. Girdley, and County Attorney Joe Mims warned the Latin-Americans of further and even heavier penalties if knife-fighting continues in the Latin-American quarter of the city.

Youth Not Hurt In Car-Bicycle Crash

Frank Law reported to police Tuesday his car and a bicycle had collided in the city. A youth was knocked from the bicycle but his name was not obtained. Officers said Law stopped and offered full assistance to the youth, who was not injured.

Oil & Gas Log-

(Continued from page 1) tween 30 barrels to 50 barrels of fluid per hour—mostly new oil. Operator will continue to flow until the new producer has been thoroughly cleaned, and will then take potential gauge and complete.

YARBOROUGH EXPLORATION DRILLS AHEAD WITH ROTARY

L. G. Yarbrough and Son, and W. A. Phillips No. 1 Coble, another West-Central Hockley prospector, located 440 feet from north and east lines of tract 41, league 69, Hardeman County School Land survey, had moved in rotary and was making hole with that equipment below 1,000 feet, in redbeds and shale. It is to drill to around 4,900 feet, to test the San Andres—Permian.

STEP-OUT TO SHARON RIDGE SPOTTED IN NW MITCHELL

Location for a southeast step-out from production in the Sharon Ridge field, in Northwest Mitchell County, has been staked by Aracdia Refining Company of Tyler, as its No. 1 M. Patton. The project will be 330 feet from west and 950 feet from north lines of the southwest quarter of section 194, block 3, H&GN survey. That puts it 20 miles north of Colorado City. Drilling to 1,700 feet, with cable tools, will start immediately.

NELSON DEEP FLANKER IS IN BASEMENT ROCK

Stanoil Oil & Gas Company No. 1 Sims, north flanker to the furthest northwest producer from the Ellenburger, in the Nelson field of Central West Andrews County, about 30 miles due west of Andrews, and 680 feet from south and east lines of section 16, block A-39, psd survey, was bottomed at 10,902 feet, in weathered granite of basement rocks. This prospector apparently failed to find any Ellenburger. It had some light shows of oil in a middle Permian zone and may plug back and test those signs in an effort to try to develop some sort of a well.

Monahans Man Held In Knifing Attack

MONAHANS—Jack Landfair, 25, was bound over to the September 29 grand jury on an attempted murder charge and released on \$1,500 bail here Tuesday in connection with a knifing affair in which his brother, O. B. Landfair, was stabbed several times. The wounded man's condition was described as critical. He is being treated in the local hospital for knife cuts on his chest, neck and arms. W. B. McNerlin, Ward County sheriff, said O. B. visited Jack Sunday night and an argument followed which culminated in the fighting.

Special motion picture cameras have been made in which the film runs at 70 miles an hour to record action so fast it cannot be observed directly.

Million Dollars Are Jettisoned By Pilot

SHANGHAI (AP)—Pilot Robert Rousselot of Noel, Mo., jettisoned a huge cargo of Chinese currency Monday when his Chinese national relief and rehabilitation administration plane developed engine trouble en route from Canton to Peihai, in Western China.

The Shanghai office of the Chinese Air Transport Service said five cases of the money had been recovered and fliers were searching for the rest. The service, for which Rousselot is pilot, said it did not know how much money was involved but other sources said such shipments usually were valued at \$1,000,000 (U. S.). The service reported one engine failed after Rousselot left Luchoo, in Kwangsi Province, and the pilot probably would have crashed into the mountains had he not jettisoned the load.

Midland County's—

(Continued from page 1) another year might be able to furnish Midland's milk supply entirely. Meanwhile, it was brought out Midland County producers fall far short of supplying enough milk for Midland and Odessa, both of which cities draw upon Midland's two creameries for their milk supplies. Which means regardless of the new milk truck coming into Midland, a great portion of the area's milk for a long time has been brought here from other sections of the state to be processed and retailed in Midland and Odessa.

Profit Is Narrow Dairy men at the meeting agreed that their business now is showing a profit. But, they claimed, it is not a large profit and if further competition forces lower prices they will disband their herds. It was said in the meeting that the milk being shipped here by Tennessee Dairies is "surplus" and that later on, when there no longer is a surplus in the area from which it comes, it no longer will be trucked here. Consequently, the dairymen said, the City of Midland should adopt an ordinance forbidding sale of the milk here.

ONear was asked to attend the next meeting of the City Council, accompanied by a group from the dairymen's association, to discuss such action.

Ken Regan To Take Post When Certified

WASHINGTON—Ken Regan of Midland will become the new congressman from the 16th Congressional District when his election is certified by the Texas secretary of state.

Regan, however, will not take official oath of office until Congress convenes next January. The new congressman will assume his post automatically with the certification of election. Last unofficial returns gave Regan a total of 7,118 votes as compared with 6,701 for Woodrow Bean, his nearest opponent.

KEELER RETURNS HOME AFTER APPENDECTOMY

W. G. Keeler was returned to his home at 1903 West Texas Street Tuesday from Western Clinic-Hospital where he underwent an appendectomy last Friday. His condition was reported as "satisfactory."

Noland Speaks On "Lionism"

James Noland told Midland Lions Club members as a keynote expression of a talk on Lions education at a luncheon meeting Wednesday noon in the Scharbauer Hotel, "If there had been Lions clubs in every nation there would not have been a World War."

Before his talk, Noland presented newly-elected Congressman Ken Regan, who expressed his appreciation for solid backing of his home-town voters. Regan drew a rising greeting and applause from the luncheon attendants. Special guests of the club at the luncheon were Mrs. Nettie B. Messick, county home demonstration agent, and two of her club girls, Pauline Norwood and Mary Lou Manning.

A Lions council has been named to cooperate with Boy Scout leaders in the sponsorship of a senior Boy Scout Troop. Its members include: Pat Stanford, Jack Wicket, Lennel Hester, Ed Fausett and Gaddis Barnard.

Three Texas Crewmen Safe In Hurricane

GALVESTON (AP)—Three crewmen of a shrimping boat, feared lost in the tropical storm that hit Galveston Sunday, were safe here Wednesday.

They were Casper Allgood, E. Switzer and Berg Johns, all of Galveston. None was hurt. The boat was found floundering 10 miles off shore in heavy ground swells Monday night and was towed to Galveston.

The boat, the Lyndia M., was badly battered by the winds the fishermen estimated reached as high as 90 or 100 miles per hour. The mainsail and foresail were ripped off after the motor of the vessel was drowned out with salt water within 20 minutes after the wind first struck it.

They said their small battery radio picked up a broadcast warning of the approaching storm. They tried to make the run back to Galveston, but the boat was buffeted by the winds for nearly six hours.

Youth Charged With Killing Stepmother

AMARILLO (AP)—A 17-year-old youth was charged in a murder warrant Wednesday in the death of his stepmother.

The youth is Leroy (Tex) Chivers, who was accused of murder with malice in a complaint filed after his step-mother, Mrs. Norman Chivers, 35, was shot four times in the bedroom of her home in Borger.

A rifle and several empty bullets were found in the room. The boy's father is an employee in a jewelry store. He and Mrs. Chivers had been married about 15 years.

NEGRO CONVICTS AT LARGE

HOUSTON (AP)—Fifteen of 42 prisoners who escaped from two prison farms near here Monday continued Wednesday to elude scores of heavily-armed police patrols on their trail. One of the fugitives was captured Tuesday near Dickinson.

SWIMMING CAT

The versatile jaguar of South America, unlike other cats, likes to swim, and preys upon fish in the rivers as well as upon monkeys high in the treetops.

McKenney on Bridge

By WILLIAM E. MCKENNEY
America's Card Authority

Is better bridge played in the east or in the west? It is true that most of the Life Masters are in the east, but I think that this question will be decided within the next year or two by competition between the two sections. A large group of eastern players went out to California last year, and another delegation is planning to attend the tournament to be held November 5th to 9th, inclusive, at the Hotel Del Coronado, Coronado, Calif.

Today's hand came up at Coronado last year. The play is somewhat involved, and a good player might "blow" the hand. South wins the opening lead with the ace of clubs, takes three rounds of trumps, then takes the diamond finesse. East wins and shifts to a heart, and down goes declarer, losing two hearts, a diamond and a club.

The correct line of play is to win the first trick with the ace of clubs, take three rounds of trumps, win-

OUR BOARDING HOUSE with MAJOR HOOPLE OUT OUR WAY —By J. R. WILLIAMS

MY WORD BOYS! ARE WE GOING TO REMAIN HERE STAGNATING IN THIS REMOTE FOREST FOREVER? I'M CHANGING TO RETURN HOME AND GET BUSY ON MY FALL PROGRAM!

THAT'S A SOUR BLAST COMING FROM A GUY WHOSE GOD NAME NEVER HAS BEEN LINKED WITH A JOB!

I DON'T GET THE PITCH—USUALLY WE CAN'T DRAG YOU AWAY FROM THE WOODS 'TILL YOU START TO SPROUT QUILLS!

WHY THIS IS THE BANNER OF PROGRESS! THE RED IS BLOOD OF PIONEERS! THE SPOTS ARE MARTYR'S TEARS—IT BUILT CATTLE EMPIRES... RAILROADS... CITIES... WHY IS SWEAT A DISGRACE NOW?

I KNOW, GRAN'PA! BUT RED BANDANNAS ARE GOING OUT, EXCEPT PERHAPS FOR SECTION HANDS!

I WISH HE'D TAKE WALKS OUT WHERE BULLS ARE, AN GET A FEW RUNNIN'S!

HE'S STEWING TO TEST HIS DISCOVERY!

THAT NUGGET IS BURNING IN HIS POCKET!

BOOTS AND HER BUDDIES —By EDGAR MARTIN

HOW WONDERFUL! JUST LIKE OLD TIMES!

YOU ARE YES! IN TIME FOR DINNER!

POUR IT ON, OPAL! I'M YOUR ADMIRER!

WELL, WOTTA 'KNOW! BUG?

PUG, HONEY! WHY YOU'RE GROWING INTO SUCH A YOUNG LADY!

NO KID? WHERE ON EARTH COULD OPAL BE?

WELL NOW, DOGGONE, IF YOU AIN'T SOMETHIN'!

DAY-ME?

GREETINGS
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 6th day of October, A. D. 1947, at or before 10 o'clock A. M. before the Honorable District Court of Midland County, Texas, at the Court House in Midland, Texas. Said Plaintiff's petition was filed on the 26th day of August, 1947. The file number of said suit being No. 4852. The names of the parties in said suit are:

ROY F. STOCKARD, as Plaintiff, and the above named parties to whom this citation is issued and directed, are defendants, the nature of which suit is as follows:

Plaintiff alleges ownership of that tract of land situated in Midland County, Texas, described as follows: Lots One (1), Two (2) and Three (3) in Block One Hundred Five (105), Southern Addition to the District of Midland, Midland County, Texas, together with all improvements situated thereon.

Such action is a suit in trespass to try title brought by plaintiff for title and possession of the land above described, as well as damages in the sum of \$1,000.00; annual rental and costs of suit, plaintiff alleging both record title and possession in himself through peaceable, continuous and adverse possession under the three (3), five (5), ten (10) and twenty-five (25) year Statutes of Limitation, and payment of taxes.

Plaintiff prays for recovery of title and possession to and of the land above described, for damages in the sum of \$1,000.00; rental of \$100.00 per annum and costs of suit, and for further relief, general and special, at law or in equity.

If this Citation is not served within ninety (90) days after the date of its issuance, it shall be returned unadvised. Issued this 21st day of August, A. D. 1947.

Under my hand and seal of said court at office in Midland, Texas, this 21st day of August, A. D. 1947.

NETTIE C. ROMER
CLERK, DISTRICT COURT OF MIDLAND COUNTY, TEXAS
(Aug. 27, Sept. 3-10-17)

These Planes Will Star in National Air Races

Here are some of the many types of planes that will show their speed in the National Air Races at Cleveland Aug 30 to Sept. 1. Many, like the P-51 Mustang, the P-39 Airacobra and the P-38 Lightning are souped up, trimmed down versions of famous U. S. warplanes. The AT-6 training plane is a favorite with women pilots in the all-feminine flyers' race. A new event this year will feature fast midget racers, like Tony Le Vier's "Cosmic Wind," above.

Right-Of-Way Is Yours If You Are Driving On Right

AUSTIN — (P) — Right-of-way rules under the new uniform traffic code which becomes effective Sept. 5 were described as "just common sense and courtesy" by Texas Department of Public Safety Director Homer Garrison.

"When two roads or streets cross," he said, "the vehicle that gets into the intersection has the right-of-way. If they get there at the same time, the vehicle on the left must yield to the one on the right."

"In other words, if the other fellow is to your right, you must let him go ahead. If he is to your left, he is supposed to let you go ahead."

When making a left hand turn at a busy intersection:

"A car that is already in the intersection, coming to meet you, has the right-of-way," Garrison said. "So does the next car behind that one. To cut in front of either one of them would create a hazard. But when you have signalled and taken the proper position to turn, and have let these first couple of cars pass, then you are ready to turn. Others coming to meet you must let you turn."

Summing up, Garrison said: "you must not break out in front of the other fellow if he is too close to you or if he is coming too fast—you can take the right-of-way from the other fellow, but you can't take it to heaven with you."

Man Grabs Hawk—Can't Turn Loose For Fear Hawk Will Grab Man

When a hawk flew into the wash rack at Ever Ready Service Station Wednesday morning he committed a grievous error.

Ontee C. Johnson, negro, rushed into the wash house, grabbed the fierce bird, and hung on.

Johnson brought the hawk into The Reporter-Telegram office, but nobody there knew what to do with the bird. So, the man left the office as he came in warily holding the bird's powerful neck with one hand and the bone-piercing claws with the other.

Mrs. J. G. Bird's Uncle Dies At Ranch Home

W. A. Davis, pioneer Schleicher County ranchman, and uncle of Mrs. J. G. Bird of Midland, died Tuesday night at his ranch home near Eldorado. He had ranched in Schleicher County more than 50 years and was well-known in livestock circles throughout the Southwest.

Funeral services will be held Thursday morning in Eldorado. Mr. and Mrs. Bird and children left Wednesday to attend the services.

Governor Jester Will Visit Institutions

AUSTIN — (P) — The first of a series of visits Gov. Beauford H. Jester says he plans to make to state eleemosynary institutions was an "unannounced" visit Sunday to the Austin State Hospital.

Jester, whose daughter, Joan, and son, Beauford, Jr., were included in the inspection party, toured the asylum's wards, dining rooms, kitchens and other facilities for both negro and white patients.

The governor complimented Supt. A. T. Hanretta at the conclusion of the inspection trip "on a job well done."

He said he planned tours of other state institutions soon.

Texas National Guard Is On September 16

AUSTIN — (P) — Gov. Beauford H. Jester has proclaimed September 16 as National Guard Day in Texas, in line with a national proclamation issued by President Truman marking the seventh anniversary of the National Guard's entrance into federal service.

A nationwide recruiting campaign to enlist 88,888 men into the National Guard will be initiated September 16.

Seagraves CC Heads Visit In Midland

Four officers of the recently organized Seagraves Chamber of Commerce were in Midland Tuesday afternoon to confer with chamber of Commerce leaders concerning a chamber of commerce operation. They were James Thornhill, president; W. L. Carter, vice president; and Gene Day and Frank Matchett, directors.

Thirty Seagraves businessmen have underwritten operation costs of the Seagraves organization the first year, and a membership drive now is underway there. The officials are seeking an experienced manager to head the new organization.

A device has been invented which will translate human speech into visible patterns on a screen which can be read by deaf persons.

Fourteen Texans Are In National Tourney

DALLAS—(AP)—Fourteen Texans have qualified for the National Amateur golf tournament scheduled September 8-13 at Pebble Beach, Del Monte, Calif.

Bill Roden of Odessa led the sectional qualifying Tuesday as he shot a three-over-par 143 at Odessa.

Second low man in Texas was Jimmy McGonagill, a Texan who now lives at Shreveport, who shot a six-over-par 146 over Brook Hollow course at Dallas.

Others qualifying from Texas were:

Bill McMahon, Odessa, 147; Tom Miller, Jr., Austin, 148; Herbert Durham, Dallas, 148; Robert Watson, Wichita Falls, 148; Leonard White, Dallas, 150; Joe Moore, Jr., Eaton Rouge, La., 150; Claud Wild, Jr., Austin, 150; Don Cherry, Wichita Falls, 150; Rufus King, Wichita Falls, 150; J. N. C. Cameron, Baytown, 152; Johnny Hensley, Palestine, 154; Don Schumacher, Dallas, 156.

Tulsa Makes Hay As Rain Falls In Texas

Tulsa gained a half game to make its fourth place position more secure Tuesday night as rain washed out half the activities in the Texas League.

The Oilers licked cellar-dwelling San Antonio 4-0 while Shreveport, the strongest challenger for Tulsa's spot in the play-offs, was idle at Fort Worth. Tulsa is two and one-half games ahead of the Sports.

First place Houston also picked up a half game as the Buffs clipped Oklahoma City 8-6 while second-place Fort Worth, hot in pursuit of the injury-ridden Buffs, watched the rain fall. Dallas and Beaumont also had to call off their game at Dallas because of excessive moisture.

Tuesday night there will be two double-headers to make up the rained out games with Shreveport at Fort Worth and Beaumont at Dallas. Houston will be at Oklahoma City and San Antonio at Tulsa for single games.

Houston splurged for six runs in the fourth inning to whip Oklahoma City with Clarence Beers, the league's leading pitcher, backing into his 22 victory. He was clouted from the mound in the seventh but was ahead when he left and it stayed that way.

Disease Hits Mexican Herds Of Fine Cattle

WASHINGTON—(AP)—The foot and mouth disease epidemic in Mexico cost the country one of its finest dairy herds.

The Agriculture Department said the herd included a bull that had been Mexico's national champion four consecutive years. The herd was on a ranch near Queretaro. It comprised 270 animals, all of which were slaughtered in the campaign to halt the spread of the disease.

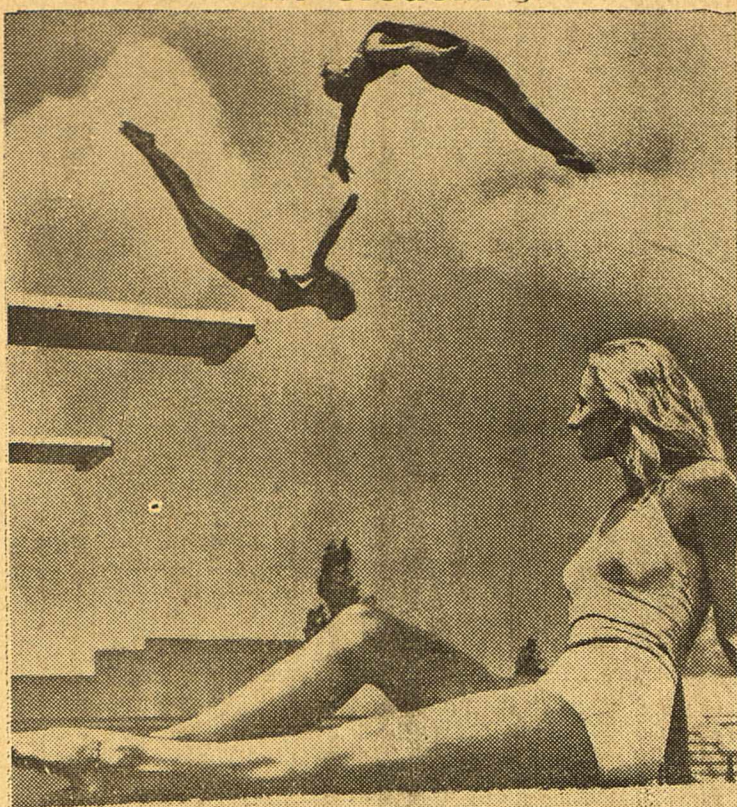

(On one previous occasion, several months ago, agriculture officials reported the infection had reached the dairy herd of President Miguel Aleman of Mexico.)

(The president's herd, located on a farm near Mexico City in the heart of the infected area, presumably was destroyed, agriculture officials said.)

Will Hold Rules Clinic For Coaches, Officials

A rules clinic with Ab Curtis of Fort Worth as lecturer will be held by the Midland-Odessa Coaches and Officials Association September 27 at the Scharbauer Hotel here.

There will be a morning session, a luncheon and an afternoon session, much the same as presented here last year by the Midland officials unit.

The clinic was announced at a meeting of the Midland-Odessa Coaches and Officials Association Tuesday night in Odessa.

Some of the Midland boys attending the Tuesday meeting included: John Hart, Burns McKinney, Bill Cheatam, Mike Brumbe-low, Eric Pannel, Ray Stanley and others. Monahans and Seminole were represented in addition to Midland and Odessa.

The next meeting of the organization will be in Midland, date to be announced.

Booster Members Wanted

The Midland Bulldog Booster Club will go into a vigorous campaign to increase its membership and this was outlined at a meeting of the organization Tuesday night at the high school.

A goal of 1,000 Boosters has been set.

Working in conjunction with its campaign to sell season tickets to 1947 home football games of the Midland High School Bulldogs, the Booster unit will also offer memberships in the organization.

Red Thompson is chairman of the membership committee and he has listed a corps of helpers.

The Boosters will meet again next Tuesday night at the high school.

Gun-toting purse for pretty policewomen is now standard equipment on Detroit force. Marjorie Fleming makes quick draw.

Sports

—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, AUG. 27, 1947

Play Twice Wednesday

The Midland Indians and the Ballinger Cats will play a double-header beginning at 6 p. m. Wednesday in Indian Park.

Both contests will be seven innings and the second will begin 20 minutes after conclusion of the first.

From oh so much lower in the league standing, the Ballinger Cats edged the Midland Indians, 4 to 3, Tuesday night in the home wigwam.

The runs were close, the hits were close (Ballinger 10, Midland 9, and the error were close (Ballinger 6, Midland 7).

Midland had a chance to win or tie the thing in the eighth inning when Keon doubled. Umpire Russell ruled Keon was out on a cross play at the second sack when Keon lunged back after taking a daring lead off. The decision brought down the wrath of the fans.

Williams Homers
Ballinger teased and eked out three runs in the very beginning with one run in the first, one in the second, and one in the third. Stu Williams, Cat first sacker, hit a home run in the seventh for the fourth tally, which proved to be the difference.

Midland got into the ball game in the seventh, to pull up on the Box score:

The Winnah!

Otto Schedler of Milwaukee stands beside the 141 1/2 pounder he hooked on medium tackle off Venice, Fla., to win the Sarasota County International Tarpon Tournament. The big one meant a new automobile and a \$1,000 silver trophy.

Louisiana Is Second To Texas In Increase

BATON ROUGE, LA.—(AP)—Louisiana's gain of 109,247 in population since the 1940 census was second only to Texas among South Central states.

D. Y. Smith, director of the Department of Commerce and Industry, said he was advised by the U. S. Department of the Census Louisiana's population now is 2,514,820 persons.

Texas showed a gain of 544,657, an increase of 8.5 per cent as compared to Louisiana's 6.6 per cent increase, Smith said.

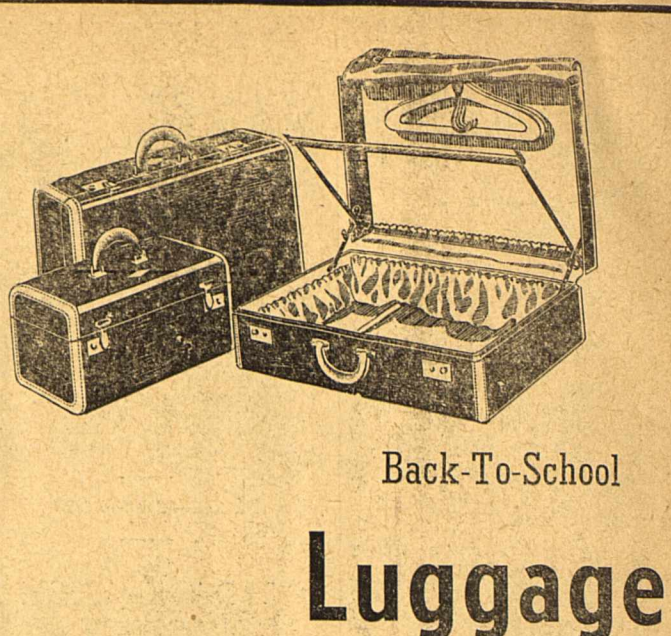

Population of New Orleans is 622,000, he said, up 11 per cent from April, 1940.

First Come First Served

A pre-season sale of season football tickets will be strictly on the first-come, first-served basis, Midland Booster Club representatives announced Wednesday.

This sale opens at 8 a. m. Thursday in the Chamber of Commerce office.

There will be no pulling of tickets for favored persons, it was pointed out. Regardless of practices in other years, in 1947 the deal is absolutely, first-come, first-served.

Roy Minear is Booster chairman in charge.
